

positive regulation of defense response to virus by host

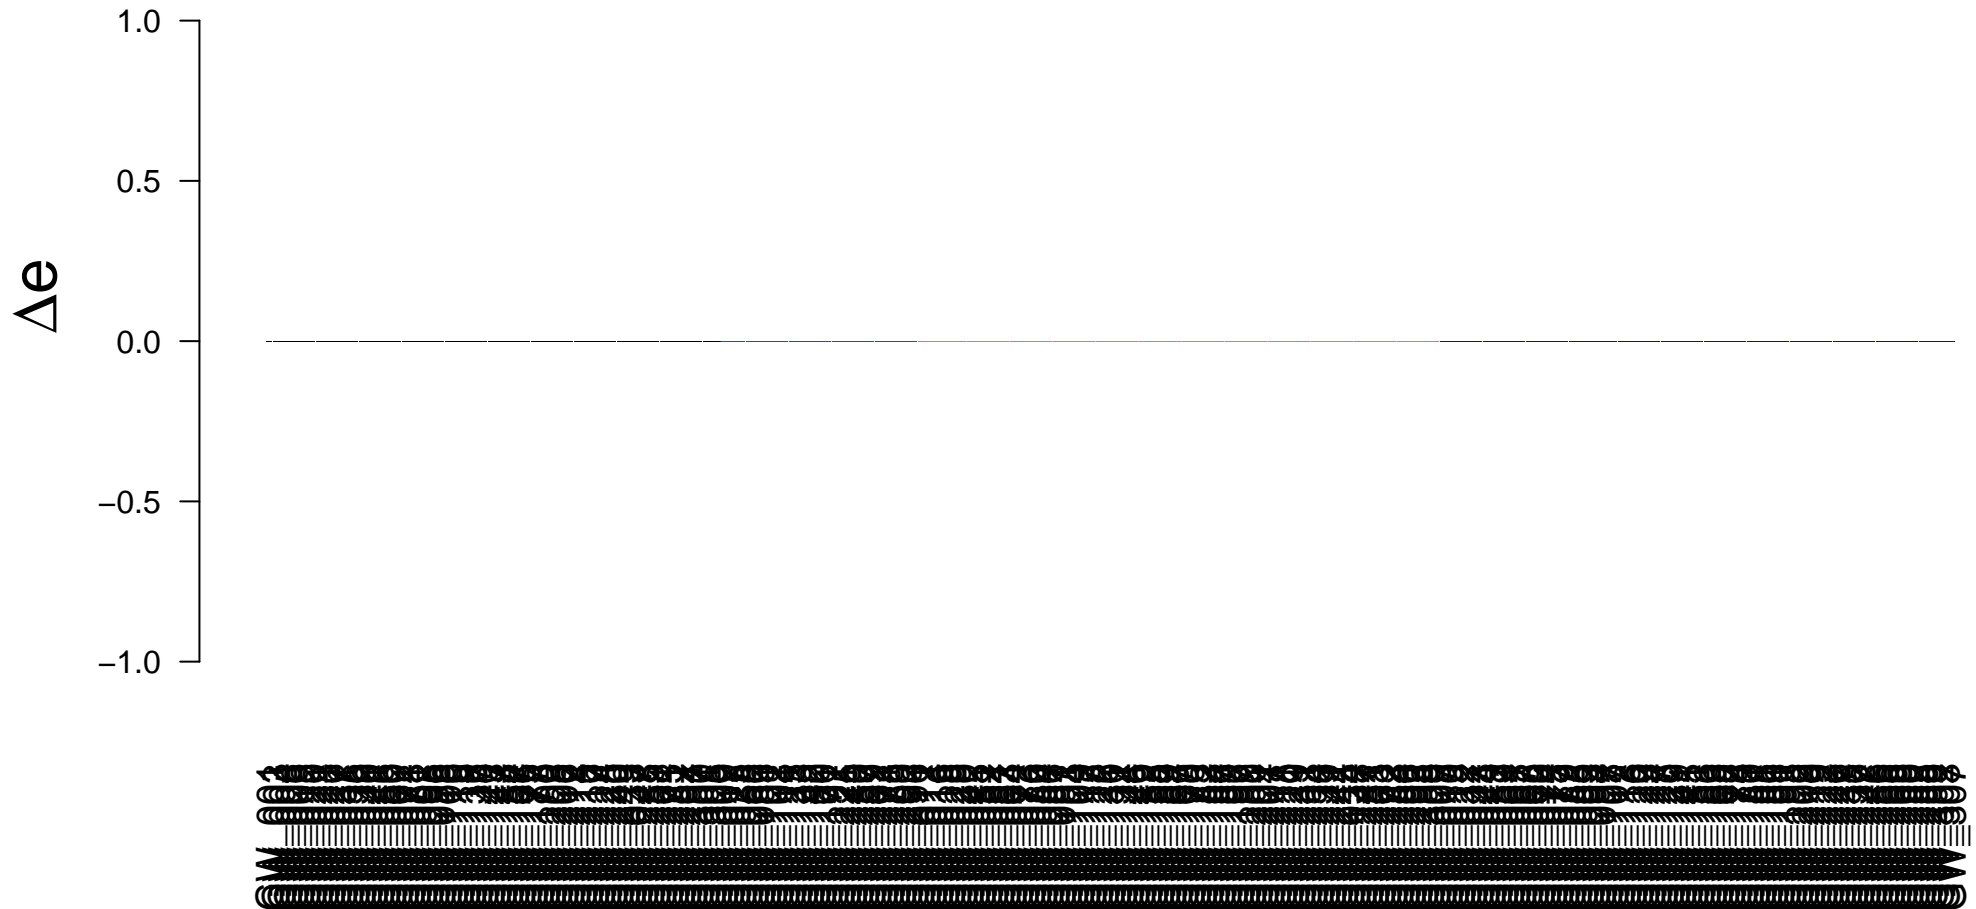

positive regulation of defense