

positive regulation of cell division

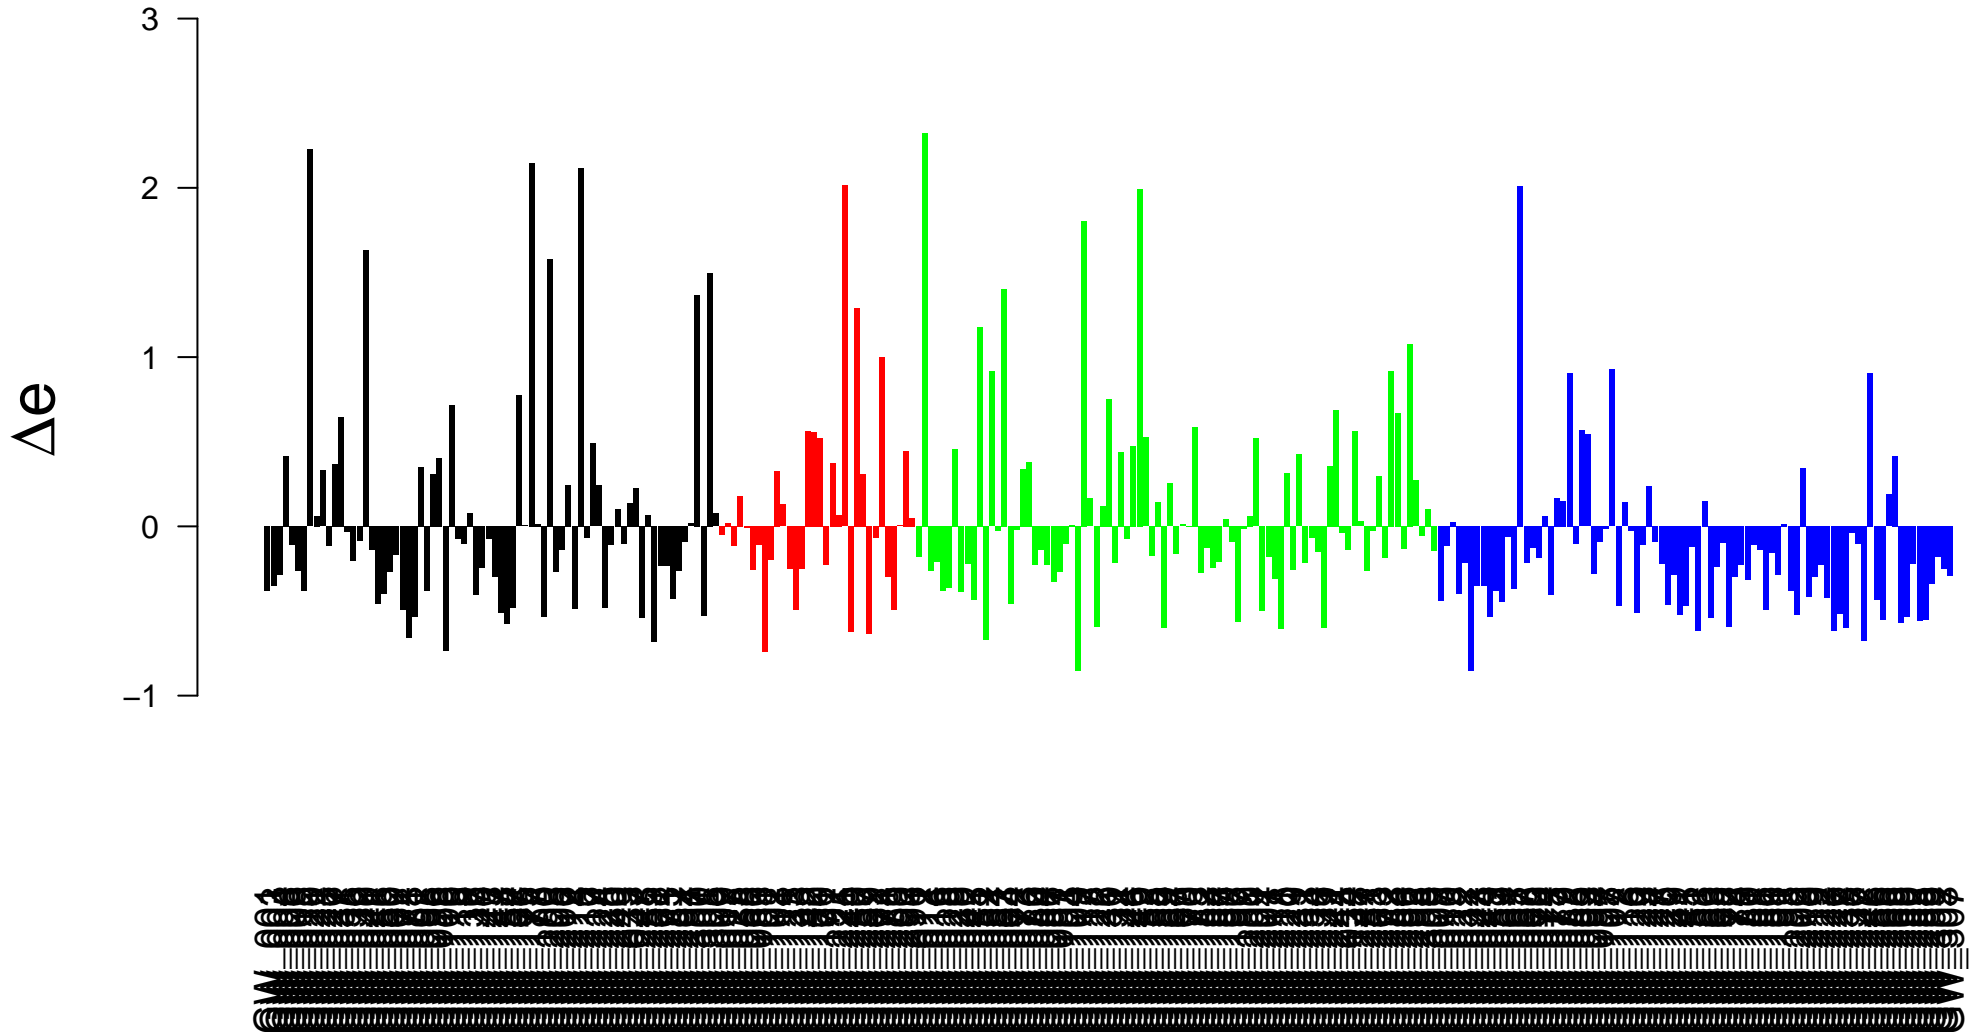

positive regulation of cell division

### Enrichment in spots: positive regulation of cell division

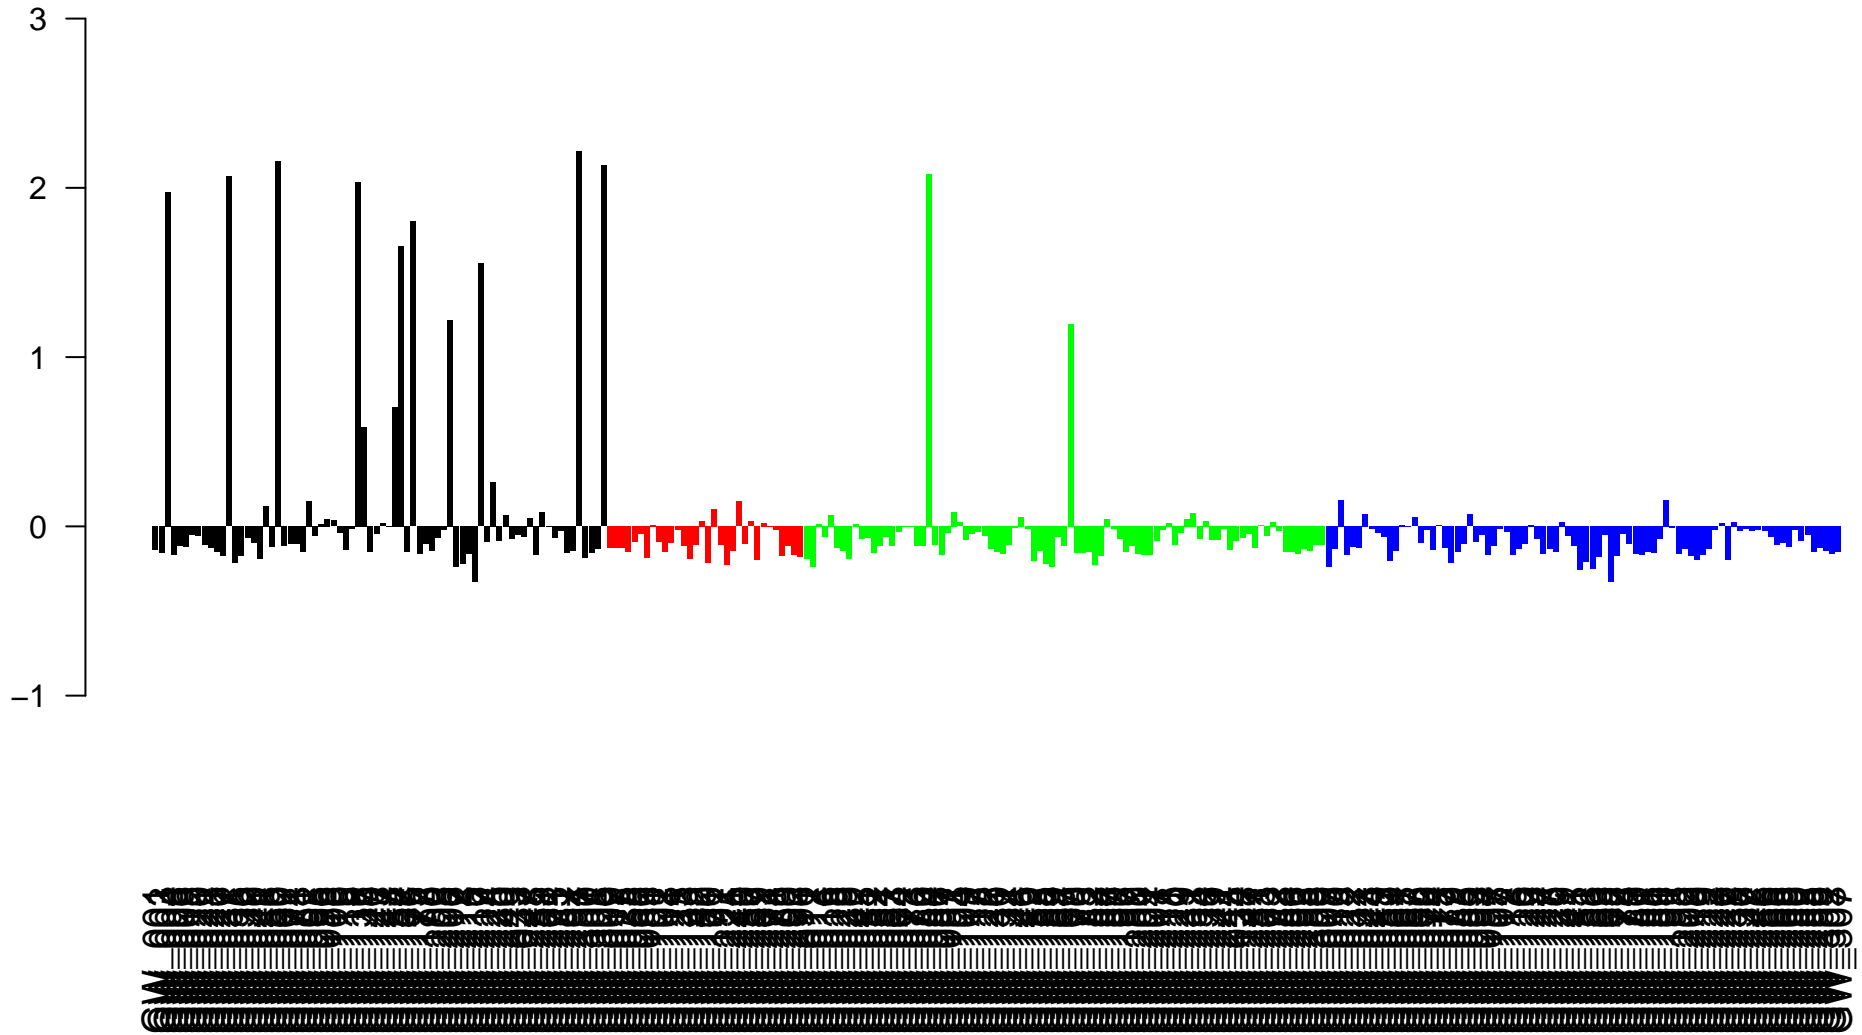

