

positive regulation of multicellular organism growth

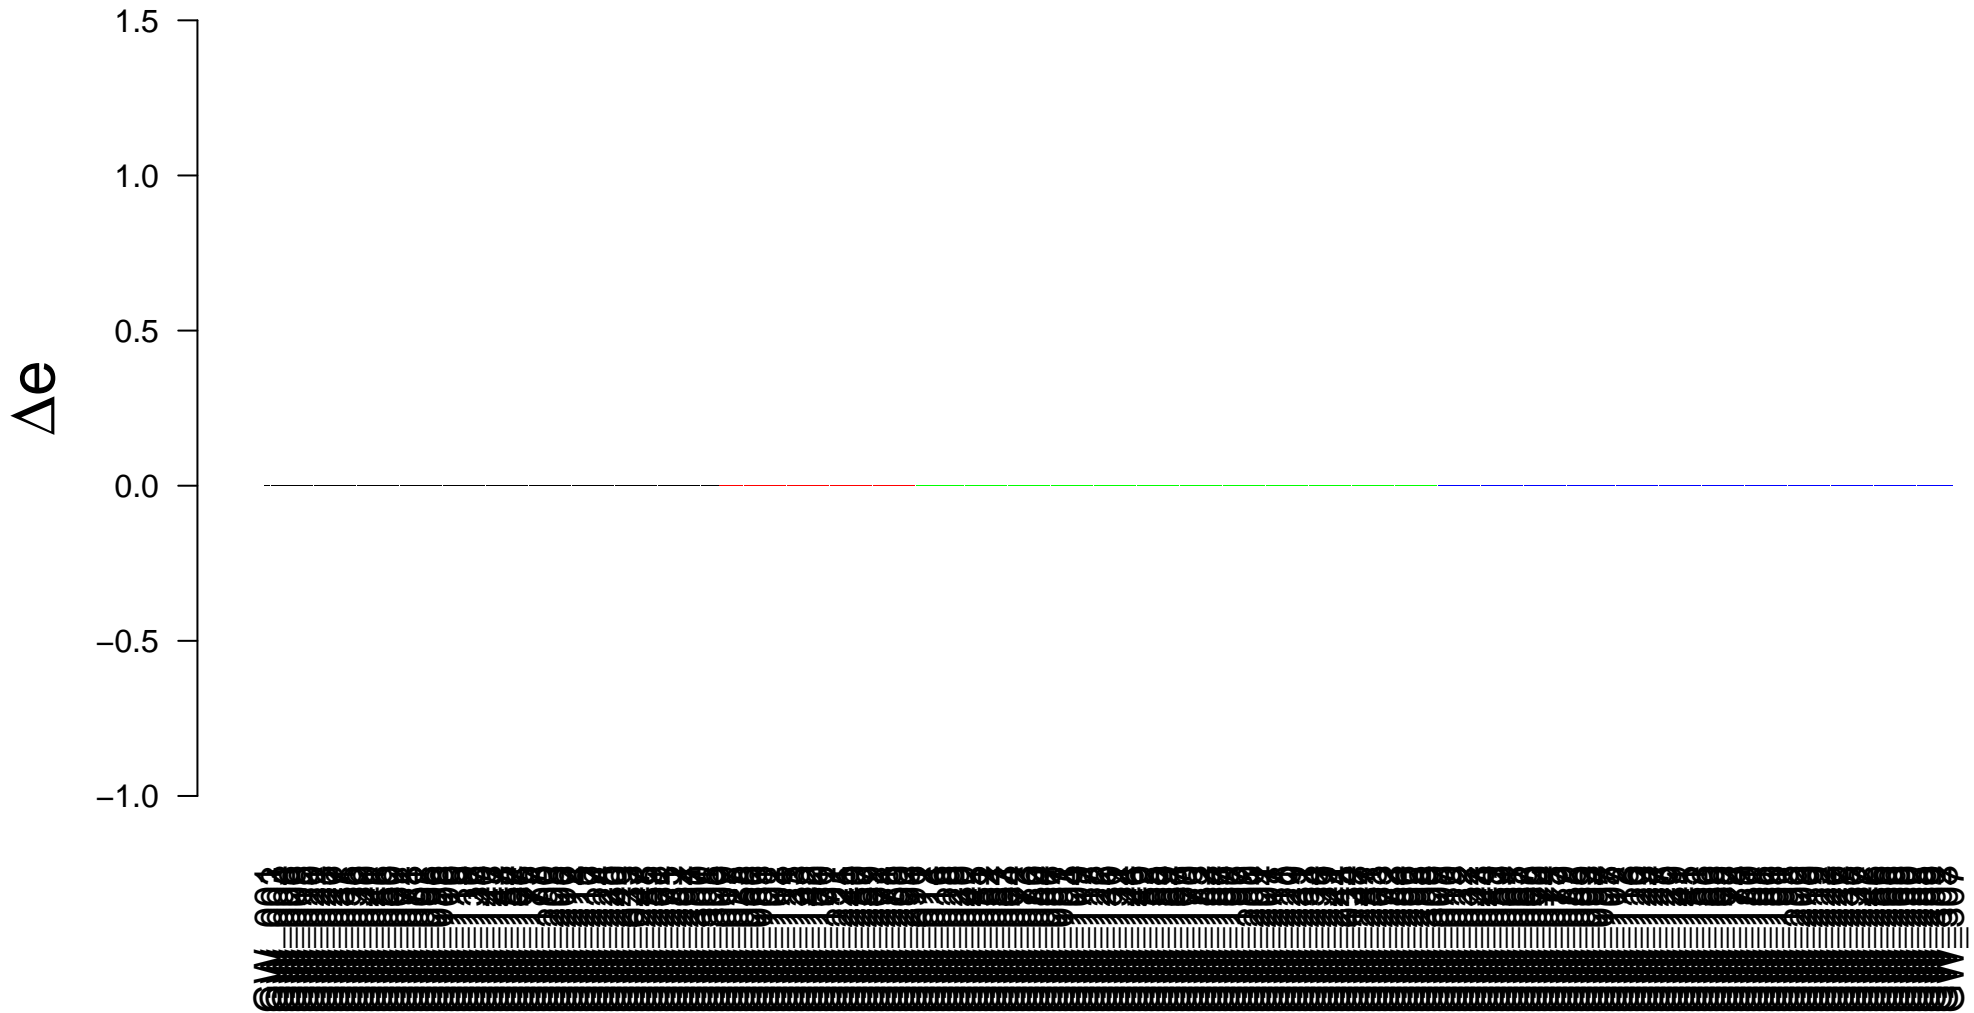

positive regulation of multicellular organism growth

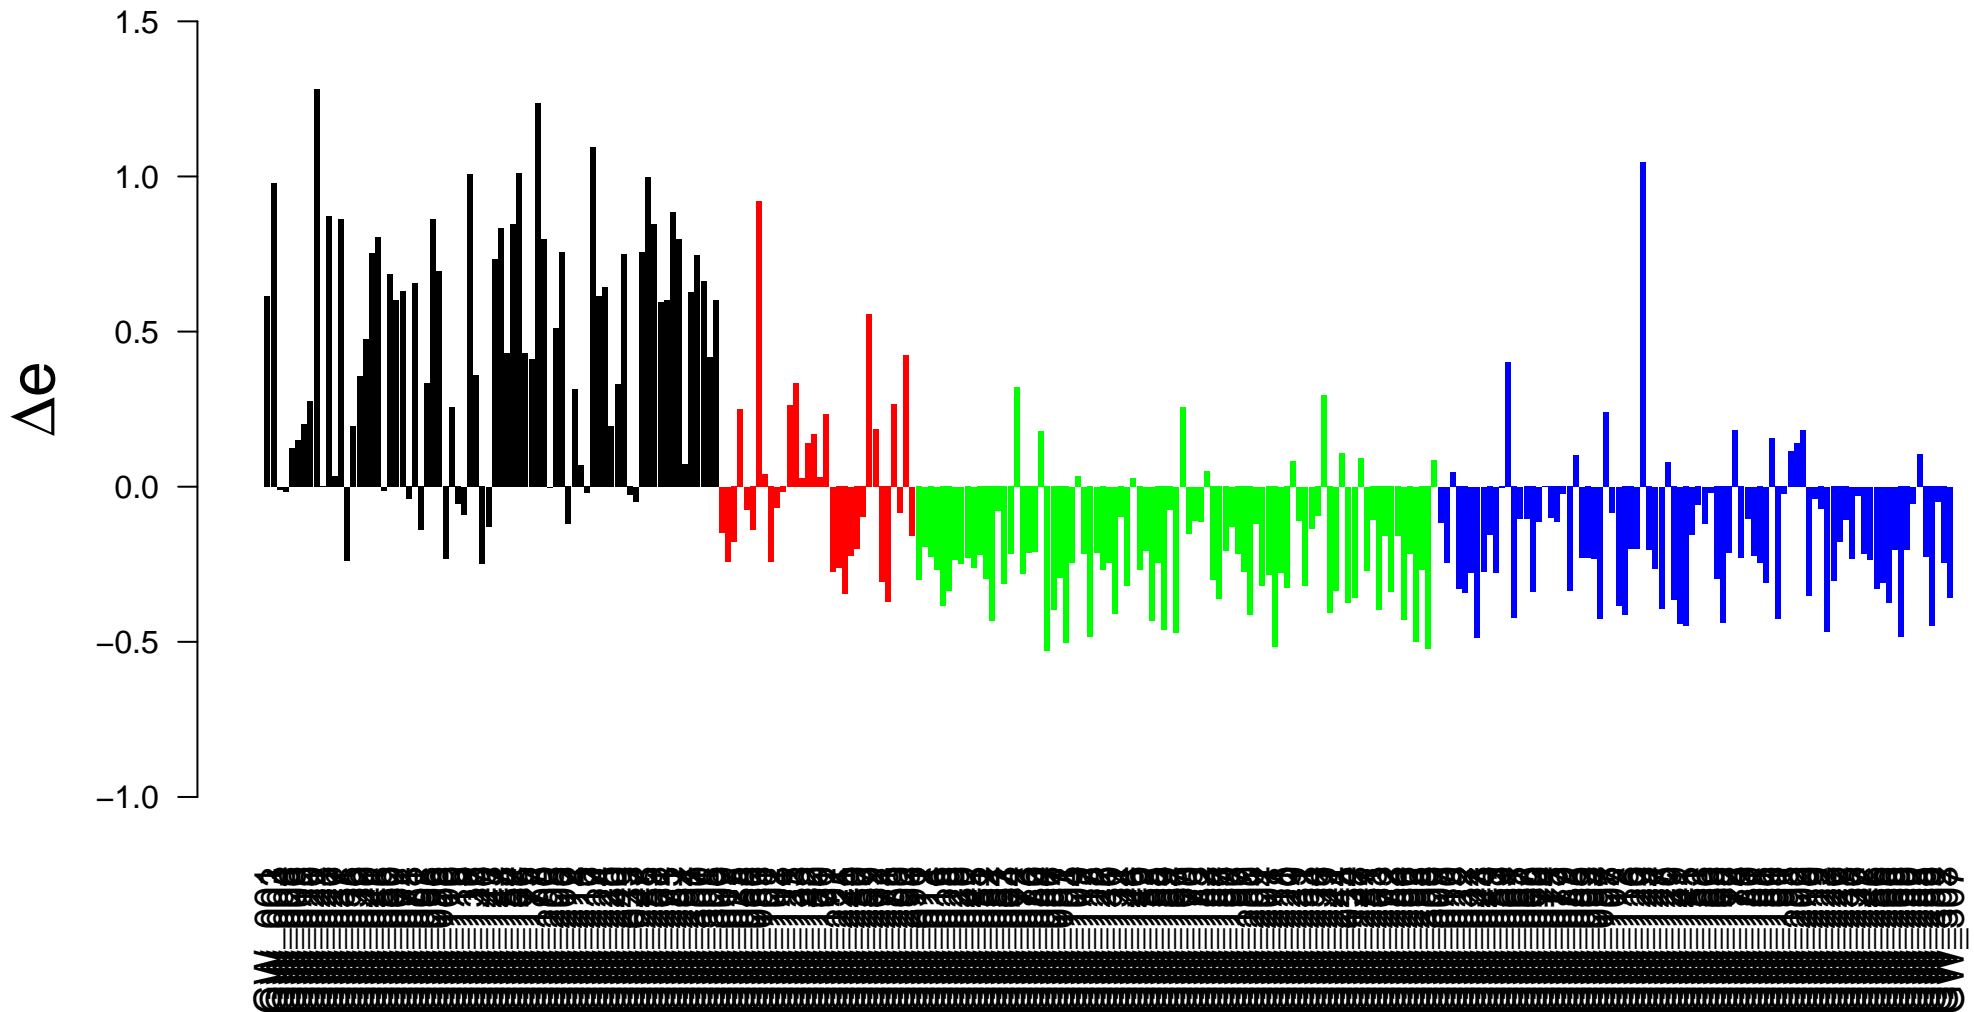

