

polysaccharide binding

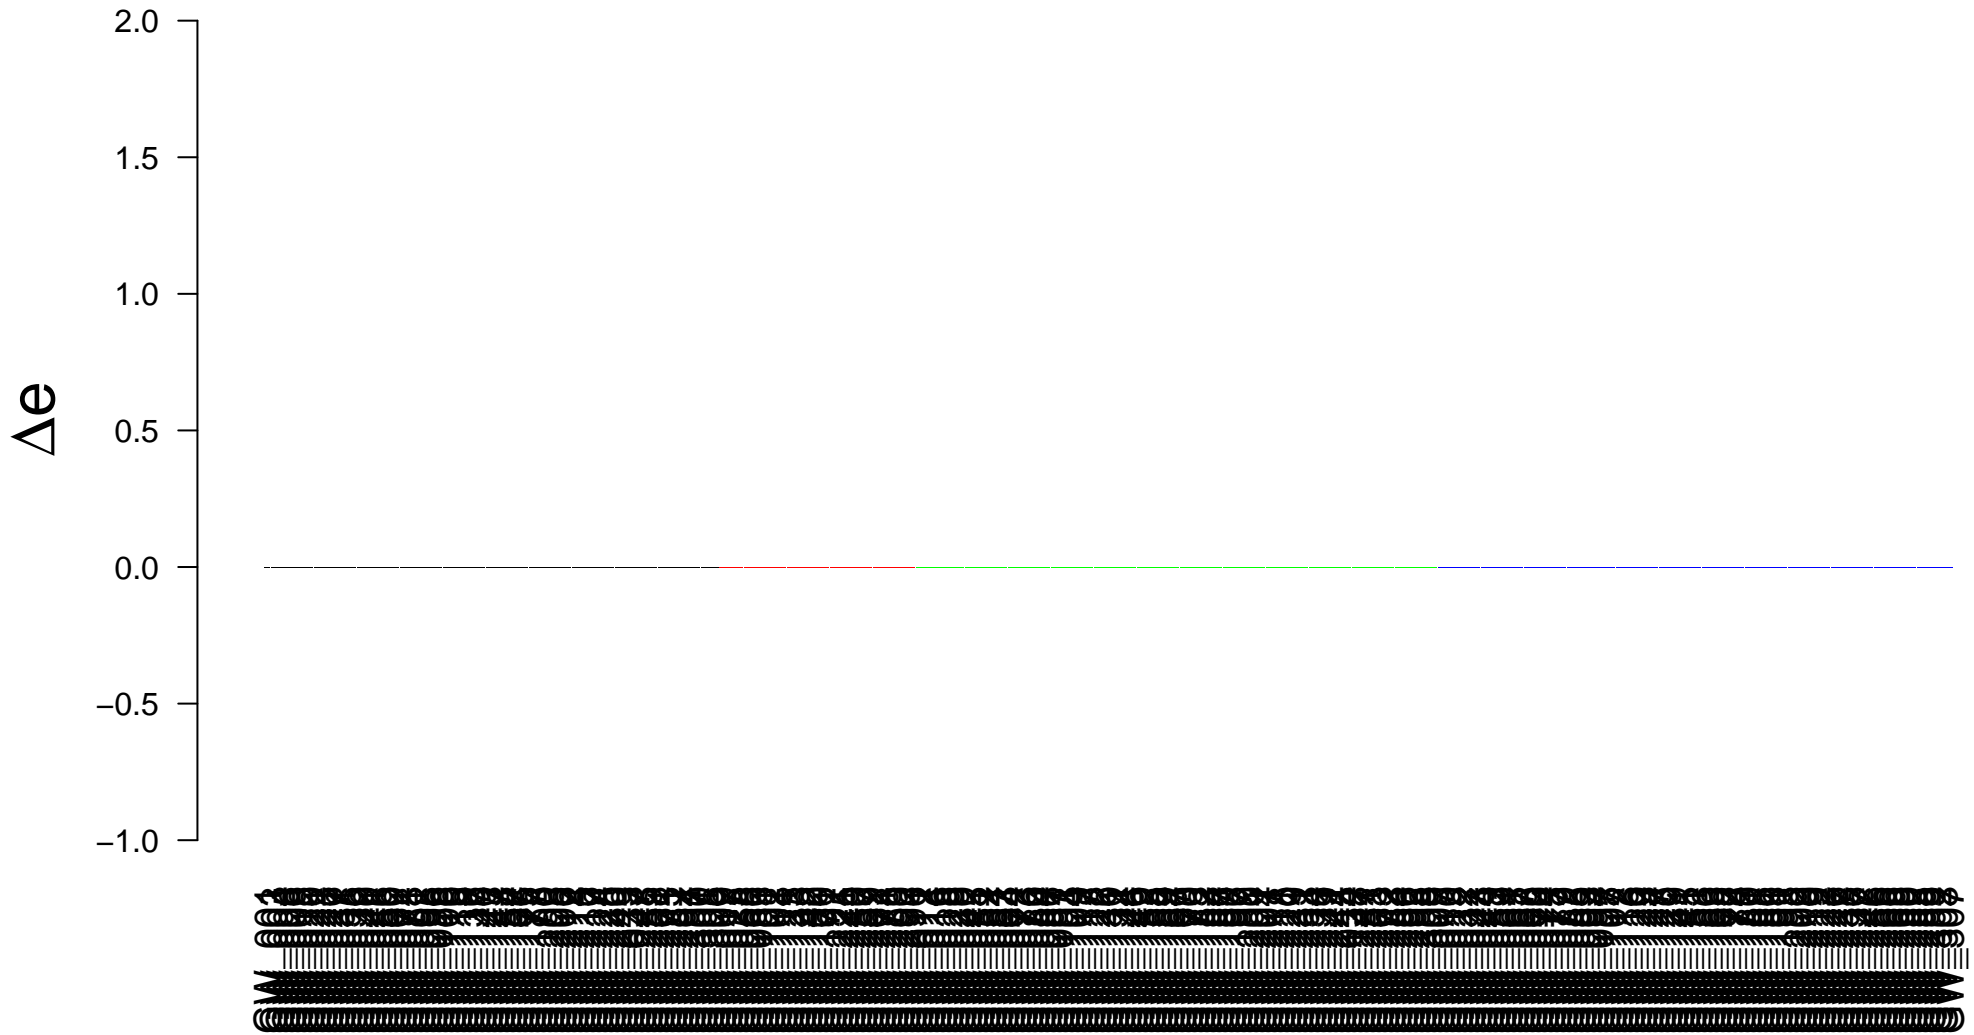

polysaccharide binding

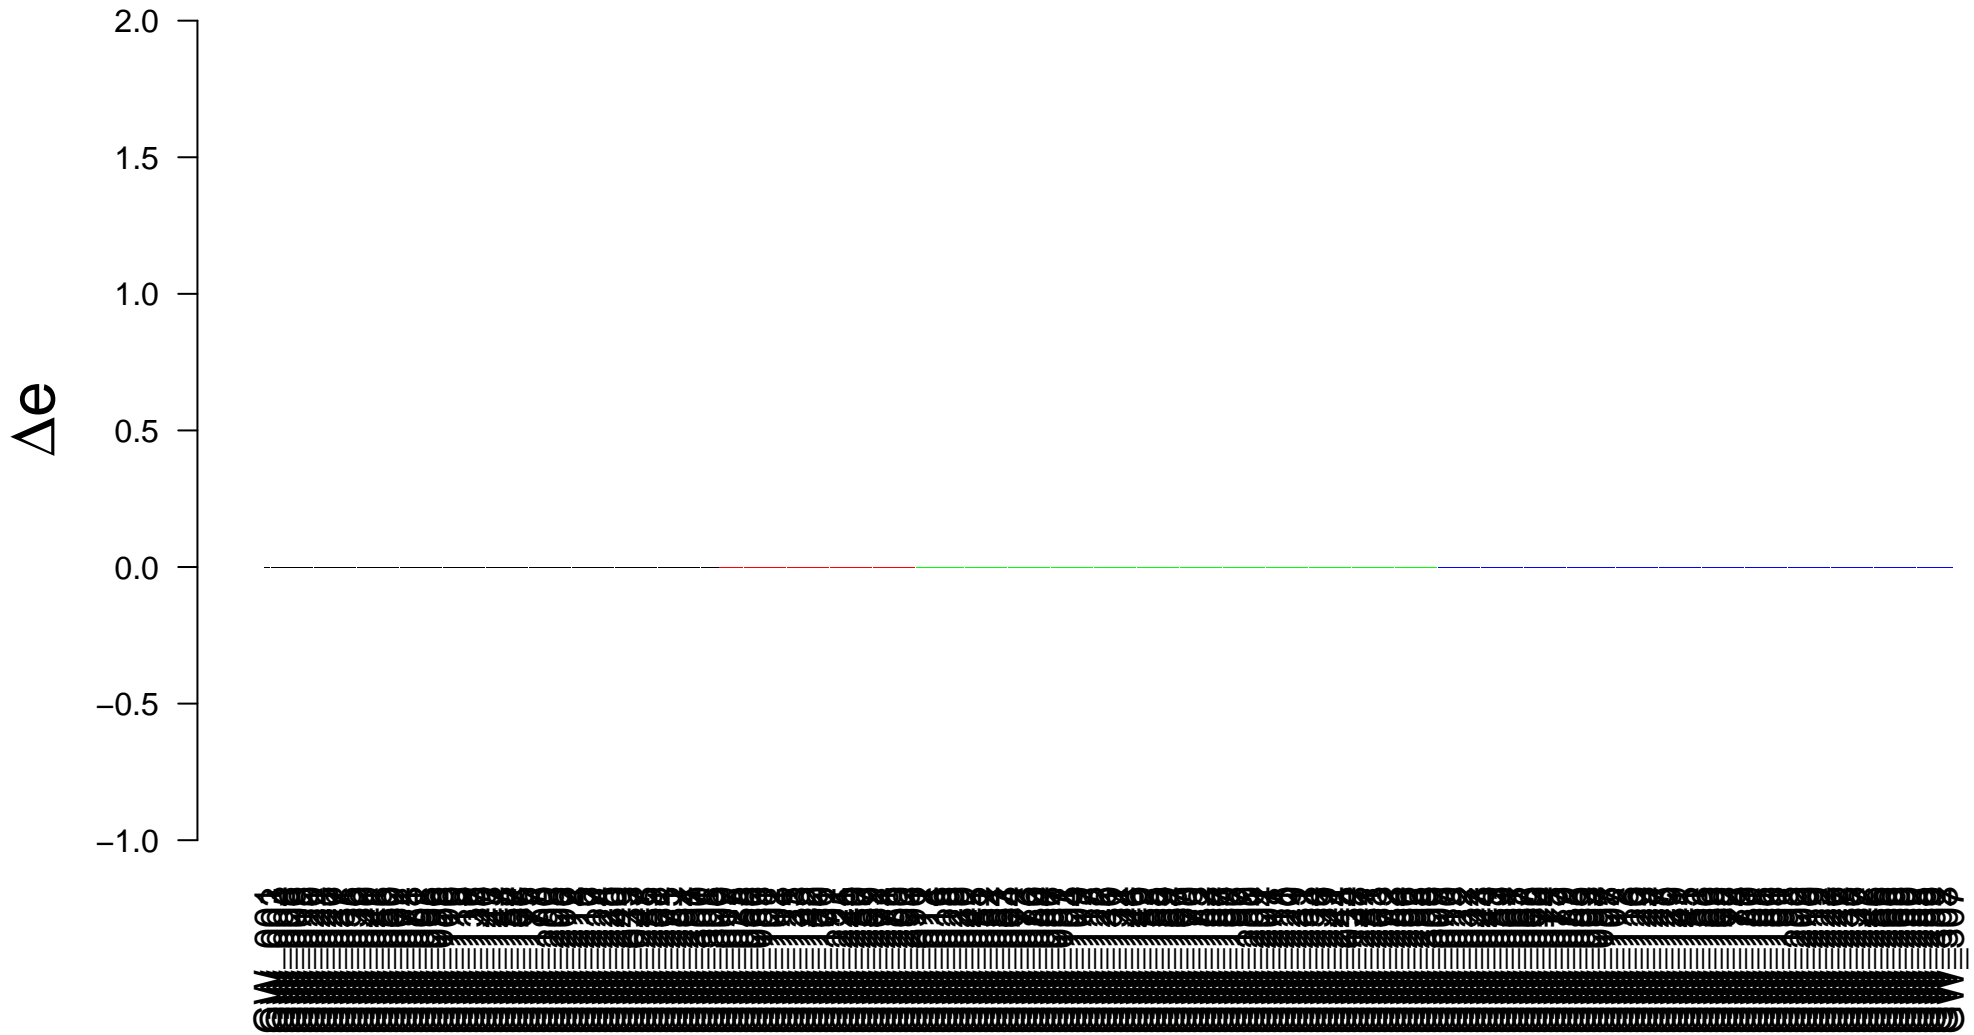

