

positive regulation of tumor necrosis factor production

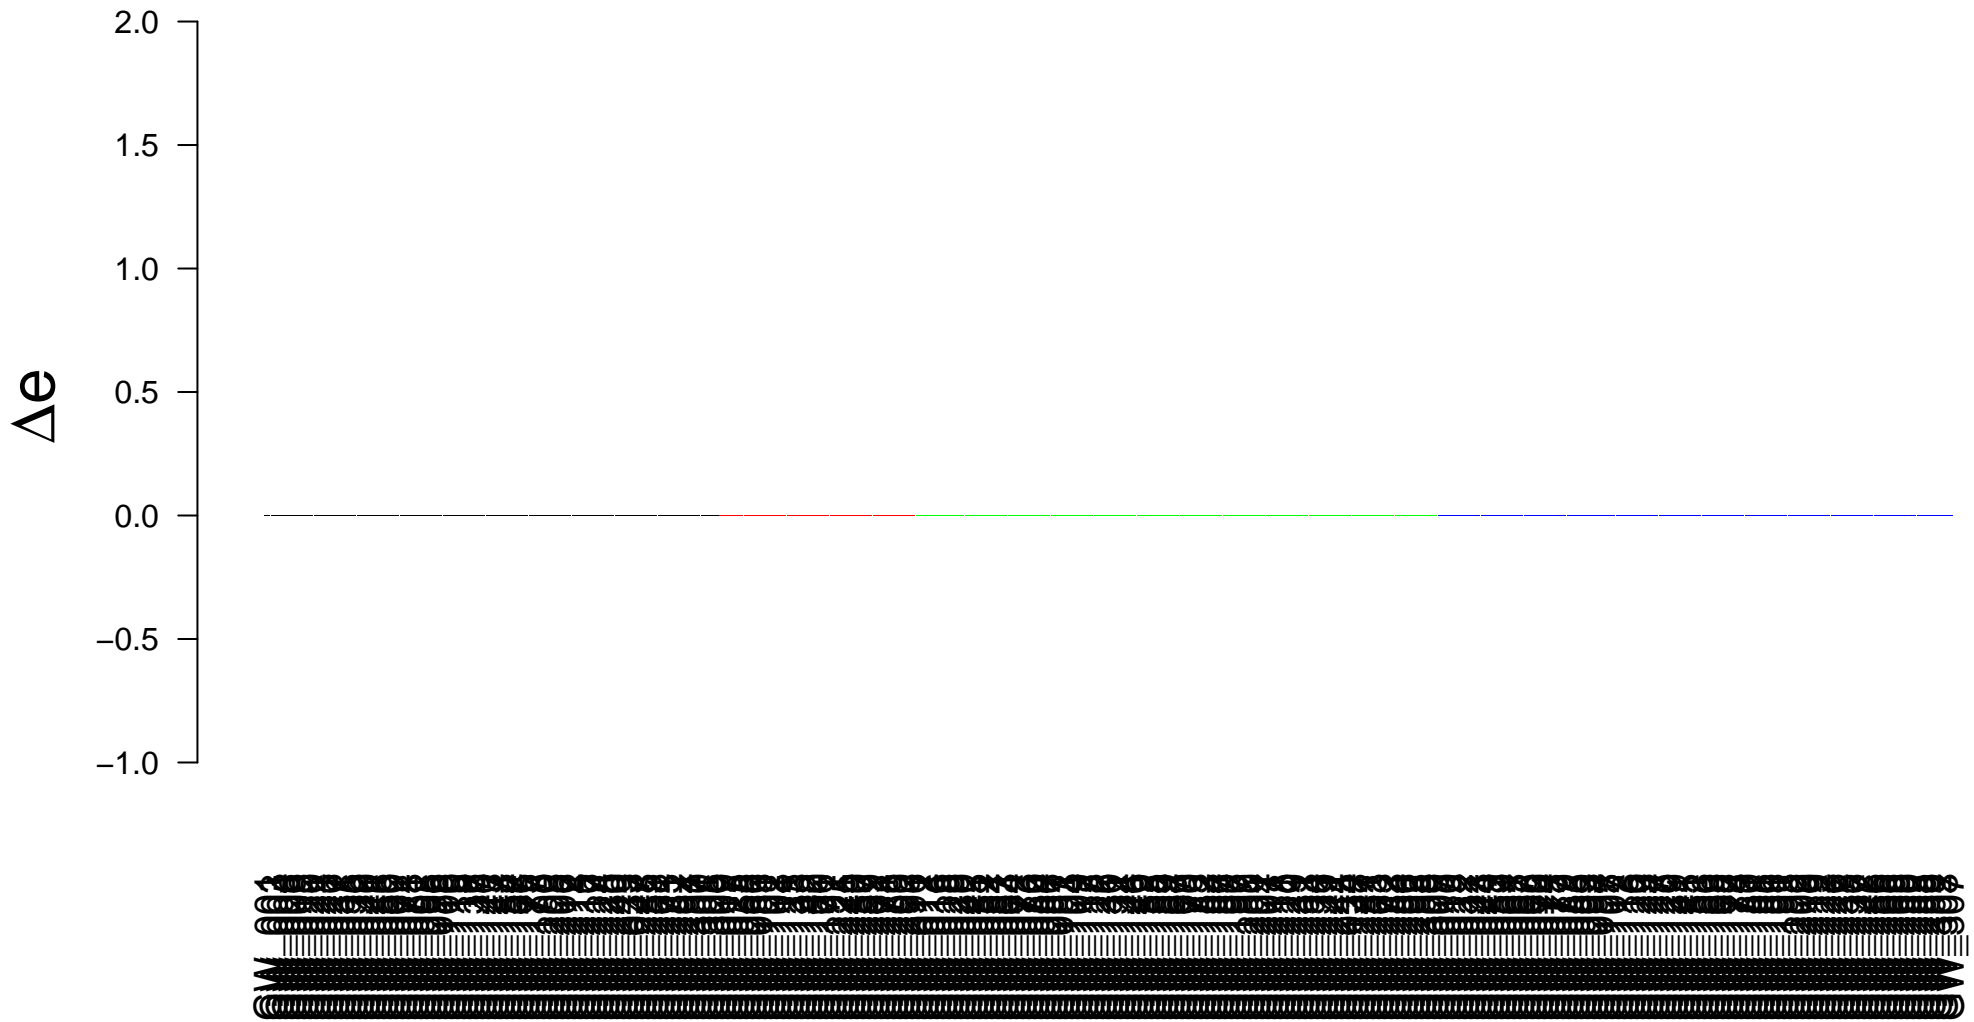

positive regulation of tumor necrosis factor production

