

phosphoric diester hydrolase activity

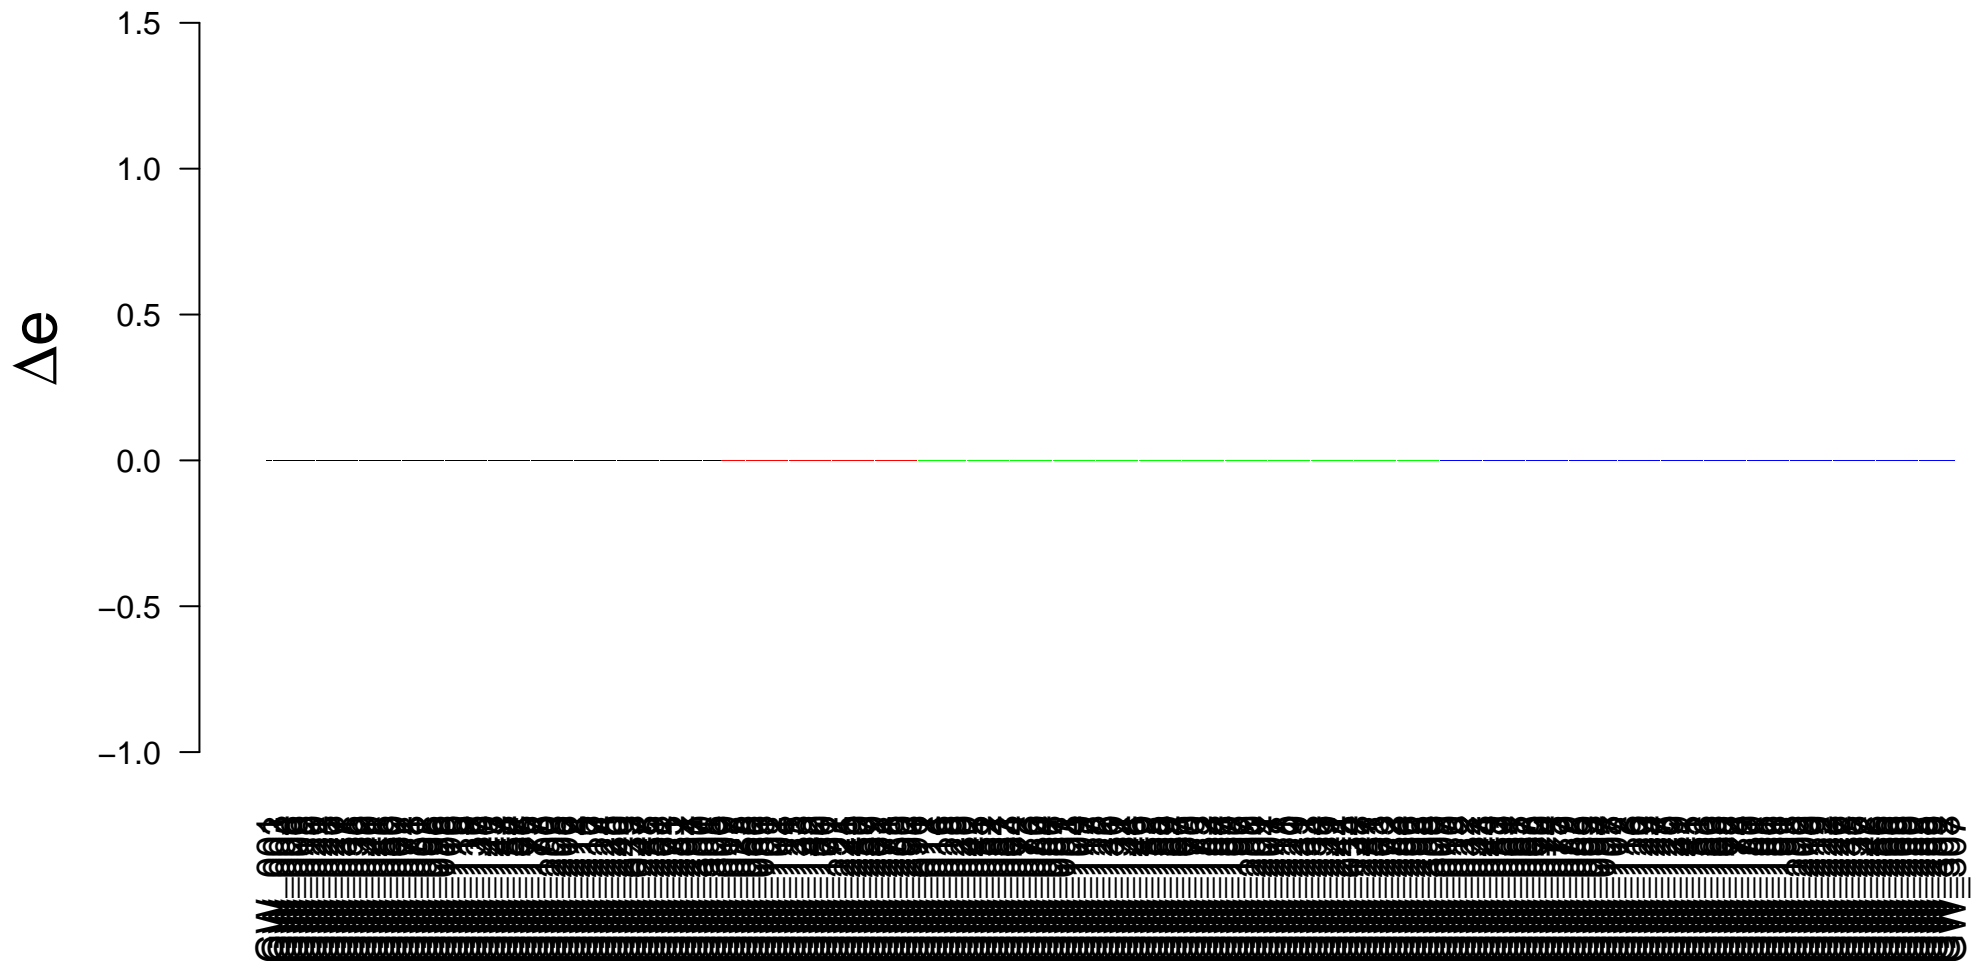

phosphoric diester hydrolase activity

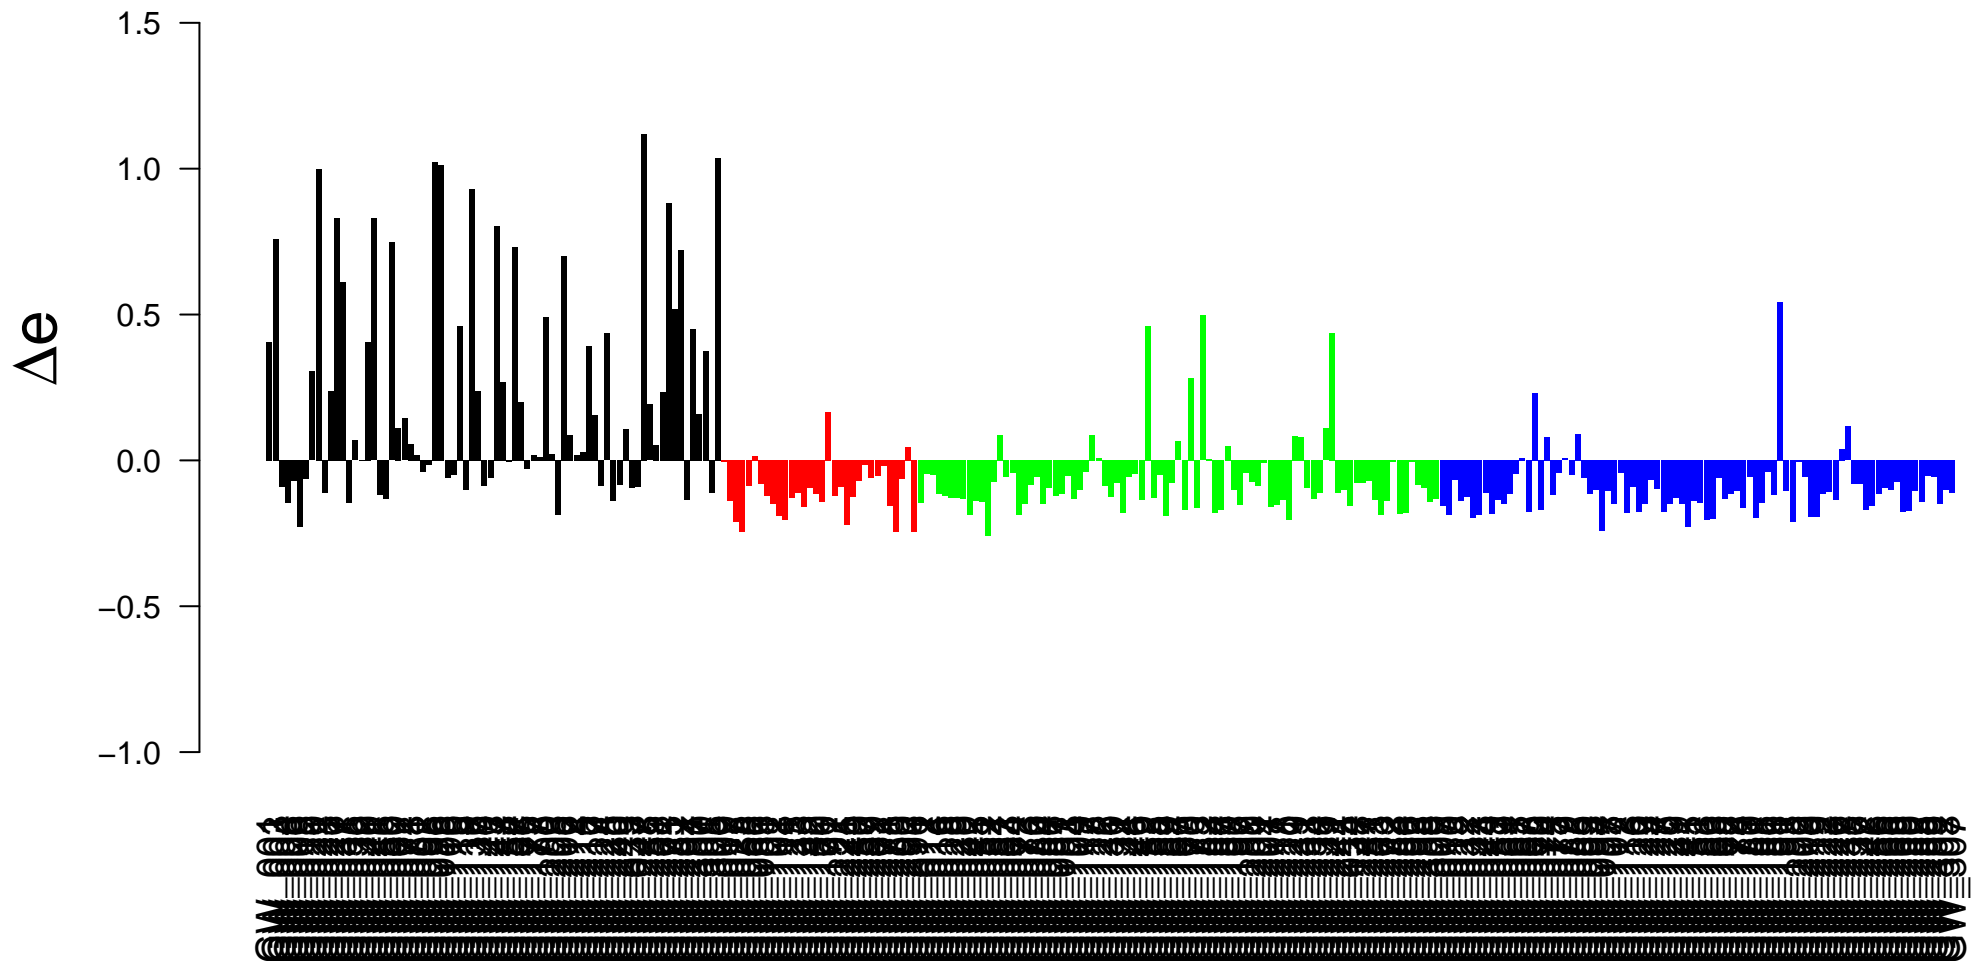

Enrichment in spots: phosphoric diester hydrolase activity

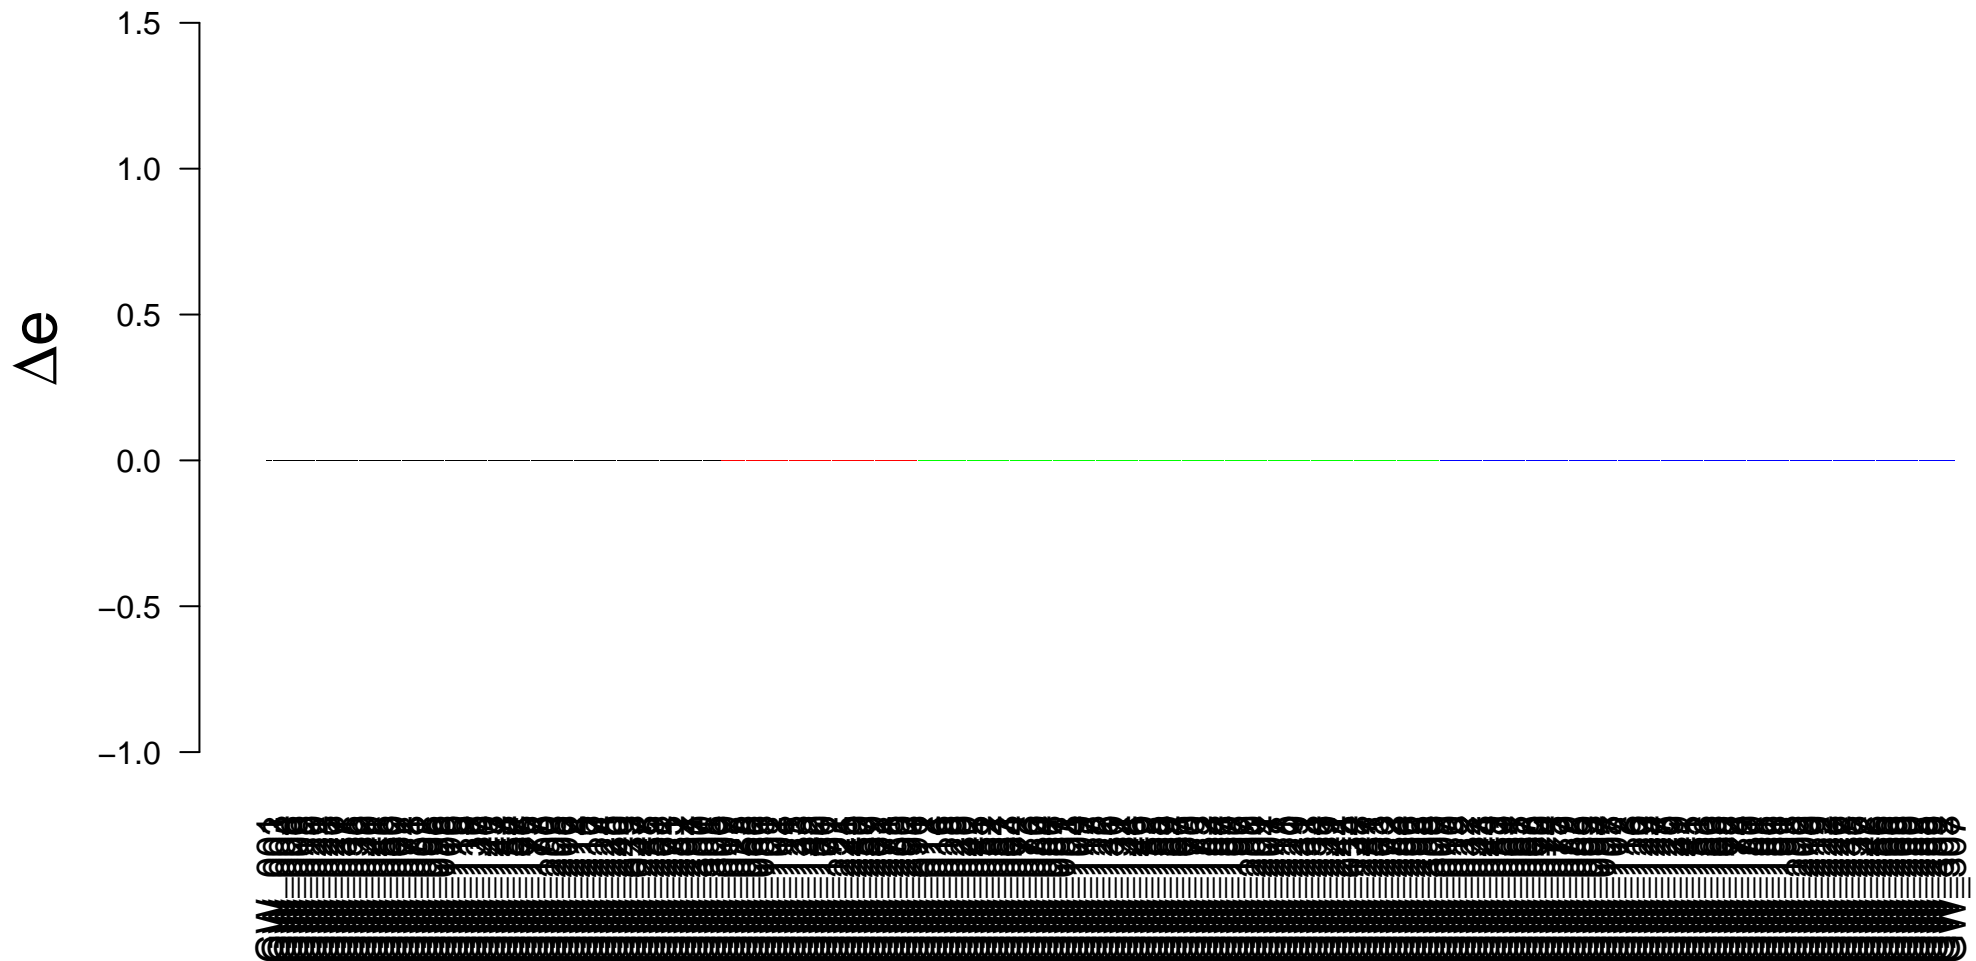

