

positive regulation of protein binding

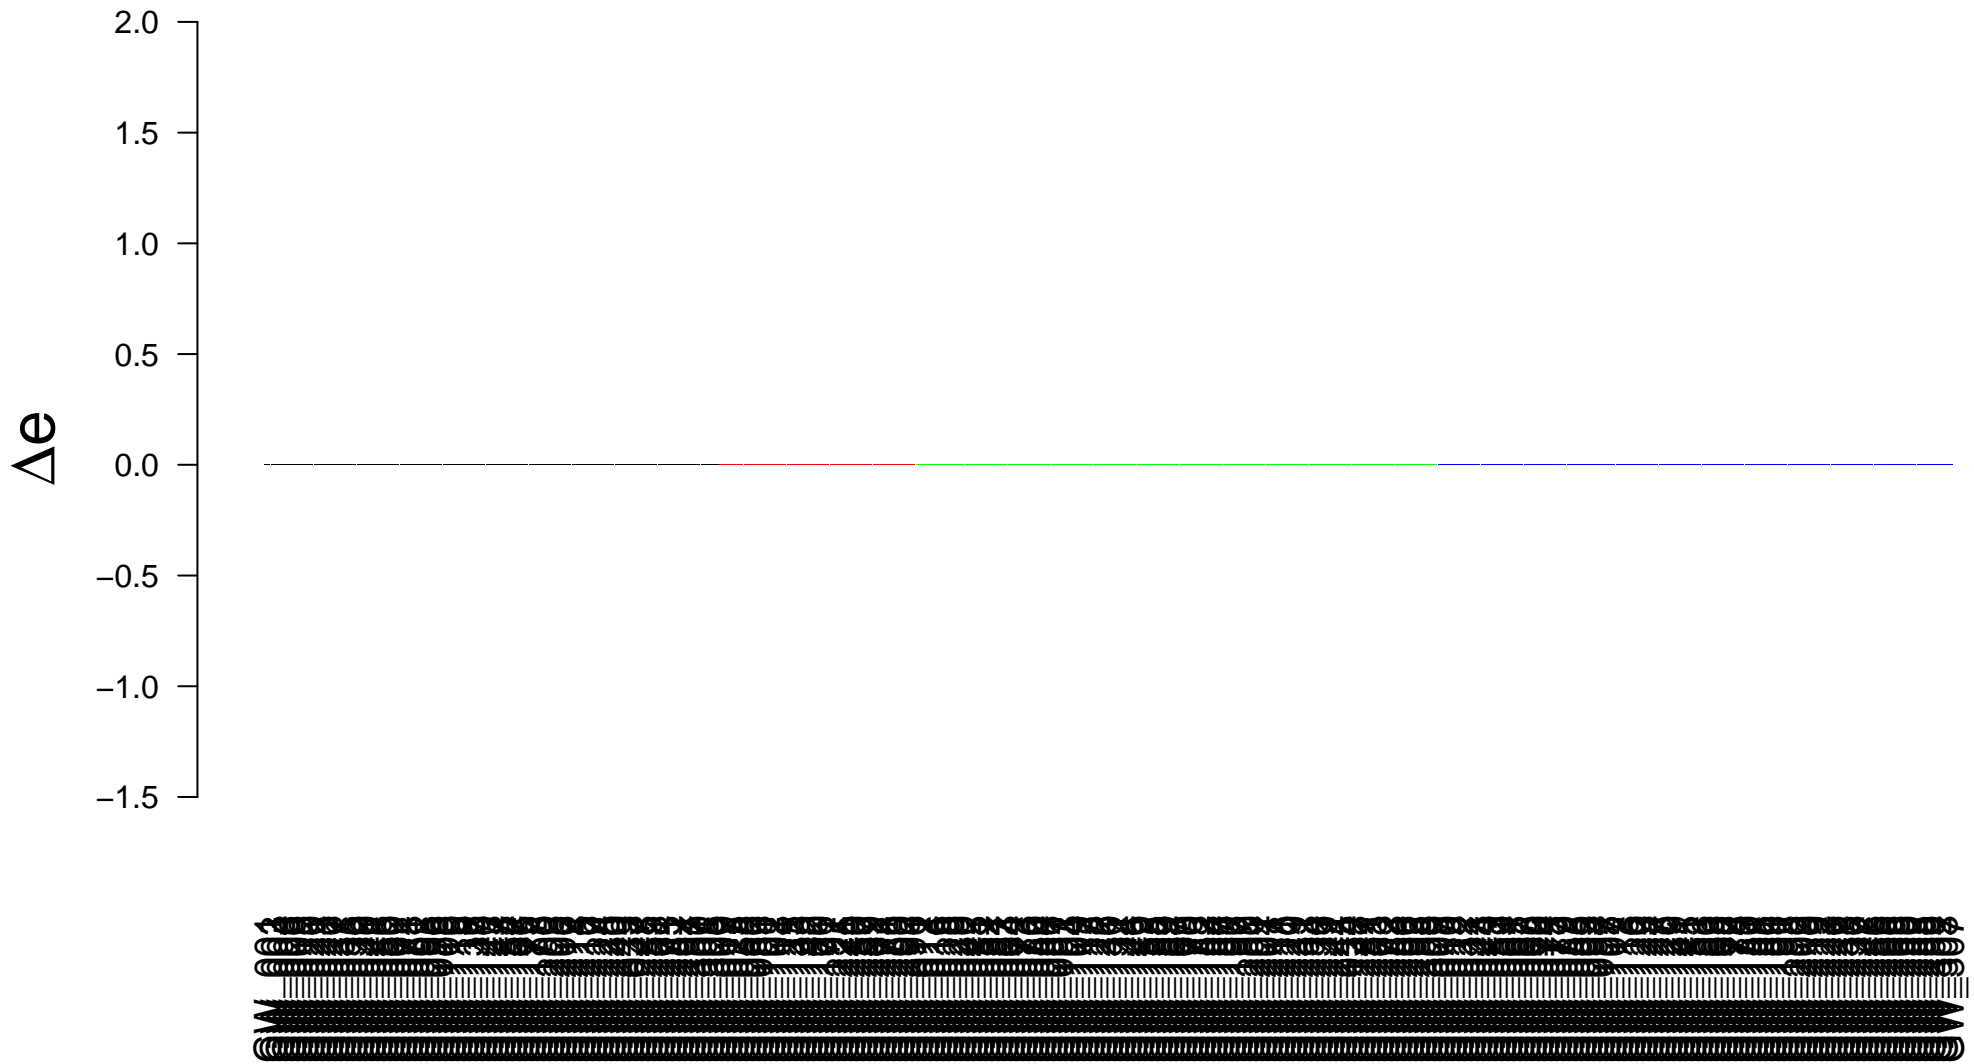

positive regulation of protein binding

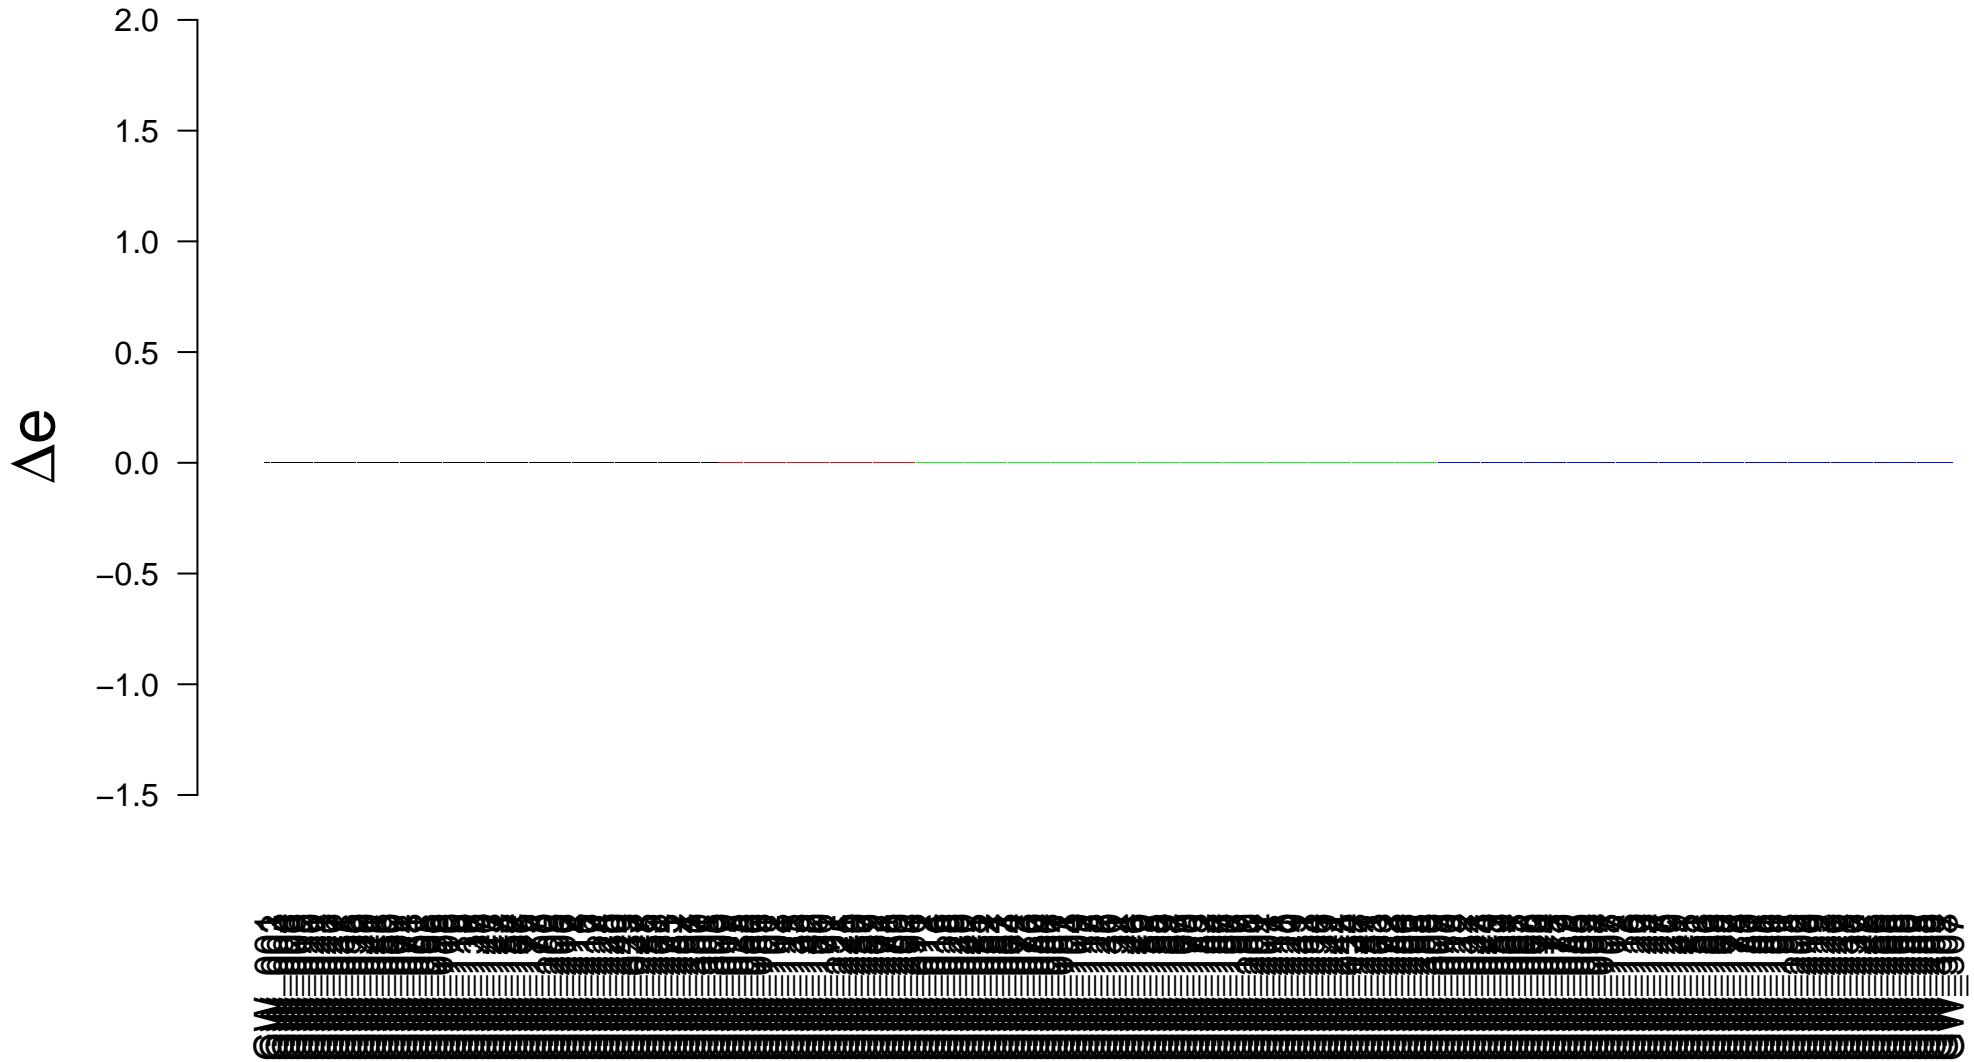

