

polyamine metabolic process

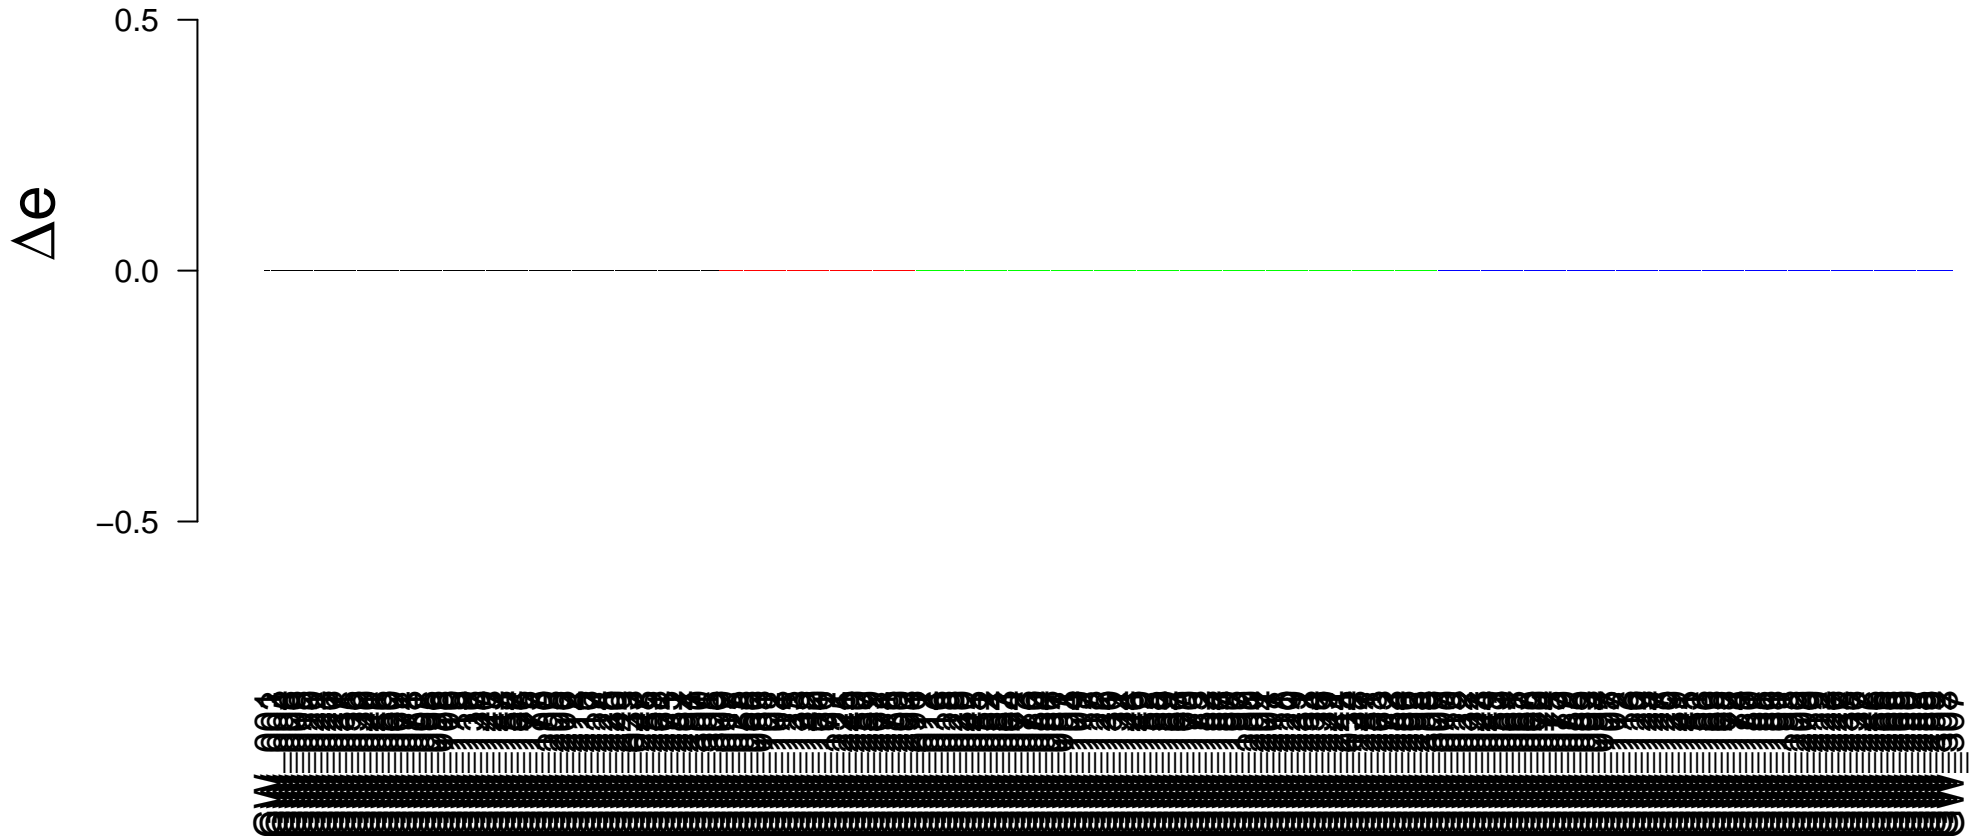

polyamine metabolic process

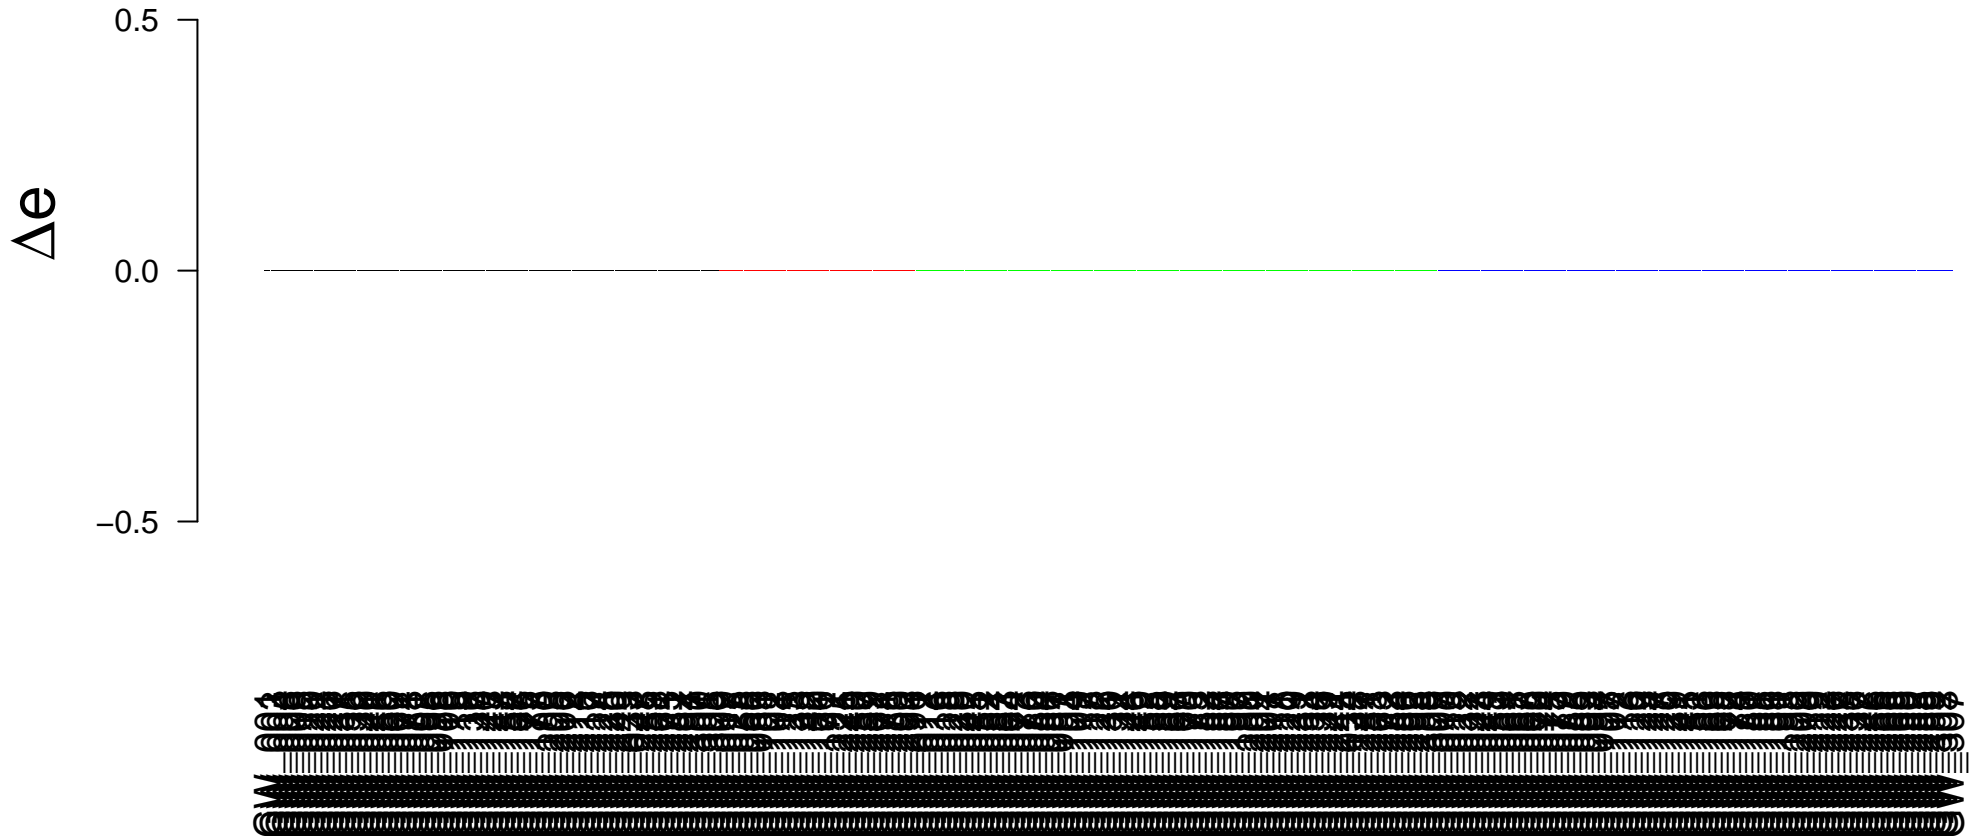

Enrichment in spots: polyamine metabolic process

