

platelet aggregation

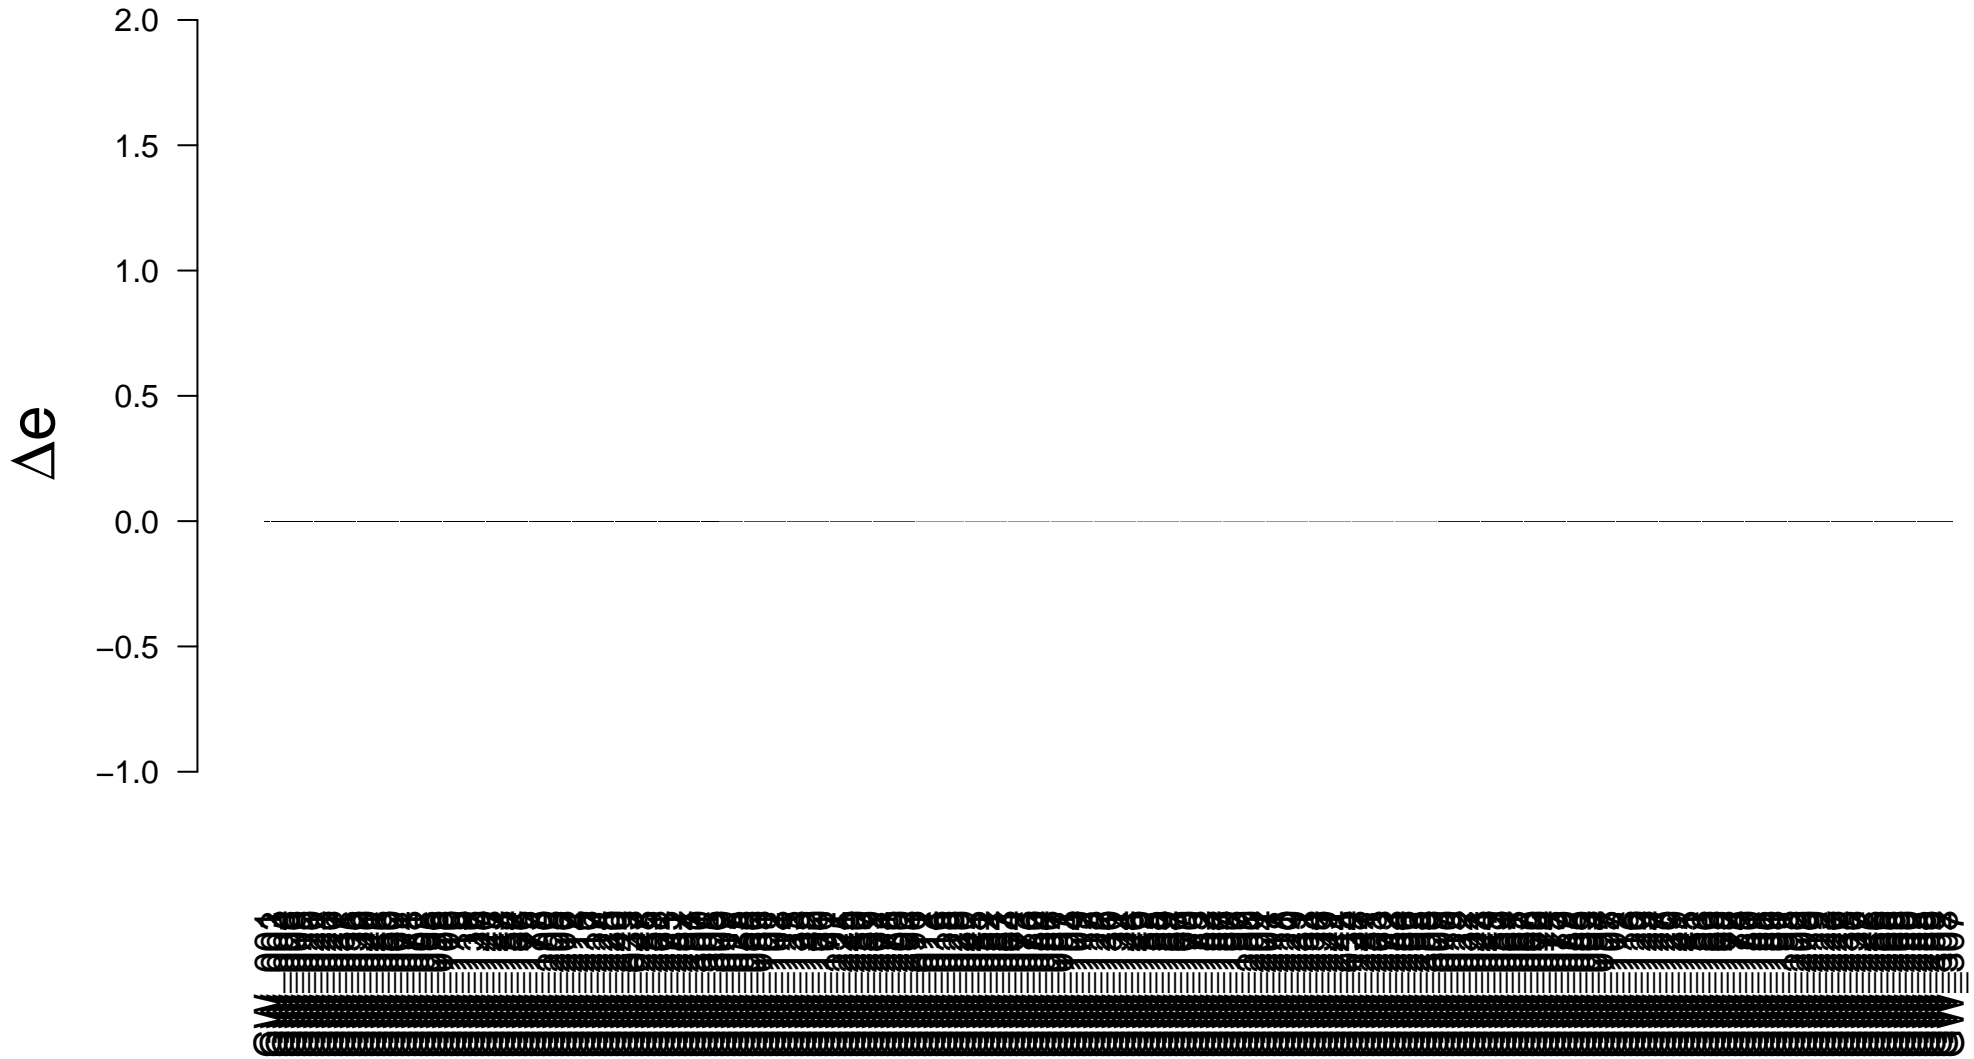

platelet aggregation

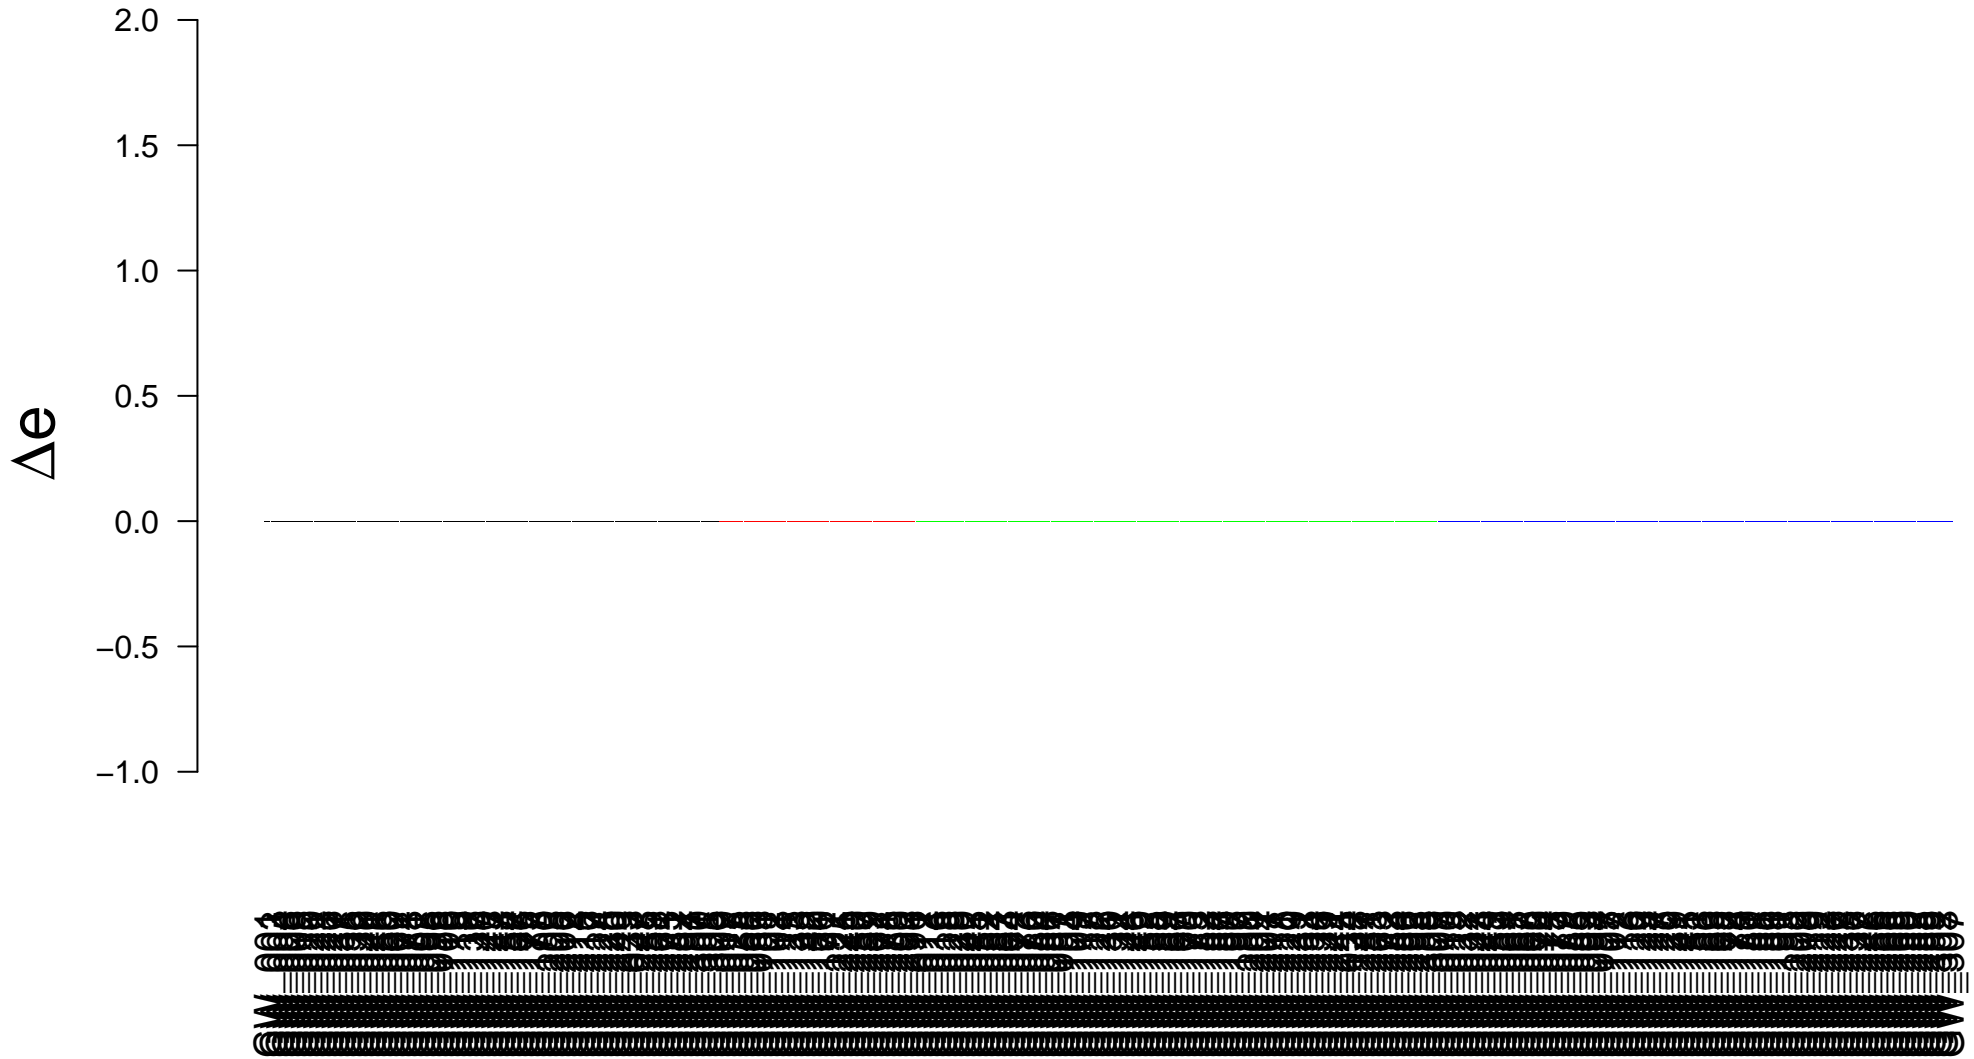

Enrichment in spots: platelet aggregation