response to virus by host

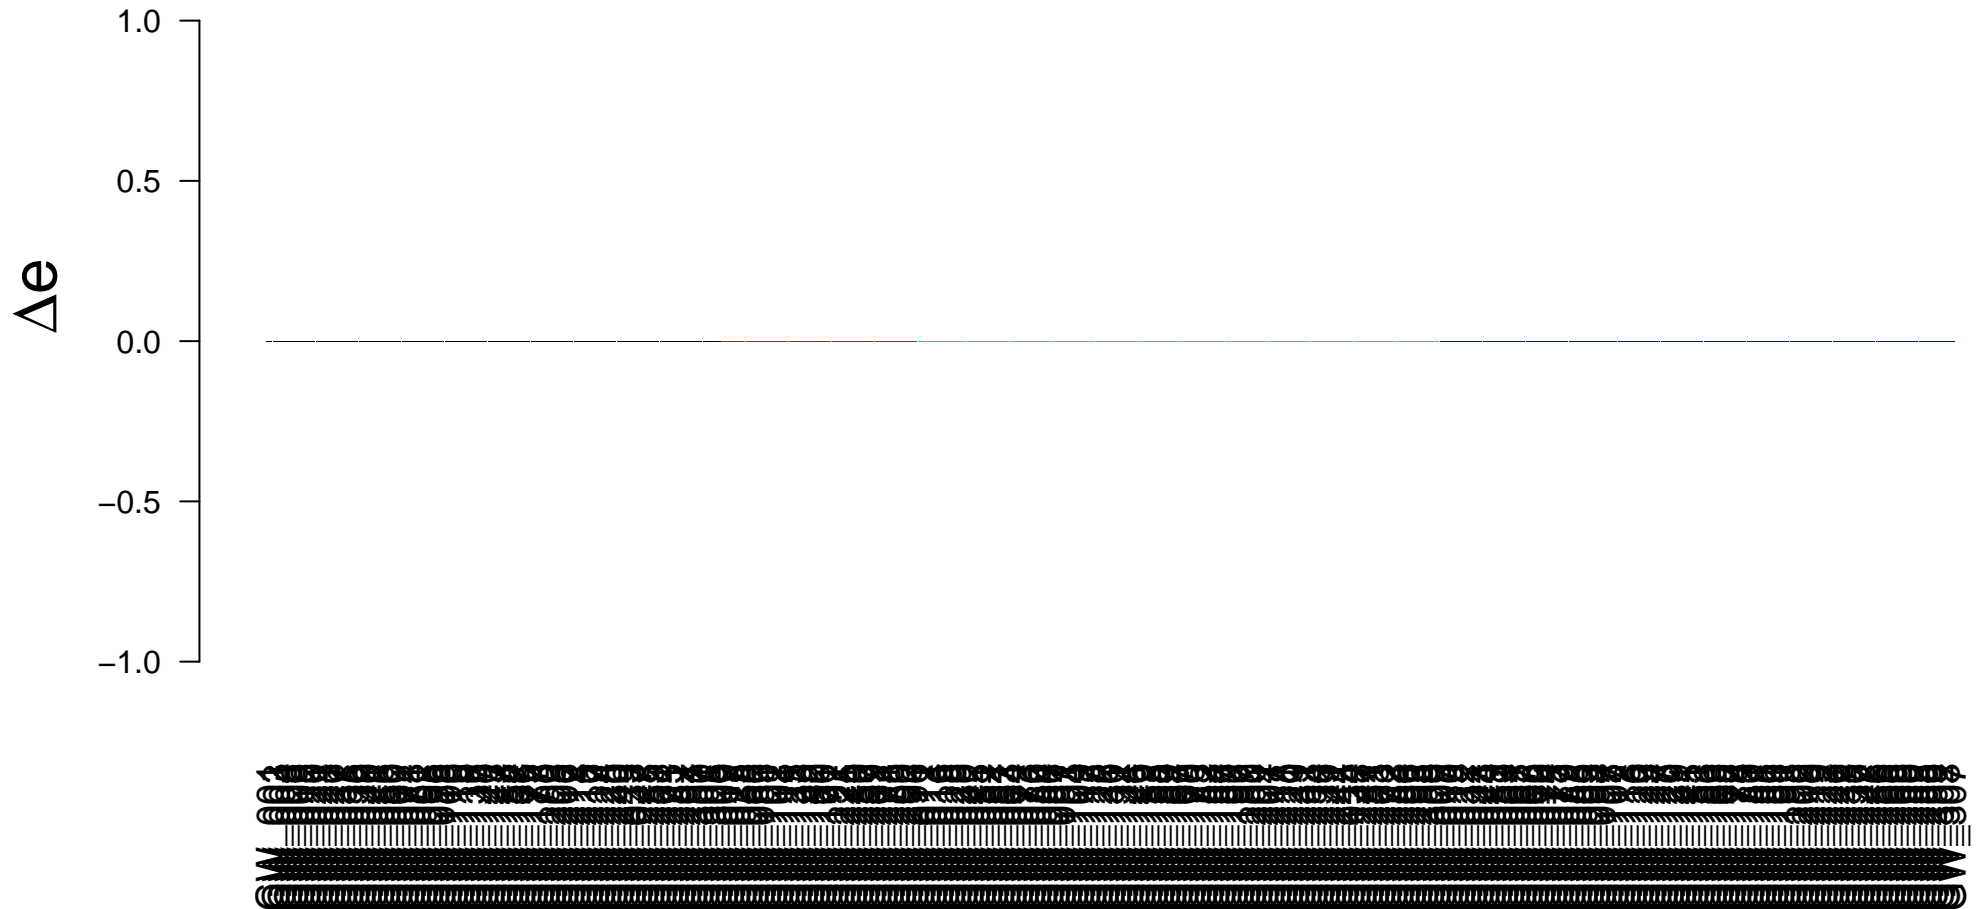

# Enrichment in spots: positive regulation of defense response