

positive regulation of extrinsic apoptotic signaling pathway via death domain receptors

positive regulation of extrinsic apoptotic signaling pathway via death domain receptors

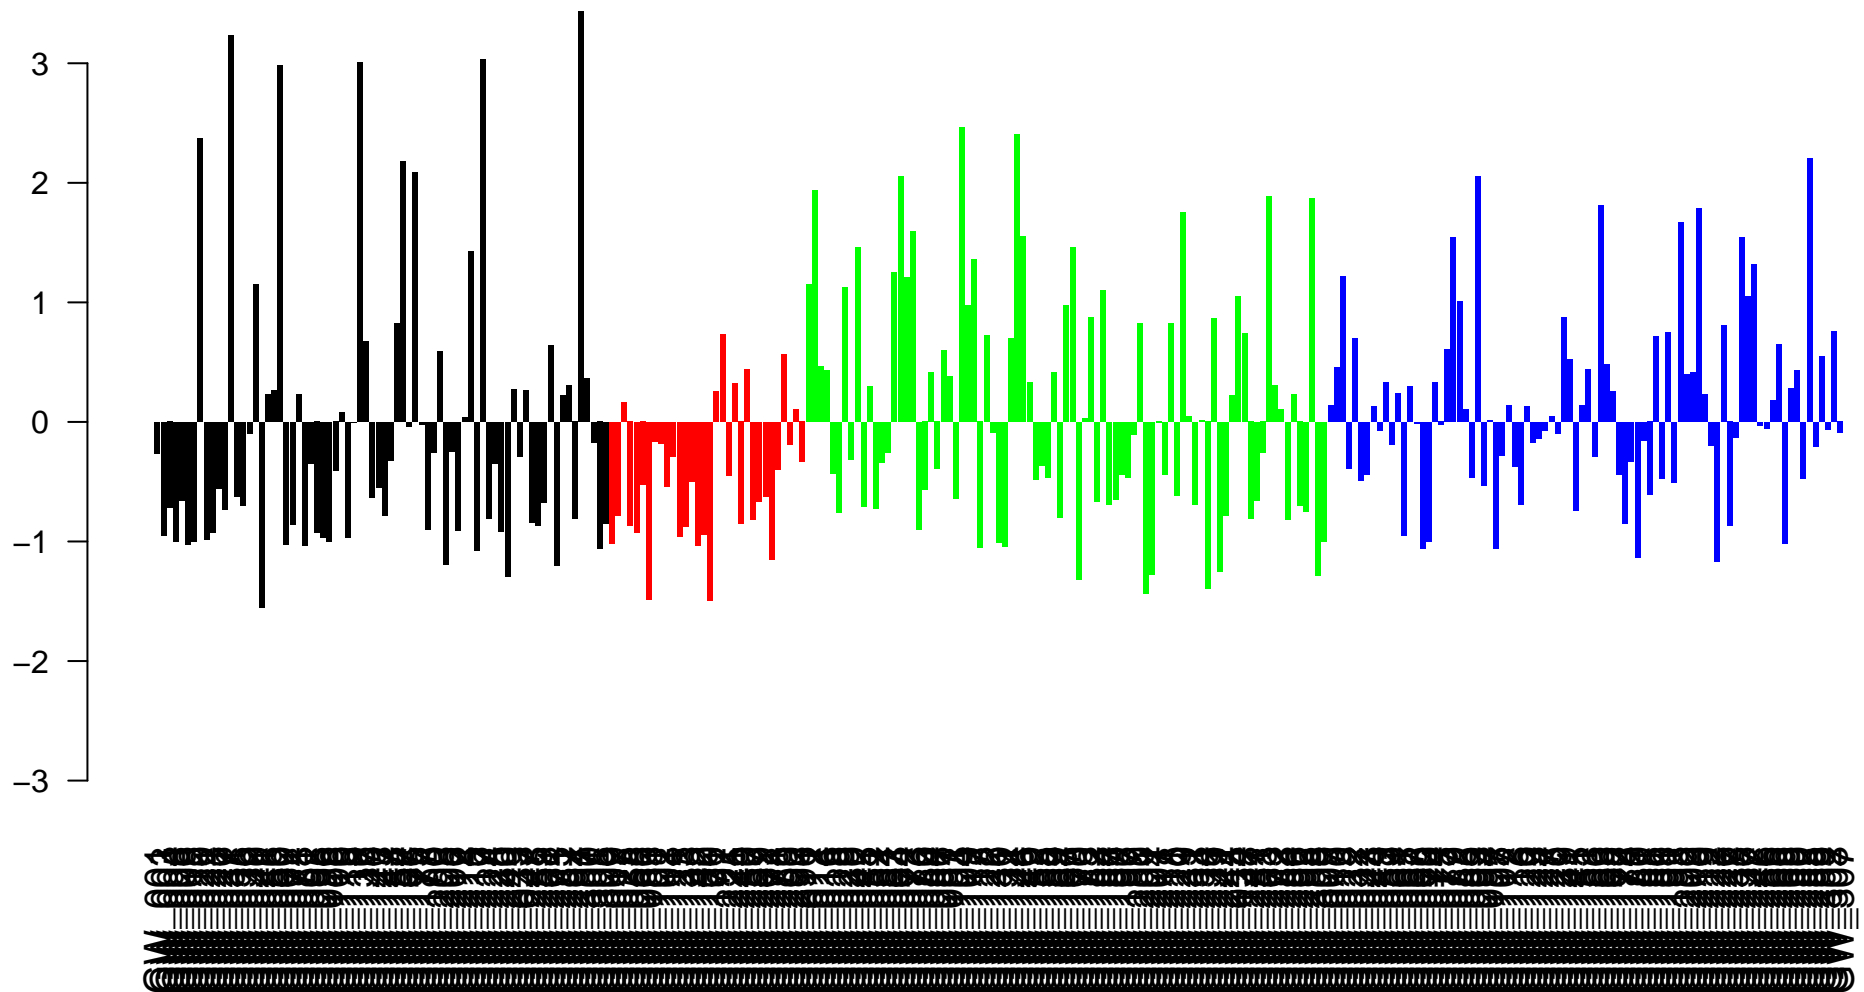

# Enrichment in spots: positive regulation of extrinsic apoptotic signaling pathway via death domain receptors

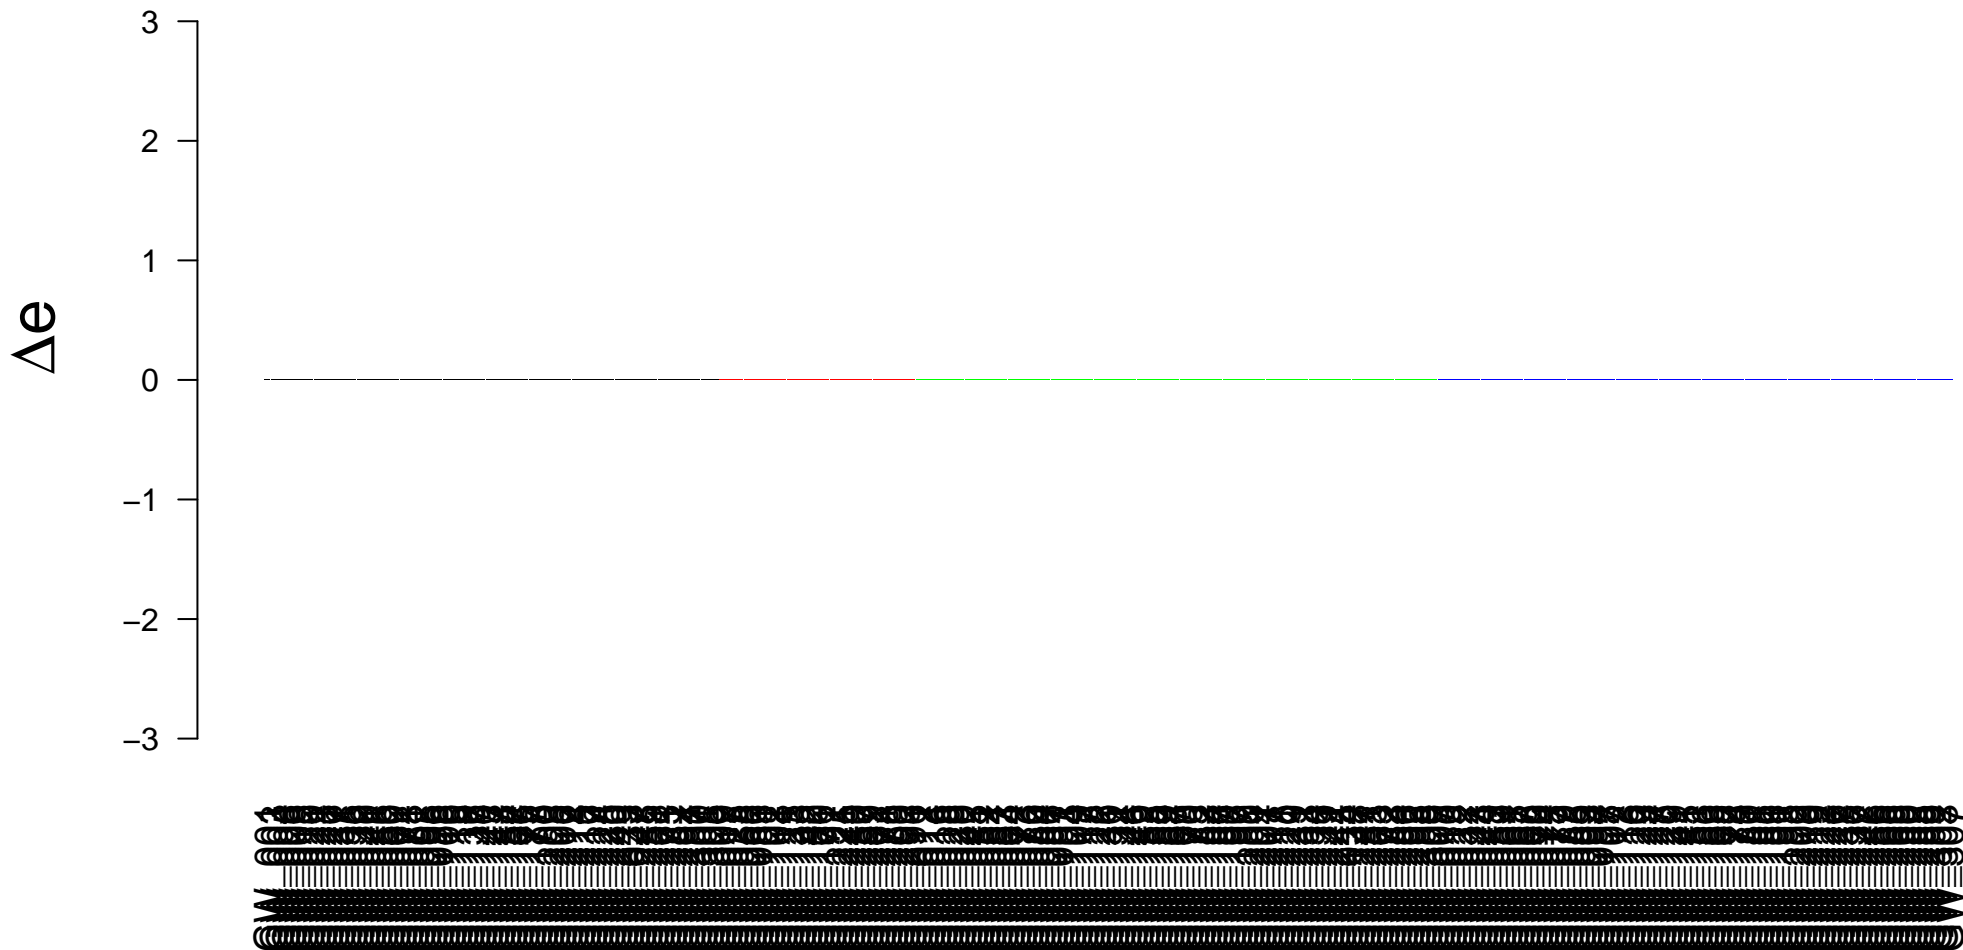

