

phosphoprotein binding

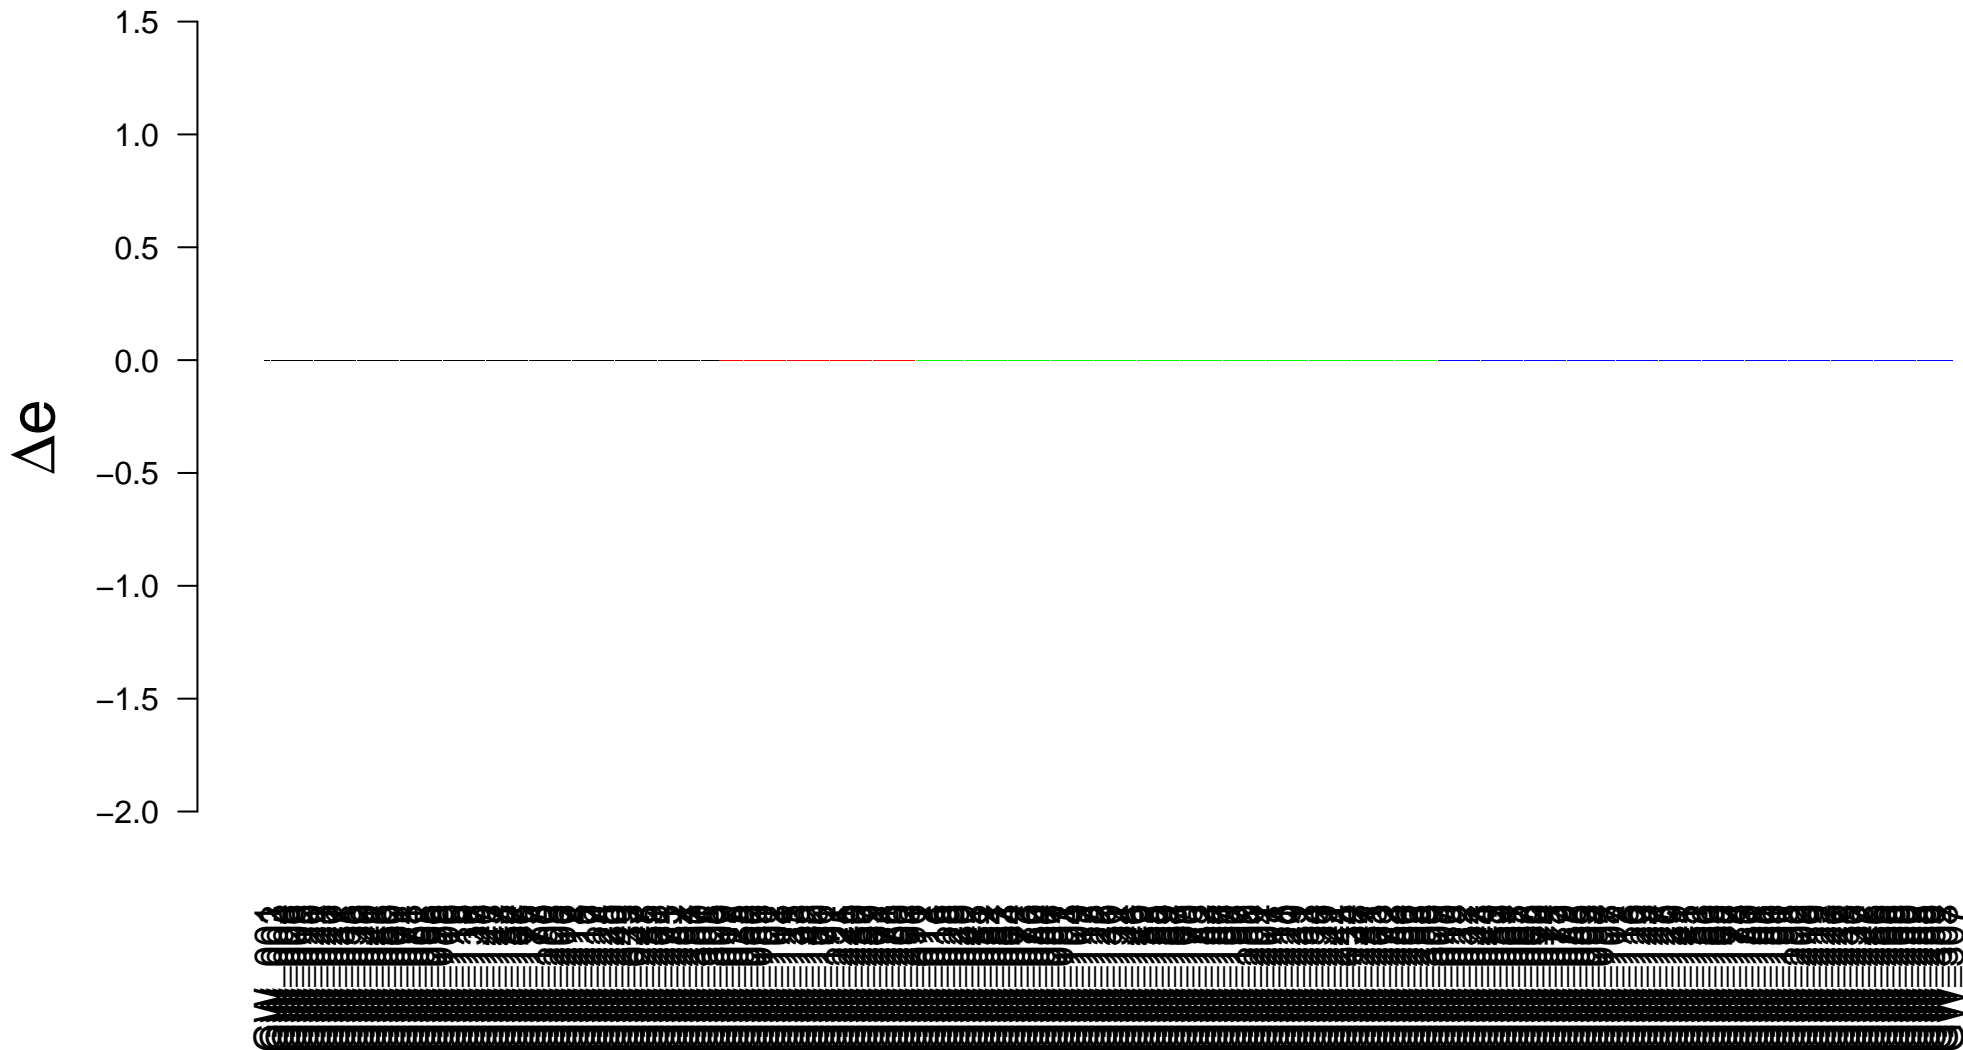

phosphoprotein binding

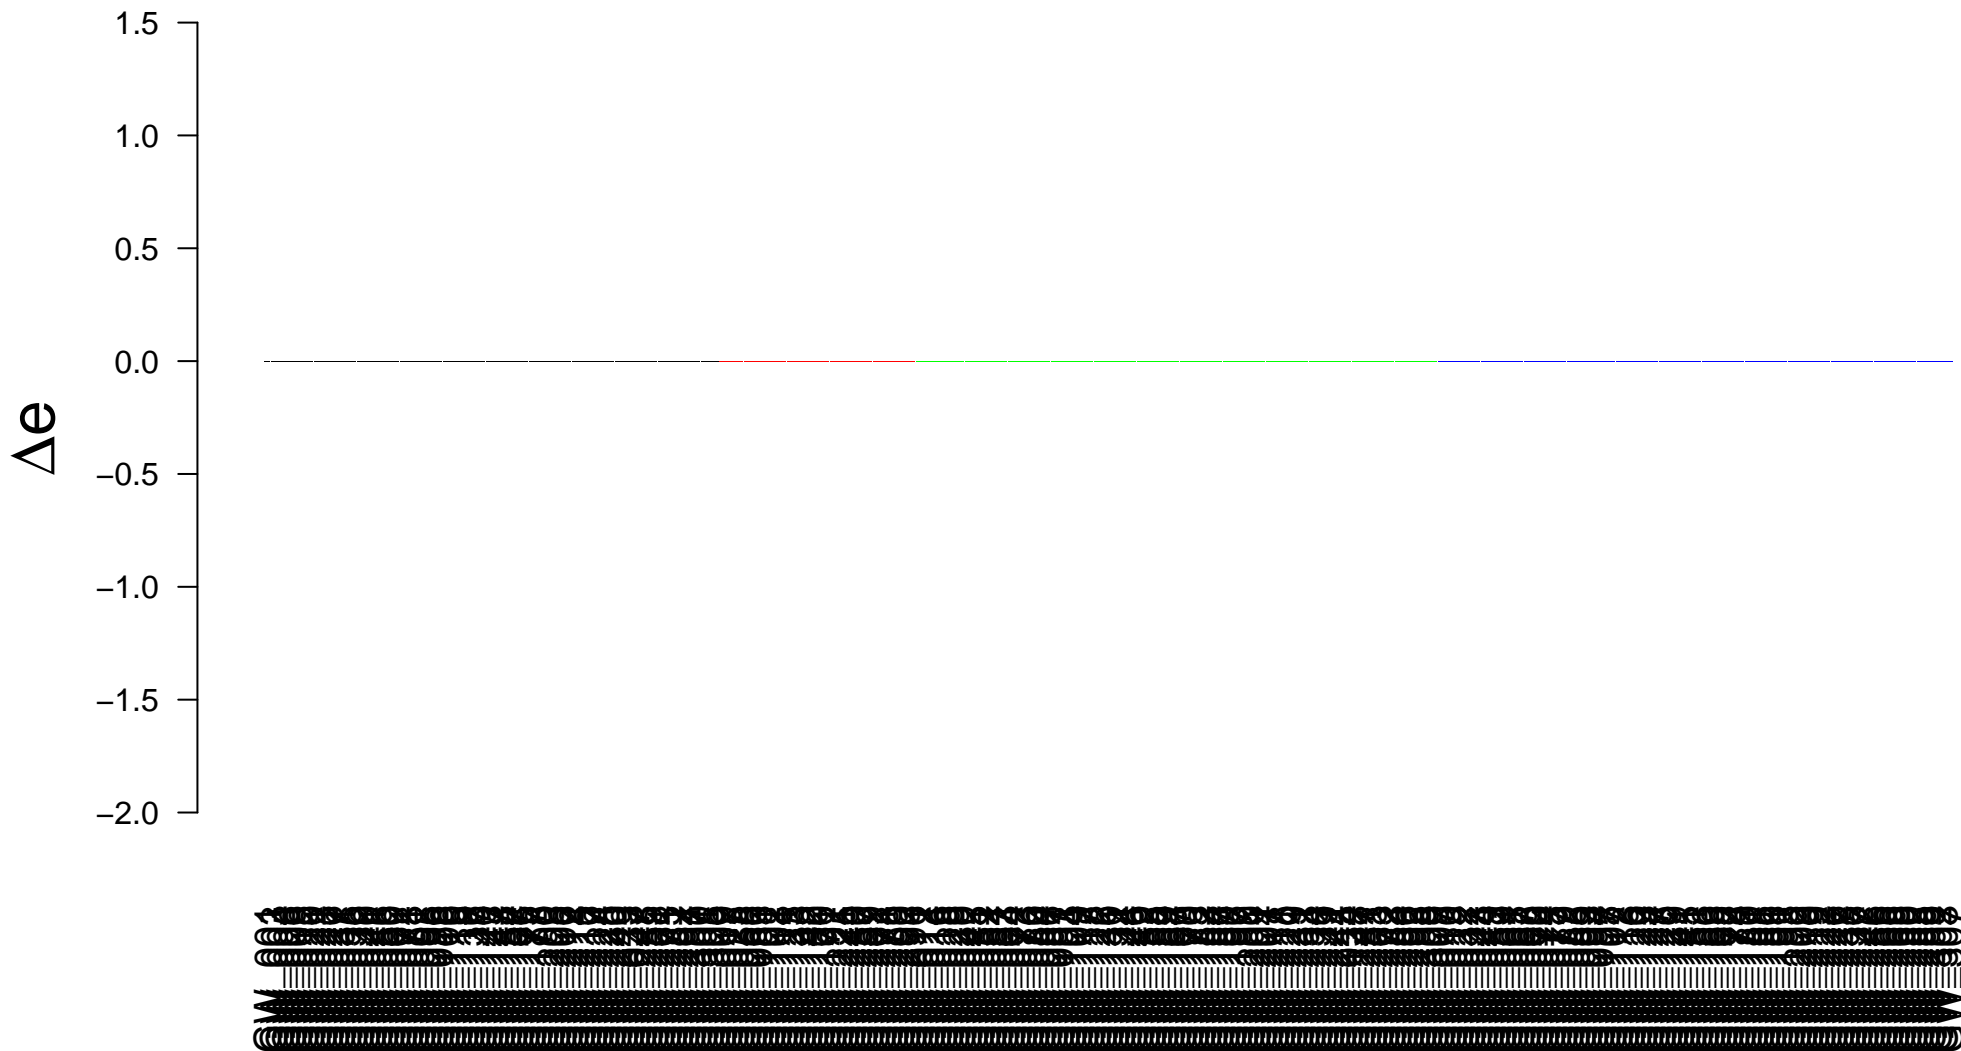

Enrichment in spots: phosphoprotein binding

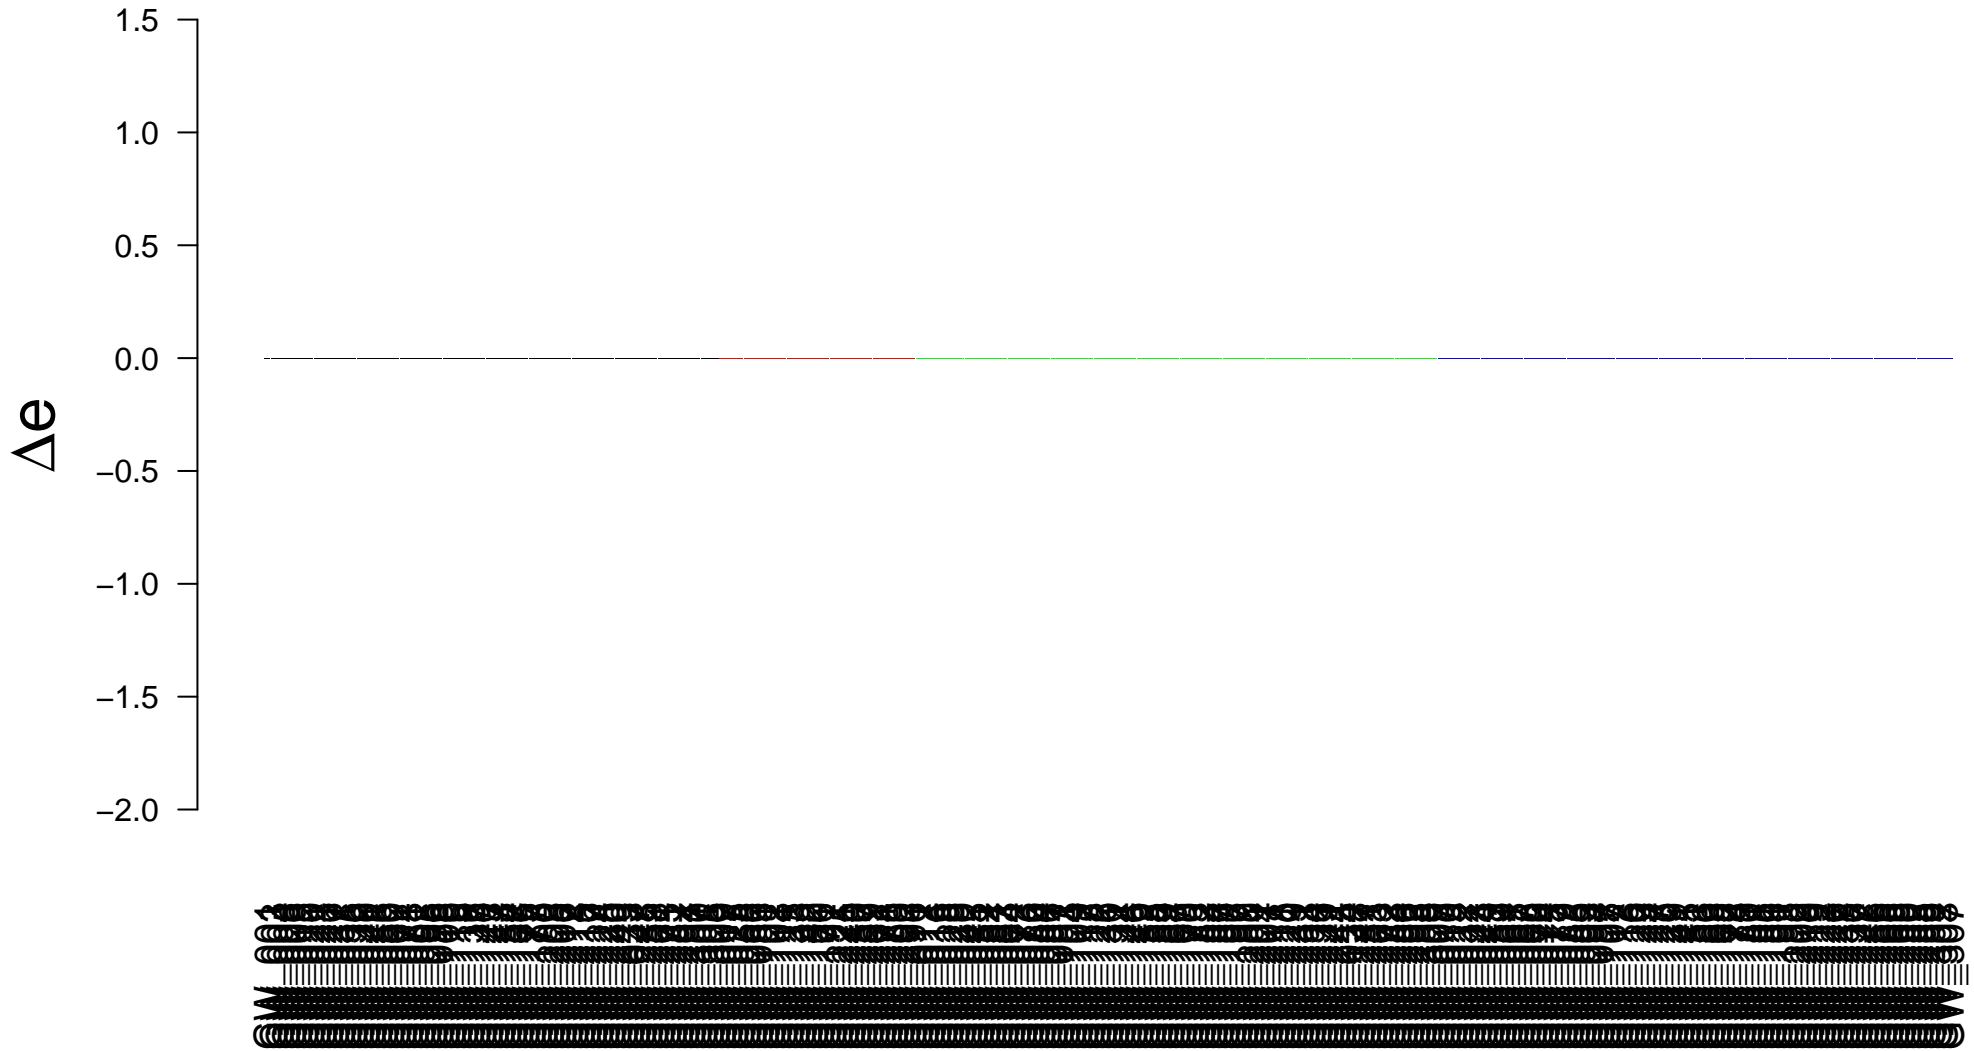

