

phospholipid-translocating ATPase activity

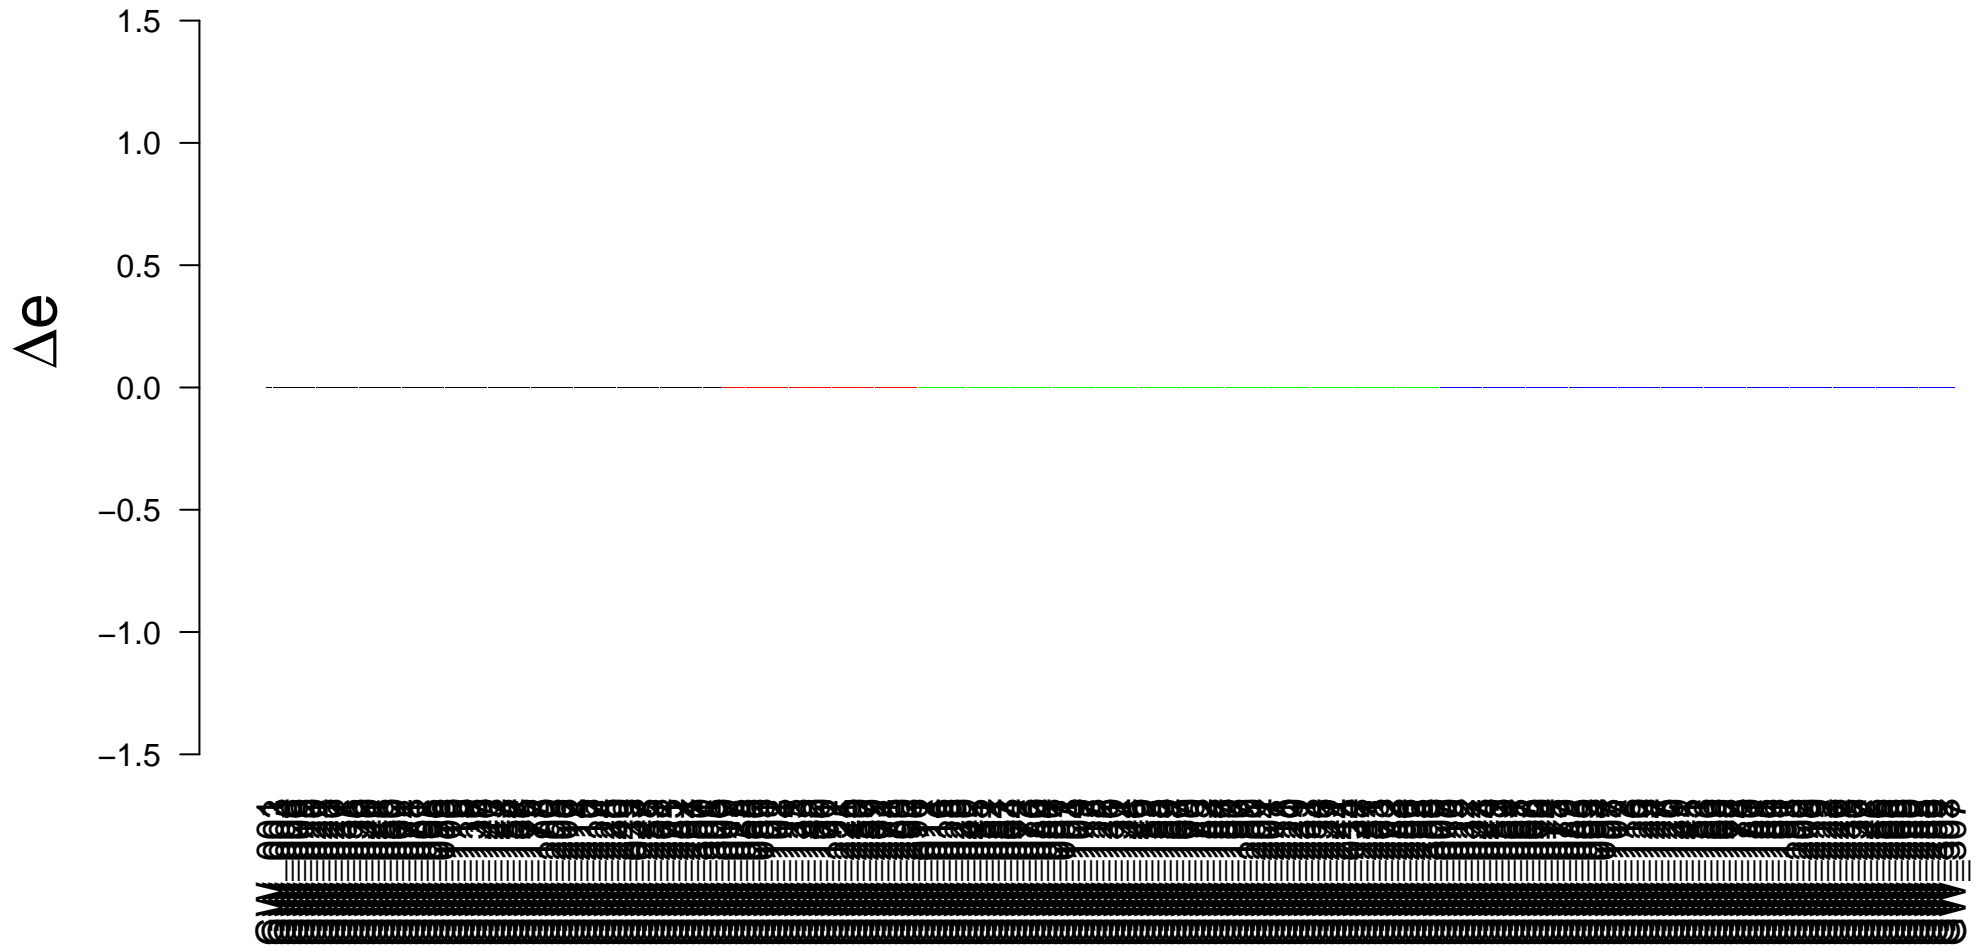

phospholipid-translocating ATPase activity

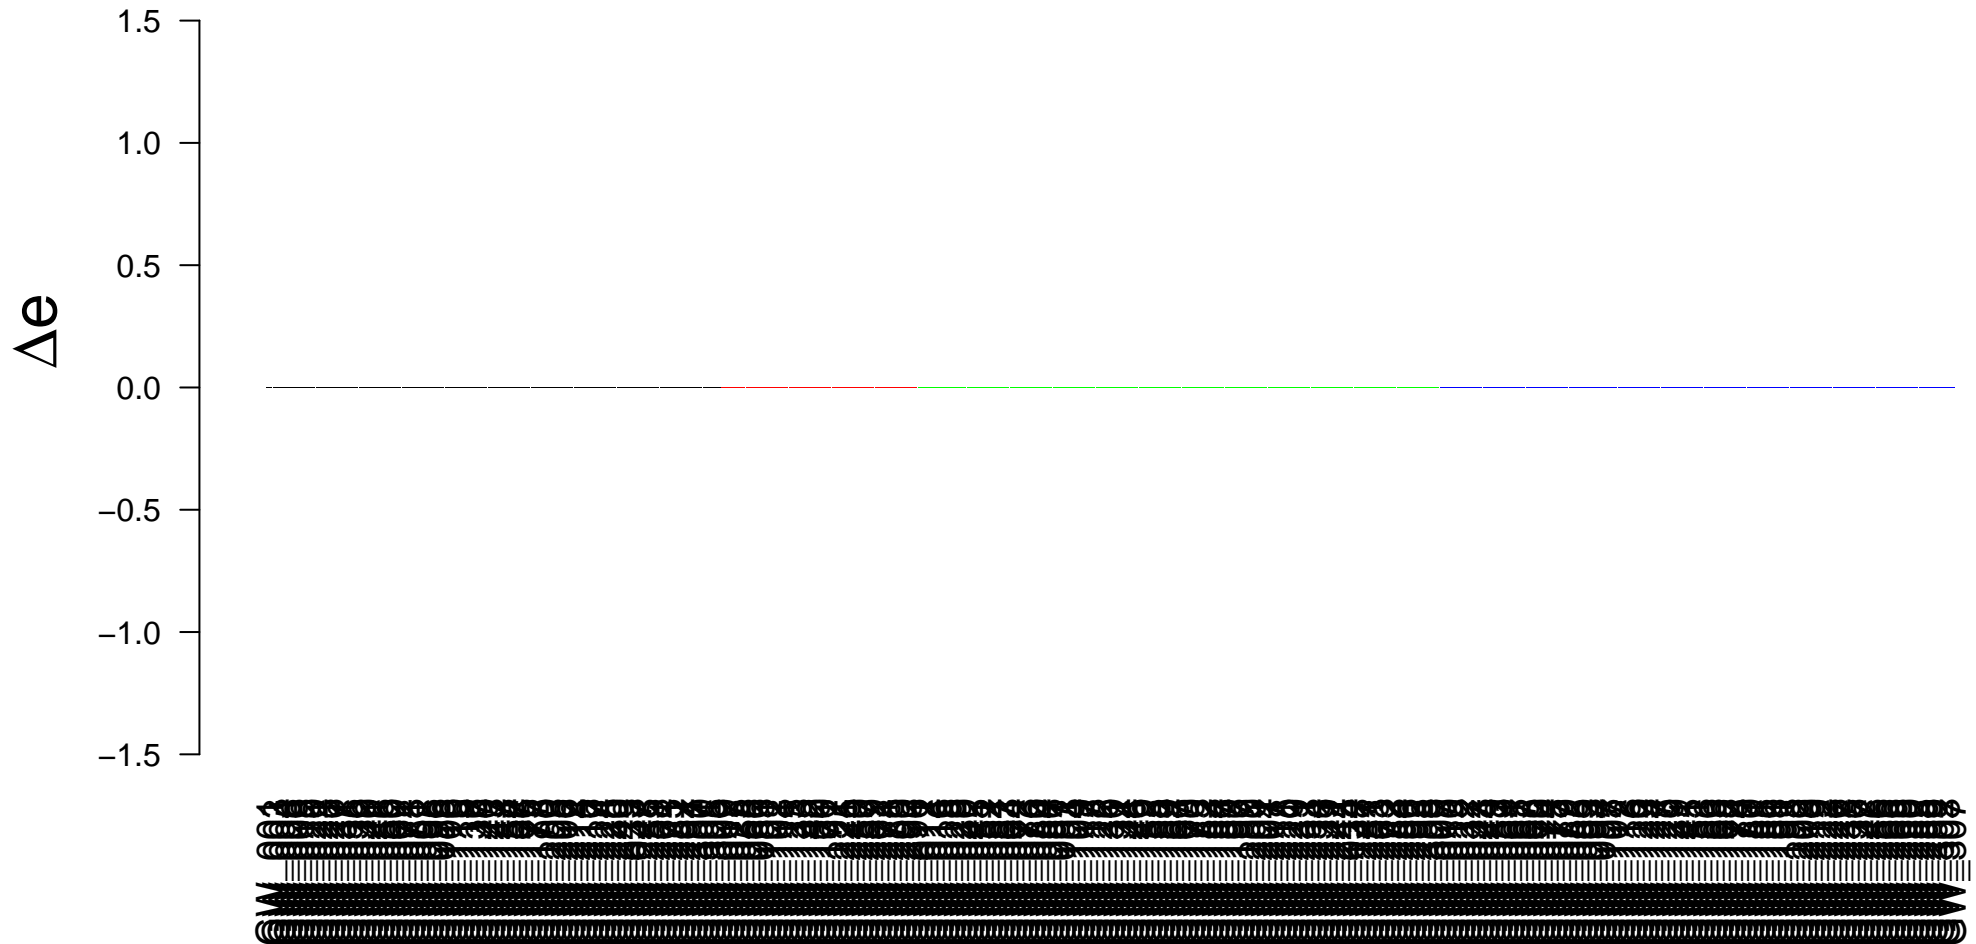

Enrichment in spots: phospholipid-translocating ATPase activity

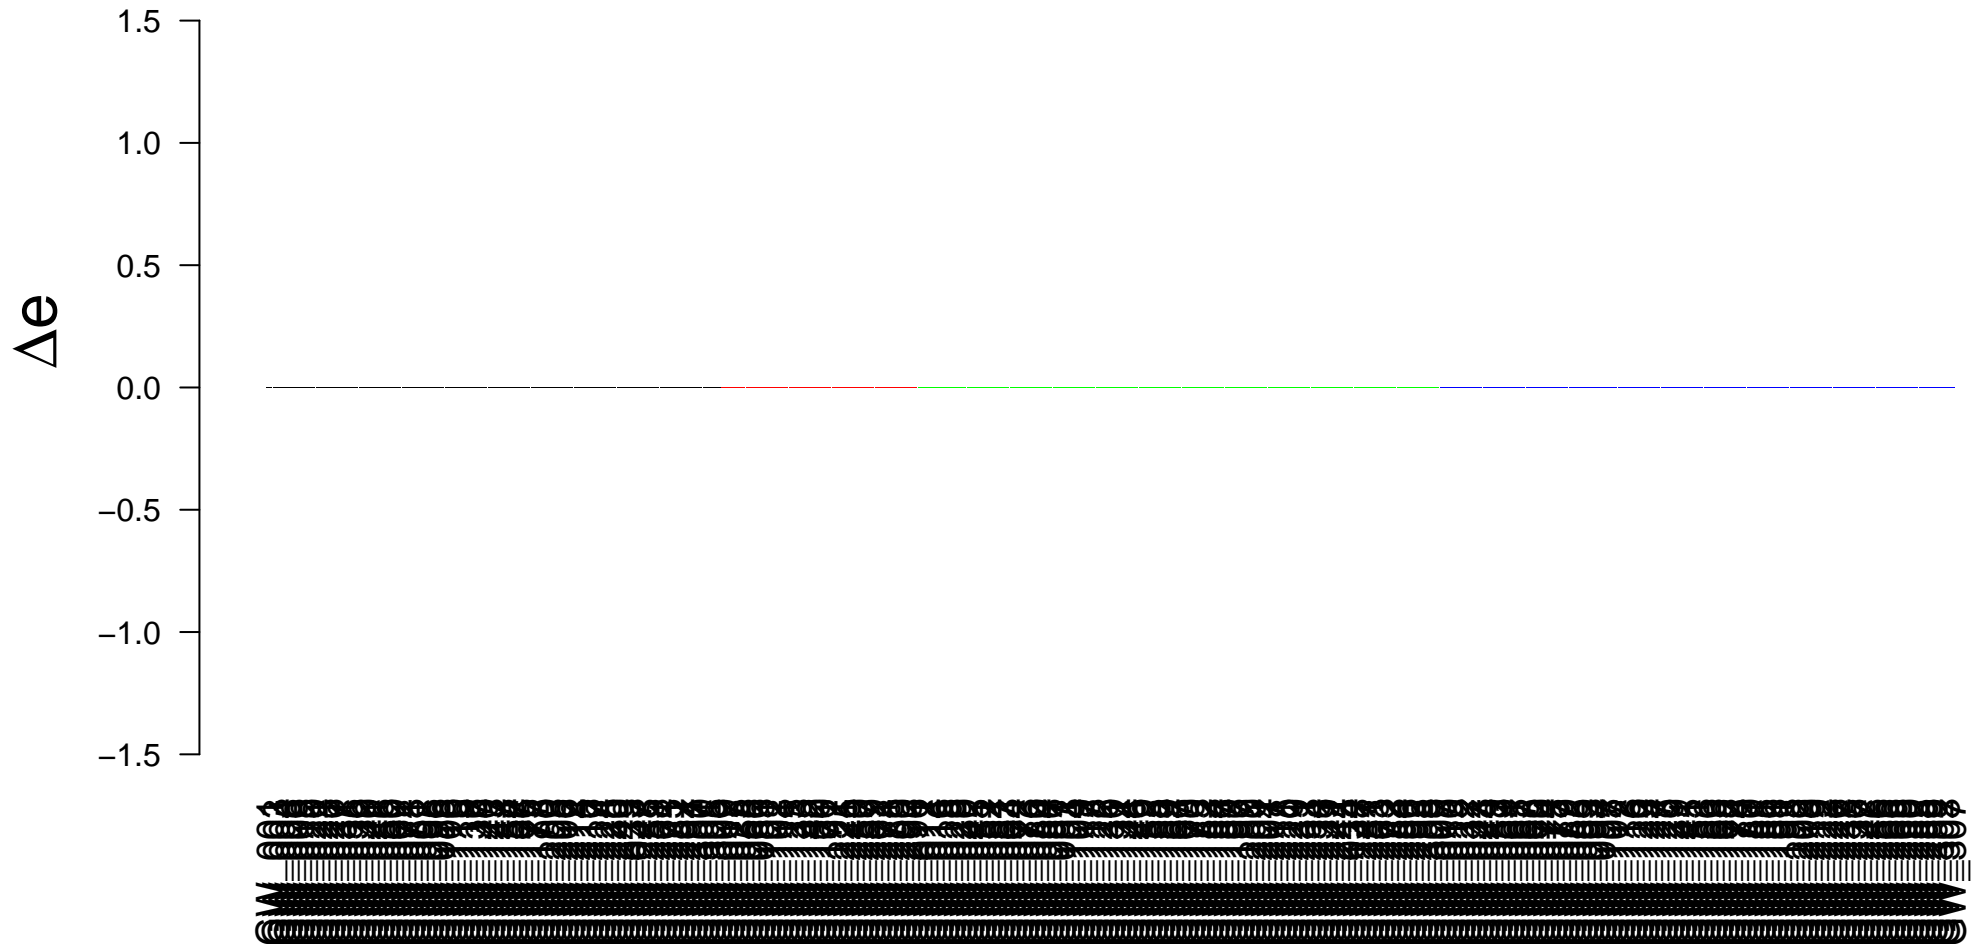

