

# positive regulation of receptor recycling

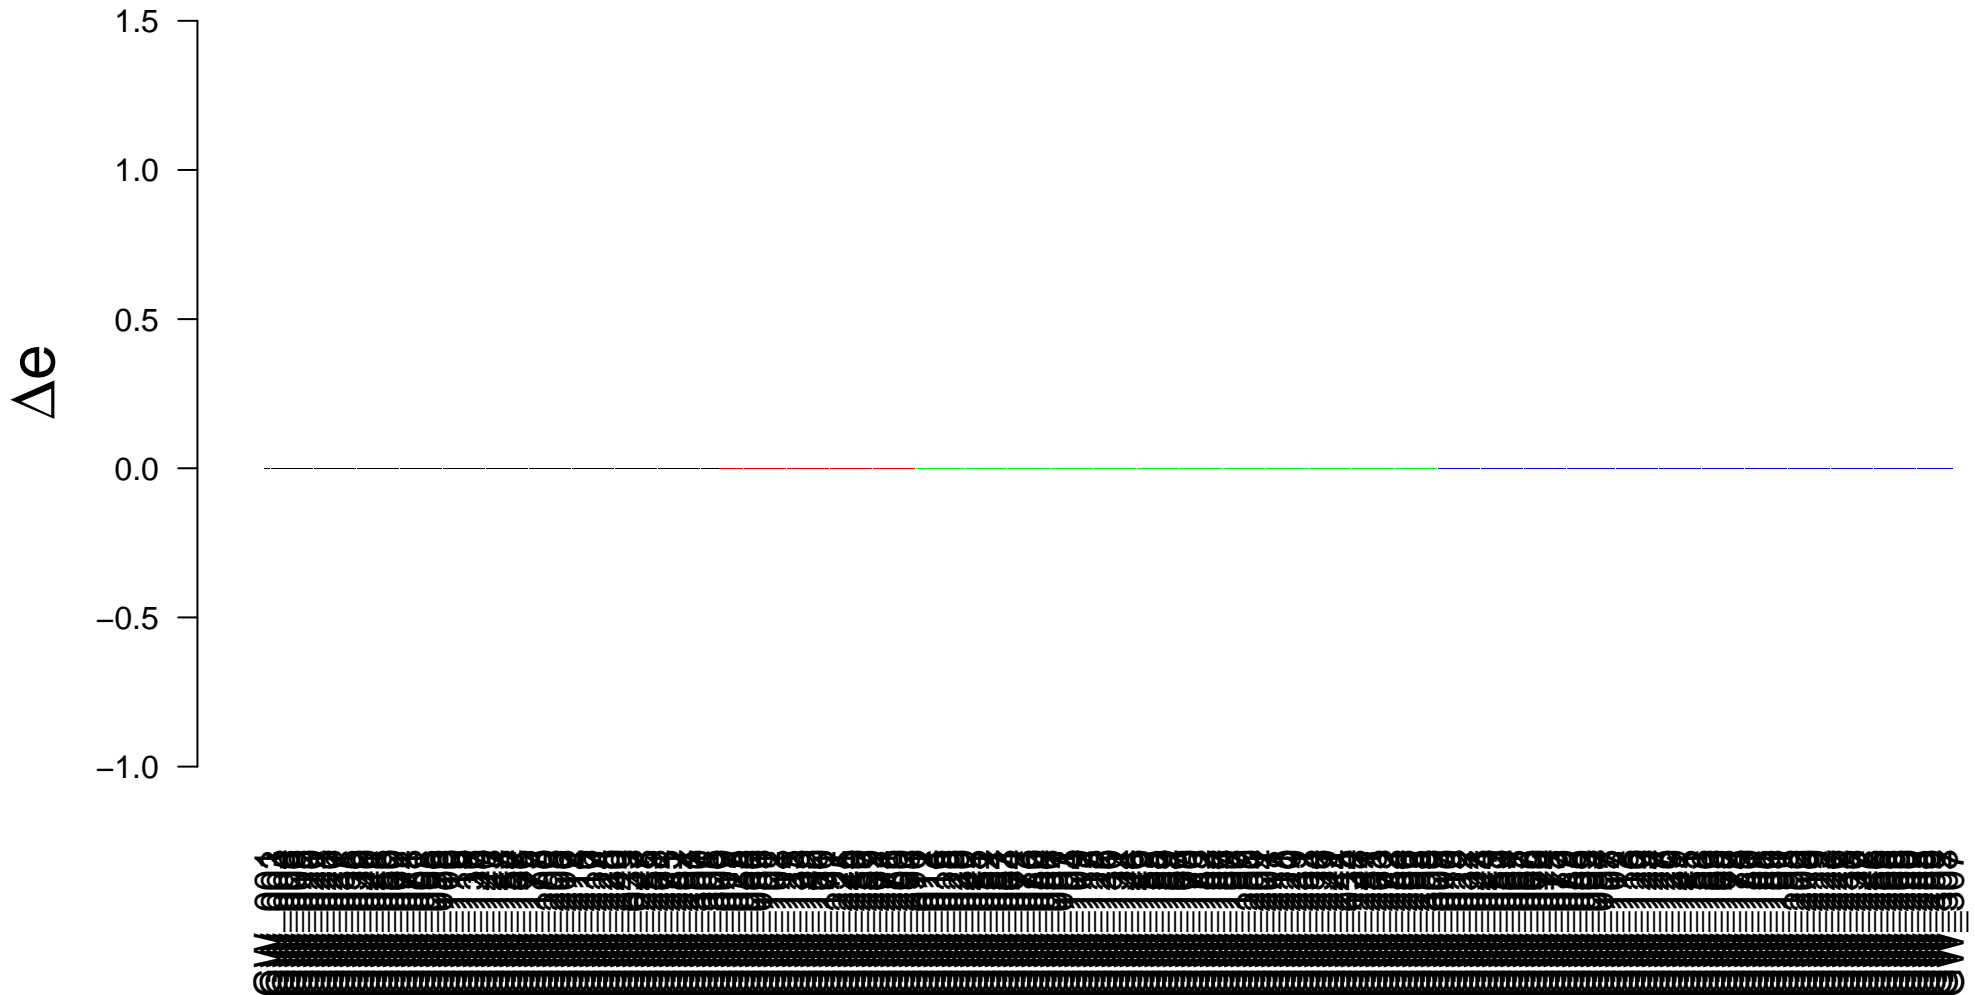

positive regulation of receptor recycling

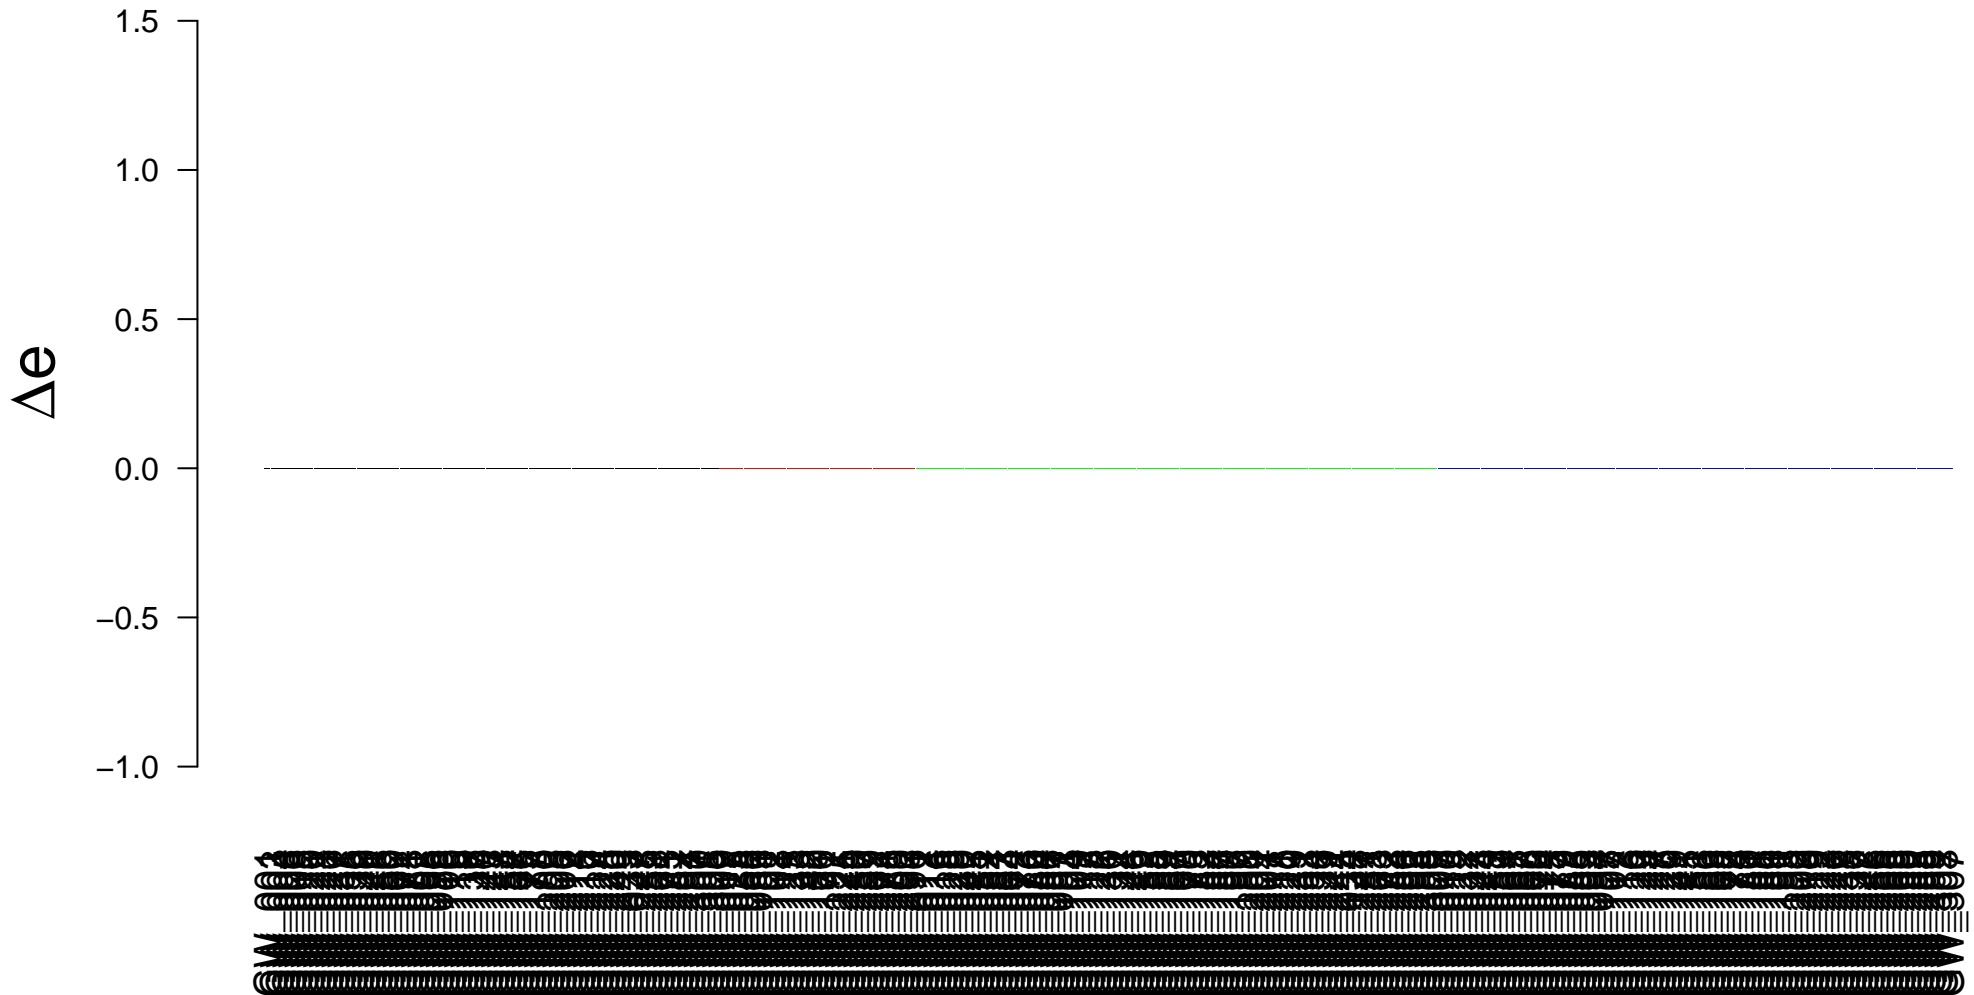

# Enrichment in spots: positive regulation of receptor recycling

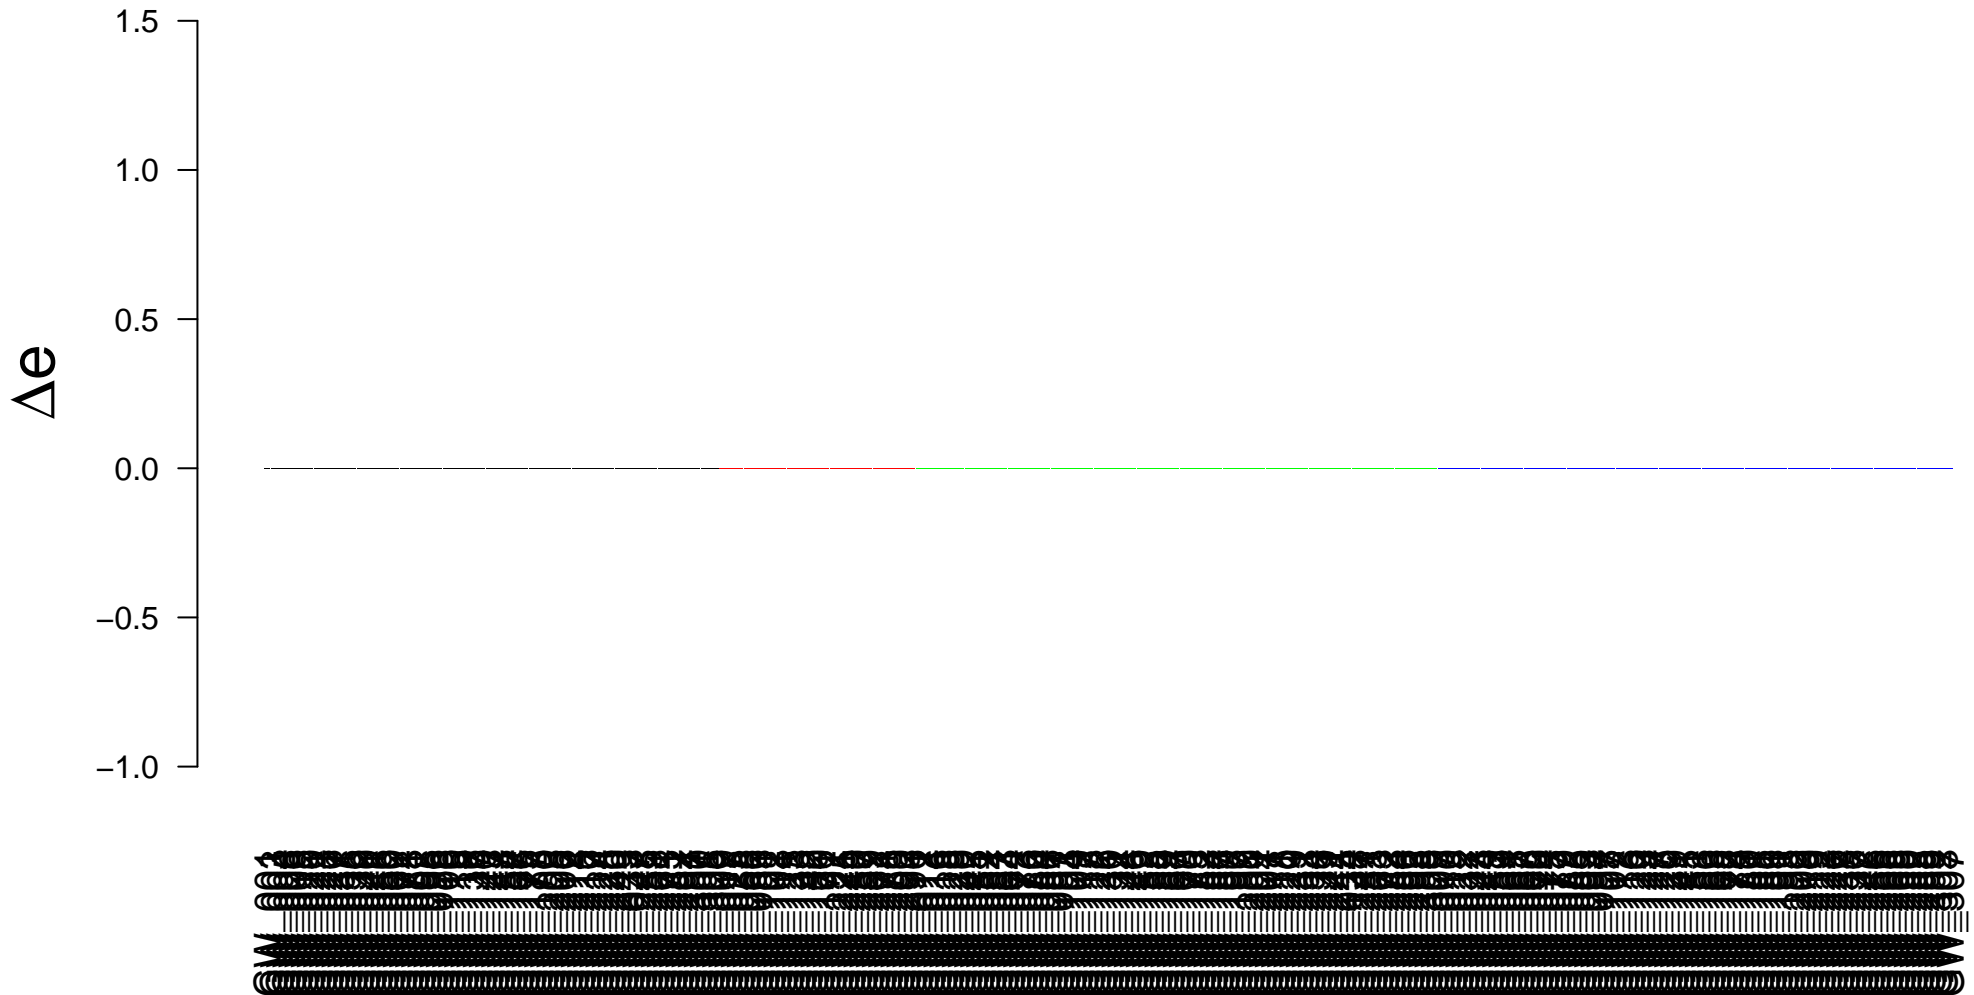