# Expression of positive regulation of cell division in Spot A

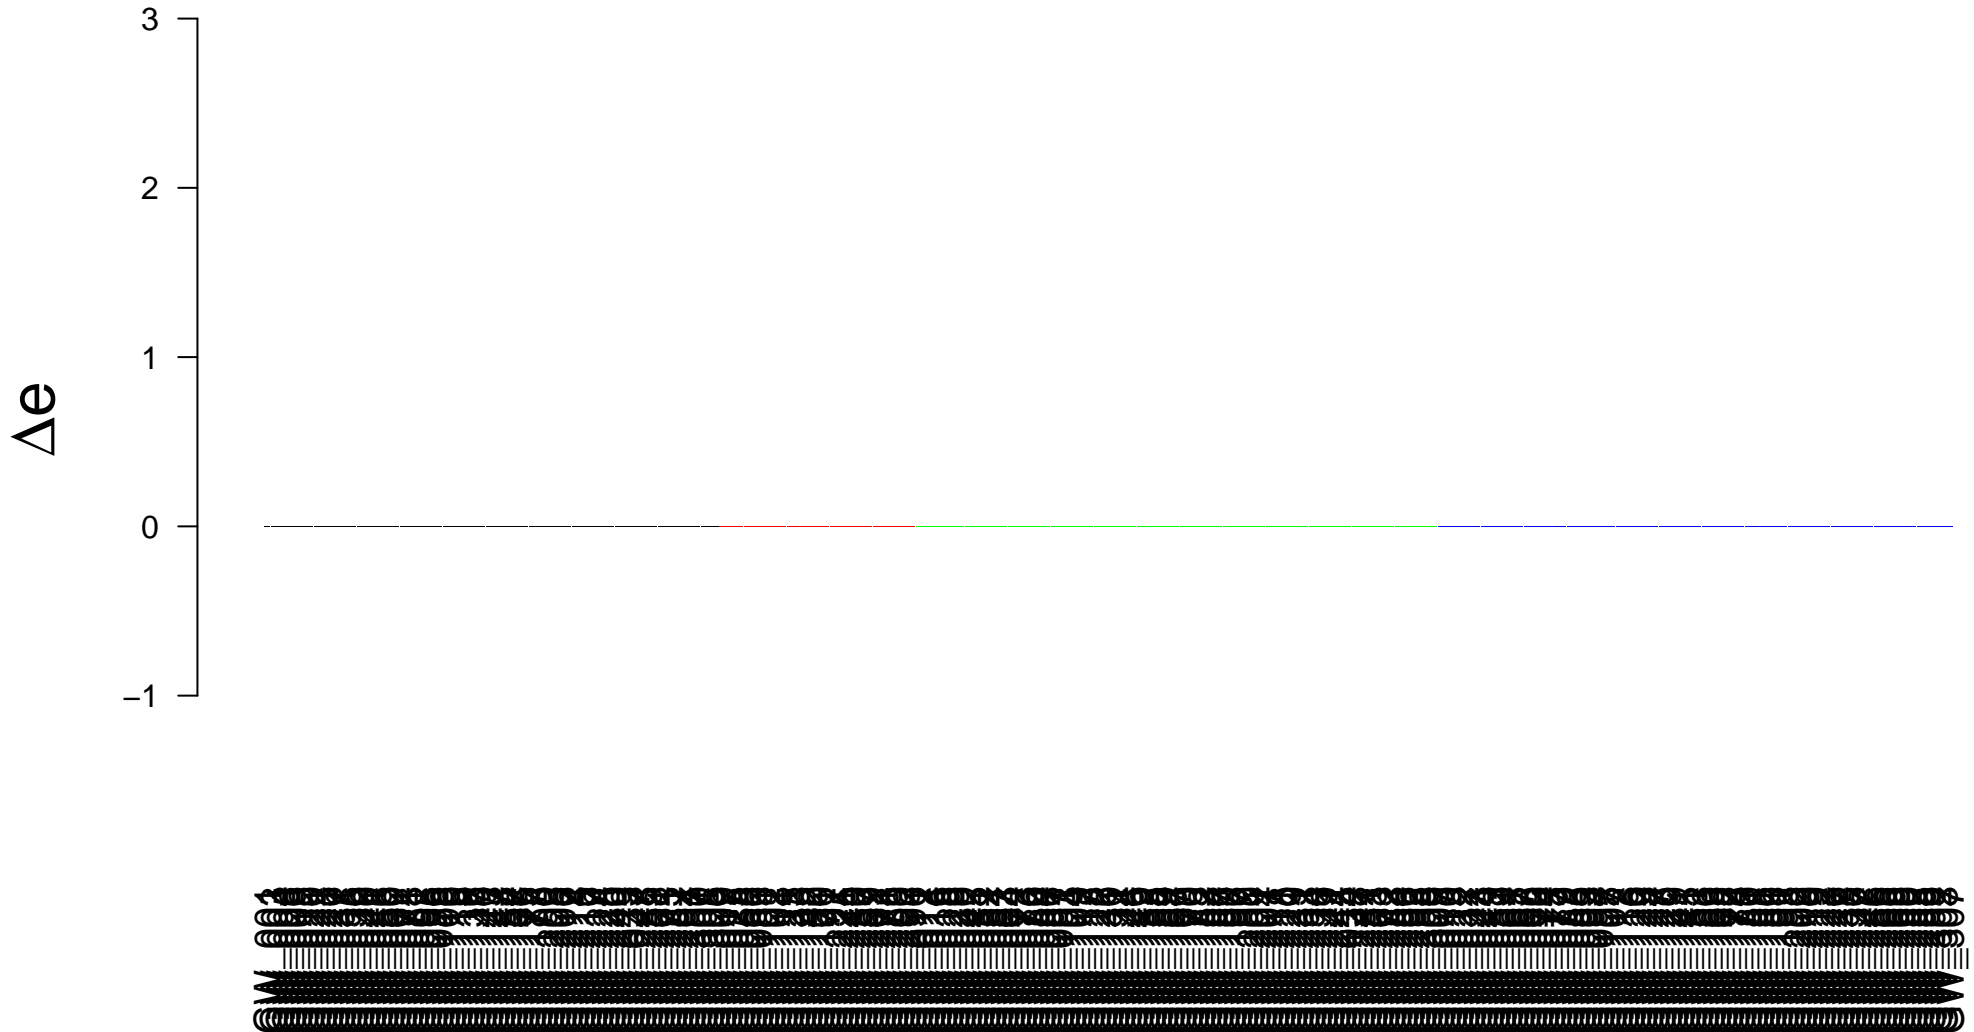

# Expression of positive regulation of cell division in Spot B

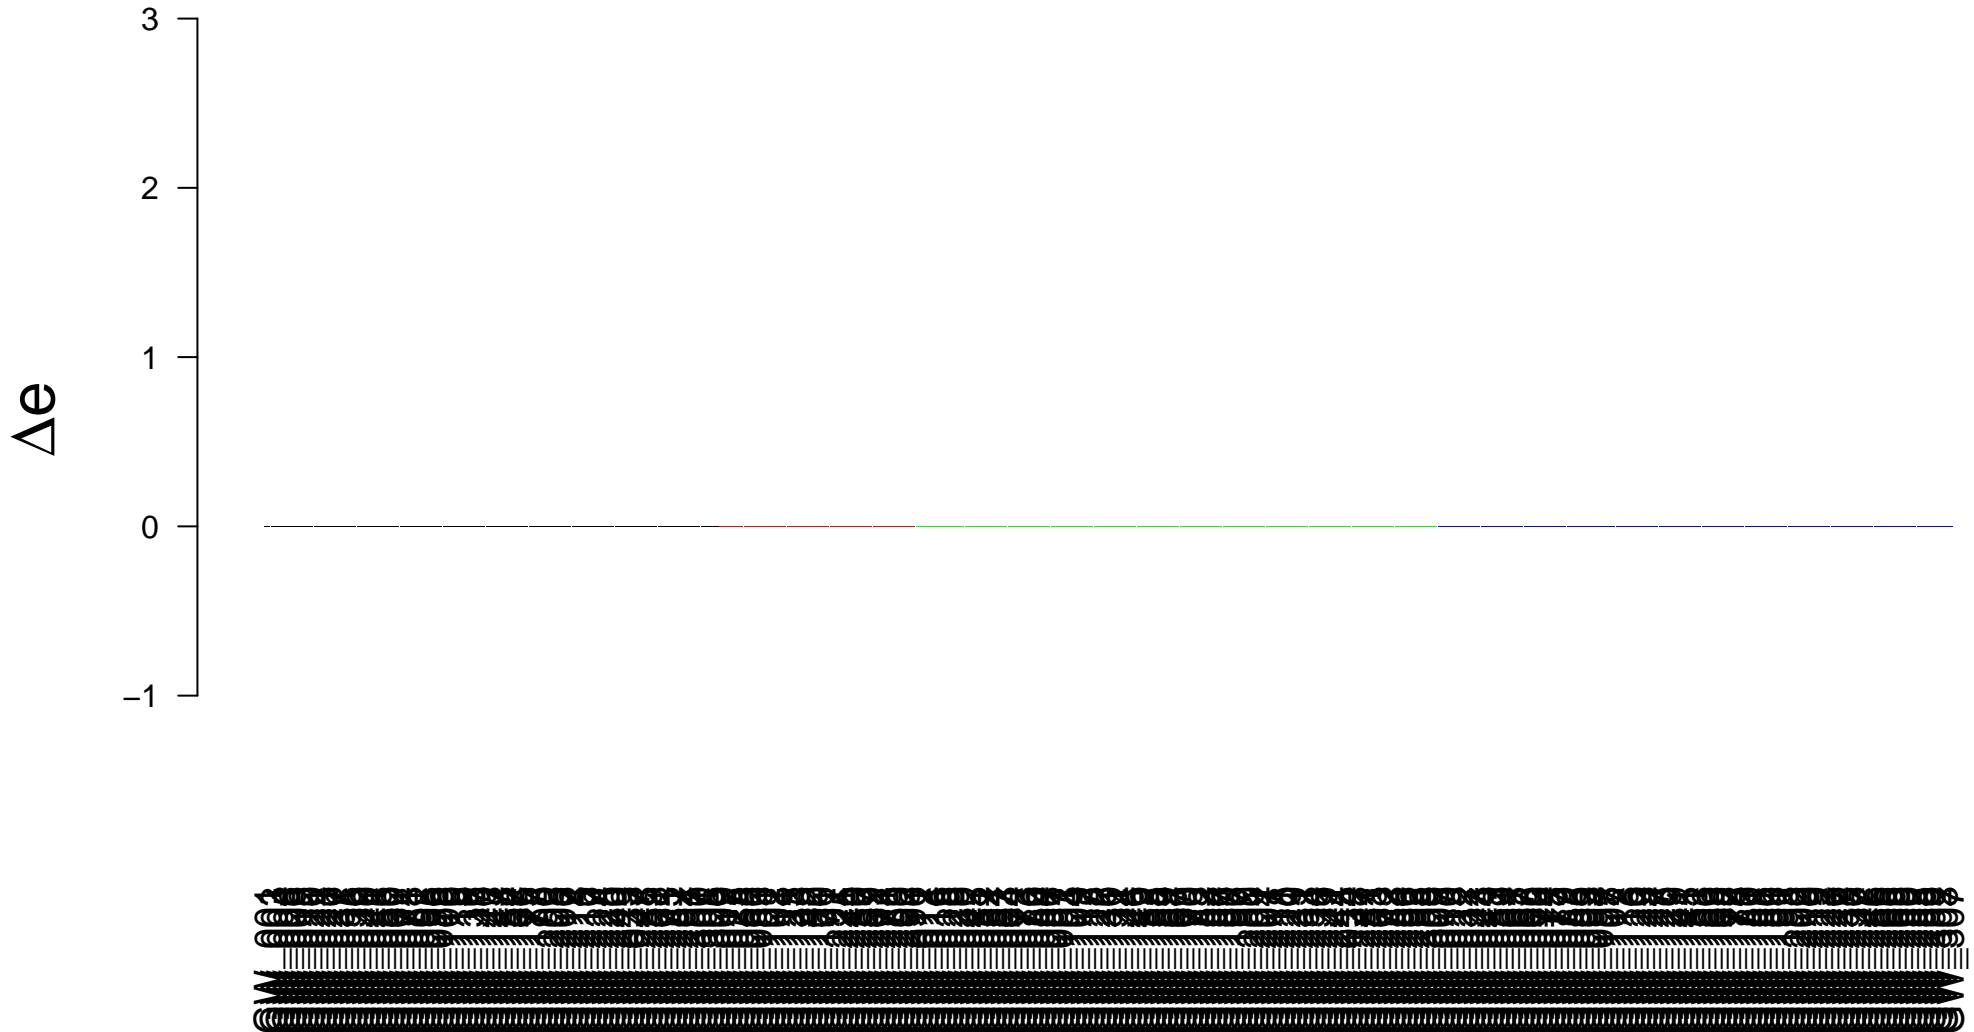

$\Delta e$

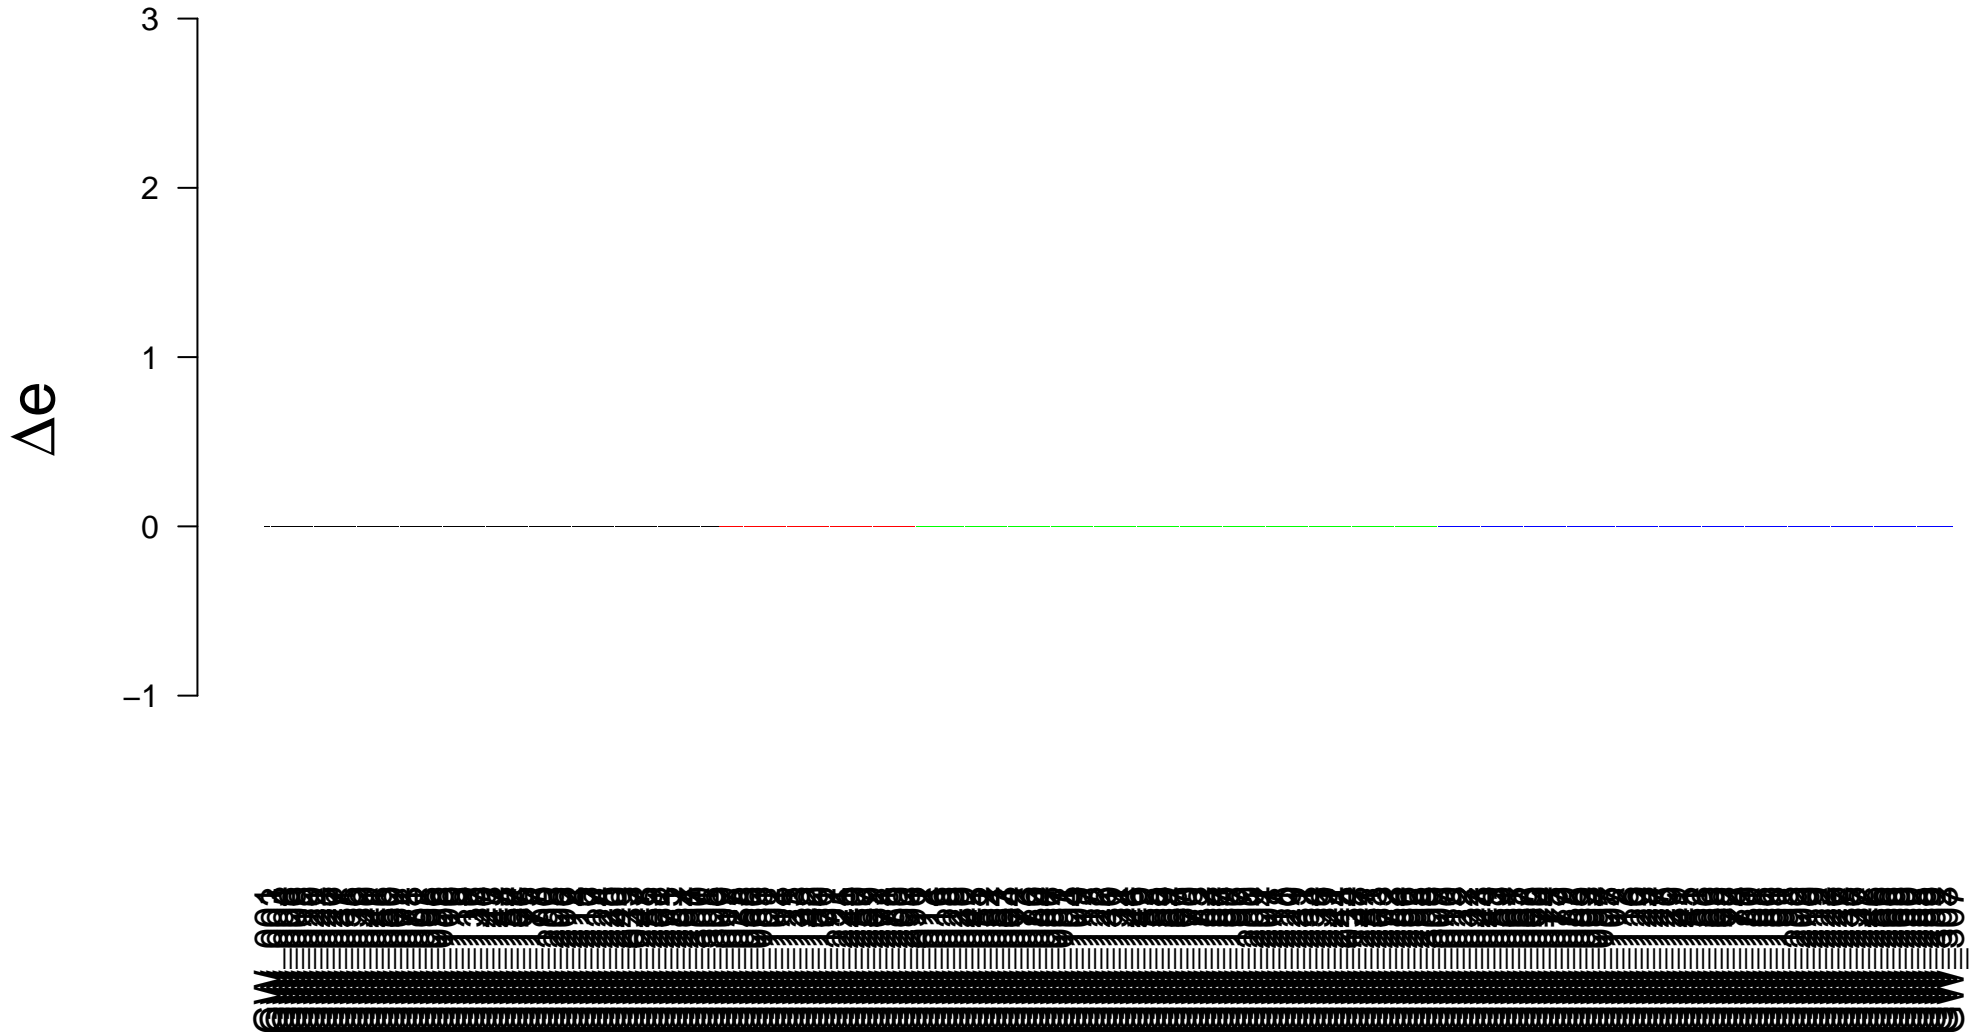

