

phosphoprotein phosphatase activity

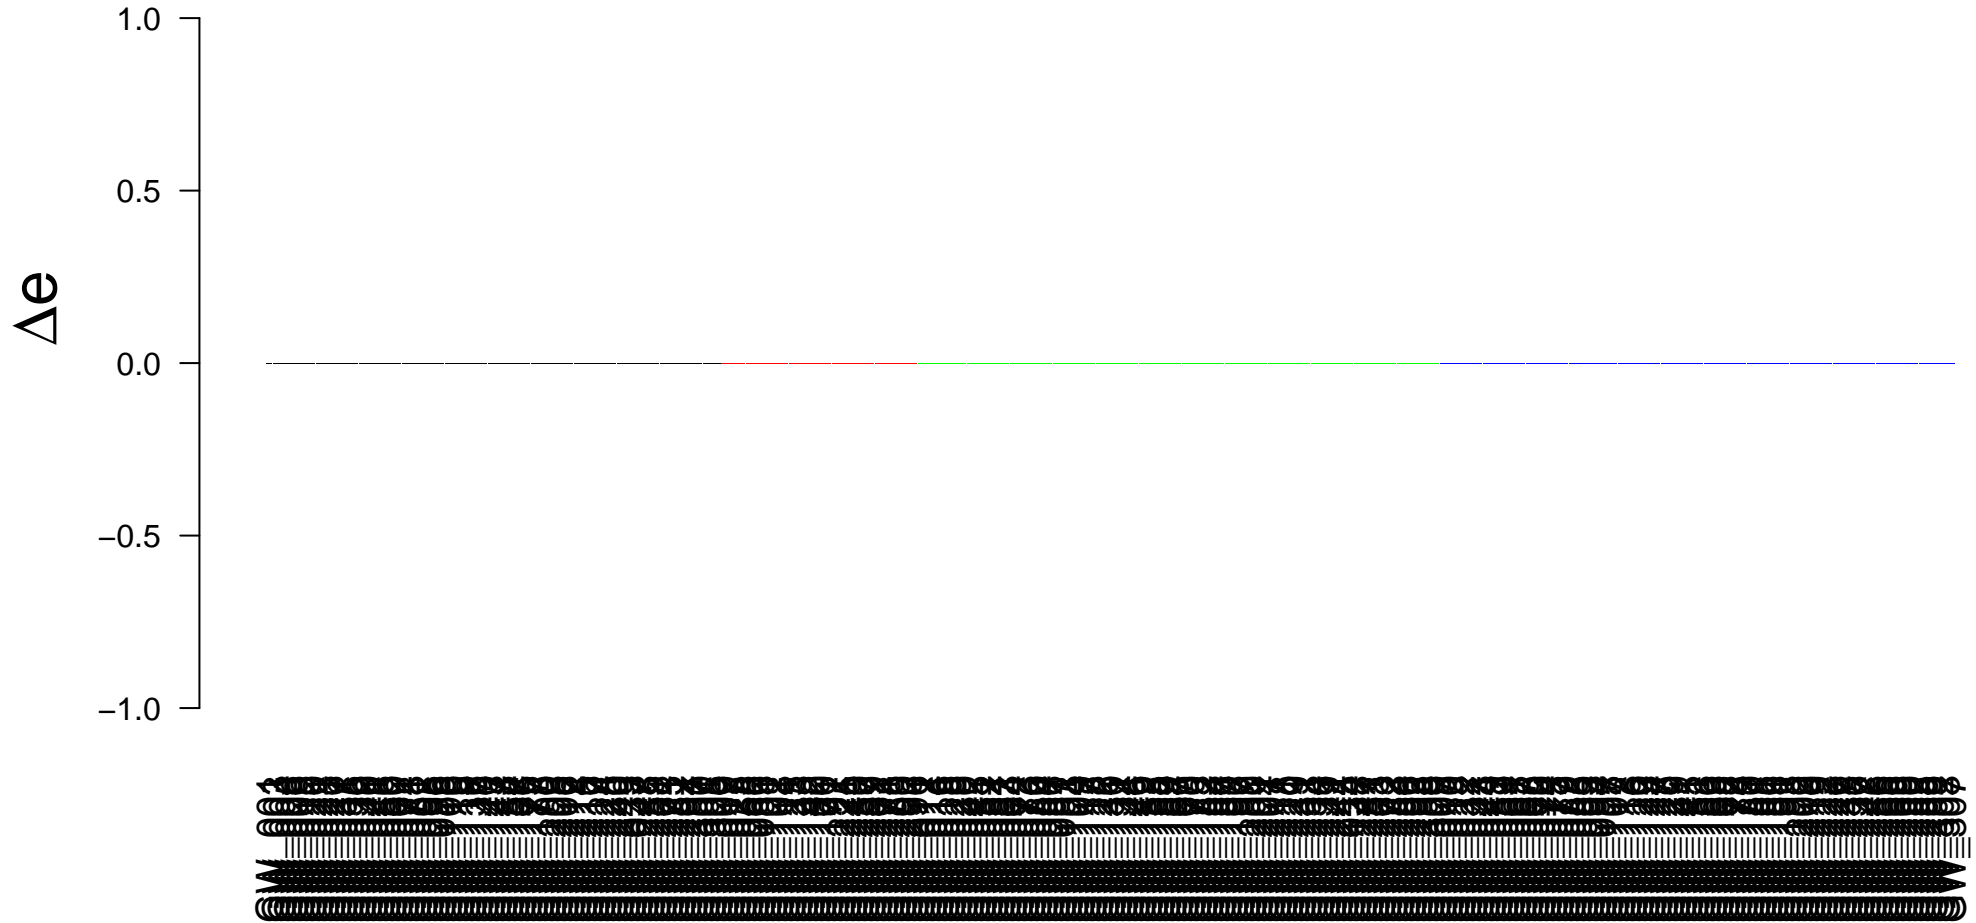

phosphoprotein phosphatase activity

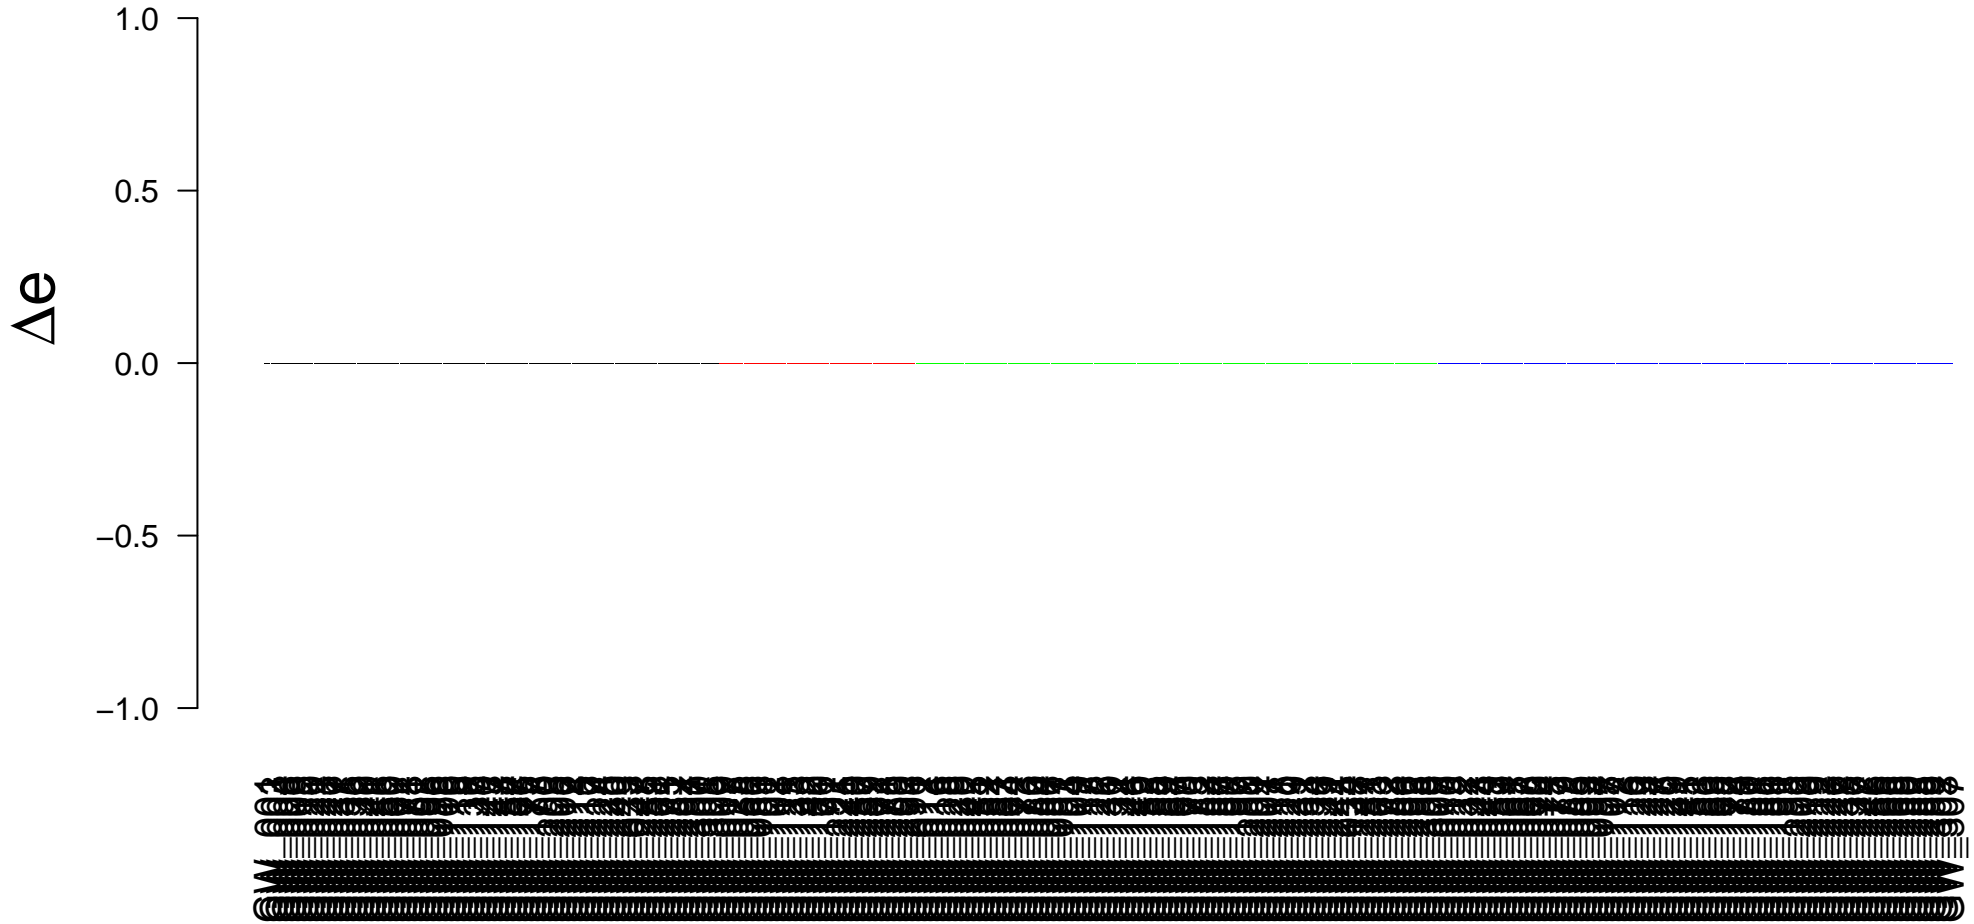

Enrichment in spots: phosphoprotein phosphatase activity

