

positive regulation of chondrocyte differentiation

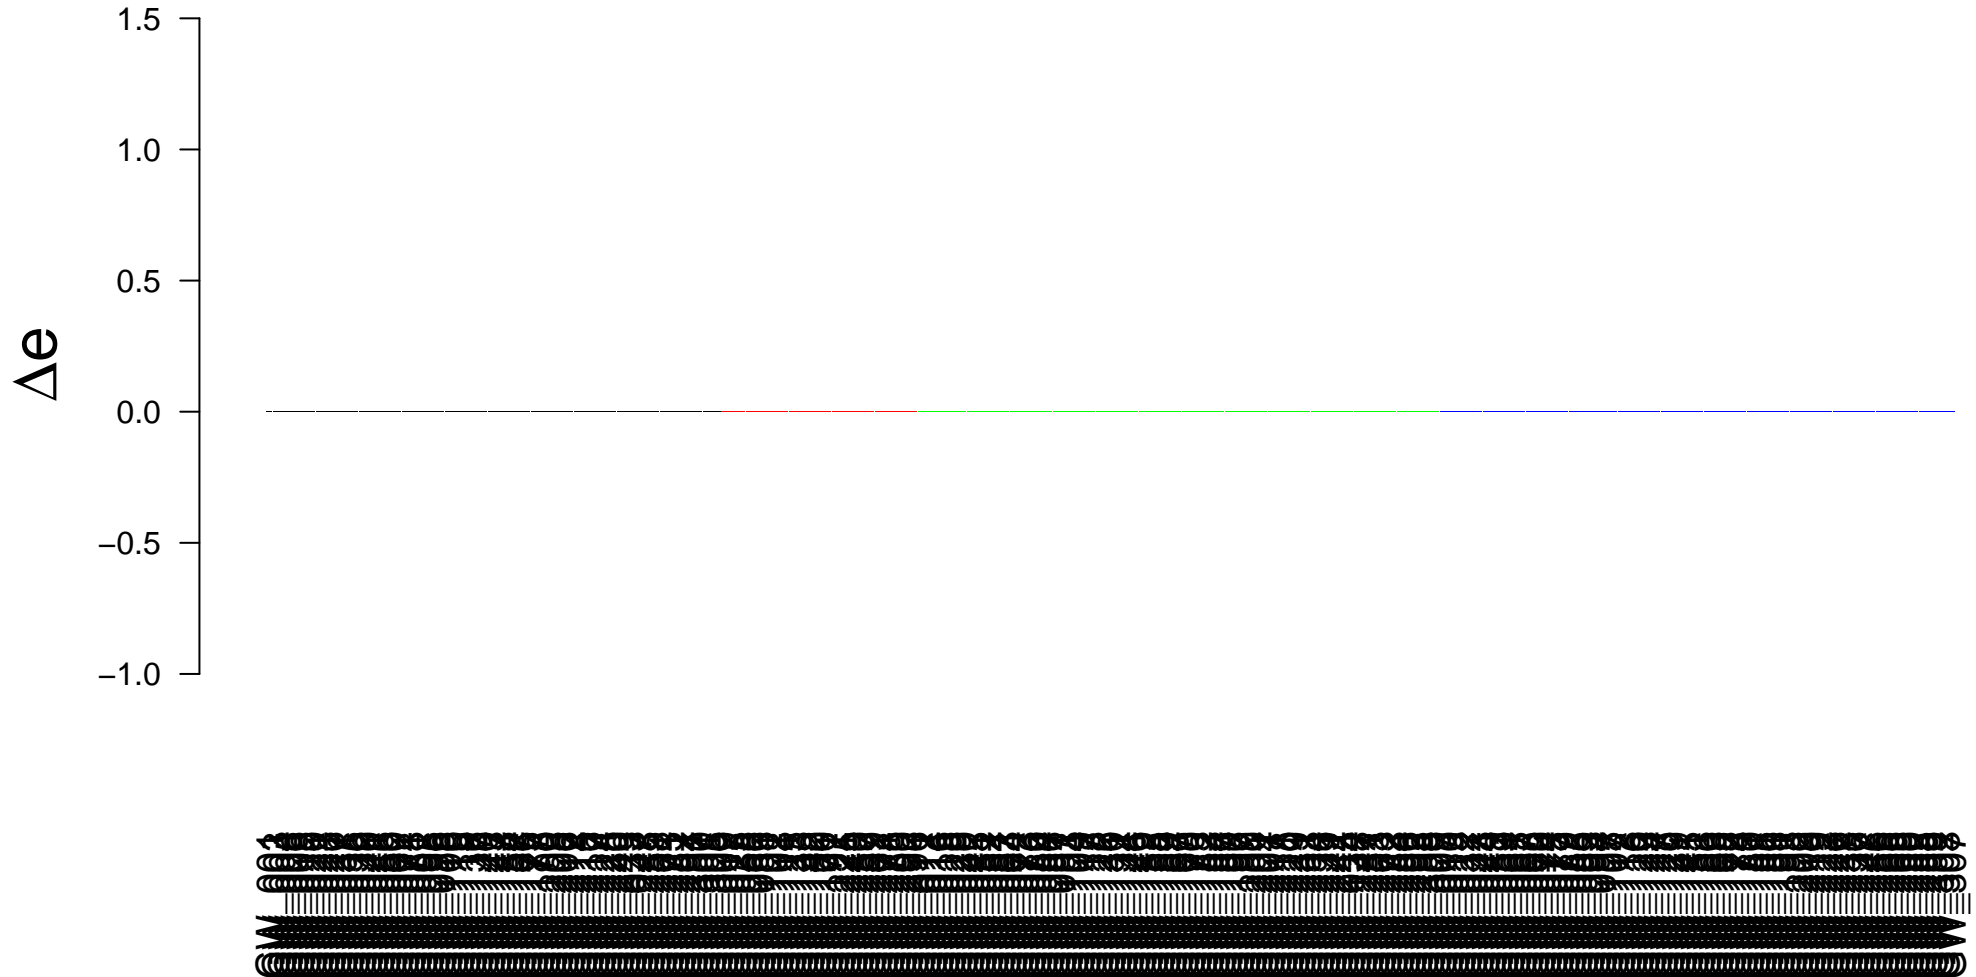

positive regulation of chondrocyte differentiation

Enrichment in spots: positive regulation of chondrocyte differentiation

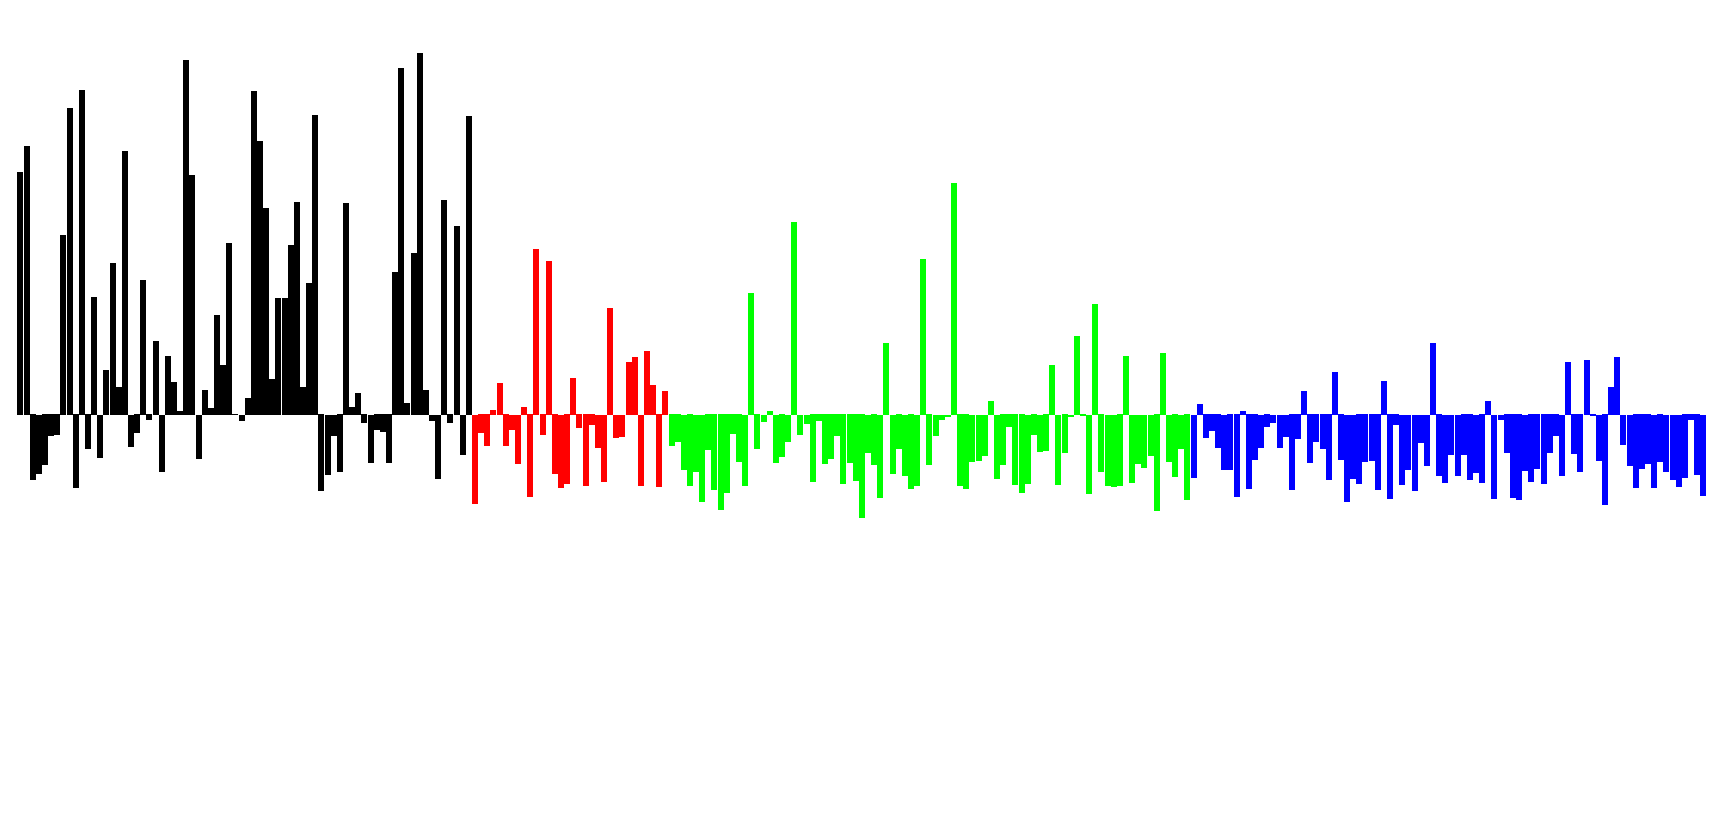