to virus by host

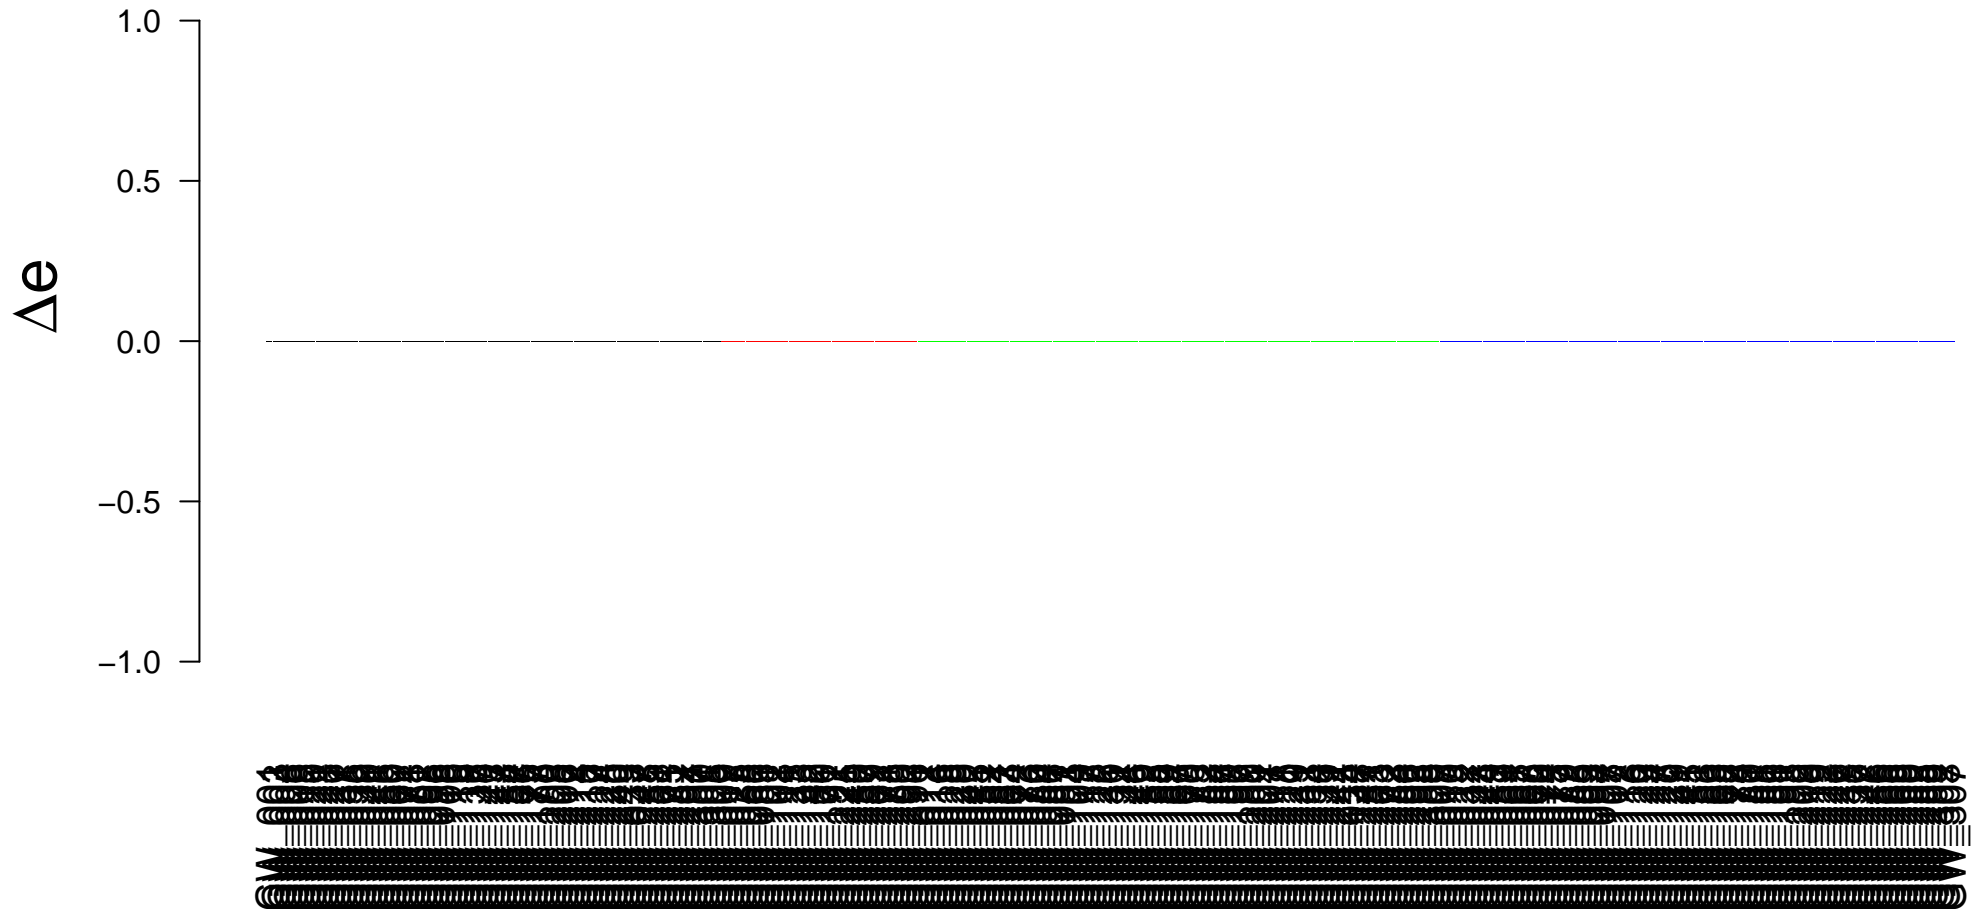

# Expression of positive regulation of defense response to virus