

positive regulation of Ras protein signal transduction

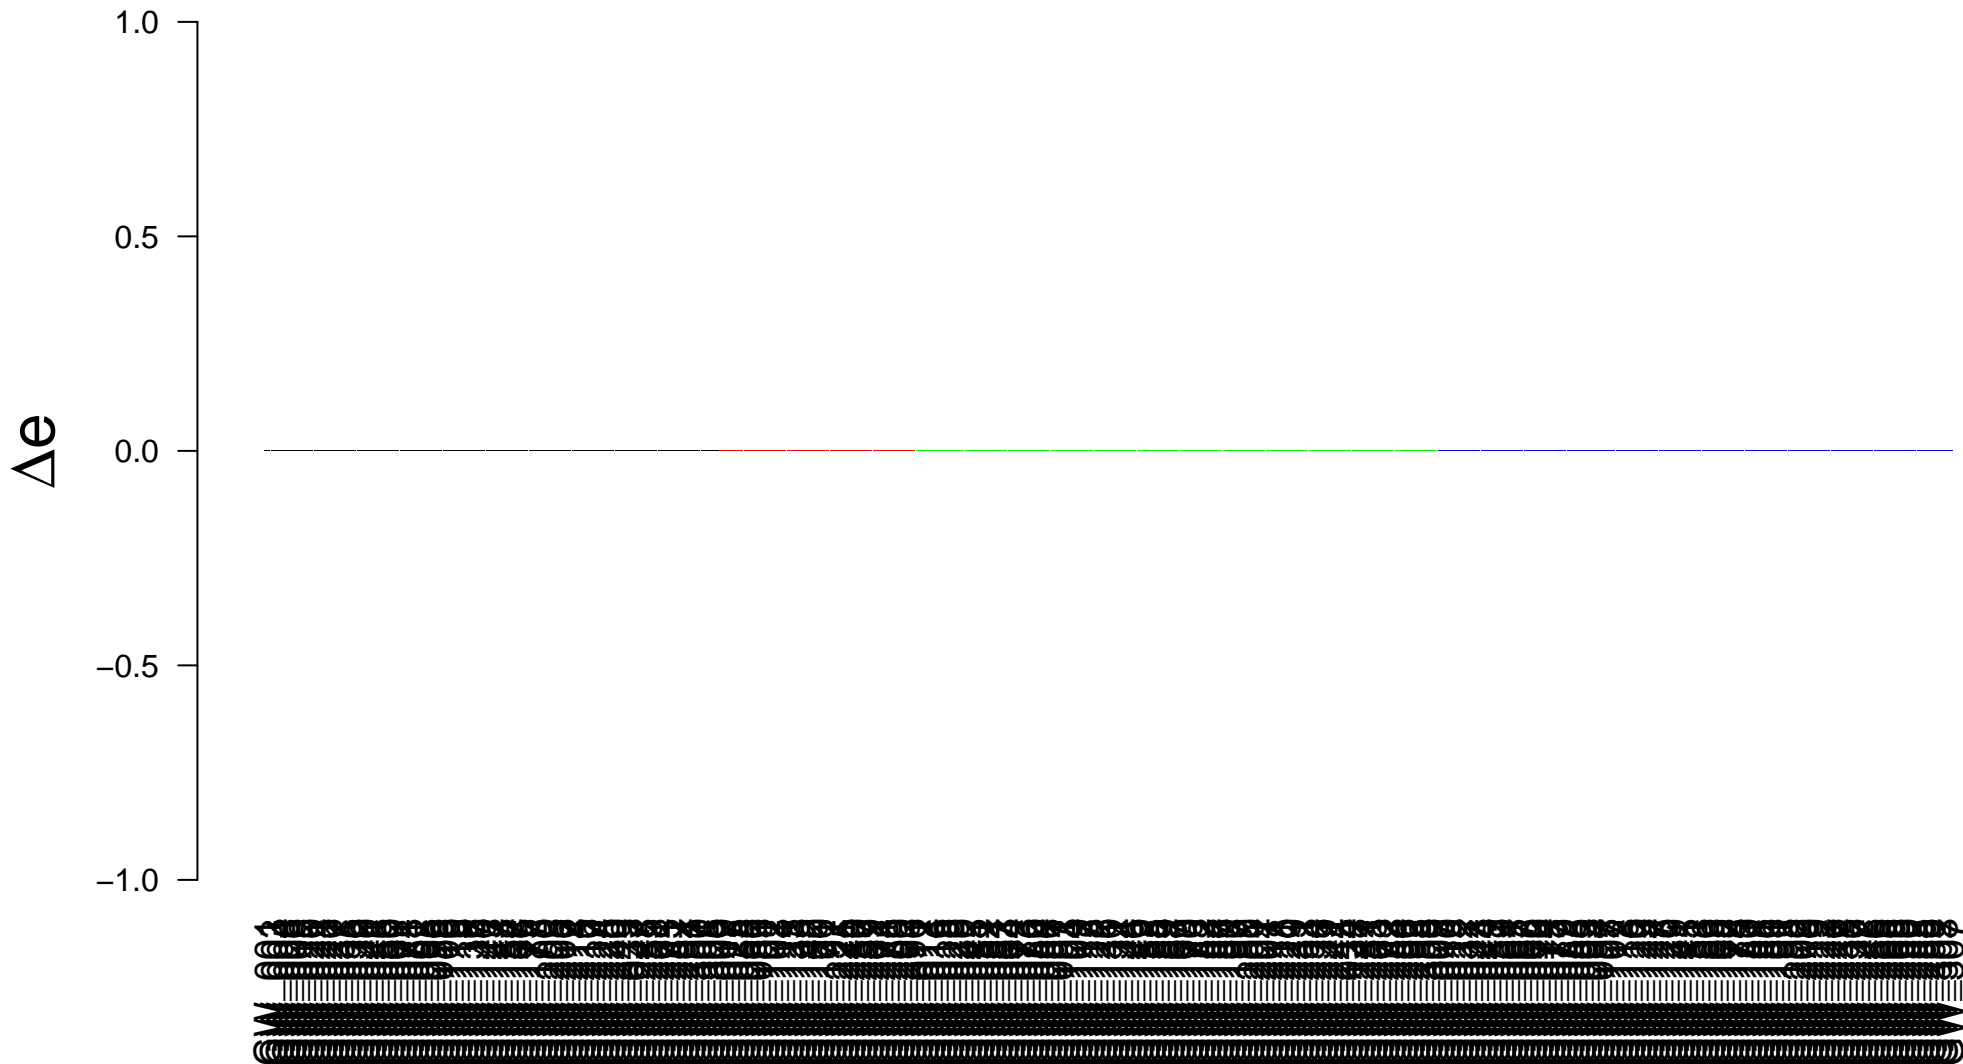

positive regulation of Ras protein signal transduction

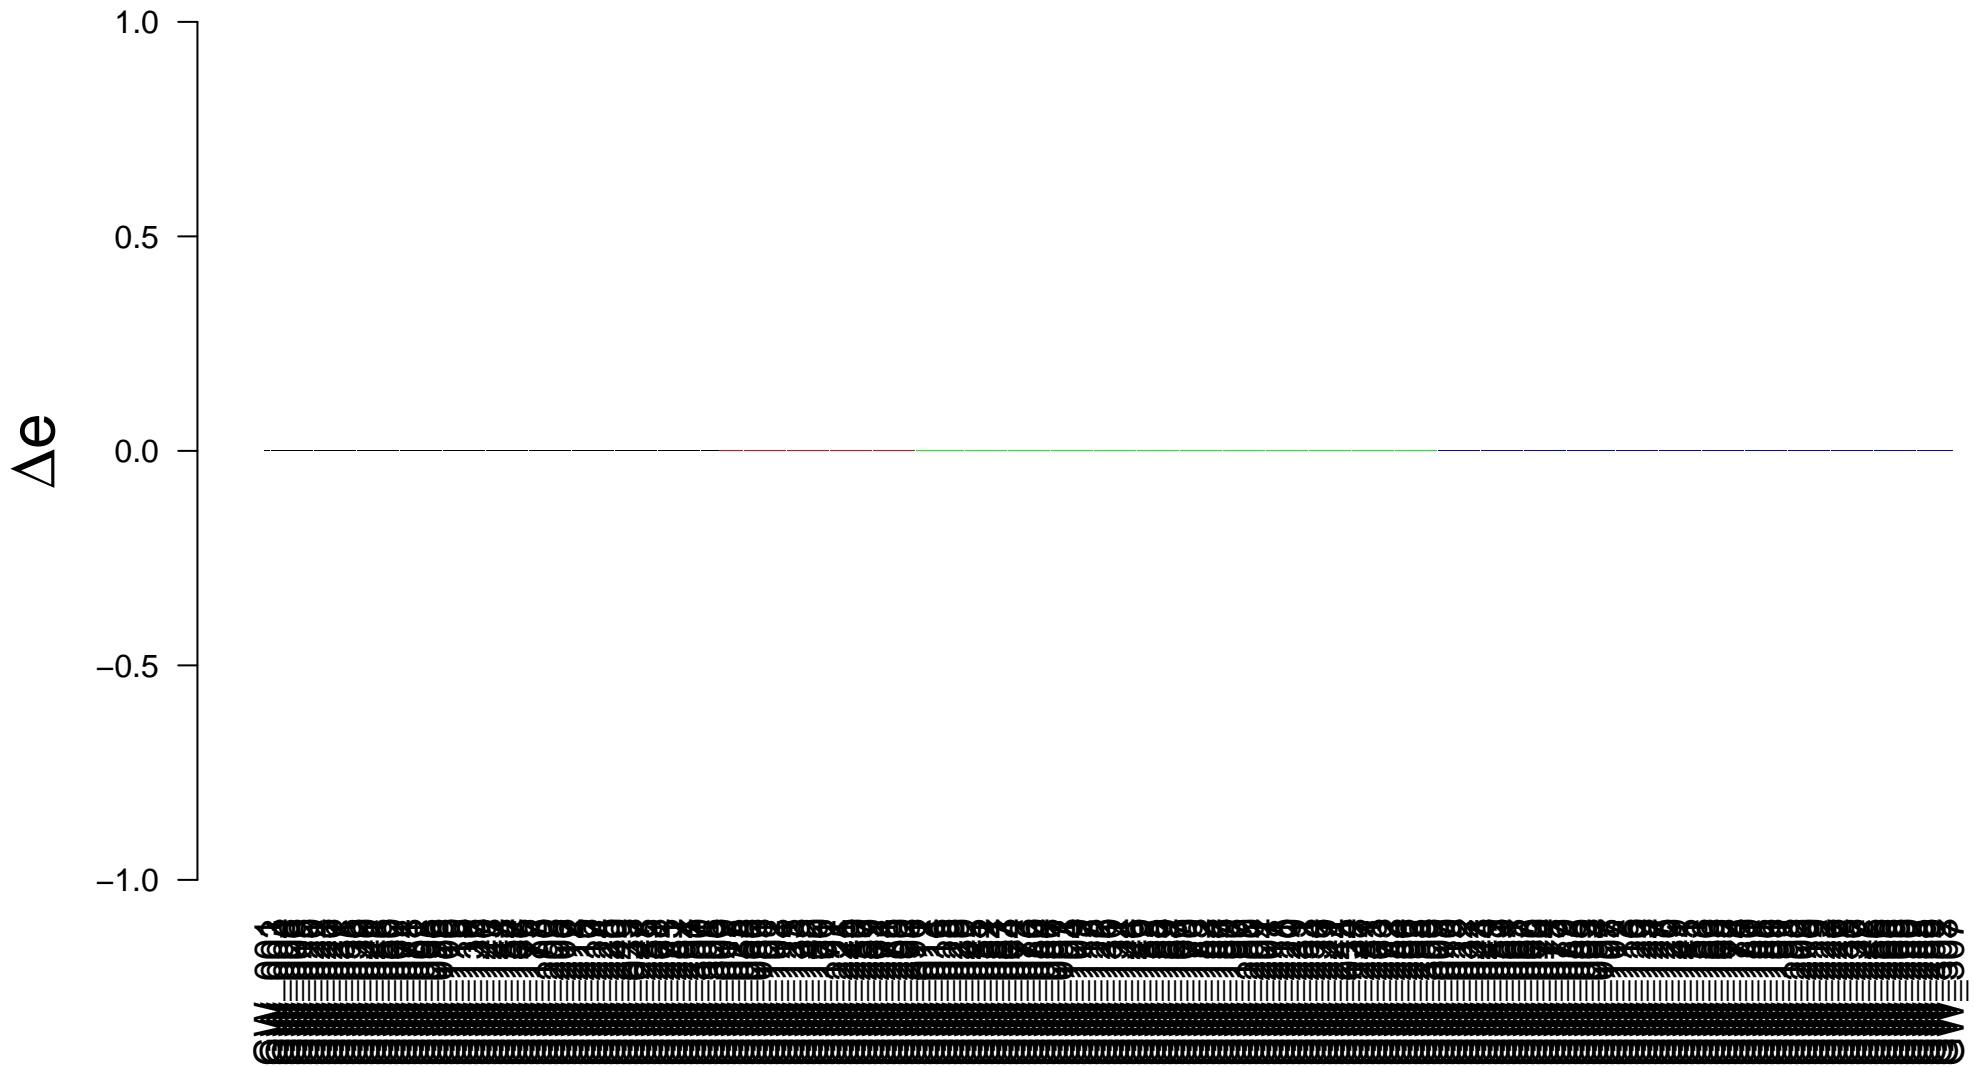

# Enrichment in spots: positive regulation of Ras protein signal