

plasma membrane organization

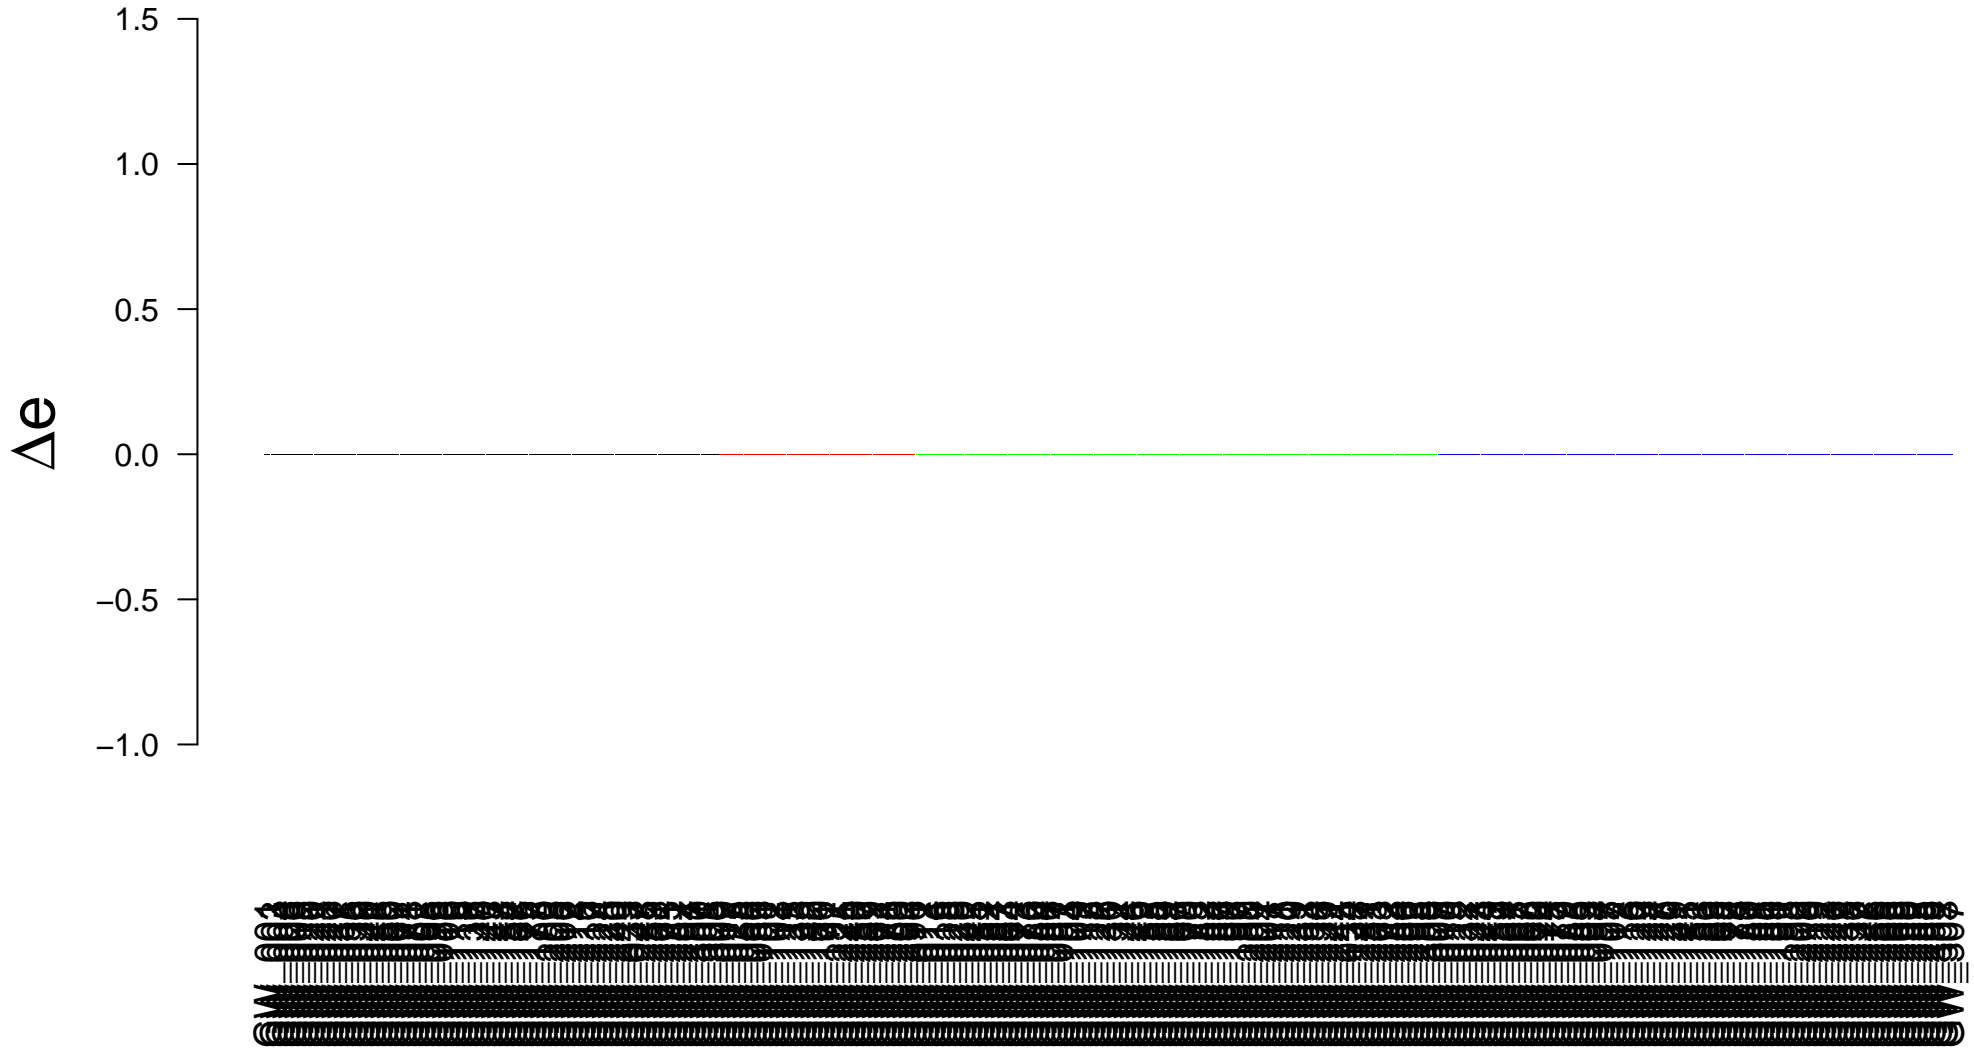

plasma membrane organization

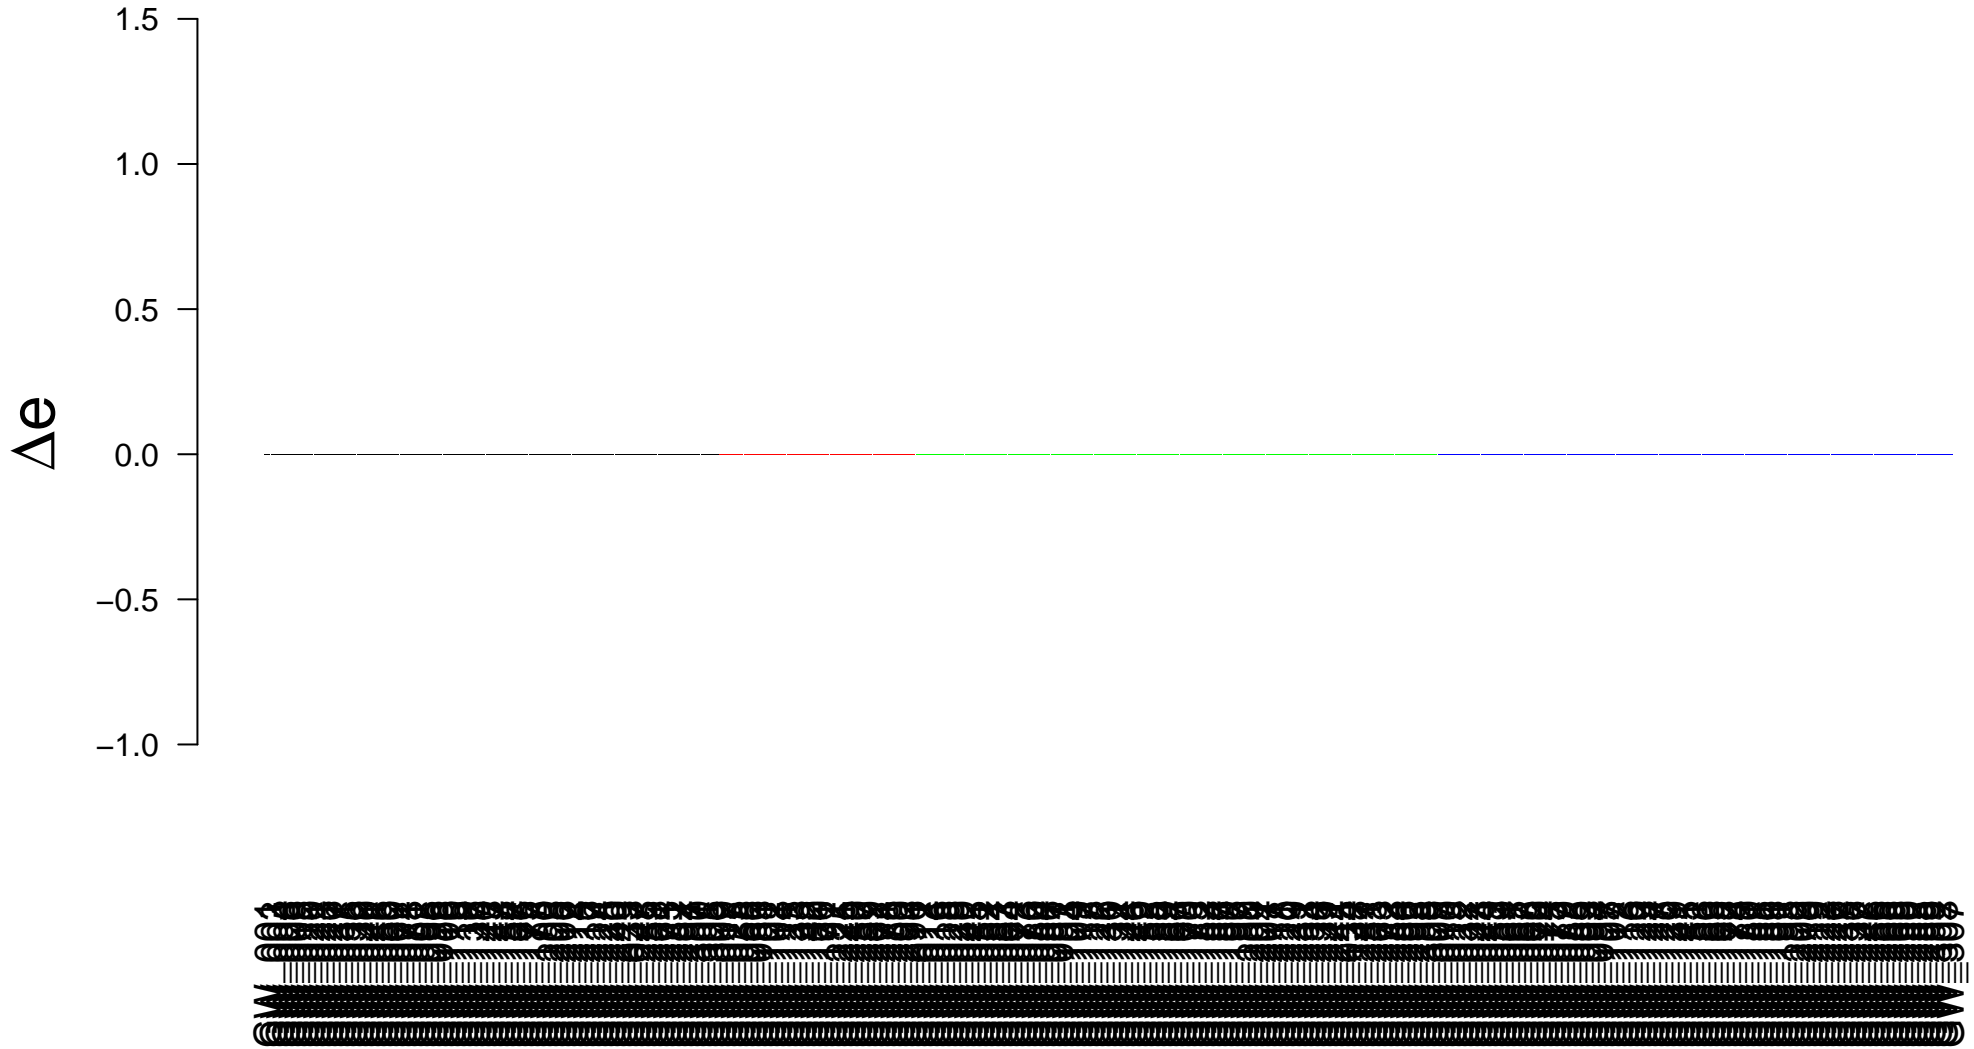

Enrichment in spots: plasma membrane organization

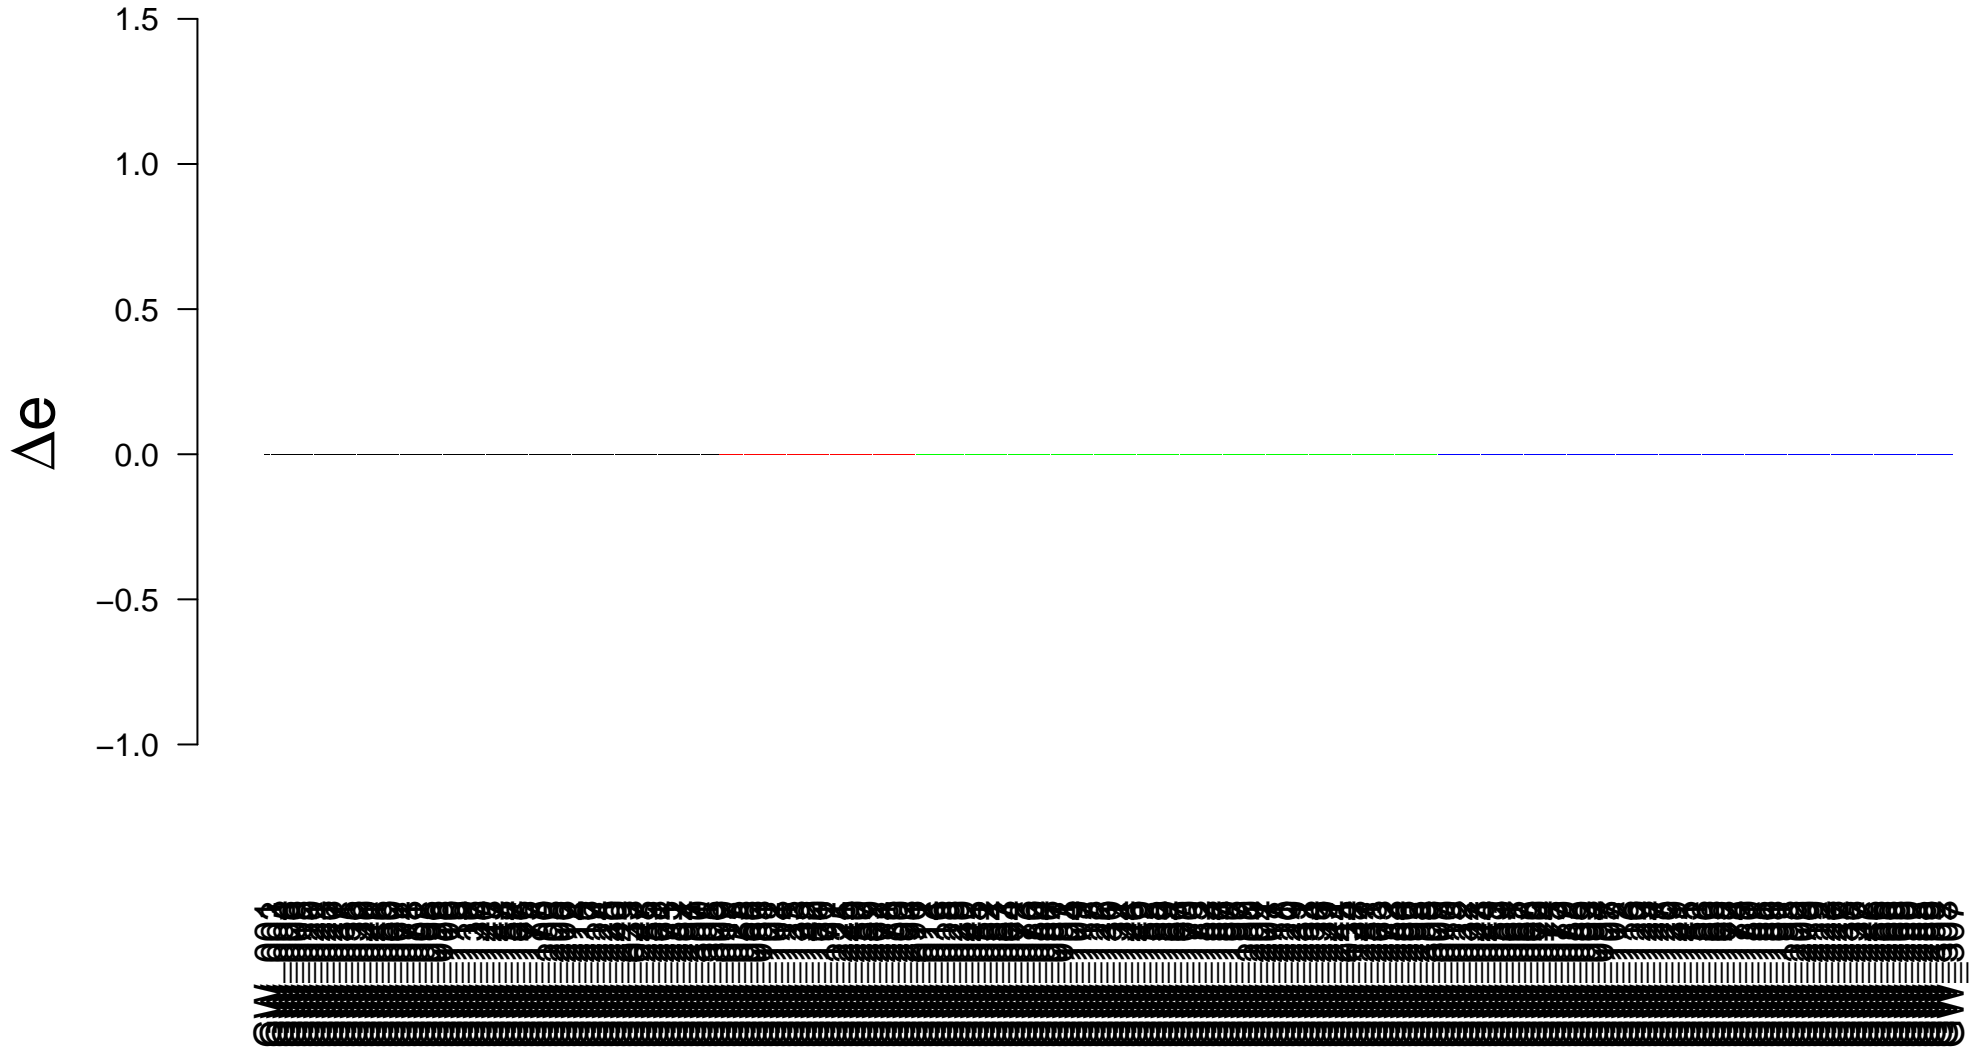

