

positive chemotaxis

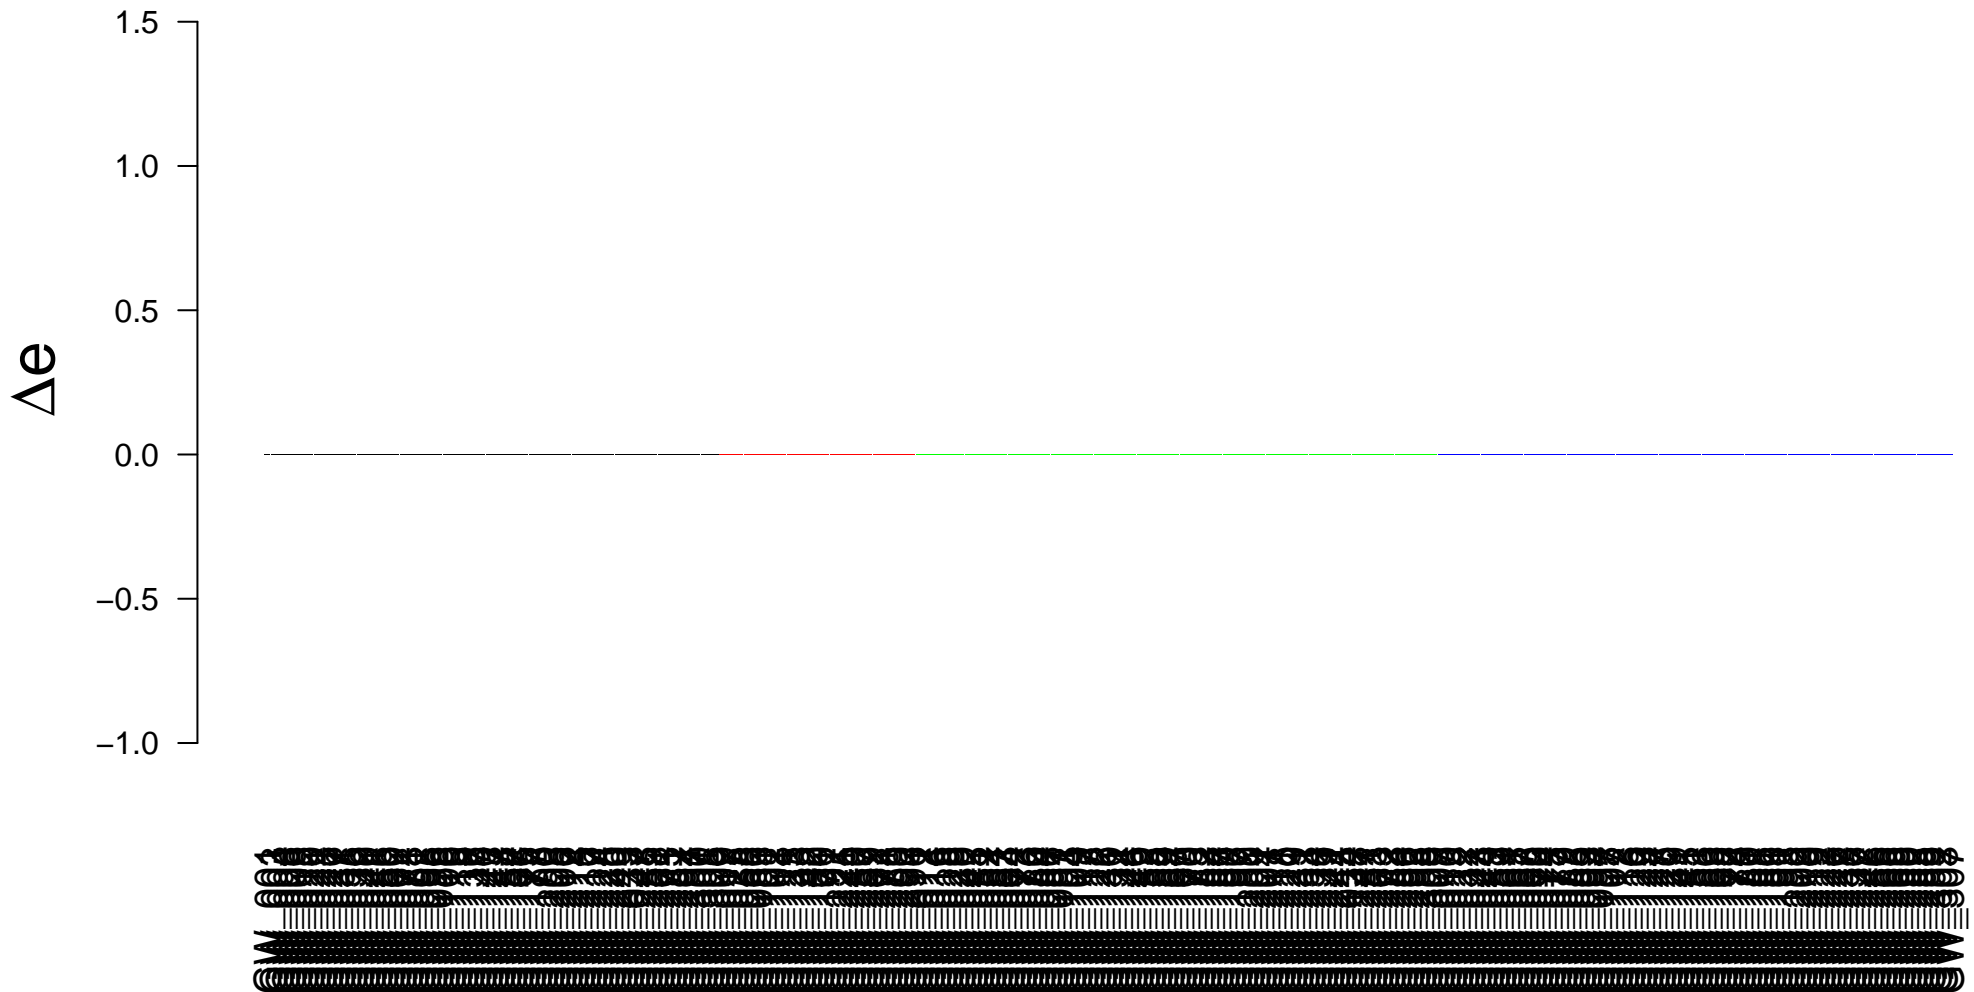

positive chemotaxis

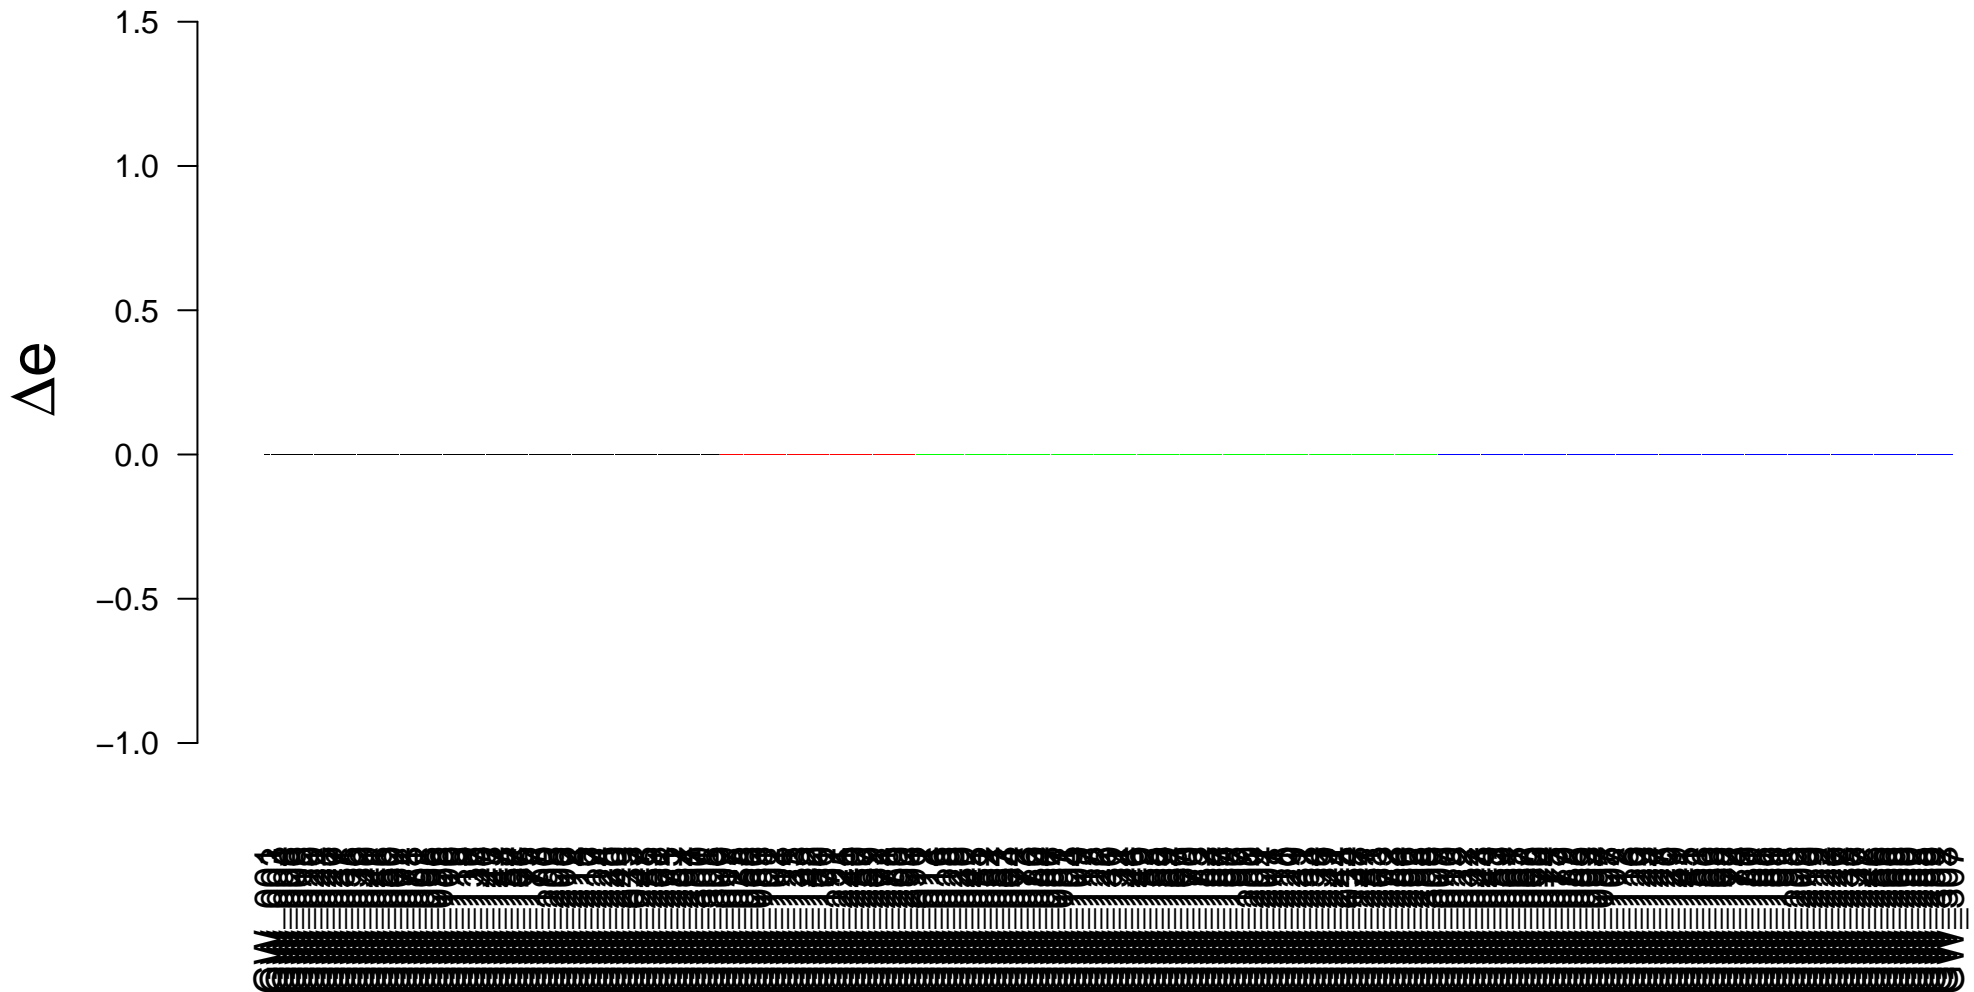

Enrichment in spots: positive chemotaxis

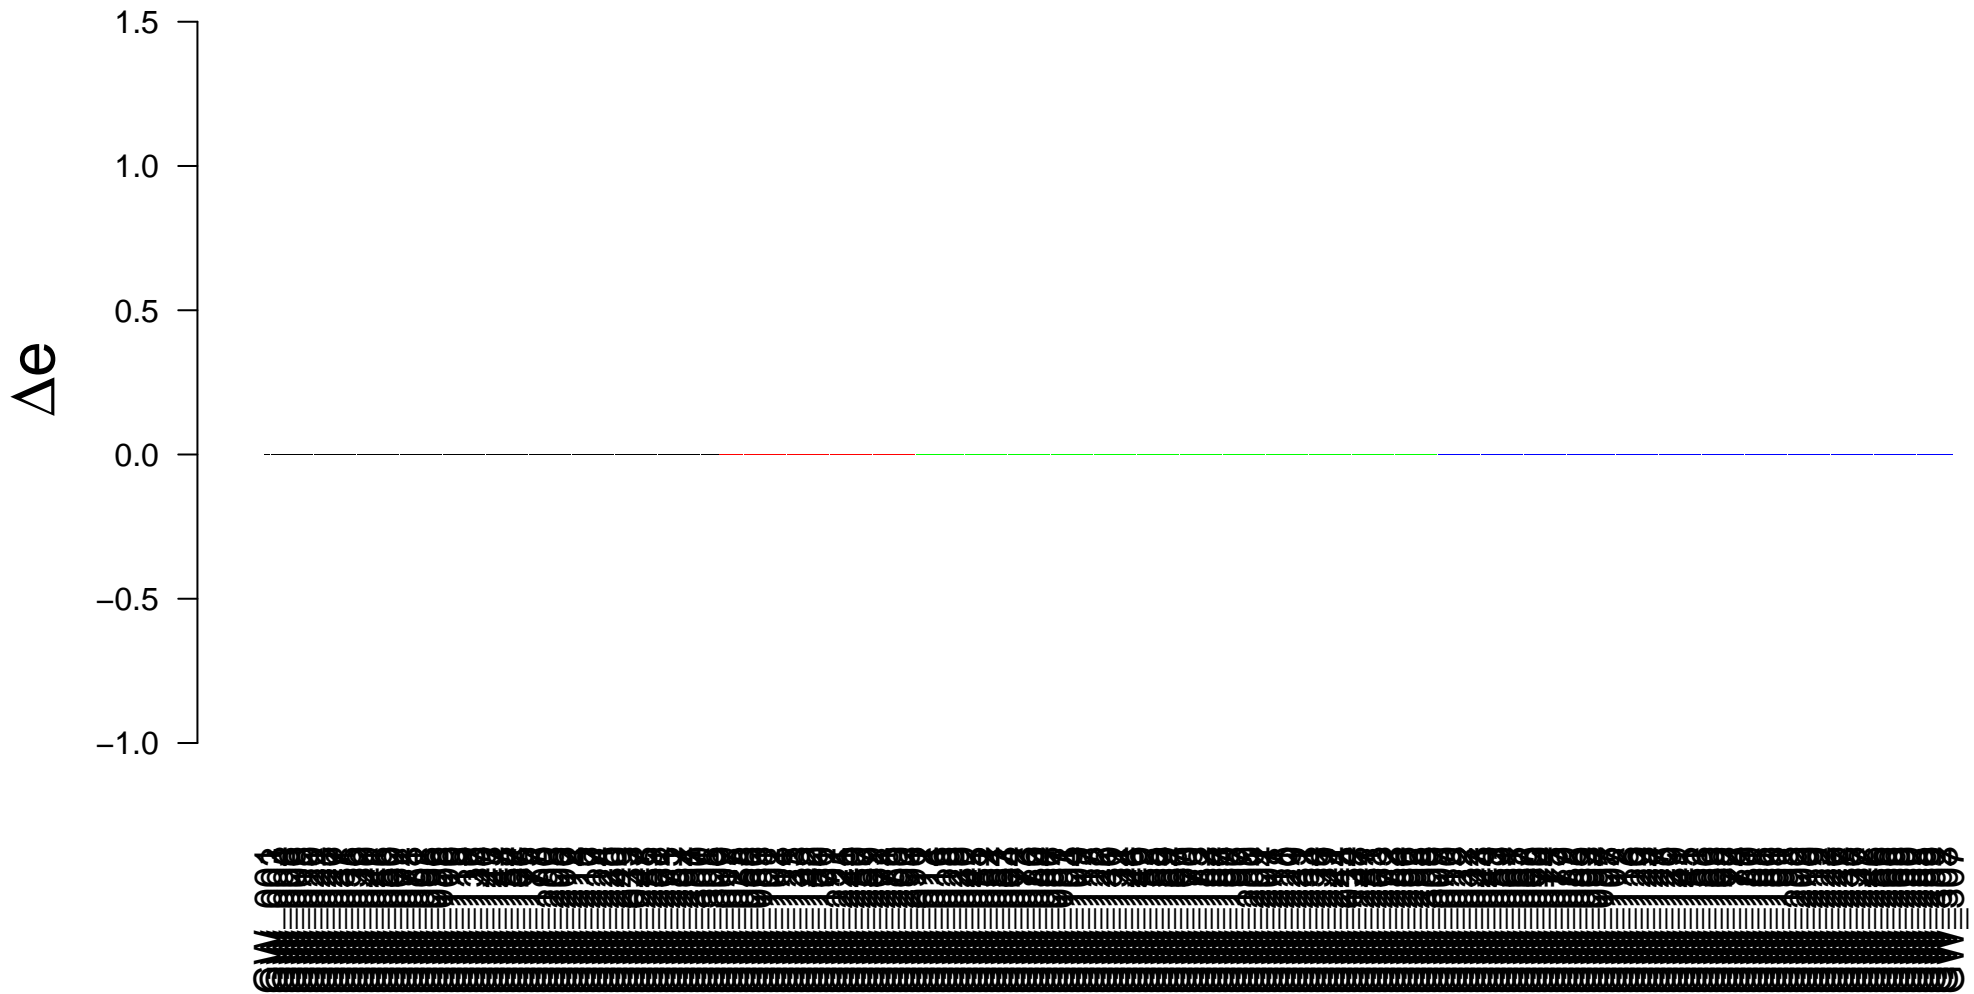

