

positive regulation of protein import into nucleus

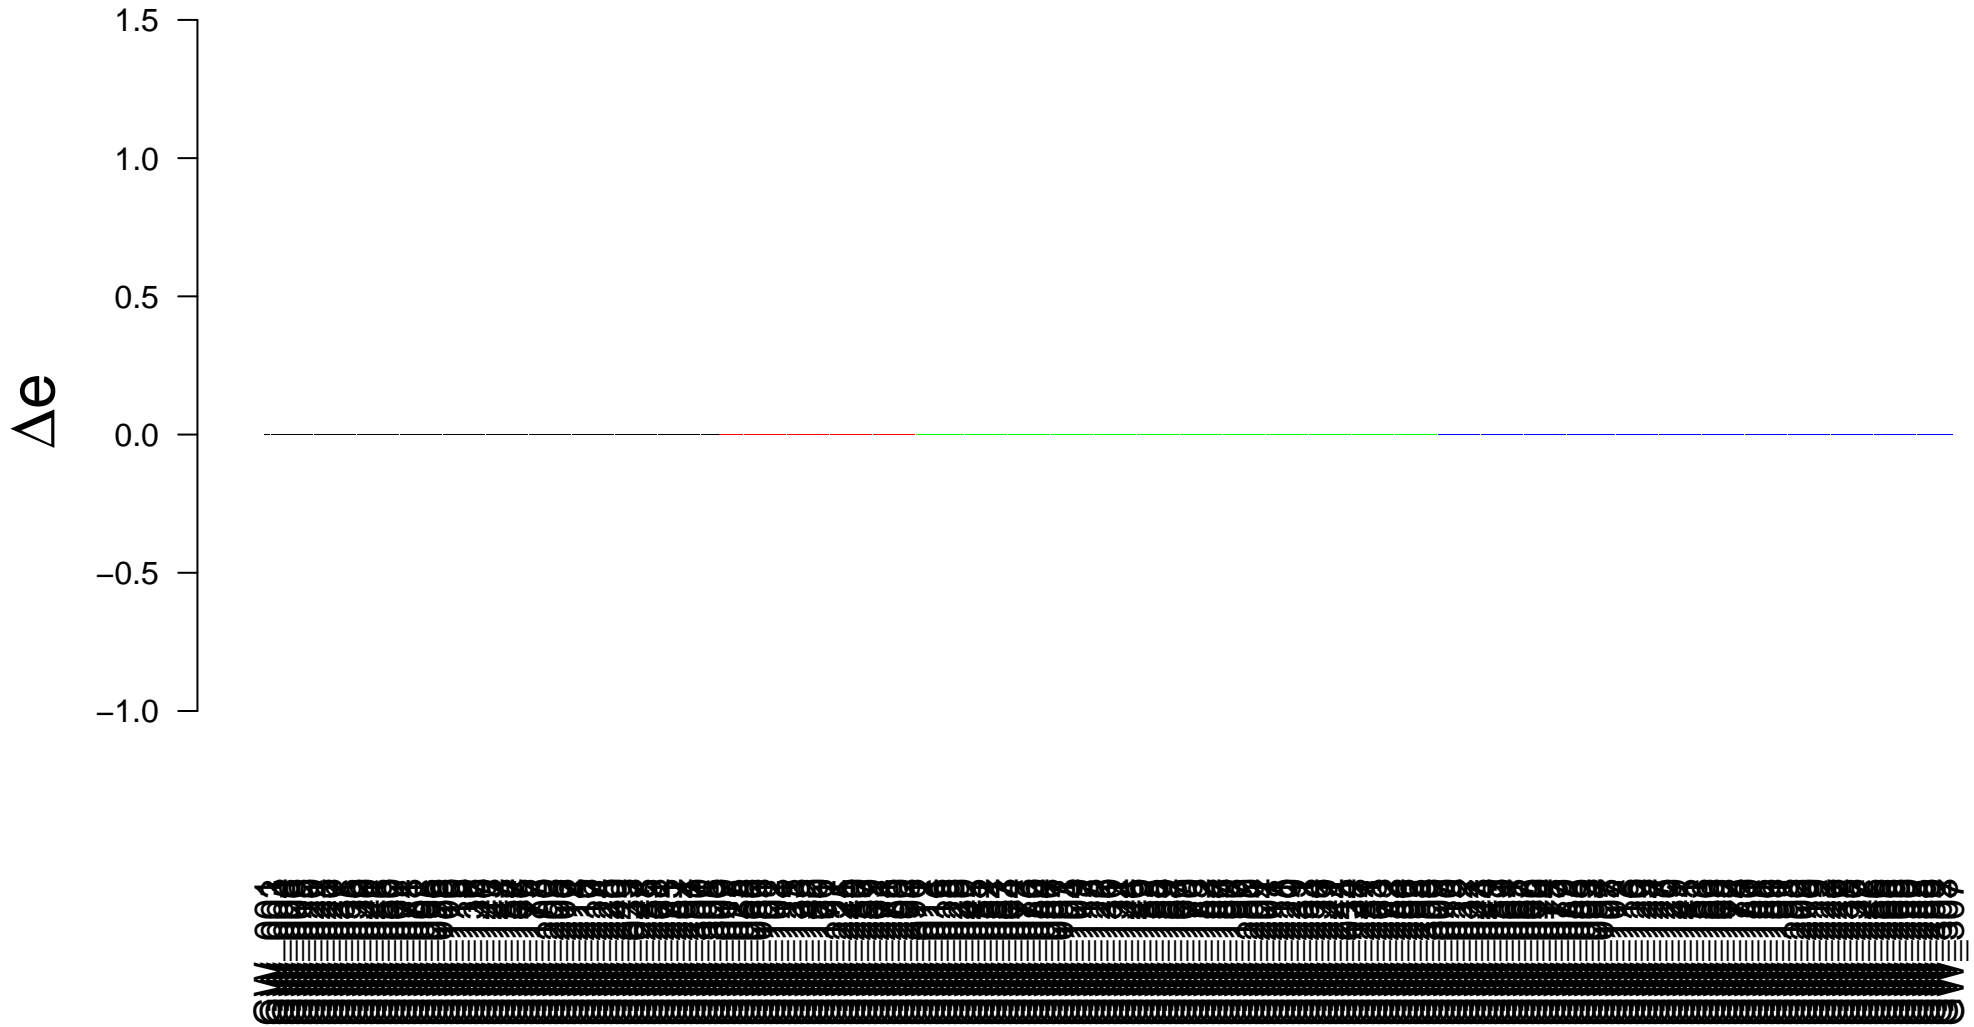

positive regulation of protein import into nucleus

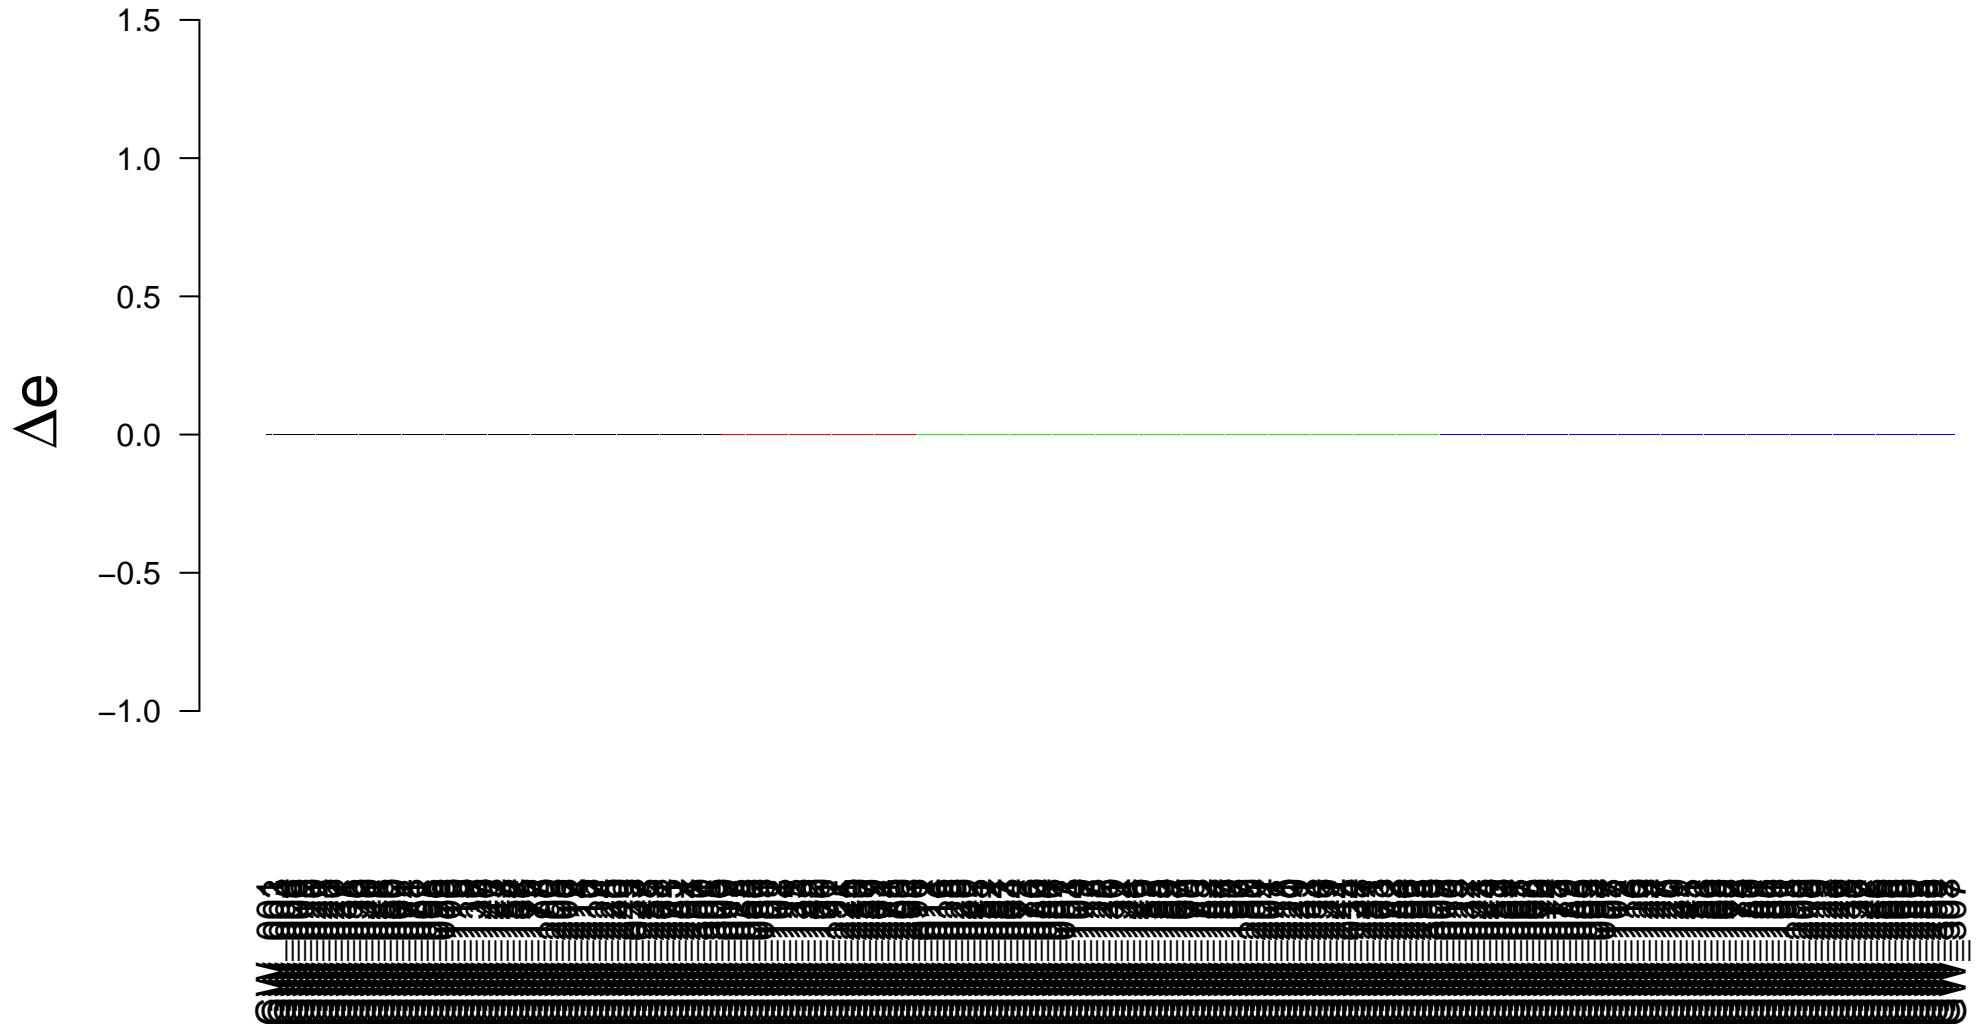

