

positive regulation of endocytosis

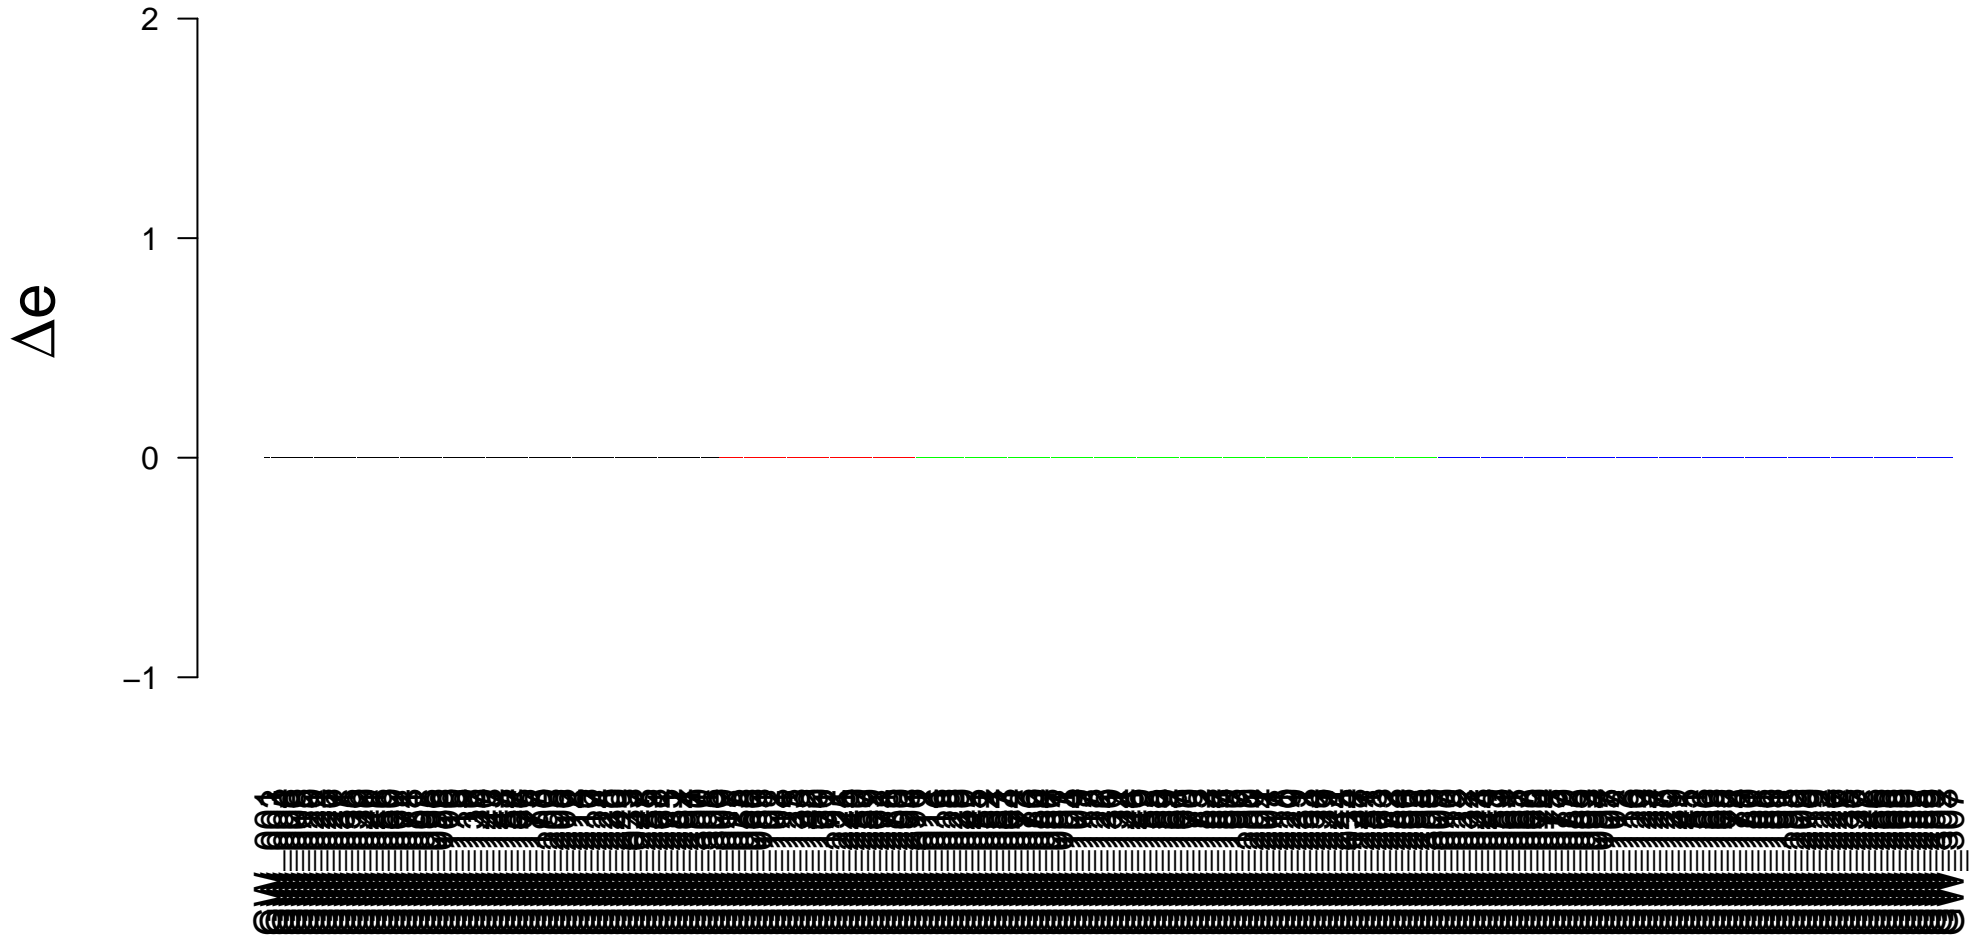

# positive regulation