Expression of positive chemotaxis in Spot A

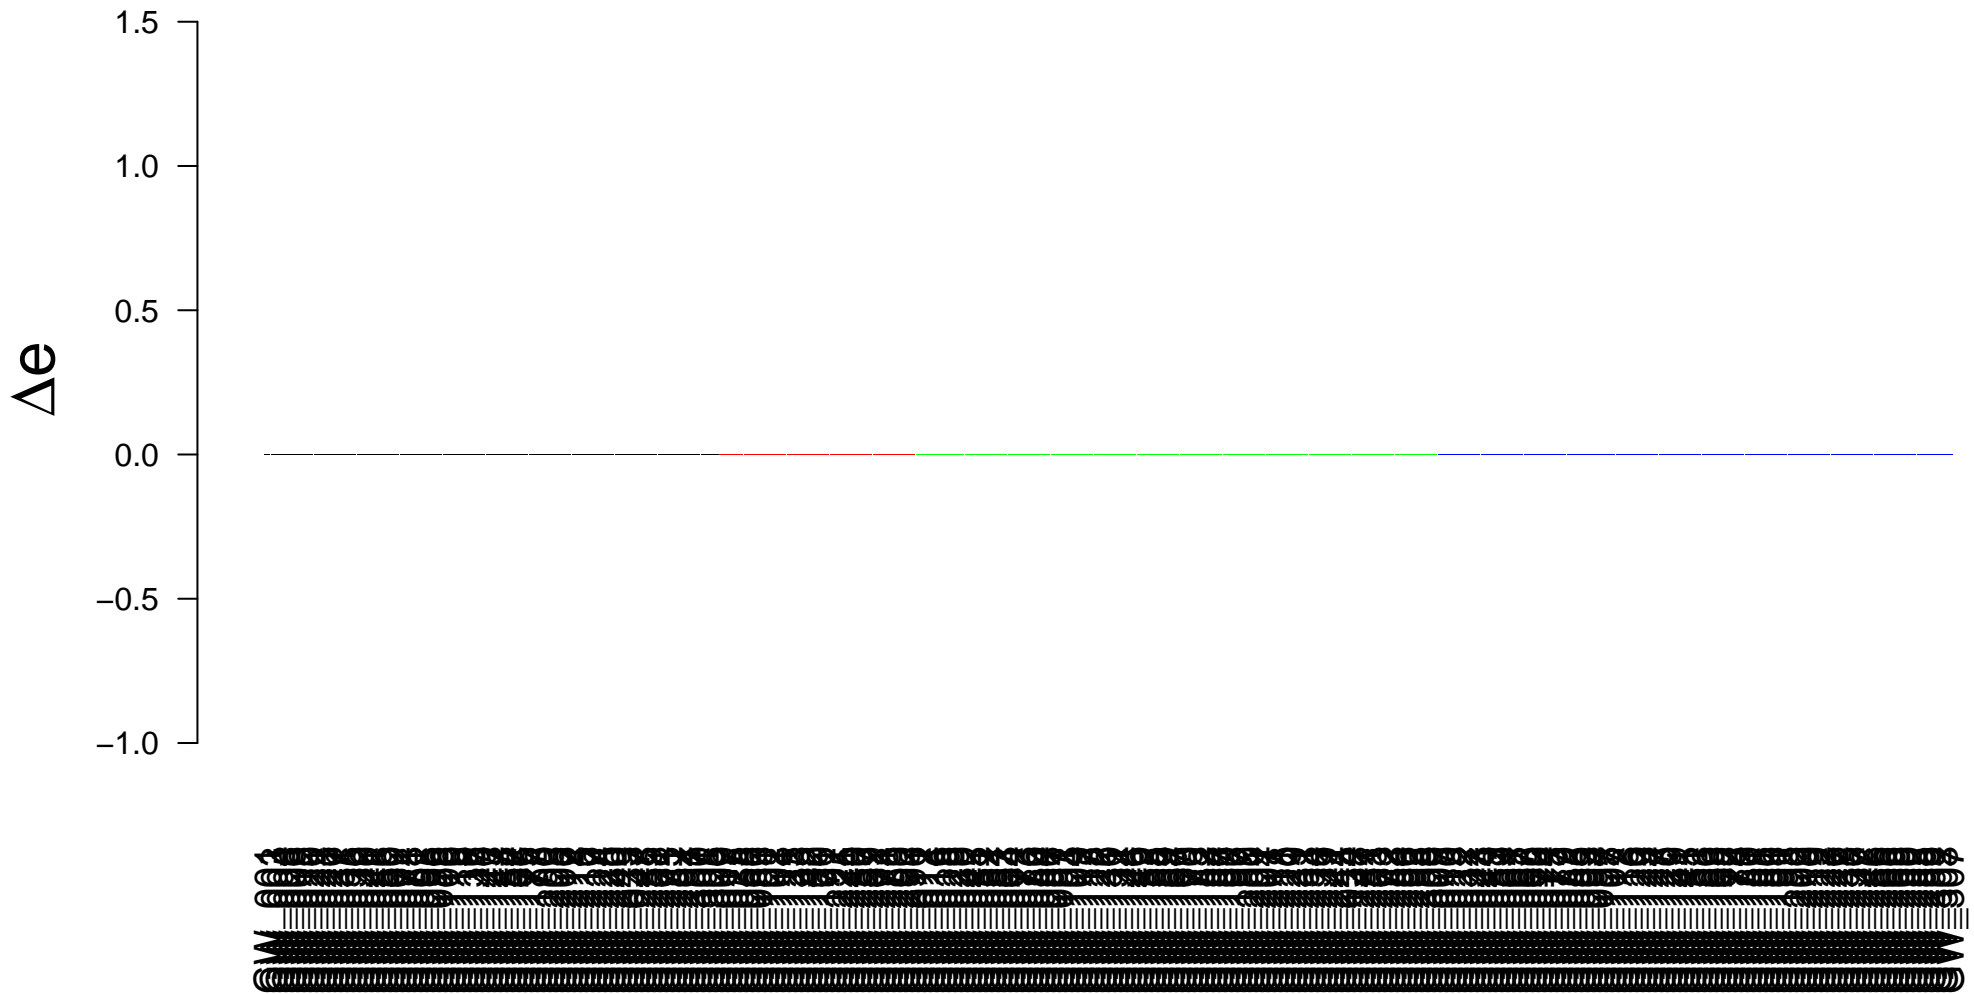

Expression of positive chemotaxis in Spot B

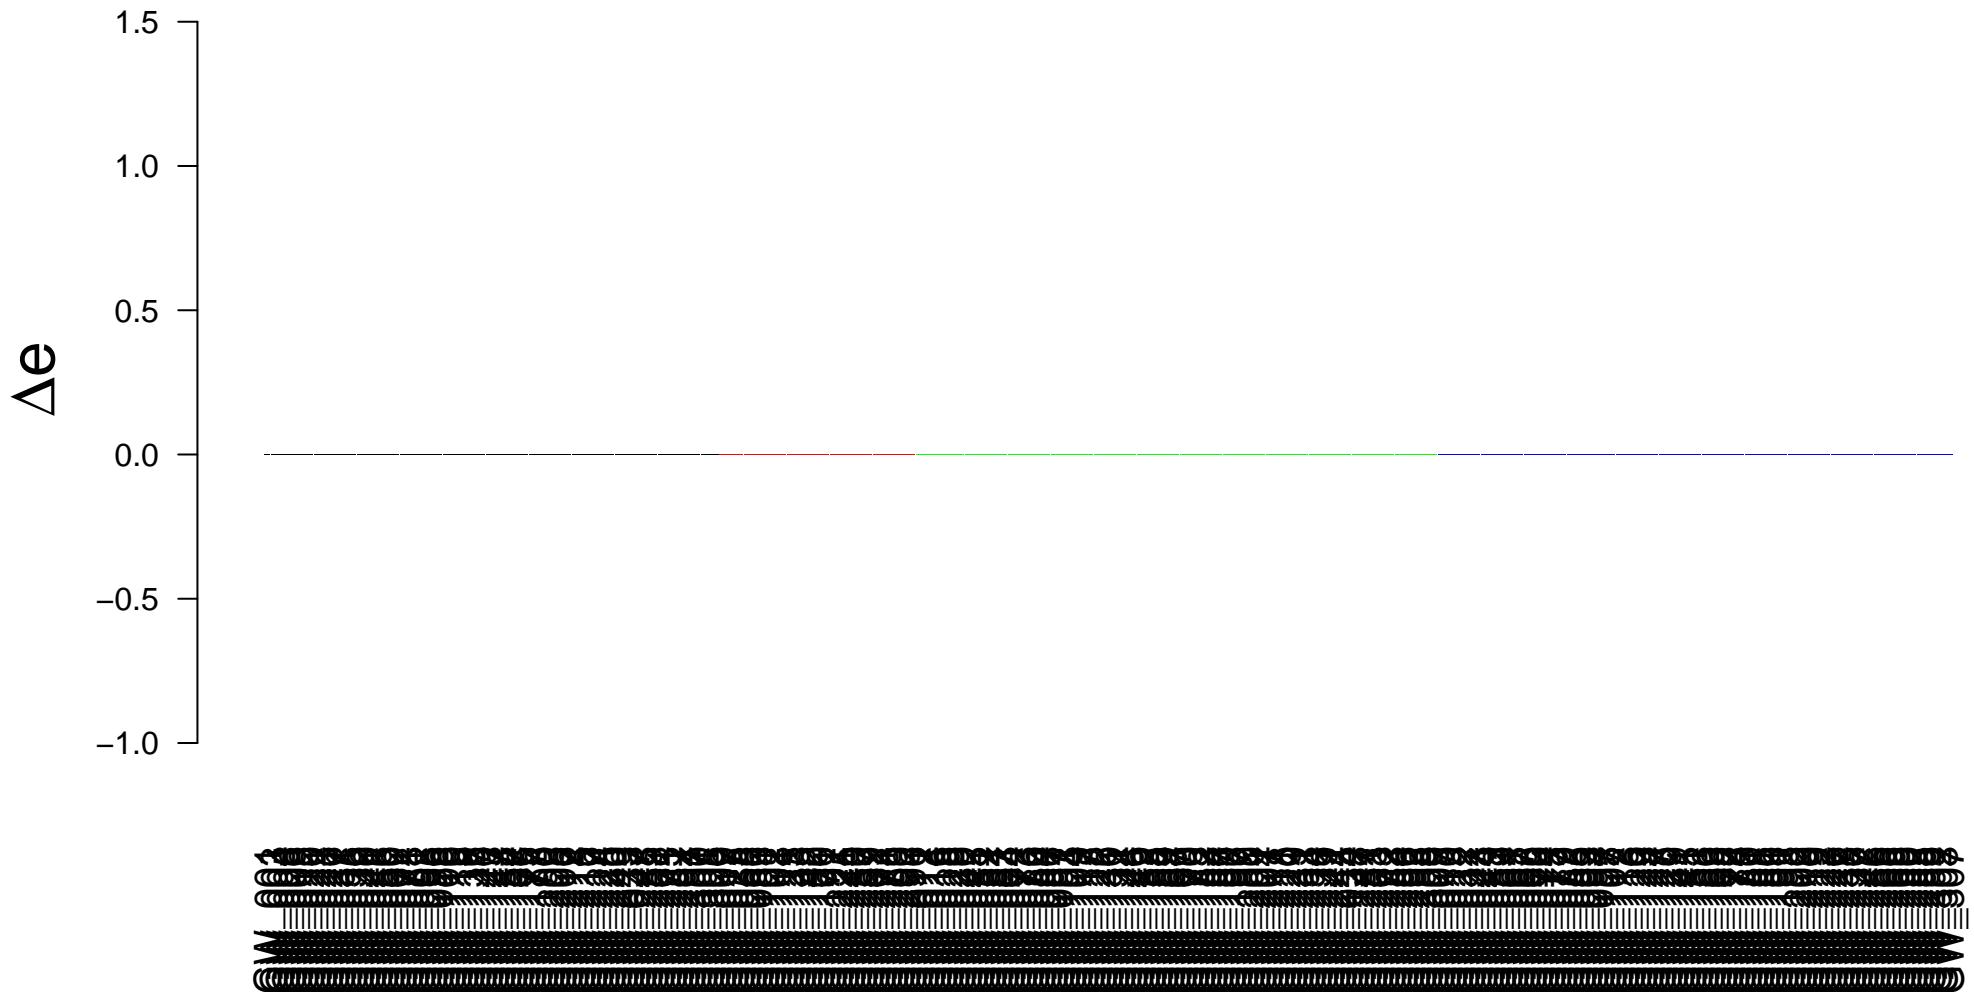