Enrichment in spots: positive regulation of protein import into nucleus

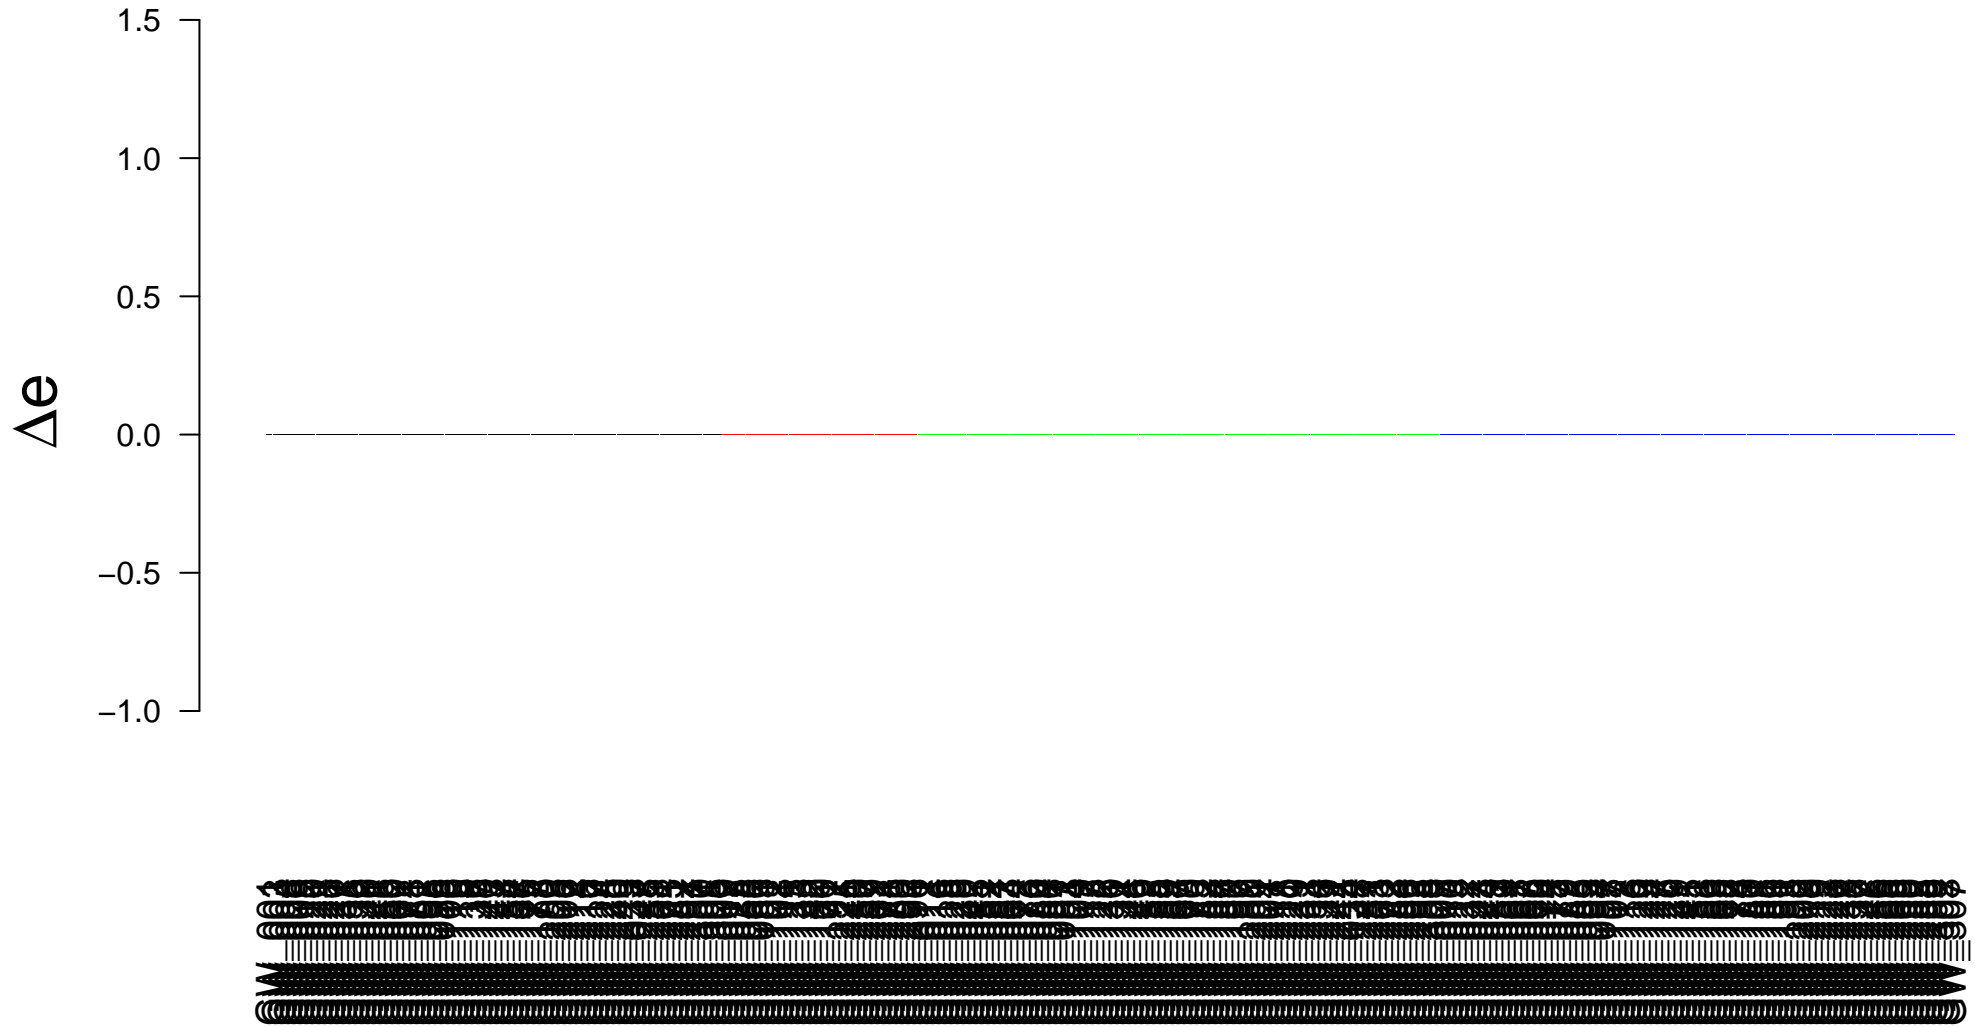

Expression of positive regulation of protein