# Expression of positive regulation of extrinsic apoptotic signaling pathway via death domain receptors in Spot A

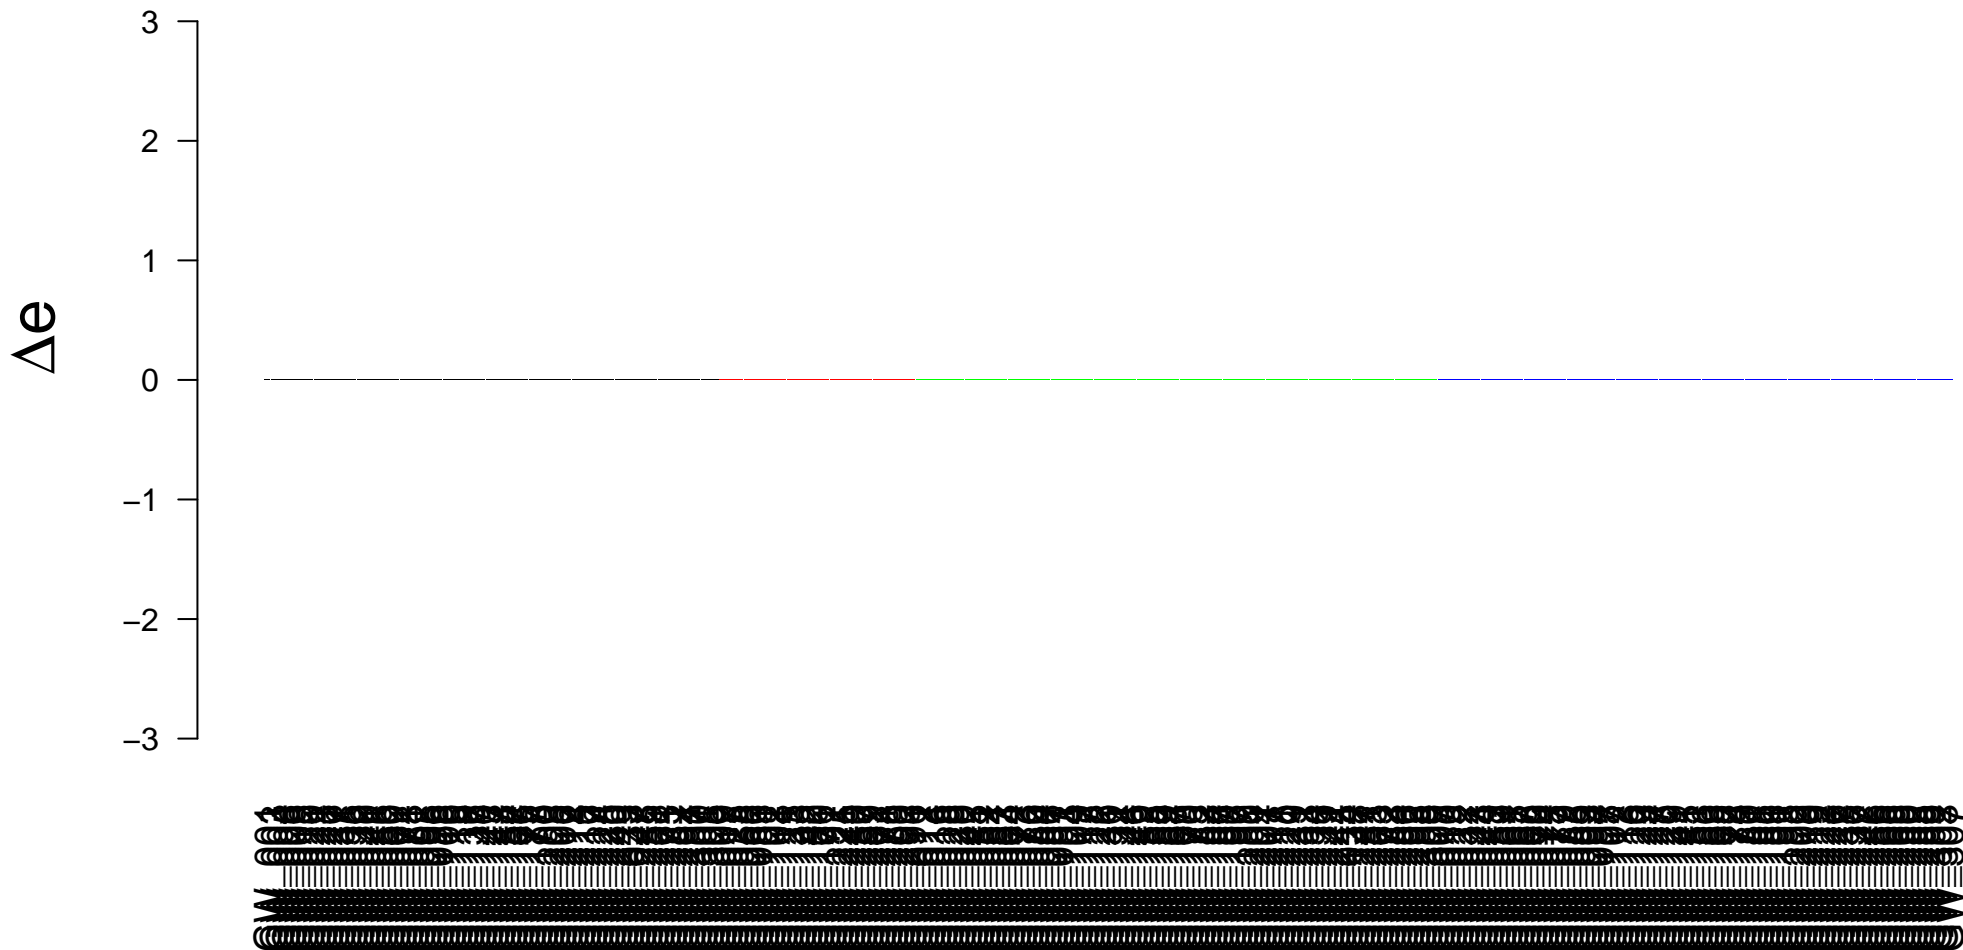

$\Delta e$

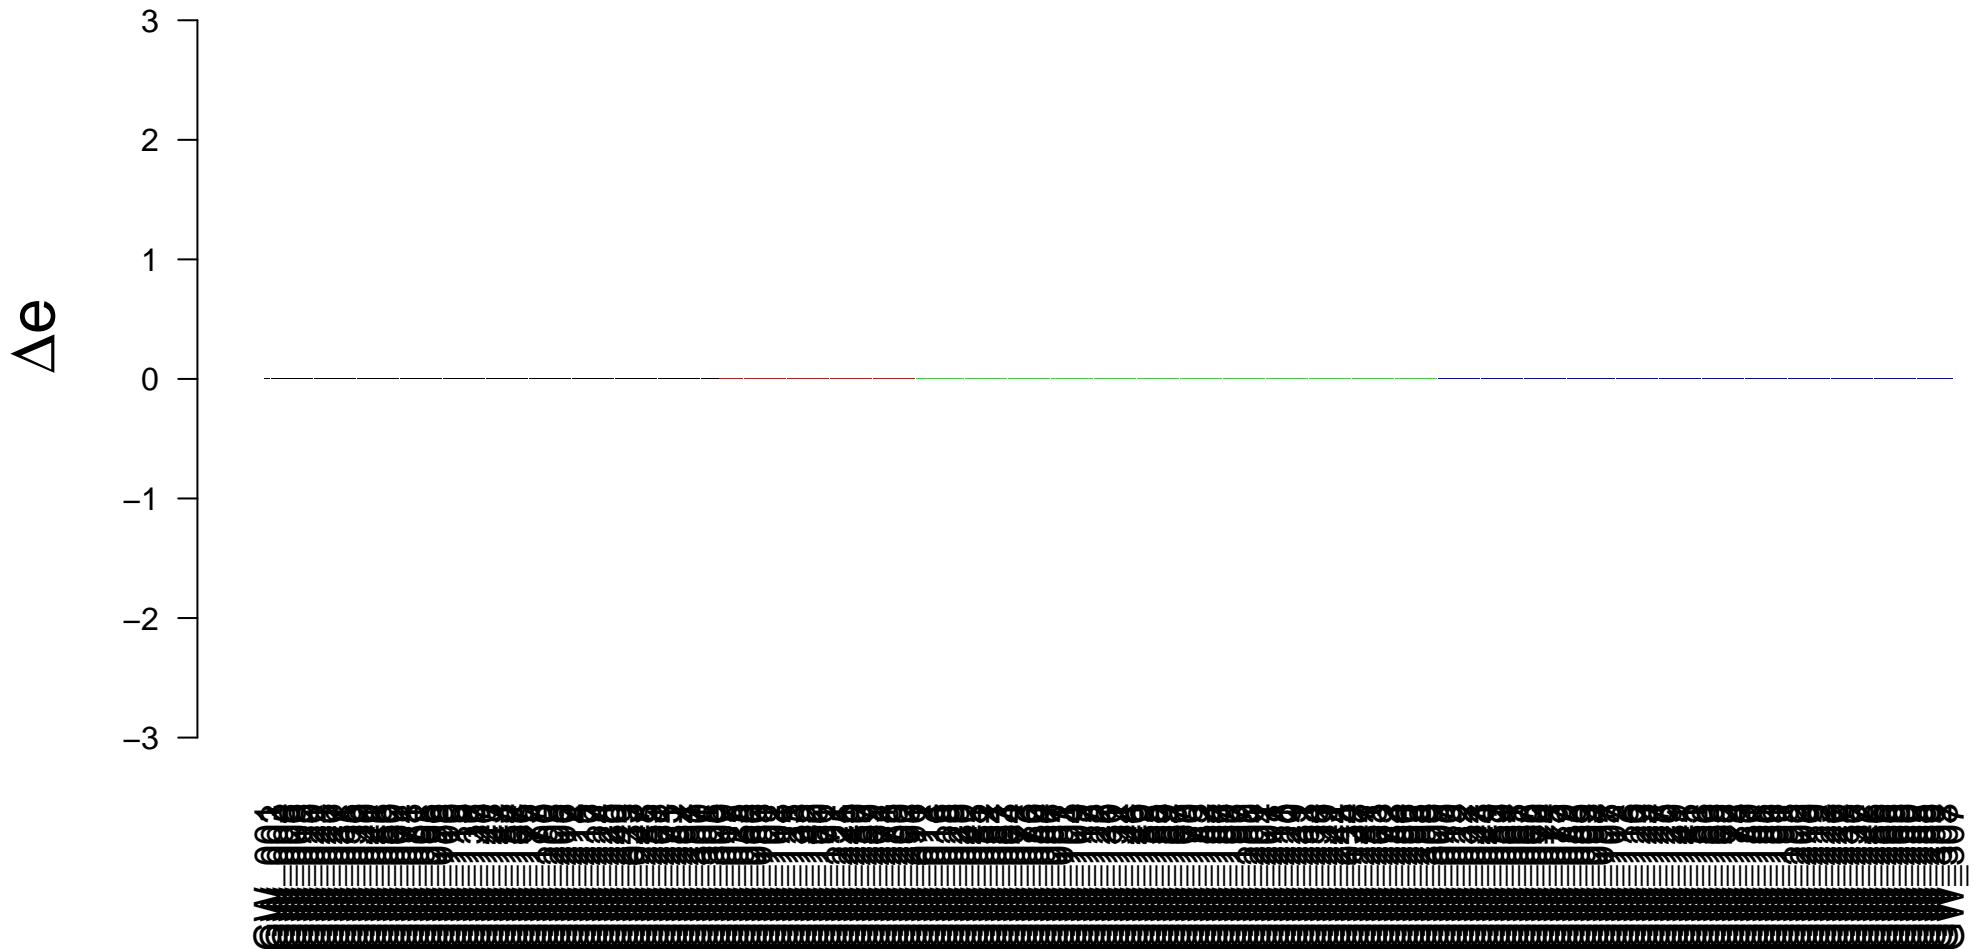

# Expression of positive regulation of extrinsic apoptotic signaling pathway via death domain receptors in Spot B

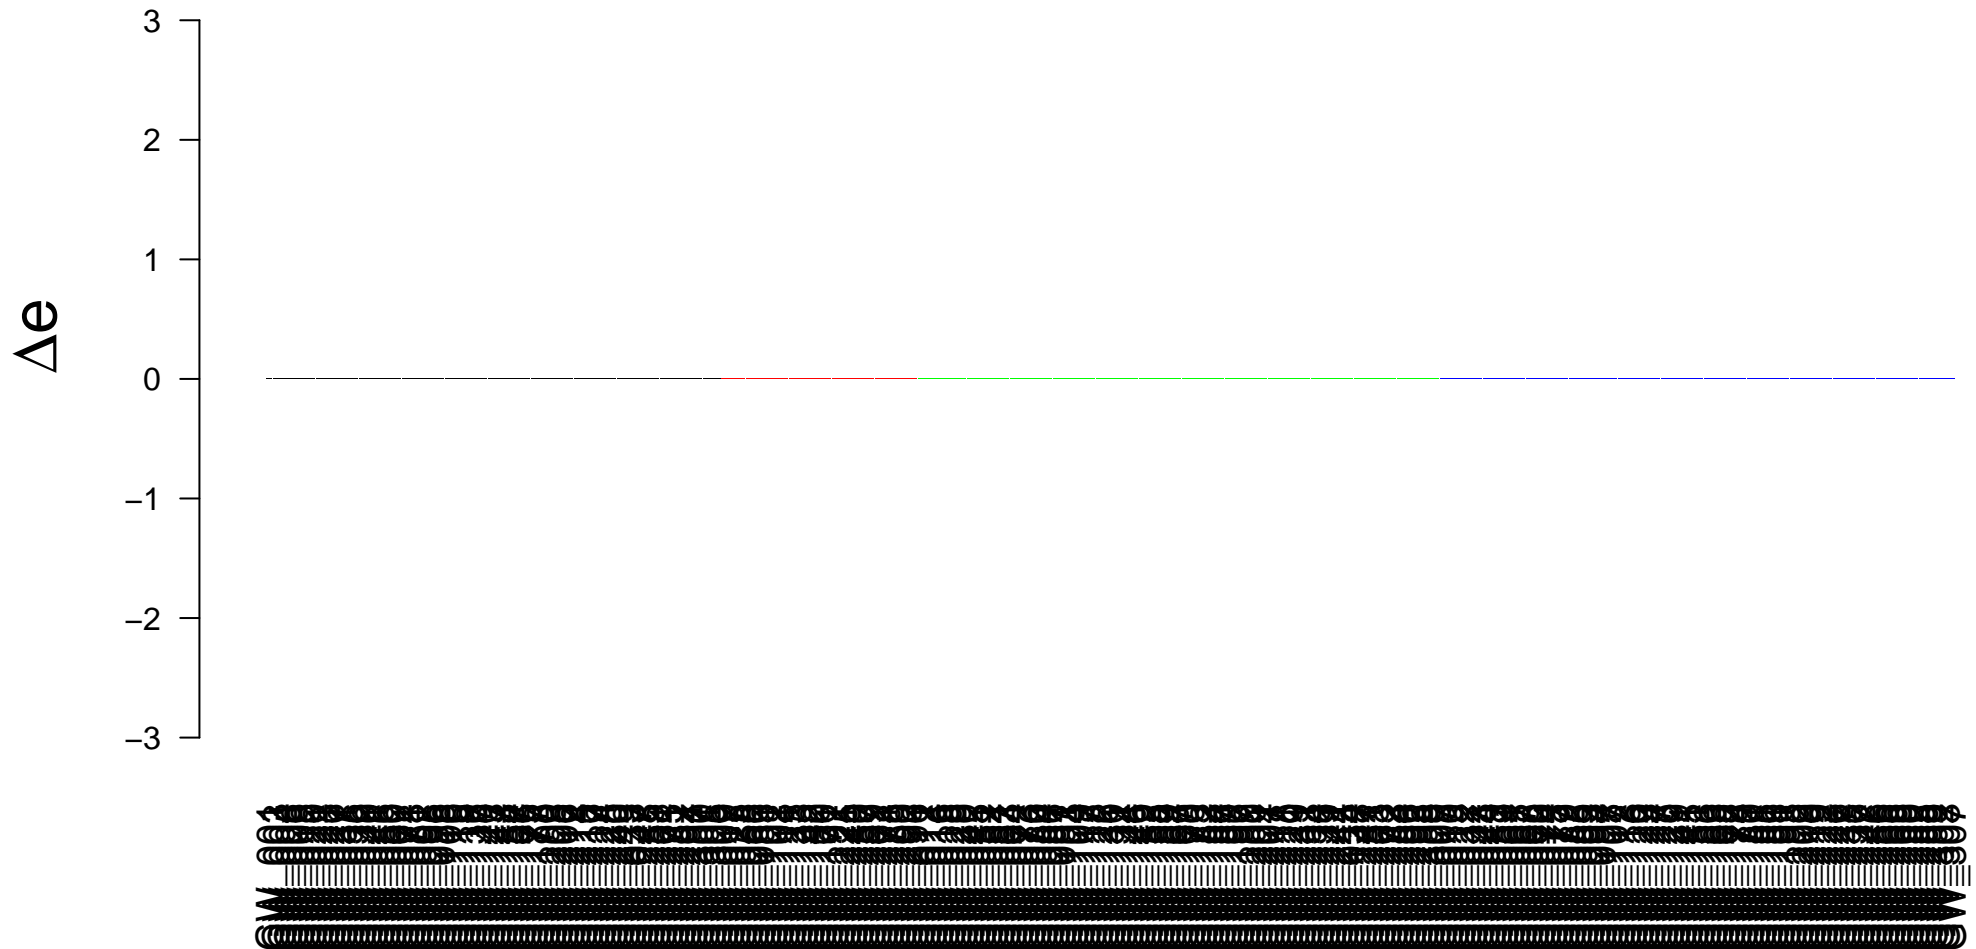