Expression of plasma membrane organization in Spot A

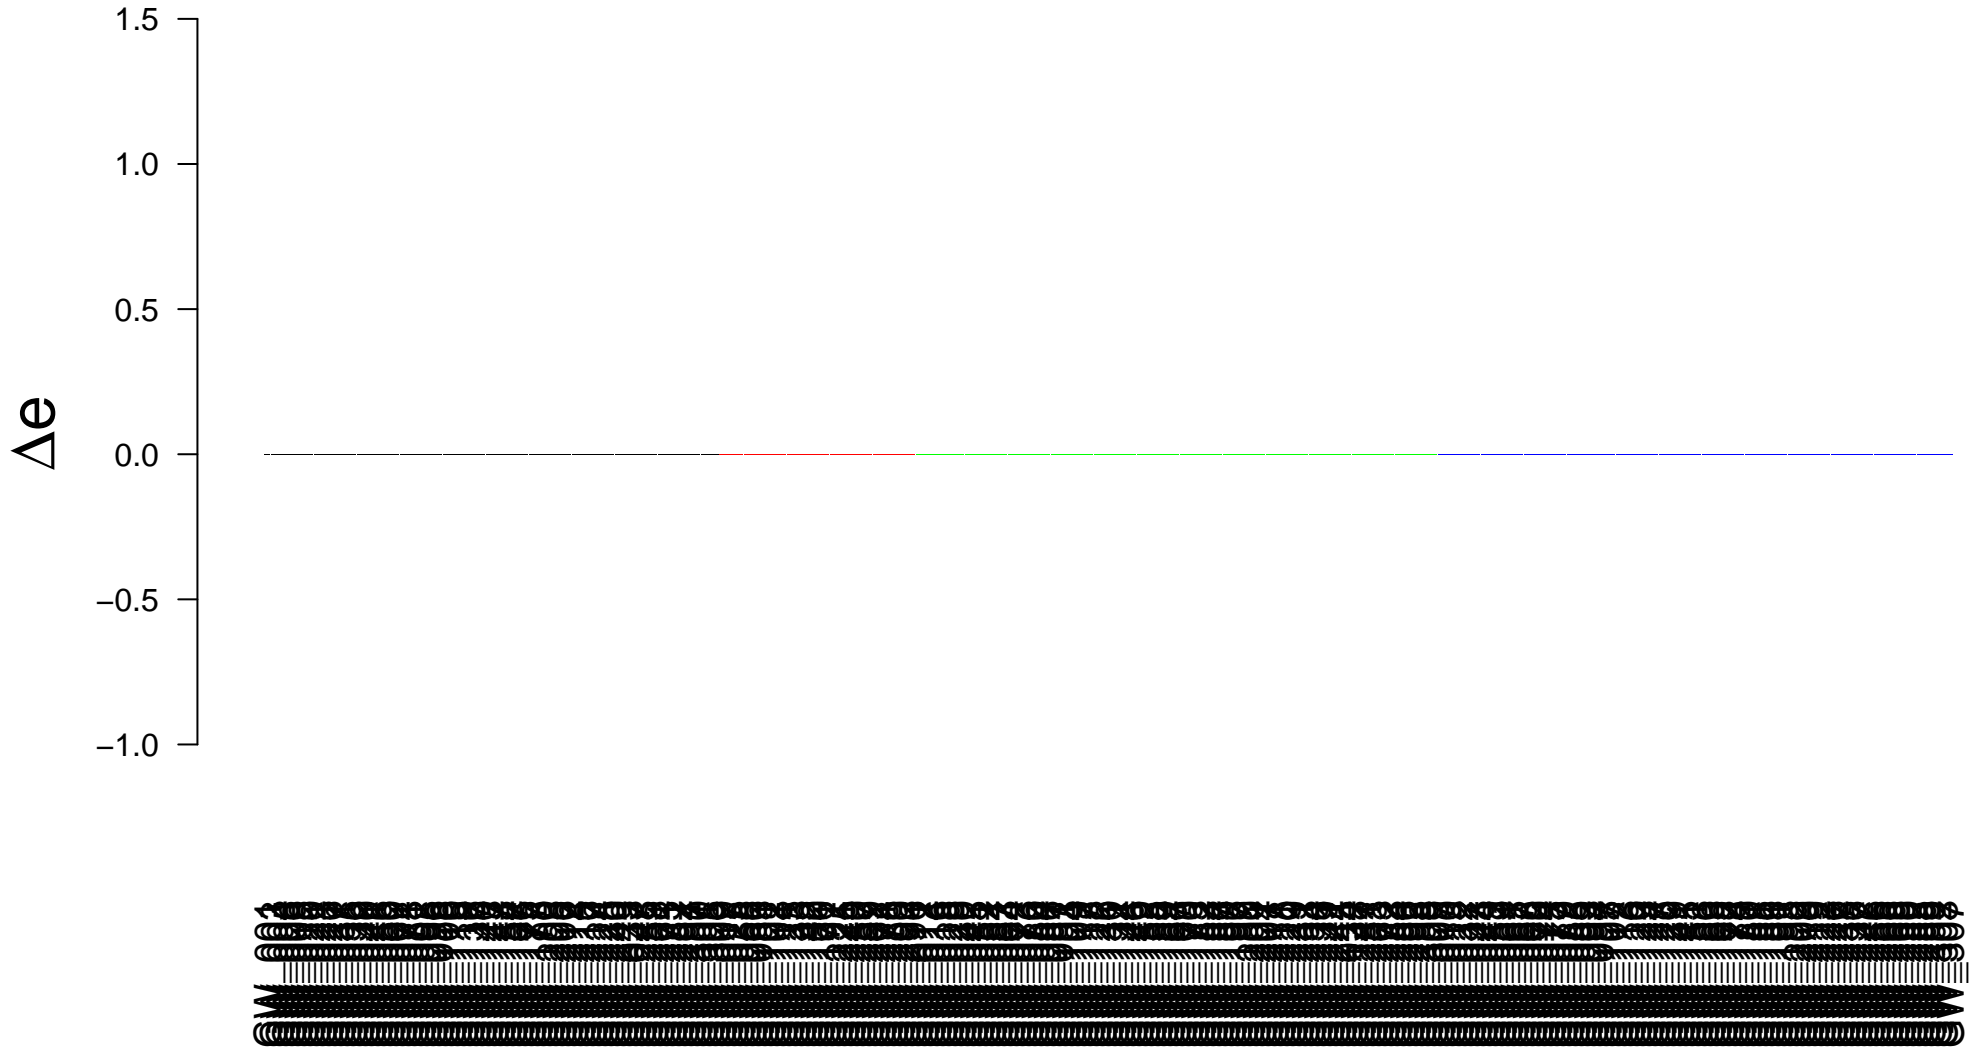

Expression of plasma membrane organization in Spot B

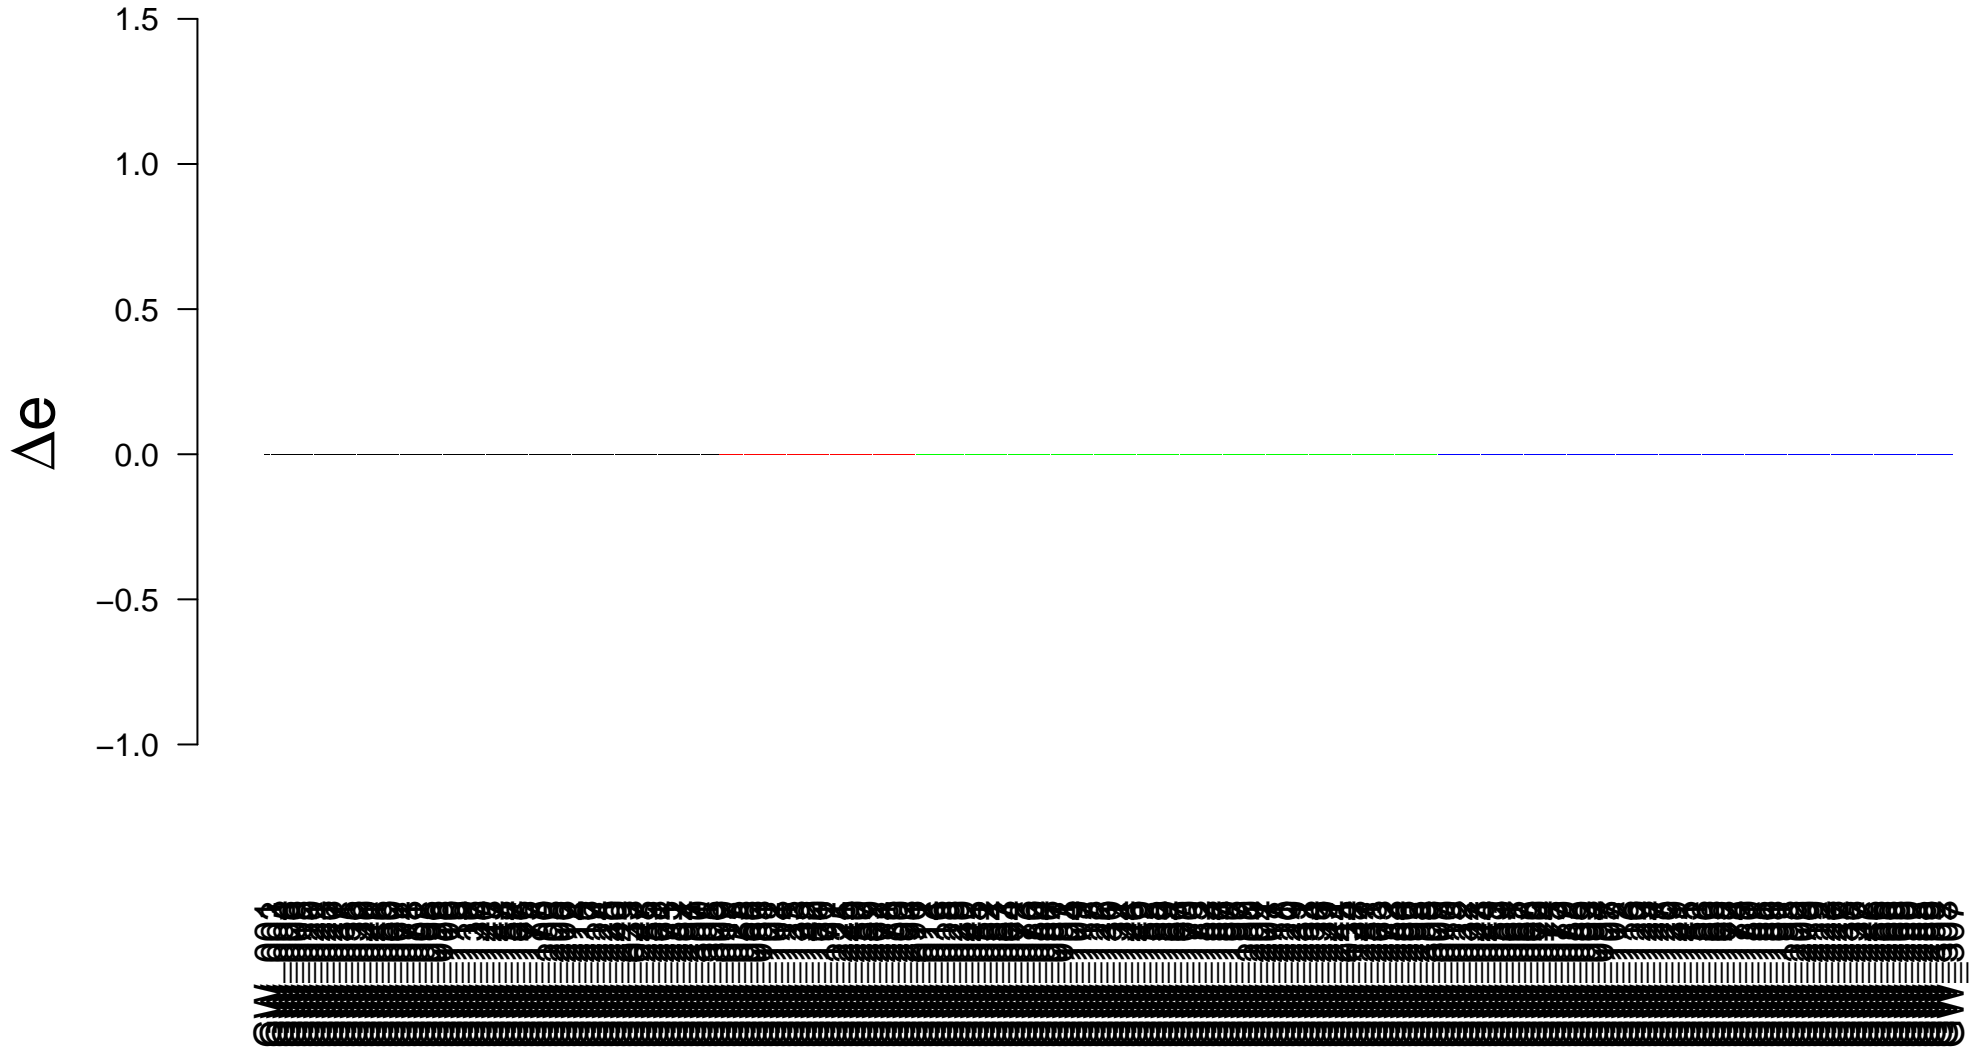