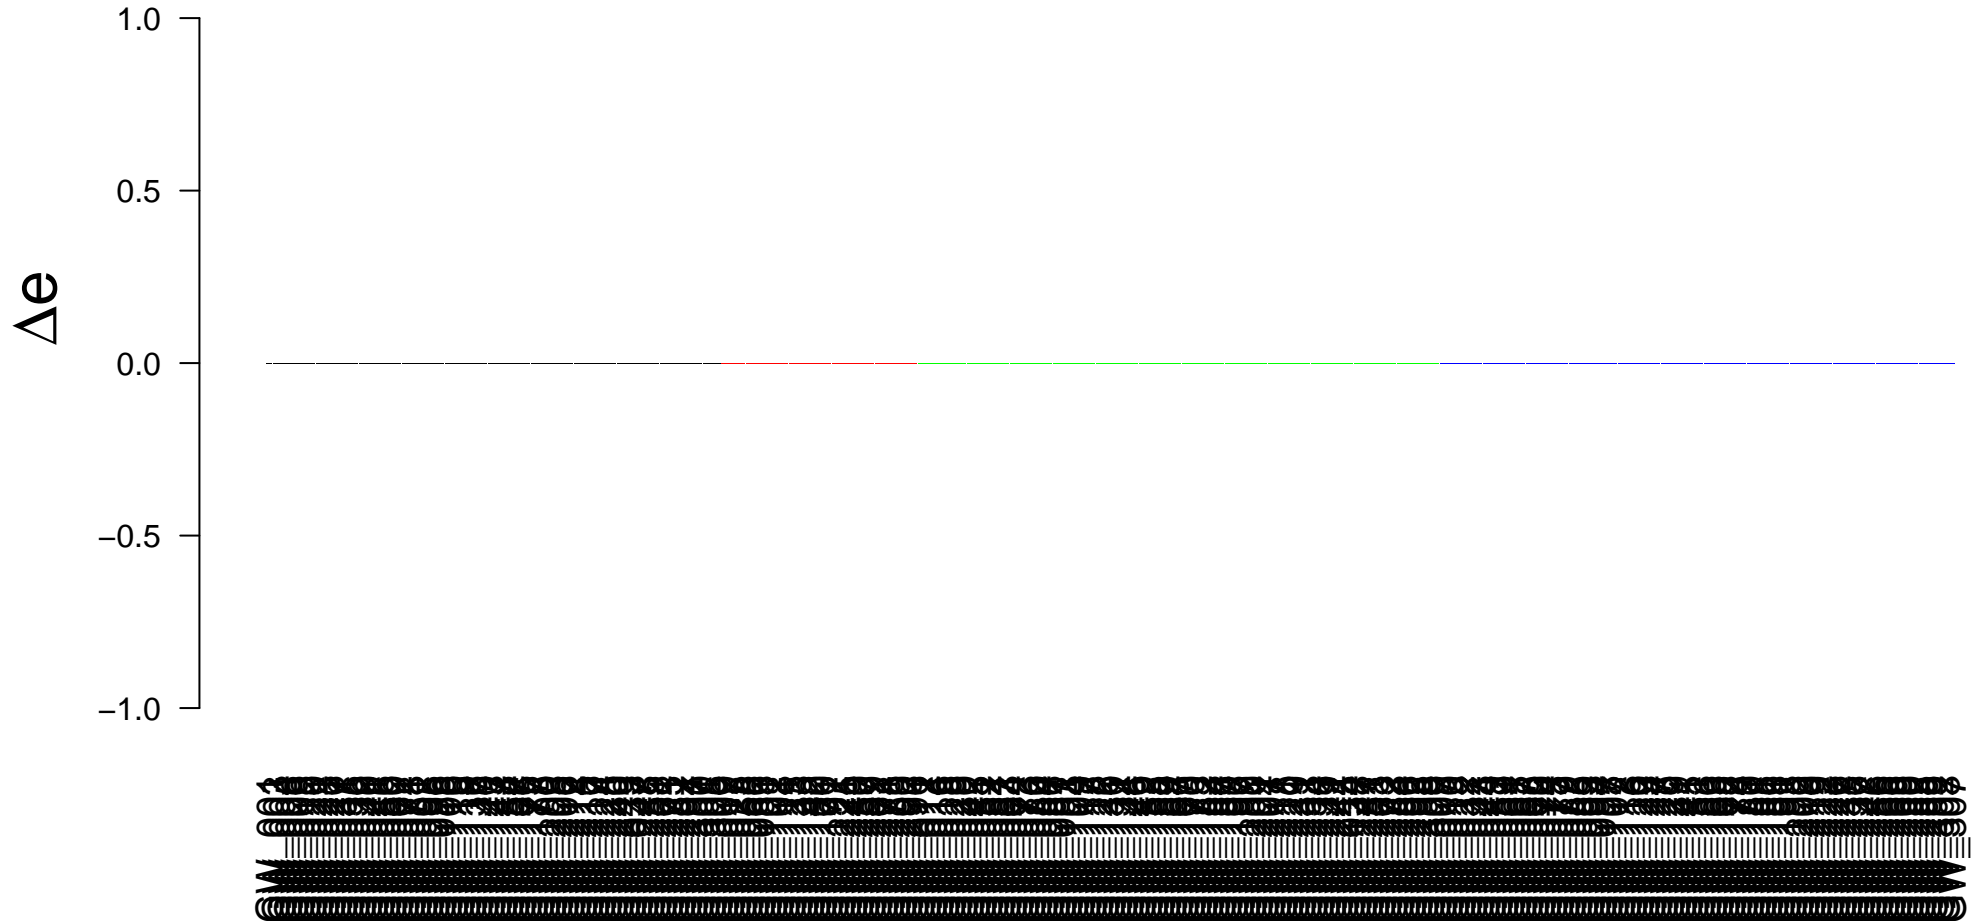

Expression of phosphoprotein phosphatase activity in Spot A

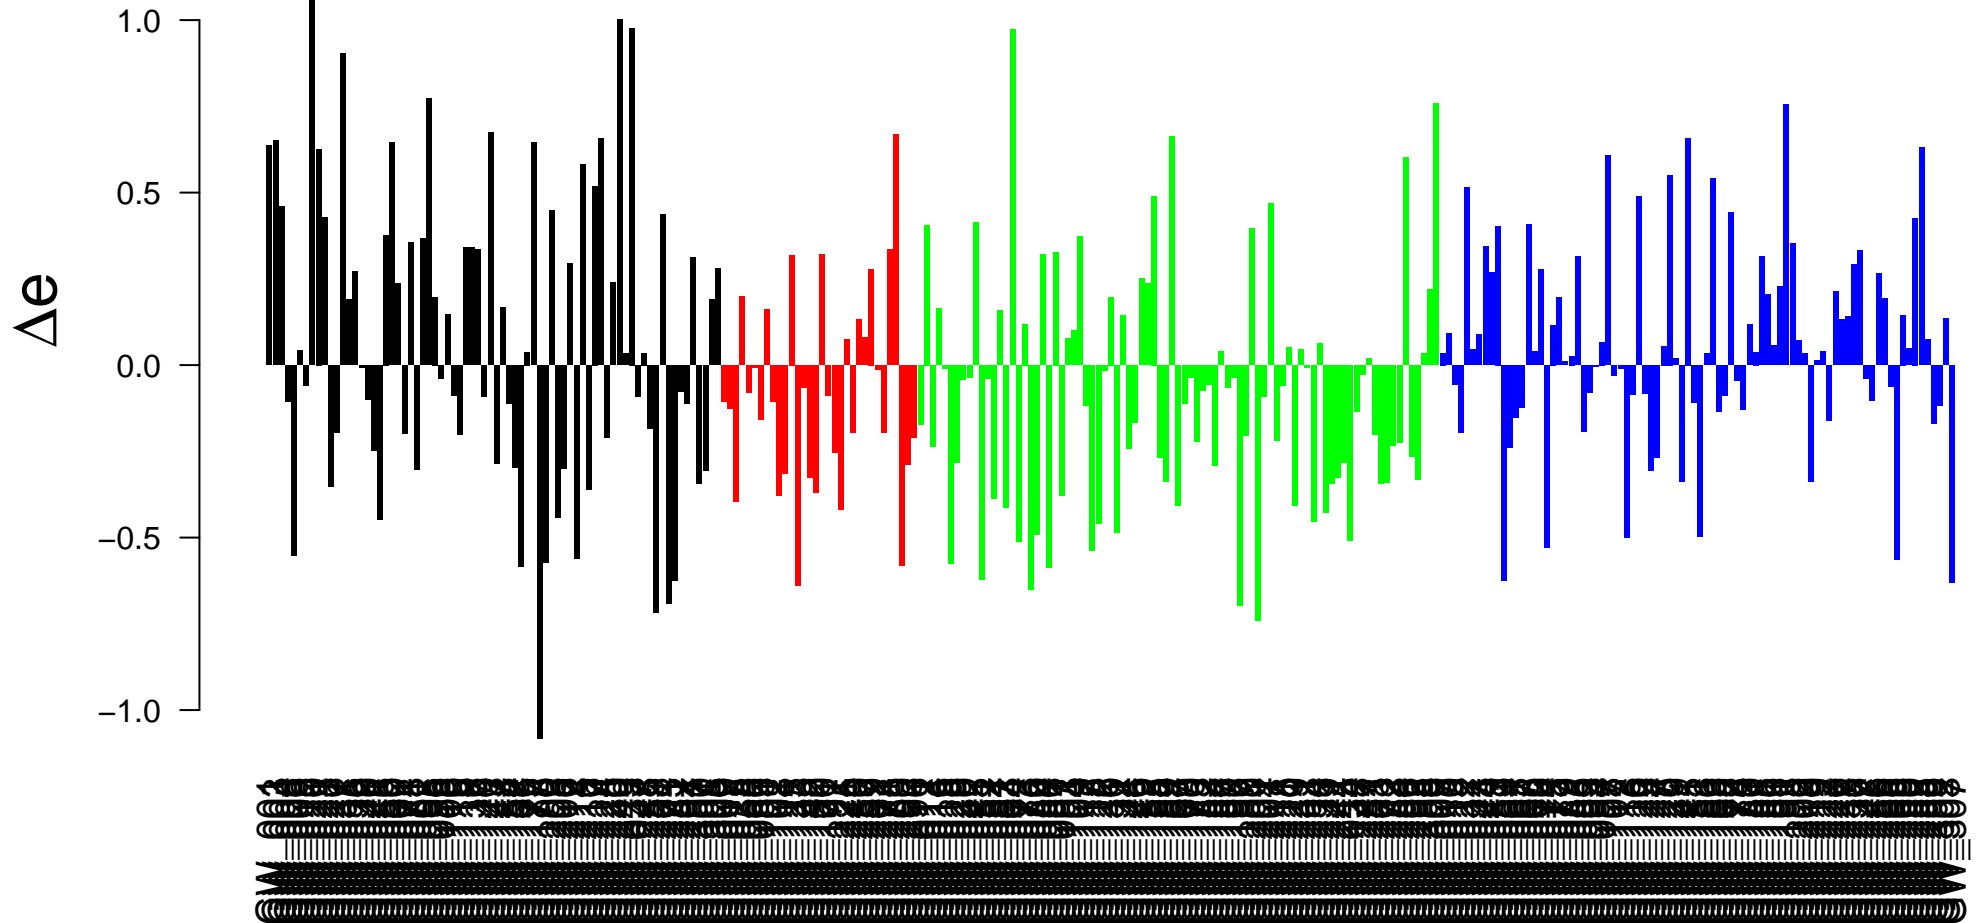

Expression of phosphoprotein