# Expression of positive regulation of extrinsic apoptotic signaling pathway via death domain receptors in Spot C

# Expression of positive regulation of extrinsic apoptotic signaling pathway via death domain receptors in Spot D

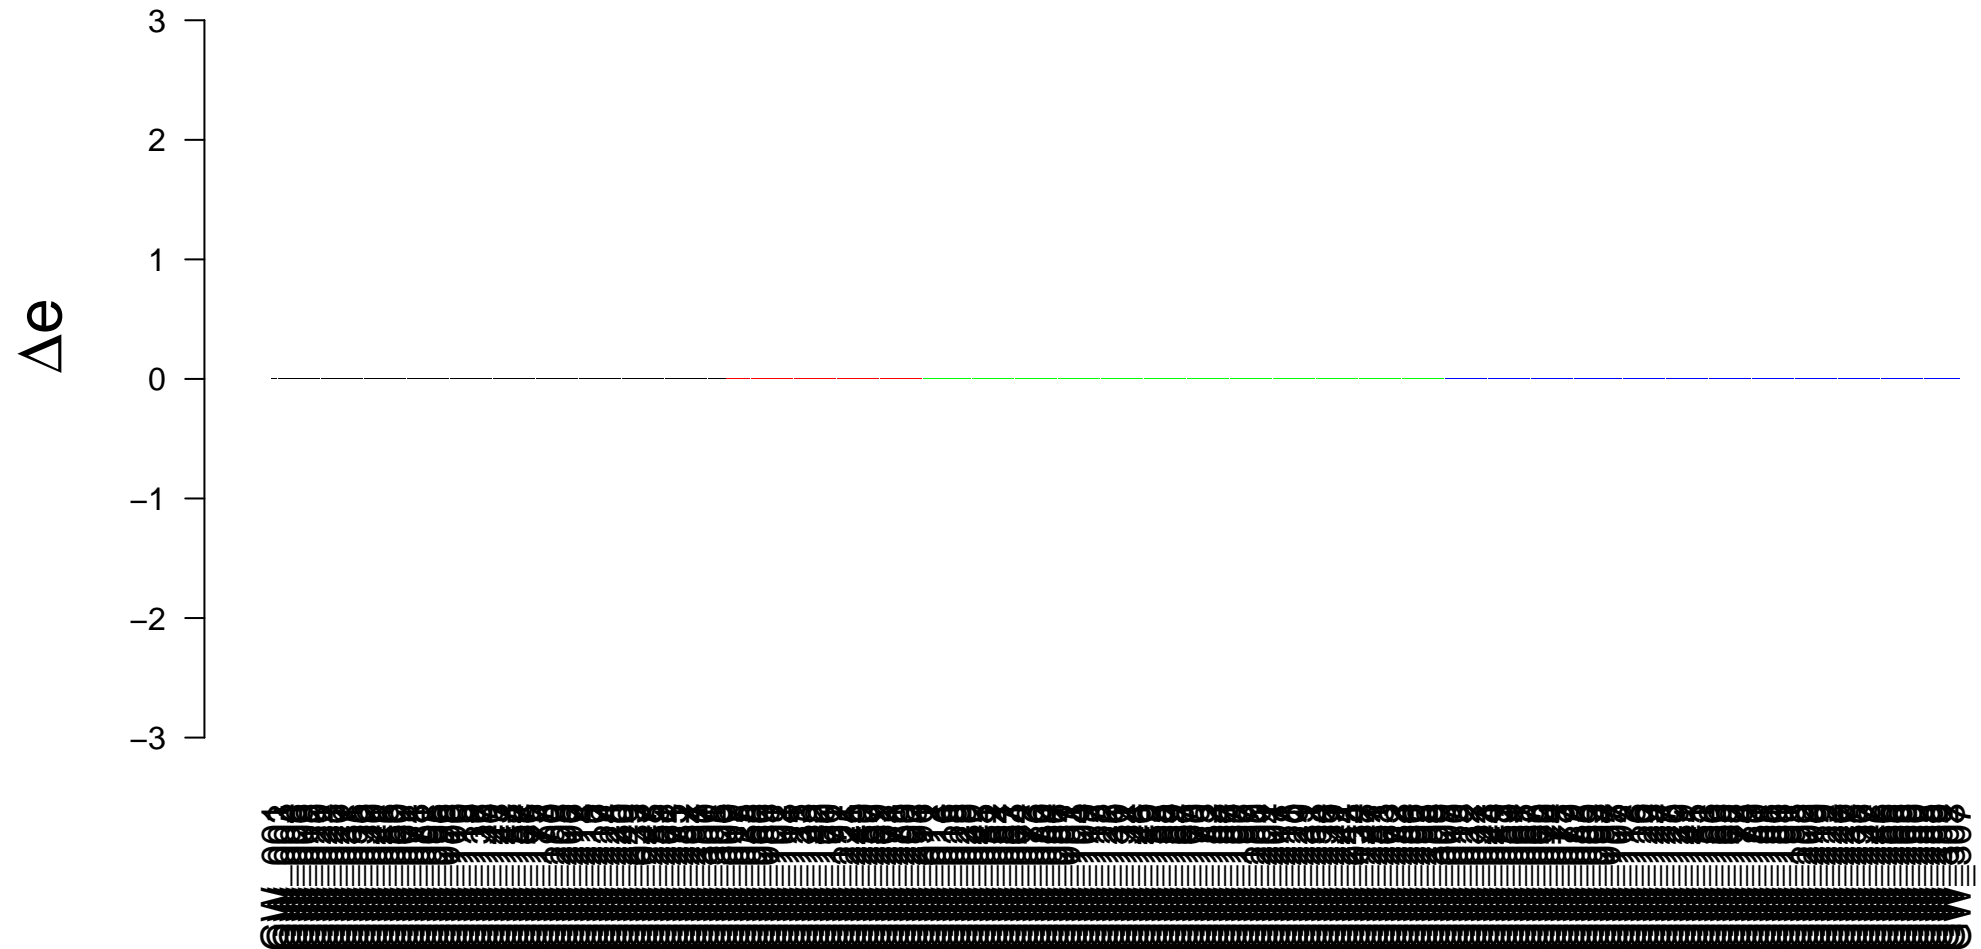

# Expression of positive regulation of extrinsic apoptotic signaling pathway via death domain receptors in Spot E

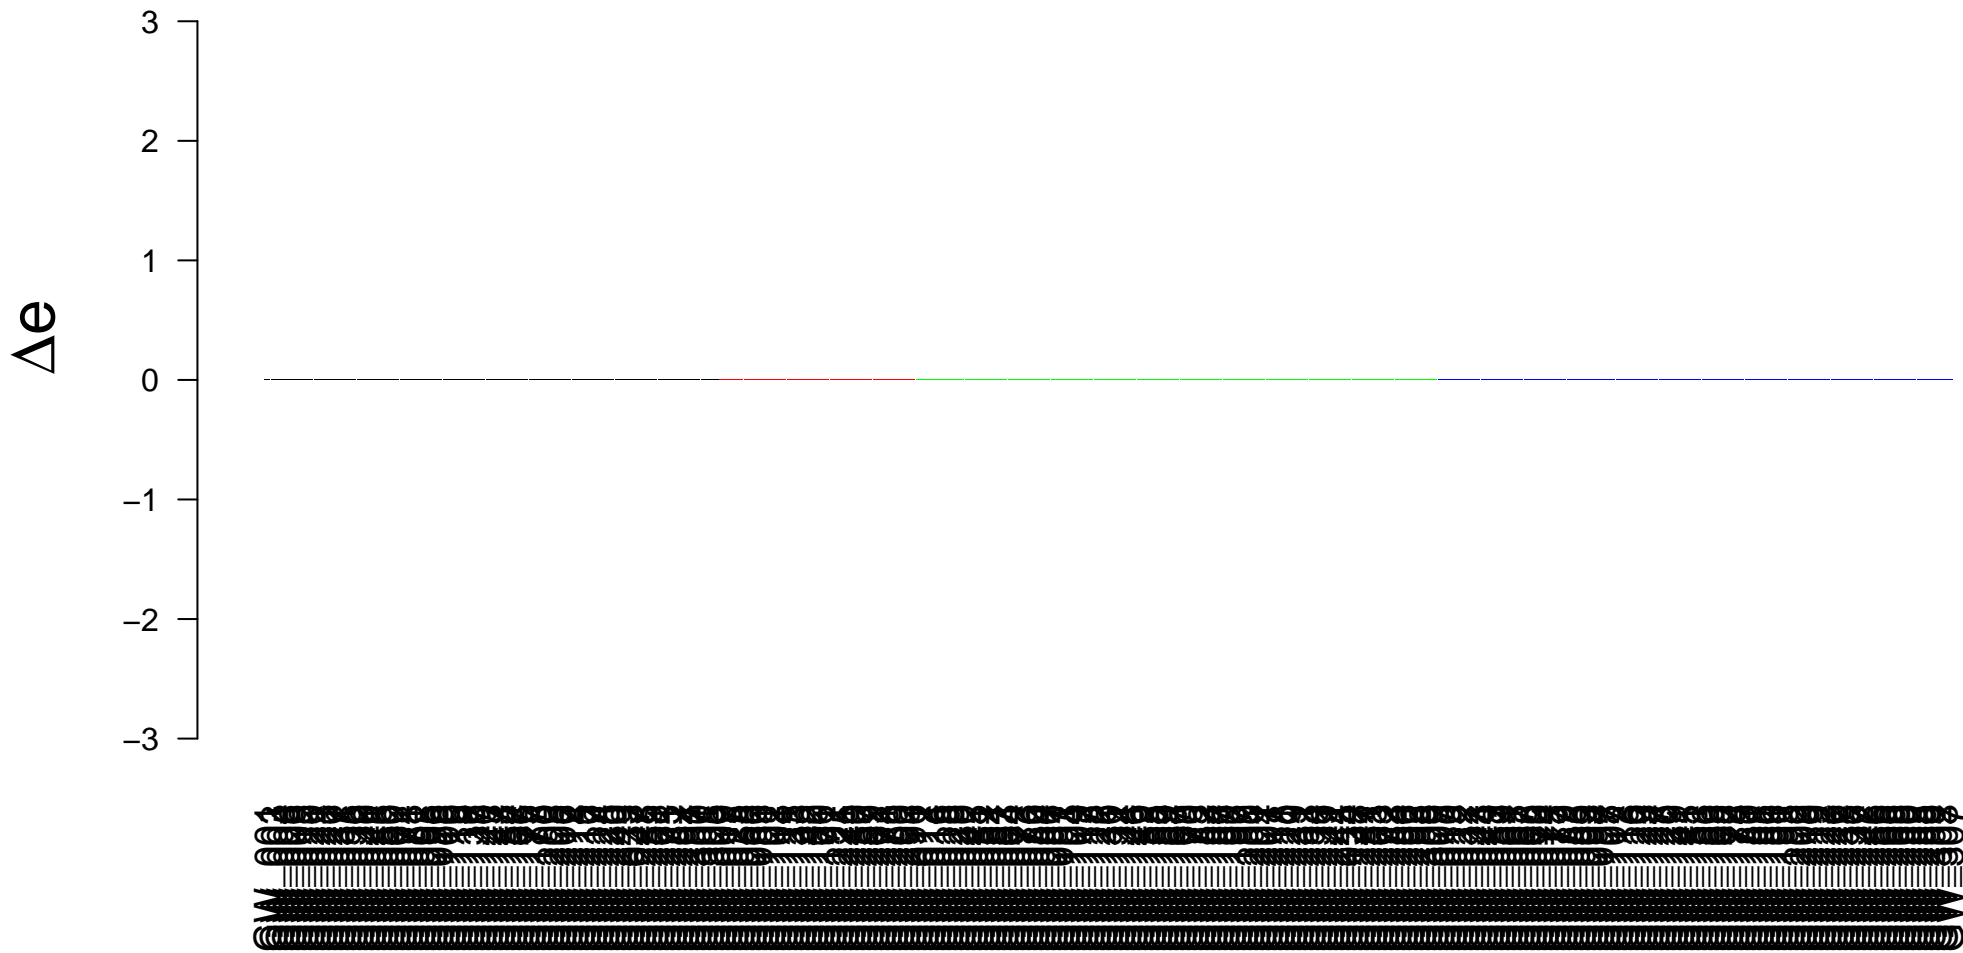