Expression of plasma membrane organization in Spot C

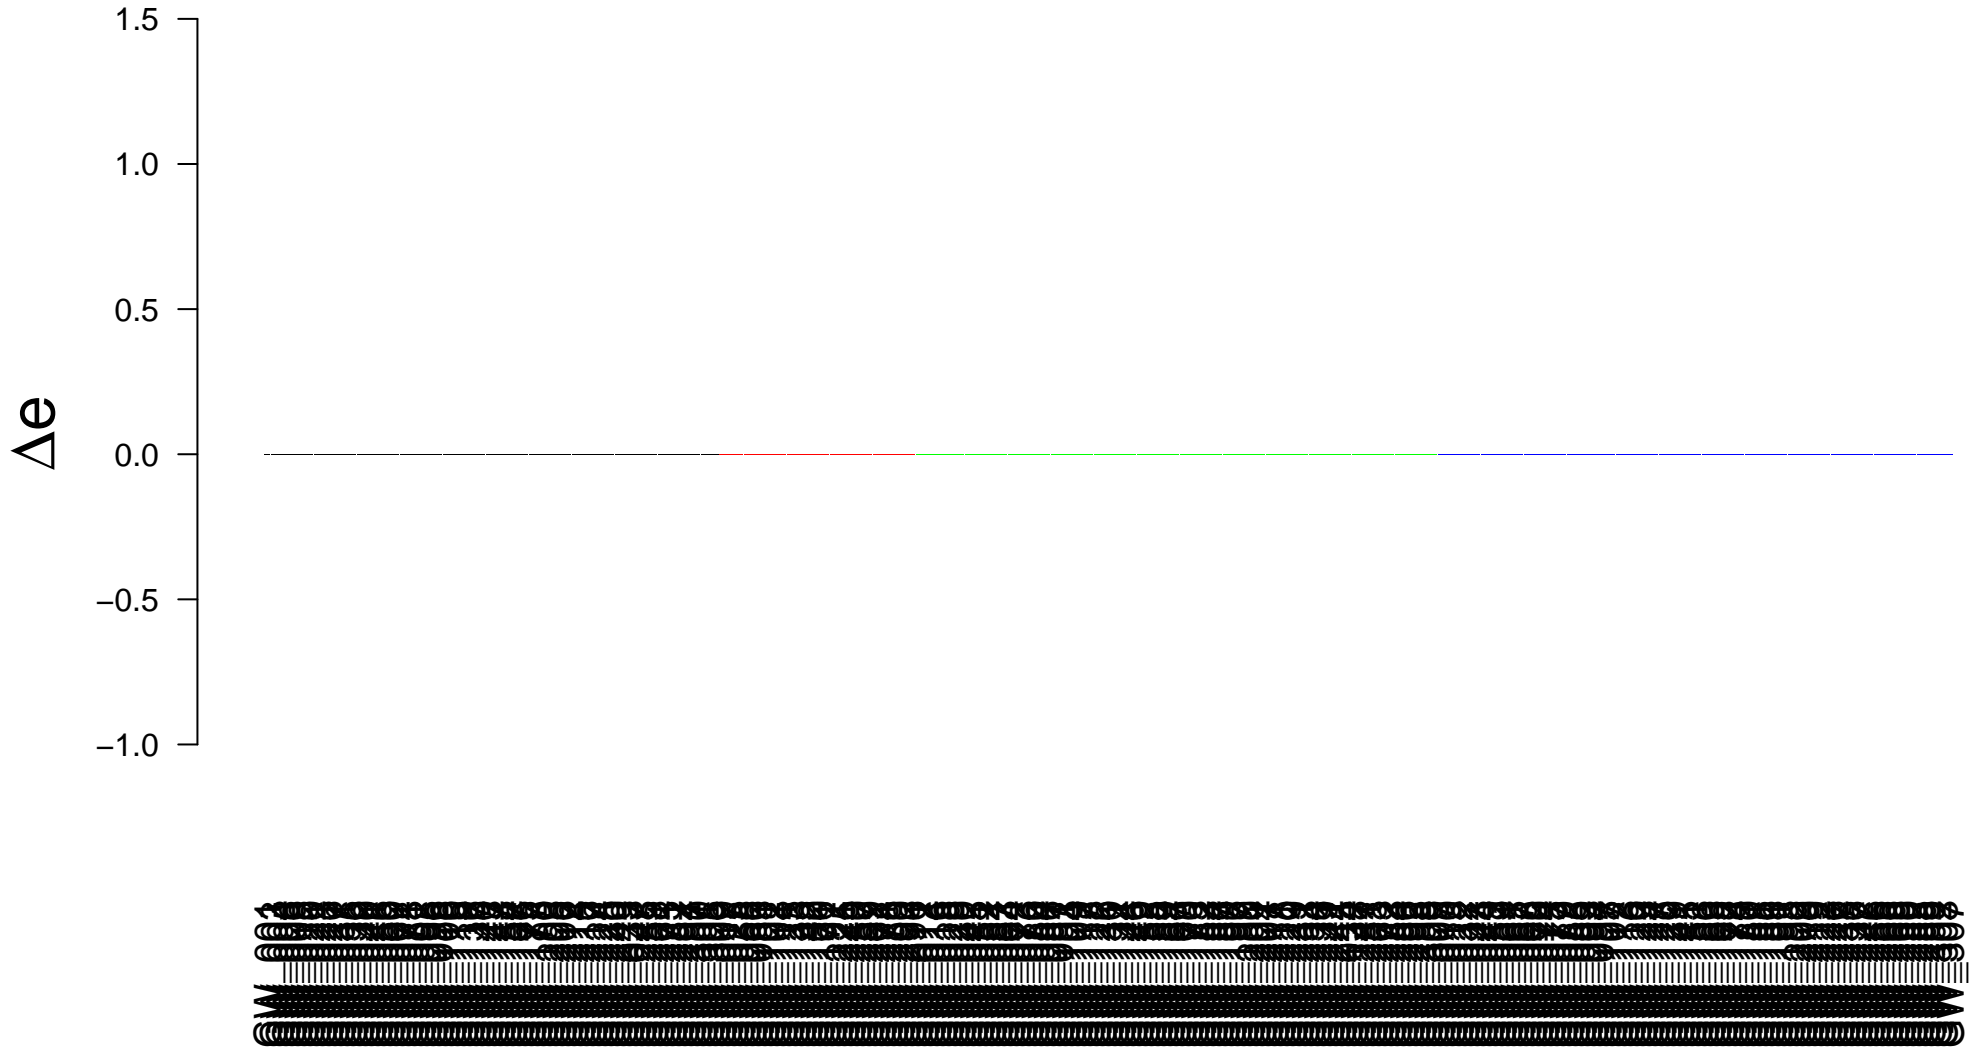

Expression of plasma membrane organization in Spot D

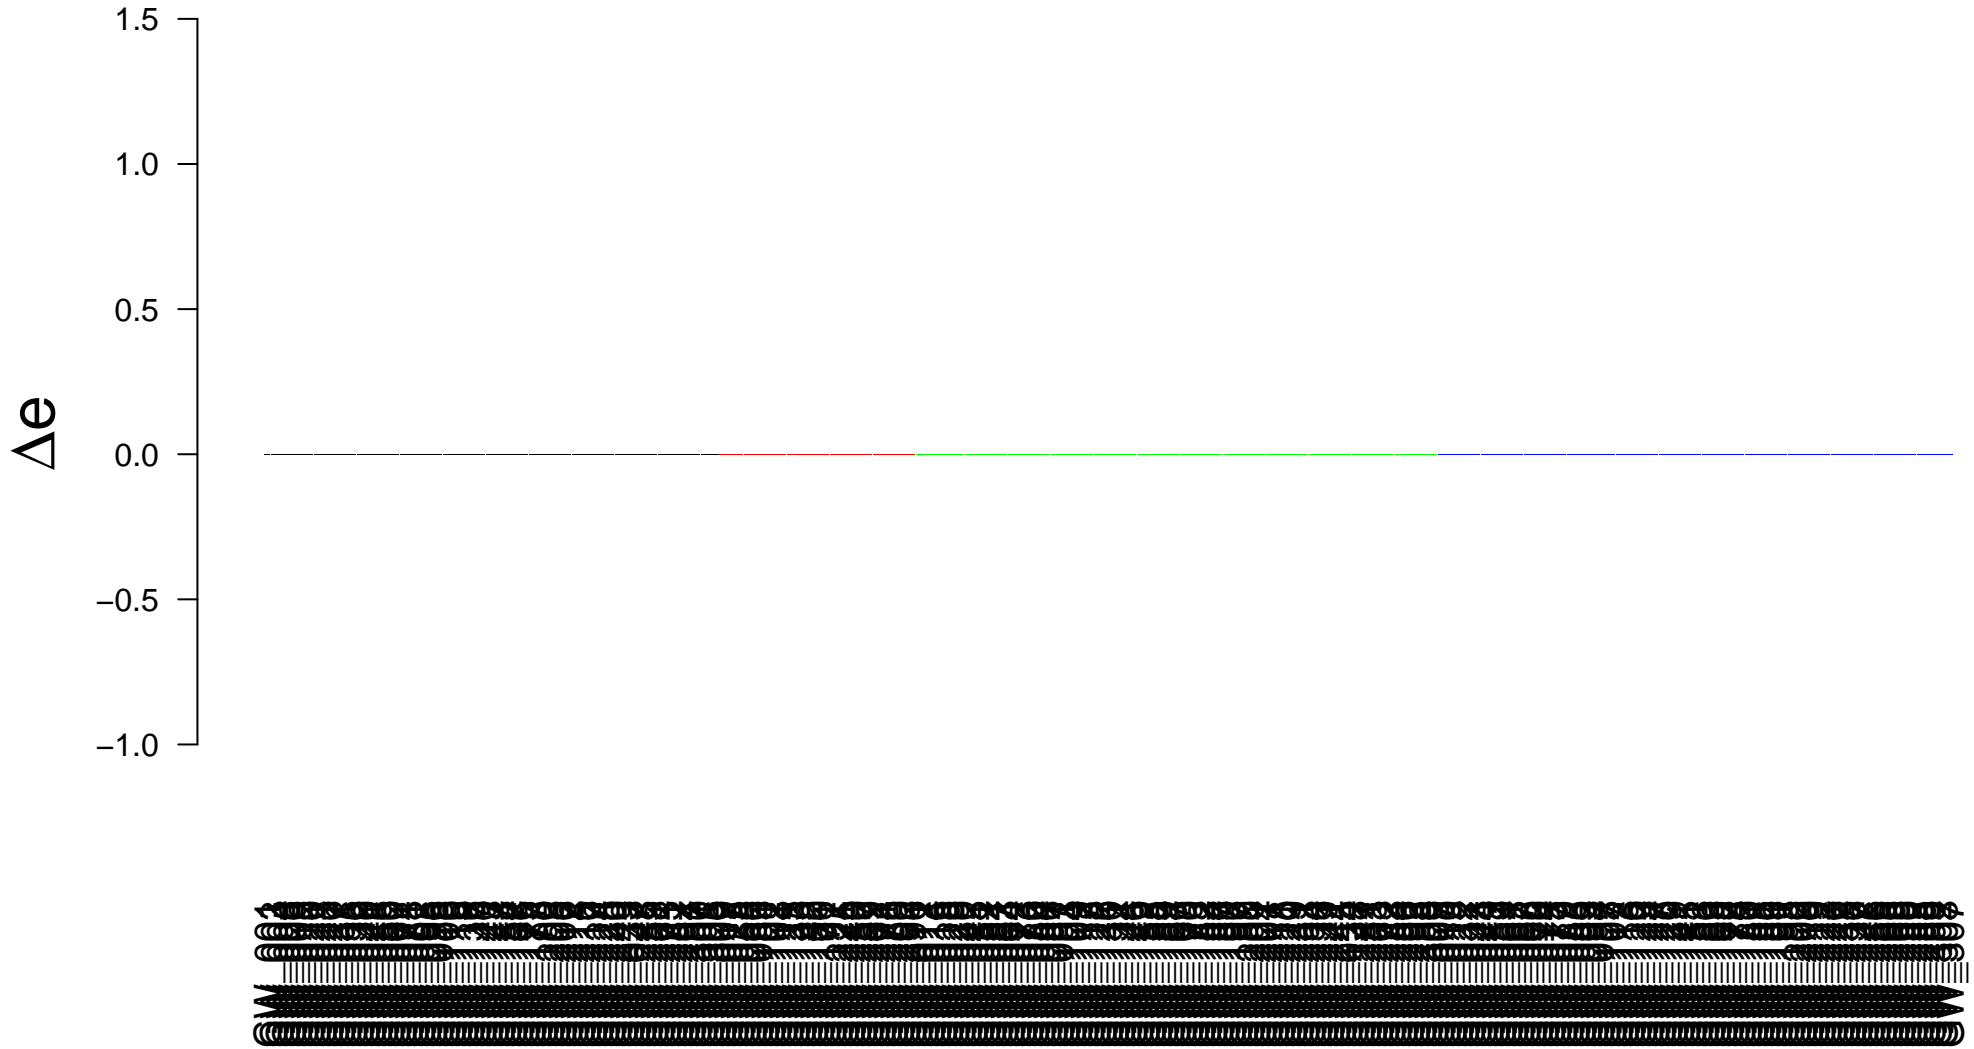

Expression of plasma membrane organization in Spot E

