

positive regulation of protein import into nucleus, translocation

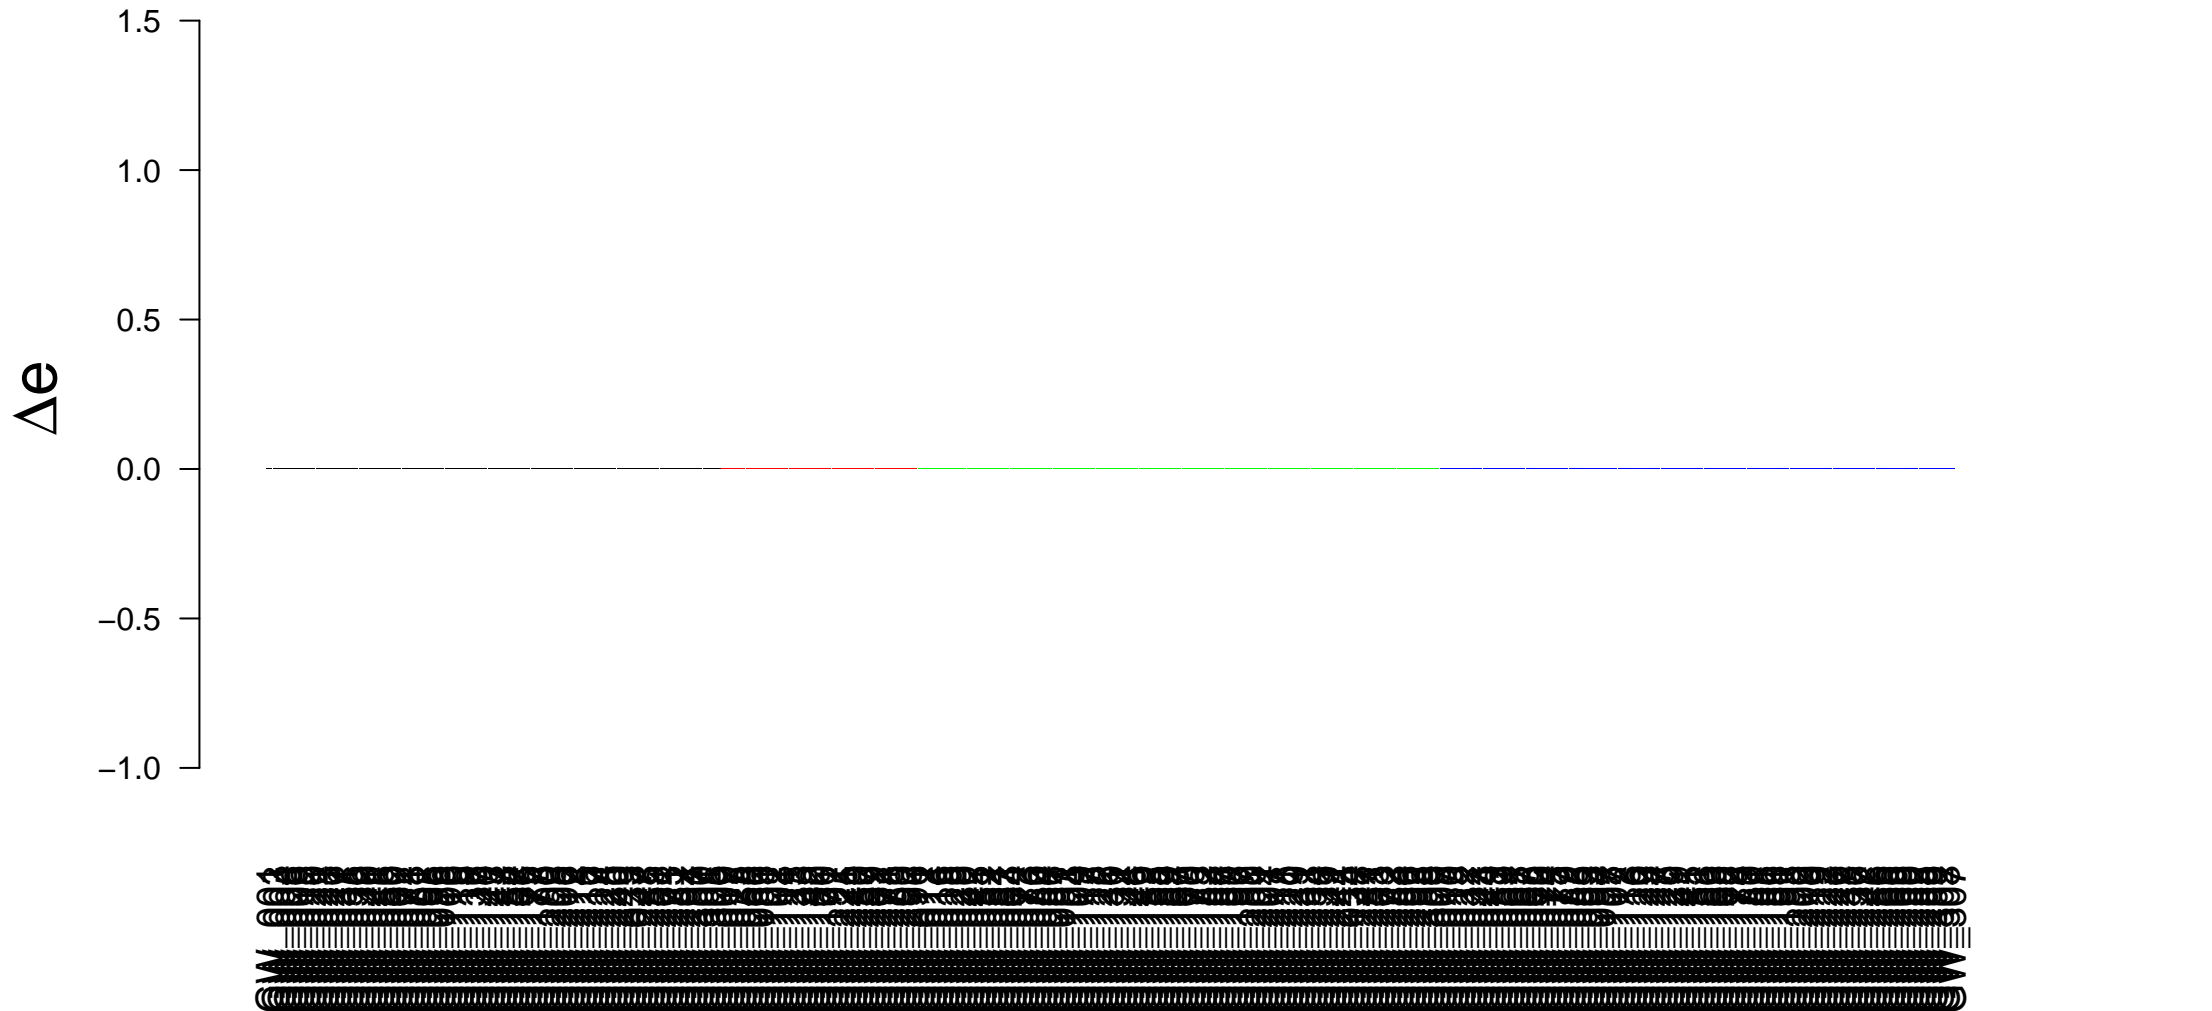

positive regulation of protein import into nucleus, translocation

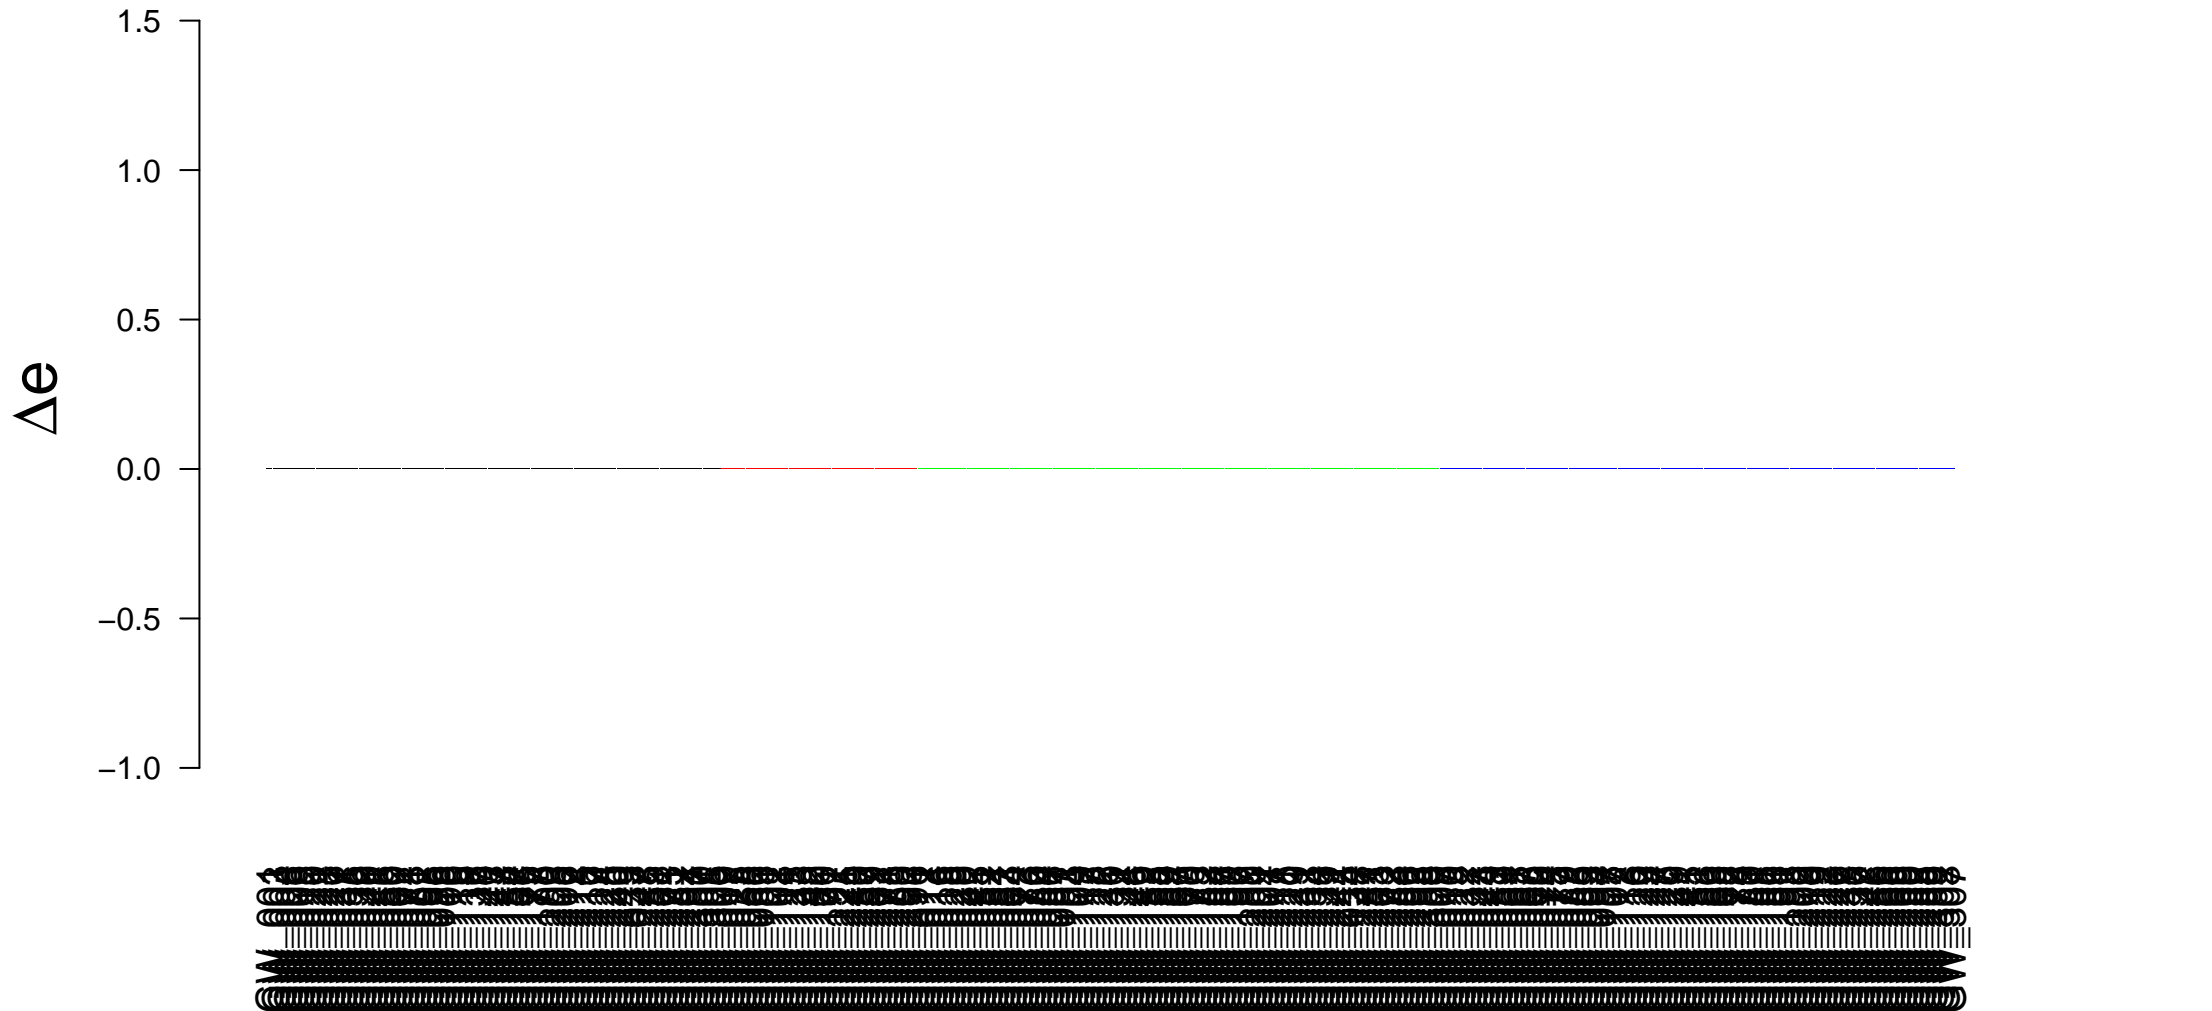