Expression of phospholipid-translocating ATPase activity in Spot A

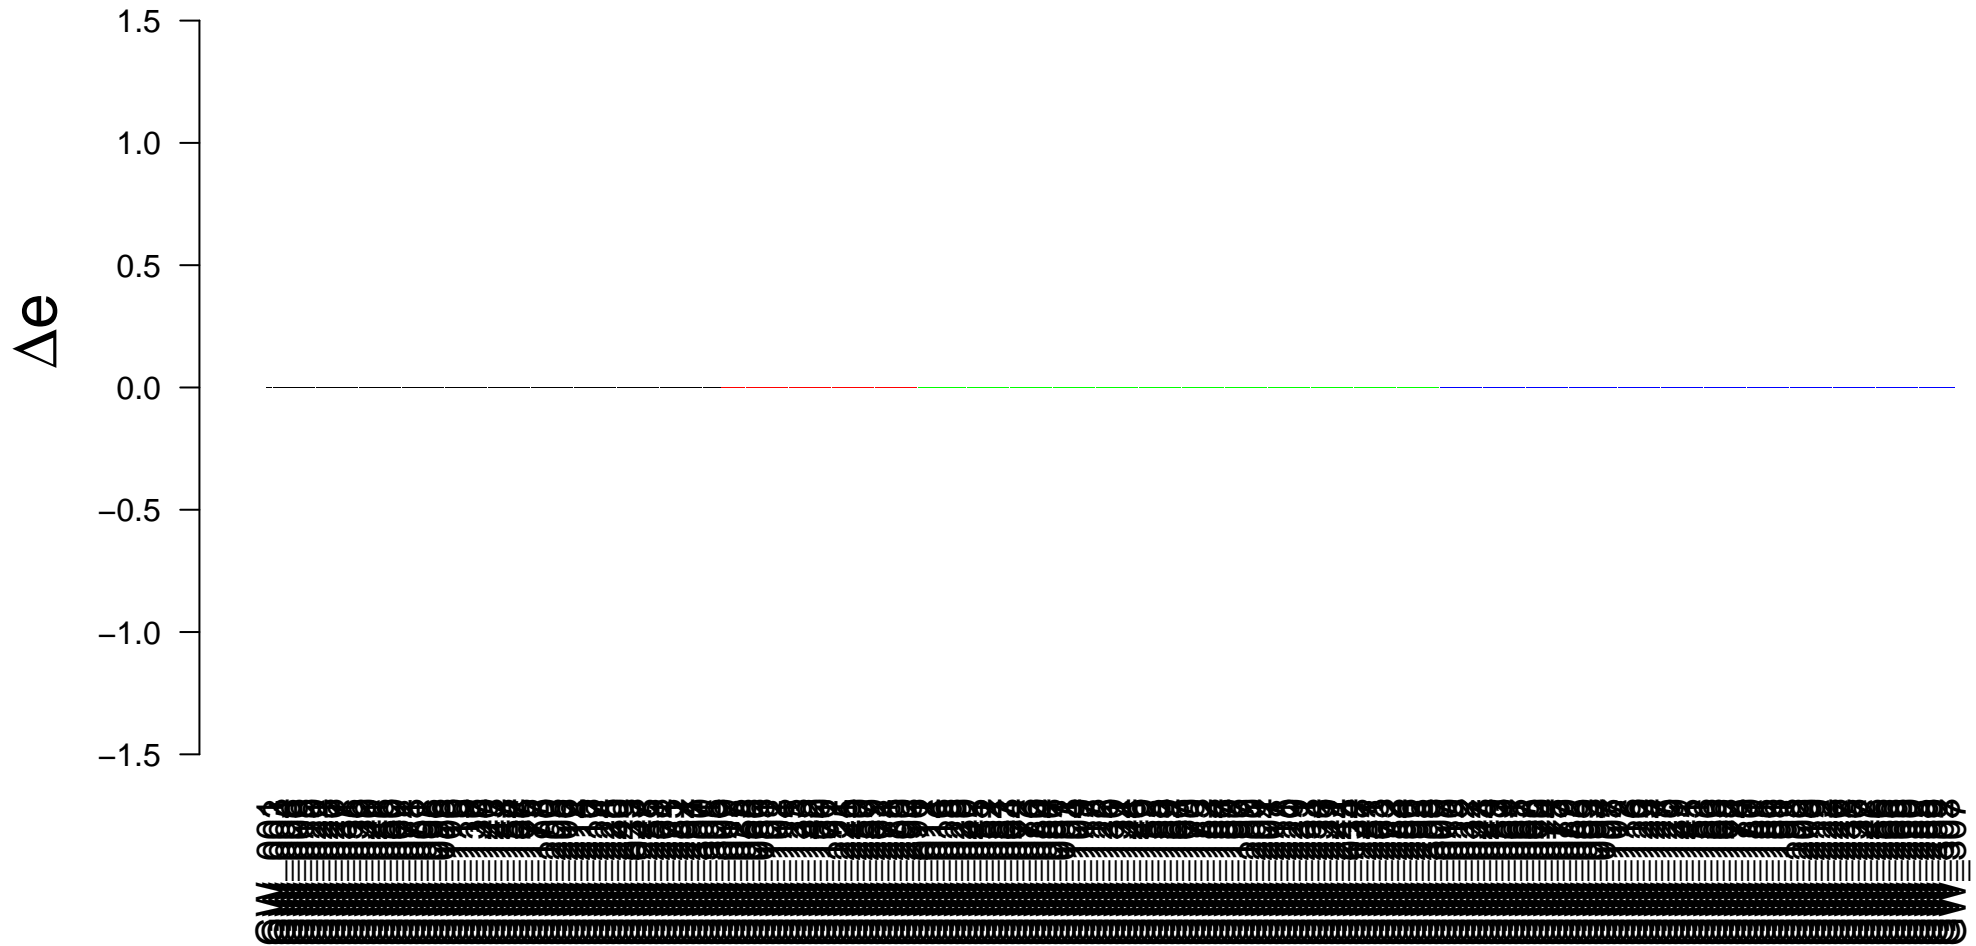

Expression of phospholipid-translocating ATPase activity in Spot B

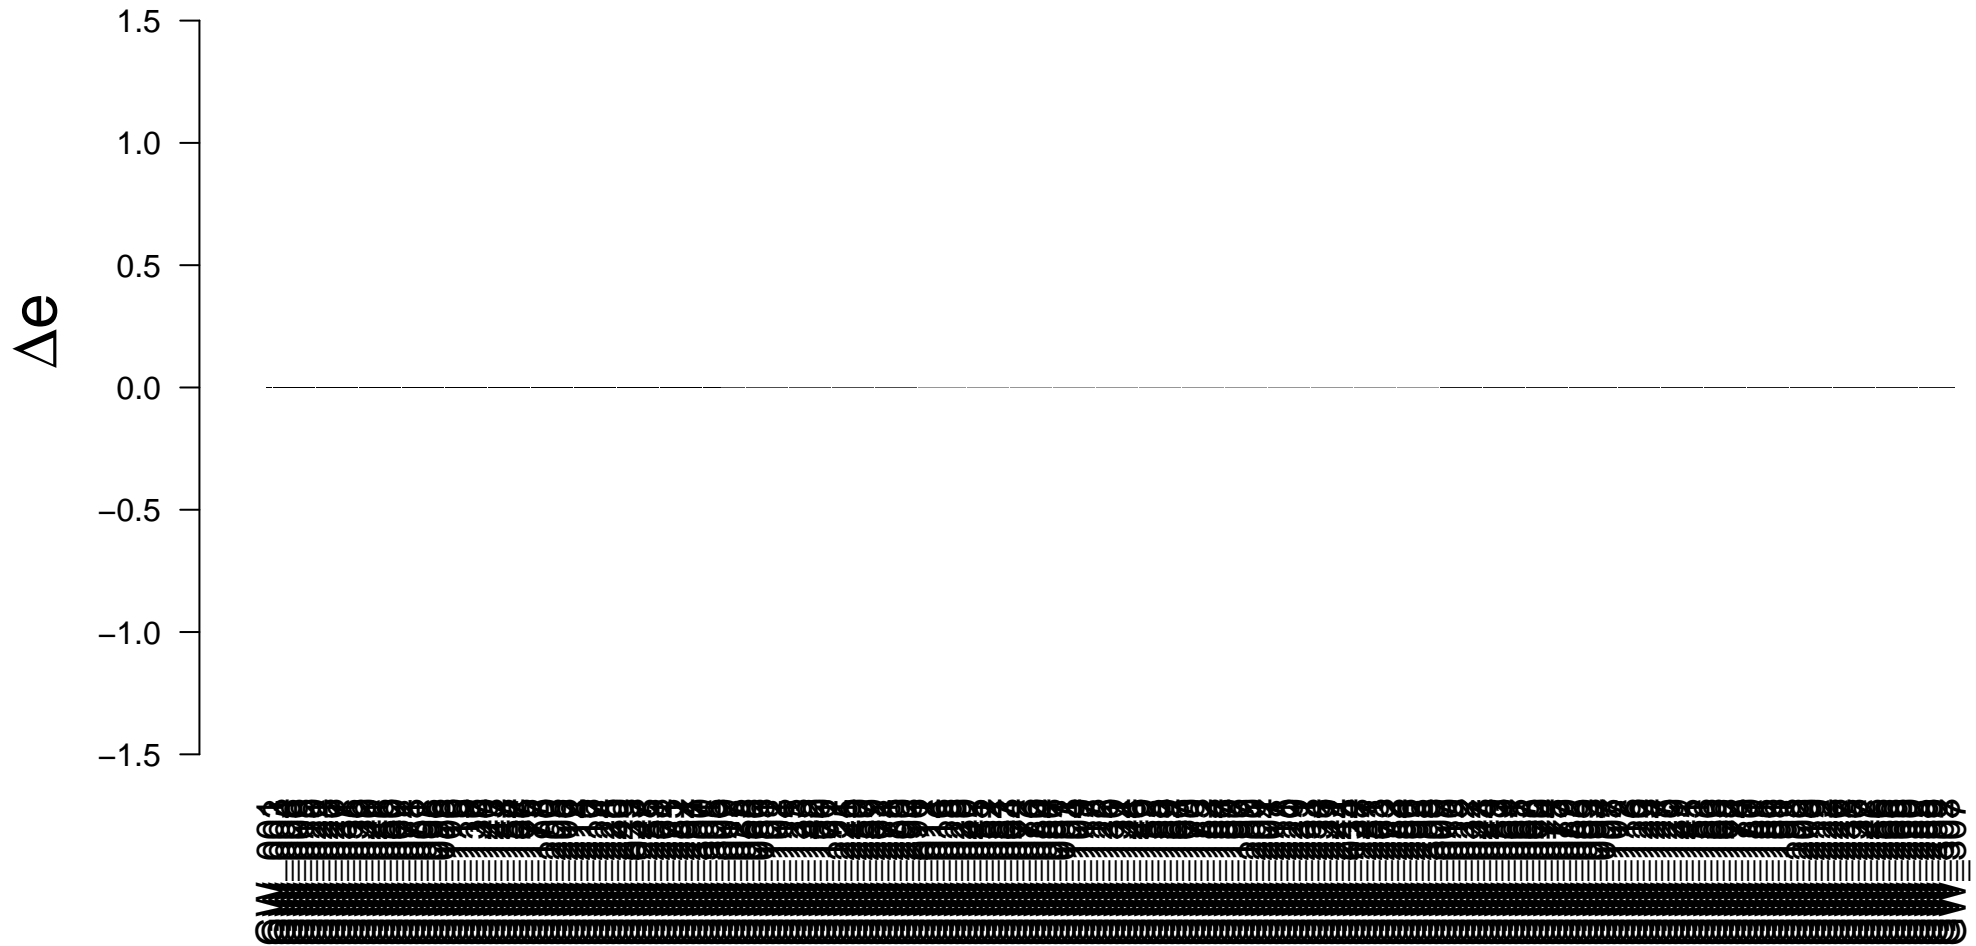

