

positive regulation of insulin secretion

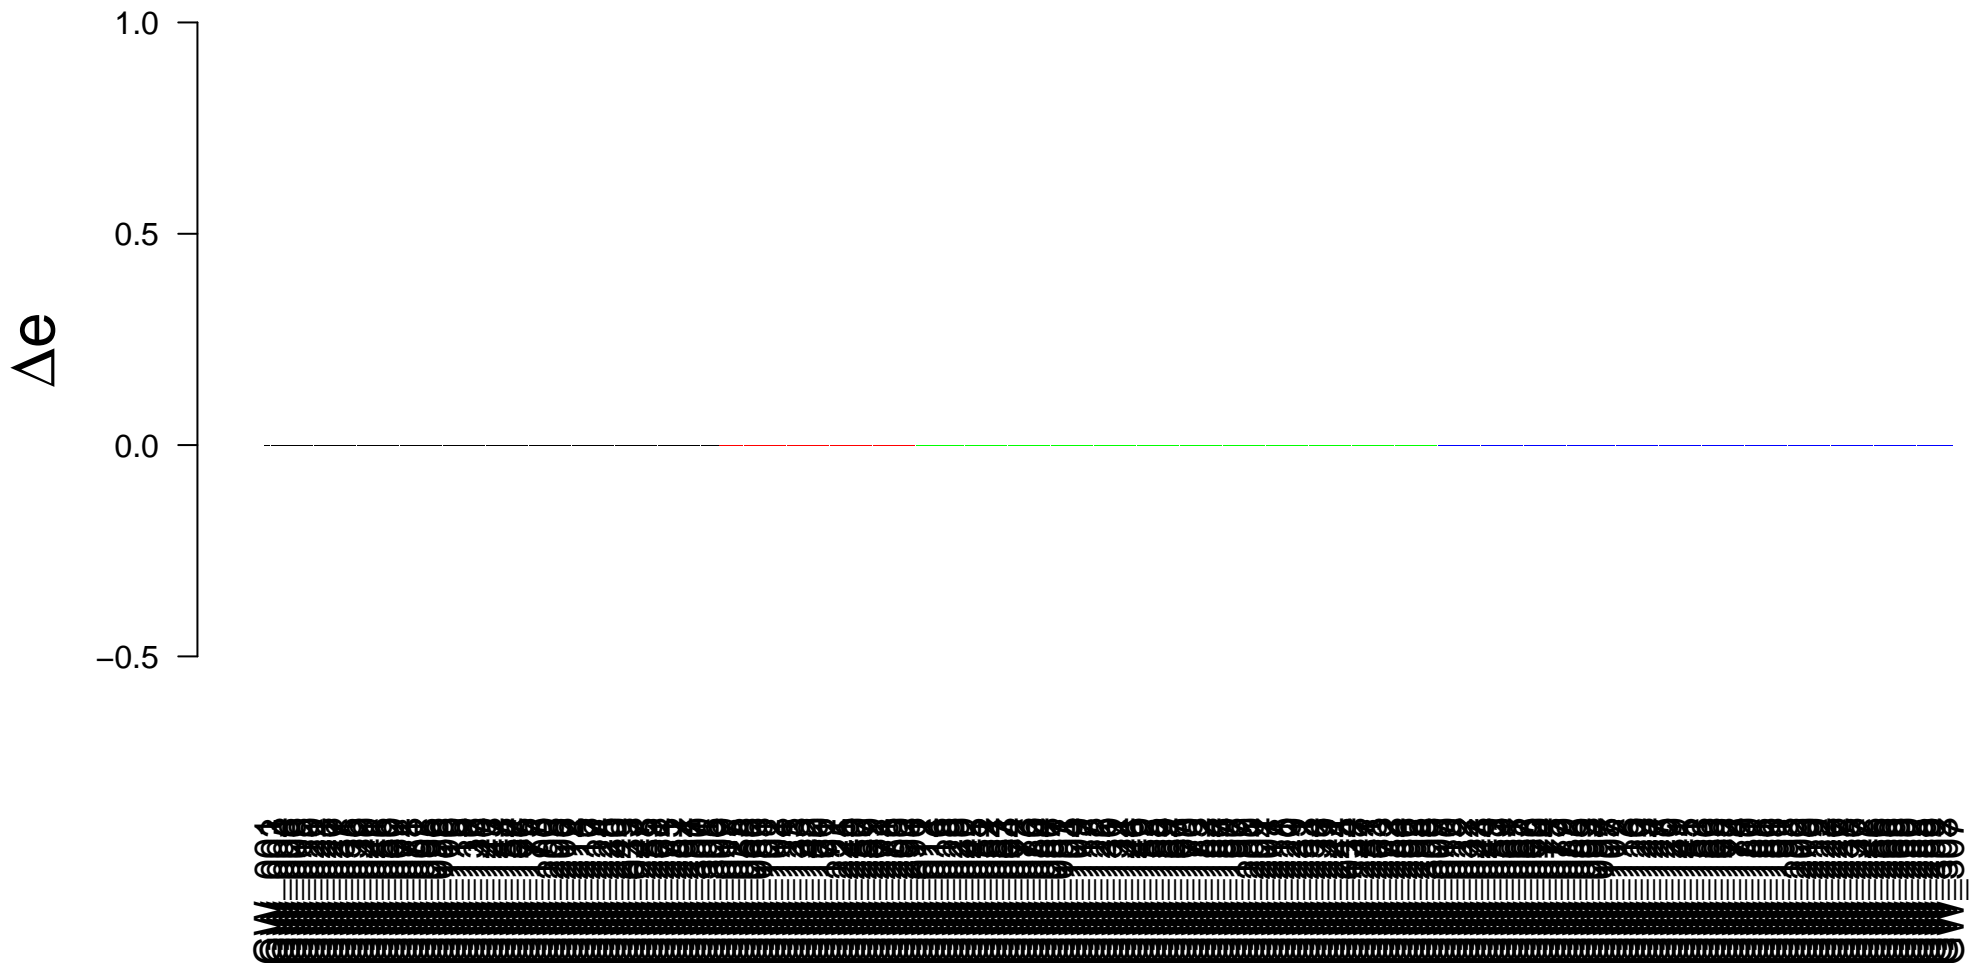

positive regulation of insulin secretion

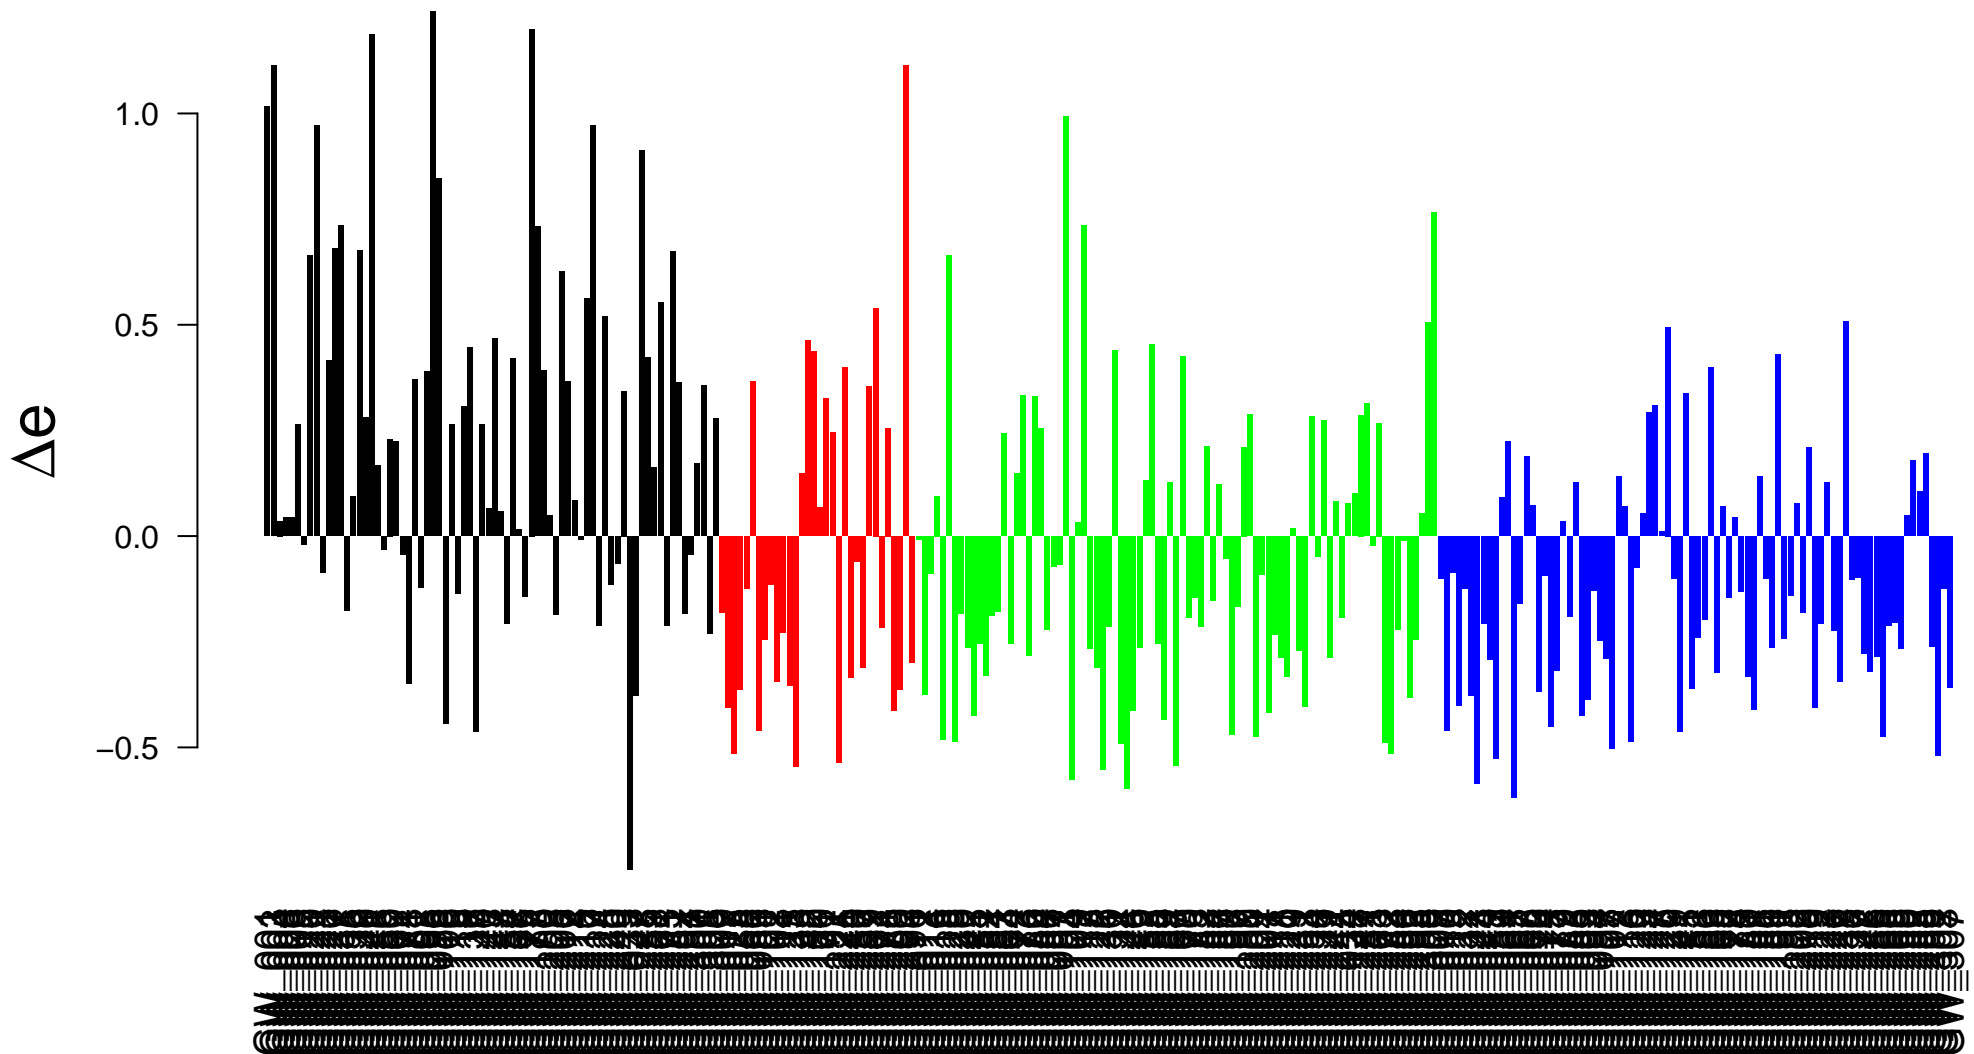

Enrichment in spots: positive regulation of insulin secretion

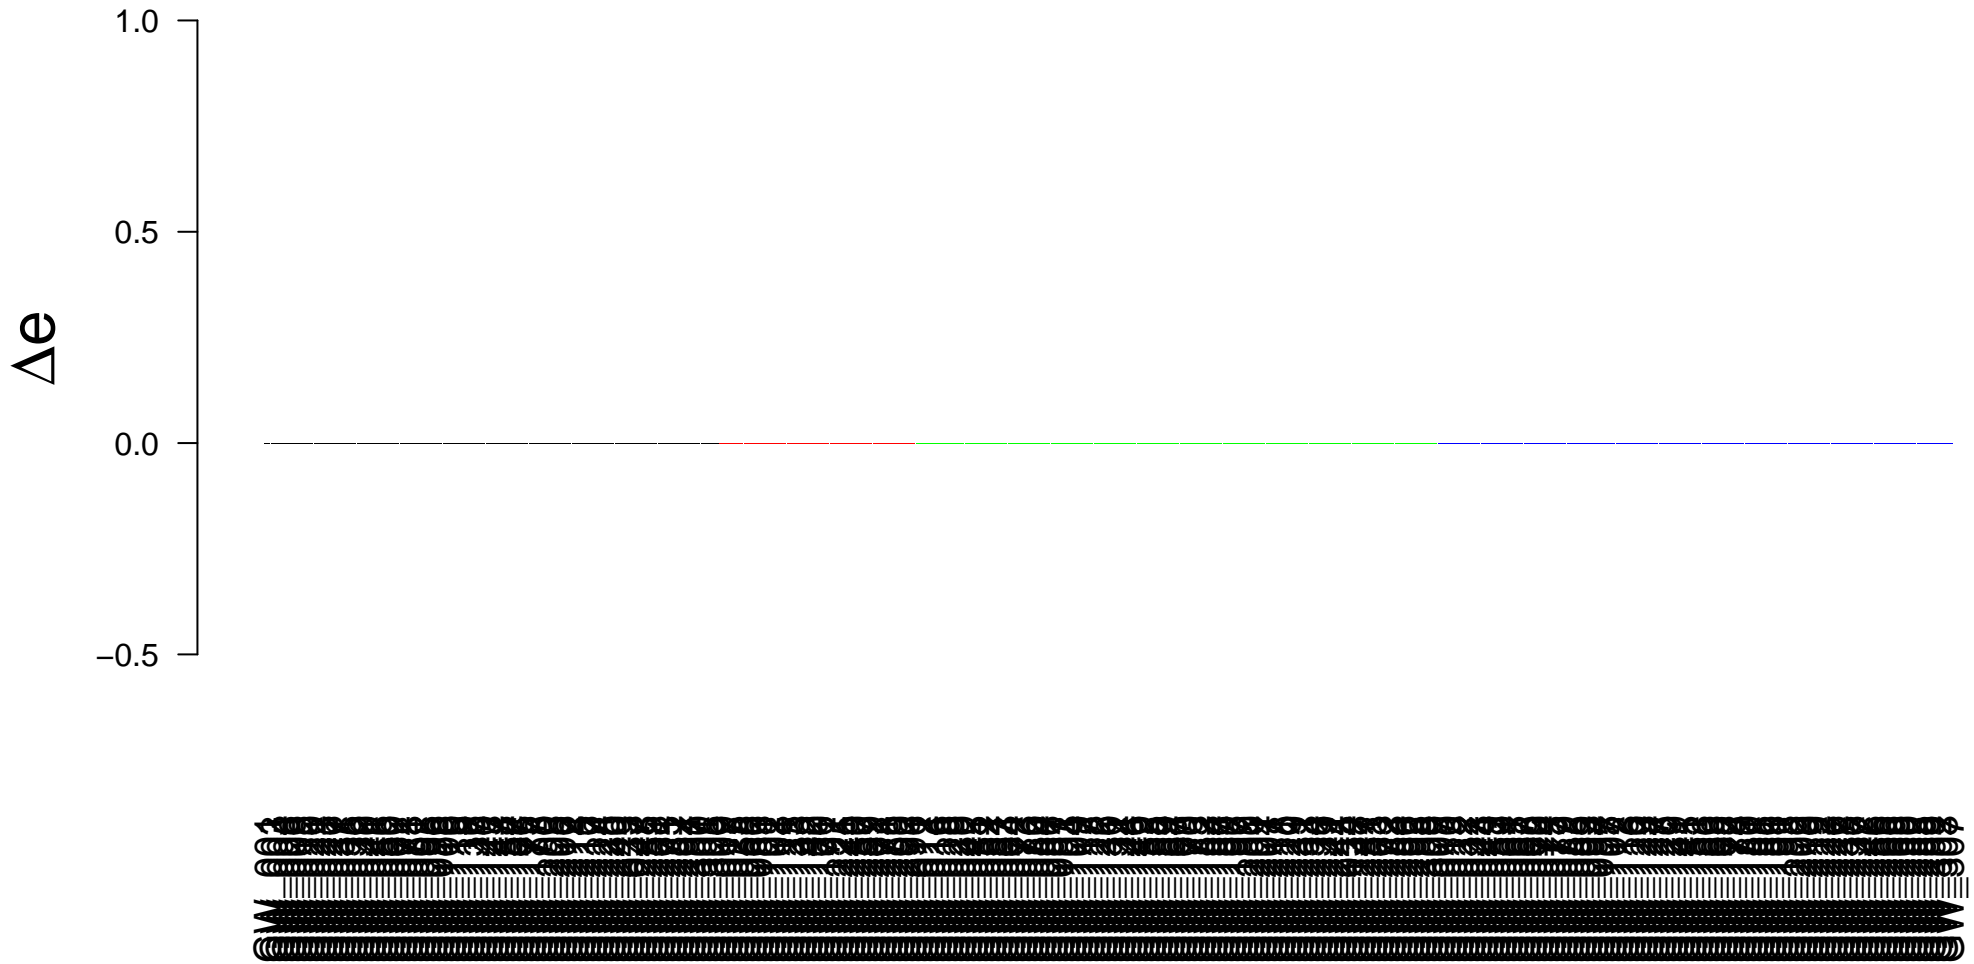

