

positive regulation of ossification

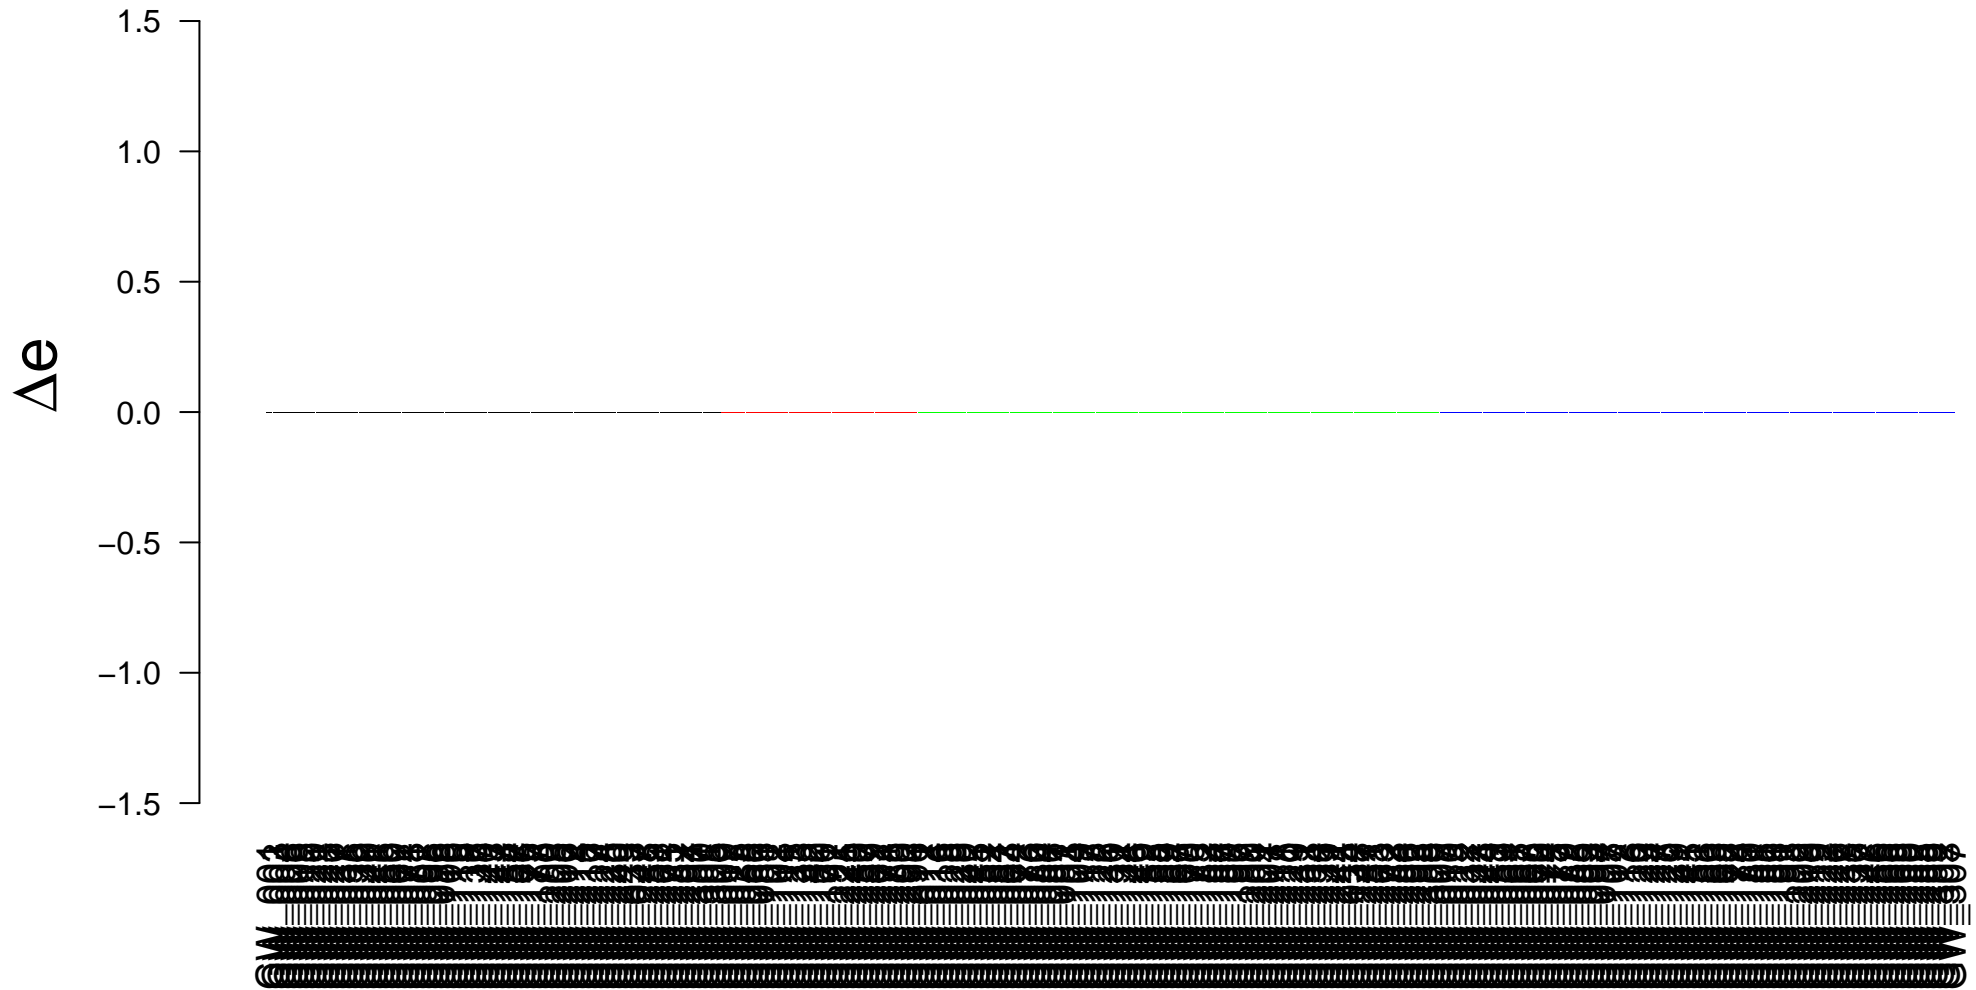

positive regulation of ossification

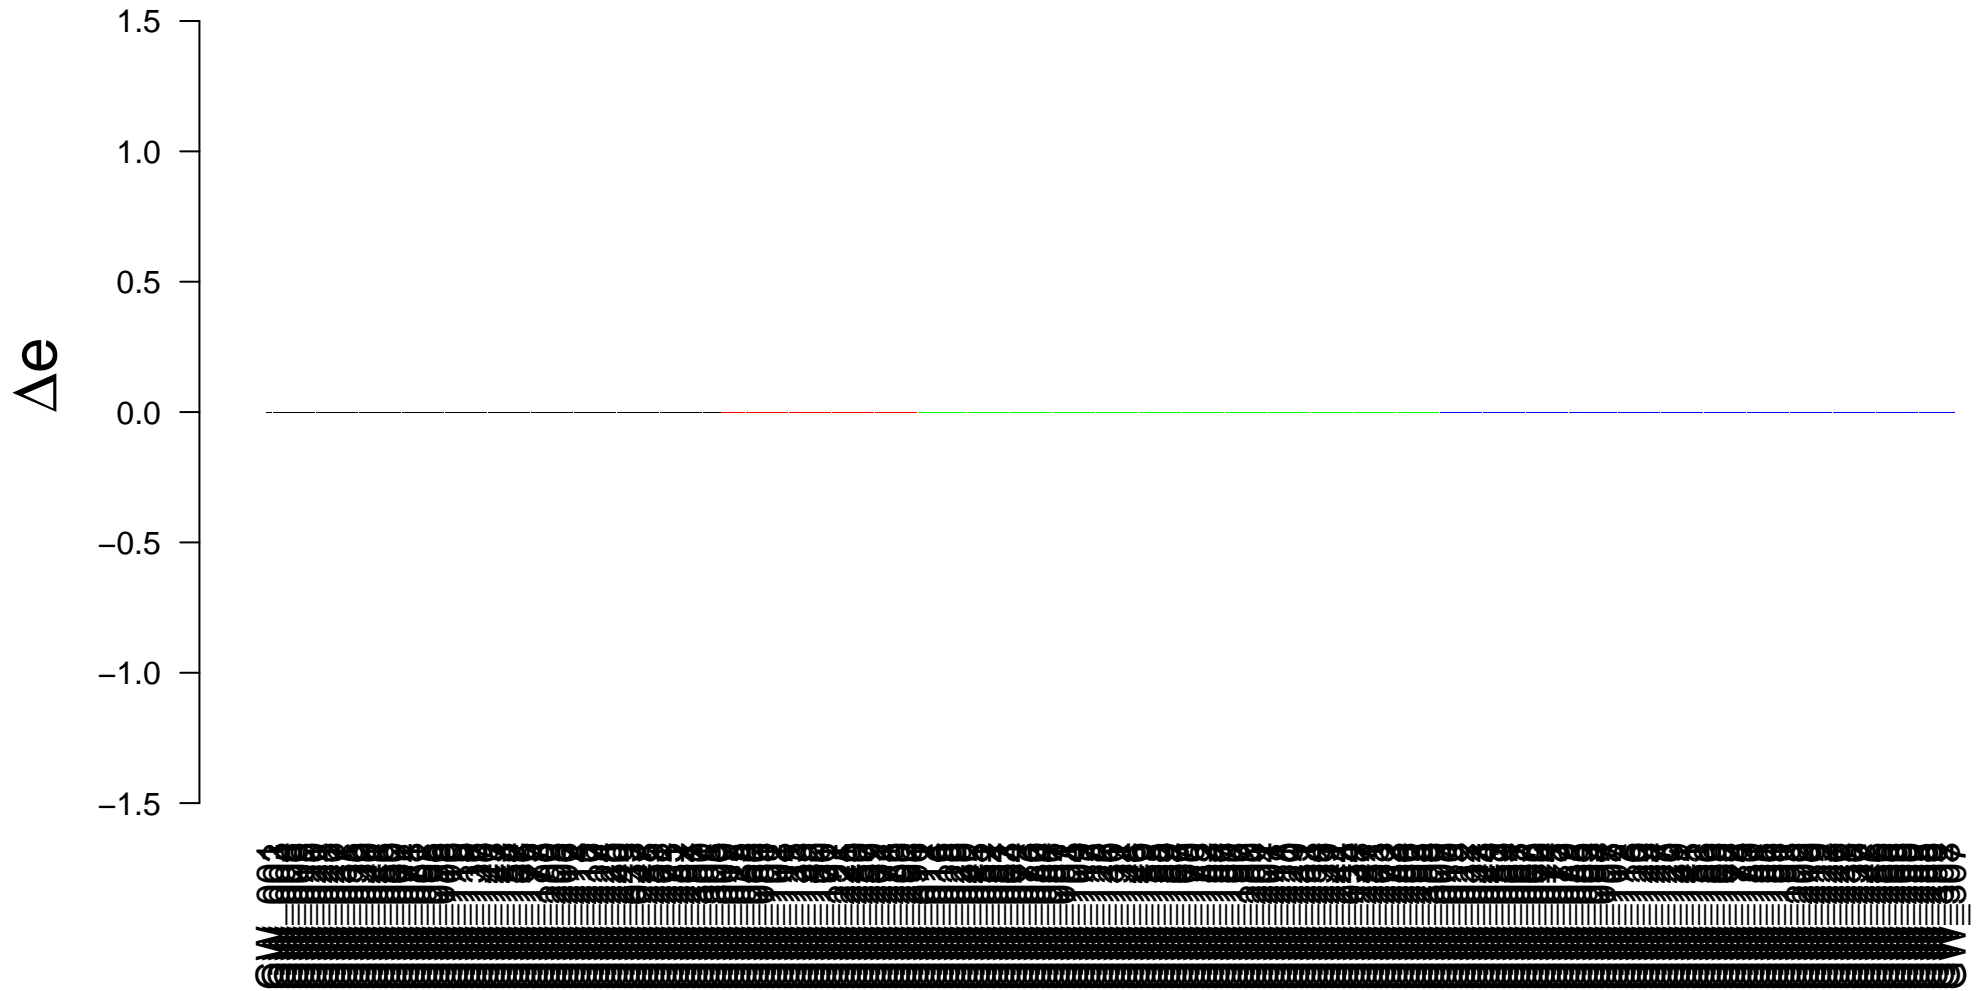

Enrichment in spots: positive regulation of ossification

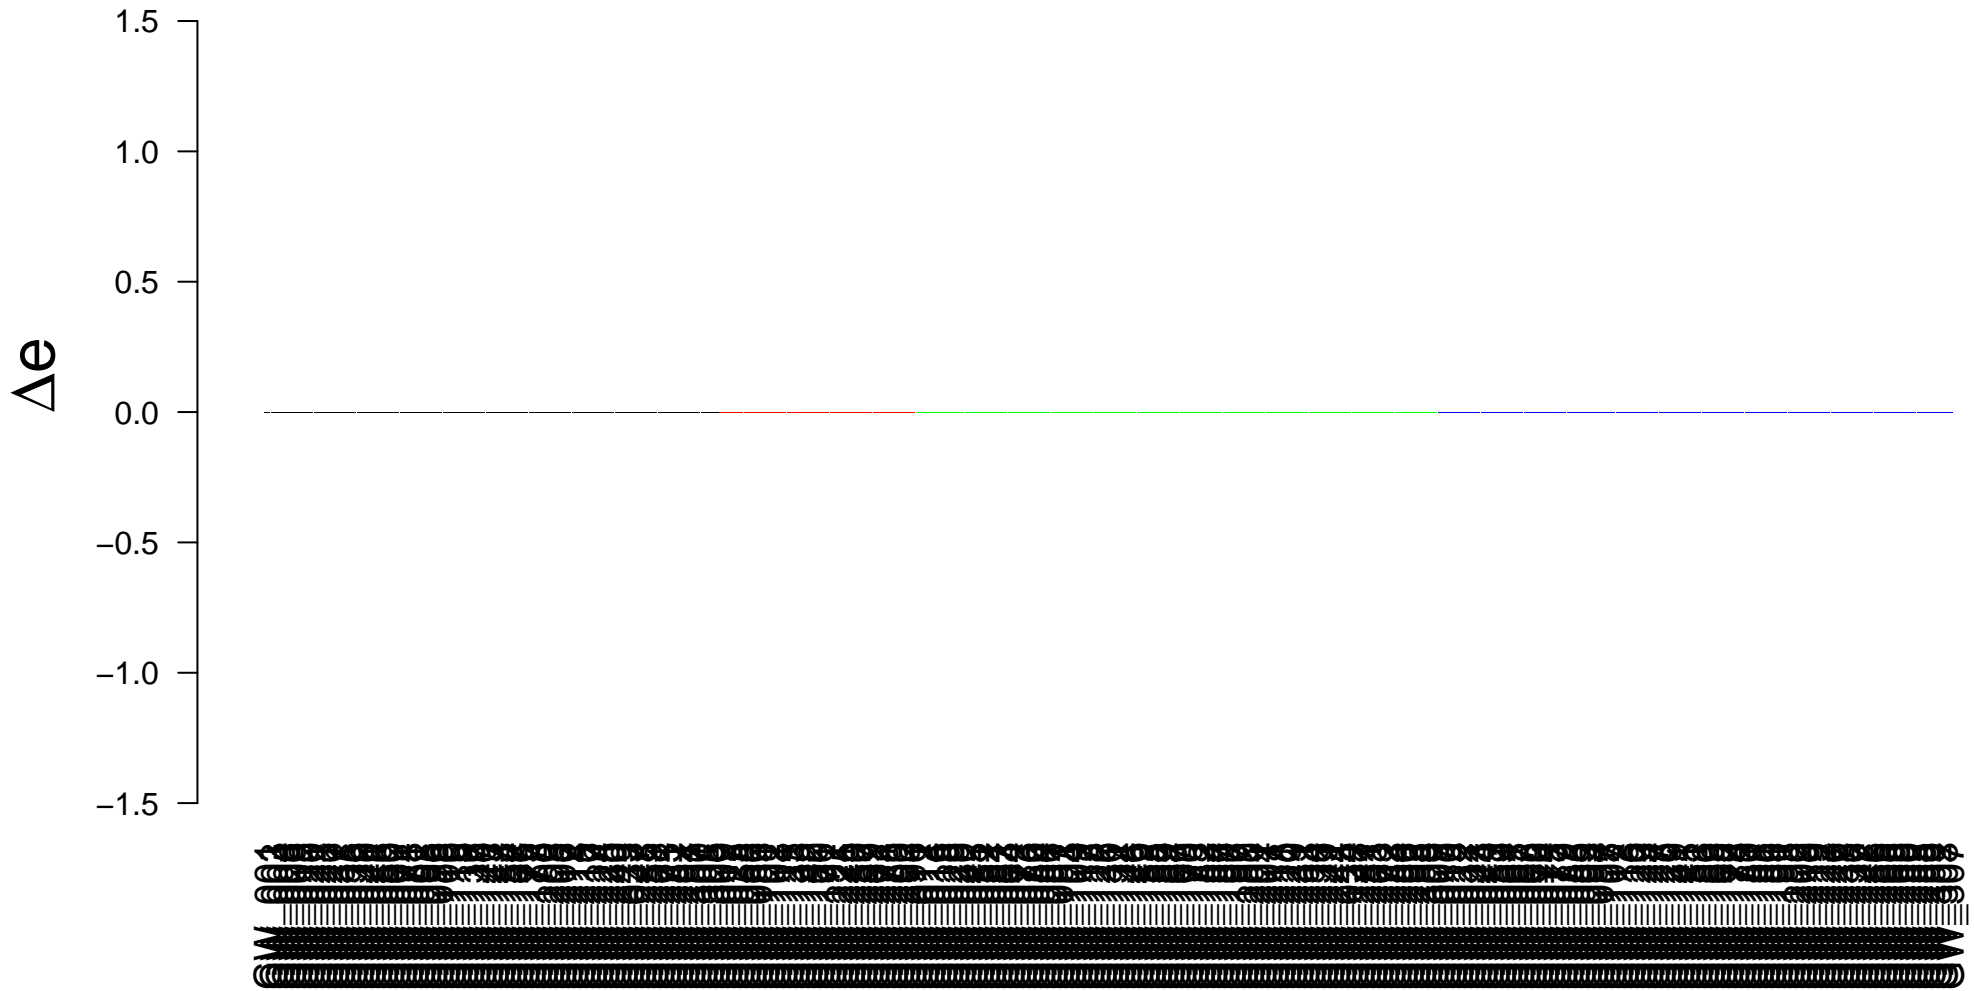