Expression of positive chemotaxis in Spot C

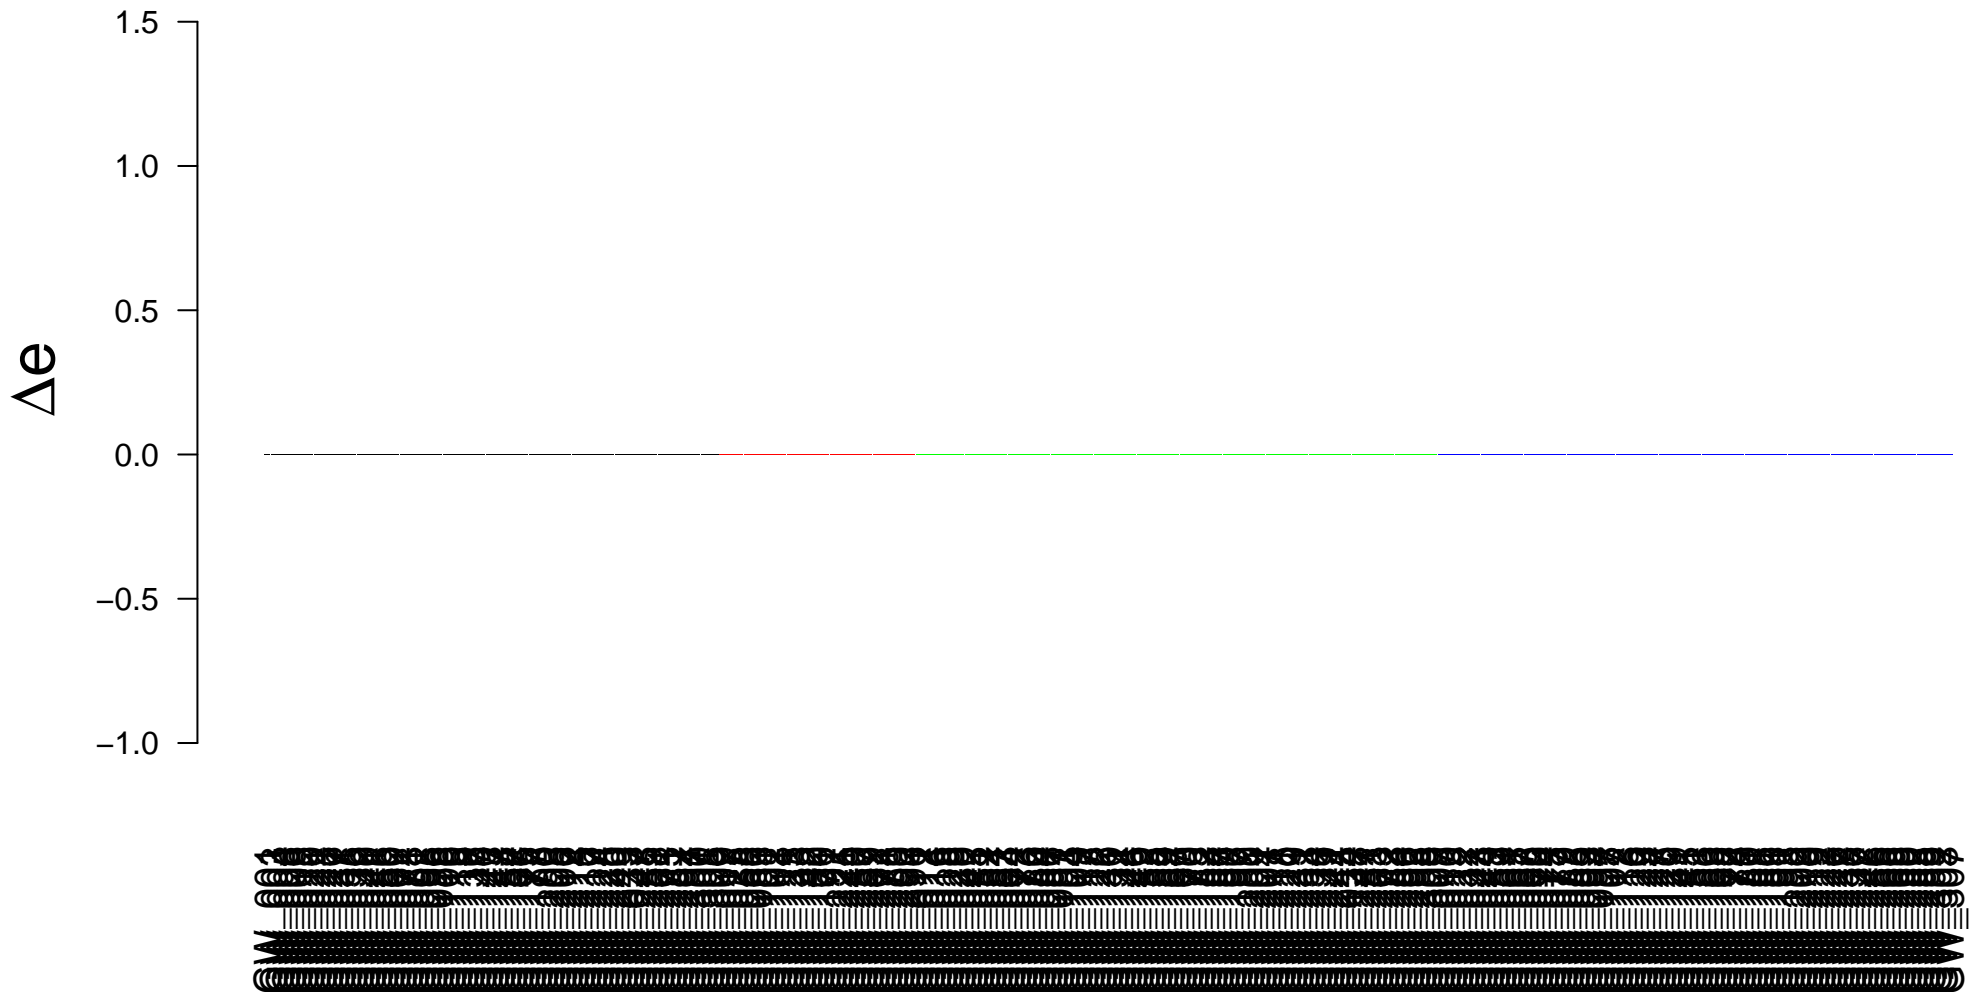

Expression of positive chemotaxis in Spot D

Expression of positive chemotaxis in Spot E

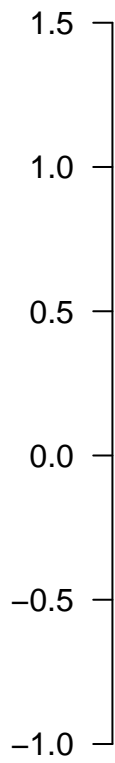