Enrichment in spots: positive regulation of protein binding

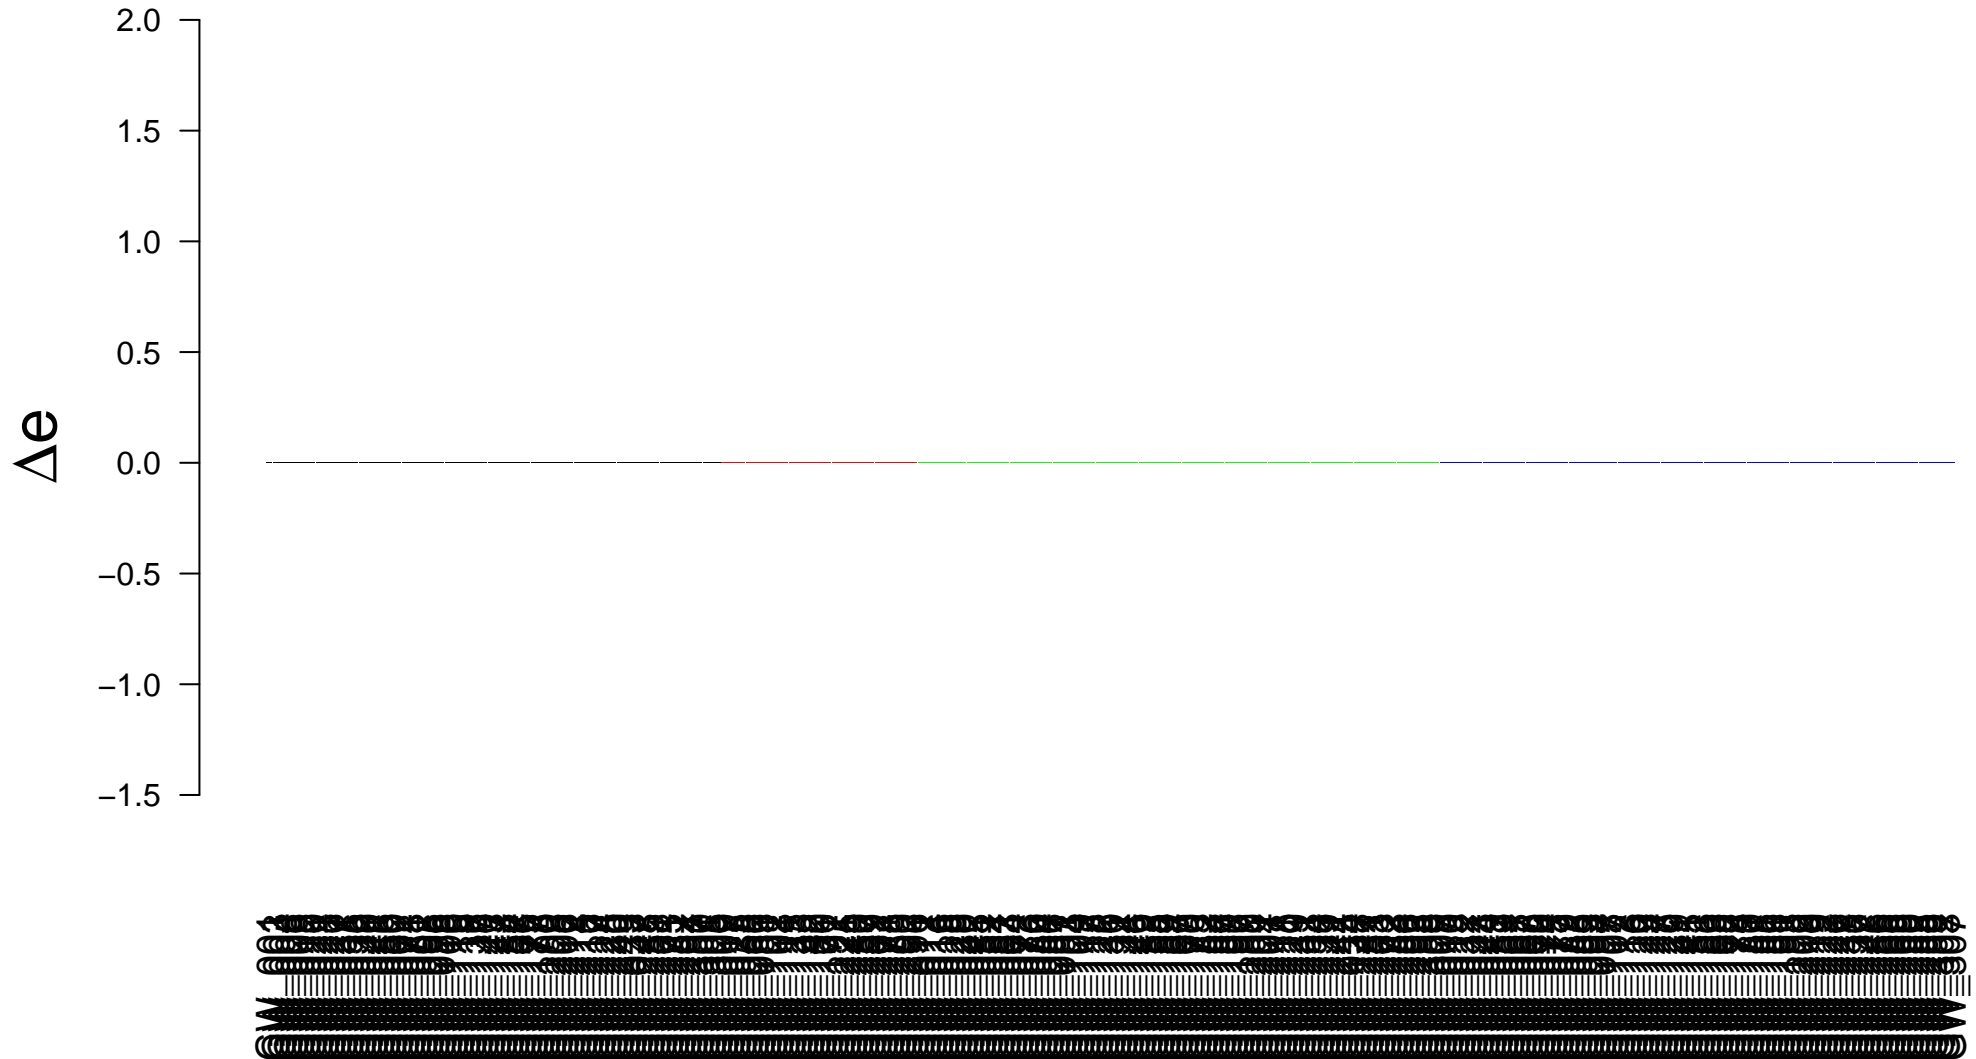

Expression of positive regulation of protein binding in Spot A