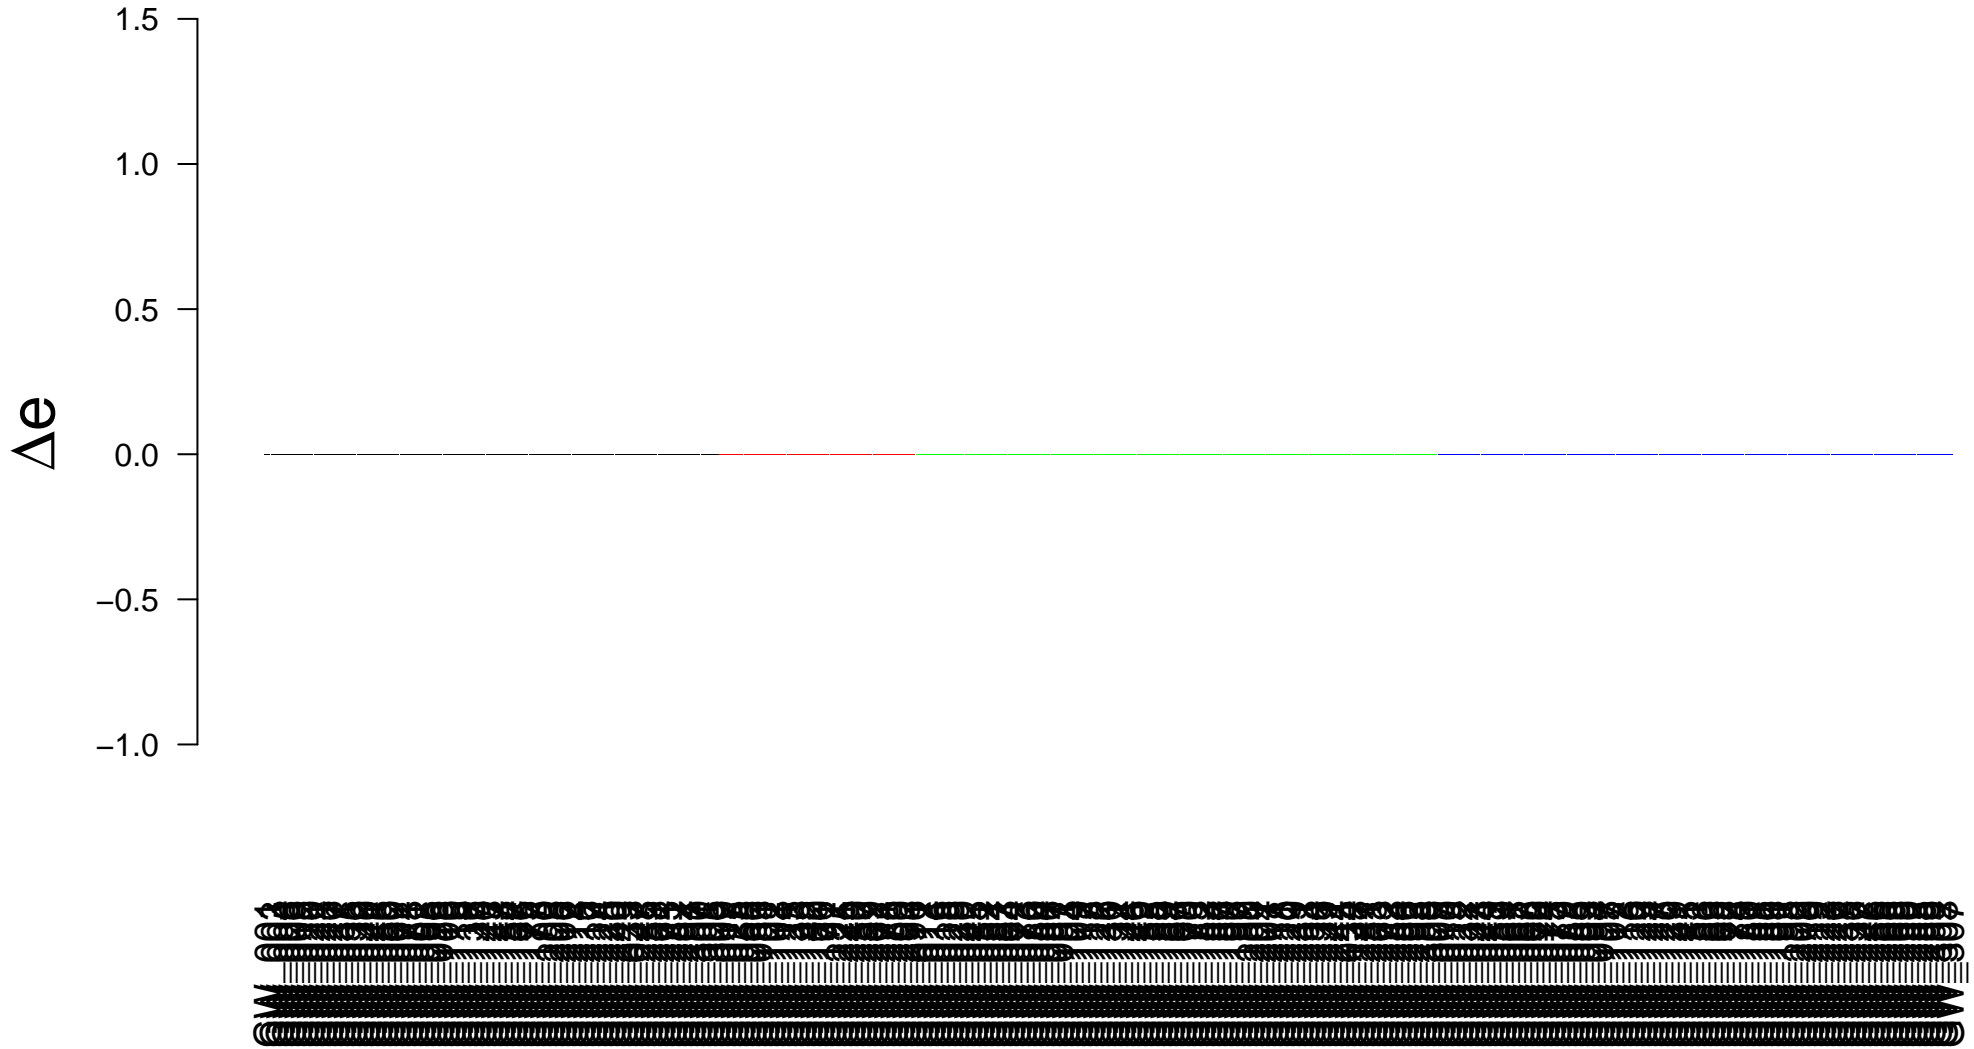

Expression of plasma membrane organization in Spot F

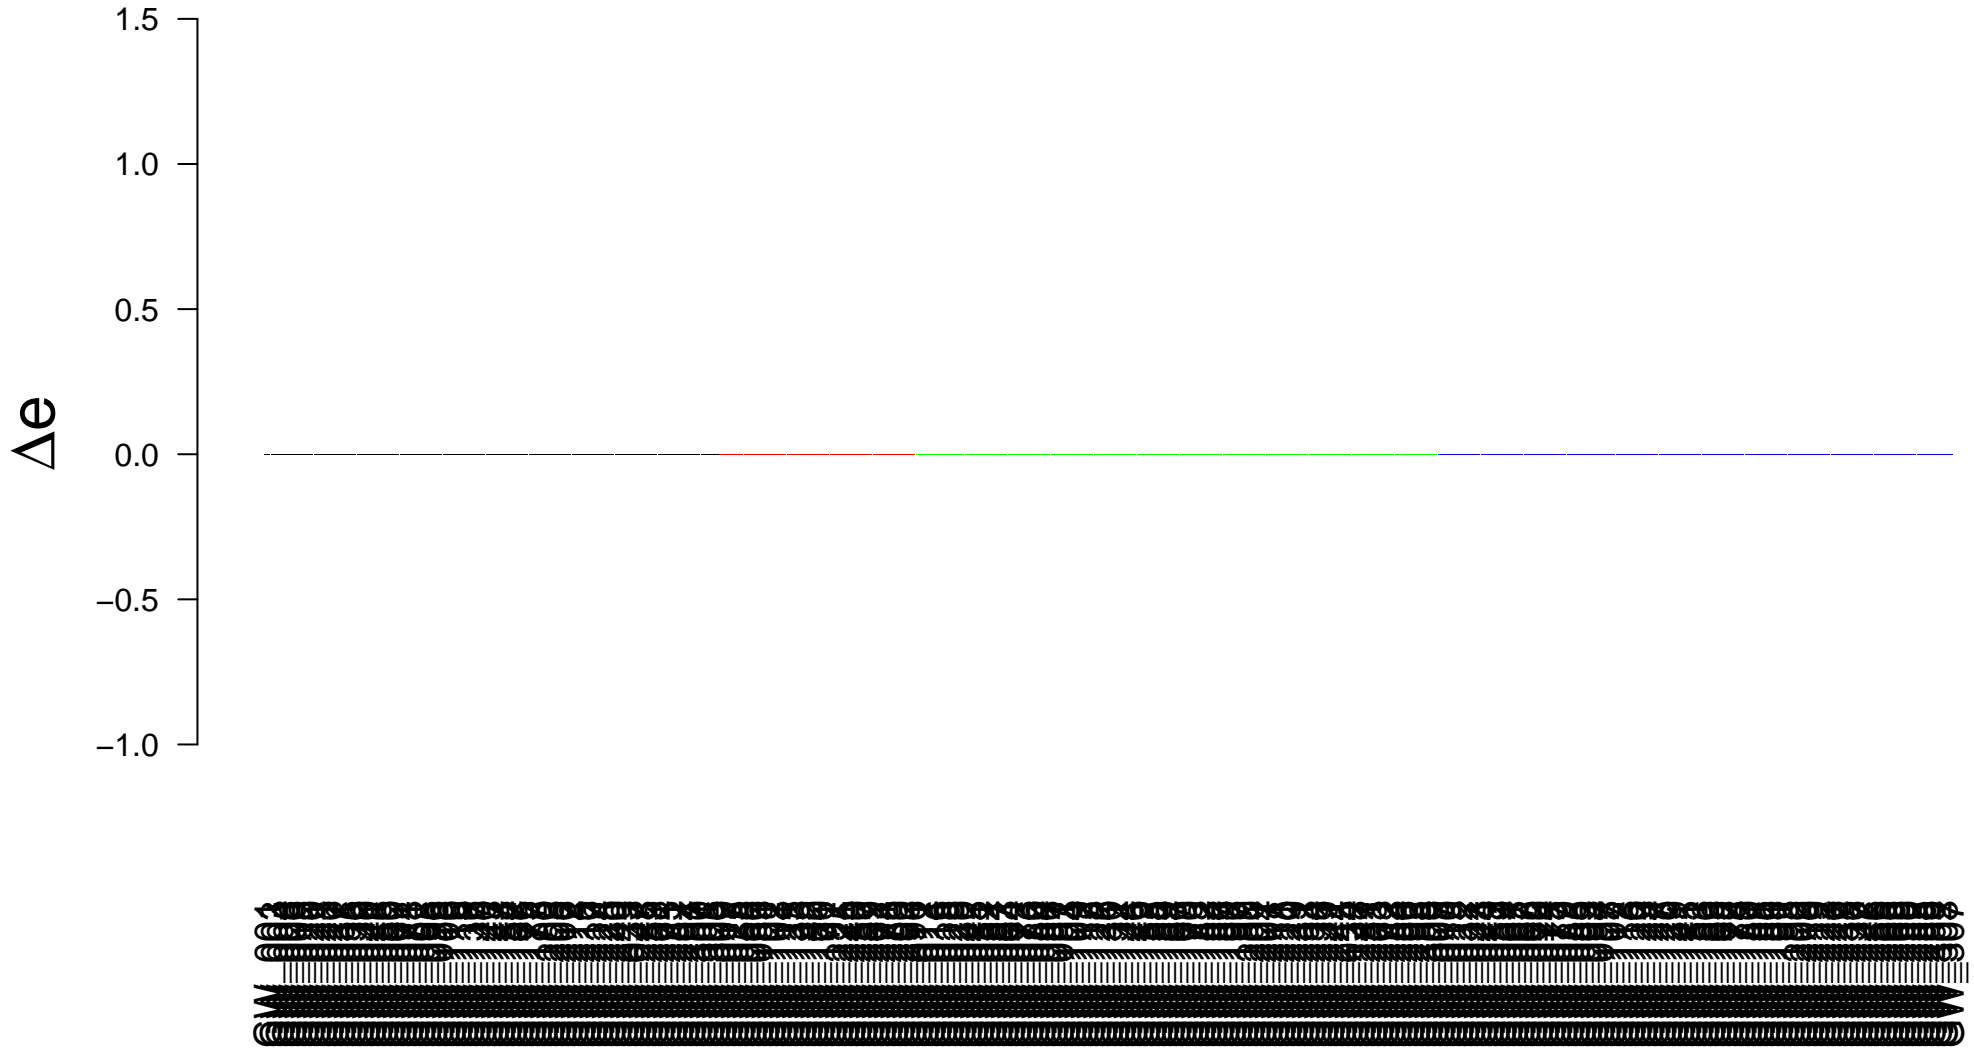

Expression of plasma membrane organization in Spot G

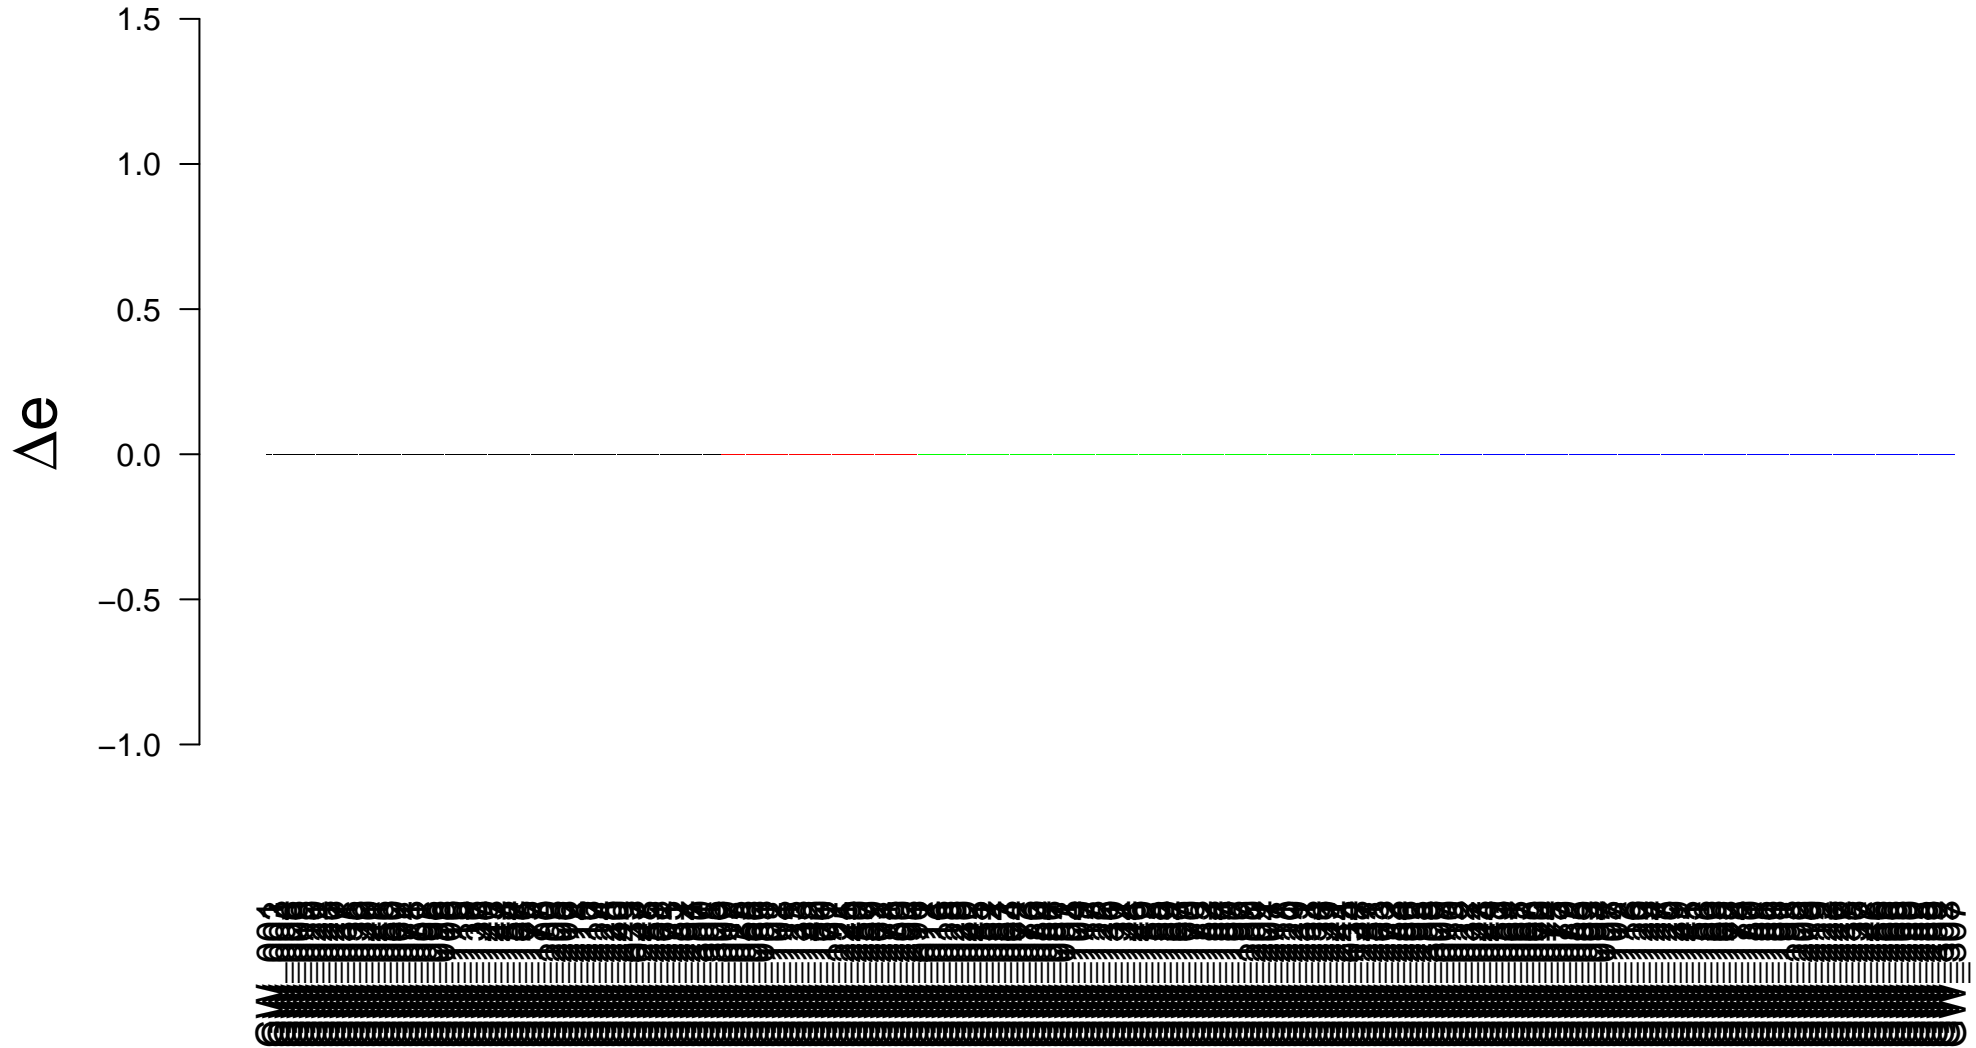