of endocytosis

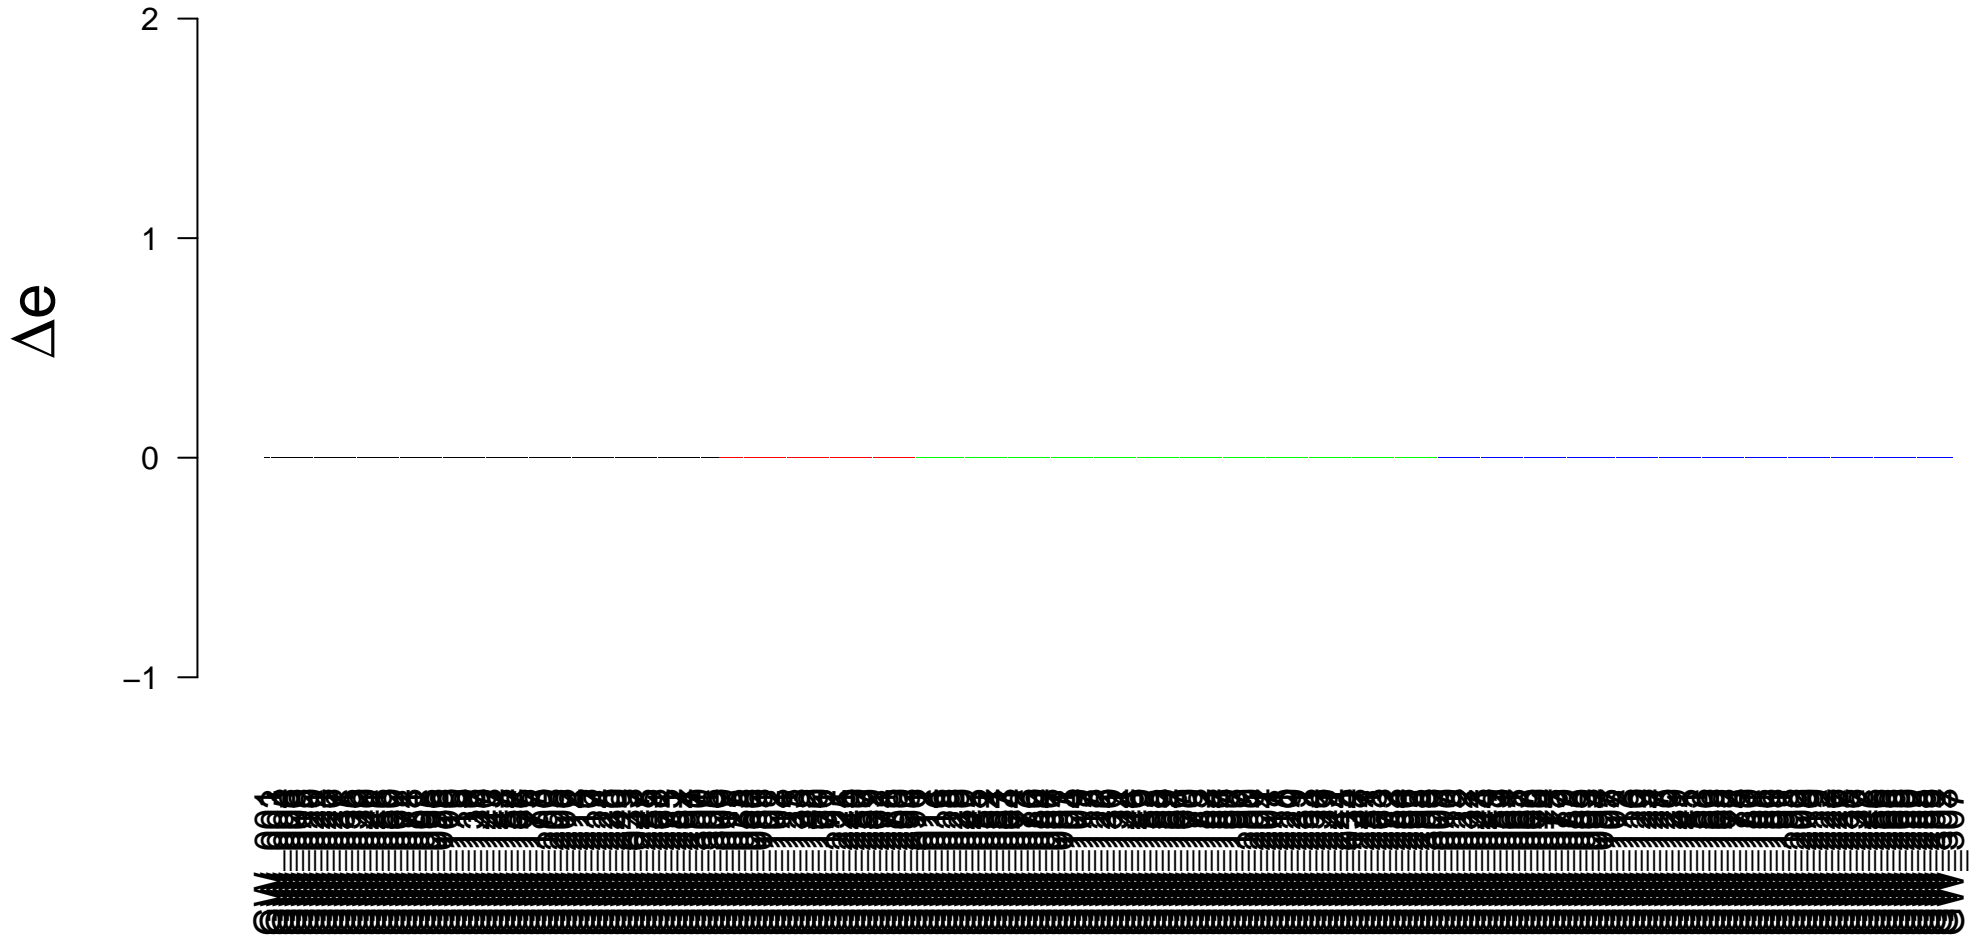

# Enrichment in spots: positive regulation of