

positive regulation of activated T cell proliferation

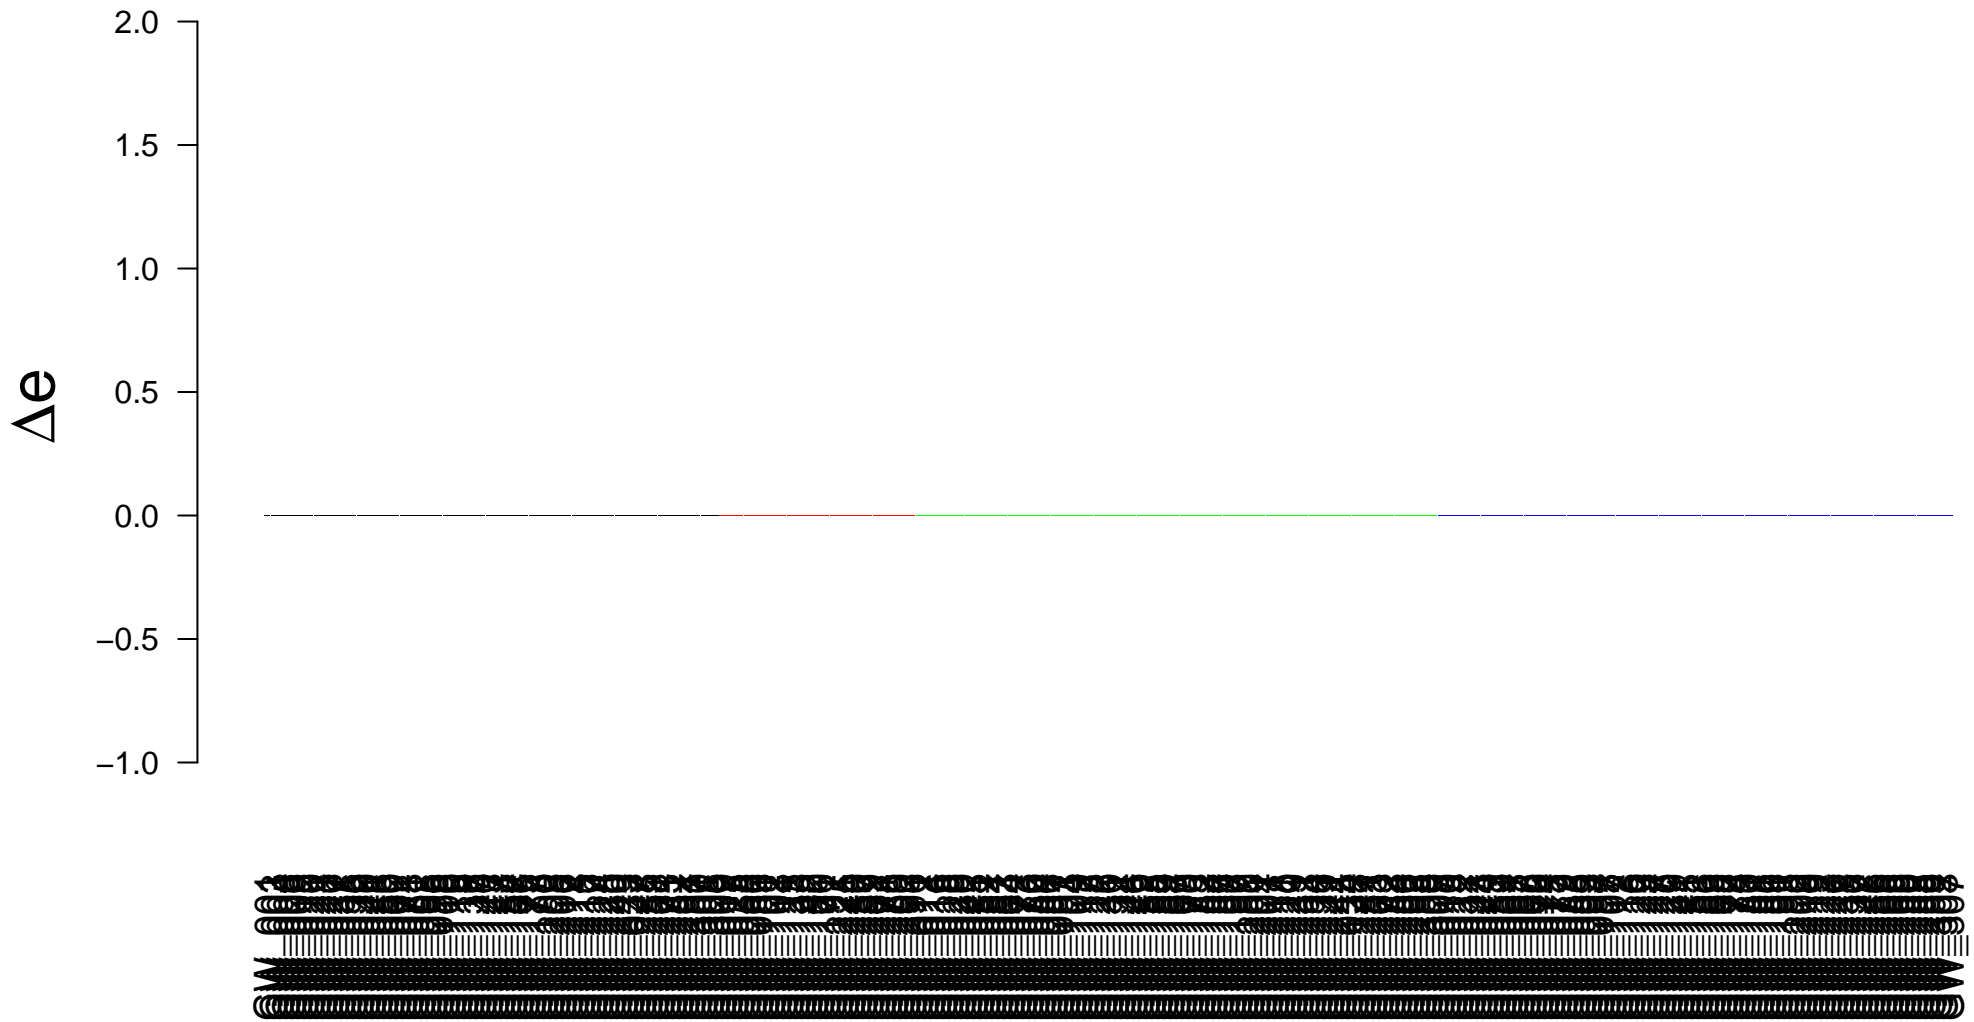

positive regulation of activated T cell proliferation

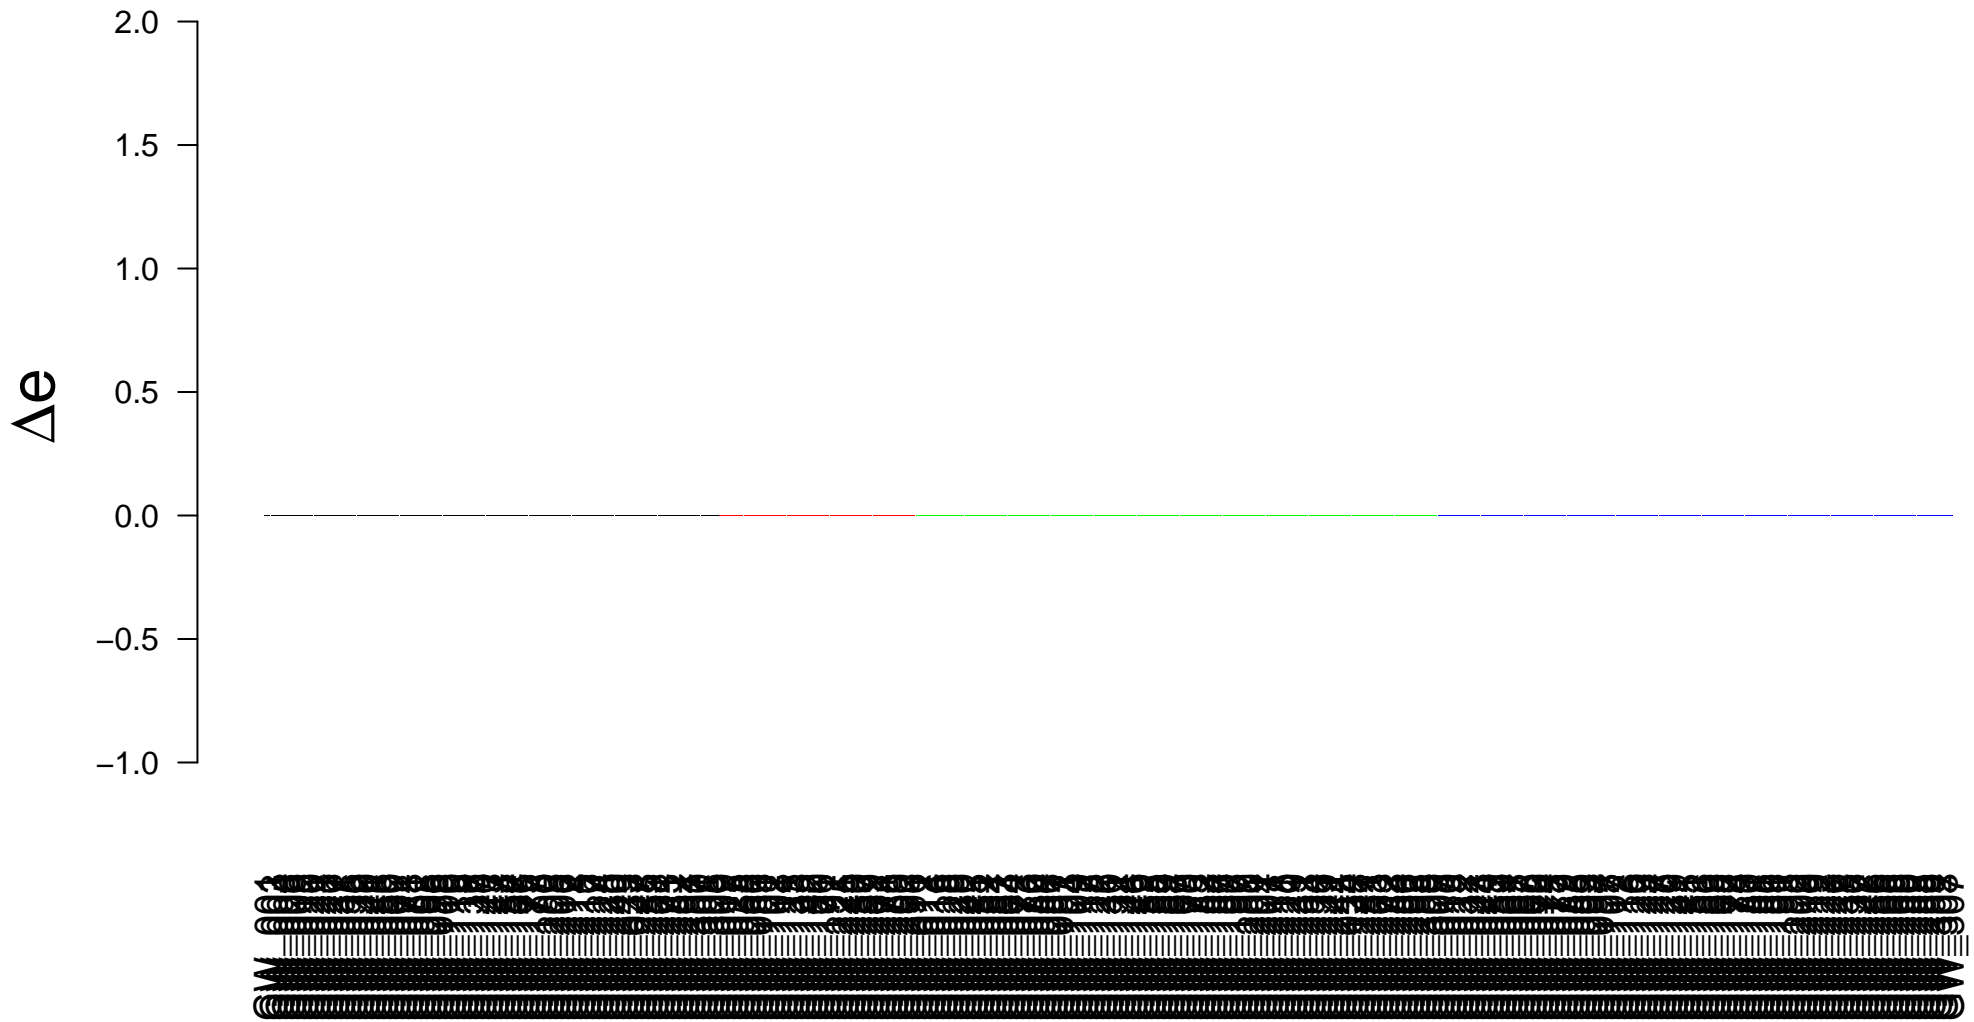

