

positive regulation of protein autophosphorylation

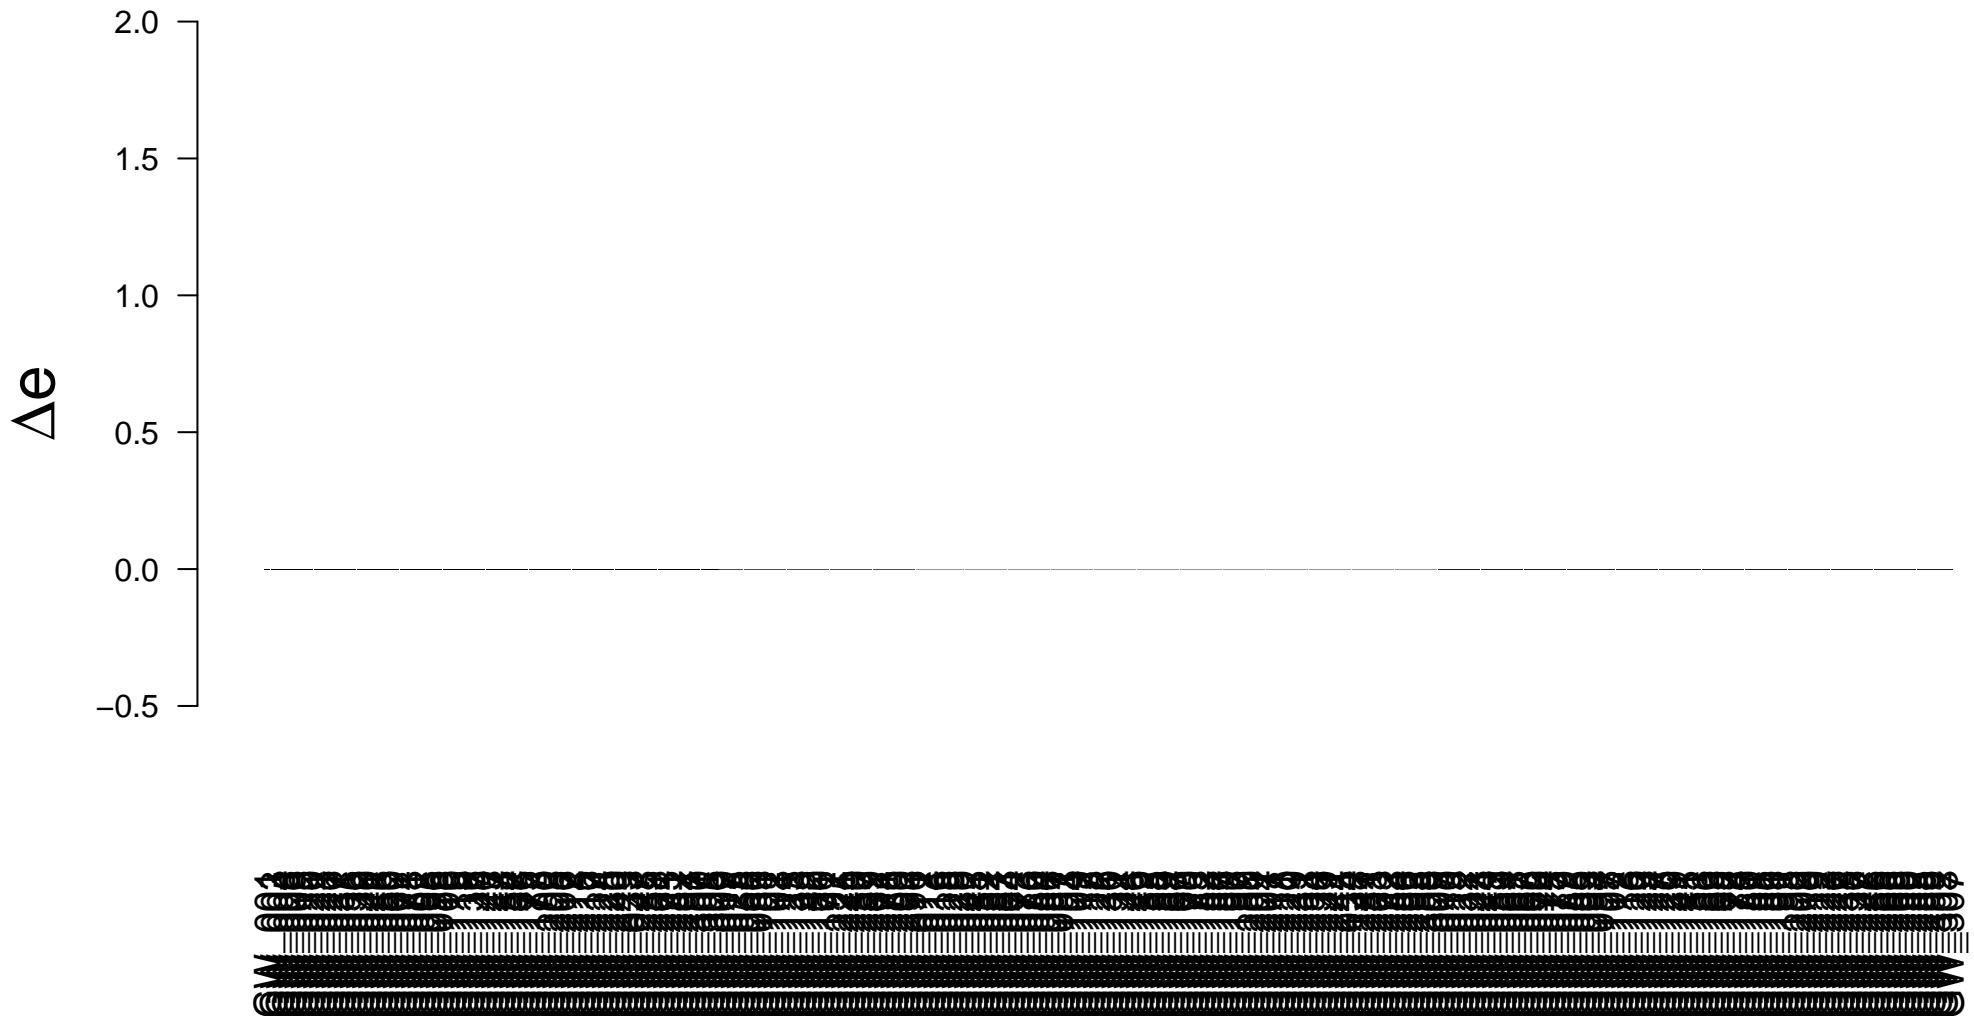

positive regulation of protein autophosphorylation

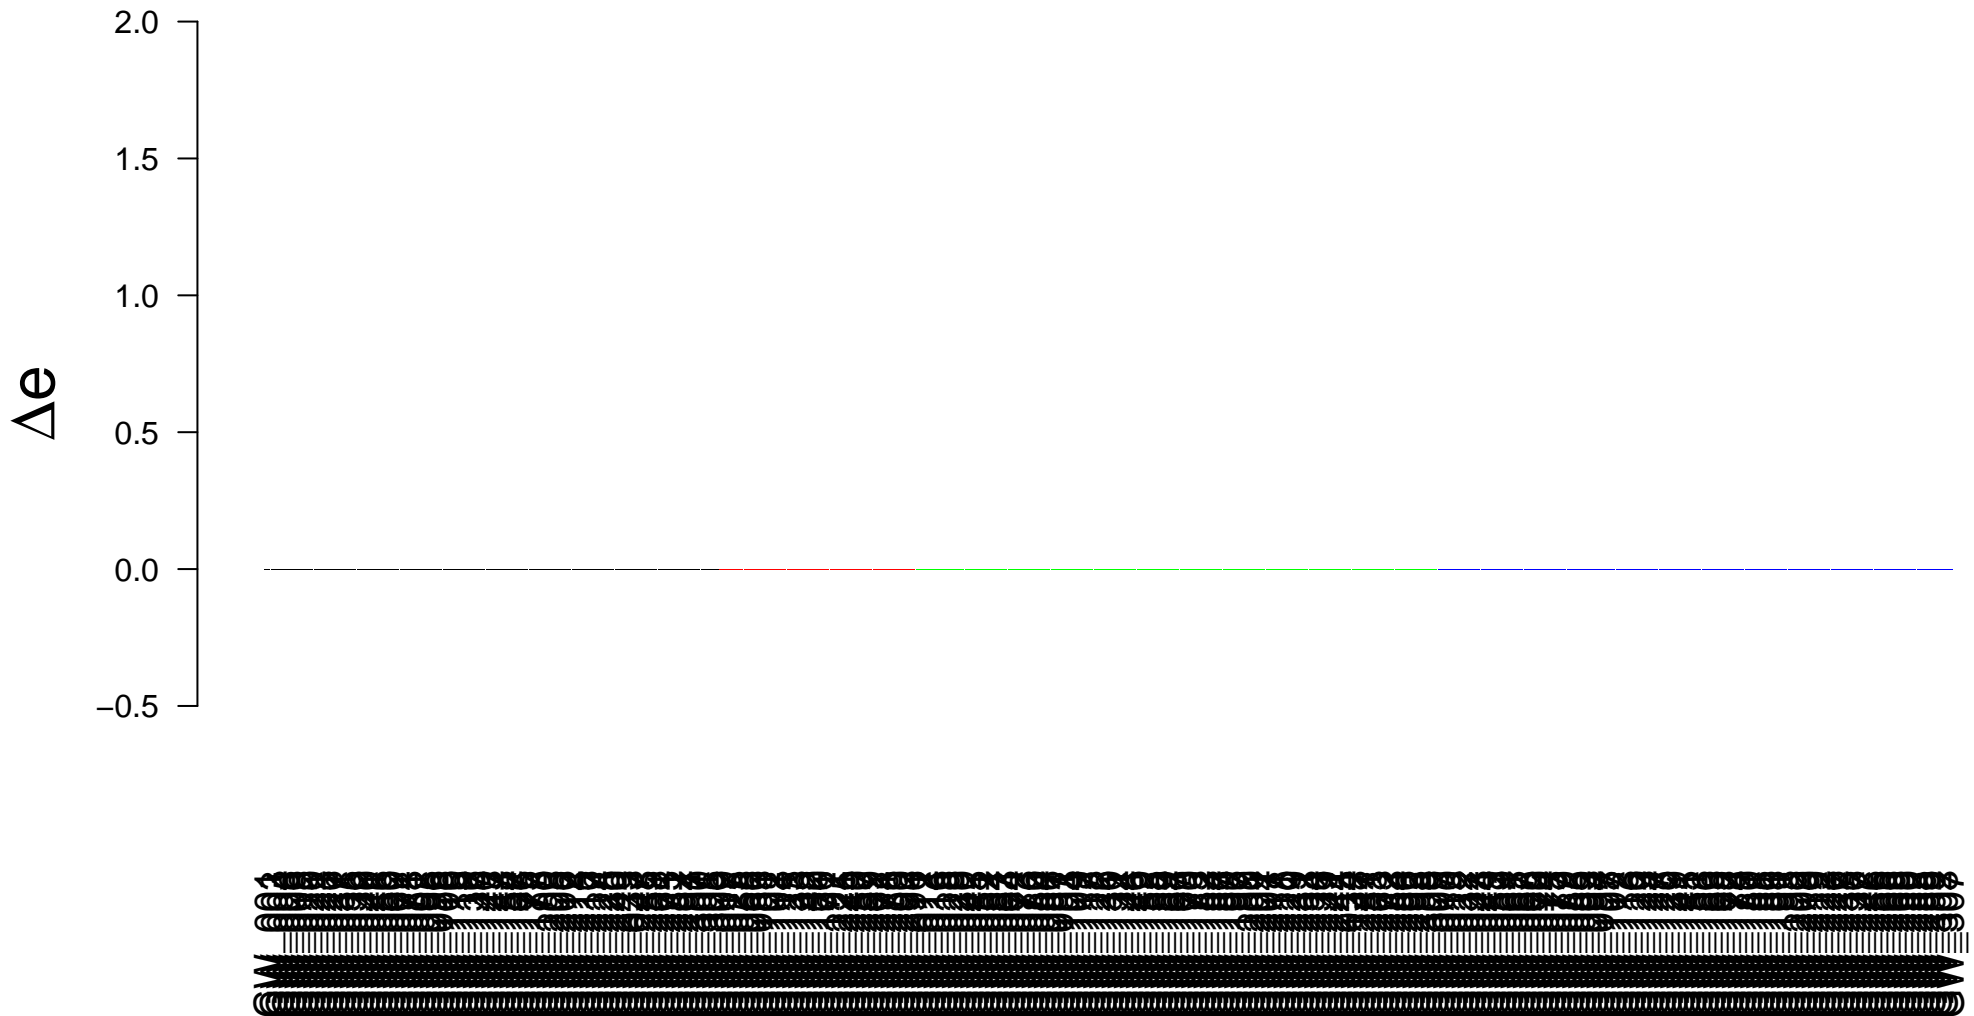

Enrichment in spots: positive regulation of protein autophosphorylation

