

positive regulation of collagen biosynthetic process

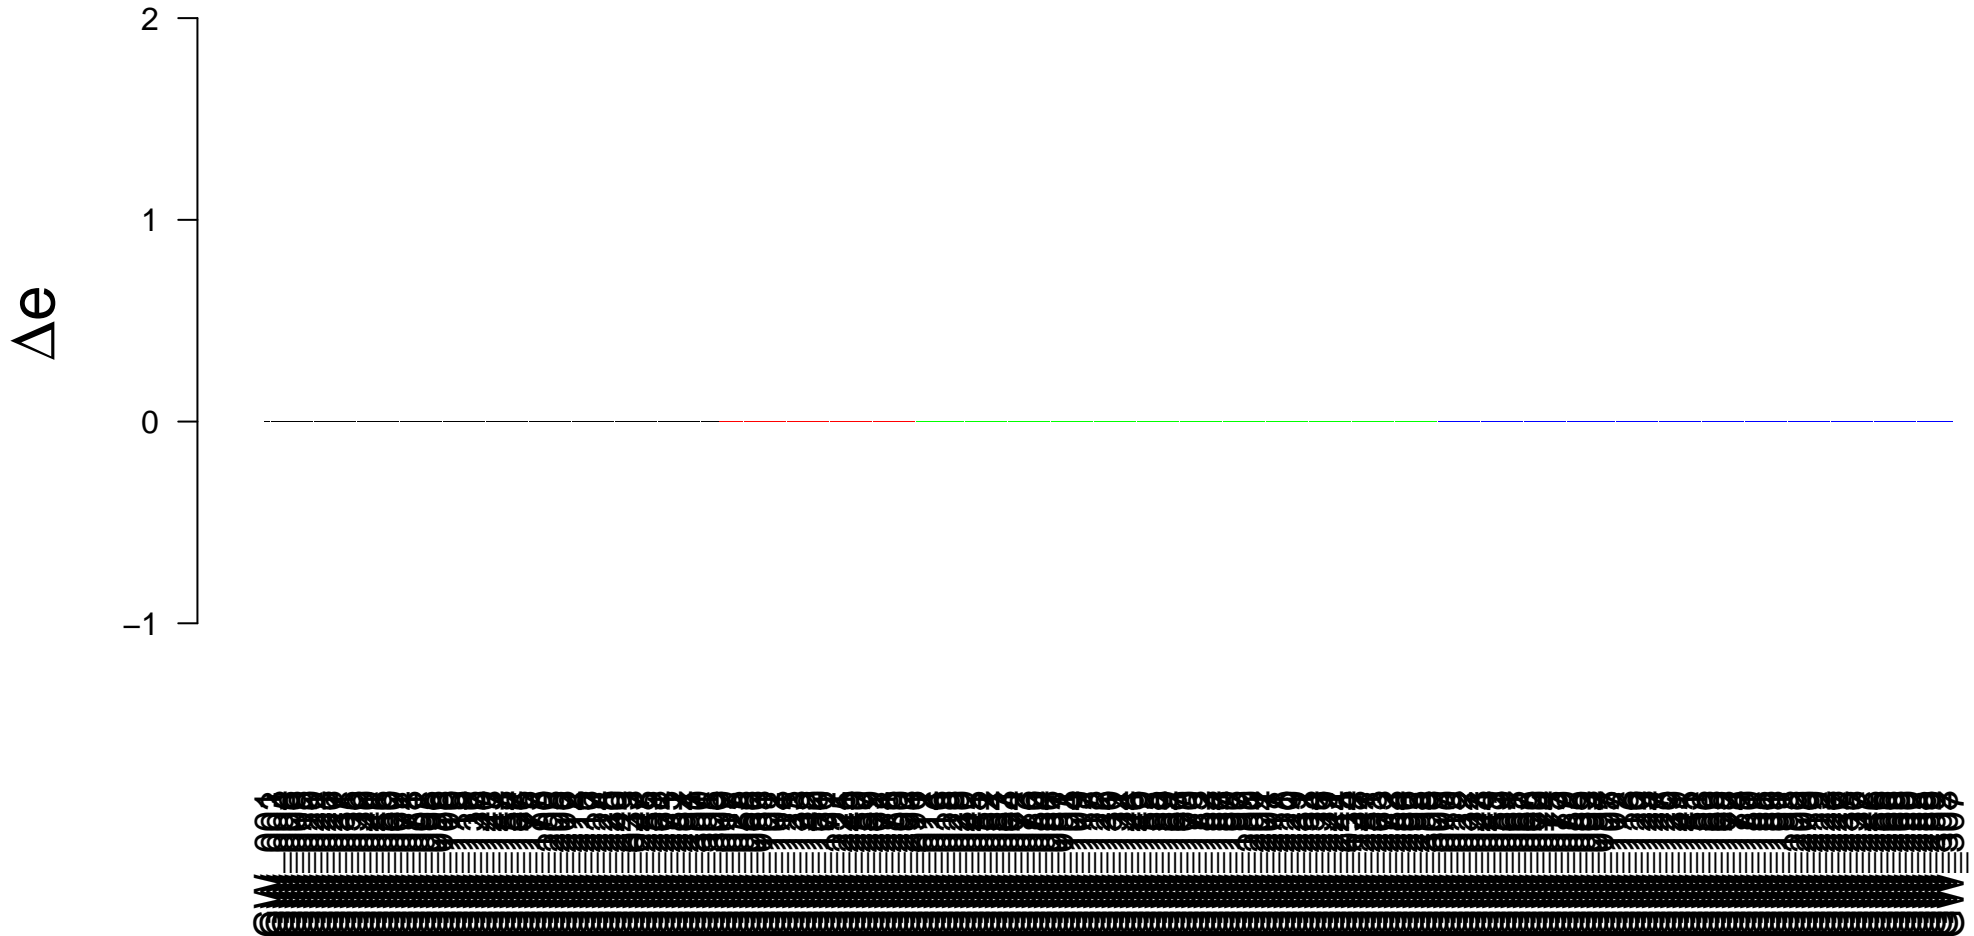

positive regulation of collagen biosynthetic process

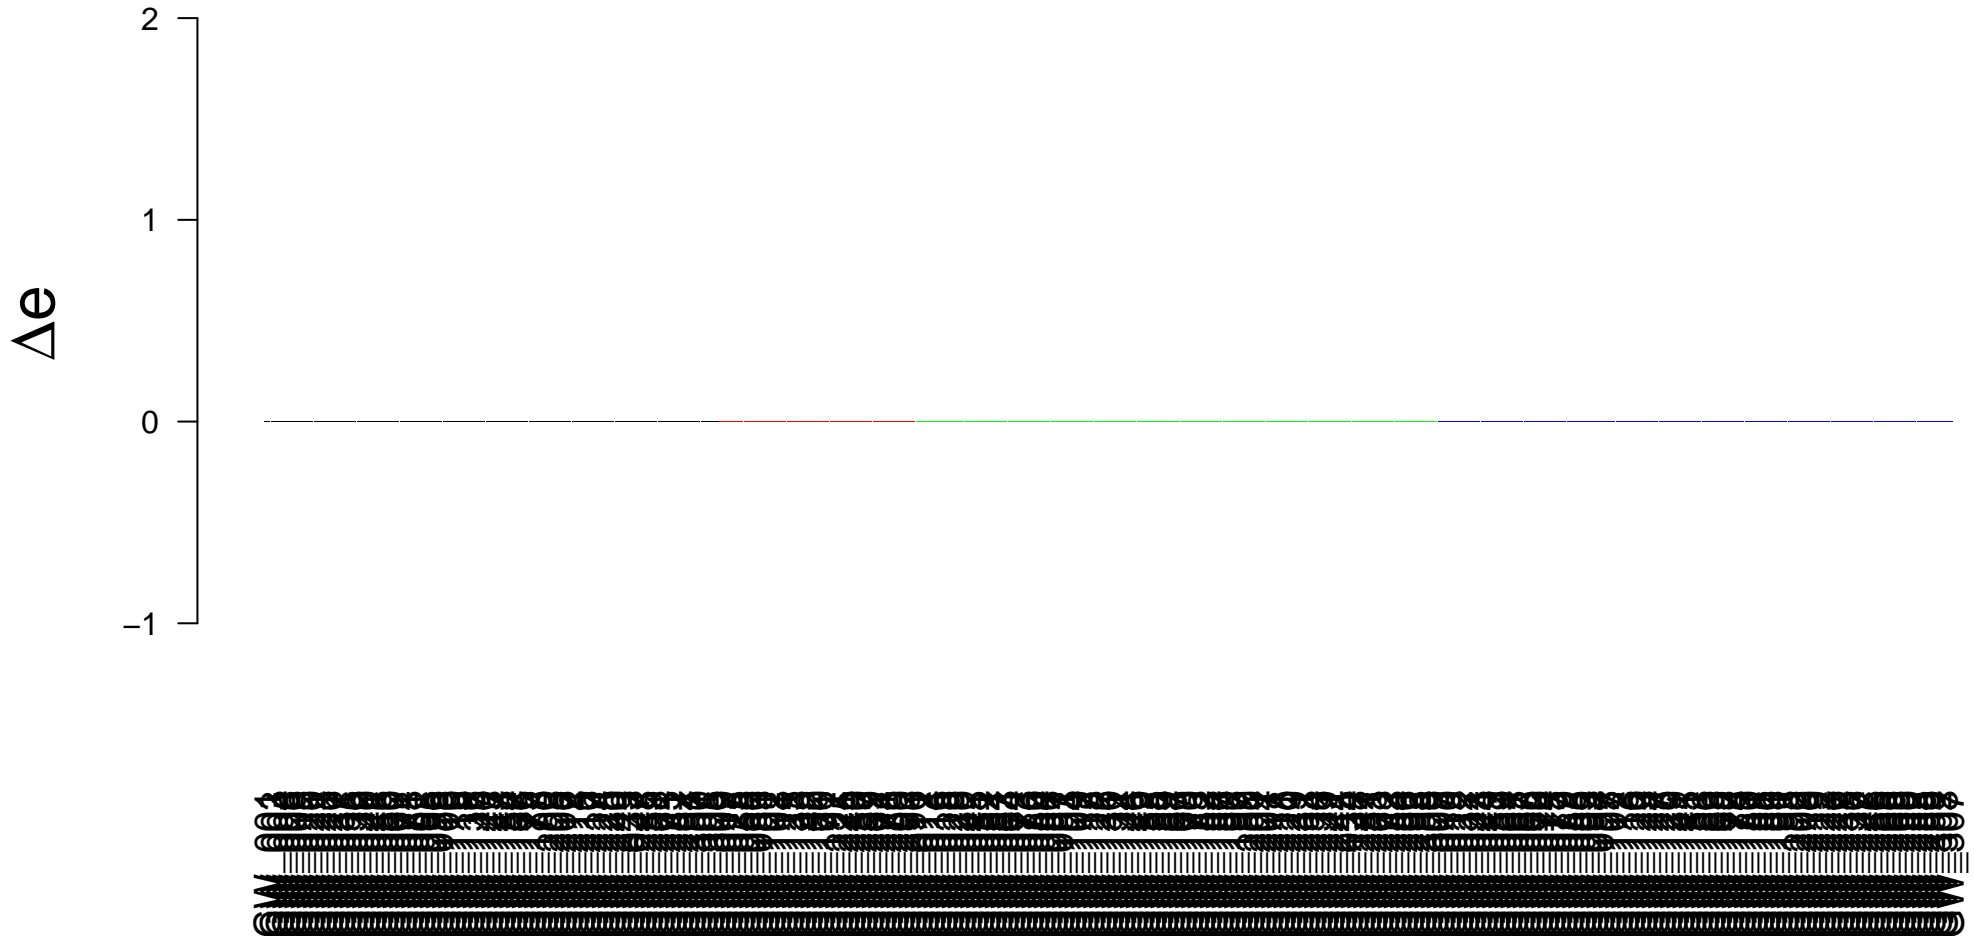

Enrichment in spots: positive regulation of collagen biosynthetic process