# Enrichment in spots: positive regulation of activated T cell proliferation

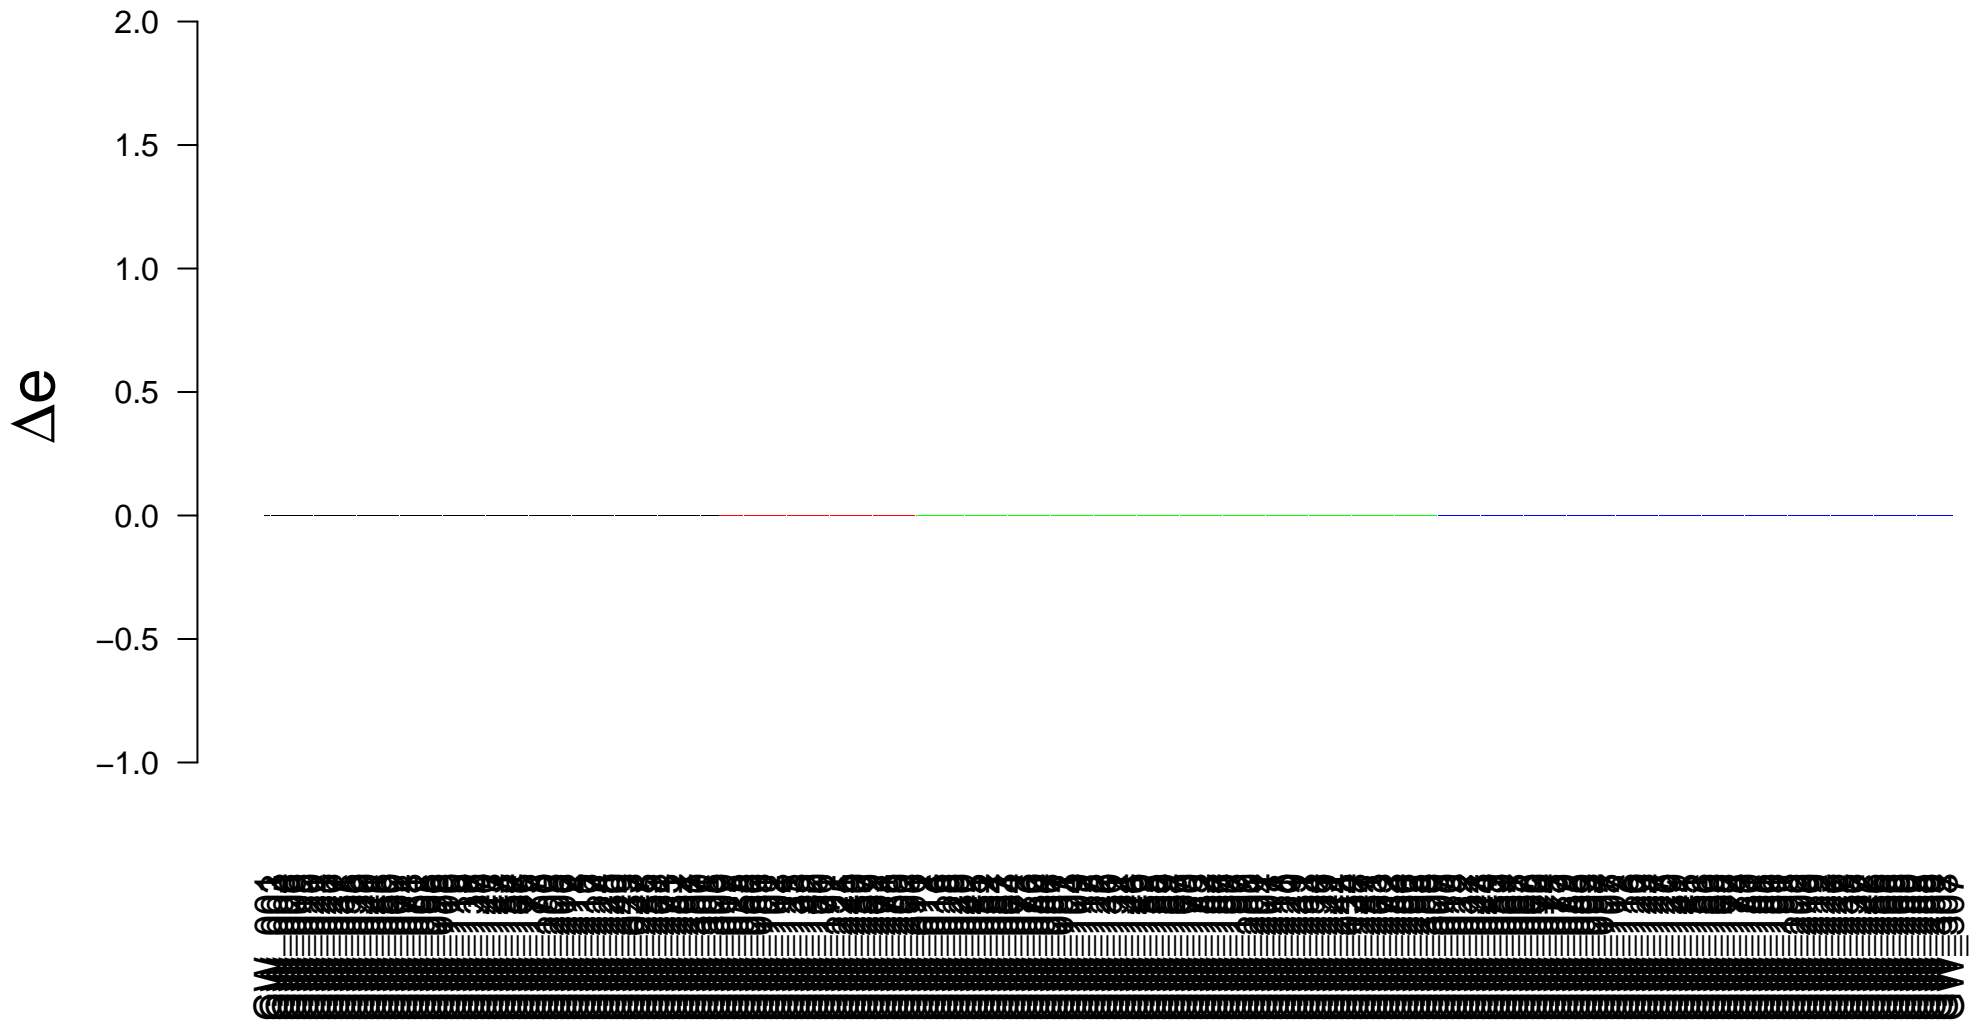

# Expression of positive regulation of