

phosphotransferase activity, alcohol group as acceptor

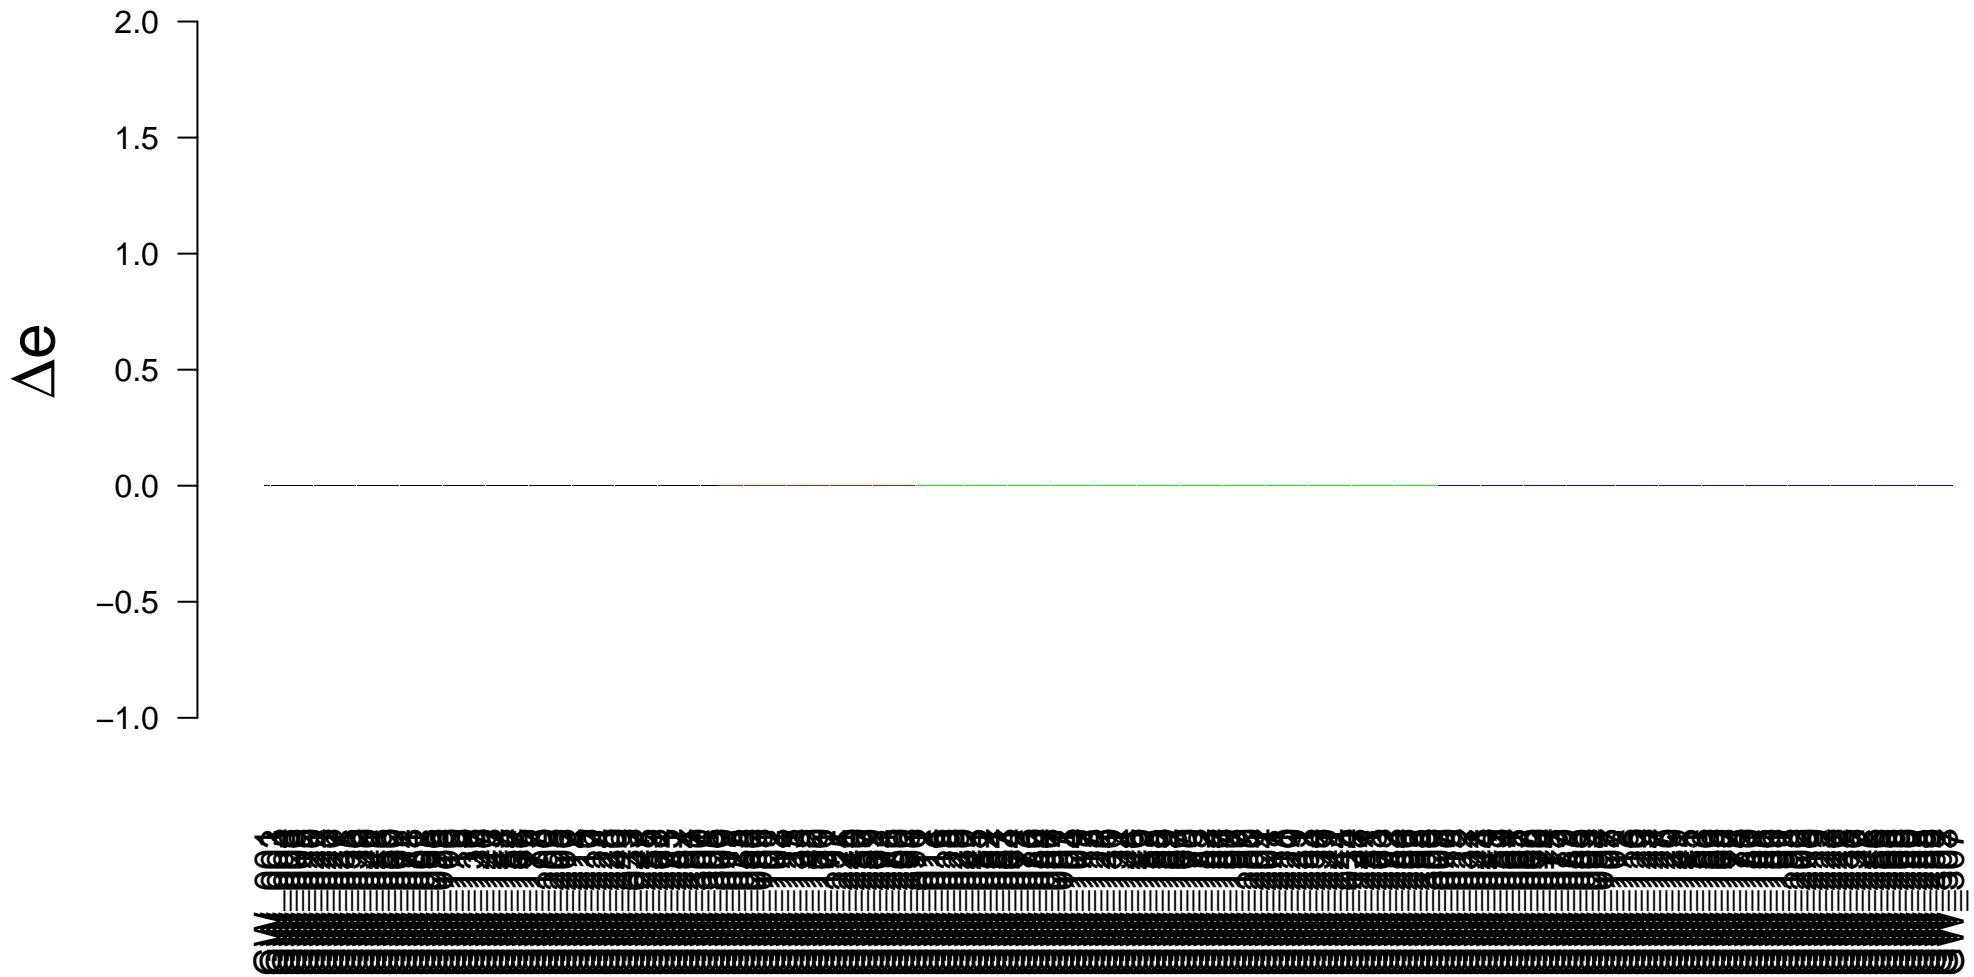

phosphotransferase activity, alcohol group as acceptor

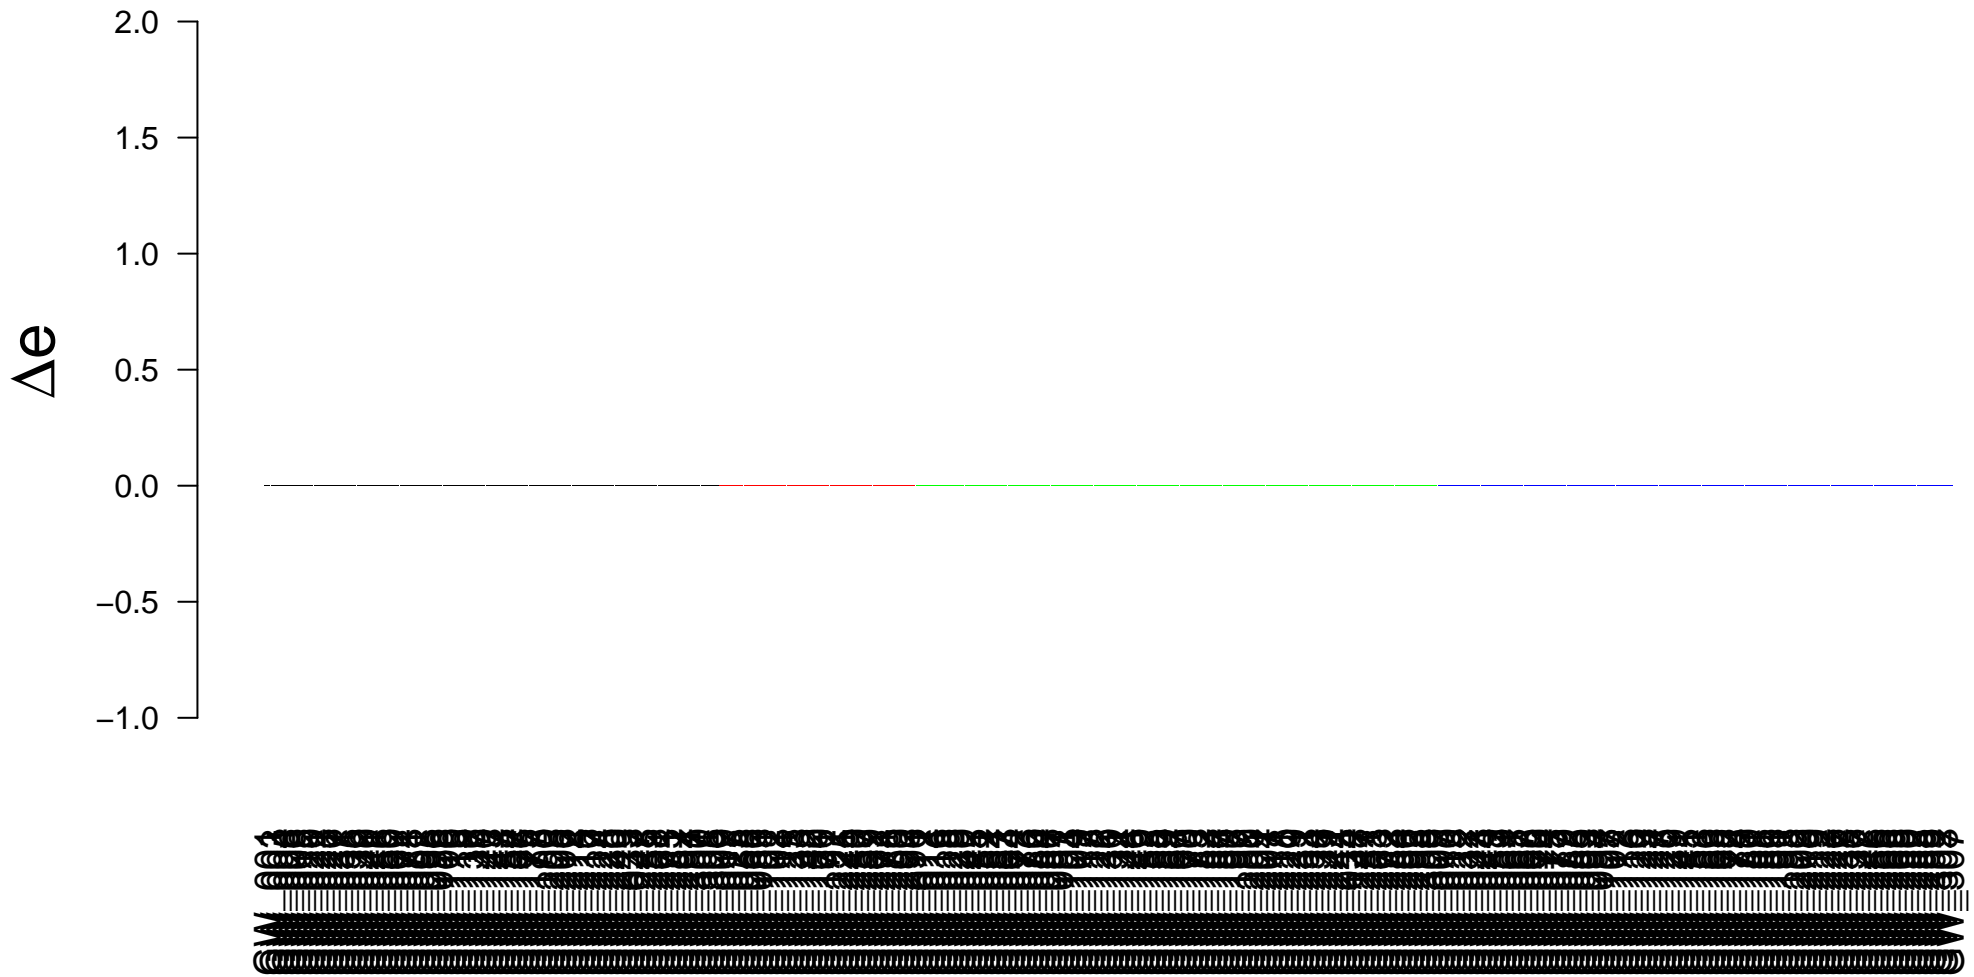

Enrichment in spots: phosphotransferase activity, alcohol group as acceptor