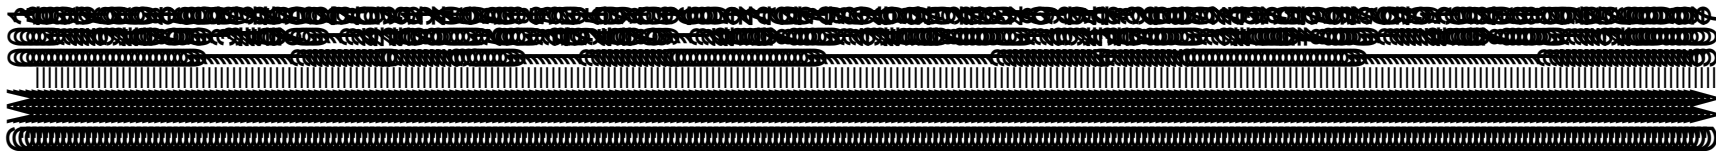

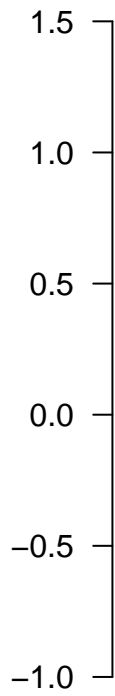

Expression of positive regulation of chondrocyte differentiation in Spot A

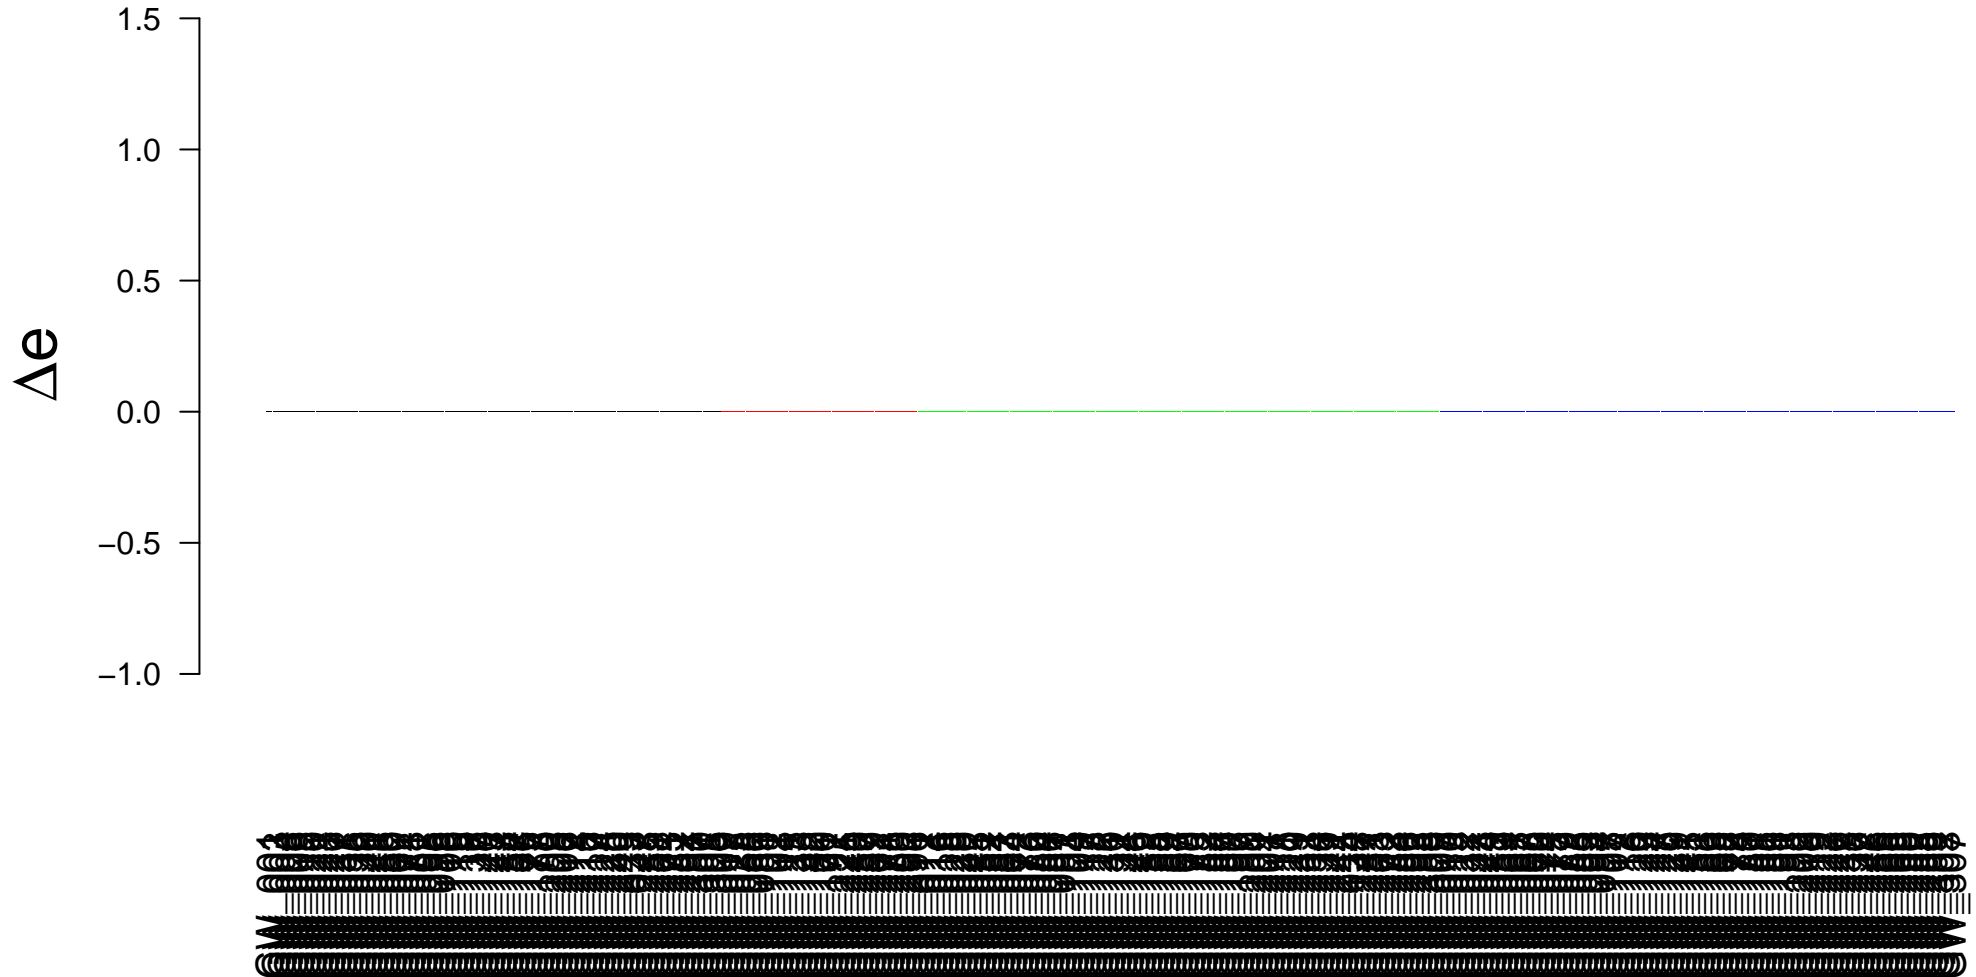

Expression of positive regulation of chondrocyte differentiation in Spot B

