

positive regulation of protein dephosphorylation

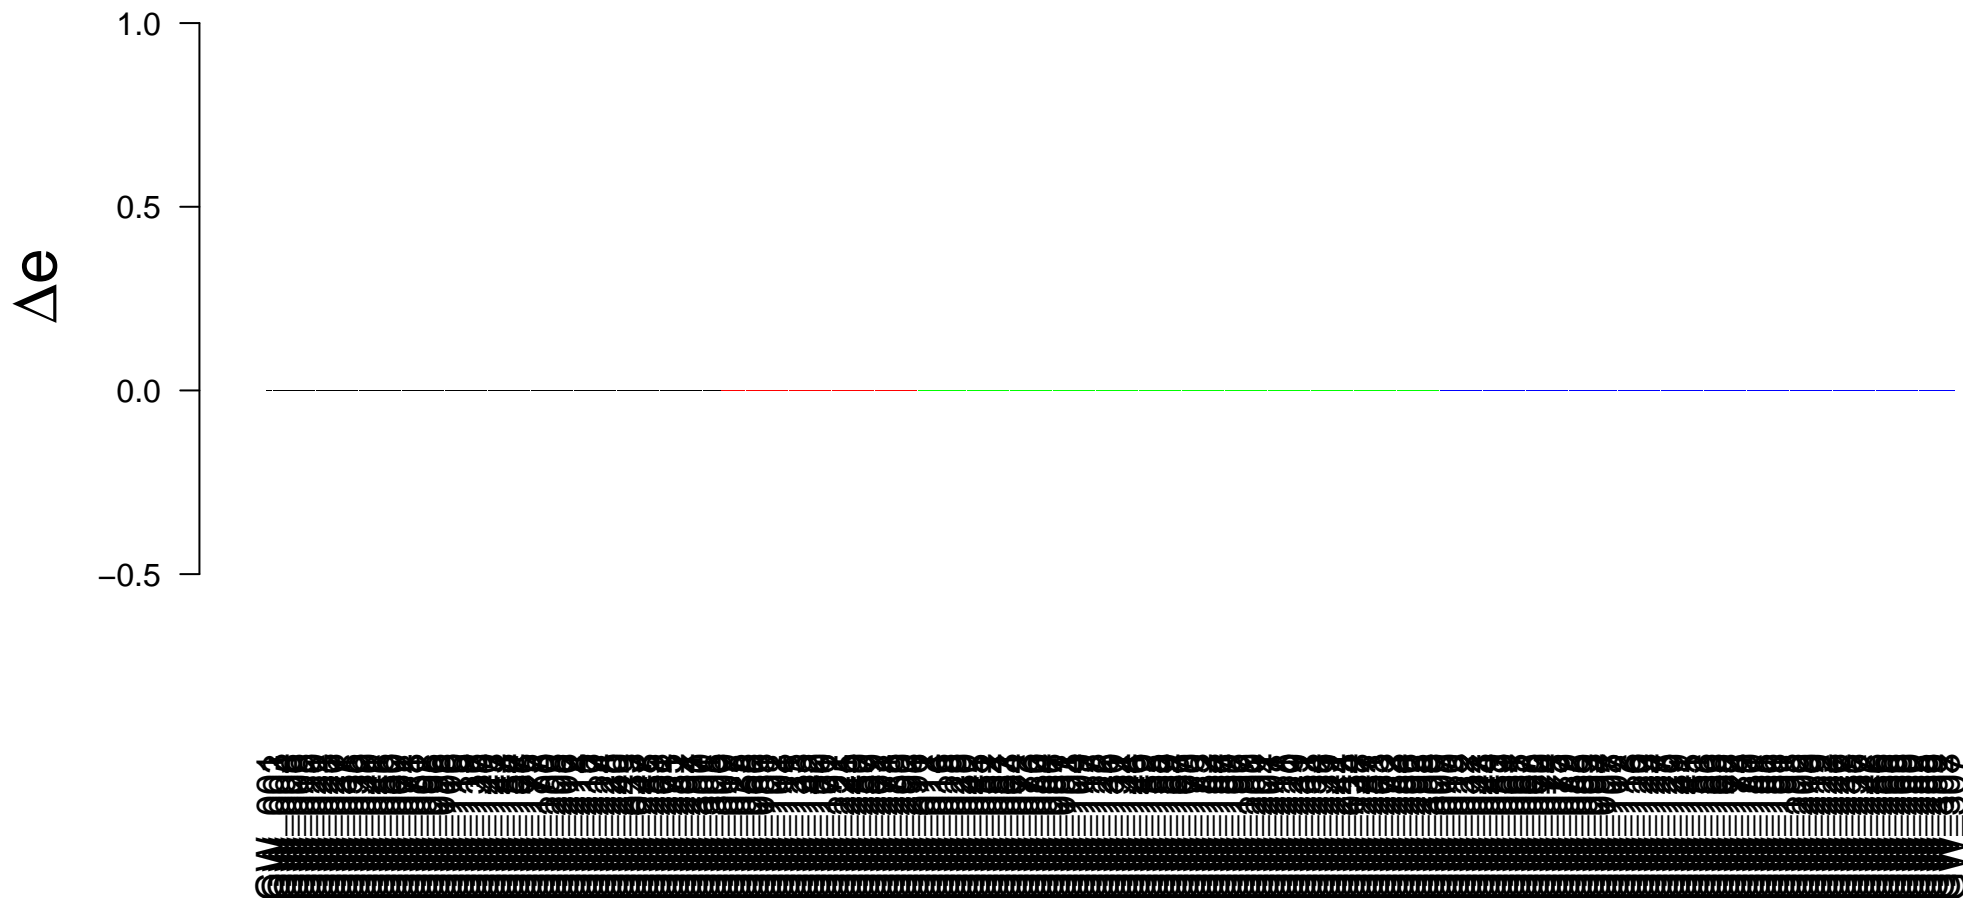

positive regulation of protein dephosphorylation

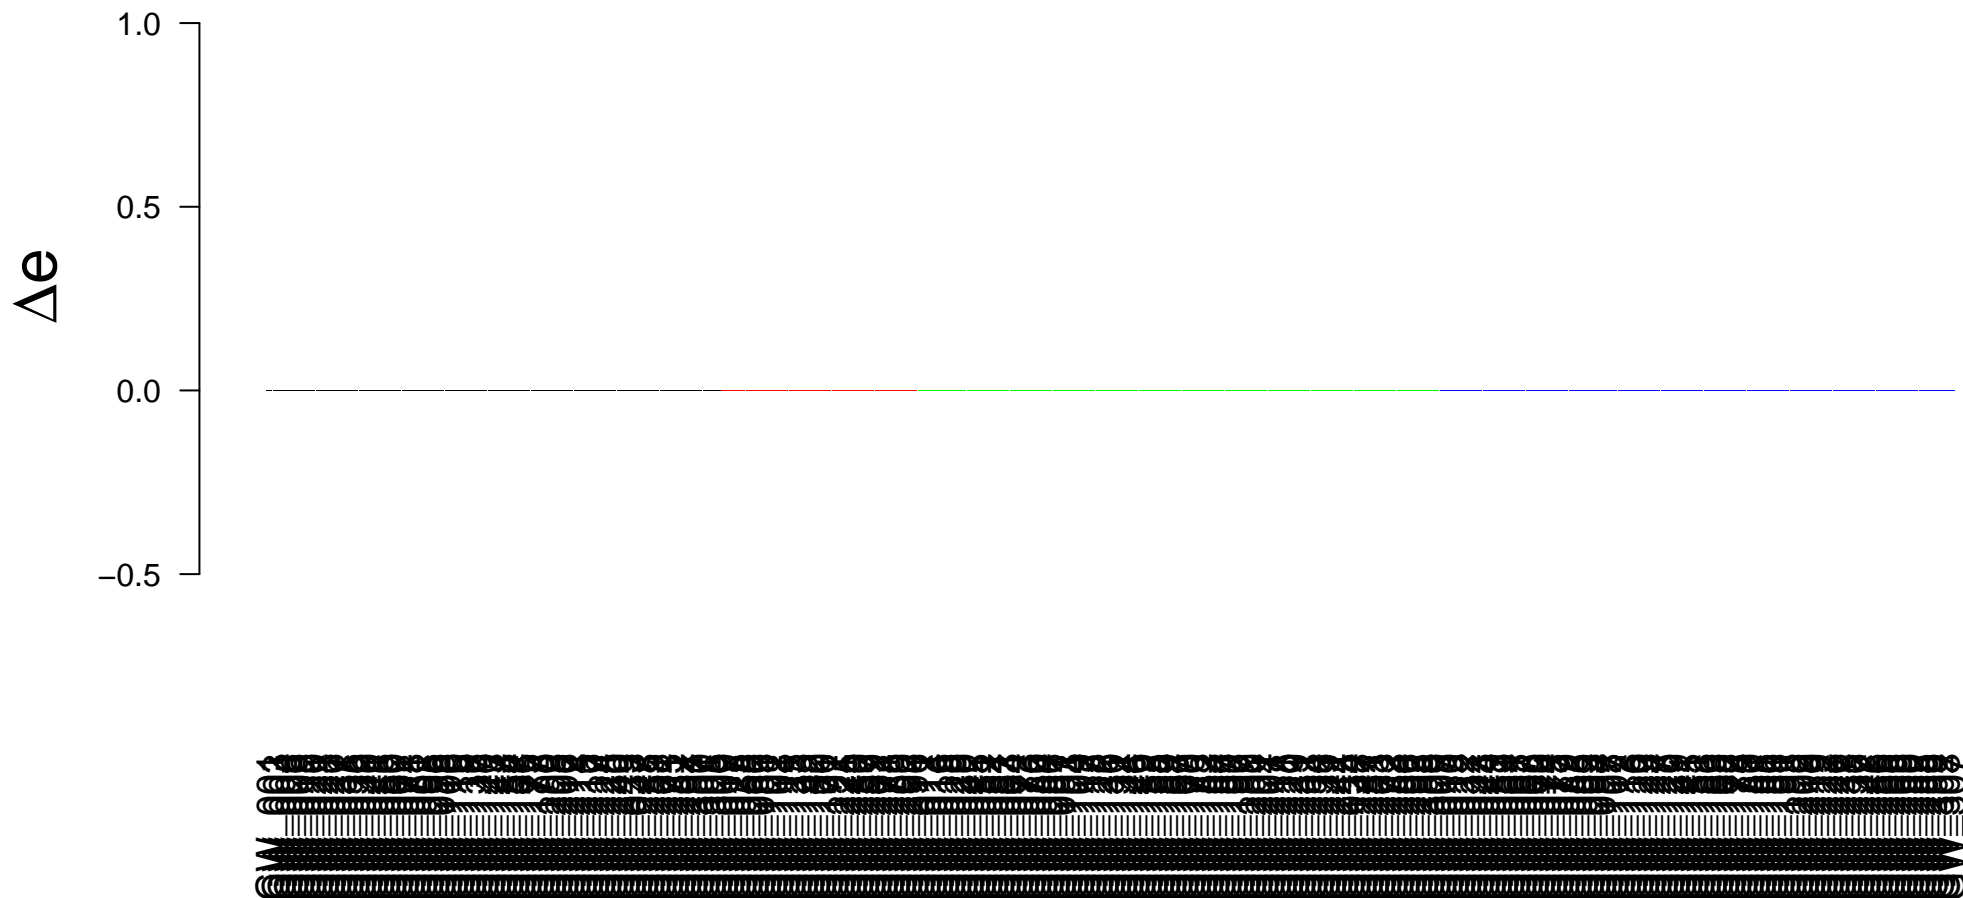

# Enrichment in spots: positive regulation of protein dephosphorylation

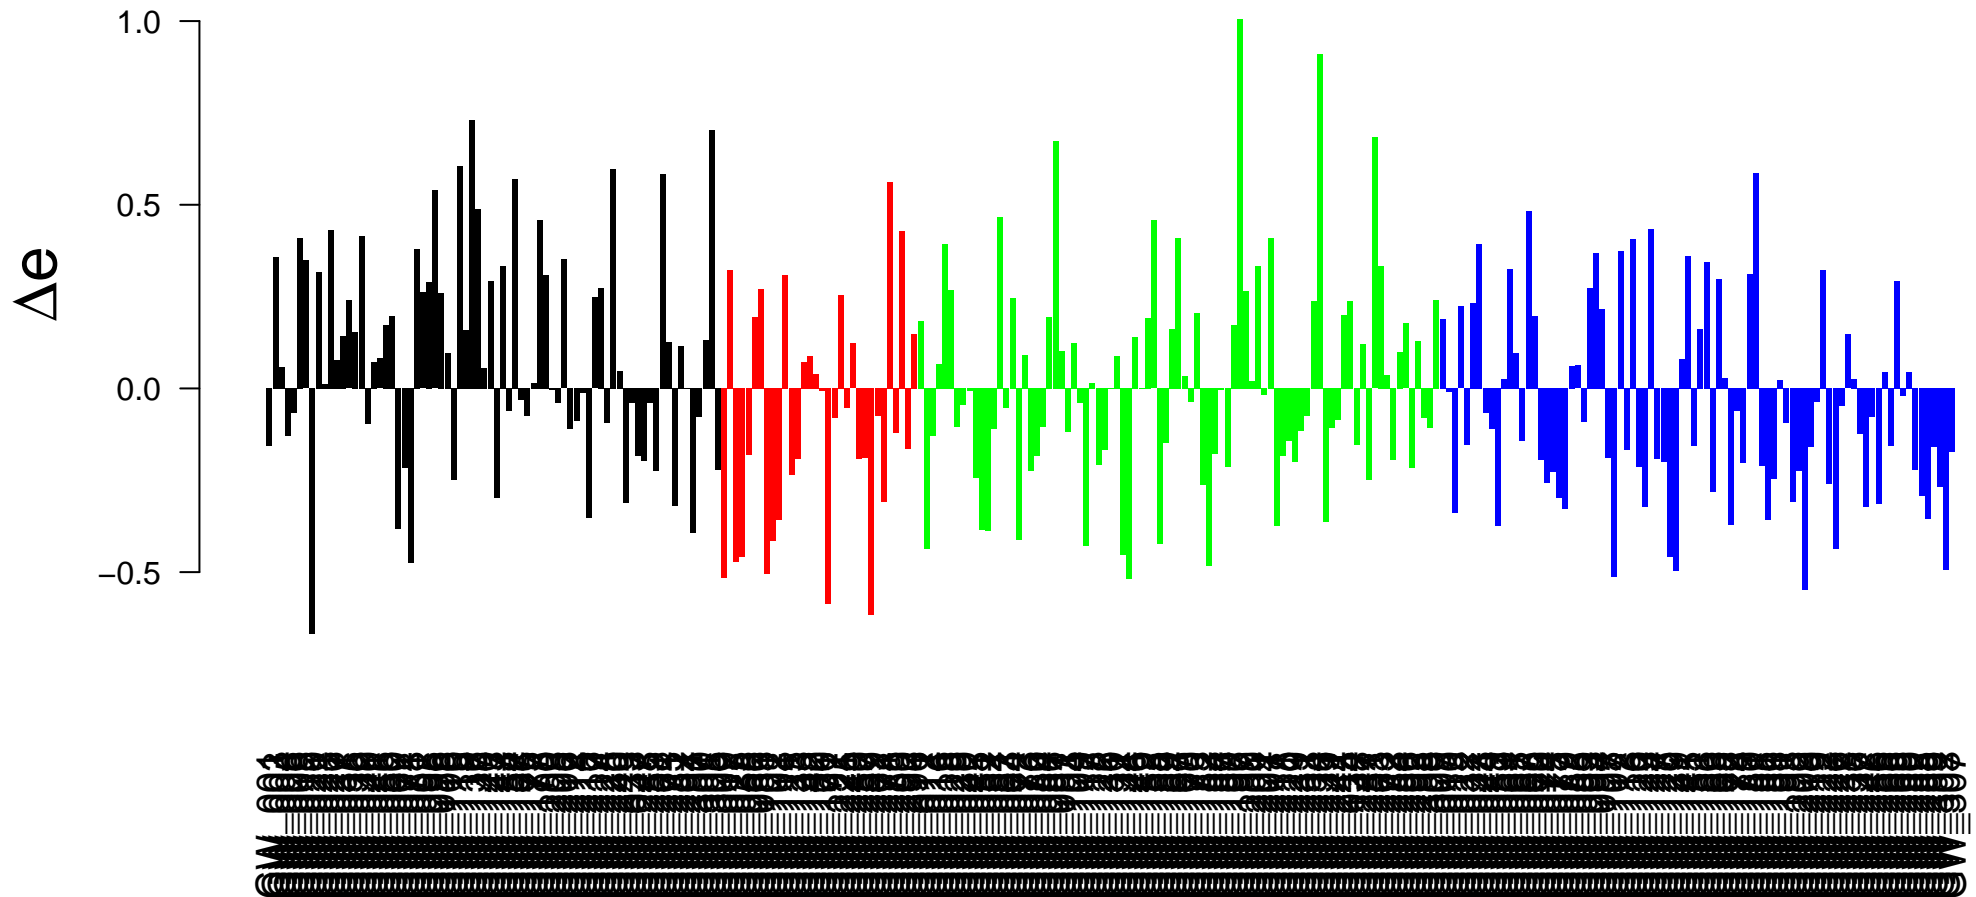