Expression of phospholipid-translocating ATPase activity in Spot C

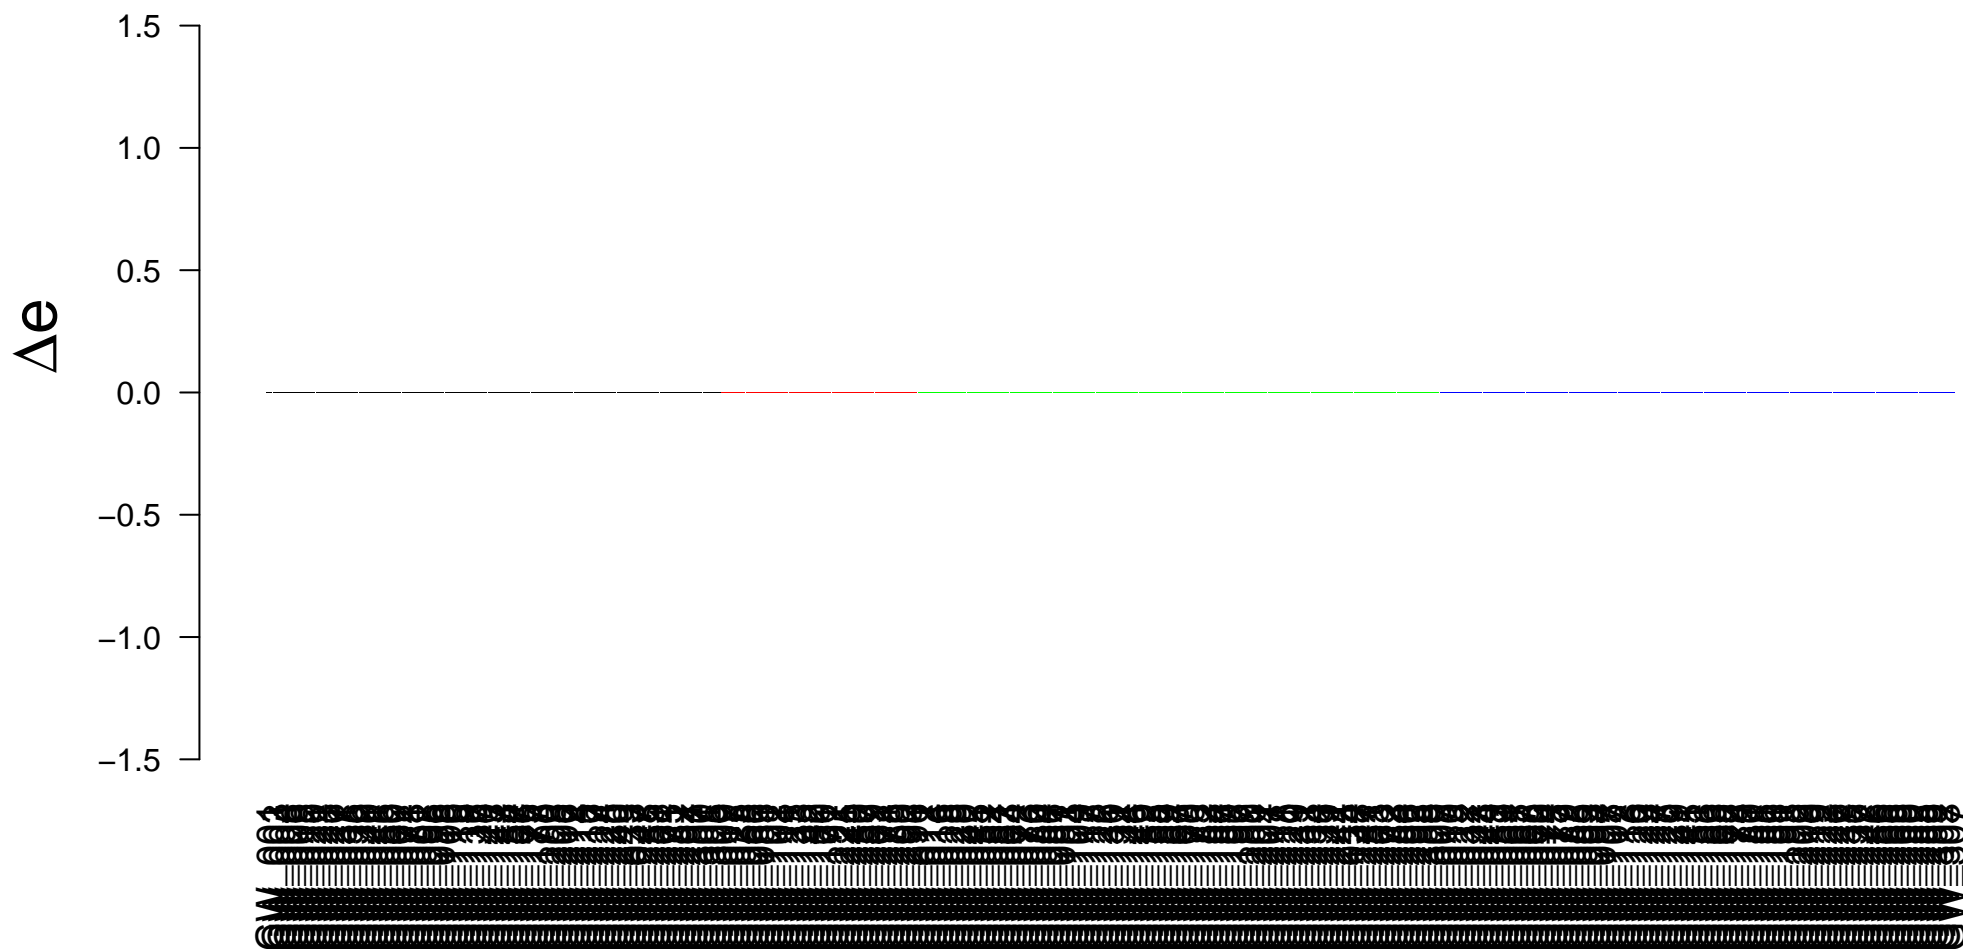

Expression of phospholipid-translocating ATPase activity in Spot D

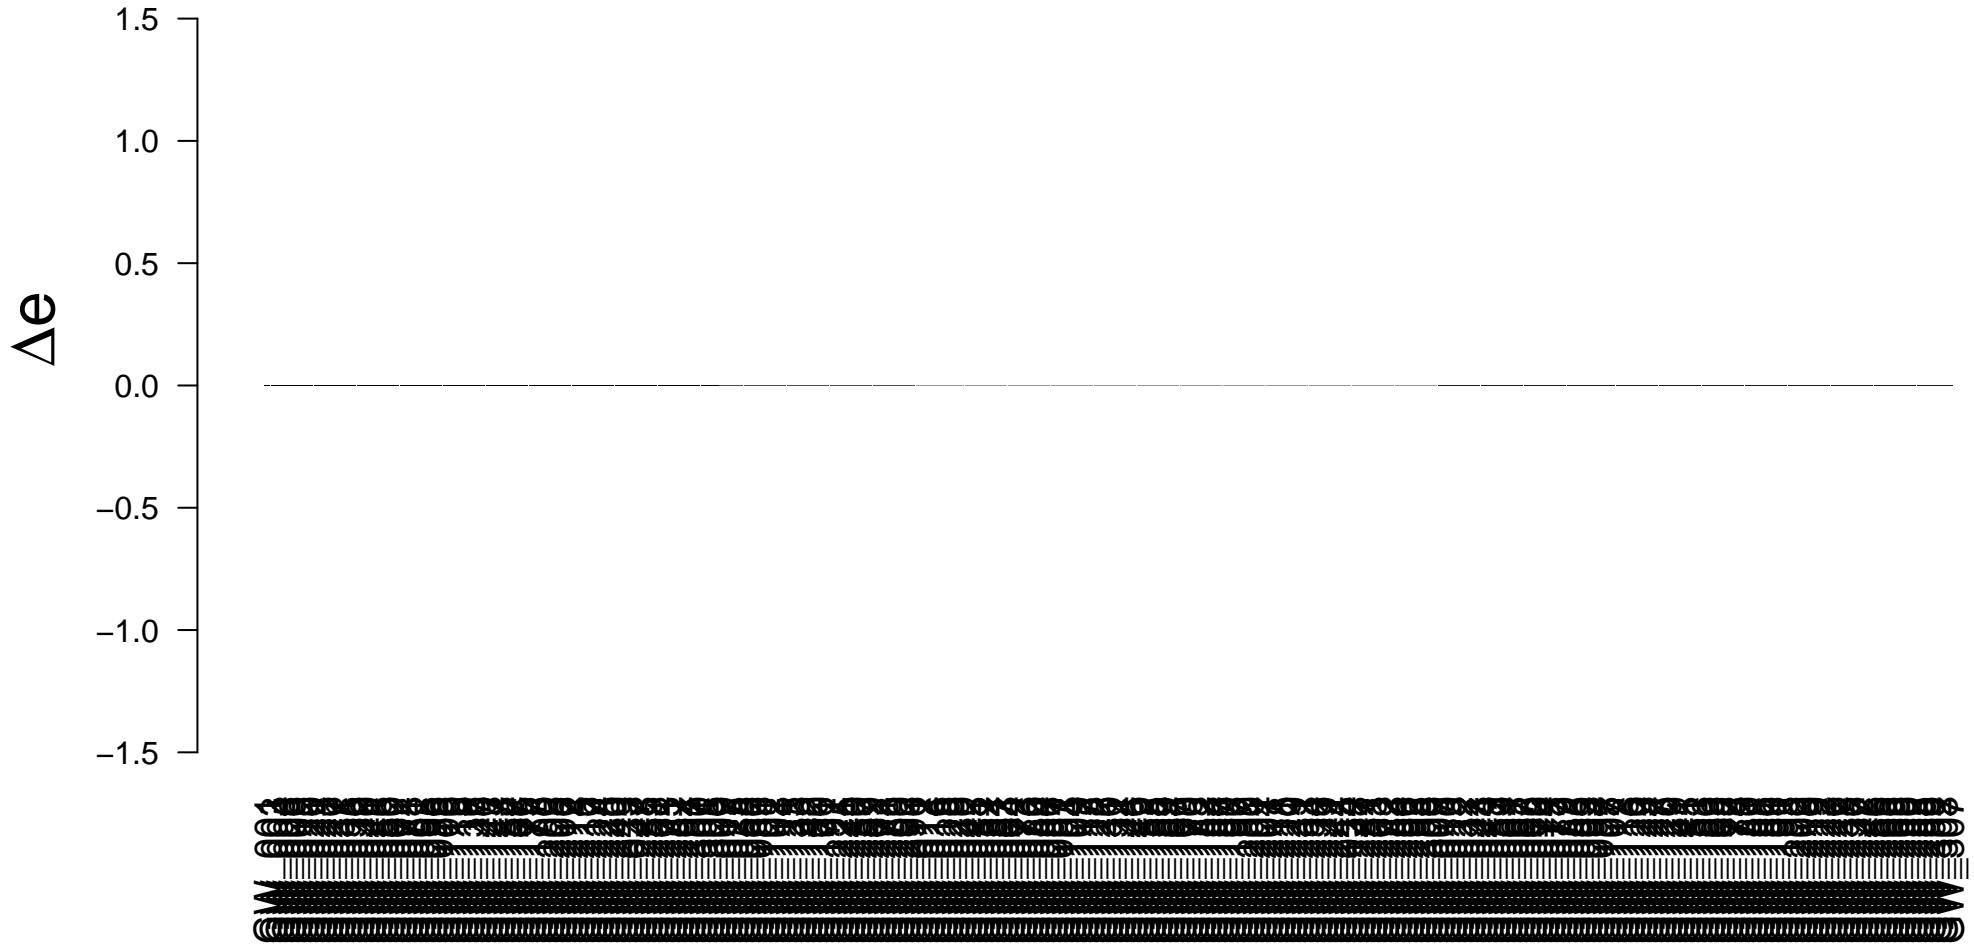

Expression of phospholipid-translocating ATPase activity in Spot E

