

positive regulation of endothelial cell migration

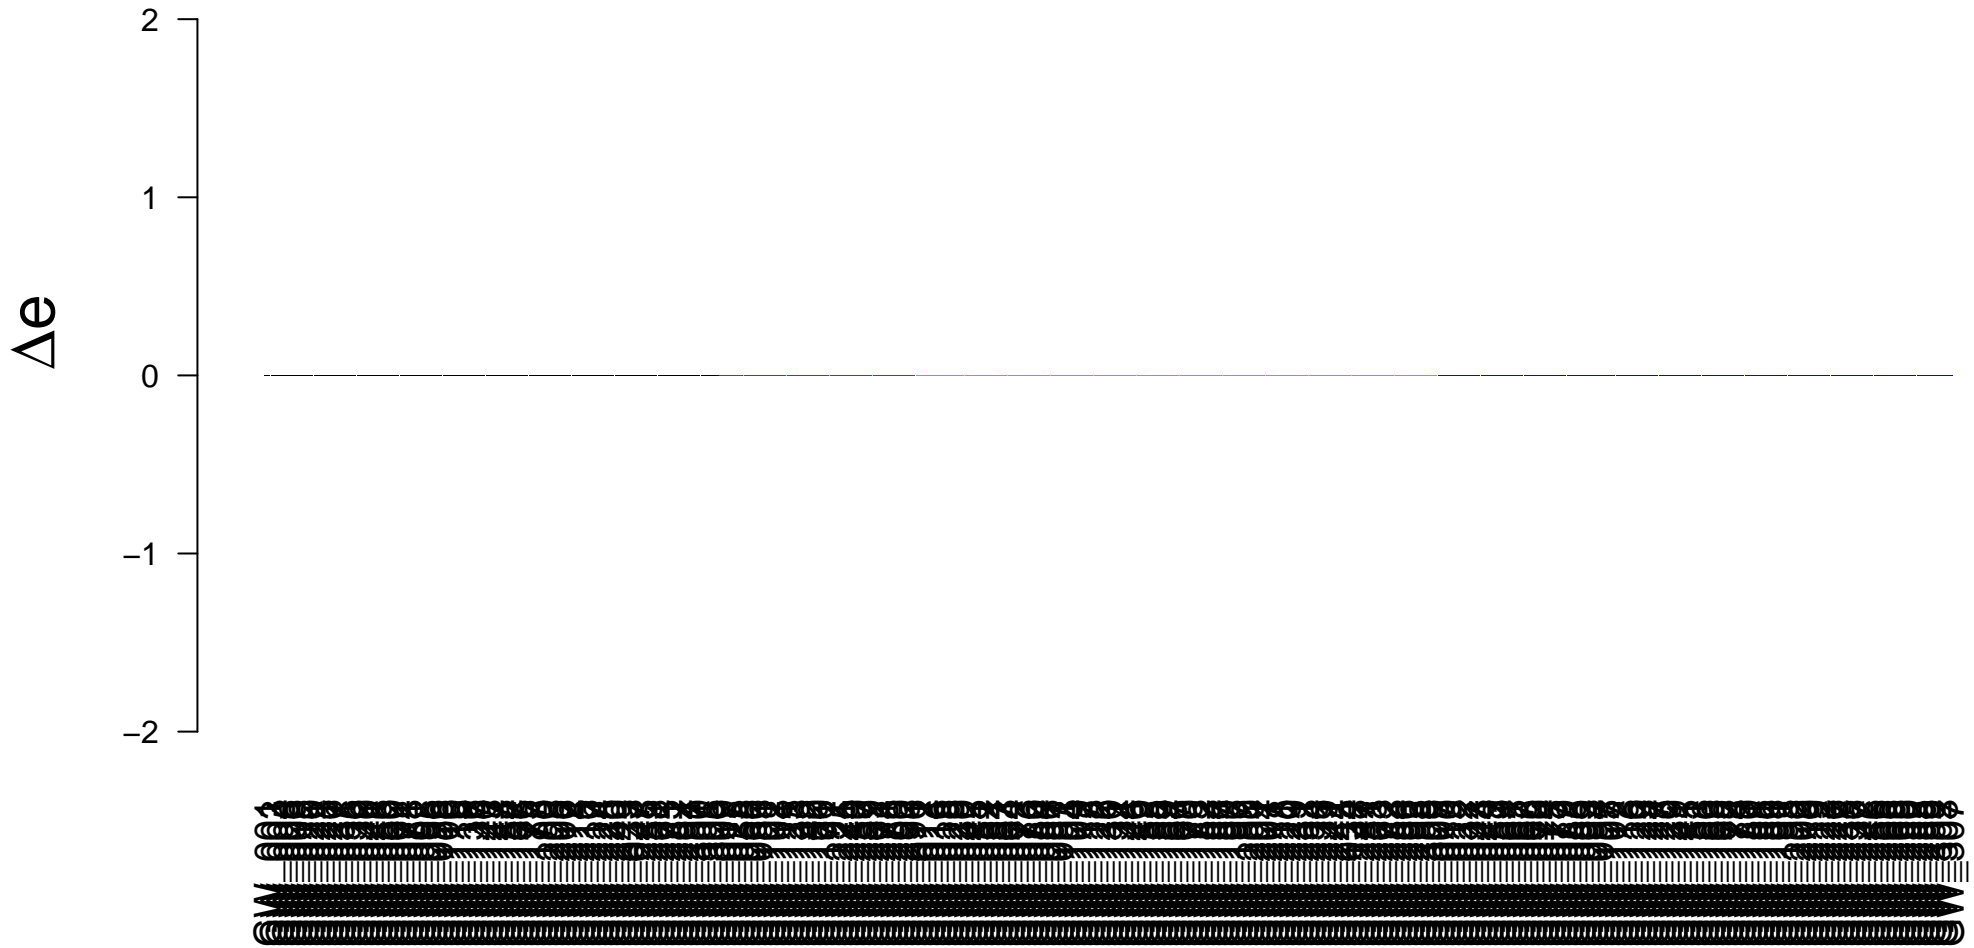

positive regulation of endothelial cell migration

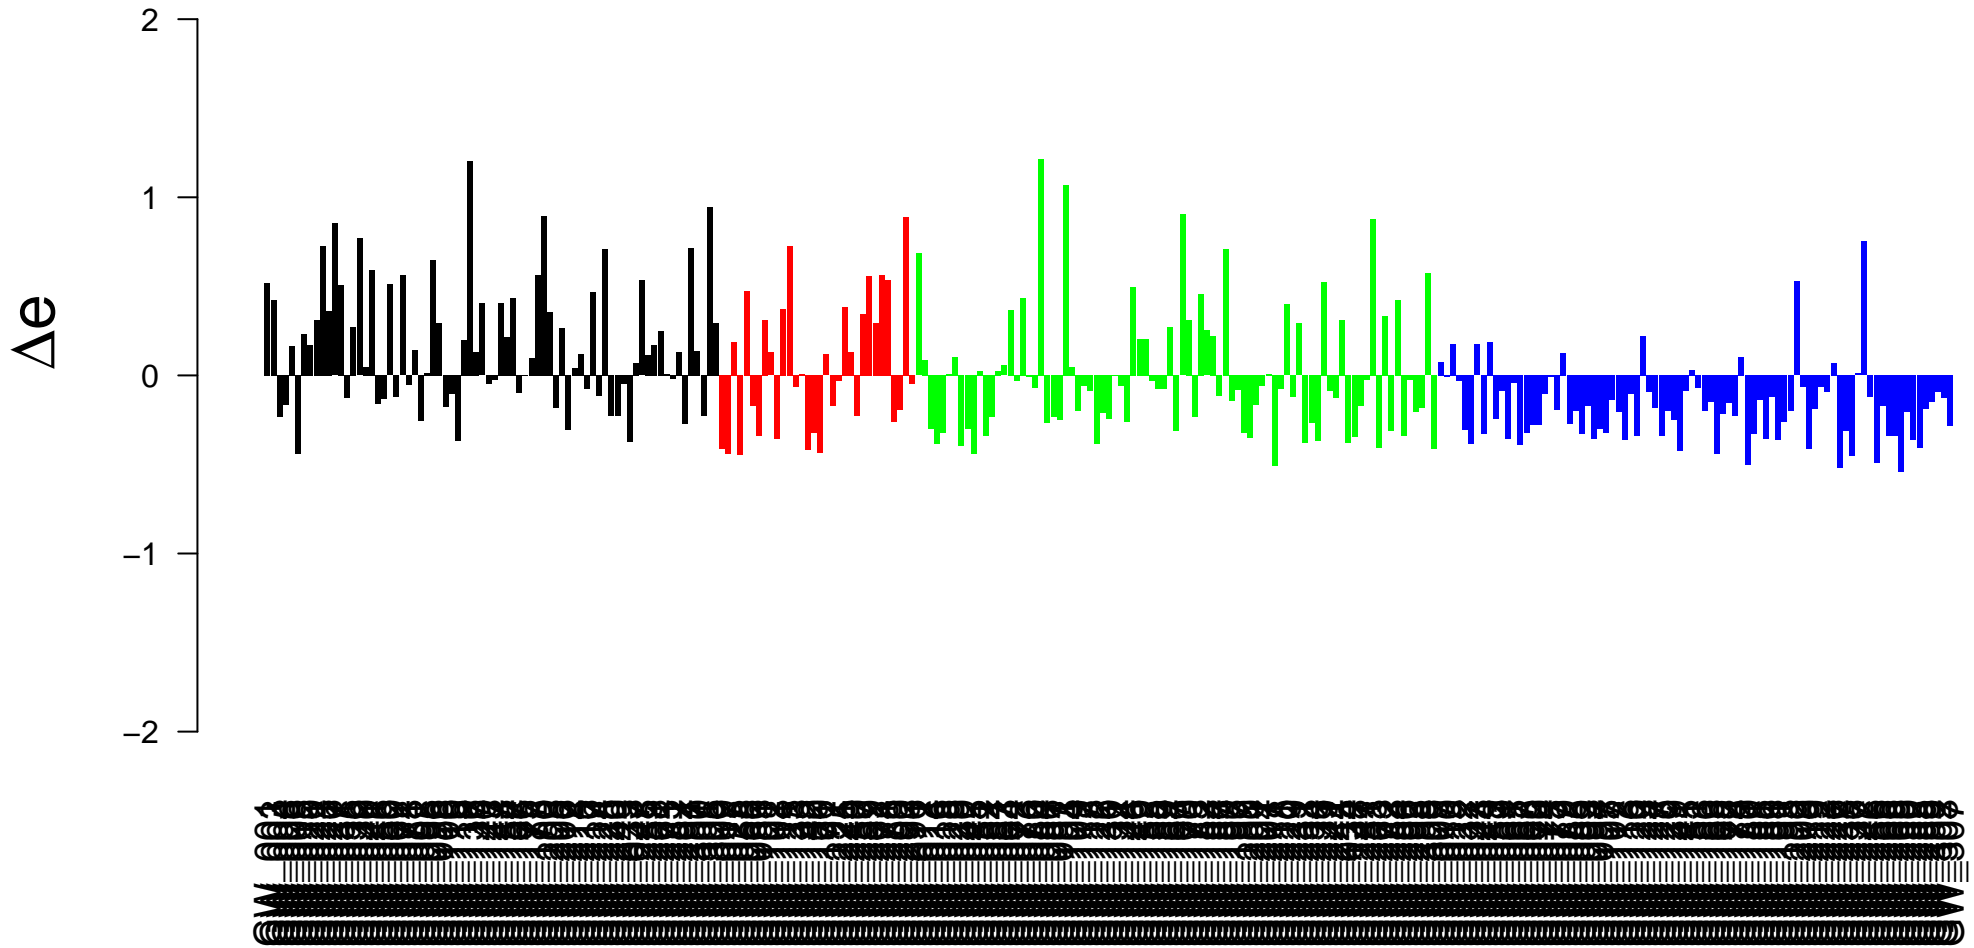

Enrichment in spots: positive regulation of endothelial cell migration

