

phosphorelay signal transduction system

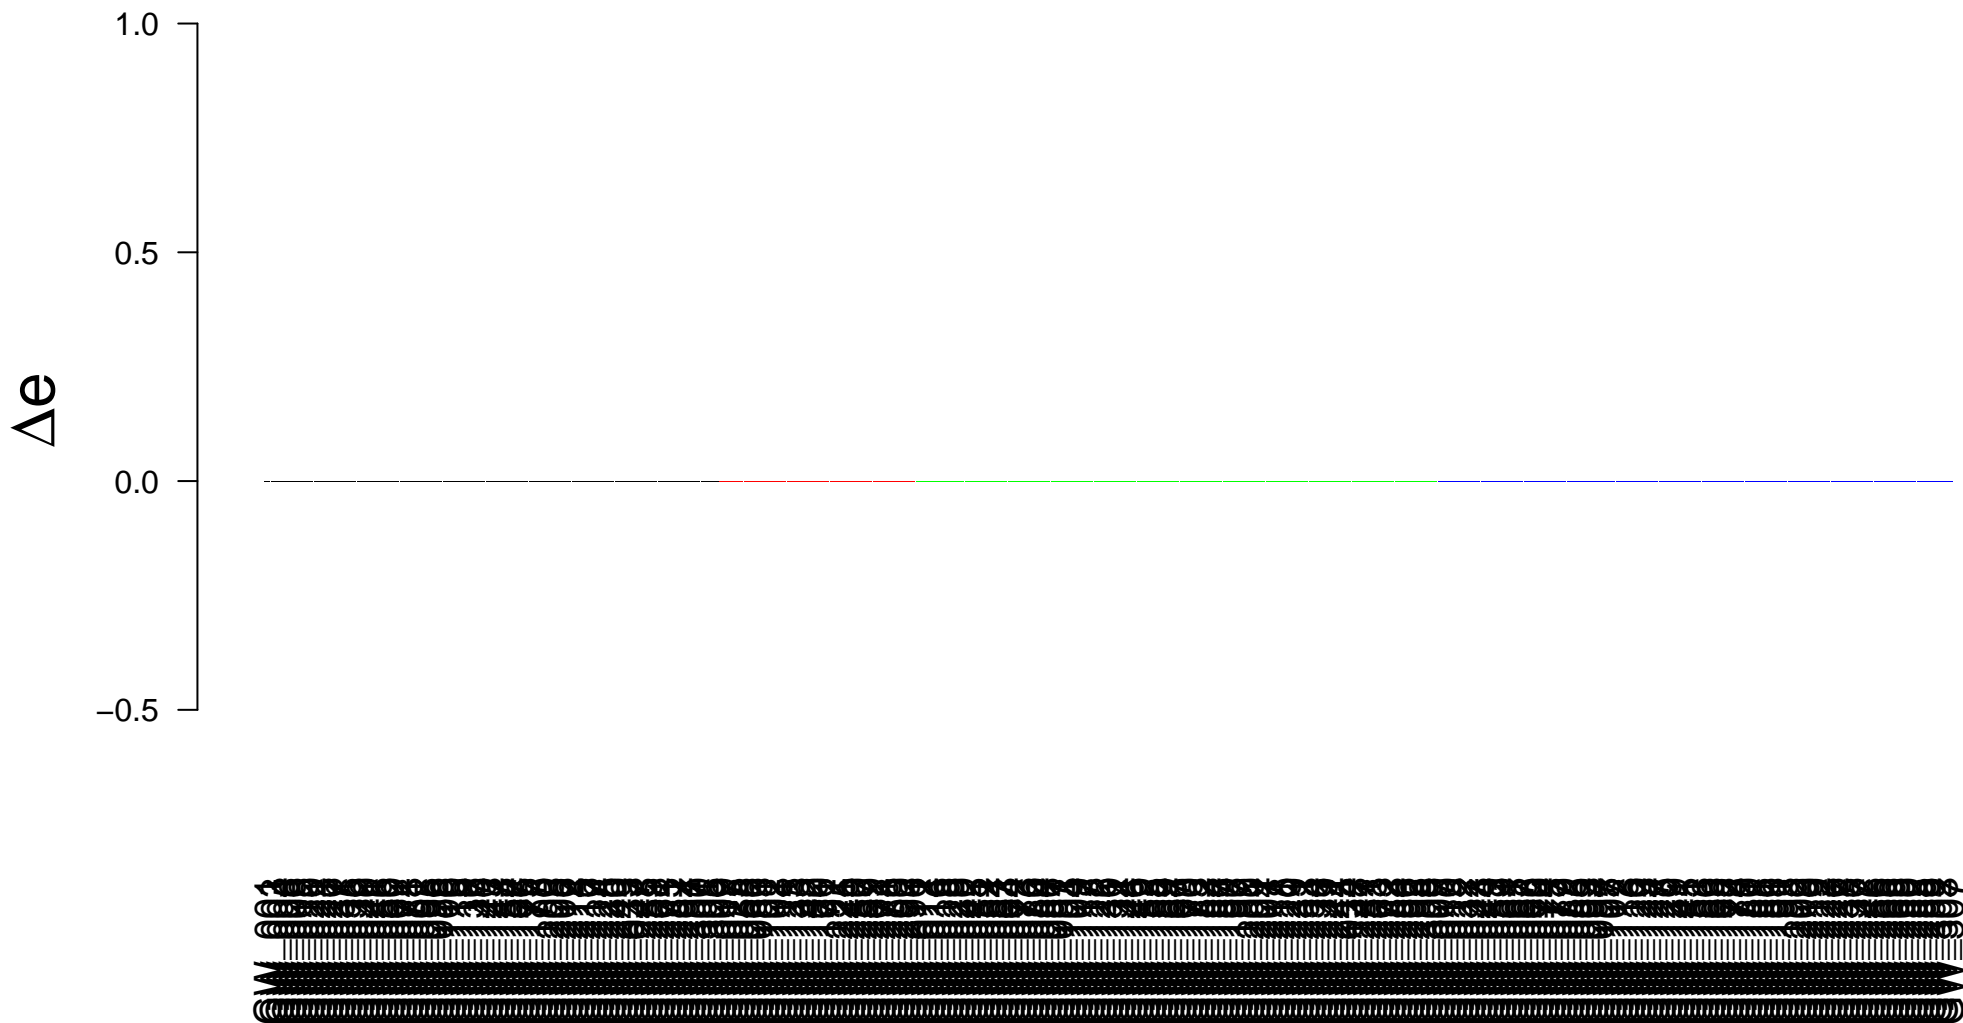

phosphorelay signal transduction system

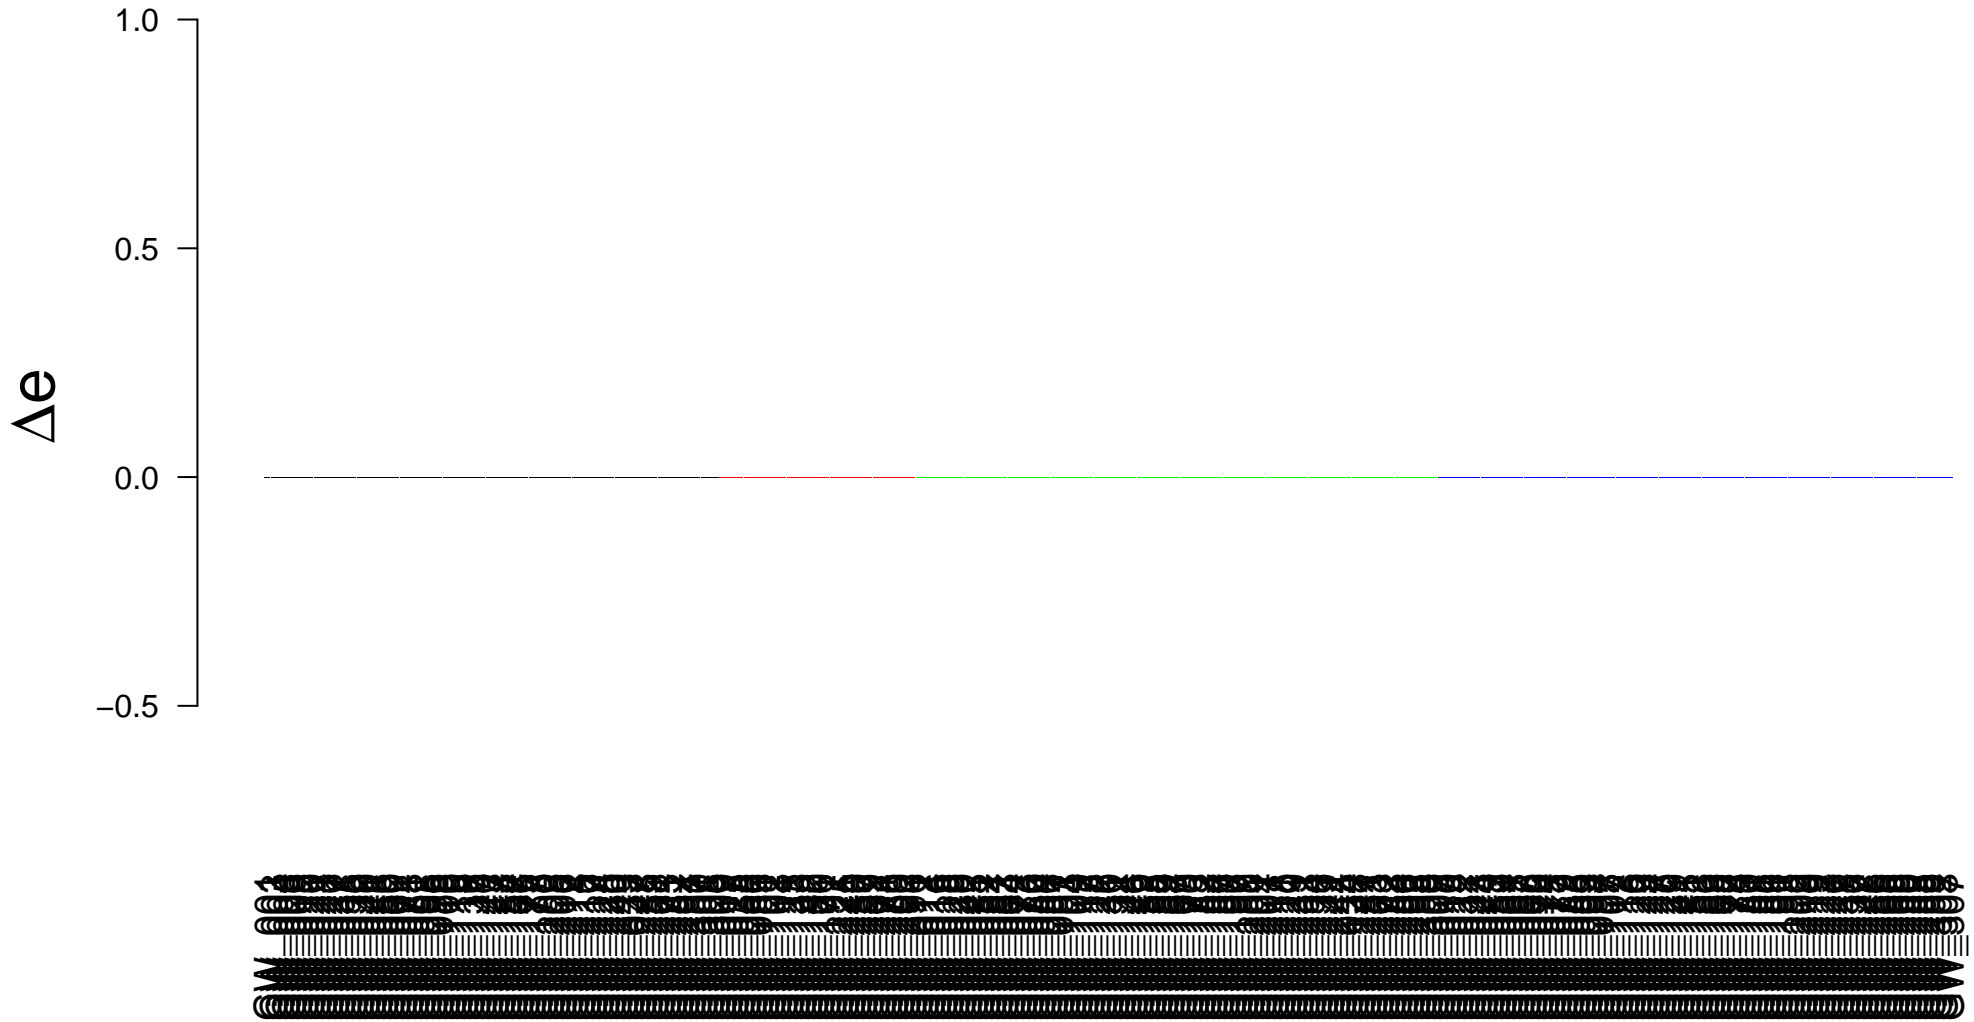