Enrichment in spots: polysaccharide binding

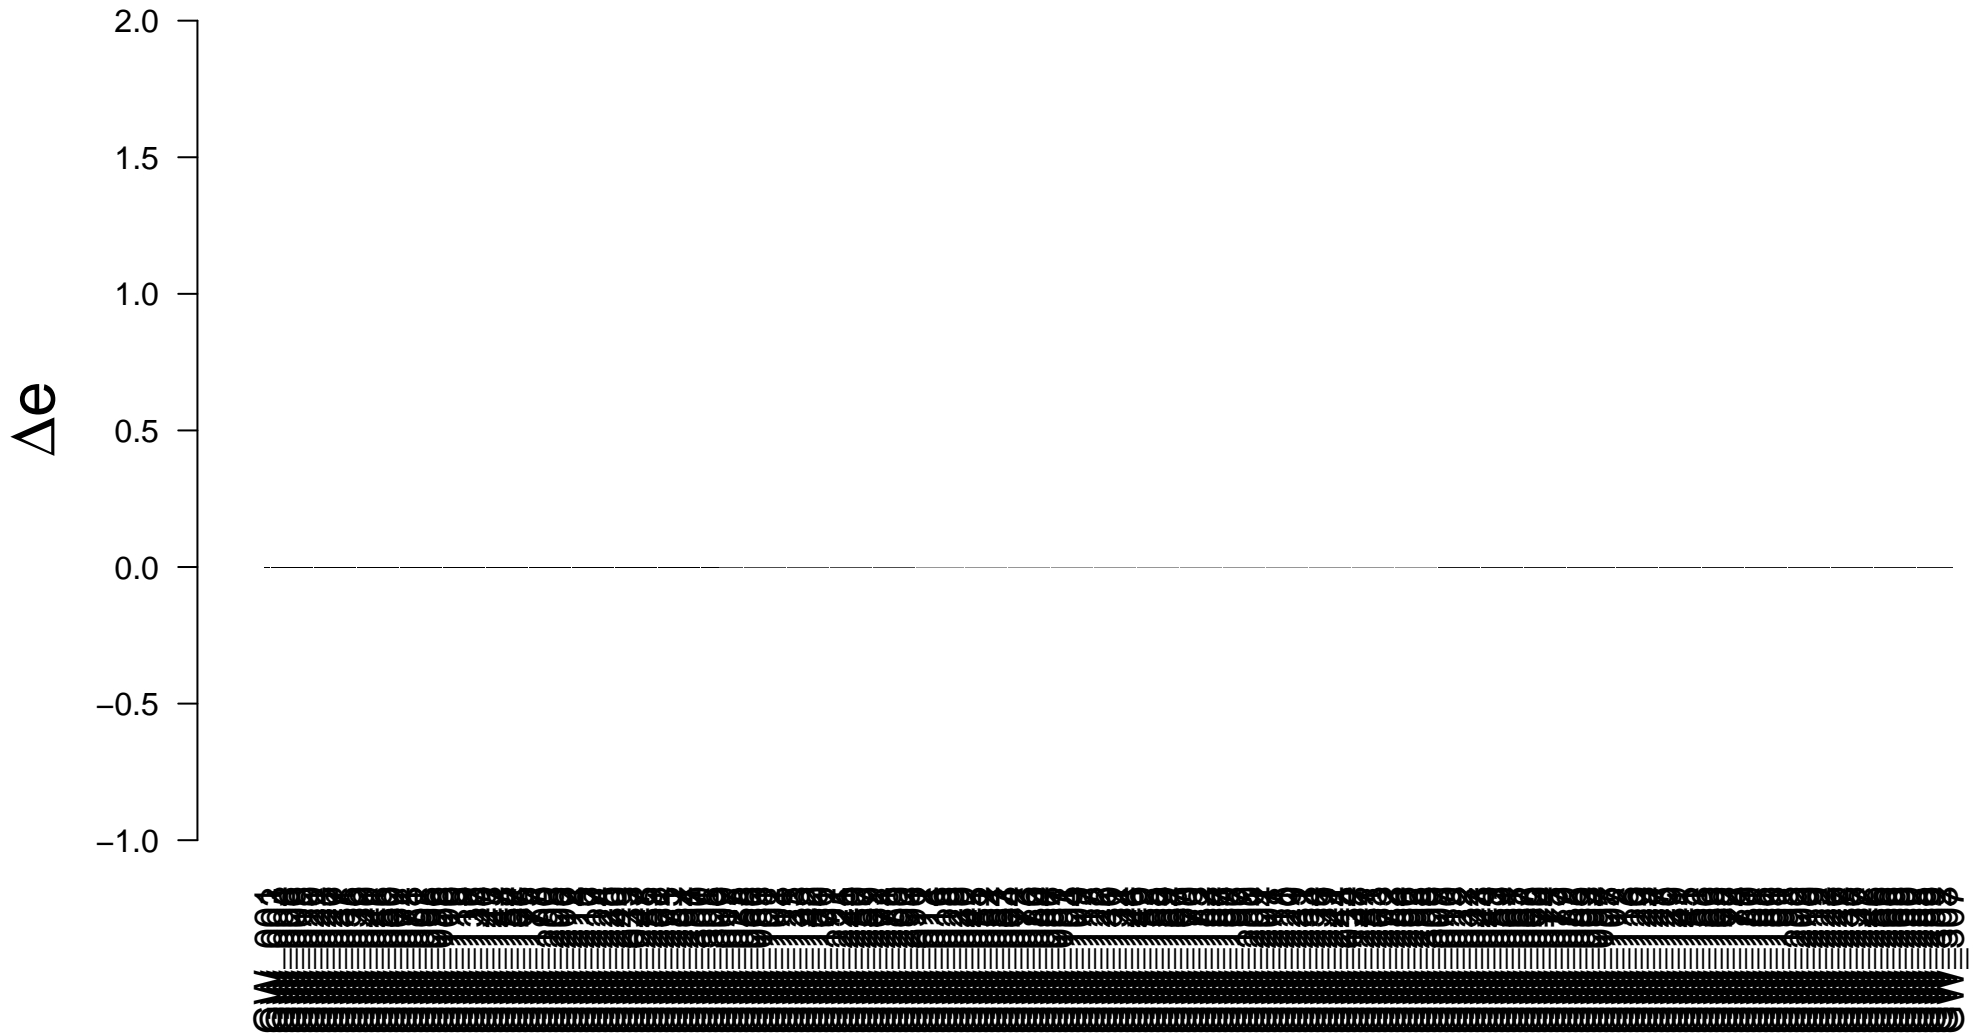

Expression of polysaccharide binding in Spot A

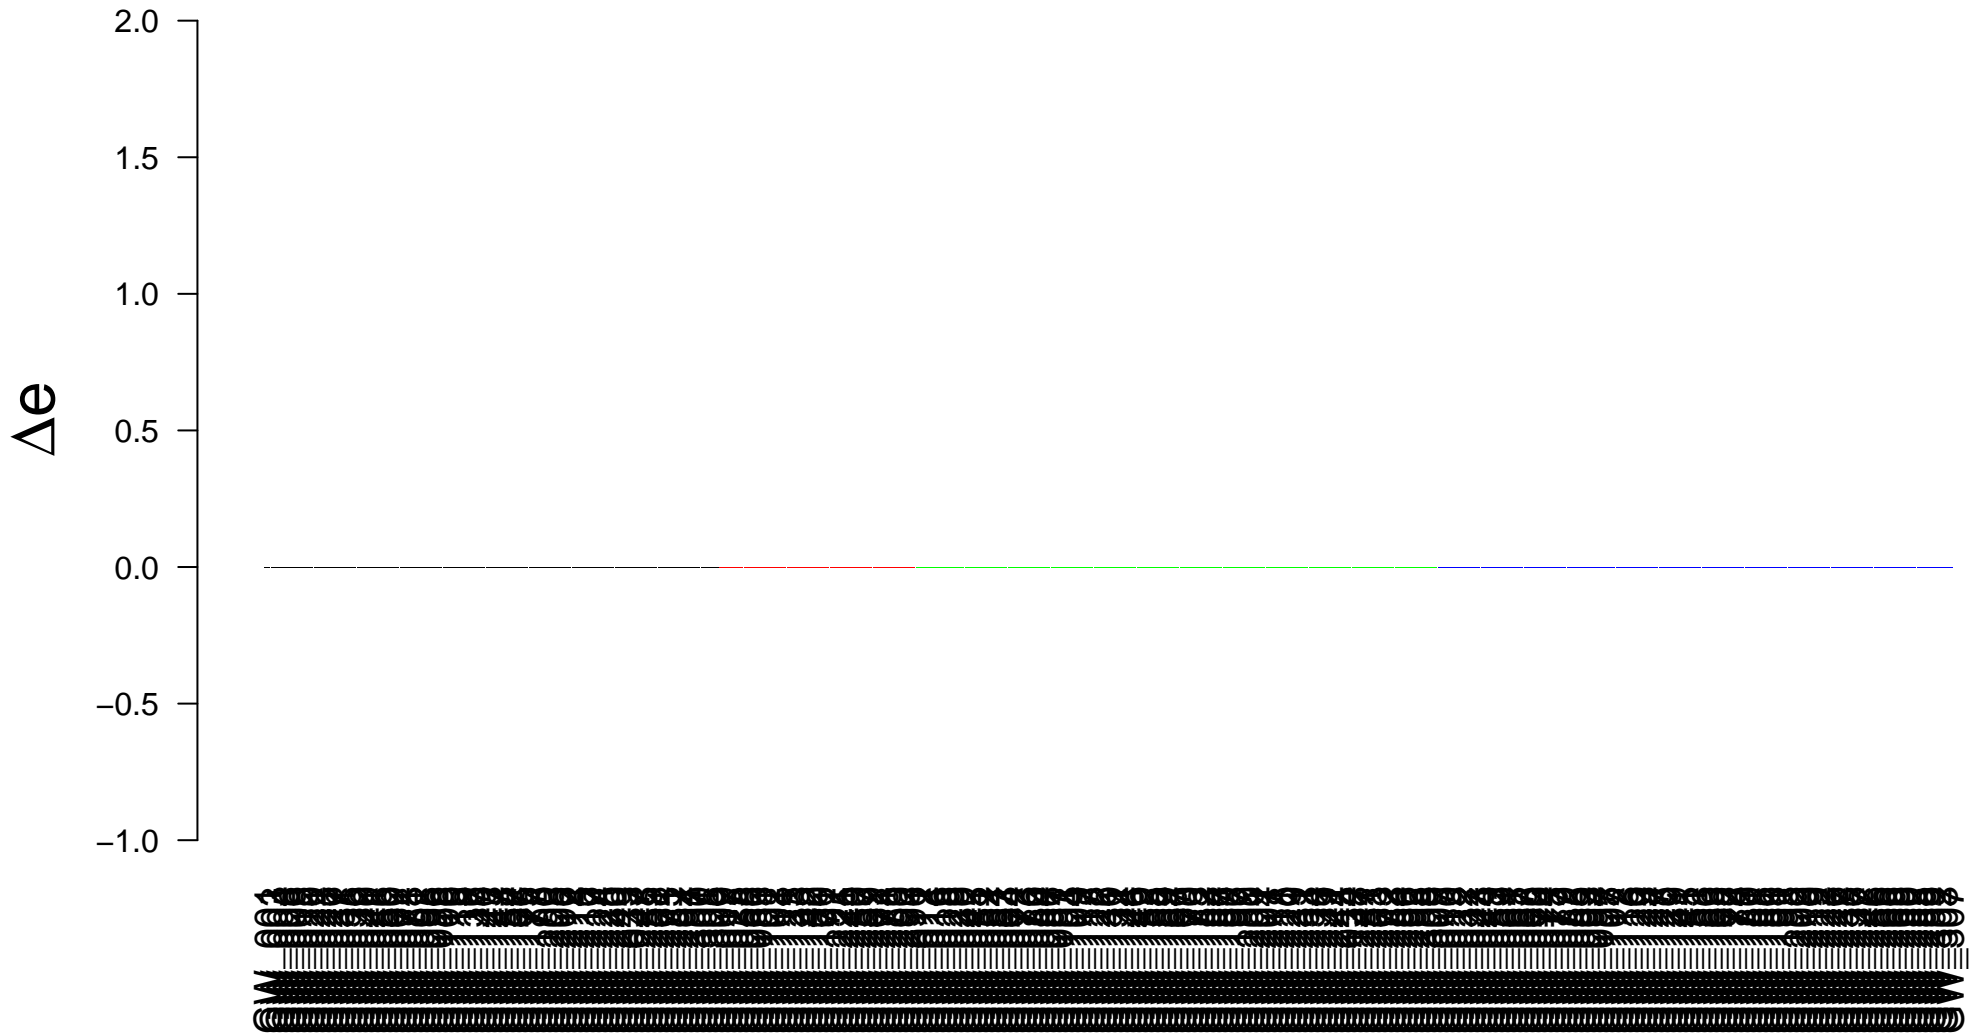