# Expression of positive regulation of receptor recycling in Spot A

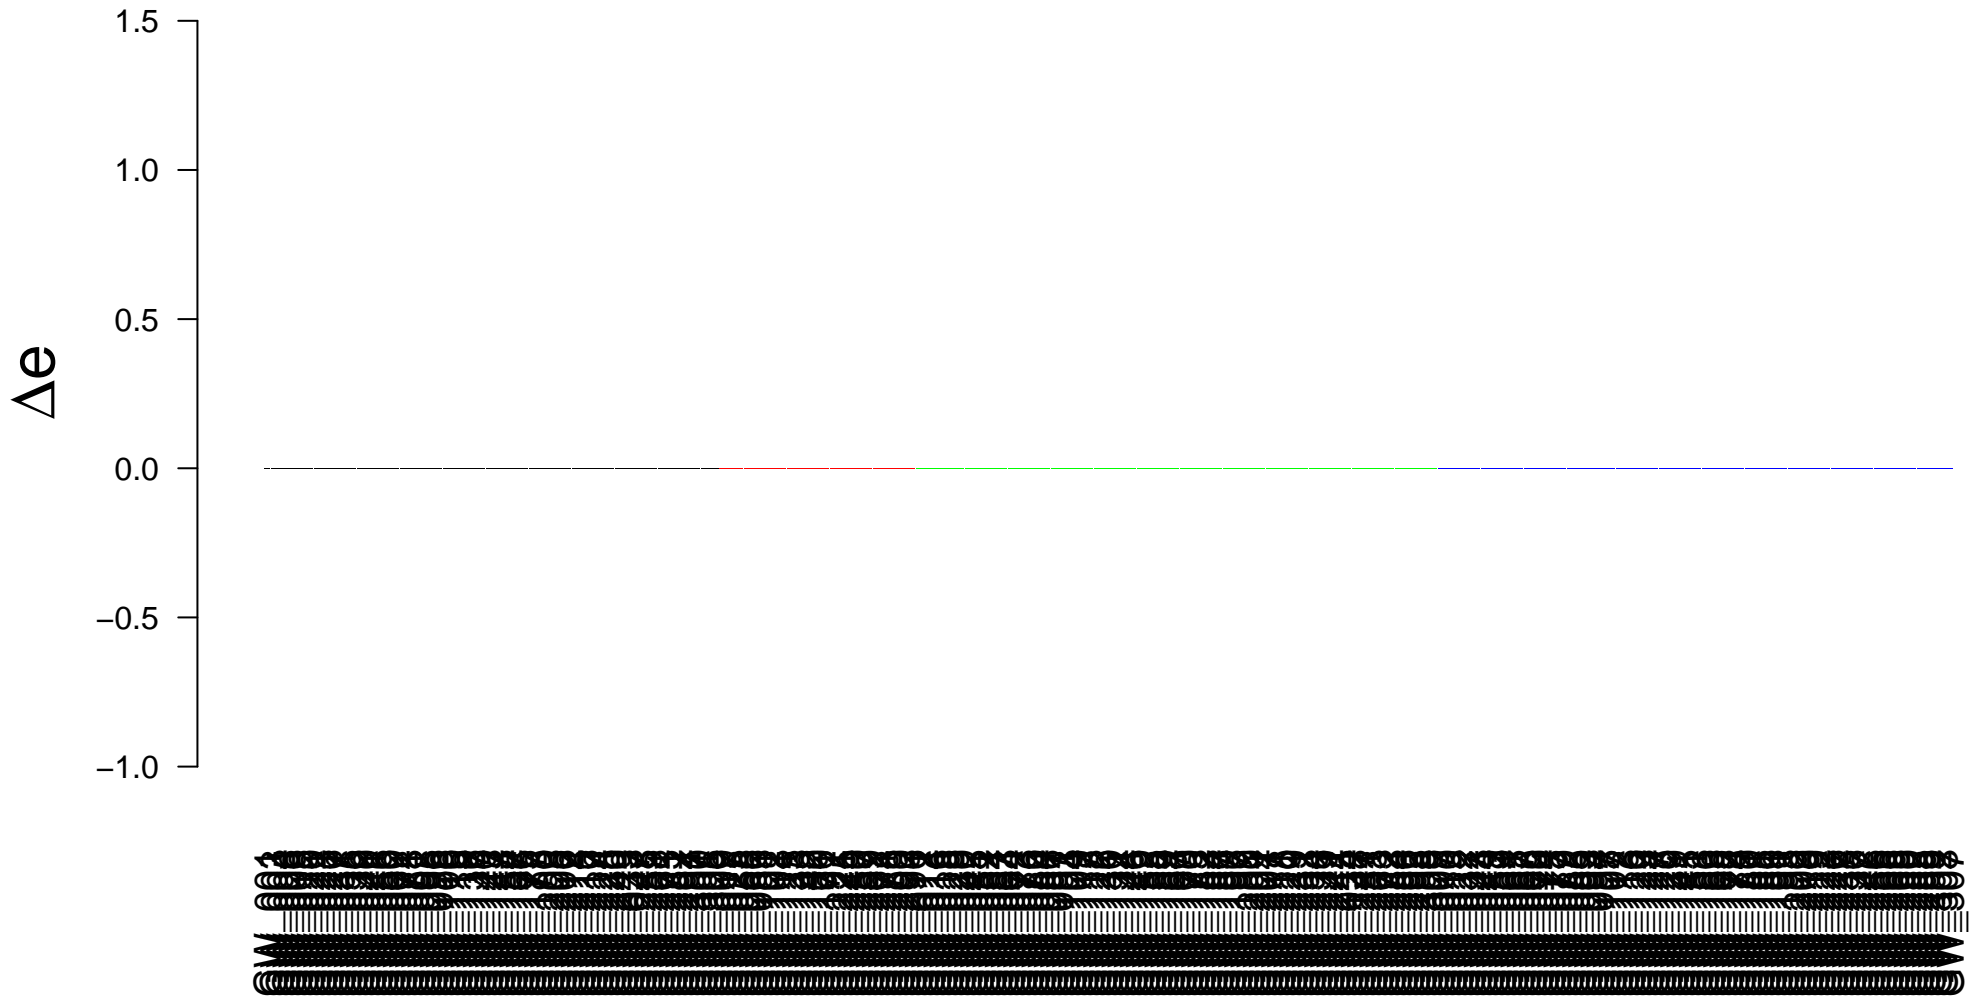

# Expression of positive regulation of receptor recycling in Spot B

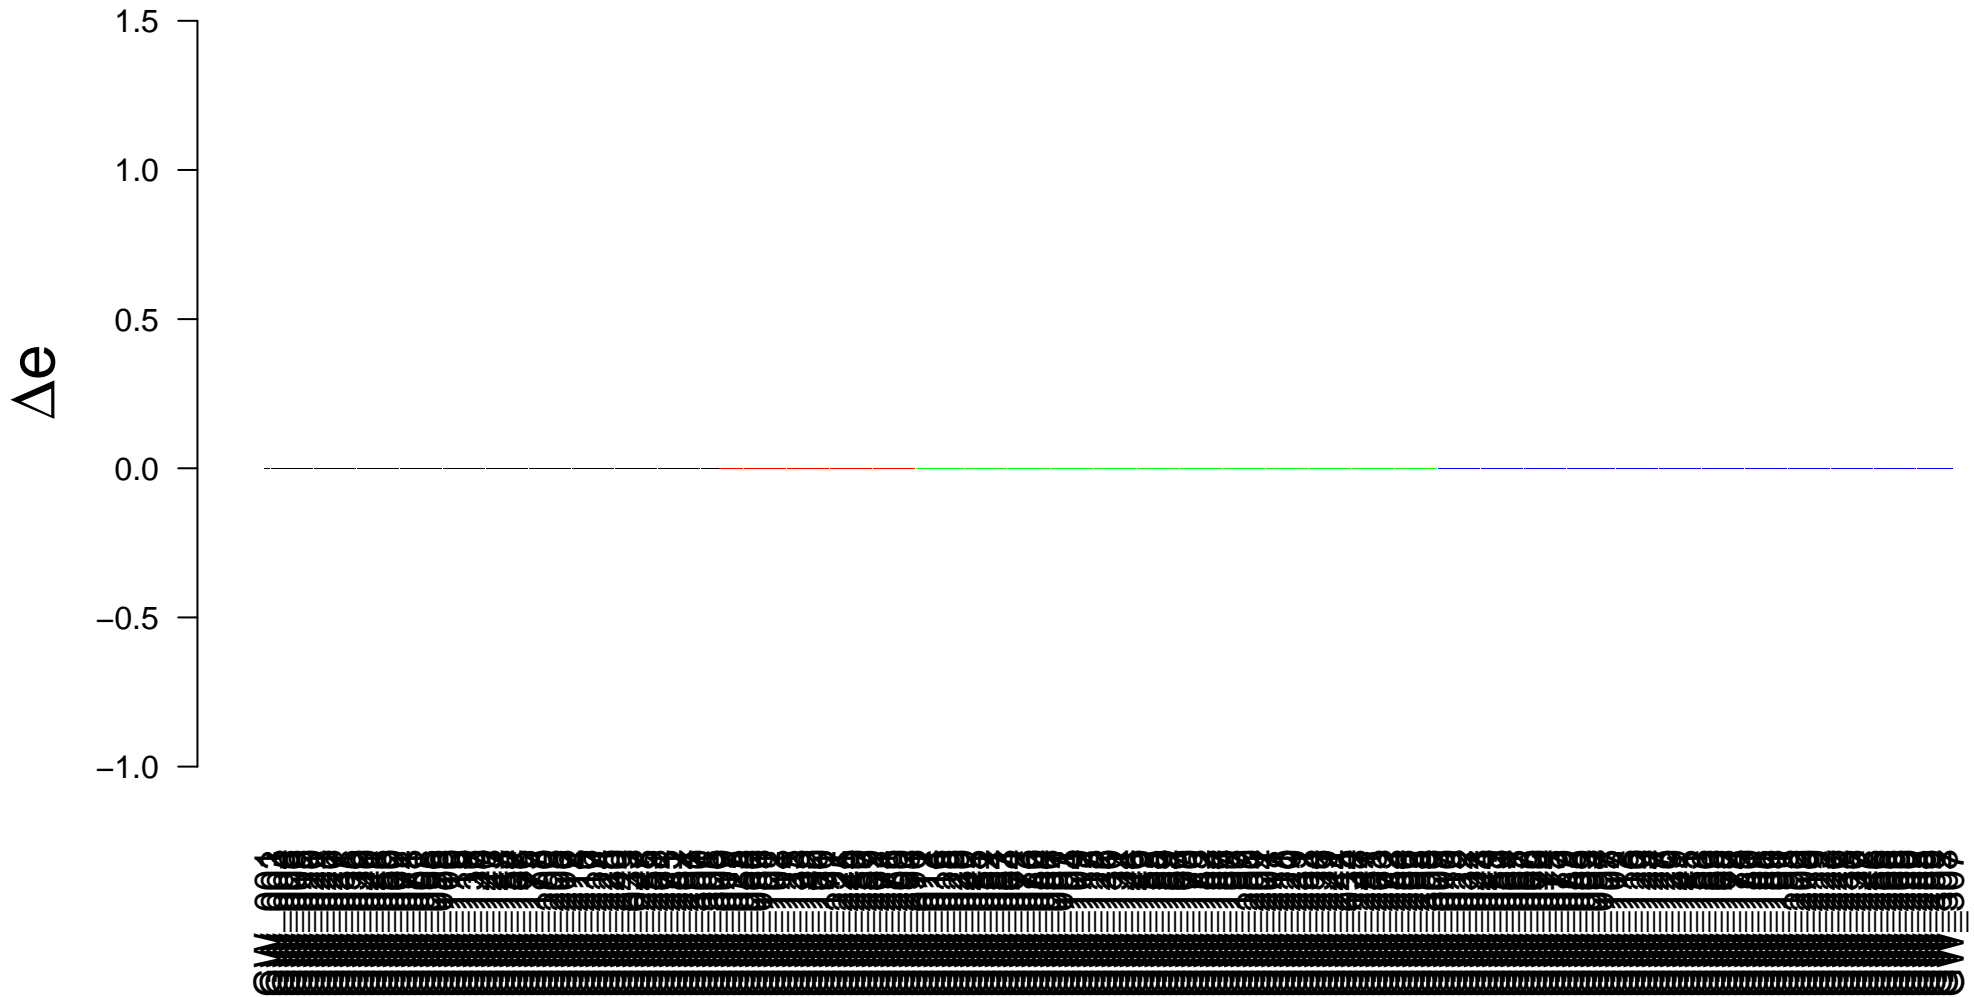