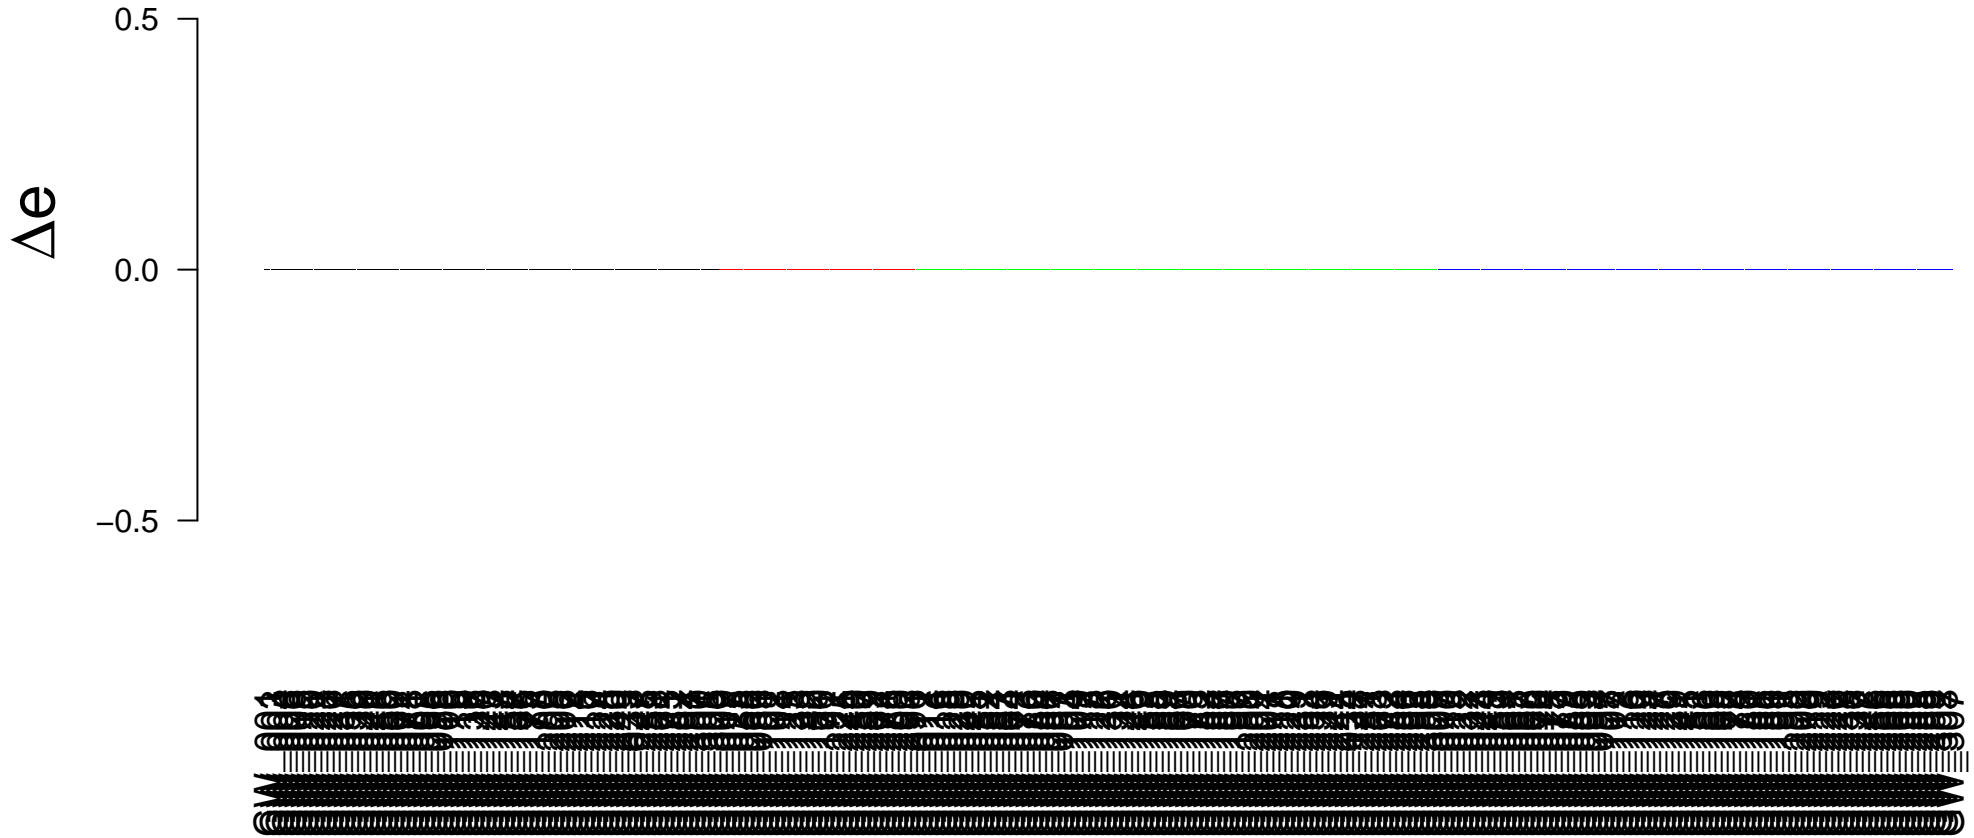

Expression of polyamine metabolic process in Spot A

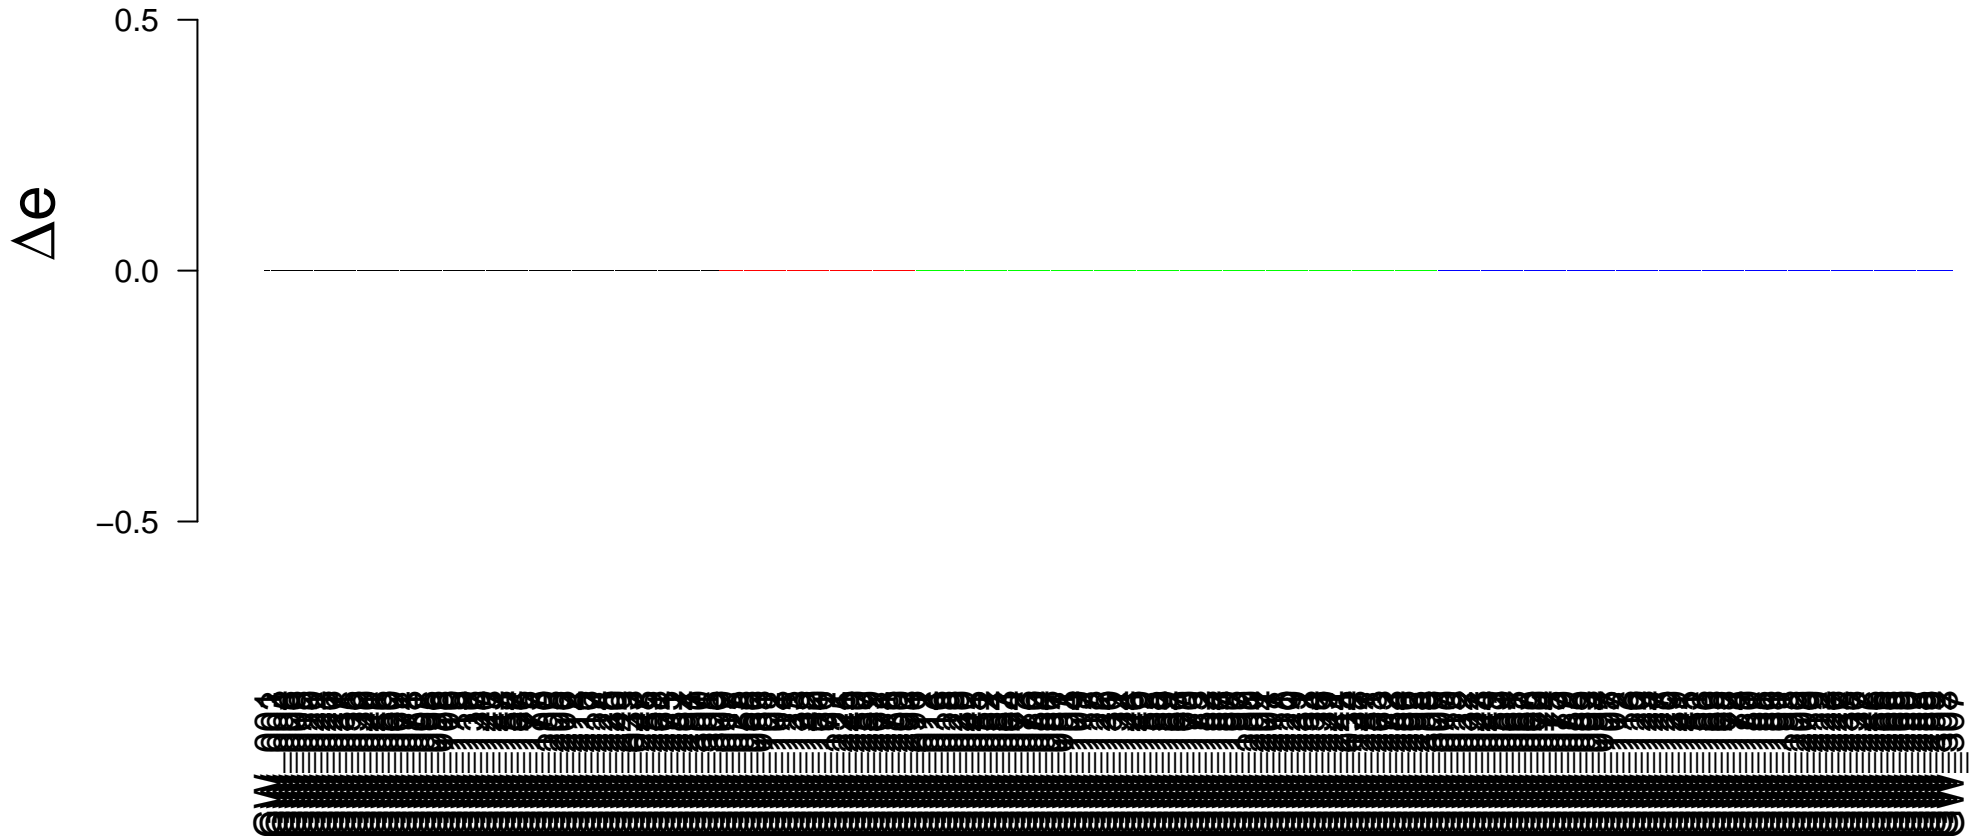

Expression of polyamine metabolic process in Spot B

