

positive regulation of phosphorylation

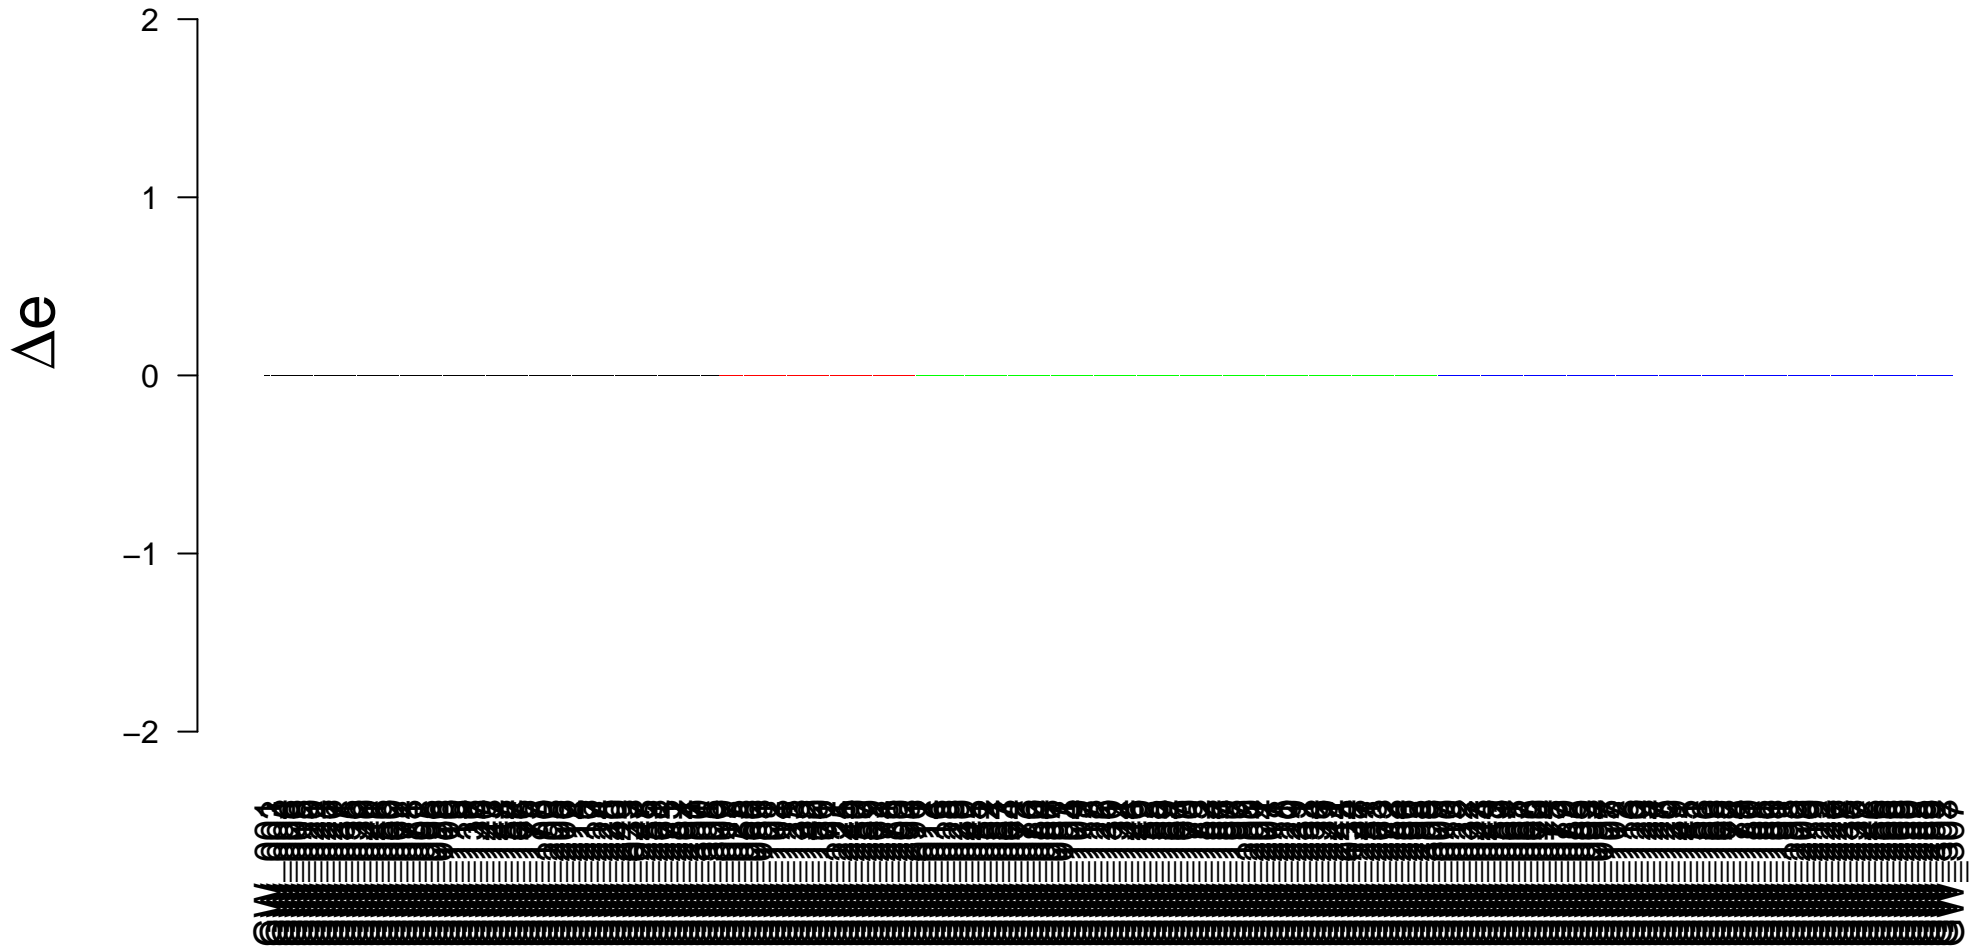

positive regulation of phosphorylation

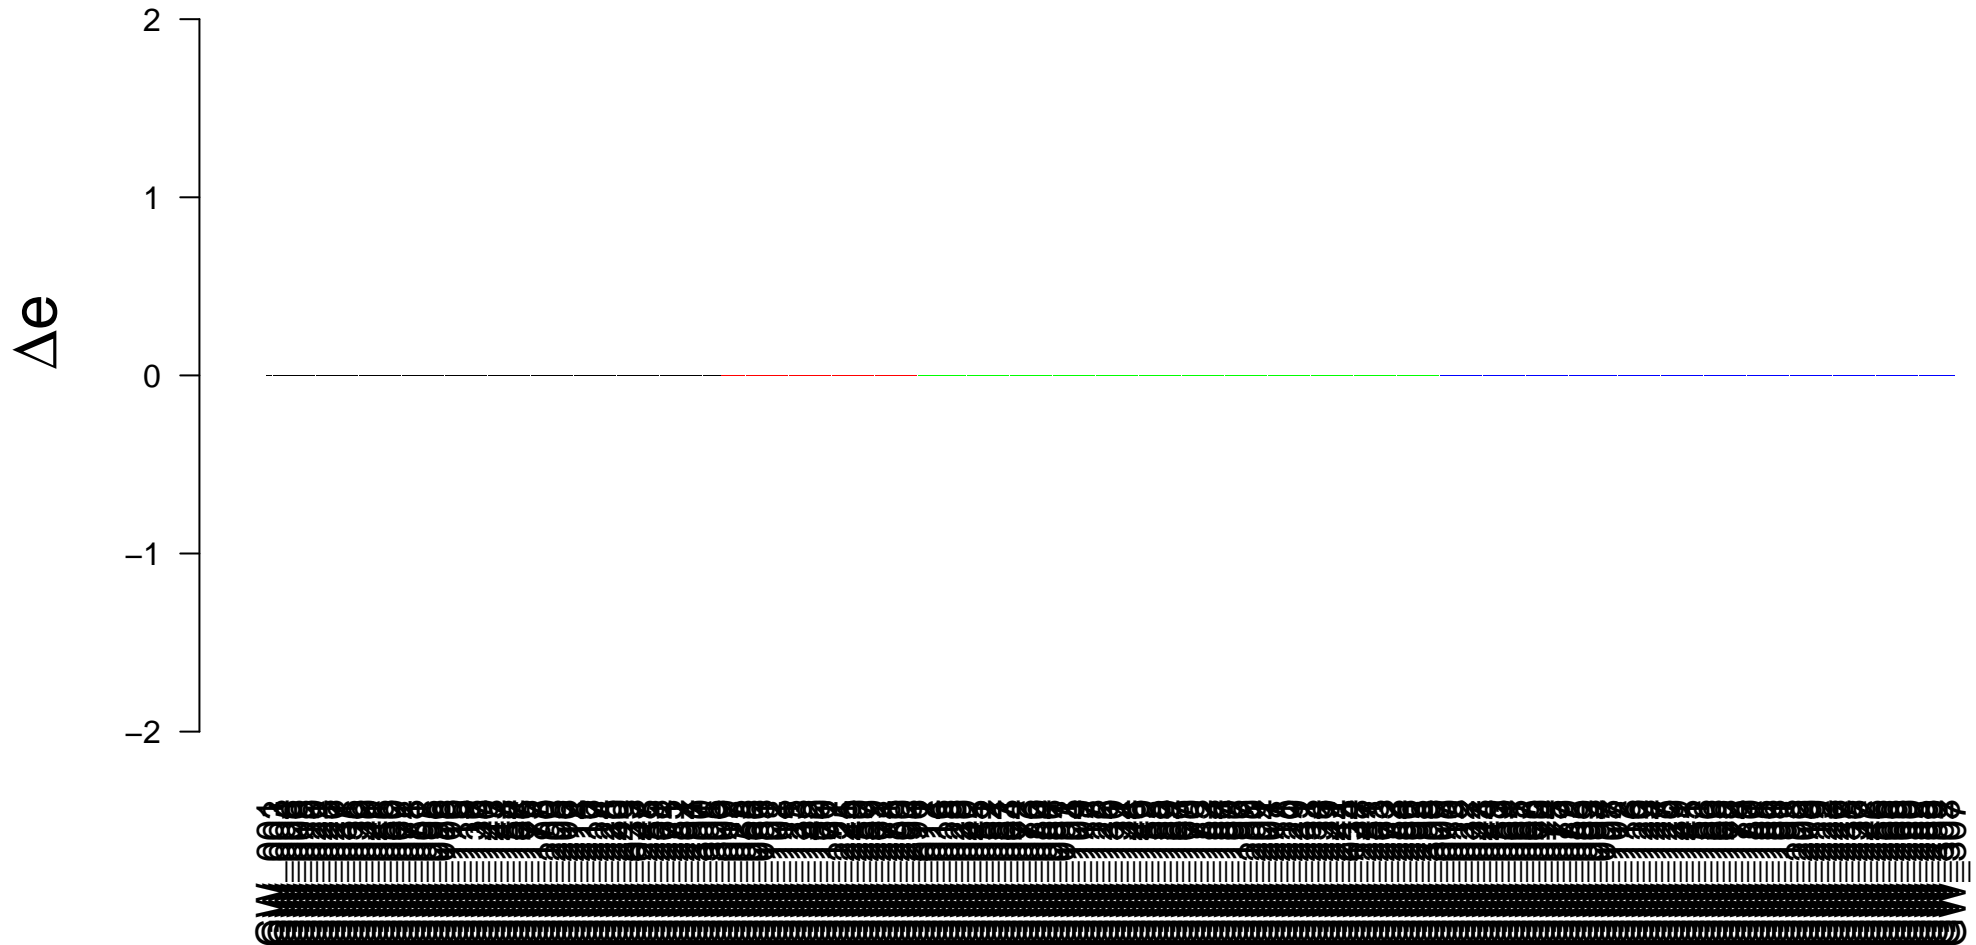

Enrichment in spots: positive regulation of phosphorylation