# Enrichment in spots: positive regulation of protein import into nucleus, translocation

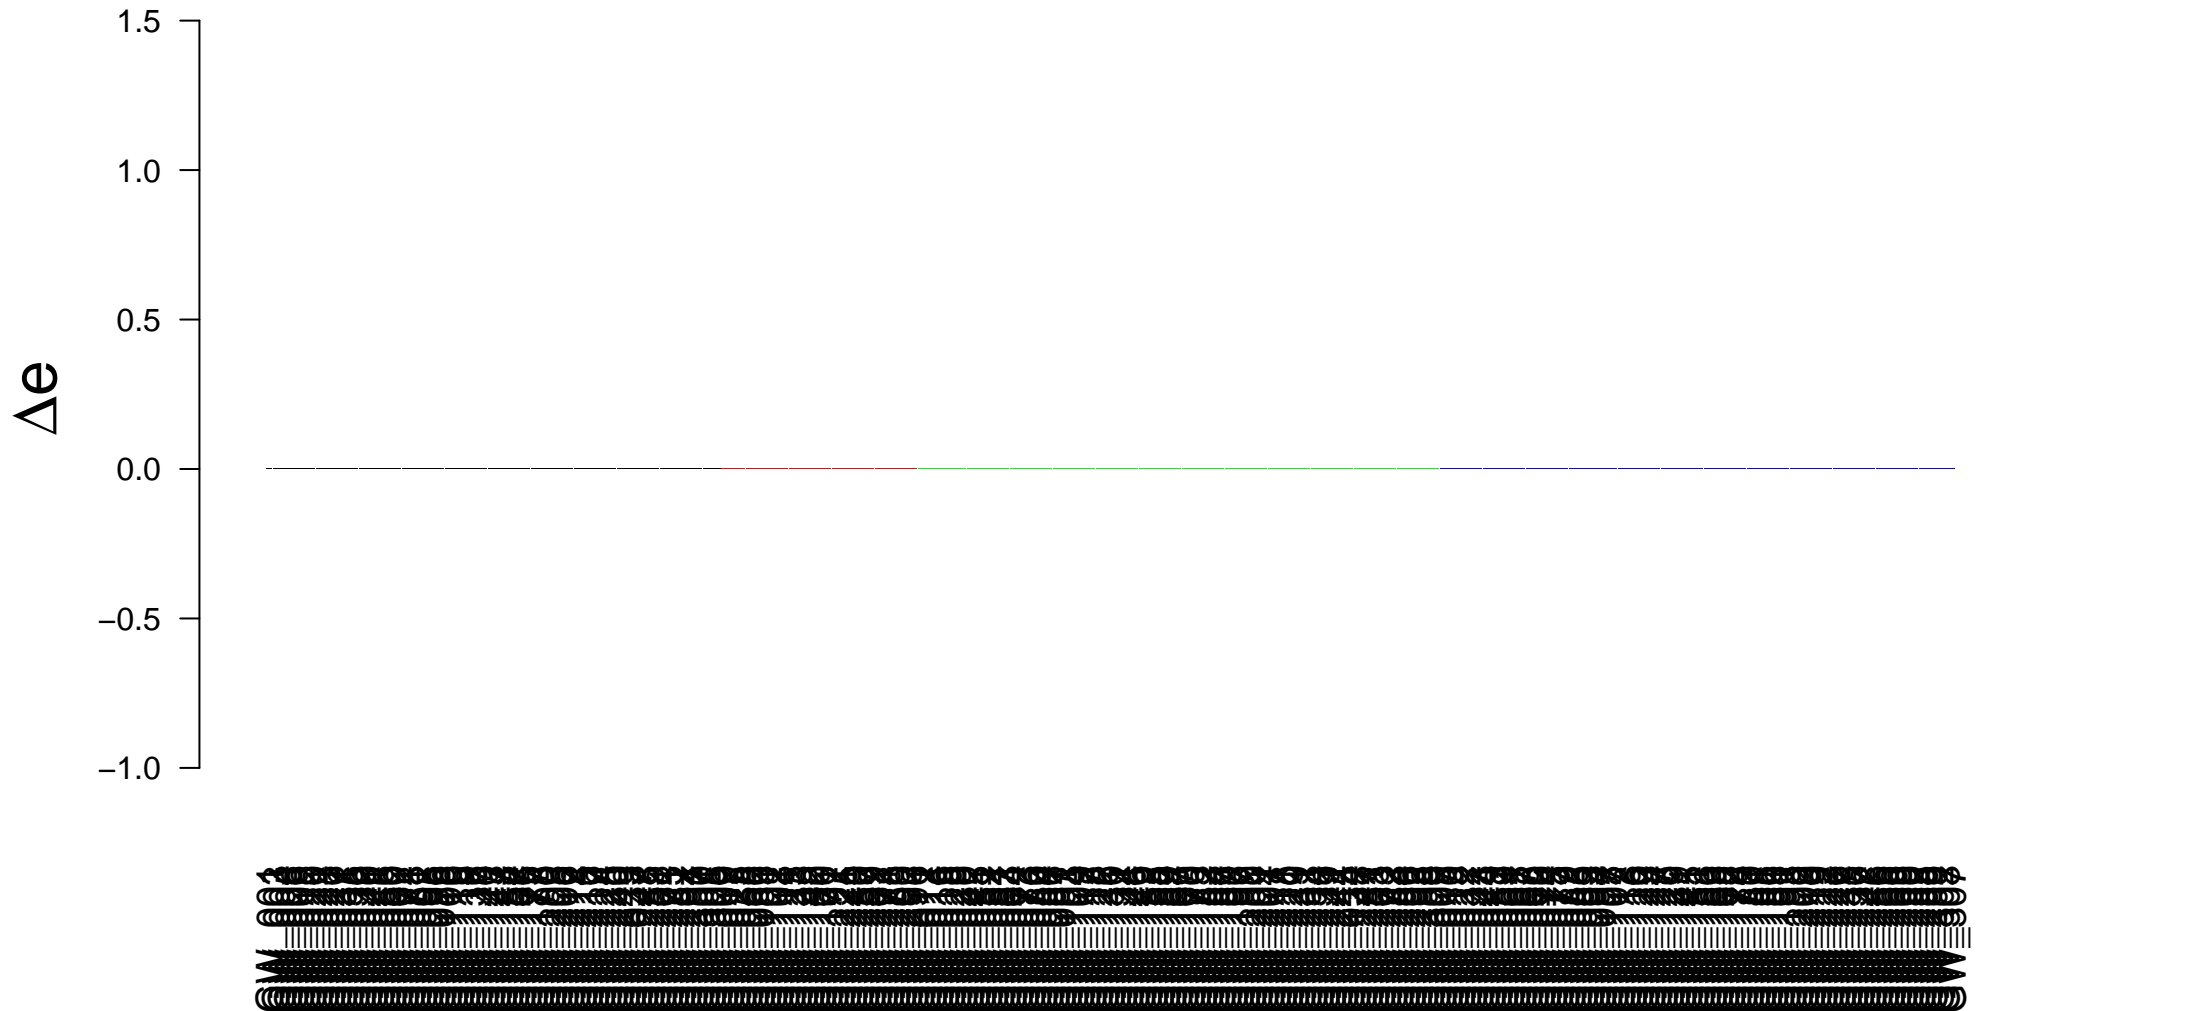

# Expression of positive regulation of protein import into nucleus, translocation in Spot A

