

positive regulation of synaptic transmission, glutamatergic

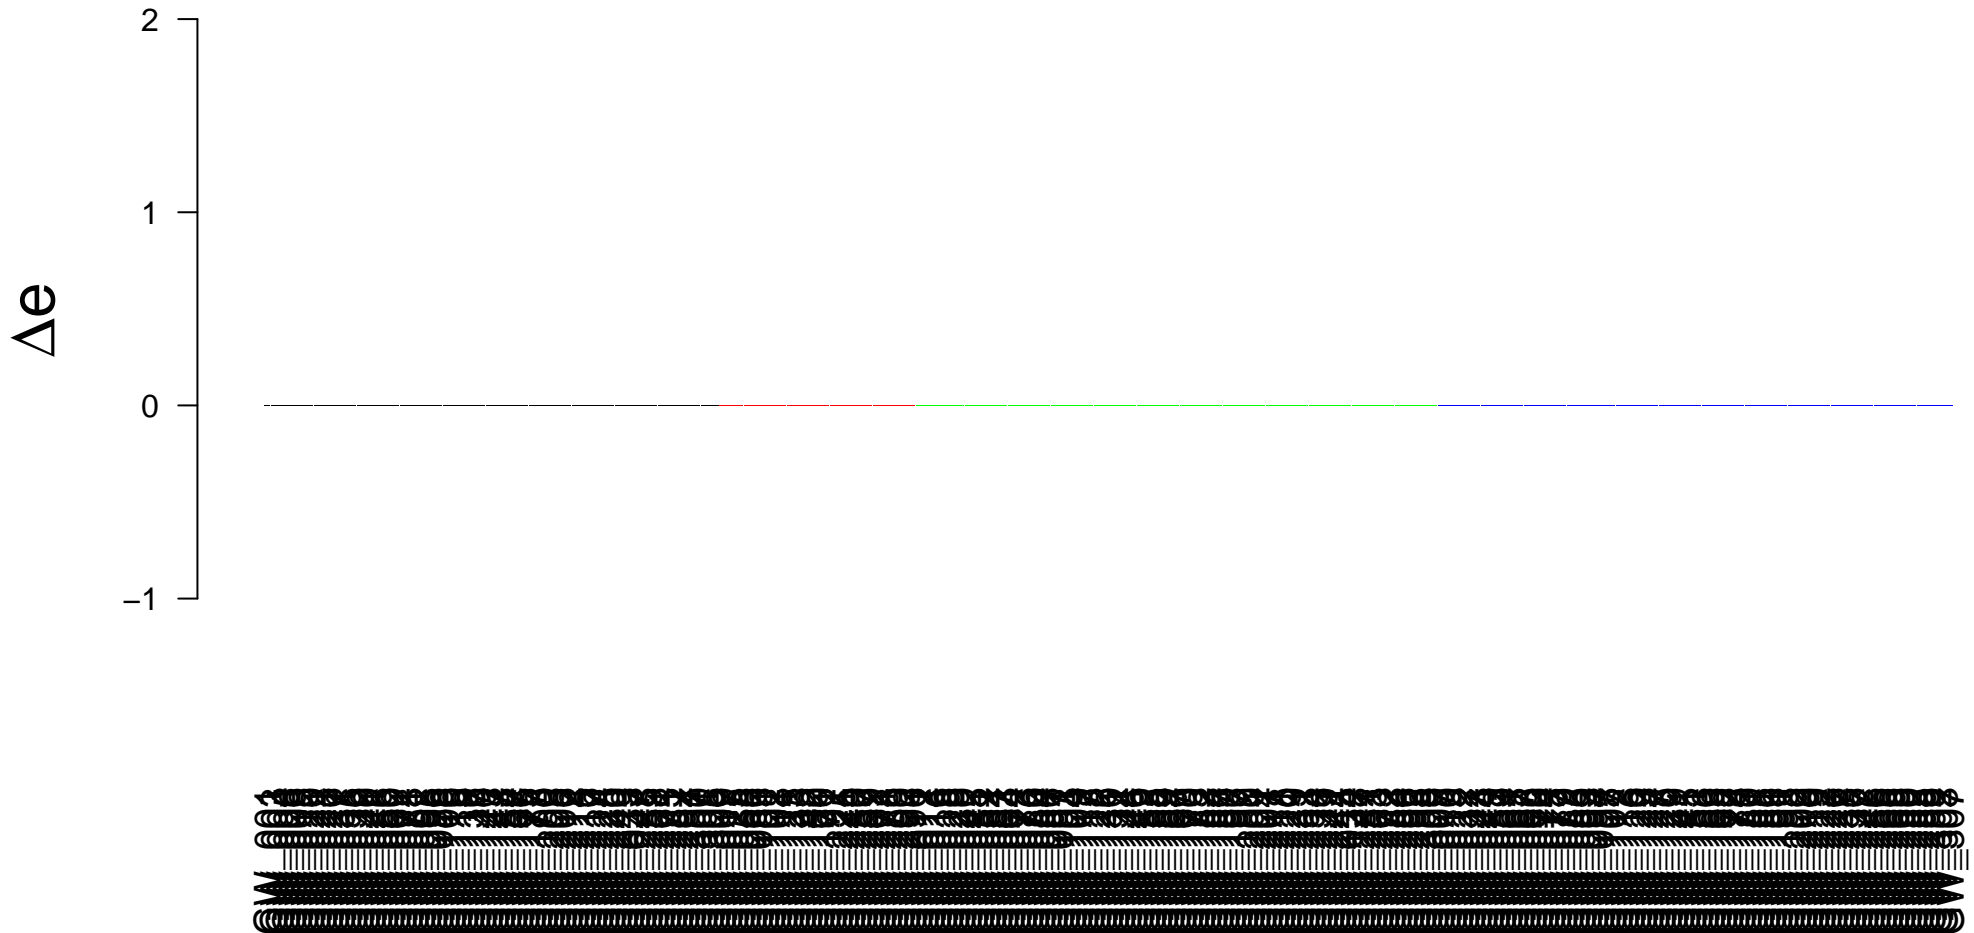

positive regulation of synaptic transmission, glutamatergic

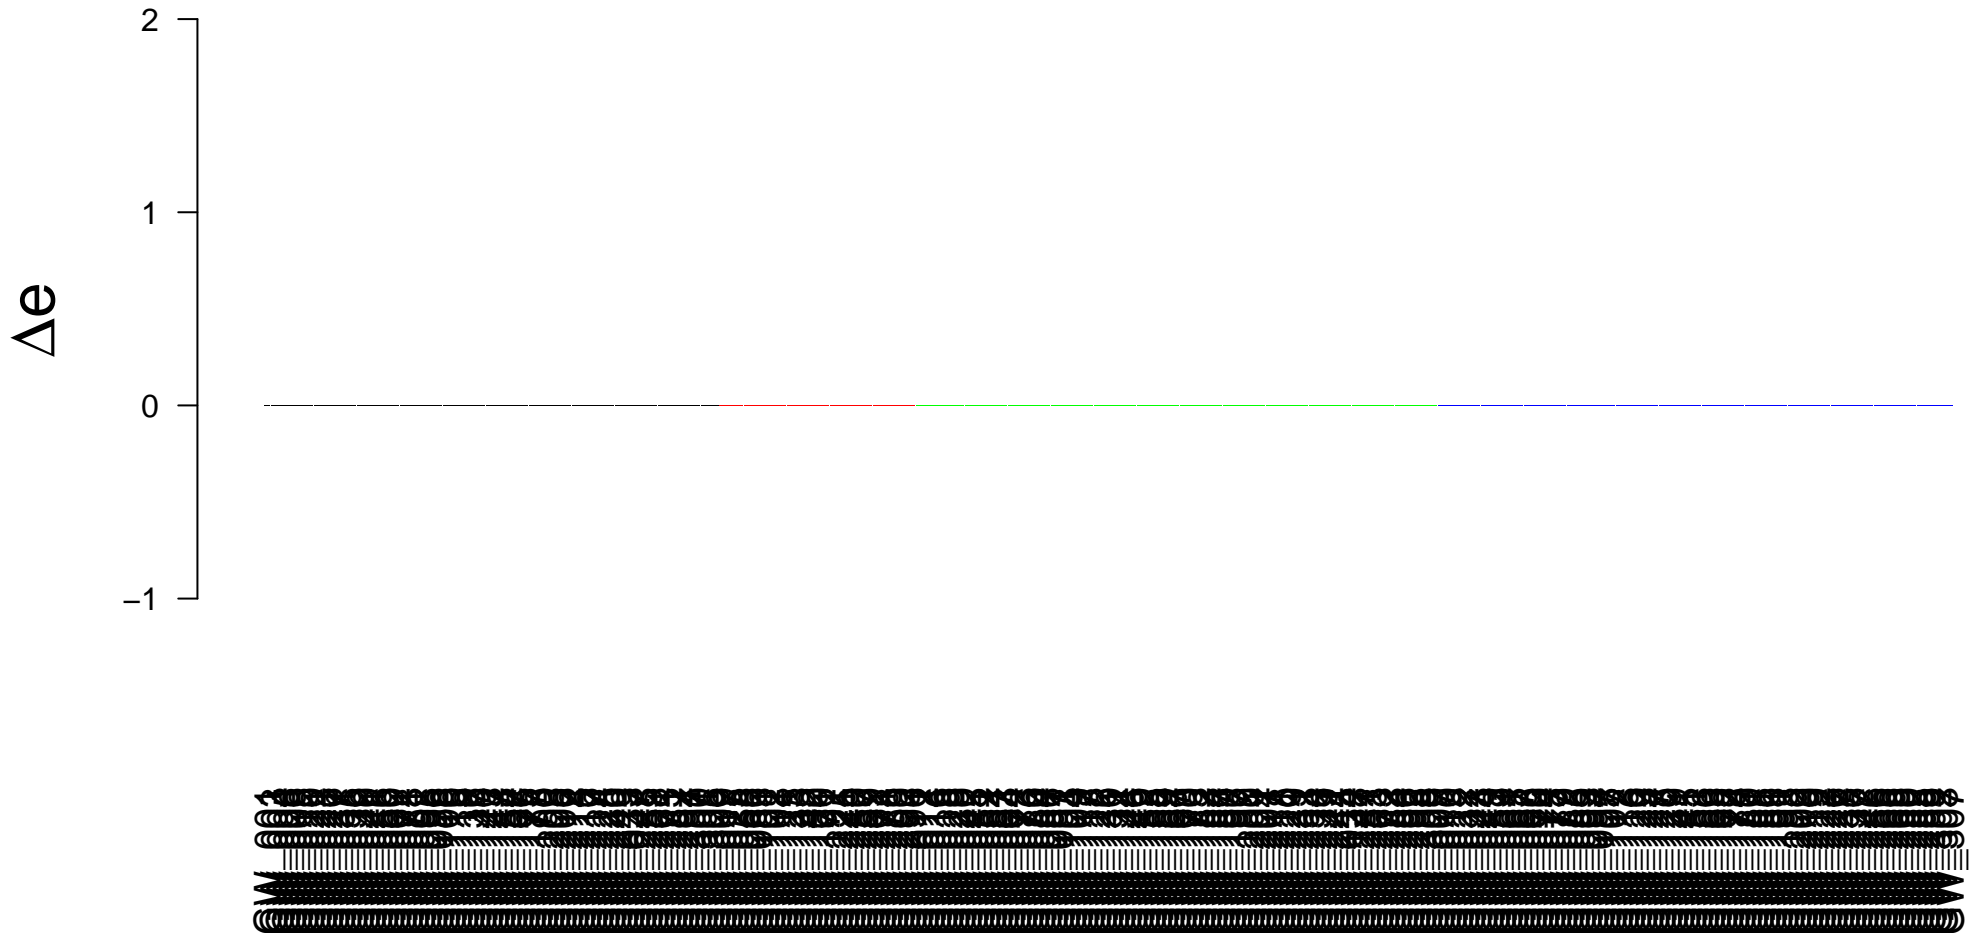

# Enrichment in spots: positive regulation of synaptic transmission, glutamatergic

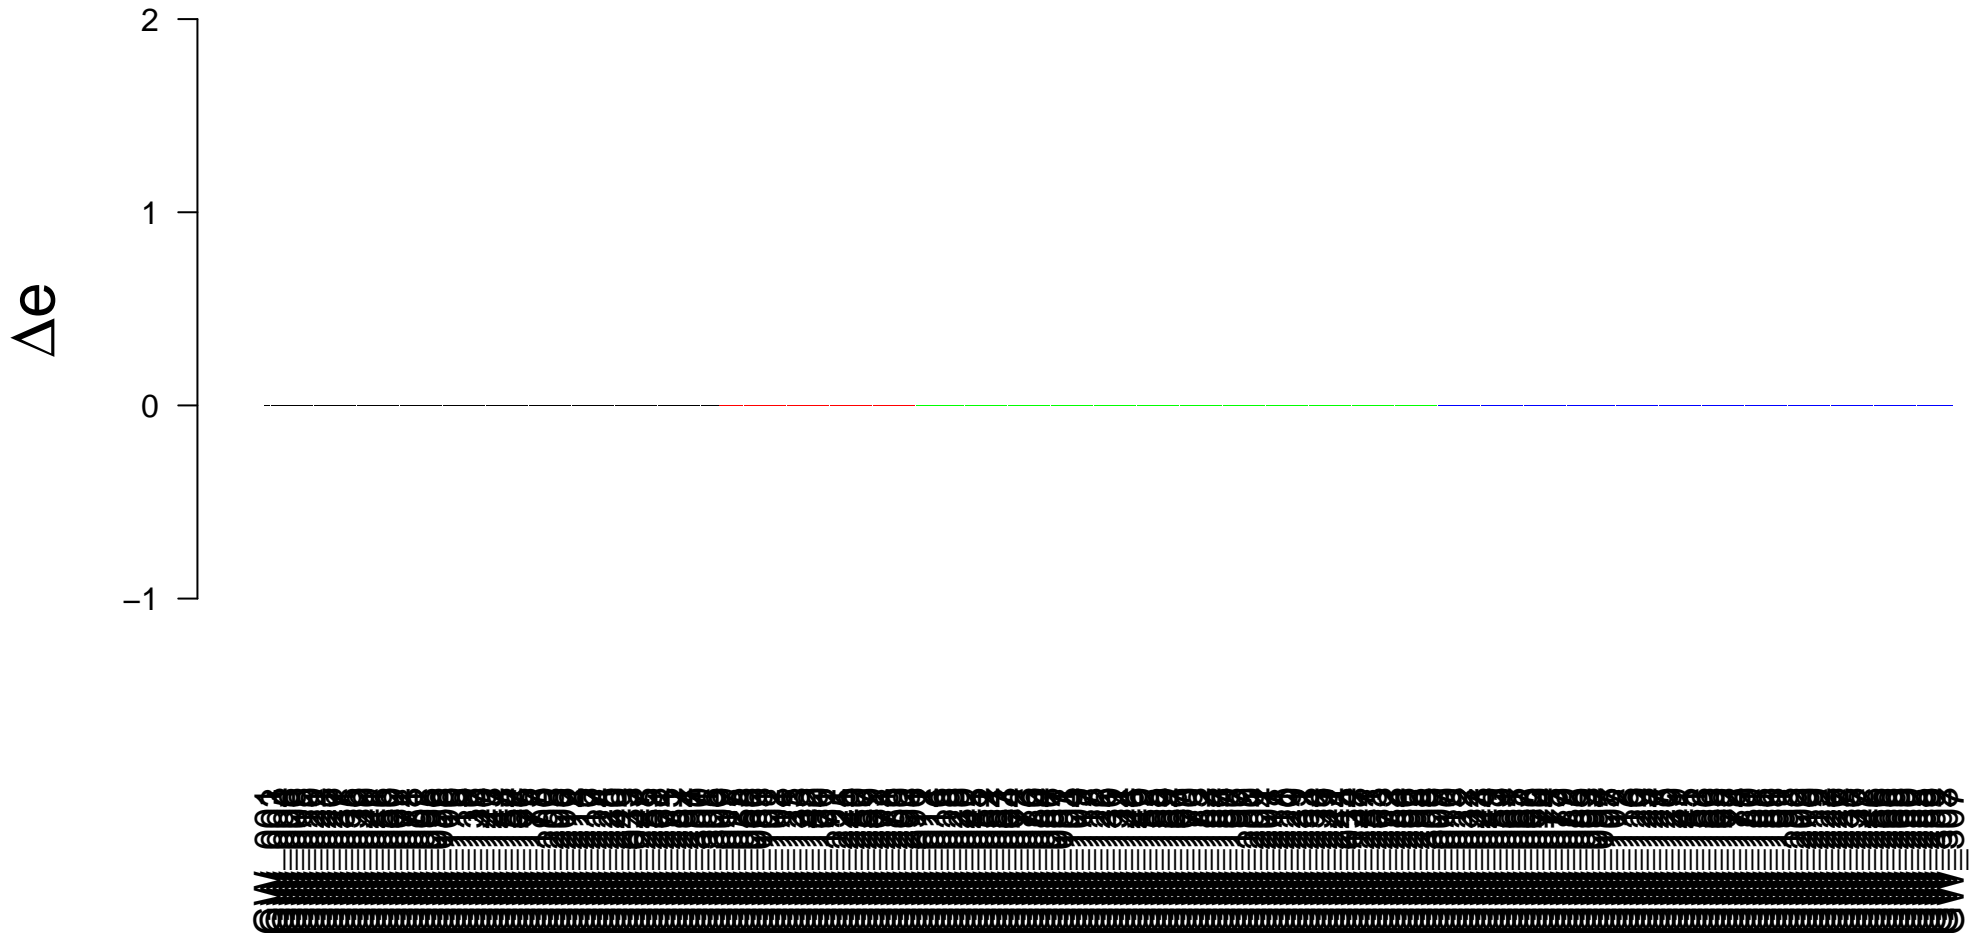