Expression of polysaccharide binding in Spot B

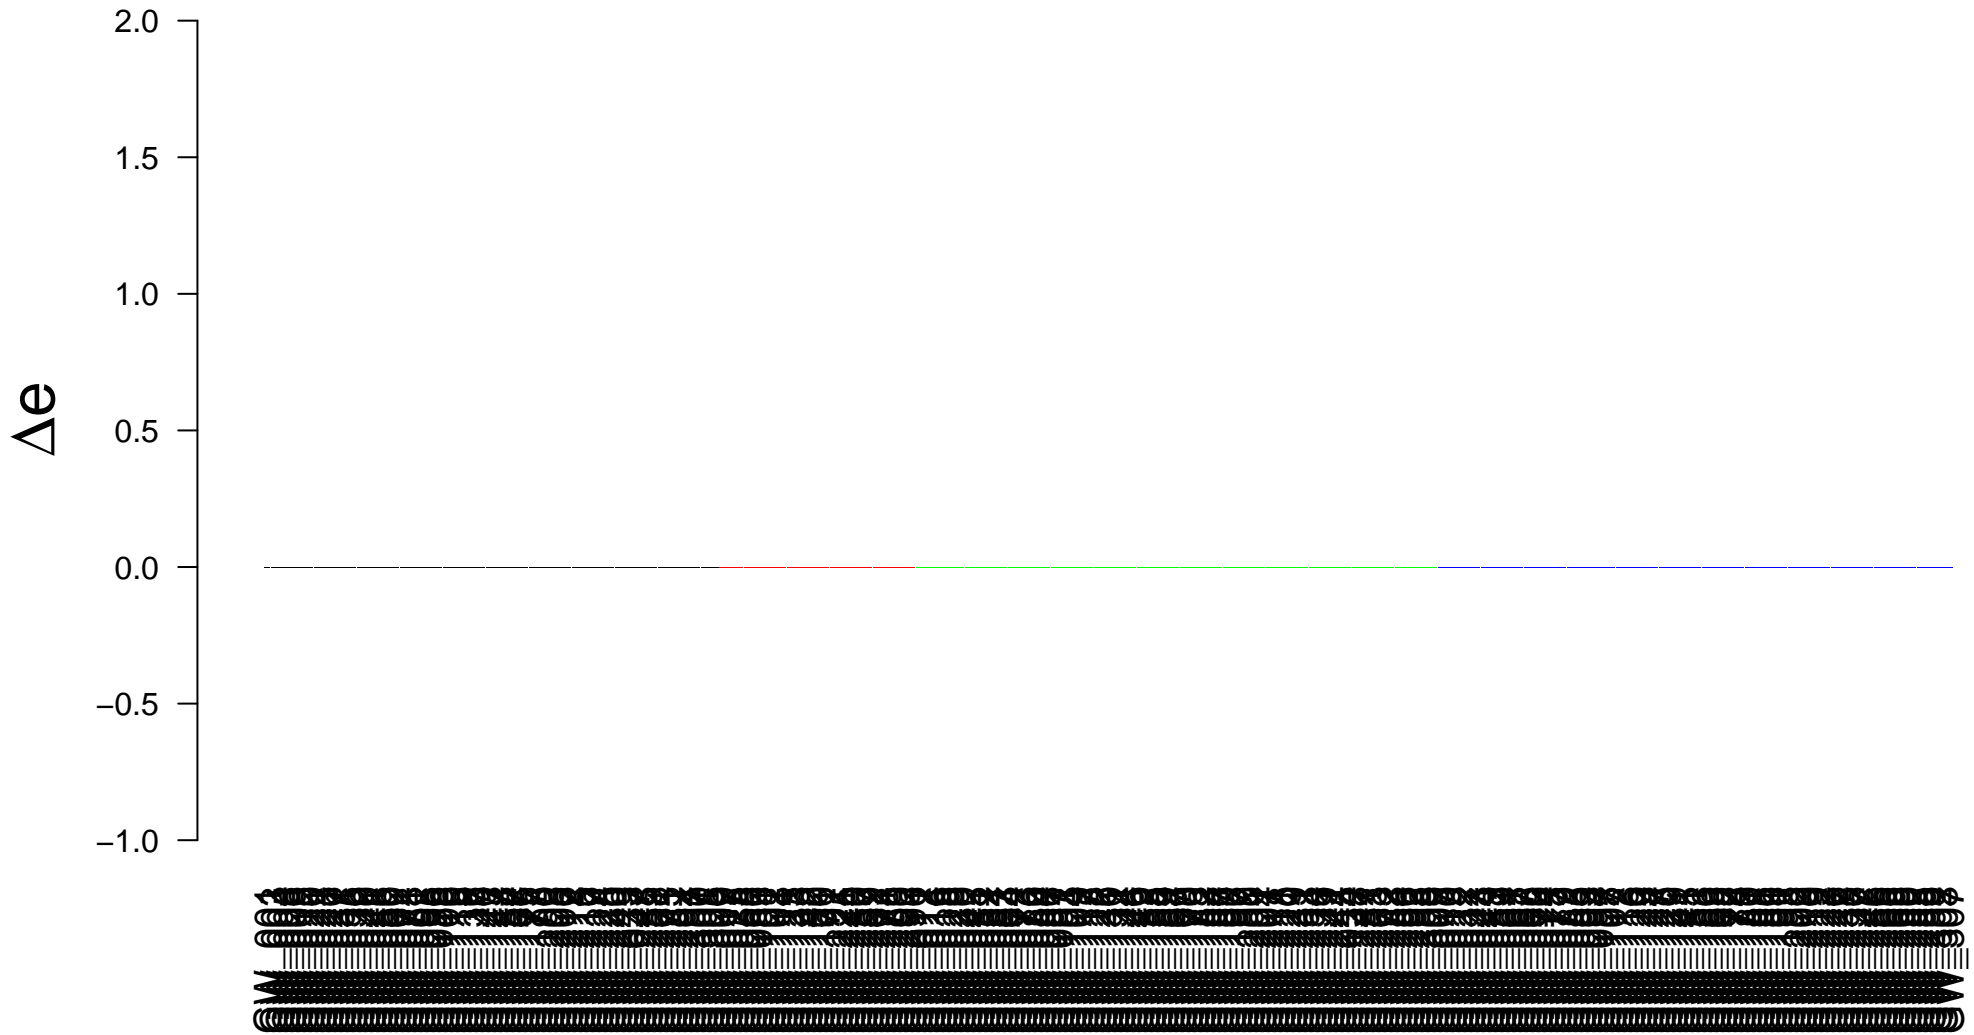

Expression of polysaccharide binding in Spot C

