

positive regulation of interleukin-4 production

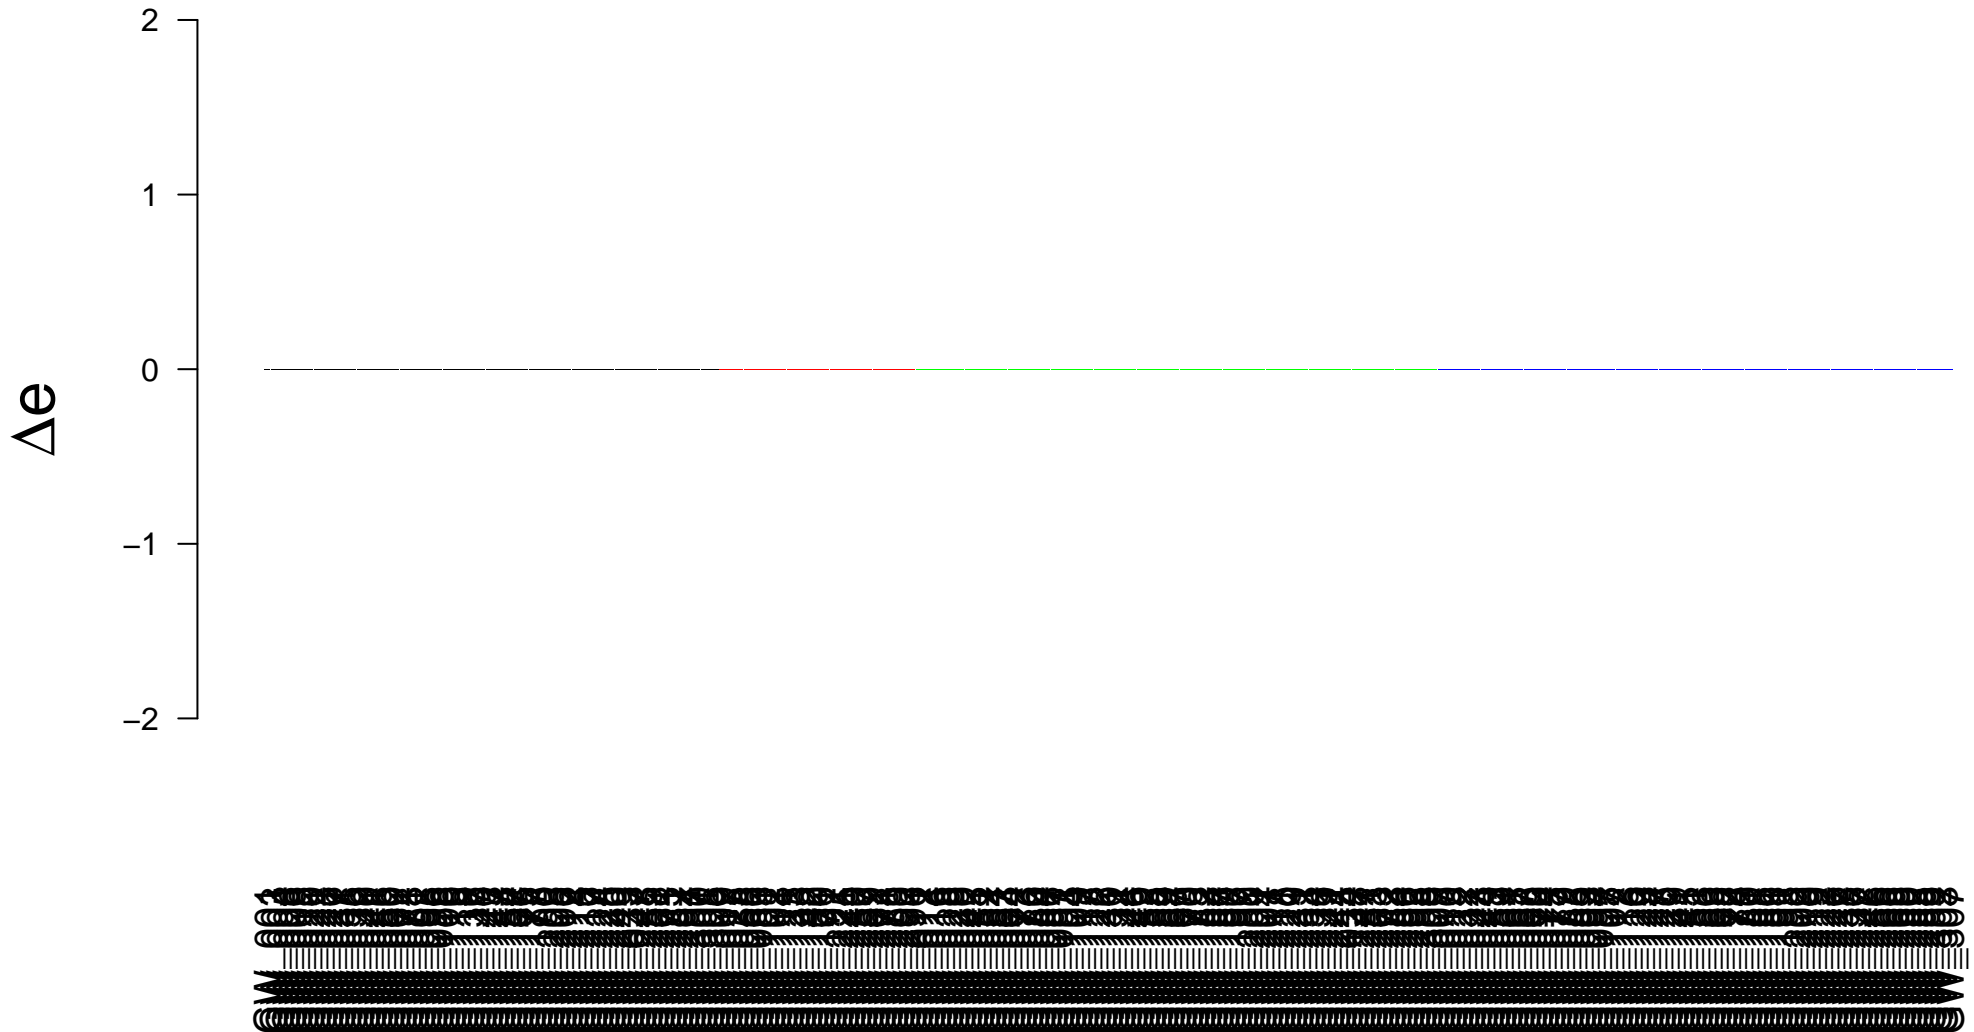

positive regulation of interleukin-4 production

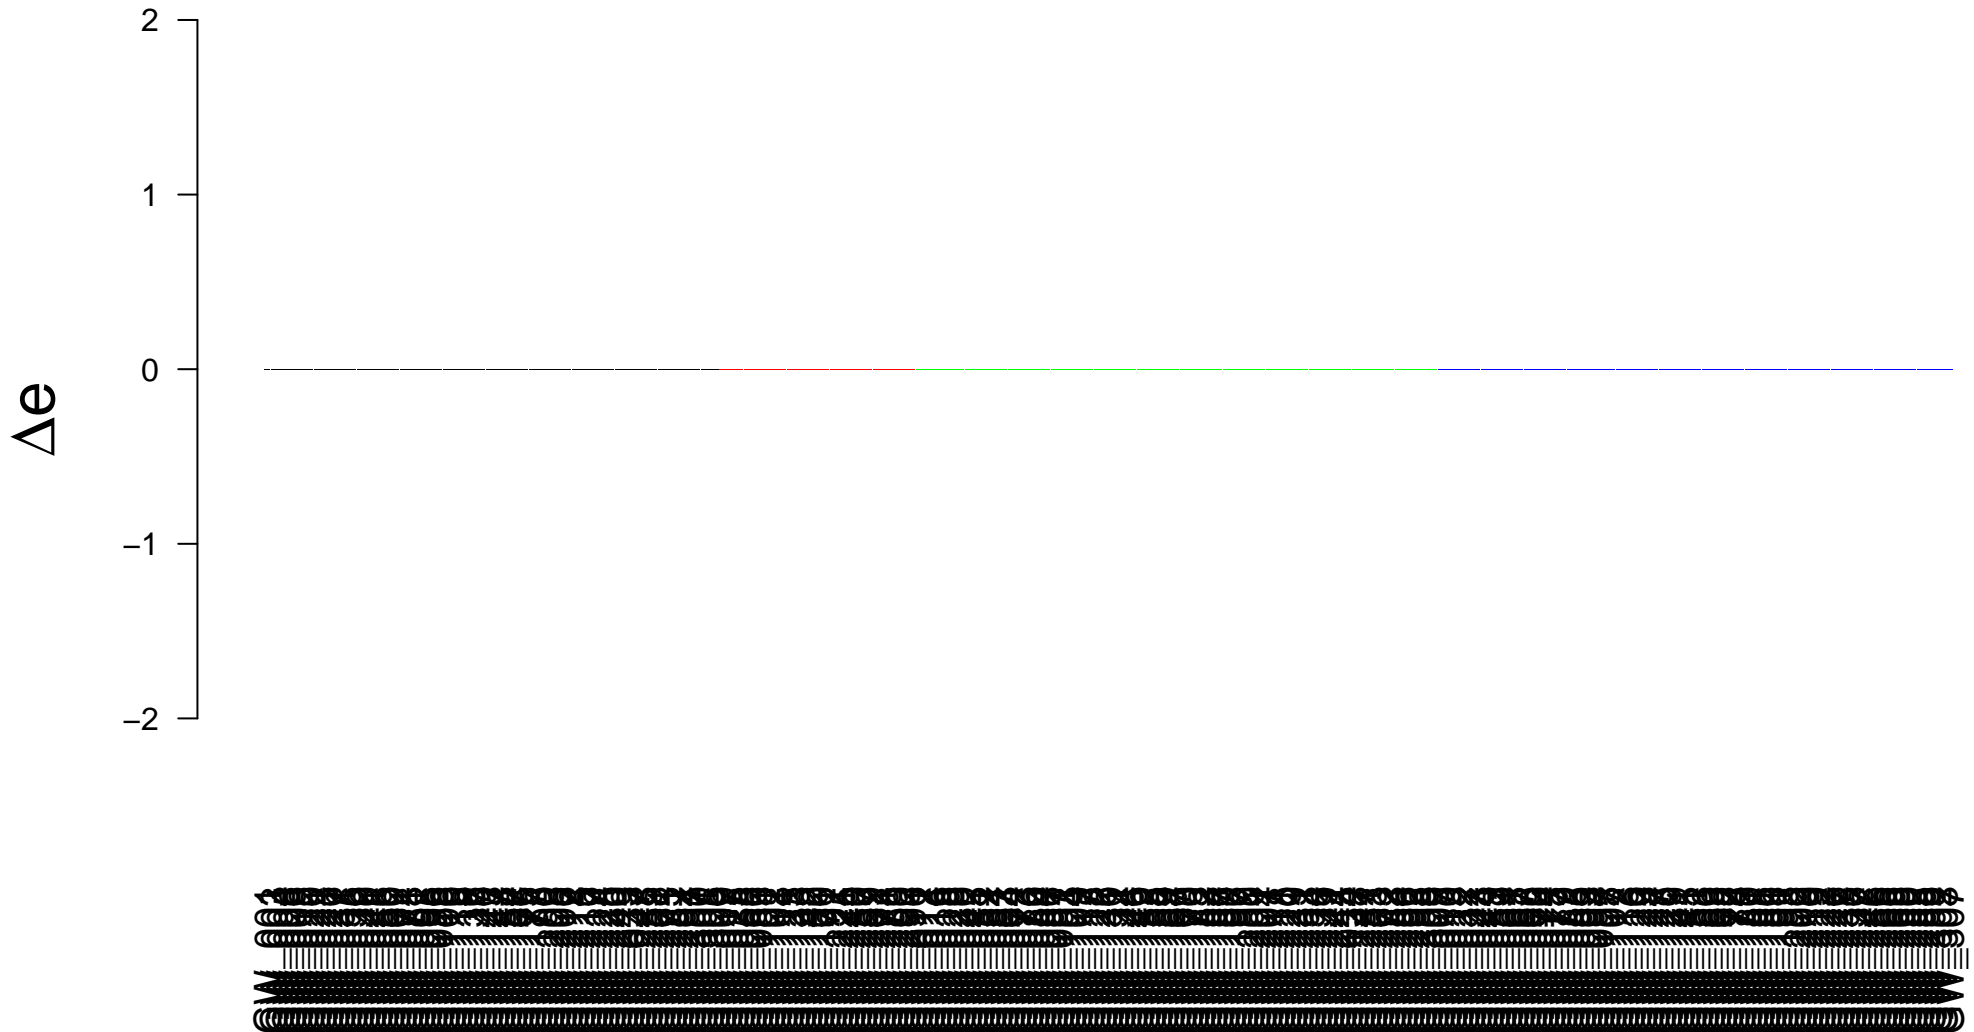

Enrichment in spots: positive regulation of interleukin-4 production