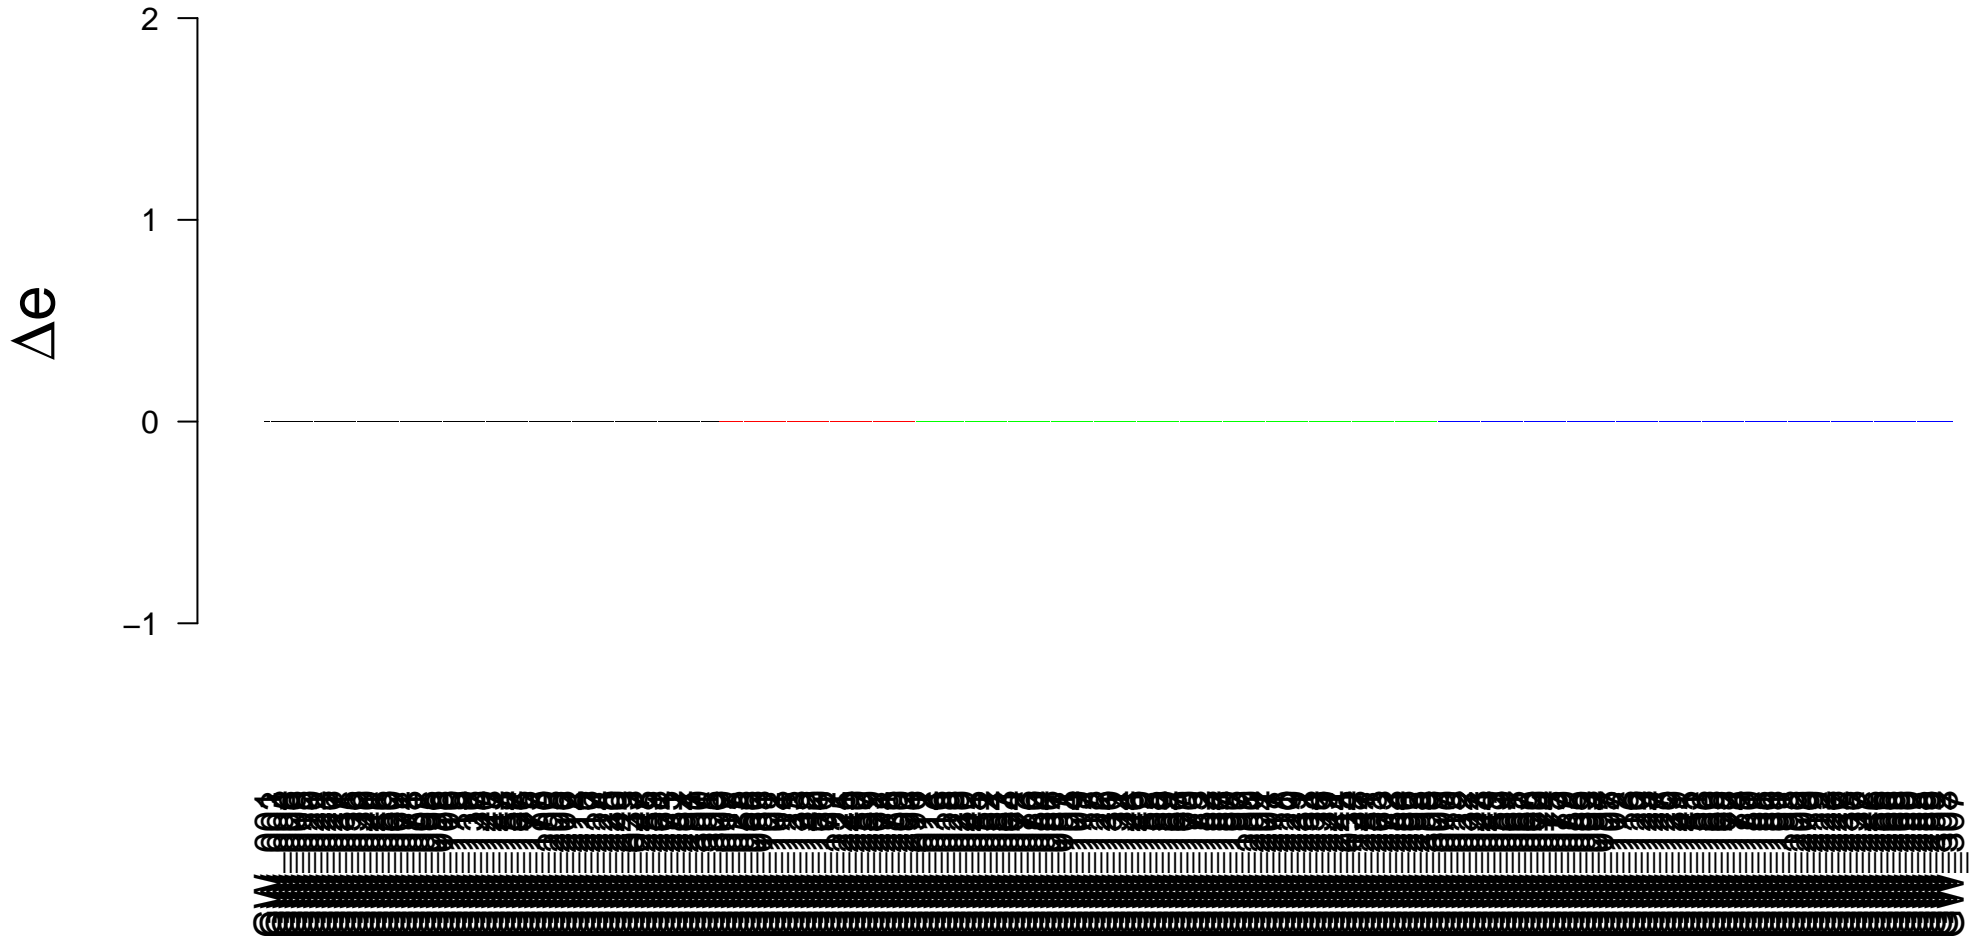

Expression of positive regulation of collagen biosynthetic process in Spot A

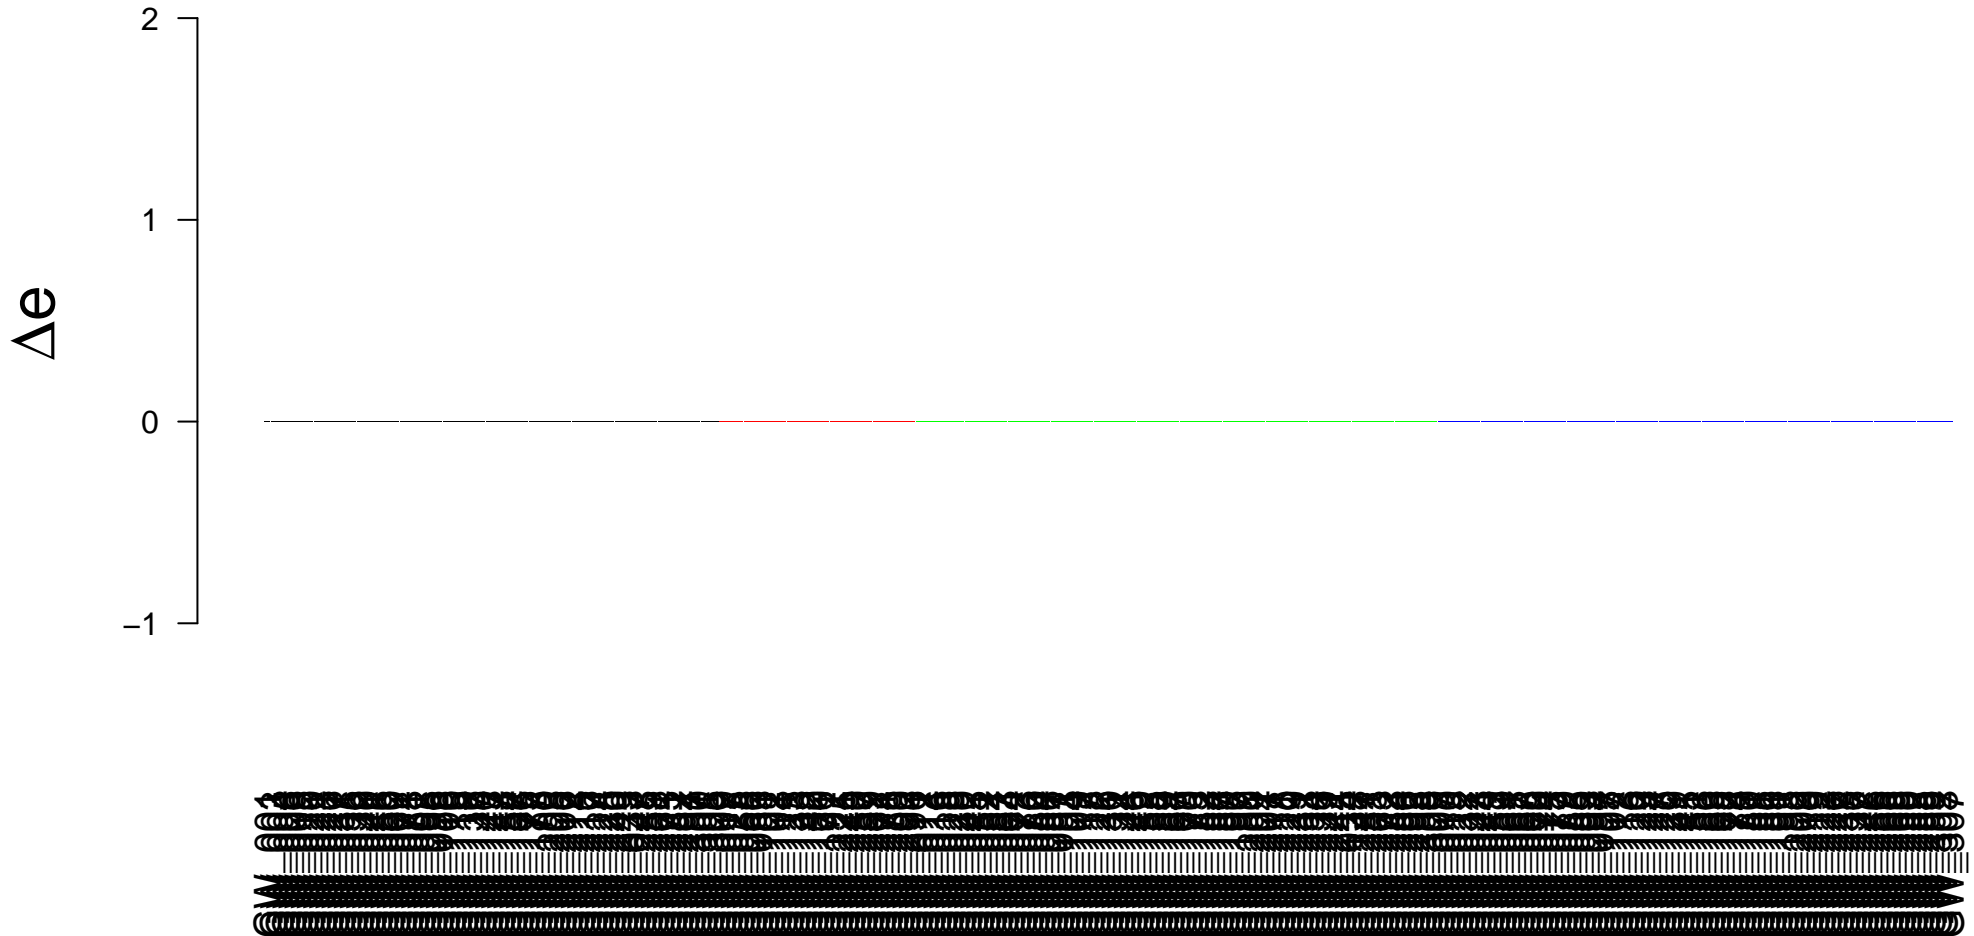

Expression of positive regulation of collagen biosynthetic process in Spot B

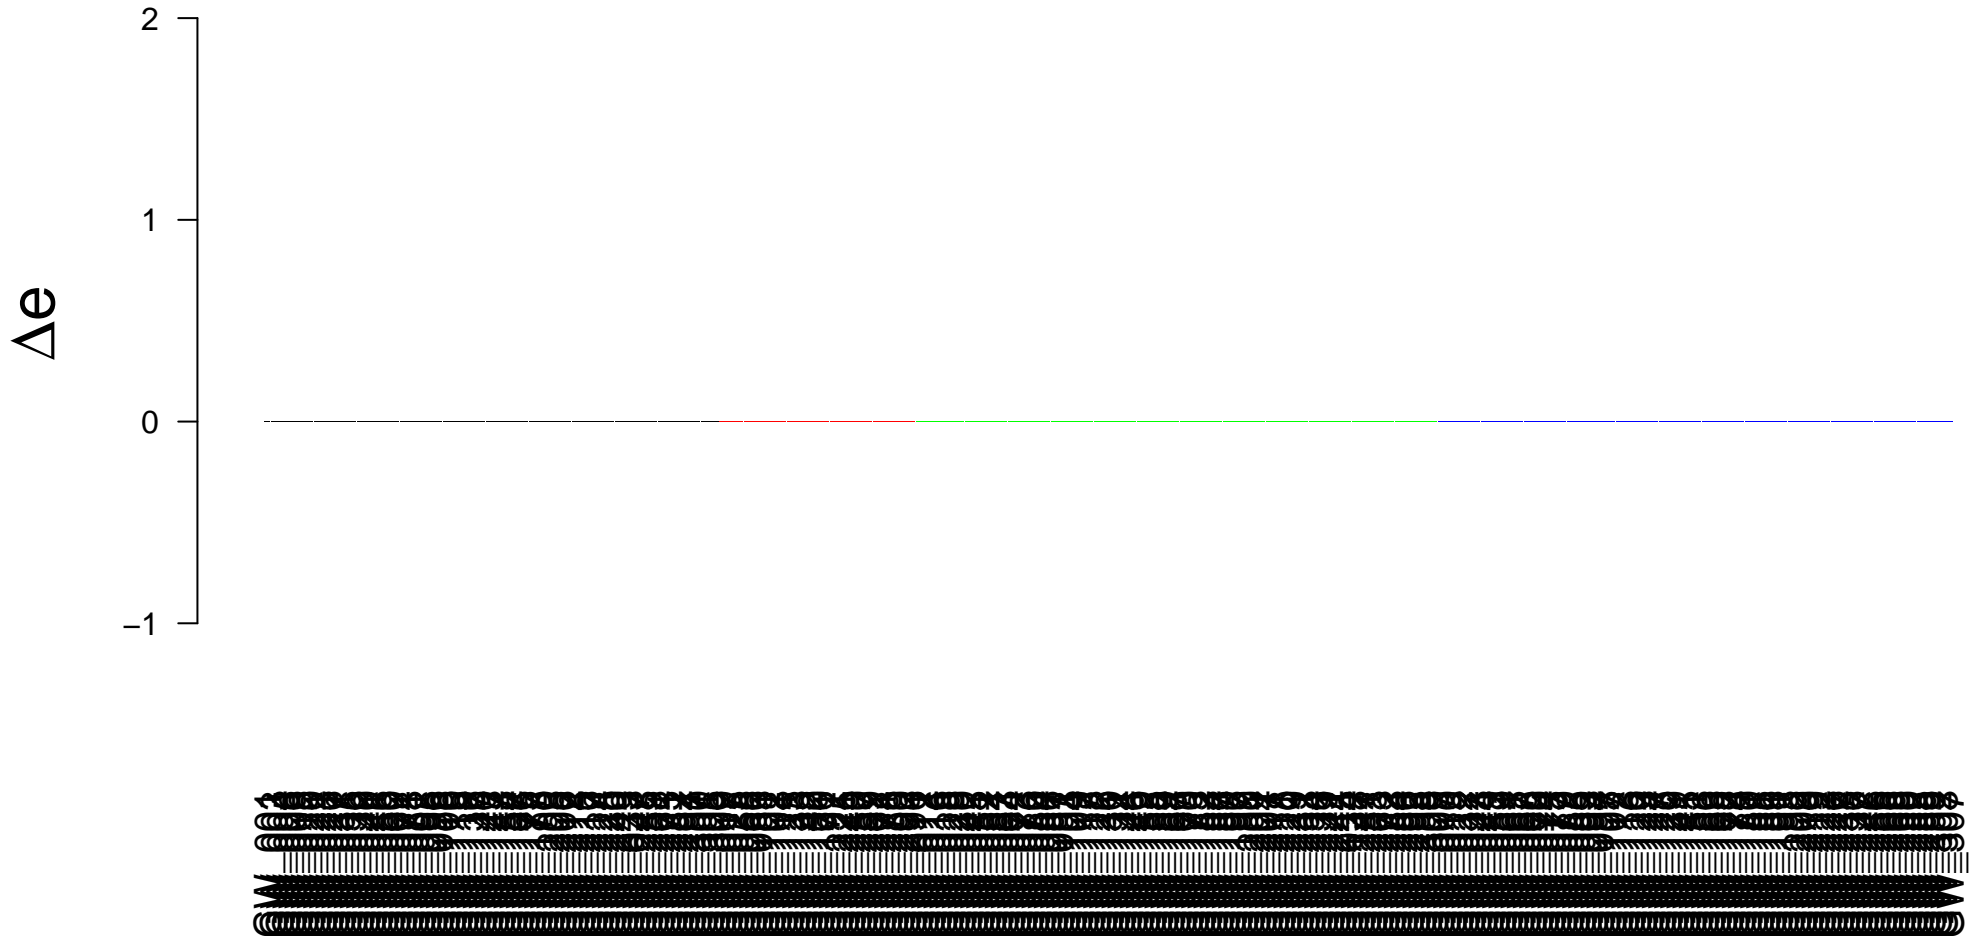