Expression of positive regulation of ossification in Spot A

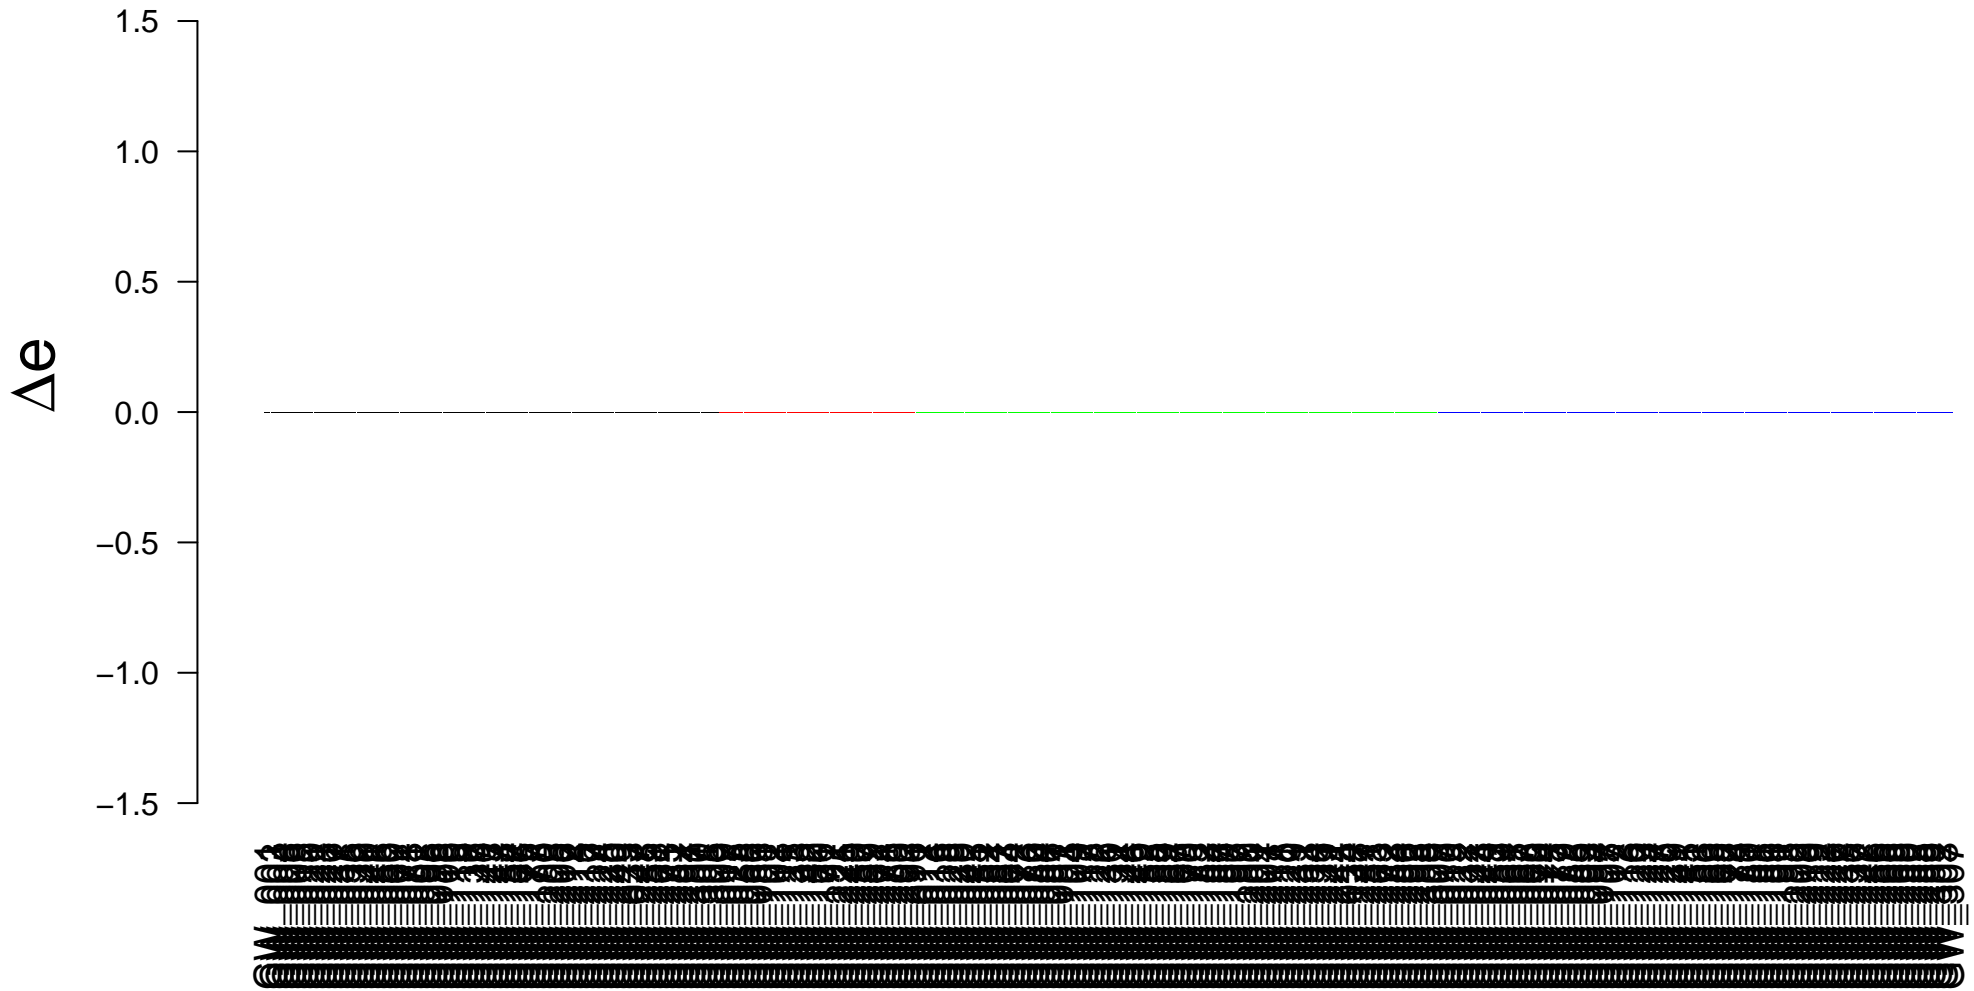

Expression of positive regulation of ossification in Spot B

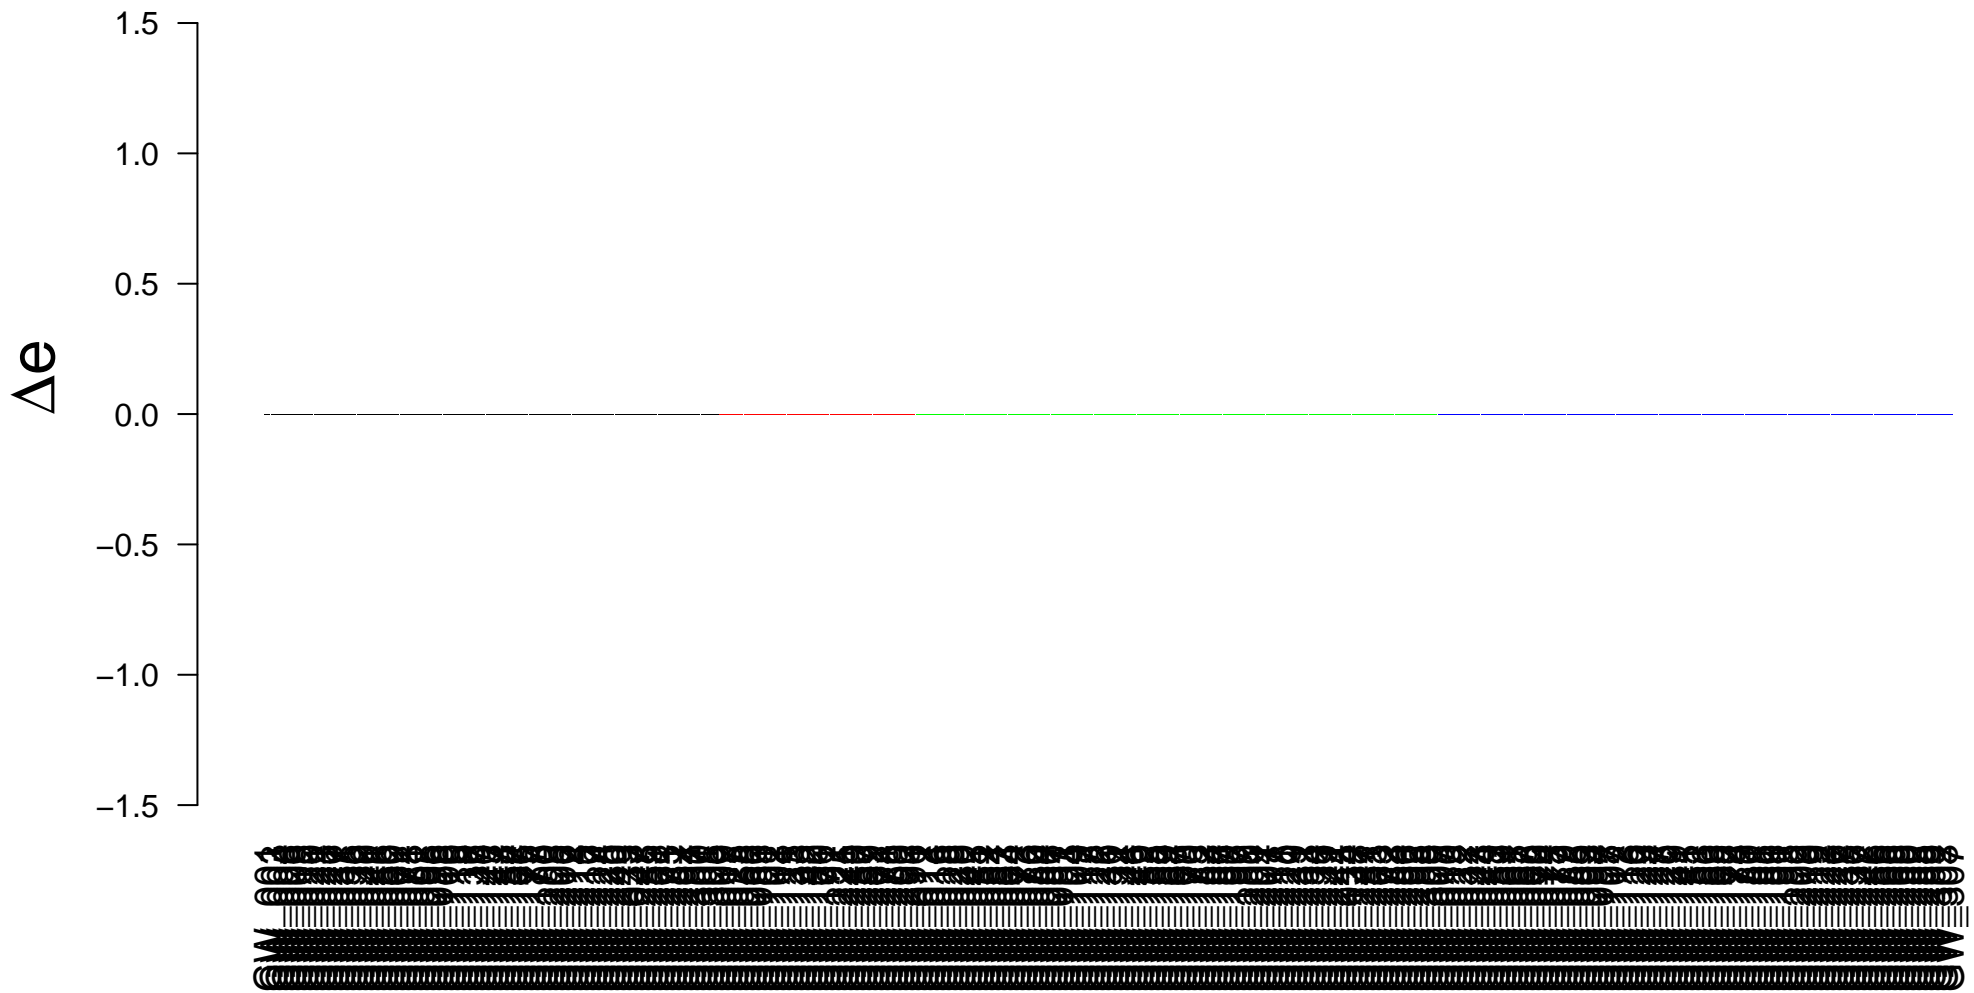

