

# photoreceptor outer segment membrane

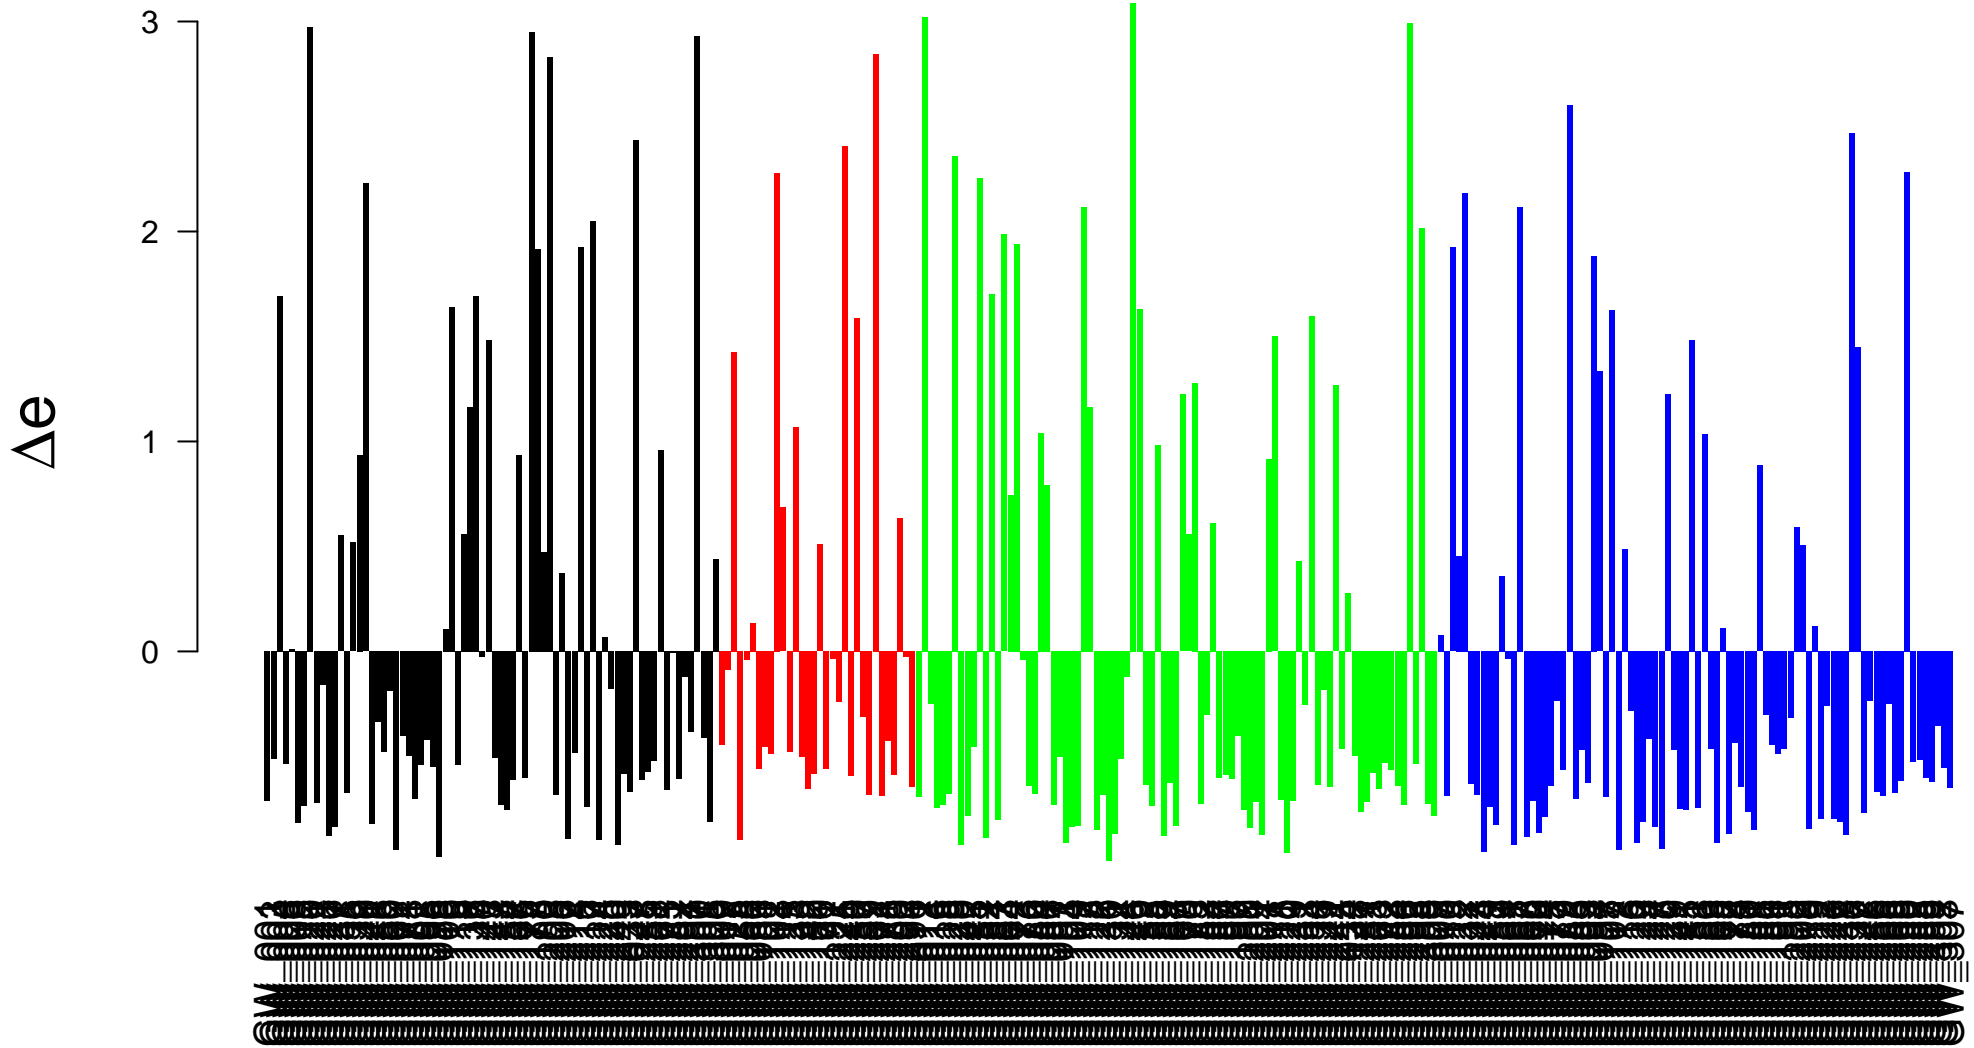

# photoreceptor outer segment membrane

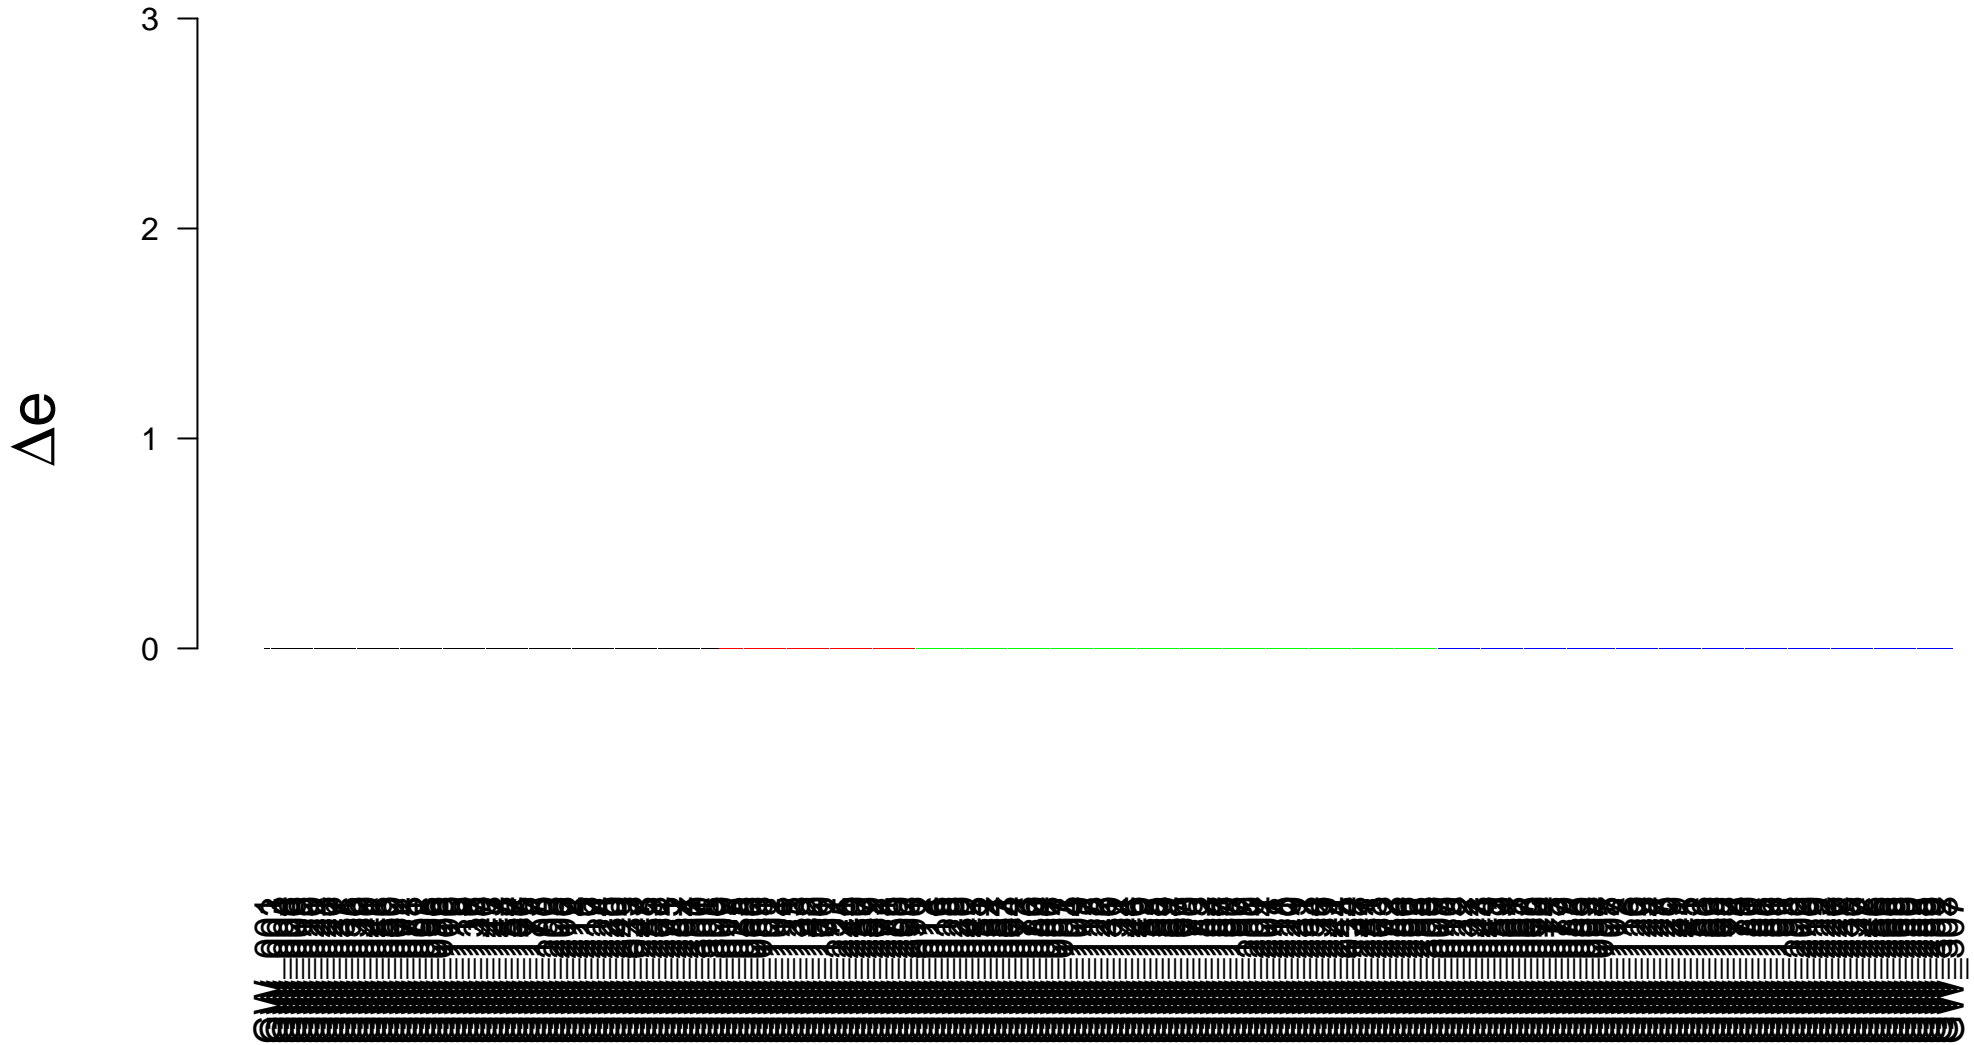

# Enrichment in spots: photoreceptor outer segment membrane

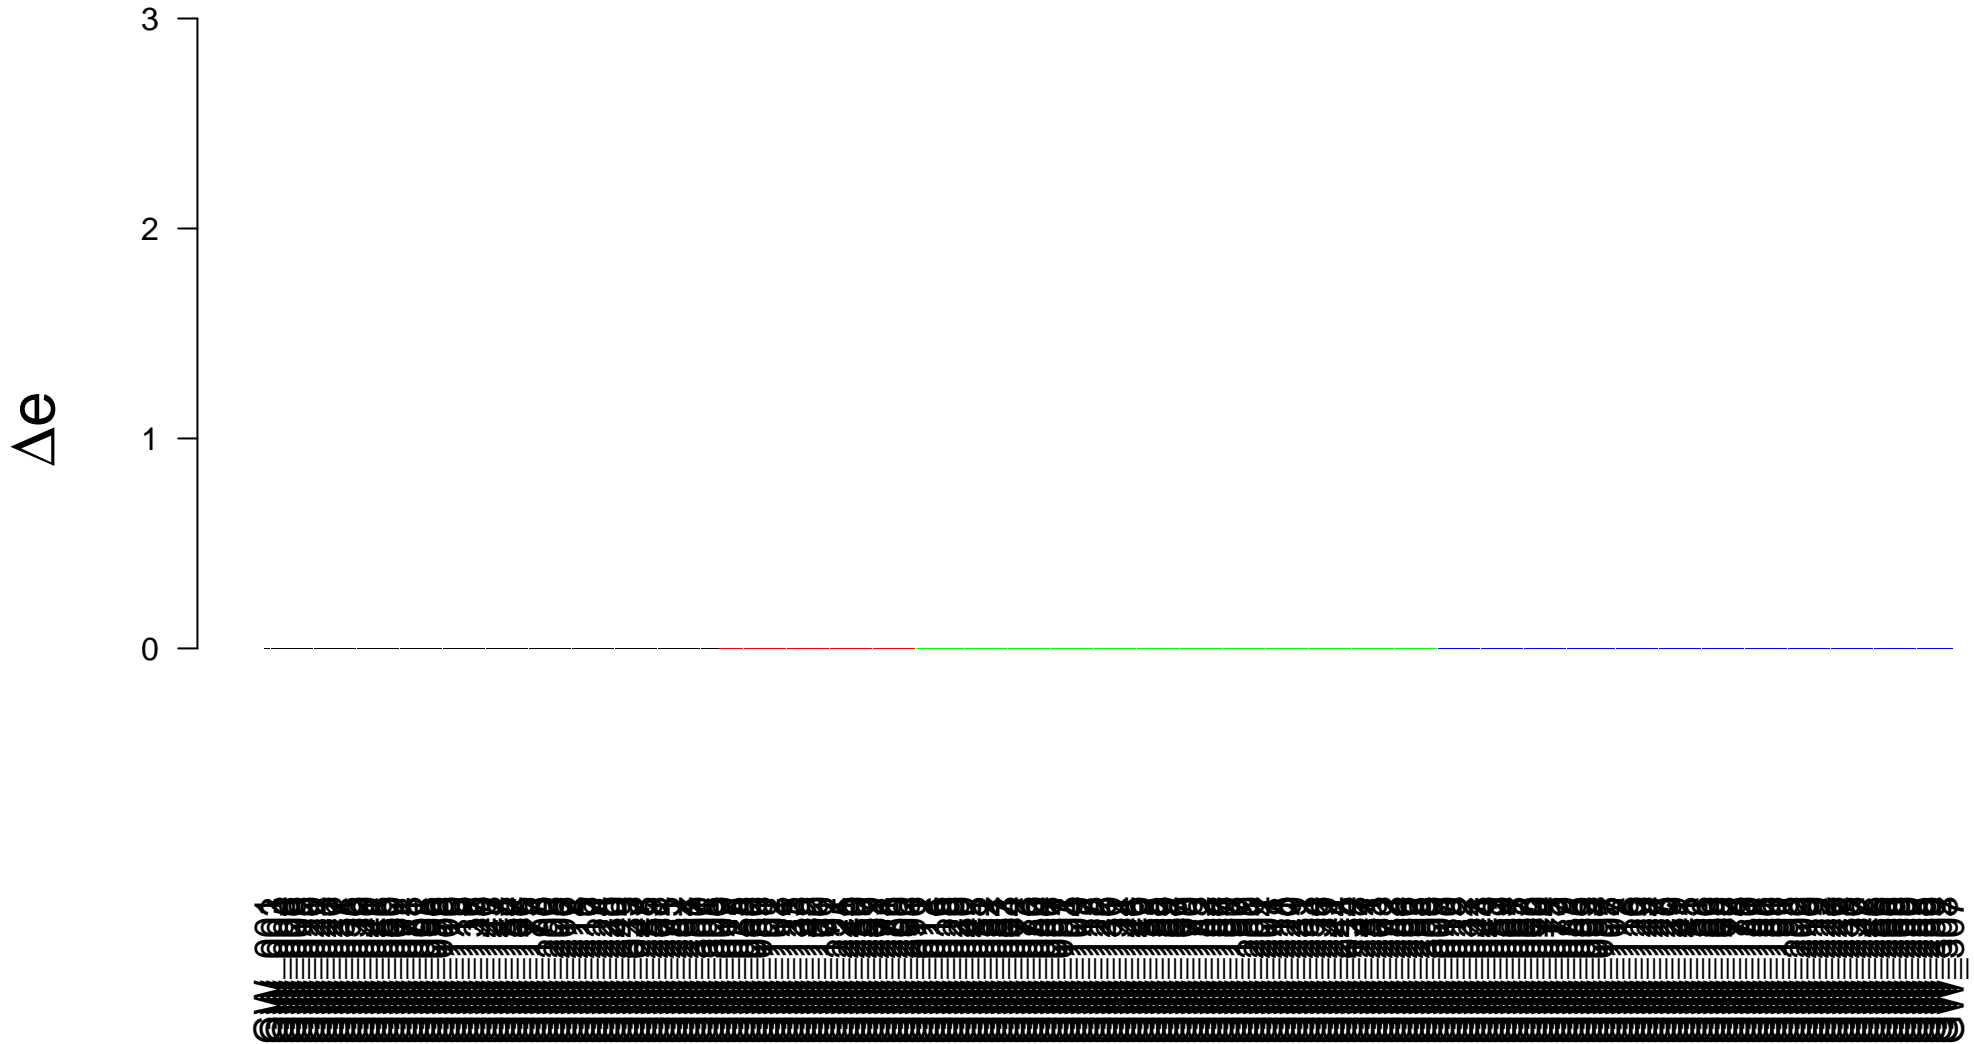