endocytosis

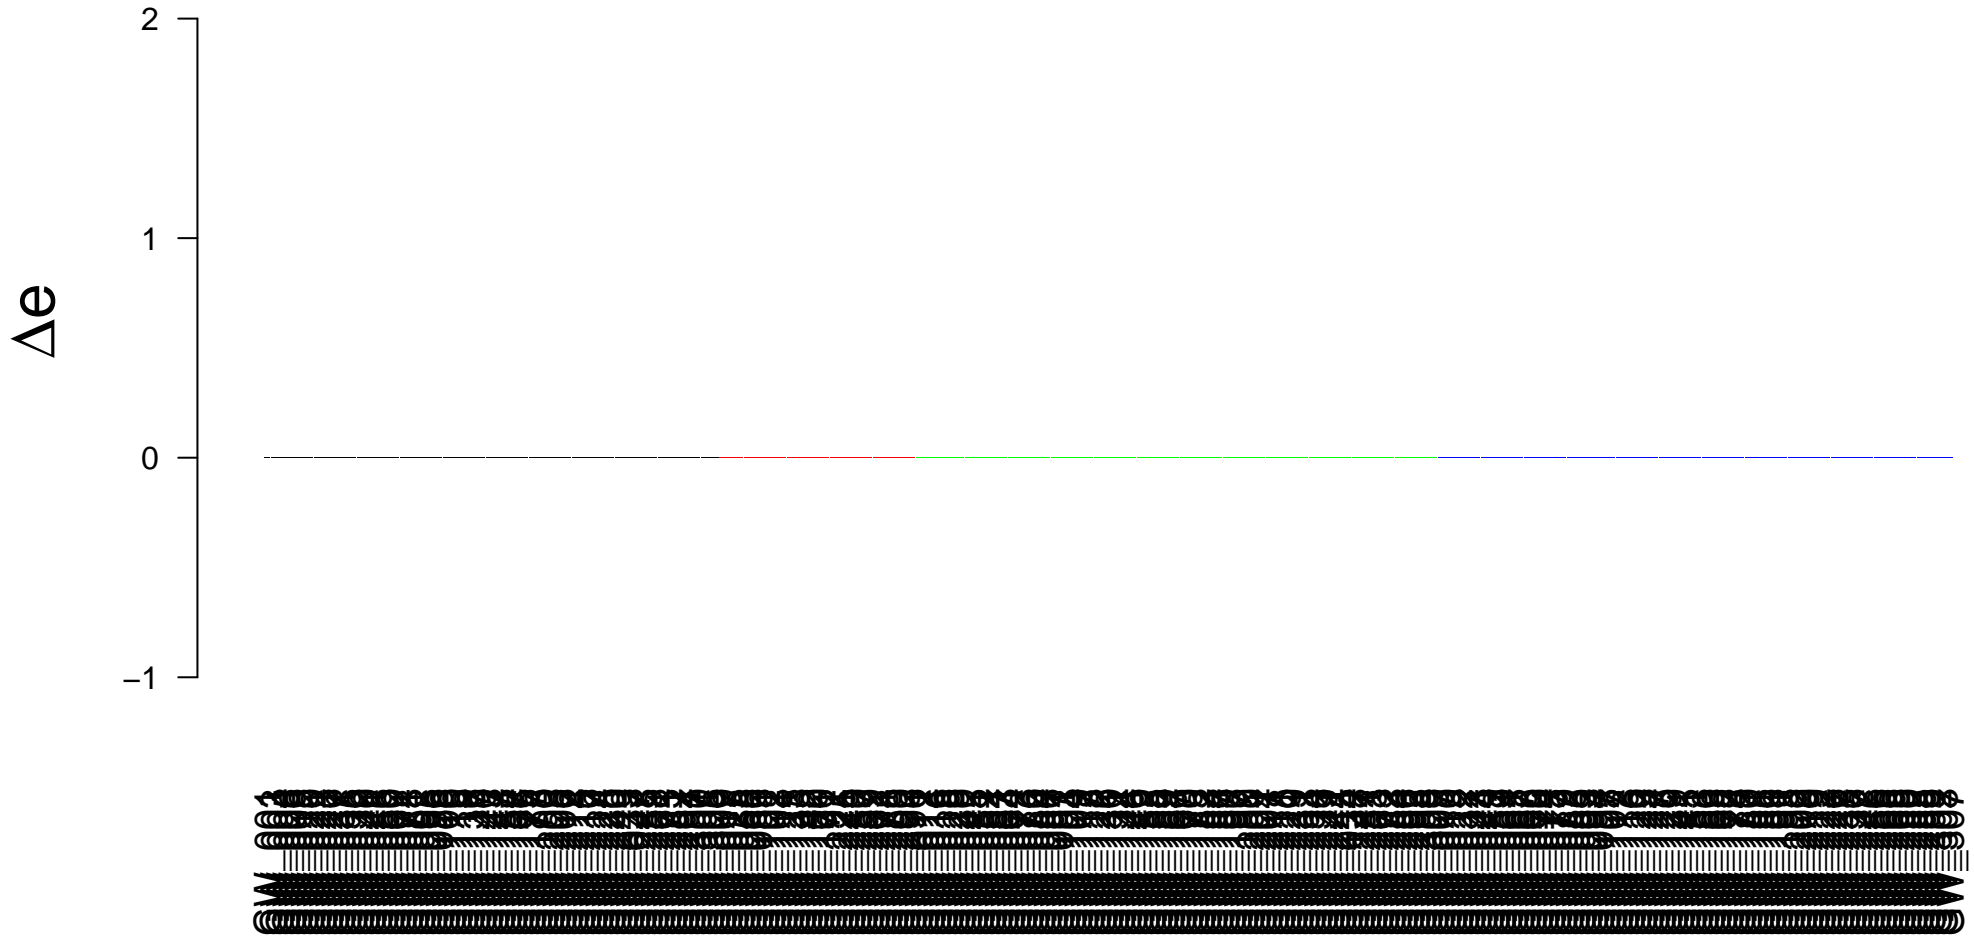

# Expression of positive regulation of endocytosis