Expression of phosphoprotein binding in Spot A

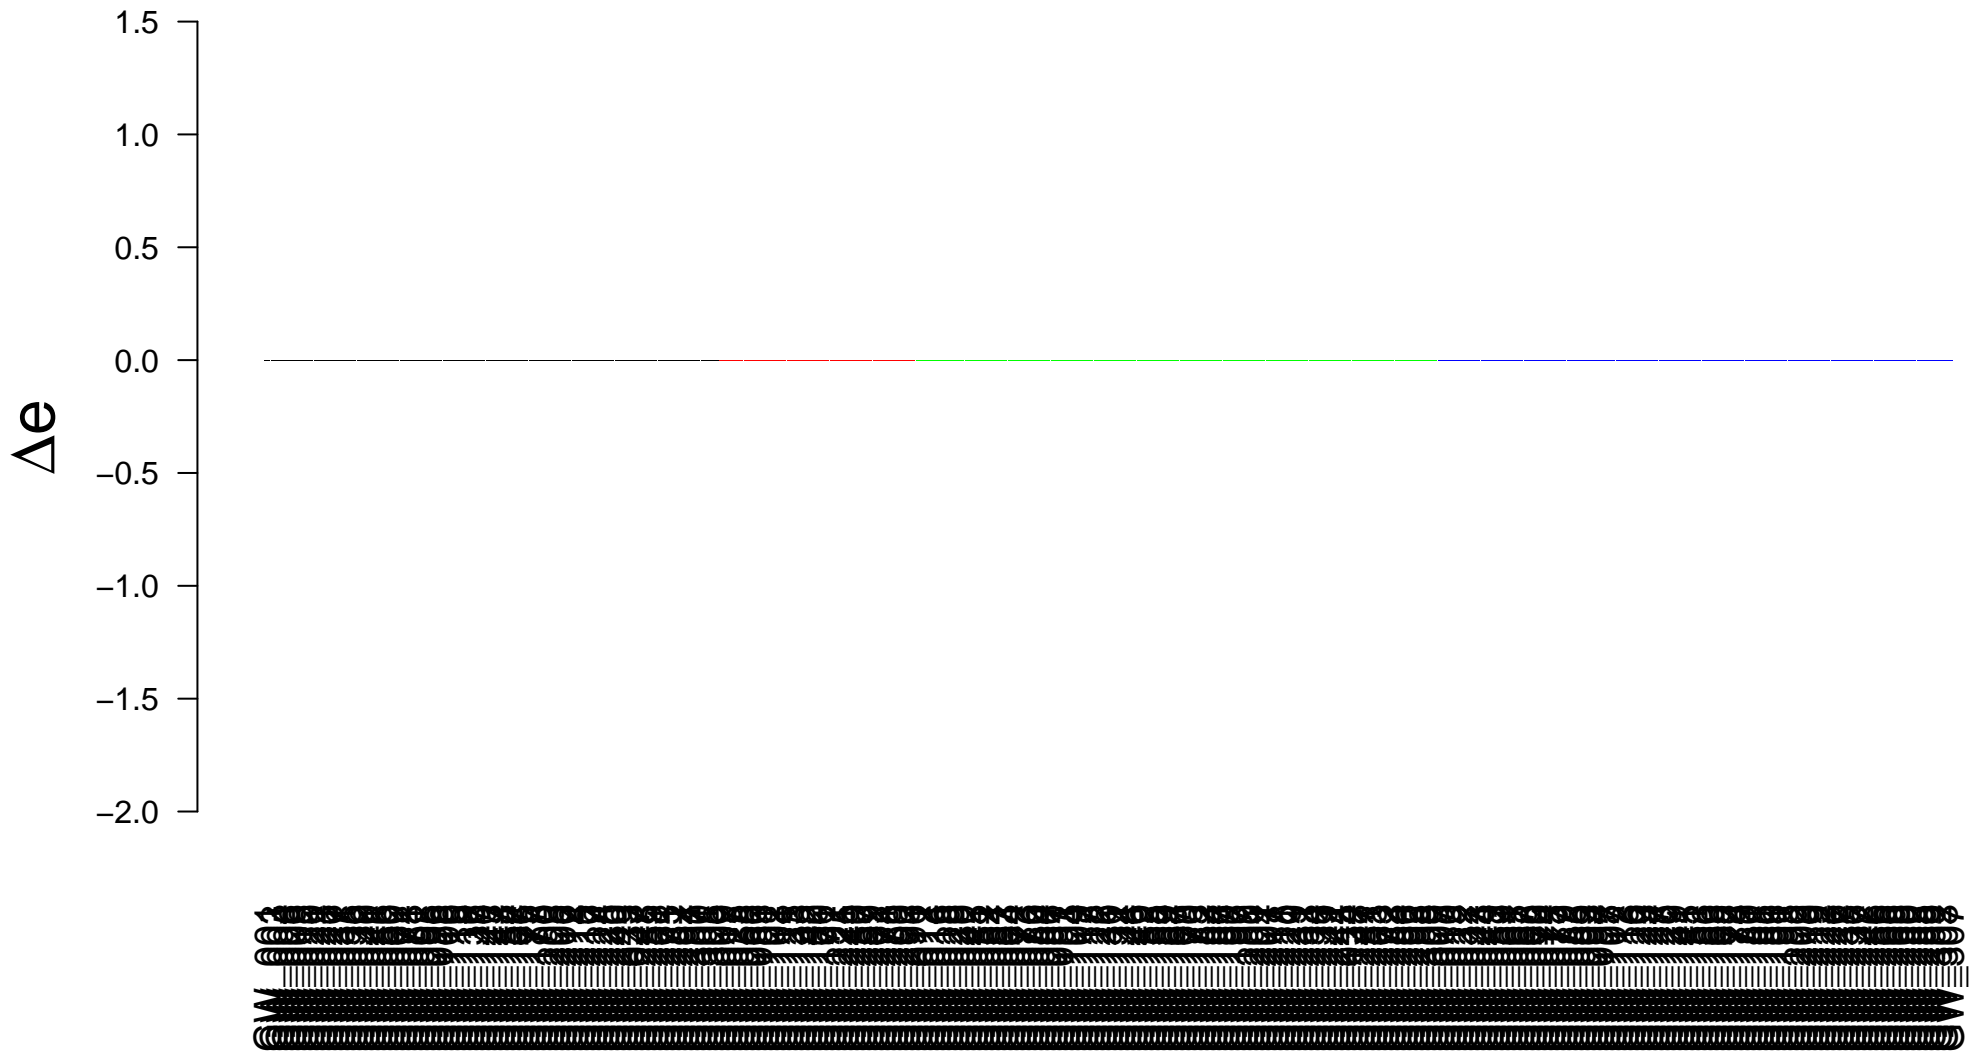

Expression of phosphoprotein binding in Spot B

Expression of phosphoprotein binding in Spot C

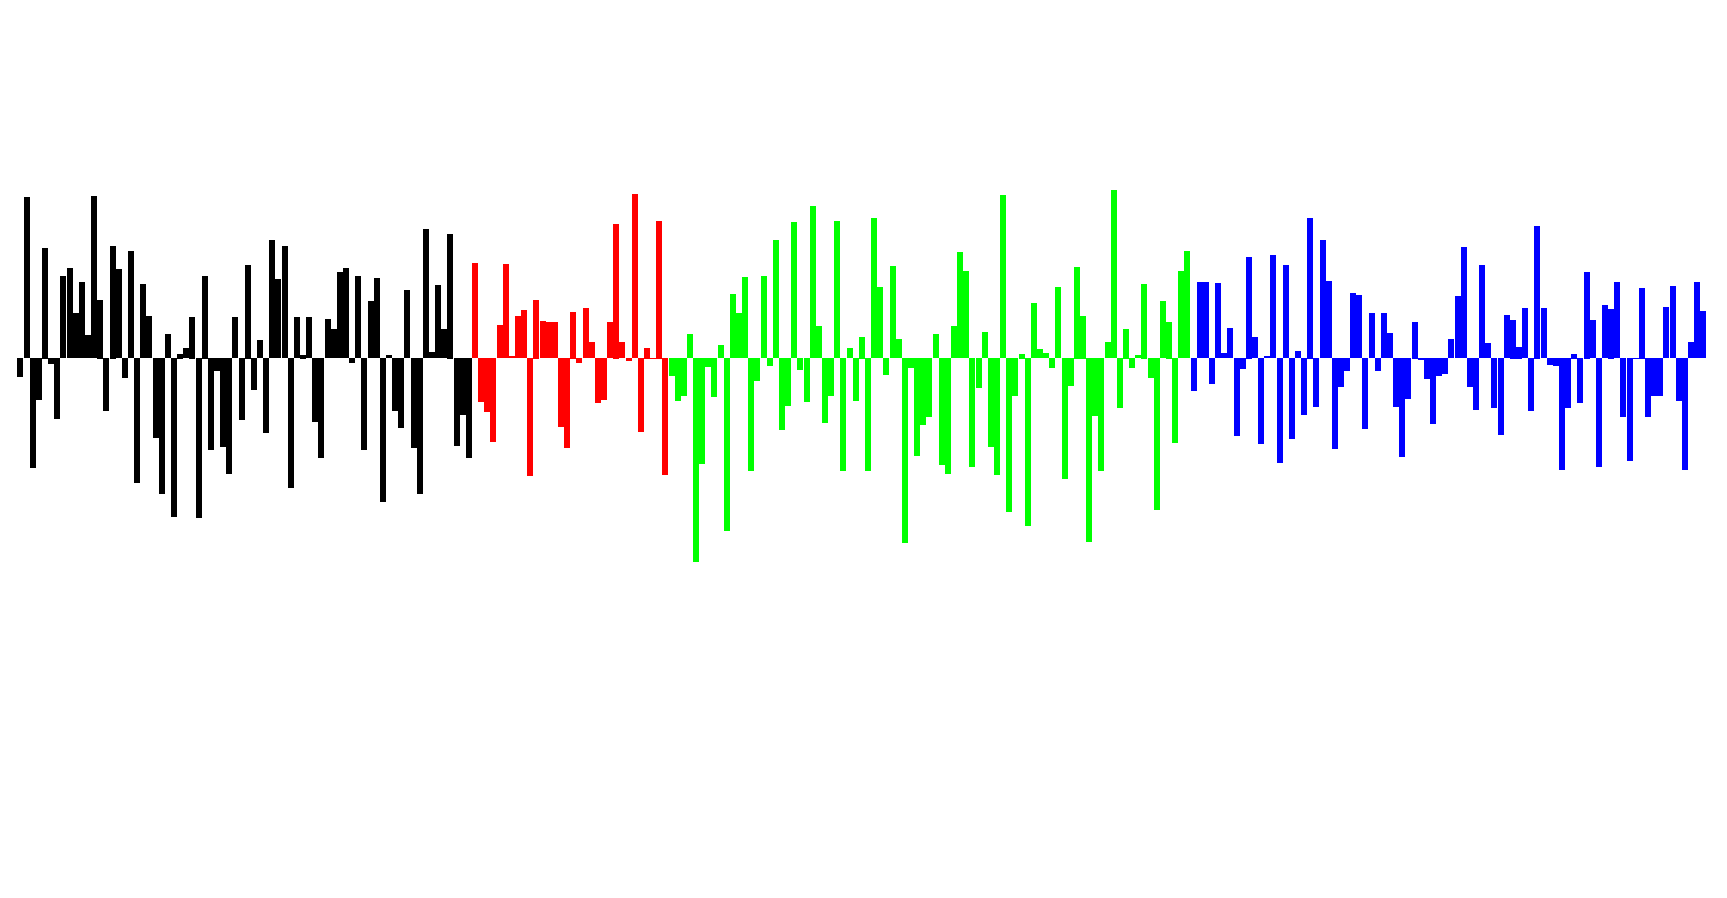