Expression of positive chemotaxis in Spot F

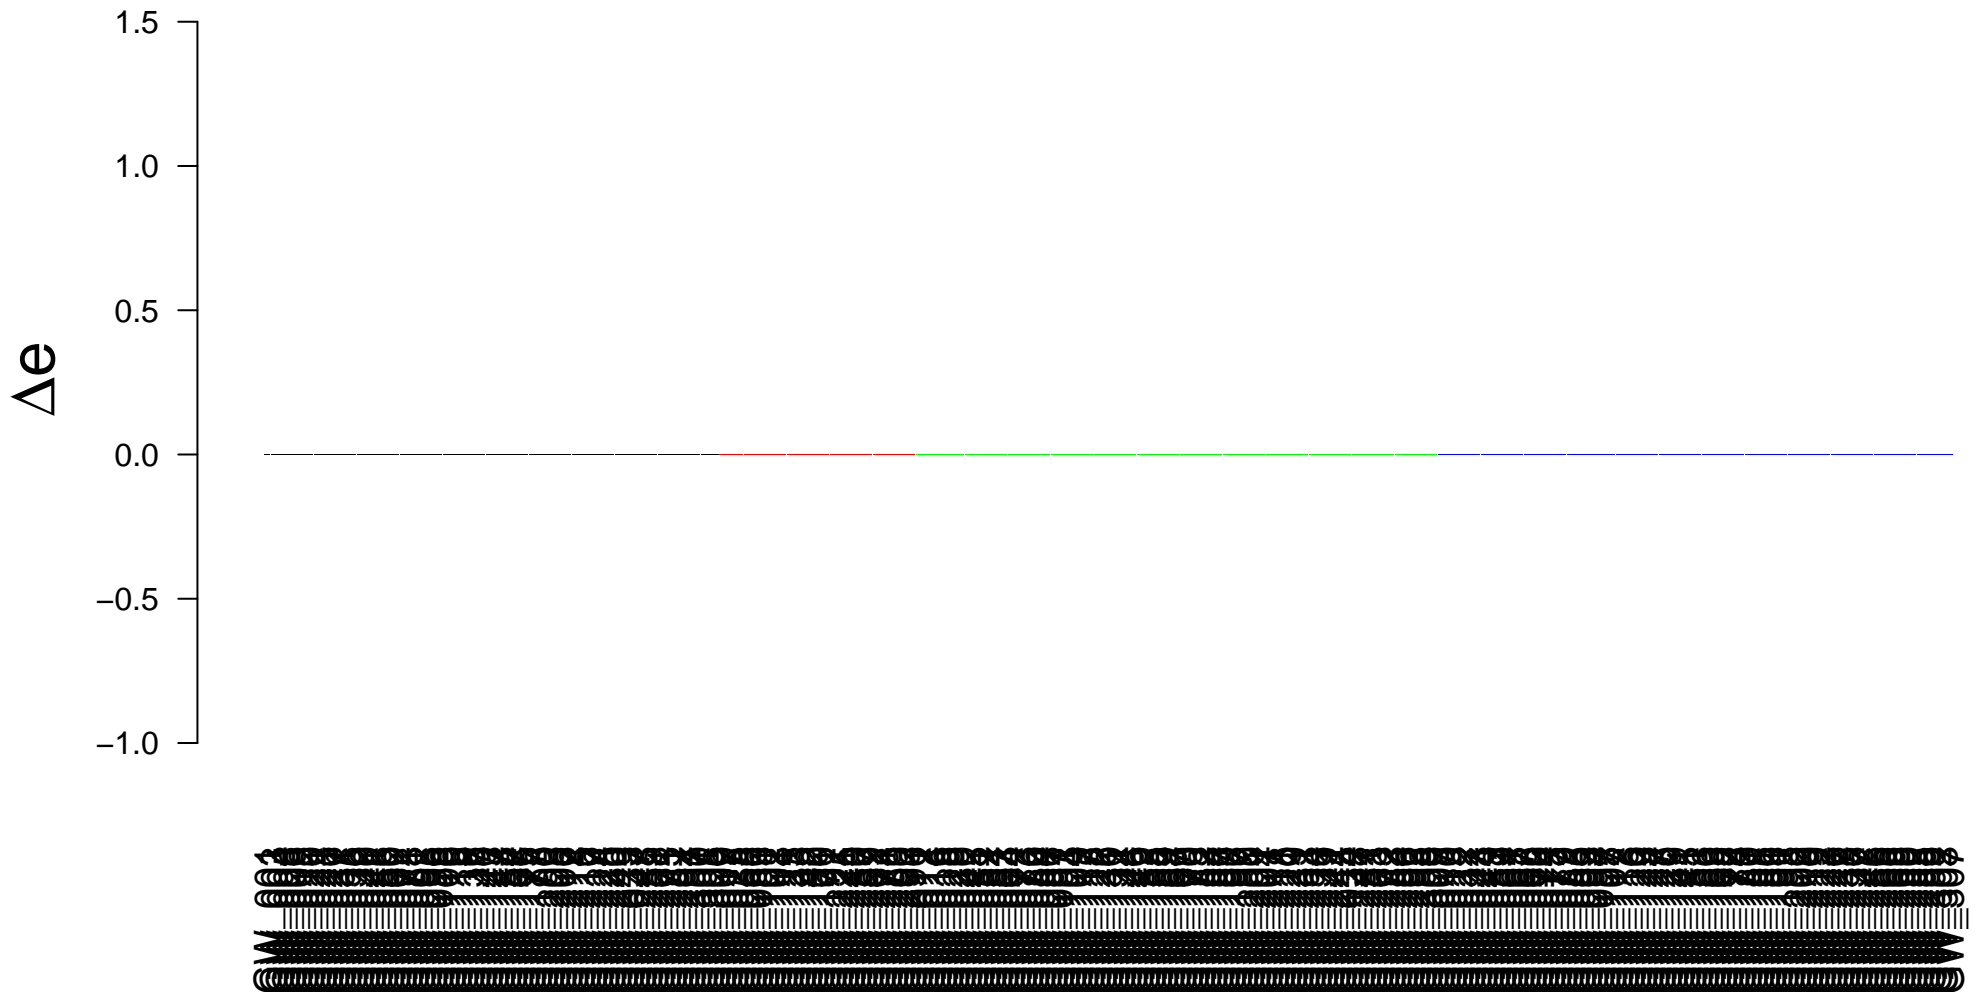

Expression of positive chemotaxis in Spot G

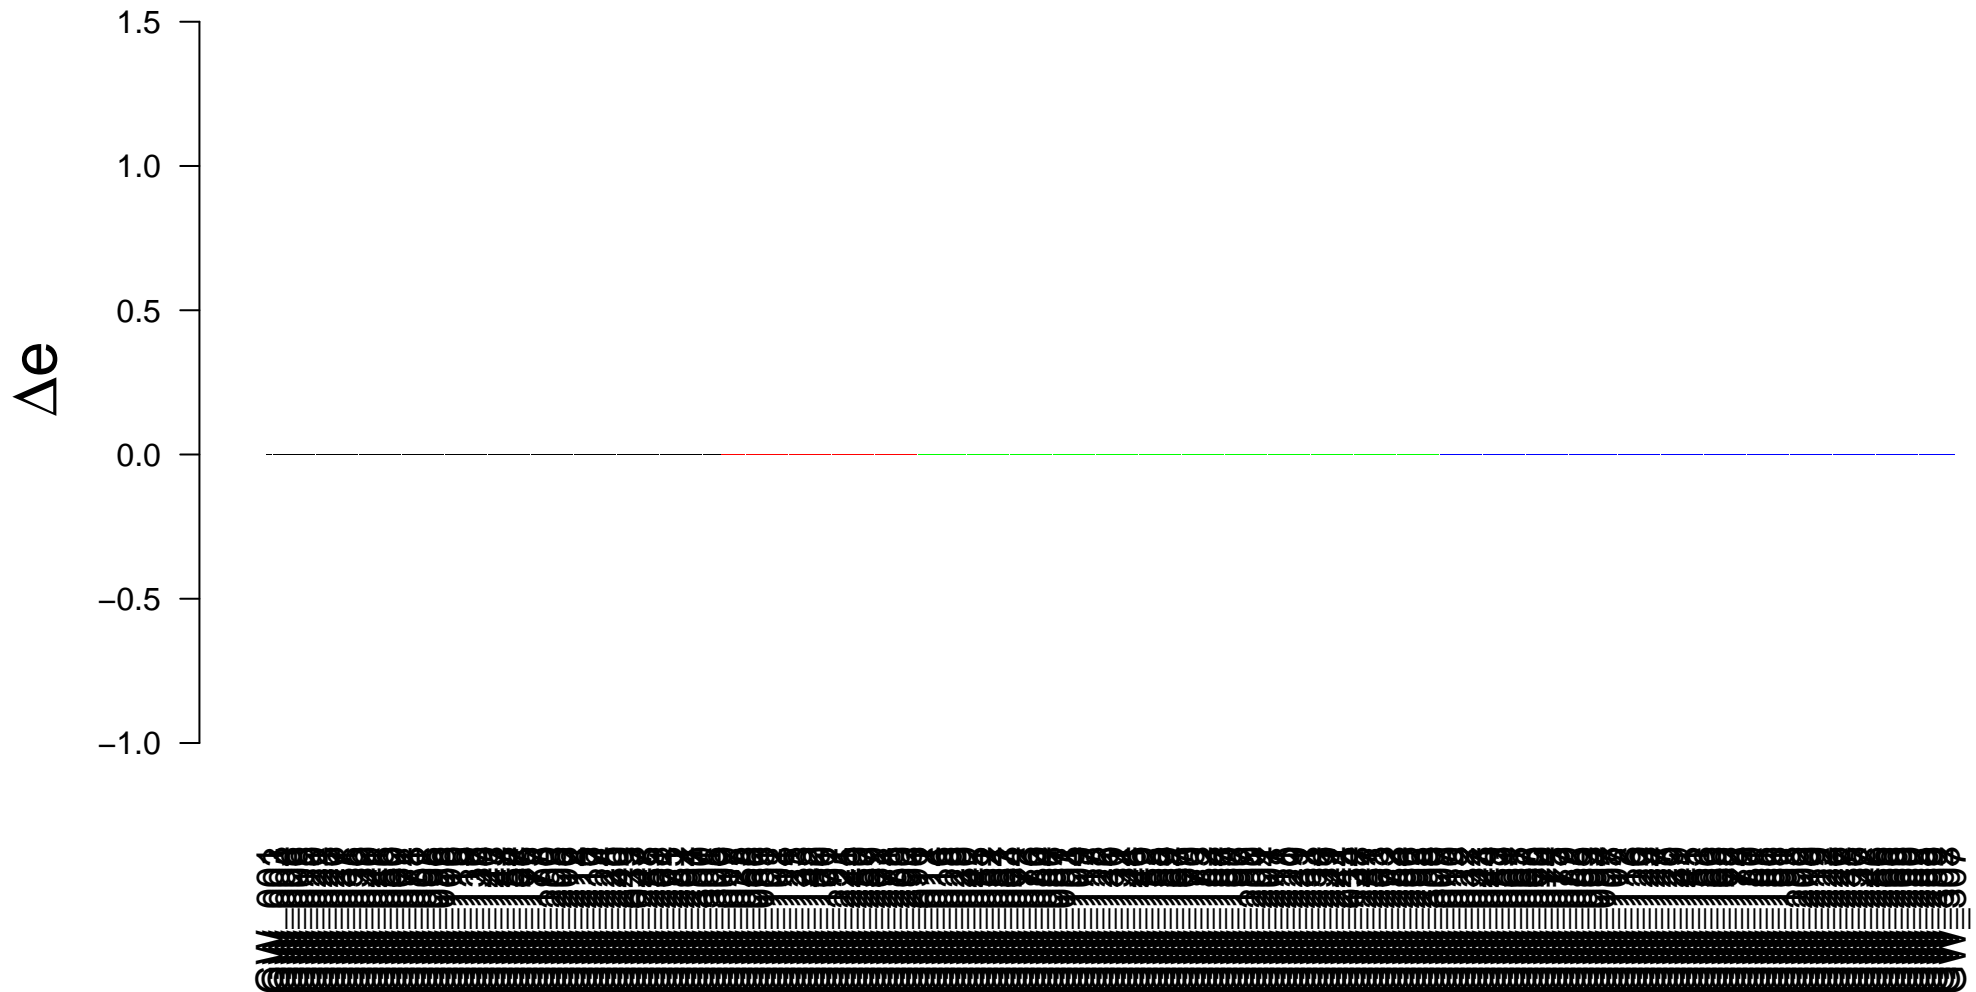

Δe