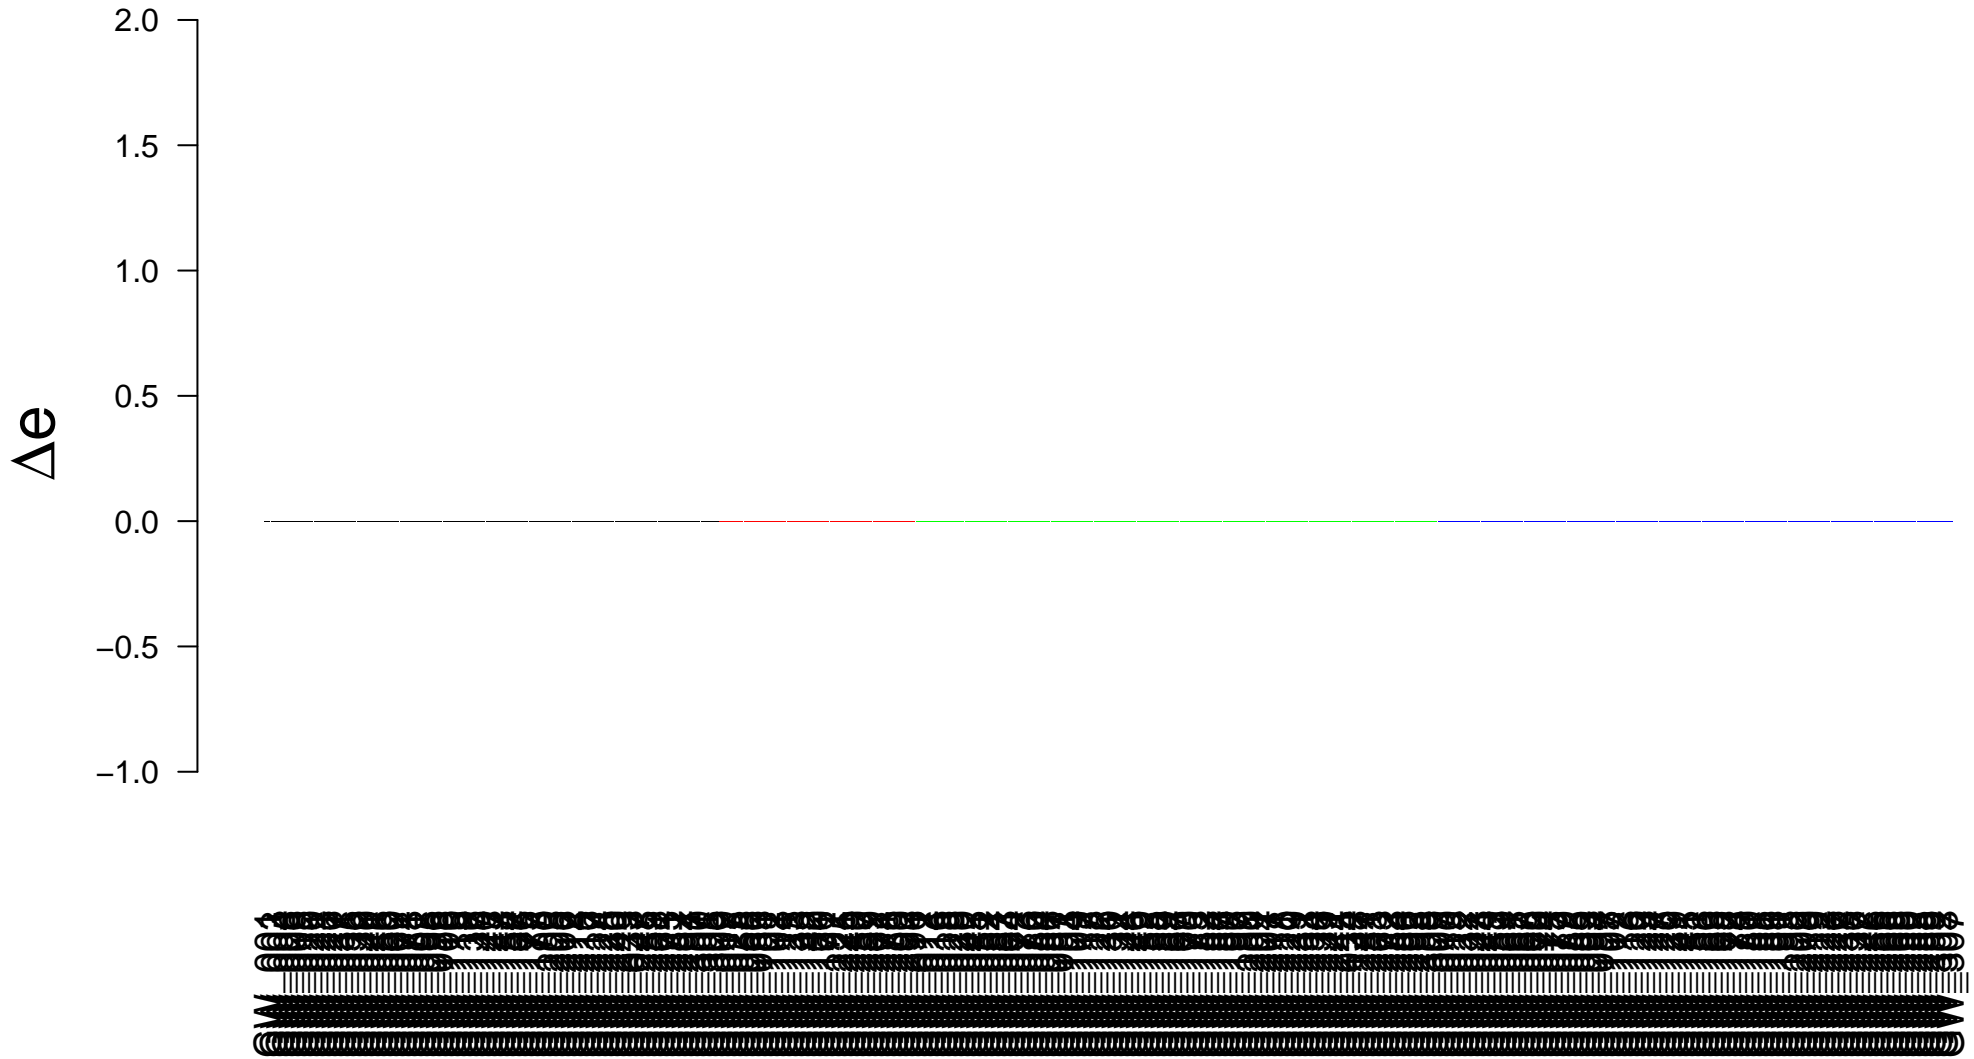

Expression of platelet aggregation in Spot A

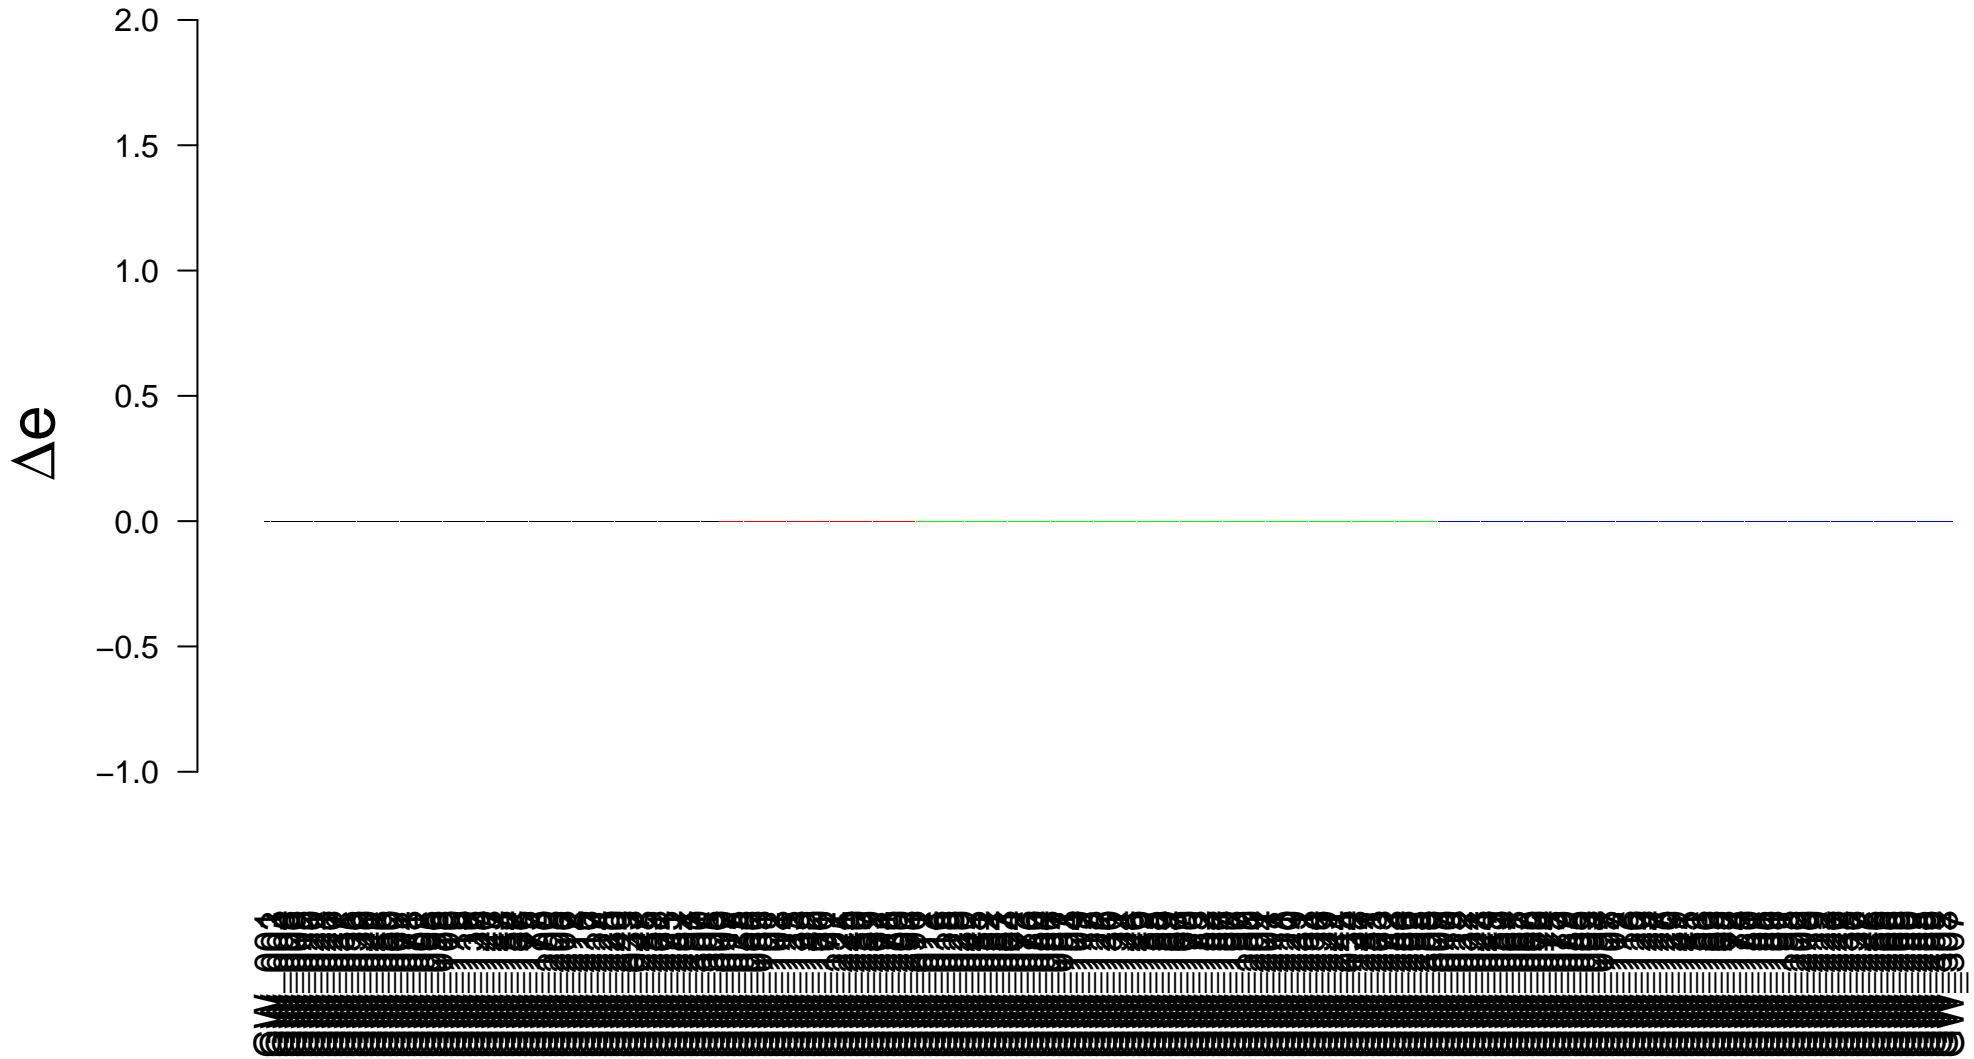