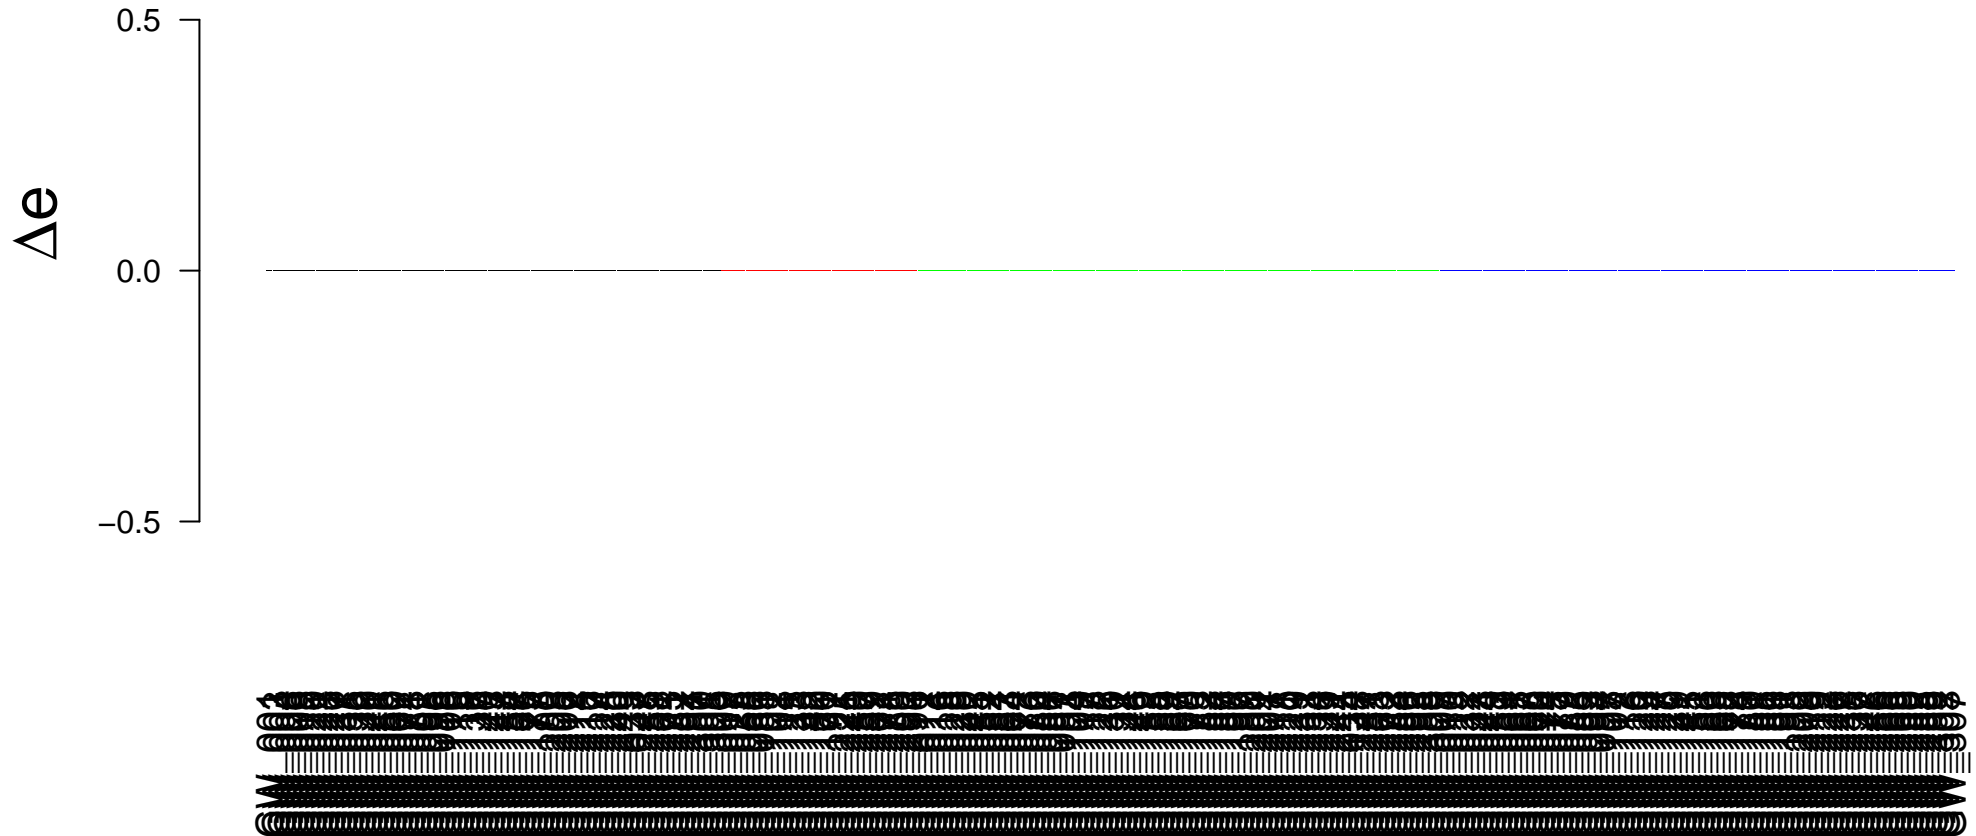

Expression of polyamine metabolic process in Spot C

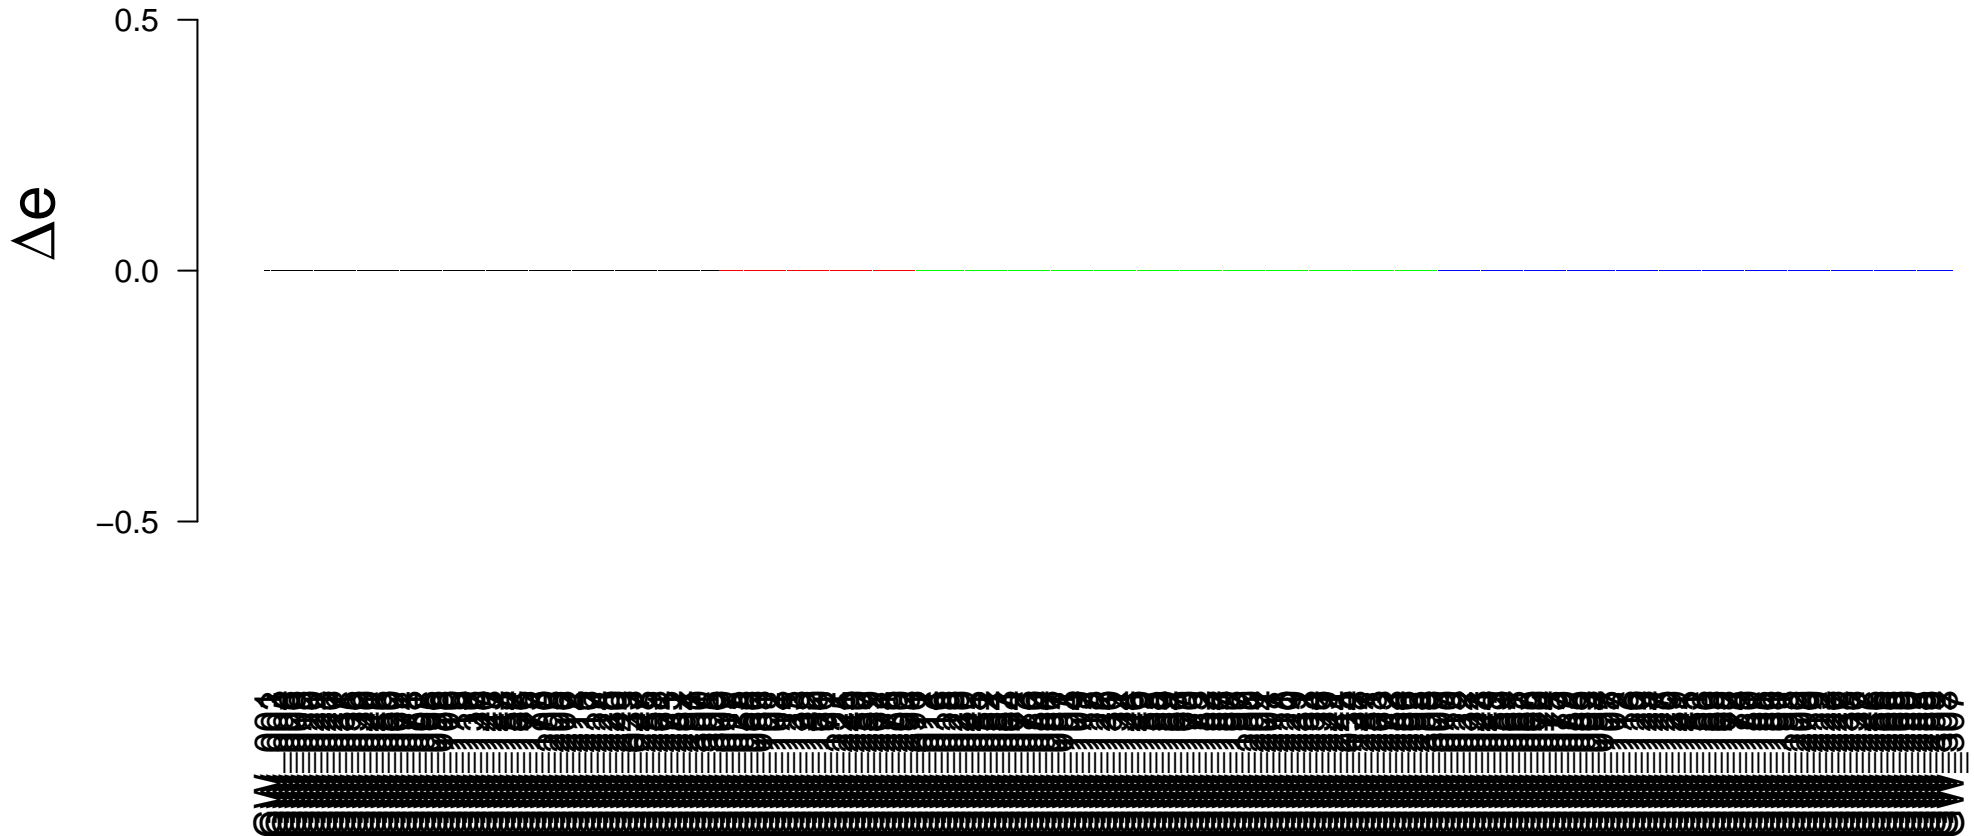

Expression of polyamine metabolic process in Spot D

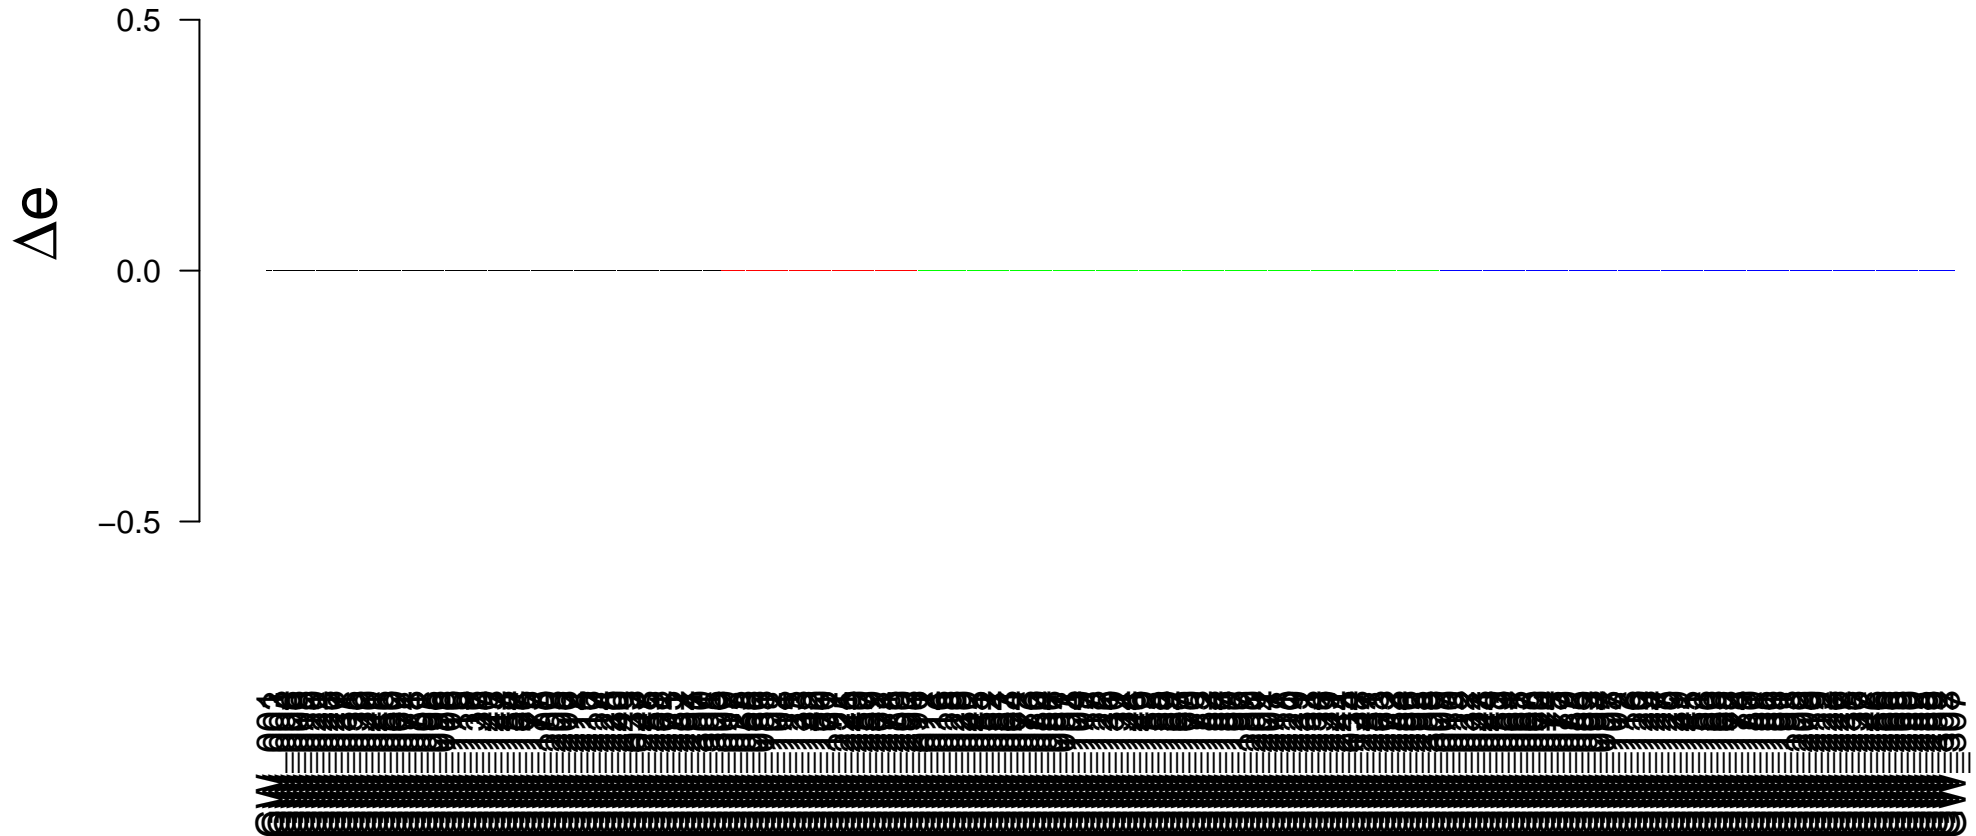

