

positive regulation of T cell activation

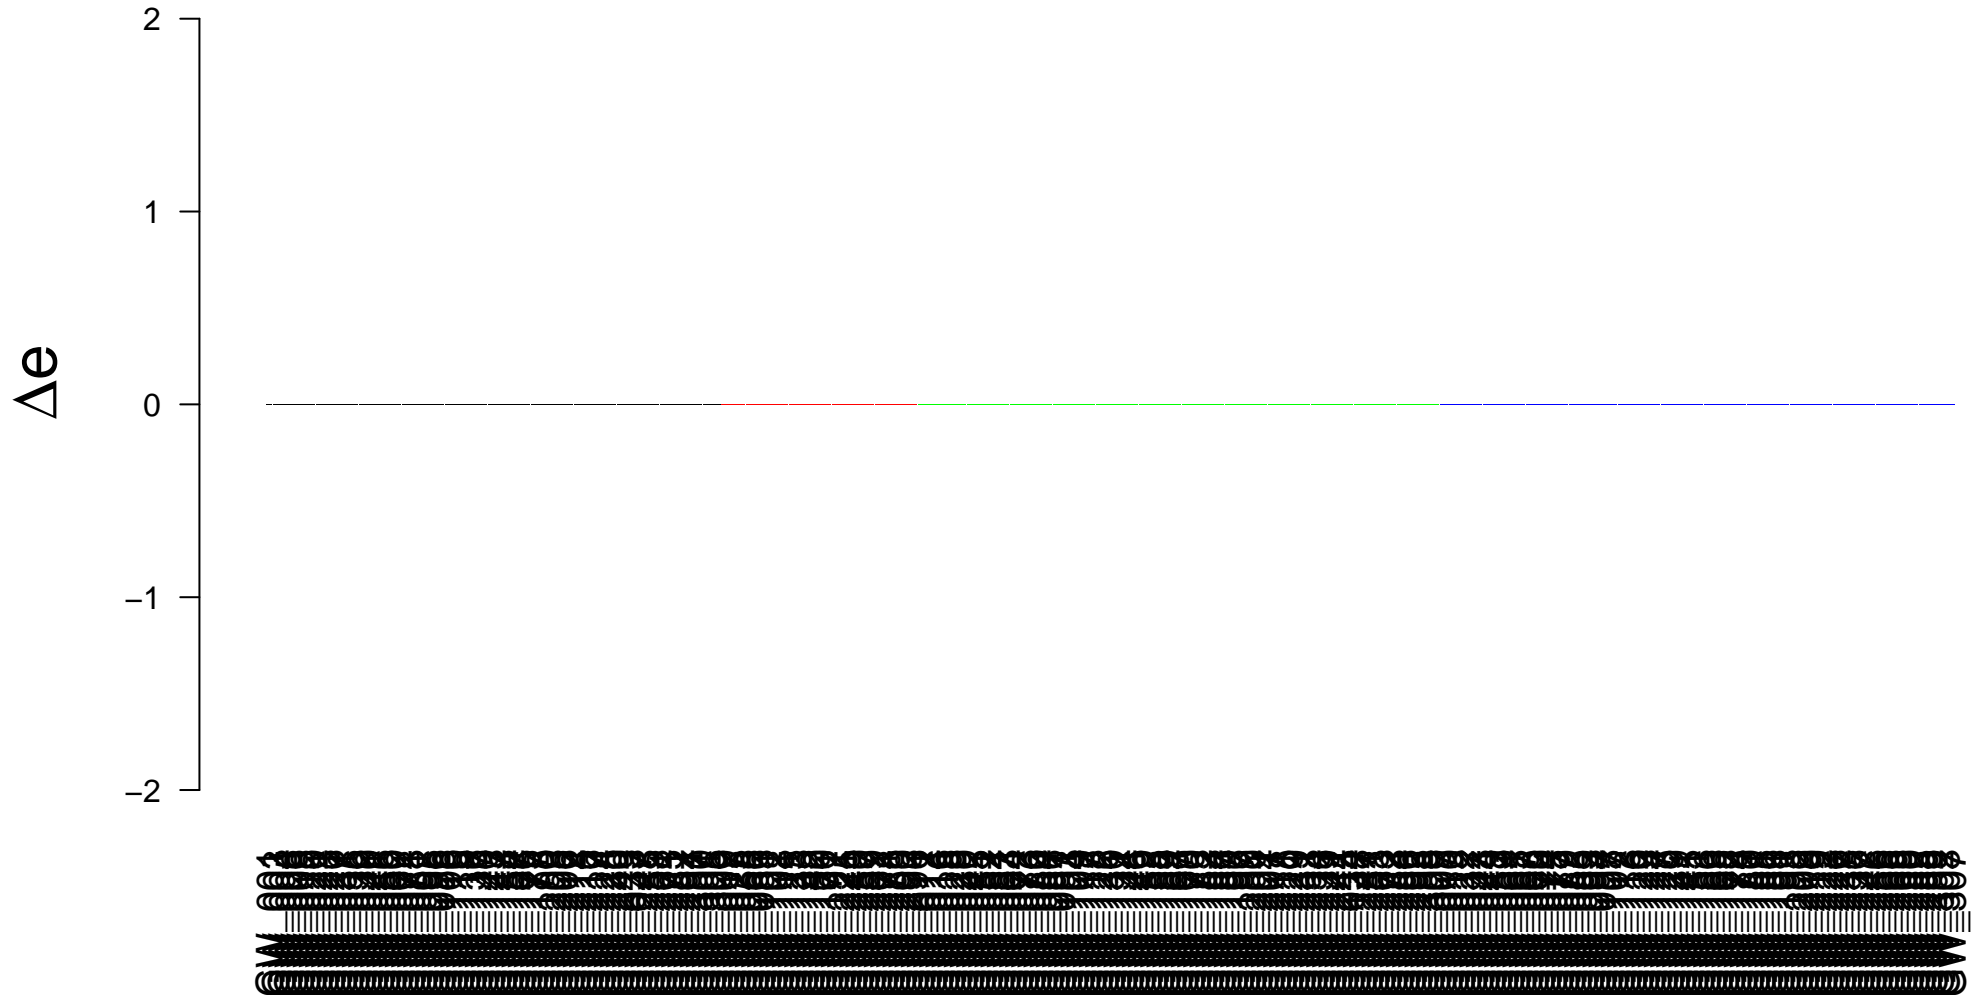

positive regulation of T cell activation

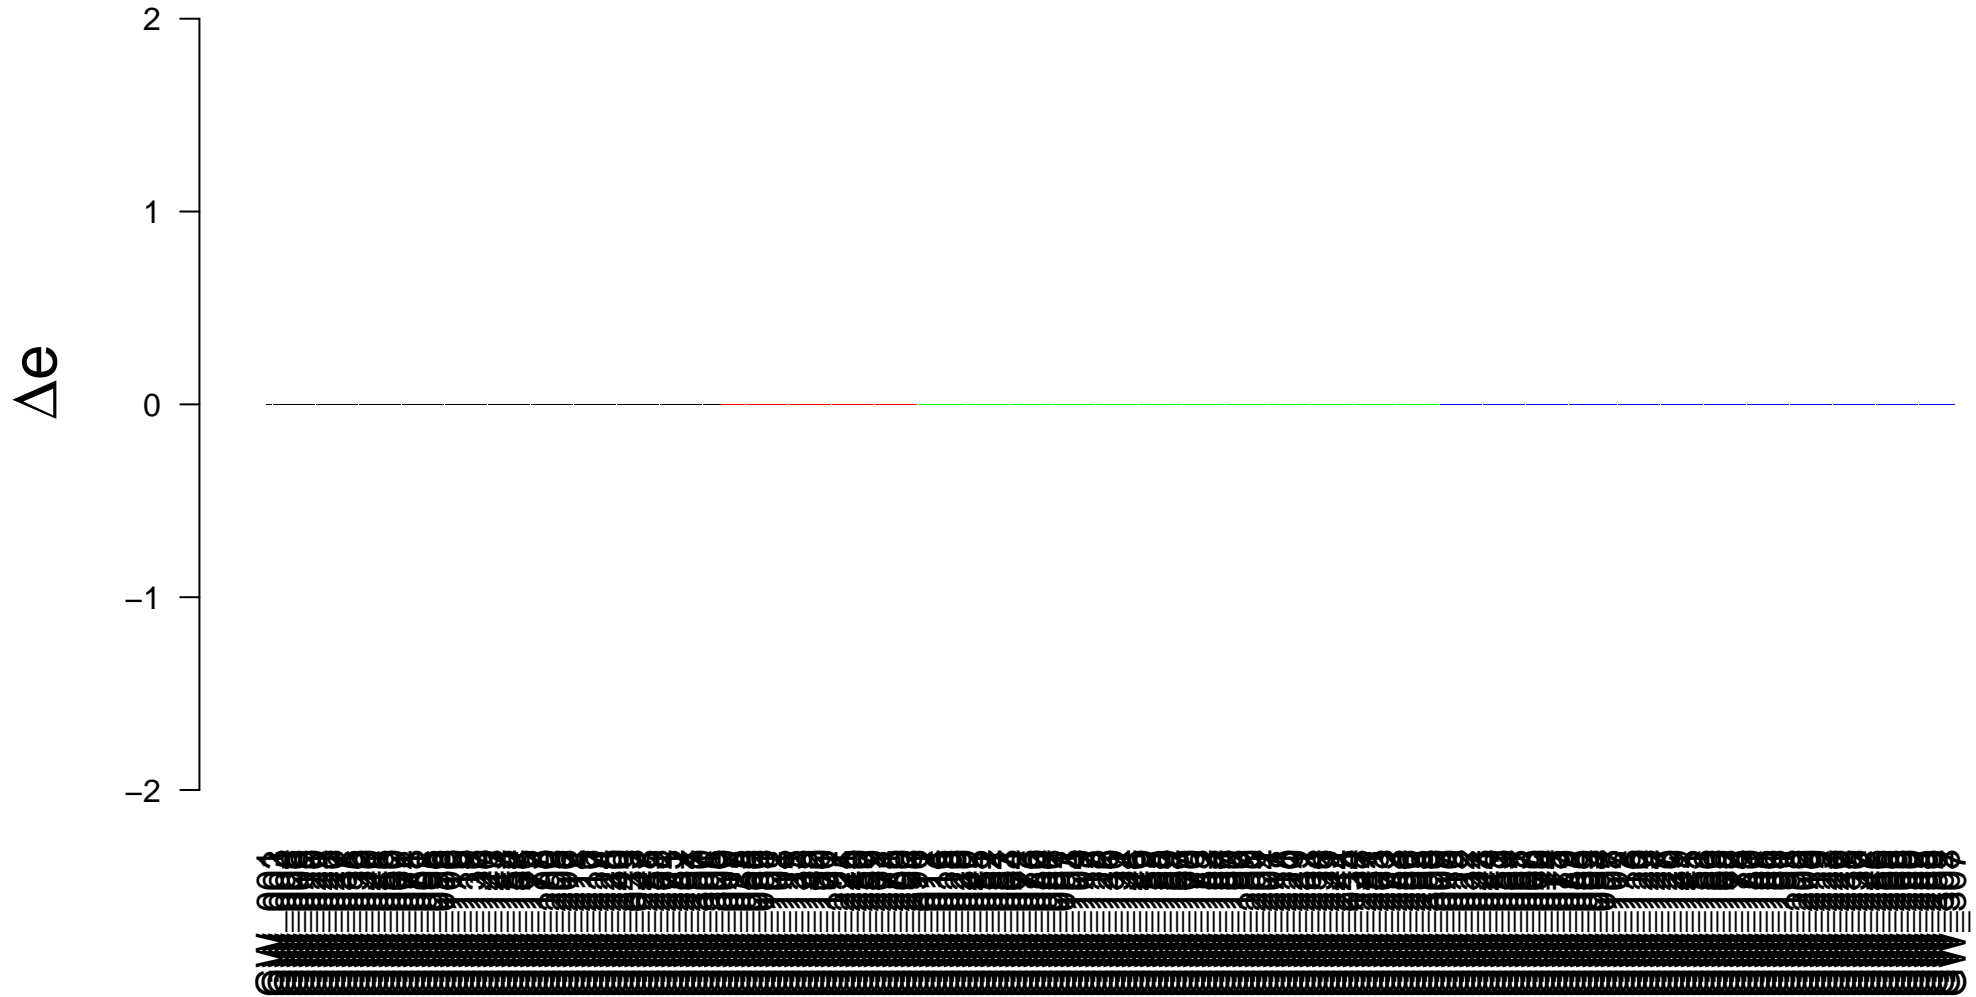

Enrichment in spots: positive regulation of T cell activation