Expression of positive regulation of insulin secretion in Spot A

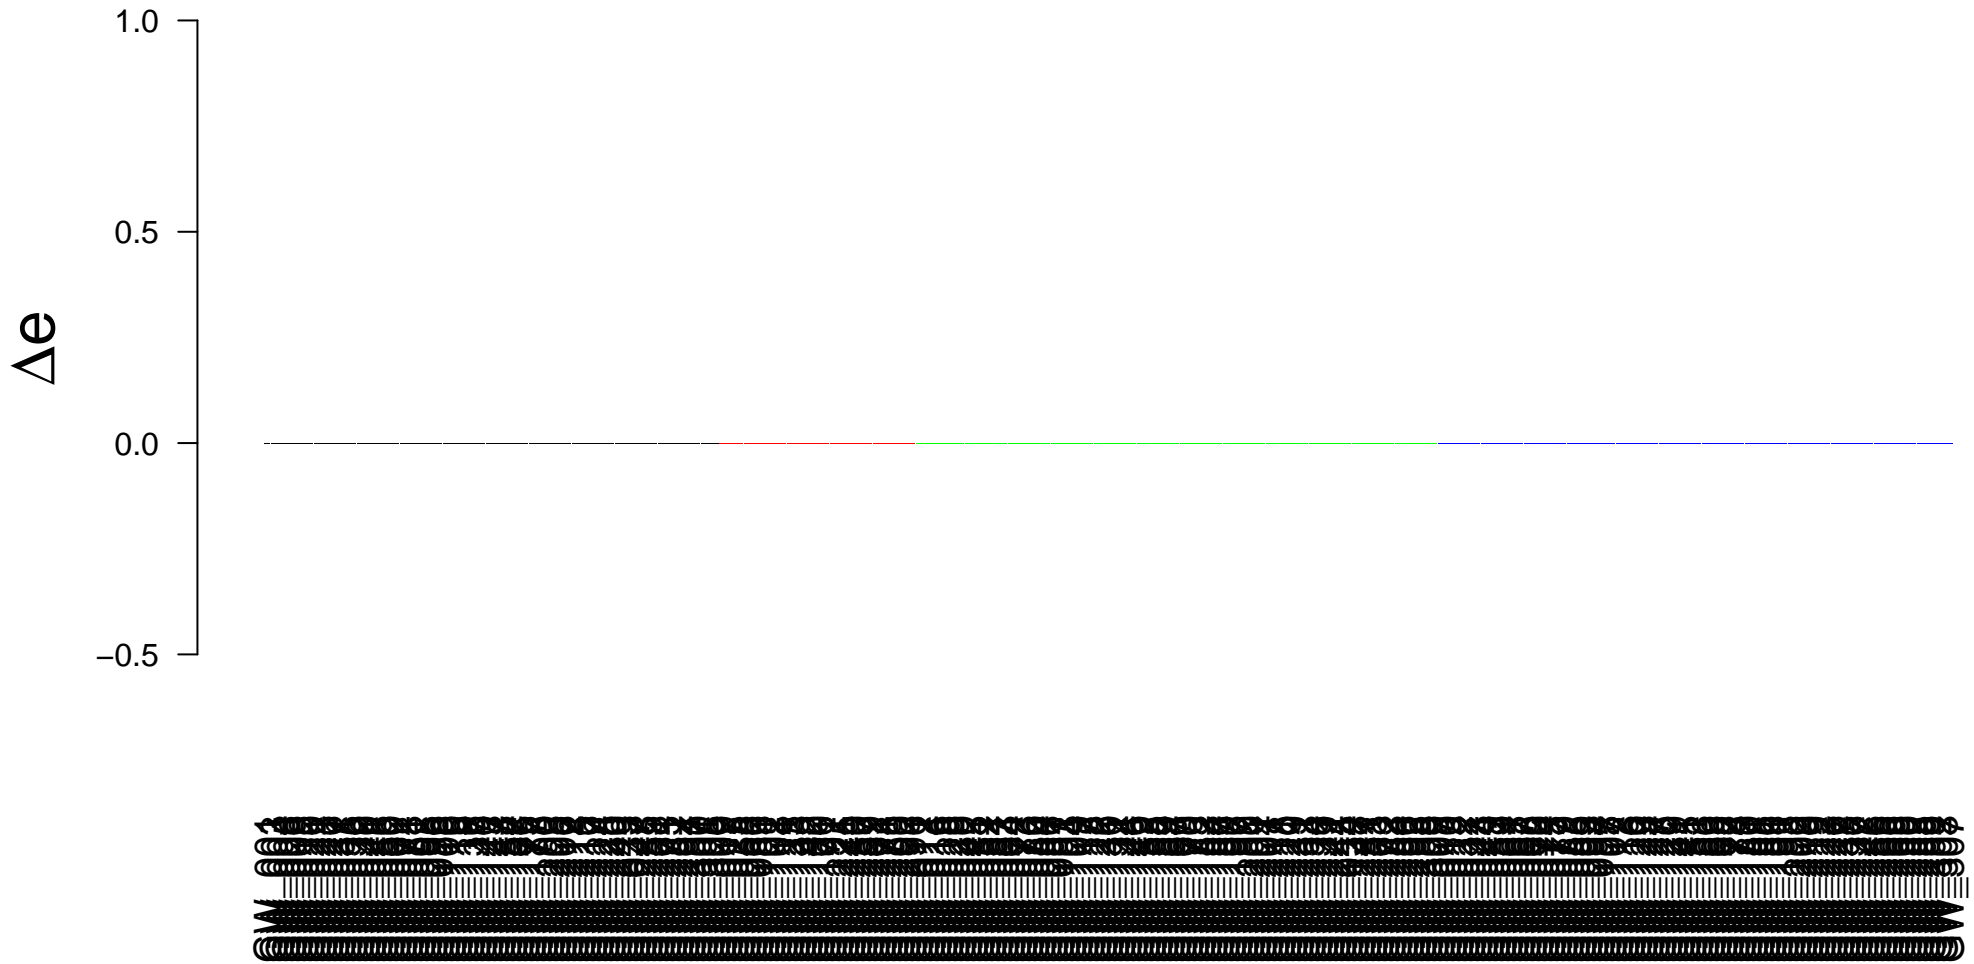

Expression of positive regulation of insulin secretion in Spot B

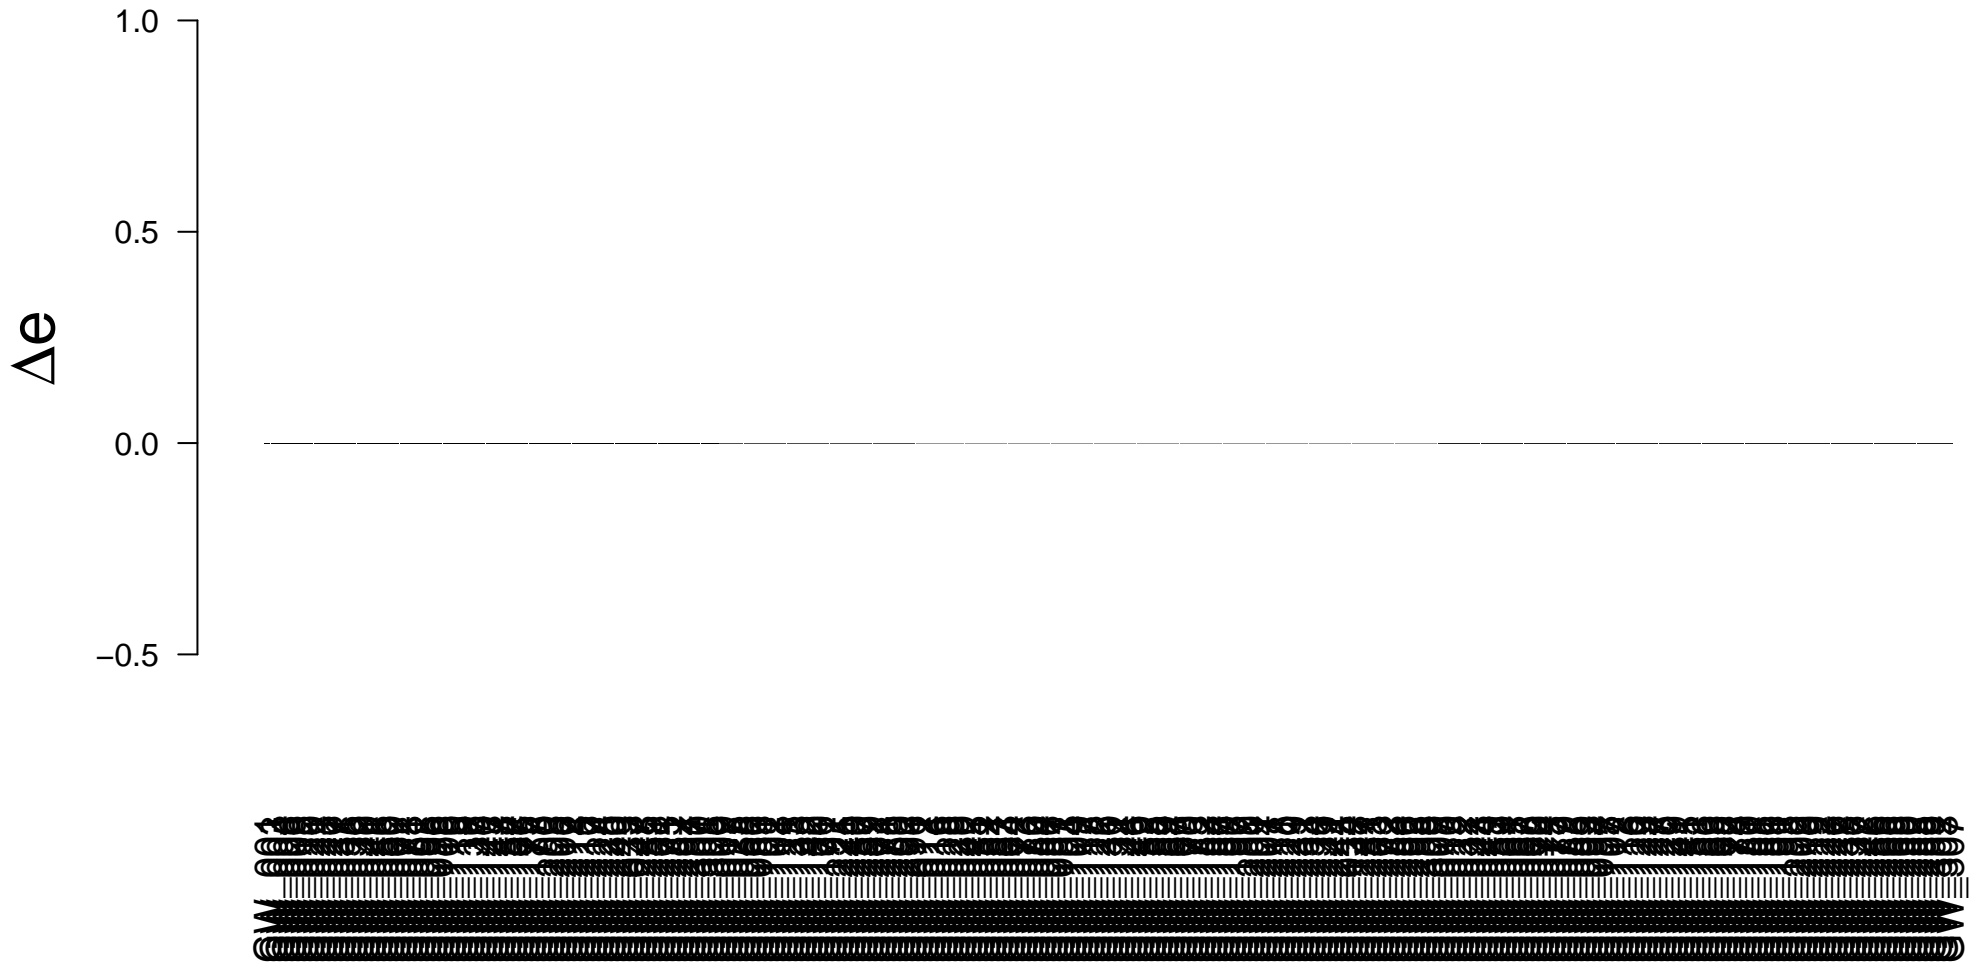