# Expression of positive regulation of synaptic transmission, glutamatergic in Spot A

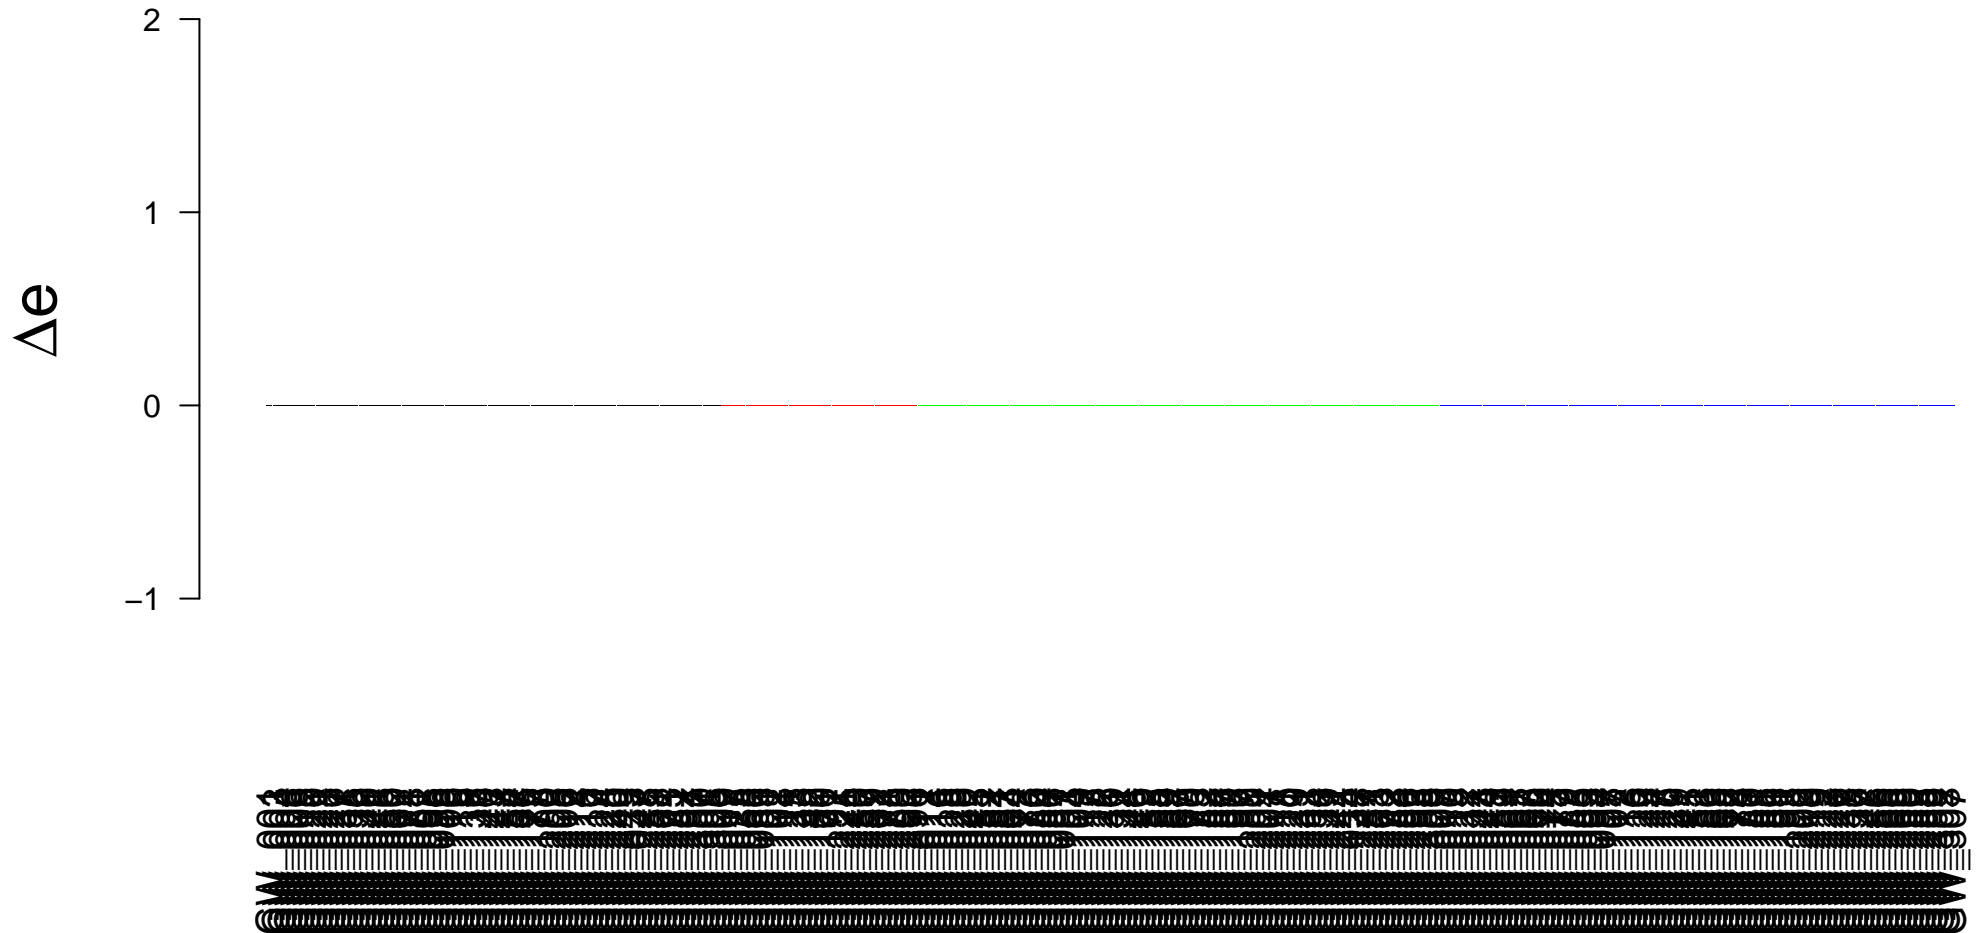

# Expression of positive regulation of synaptic transmission, glutamatergic in Spot B

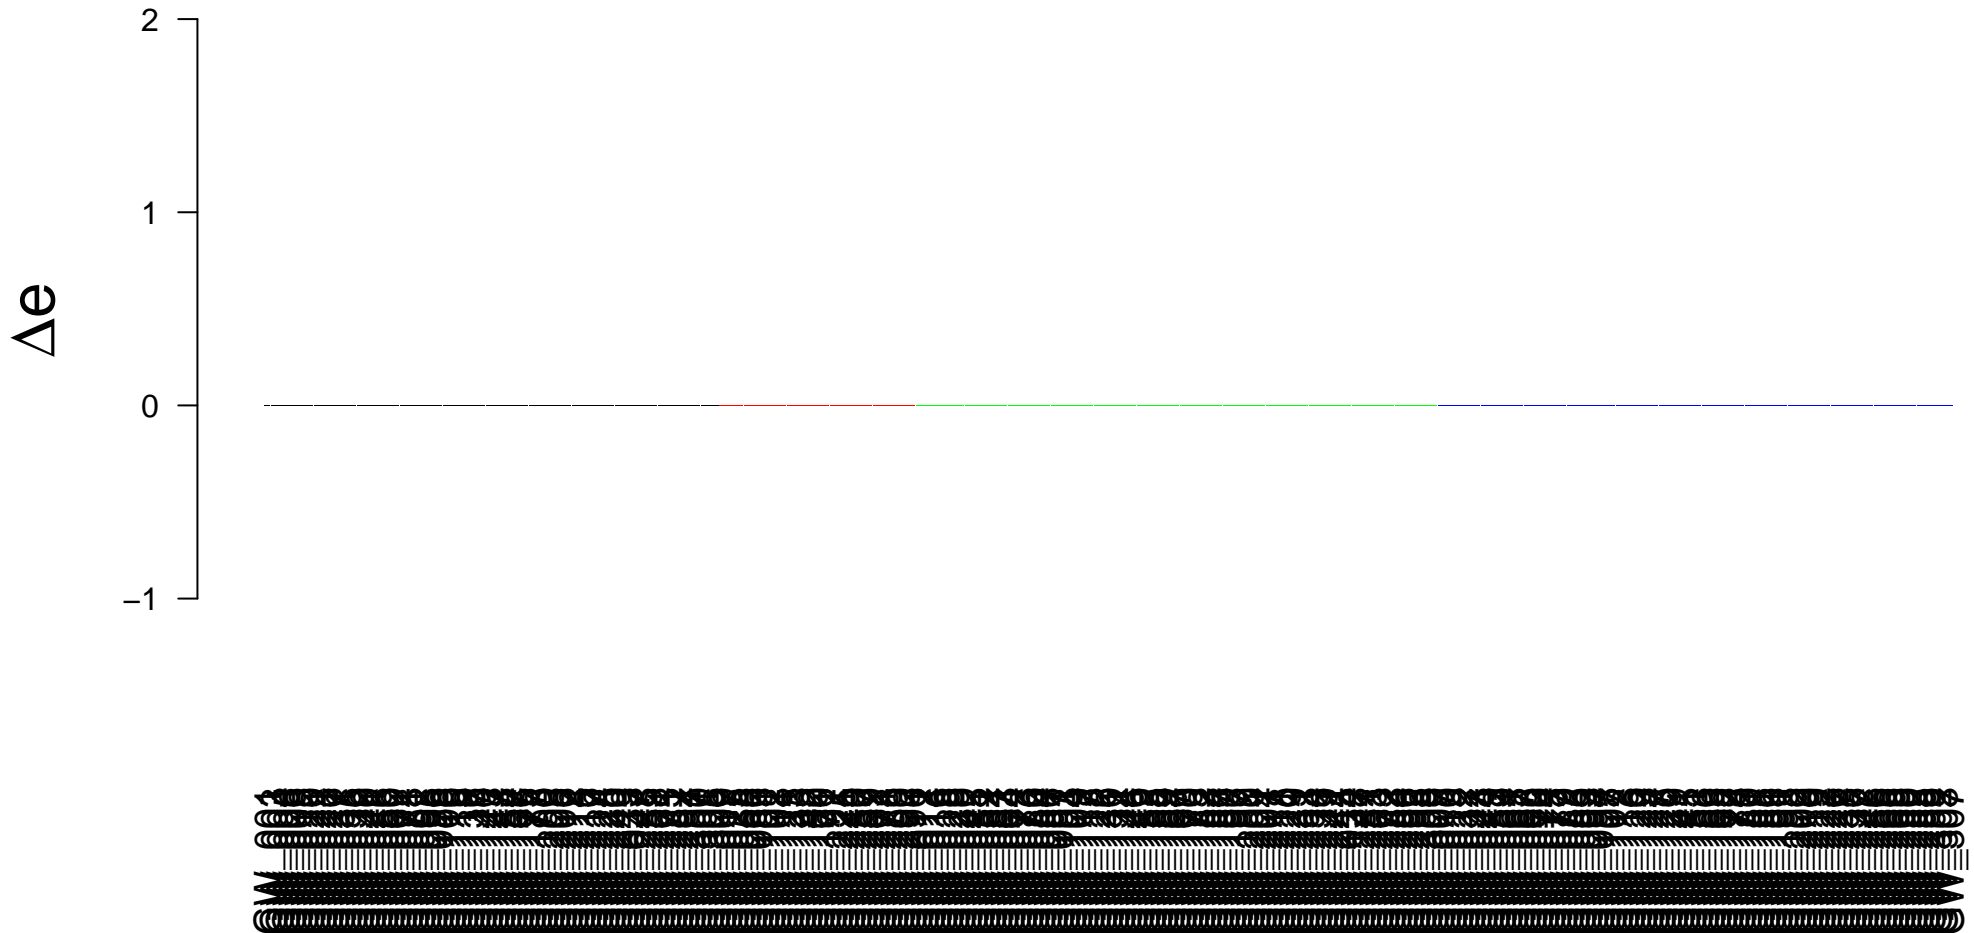

