

positive regulation of Rho protein signal transduction

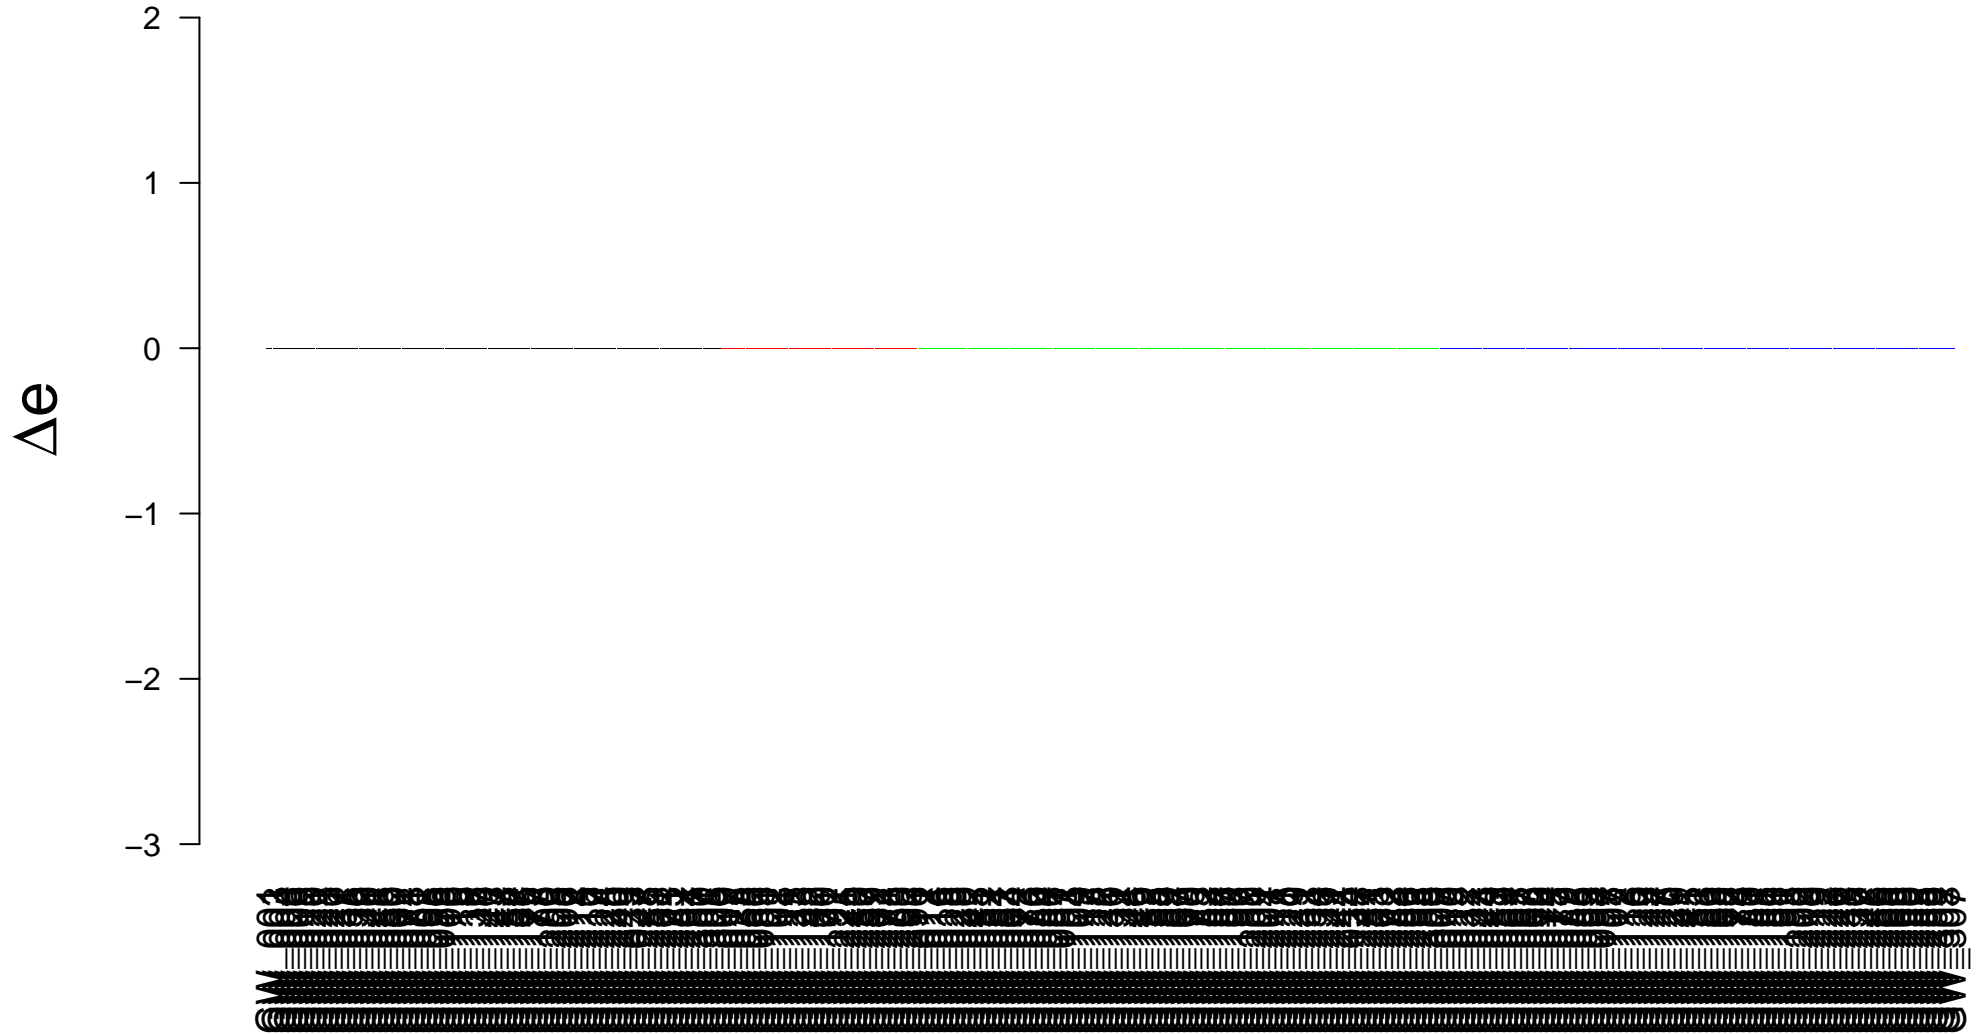

positive regulation of Rho protein signal transduction

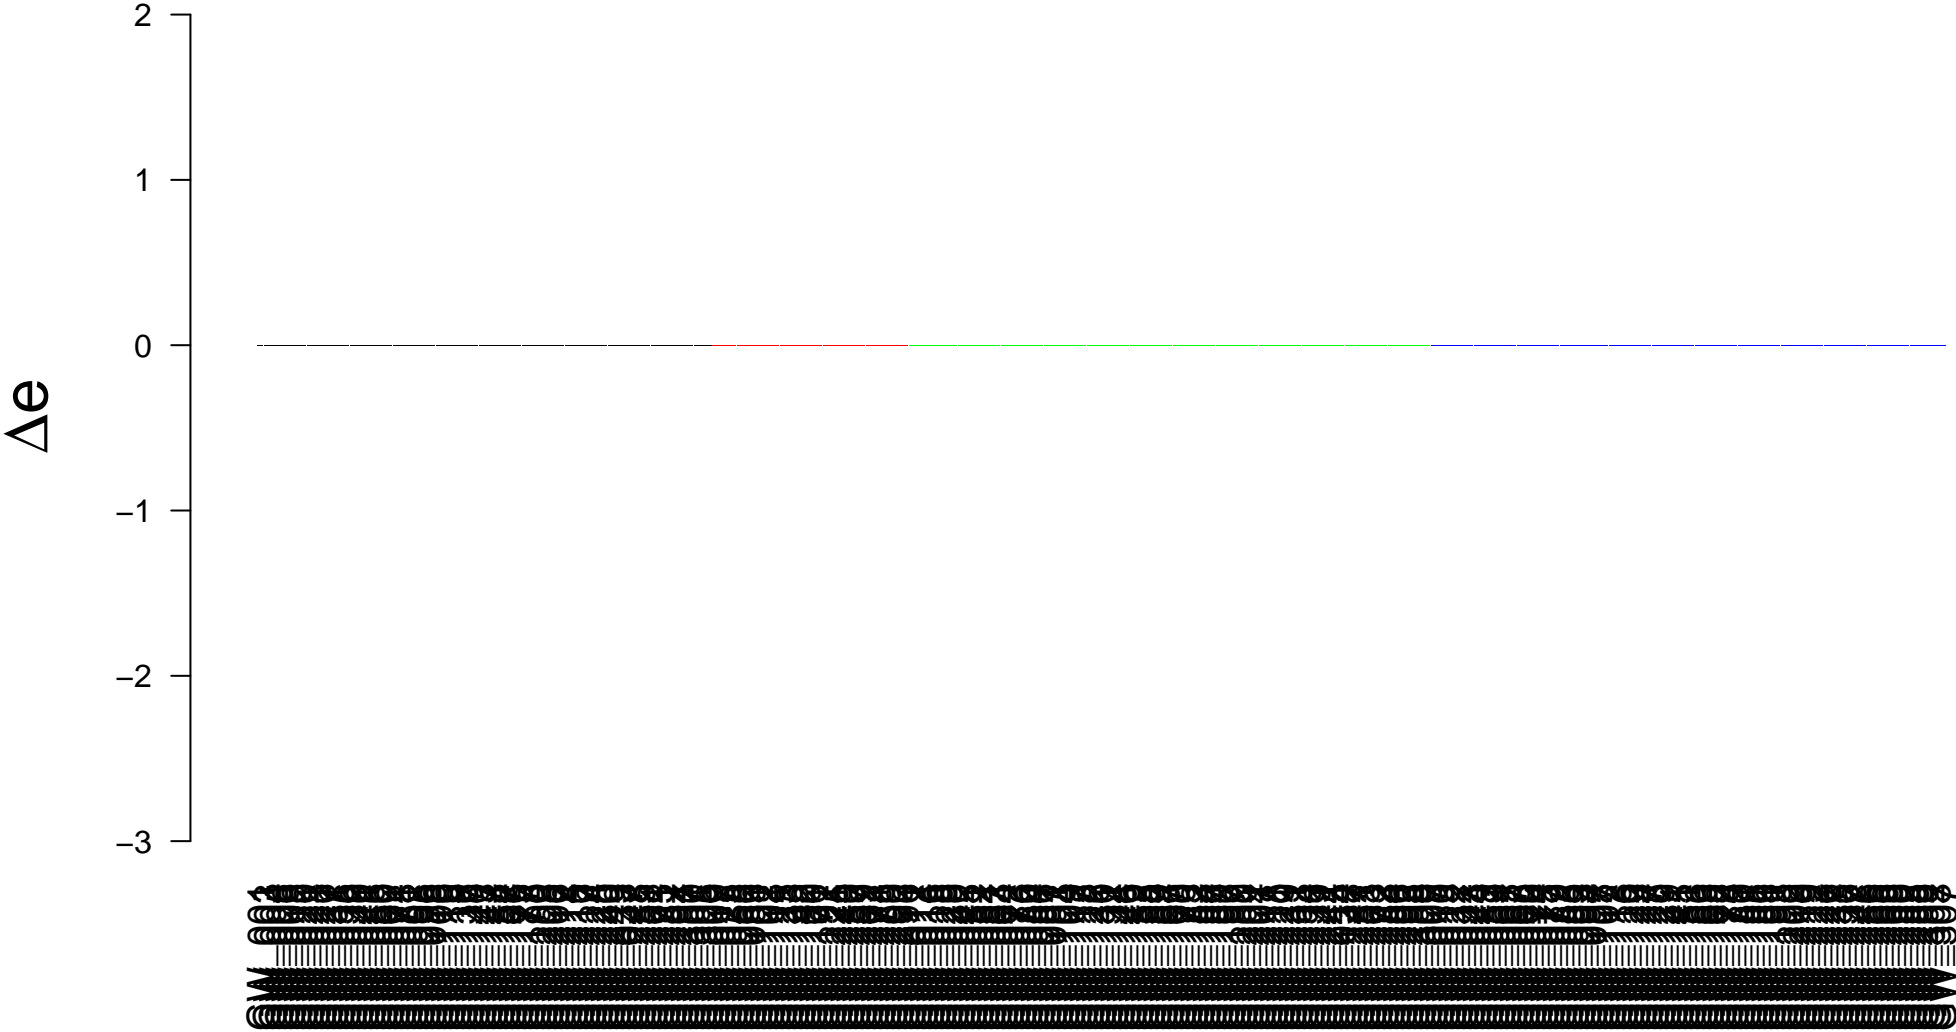

Enrichment in spots: positive regulation of Rho protein signal transduction

