

positive regulation of DNA damage response, signal transduction by p53 class mediator

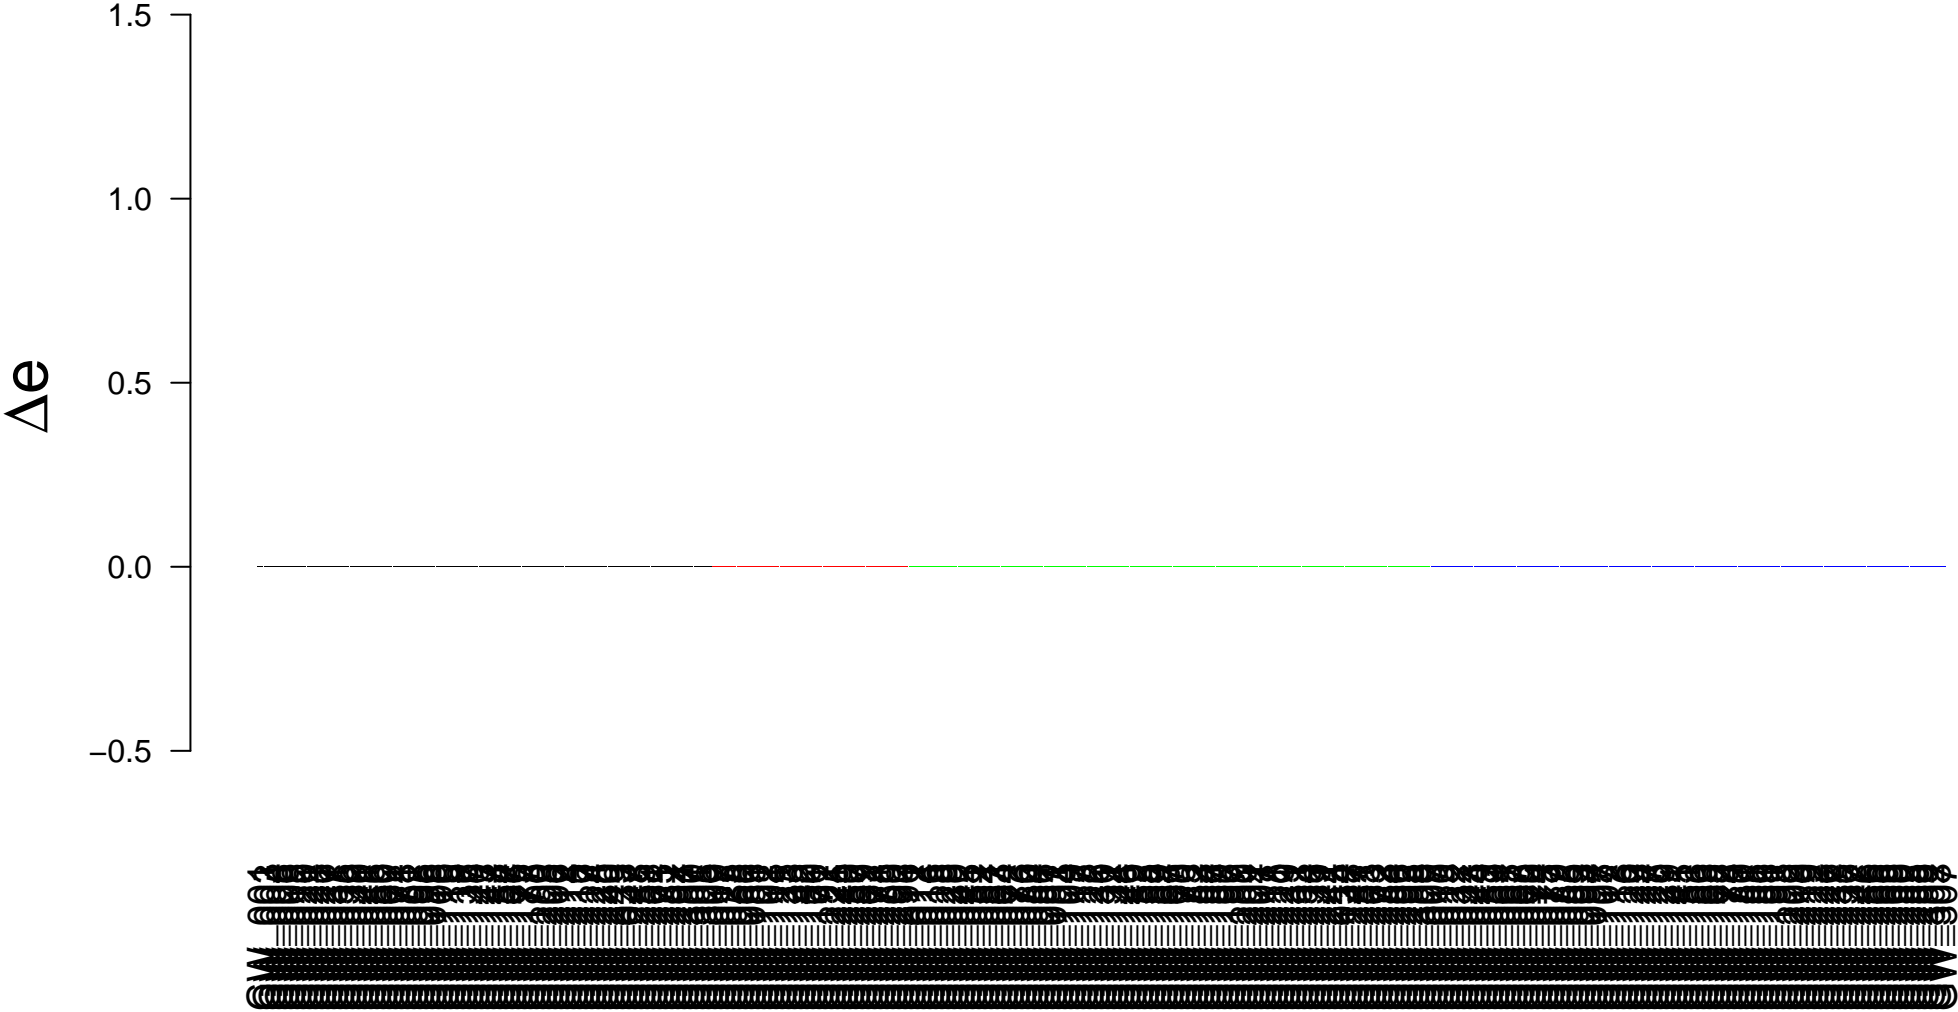

positive regulation of DNA damage response, signal transduction by p53 class mediator

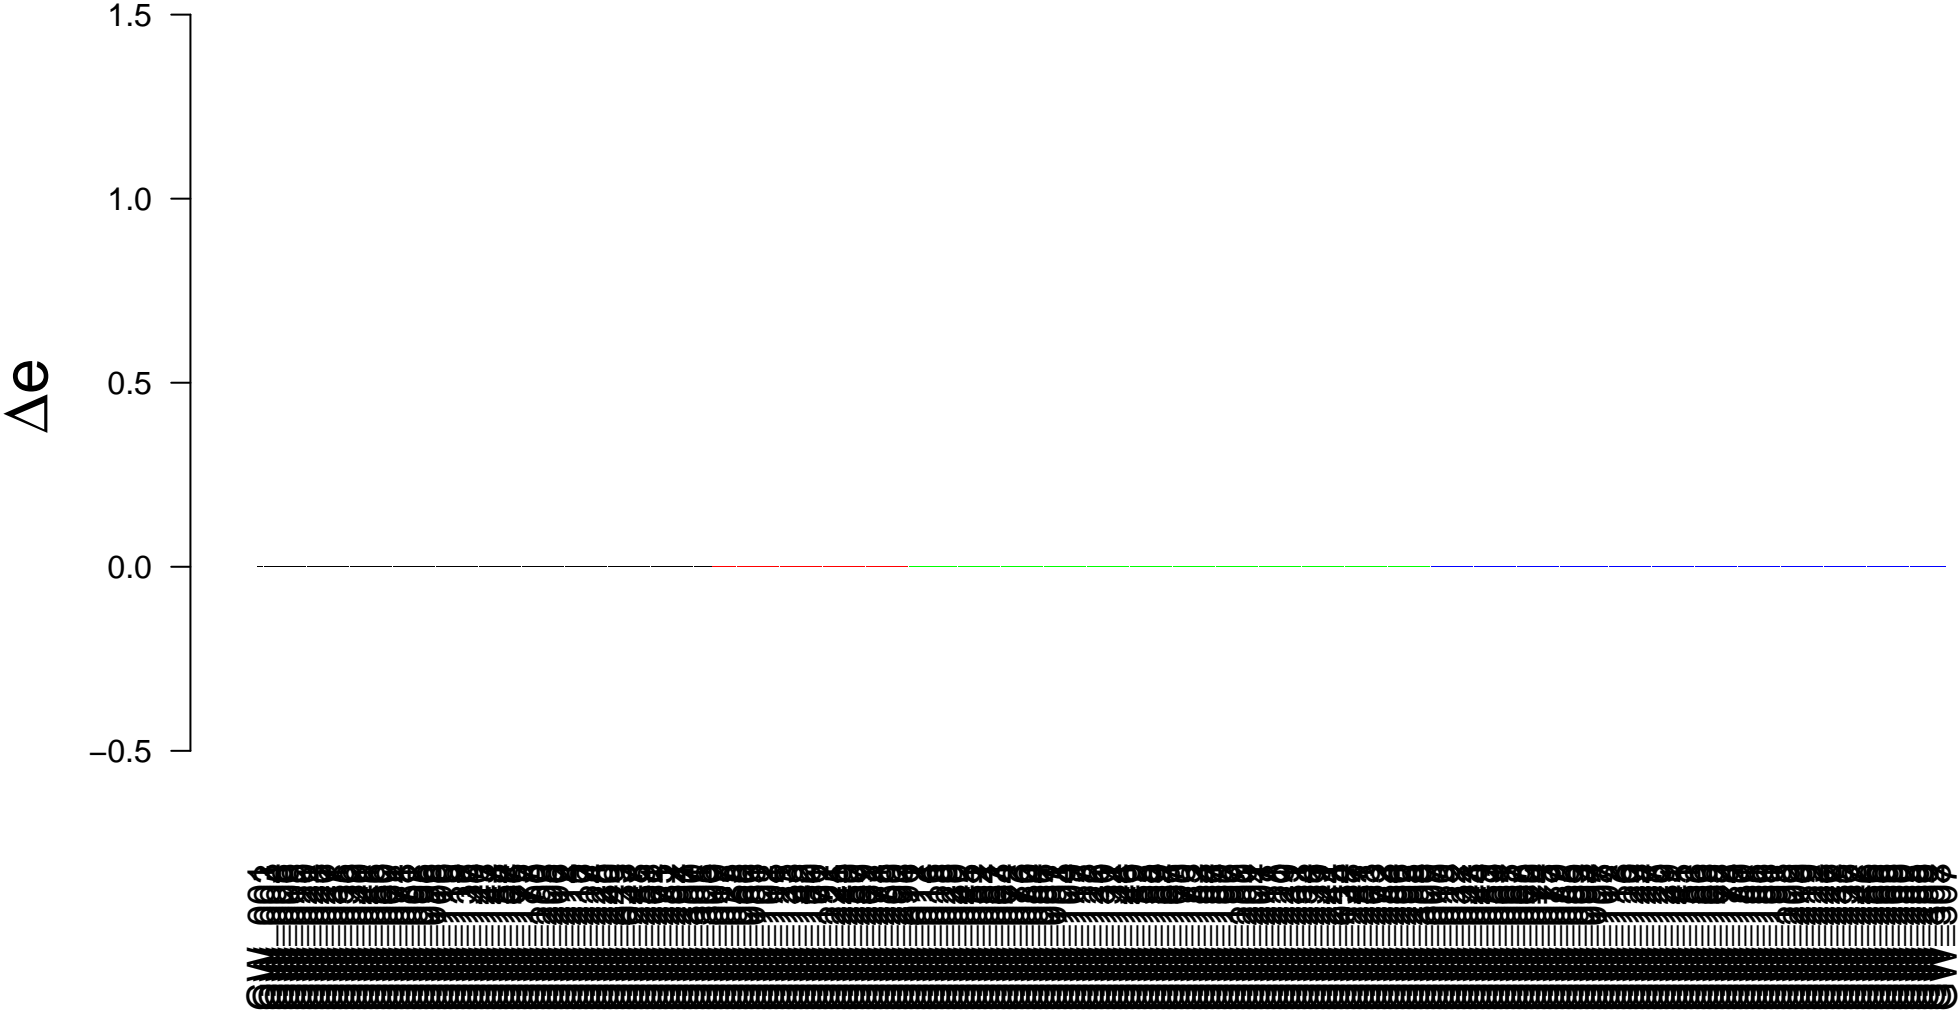

Enrichment in spots: positive regulation of DNA damage response, signal transduction by p53 class mediator

