

polypeptide N-acetylgalactosaminyltransferase activity

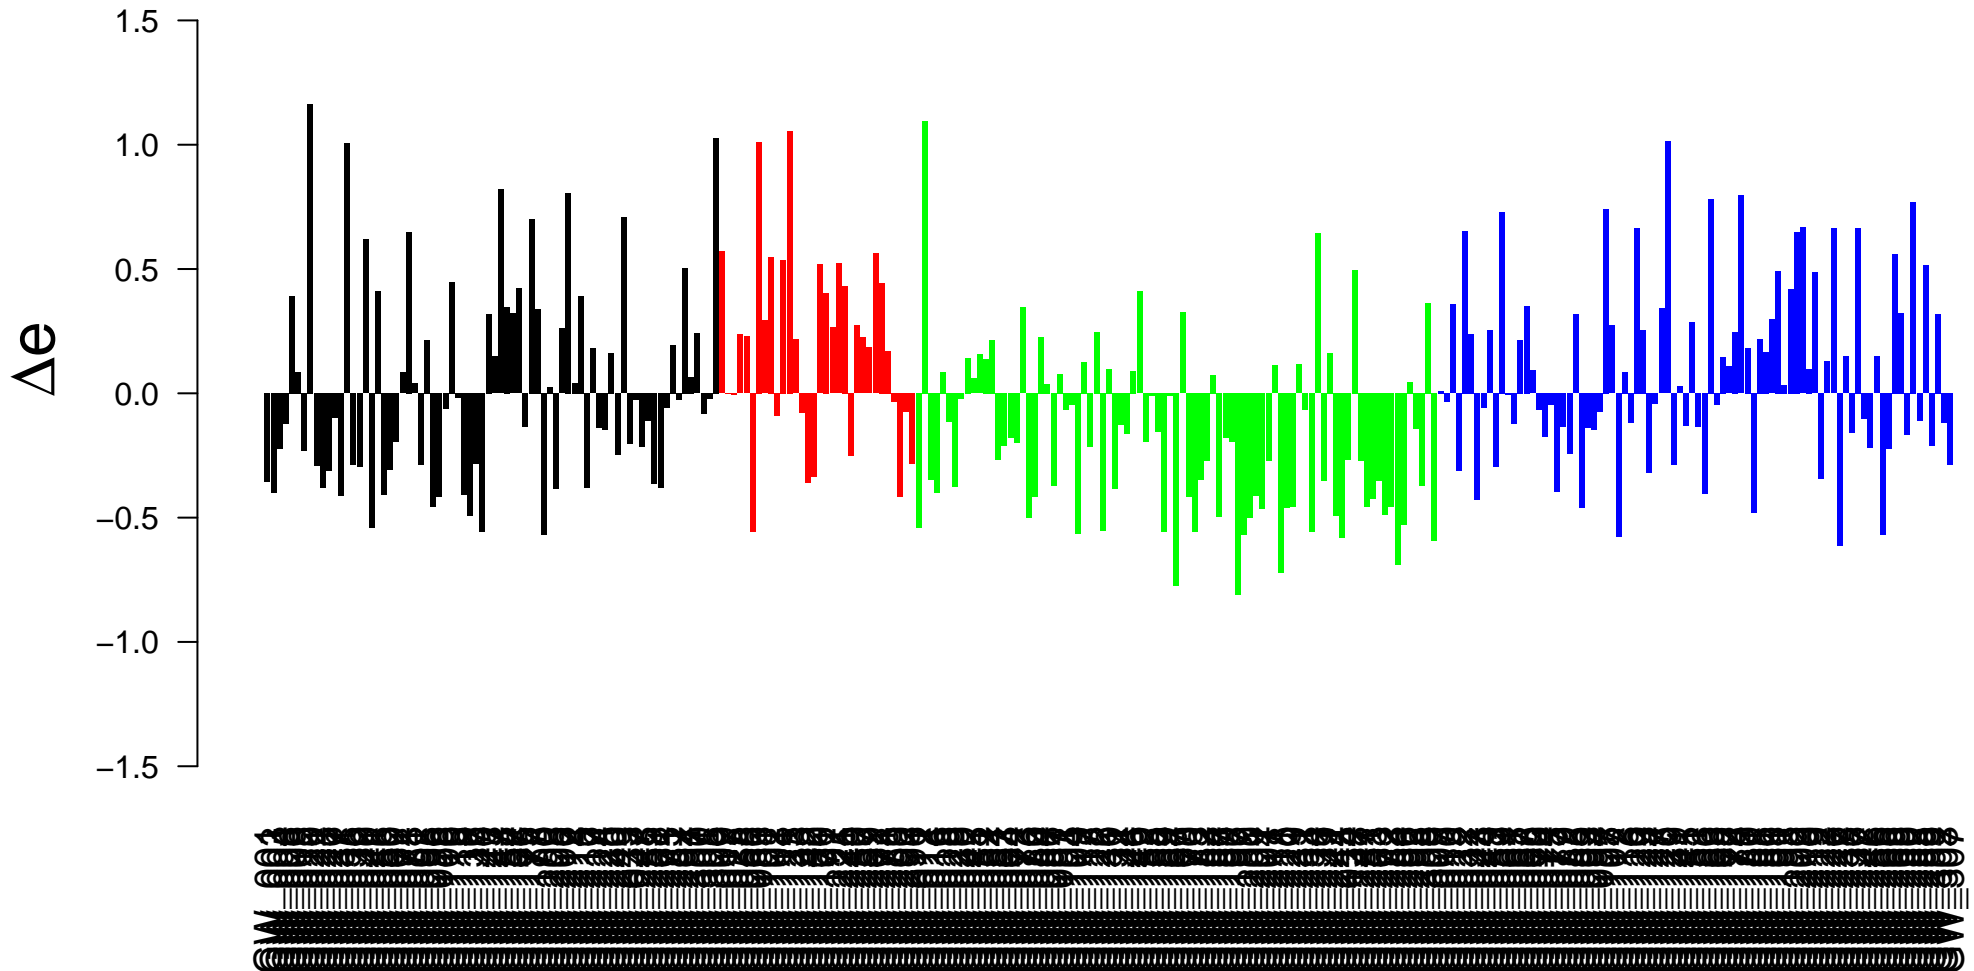

polypeptide N-acetylgalactosaminyltransferase activity

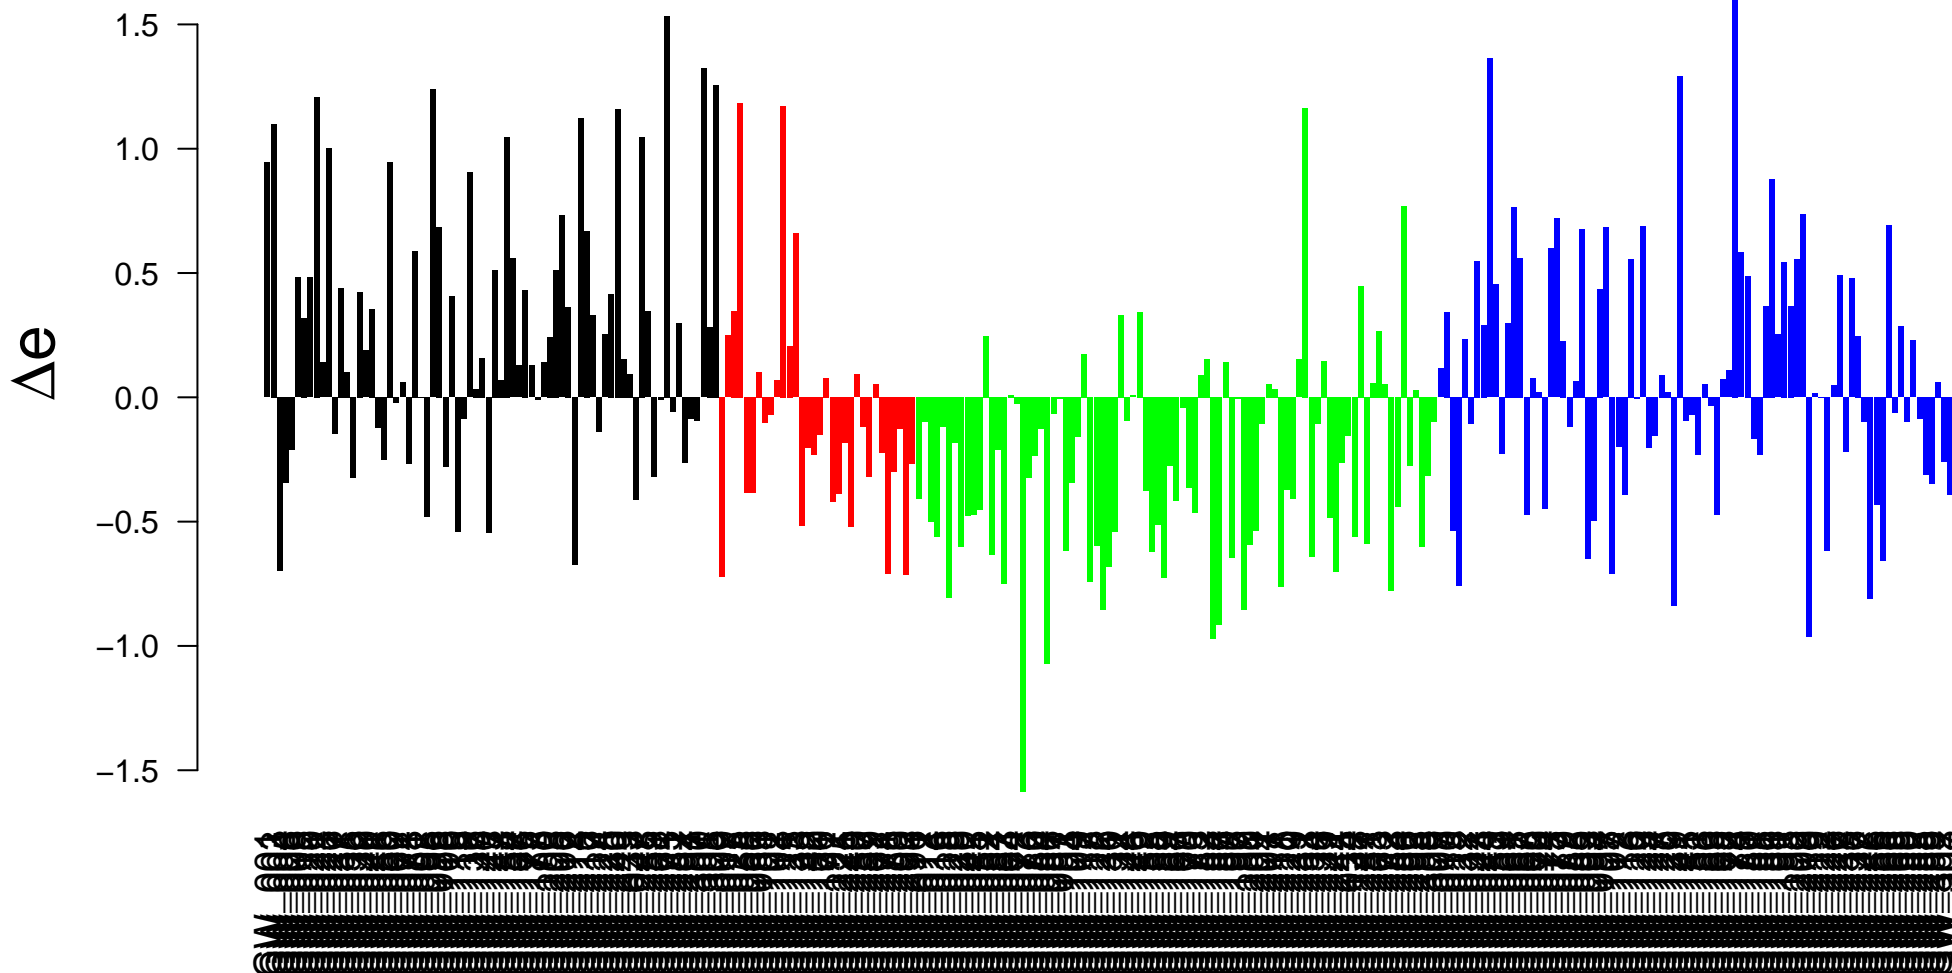

Enrichment in spots: polypeptide N-acetylgalactosaminyltransferase activity