activated T cell proliferation in Spot A

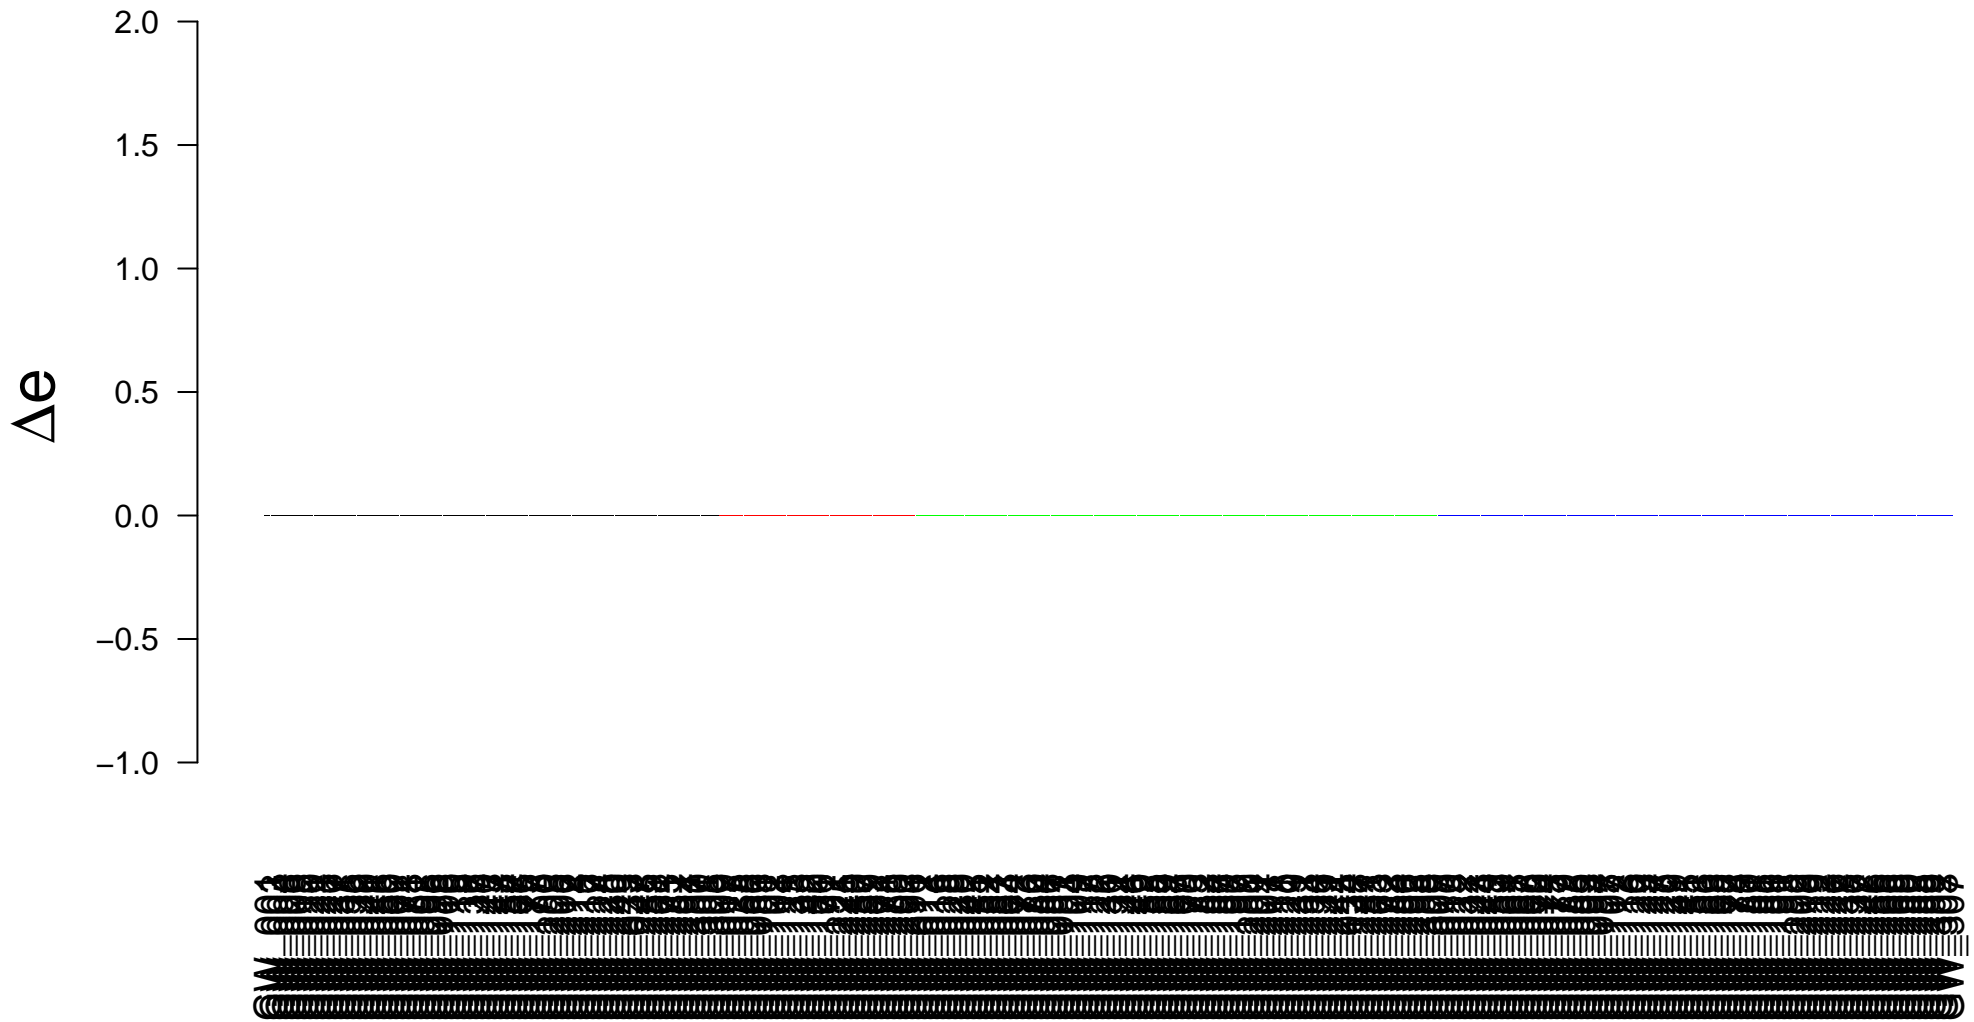

# Expression of positive regulation of activated T cell proliferation in Spot B

