

phospholipid catabolic process

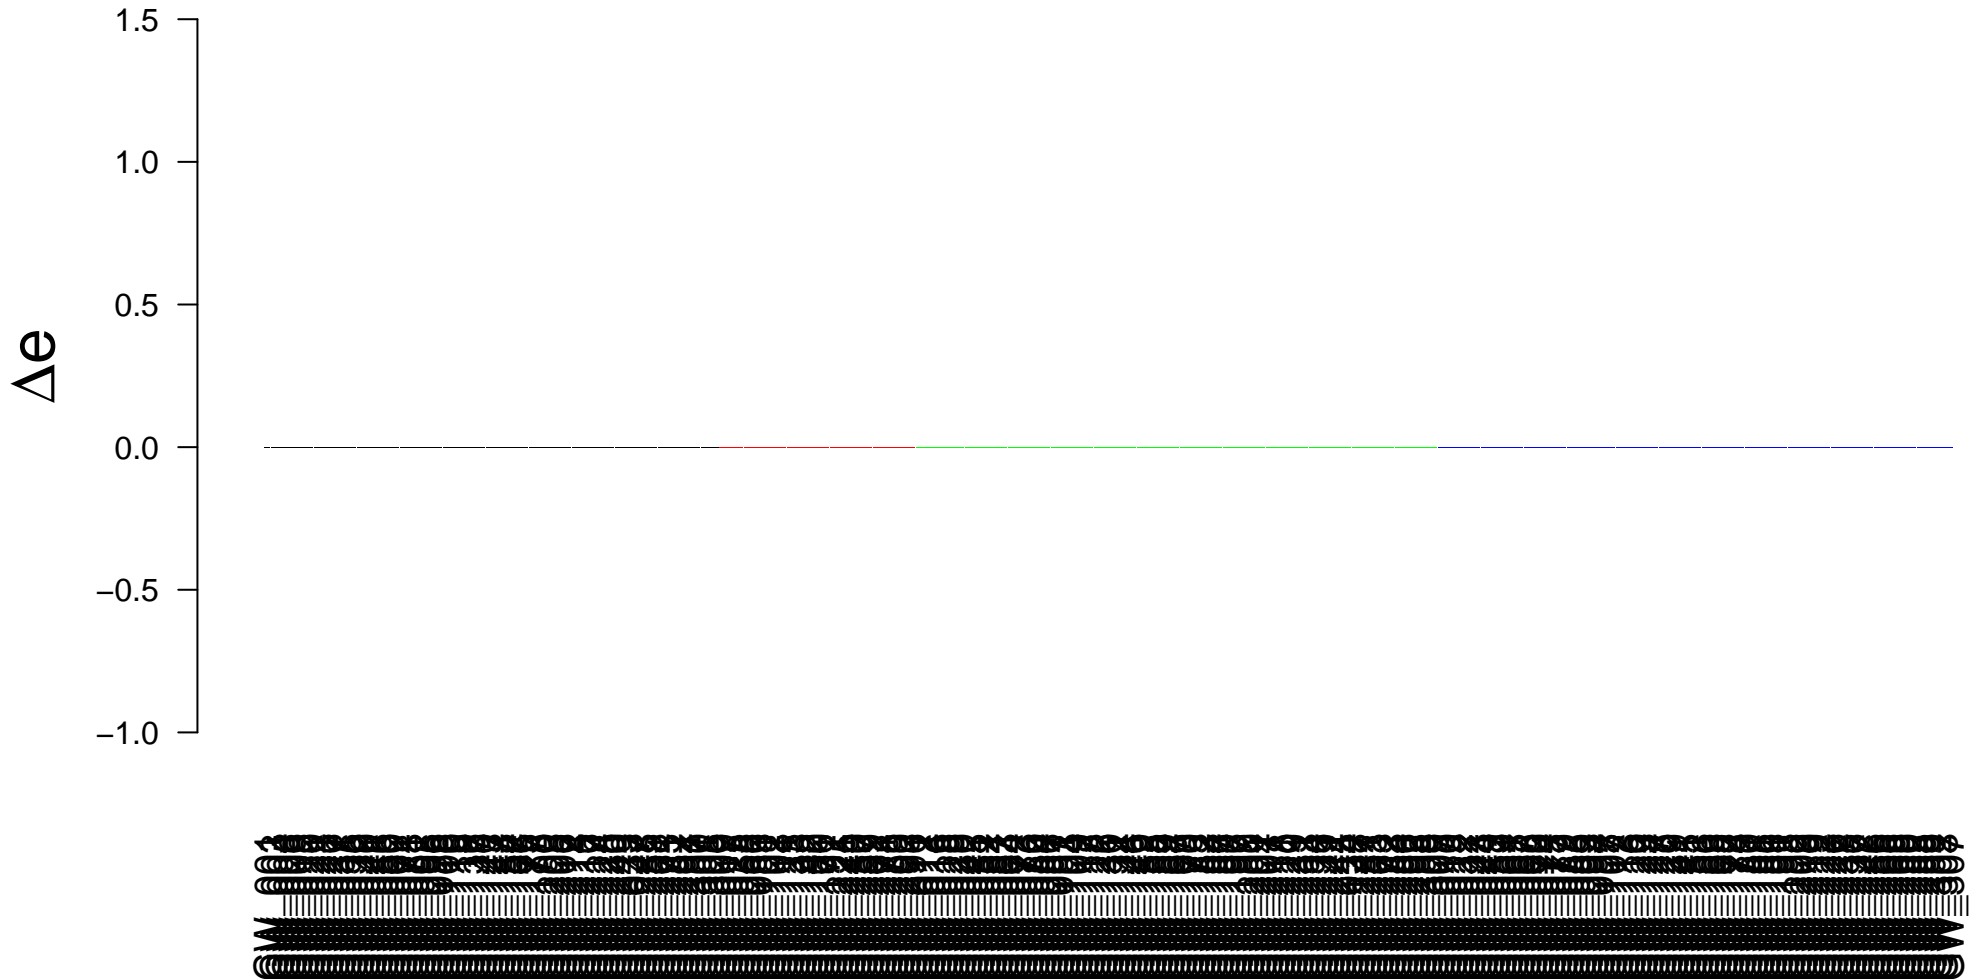

phospholipid catabolic process