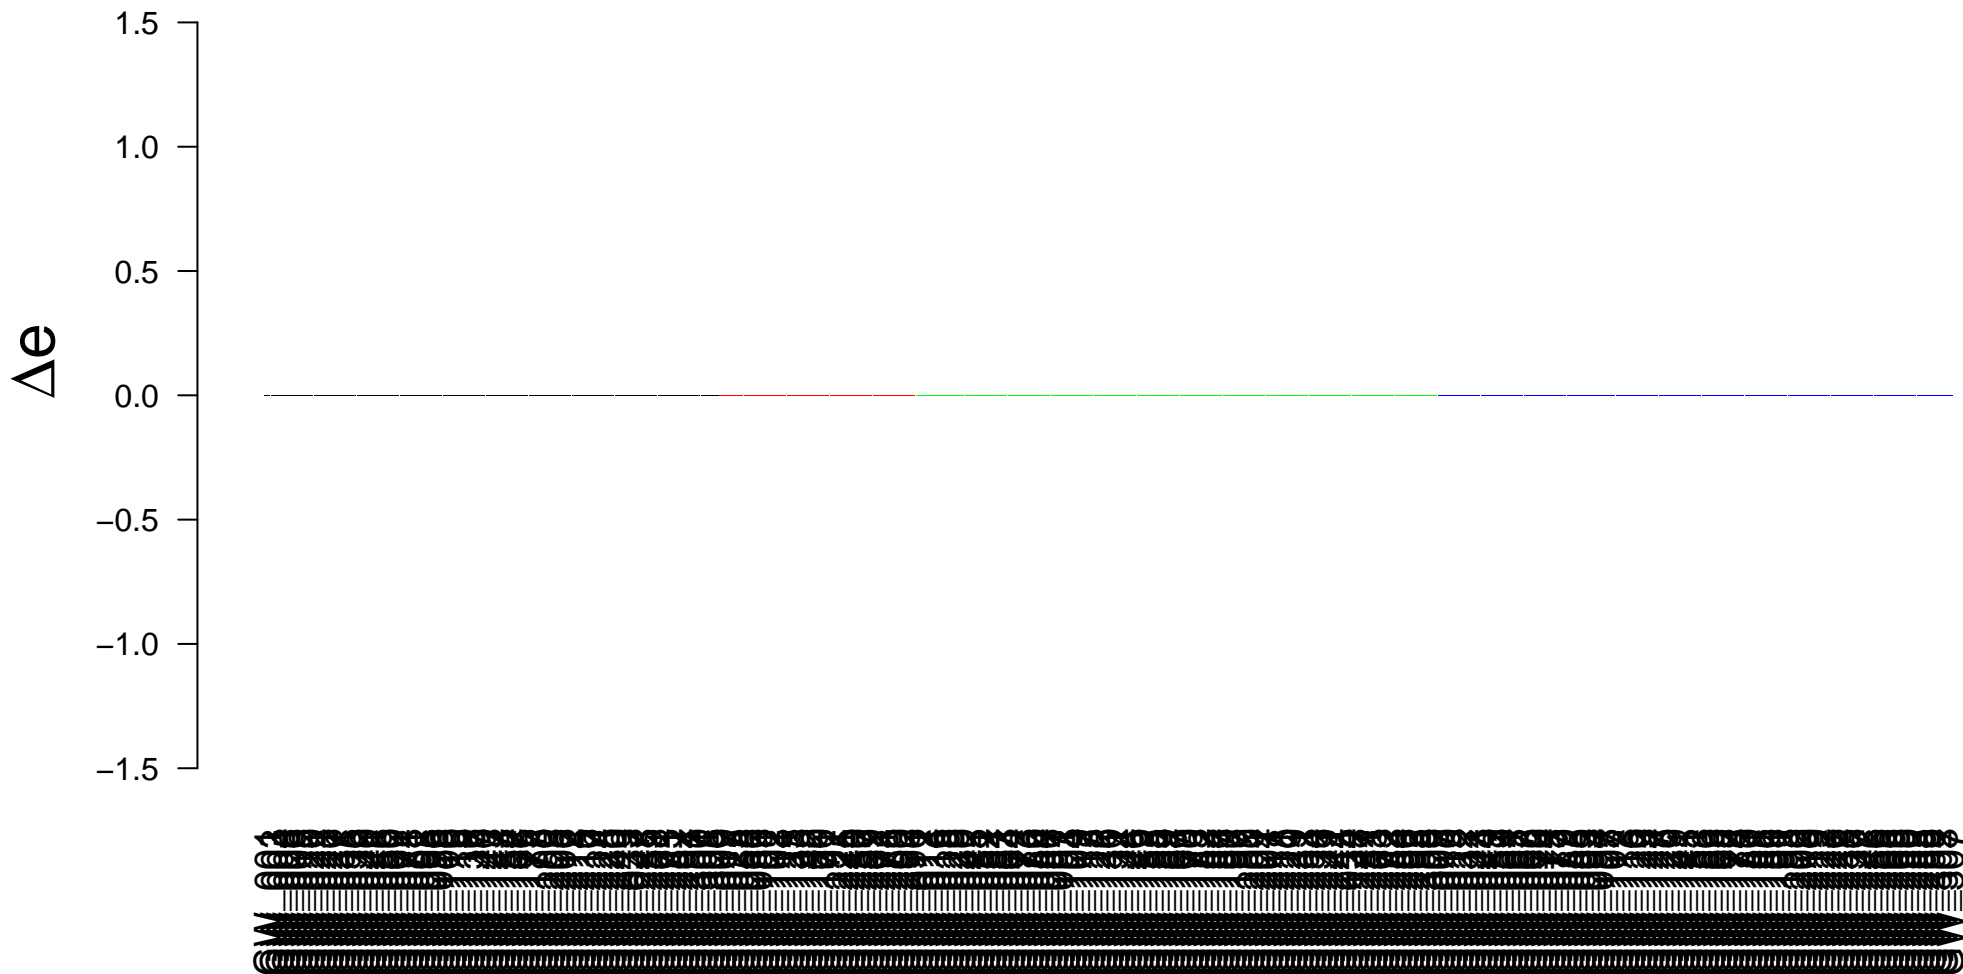

Expression of polypeptide N-acetylgalactosaminyltransferase activity in Spot A

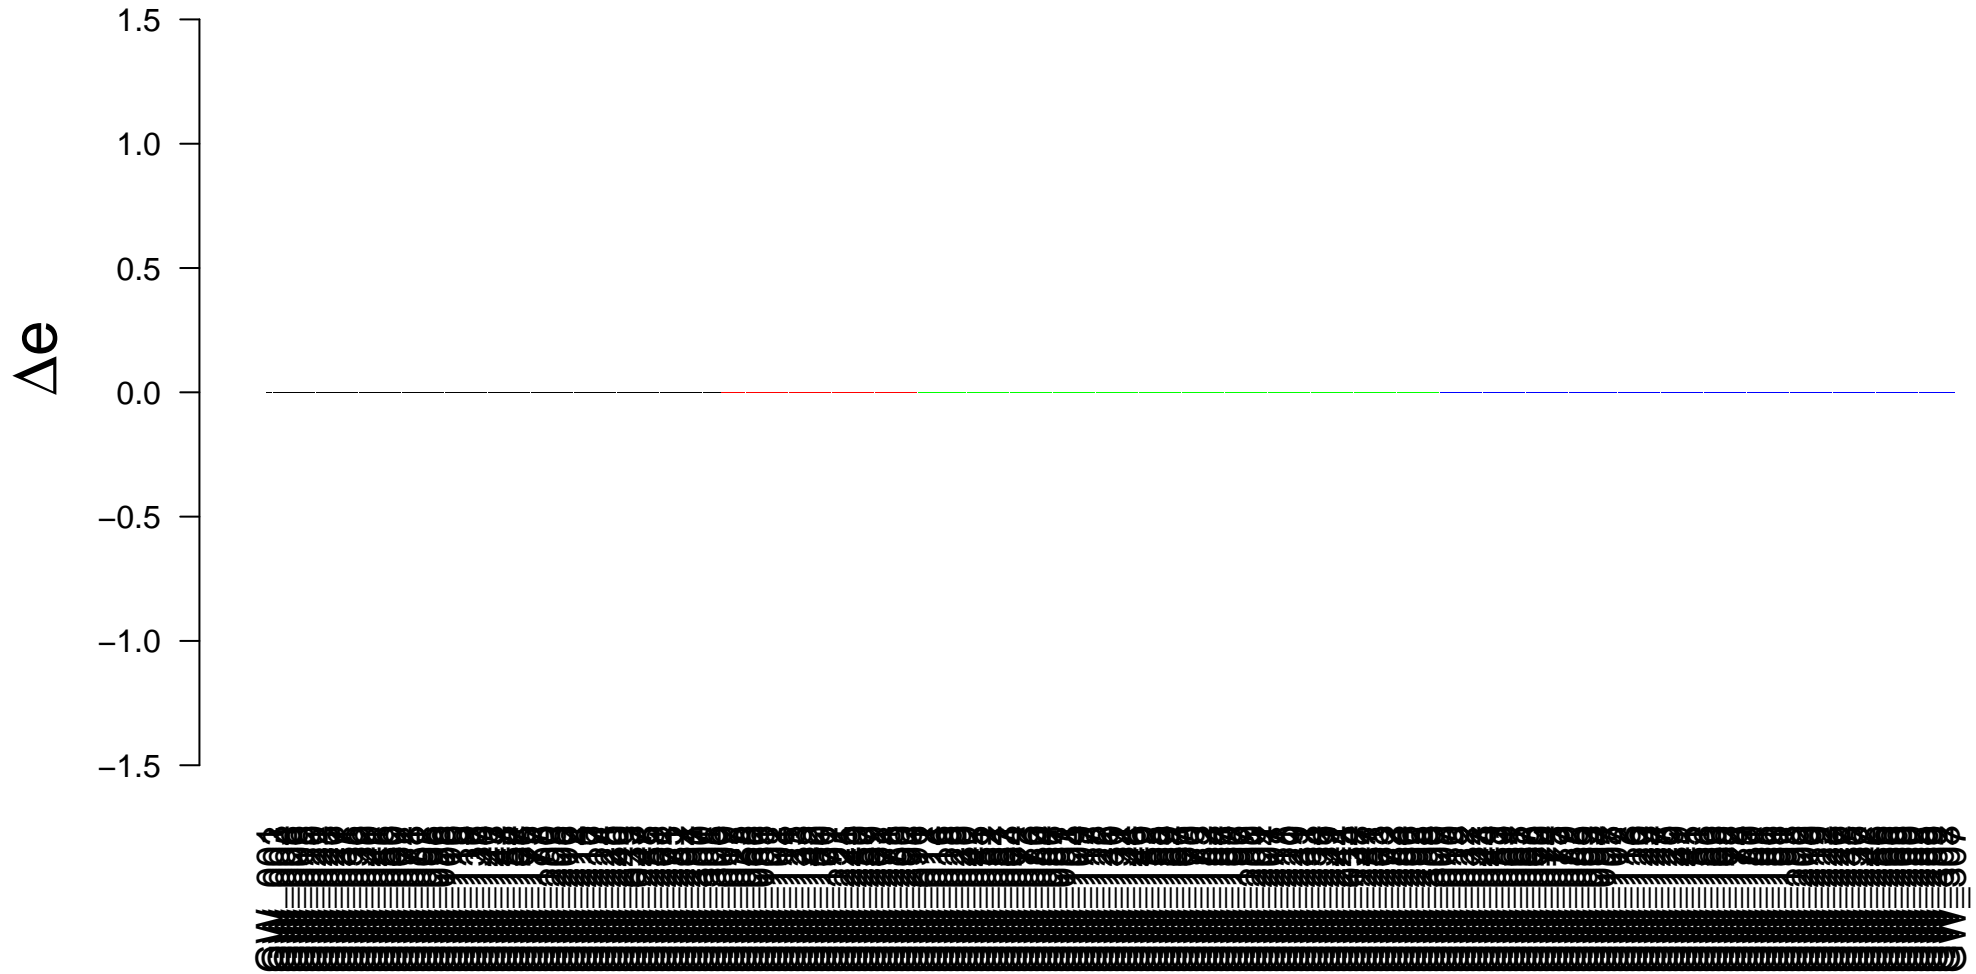

Expression of polypeptide N-acetylgalactosaminyltransferase activity in Spot B

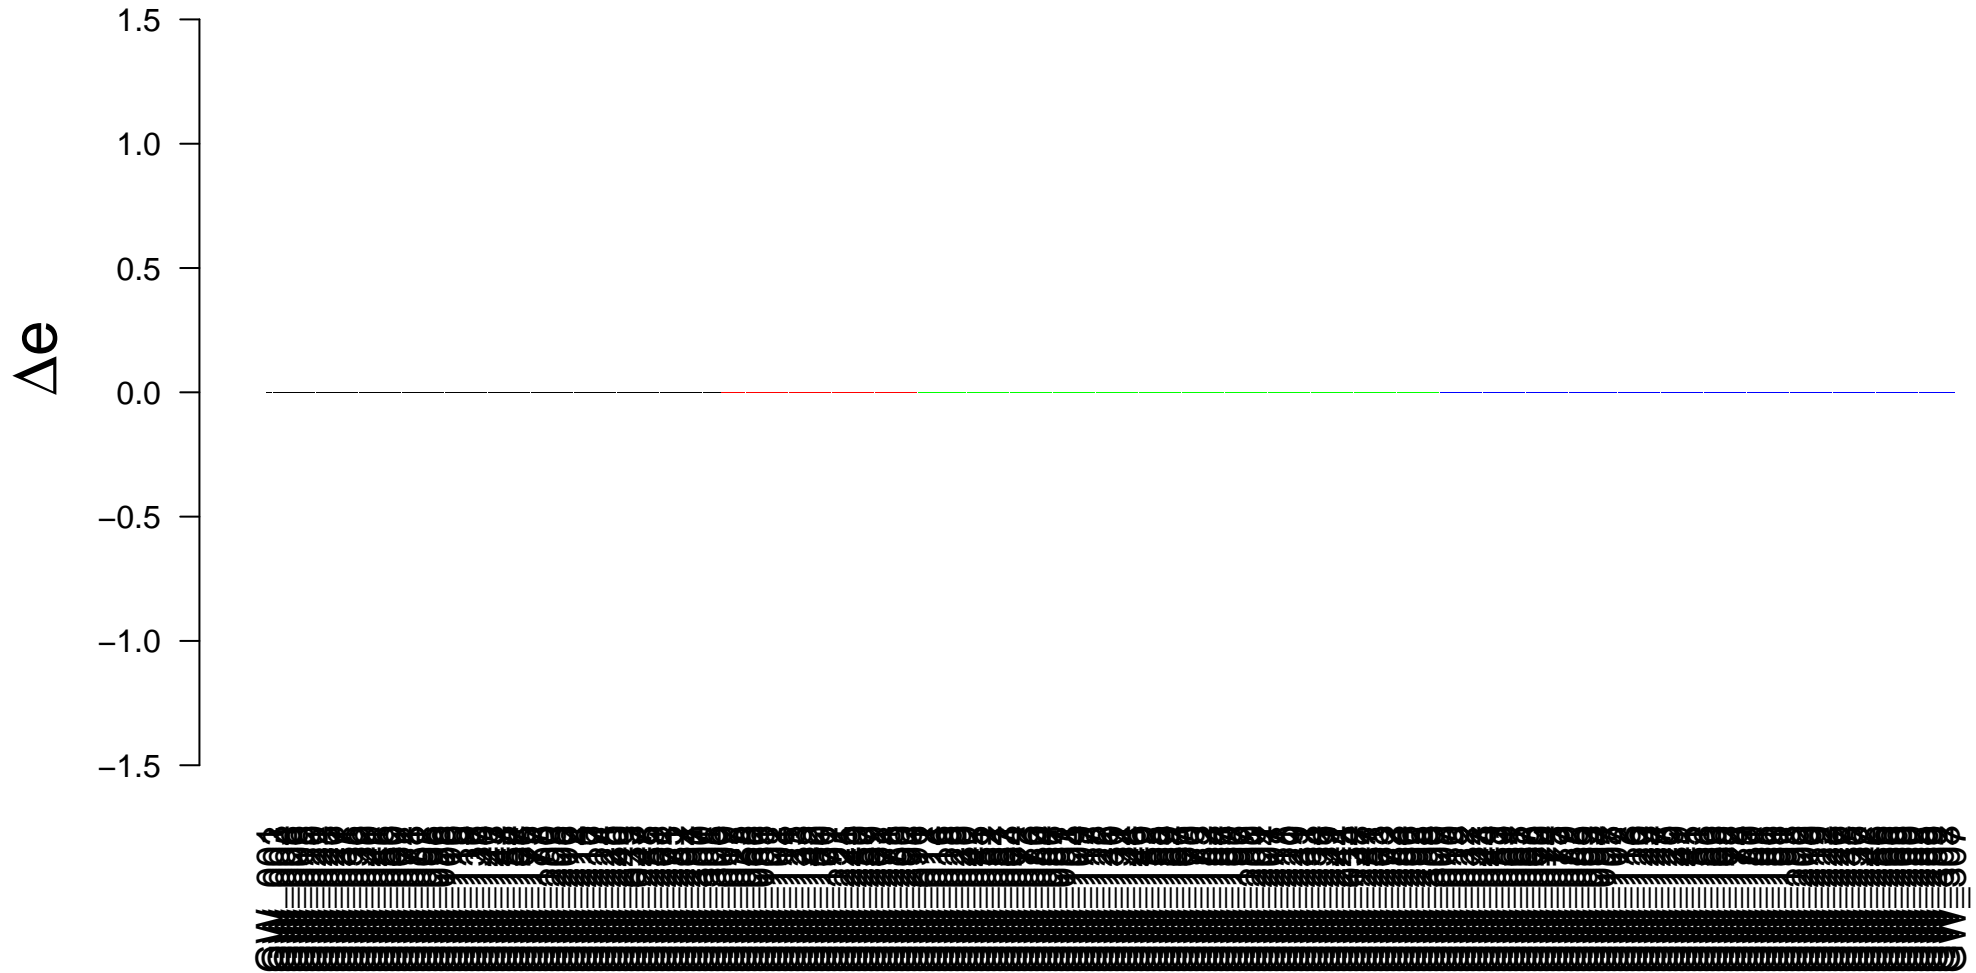