Enrichment in spots: positive regulation of multicellular organism growth

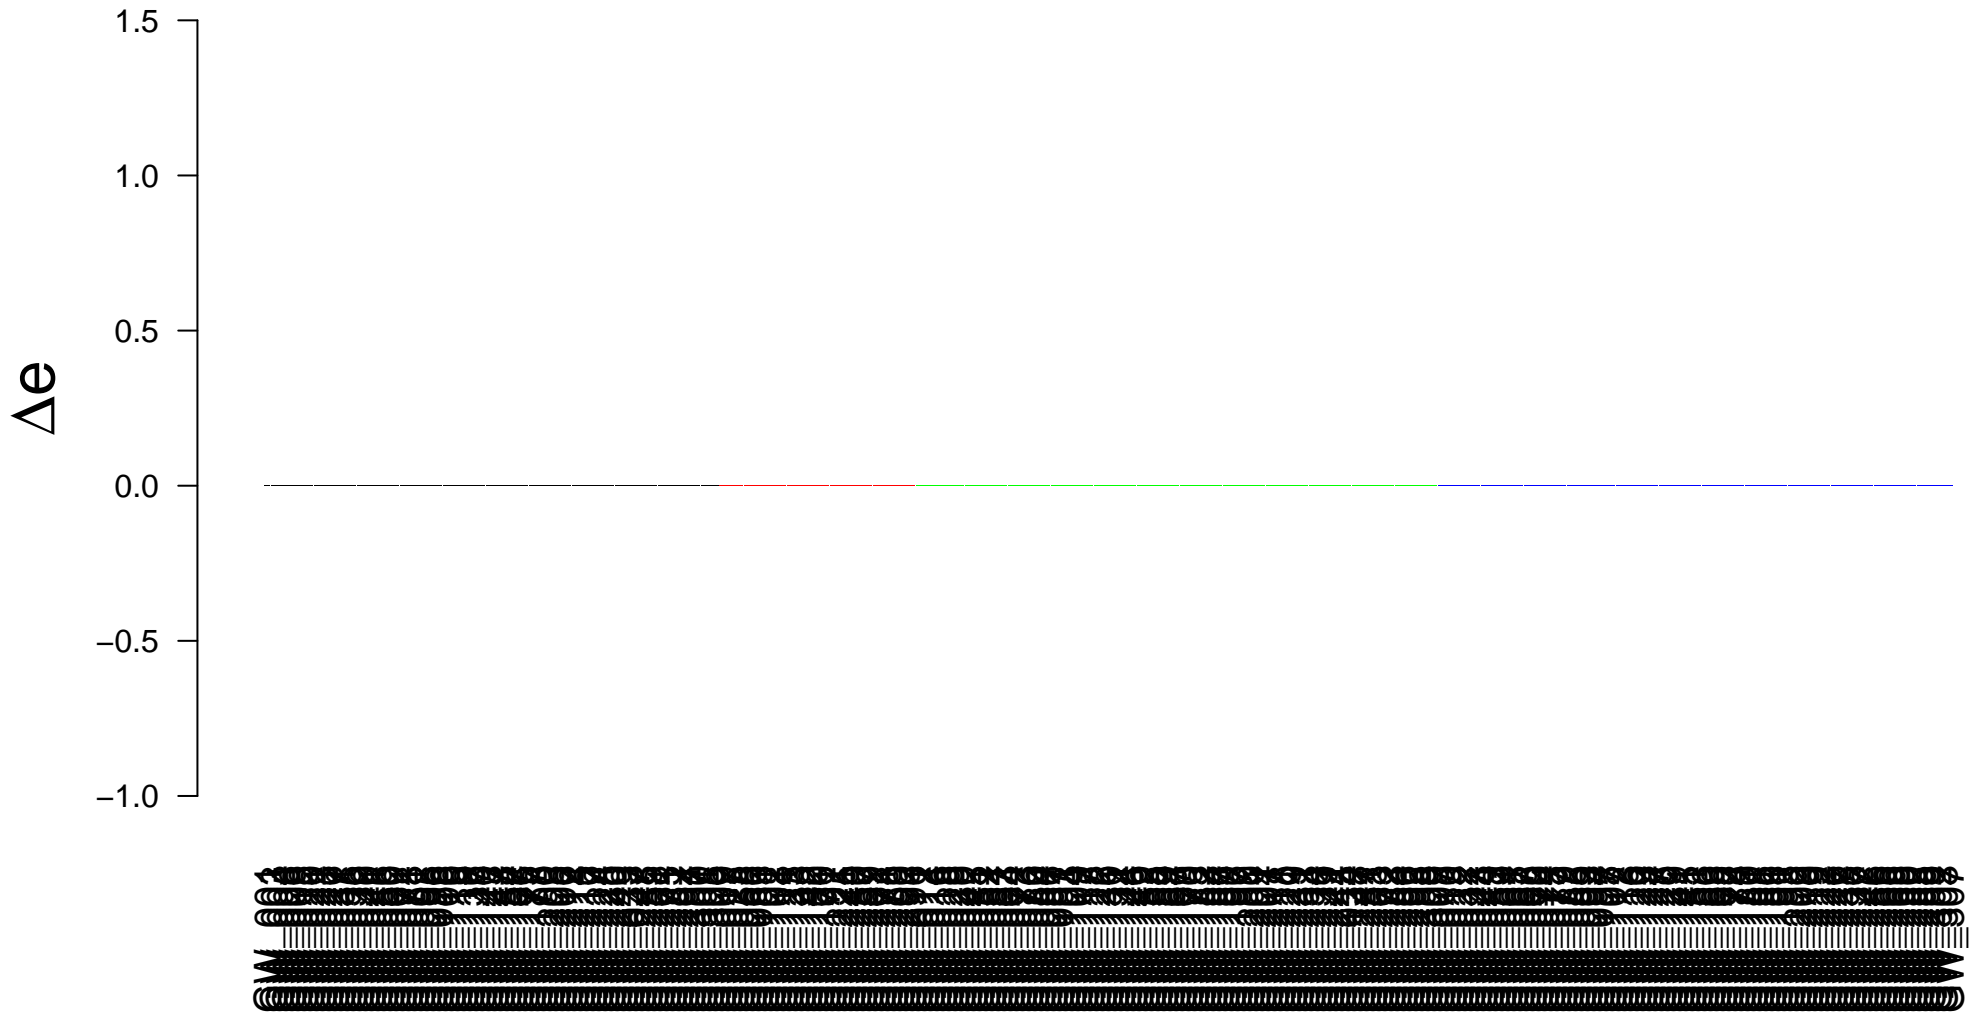

Expression of positive regulation of multicellular organism growth in Spot A

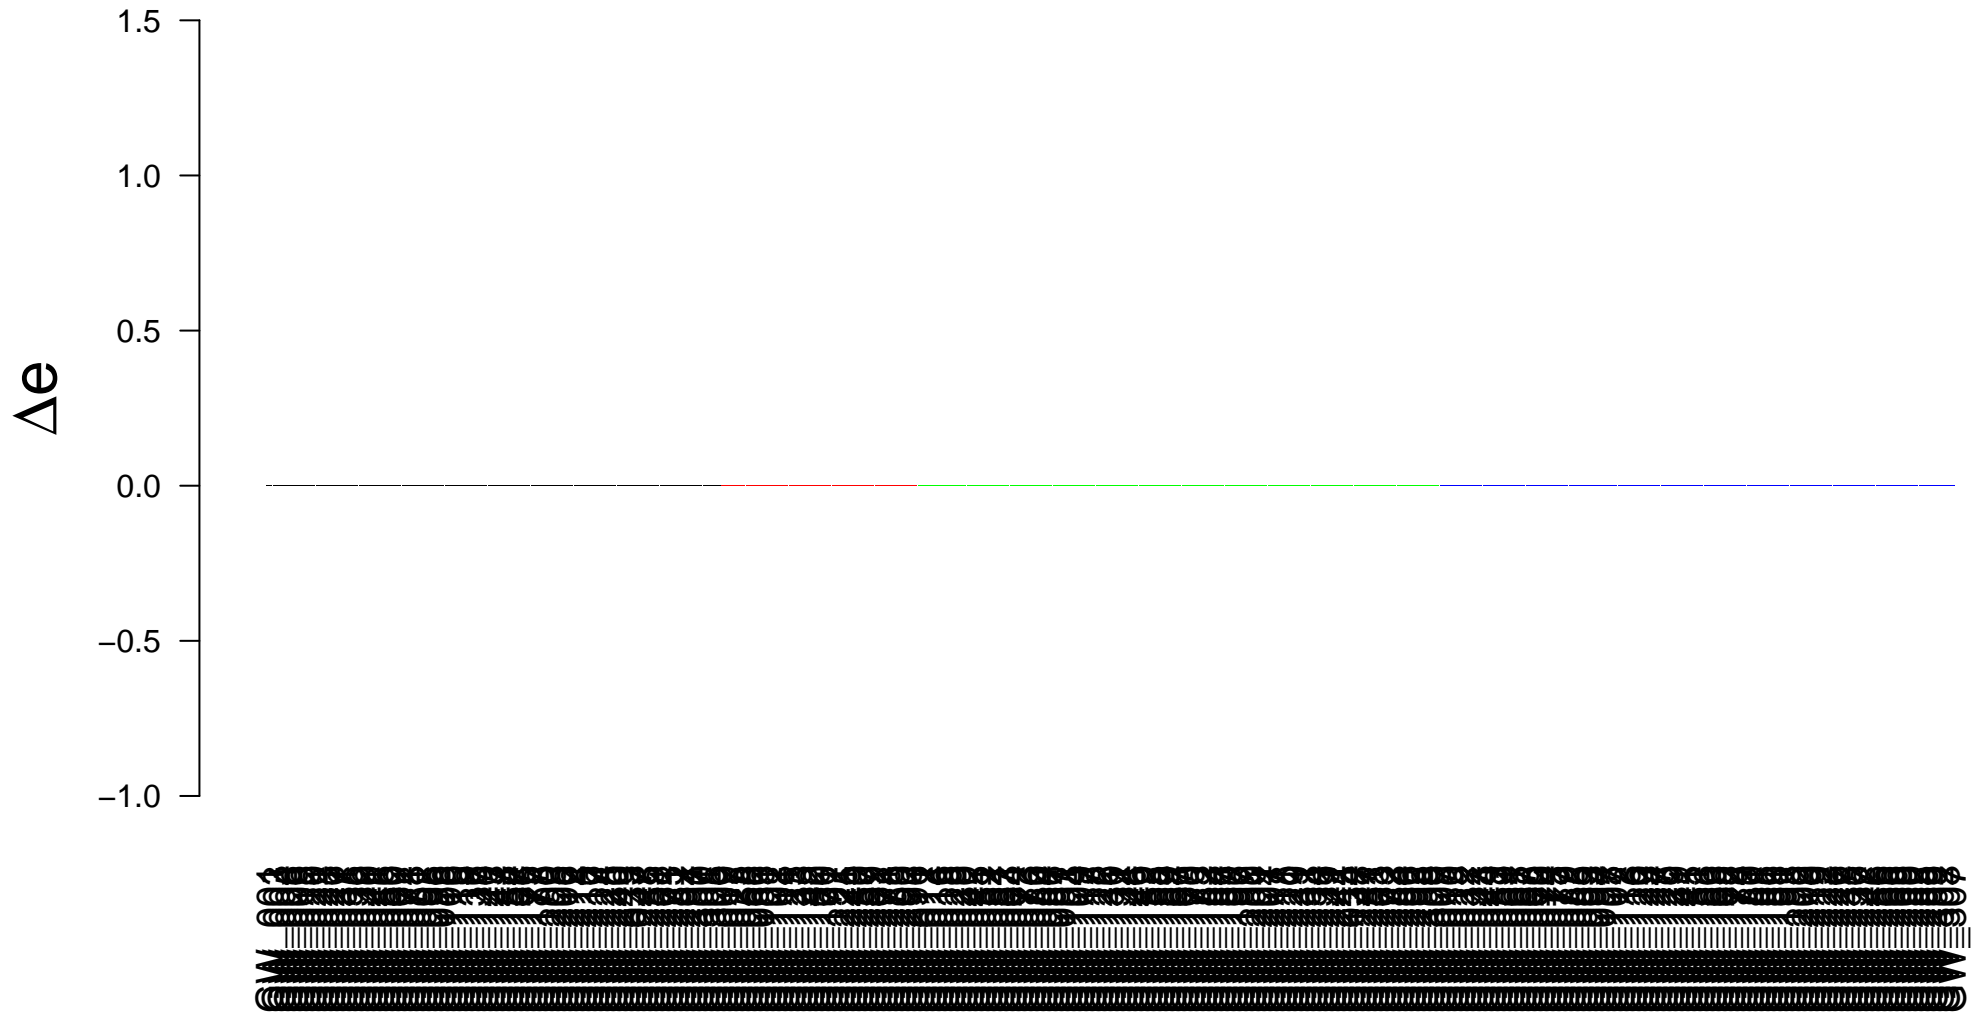