Expression of plasma membrane organization in Spot H

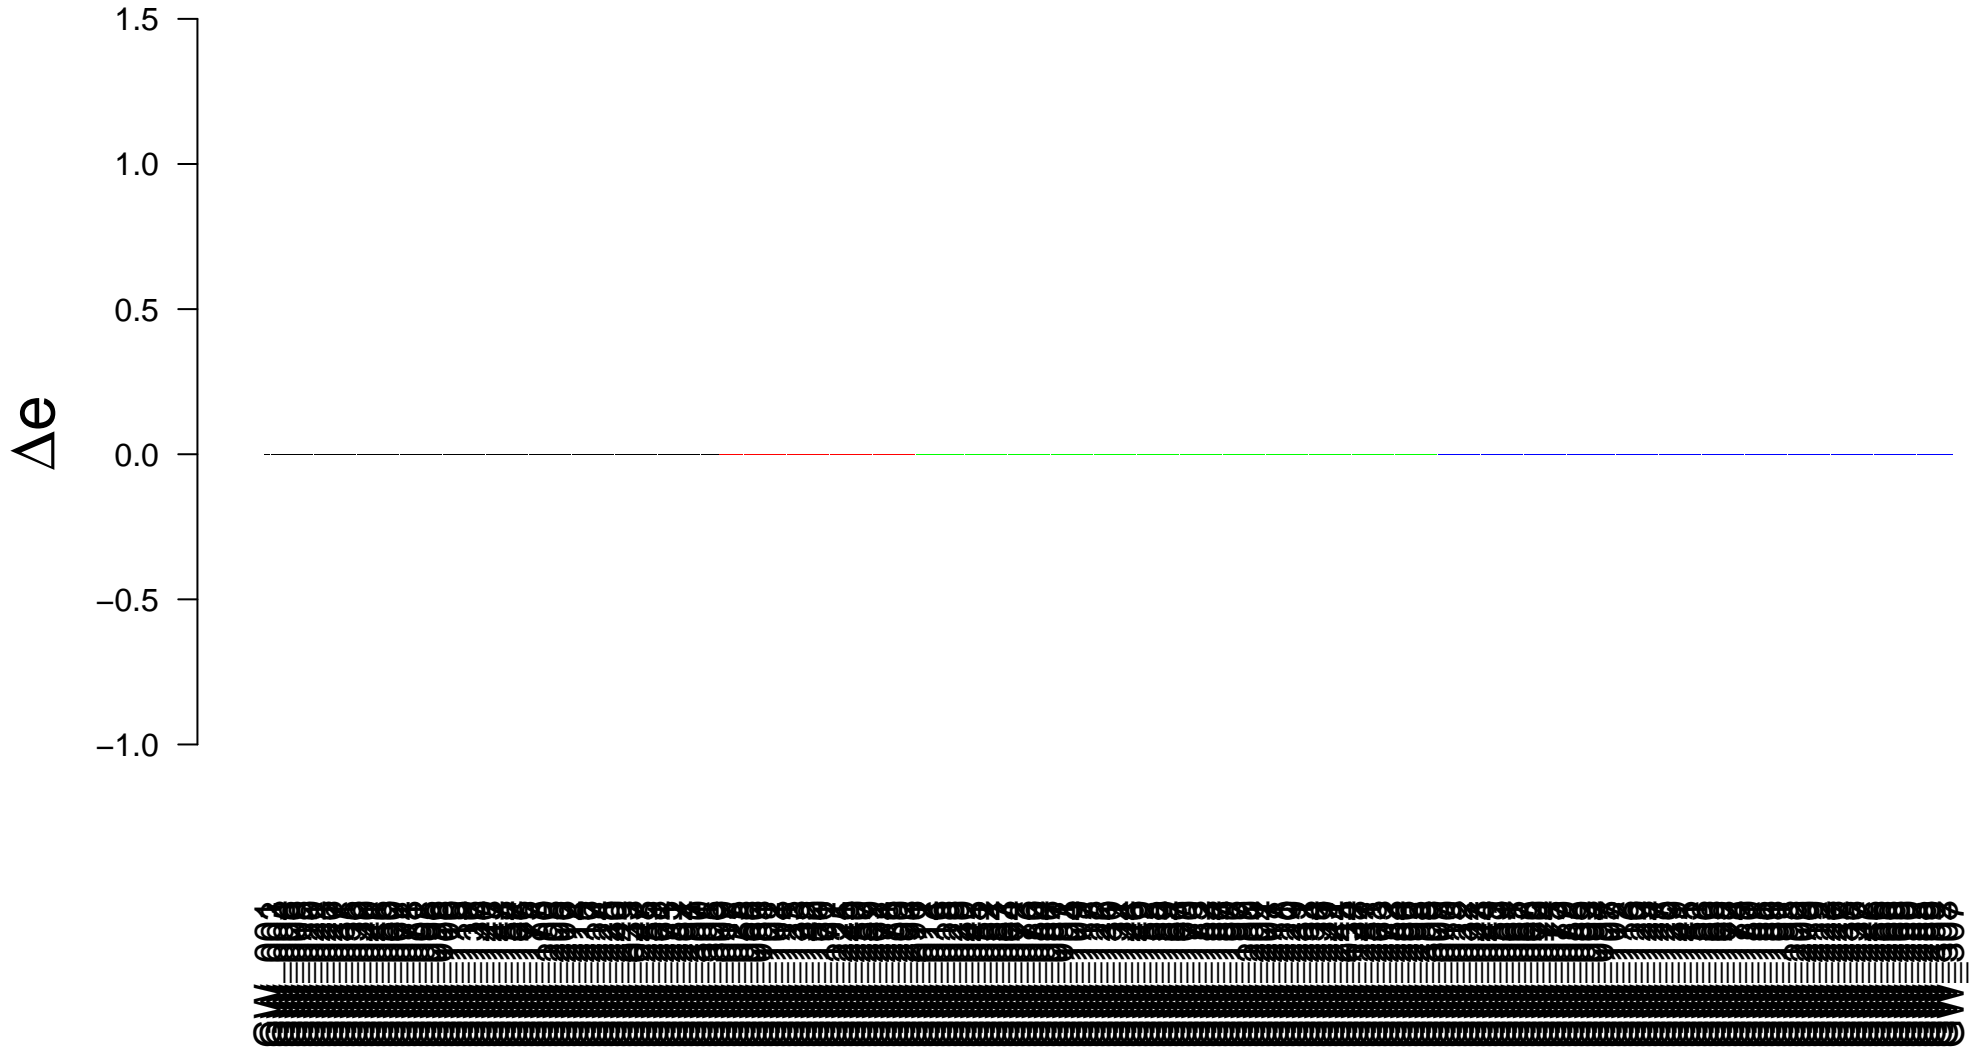

Expression of plasma membrane organization in Spot I

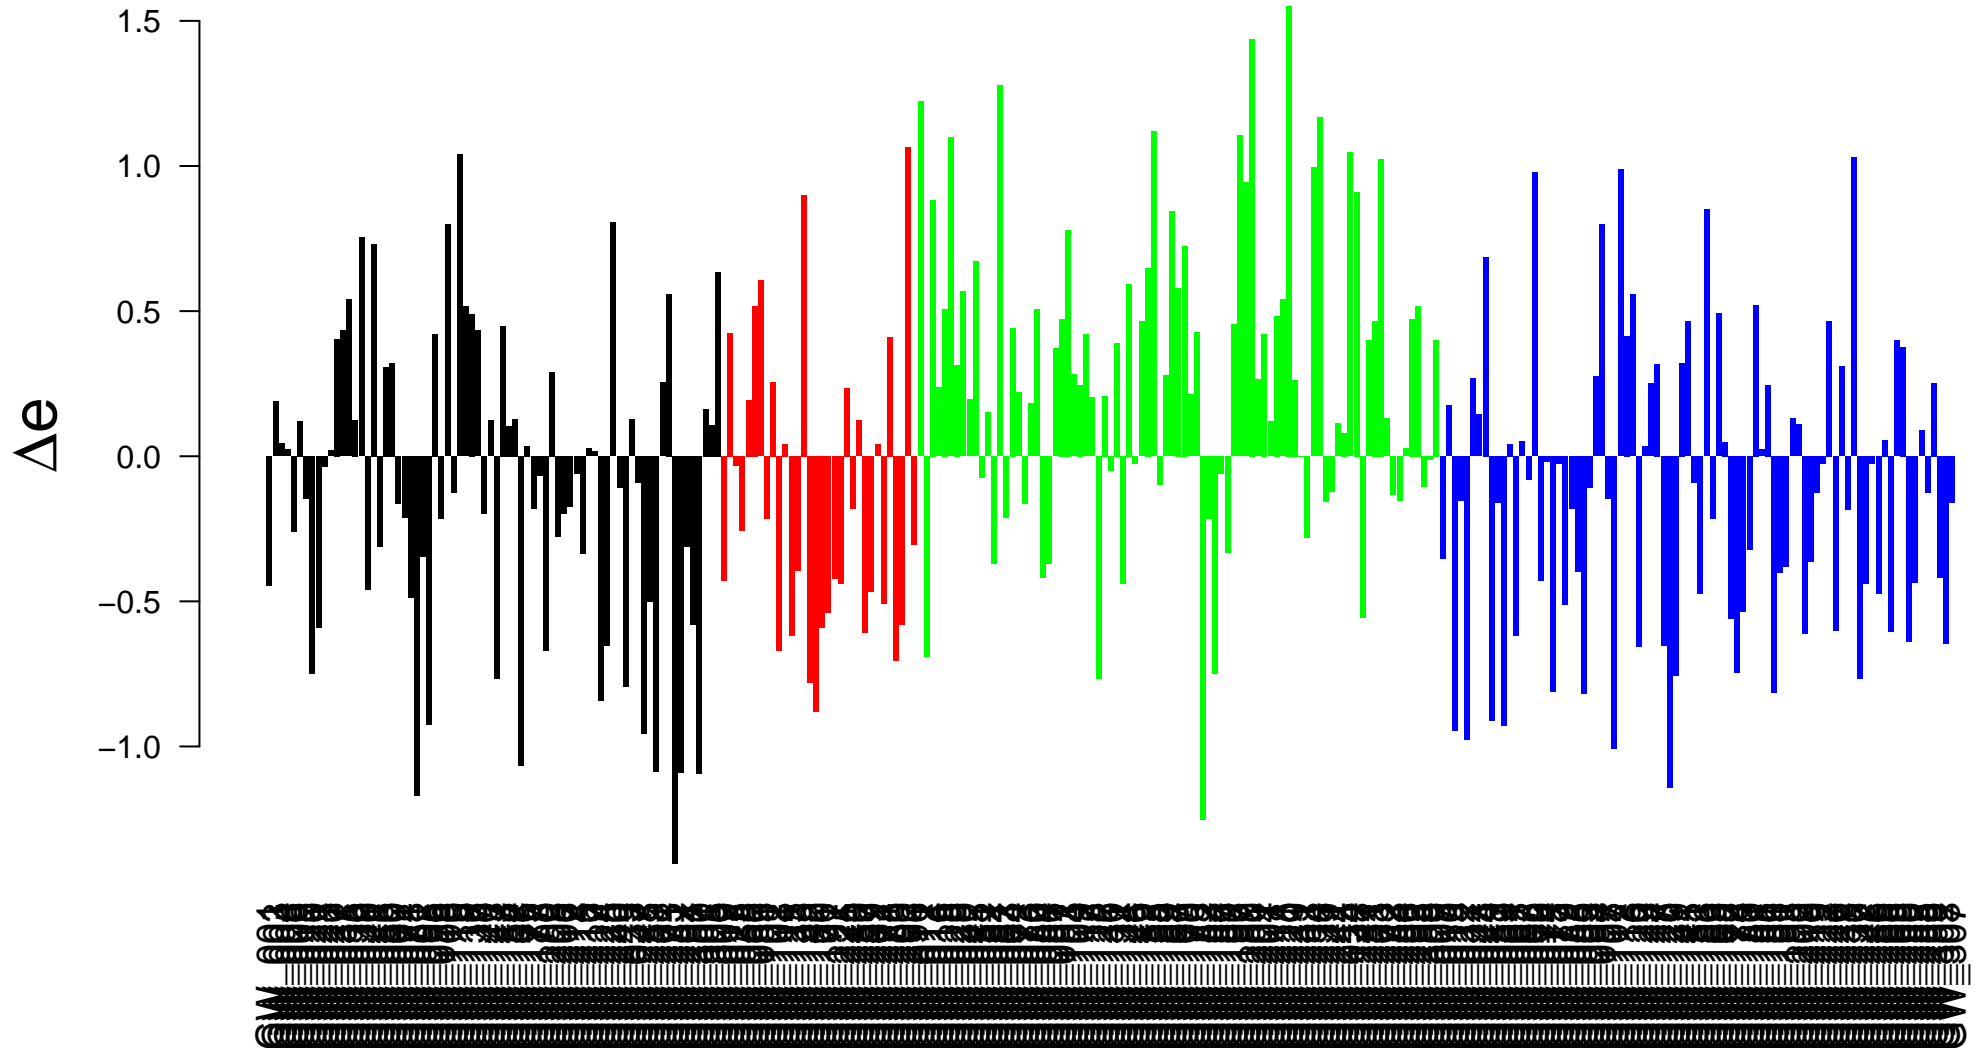