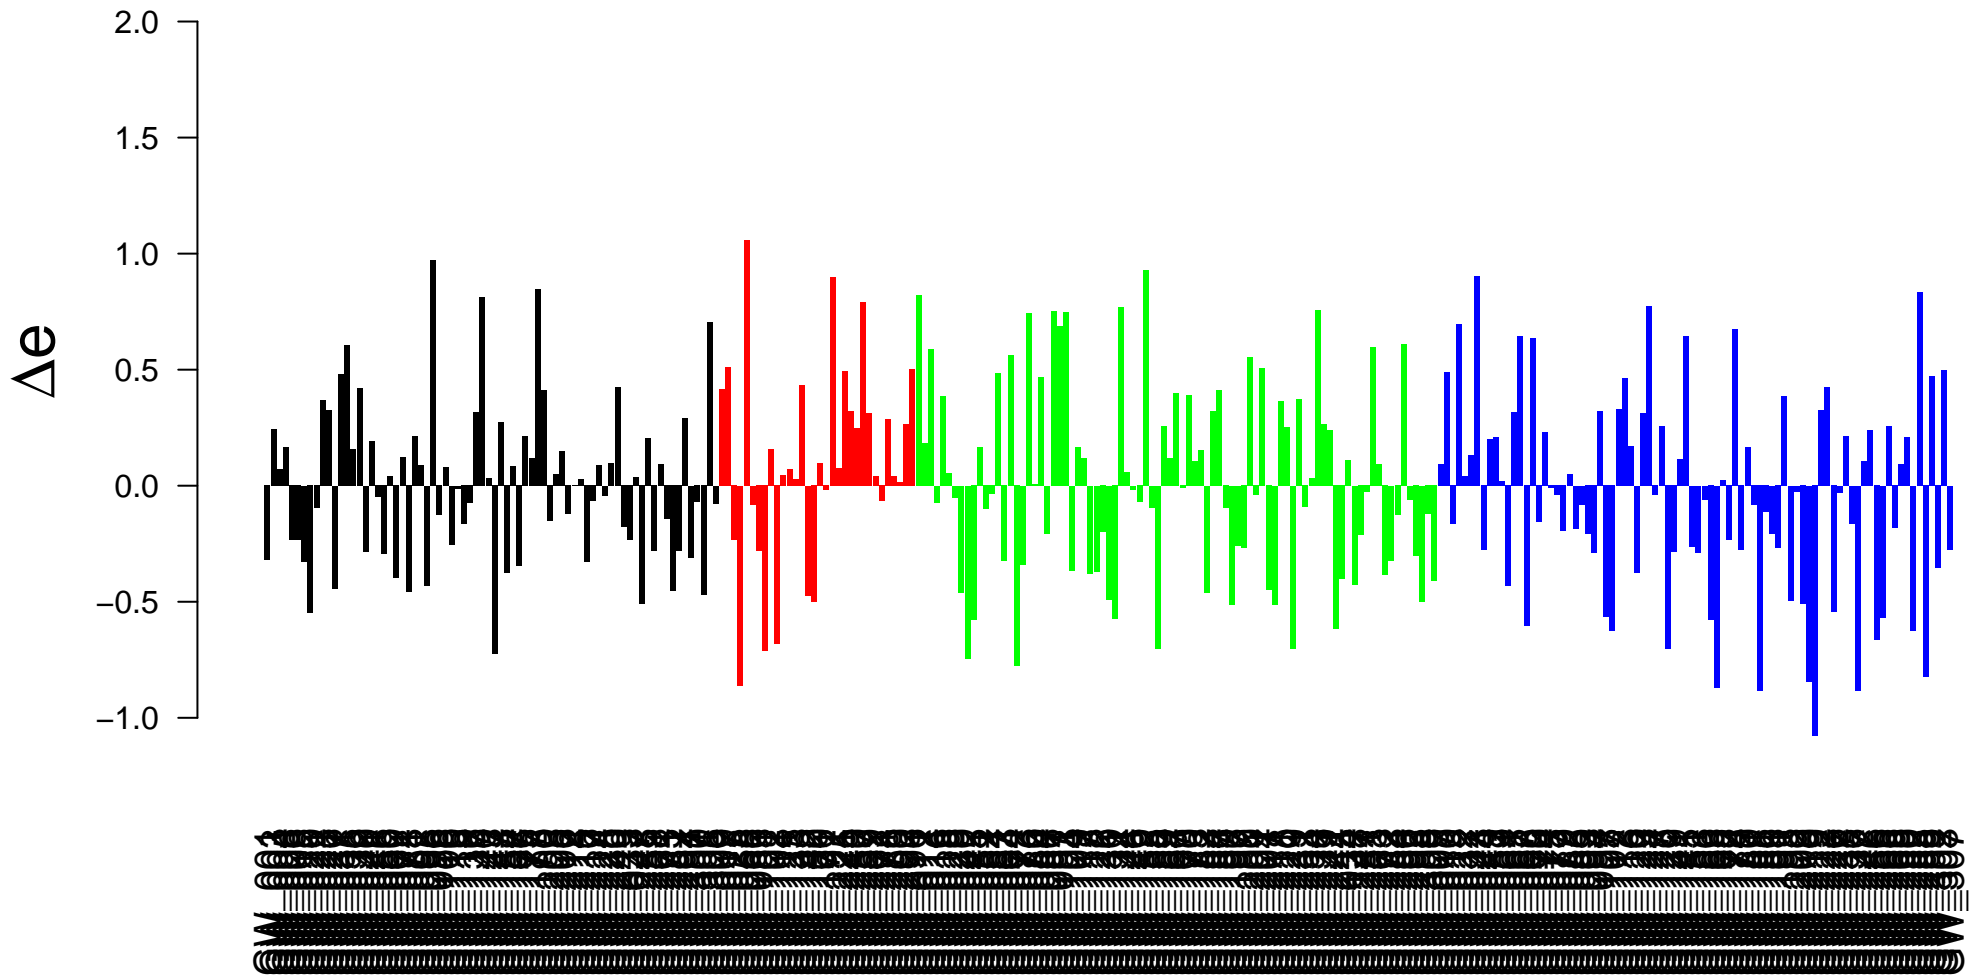

Expression of phosphotransferase activity, alcohol group as acceptor in Spot A

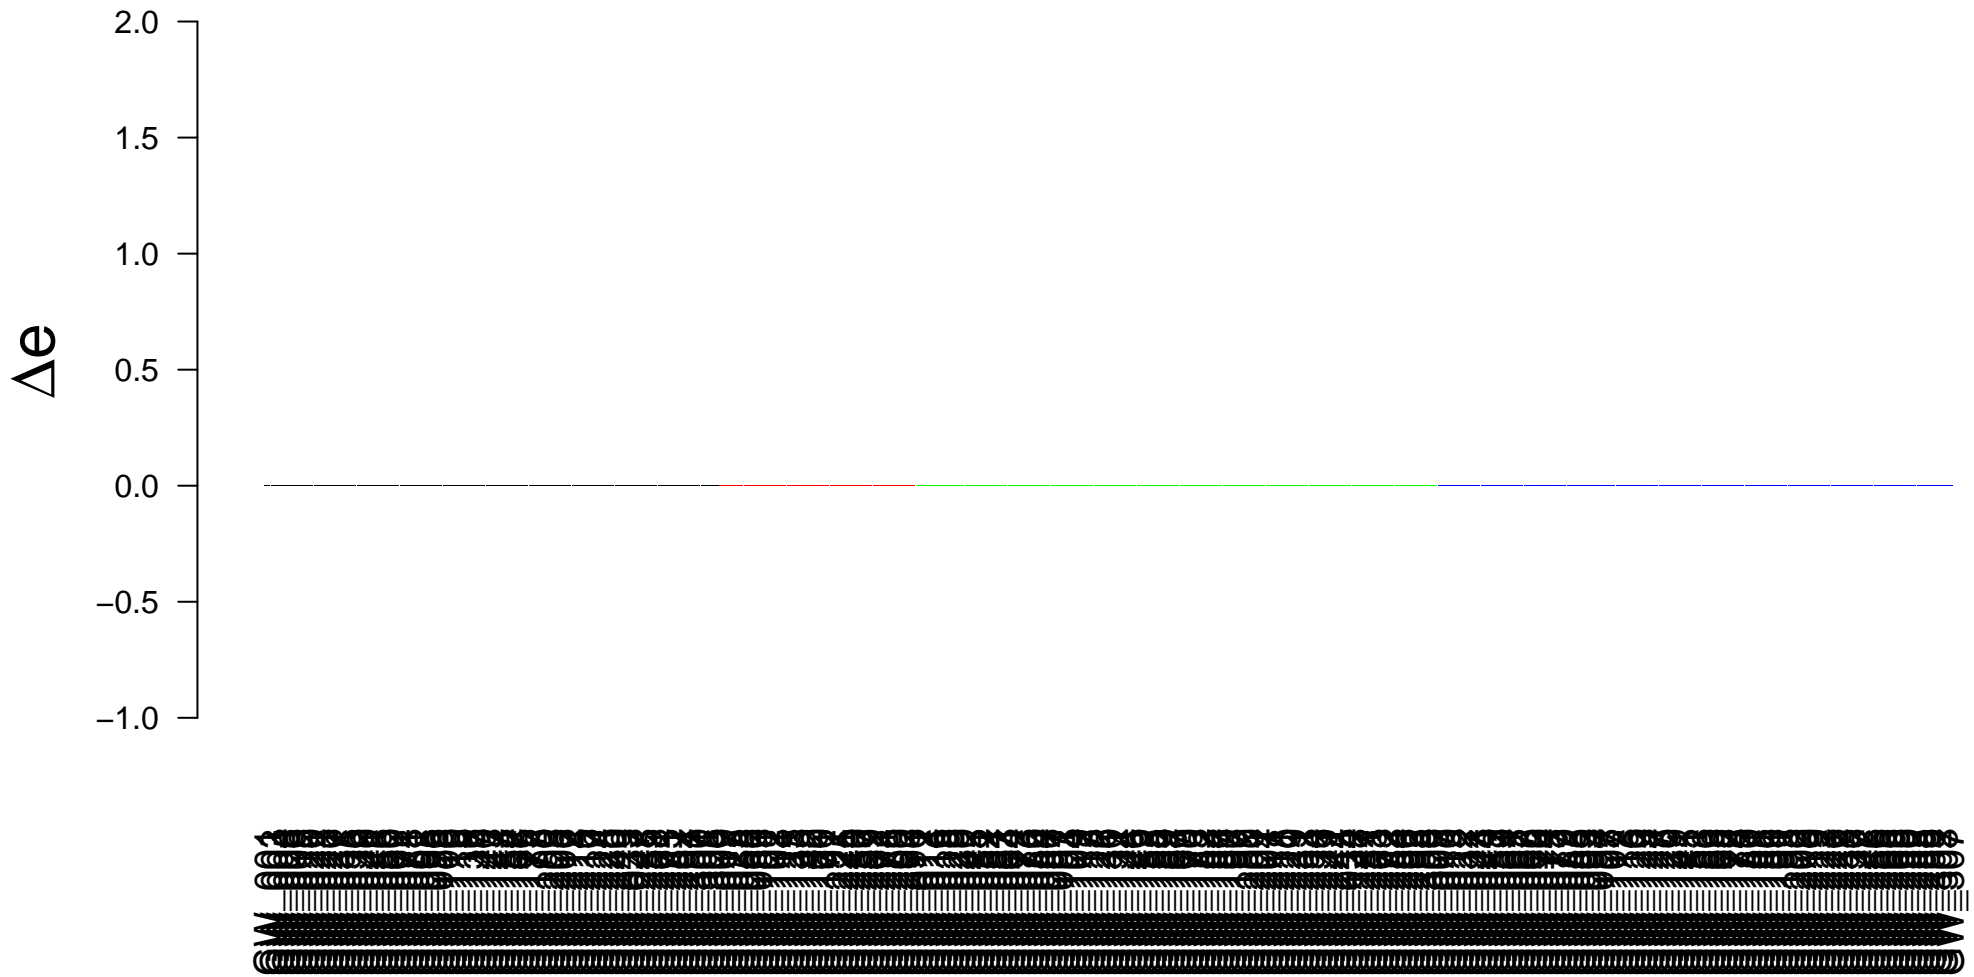

Expression of phosphotransferase activity, alcohol group as acceptor in Spot B

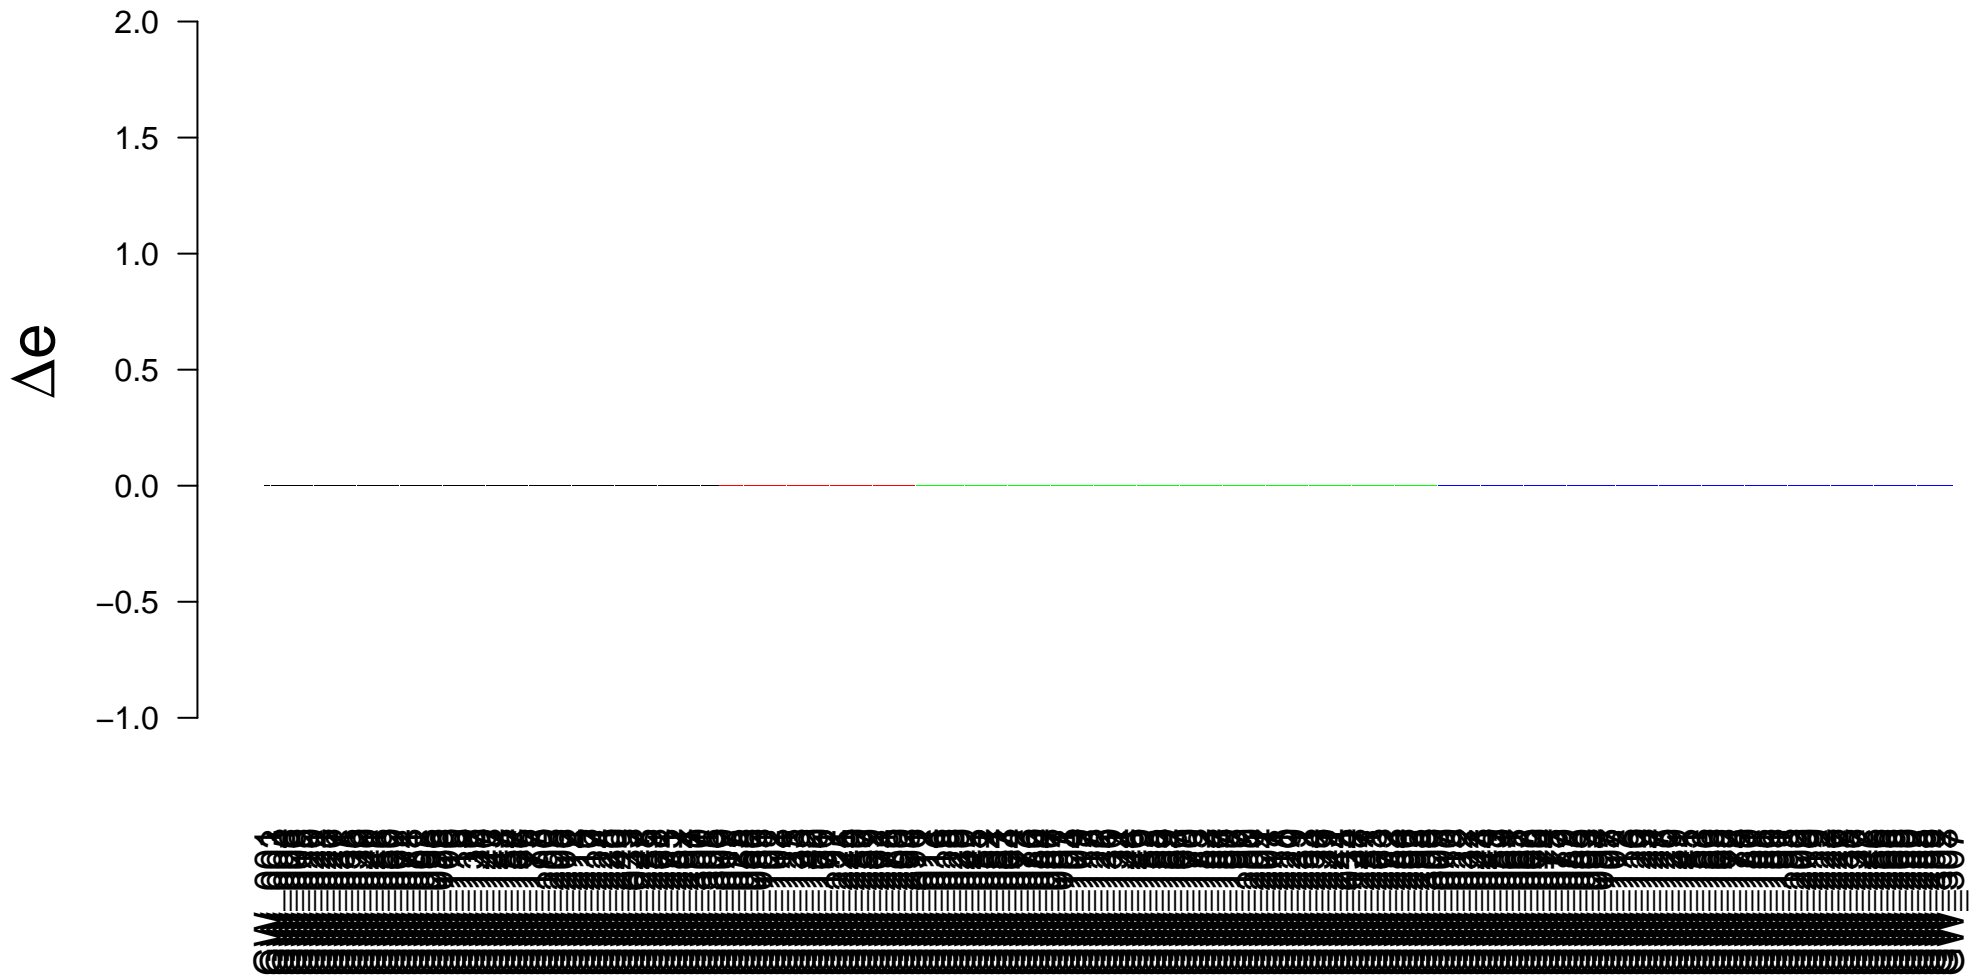