in Spot A

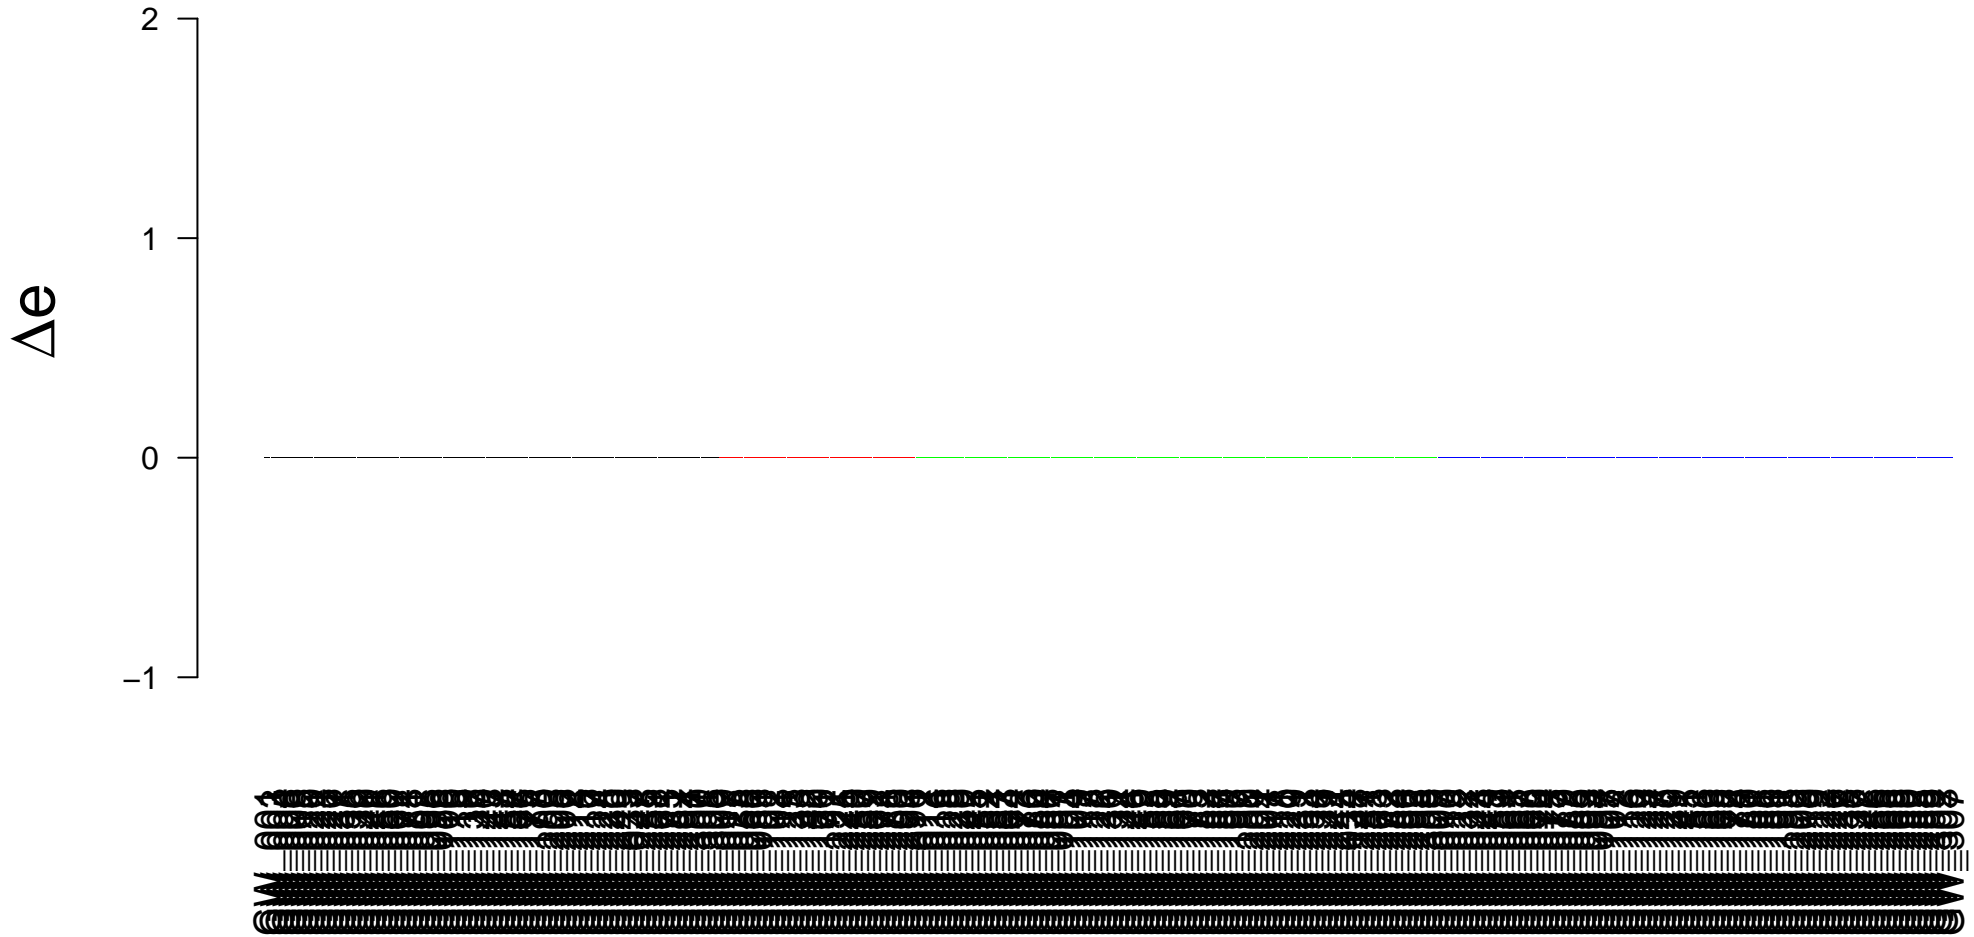

# Expression of positive regulation of