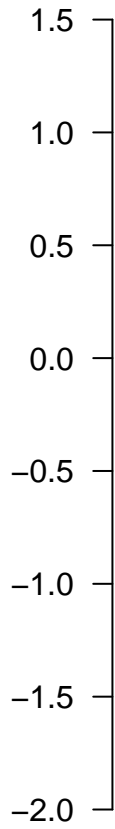

Expression of phosphoprotein binding in Spot D

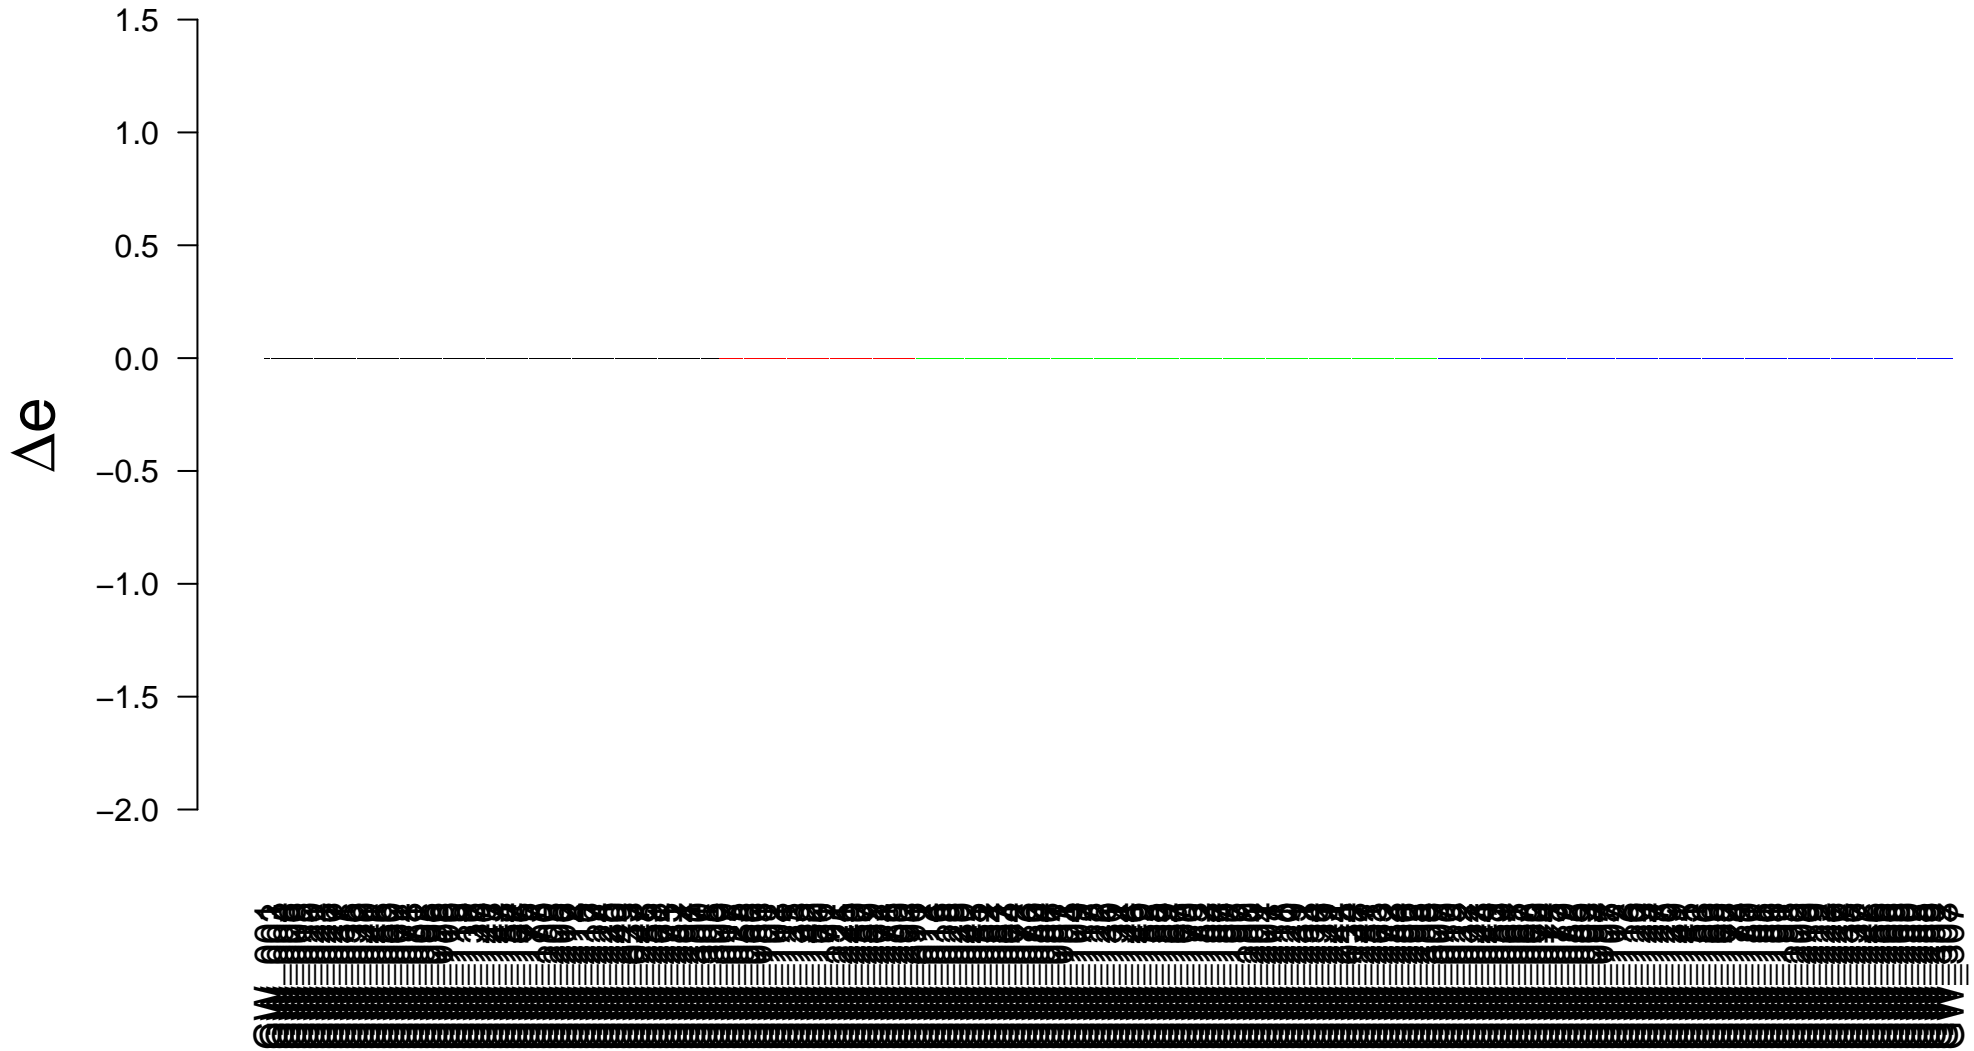

Expression of phosphoprotein binding in Spot E

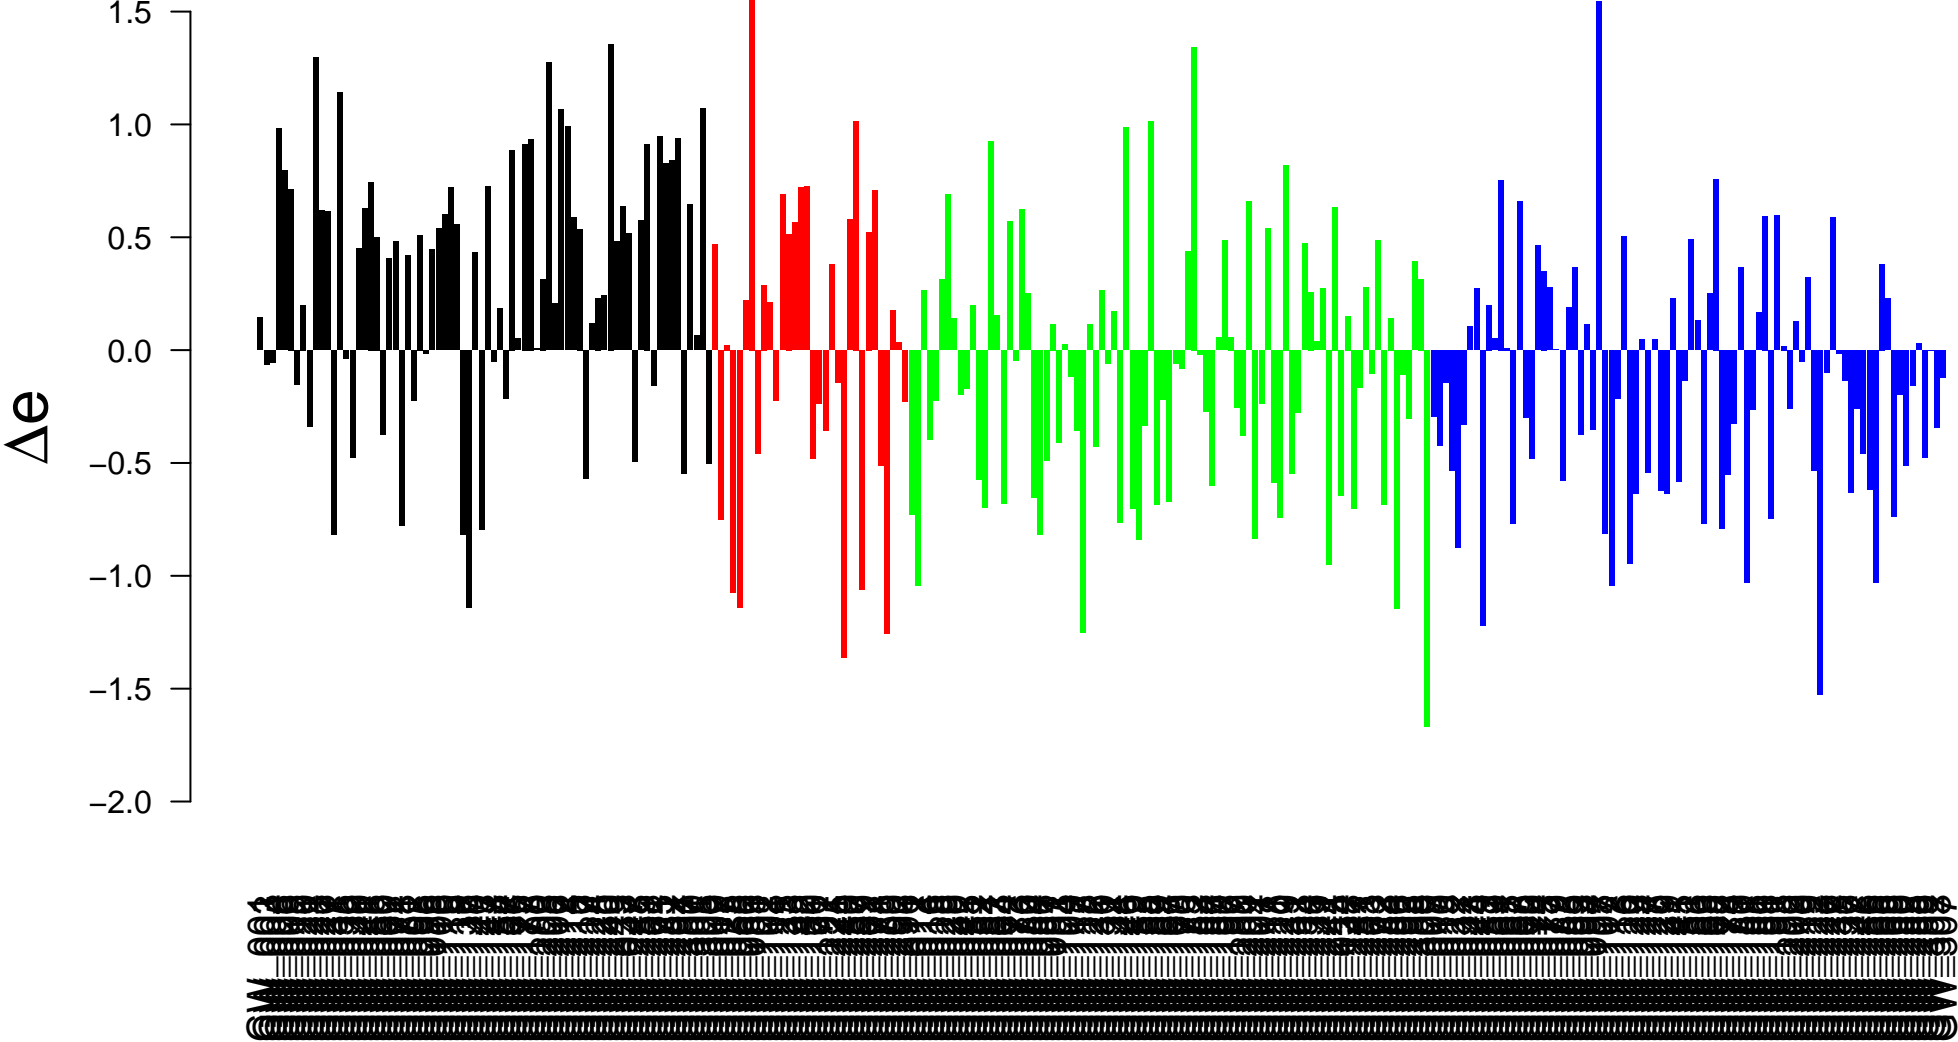

