

positive regulation of cellular metabolic process

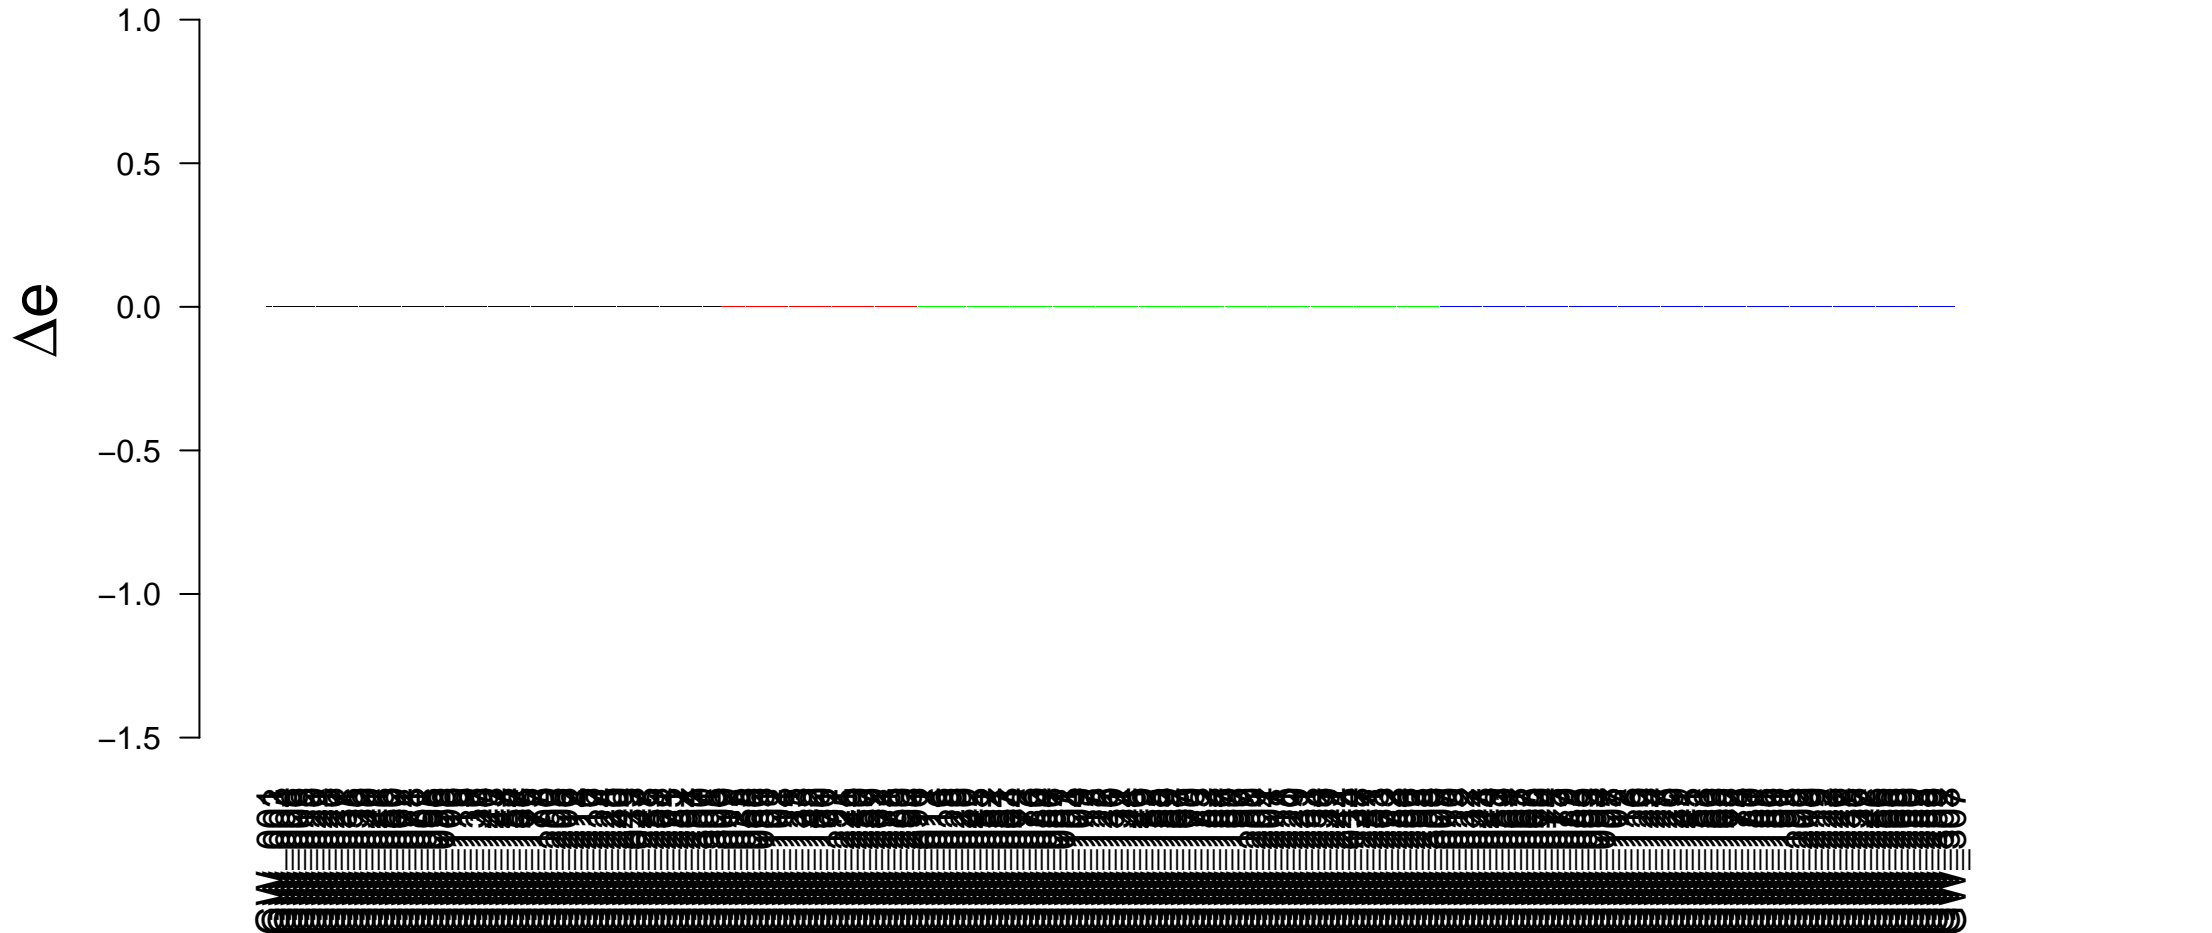

Enrichment in spots: positive regulation of cellular metabolic process

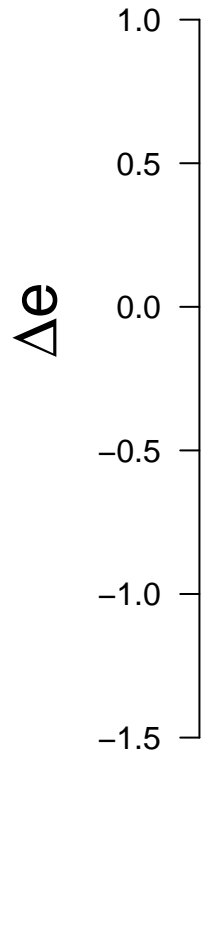