endocytosis in Spot B

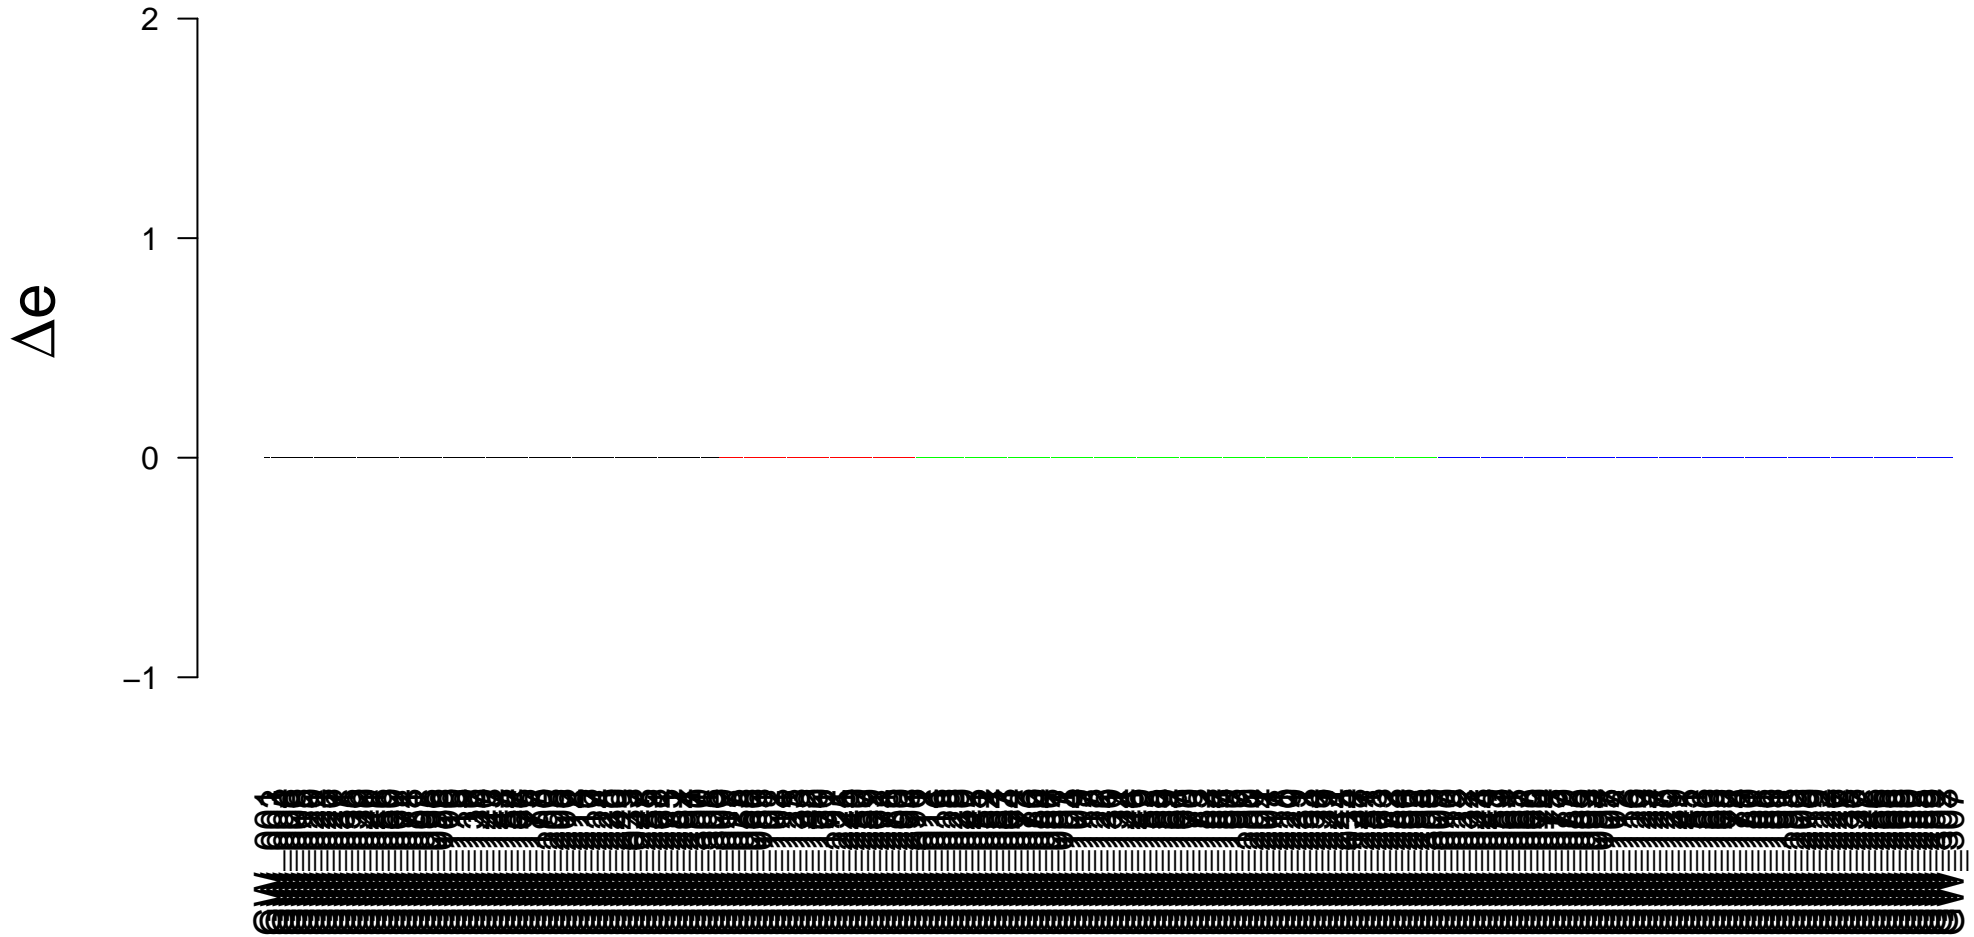

# Expression of positive regulation of