

positive regulation of epithelial to mesenchymal transition

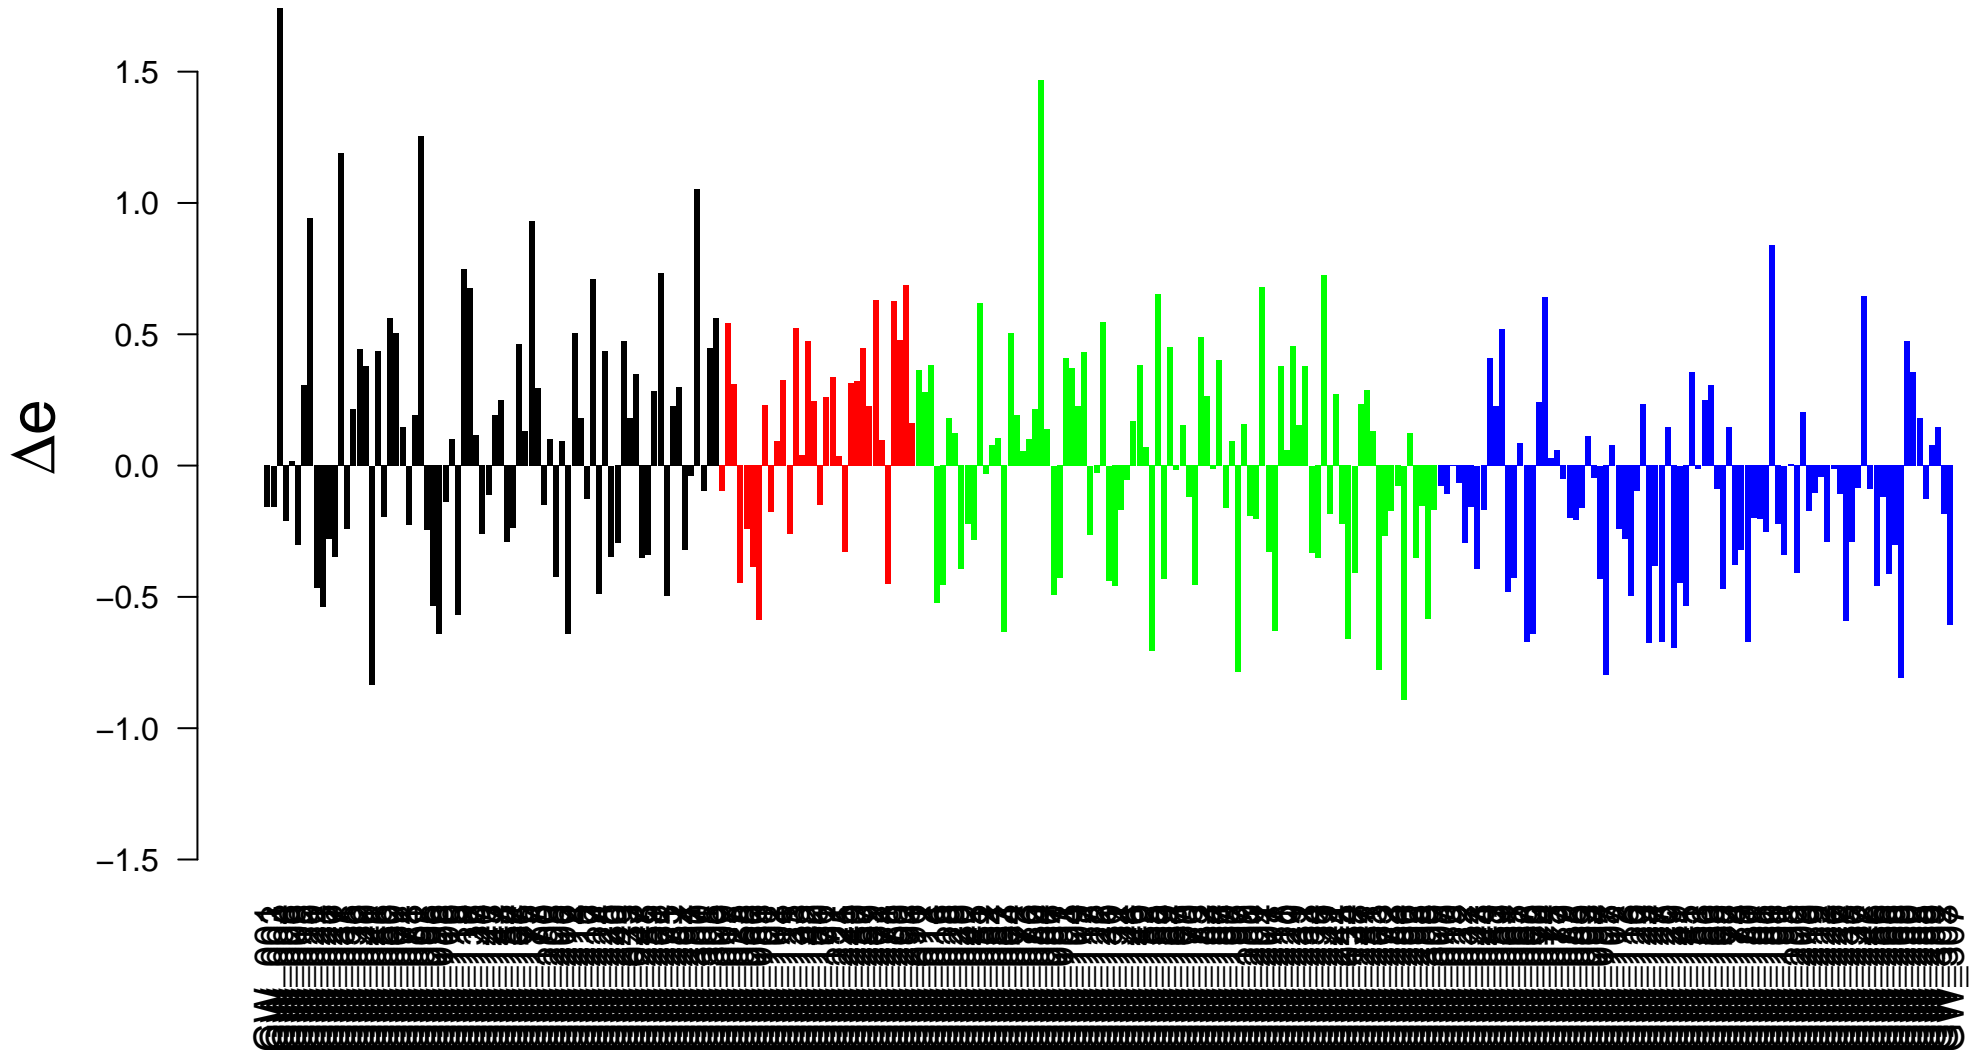