phosphatase activity in Spot B

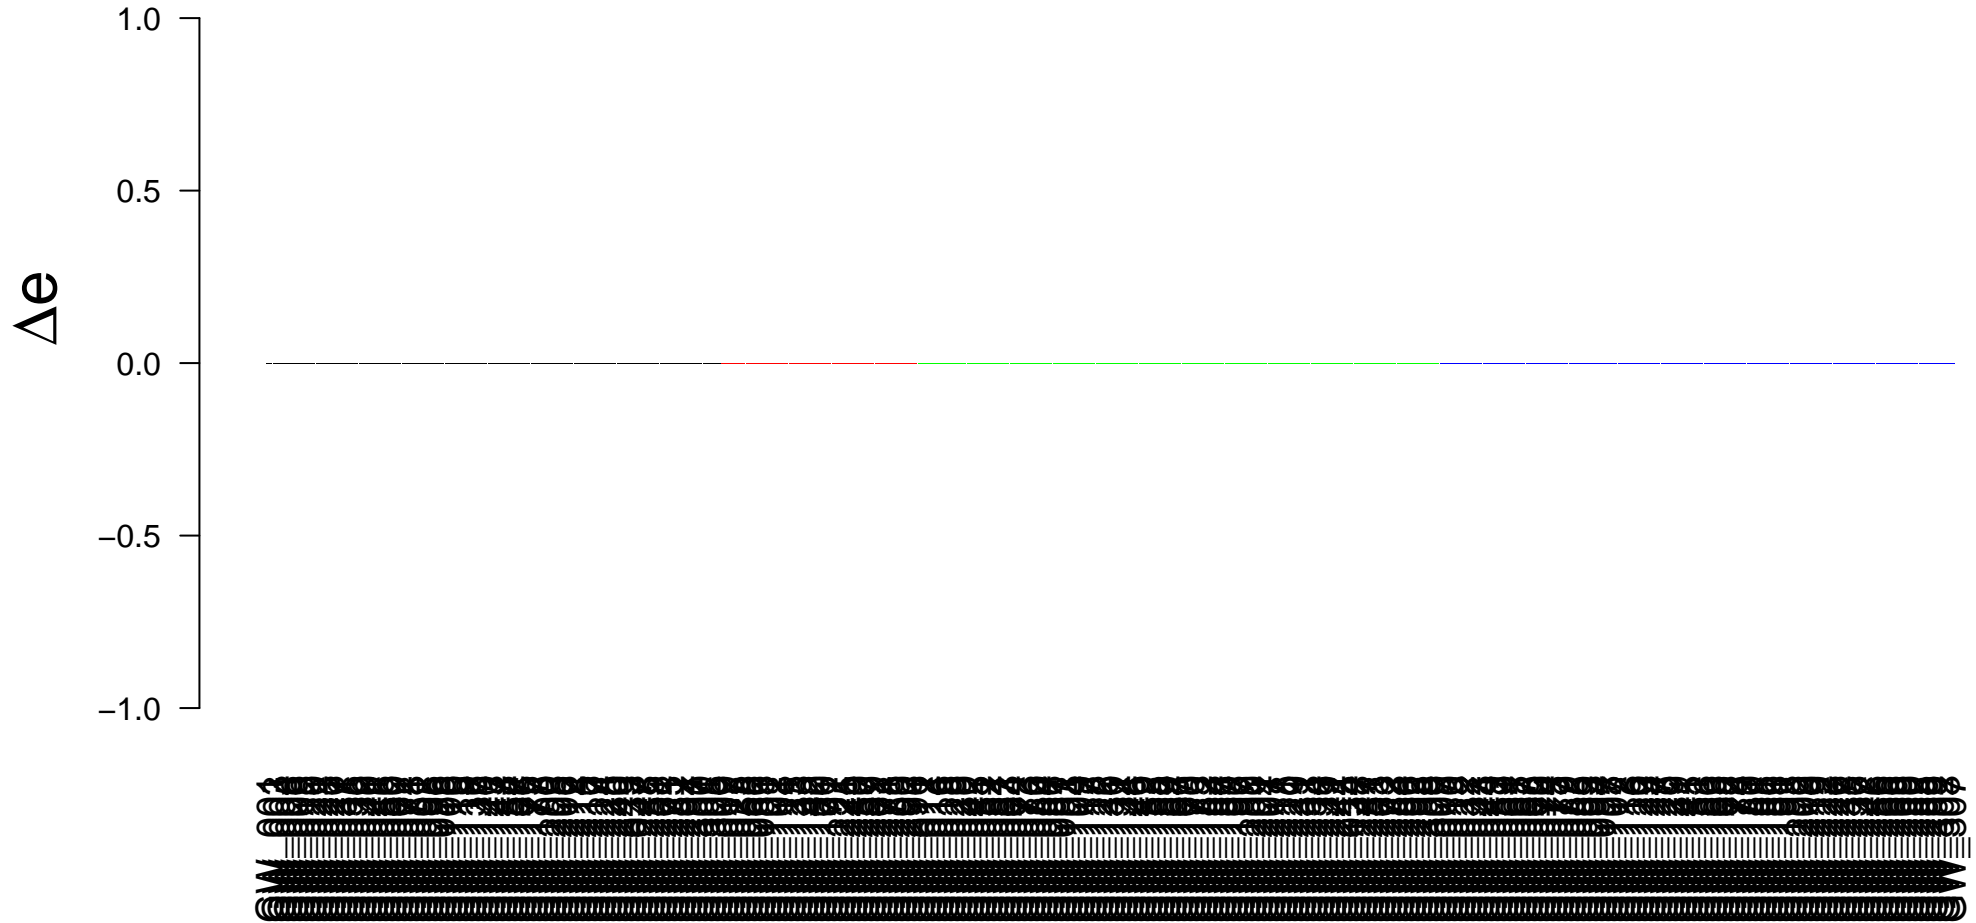

Expression of phosphoprotein phosphatase activity in Spot C

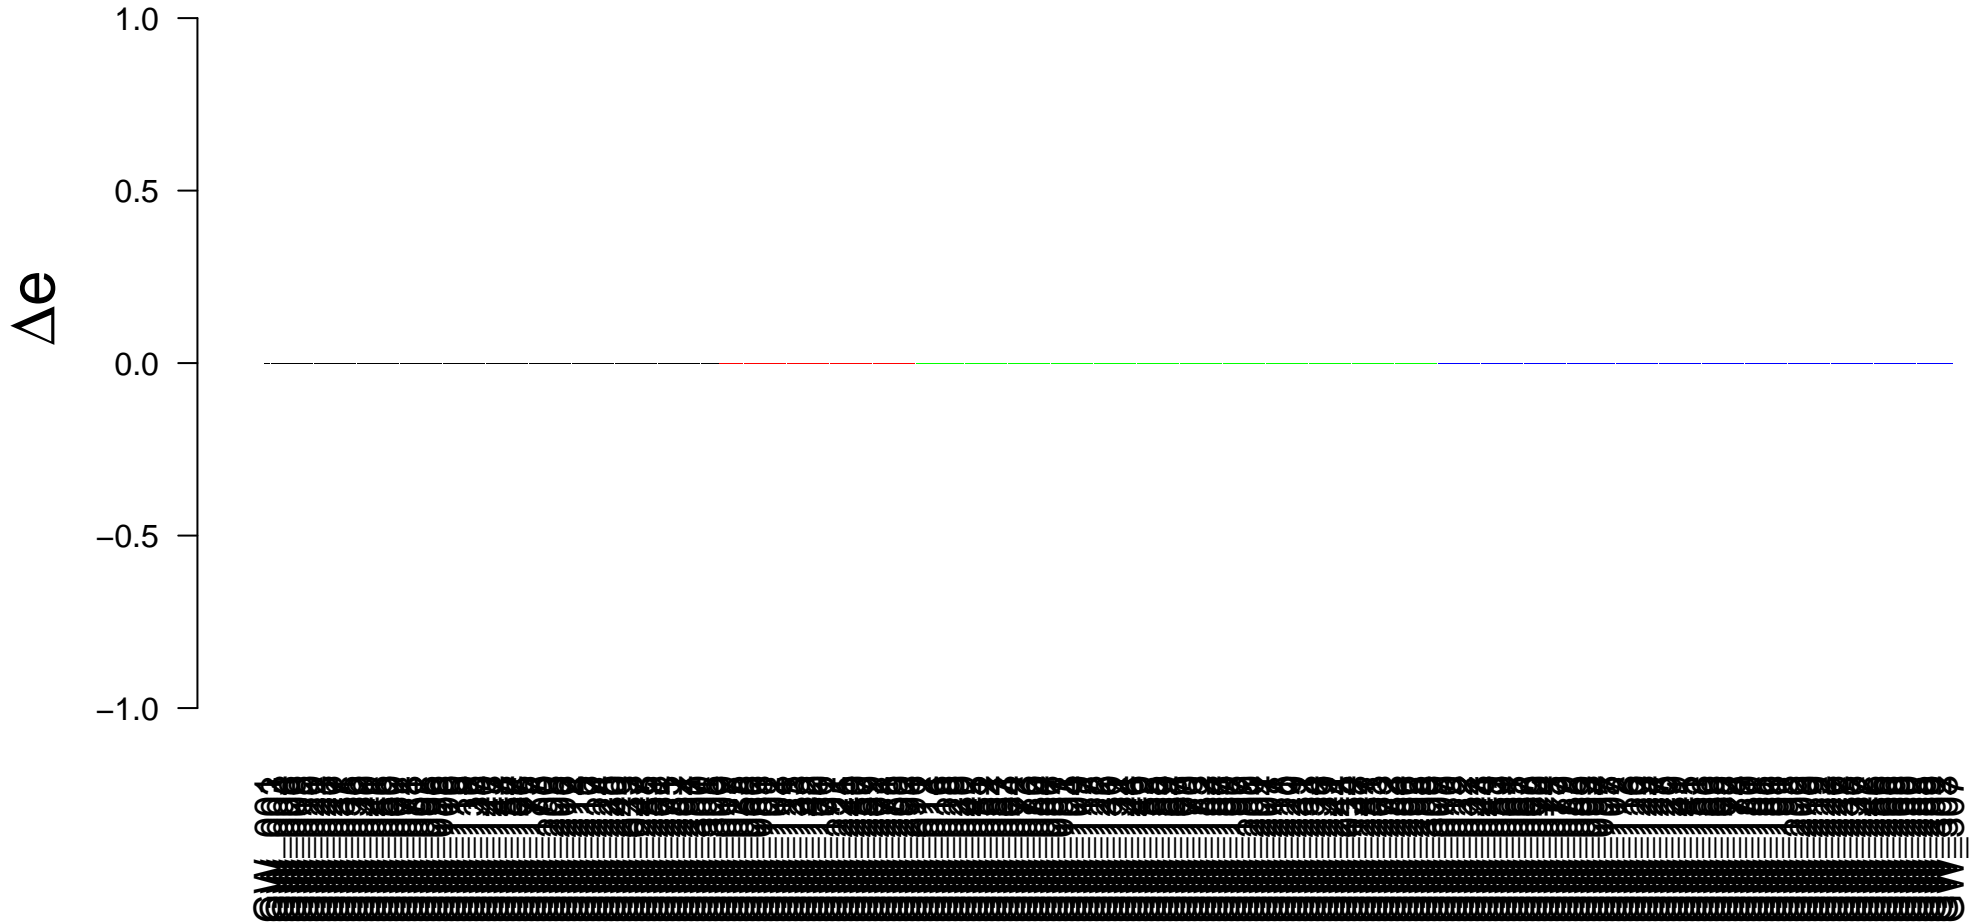