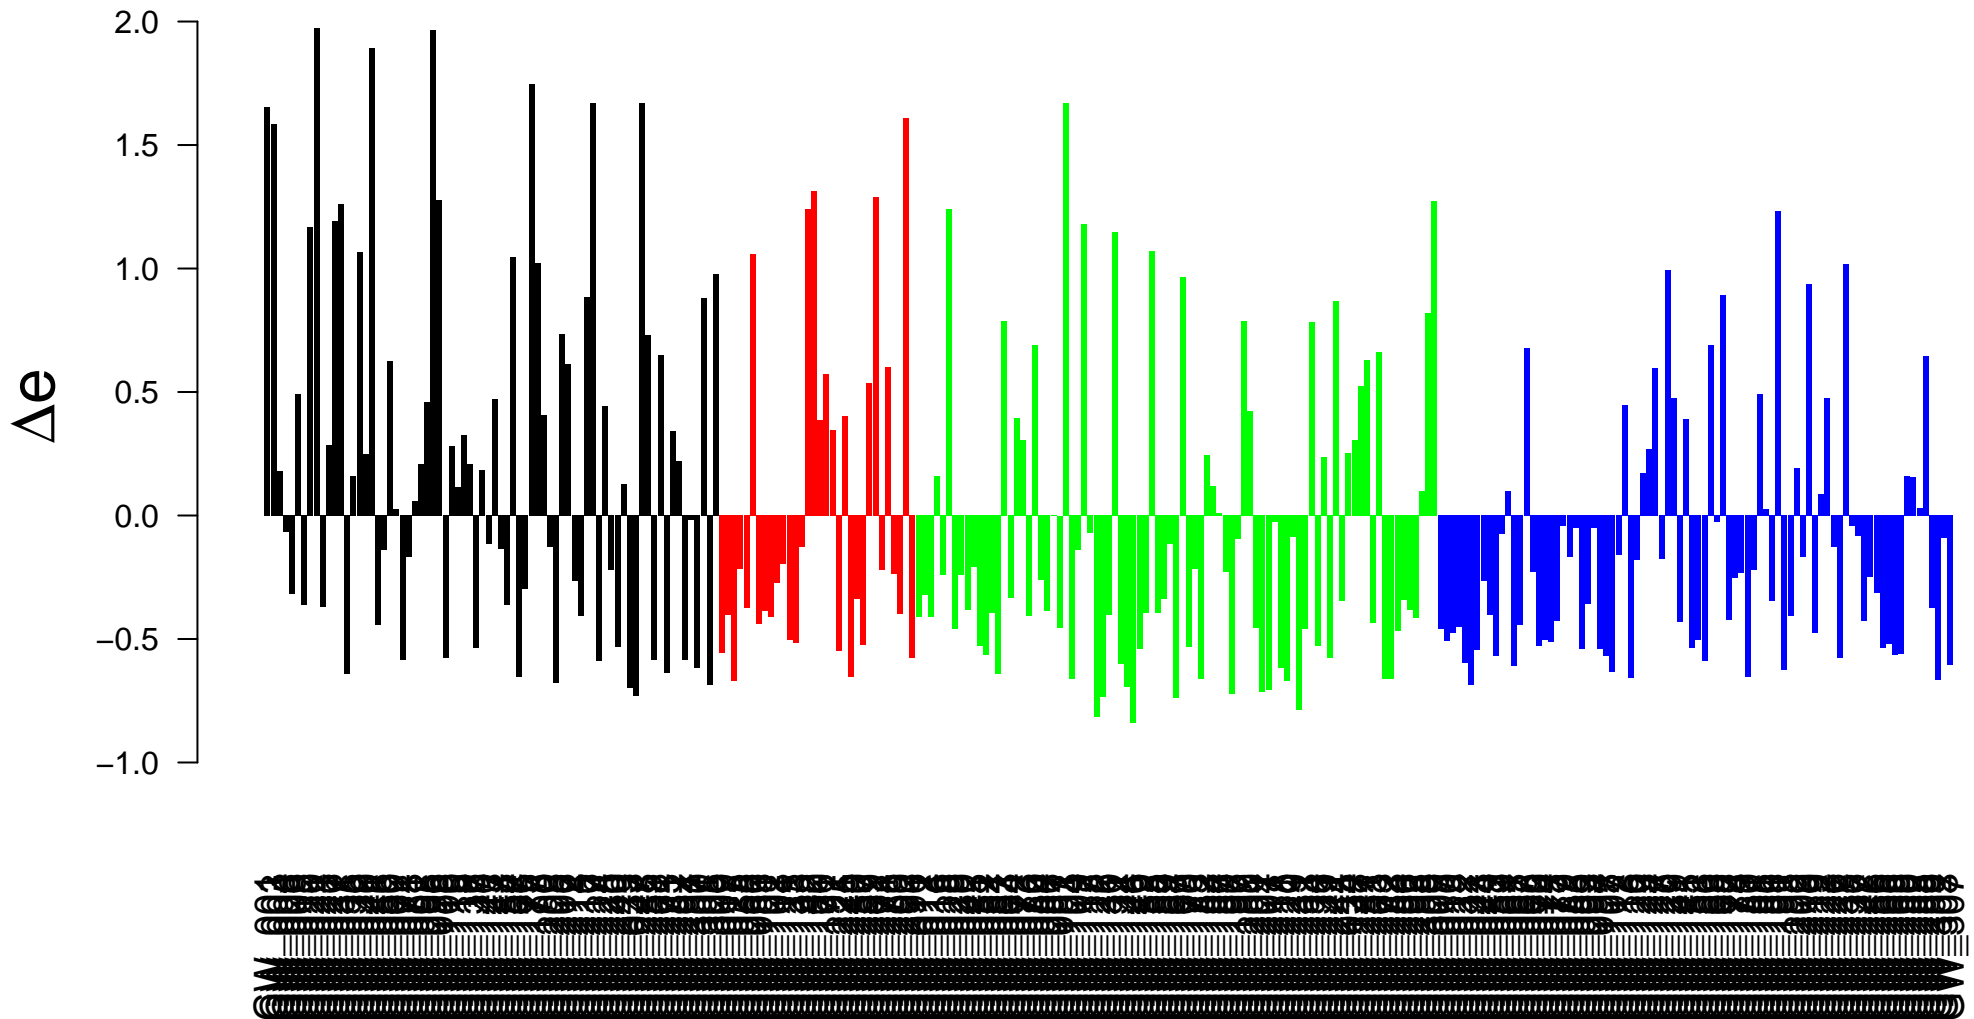

Enrichment in spots: positive regulation of tumor necrosis factor production

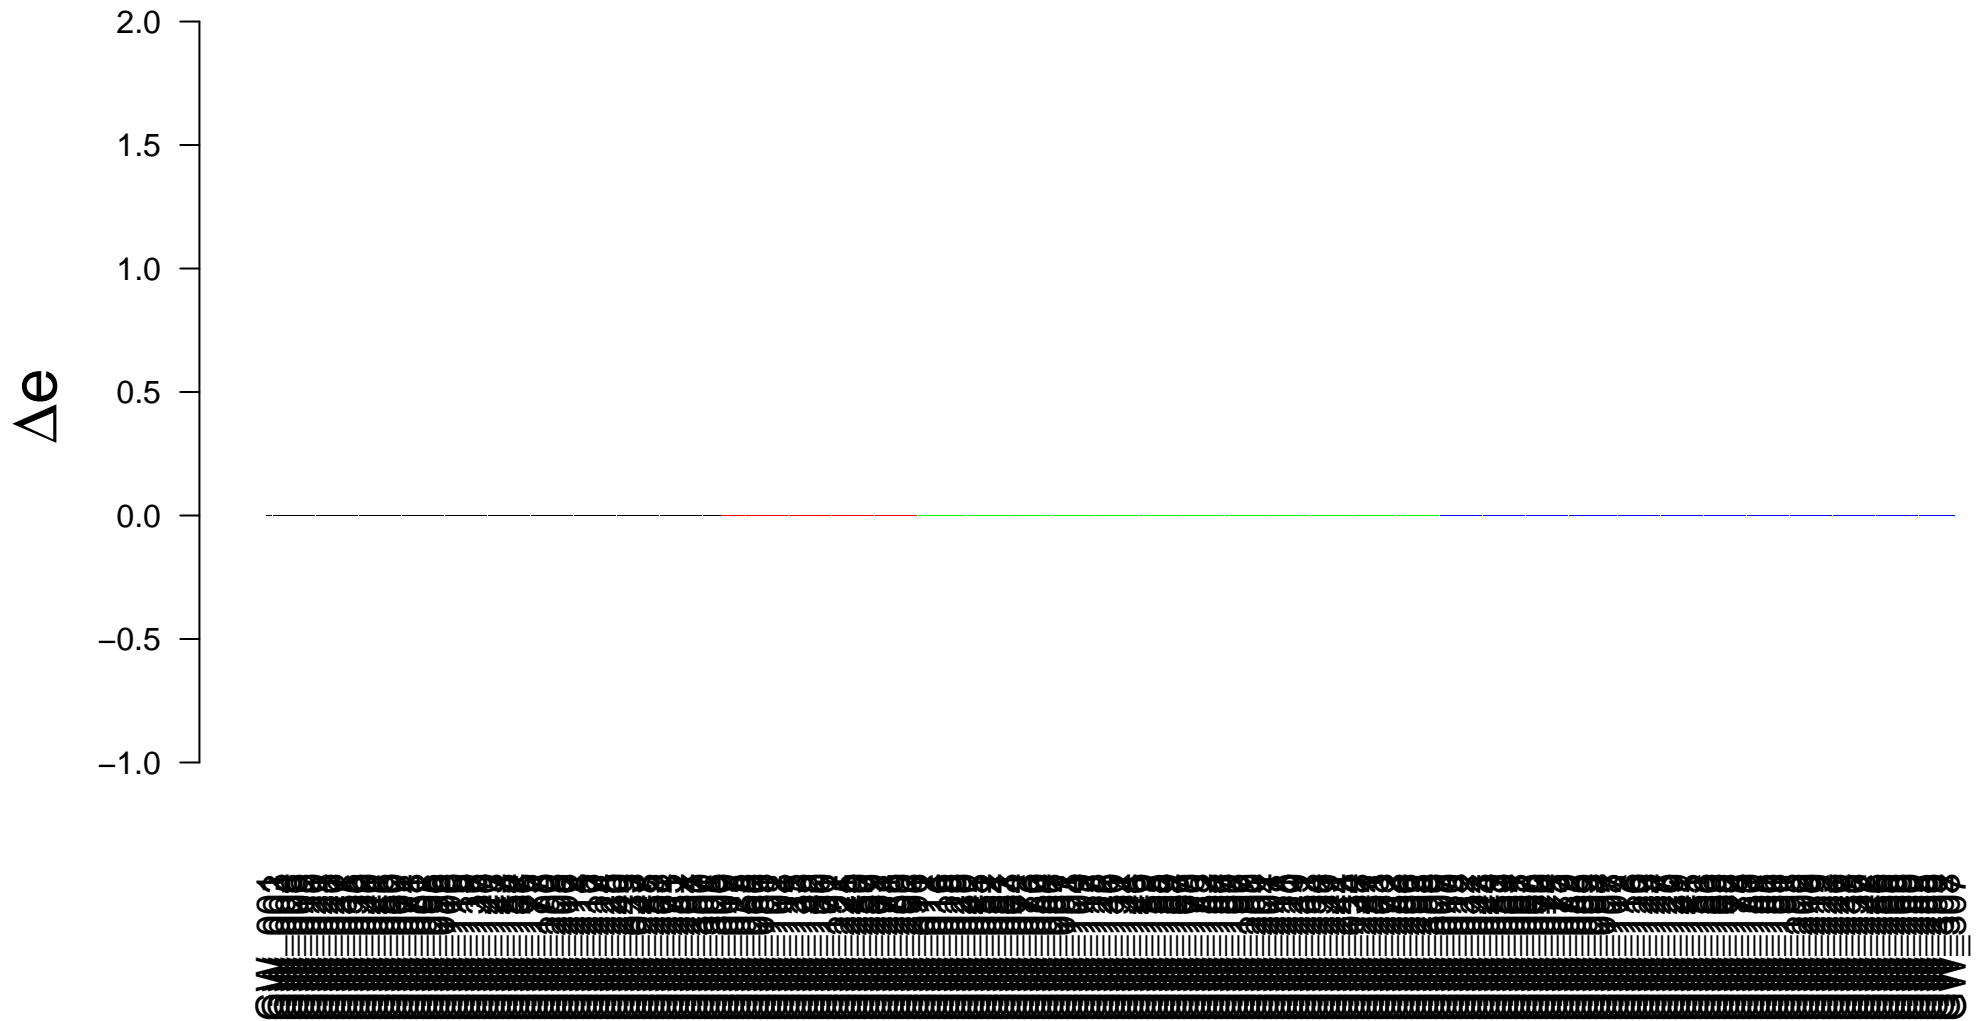