# Expression of positive regulation of receptor recycling in Spot C

# Expression of positive regulation of receptor recycling in Spot D

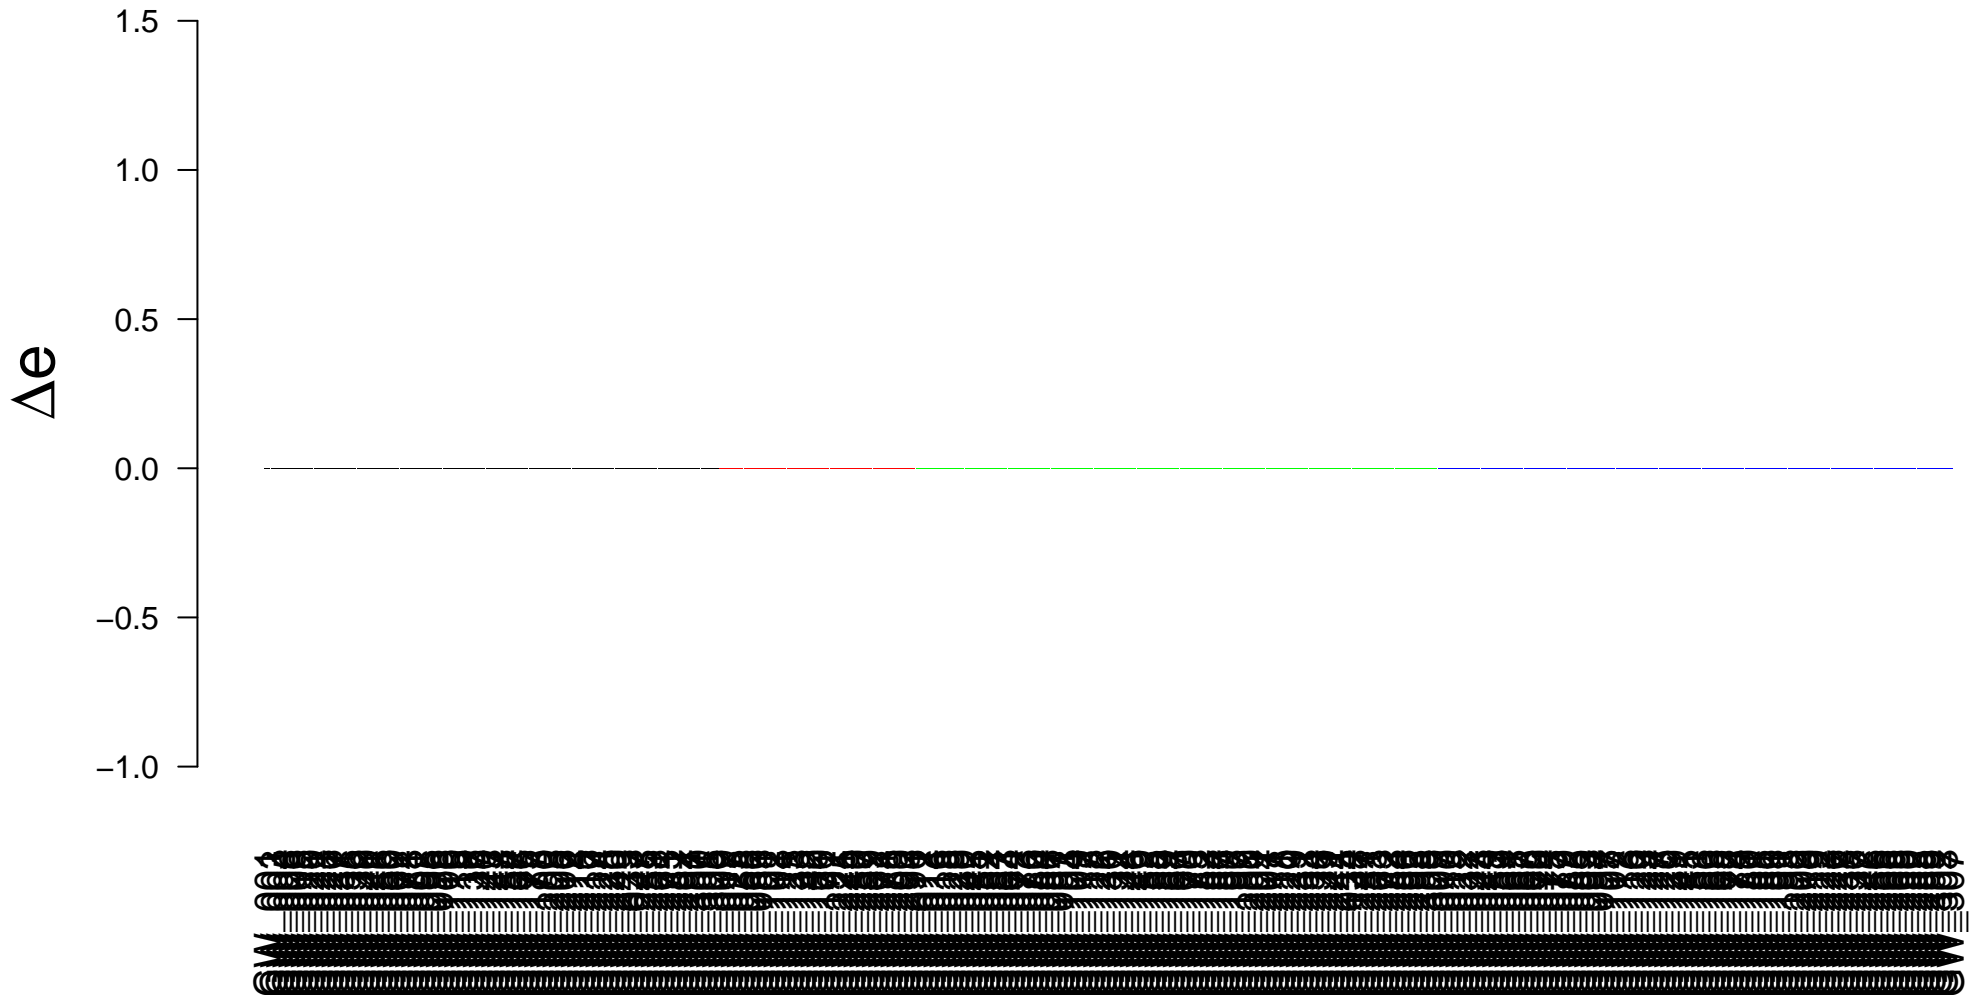

# Expression of positive regulation of receptor recycling in Spot E

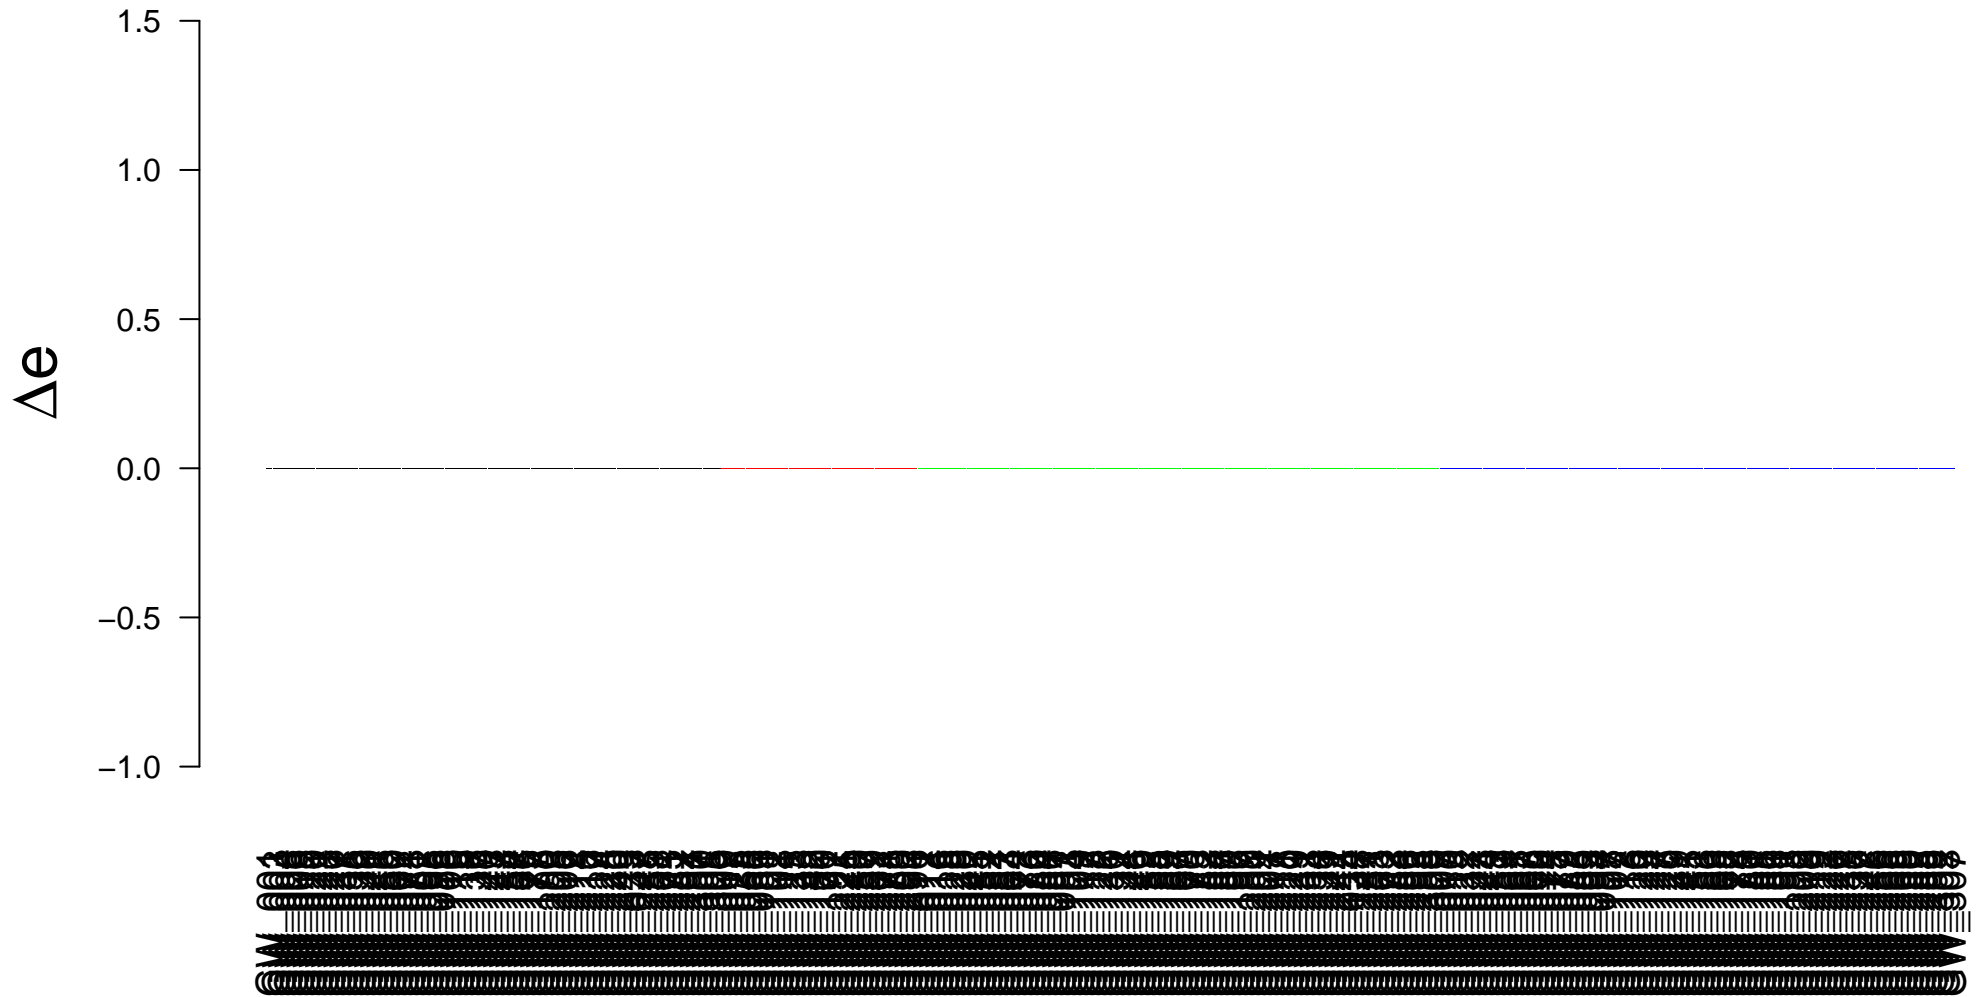