transduction

# Expression of positive regulation of Ras protein signal transduction in Spot A

# Expression of positive regulation of Ras protein signal transduction in Spot B

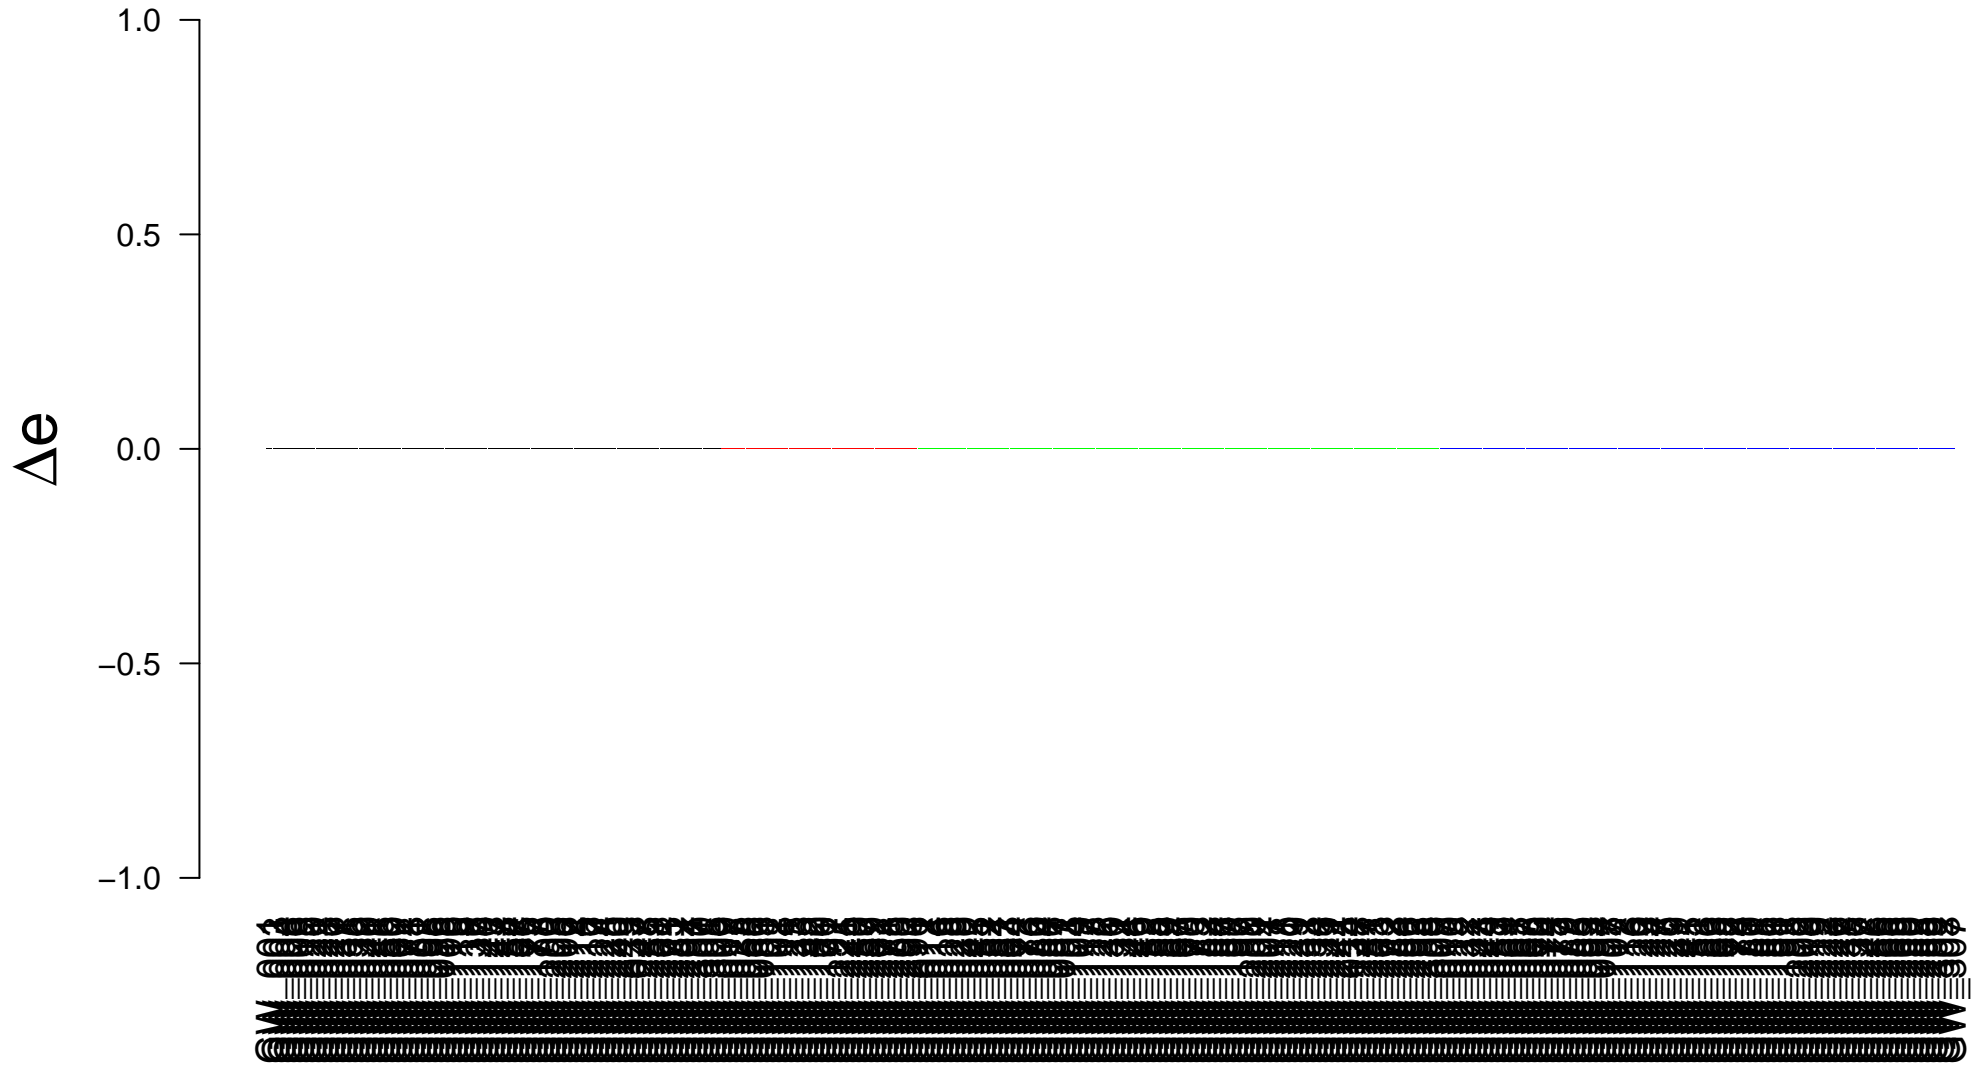

# Expression of positive regulation of Ras protein