Expression of positive regulation of collagen biosynthetic process in Spot C

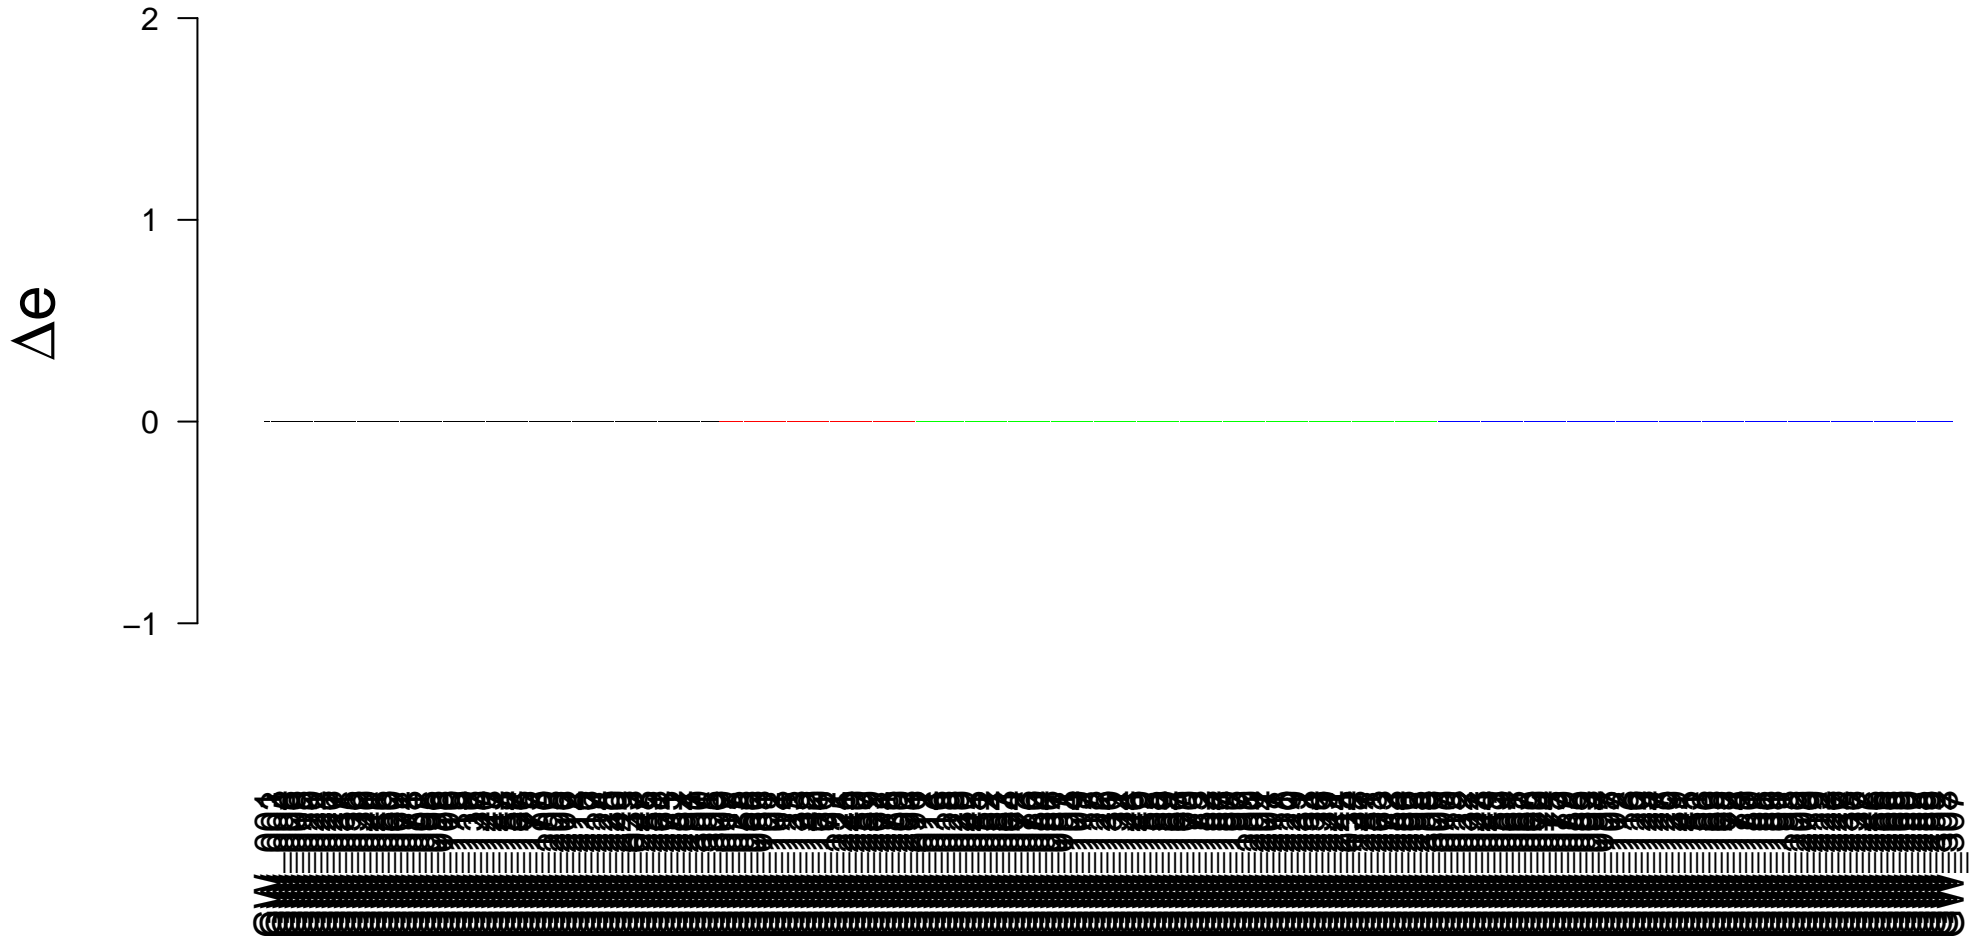

Expression of positive regulation of collagen biosynthetic process in Spot D

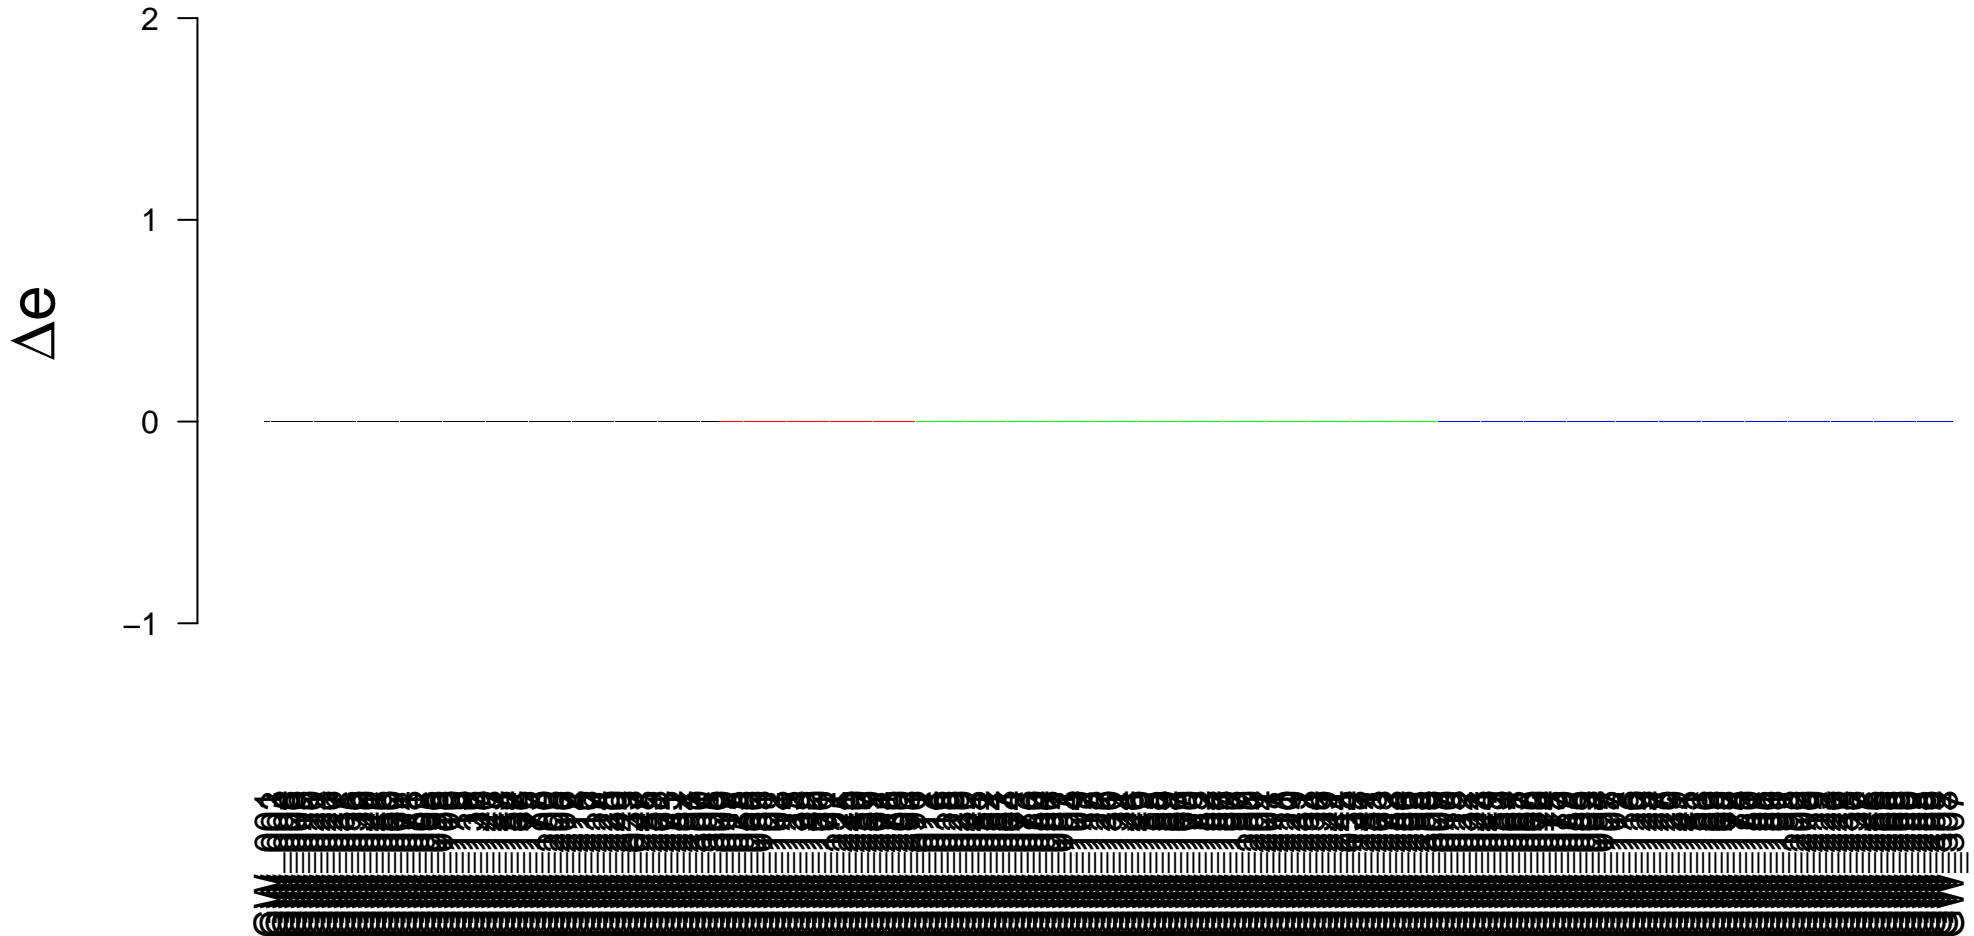

Expression of positive regulation of collagen biosynthetic process in Spot E