# Expression of photoreceptor outer segment membrane in Spot A

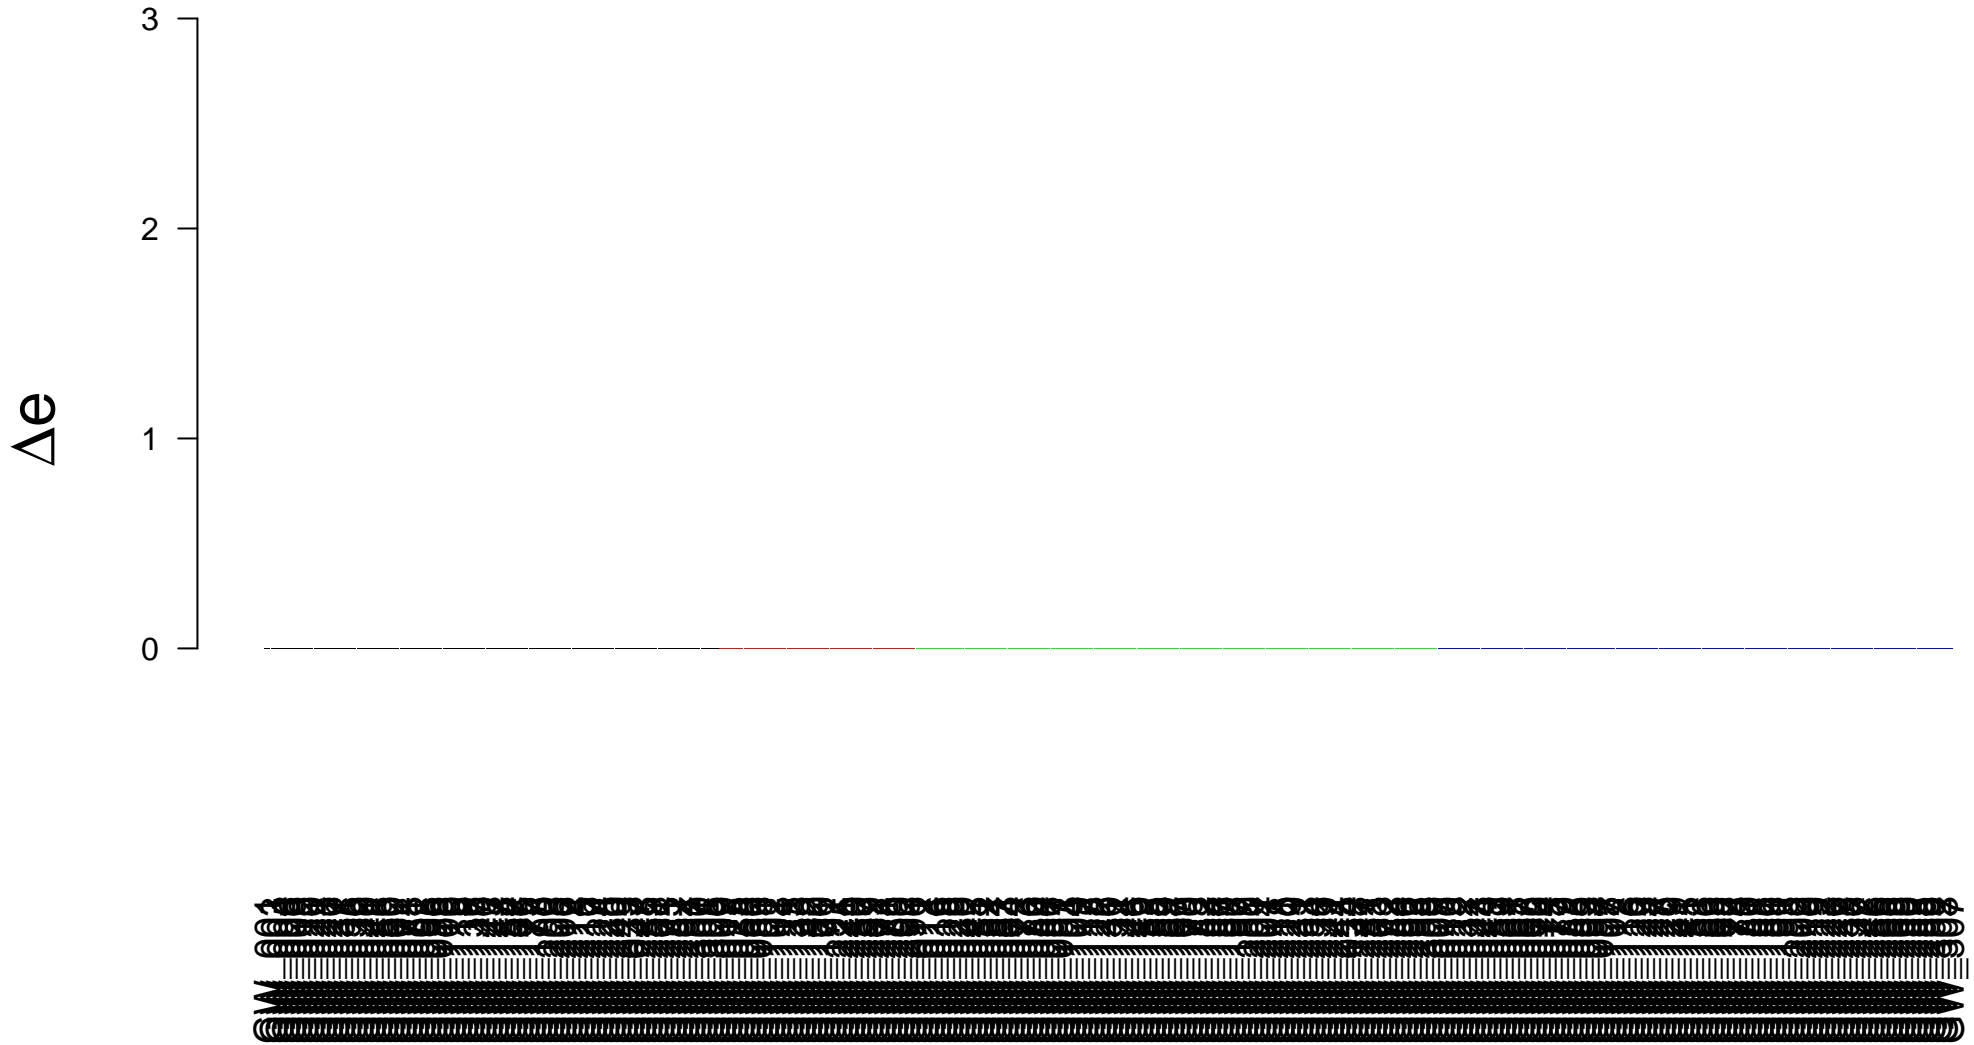

# Expression of photoreceptor outer segment membrane in Spot B

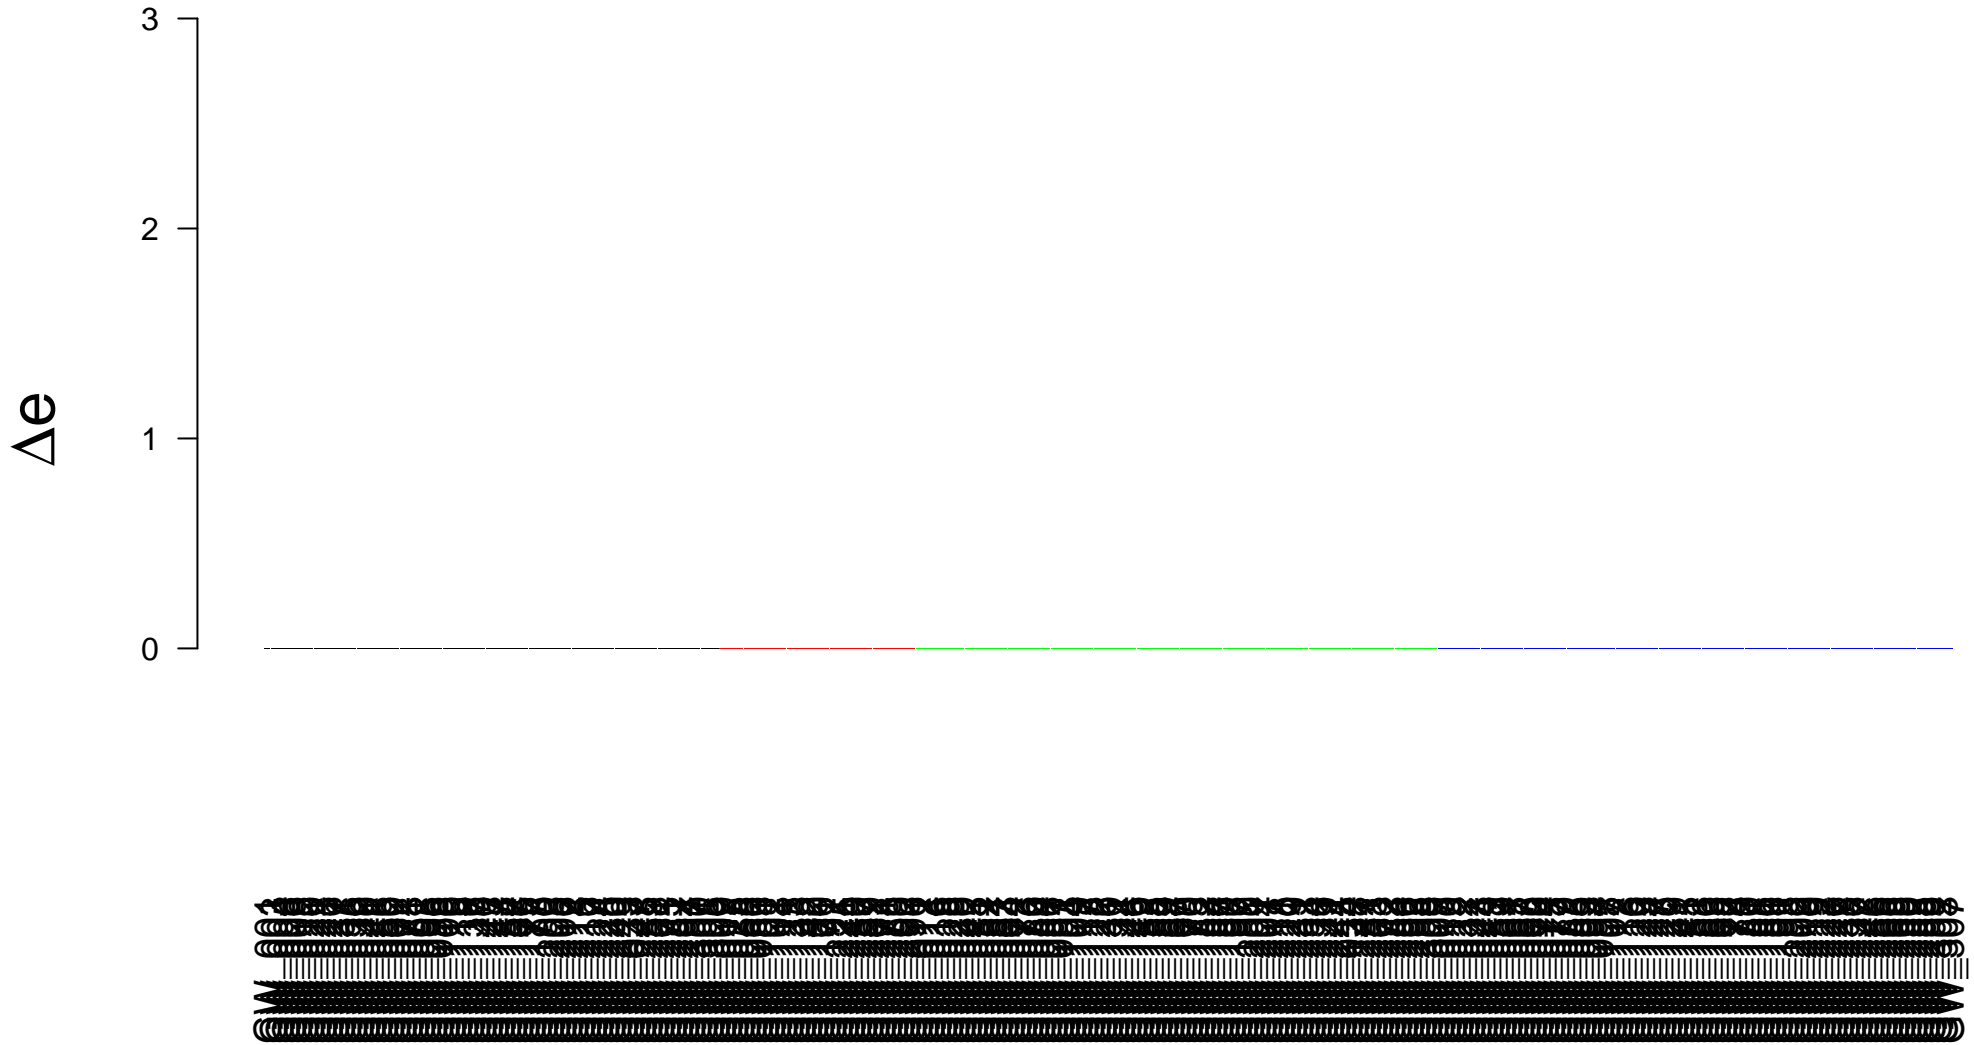