signal transduction in Spot C

# Expression of positive regulation of Ras protein signal transduction in Spot D

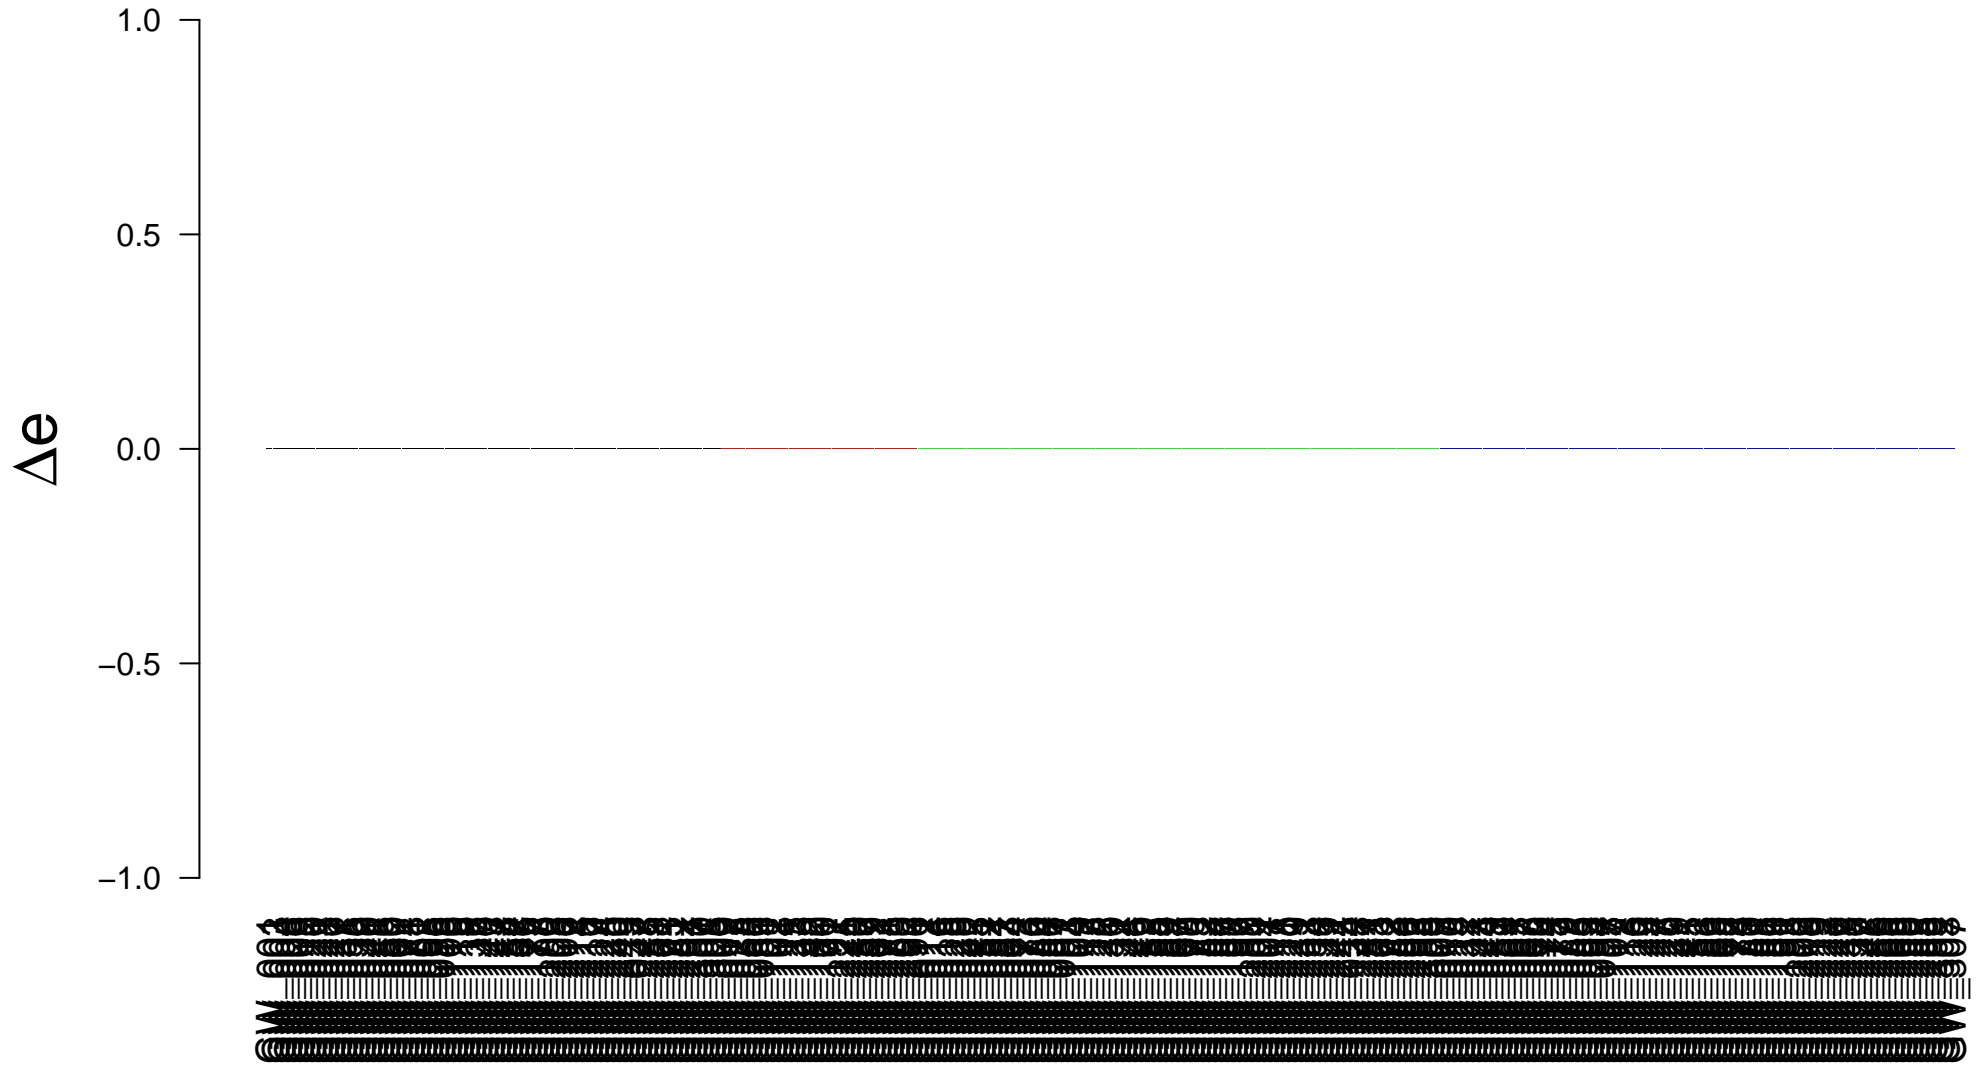

# Expression of positive regulation of Ras protein signal transduction in Spot E

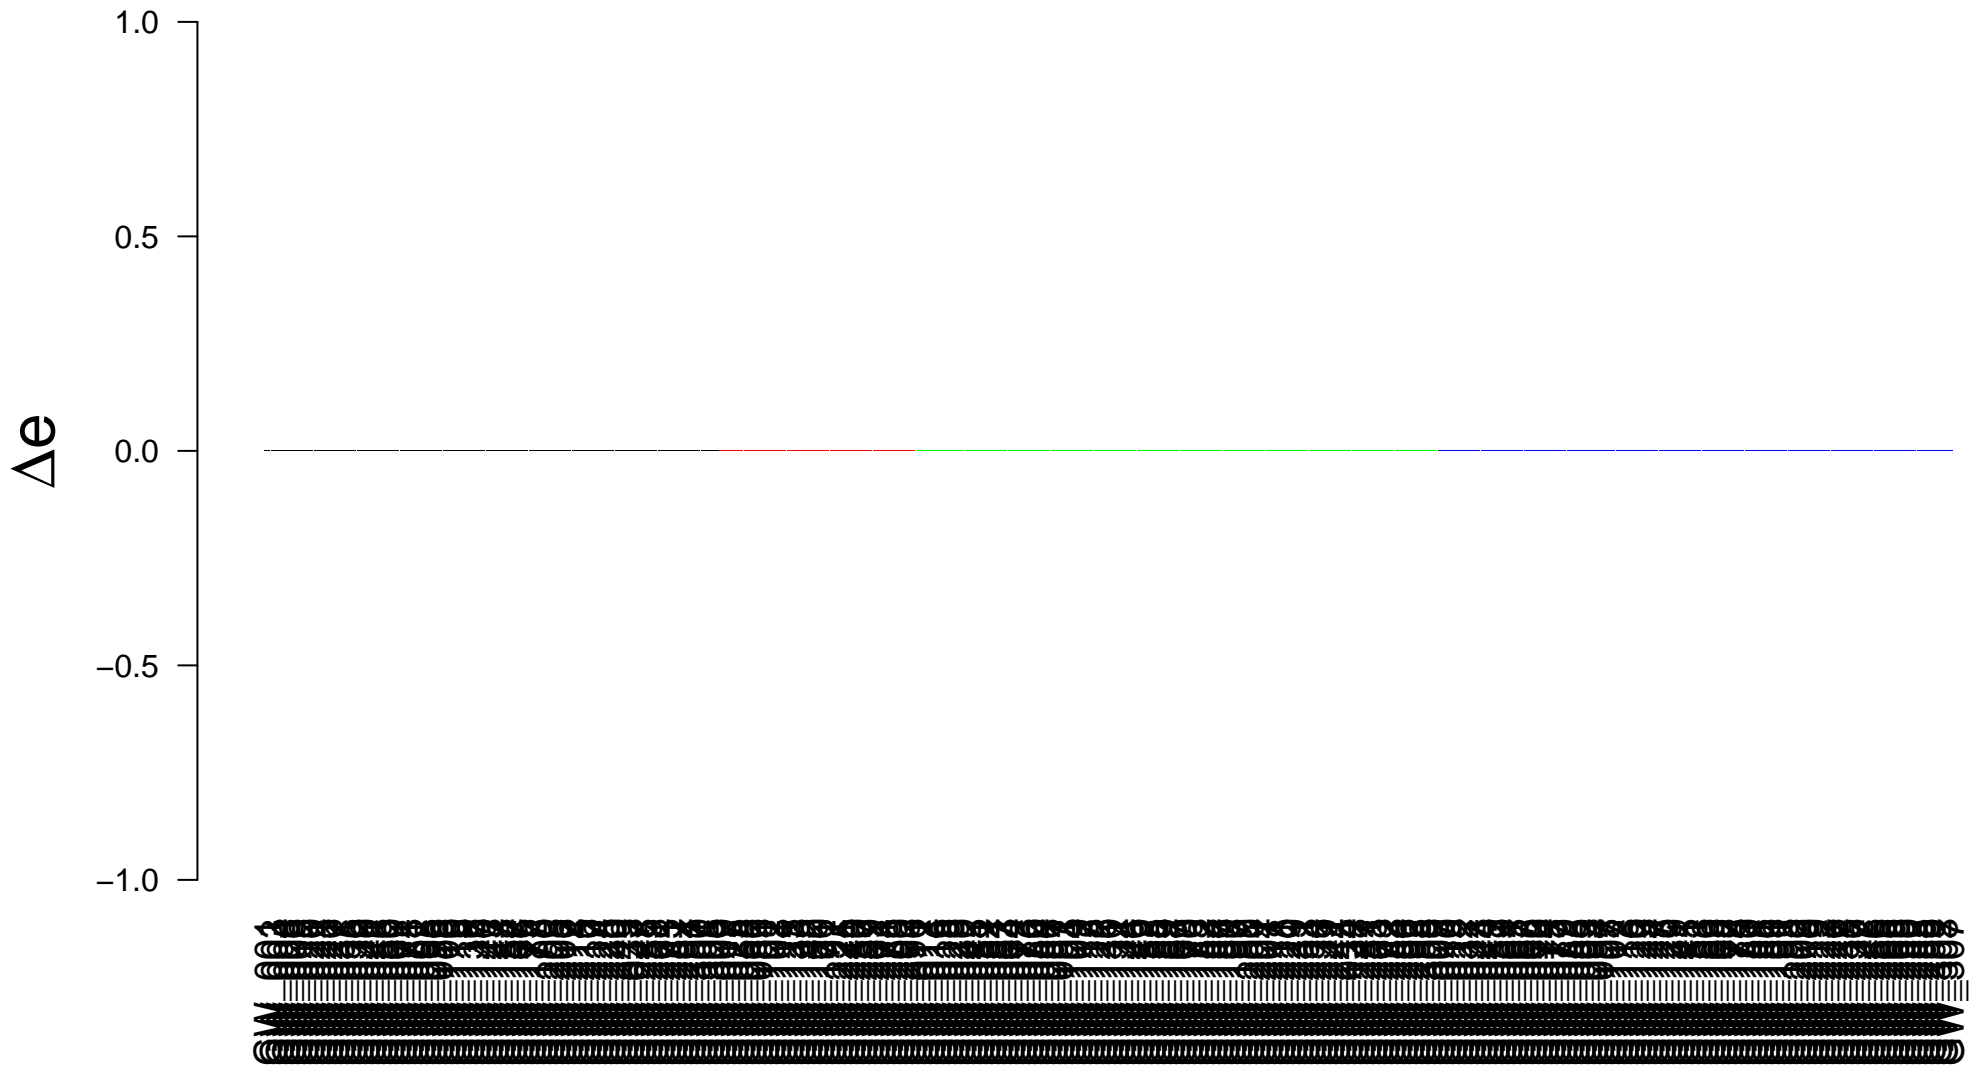