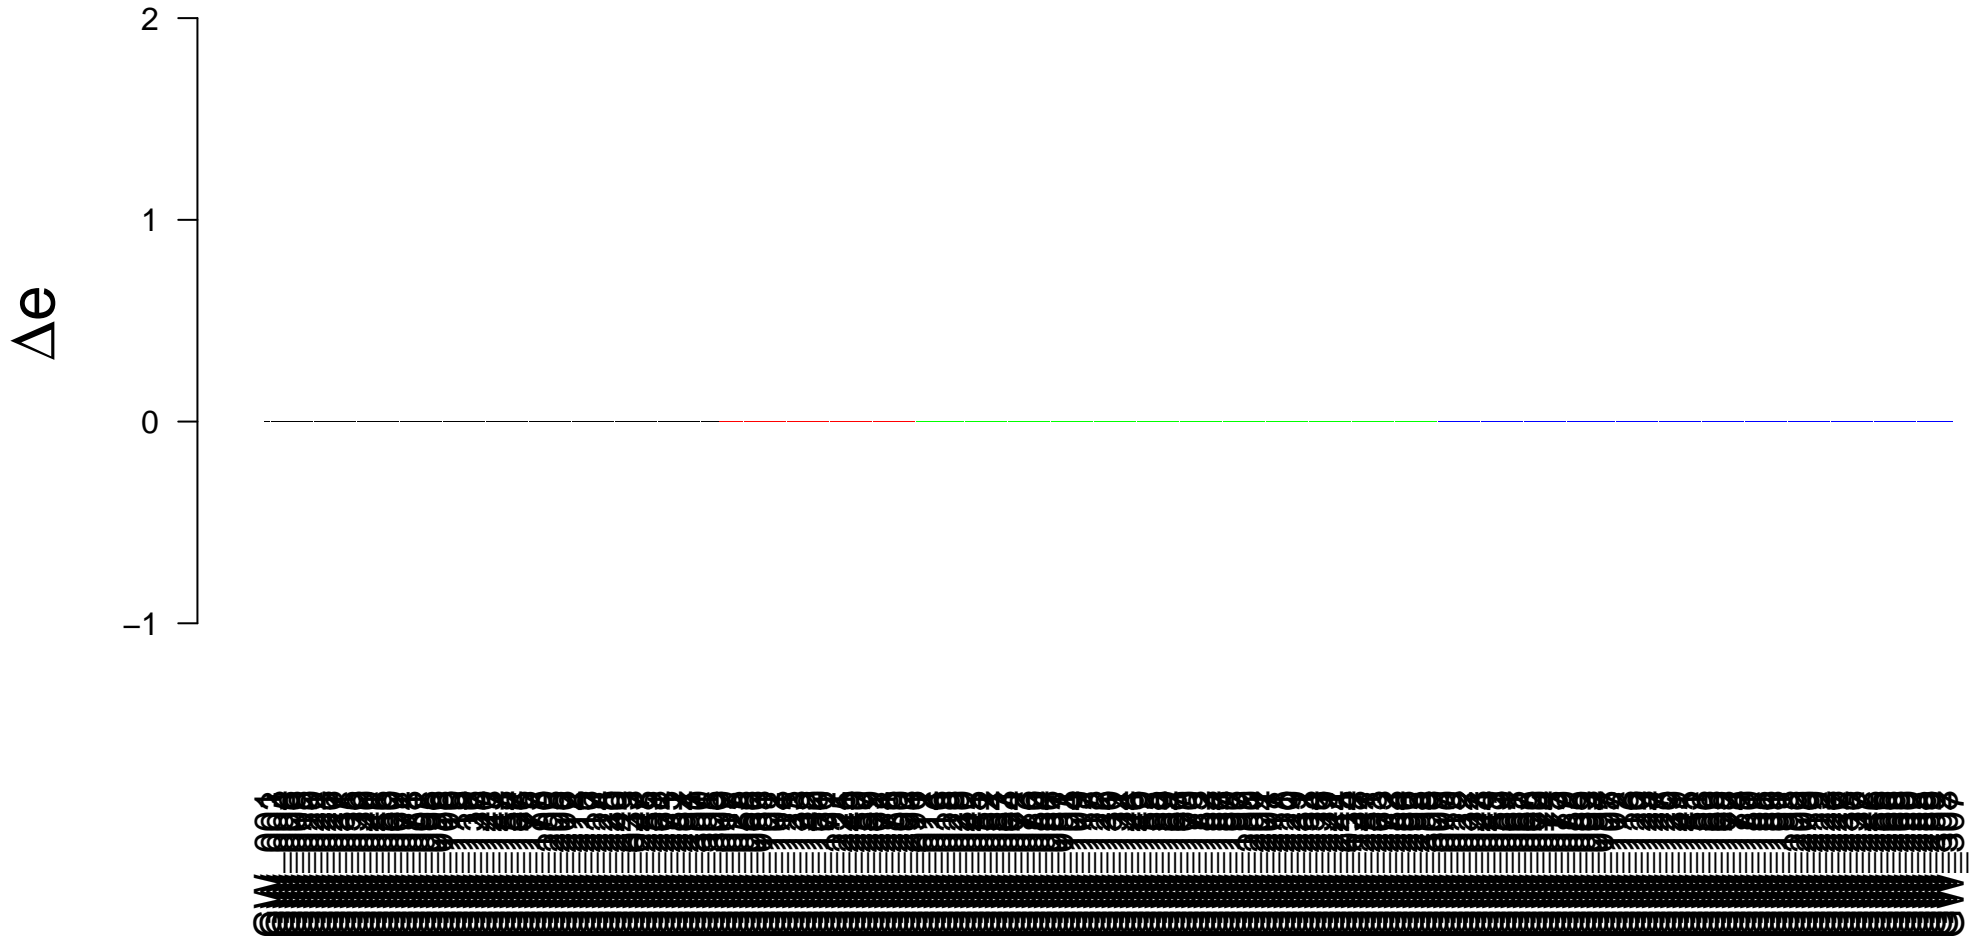

Expression of positive regulation of collagen biosynthetic process in Spot F

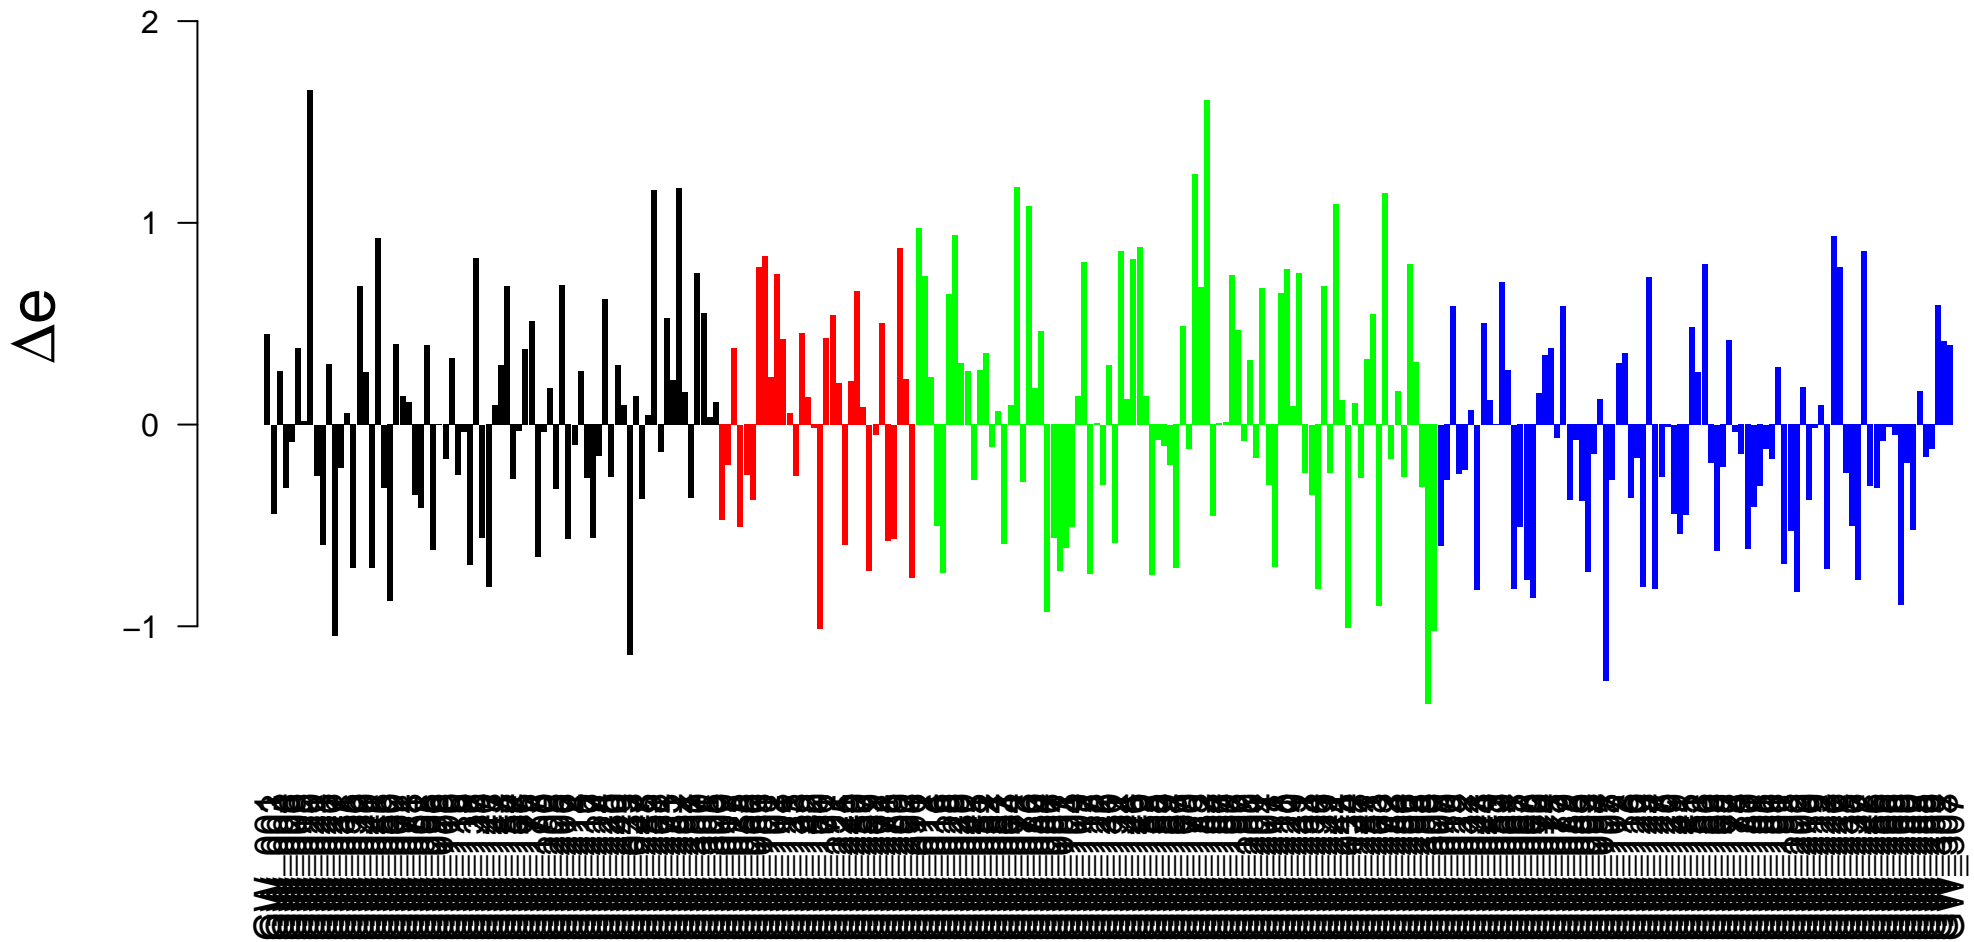

Expression of positive regulation of collagen biosynthetic process in Spot G

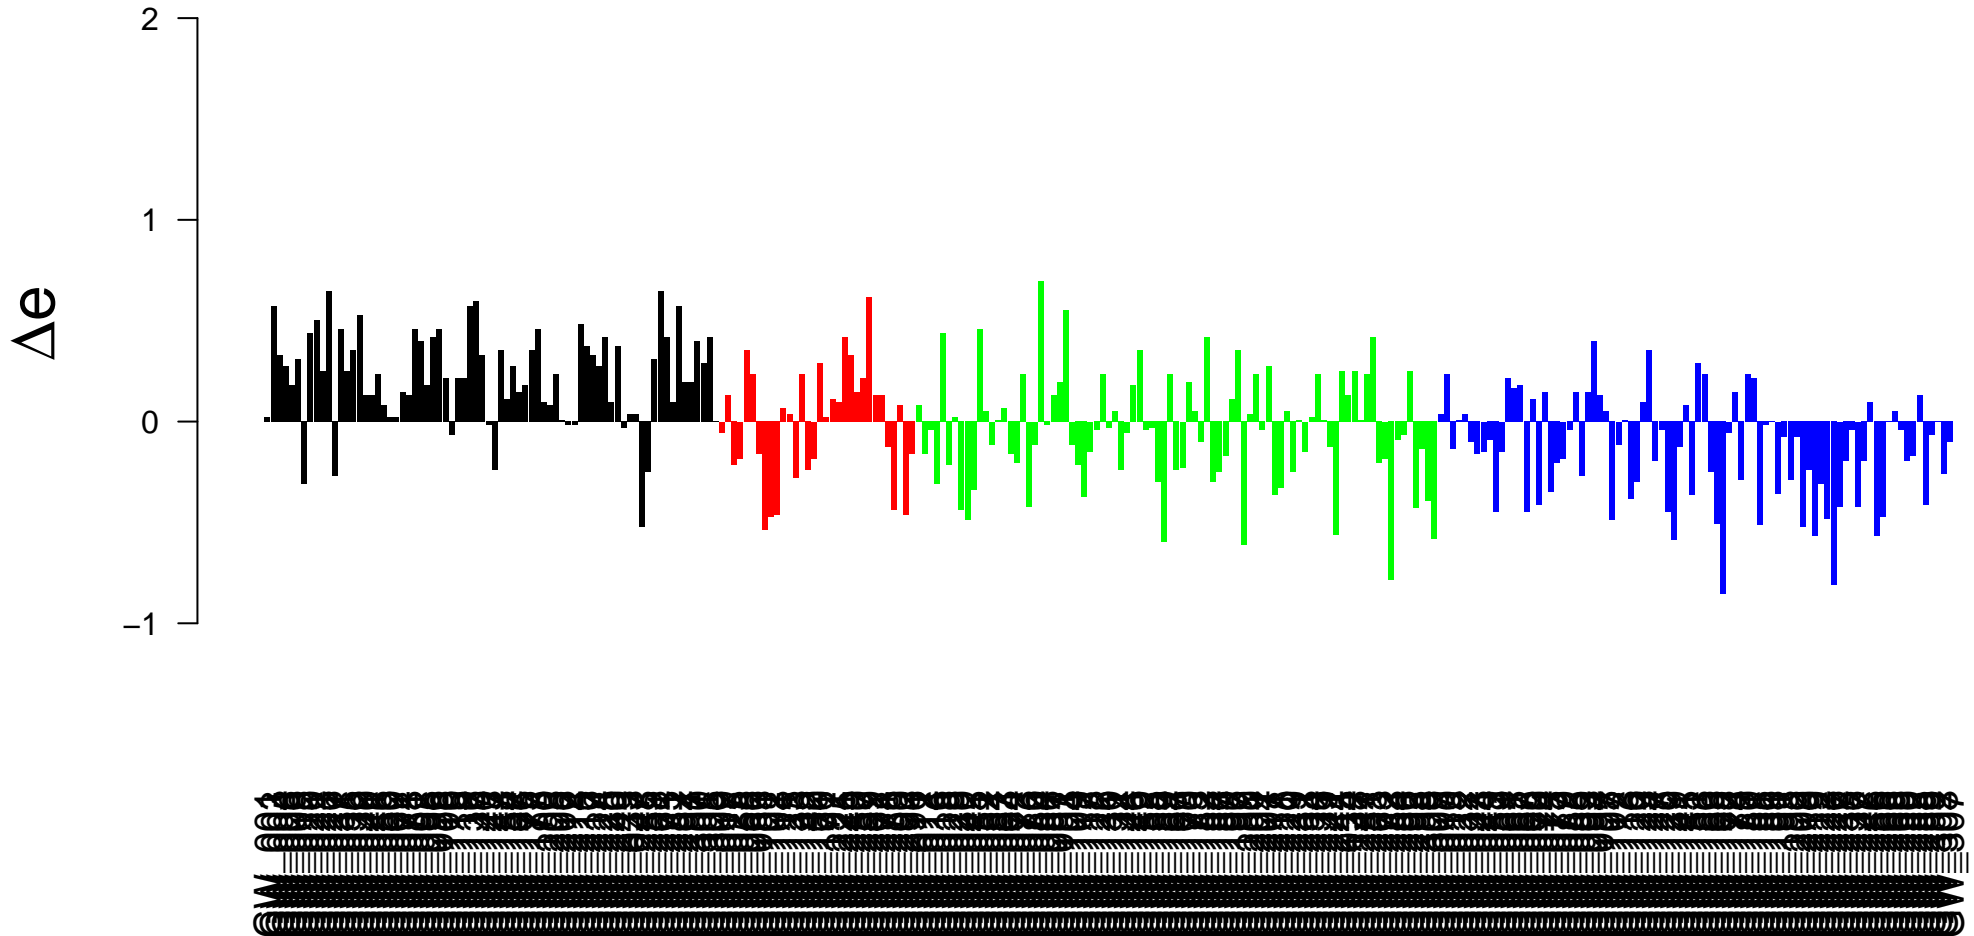