# Expression of positive regulation of cell division in Spot C

# Expression of positive regulation of cell division in Spot D

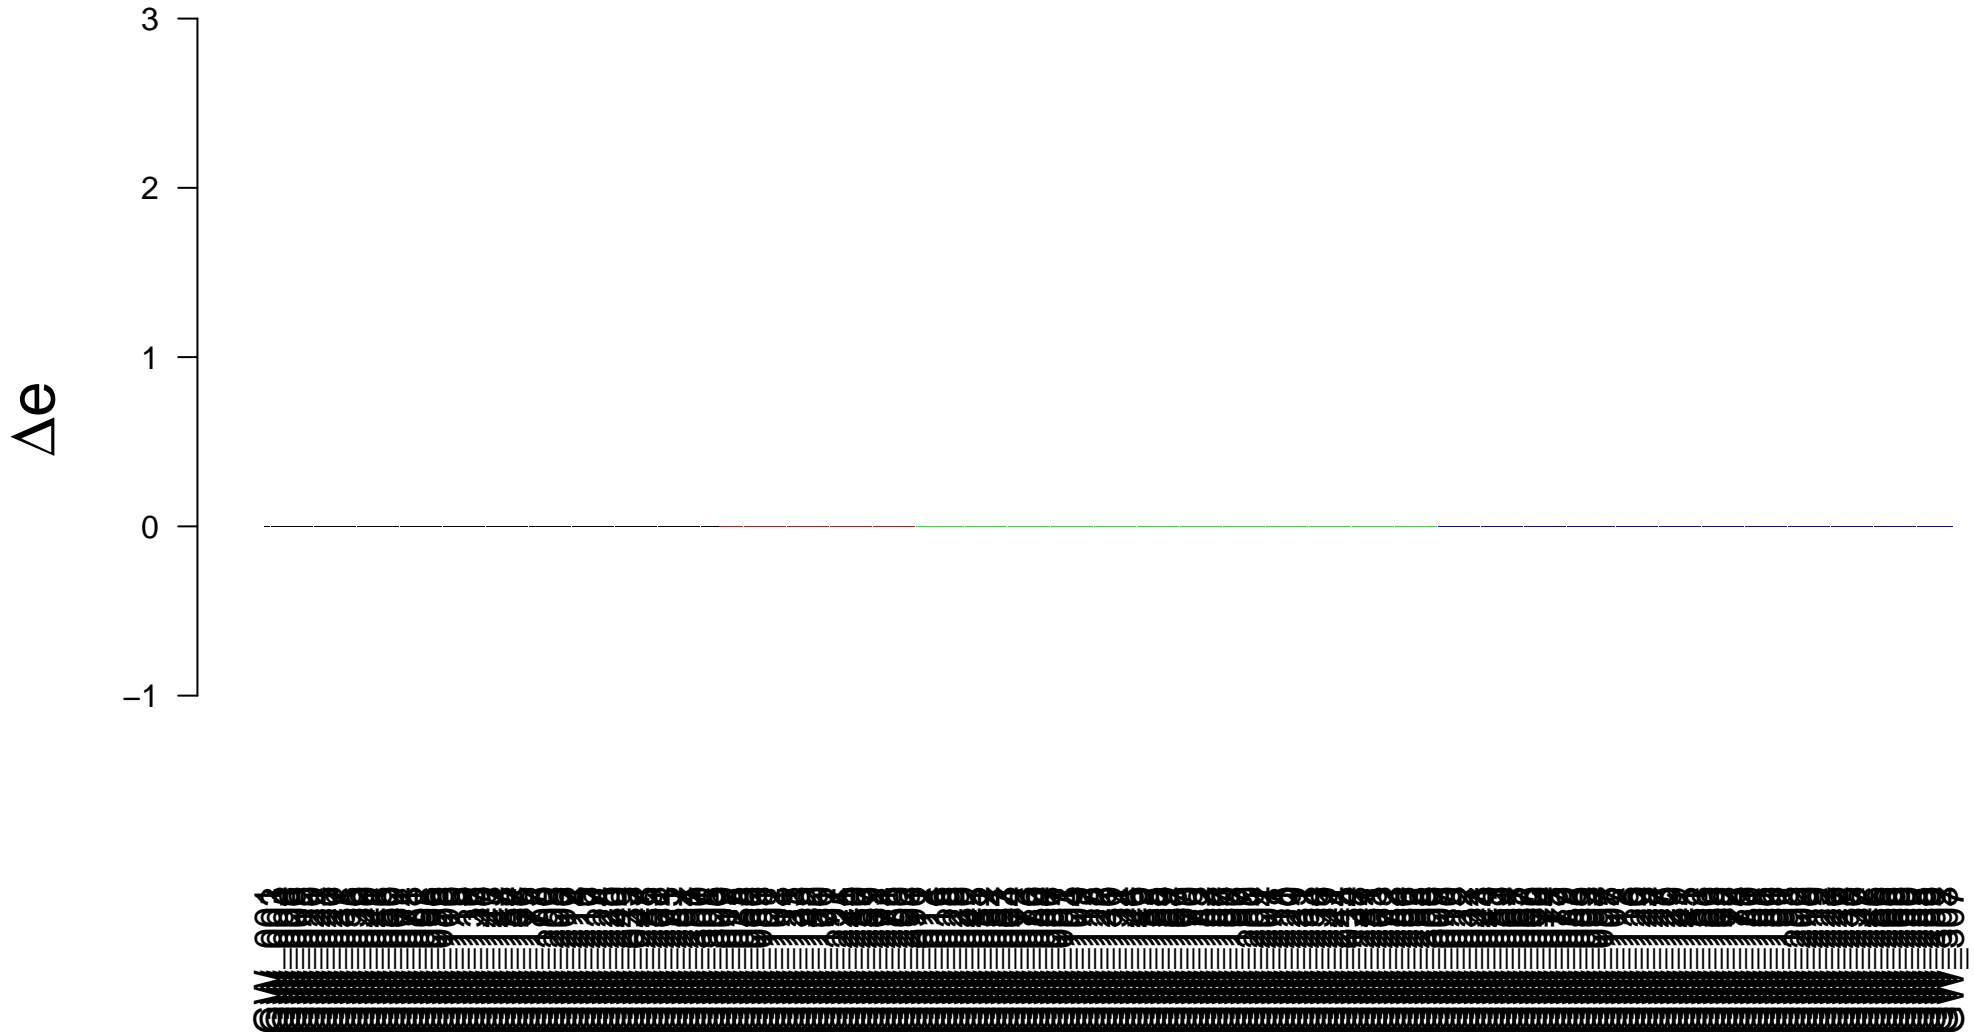

# Expression of positive regulation of cell division in Spot E

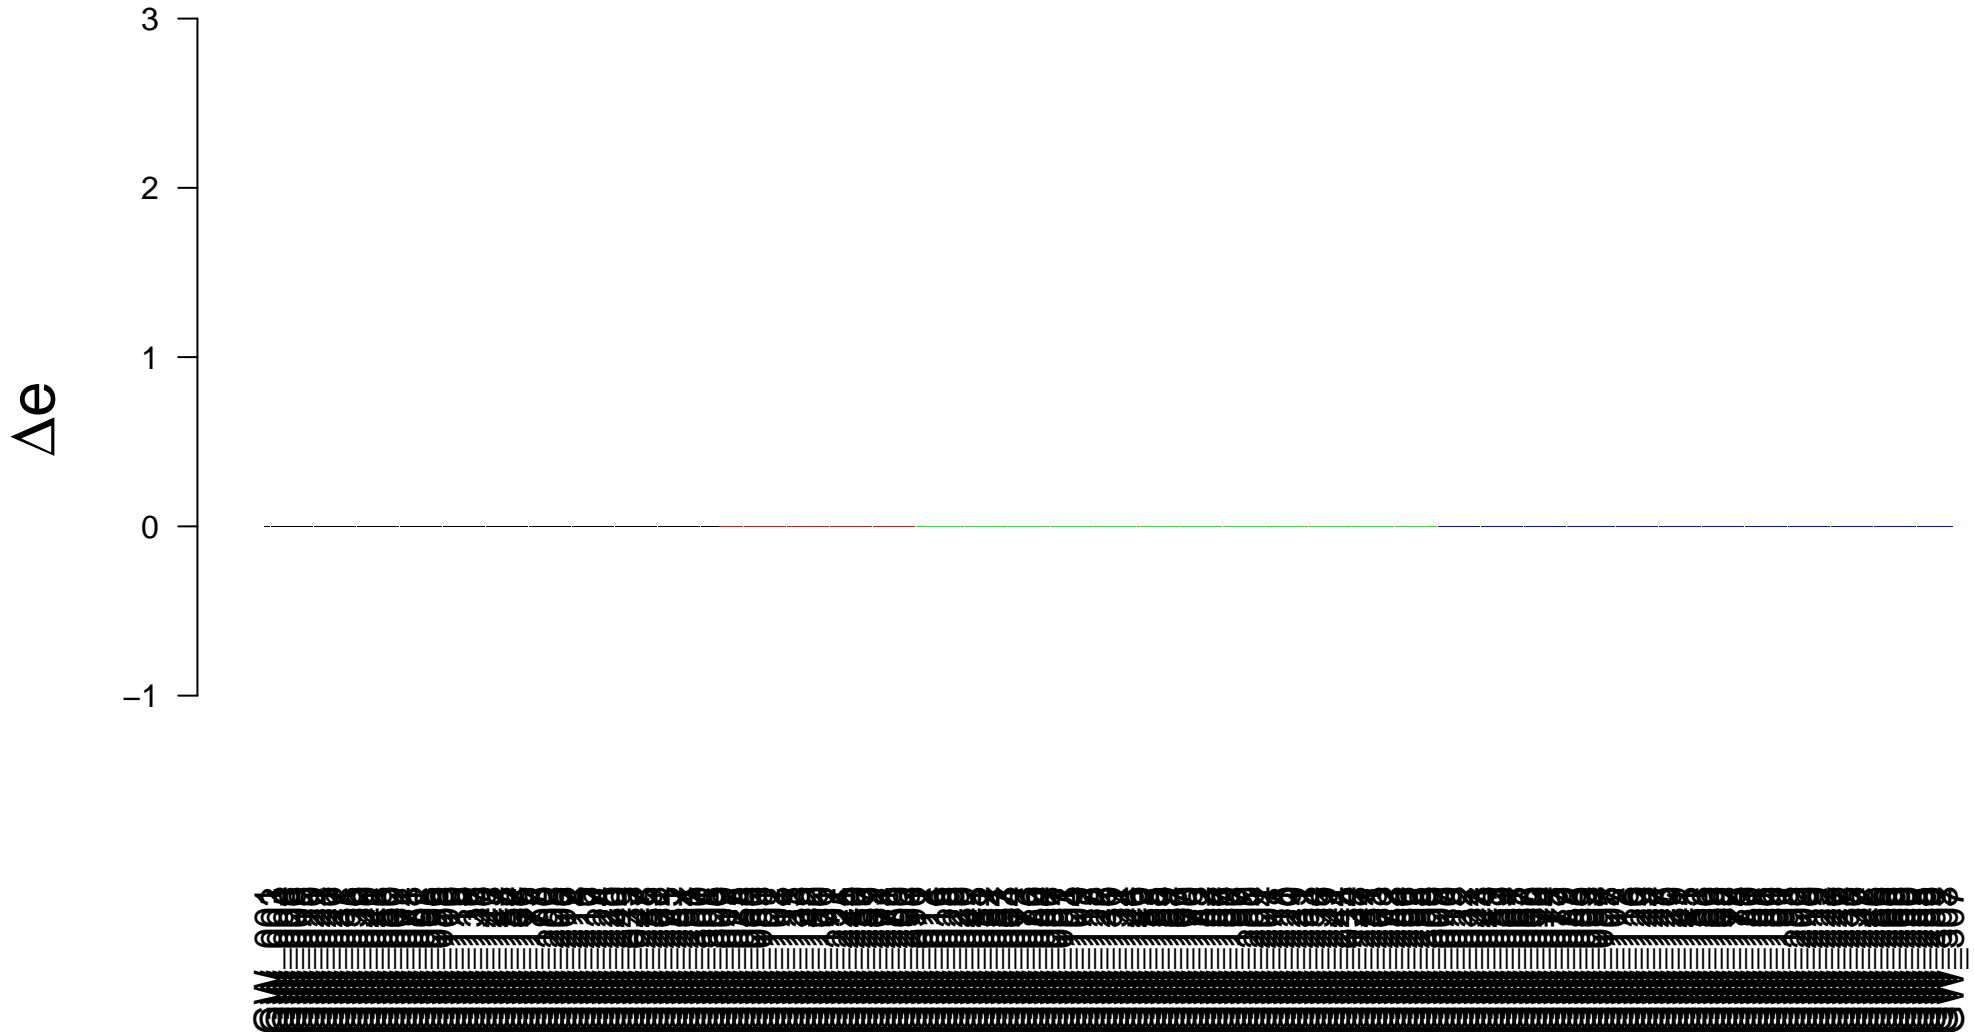