Expression of polypeptide N-acetylgalactosaminyltransferase activity in Spot C

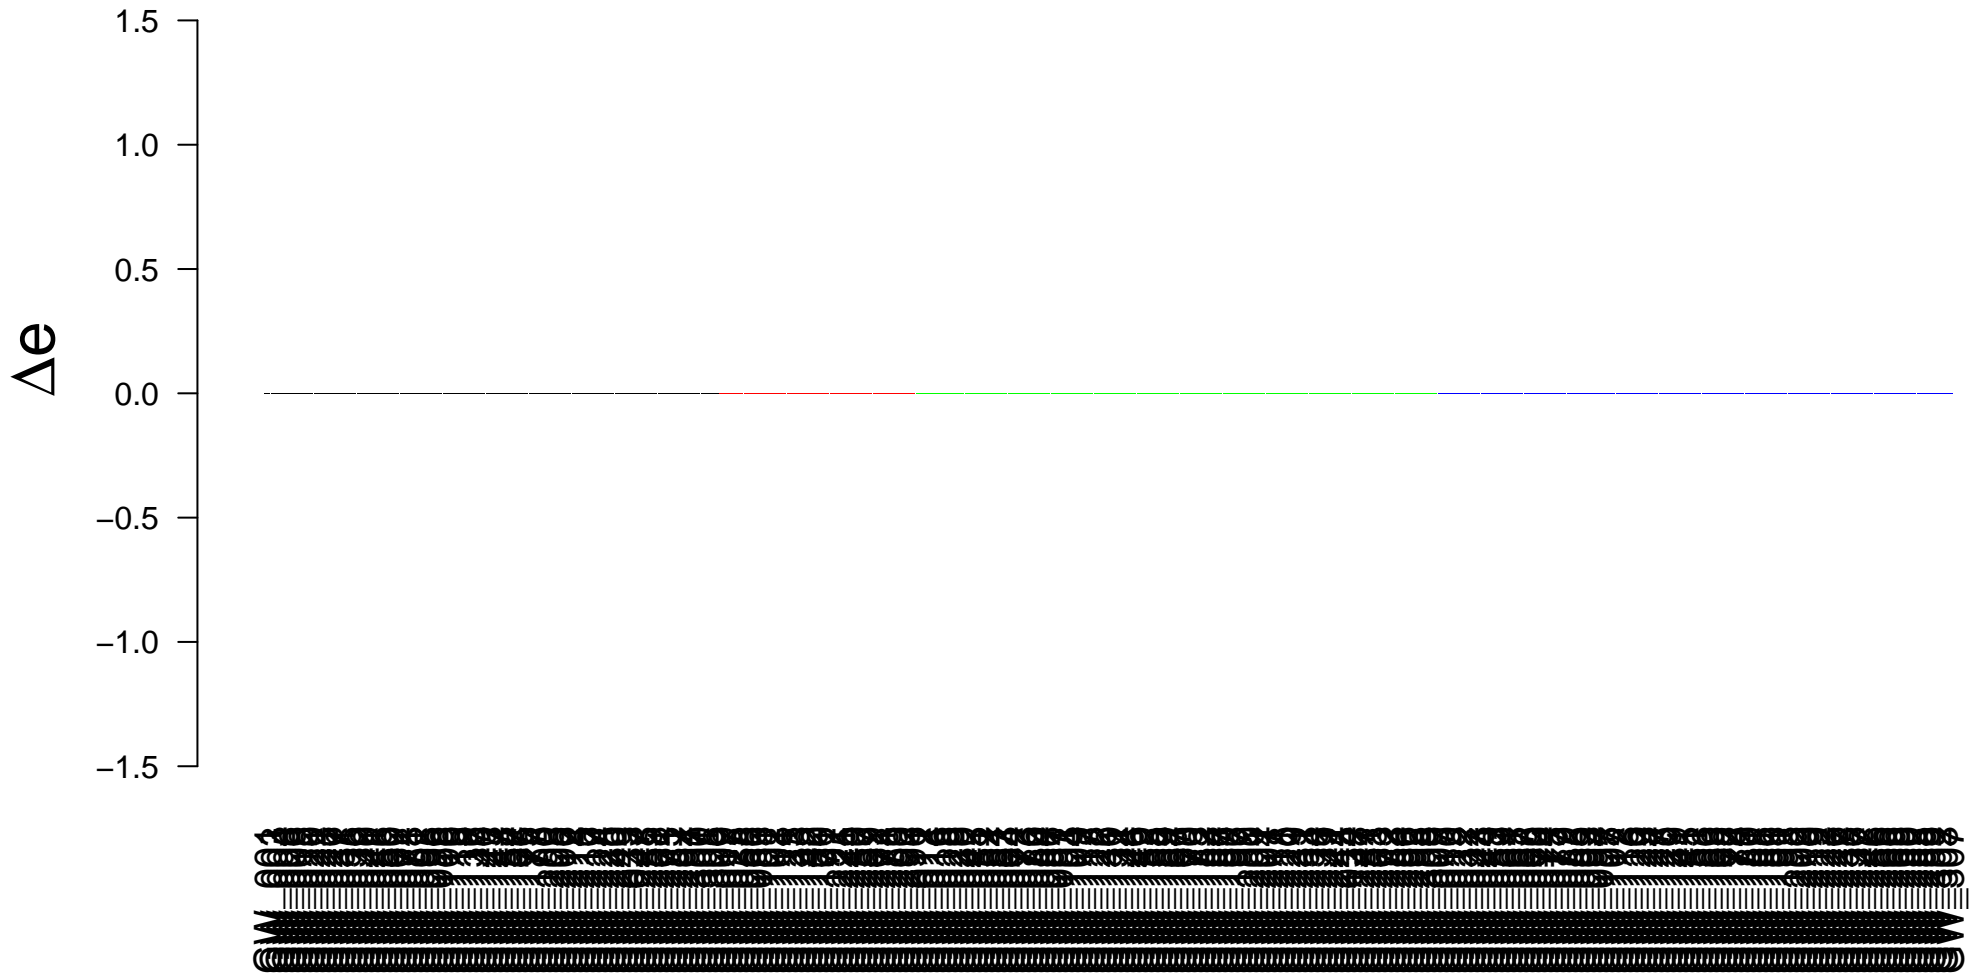

Expression of polypeptide N-acetylgalactosaminyltransferase activity in Spot D

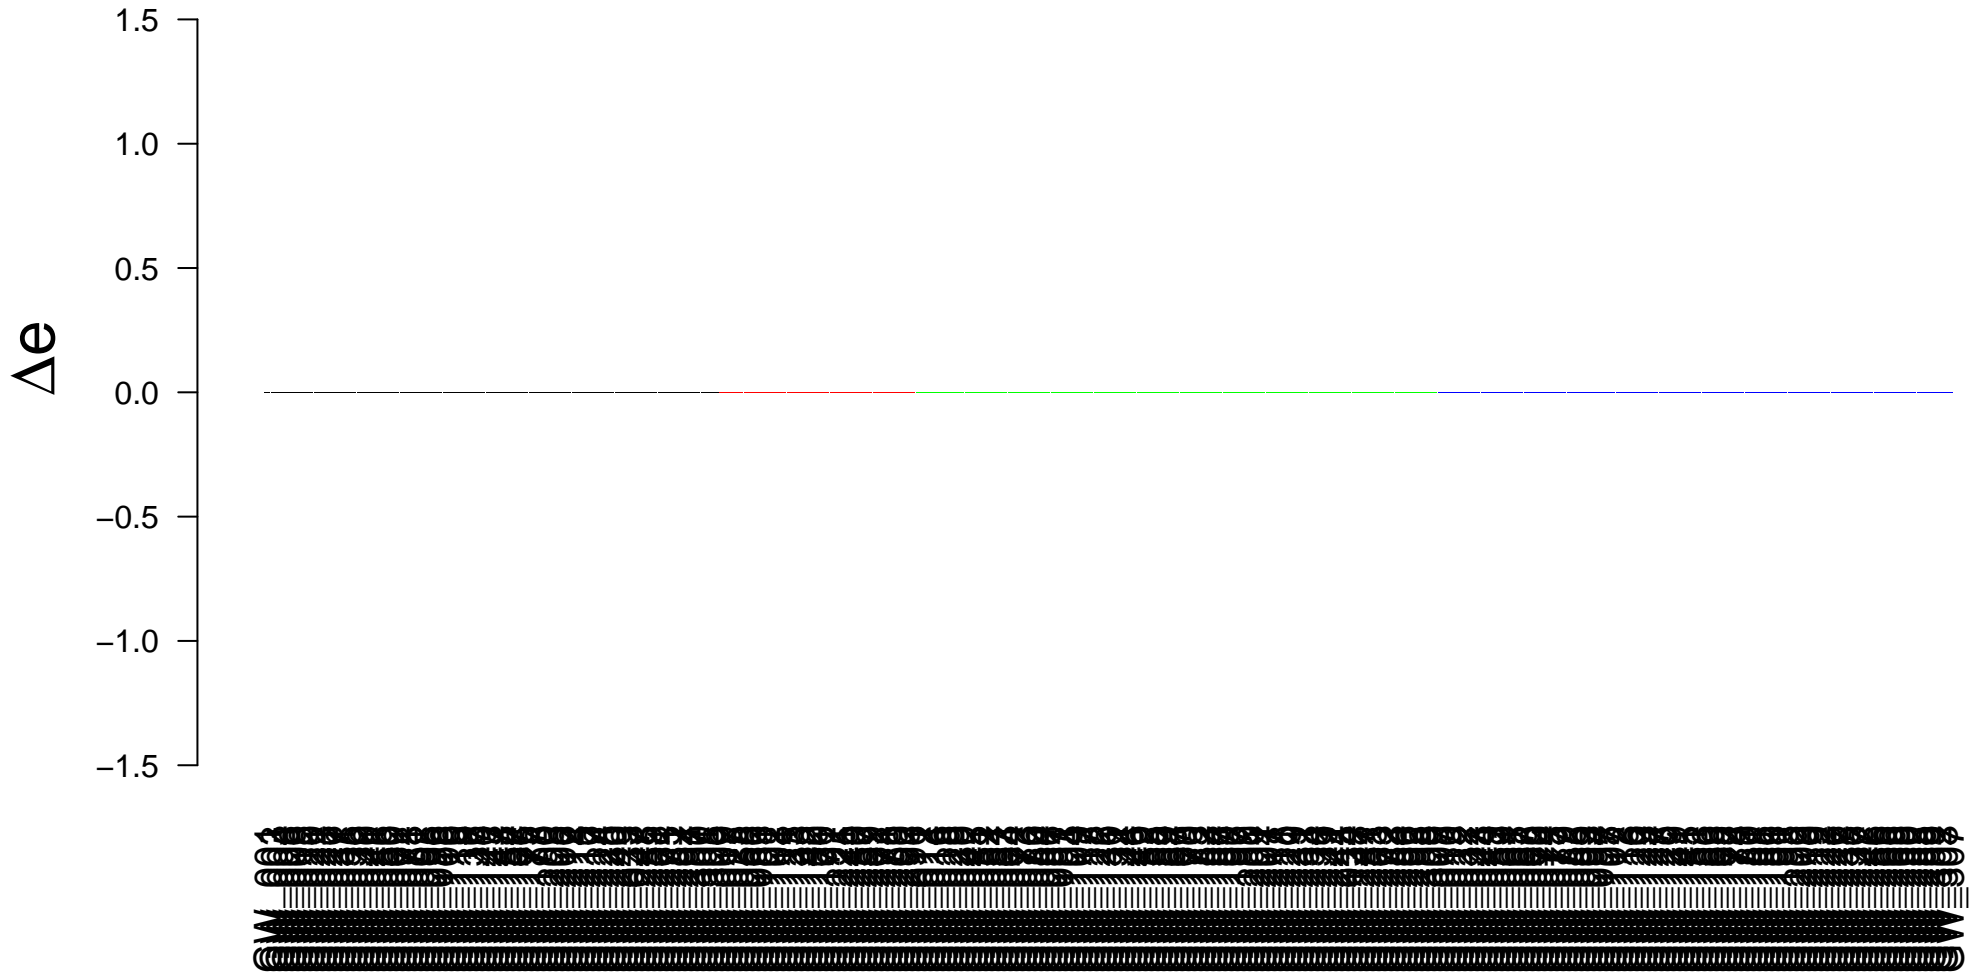

Expression of polypeptide N-acetylgalactosaminyltransferase activity in Spot E