import into nucleus in Spot A

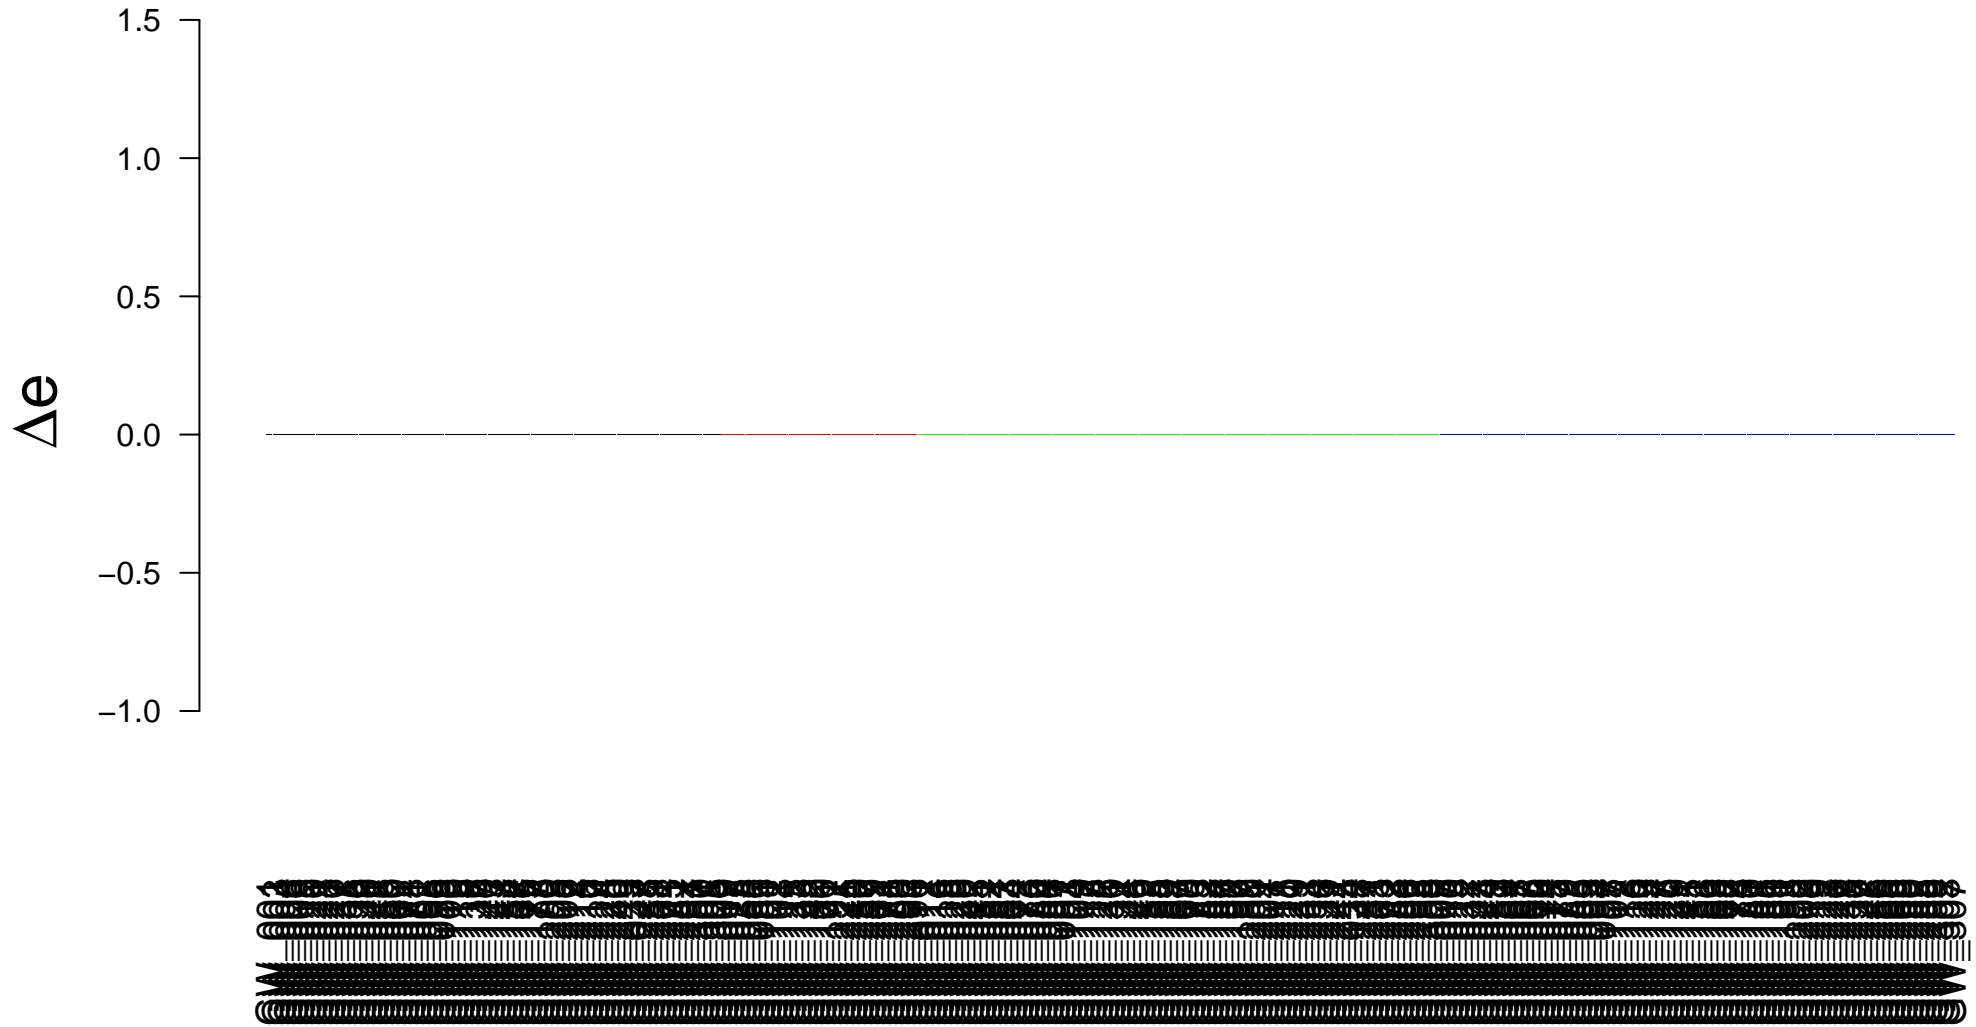

Expression of positive regulation of protein import into nucleus in Spot B

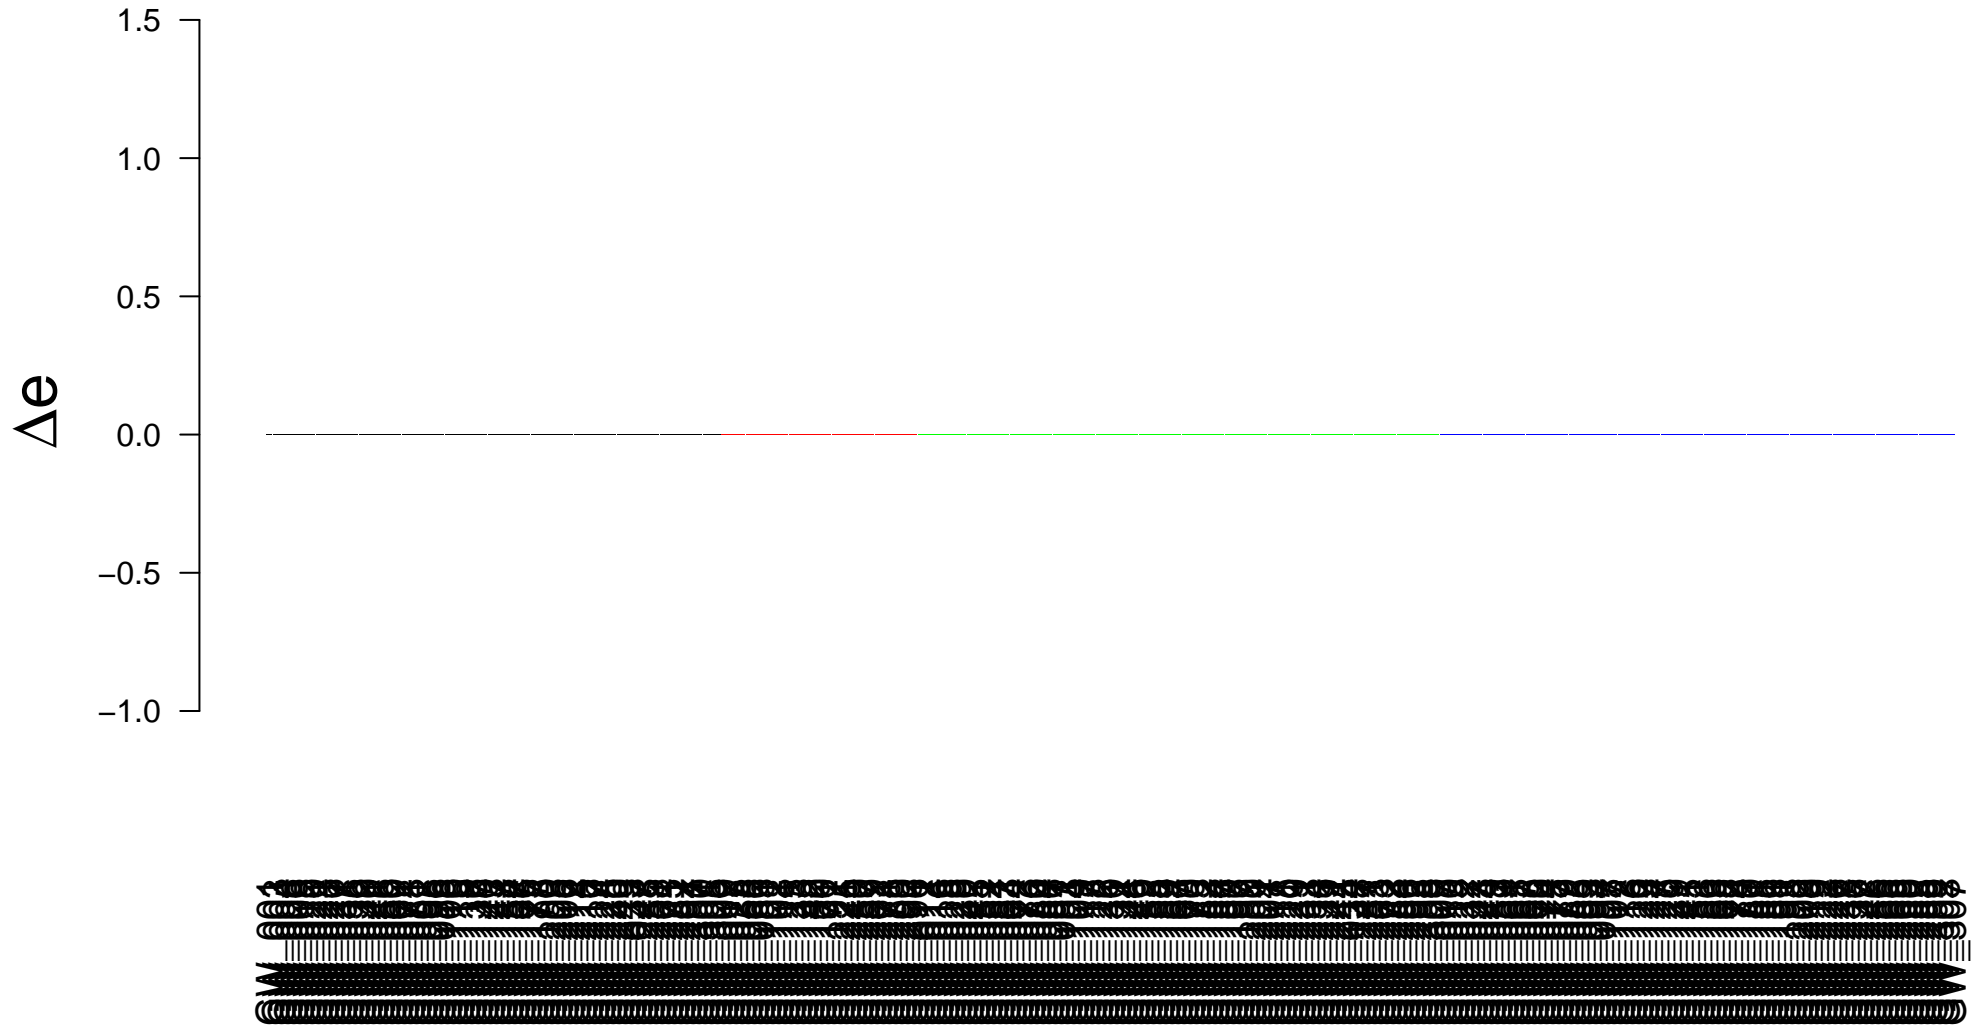