positive regulation of epithelial to mesenchymal transition

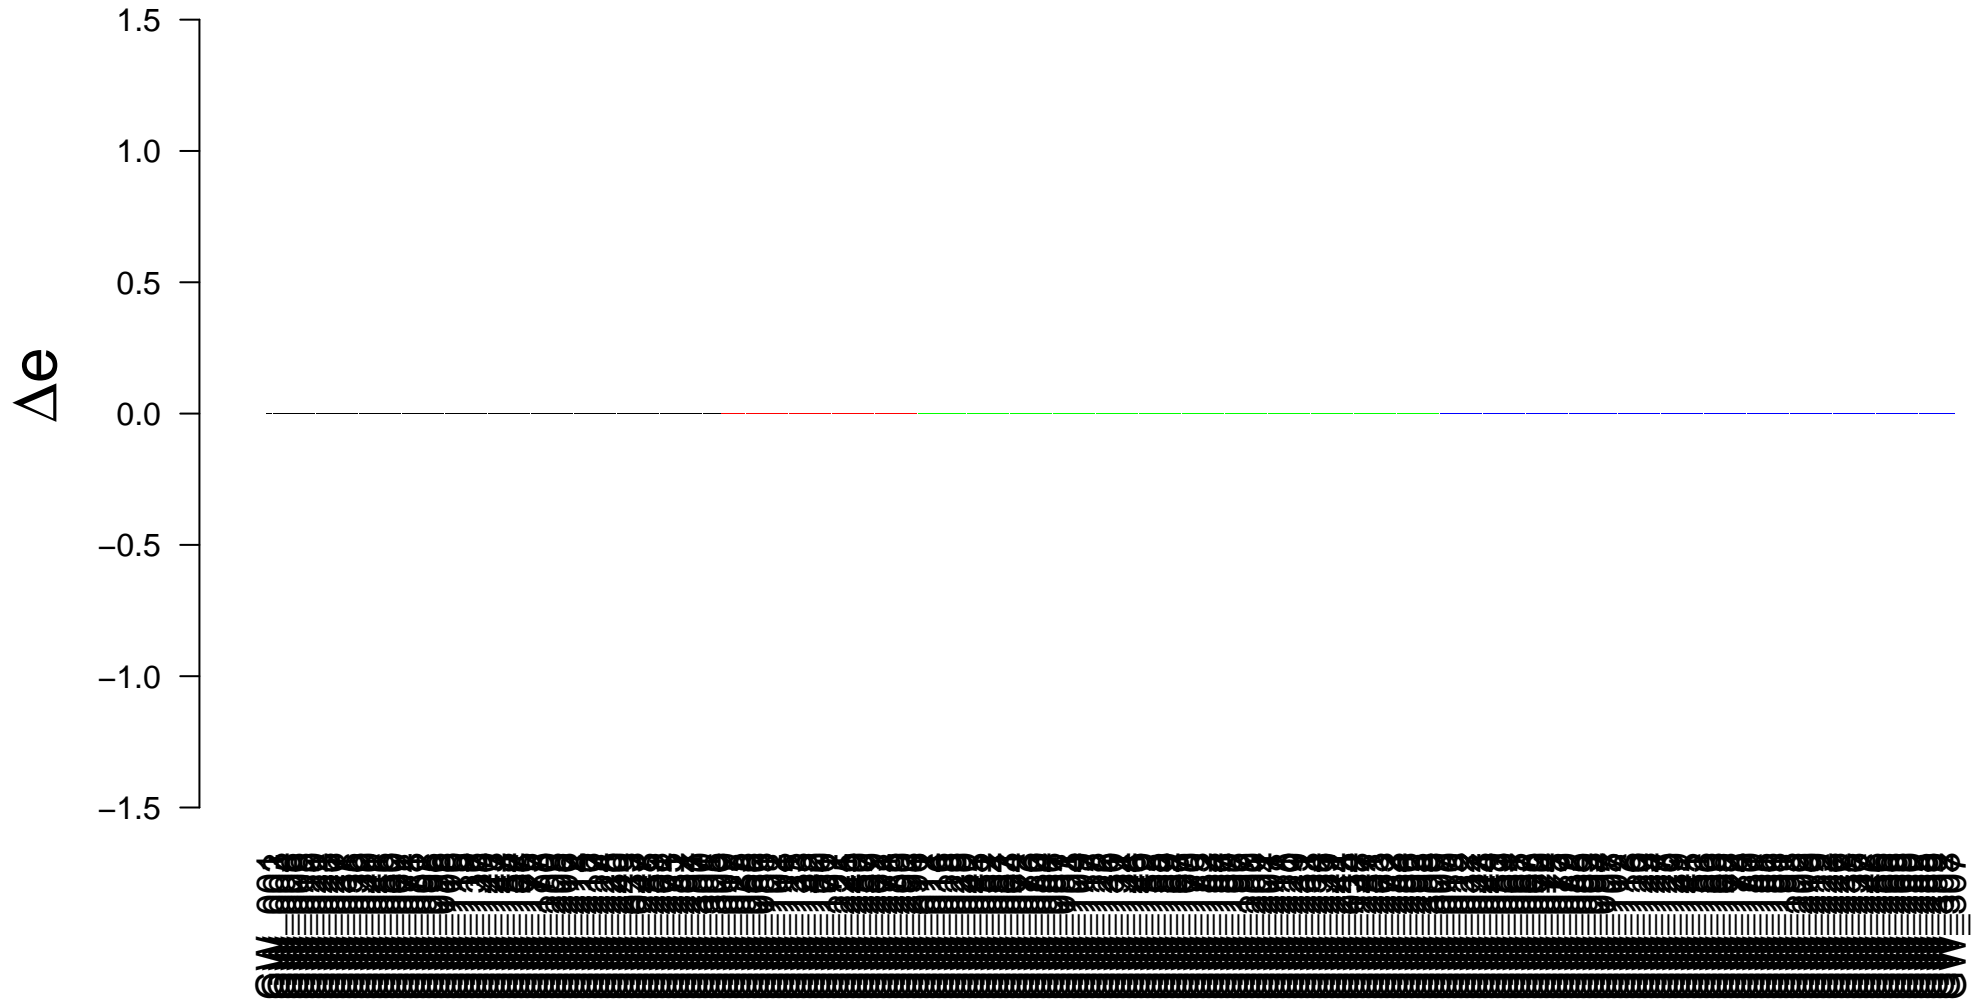