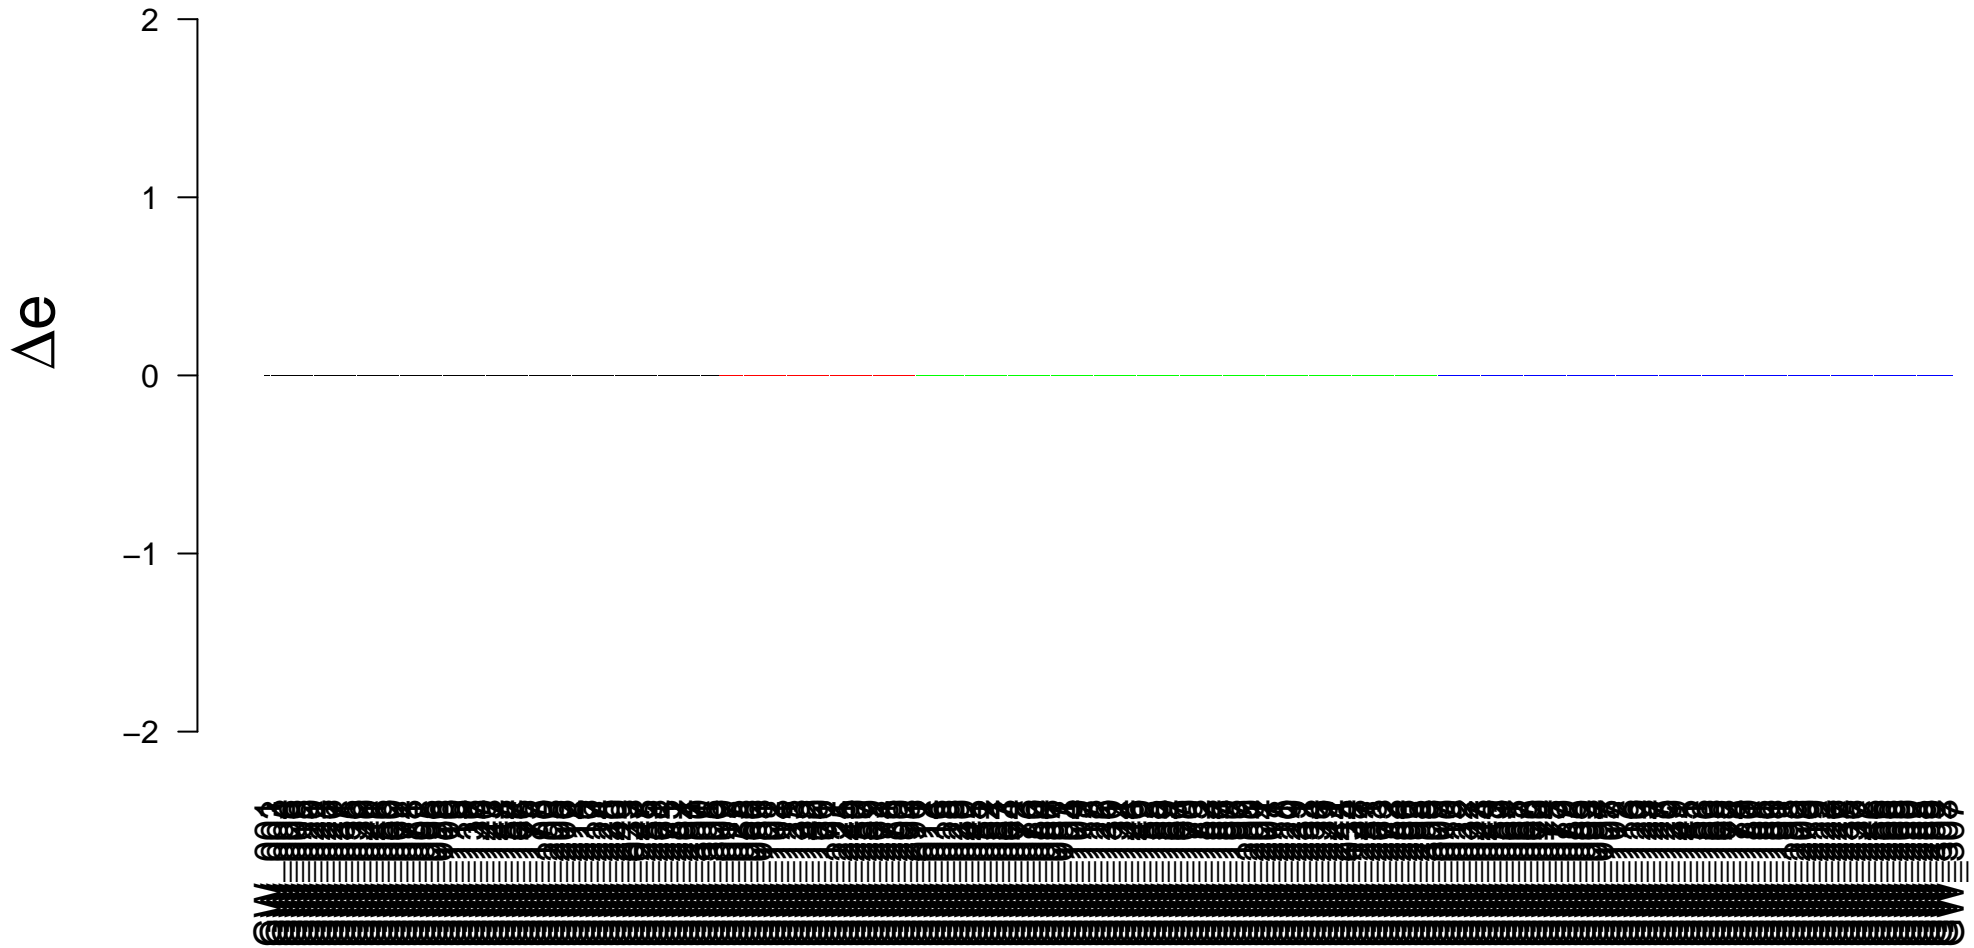

Expression of positive regulation of phosphorylation in Spot A

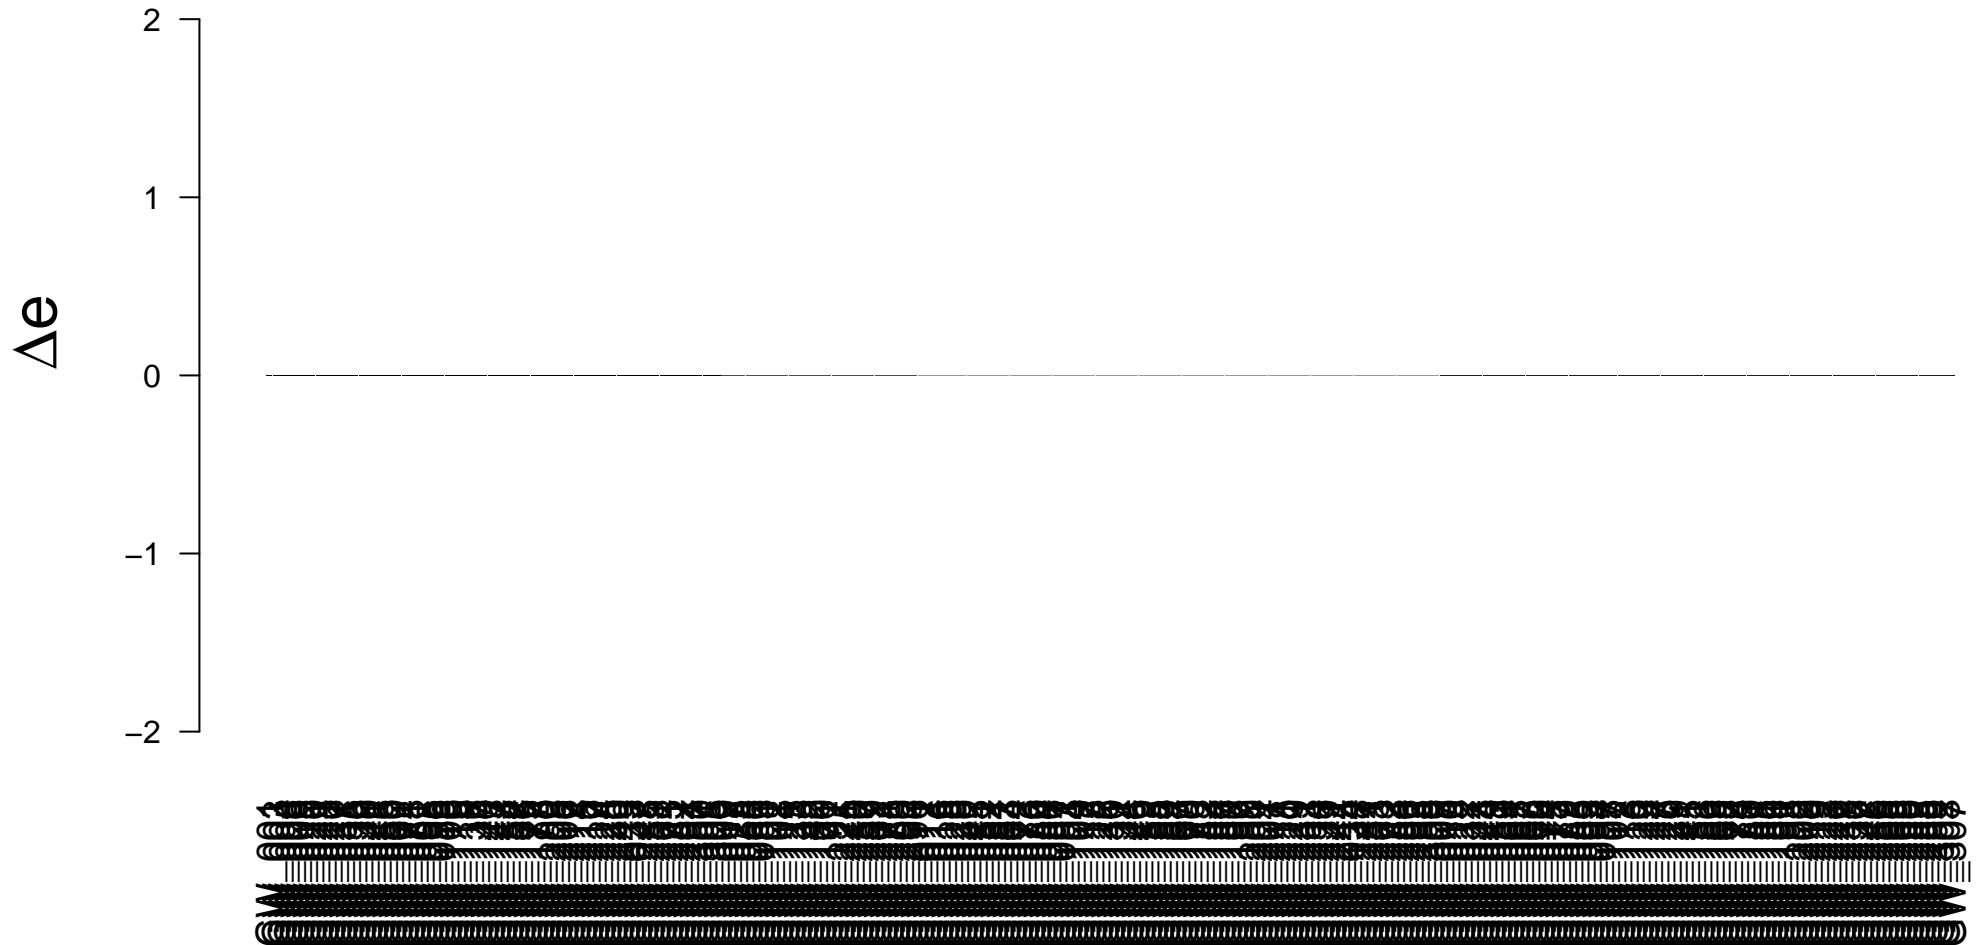

Expression of positive regulation of phosphorylation in Spot B