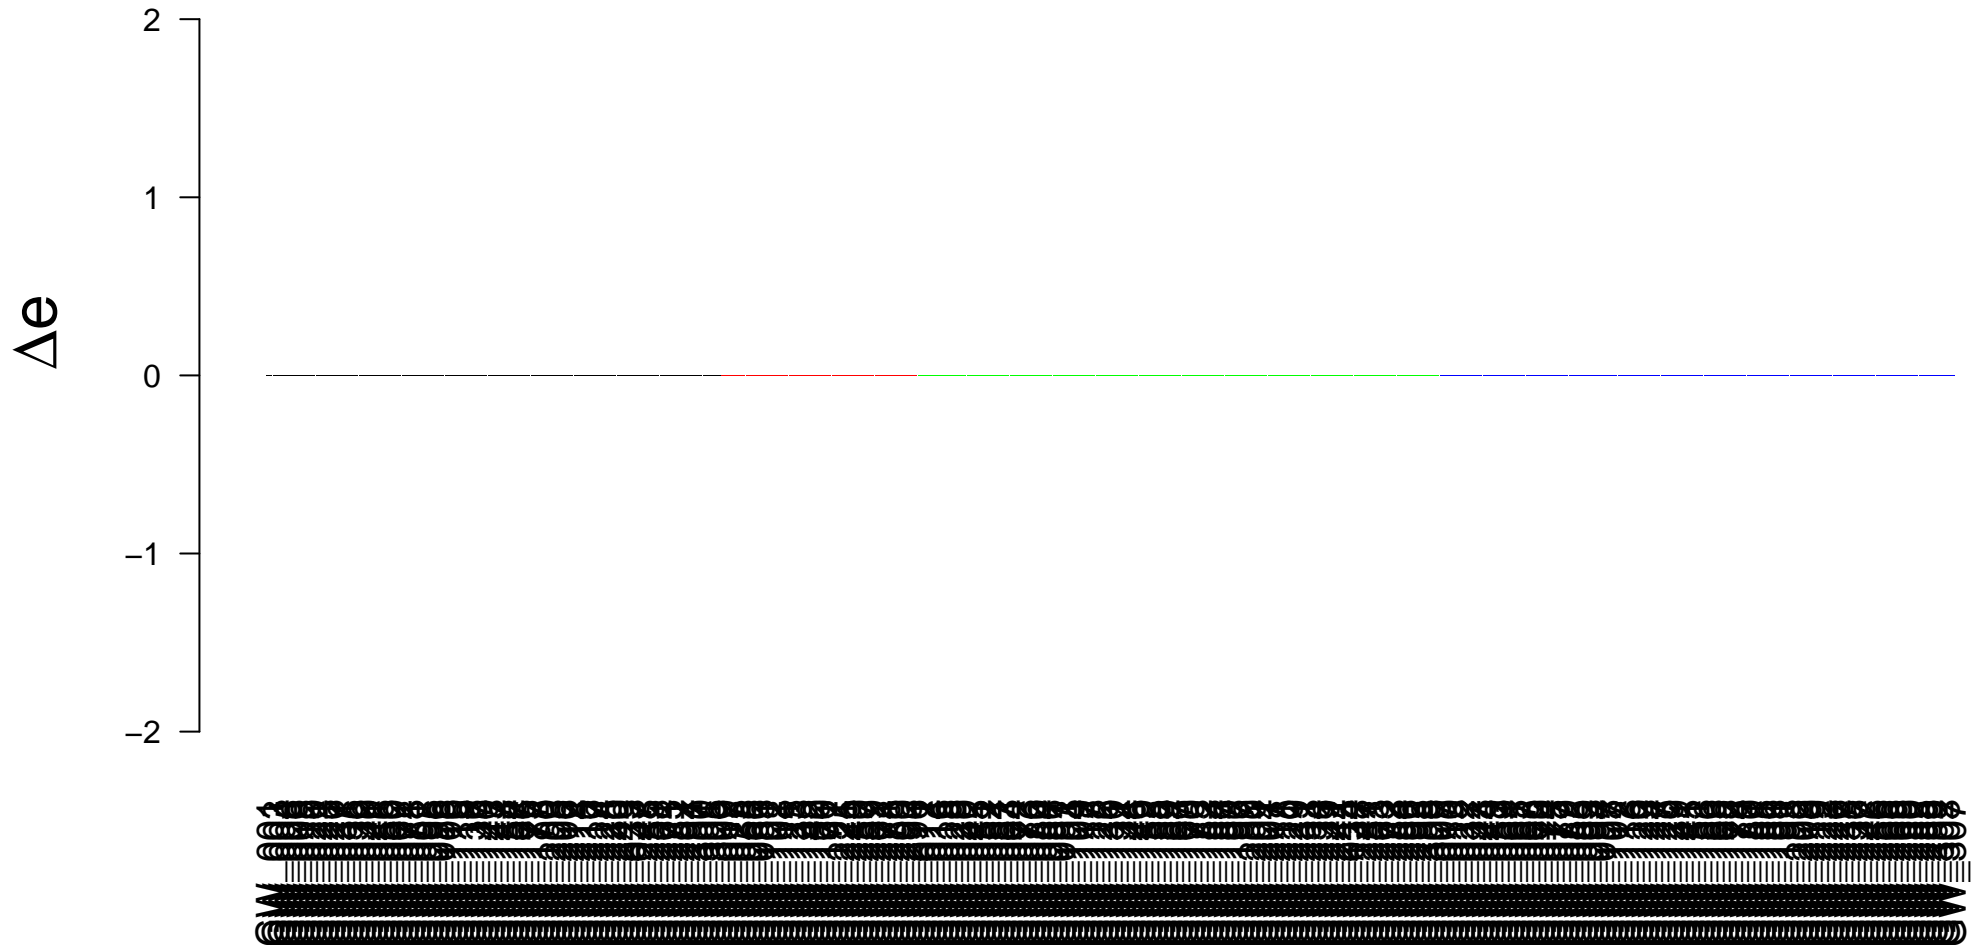

Expression of positive regulation of endothelial cell migration in Spot A

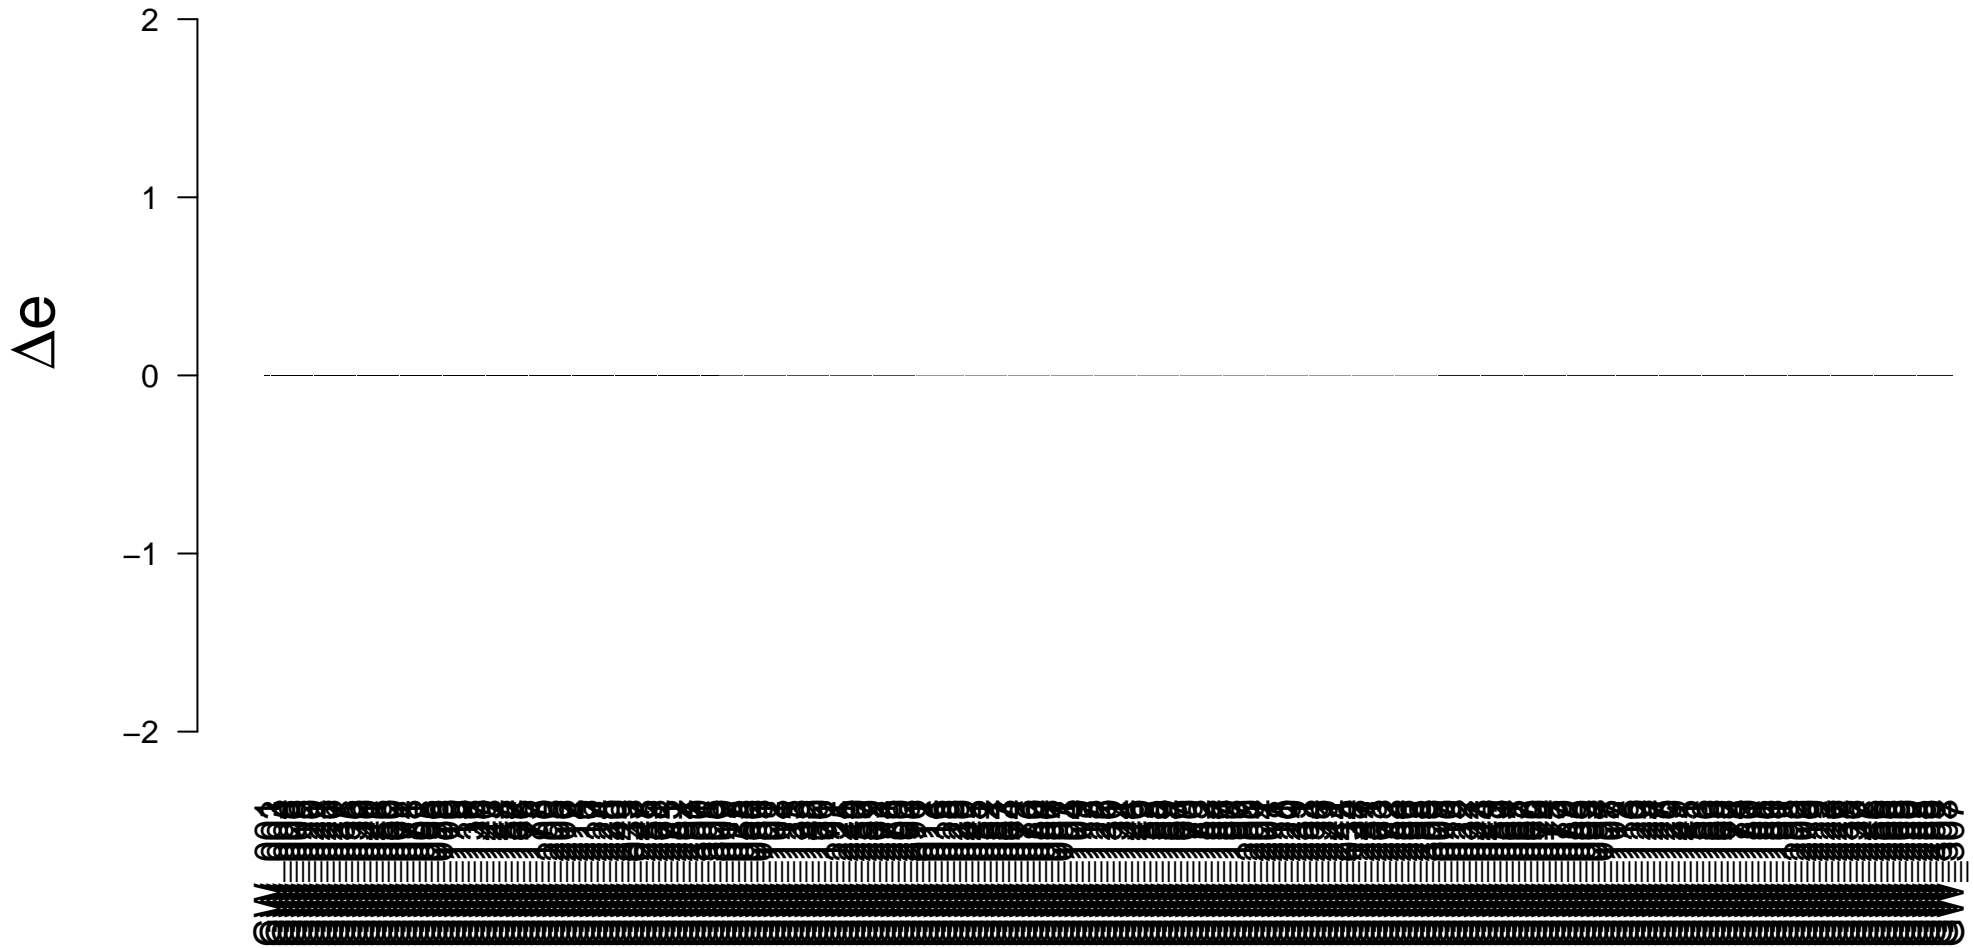

Expression of positive regulation of endothelial cell migration in Spot B

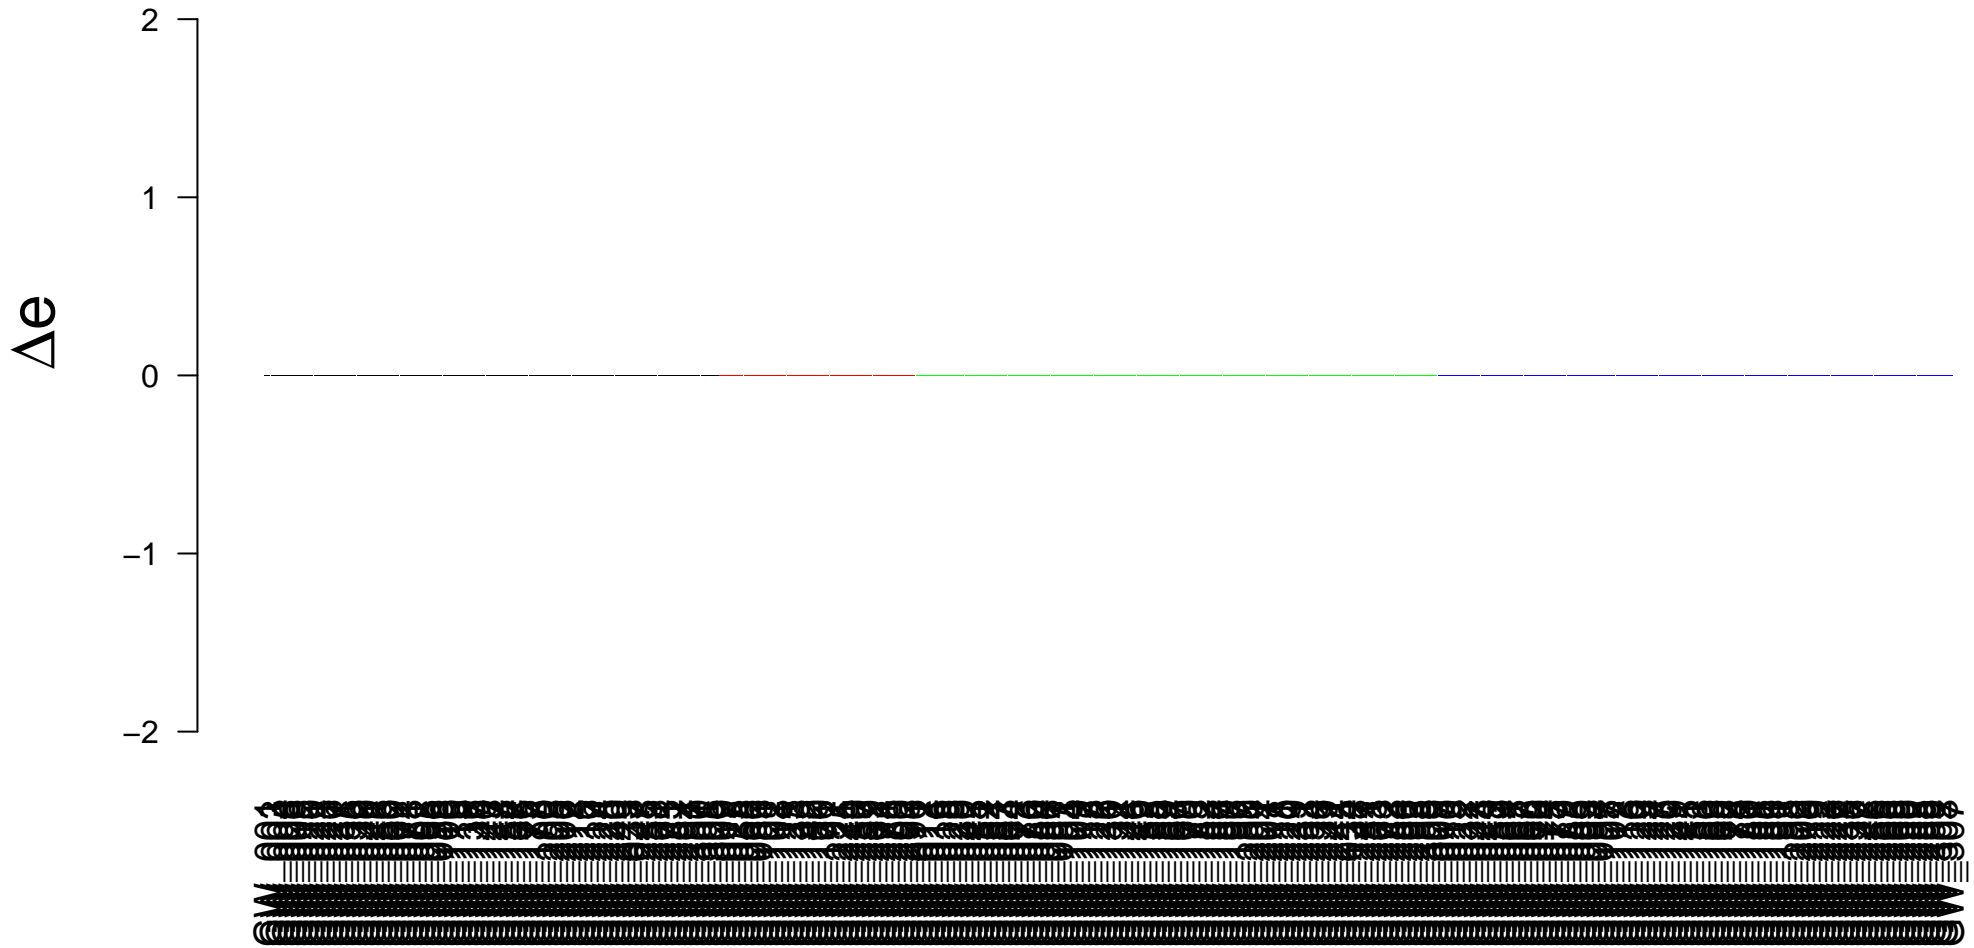