Expression of positive regulation of cellular metabolic process in Spot A

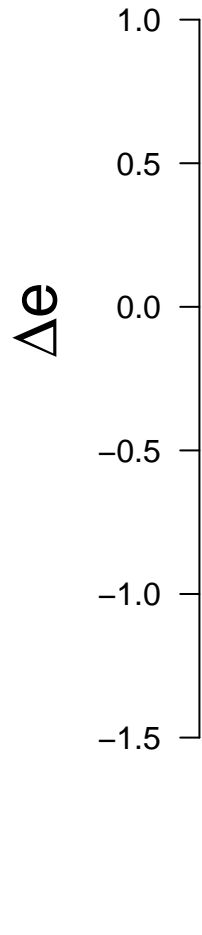

Expression of positive regulation of cellular metabolic process in Spot B

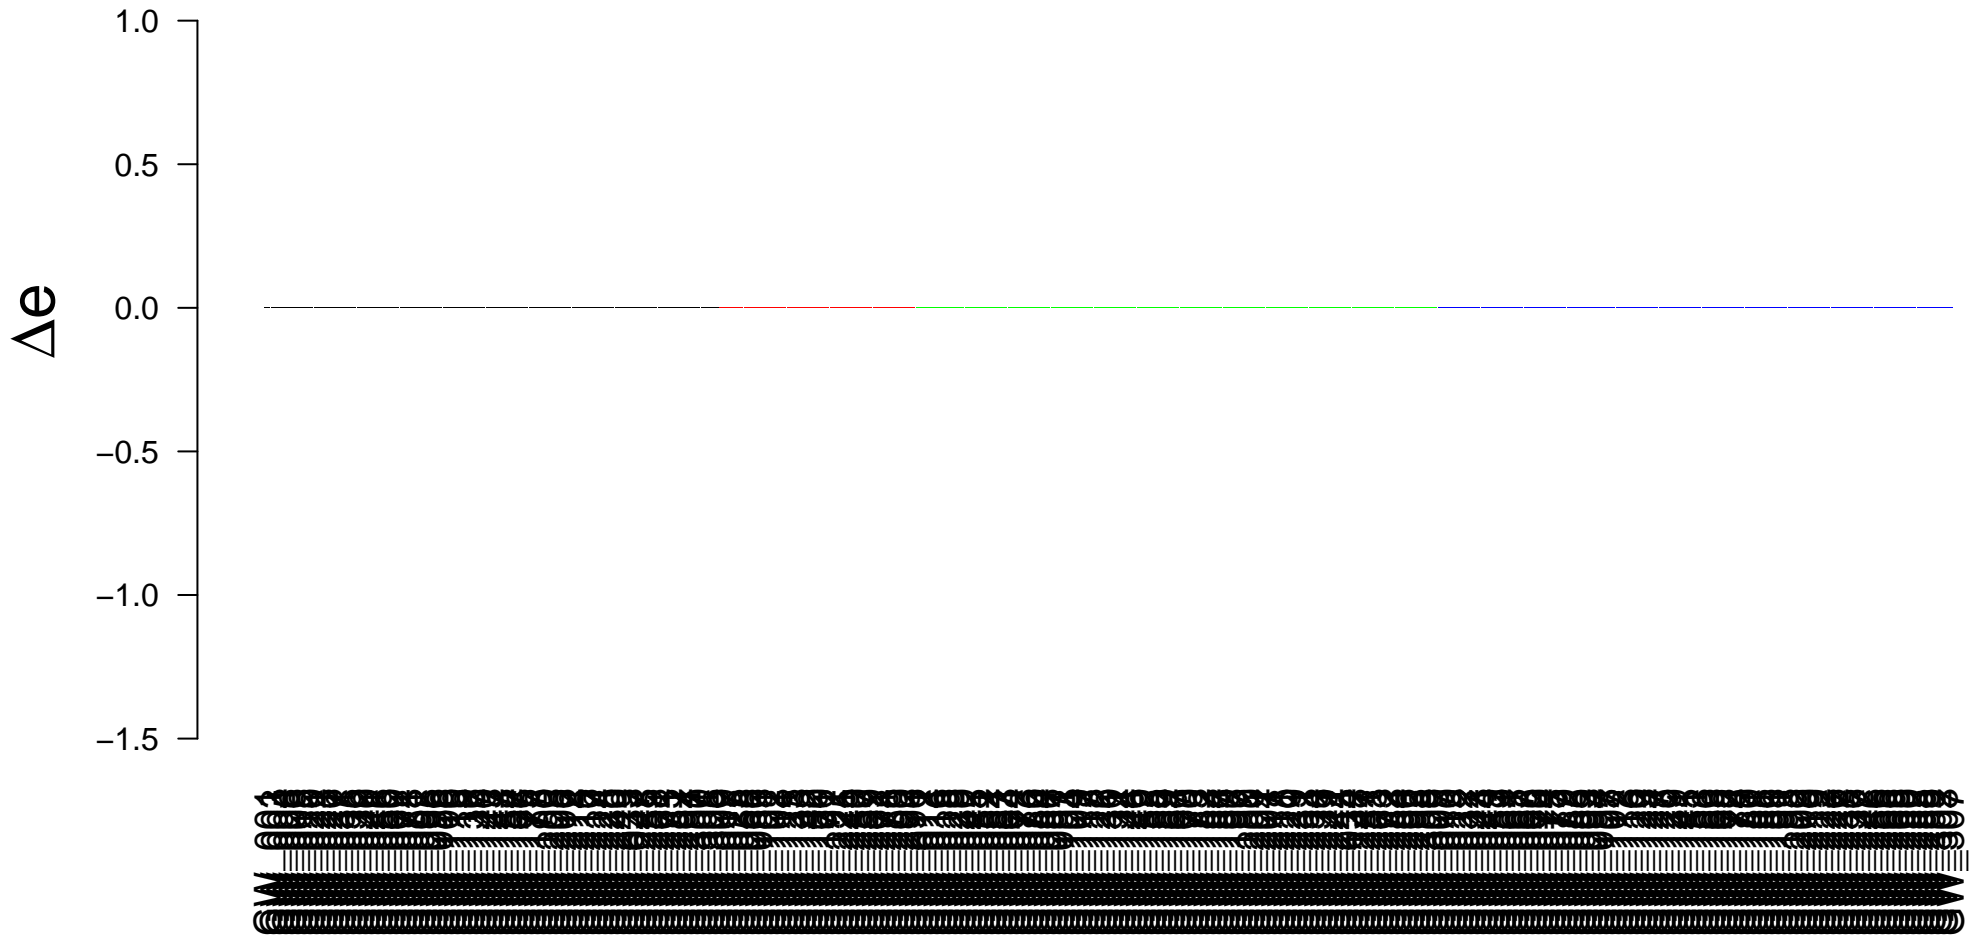