Expression of phosphotransferase activity, alcohol group as acceptor in Spot C

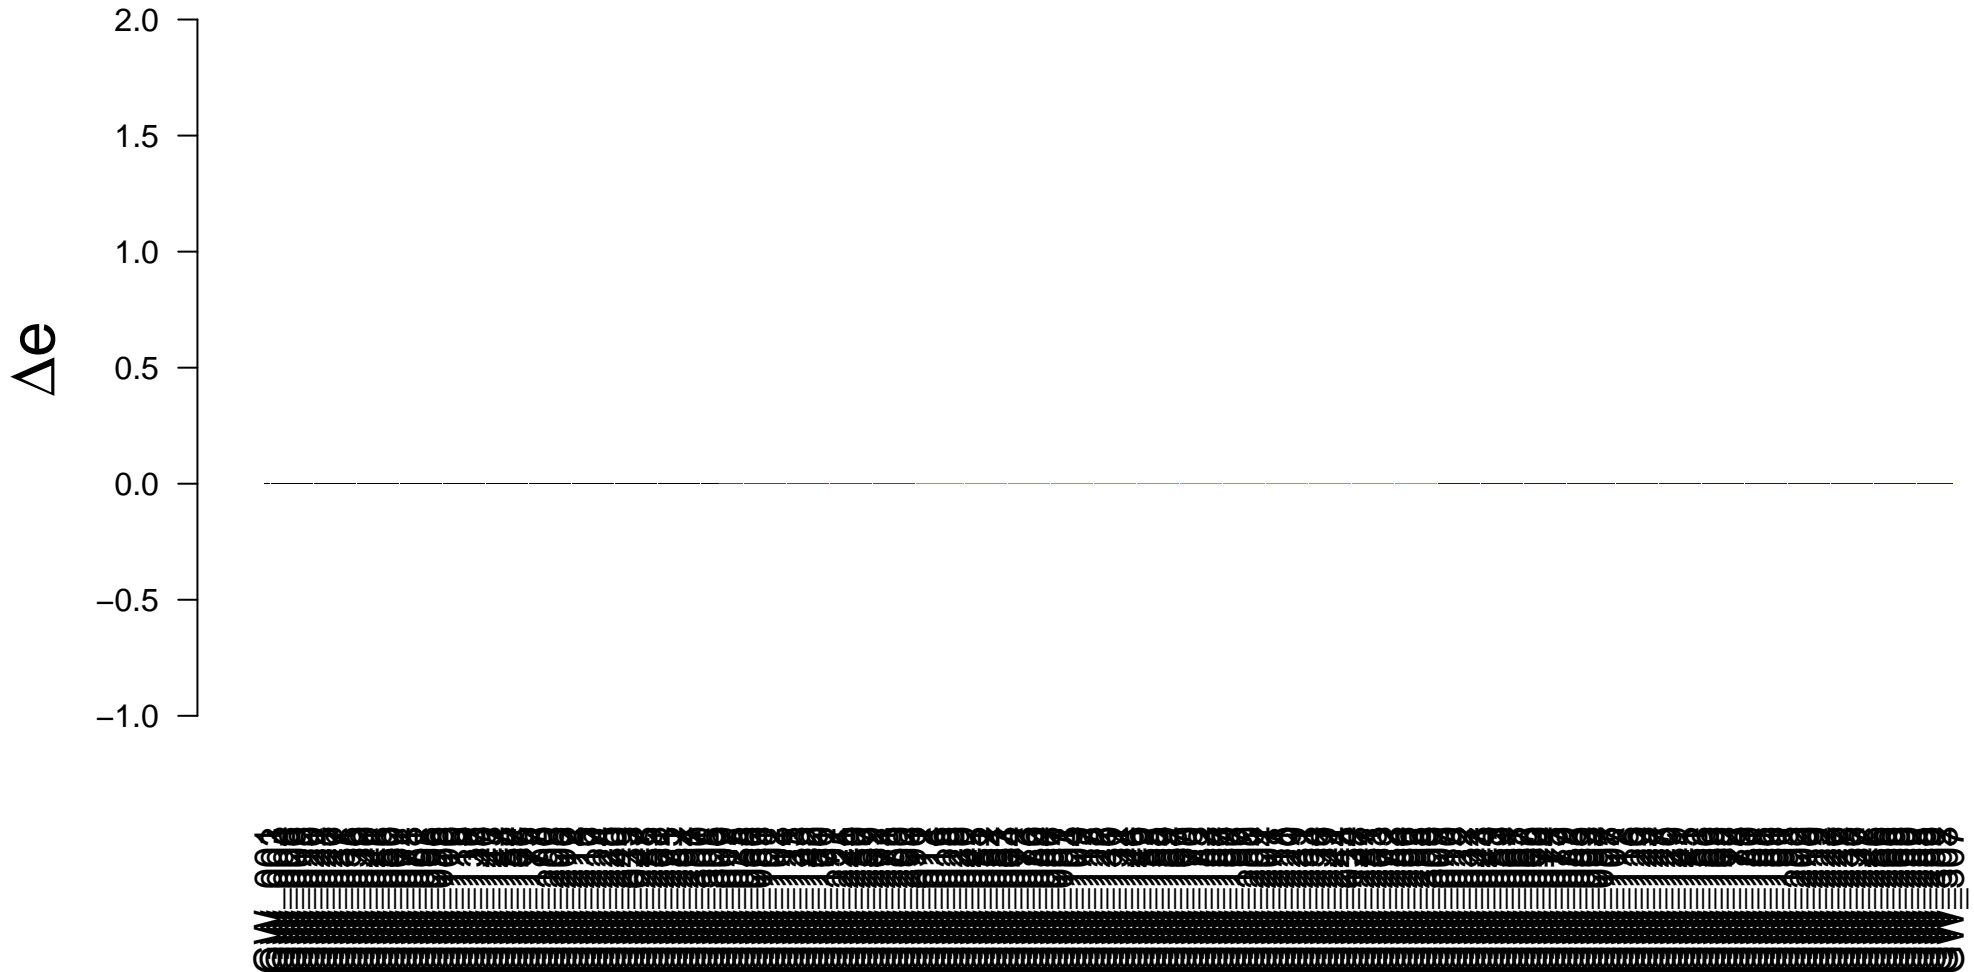

Expression of phosphotransferase activity, alcohol group as acceptor in Spot D

Expression of phosphotransferase activity, alcohol group as acceptor in Spot E

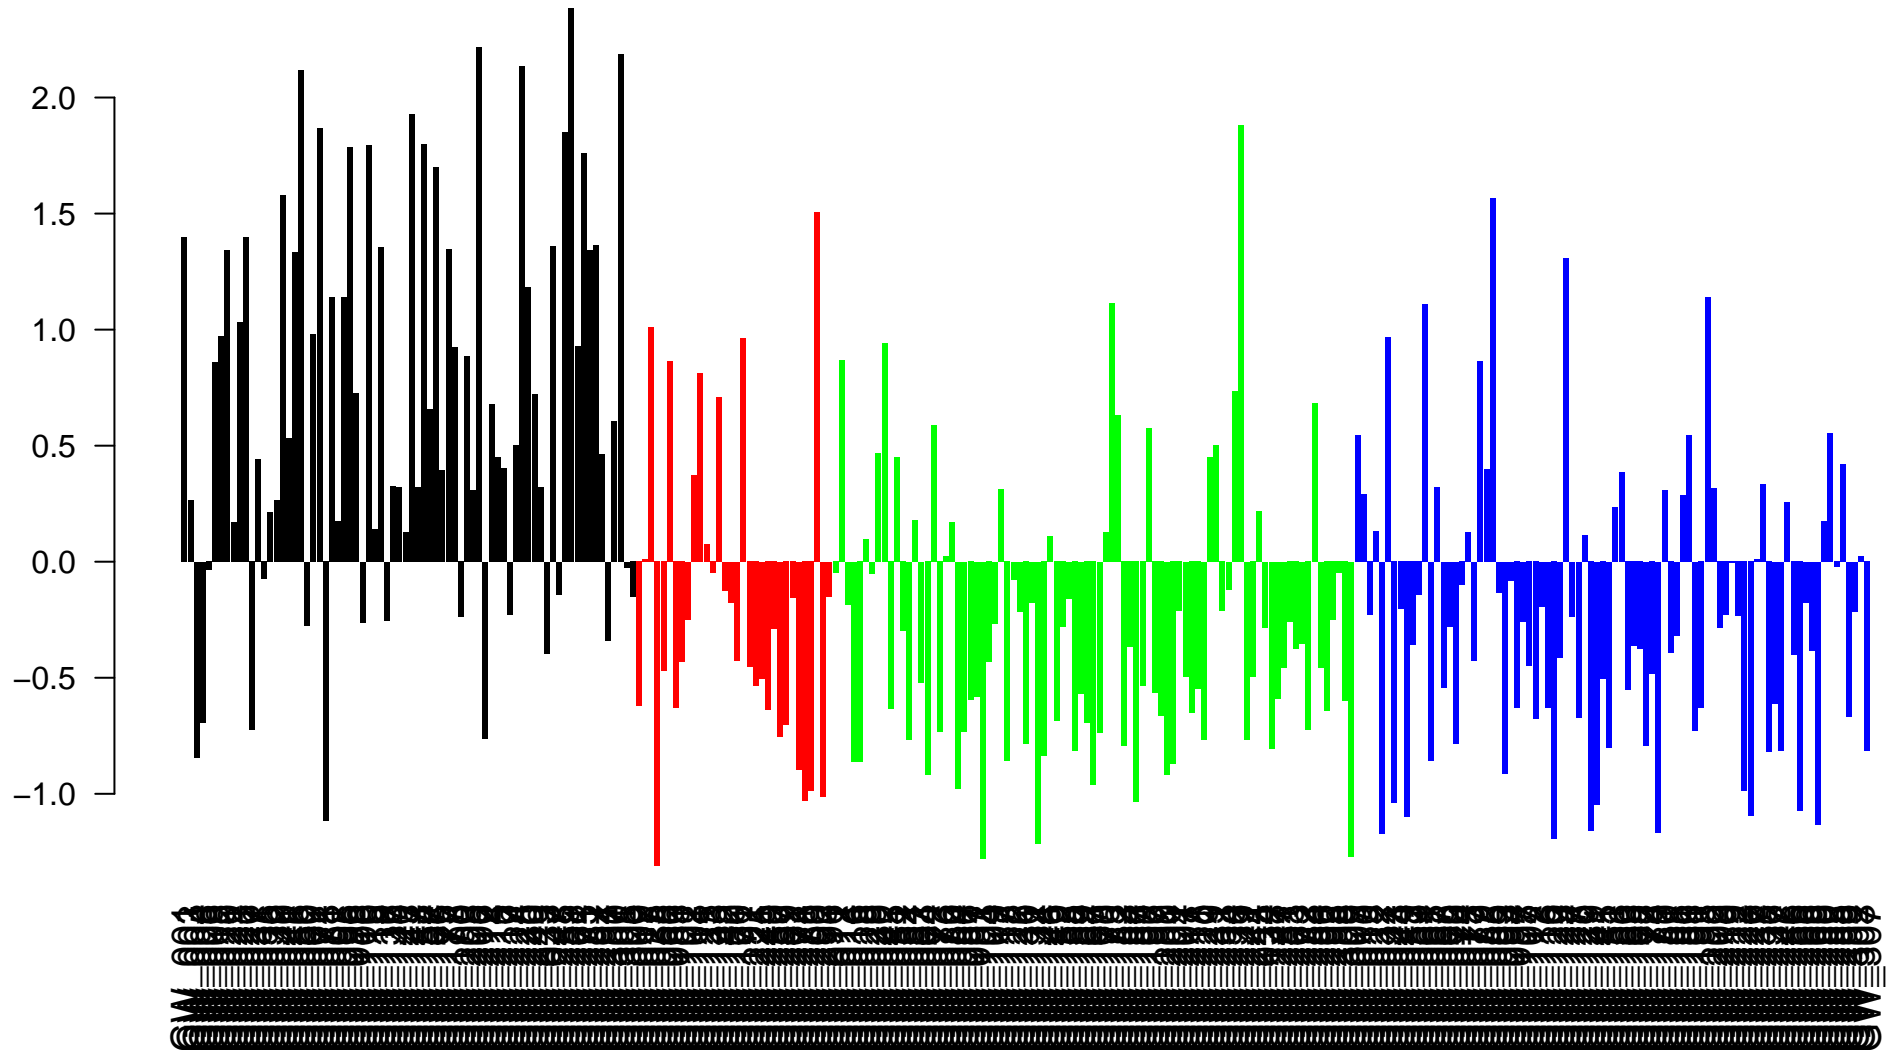