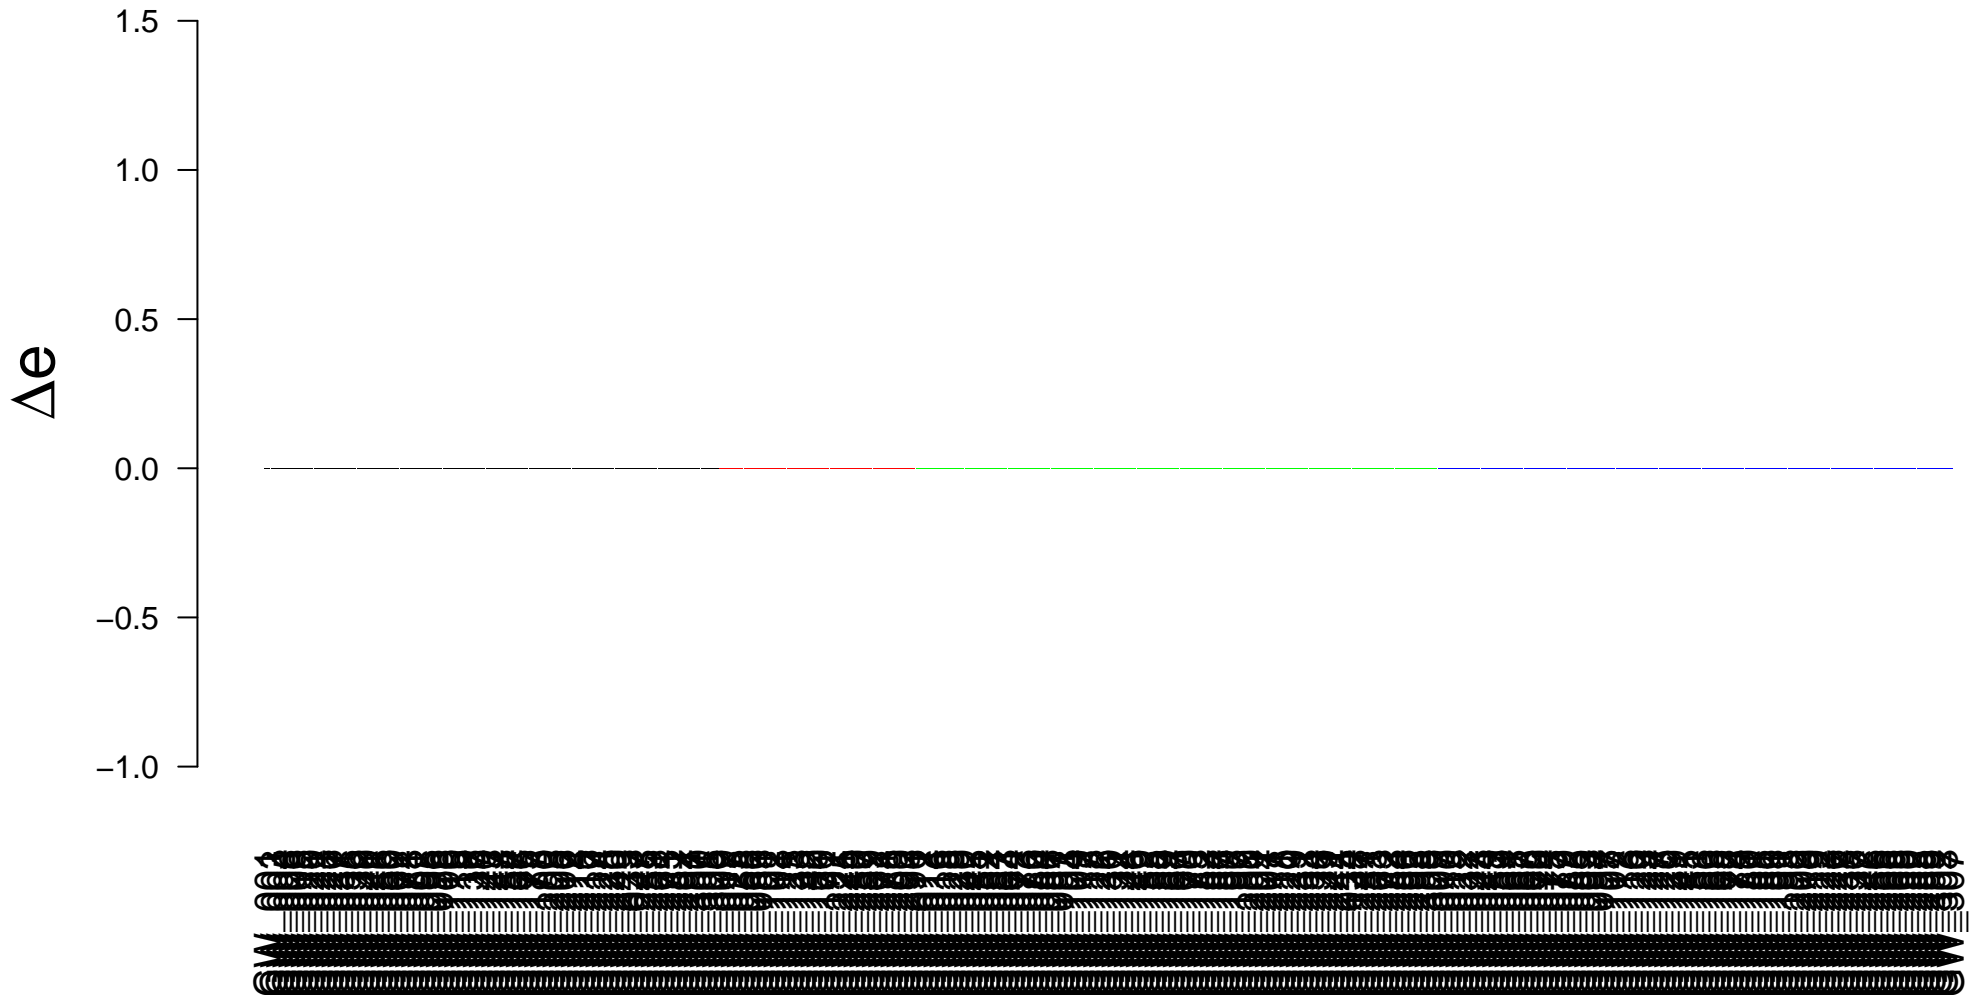

# Expression of positive regulation of receptor recycling in Spot F

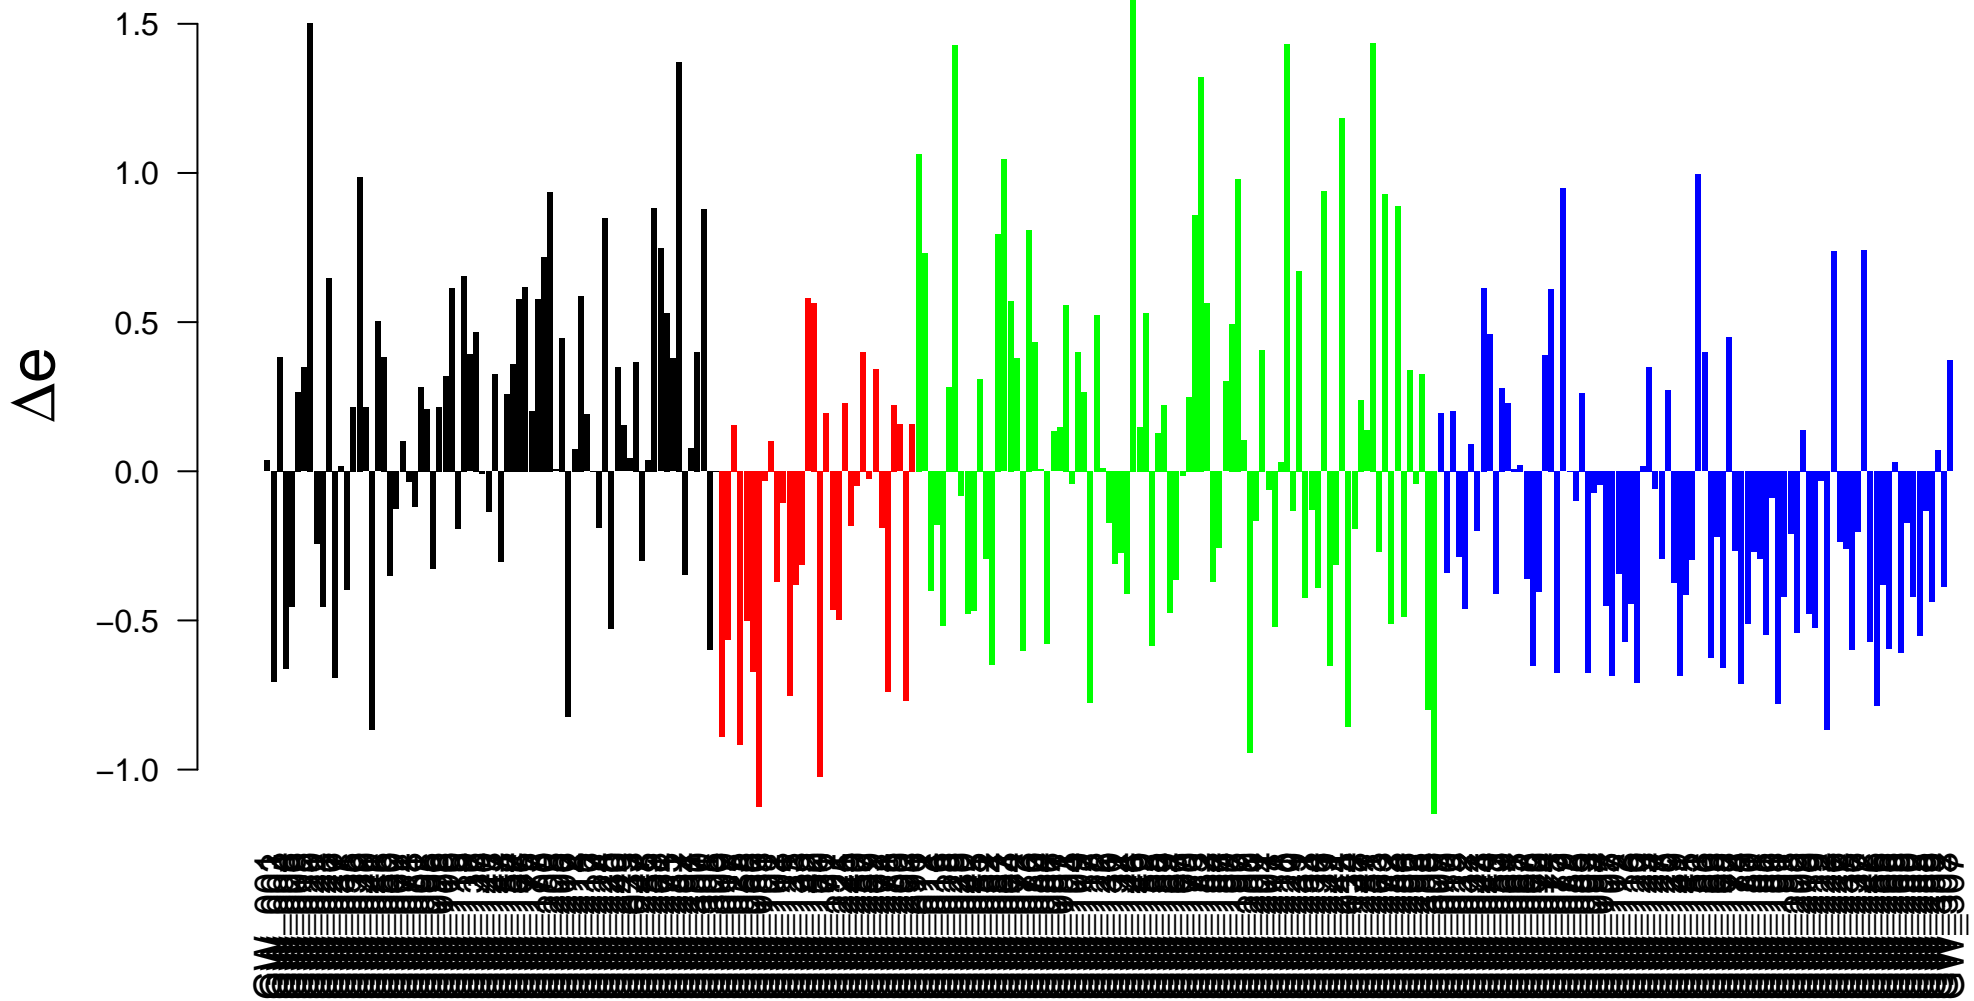

# Expression of positive regulation of receptor recycling in Spot G

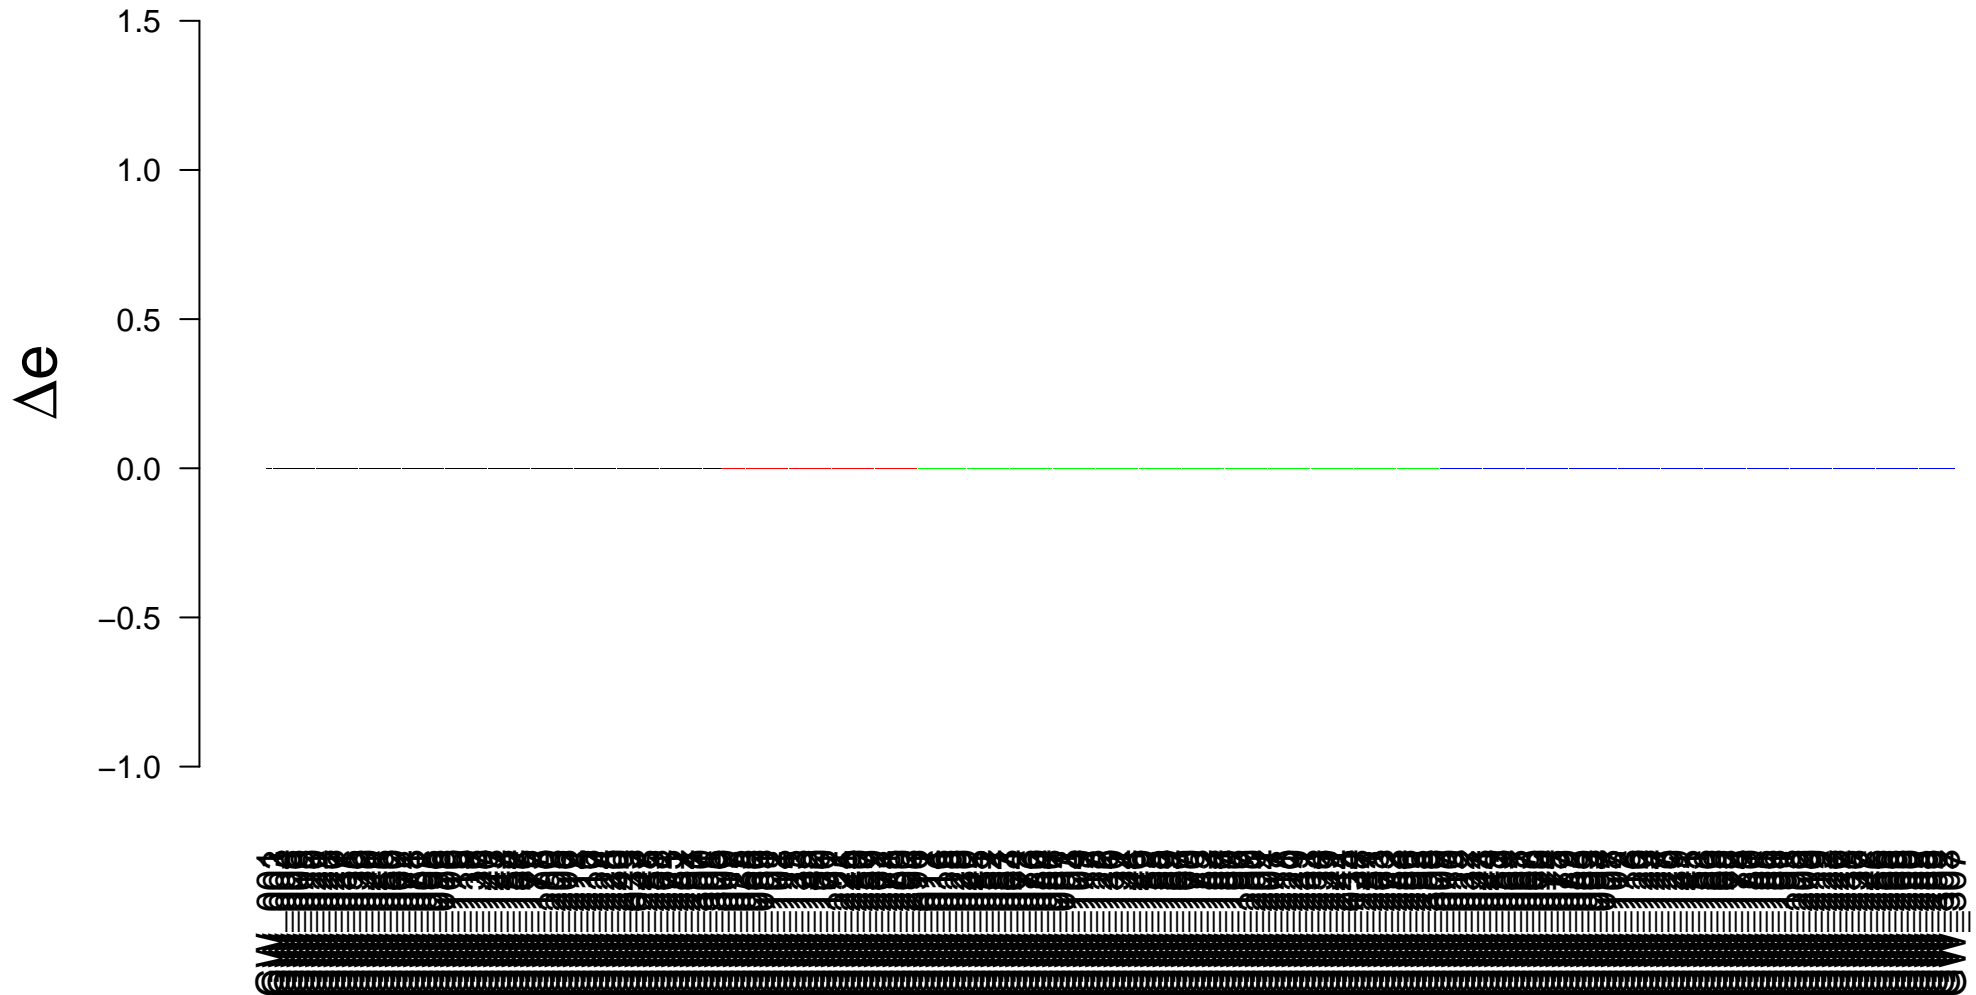