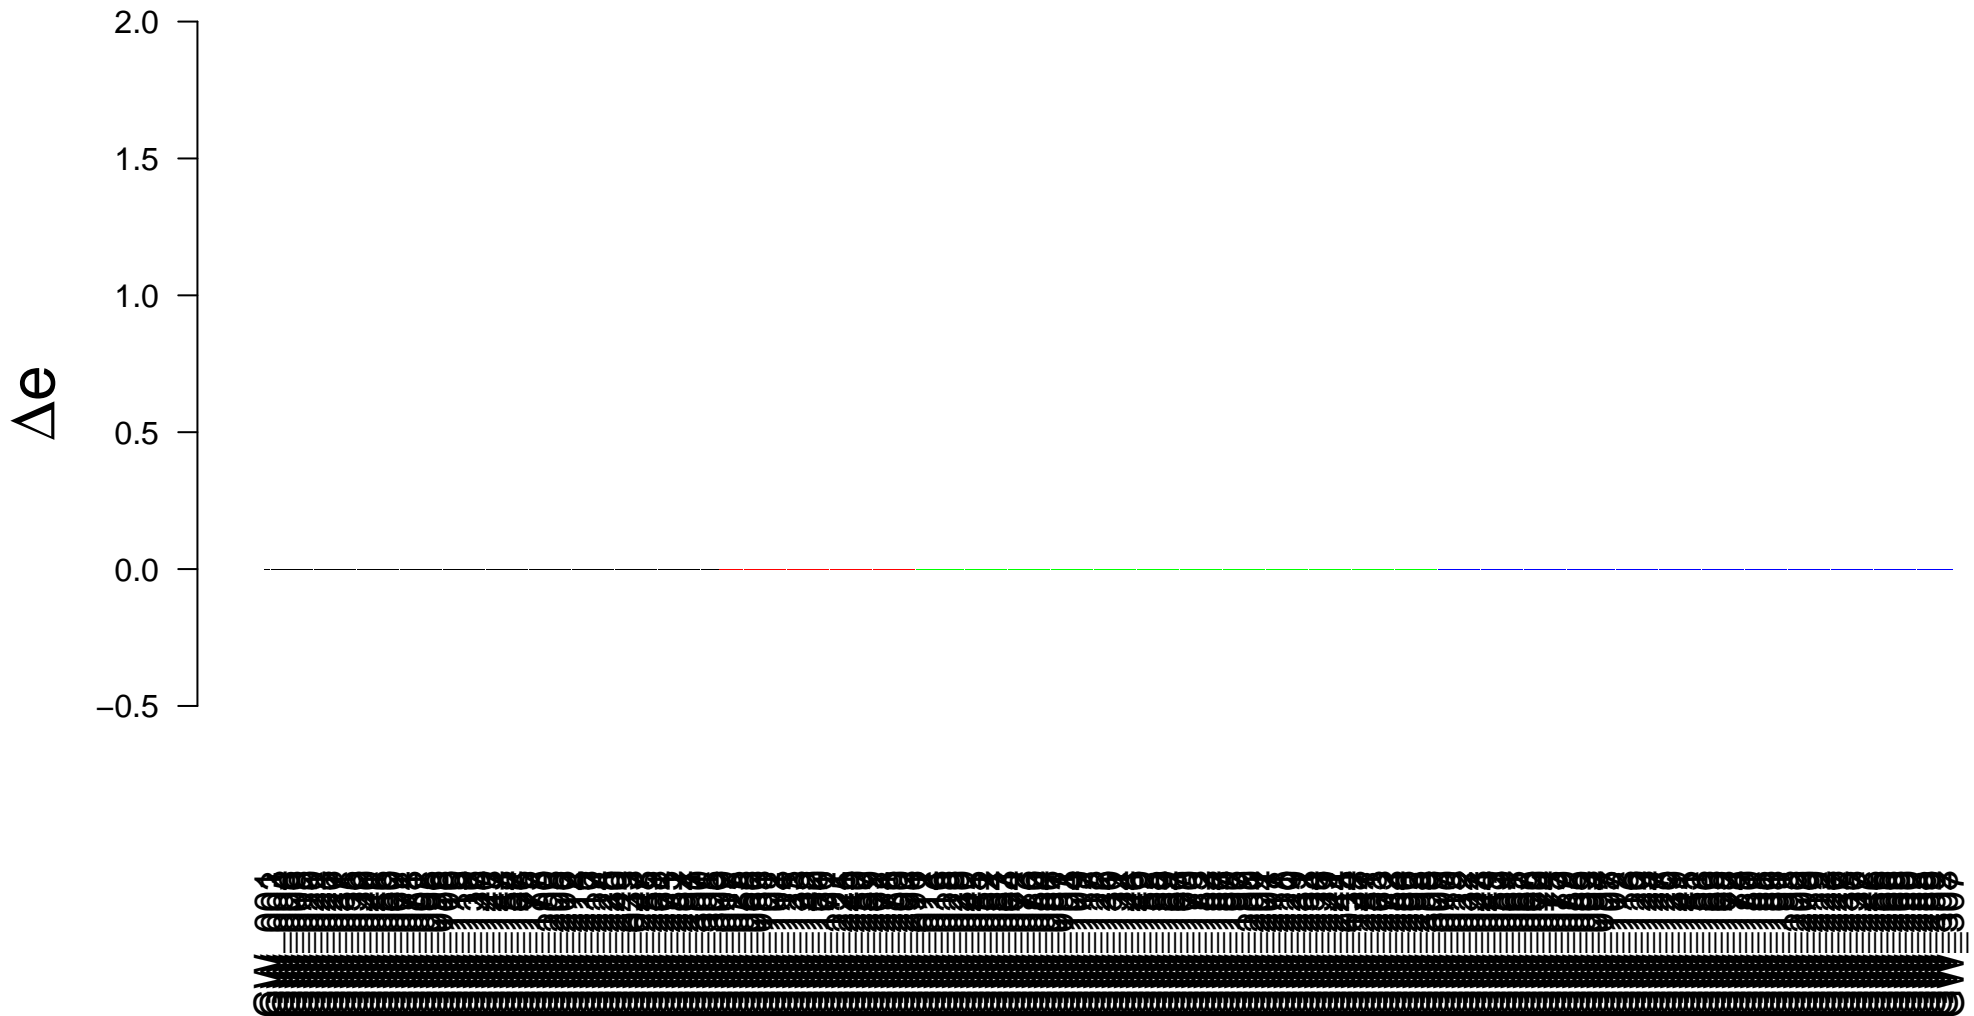

Expression of positive regulation of protein autophosphorylation in Spot A

Expression of positive regulation of protein autophosphorylation in Spot B

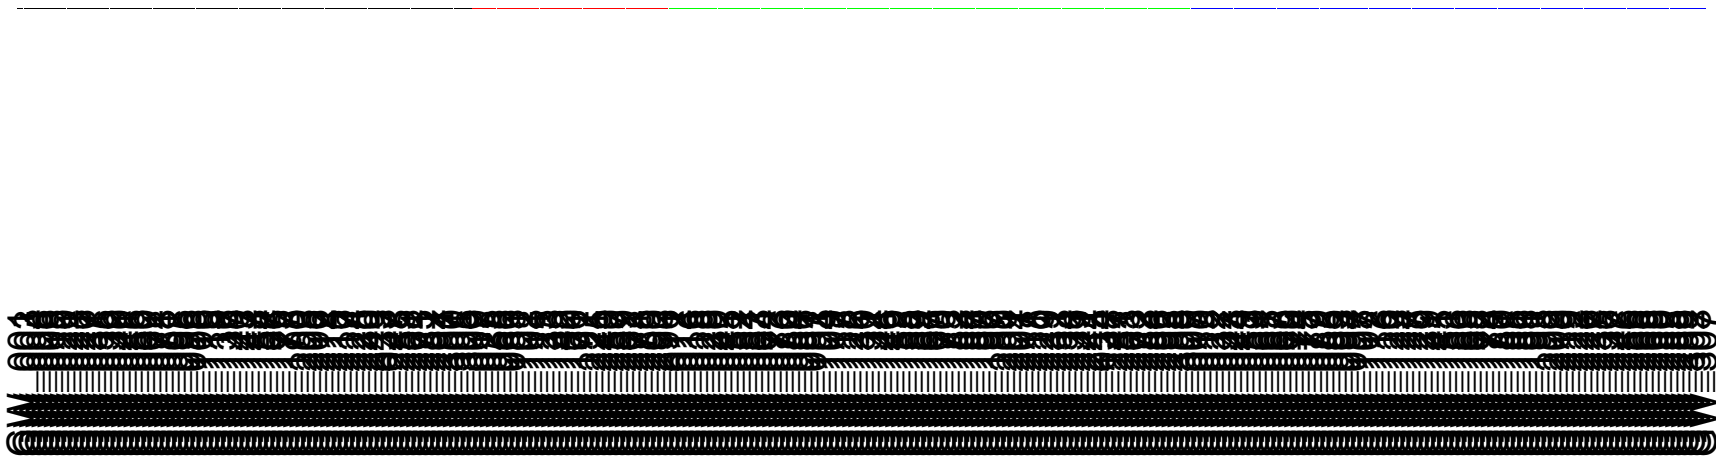

Expression of positive regulation of protein autophosphorylation in Spot C