Expression of phosphoprotein phosphatase activity in Spot D

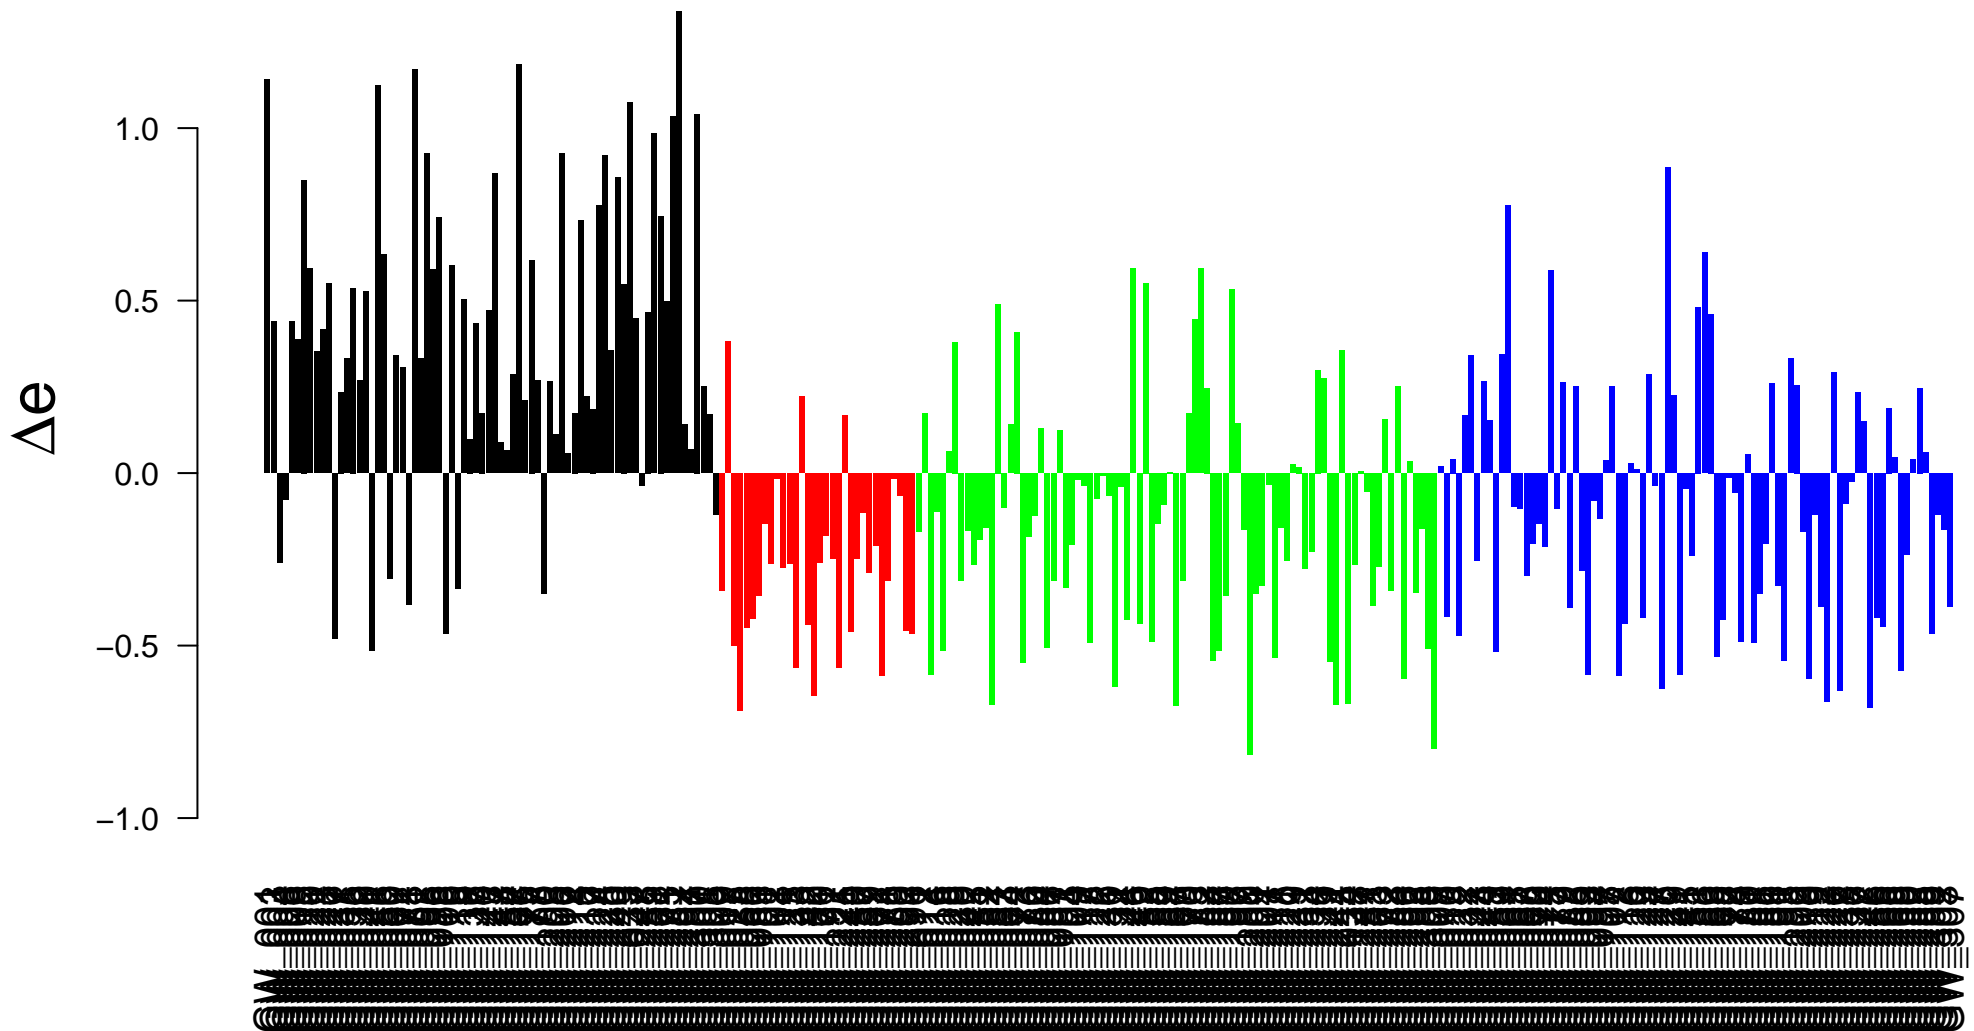

Expression of phosphoprotein phosphatase activity in Spot E

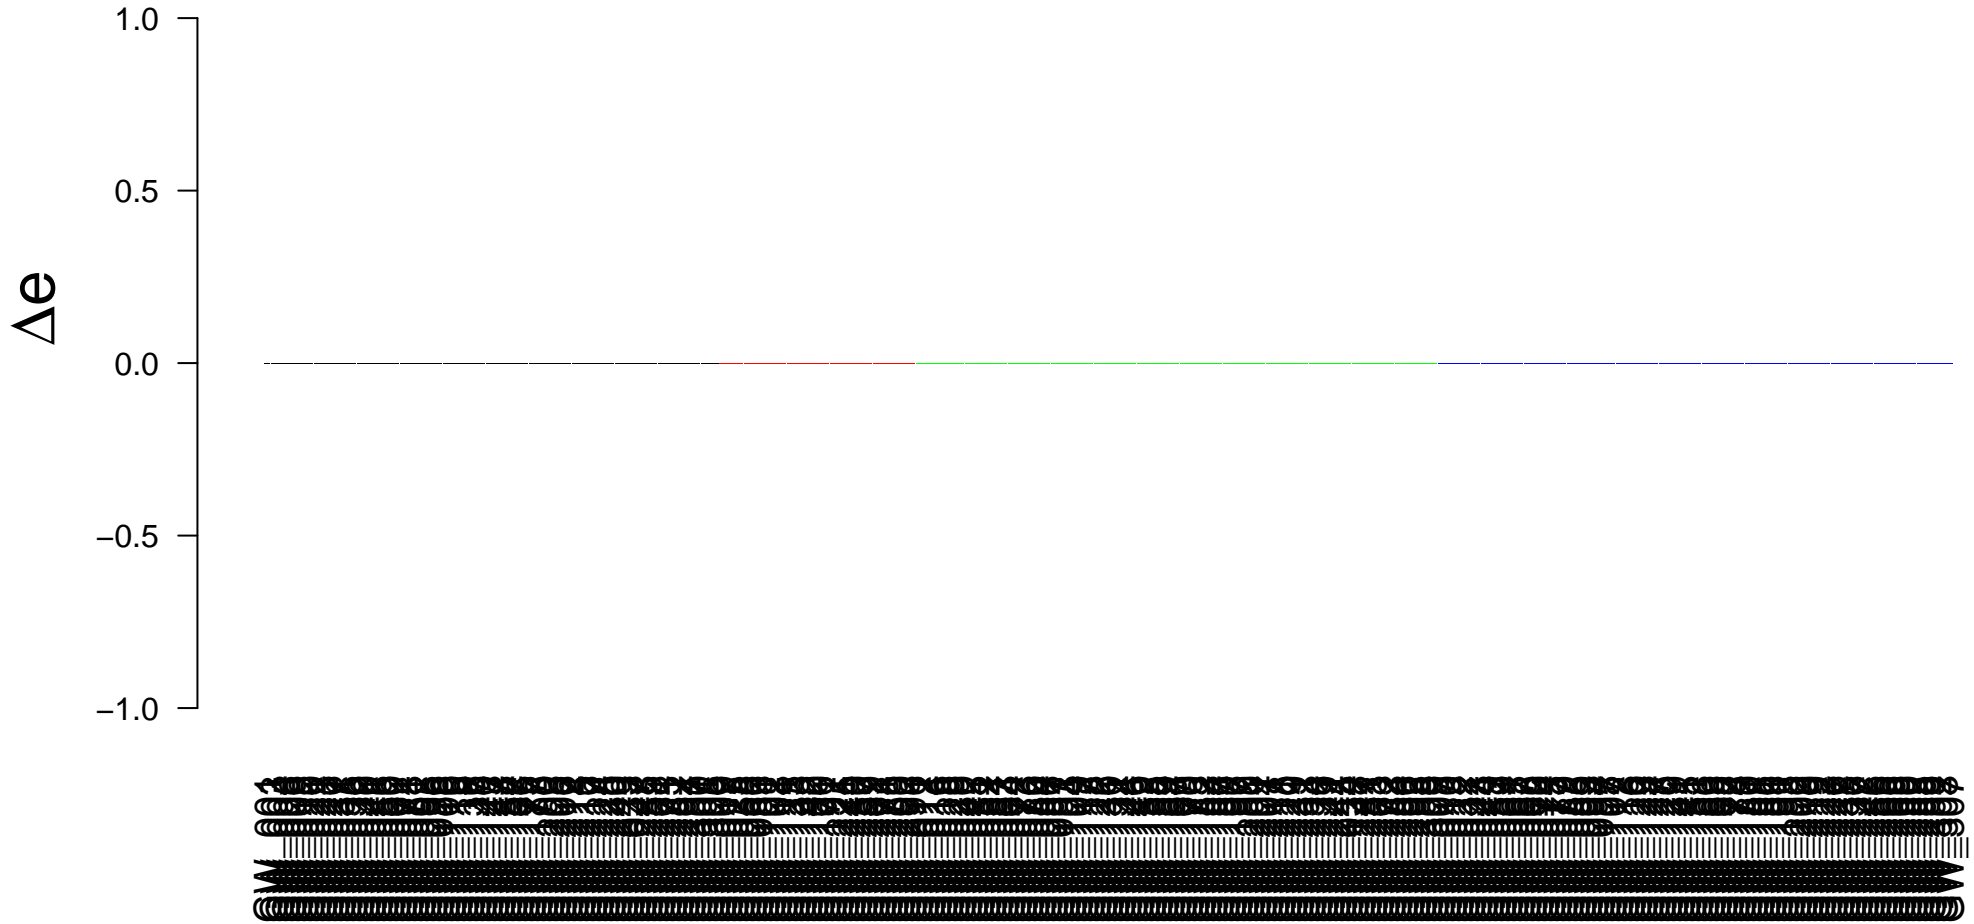