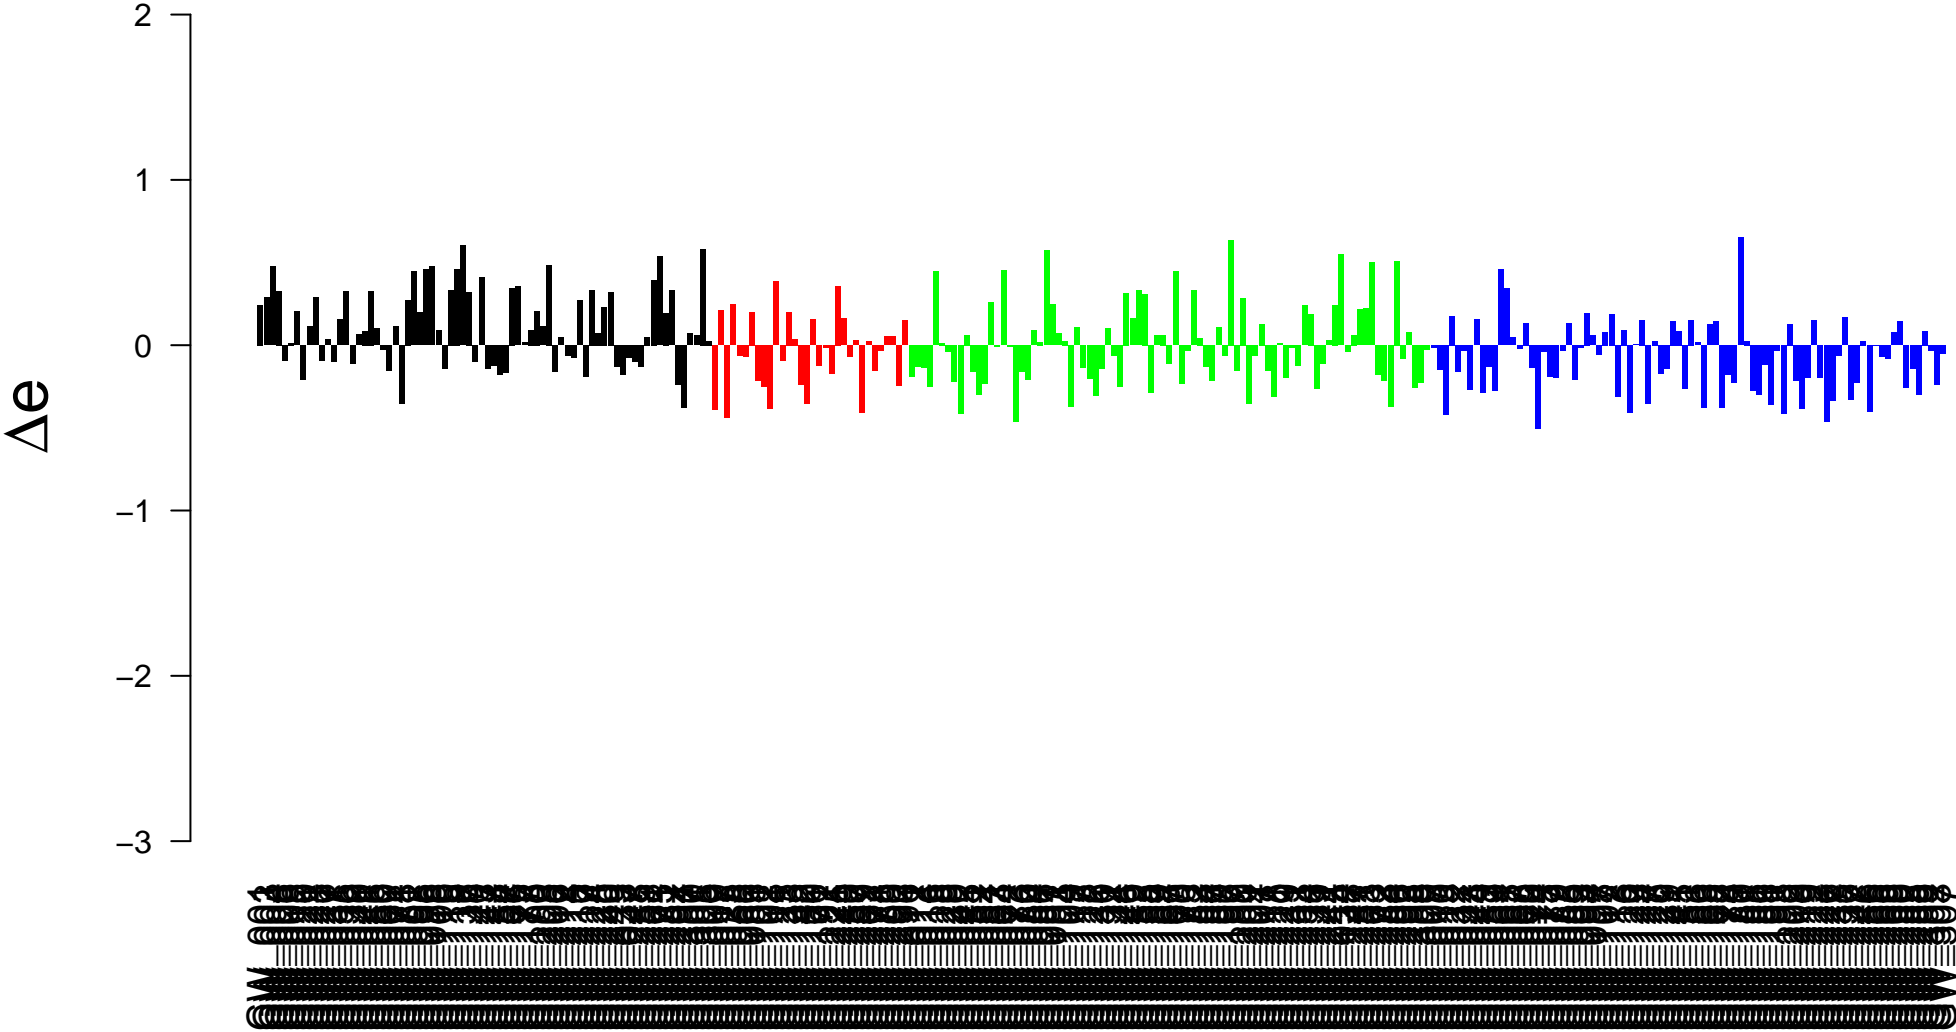

Expression of positive regulation of Rho protein signal transduction in Spot A

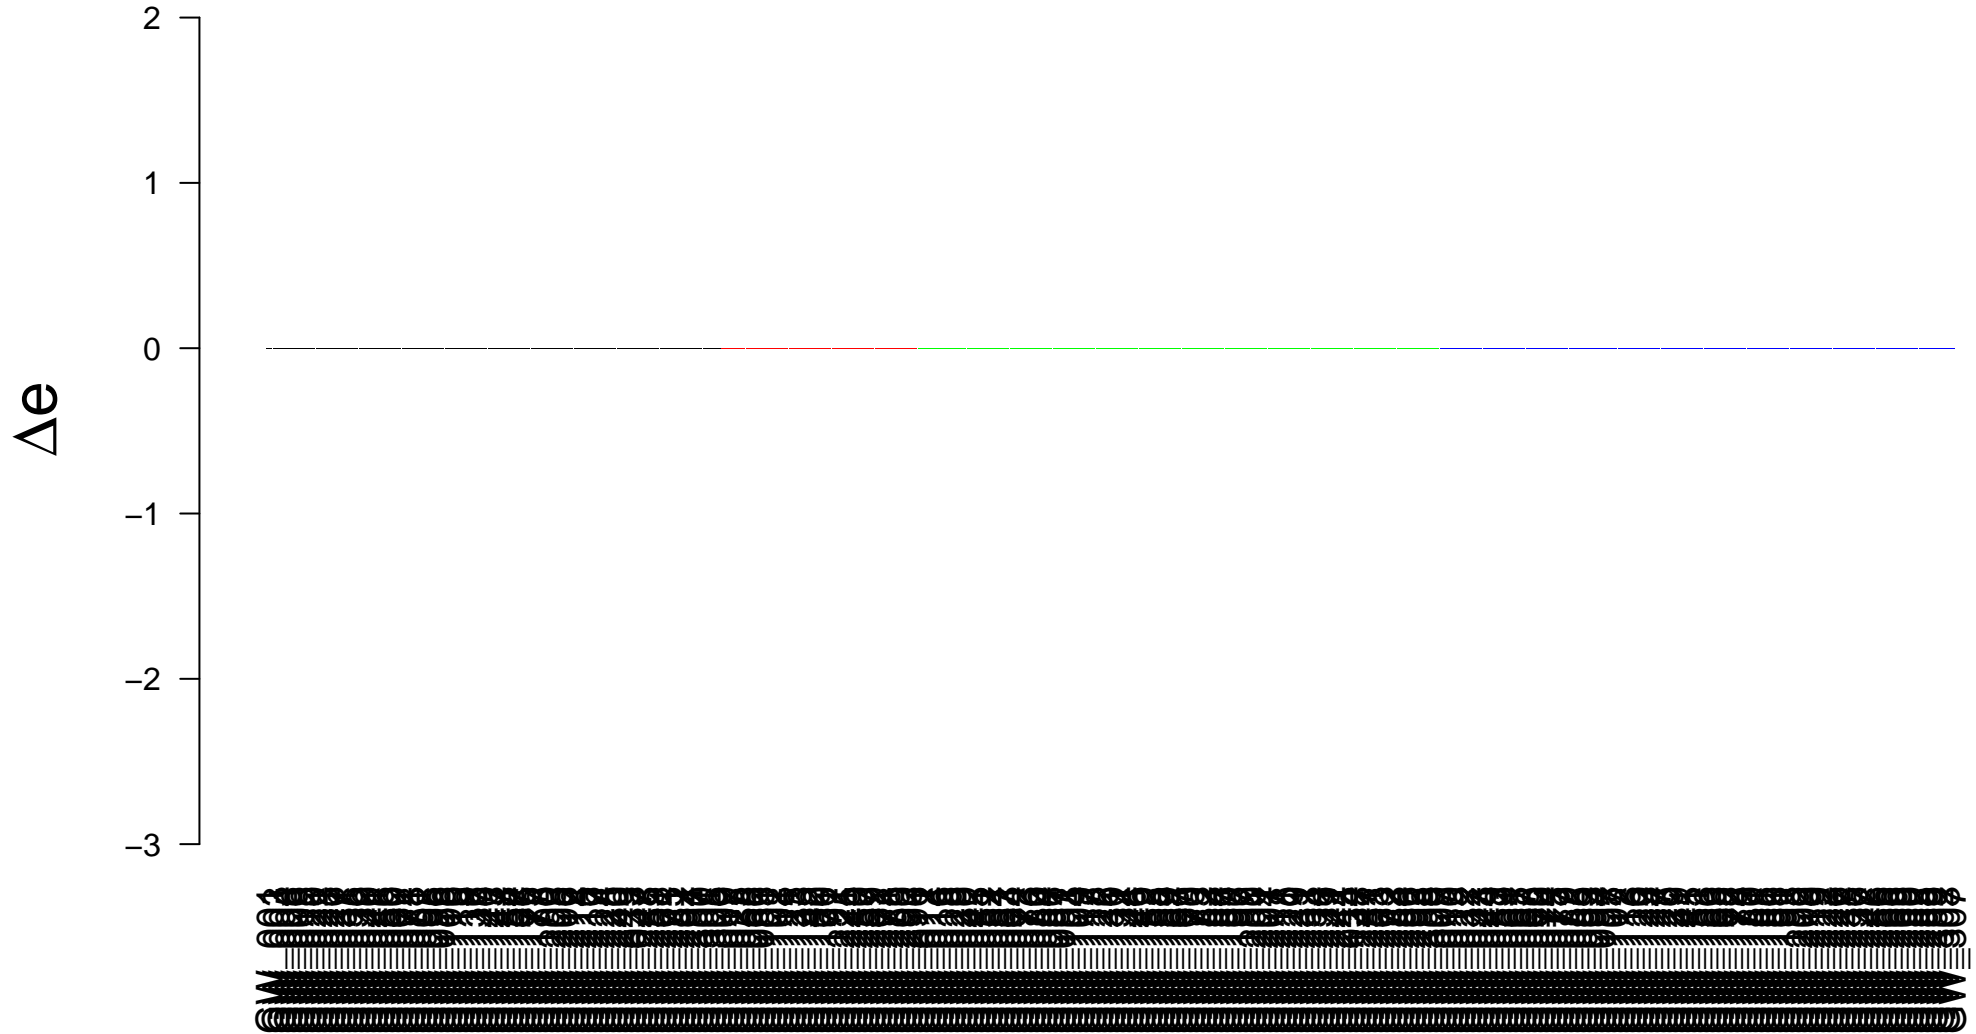

Expression of positive regulation of Rho protein signal transduction in Spot B

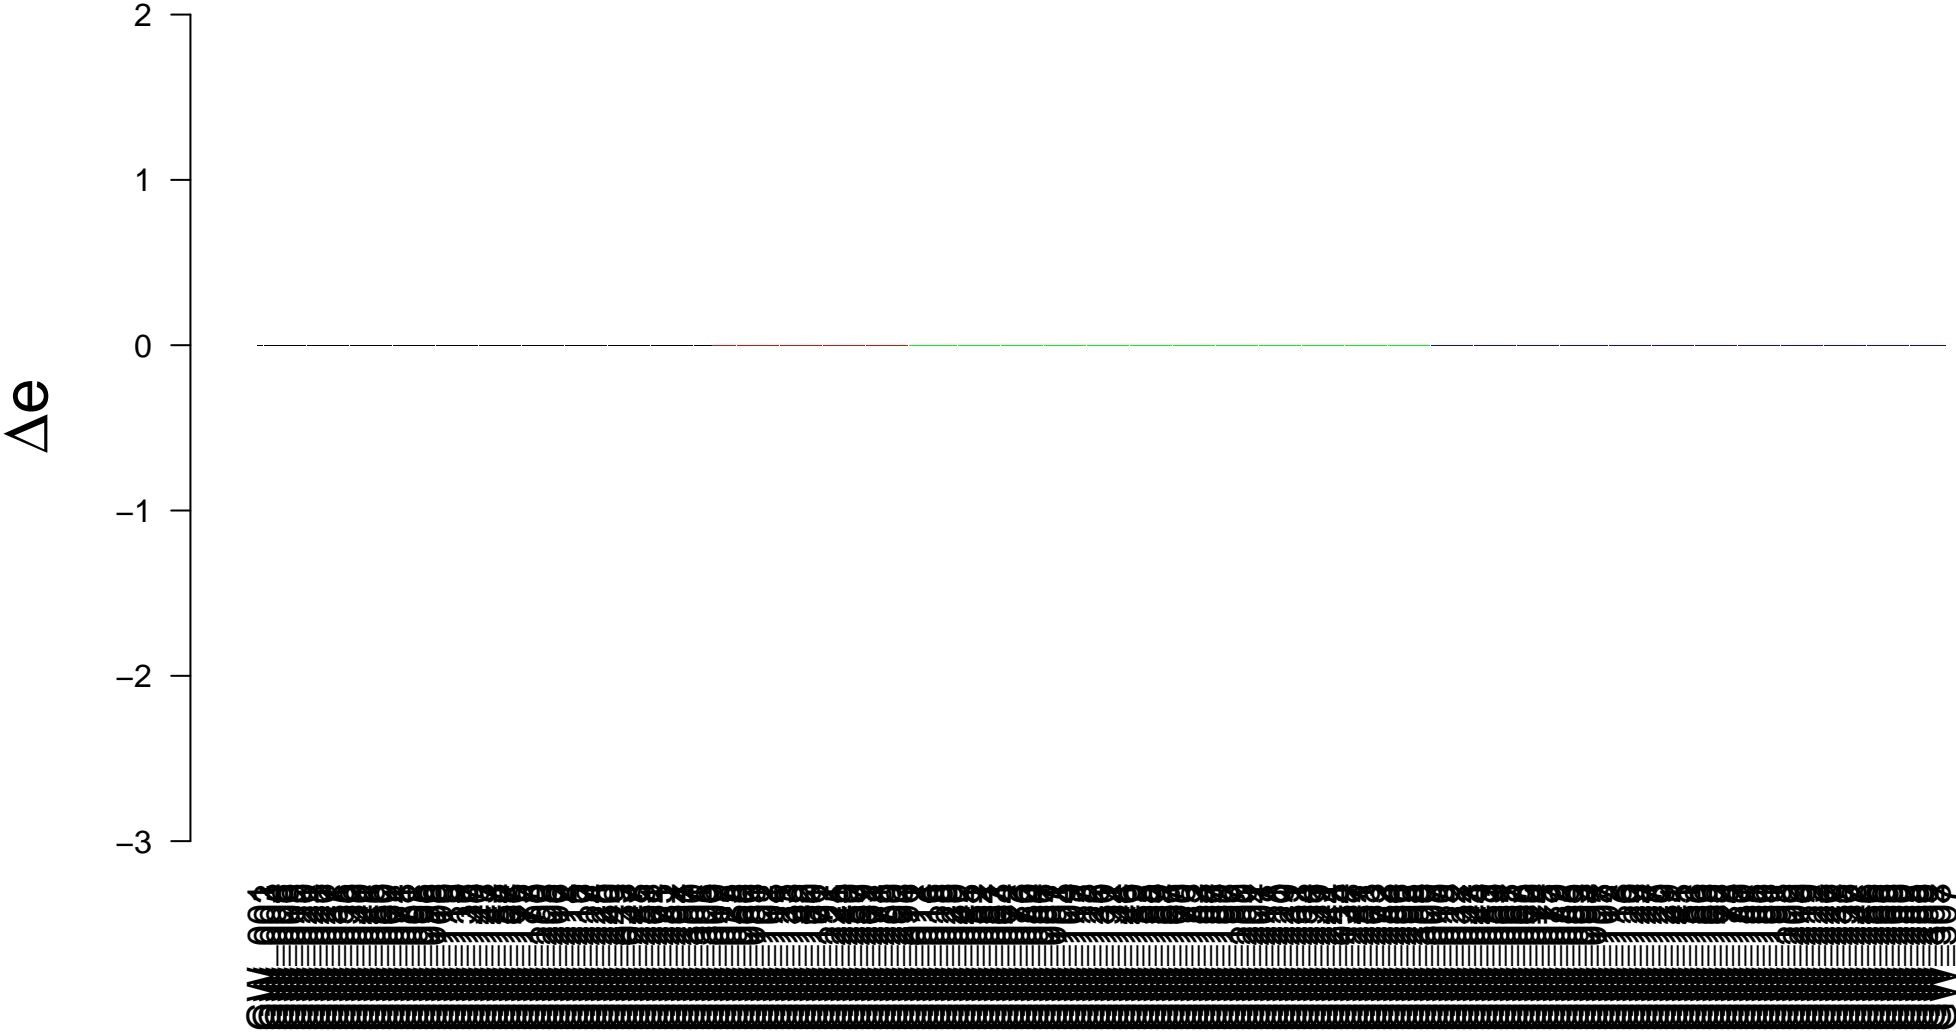