Expression of positive regulation of ossification in Spot C

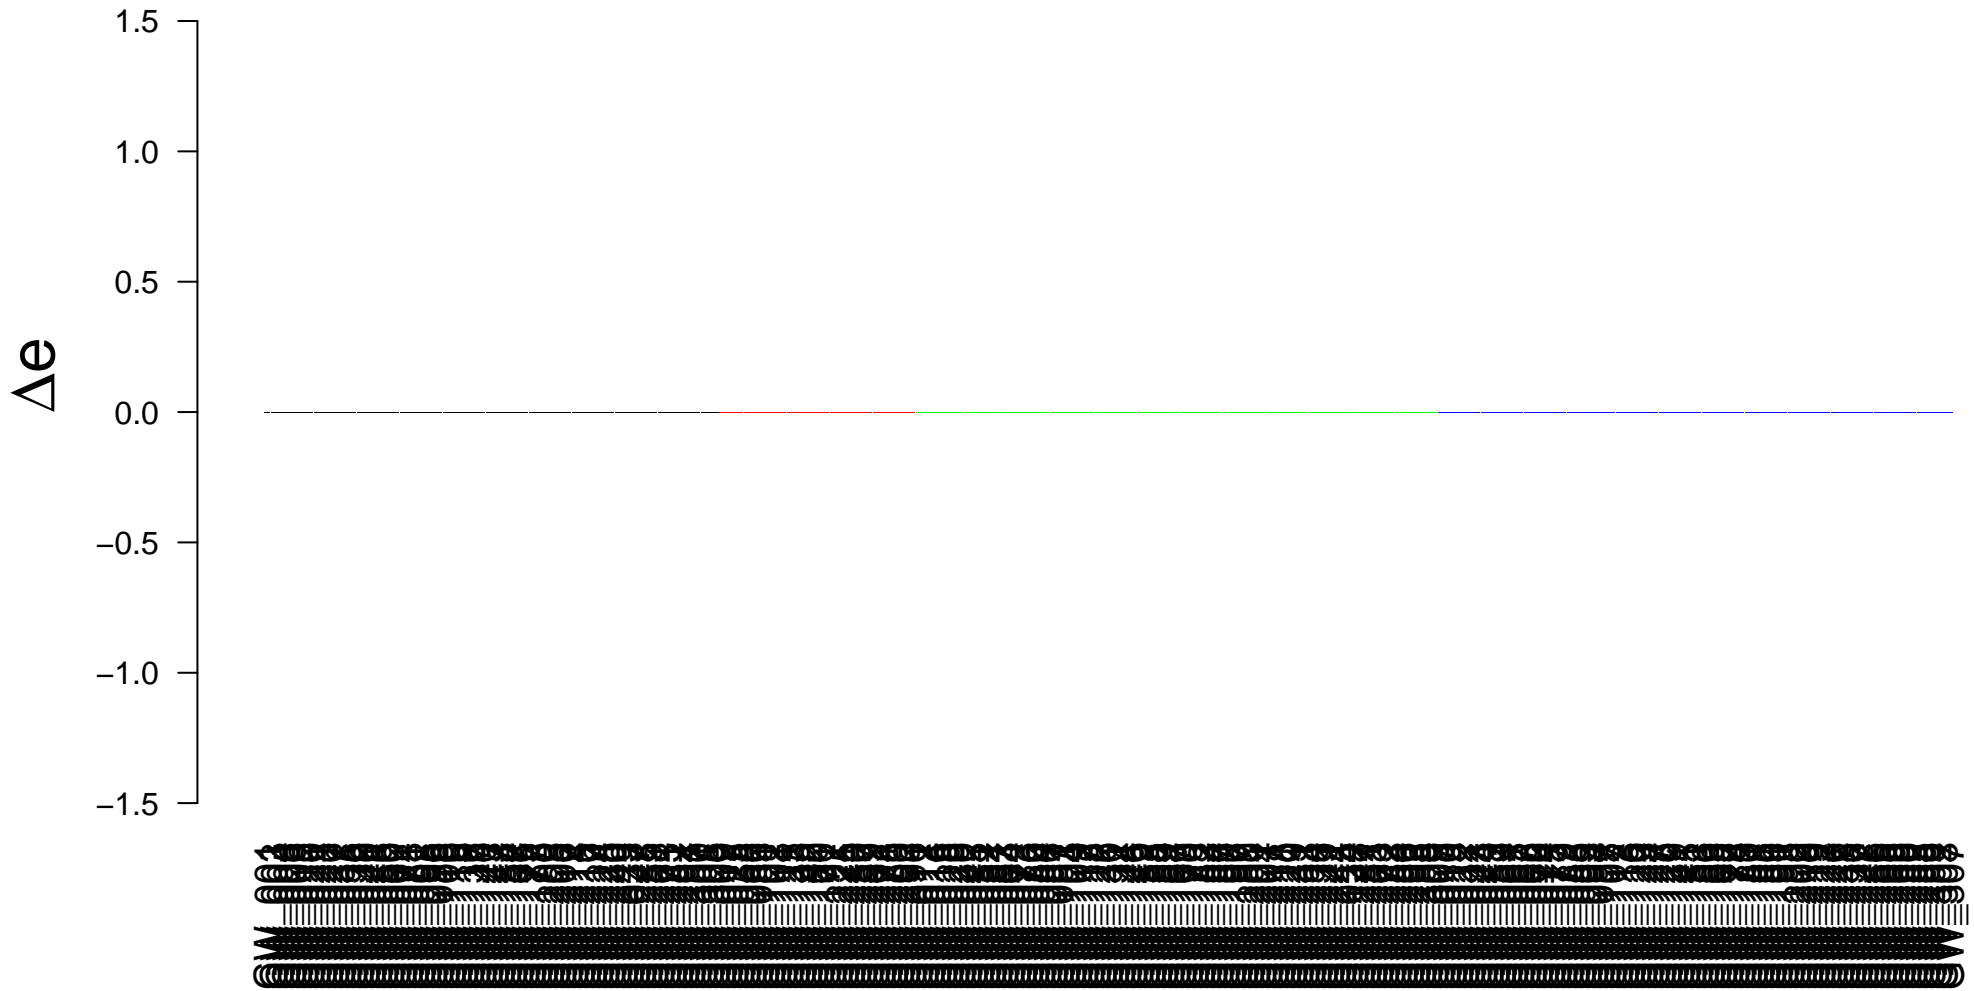

Expression of positive regulation of ossification in Spot D

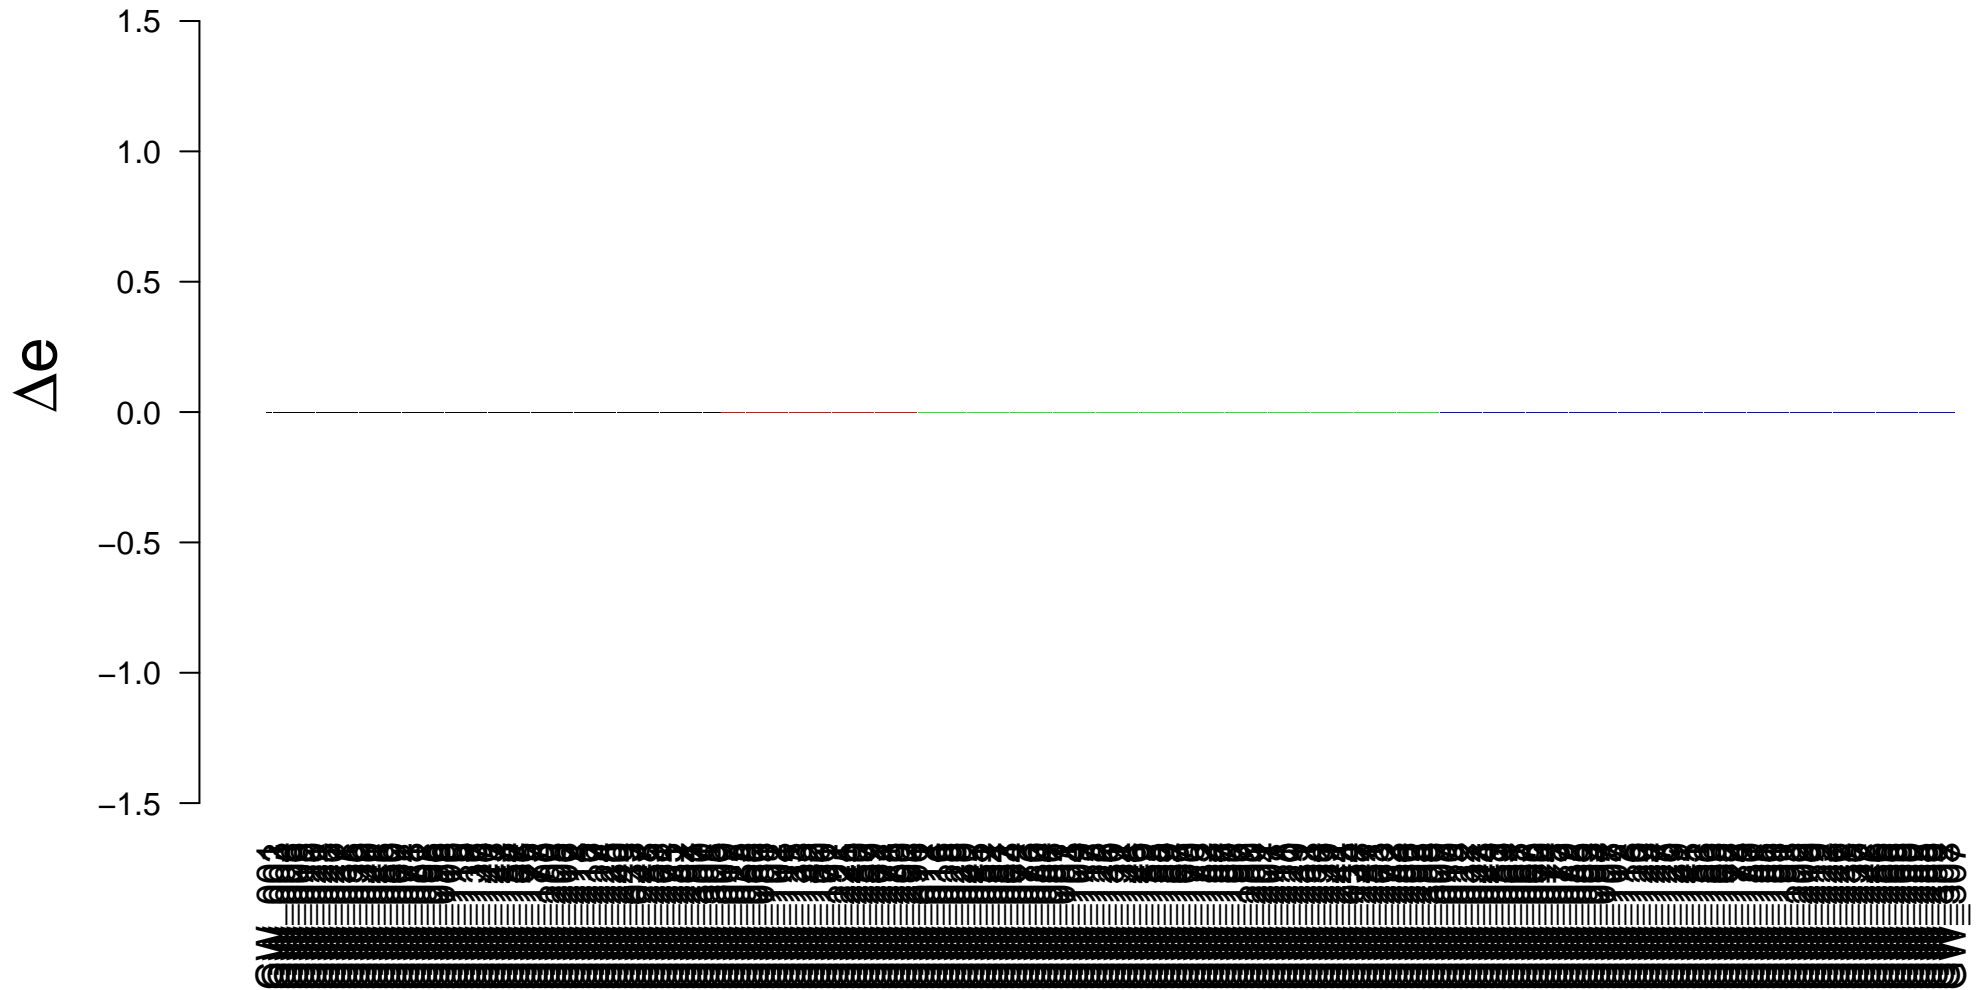

Expression of positive regulation of ossification in Spot E