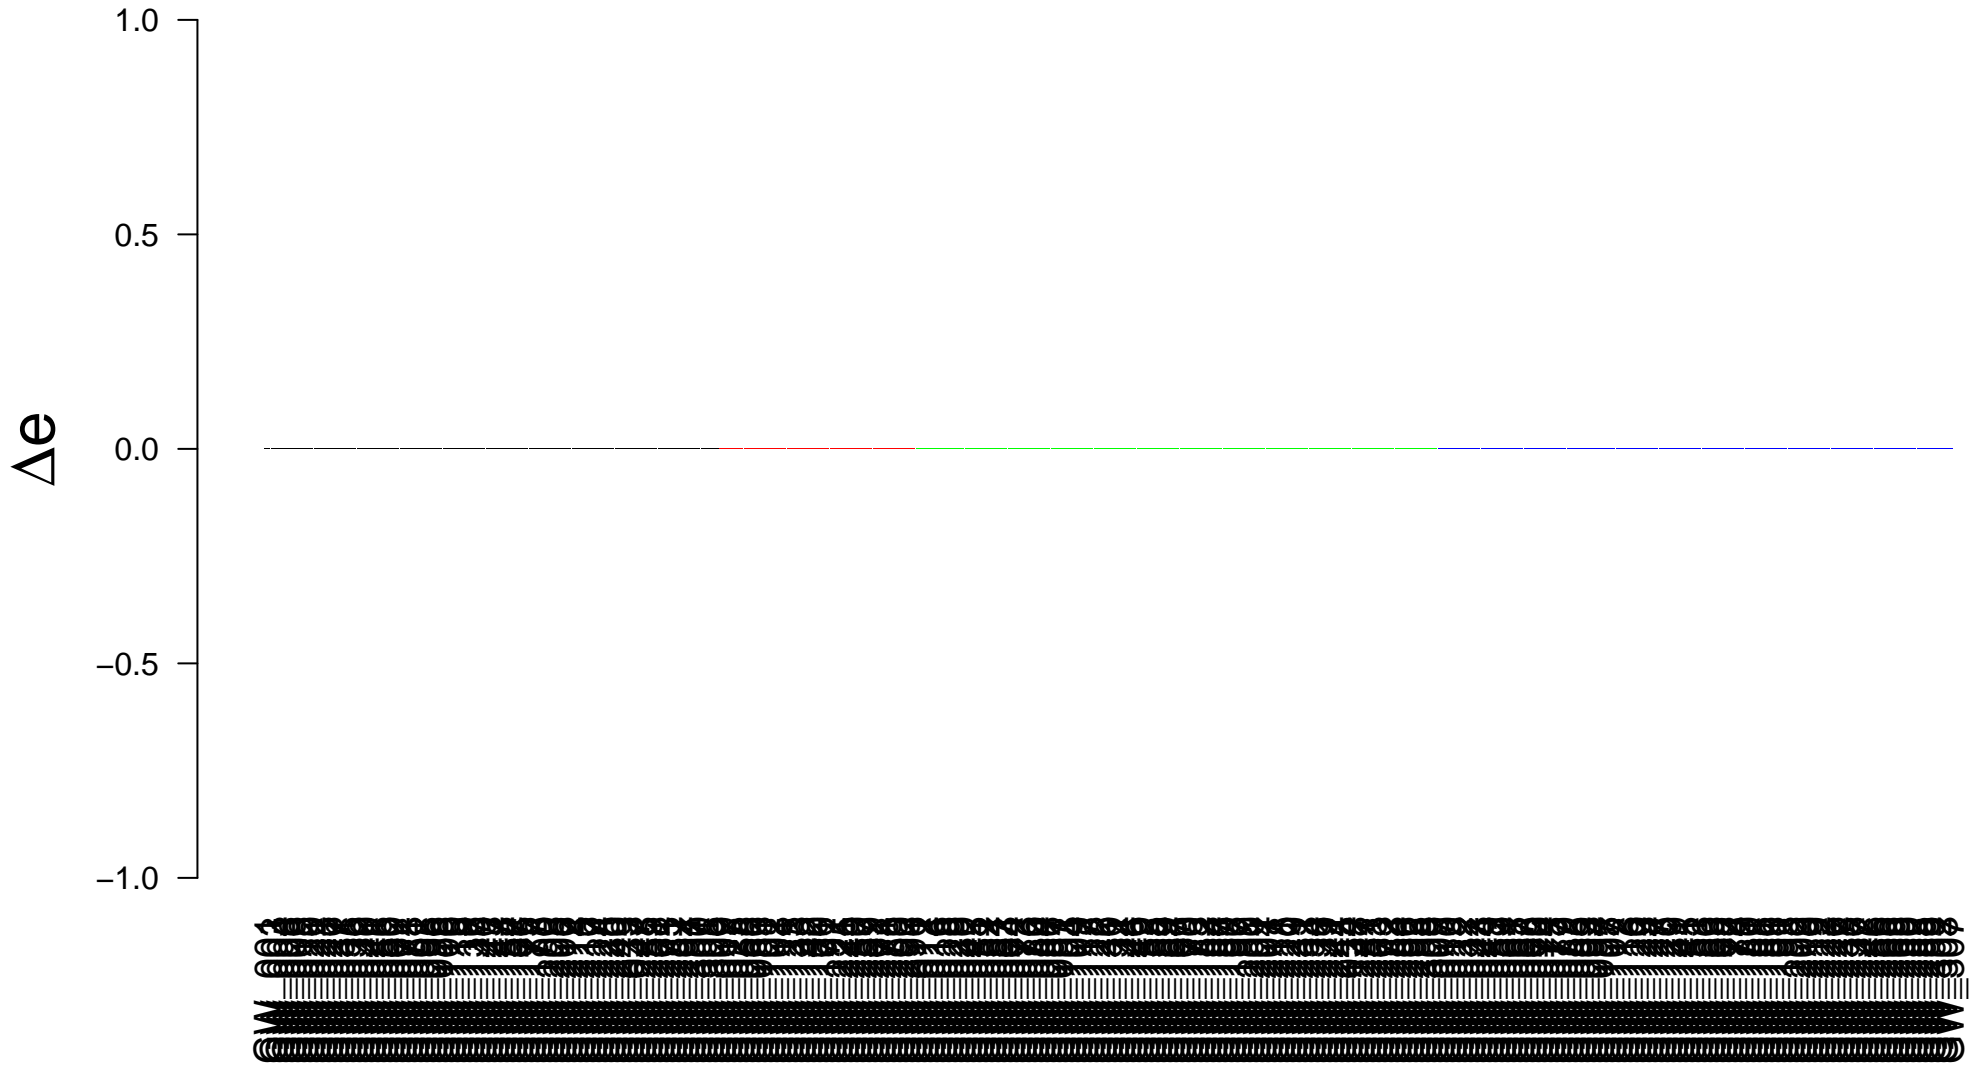

# Expression of positive regulation of Ras protein signal transduction in Spot F

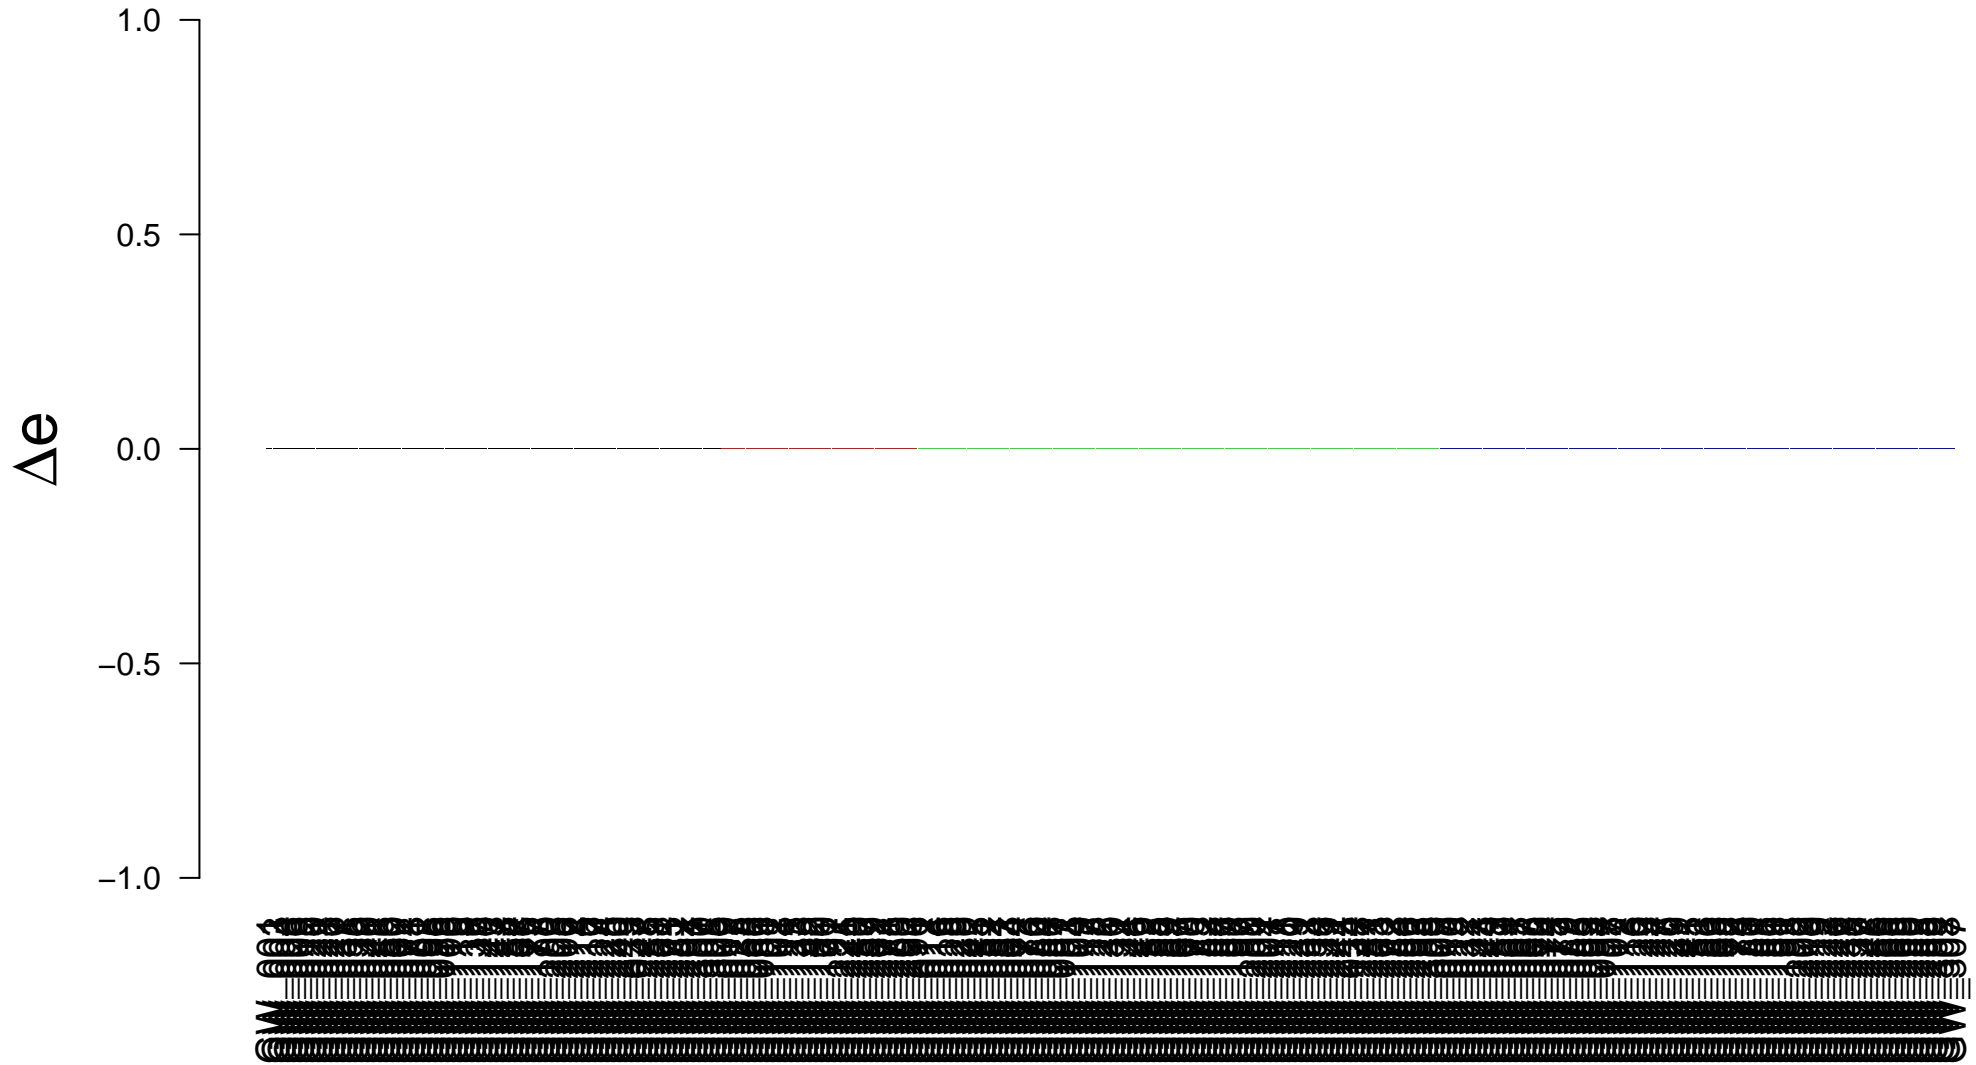

# Expression of positive regulation of Ras protein signal transduction in Spot G