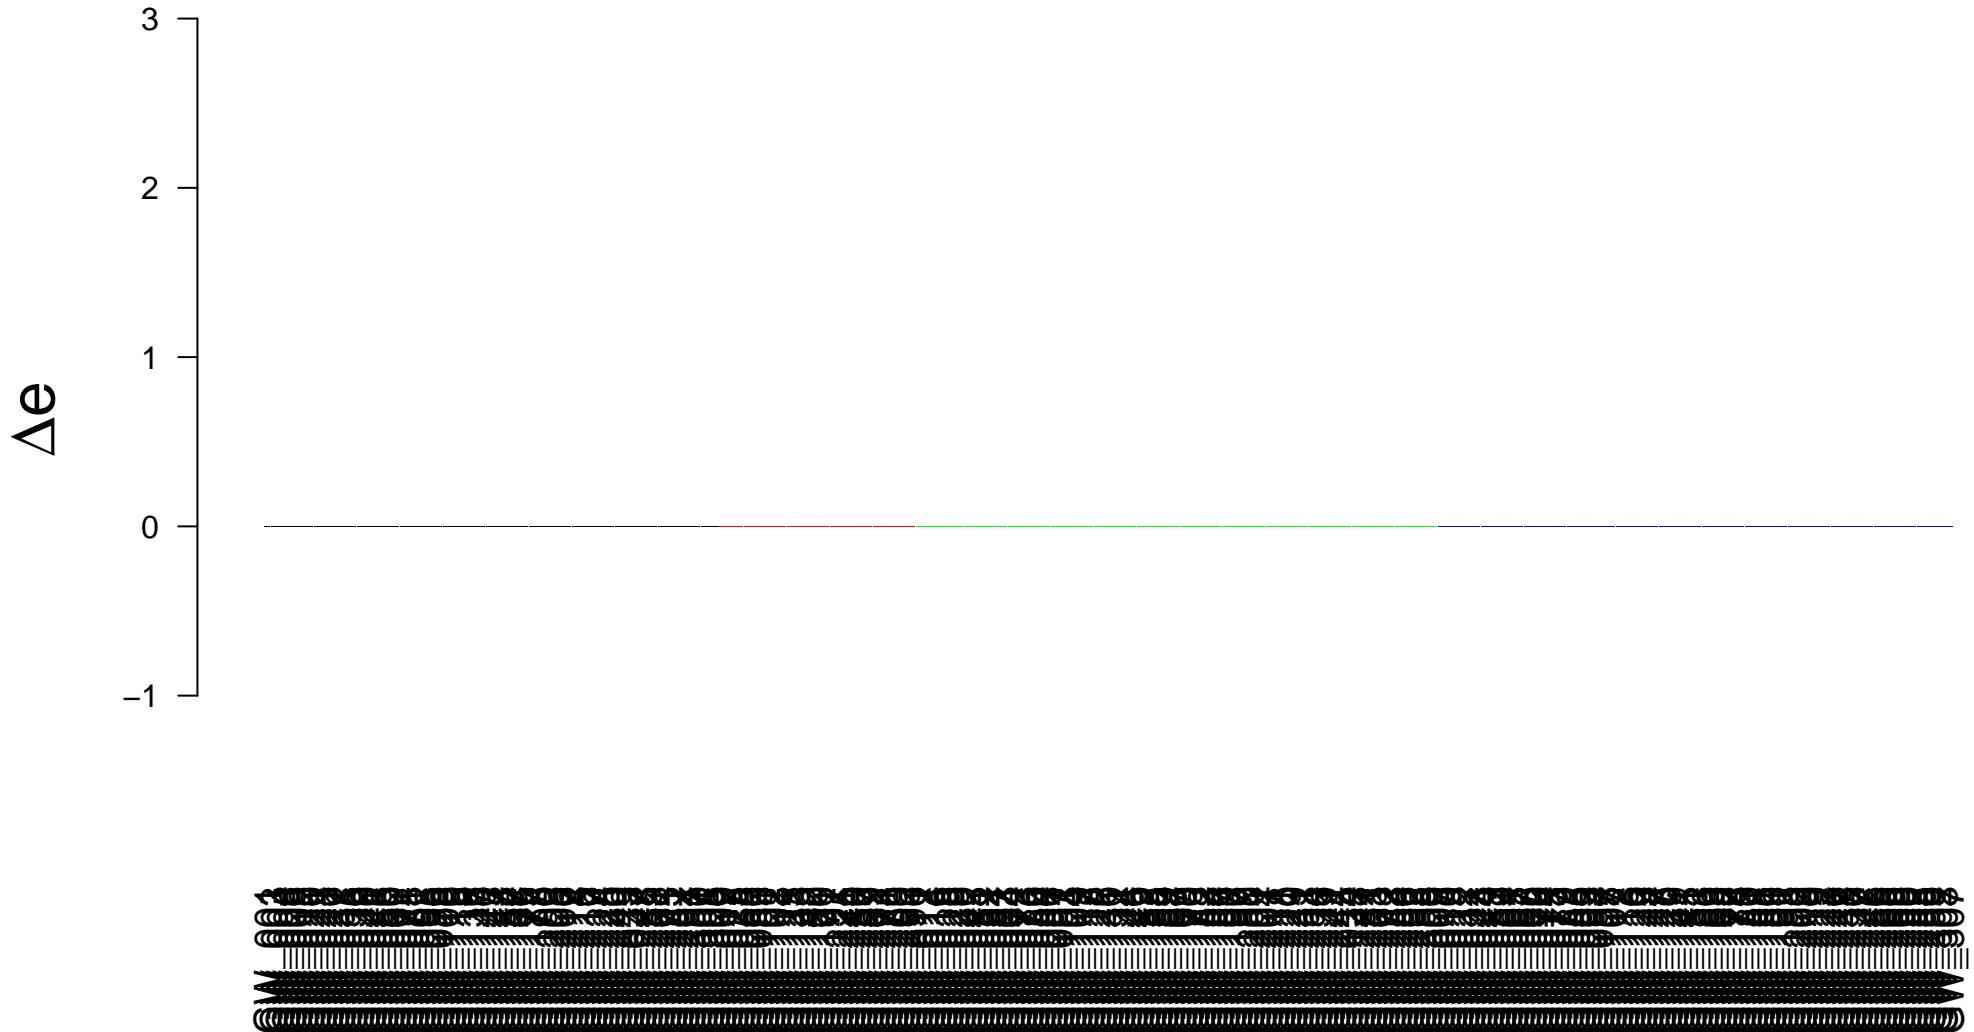

# Expression of positive regulation of cell division in Spot F

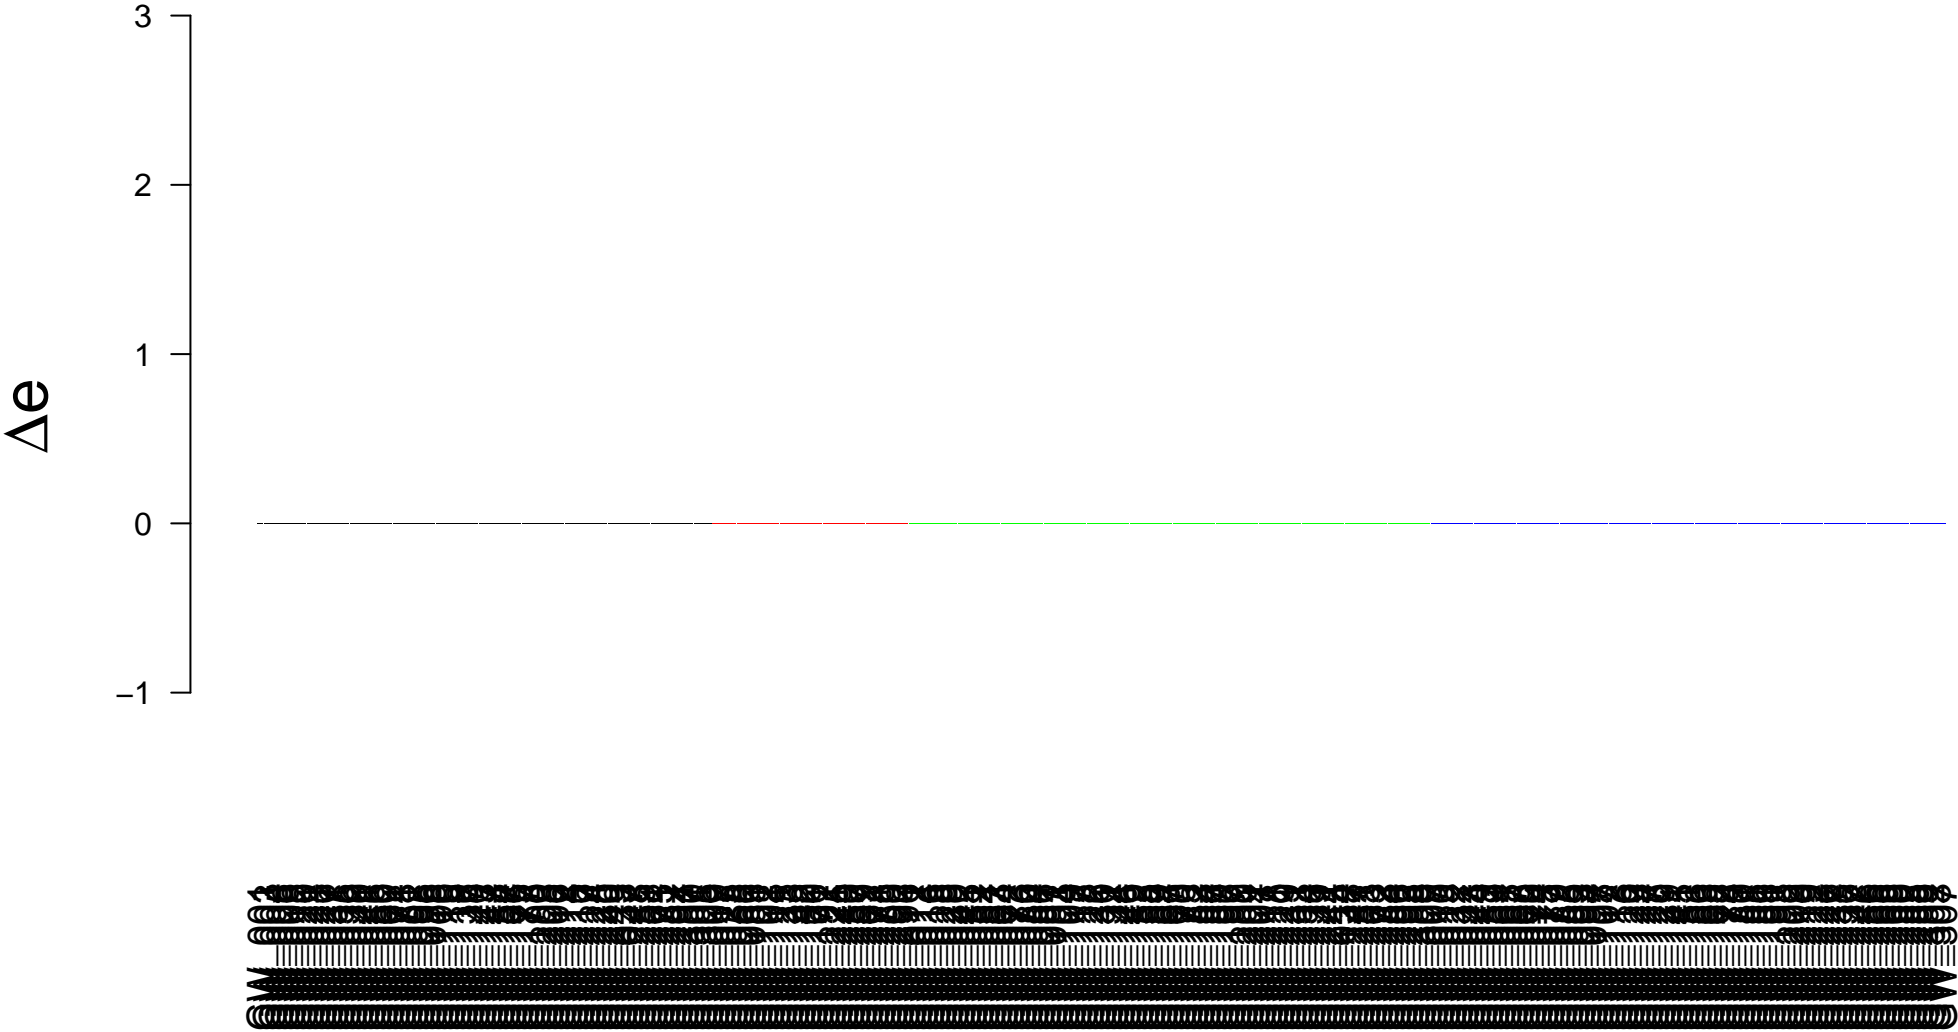

# Expression of positive regulation of cell division in Spot G

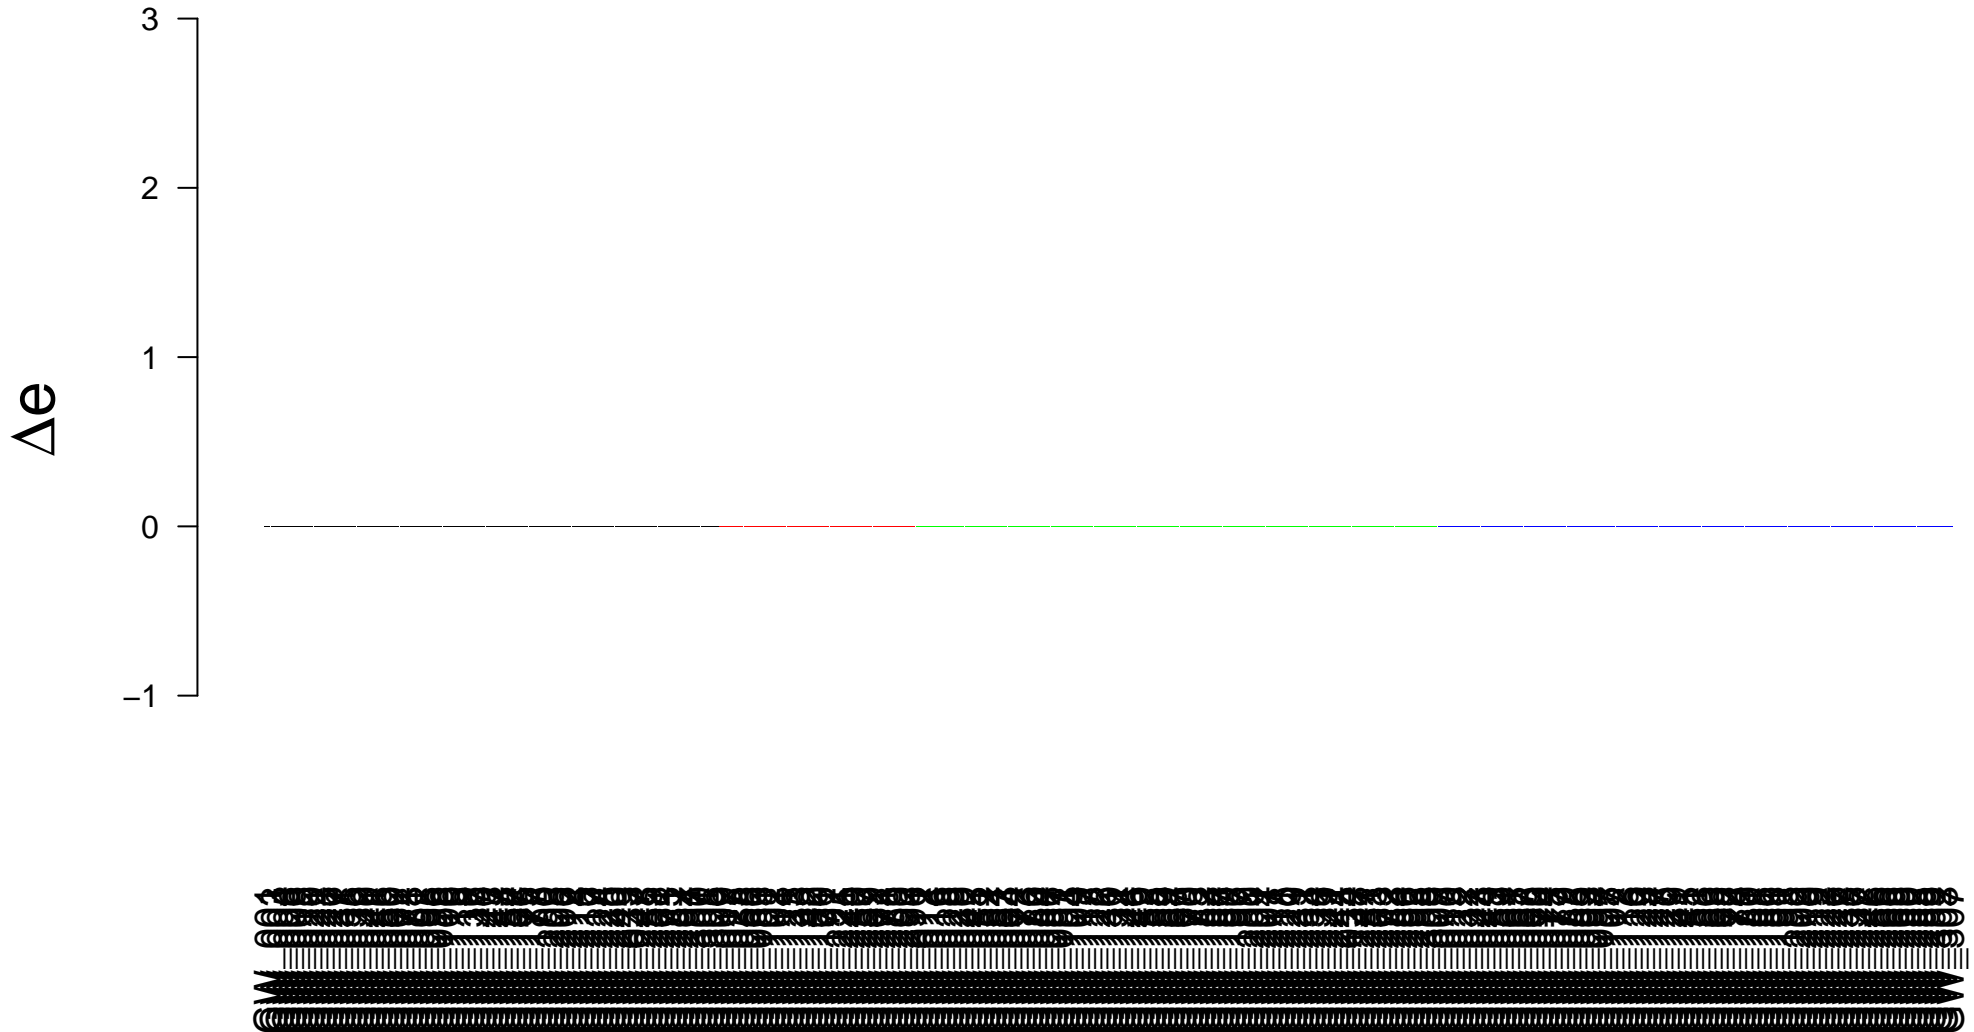