Expression of positive regulation of insulin secretion in Spot C

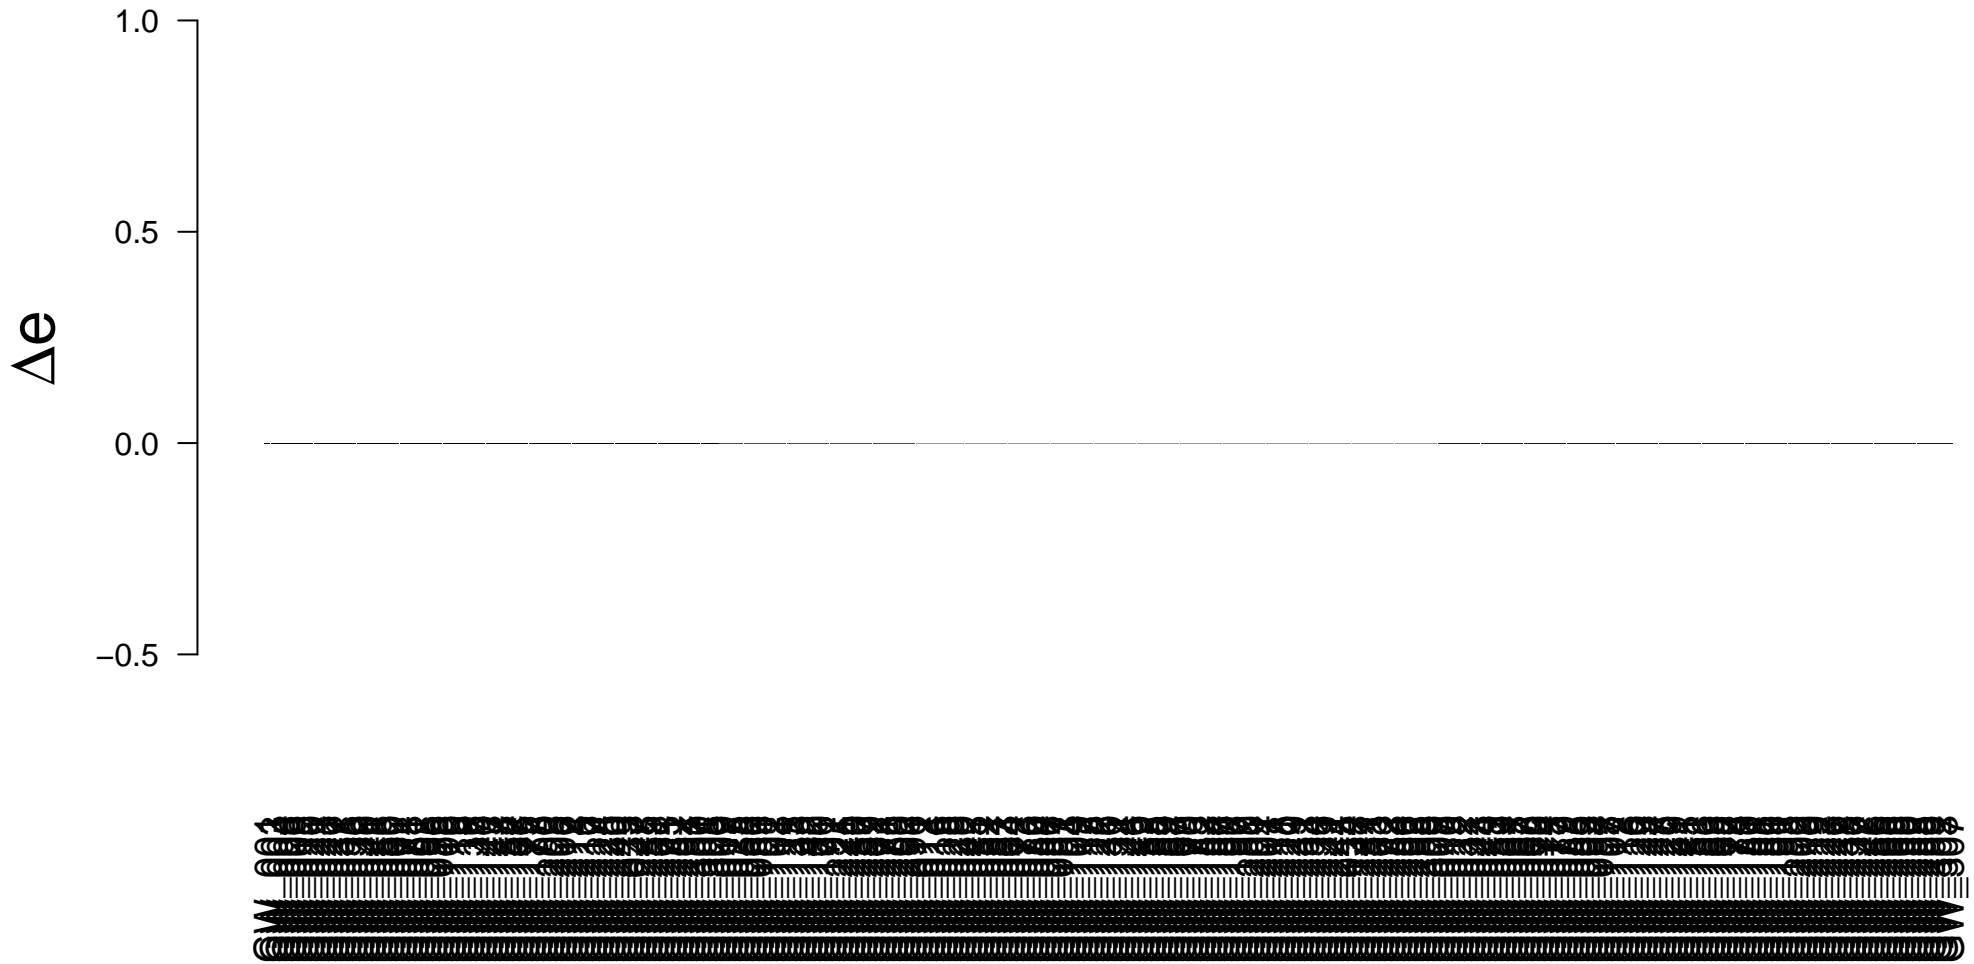

Expression of positive regulation of insulin secretion in Spot D

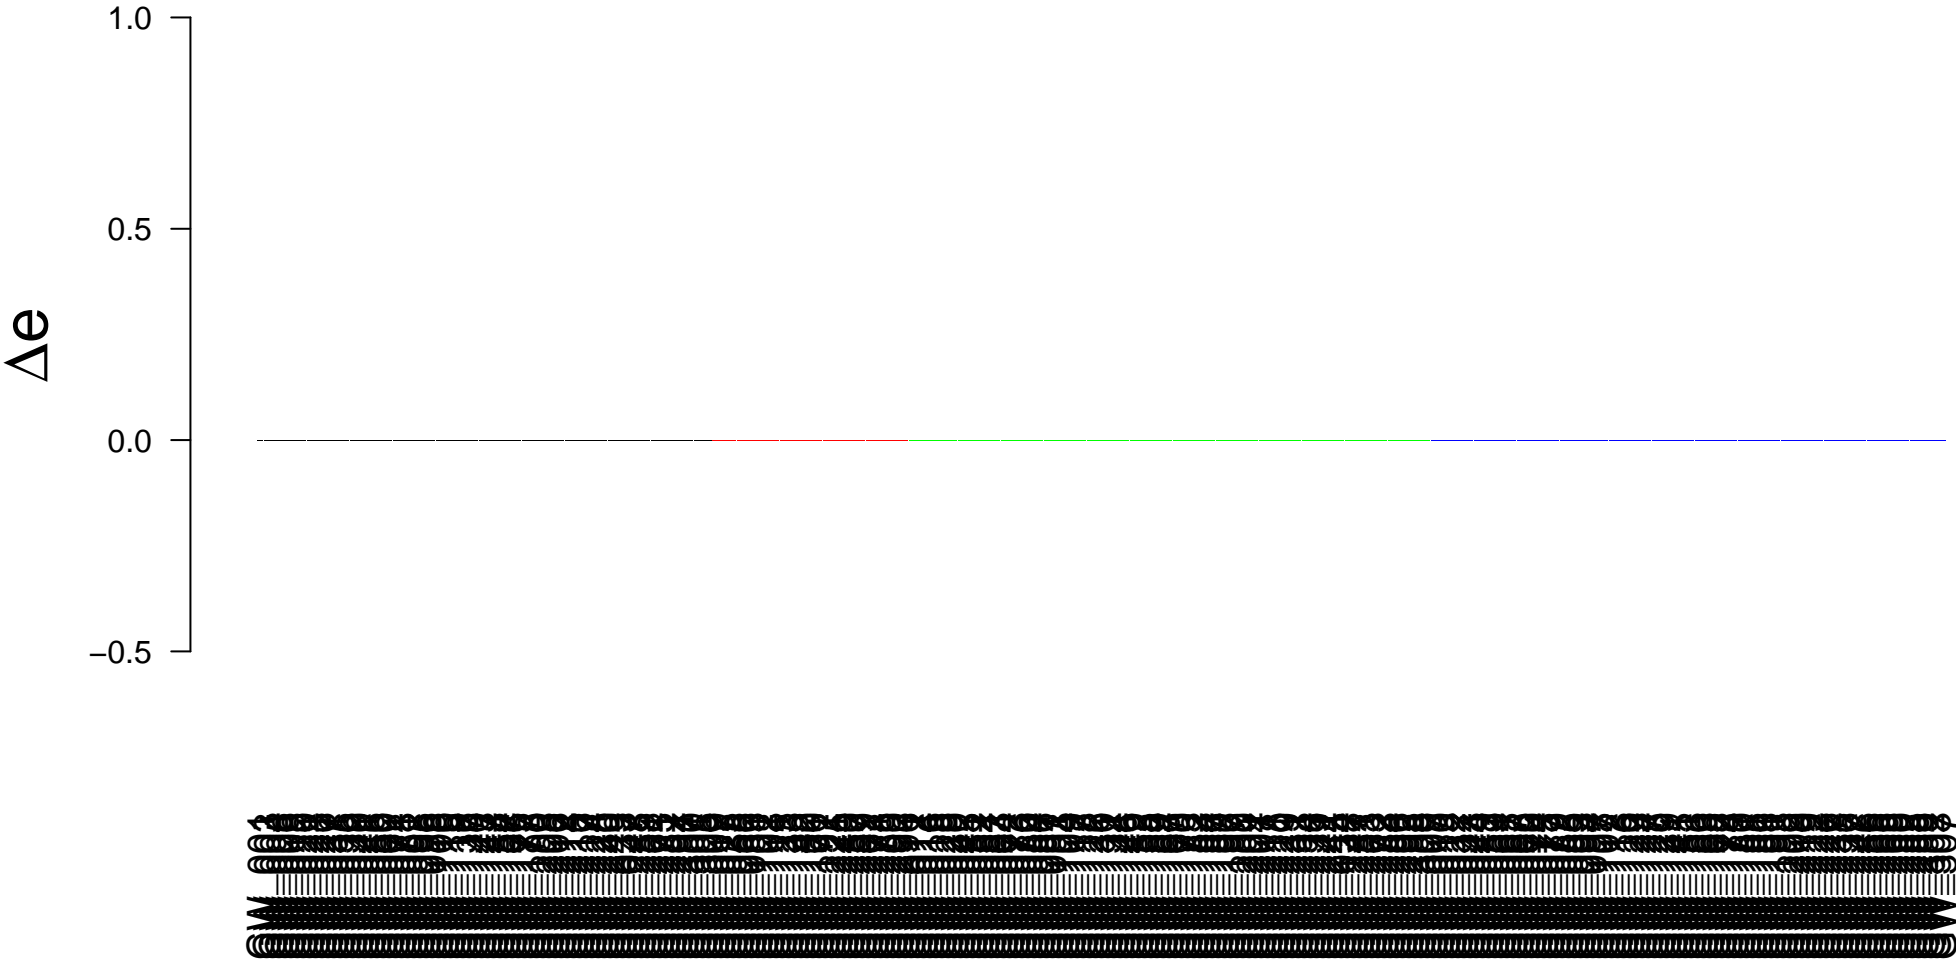

Expression of positive regulation of insulin secretion in Spot E