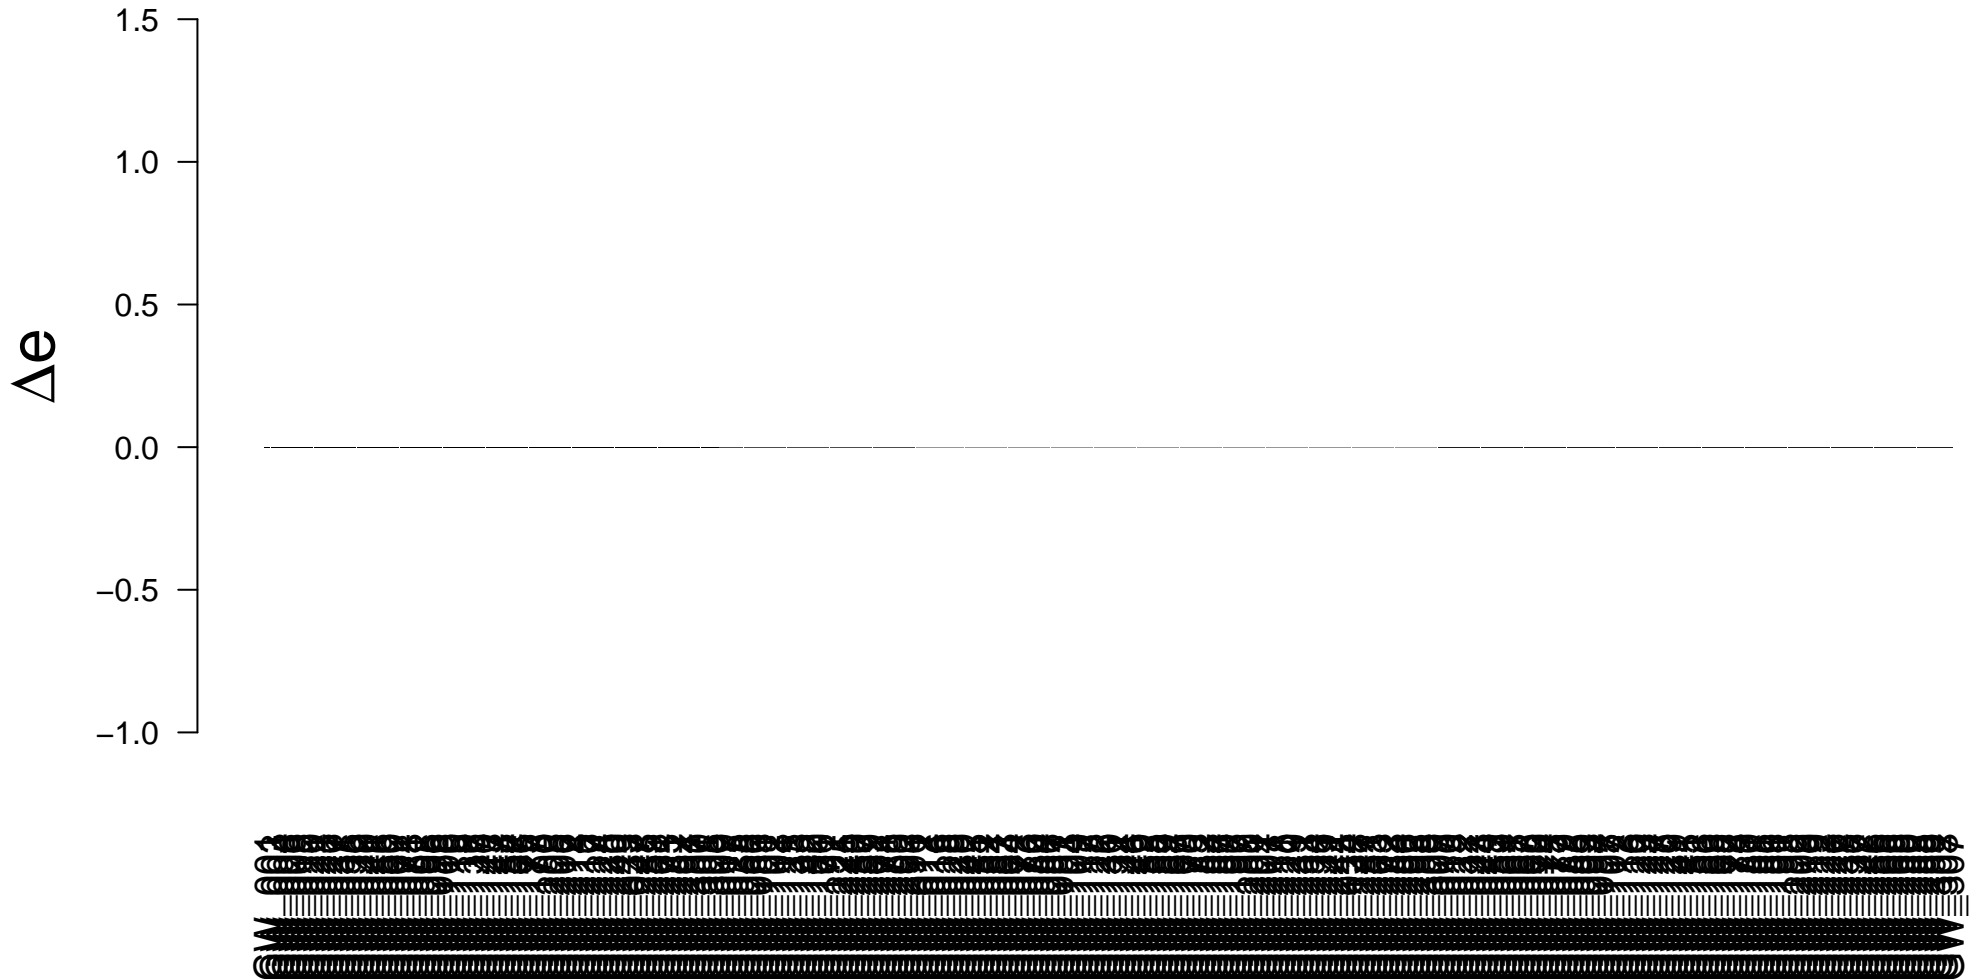

Enrichment in spots: phospholipid catabolic process