Expression of positive regulation of endothelial cell migration in Spot C

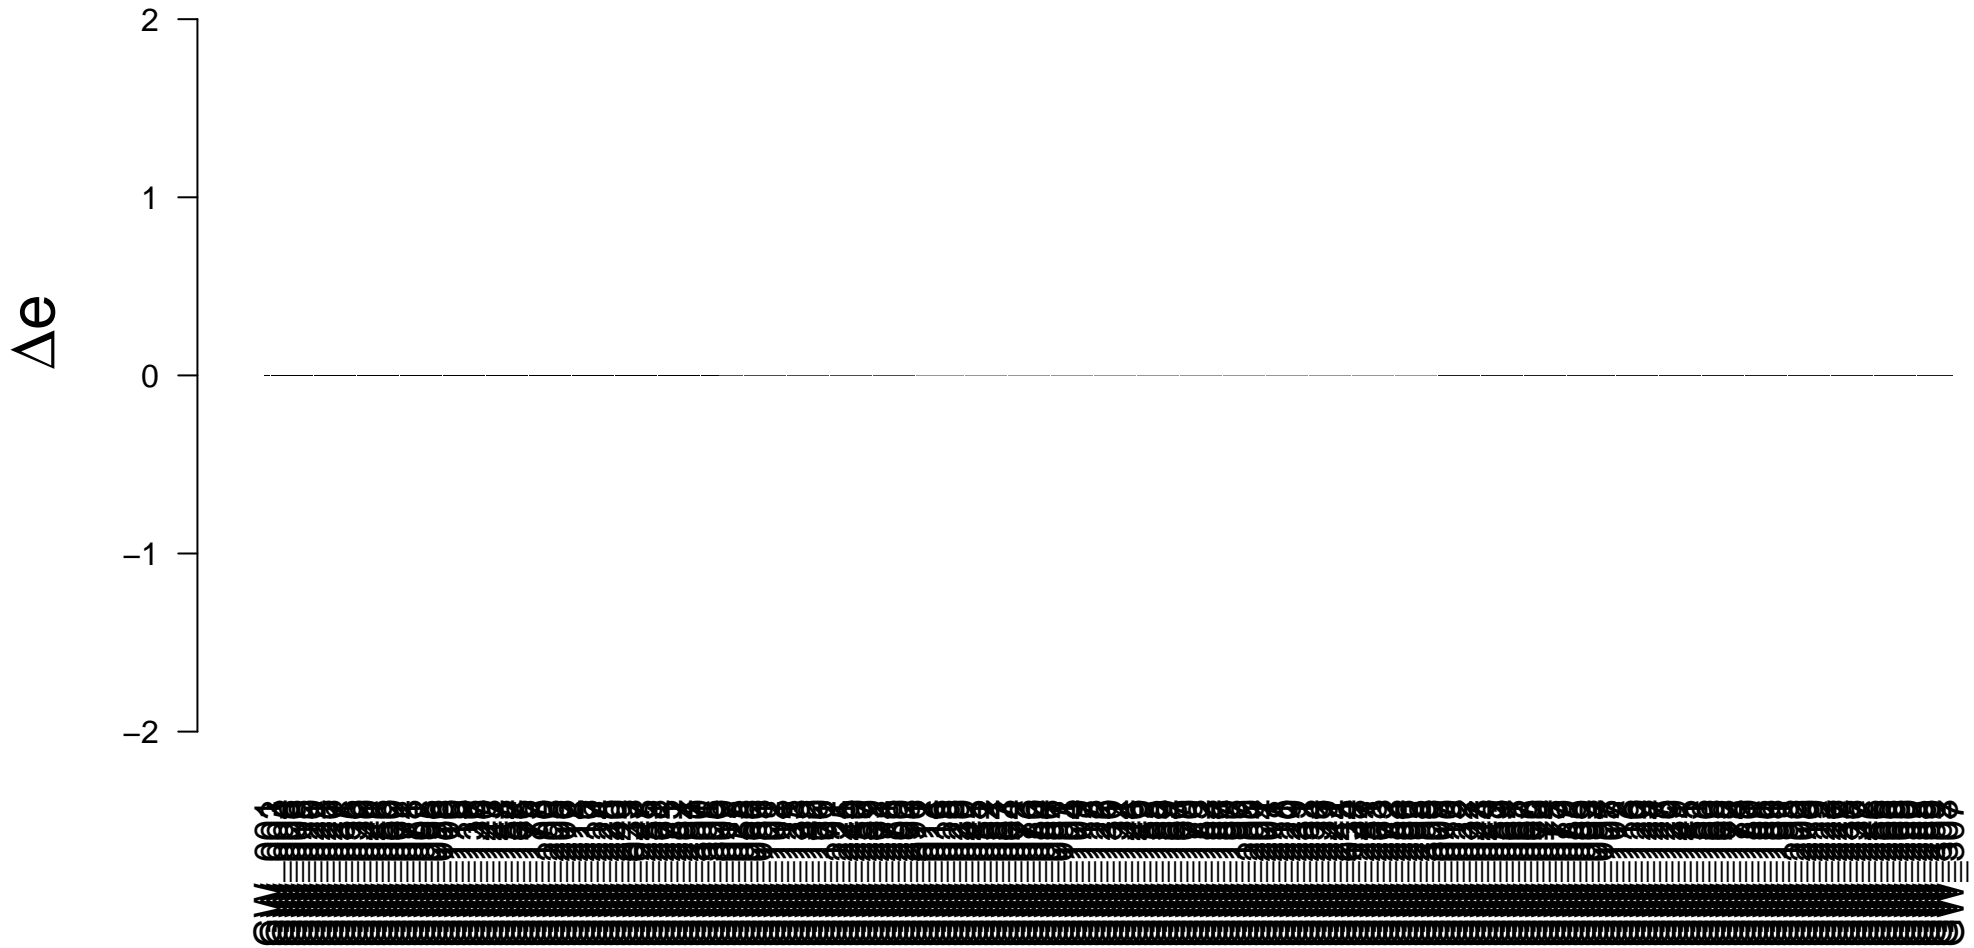

Expression of positive regulation of endothelial cell migration in Spot D

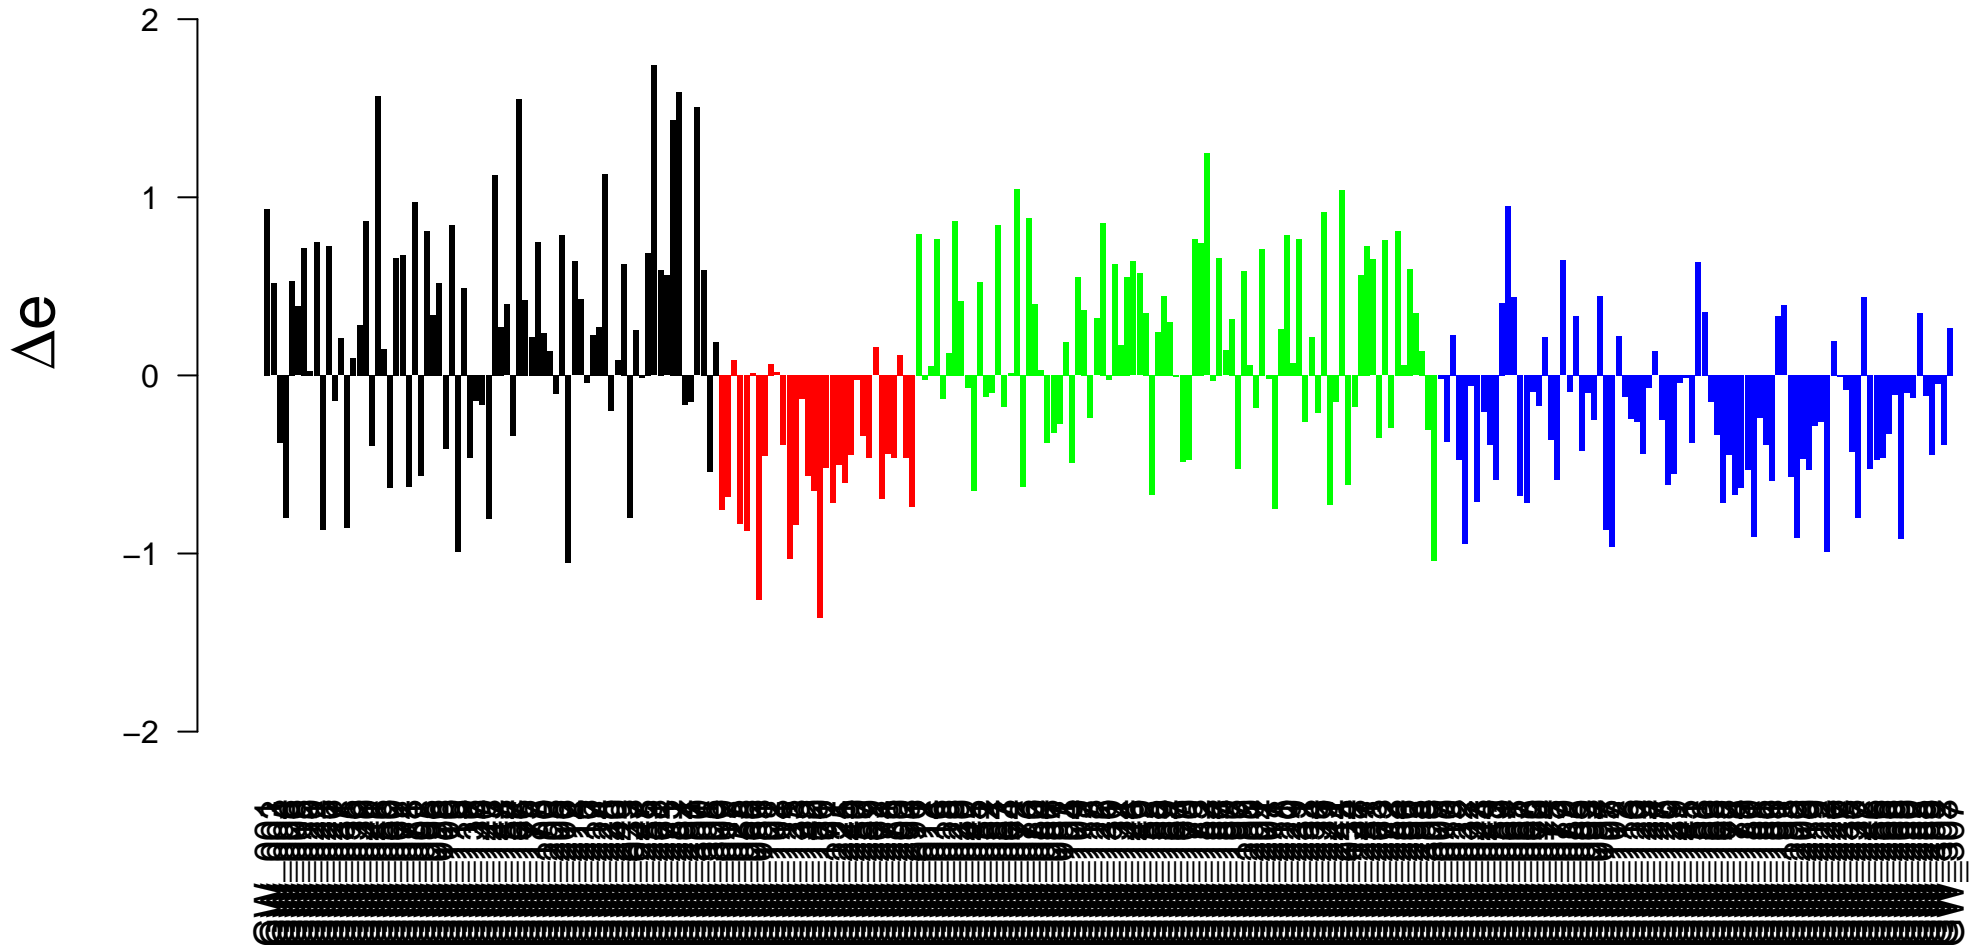

Expression of positive regulation of endothelial cell migration in Spot E