Expression of polyamine metabolic process in Spot E

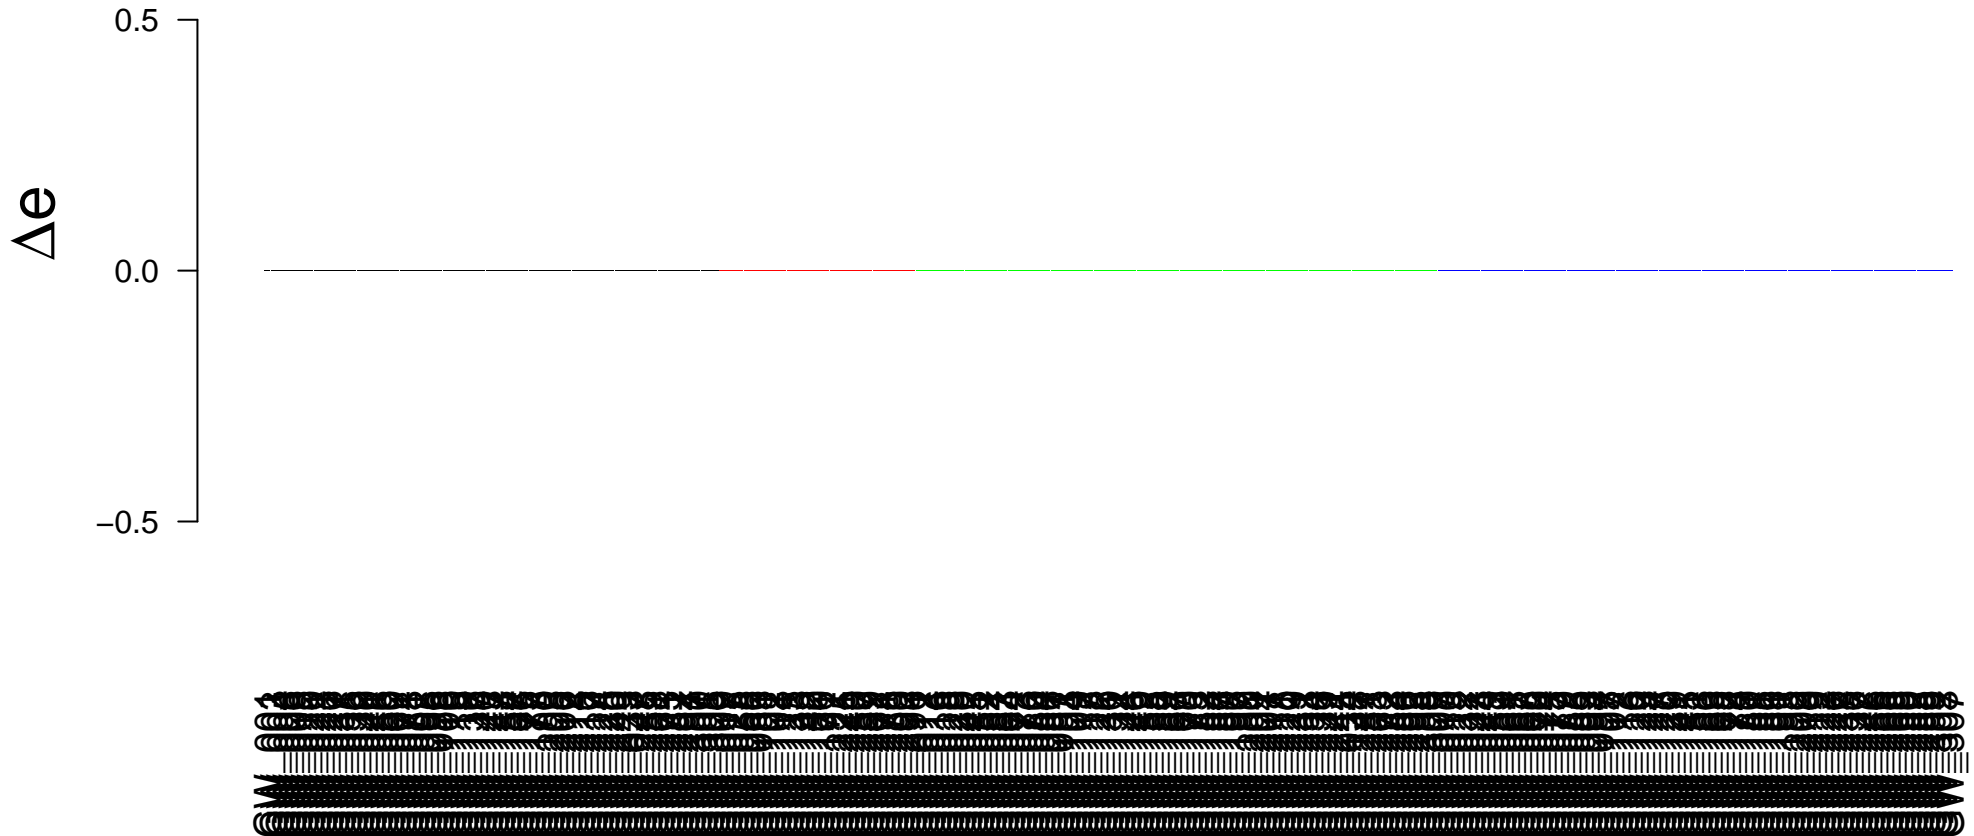

Expression of polyamine metabolic process in Spot F

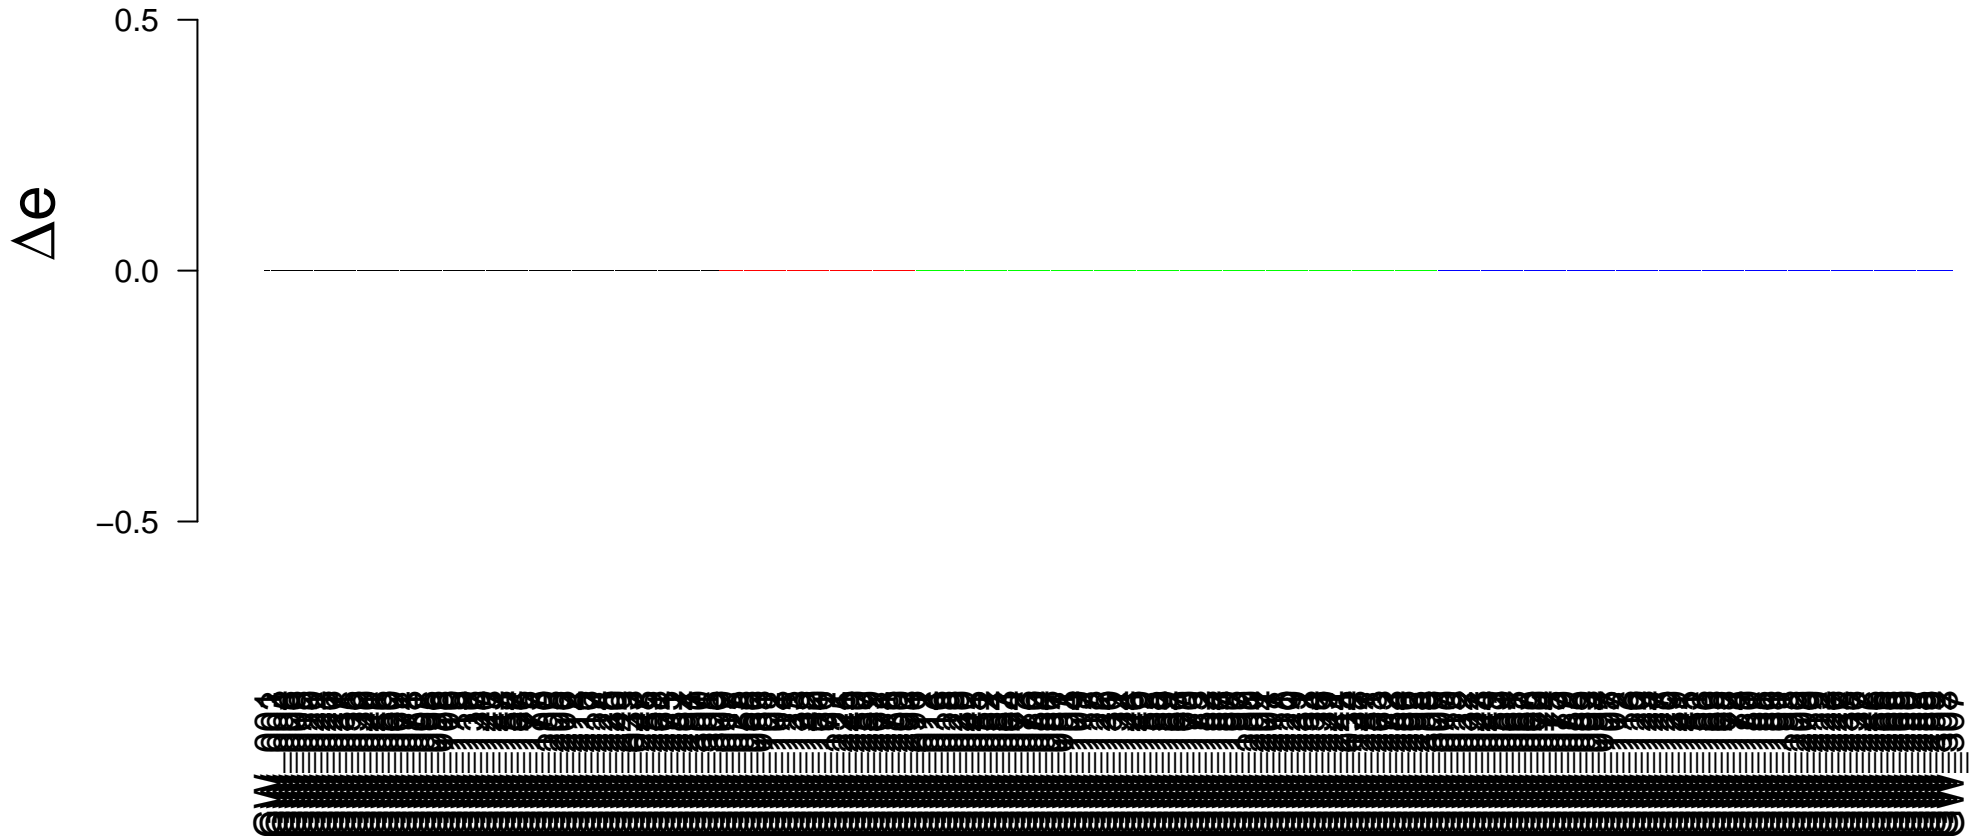