# Expression of positive regulation of synaptic transmission, glutamatergic in Spot C

# Expression of positive regulation of synaptic transmission, glutamatergic in Spot D

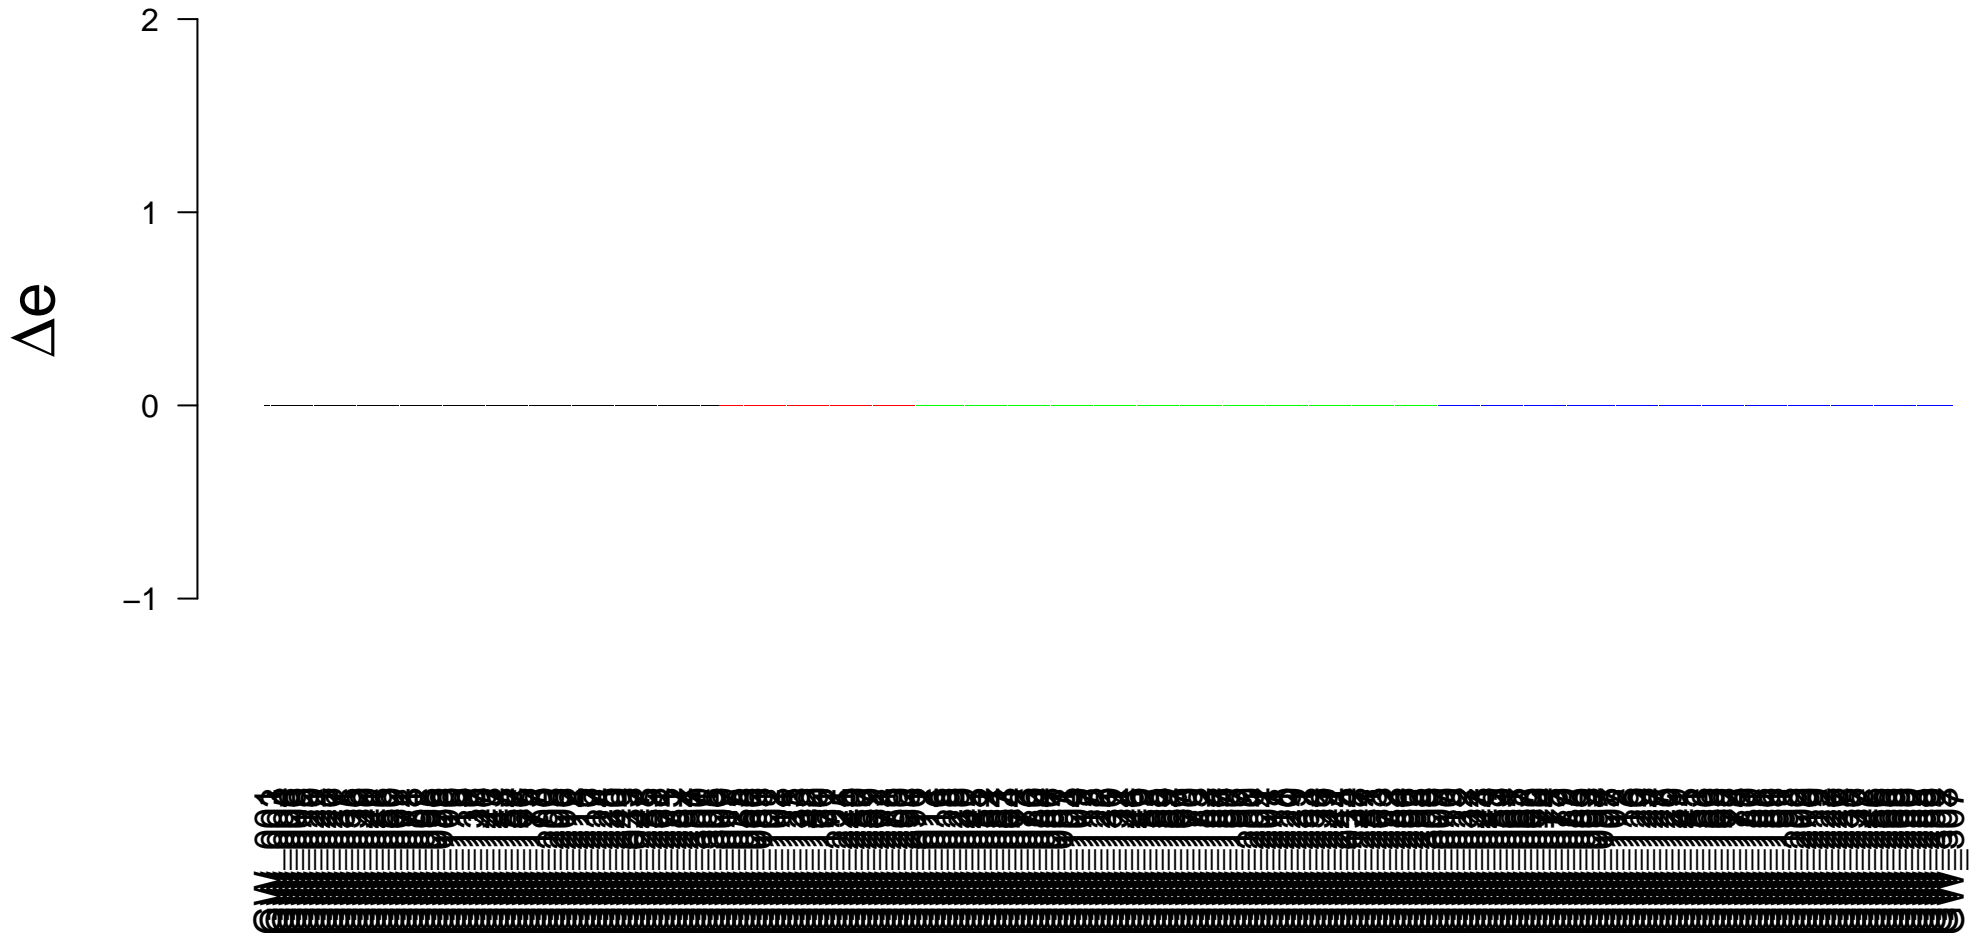

# Expression of positive regulation of synaptic transmission, glutamatergic in Spot E

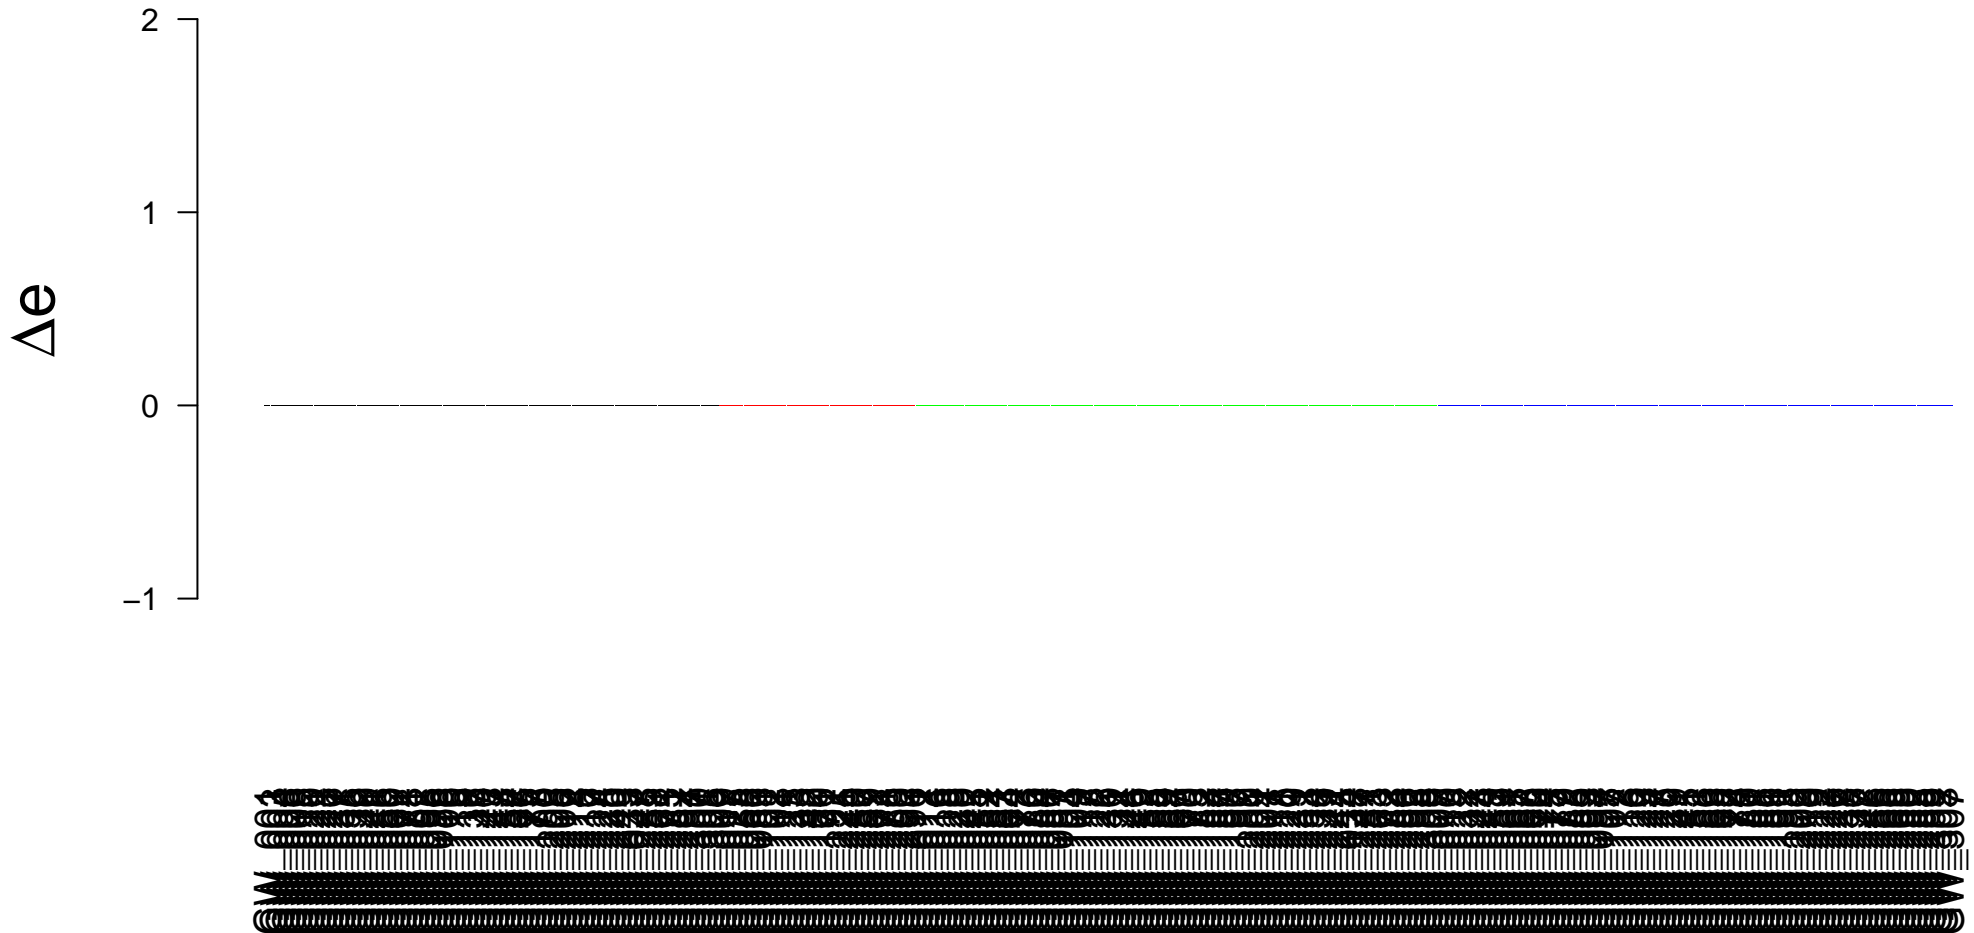