Expression of positive regulation of collagen biosynthetic process in Spot H

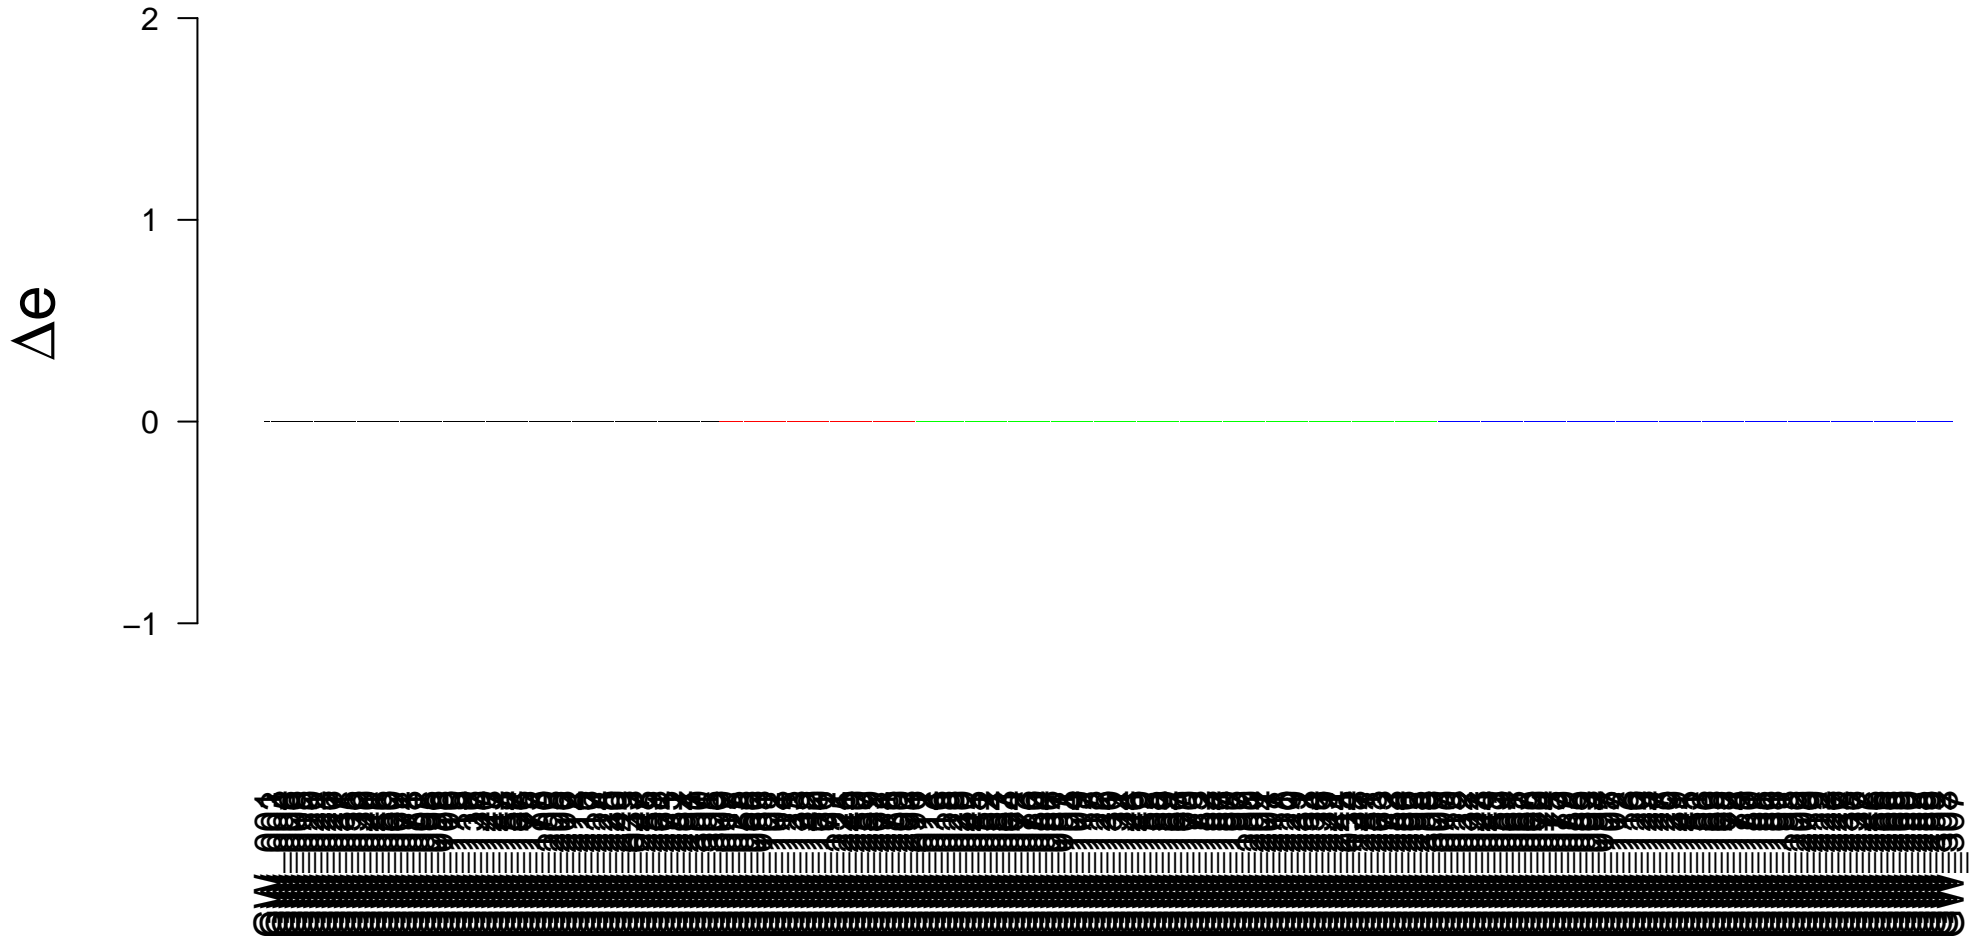

Expression of positive regulation of collagen biosynthetic process in Spot I

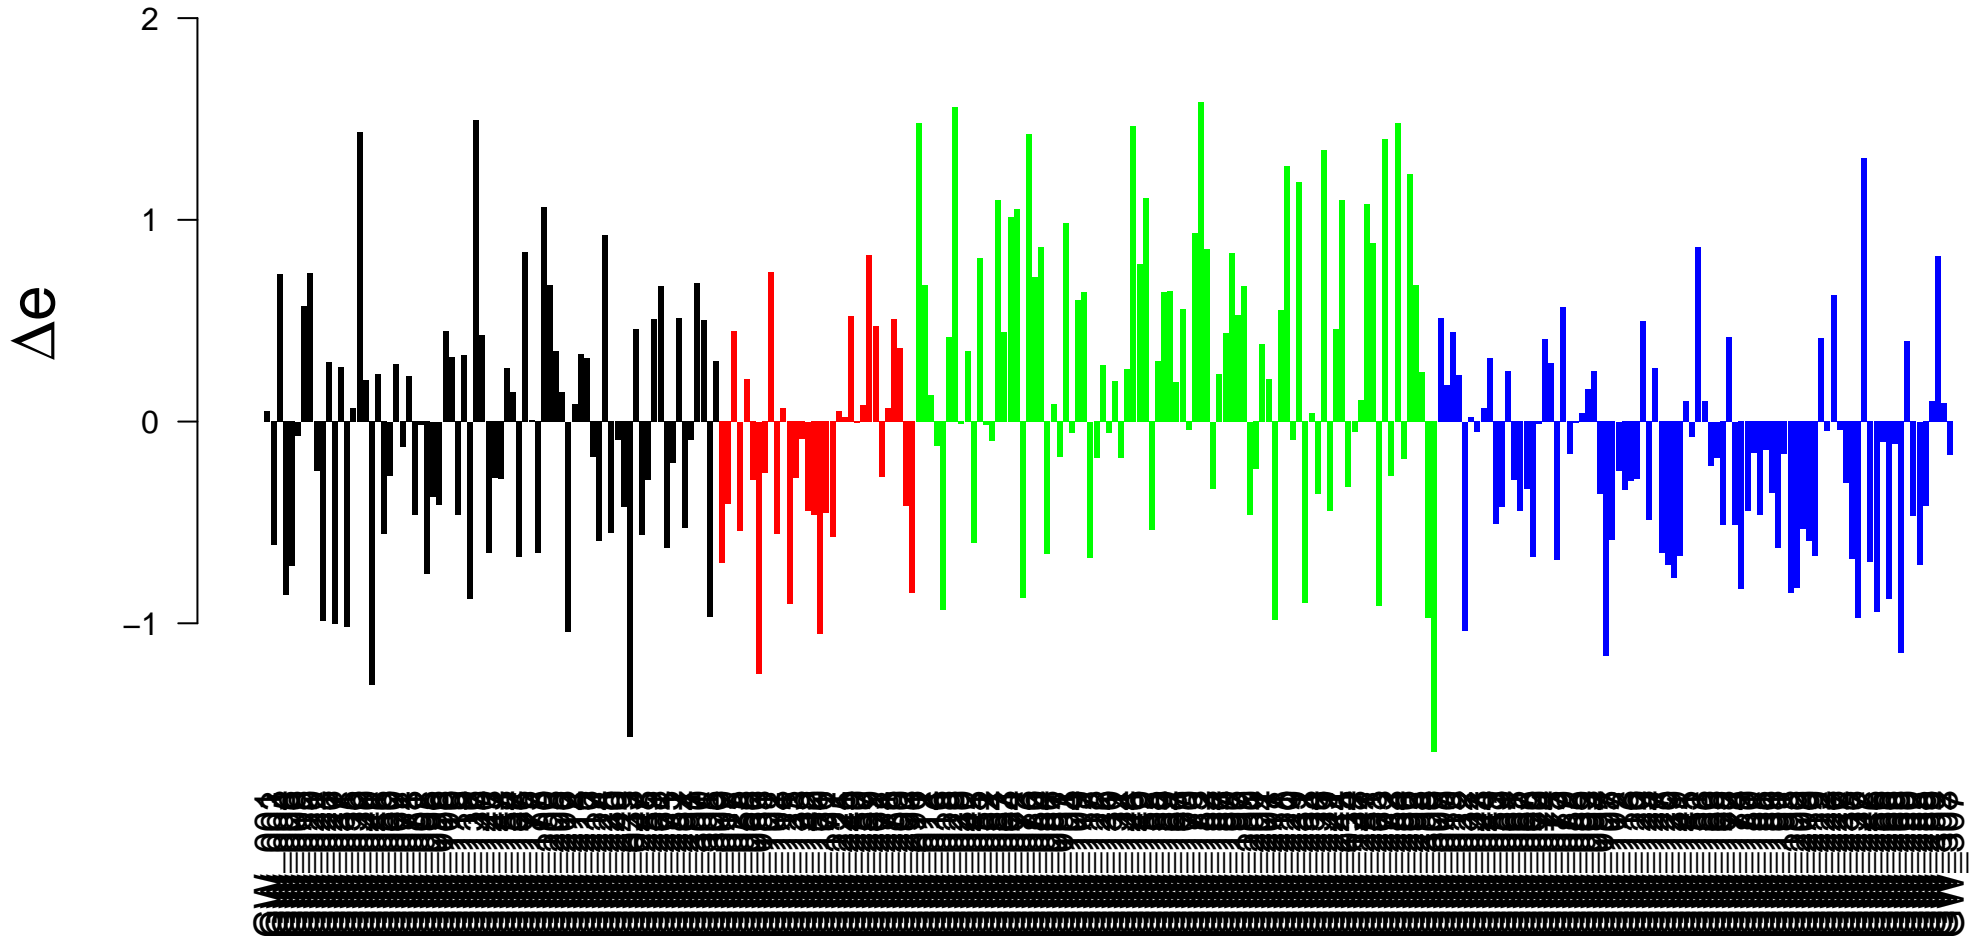

Expression of positive regulation of collagen biosynthetic process in Spot J