Expression of positive regulation of Rho protein signal transduction in Spot C

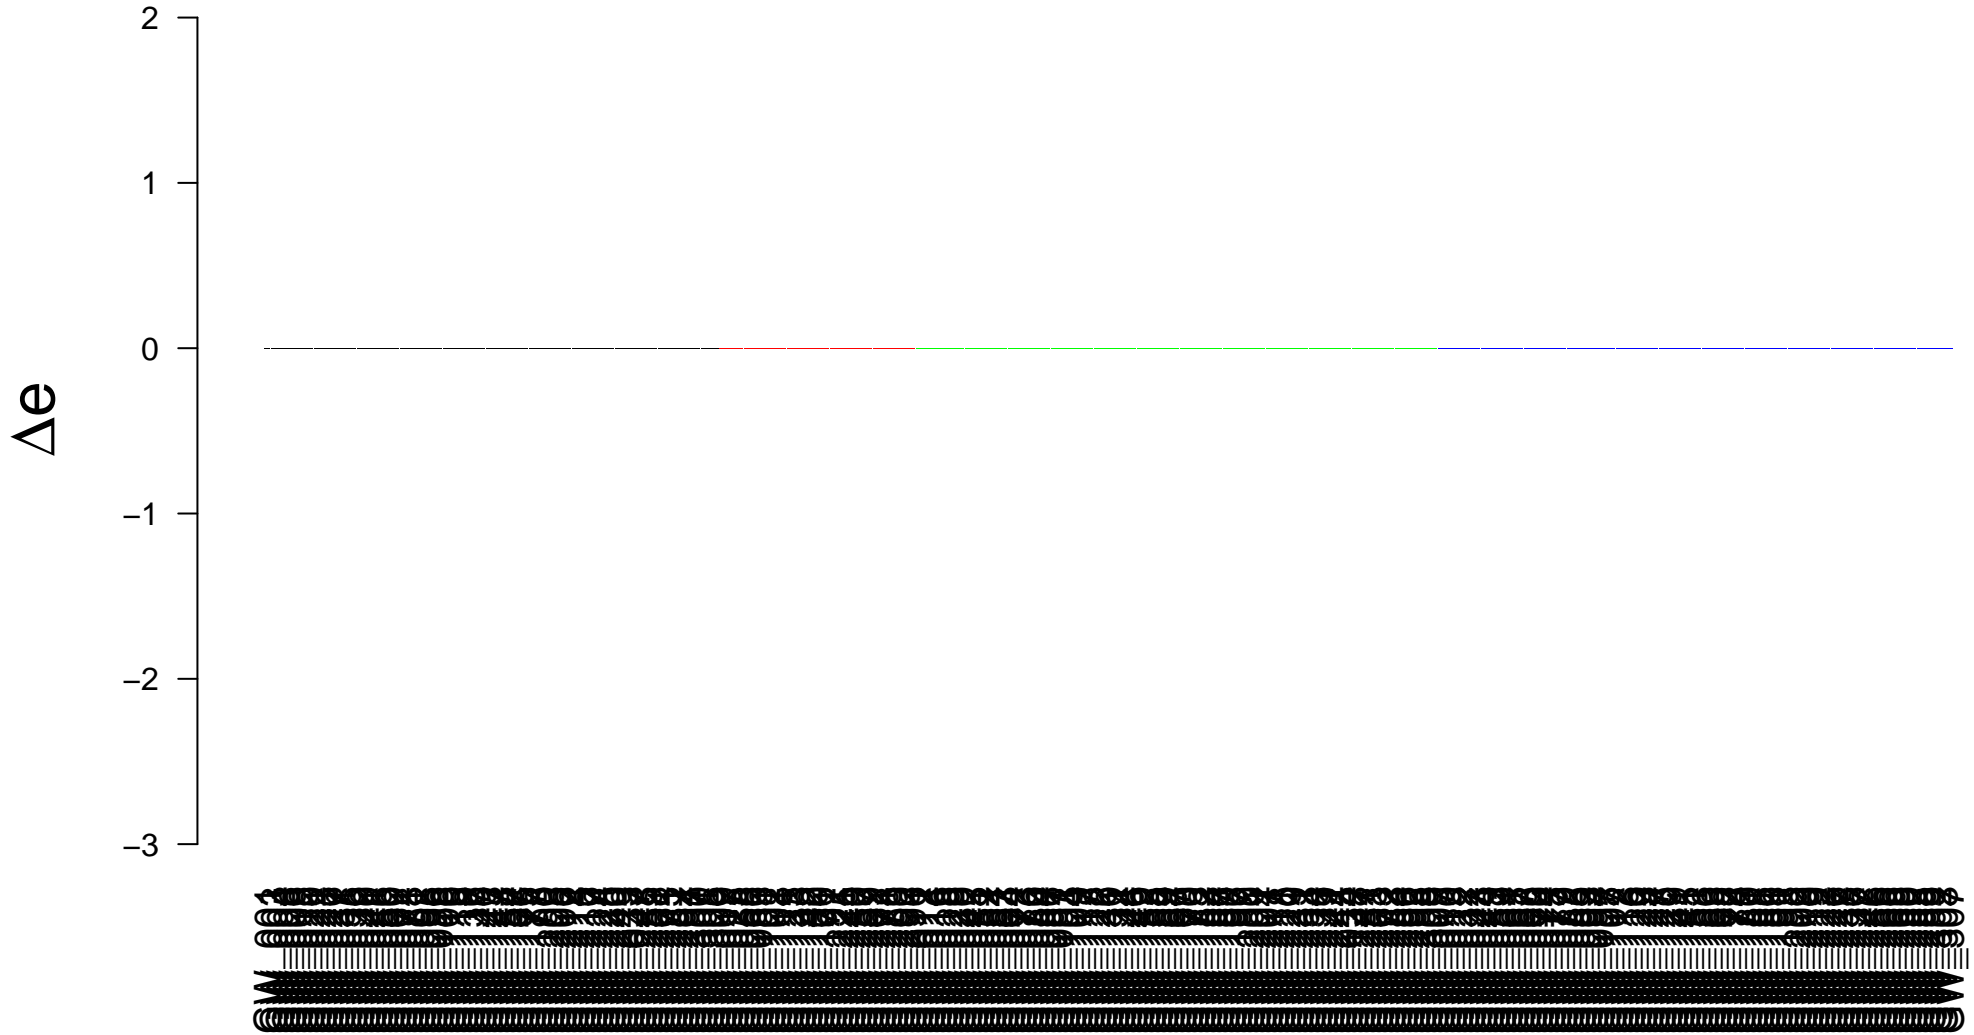

Expression of positive regulation of Rho protein signal transduction in Spot D

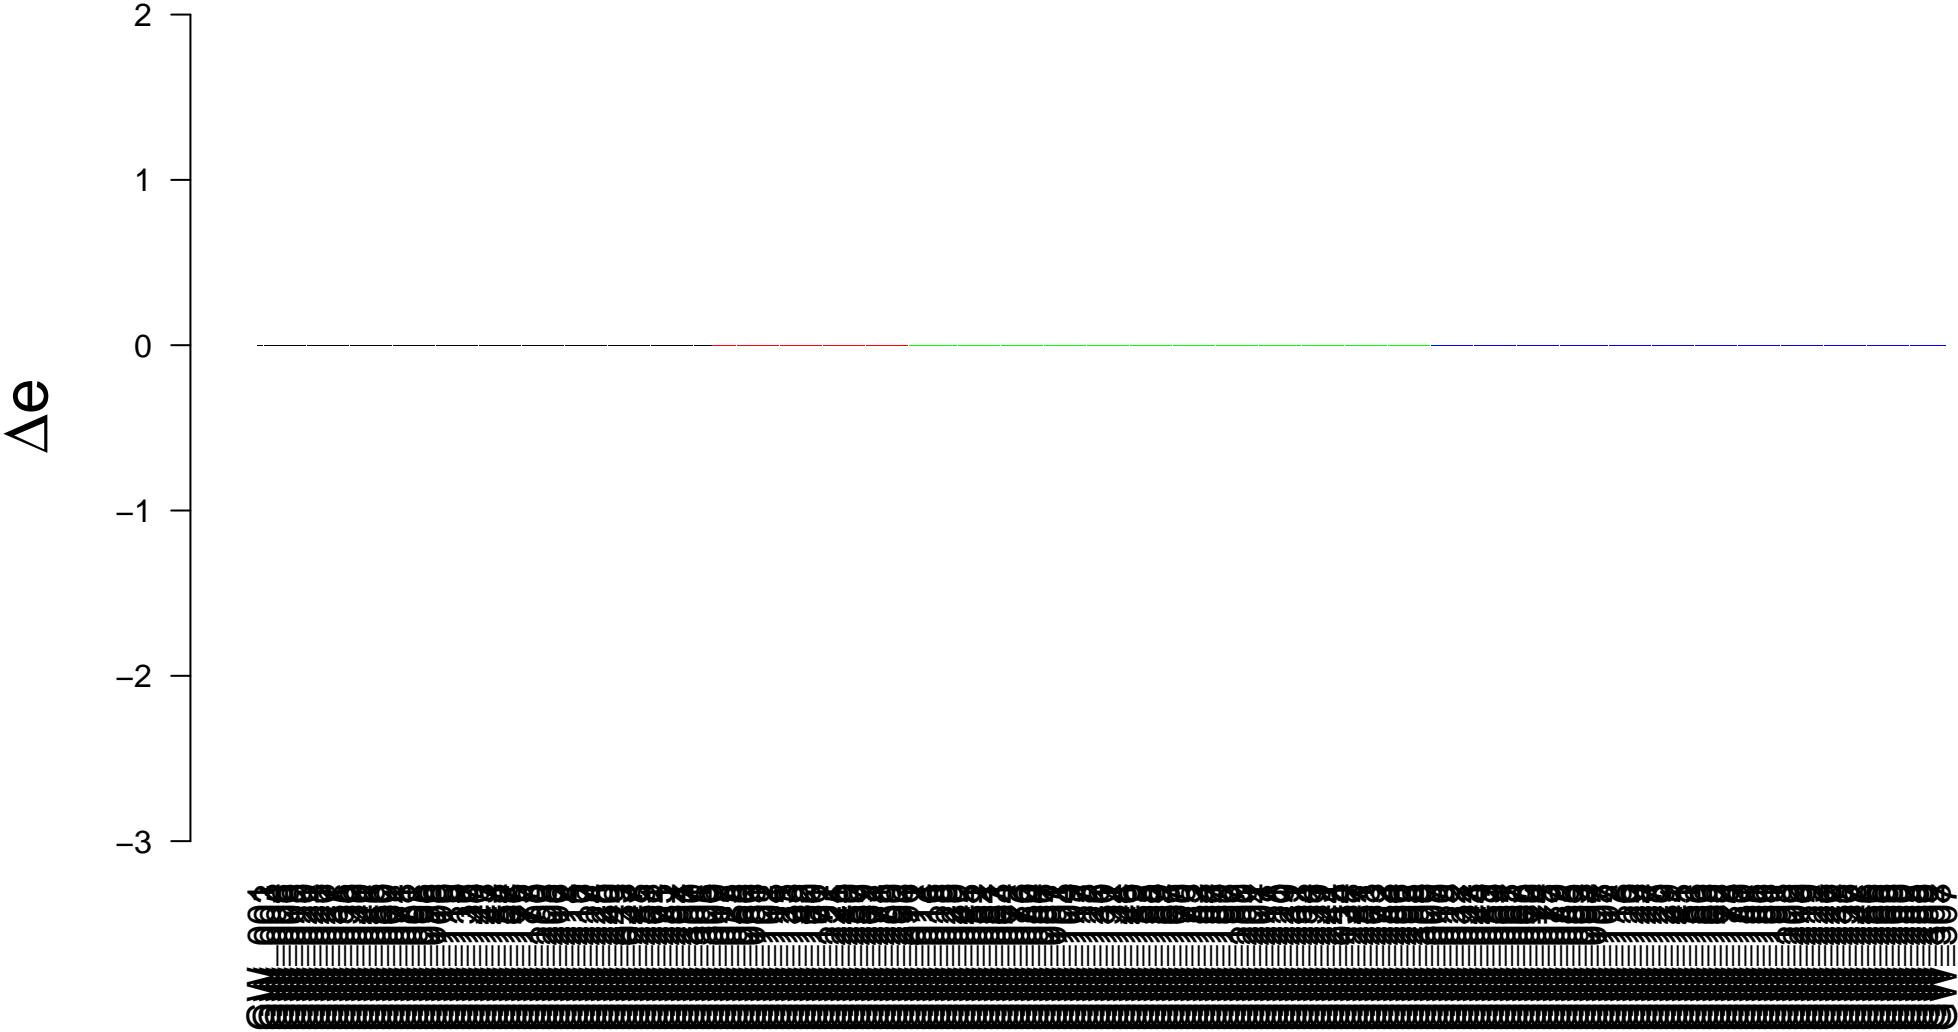

Expression of positive regulation of Rho protein signal transduction in Spot E