Expression of platelet aggregation in Spot B

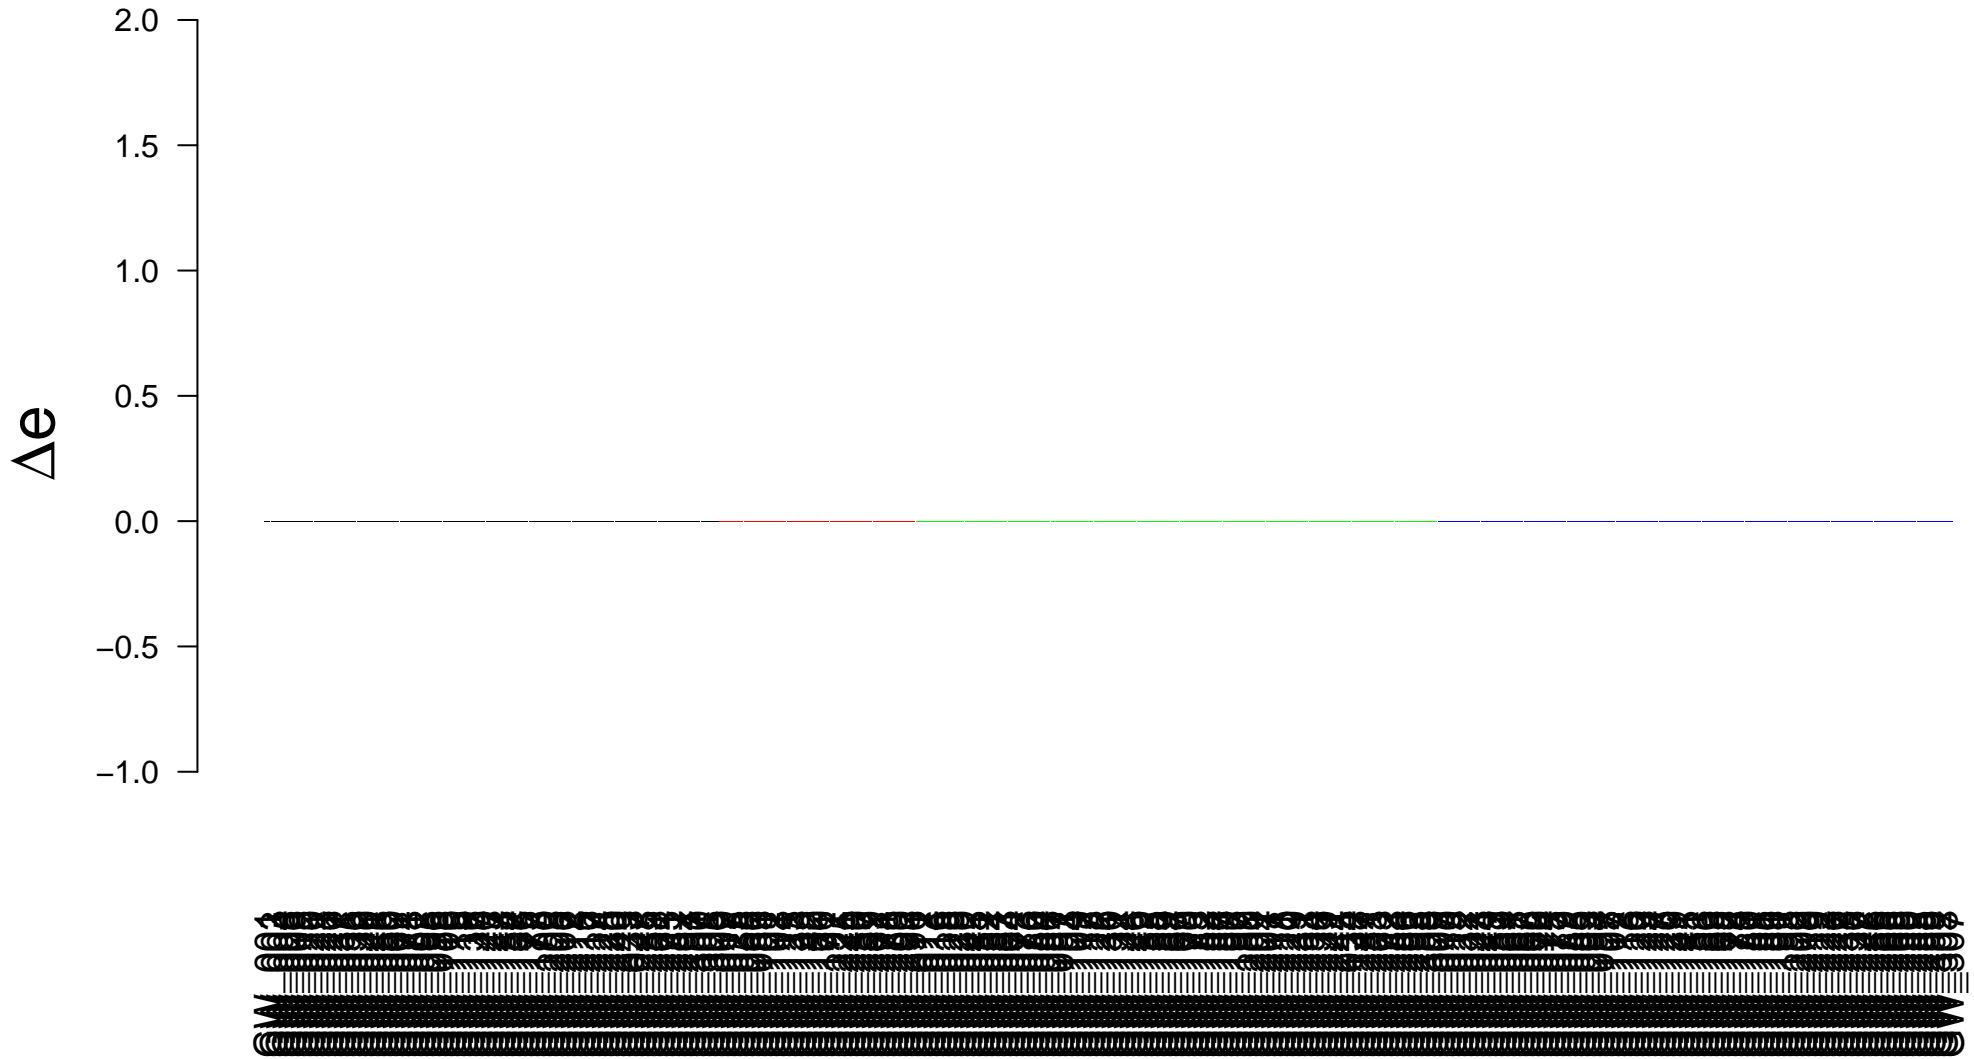

Expression of platelet aggregation in Spot C

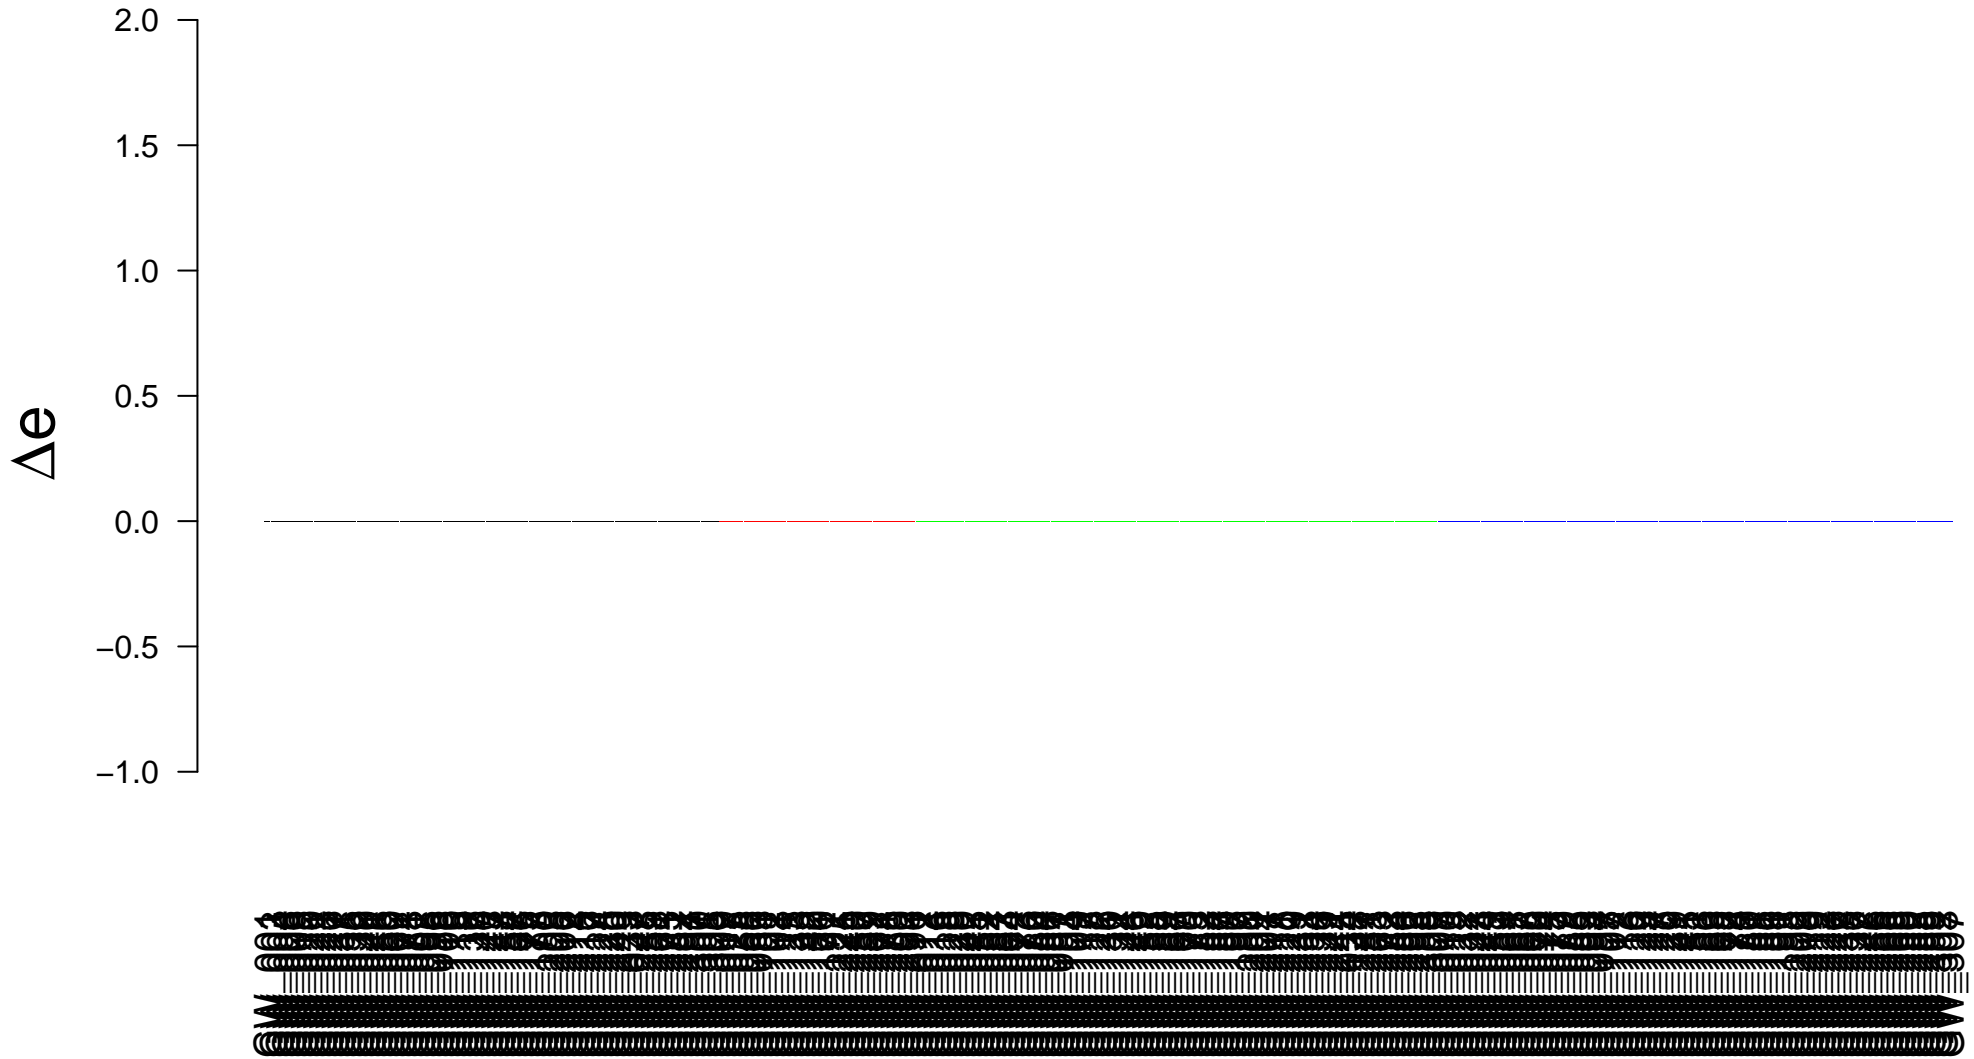