Expression of phosphoric diester hydrolase activity in Spot A

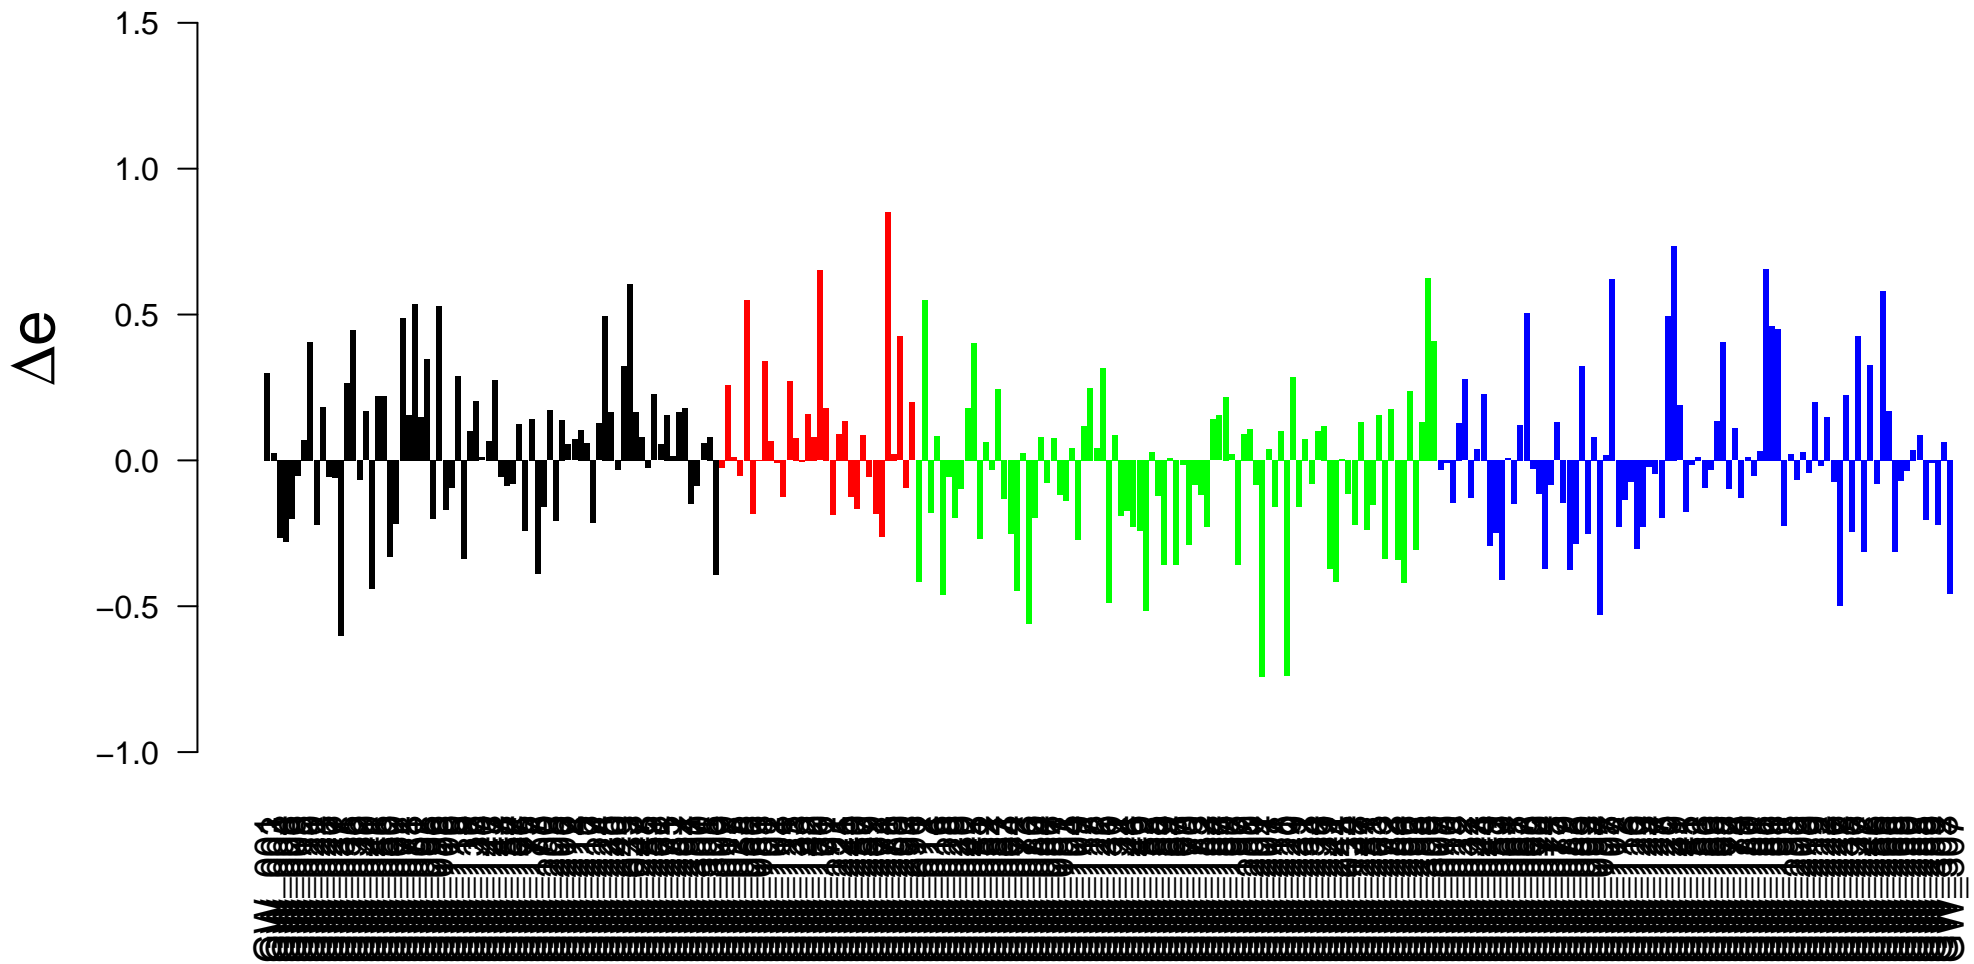

Expression of phosphoric diester hydrolase activity in Spot B

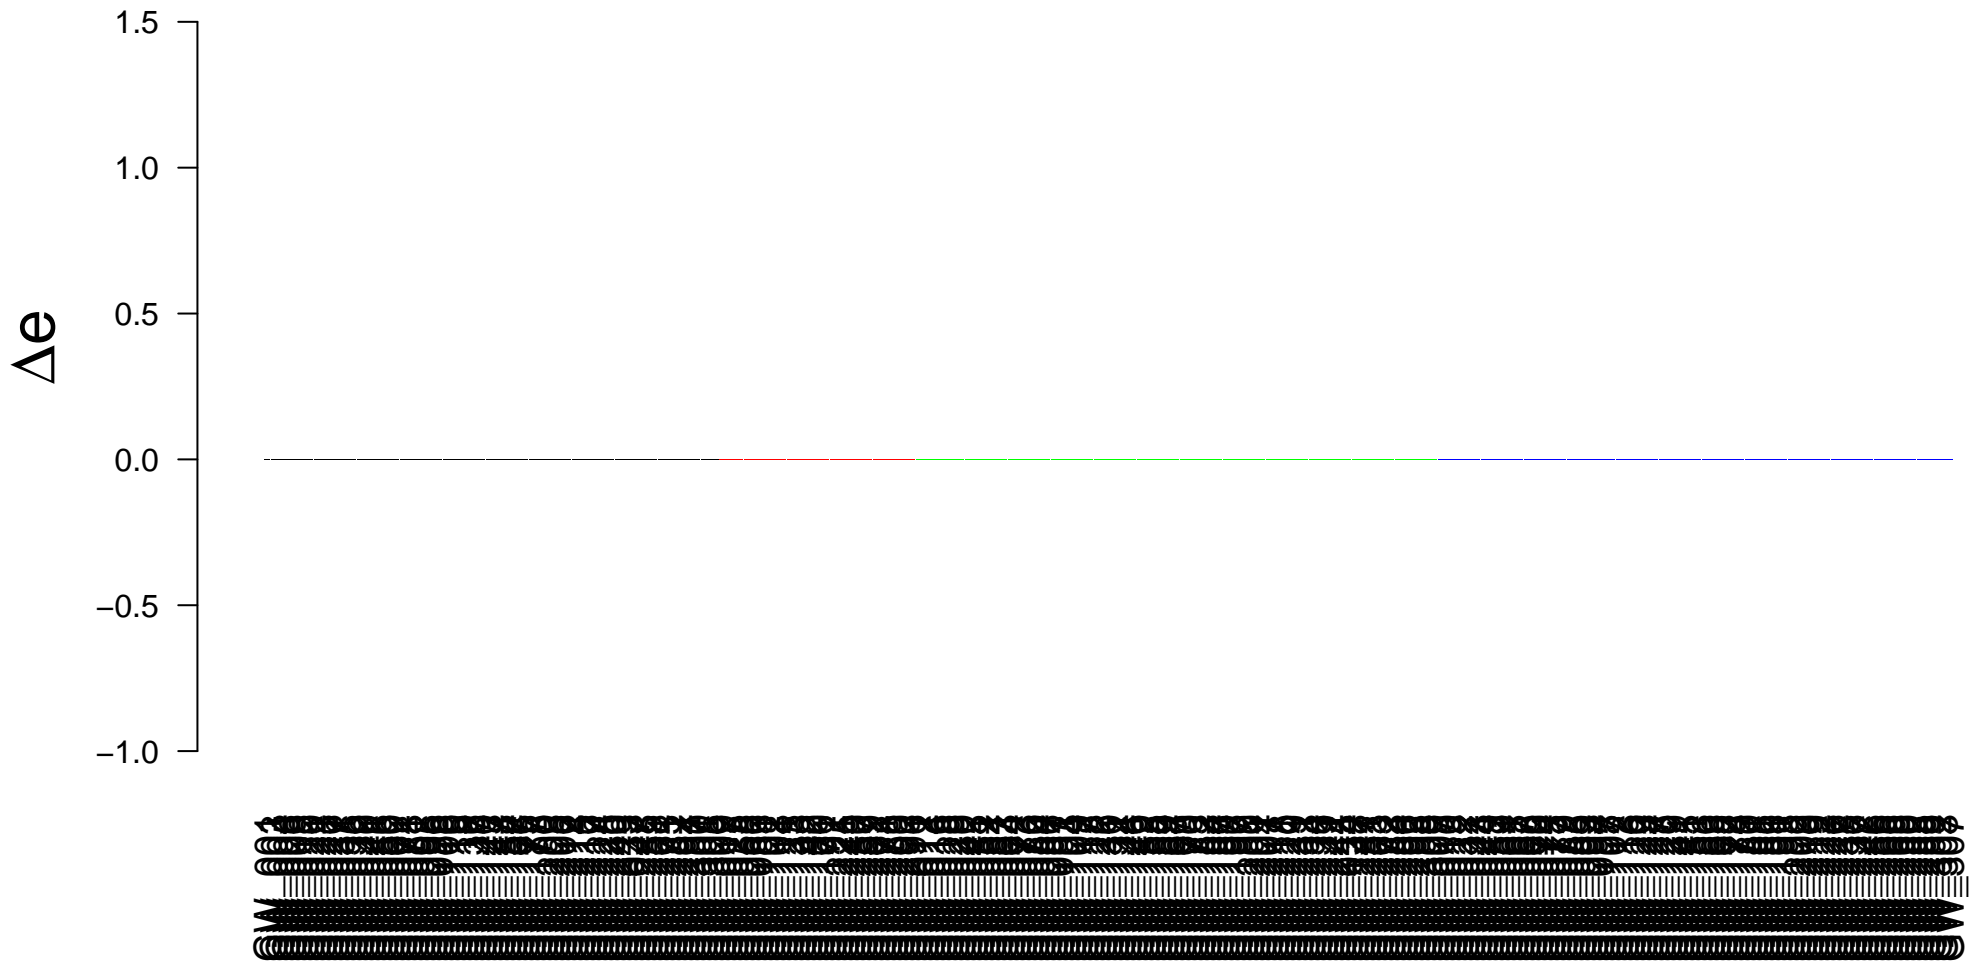