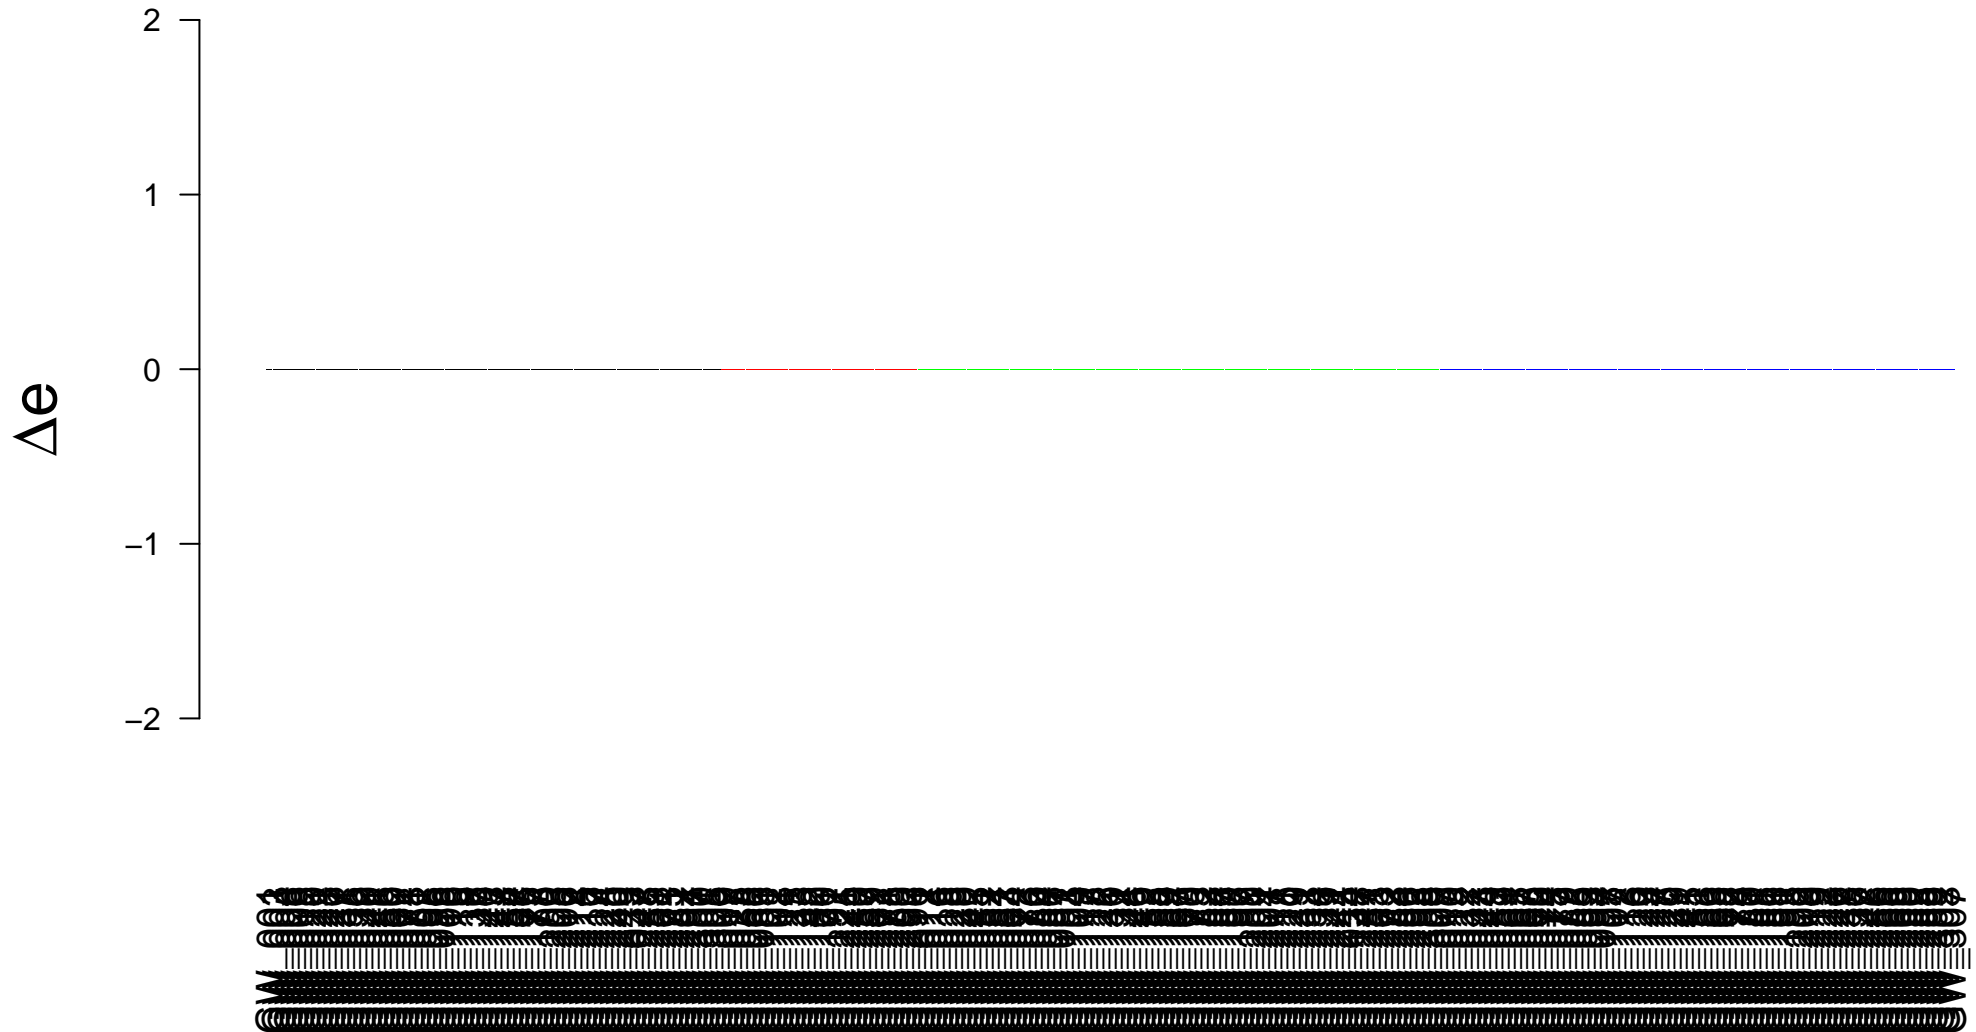

Expression of positive regulation of interleukin-4 production in Spot A

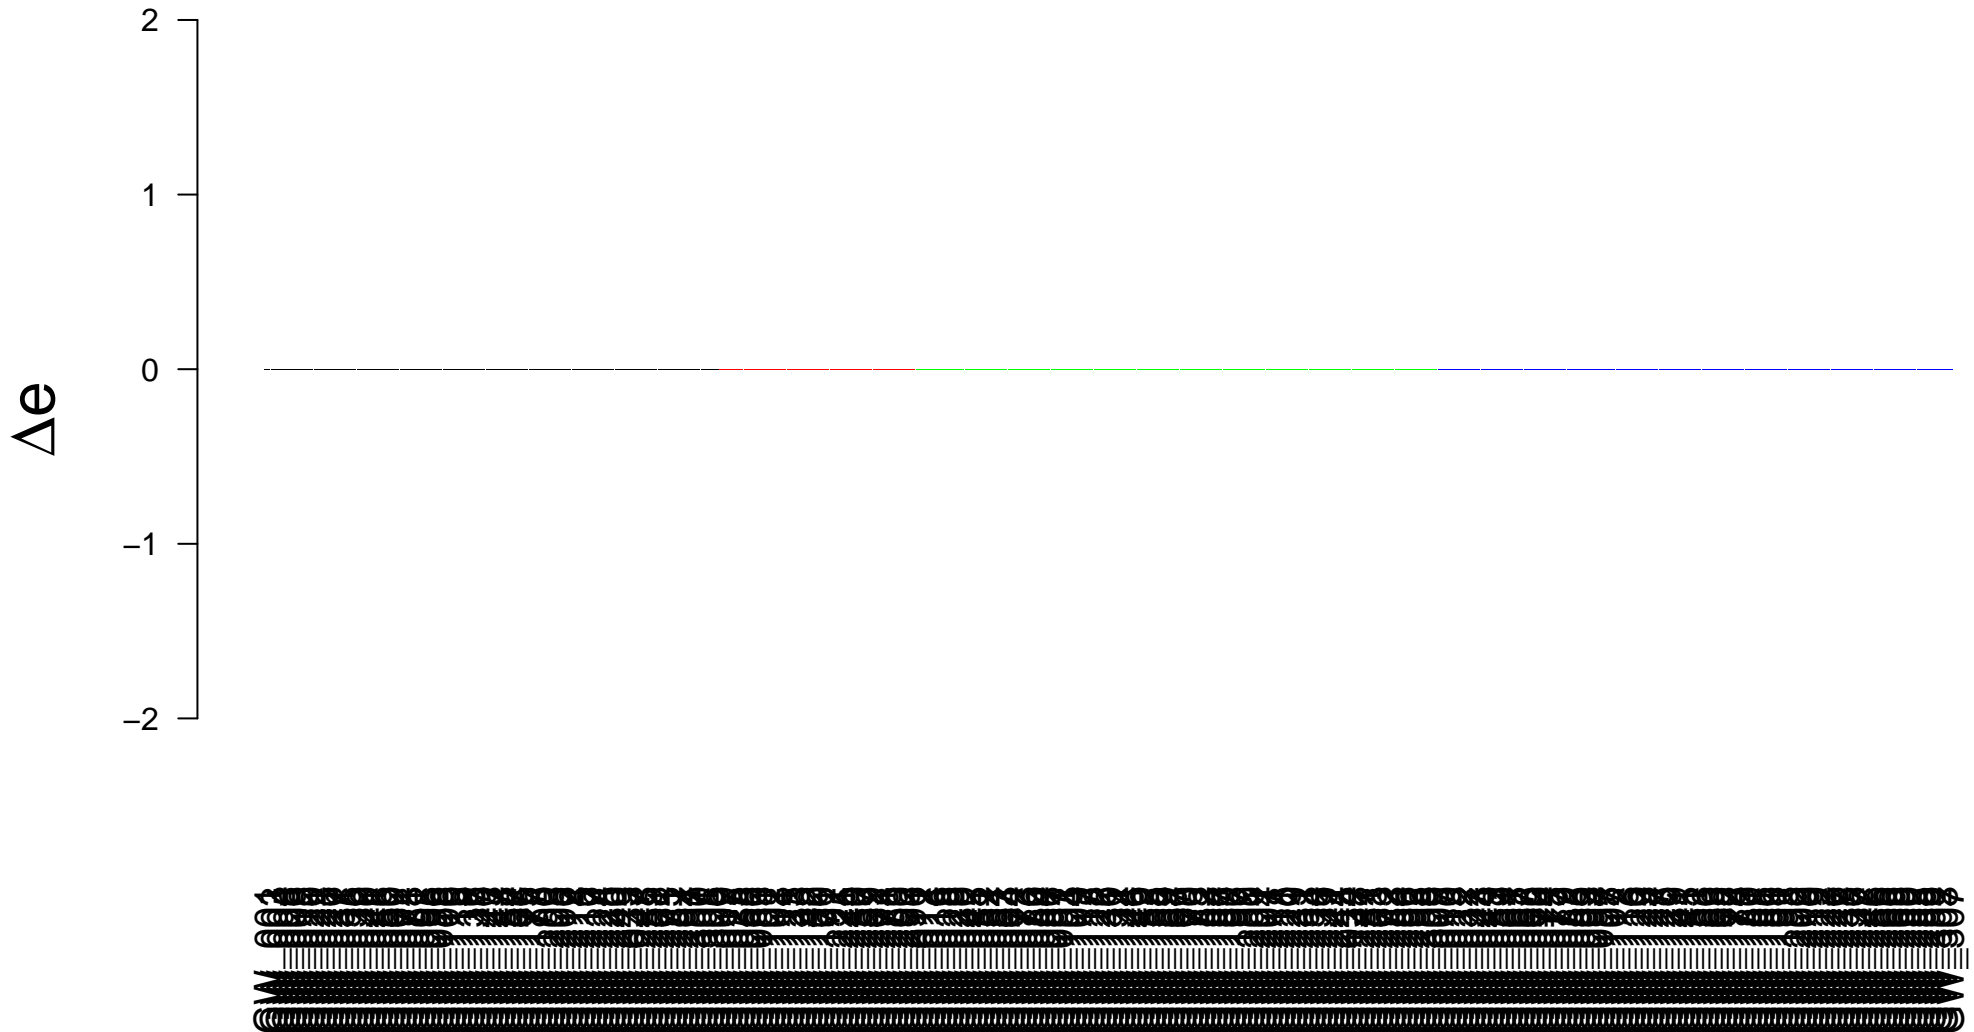

Expression of positive regulation of interleukin-4 production in Spot B

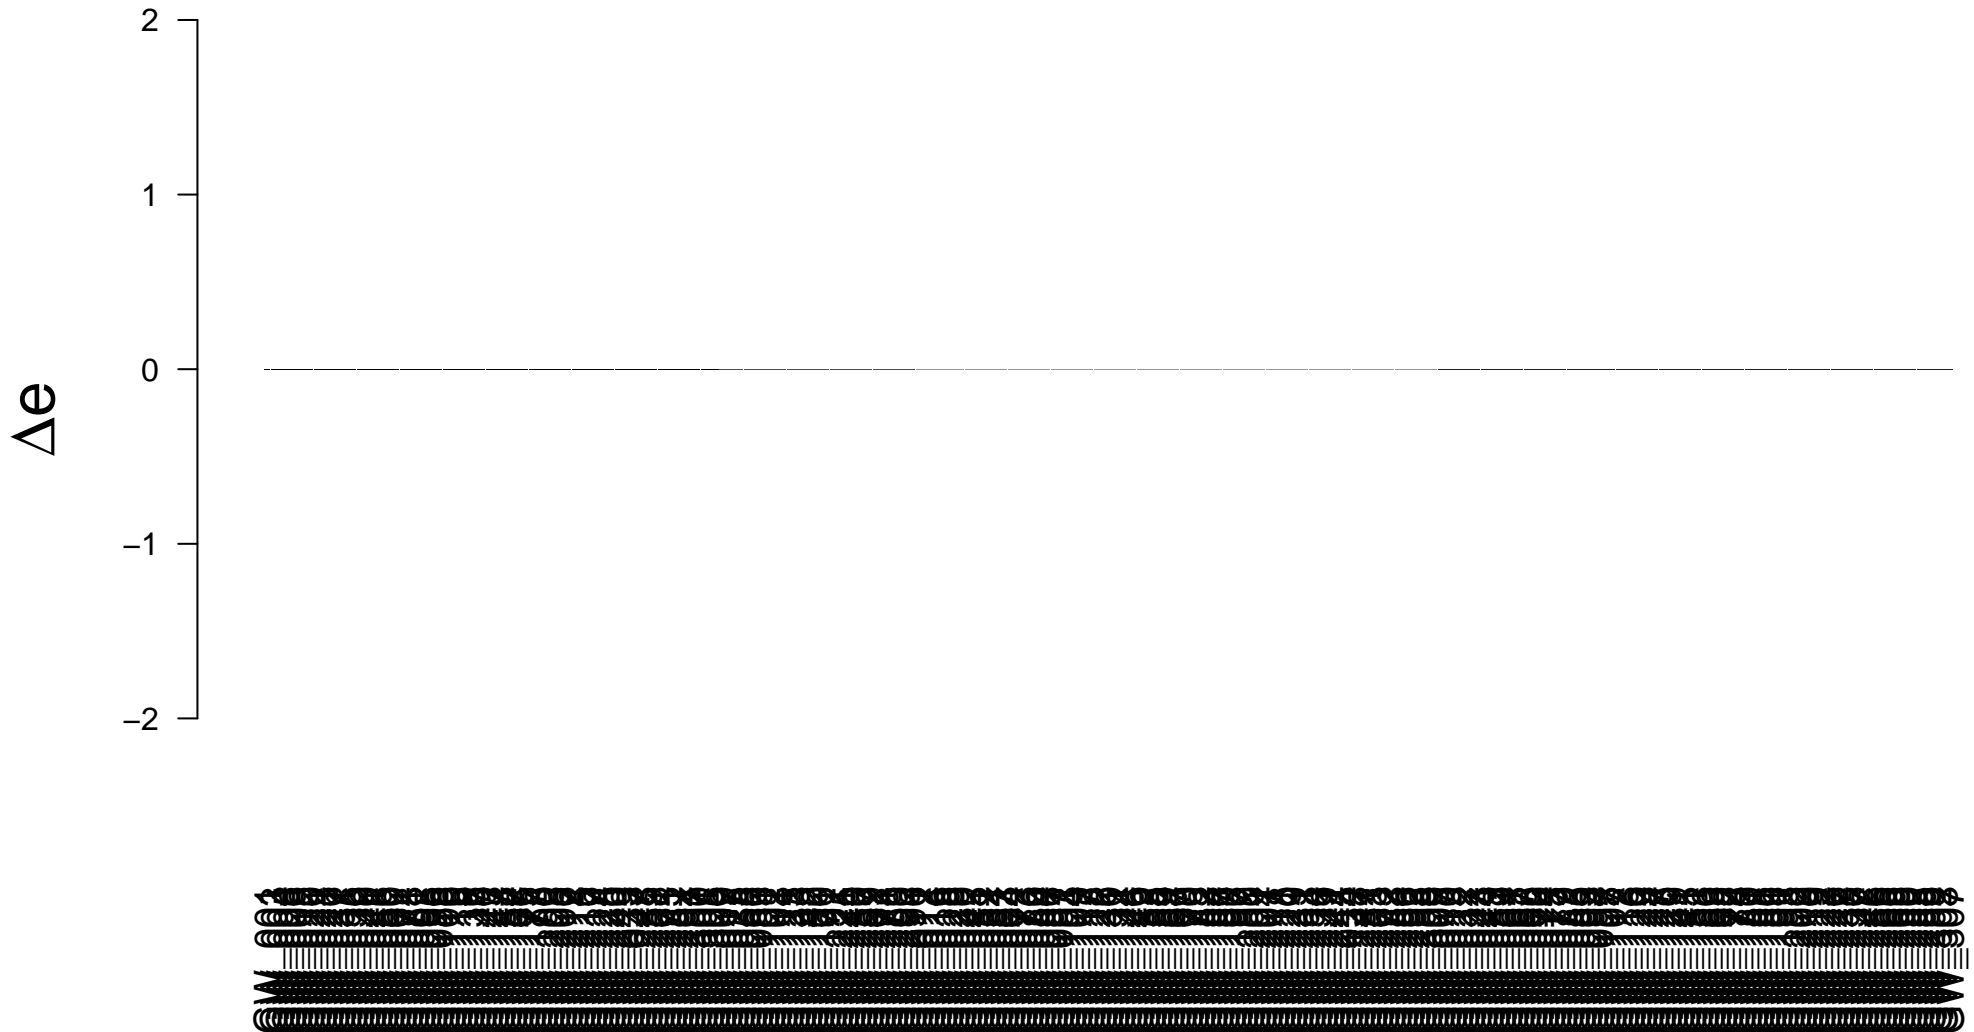