Expression of positive regulation of multicellular organism growth in Spot B

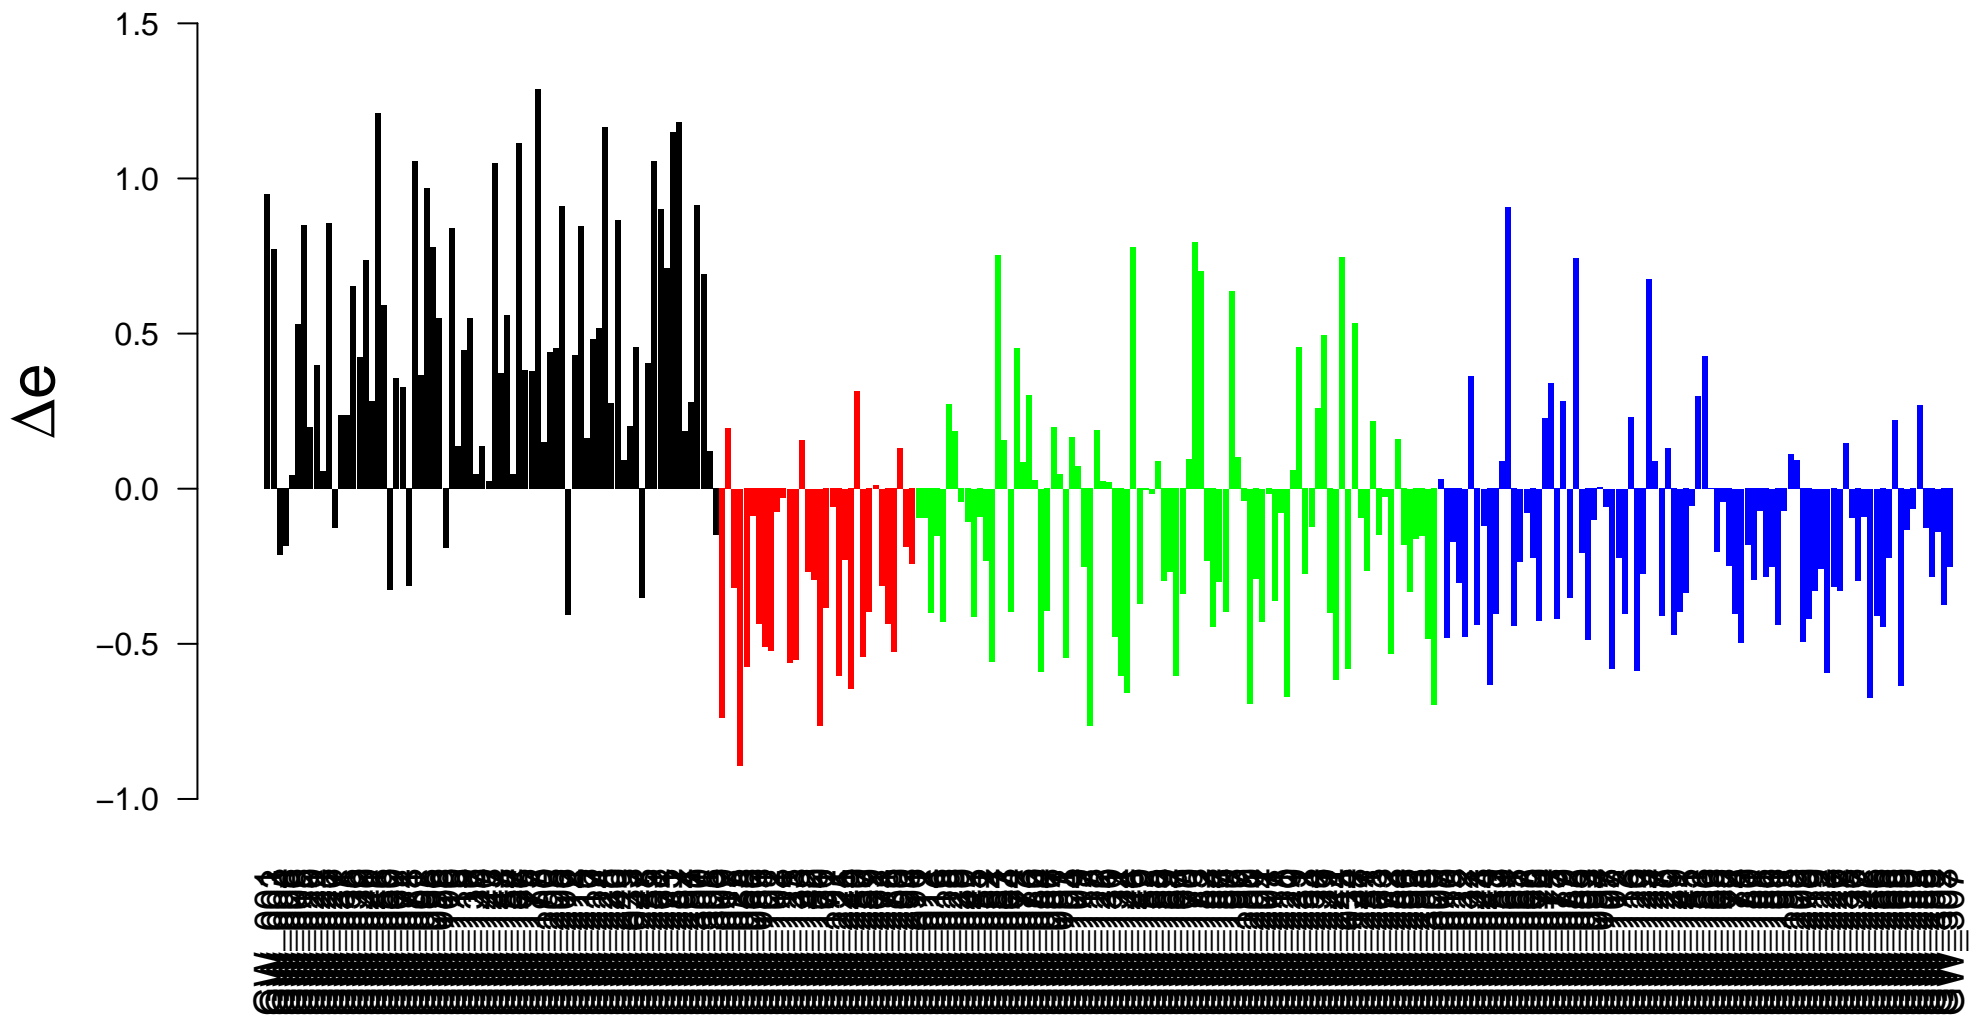

Expression of positive regulation of multicellular organism growth in Spot C

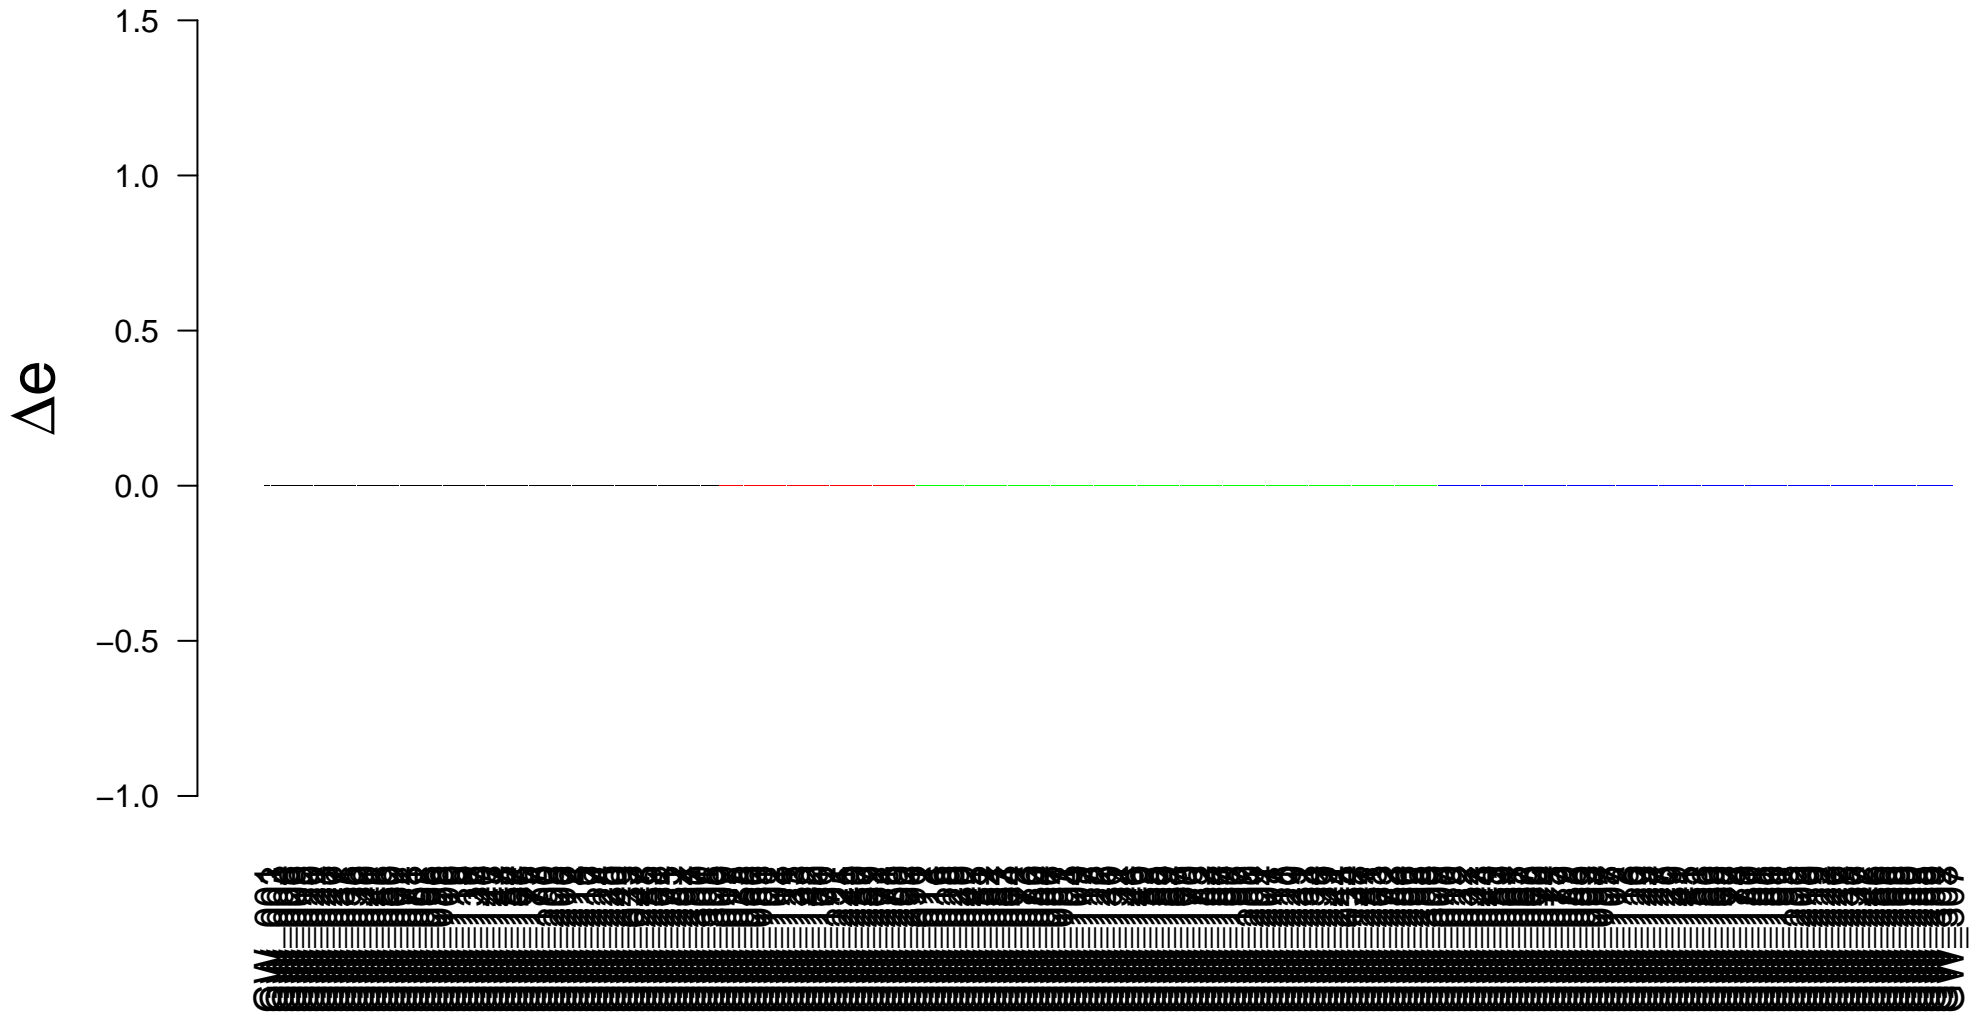