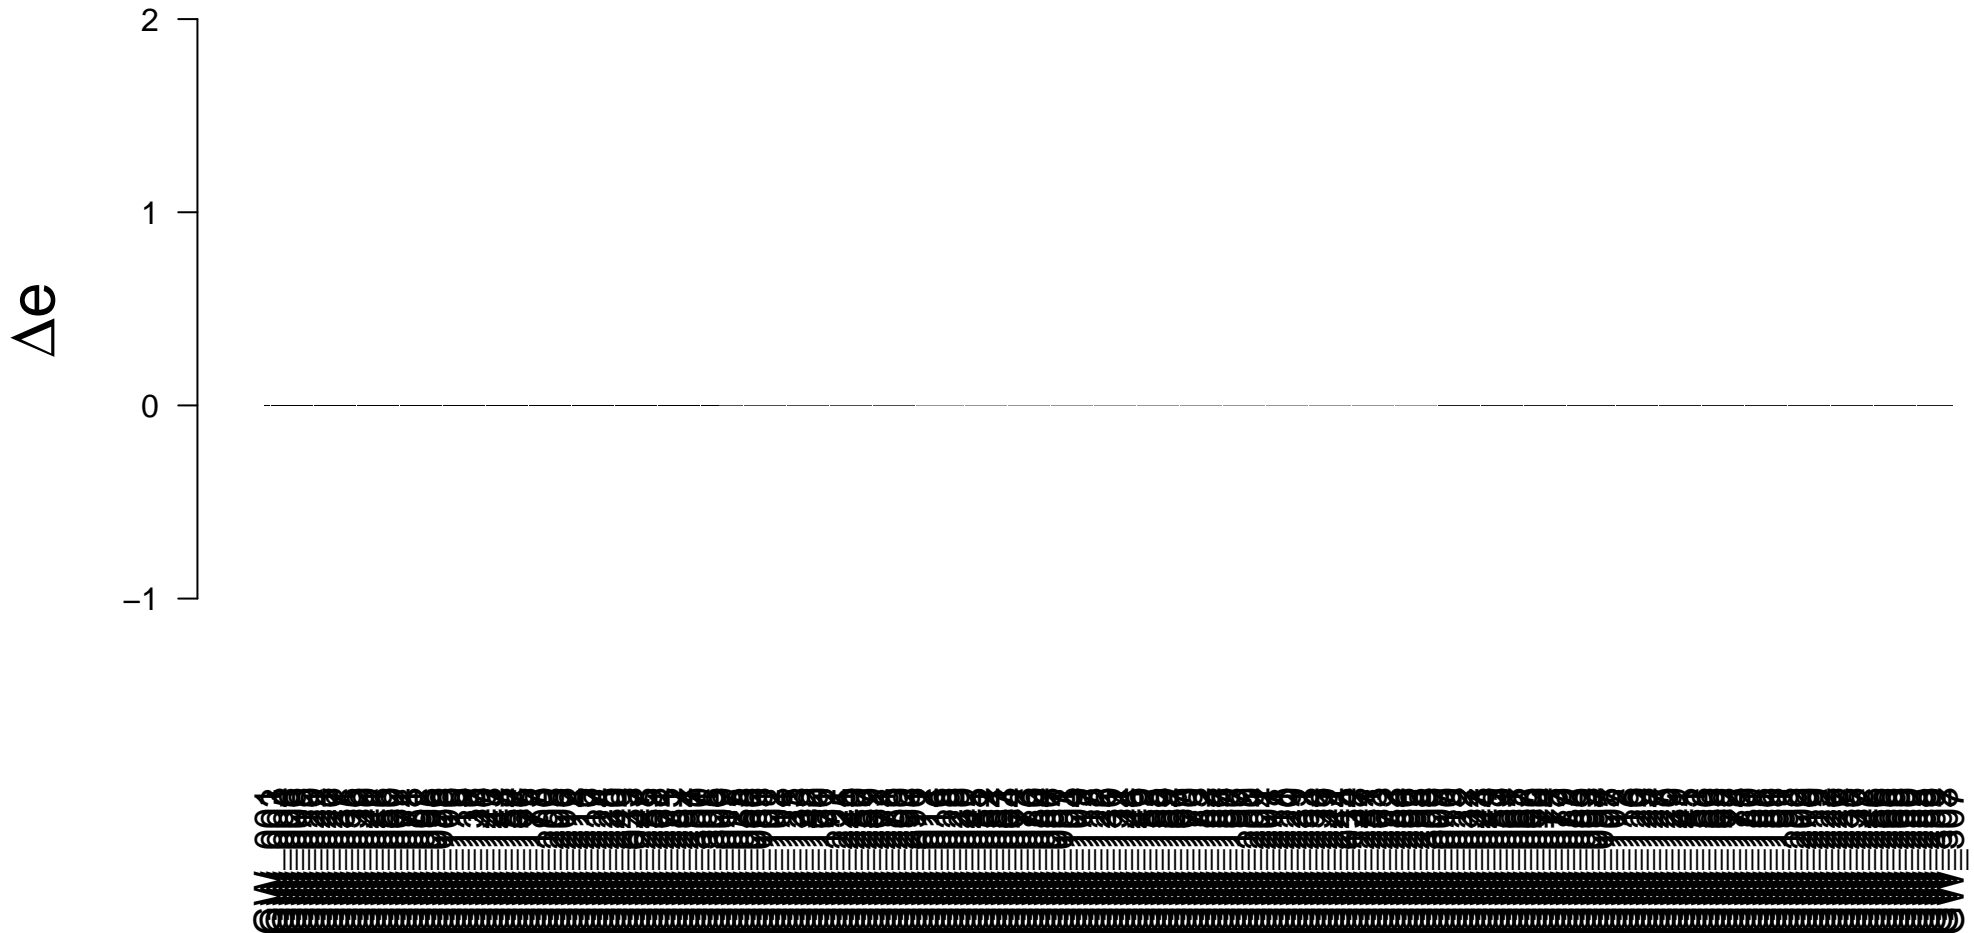

# Expression of positive regulation of synaptic transmission, glutamatergic in Spot F

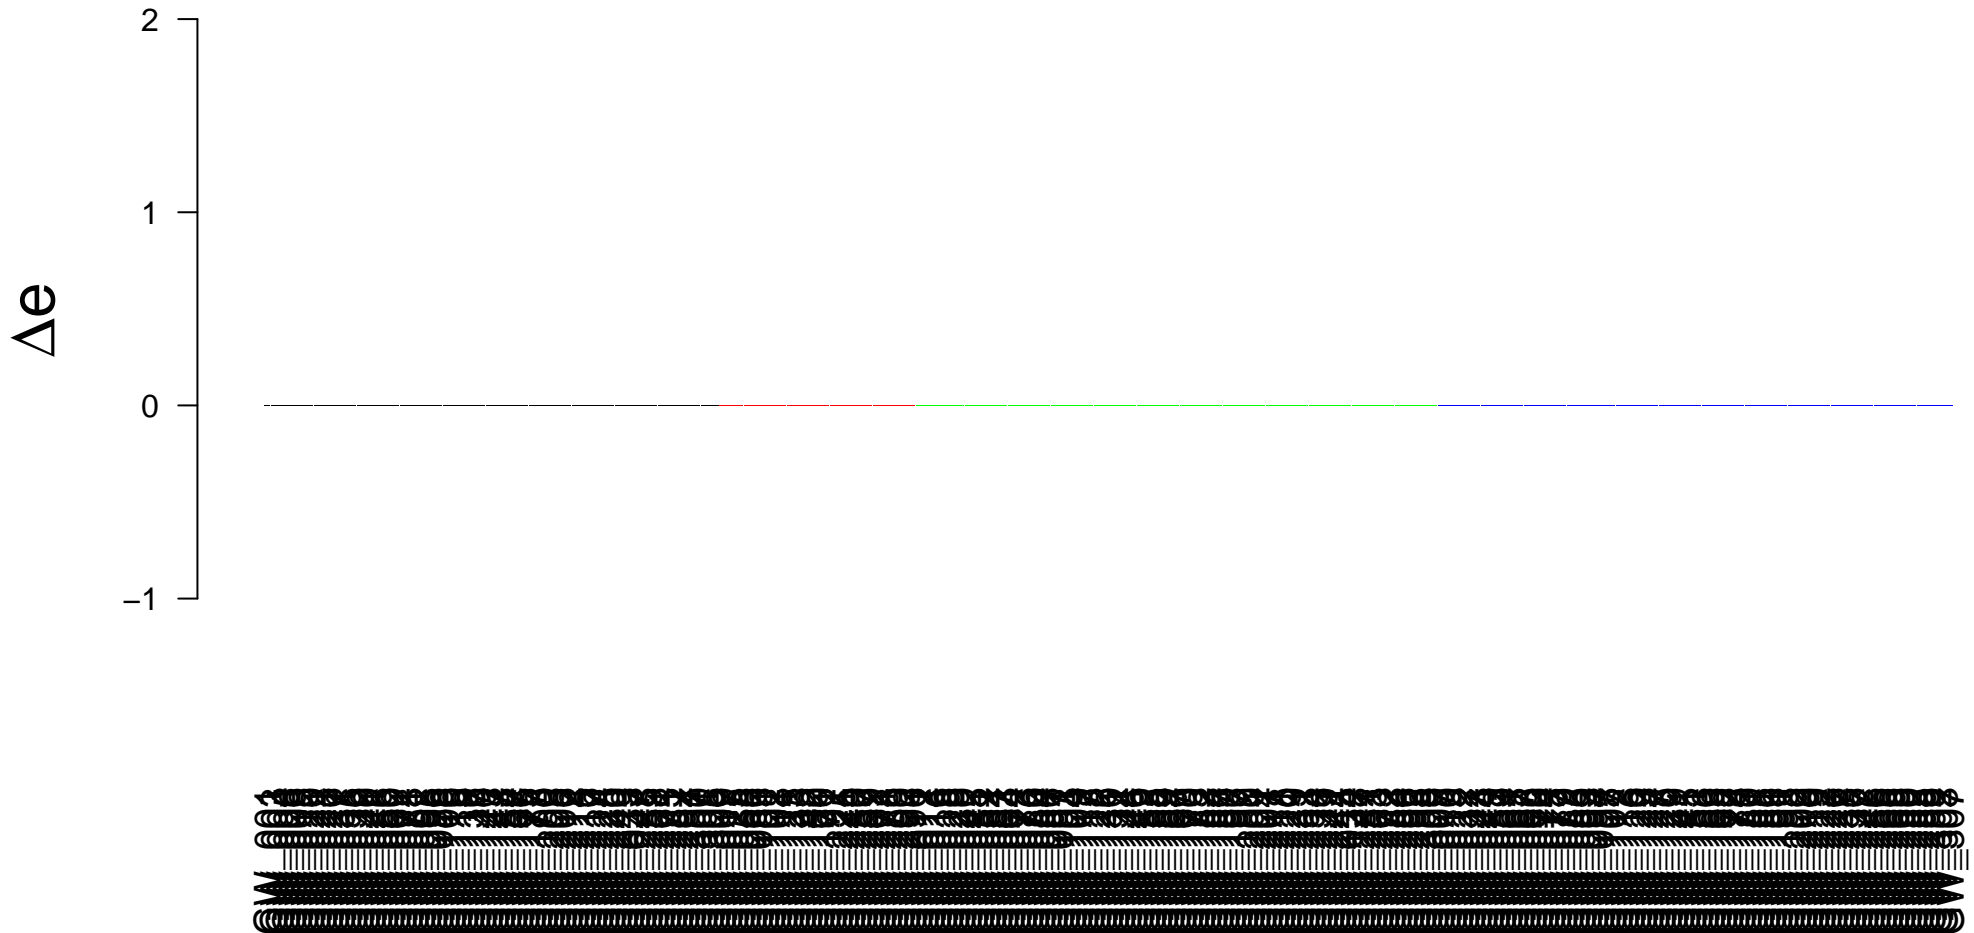

# Expression of positive regulation of synaptic transmission, glutamatergic in Spot G

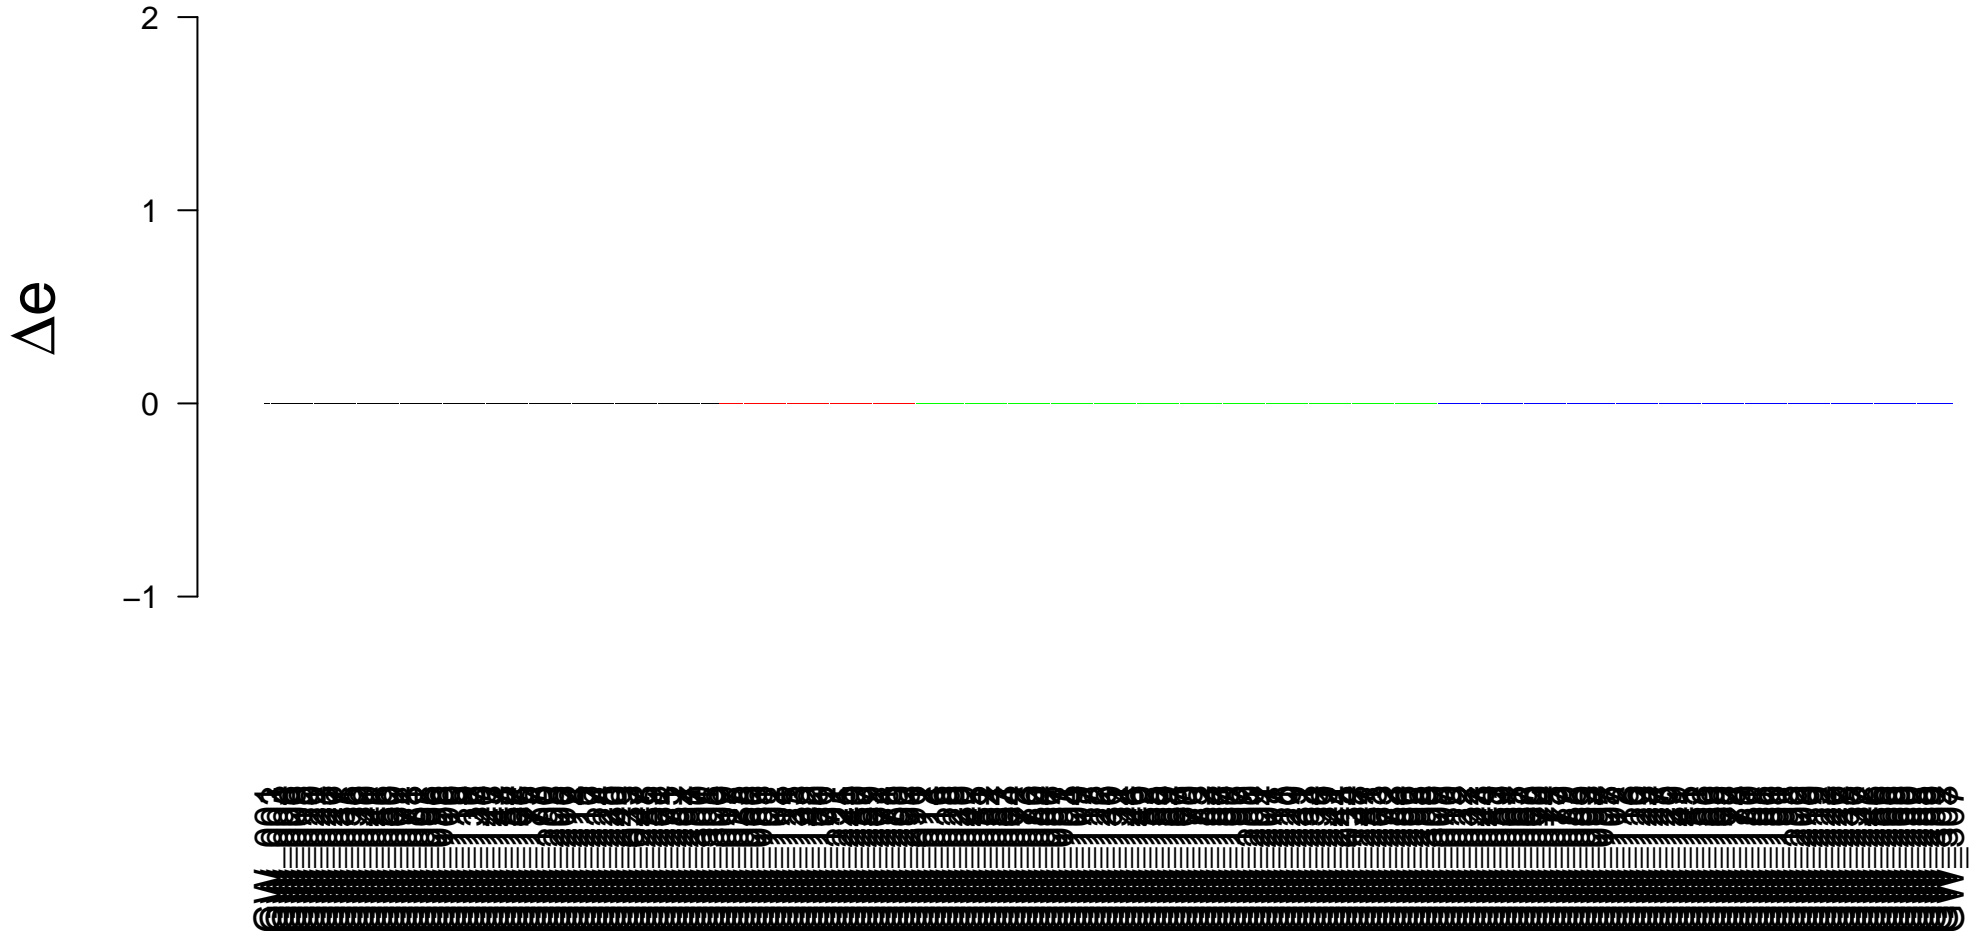