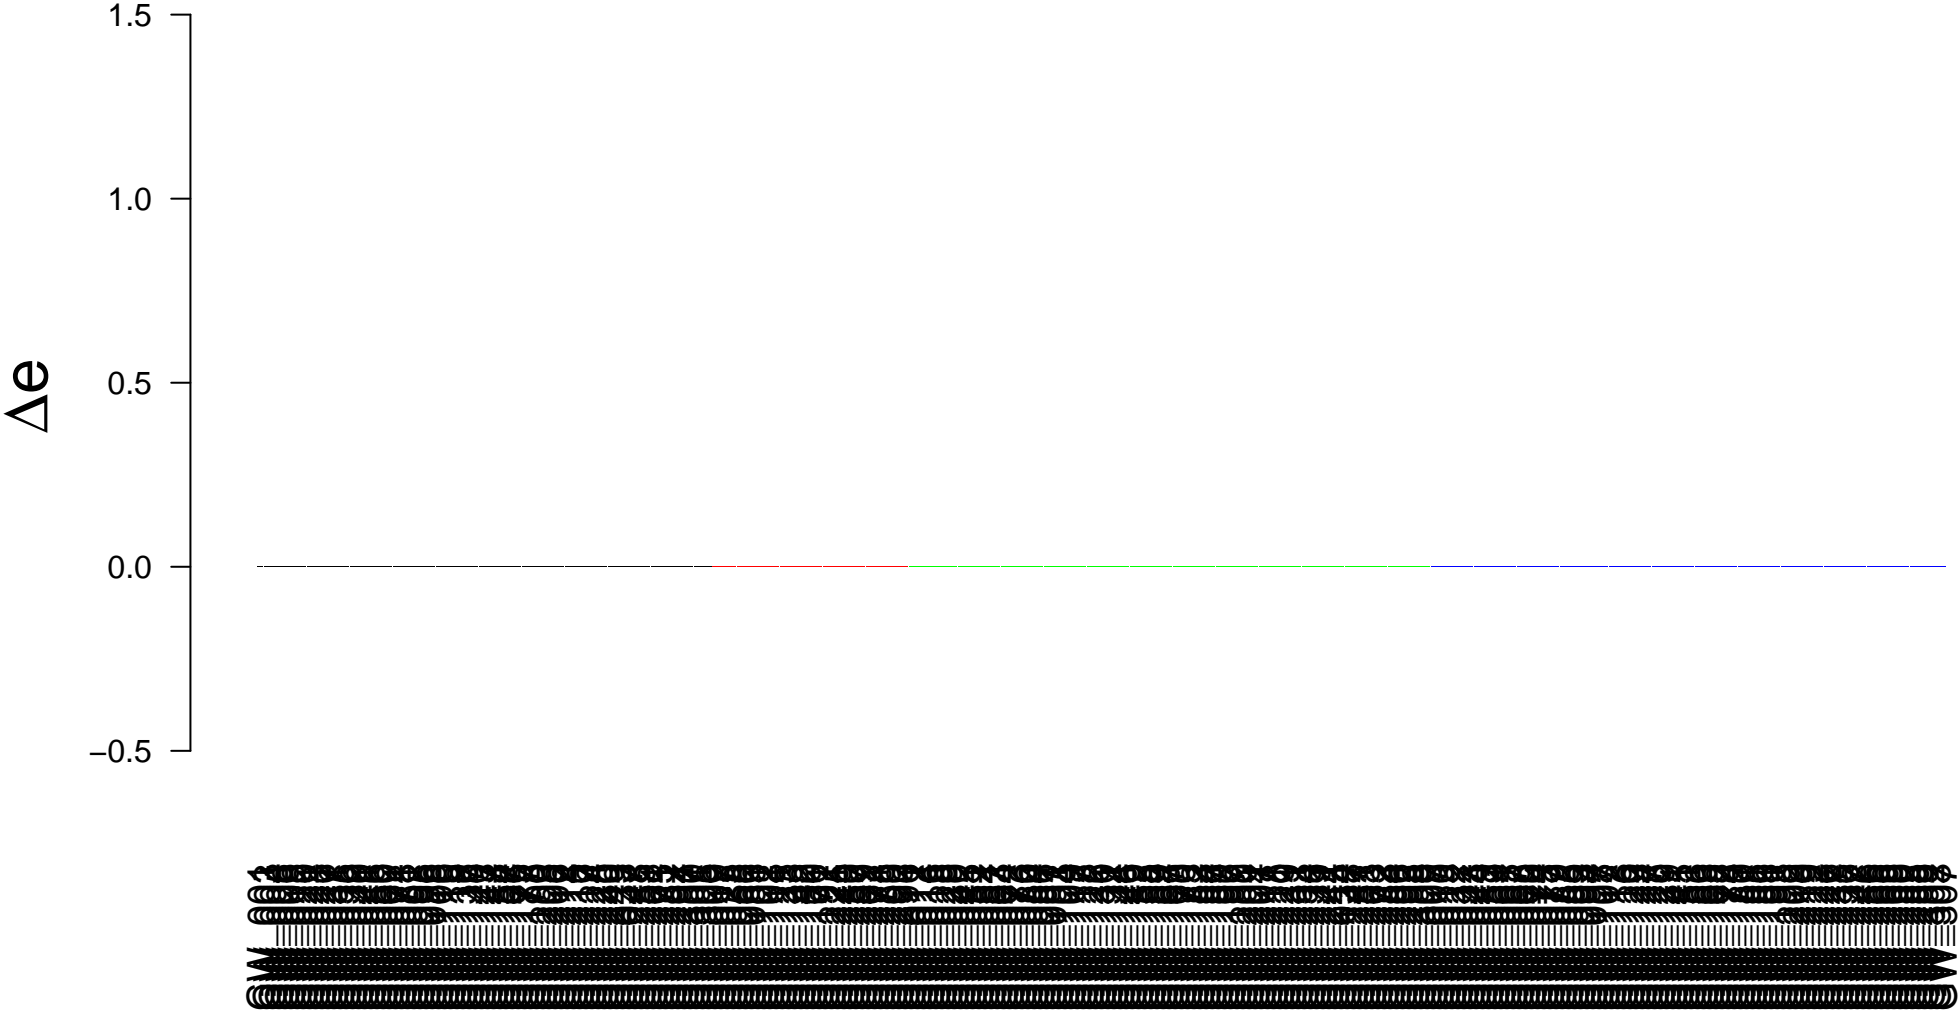

Expression of positive regulation of DNA damage response, signal transduction by p53 class mediator in Spot A

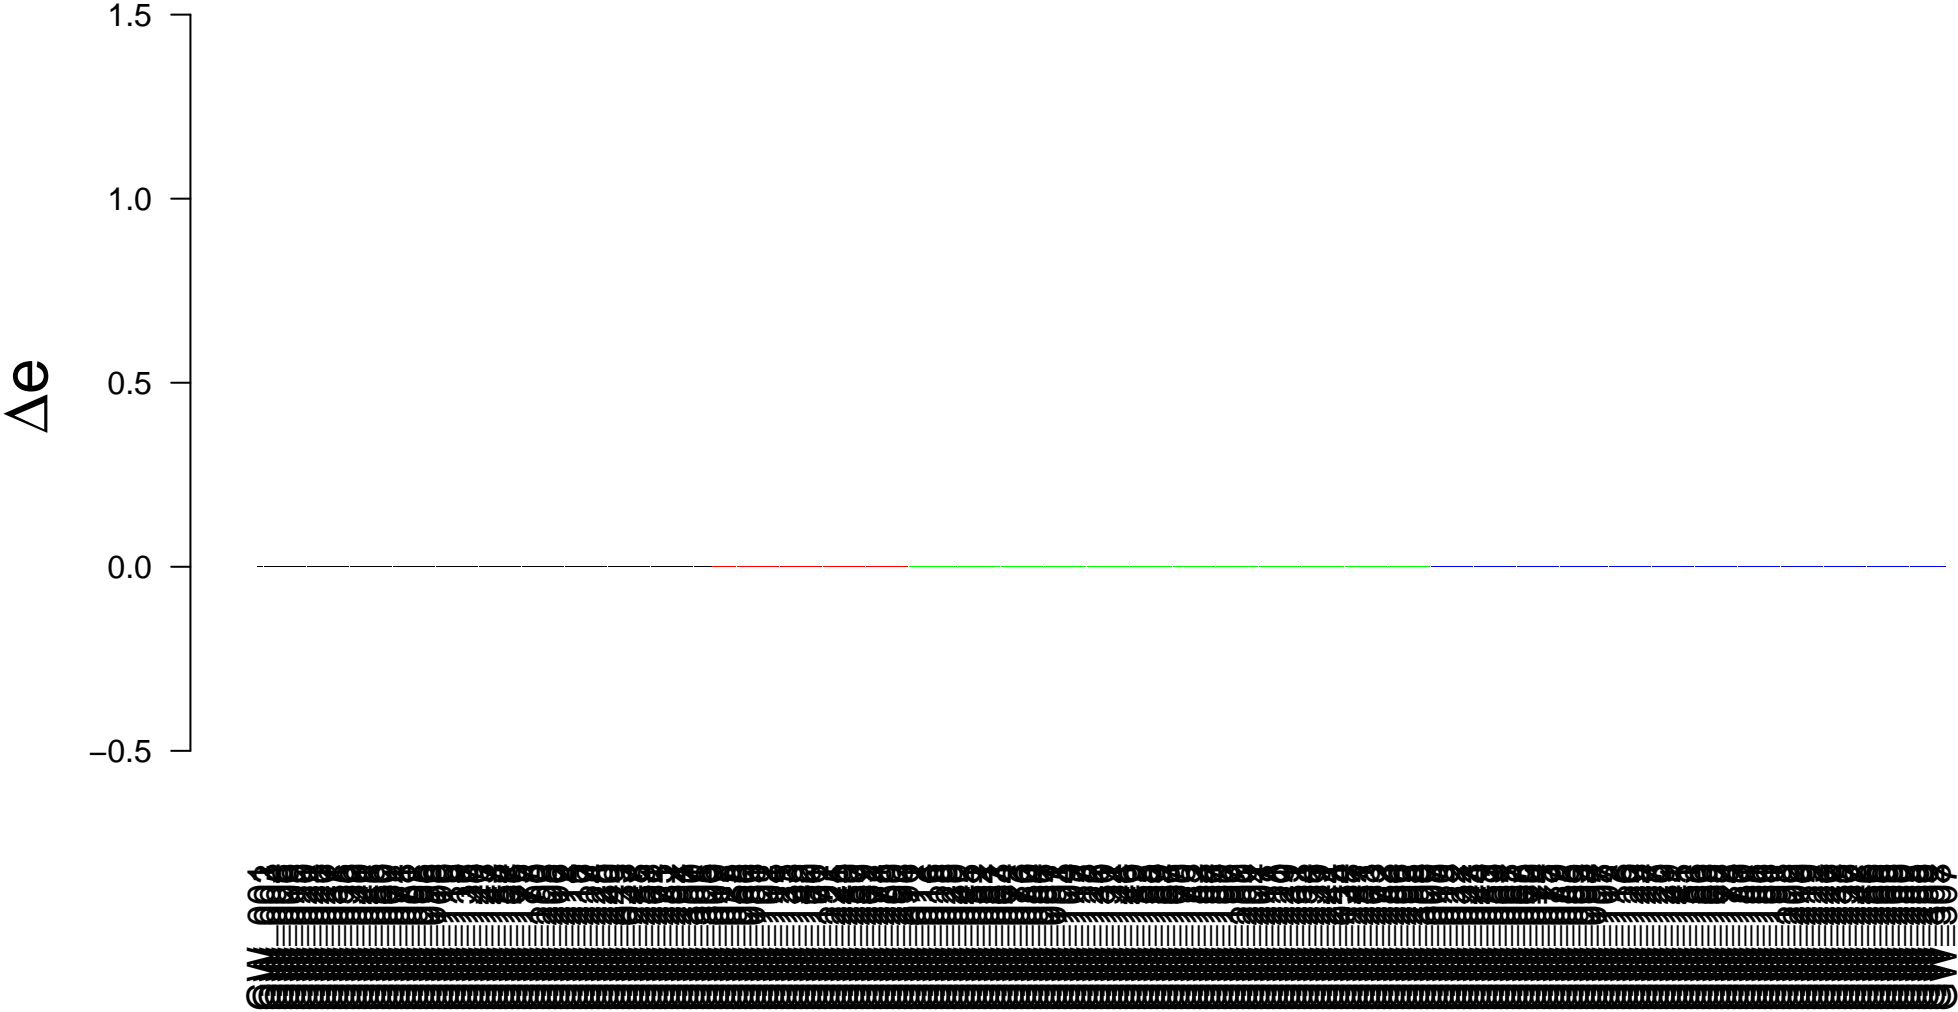

Expression of positive regulation of DNA damage response, signal transduction by p53 class mediator in Spot B