Expression of positive regulation of tumor necrosis factor production in Spot A

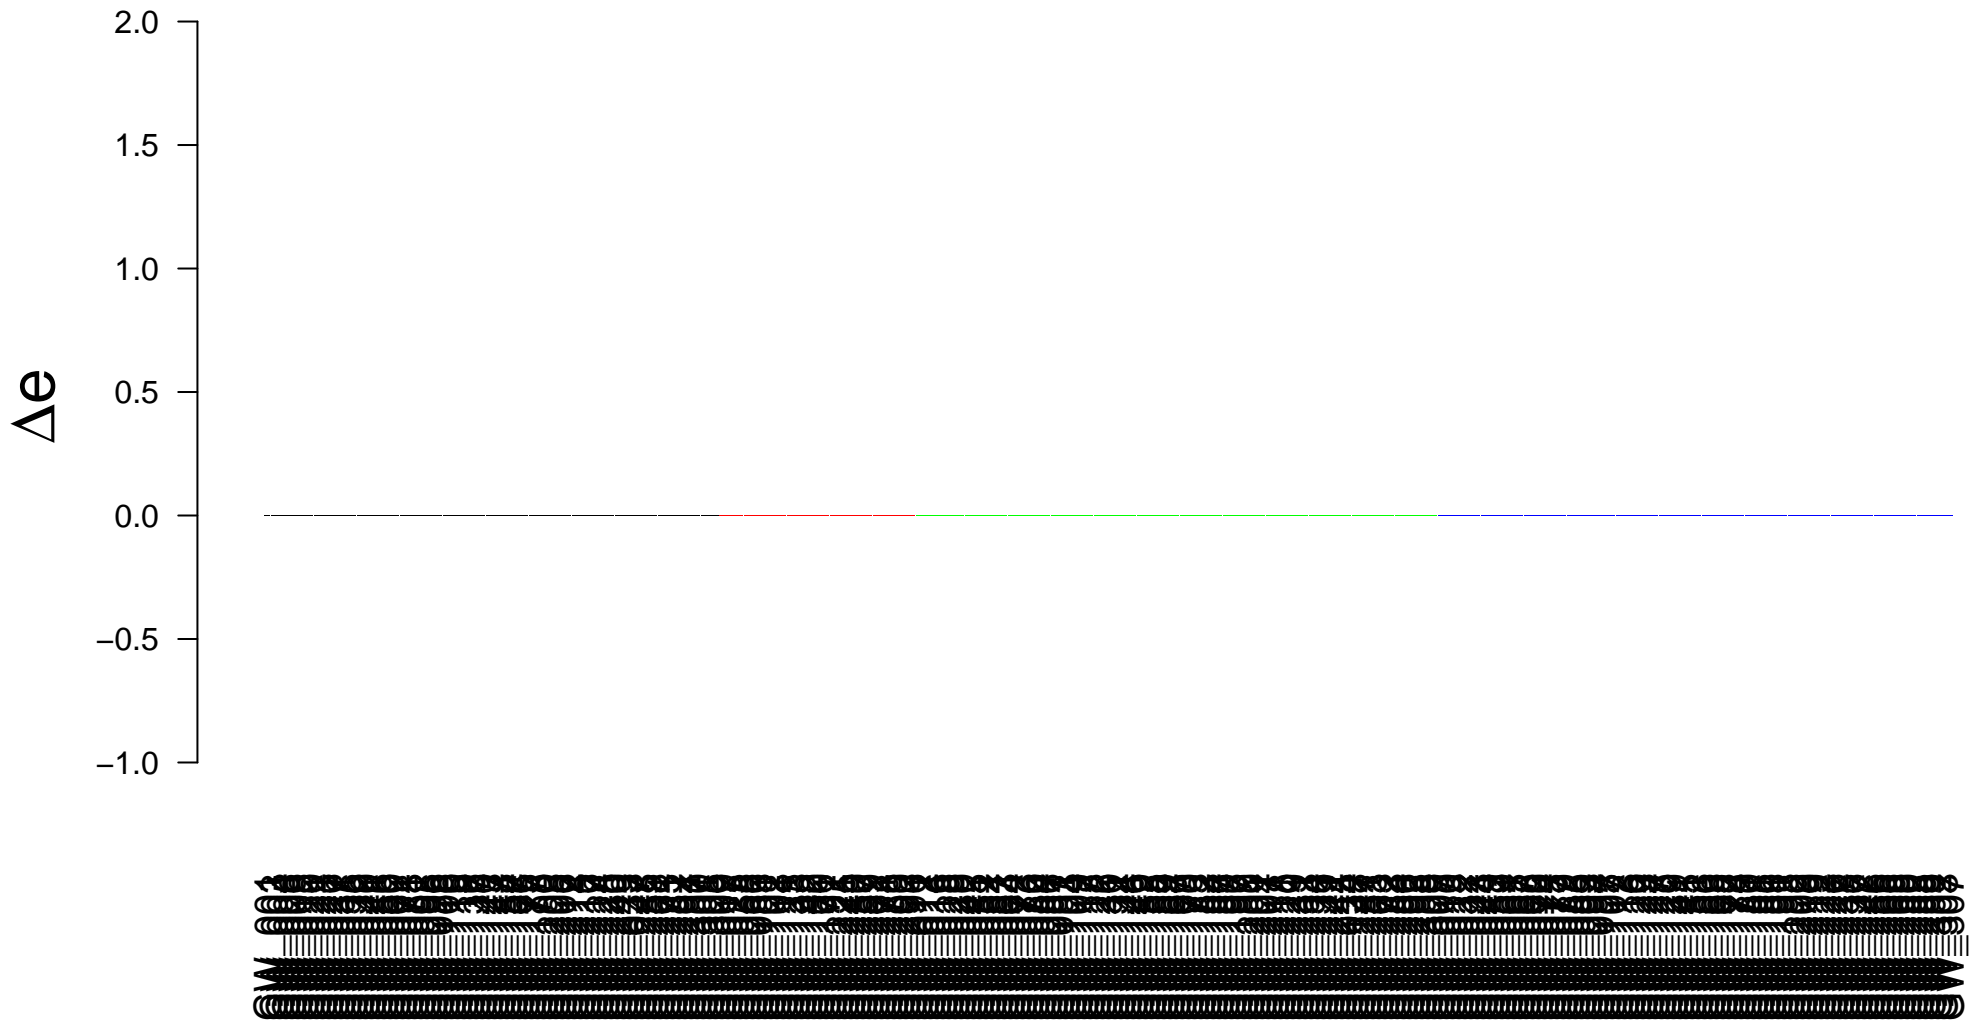

Expression of positive regulation of tumor necrosis factor production in Spot B