Δe

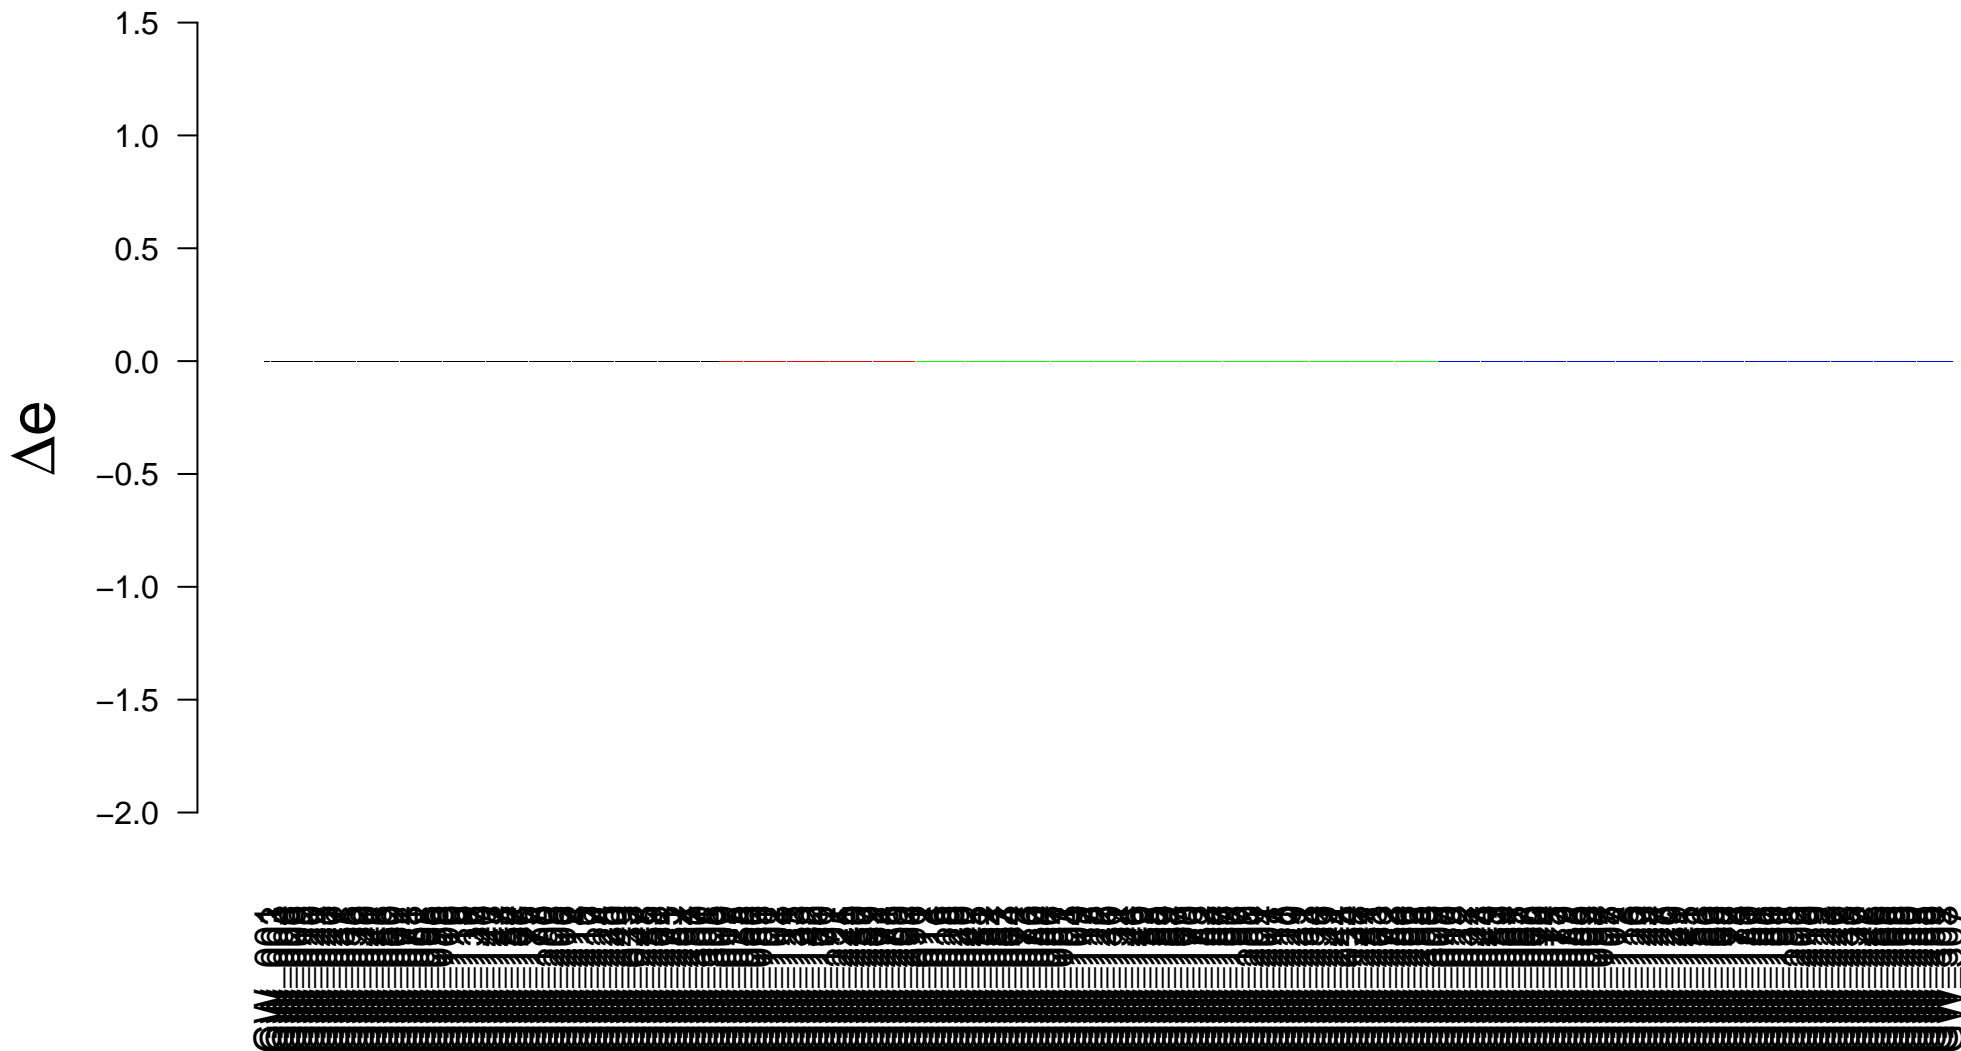

Expression of phosphoprotein binding in Spot F

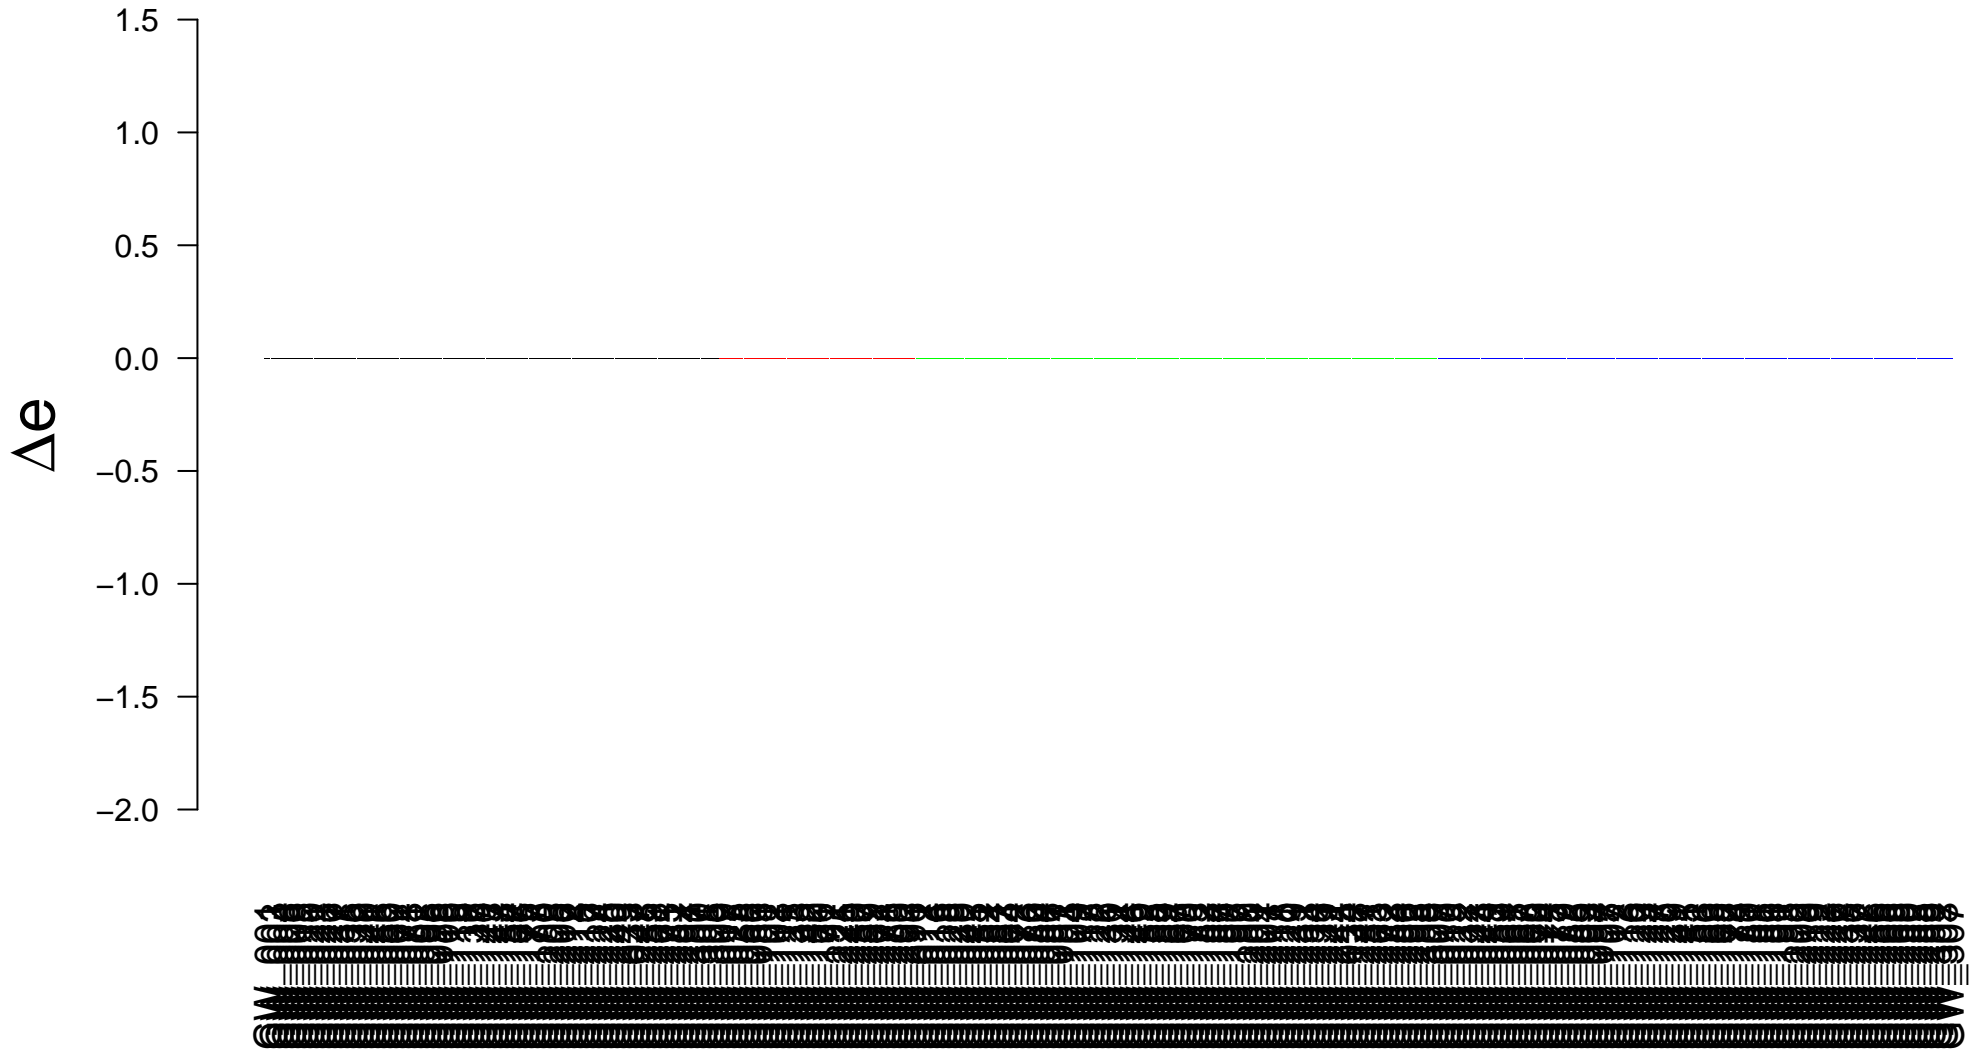

Expression of phosphoprotein binding in Spot G

Expression of phosphoprotein binding in Spot H