# Expression of positive regulation of cell division in Spot H

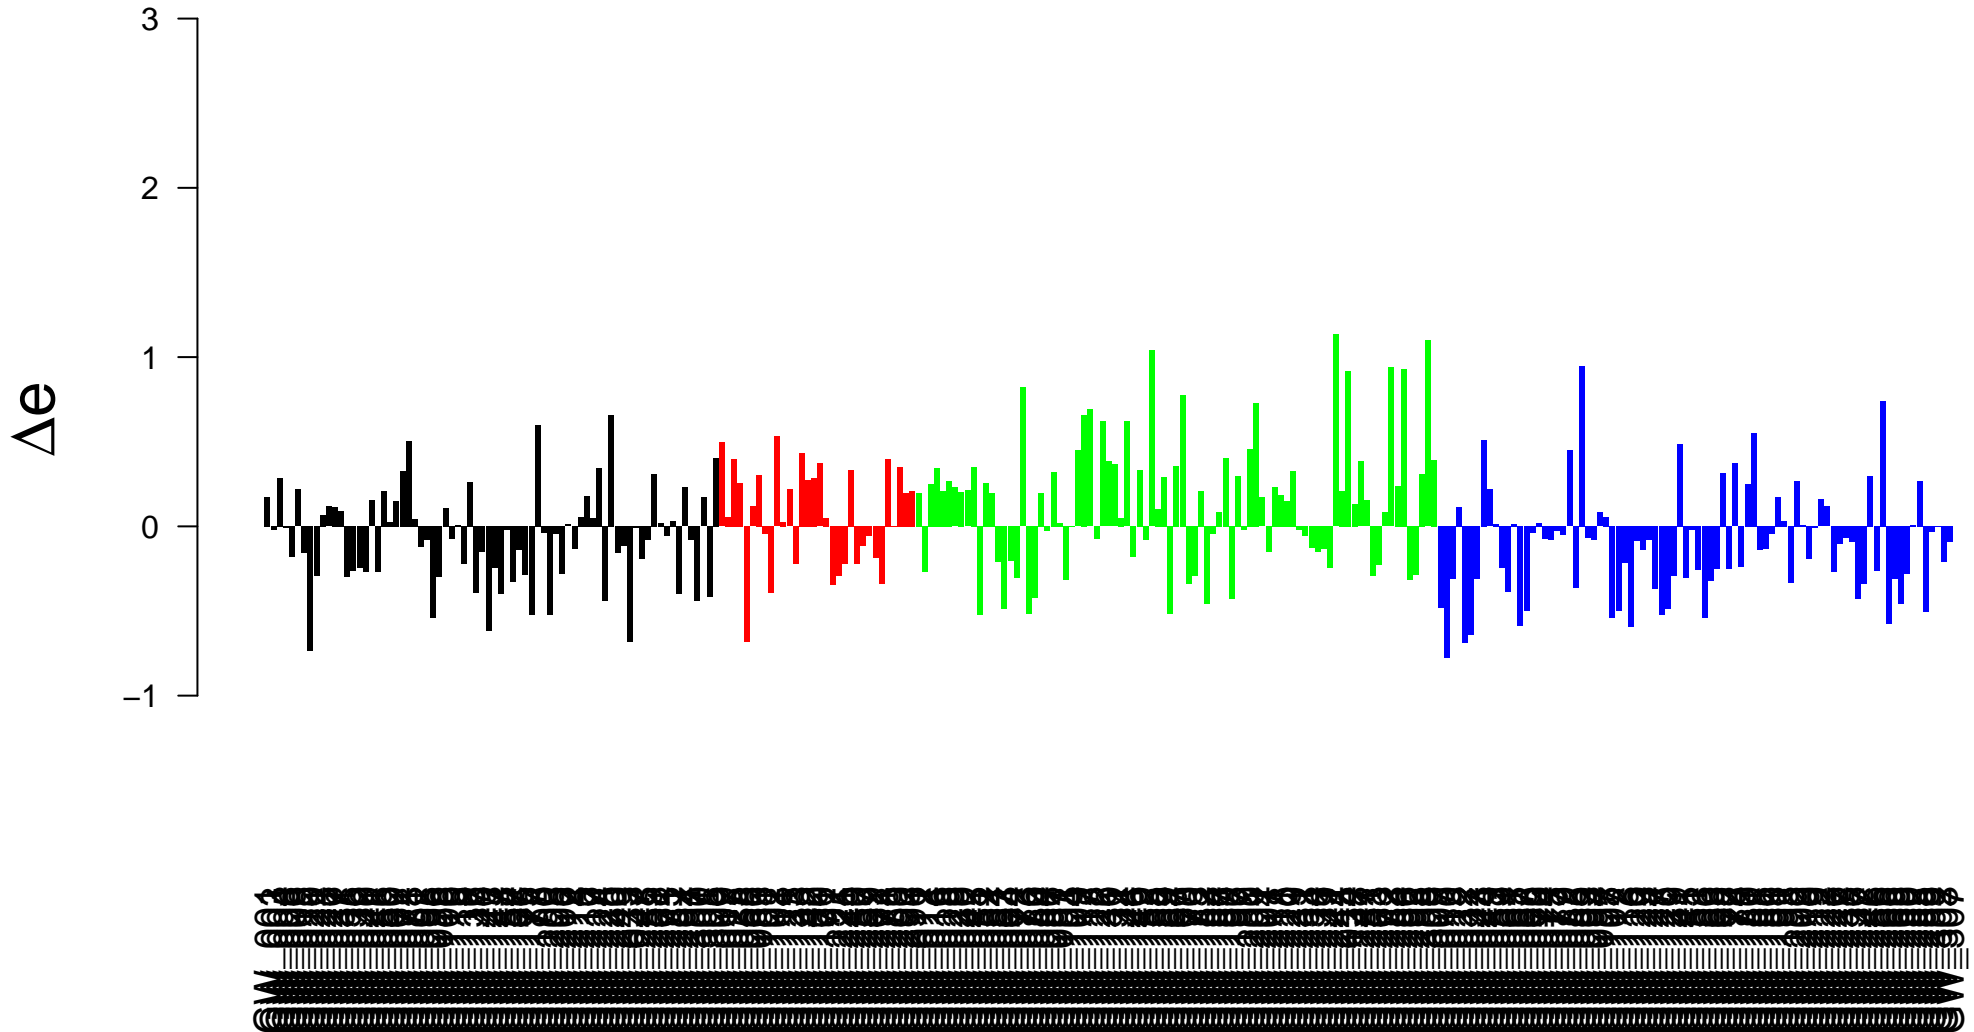

Expression of positive regulation of cell division in Spot I

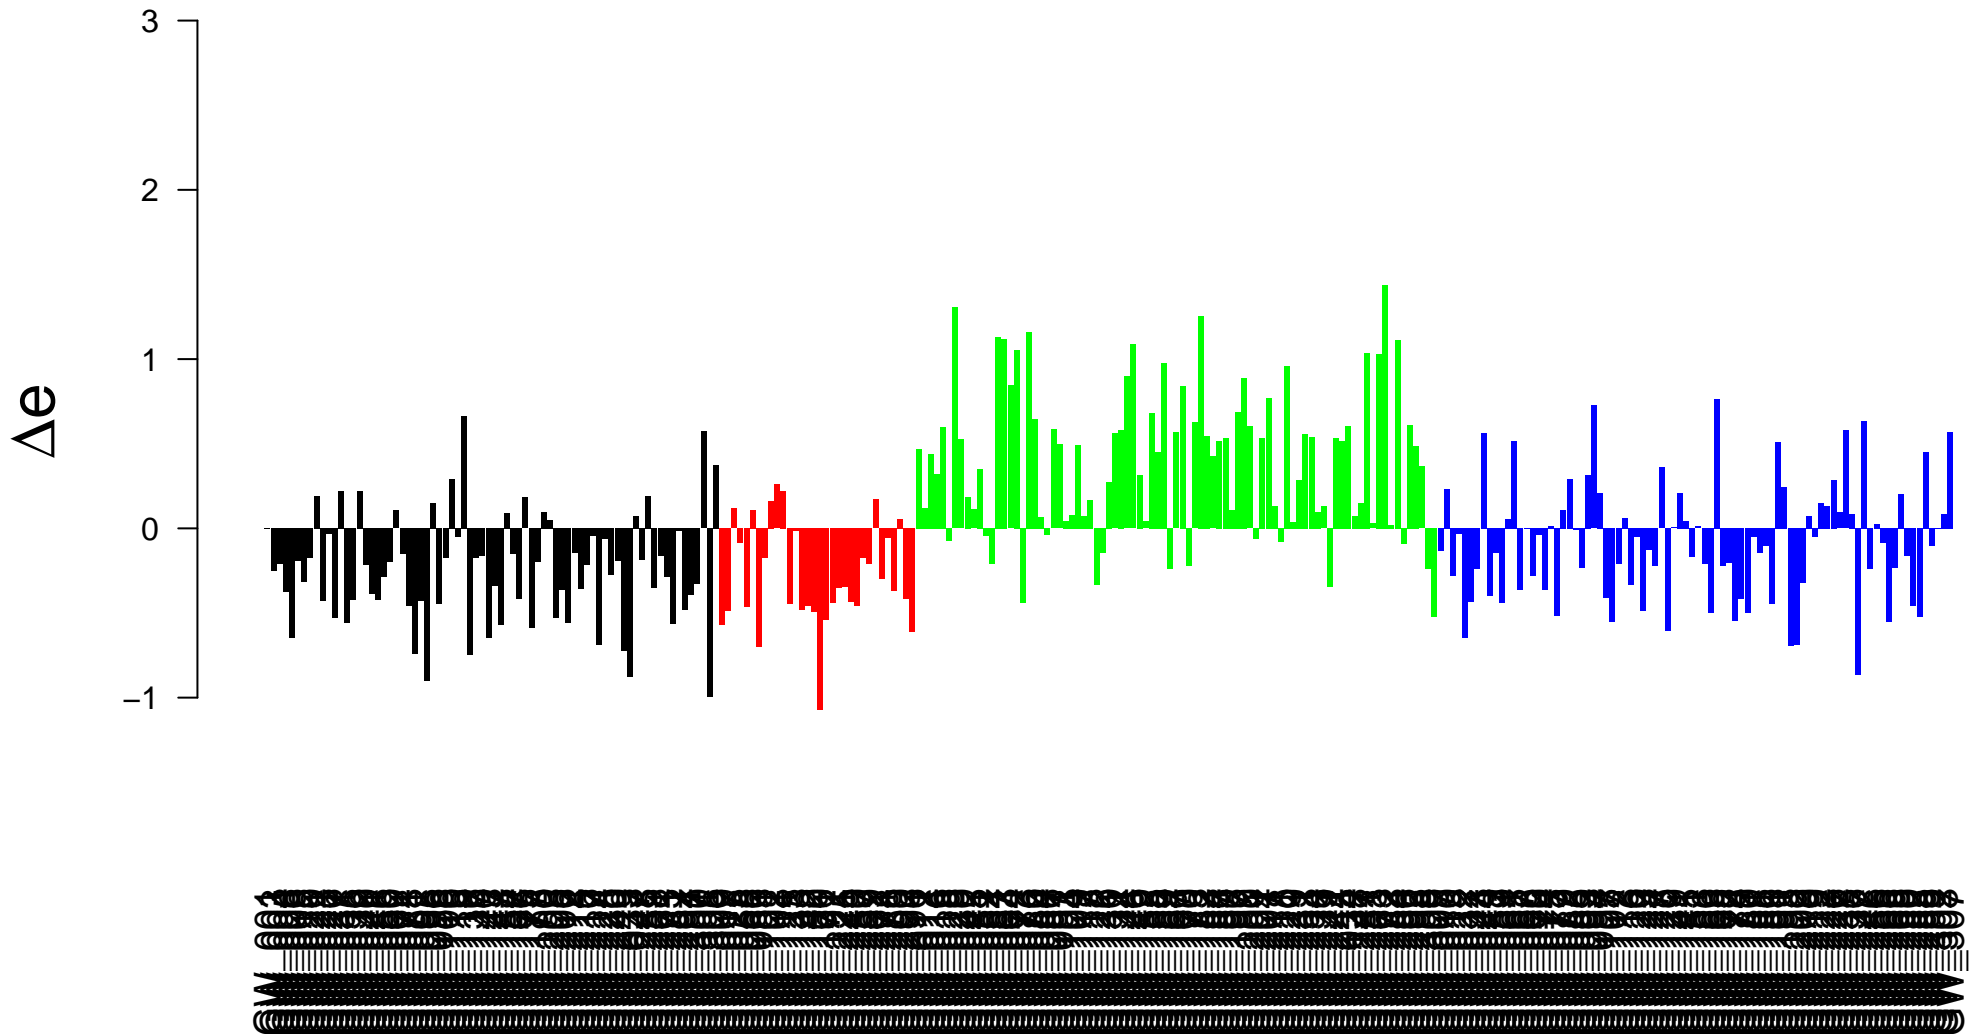