Expression of phosphoric diester hydrolase activity in Spot C

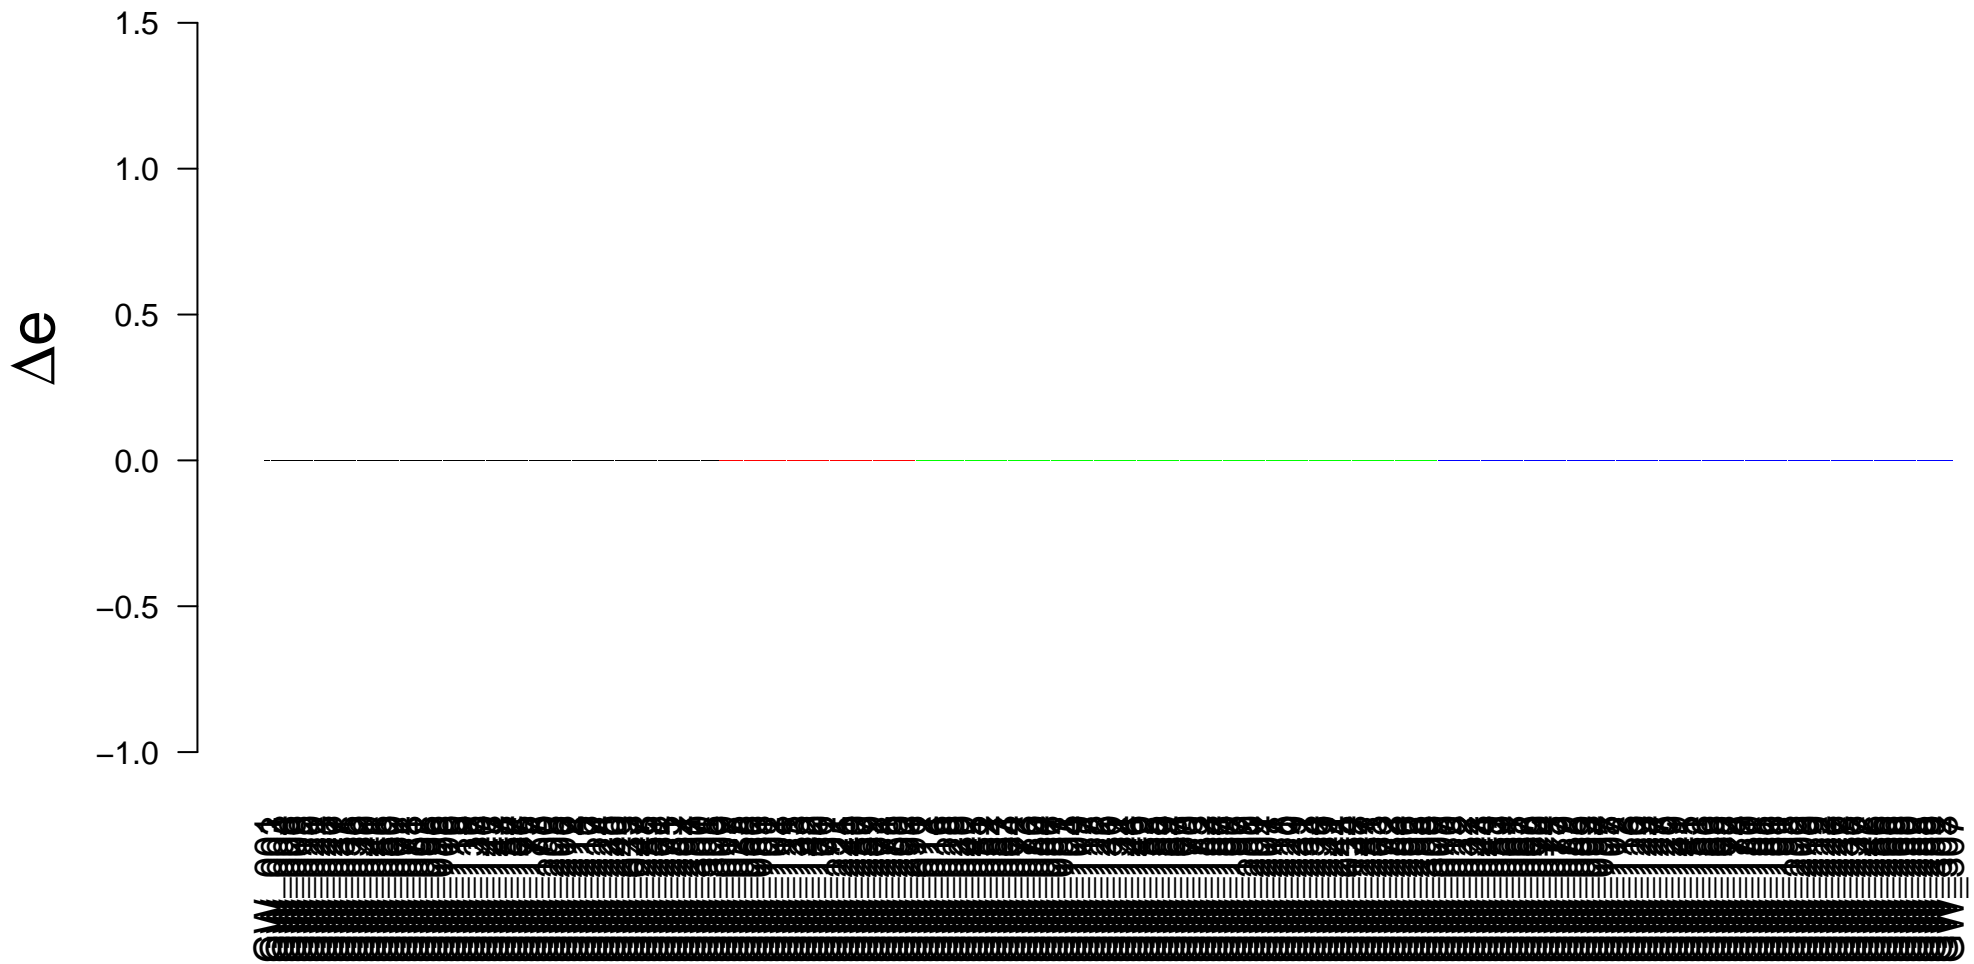

Expression of phosphoric diester hydrolase activity in Spot D

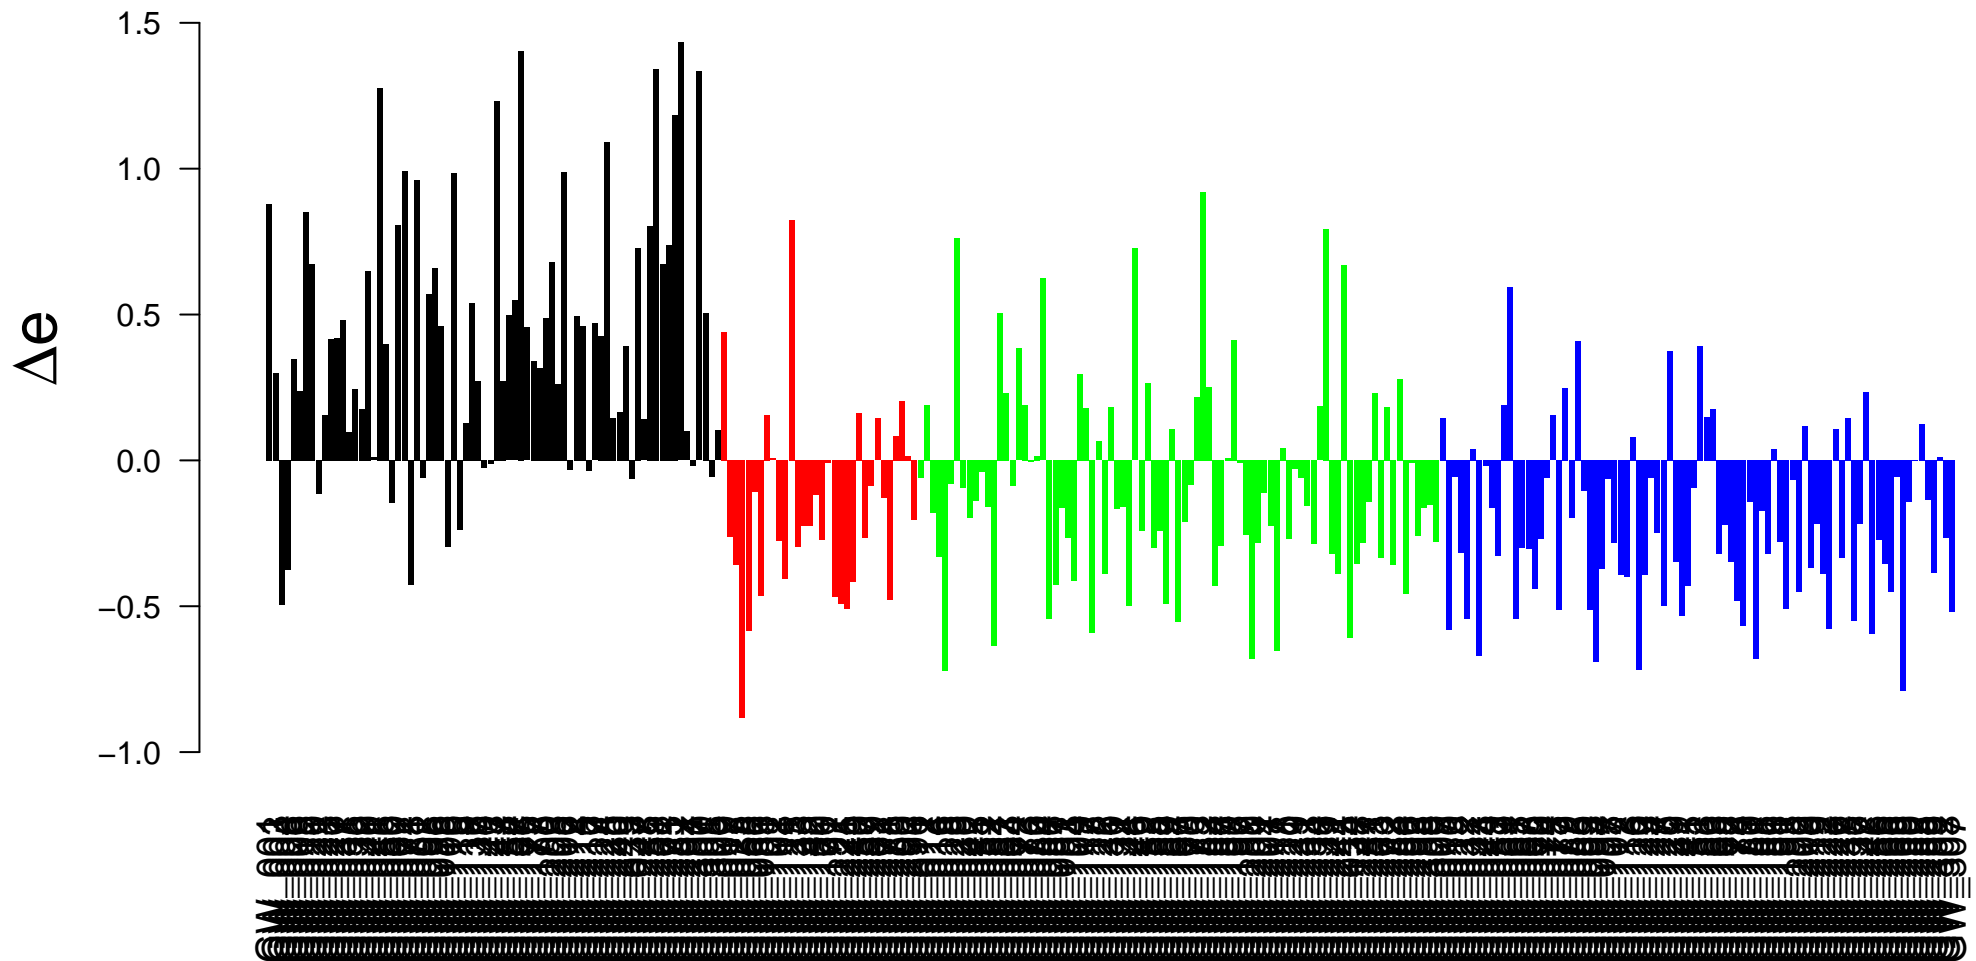

Expression of phosphoric diester hydrolase activity in Spot E