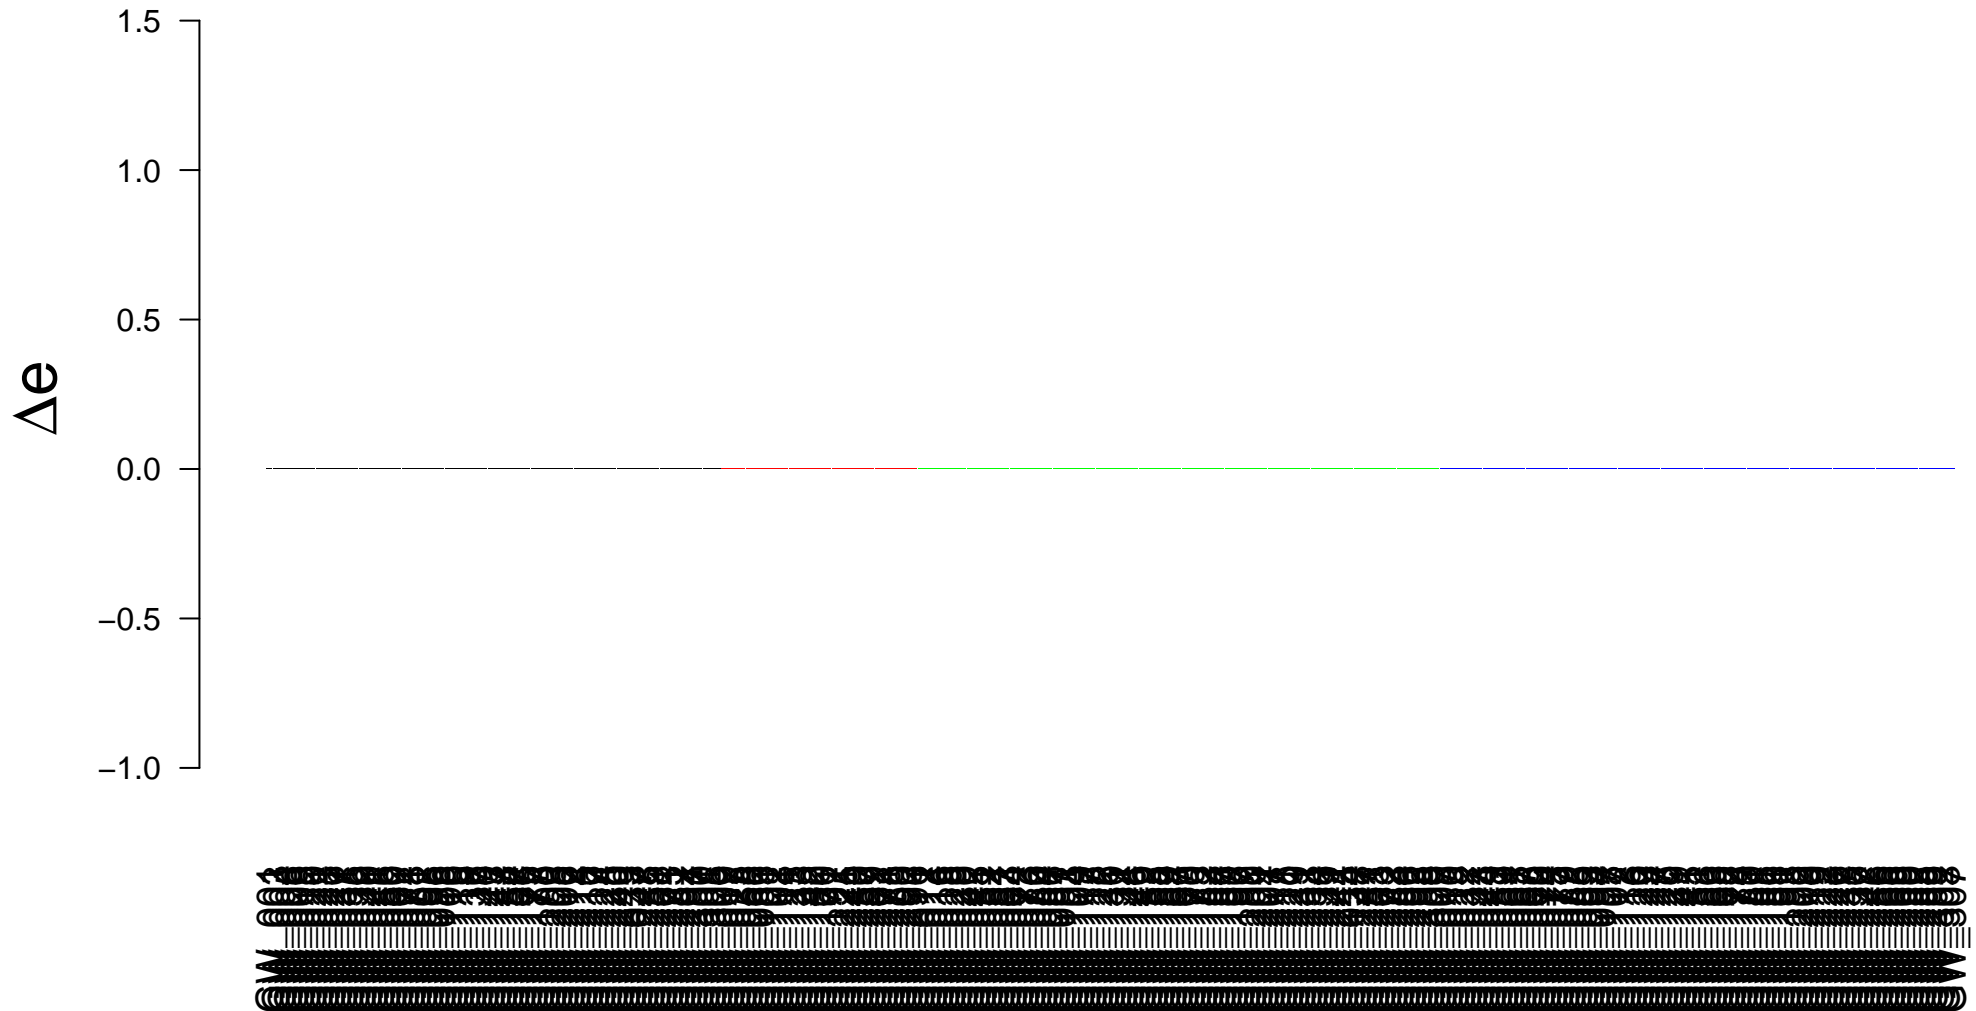

# Expression of positive regulation of protein import into nucleus, translocation in Spot B

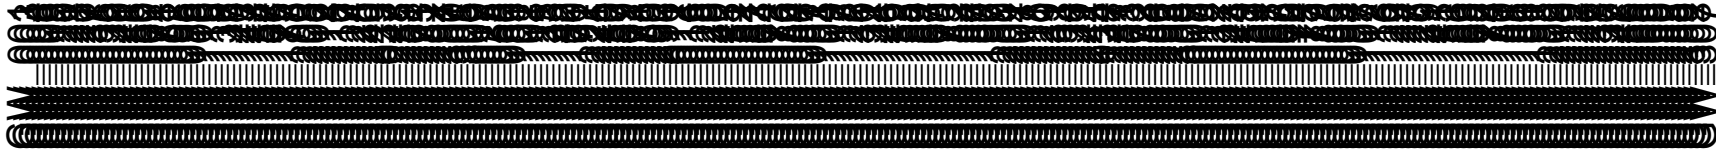

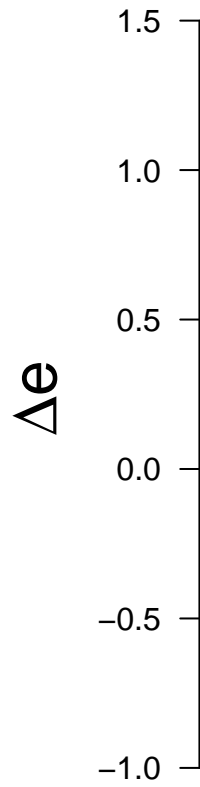