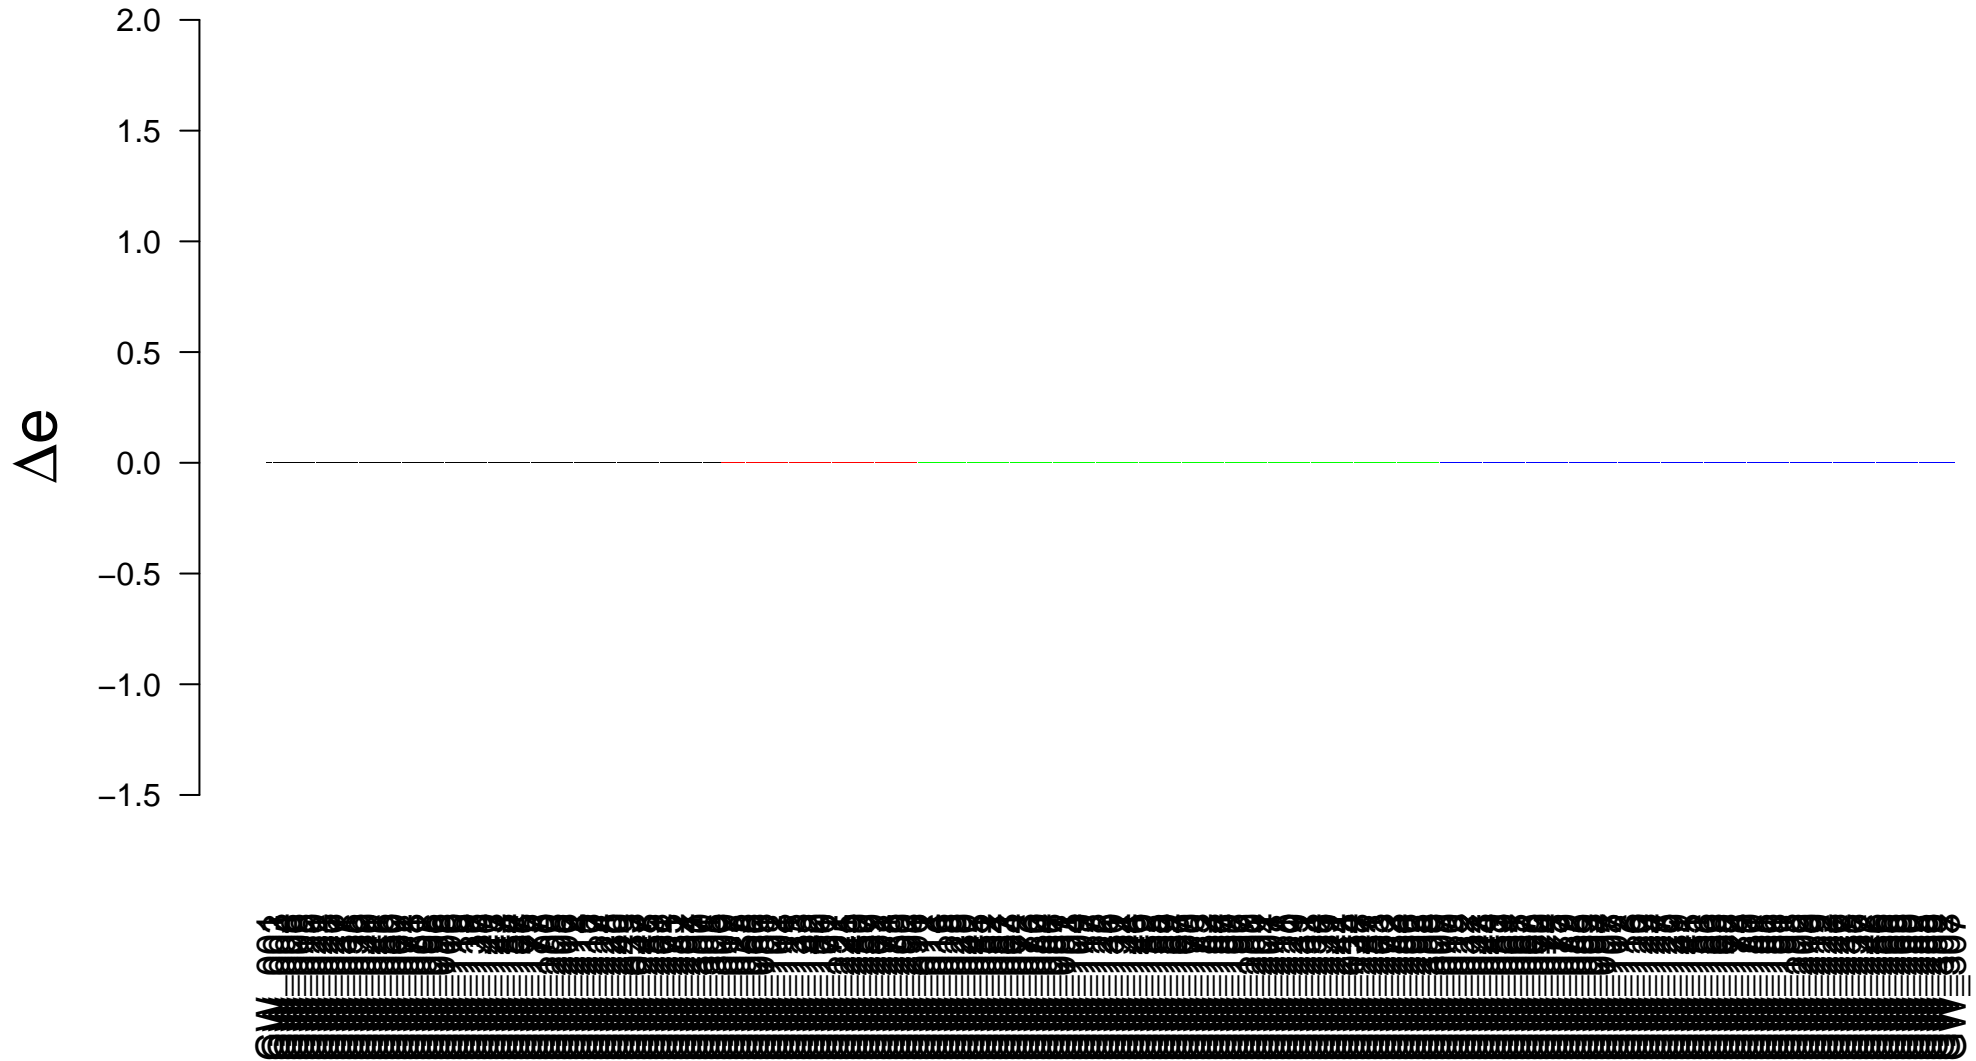

Expression of positive regulation of protein binding in Spot B

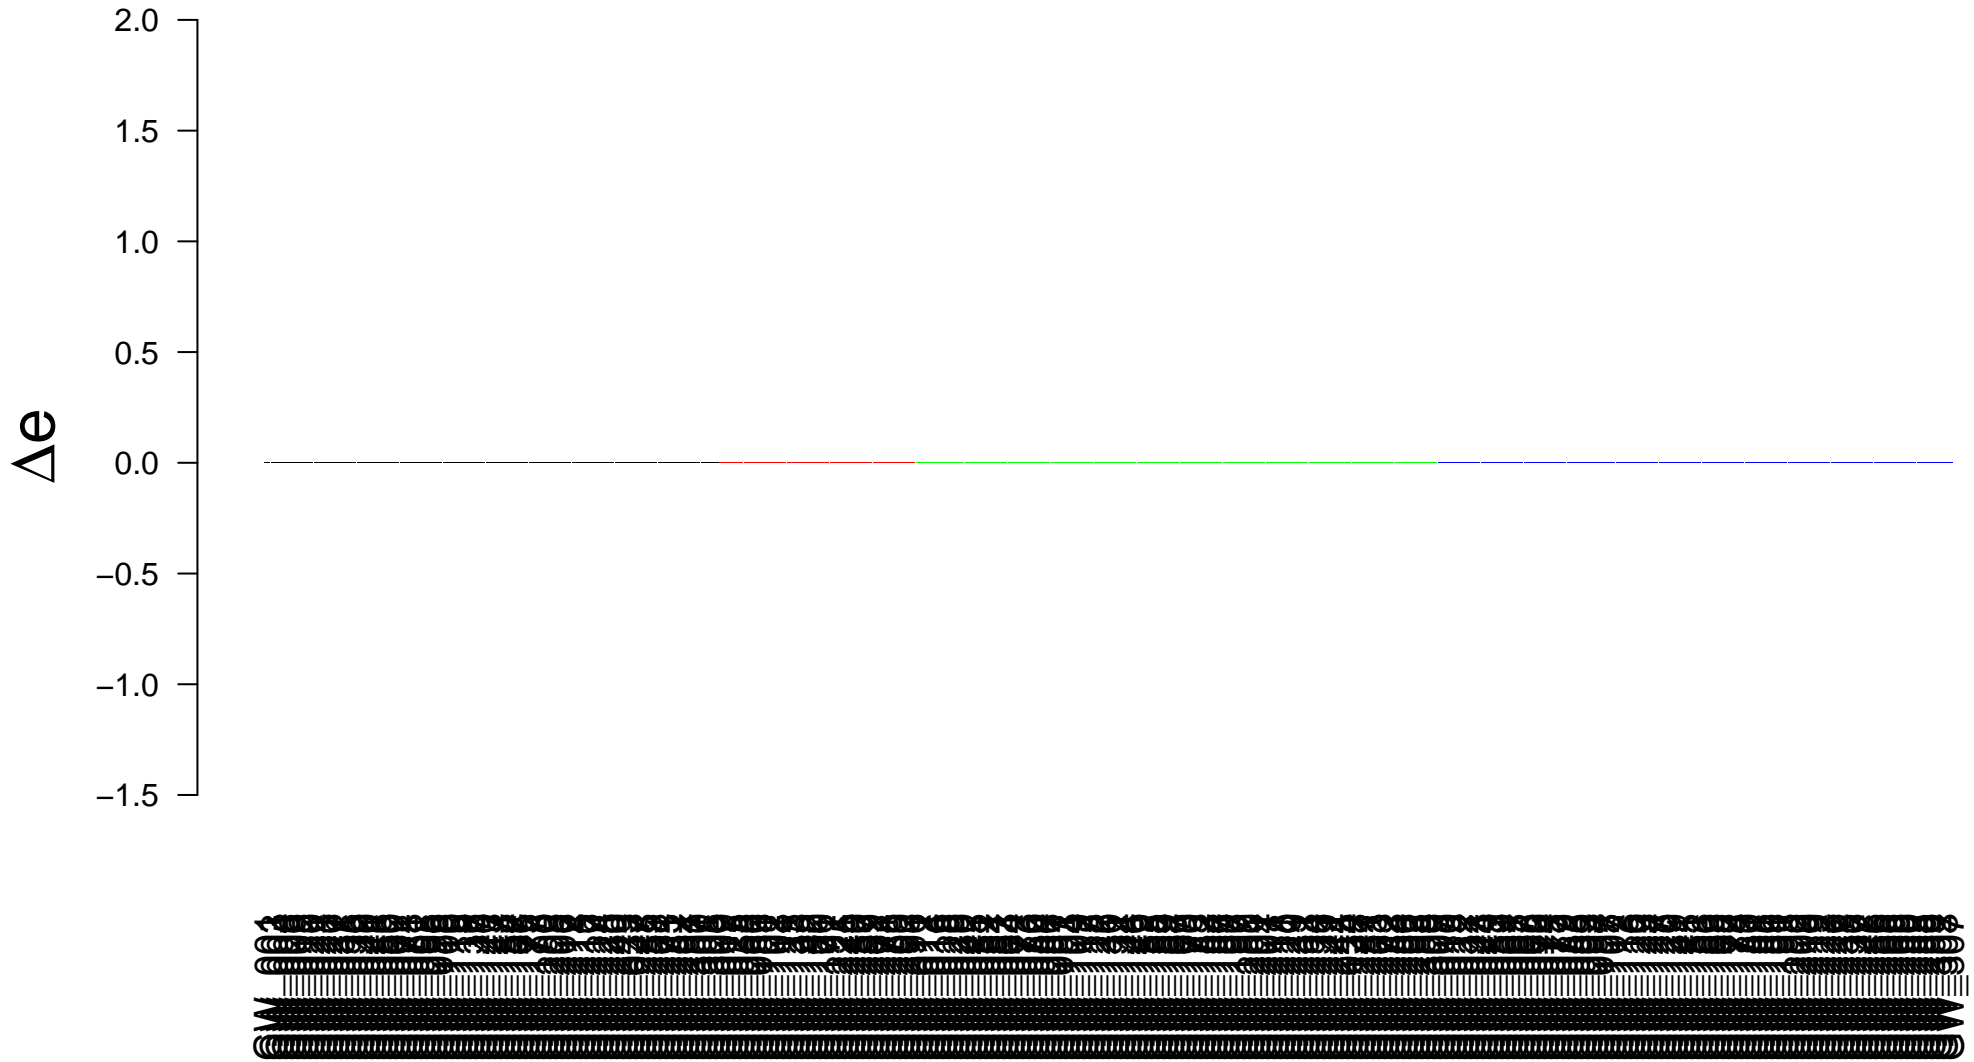