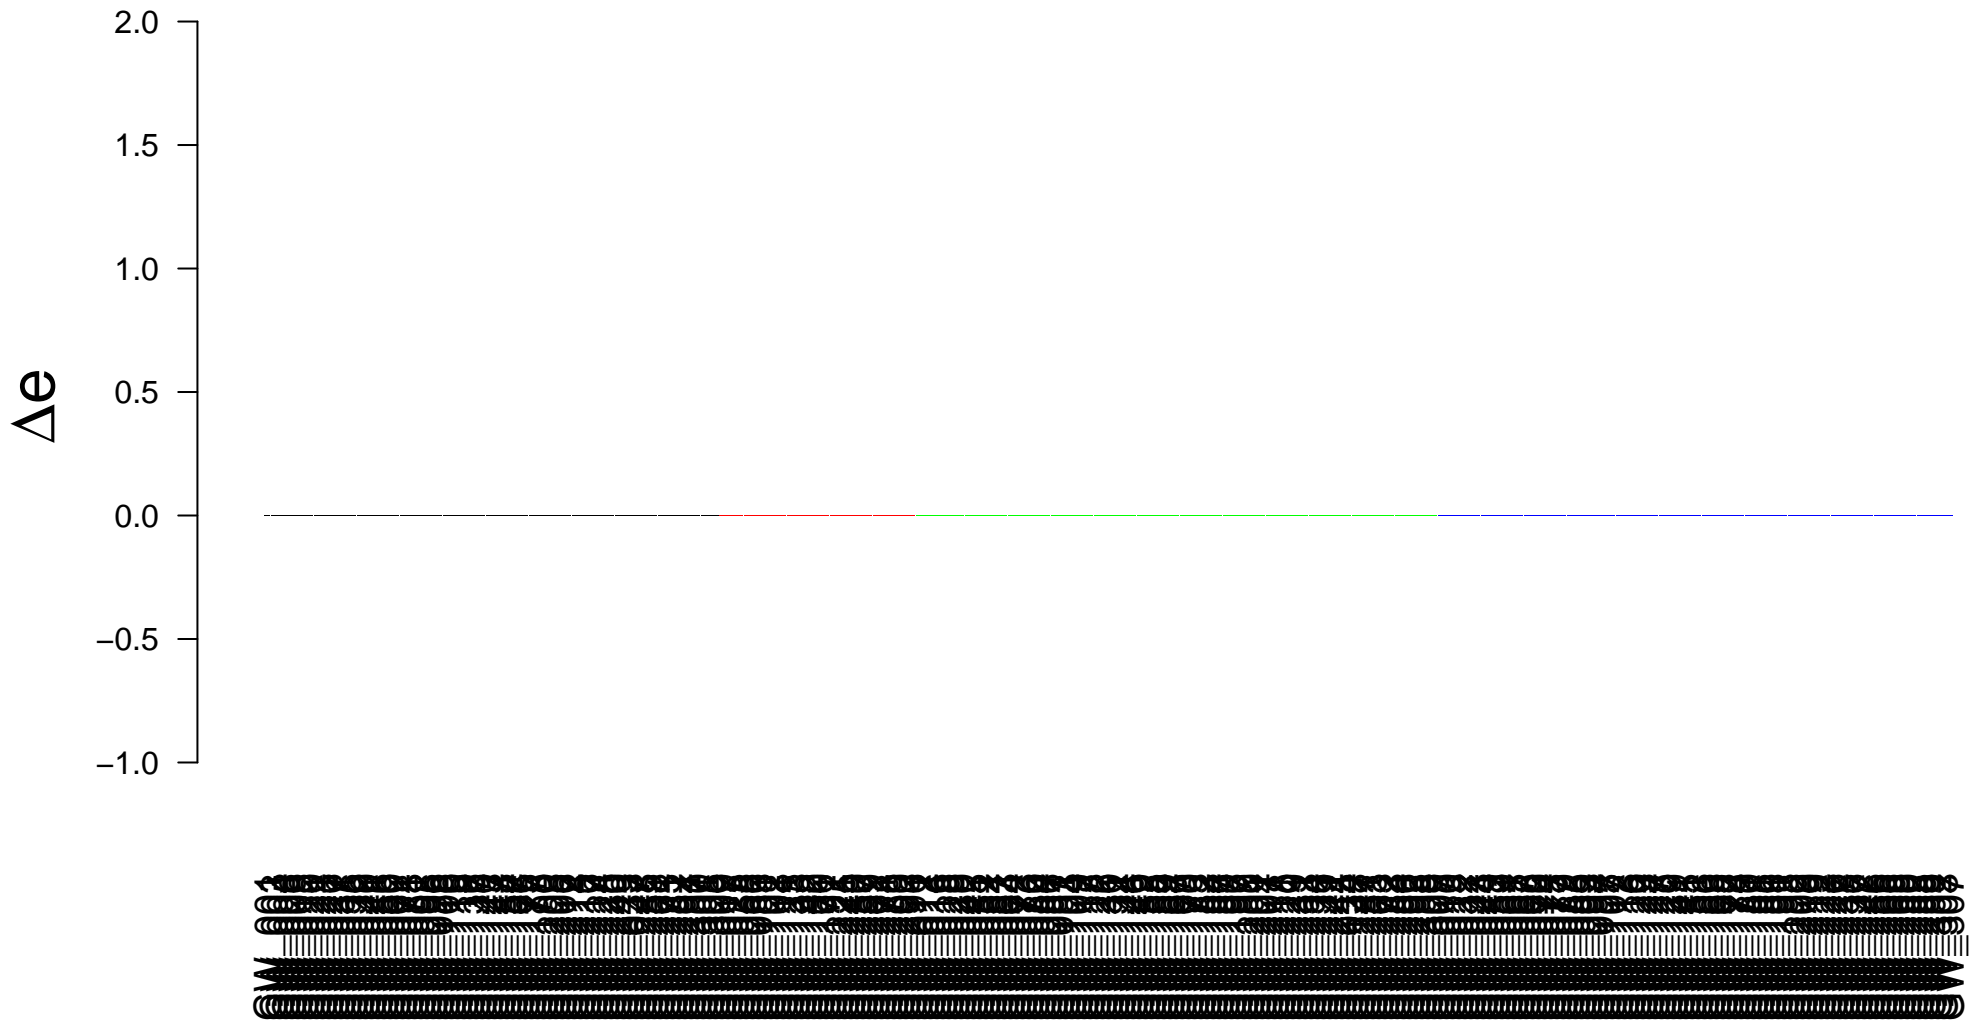

Expression of positive regulation of tumor necrosis factor production in Spot C

Expression of positive