Expression of platelet aggregation in Spot D

Expression of platelet aggregation in Spot E

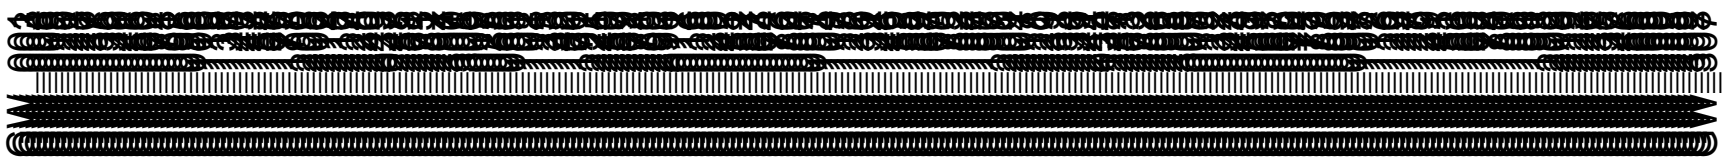

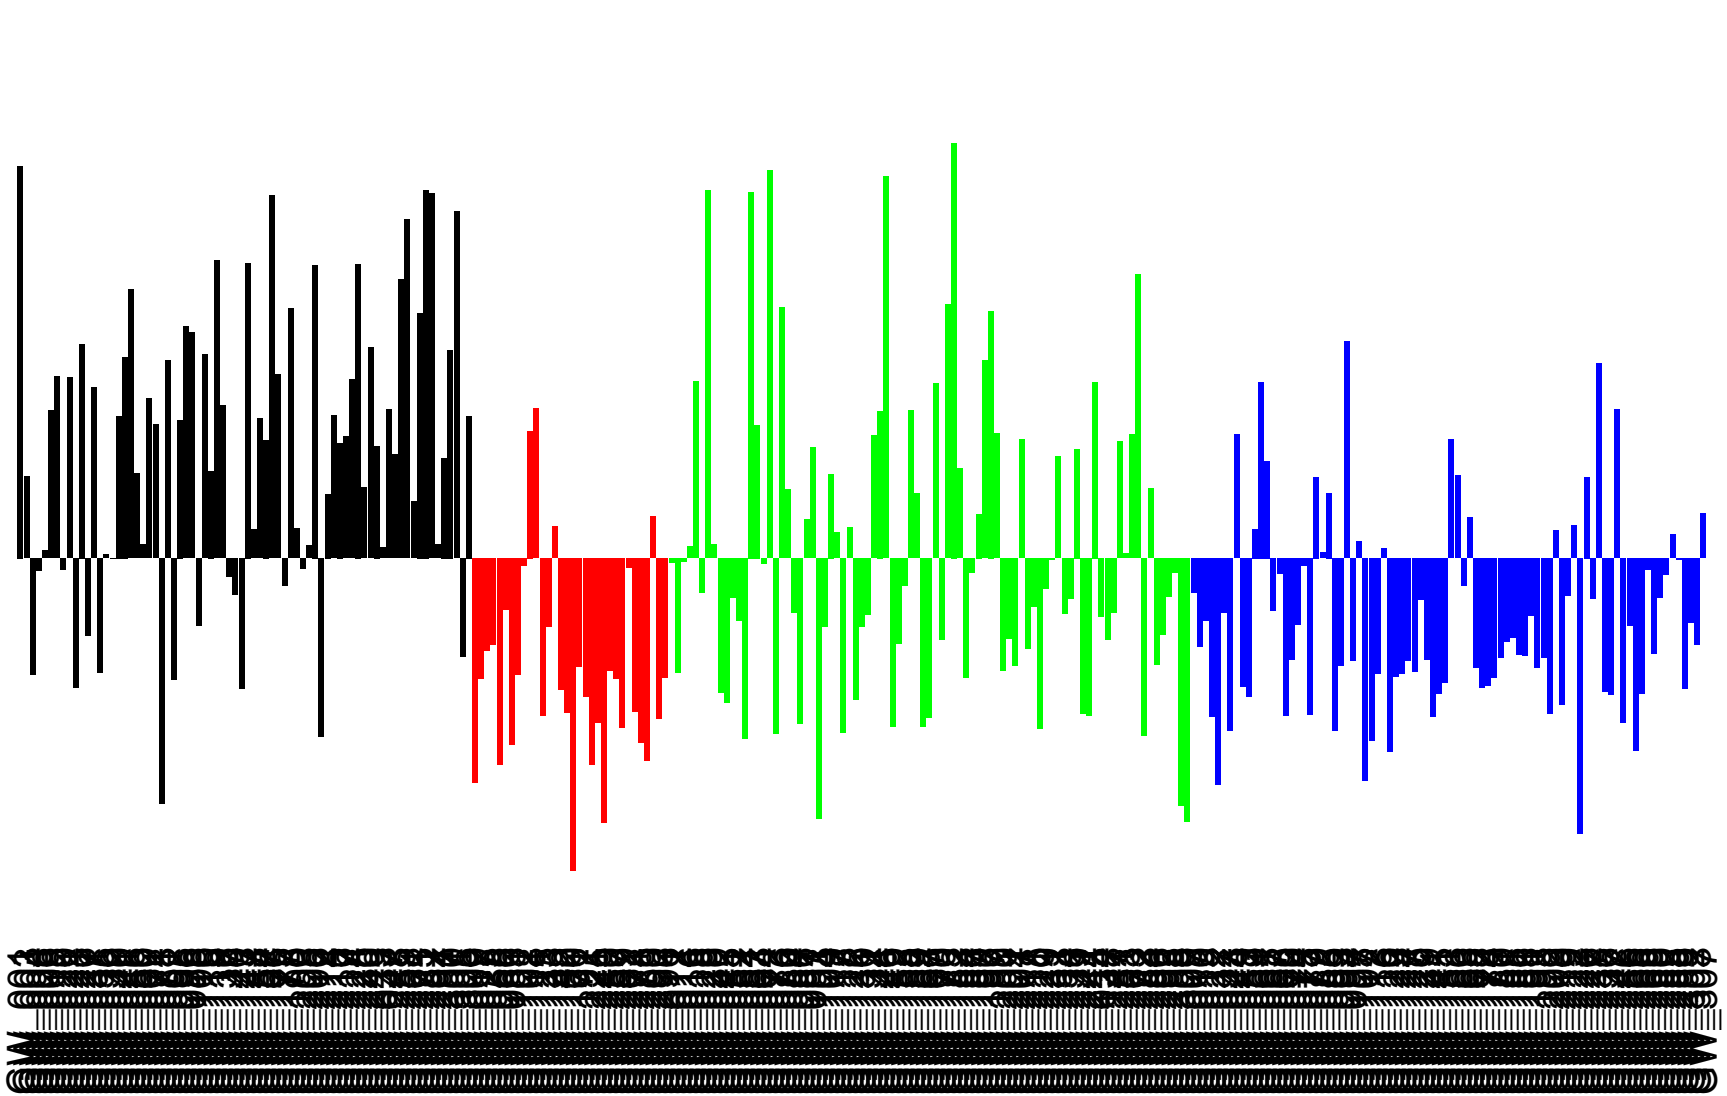

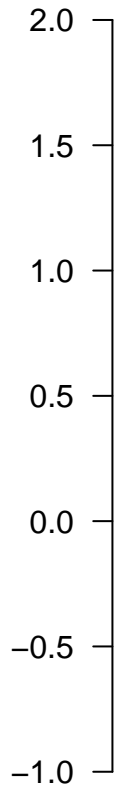

Expression of platelet aggregation in Spot F

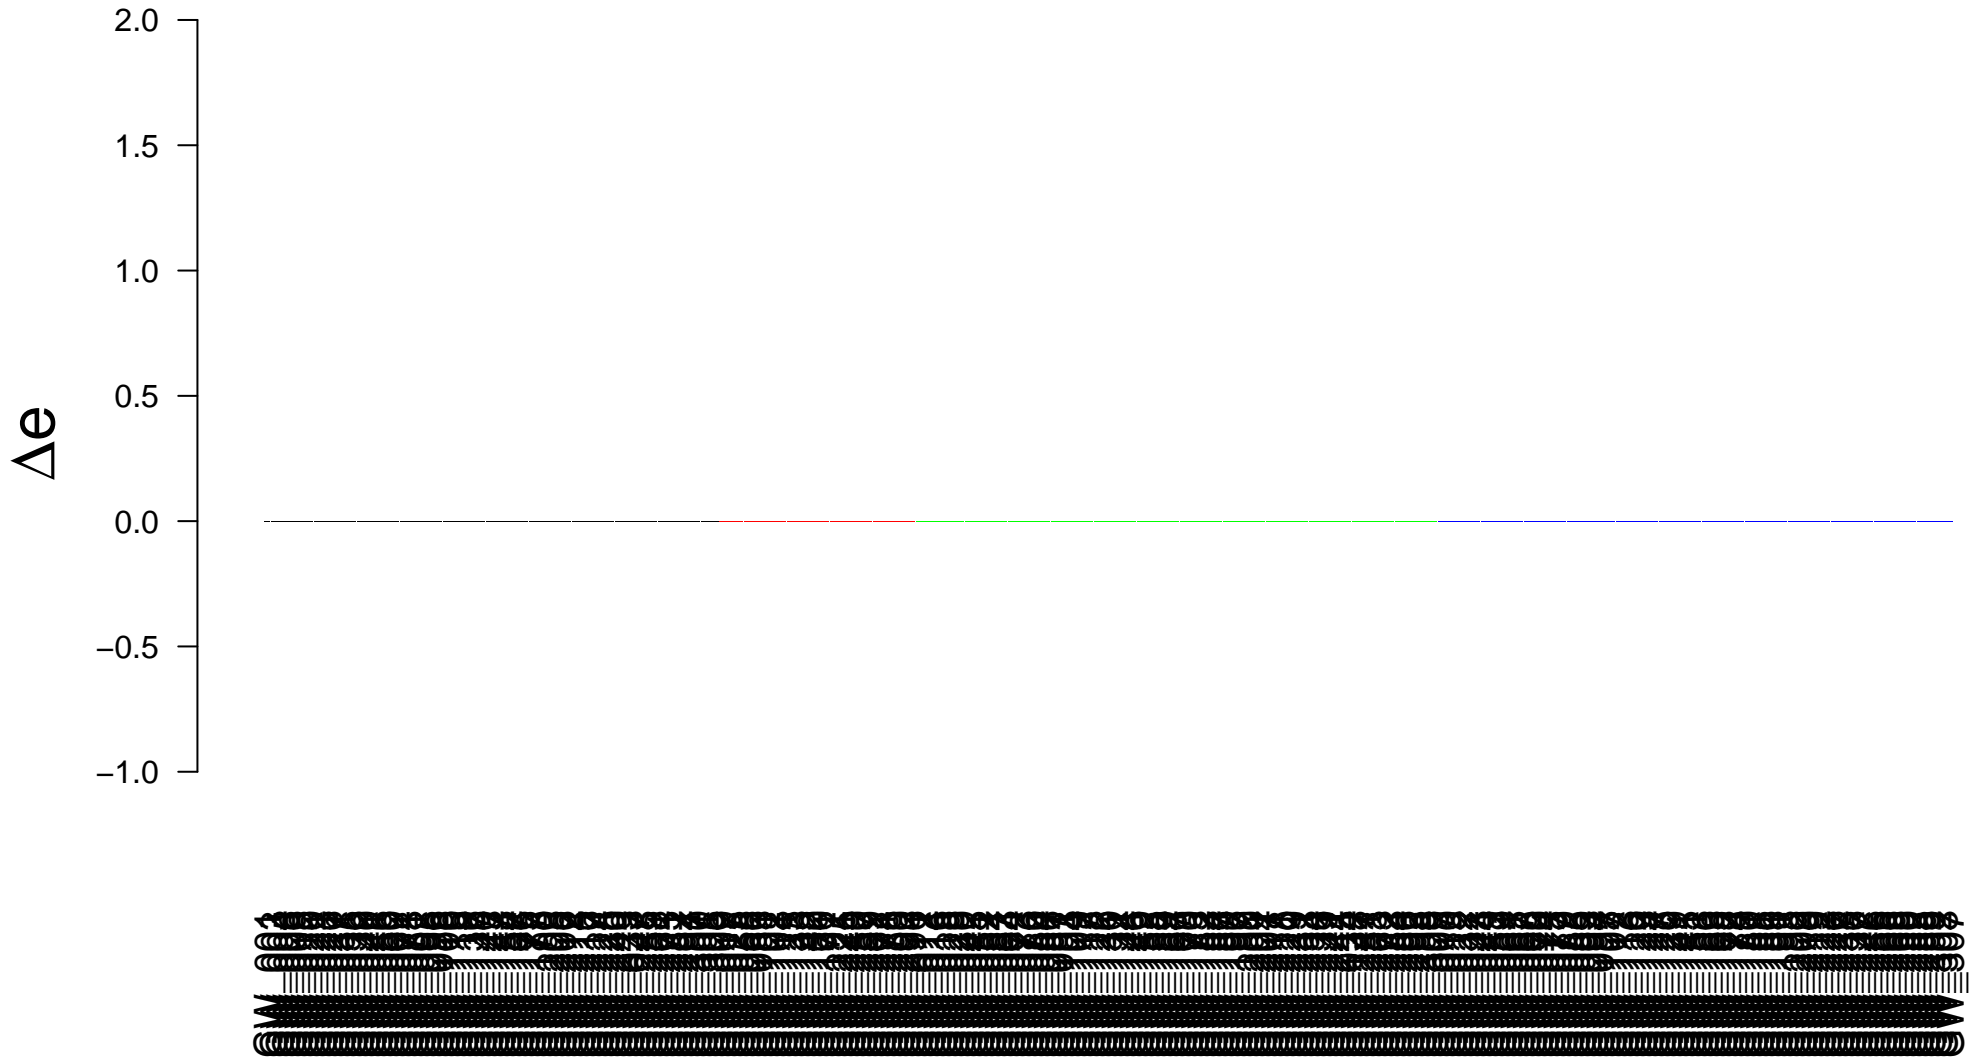

