

phospholipid translocation

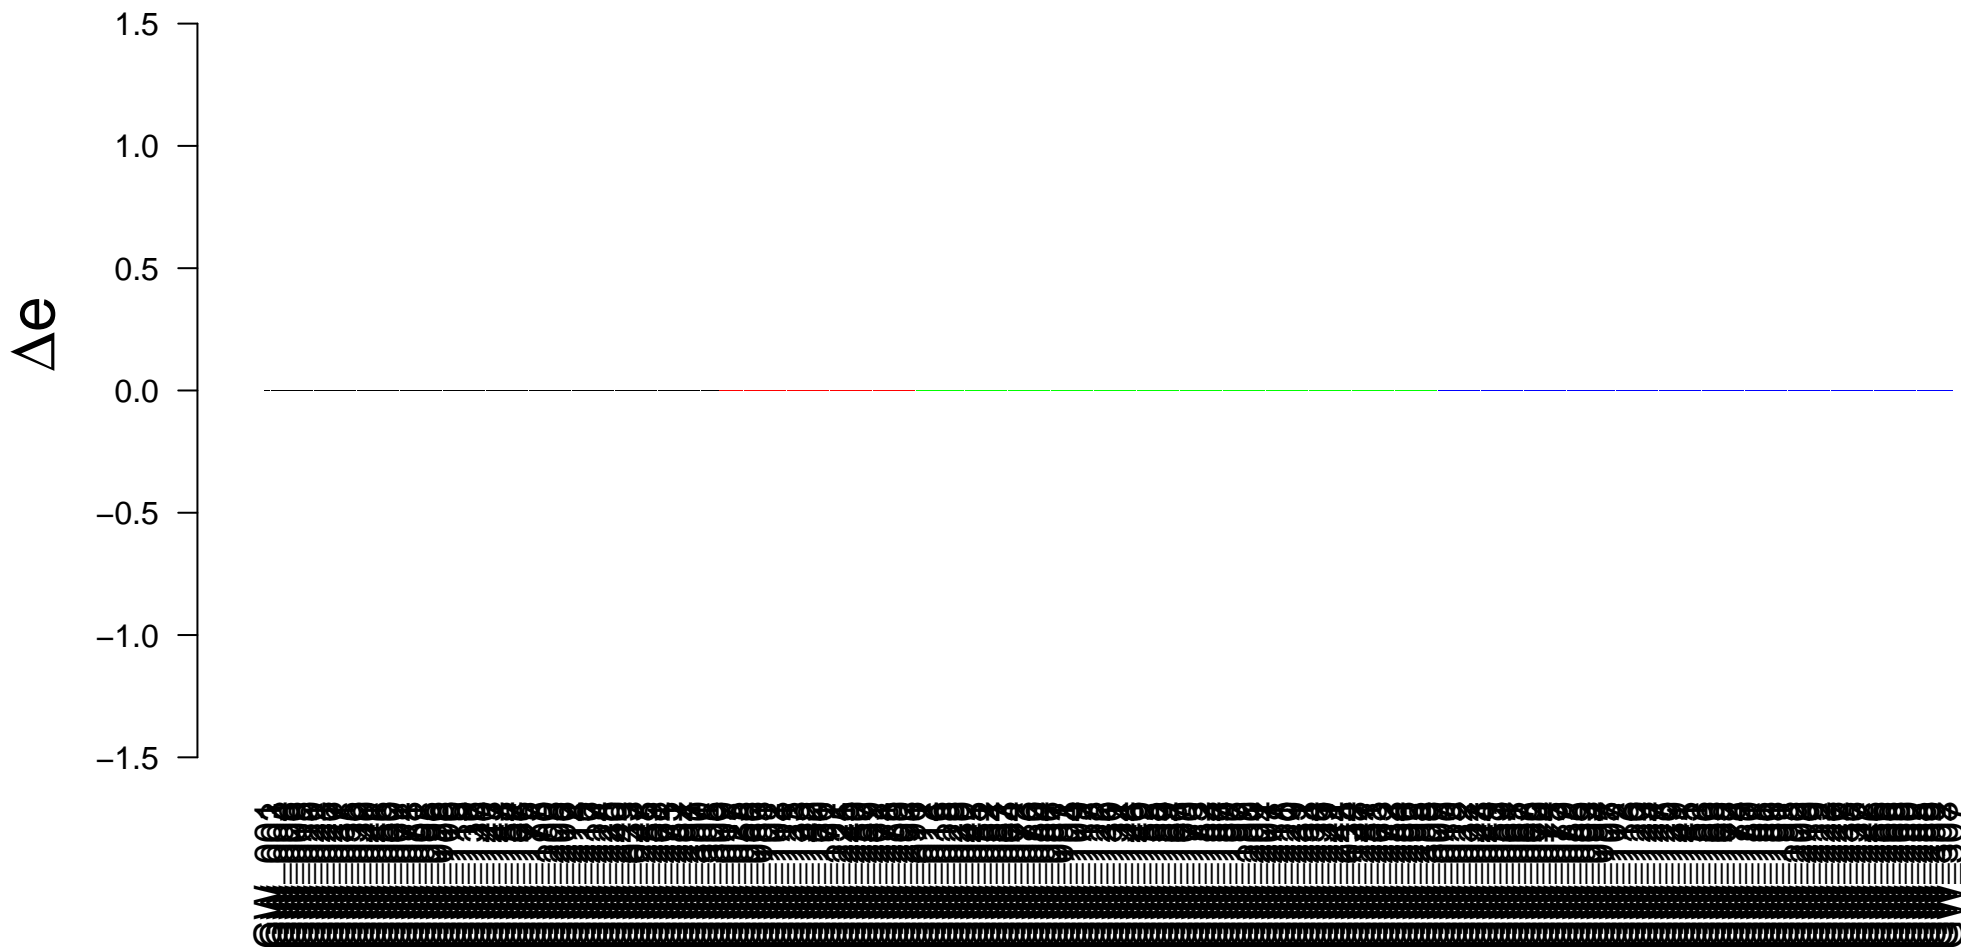

phospholipid translocation

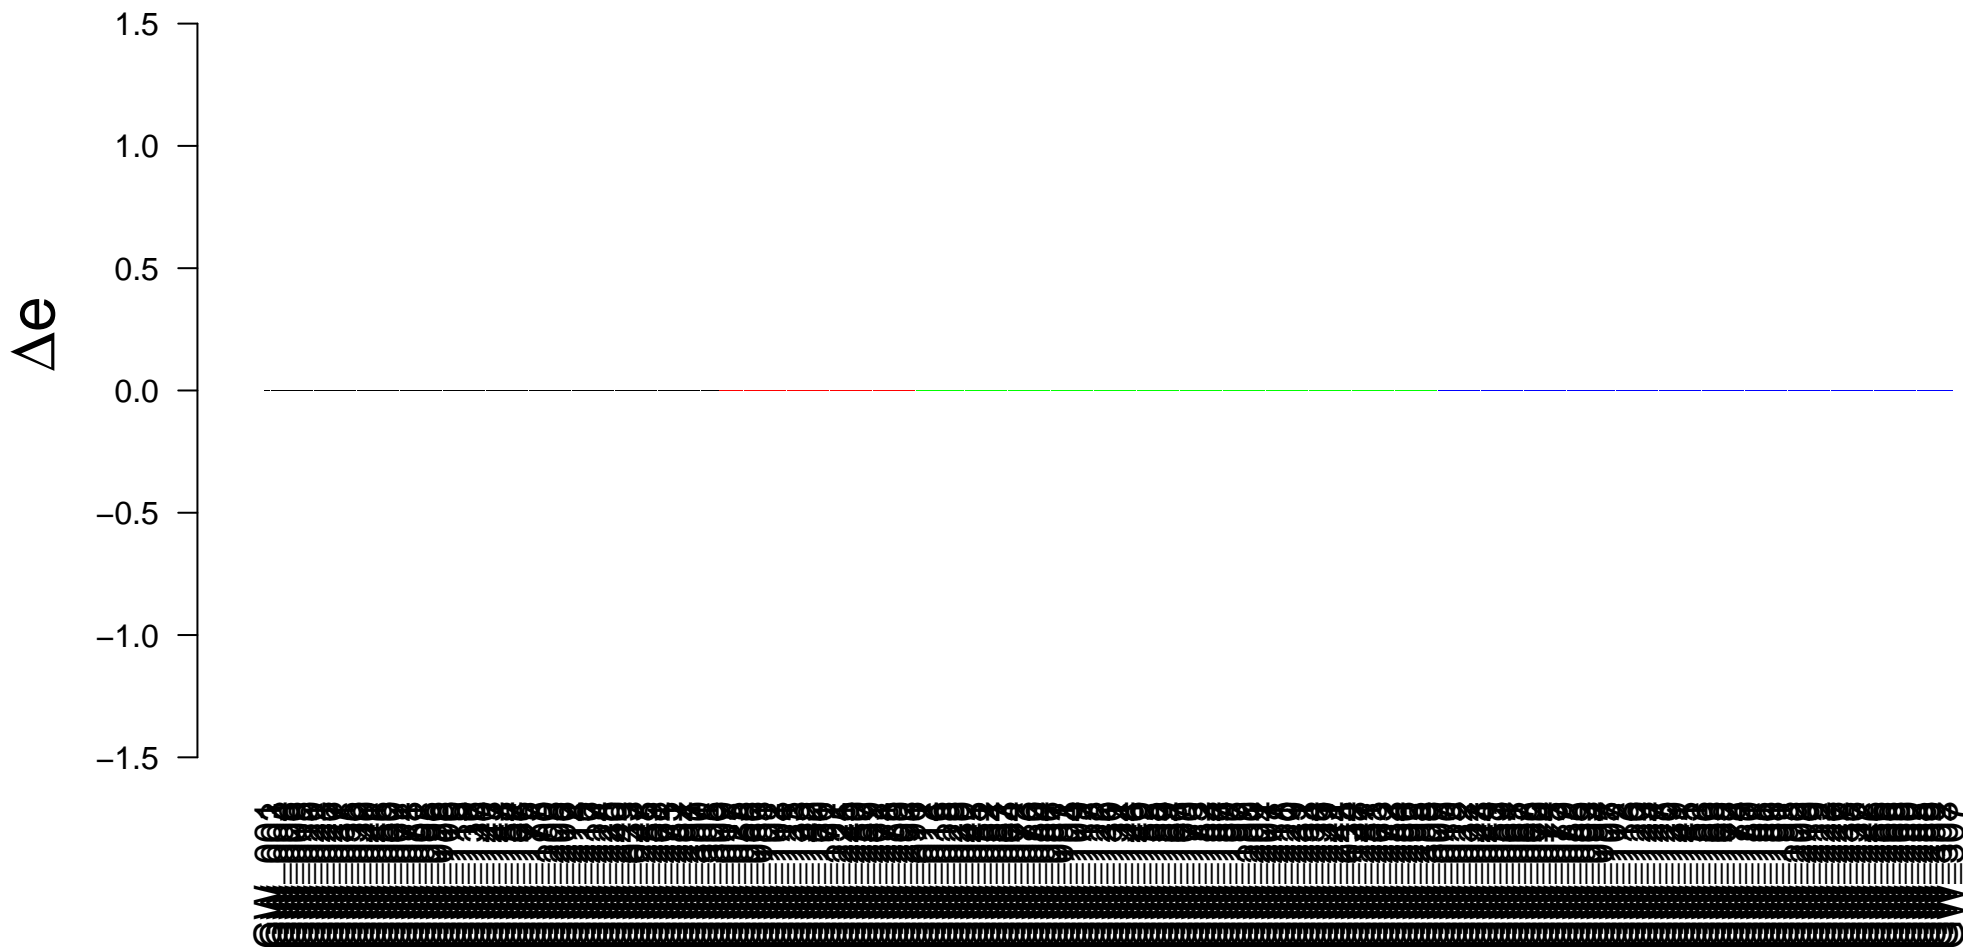

Enrichment in spots: phospholipid translocation

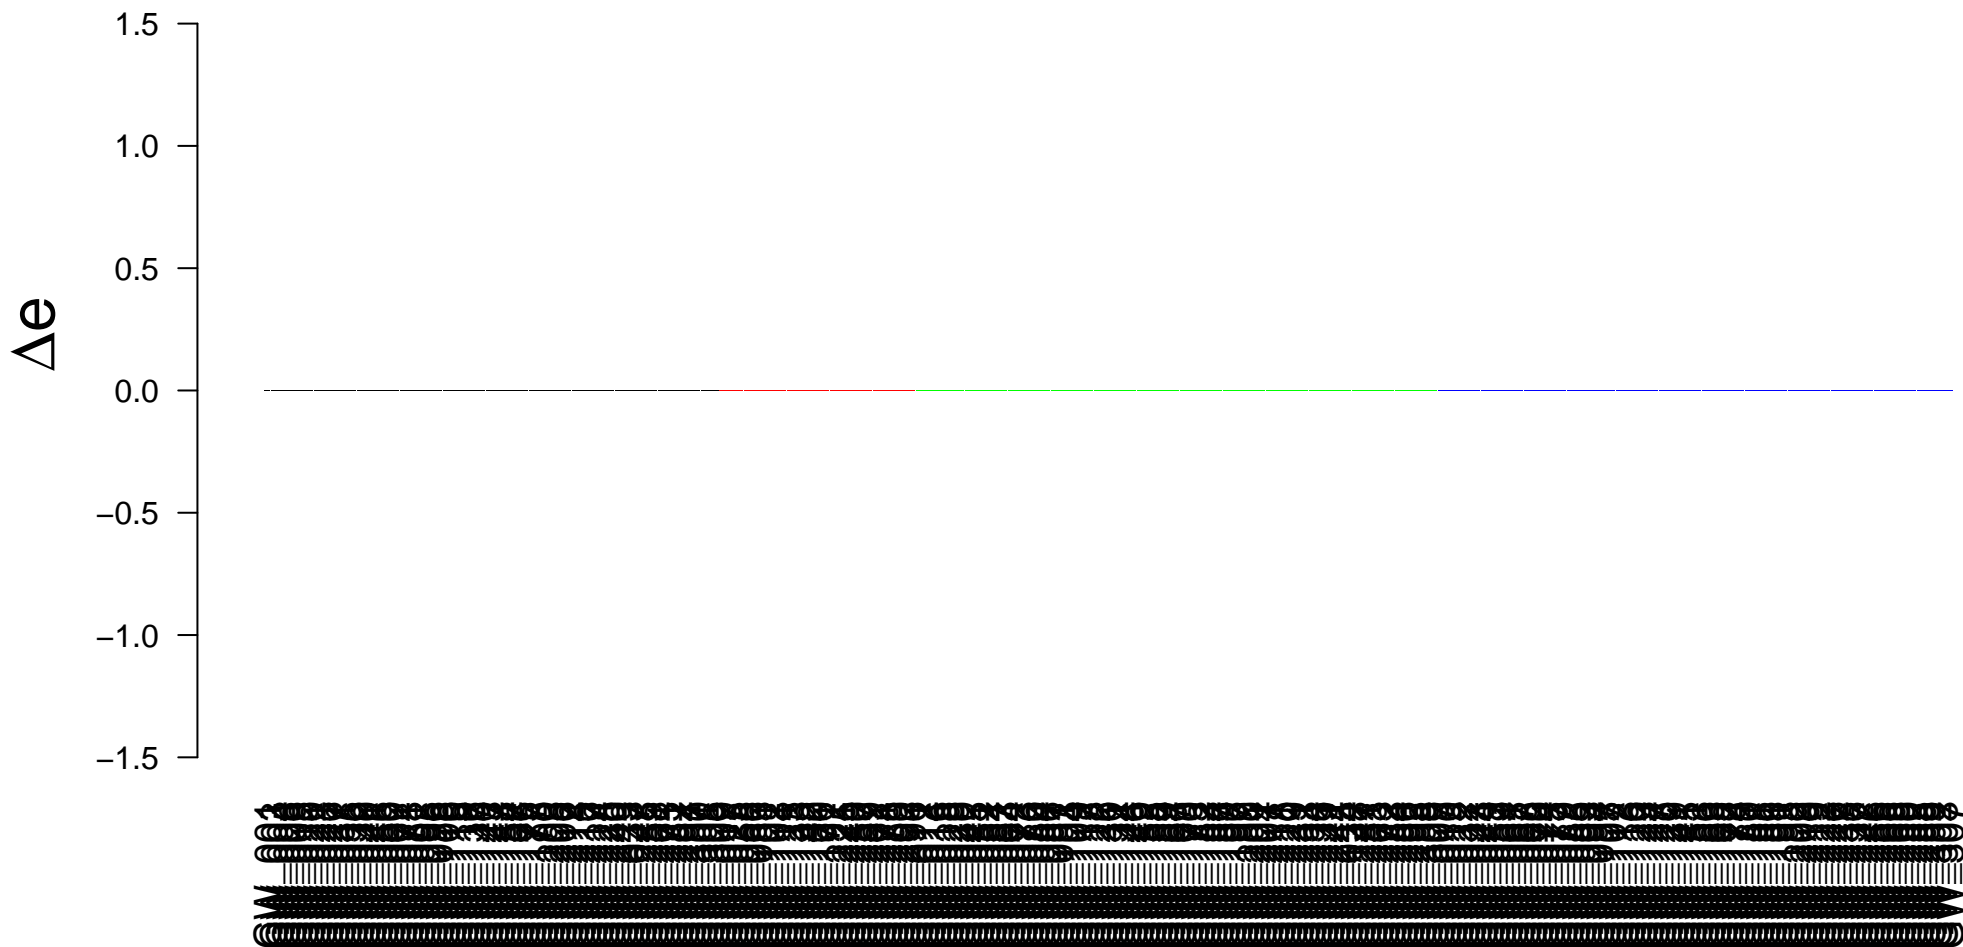