Expression of positive regulation of cellular metabolic process in Spot C

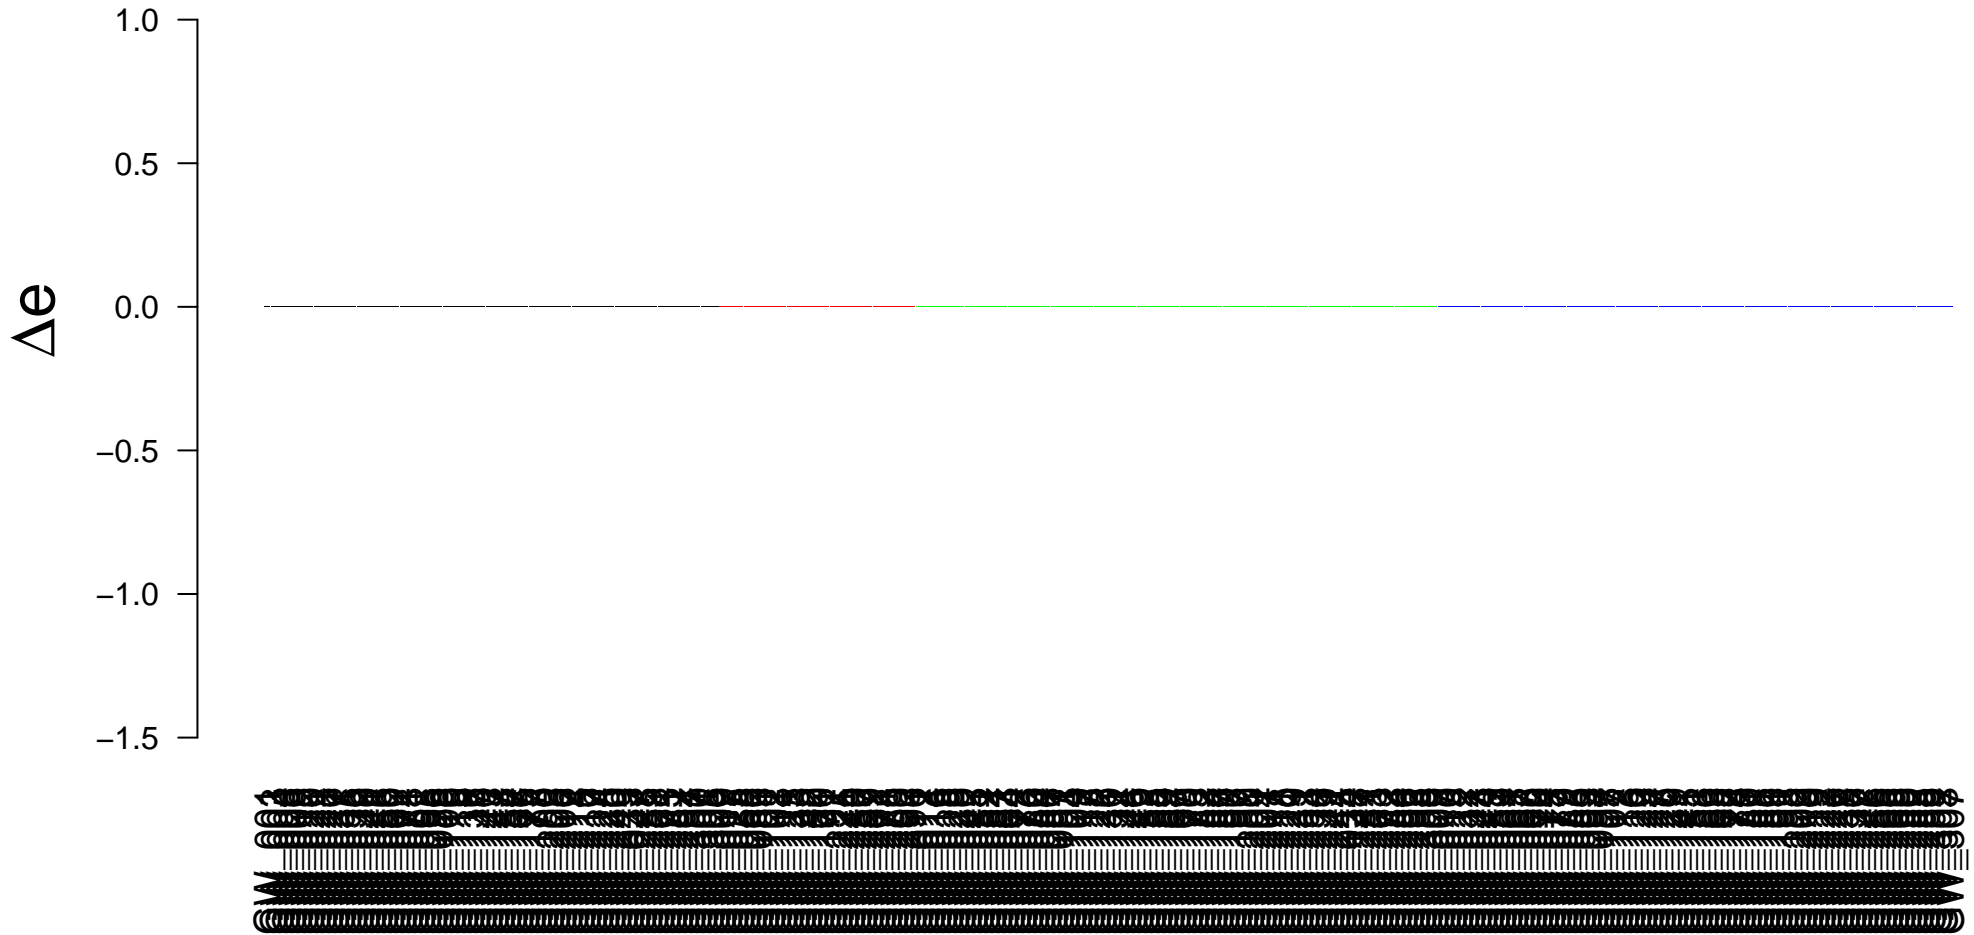

Expression of positive regulation of cellular metabolic process in Spot D

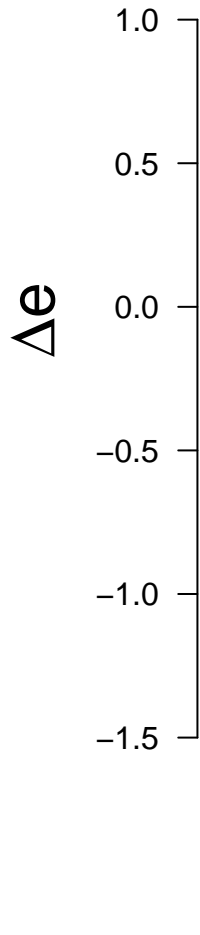