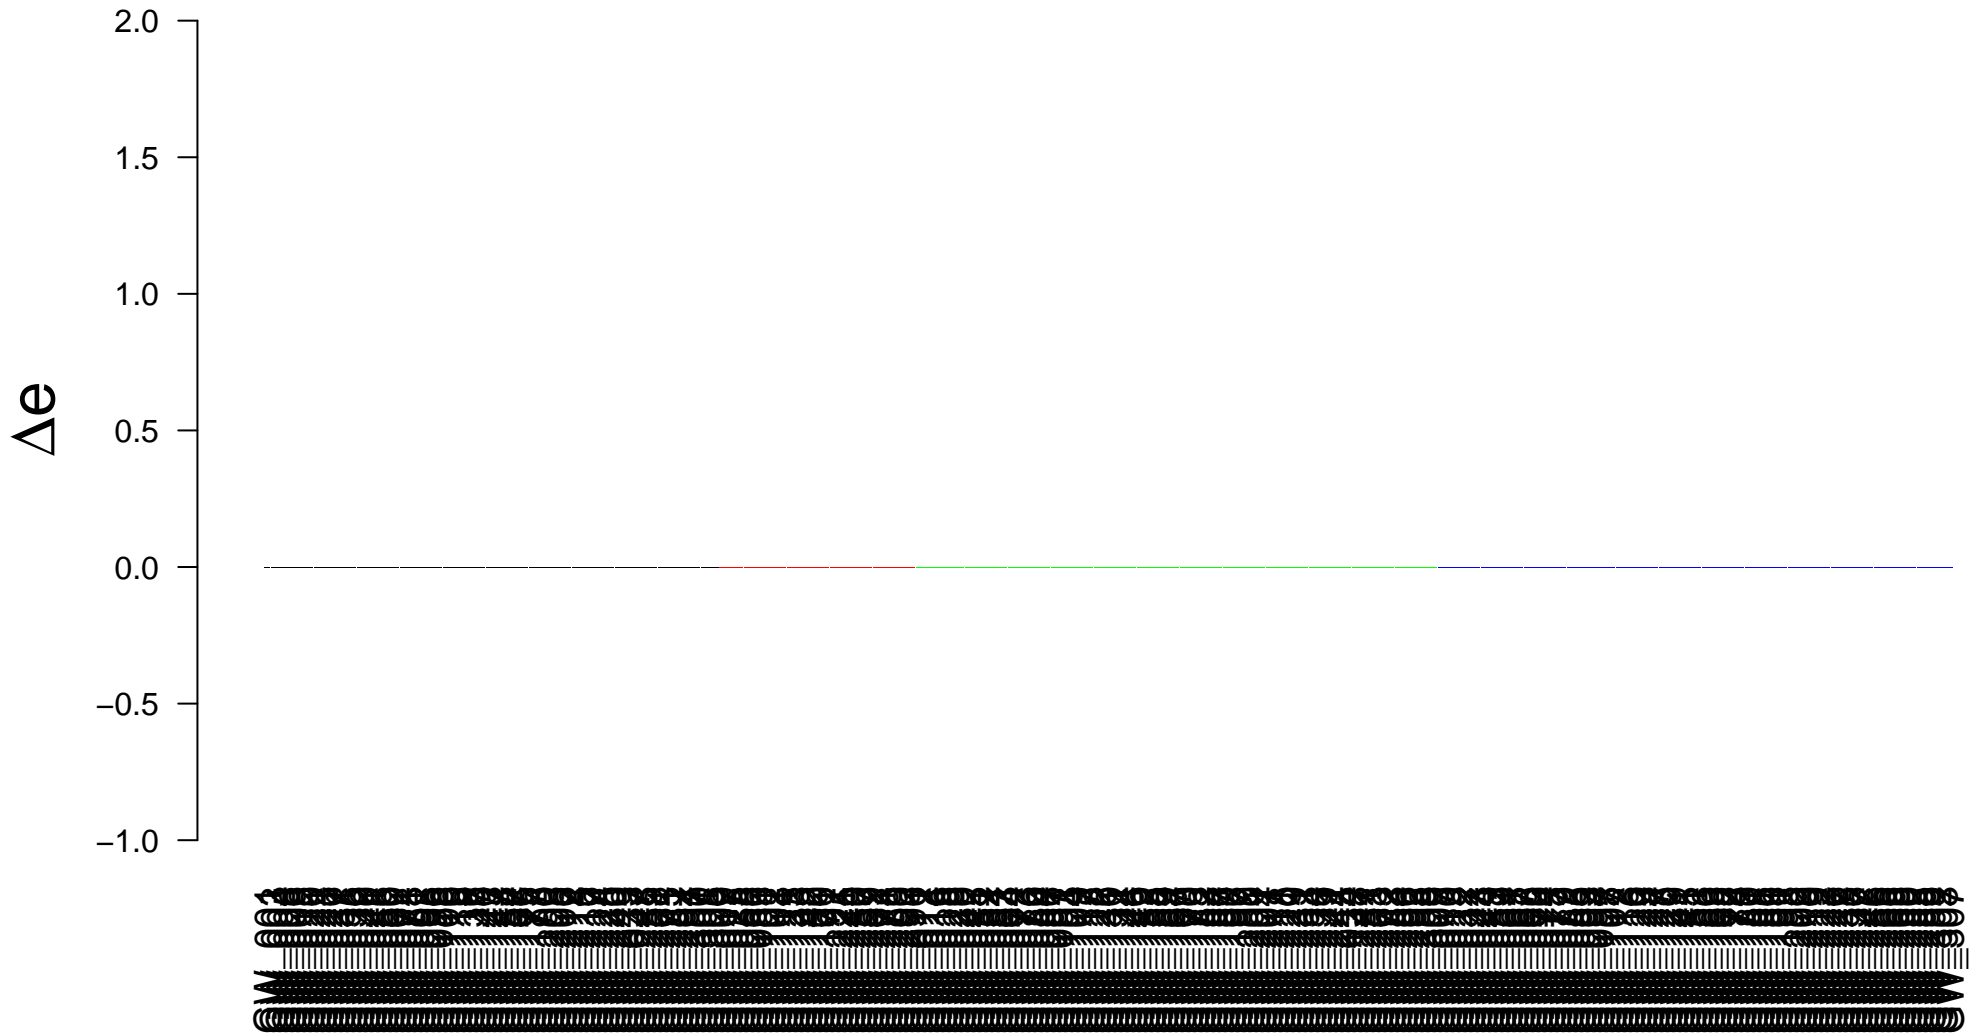

Expression of polysaccharide binding in Spot D

Expression of polysaccharide binding in Spot E

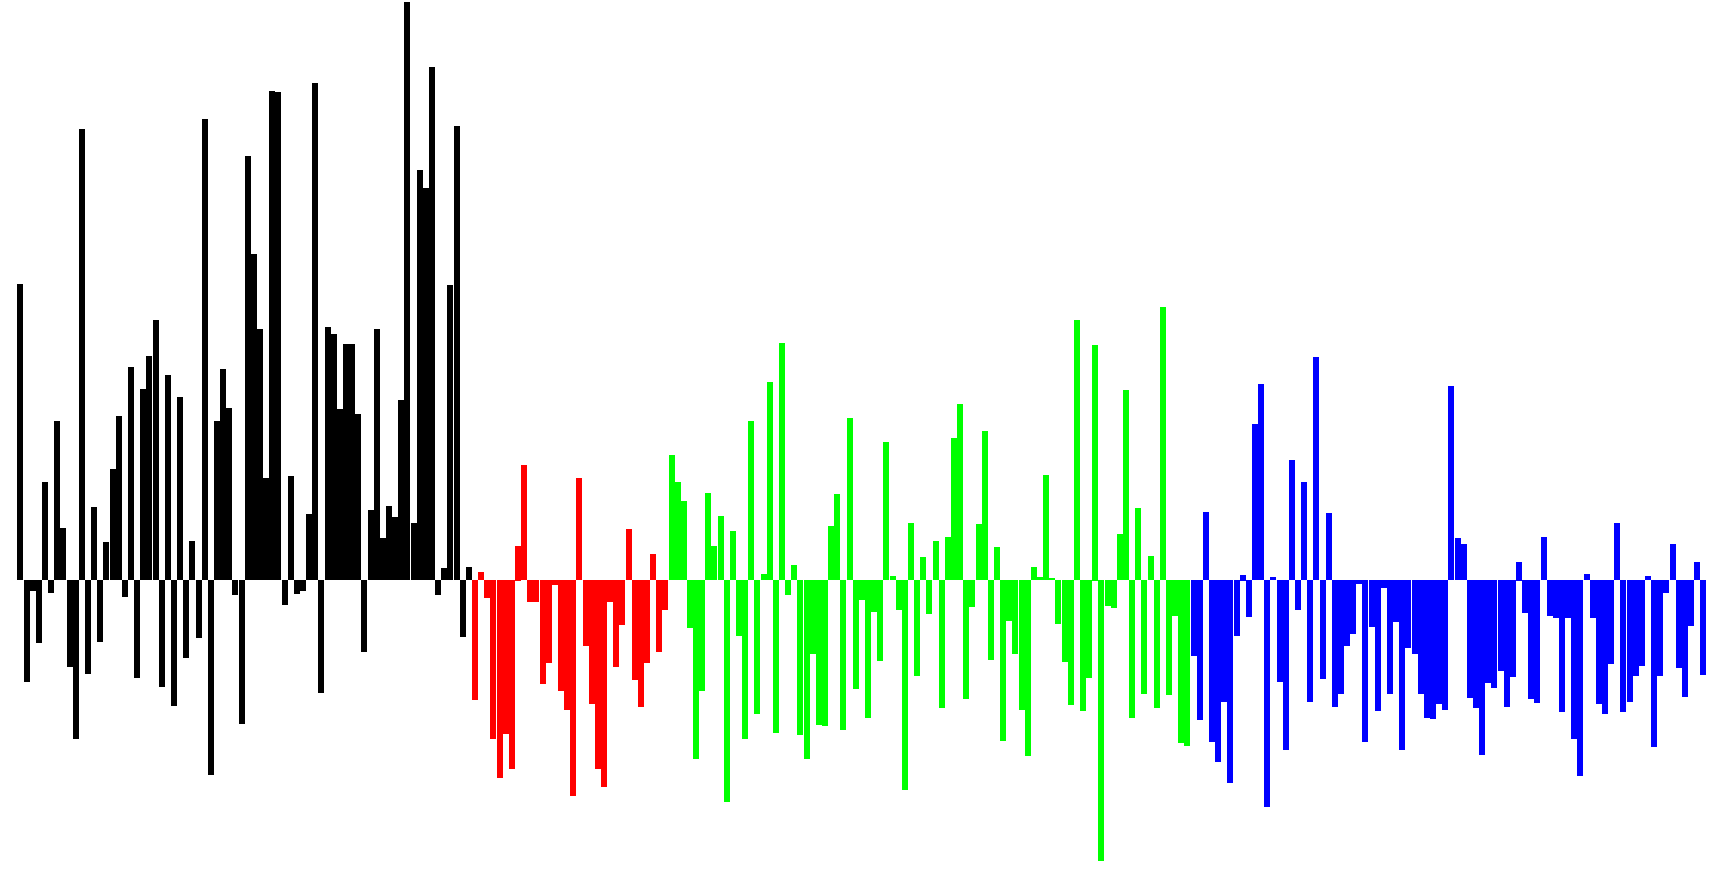