Expression of phospholipid translocation in Spot A

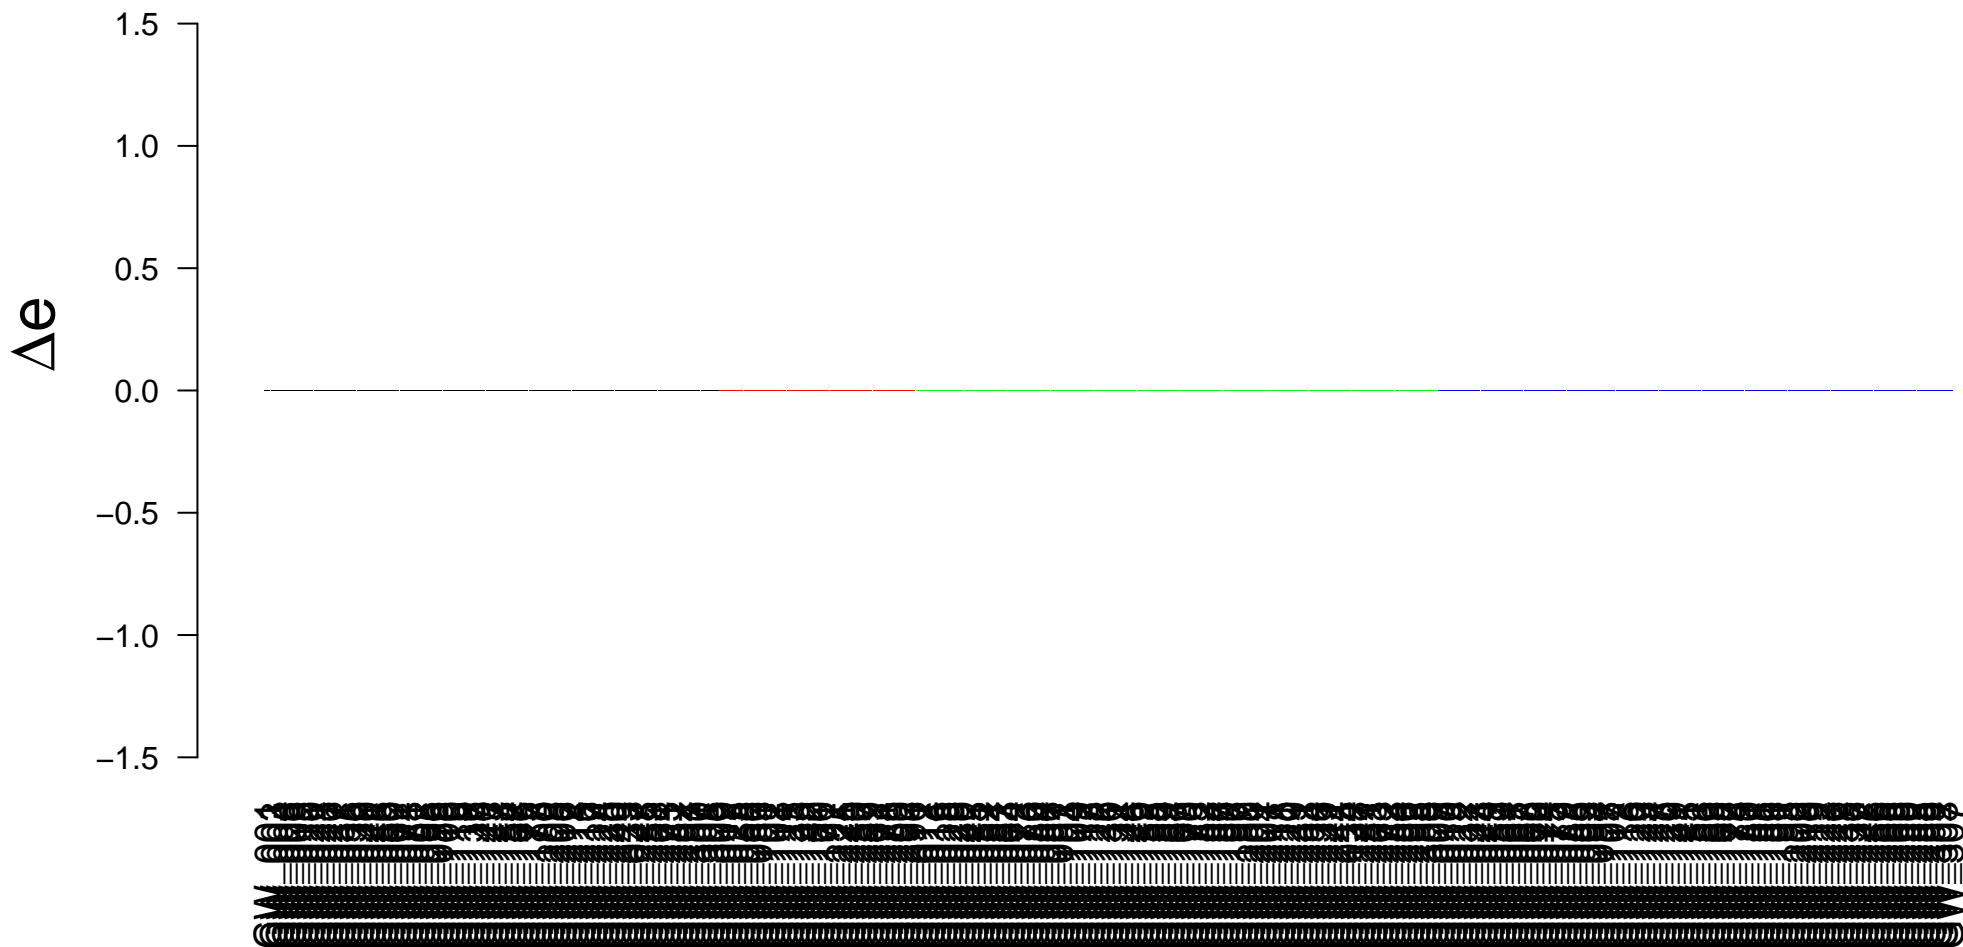

Expression of phospholipid translocation in Spot B

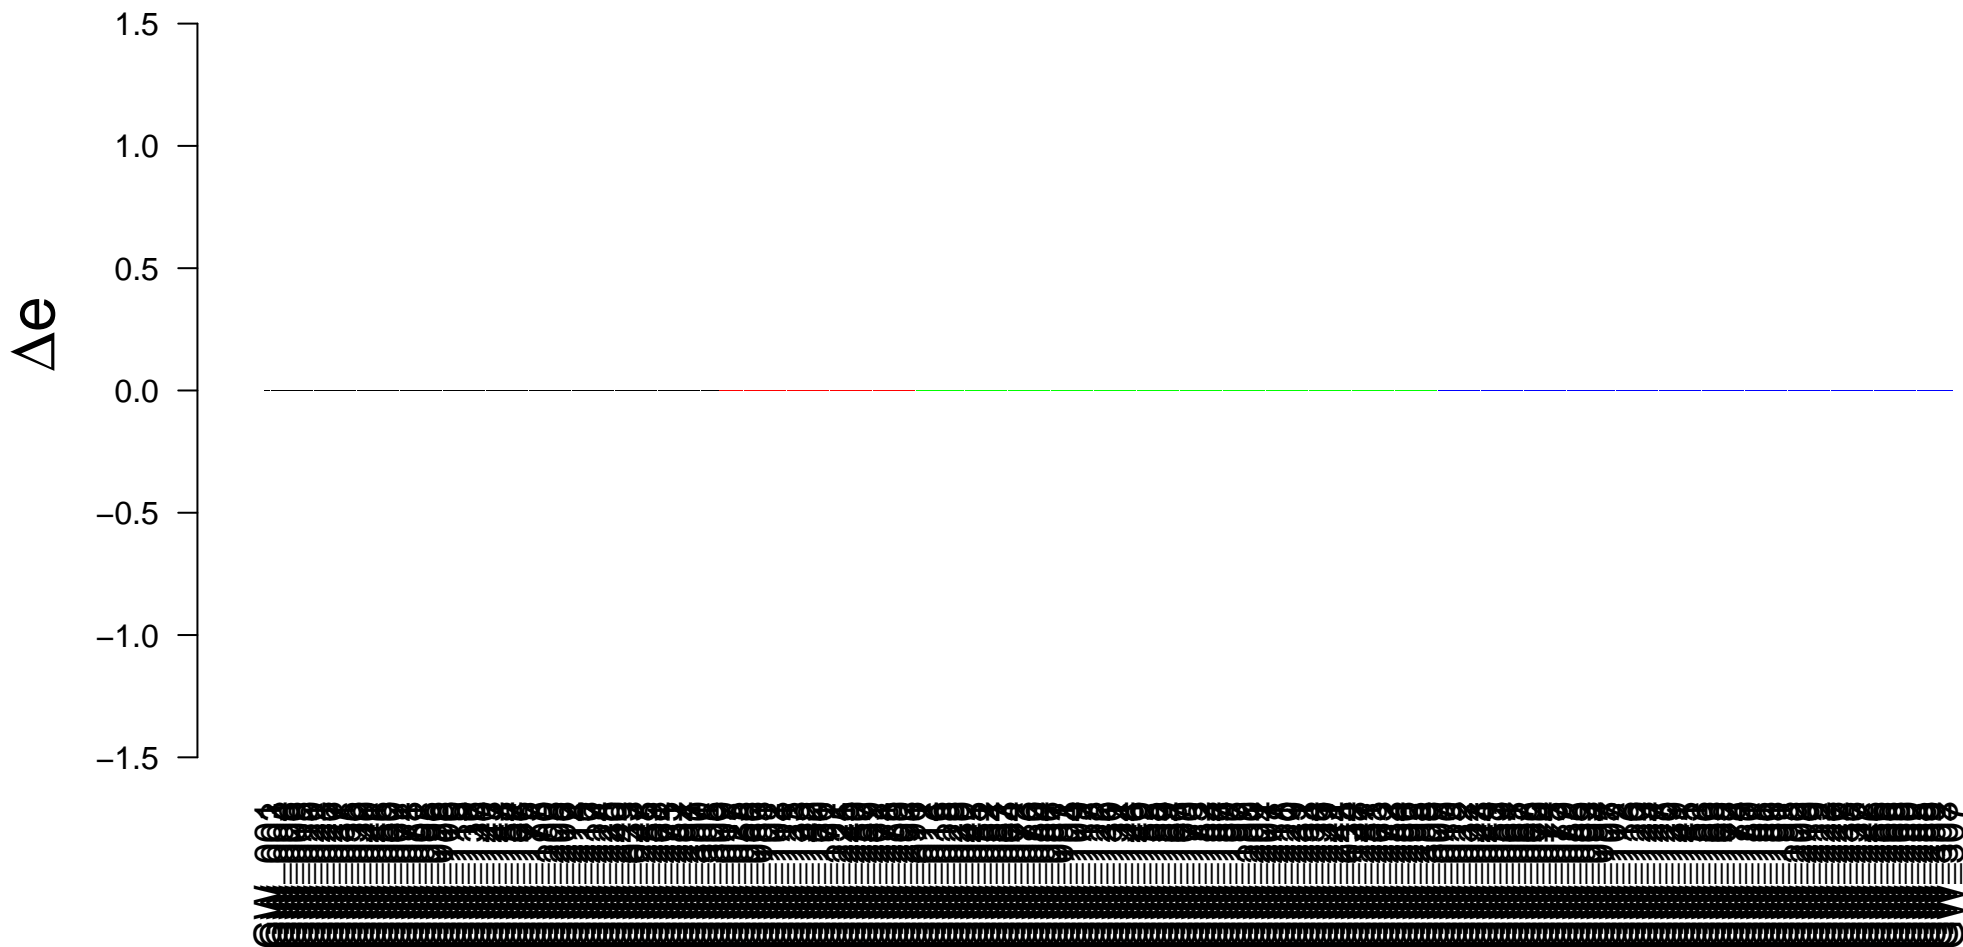