Expression of phosphotransferase activity, alcohol group as acceptor in Spot F

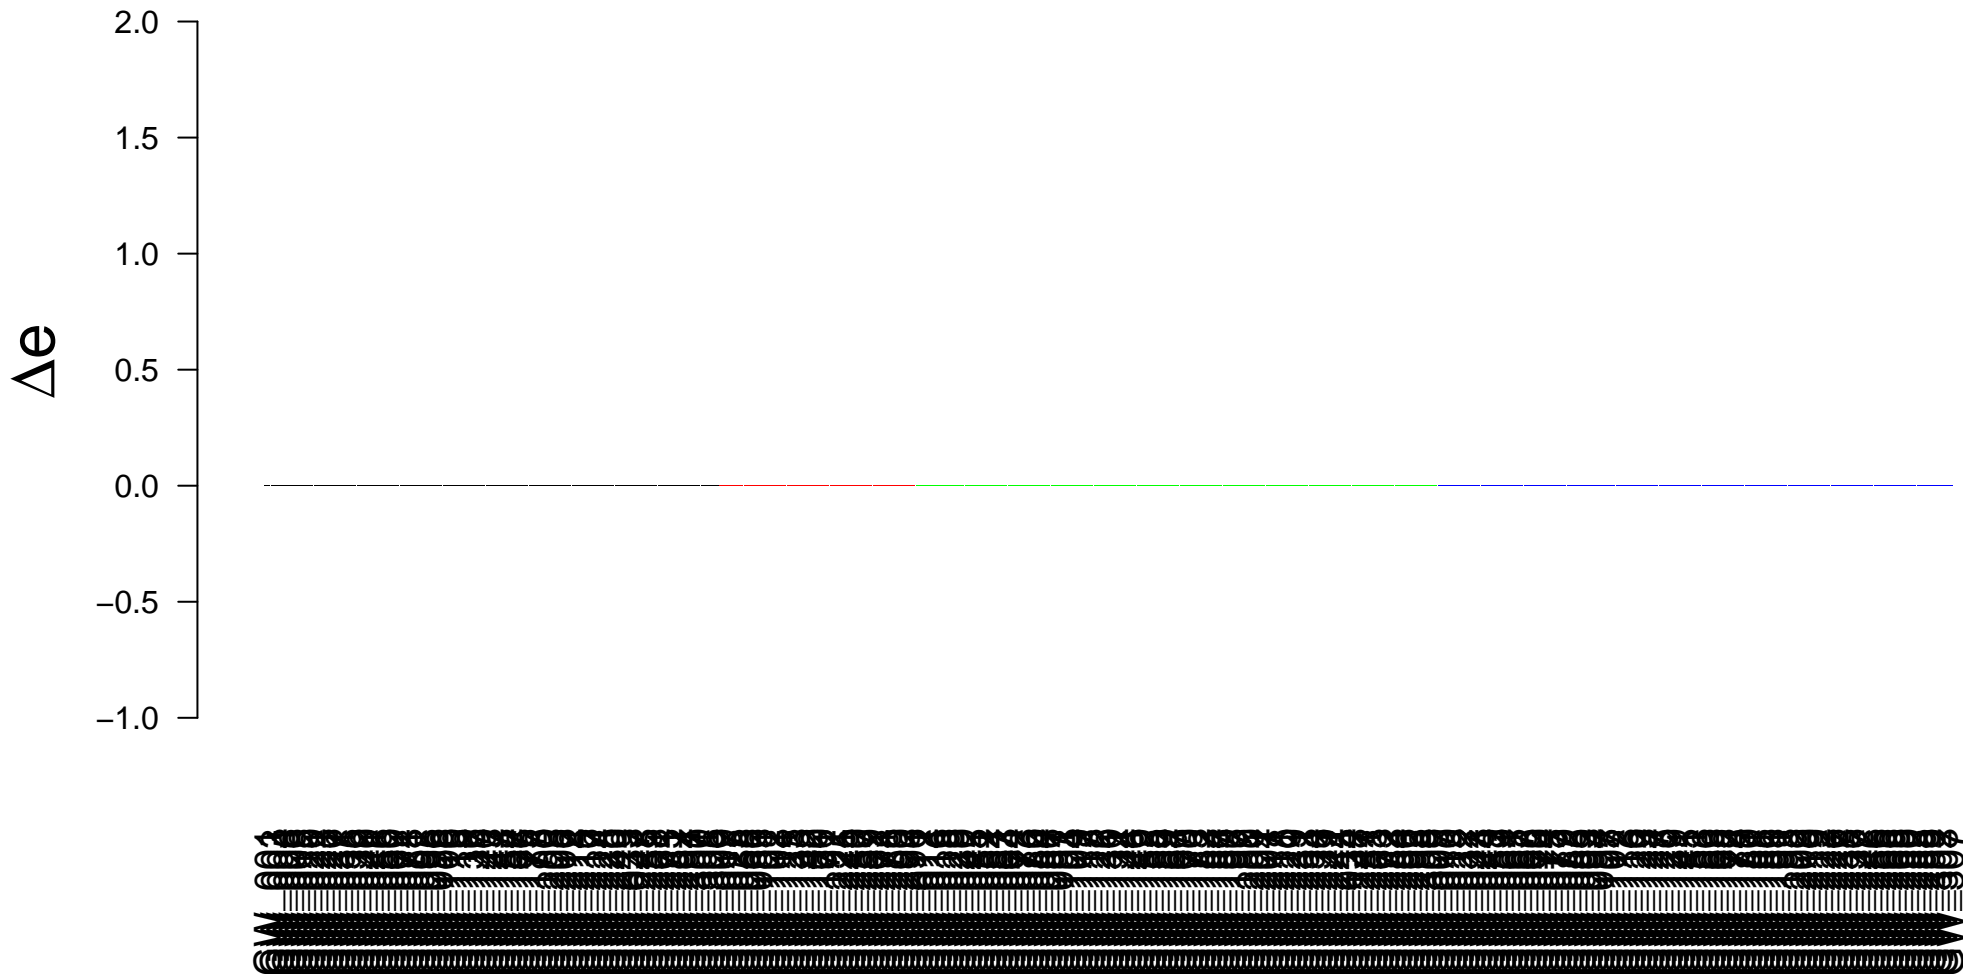

Expression of phosphotransferase activity, alcohol group as acceptor in Spot G

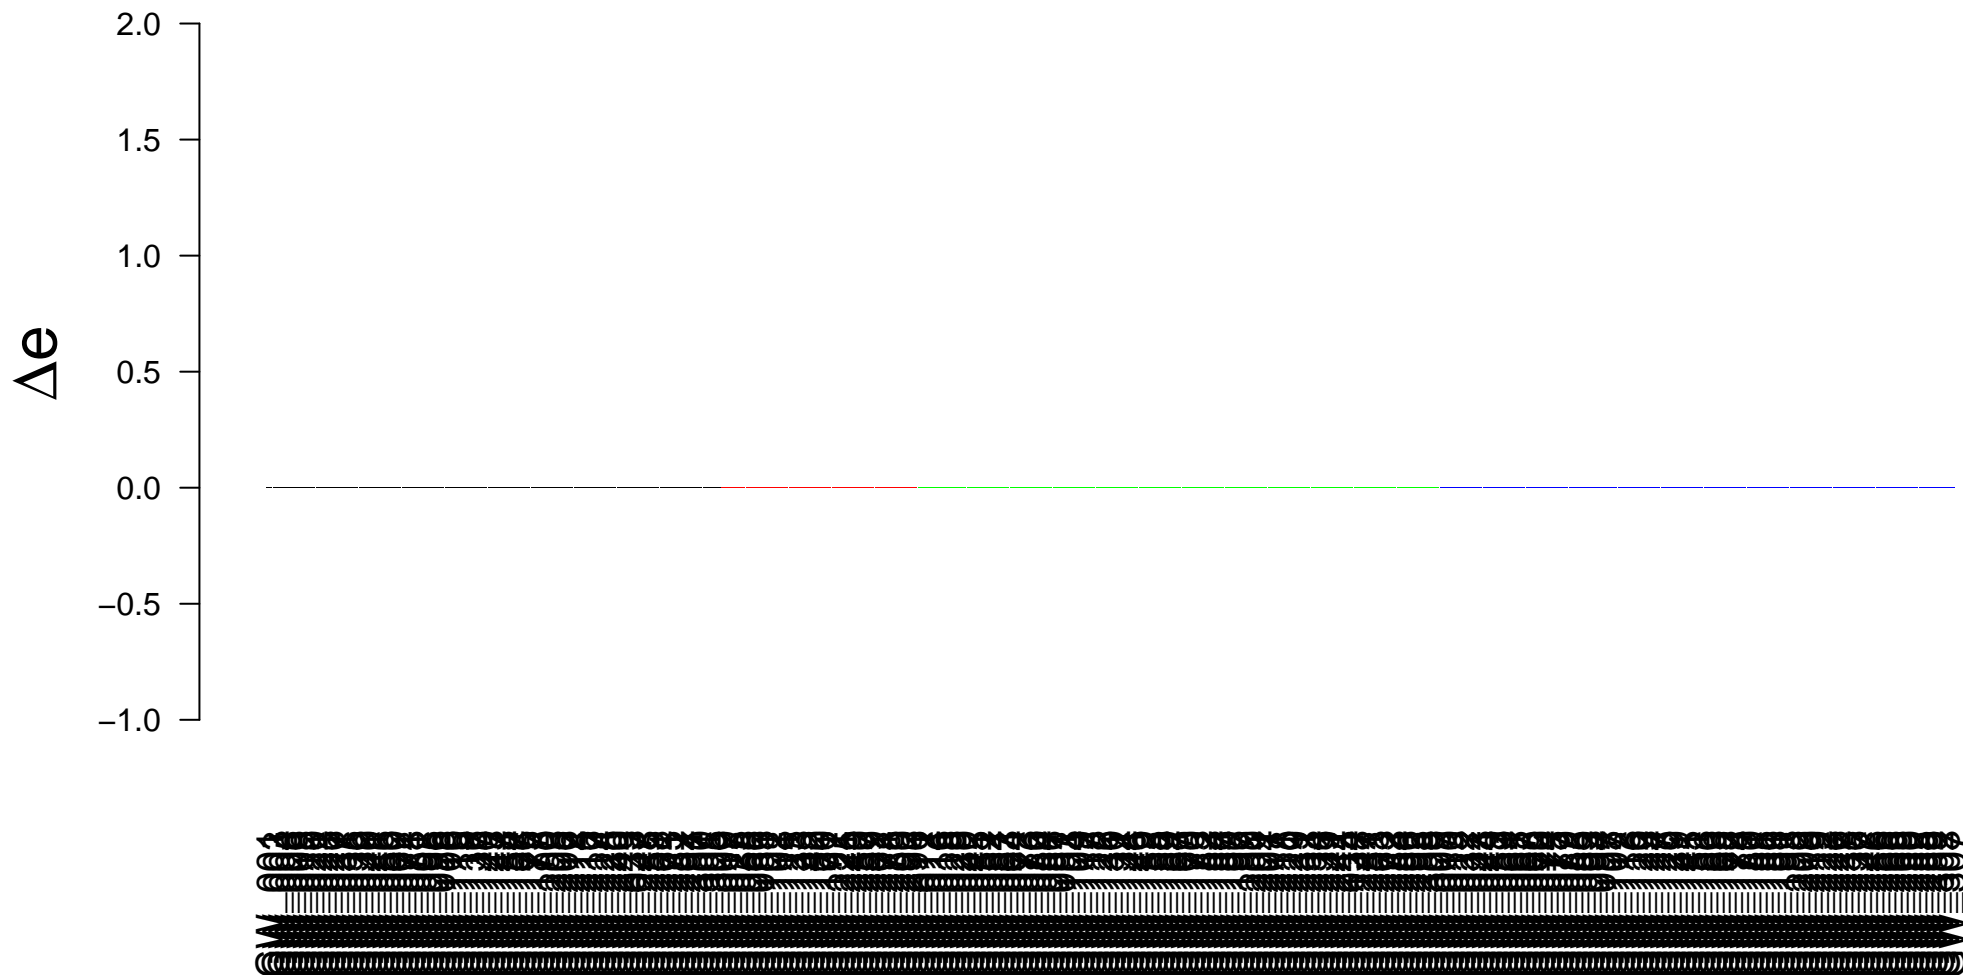

Δe

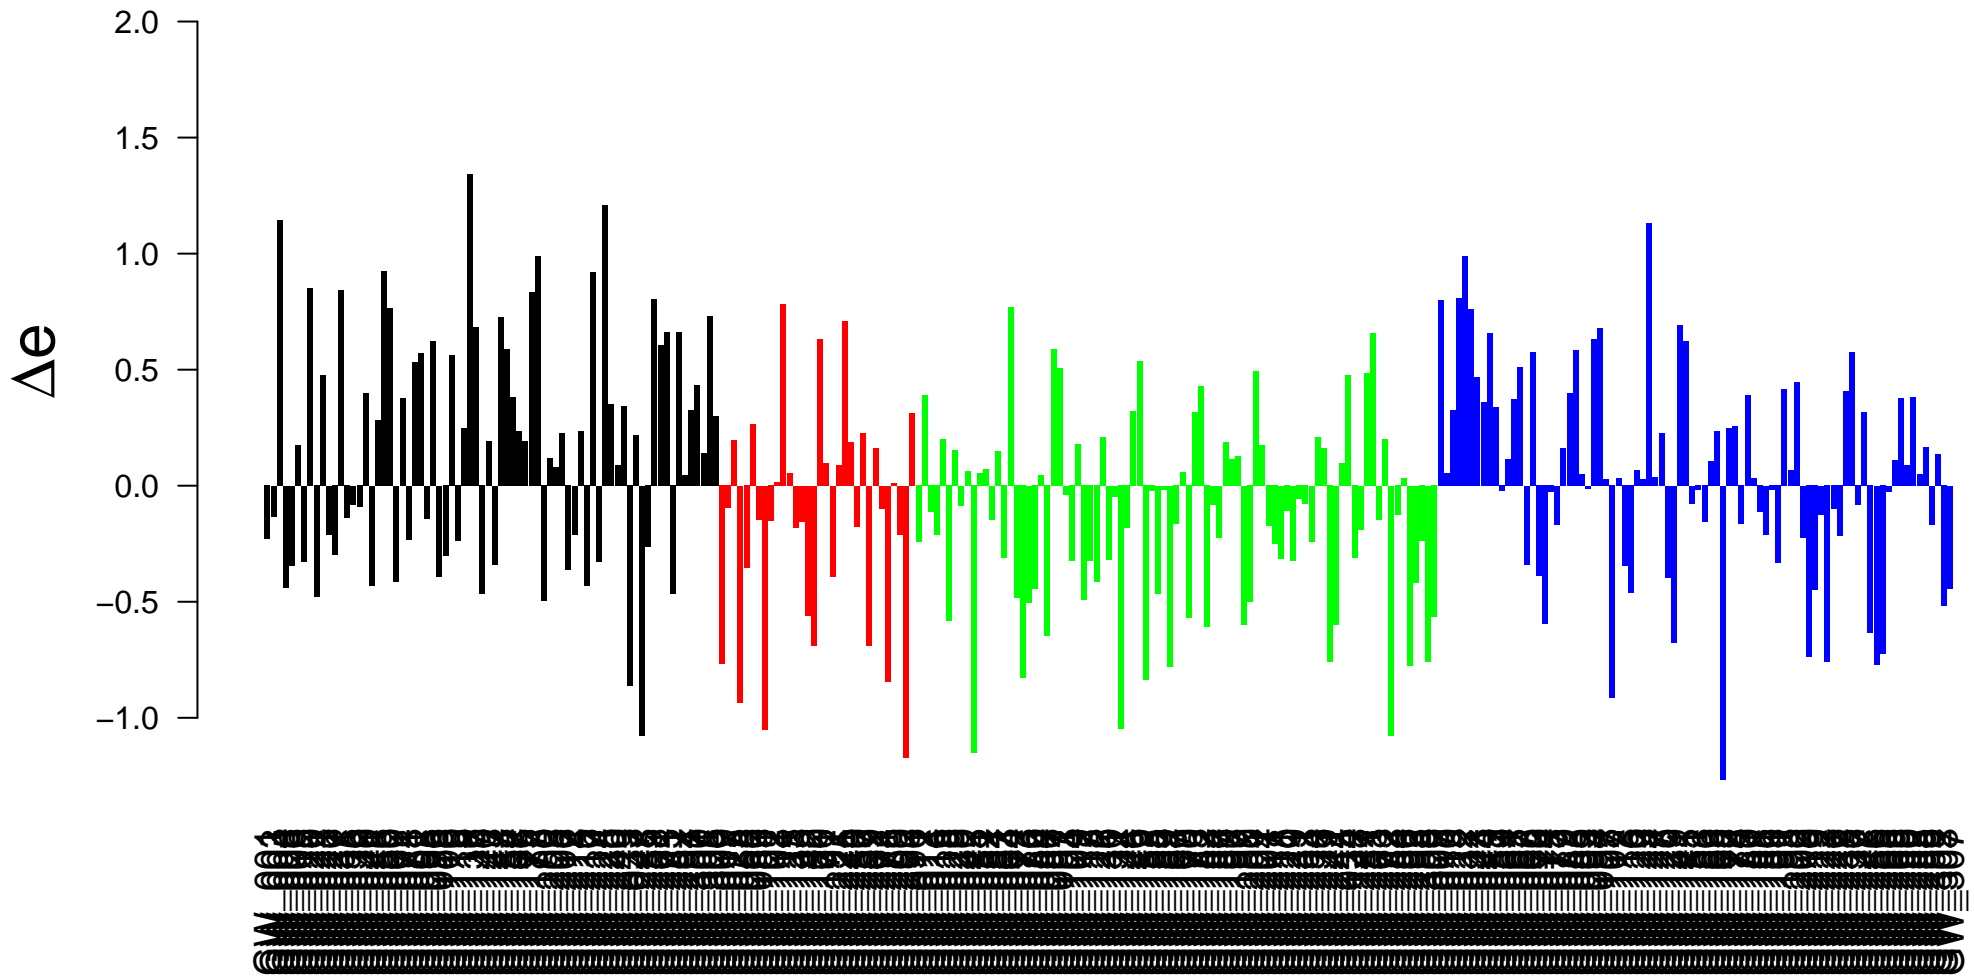