# Expression of positive regulation of receptor recycling in Spot H

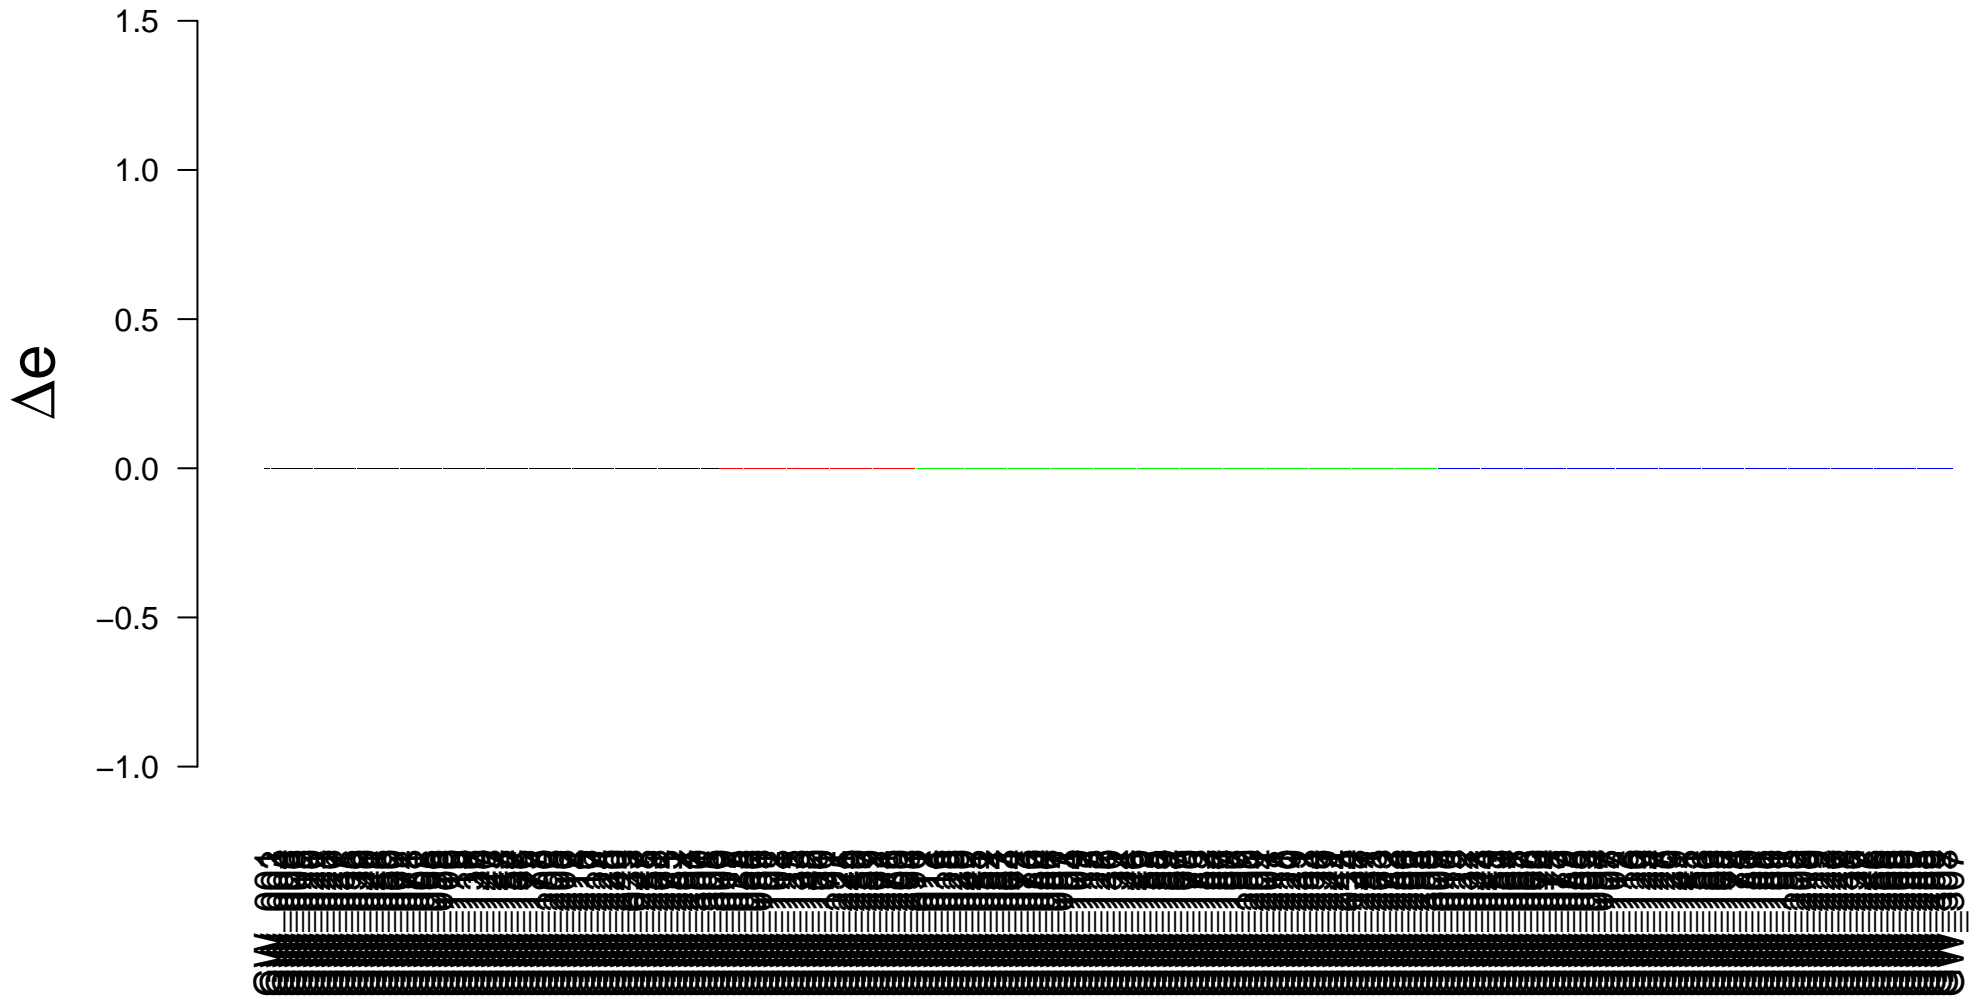

# Expression of positive regulation of receptor recycling in Spot I

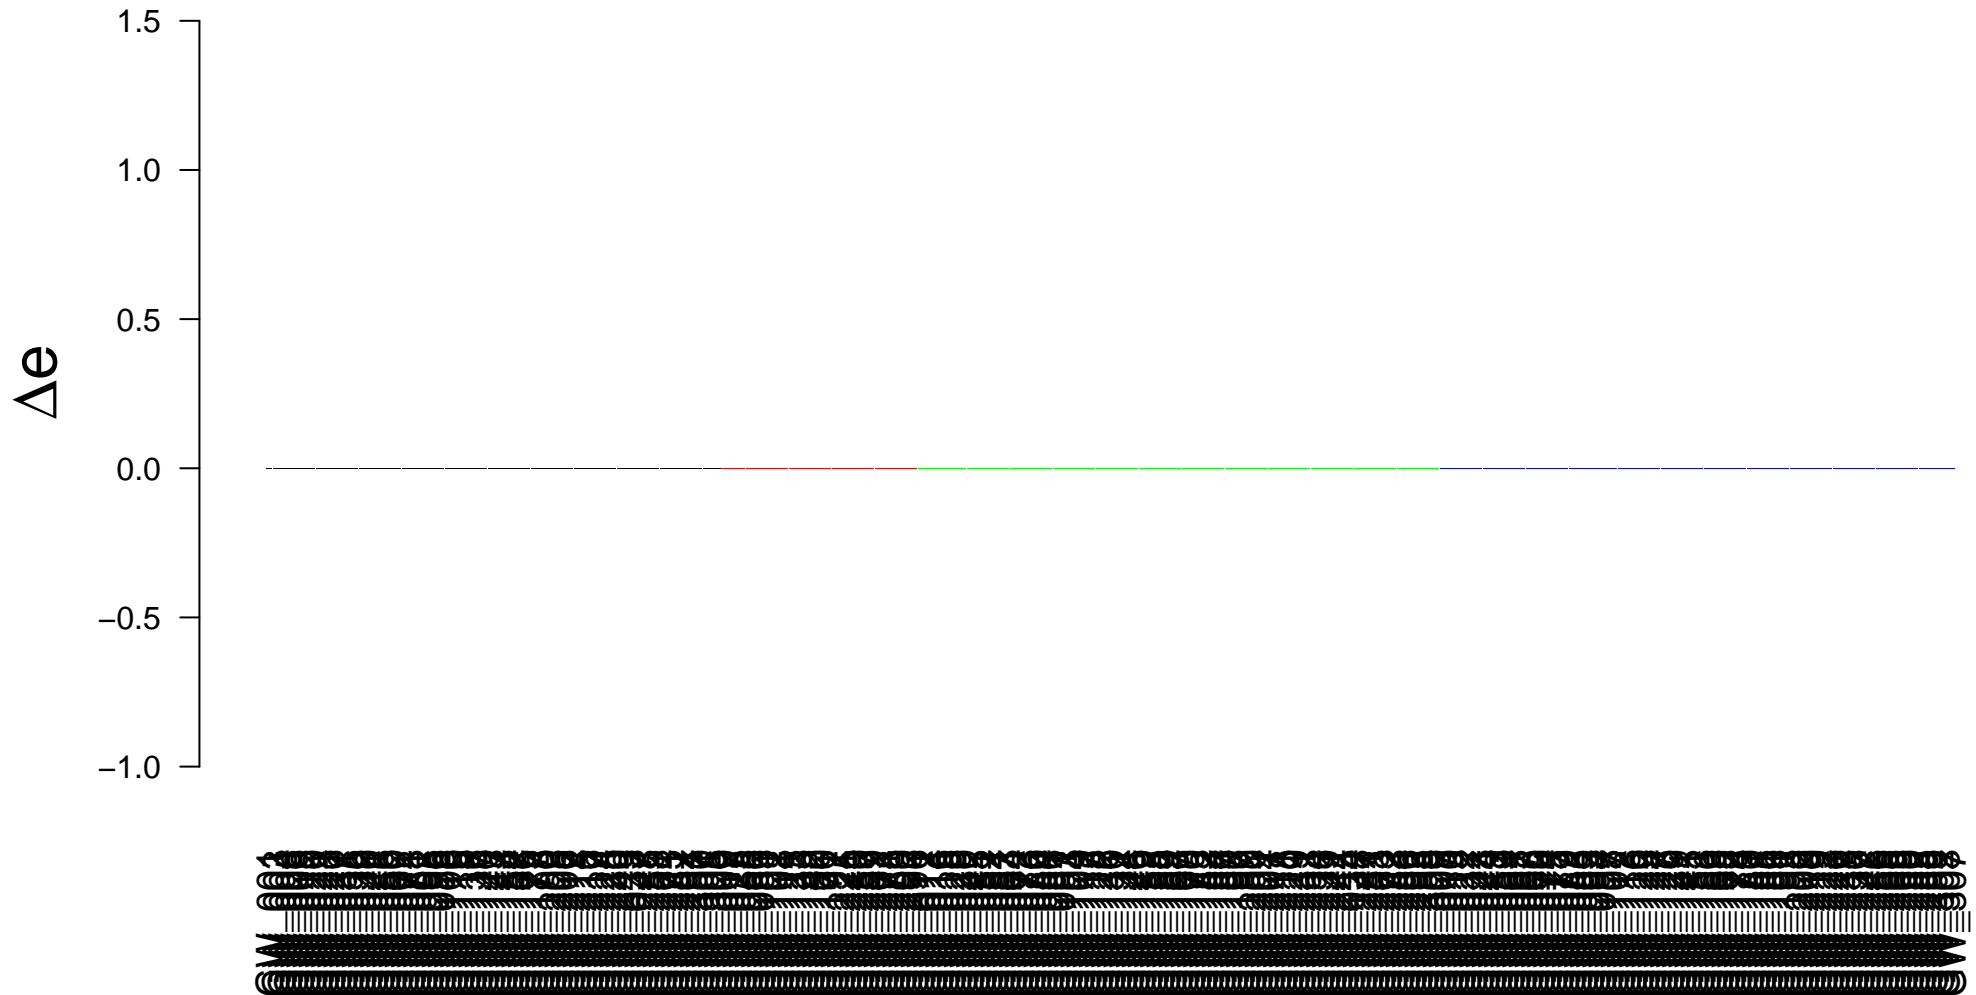