# Expression of positive regulation of synaptic transmission, glutamatergic in Spot H

# Expression of positive regulation of synaptic transmission, glutamatergic in Spot I

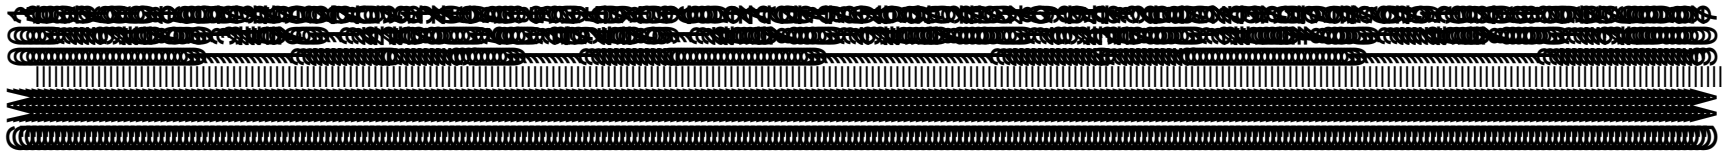

# Expression of positive regulation of synaptic transmission, glutamatergic in Spot J

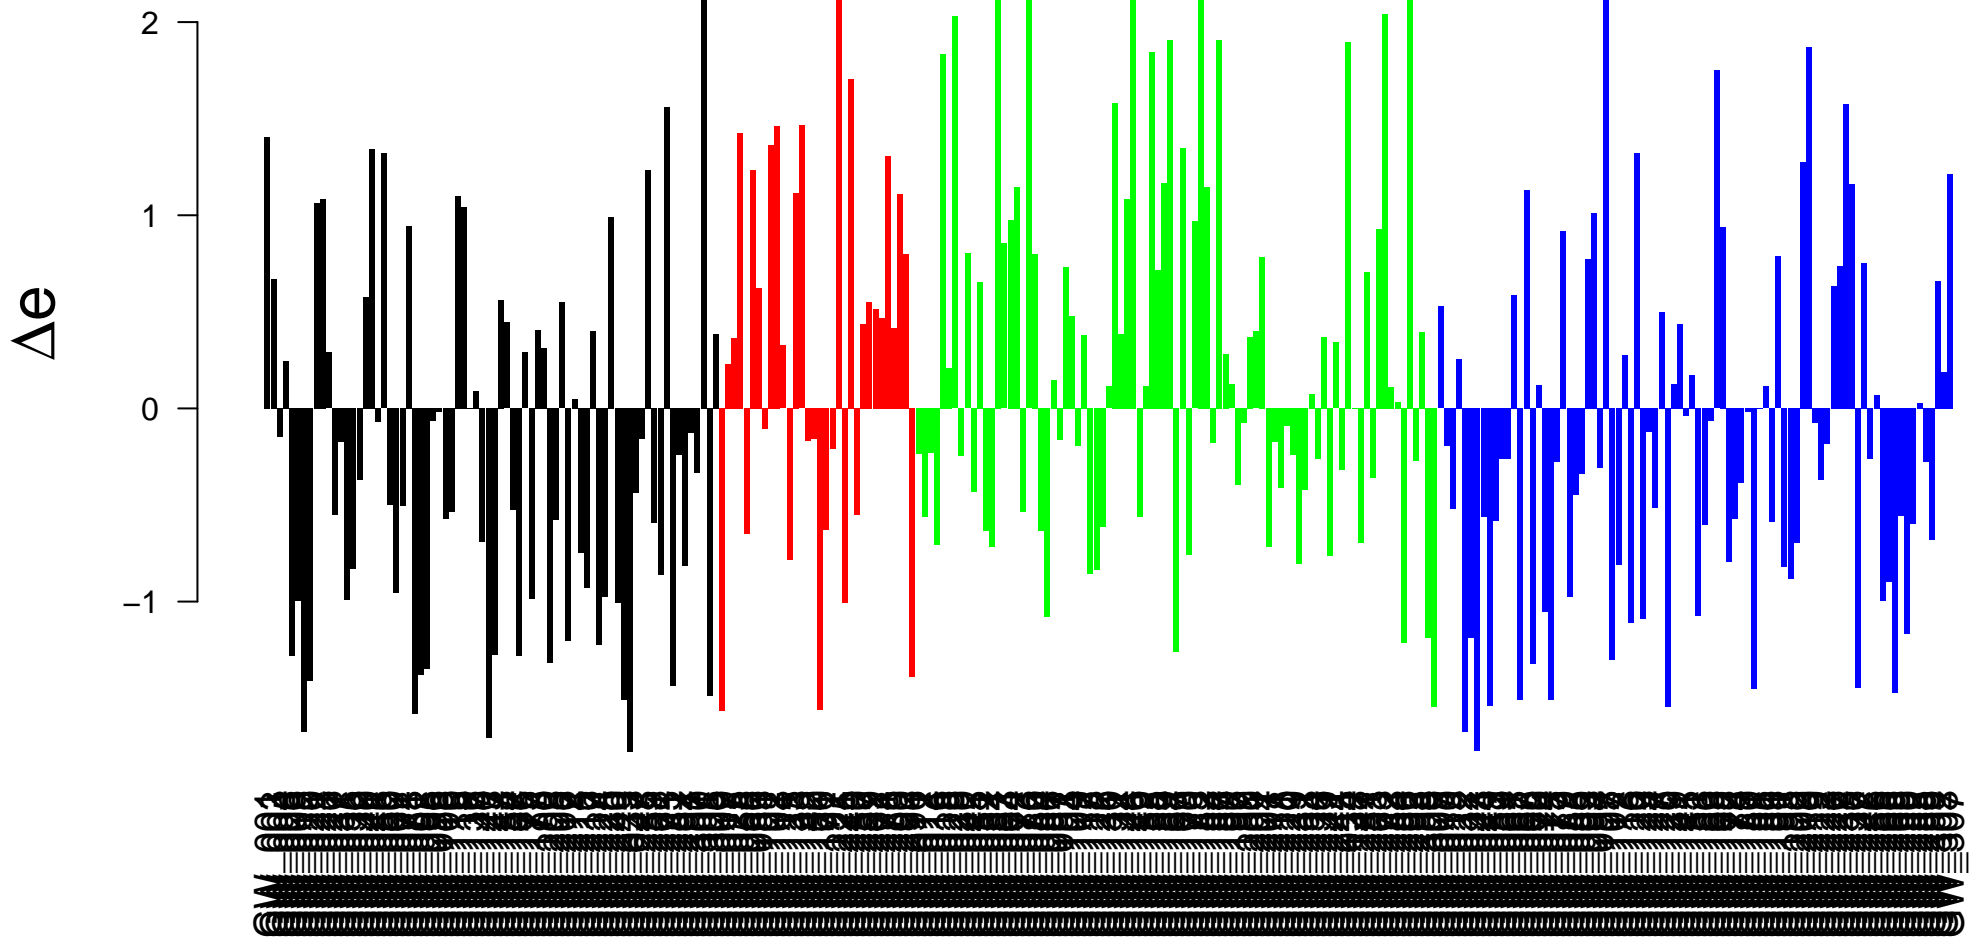