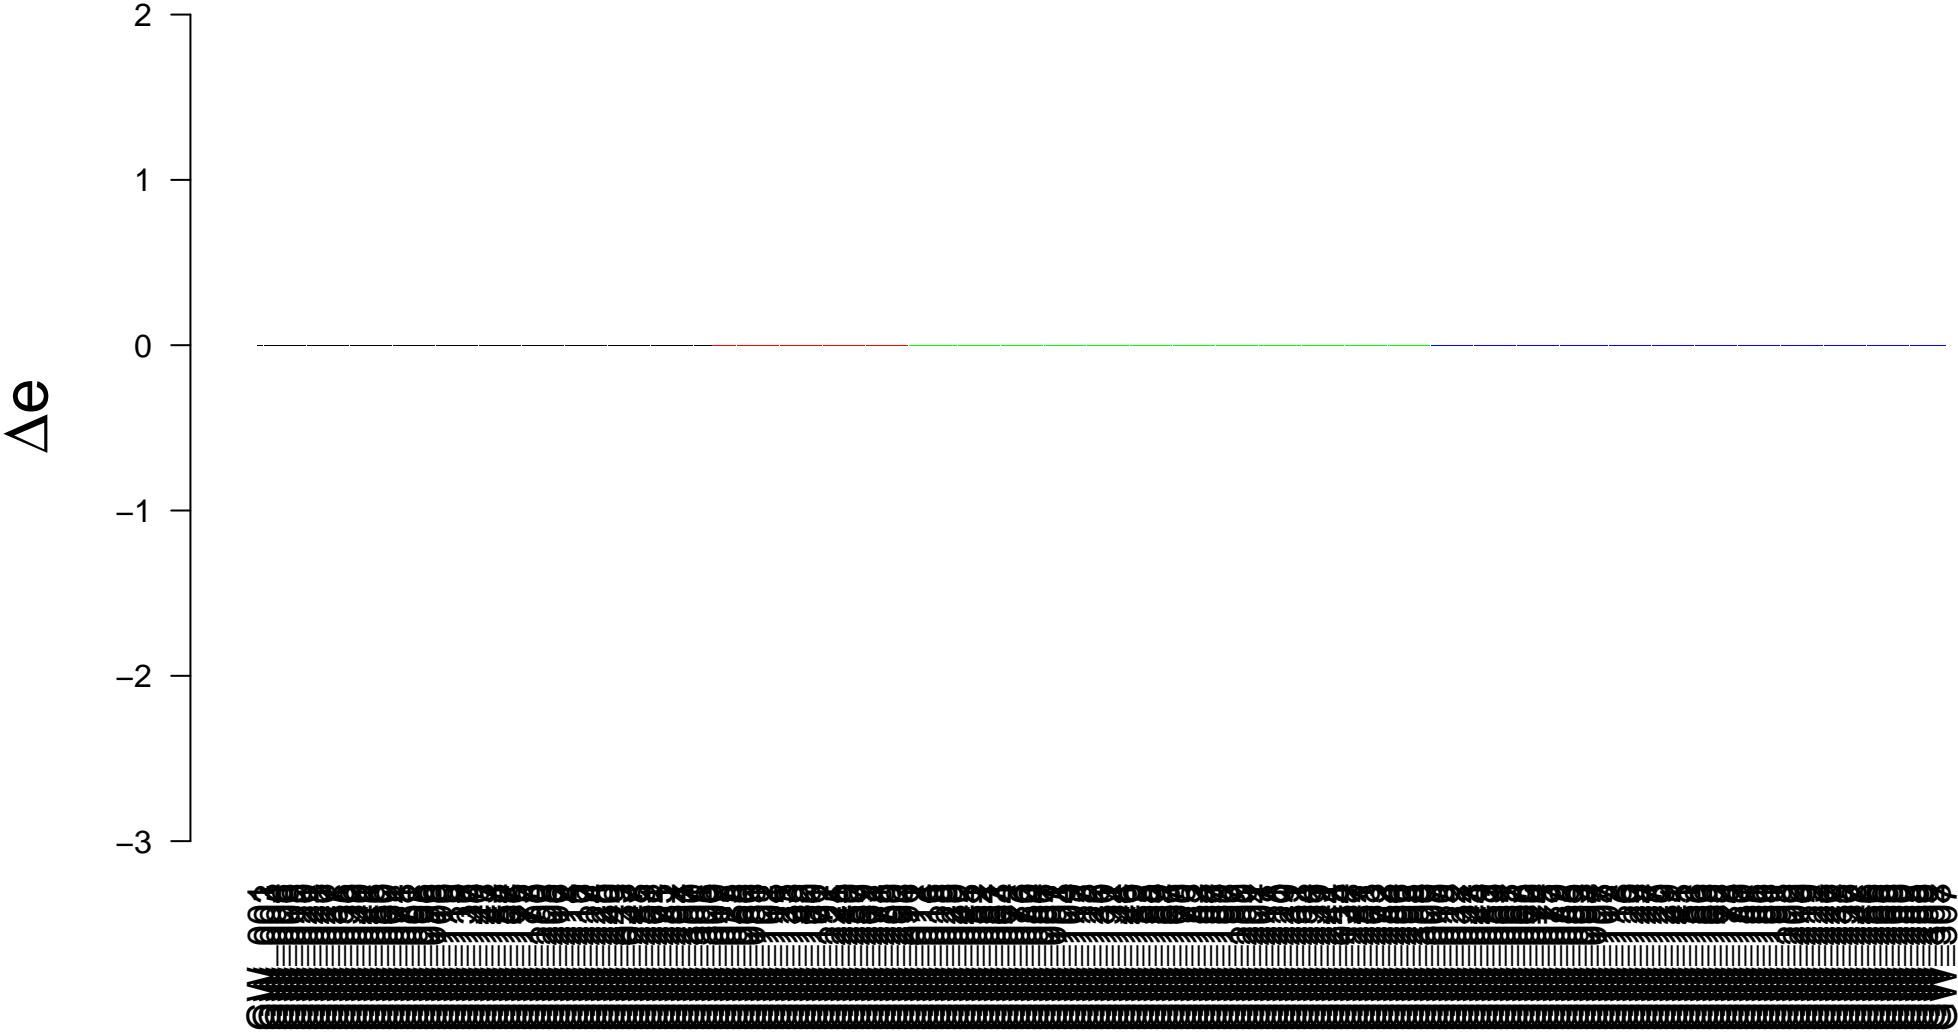

Expression of positive regulation of Rho protein signal transduction in Spot F

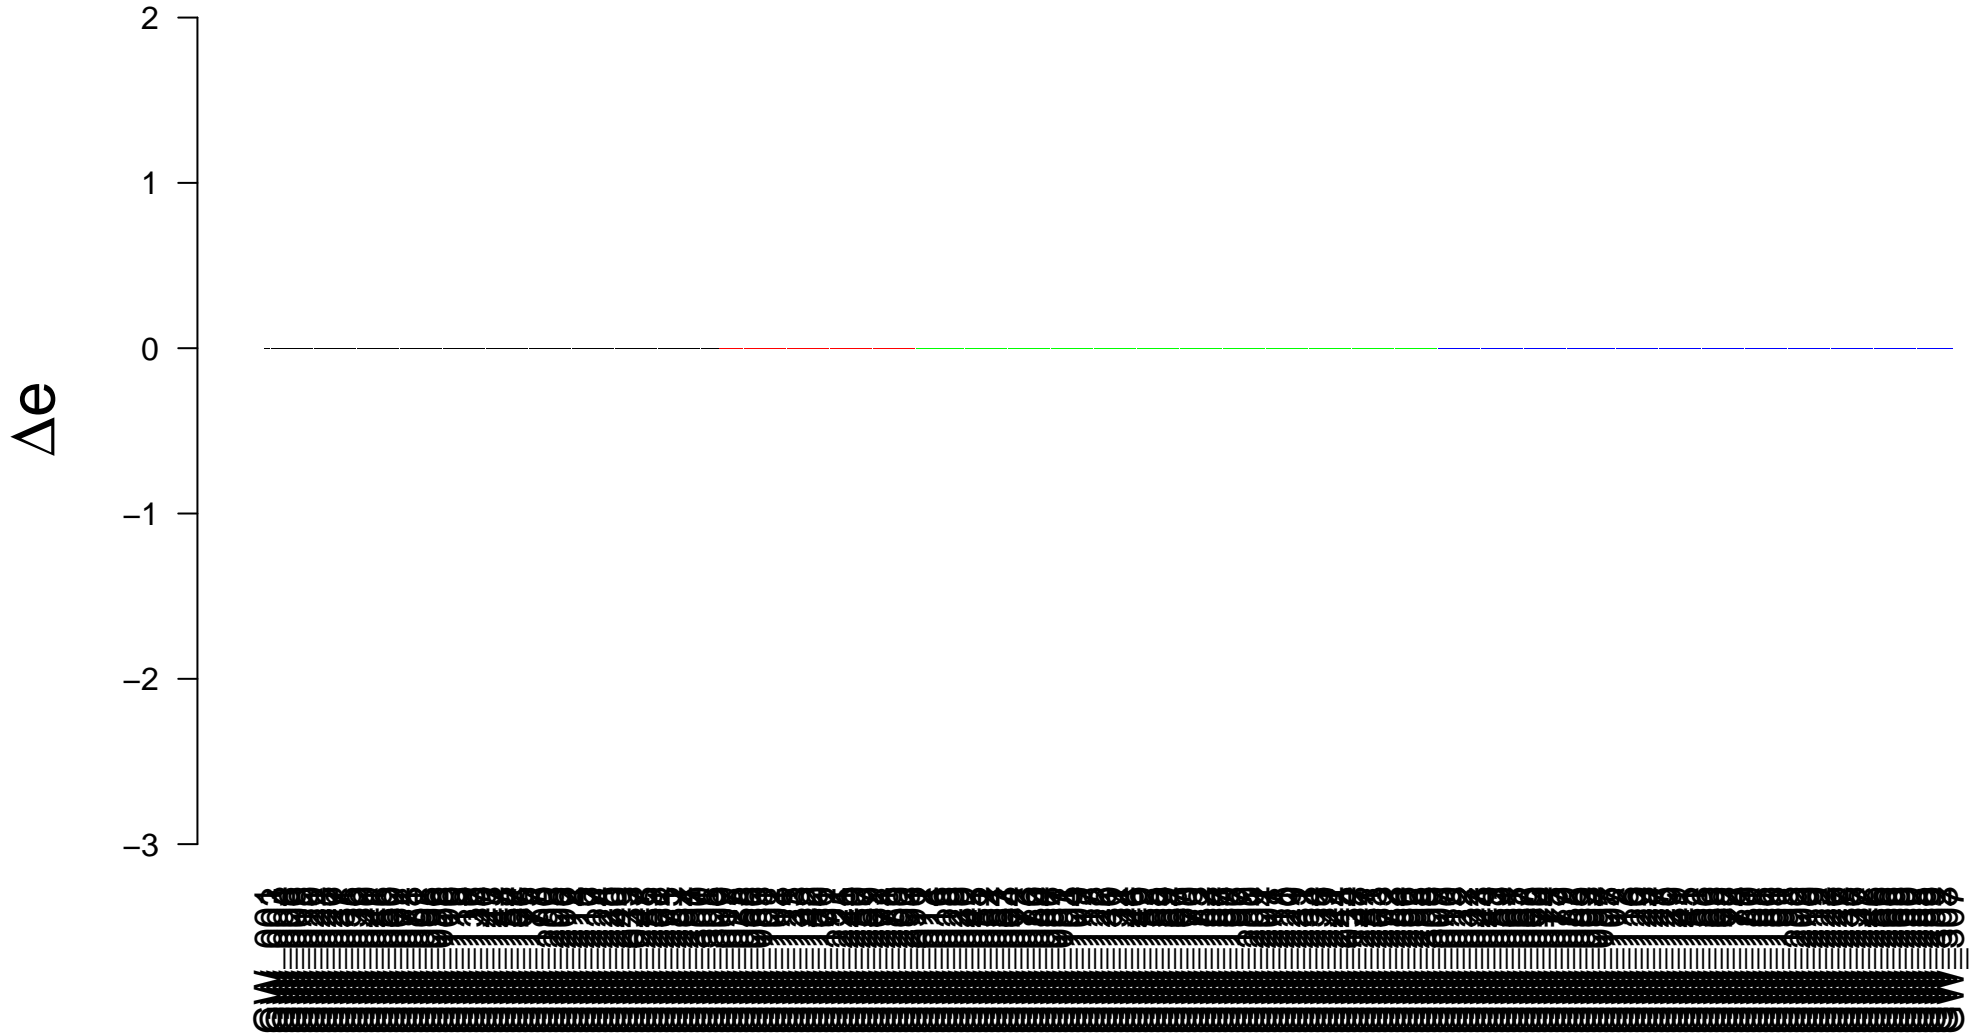

Expression of positive regulation of Rho protein signal transduction in Spot G

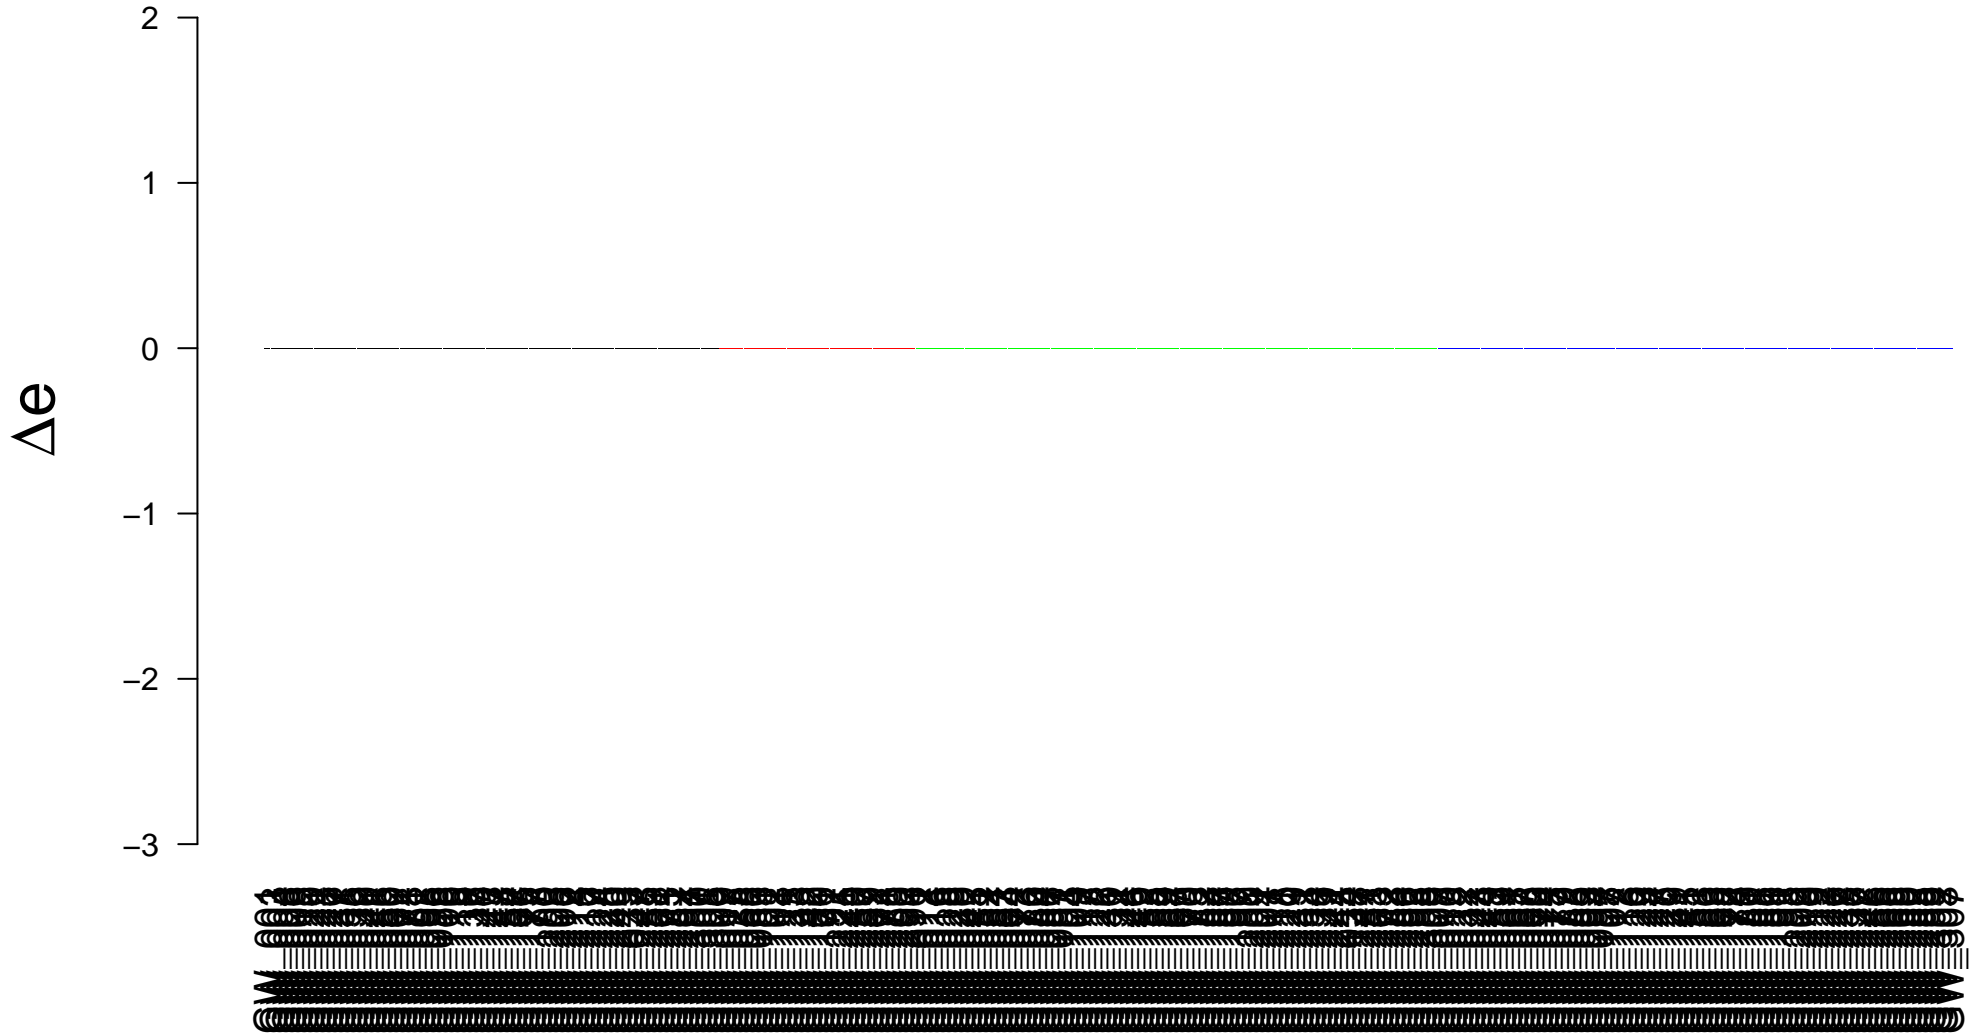