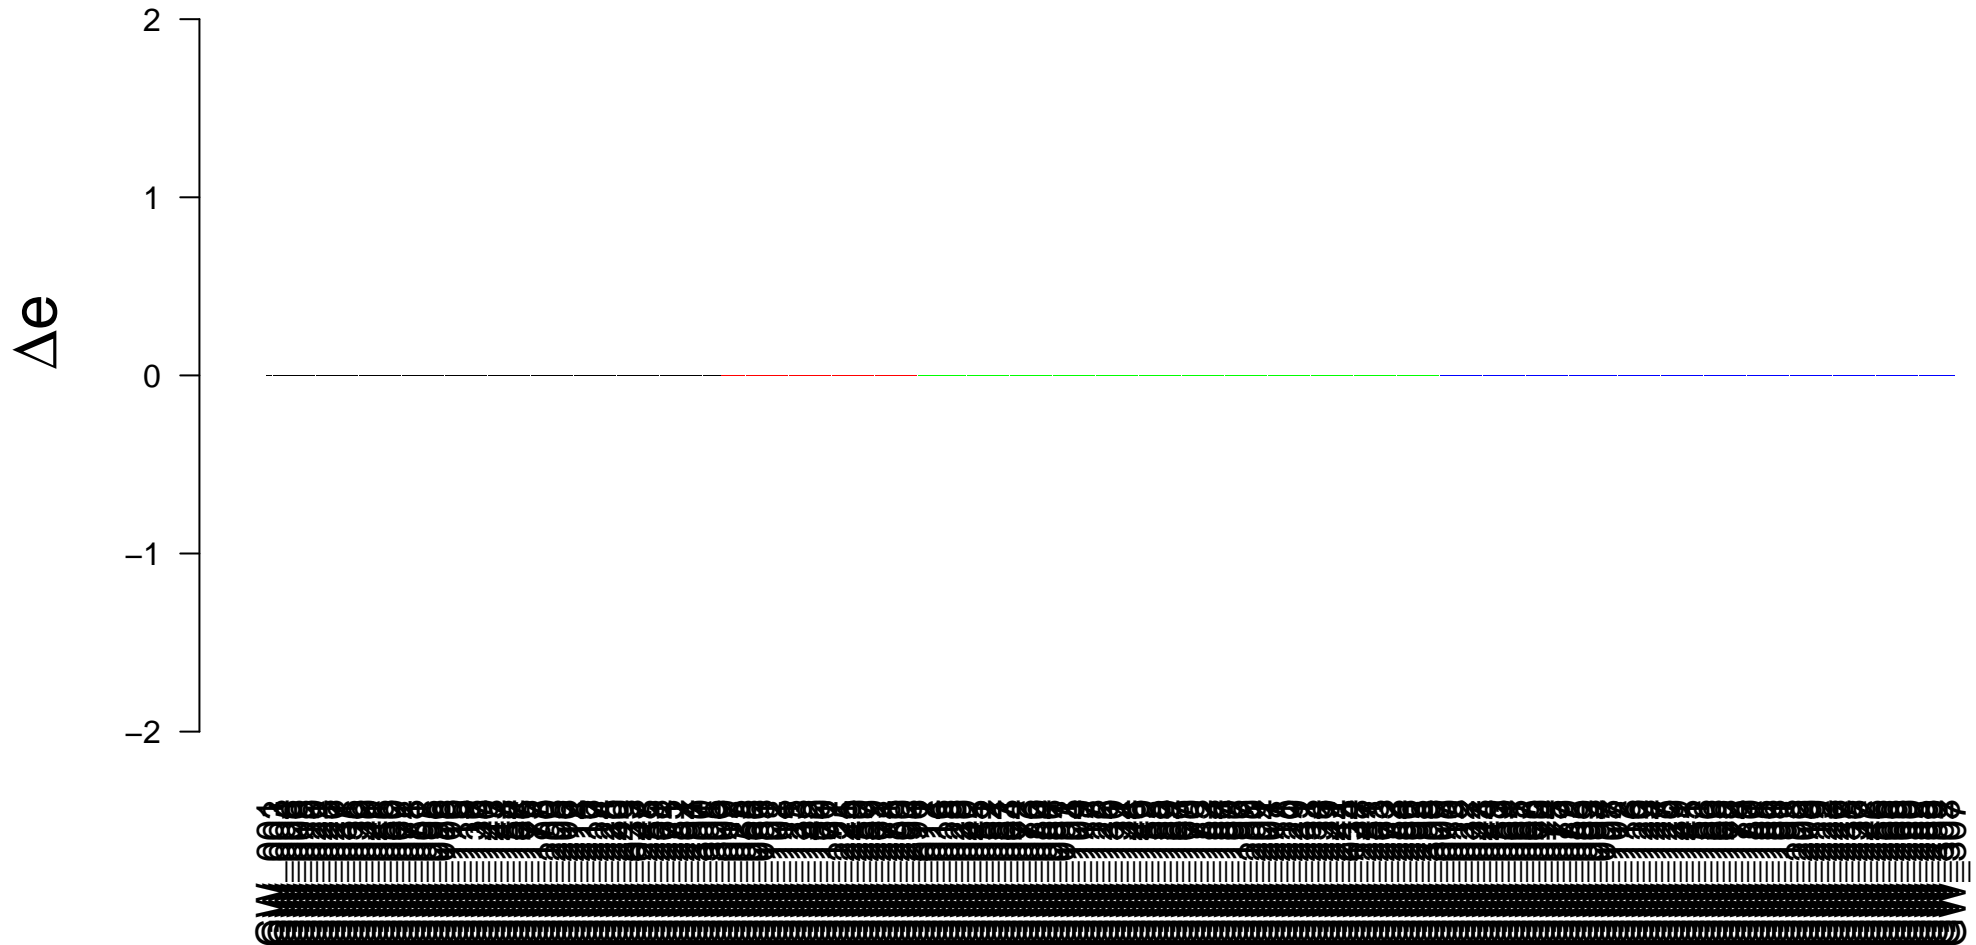

Expression of positive regulation of phosphorylation in Spot C

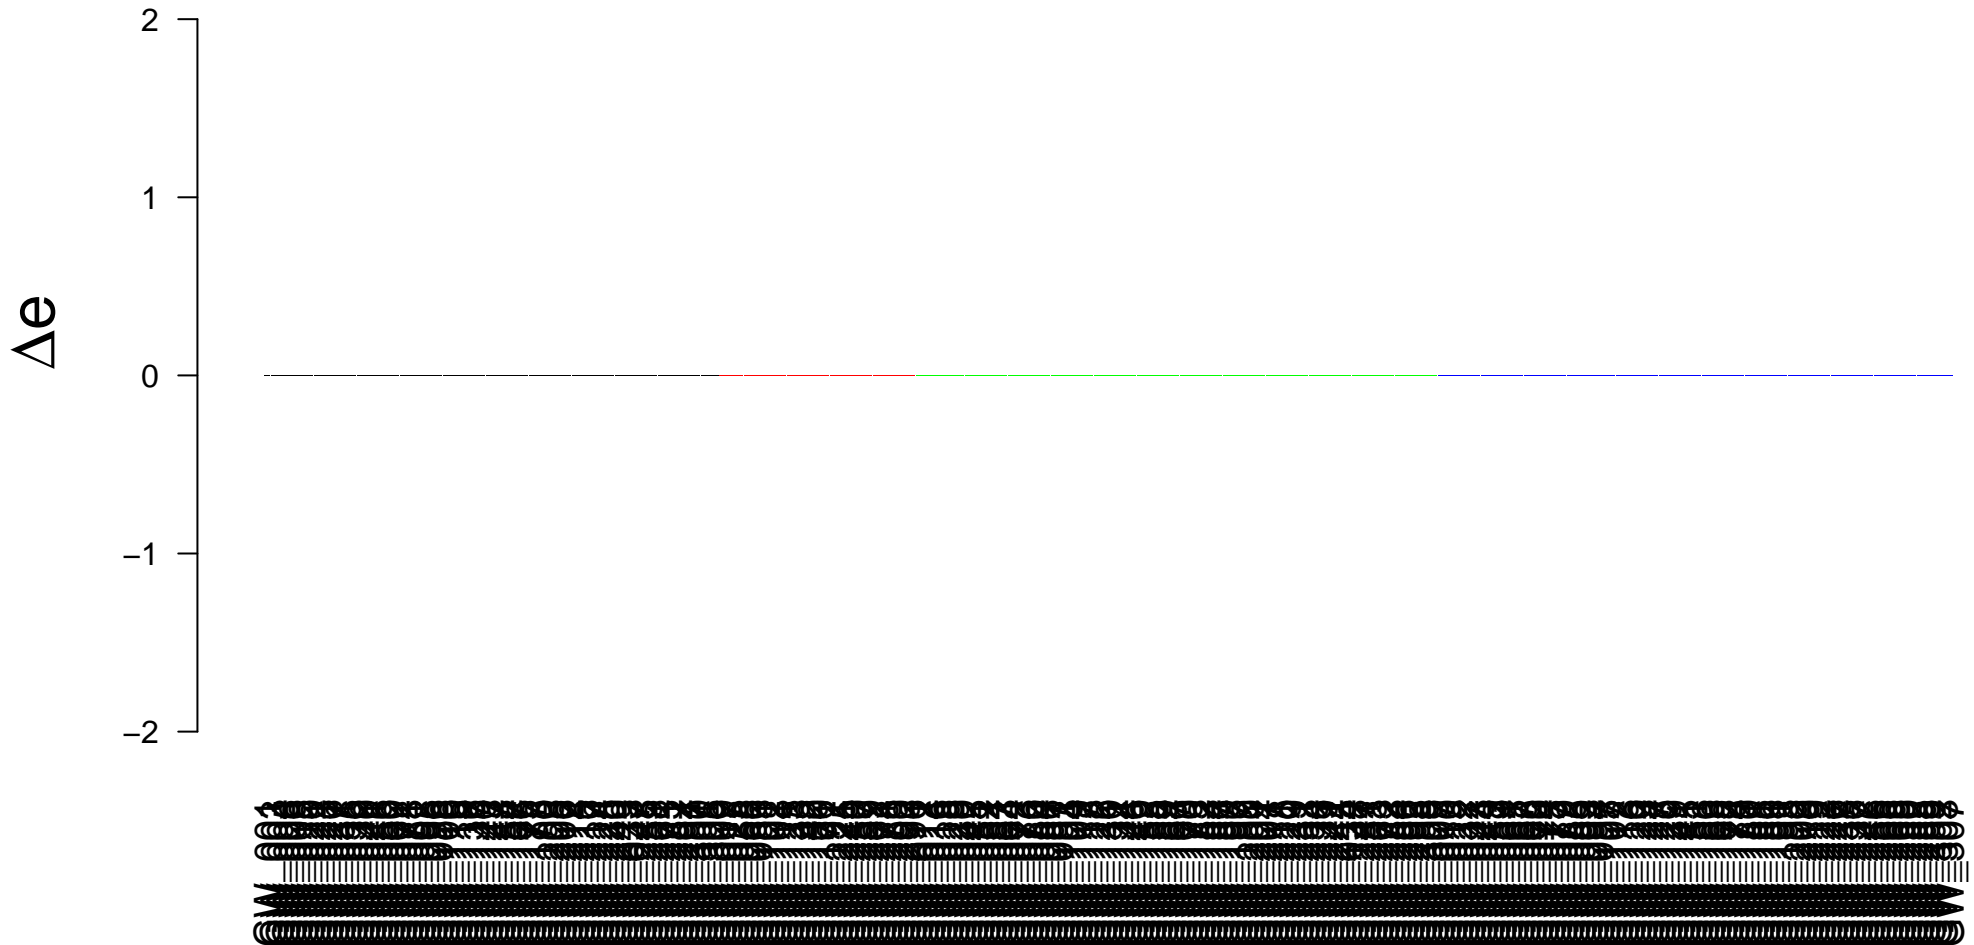

Expression of positive regulation of phosphorylation in Spot D