# Expression of positive regulation of protein import into nucleus, translocation in Spot C

# Expression of positive regulation of protein import into nucleus, translocation in Spot D

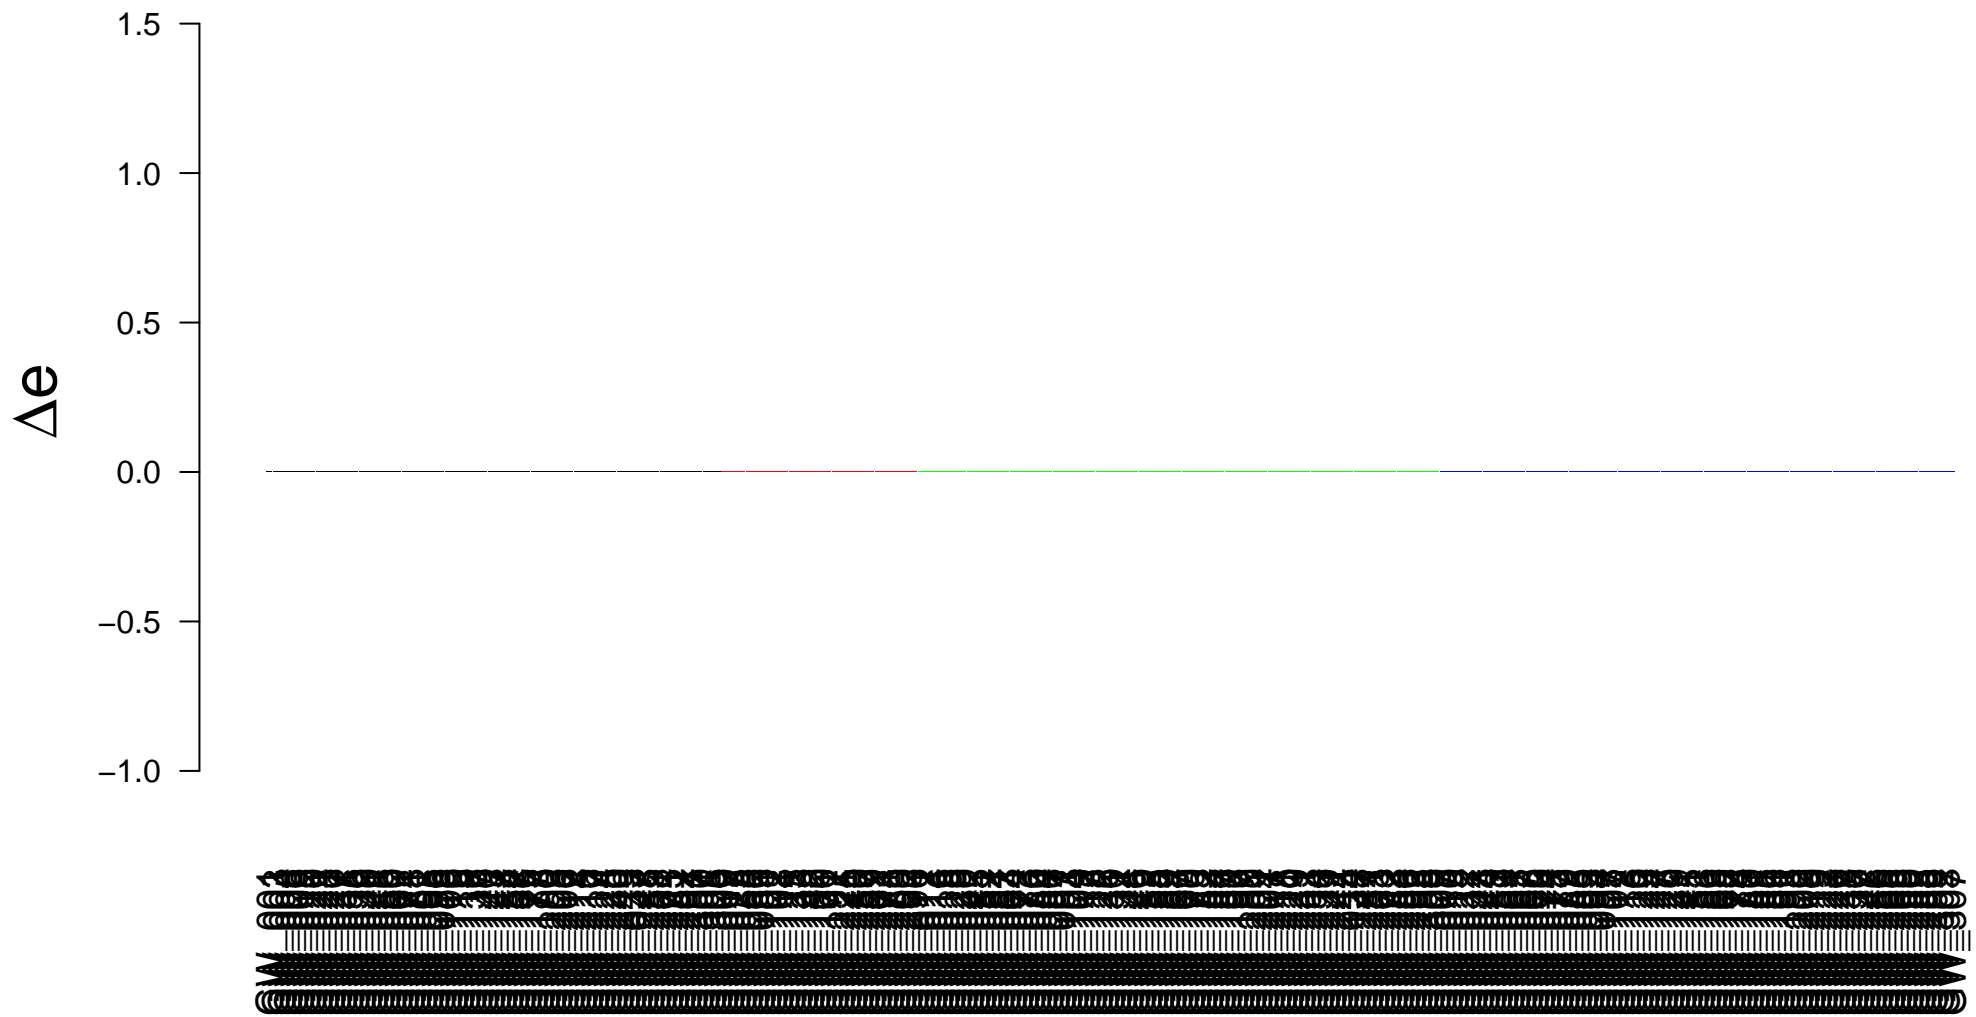