Expression of positive regulation of Rho protein signal transduction in Spot H

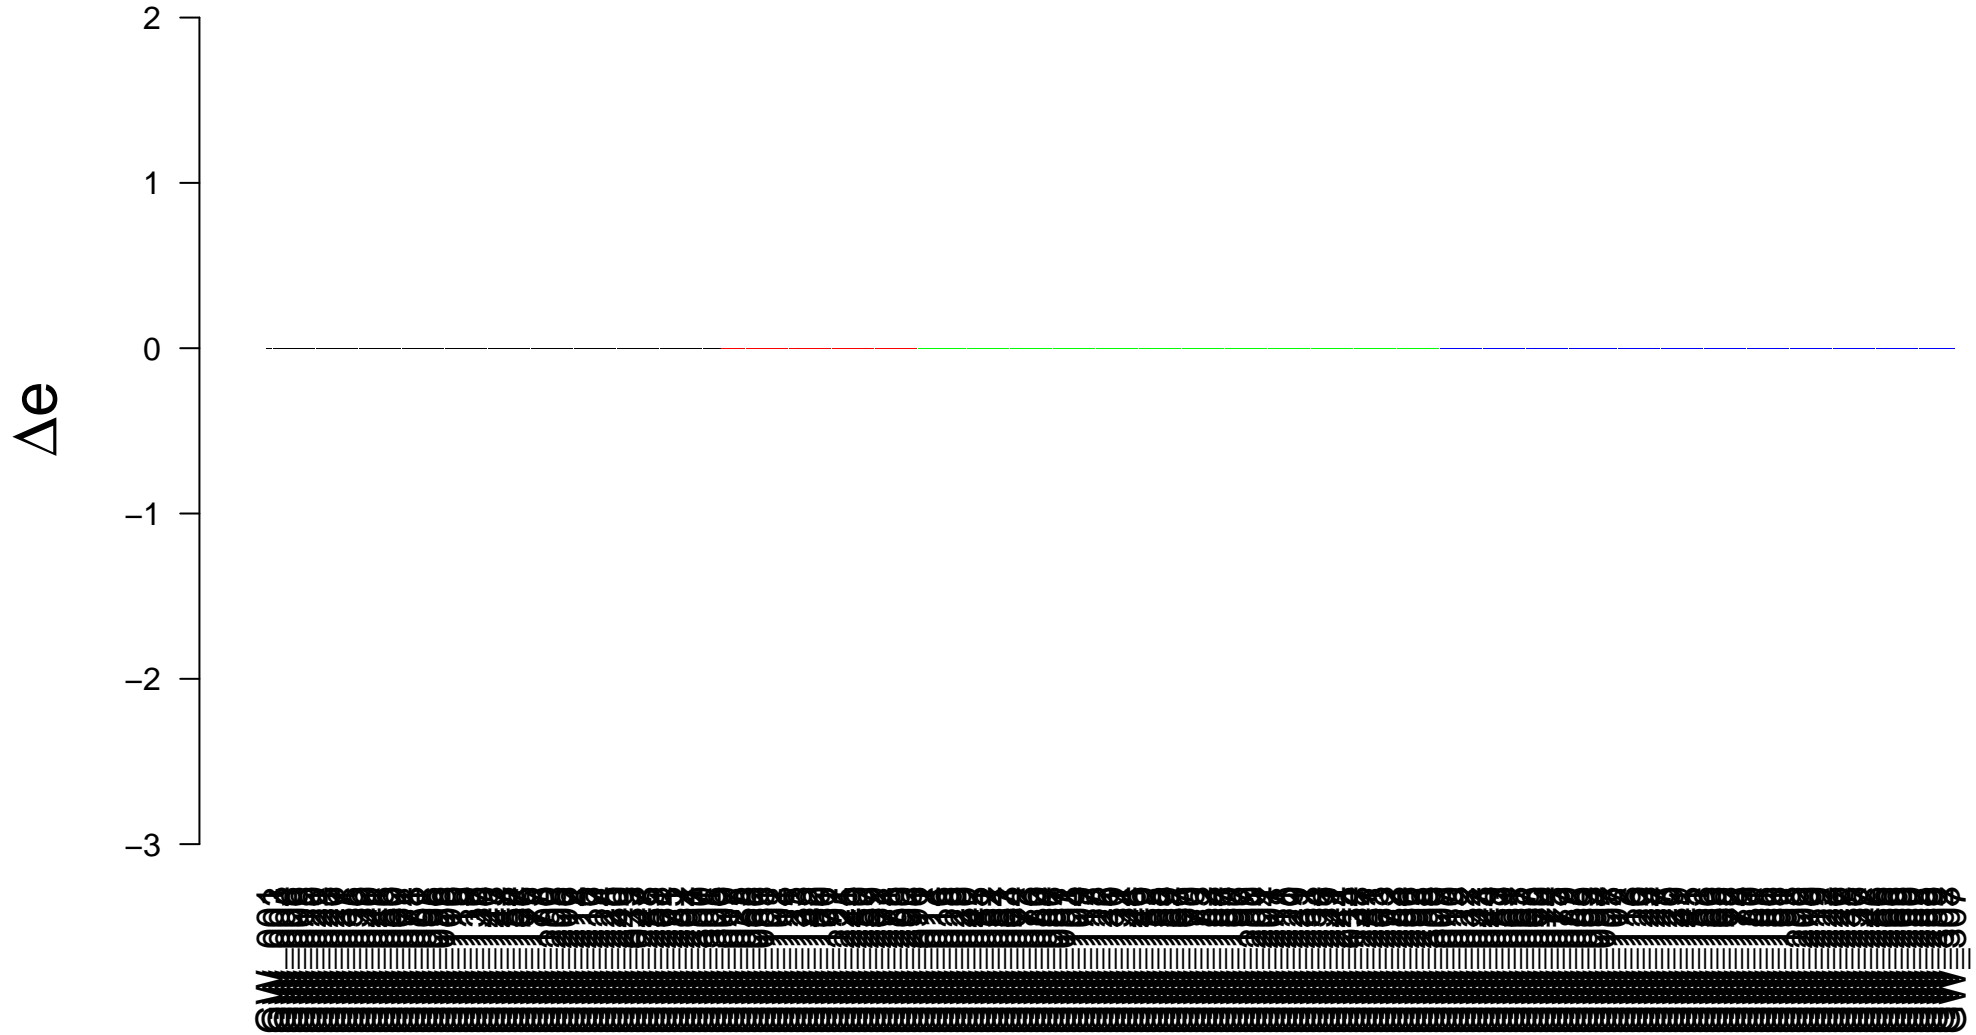

Expression of positive regulation of Rho protein signal transduction in Spot I

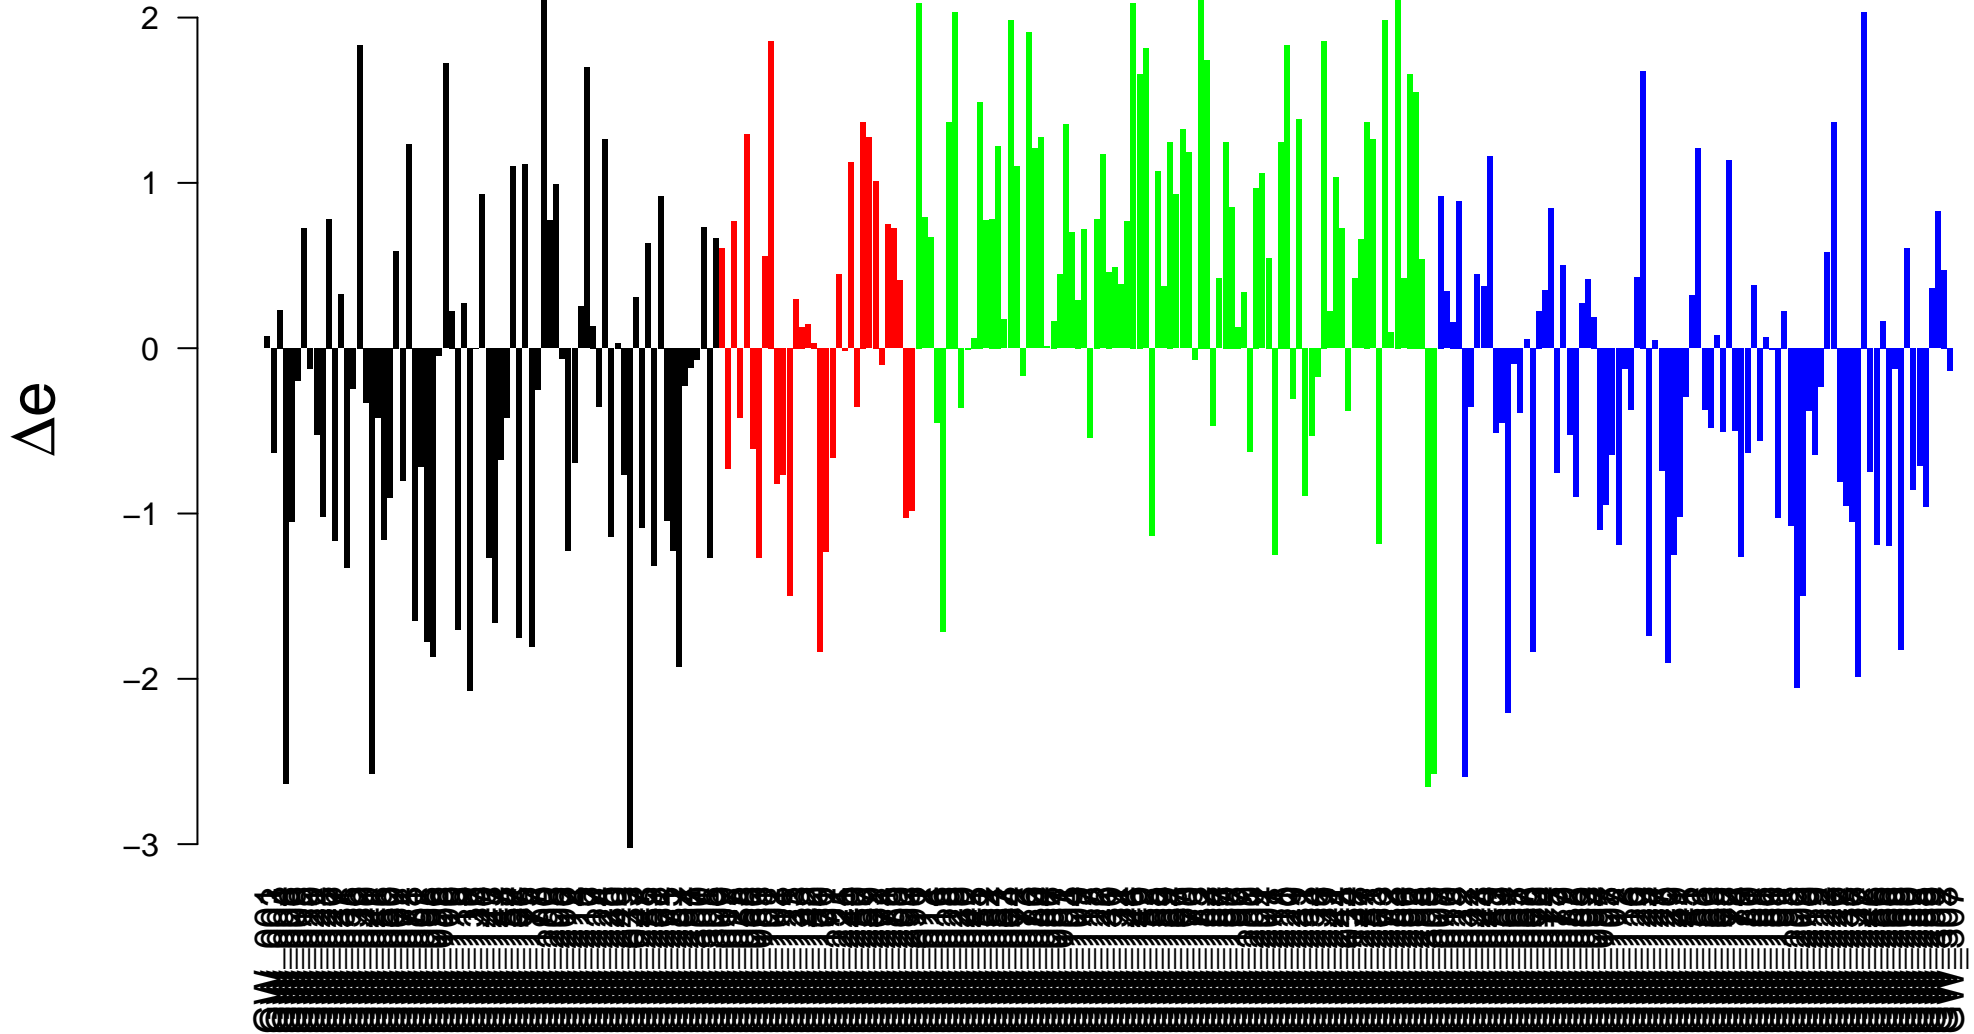

Expression of positive regulation of Rho protein signal transduction in Spot J