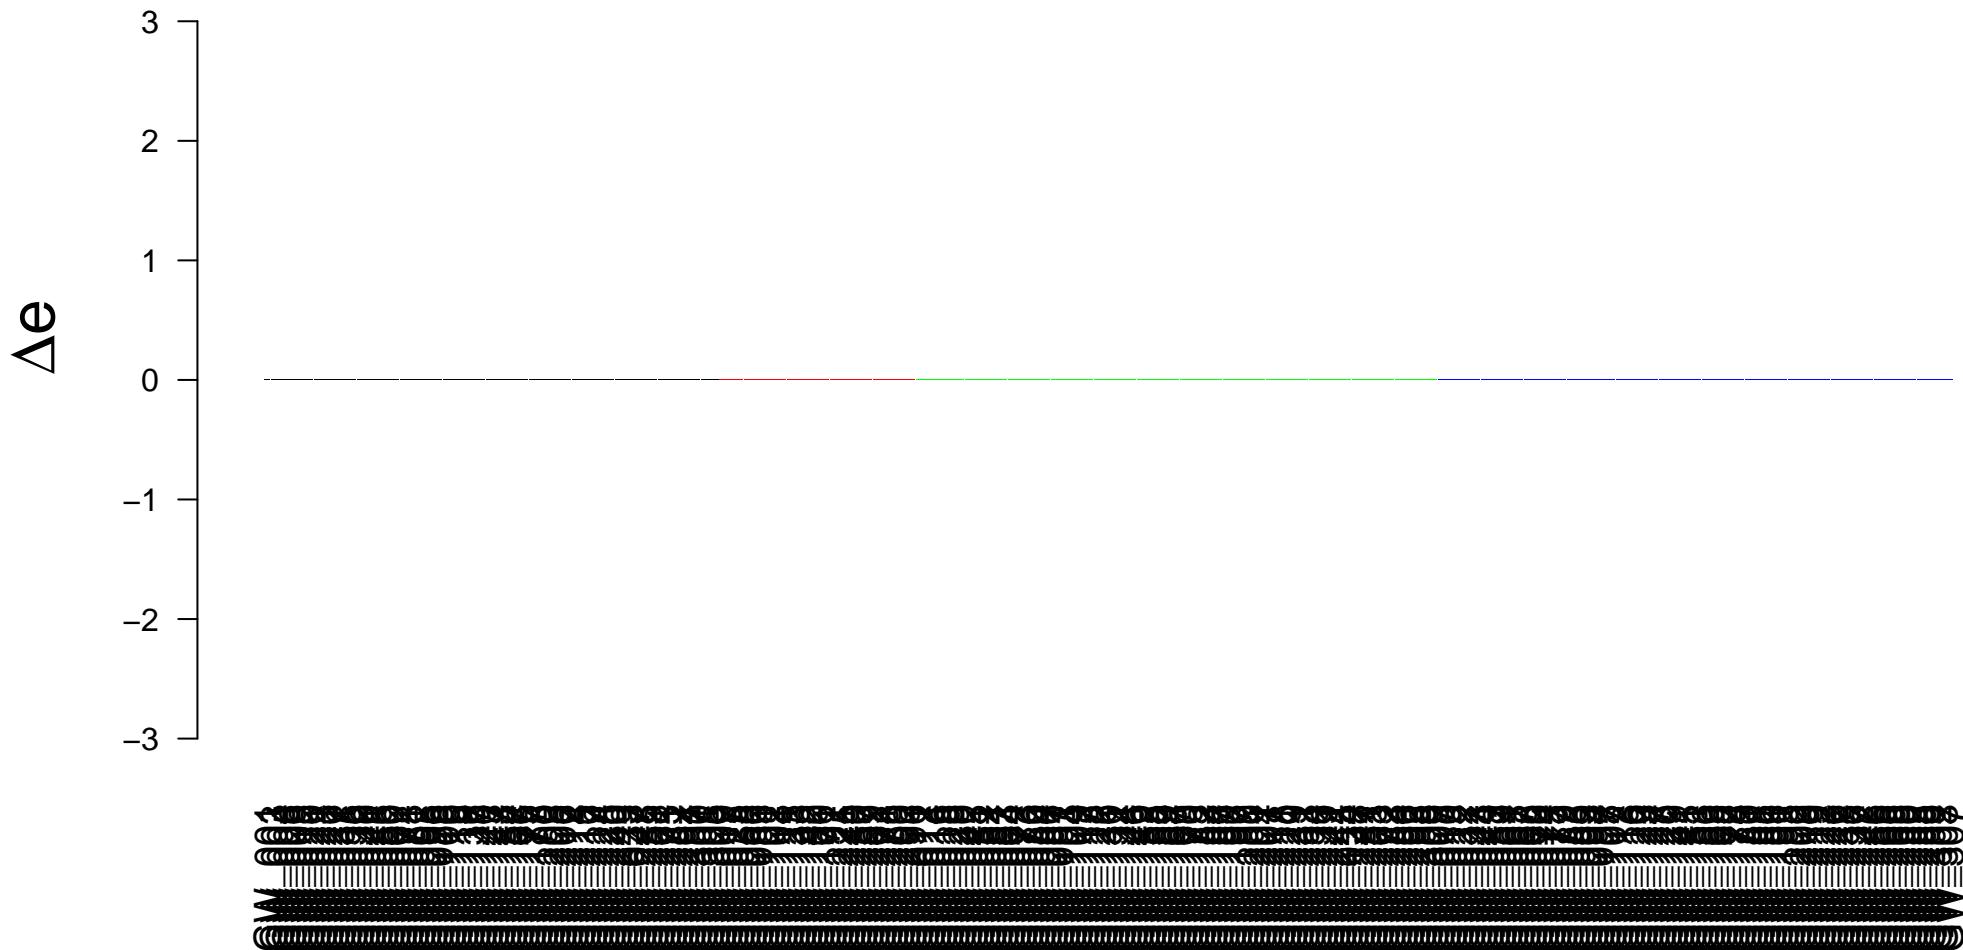

# Expression of positive regulation of extrinsic apoptotic signaling pathway via death domain receptors in Spot F

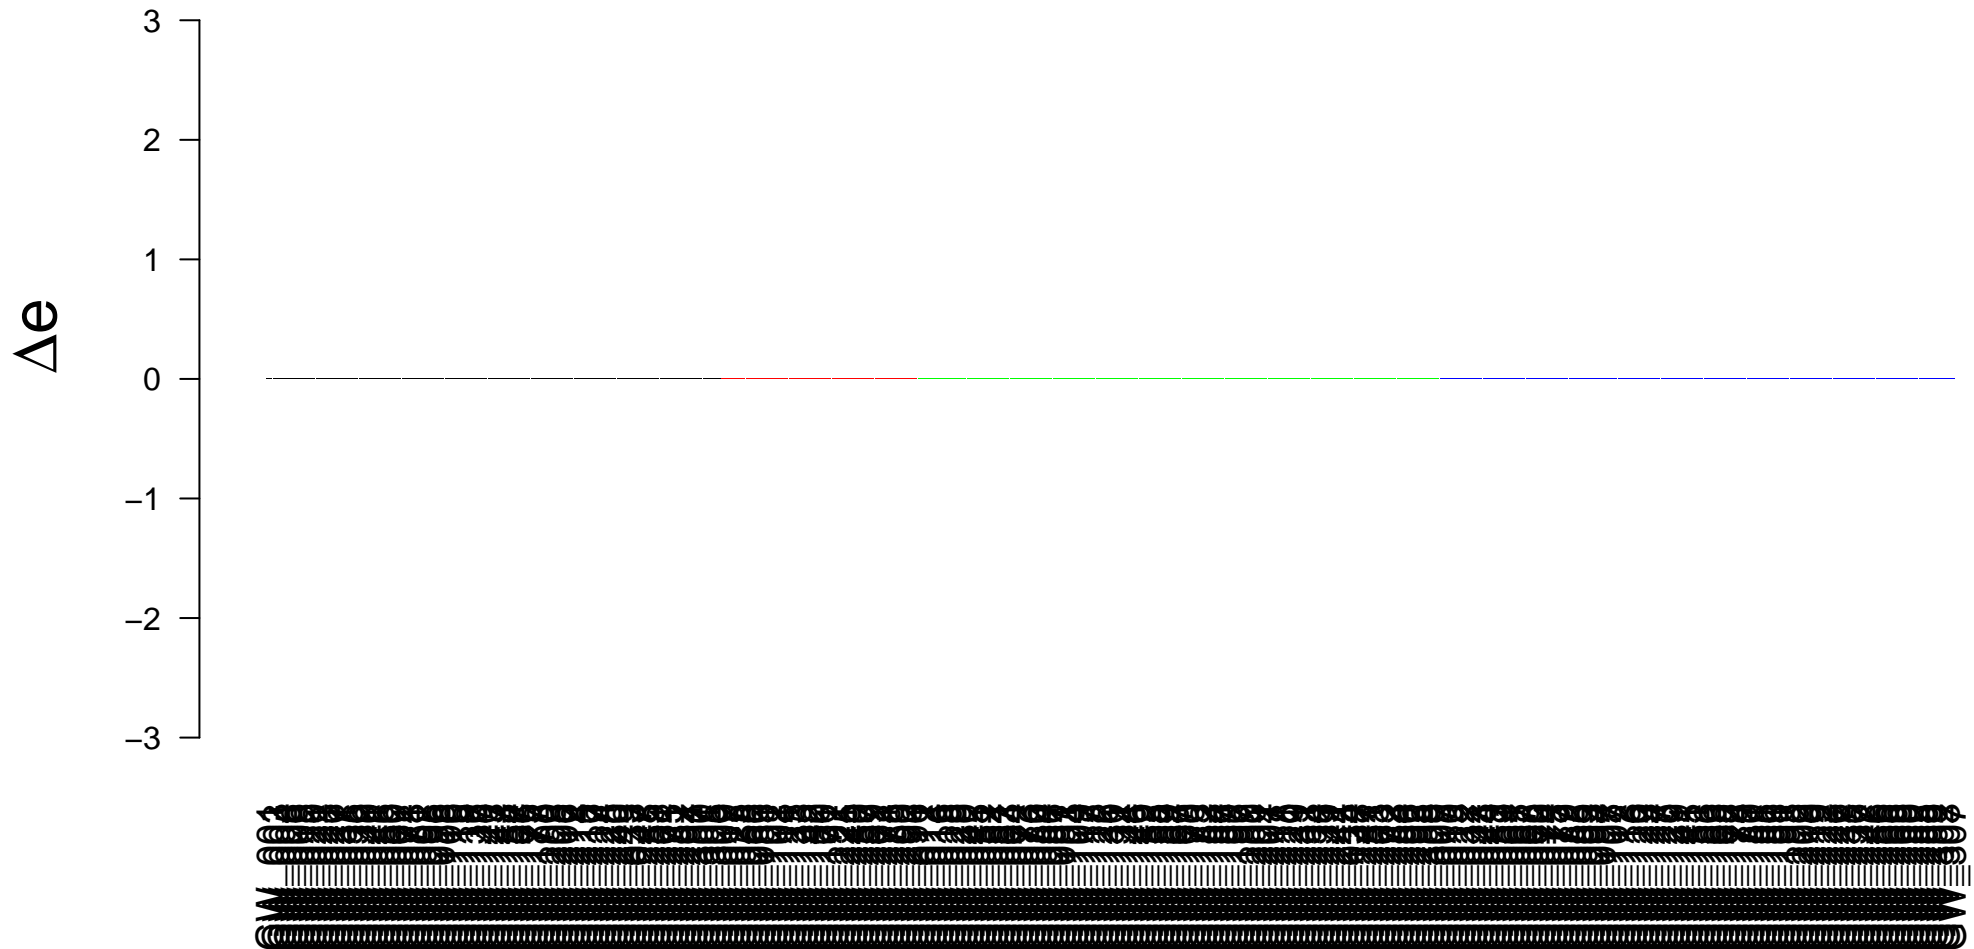

# Expression of positive regulation of extrinsic apoptotic signaling pathway via death domain receptors in Spot G

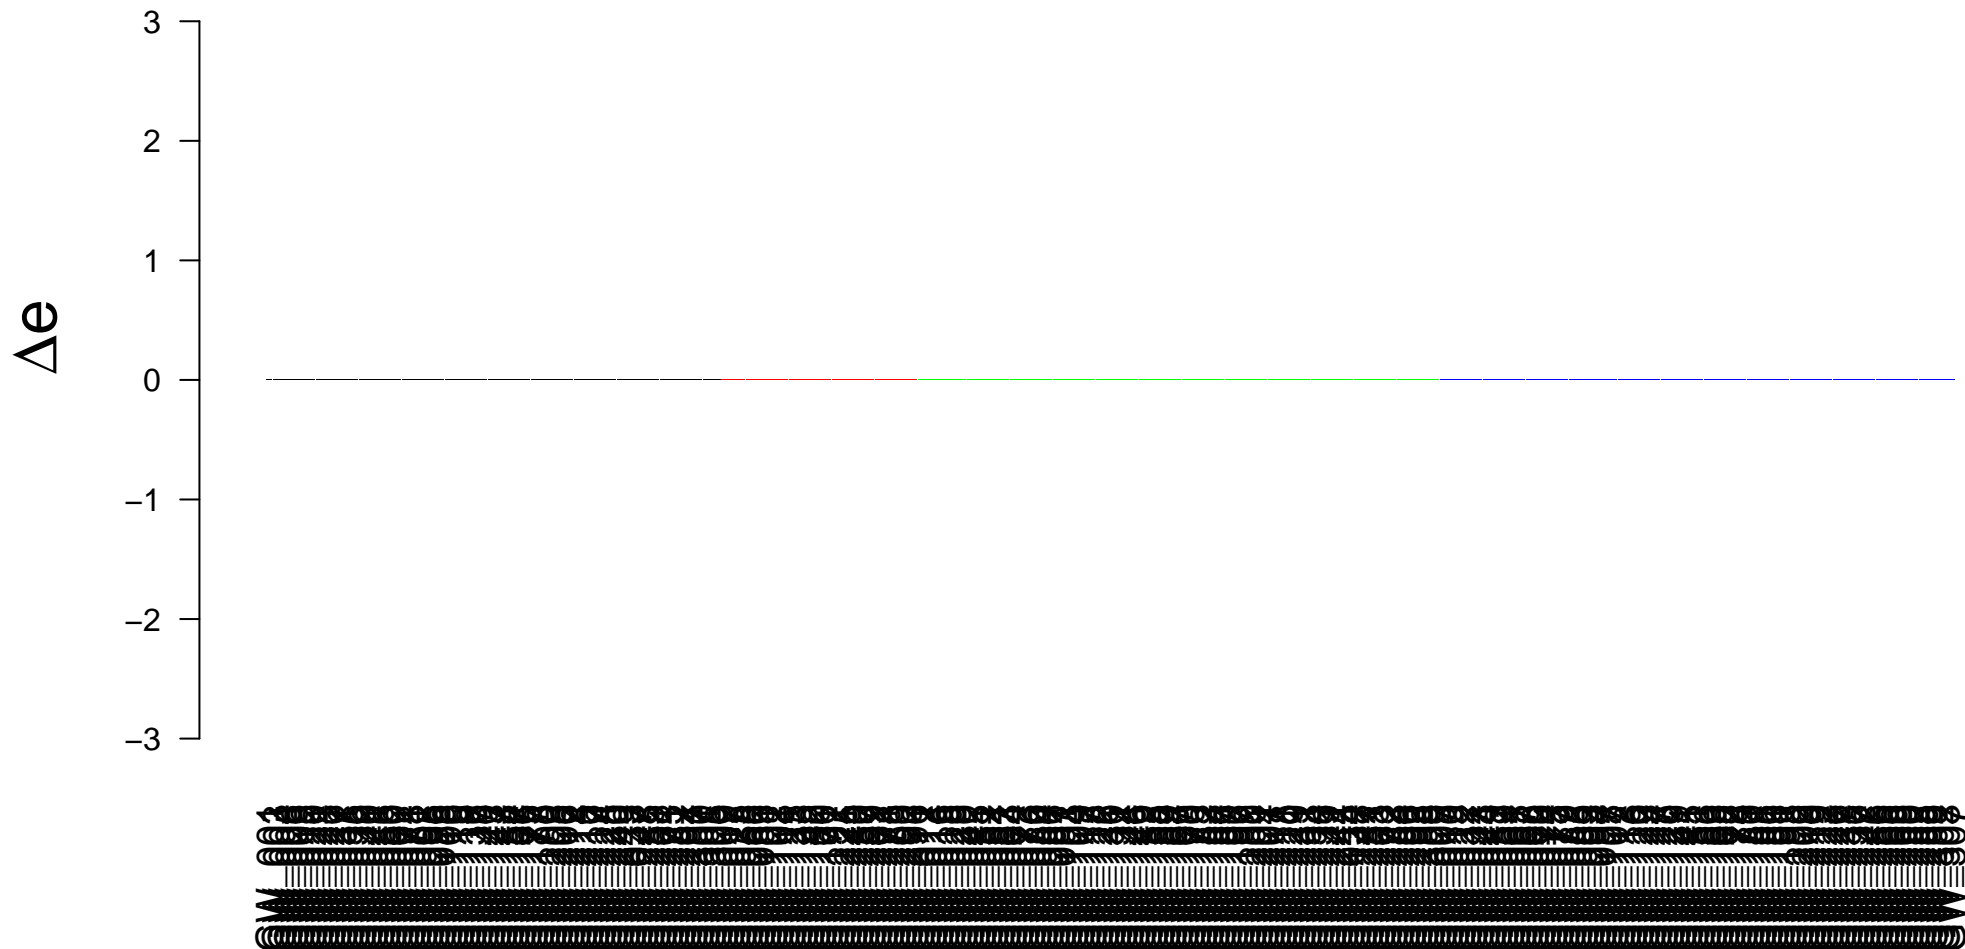