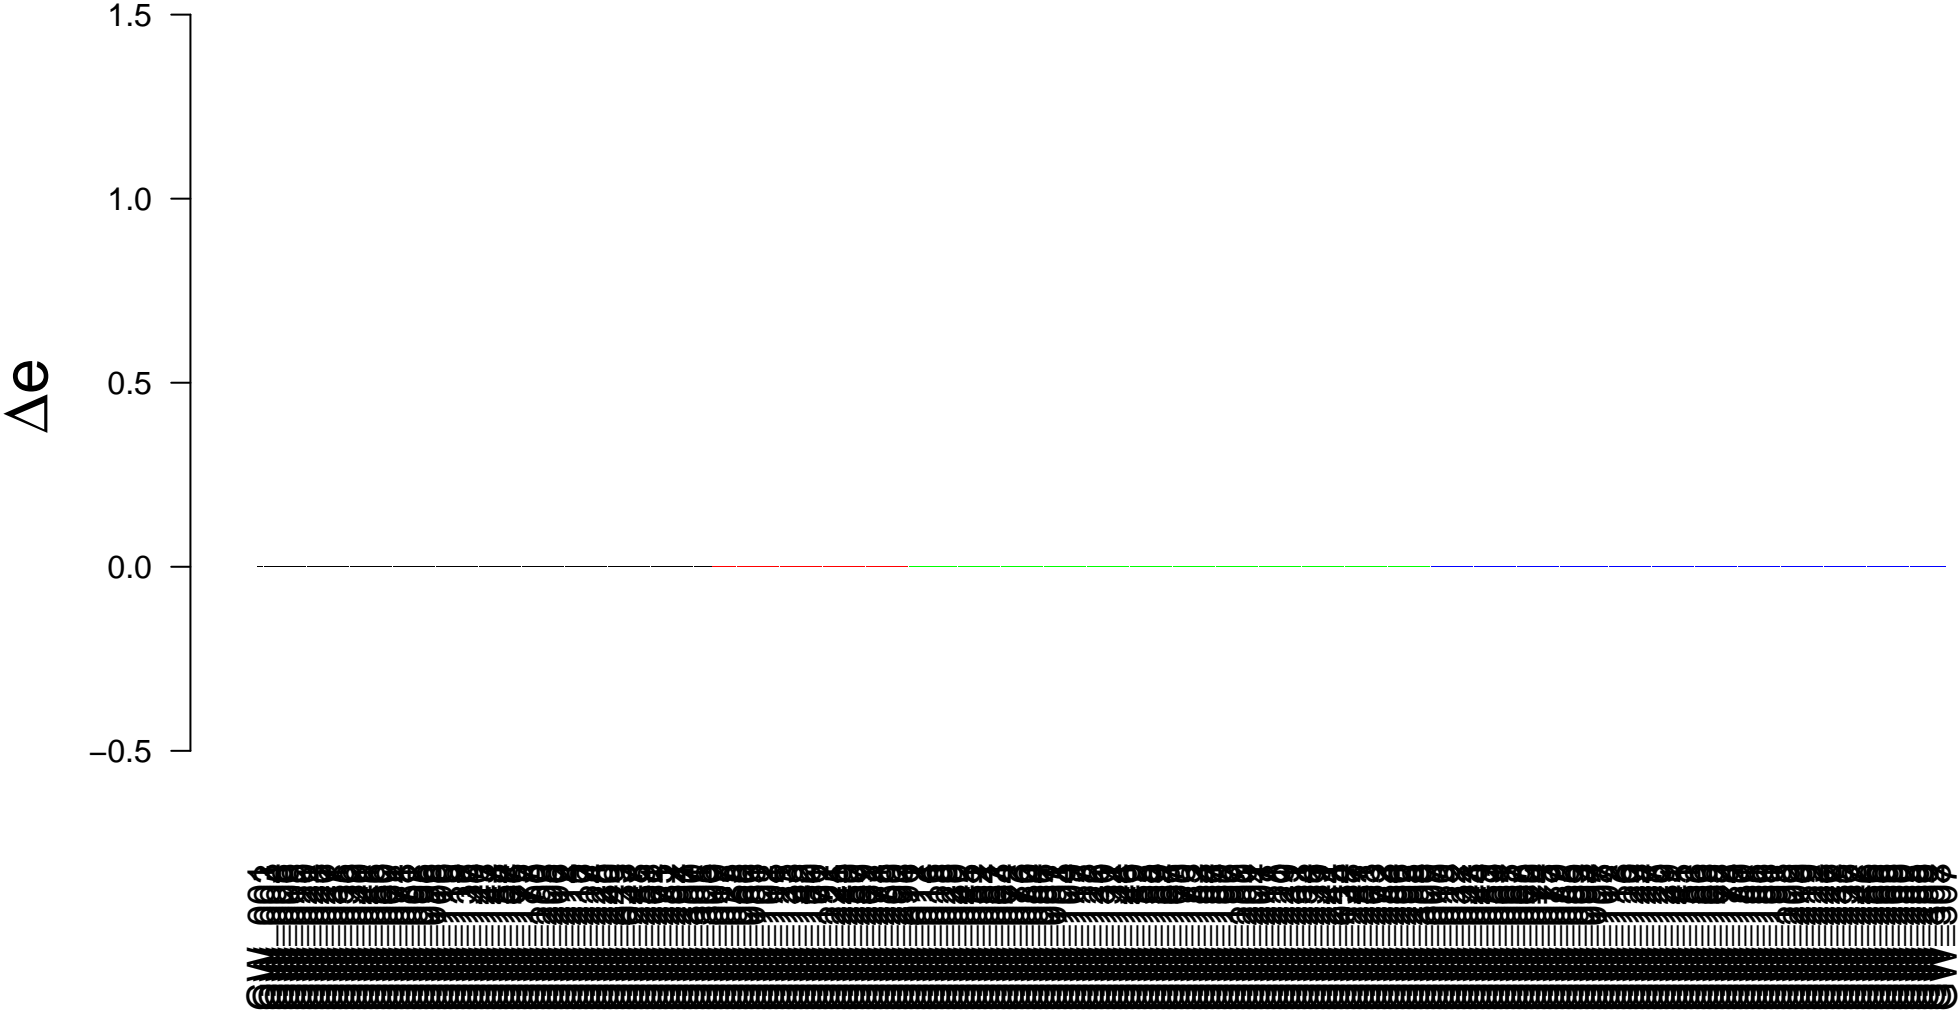

Expression of positive regulation of DNA damage response, signal transduction by p53 class mediator in Spot C

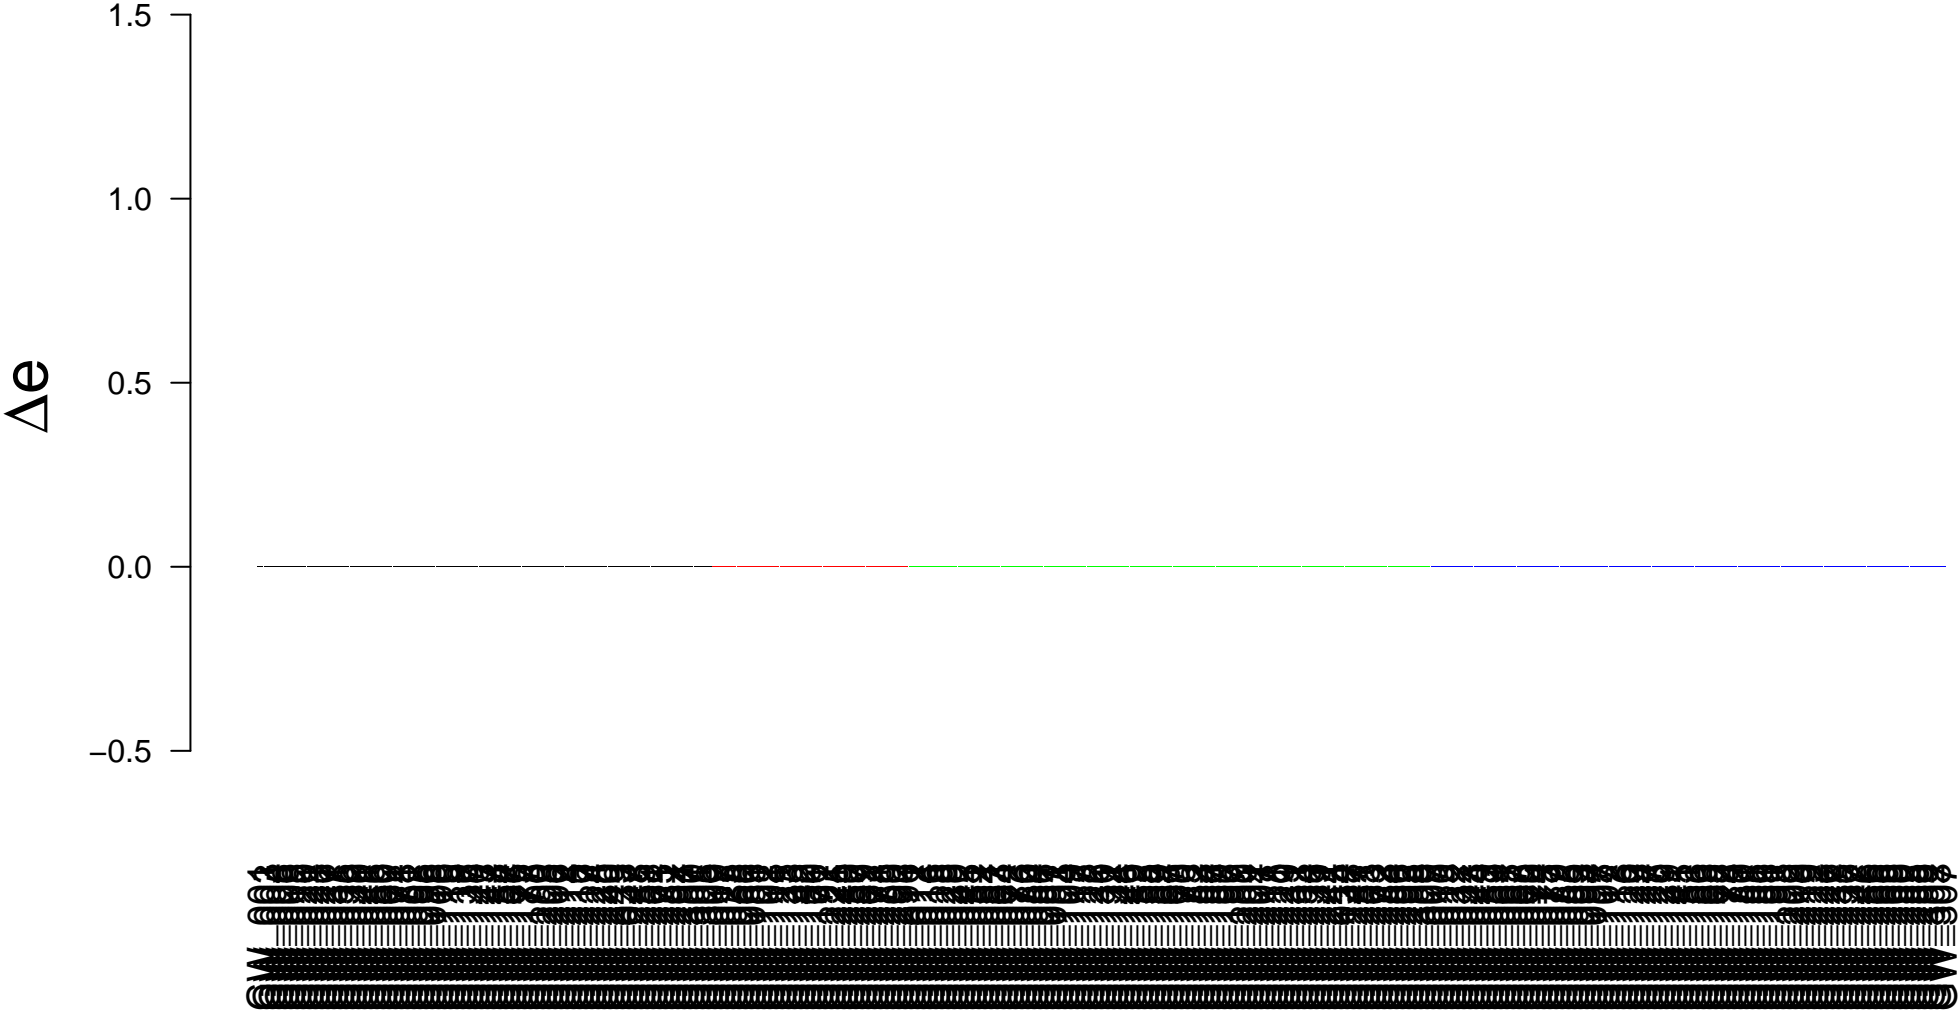

Expression of positive regulation of DNA damage response, signal transduction by p53 class mediator in Spot D