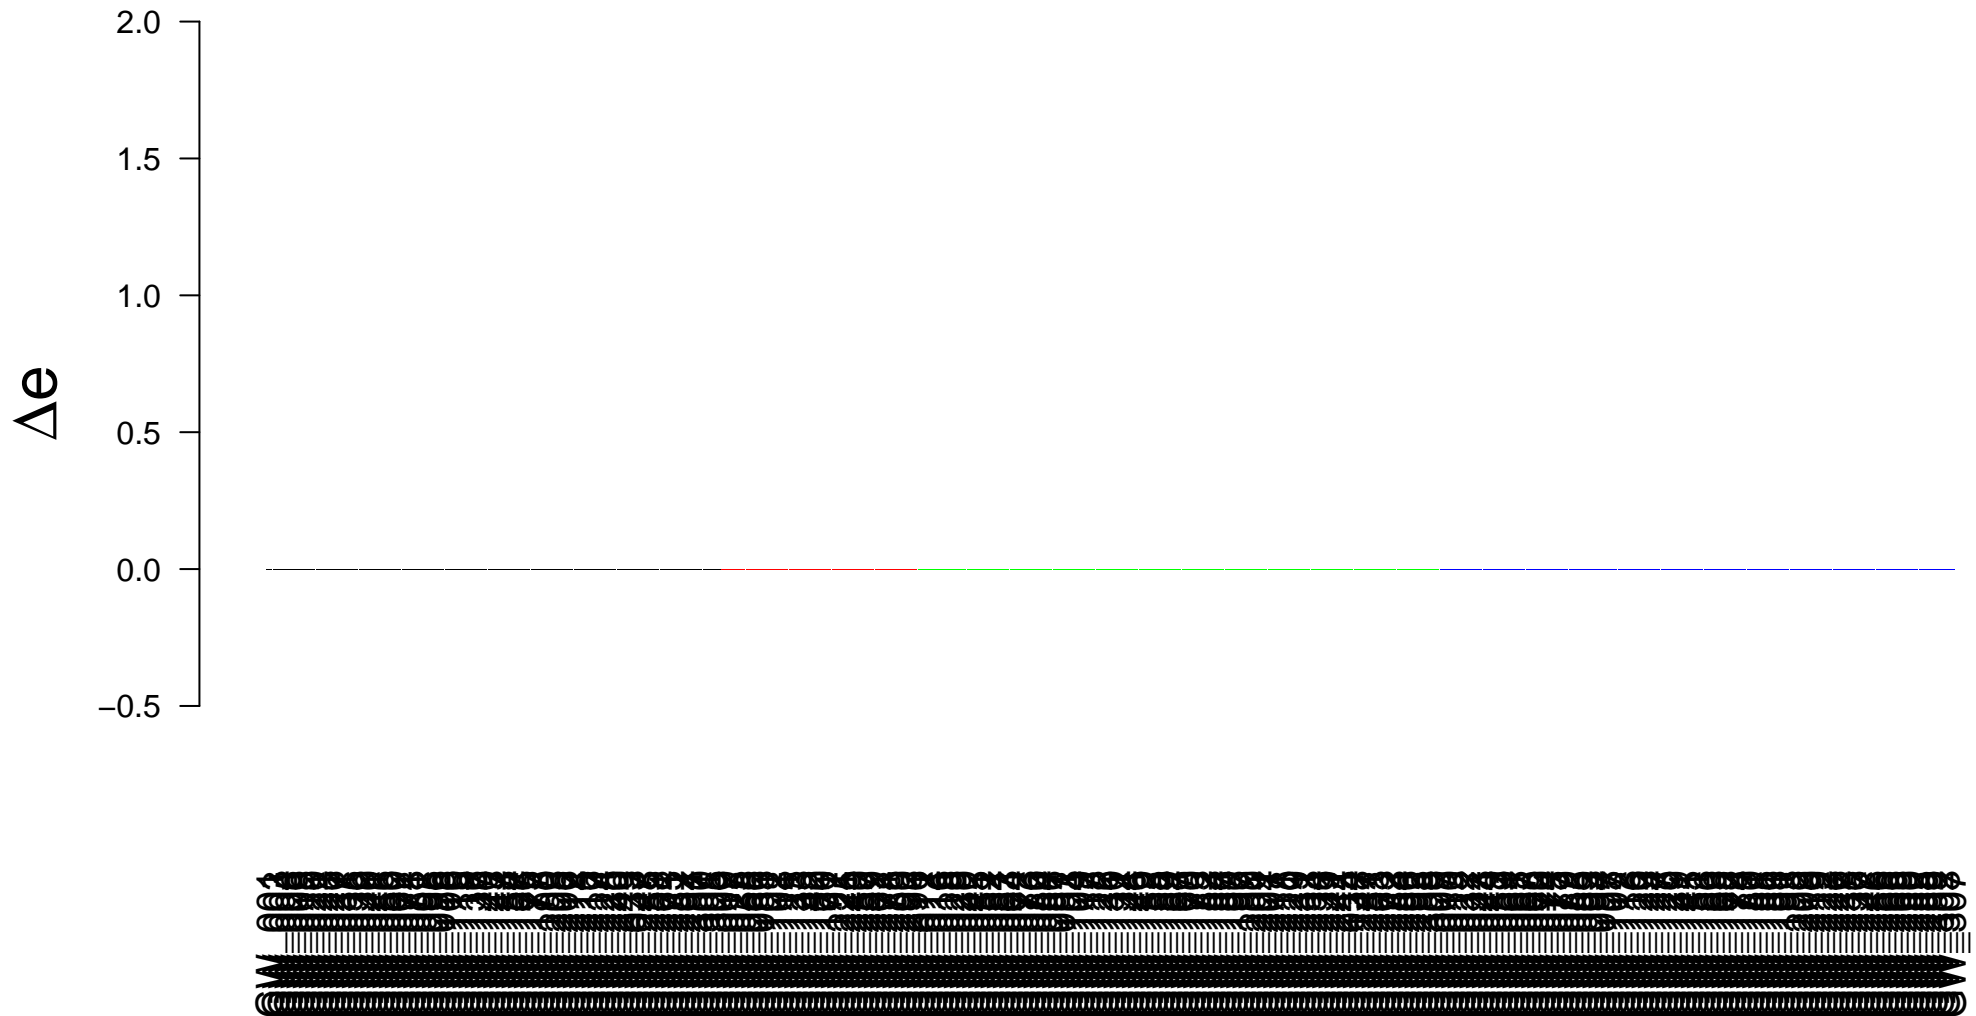

Expression of positive regulation of protein autophosphorylation in Spot D

Expression of positive regulation of protein autophosphorylation in Spot E

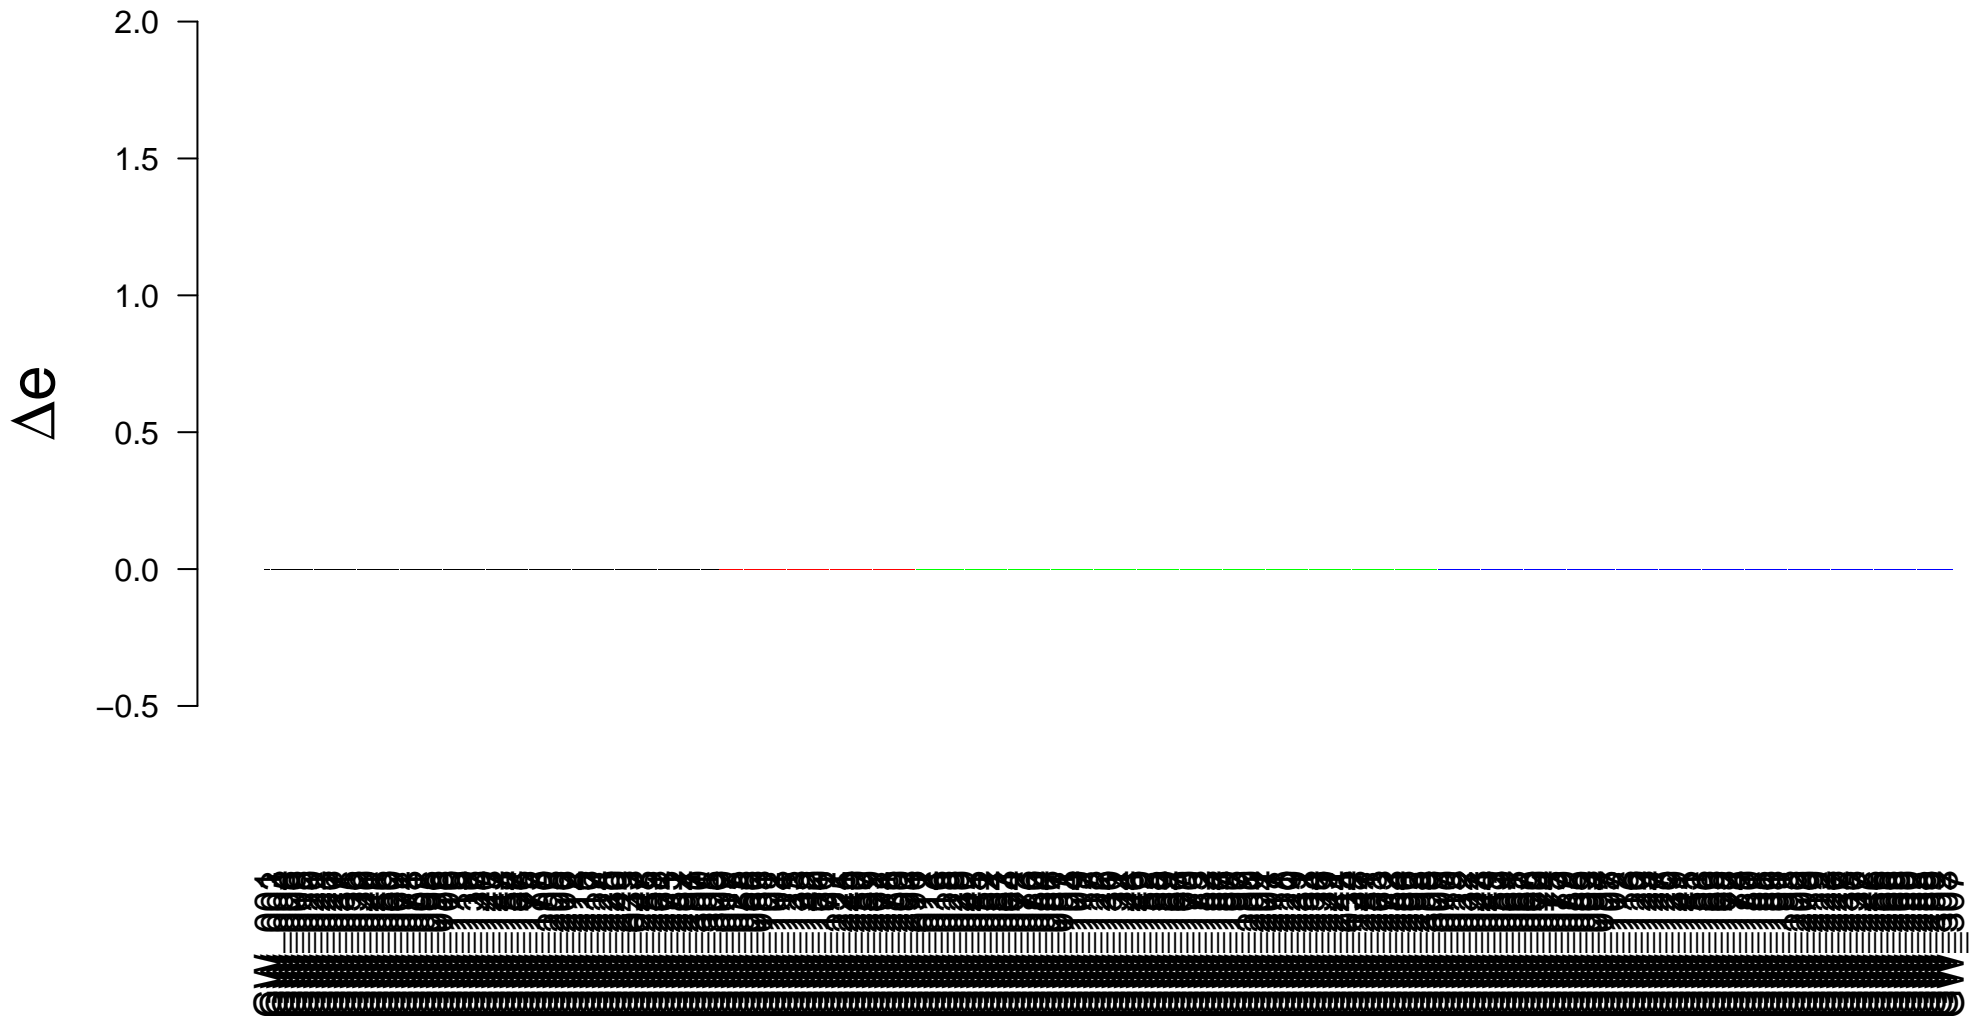