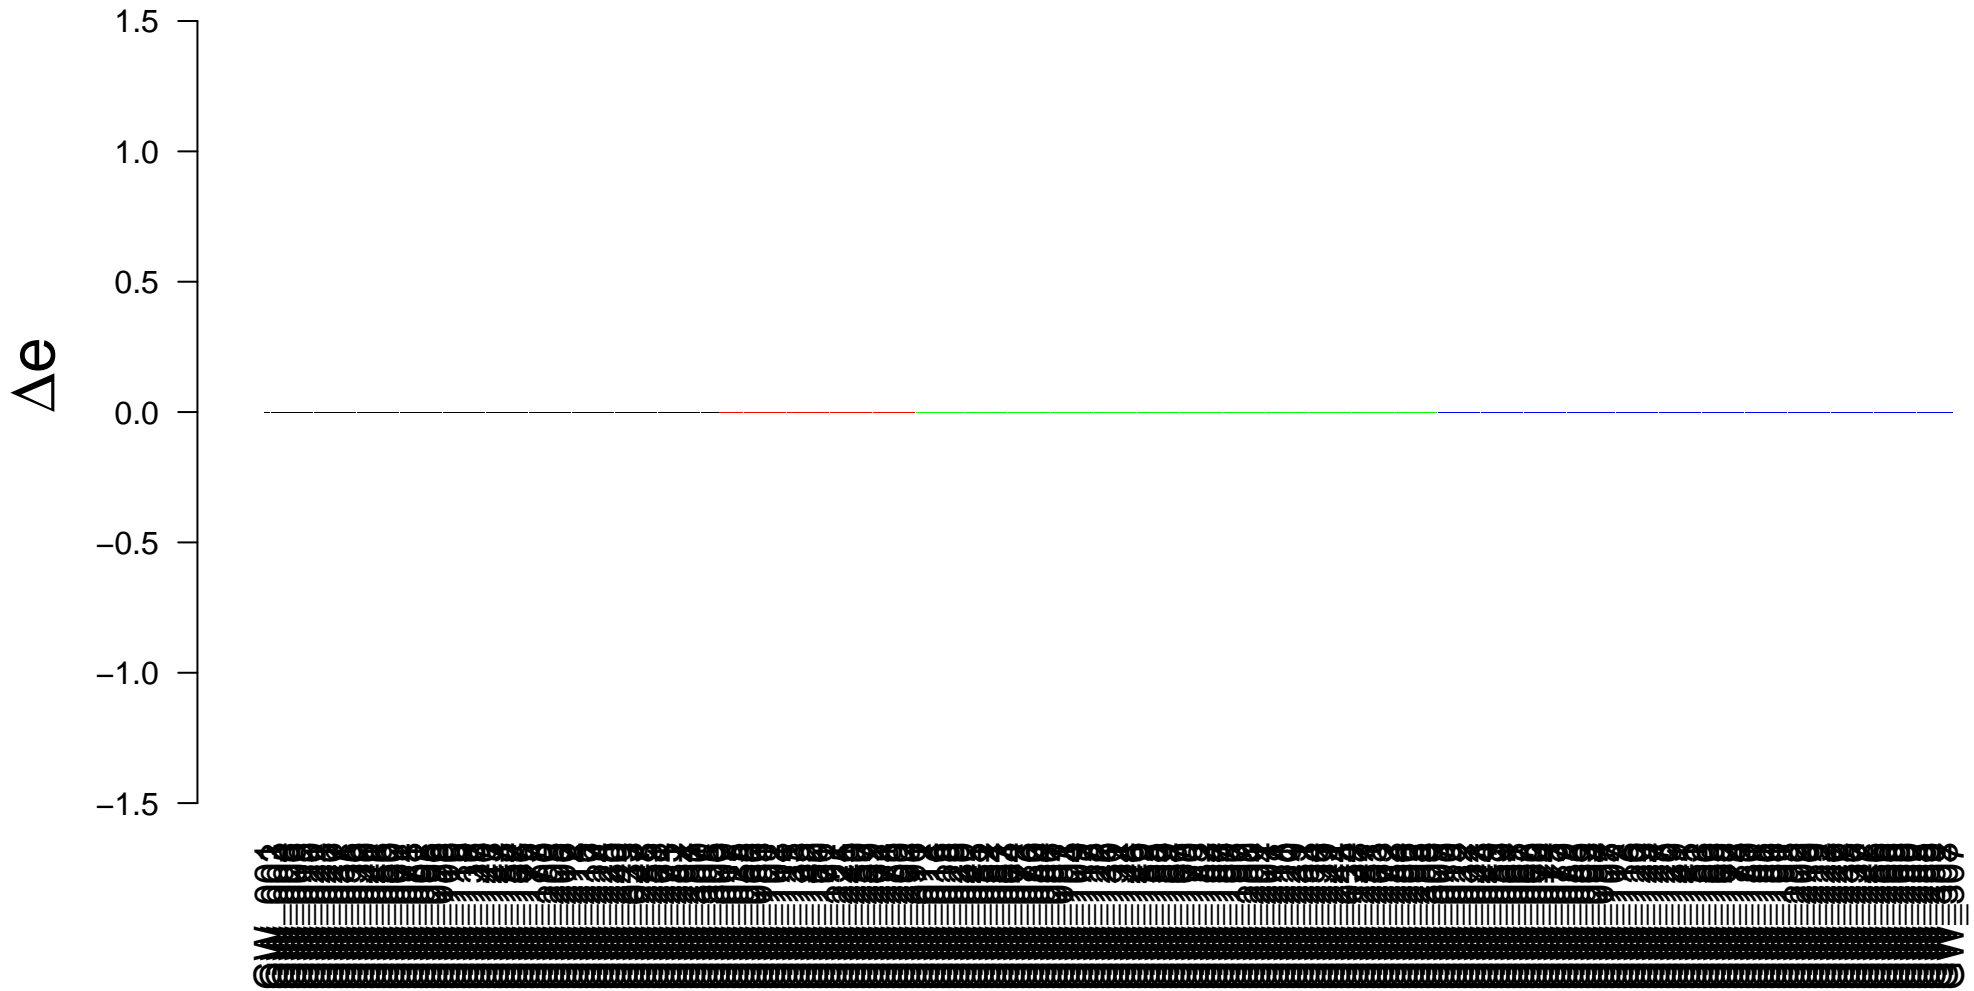

Expression of positive regulation of ossification in Spot F

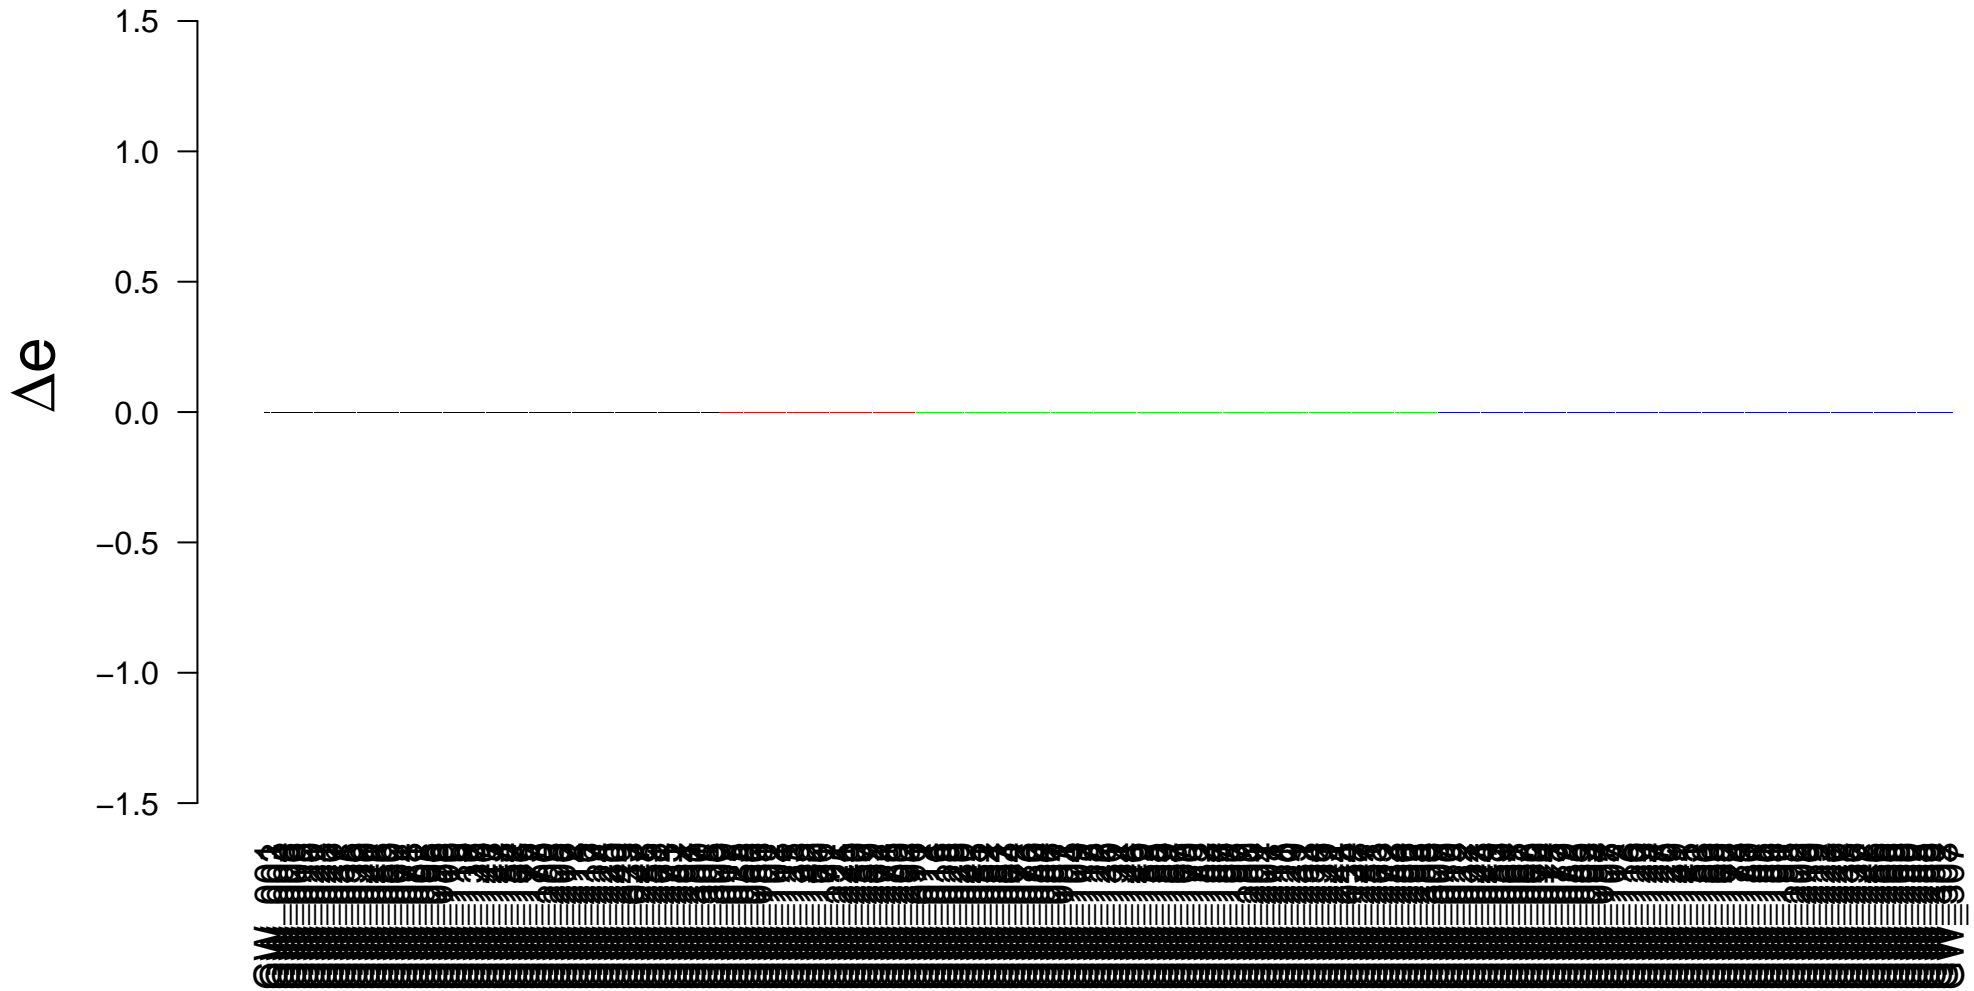

Expression of positive regulation of ossification in Spot G

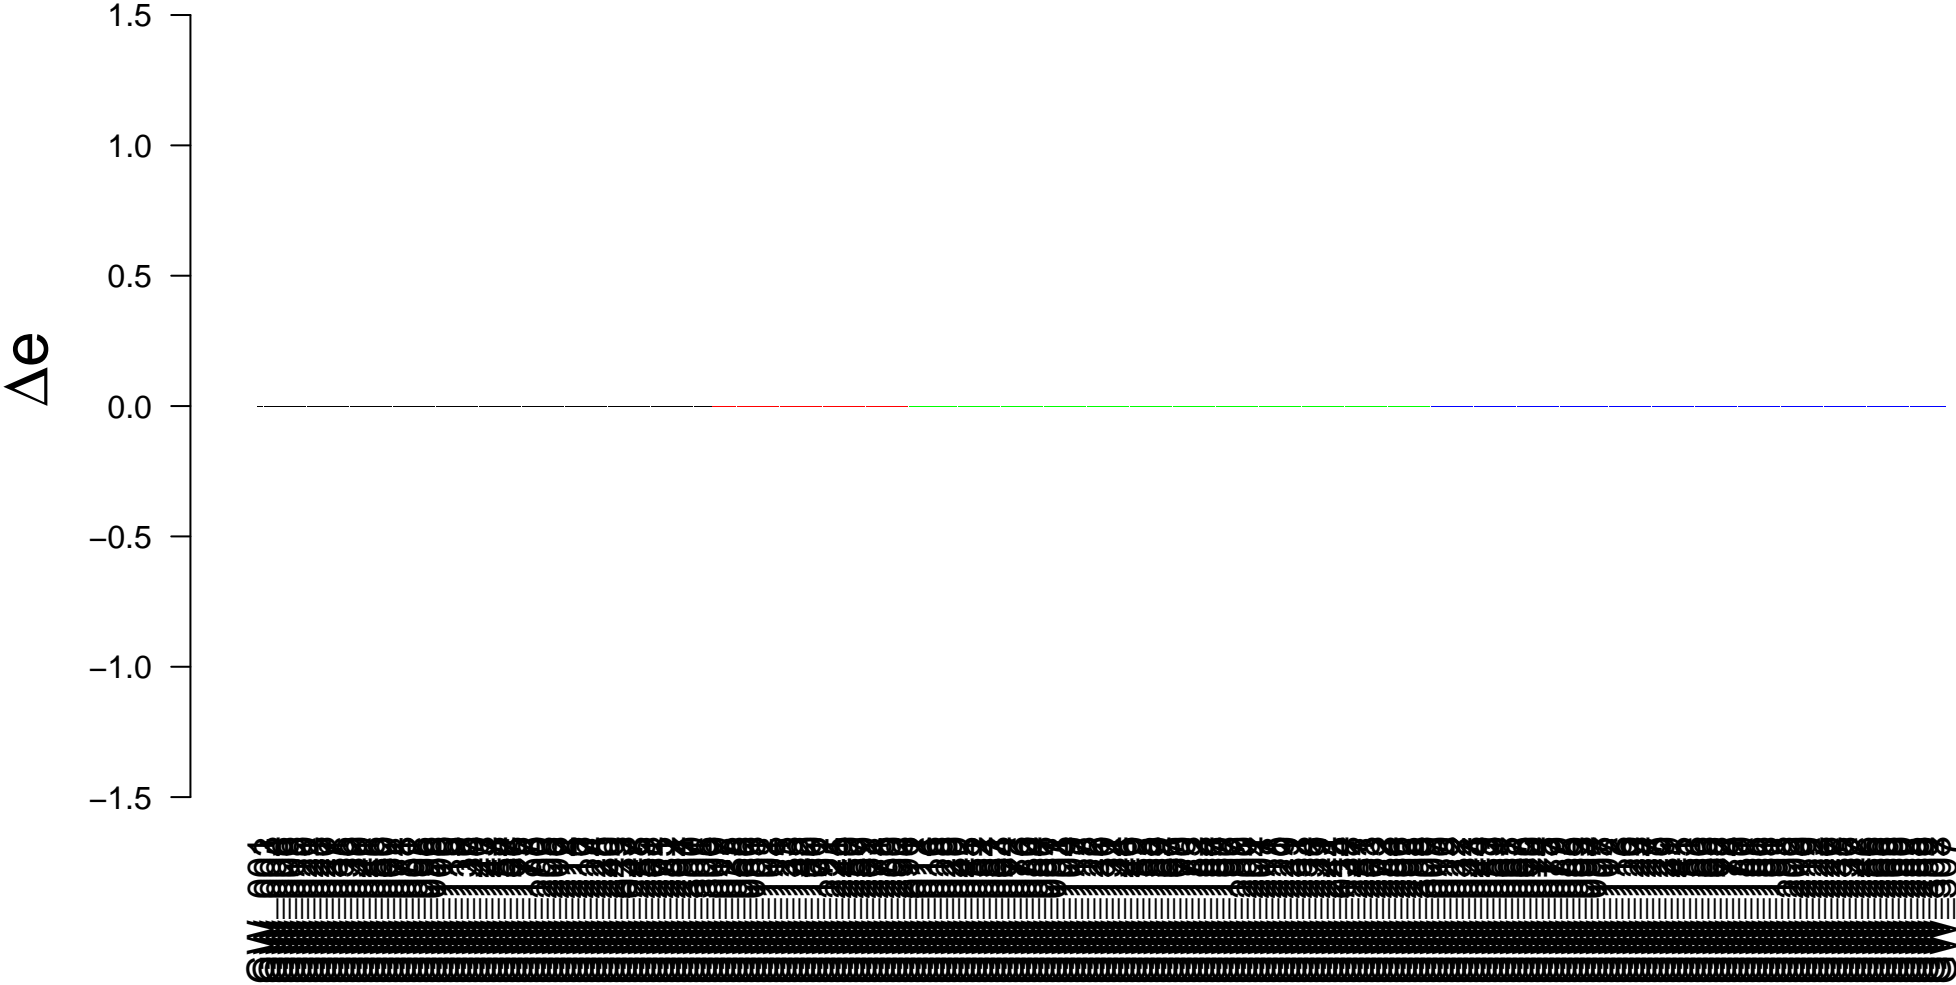