Expression of phospholipid translocation in Spot C

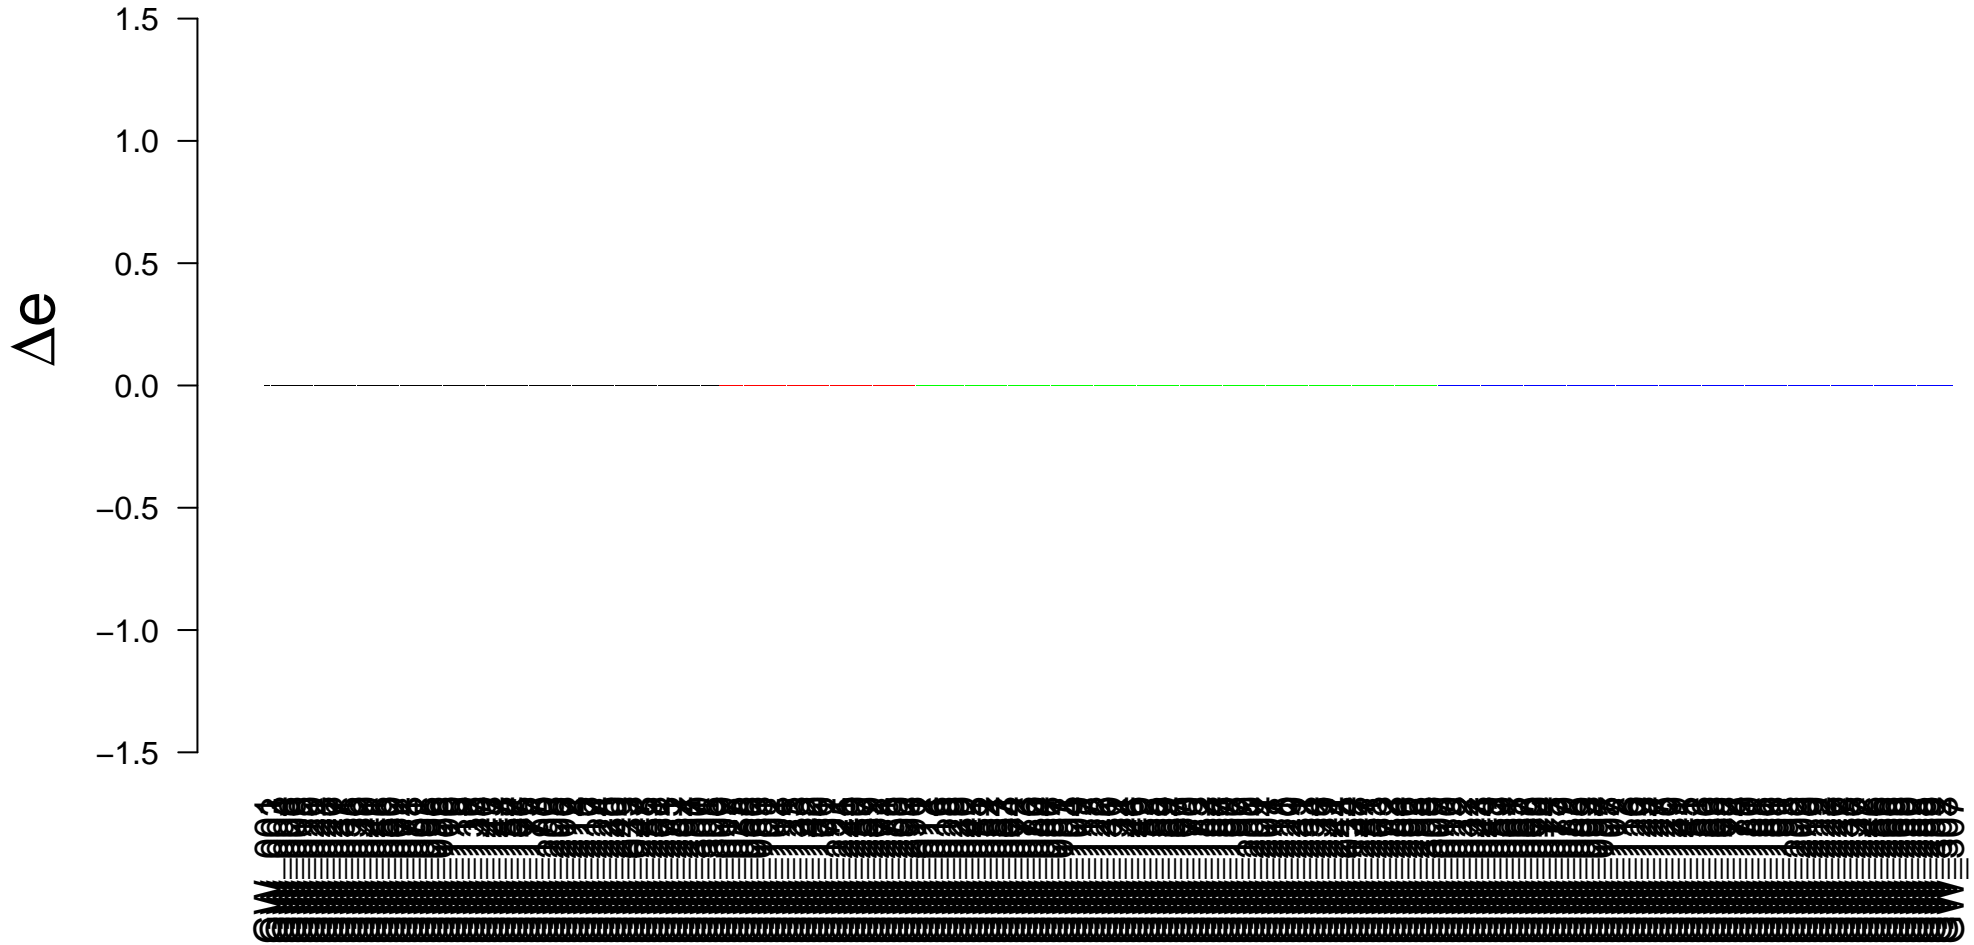

Expression of phospholipid translocation in Spot D

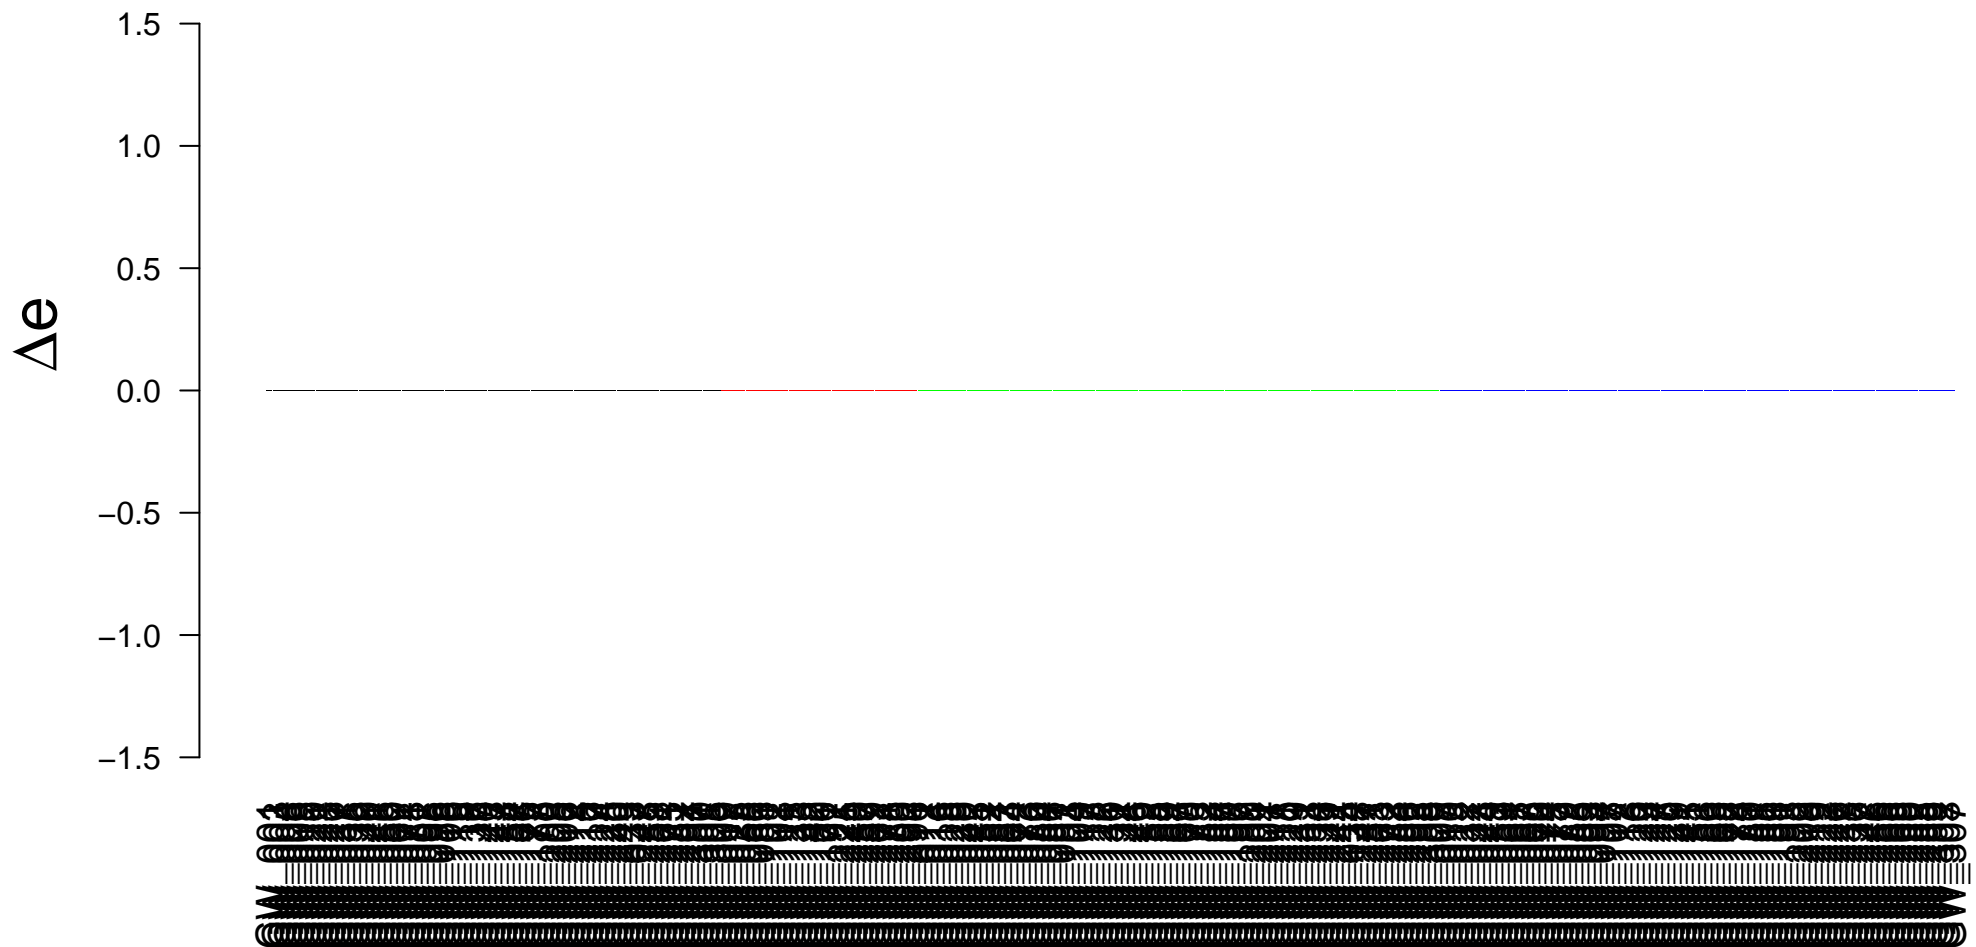

Expression of phospholipid translocation in Spot E