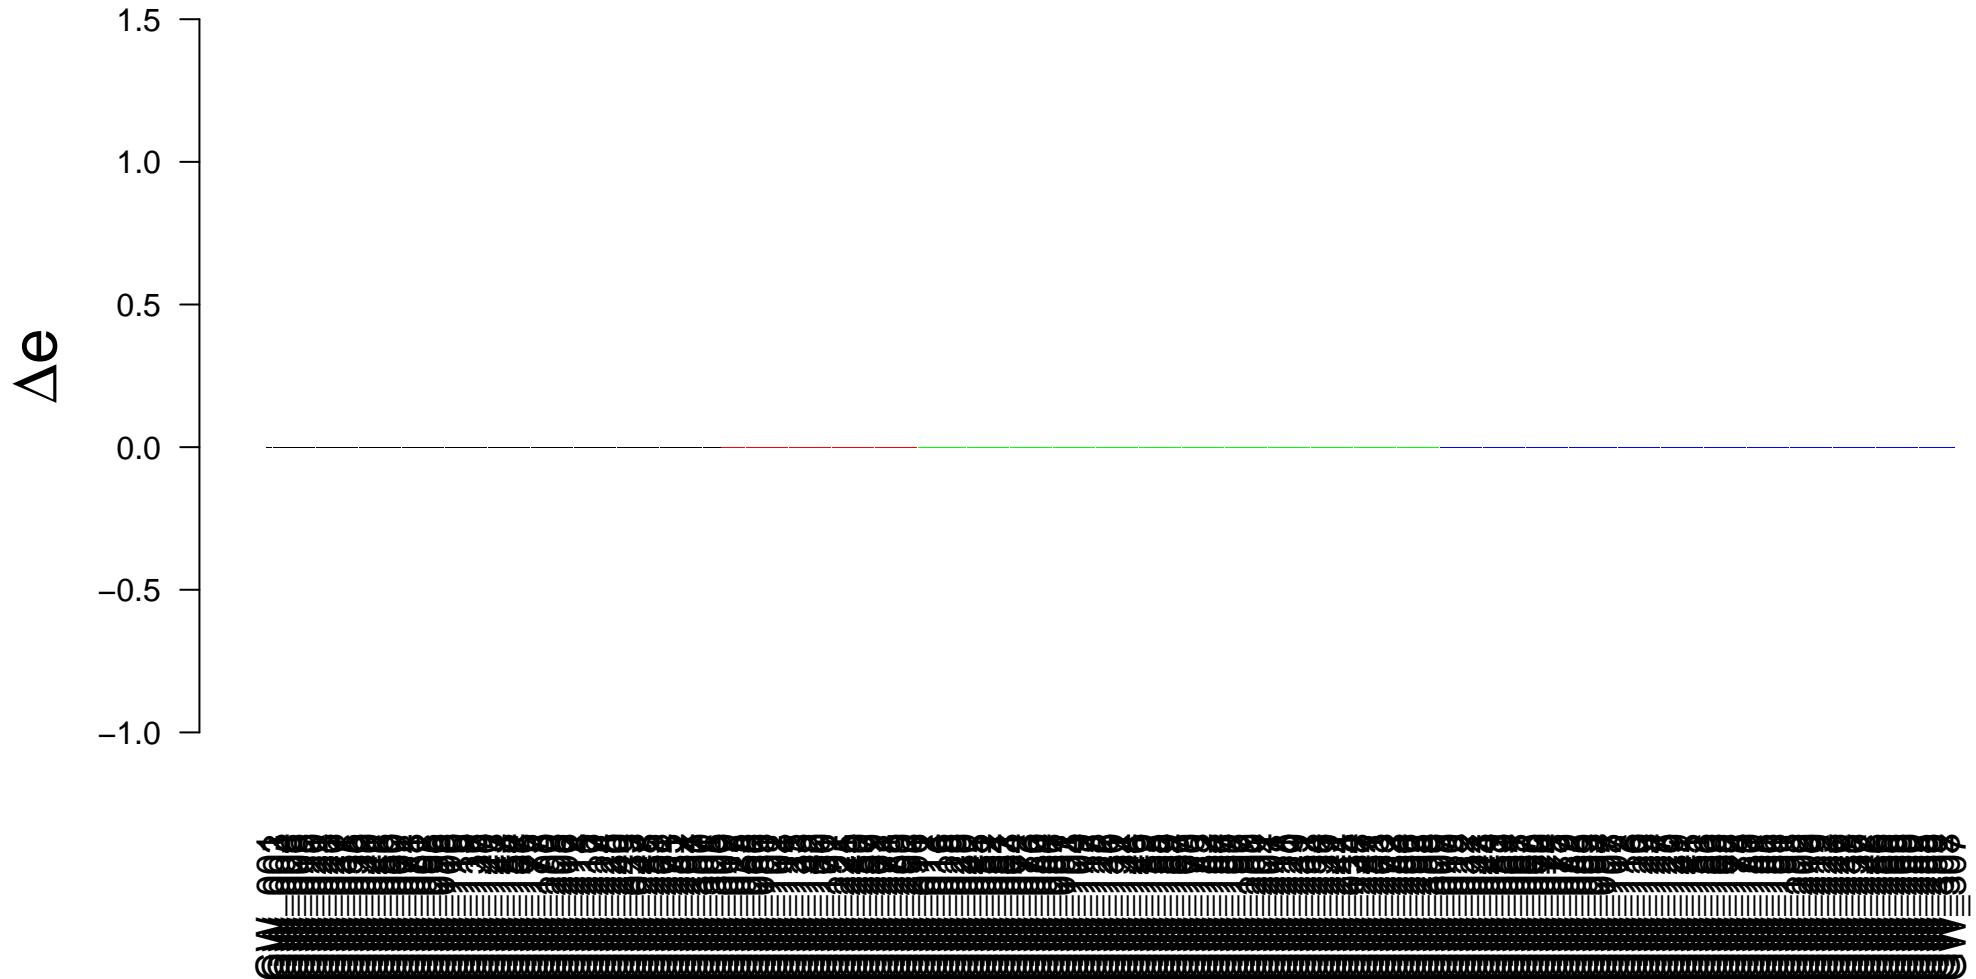

Expression of phospholipid catabolic process in Spot A