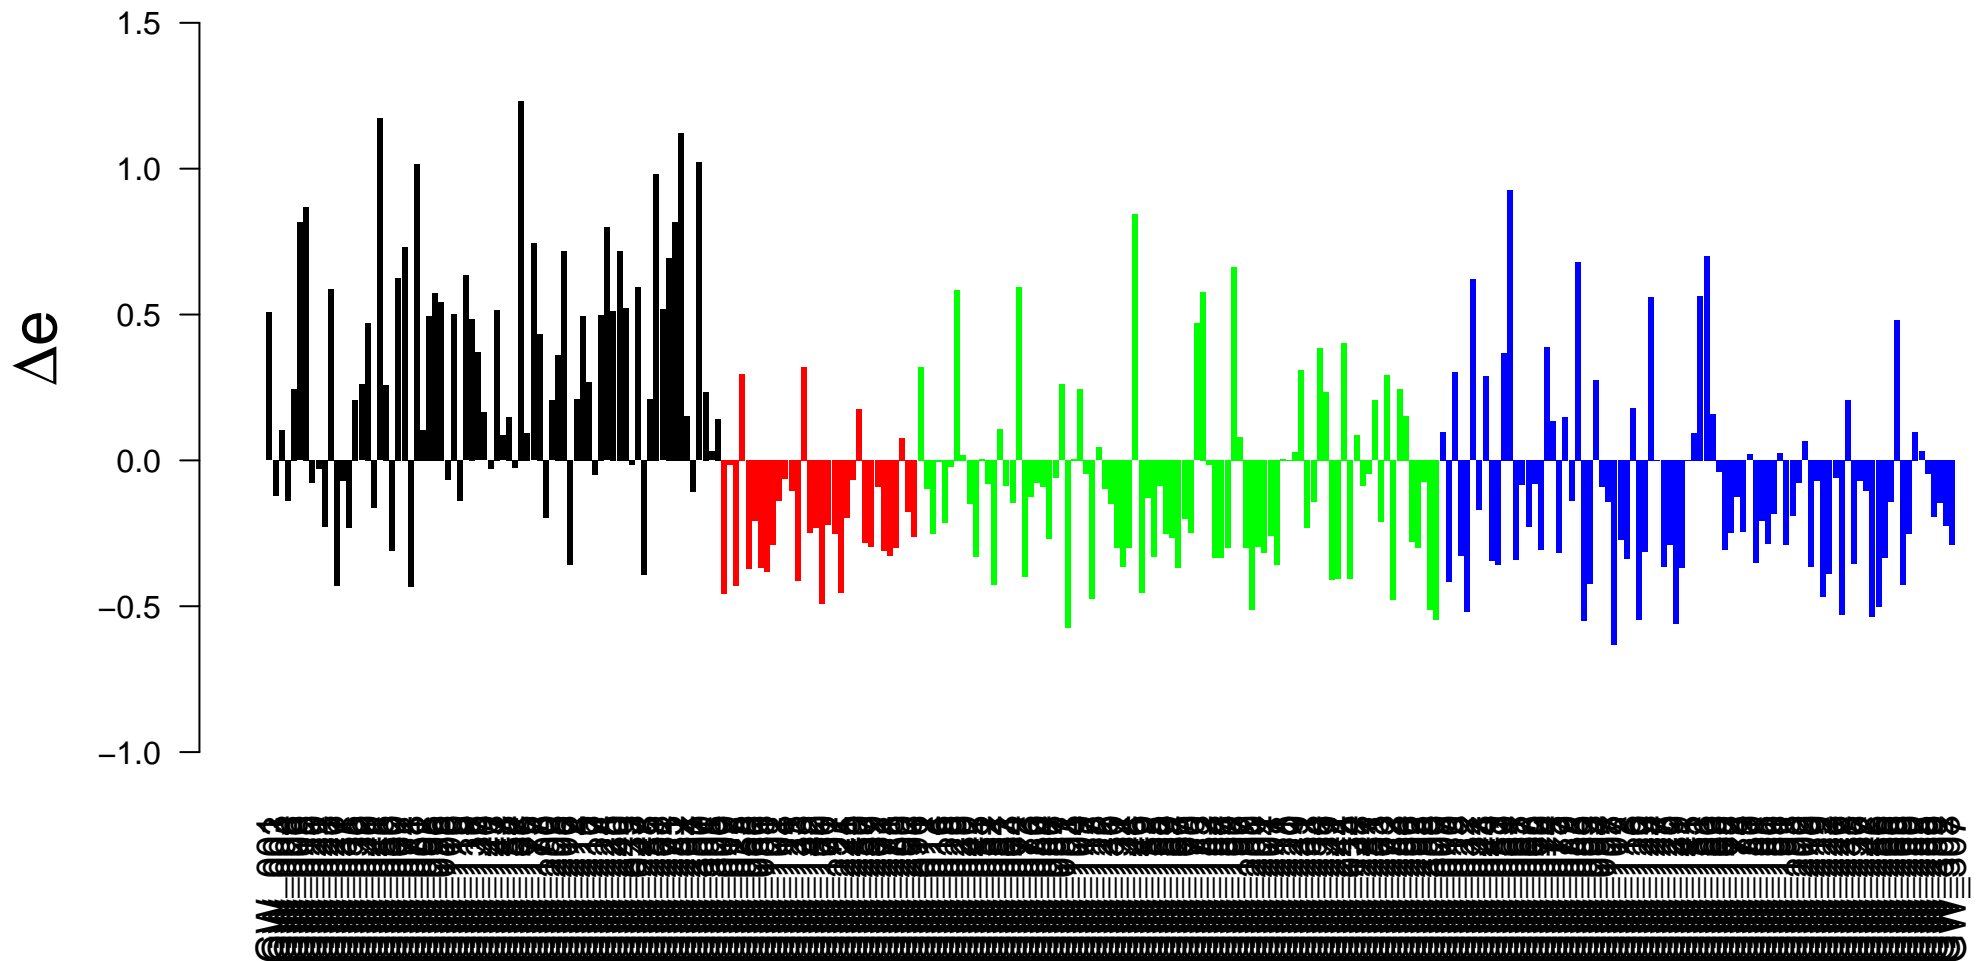

Expression of phosphoric diester hydrolase activity in Spot F

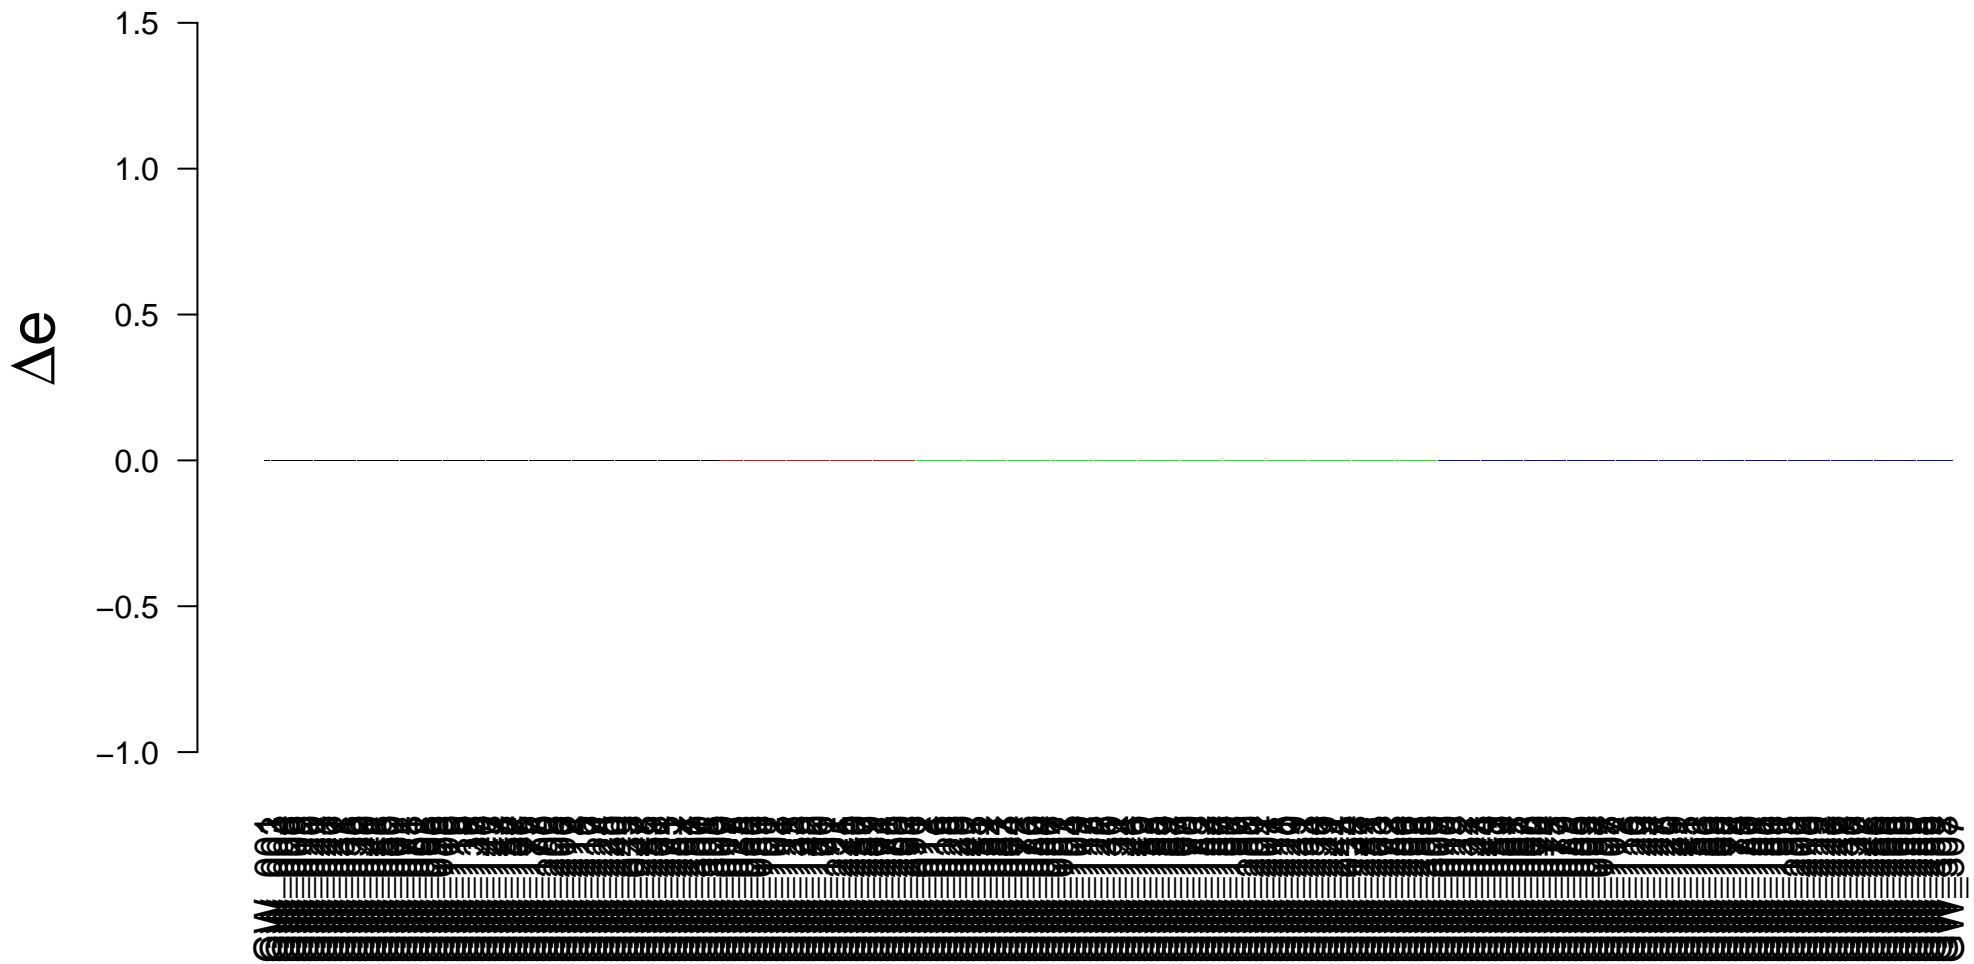

Expression of phosphoric diester hydrolase activity in Spot G

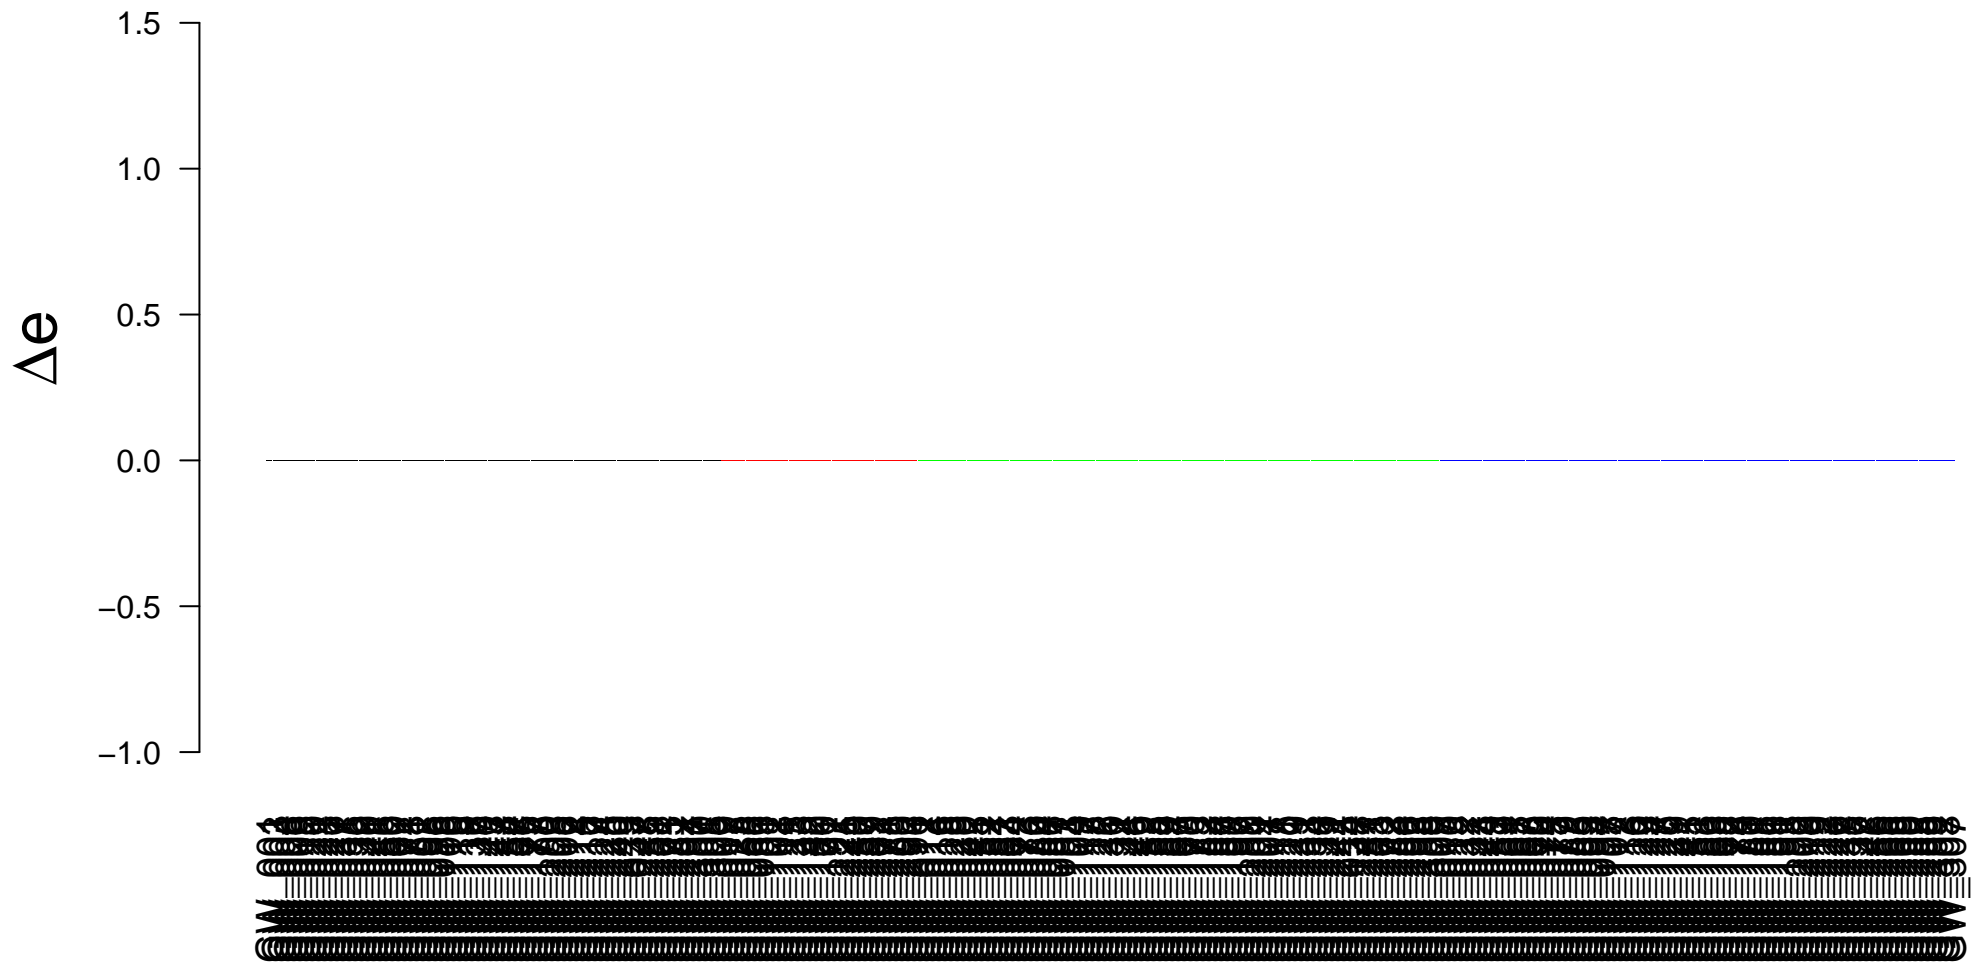