Enrichment in spots: phosphorelay signal transduction system

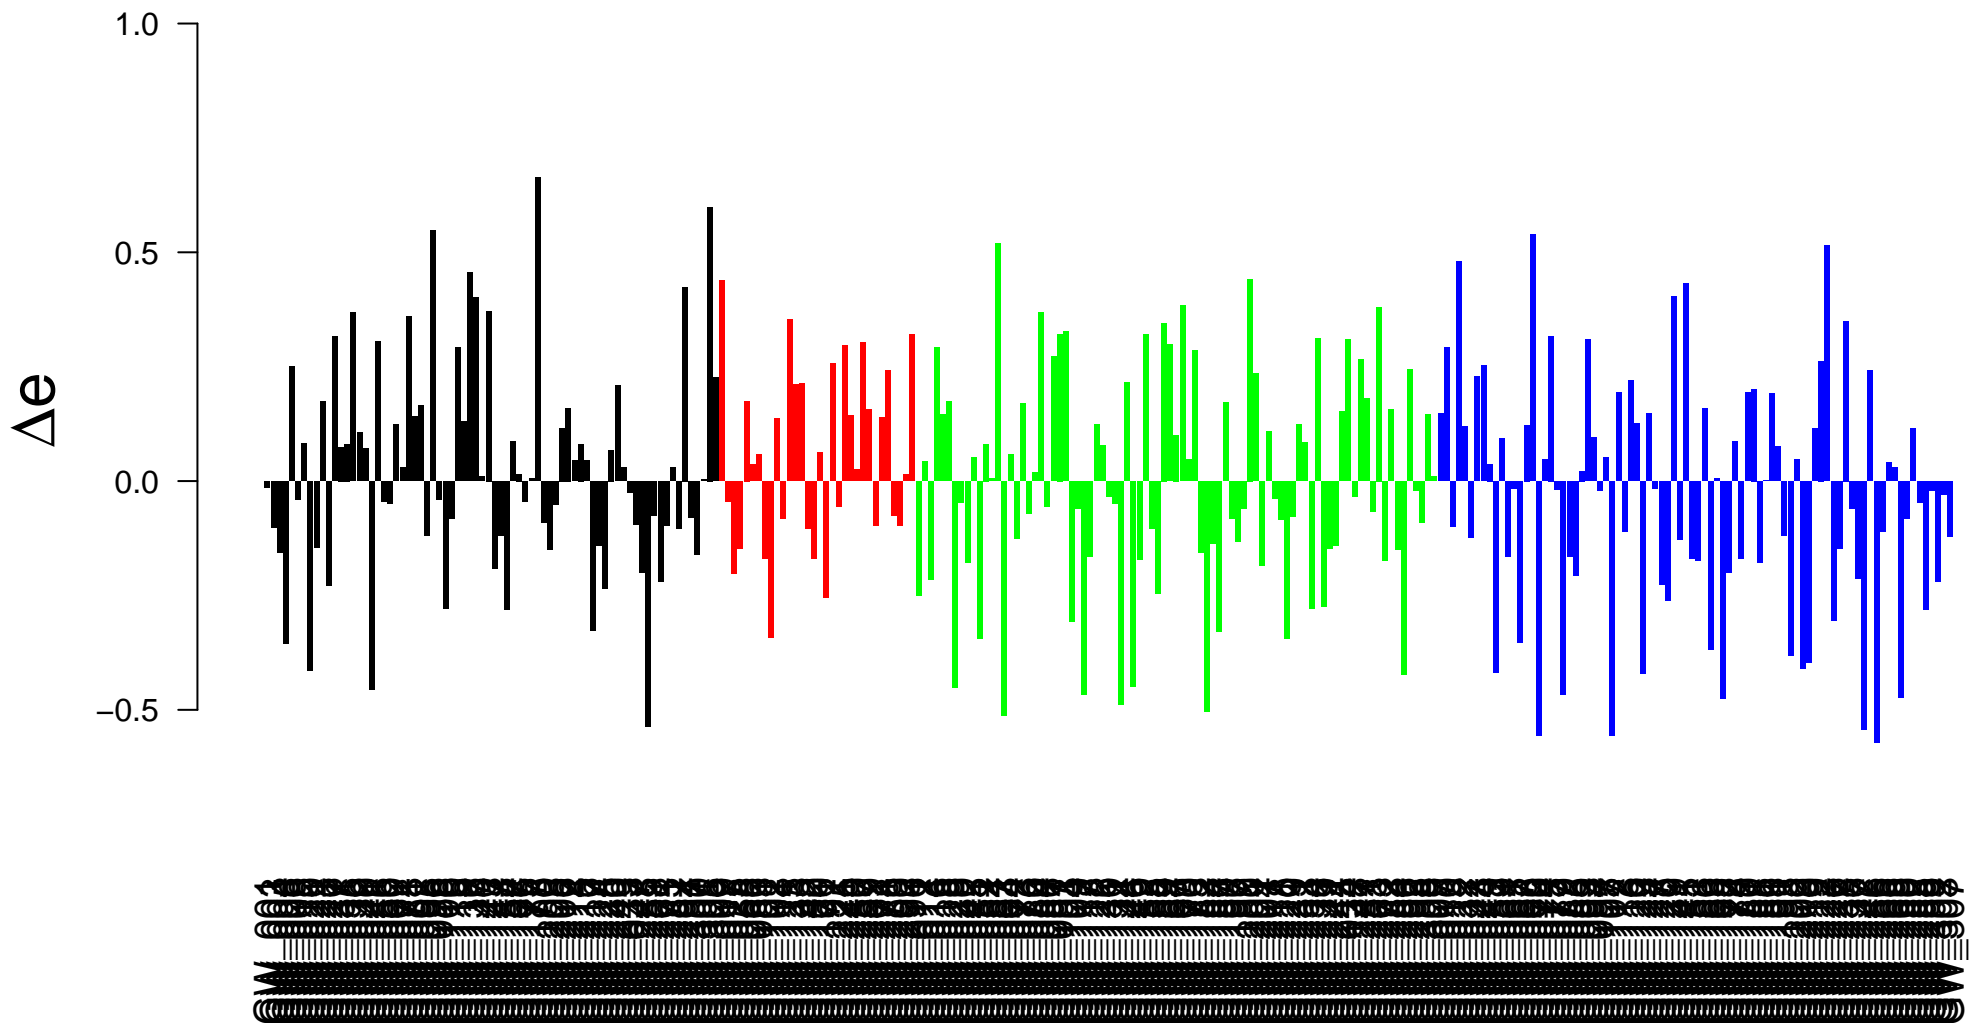

Expression of phosphorelay signal transduction system in Spot A