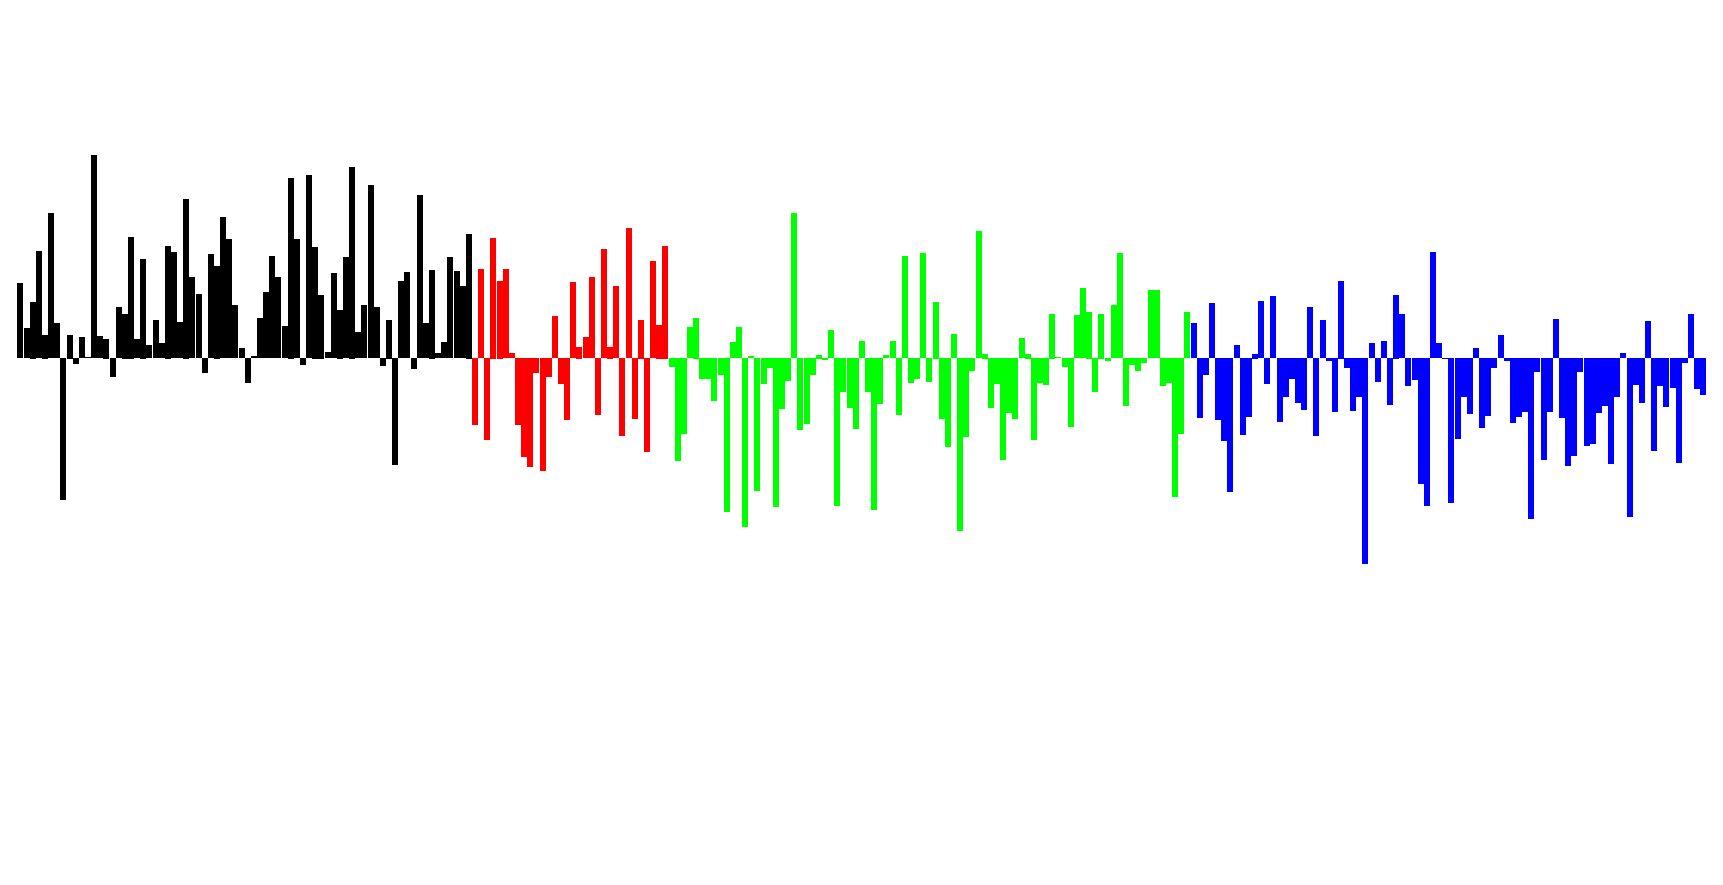

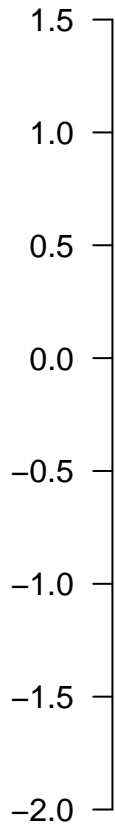

Expression of phosphoprotein binding in Spot I

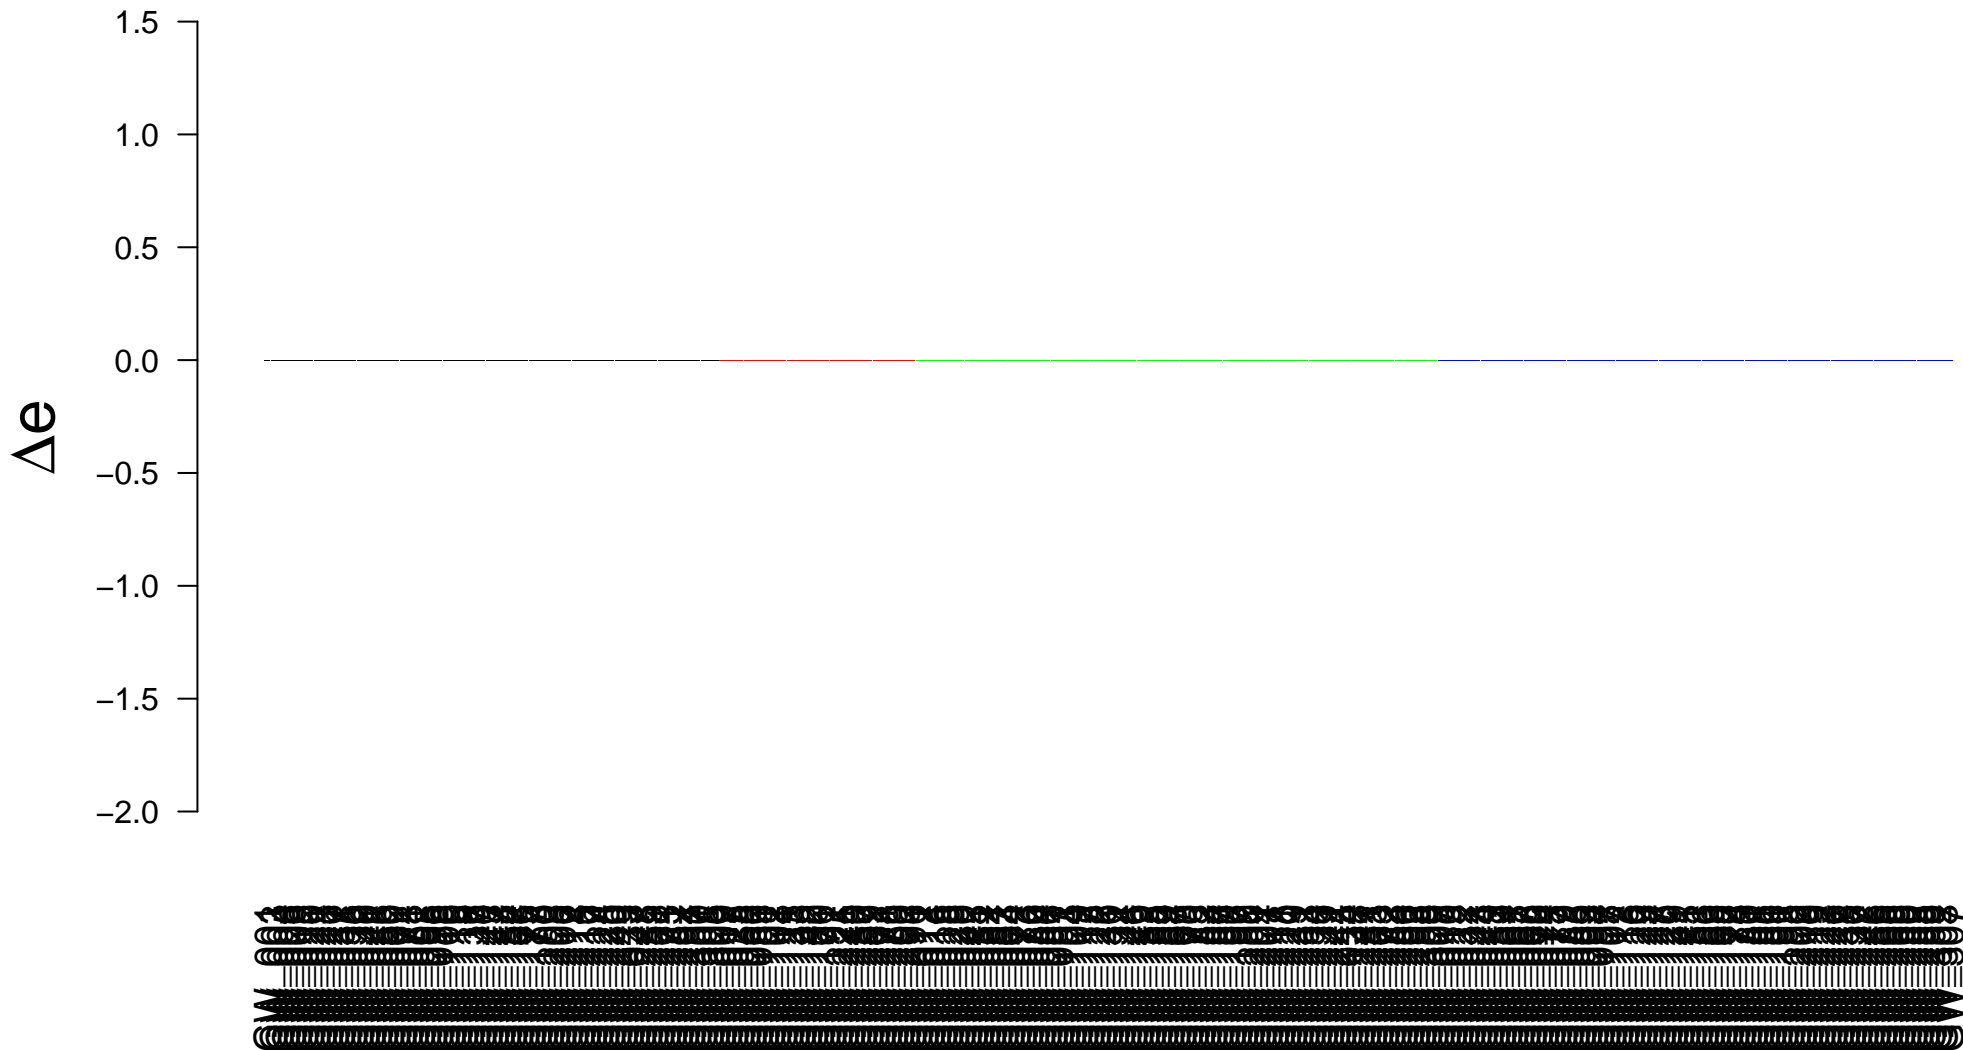

Expression of phosphoprotein binding in Spot J