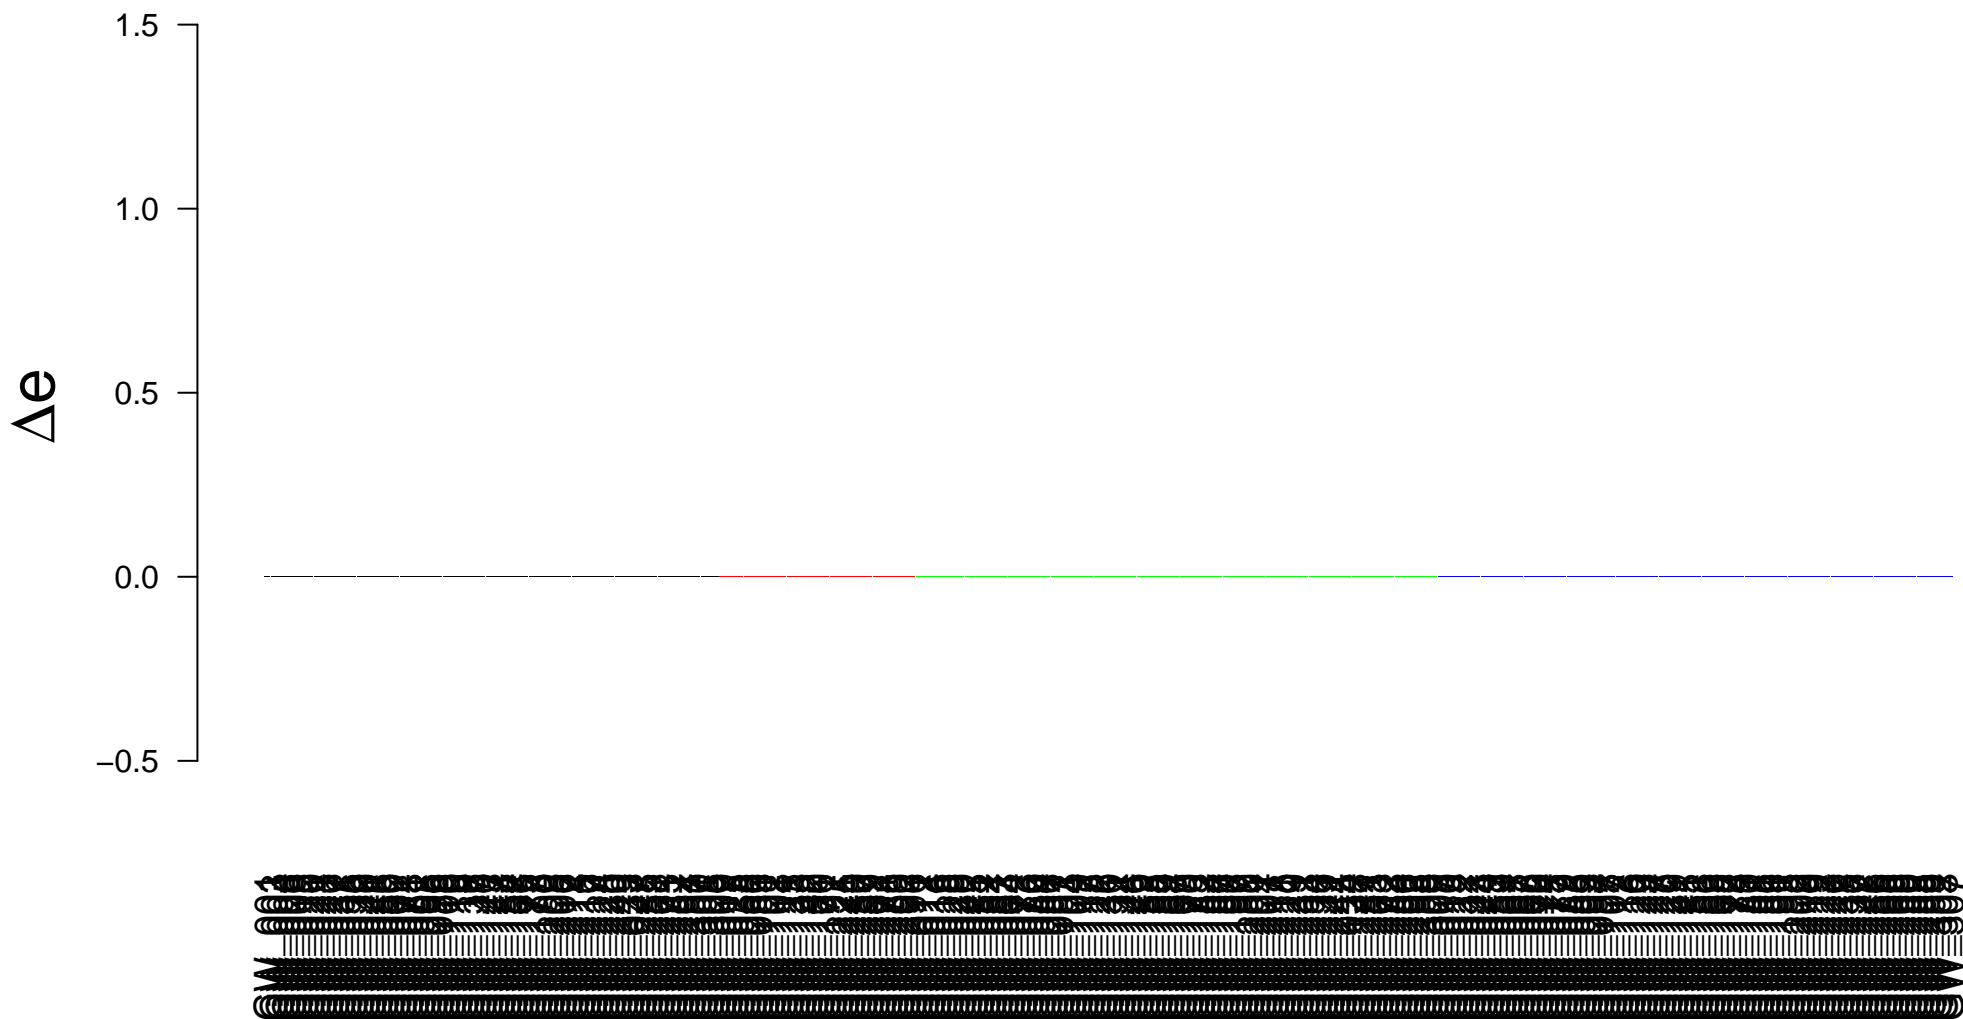

Expression of positive regulation of DNA damage response, signal transduction by p53 class mediator in Spot E

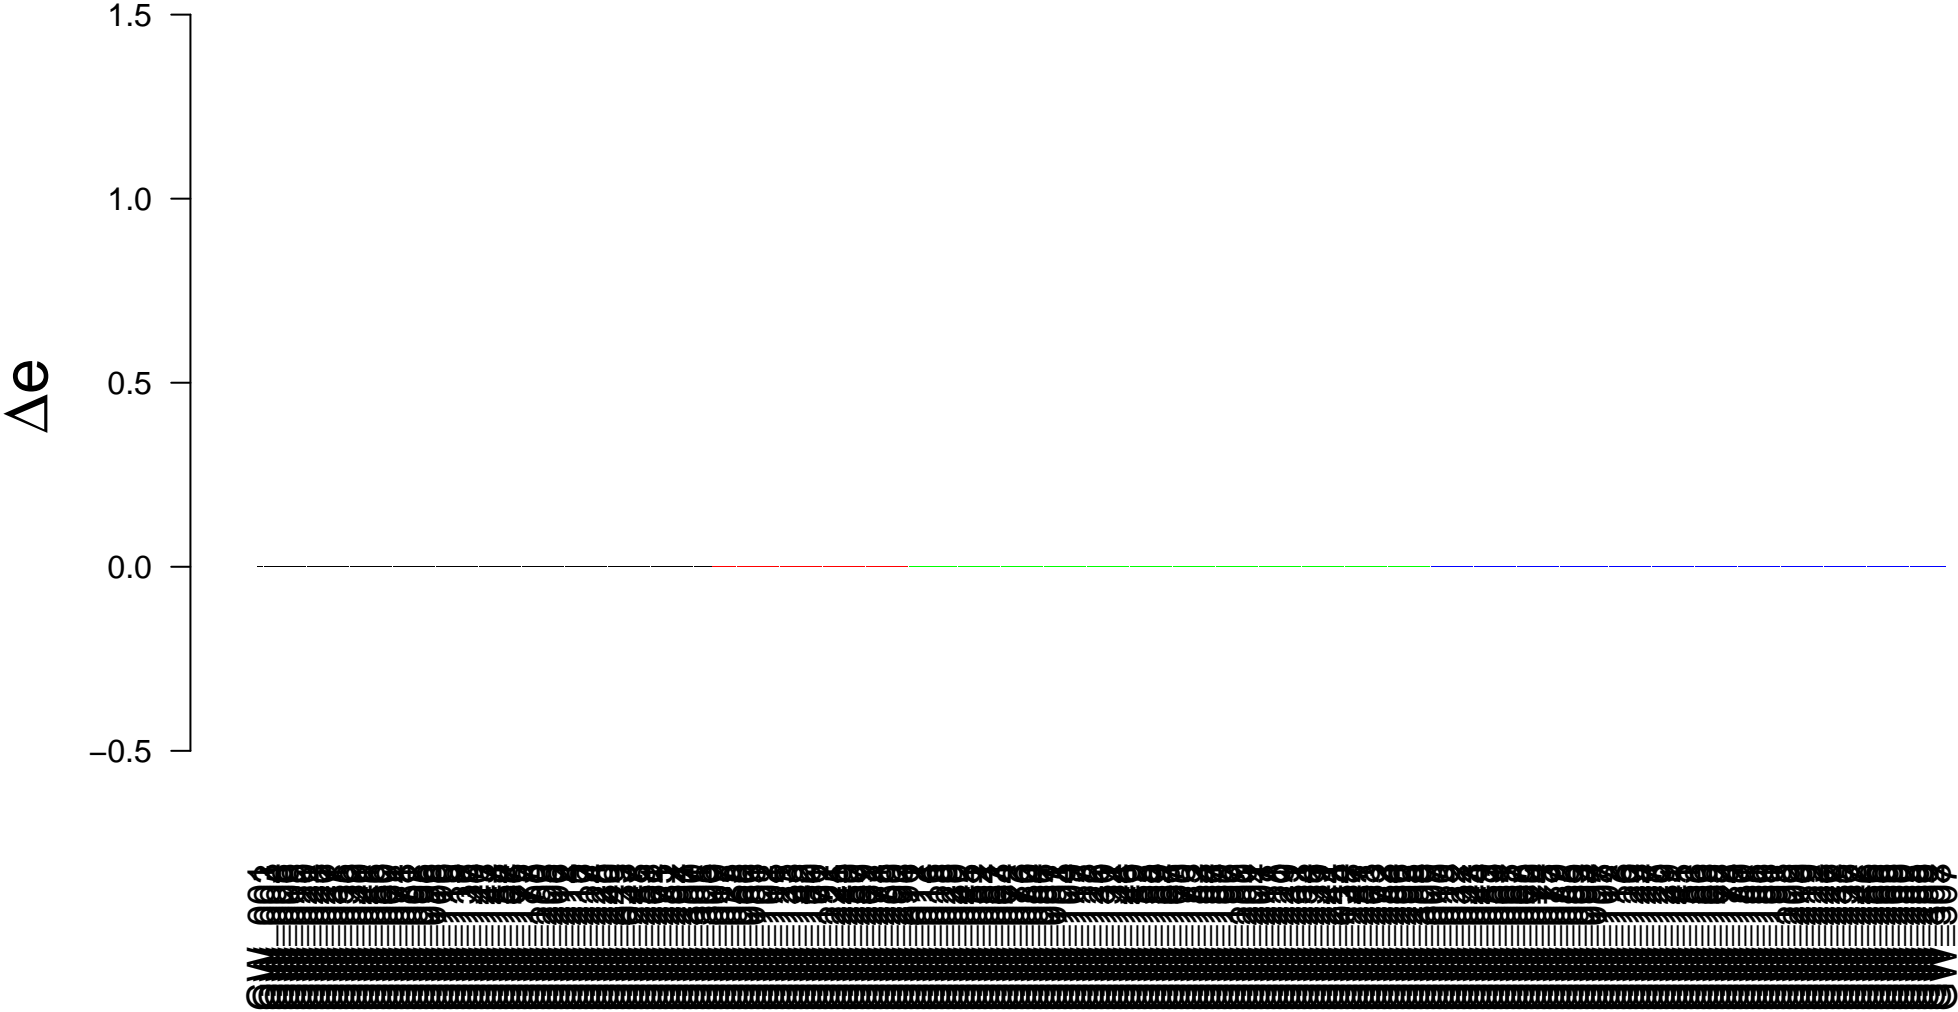

Expression of positive regulation of DNA damage response, signal transduction by p53 class mediator in Spot F