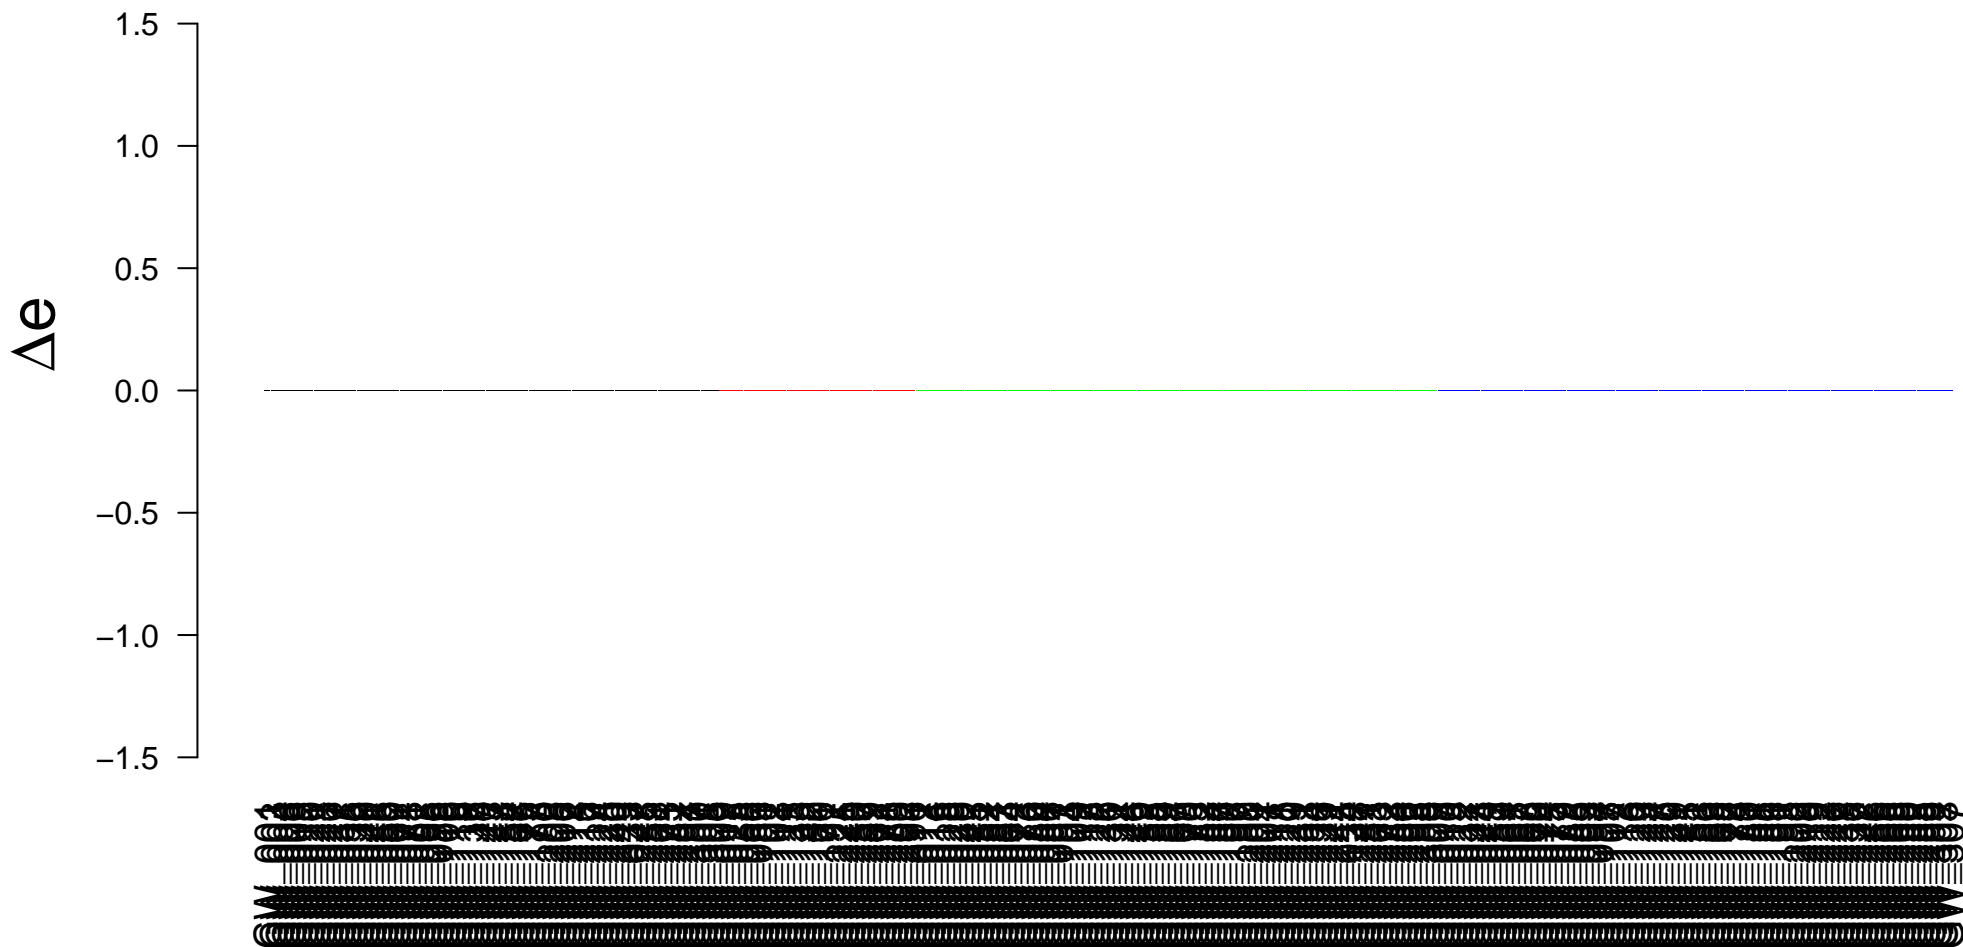

Expression of phospholipid translocation in Spot F

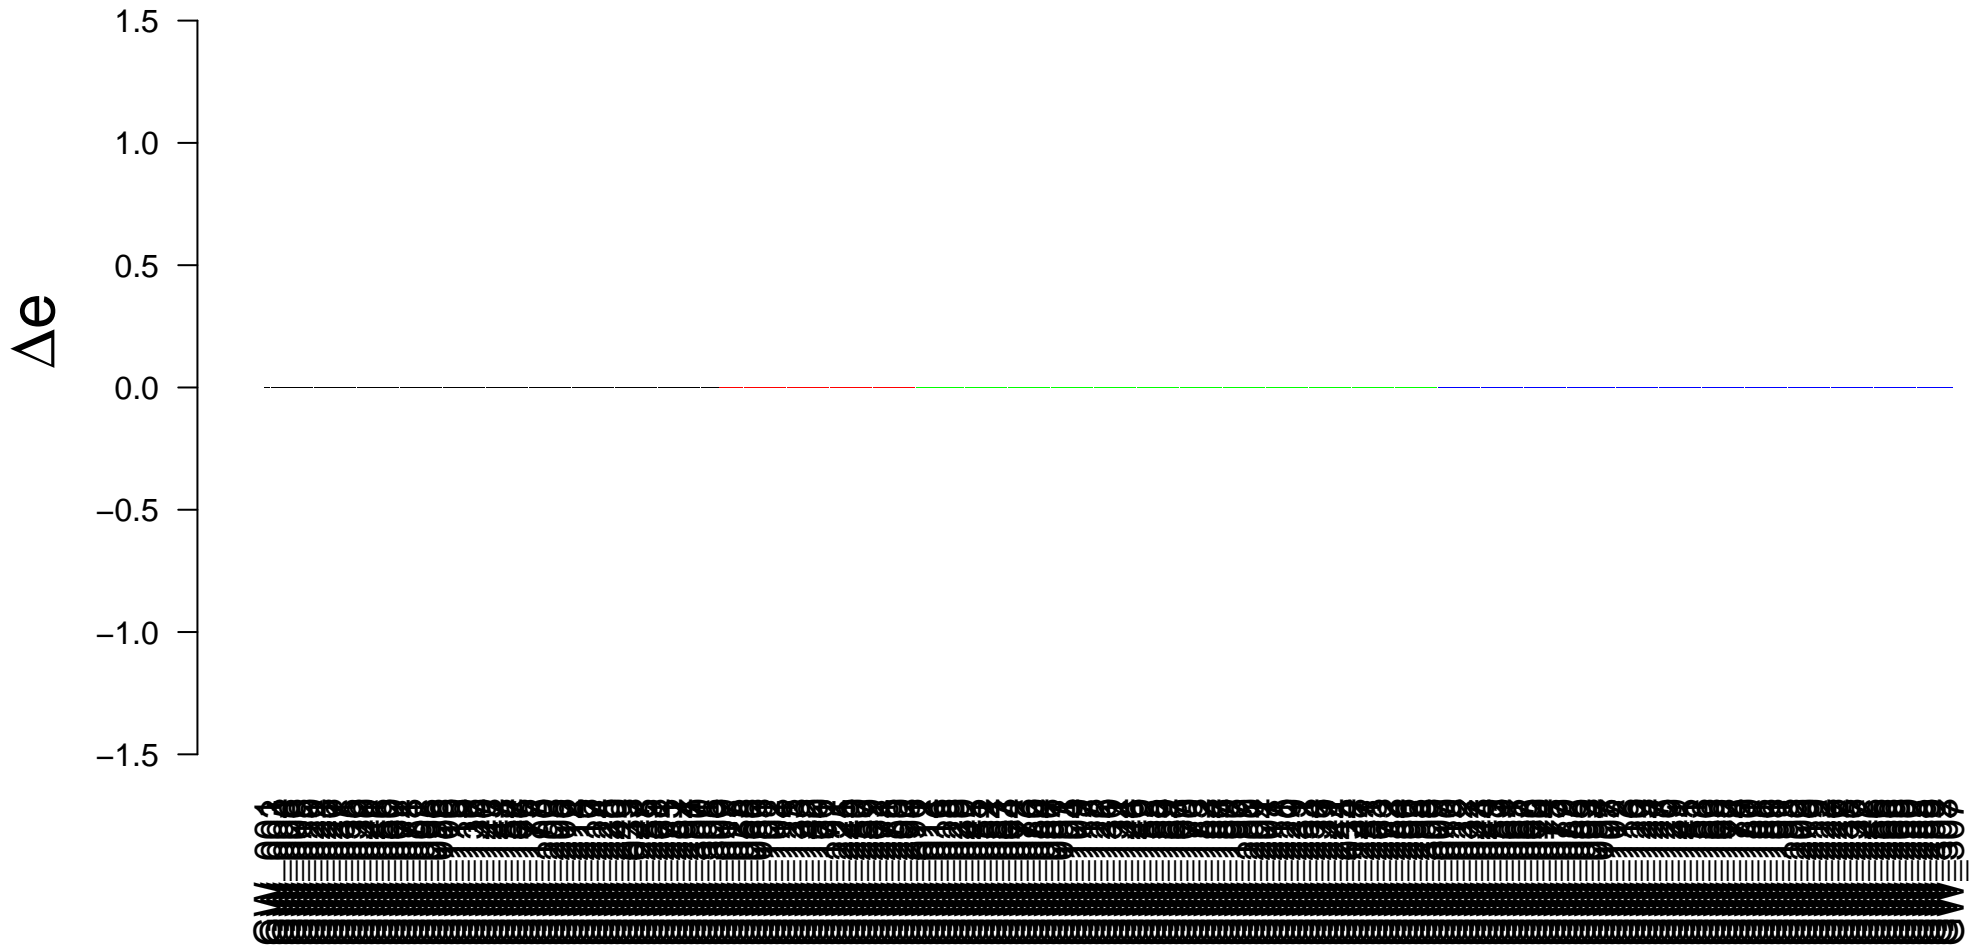

Expression of phospholipid translocation in Spot G

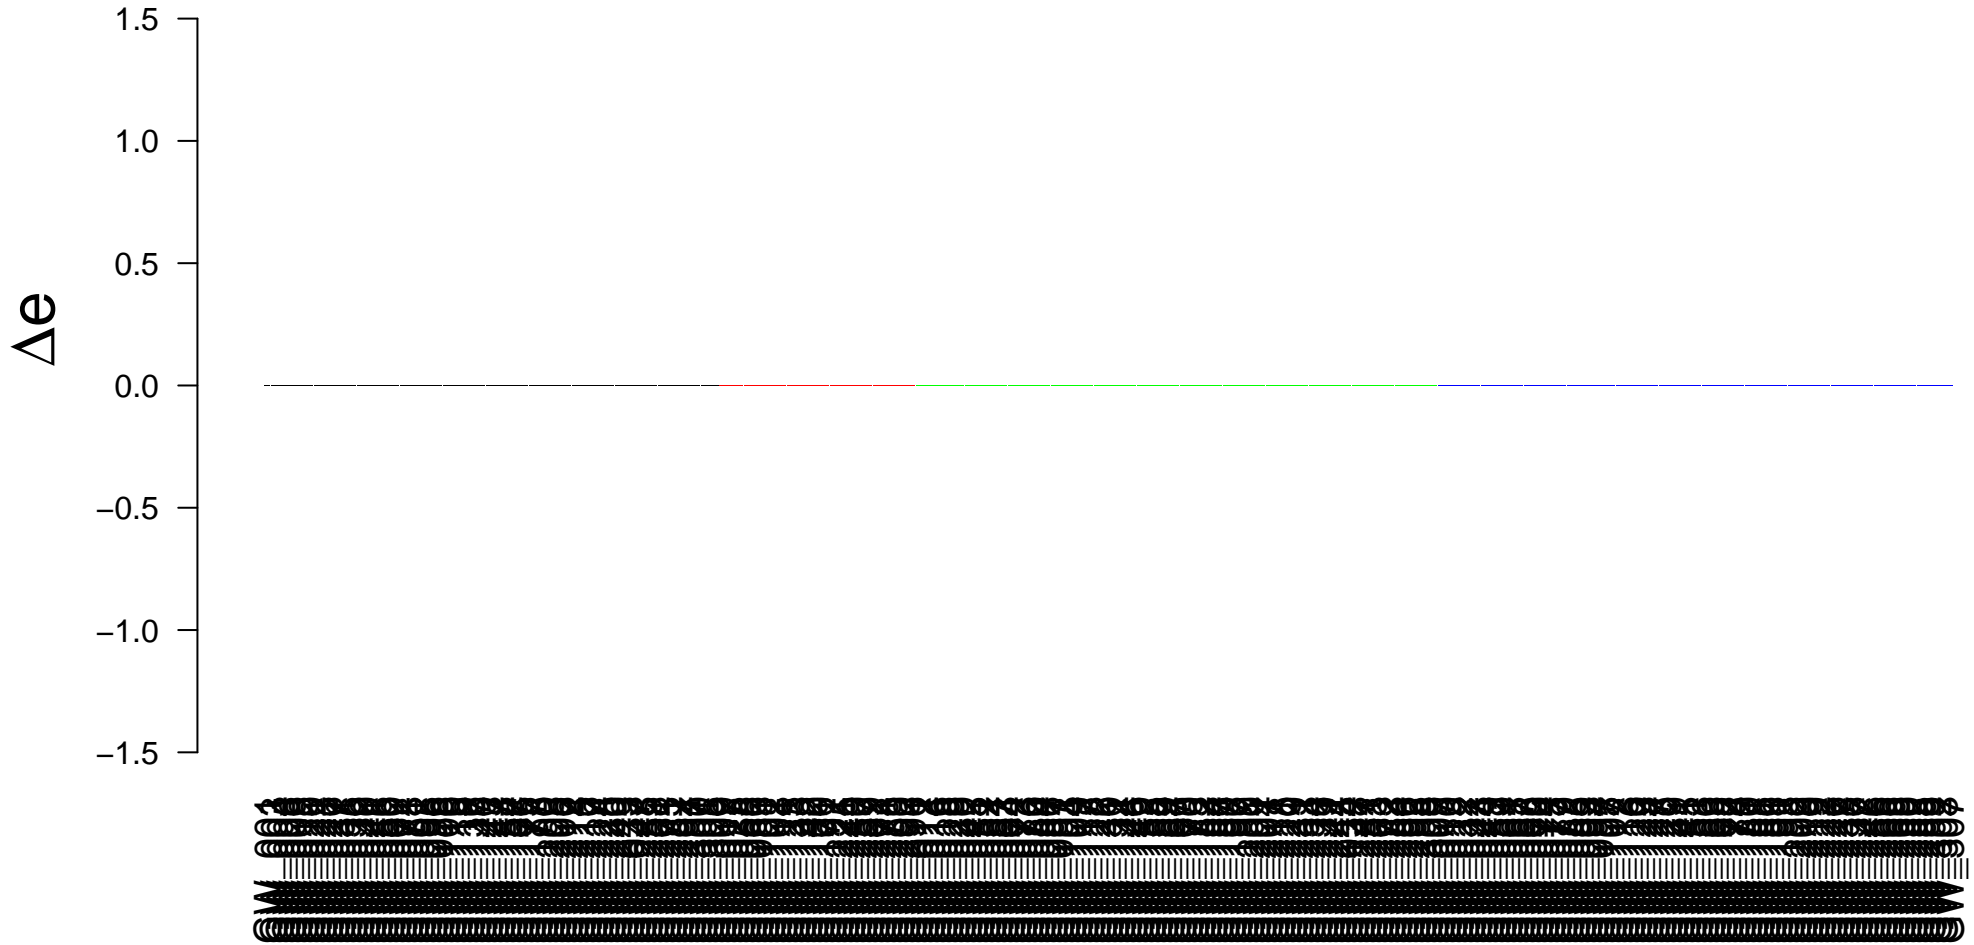