# Expression of positive regulation of Ras protein signal transduction in Spot H

# Expression of positive regulation of Ras protein signal transduction in Spot I

# Expression of positive regulation of Ras protein signal transduction in Spot J

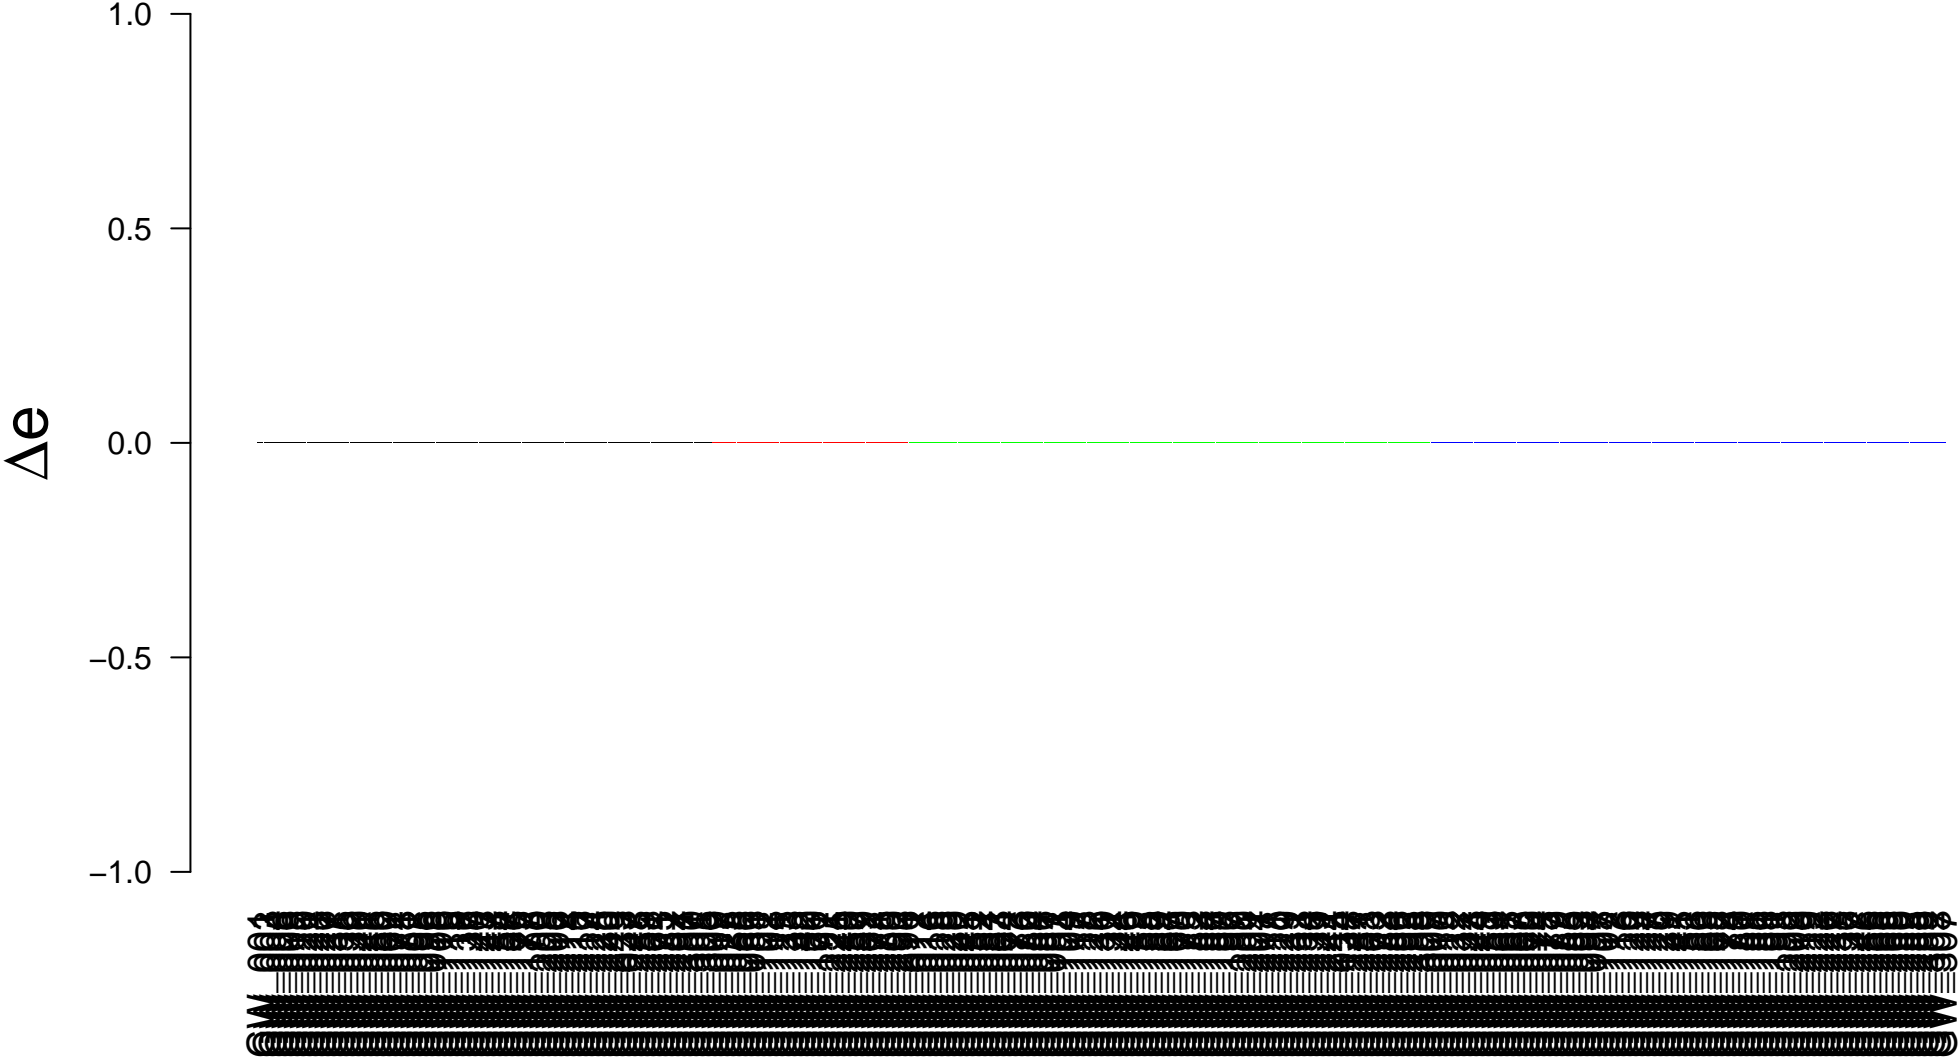