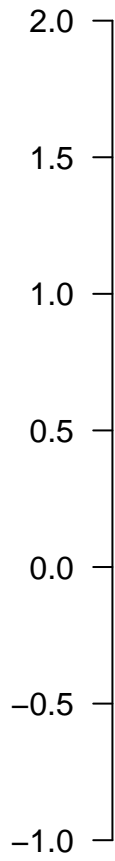

Expression of polysaccharide binding in Spot F

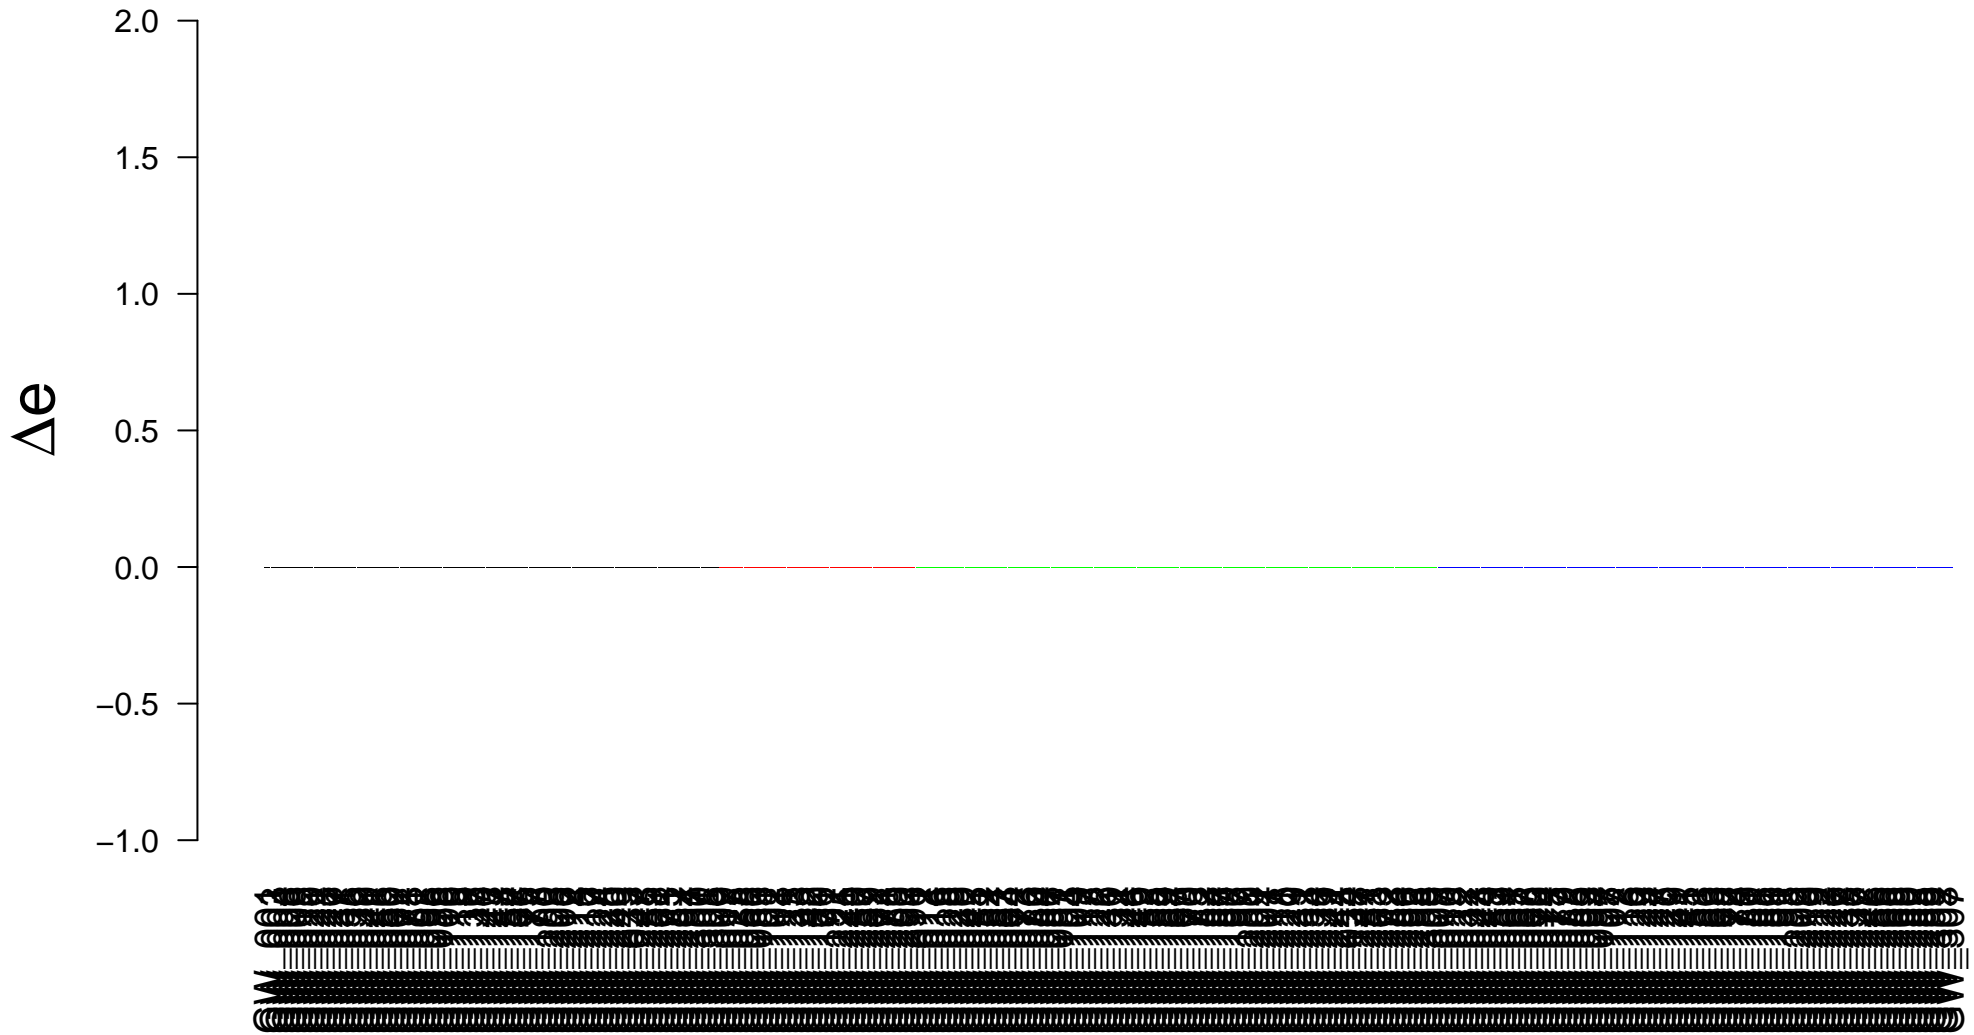