Expression of positive regulation of multicellular organism growth in Spot E

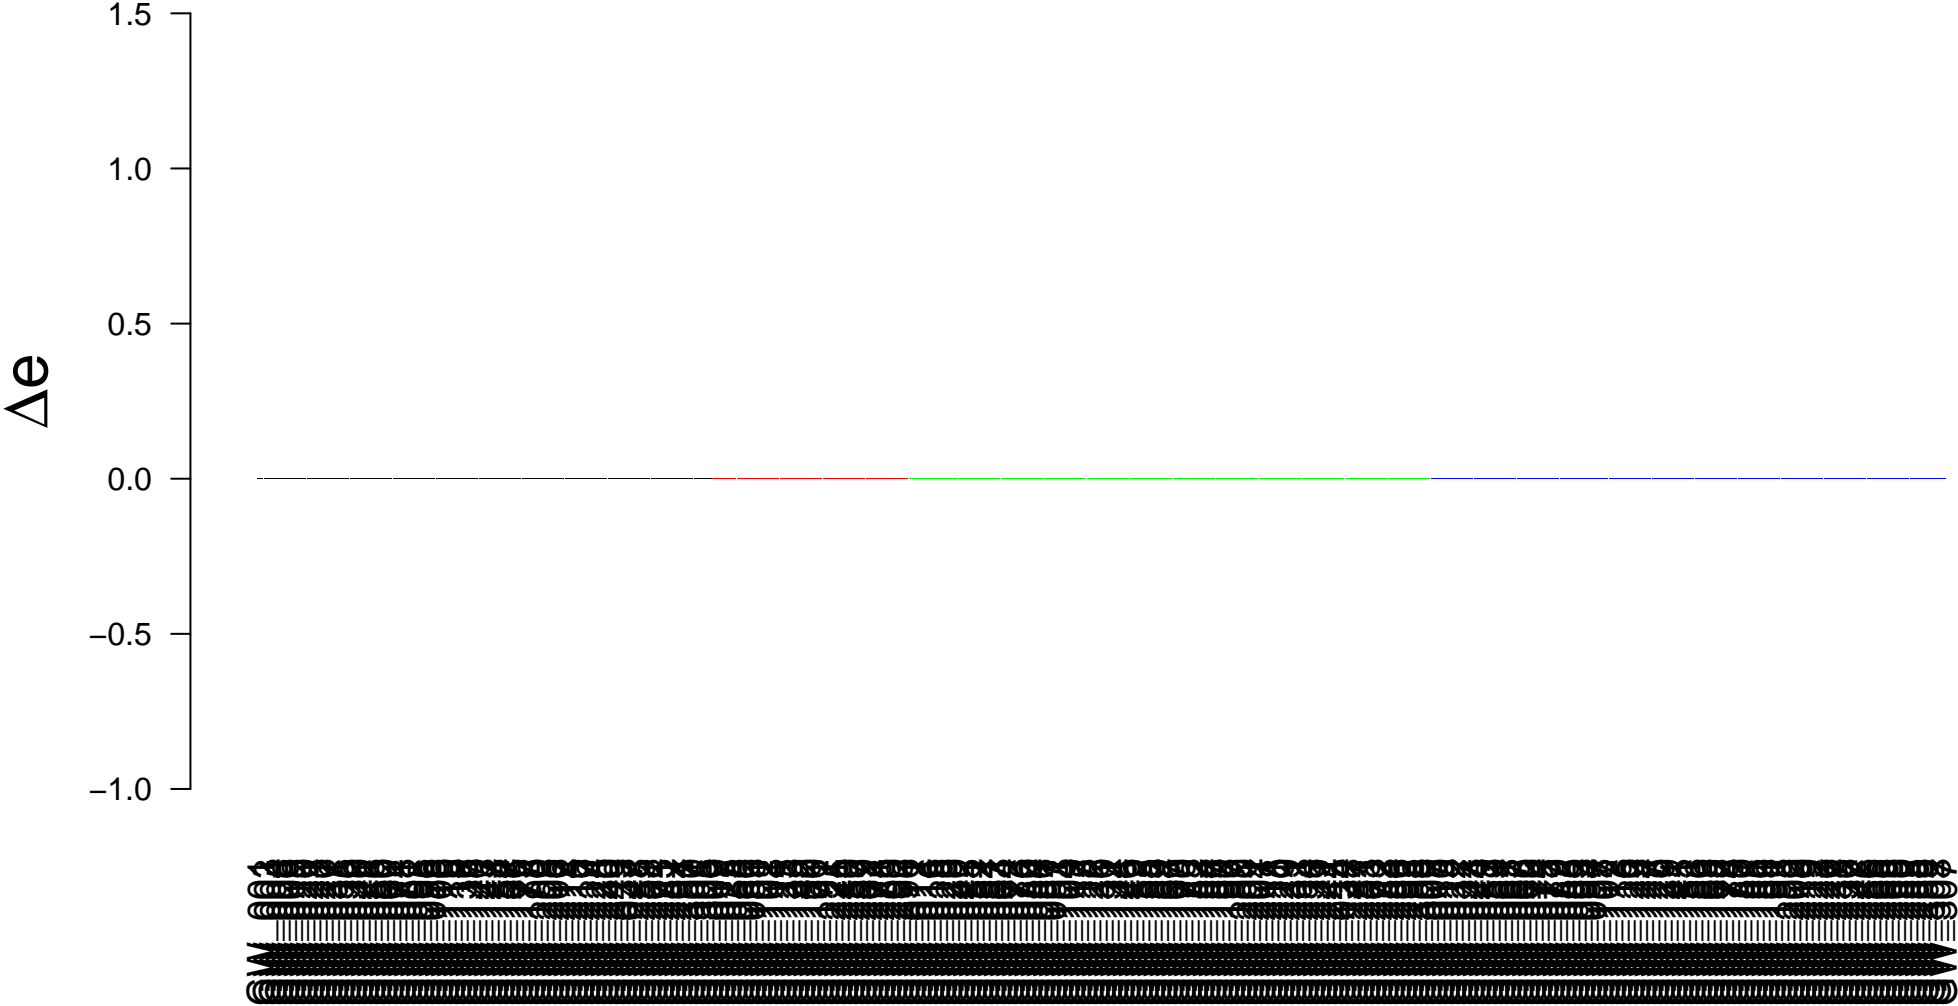

Expression of positive regulation of multicellular organism growth in Spot G

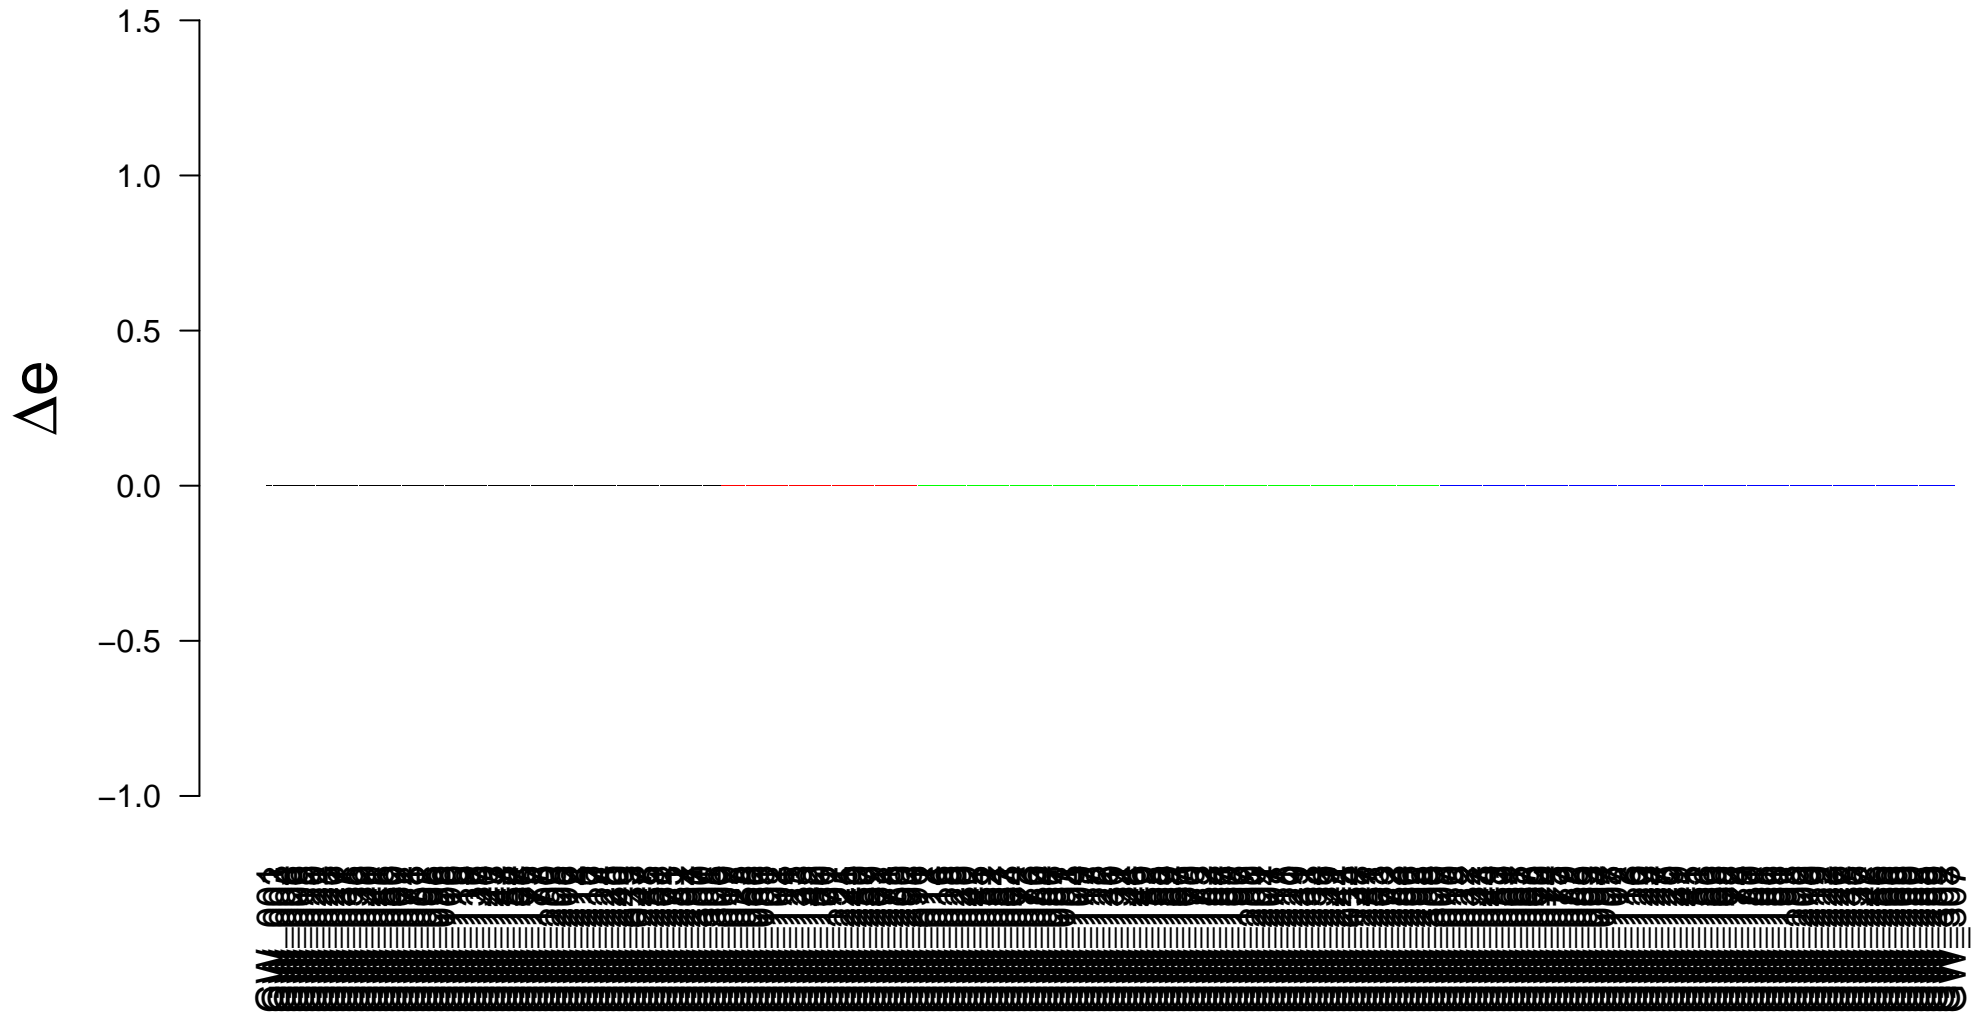