Expression of phosphoprotein phosphatase activity in Spot F

Expression of phosphoprotein phosphatase activity in Spot G

Expression of phosphoprotein phosphatase activity in Spot H

Expression of phosphoprotein phosphatase activity in Spot I

Expression of phosphoprotein phosphatase activity in Spot L

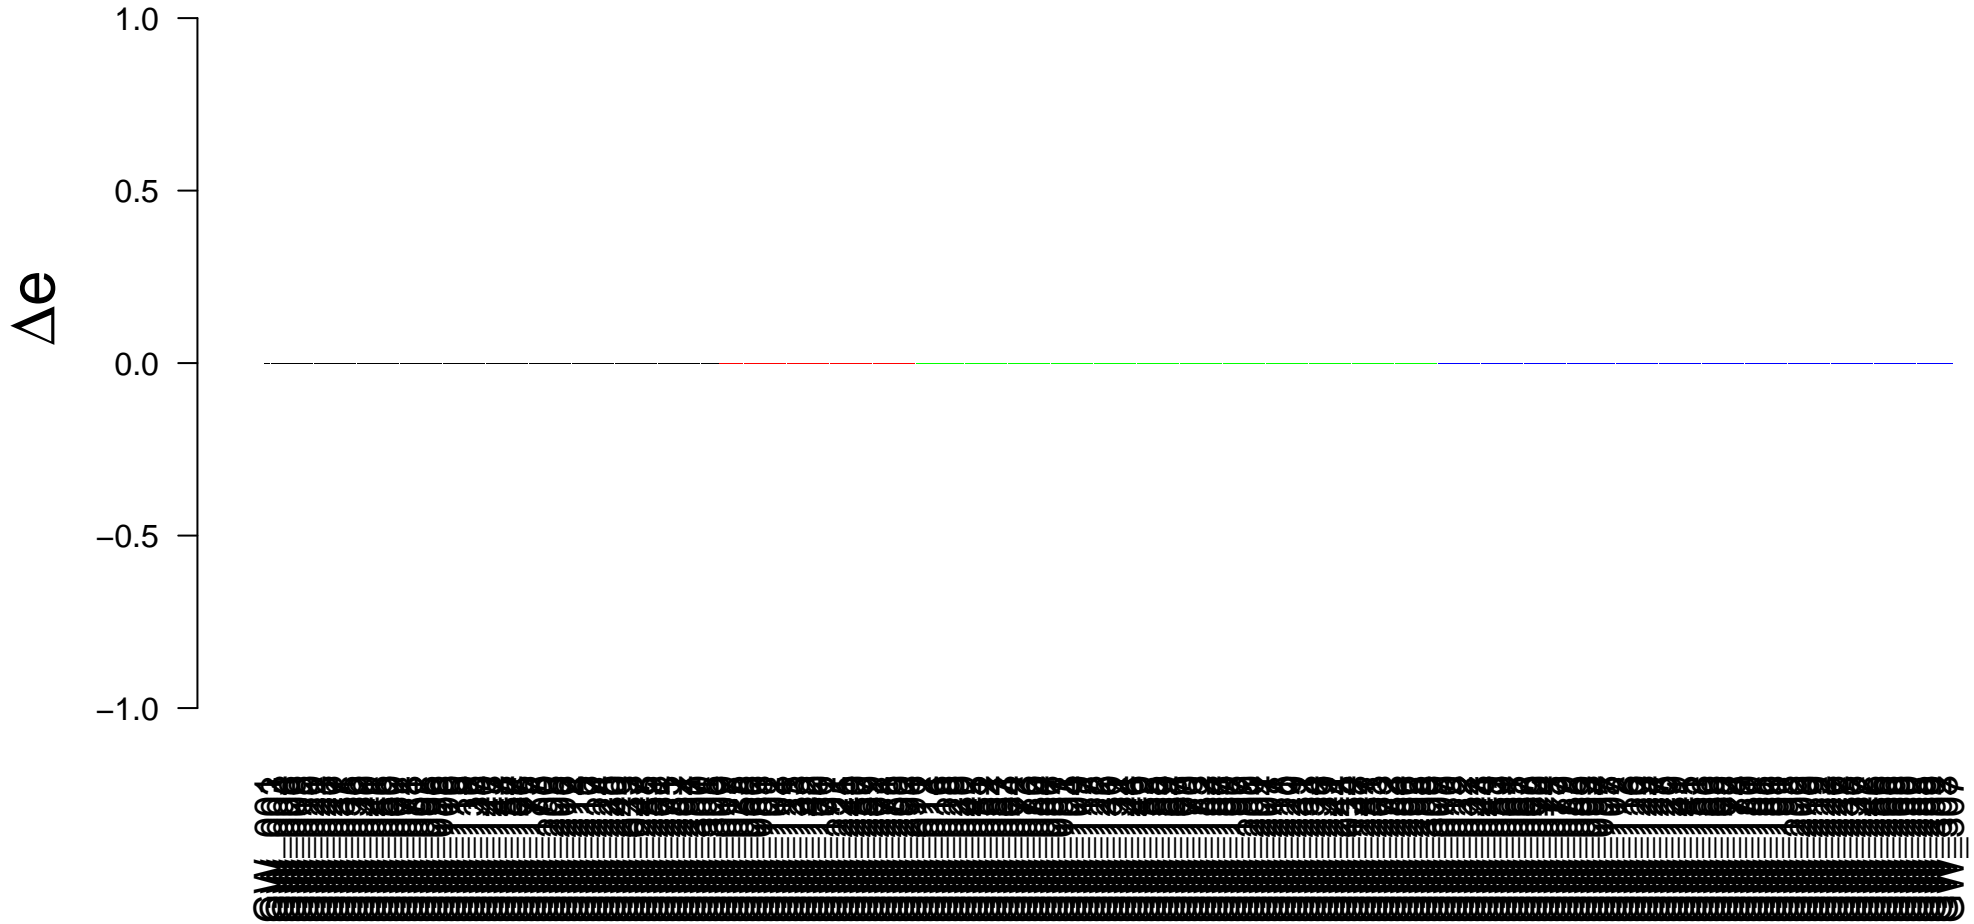

Expression of phosphoprotein phosphatase activity in Spot M