Expression of plasma membrane organization in Spot J

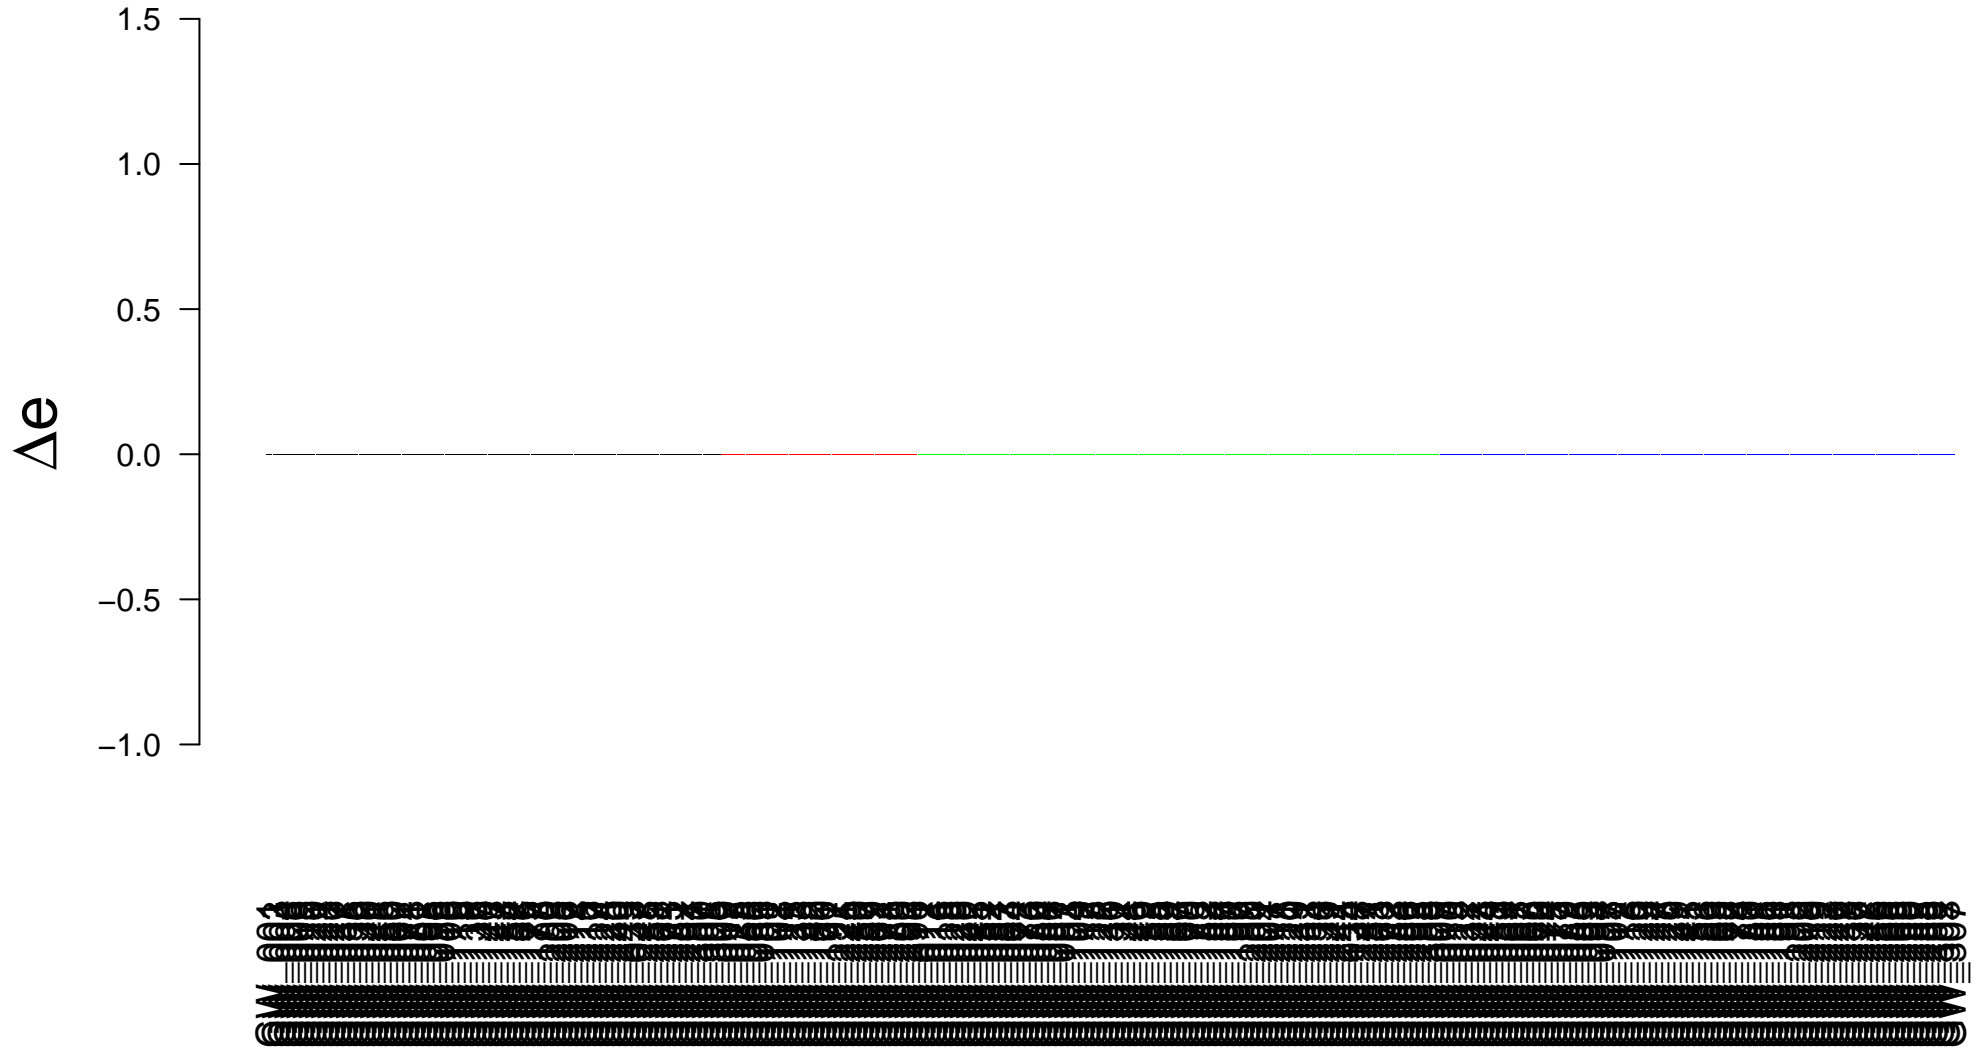

Expression of plasma membrane organization in Spot K

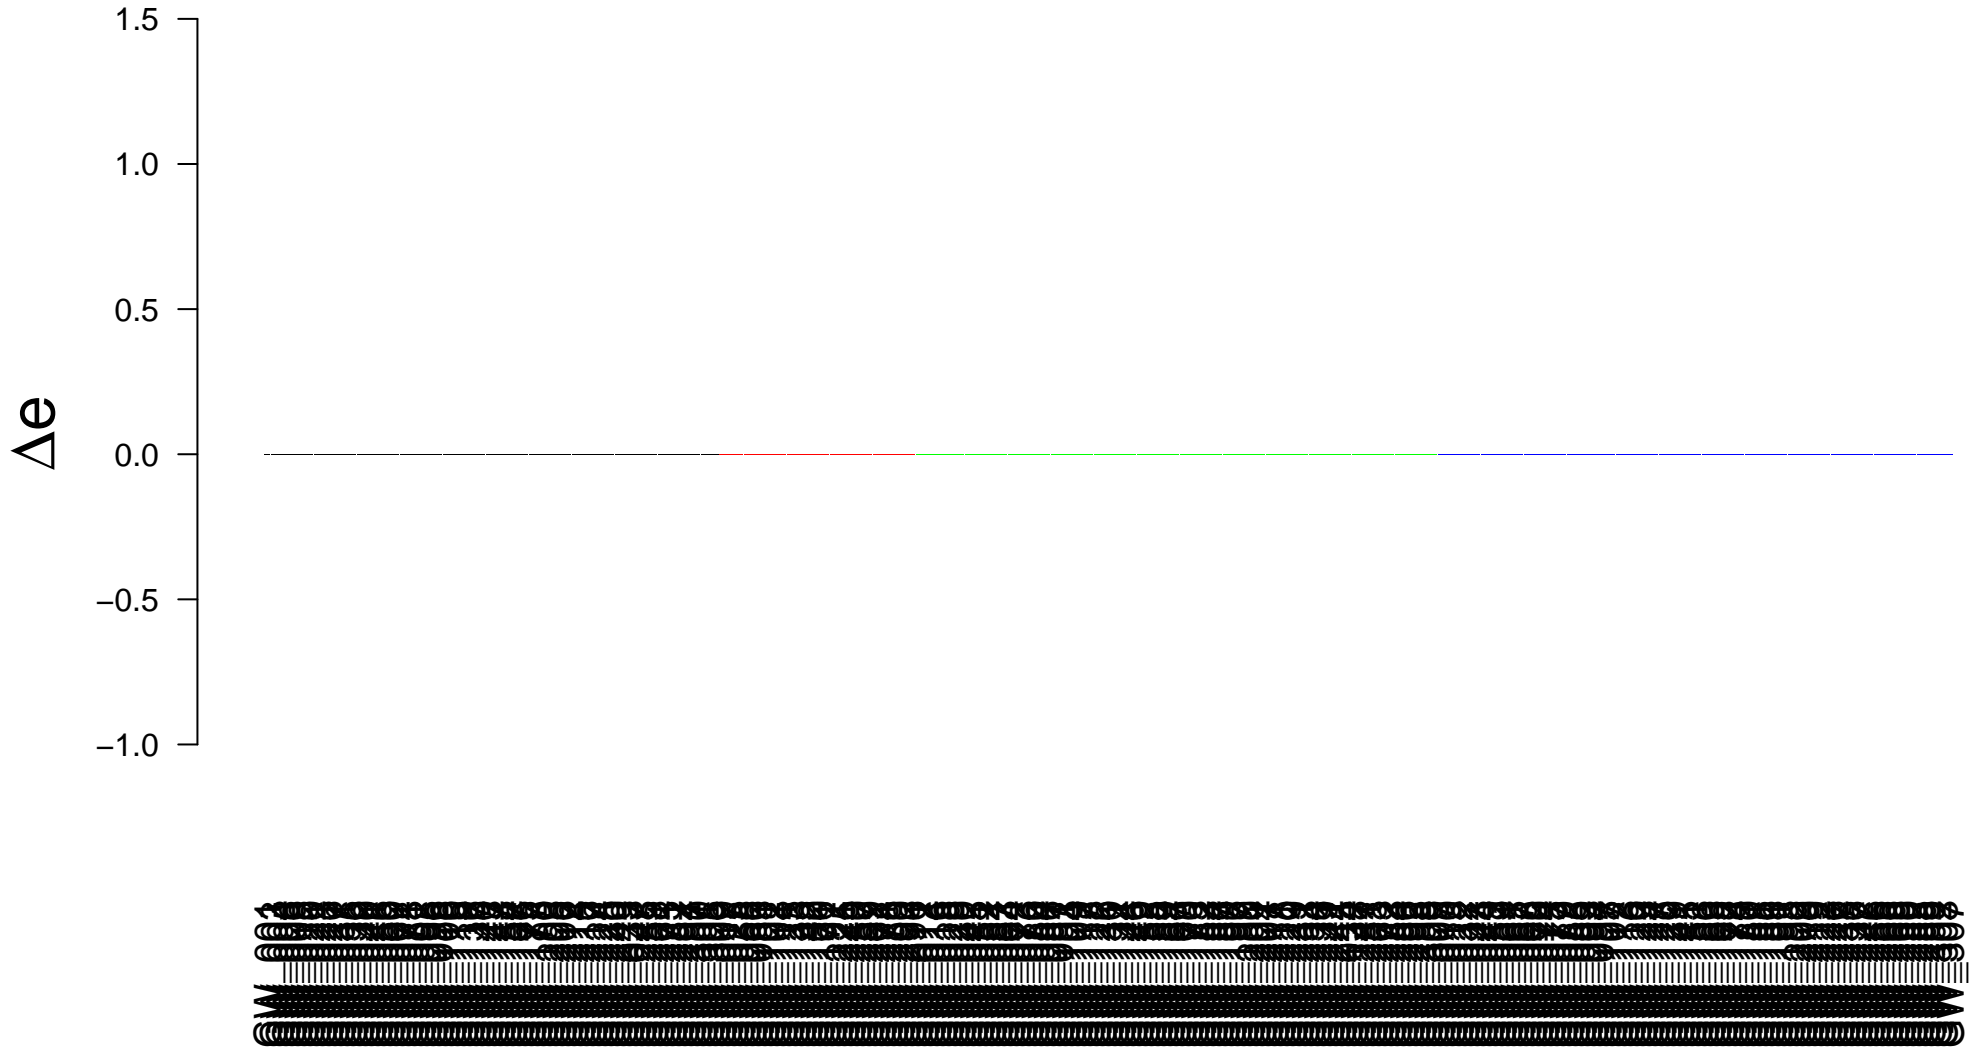

Expression of plasma membrane organization in Spot L