Expression of positive regulation of protein binding in Spot C

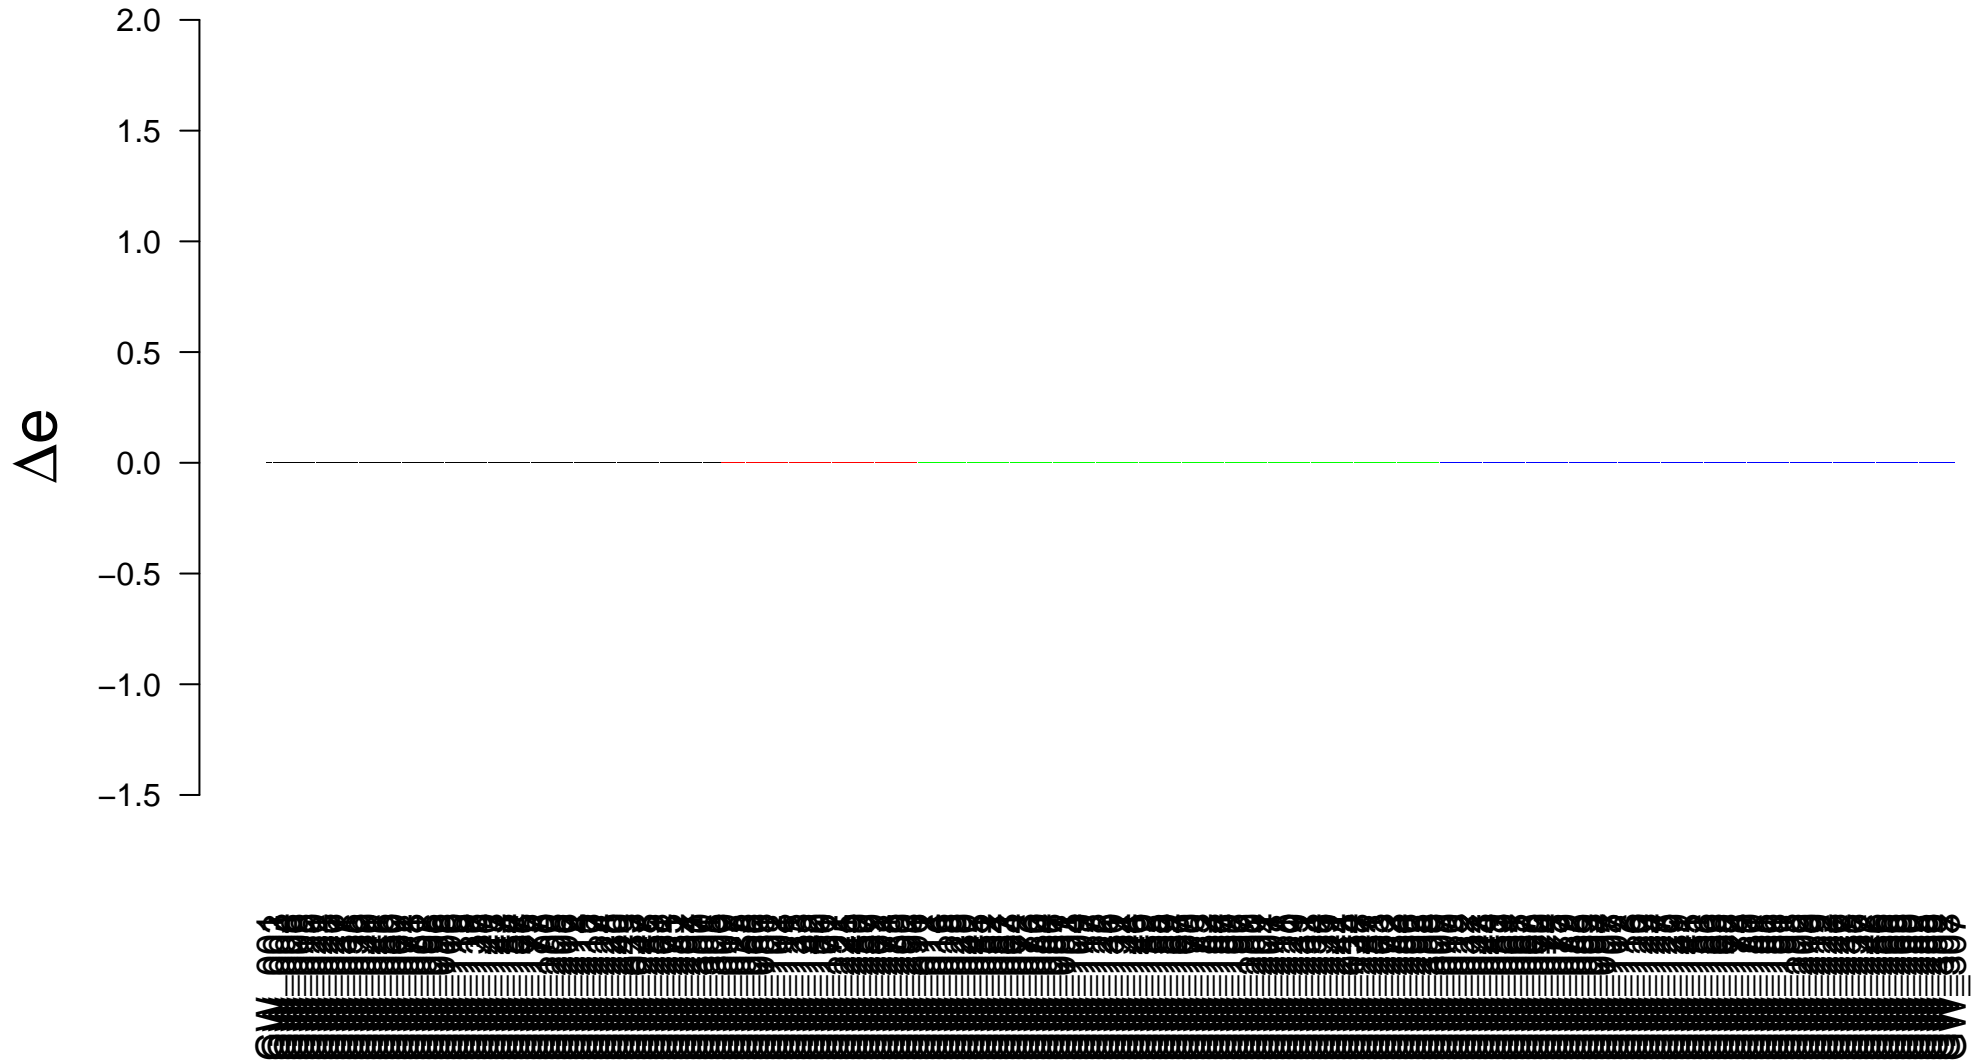

Expression of positive regulation of protein binding in Spot D