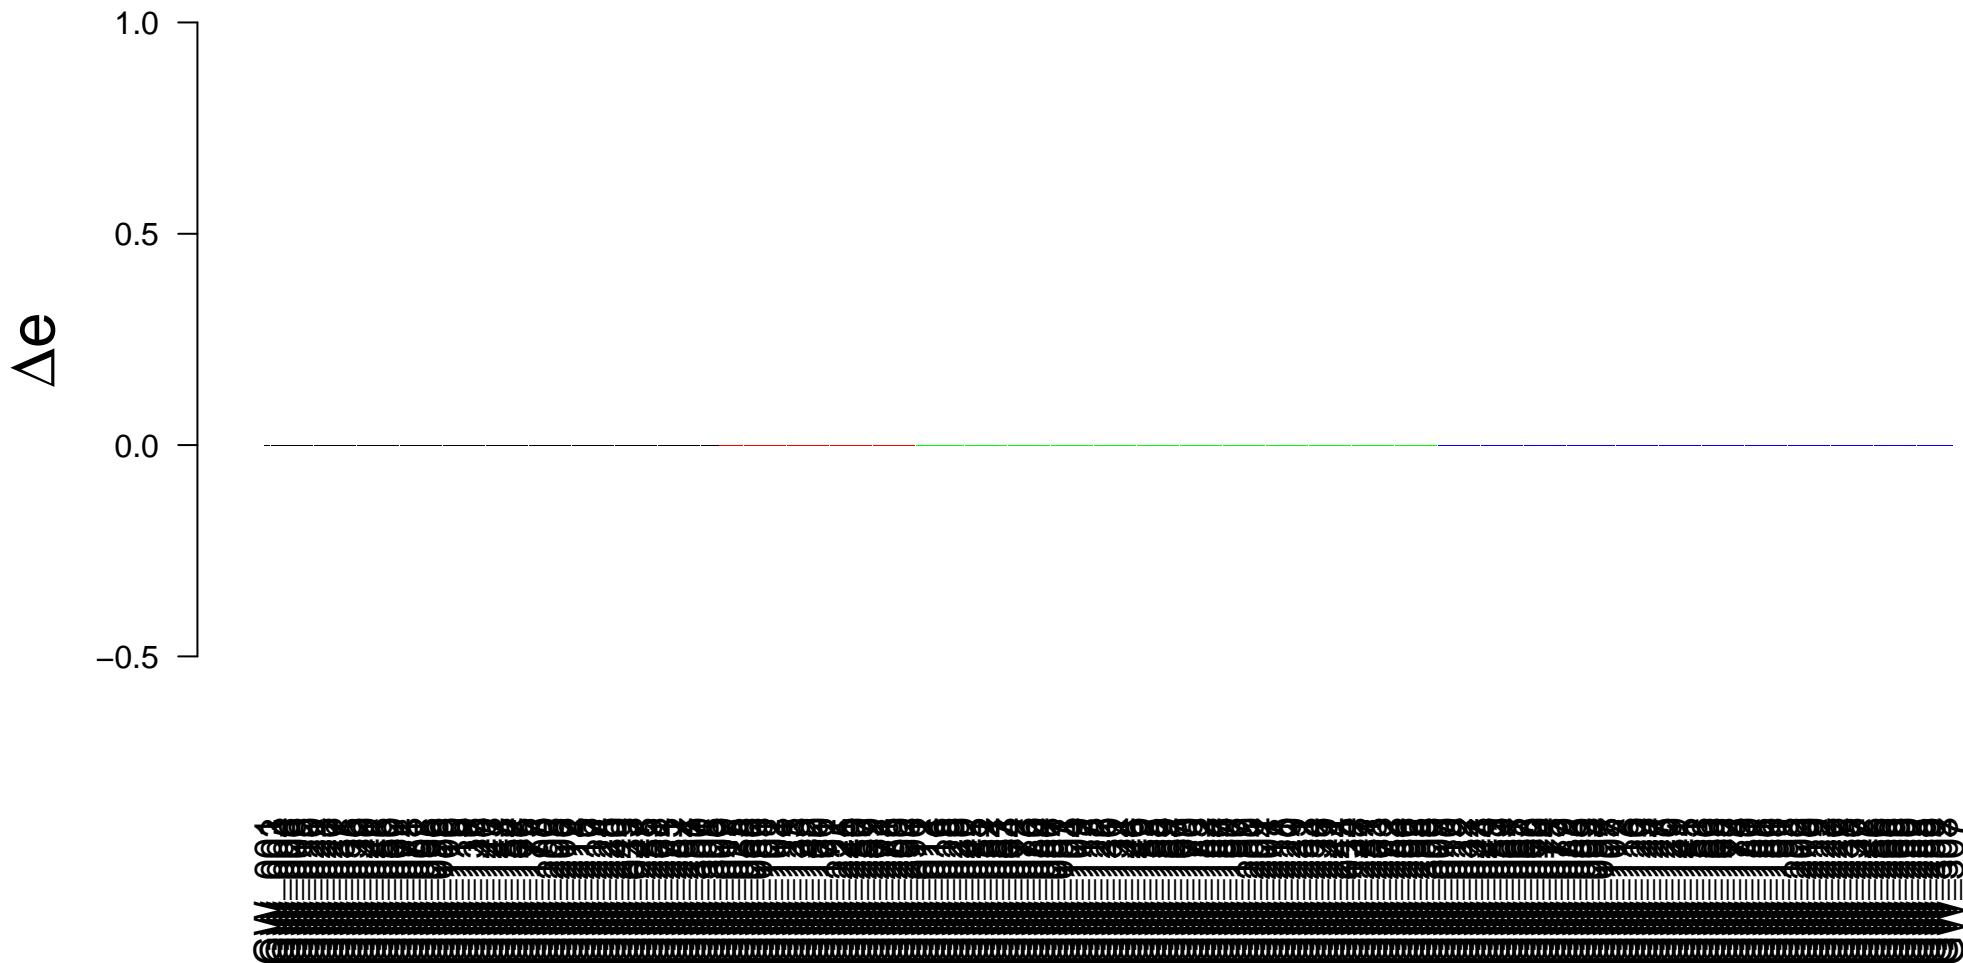

Expression of positive regulation of insulin secretion in Spot F

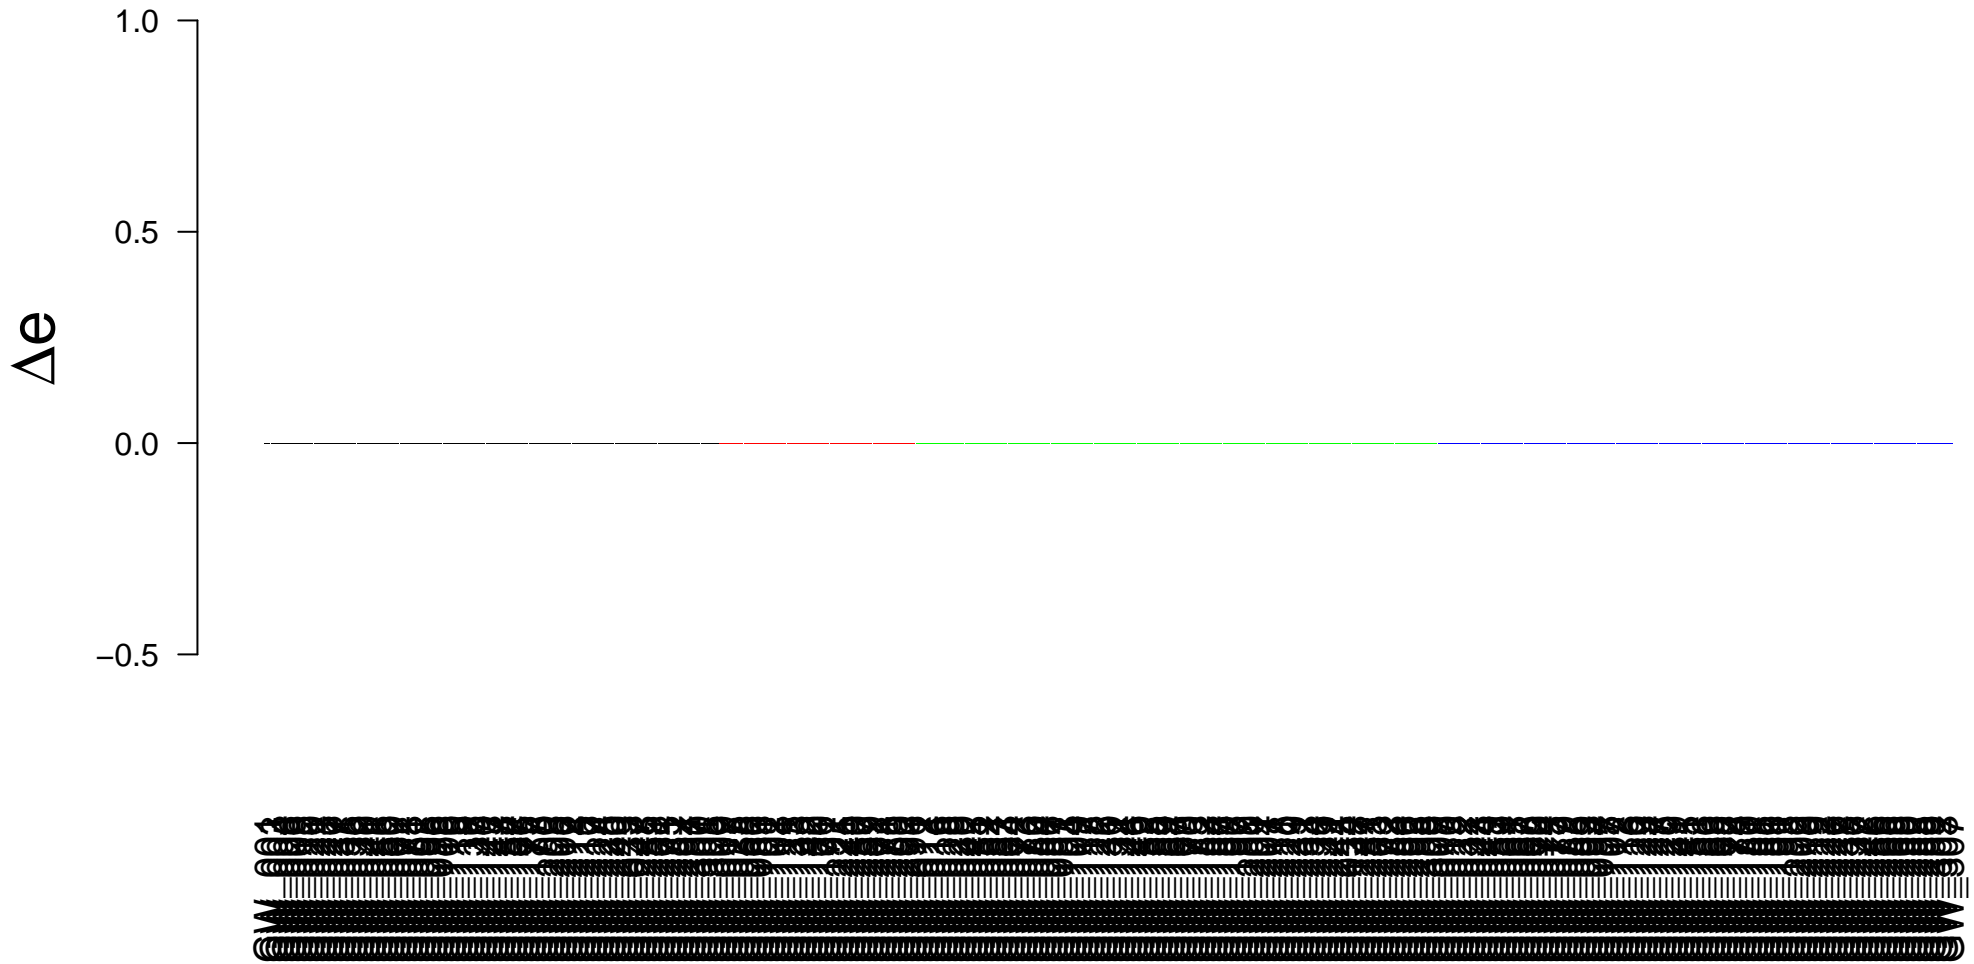

Expression of positive regulation of insulin secretion in Spot G

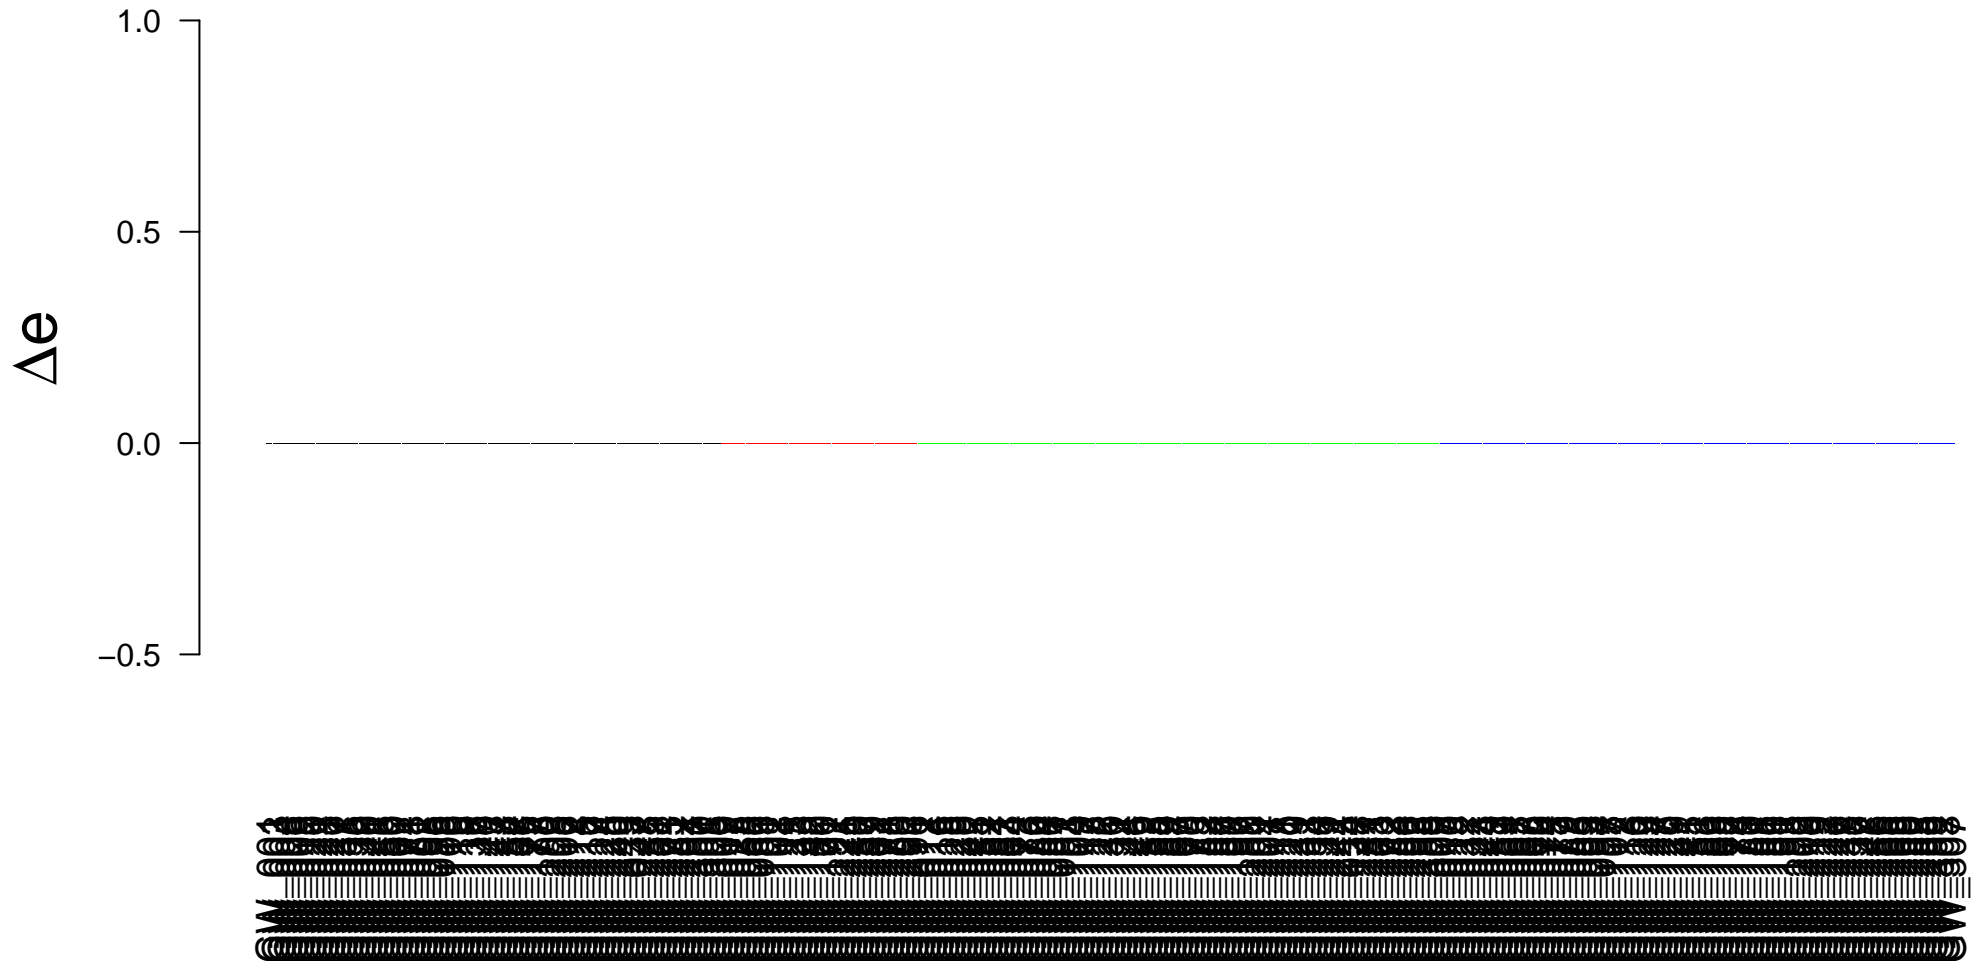