Expression of positive regulation of cellular metabolic process in Spot E

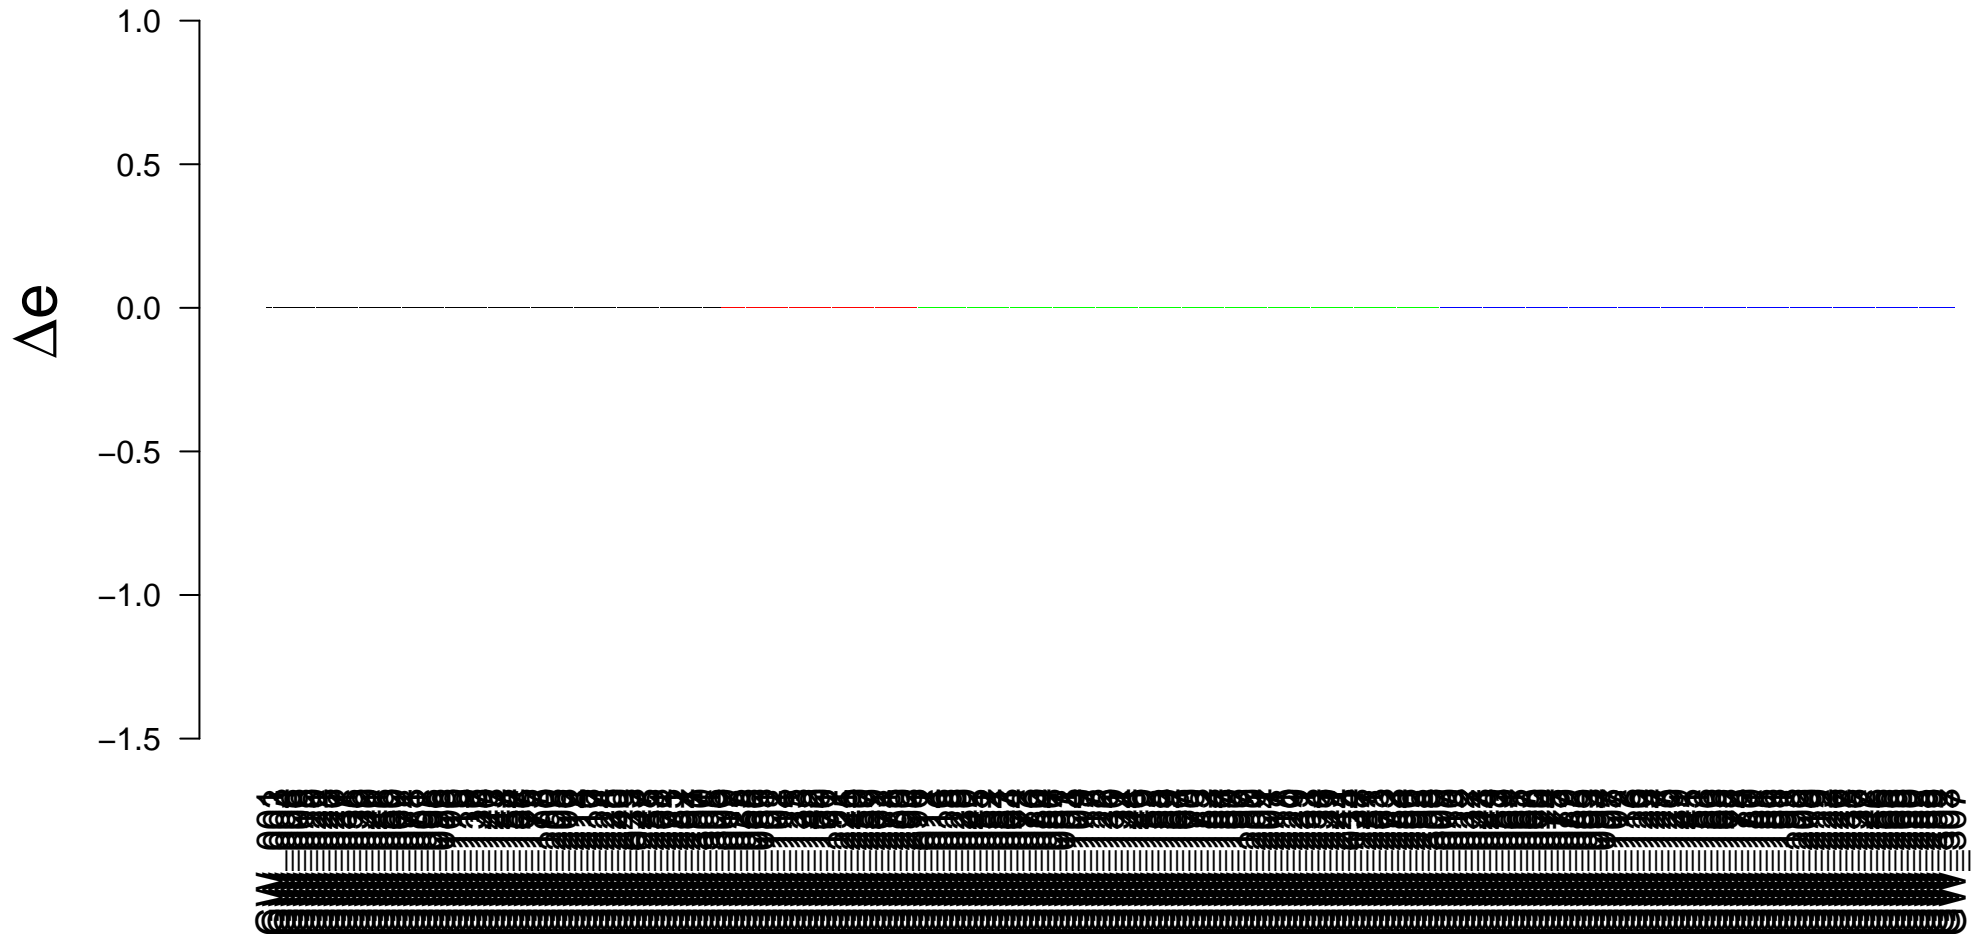

Expression of positive regulation of cellular metabolic process in Spot F

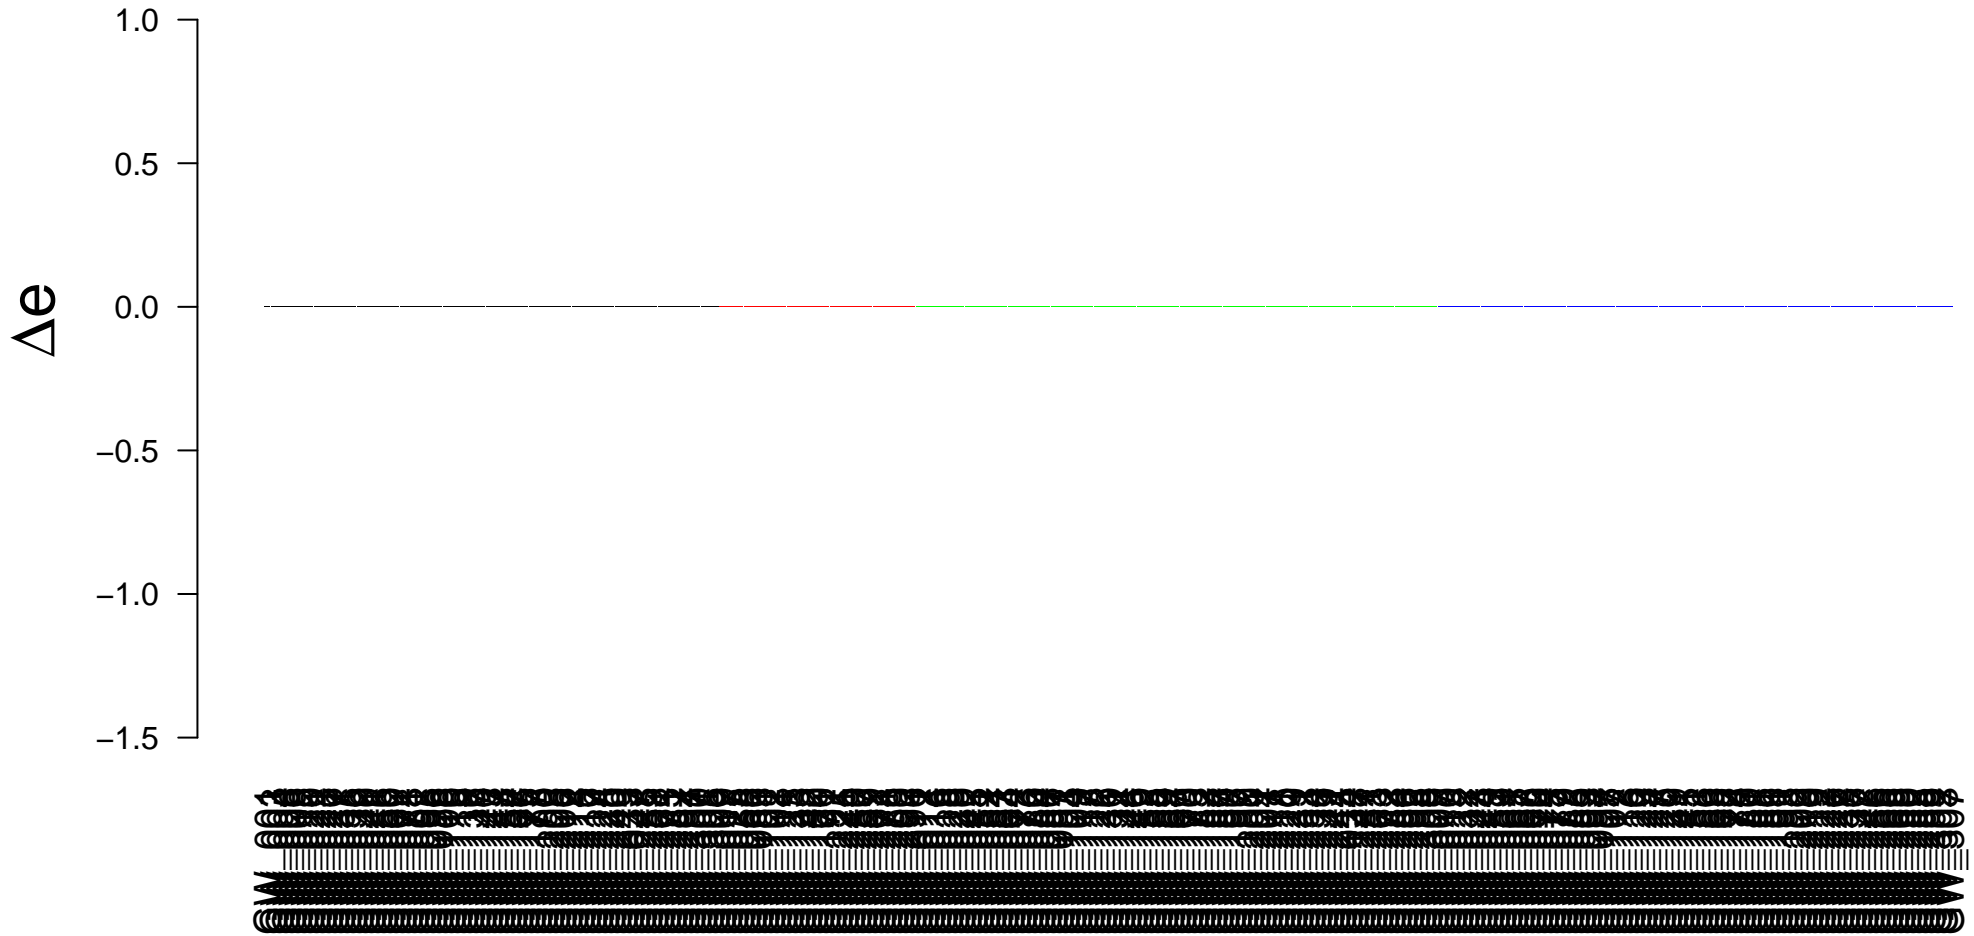