Expression of positive regulation of protein import into nucleus in Spot C

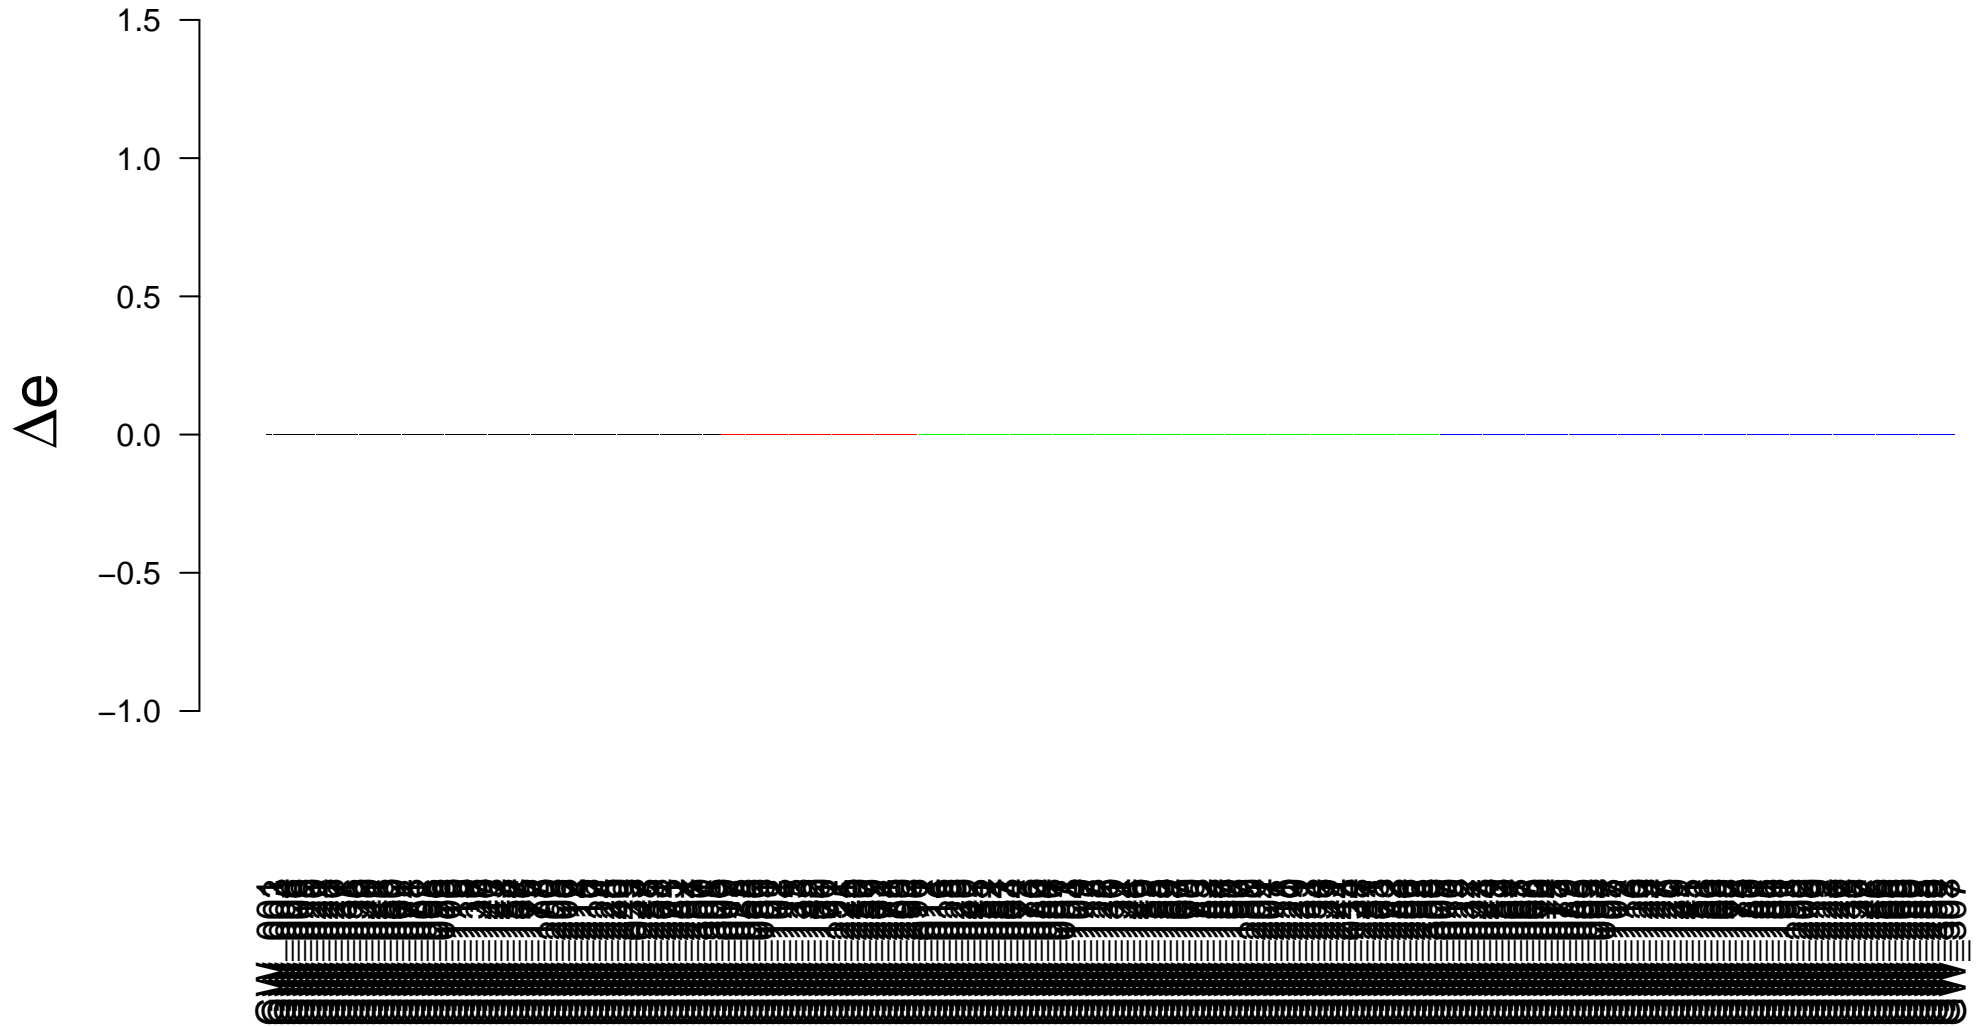

Expression of positive regulation of