Expression of positive regulation of protein autophosphorylation in Spot F

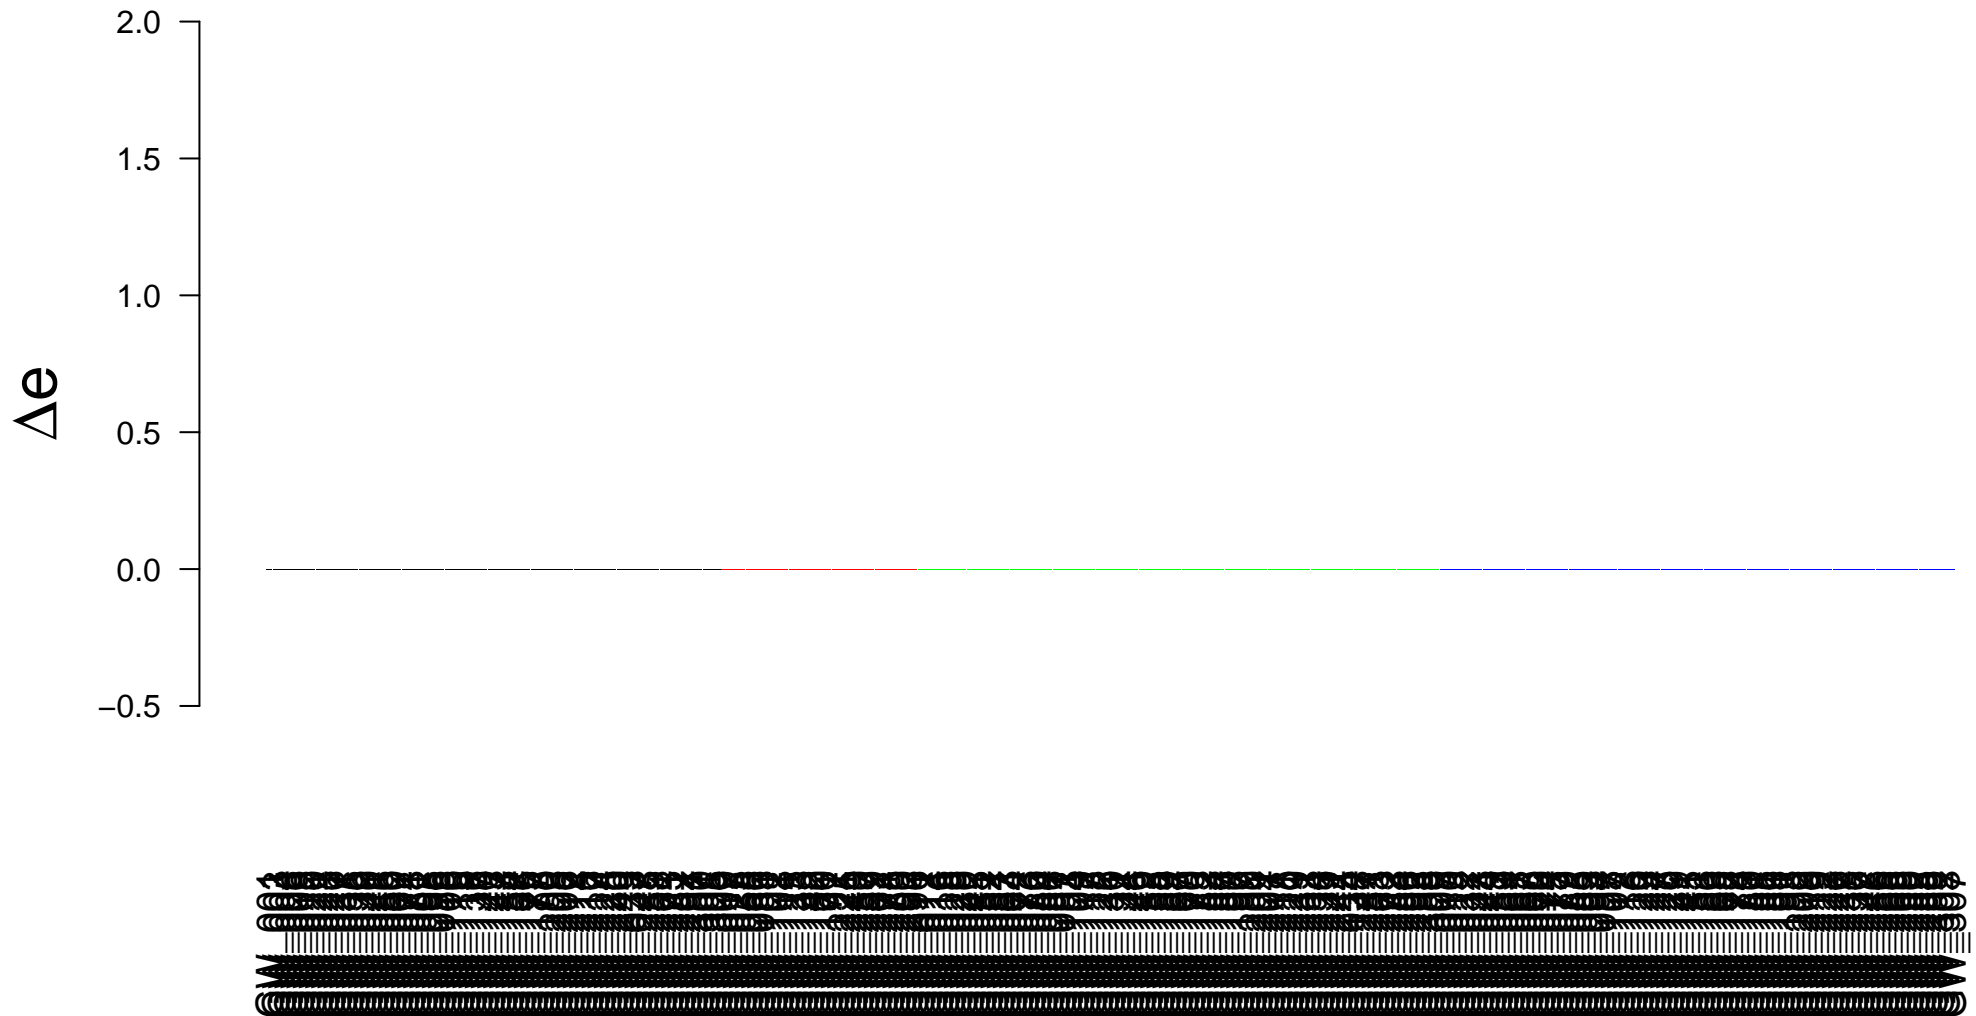

Expression of positive regulation of protein autophosphorylation in Spot G

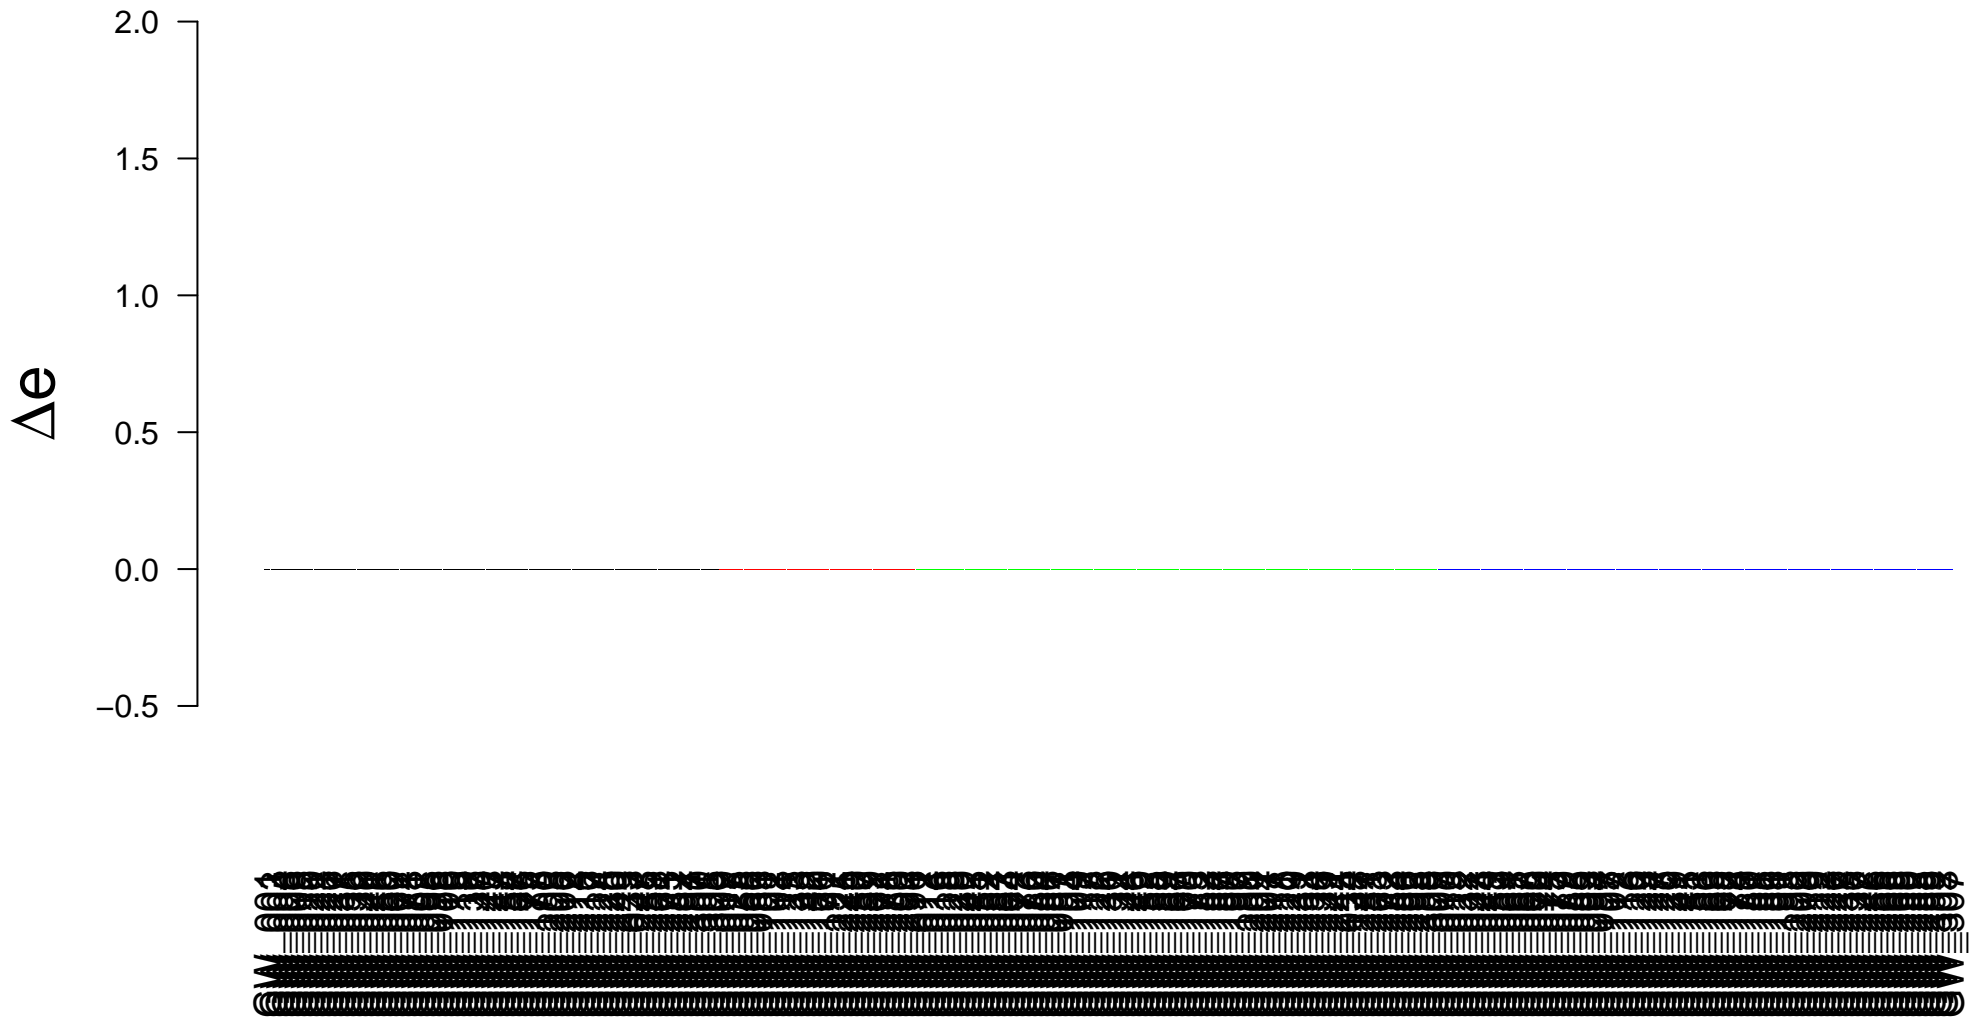

Expression of positive regulation of protein autophosphorylation in Spot H