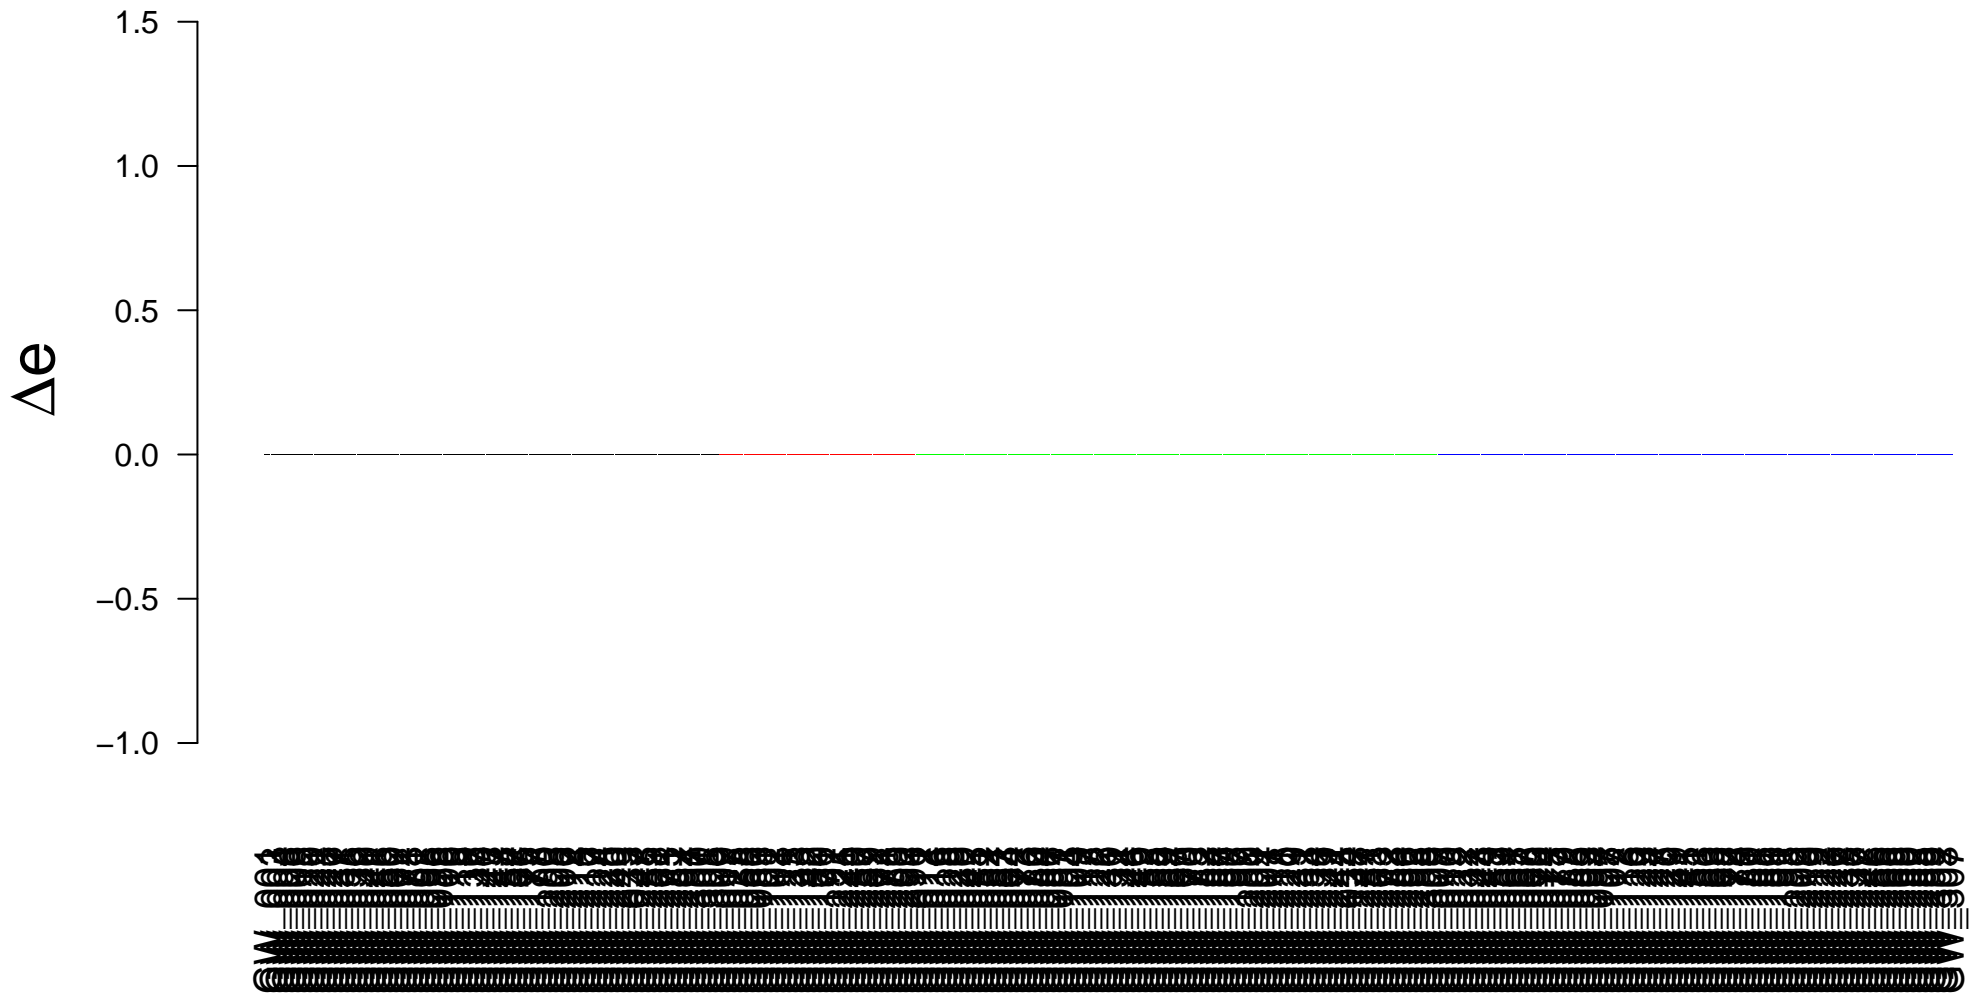

Expression of positive chemotaxis in Spot H

Expression of positive chemotaxis in Spot I

Expression of positive chemotaxis in Spot J

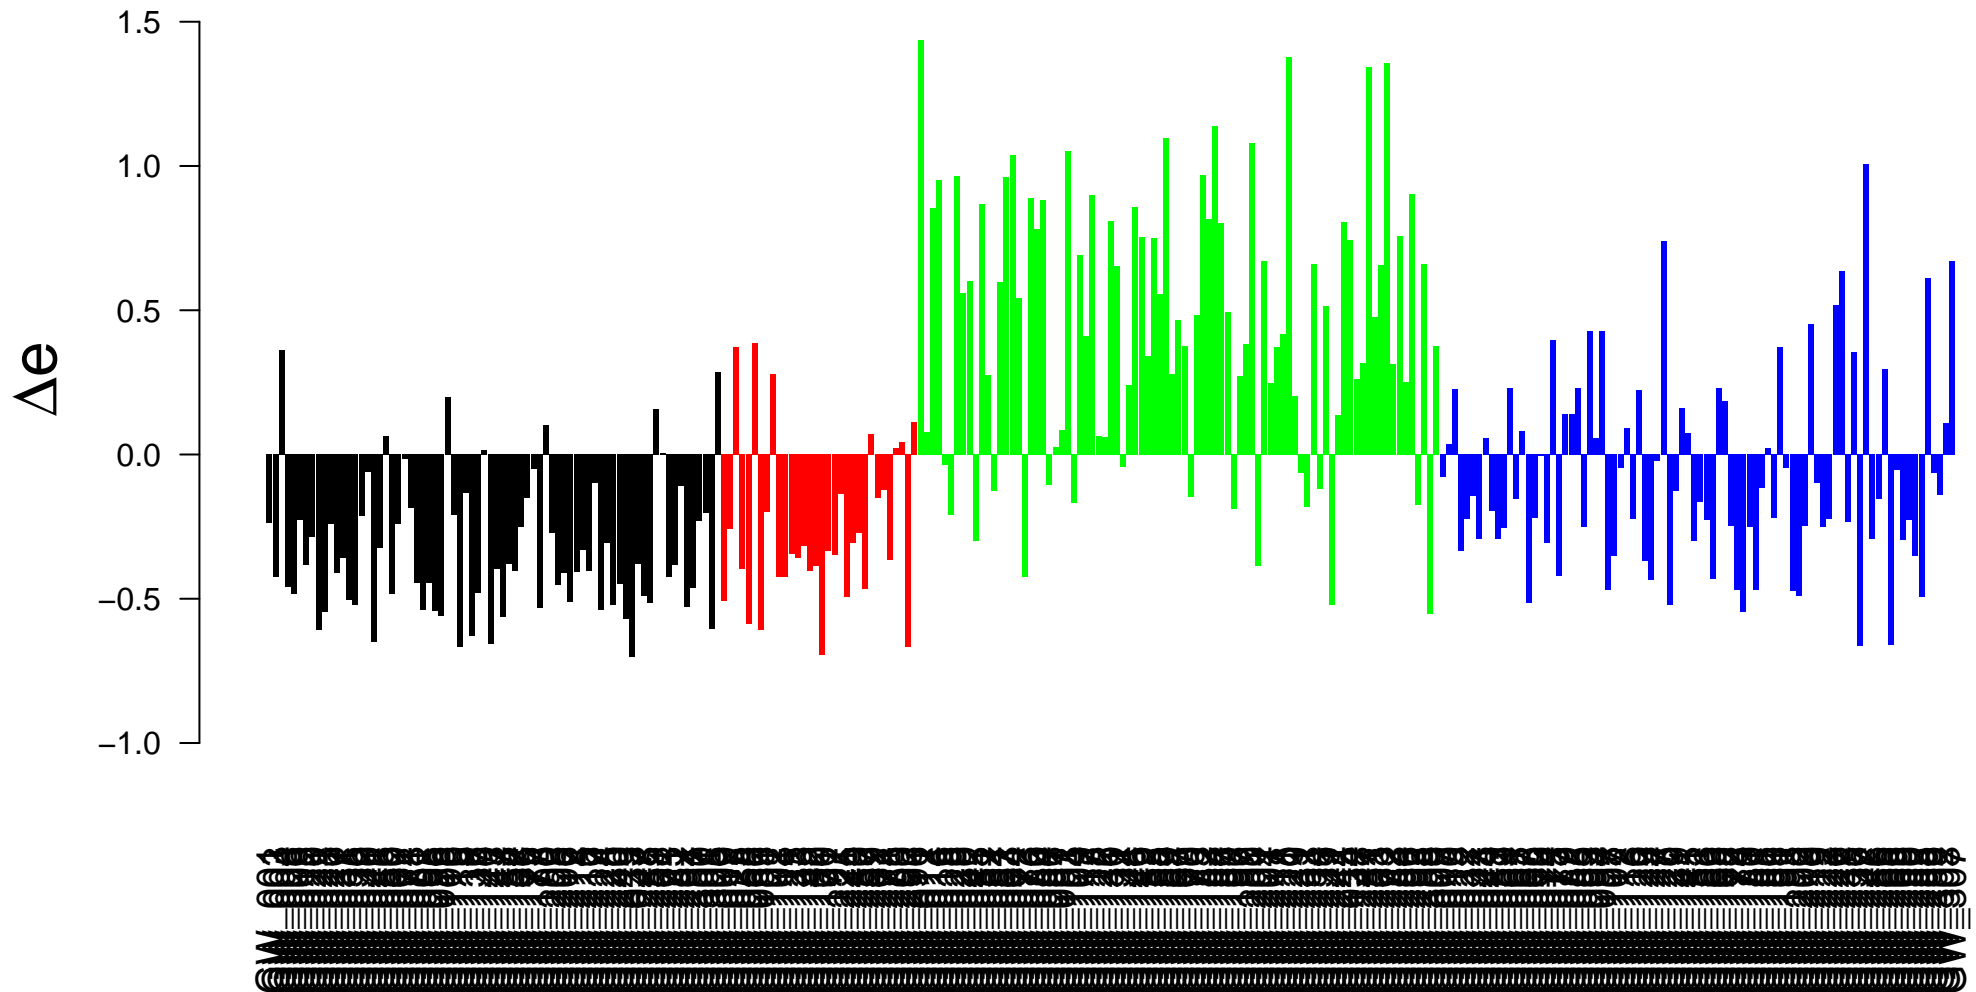