Expression of polysaccharide binding in Spot G

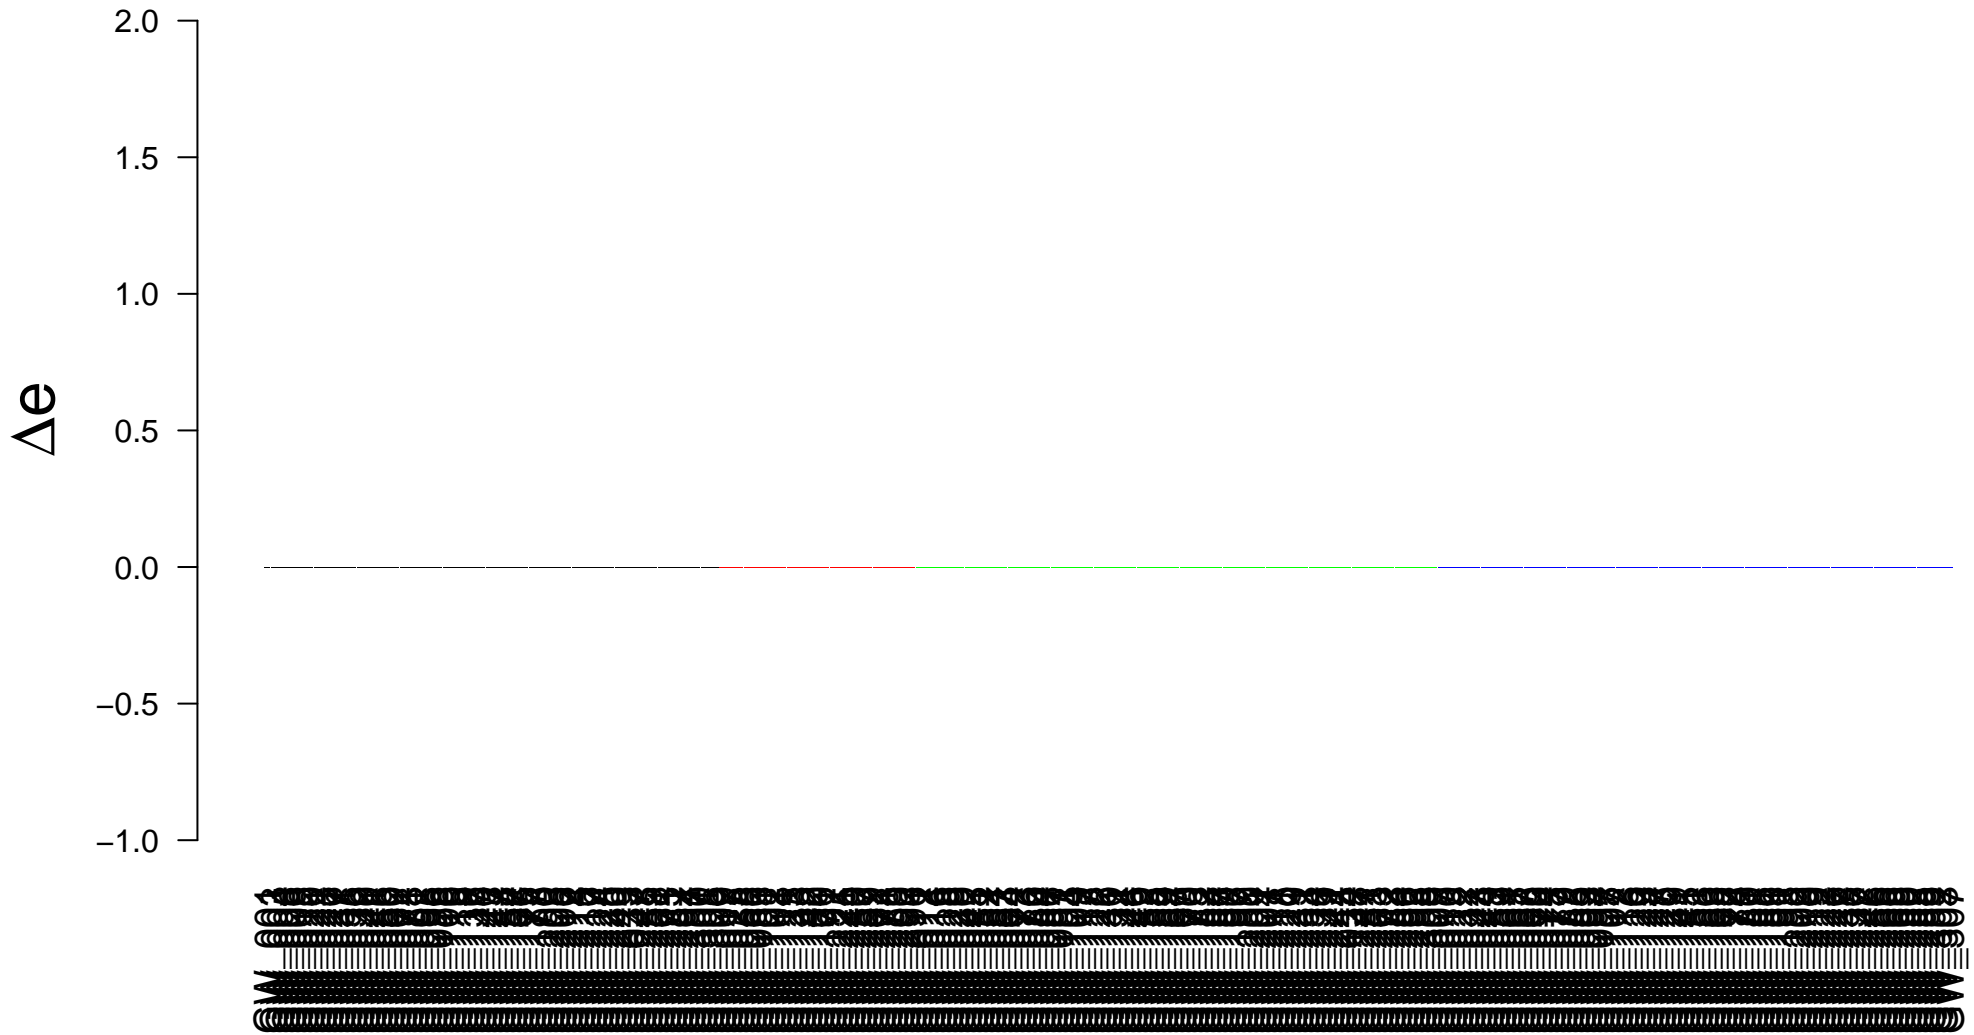

Δe

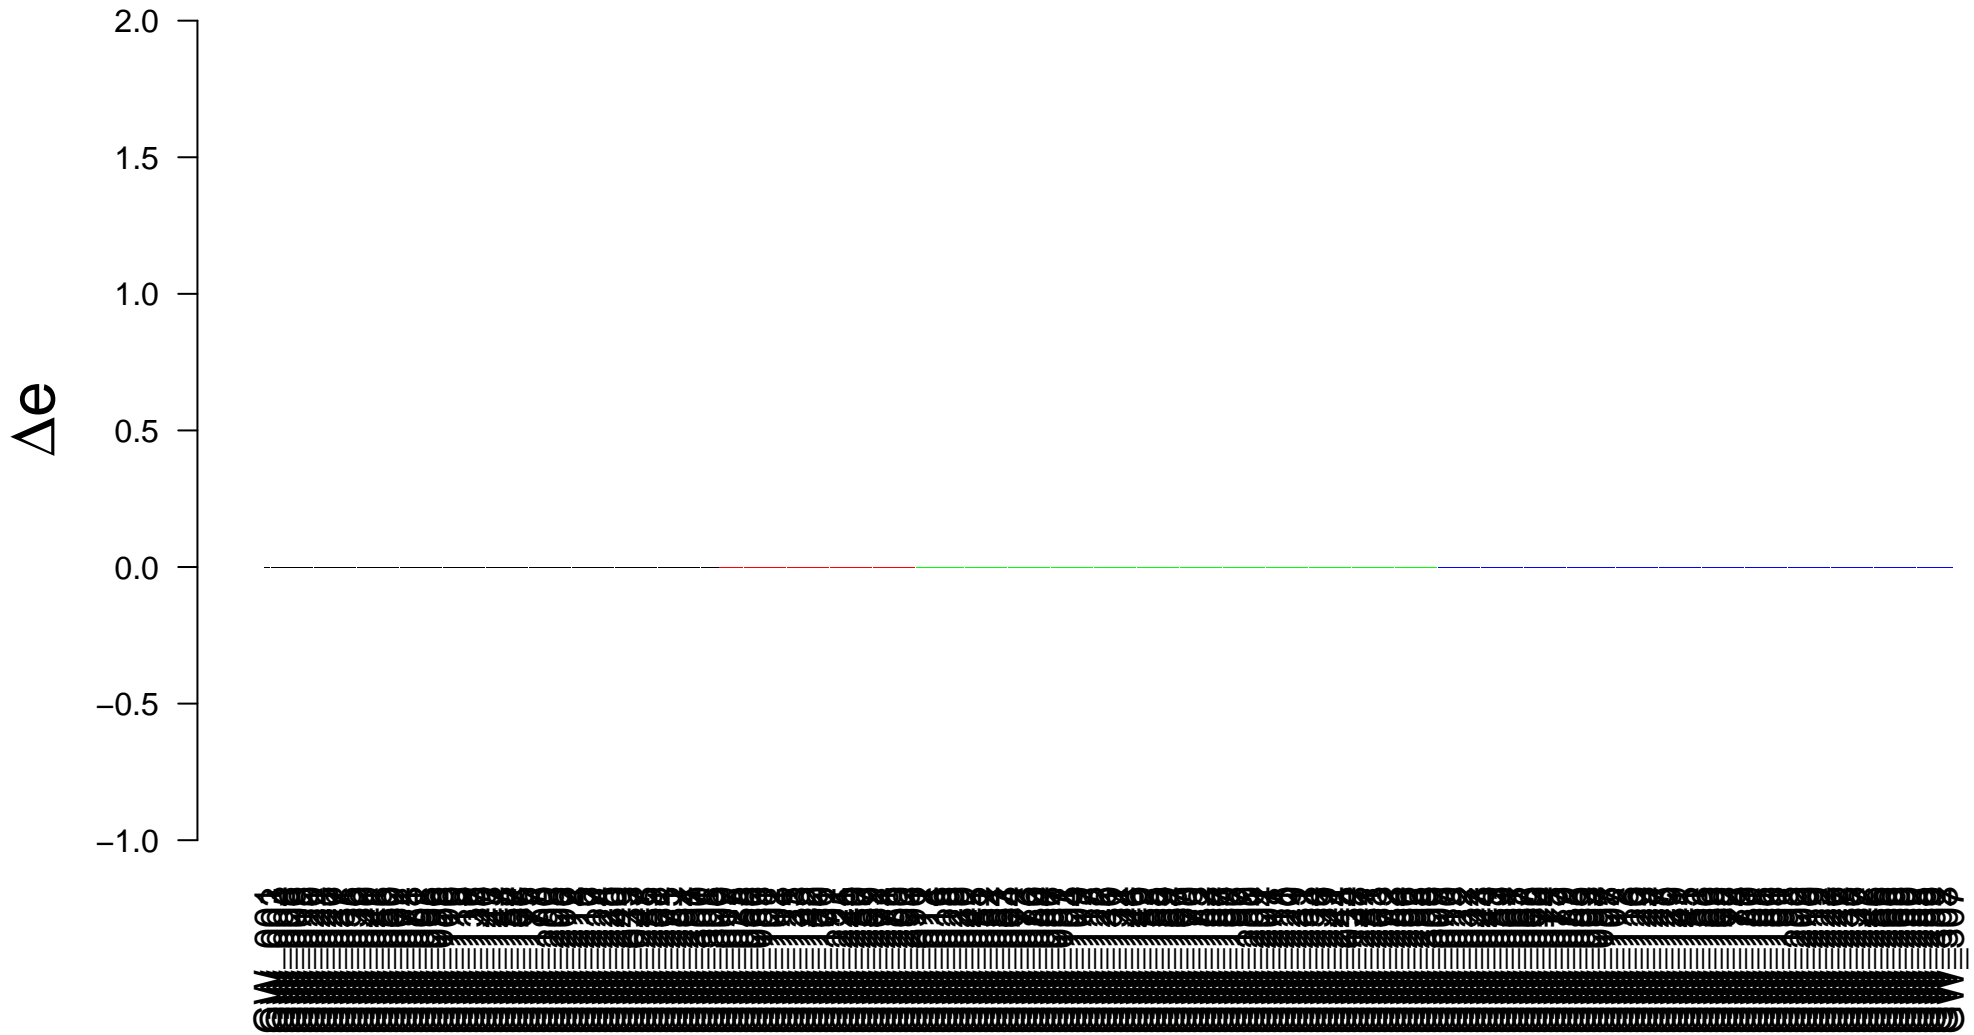