Enrichment in spots: positive regulation of epithelial to mesenchymal transition

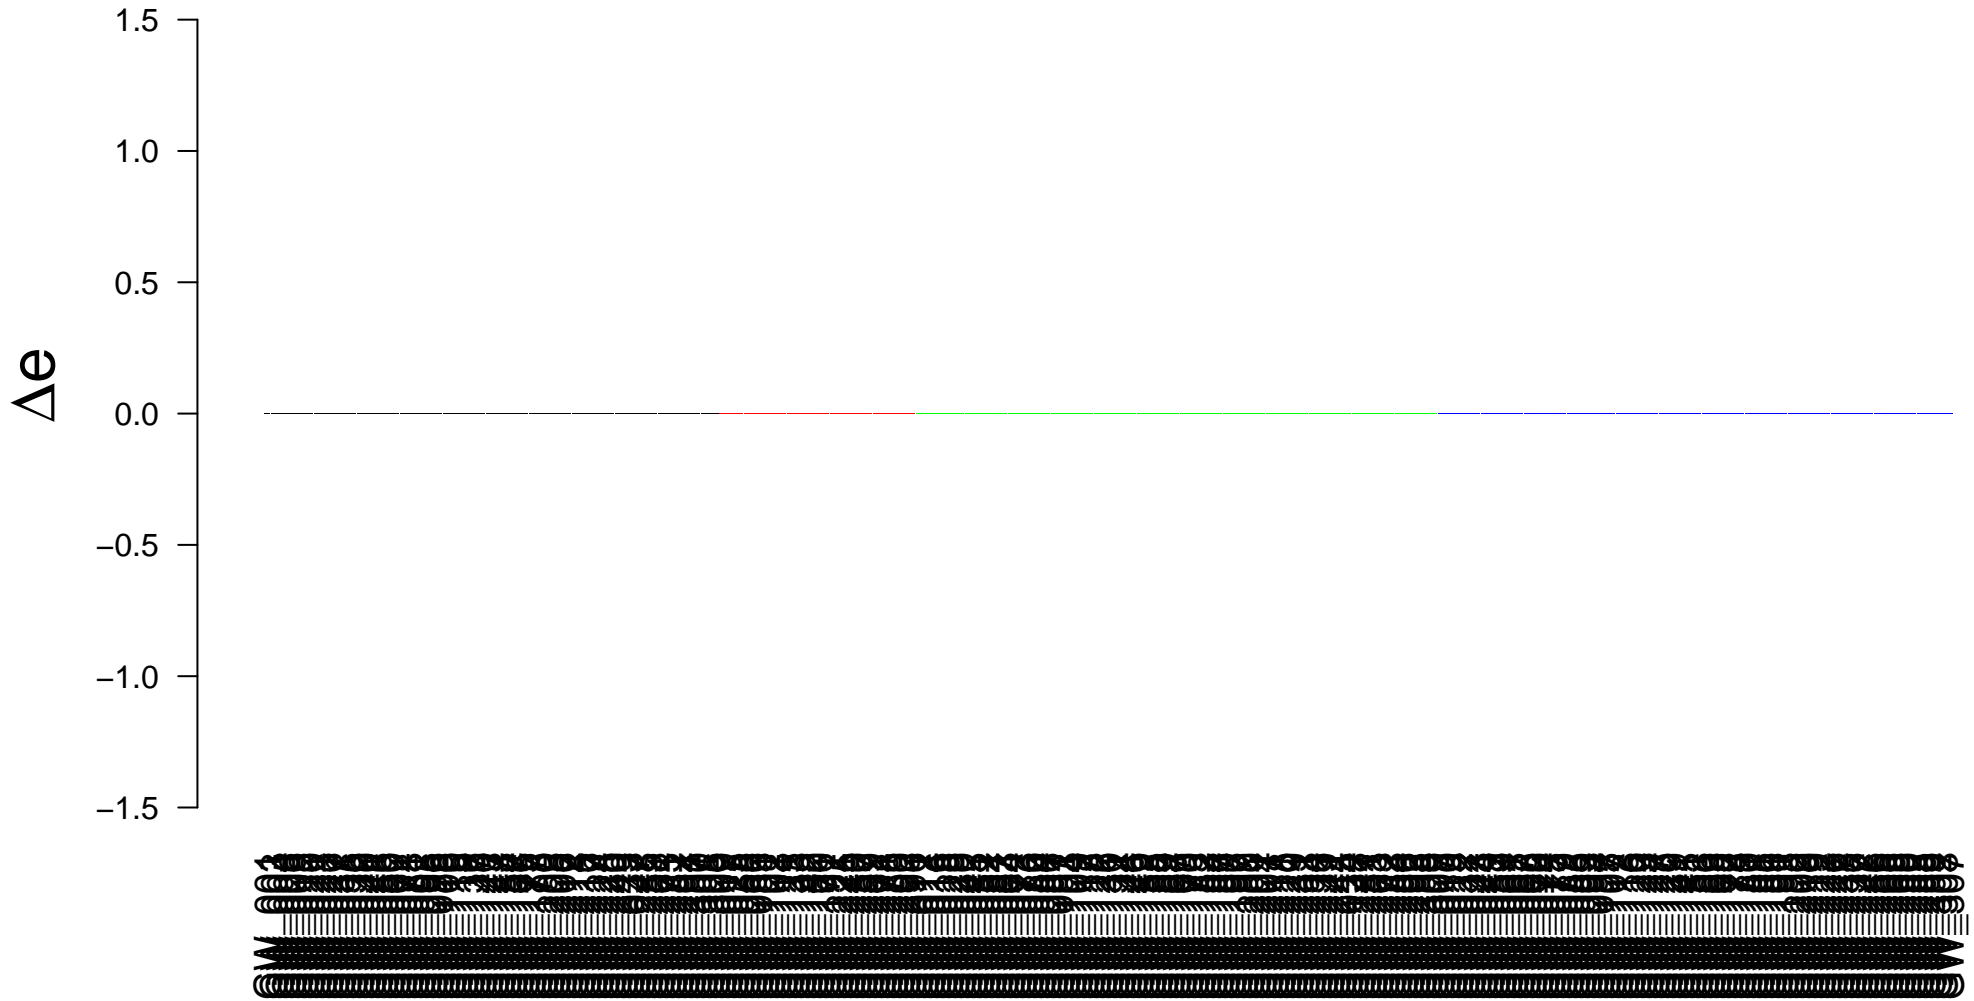

Expression of positive regulation of epithelial to mesenchymal transition in Spot A

