

positive regulation of protein targeting to membrane

positive regulation of protein targeting to membrane

Enrichment in spots: positive regulation of protein targeting to membrane

Expression of positive regulation of protein targeting to membrane in Spot A

Expression of positive regulation of protein targeting to membrane in Spot B

Expression of positive regulation of protein targeting to membrane in Spot E

Expression of positive regulation of protein targeting to membrane in Spot F

Expression of positive regulation of protein targeting to membrane in Spot G

Expression of positive regulation of protein targeting to membrane in Spot H

Expression of positive regulation of protein targeting to membrane in Spot I

Expression of positive regulation of protein targeting to membrane in Spot J

Expression of positive regulation of protein targeting to membrane in Spot K

Expression of positive regulation of protein targeting to membrane in Spot L

Expression of positive regulation of protein targeting to membrane in Spot M