# Expression of photoreceptor outer segment membrane in Spot C

# Expression of photoreceptor outer segment membrane in Spot D

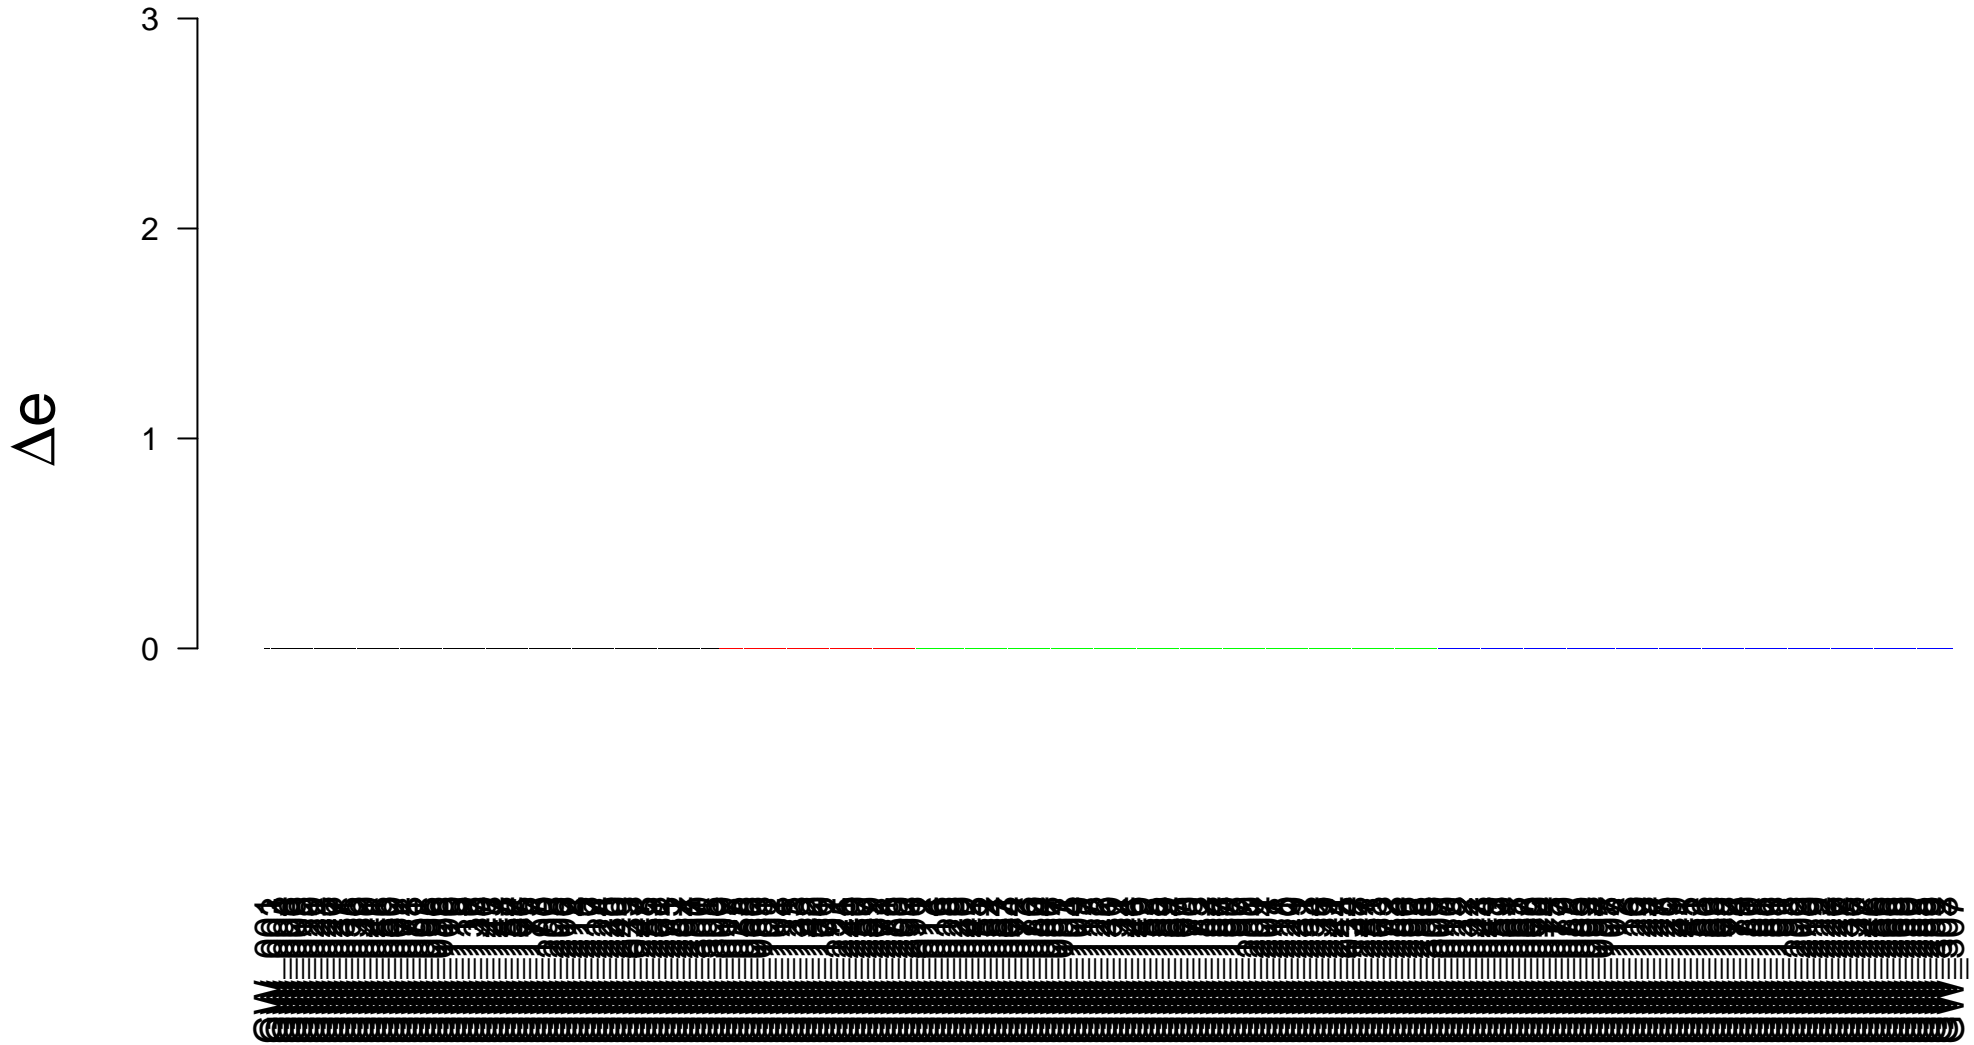

# Expression of photoreceptor outer segment membrane in Spot E

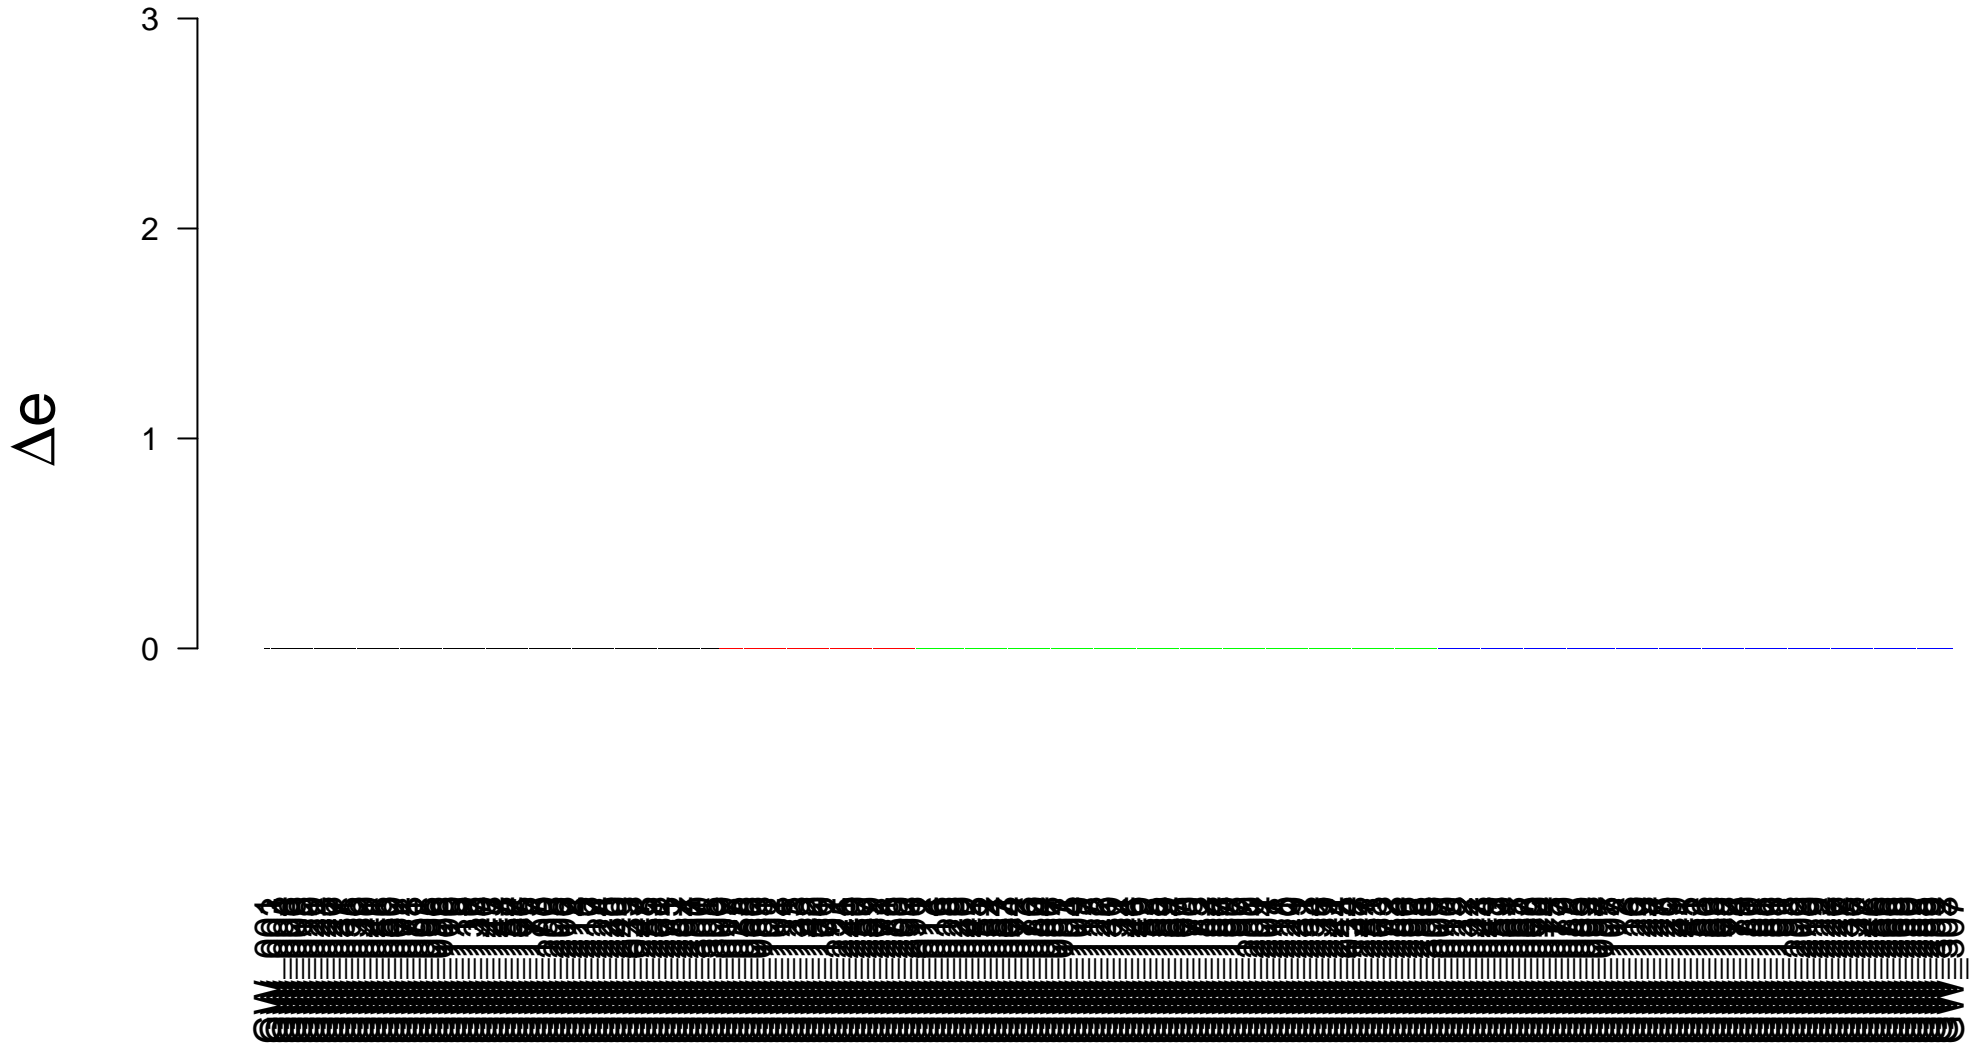