# Expression of positive regulation of protein import into nucleus, translocation in Spot E

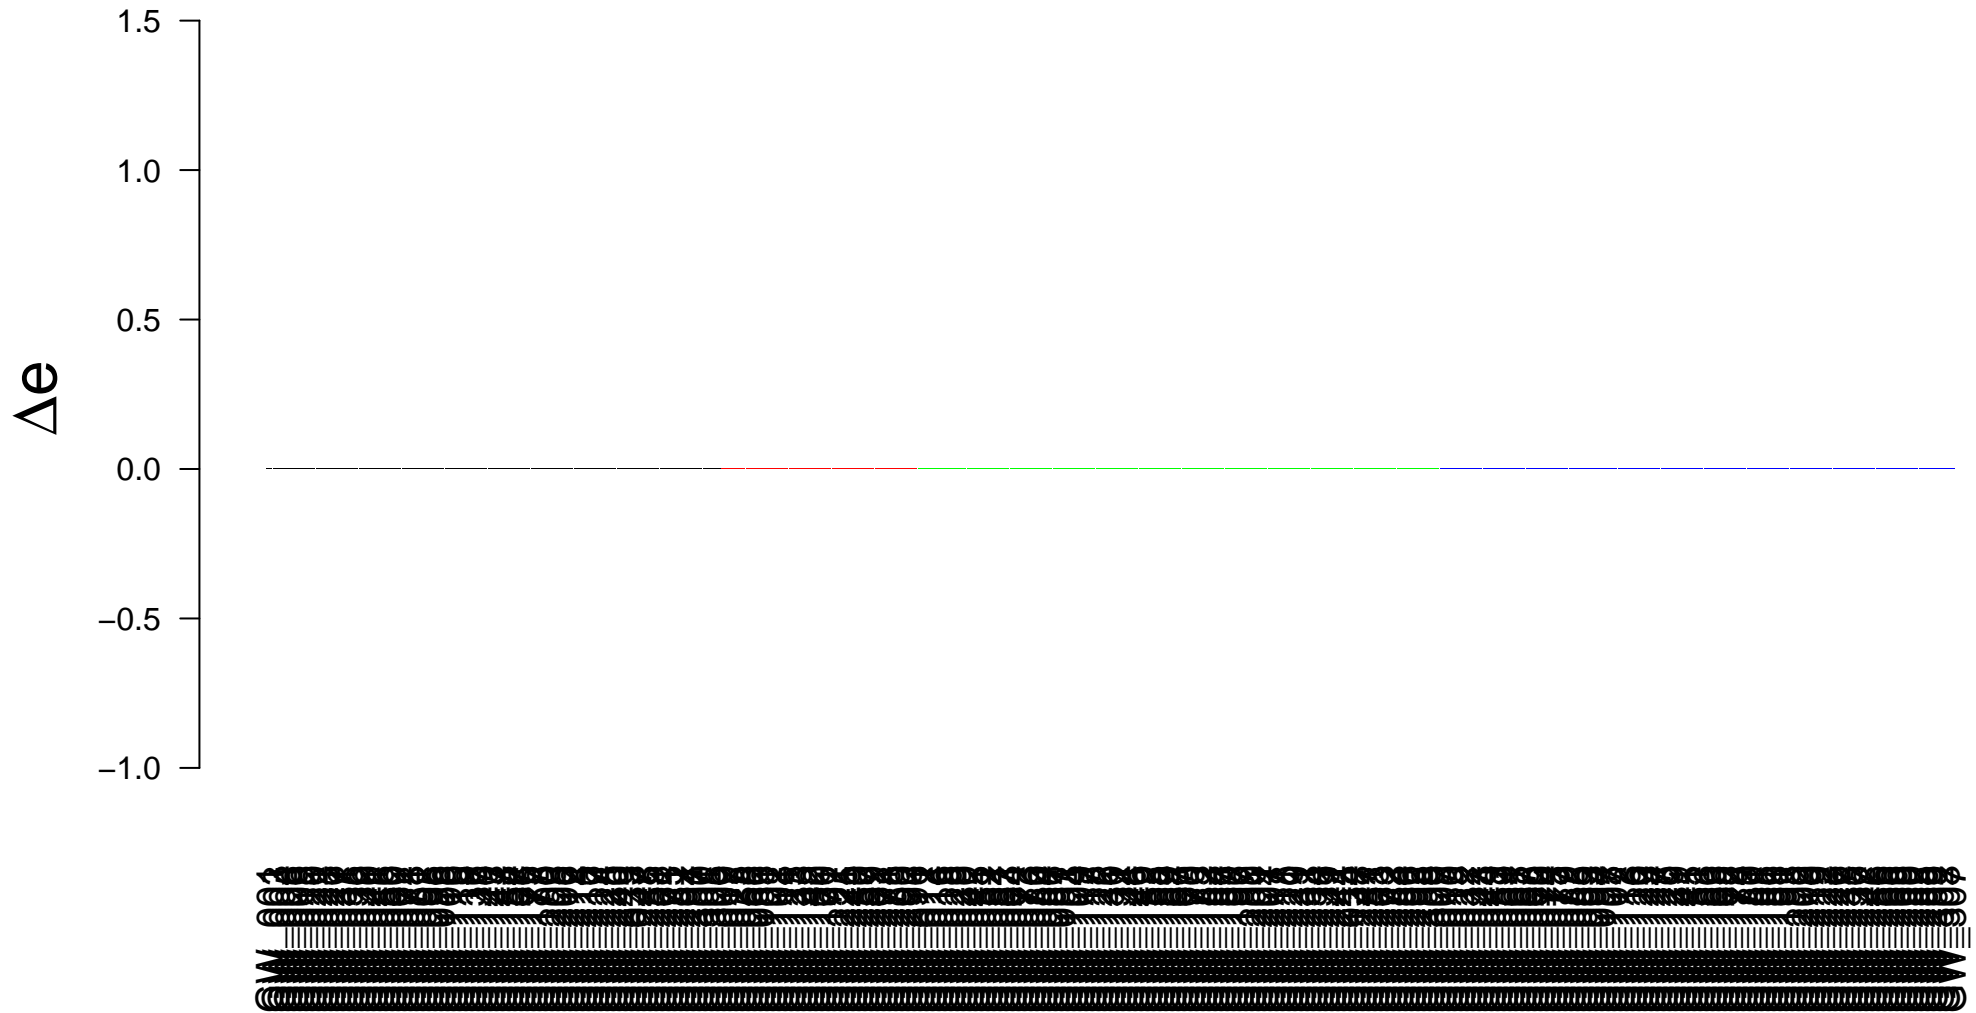

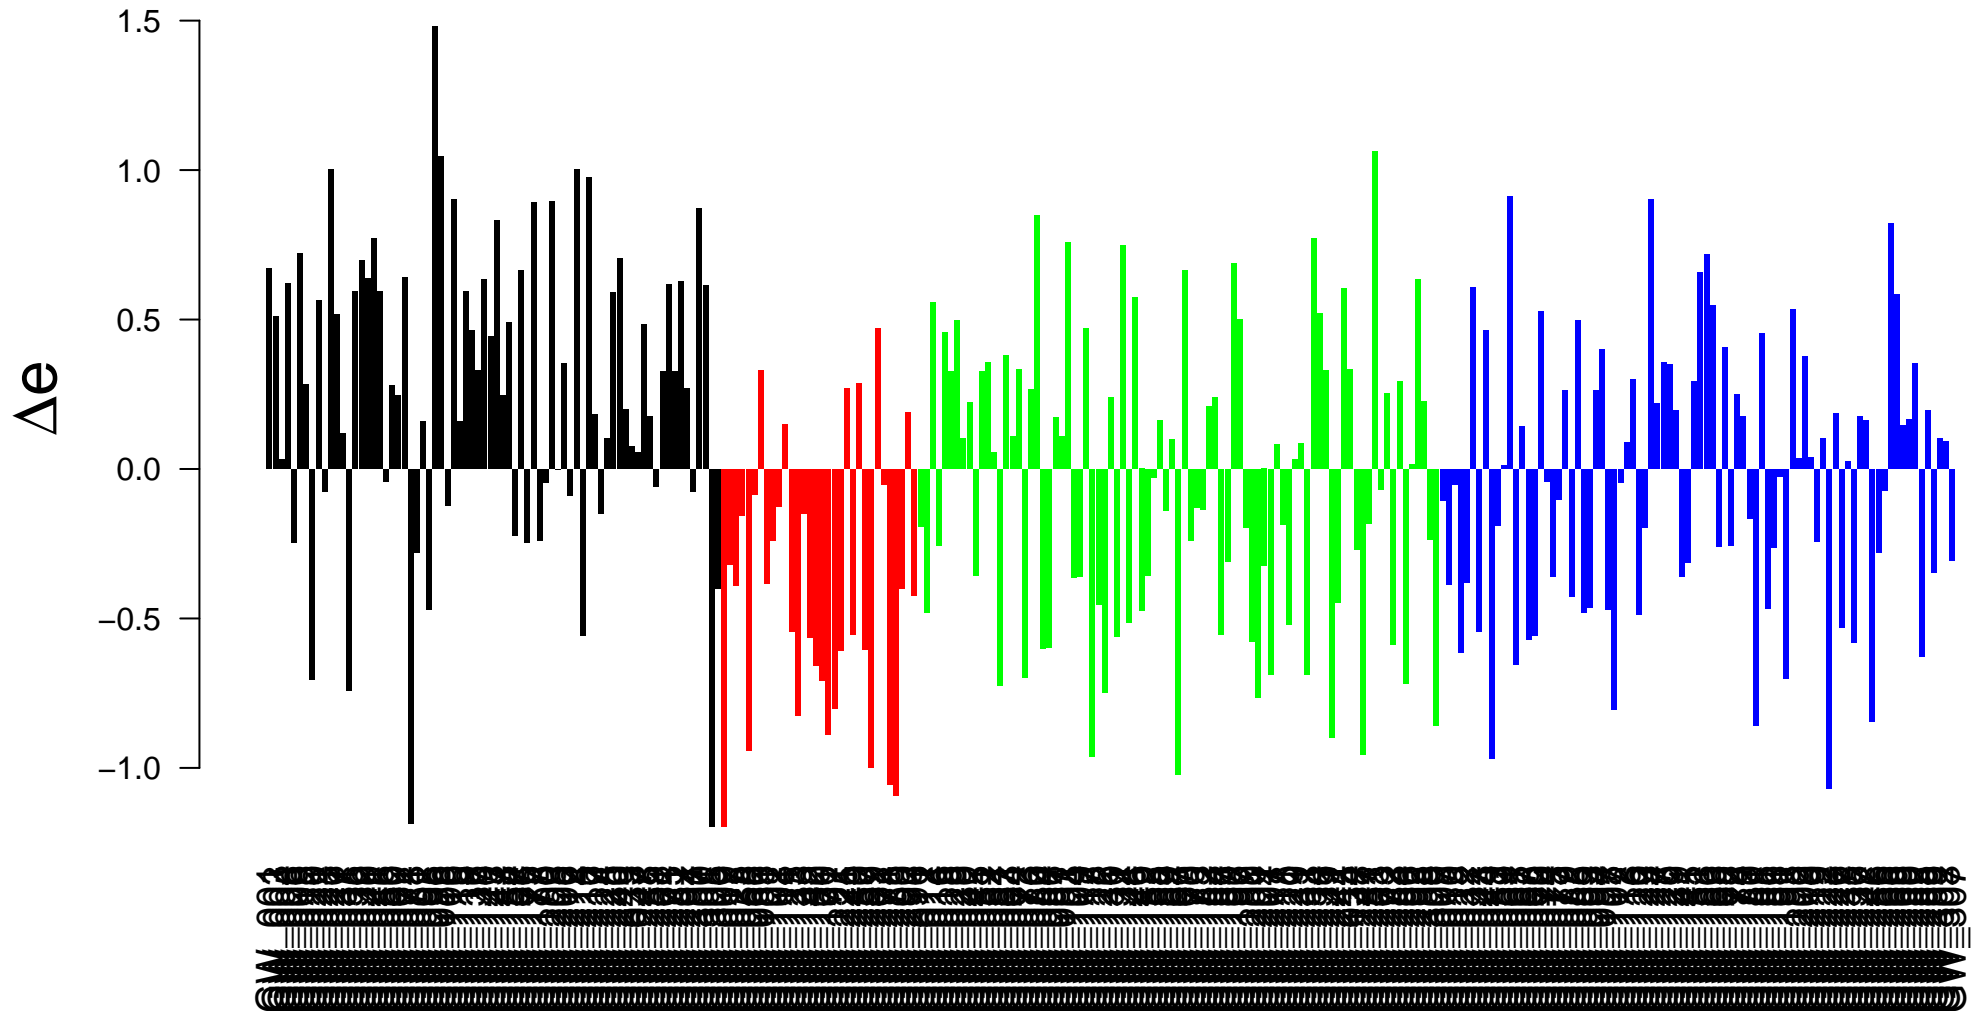

# Expression of positive regulation of protein