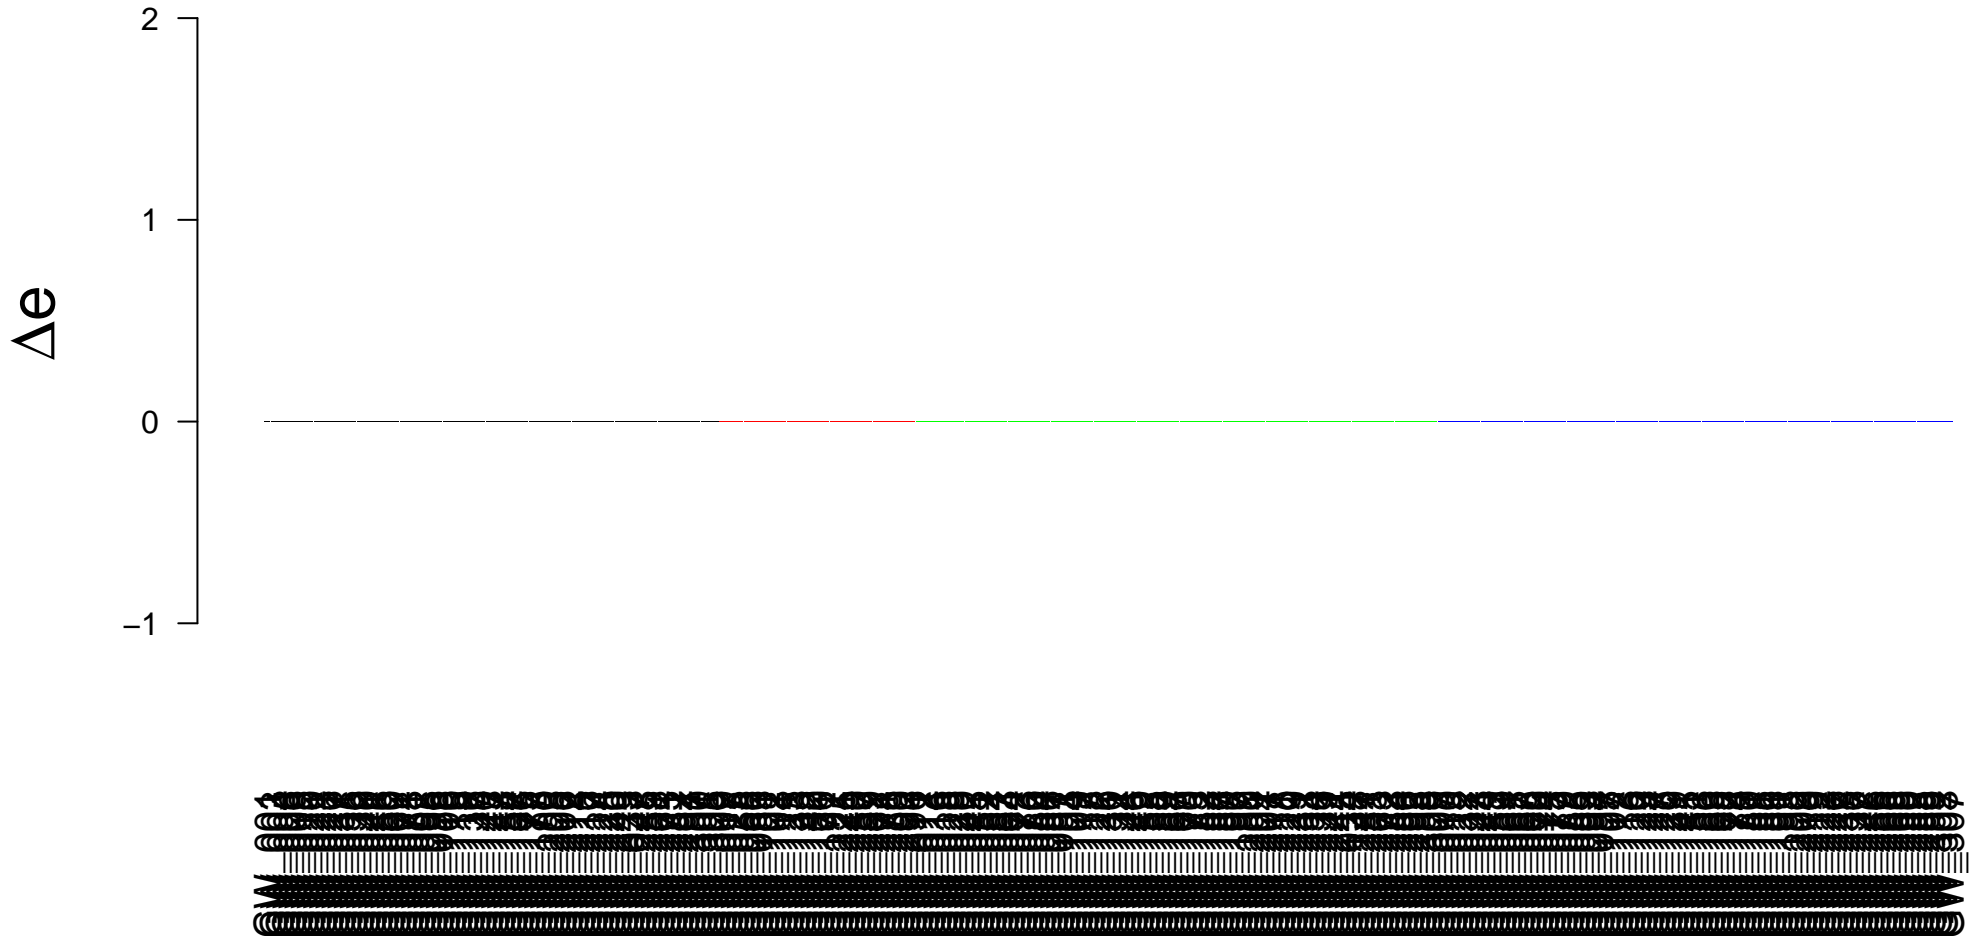

Expression of positive regulation of collagen biosynthetic process in Spot K

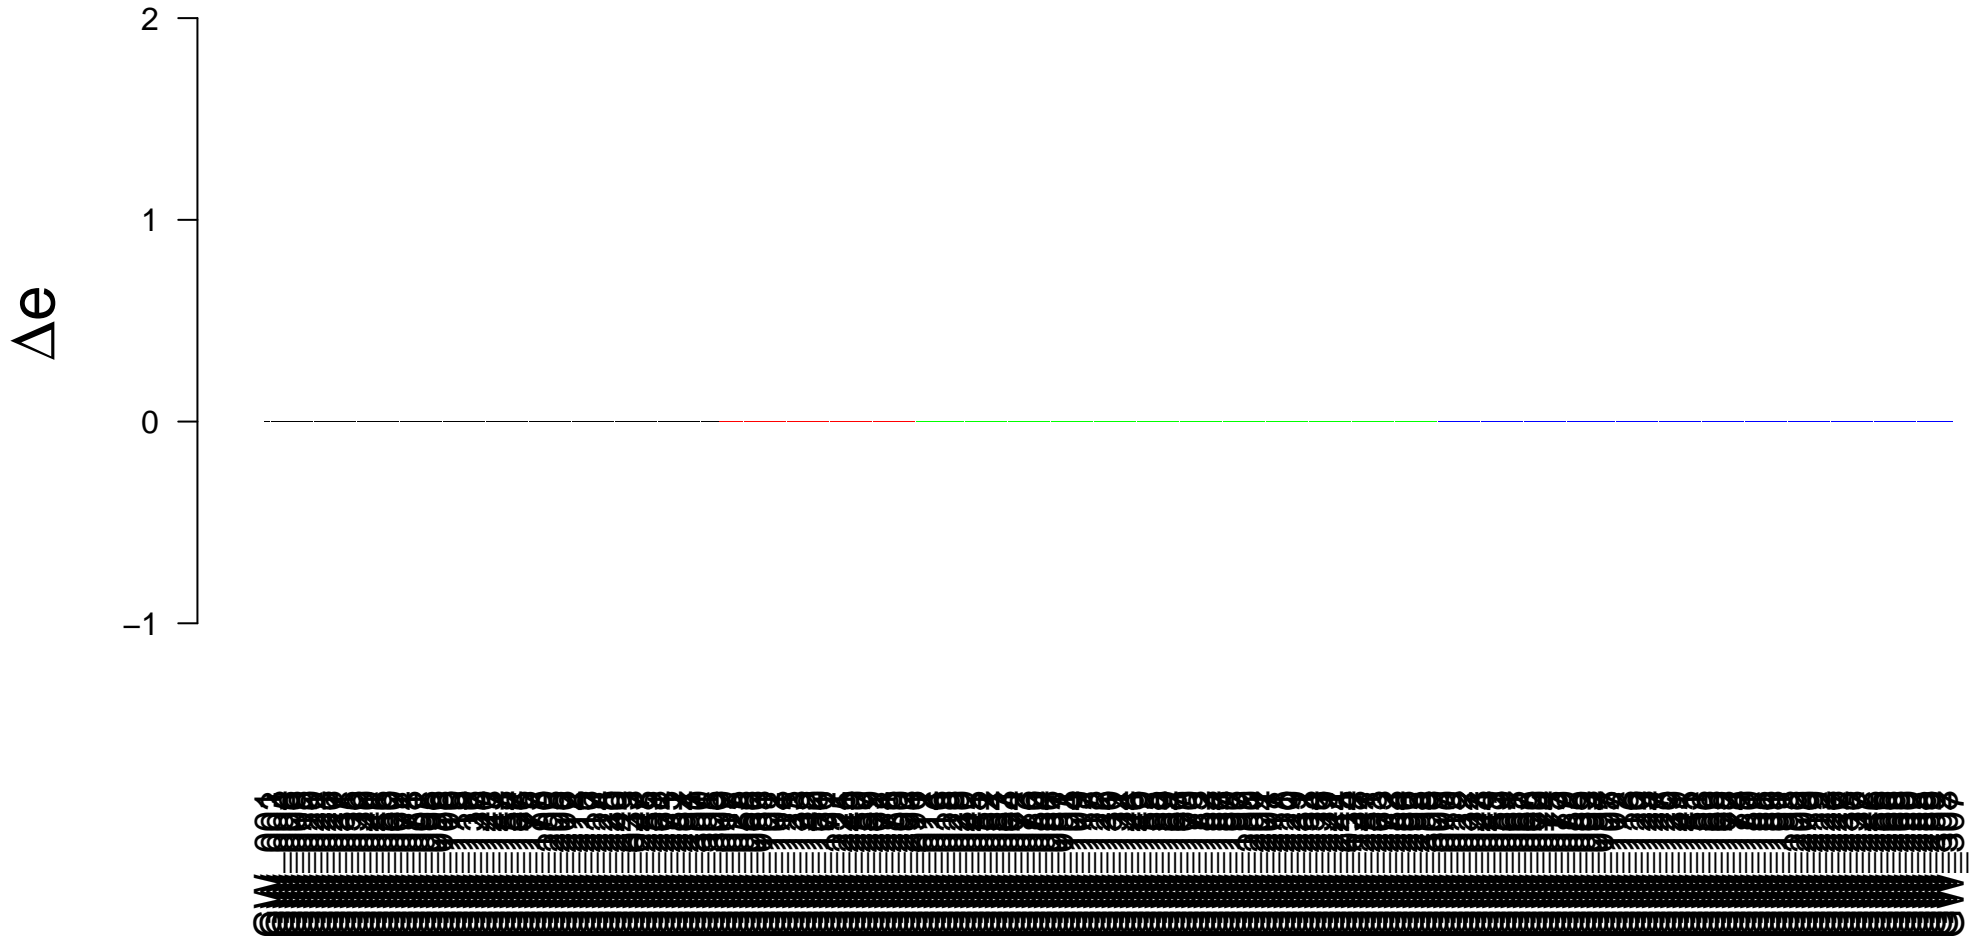

Expression of positive regulation of collagen biosynthetic process in Spot L