Expression of positive regulation of ossification in Spot H

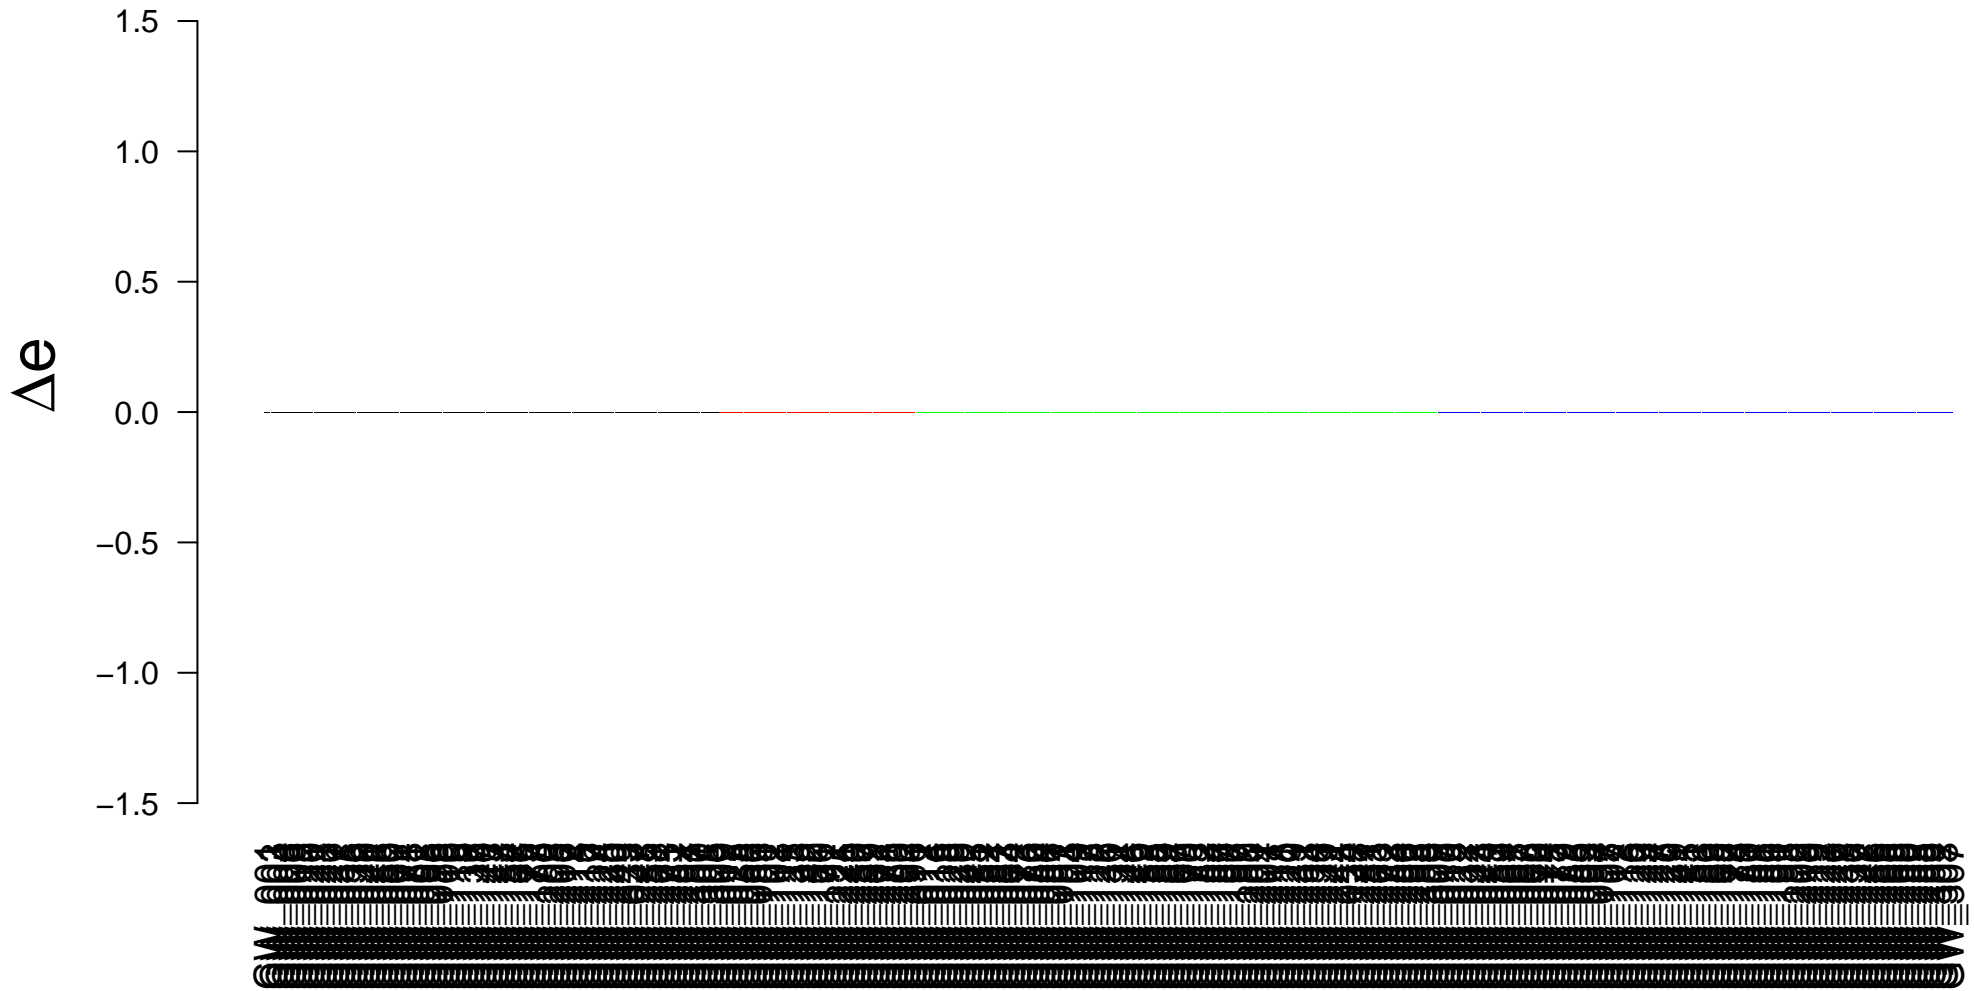

Expression of positive regulation of ossification in Spot I

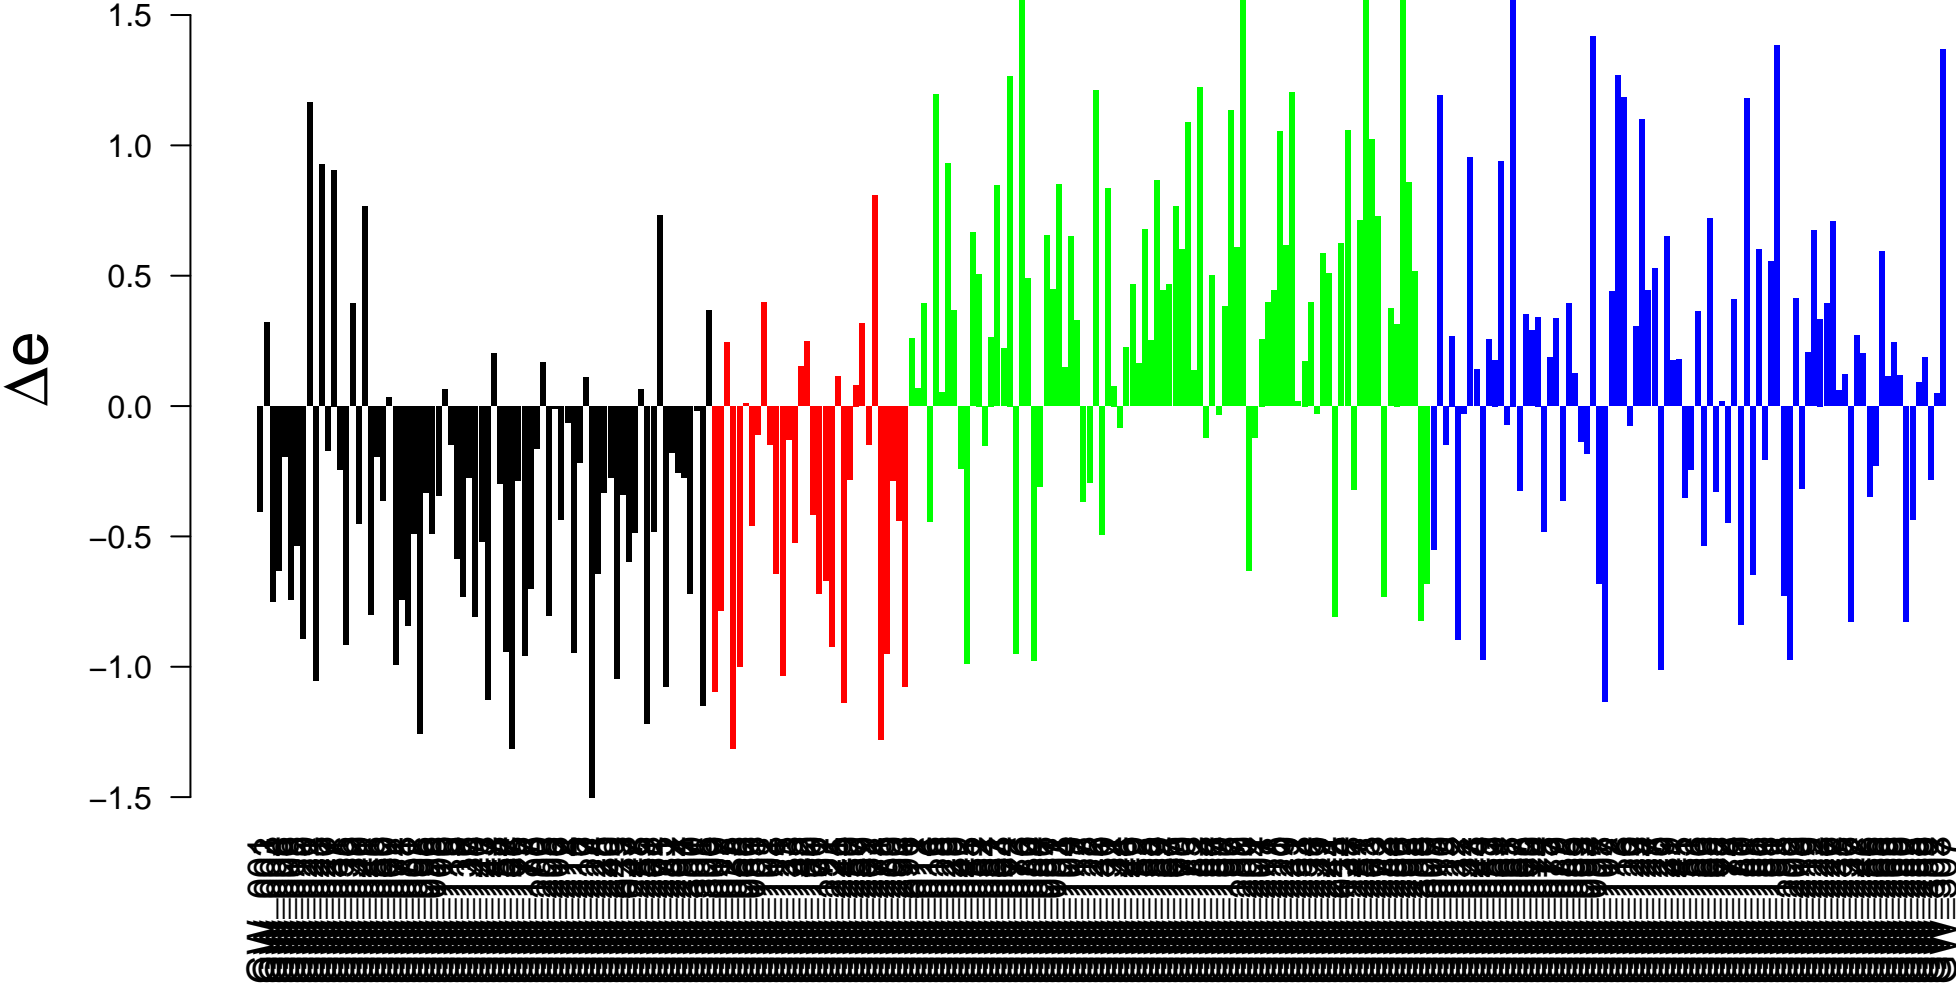