Expression of phospholipid translocation in Spot H

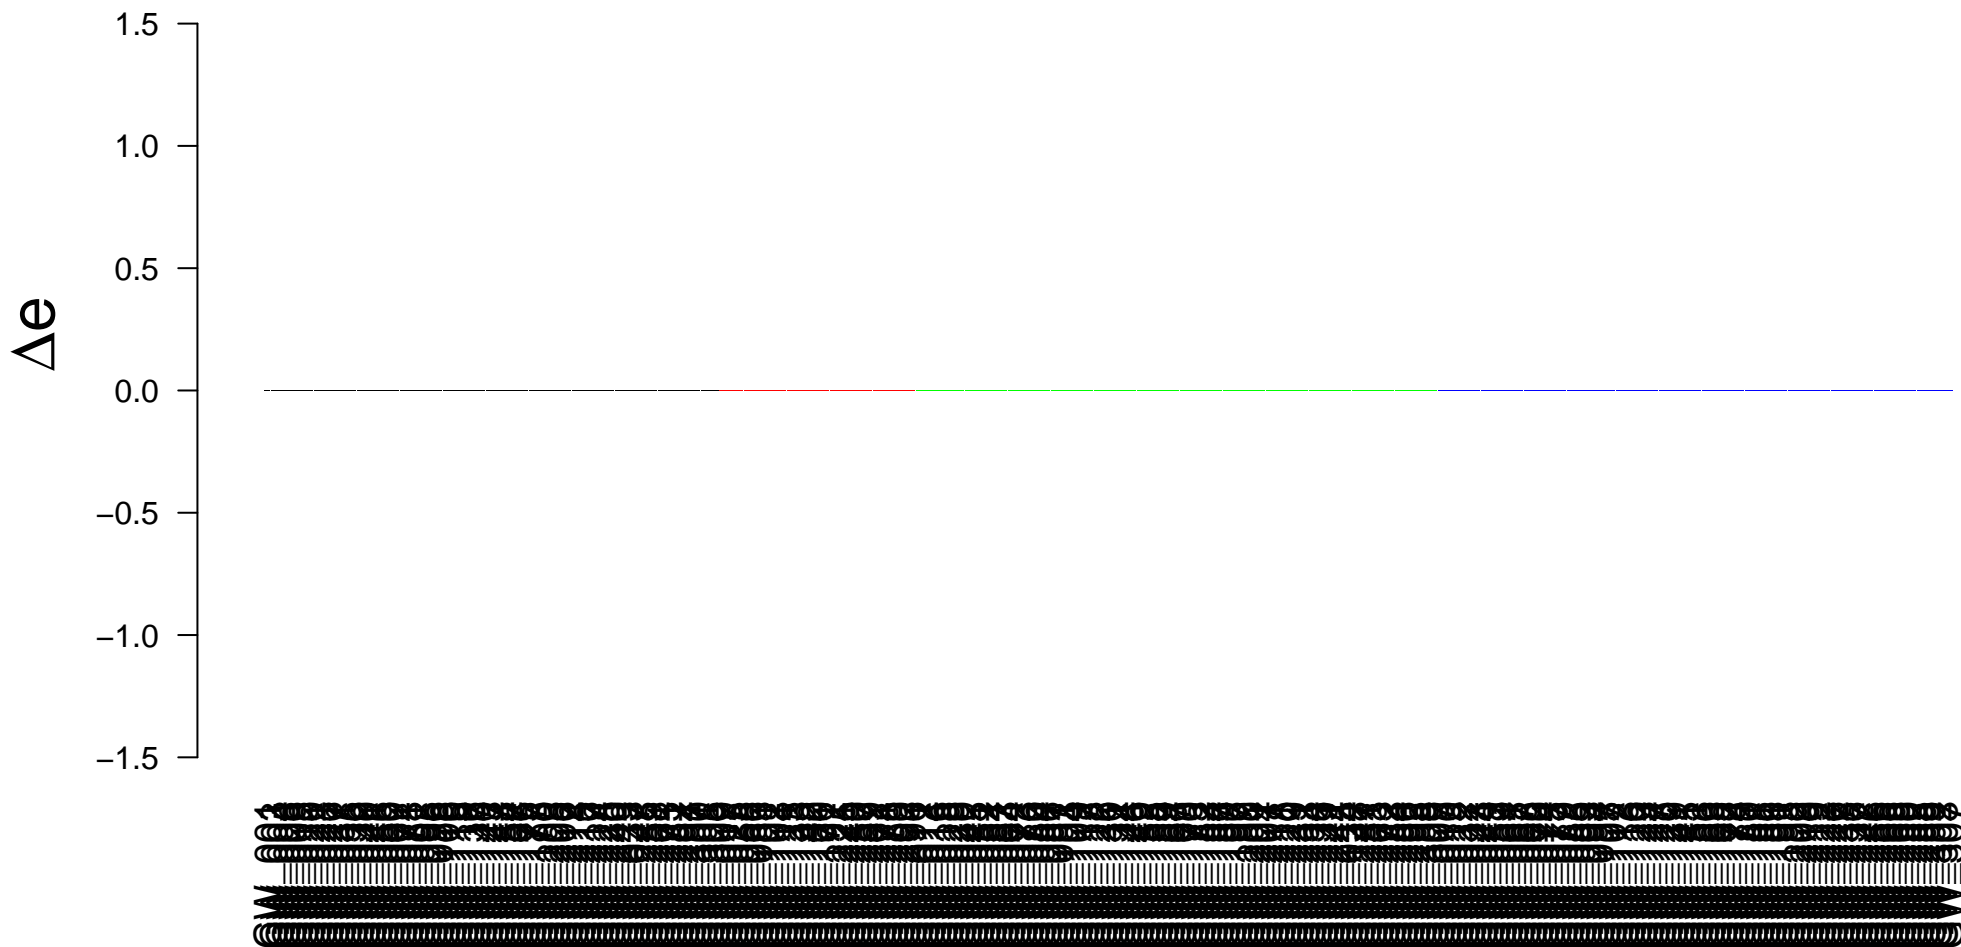

Expression of phospholipid translocation in Spot I

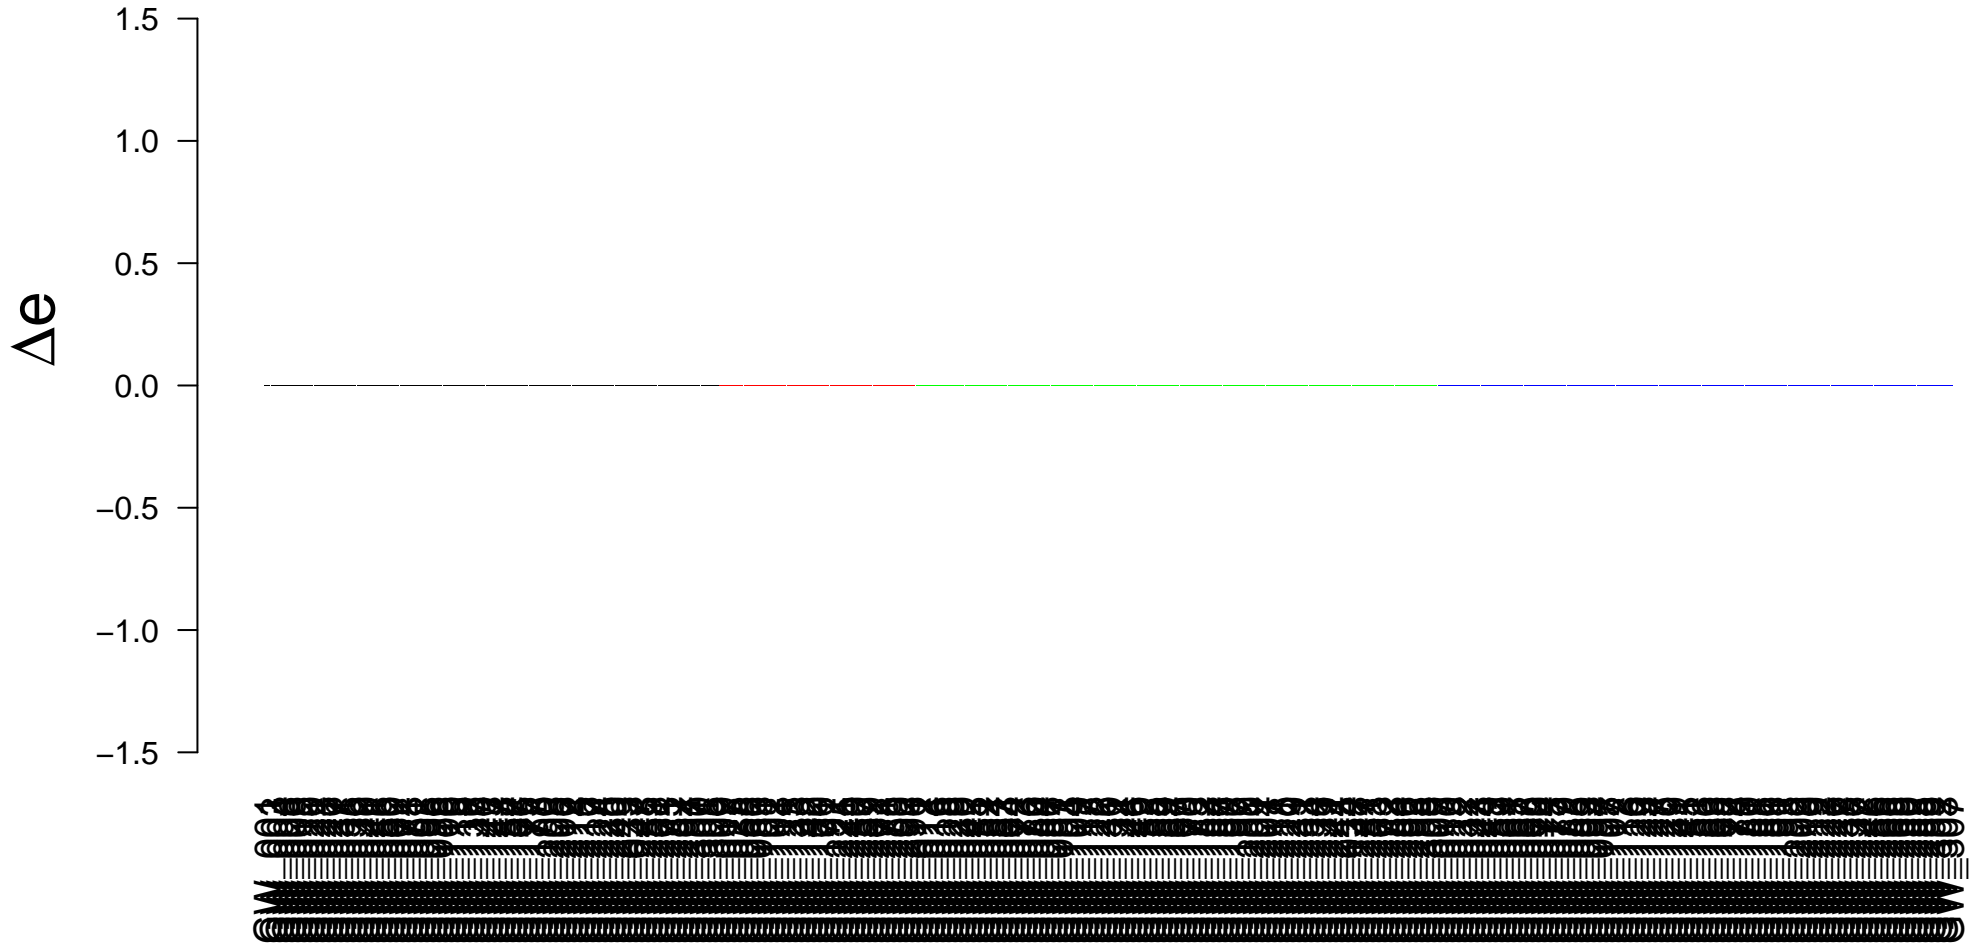