Expression of positive regulation of interleukin-4 production in Spot C

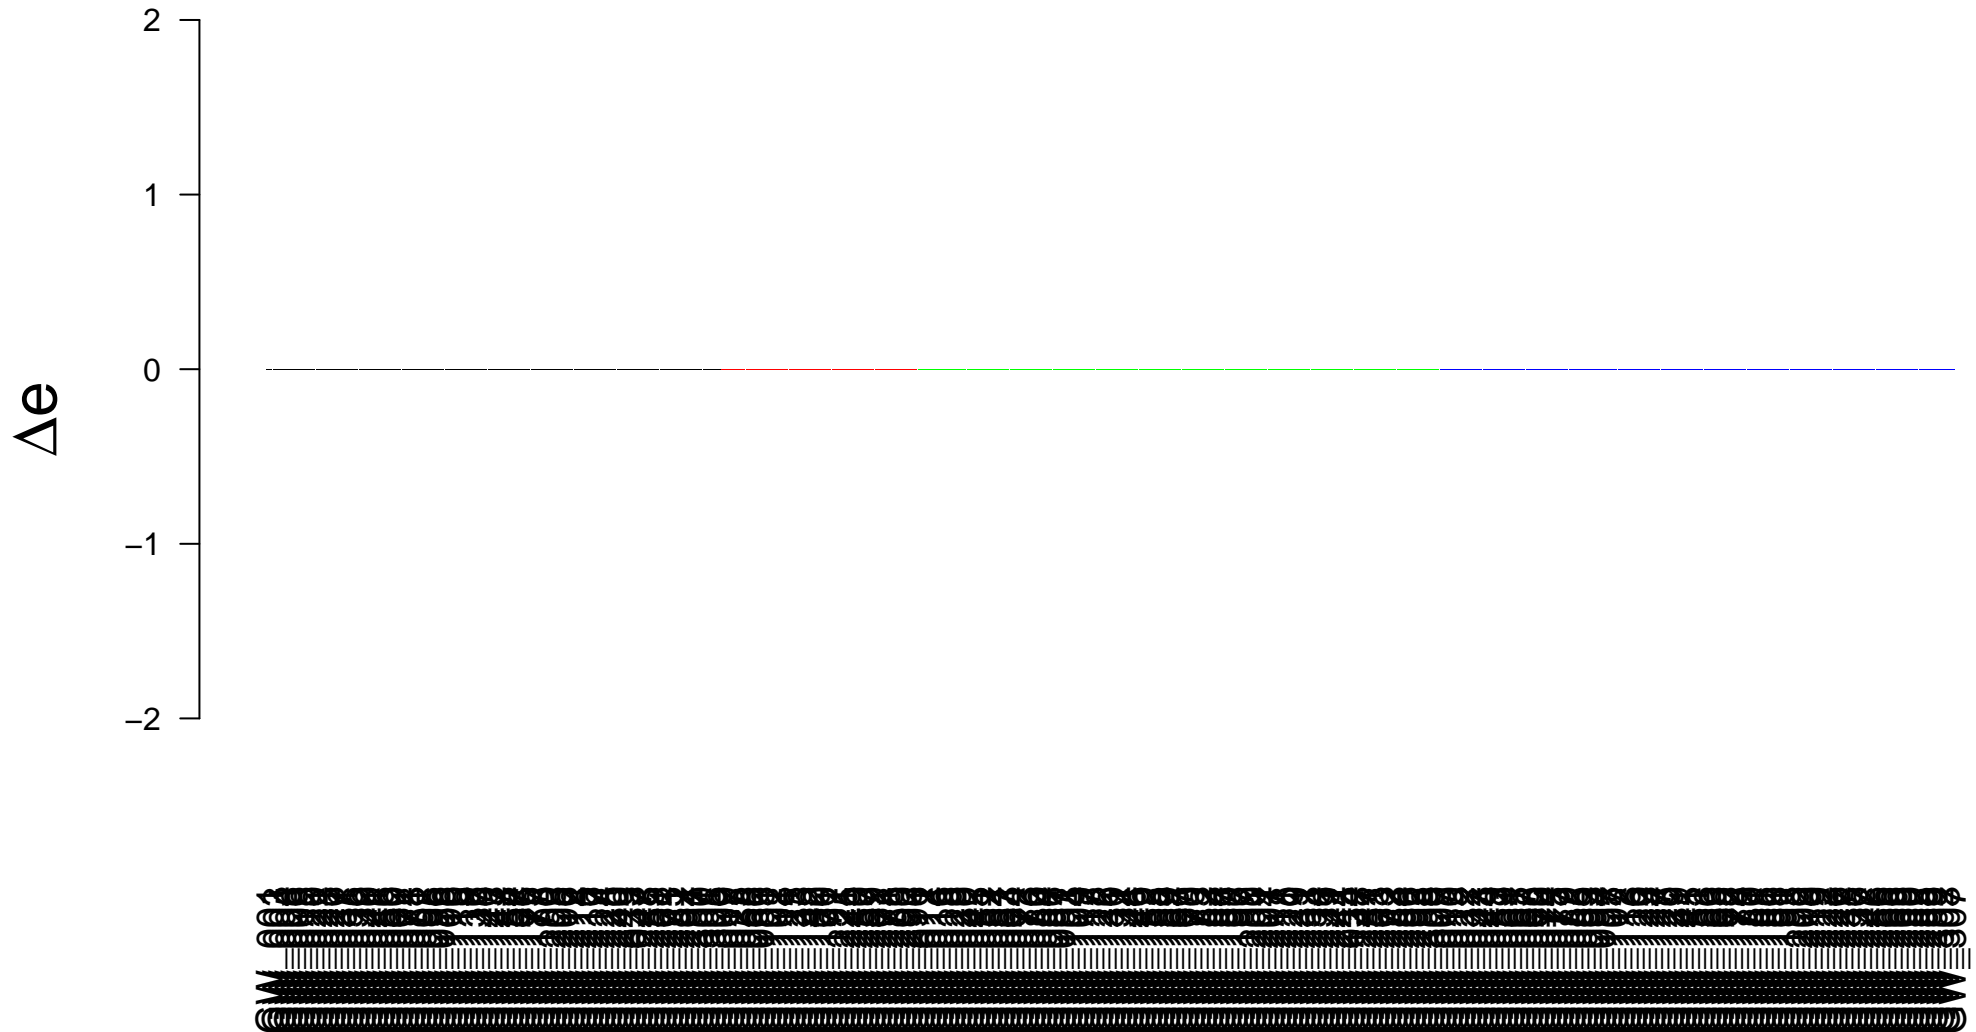

Expression of positive regulation of interleukin-4 production in Spot D

Expression of positive regulation of interleukin-4 production in Spot E