# Expression of positive regulation of protein dephosphorylation in Spot A

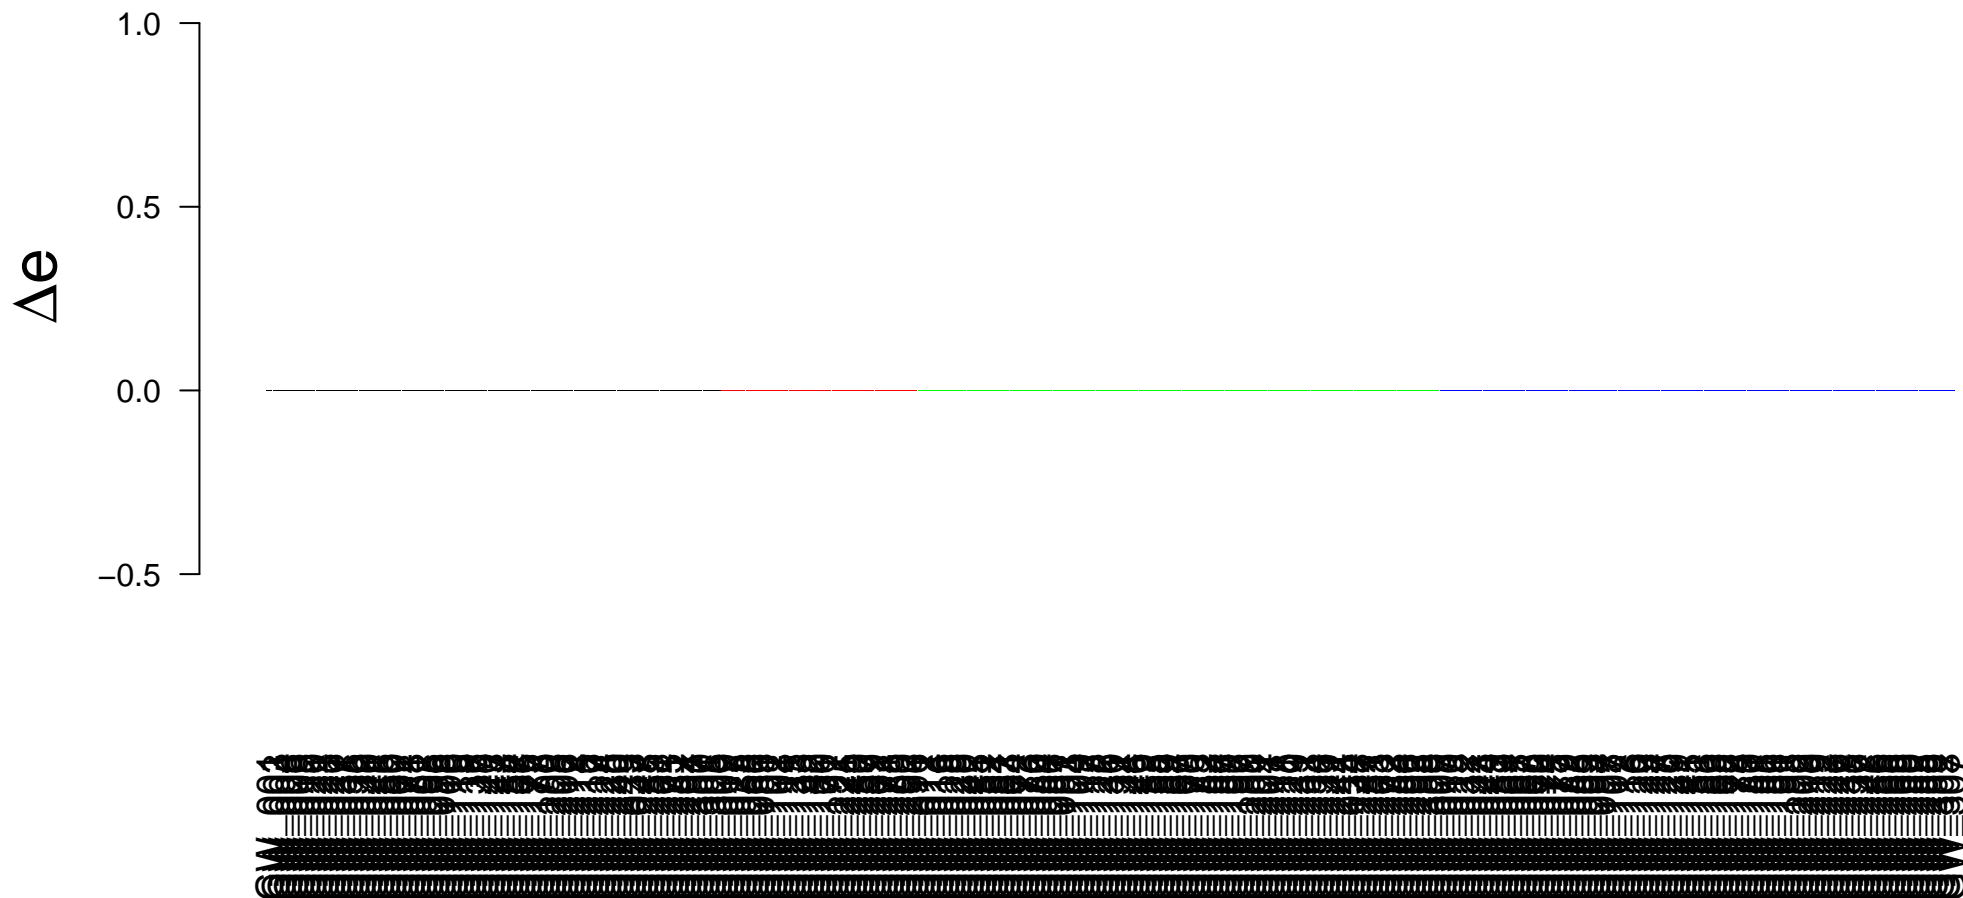

# Expression of positive regulation of protein dephosphorylation in Spot B

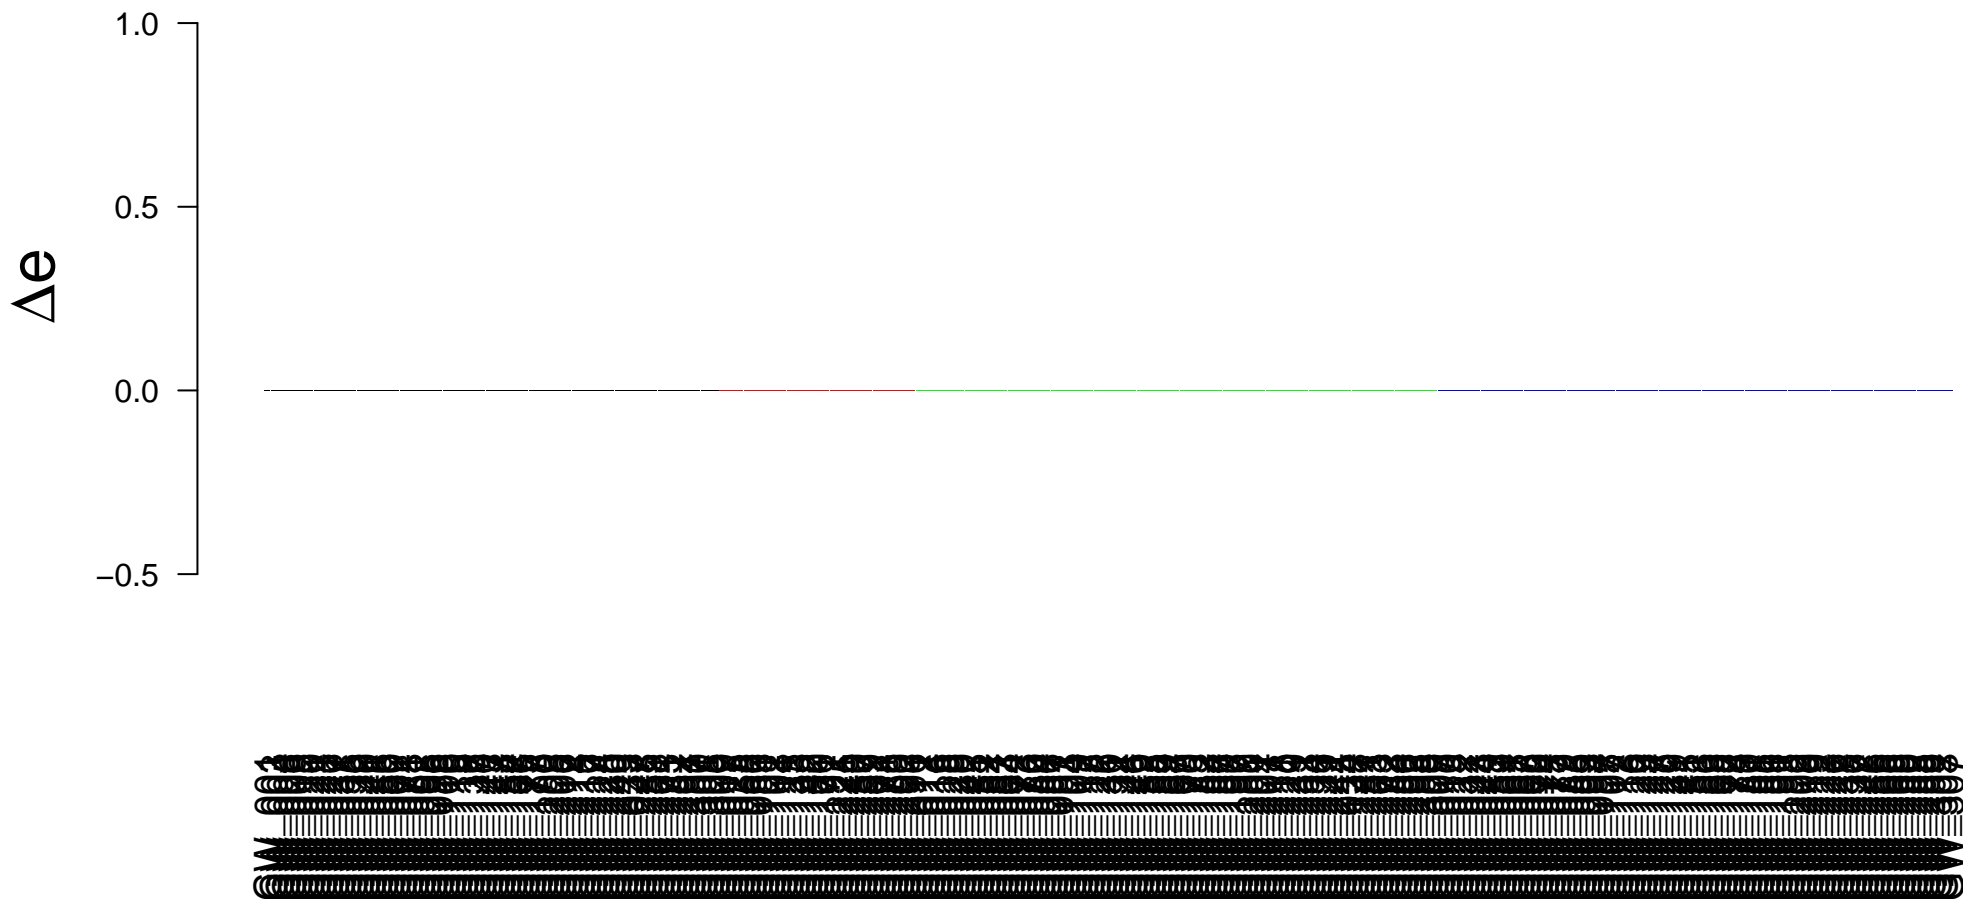