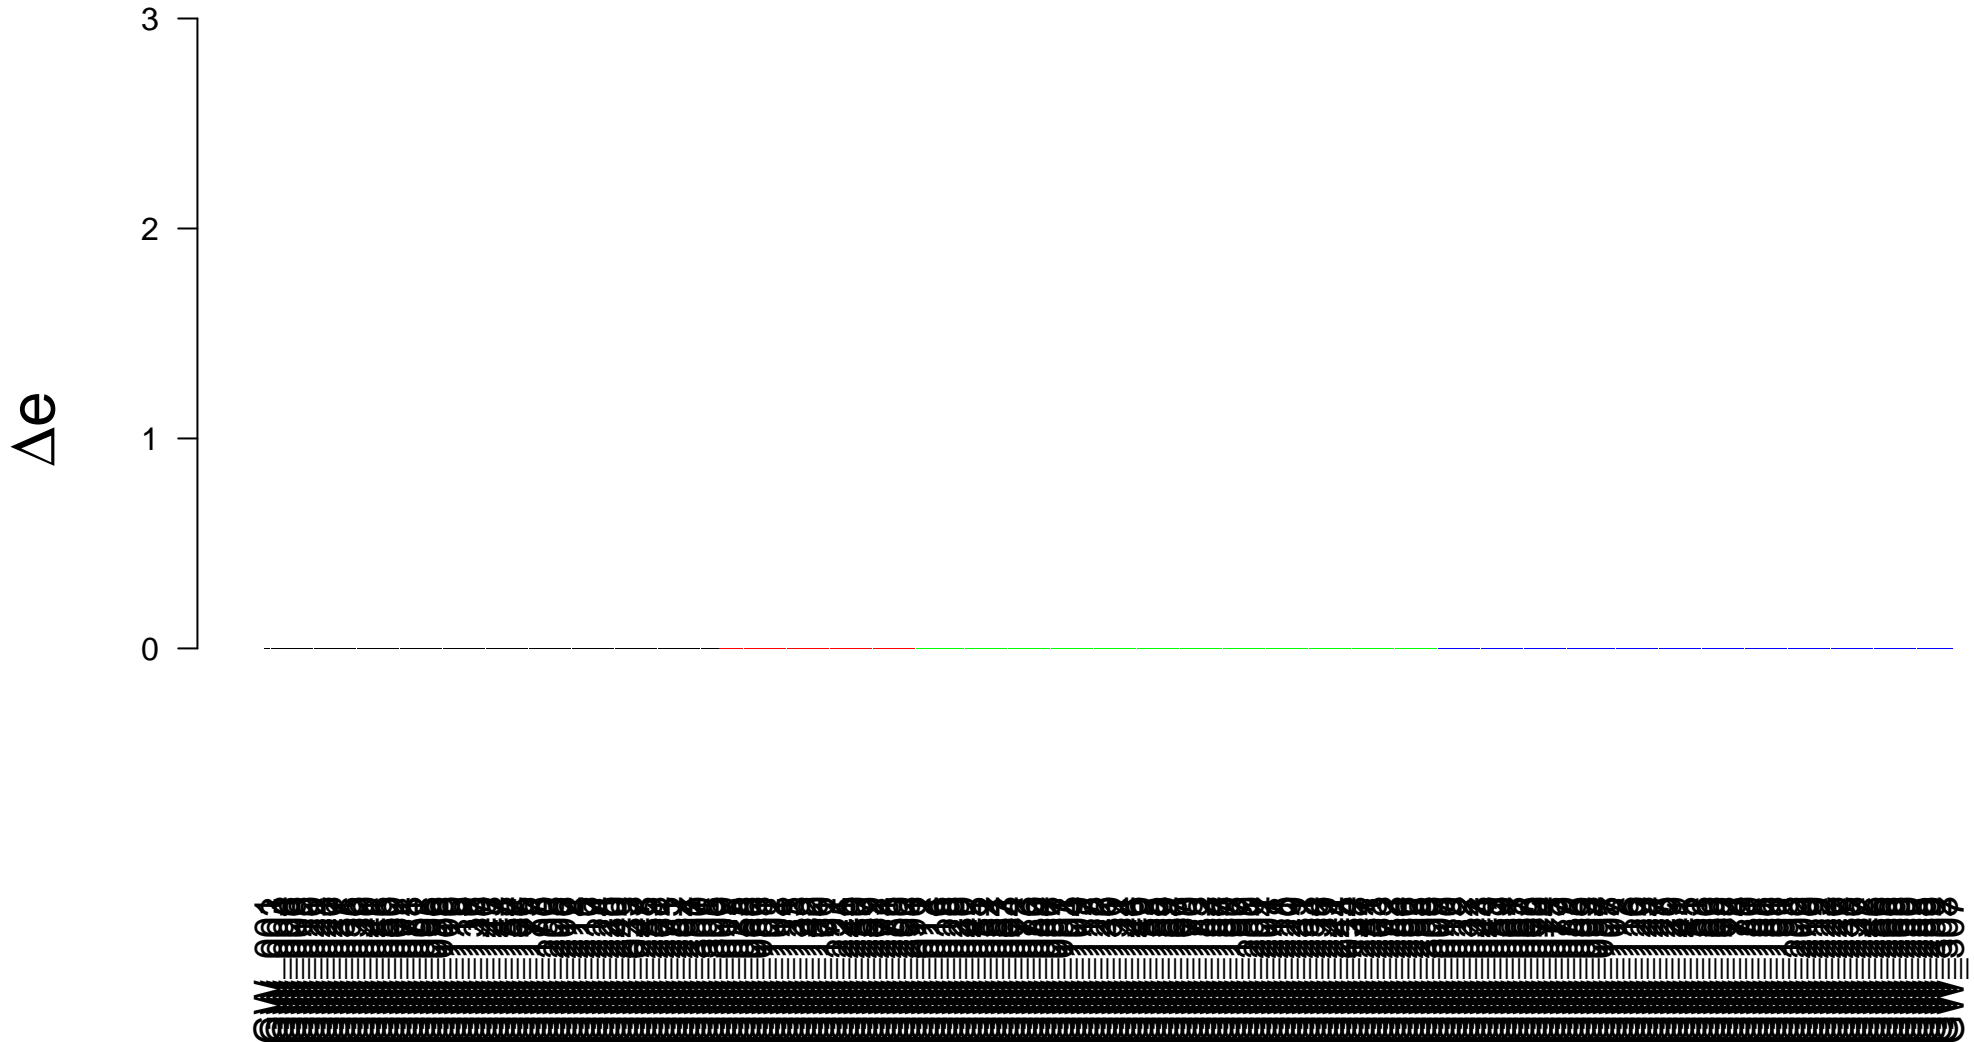

# Expression of photoreceptor outer segment membrane in Spot F

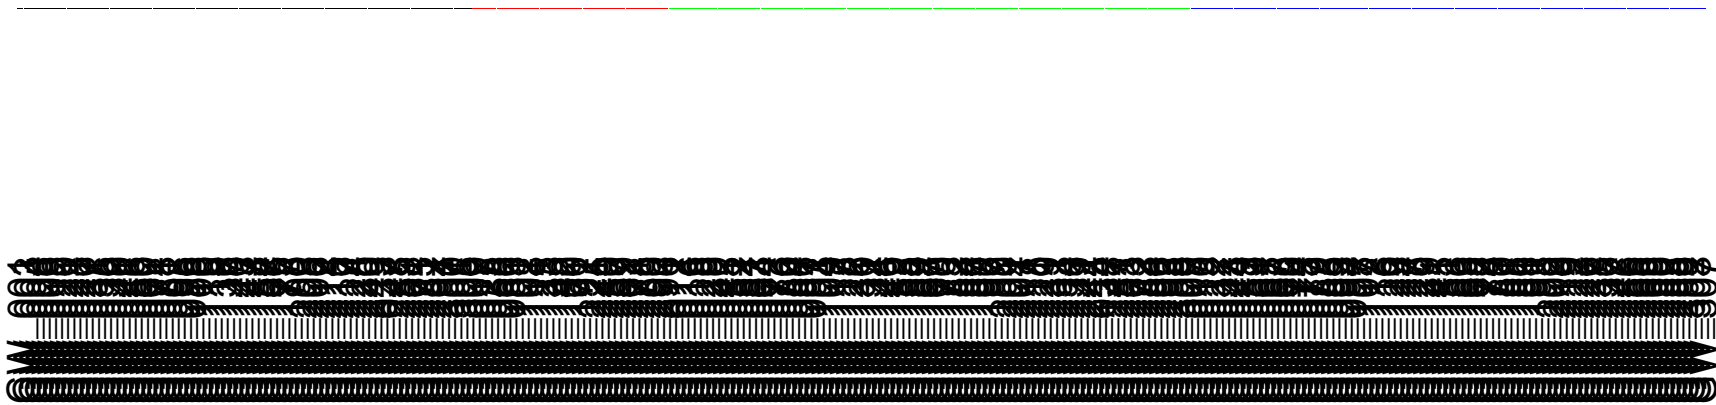

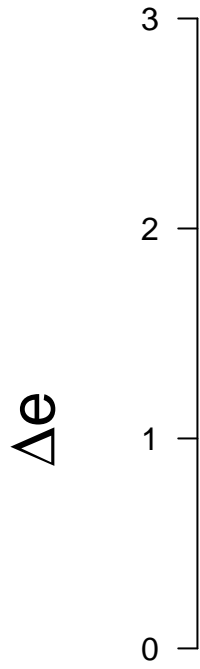

# Expression of photoreceptor outer segment membrane in Spot G

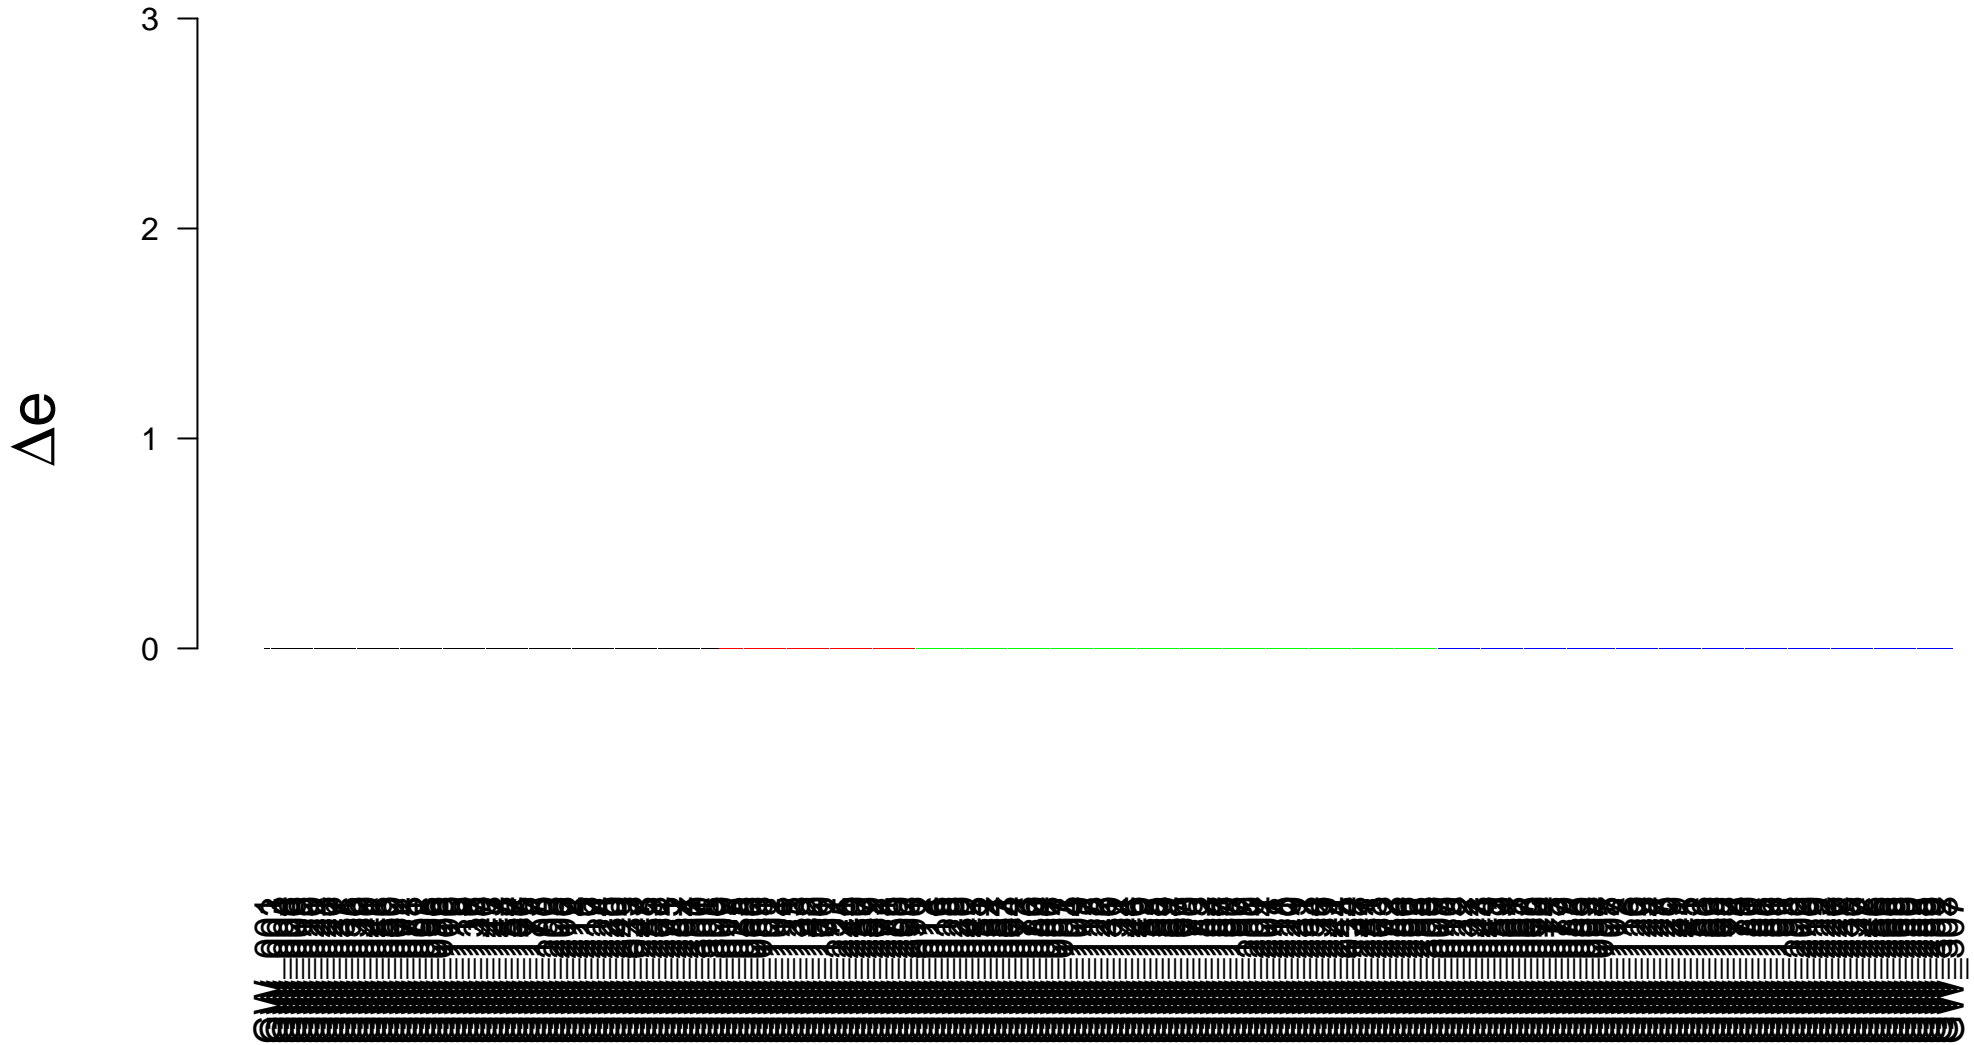