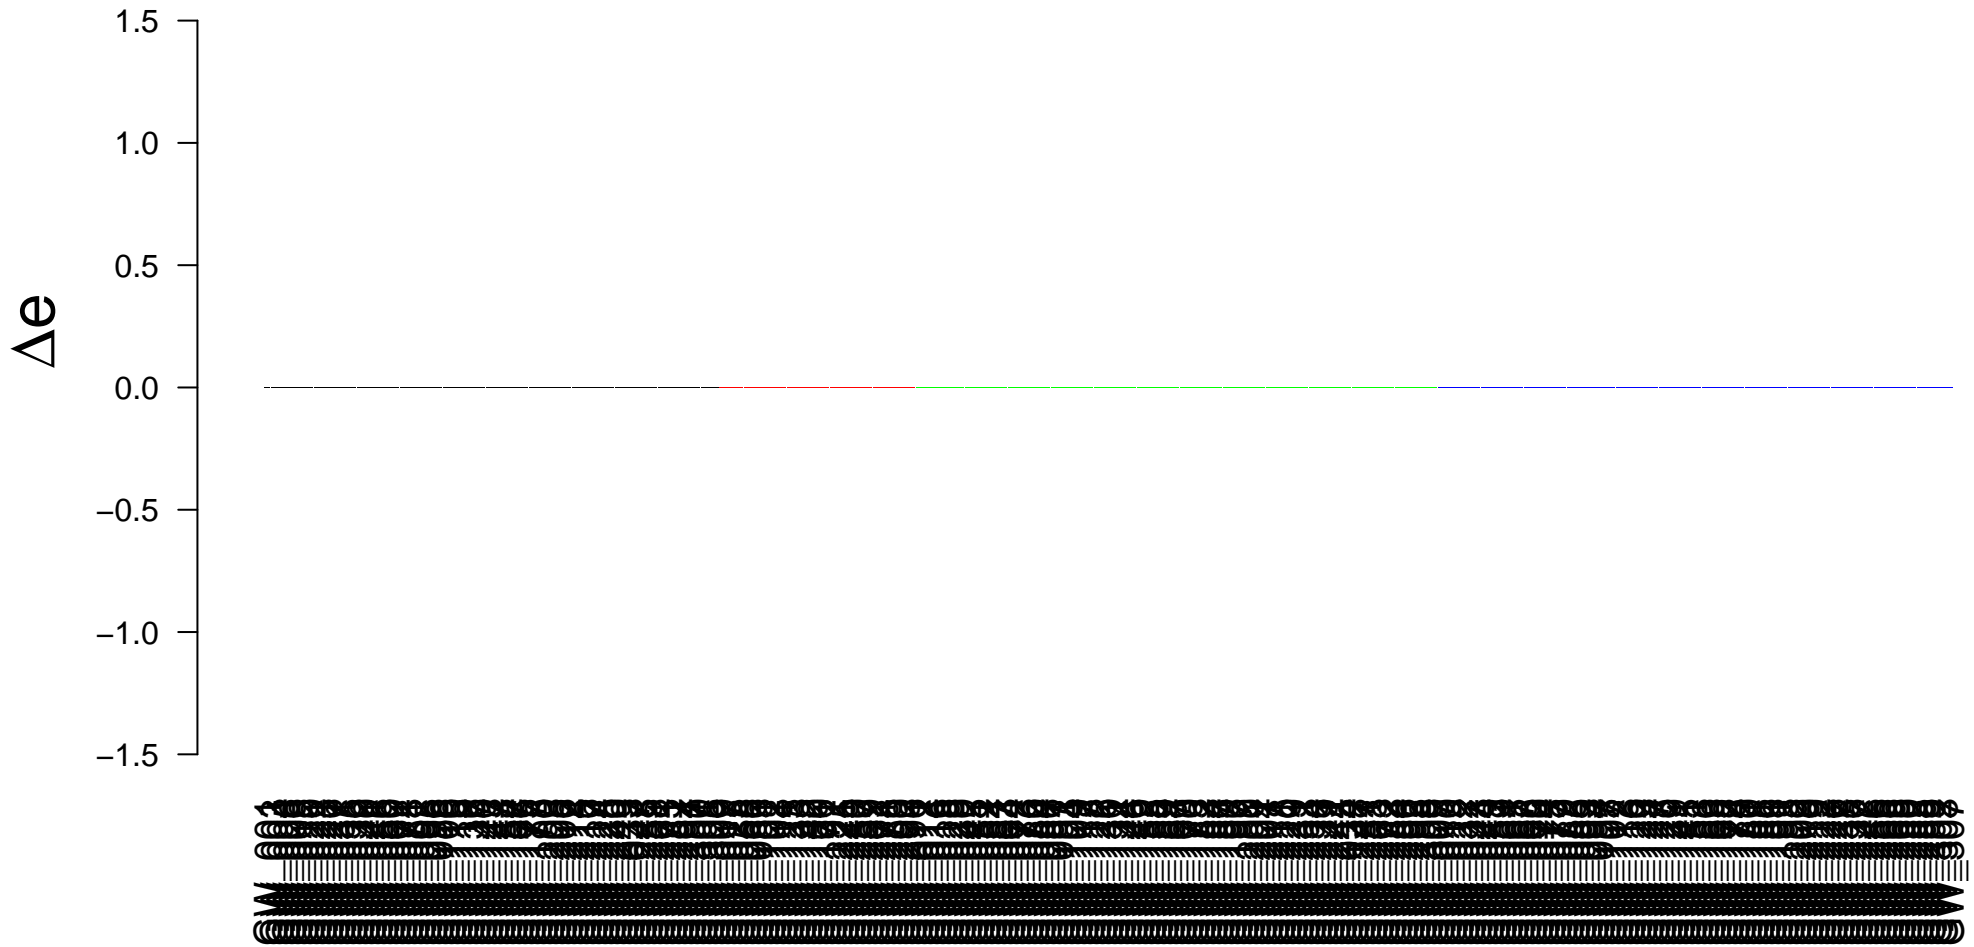

Expression of phospholipid-translocating ATPase activity in Spot F

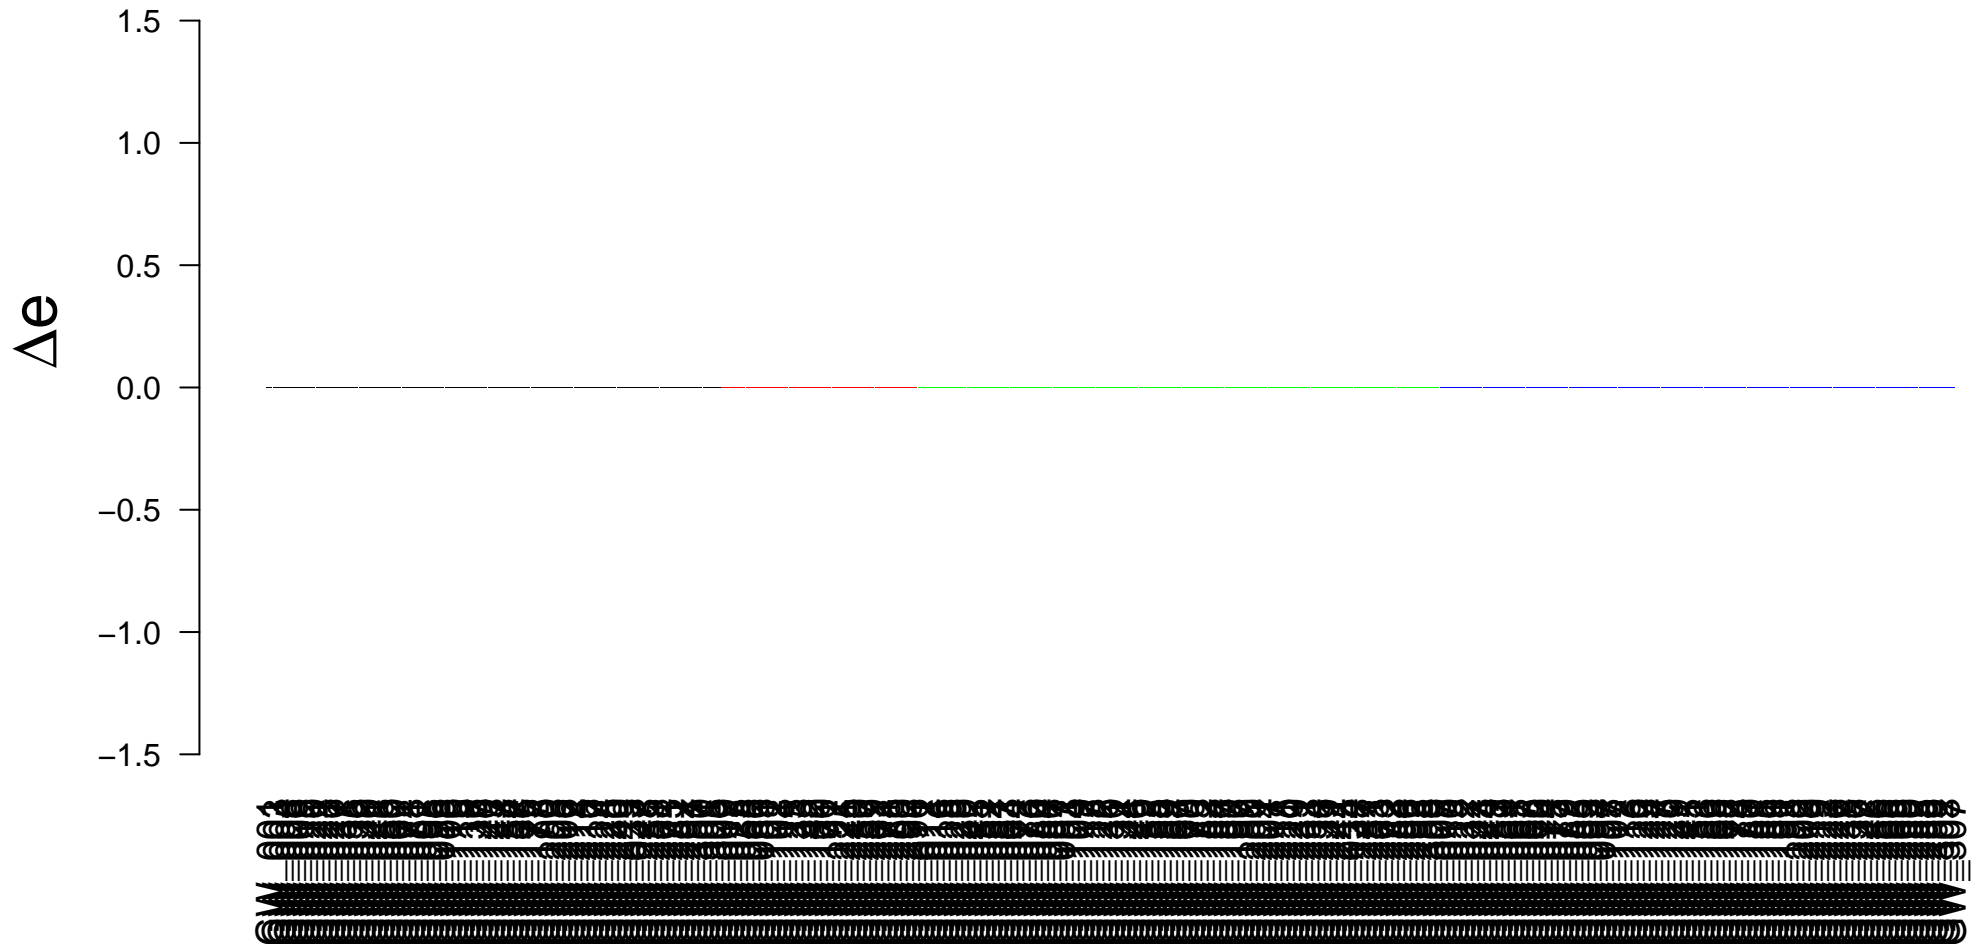

Expression of phospholipid-translocating ATPase activity in Spot G

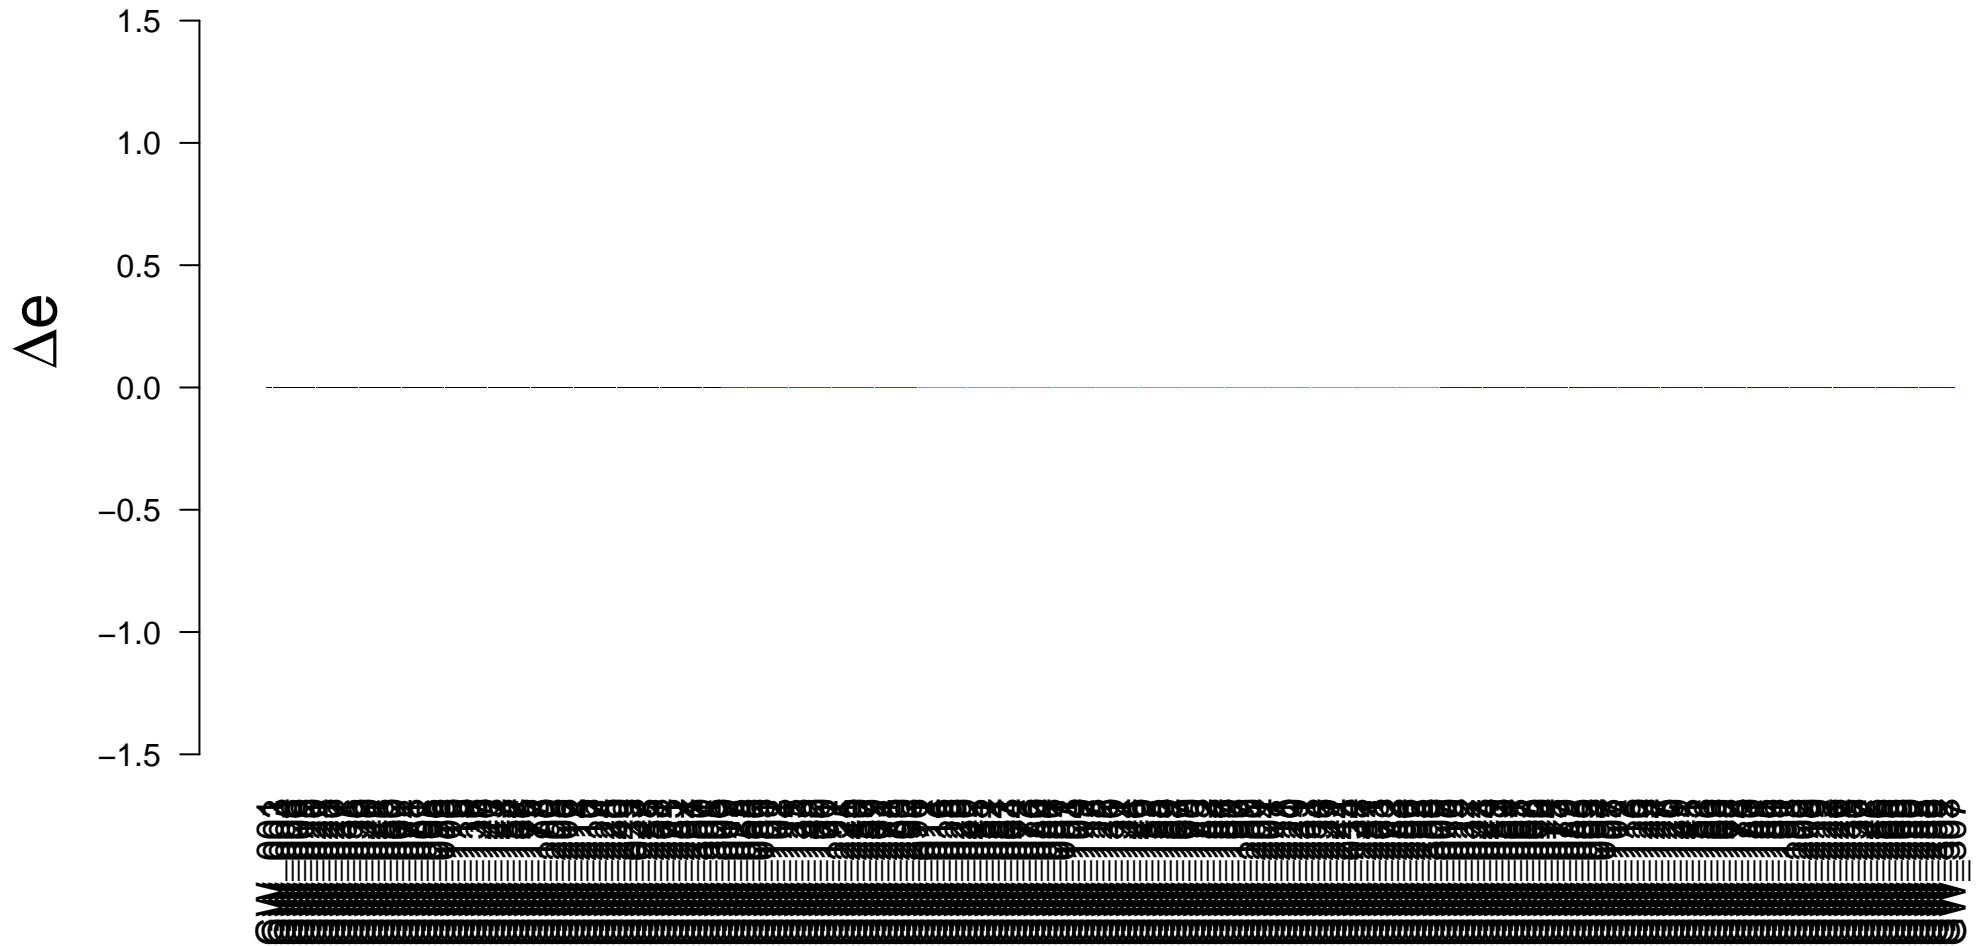