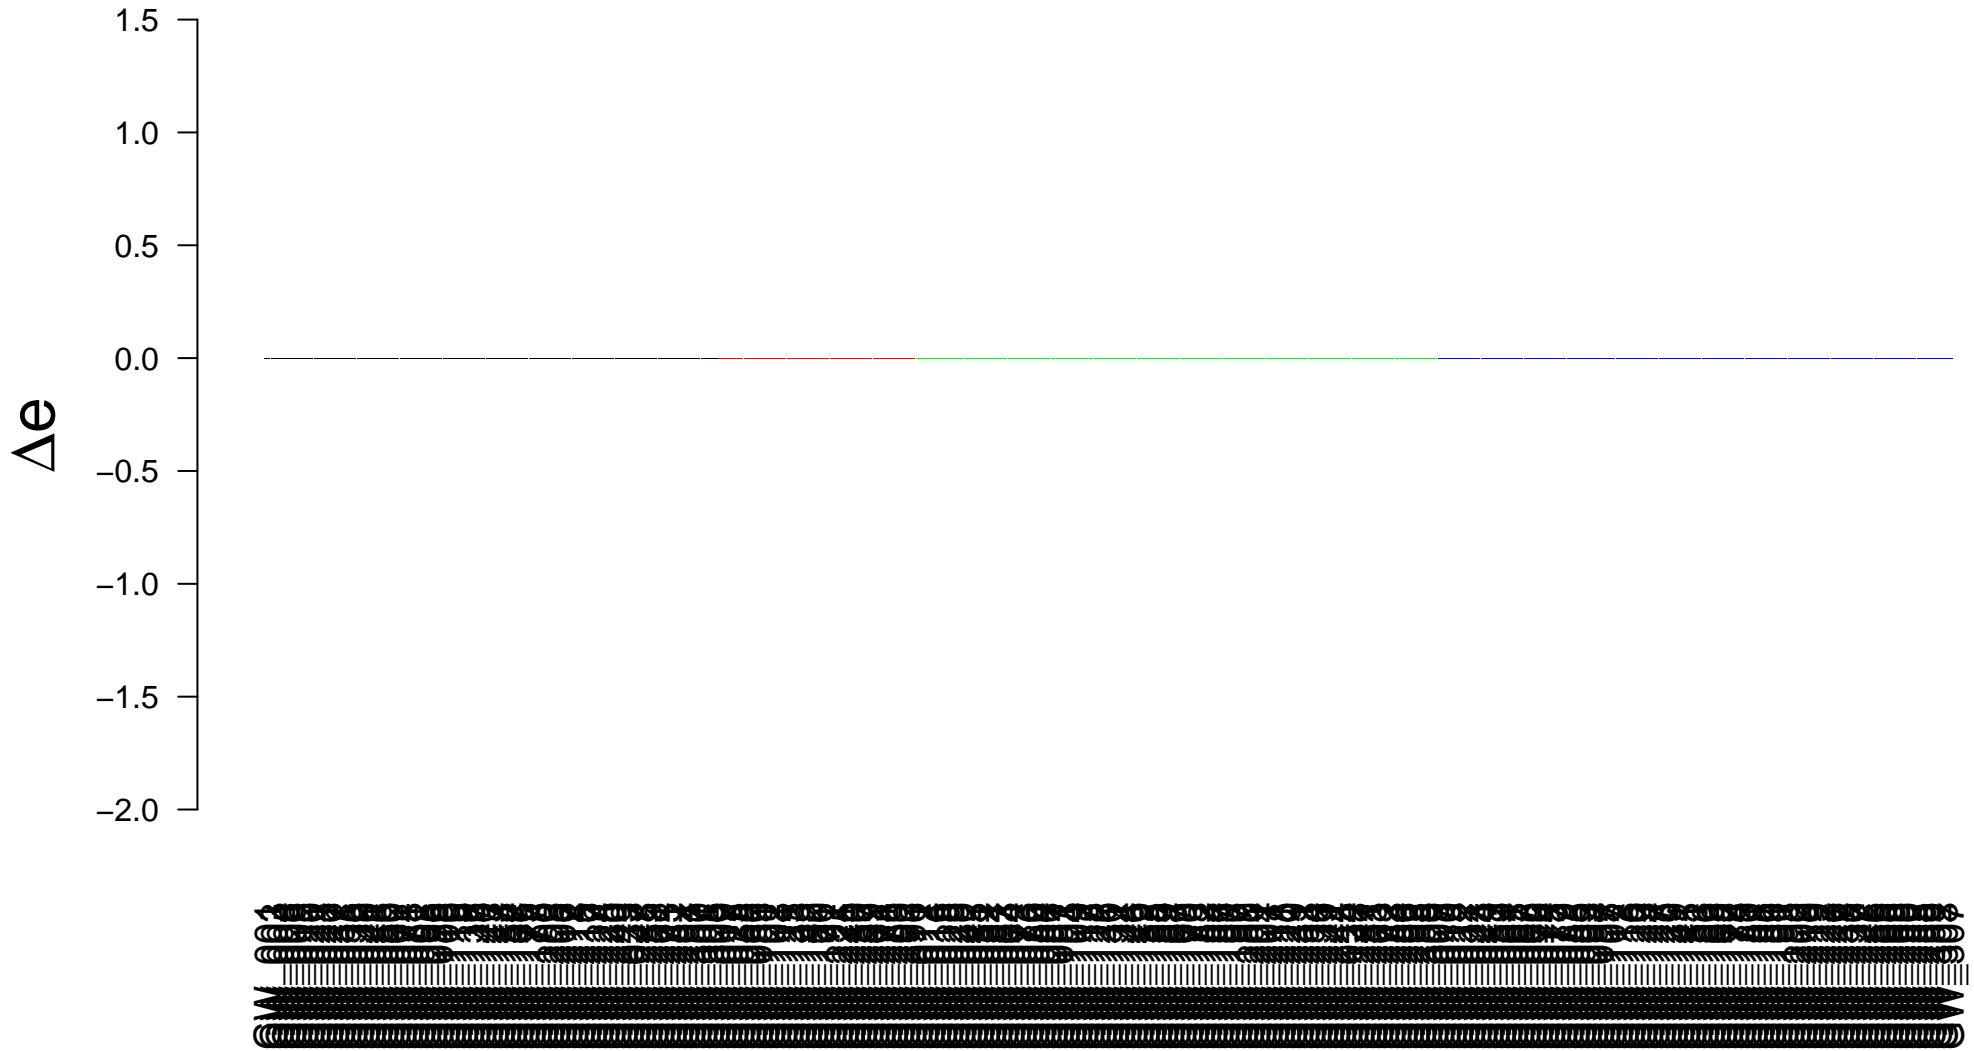

Δe

Expression of phosphoprotein binding in Spot K

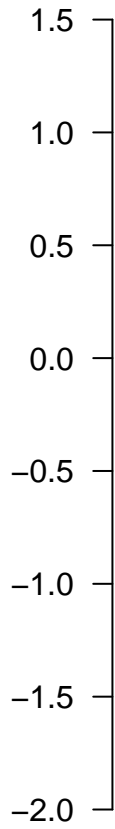

Expression of phosphoprotein binding in Spot L