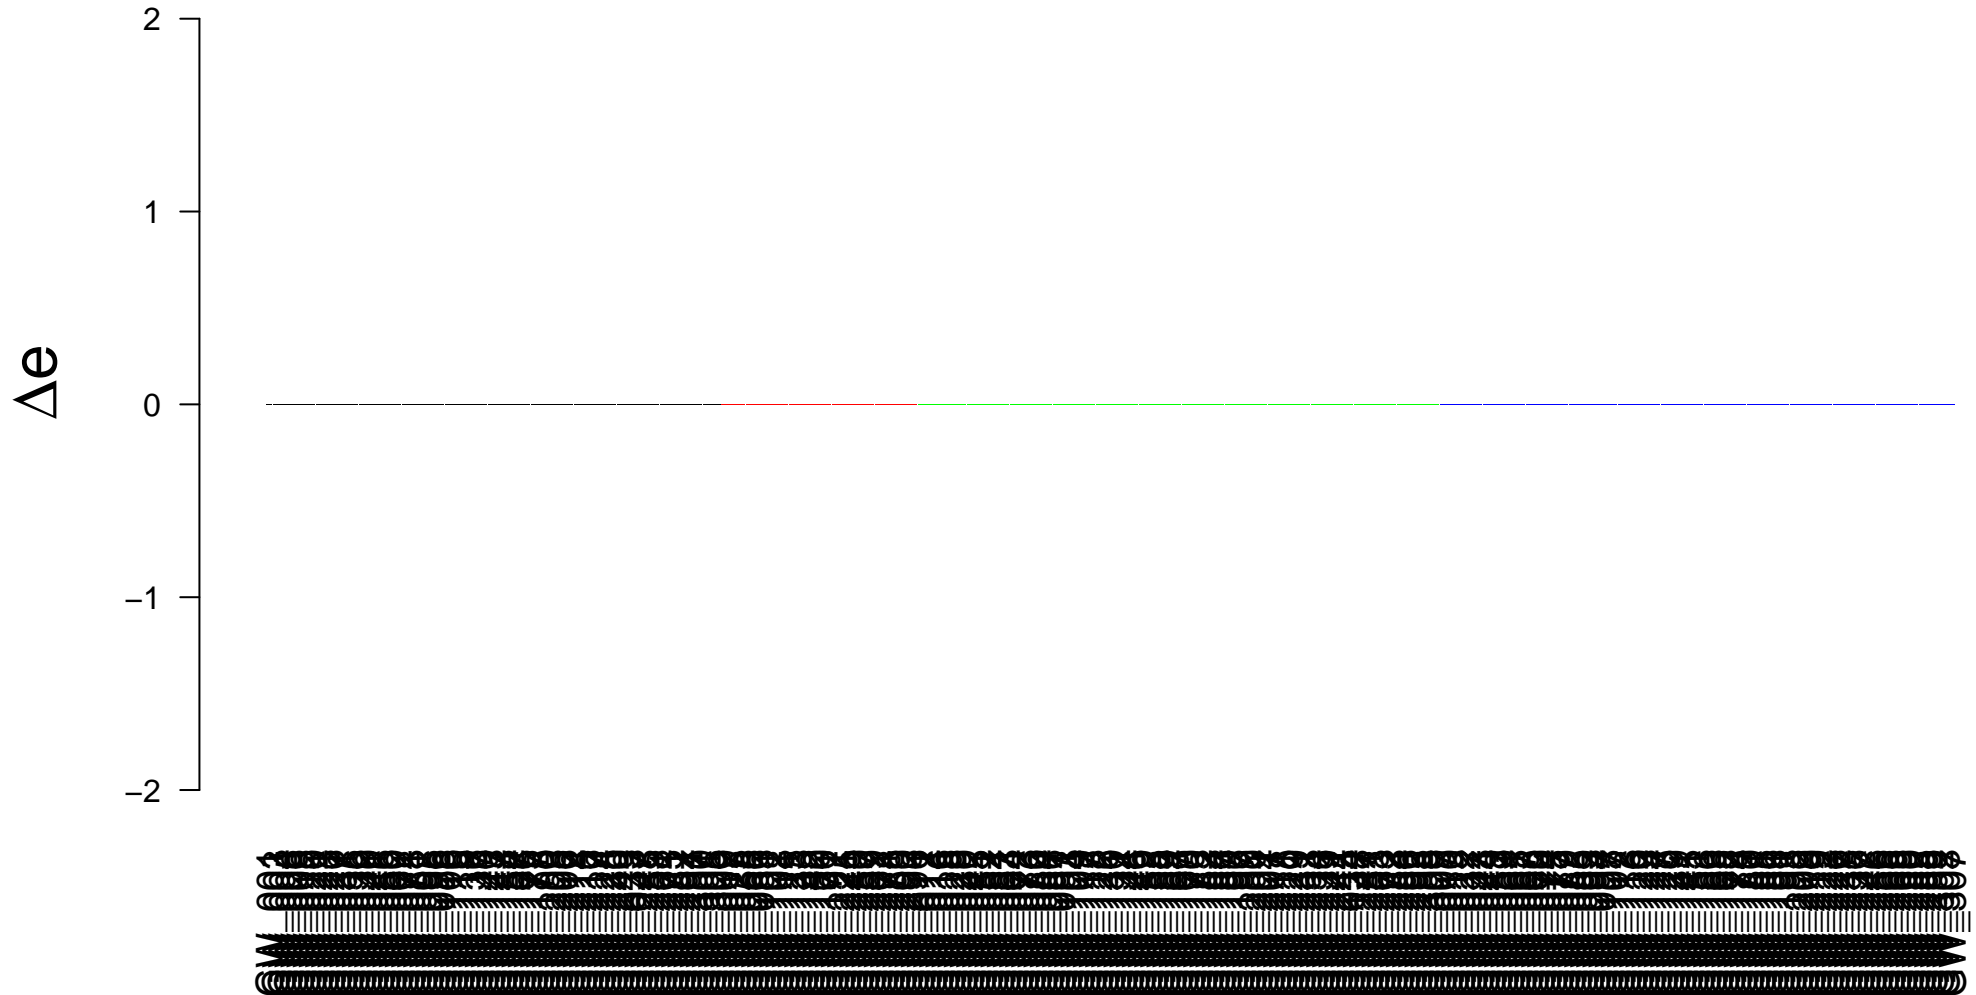

Expression of positive regulation of T cell activation in Spot A

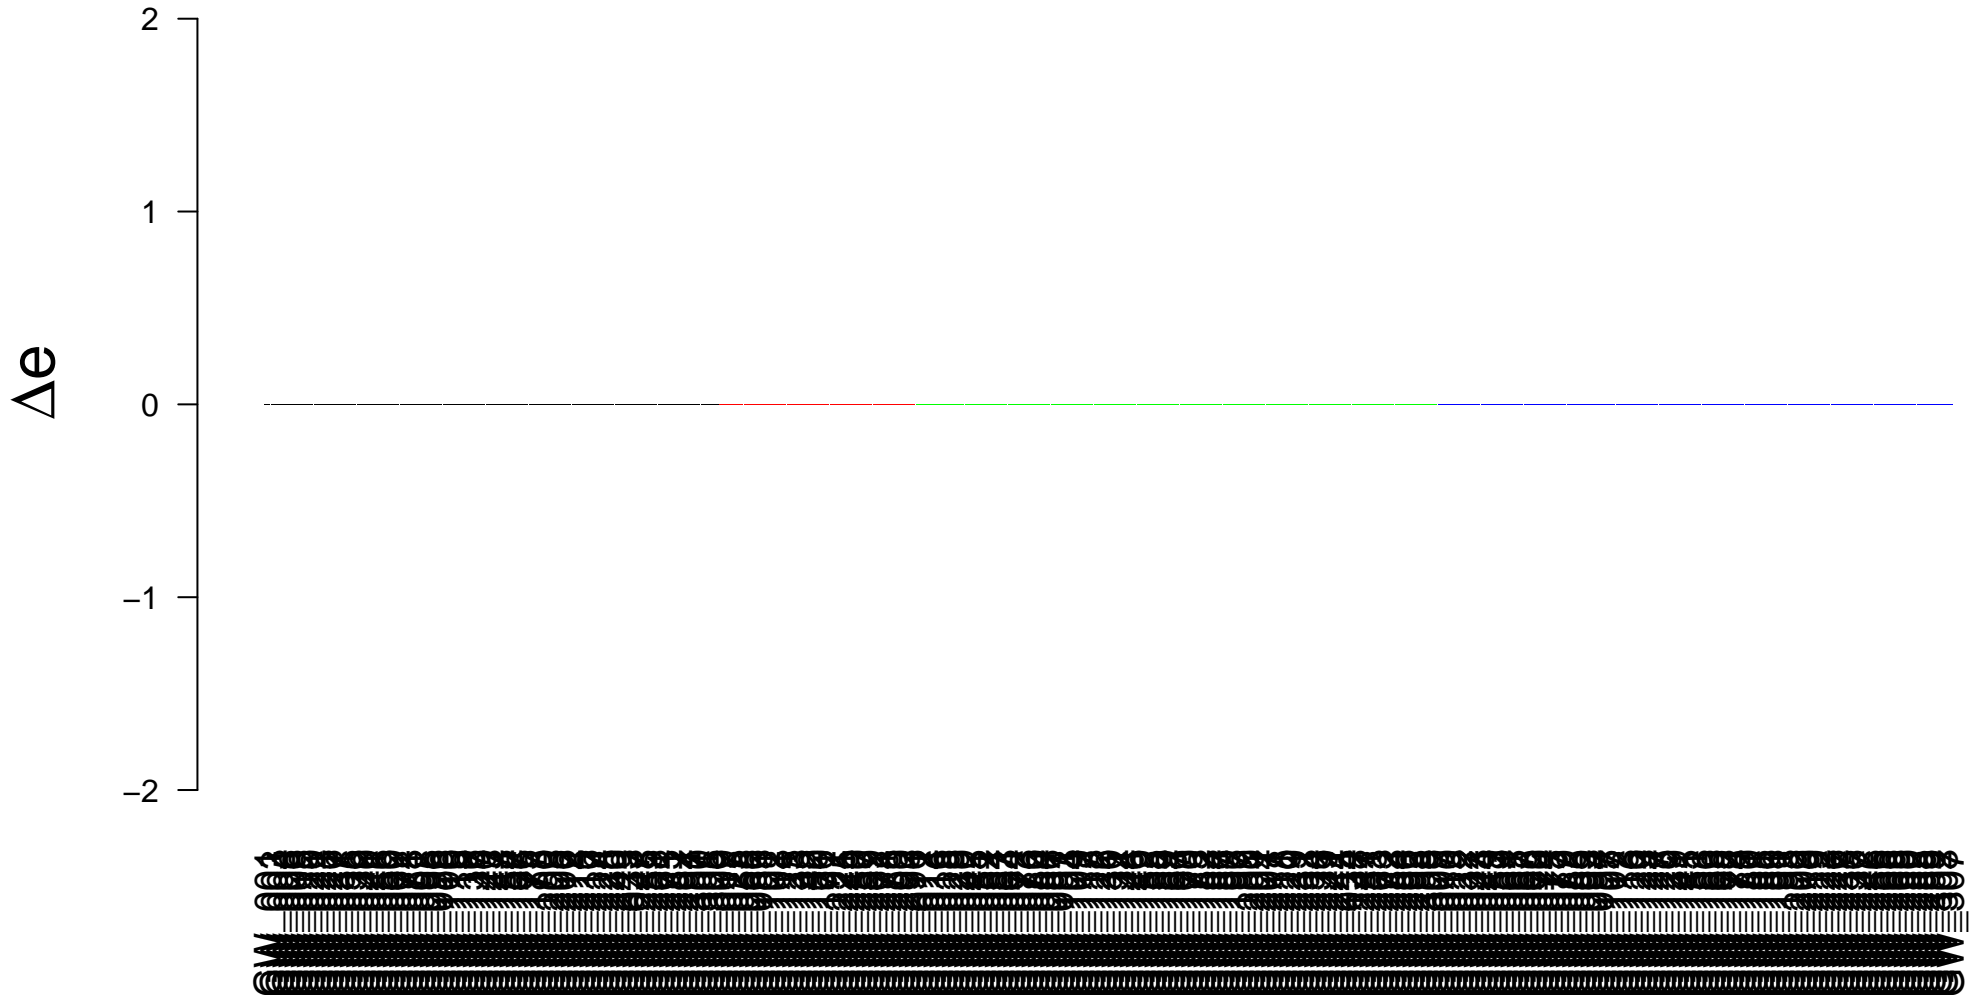

Expression of positive regulation of T cell activation in Spot B

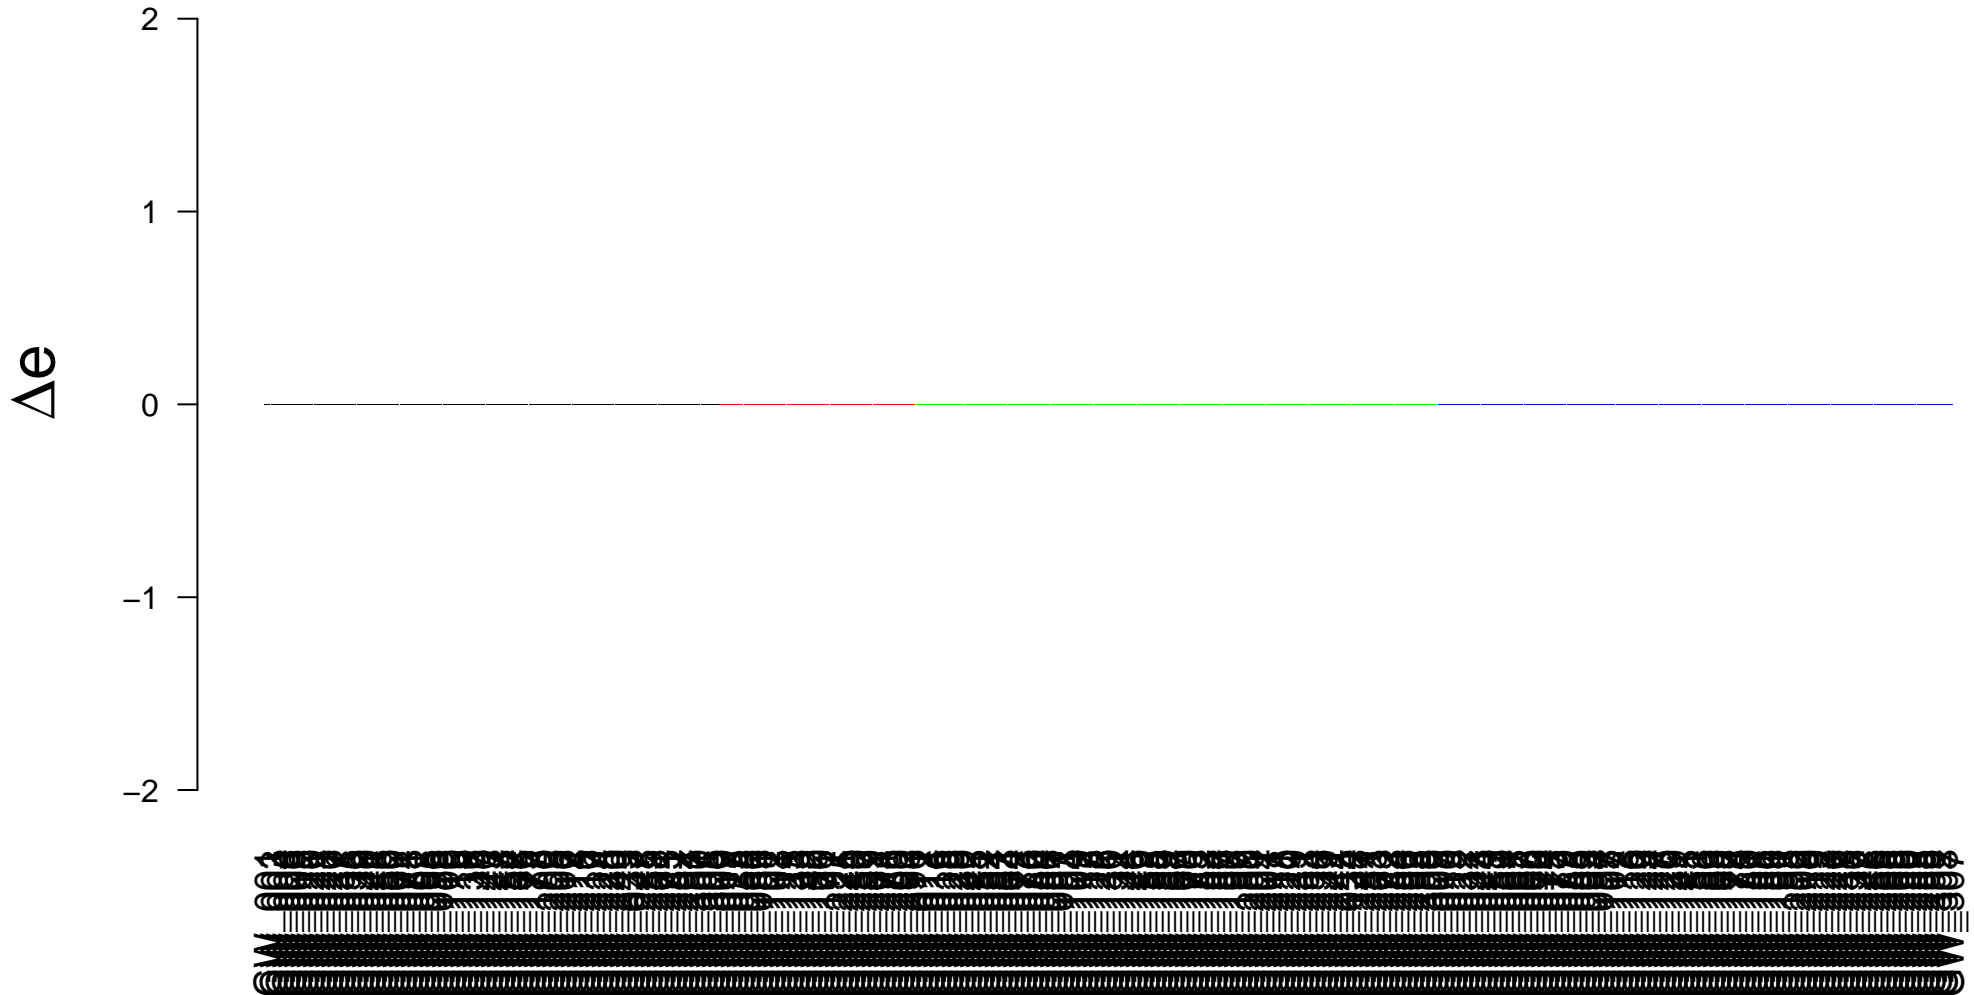