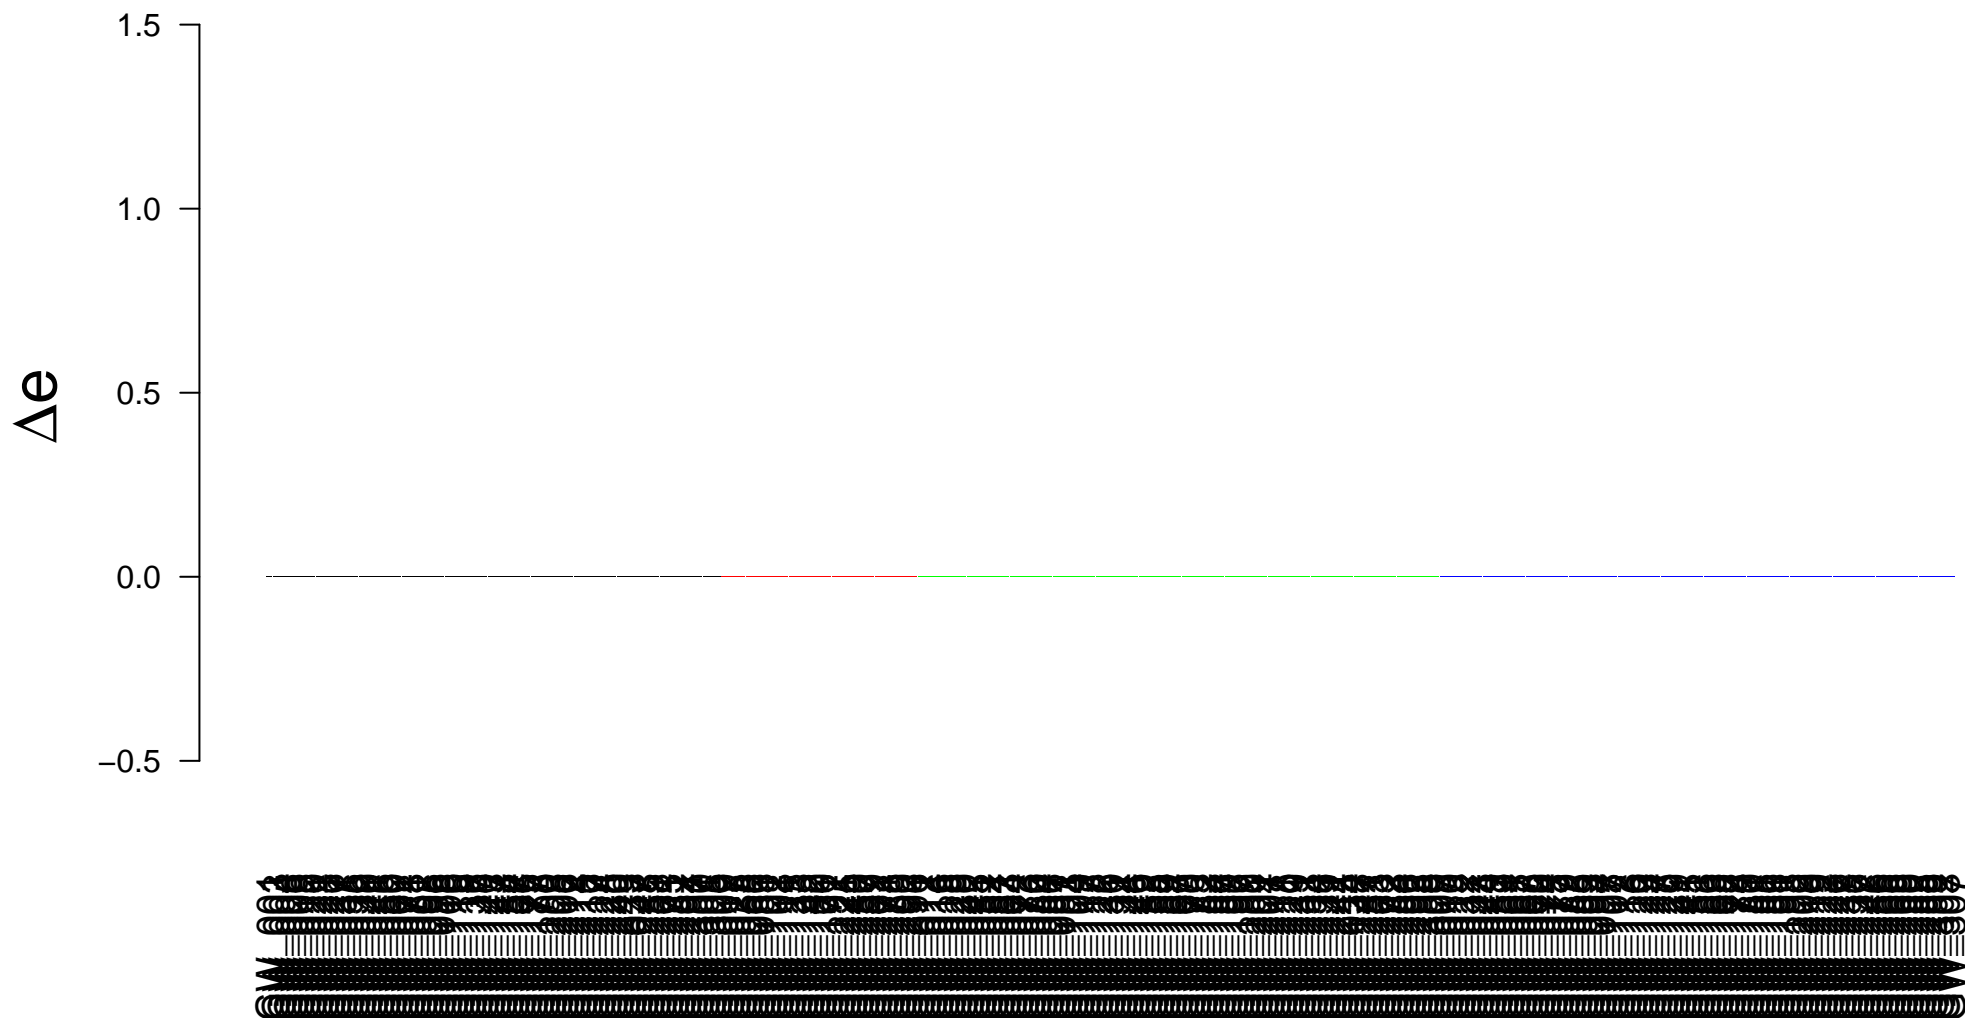

Expression of positive regulation of DNA damage response, signal transduction by p53 class mediator in Spot G

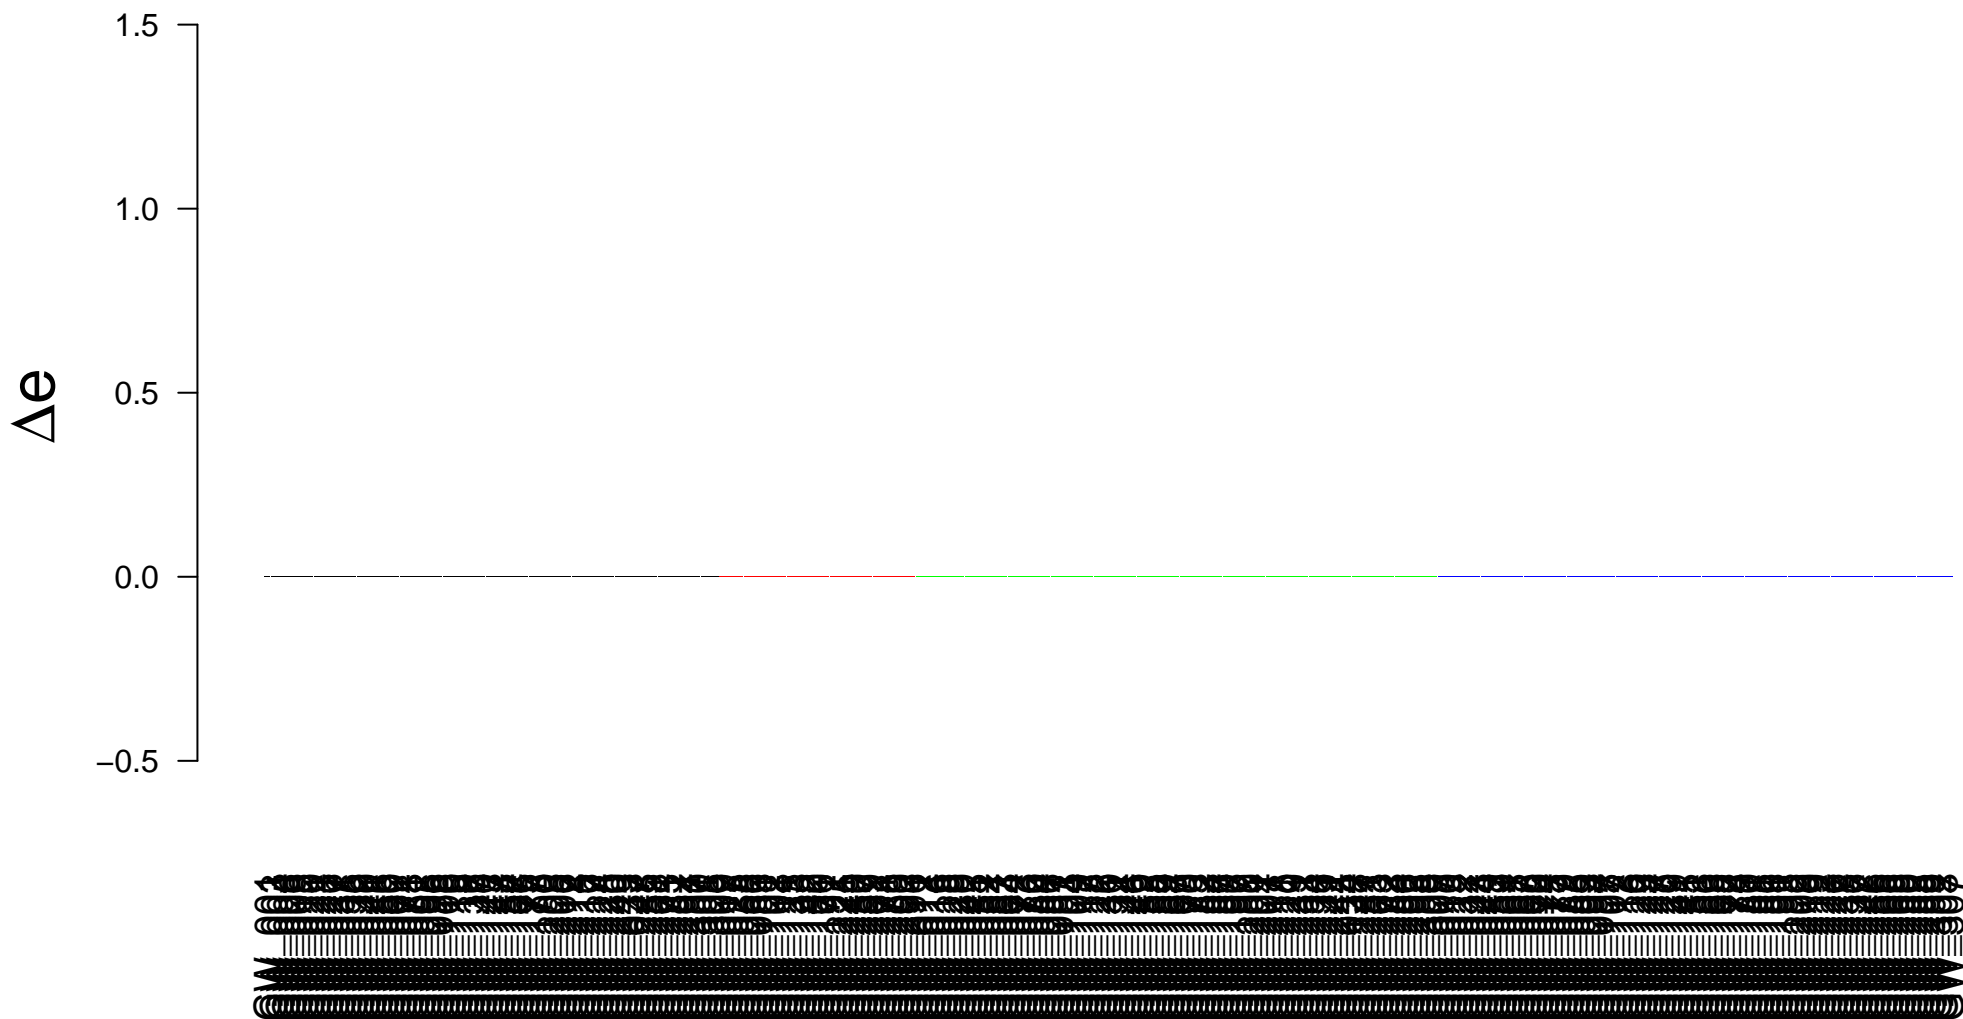

Expression of positive regulation of DNA damage response, signal transduction by p53 class mediator in Spot H