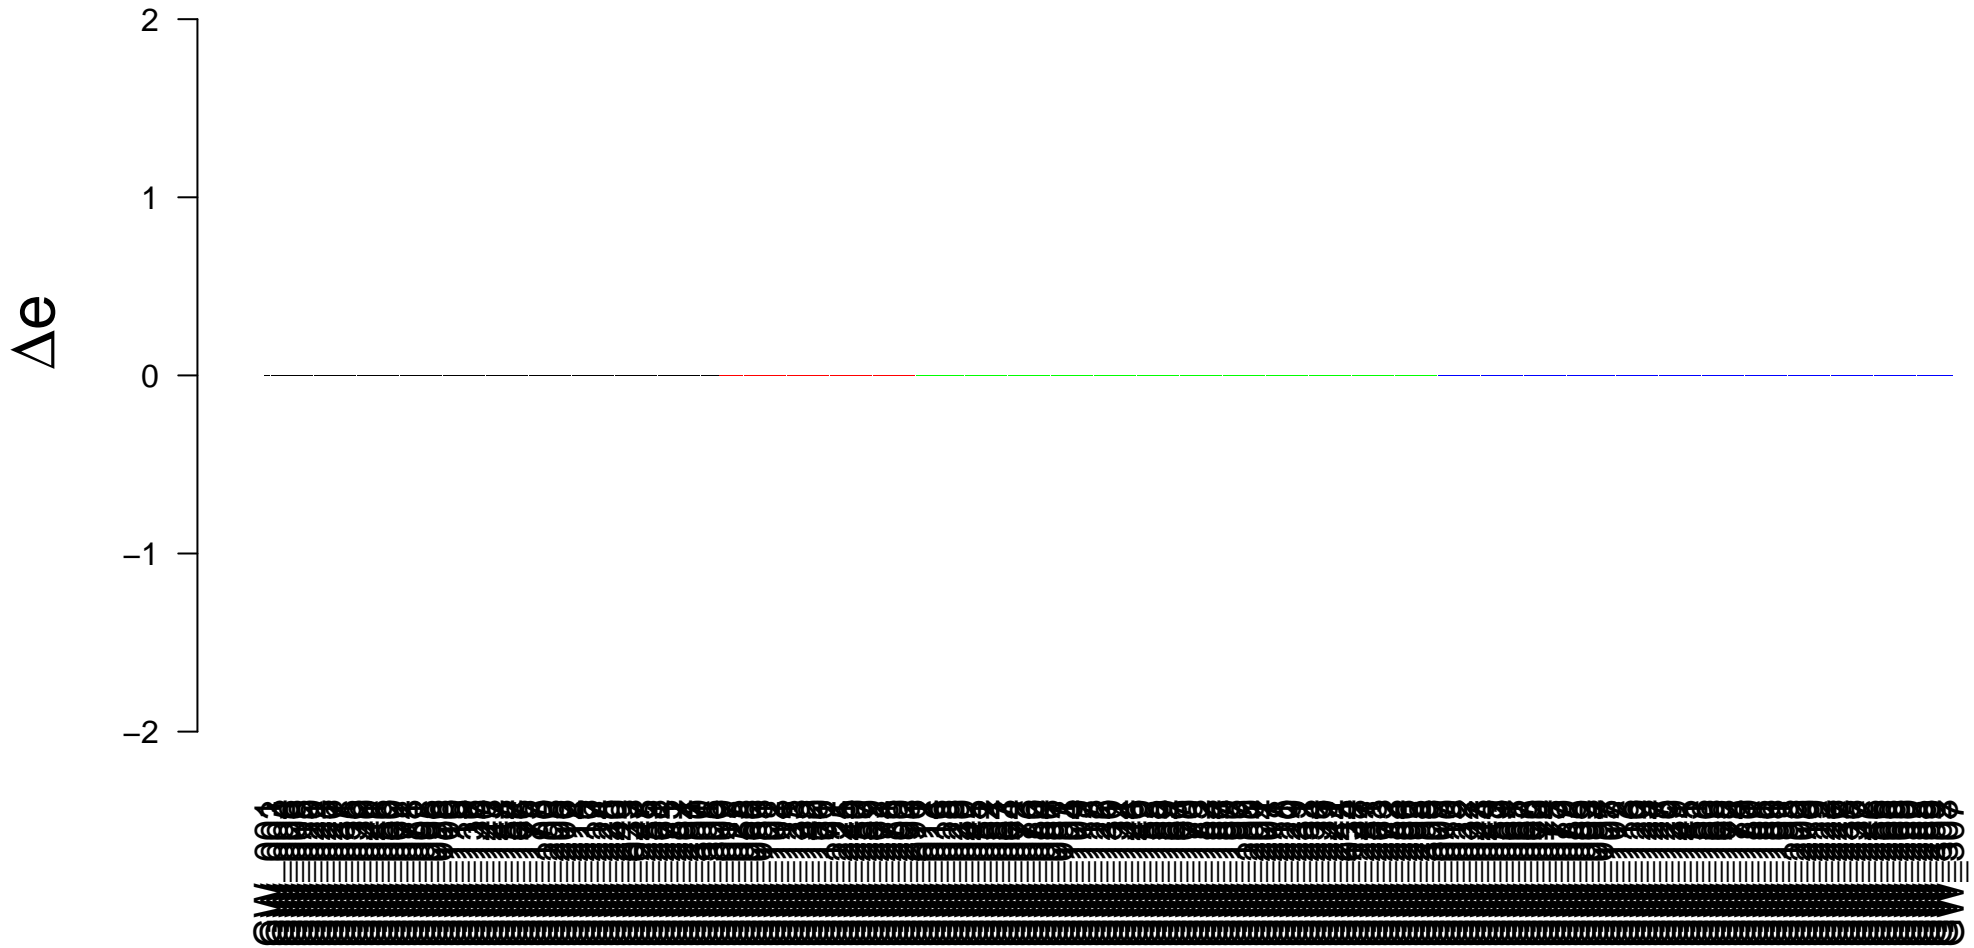

Expression of positive regulation of endothelial cell migration in Spot F

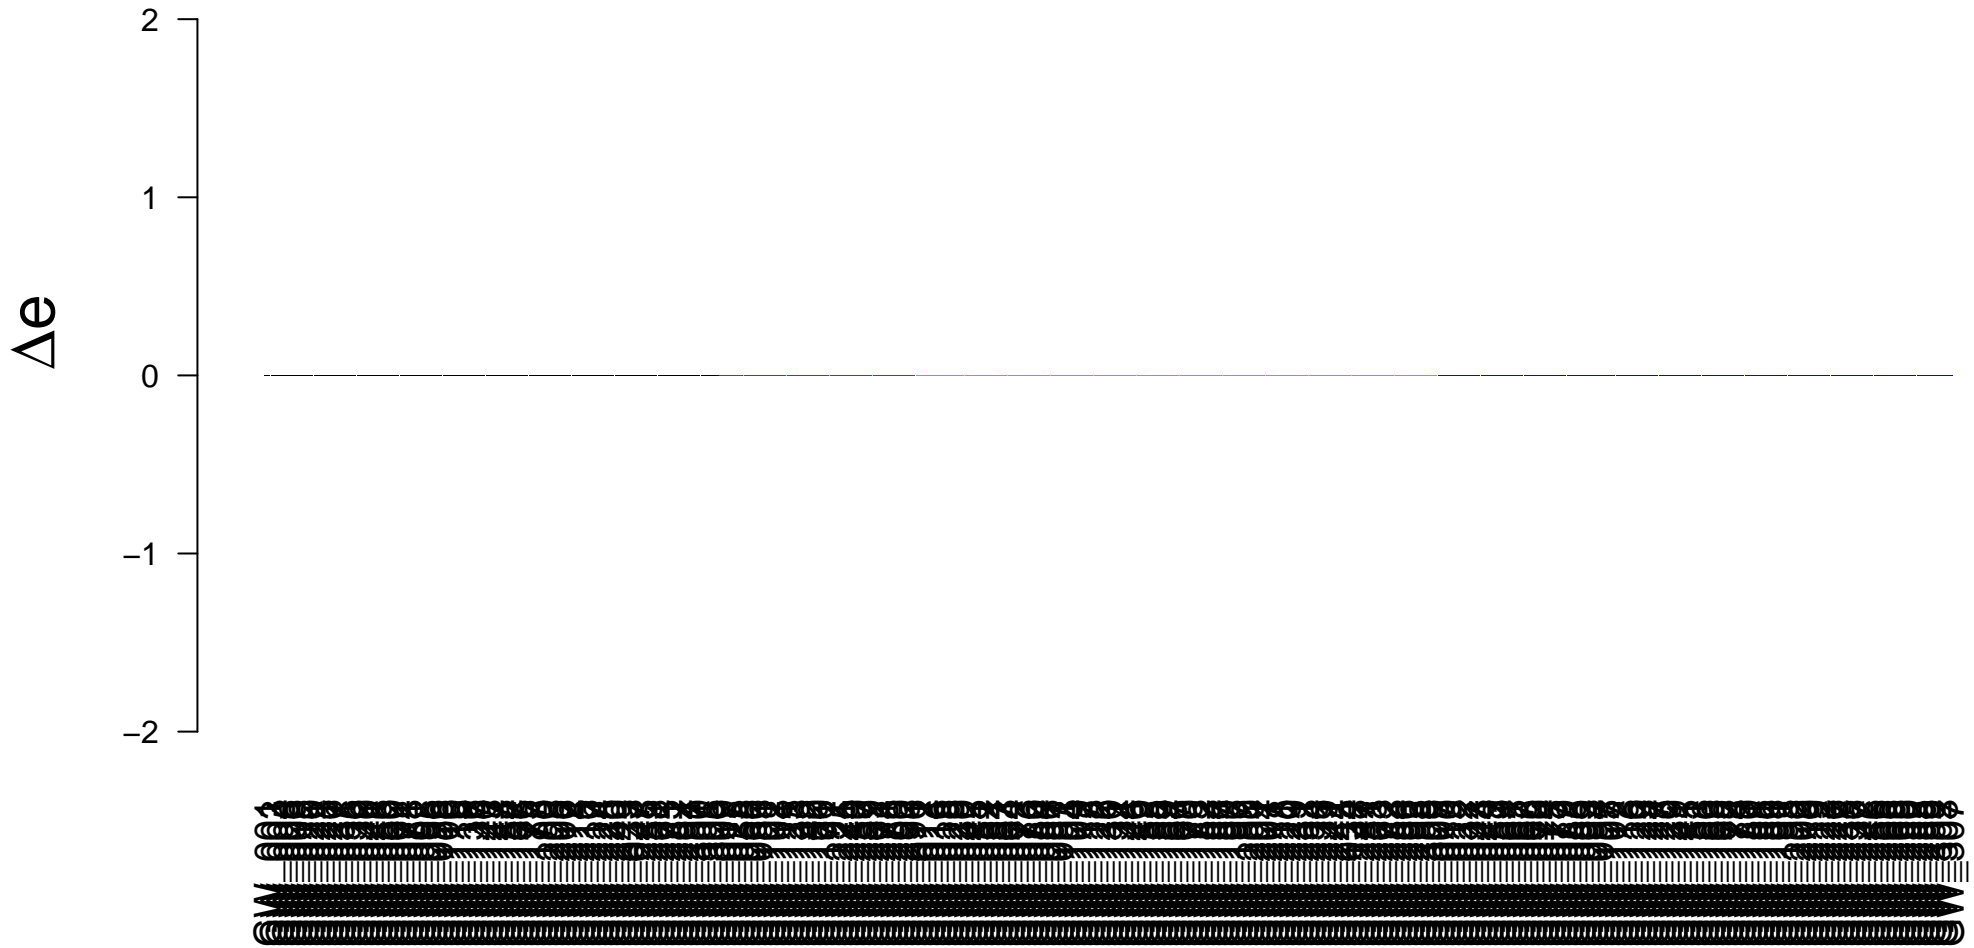

Expression of positive regulation of endothelial cell migration in Spot G

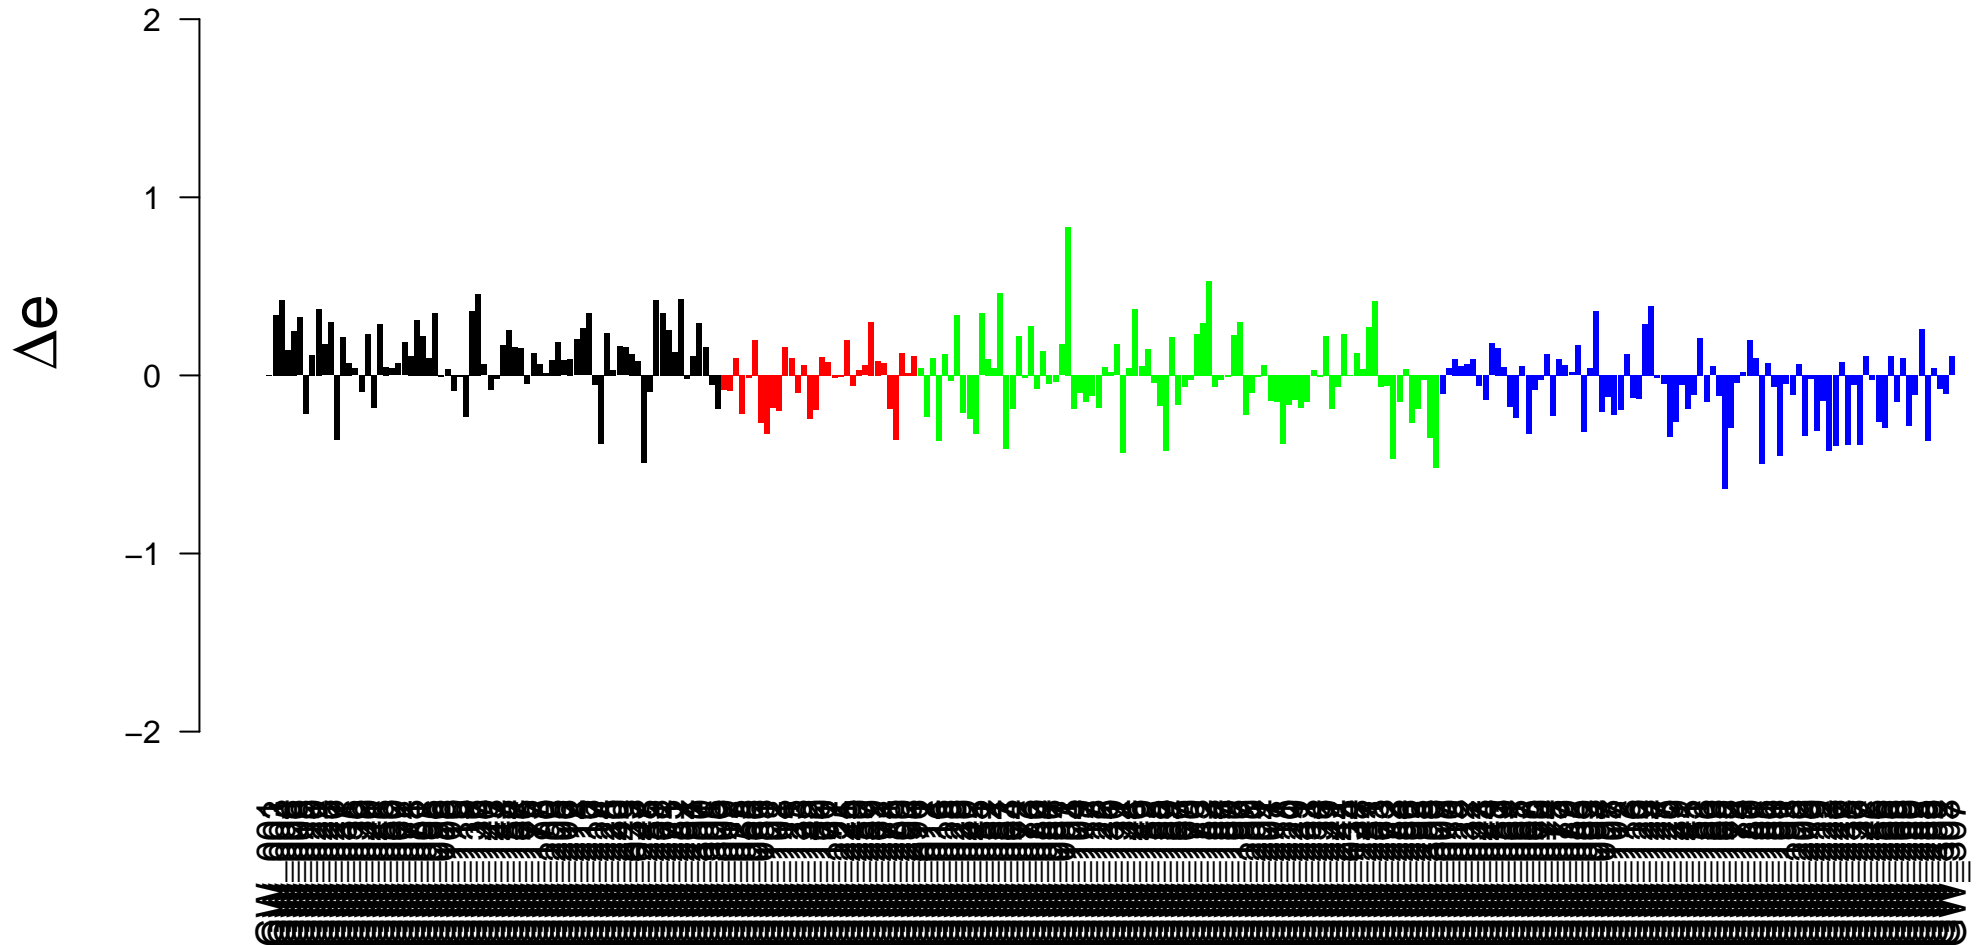