Expression of positive regulation of T cell activation in Spot C

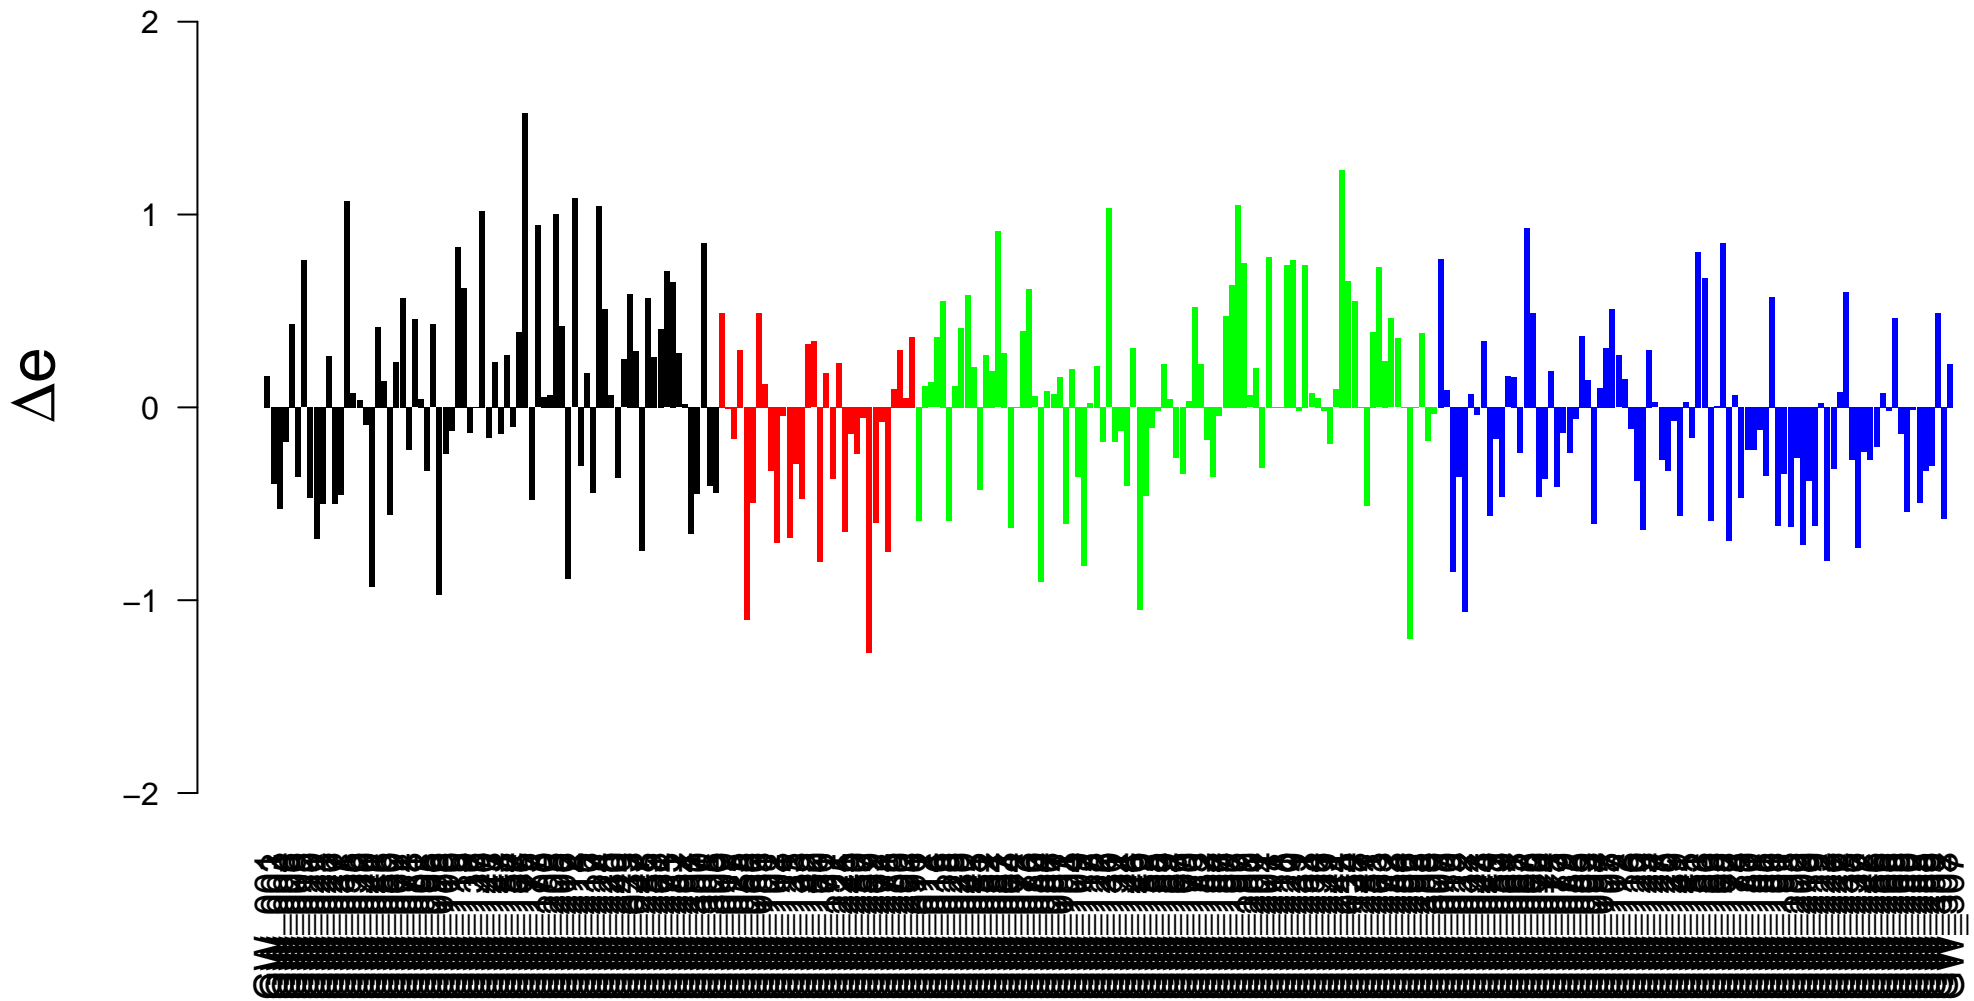

Expression of positive regulation of T cell activation in Spot D

Expression of positive regulation of T cell activation in Spot E