regulation of tumor necrosis factor production in Spot D

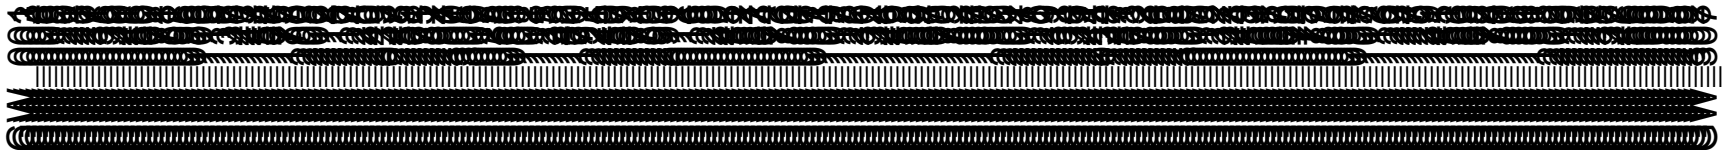

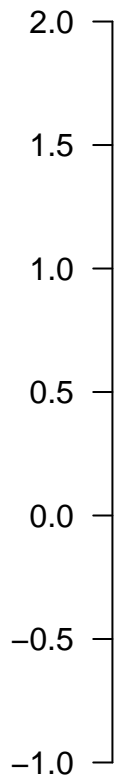

Expression of positive regulation