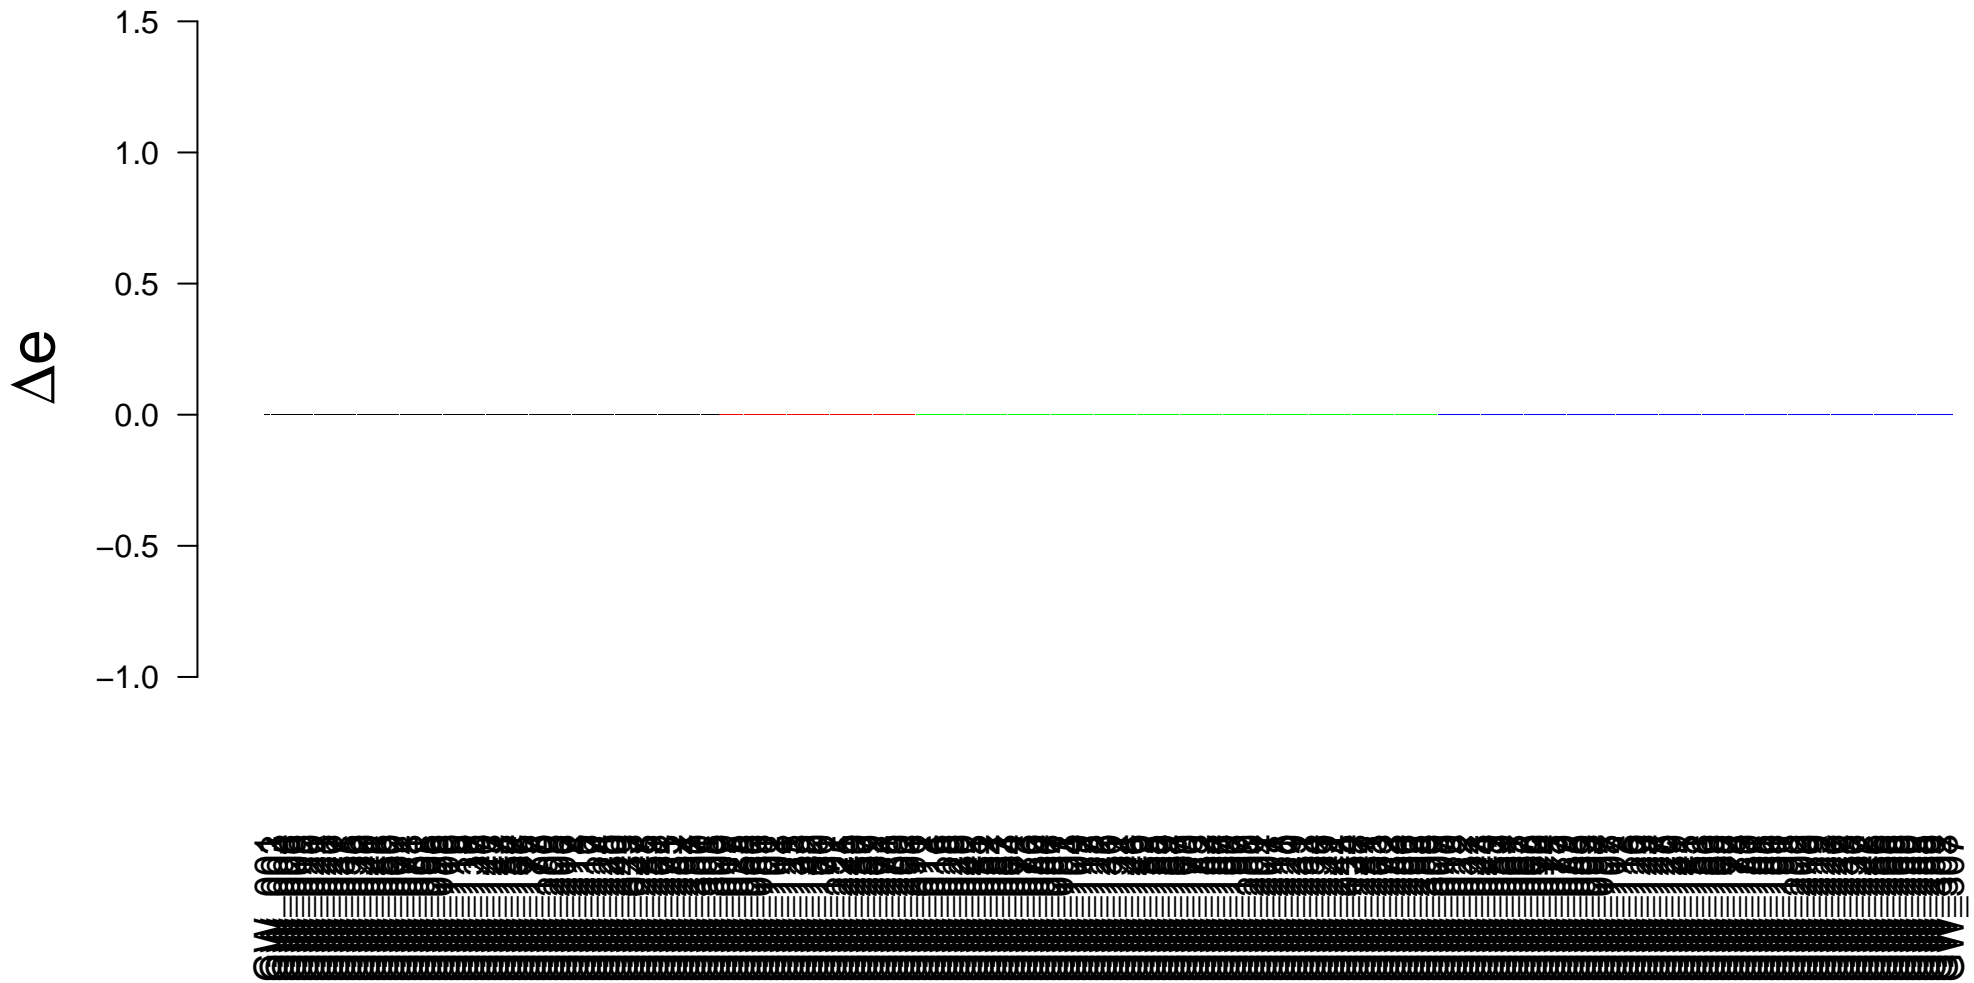

Δe

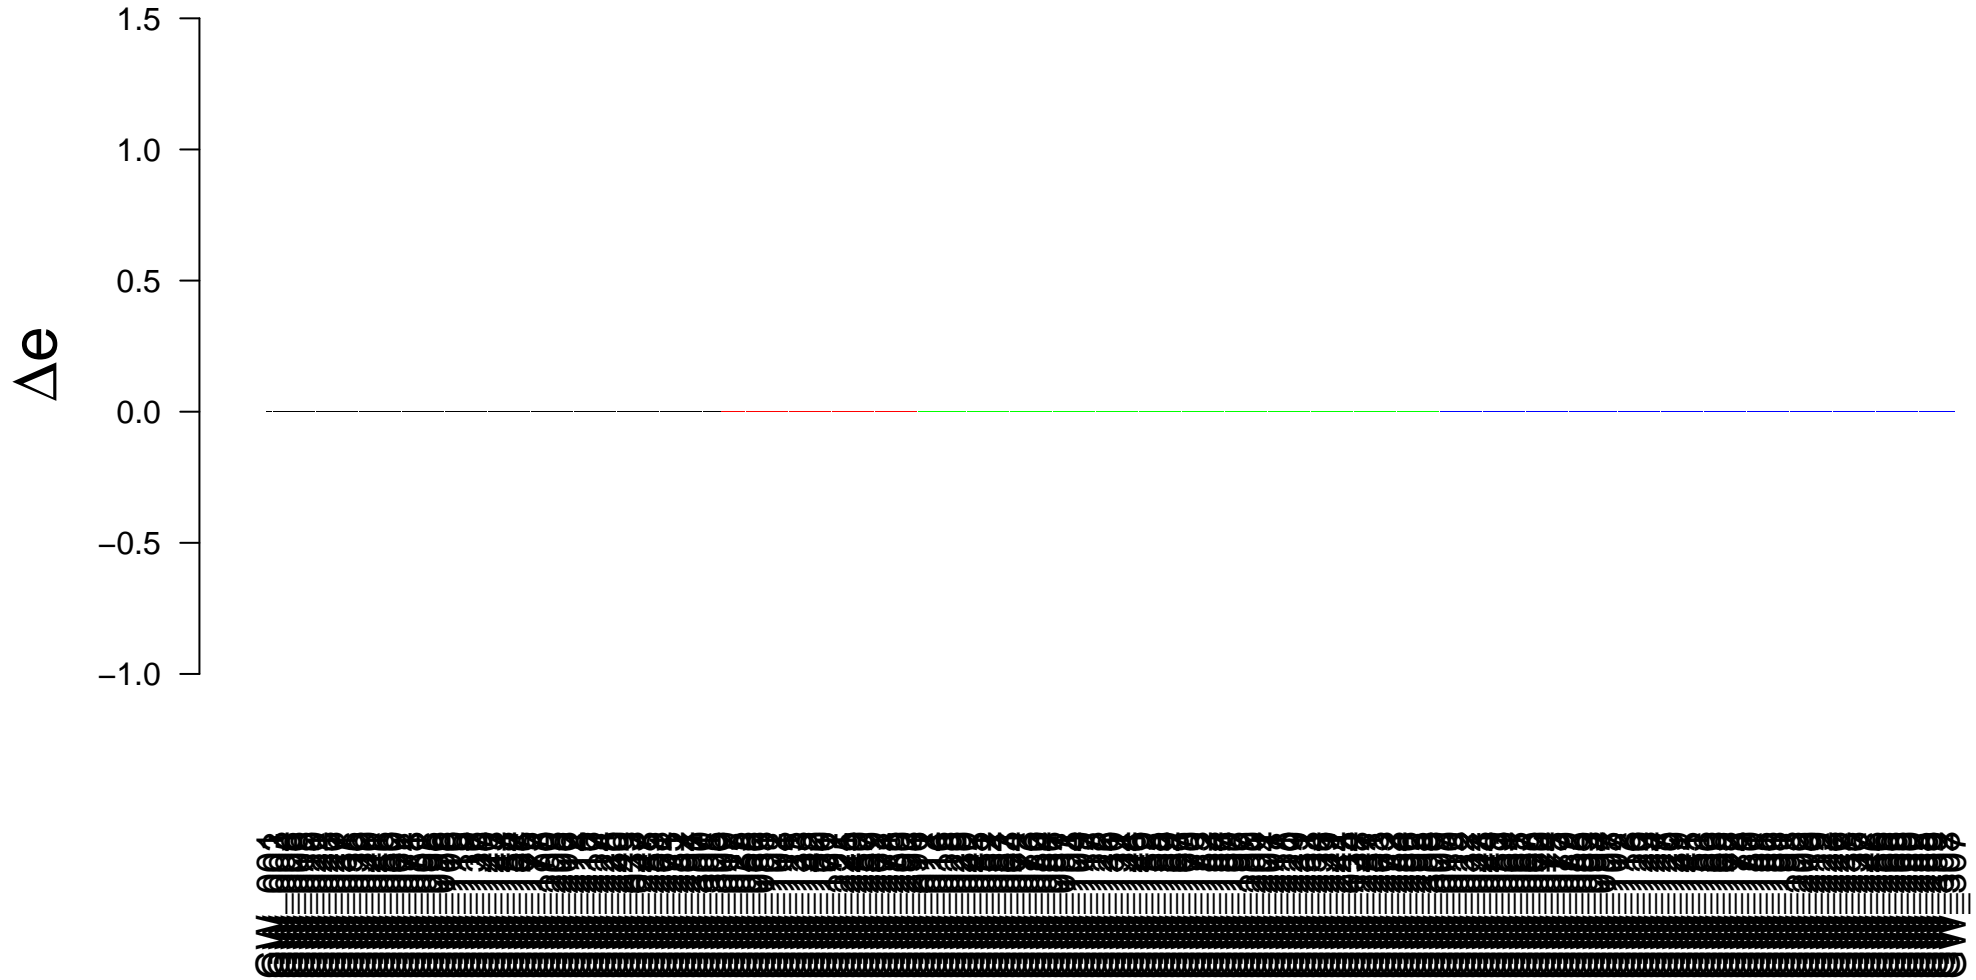

Expression of positive regulation of chondrocyte differentiation in Spot C

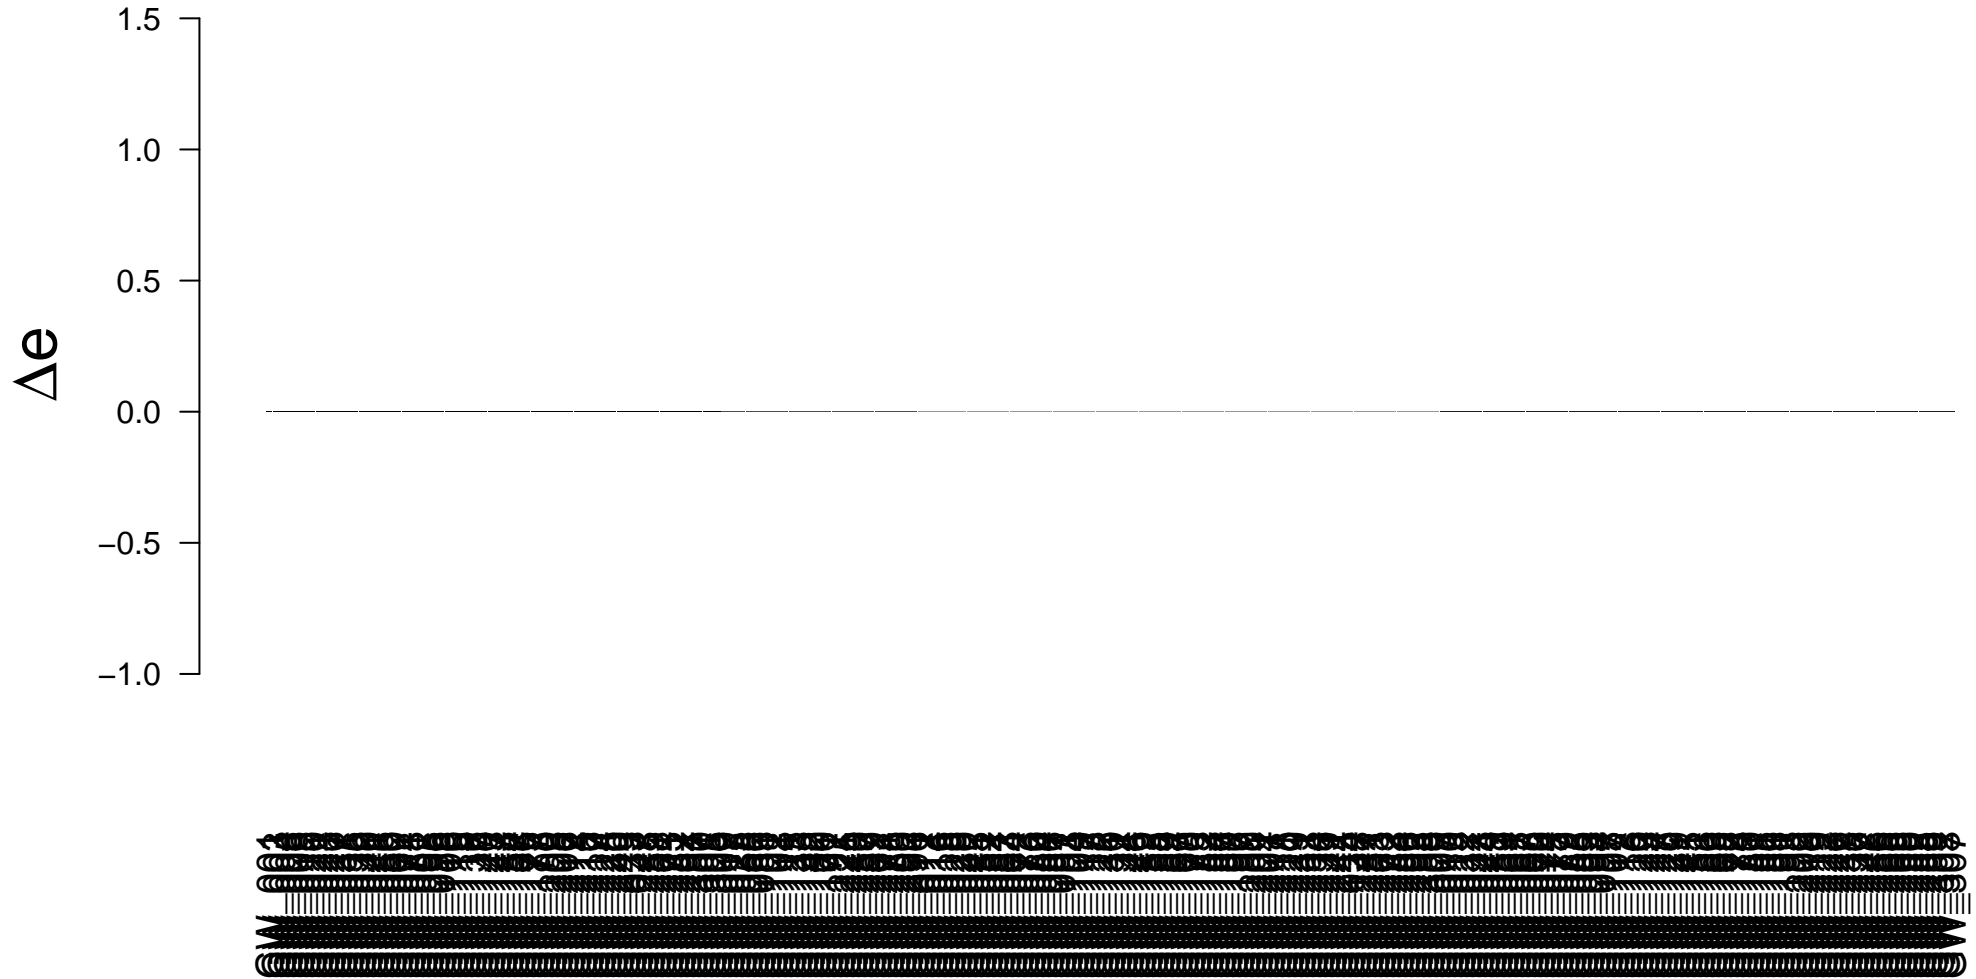