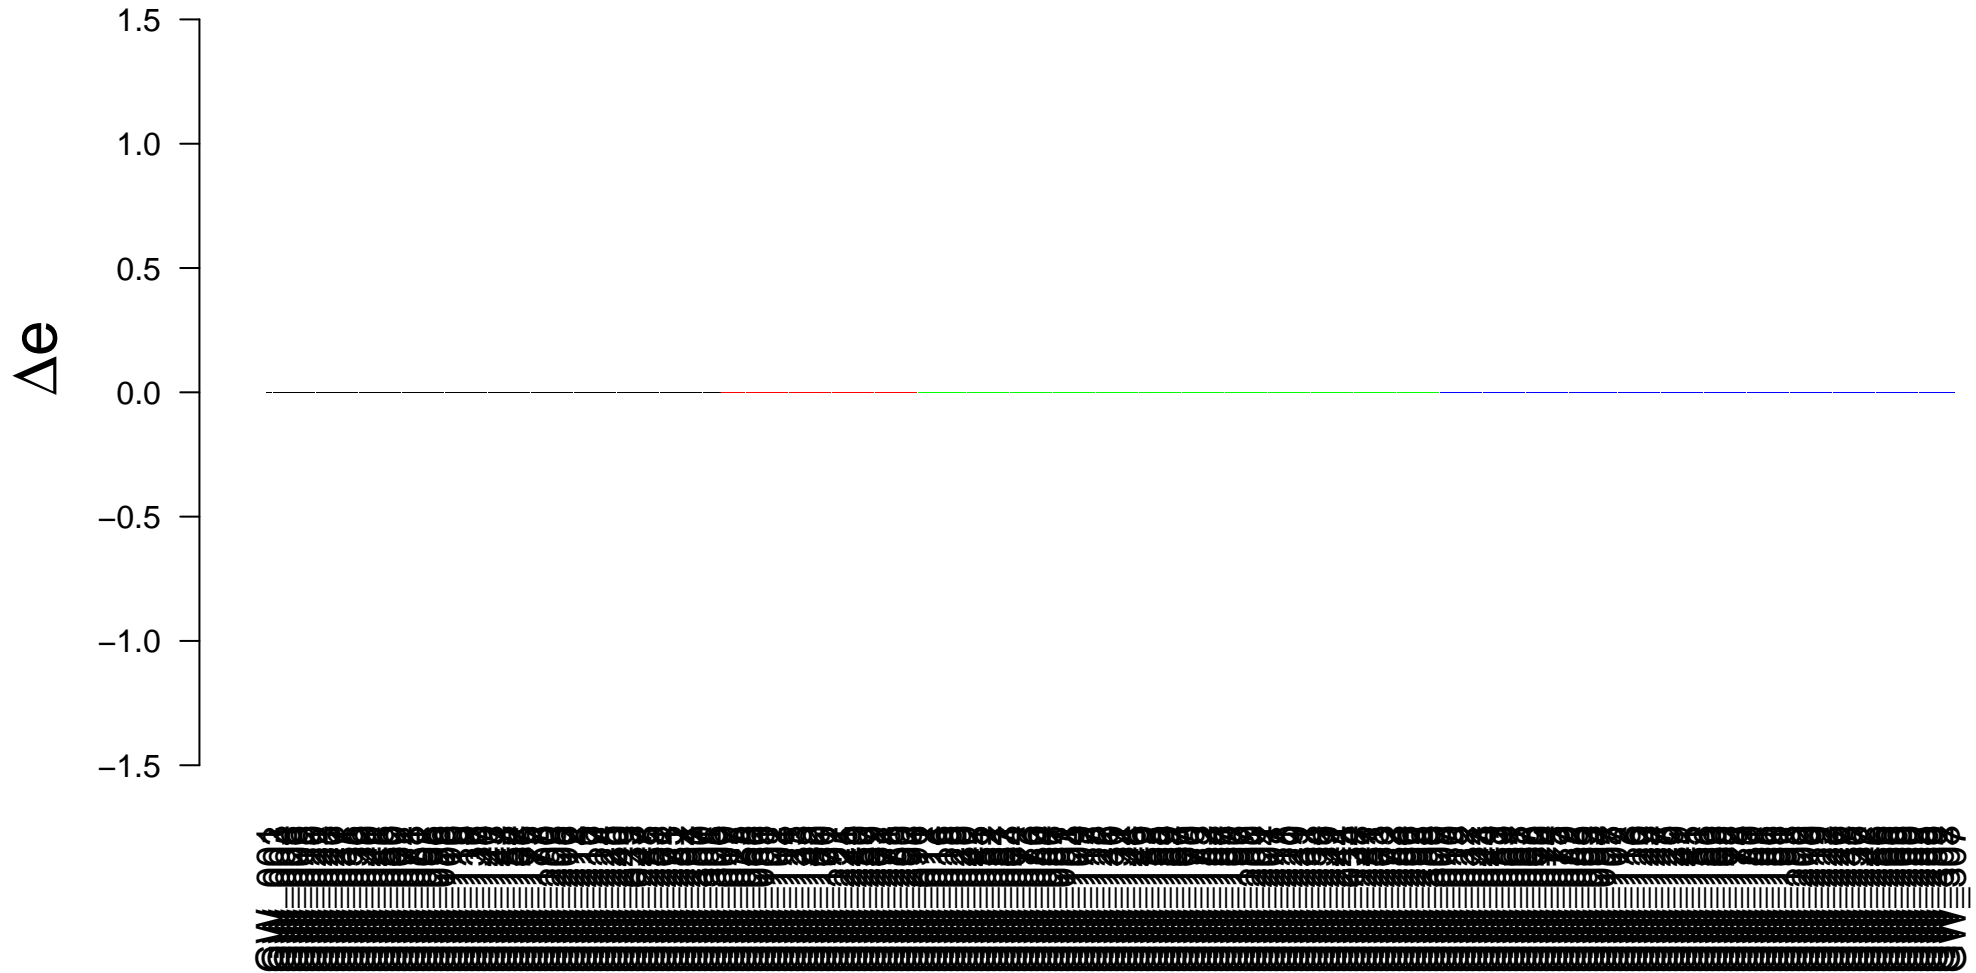

Expression of polypeptide N-acetylgalactosaminyltransferase activity in Spot F

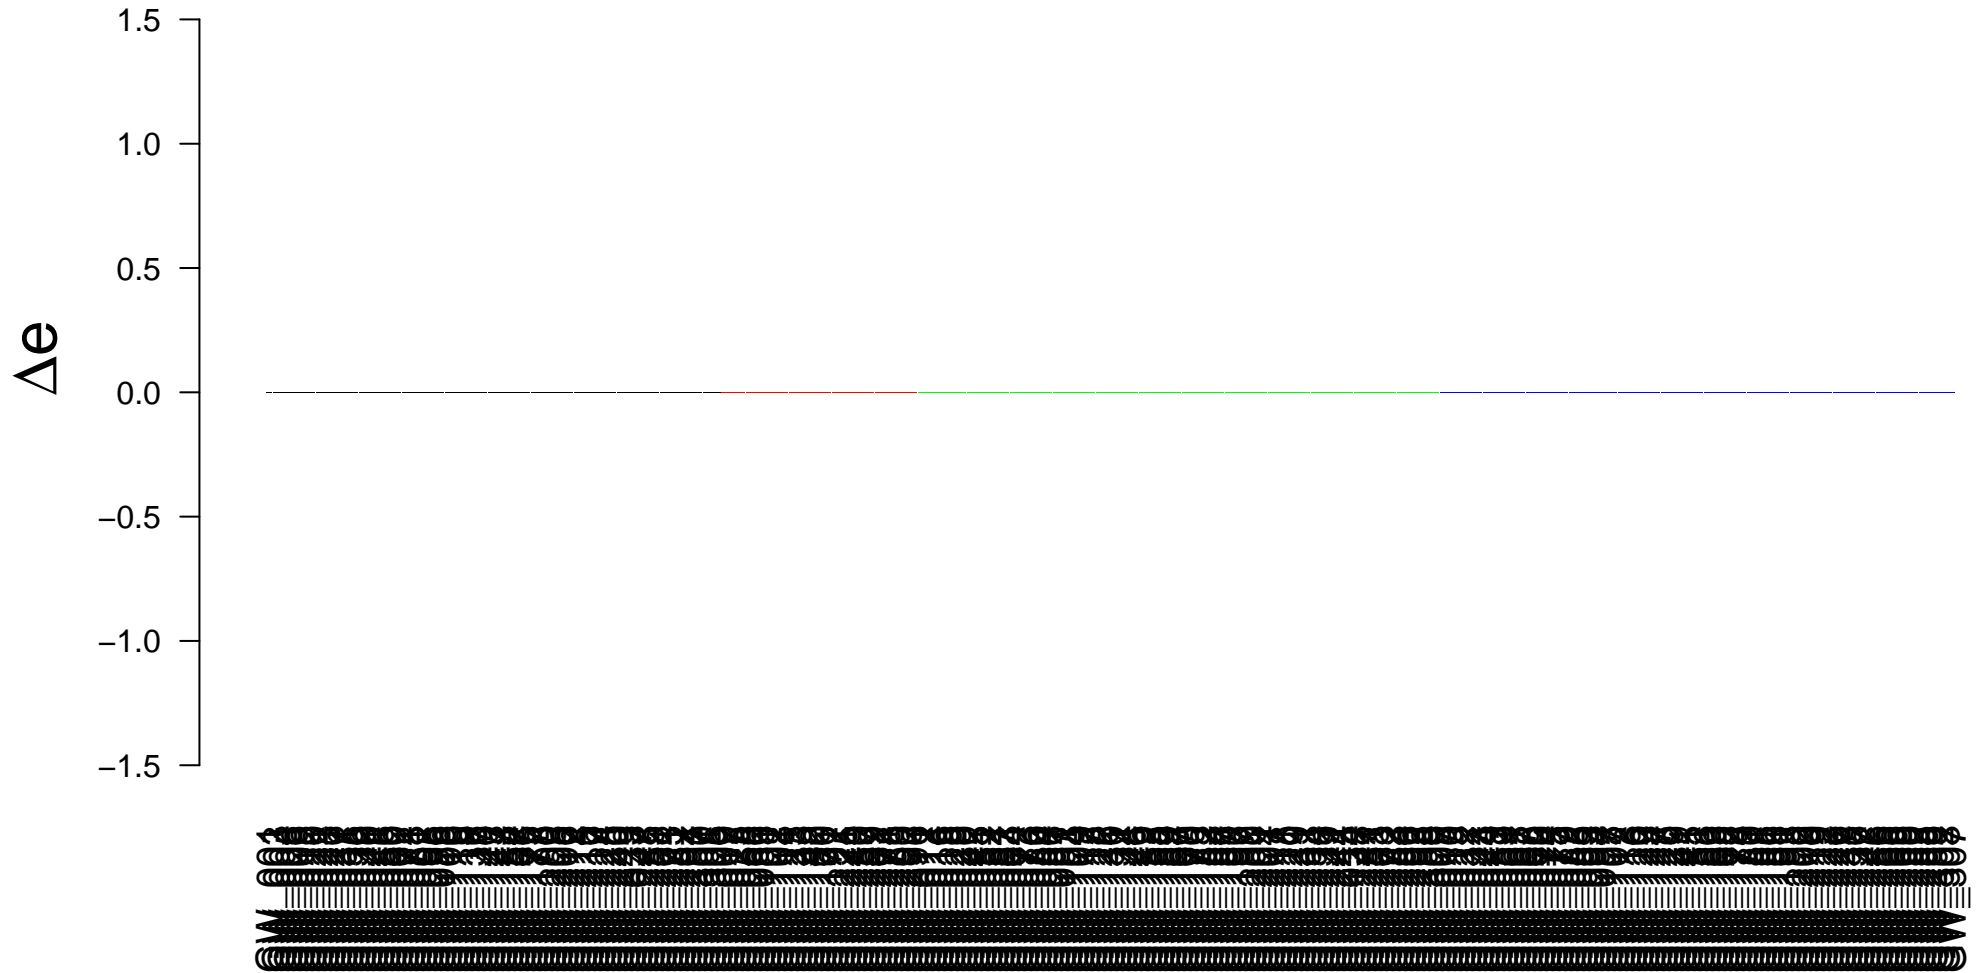

Expression of polypeptide N-acetylgalactosaminyltransferase activity in Spot G

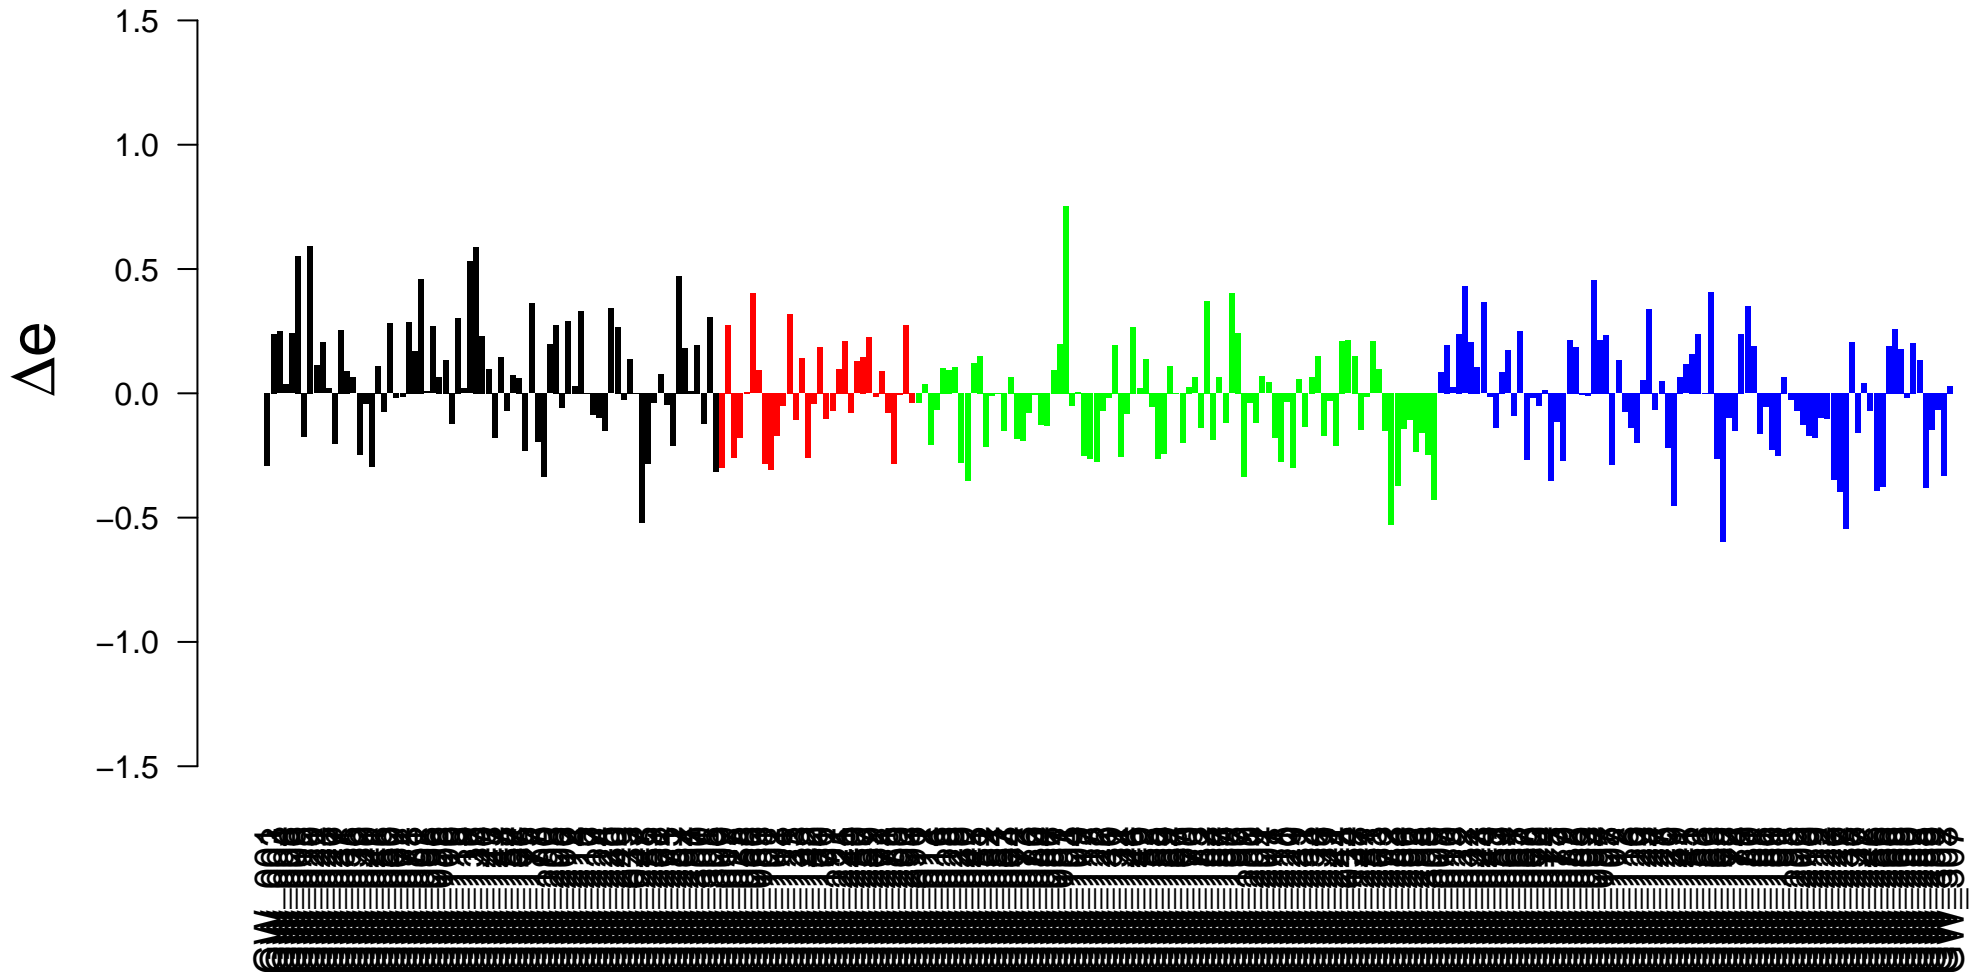