protein import into nucleus in Spot D

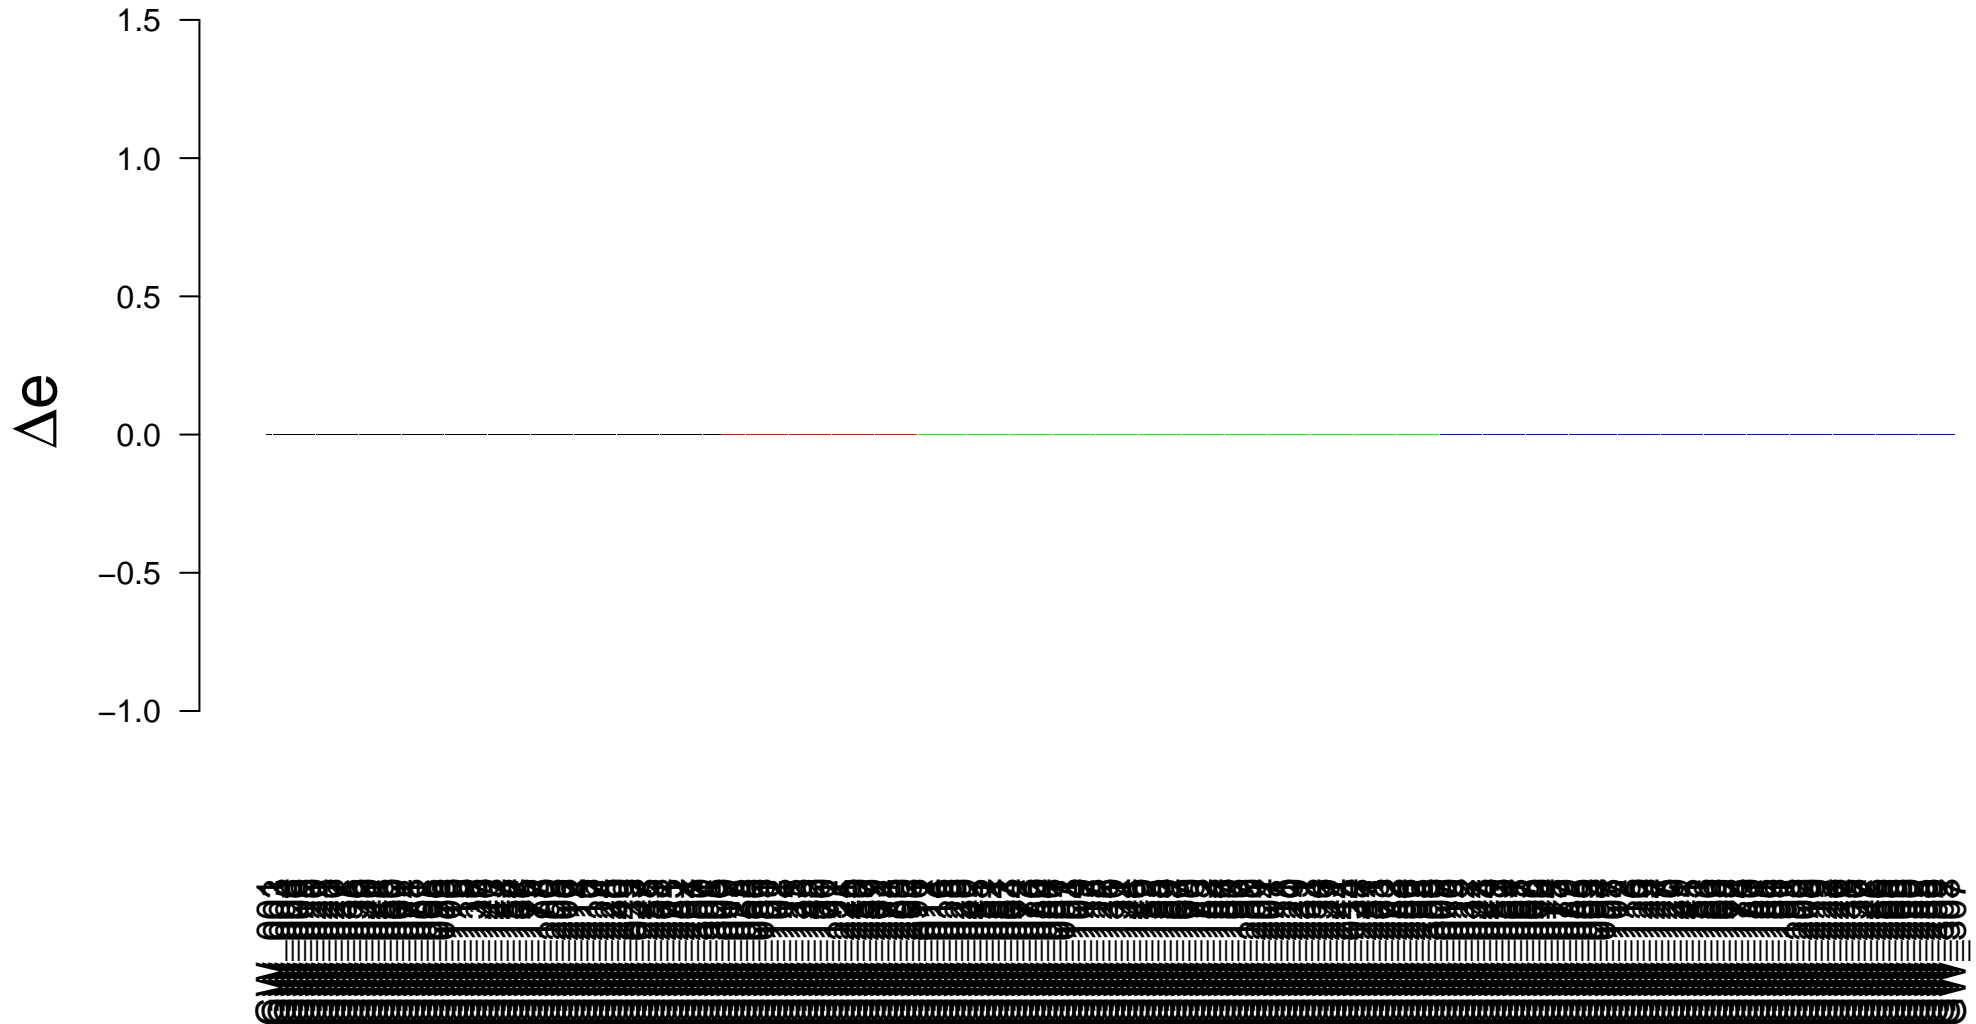

Expression of positive regulation of protein import into nucleus in Spot E

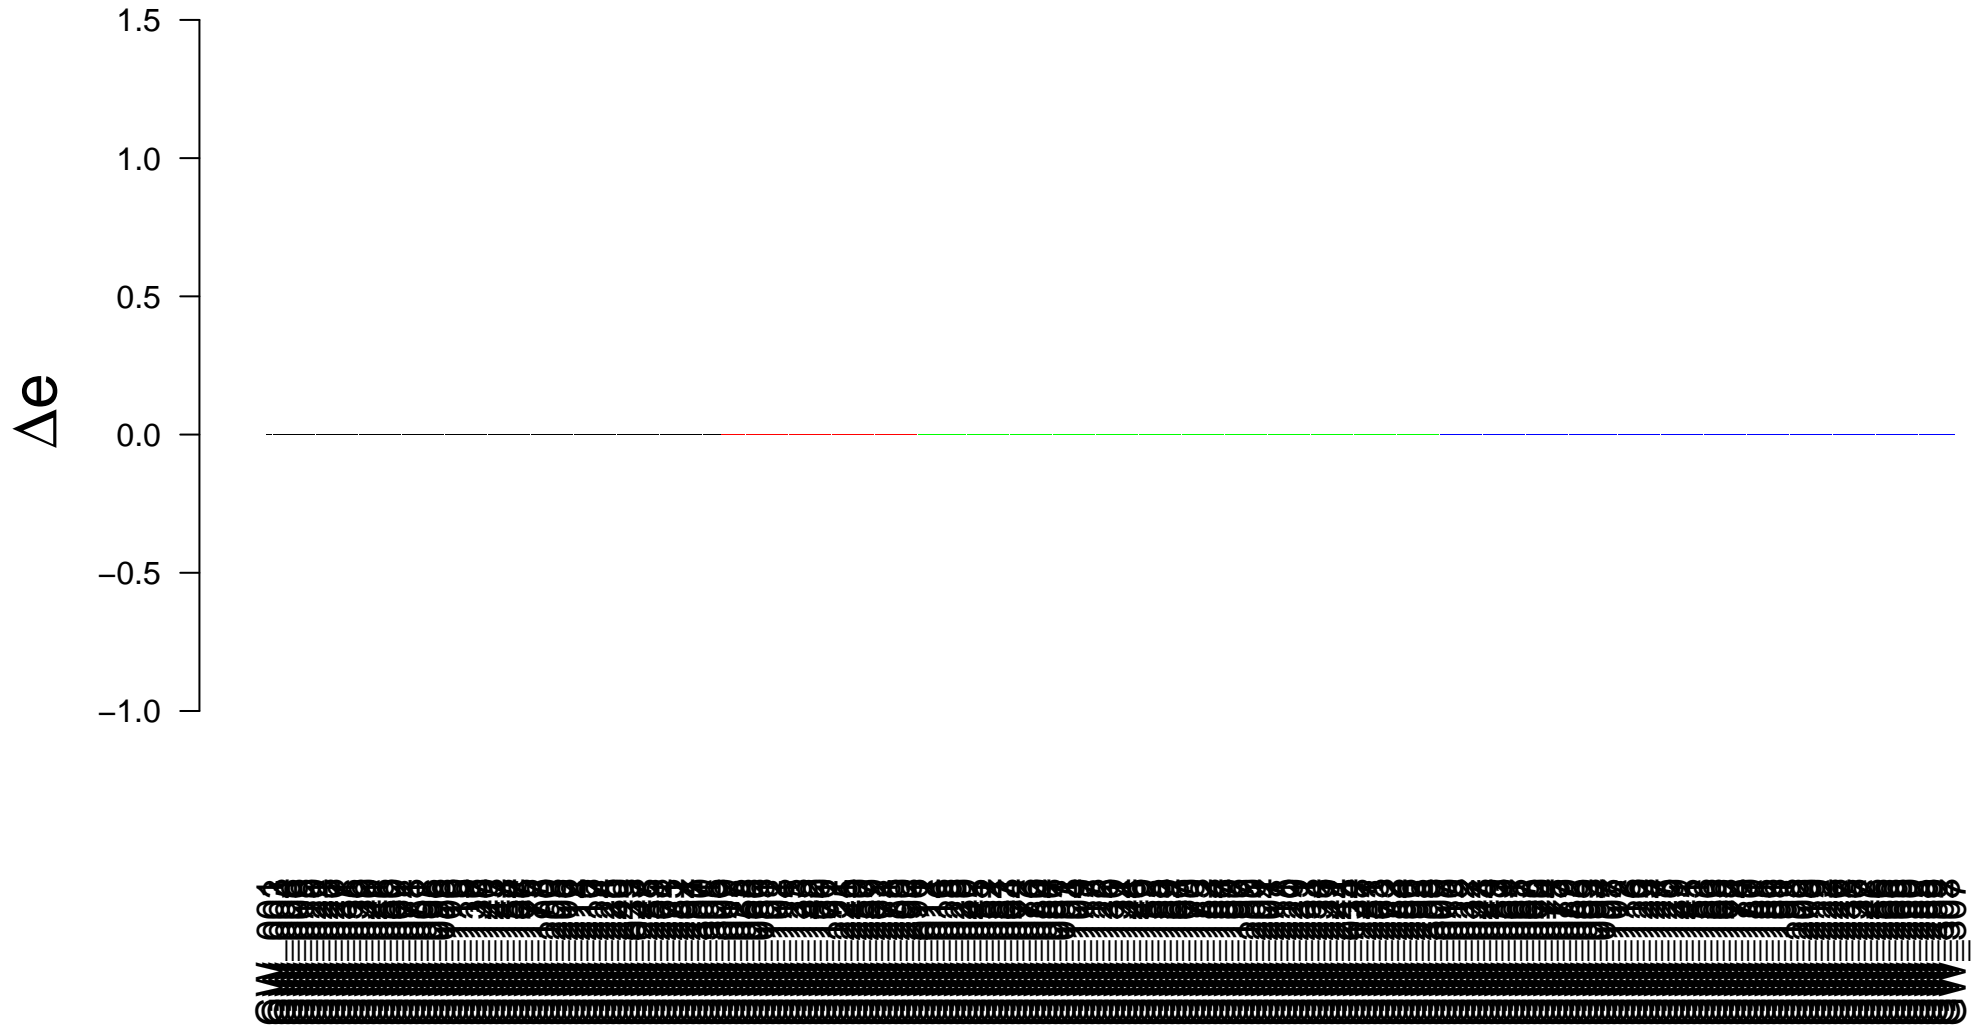