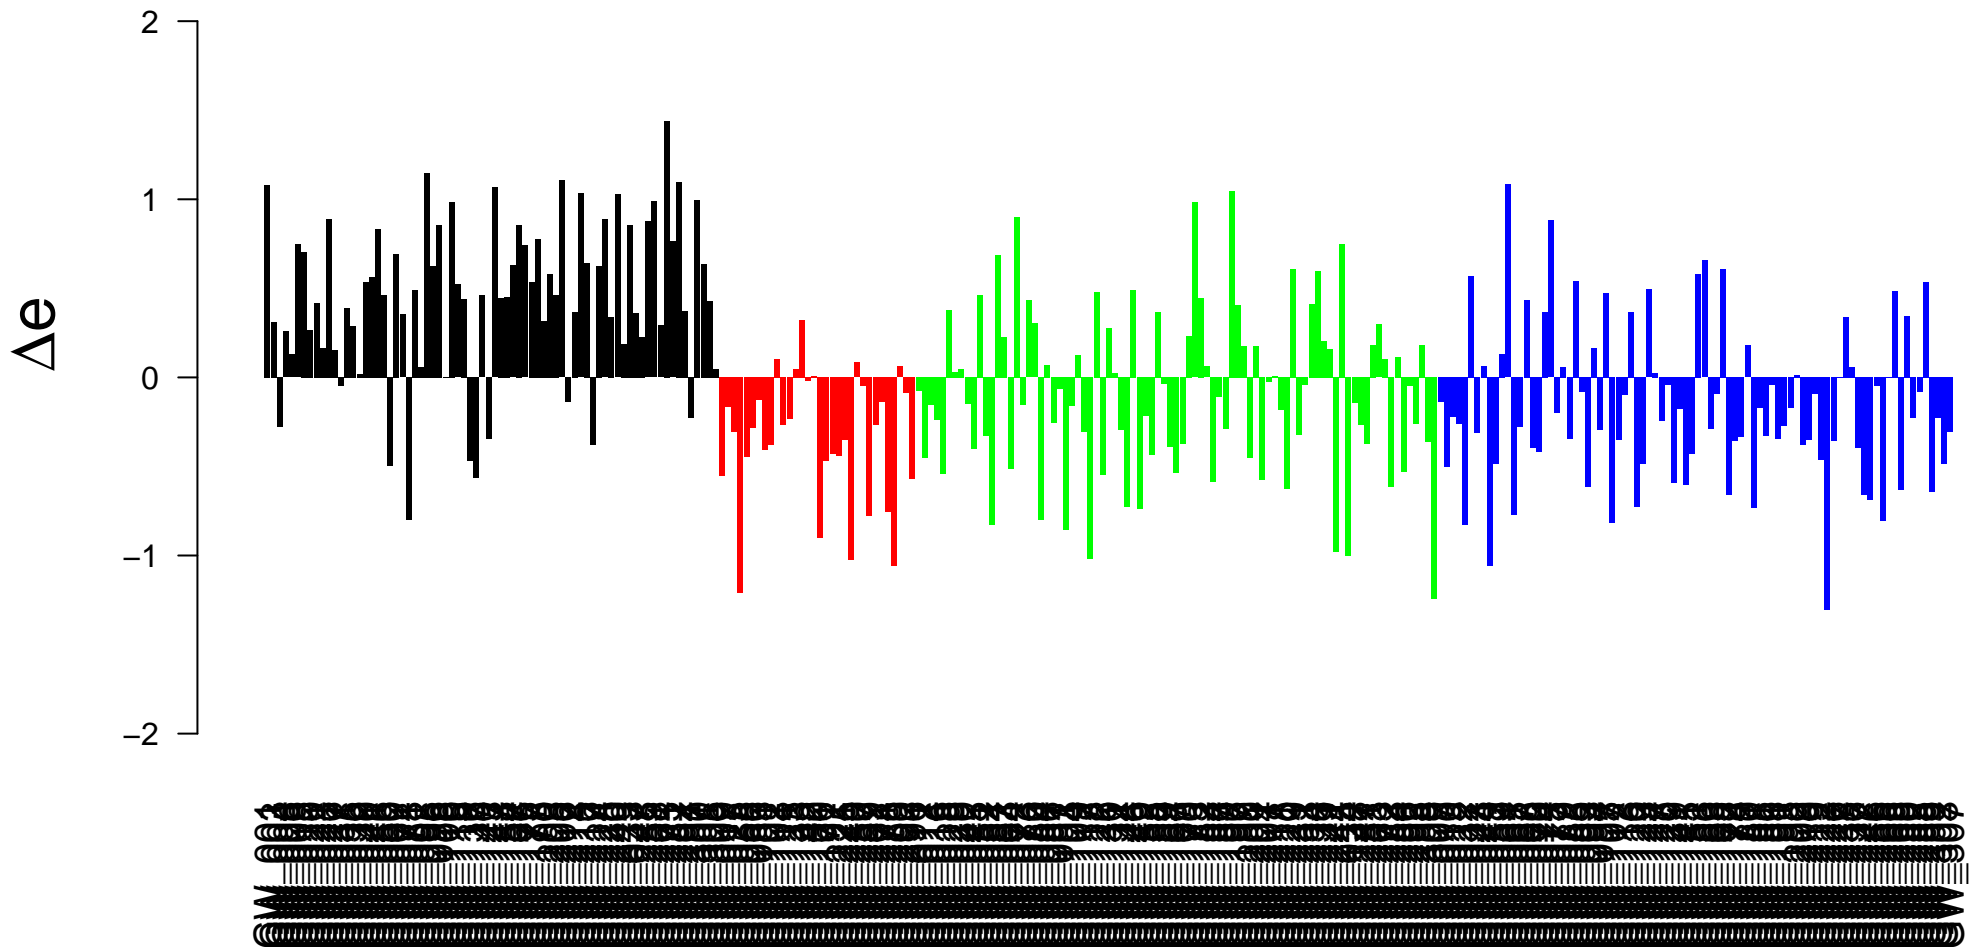

Expression of positive regulation of phosphorylation in Spot E

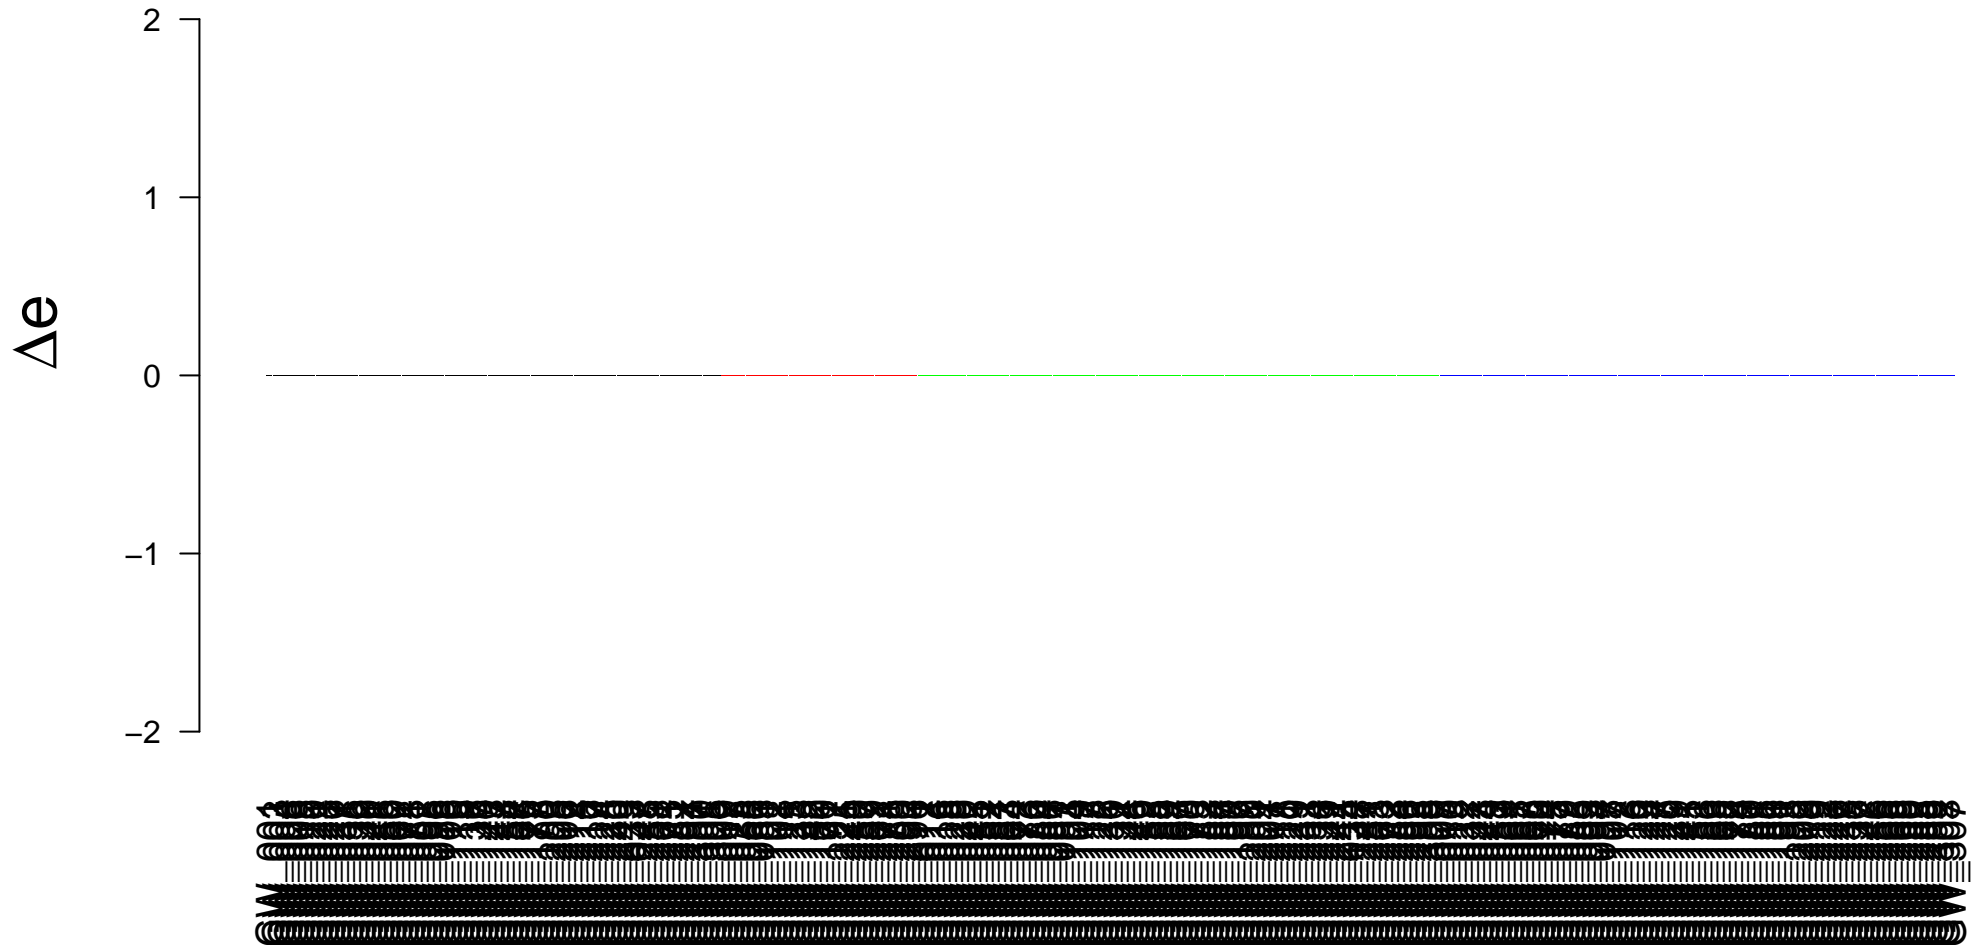

Expression of positive regulation of phosphorylation in Spot F