Expression of positive regulation of chondrocyte differentiation in Spot D

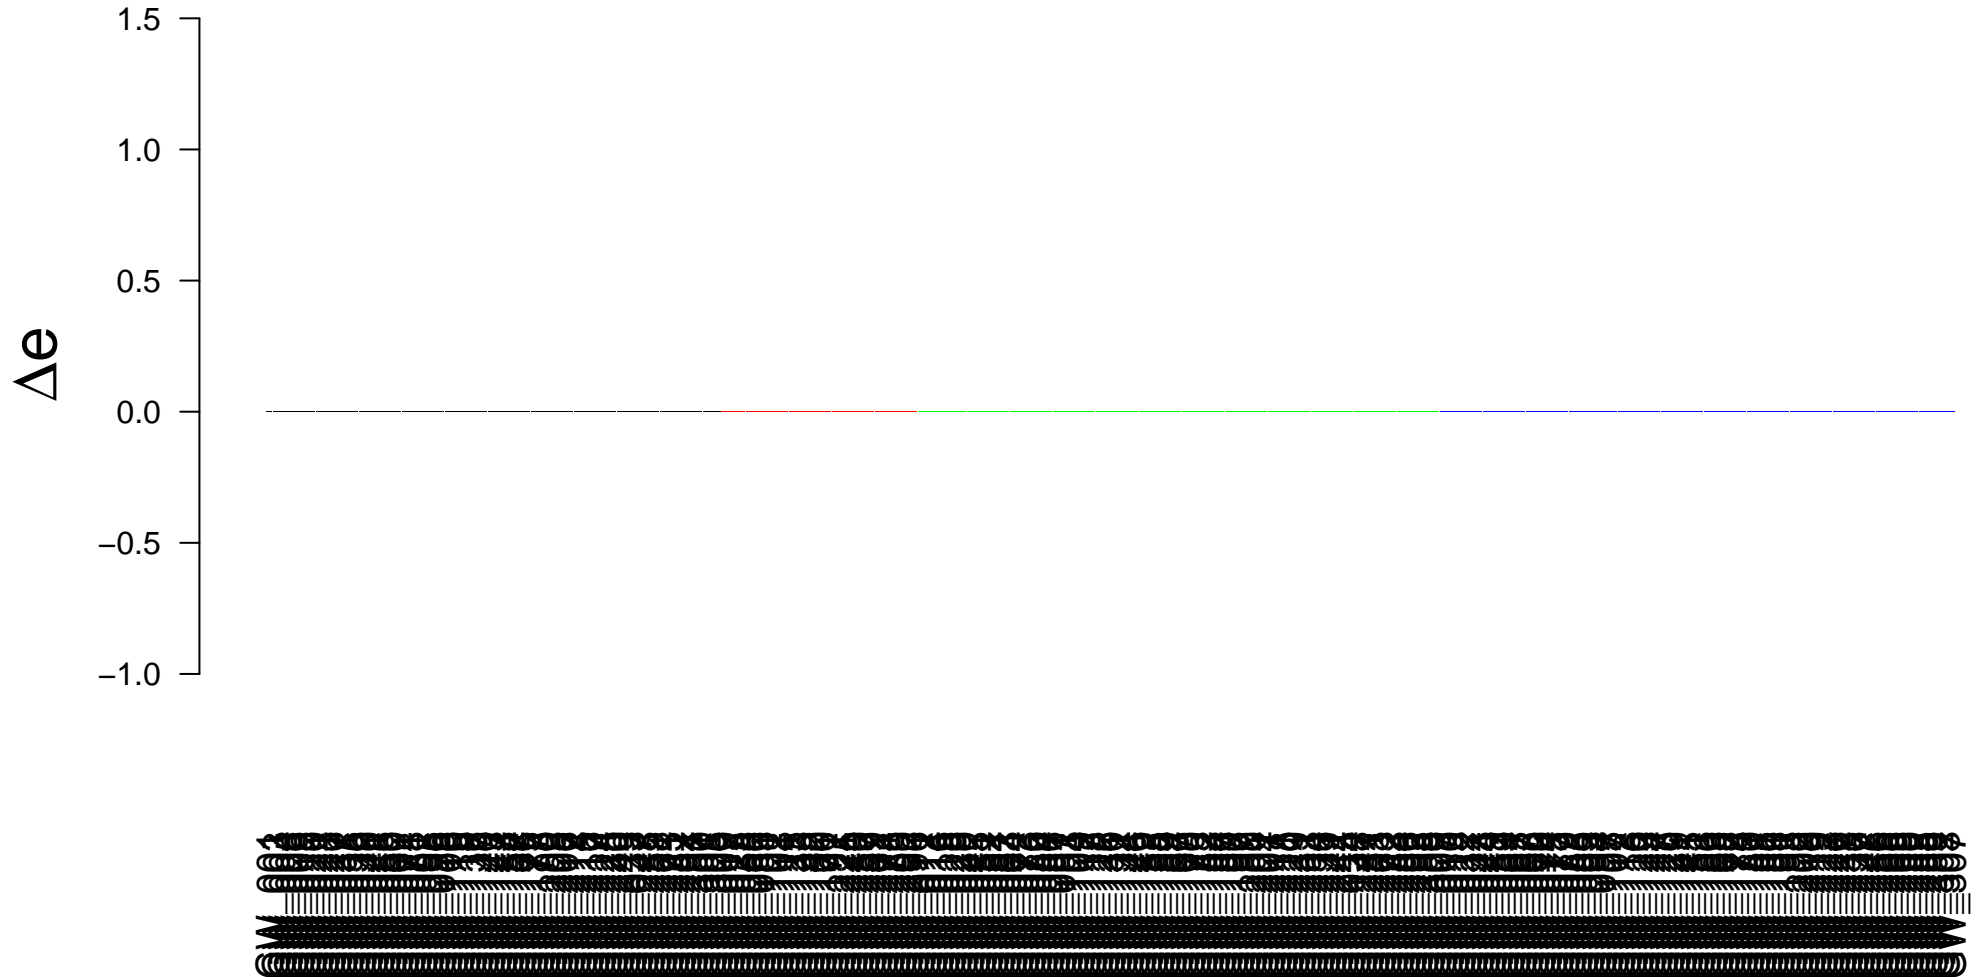

Expression of positive regulation of chondrocyte differentiation in Spot E

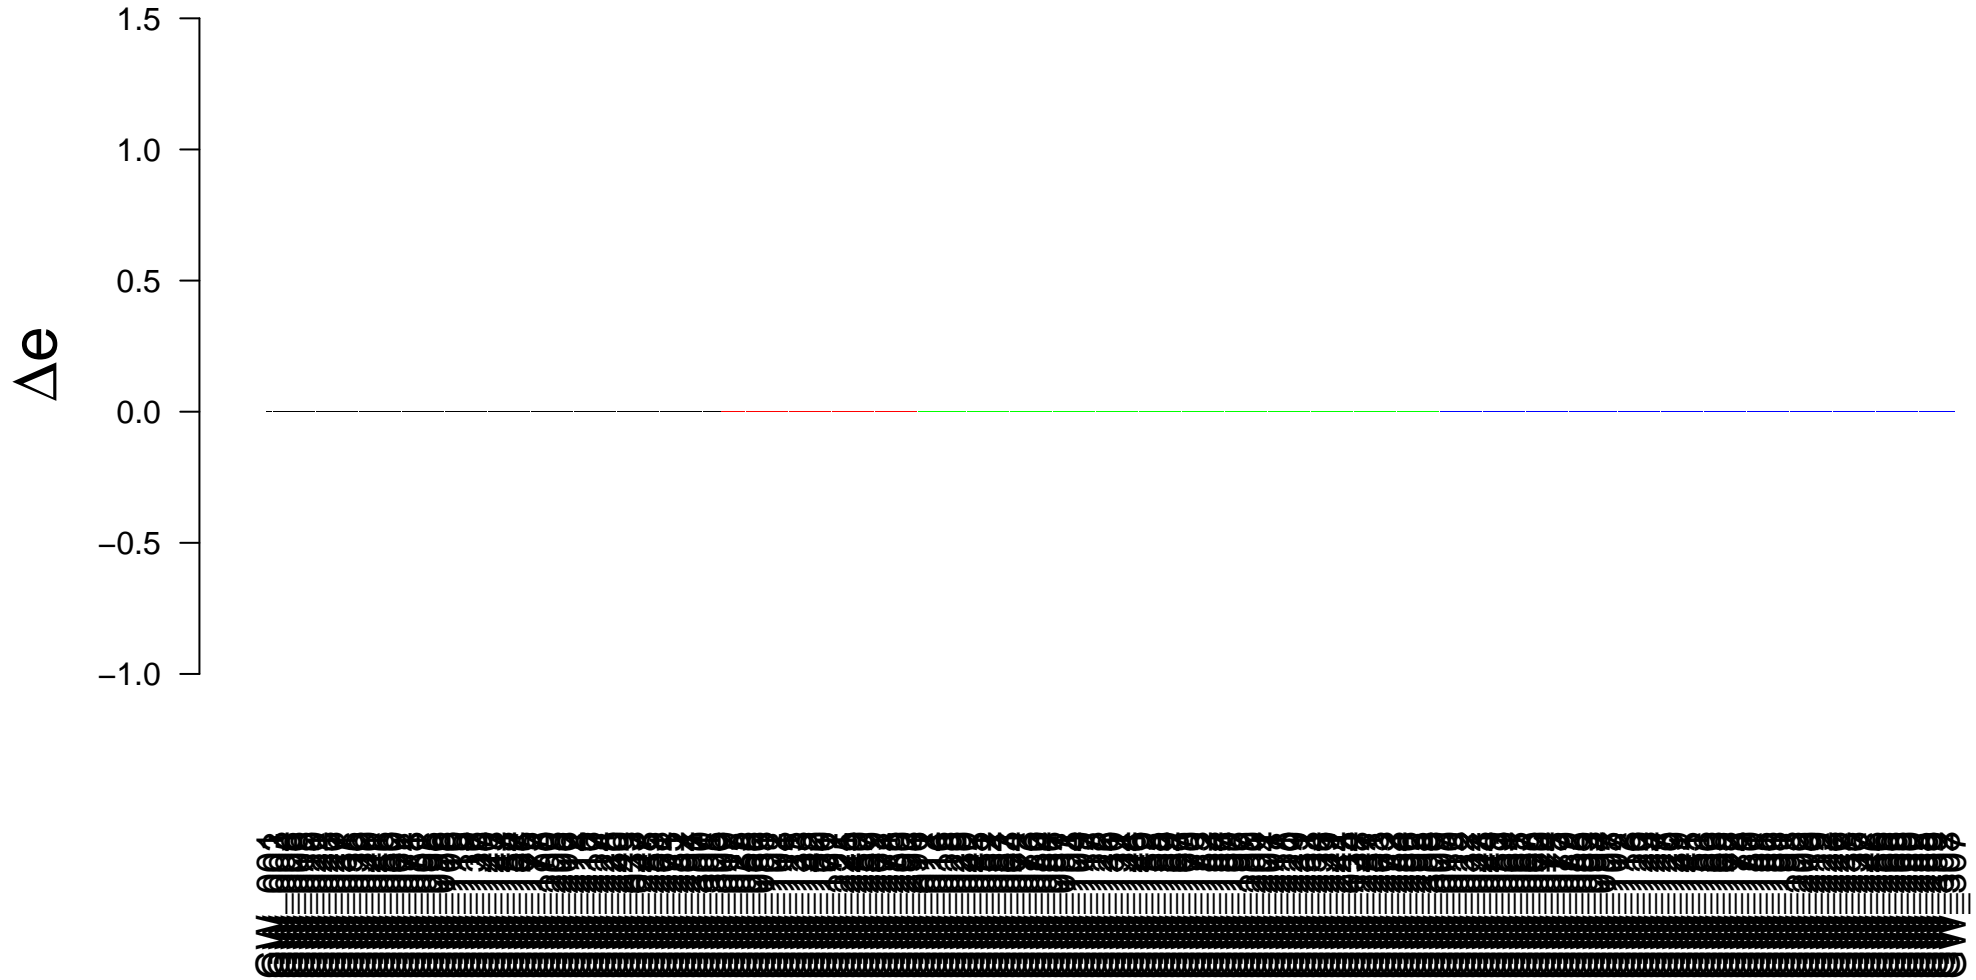

Expression of positive regulation of chondrocyte differentiation in Spot F