Expression of positive regulation of protein import into nucleus in Spot F

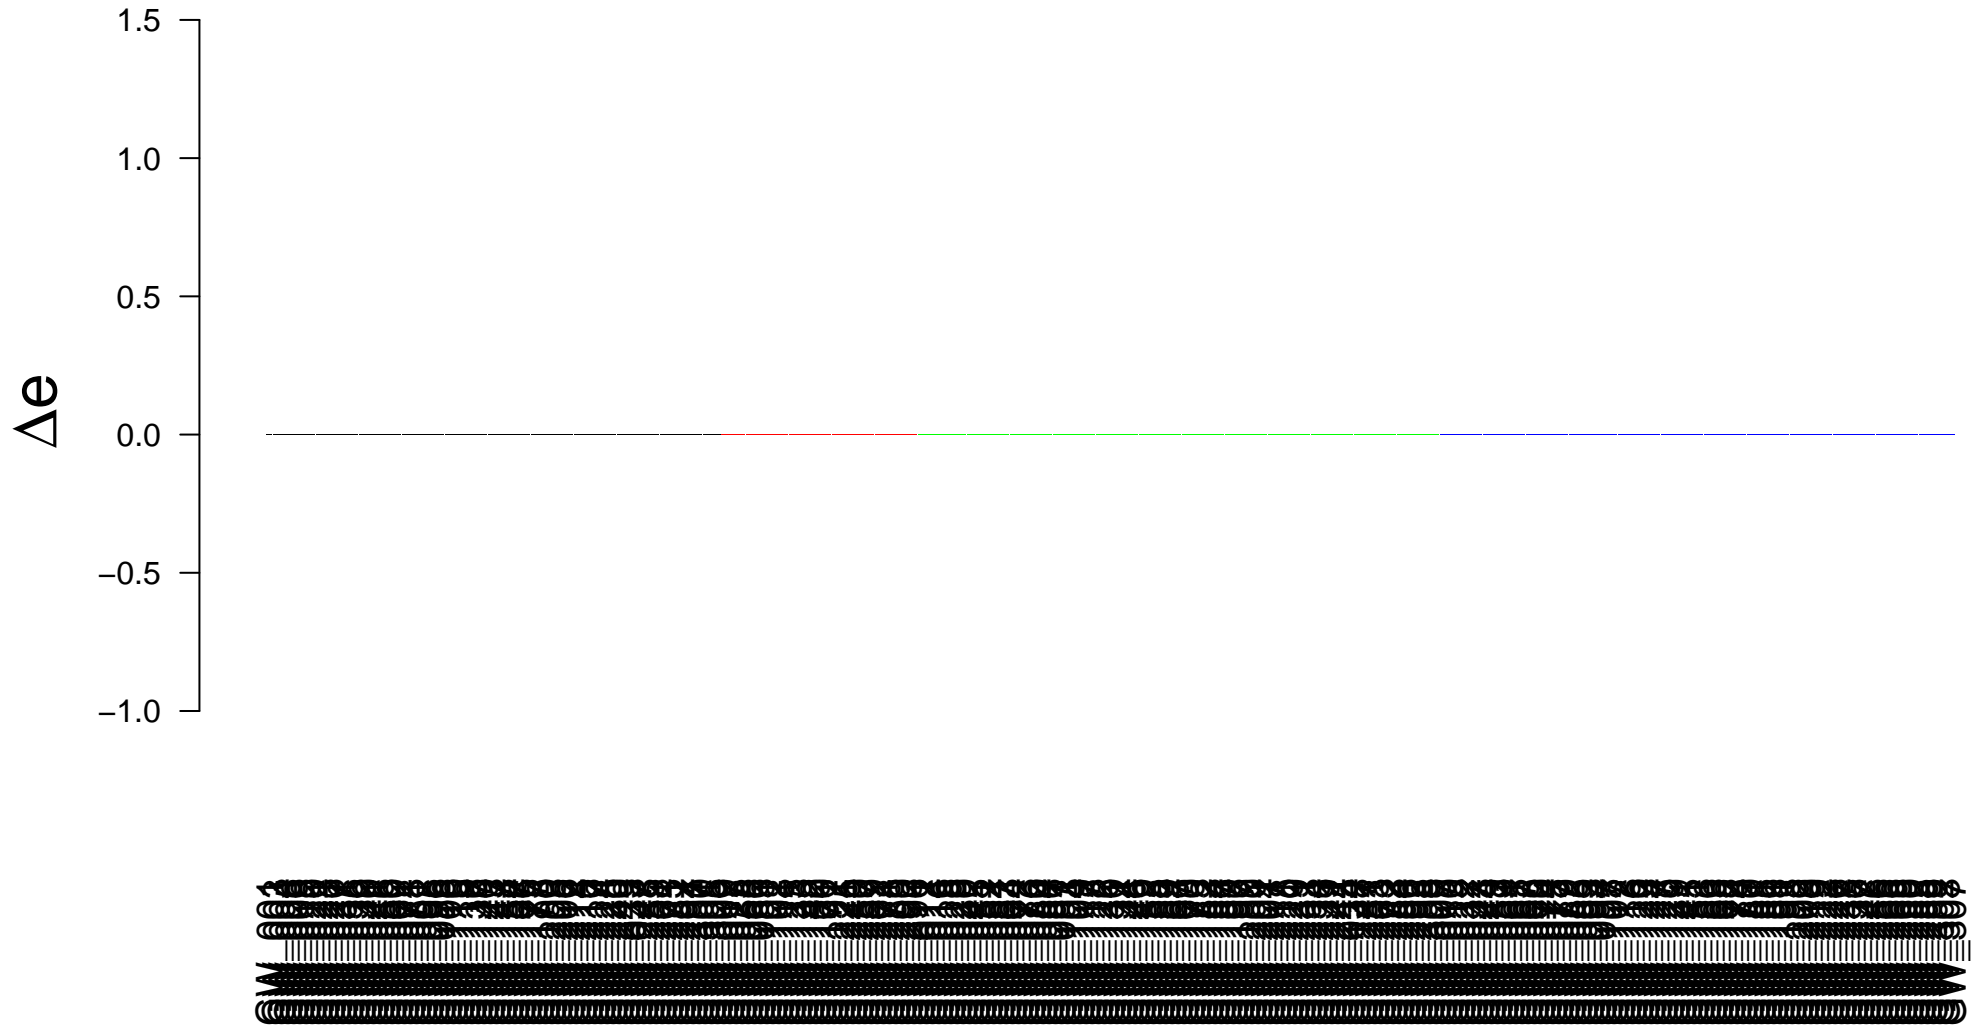

Expression of positive regulation of