# Expression of positive regulation of protein dephosphorylation in Spot C

# Expression of positive regulation of protein dephosphorylation in Spot D

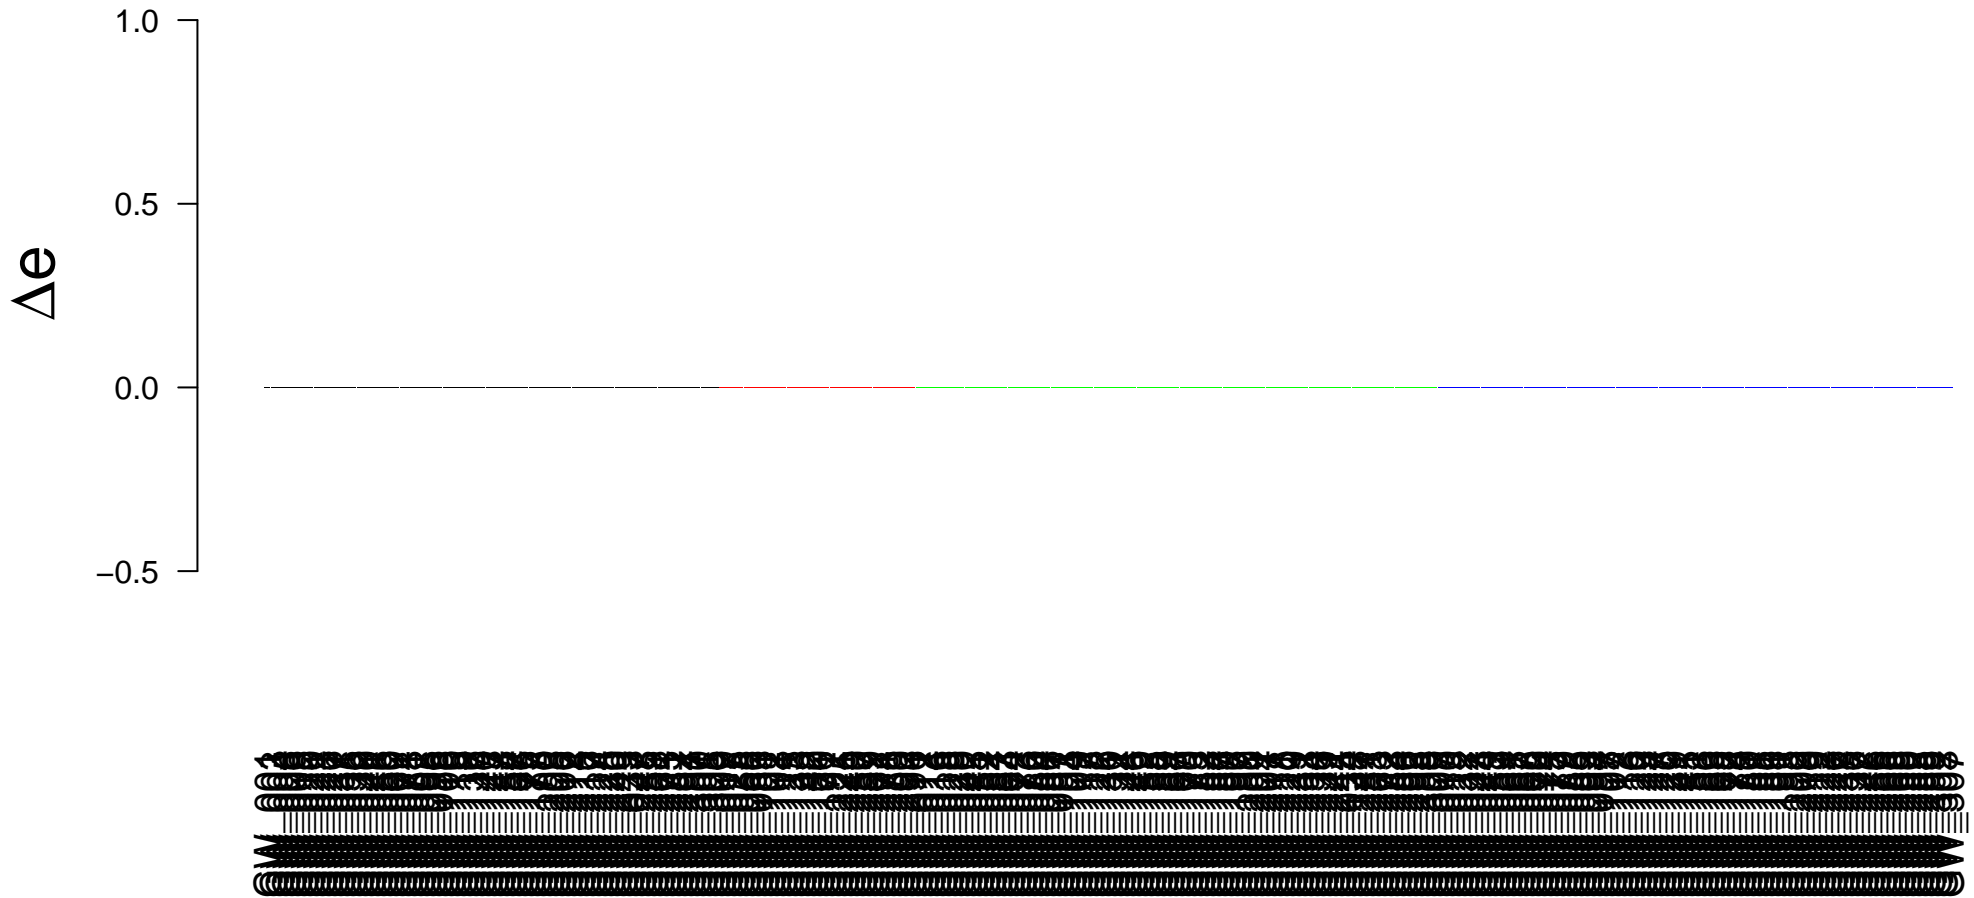

# Expression of positive regulation of protein dephosphorylation in Spot E

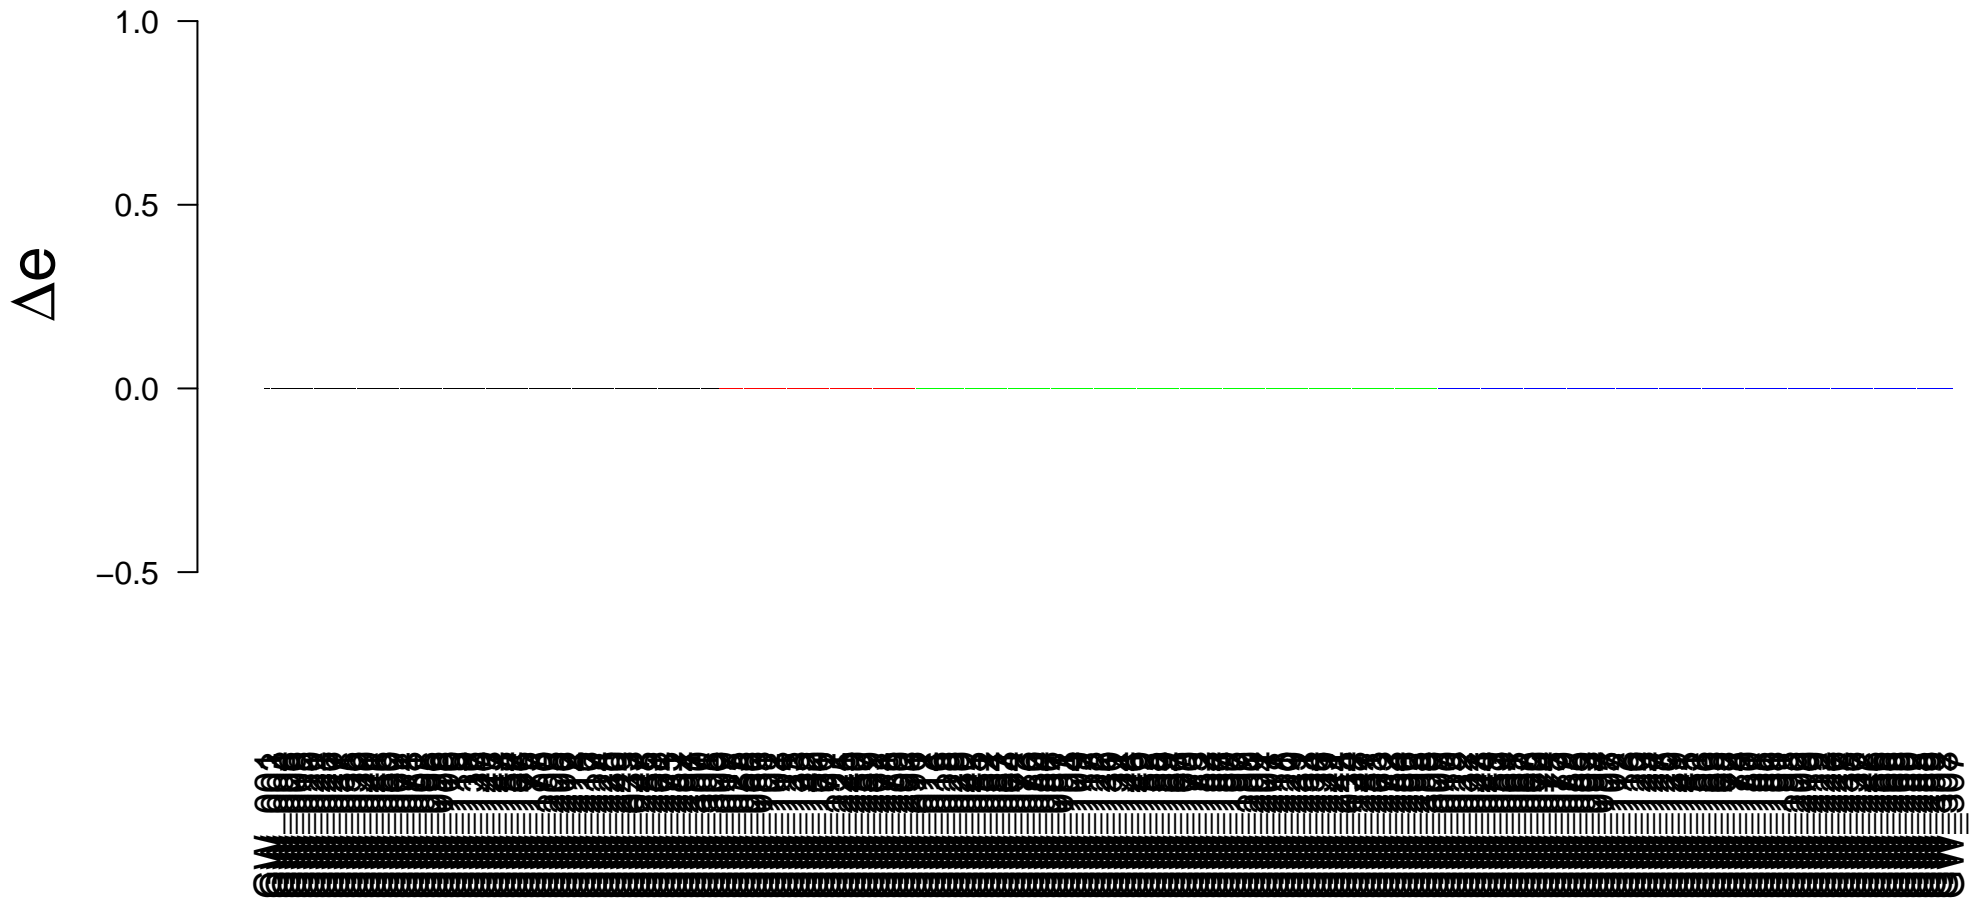