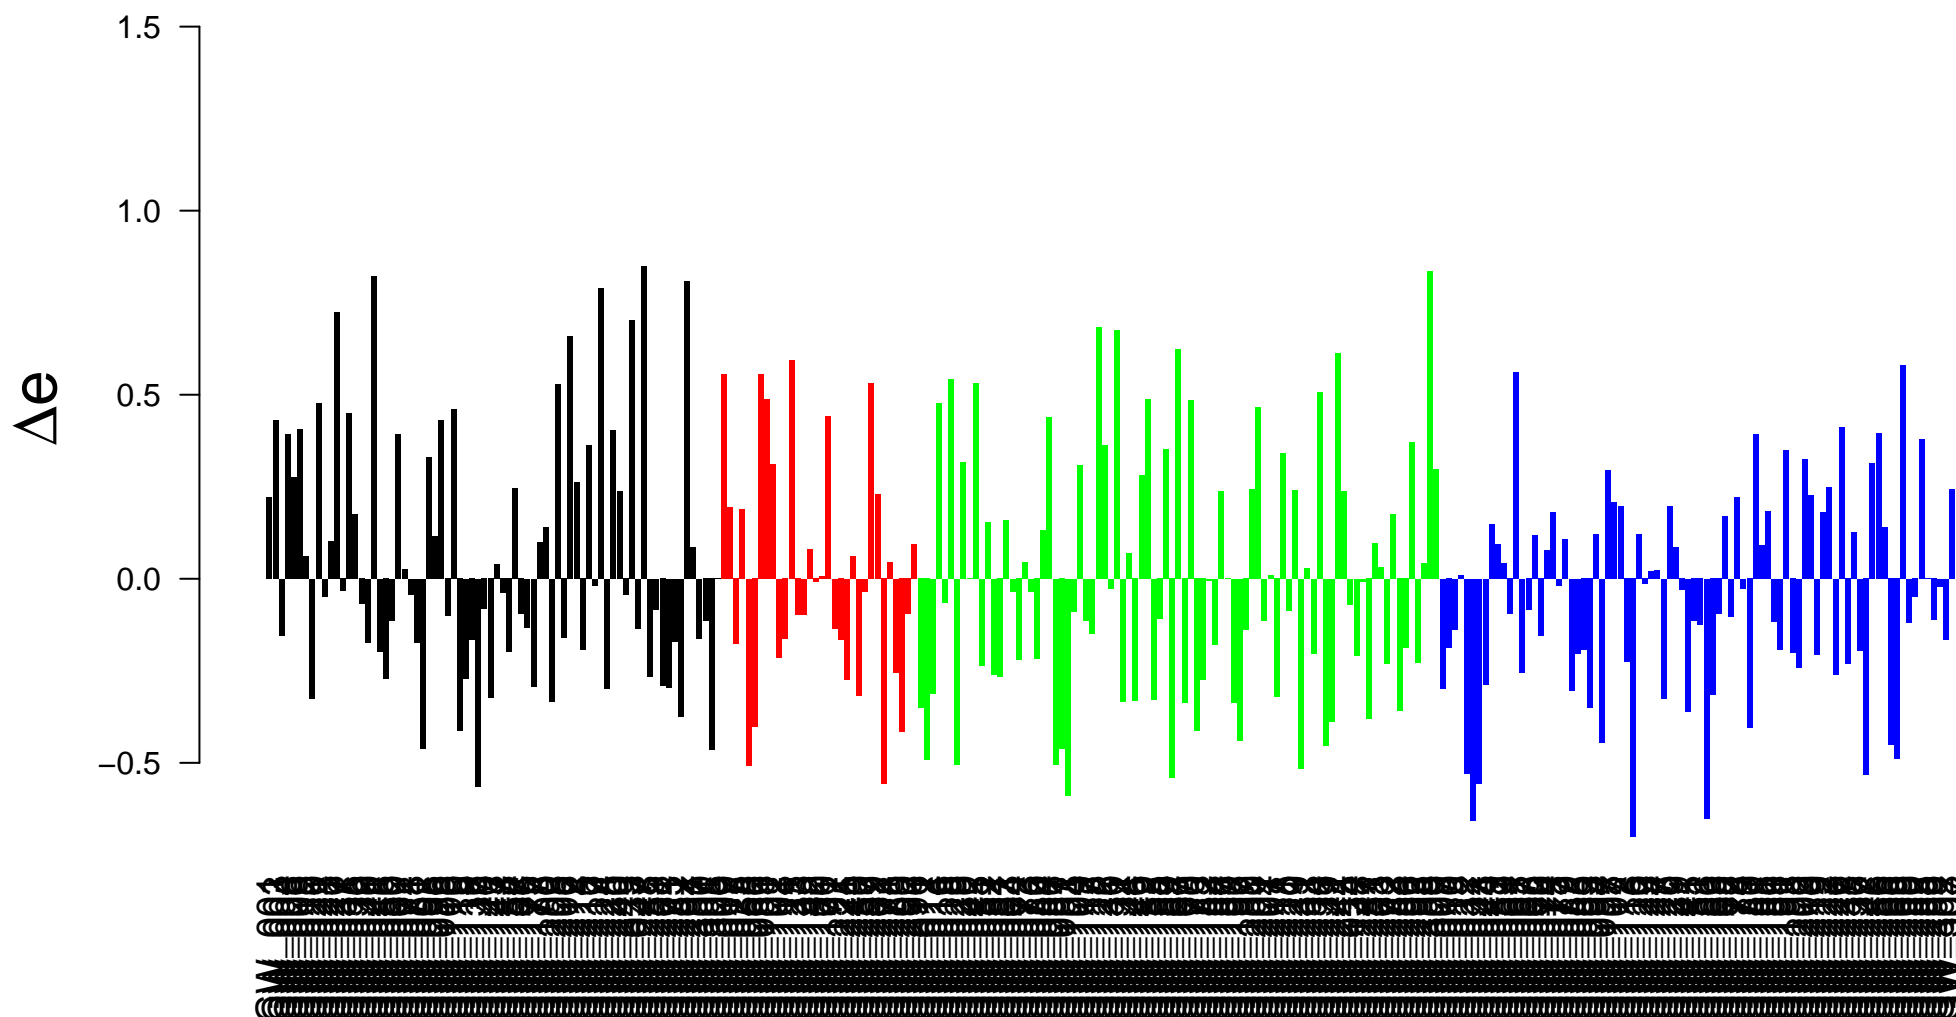

Expression of positive regulation of DNA damage response, signal transduction by p53 class mediator in Spot I

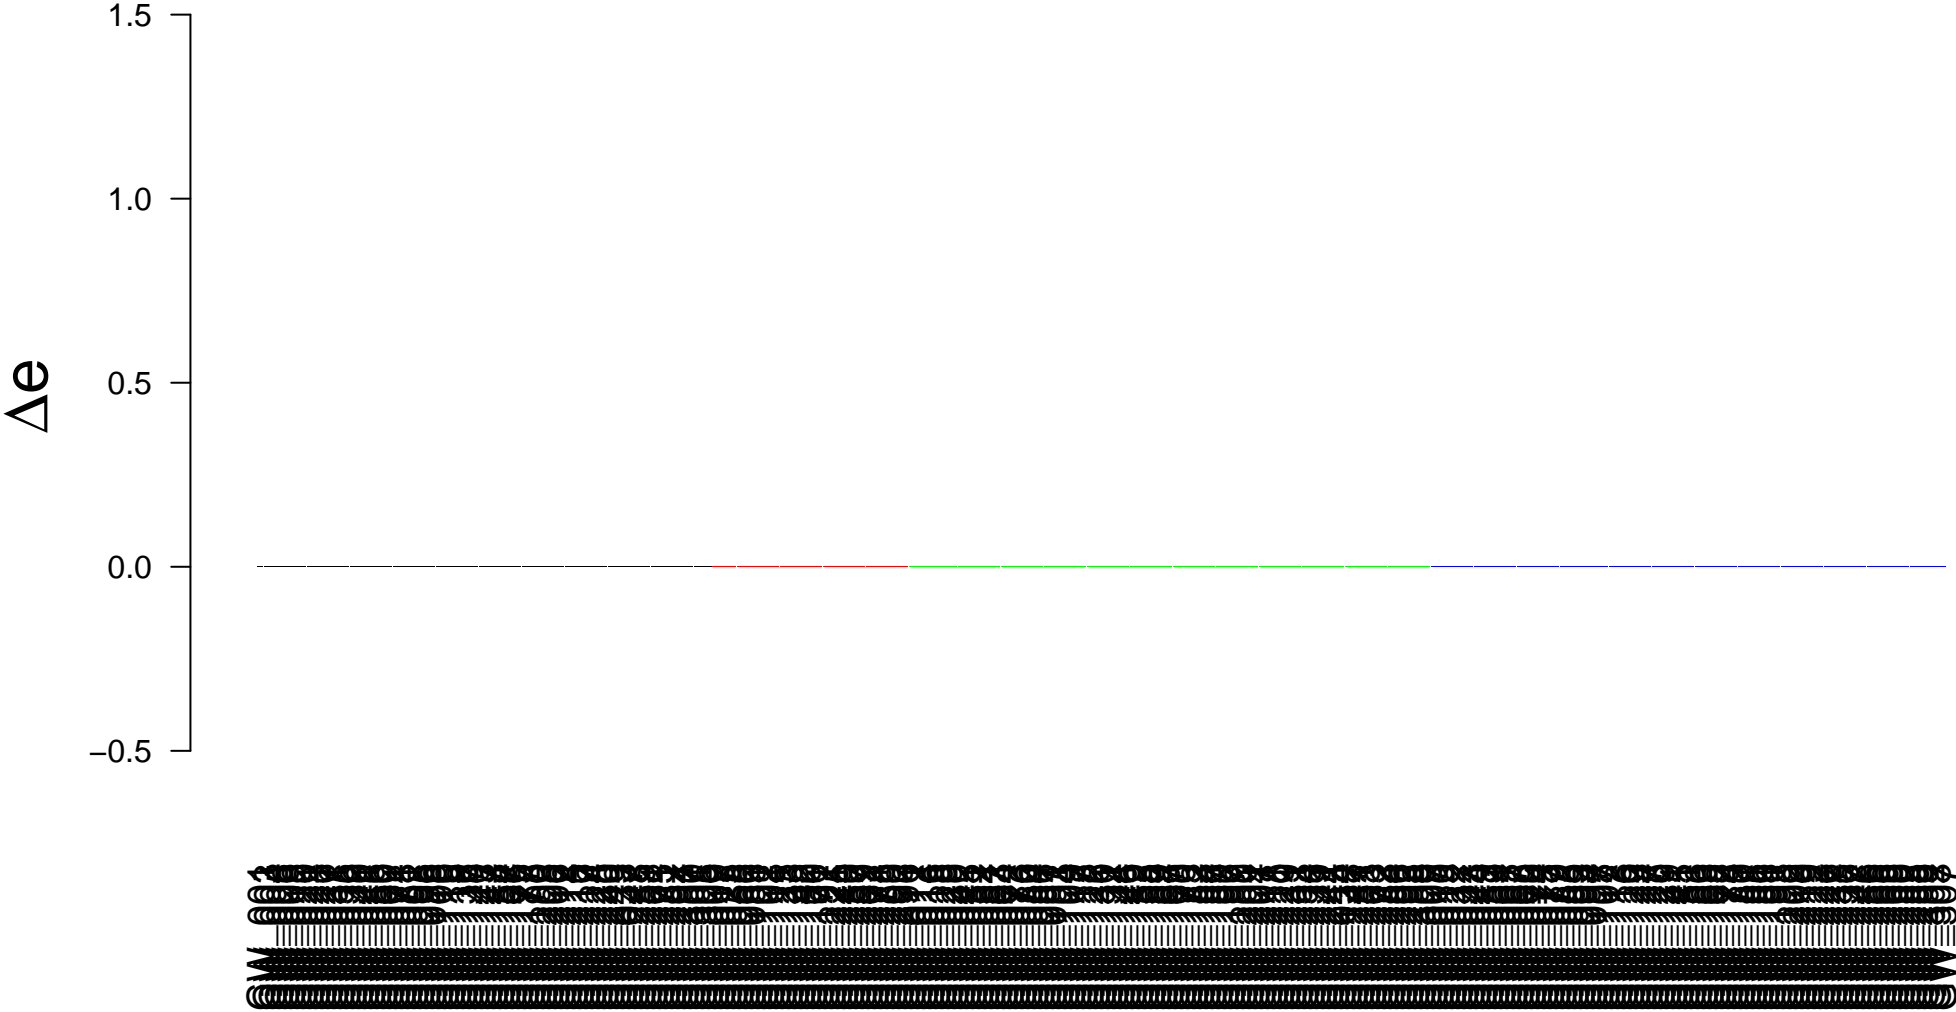

Expression of positive regulation of DNA damage response, signal transduction by p53 class mediator in Spot J

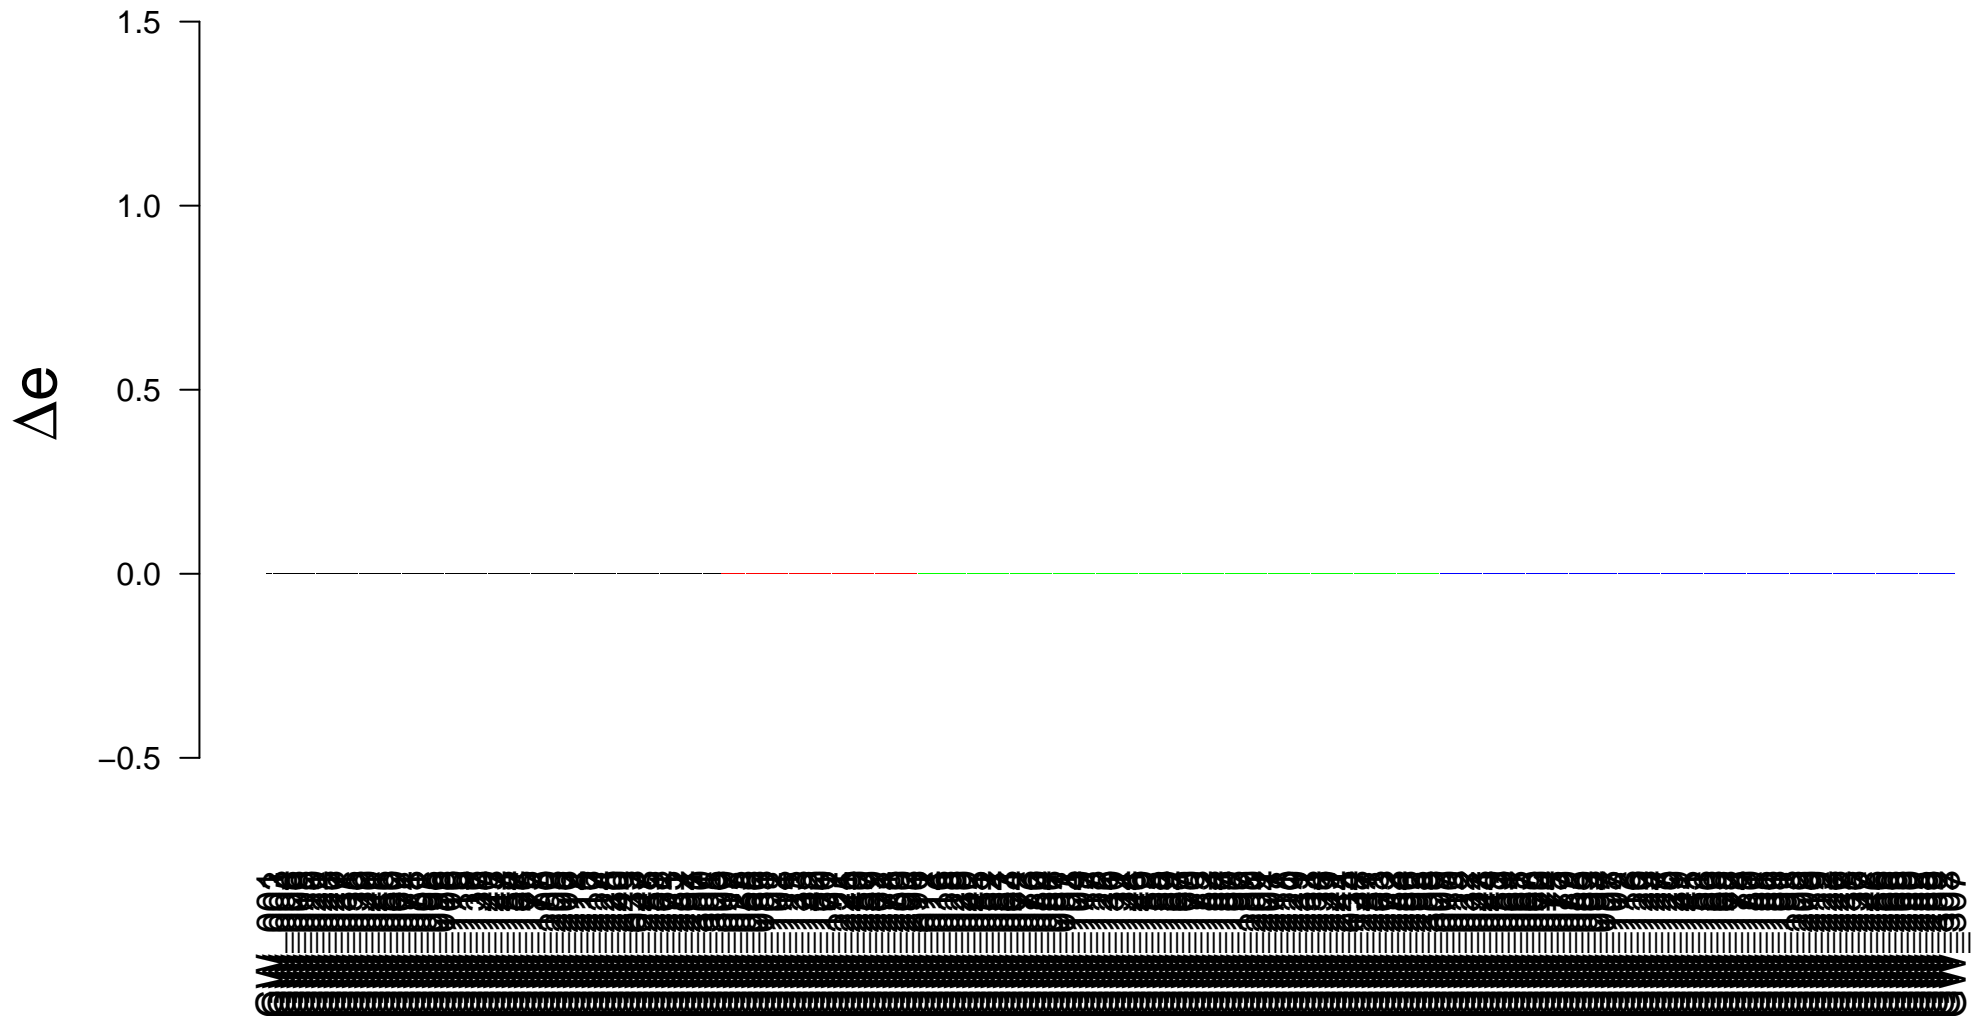

Expression of positive regulation of DNA damage response, signal transduction by p53 class mediator in Spot K