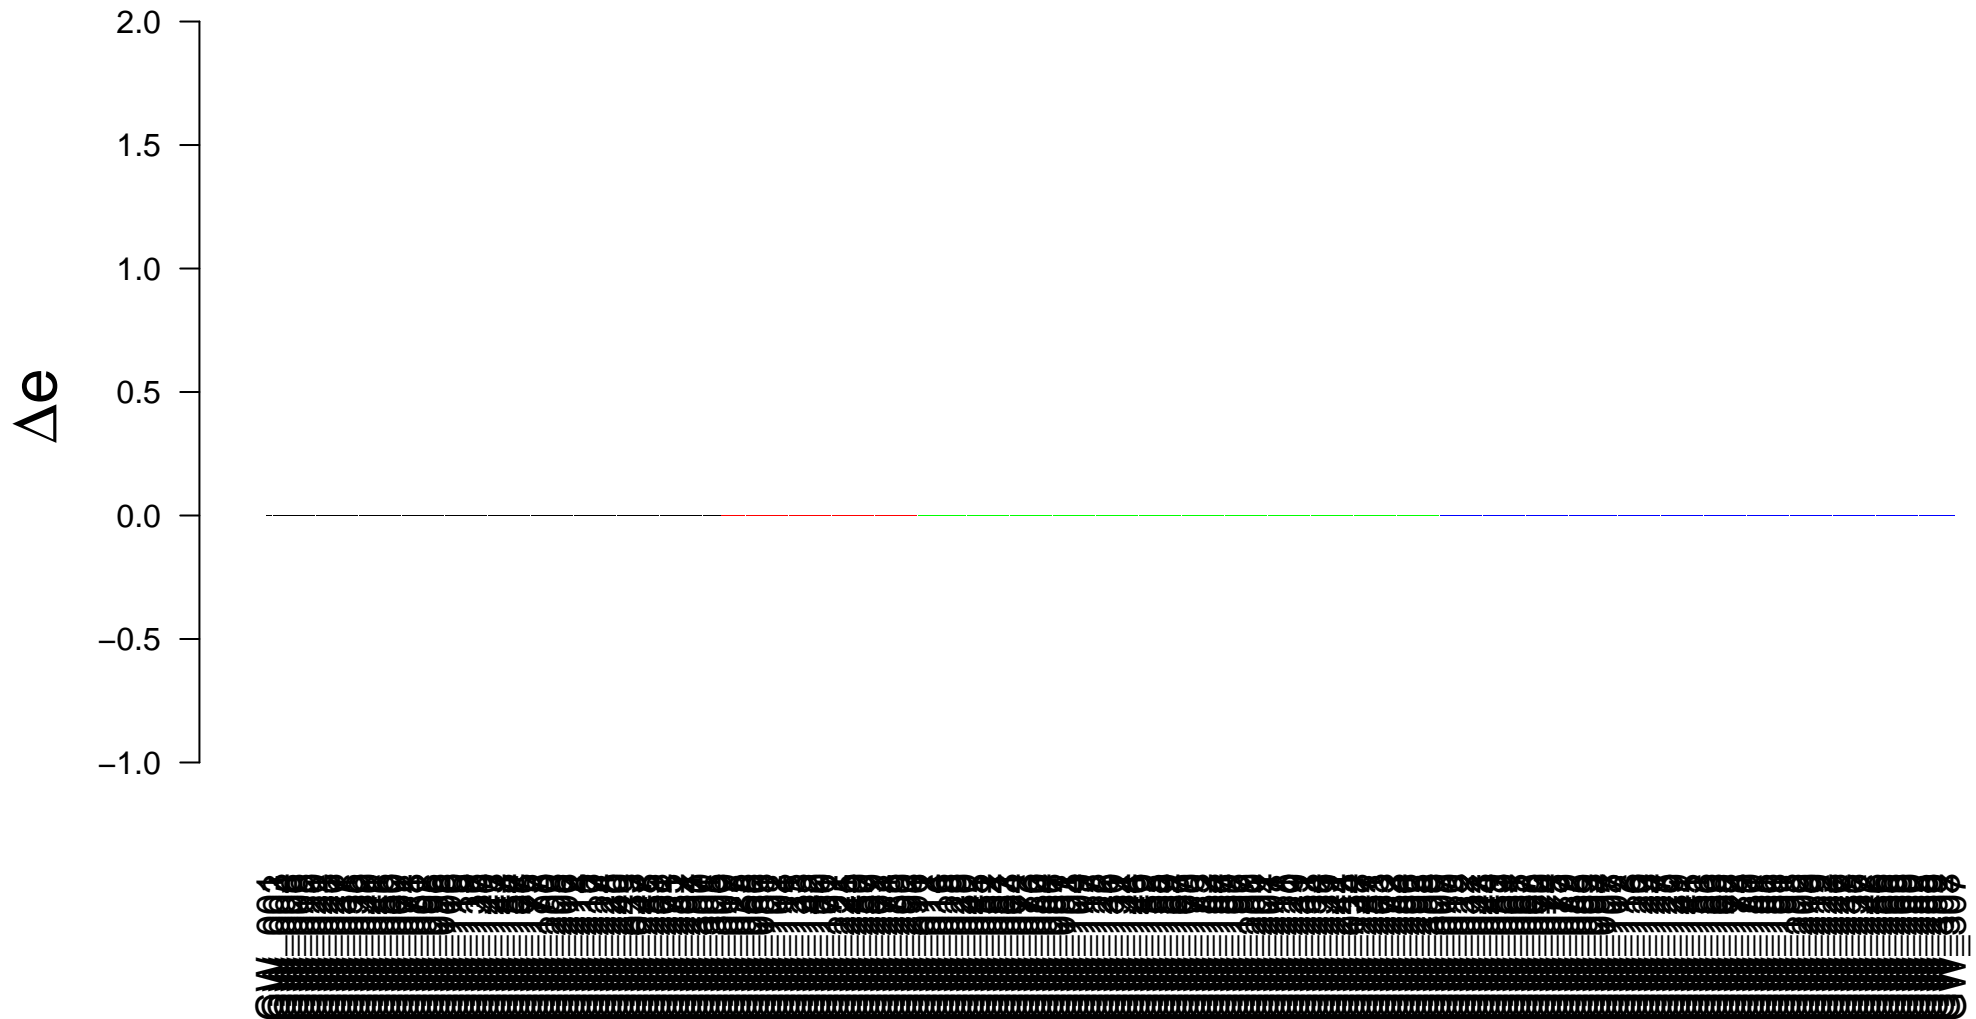

# Expression of positive regulation of activated T cell proliferation in Spot C

# Expression of positive regulation of activated T cell proliferation