# Expression of positive regulation of cell division in Spot J

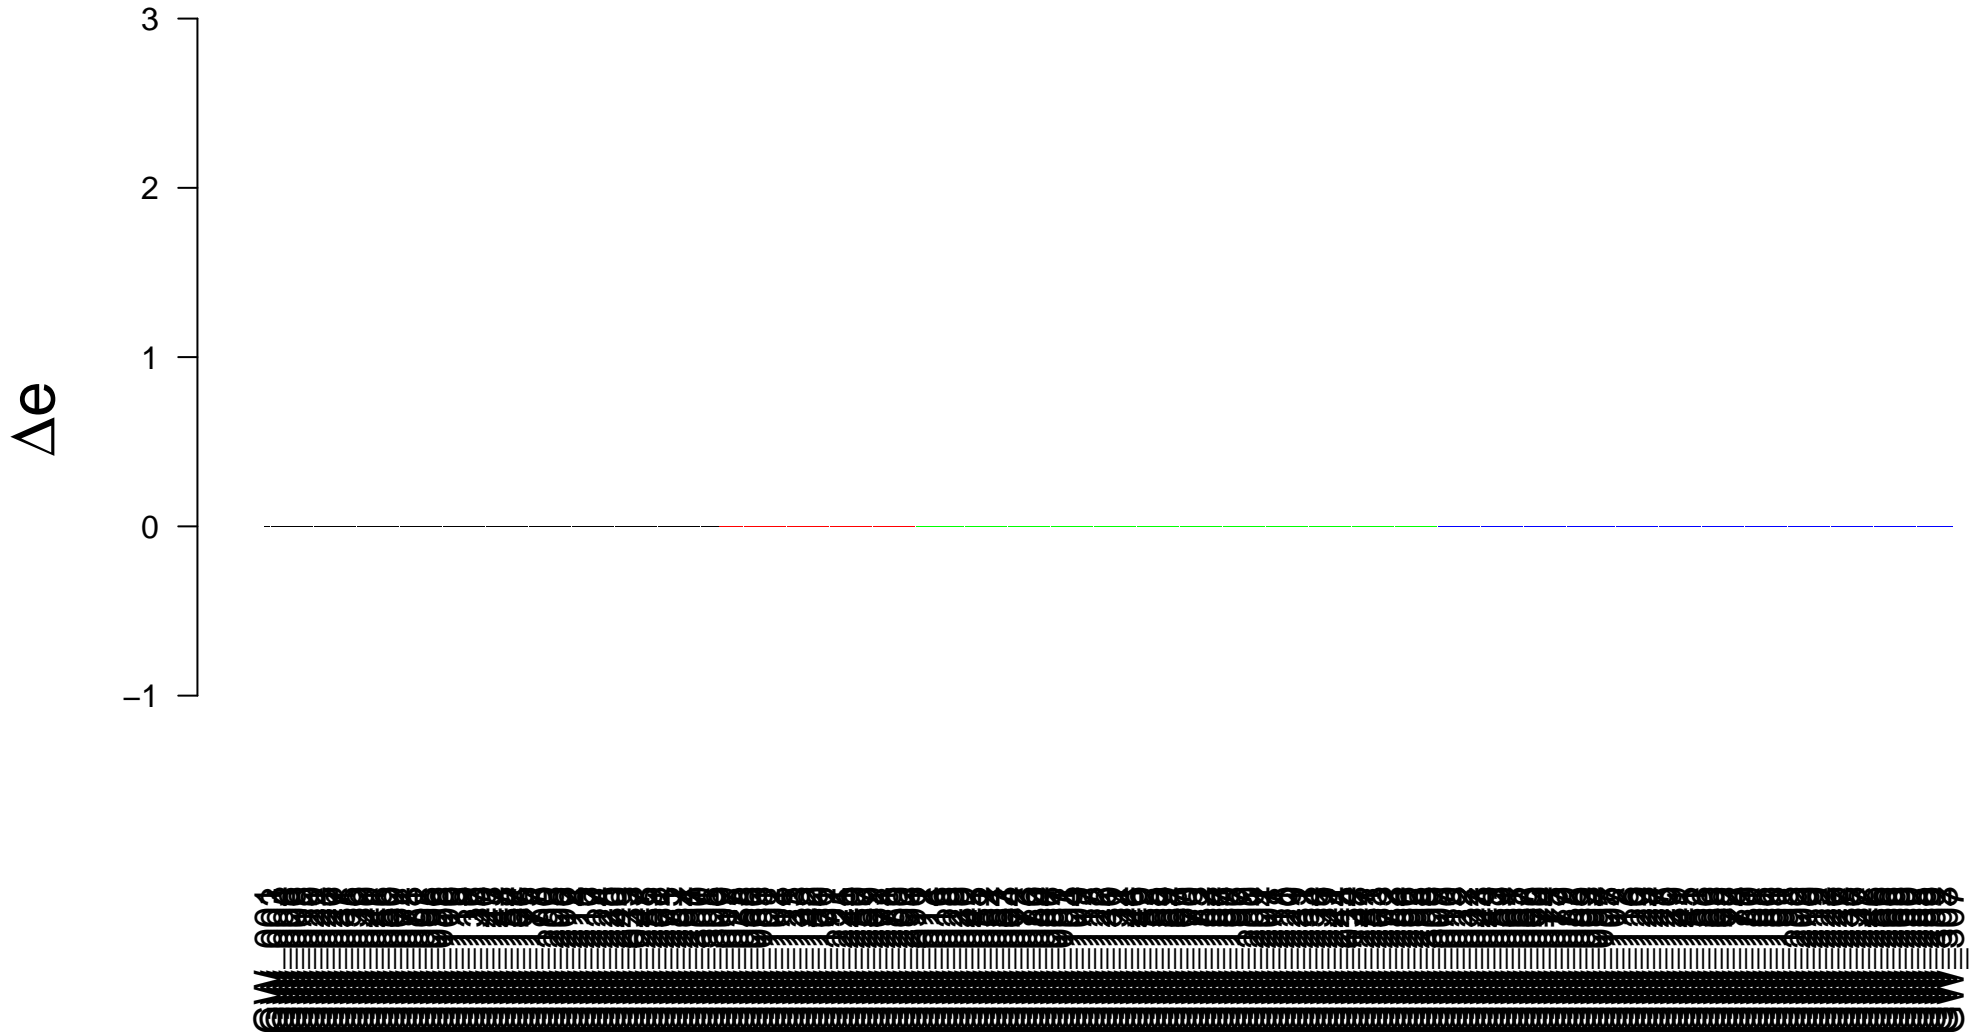

# Expression of positive regulation of cell division in Spot K

# Expression of positive regulation of cell division in Spot L

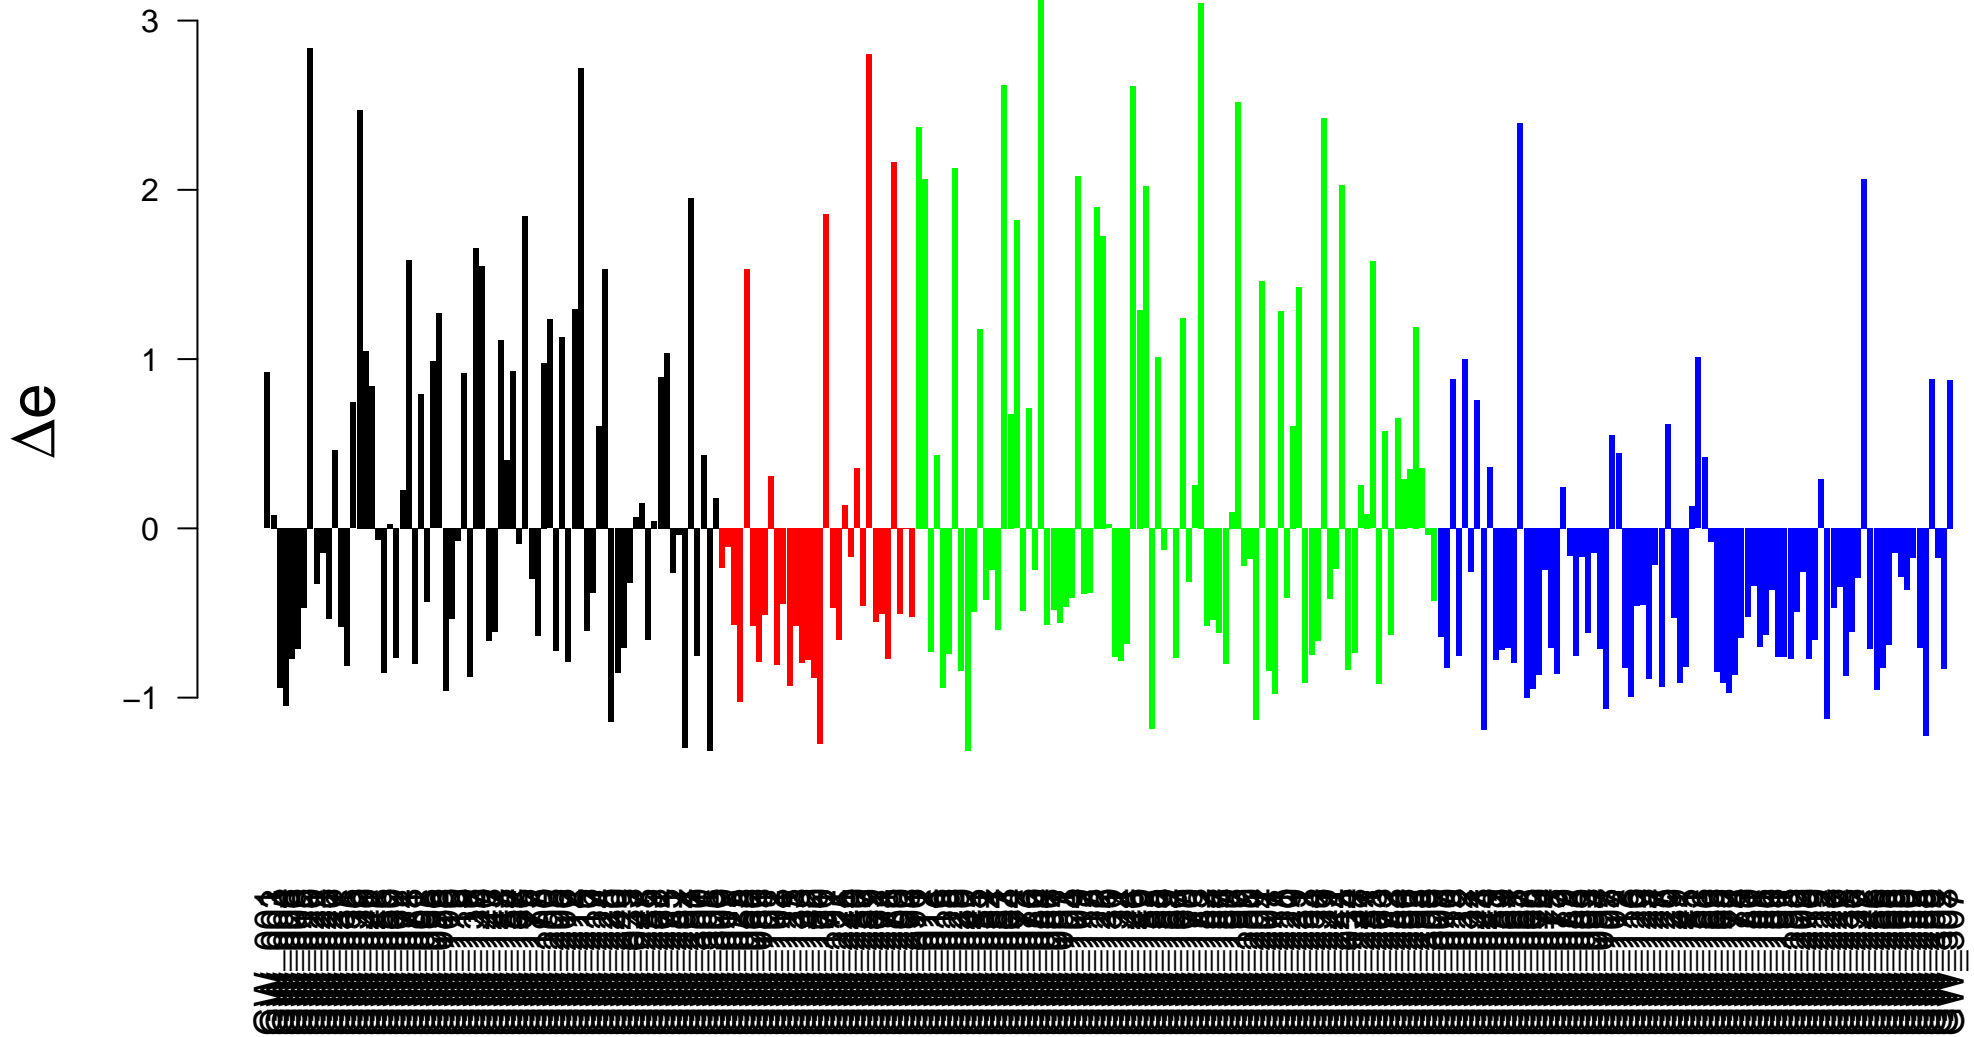