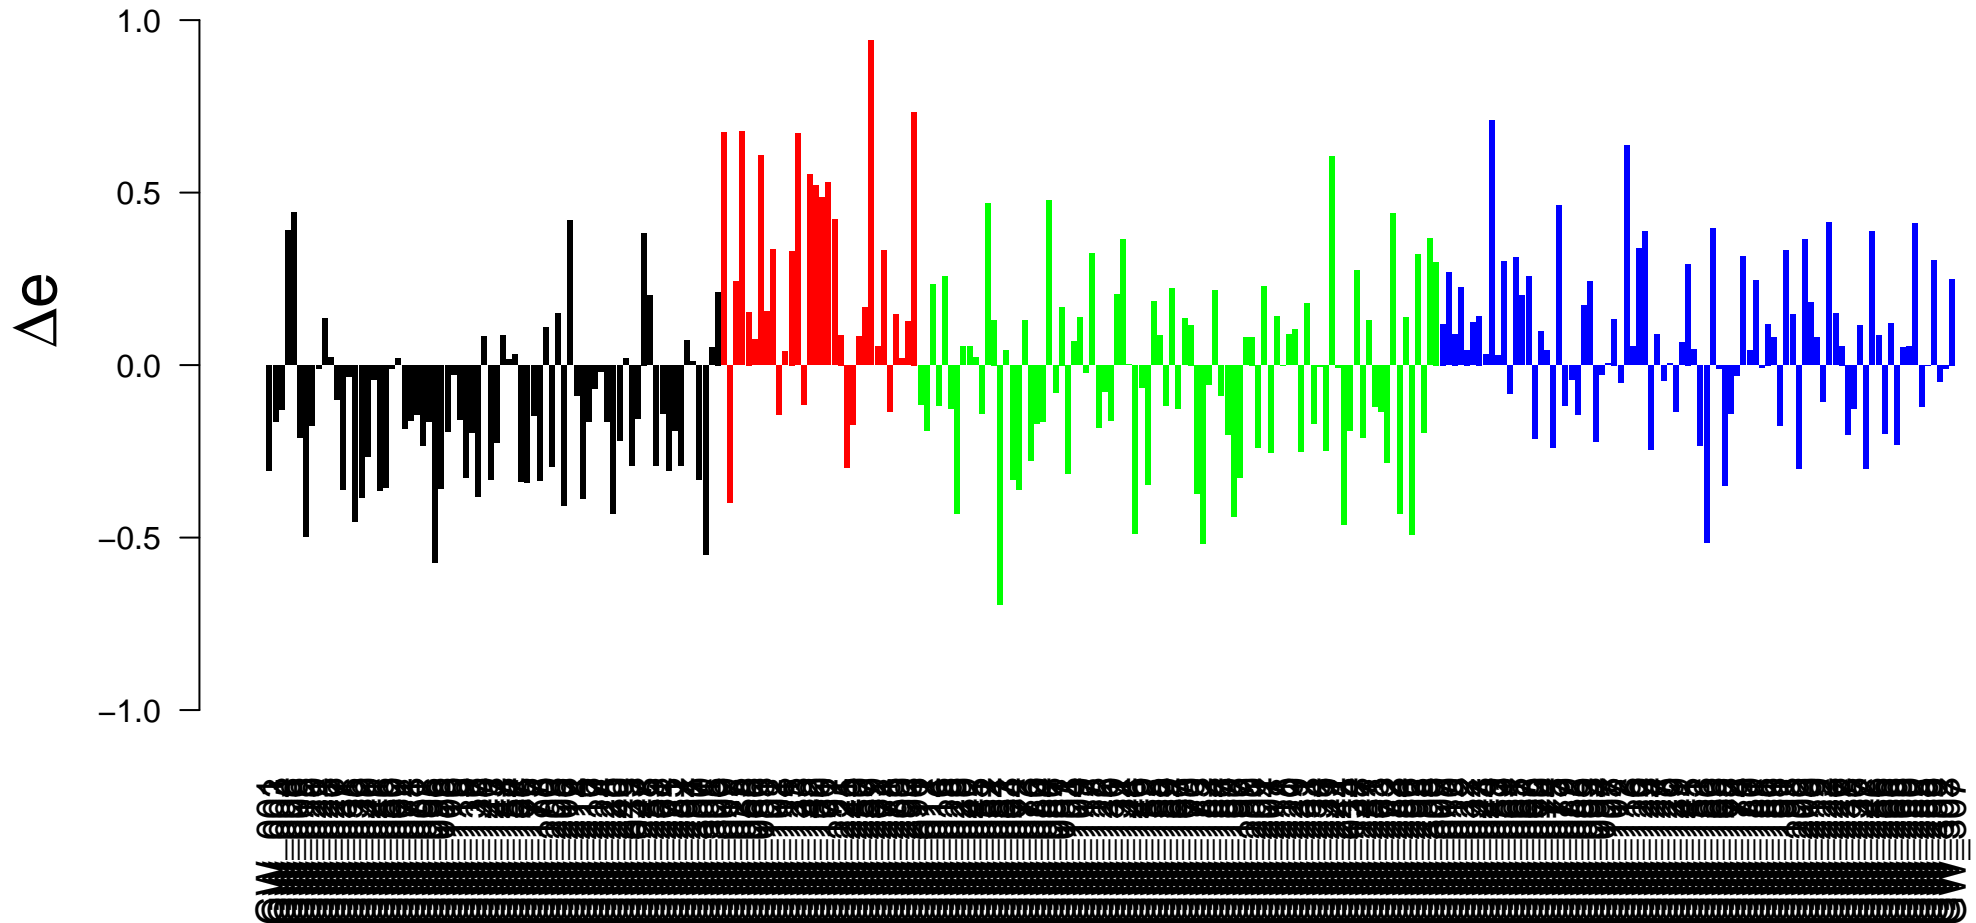

Expression of phosphoprotein phosphatase activity in Spot N

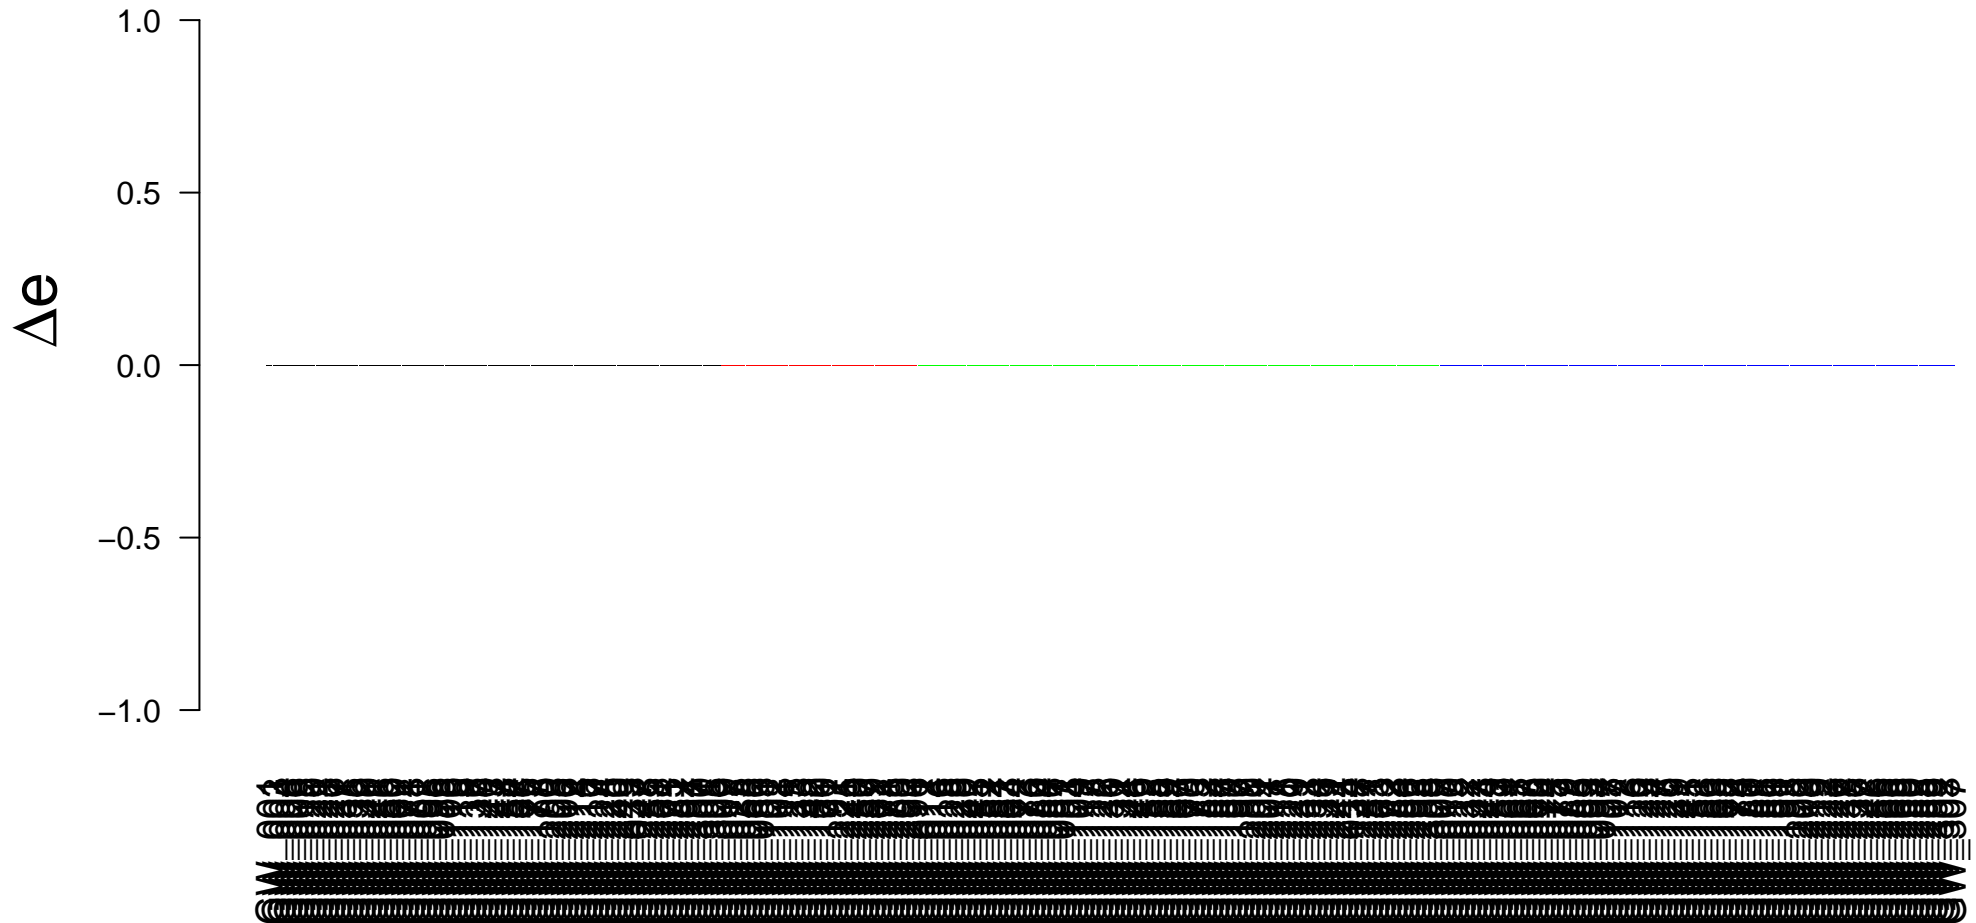

Expression of phosphoprotein phosphatase activity in Spot O

Expression of phosphoprotein phosphatase activity in Spot P

Expression of phosphoprotein phosphatase activity in Spot Q

Expression of phosphoprotein phosphatase activity in Spot R