Expression of polyamine metabolic process in Spot G

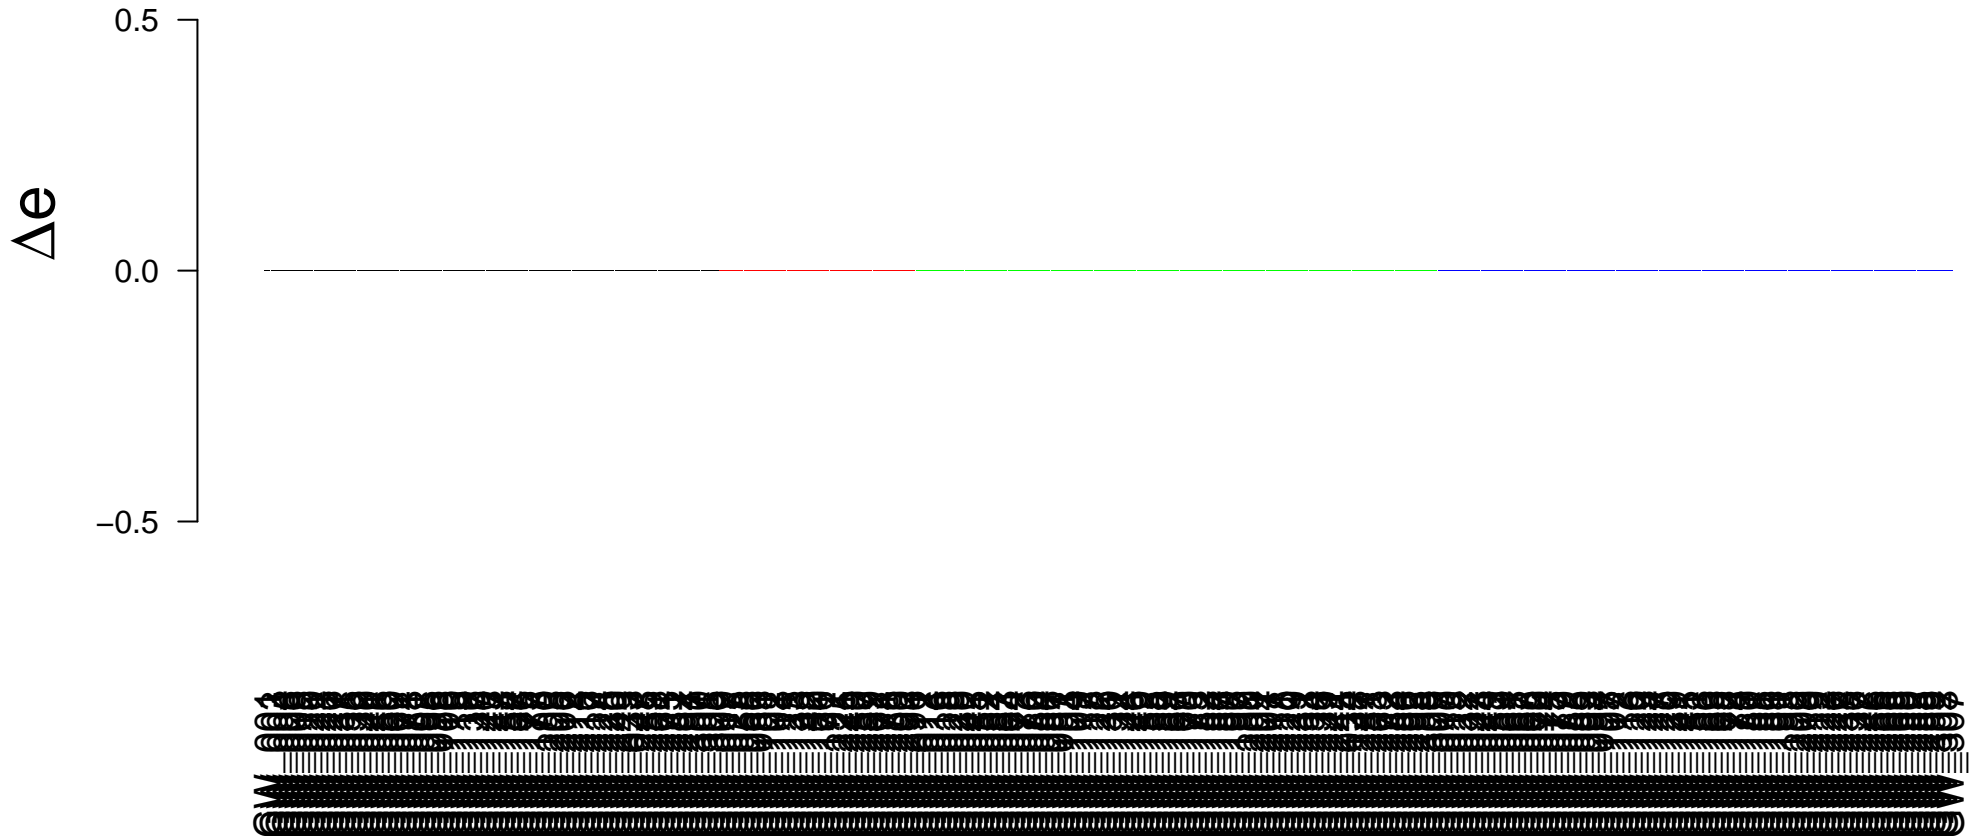

Expression of polyamine metabolic process in Spot H

Expression of polyamine metabolic process in Spot I