import into nucleus, translocation in Spot F

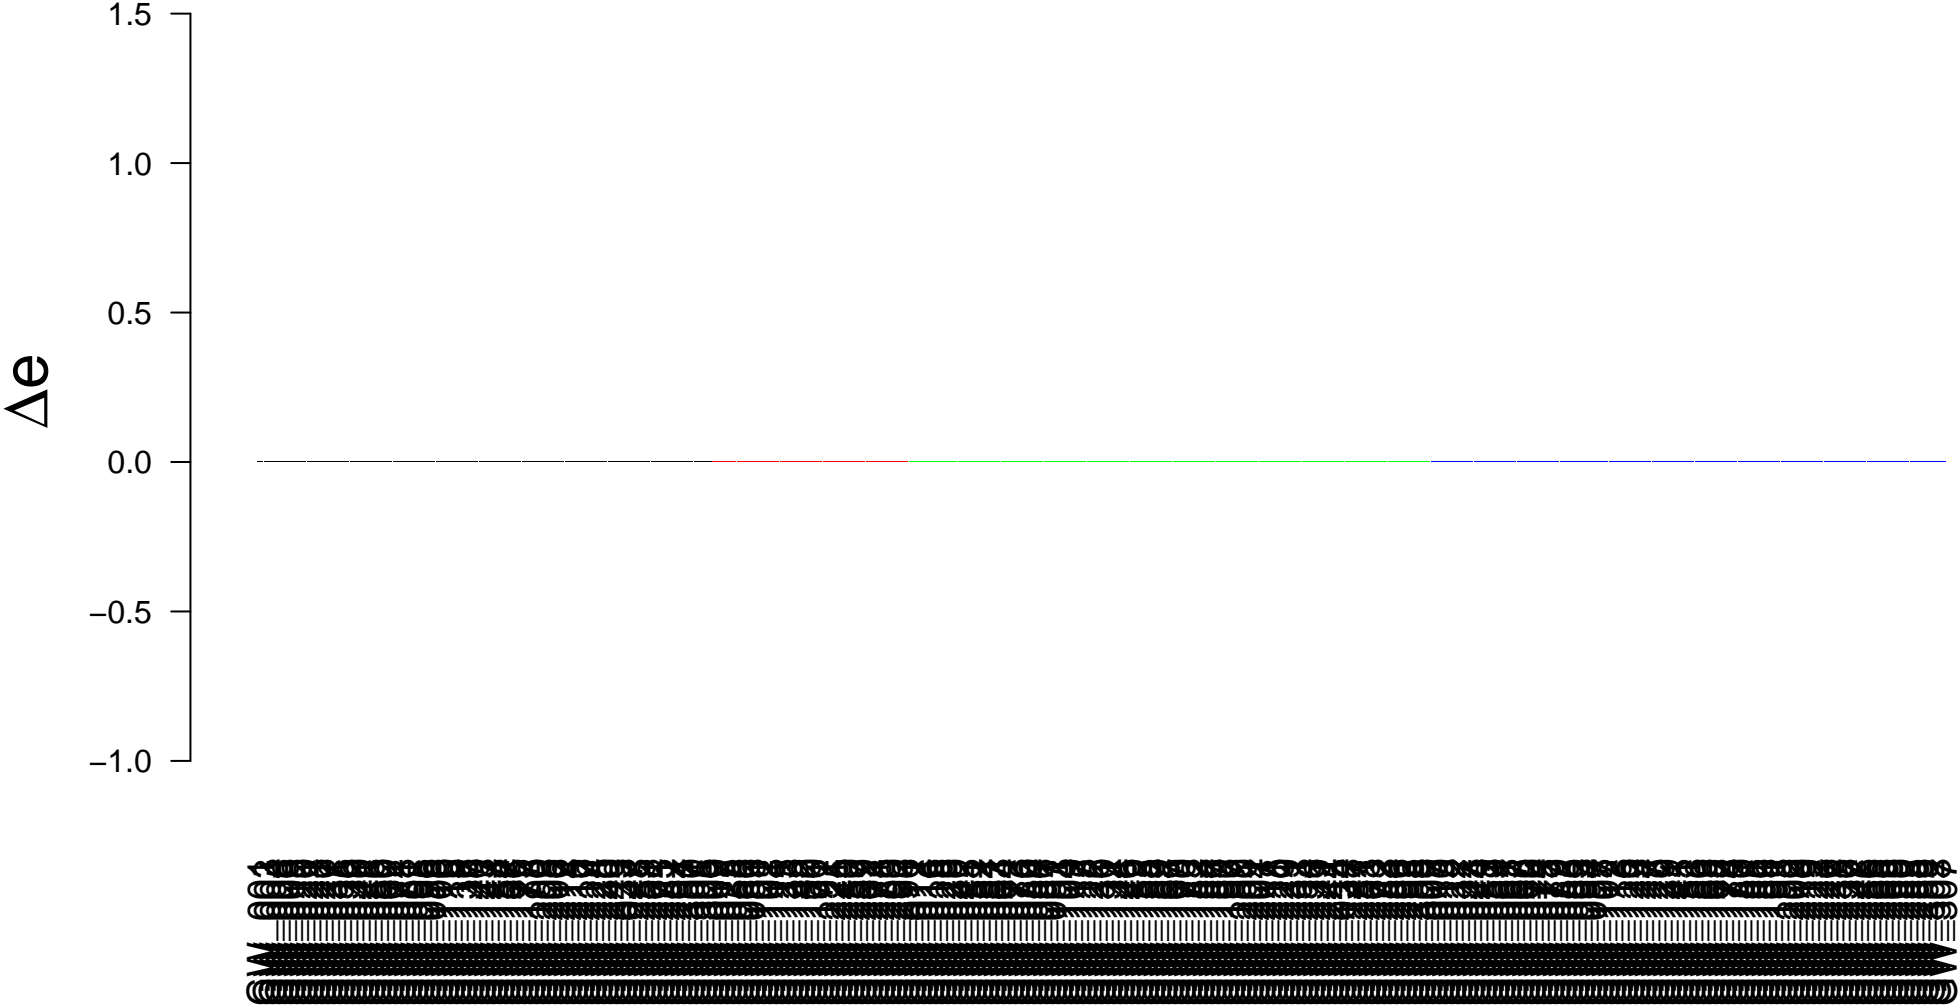

# Expression of positive regulation of protein import into nucleus, translocation in Spot G

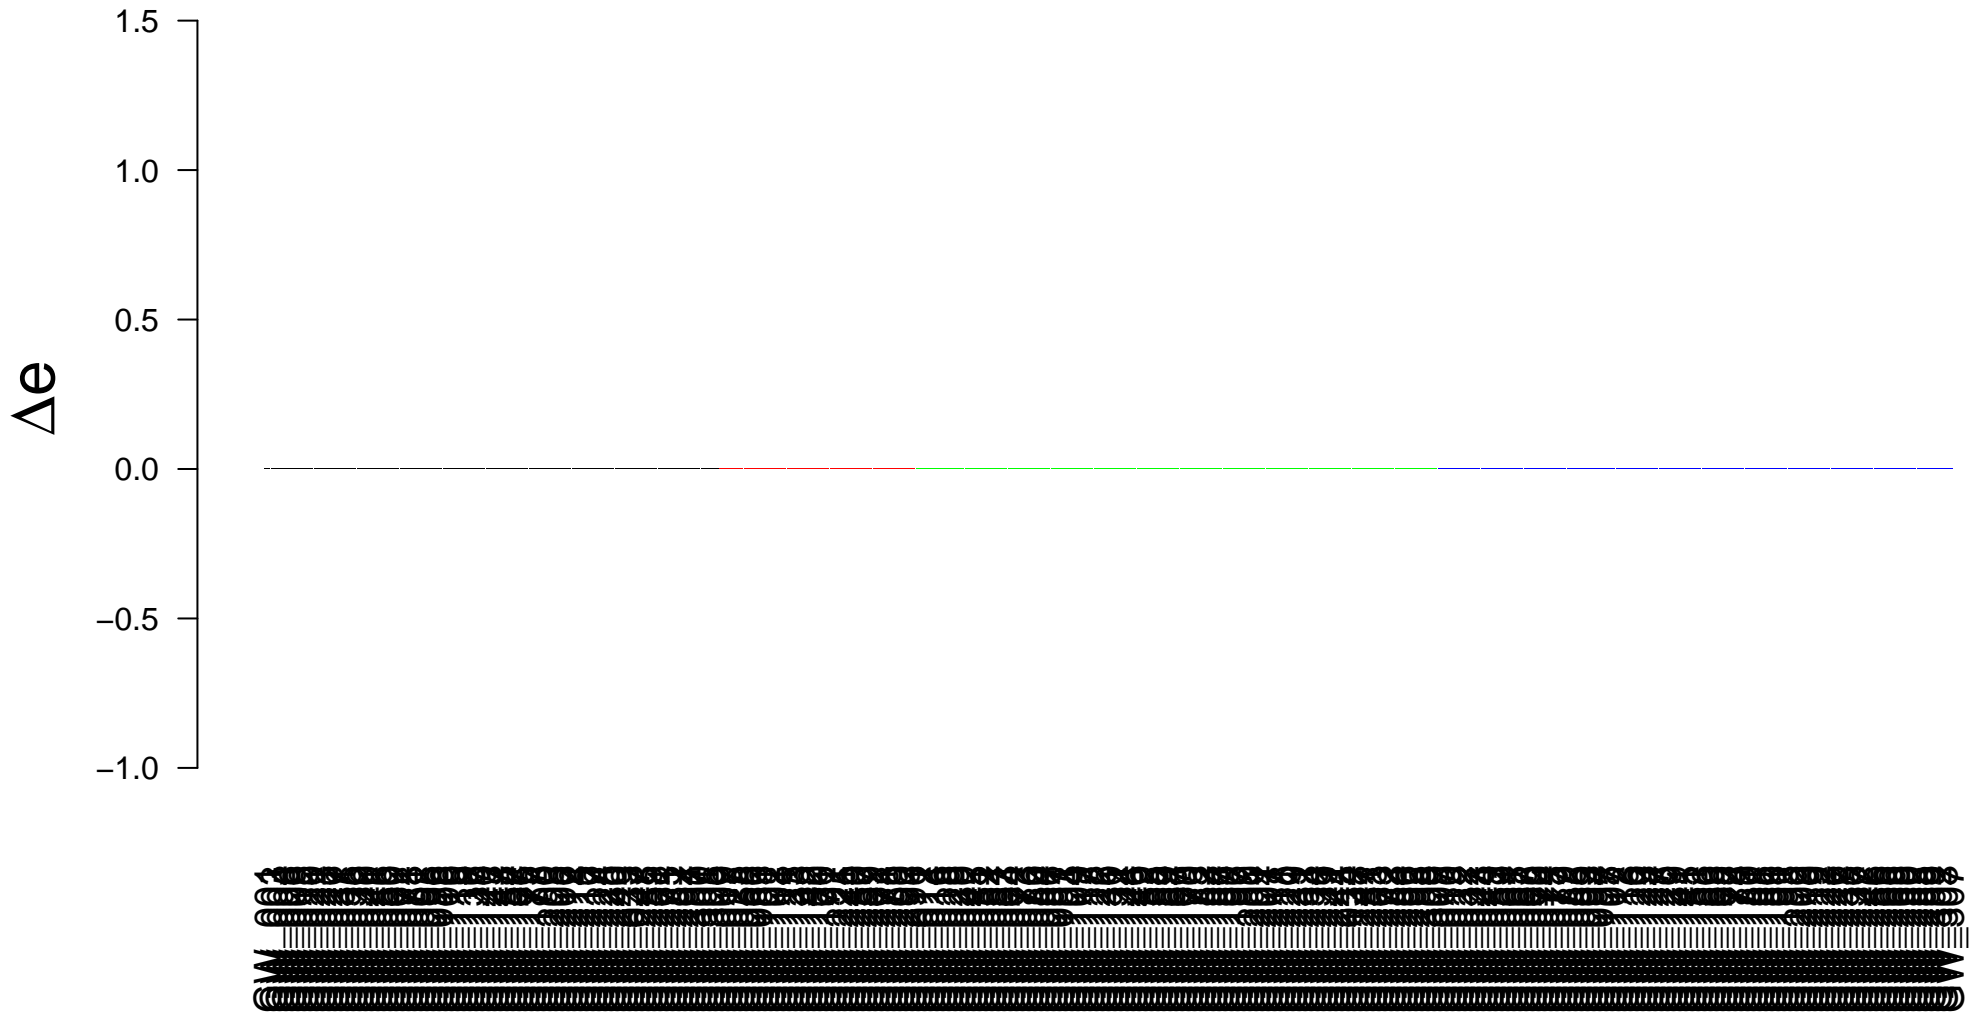