Expression of positive regulation of cellular metabolic process in Spot G

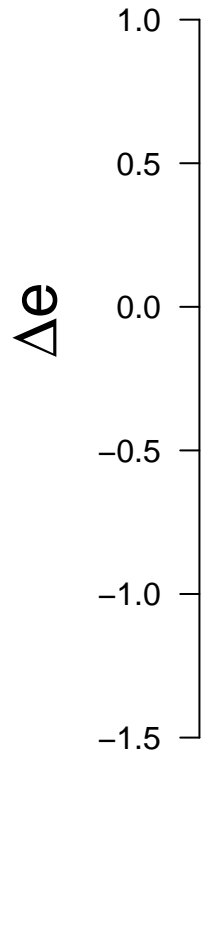

Expression of positive regulation of cellular metabolic process in Spot I

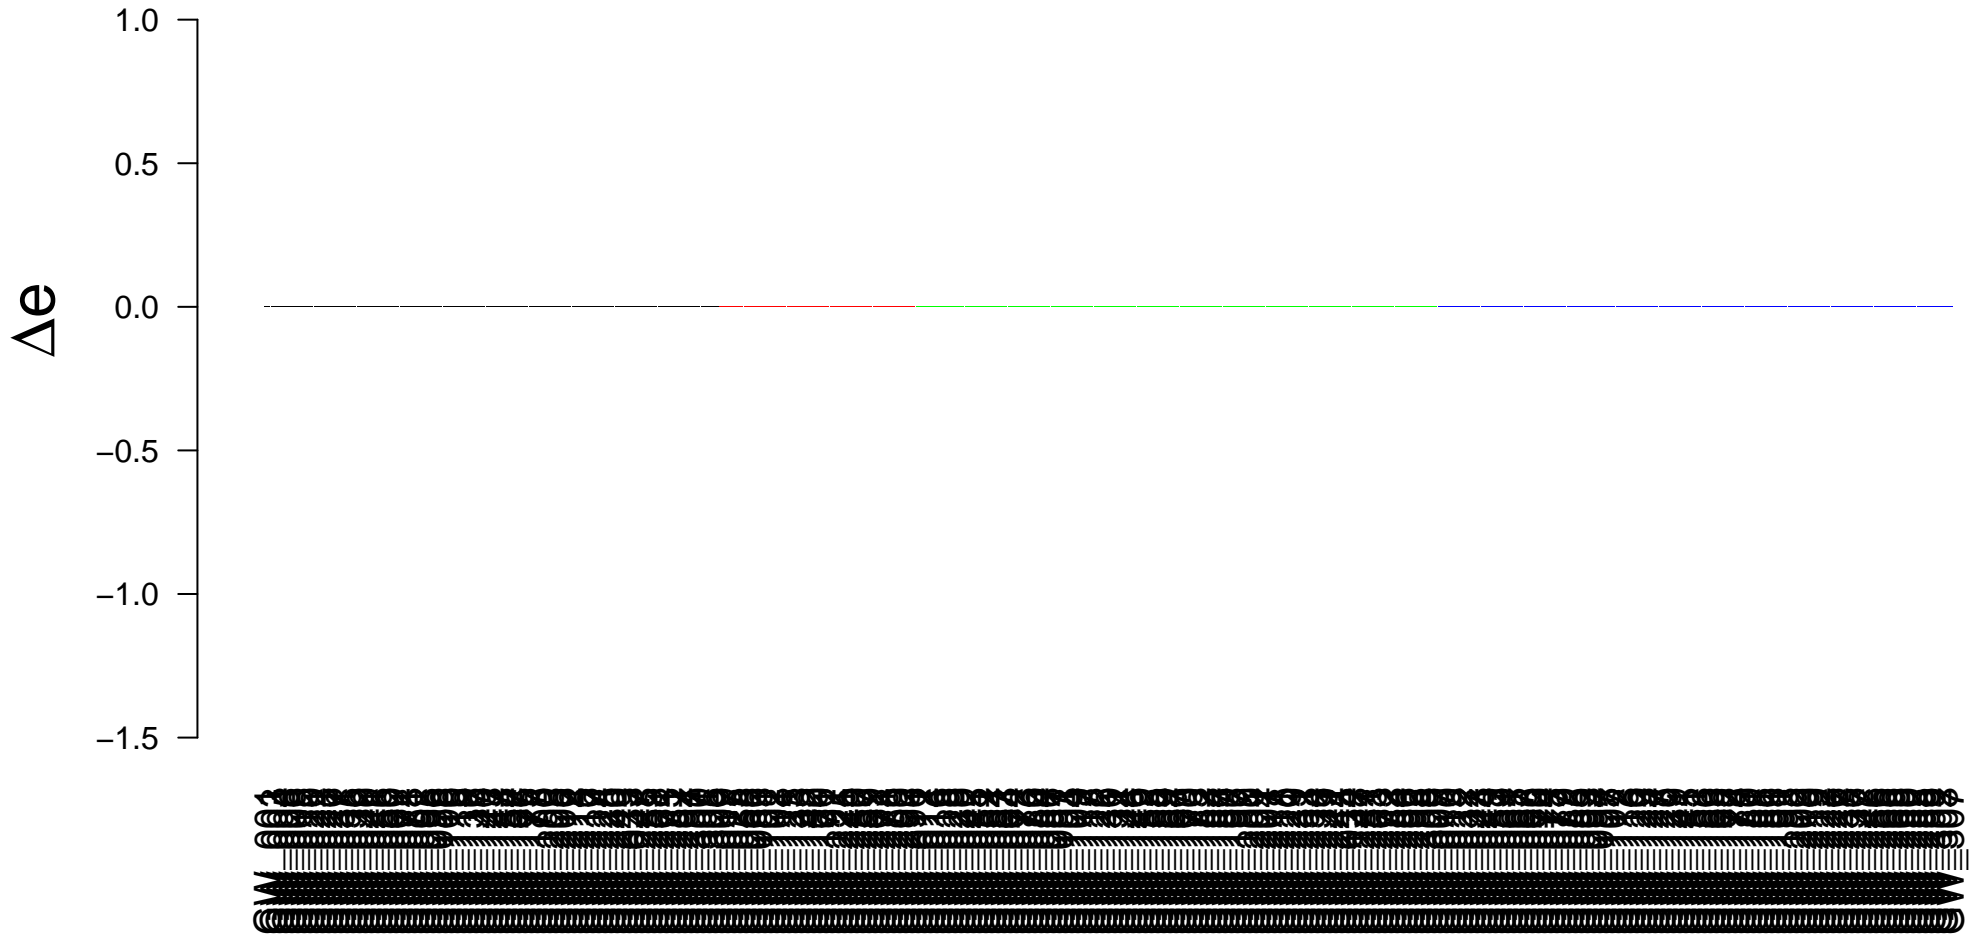