Expression of positive regulation of interleukin-4 production in Spot F

Expression of positive regulation of interleukin-4 production in Spot G

Expression of positive regulation of interleukin-4 production in Spot H

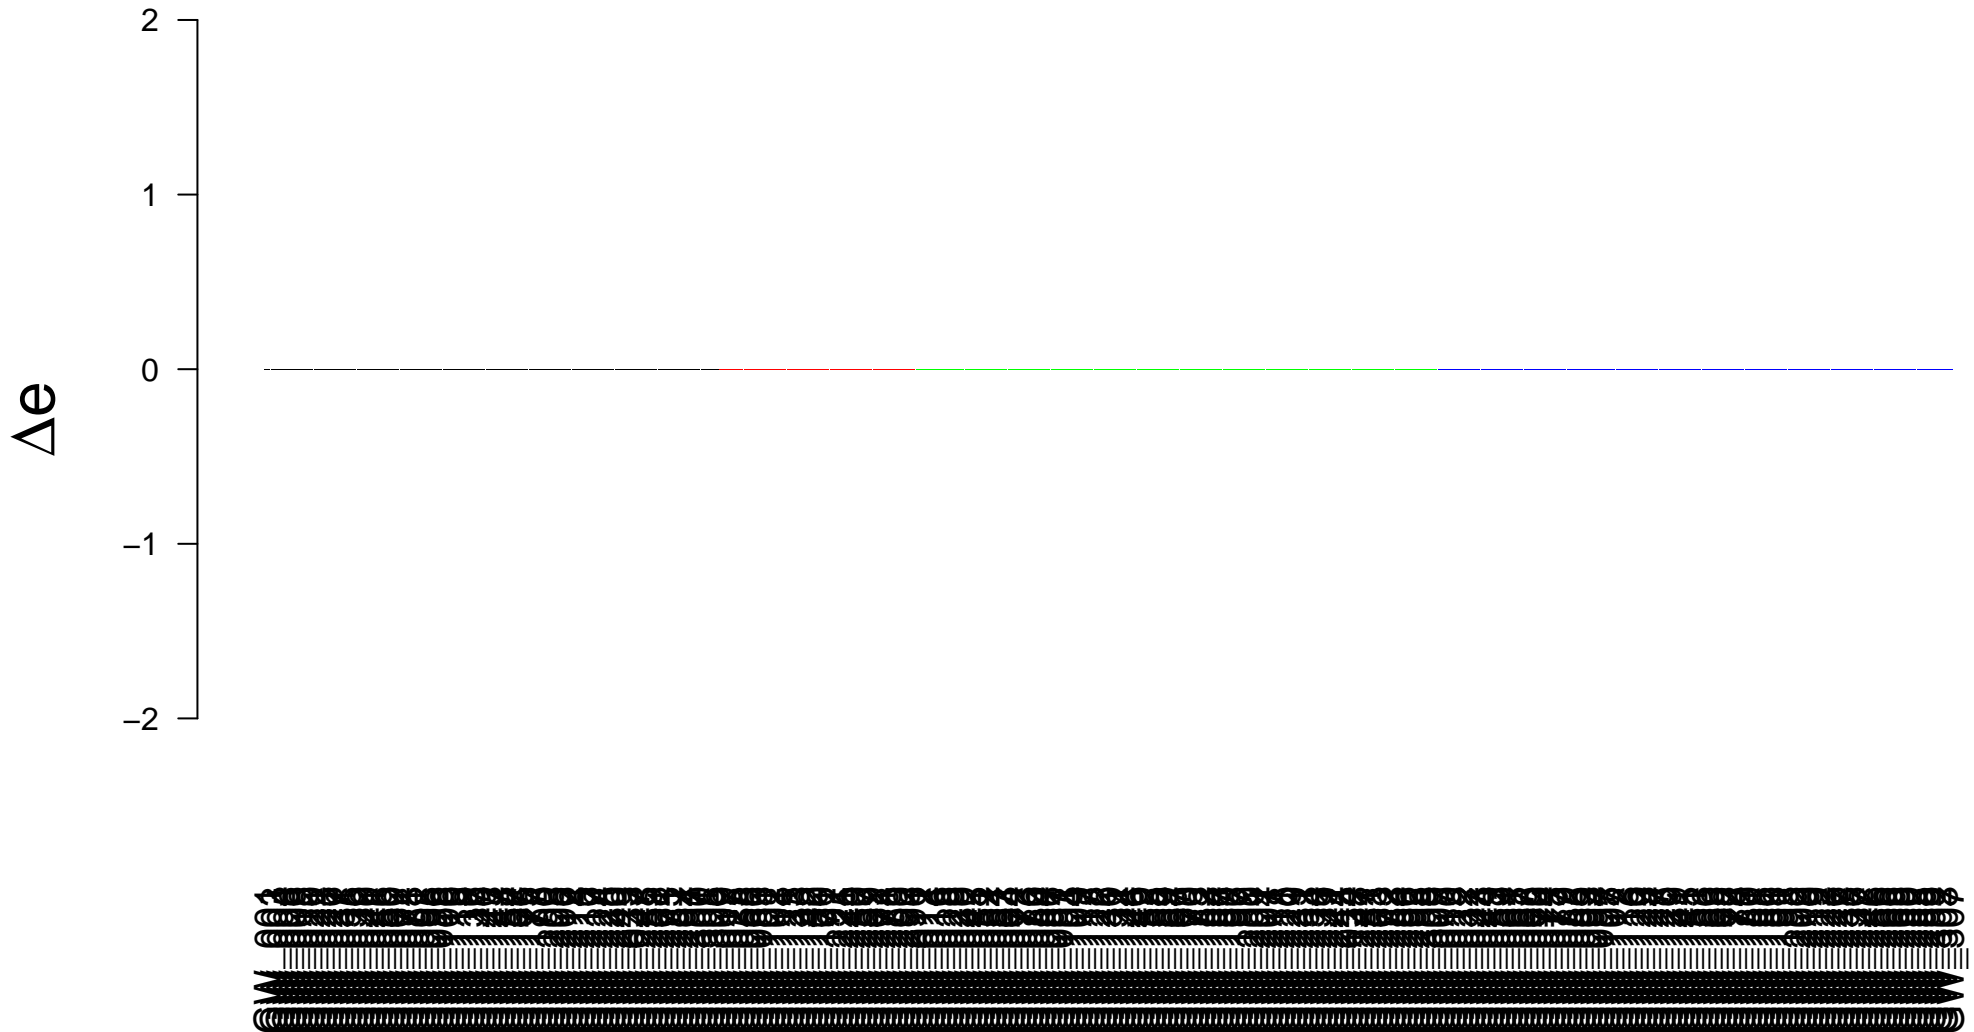

Expression of positive regulation of interleukin-4 production in Spot I

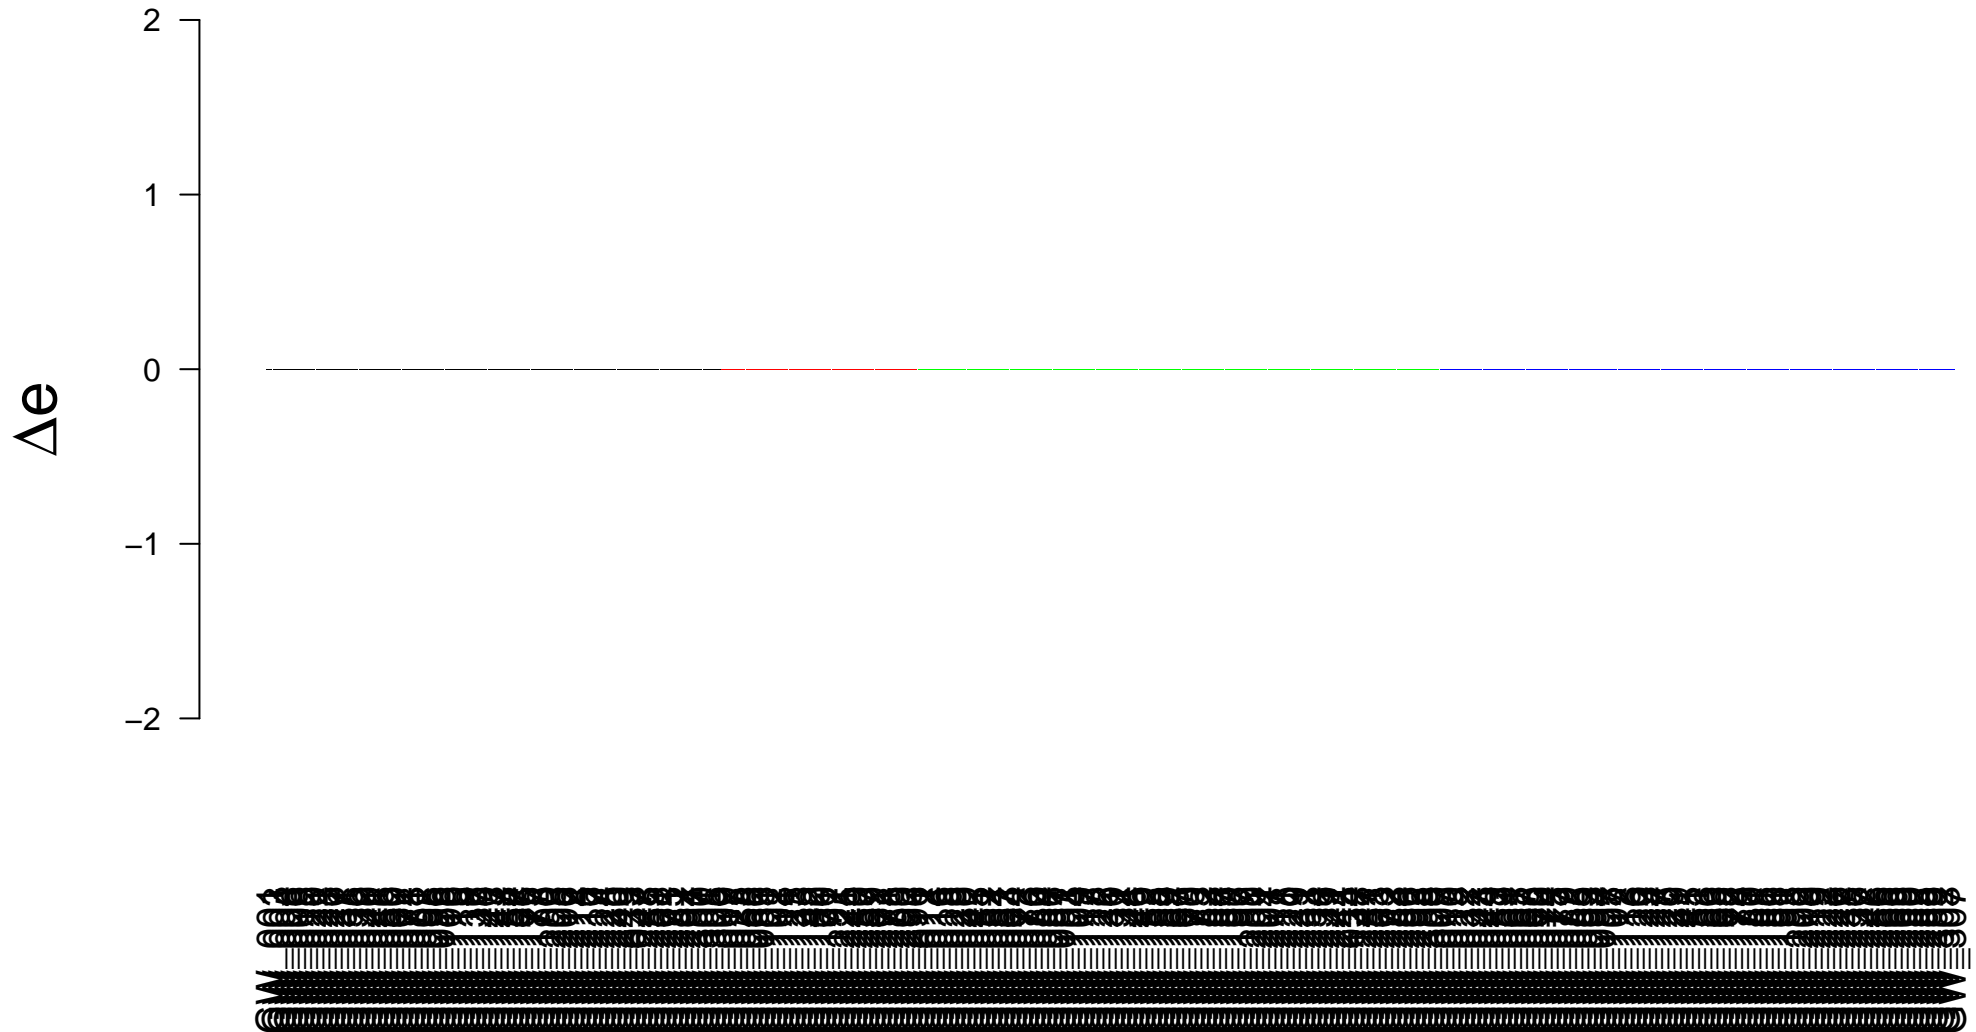

Expression of positive regulation of interleukin-4 production in Spot J

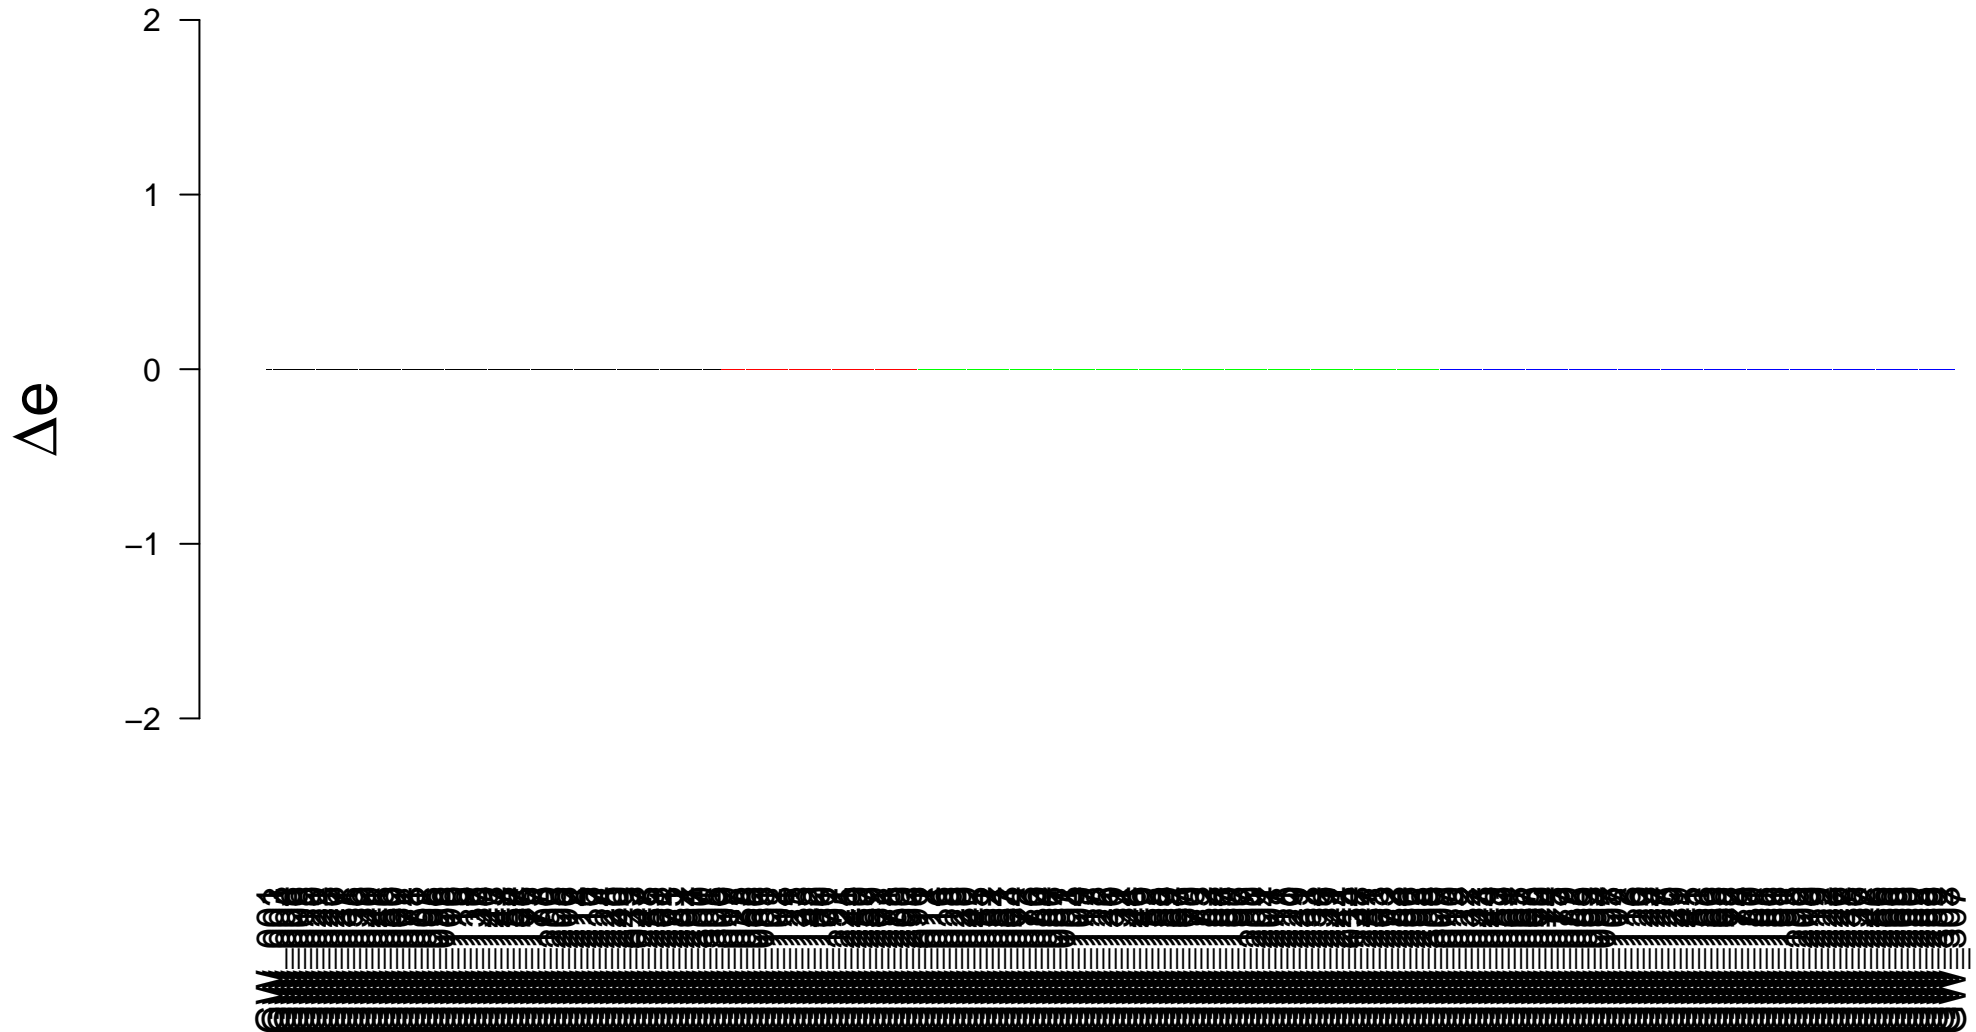