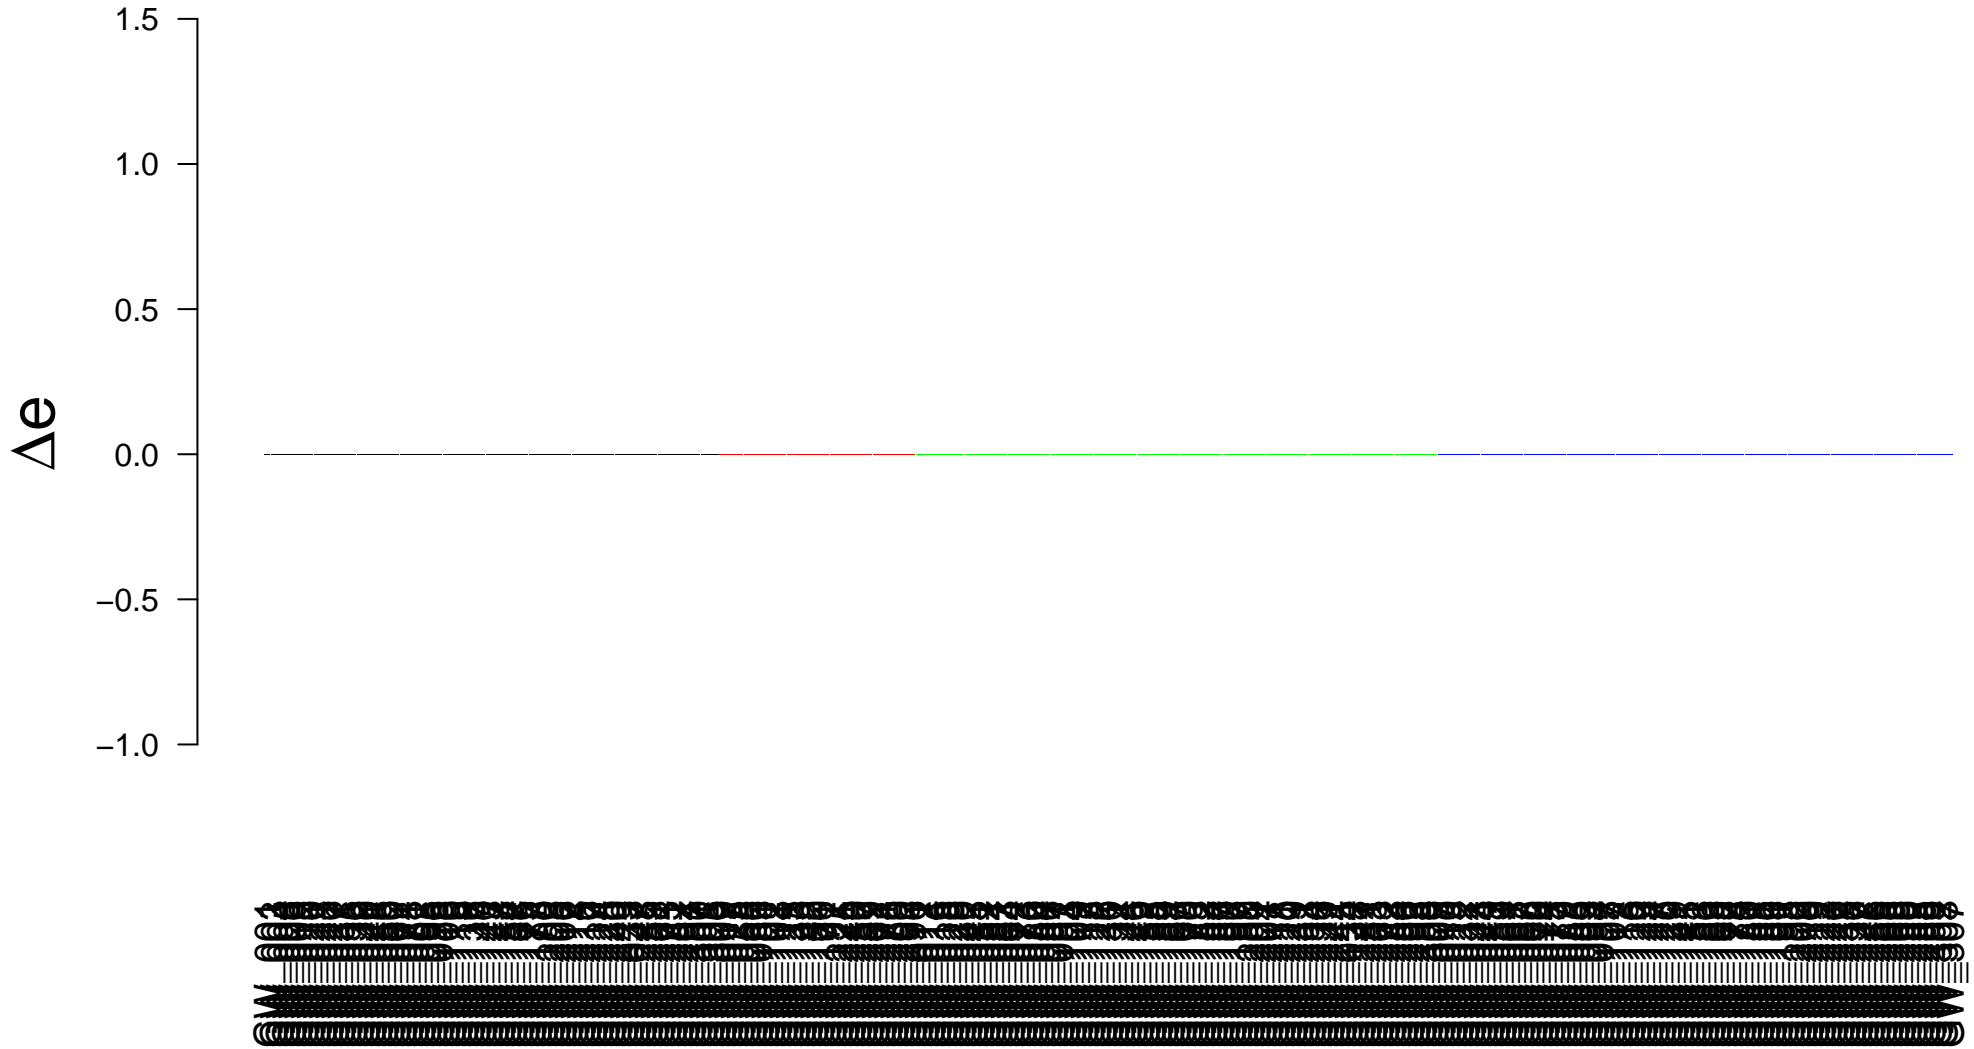

Expression of plasma membrane organization in Spot M

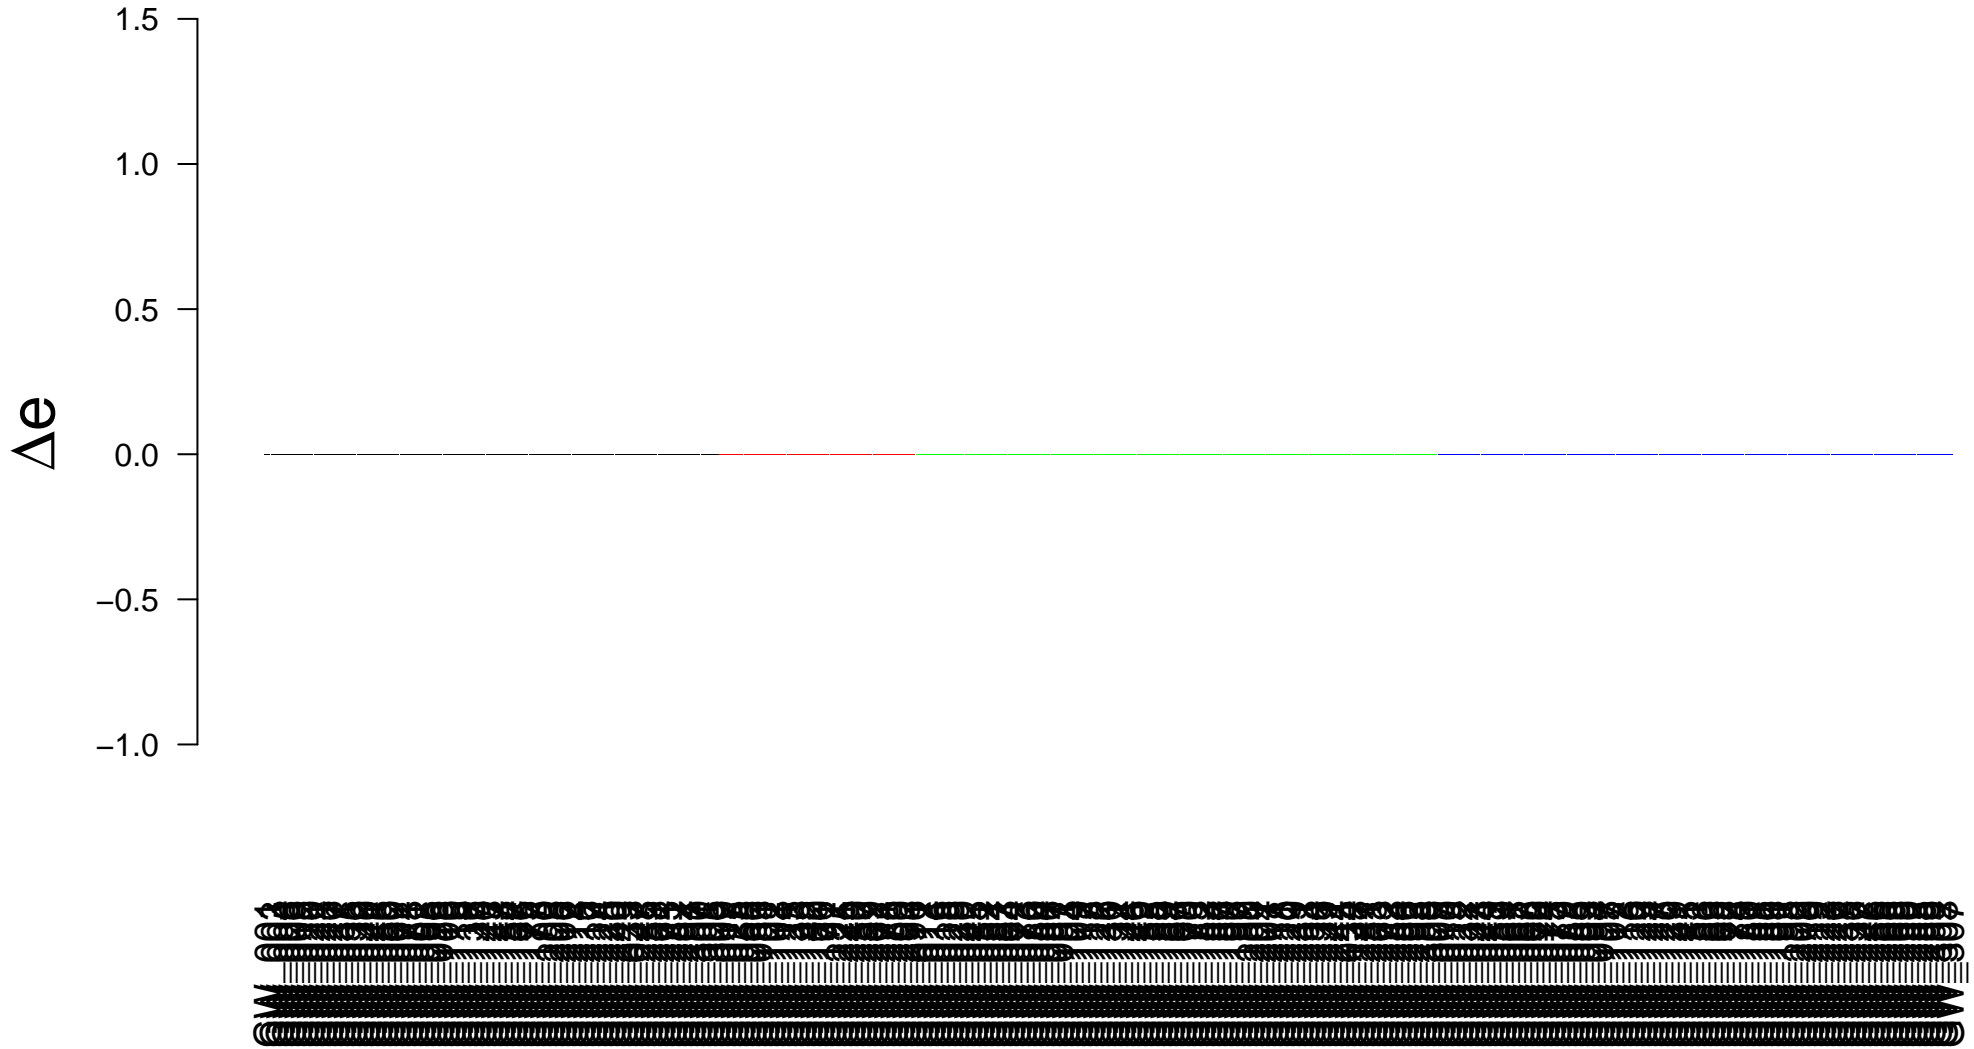

Expression of plasma membrane organization in Spot N

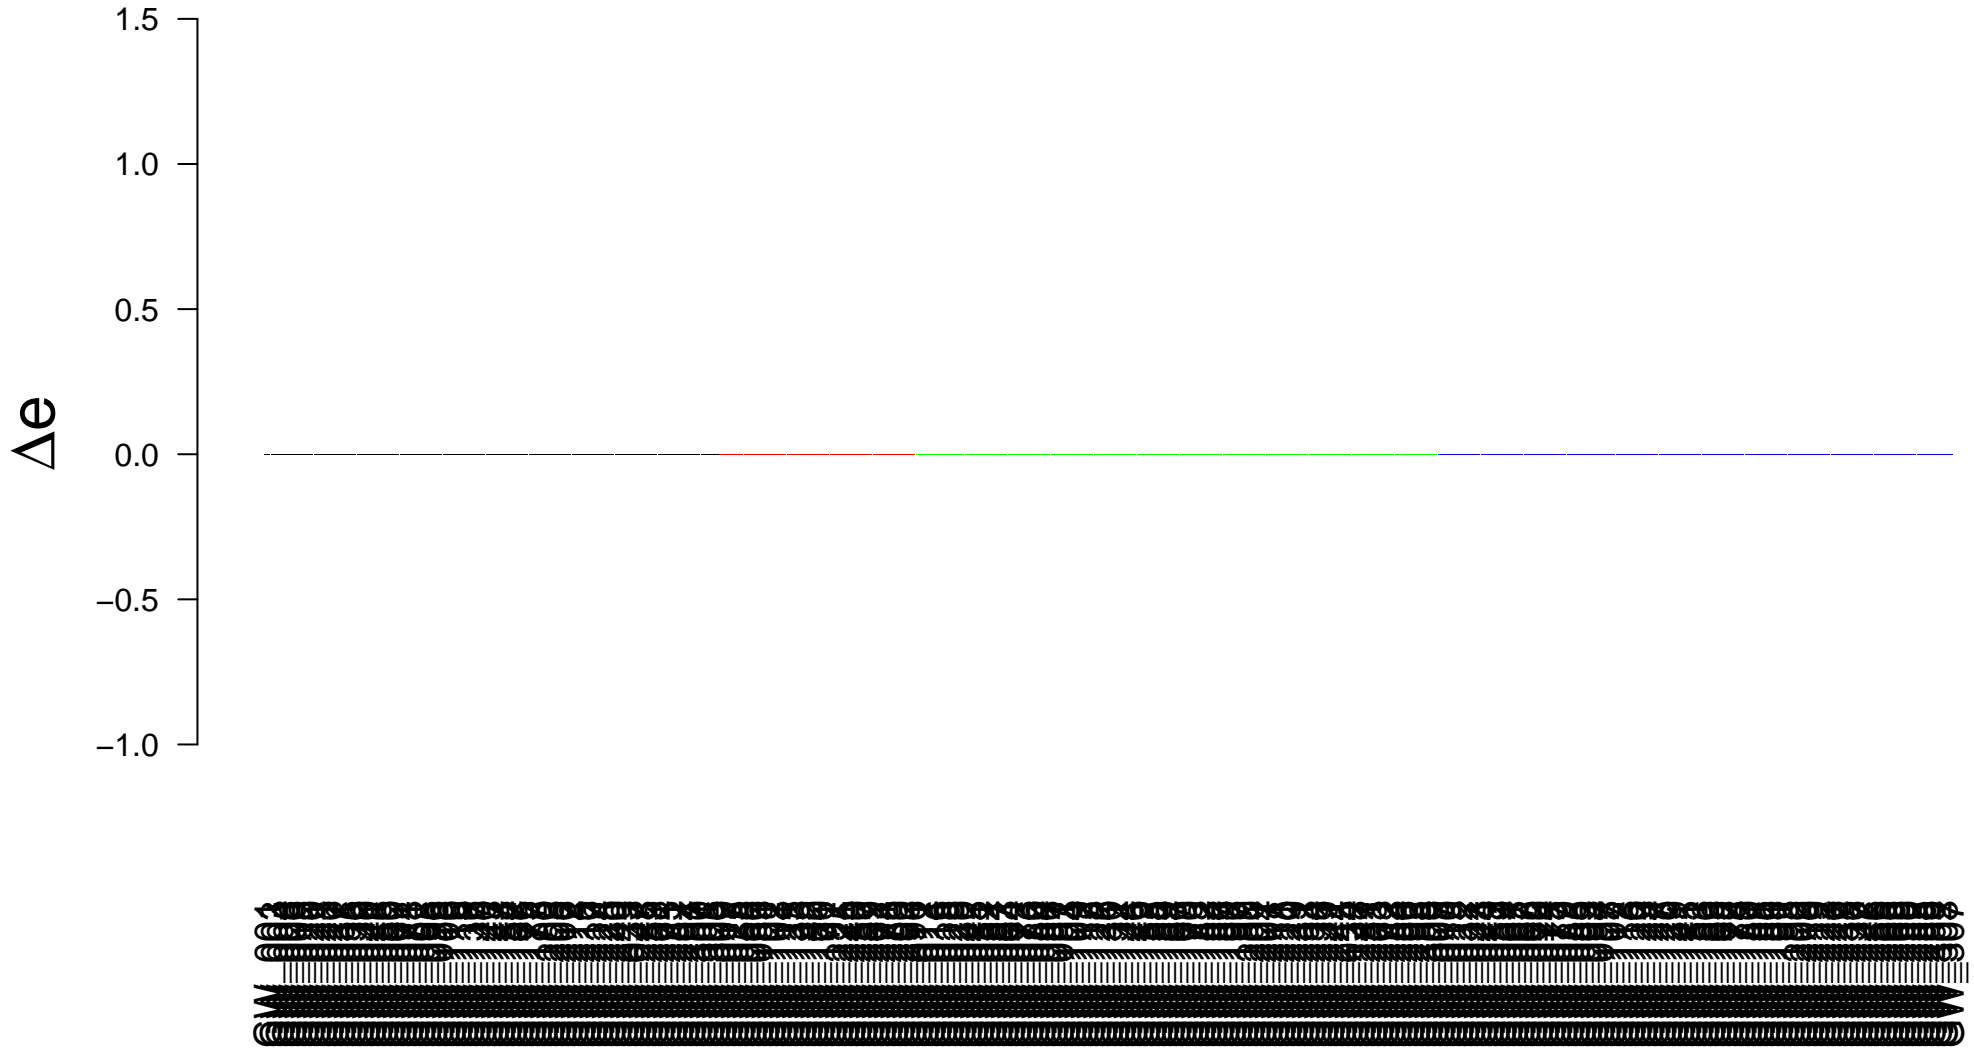

Expression of plasma membrane organization in Spot O

Expression of plasma membrane organization in Spot P

Expression of plasma membrane organization in Spot Q

Expression of plasma membrane organization in Spot R