Expression of positive chemotaxis in Spot K

Δe

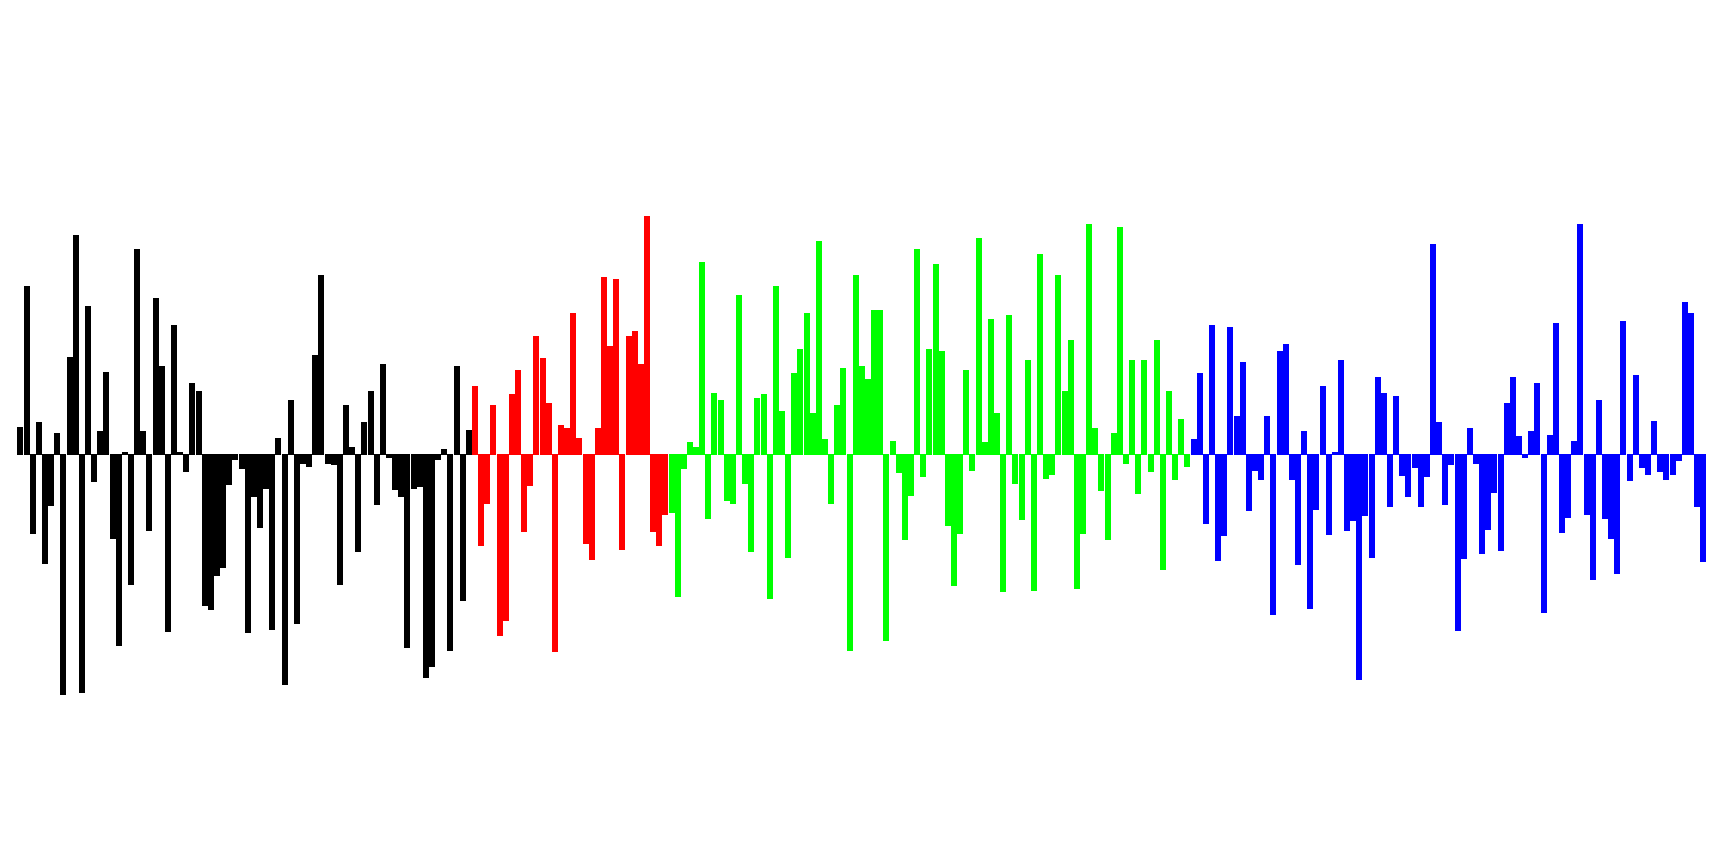

Expression of positive chemotaxis in Spot L

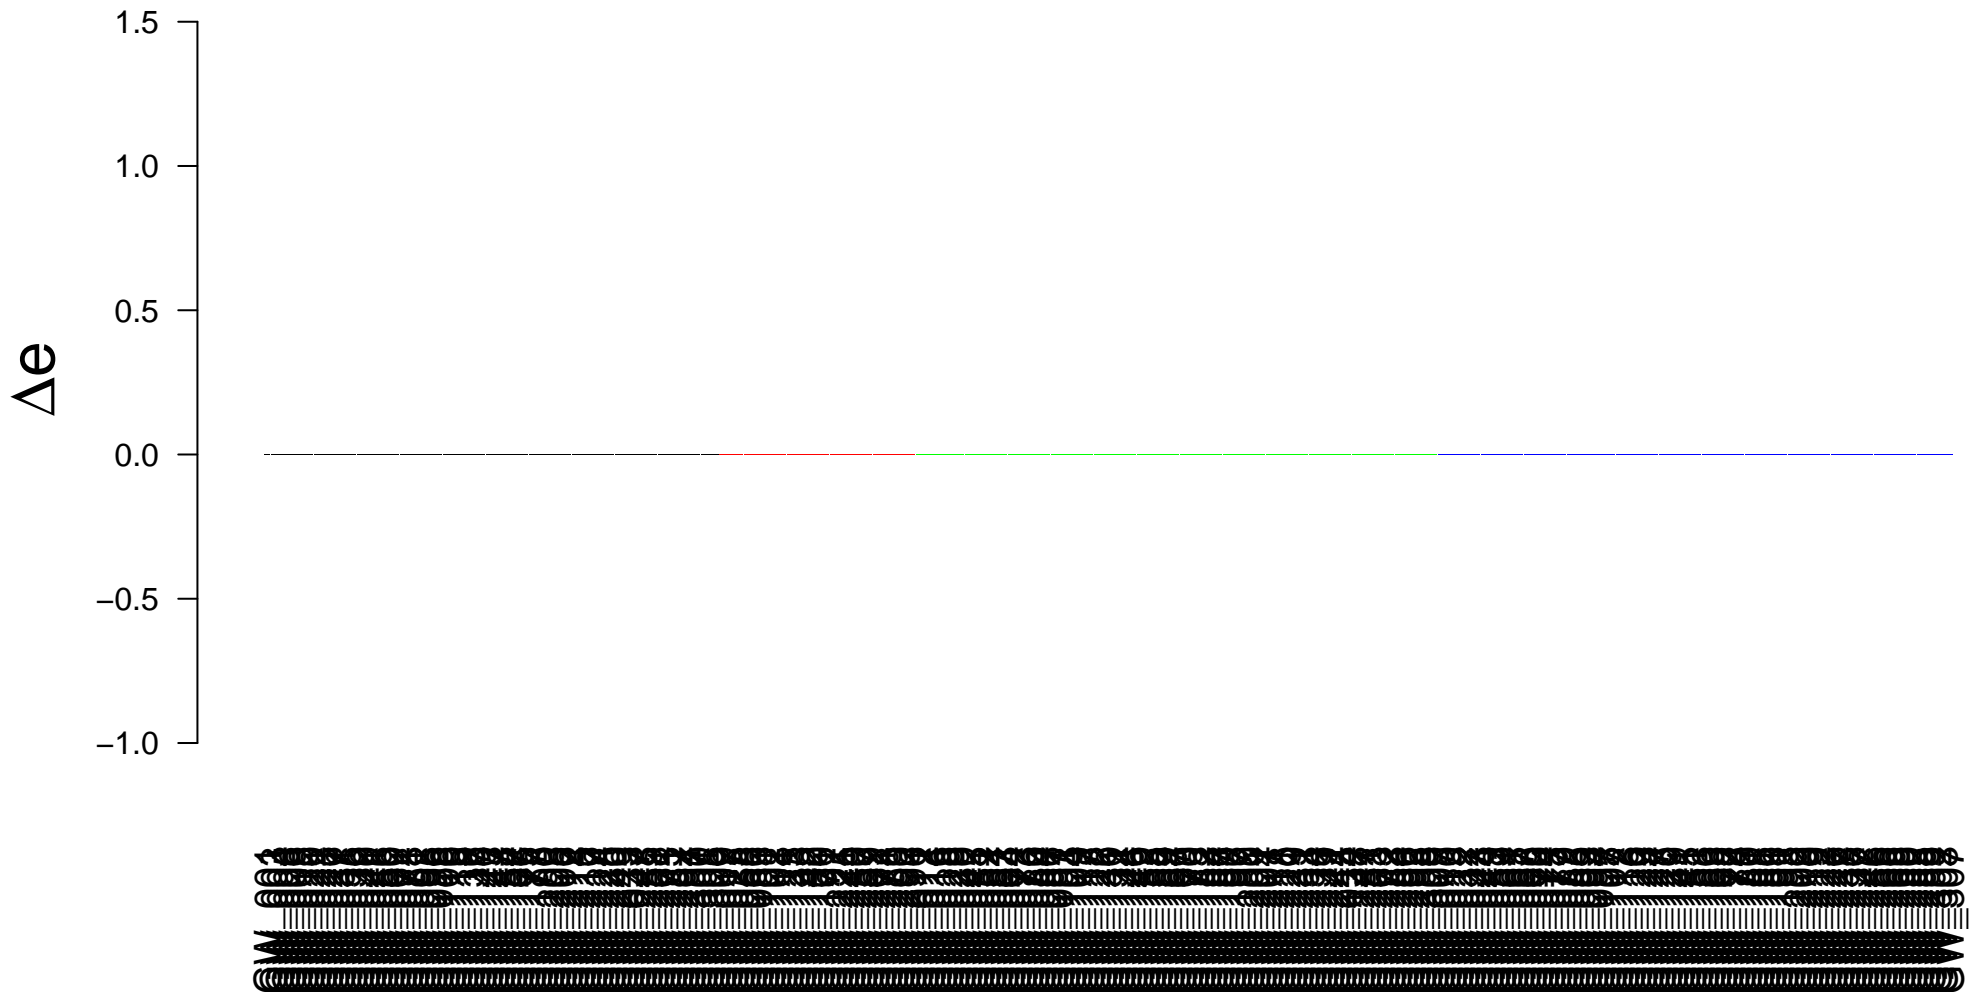