Expression of polypeptide N-acetylgalactosaminyltransferase activity in Spot H

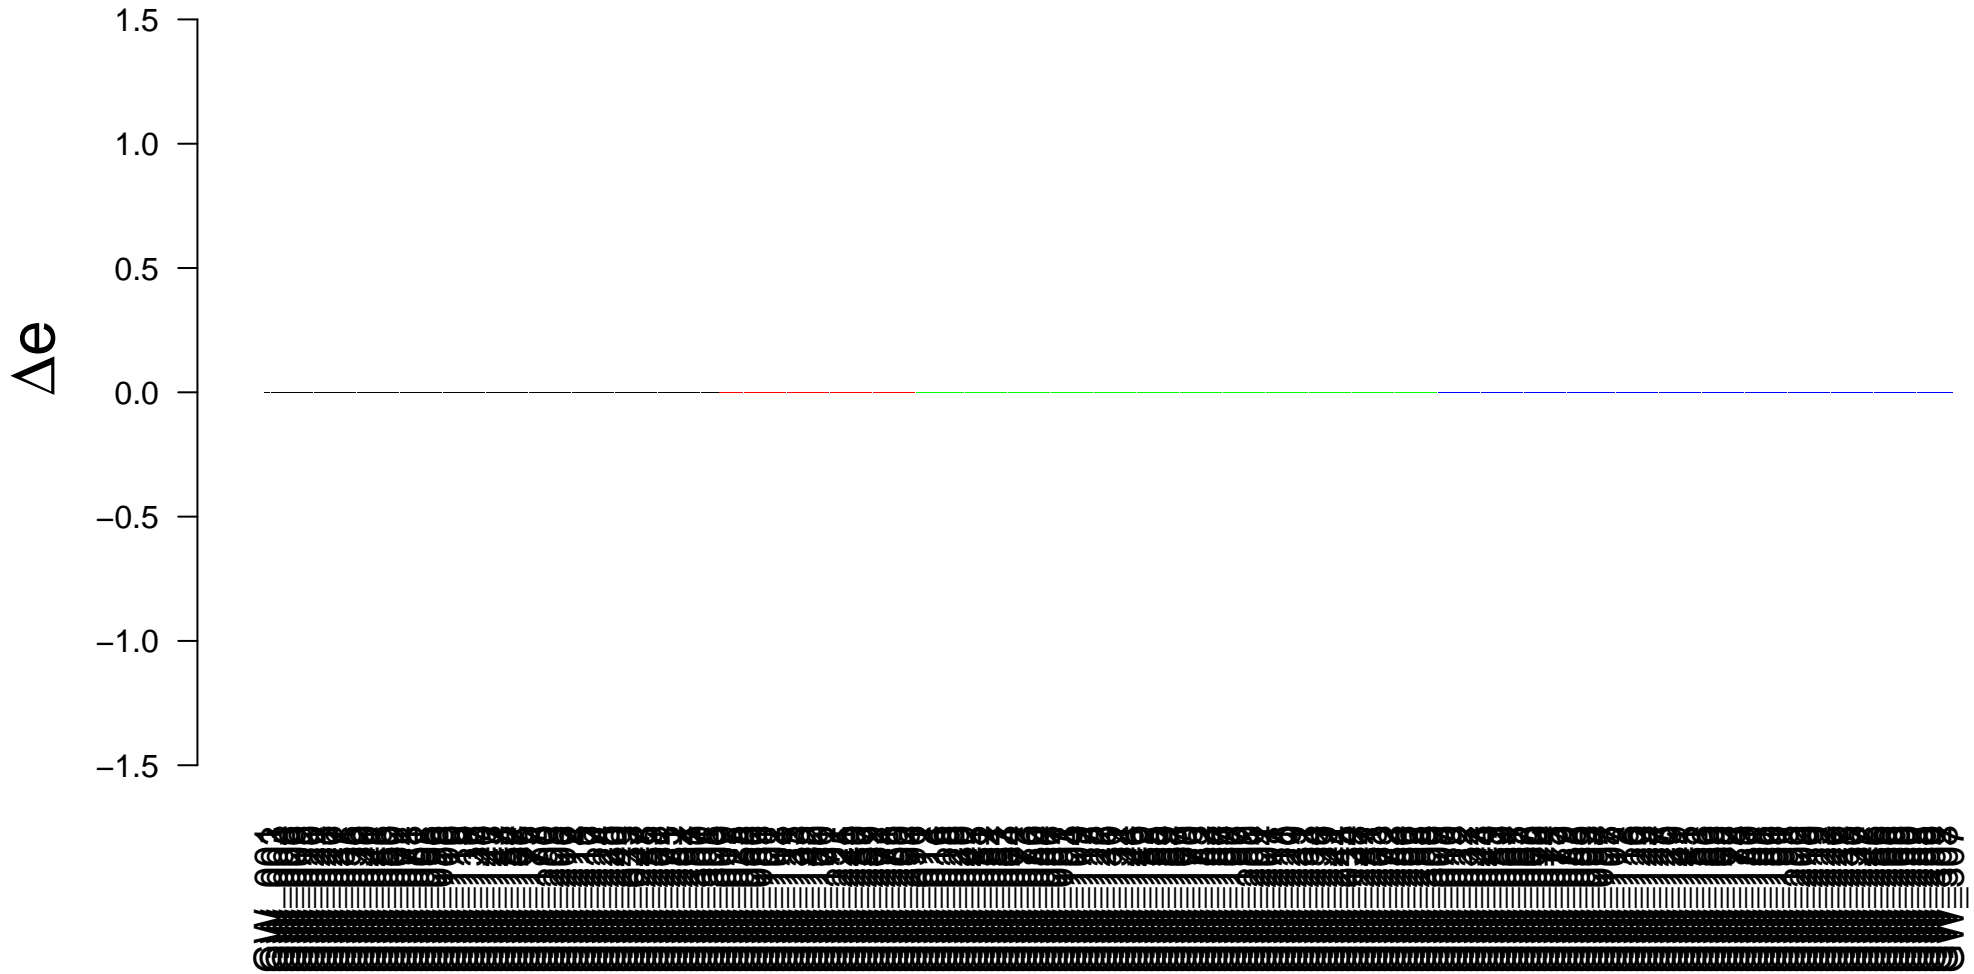

Expression of polypeptide N-acetylgalactosaminyltransferase activity in Spot I

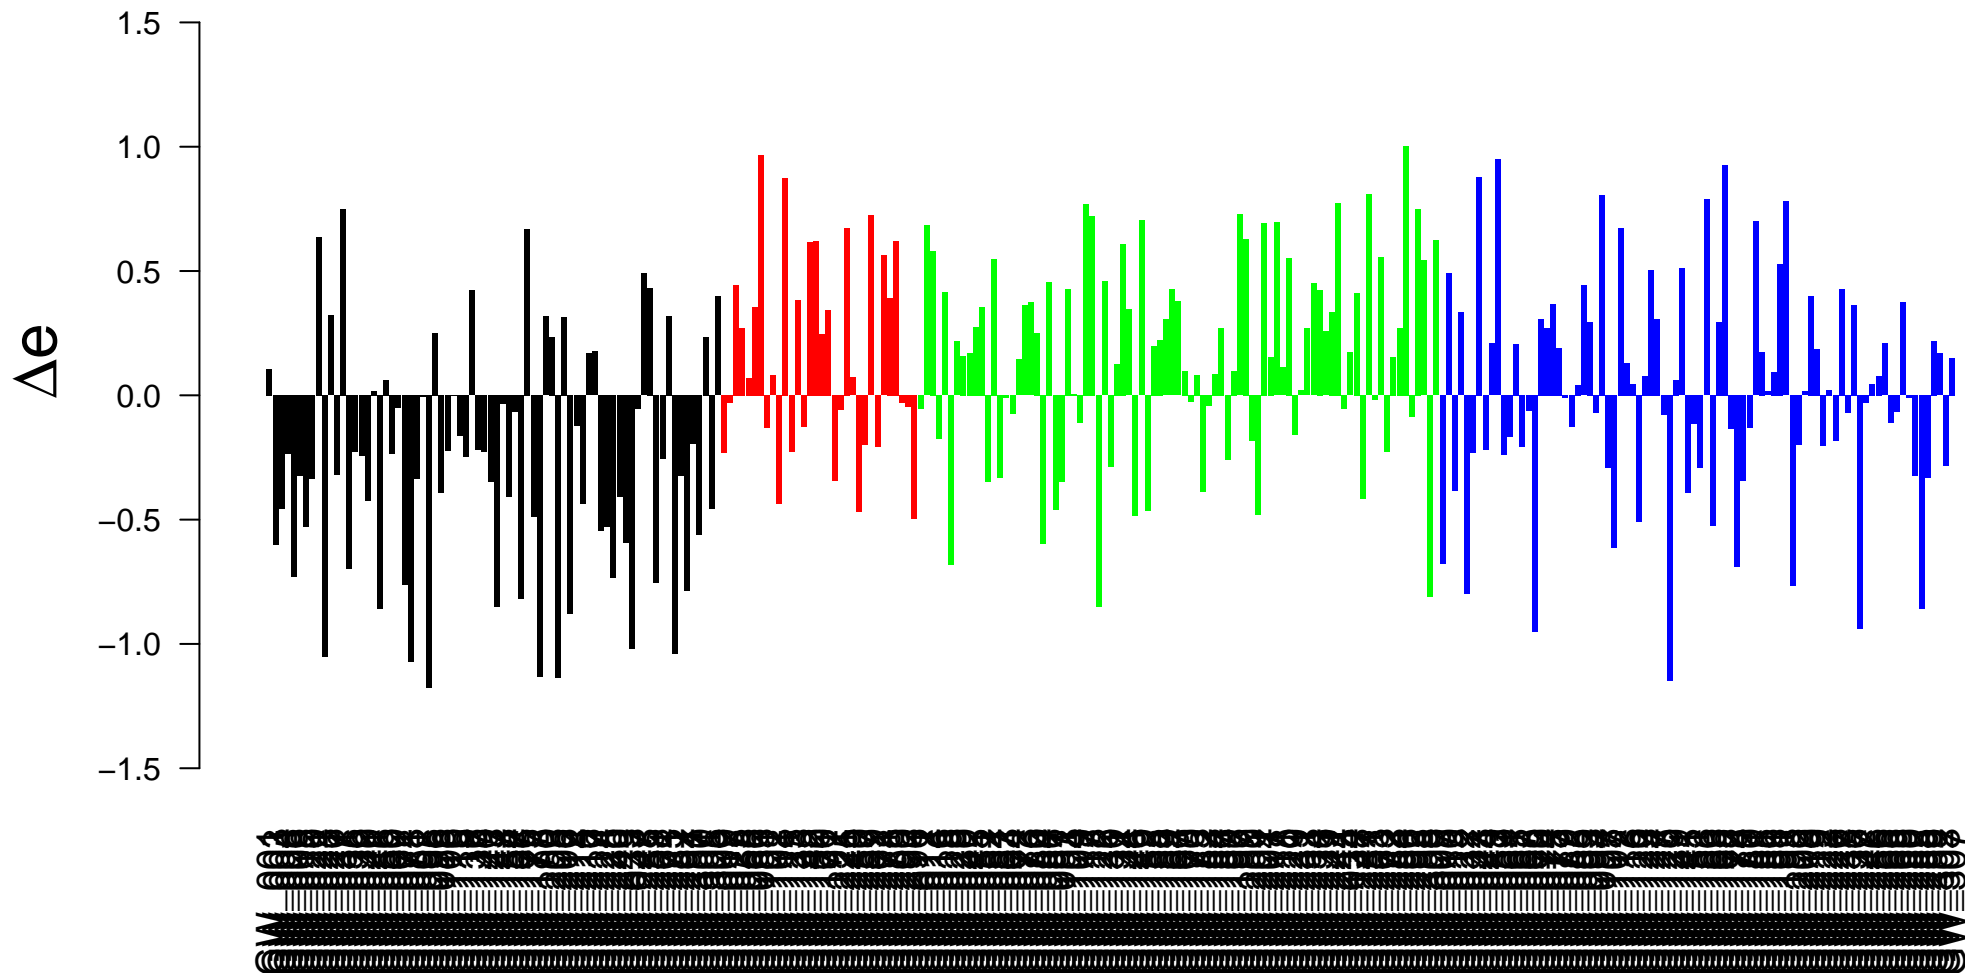

Expression of polypeptide N-acetylgalactosaminyltransferase activity in Spot J