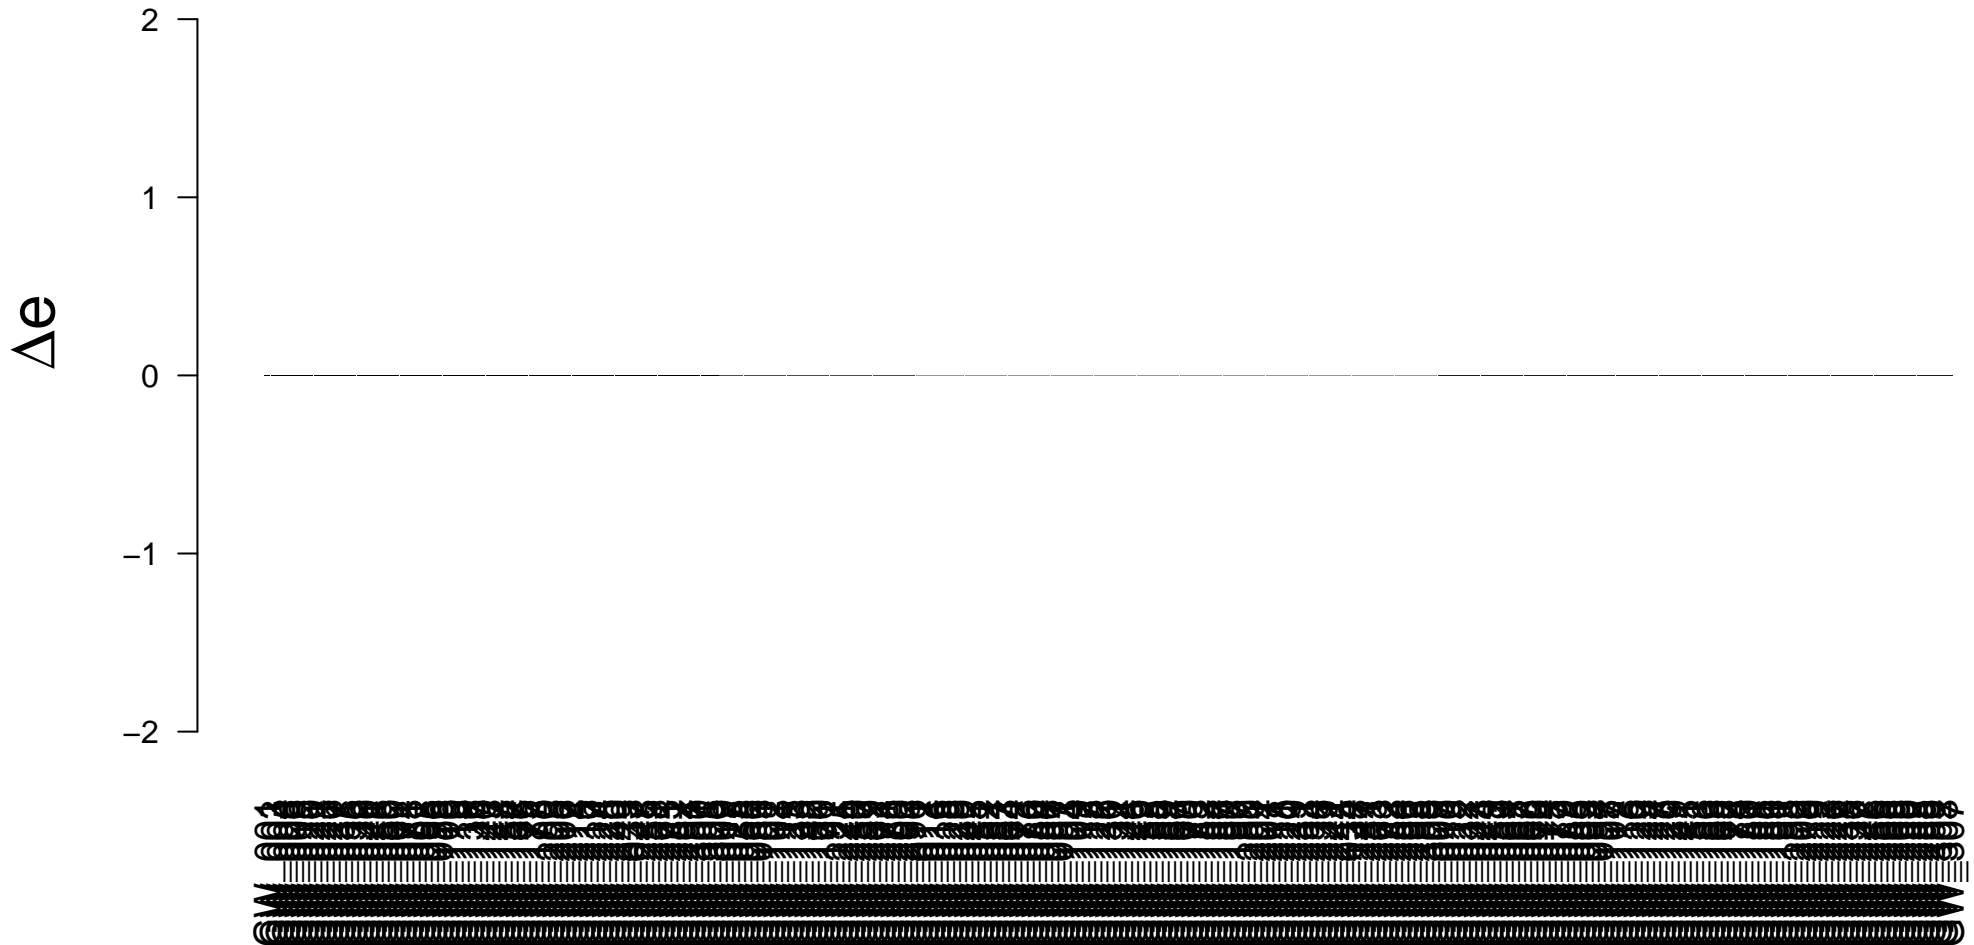

Expression of positive regulation of phosphorylation in Spot G

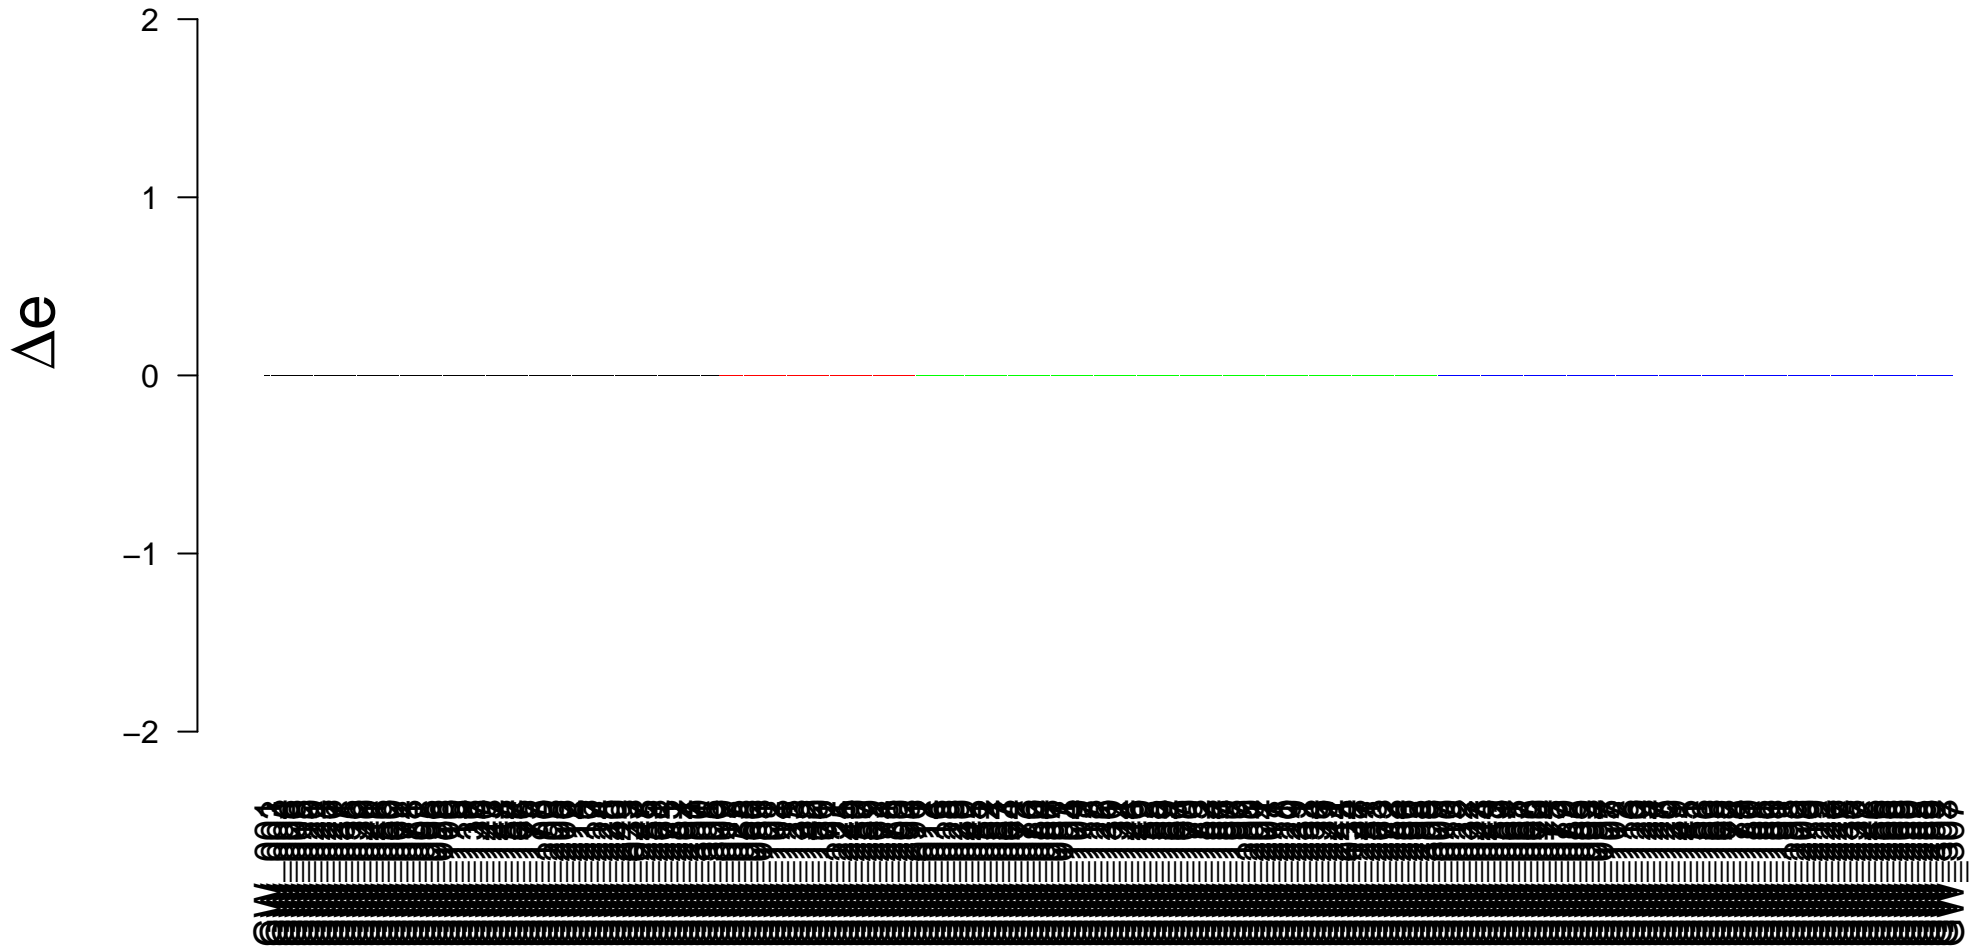

Expression of positive regulation of phosphorylation in Spot H