Expression of positive regulation of ossification in Spot J

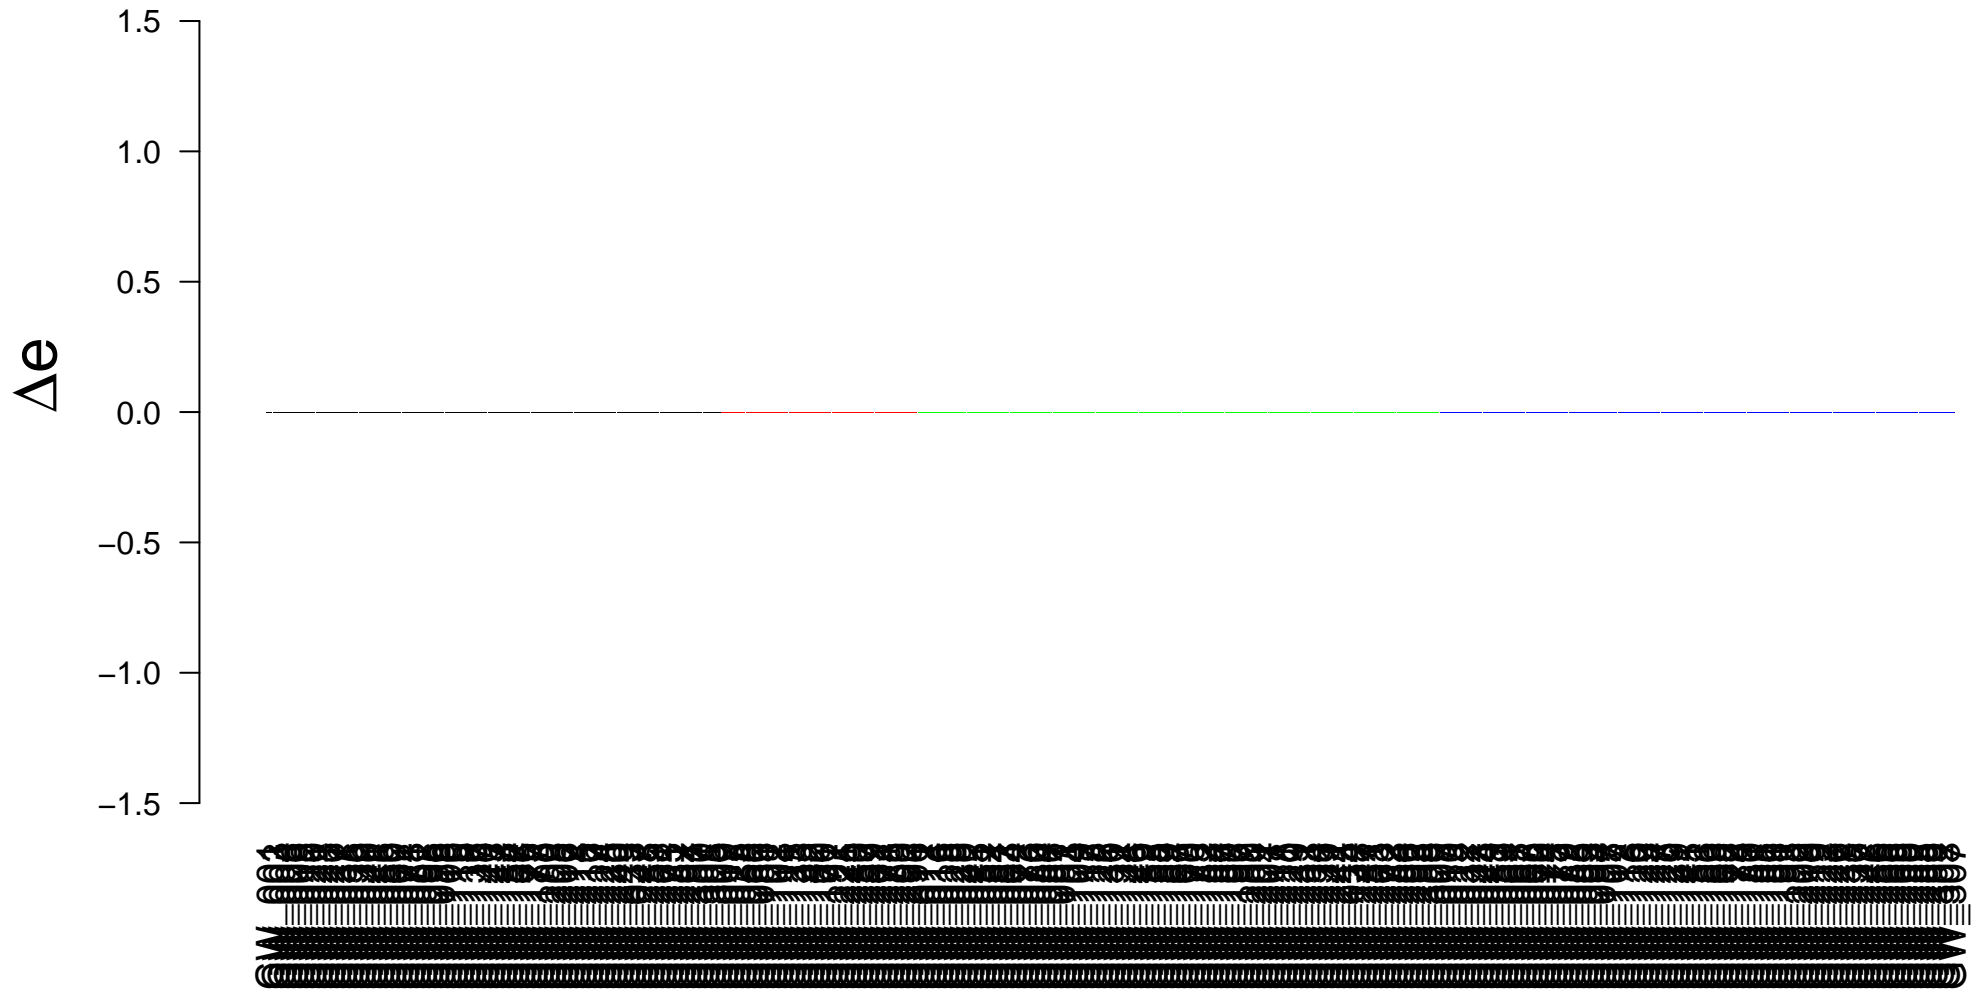

Expression of positive regulation of ossification in Spot K

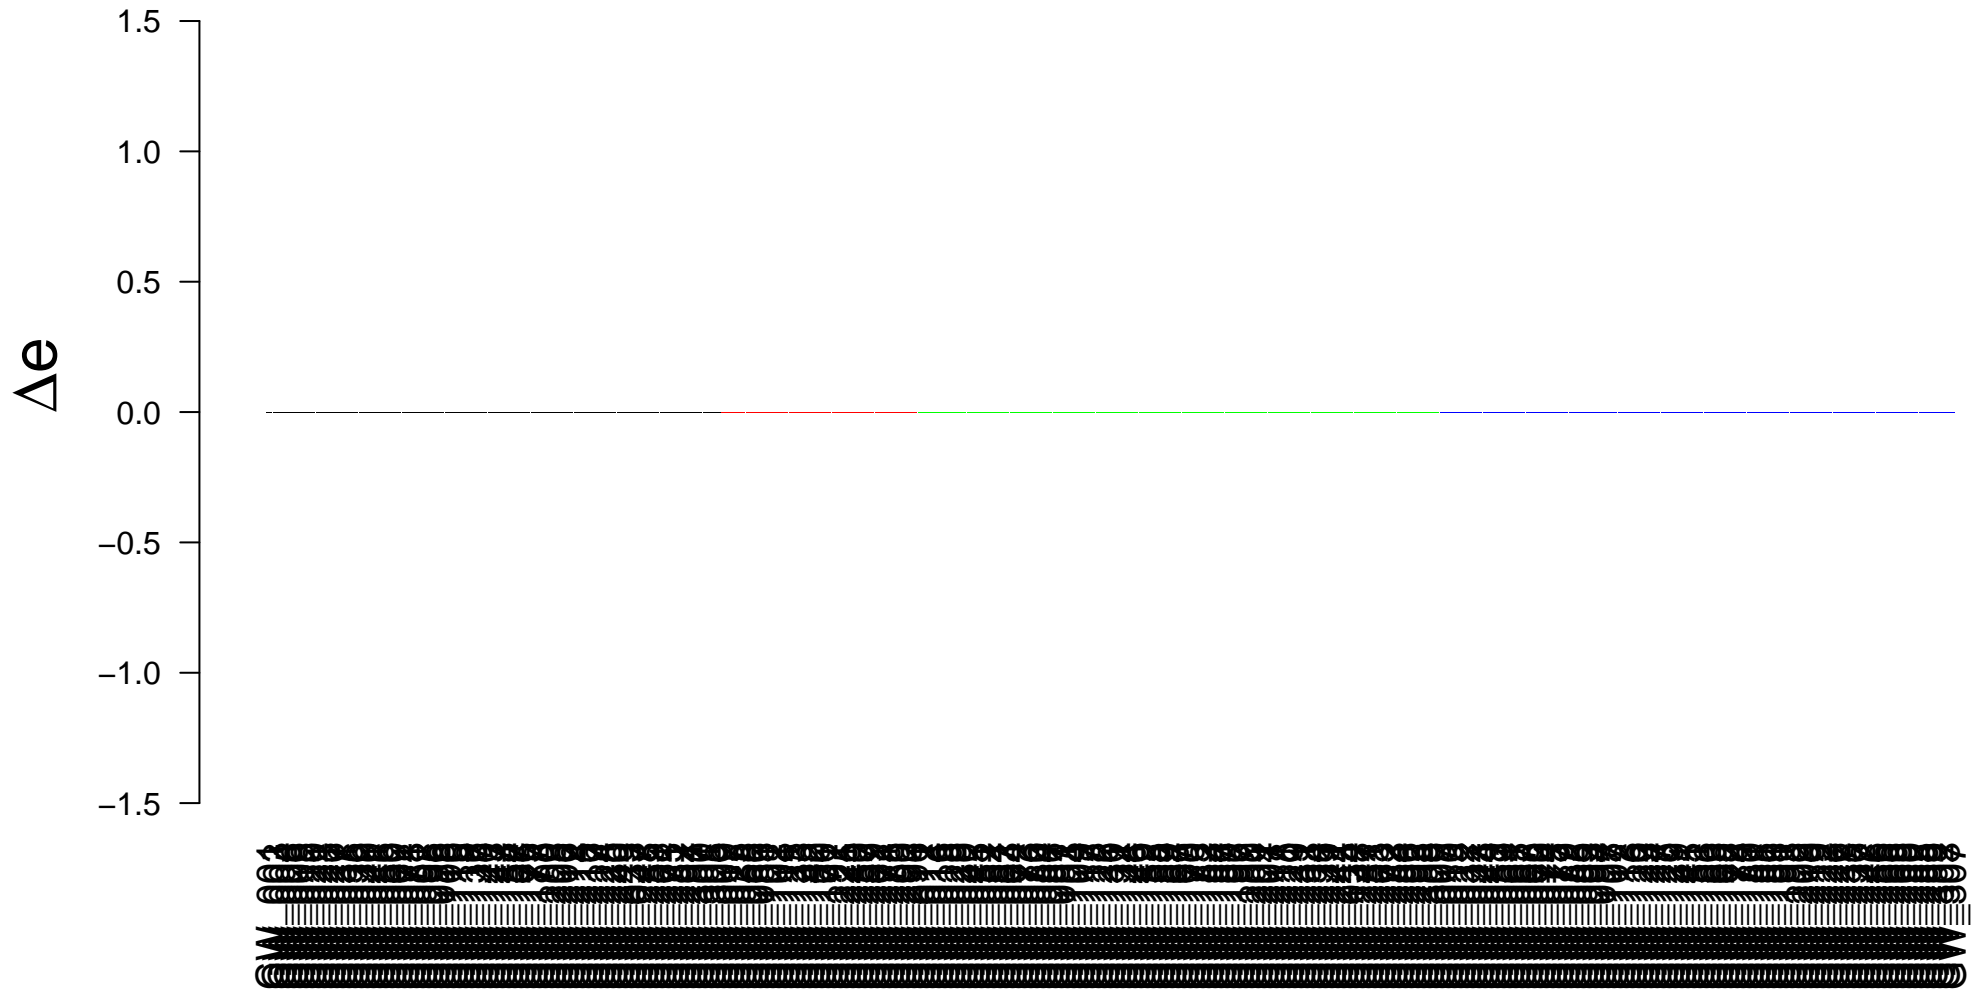

Expression of positive regulation of ossification in Spot L