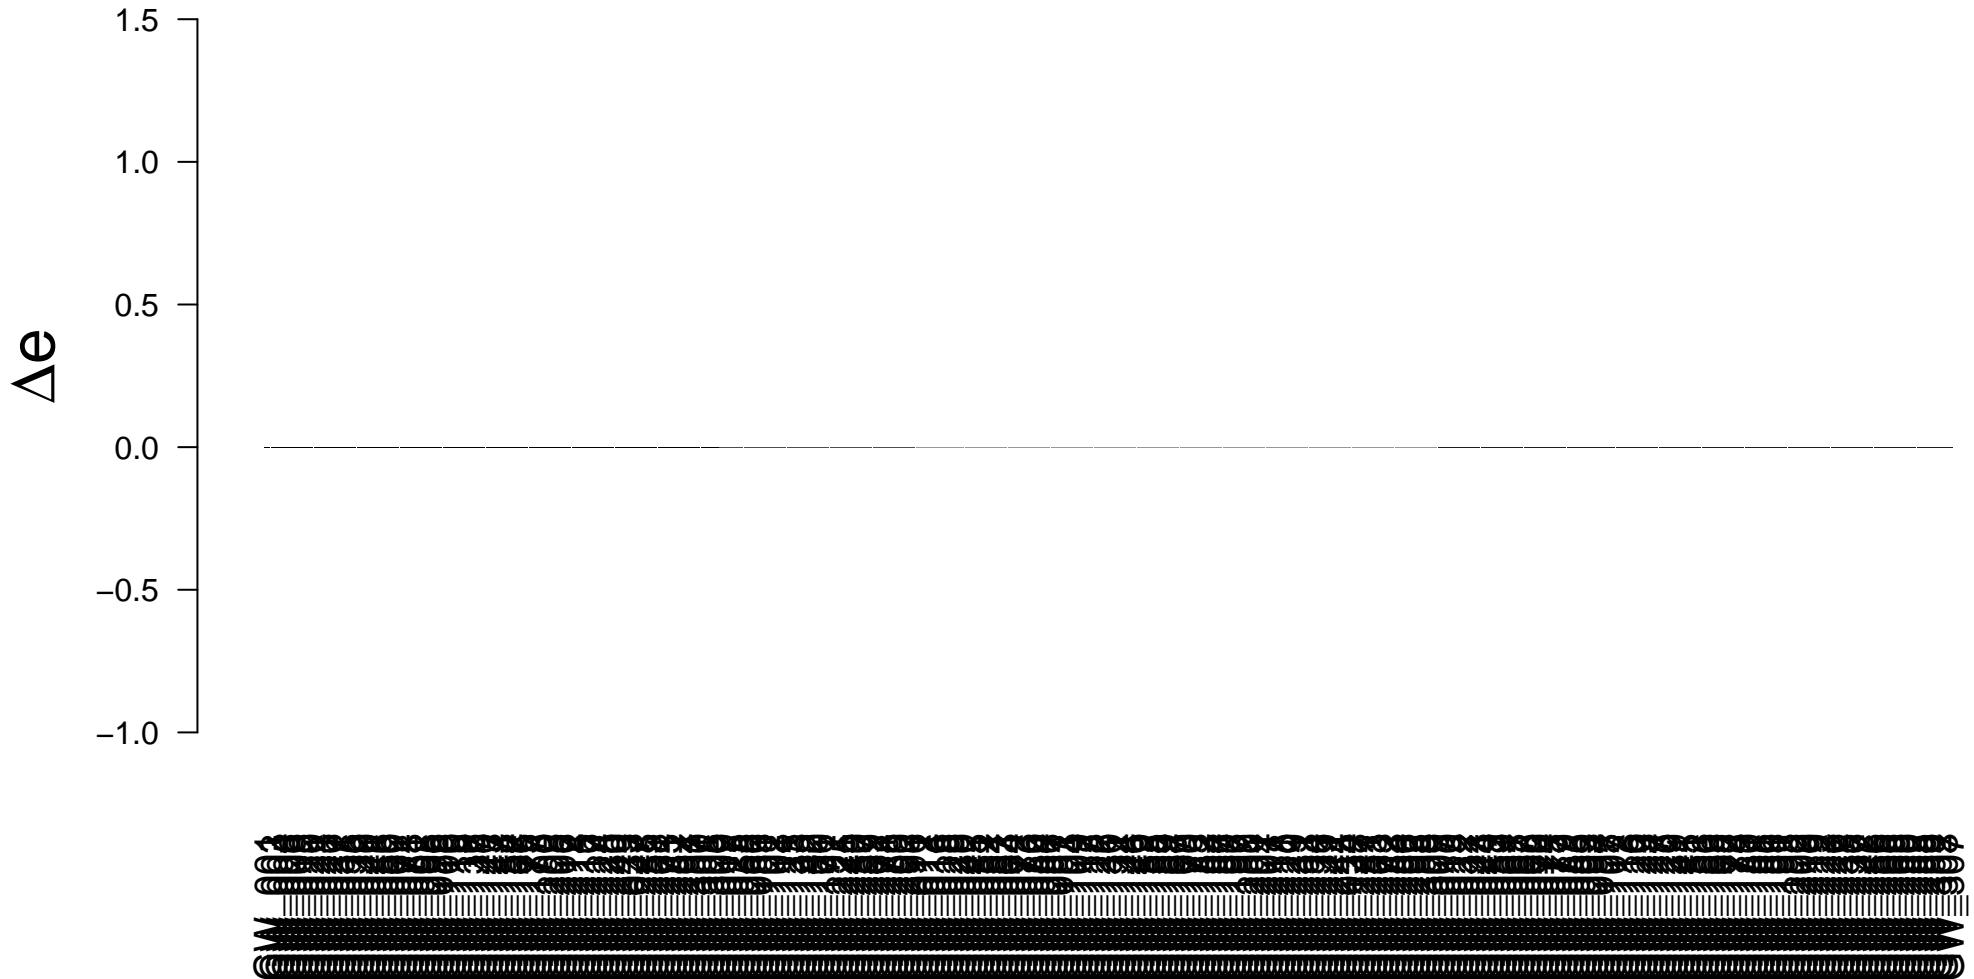

Expression of phospholipid catabolic process in Spot B