Expression of positive regulation of multicellular organism growth in Spot H

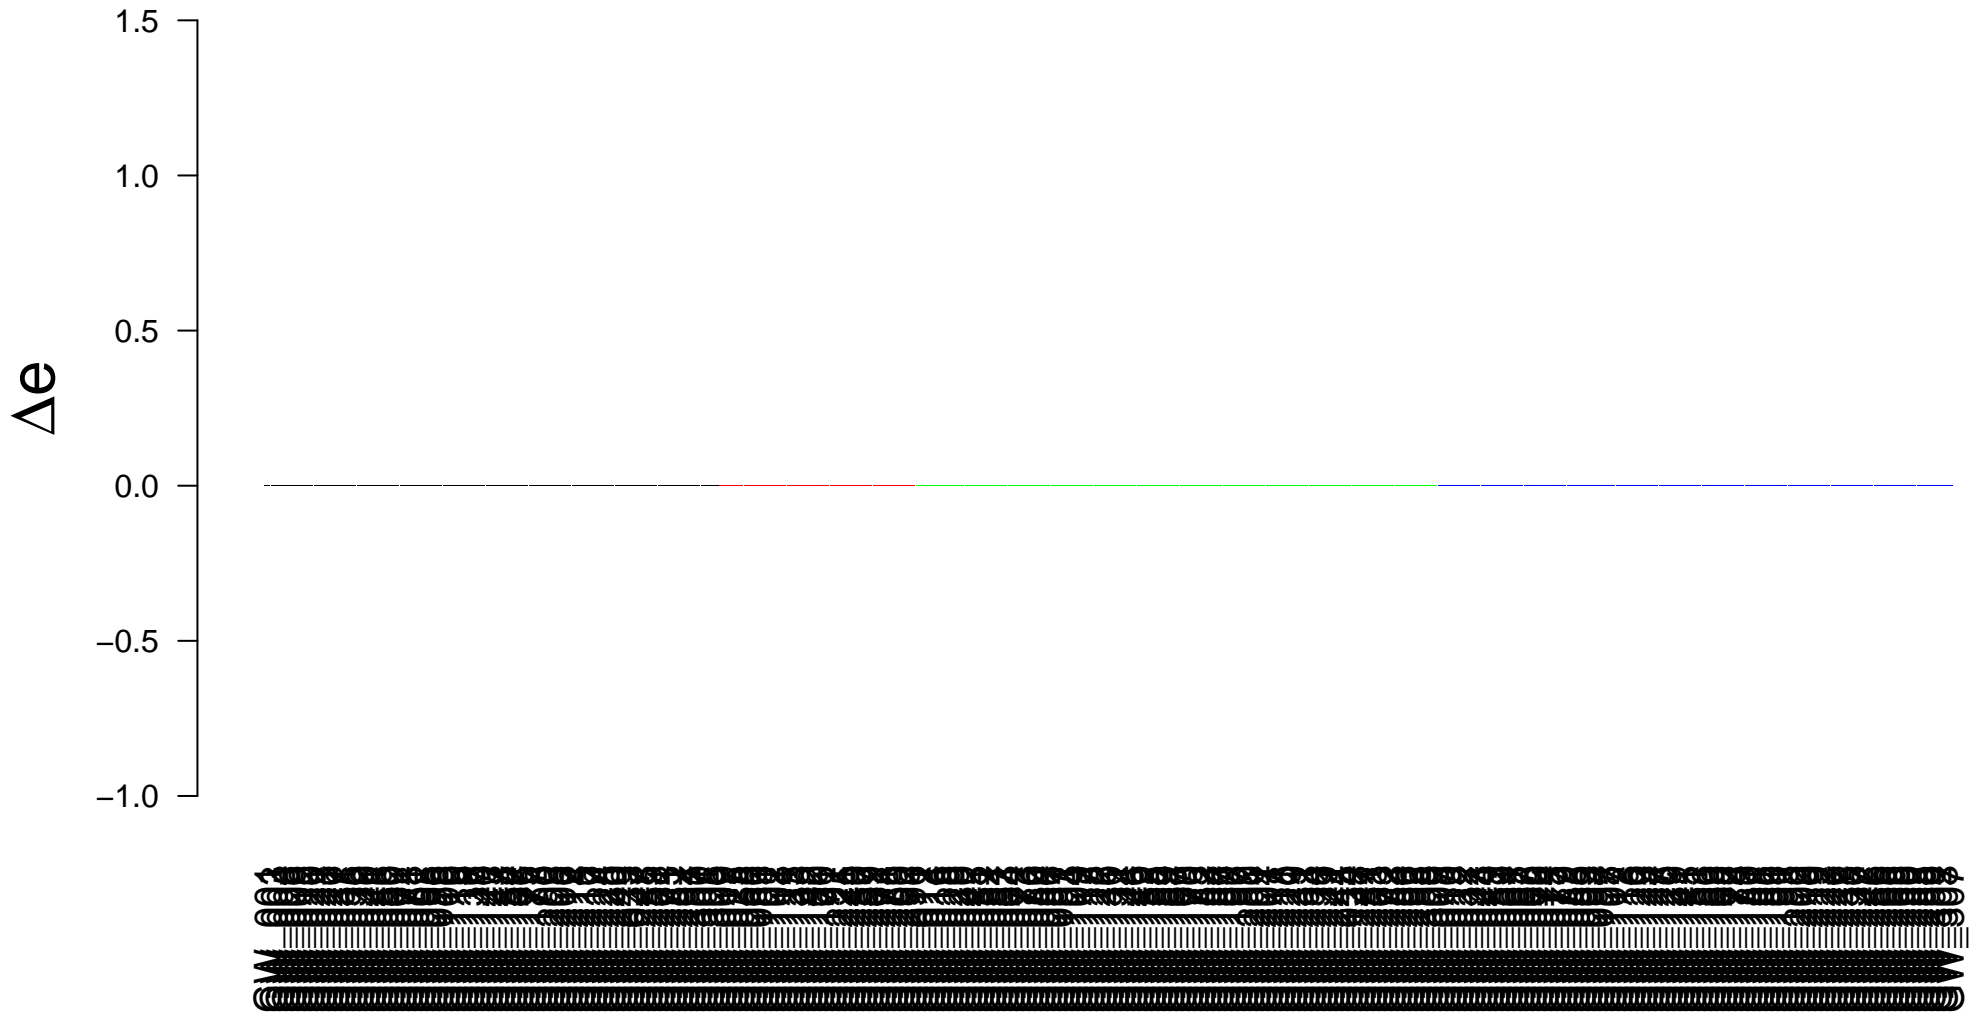

Expression of positive regulation of multicellular organism growth in Spot I

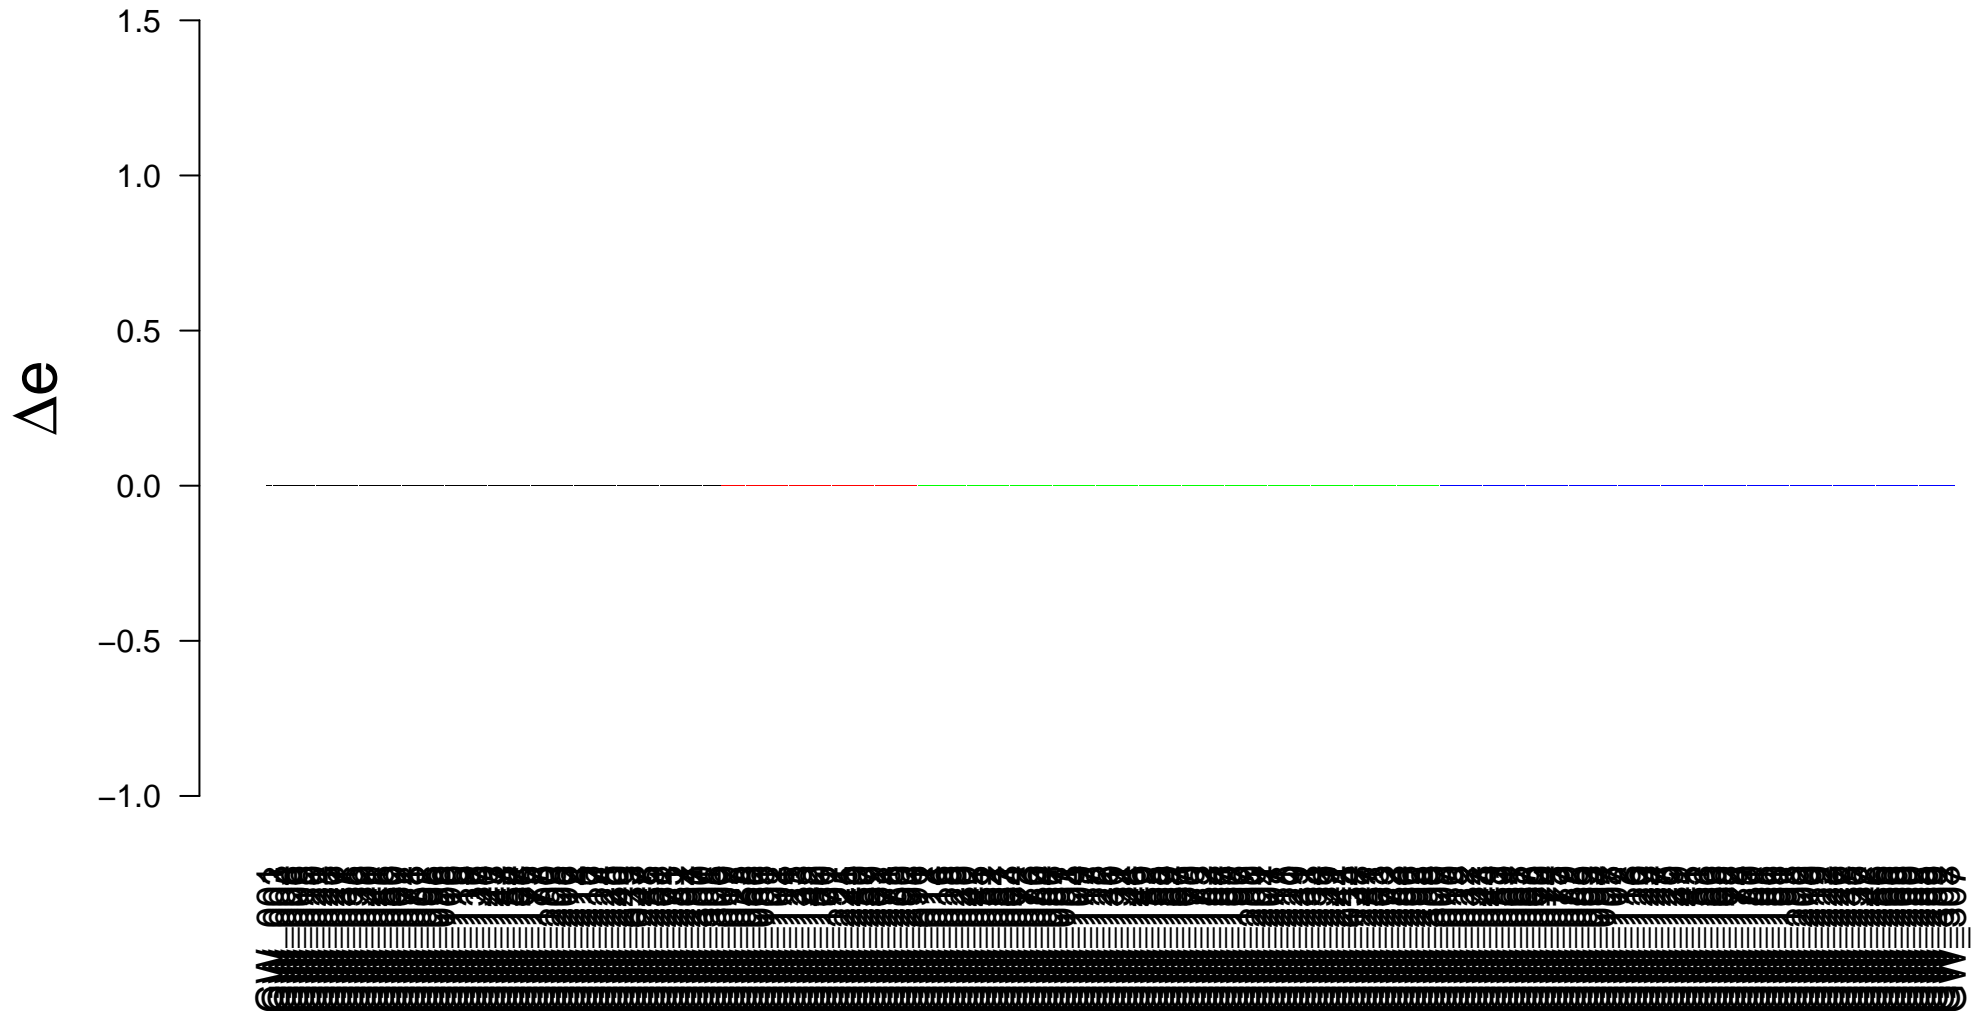