Expression of phospholipid-translocating ATPase activity in Spot H

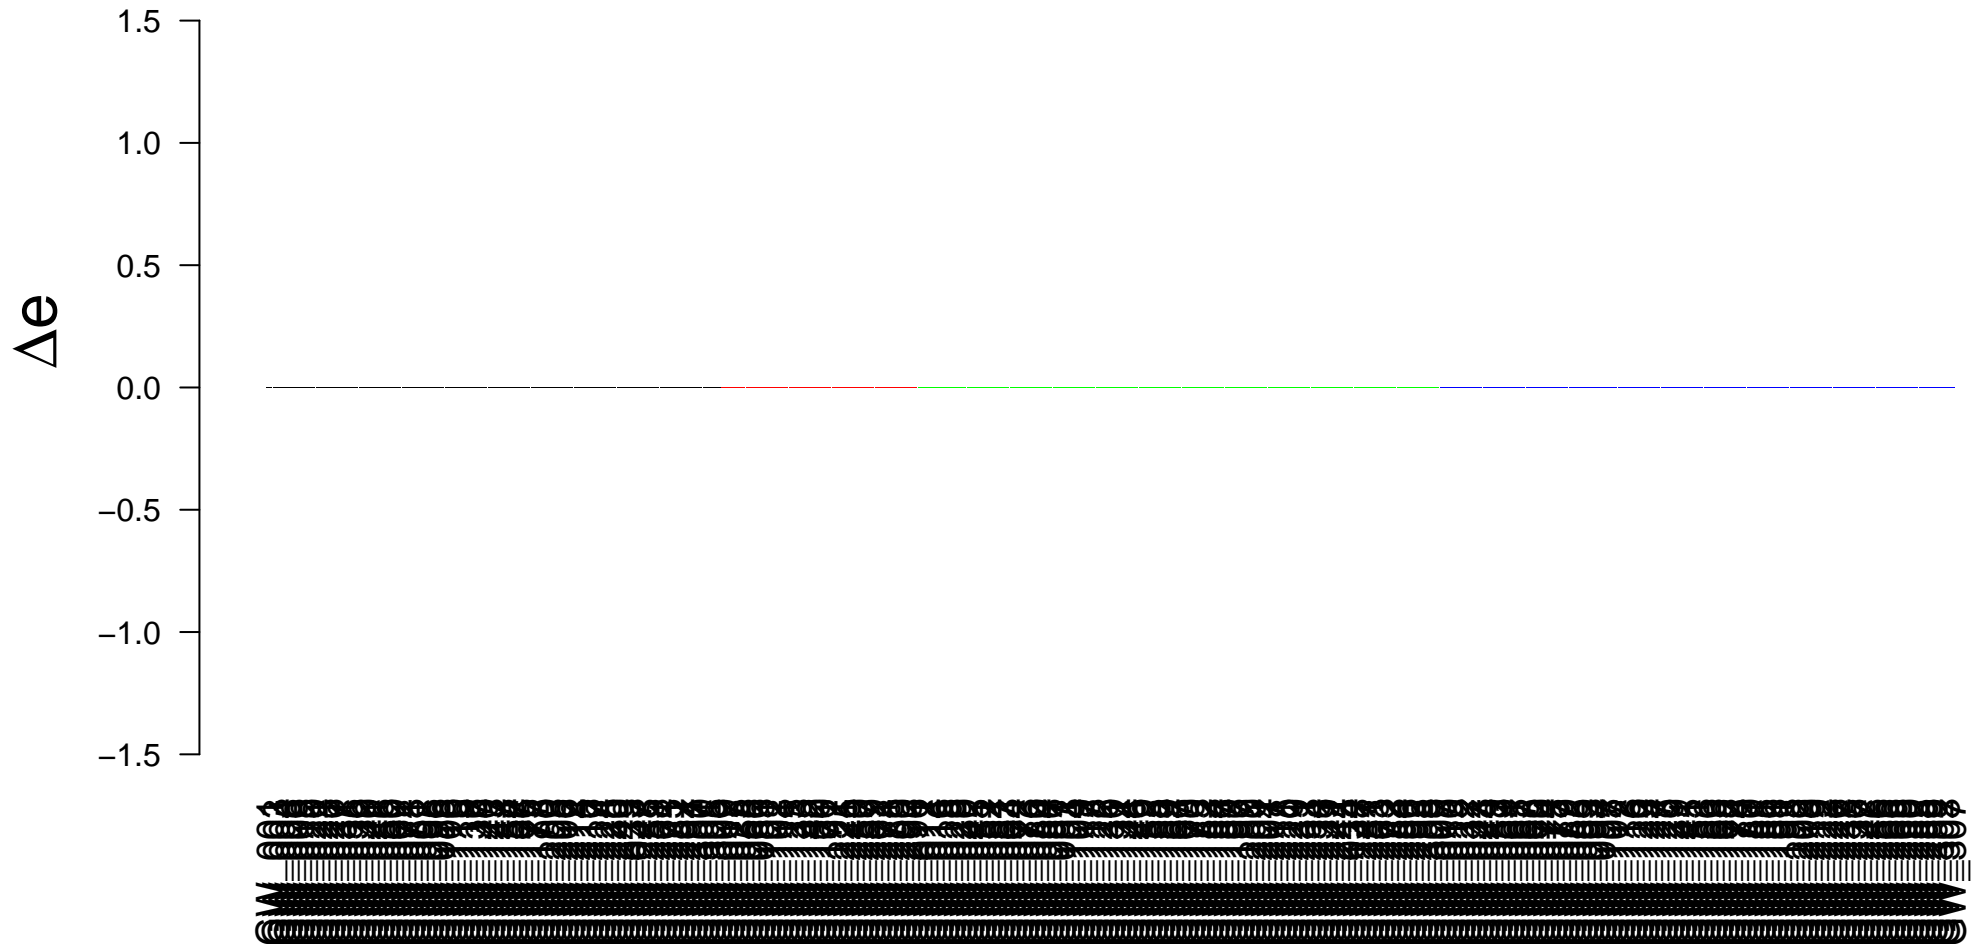

Expression of phospholipid-translocating ATPase activity in Spot I

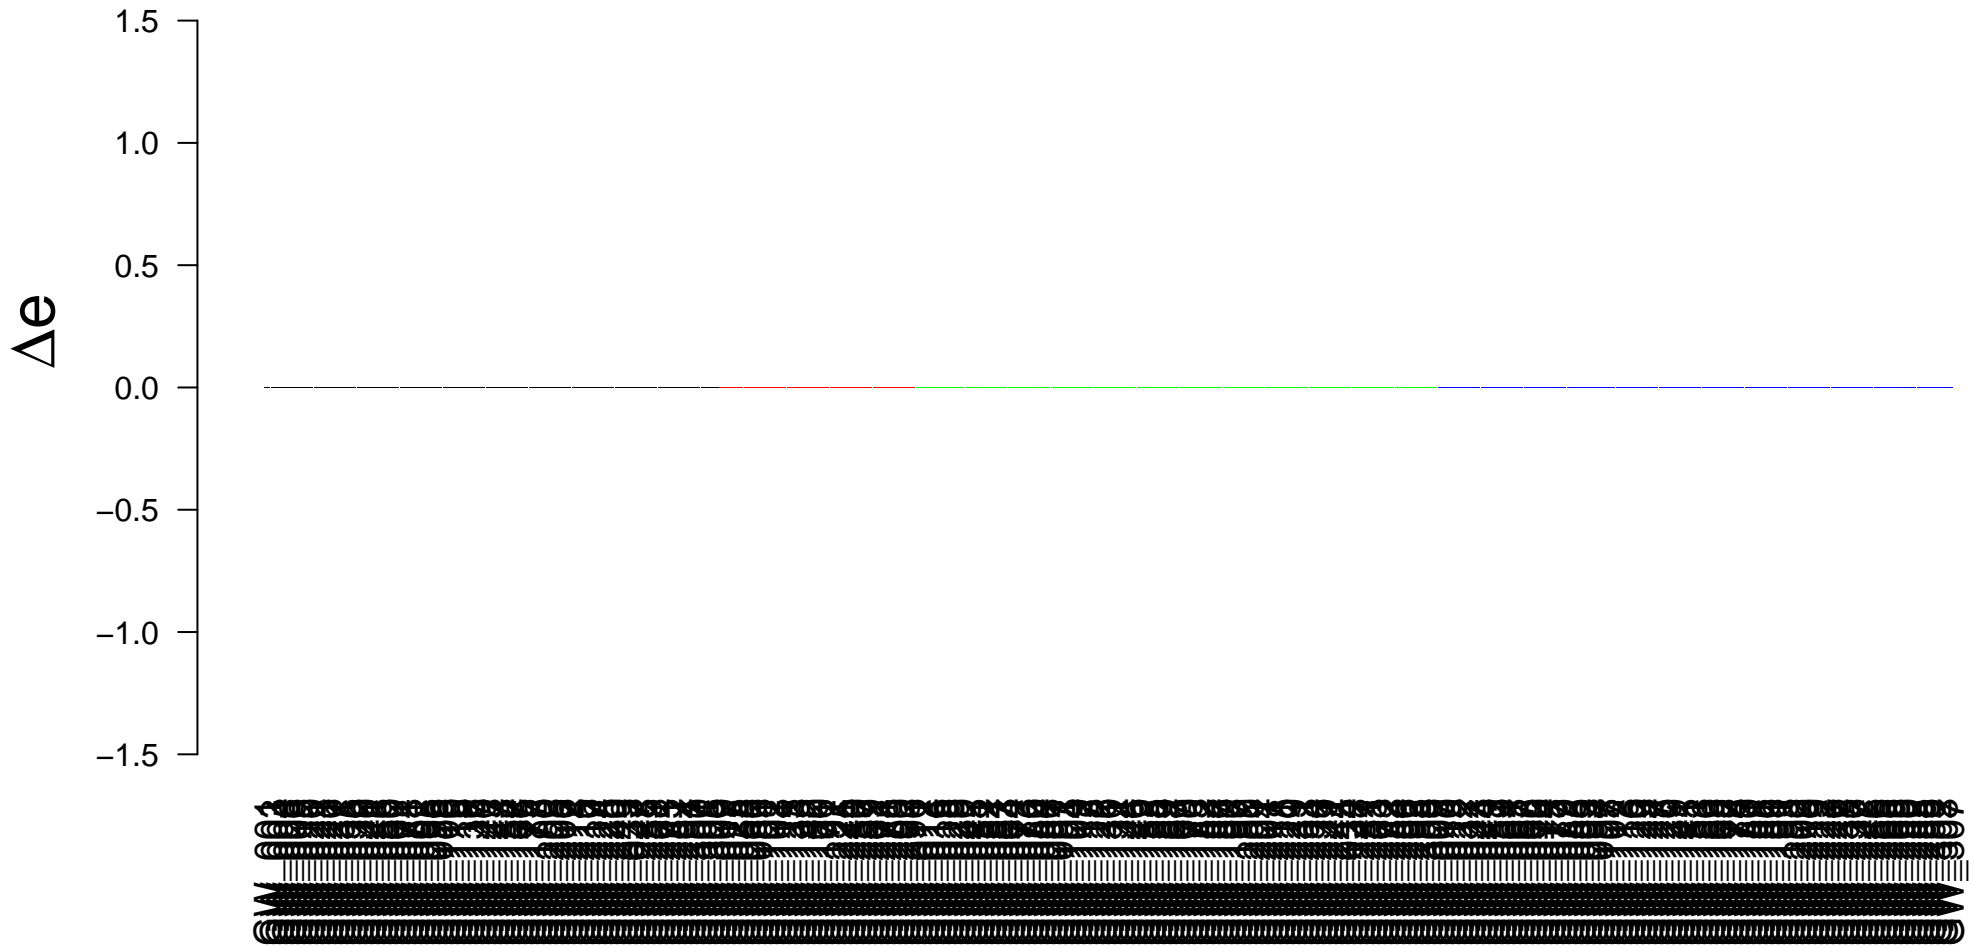

Expression of phospholipid-translocating ATPase activity in Spot J