in Spot D

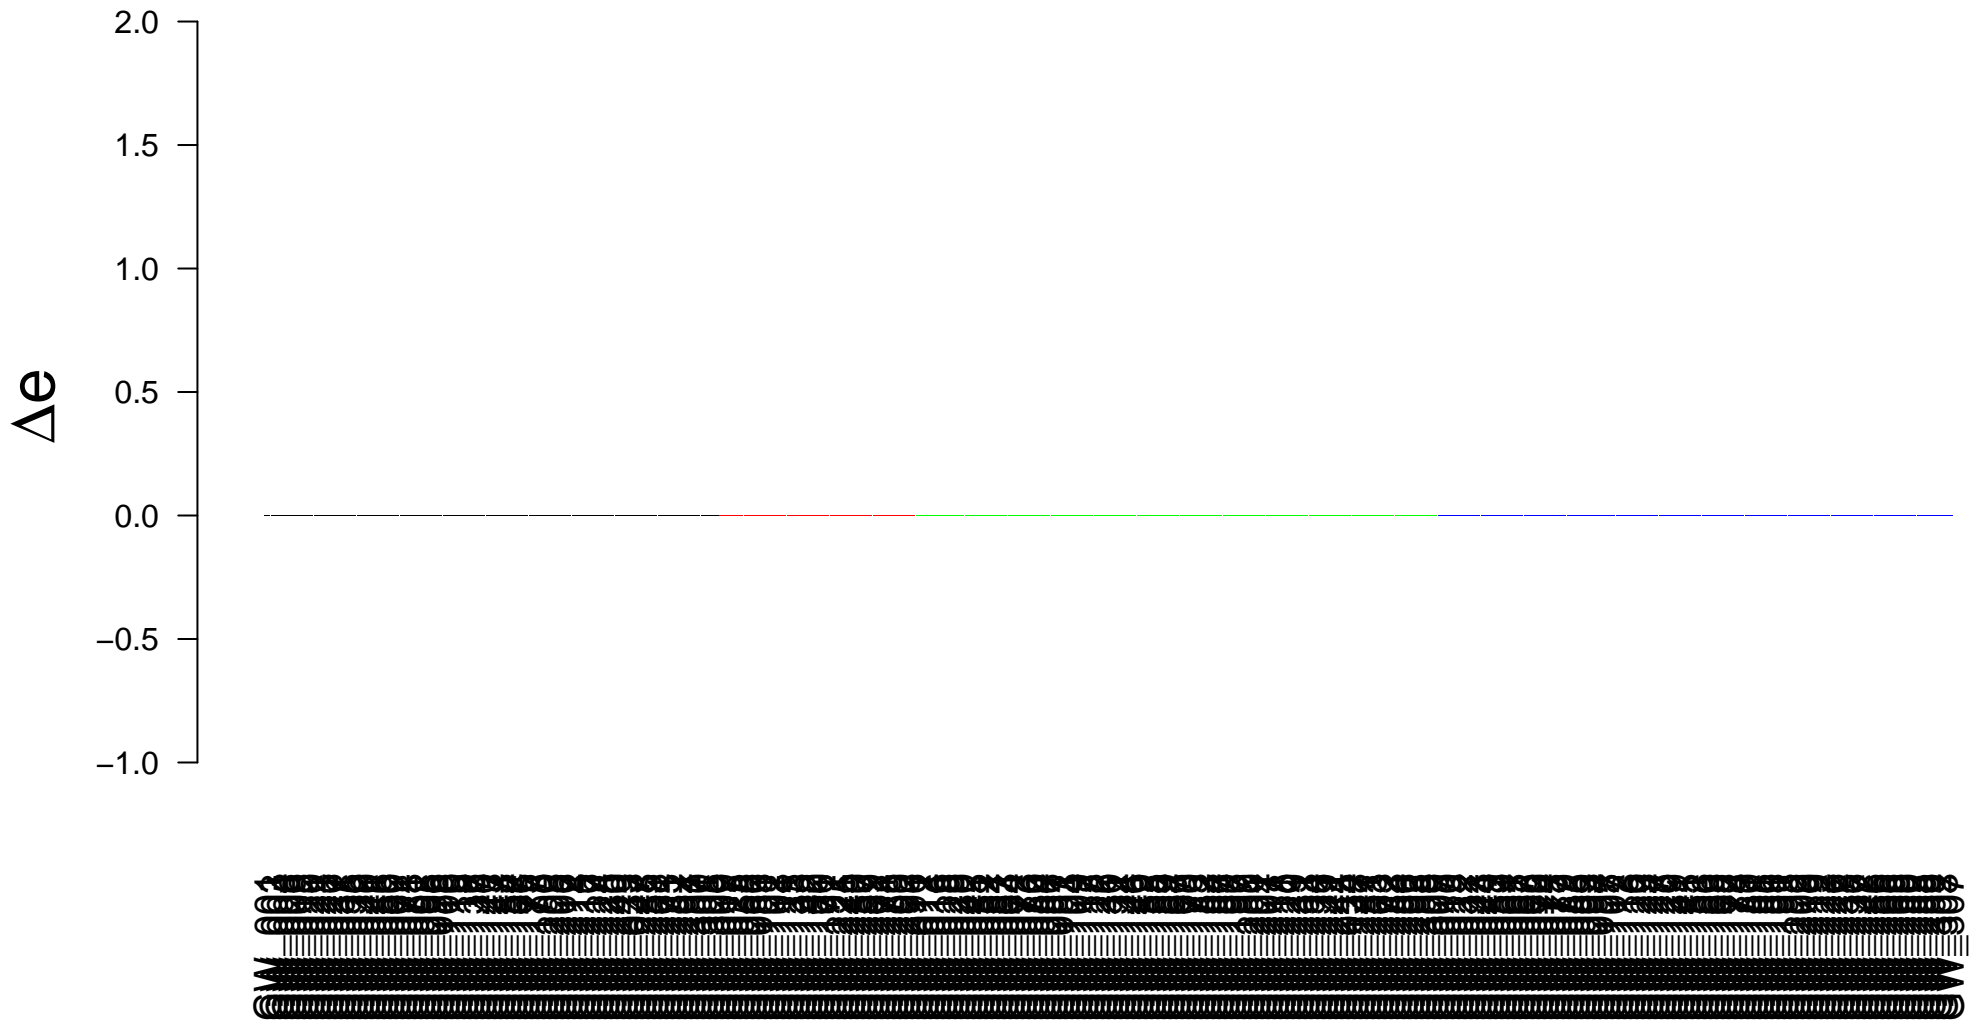

# Expression of positive regulation of activated T cell proliferation in Spot E

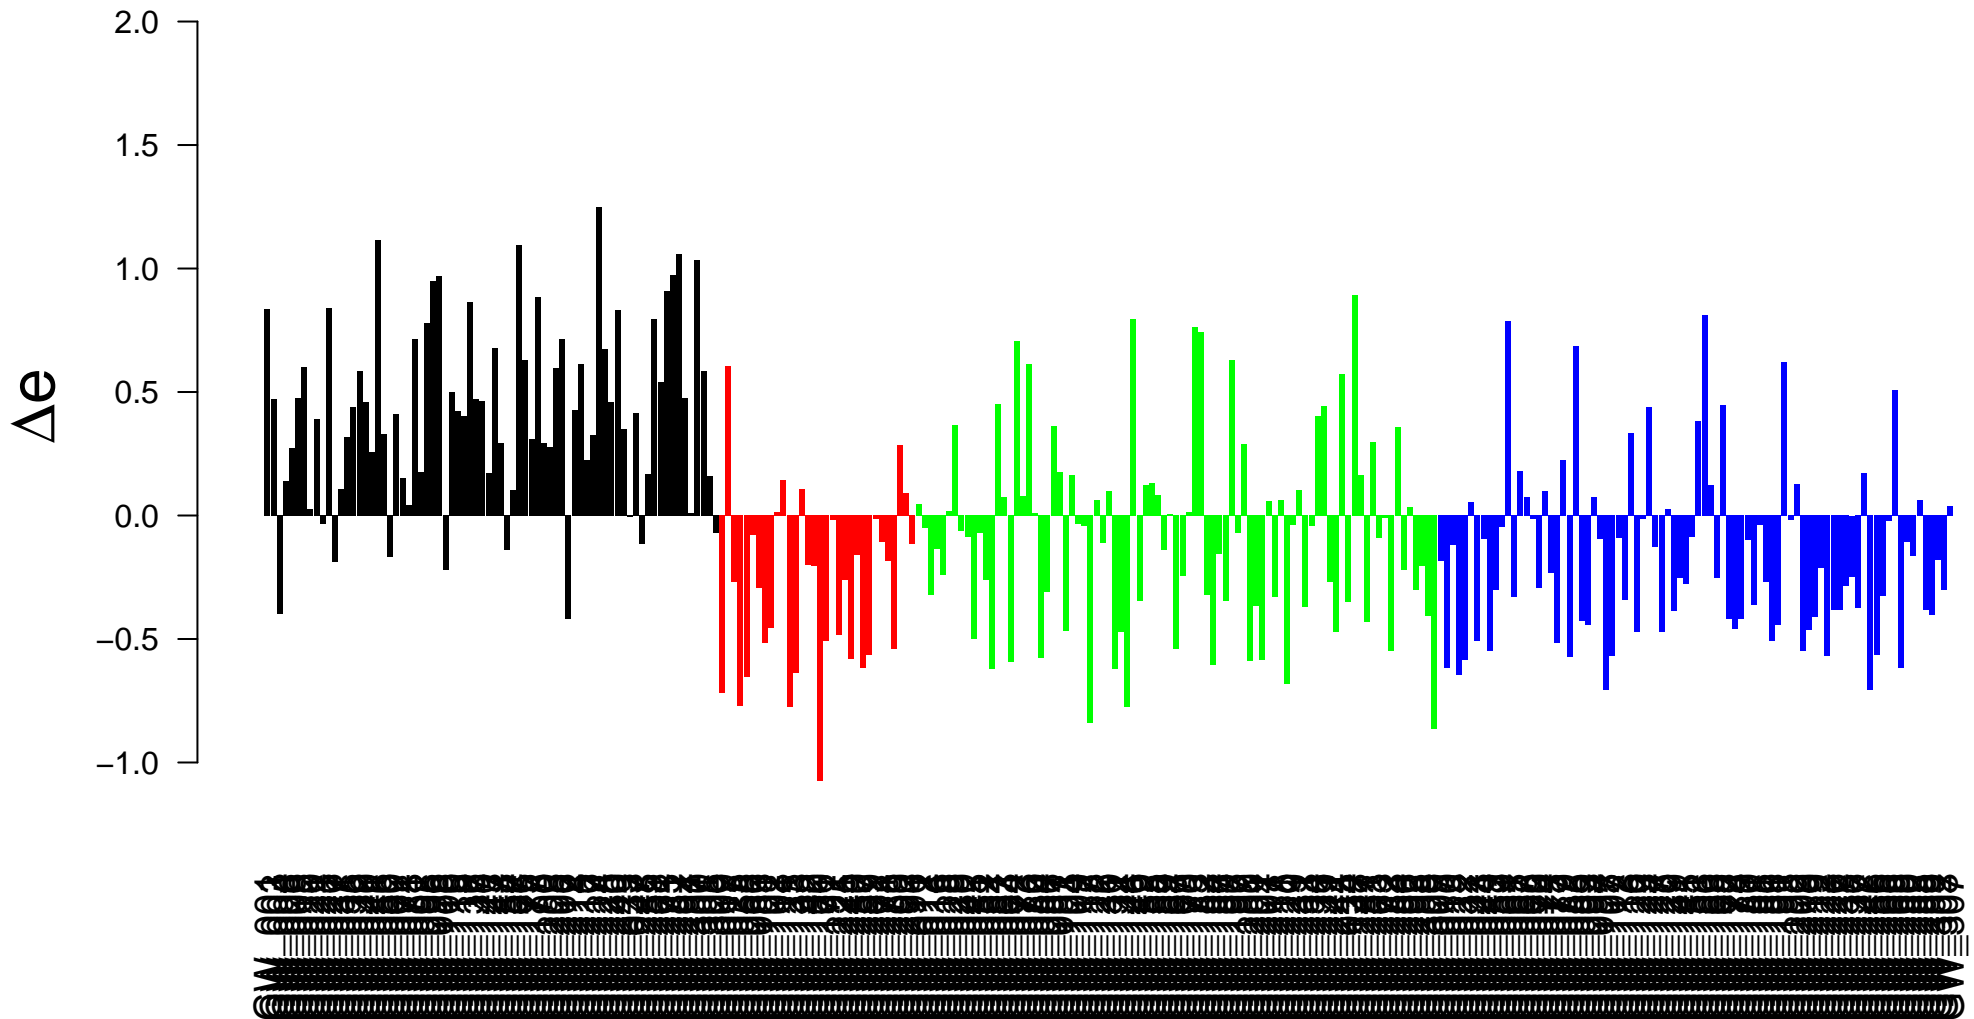