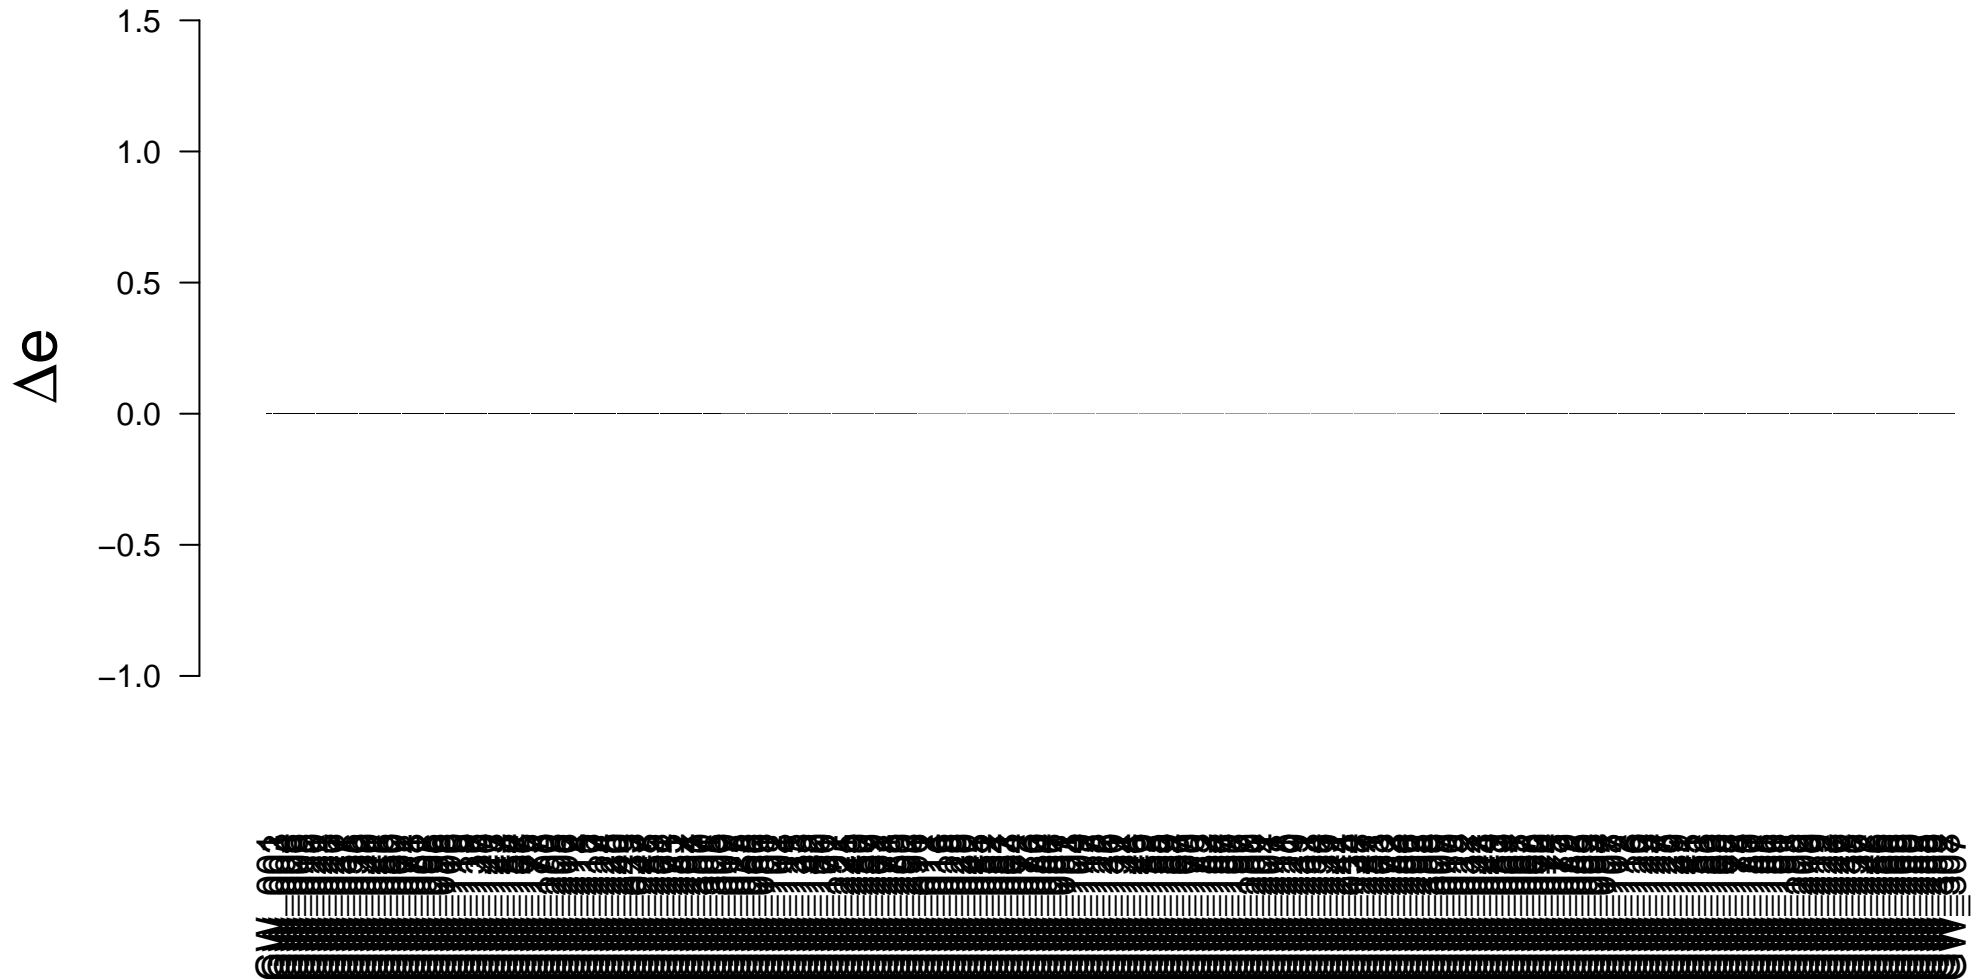

Expression of positive regulation of chondrocyte differentiation in Spot H

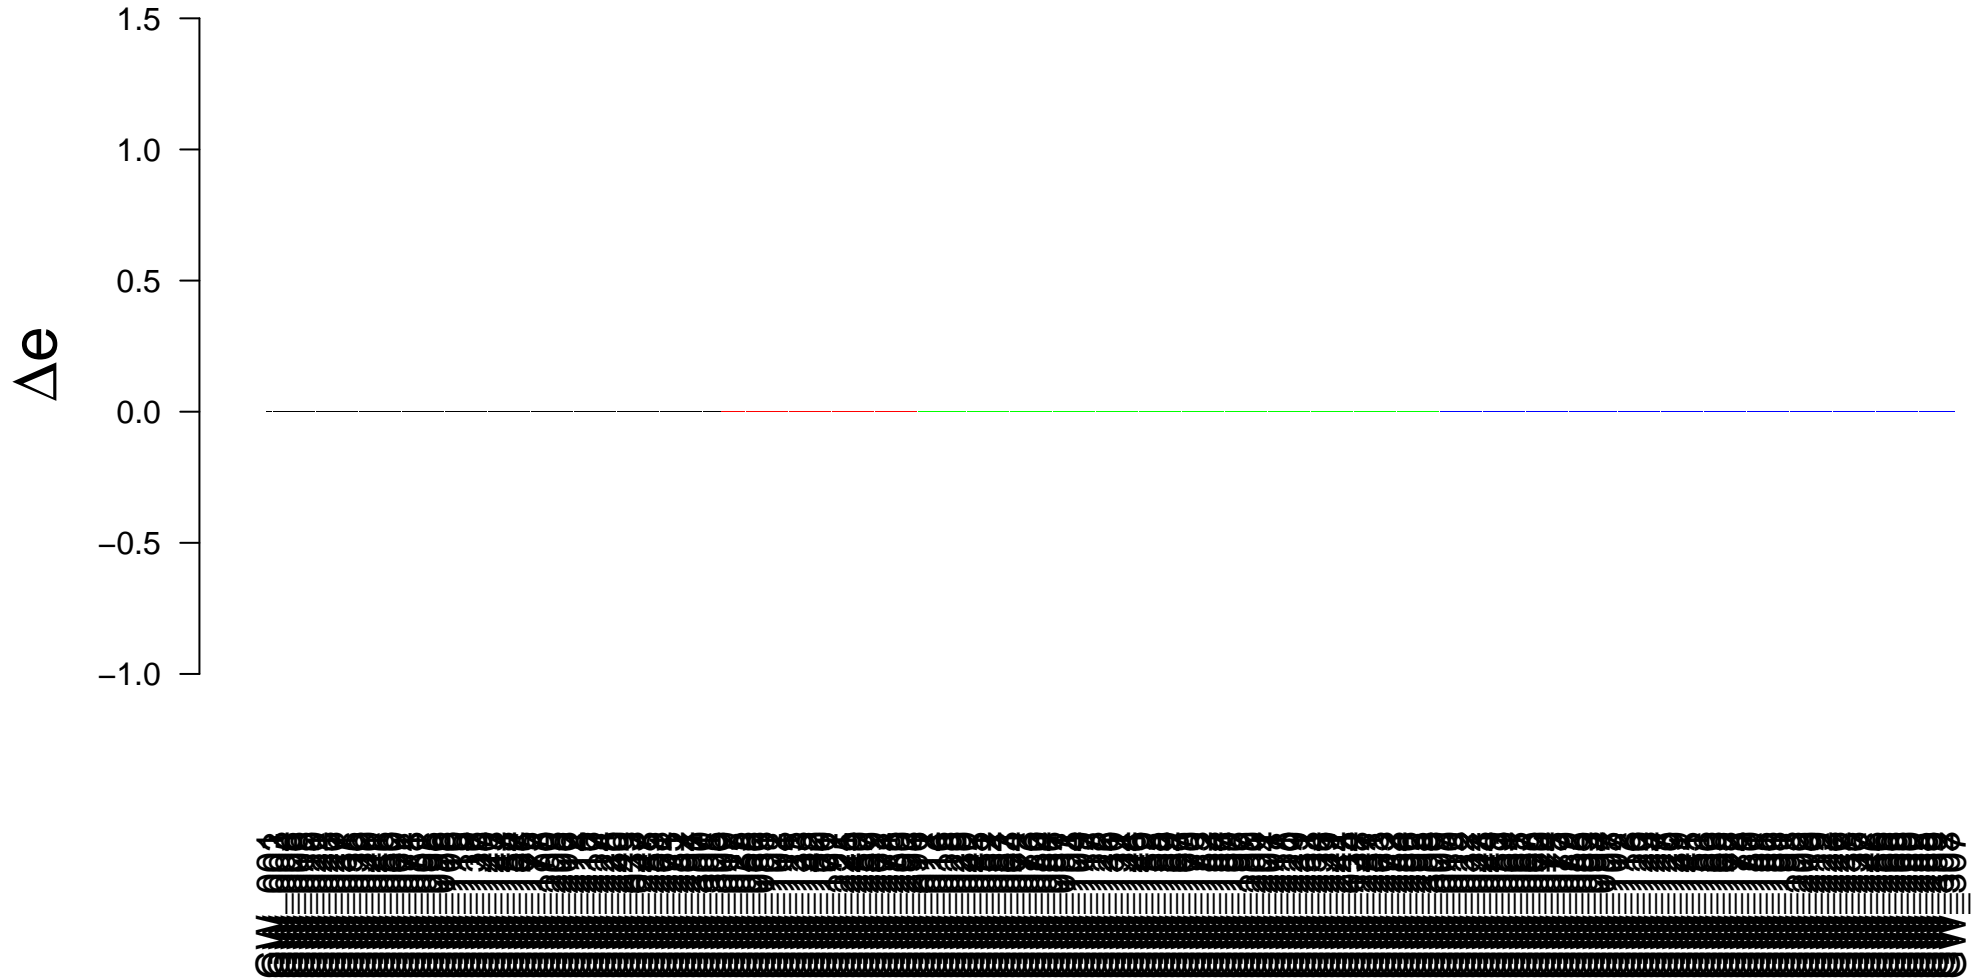

Expression of positive regulation of chondrocyte differentiation in Spot I