Expression of positive regulation of interleukin-4 production in Spot K

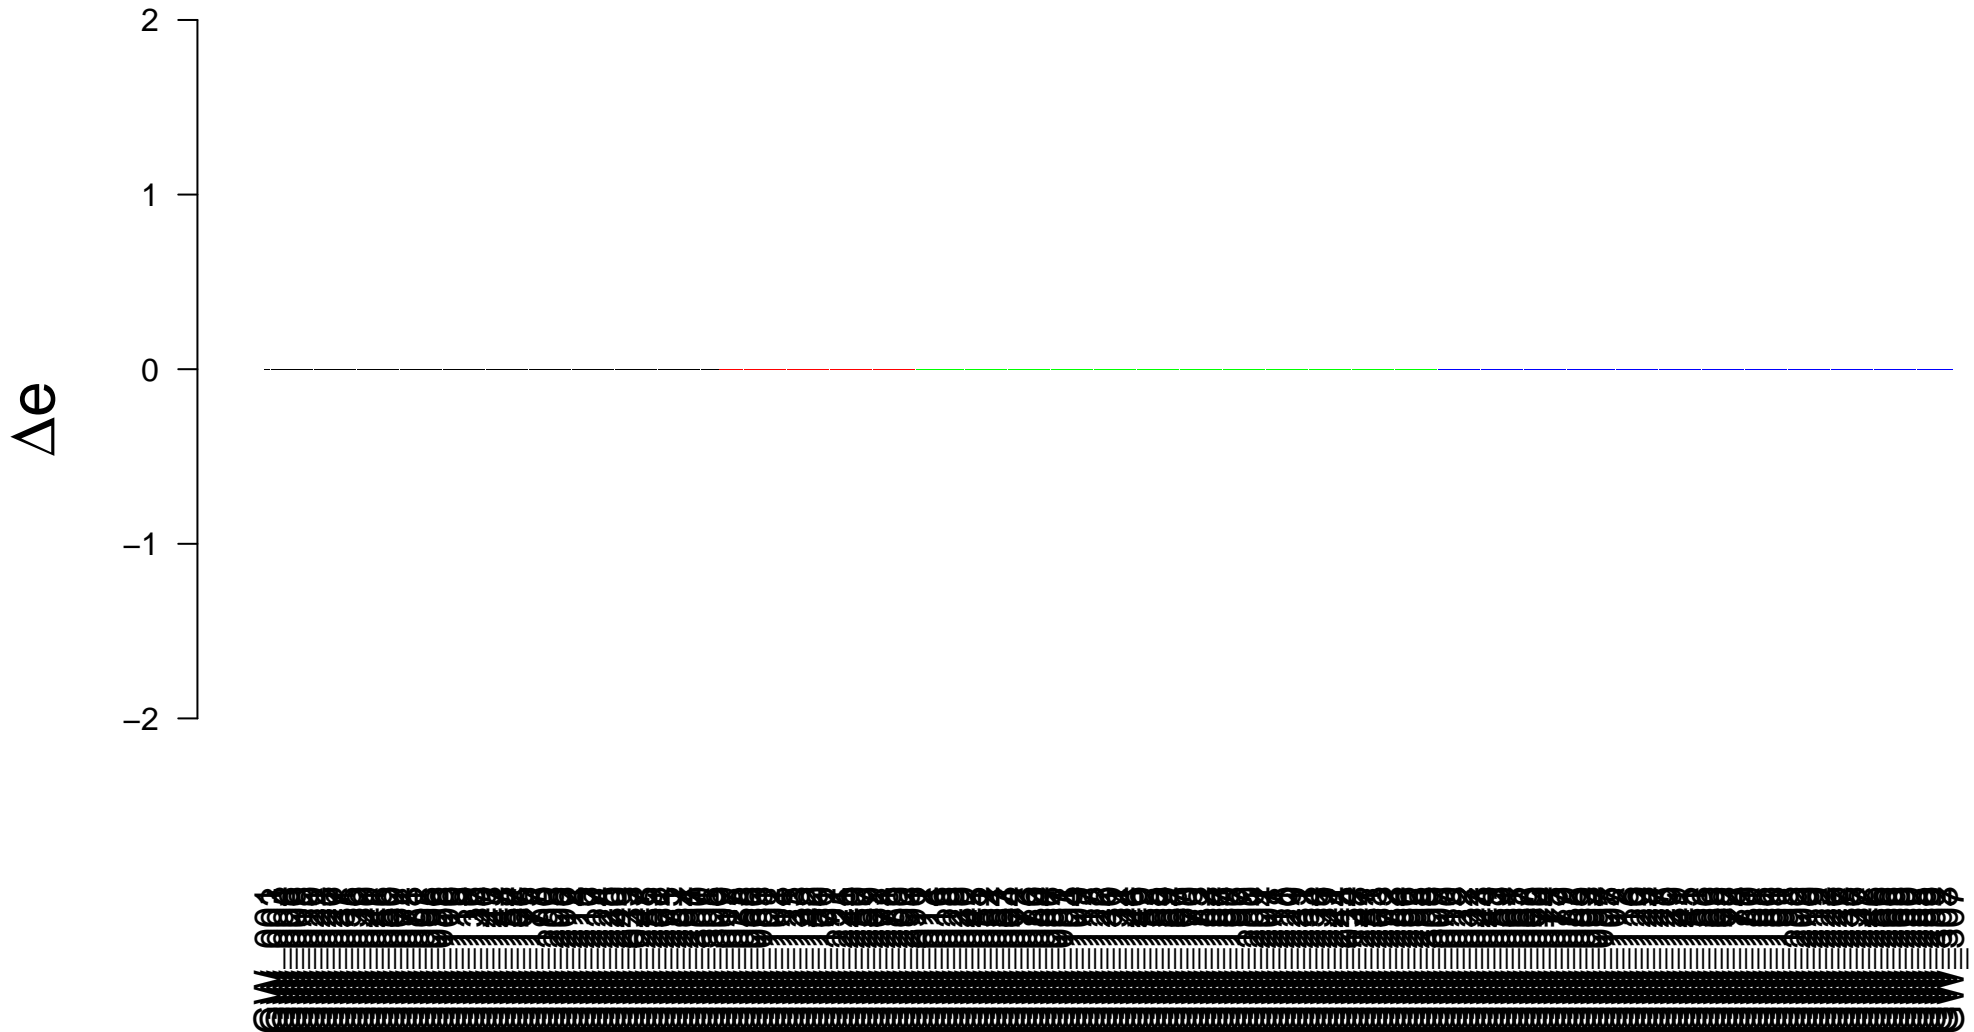

Expression of positive regulation of interleukin-4 production in Spot L

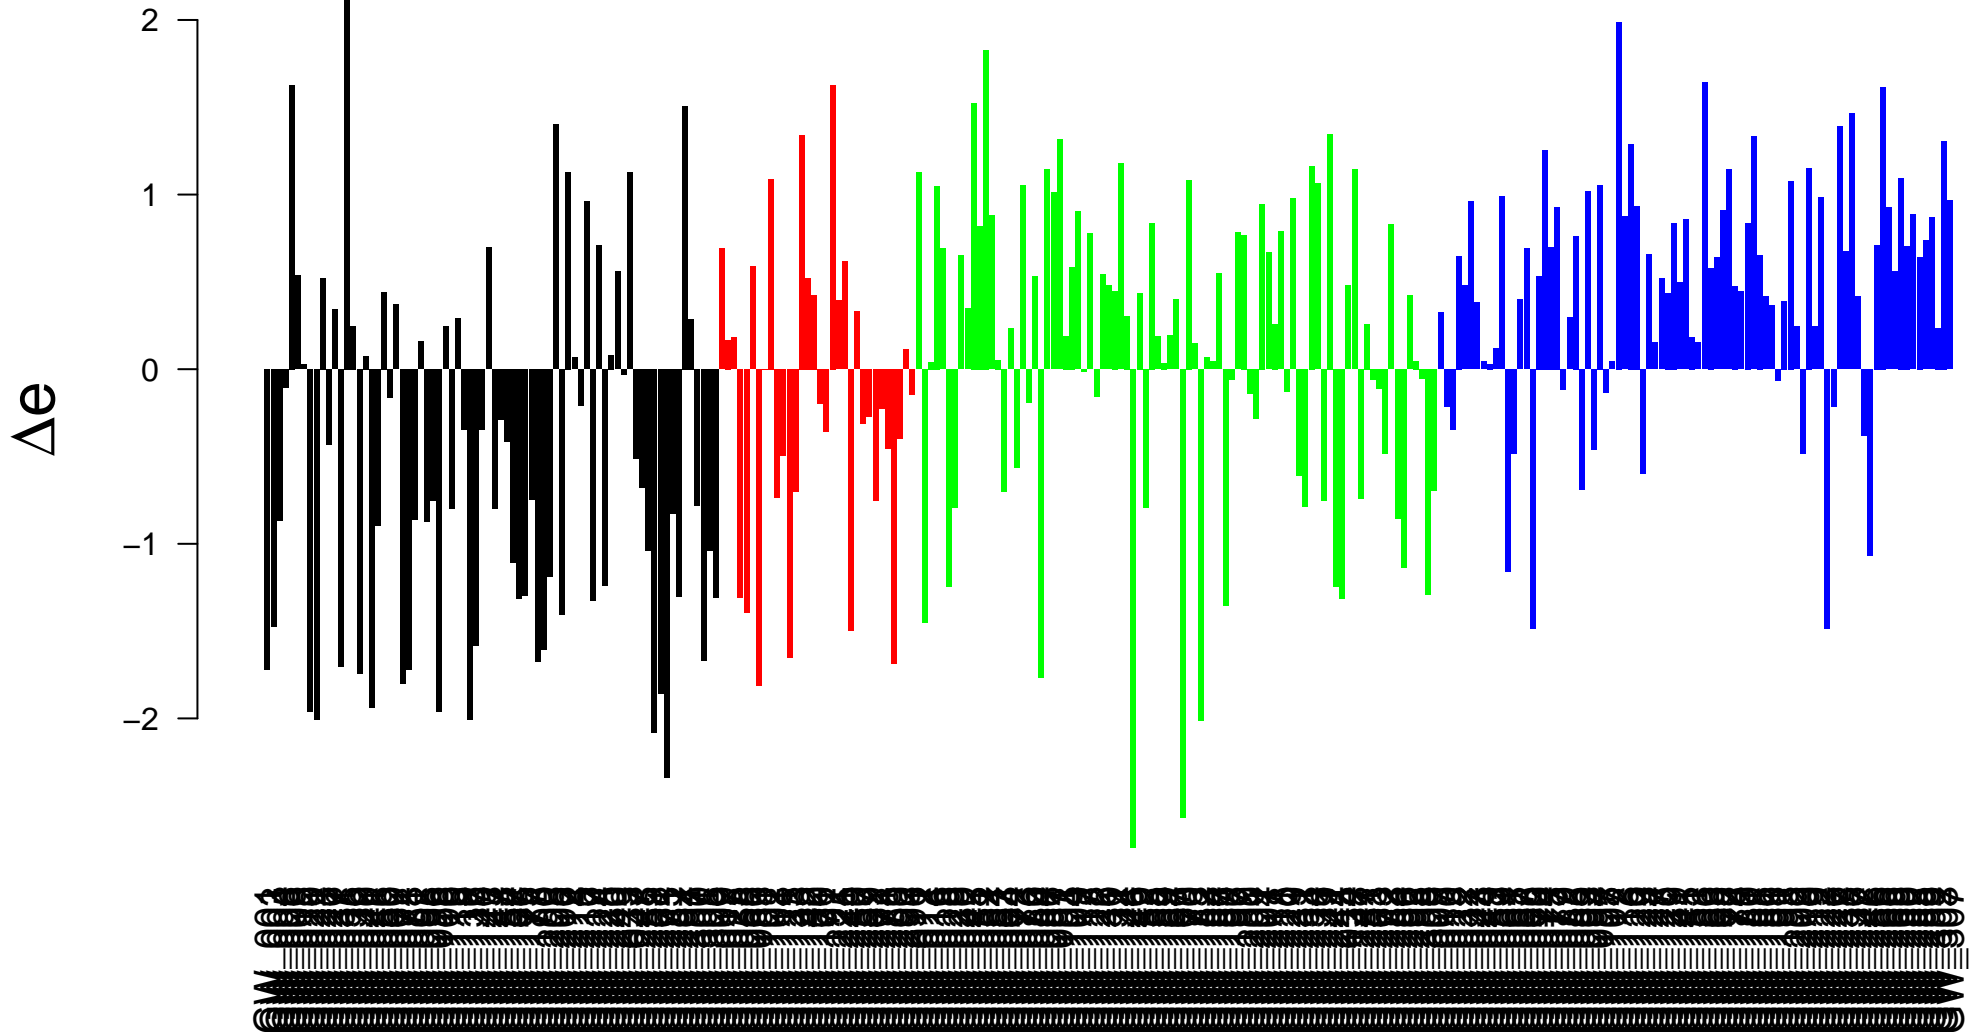