# Expression of positive regulation of extrinsic apoptotic signaling pathway via death domain receptors in Spot H

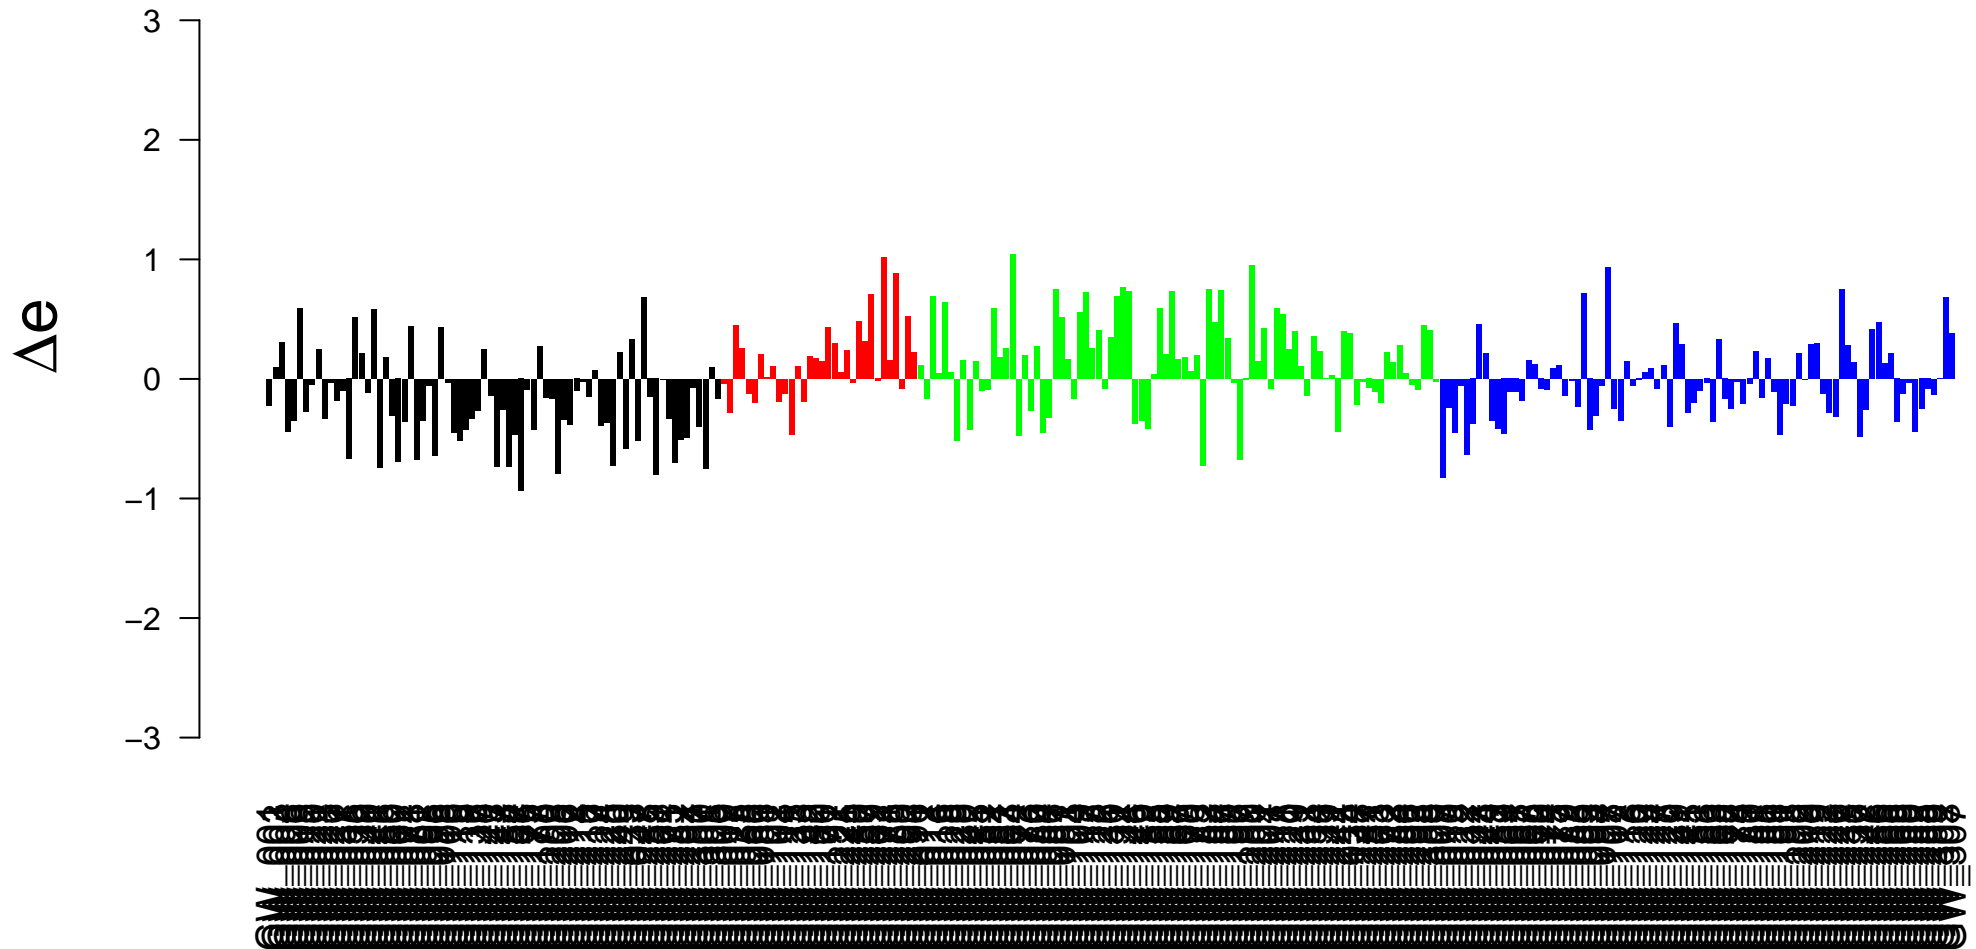

# Expression of positive regulation of extrinsic apoptotic signaling pathway via death domain receptors in Spot I

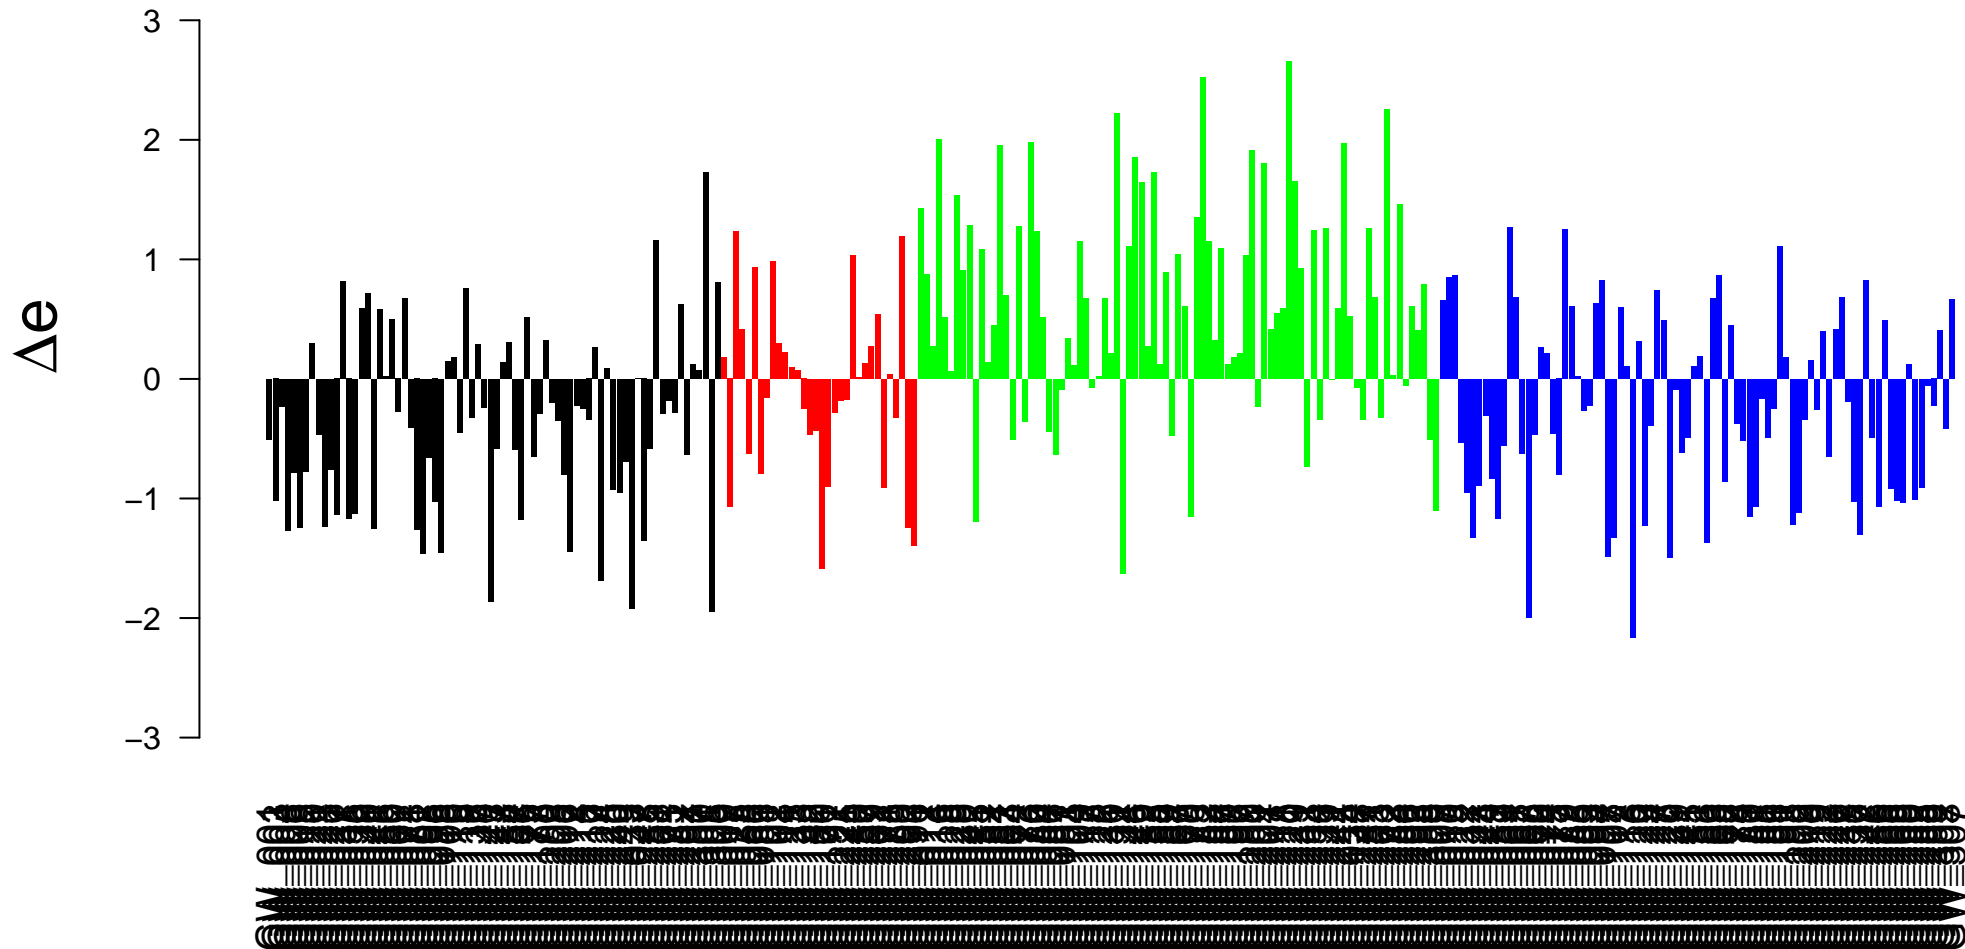

# Expression of positive regulation of extrinsic apoptotic signaling pathway via death