Expression of platelet aggregation in Spot G

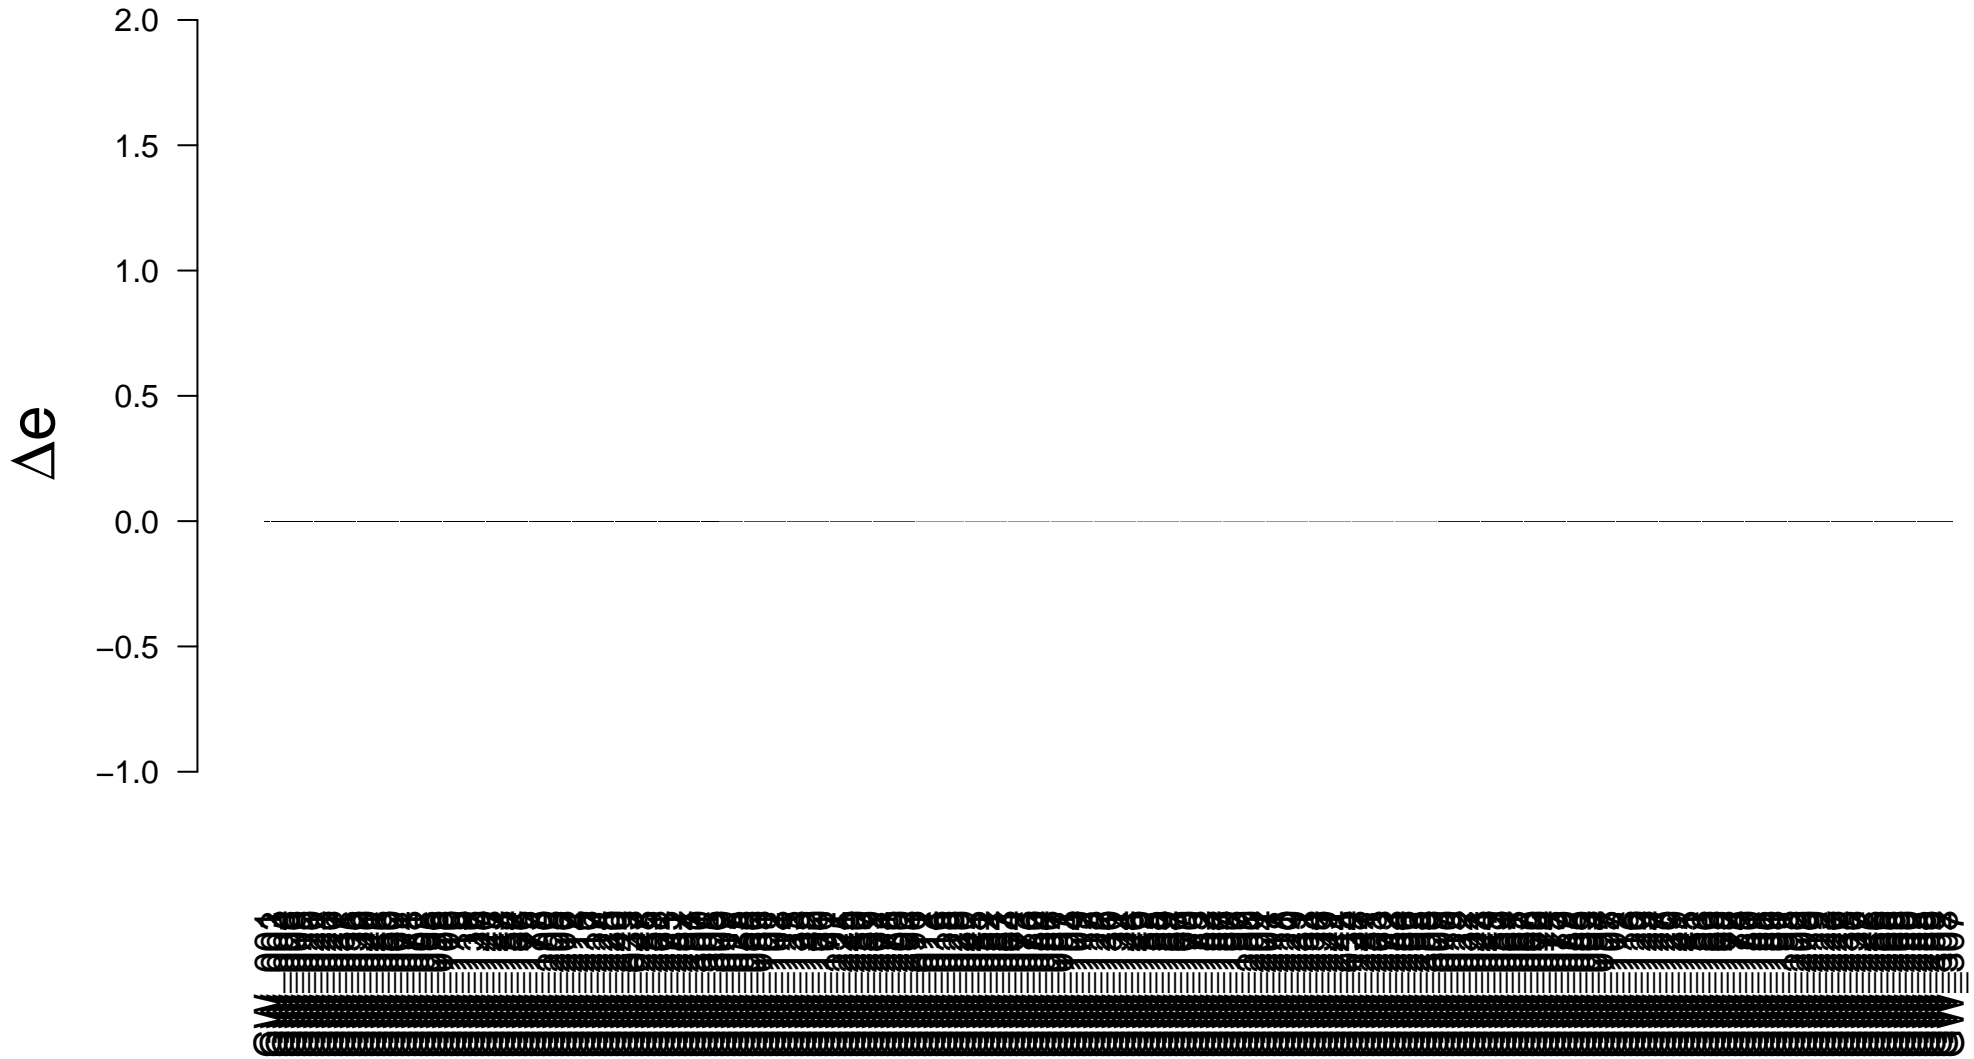

Δe

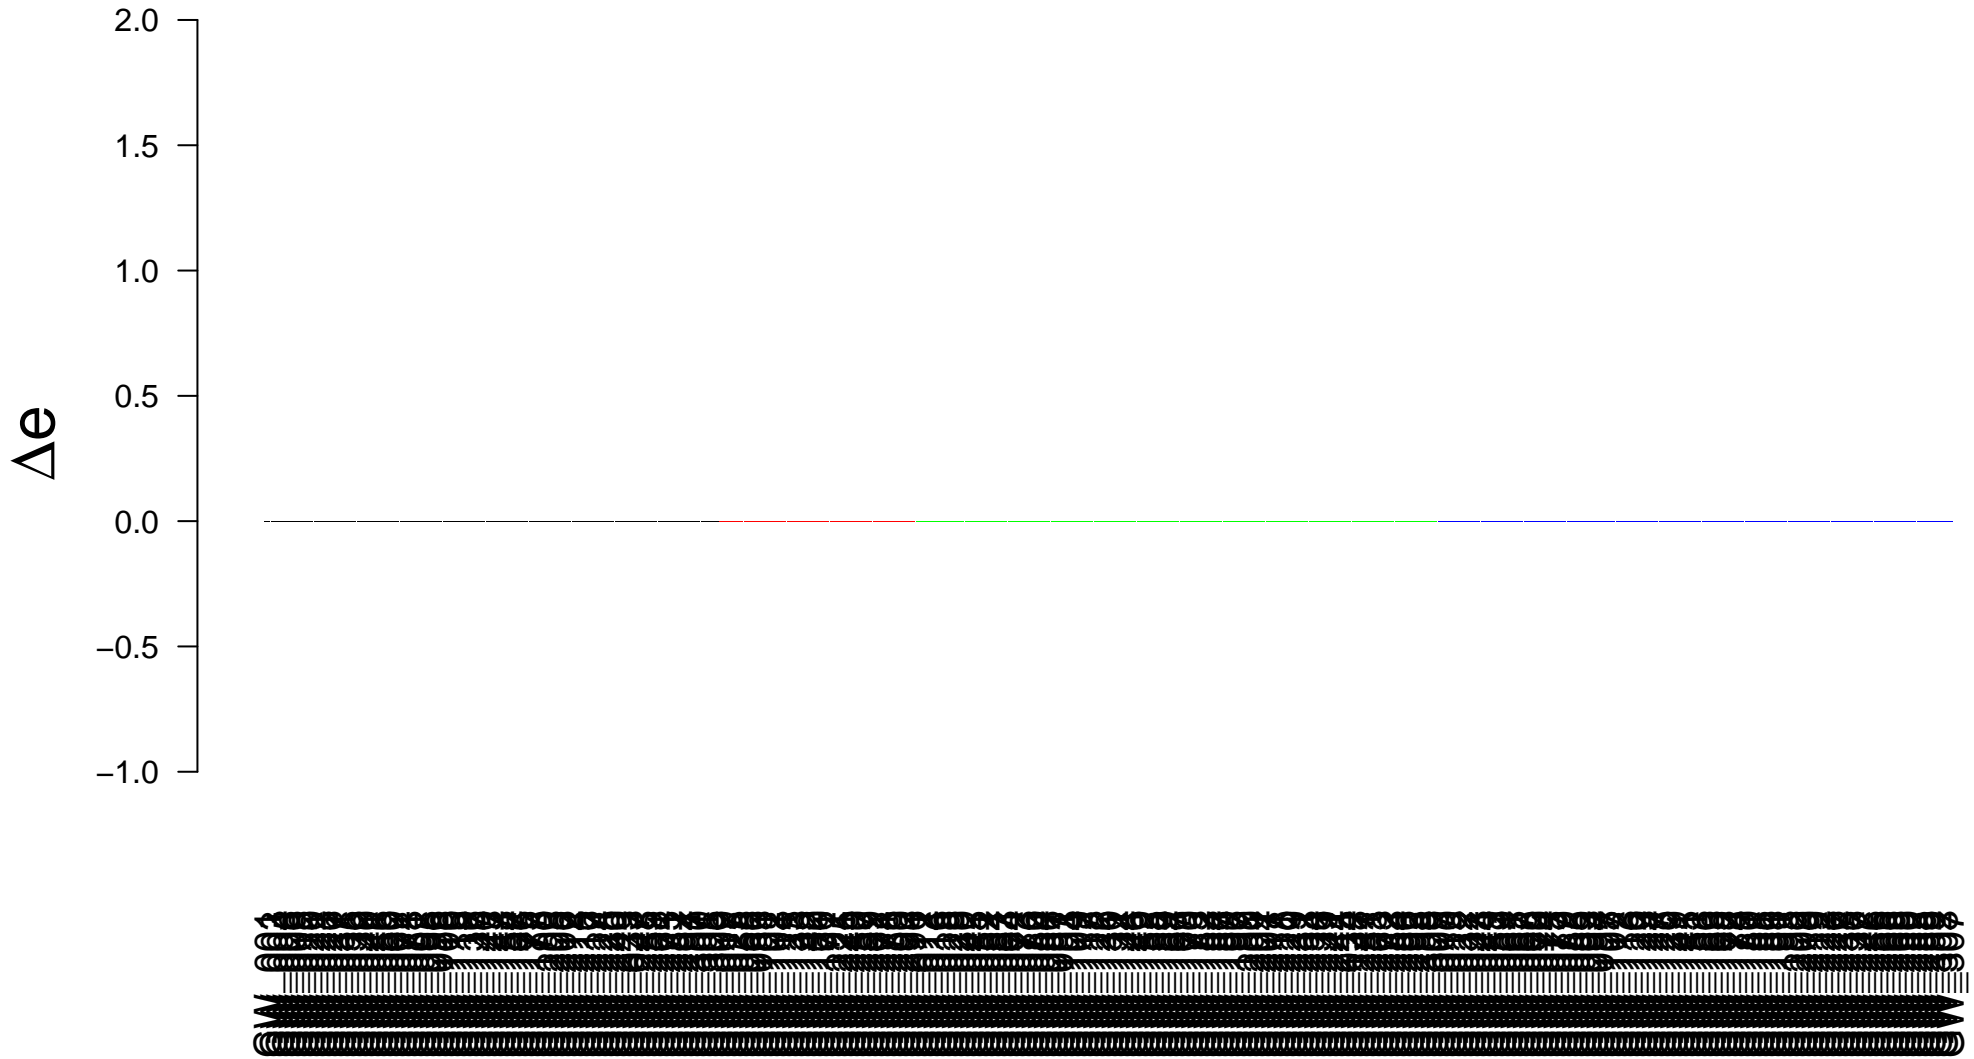