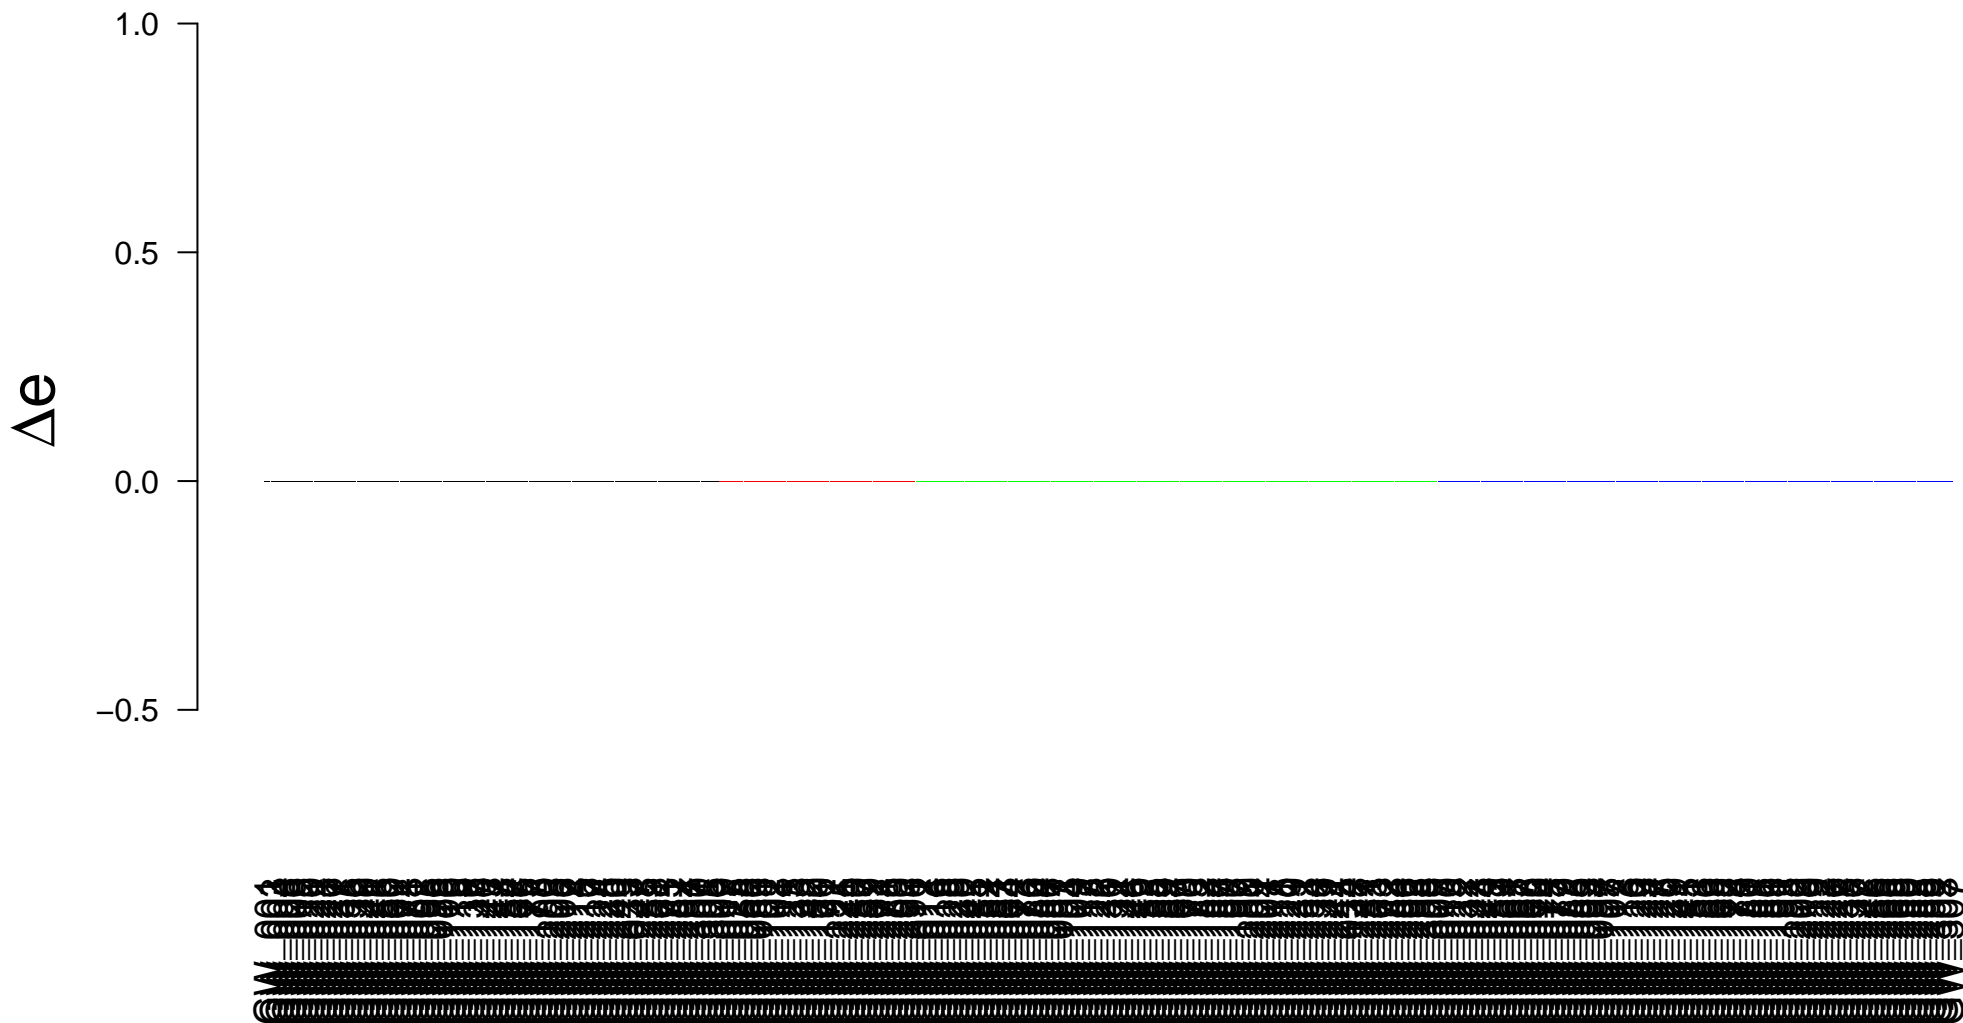

Expression of phosphorelay signal transduction system in Spot B

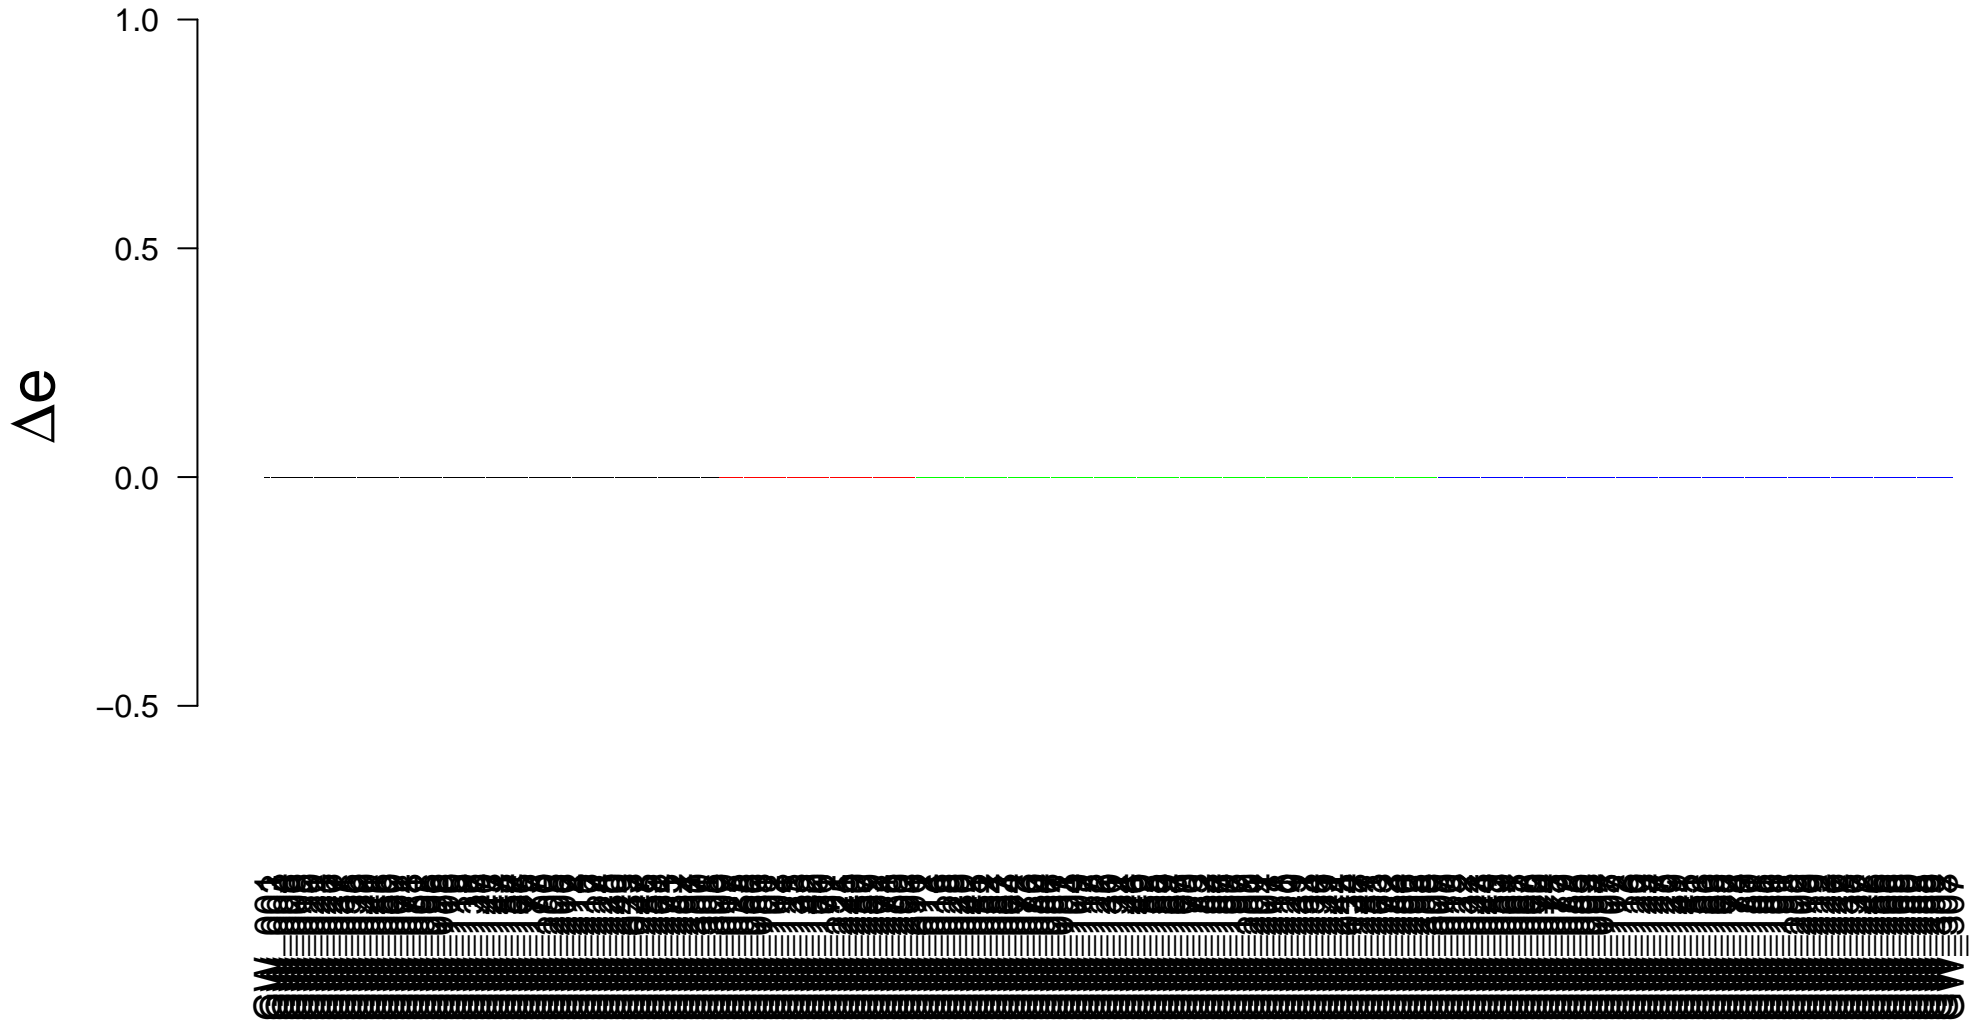