Expression of positive regulation of endothelial cell migration in Spot H

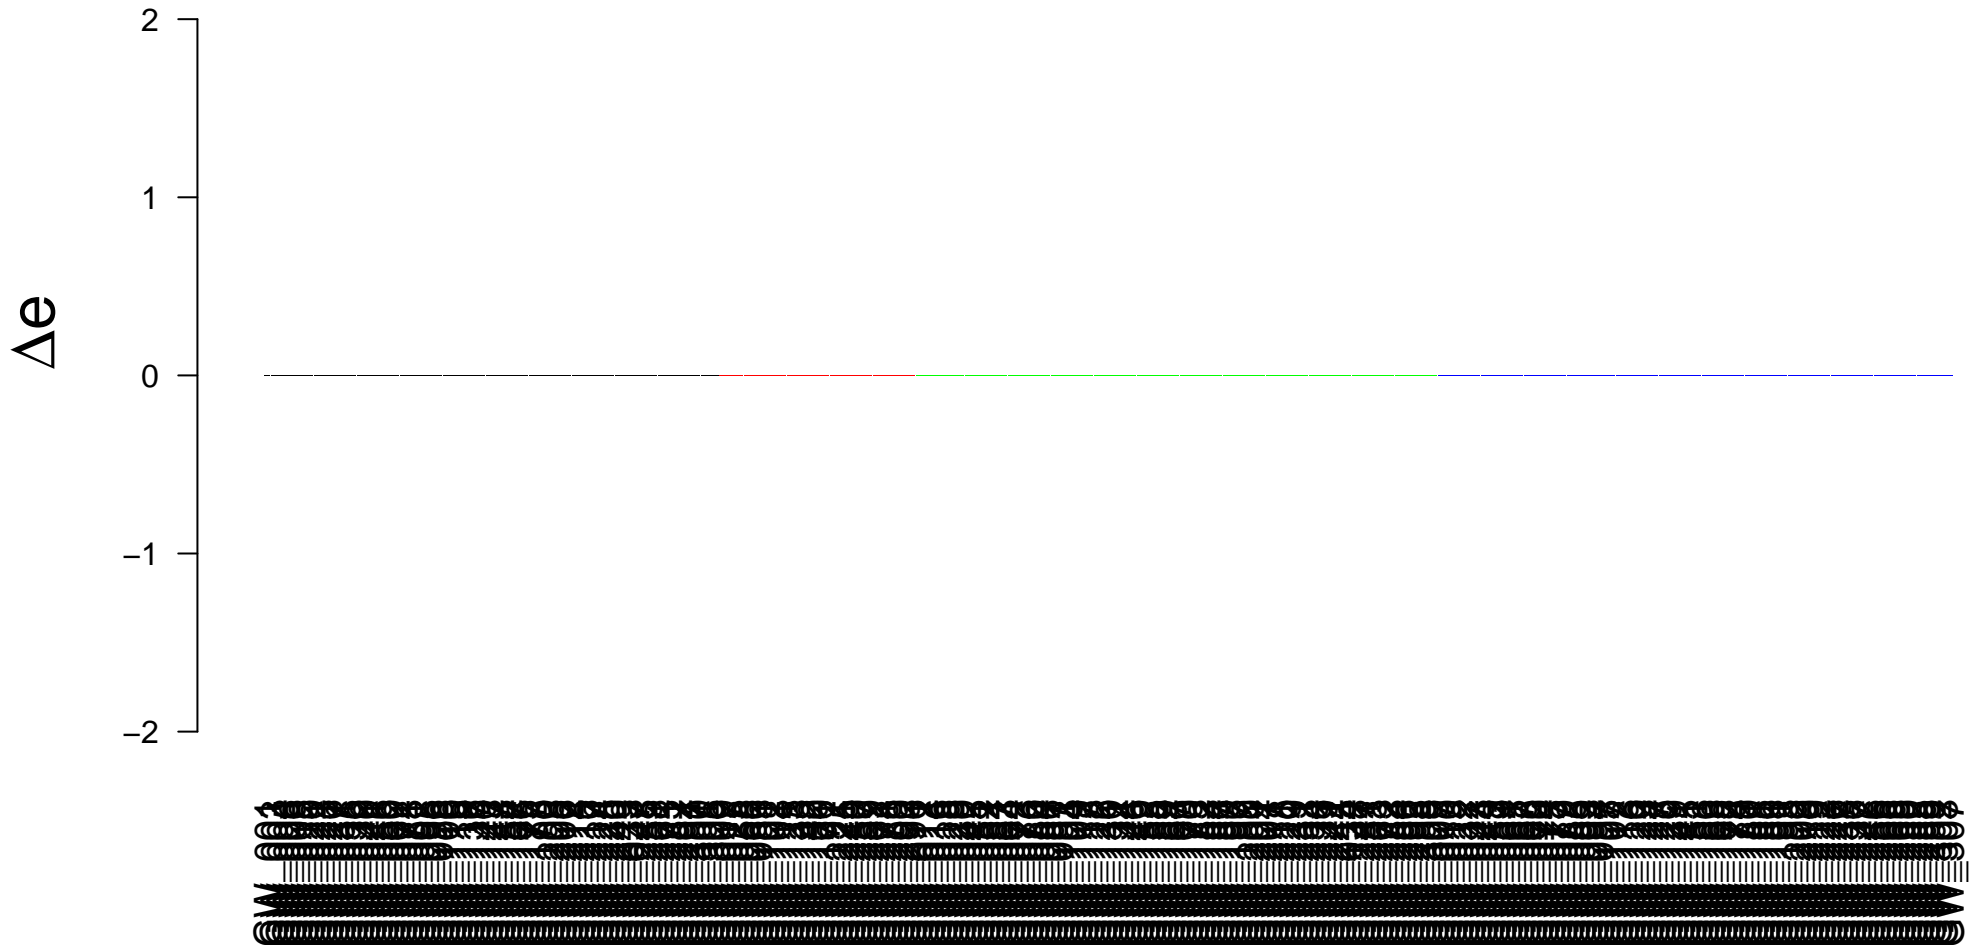

Expression of positive regulation of endothelial cell migration in Spot I

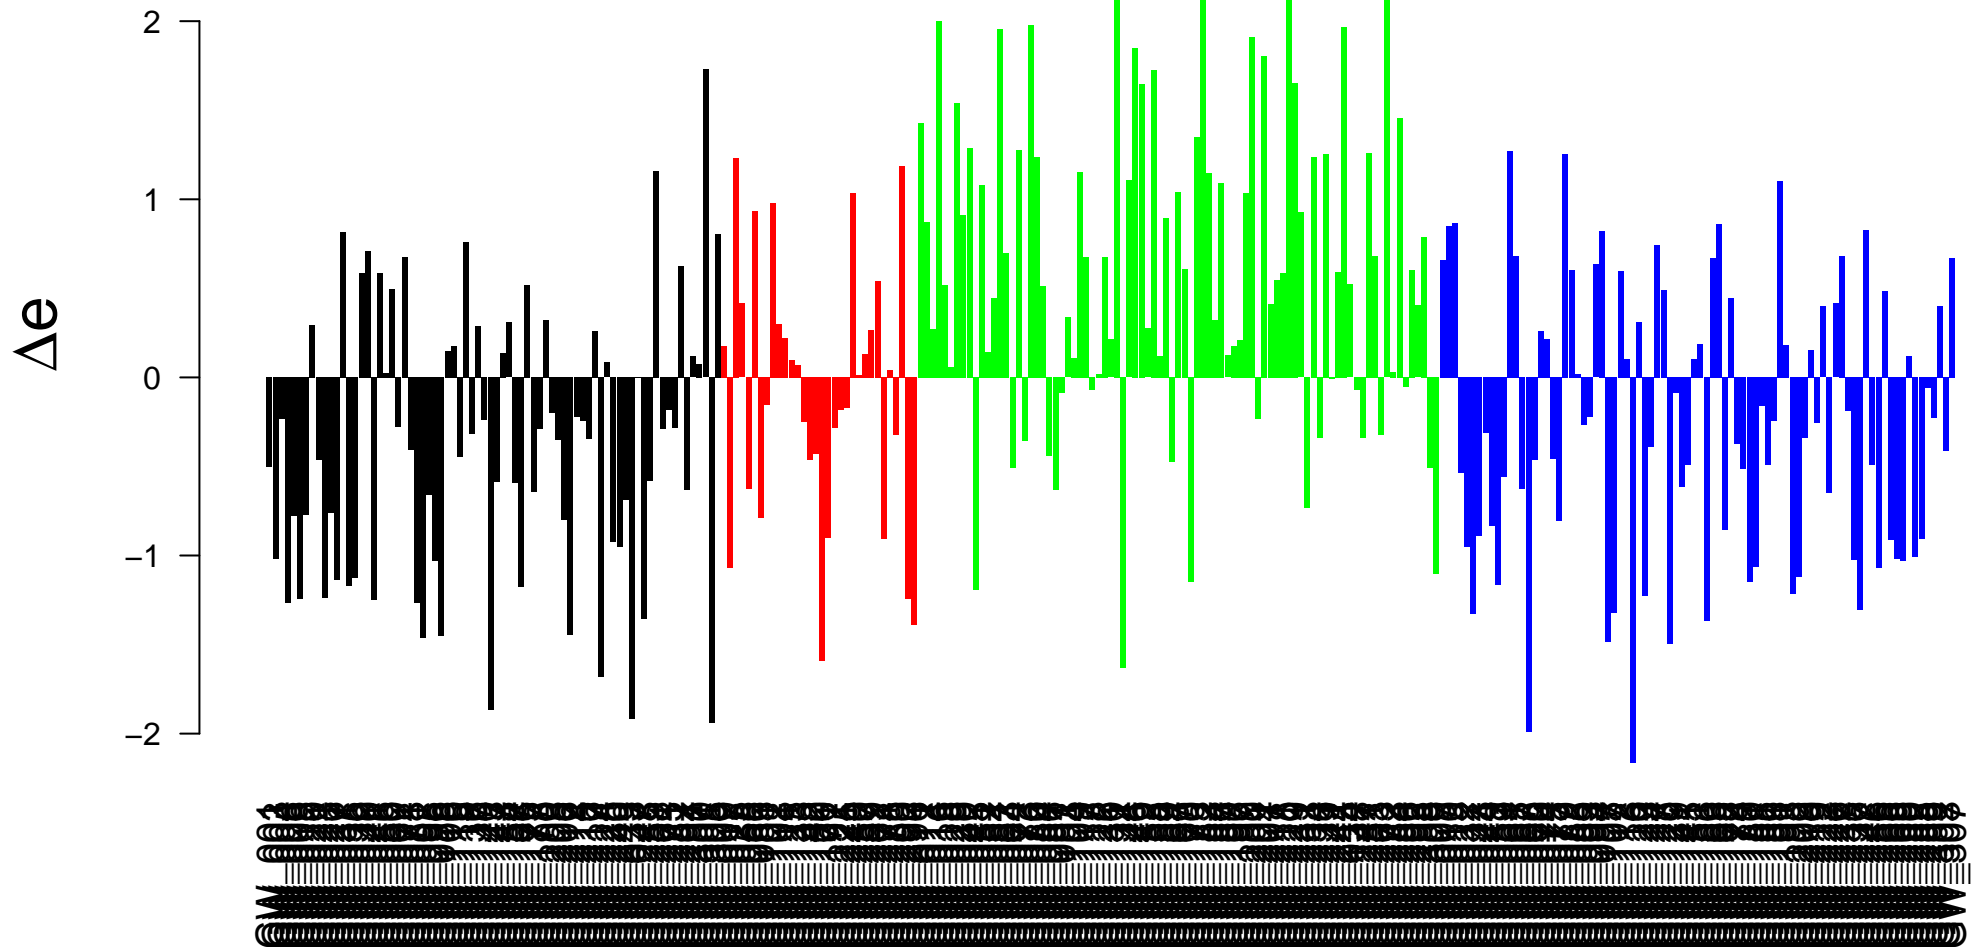

Expression of positive regulation of endothelial cell migration in Spot J