Expression of platelet aggregation in Spot H

Expression of platelet aggregation in Spot I

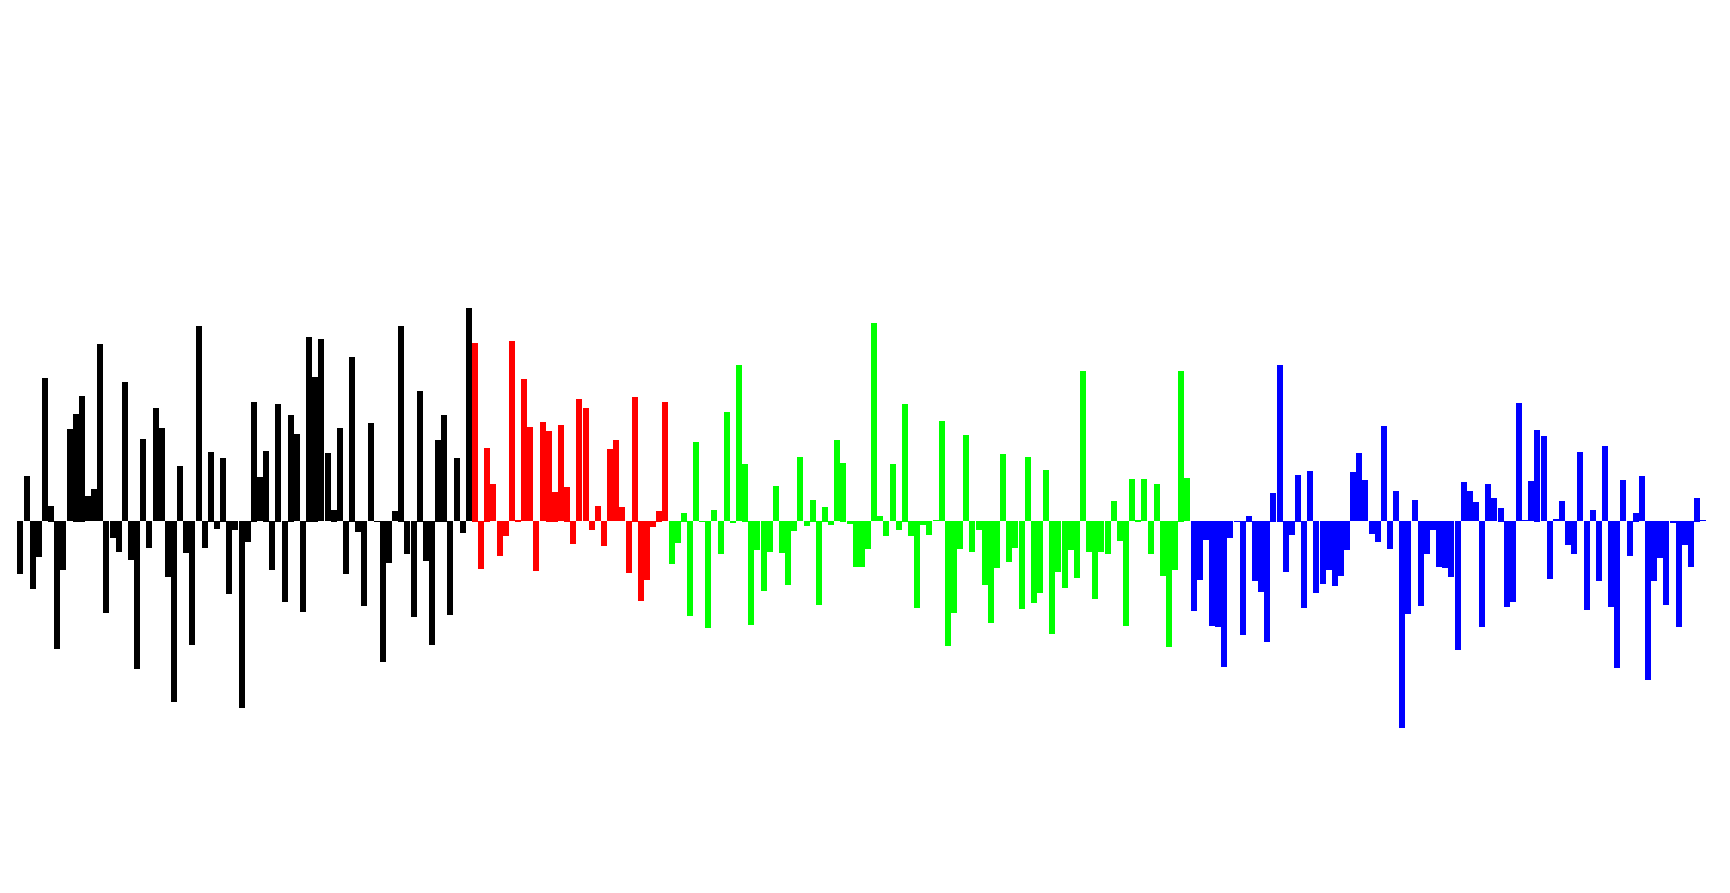

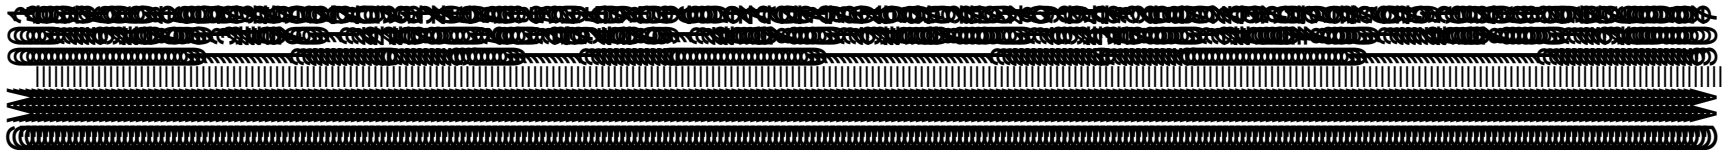

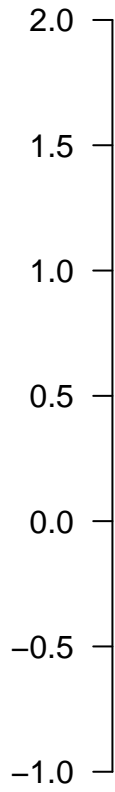

Expression of platelet aggregation in Spot J

Expression of platelet aggregation in Spot K