# Expression of photoreceptor outer segment membrane in Spot H

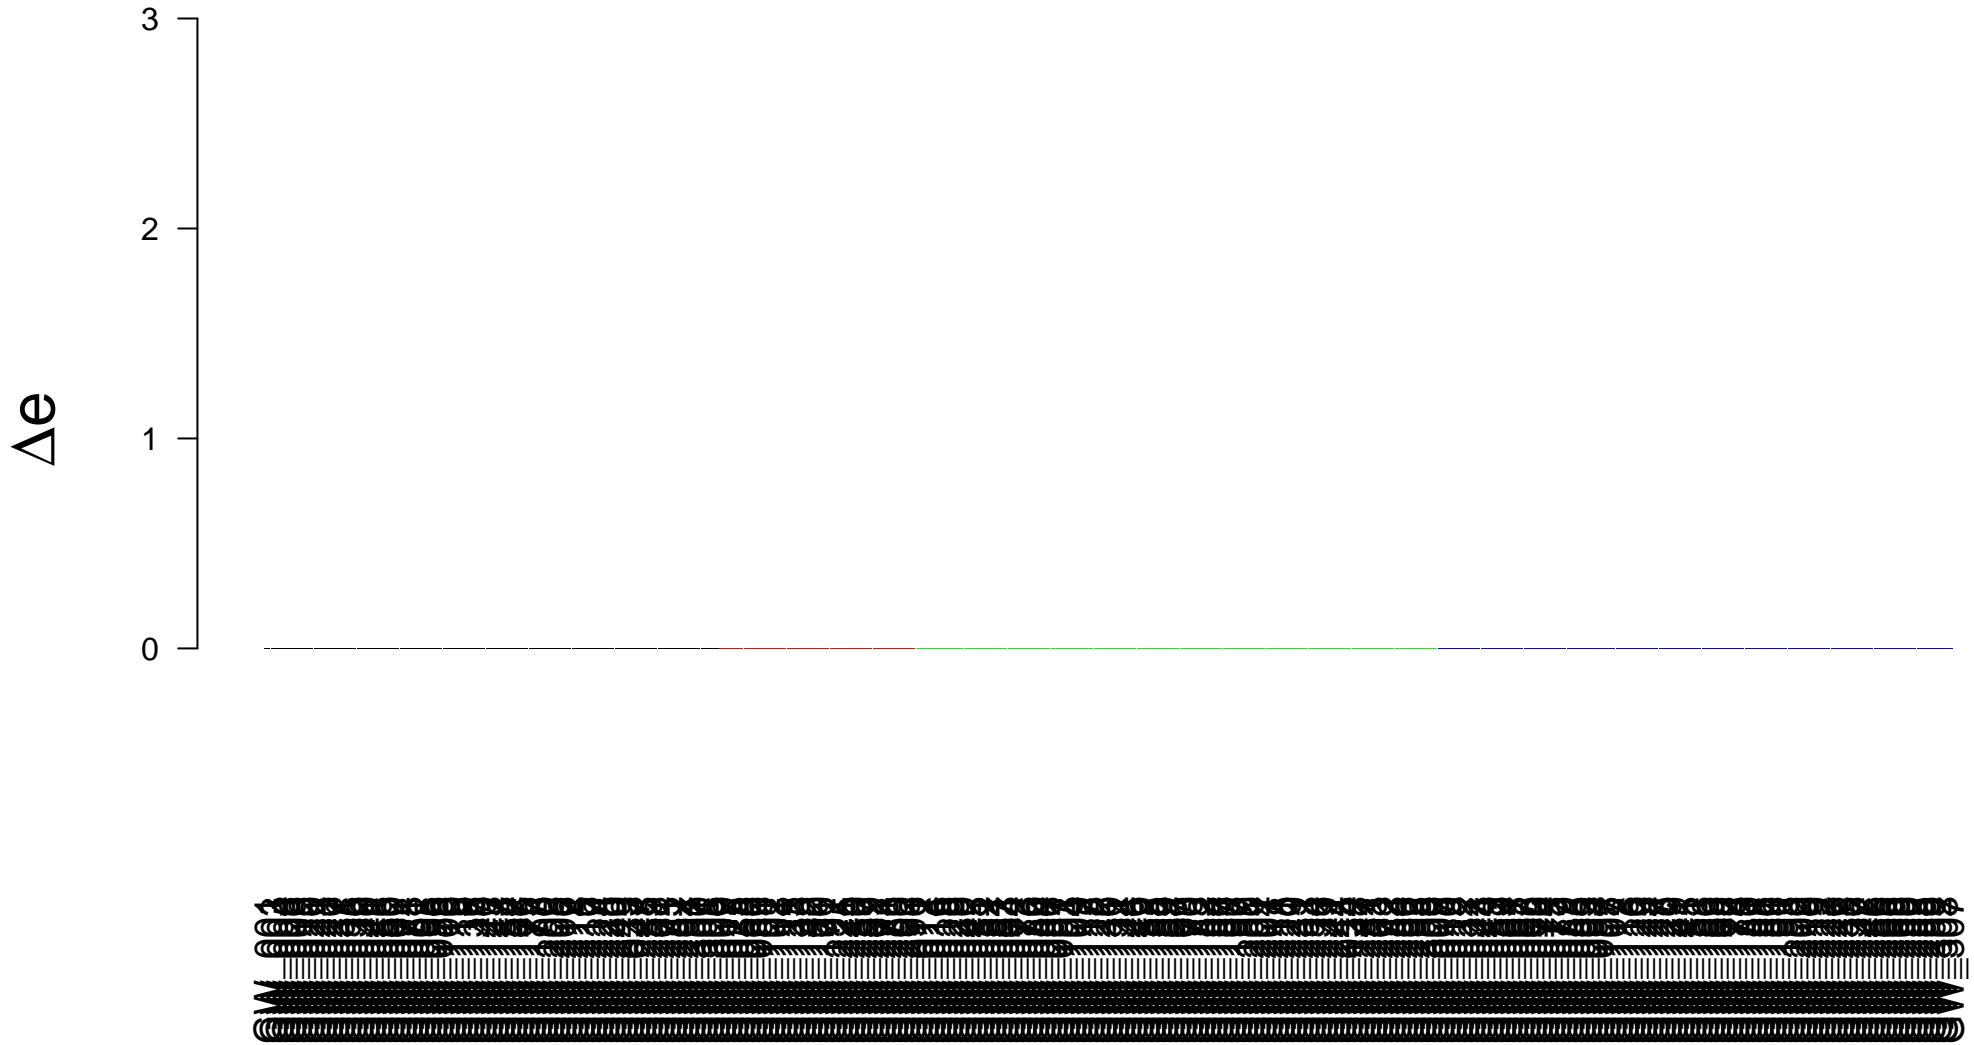

# Expression of photoreceptor outer segment membrane in Spot I

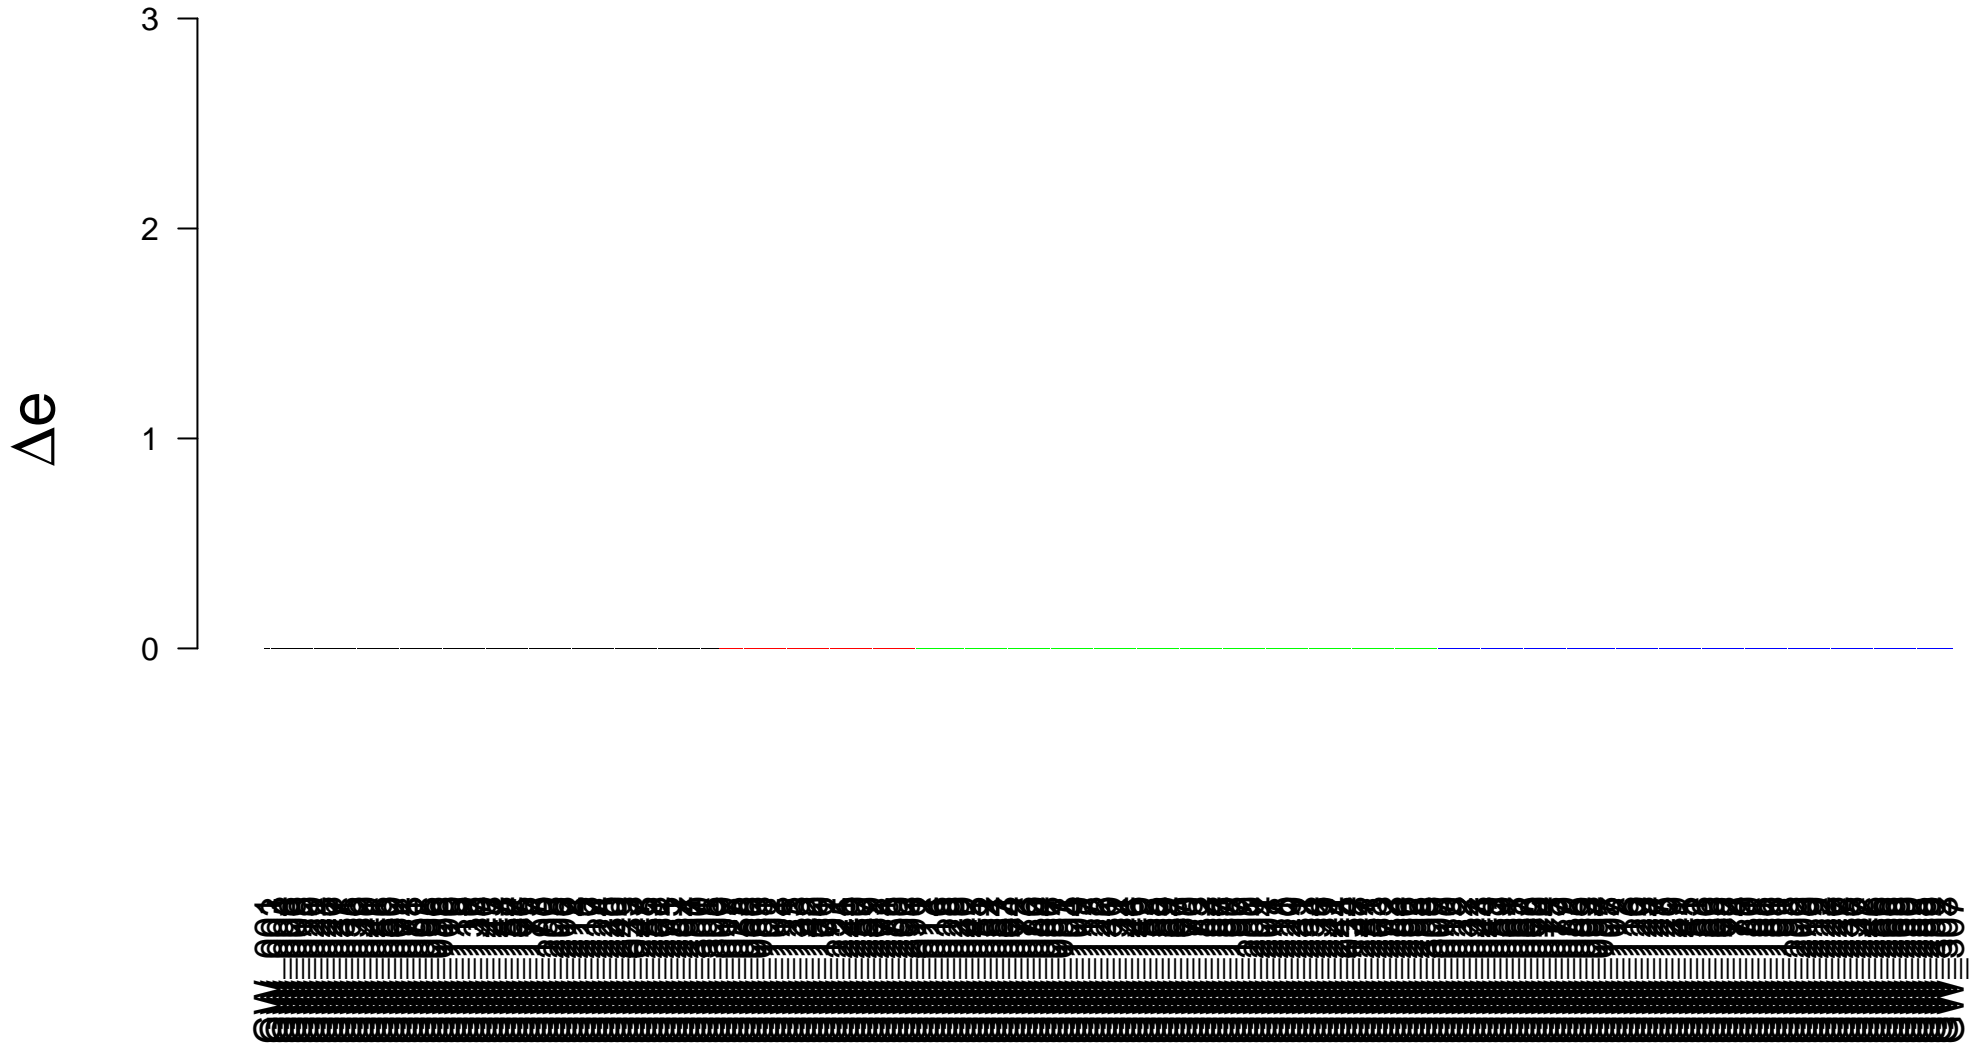