# Expression of positive regulation of Ras protein signal transduction in Spot K

# Expression of positive regulation of Ras protein signal transduction in Spot L

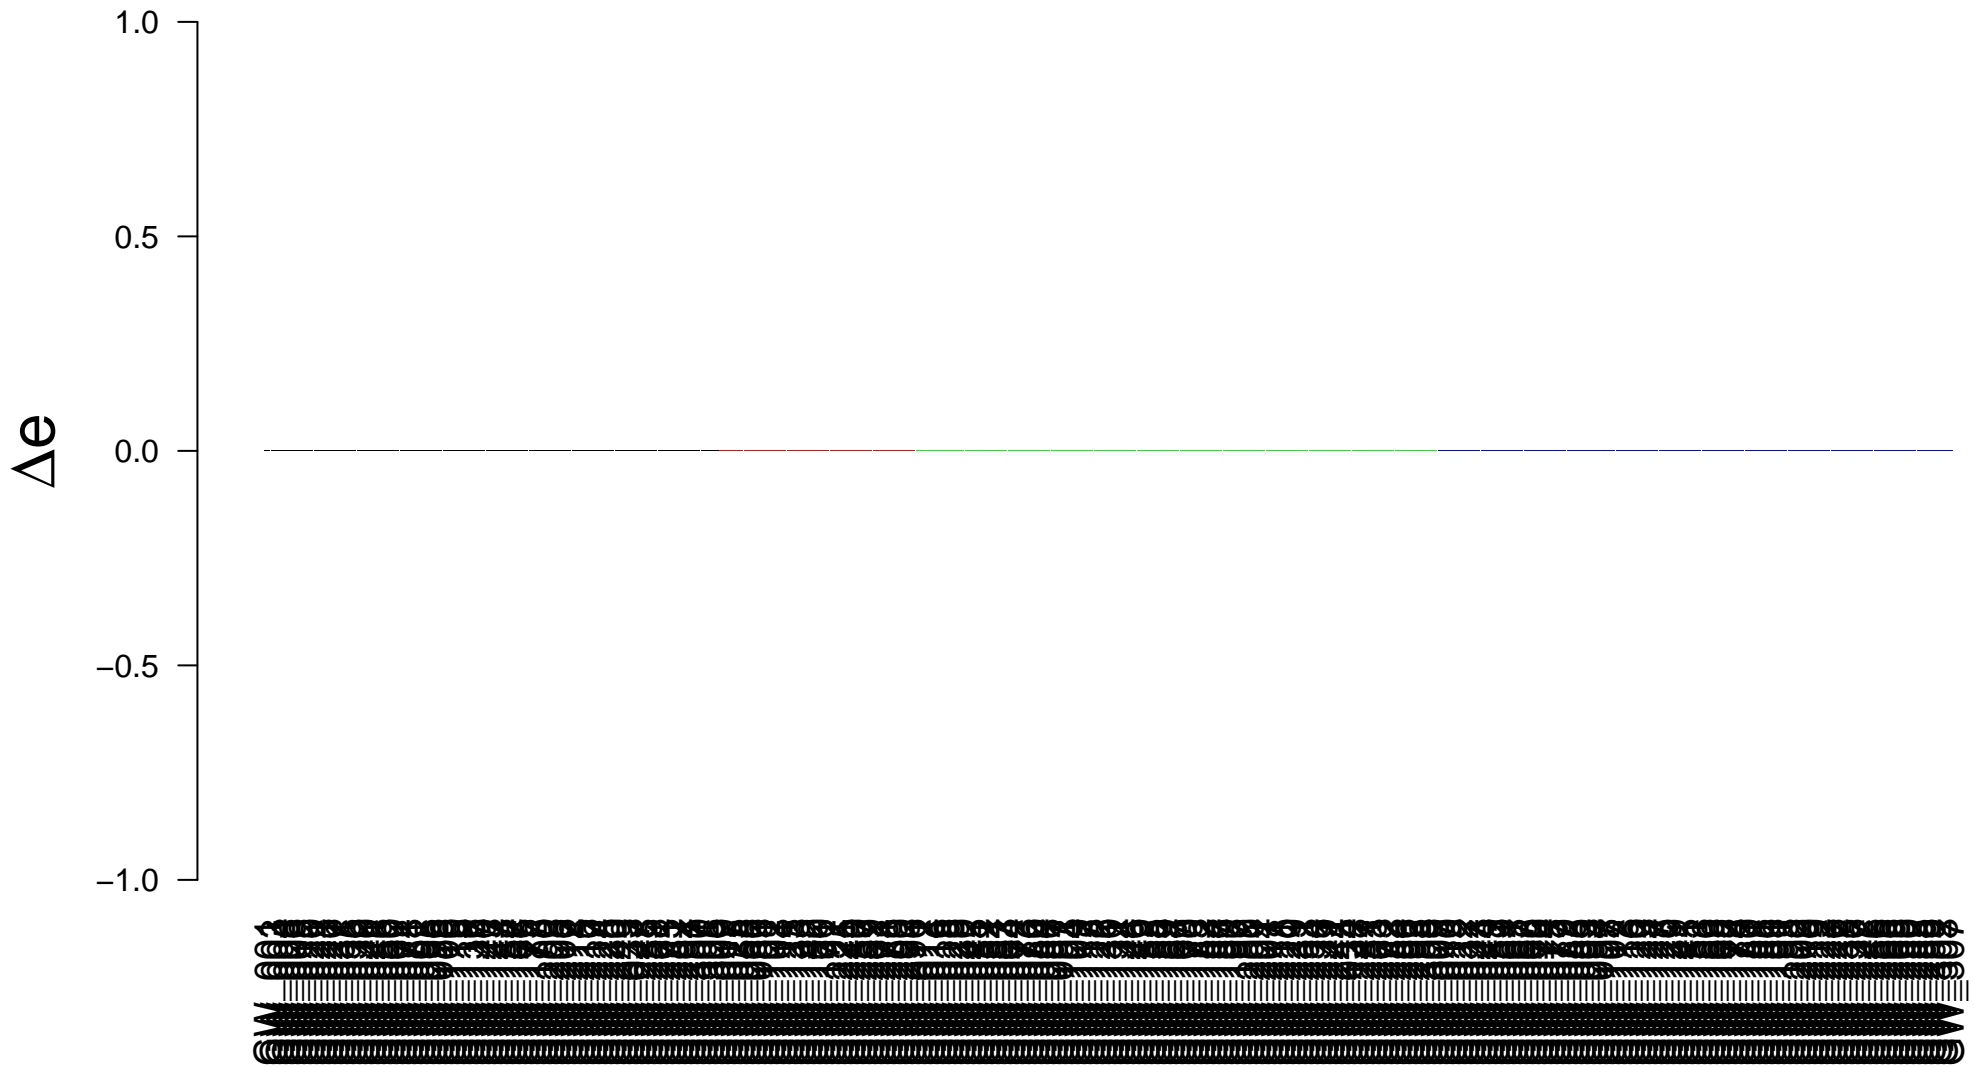

Expression of positive regulation of Ras protein signal transduction in Spot M