by host in Spot A

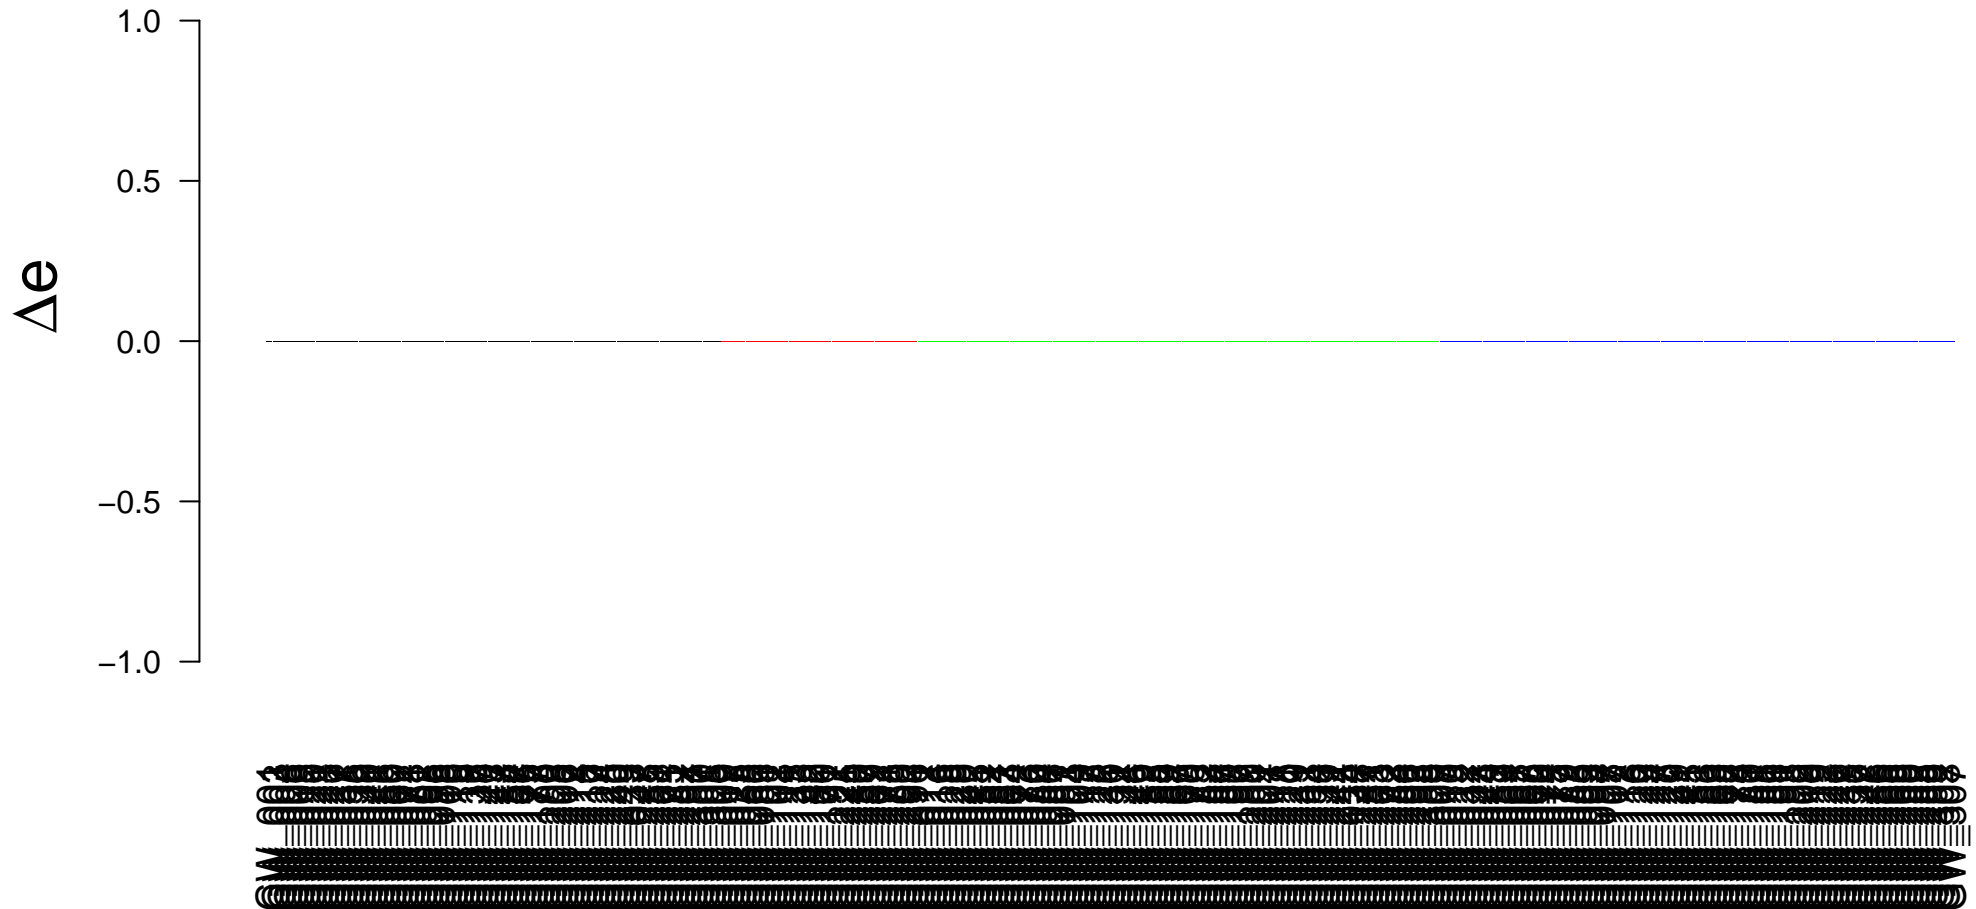

# Expression of positive regulation of defense response to virus by