Expression of positive regulation of multicellular organism growth in Spot J

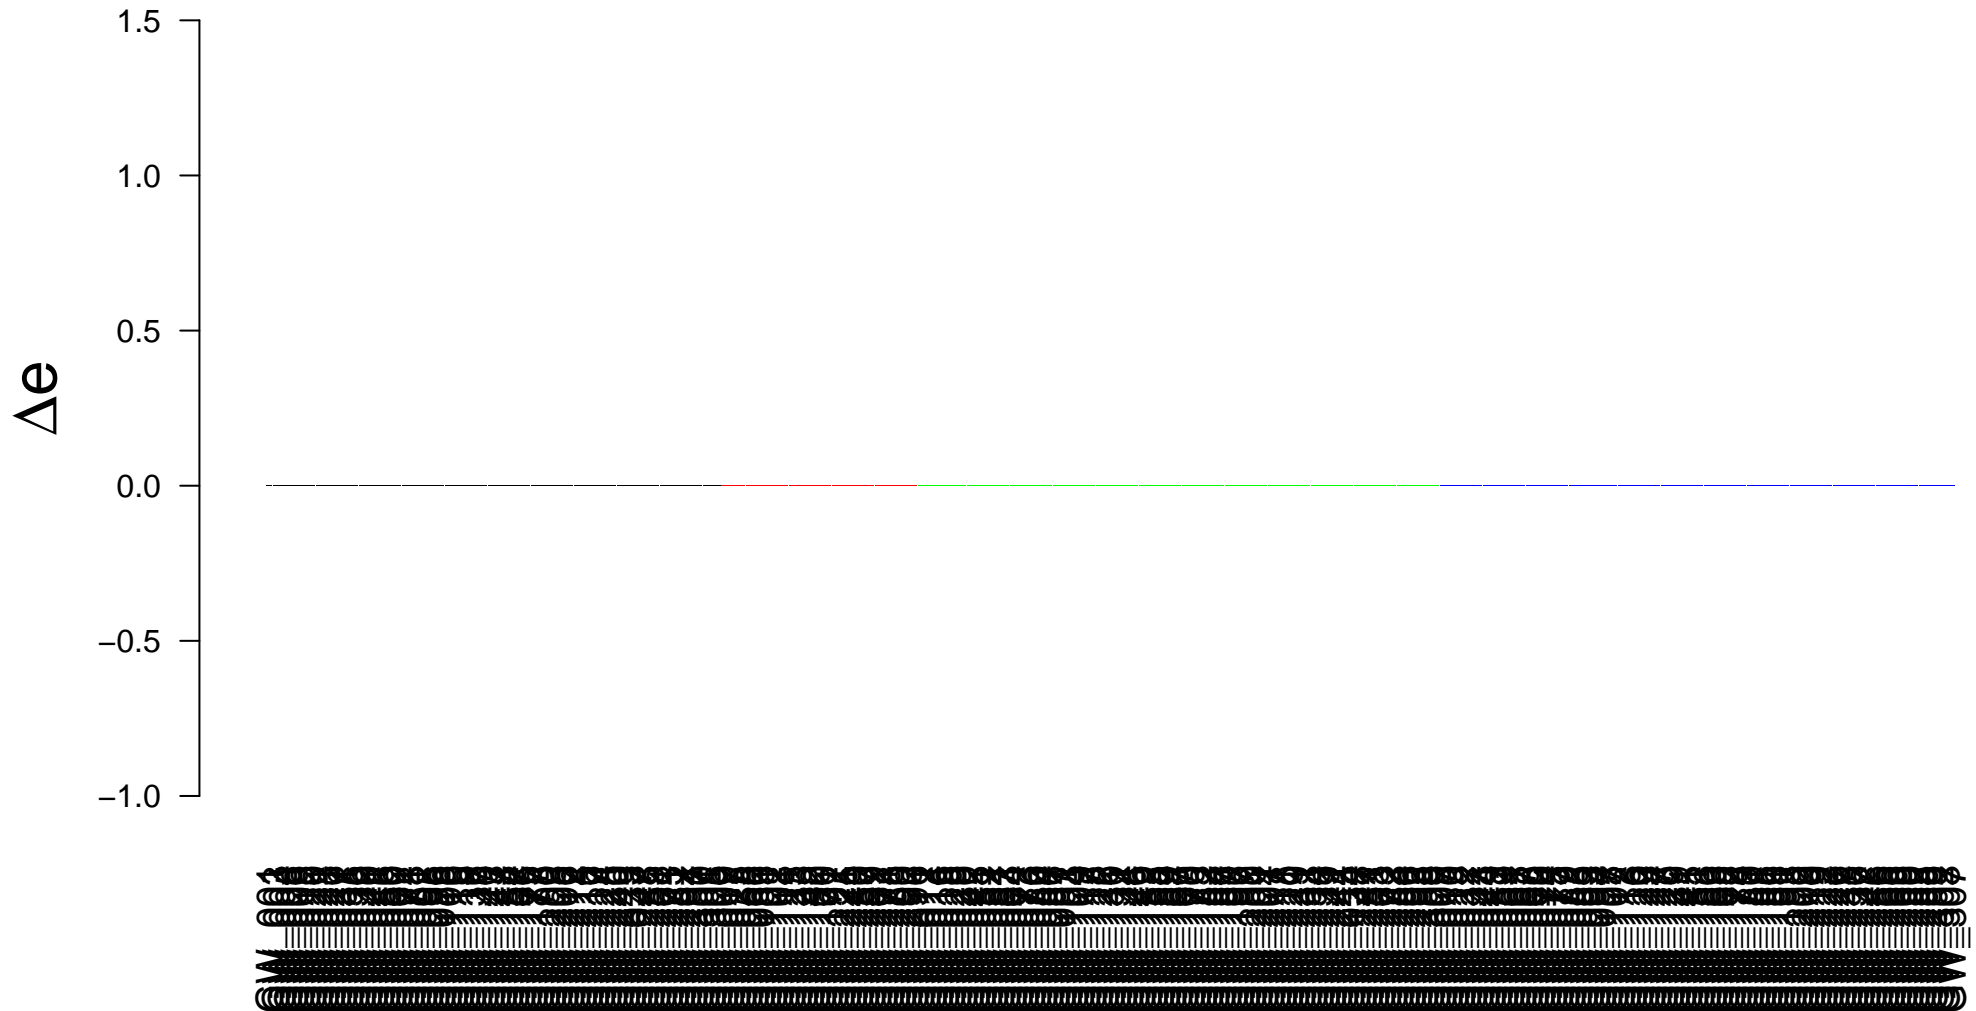

Expression of positive regulation of multicellular organism growth in Spot K