Expression of phospholipid translocation in Spot J

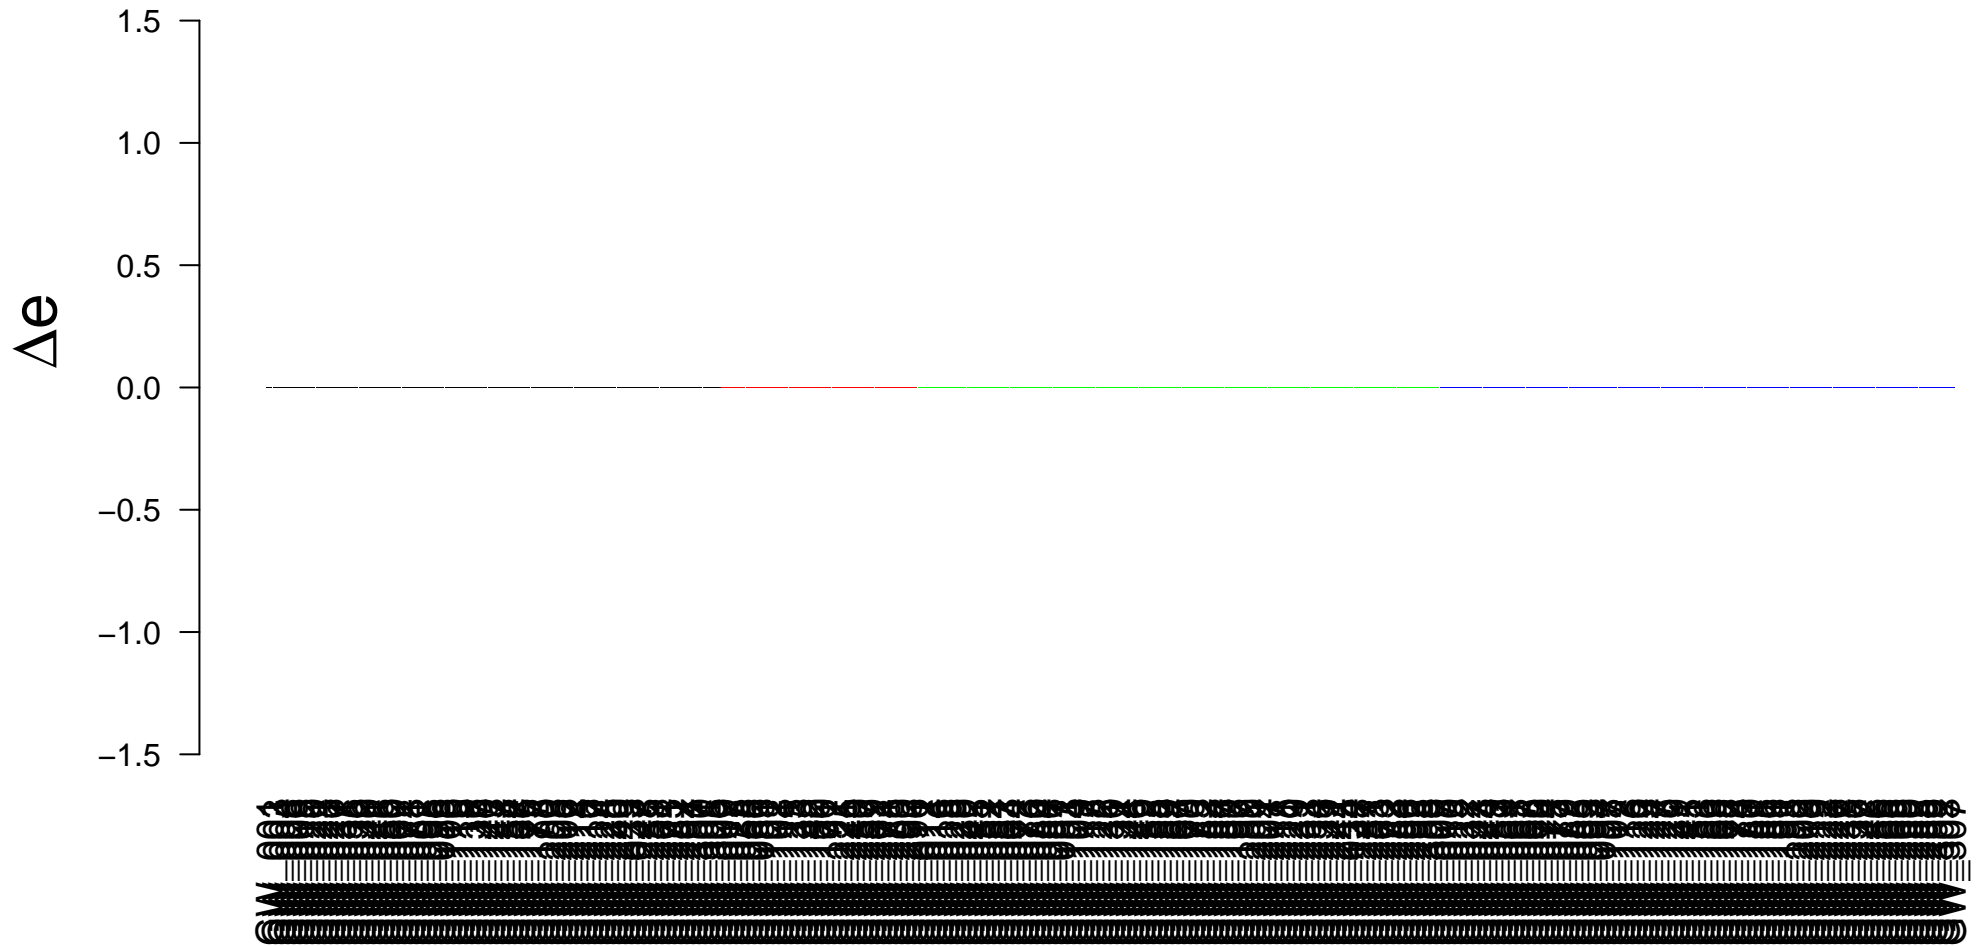

Expression of phospholipid translocation in Spot K

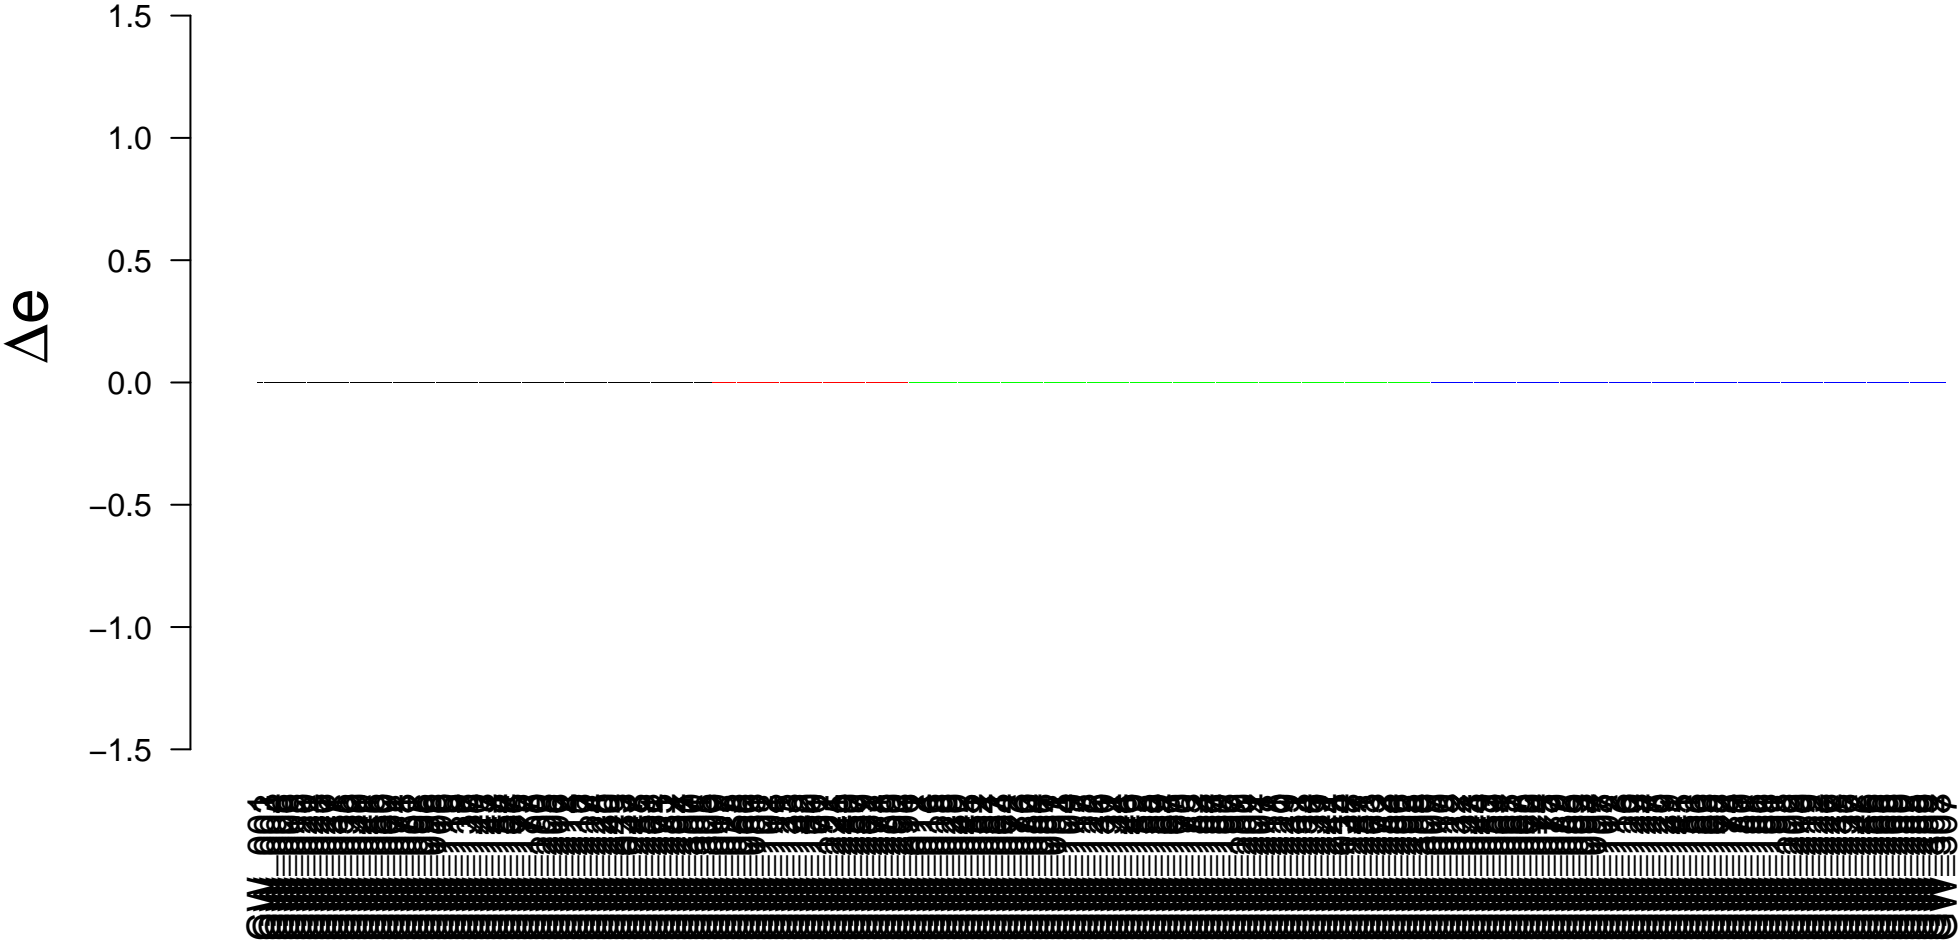

Expression of phospholipid translocation in Spot L