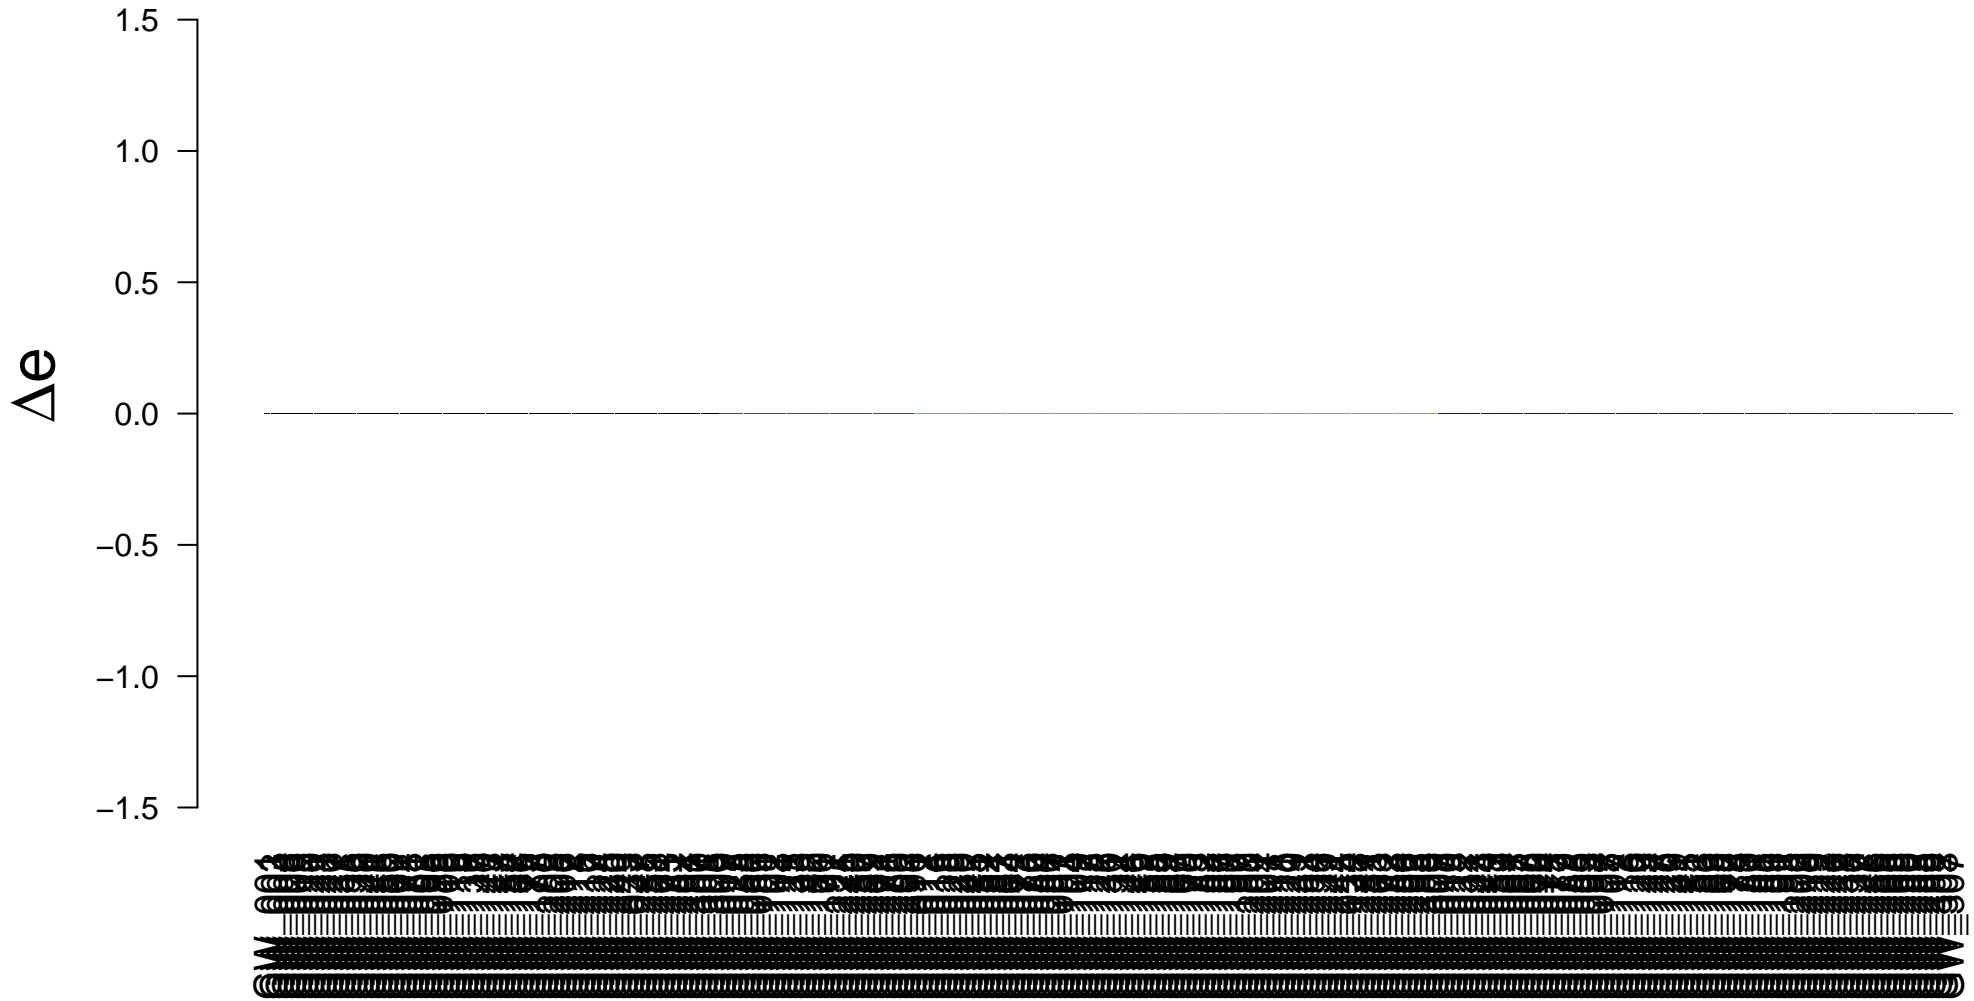

Expression of positive regulation of epithelial to mesenchymal transition in Spot B

Expression of positive regulation of epithelial to mesenchymal transition in Spot C

Expression of positive regulation of epithelial to mesenchymal transition in Spot D

Expression of positive regulation of epithelial to mesenchymal transition in Spot E

Expression of positive regulation of epithelial to mesenchymal transition in Spot M