# Expression of positive regulation of protein import into nucleus, translocation in Spot H

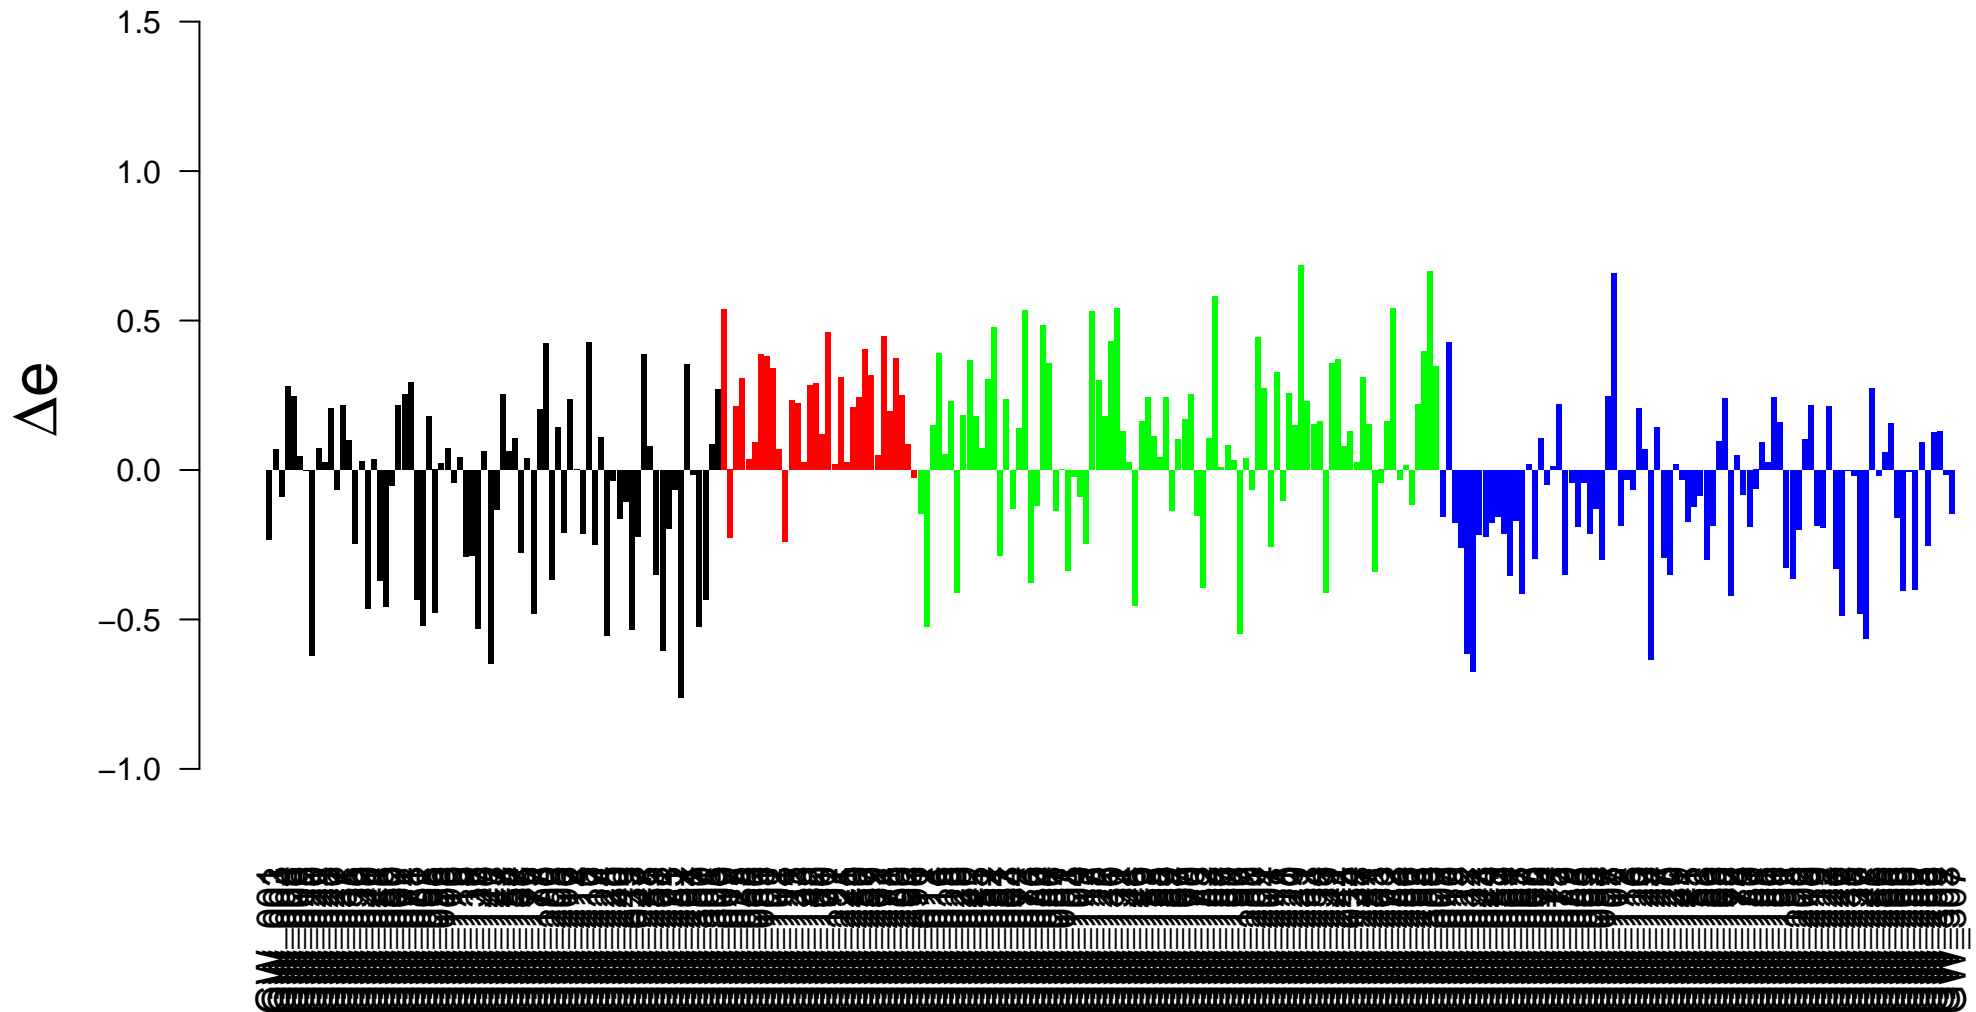

Expression of positive regulation of protein import into nucleus, translocation in Spot I