Expression of phosphotransferase activity, alcohol group as acceptor in Spot H

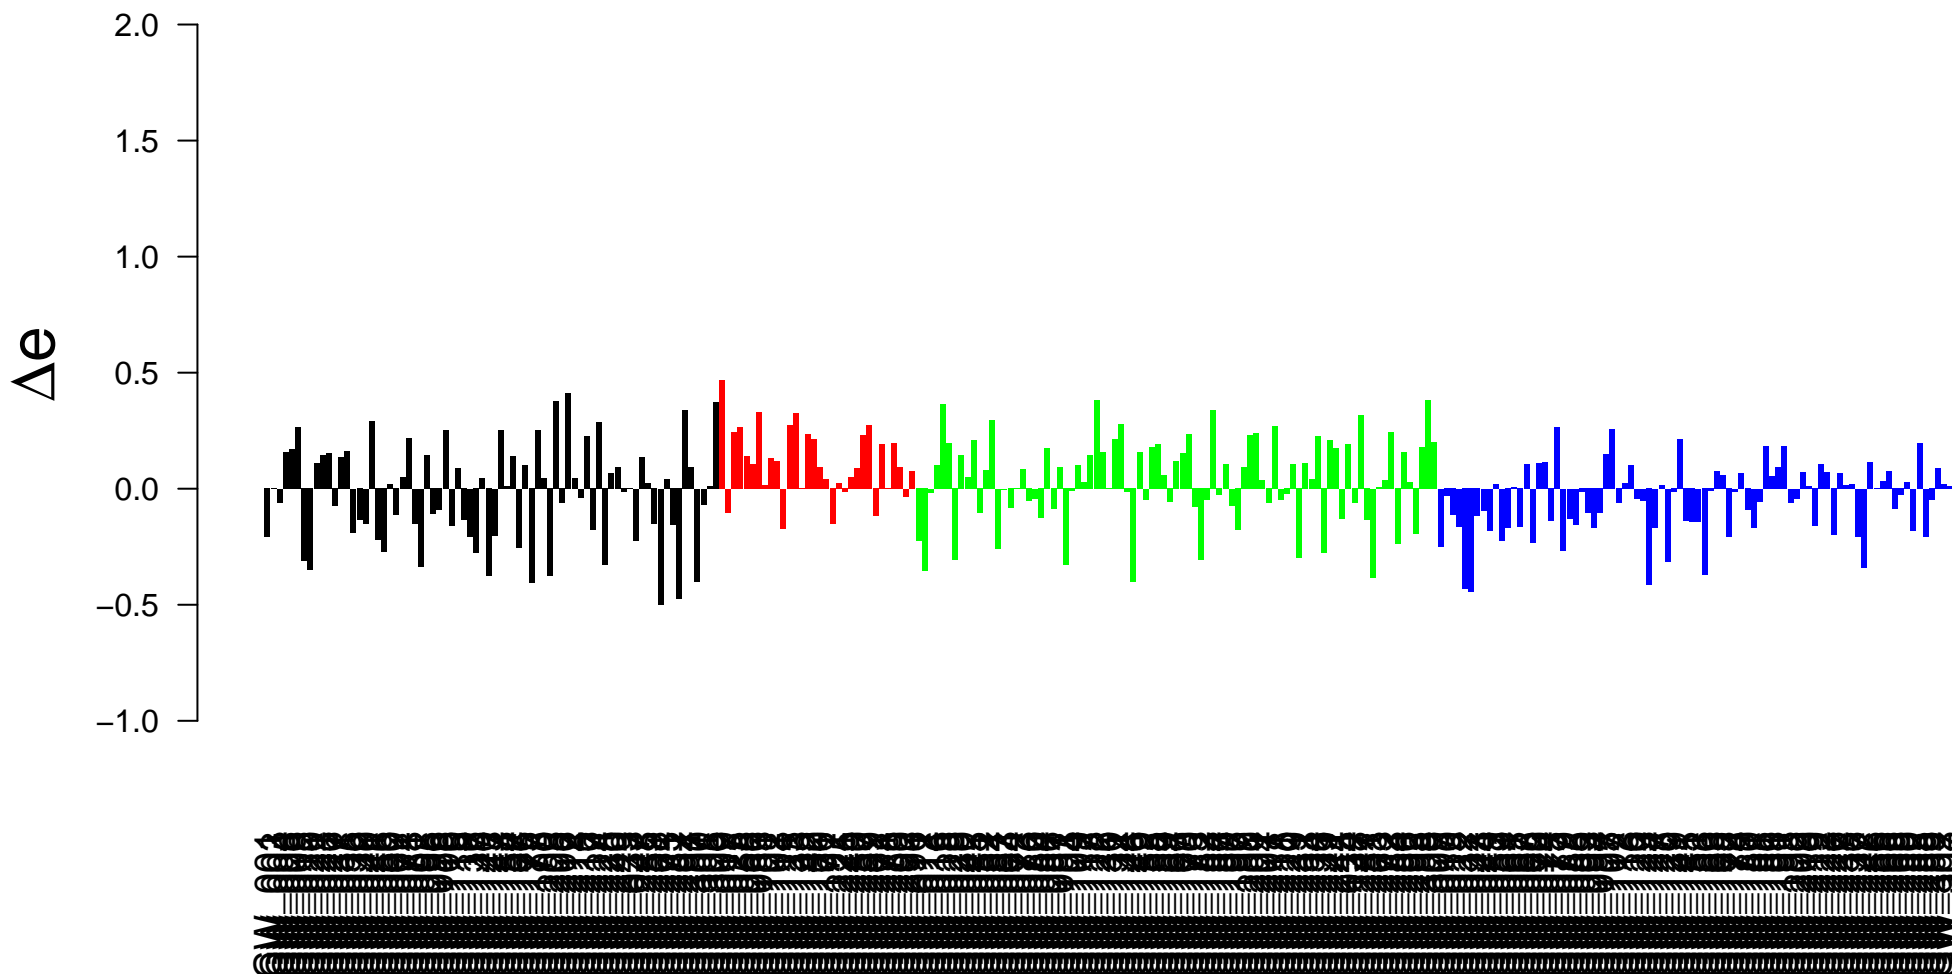

Expression of phosphotransferase activity, alcohol group as acceptor in Spot I

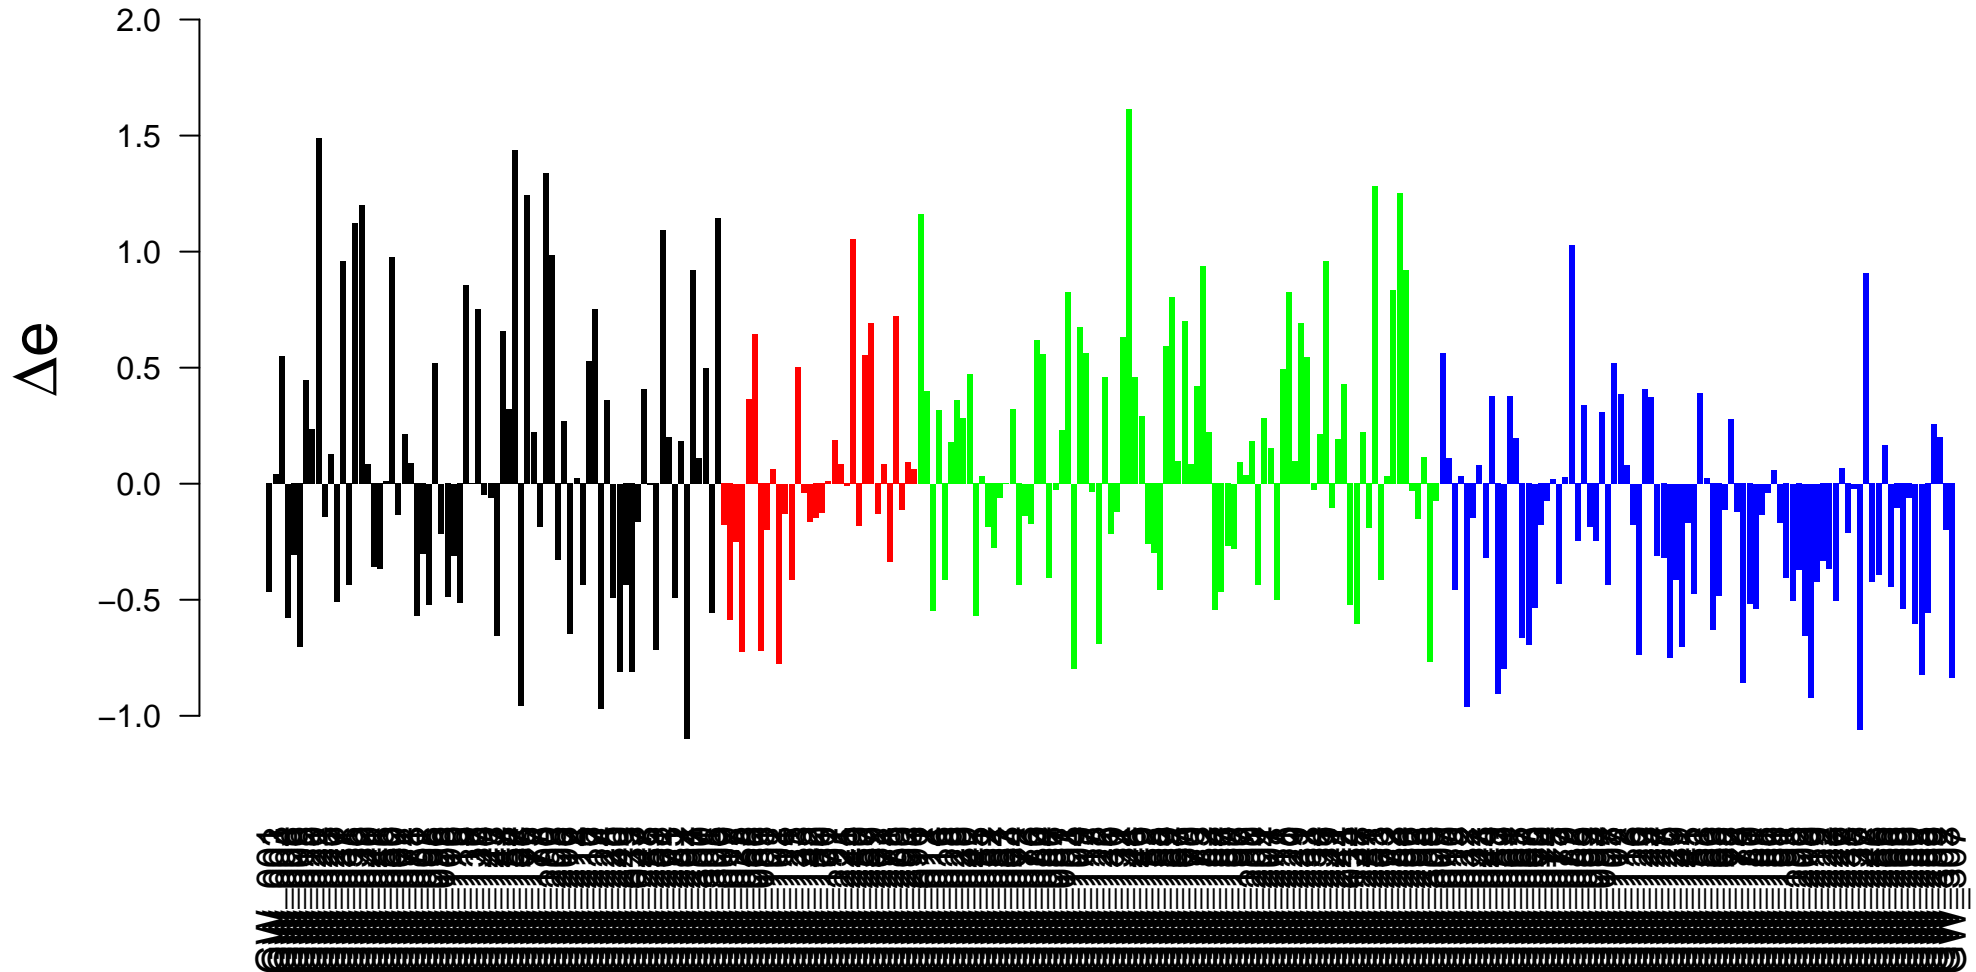

Expression of phosphotransferase activity, alcohol group as acceptor in Spot J