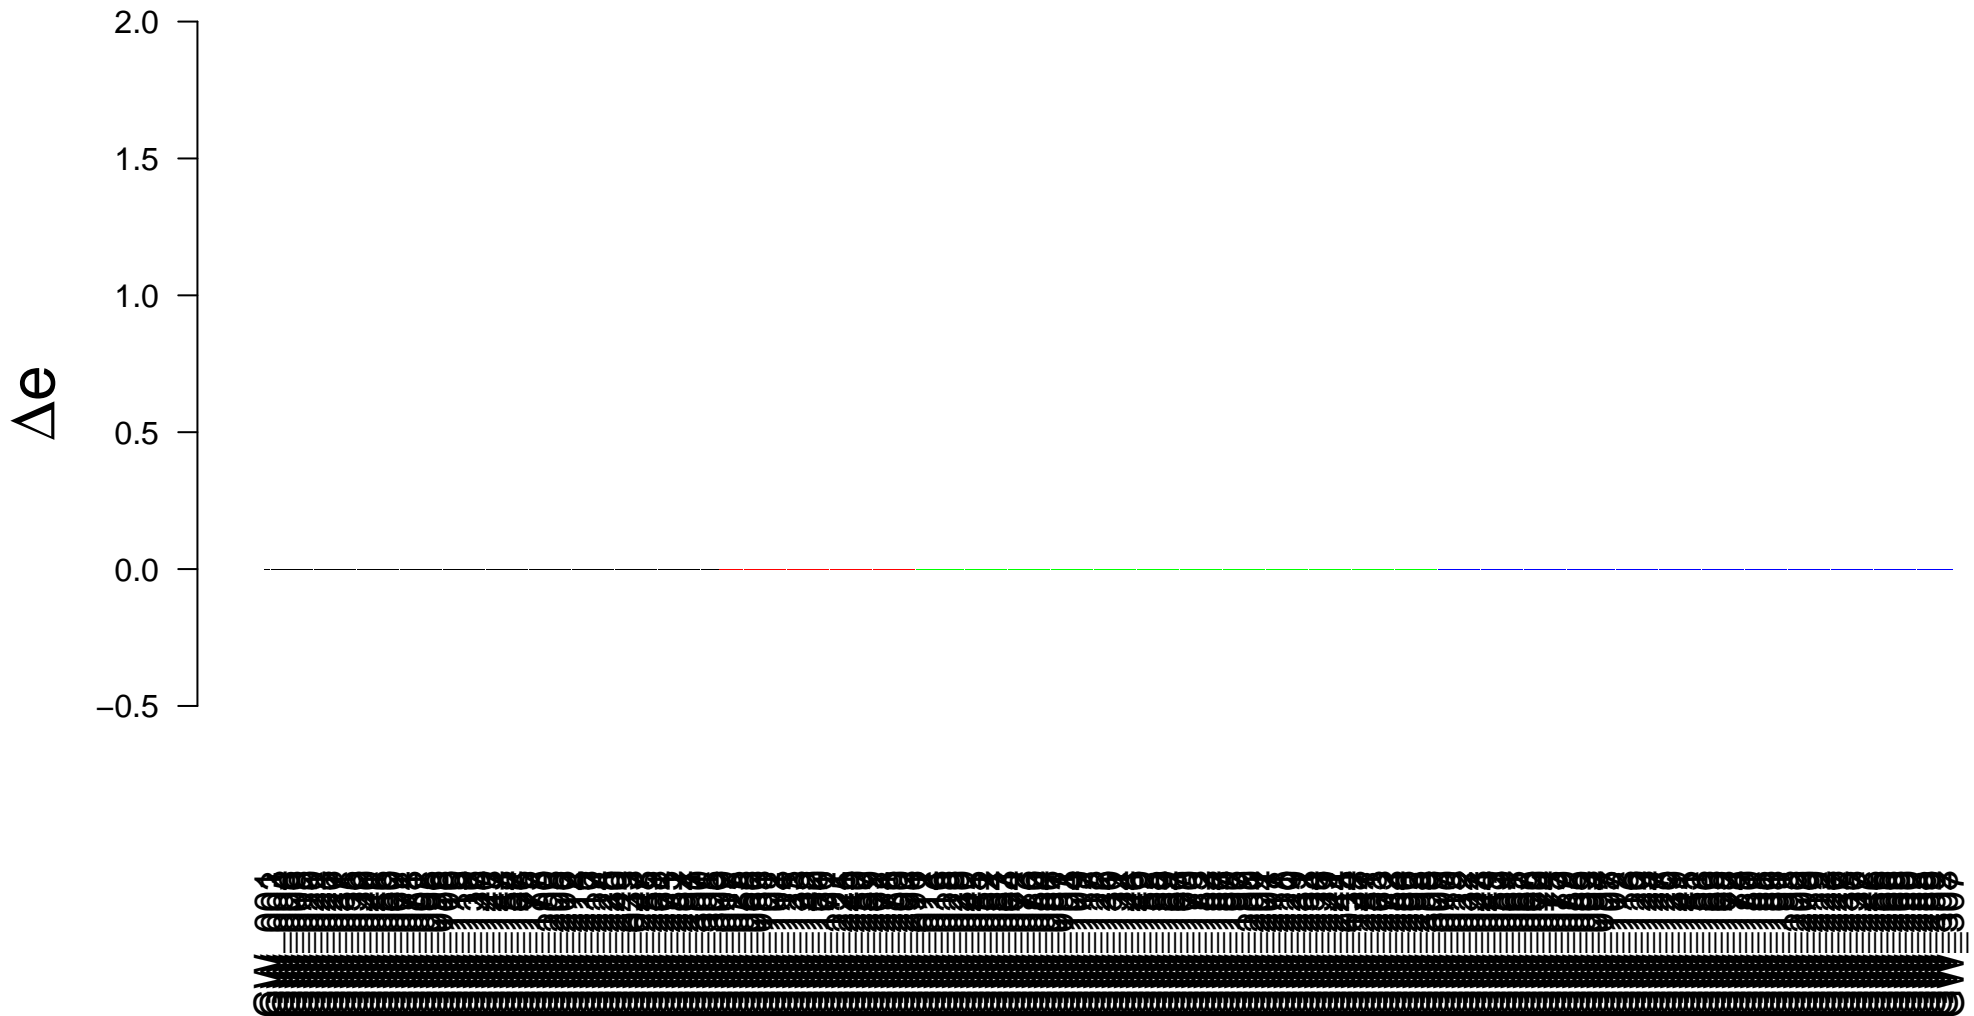

Expression of positive regulation of protein autophosphorylation in Spot I

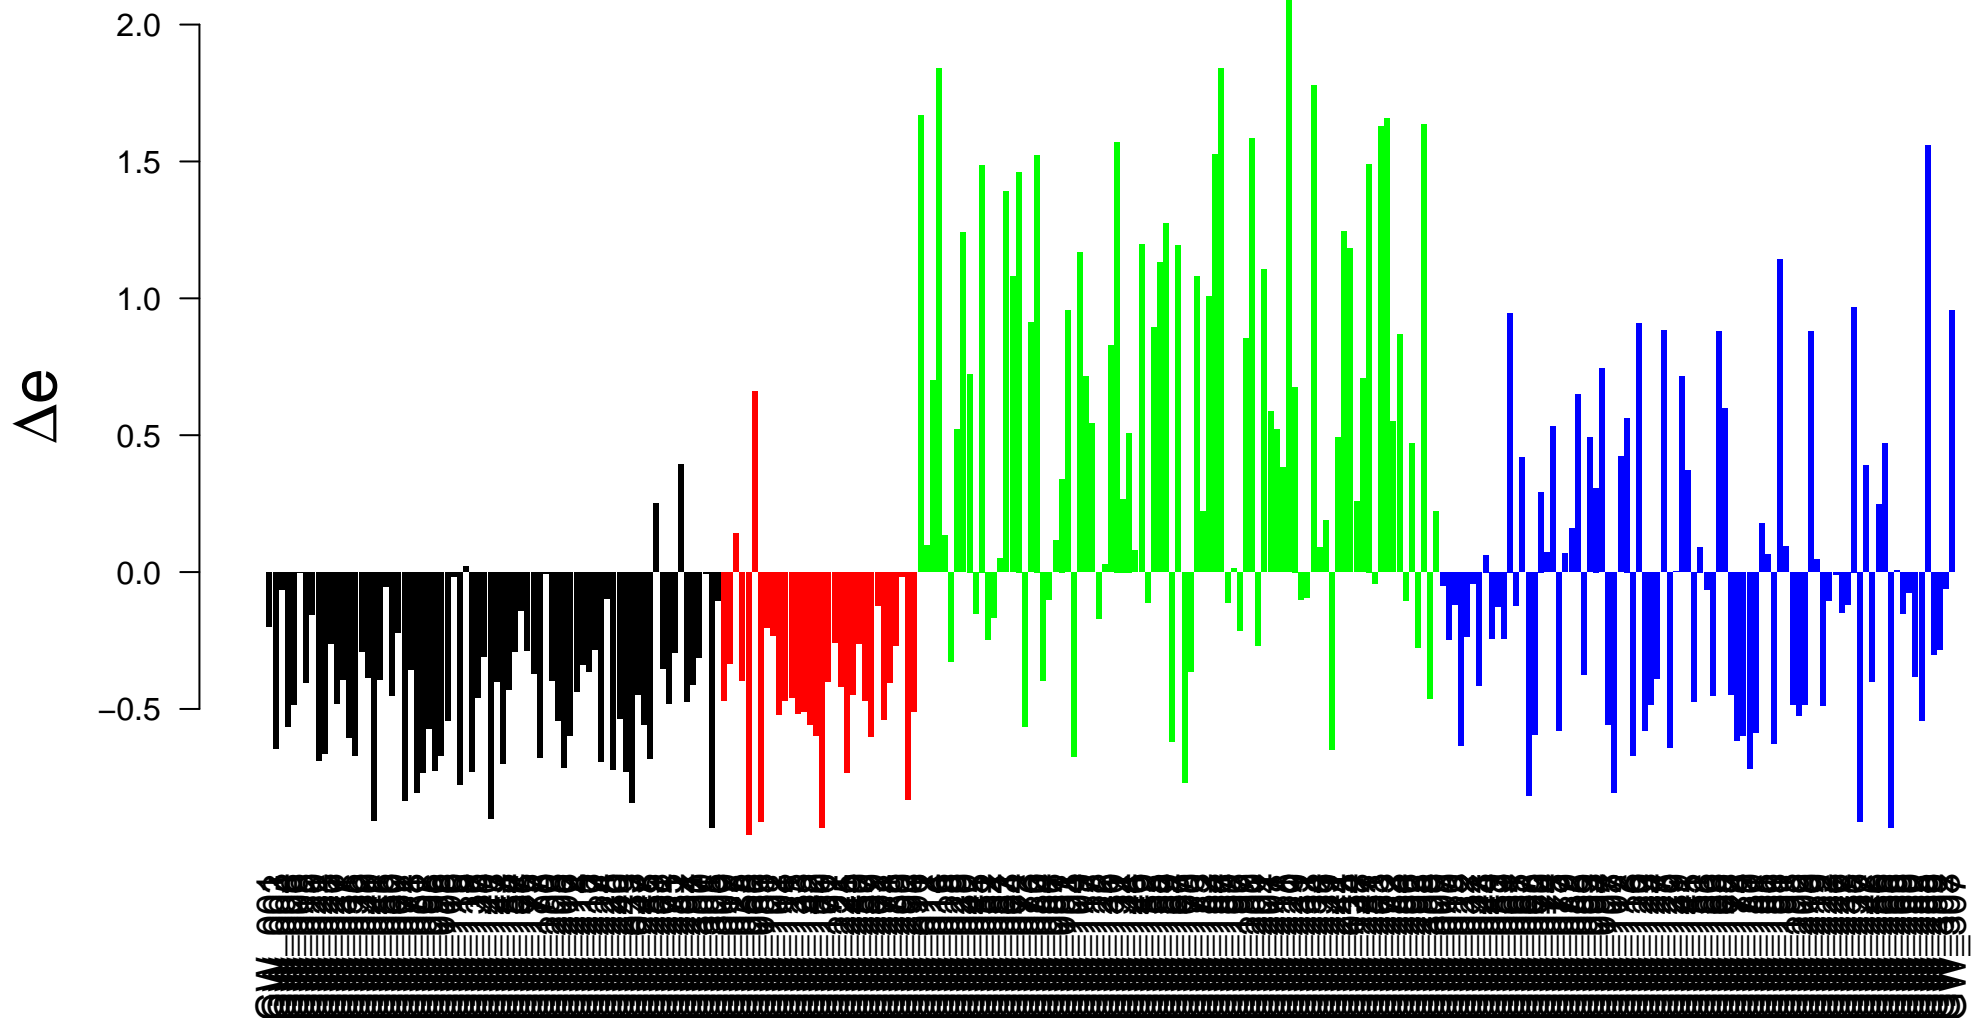

Expression of positive regulation of protein autophosphorylation in Spot J