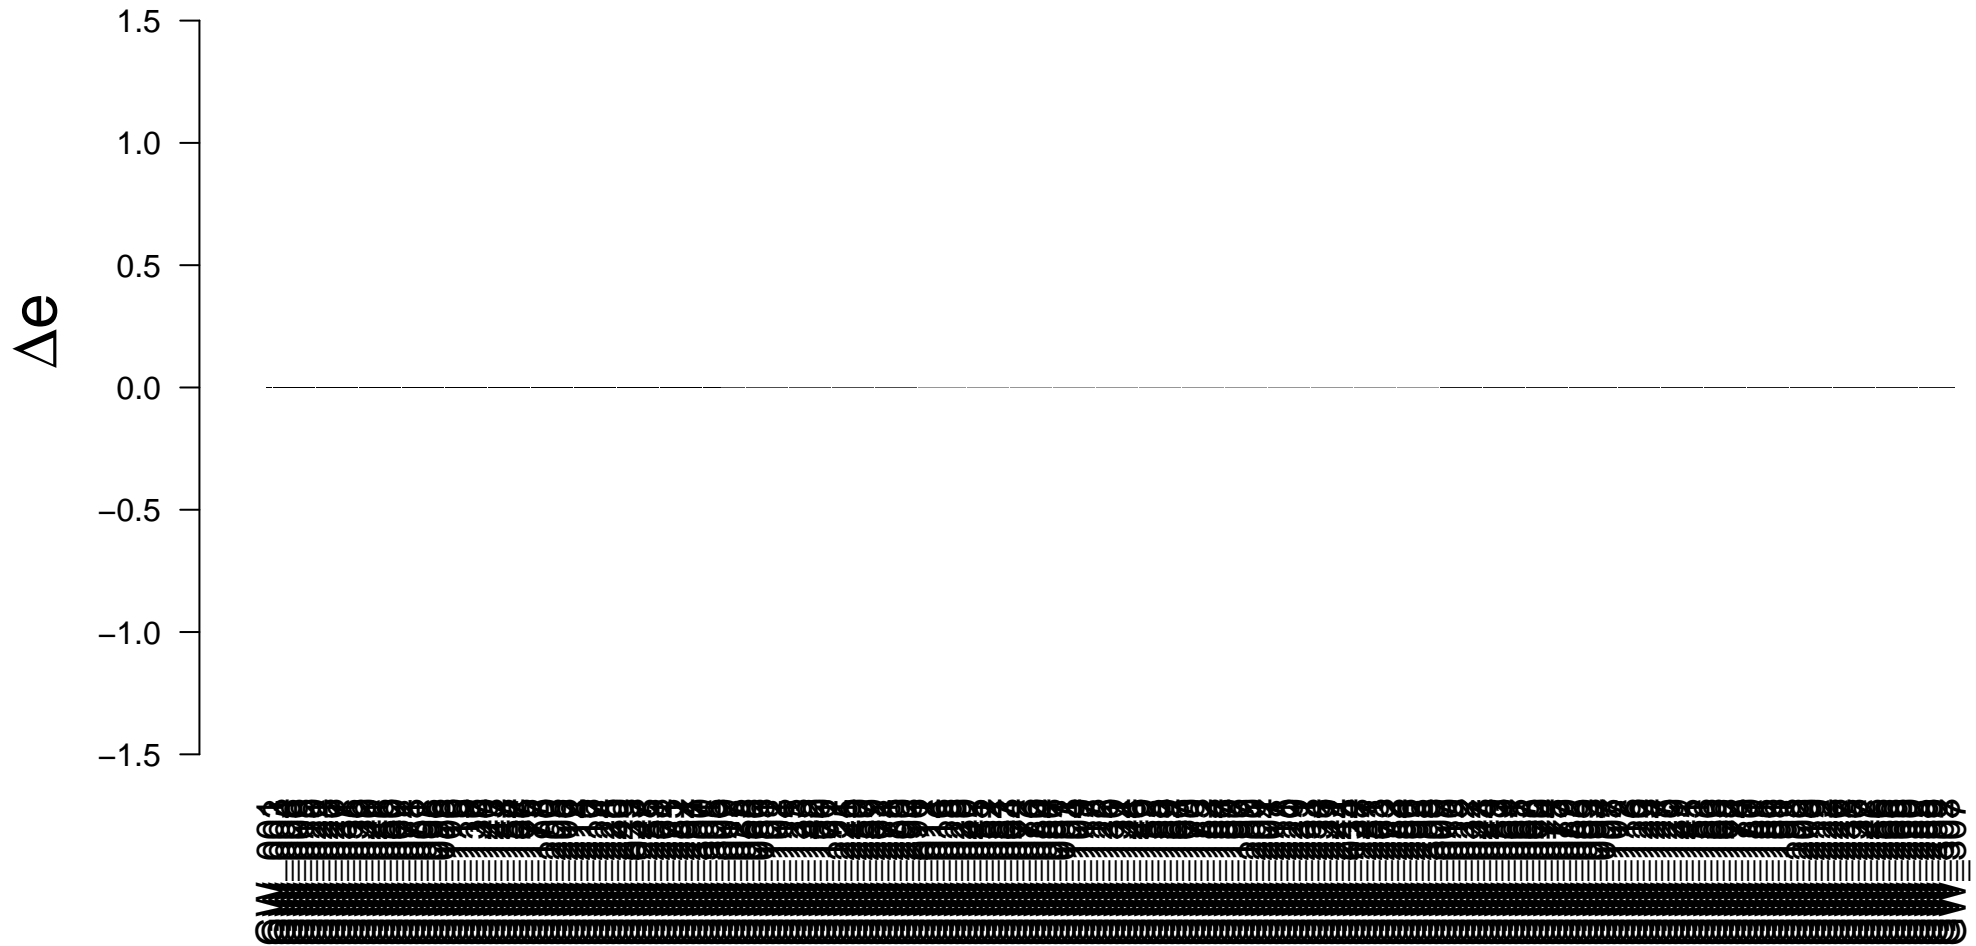

Expression of phospholipid-translocating ATPase activity in Spot K

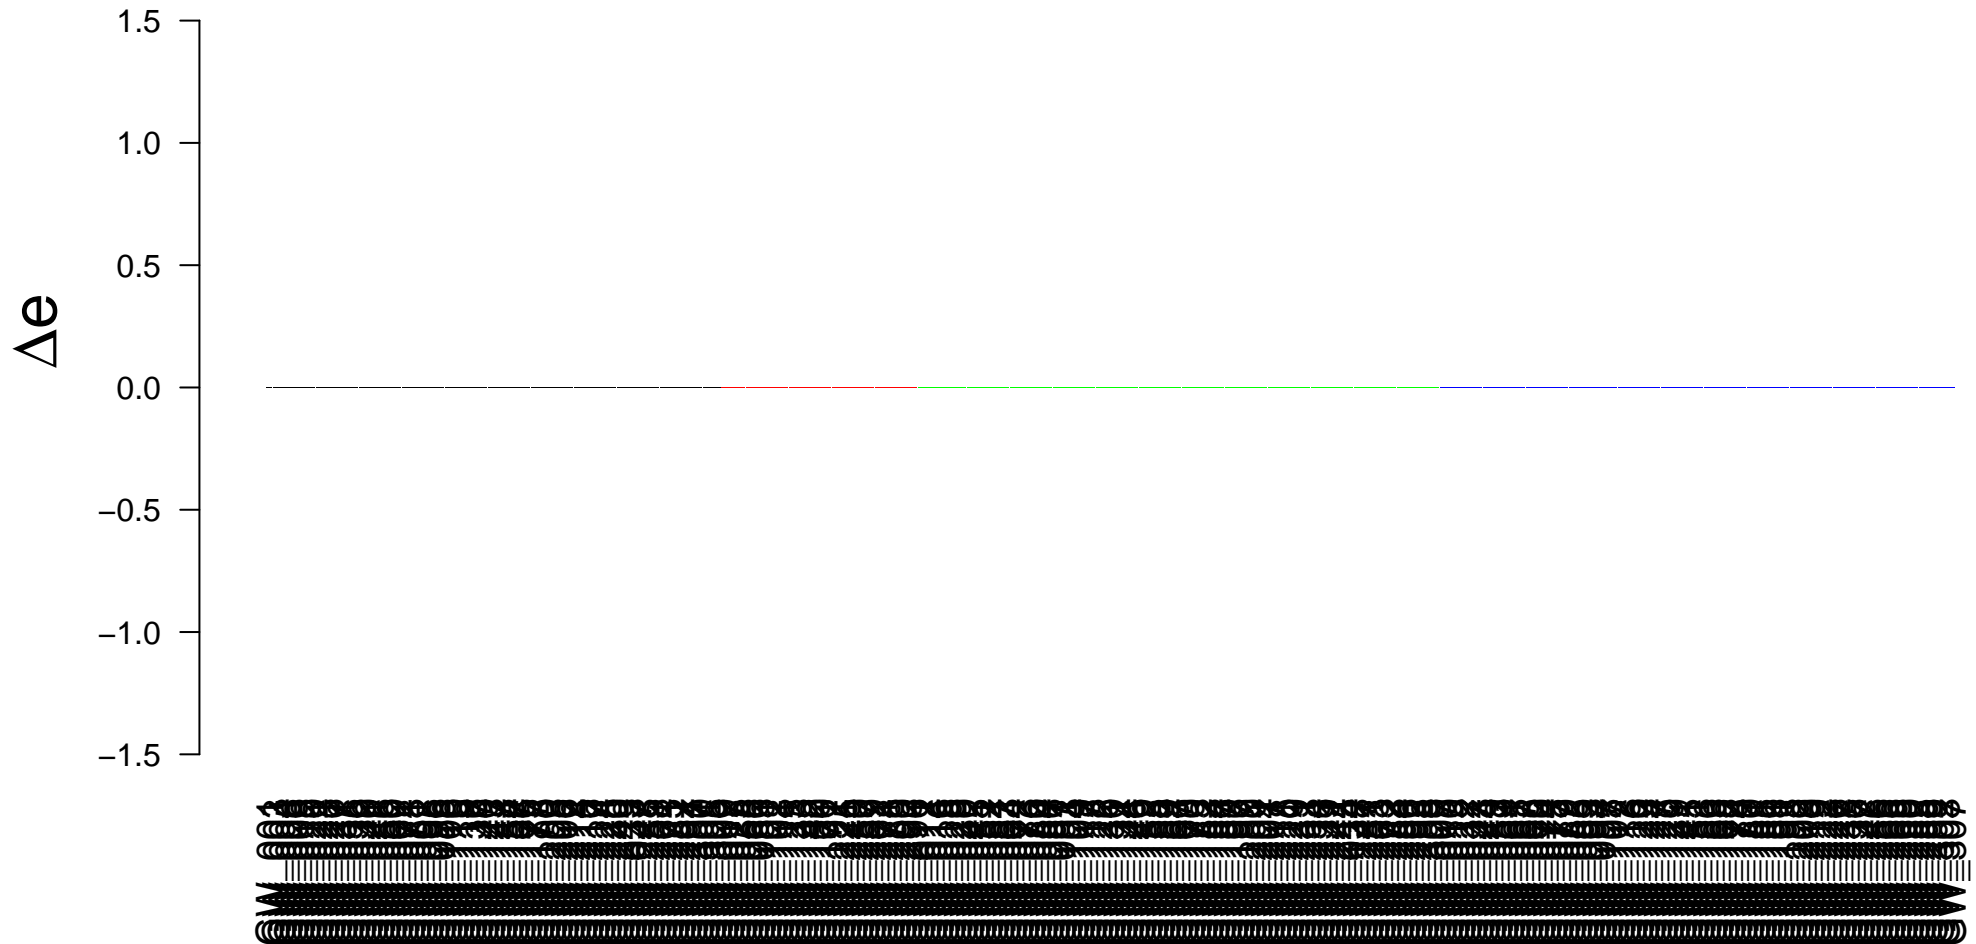

Expression of phospholipid-translocating ATPase activity in Spot L