Expression of positive regulation of insulin secretion in Spot H

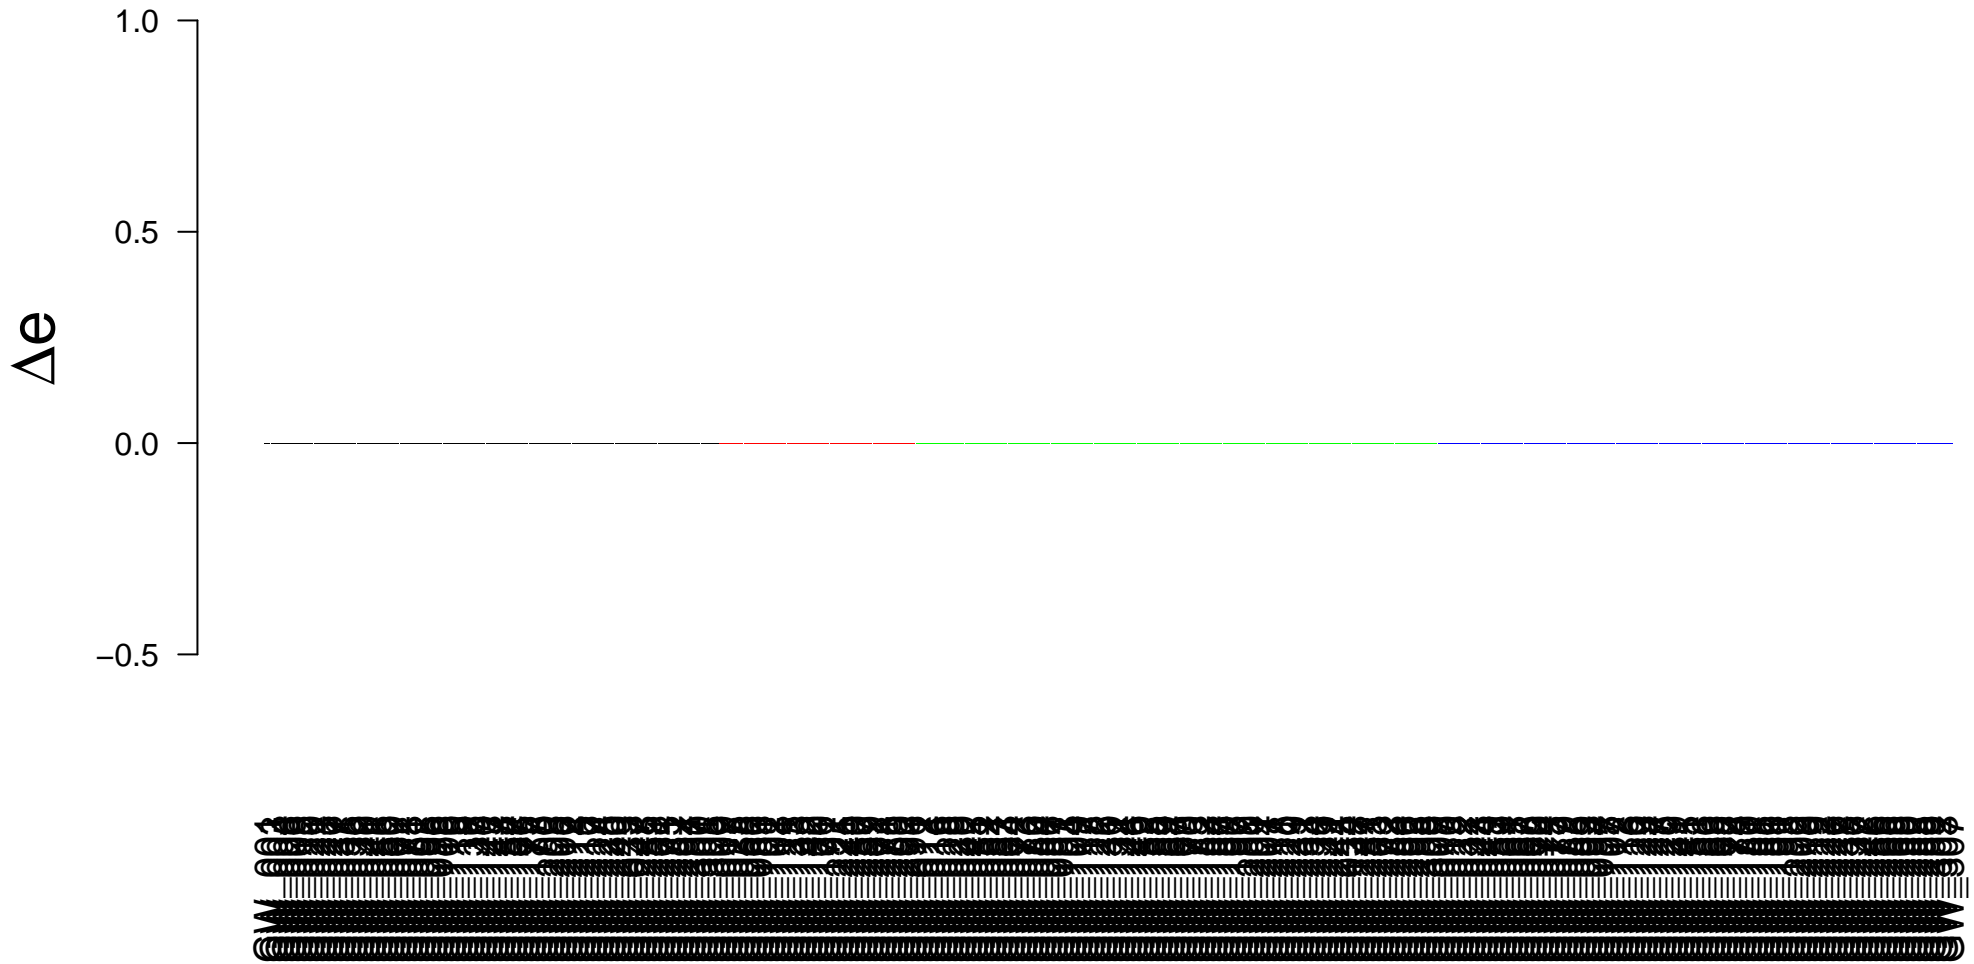

Expression of positive regulation of insulin secretion in Spot I

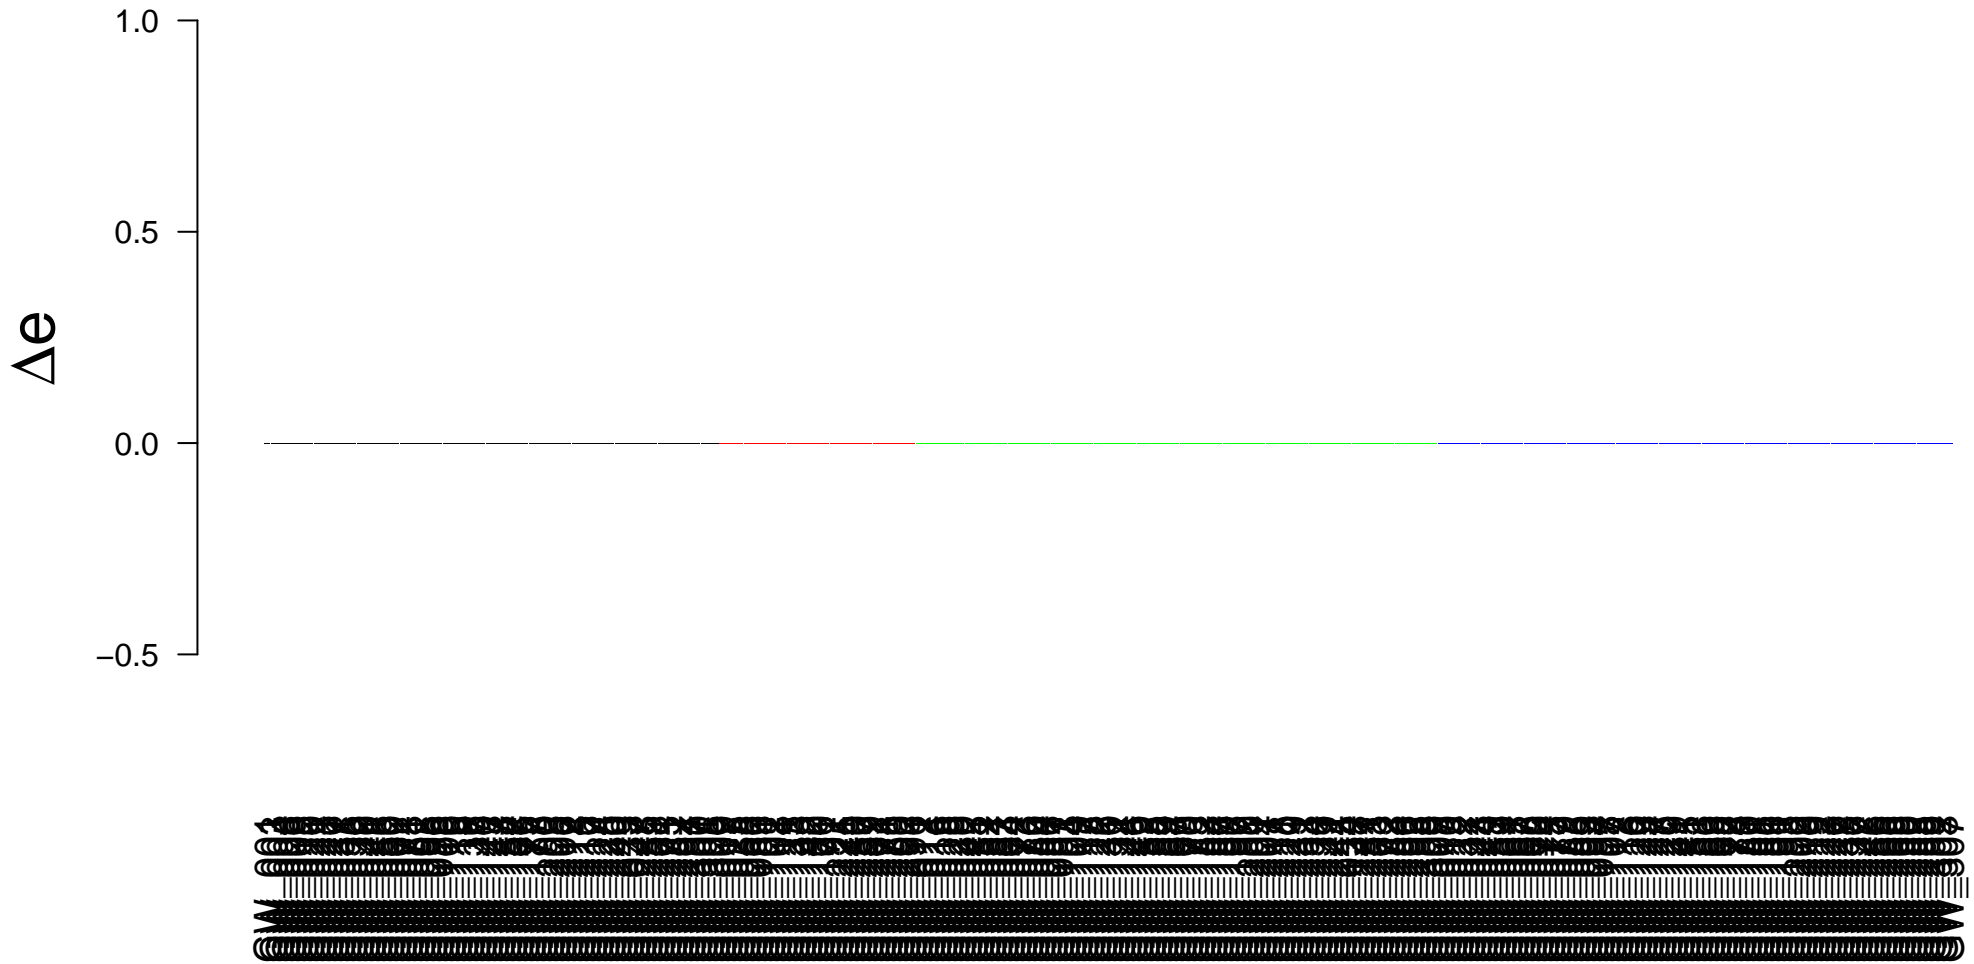

Expression of positive regulation of insulin secretion in Spot J