Expression of positive regulation of interleukin-4 production in Spot M

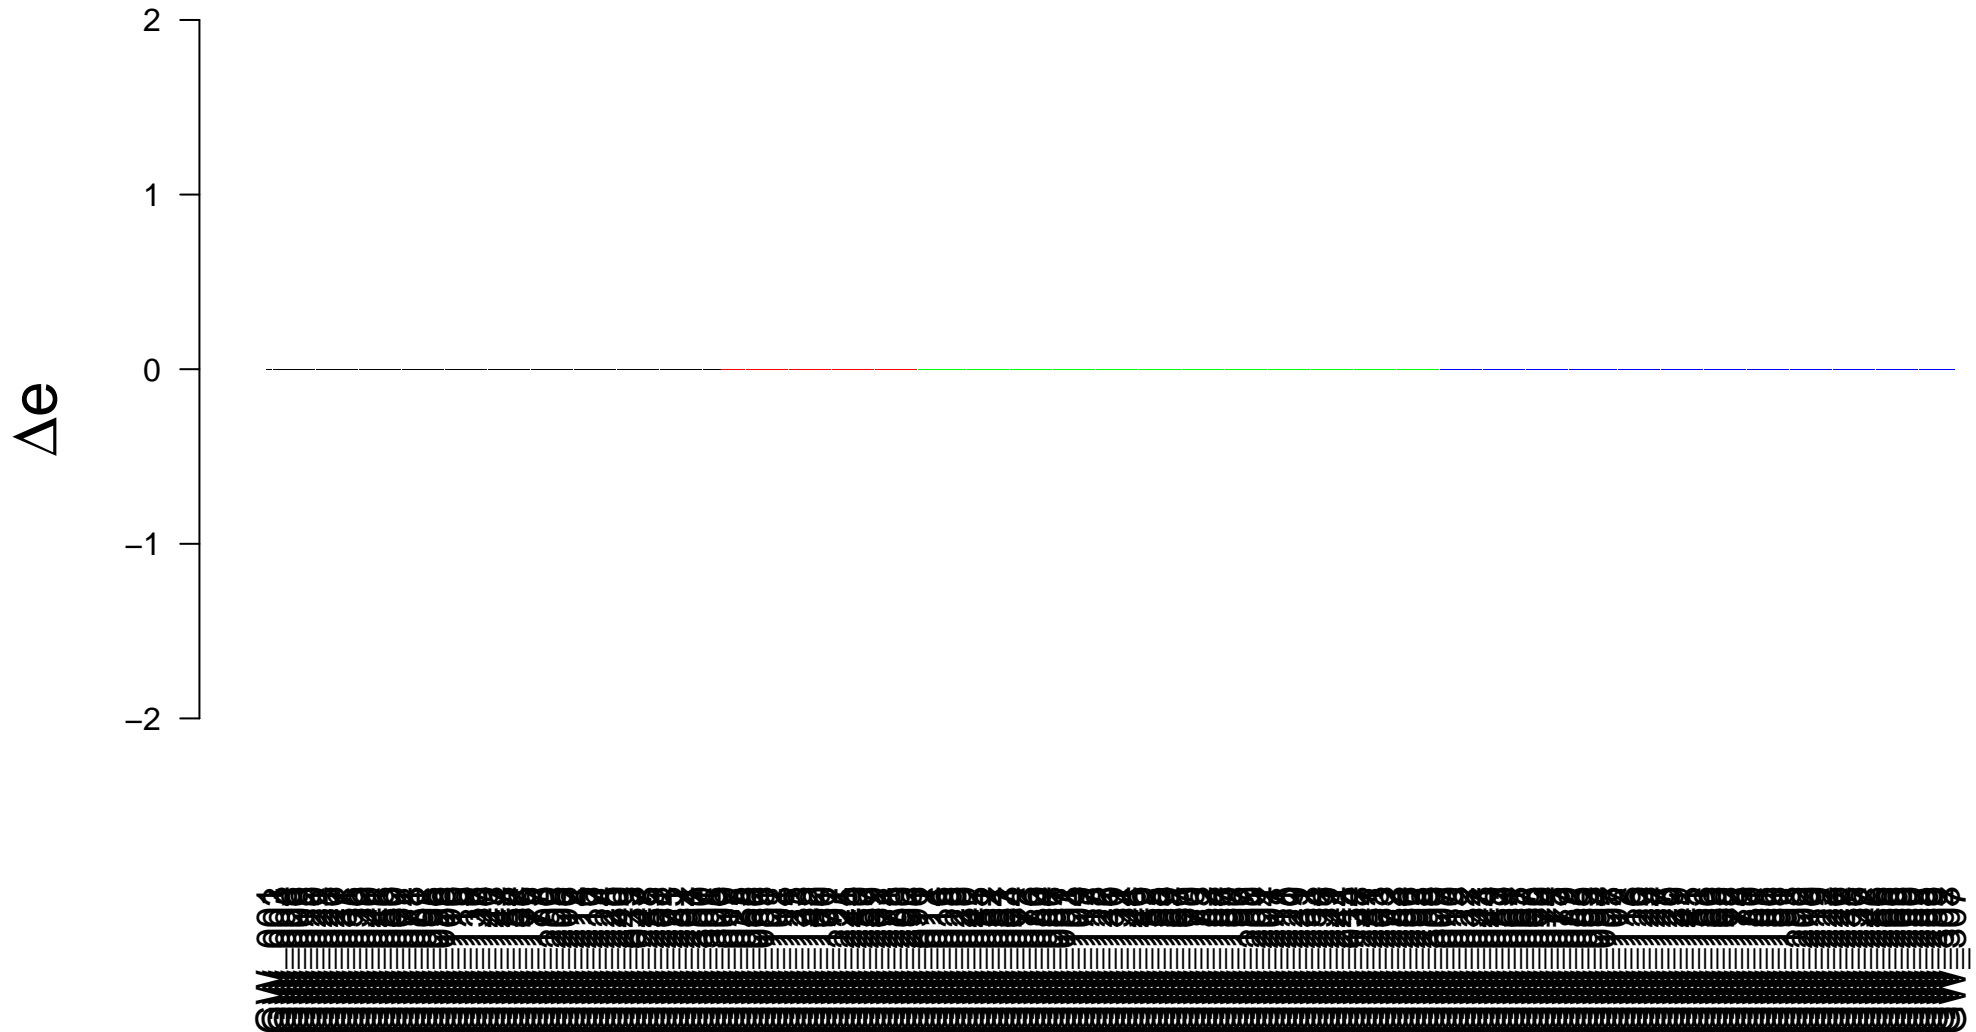

Expression of positive regulation of interleukin-4 production in Spot N

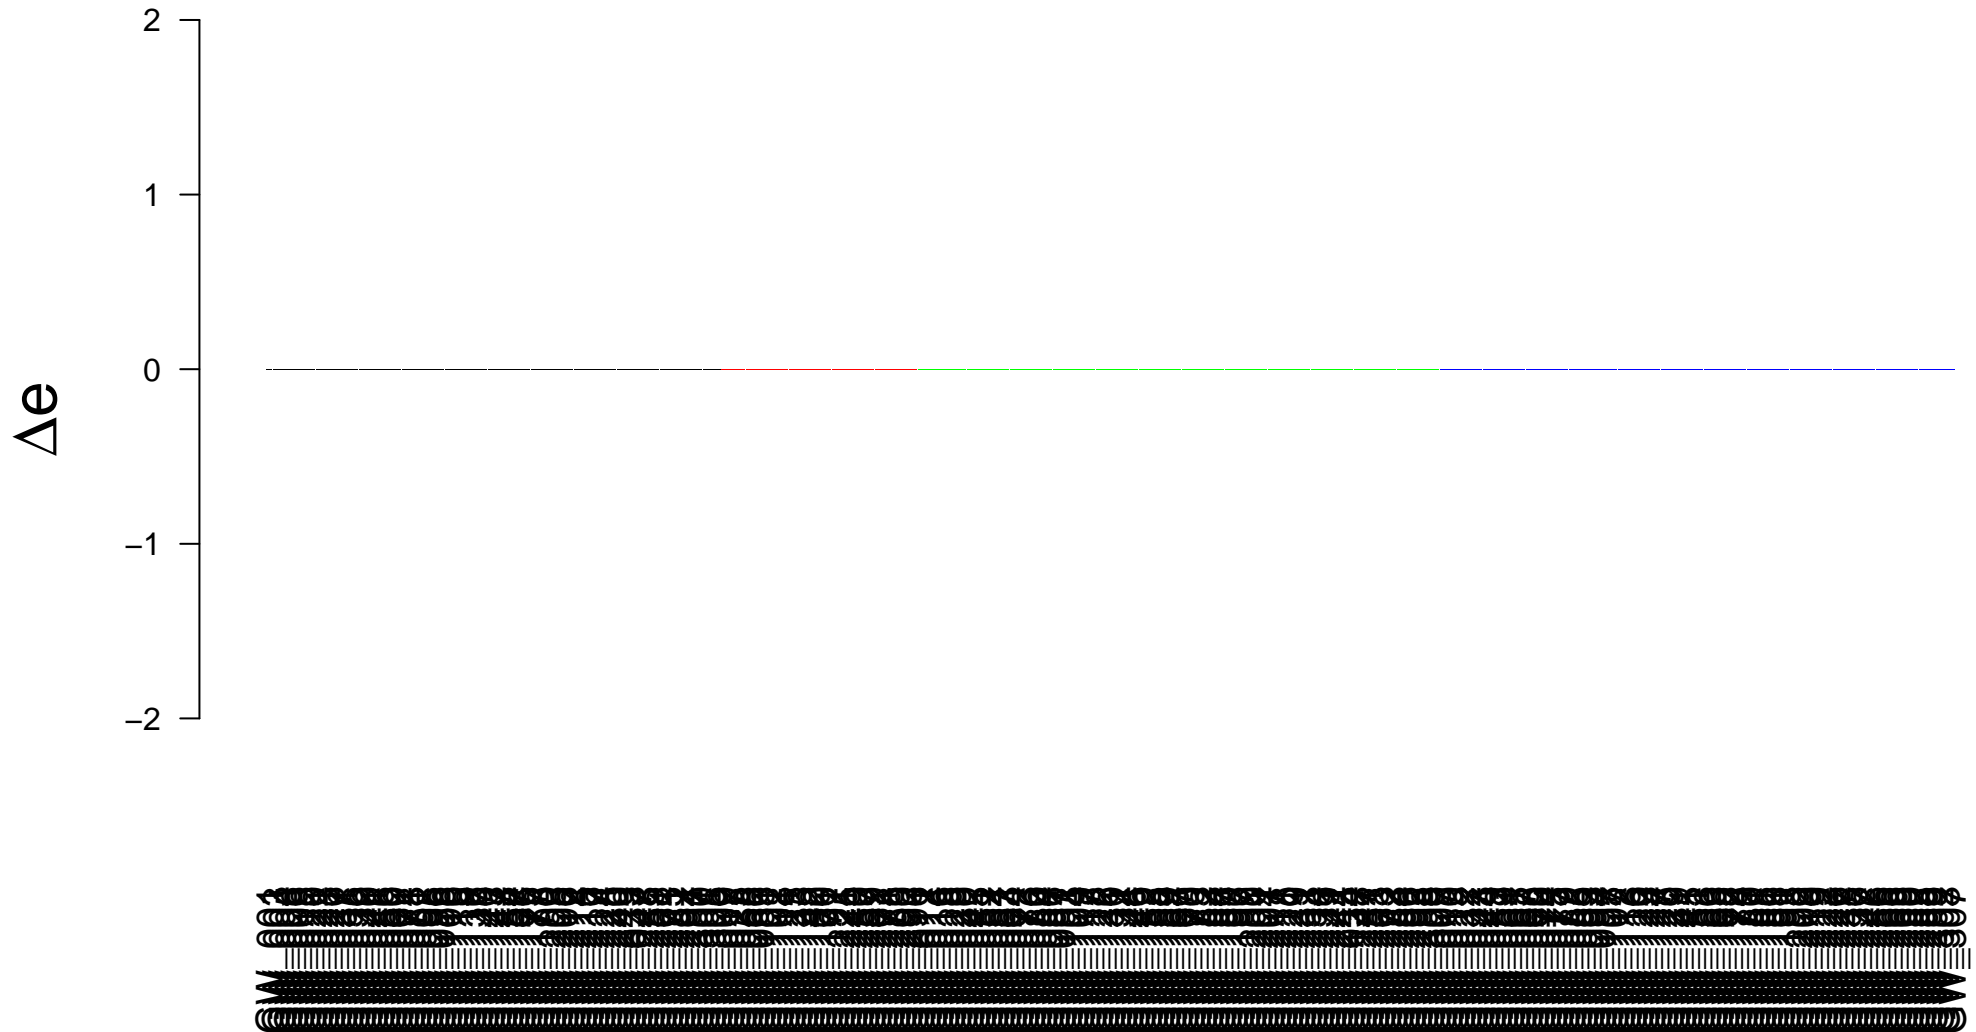

Expression of positive regulation of interleukin-4 production in Spot O

Expression of positive regulation of interleukin-4 production in Spot P

Expression of positive regulation of interleukin-4 production in Spot Q

Expression of positive regulation of interleukin-4 production in Spot R