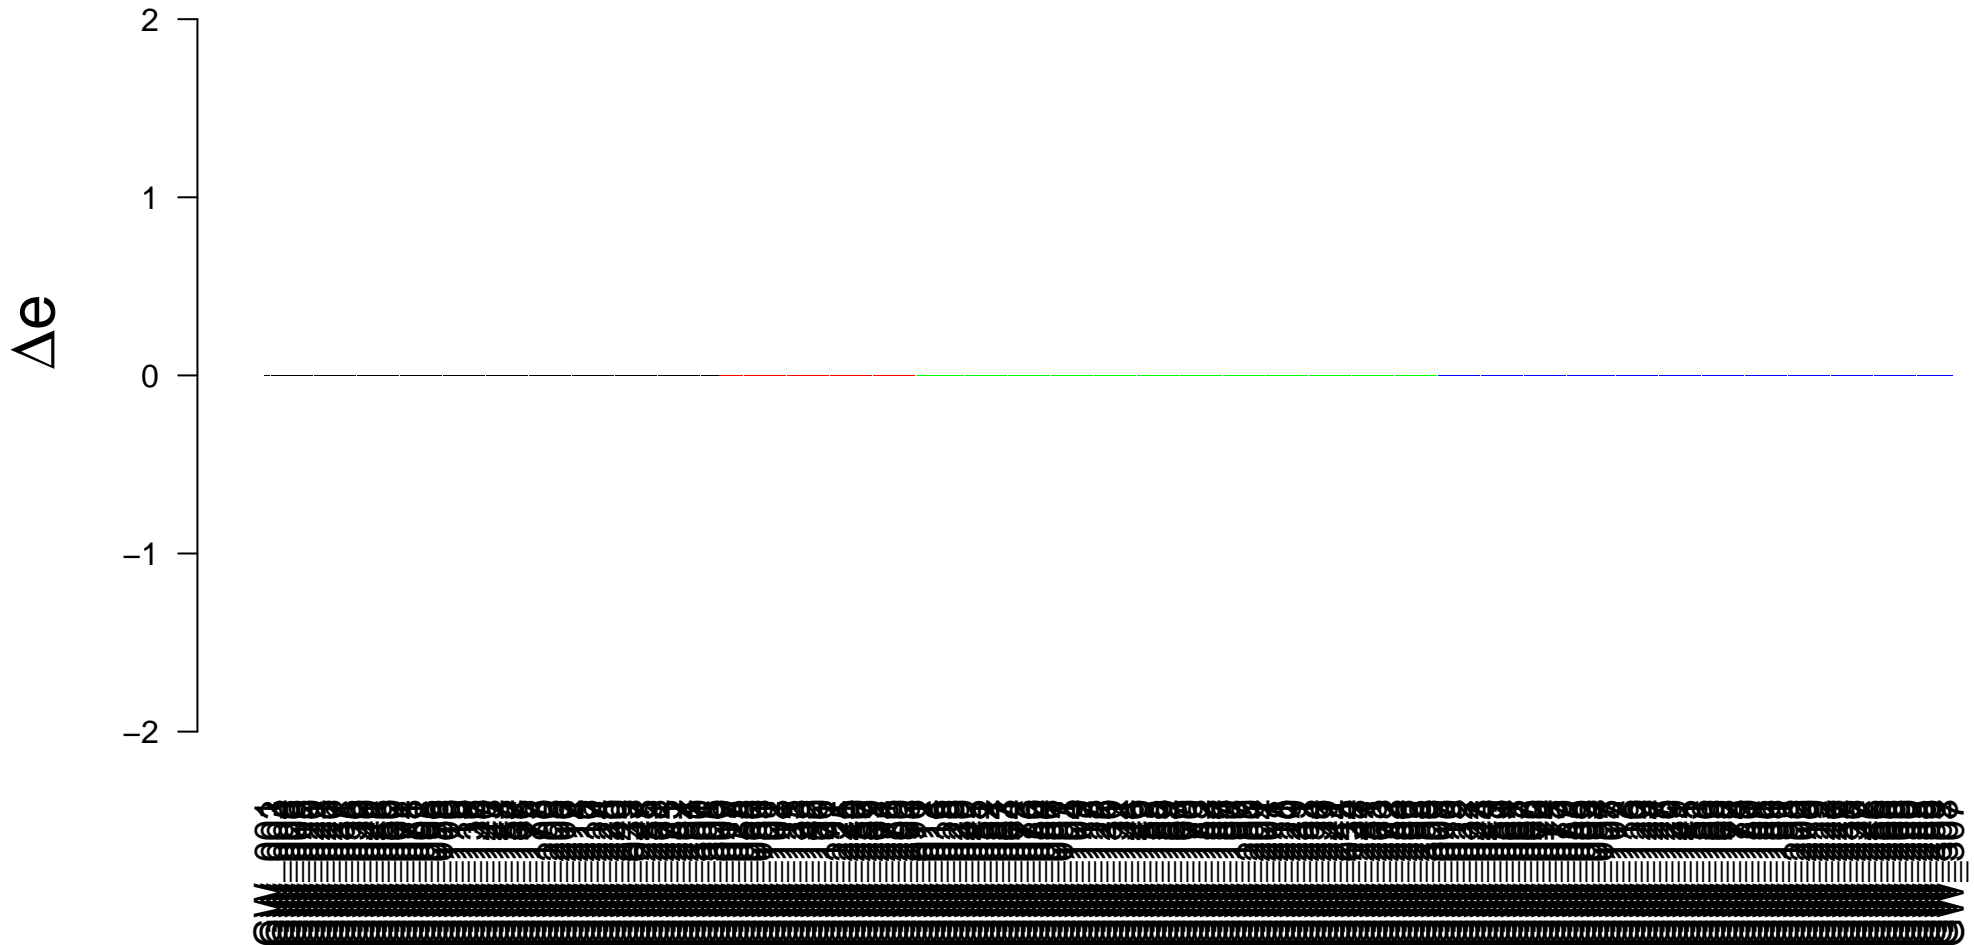

Expression of positive regulation of endothelial cell migration in Spot K

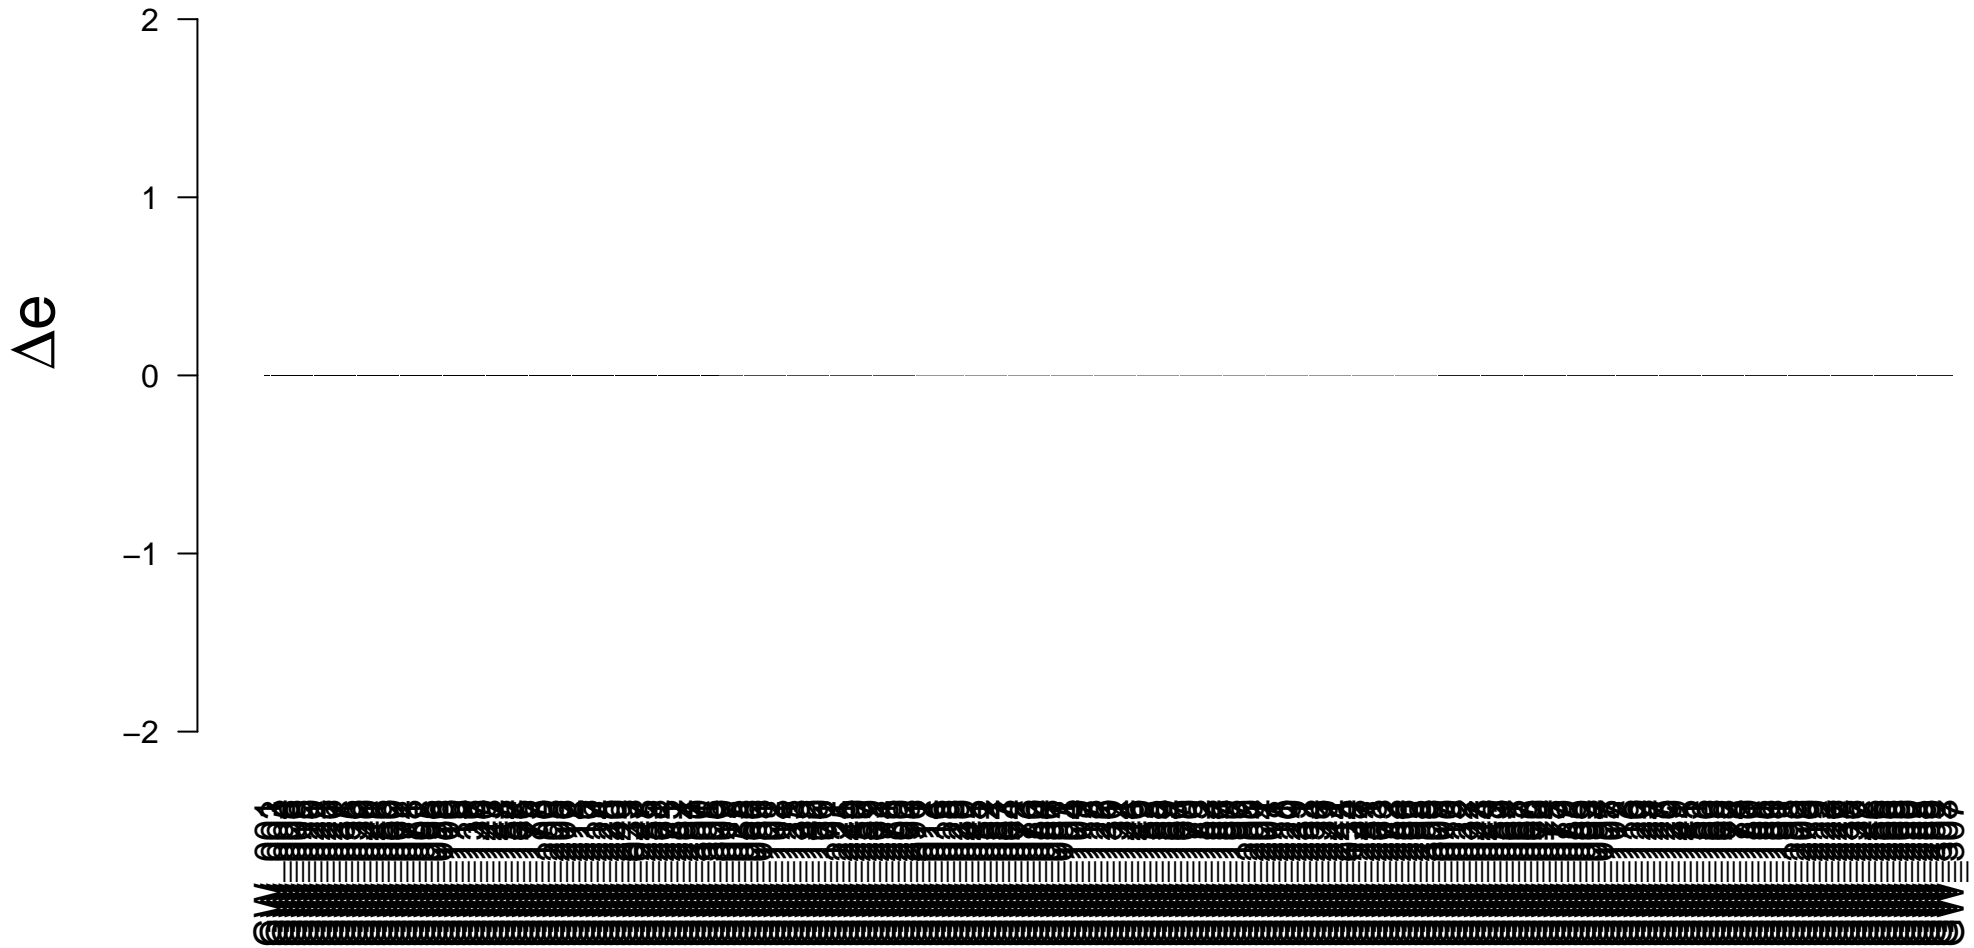

Expression of positive regulation of endothelial cell migration in Spot L