endocytosis in Spot C

# Expression of positive regulation of endocytosis in Spot D

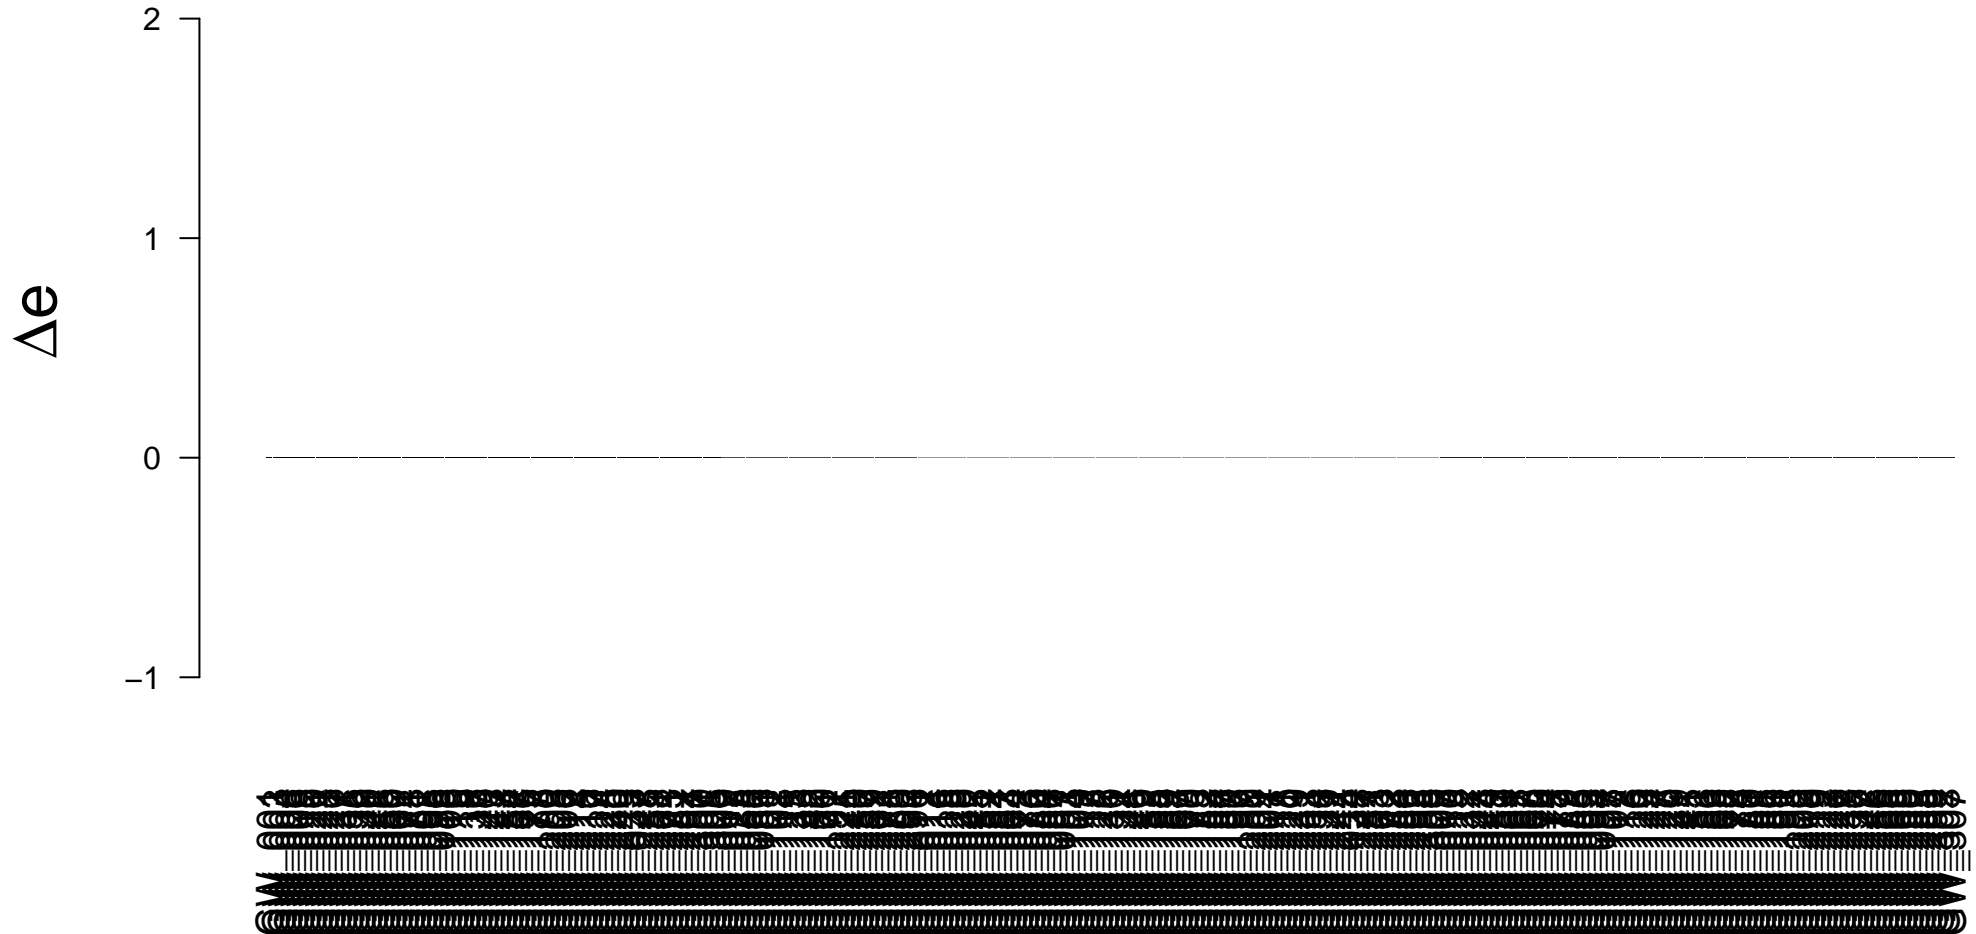

# Expression of positive regulation of endocytosis in Spot E

# Expression of positive regulation of endocytosis in Spot F

# Expression of positive regulation of endocytosis in Spot G