Expression of positive chemotaxis in Spot M

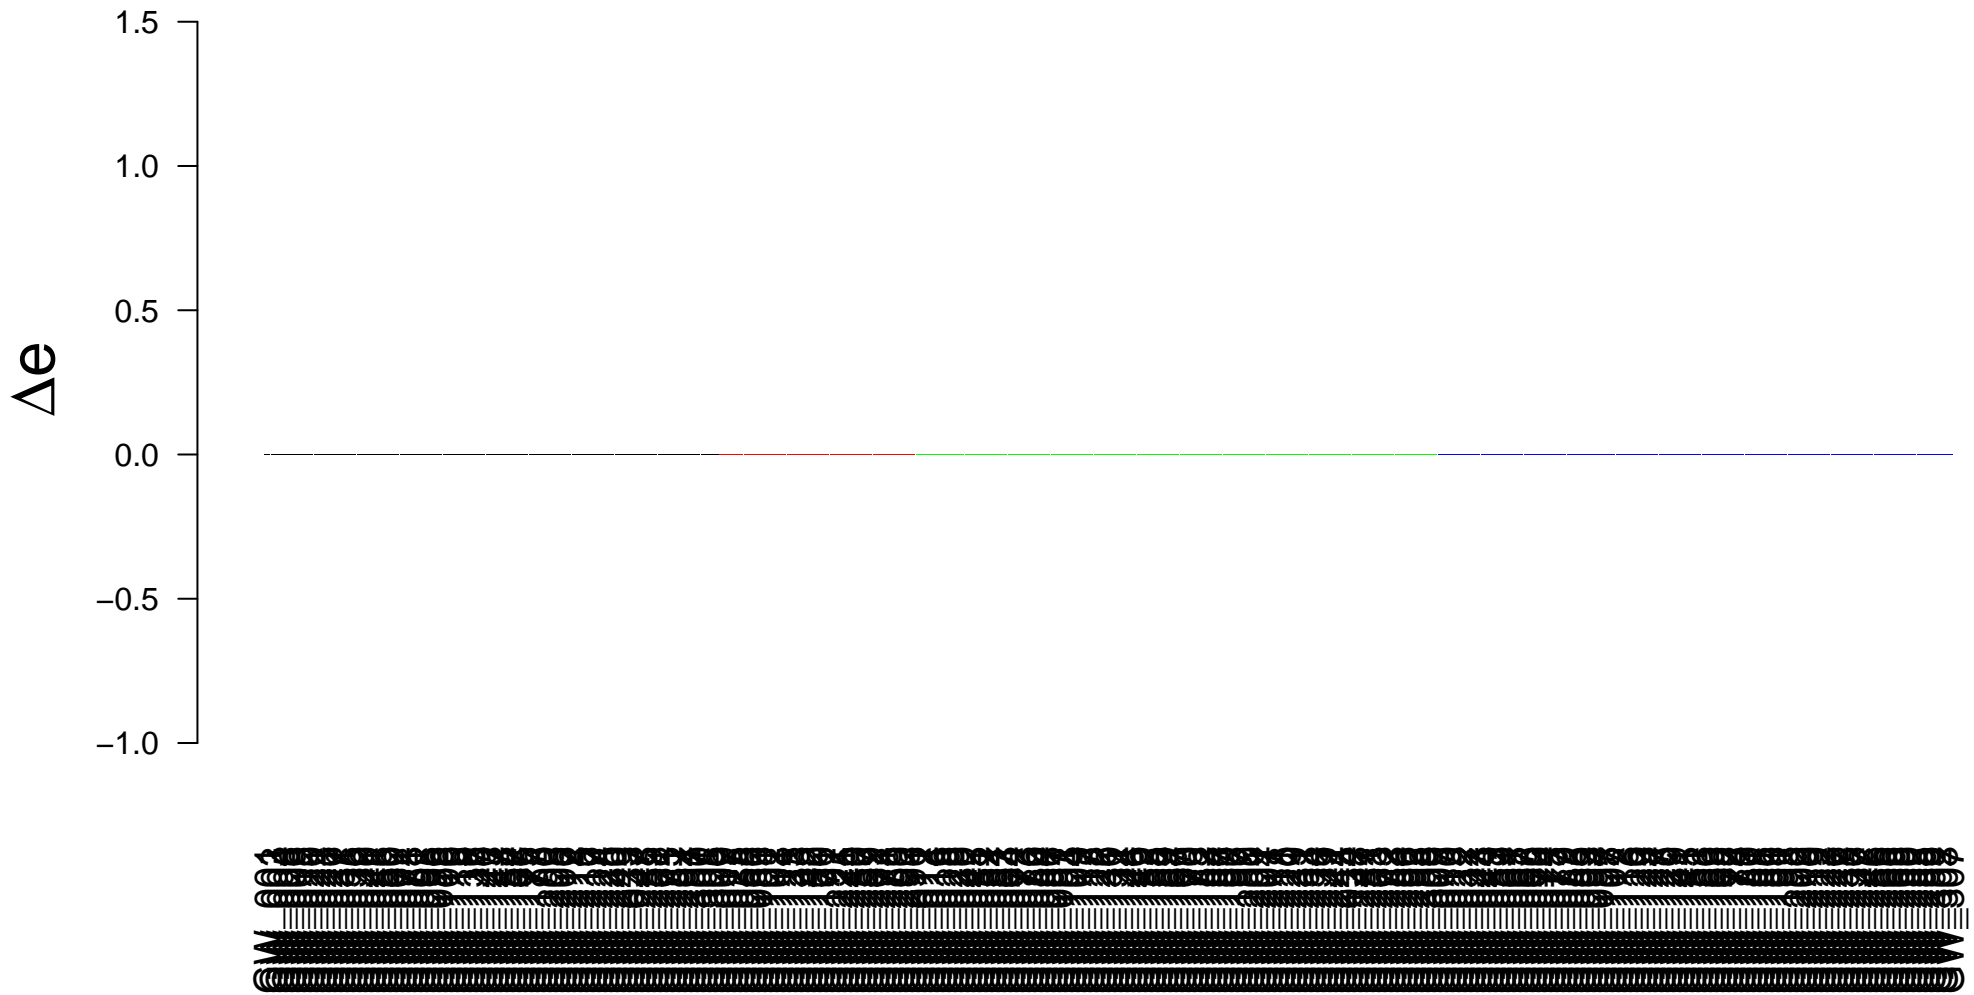

Δe

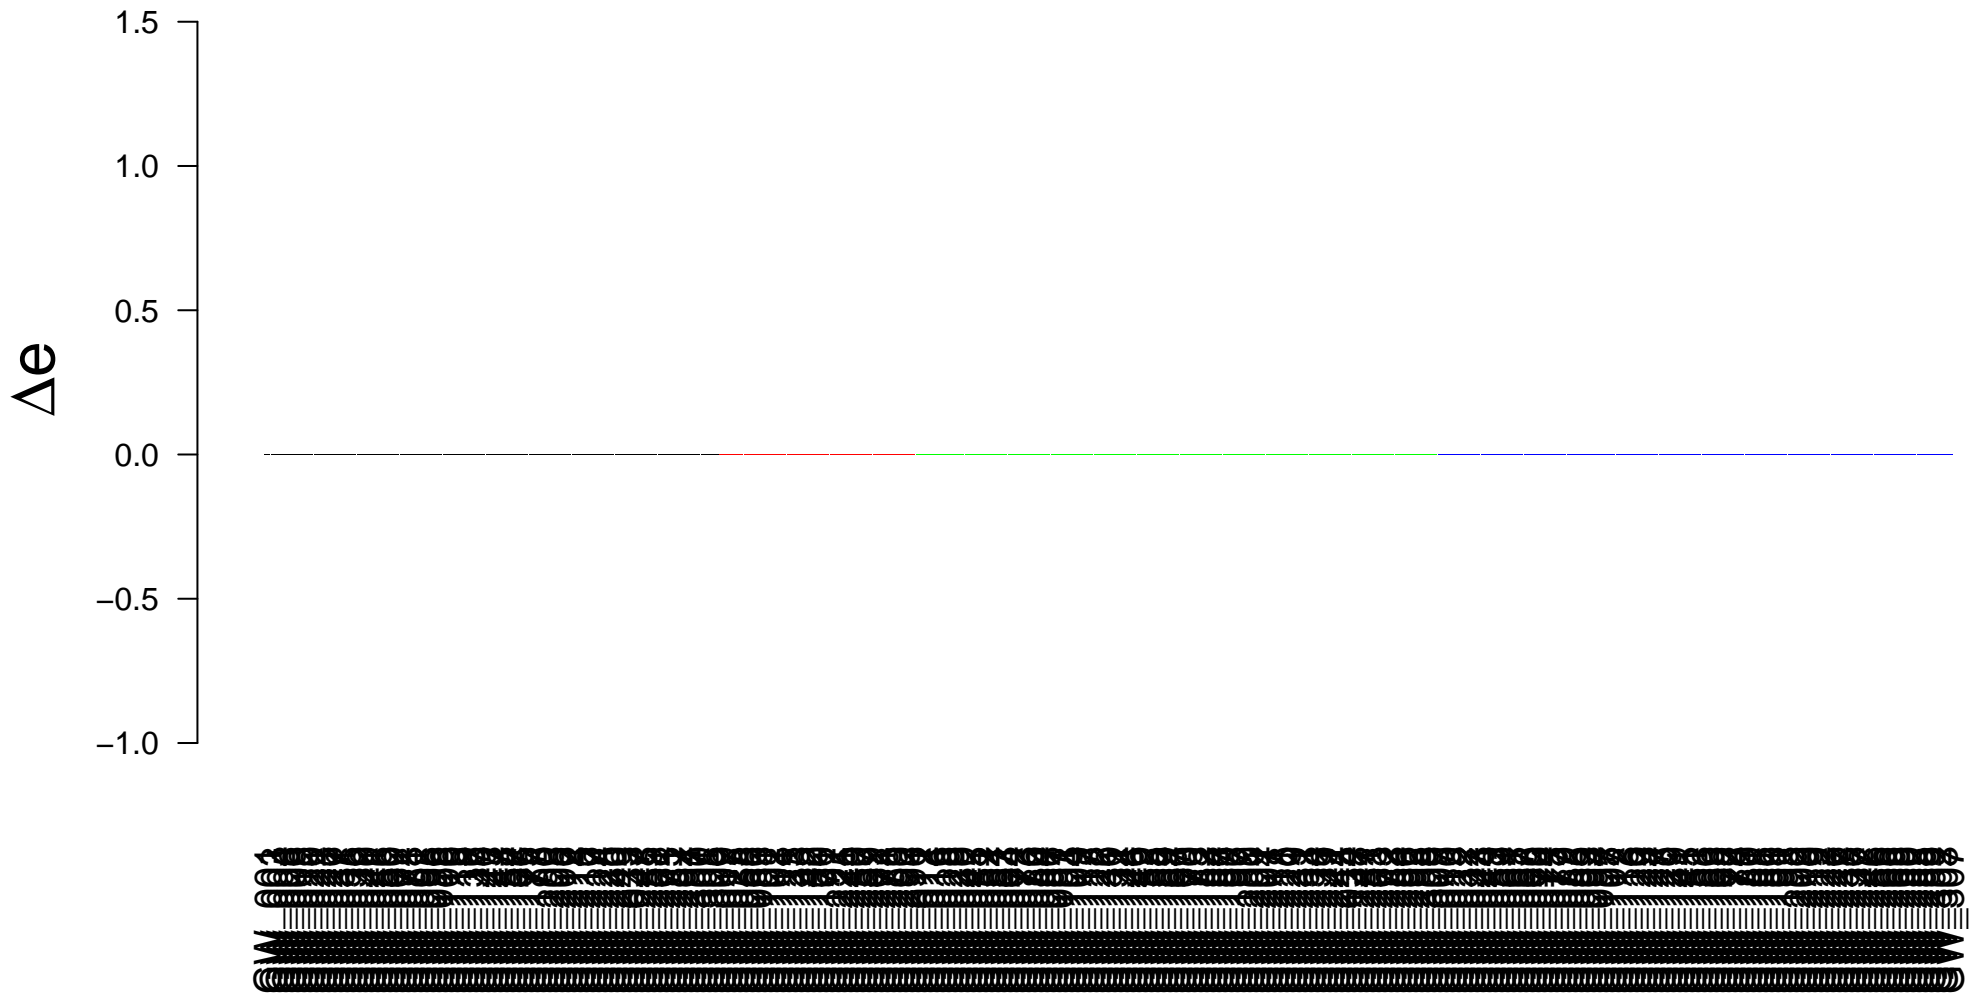

Expression of positive chemotaxis in Spot N

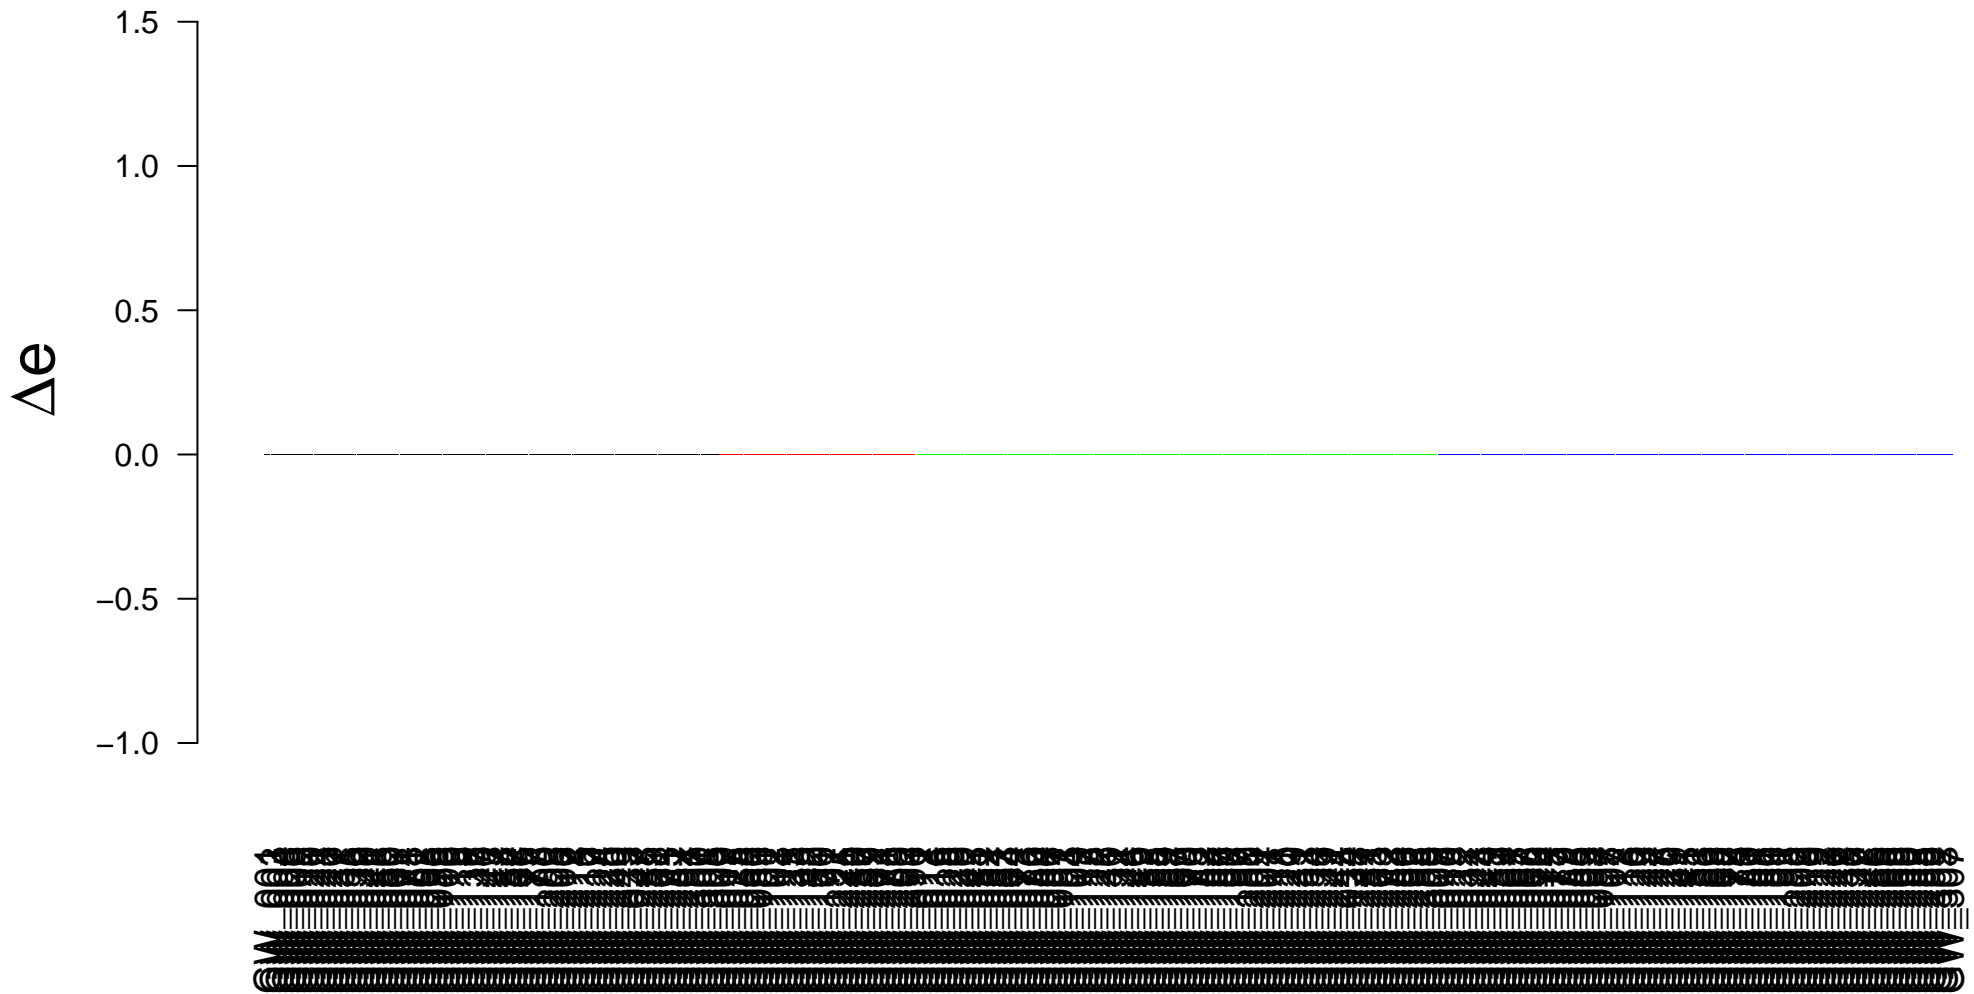

Expression of positive chemotaxis in Spot O

Expression of positive chemotaxis in Spot P

Expression of positive chemotaxis in Spot Q

Expression of positive chemotaxis in Spot R