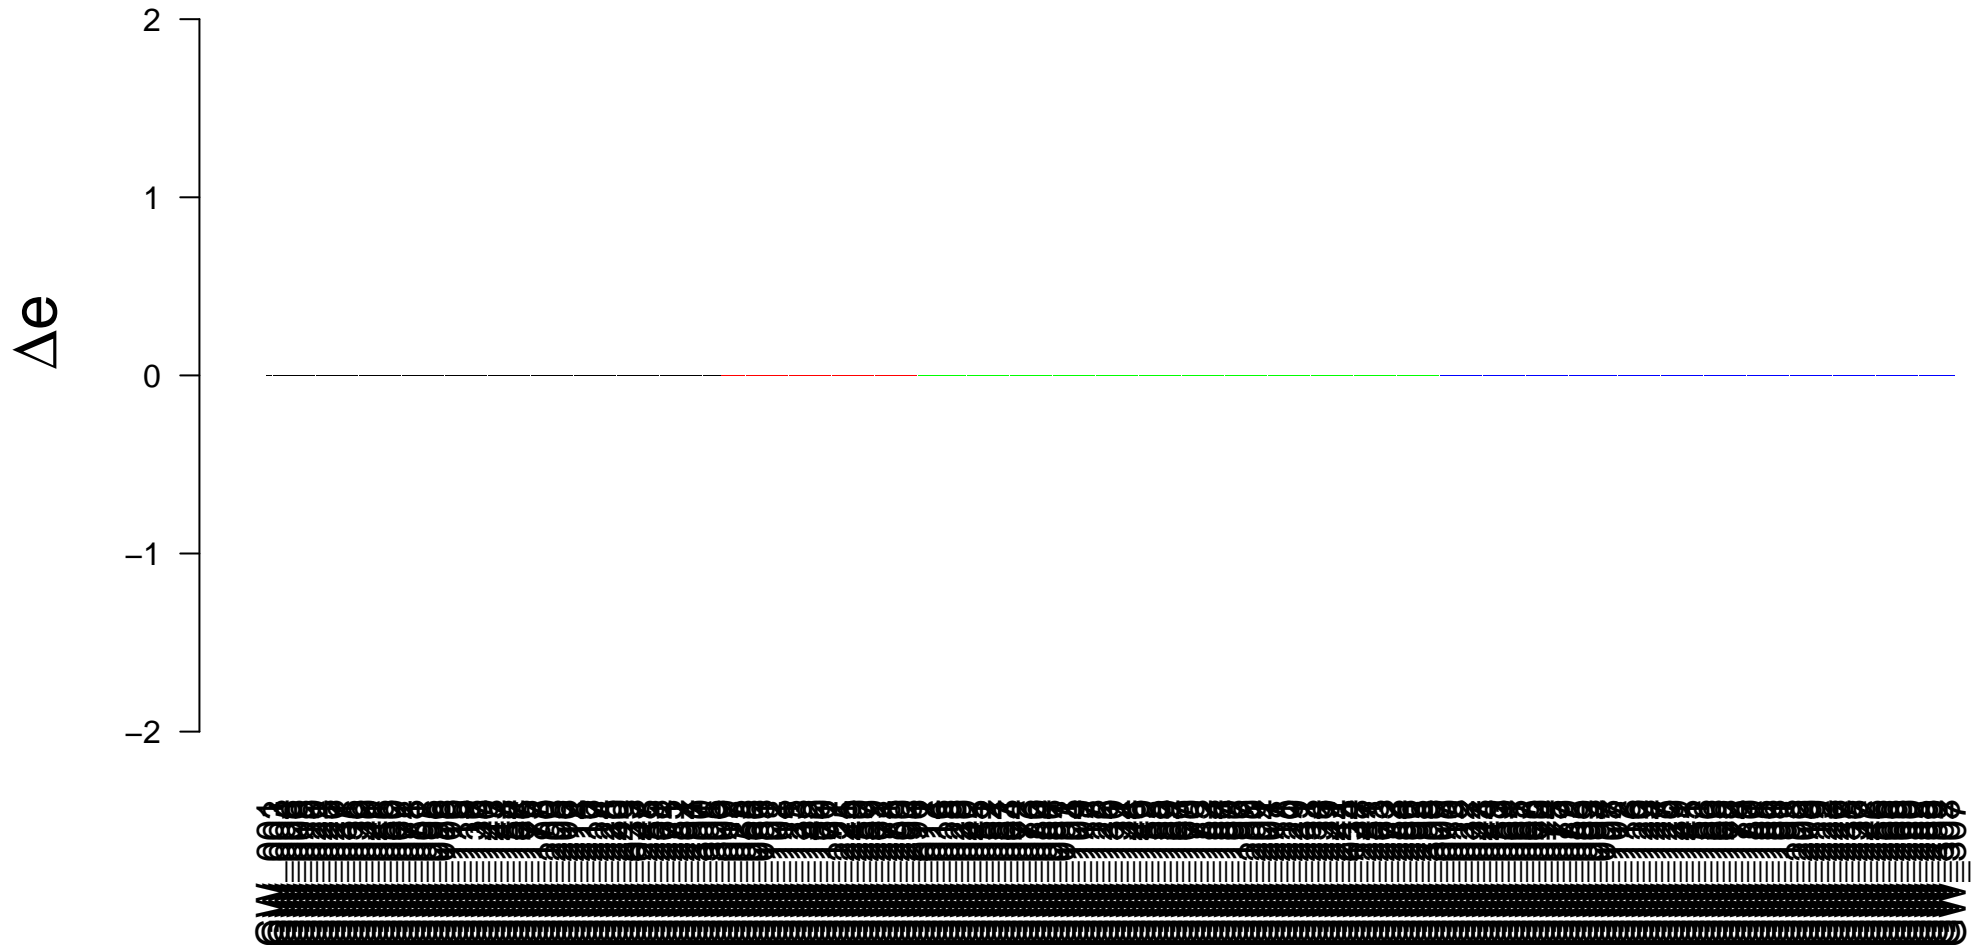

Expression of positive regulation of phosphorylation in Spot I

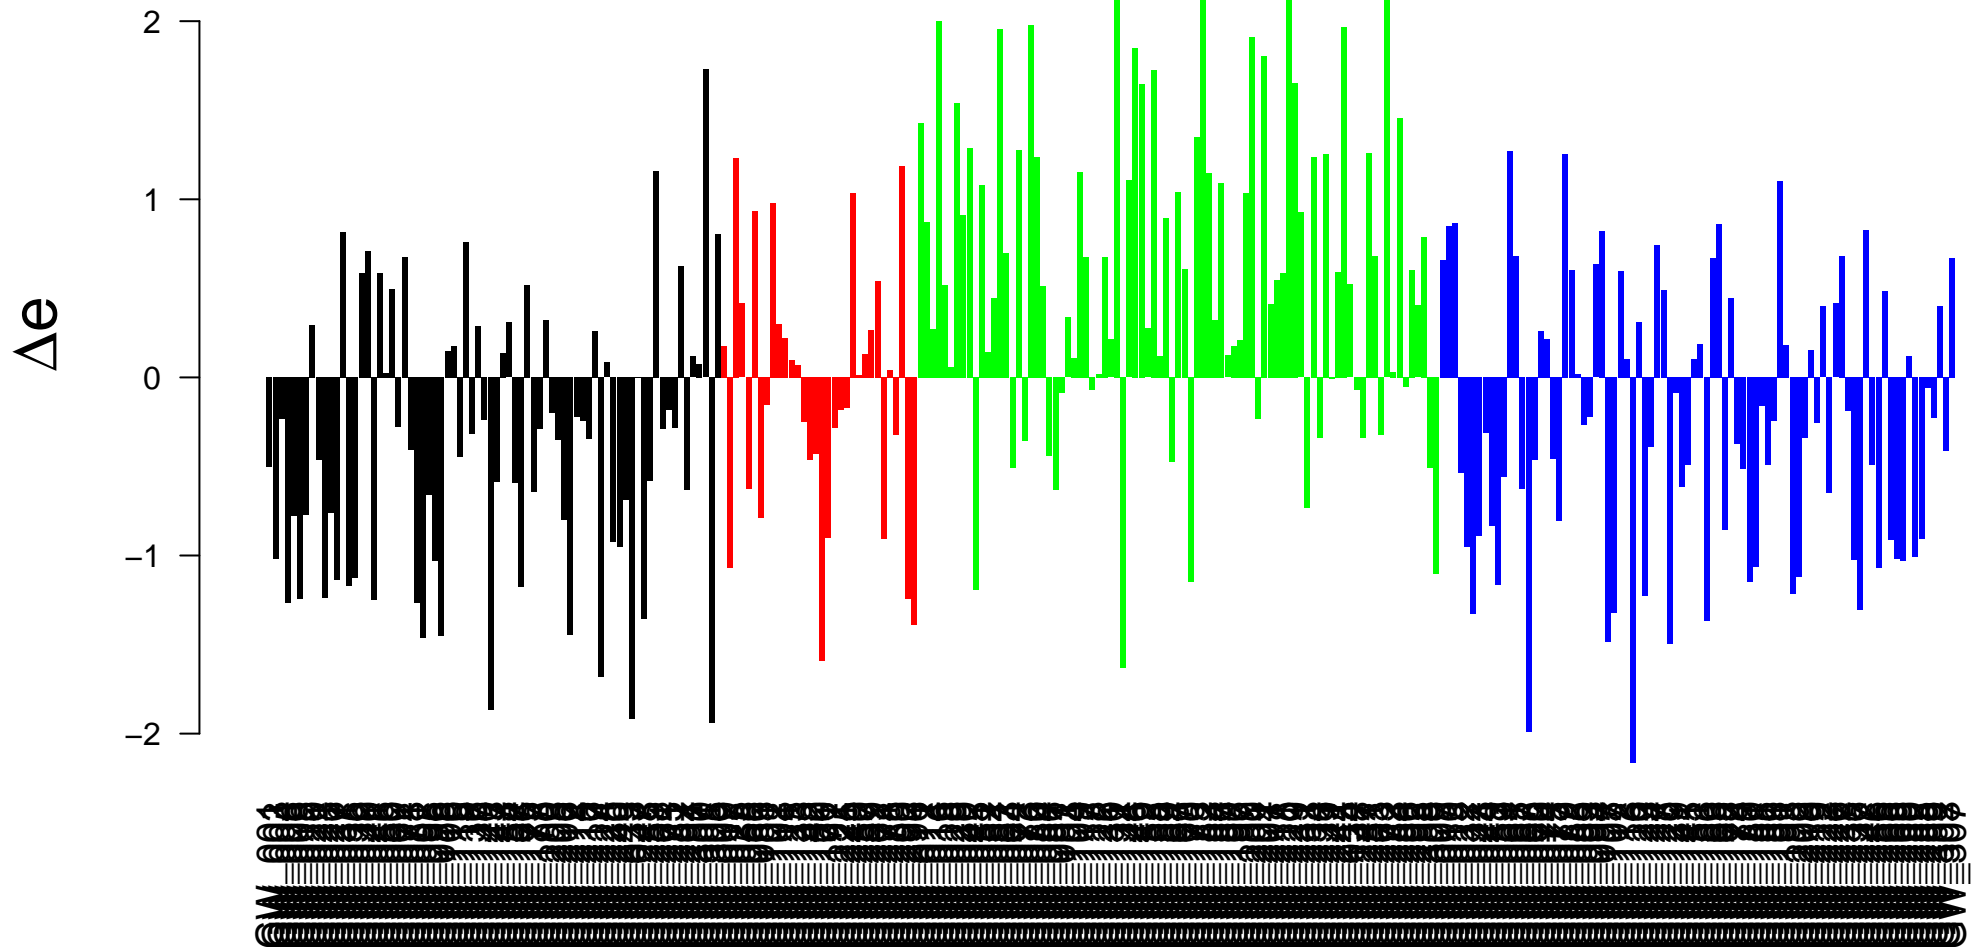

Expression of positive regulation of phosphorylation in Spot J