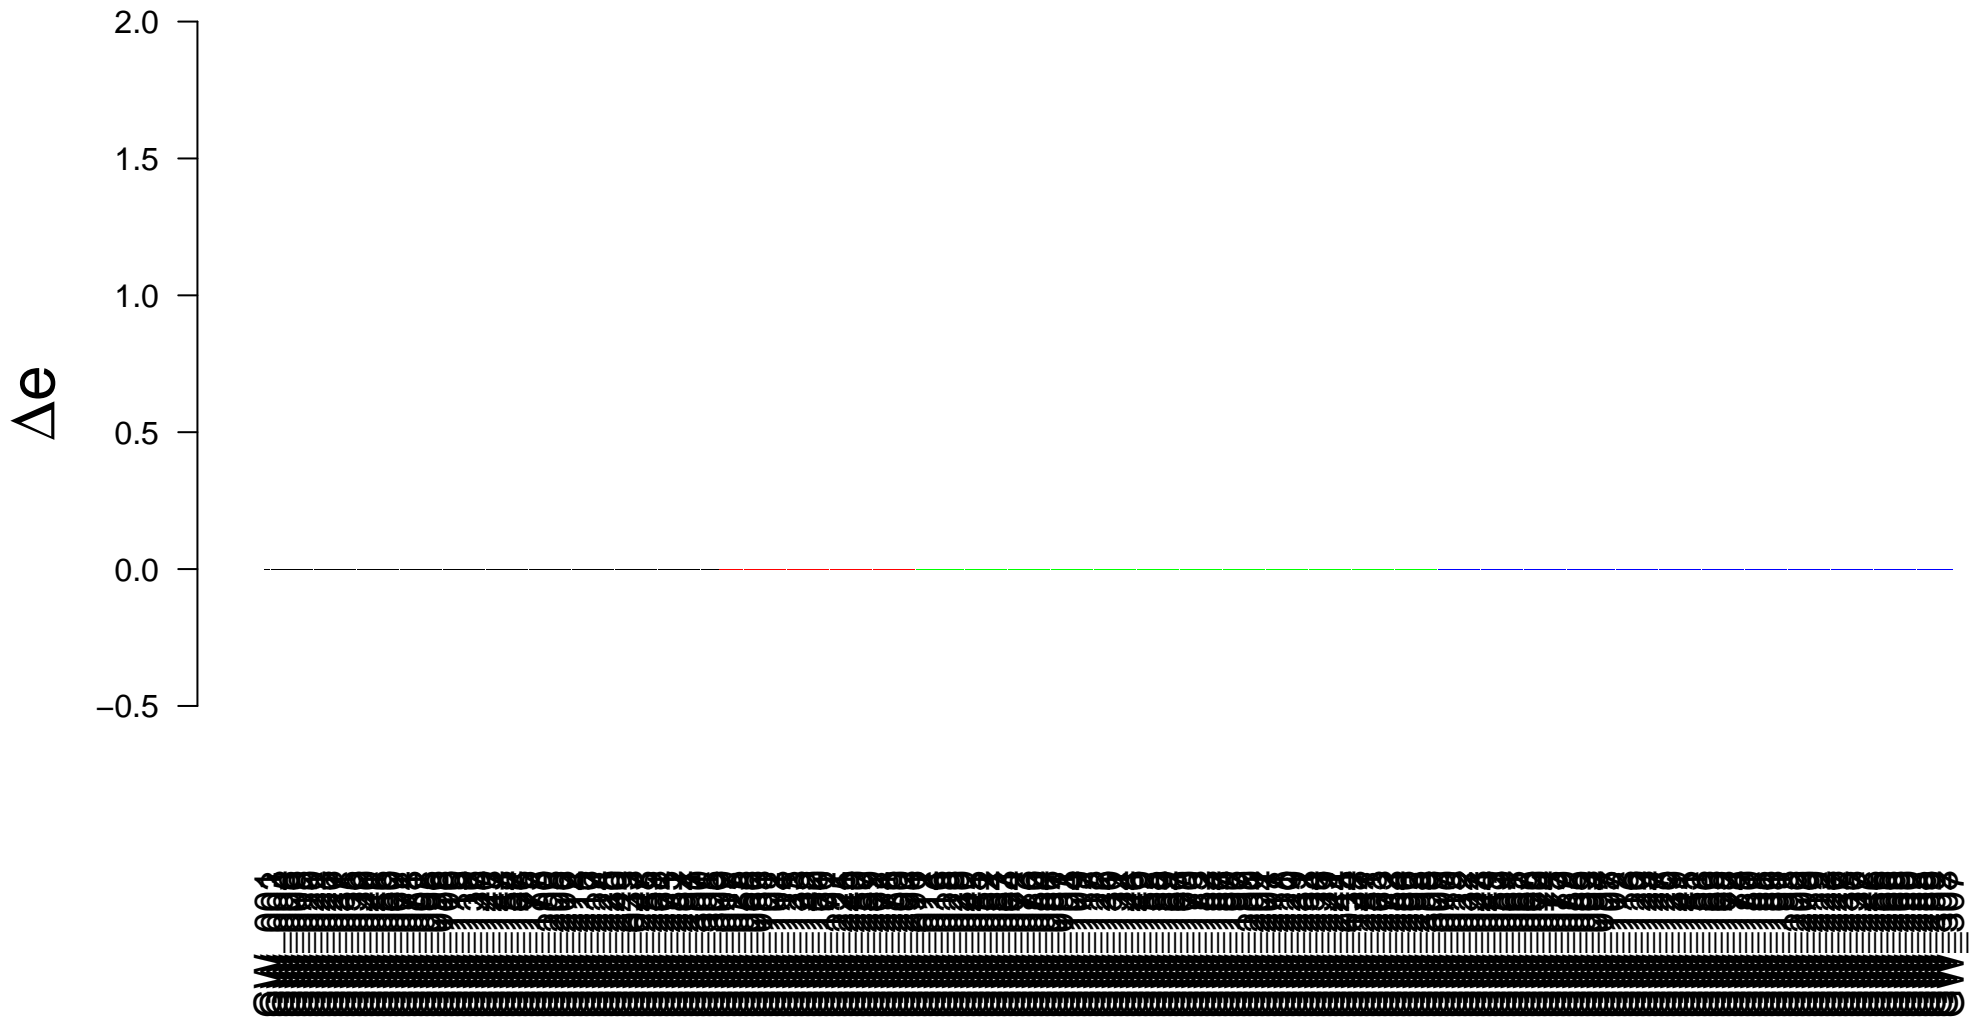

Expression of positive regulation of protein autophosphorylation in Spot K

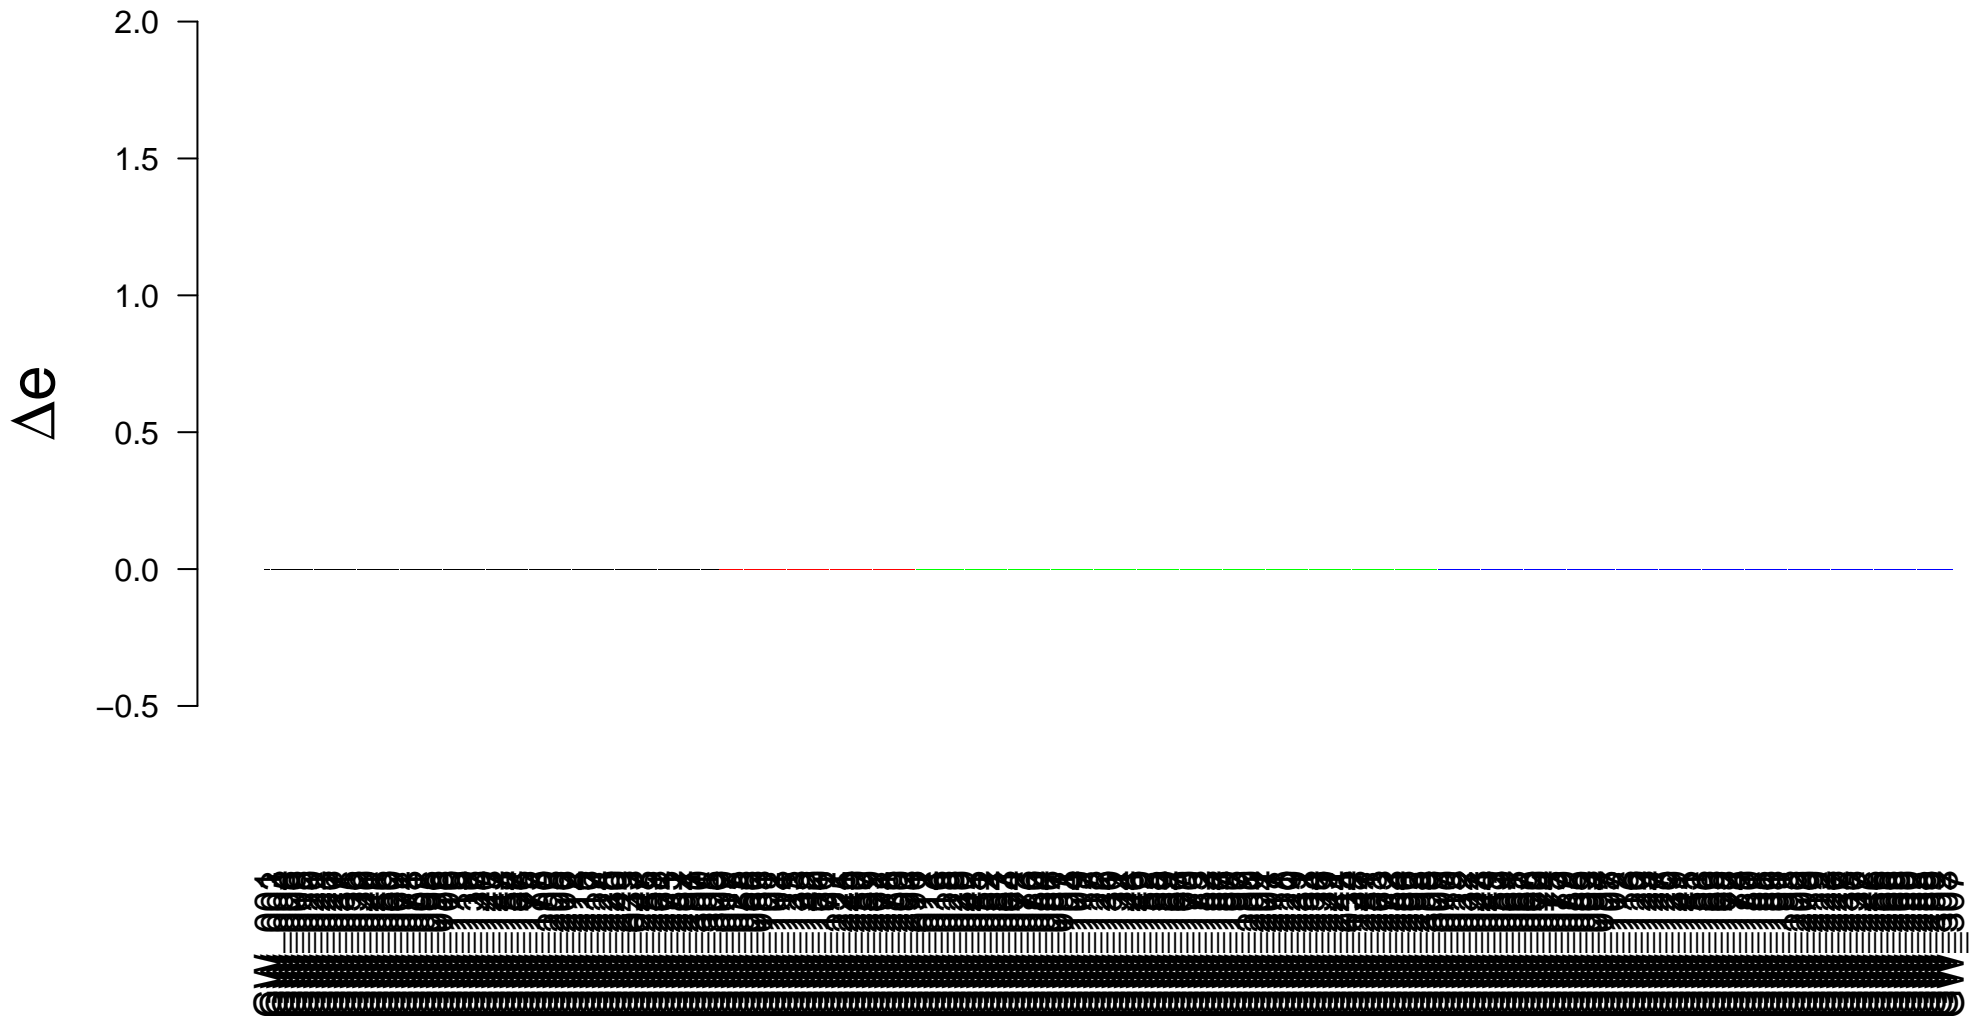

Expression of positive regulation of protein autophosphorylation in Spot L

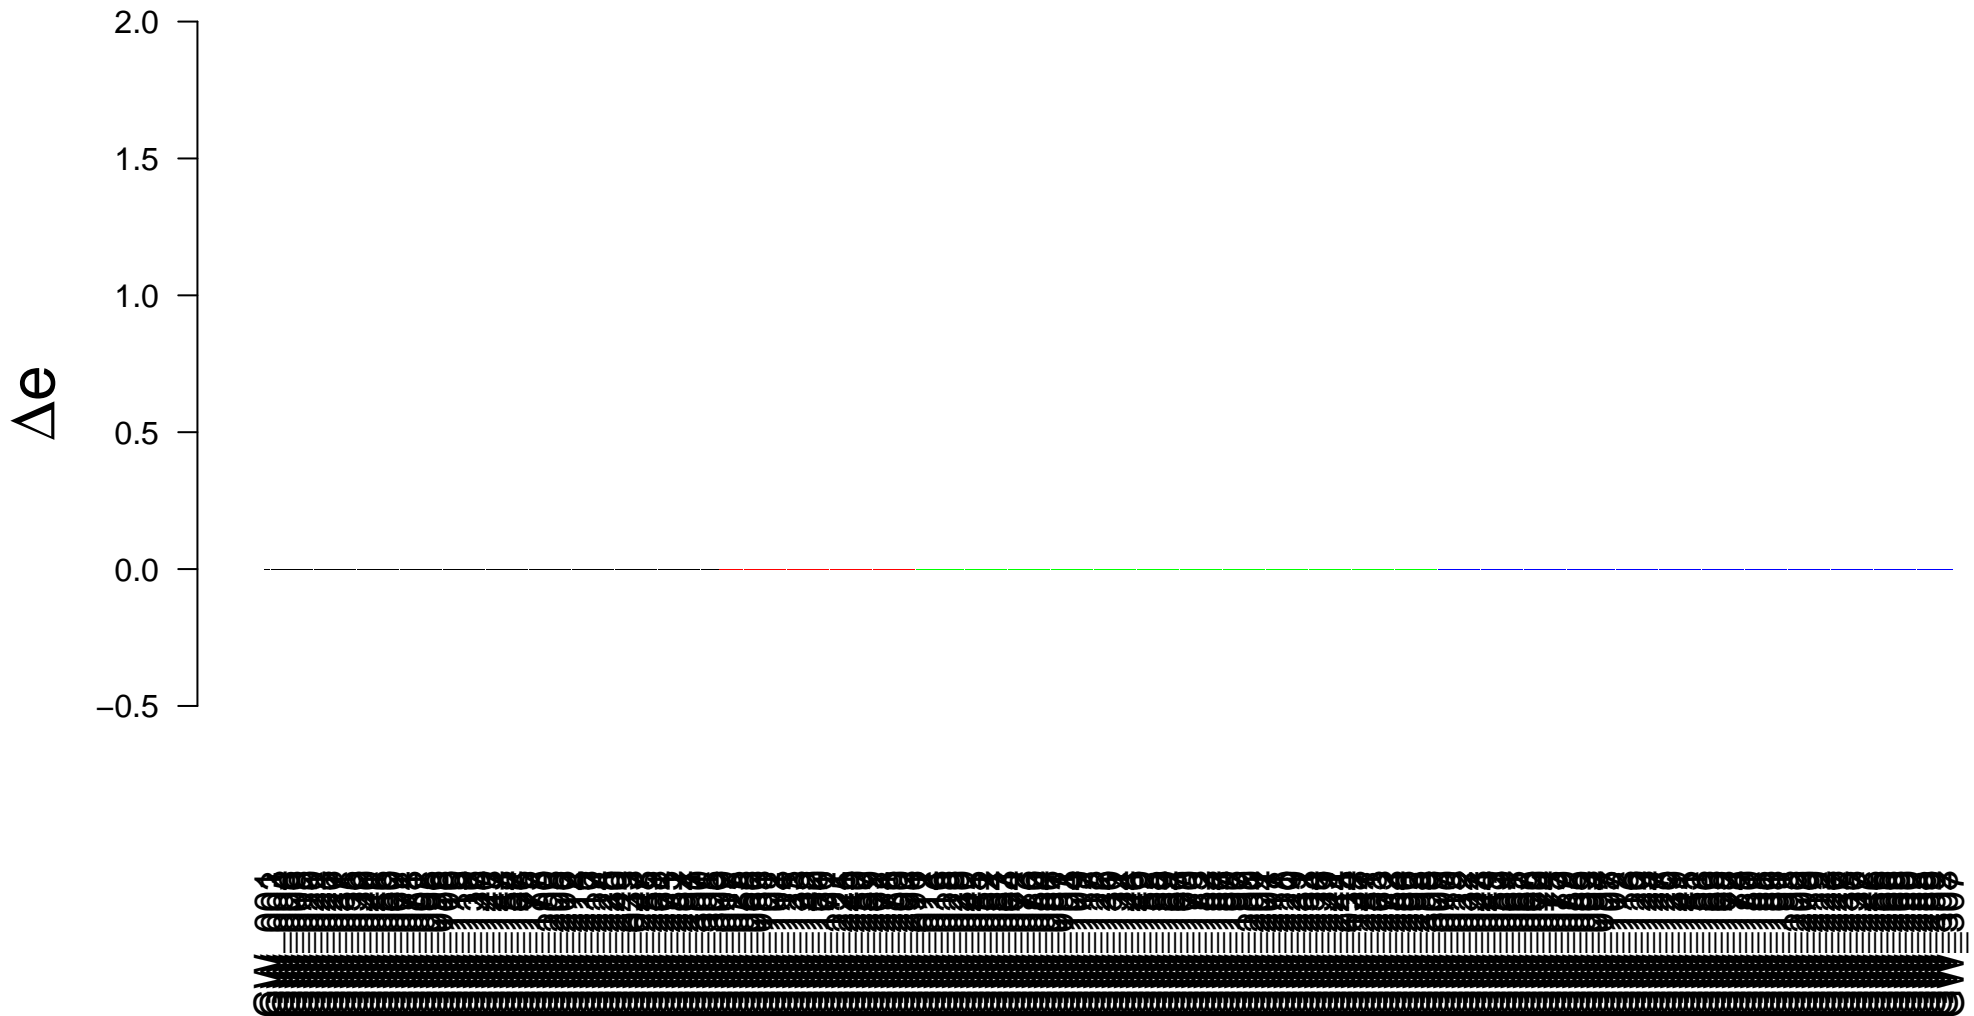