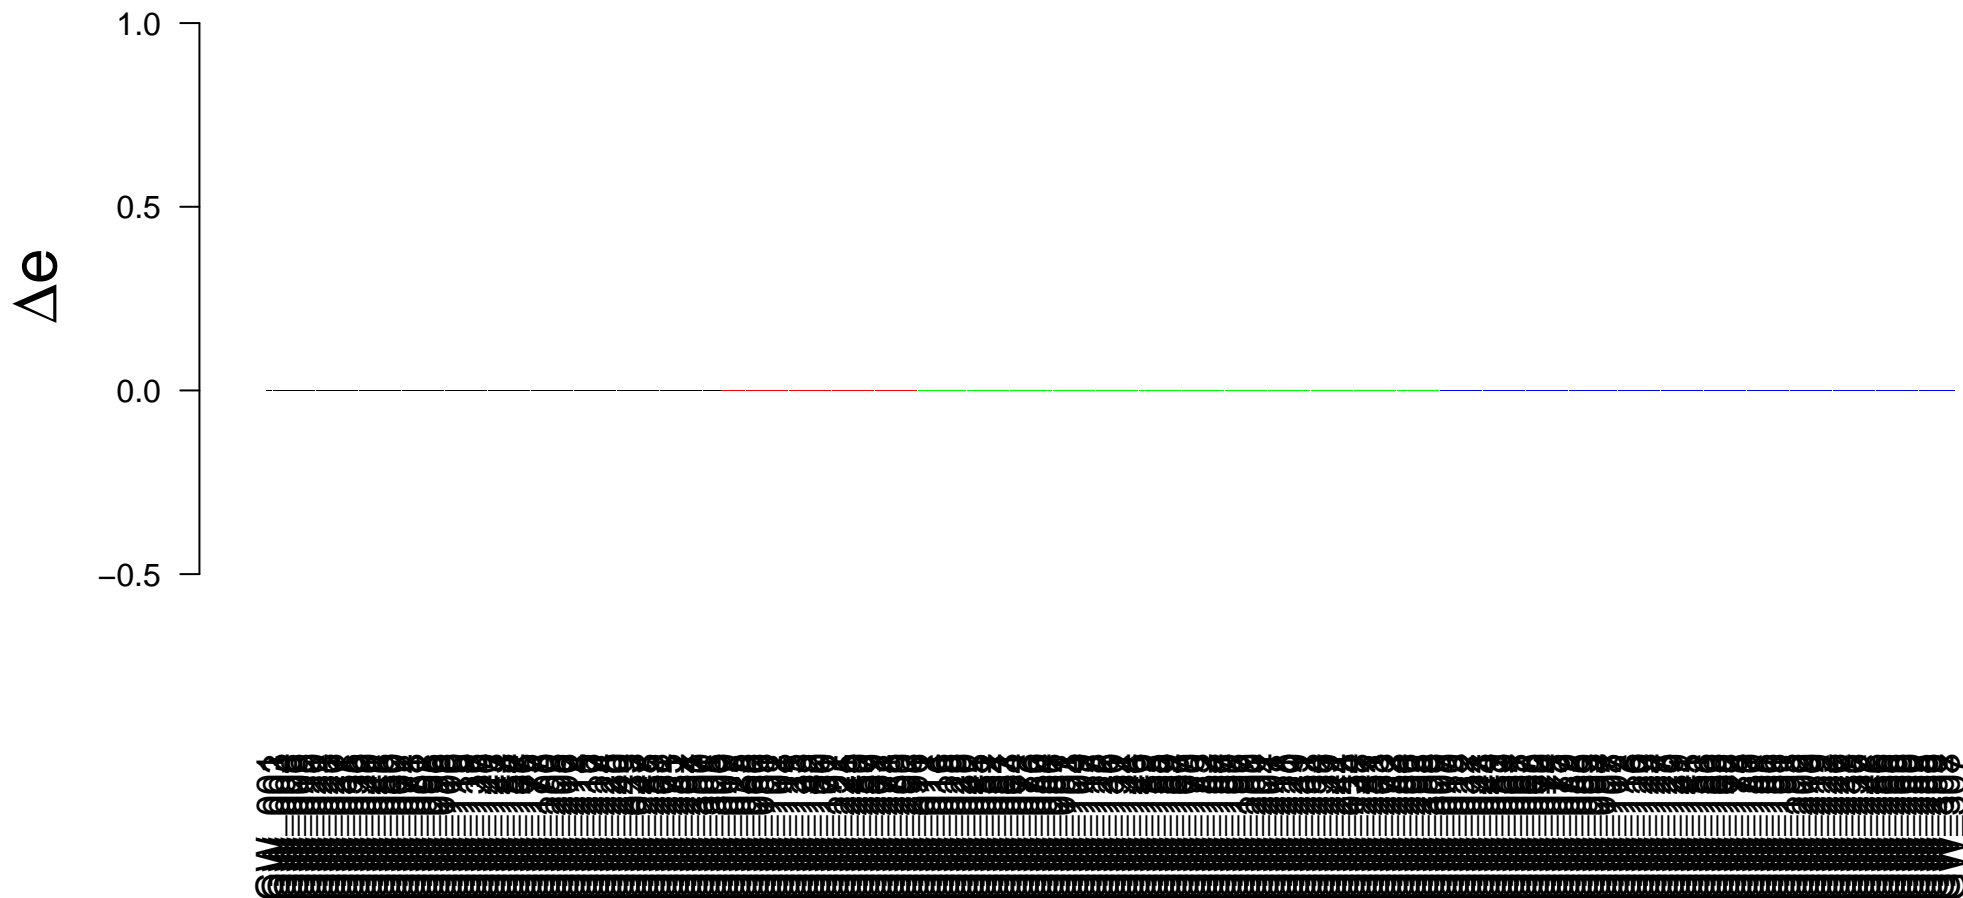

# Expression of positive regulation of protein dephosphorylation in Spot F

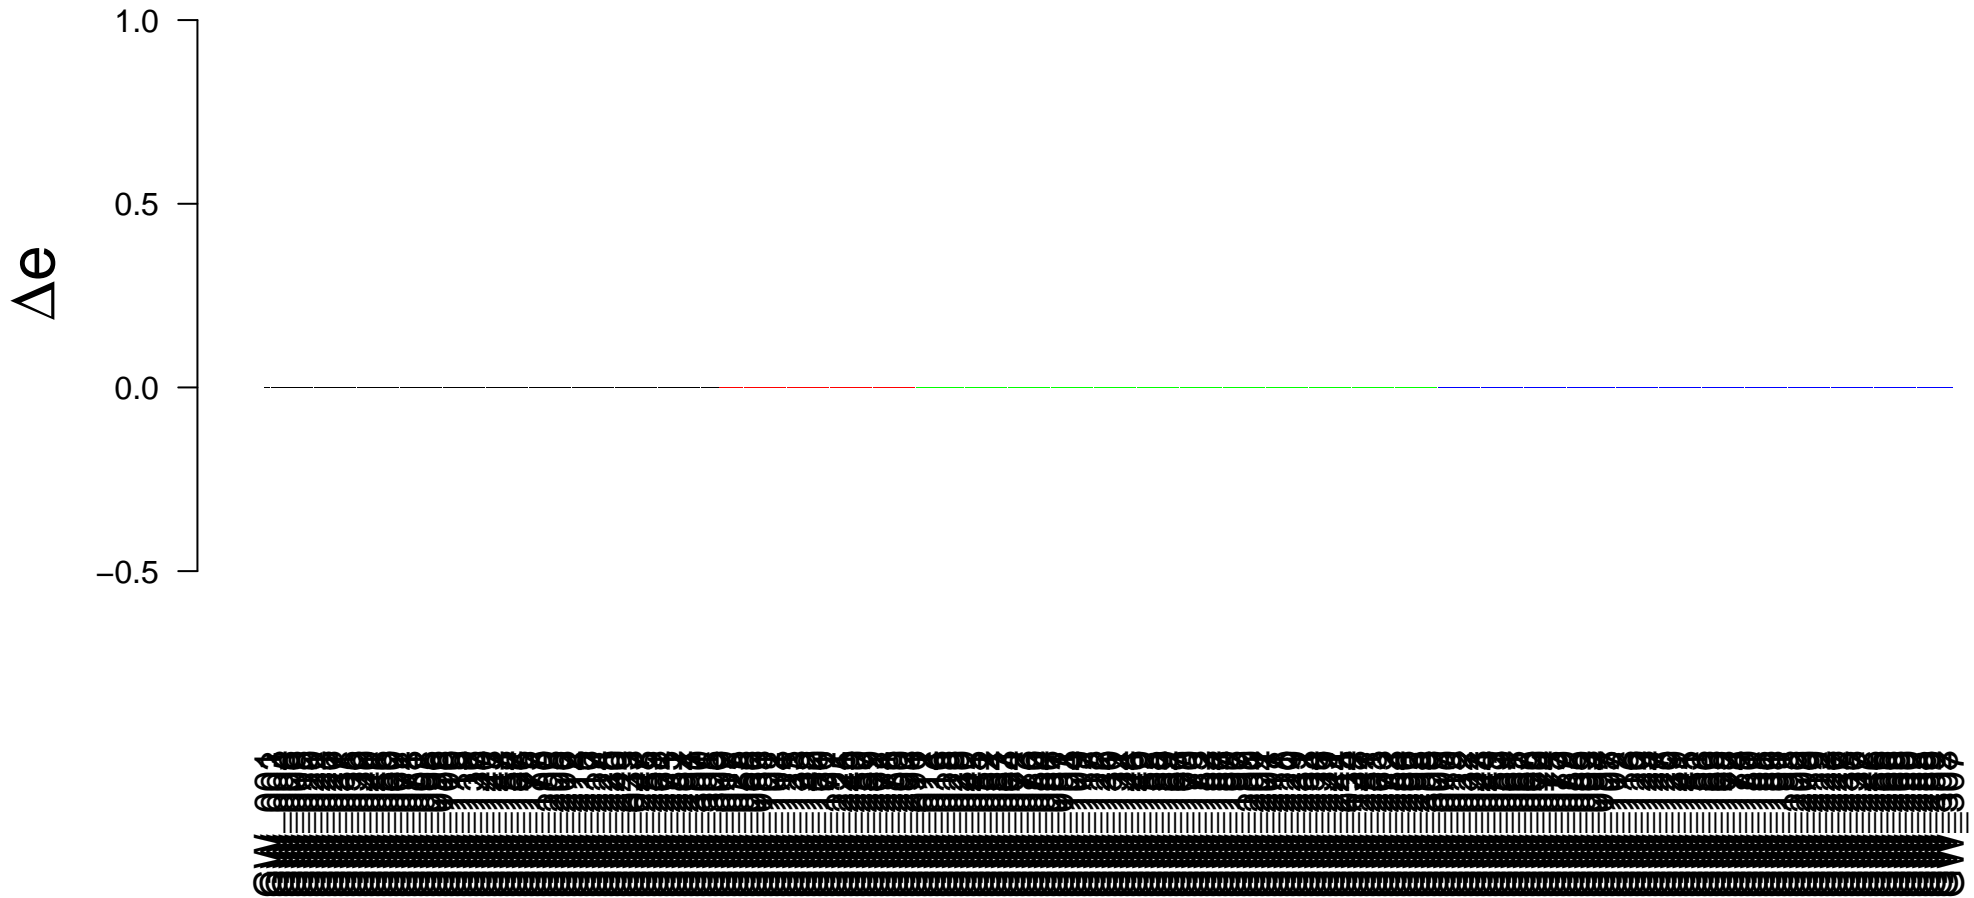

# Expression of positive regulation of protein dephosphorylation in Spot G

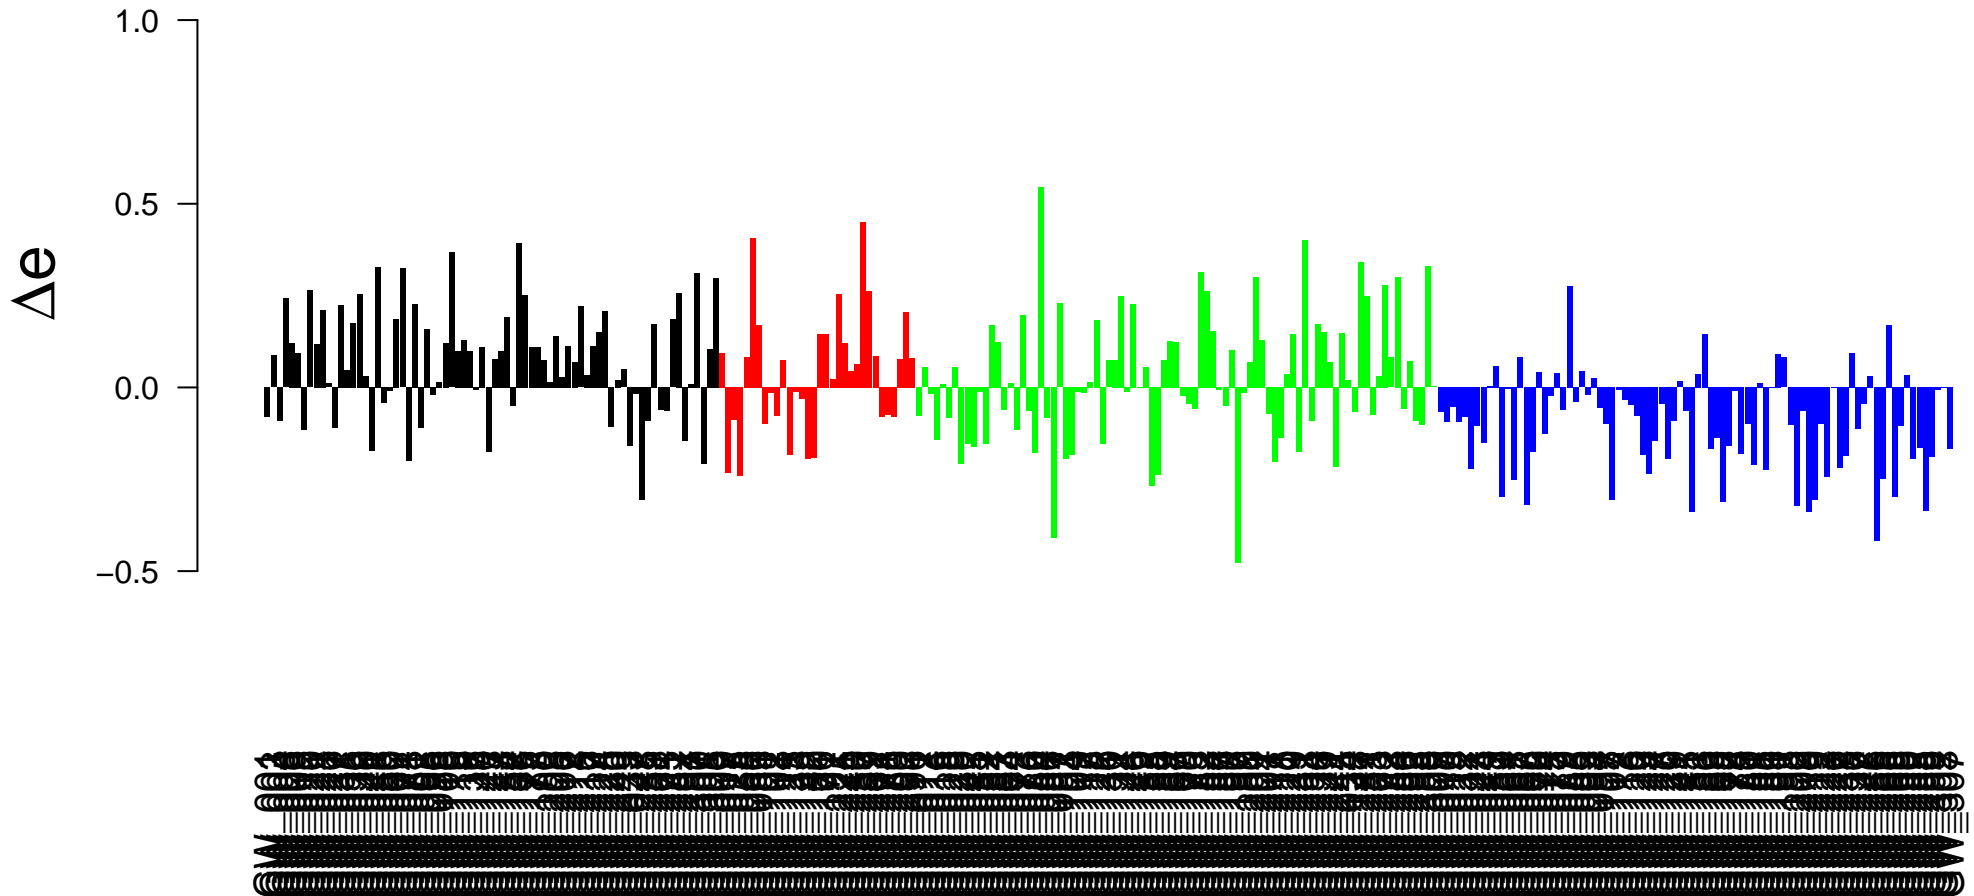