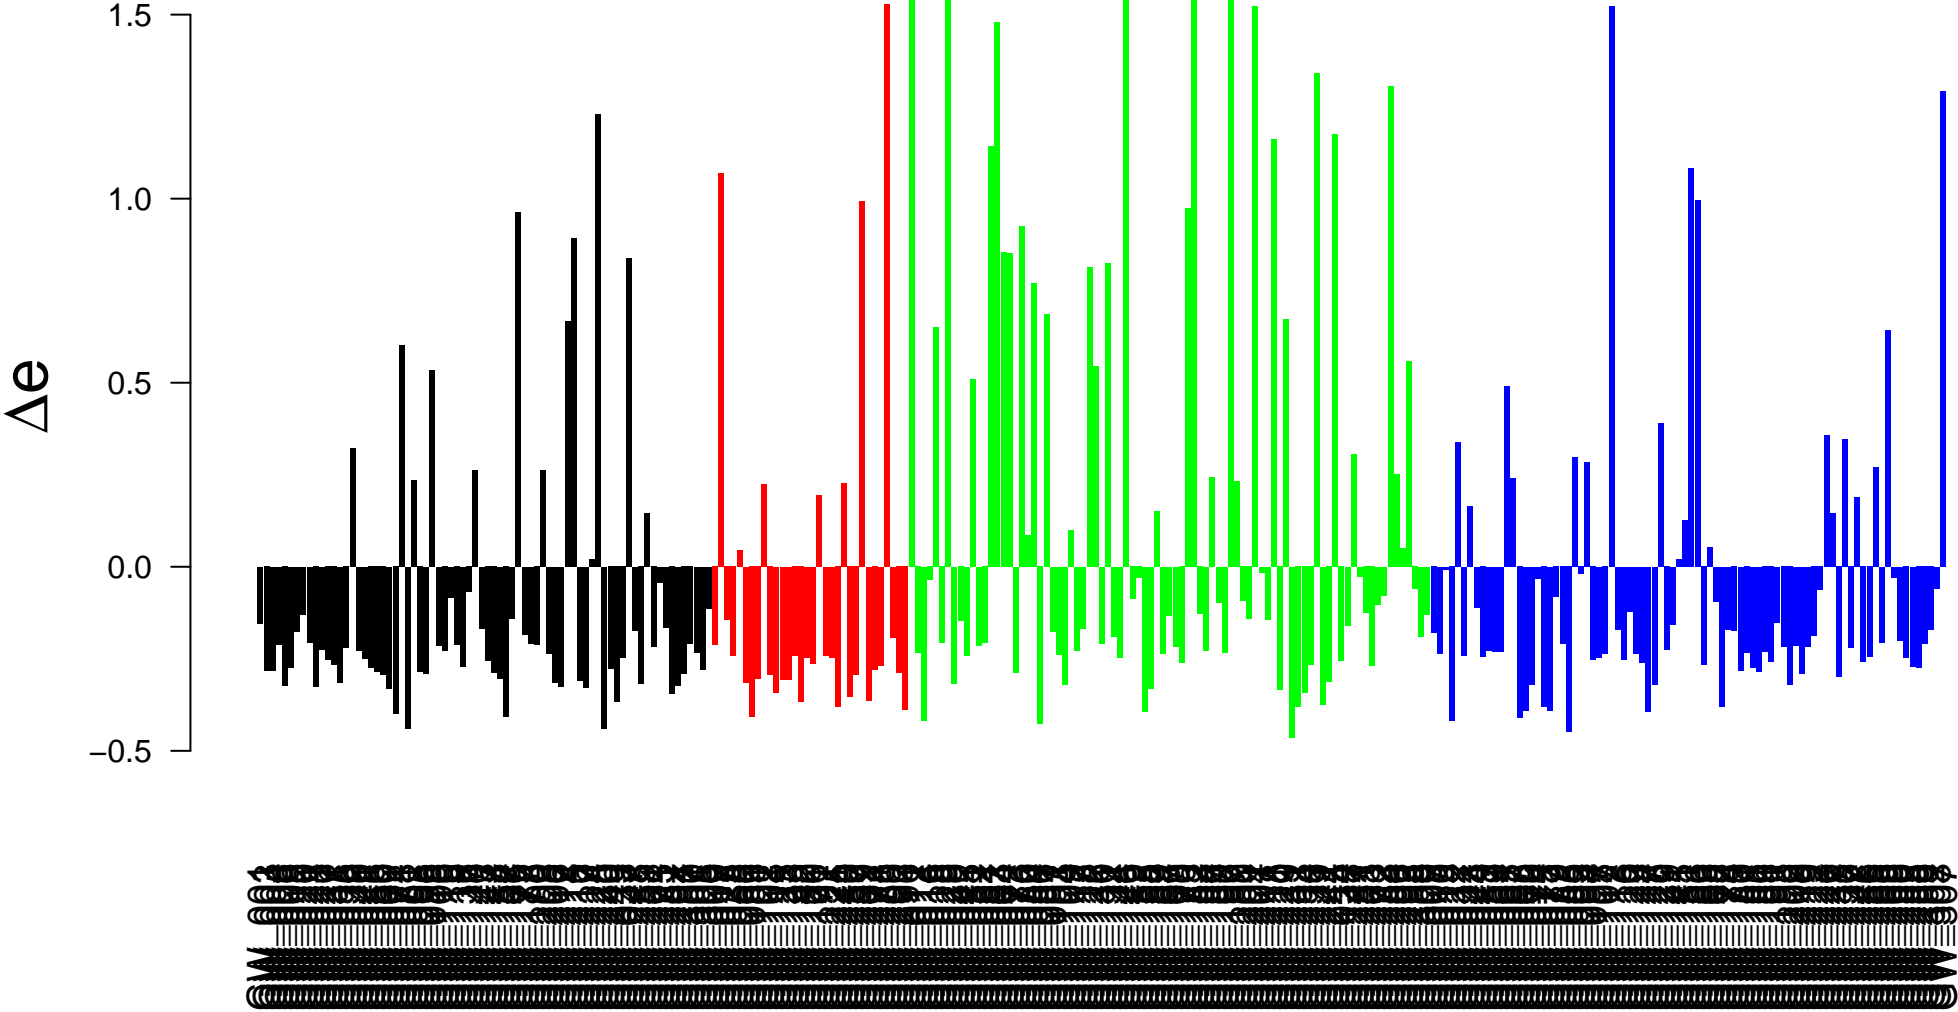

Expression of positive regulation of DNA damage response, signal transduction by p53 class mediator in Spot L

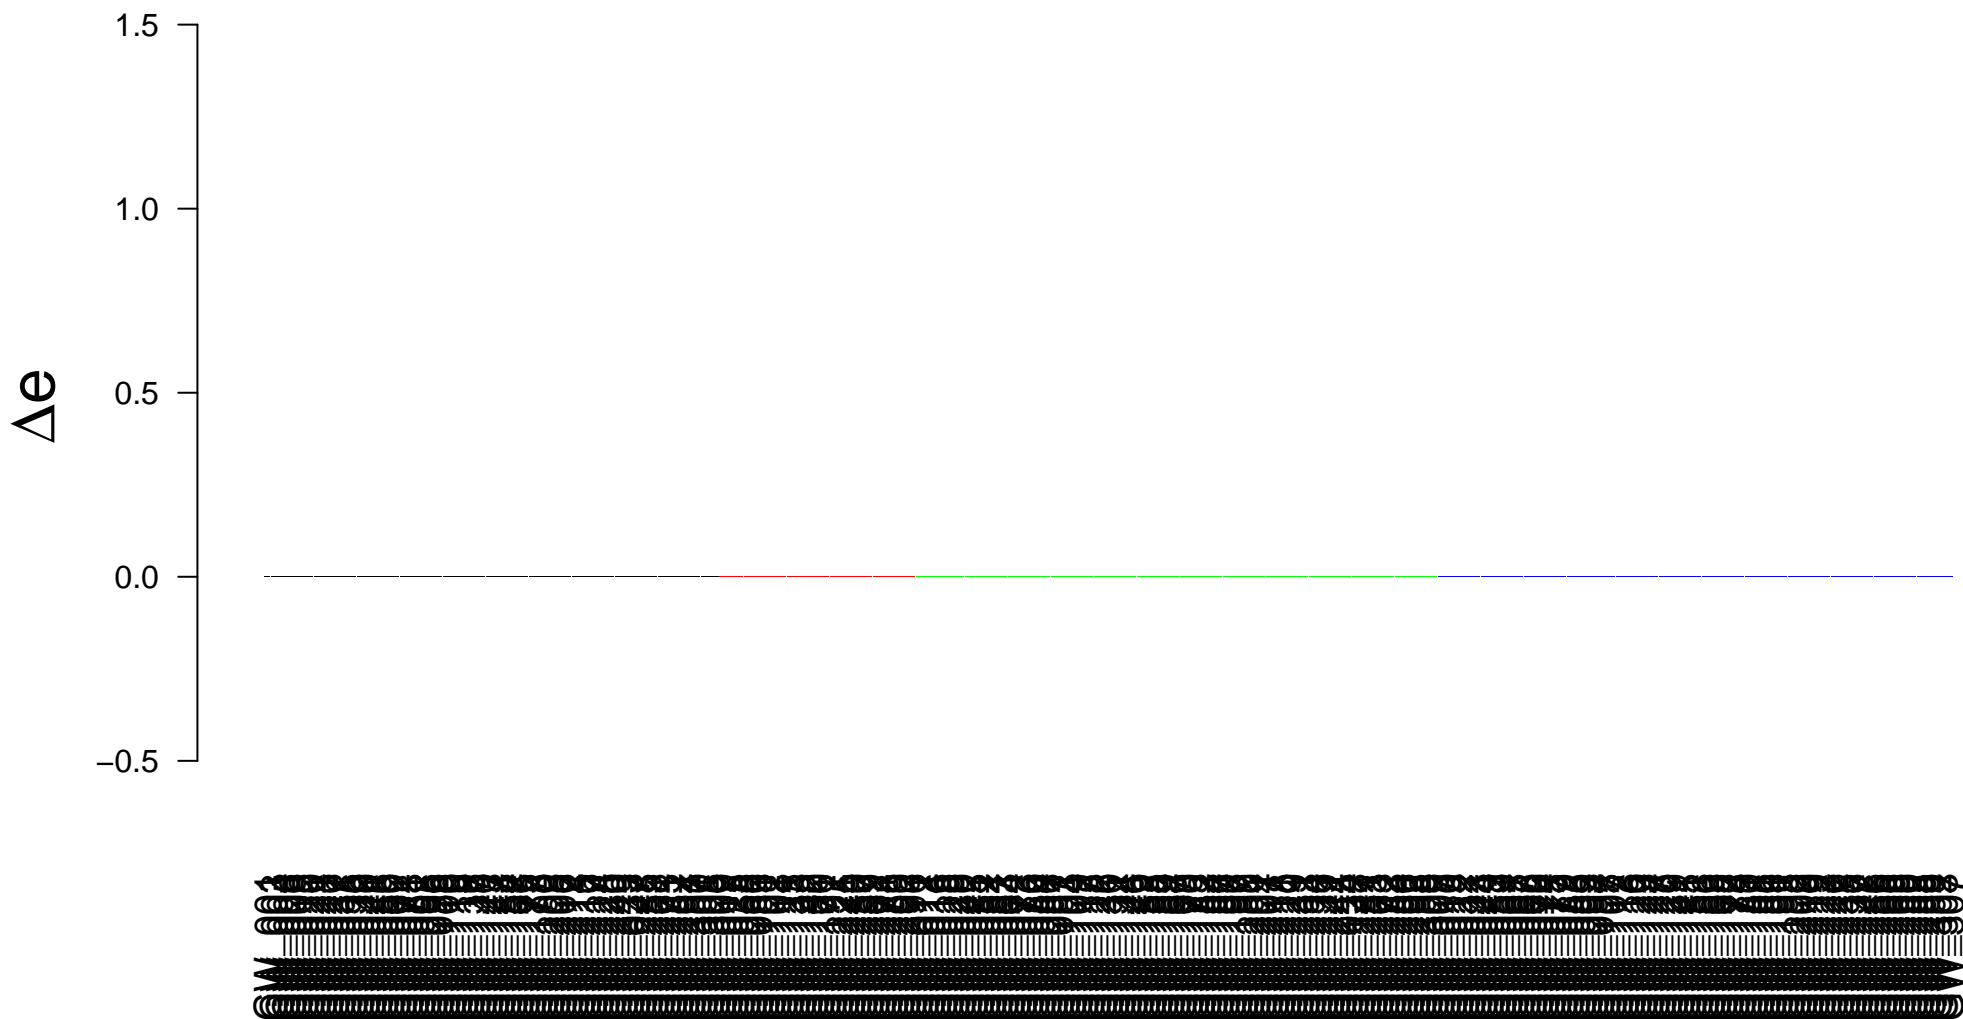

Expression of positive regulation of DNA damage response, signal transduction by p53 class mediator in Spot M