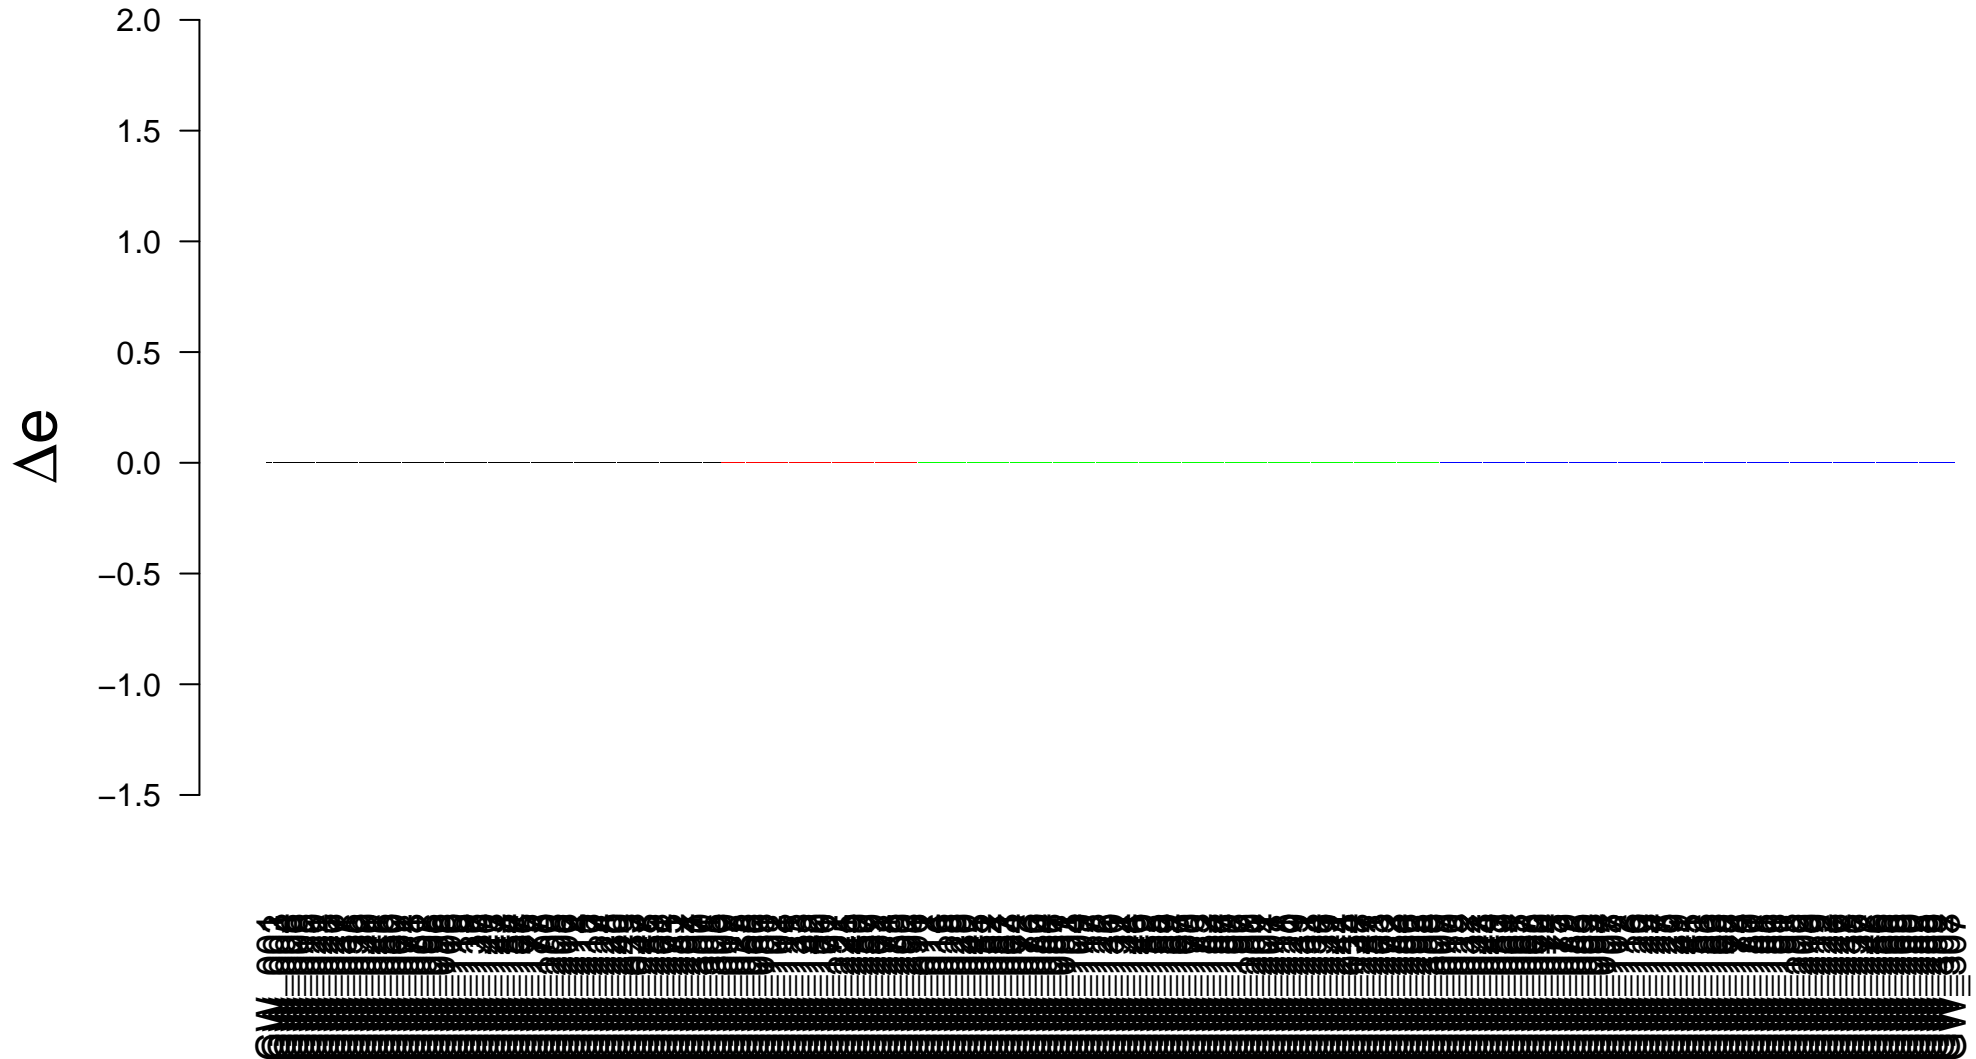

Expression of positive regulation of protein binding in Spot E

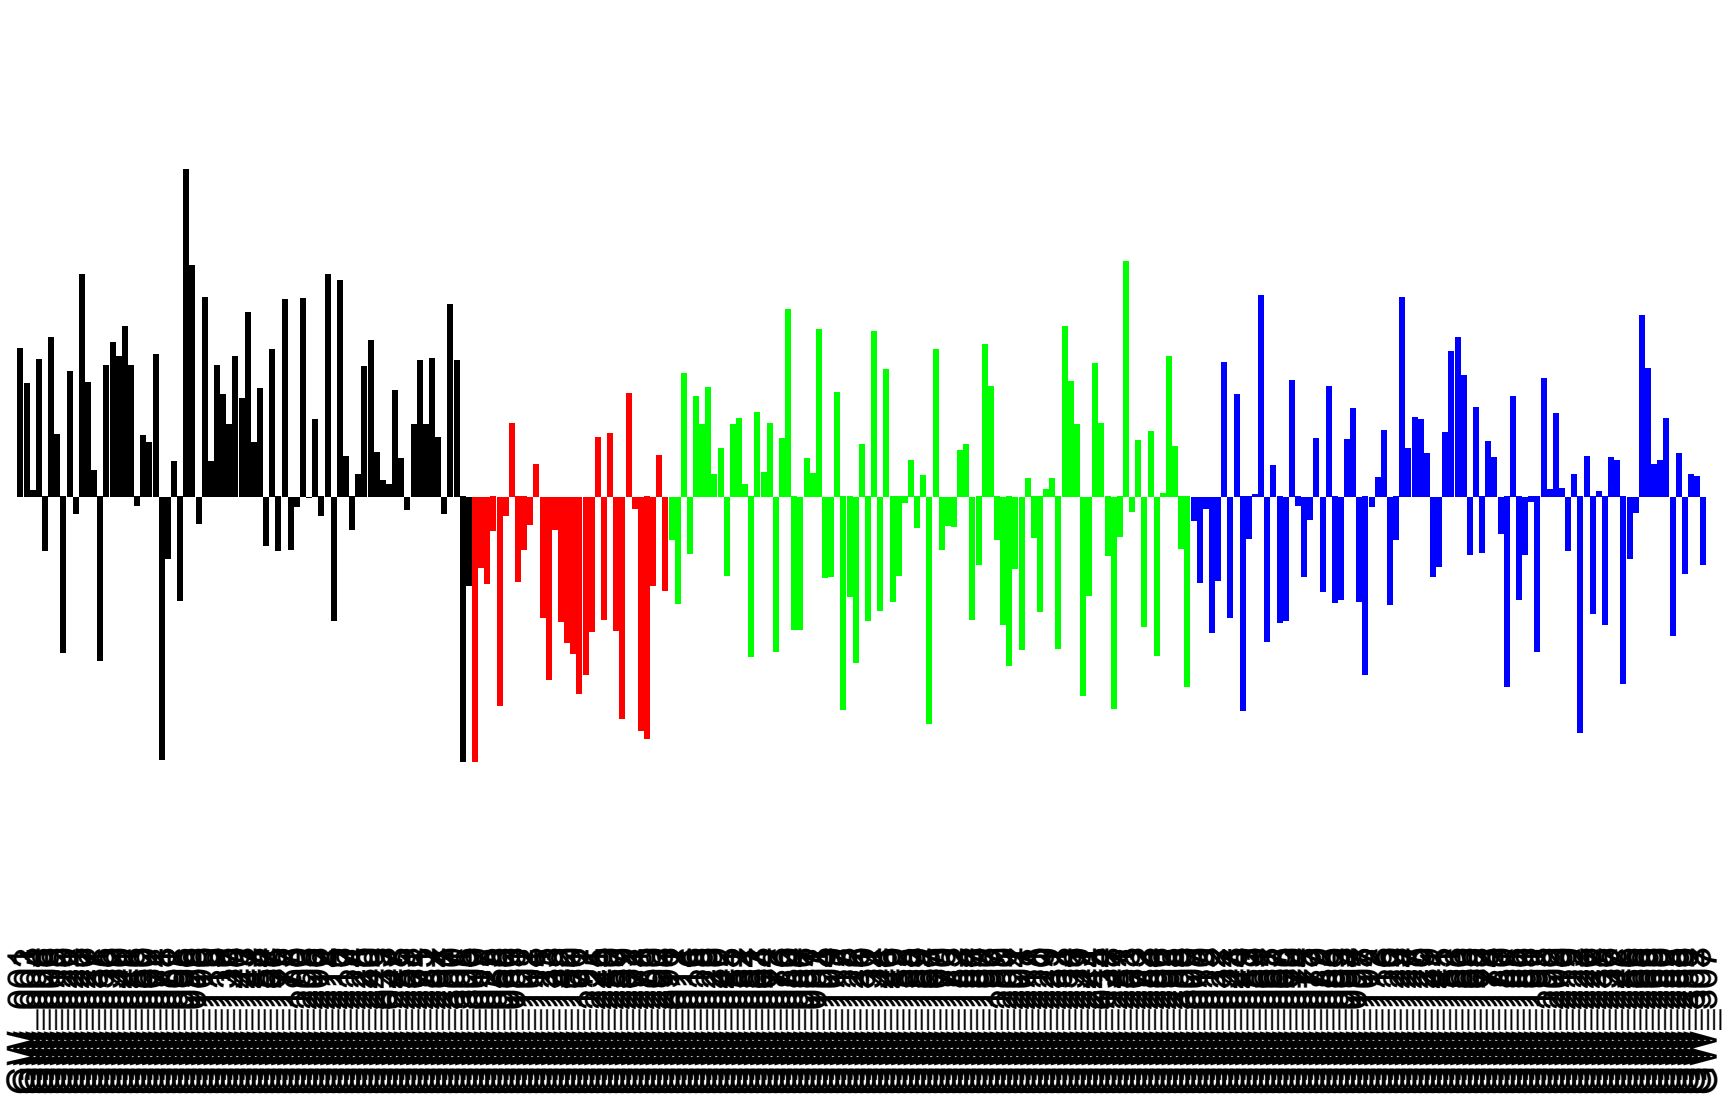