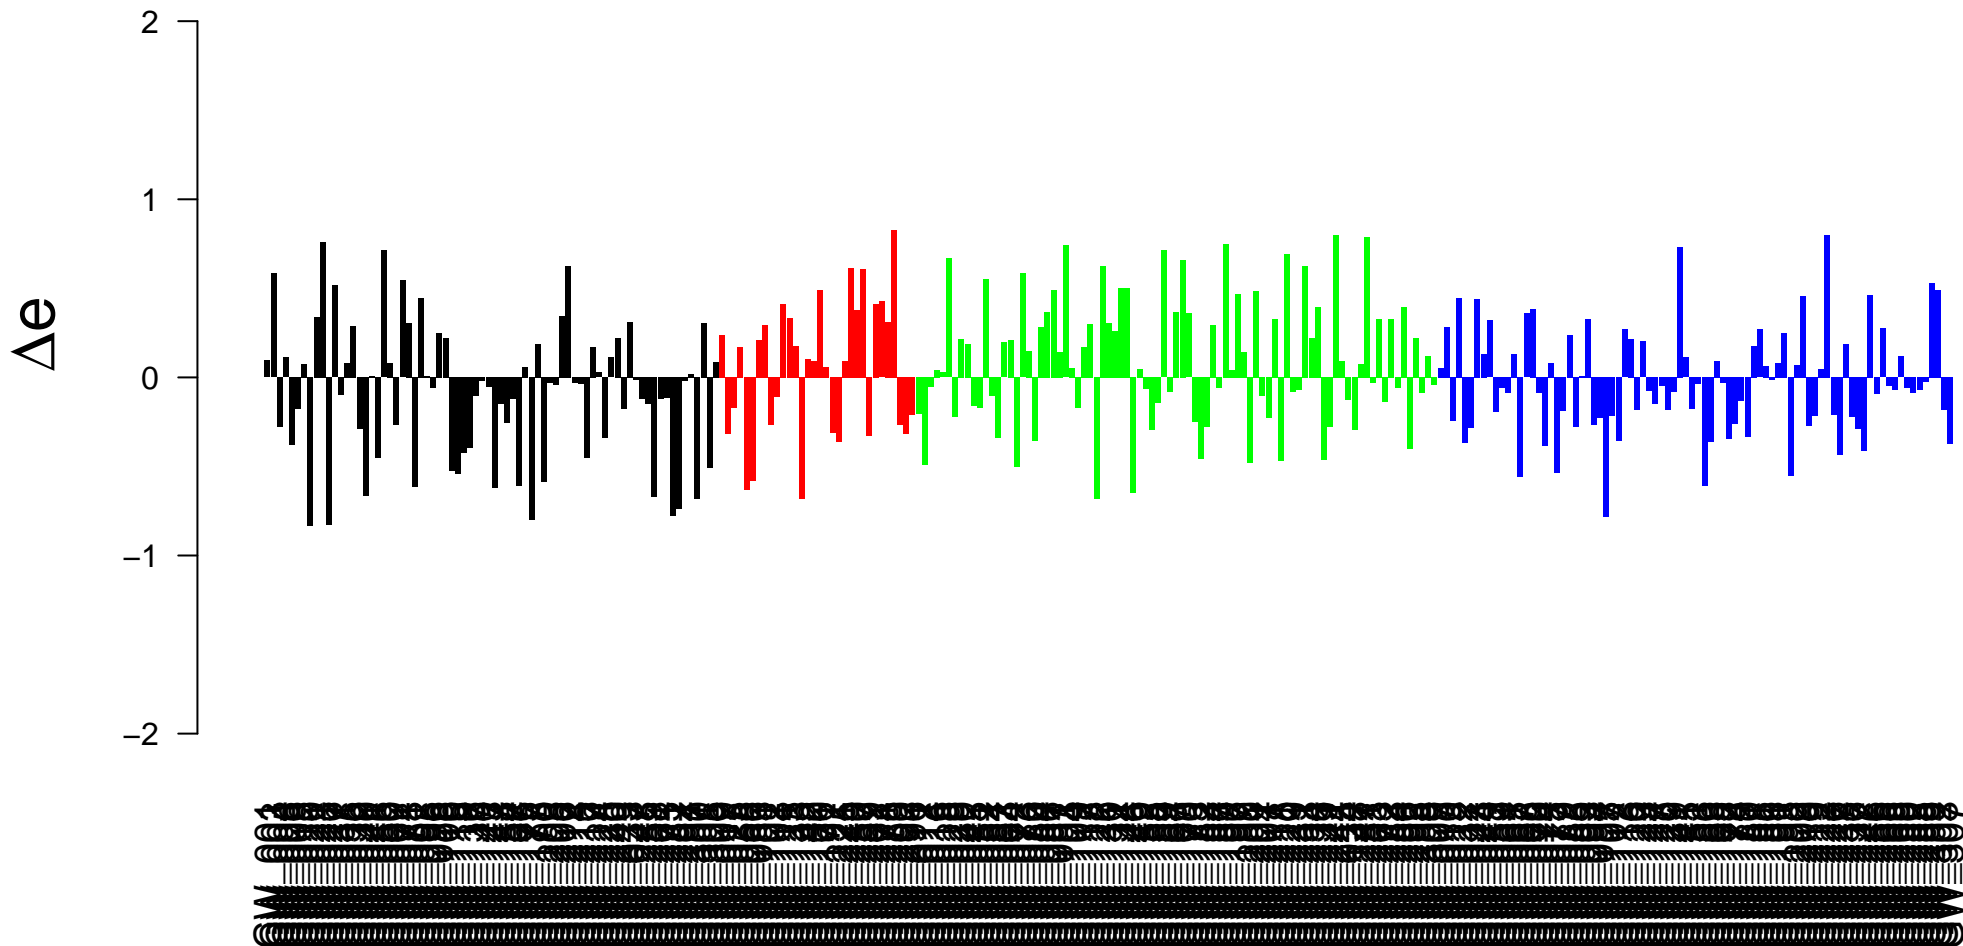

Expression of positive regulation of phosphorylation in Spot K

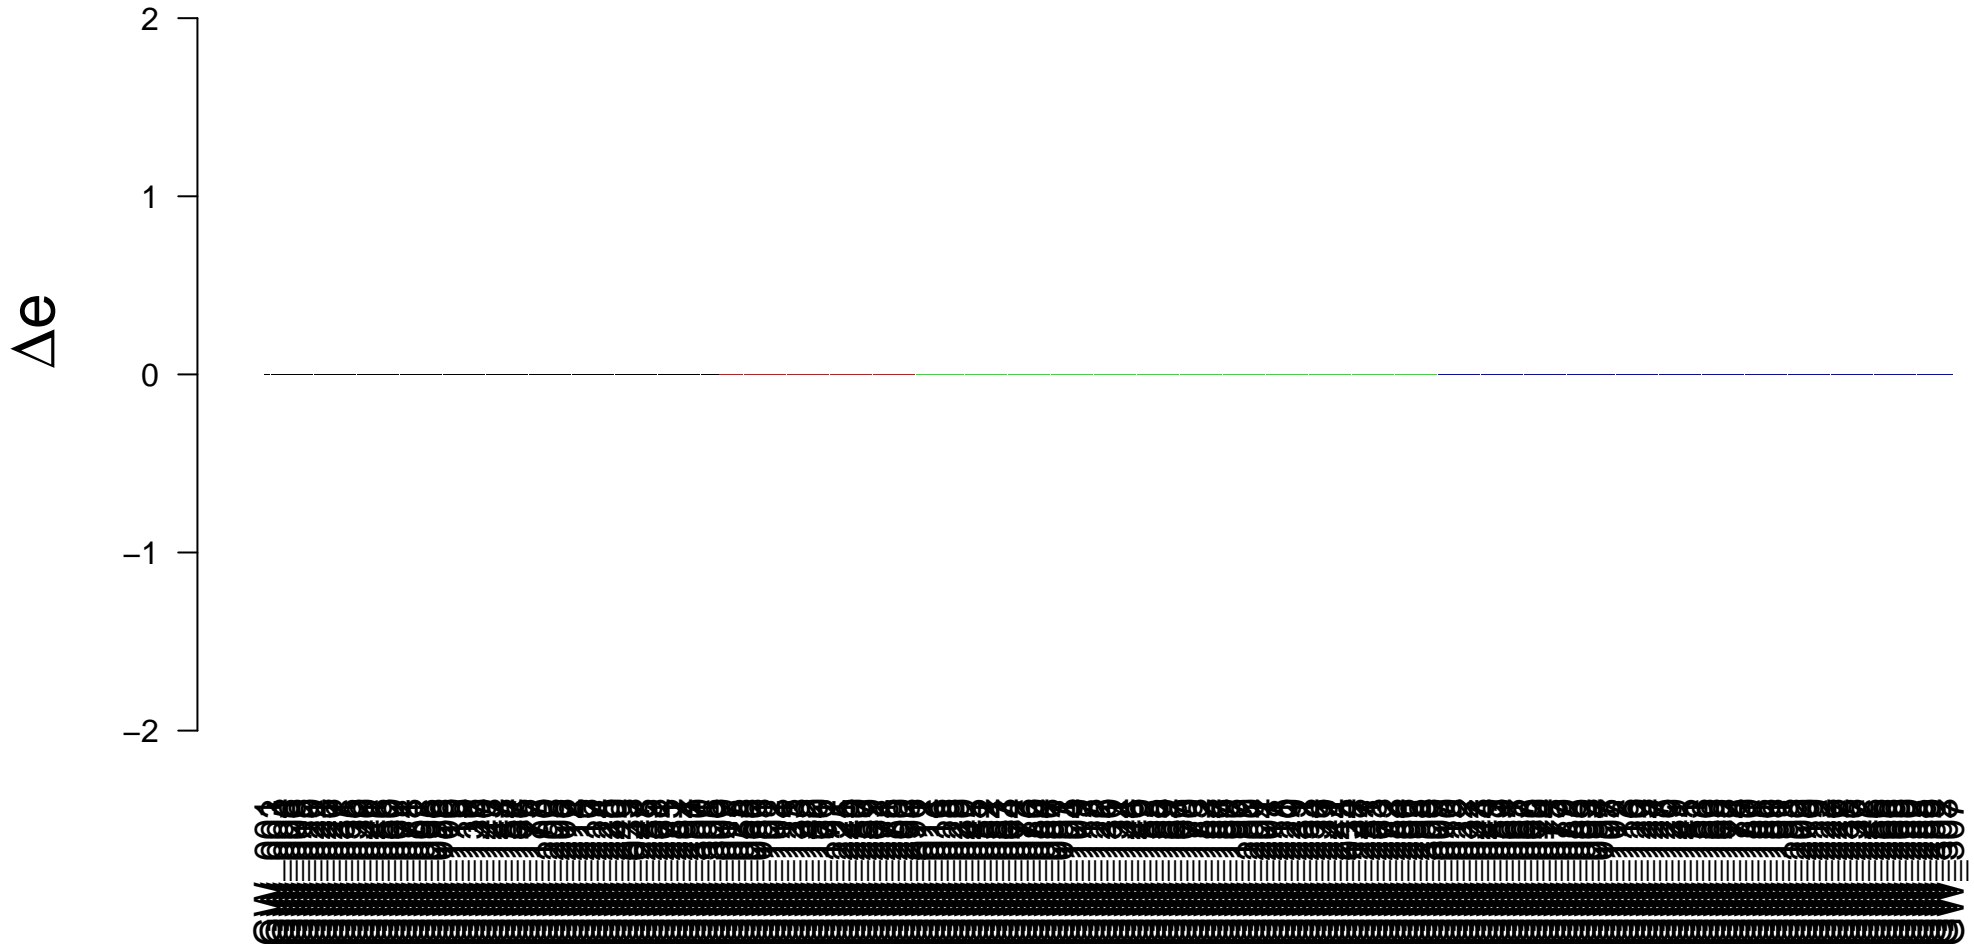

Expression of positive regulation of phosphorylation in Spot L

Expression of positive regulation of phosphorylation in Spot M

Expression of positive regulation of phosphorylation in Spot N

Expression of positive regulation of phosphorylation in Spot O