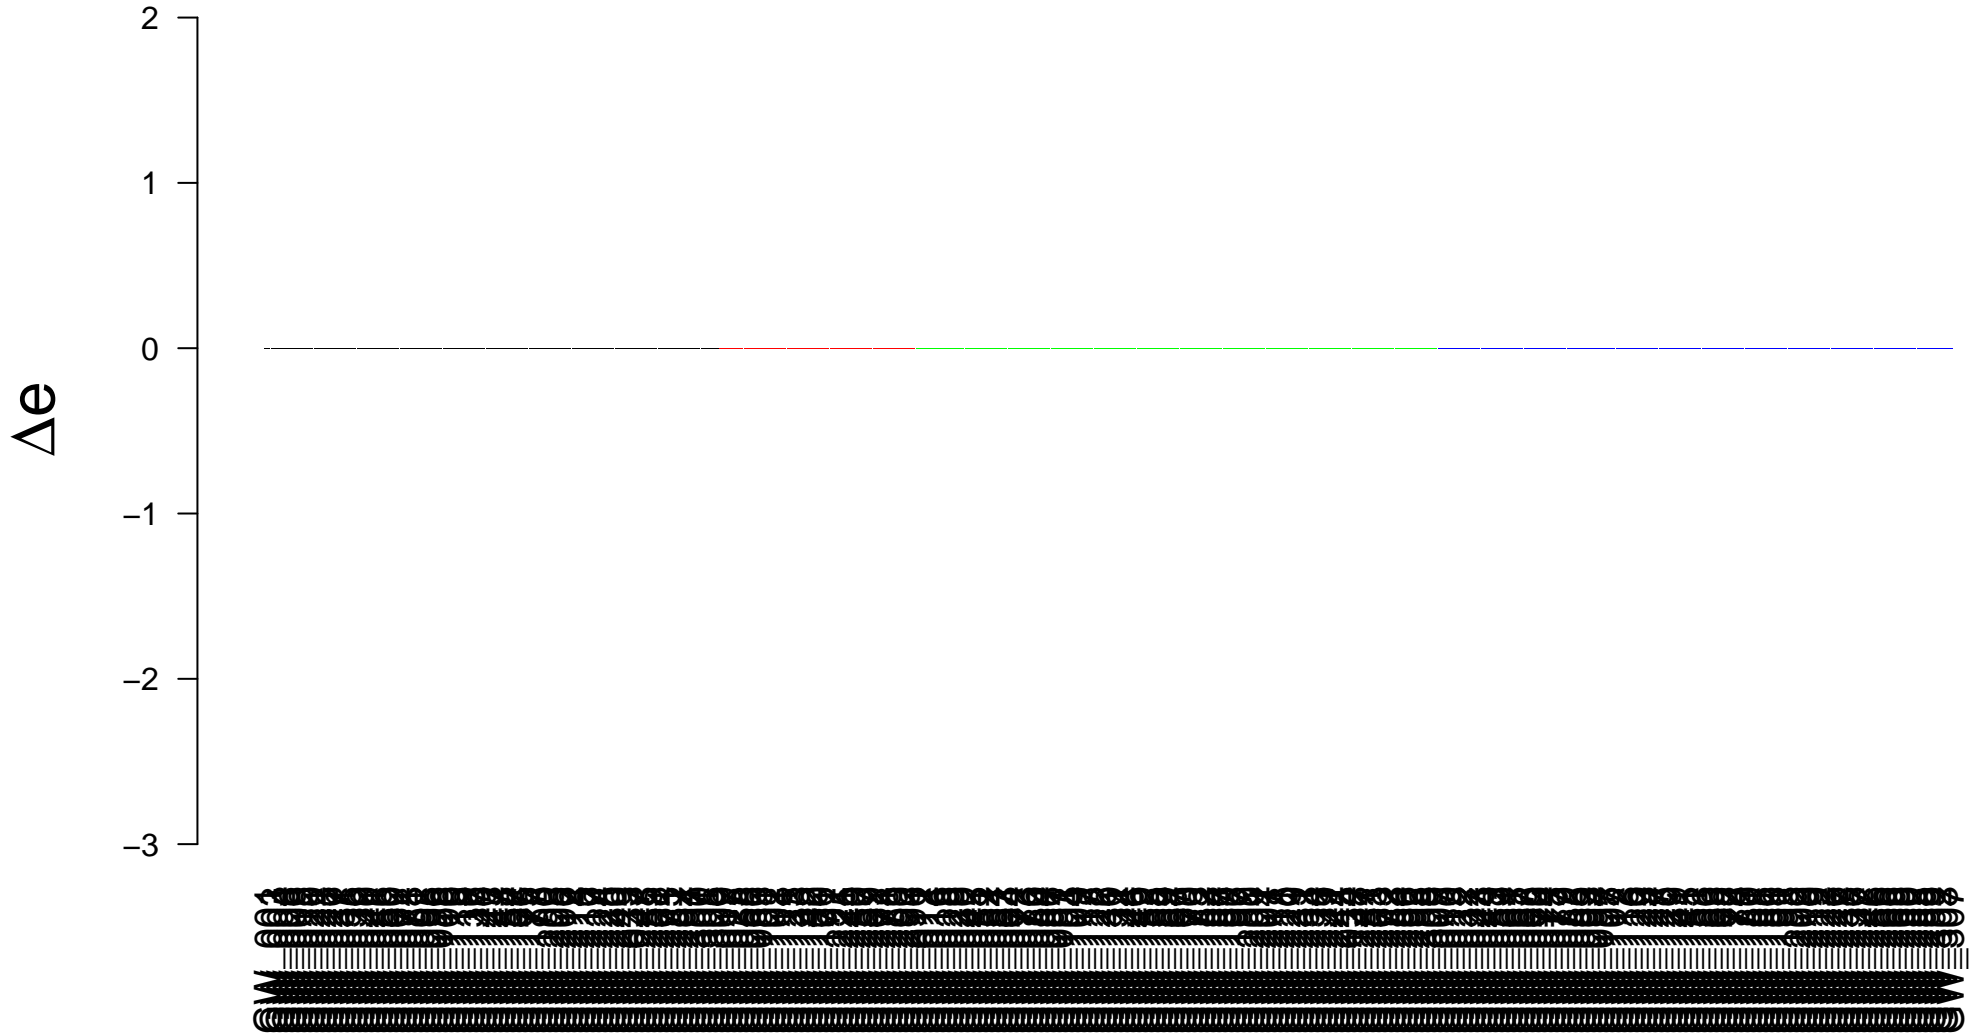

Expression of positive regulation of Rho protein signal transduction in Spot K

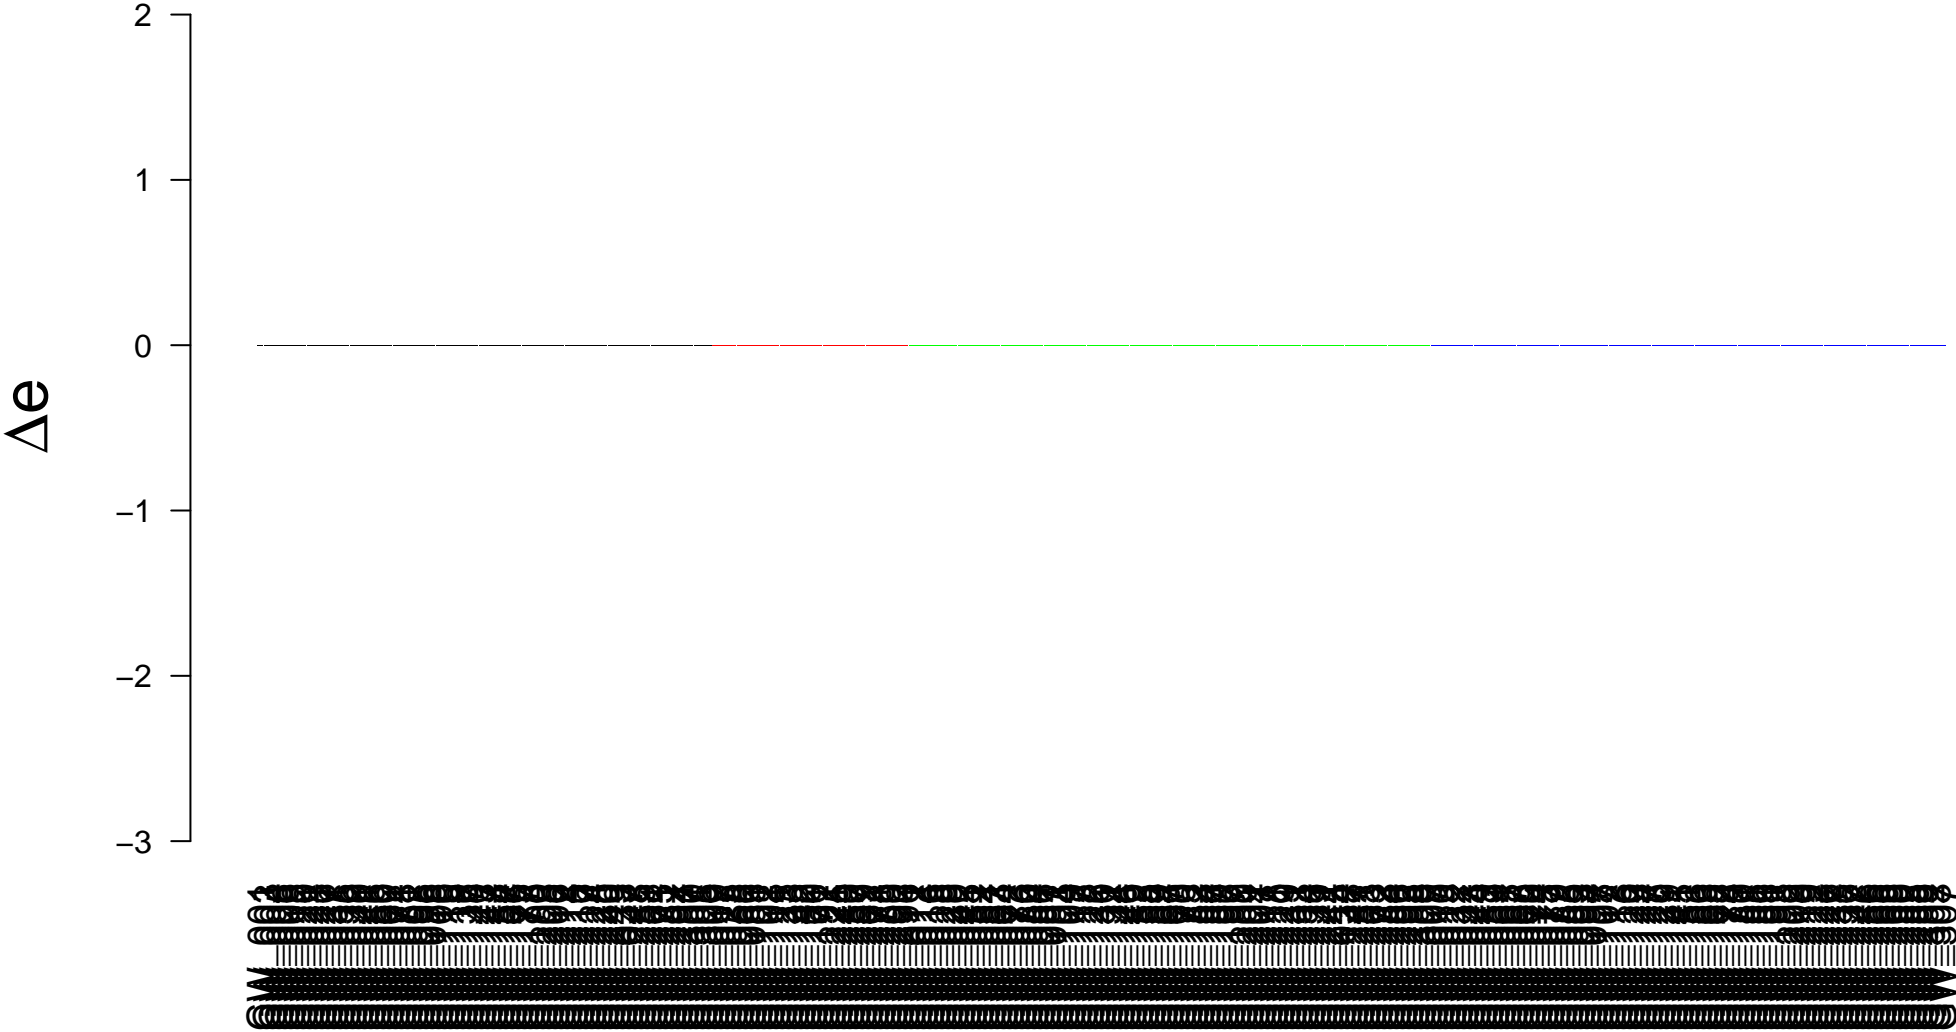

Expression of positive regulation of Rho protein signal transduction in Spot L