Expression of positive regulation of protein binding in Spot F

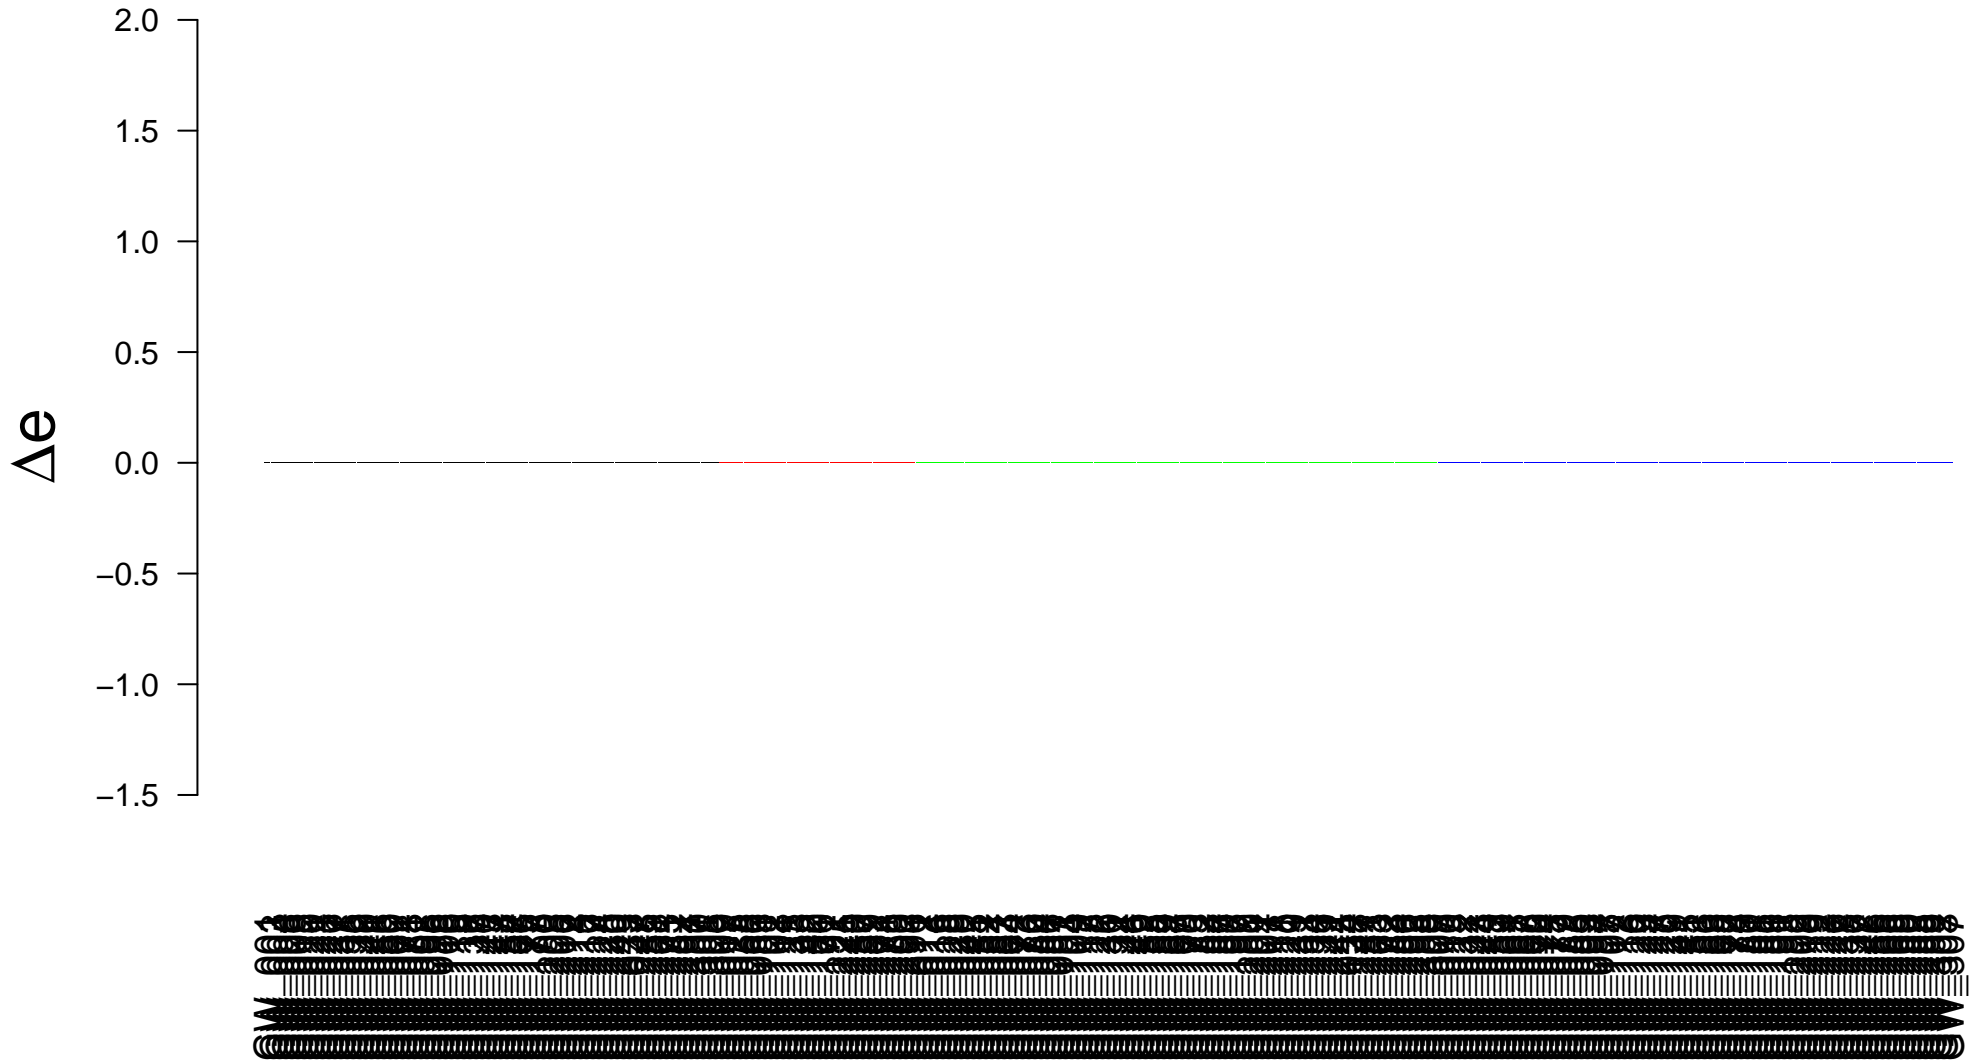

Expression of positive regulation of protein binding in Spot G