Expression of polyamine metabolic process in Spot J

Expression of polyamine metabolic process in Spot K

Expression of polyamine metabolic process in Spot L

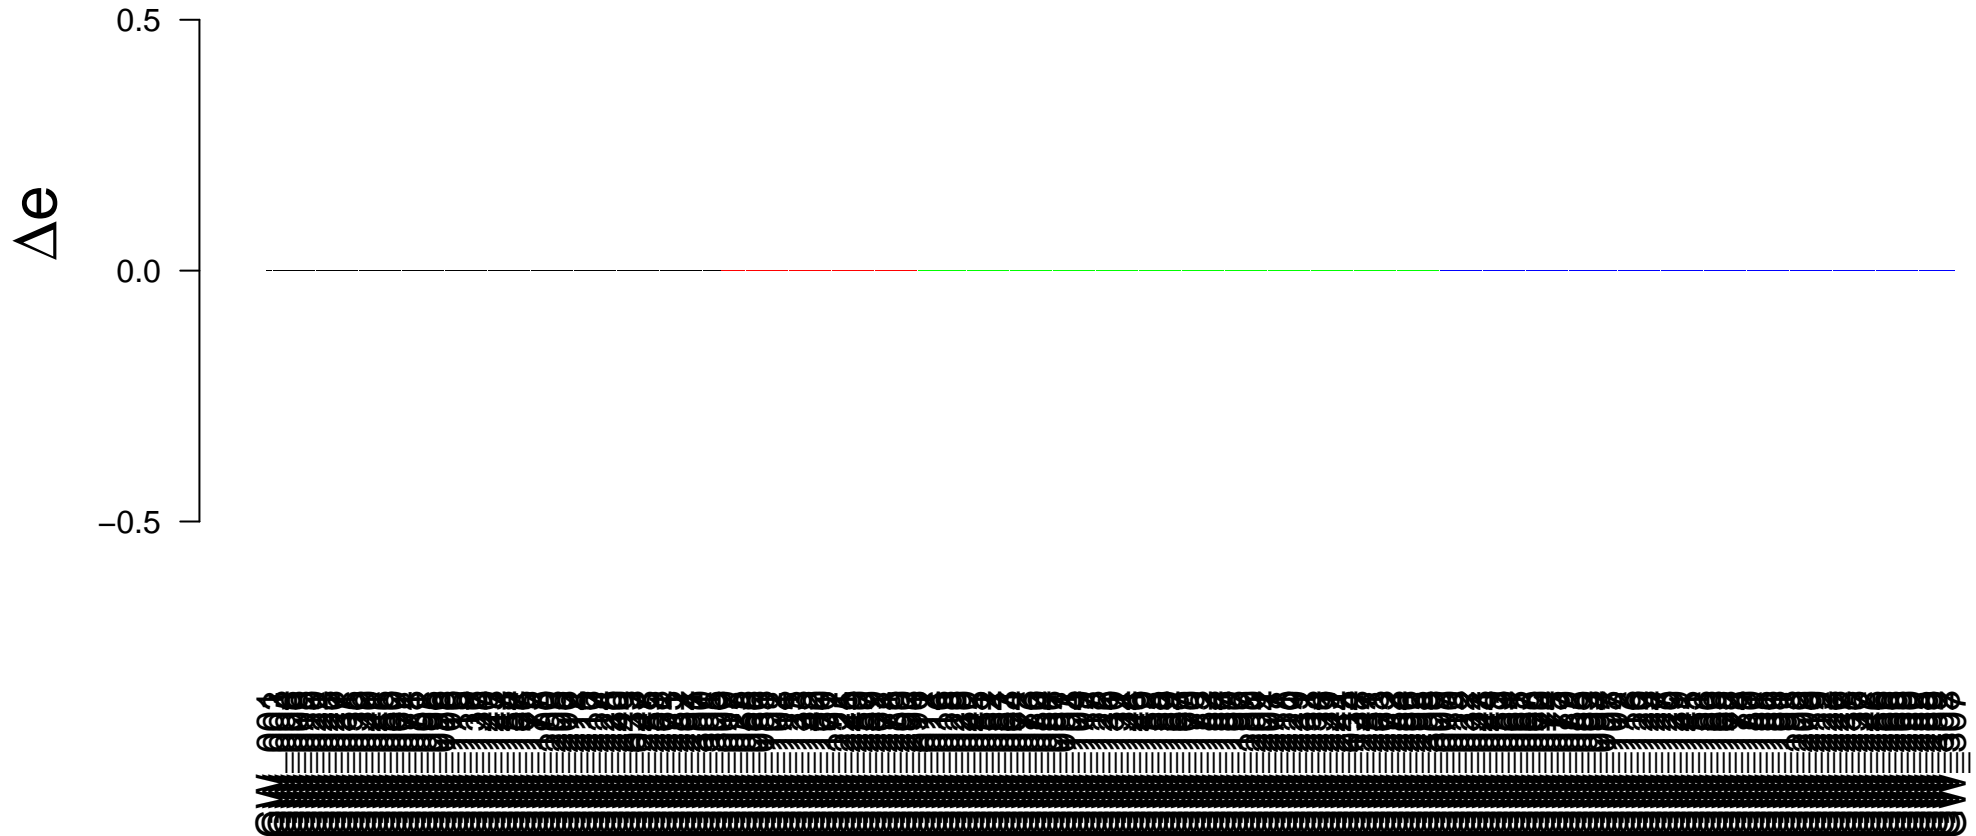