Expression of phosphoric diester hydrolase activity in Spot H

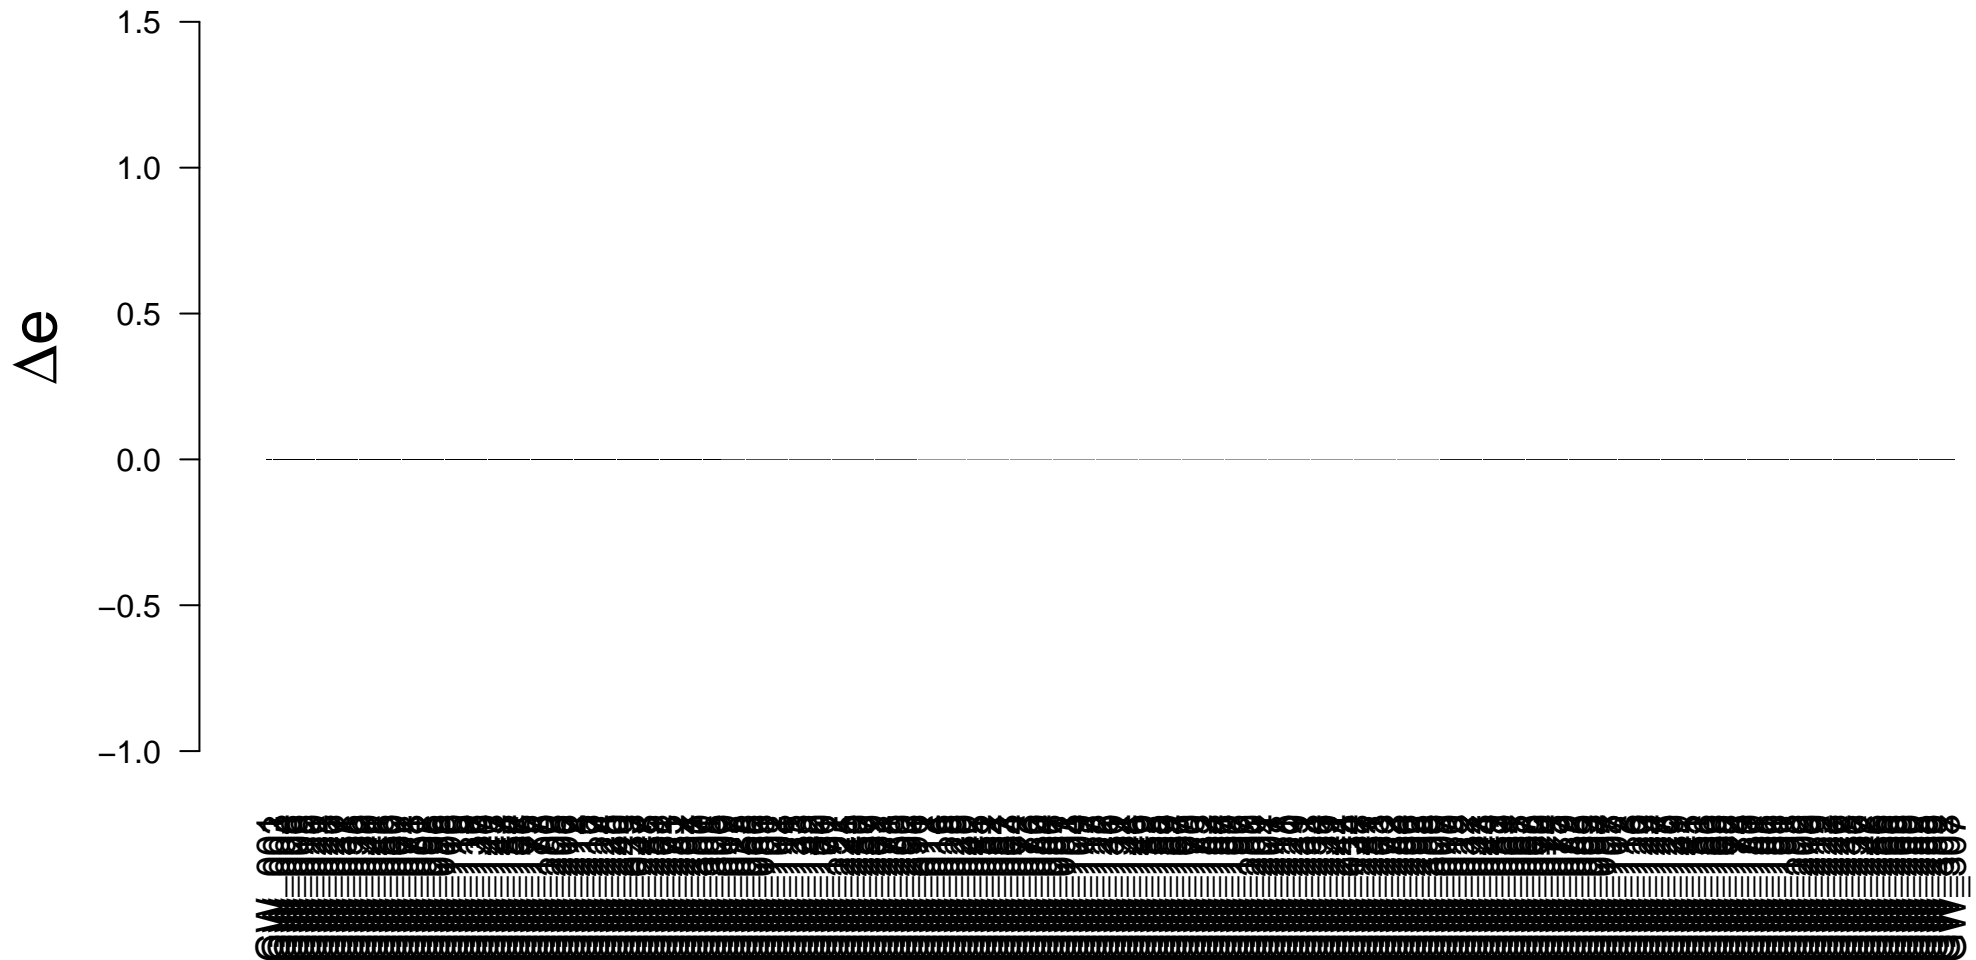

Expression of phosphoric diester hydrolase activity in Spot I

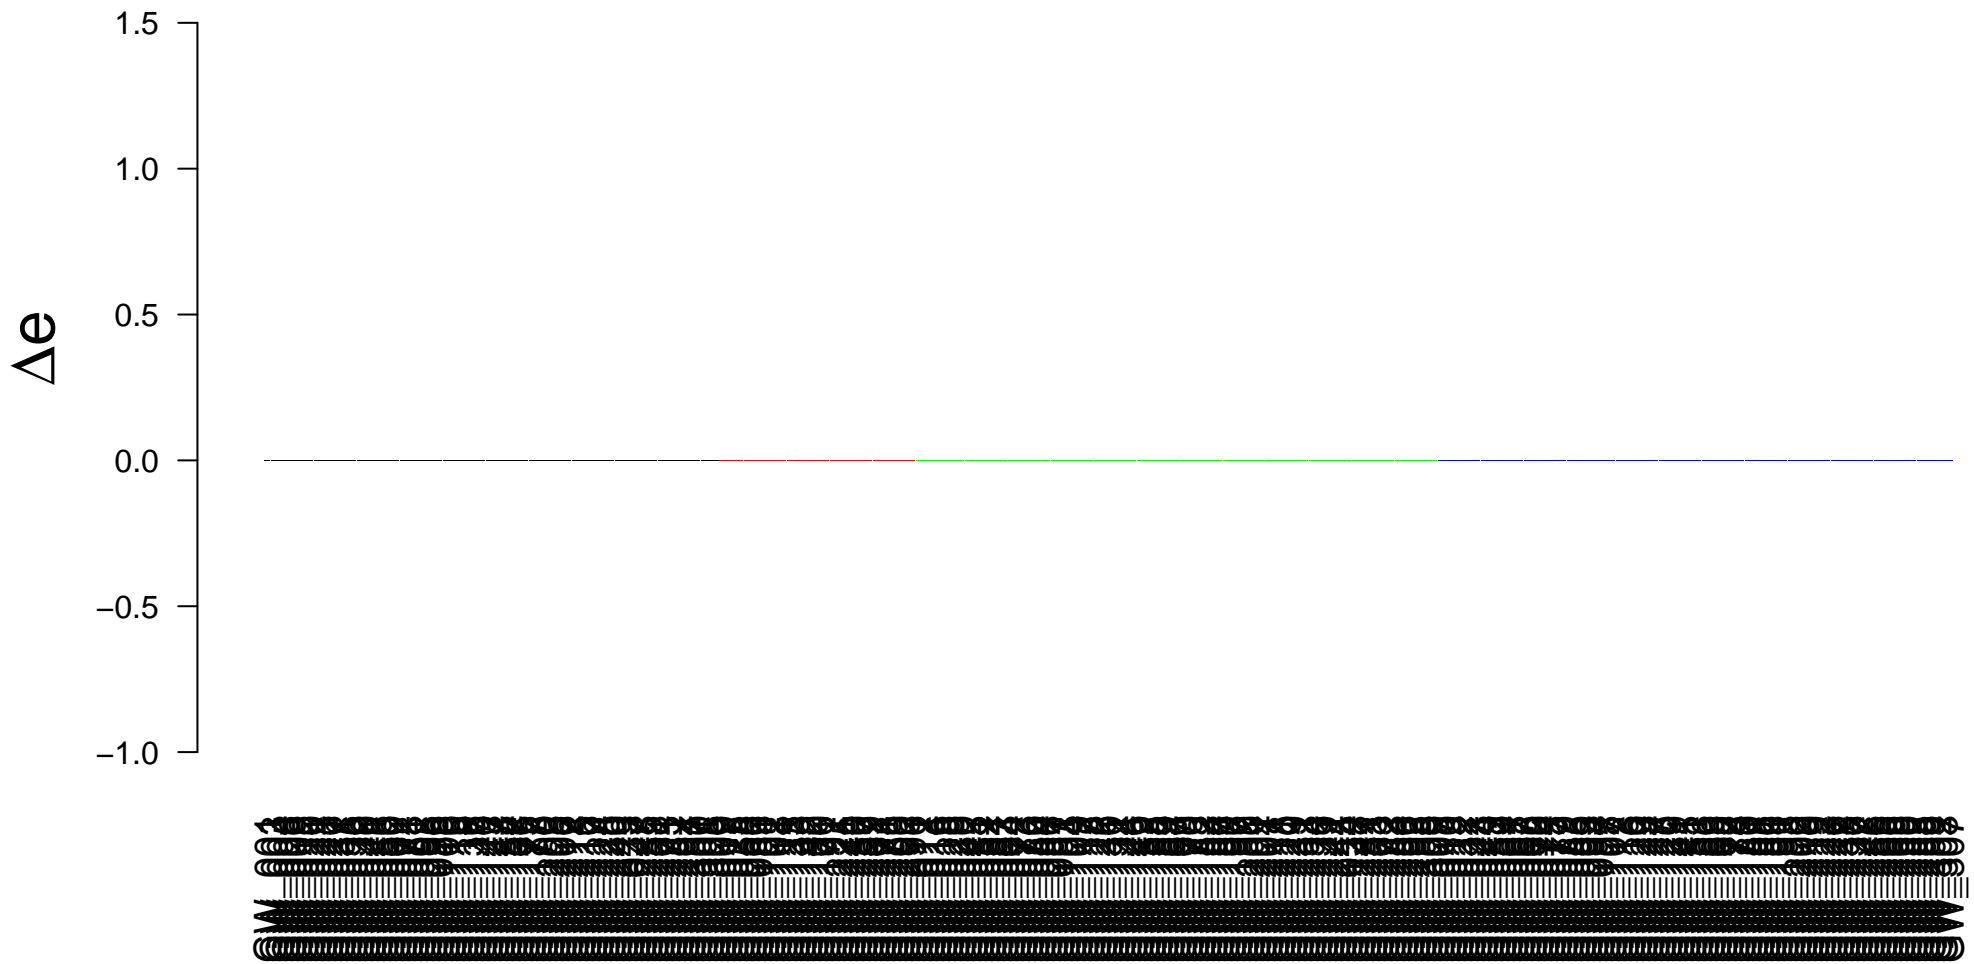