Expression of phosphorelay signal transduction system in Spot C

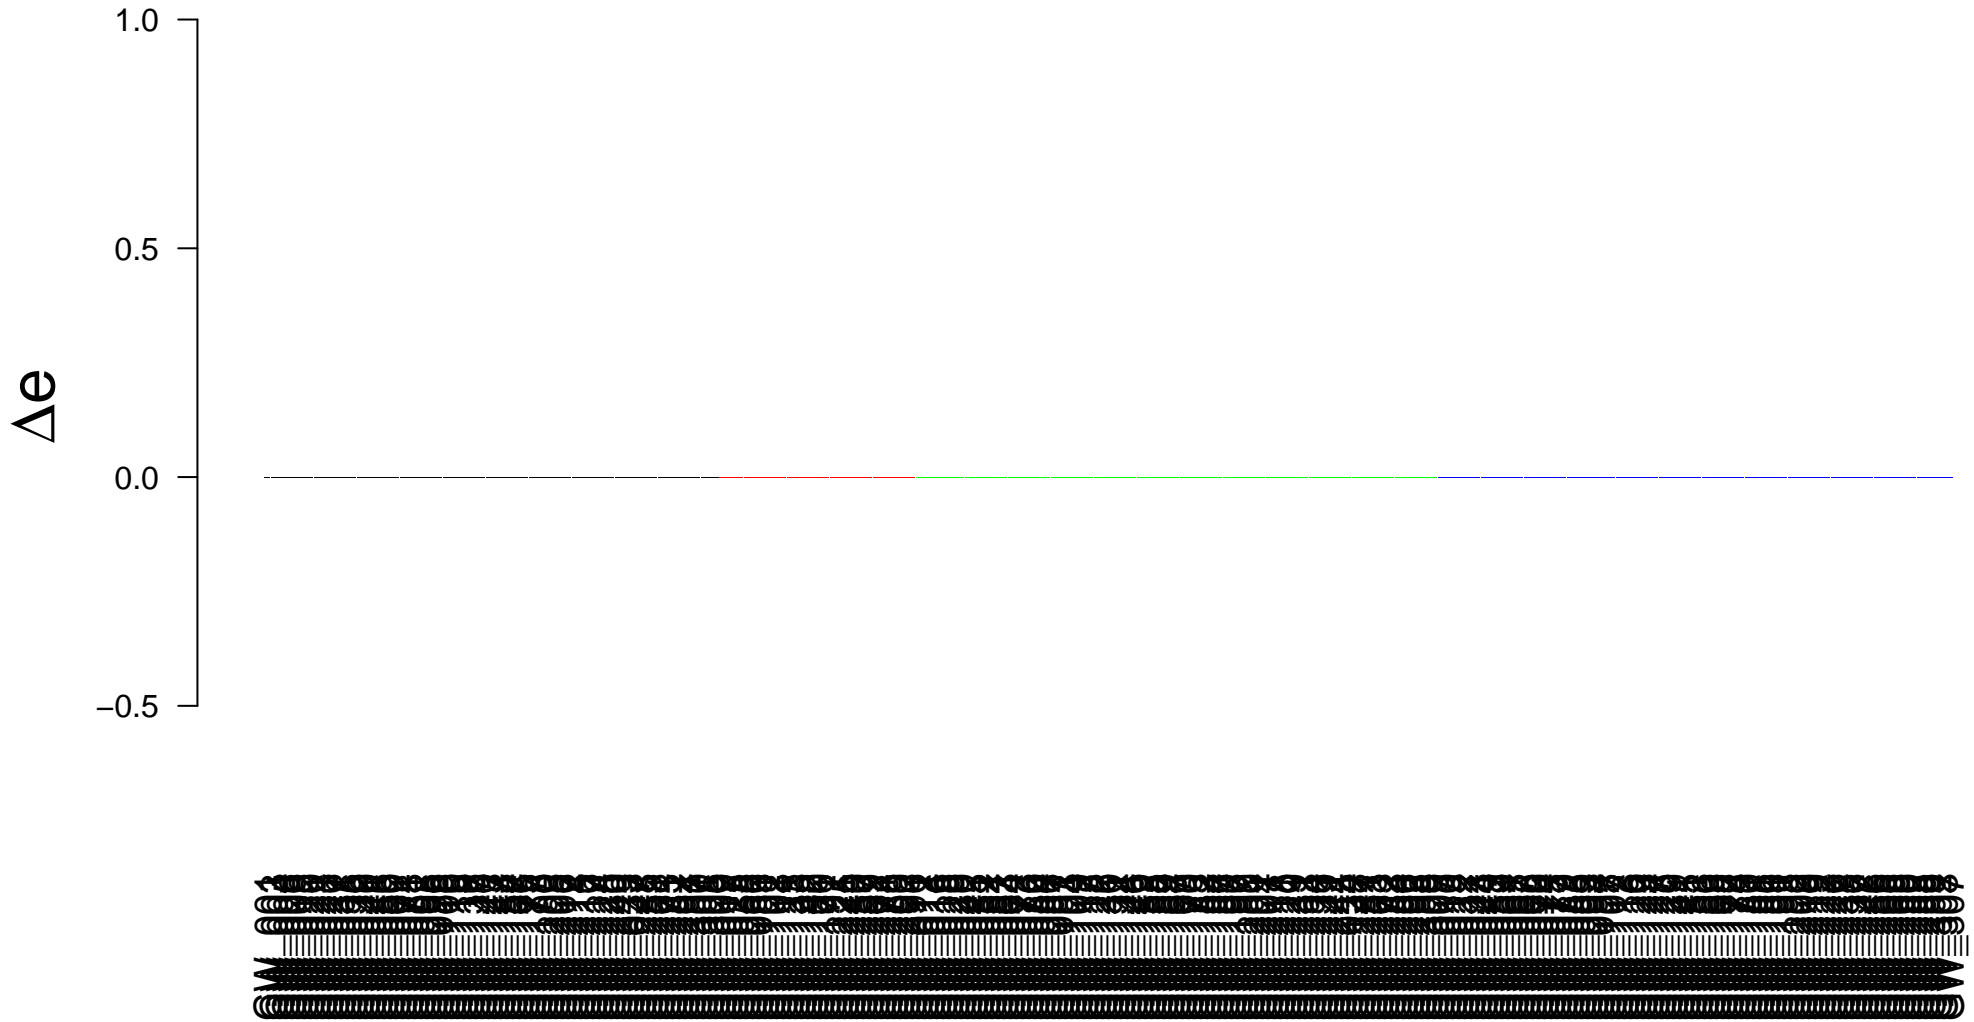

Expression of phosphorelay signal transduction system in Spot D