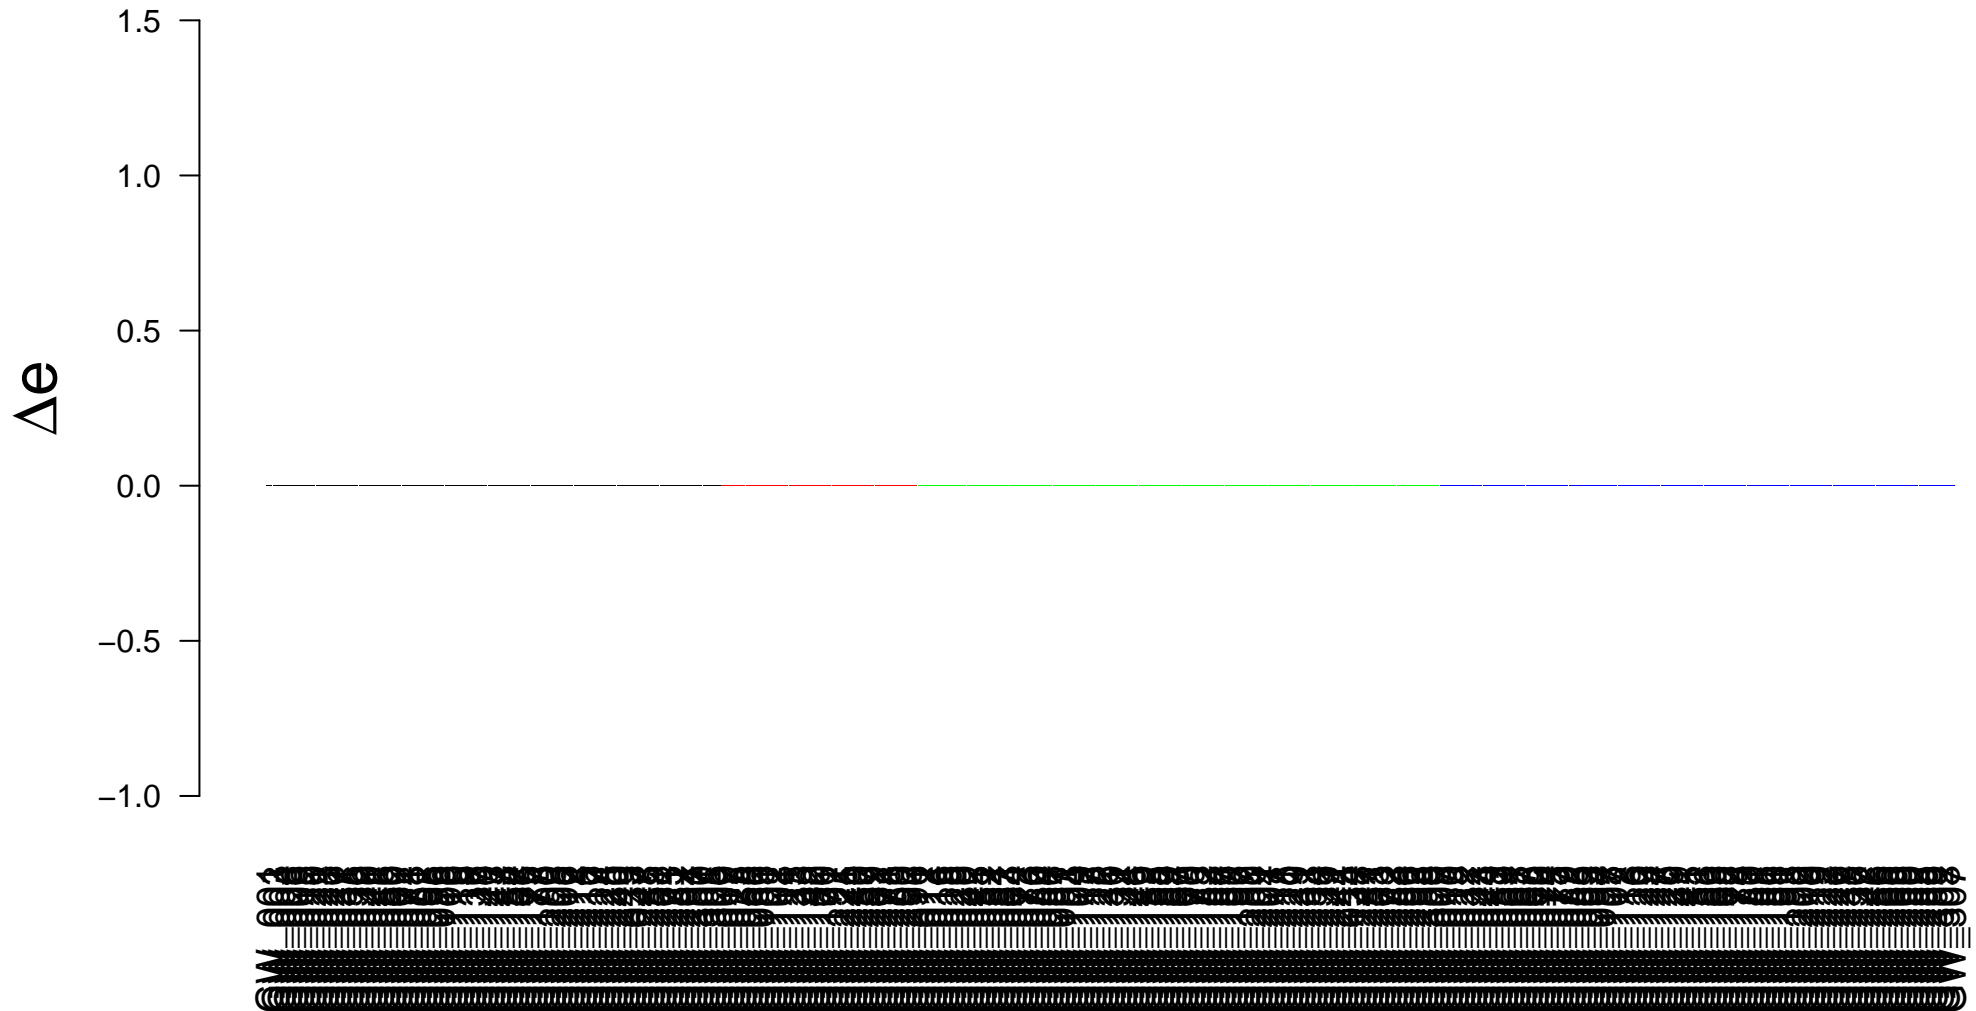

Expression of positive regulation of multicellular organism growth in Spot L

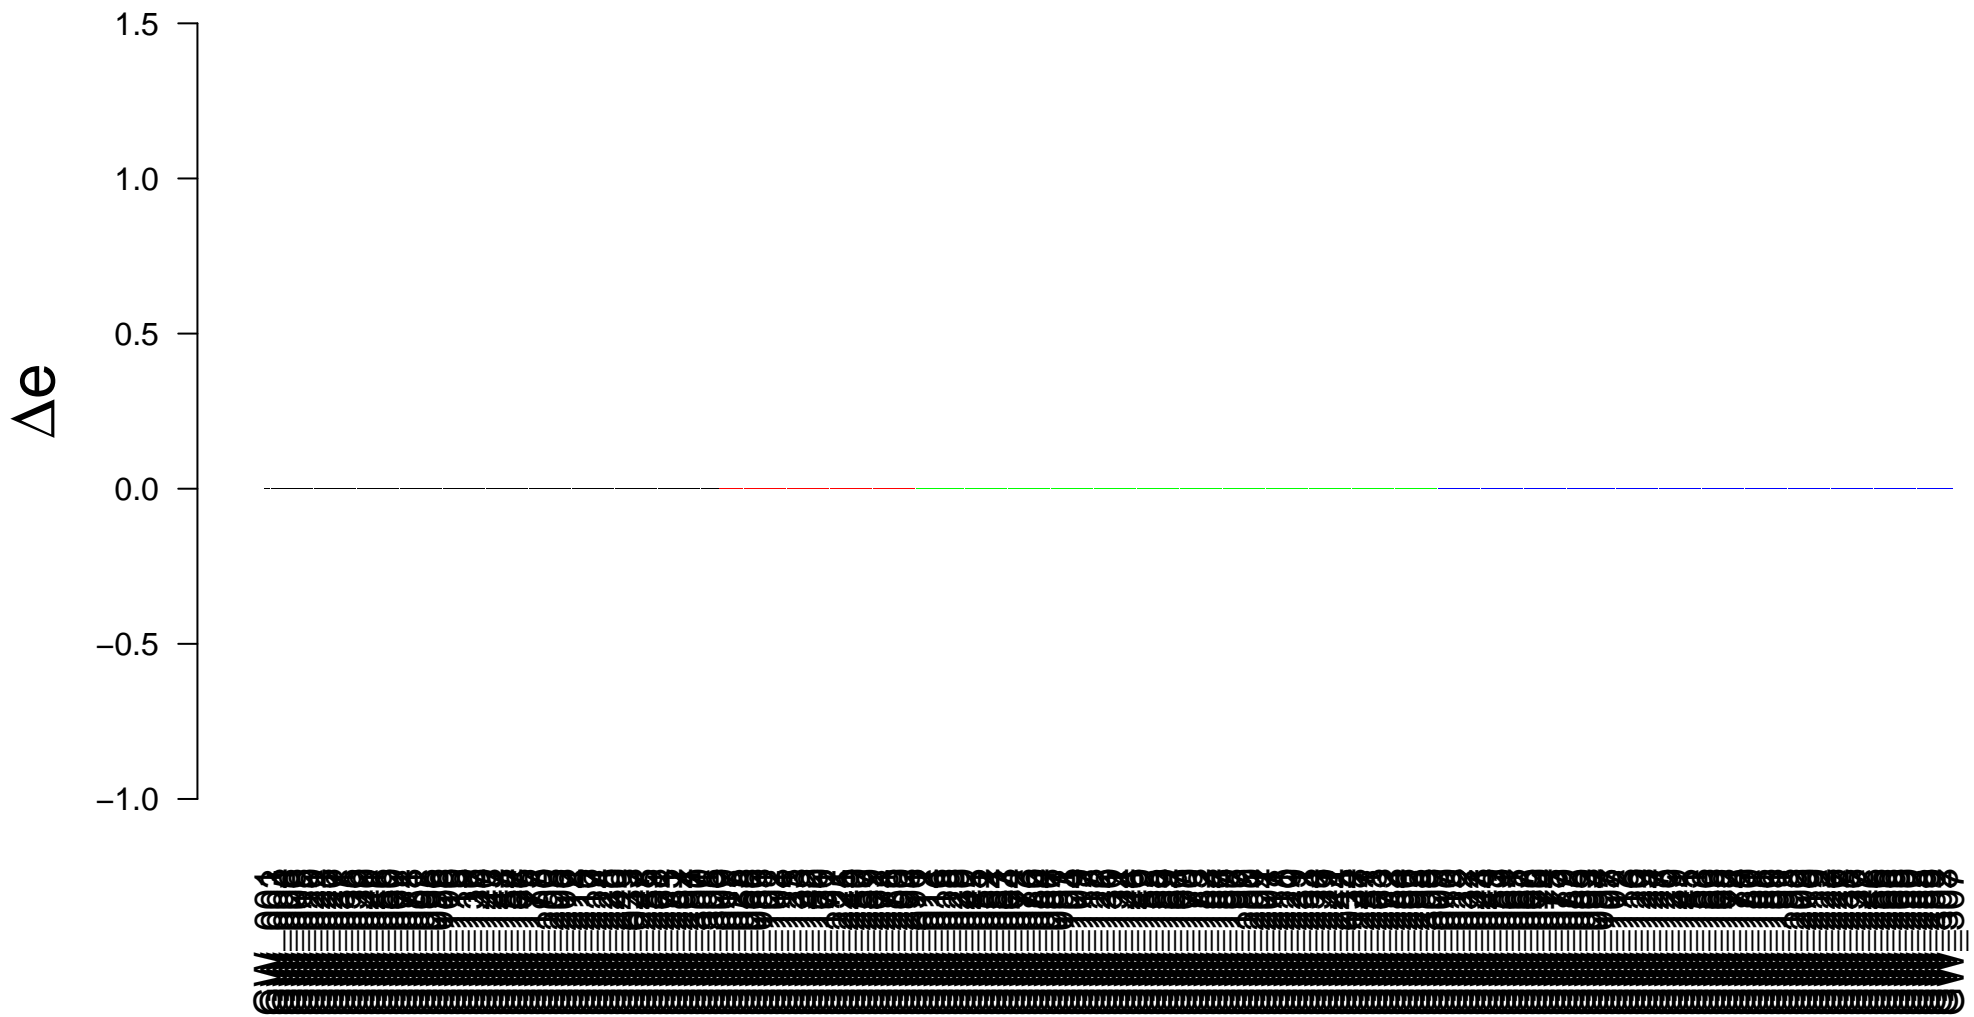

Expression of positive regulation of multicellular organism growth in Spot M

Expression of positive regulation of multicellular organism growth in Spot N

Expression of positive regulation of multicellular organism growth in Spot O

Expression of positive regulation of multicellular organism growth in Spot P