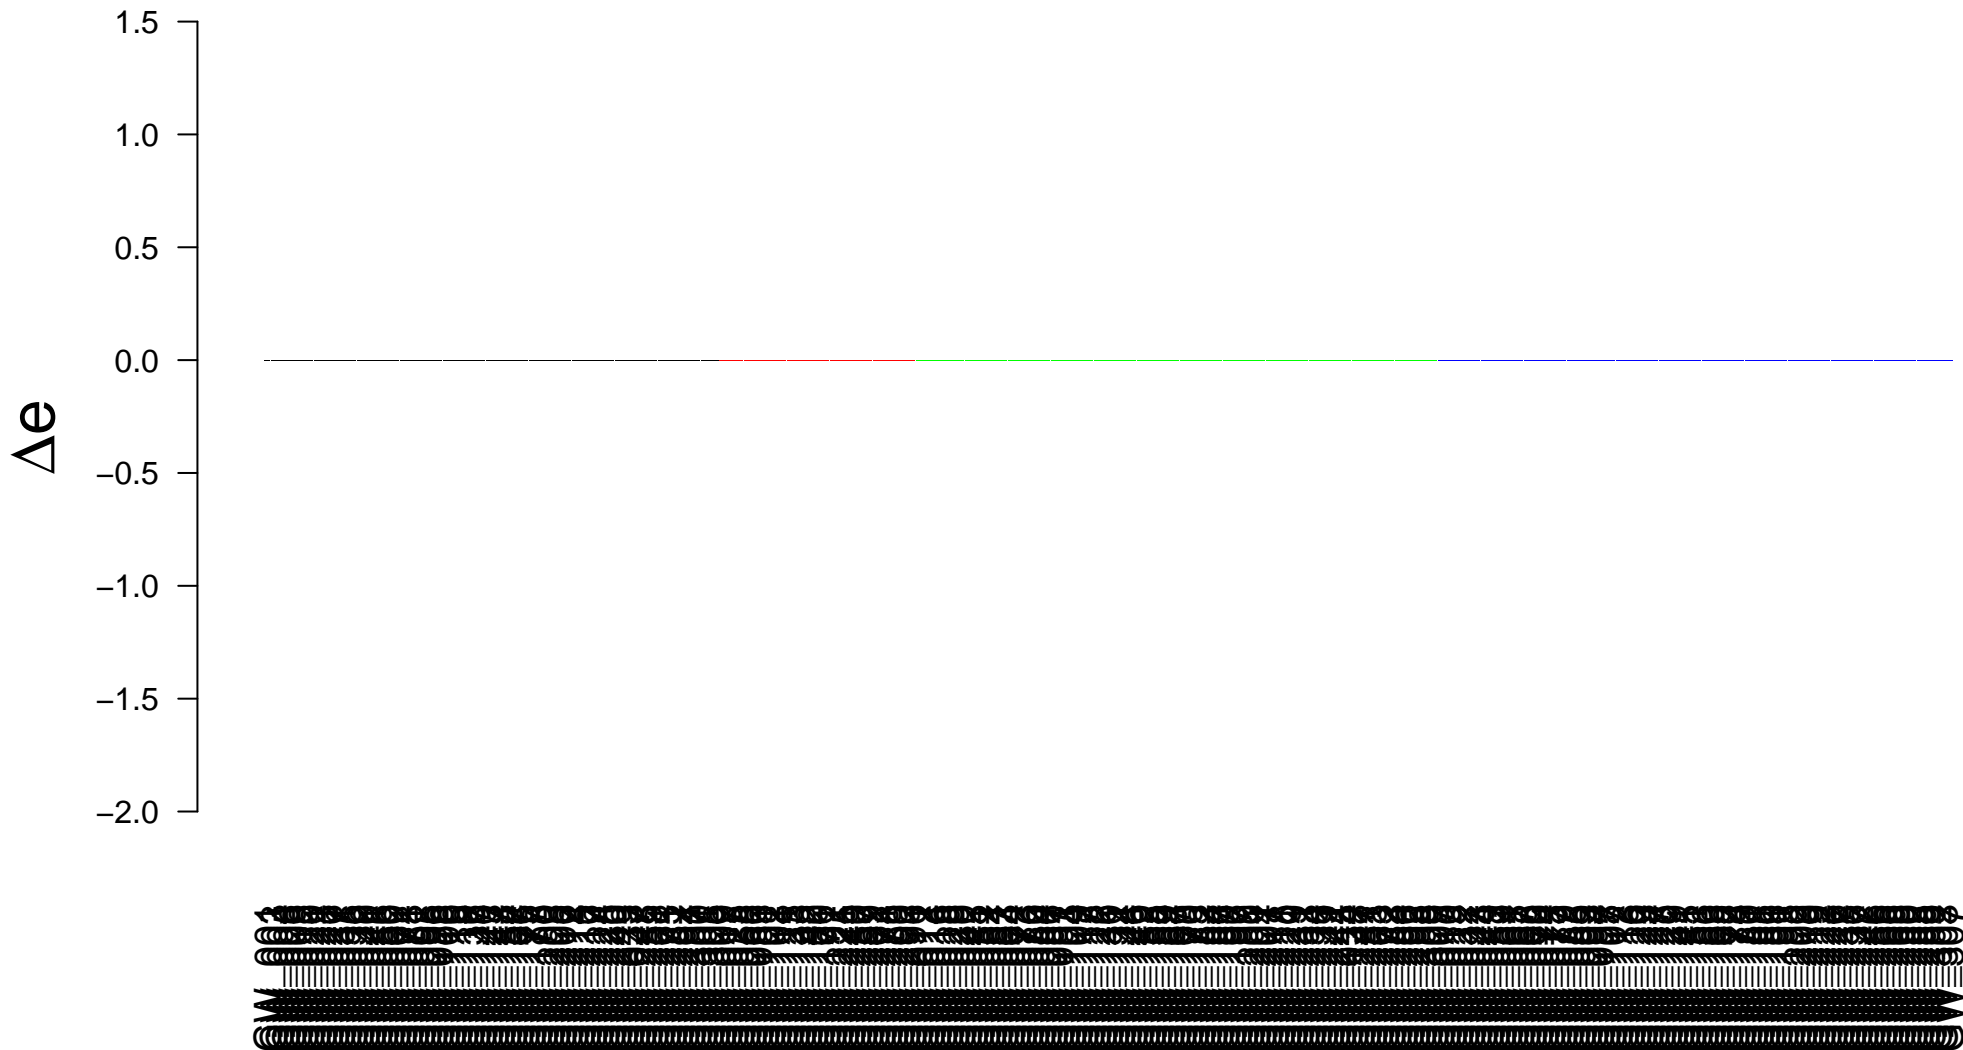

Expression of phosphoprotein binding in Spot M

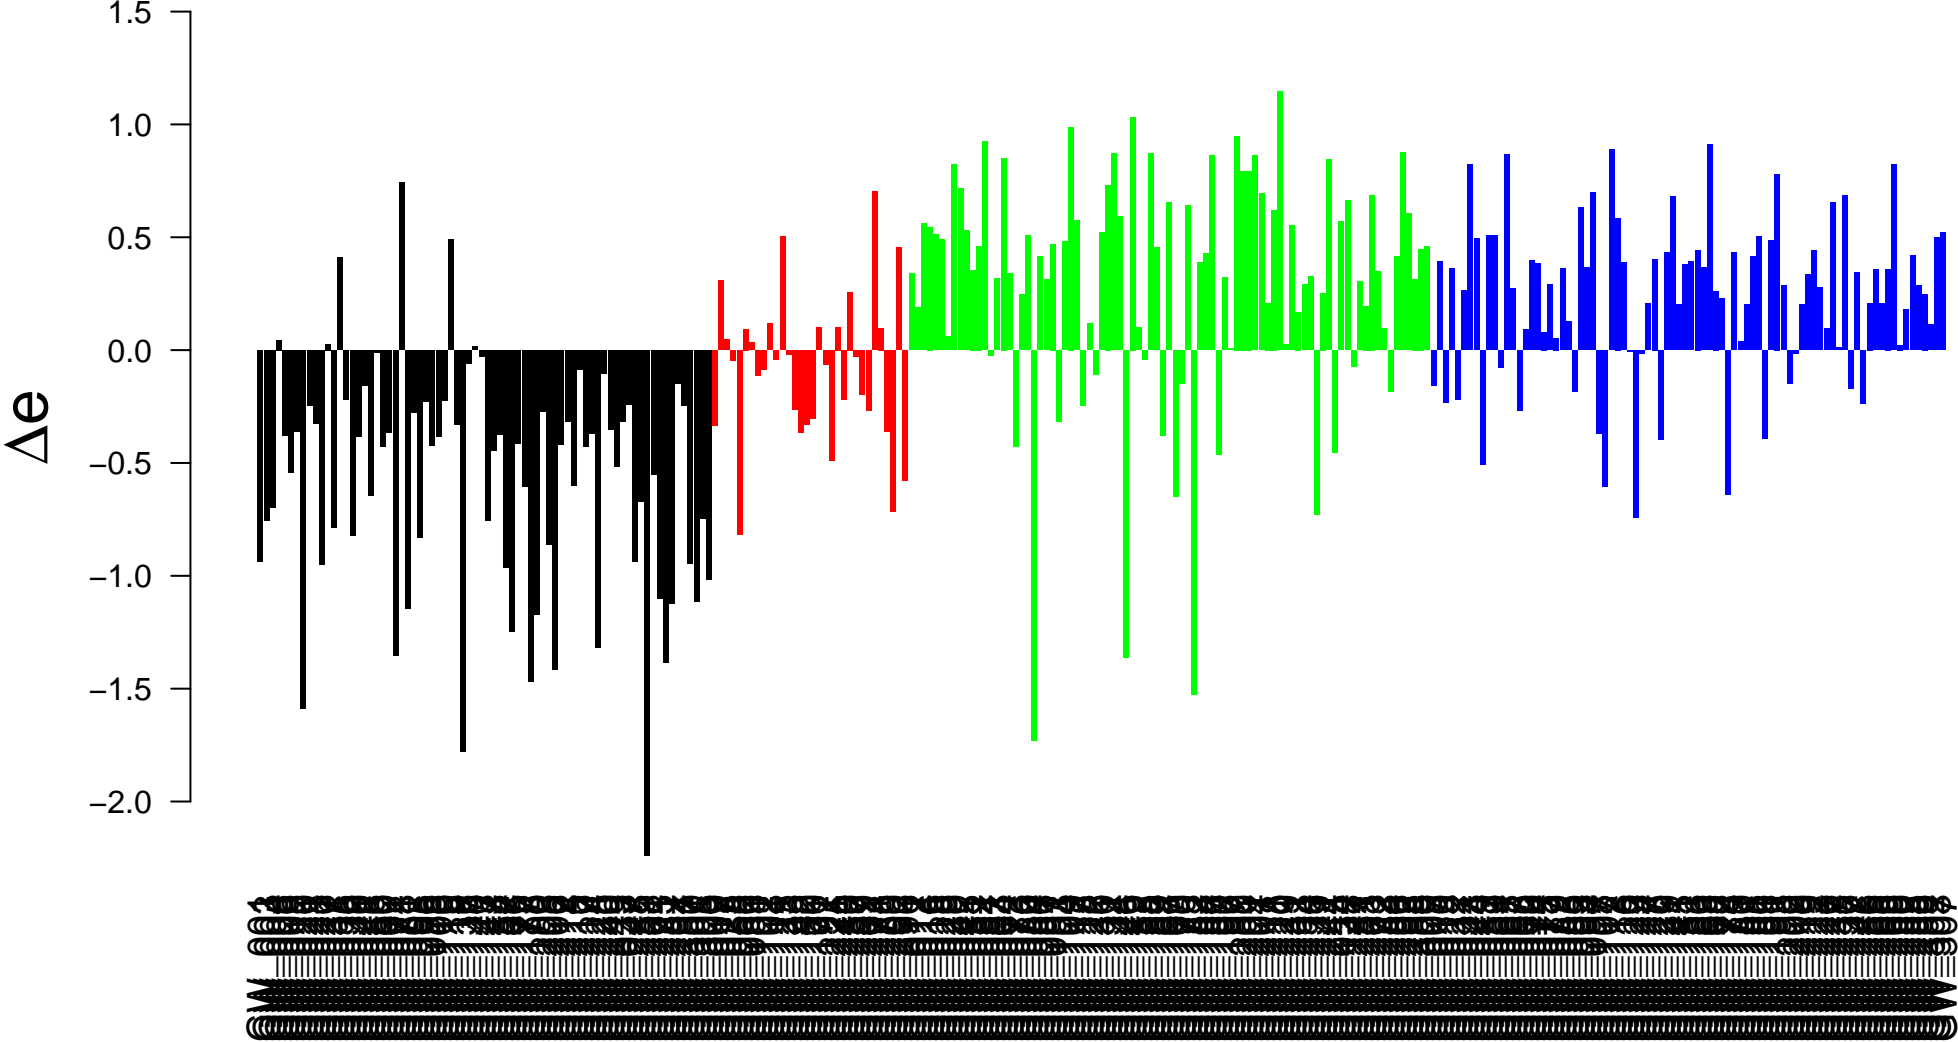

Δe

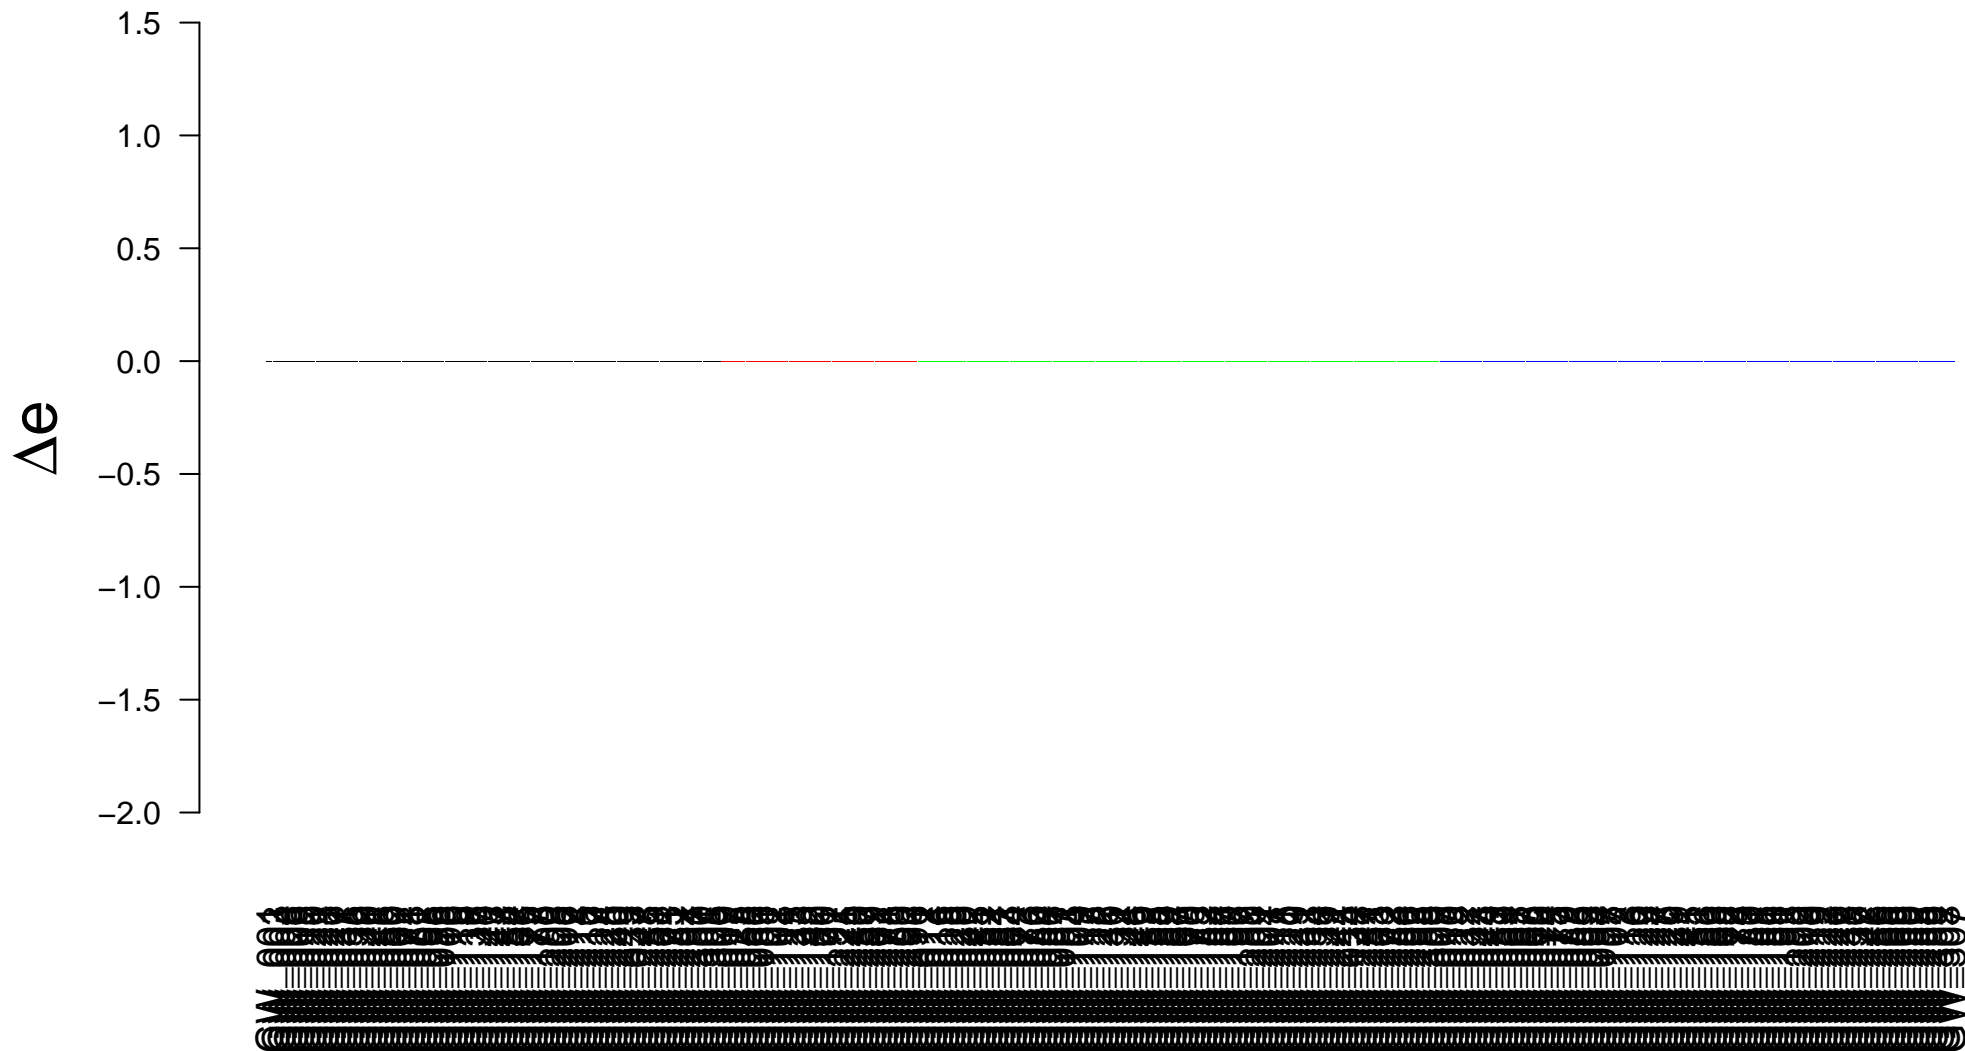

Expression of phosphoprotein binding in Spot N