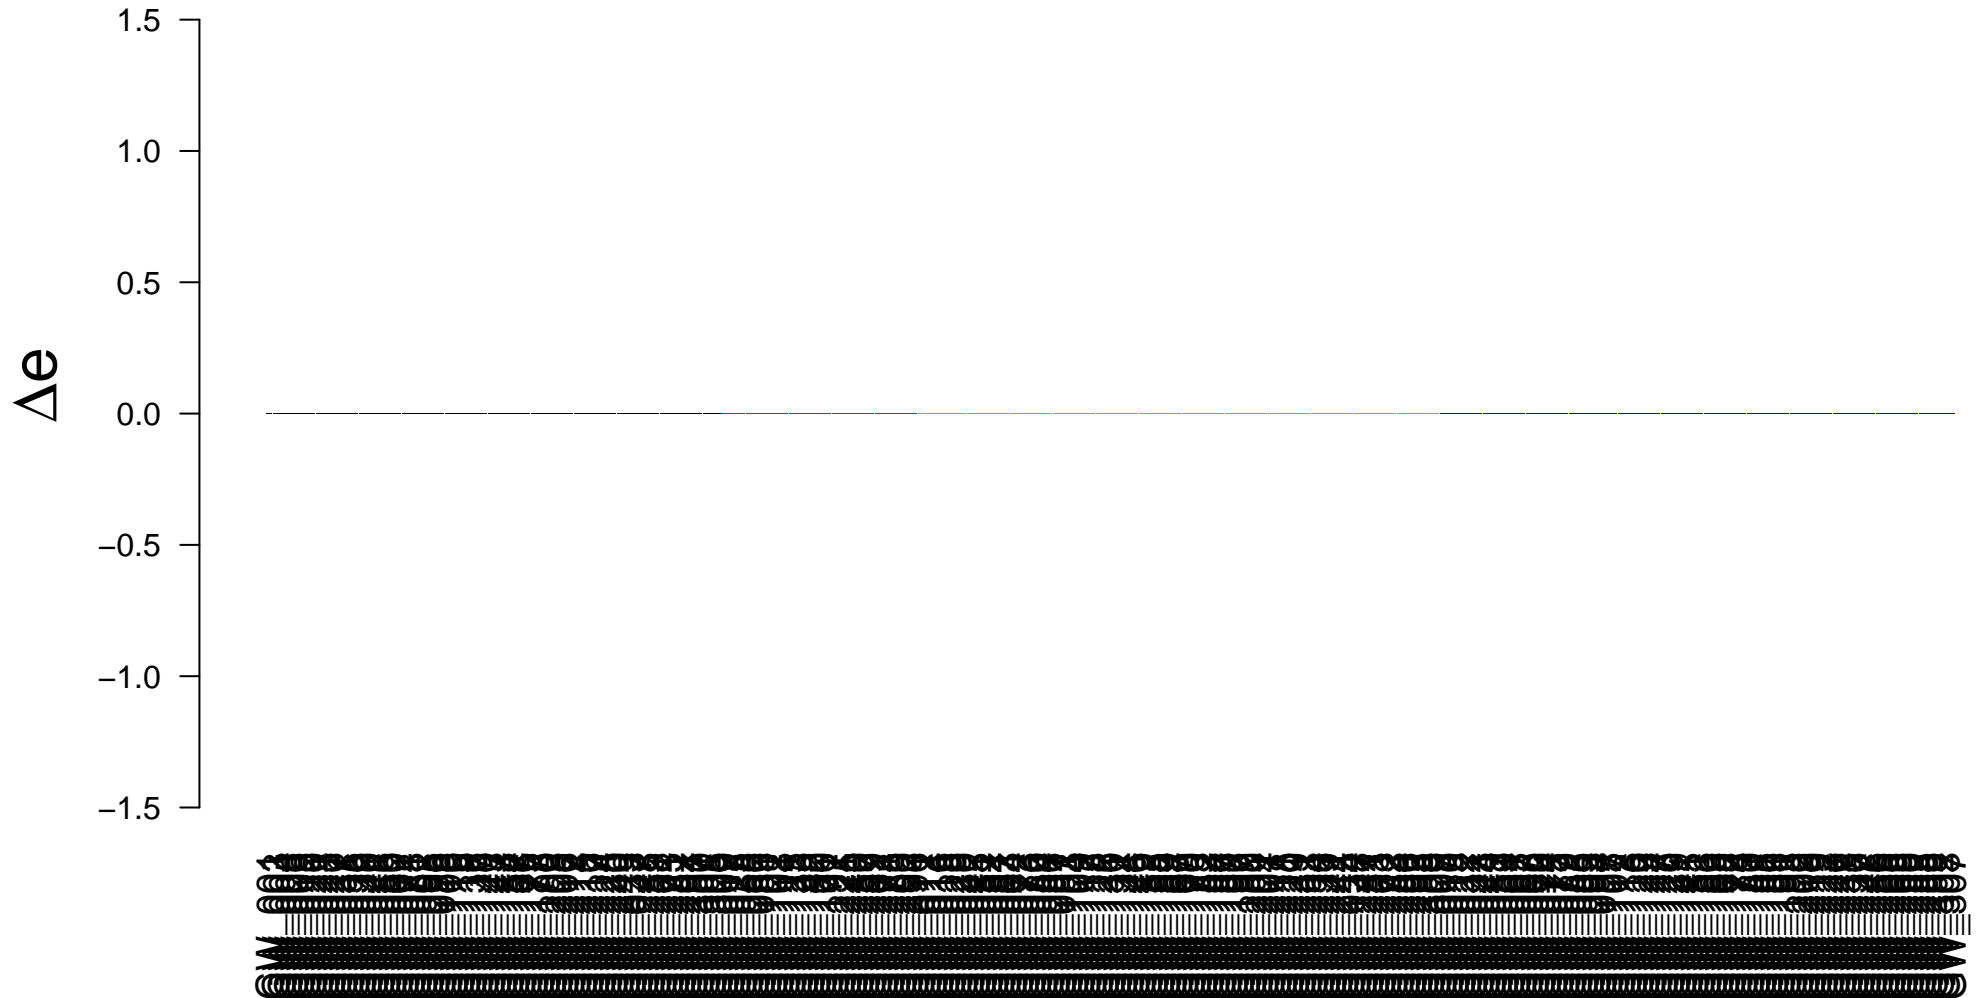

Expression of positive regulation of epithelial to mesenchymal transition in Spot N