# Expression of positive regulation of protein dephosphorylation in Spot H

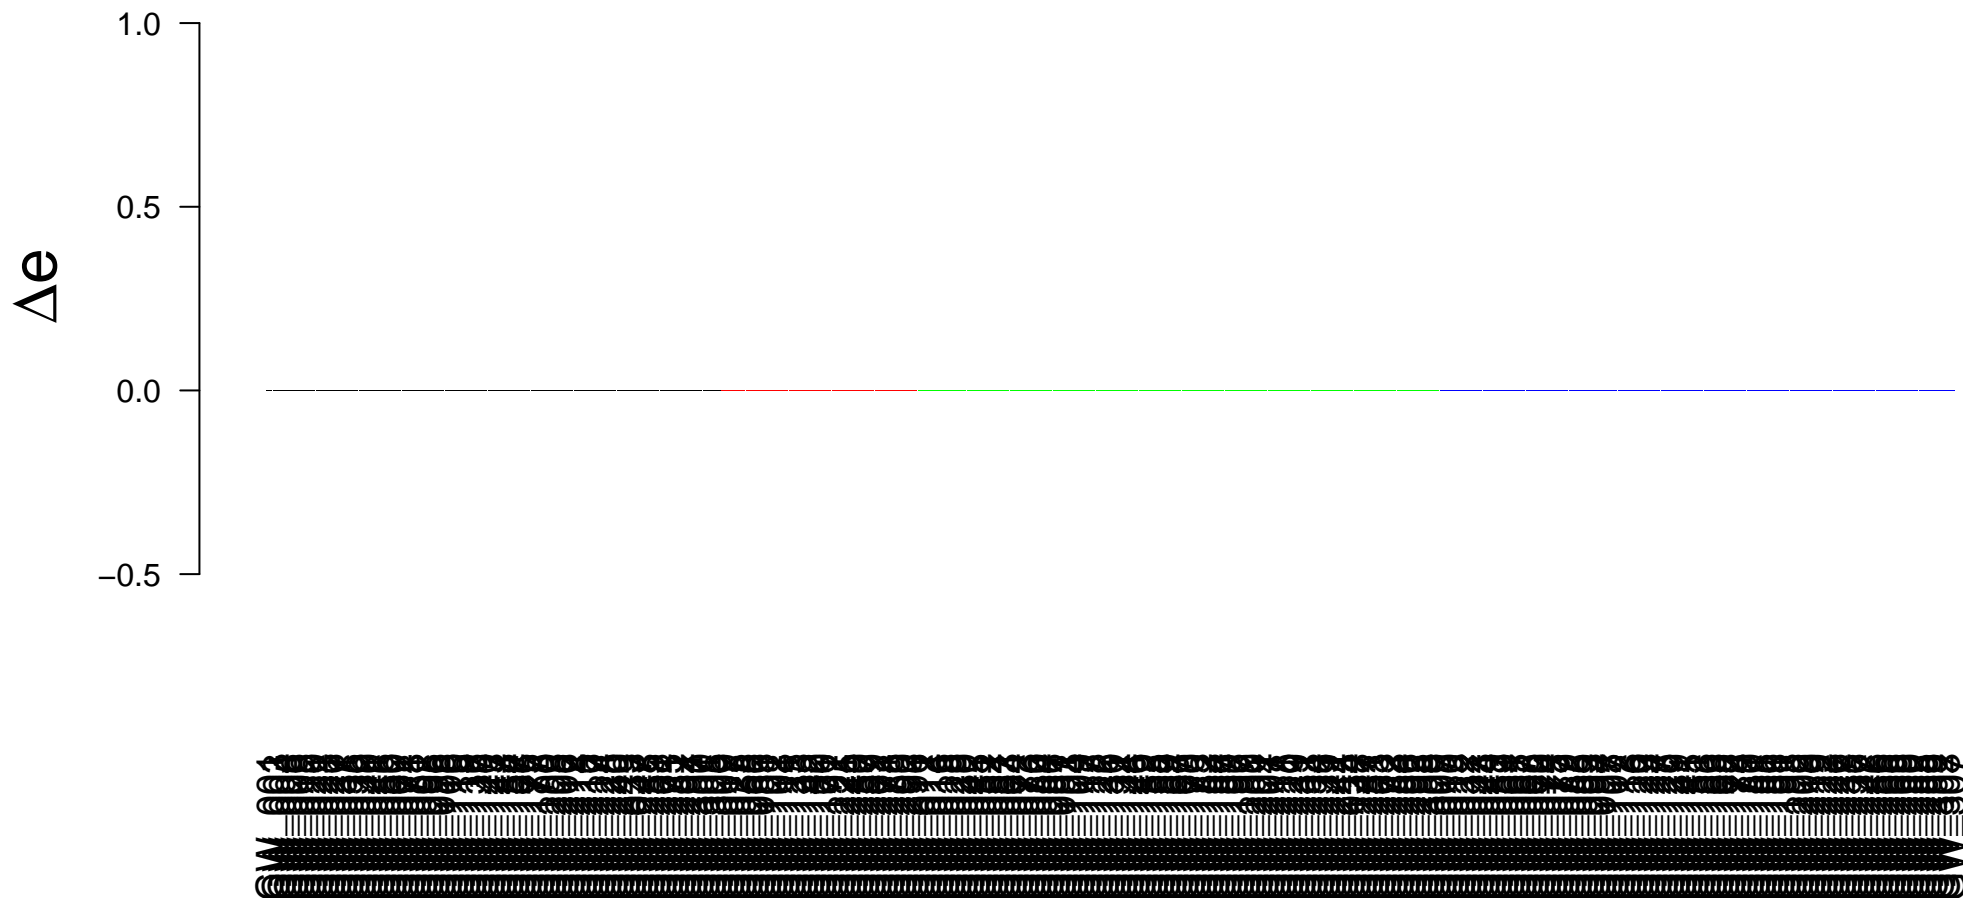

# Expression of positive regulation of protein dephosphorylation in Spot I

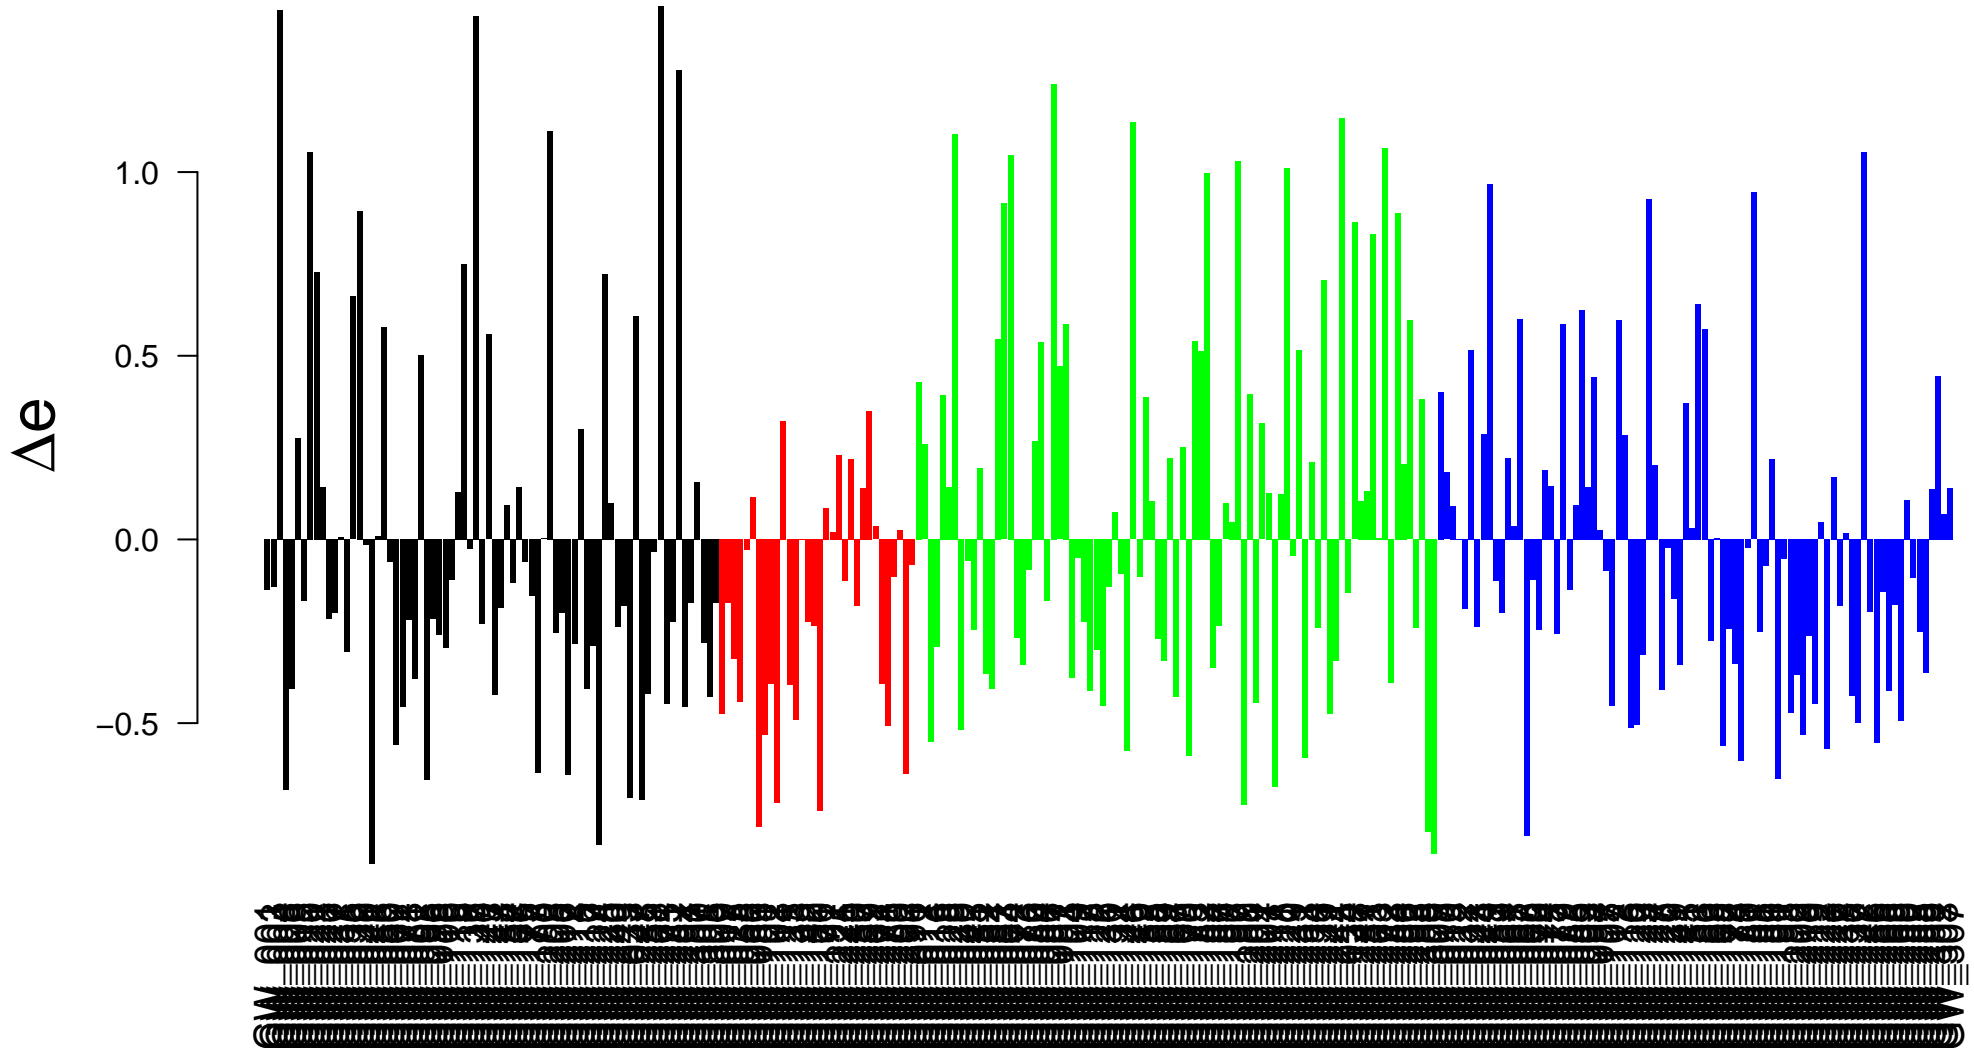

# Expression of positive regulation of protein