Expression of polyamine metabolic process in Spot M

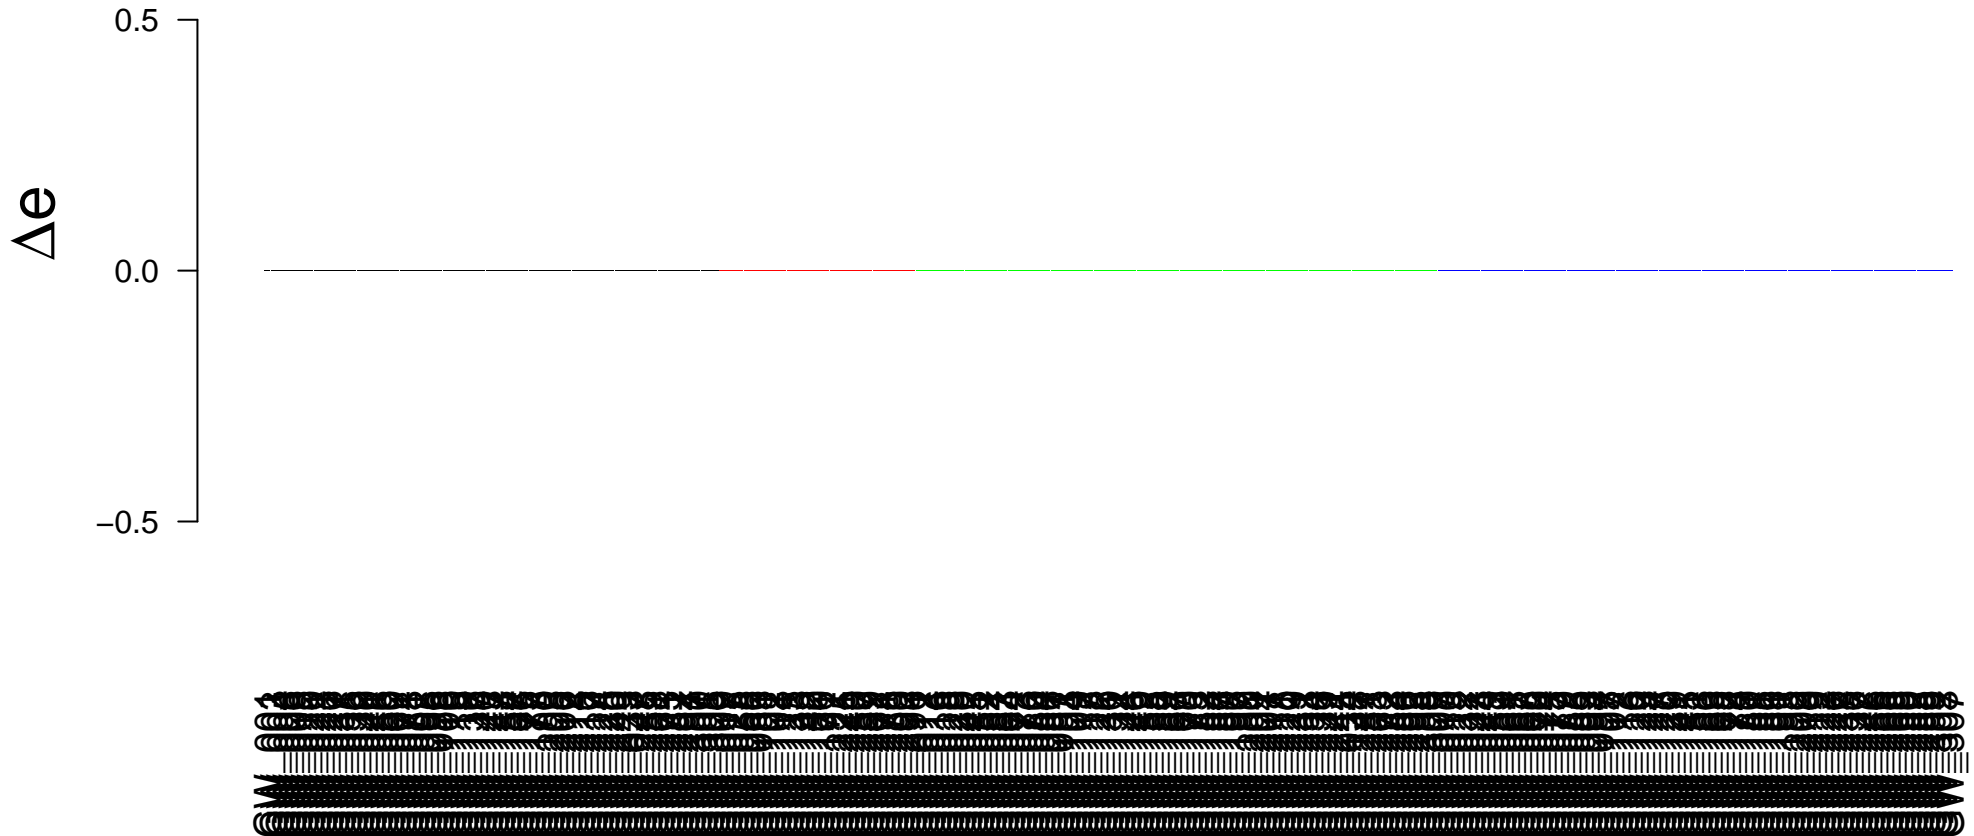

Expression of polyamine metabolic process in Spot N

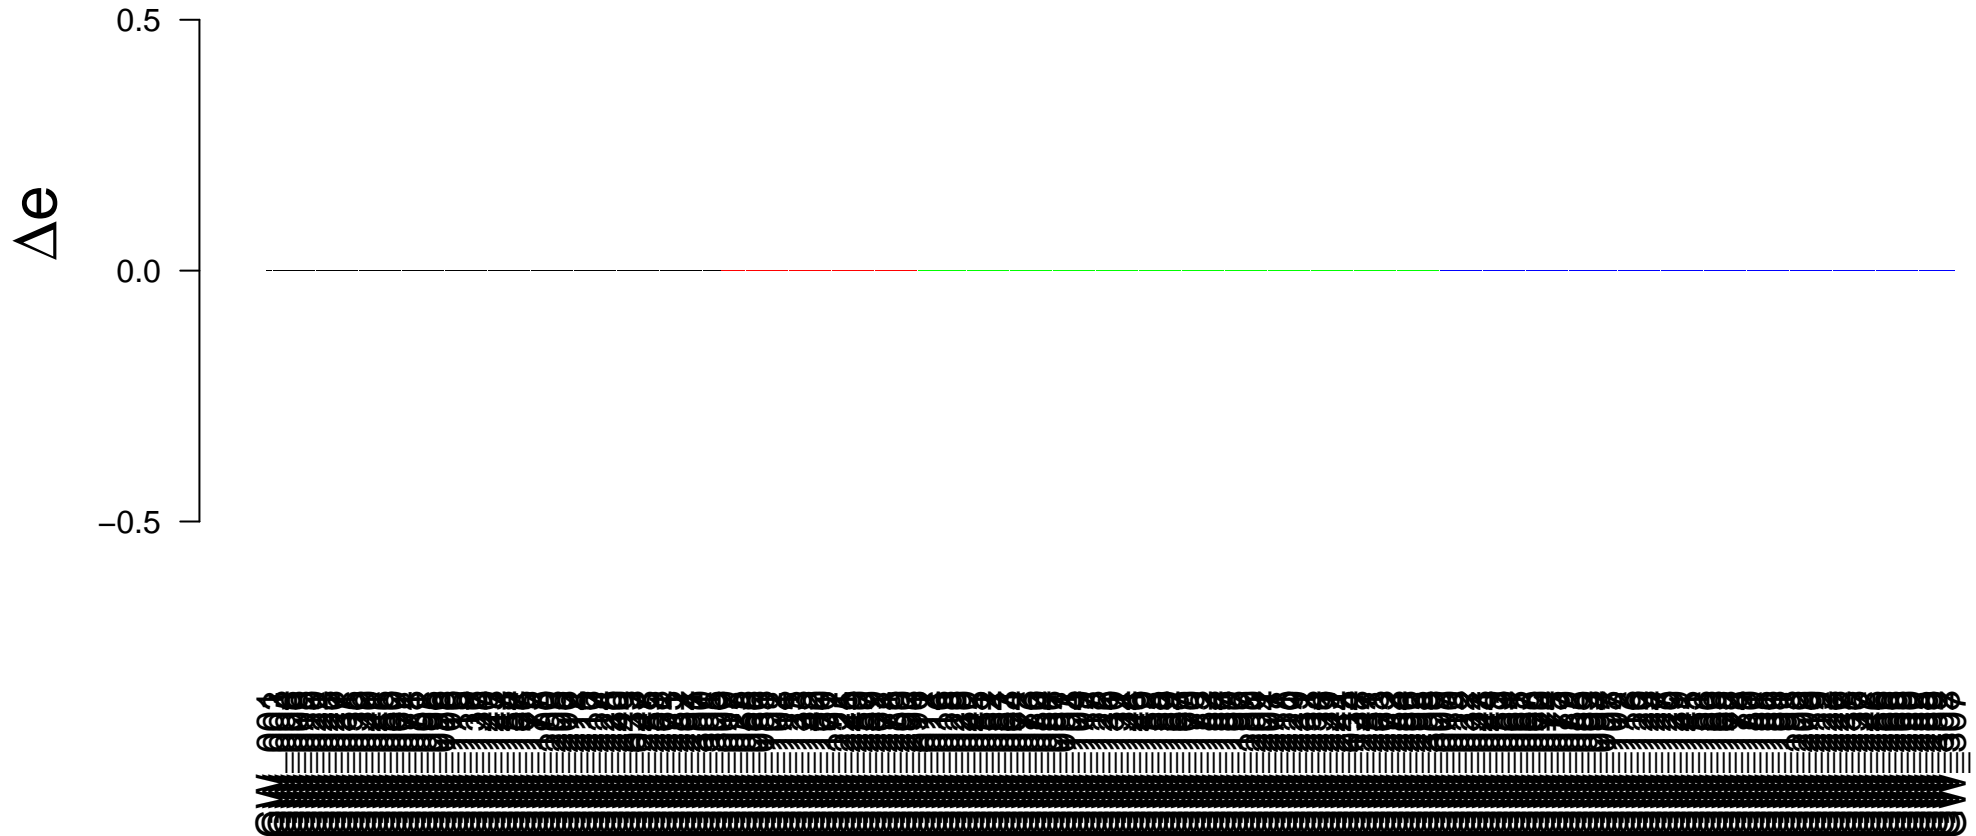

Expression of polyamine metabolic process in Spot O

Expression of polyamine metabolic process in Spot P

Expression of polyamine metabolic process in Spot Q

Expression of polyamine metabolic process in Spot R