Expression of positive regulation of protein binding in Spot H

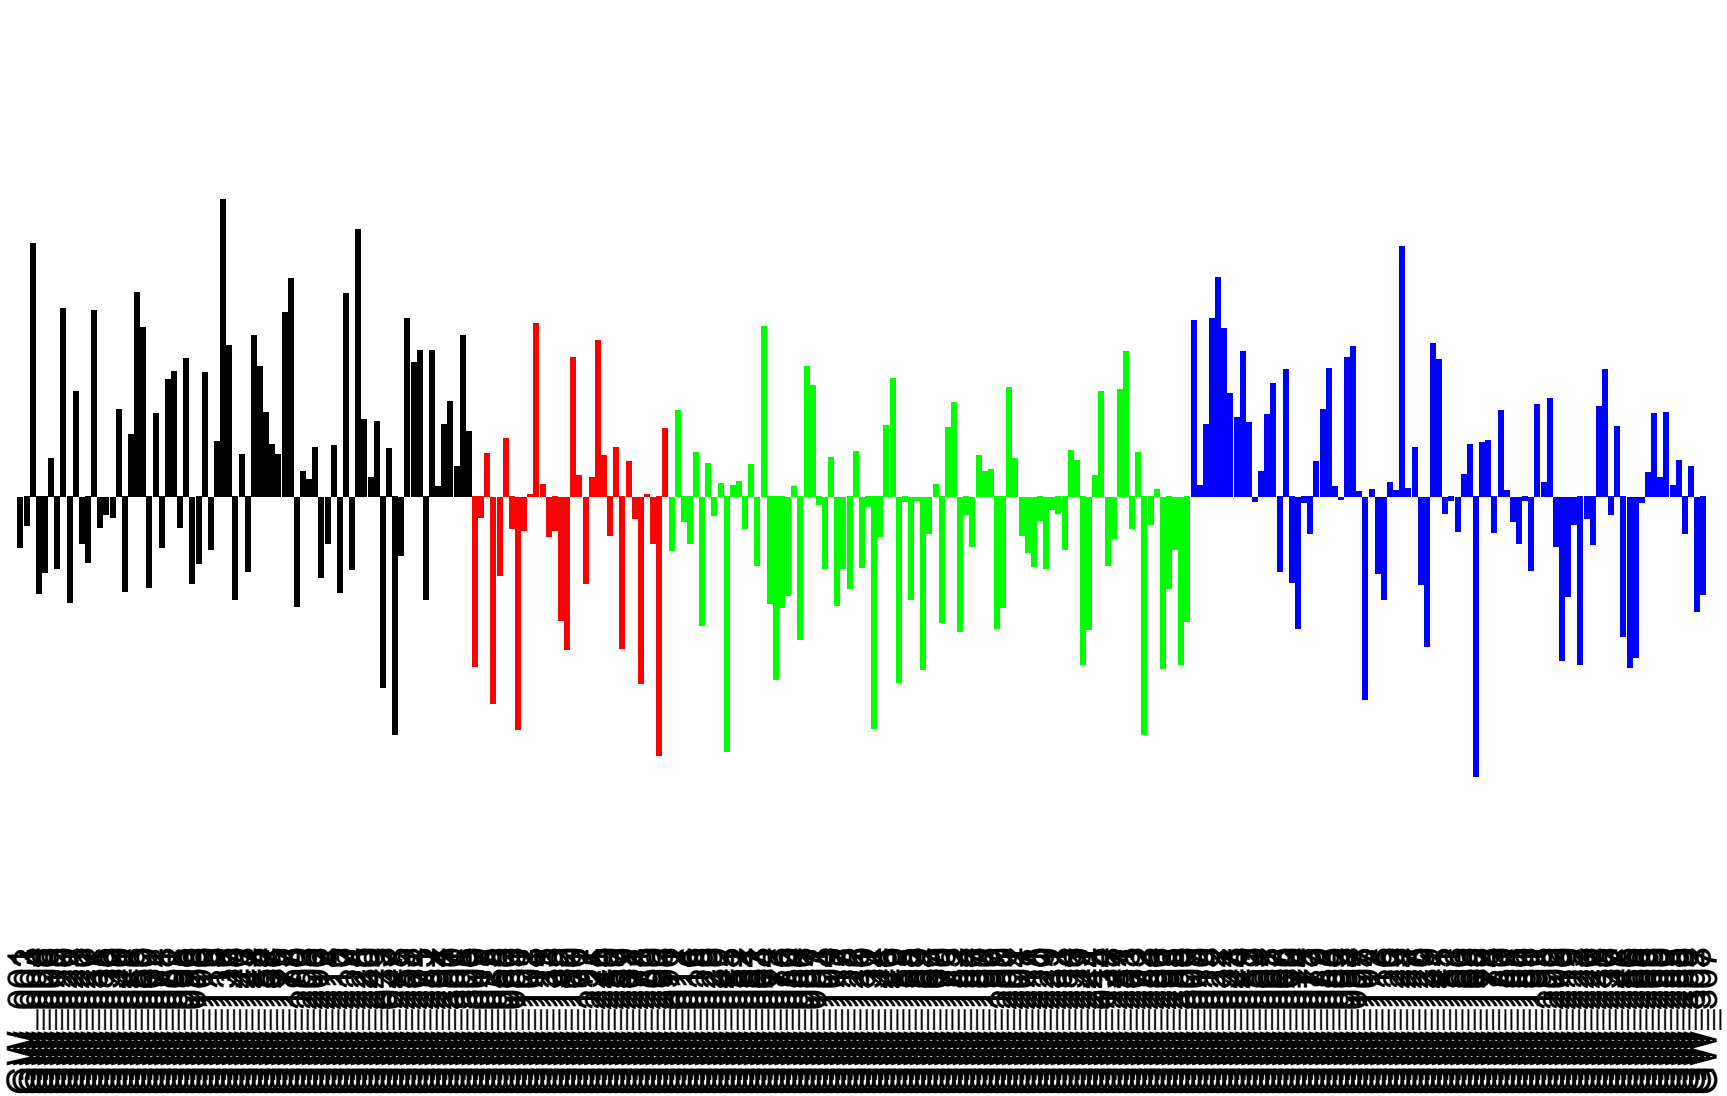

Expression of positive regulation of protein binding in Spot I