of tumor necrosis factor production in Spot E

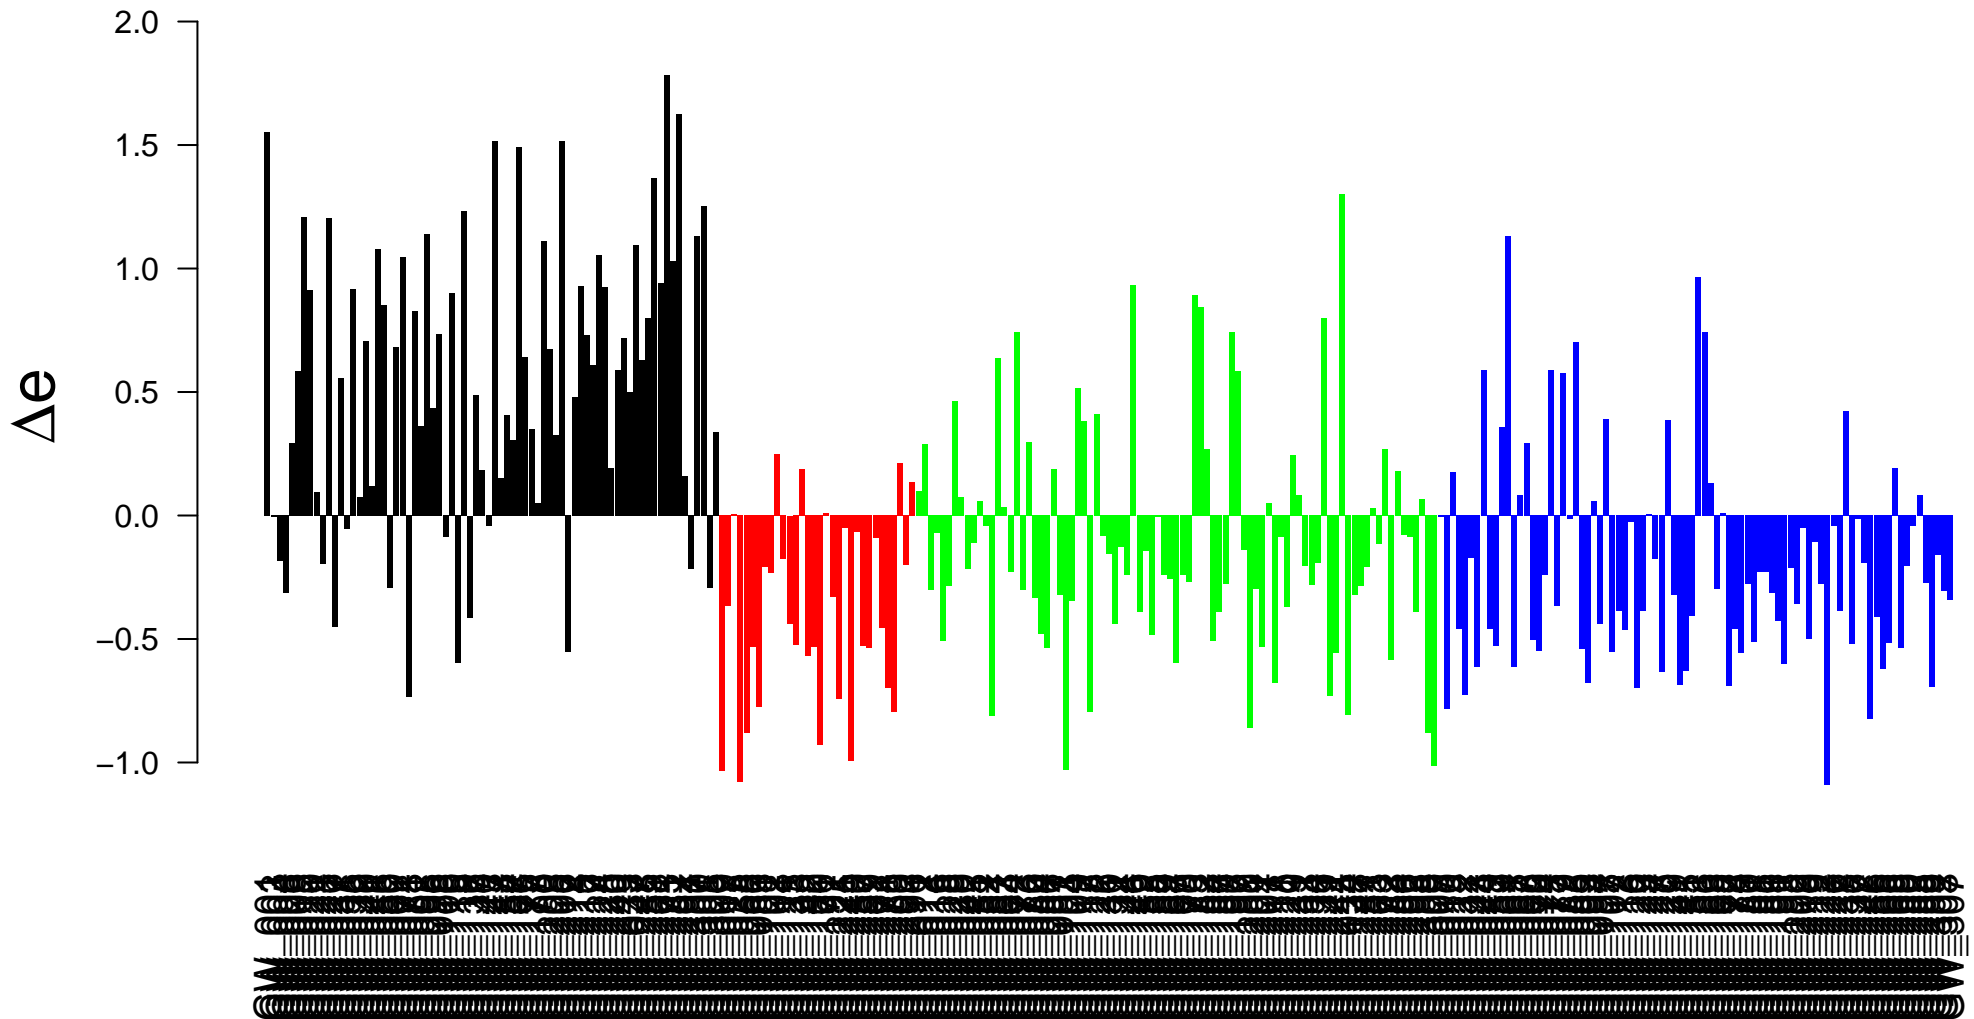

Expression of positive regulation of tumor necrosis factor production in Spot F