Expression of positive regulation of chondrocyte differentiation in Spot J

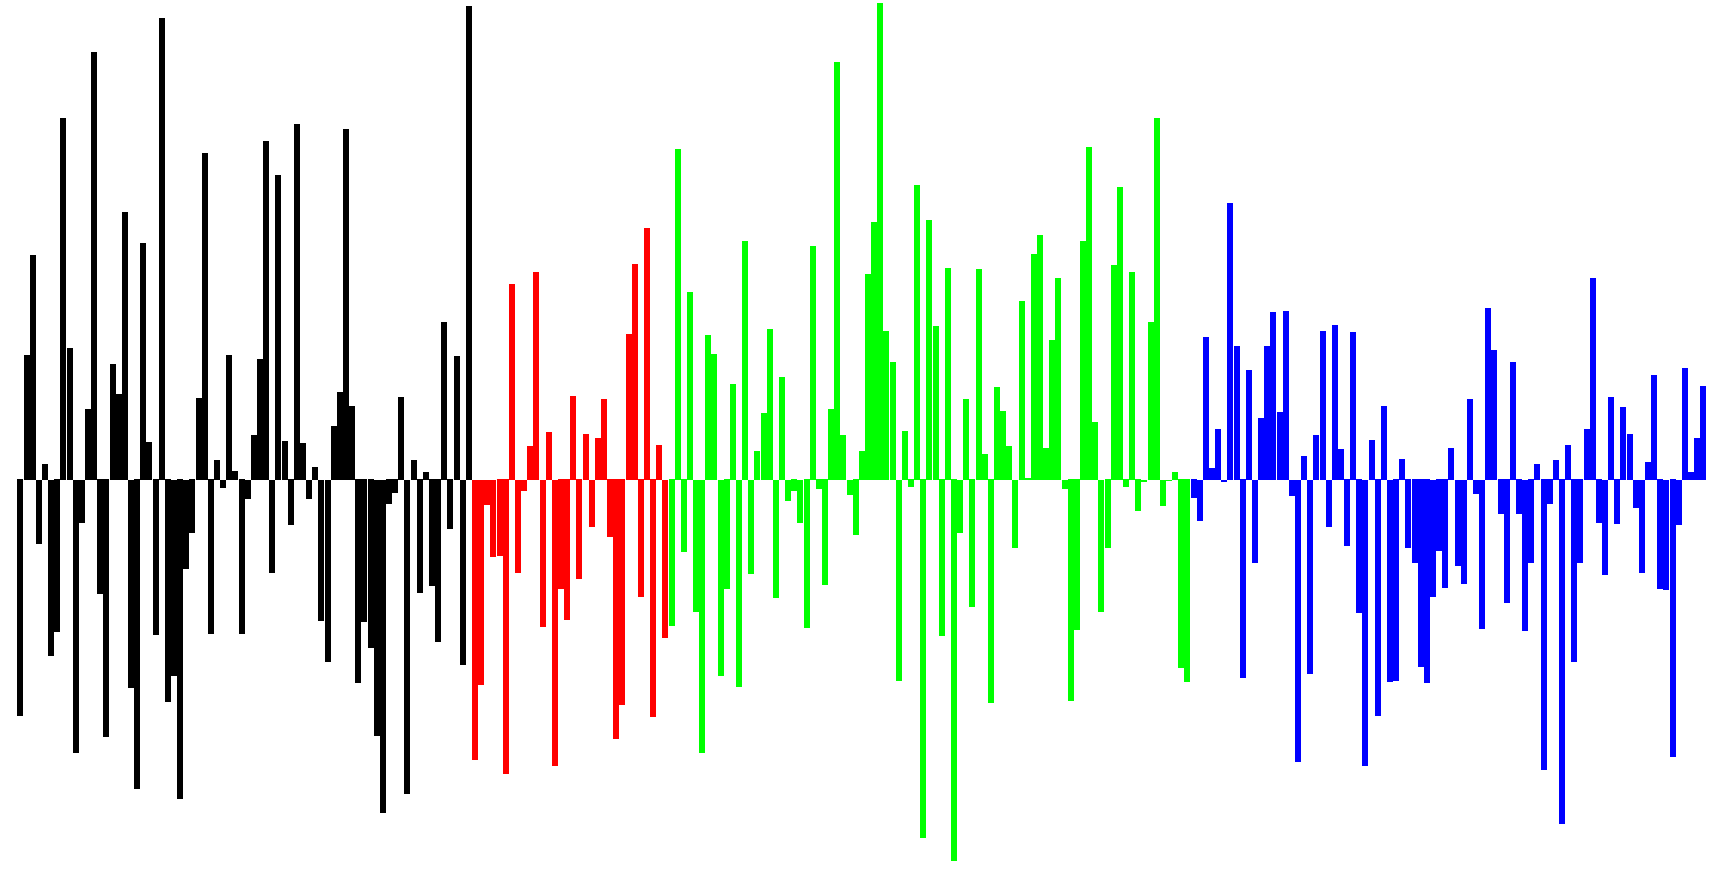

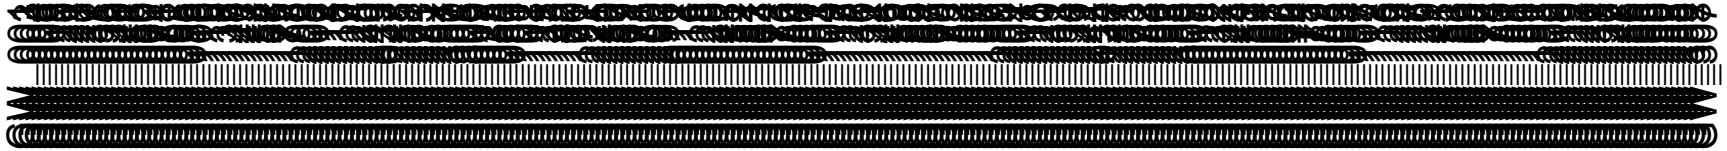

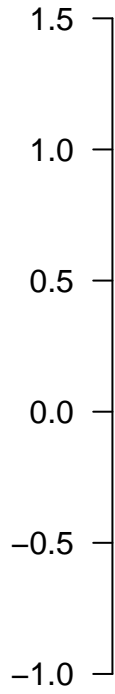

Expression of positive regulation of chondrocyte differentiation in Spot K