Expression of phospholipid-translocating ATPase activity in Spot M

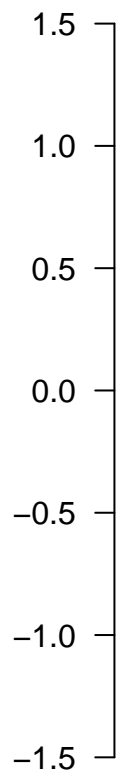

Expression of phospholipid-translocating ATPase activity in Spot N

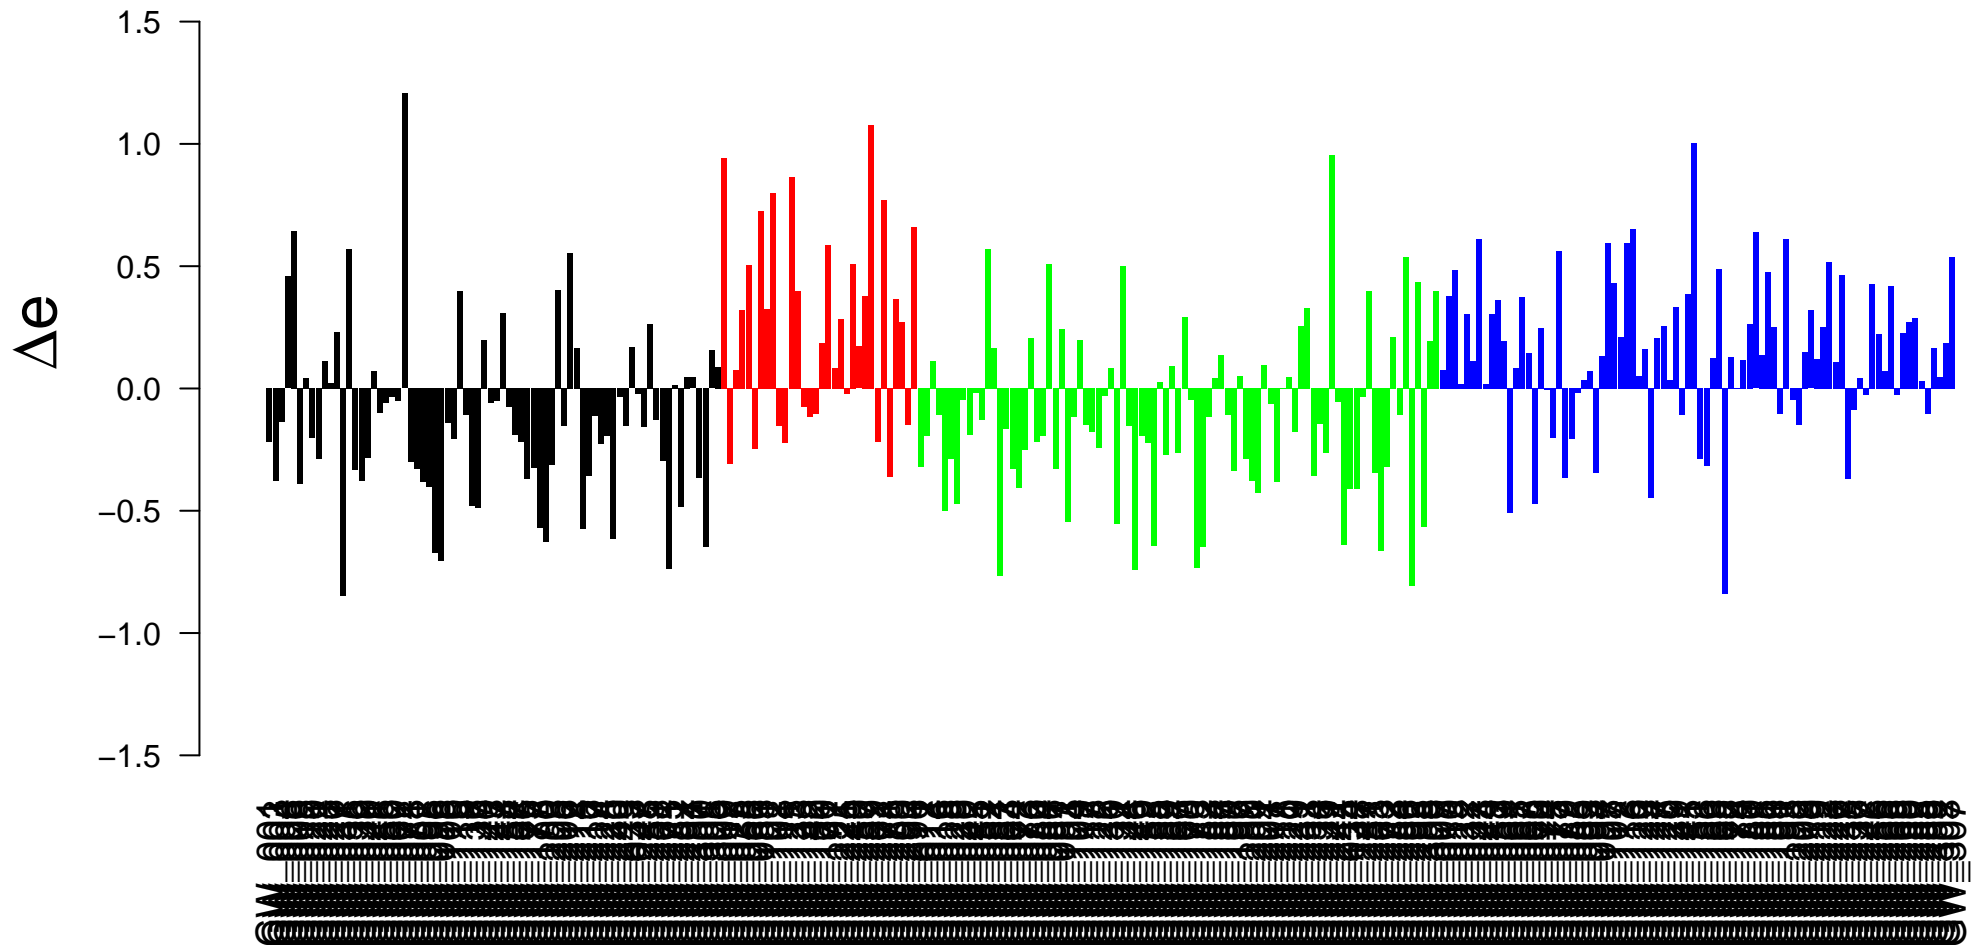

Expression of phospholipid-translocating ATPase activity in Spot O