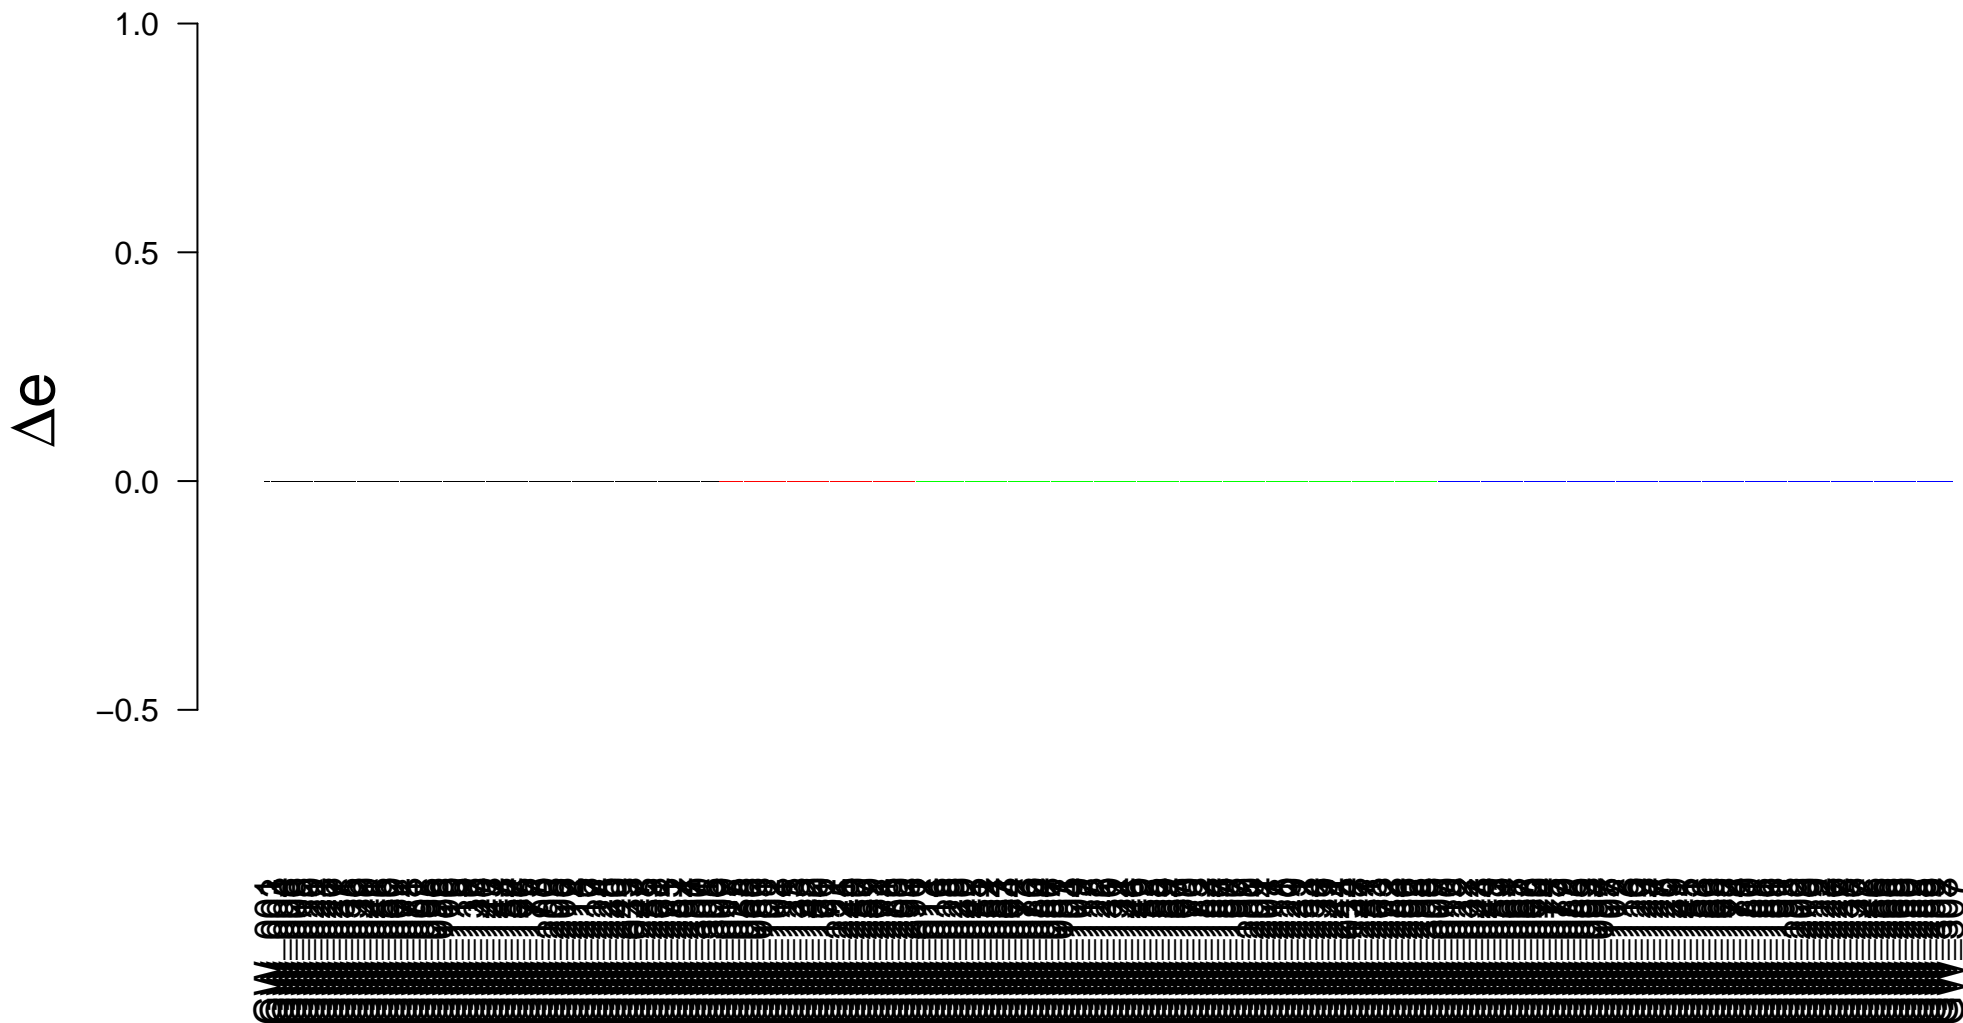

Expression of phosphorelay signal transduction system in Spot E

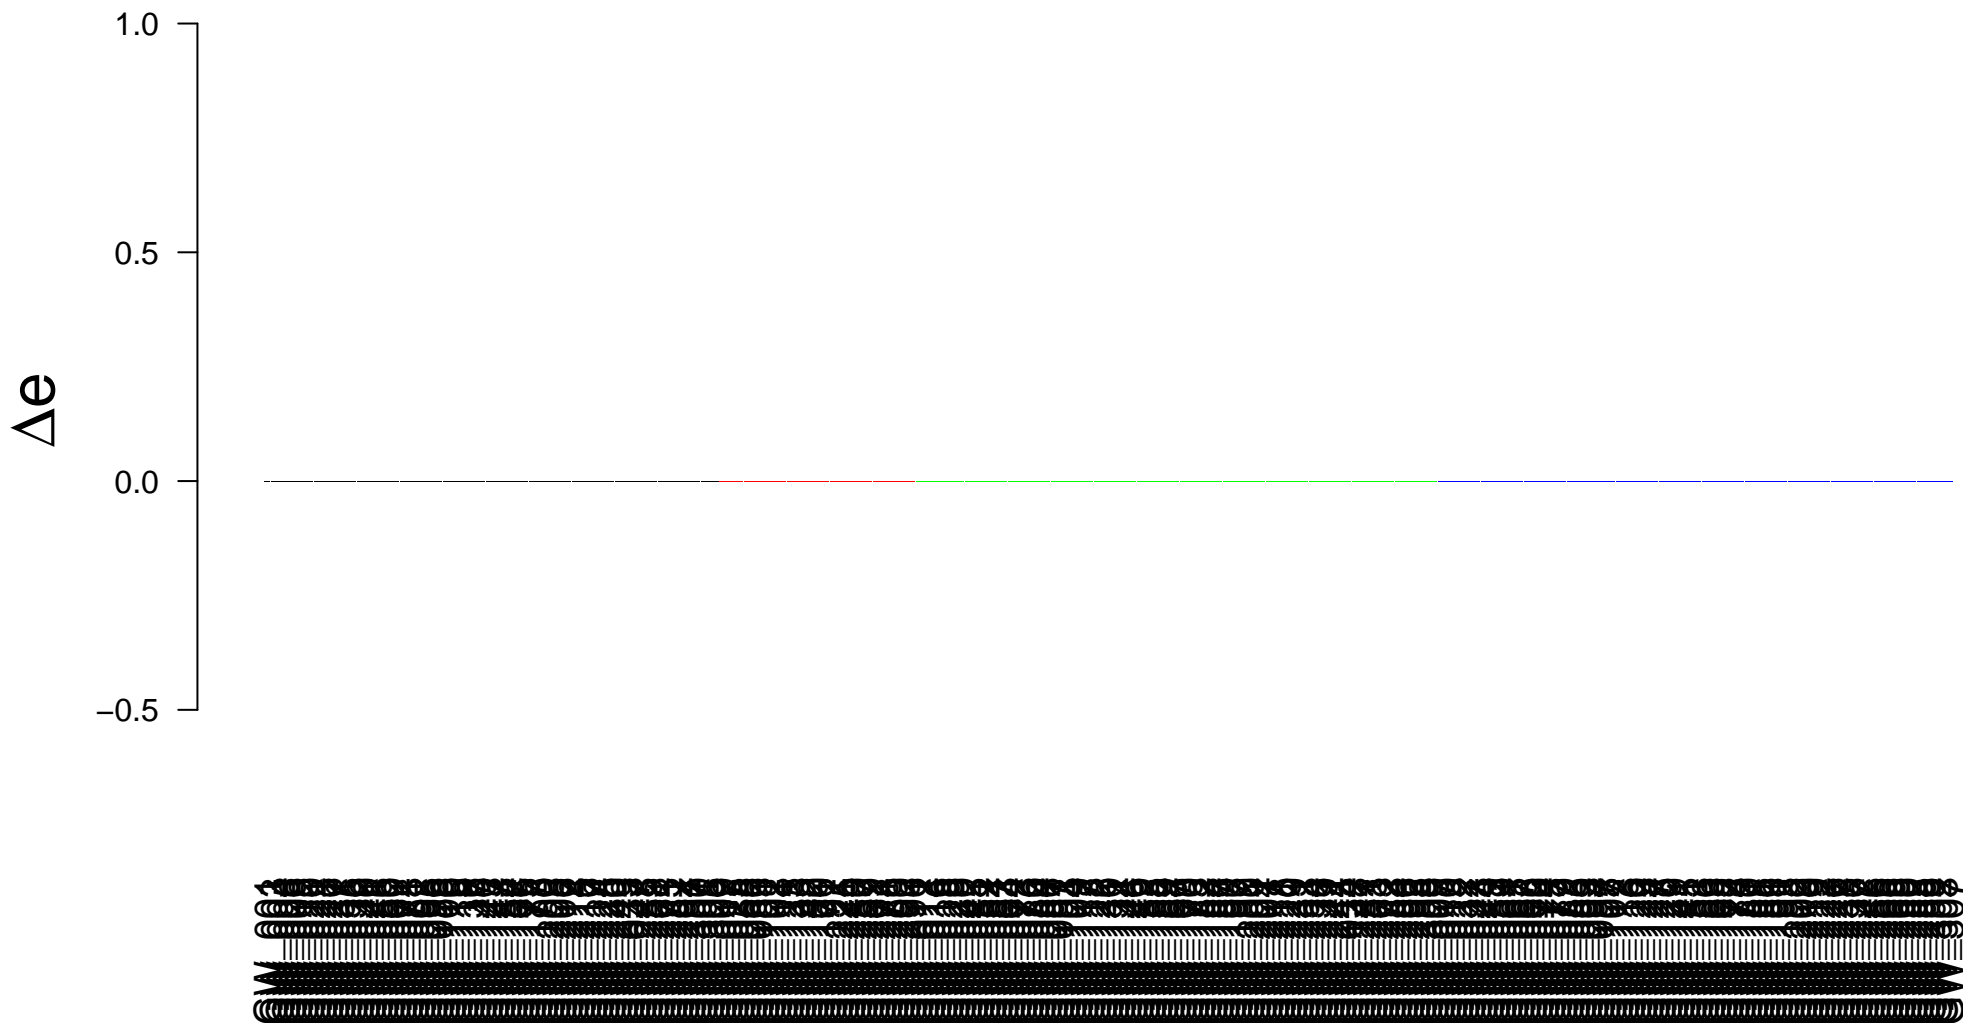