Expression of positive regulation of T cell activation in Spot F

Expression of positive regulation of T cell activation in Spot G

Expression of positive regulation of T cell activation in Spot H

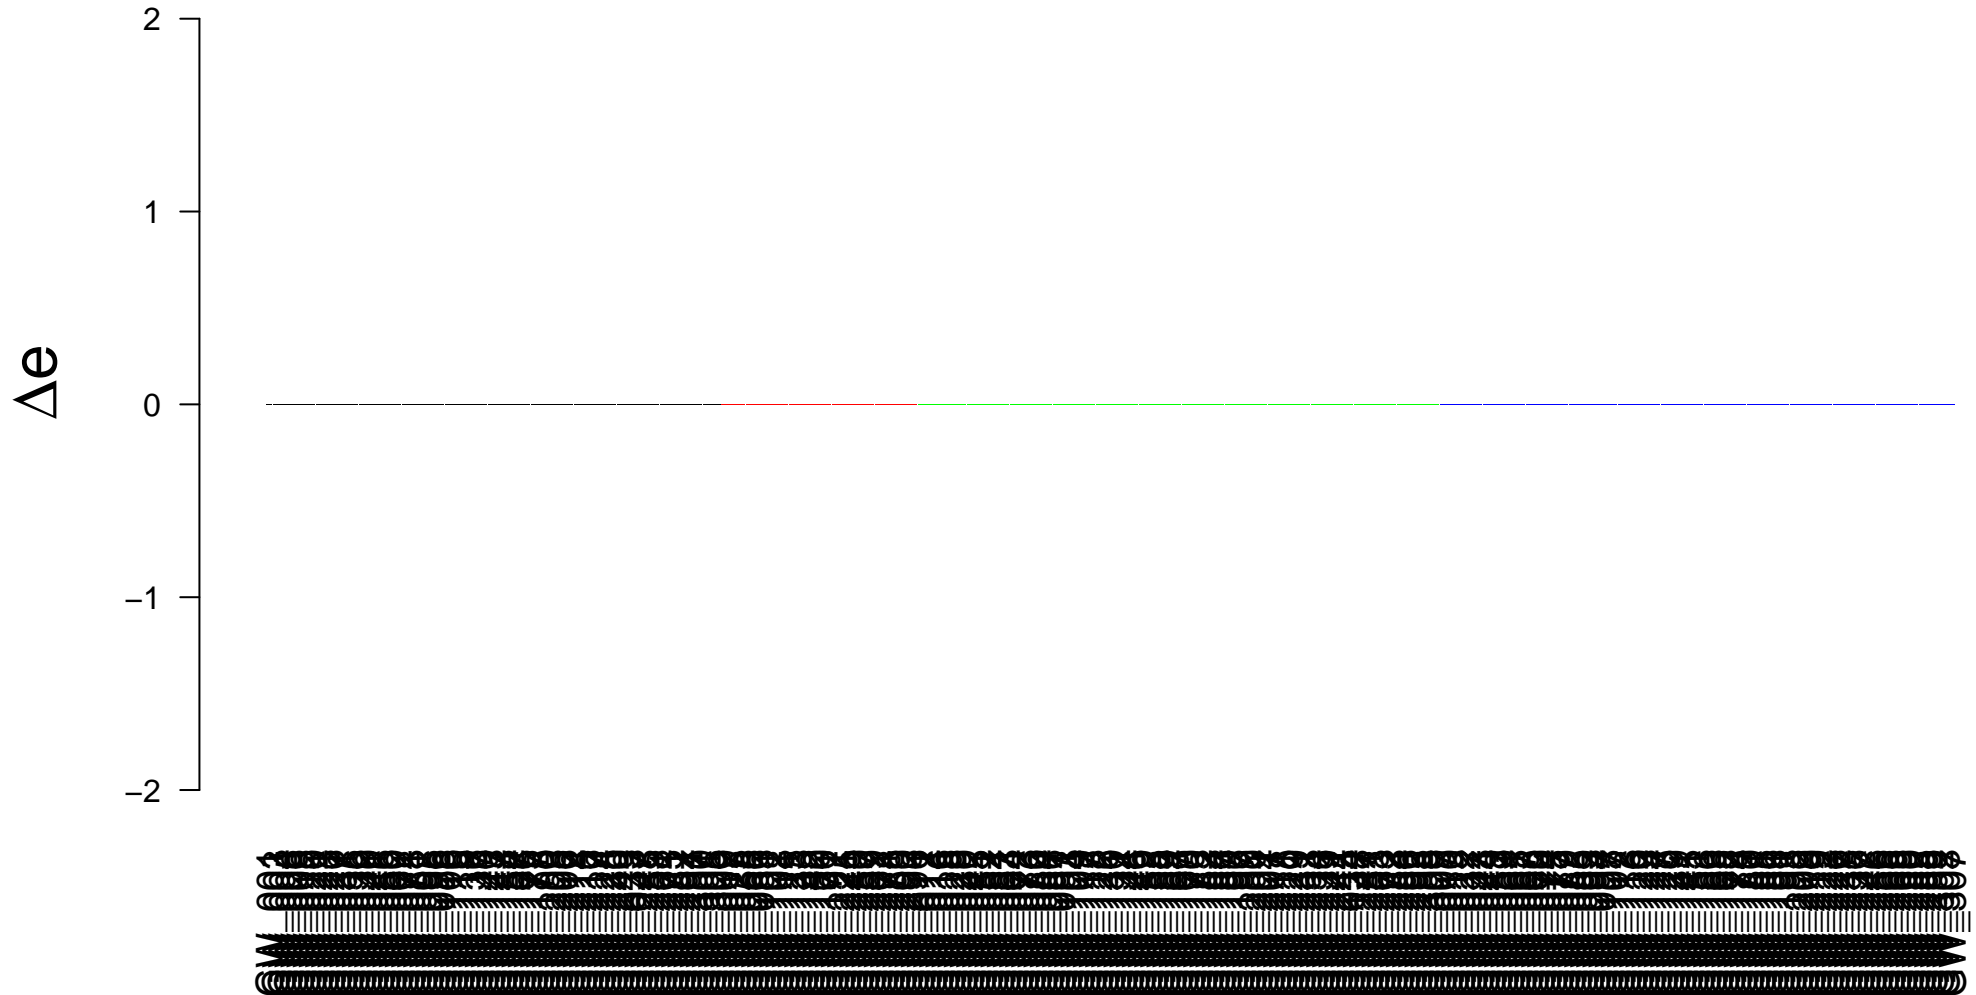

Expression of positive regulation of T cell activation in Spot I

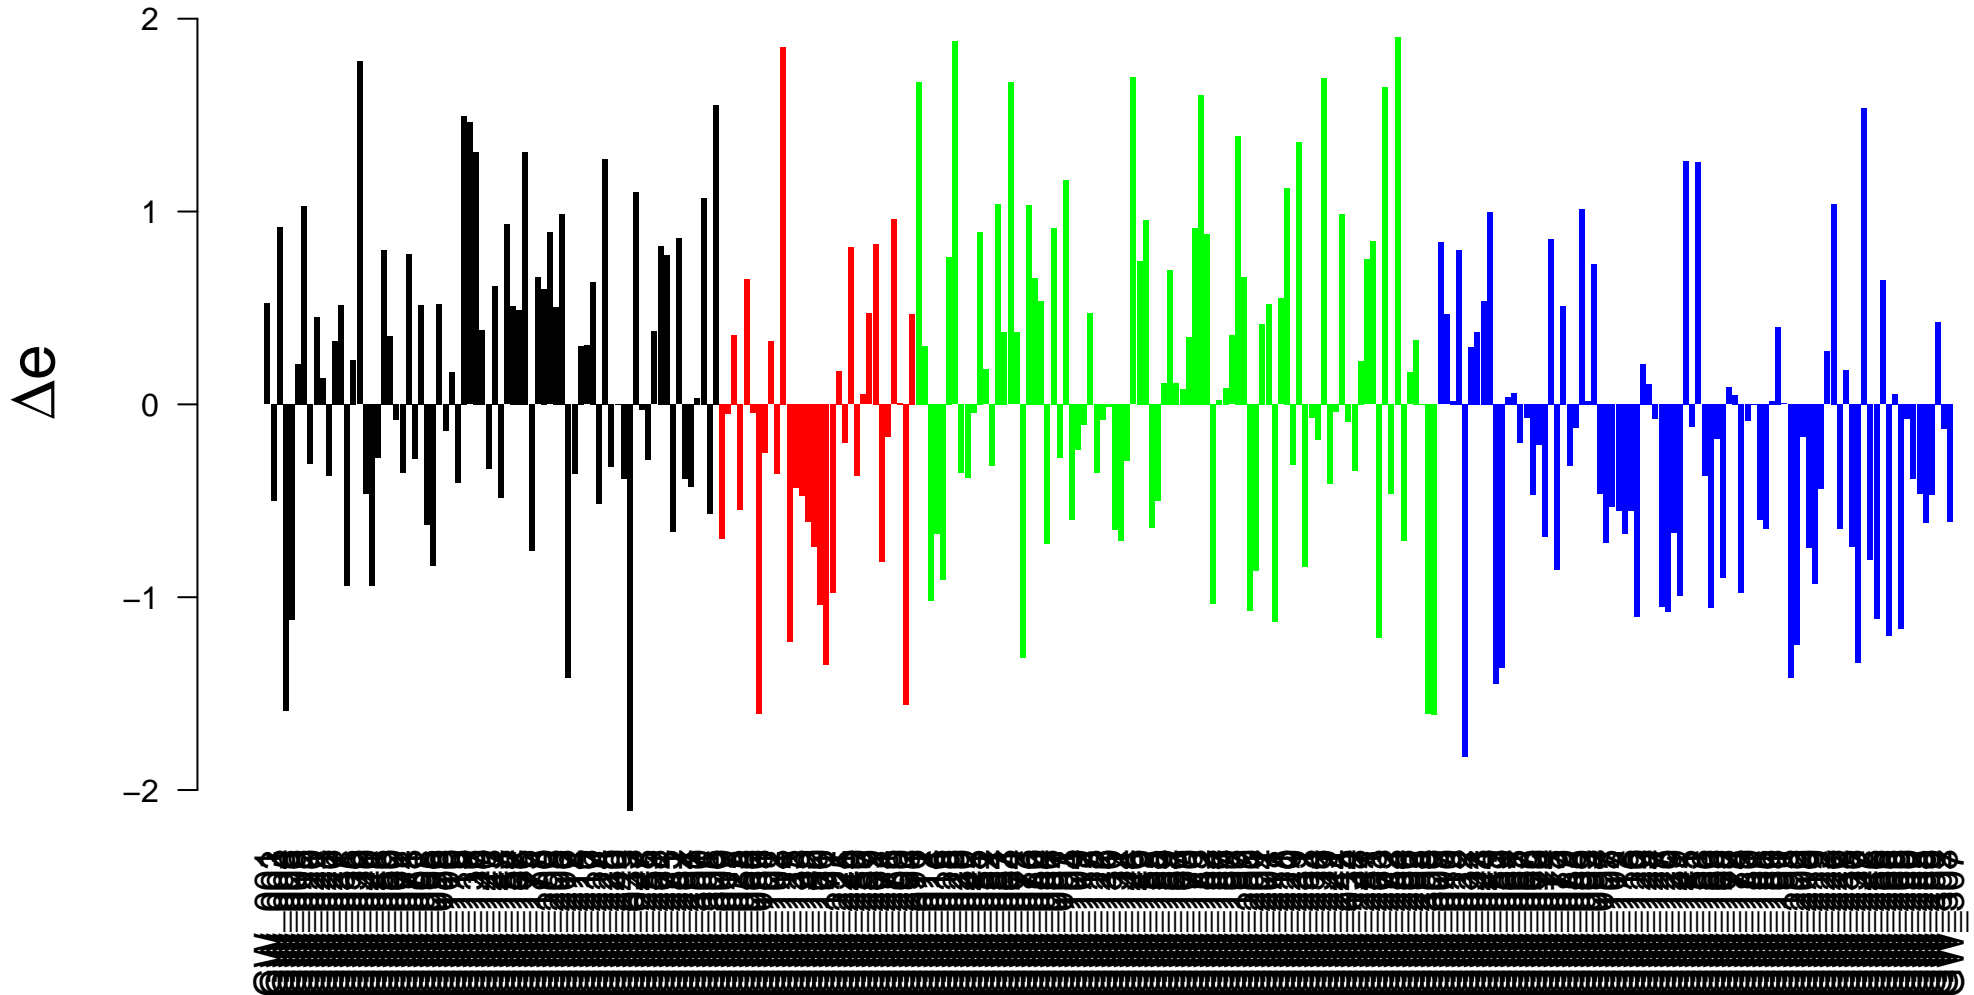

Expression of positive regulation of T cell activation in Spot J

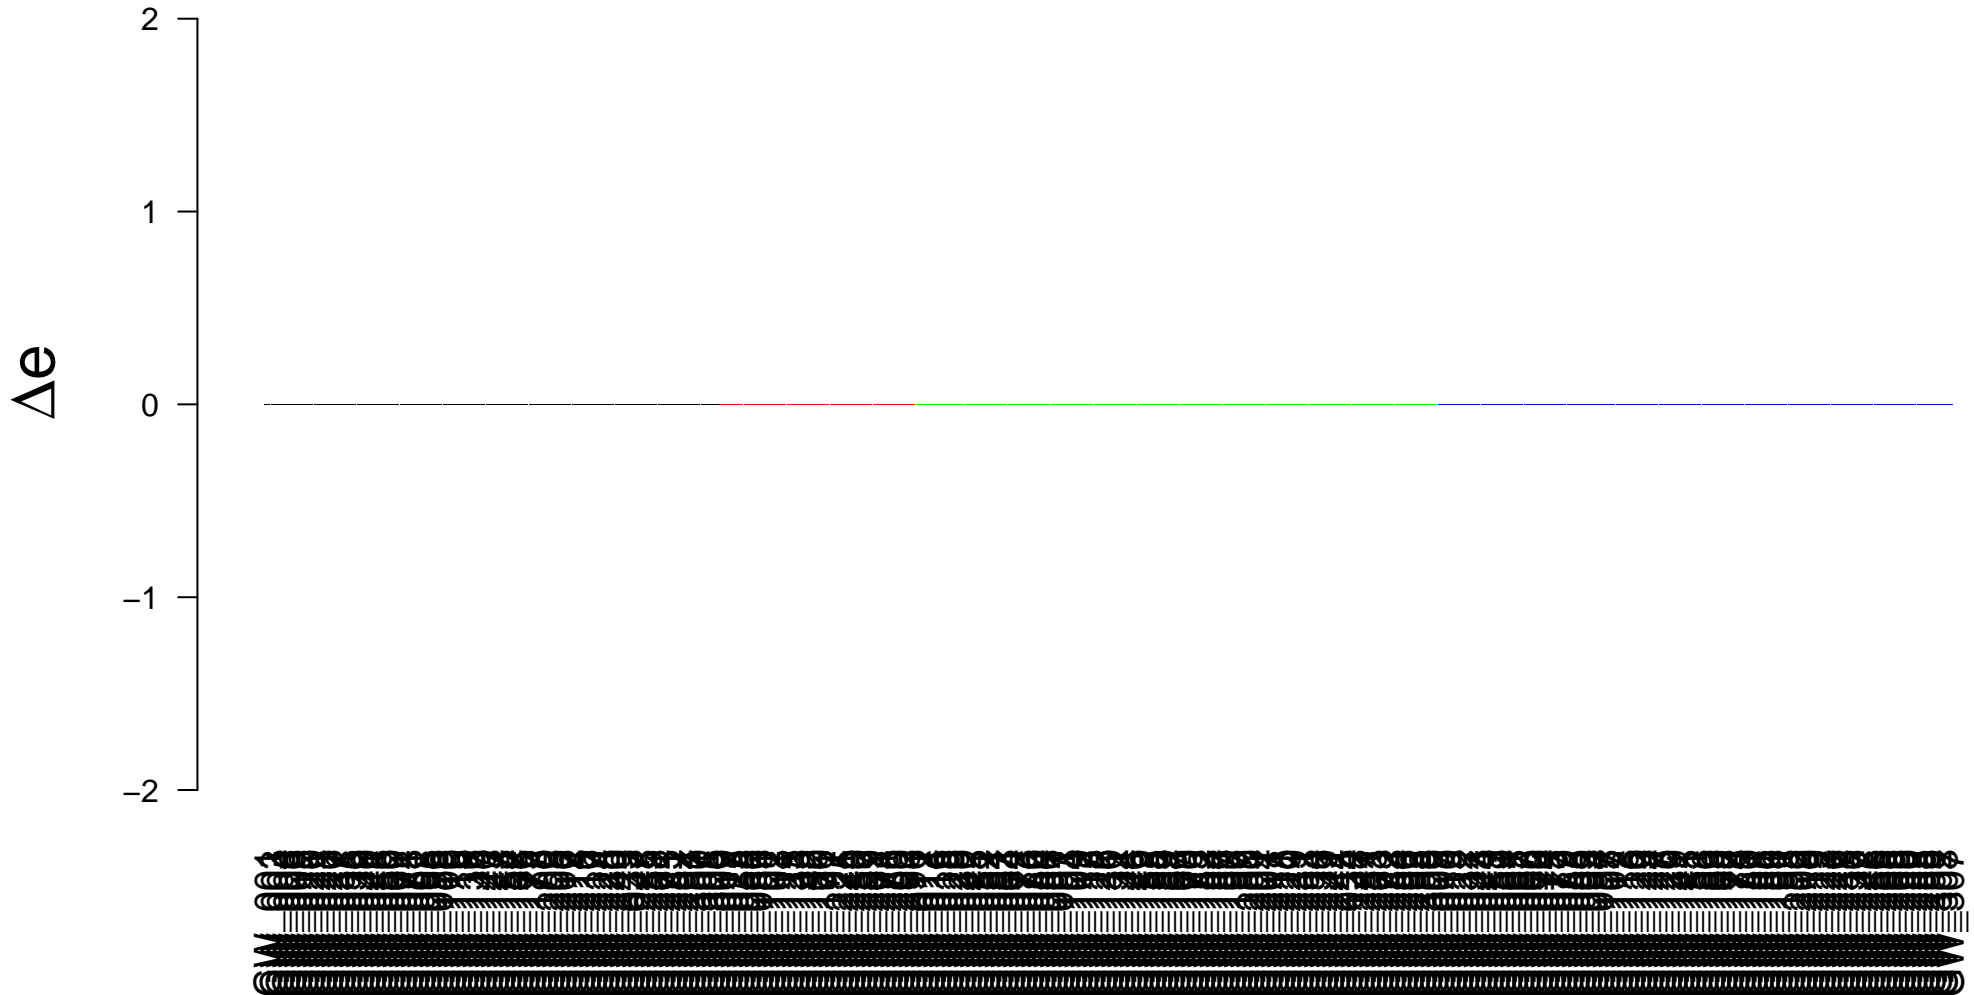