Expression of polysaccharide binding in Spot H

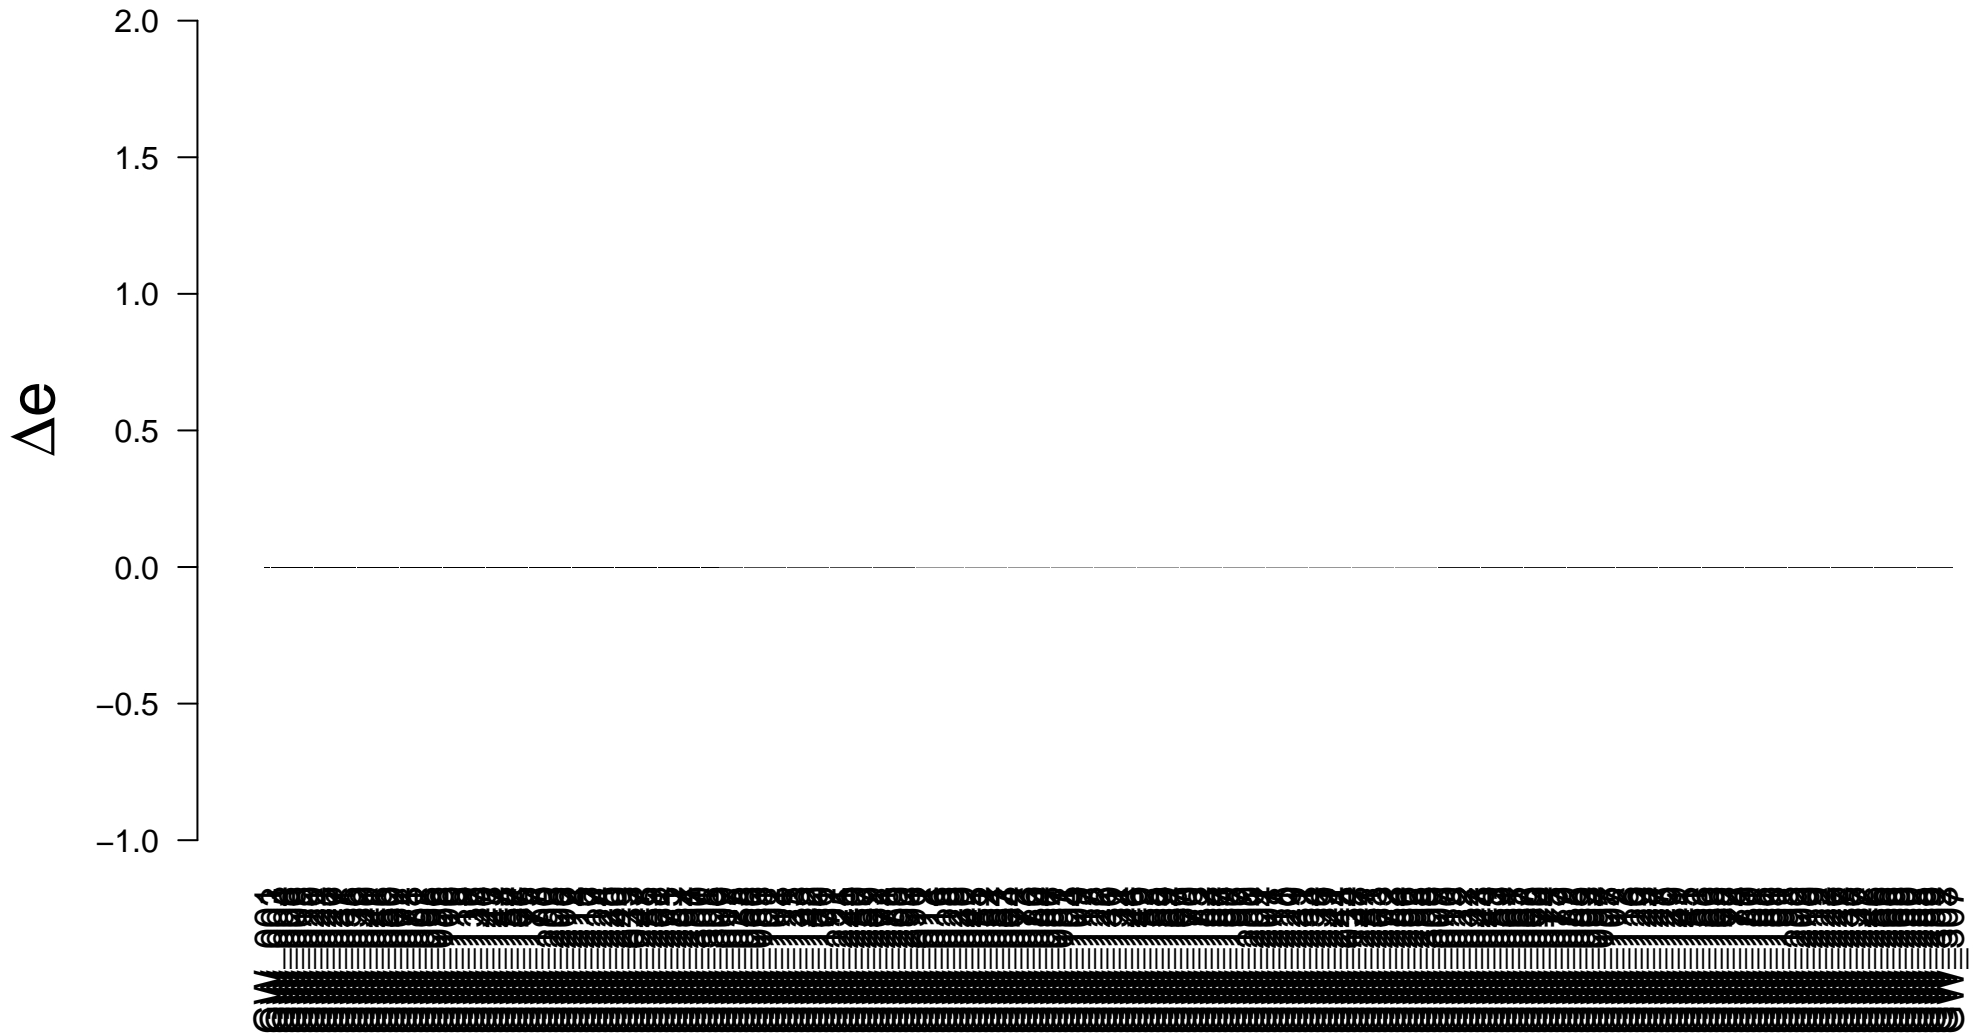

Expression of polysaccharide binding in Spot I

Expression of polysaccharide binding in Spot J