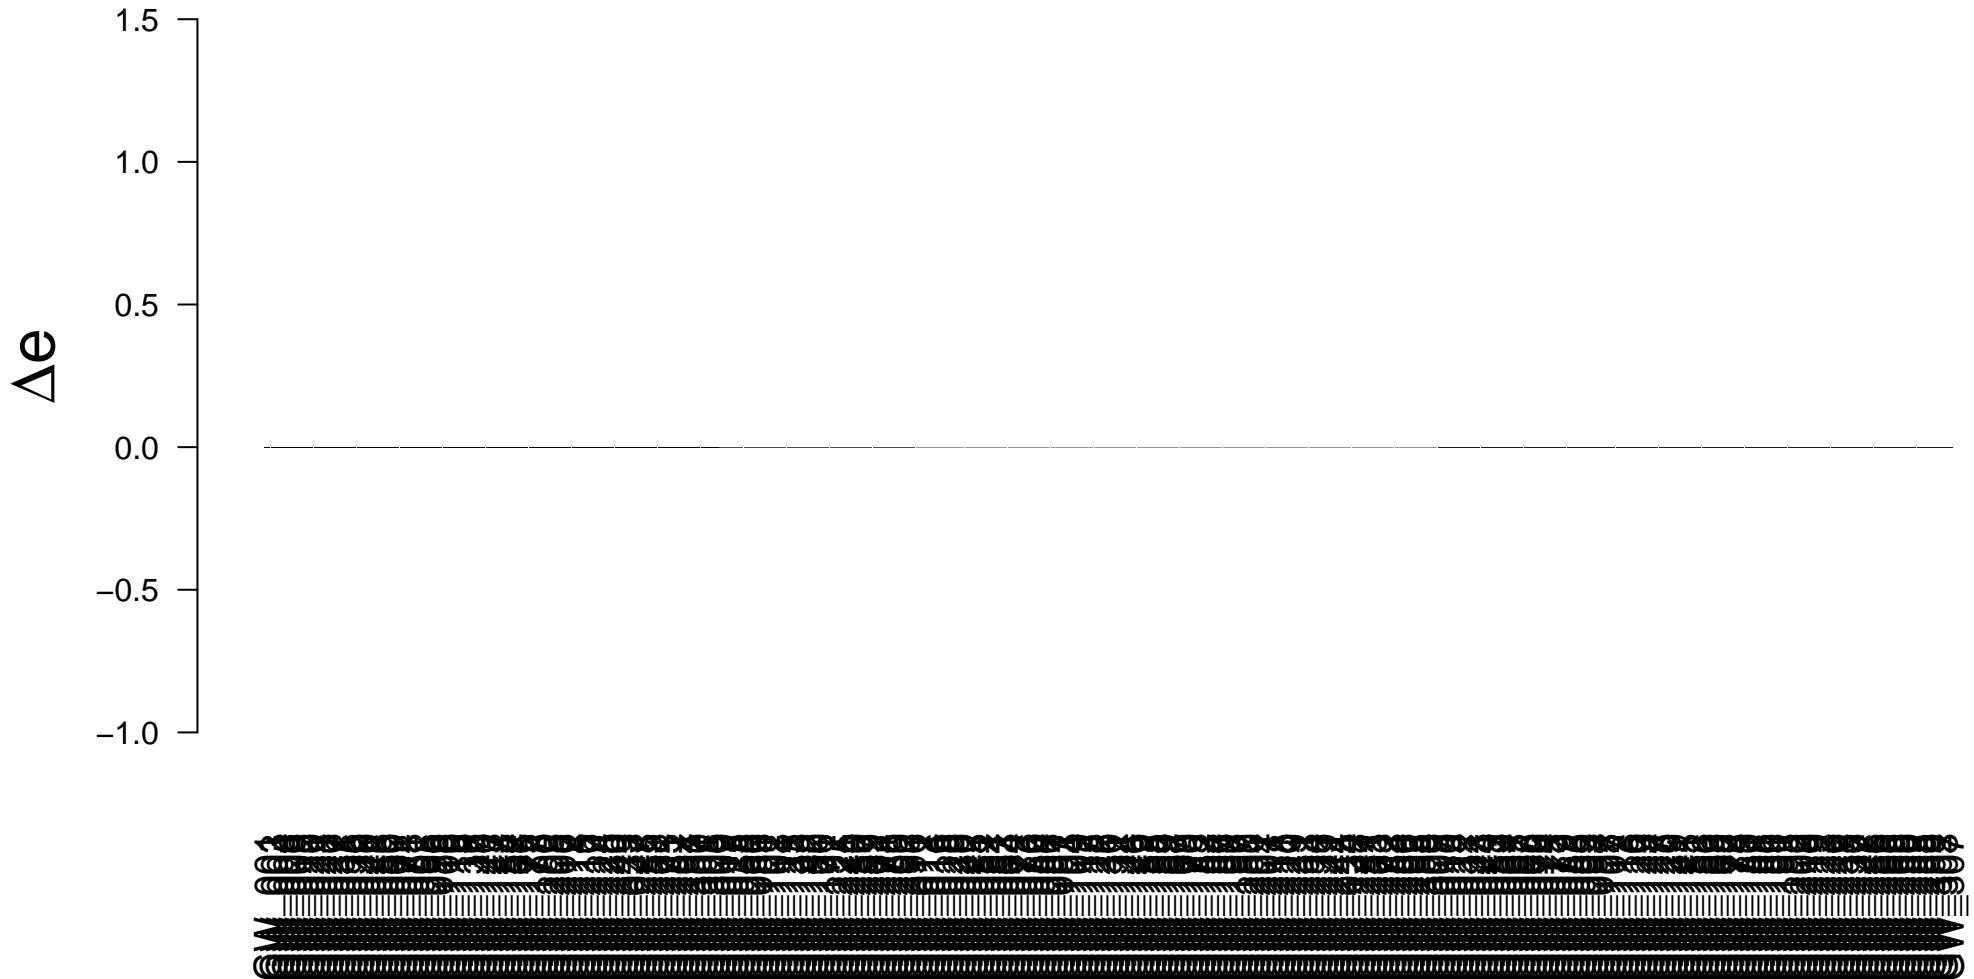

Expression of phospholipid catabolic process in Spot C