dephosphorylation in Spot J

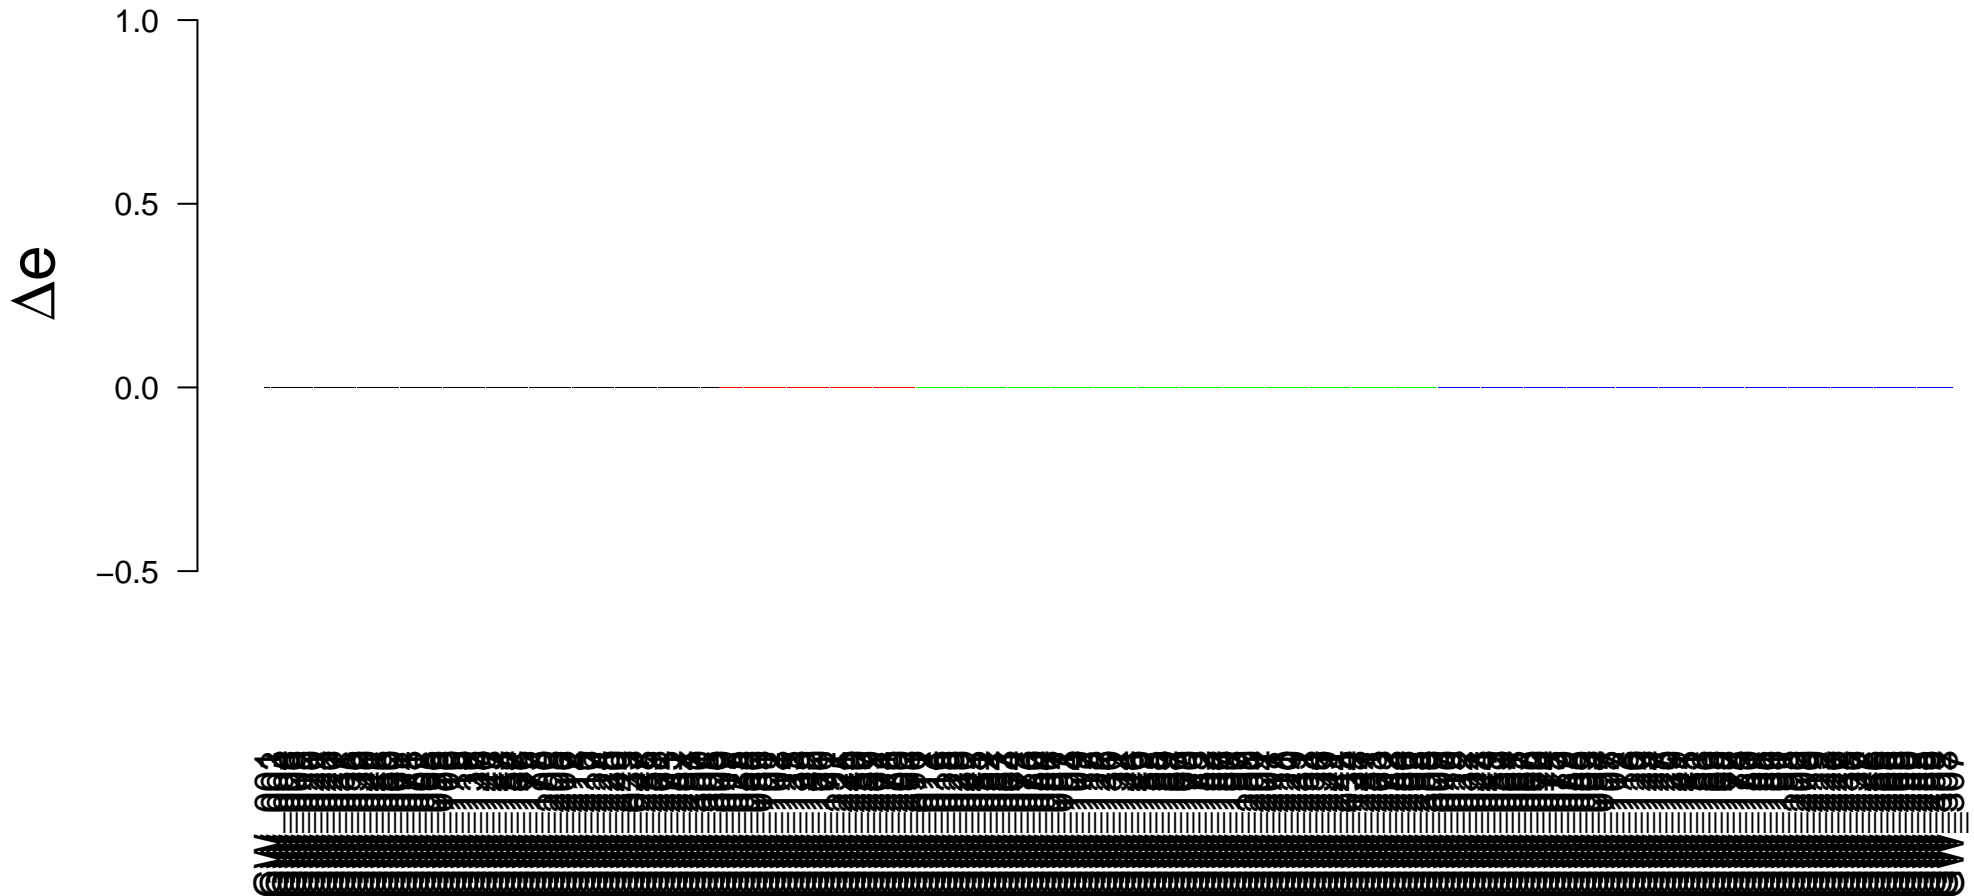

# Expression of positive regulation of protein dephosphorylation in Spot K

# Expression of positive regulation of protein dephosphorylation in Spot L

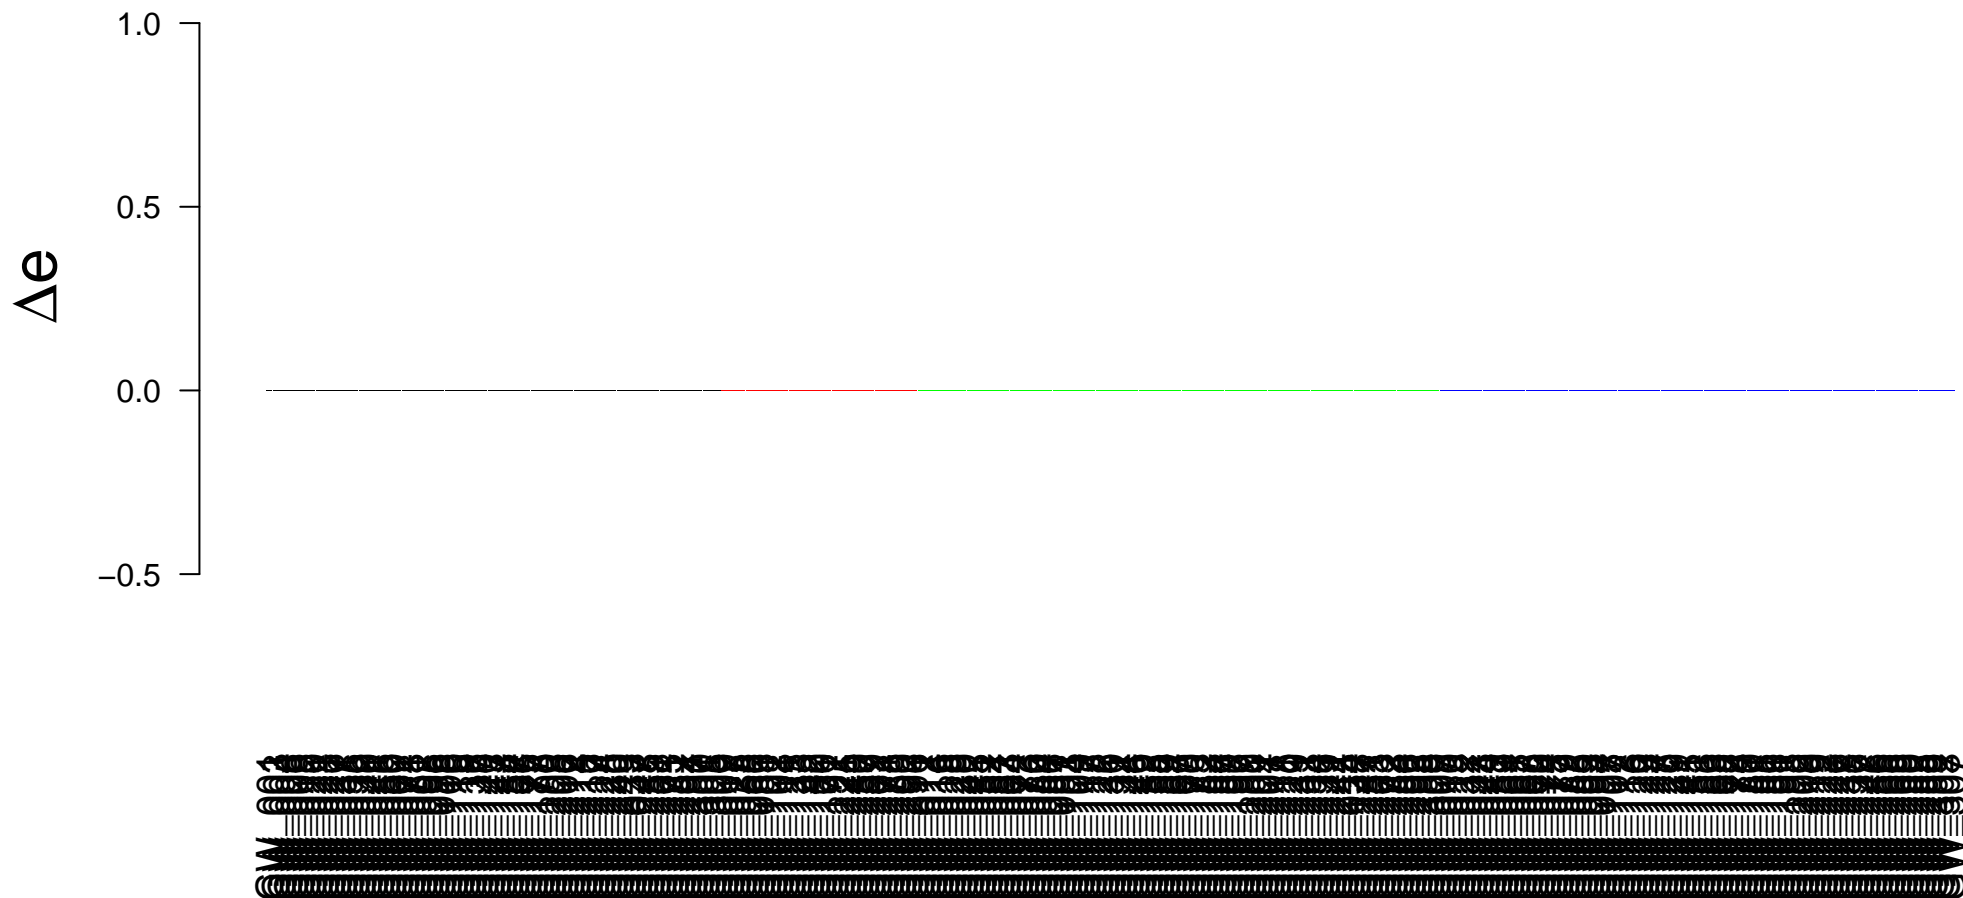