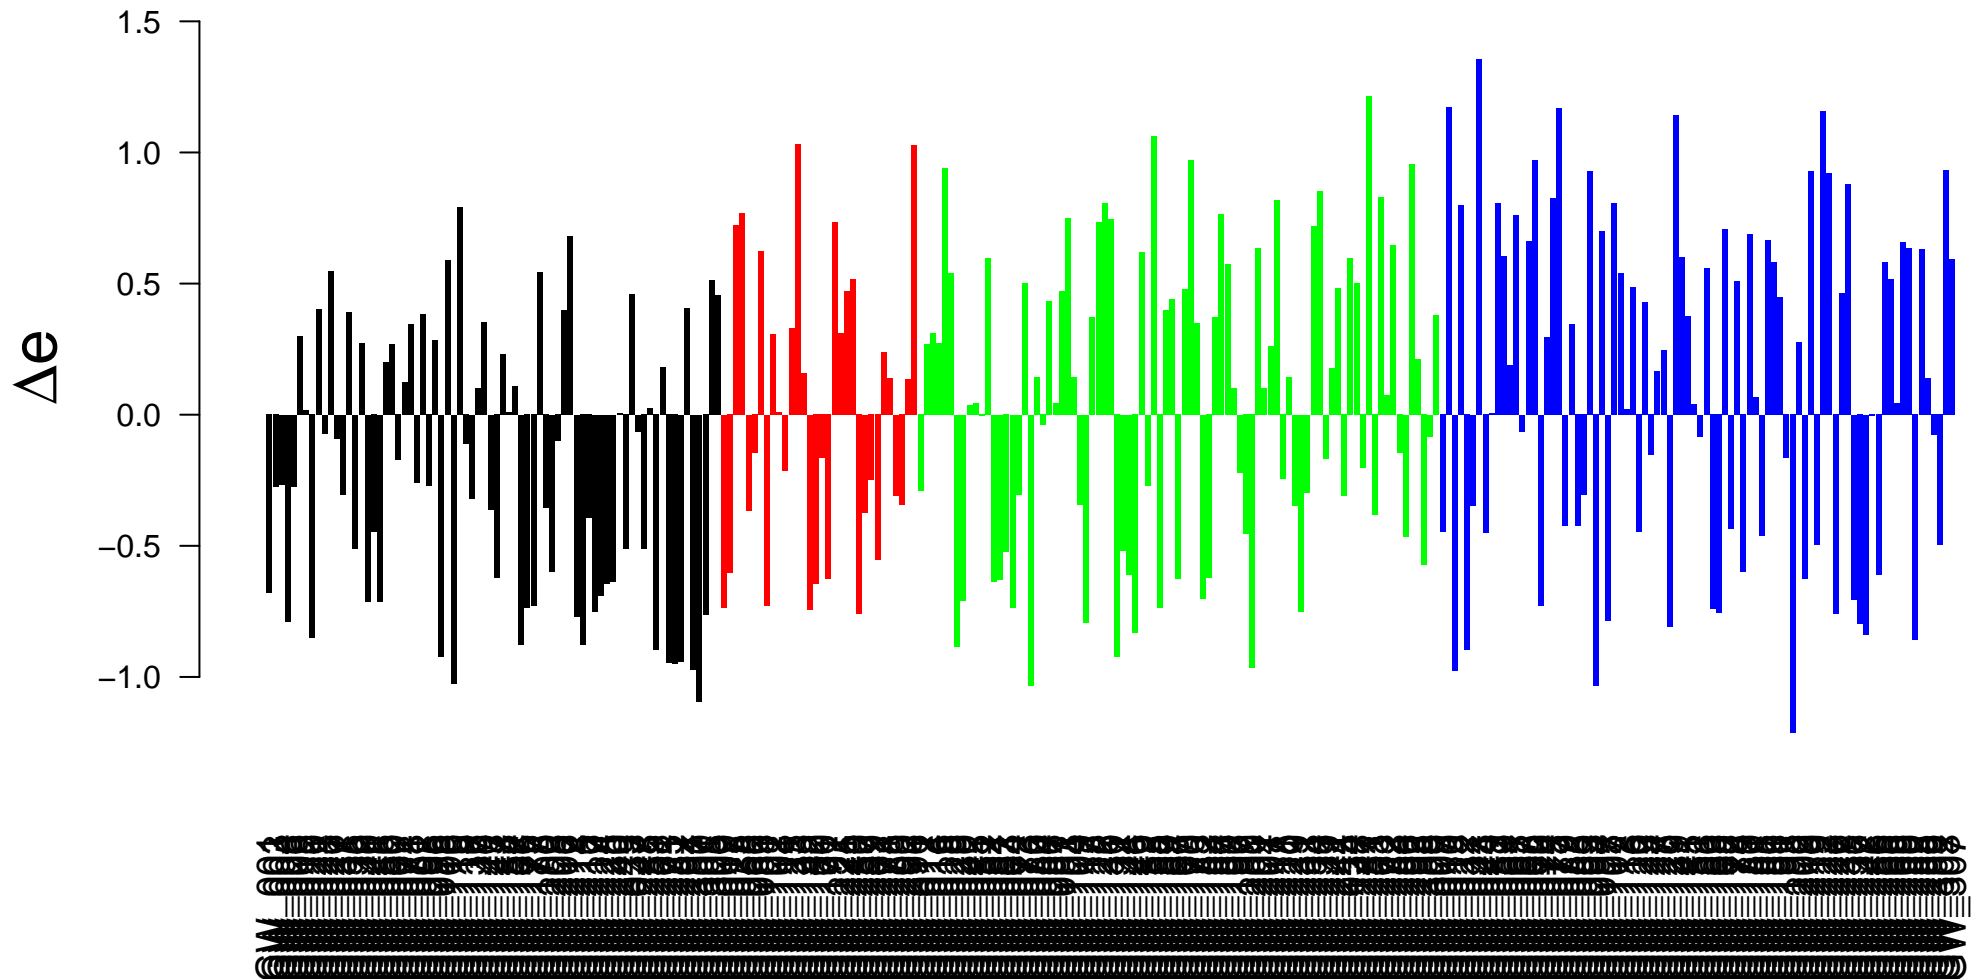

Expression of positive regulation of chondrocyte differentiation in Spot L

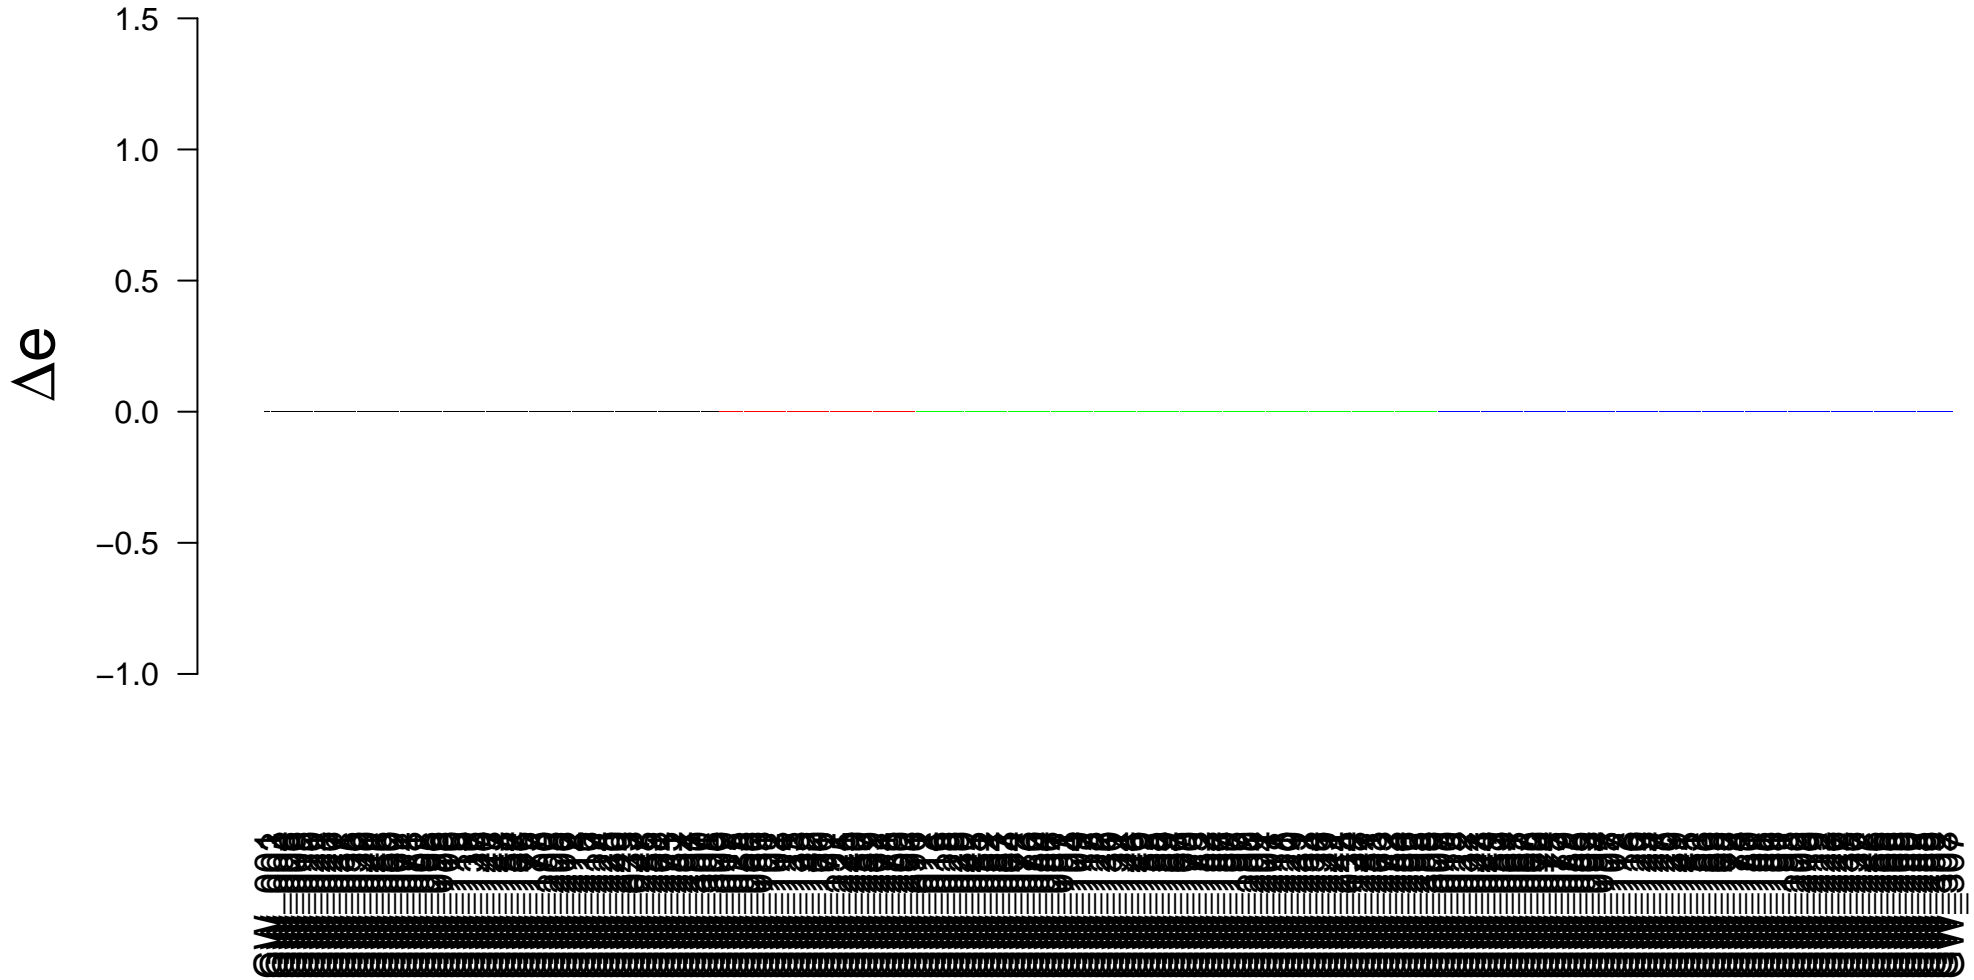

Δe

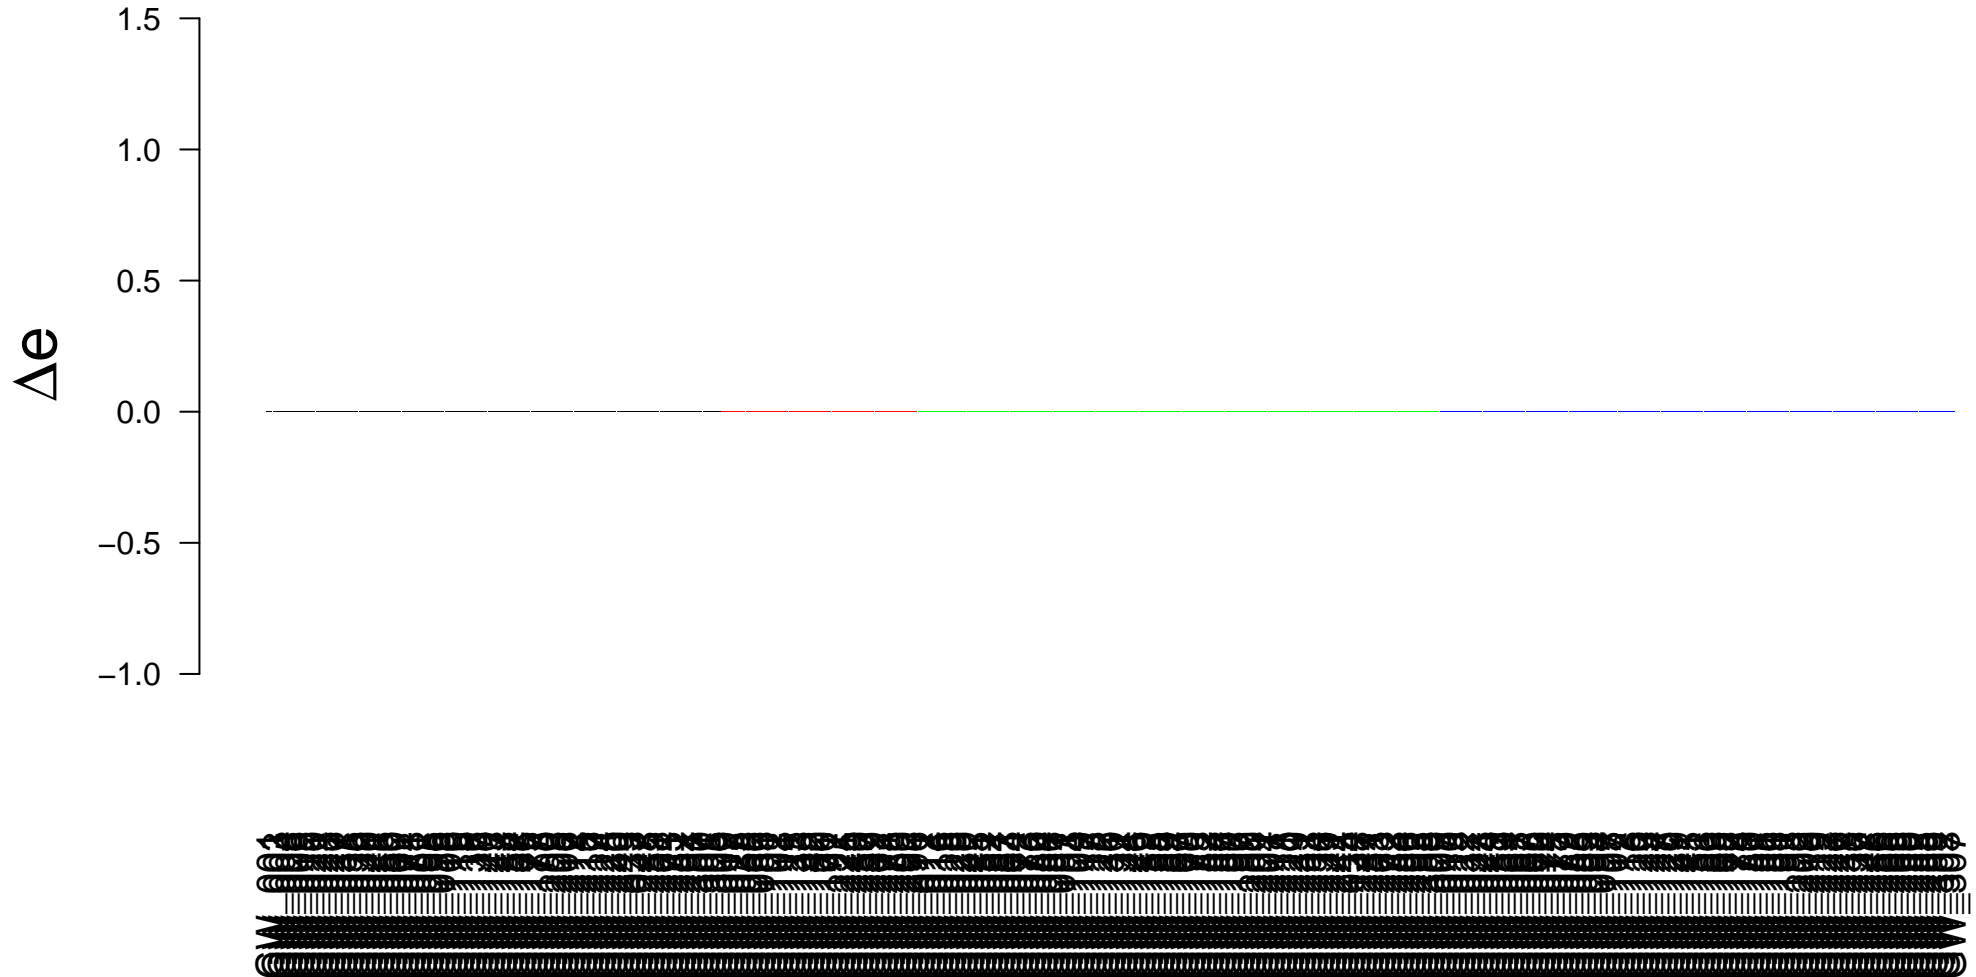

Expression of positive regulation of chondrocyte differentiation in Spot M

Expression of positive regulation of chondrocyte differentiation in Spot N

Expression of positive regulation of chondrocyte differentiation in Spot O

Expression of positive regulation of chondrocyte differentiation in Spot Q