Expression of positive regulation of protein autophosphorylation in Spot M

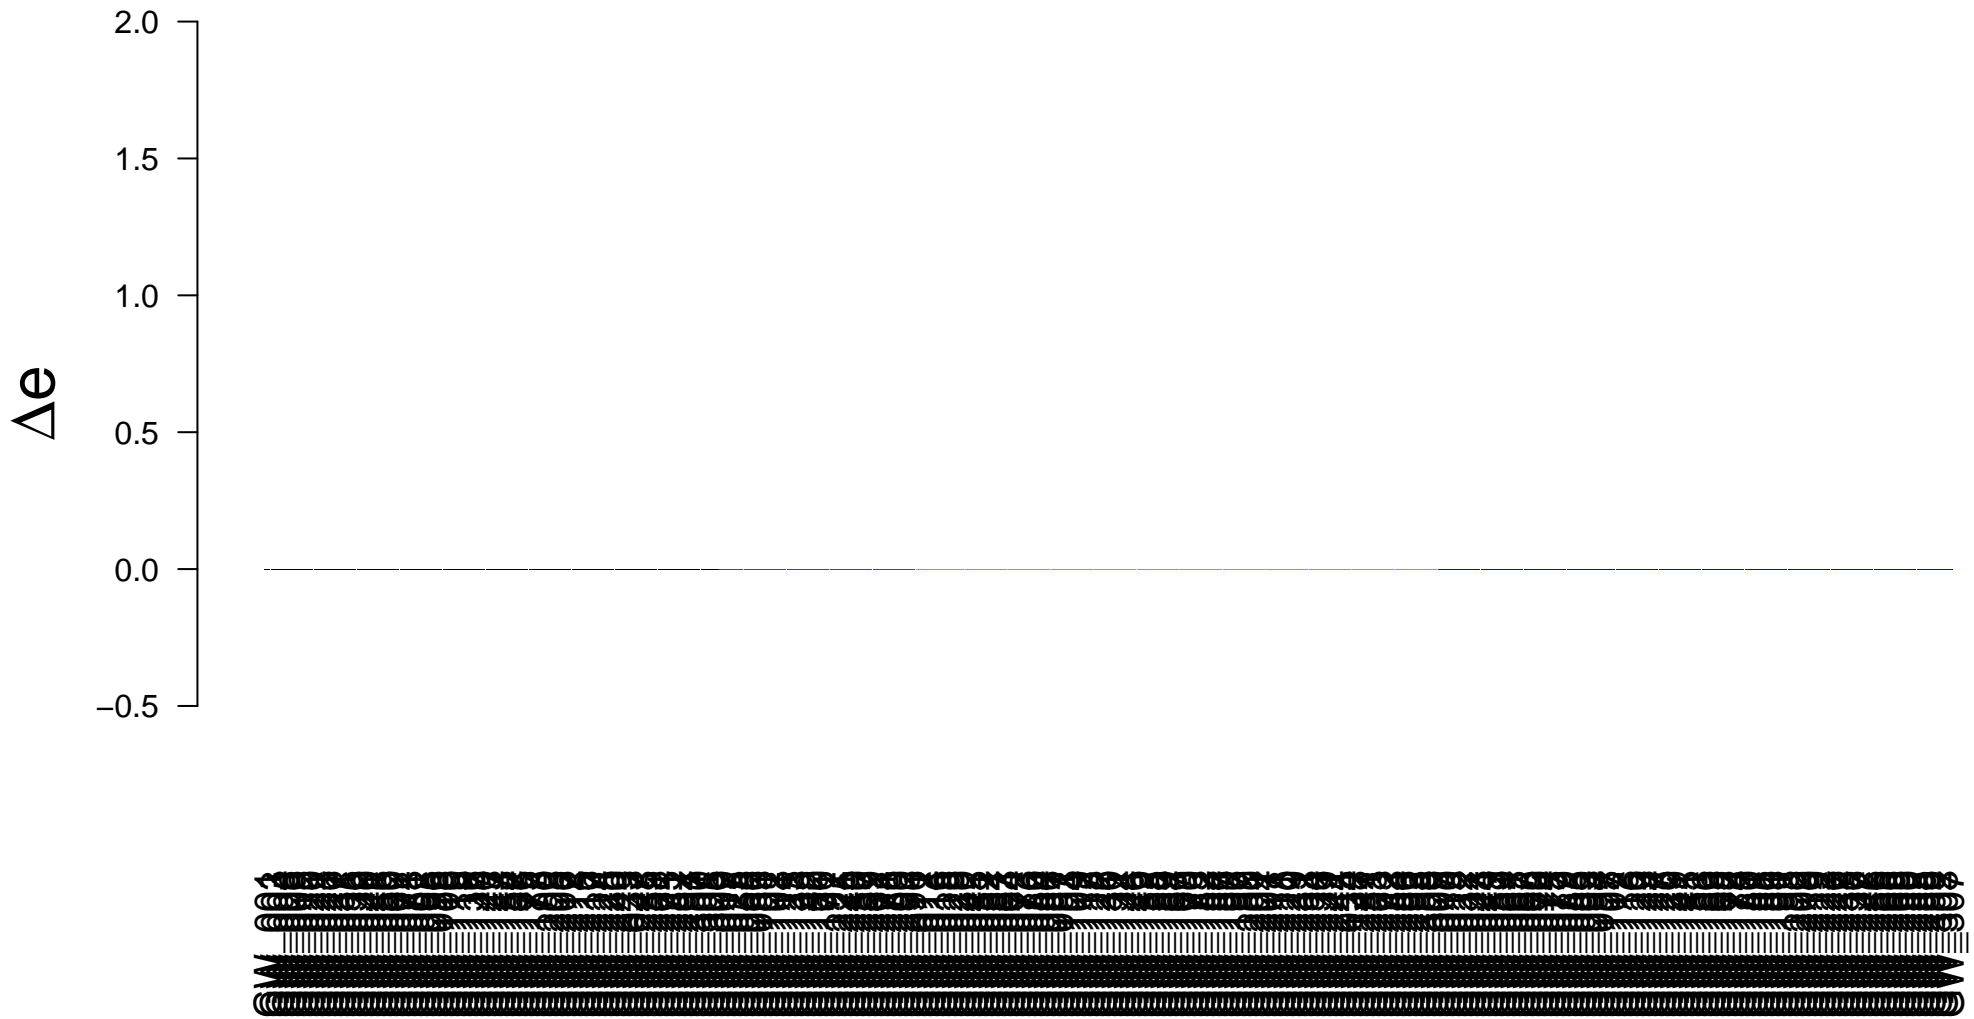

Expression of positive regulation of protein autophosphorylation in Spot N

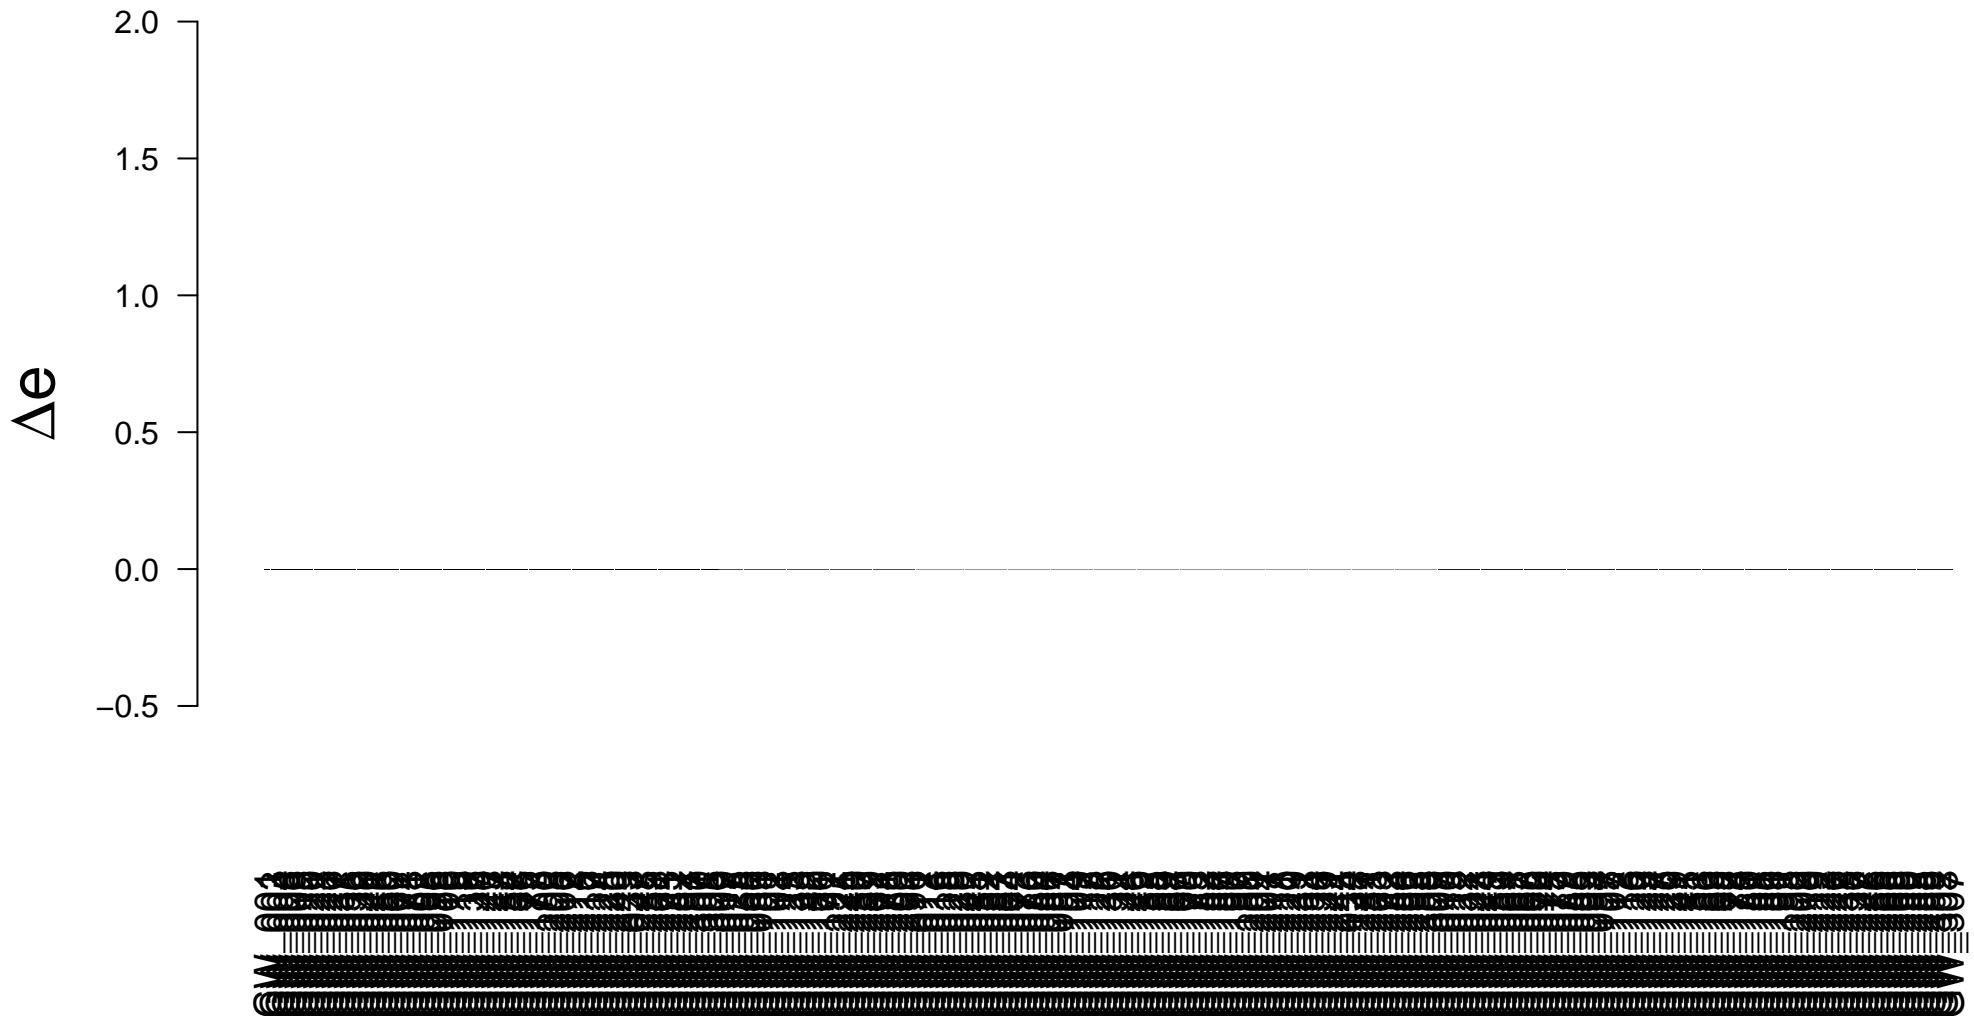

Expression of positive regulation of protein autophosphorylation in Spot O

Expression of positive regulation of protein autophosphorylation in Spot P

Expression of positive regulation of protein autophosphorylation in Spot Q

Expression of positive regulation of protein autophosphorylation in Spot R