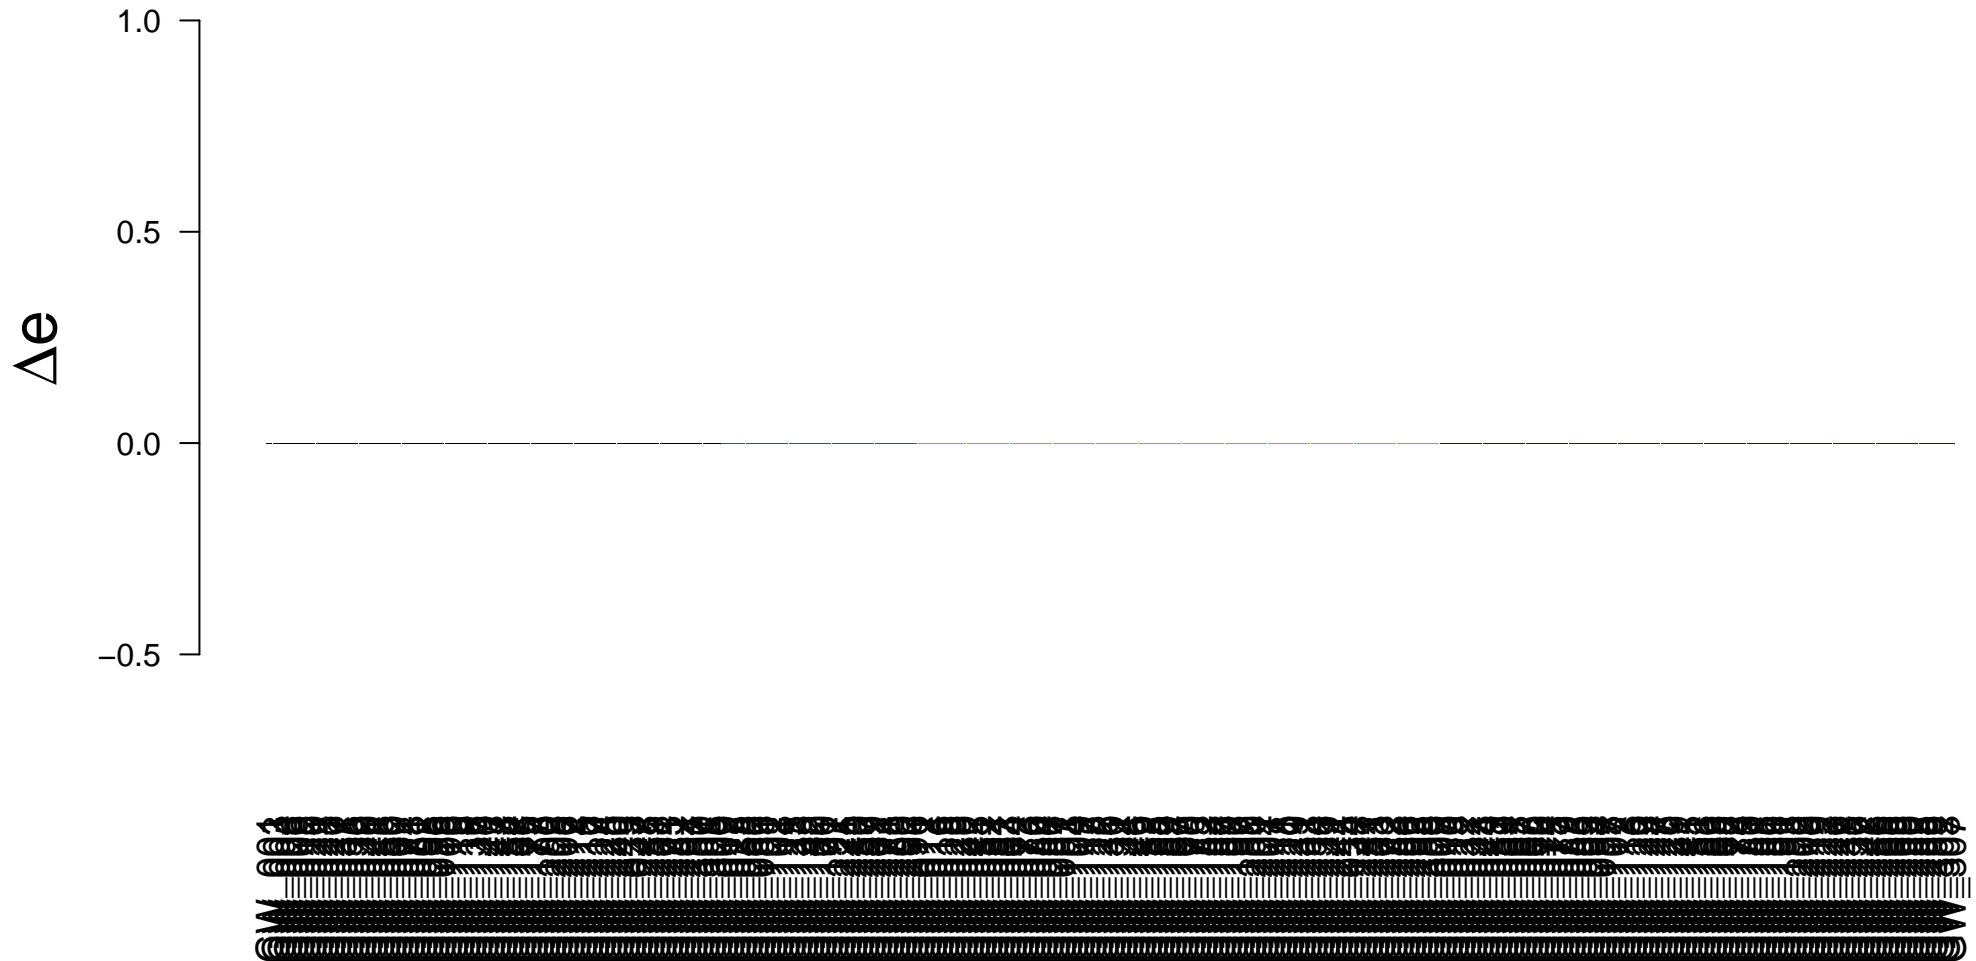

Expression of positive regulation of insulin secretion in Spot K

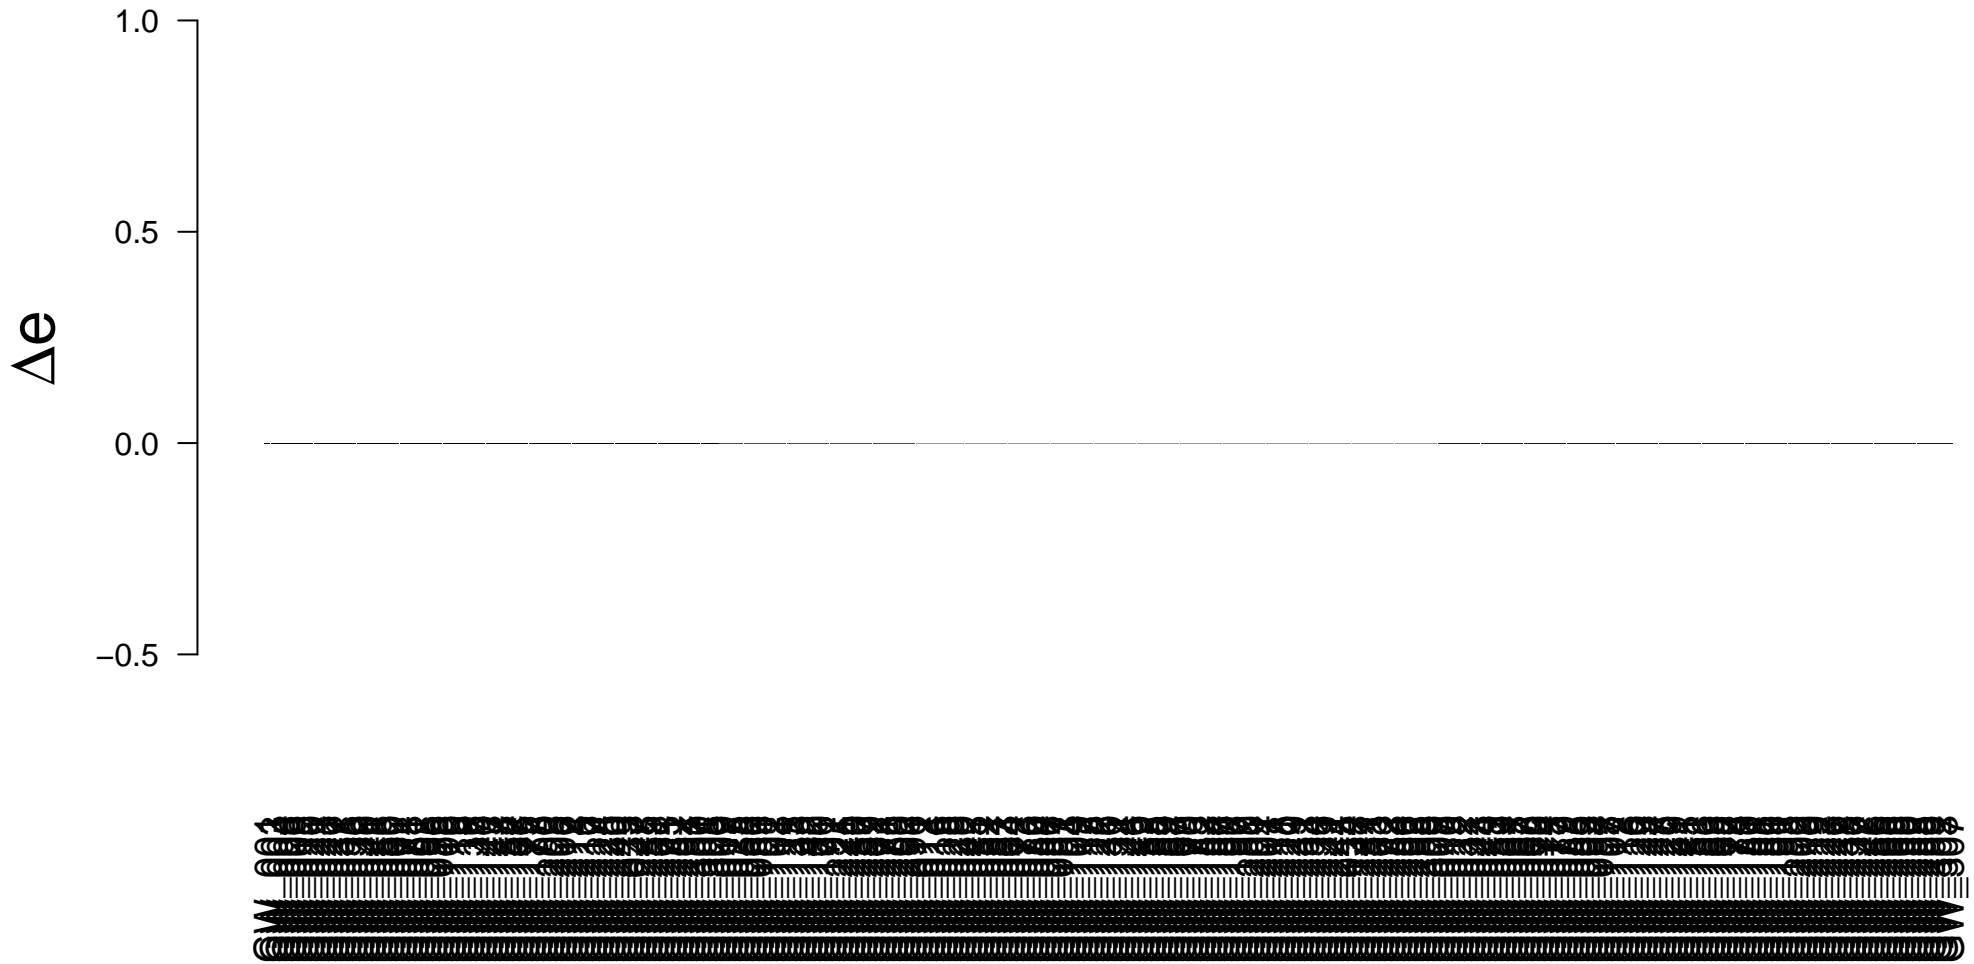

Expression of positive regulation of insulin secretion in Spot L