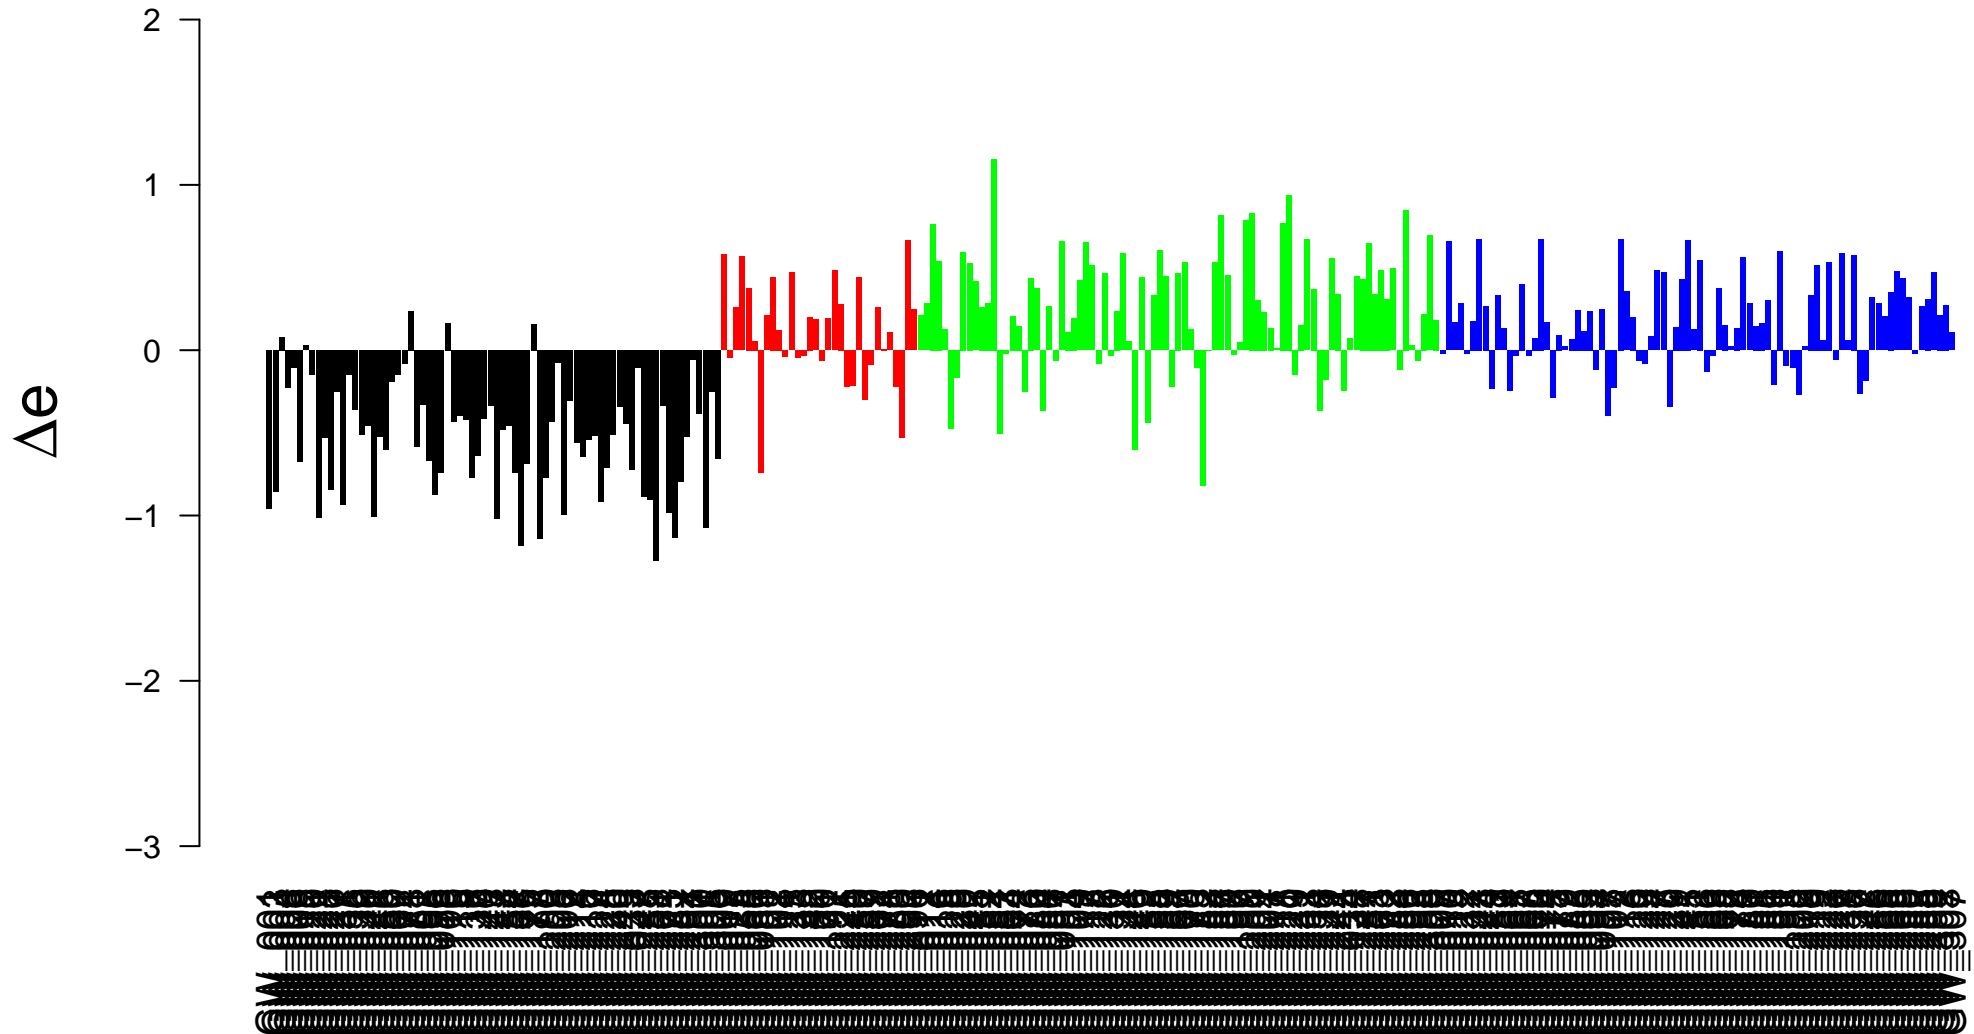

Expression of positive regulation of Rho protein signal transduction in Spot M

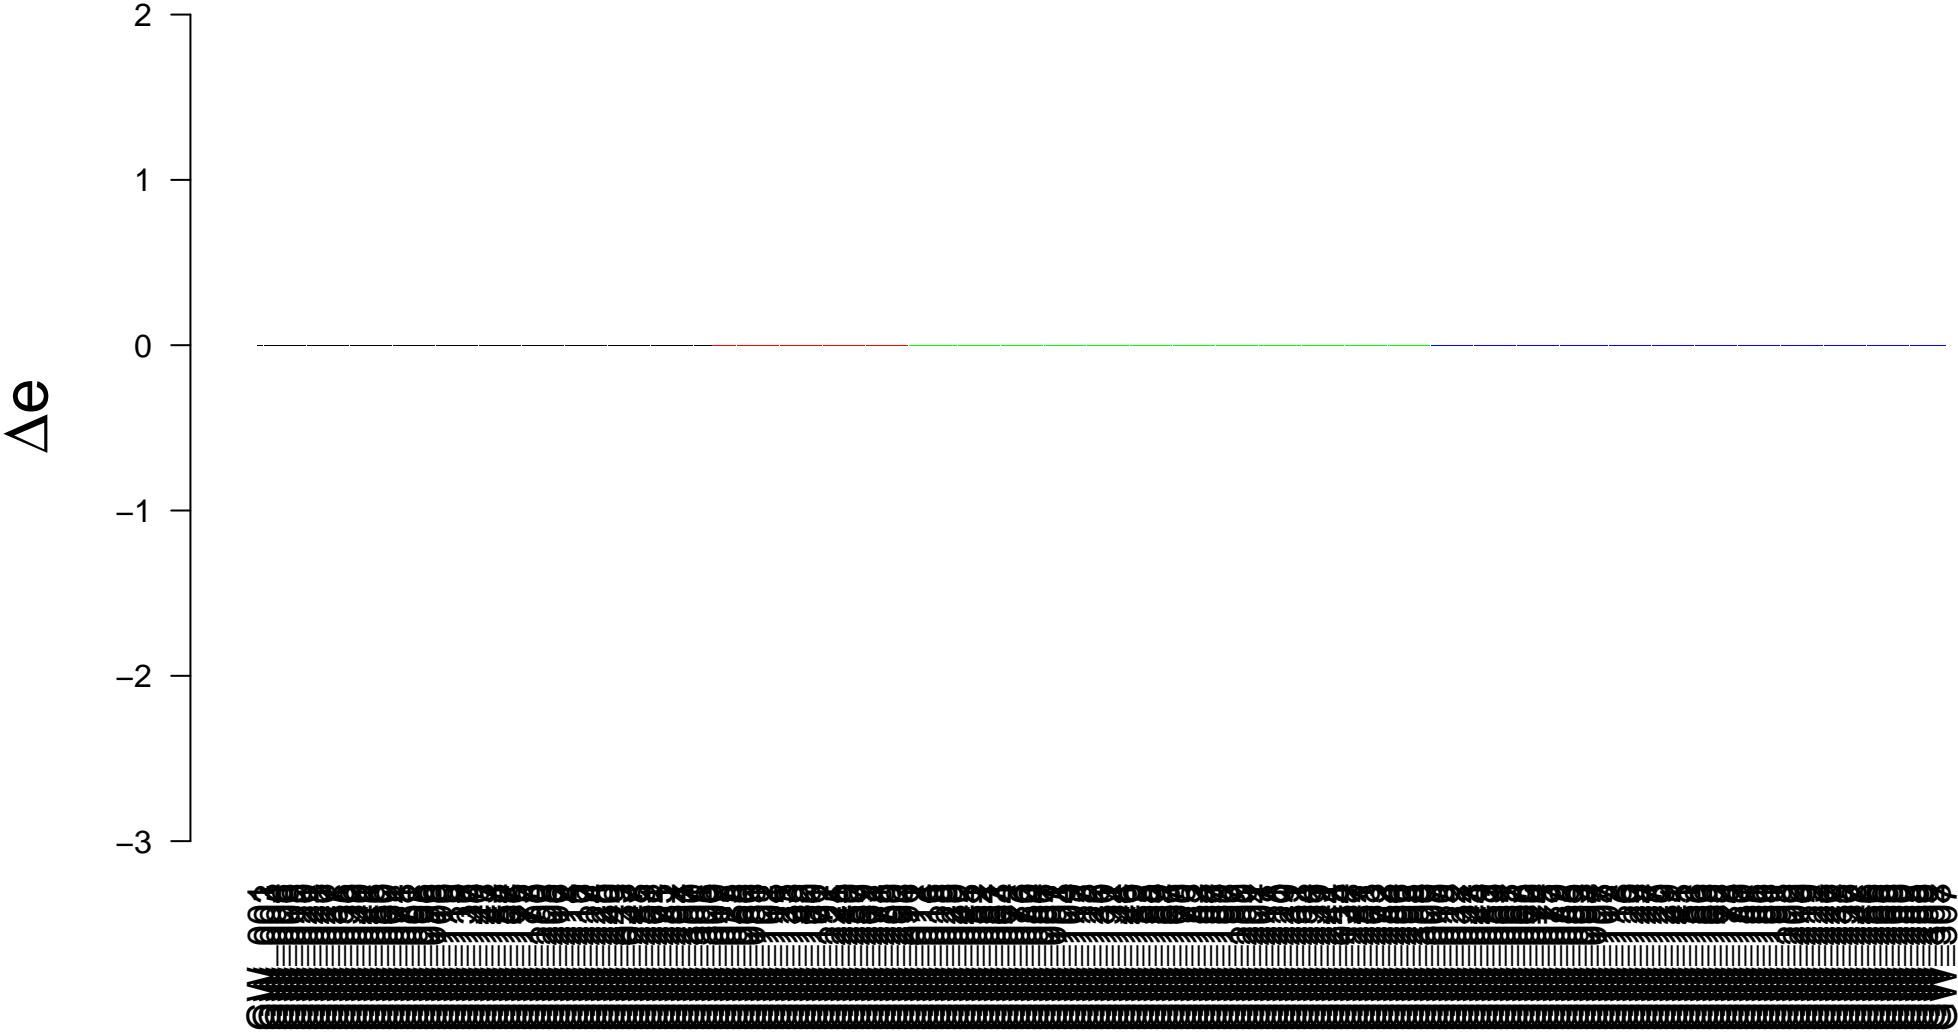

Expression of positive regulation of Rho protein signal transduction in Spot N

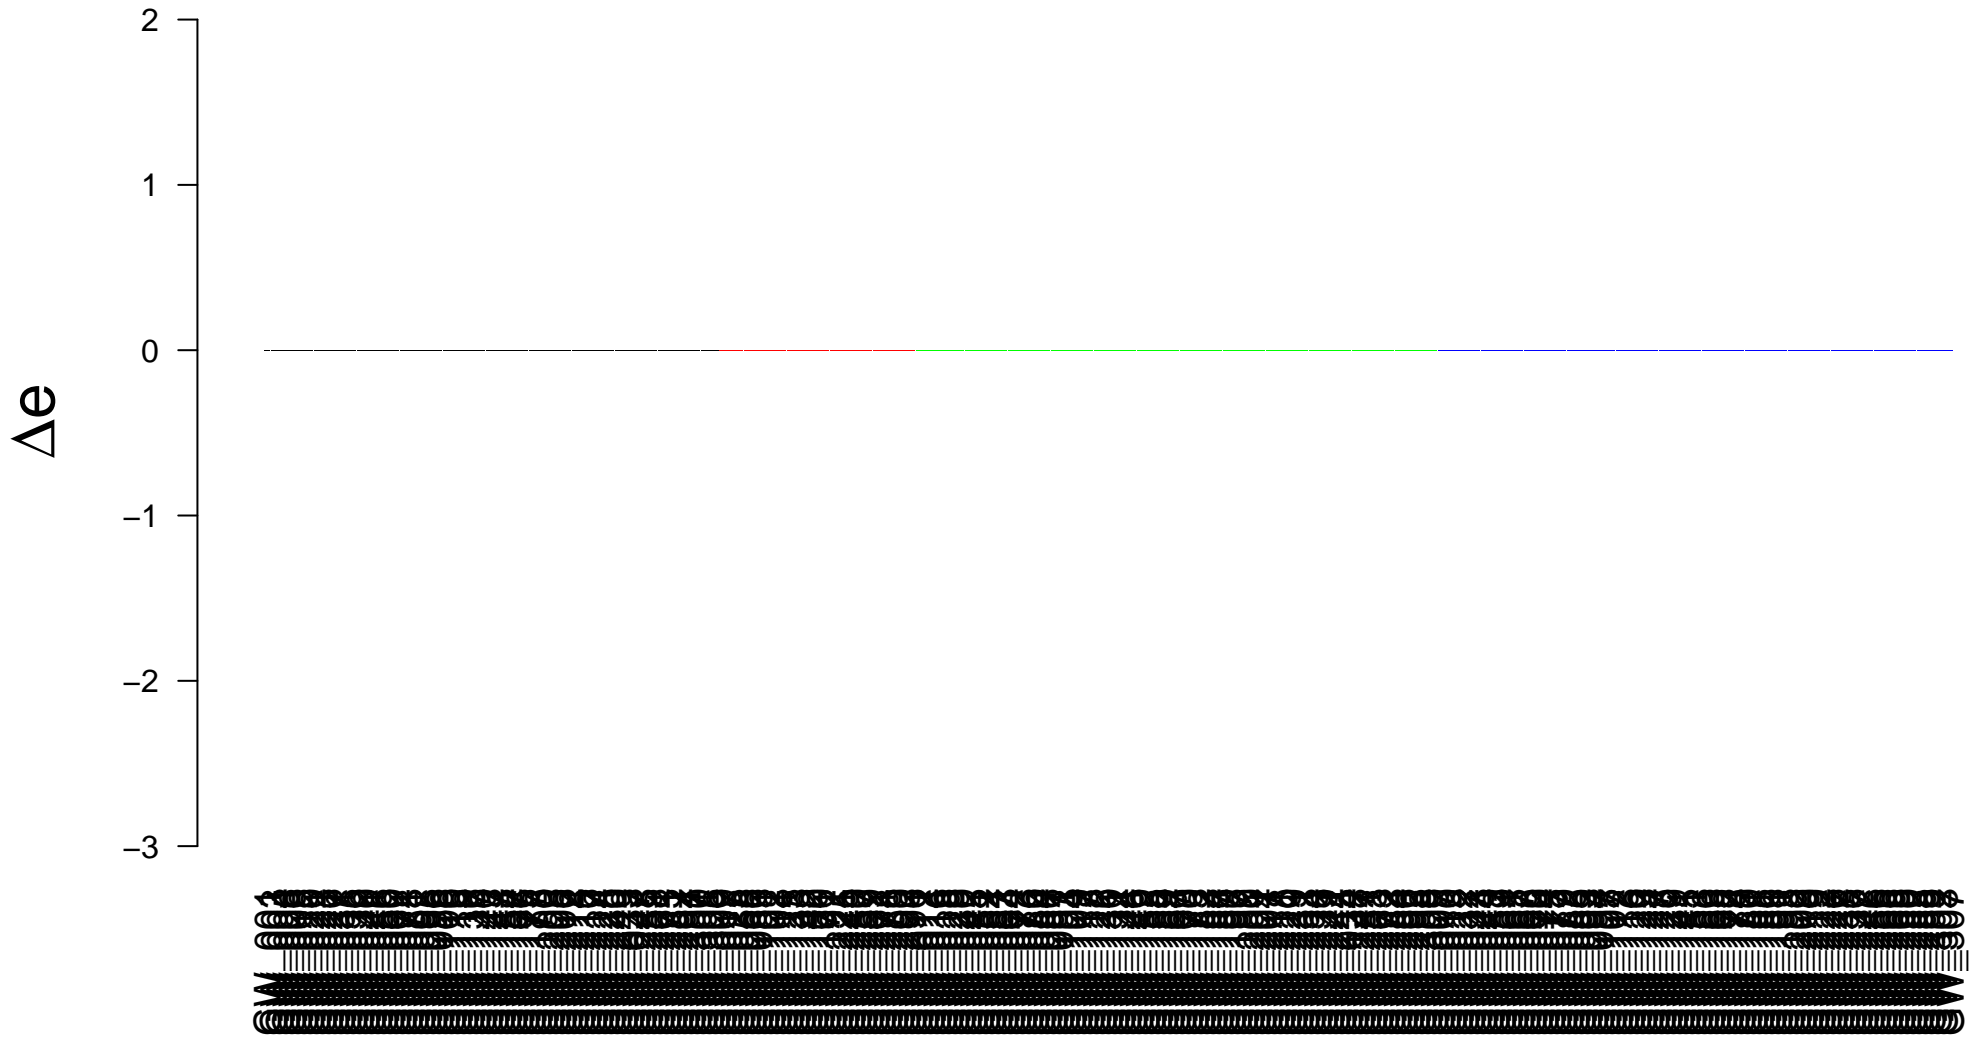

Expression of positive regulation of Rho protein signal transduction in Spot O

Expression of positive regulation of Rho protein signal transduction in Spot P

Expression of positive regulation of Rho protein signal transduction in Spot Q

Expression of positive regulation of Rho protein signal transduction in Spot R