Expression of positive regulation of cellular metabolic process in Spot J

Expression of positive regulation of cellular metabolic process in Spot K

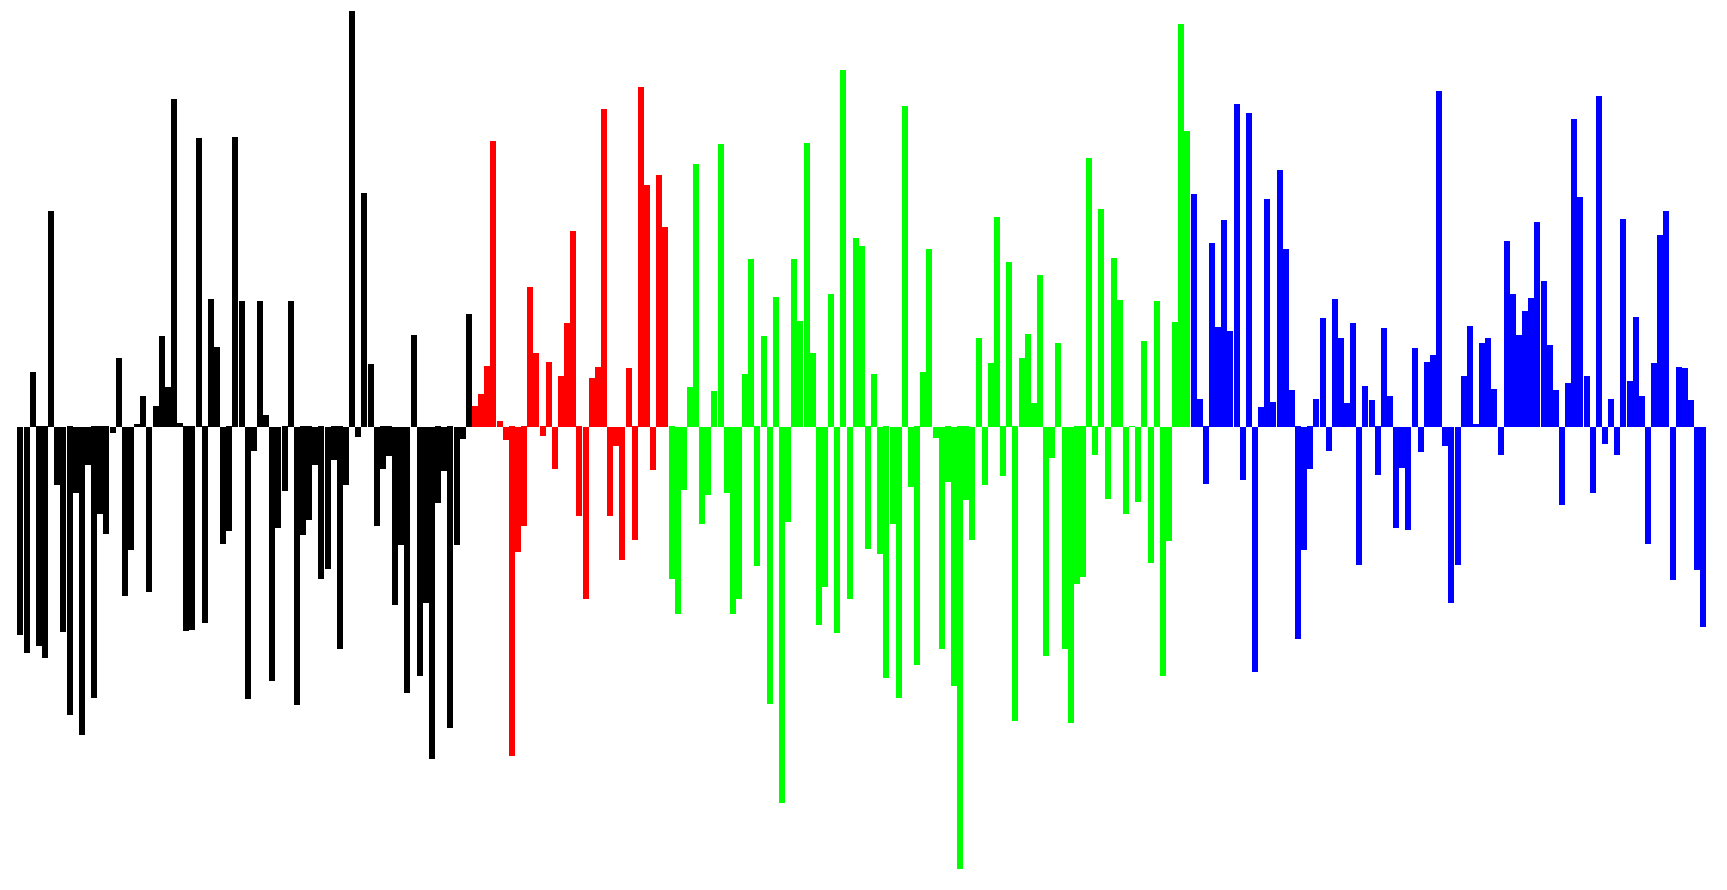

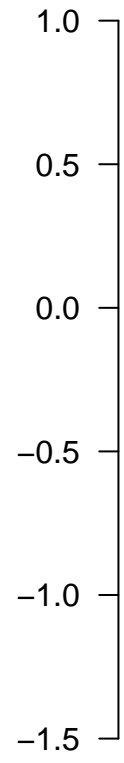