# Expression of positive regulation of receptor recycling in Spot J

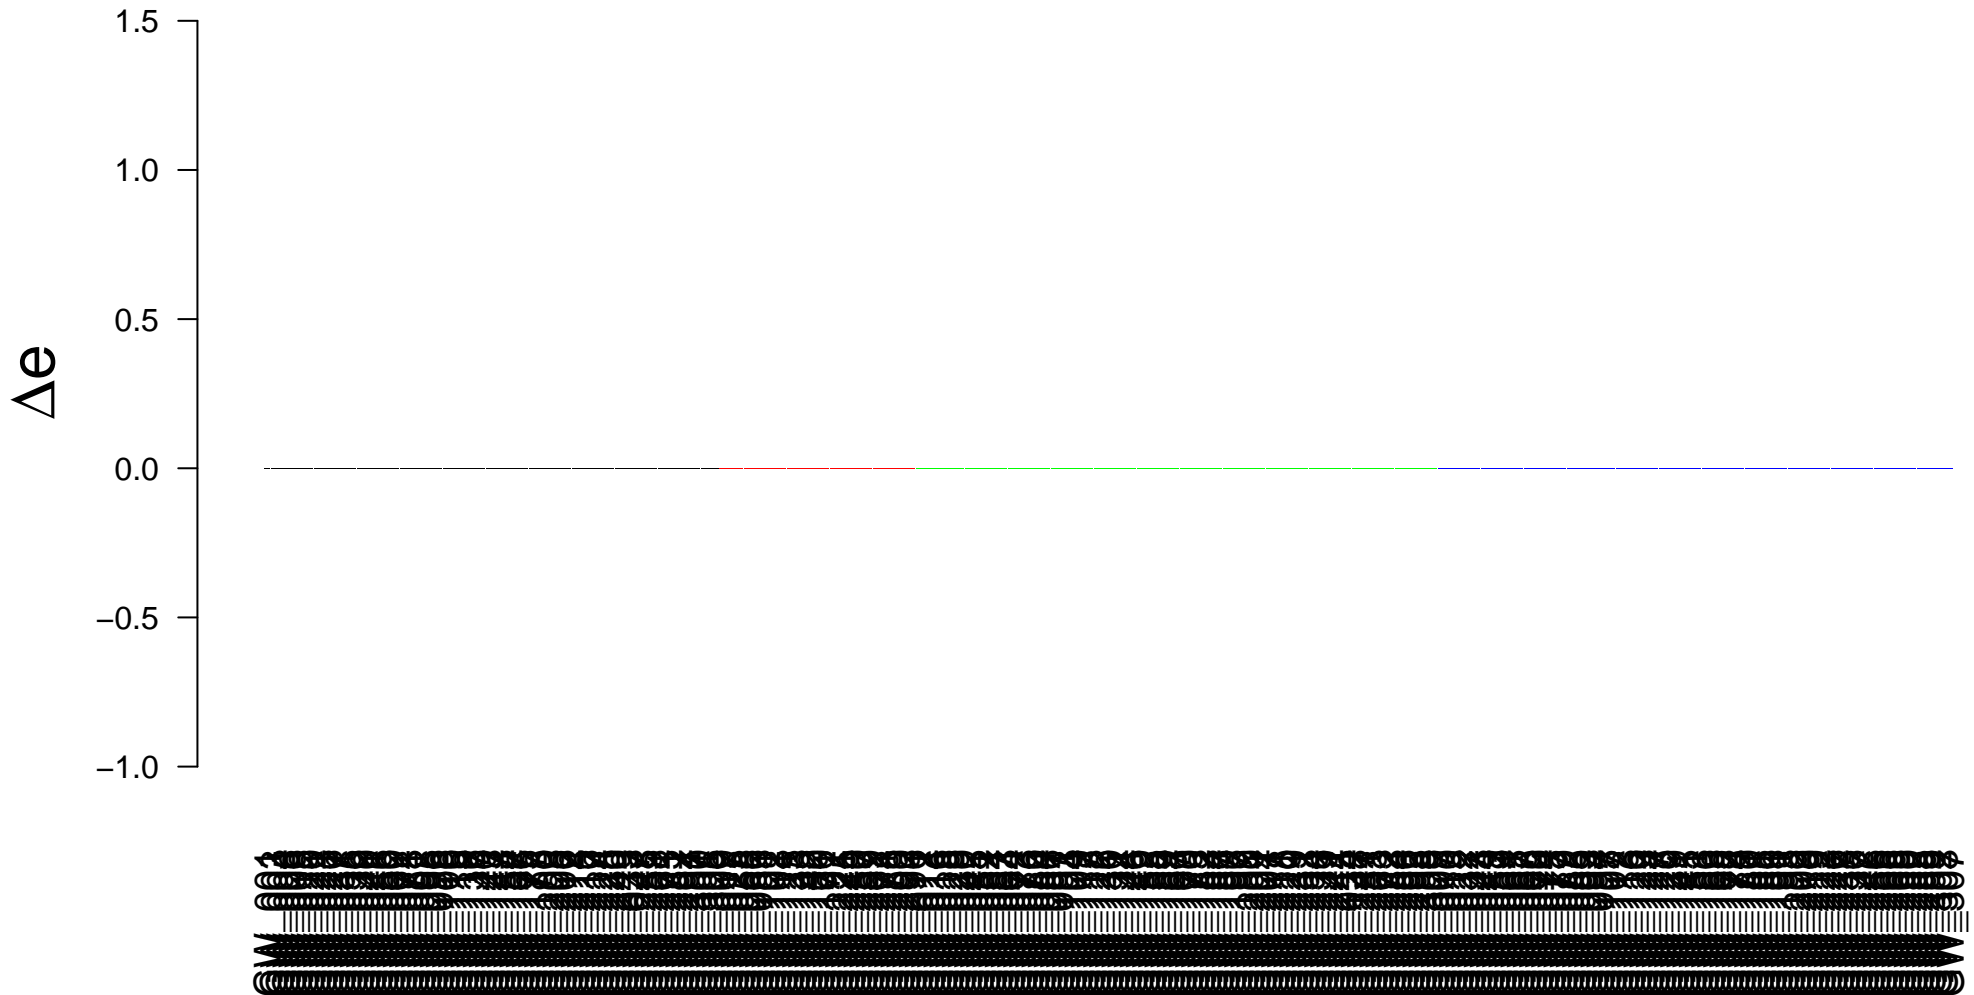

# Expression of positive regulation of receptor recycling in Spot K

# Expression of positive regulation of receptor recycling in Spot L

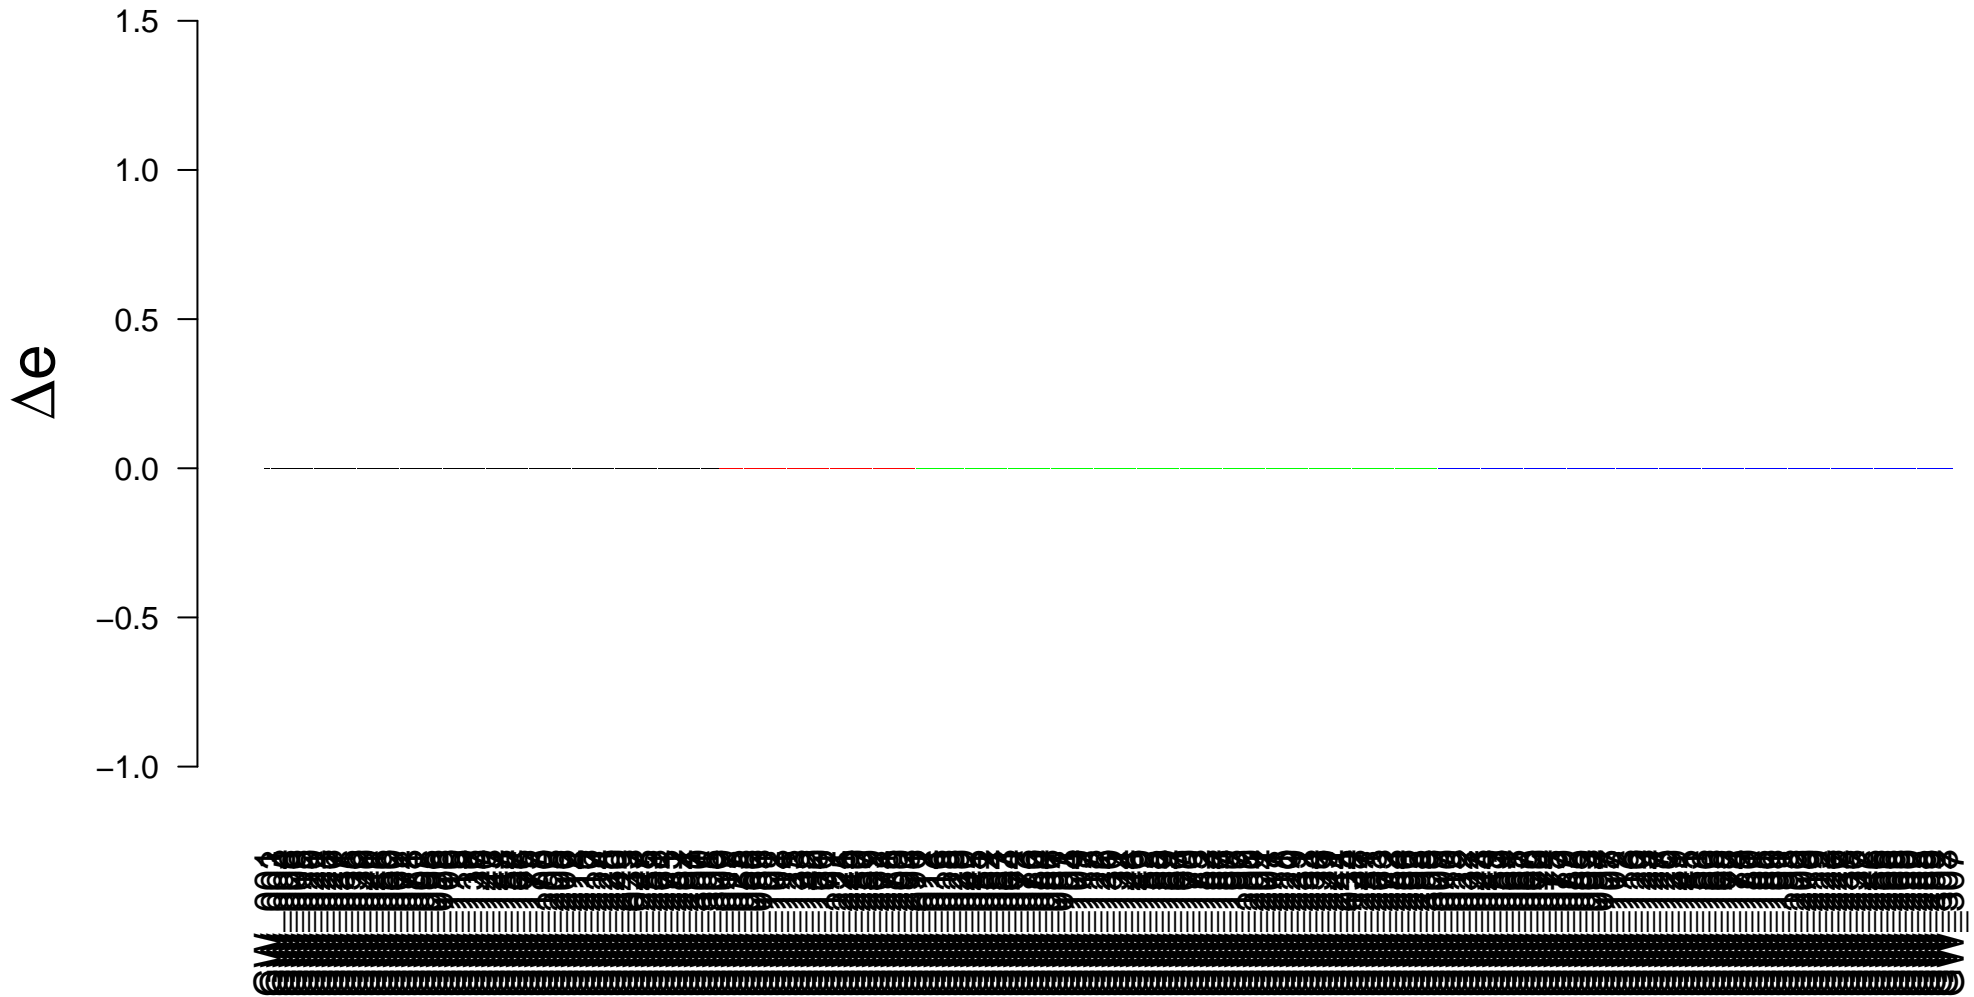