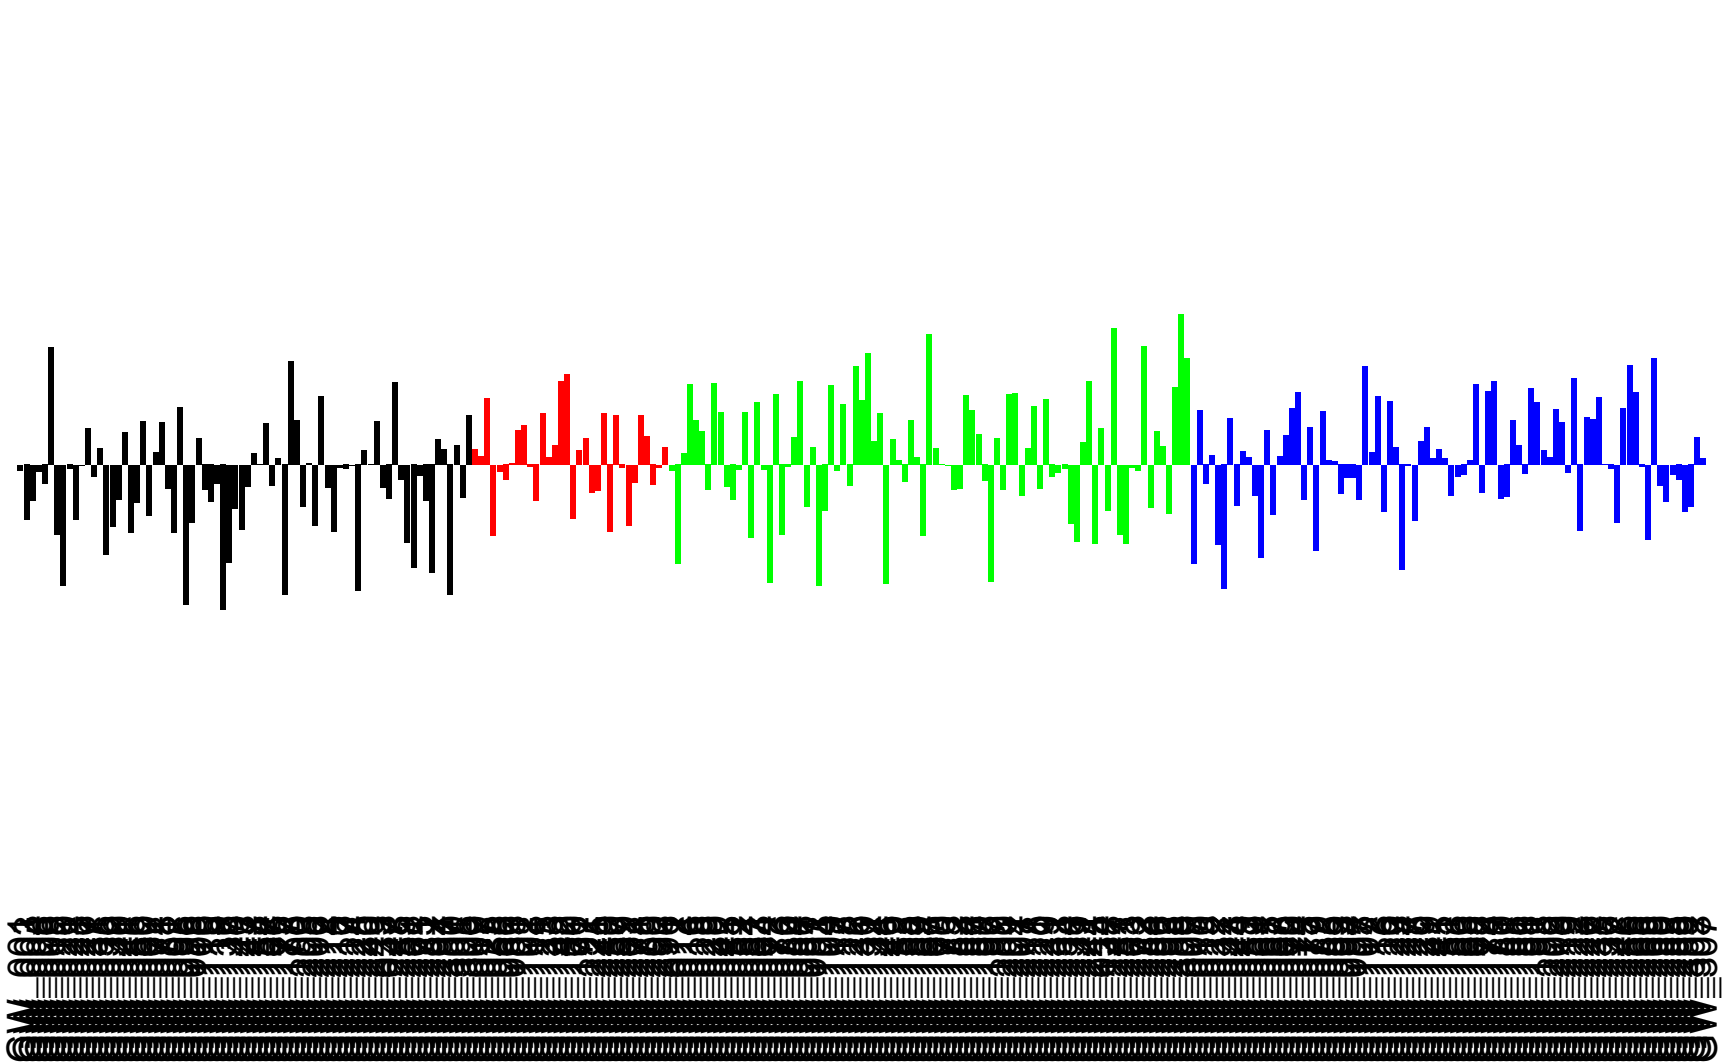

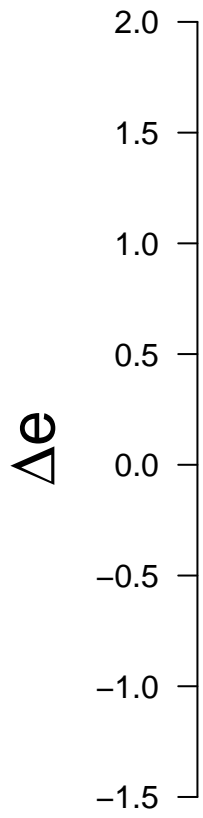

Expression of positive regulation of protein binding in Spot J