Expression of positive regulation of T cell activation in Spot K

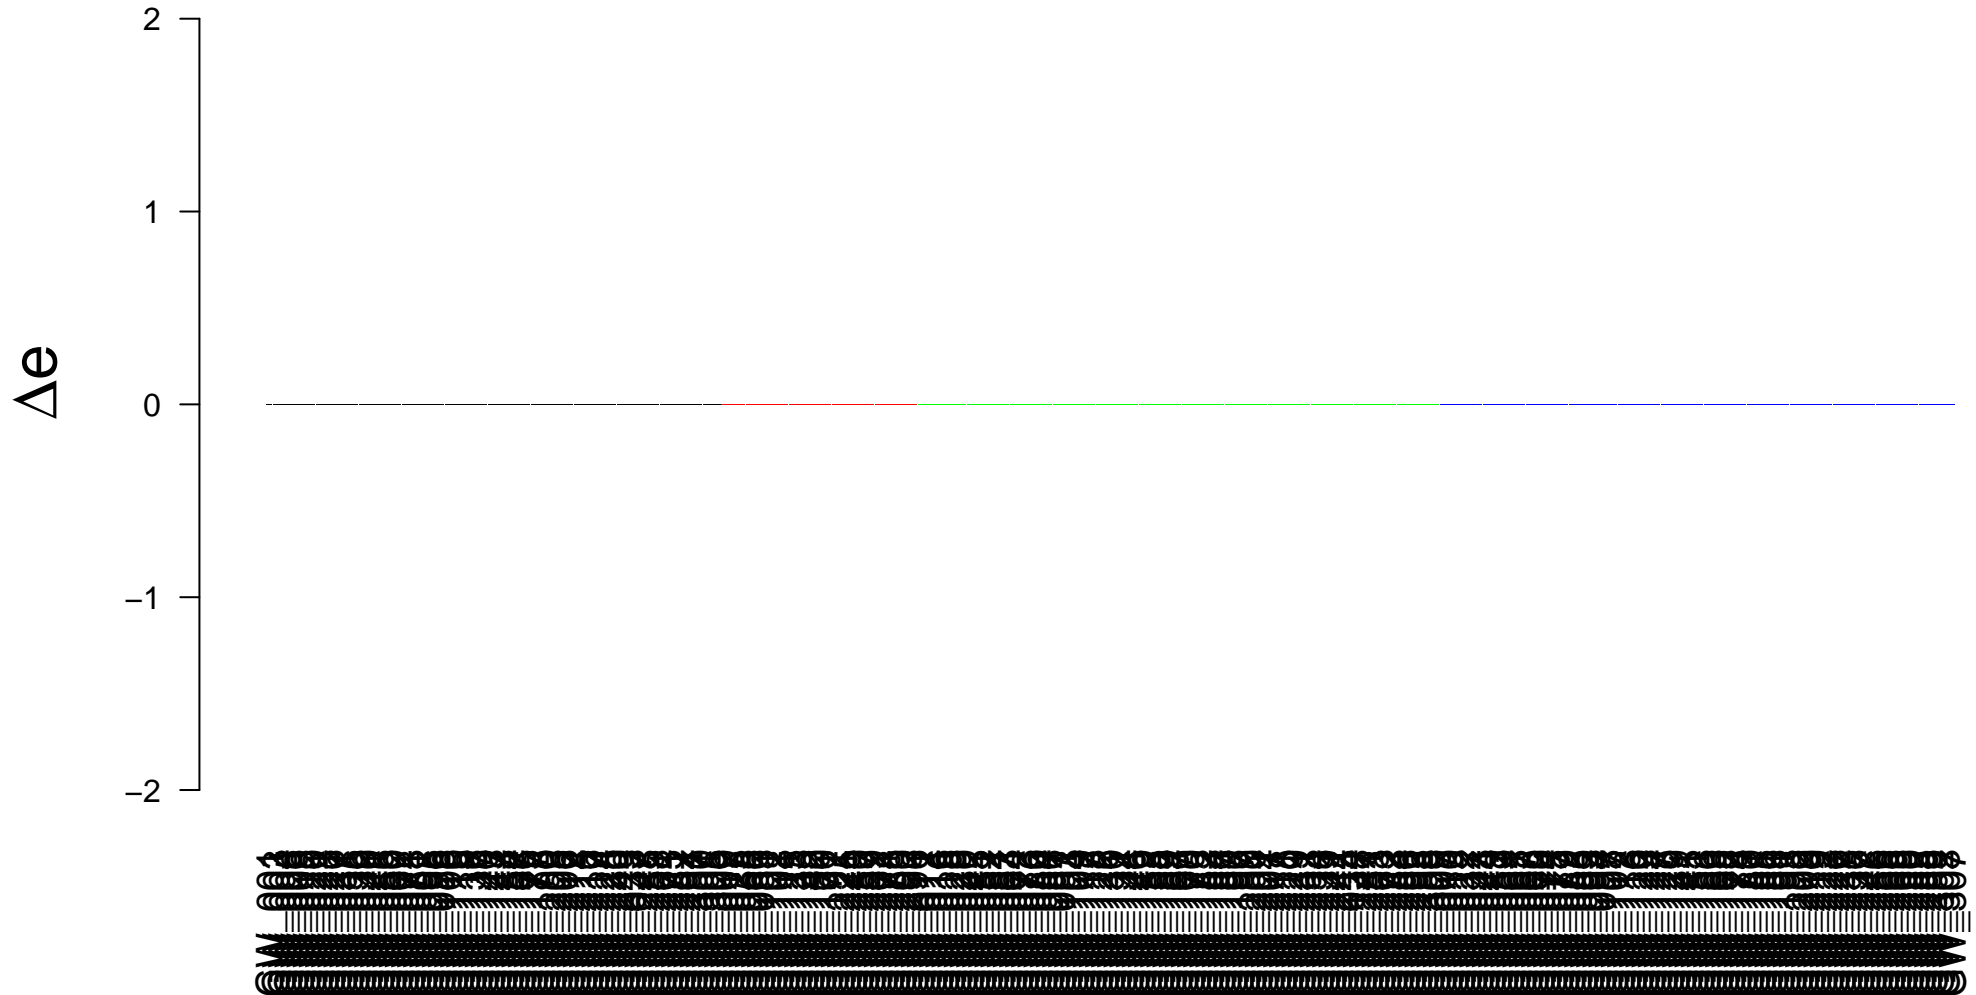

Expression of positive regulation of T cell activation in Spot L

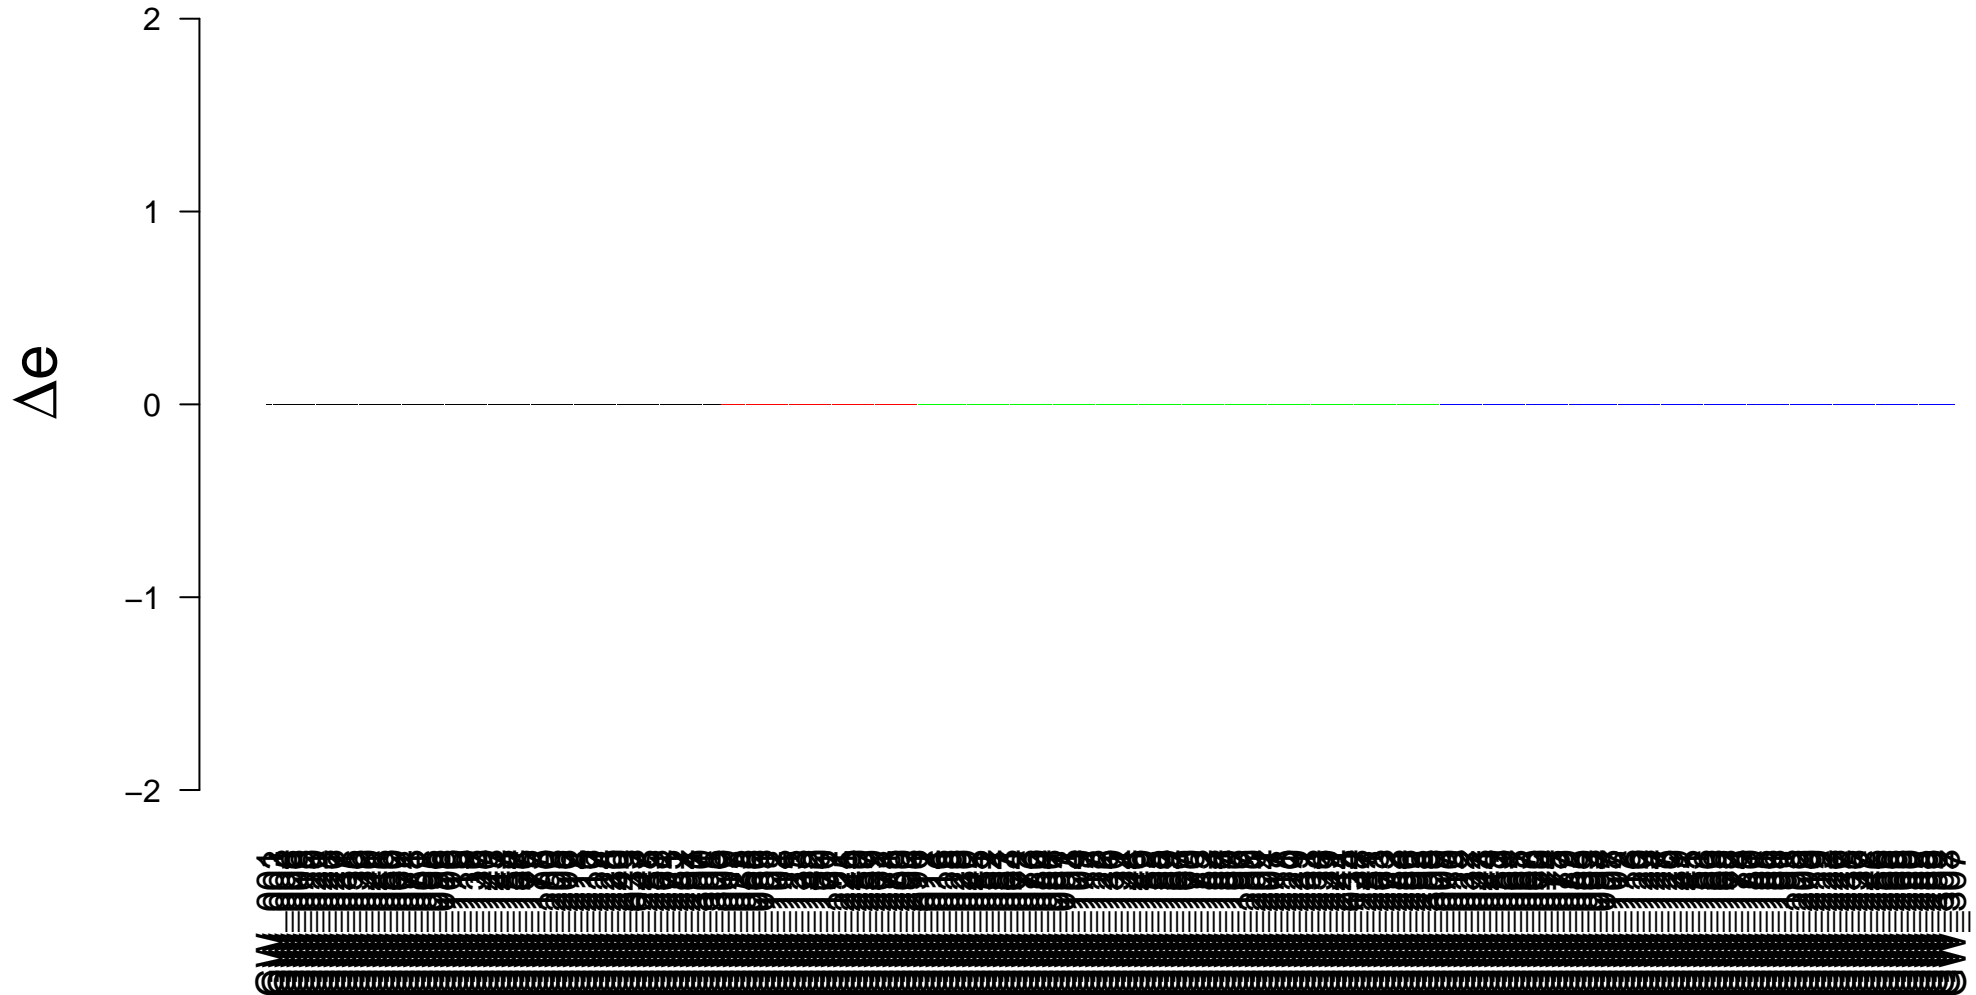