host in Spot B

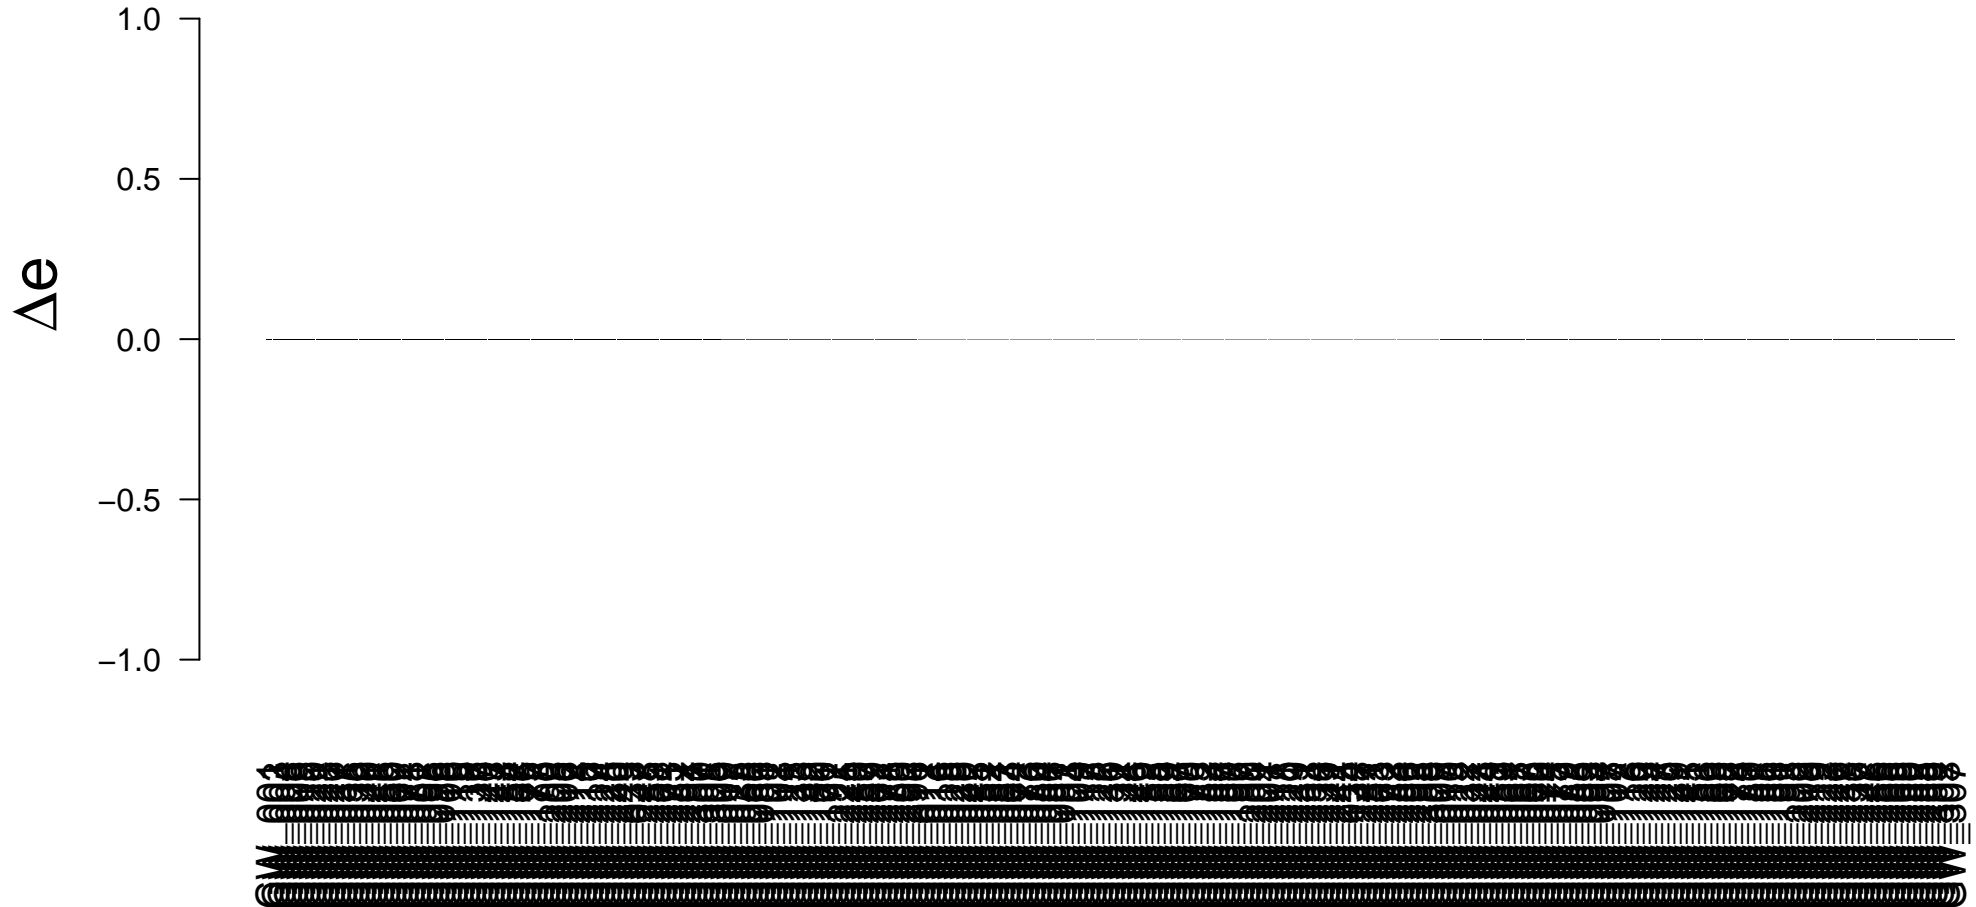

# Expression of positive regulation of defense response to virus by host in Spot C

# Expression of positive regulation of defense response to virus by host in Spot D

# Expression of positive regulation of defense response to virus by host in Spot E

# Expression of positive regulation of defense response to virus by host in Spot F