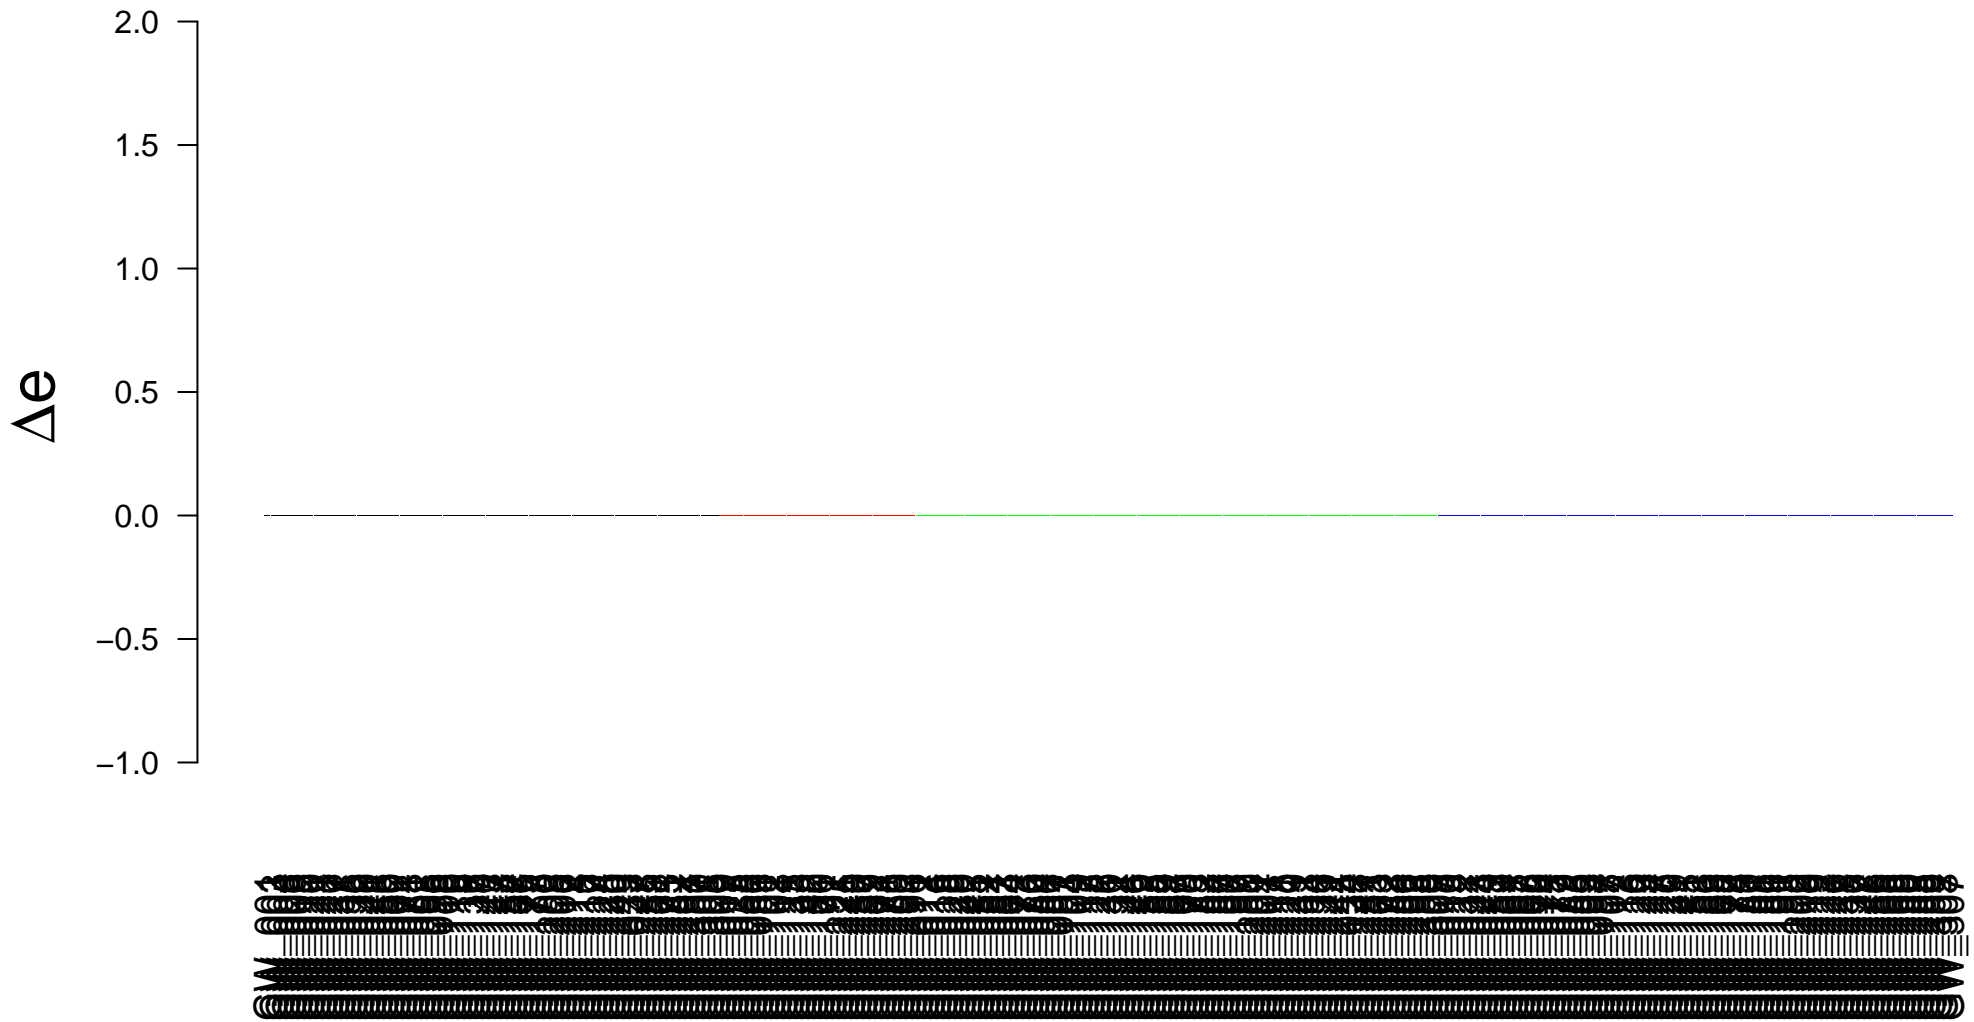

# Expression of positive regulation of activated T cell proliferation in Spot F

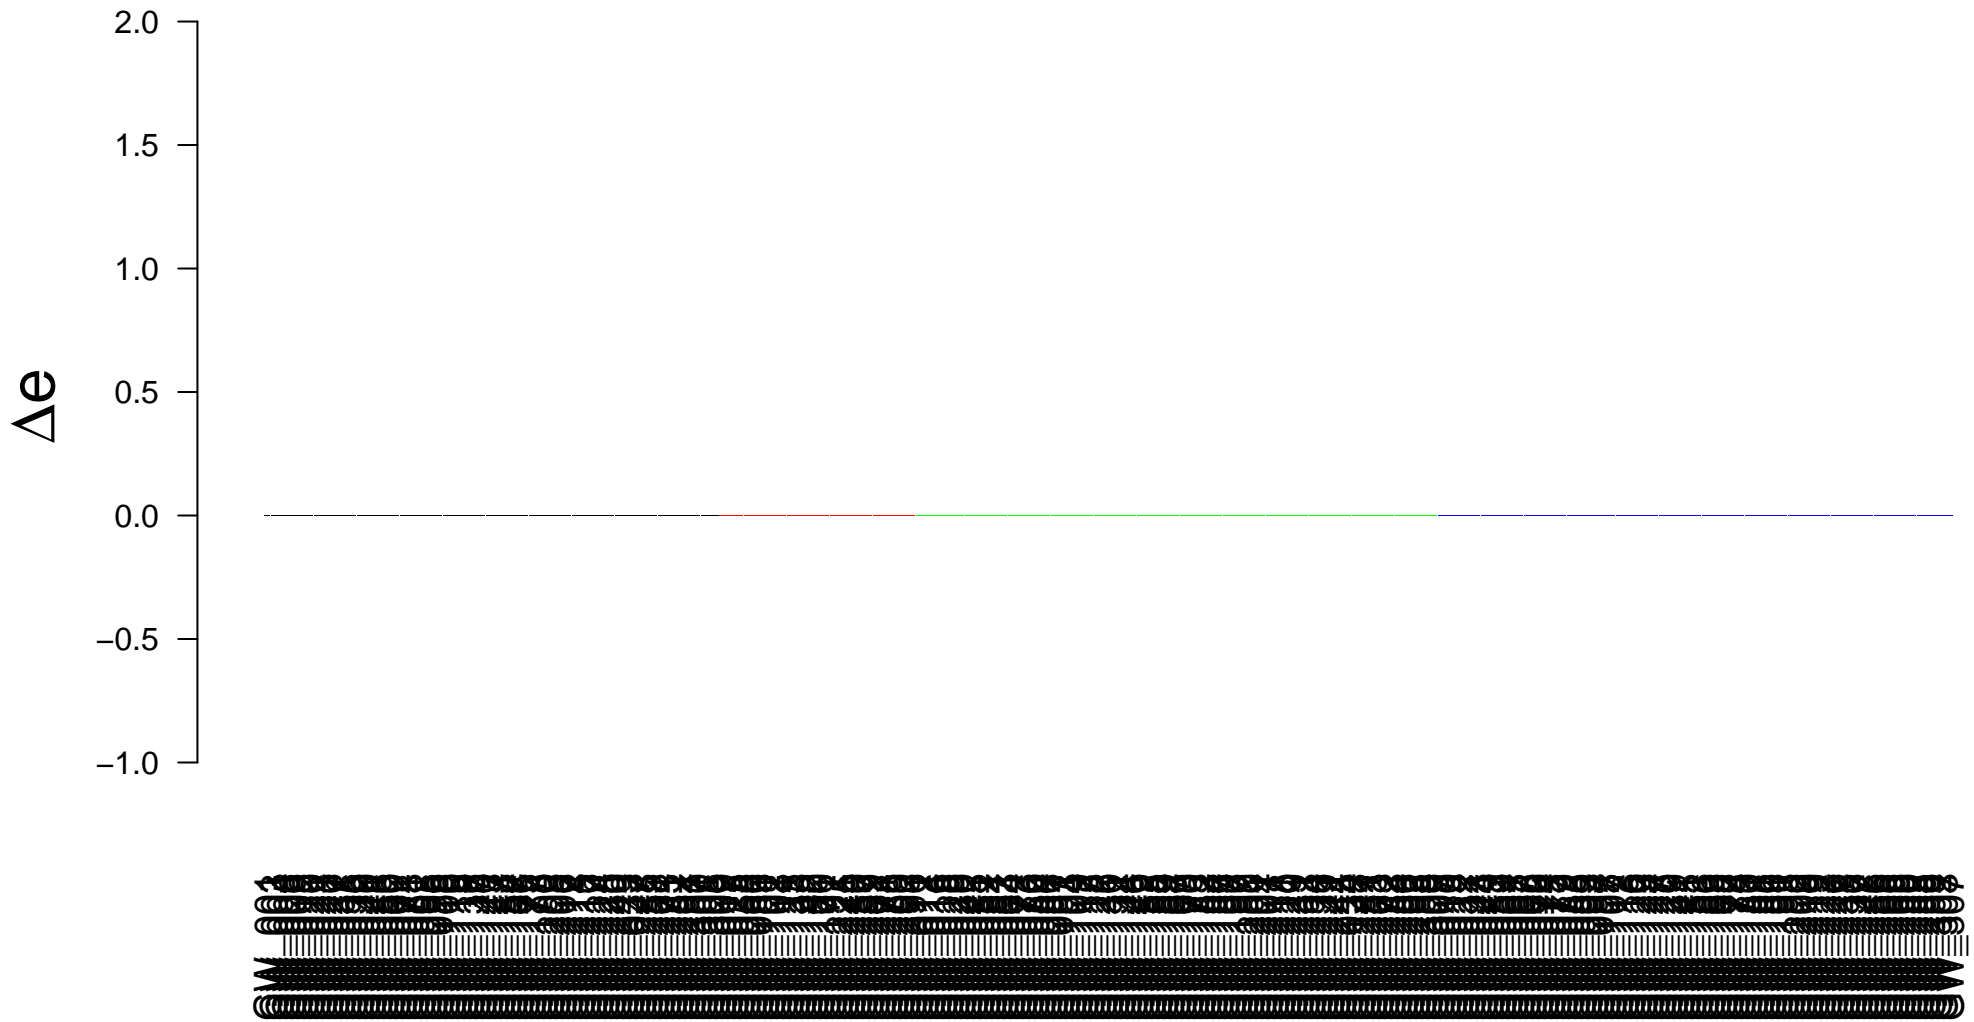