Expression of positive regulation of cellular metabolic process in Spot L

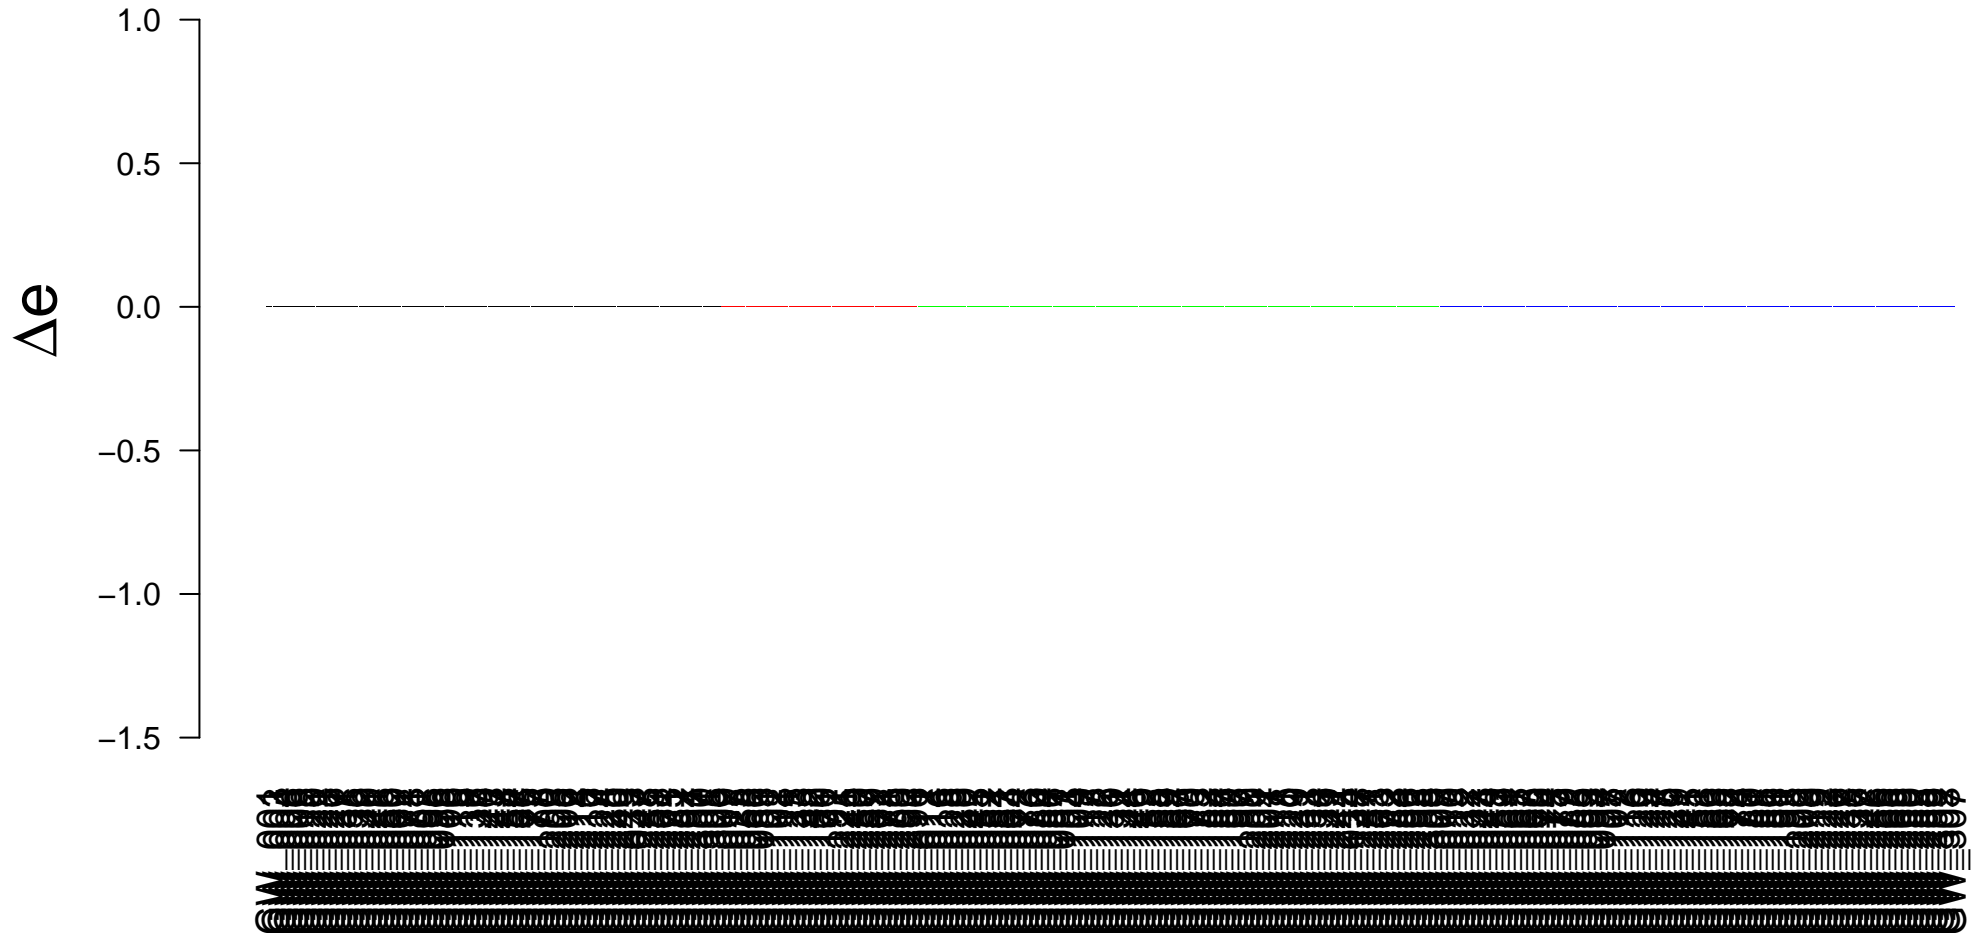

Expression of positive regulation of cellular metabolic process in Spot M

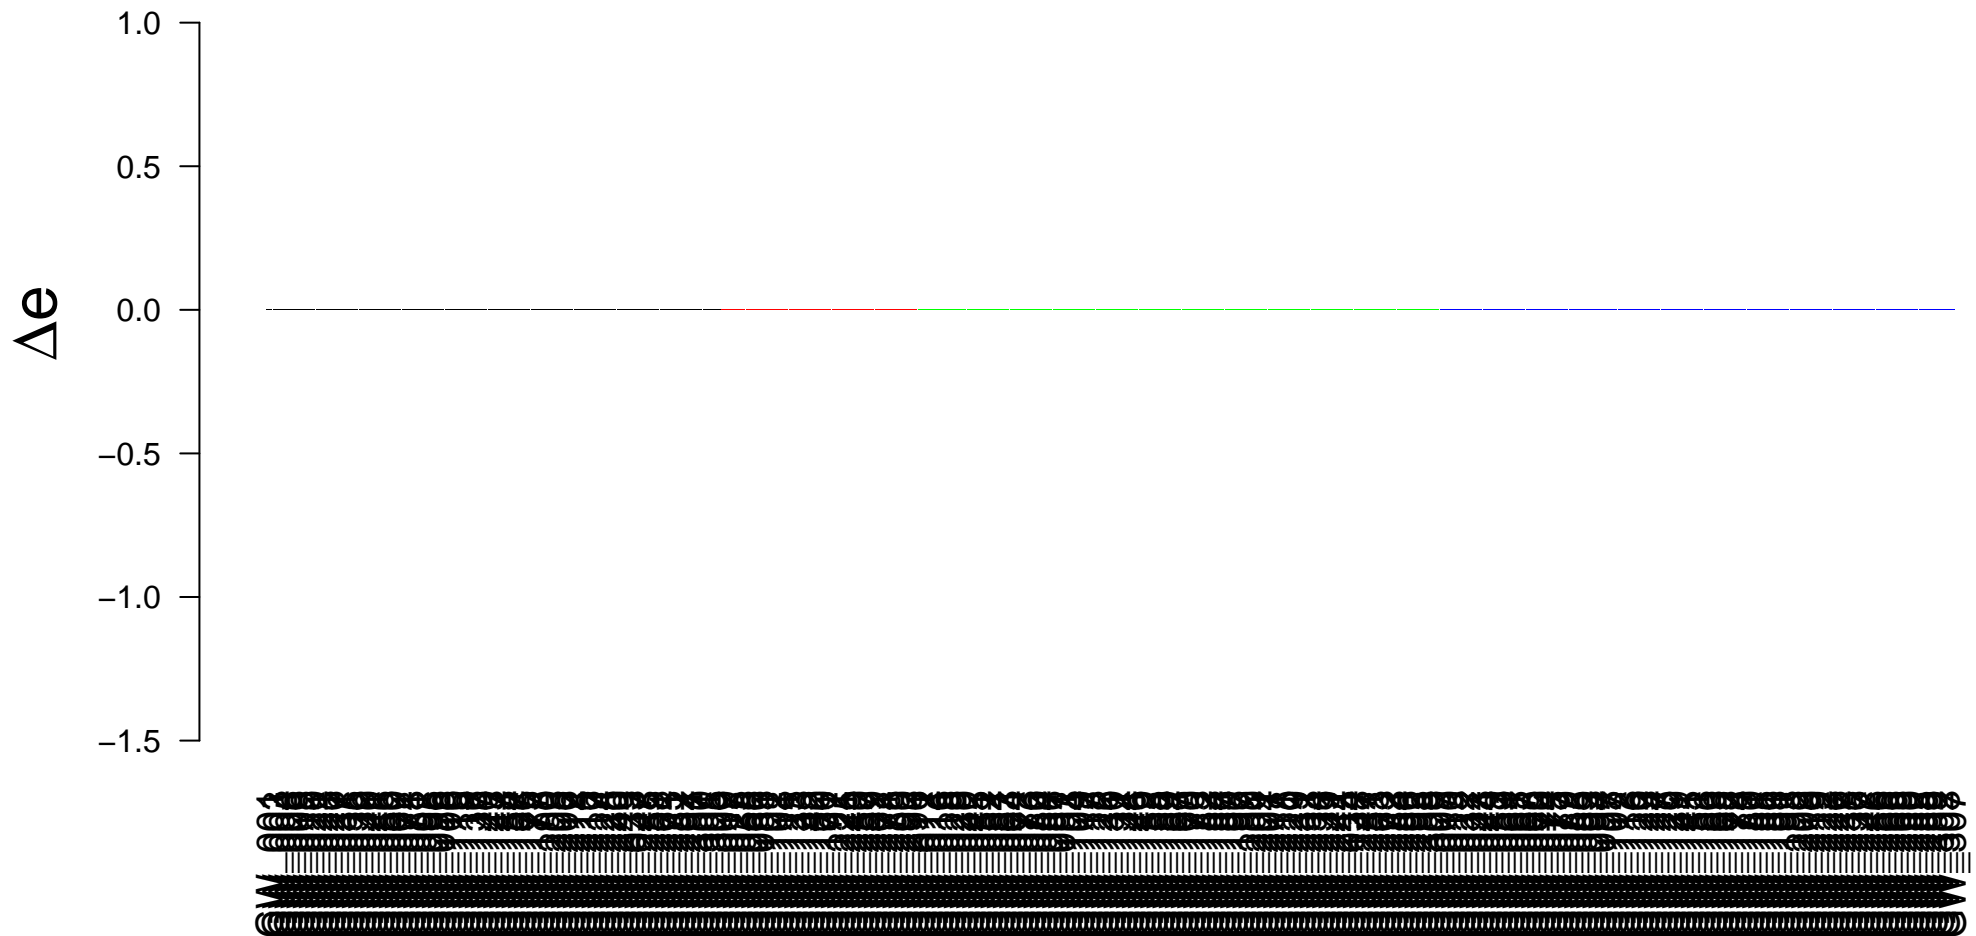

Δe