Expression of polysaccharide binding in Spot K

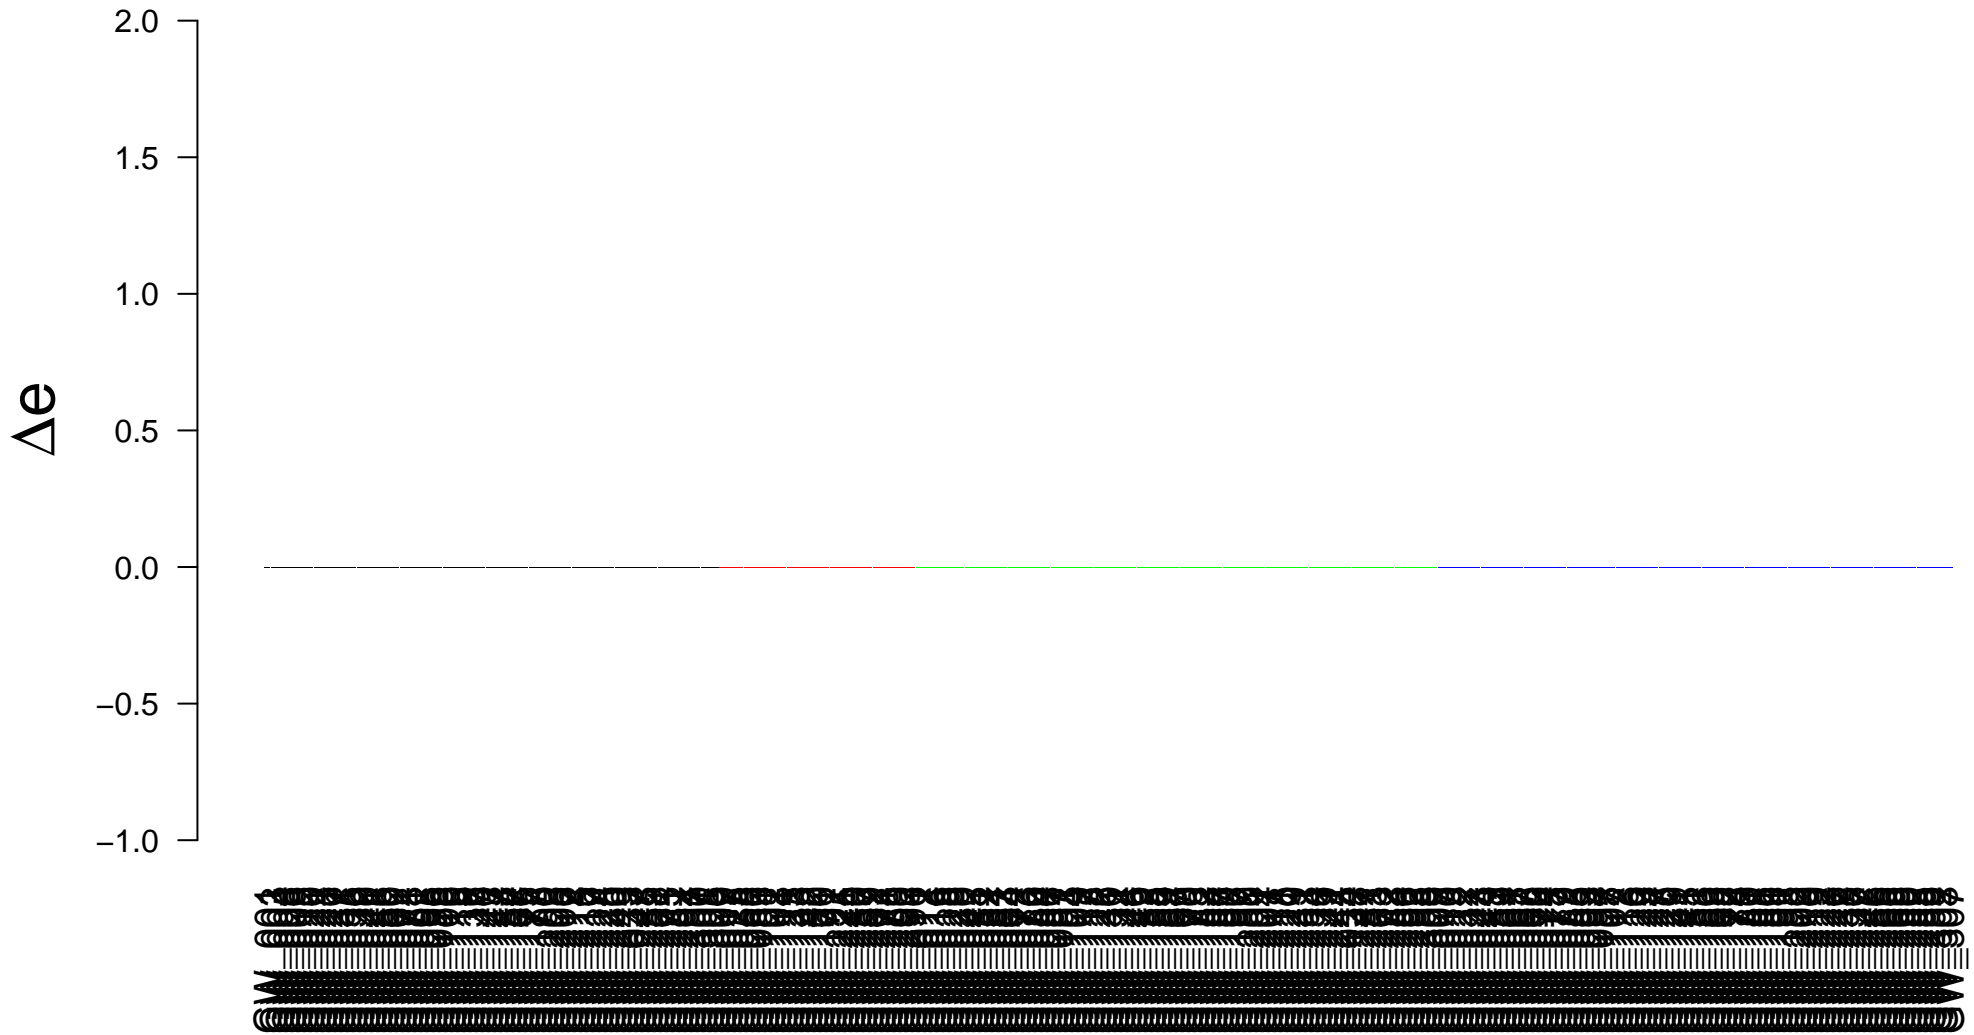

Expression of polysaccharide binding in Spot L