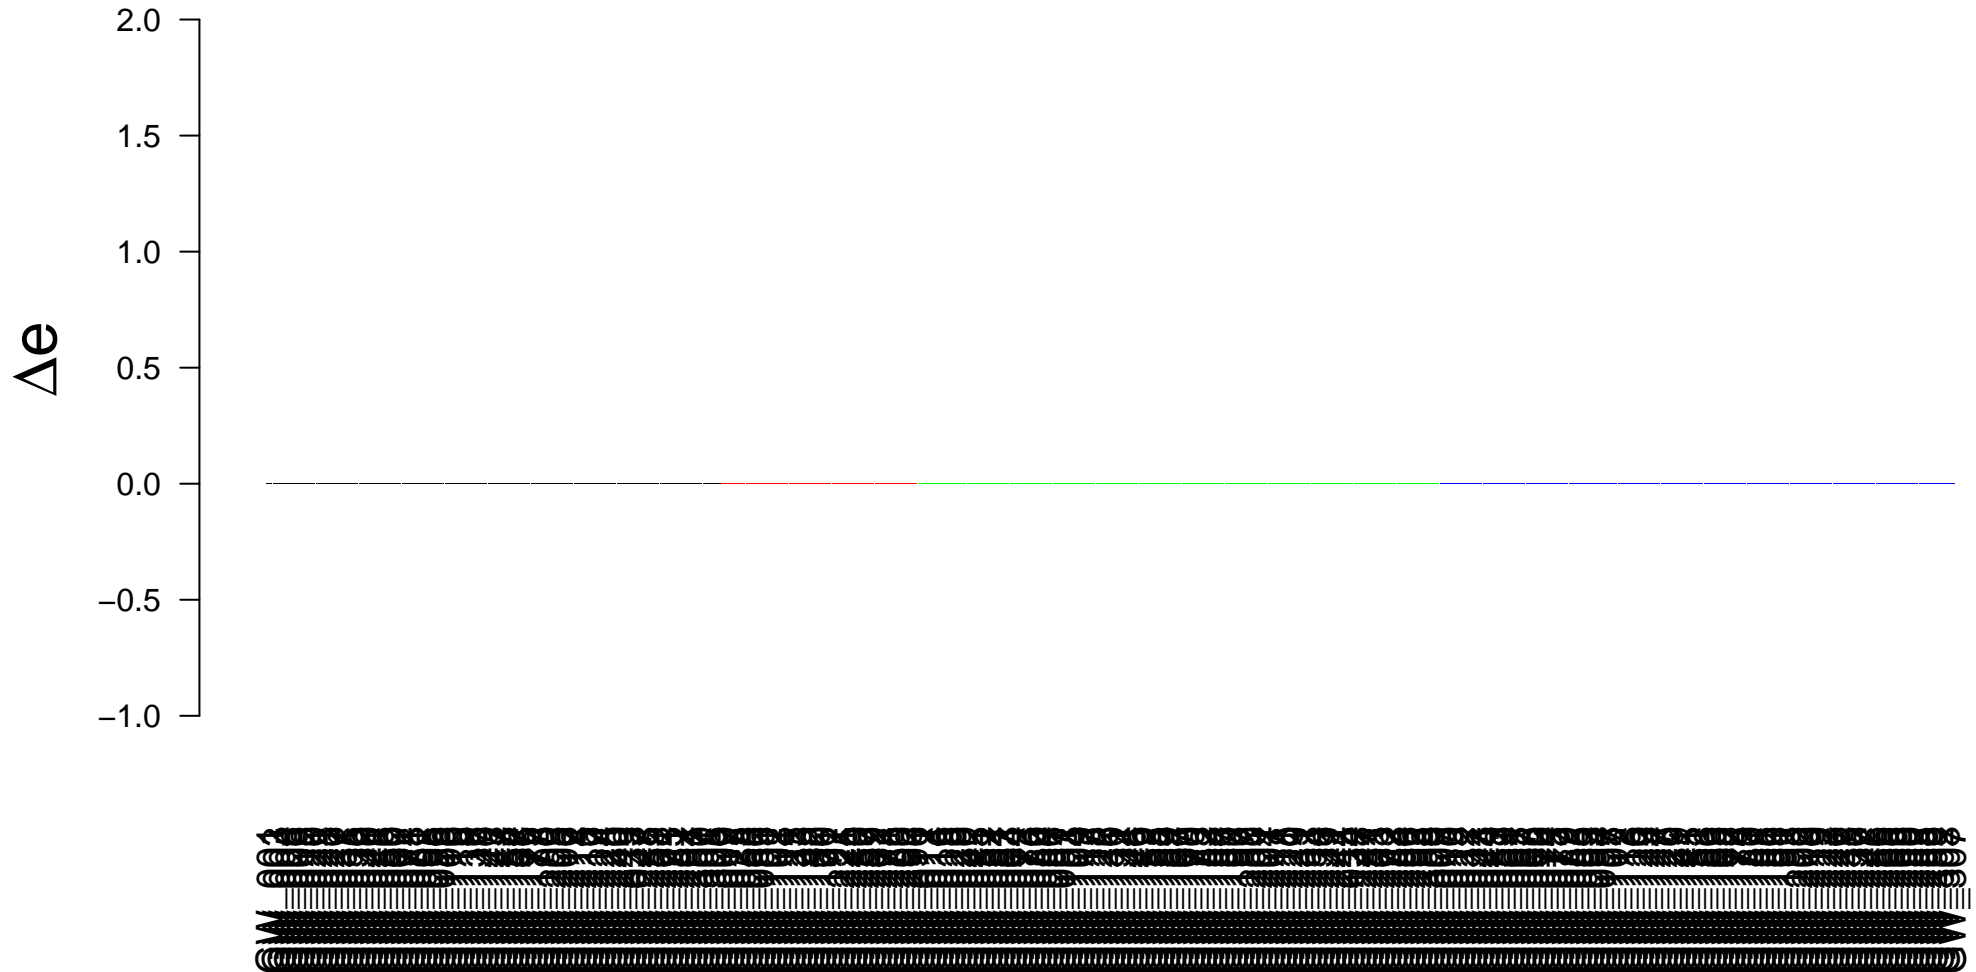

Expression of phosphotransferase activity, alcohol group as acceptor in Spot K

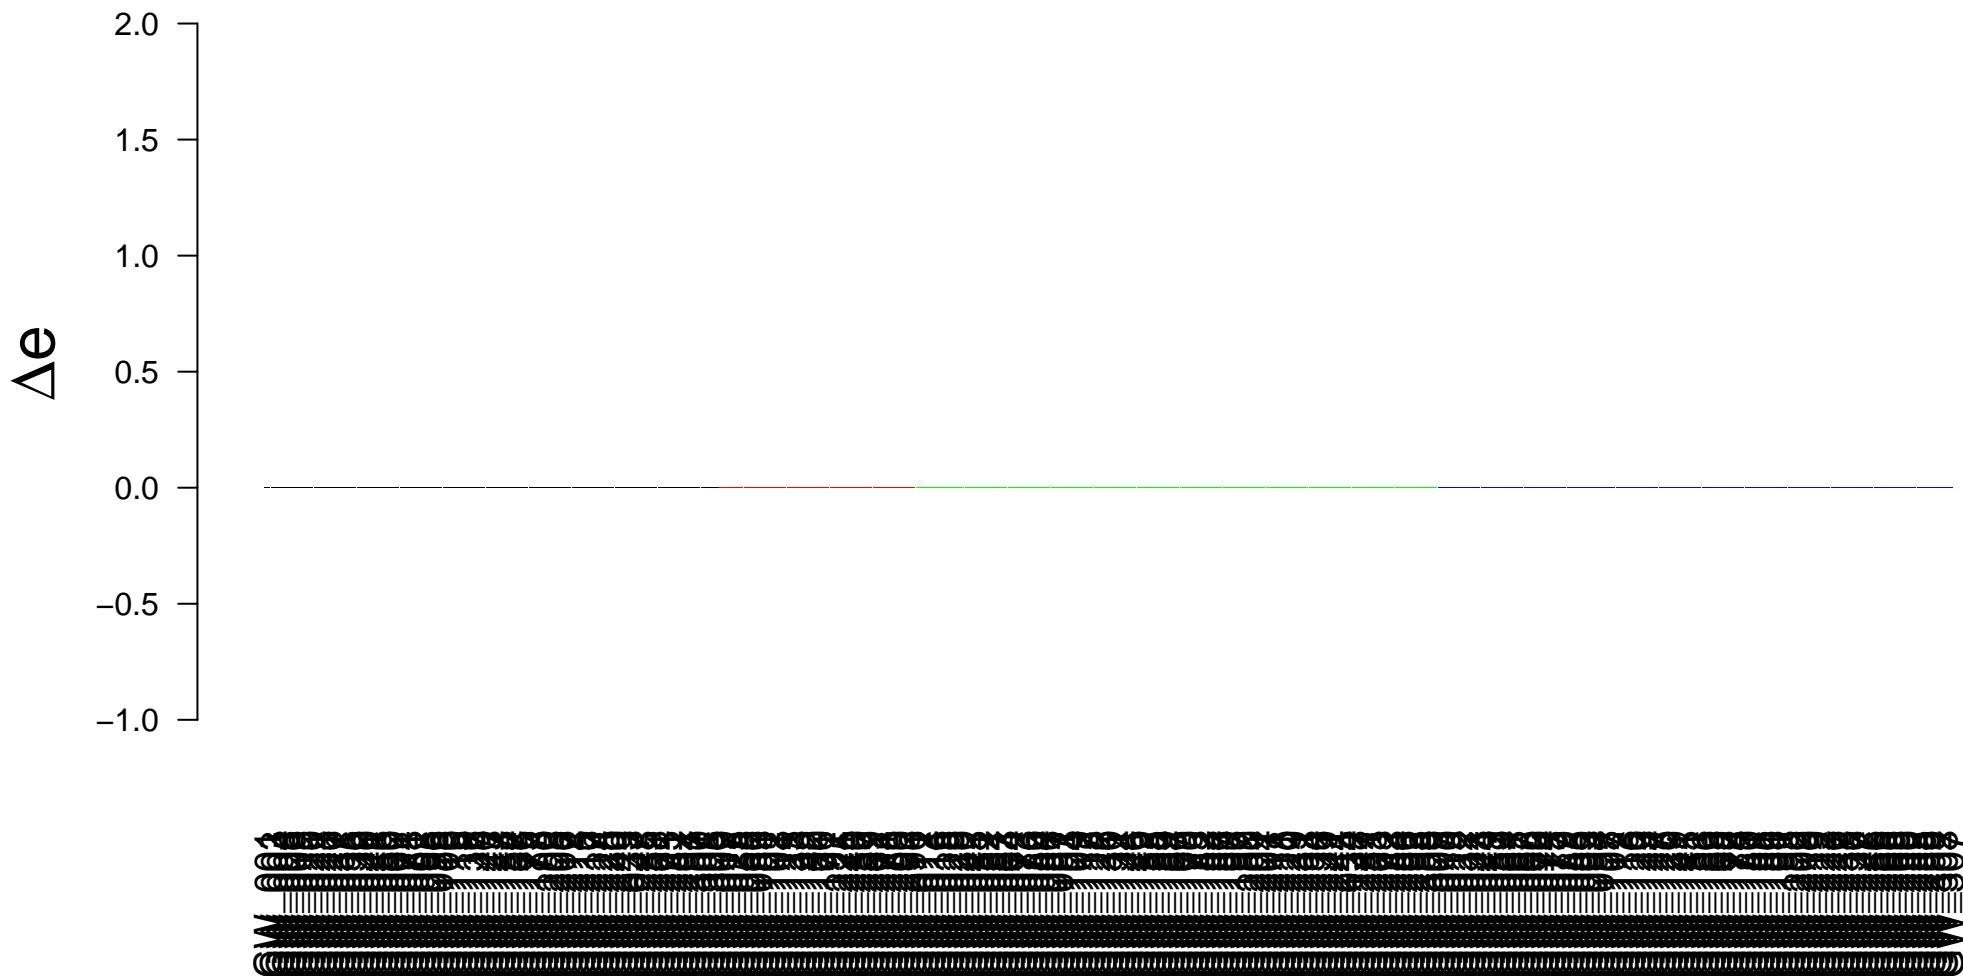

Expression of phosphotransferase activity, alcohol group as acceptor in Spot L