# Expression of positive regulation of cell division in Spot M

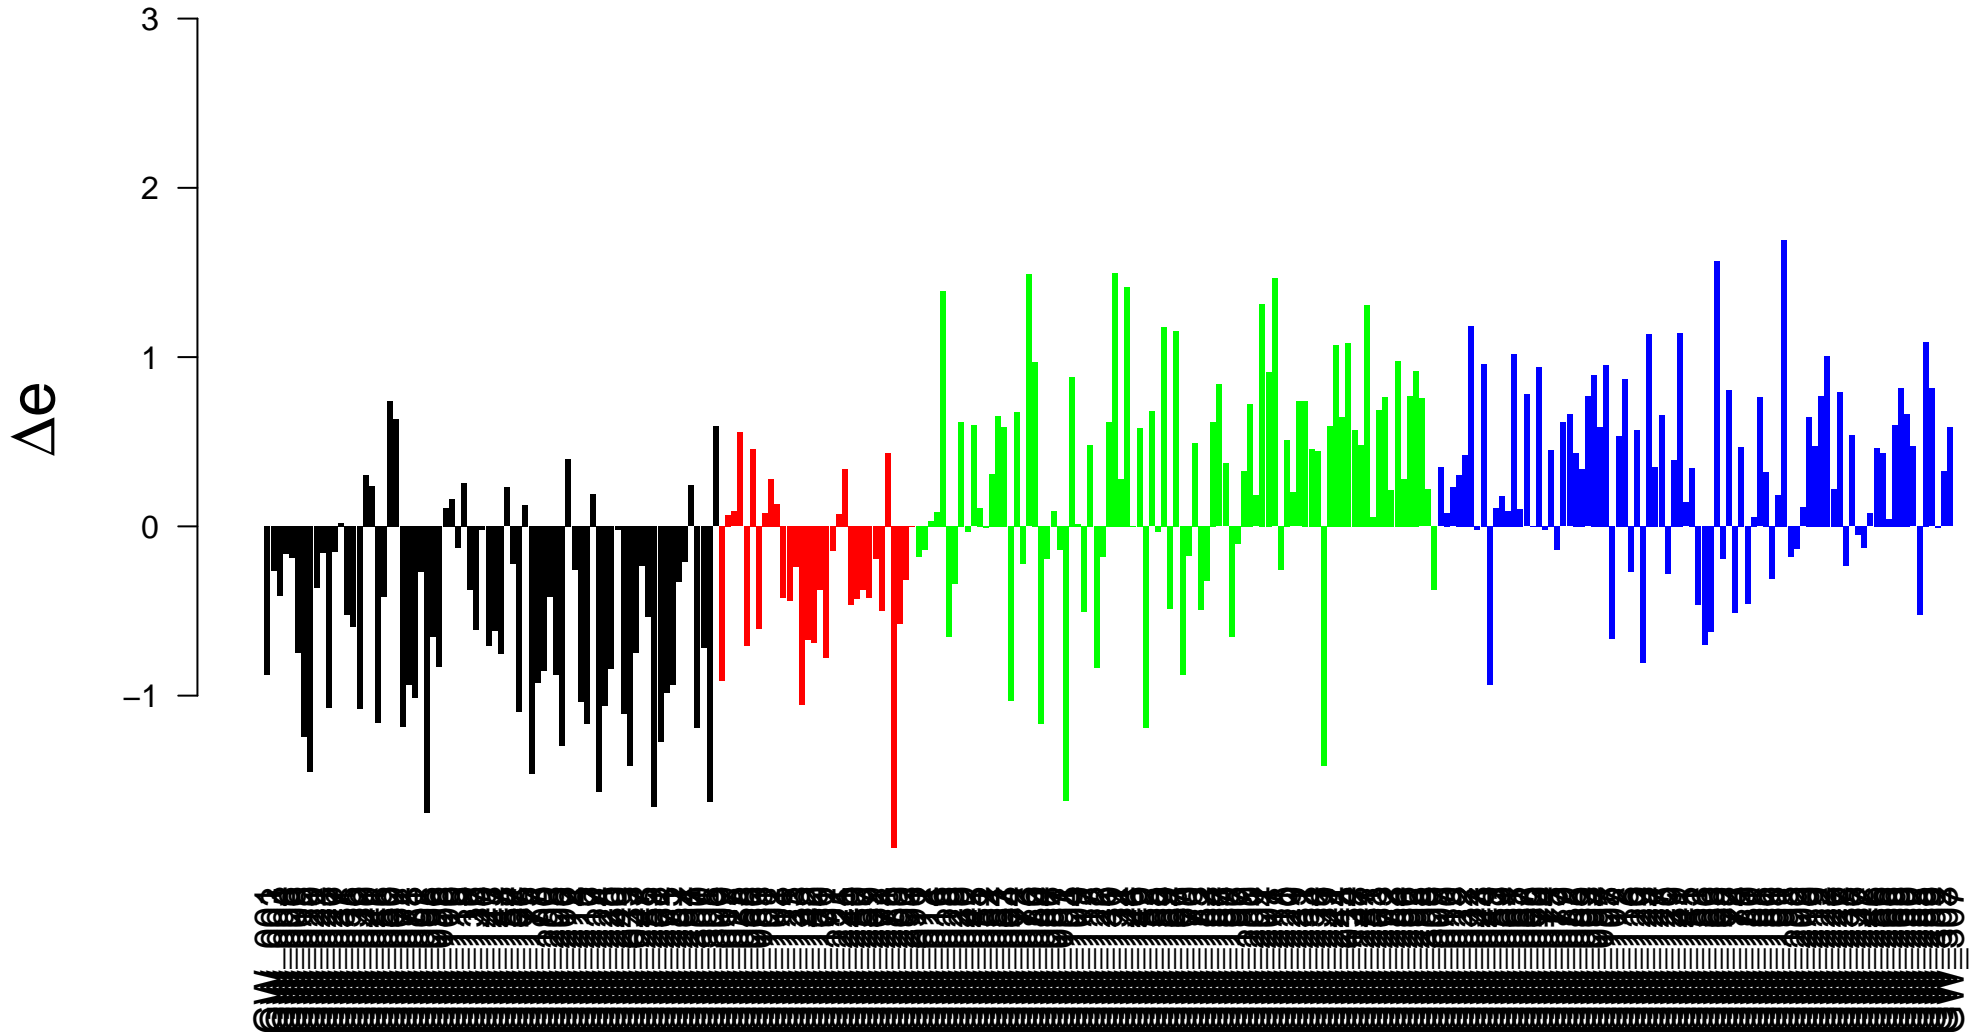

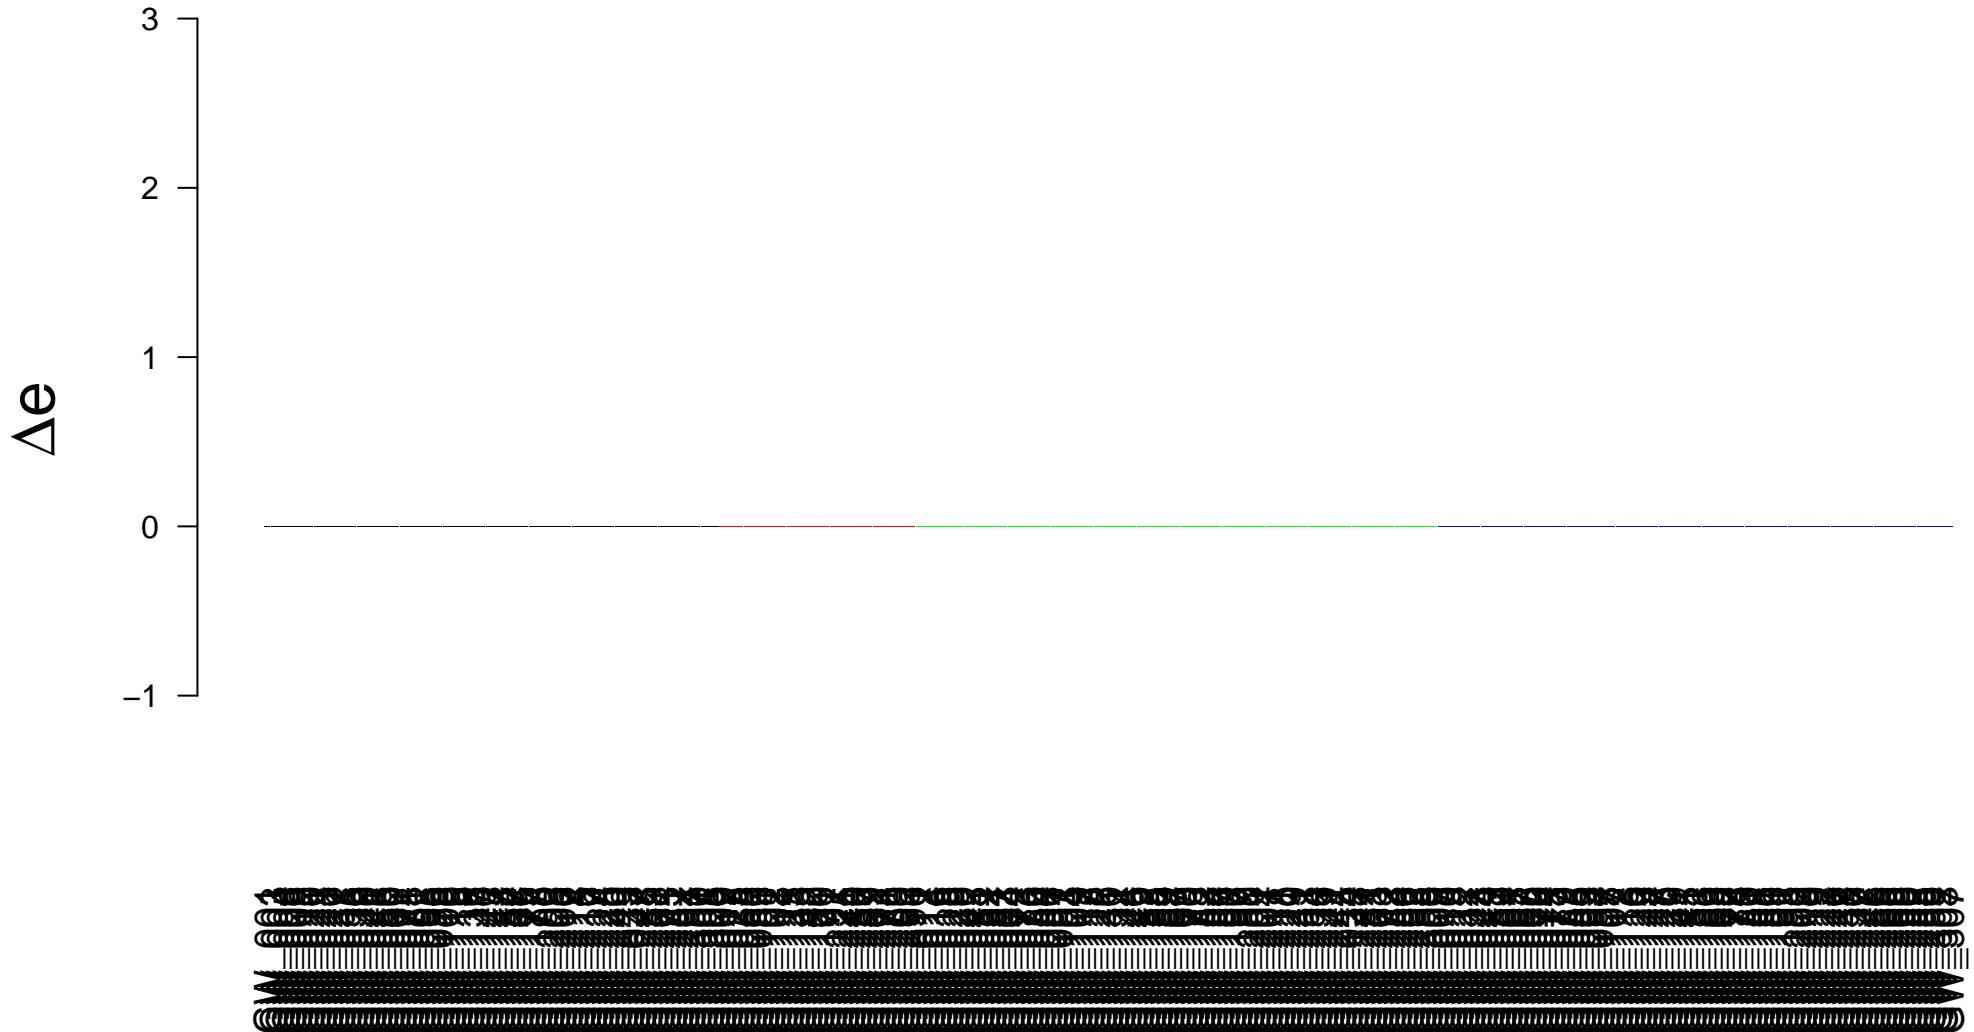

# Expression of positive regulation of cell division in Spot N

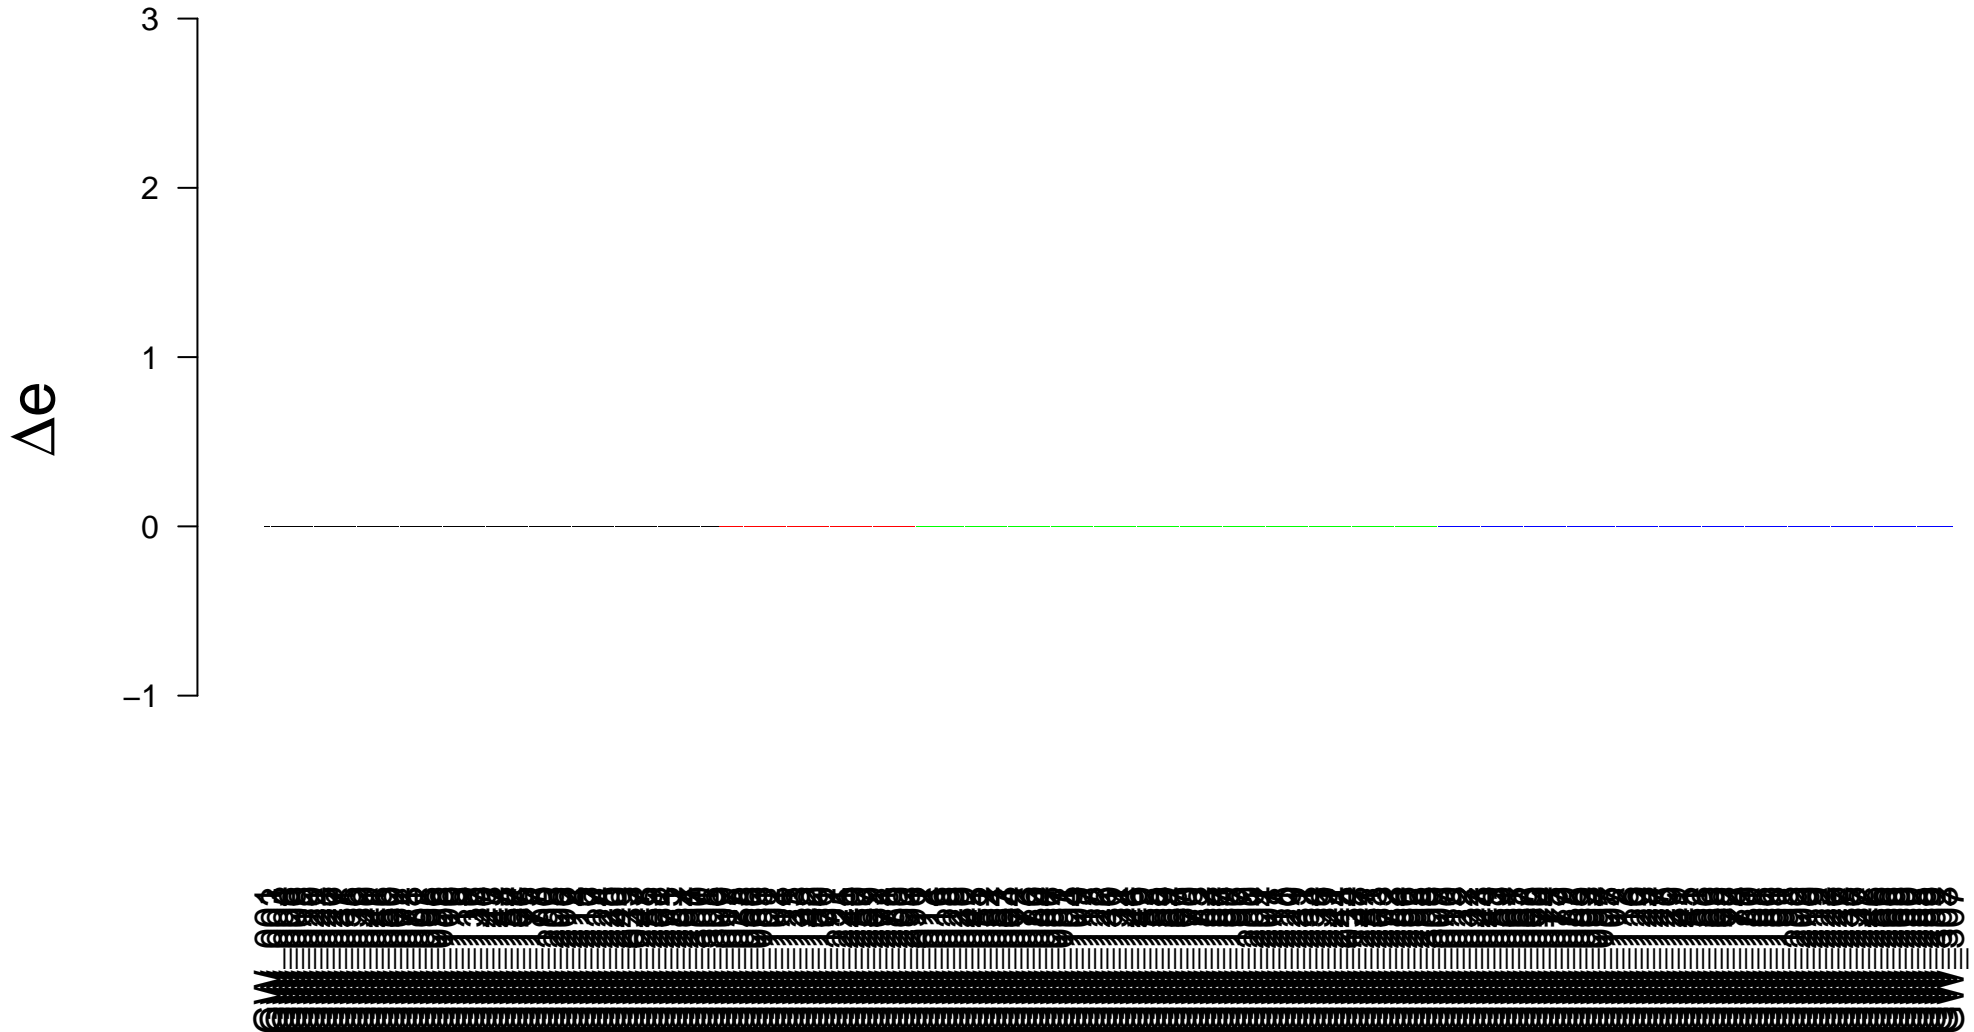

# Expression of positive regulation of cell division in Spot O

# Expression of positive regulation of cell division in Spot P

# Expression of positive regulation of cell division in Spot Q

# Expression of positive regulation of cell division in Spot R

$\Delta e$