protein import into nucleus in Spot G

Expression of positive regulation of protein import into nucleus in Spot H

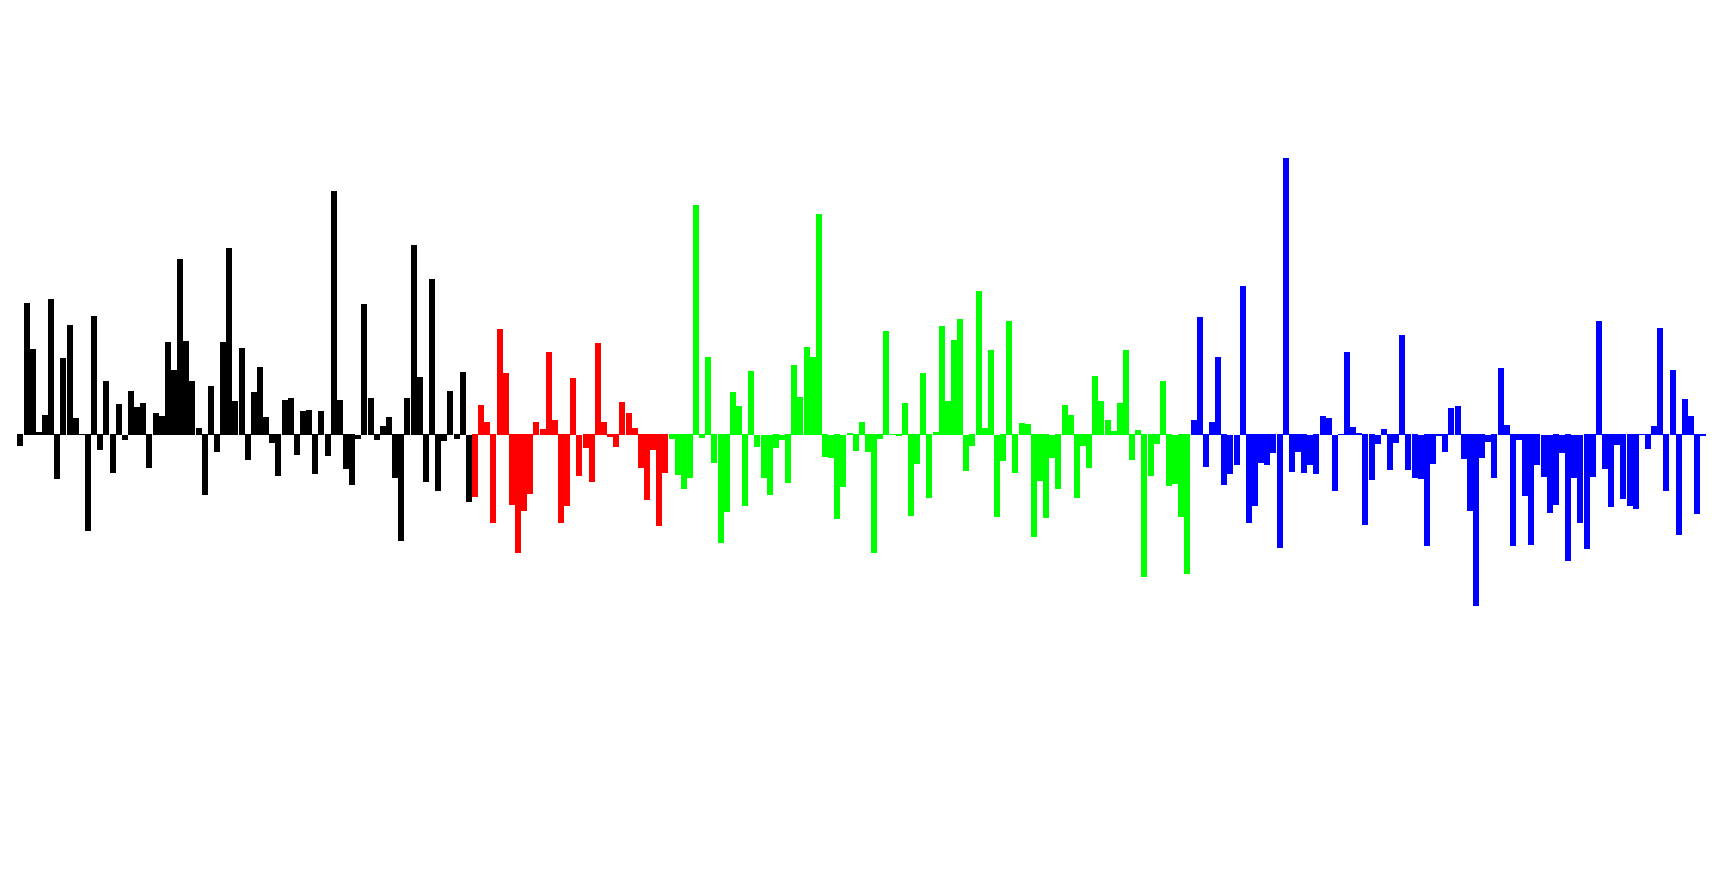

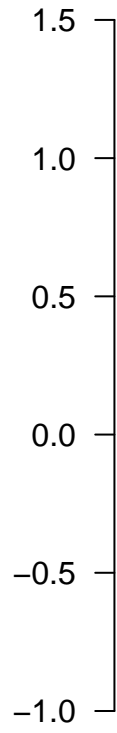

Expression of positive regulation of protein import into nucleus in Spot I

Expression of positive regulation of protein import into nucleus in Spot J