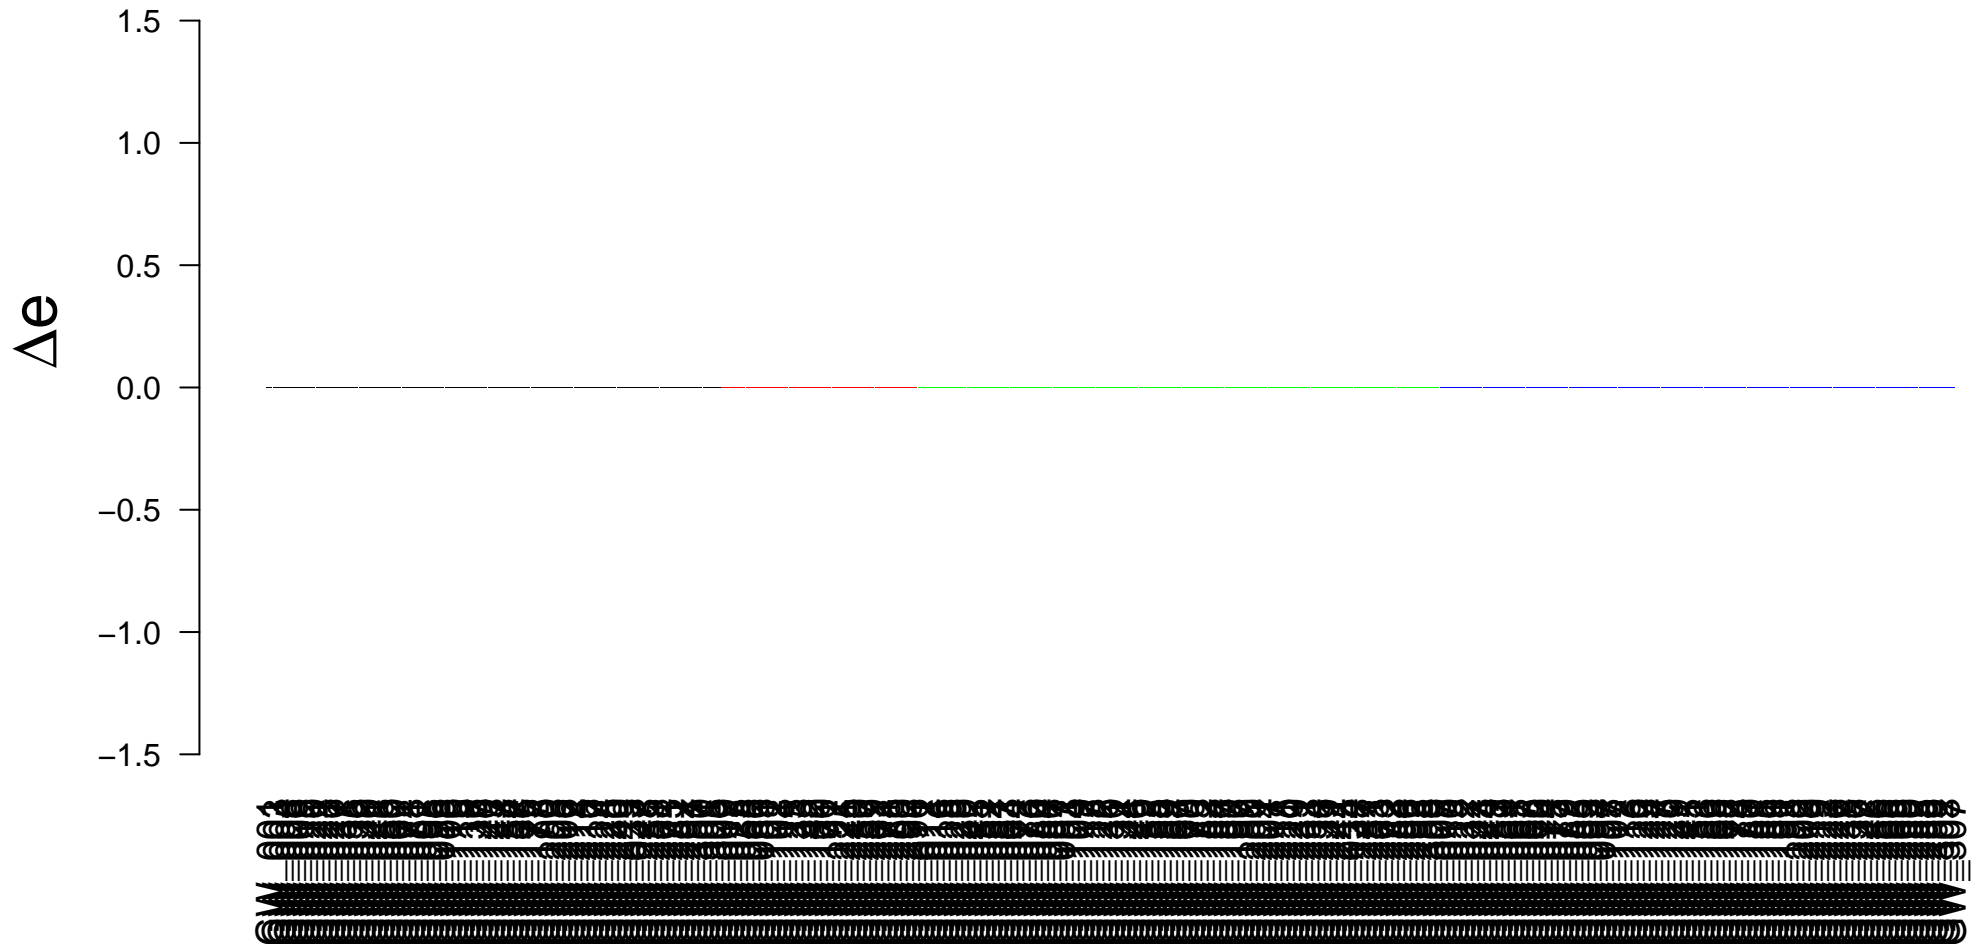

Δe

Expression of phospholipid-translocating ATPase activity in Spot P

Expression of phospholipid-translocating ATPase activity in Spot Q

Expression of phospholipid-translocating ATPase activity in Spot R