# Expression of positive regulation of protein dephosphorylation in Spot M

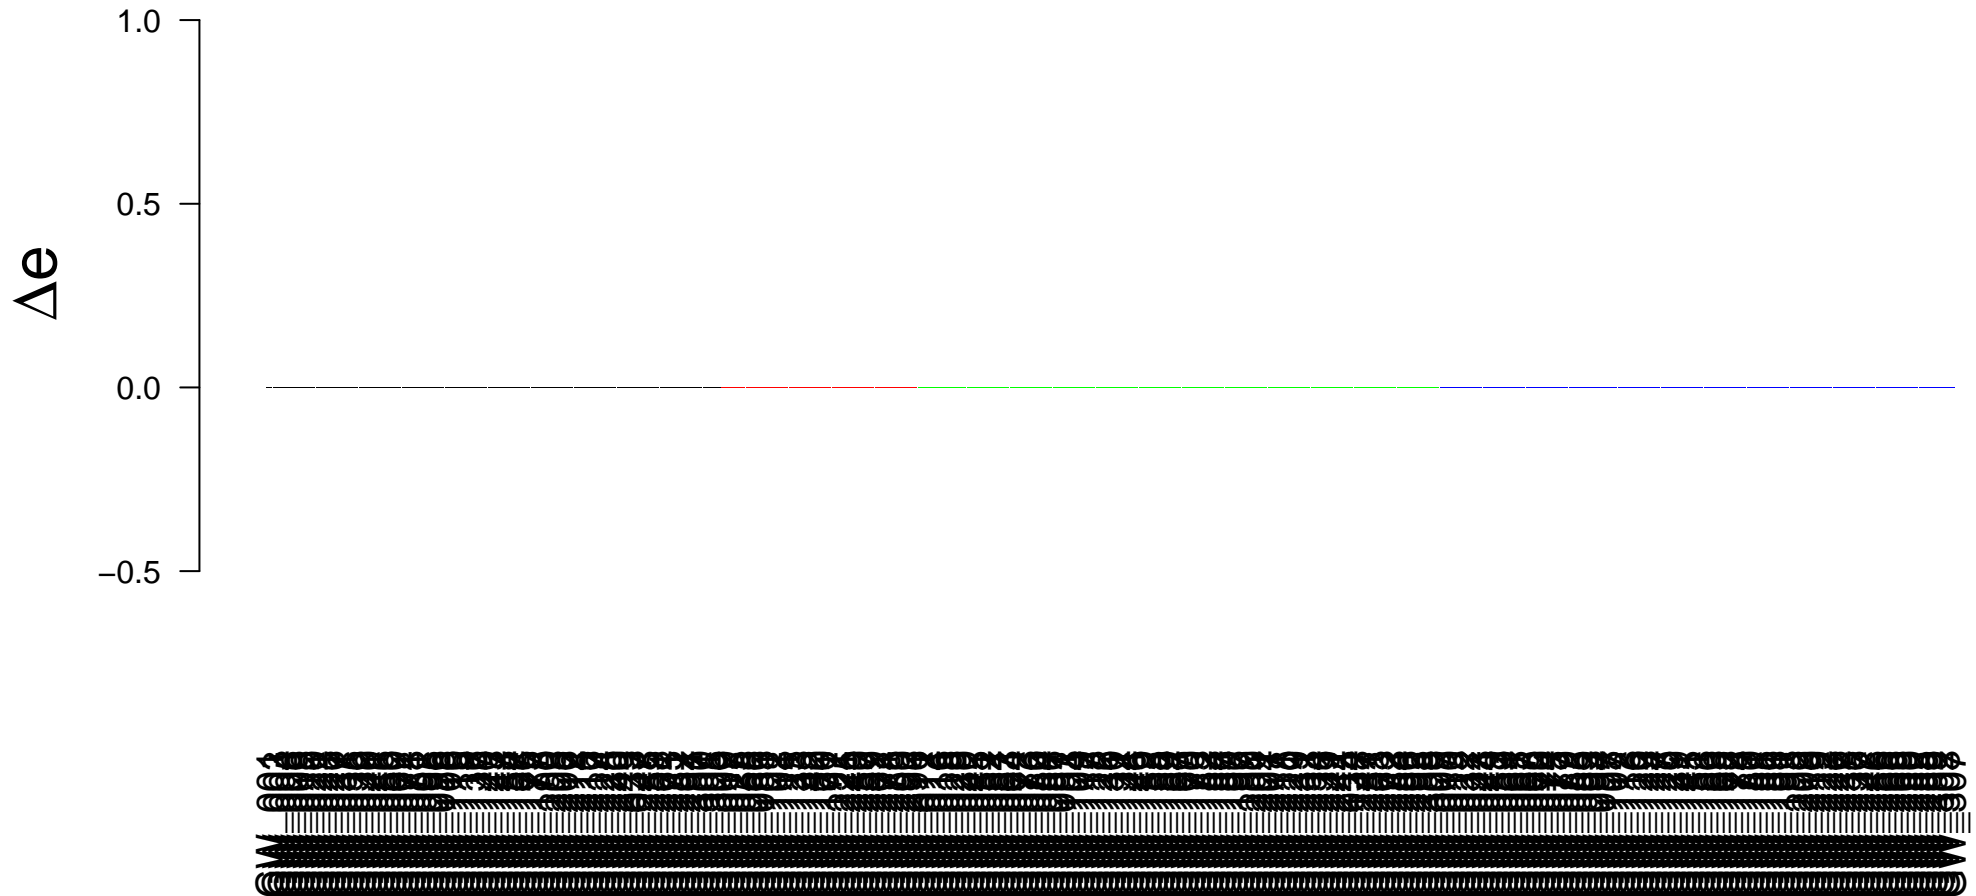

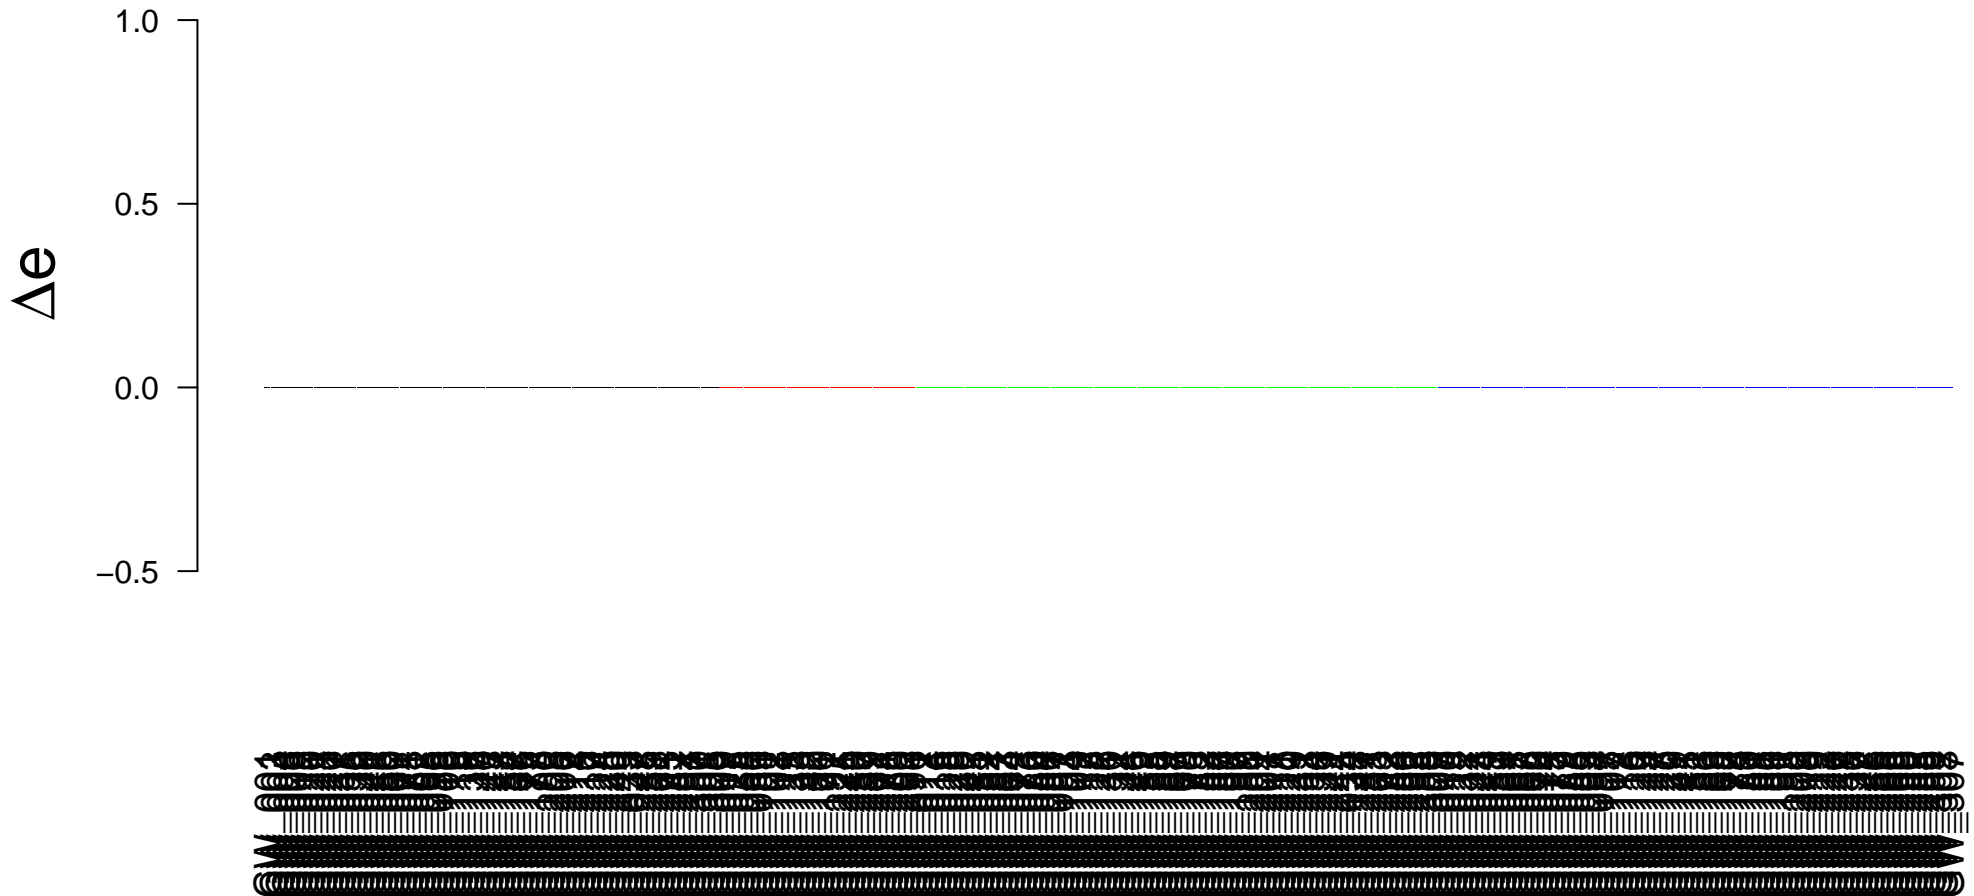

# Expression of positive regulation of protein dephosphorylation in Spot N

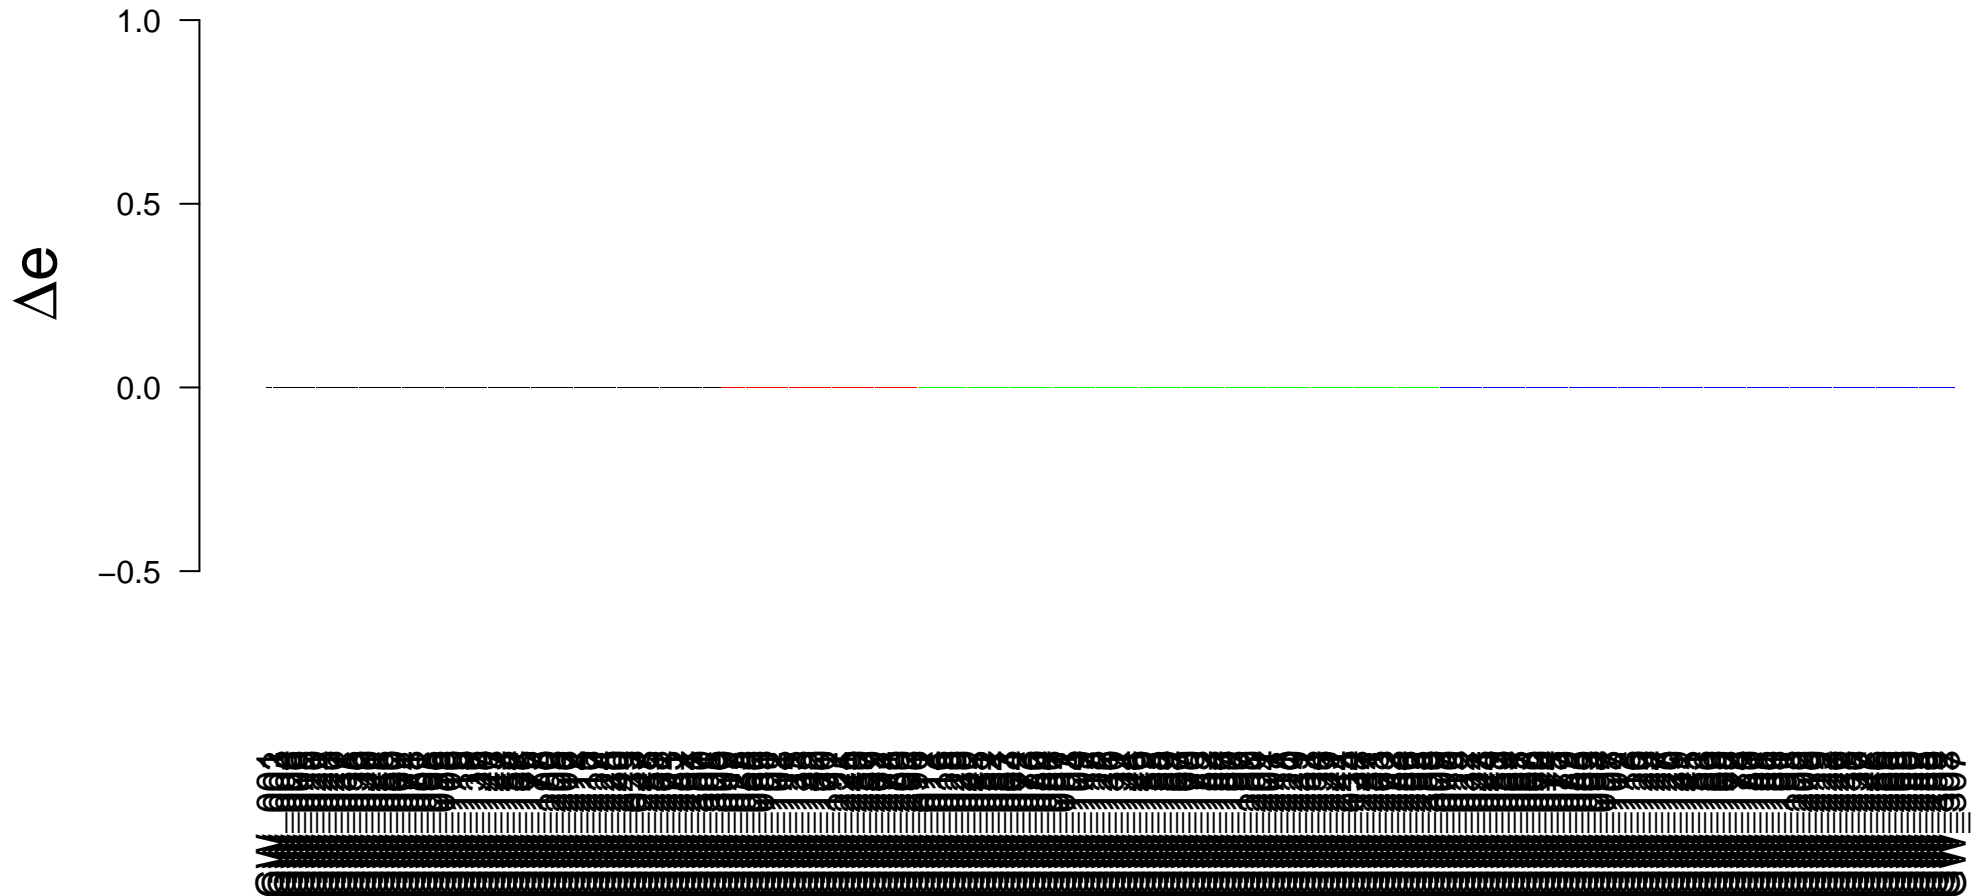

# Expression of positive regulation of protein dephosphorylation in Spot O

# Expression of positive regulation of protein dephosphorylation in Spot P

# Expression of positive regulation of protein dephosphorylation in Spot Q

# Expression of positive regulation of protein dephosphorylation in Spot R