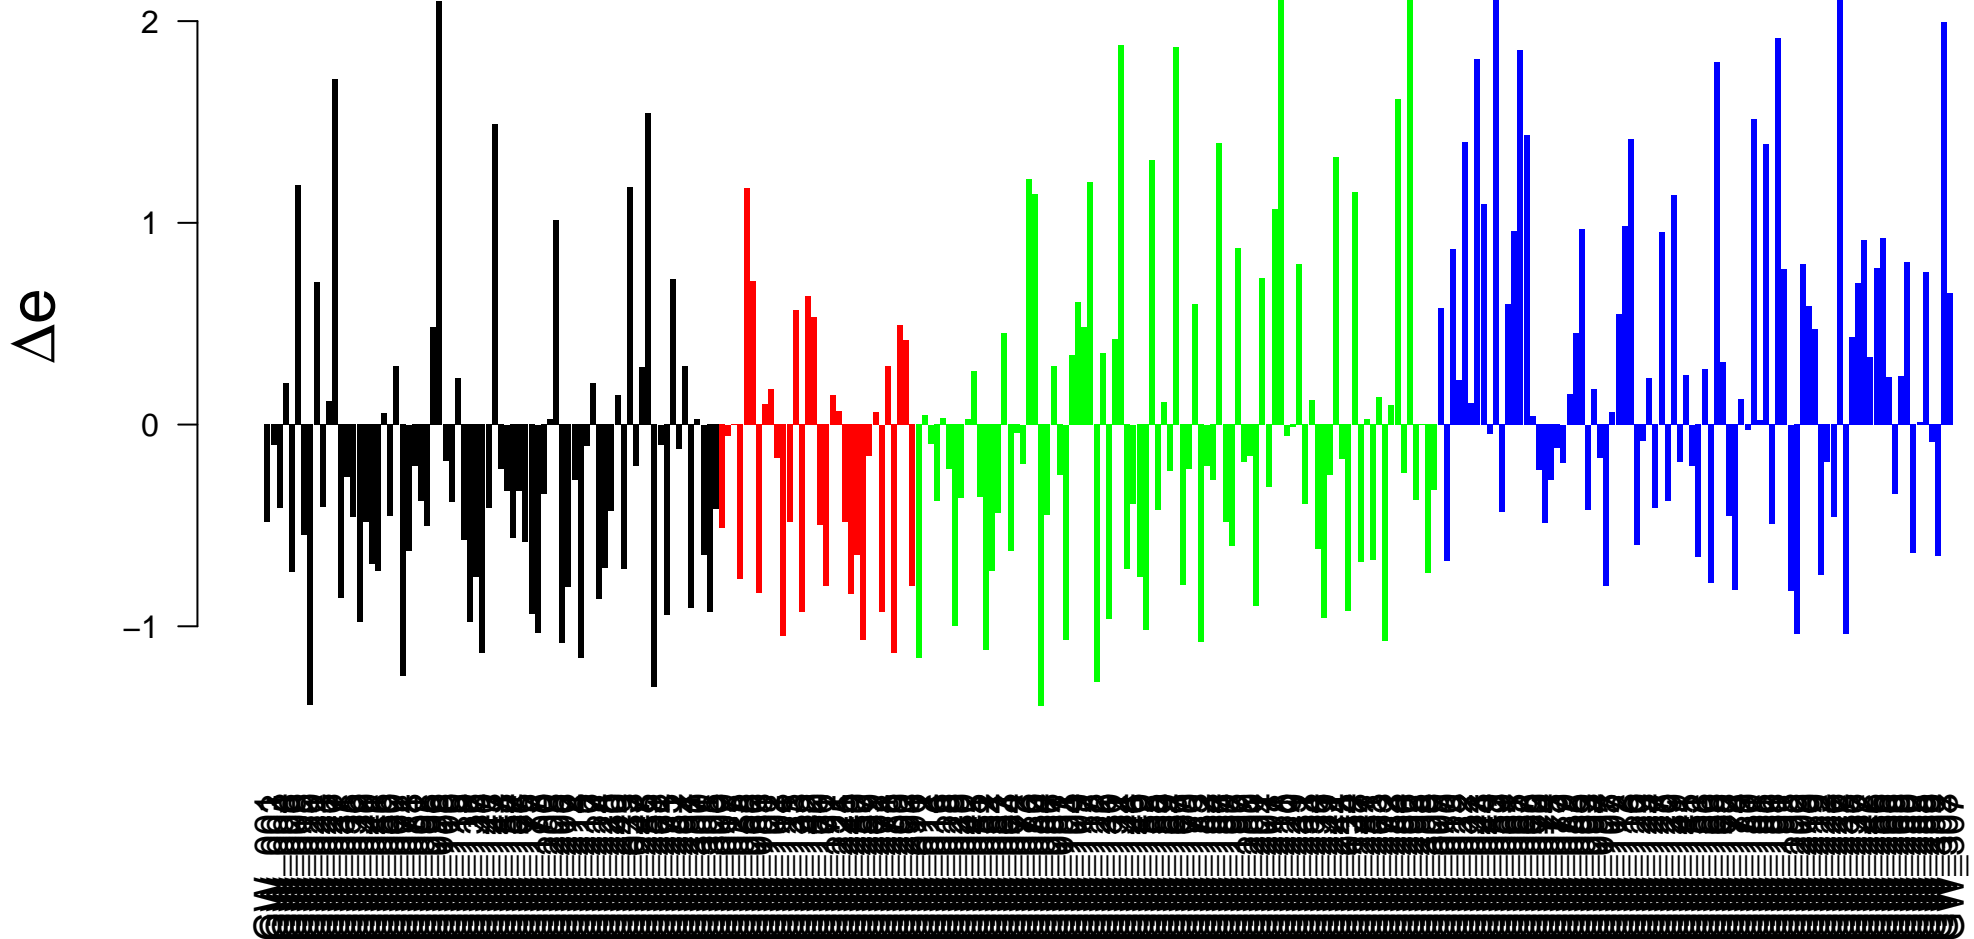

Expression of positive regulation of collagen biosynthetic process in Spot M

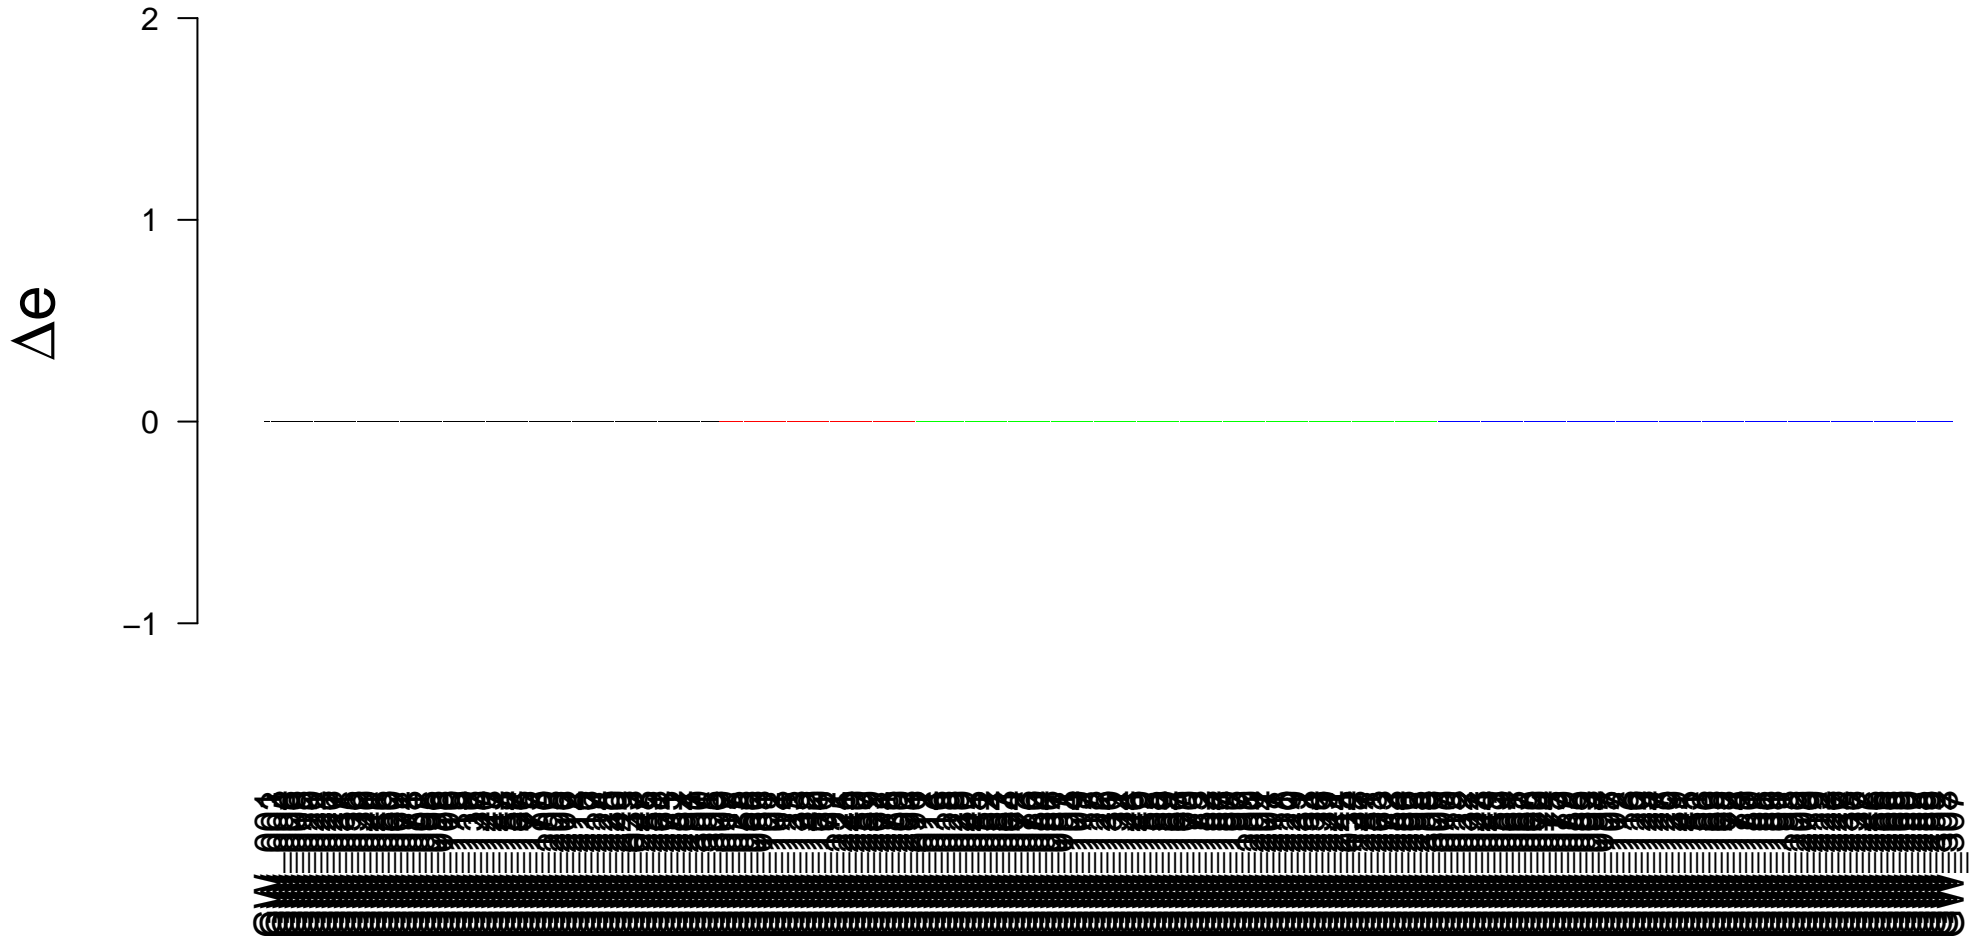

Expression of positive regulation of collagen biosynthetic process in Spot N

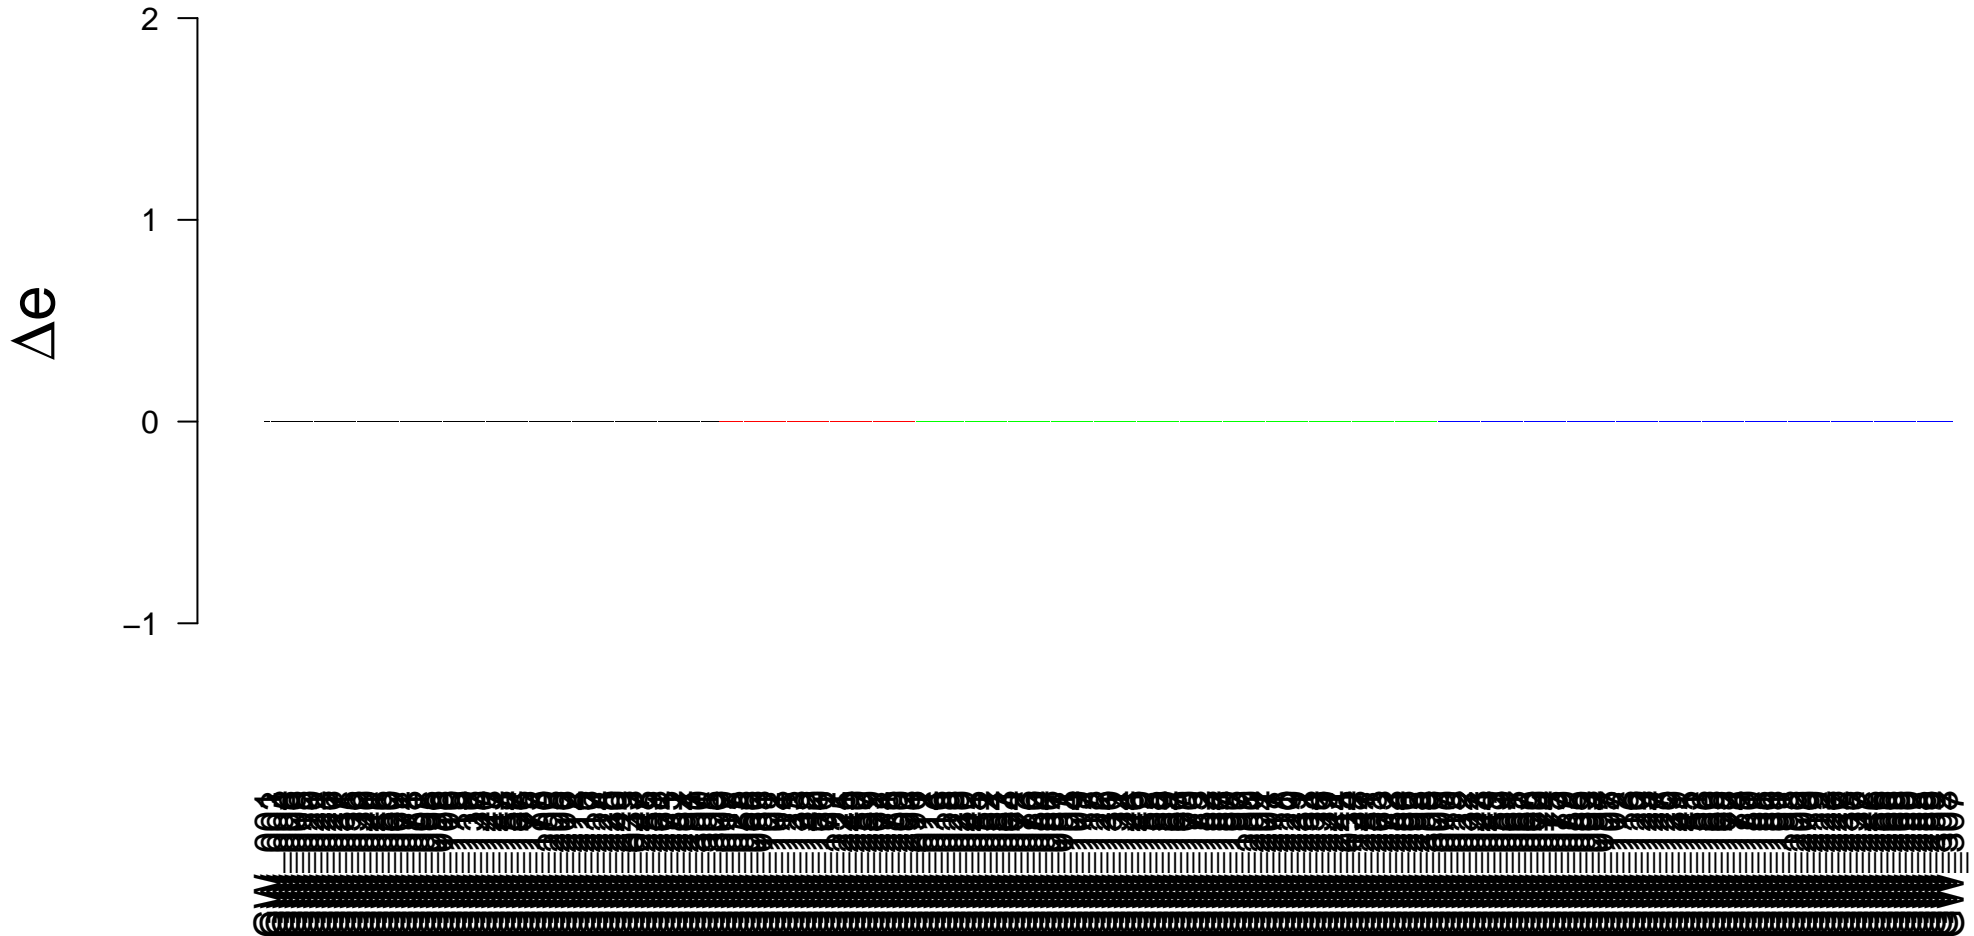

Expression of positive regulation of collagen biosynthetic process in Spot O

Expression of positive regulation of collagen biosynthetic process in Spot P

Expression of positive regulation of collagen biosynthetic process in Spot Q

Expression of positive regulation of collagen biosynthetic process in Spot R