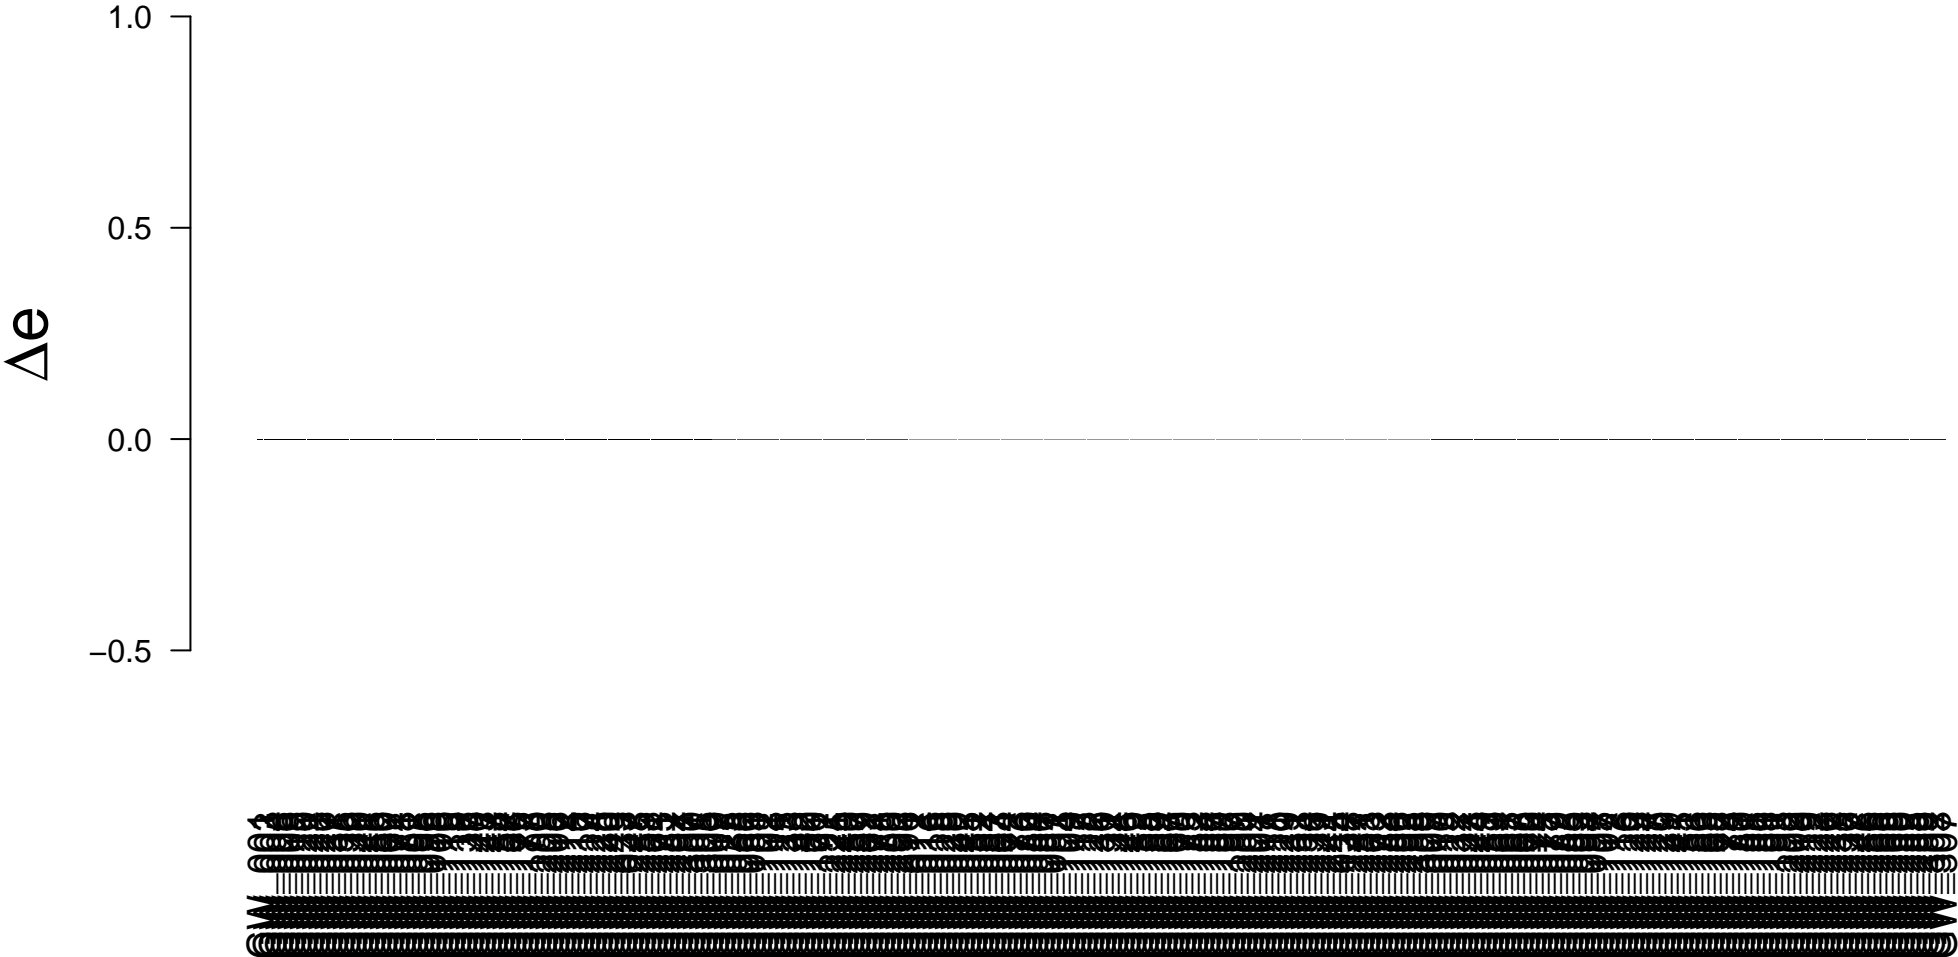

Expression of positive regulation of insulin secretion in Spot M

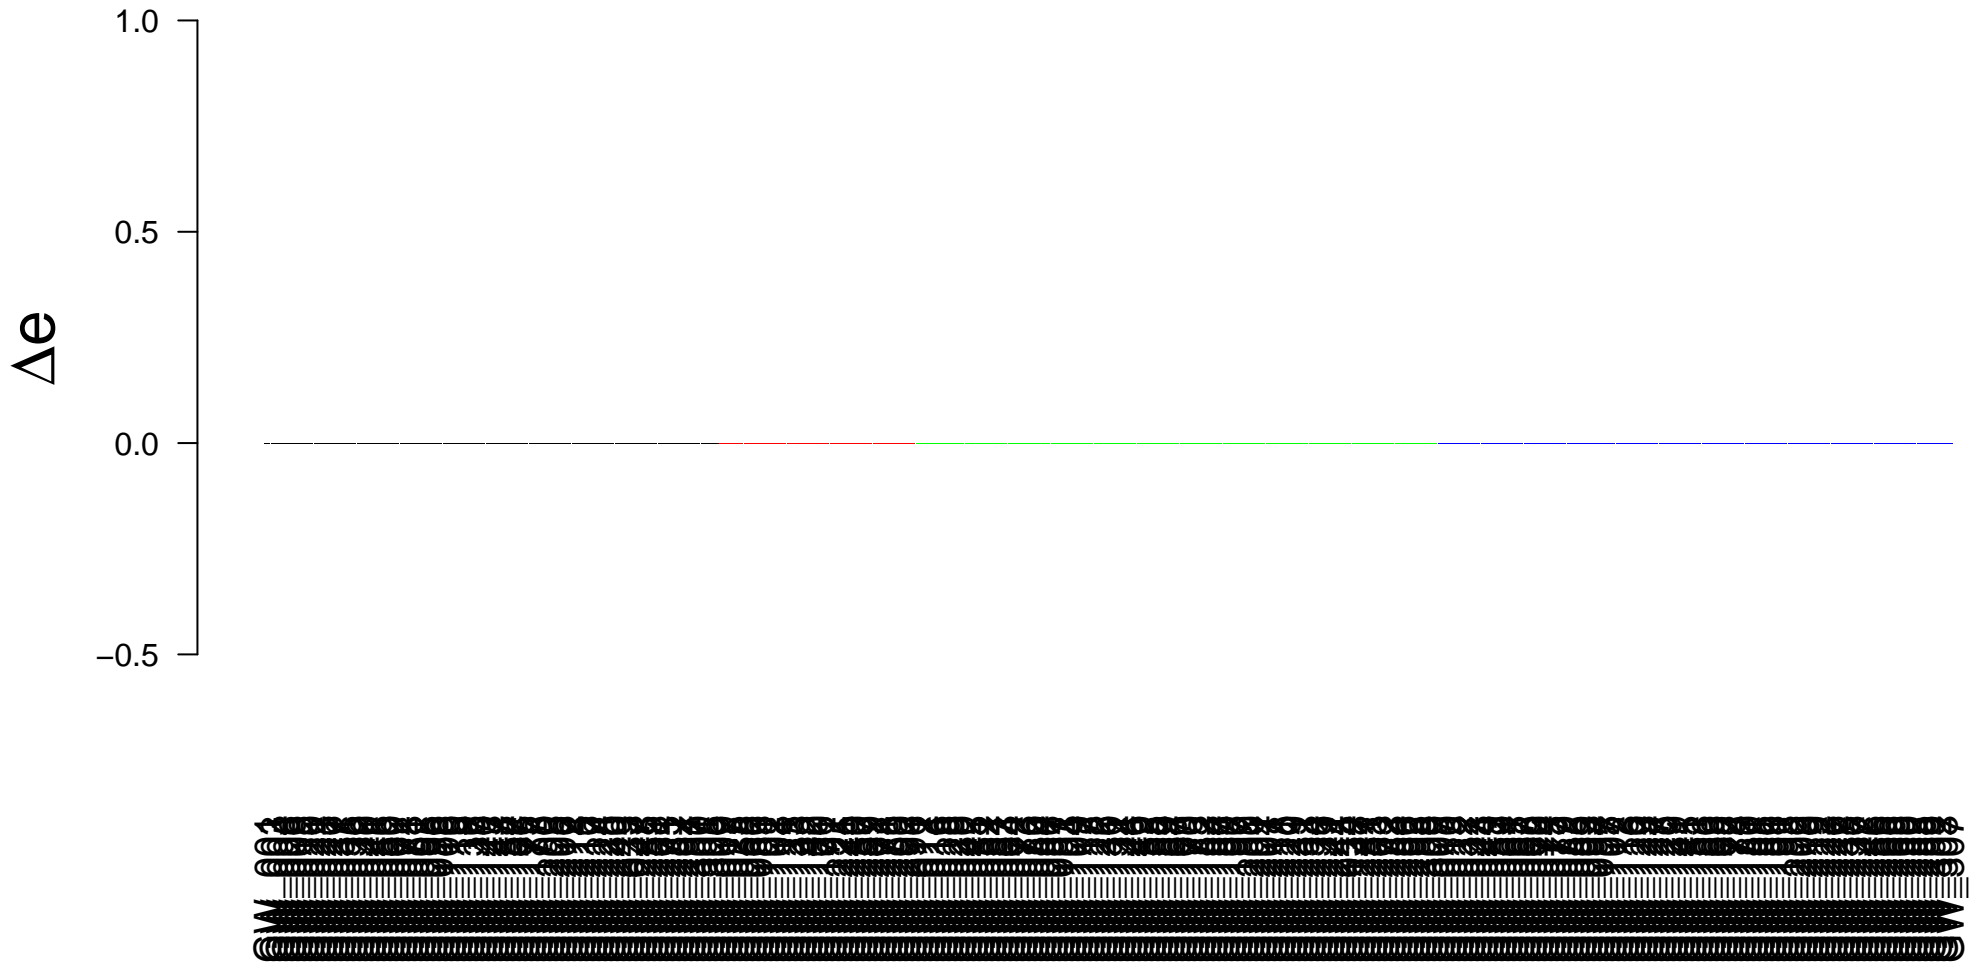

Expression of positive regulation of insulin secretion in Spot N

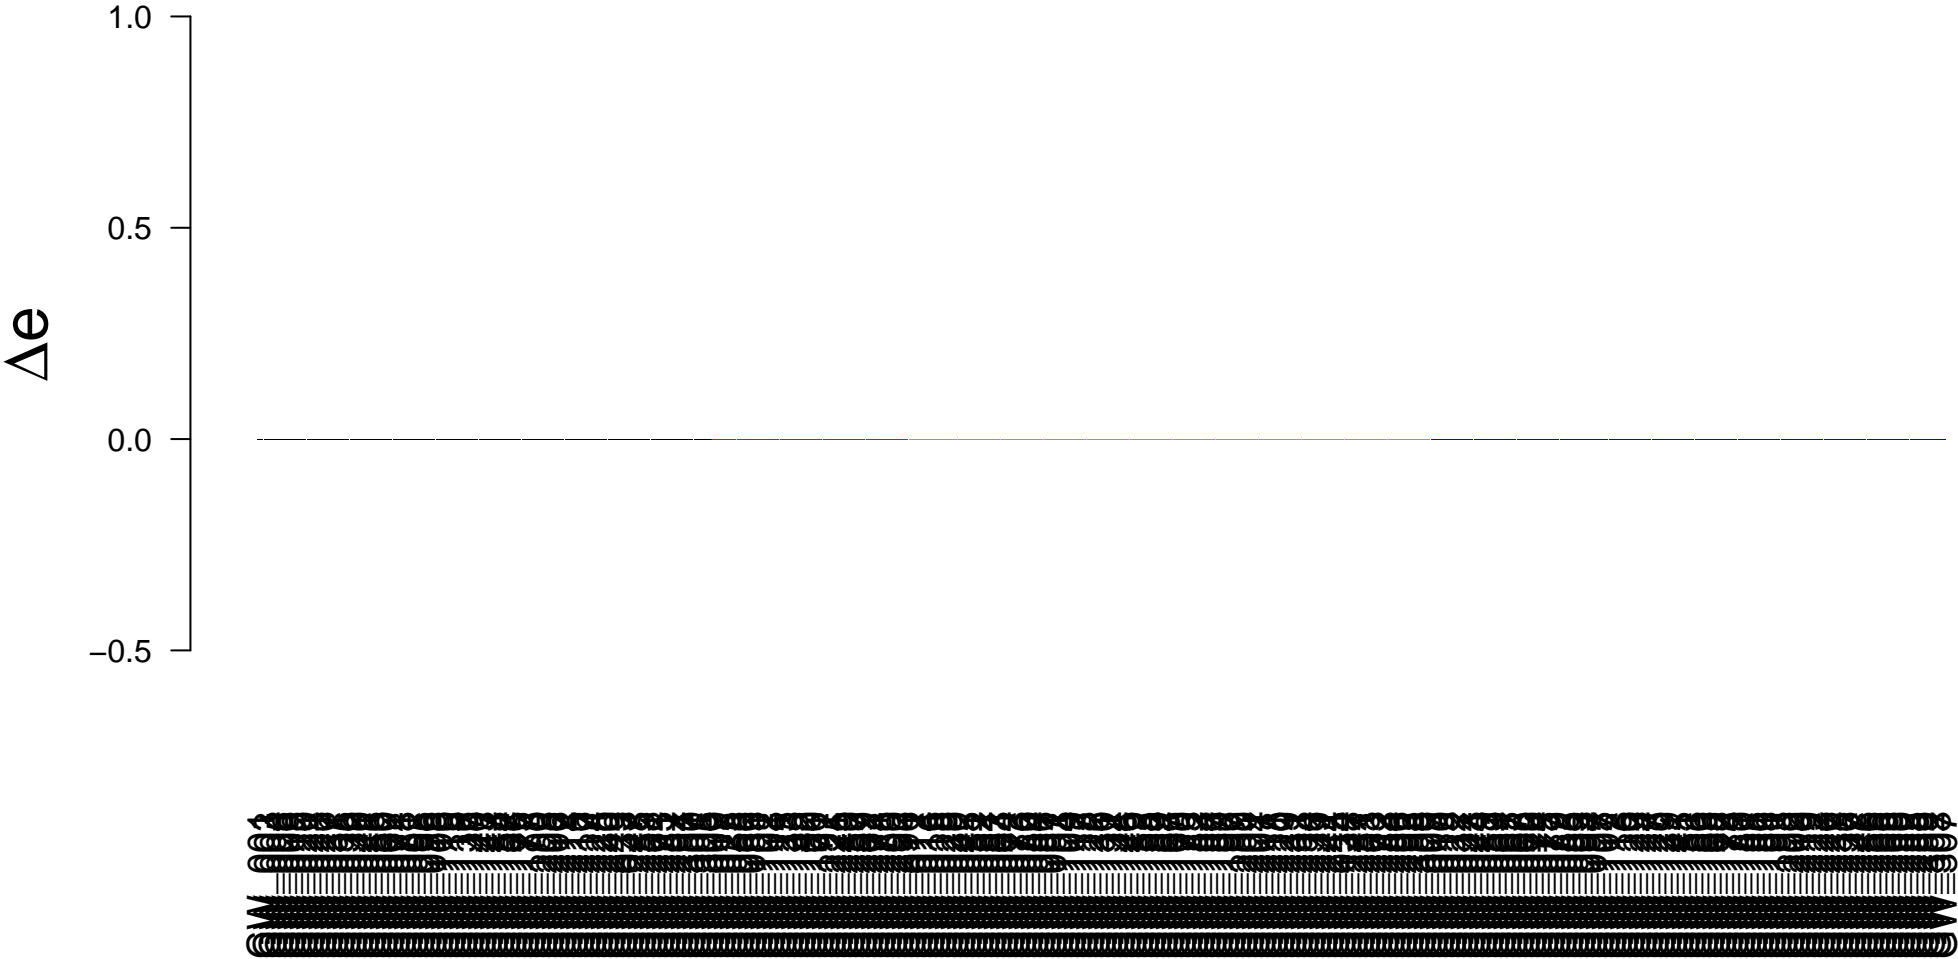

Expression of positive regulation of insulin secretion in Spot O

Expression of positive regulation of insulin secretion in Spot P

Expression of positive regulation of insulin secretion in Spot Q

Expression of positive regulation of insulin secretion in Spot R