# Expression of photoreceptor outer segment membrane in Spot J

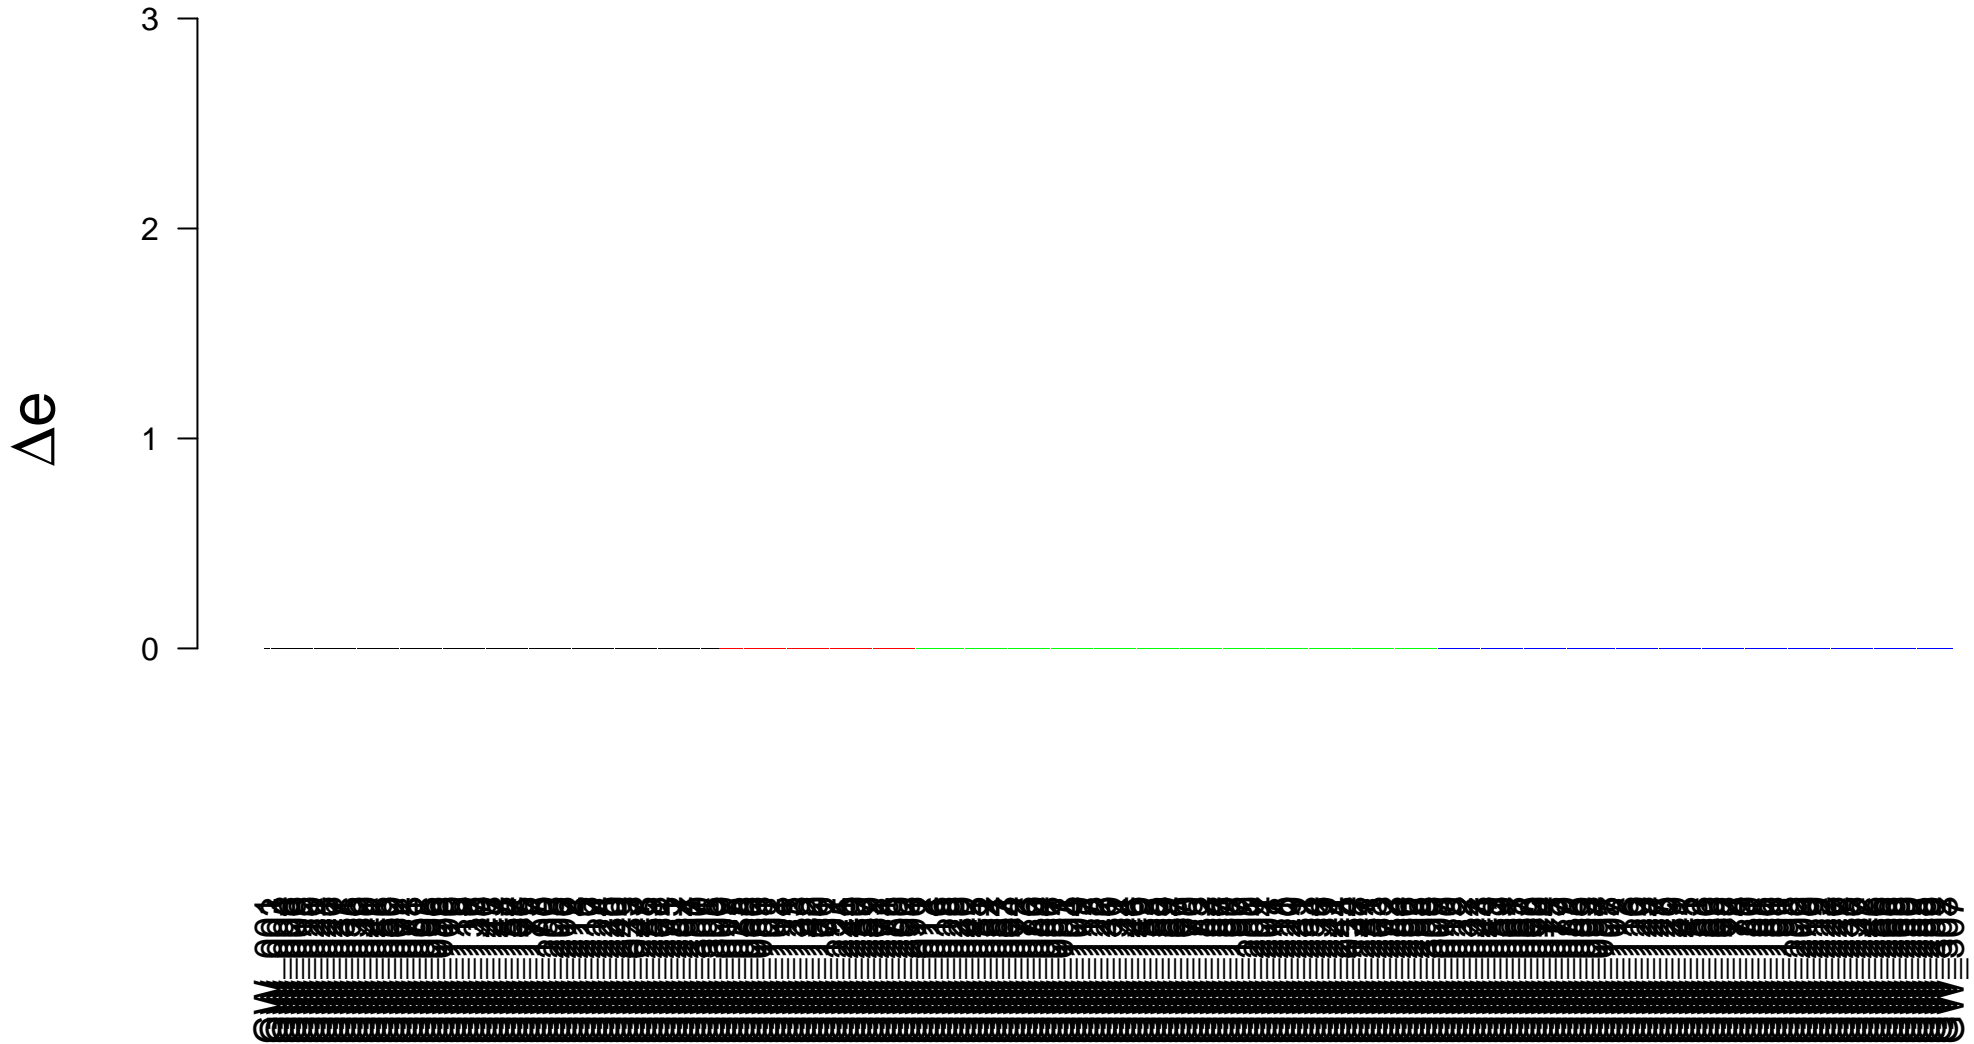

# Expression of photoreceptor outer segment membrane in Spot K

# Expression of photoreceptor outer segment membrane in Spot L

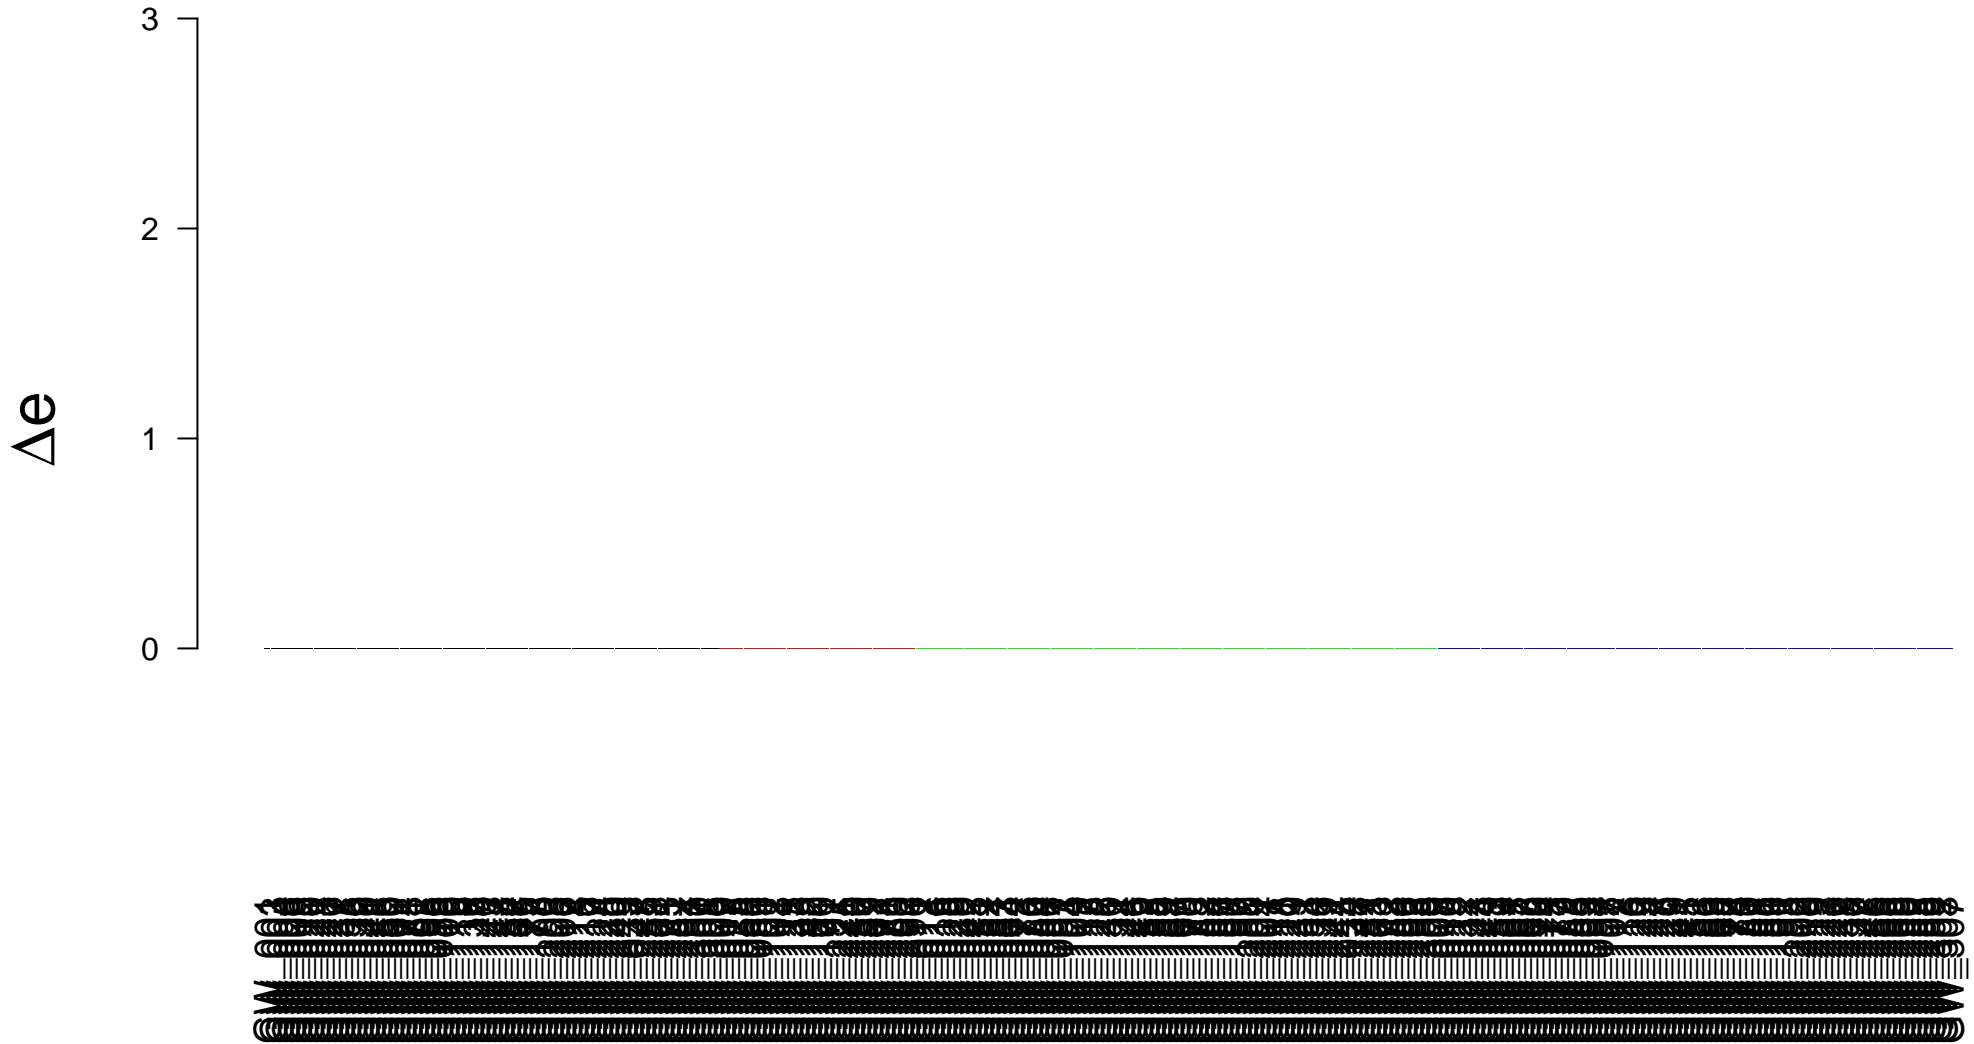