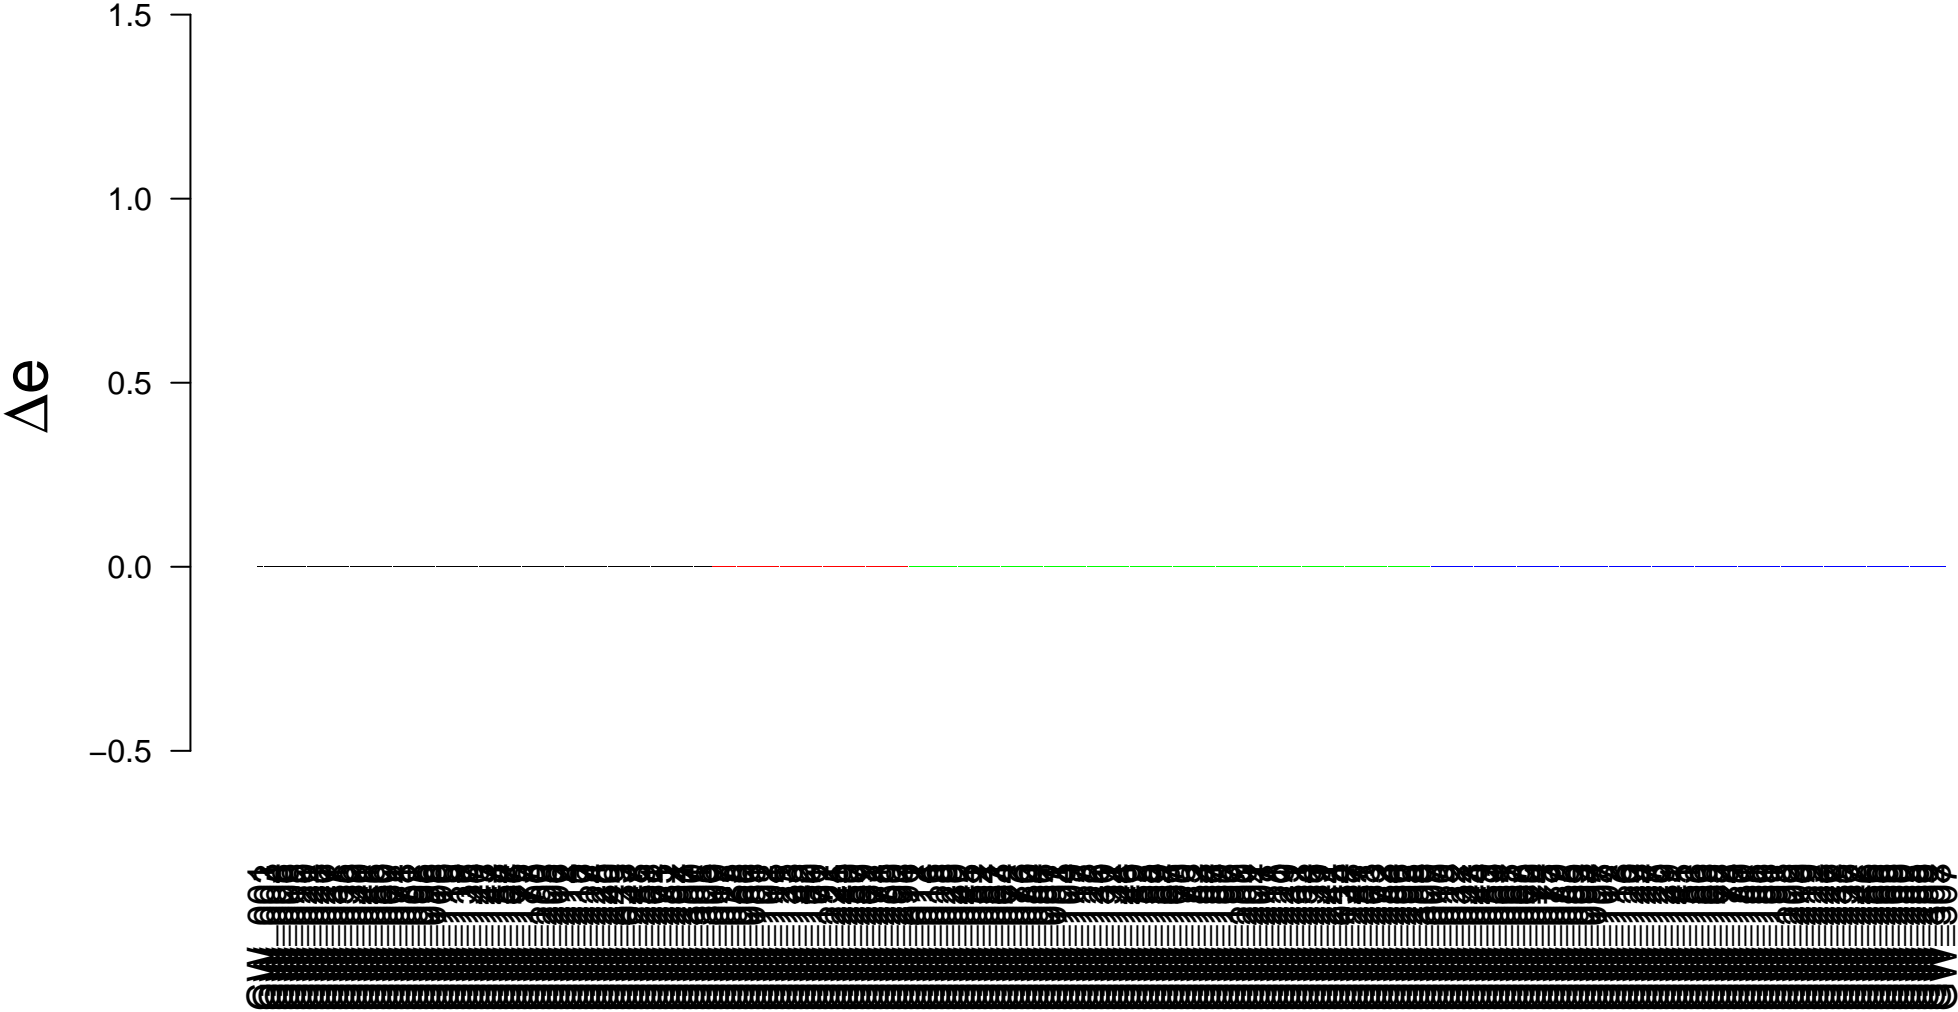

Expression of positive regulation of DNA damage response, signal transduction by p53 class mediator in Spot N

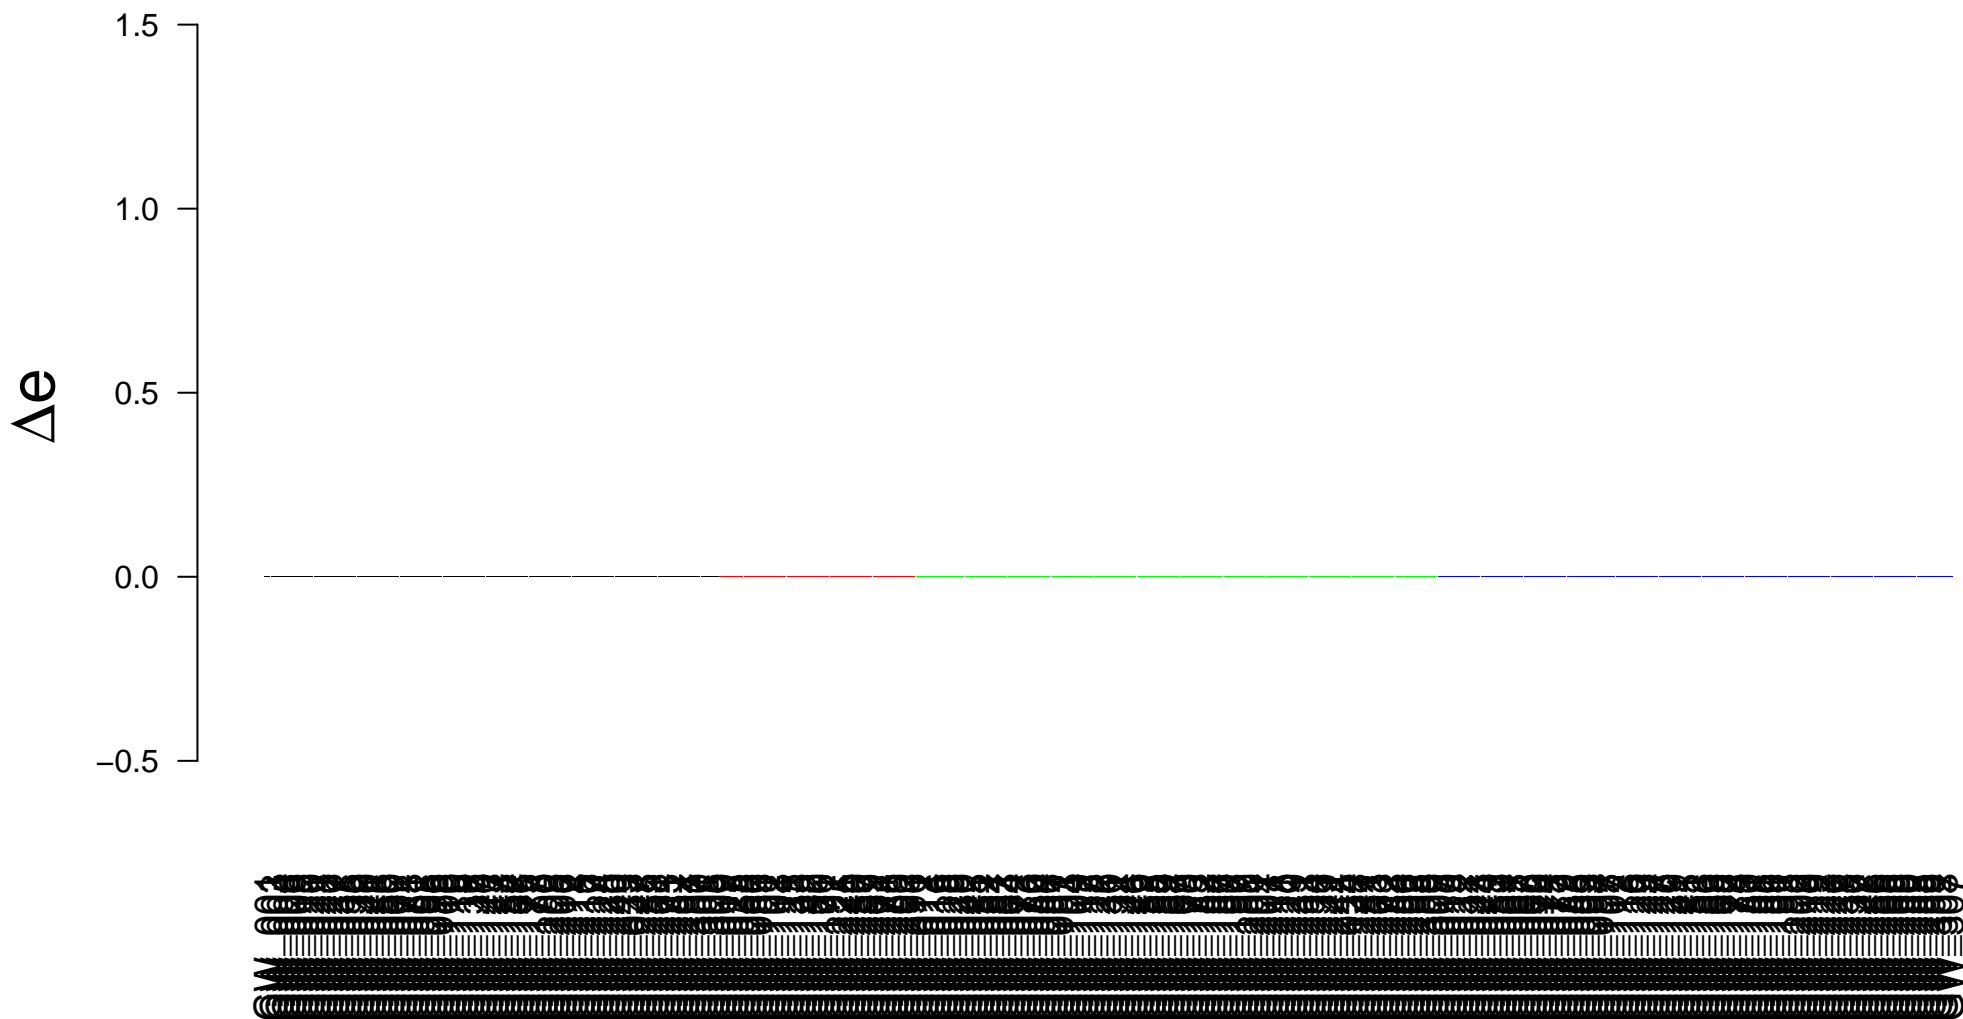

Expression of positive regulation of DNA damage response, signal transduction by p53 class mediator in Spot O

Expression of positive regulation of DNA damage response, signal transduction by p53 class mediator in Spot P

Expression of positive regulation of DNA damage response, signal transduction by p53 class mediator in Spot Q

Expression of positive regulation of DNA damage response, signal transduction by p53 class mediator in Spot R