domain receptors in Spot J

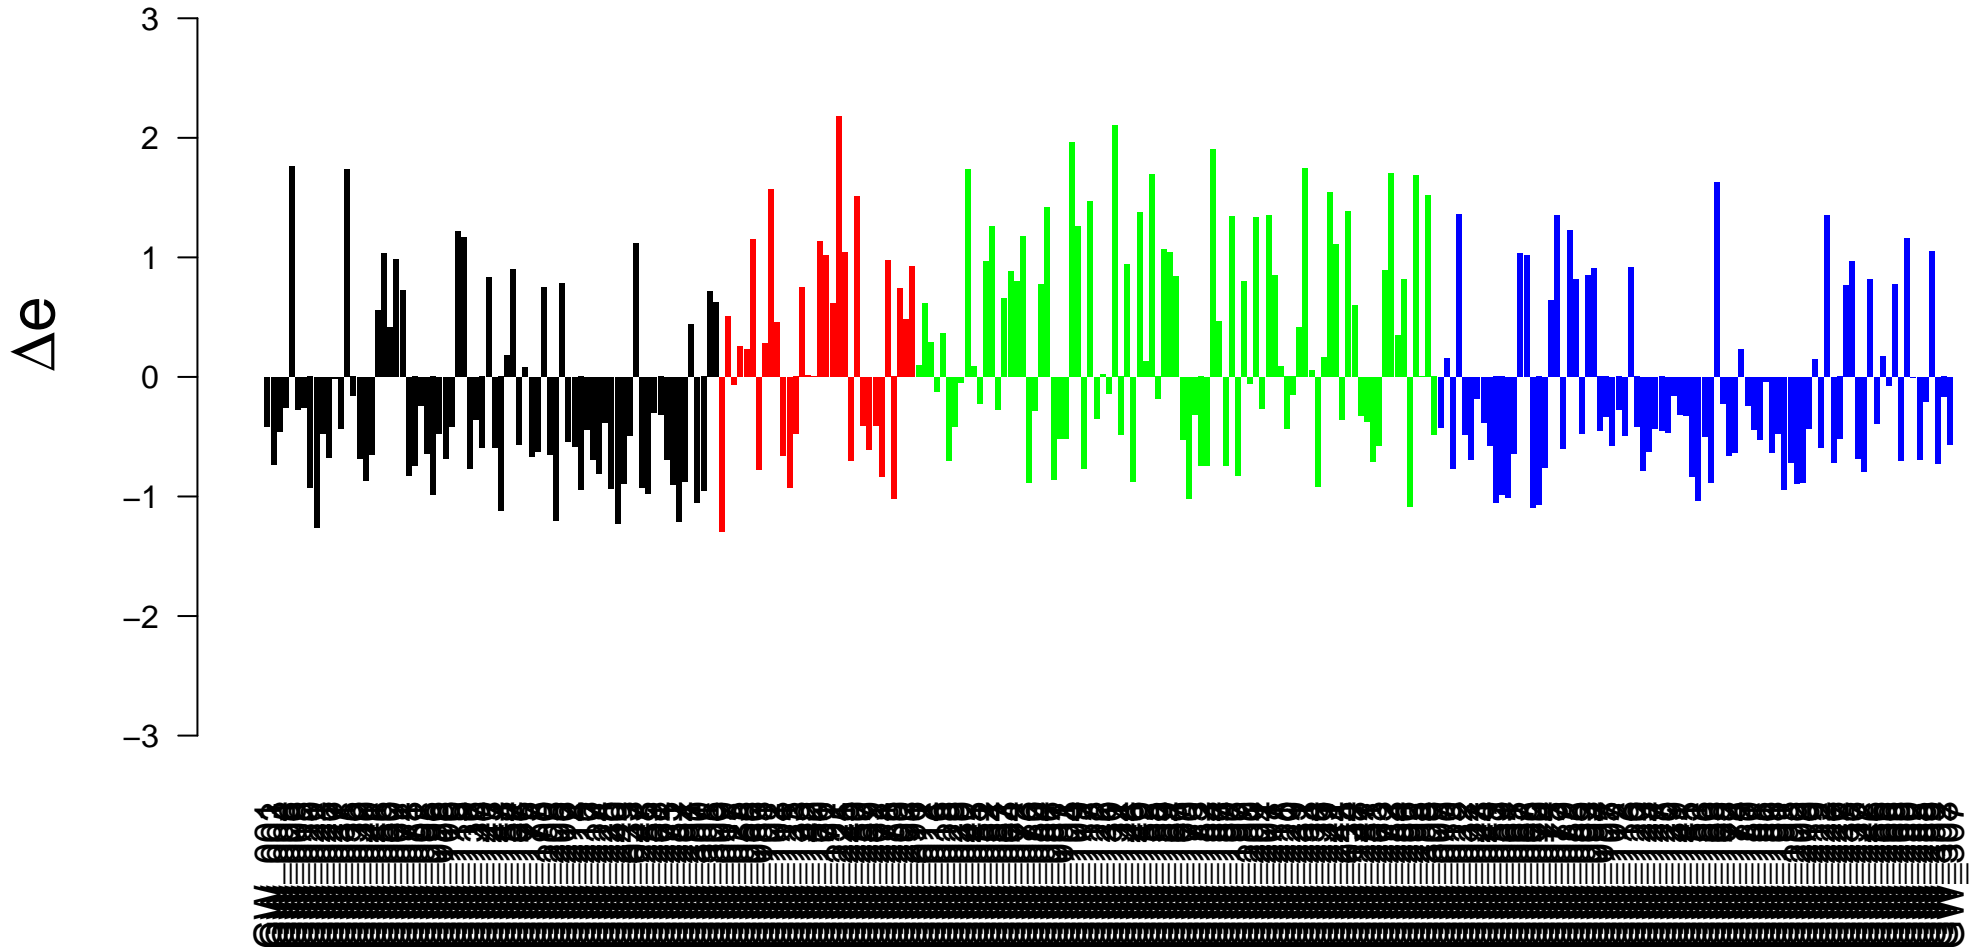

# Expression of positive regulation of extrinsic apoptotic signaling pathway via death domain receptors in Spot K

# Expression of positive regulation of extrinsic apoptotic signaling pathway via death domain receptors in Spot L

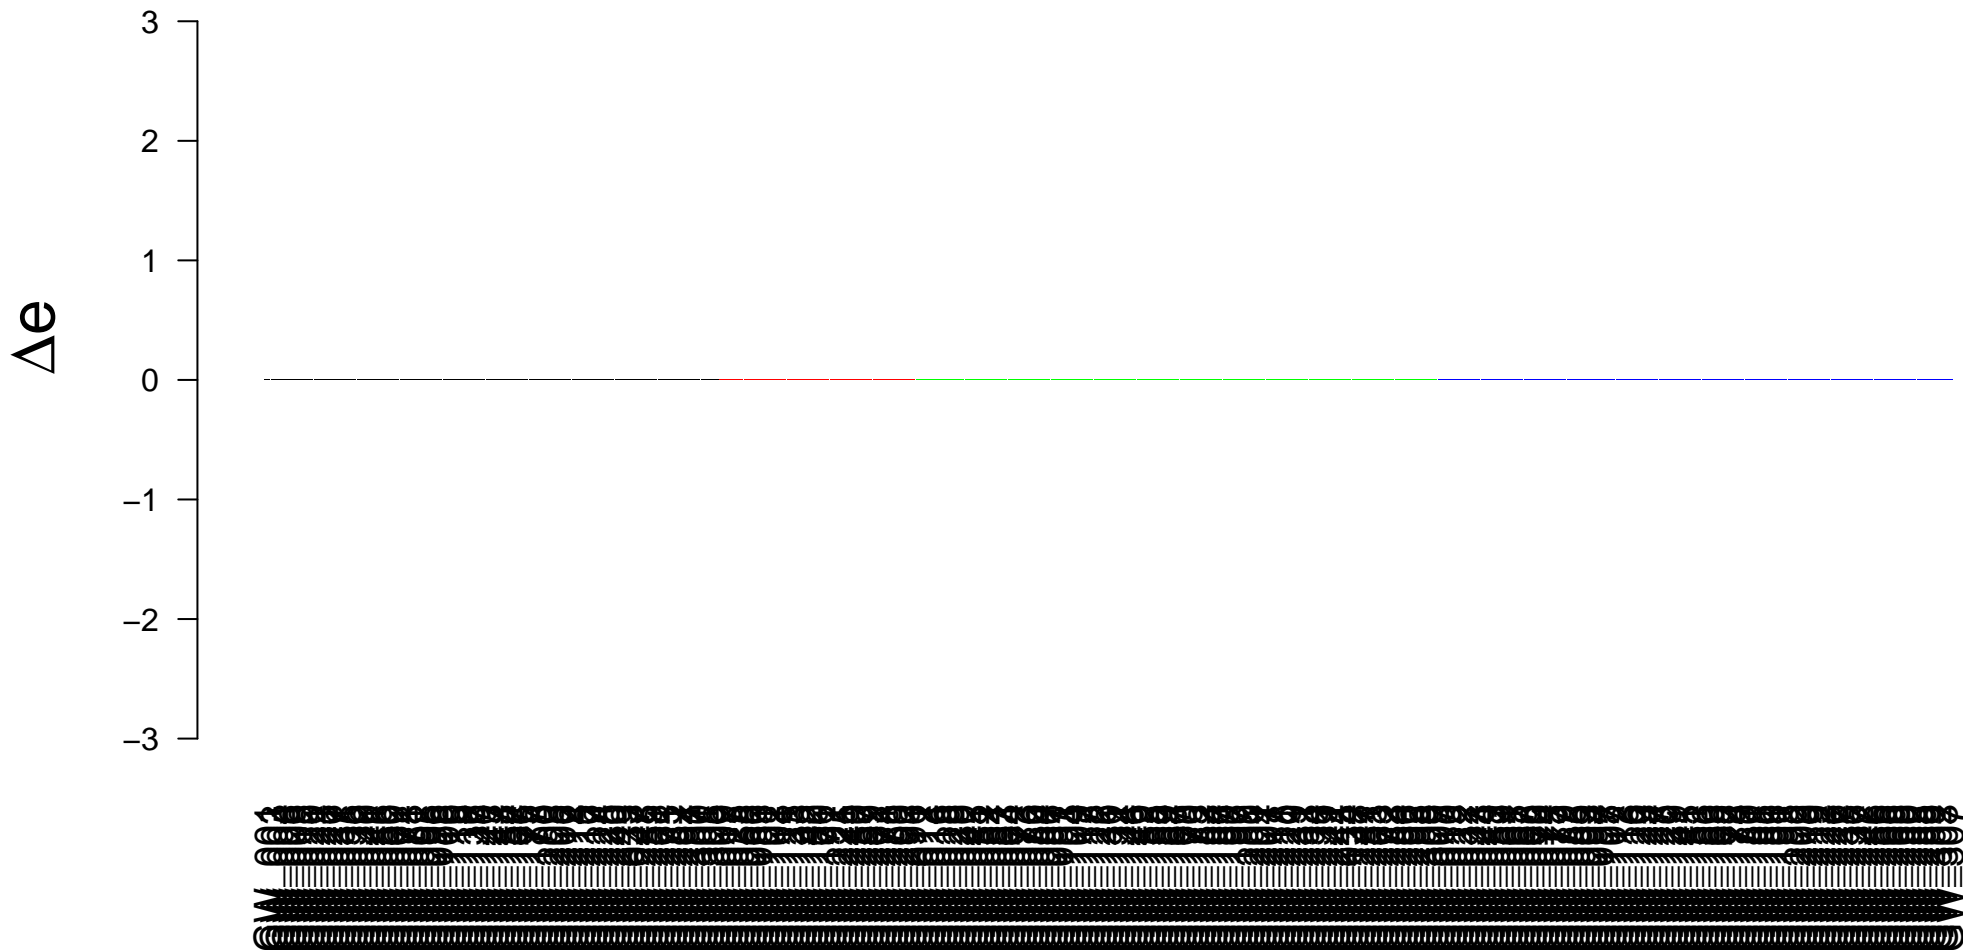