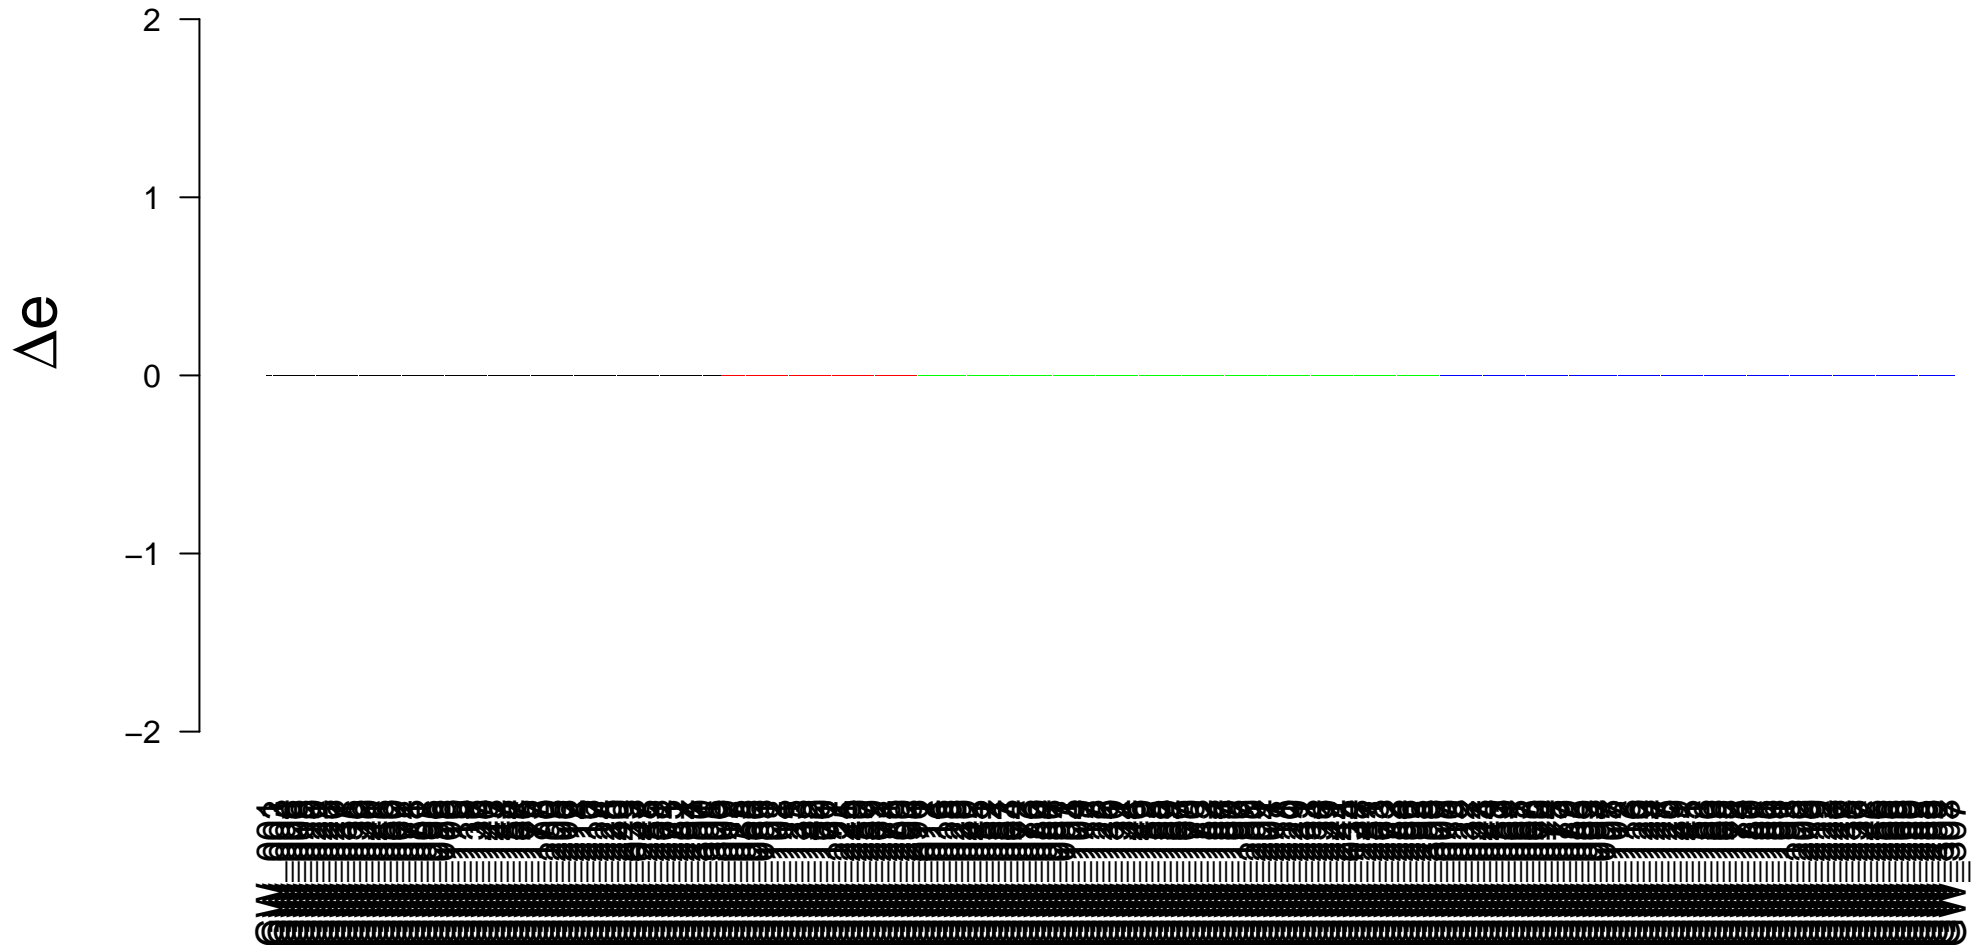

Expression of positive regulation of endothelial cell migration in Spot M

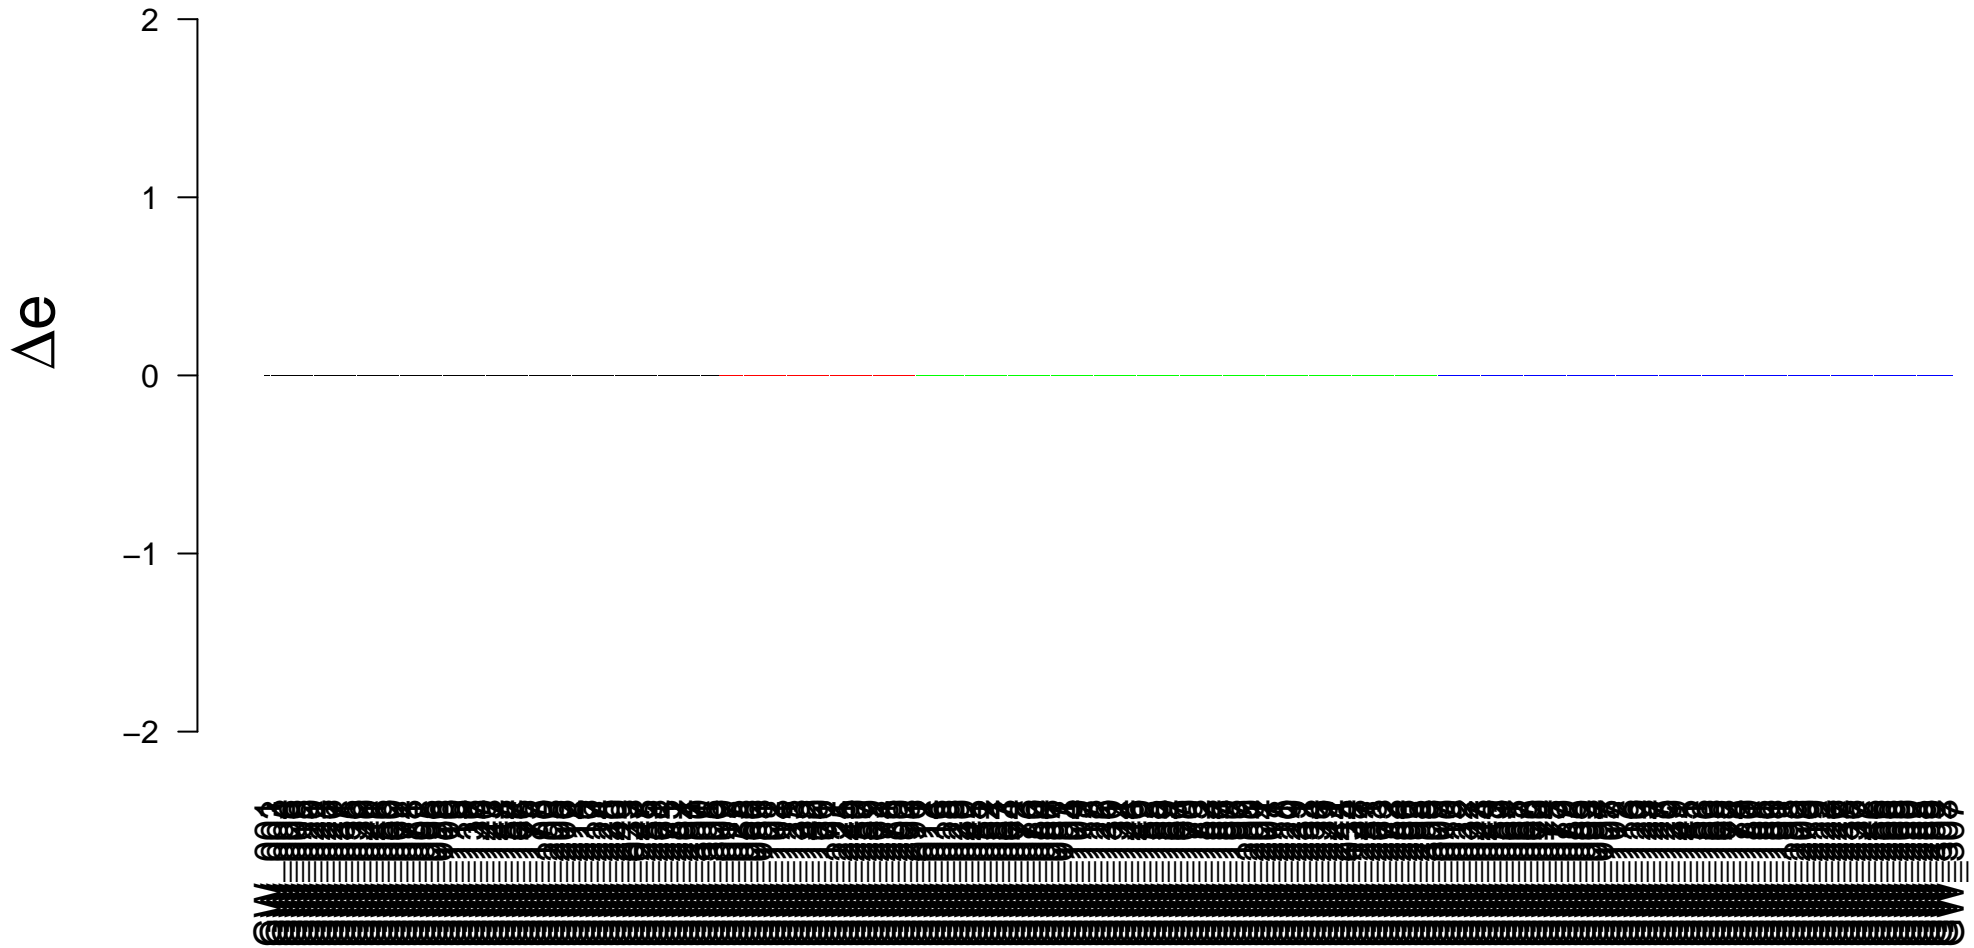

Expression of positive regulation of endothelial cell migration in Spot N

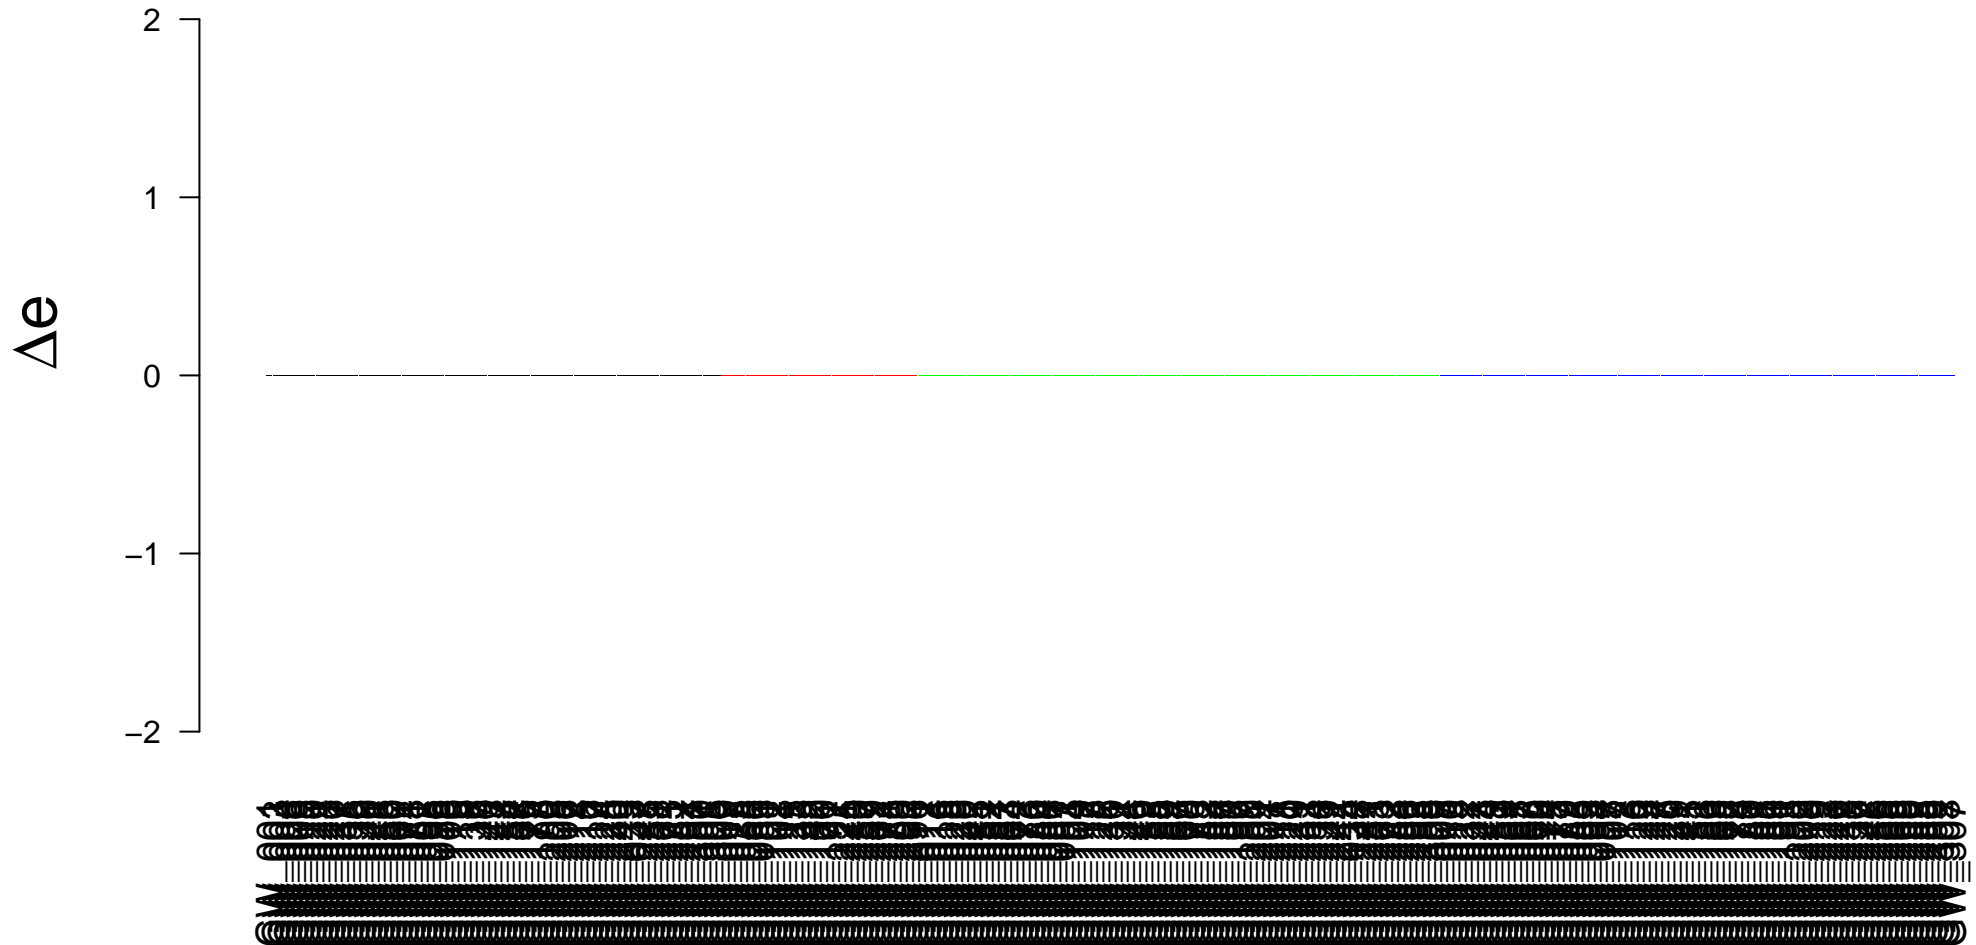

Expression of positive regulation of endothelial cell migration in Spot O

Expression of positive regulation of endothelial cell migration in Spot P

Expression of positive regulation of endothelial cell migration in Spot Q

Expression of positive regulation of endothelial cell migration in Spot R