Expression of phosphorelay signal transduction system in Spot F

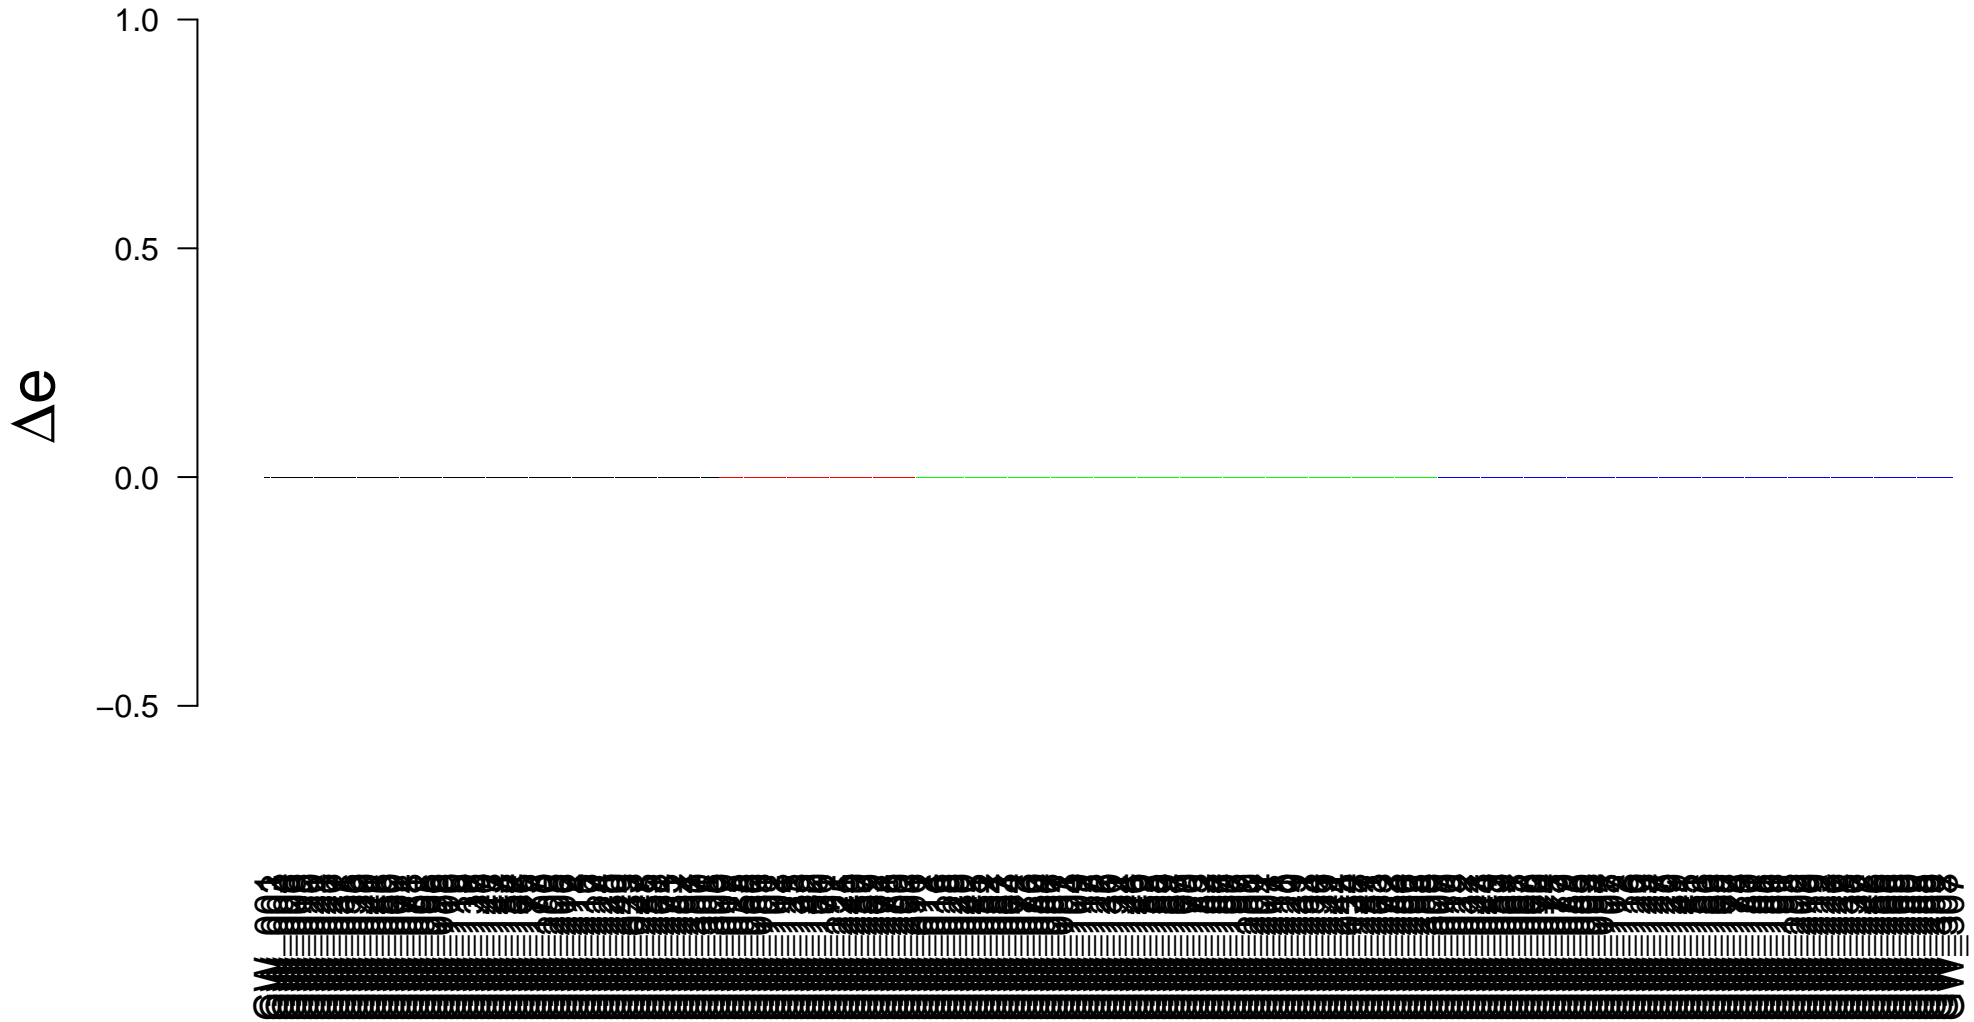

Expression of phosphorelay signal transduction system in Spot G