# Expression of positive regulation of synaptic transmission, glutamatergic in Spot K

# Expression of positive regulation of synaptic transmission, glutamatergic in Spot L

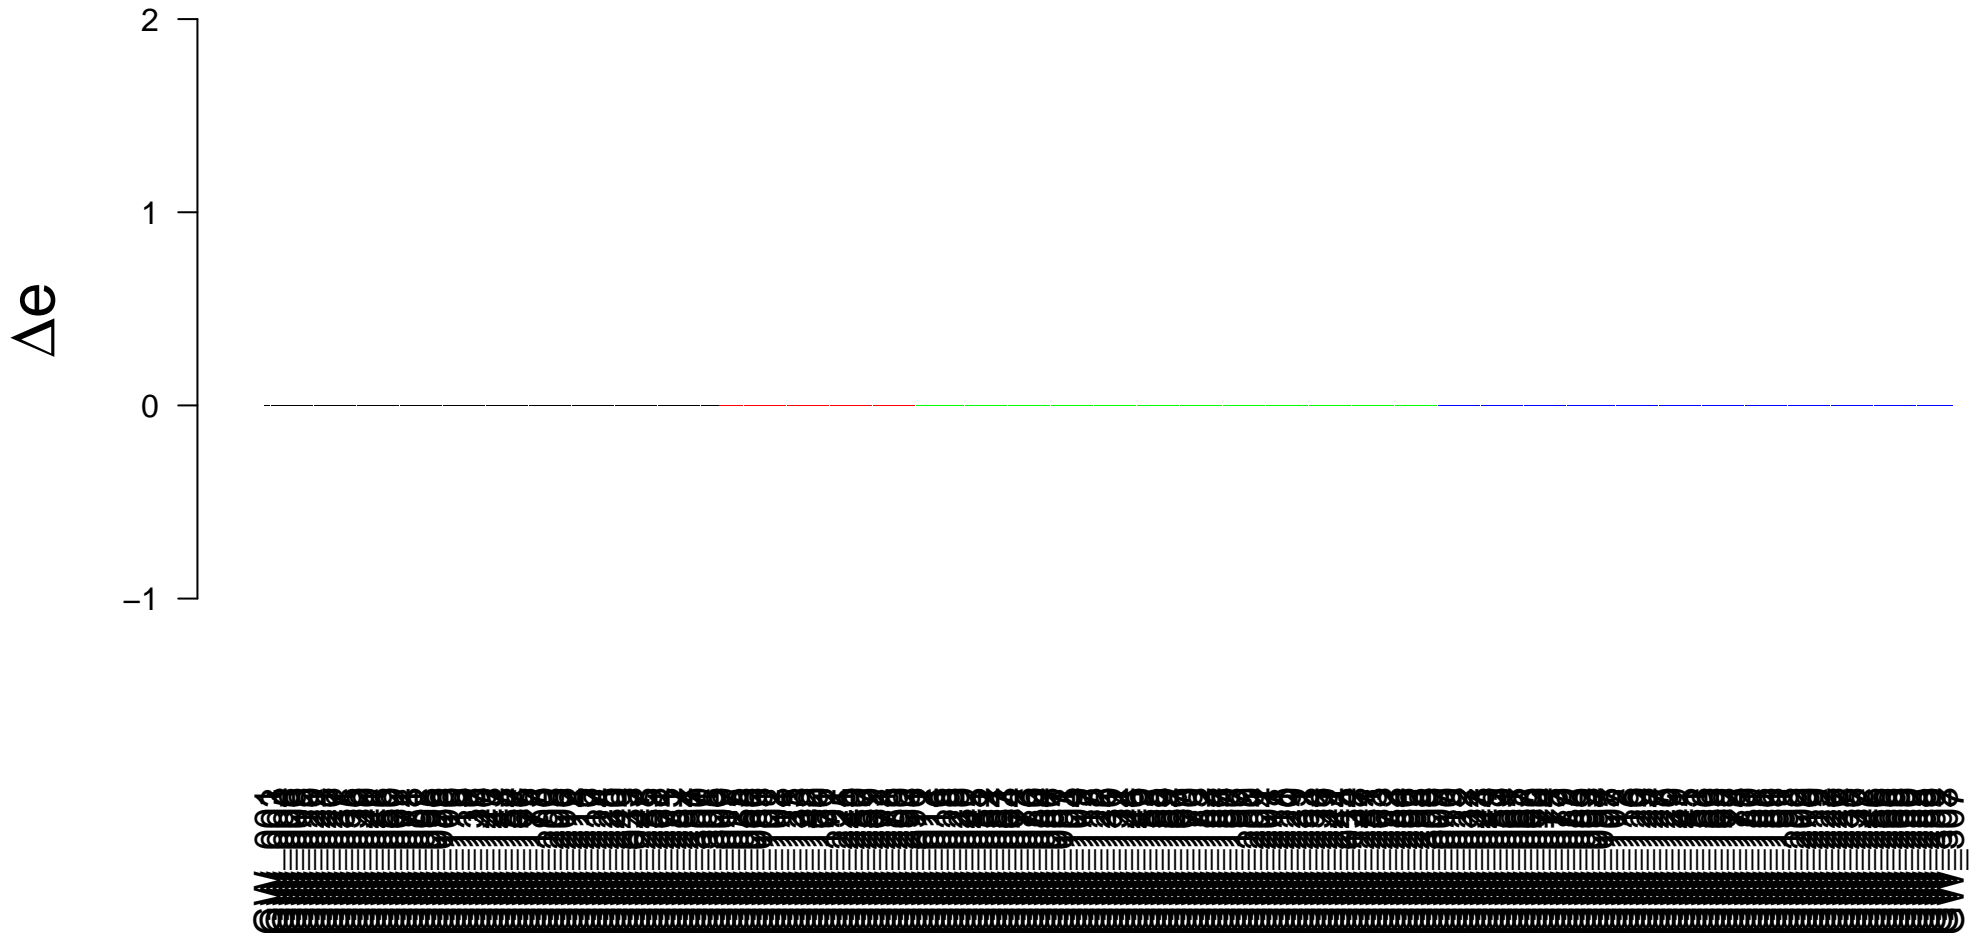

# Expression of positive regulation of synaptic transmission, glutamatergic