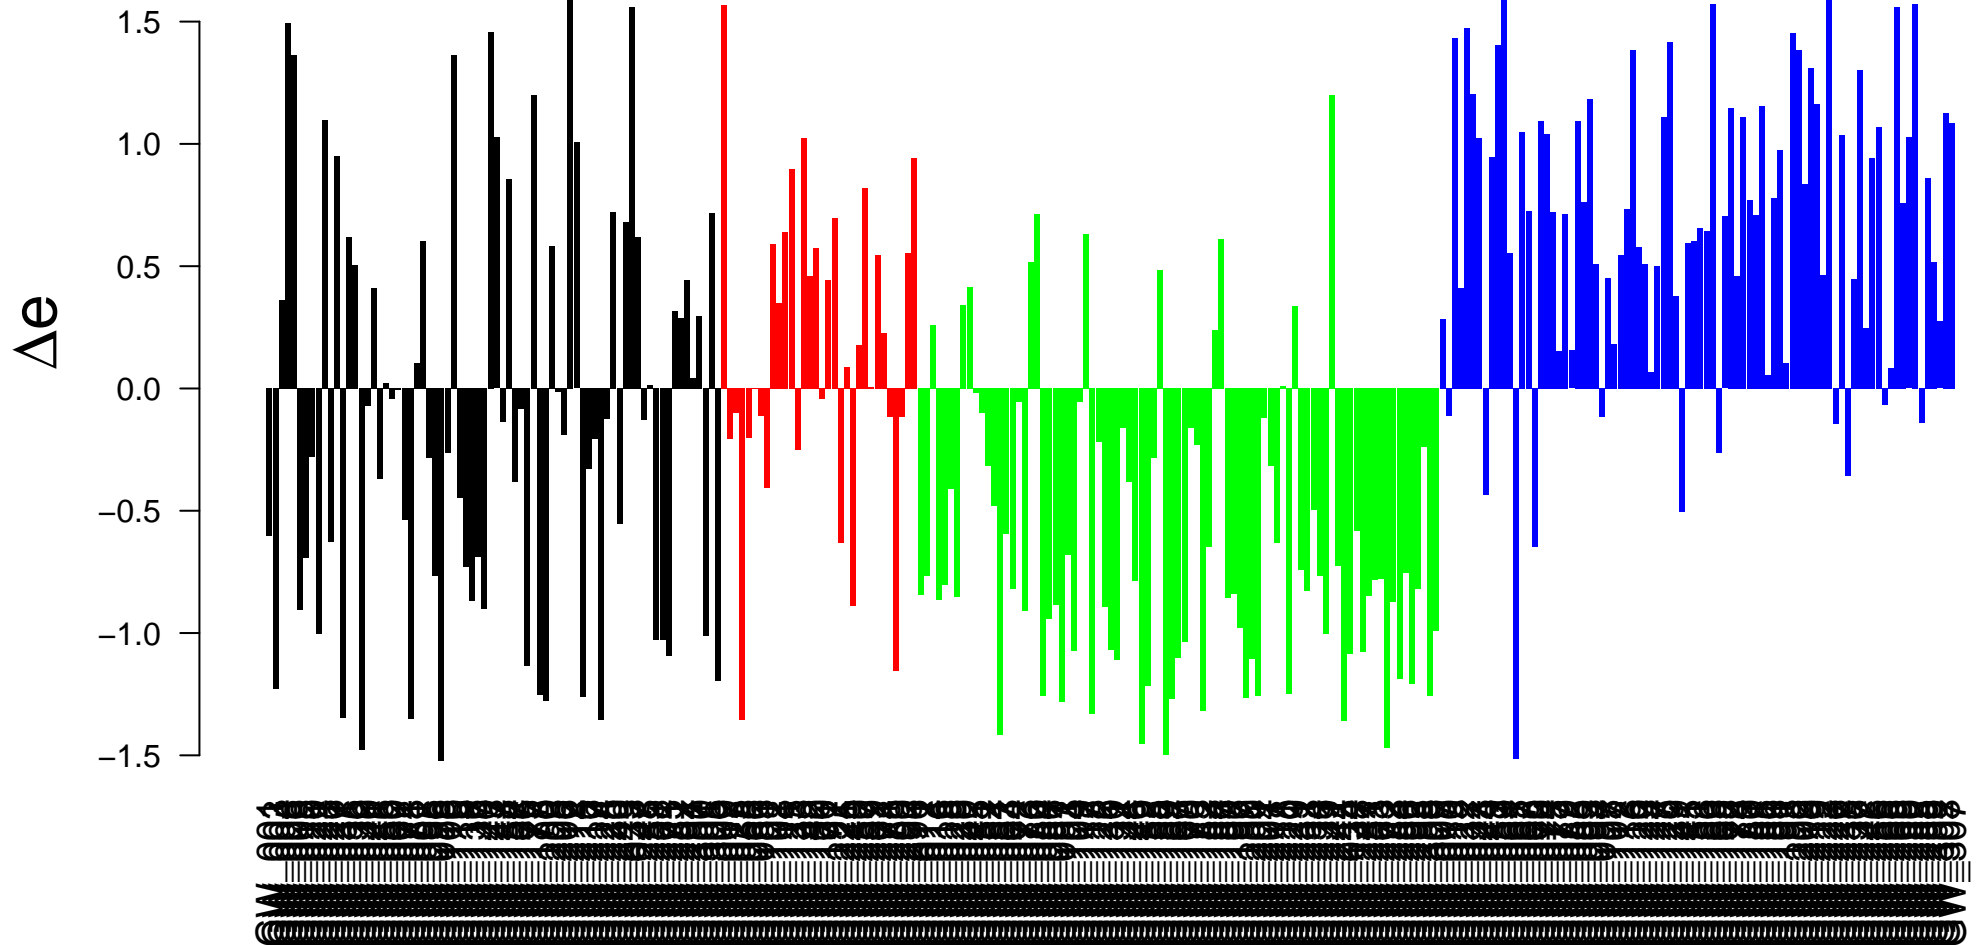

Expression of phospholipid translocation in Spot M

Expression of phospholipid translocation in Spot N

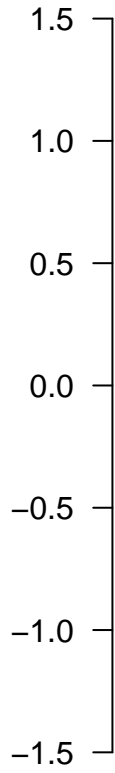

Expression of phospholipid translocation in Spot O