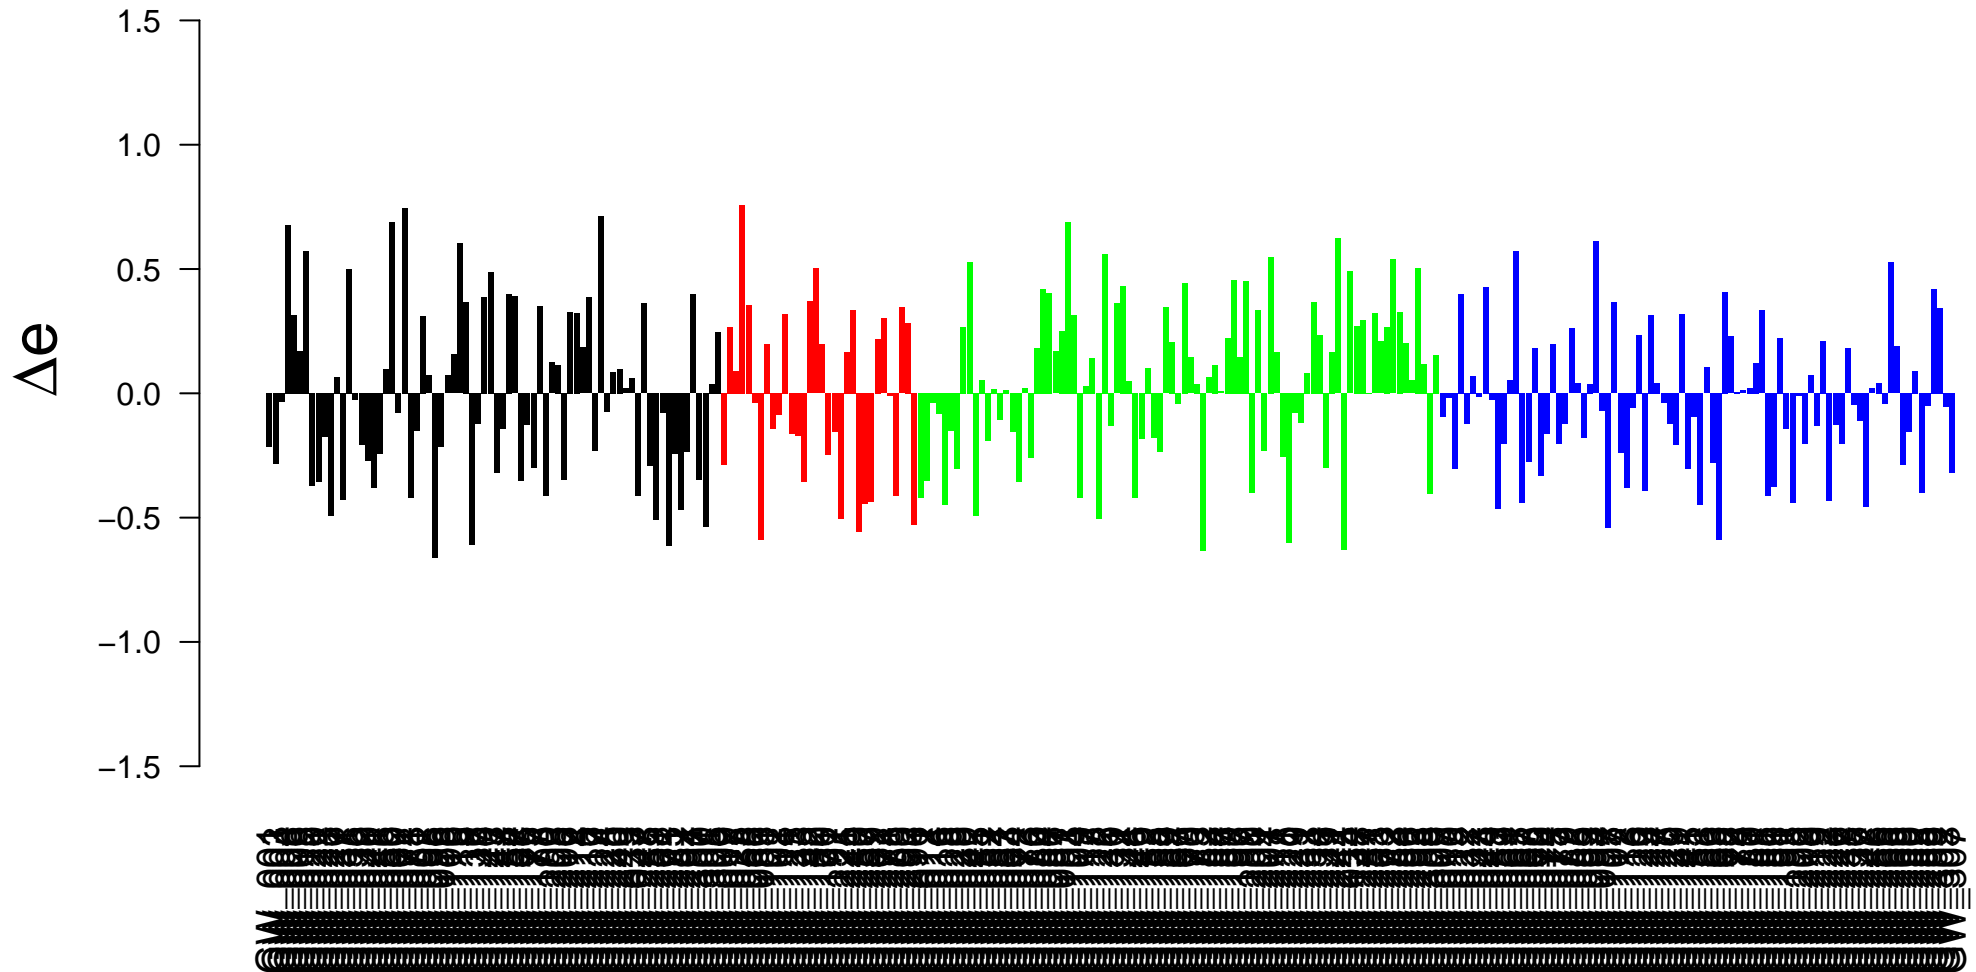

Expression of polypeptide N-acetylgalactosaminyltransferase activity in Spot K

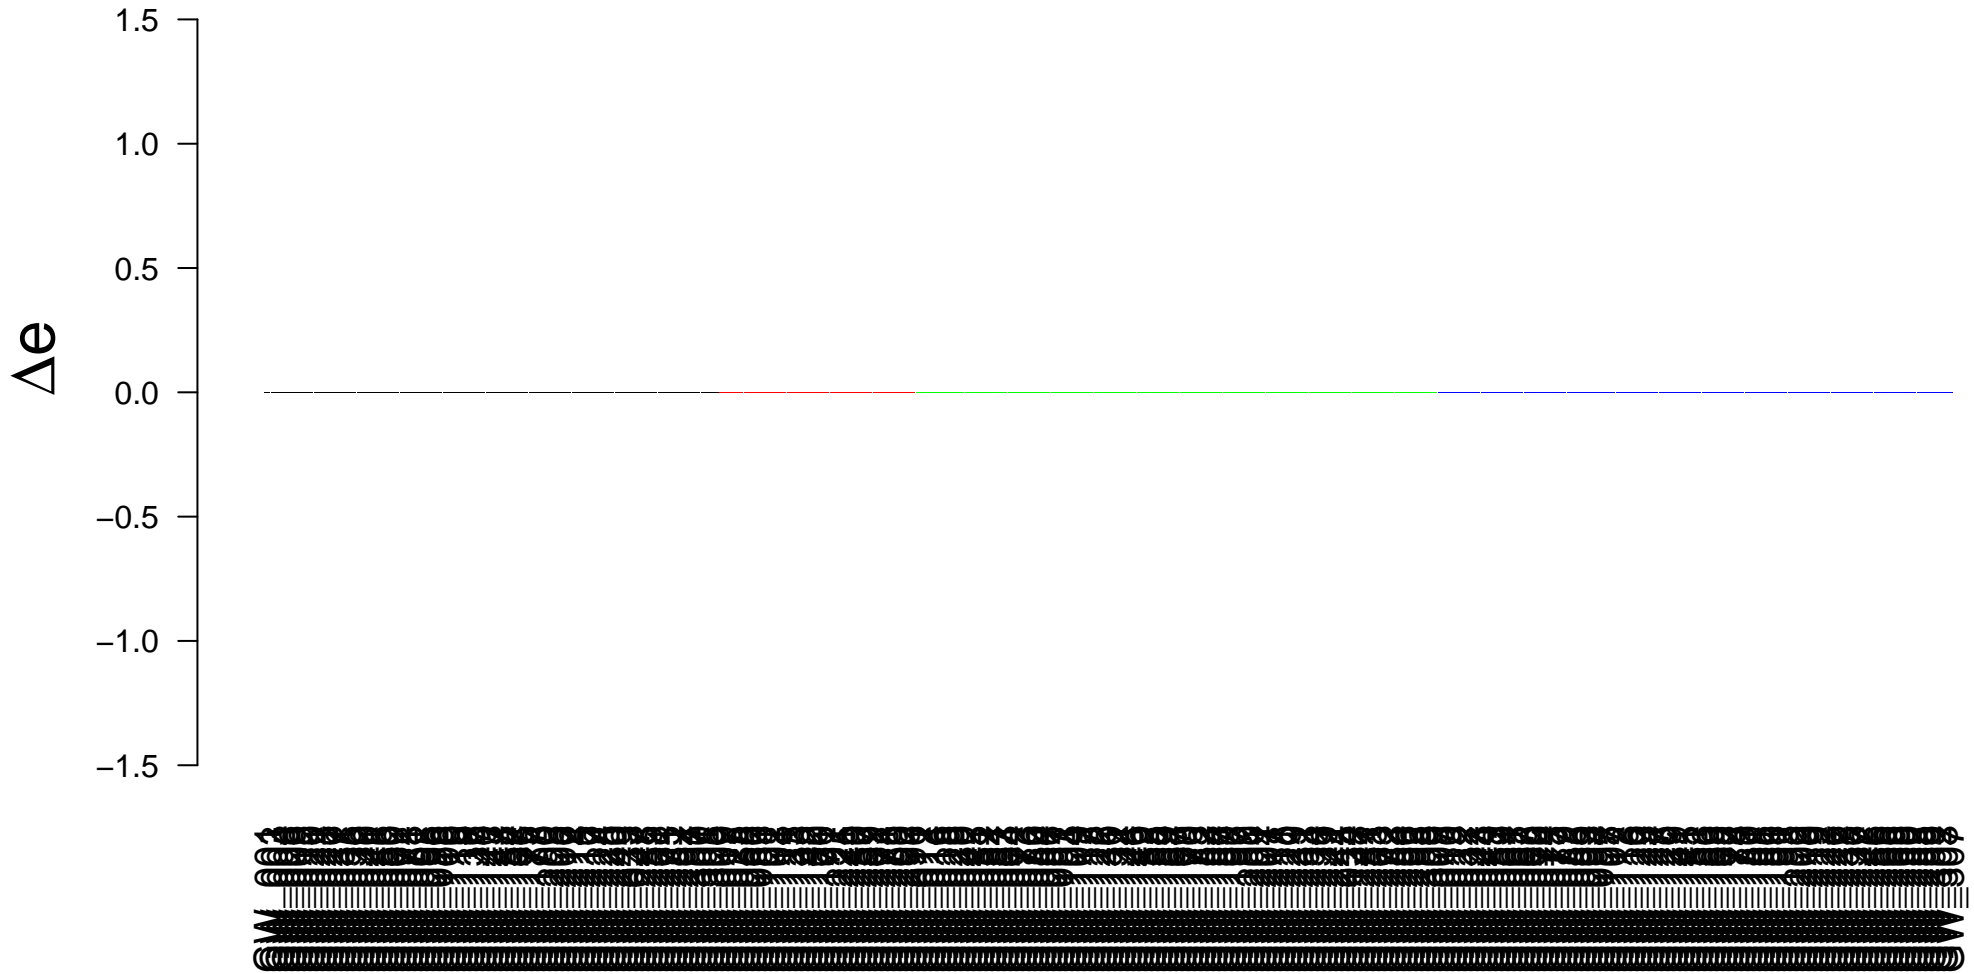

Expression of polypeptide N-acetylgalactosaminyltransferase activity in Spot L