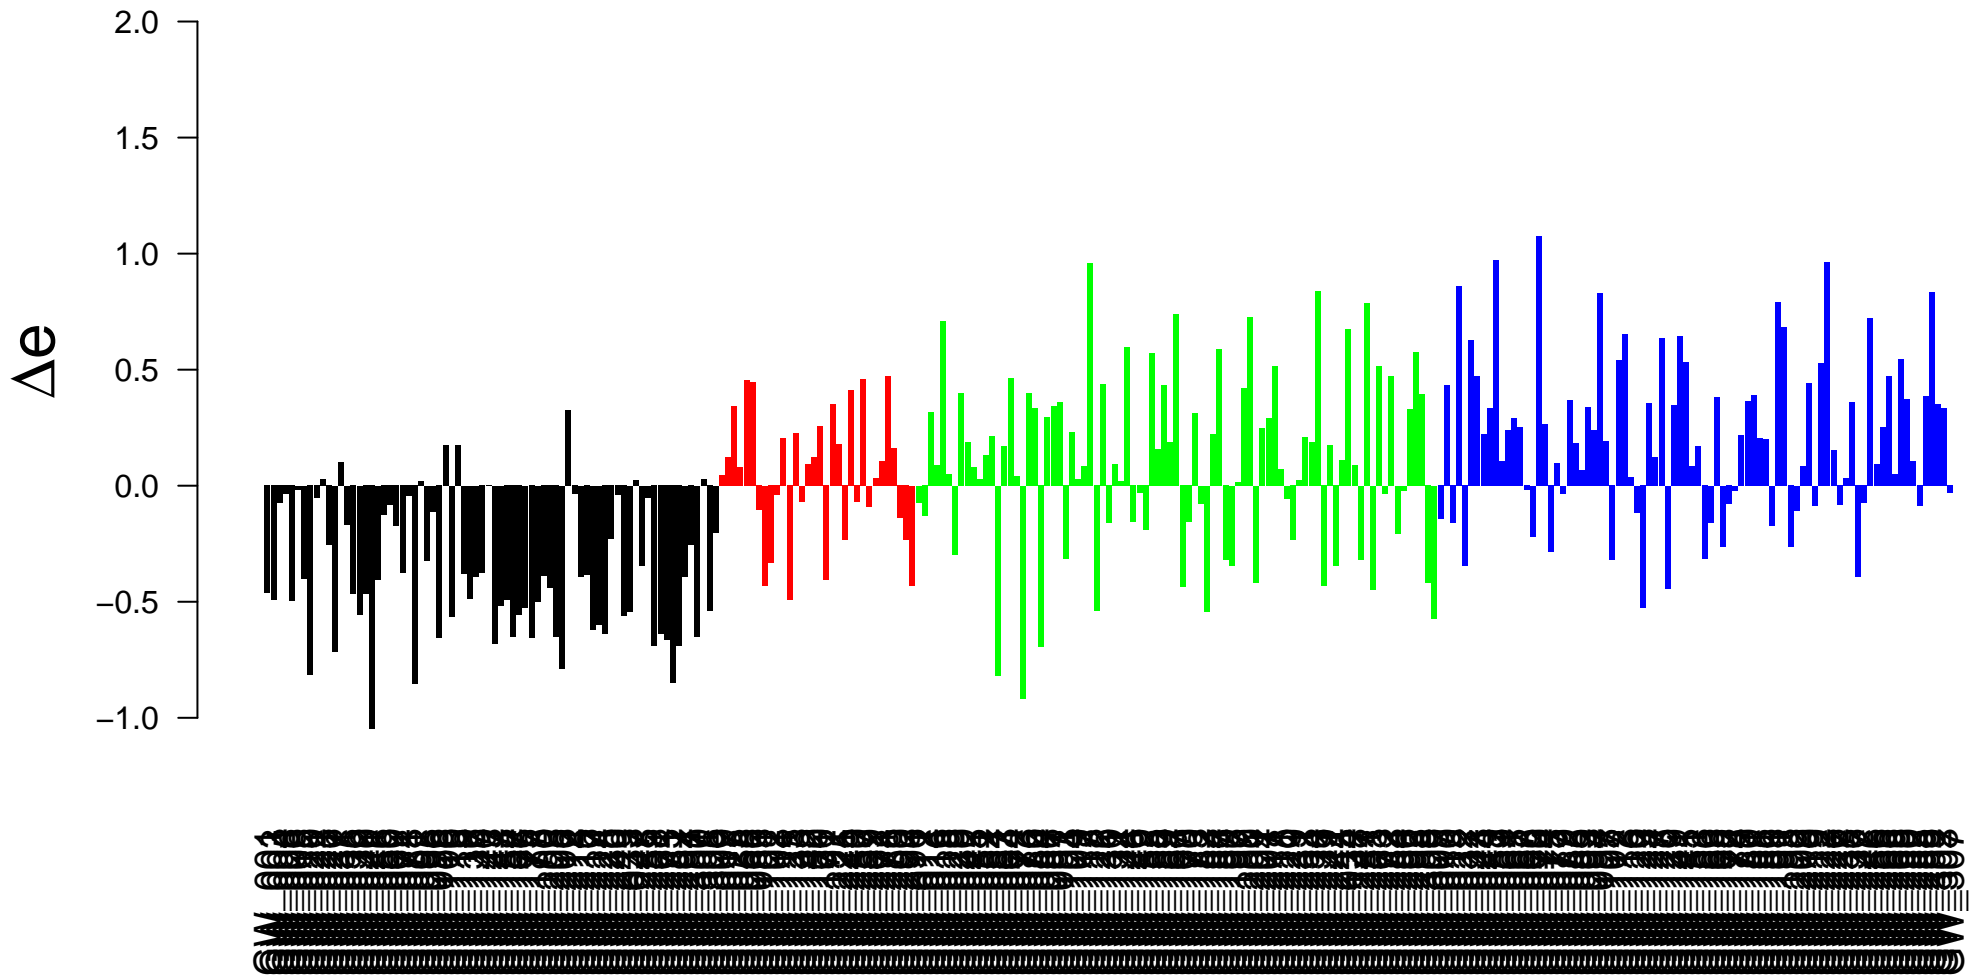

Expression of phosphotransferase activity, alcohol group as acceptor in Spot M

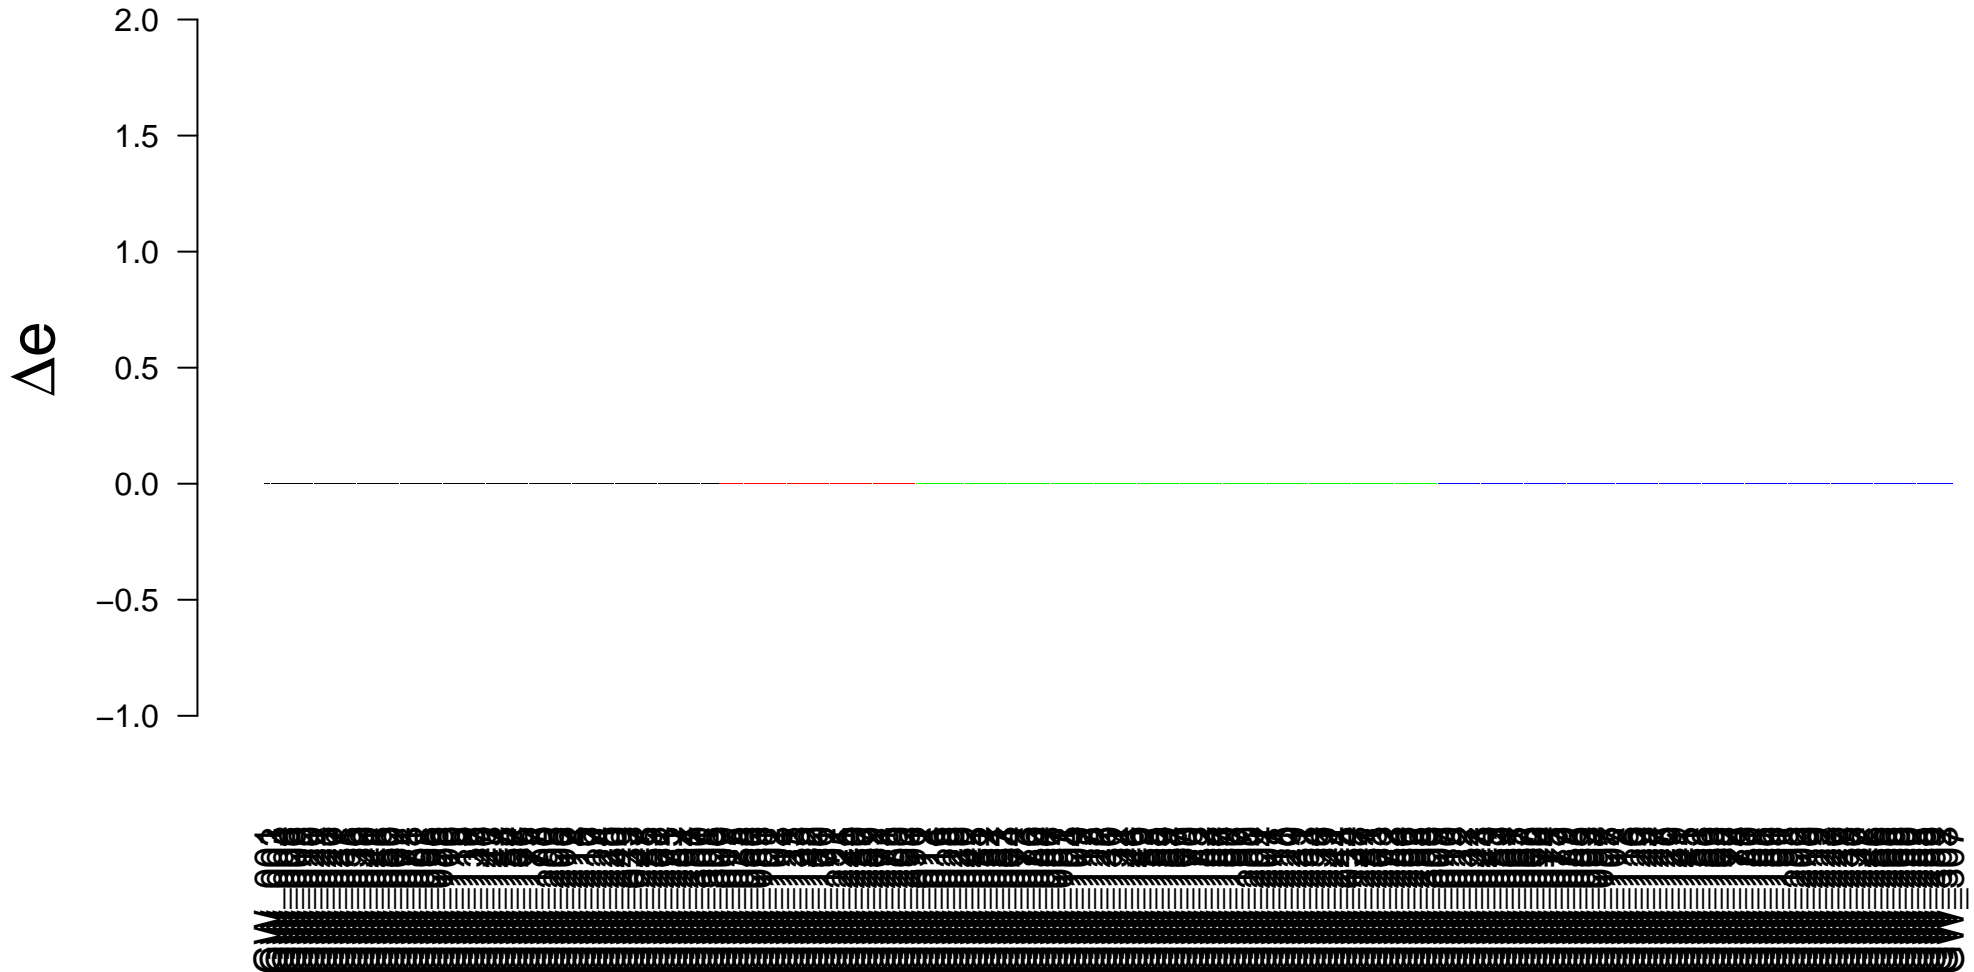

Expression of phosphotransferase activity, alcohol group as acceptor in Spot N

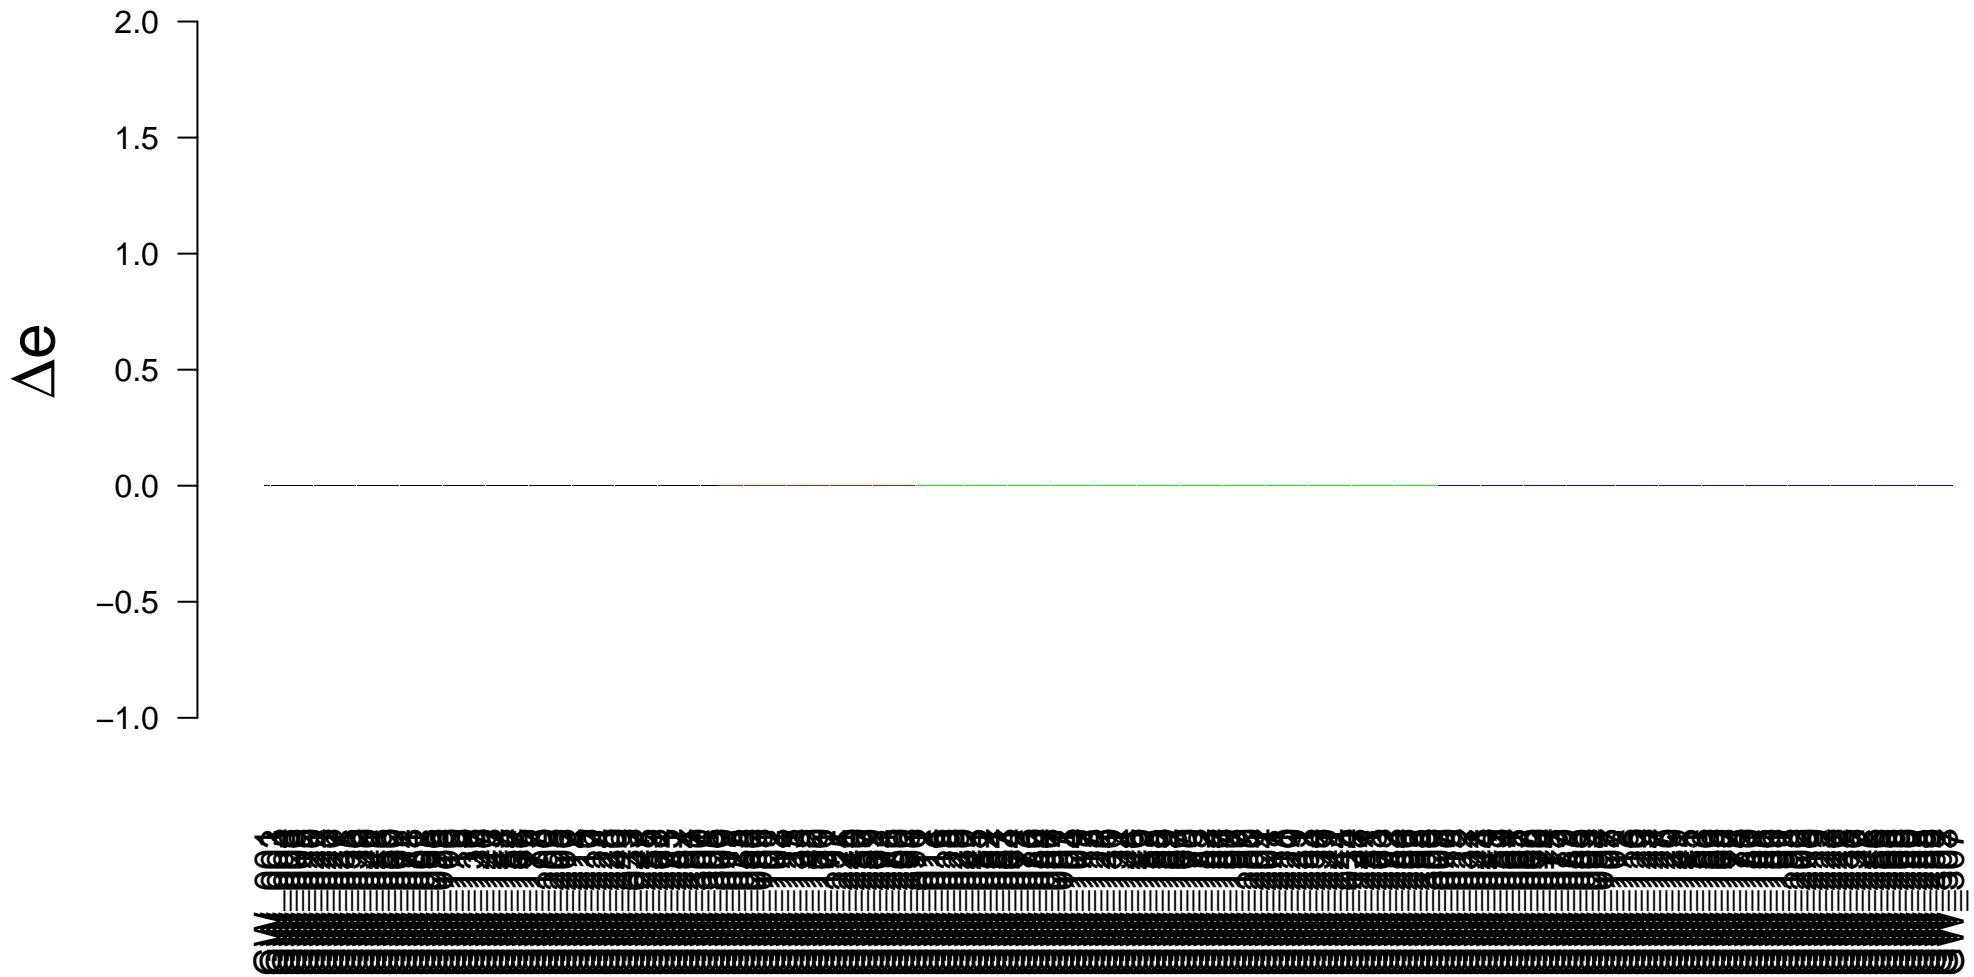

Expression of phosphotransferase activity, alcohol group as acceptor in Spot O

Expression of phosphotransferase activity, alcohol group as acceptor in Spot P

Expression of phosphotransferase activity, alcohol group as acceptor in Spot Q

Expression of phosphotransferase activity, alcohol group as acceptor in Spot R