# Expression of positive regulation of activated T cell proliferation in Spot G

# Expression of positive regulation of activated T cell proliferation in Spot H

# Expression of positive regulation of activated T cell proliferation in Spot I

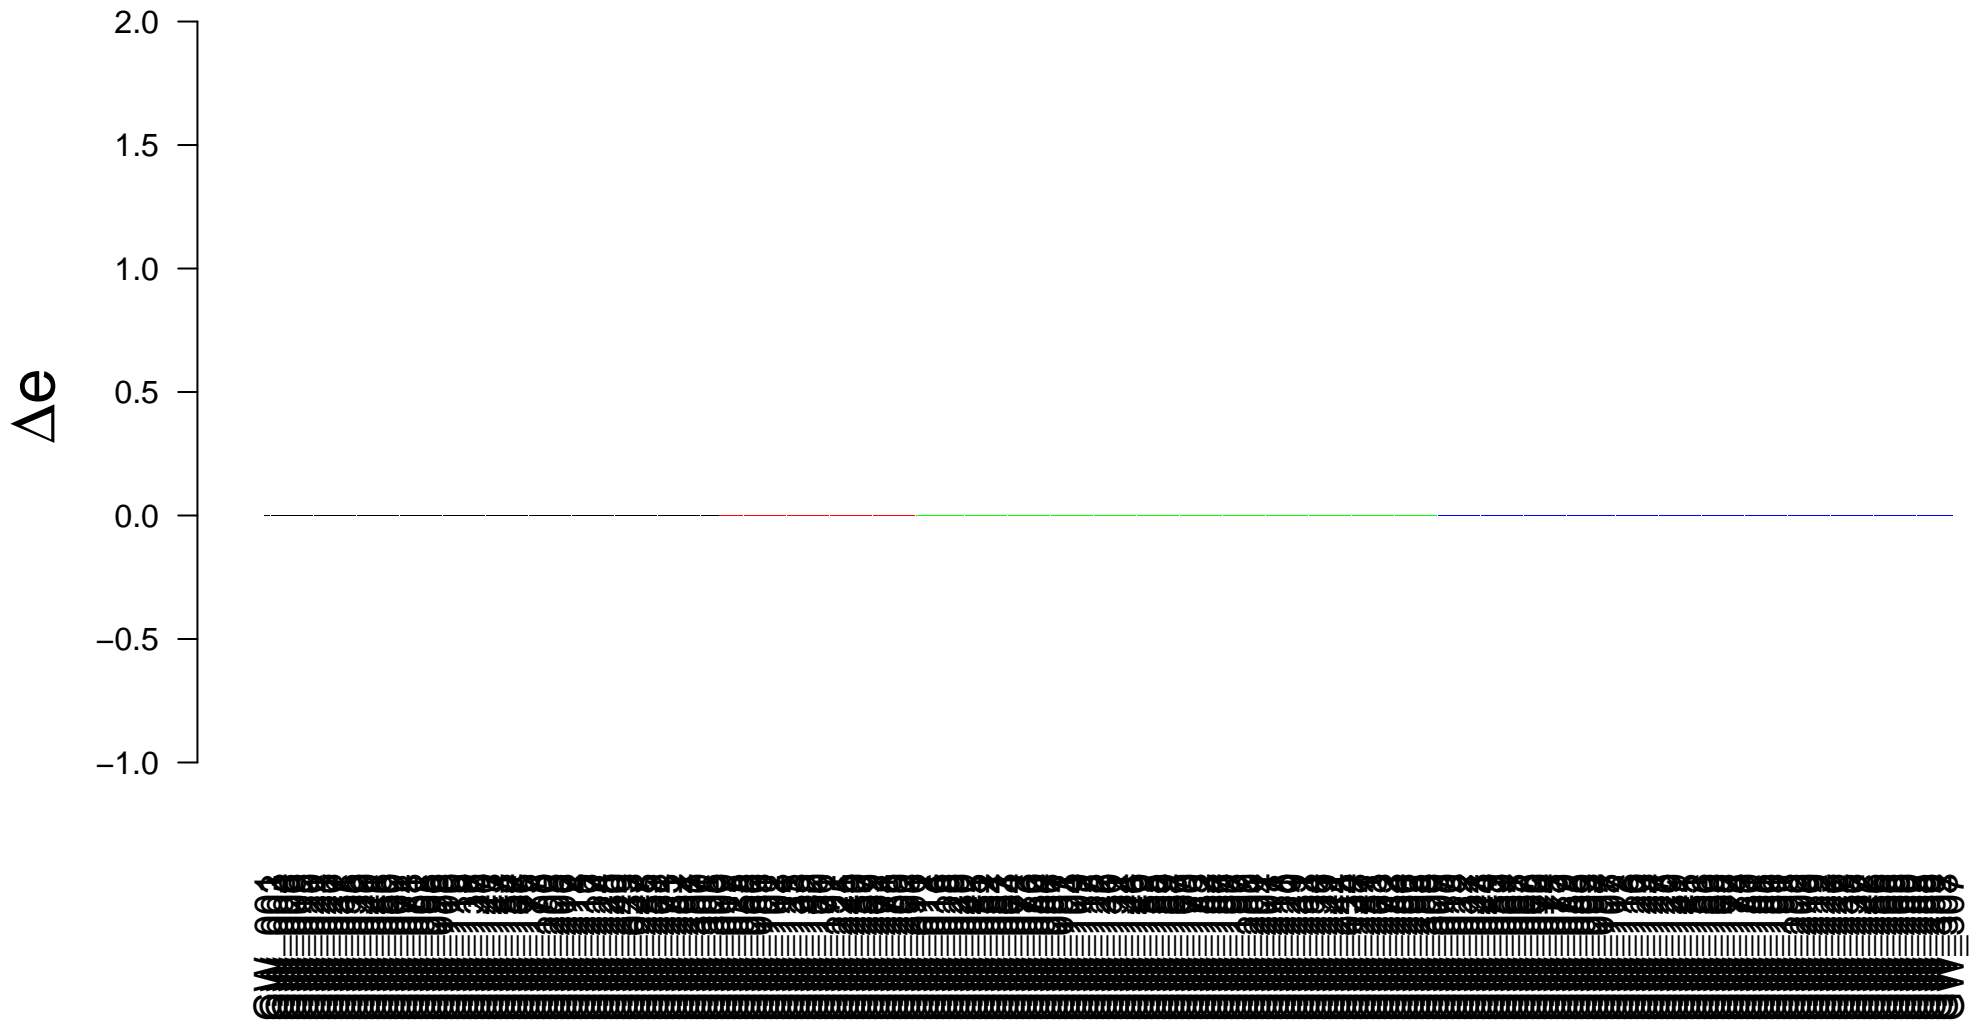

# Expression of positive regulation of activated T cell proliferation in Spot J