Expression of phosphoric diester hydrolase activity in Spot J

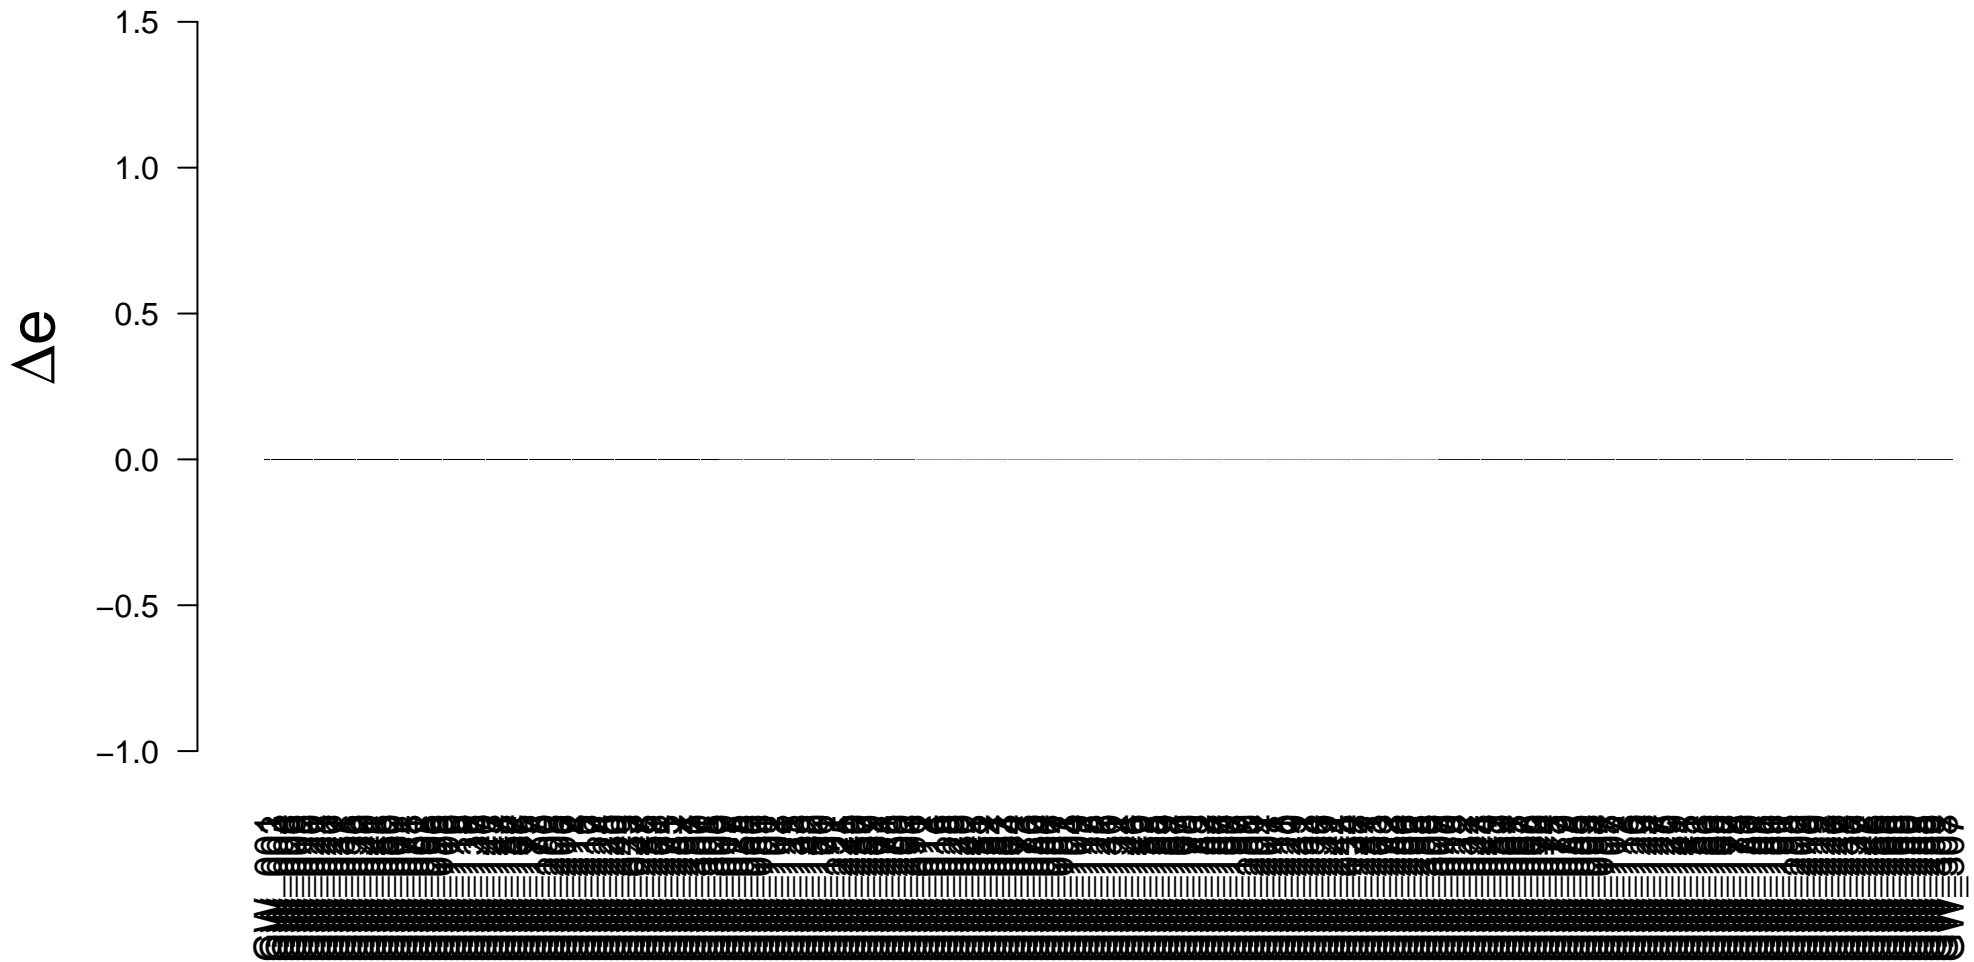

Expression of phosphoric diester hydrolase activity in Spot K

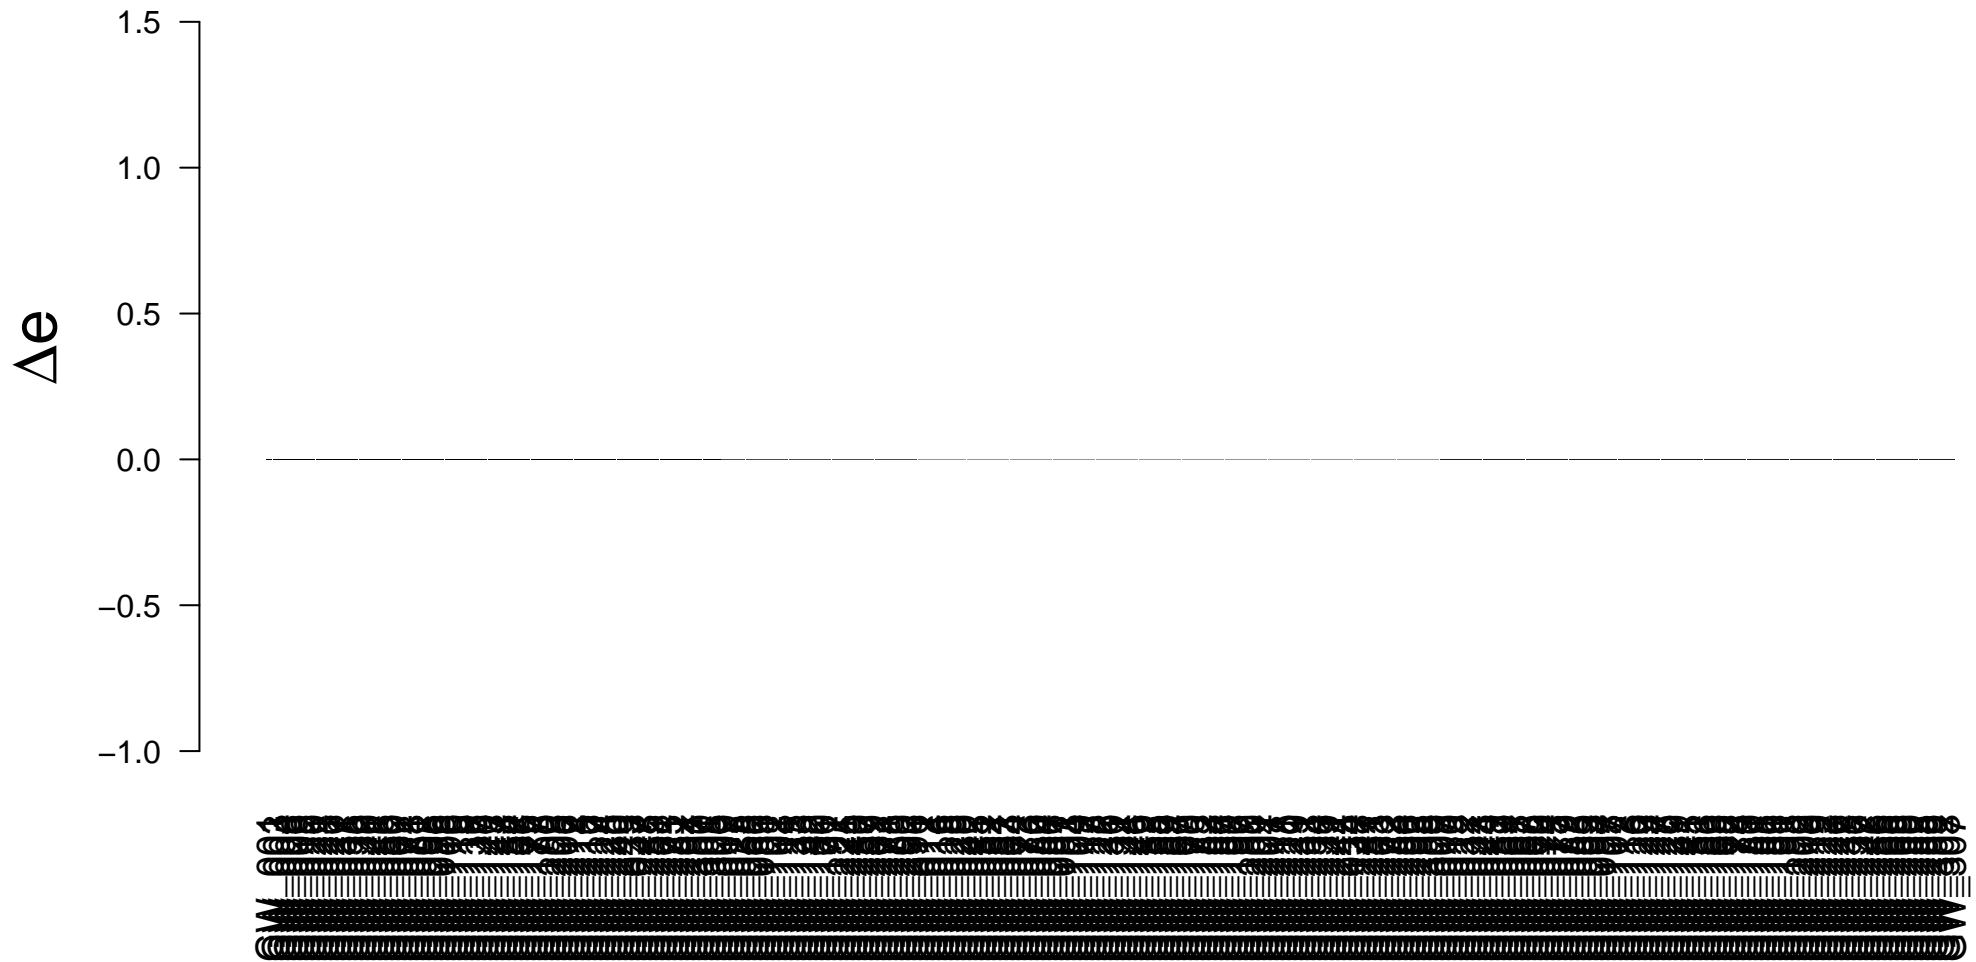

Expression of phosphoric diester hydrolase activity in Spot L