in Spot M

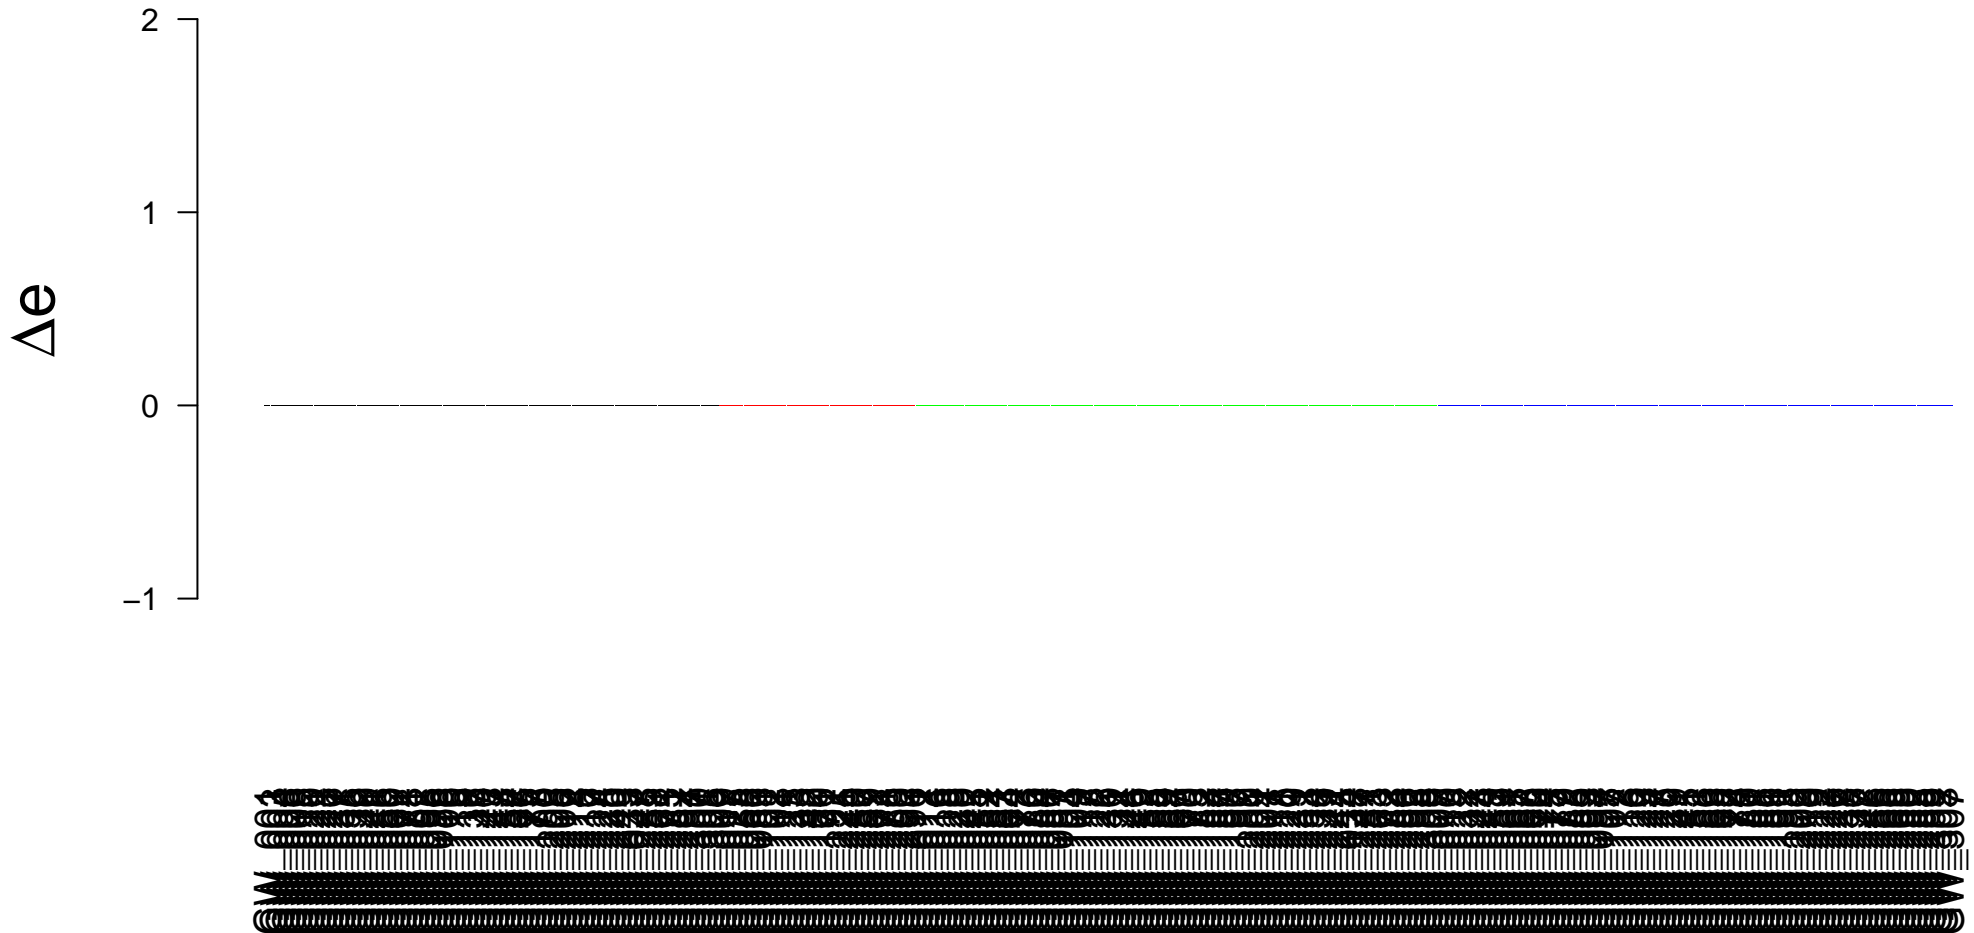

# Expression of positive regulation of synaptic transmission, glutamatergic in Spot N

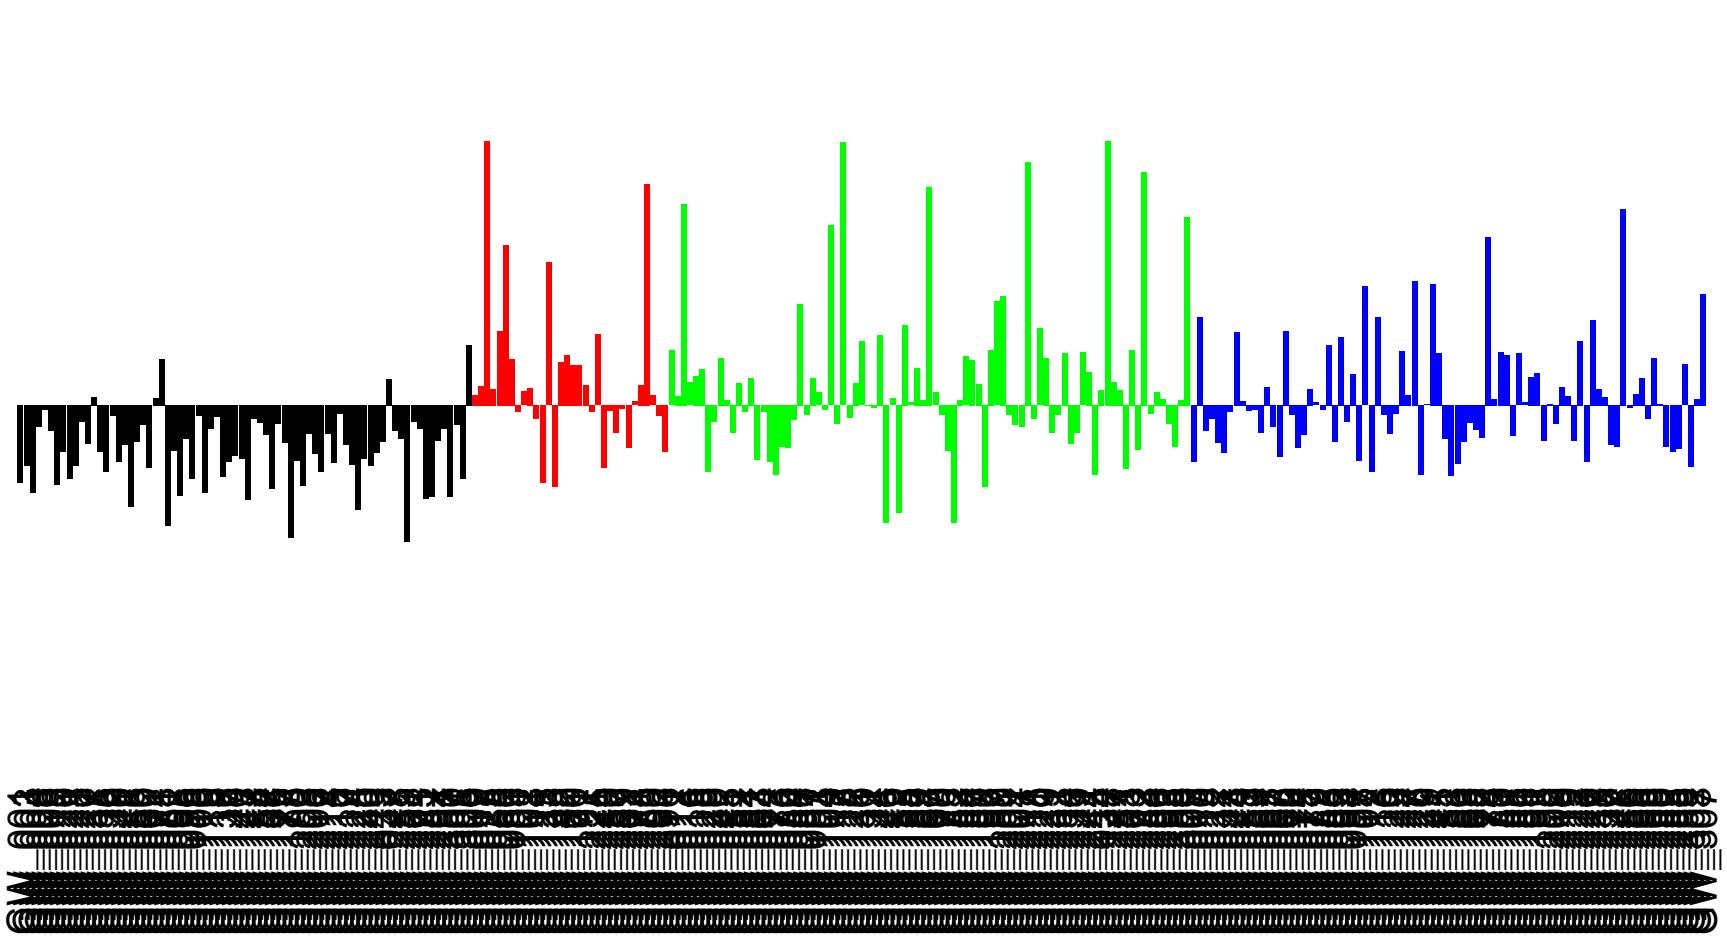

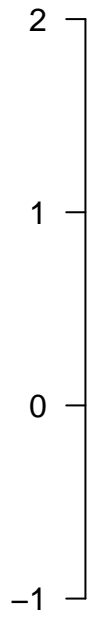

# Expression of positive regulation of synaptic transmission, glutamatergic in Spot O

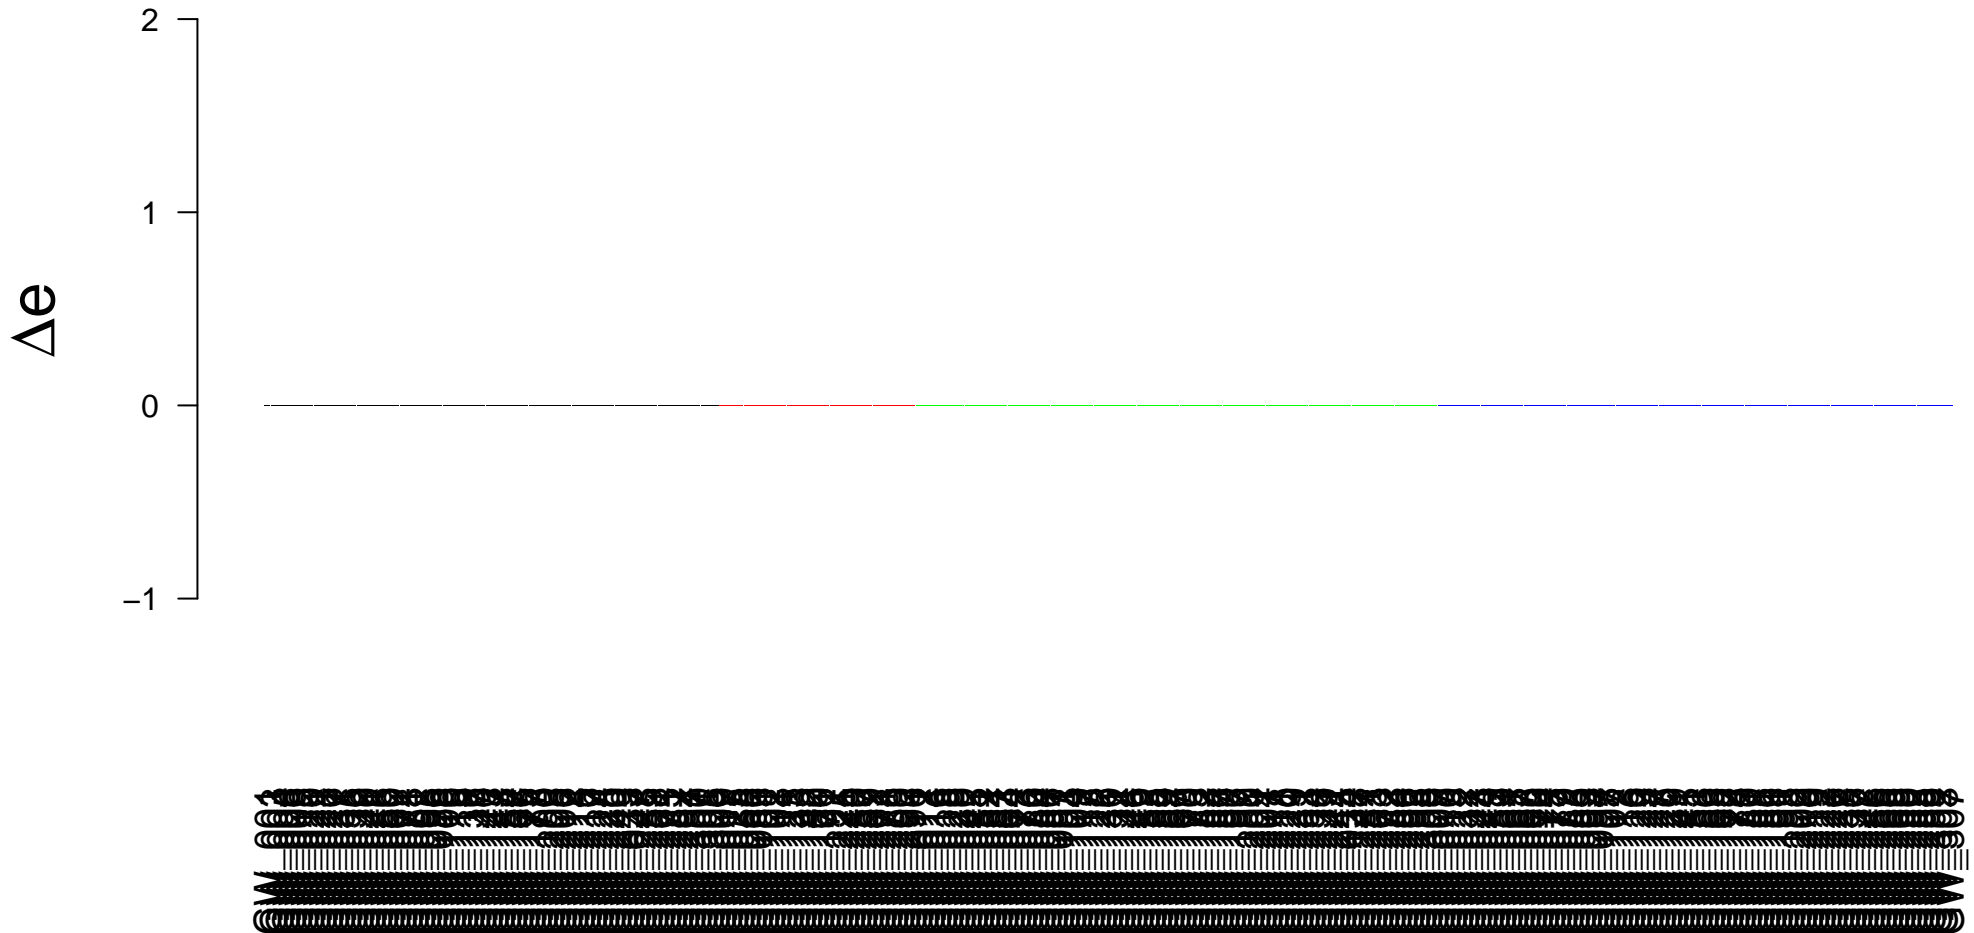

# Expression of positive regulation of synaptic transmission, glutamatergic in Spot P

$\Delta e$

# Expression of positive regulation of synaptic transmission, glutamatergic in Spot Q

# Expression of positive regulation of synaptic transmission, glutamatergic in Spot R