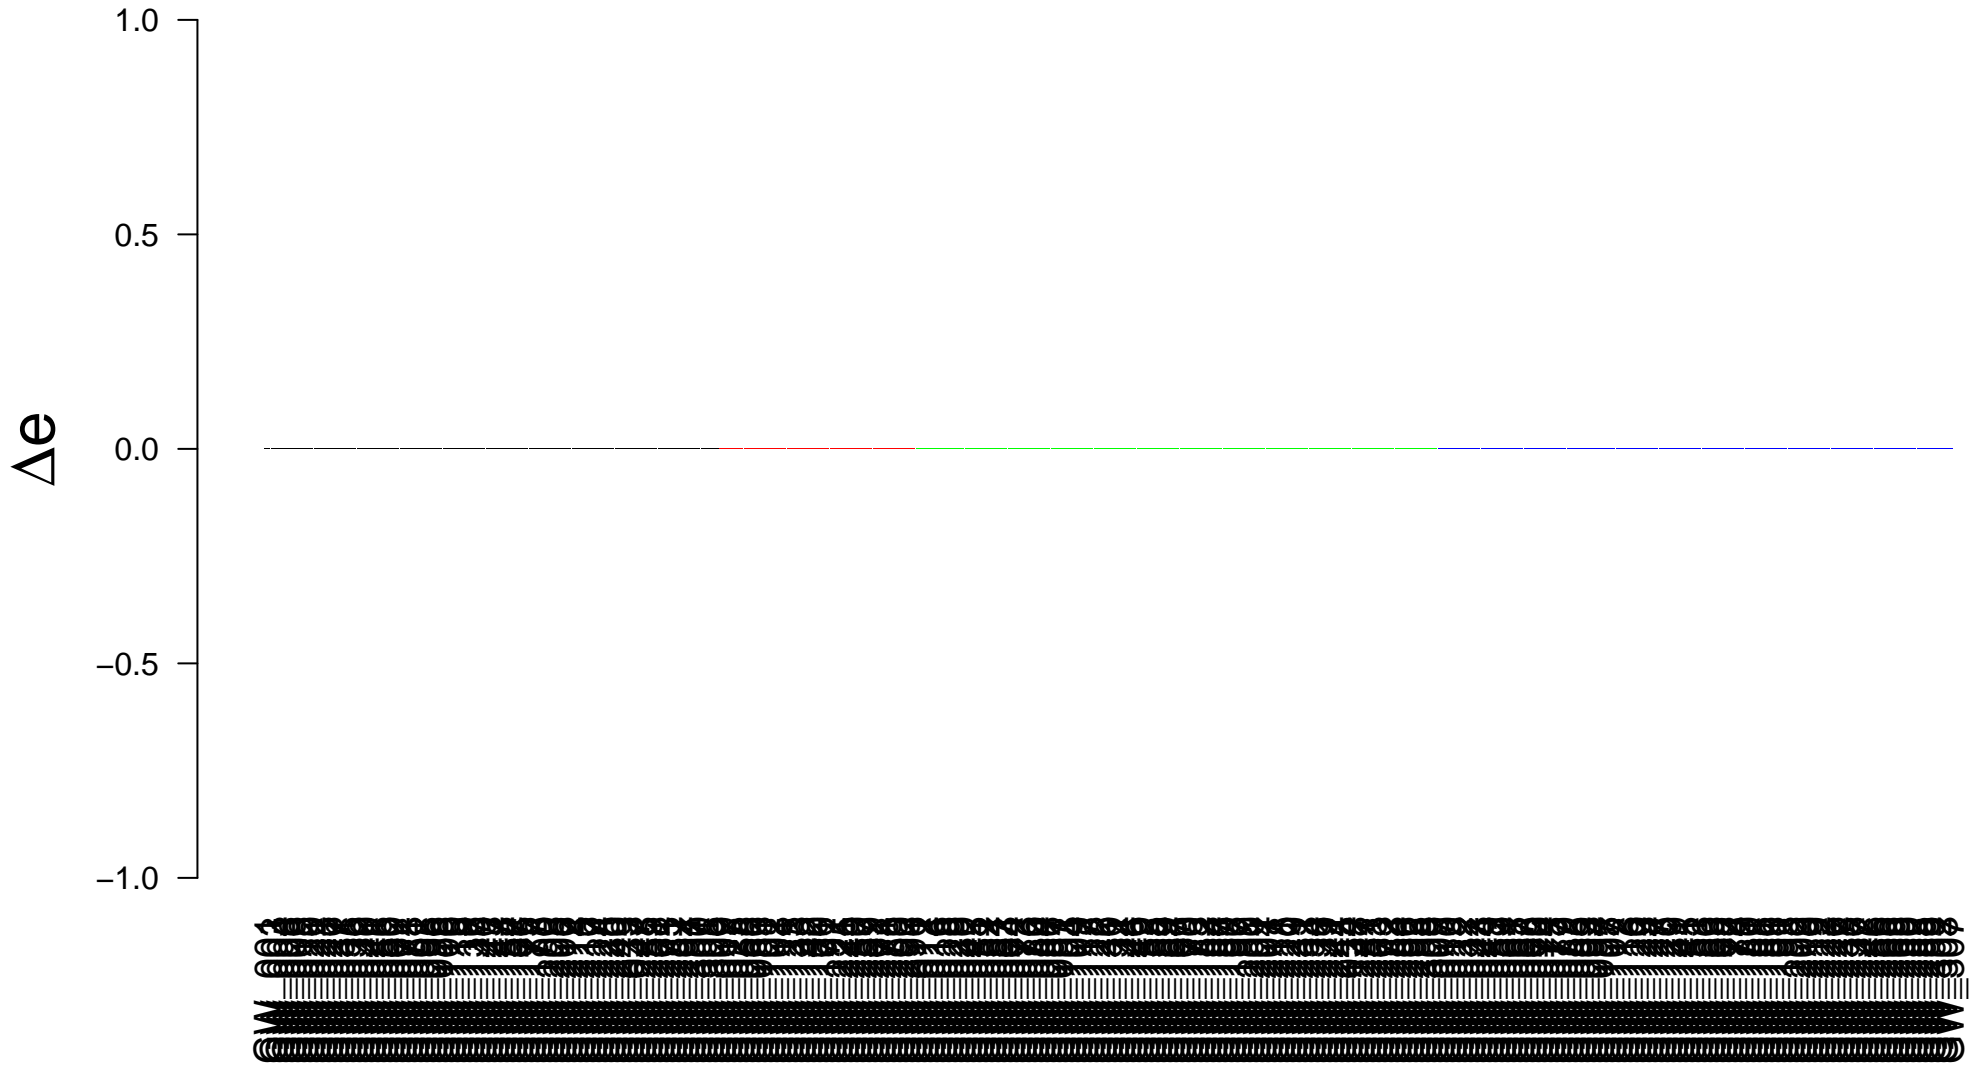

# Expression of positive regulation of Ras protein signal transduction in Spot N

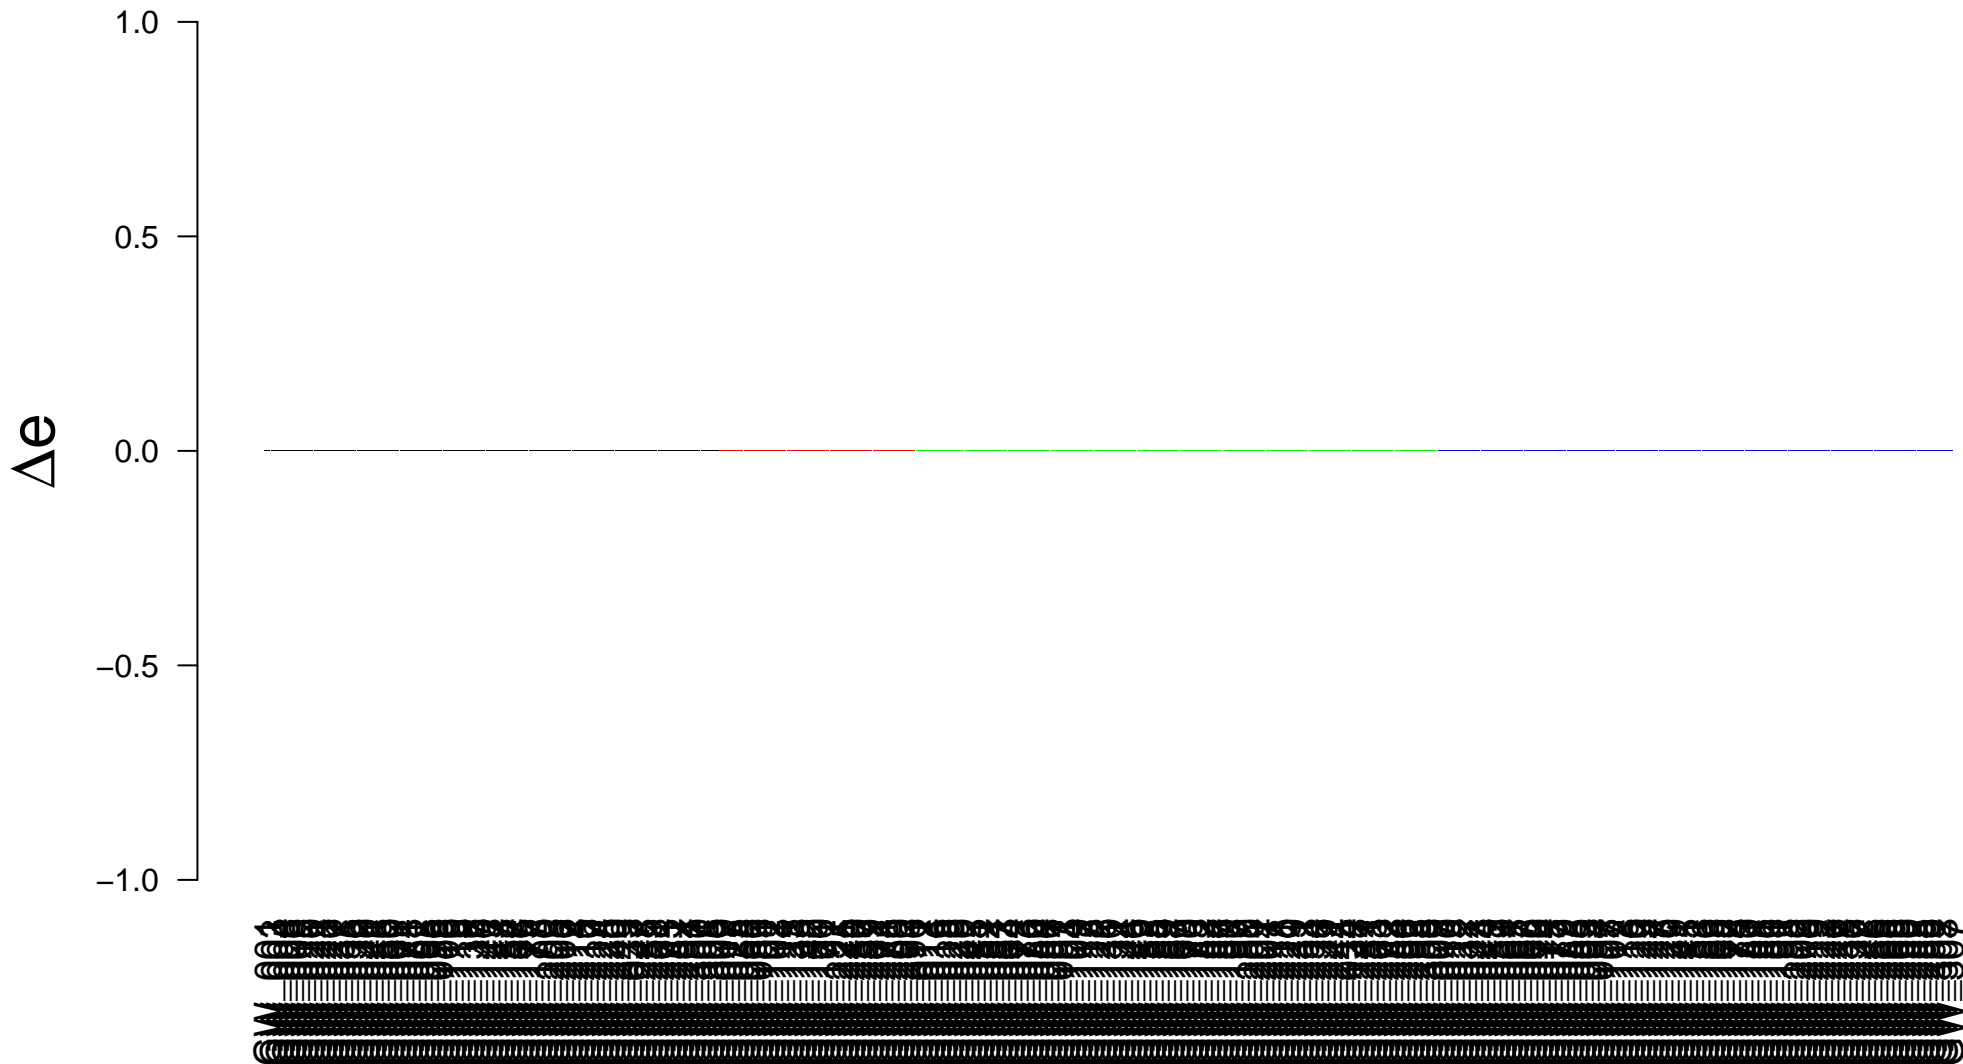

# Expression of positive regulation of Ras protein signal transduction in Spot O

# Expression of positive regulation of Ras protein signal transduction in Spot P

# Expression of positive regulation of Ras protein signal transduction in Spot Q

# Expression of positive regulation of Ras protein signal transduction in Spot R