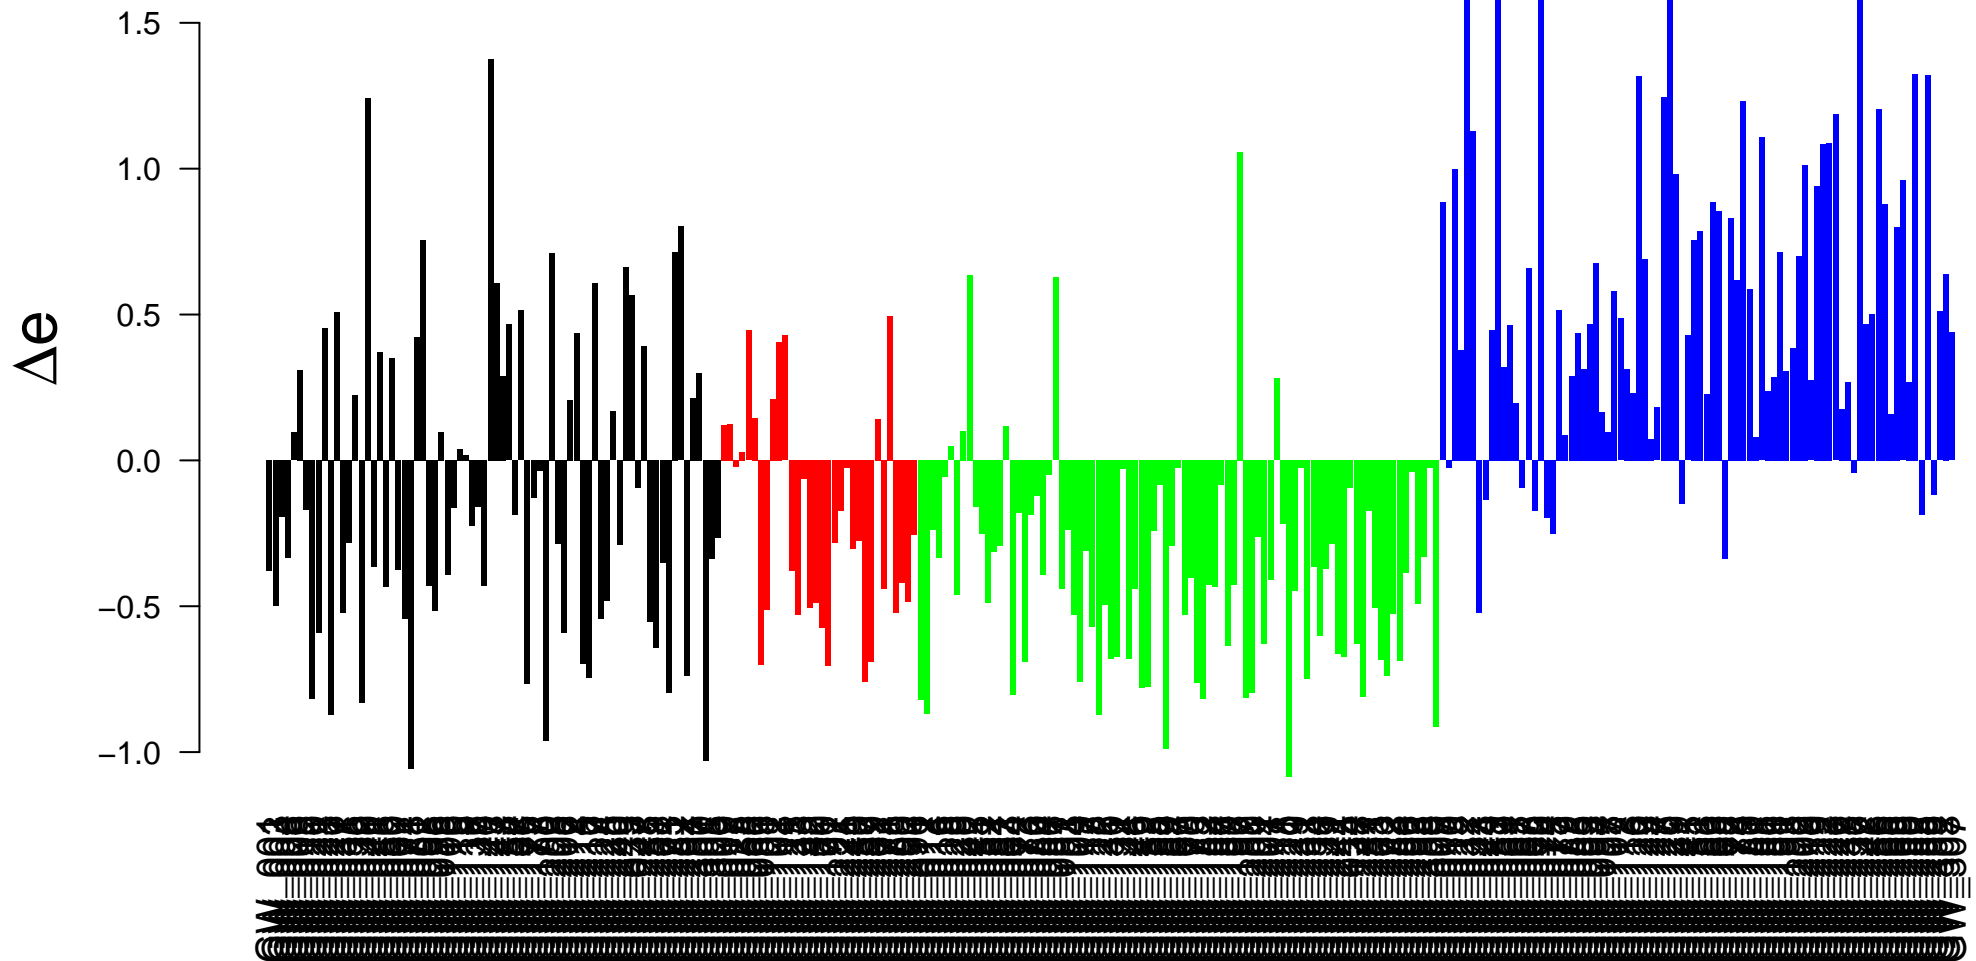

Expression of phosphoric diester hydrolase activity in Spot M

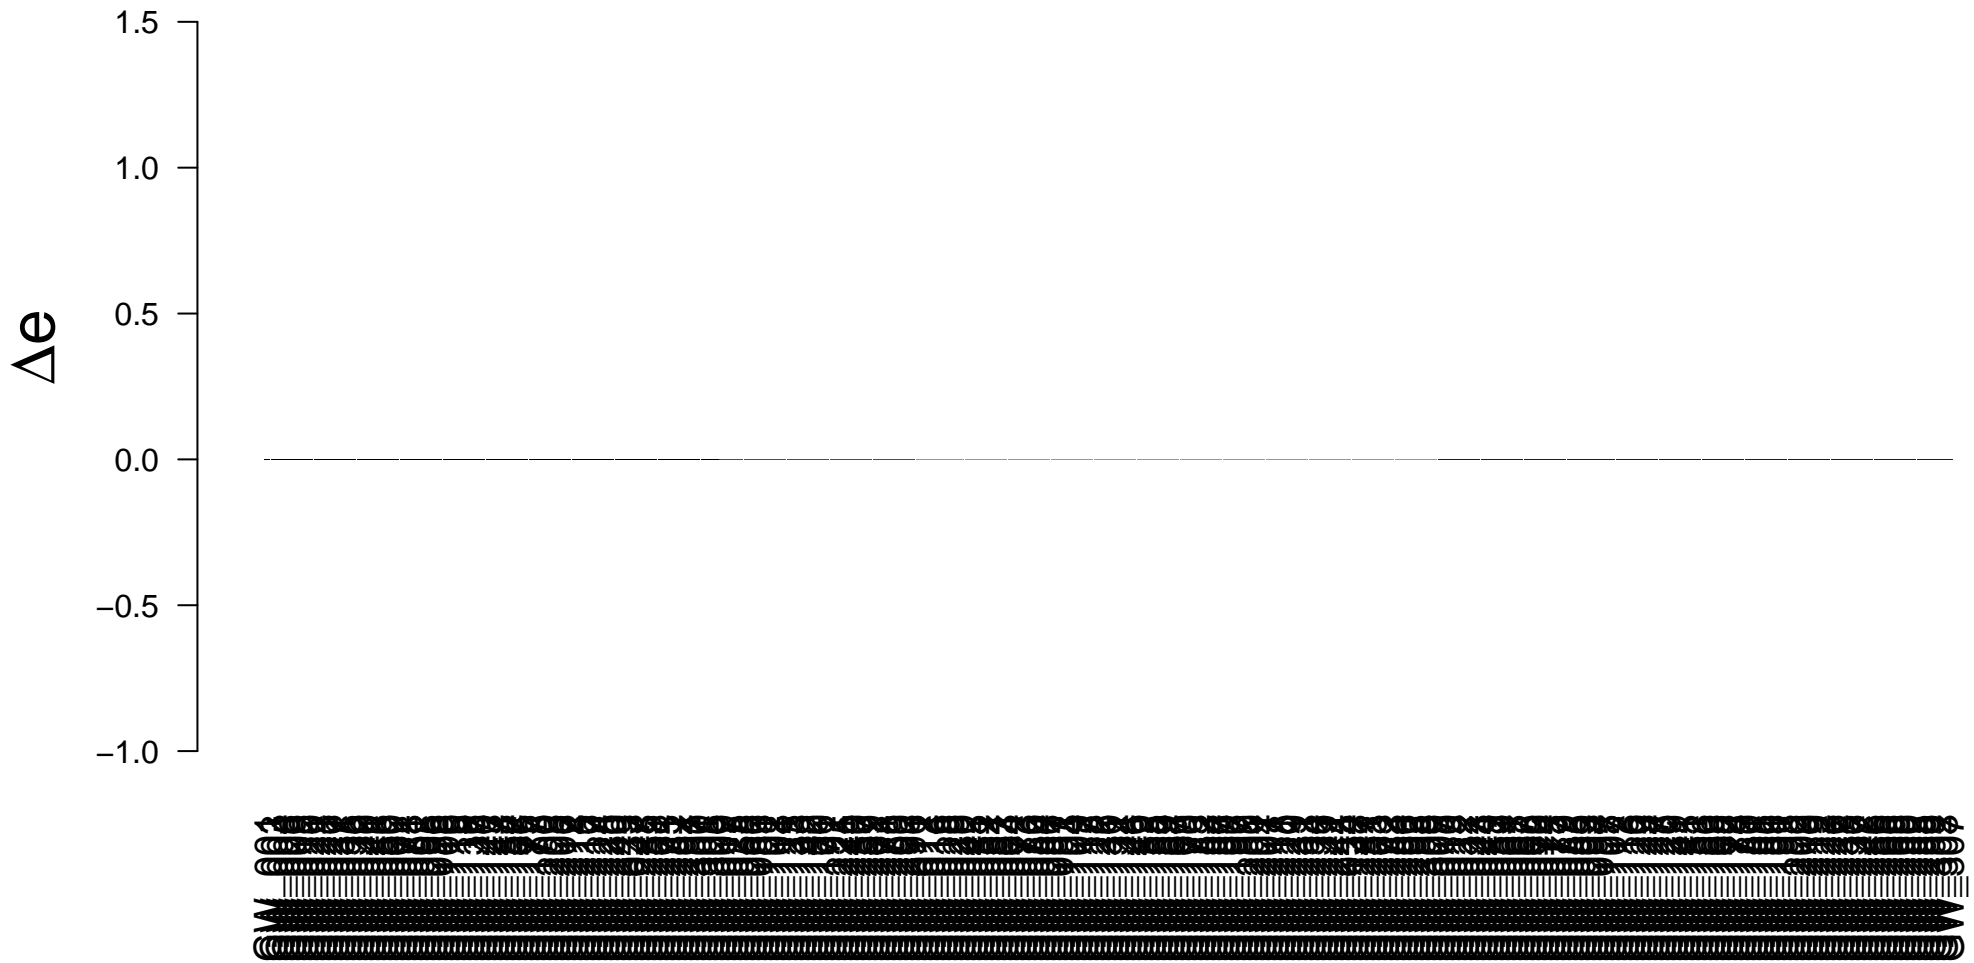

Expression of phosphoric diester hydrolase activity in Spot N

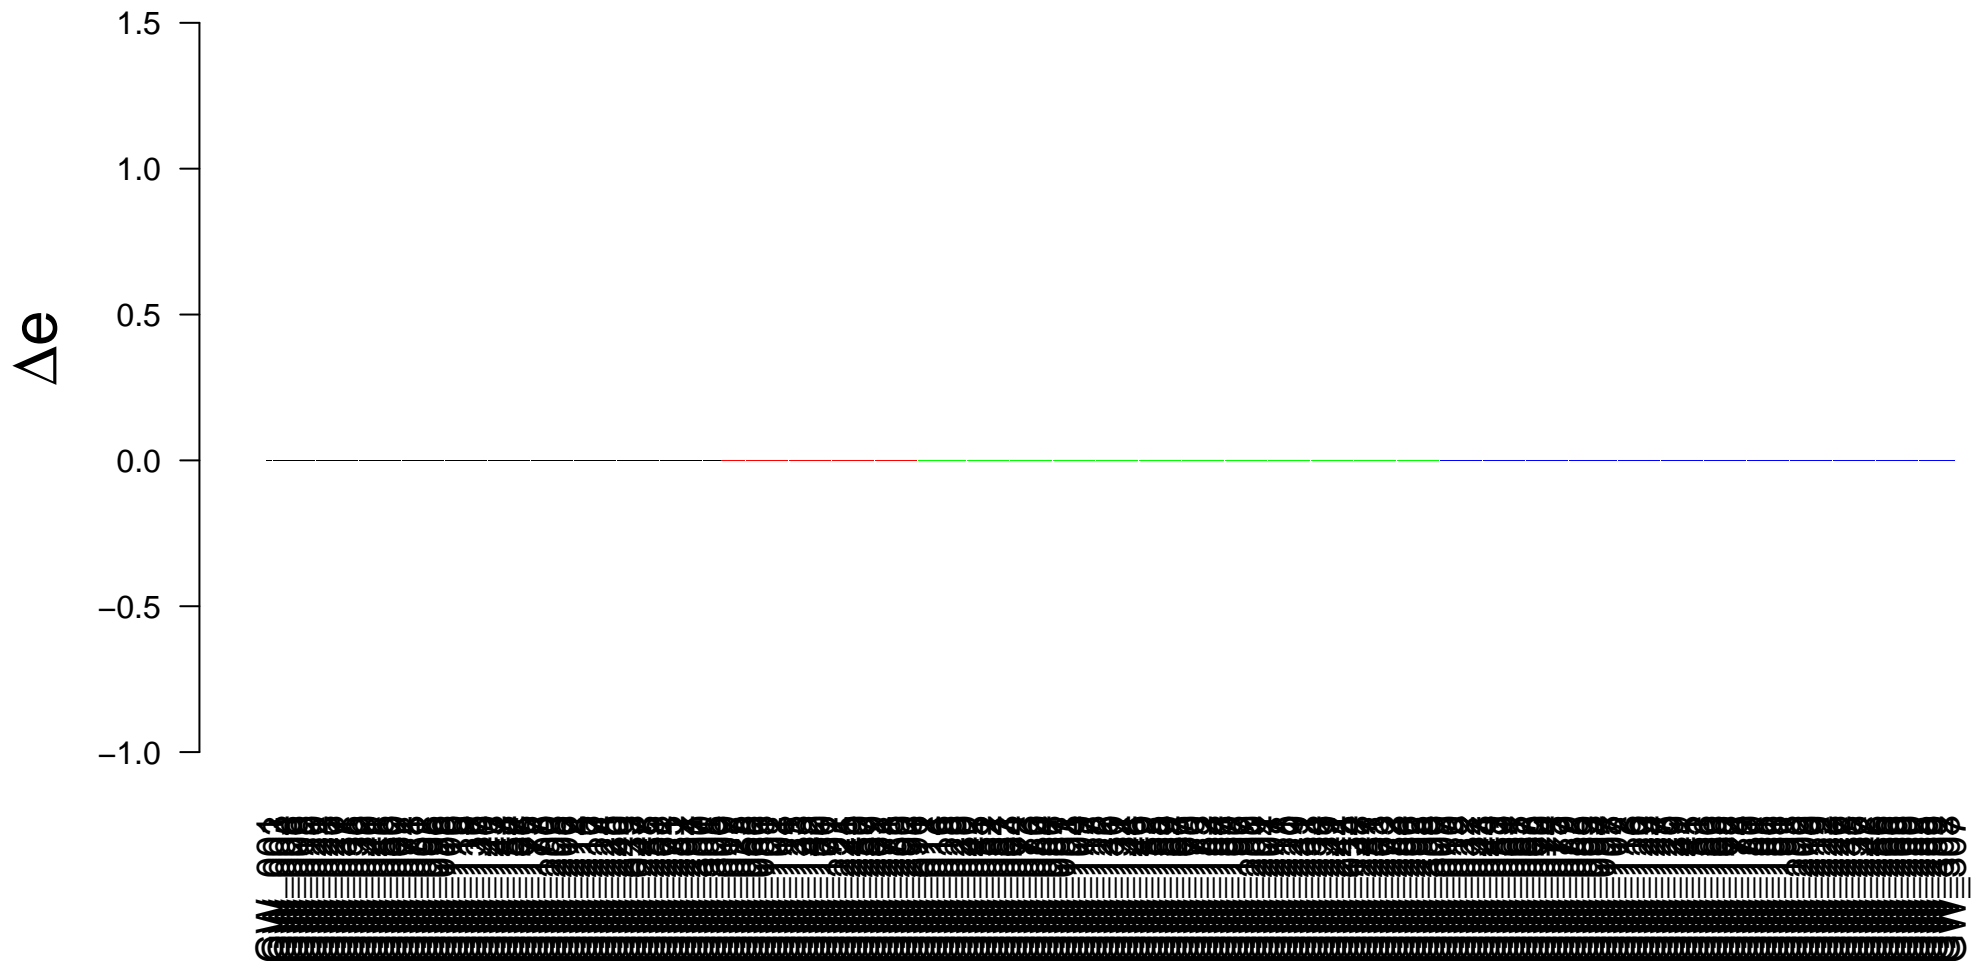

Expression of phosphoric diester hydrolase activity in Spot O

Expression of phosphoric diester hydrolase activity in Spot P

Expression of phosphoric diester hydrolase activity in Spot Q

Expression of phosphoric diester hydrolase activity in Spot R