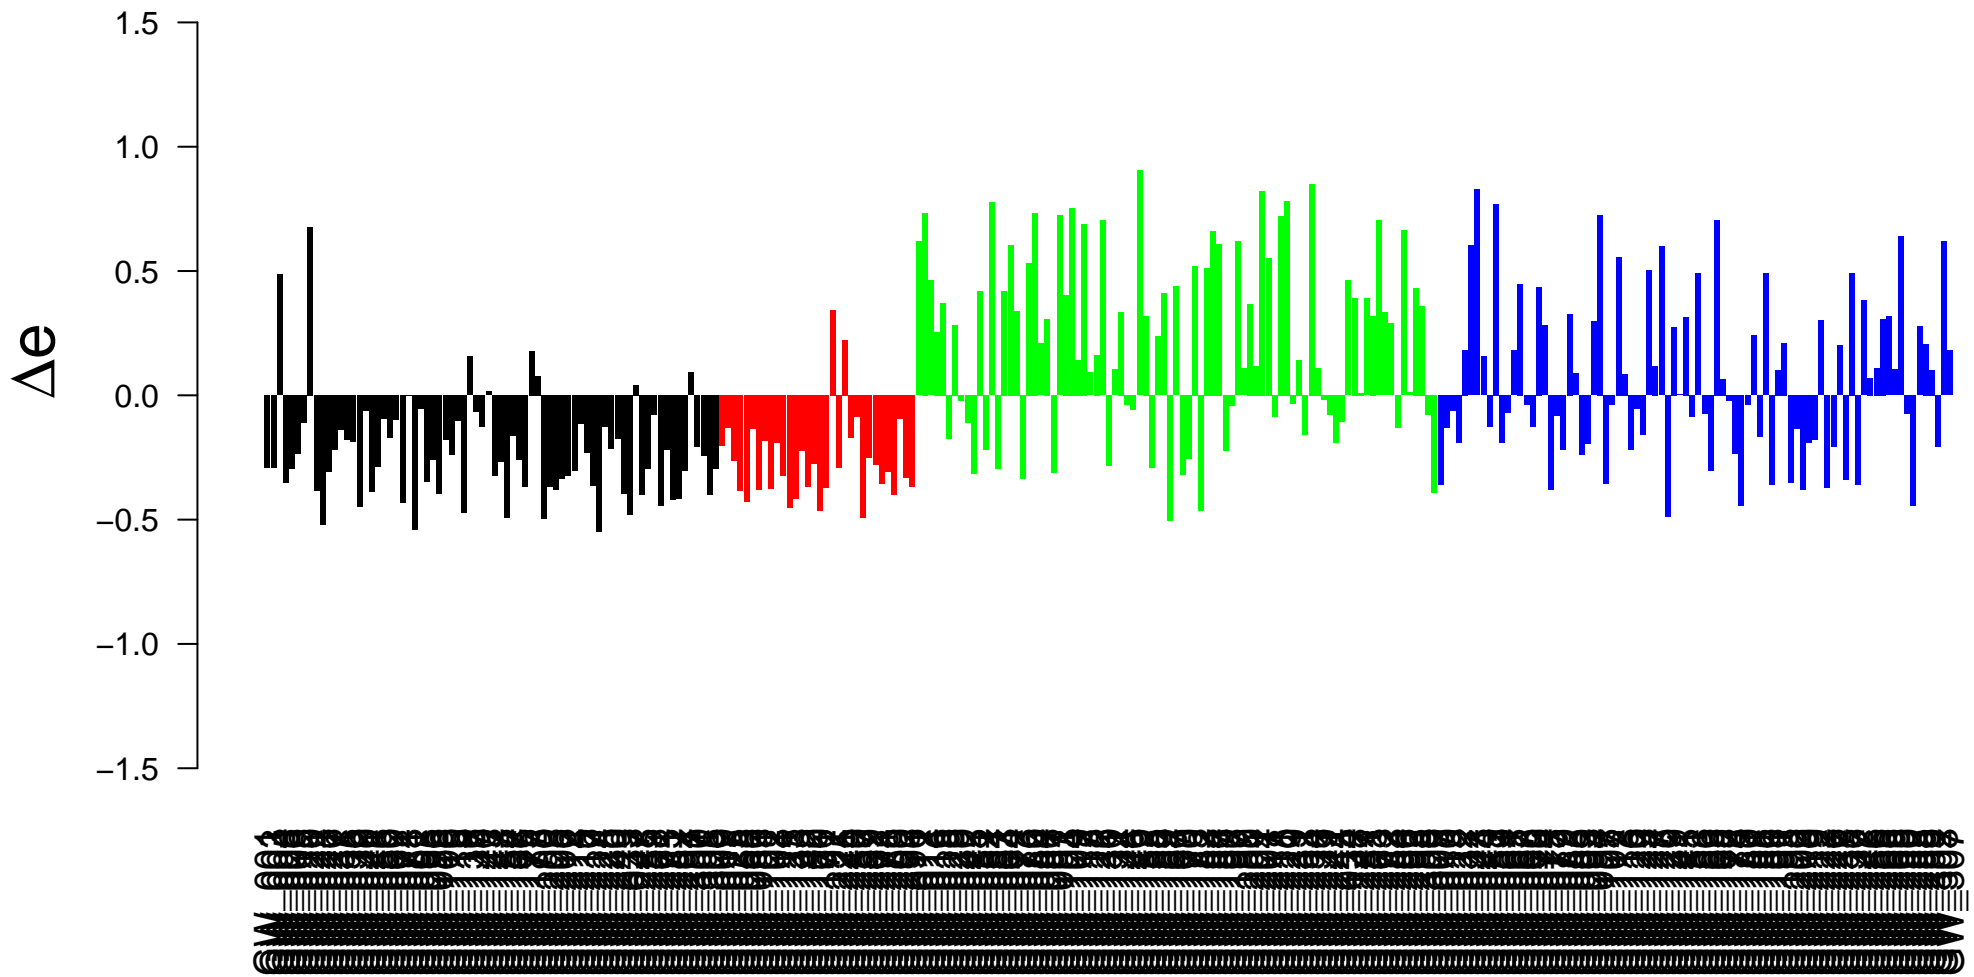

Expression of polypeptide N-acetylgalactosaminyltransferase activity in Spot M

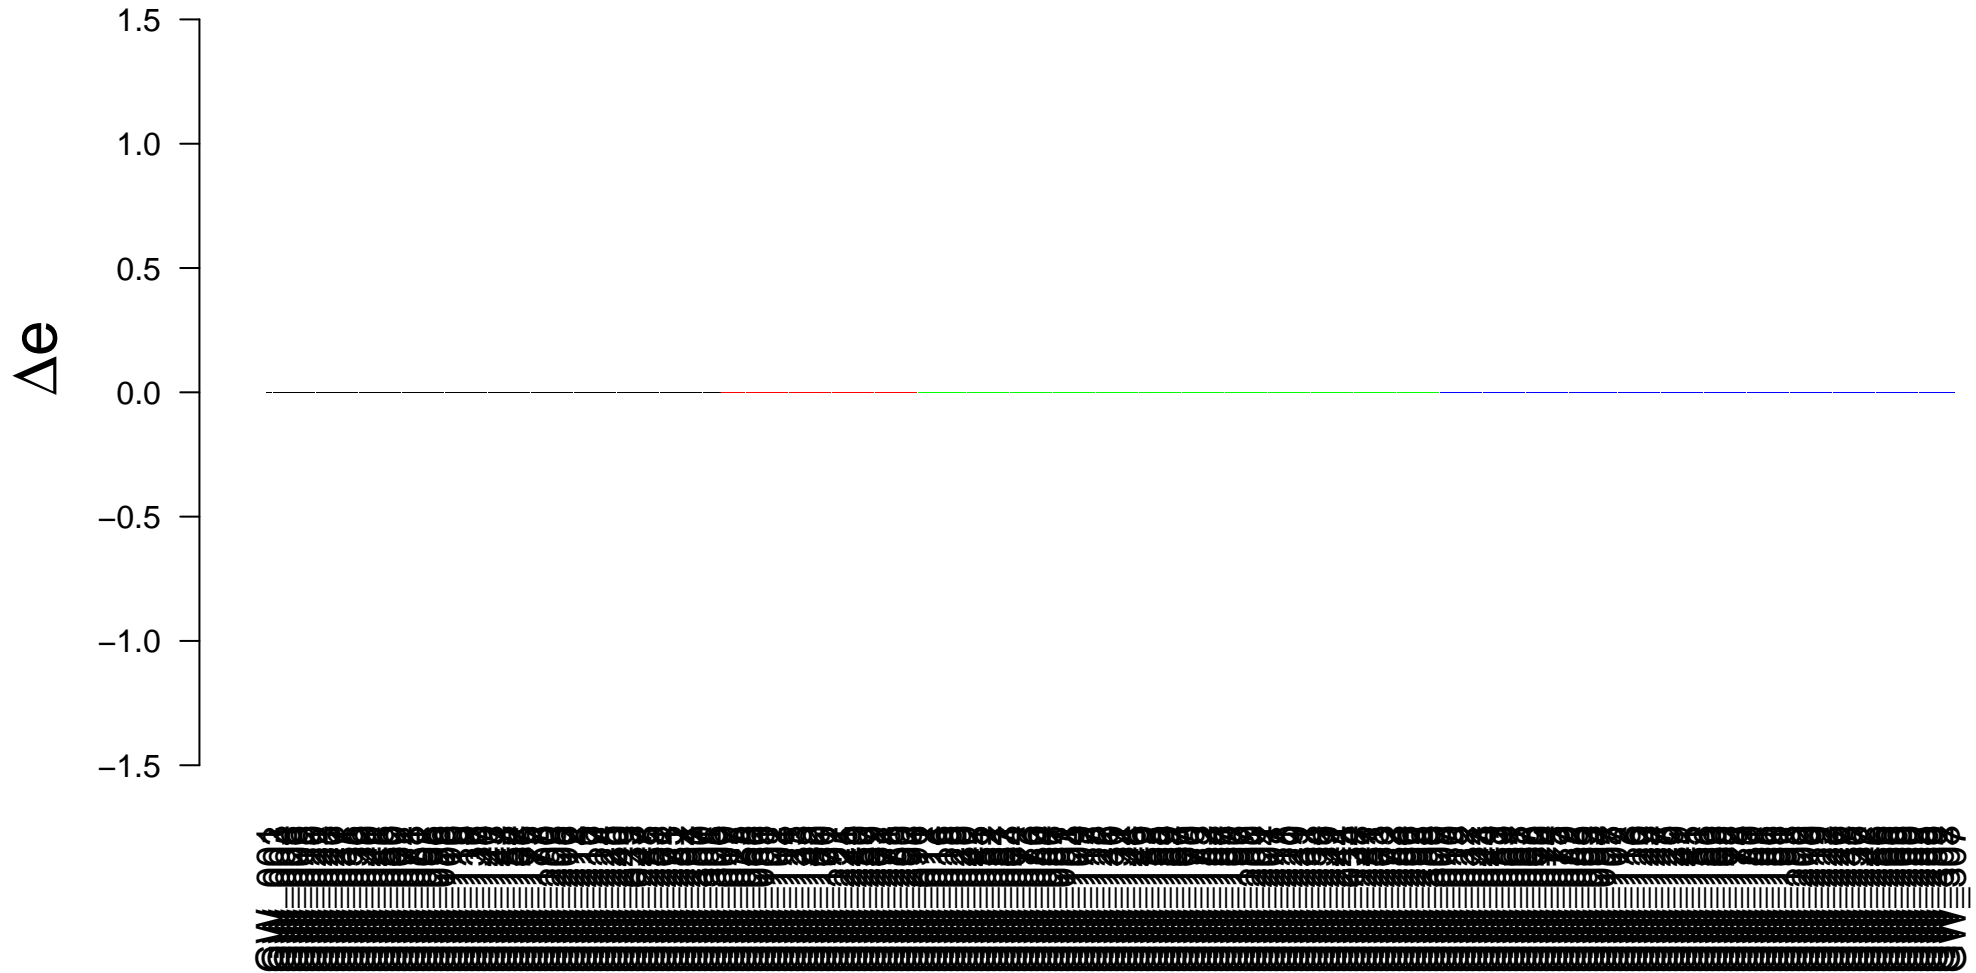

Expression of polypeptide N-acetylgalactosaminyltransferase activity in Spot N

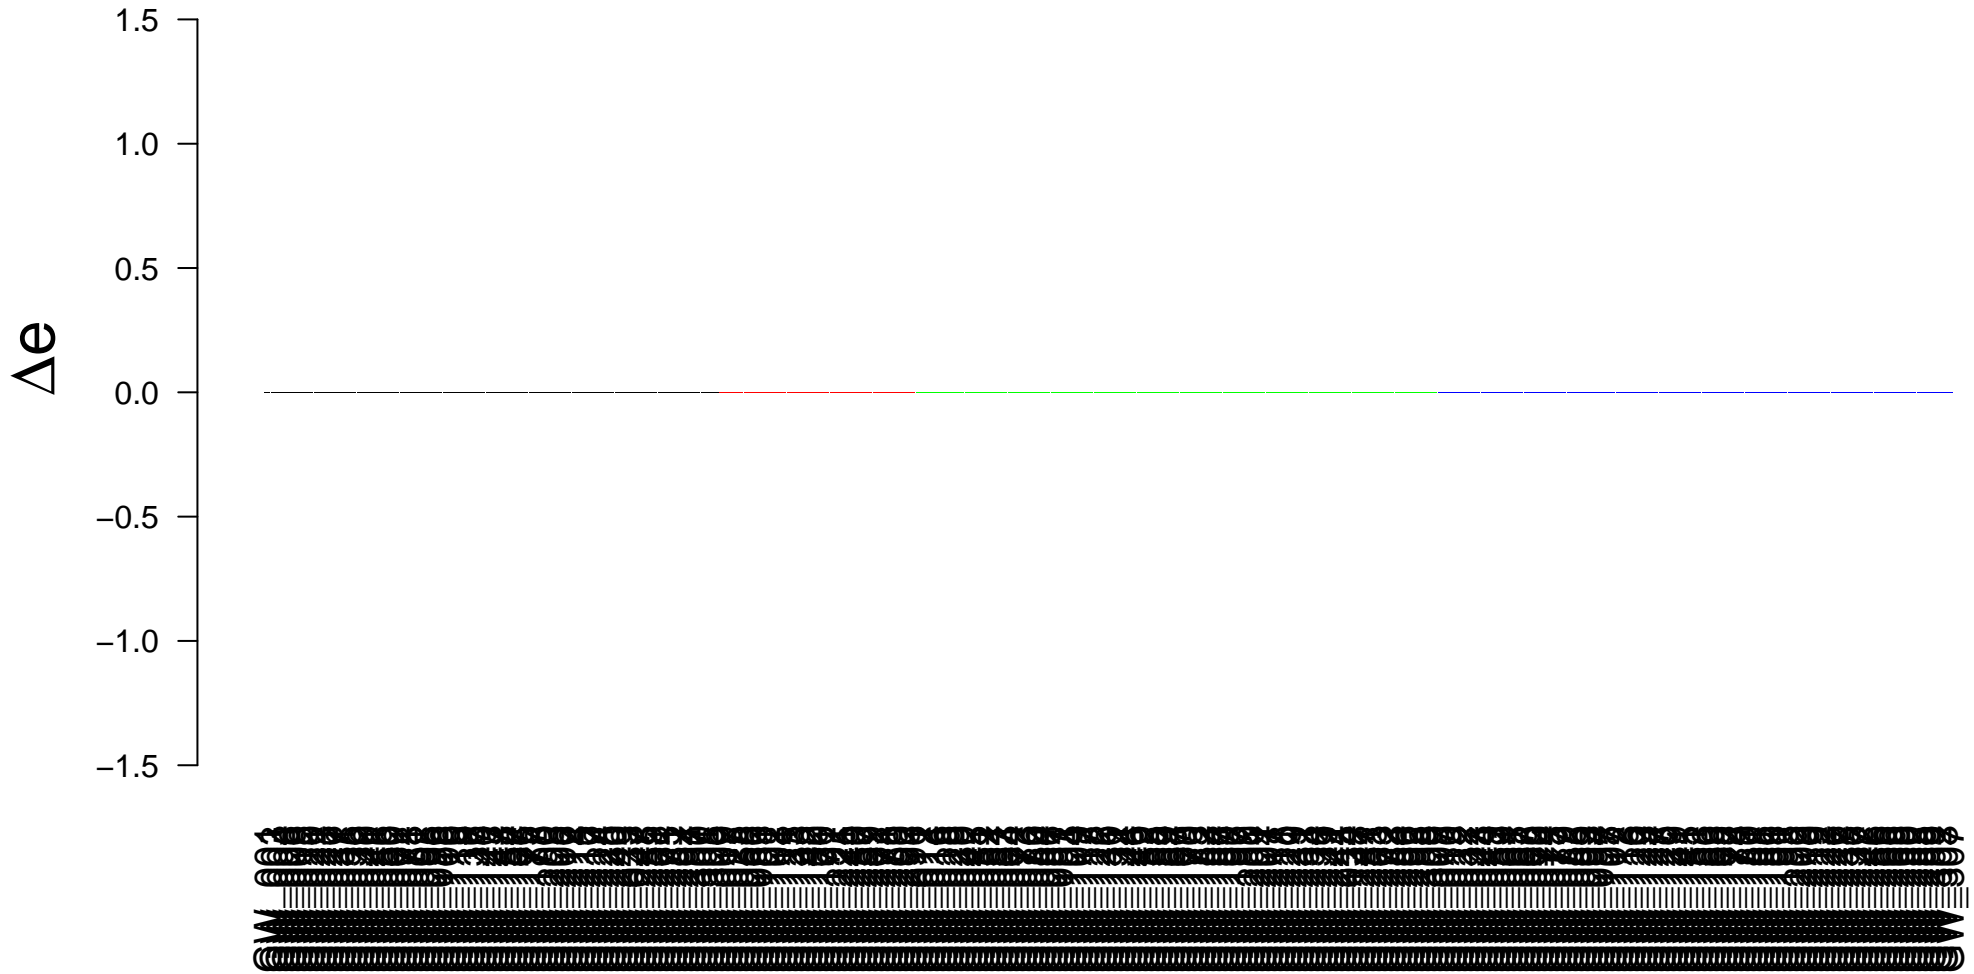

Expression of polypeptide N-acetylgalactosaminyltransferase activity in Spot O

Expression of polypeptide N-acetylgalactosaminyltransferase activity in Spot P

Expression of polypeptide N-acetylgalactosaminyltransferase activity in Spot Q

Expression of polypeptide N-acetylgalactosaminyltransferase activity in Spot R