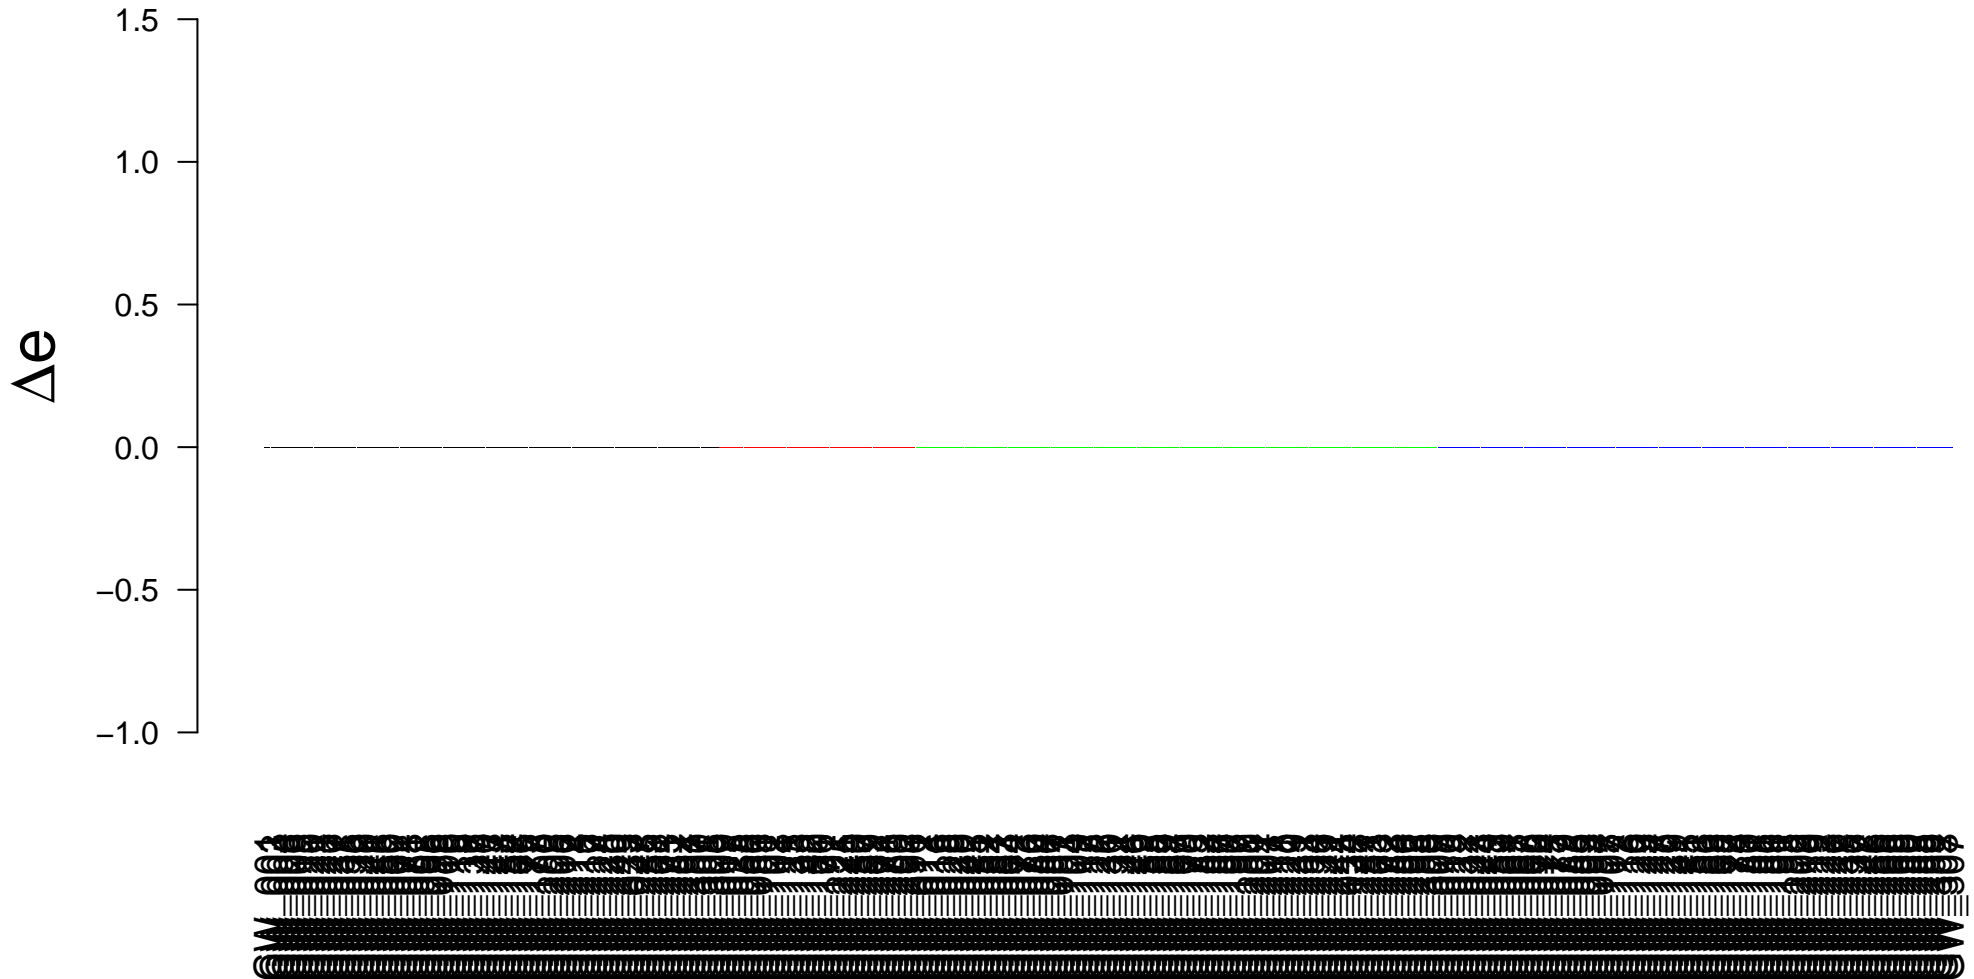

Expression of phospholipid catabolic process in Spot D