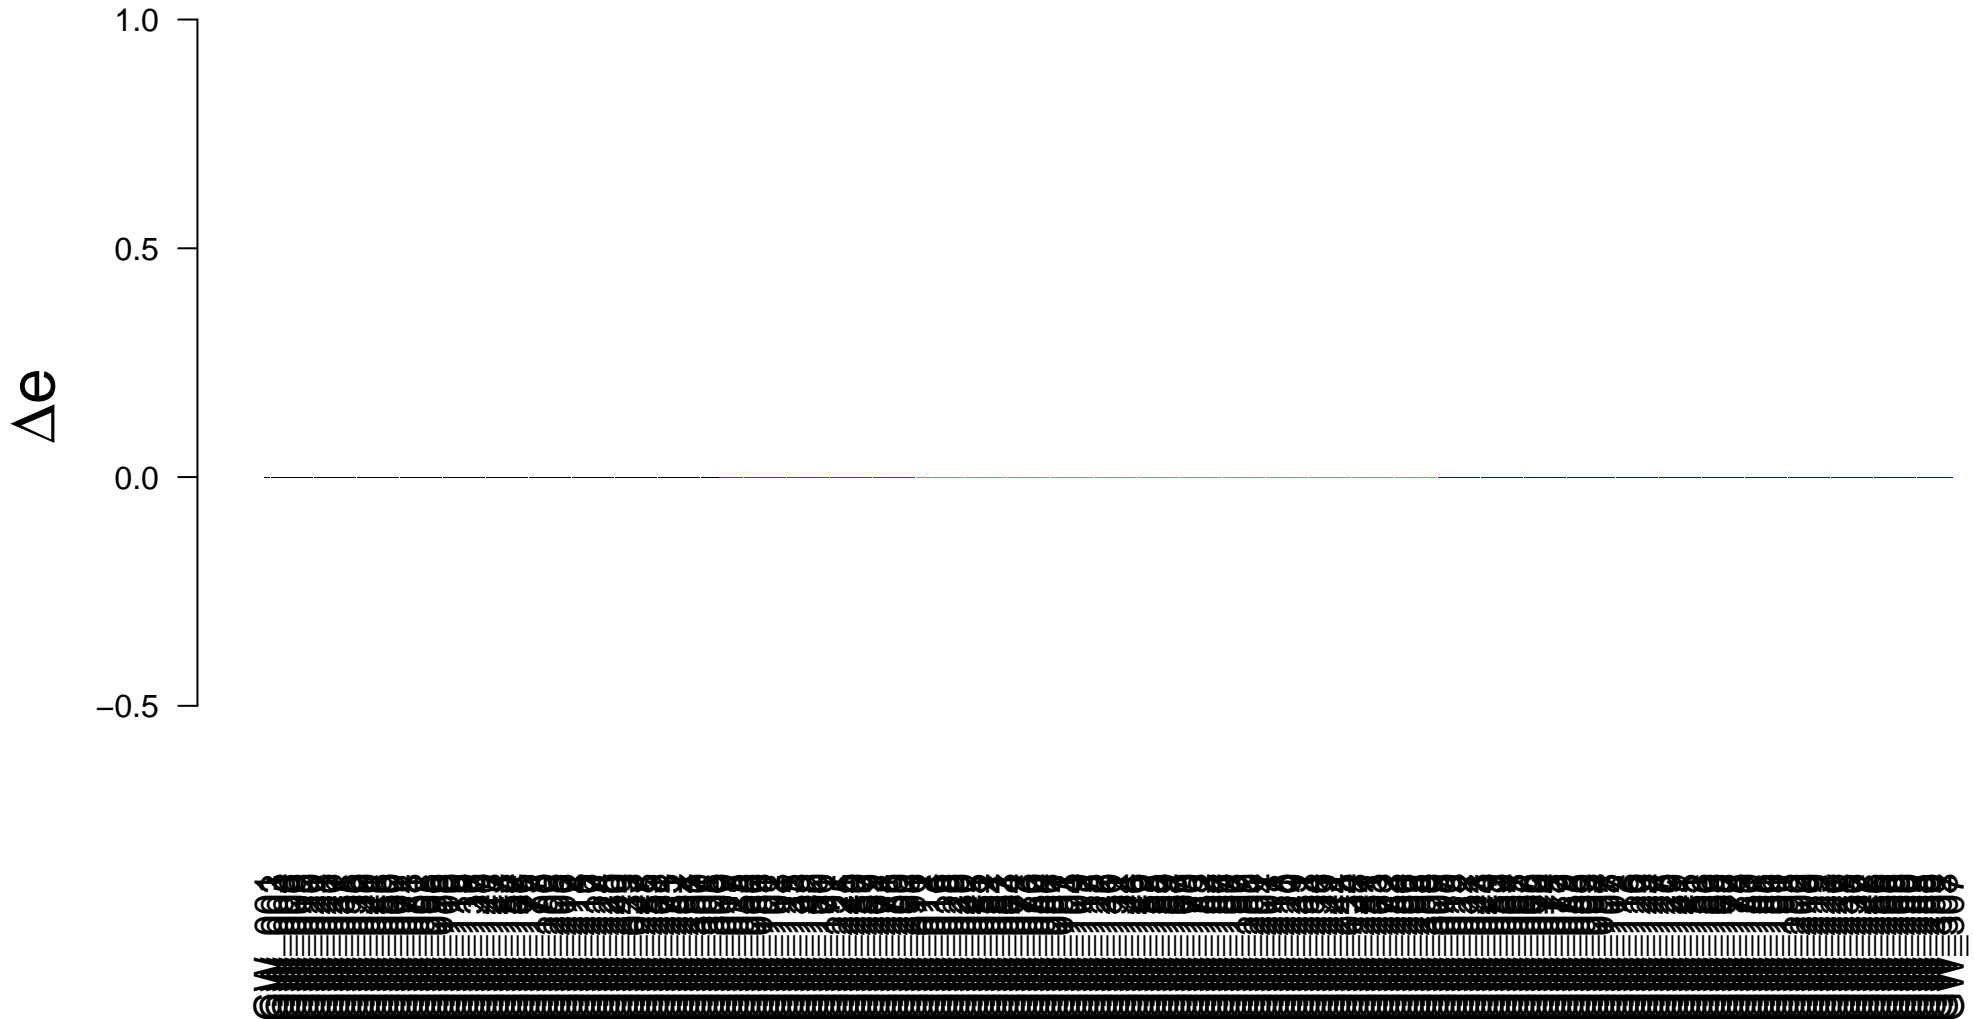

Expression of phosphorelay signal transduction system in Spot H

Expression of phosphorelay signal transduction system in Spot I

Expression of phosphorelay signal transduction system in Spot J

Expression of phosphorelay signal transduction system in Spot K