# Expression of positive regulation of extrinsic apoptotic signaling pathway via death domain receptors in Spot M

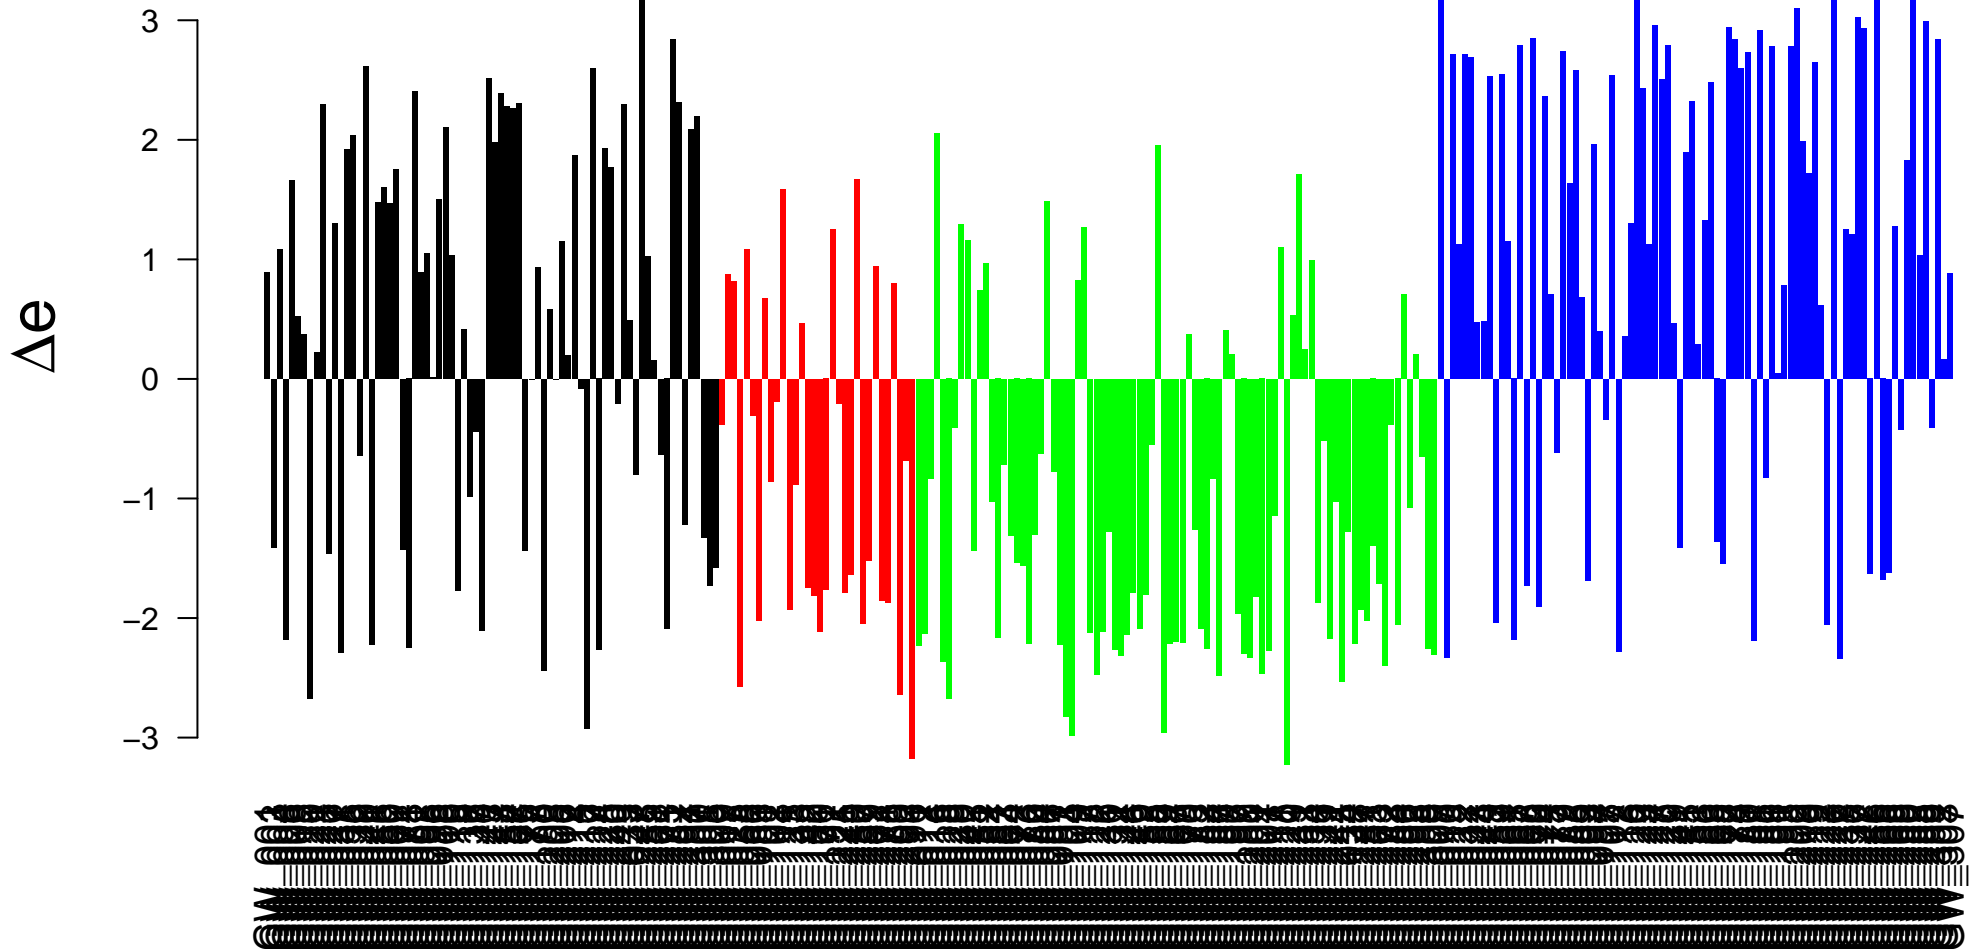

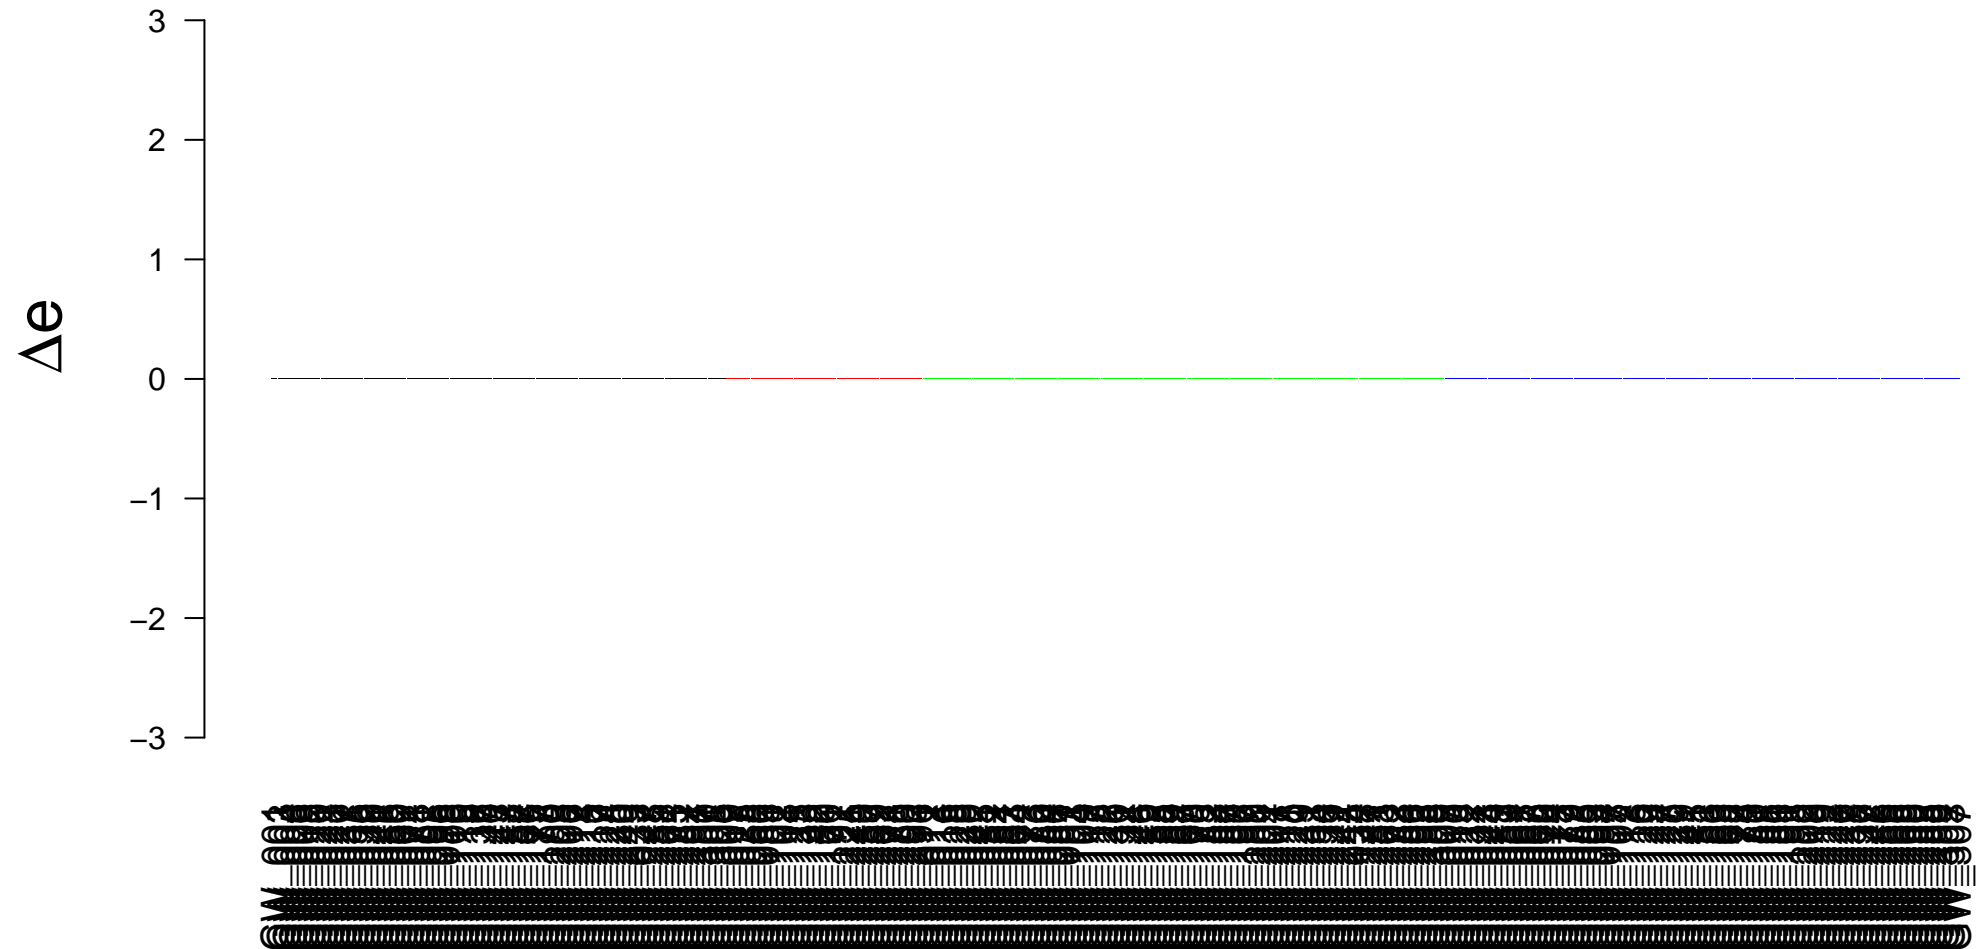

# Expression of positive regulation of extrinsic apoptotic signaling pathway via death domain receptors in Spot N

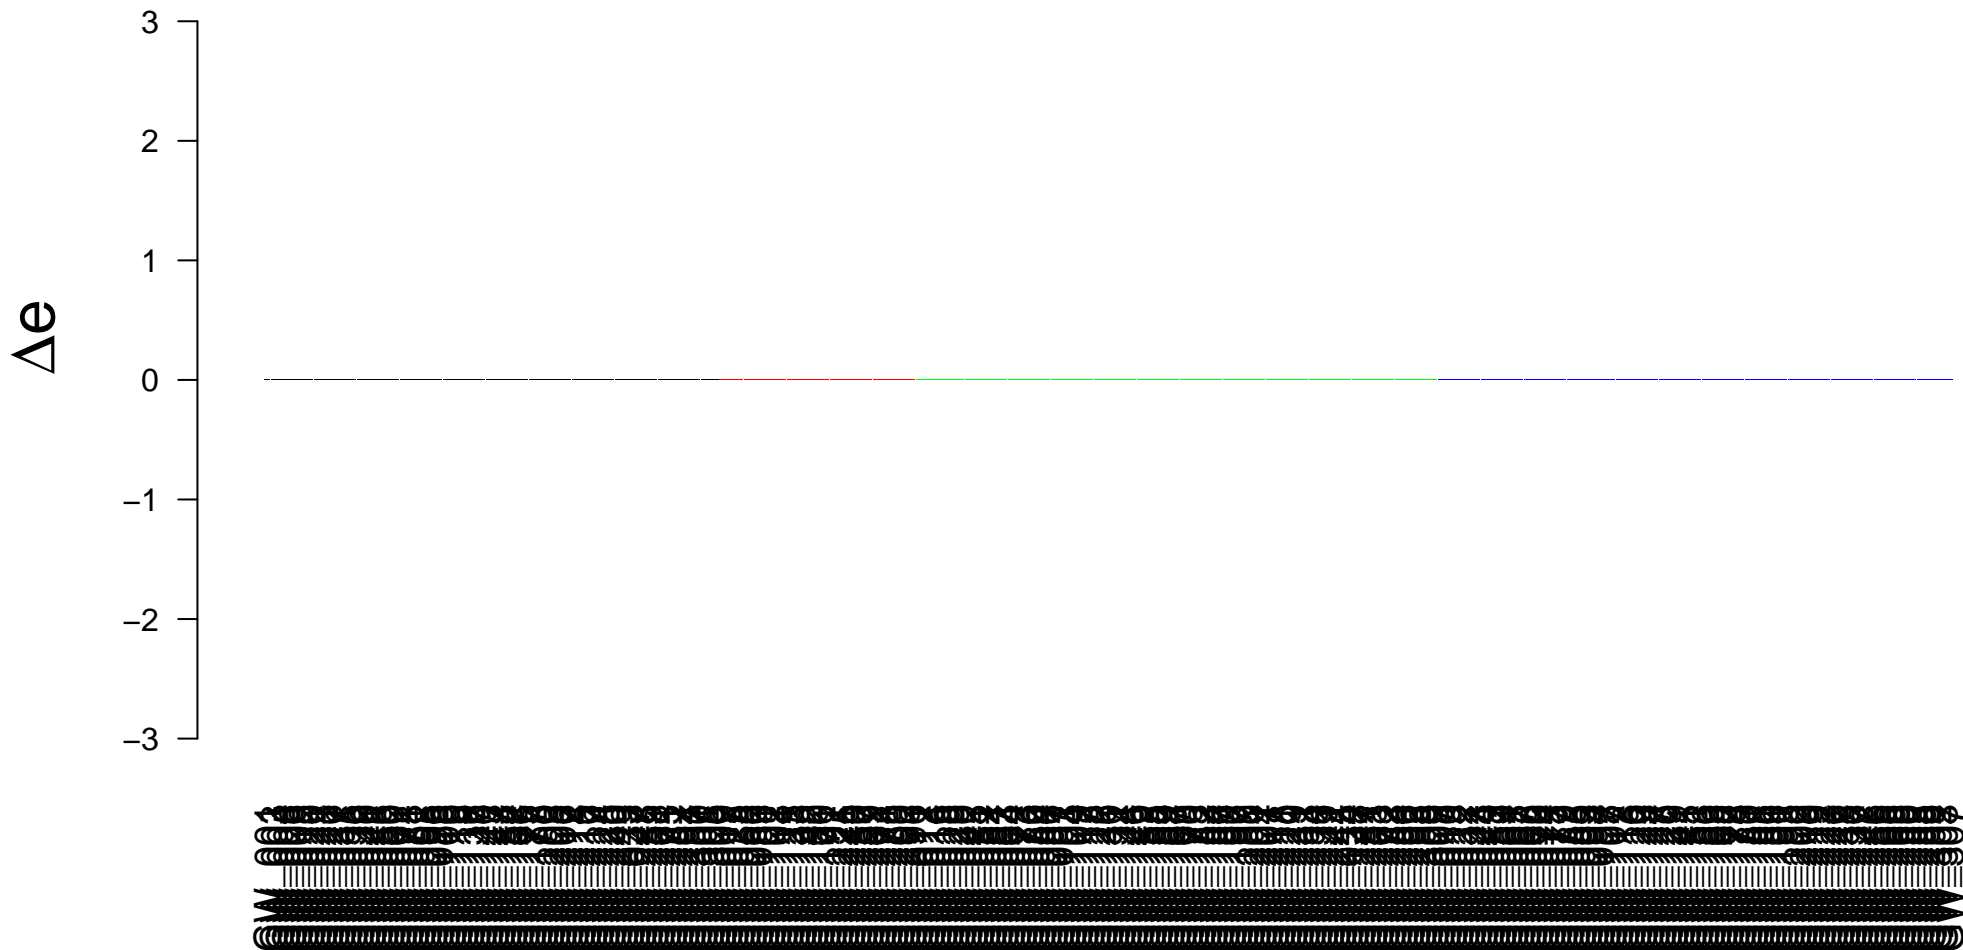

# Expression of positive regulation of extrinsic apoptotic signaling pathway via death domain receptors in Spot O

# Expression of positive regulation of extrinsic apoptotic signaling pathway via death domain receptors in Spot P

# Expression of positive regulation of extrinsic apoptotic signaling pathway via death domain receptors in Spot Q

# Expression of positive regulation of extrinsic apoptotic signaling pathway via death domain receptors in Spot R