Expression of phospholipid catabolic process in Spot E

Expression of phospholipid catabolic process in Spot F

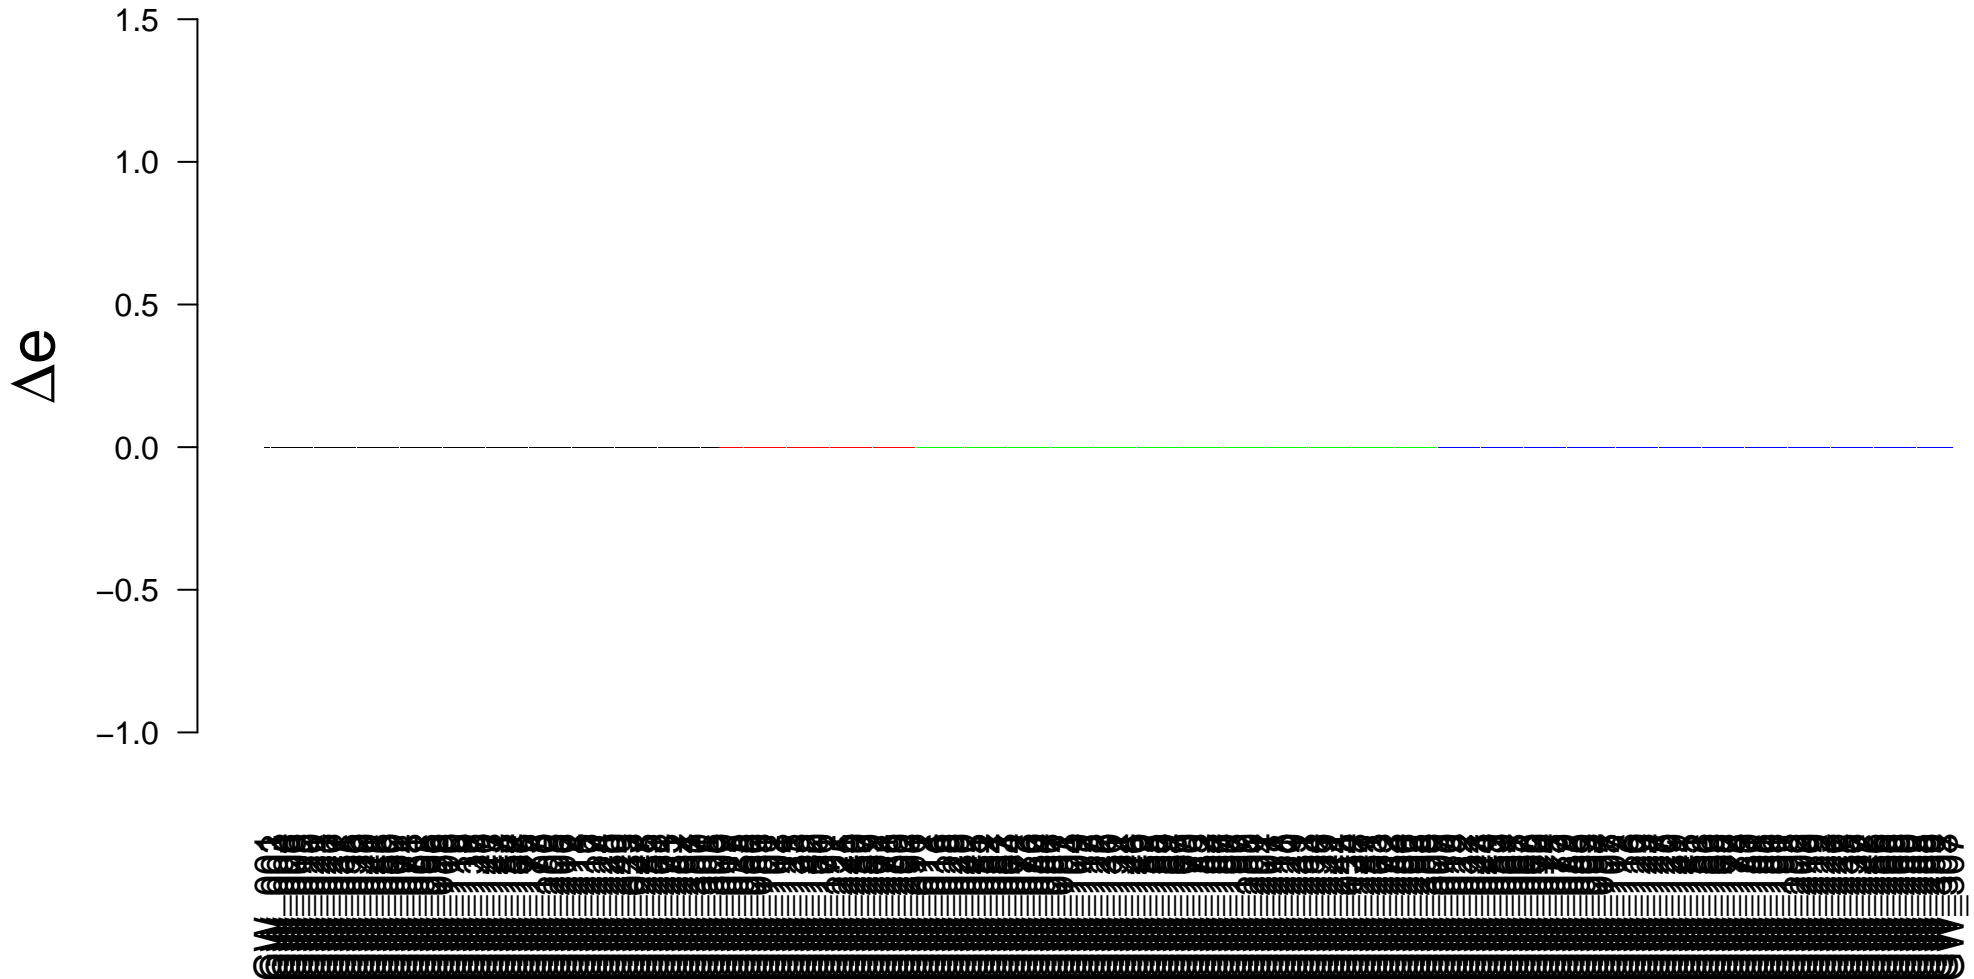

Expression of phospholipid catabolic process in Spot G