Expression of positive regulation of T cell activation in Spot M

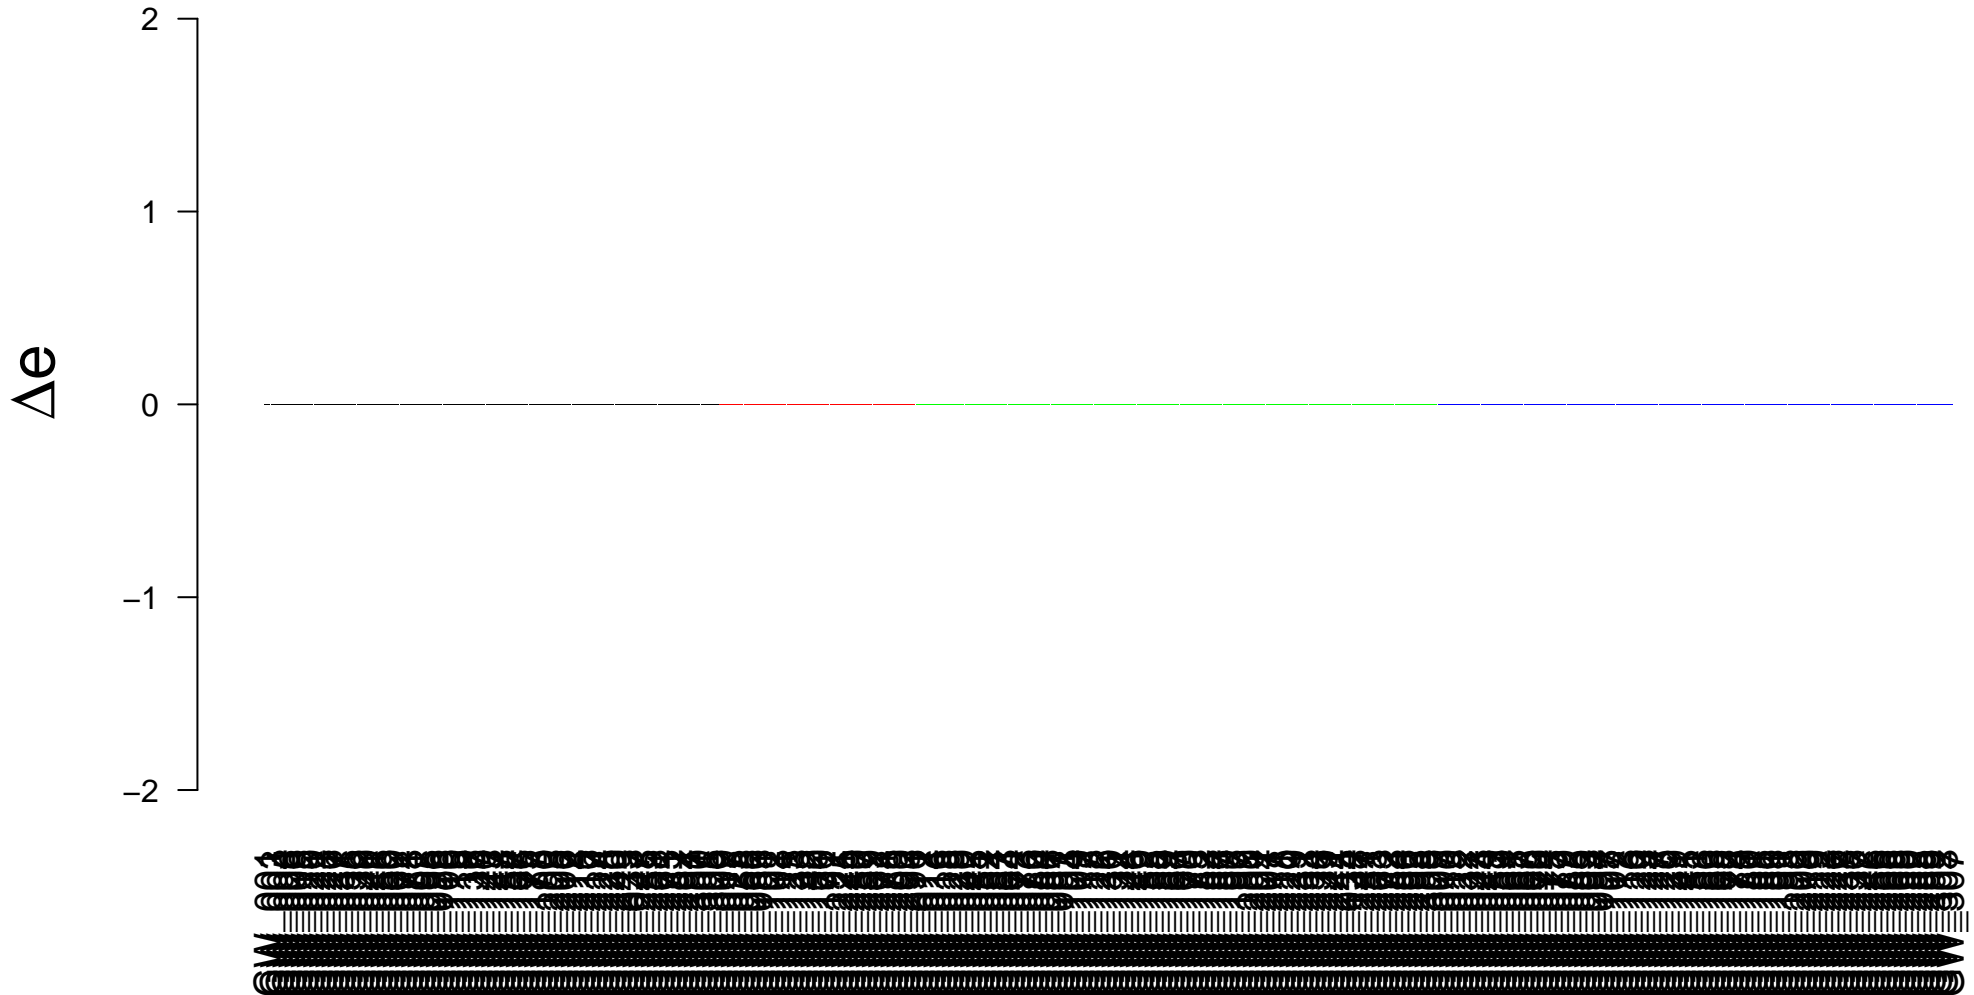

Expression of positive regulation of T cell activation in Spot N

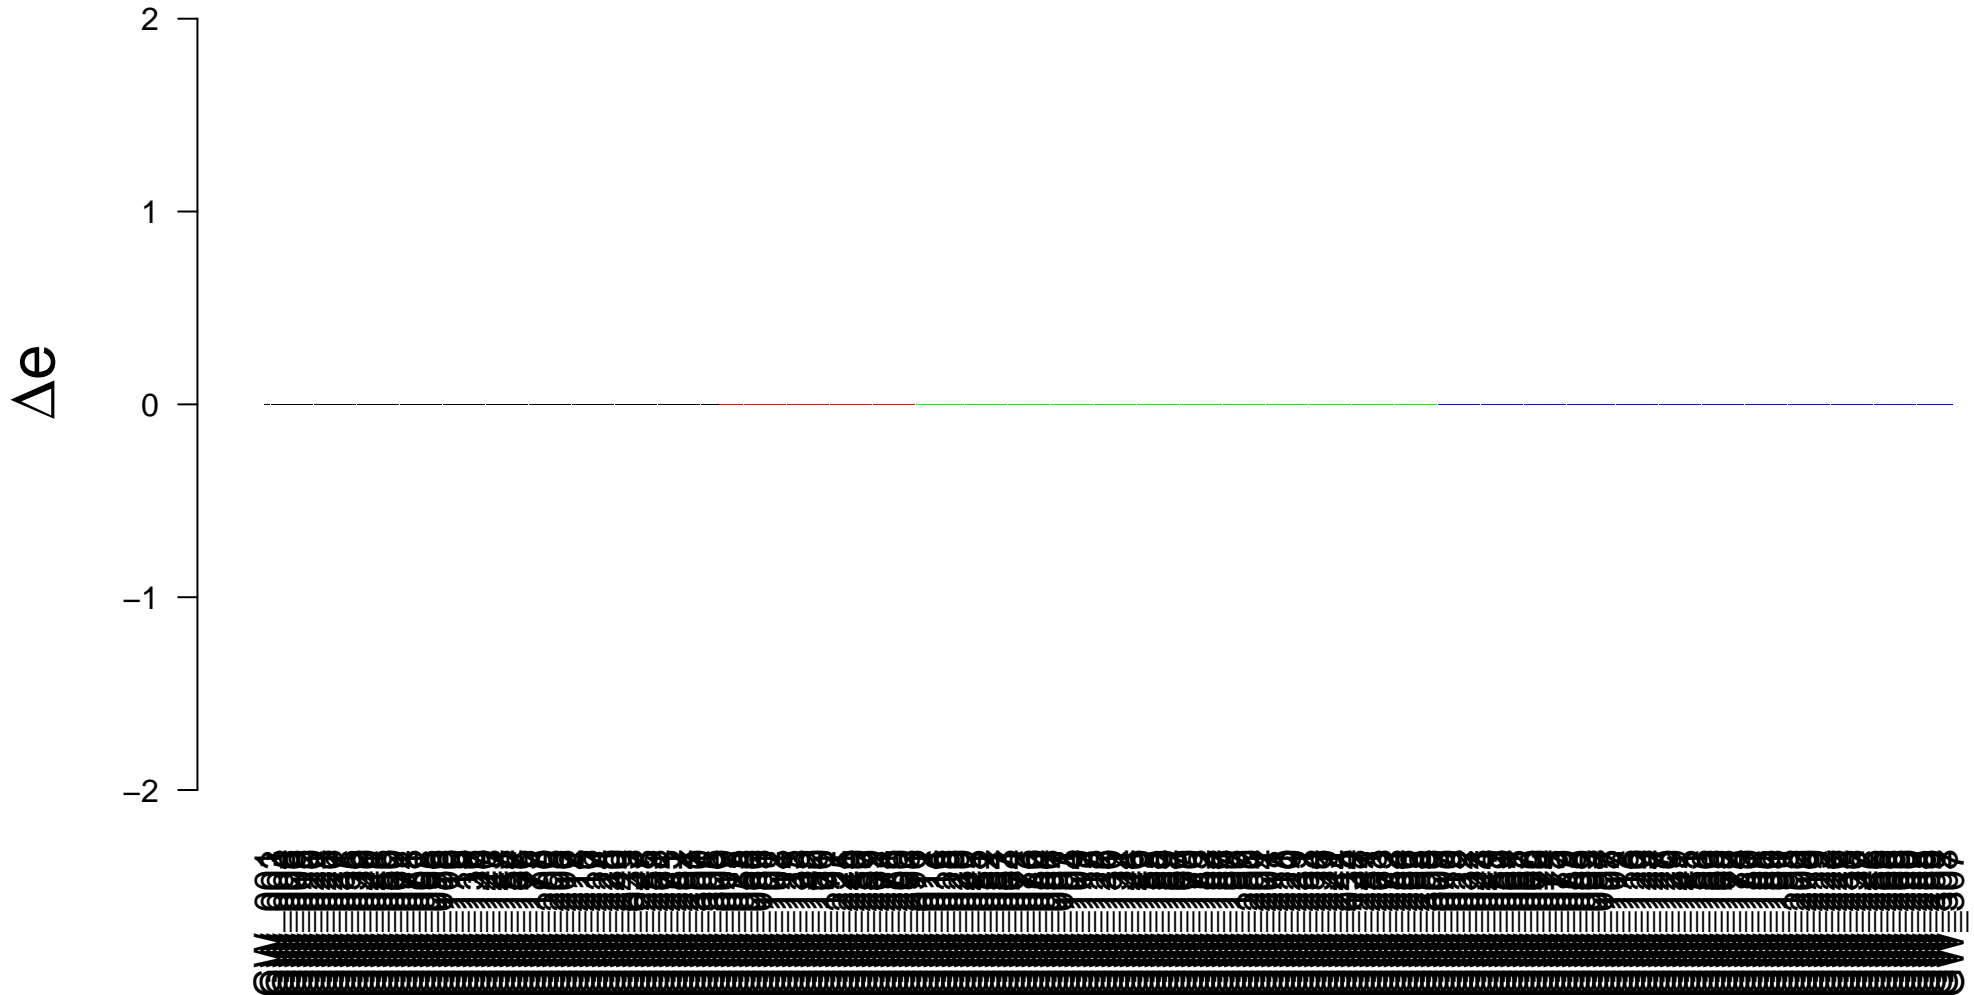

Expression of positive regulation of T cell activation in Spot O

Expression of positive regulation of T cell activation in Spot P

Expression of positive regulation of T cell activation in Spot Q

Expression of positive regulation of T cell activation in Spot R