# Expression of photoreceptor outer segment membrane in Spot M

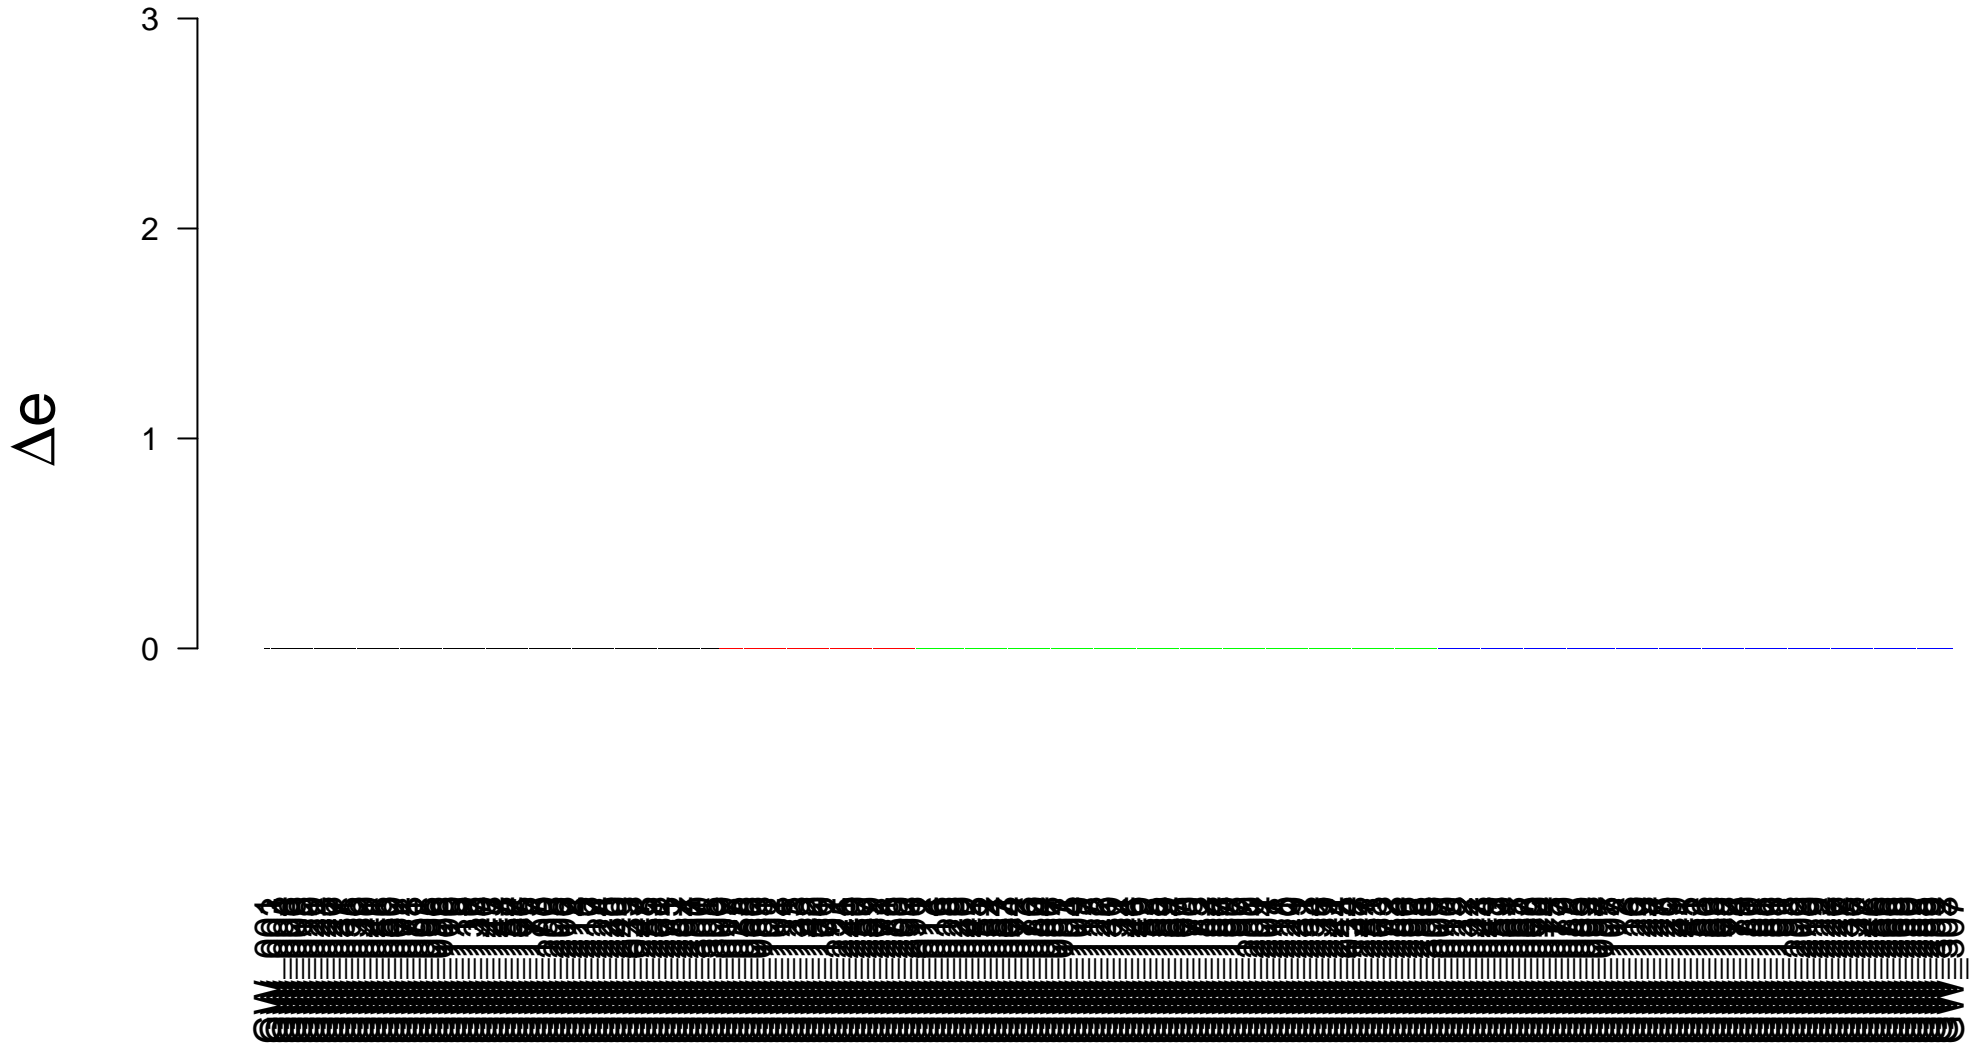

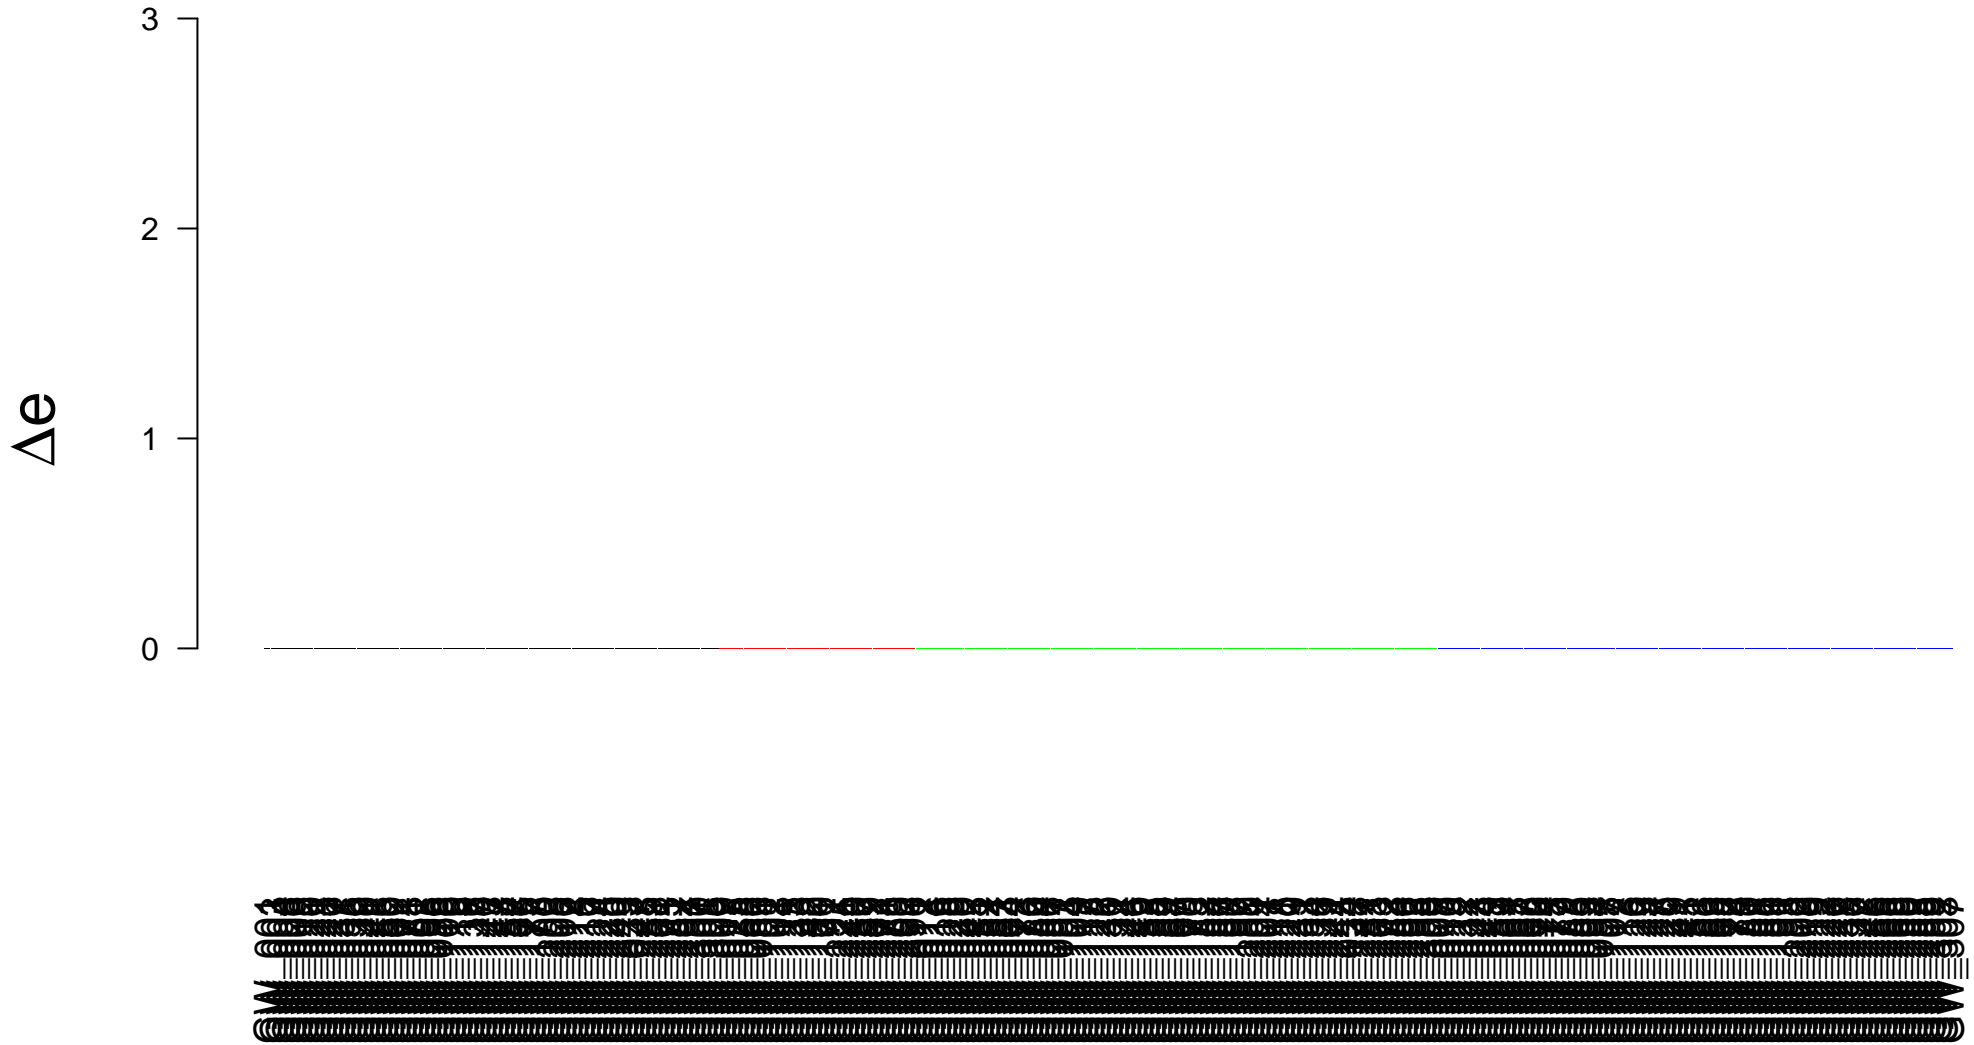

# Expression of photoreceptor outer segment membrane in Spot N

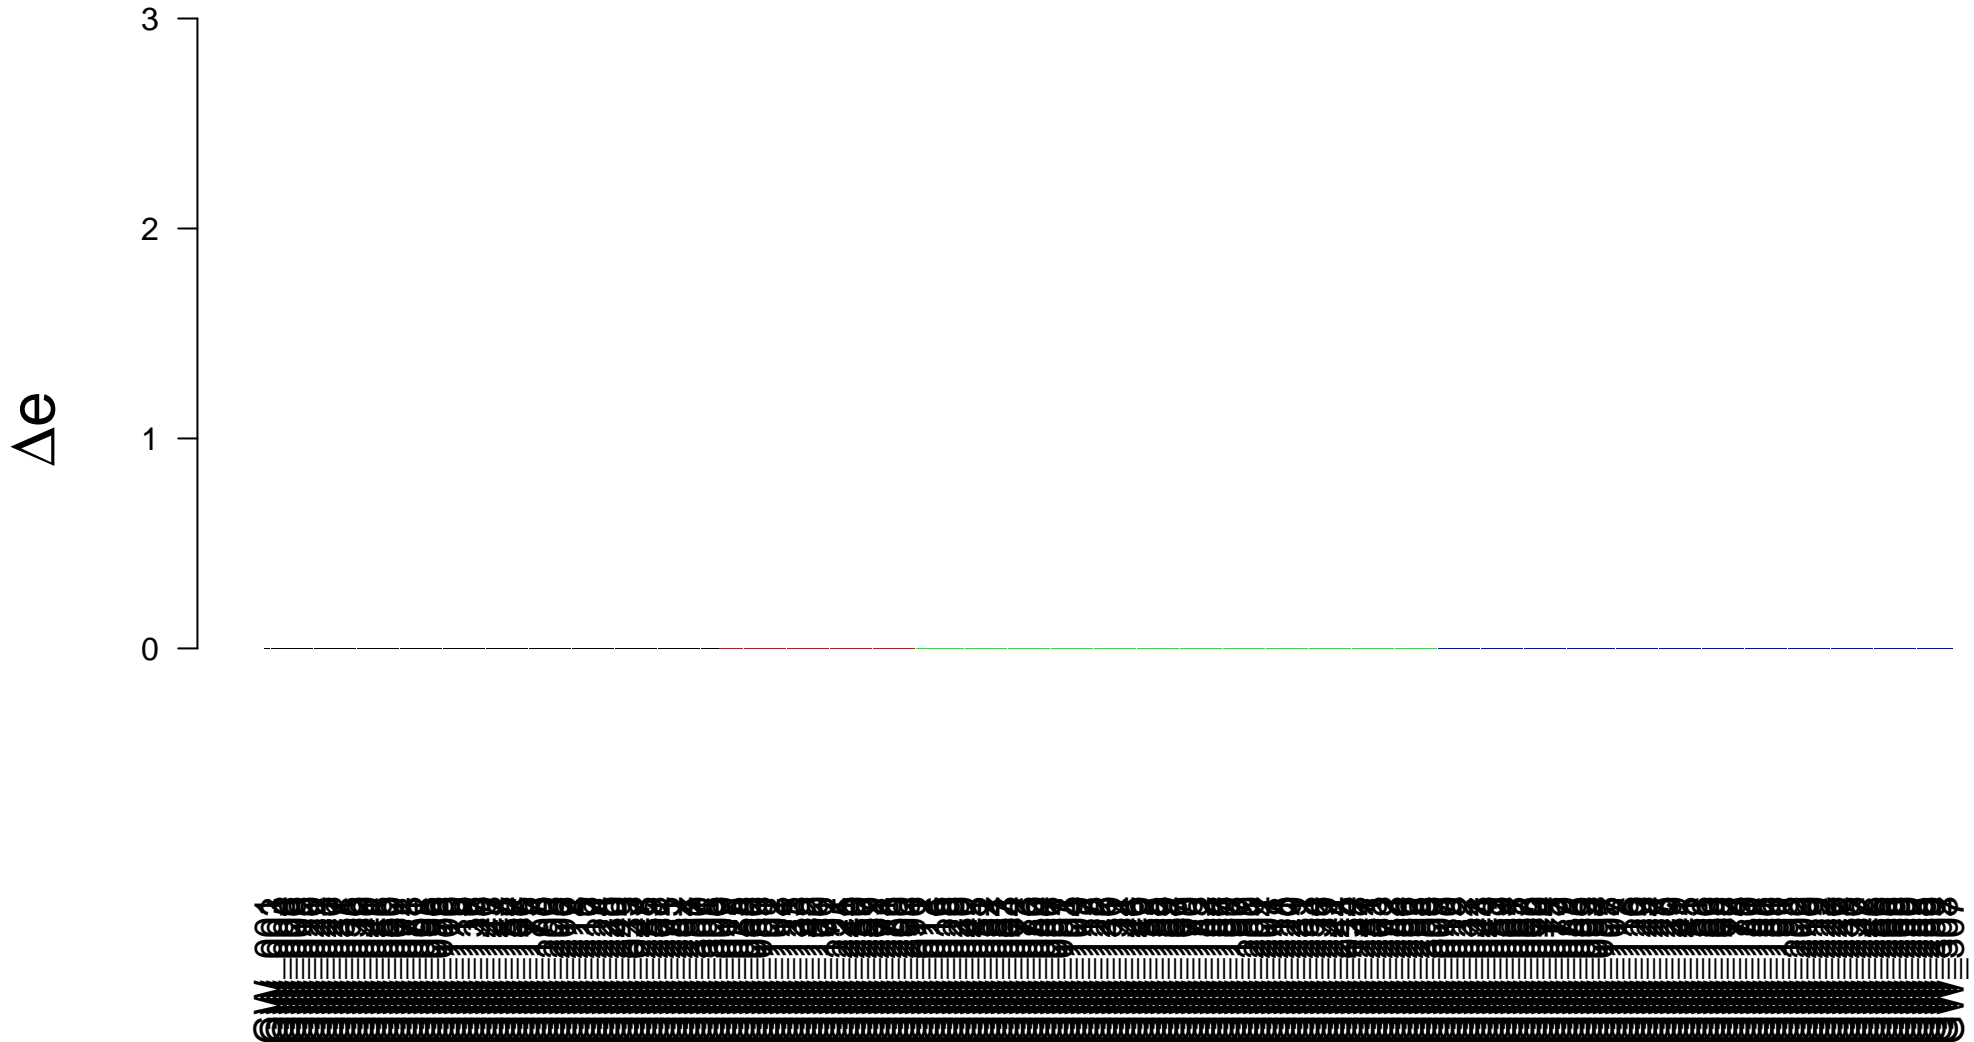

# Expression of photoreceptor outer segment membrane in Spot O

# Expression of photoreceptor outer segment membrane in Spot P

# Expression of photoreceptor outer segment membrane in Spot Q

# Expression of photoreceptor outer segment membrane in Spot R