# Expression of positive regulation of protein import into nucleus, translocation in Spot J

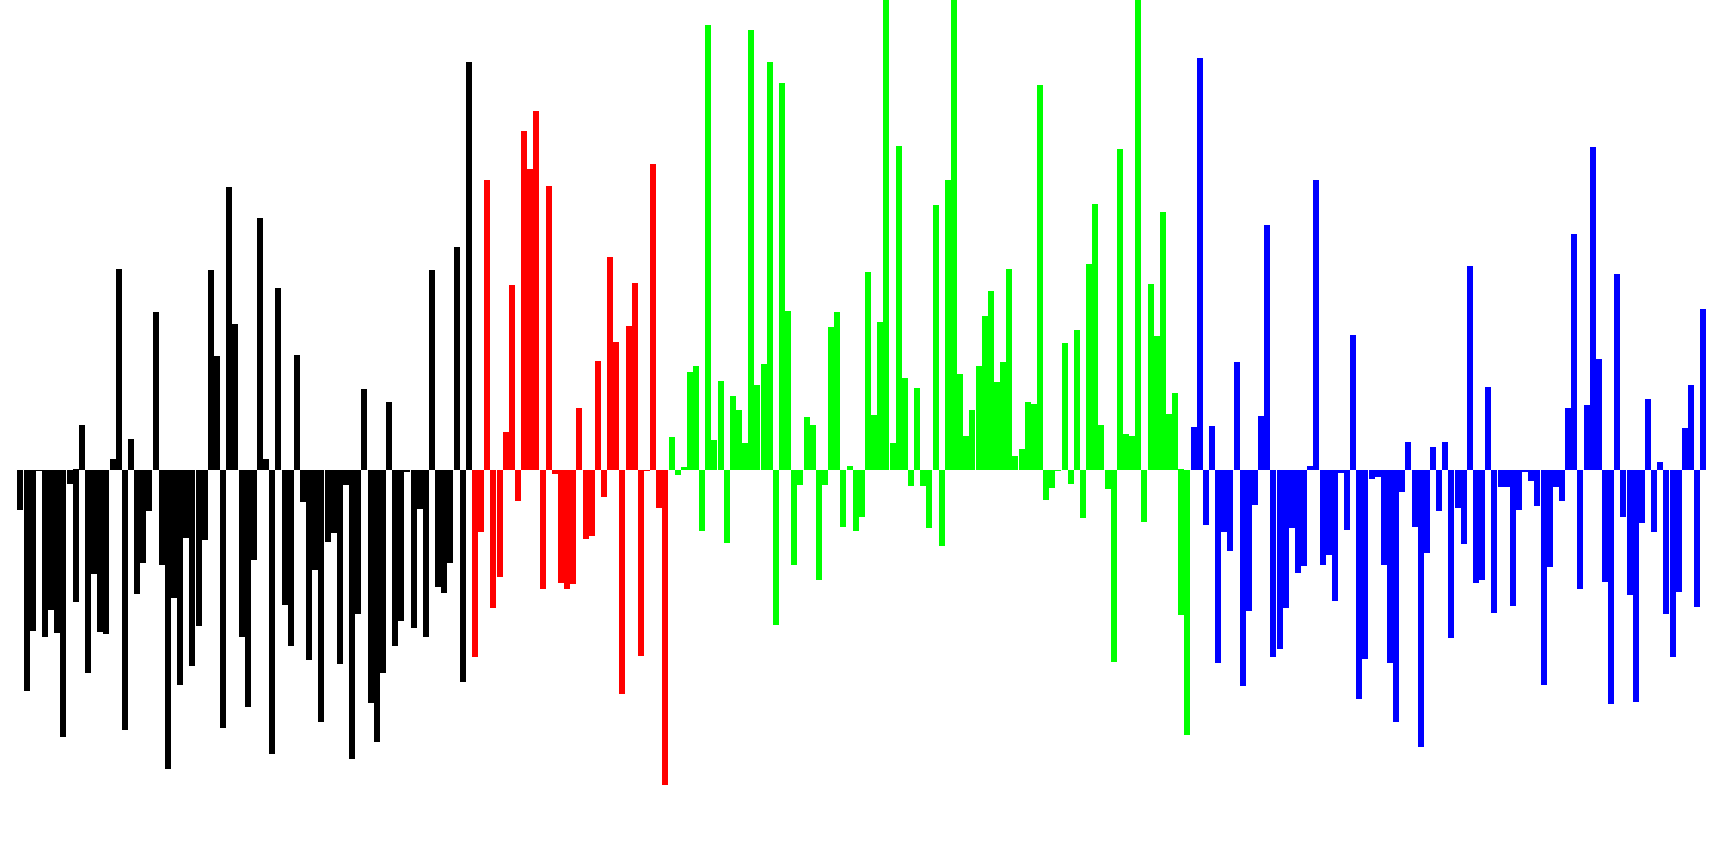

# Expression of positive regulation of protein import into nucleus, translocation in Spot K

# Expression of positive regulation of protein import into nucleus, translocation in Spot L

$\Delta e$

# Expression of positive regulation of protein import into nucleus, translocation in Spot M

# Expression of positive regulation of protein import into nucleus, translocation in Spot N

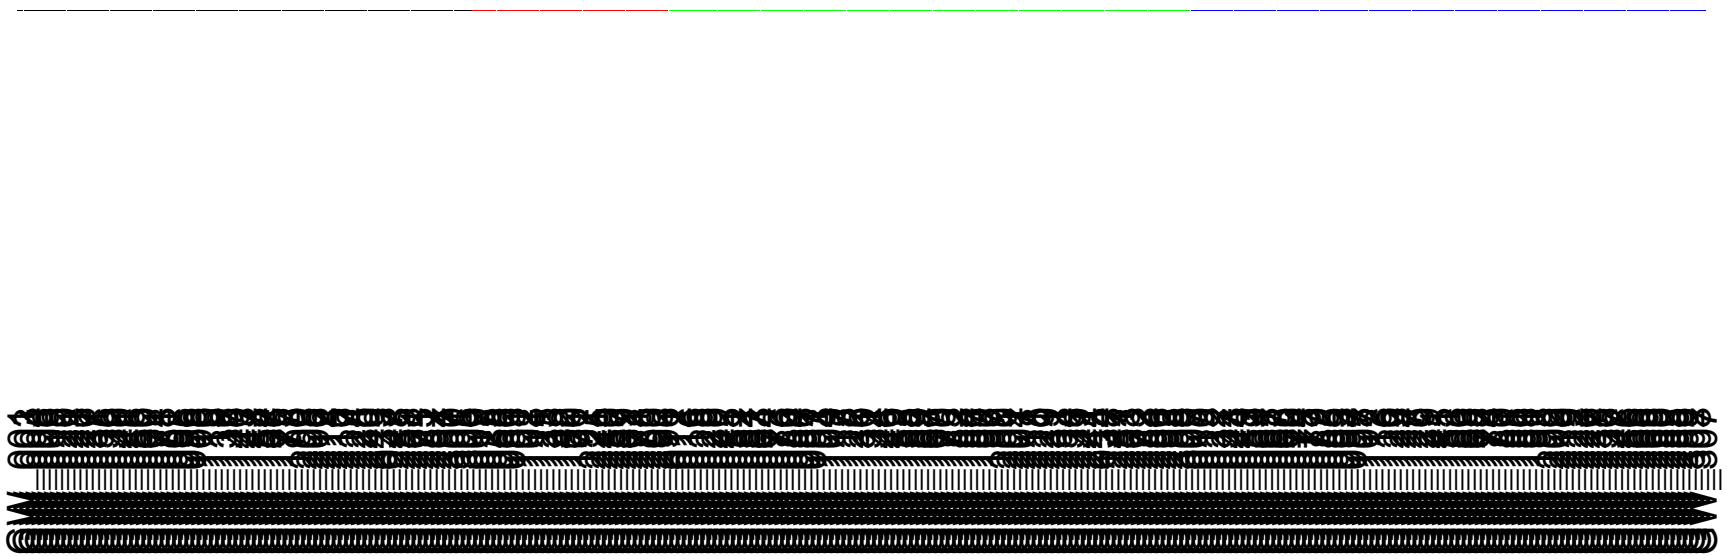

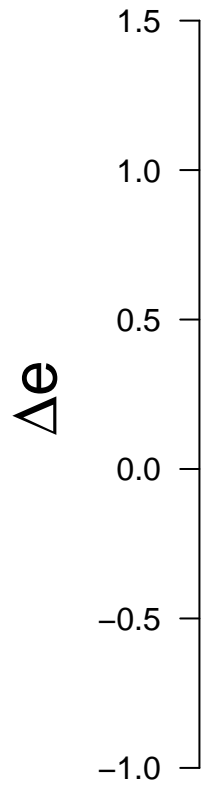

# Expression of positive regulation of protein import into nucleus, translocation in Spot O

# Expression of positive regulation of protein import into nucleus, translocation in Spot P

# Expression of positive regulation of protein import into nucleus, translocation in Spot Q

Expression of positive regulation of protein import into nucleus, translocation in Spot R