Expression of positive regulation of cellular metabolic process in Spot N

Expression of positive regulation of cellular metabolic process in Spot O

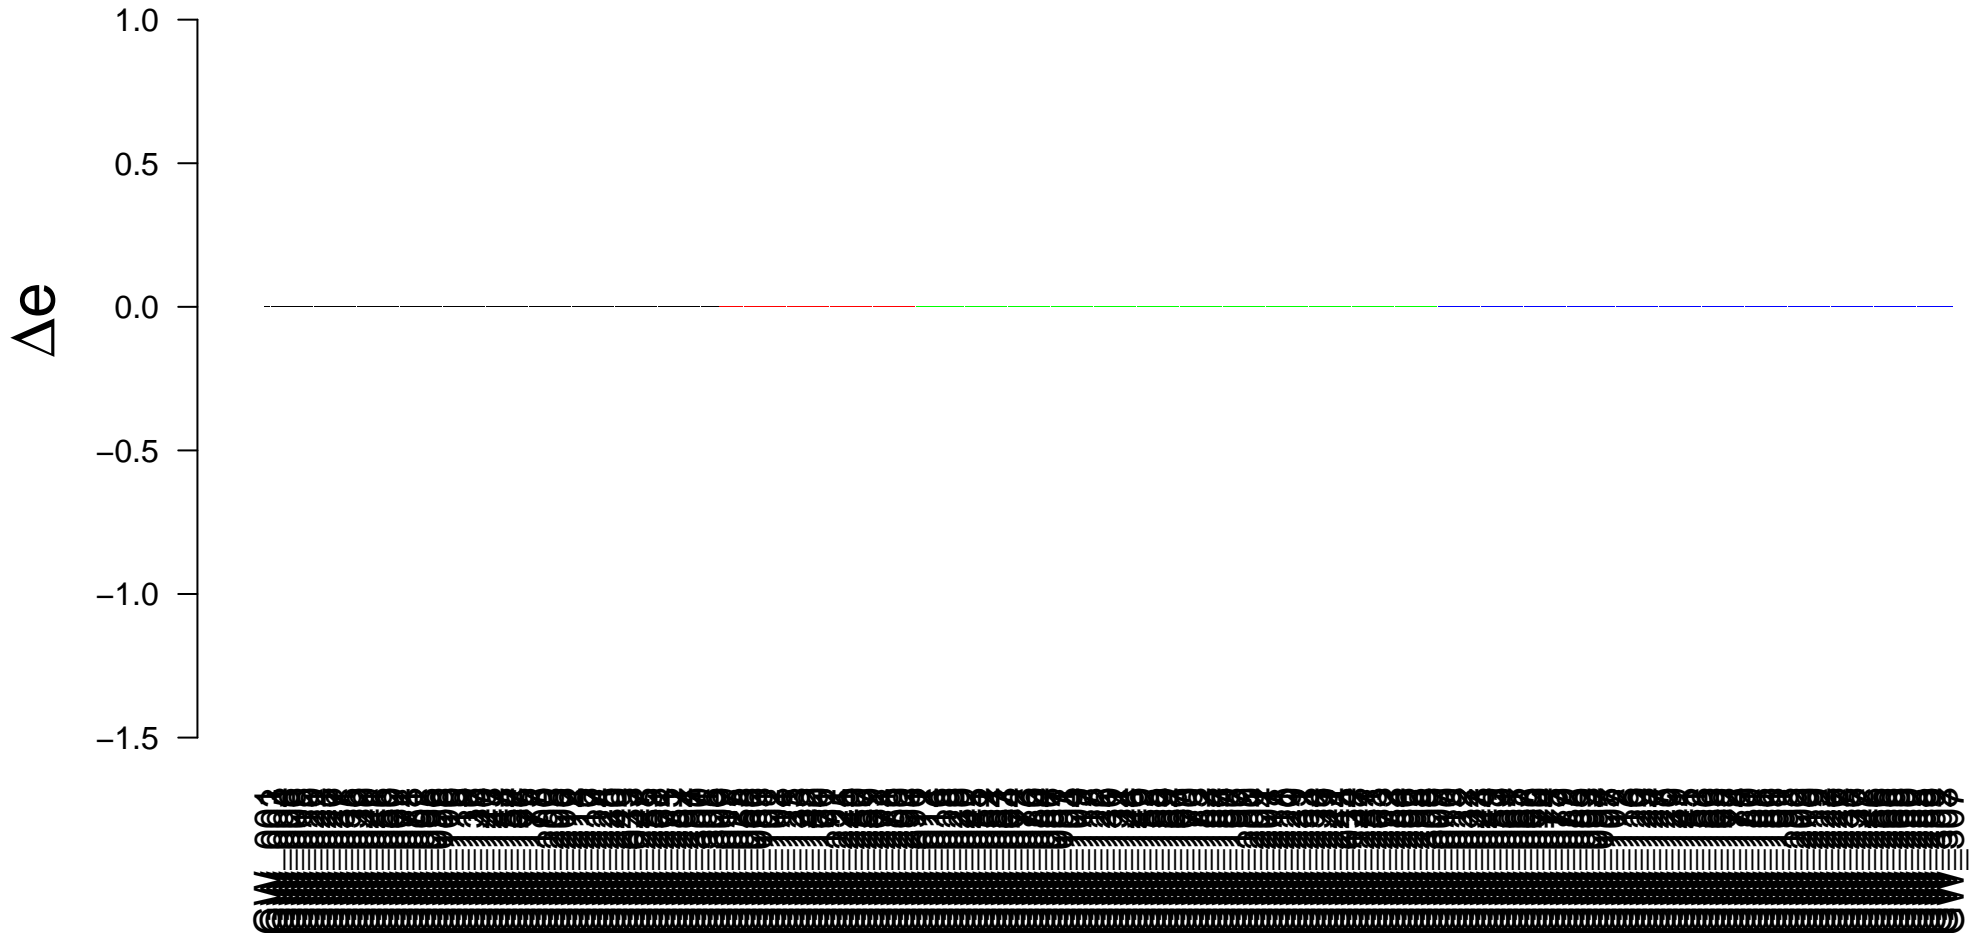

Expression of positive regulation of cellular metabolic process in Spot P