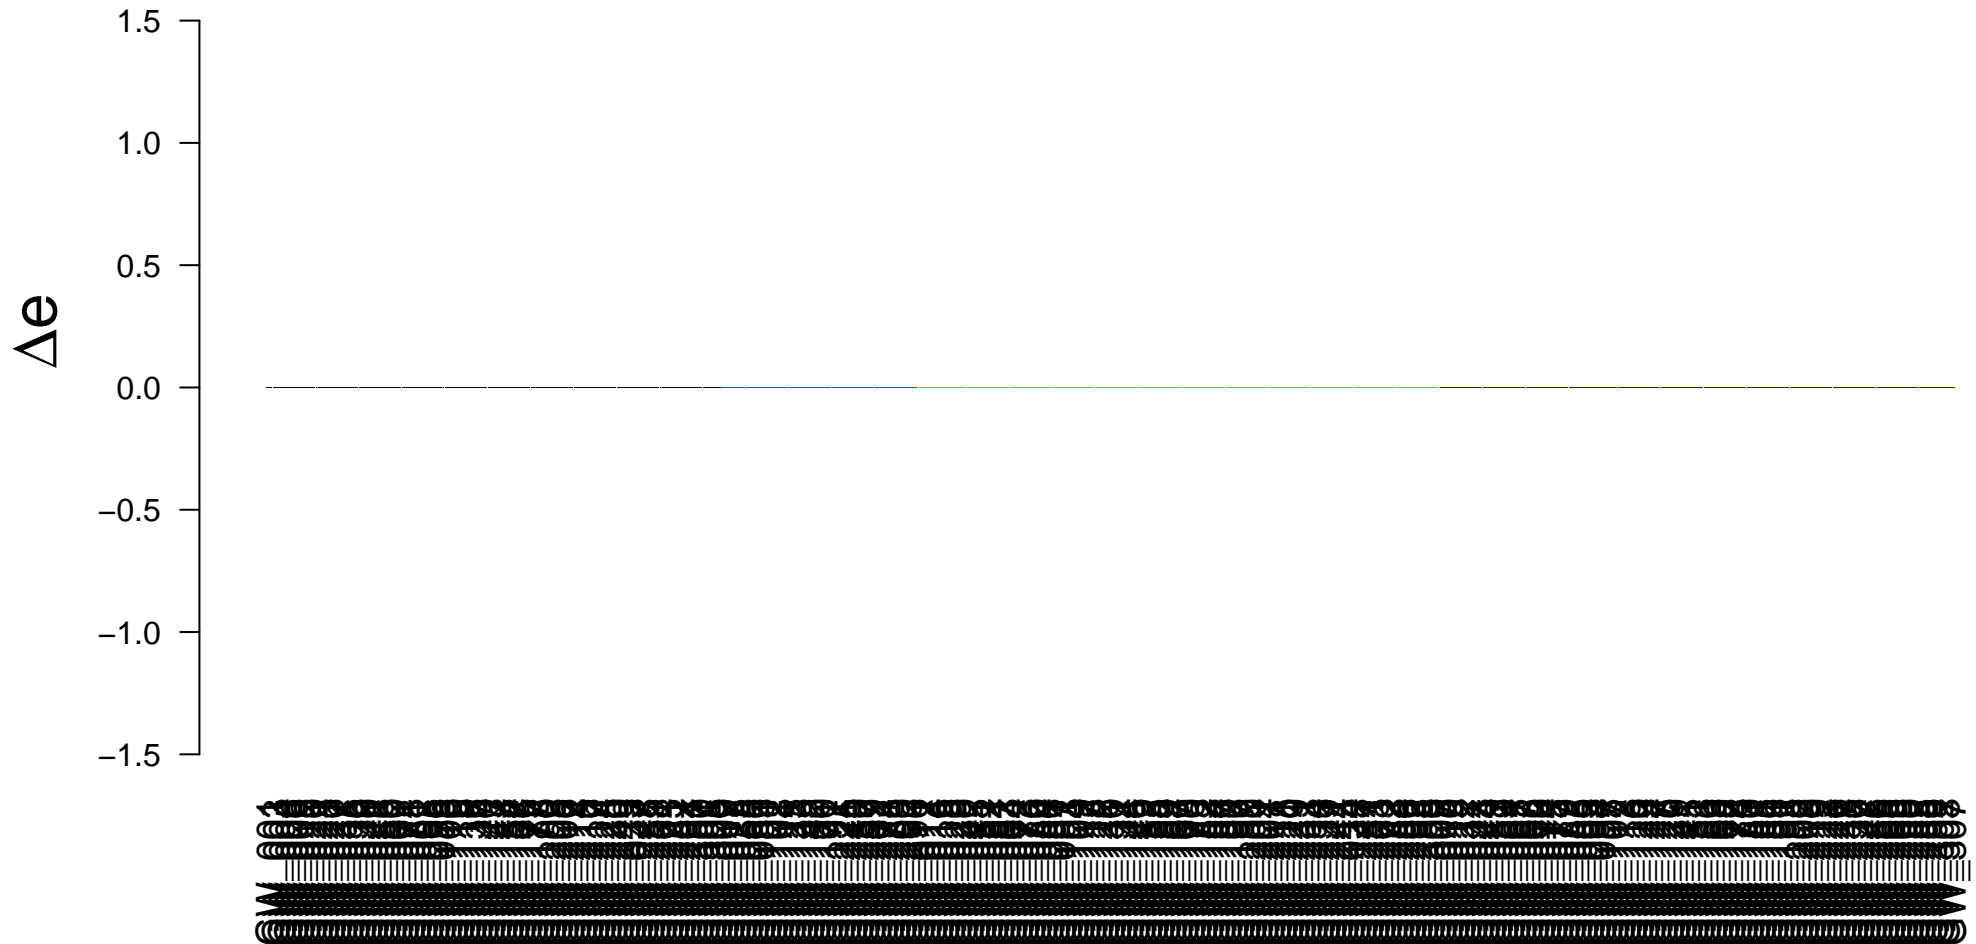

Expression of phospholipid translocation in Spot P

Δe

Expression of phospholipid translocation in Spot Q

Expression of phospholipid translocation in Spot R