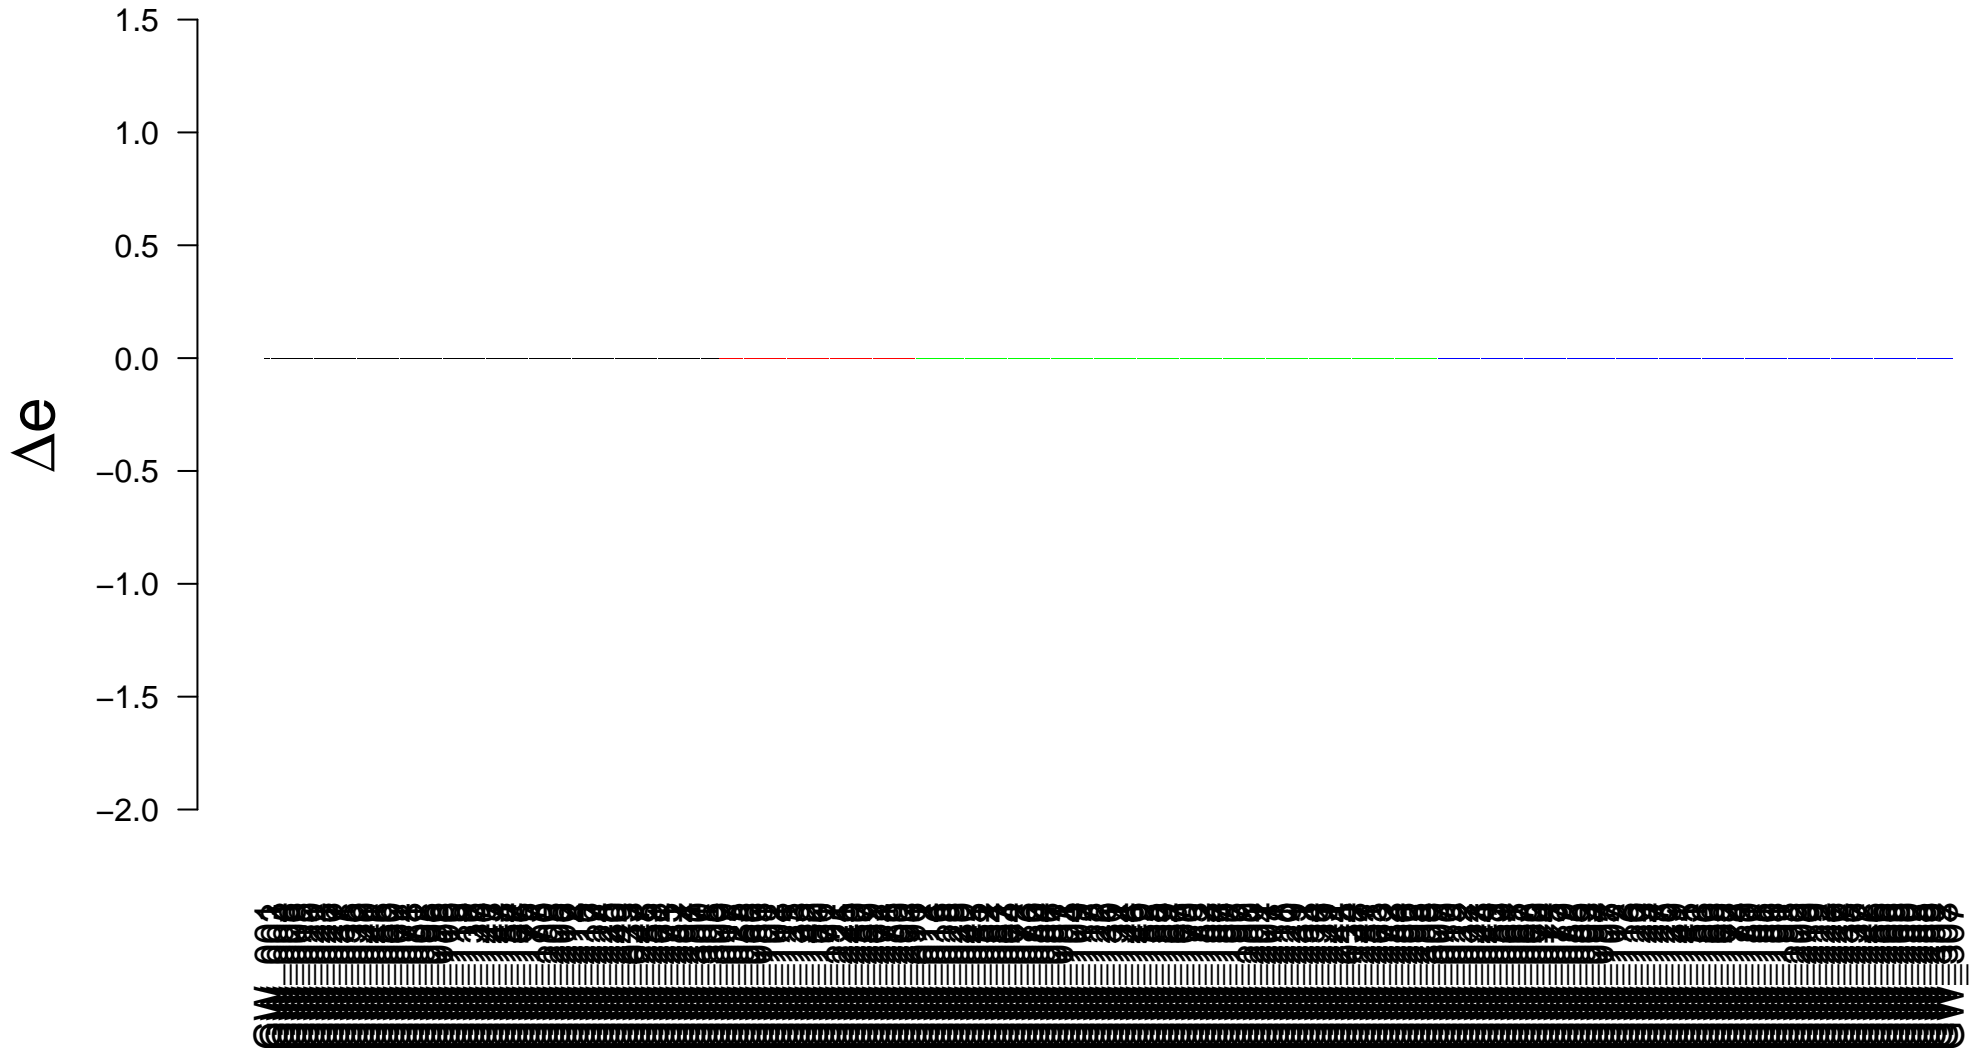

Expression of phosphoprotein binding in Spot O

Expression of phosphoprotein binding in Spot P

Expression of phosphoprotein binding in Spot Q

Expression of phosphoprotein binding in Spot R

Δe