# Expression of positive regulation of receptor recycling in Spot M

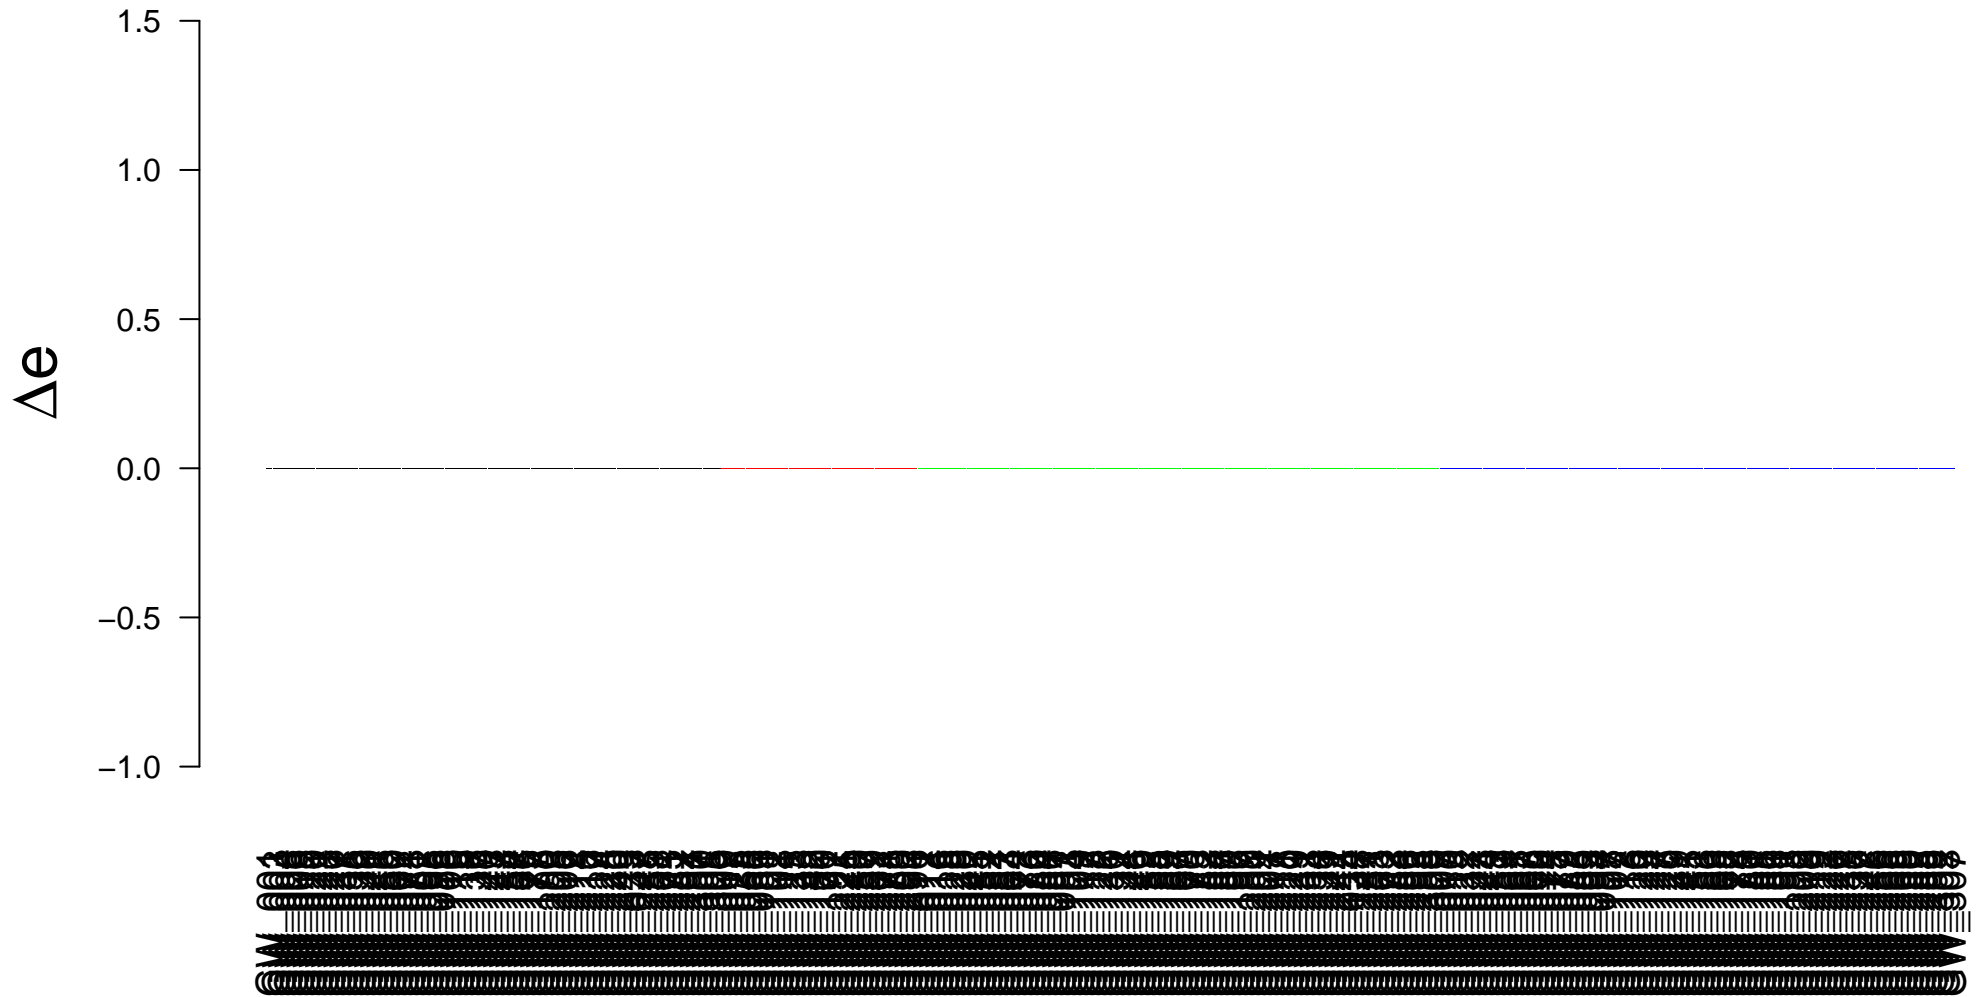

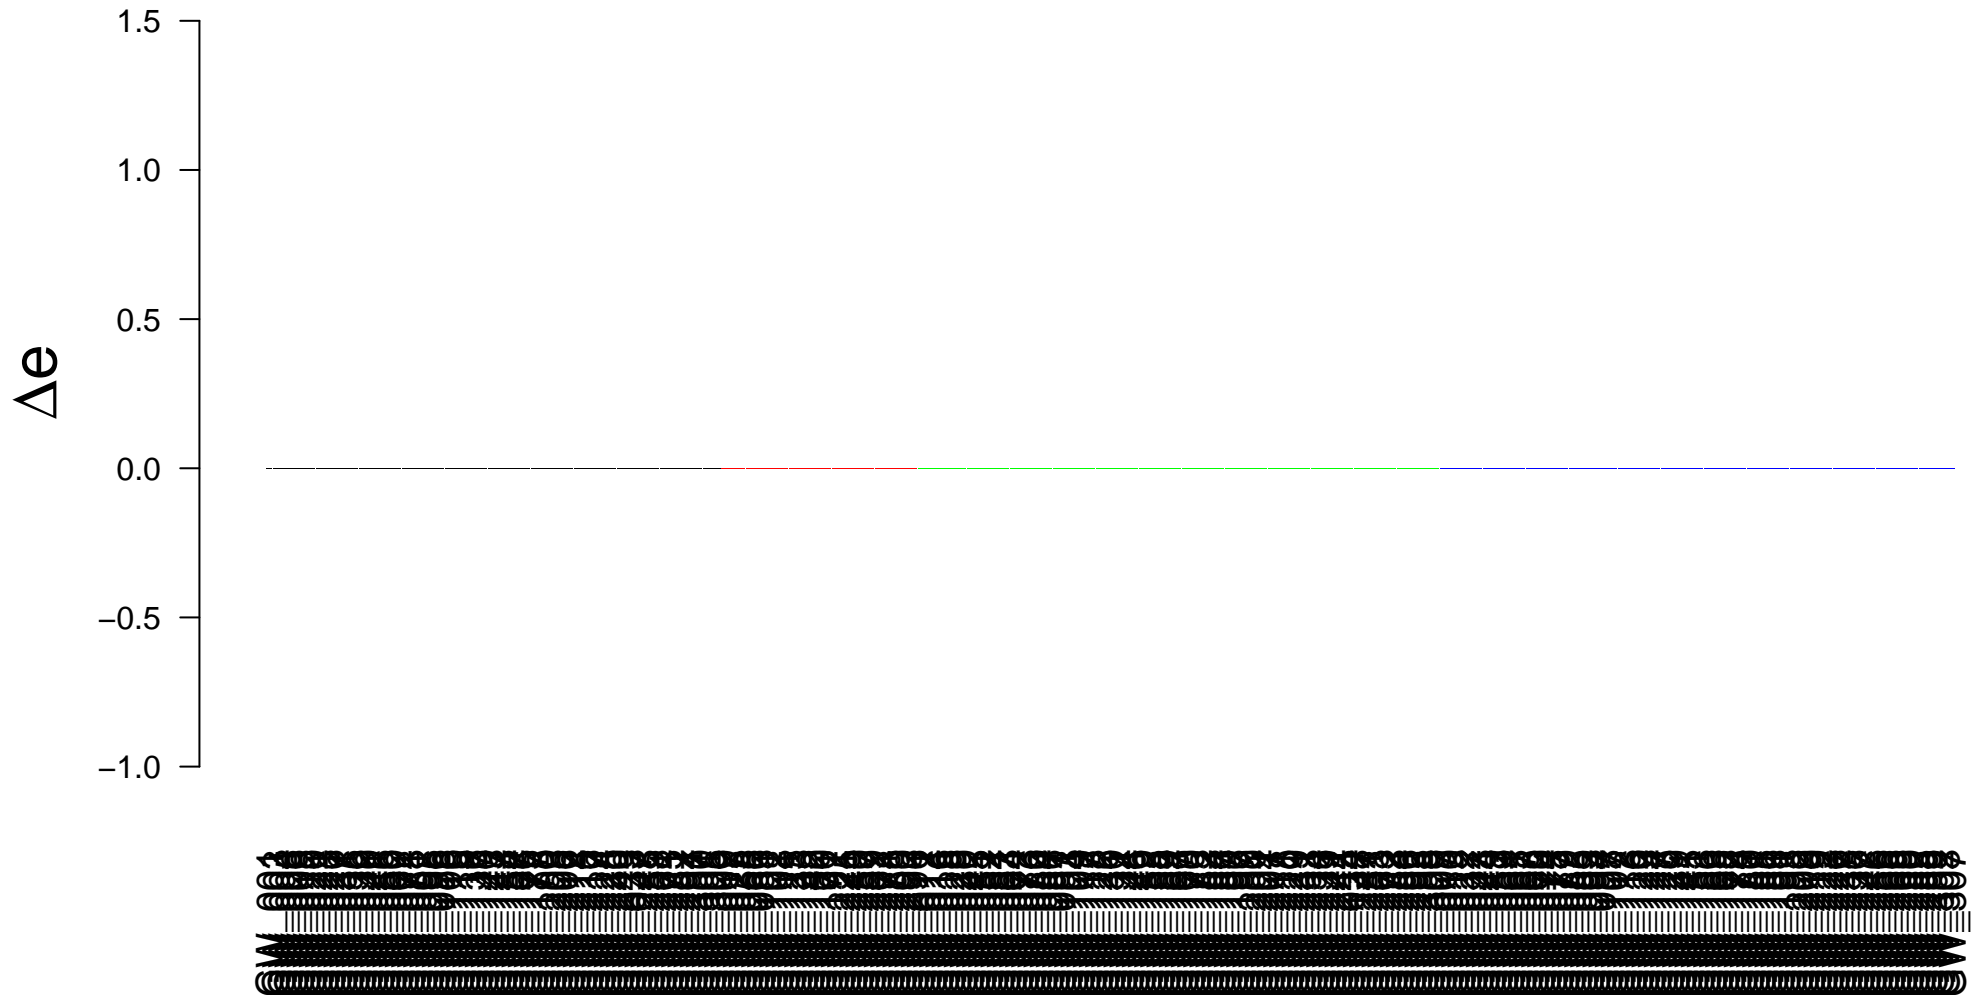

# Expression of positive regulation of receptor recycling in Spot N

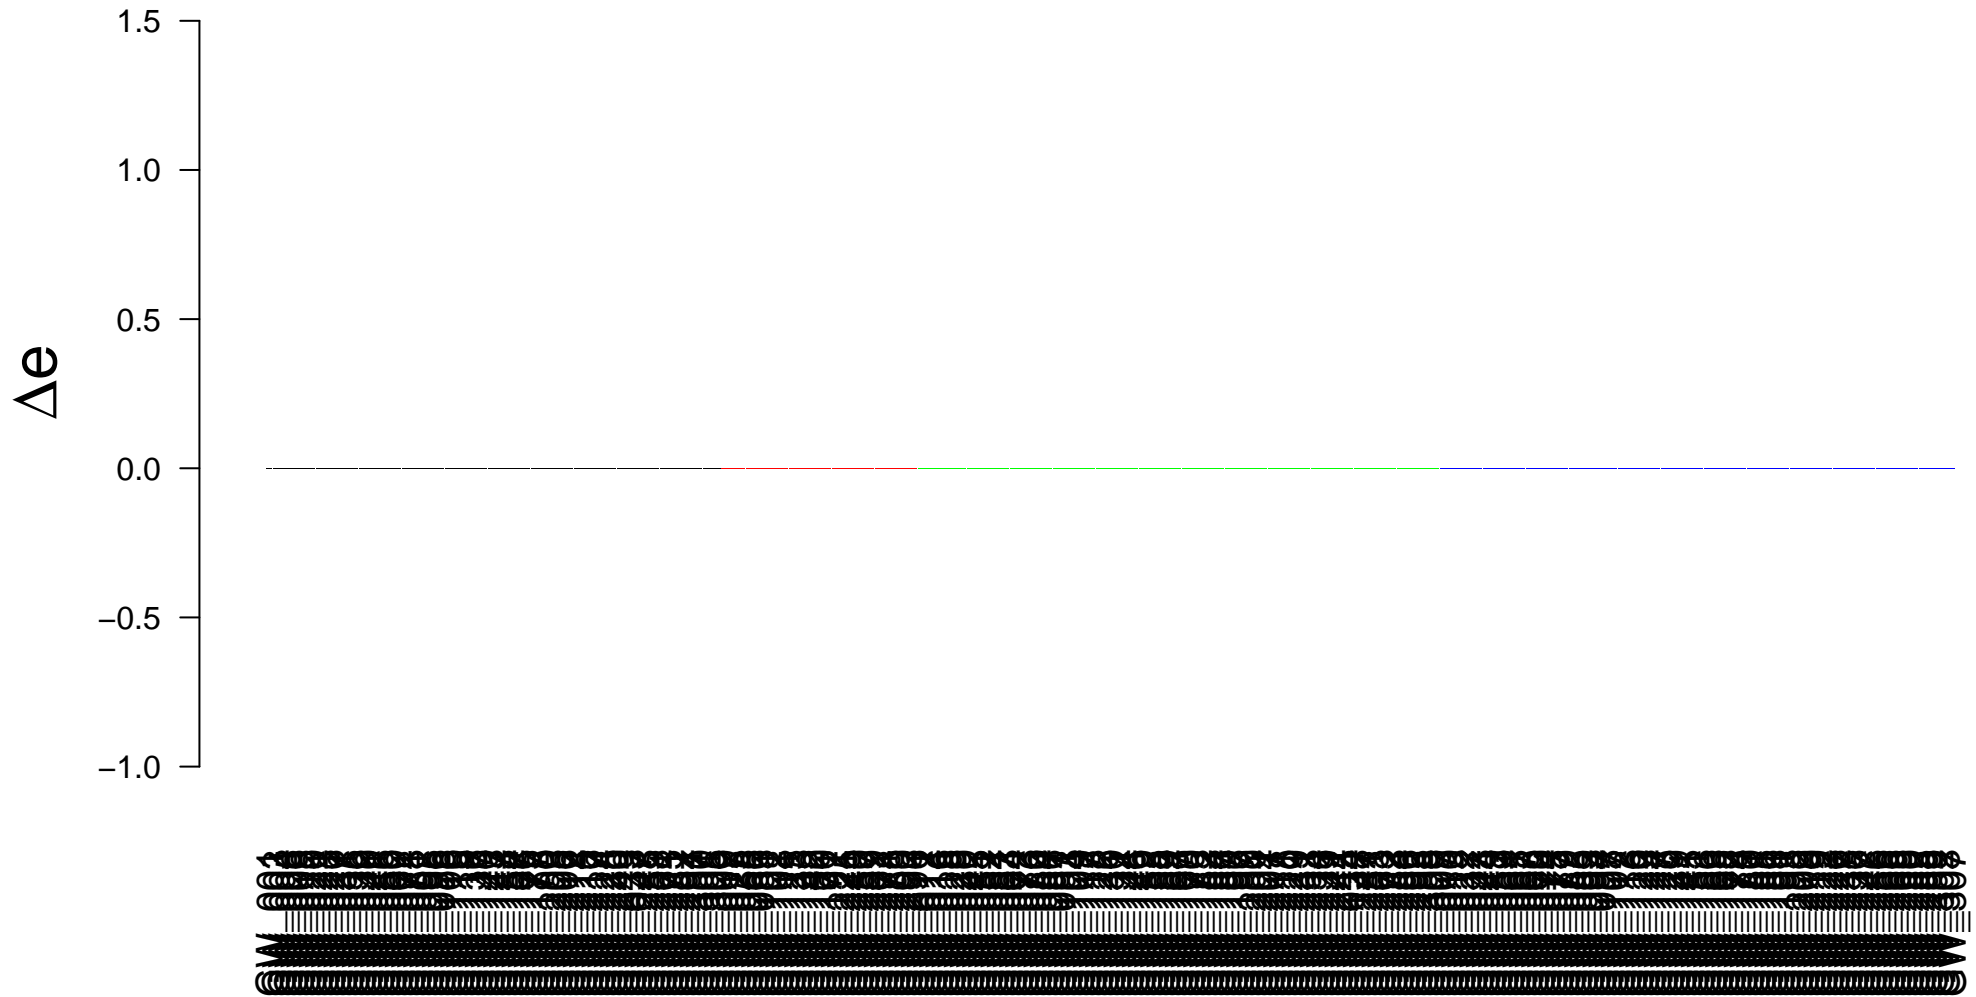

# Expression of positive regulation of receptor recycling in Spot O

# Expression of positive regulation of receptor recycling in Spot P

# Expression of positive regulation of receptor recycling in Spot Q

# Expression of positive regulation of receptor recycling in Spot R