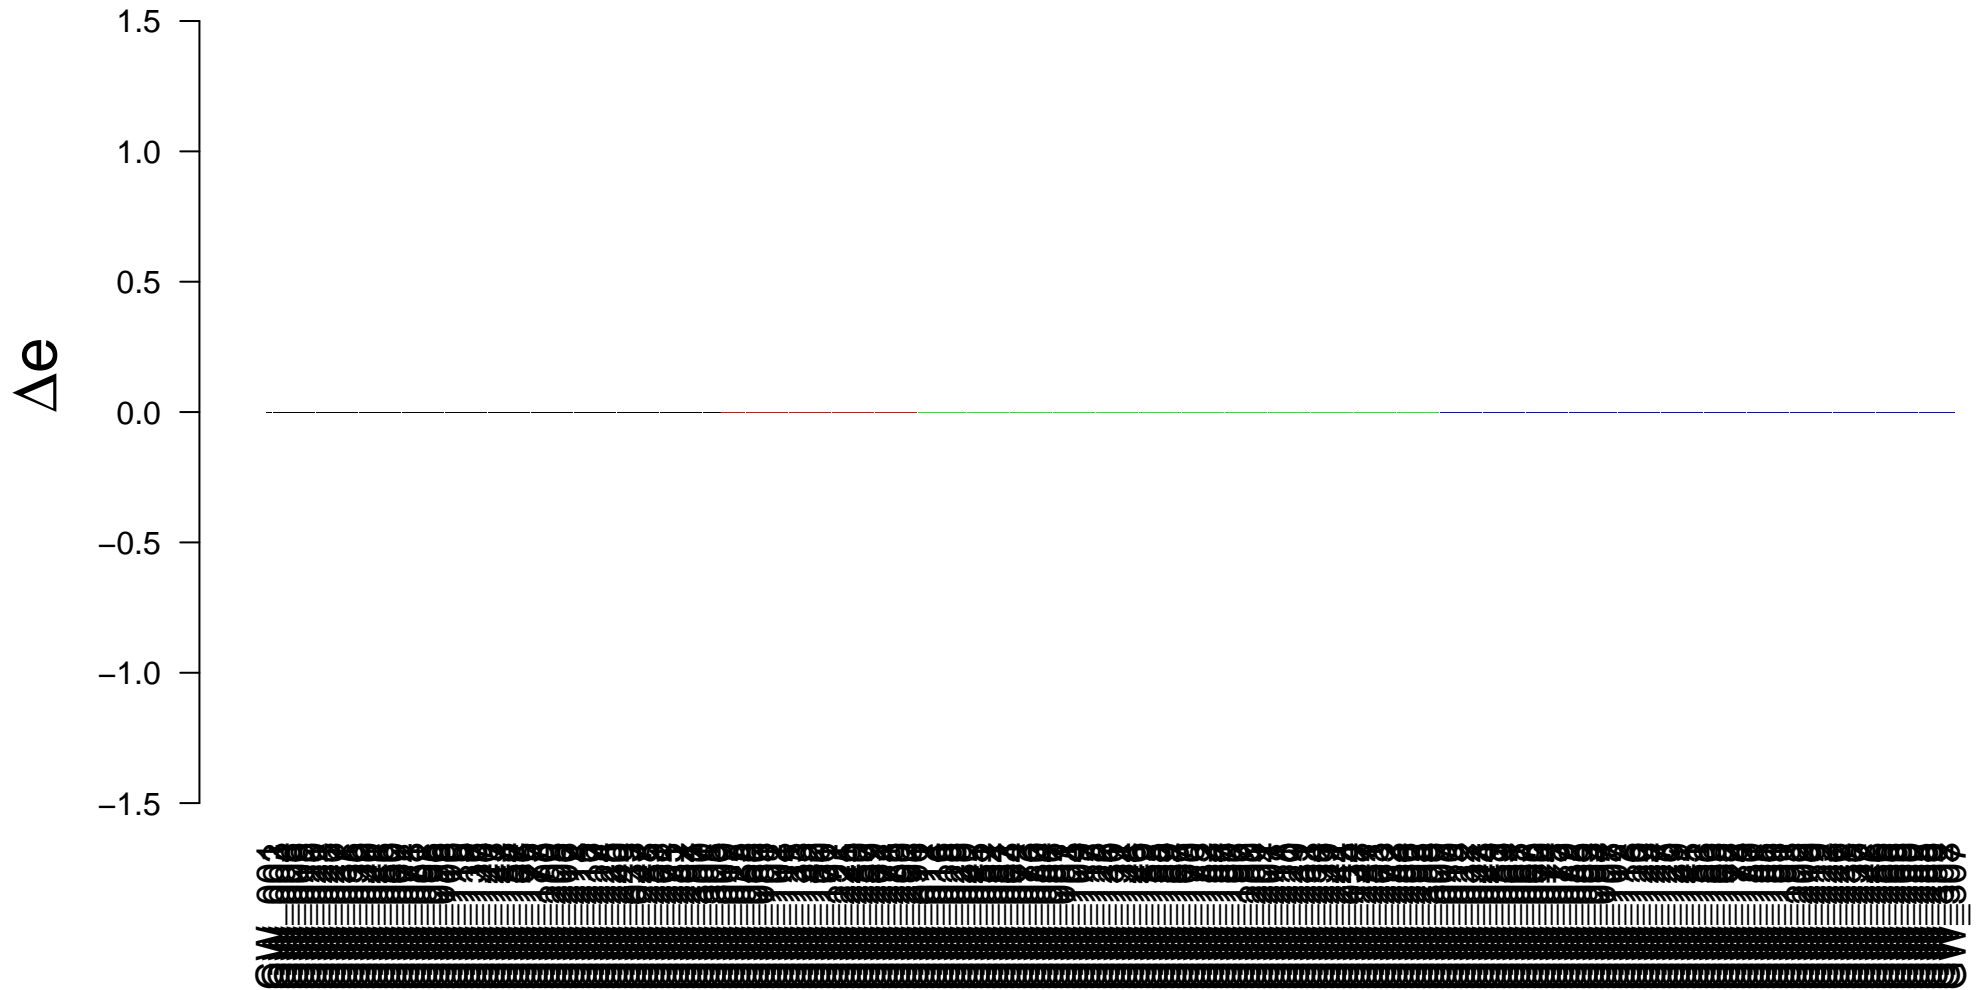

Expression of positive regulation of ossification in Spot M

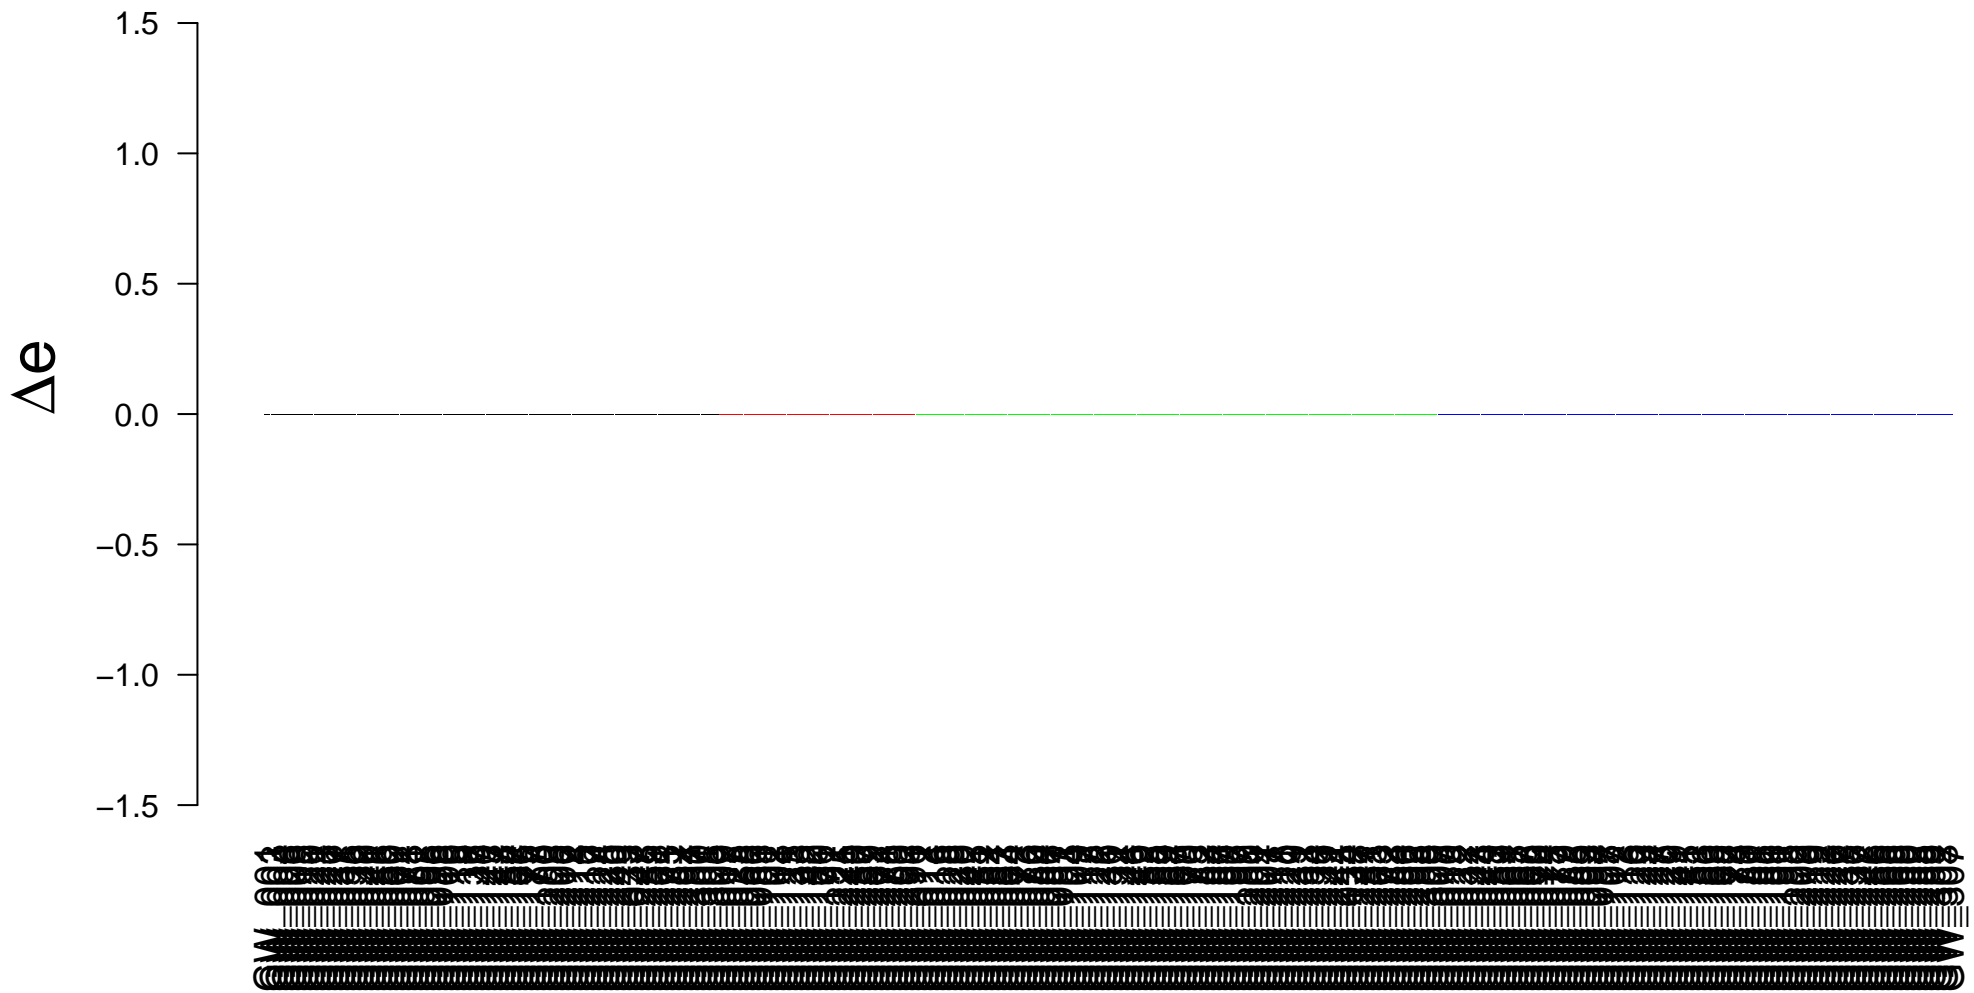

Expression of positive regulation of ossification in Spot N

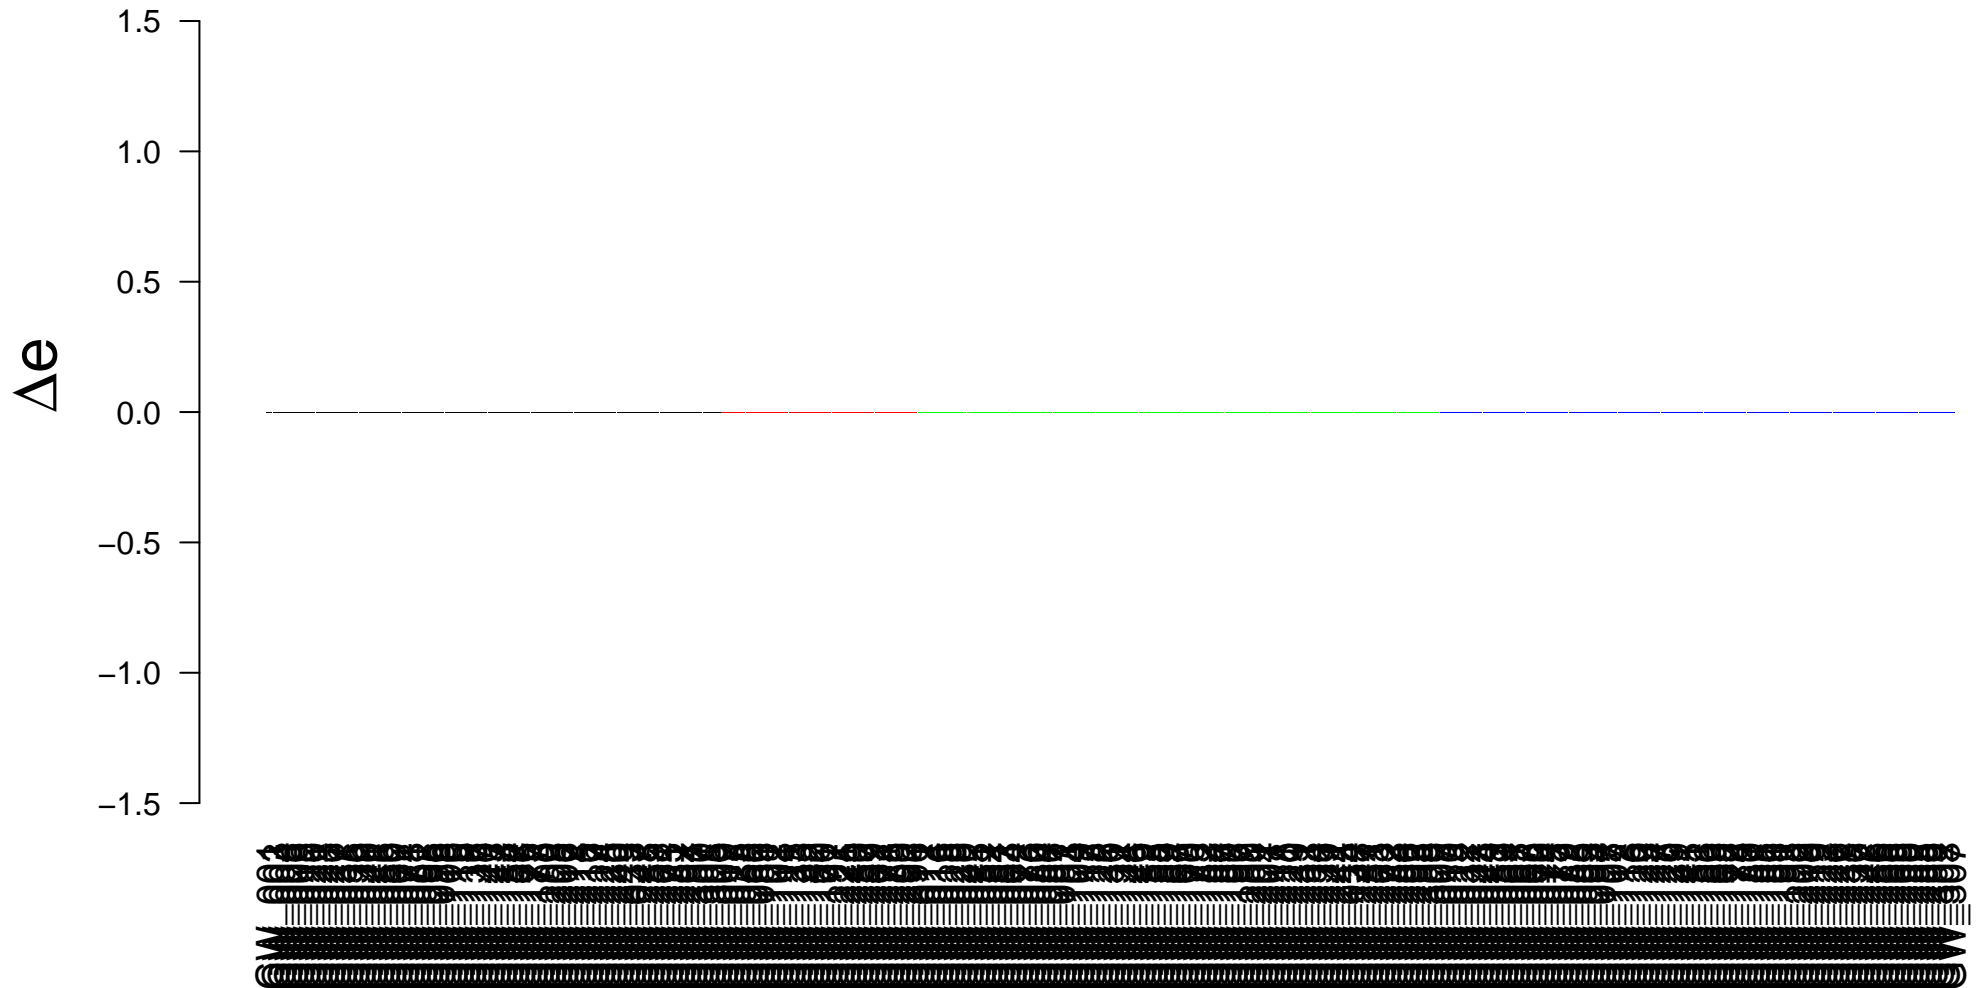

Expression of positive regulation of ossification in Spot O

Expression of positive regulation of ossification in Spot P

Expression of positive regulation of ossification in Spot Q

Expression of positive regulation of ossification in Spot R