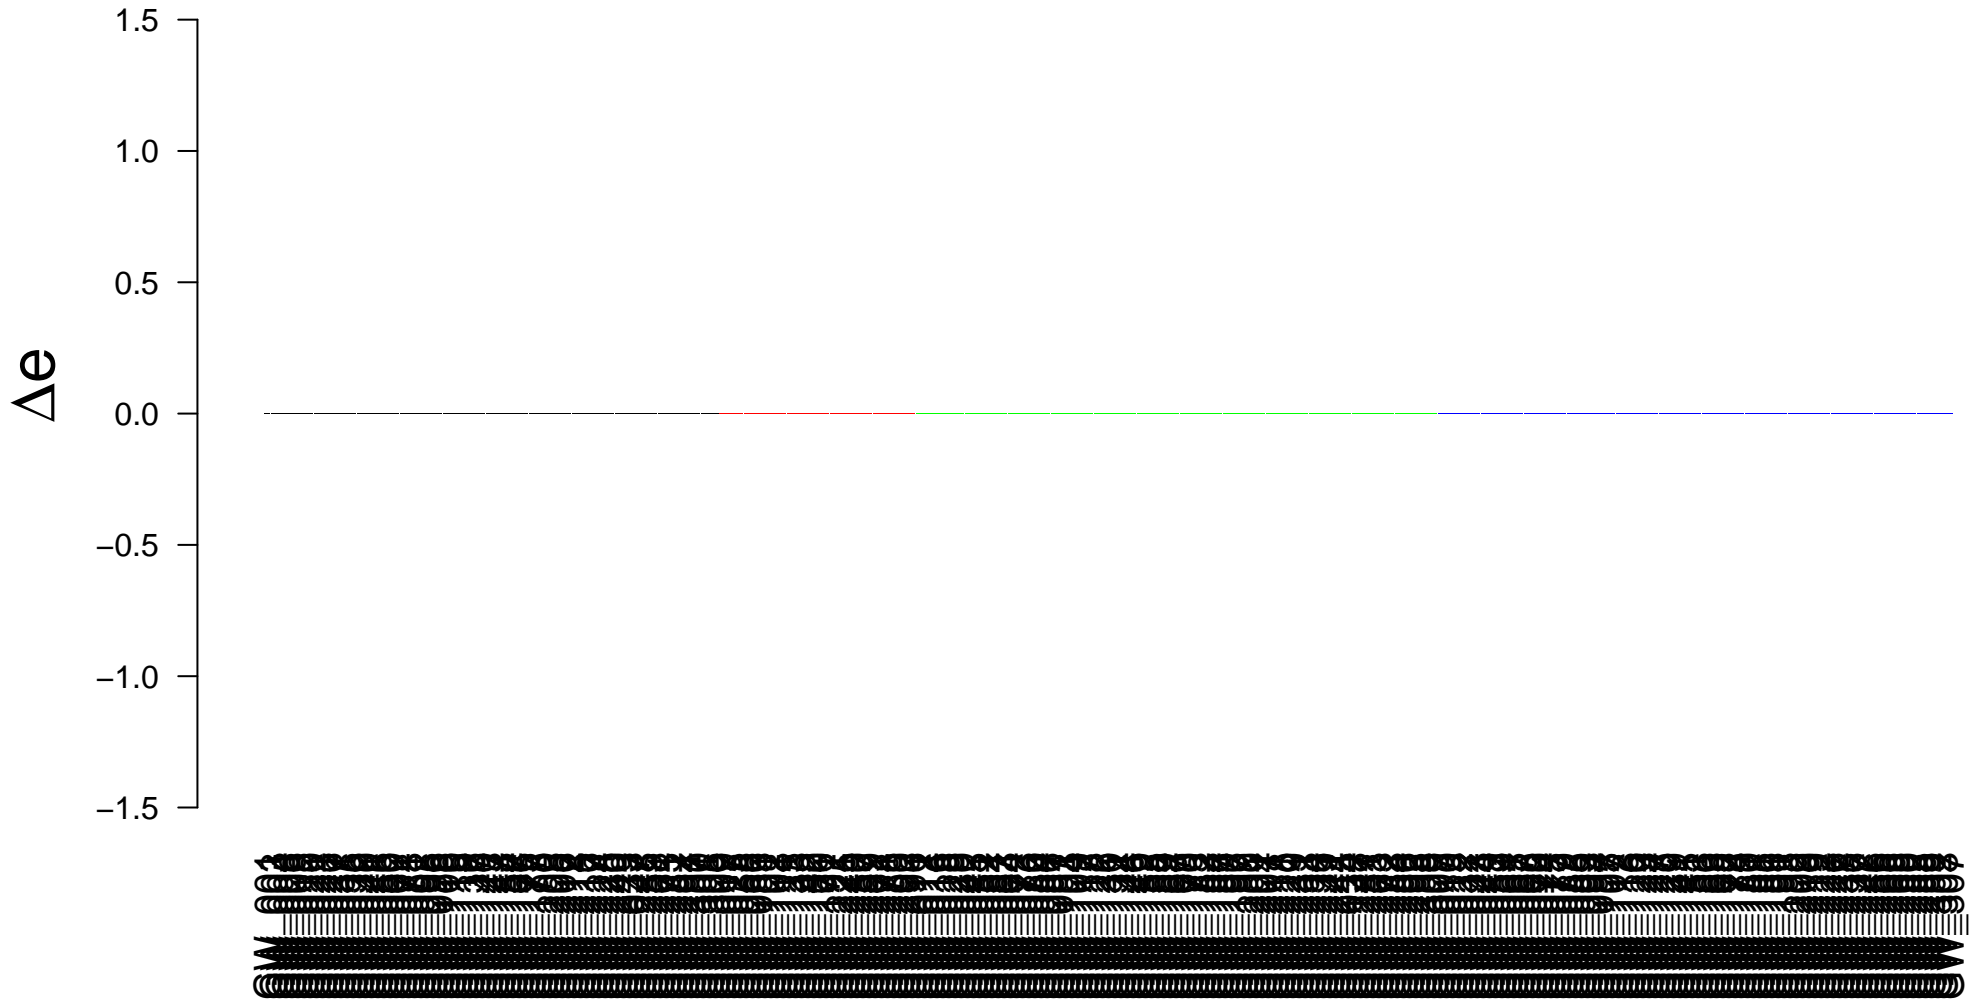

Expression of positive regulation of epithelial to mesenchymal transition in Spot O

Expression of positive regulation of epithelial to mesenchymal transition in Spot P

Expression of positive regulation of epithelial to mesenchymal transition in Spot Q

Expression of positive regulation of epithelial to mesenchymal transition in Spot R