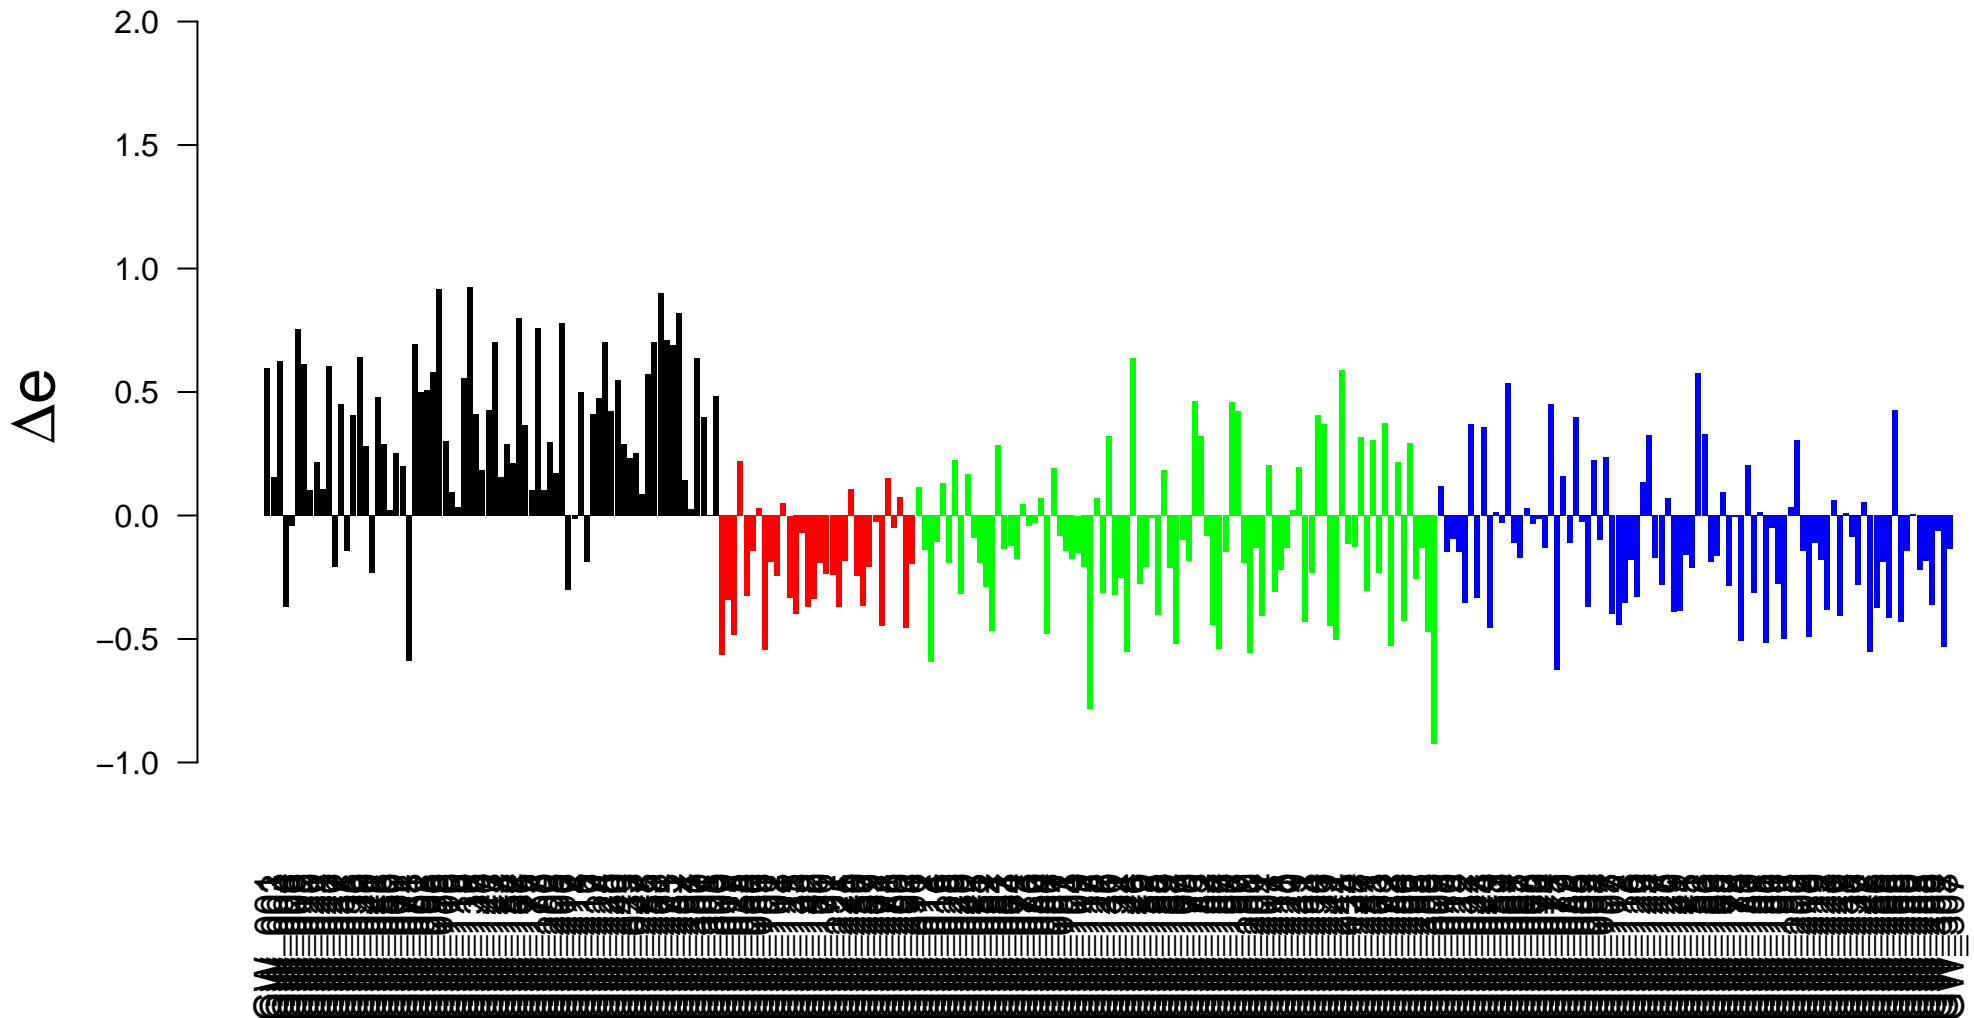

Δe

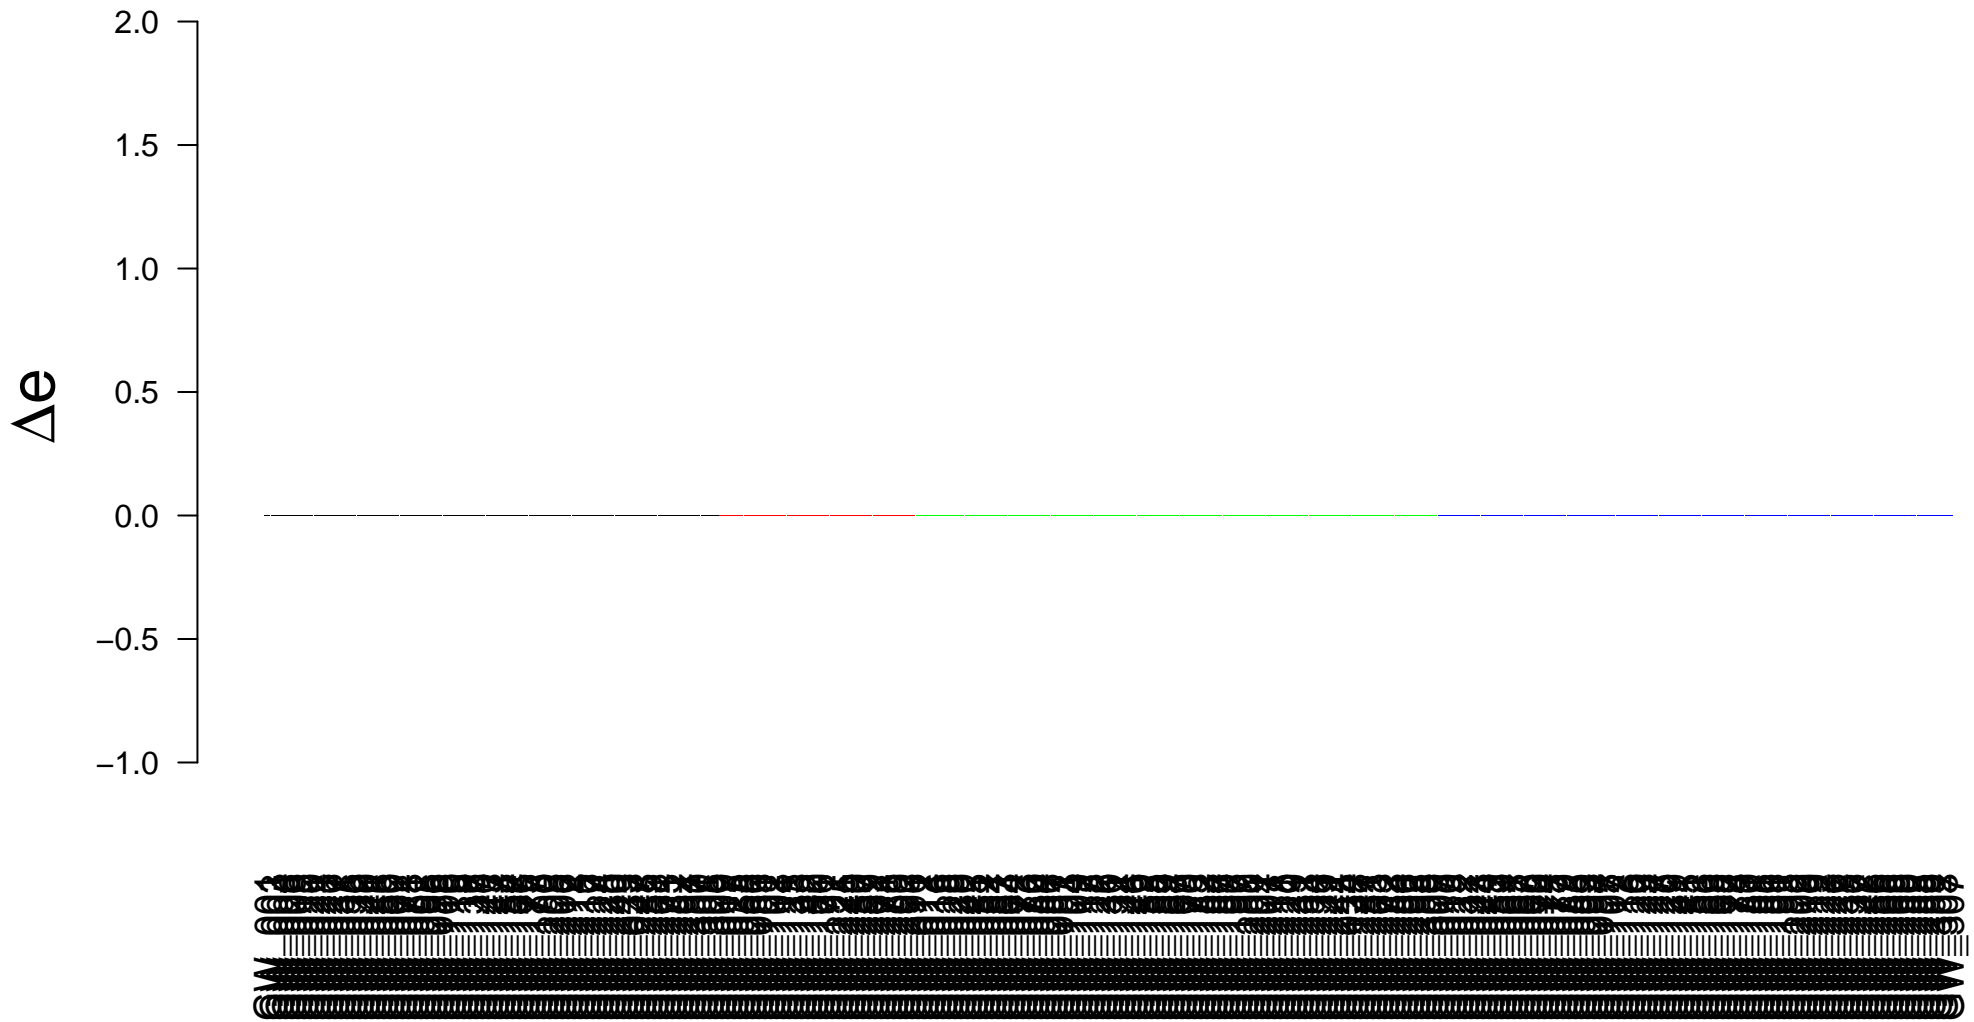

Expression of positive regulation of tumor necrosis factor production in Spot G

Expression of positive regulation of tumor necrosis factor production in Spot H

Expression of positive regulation of tumor necrosis factor production in Spot I

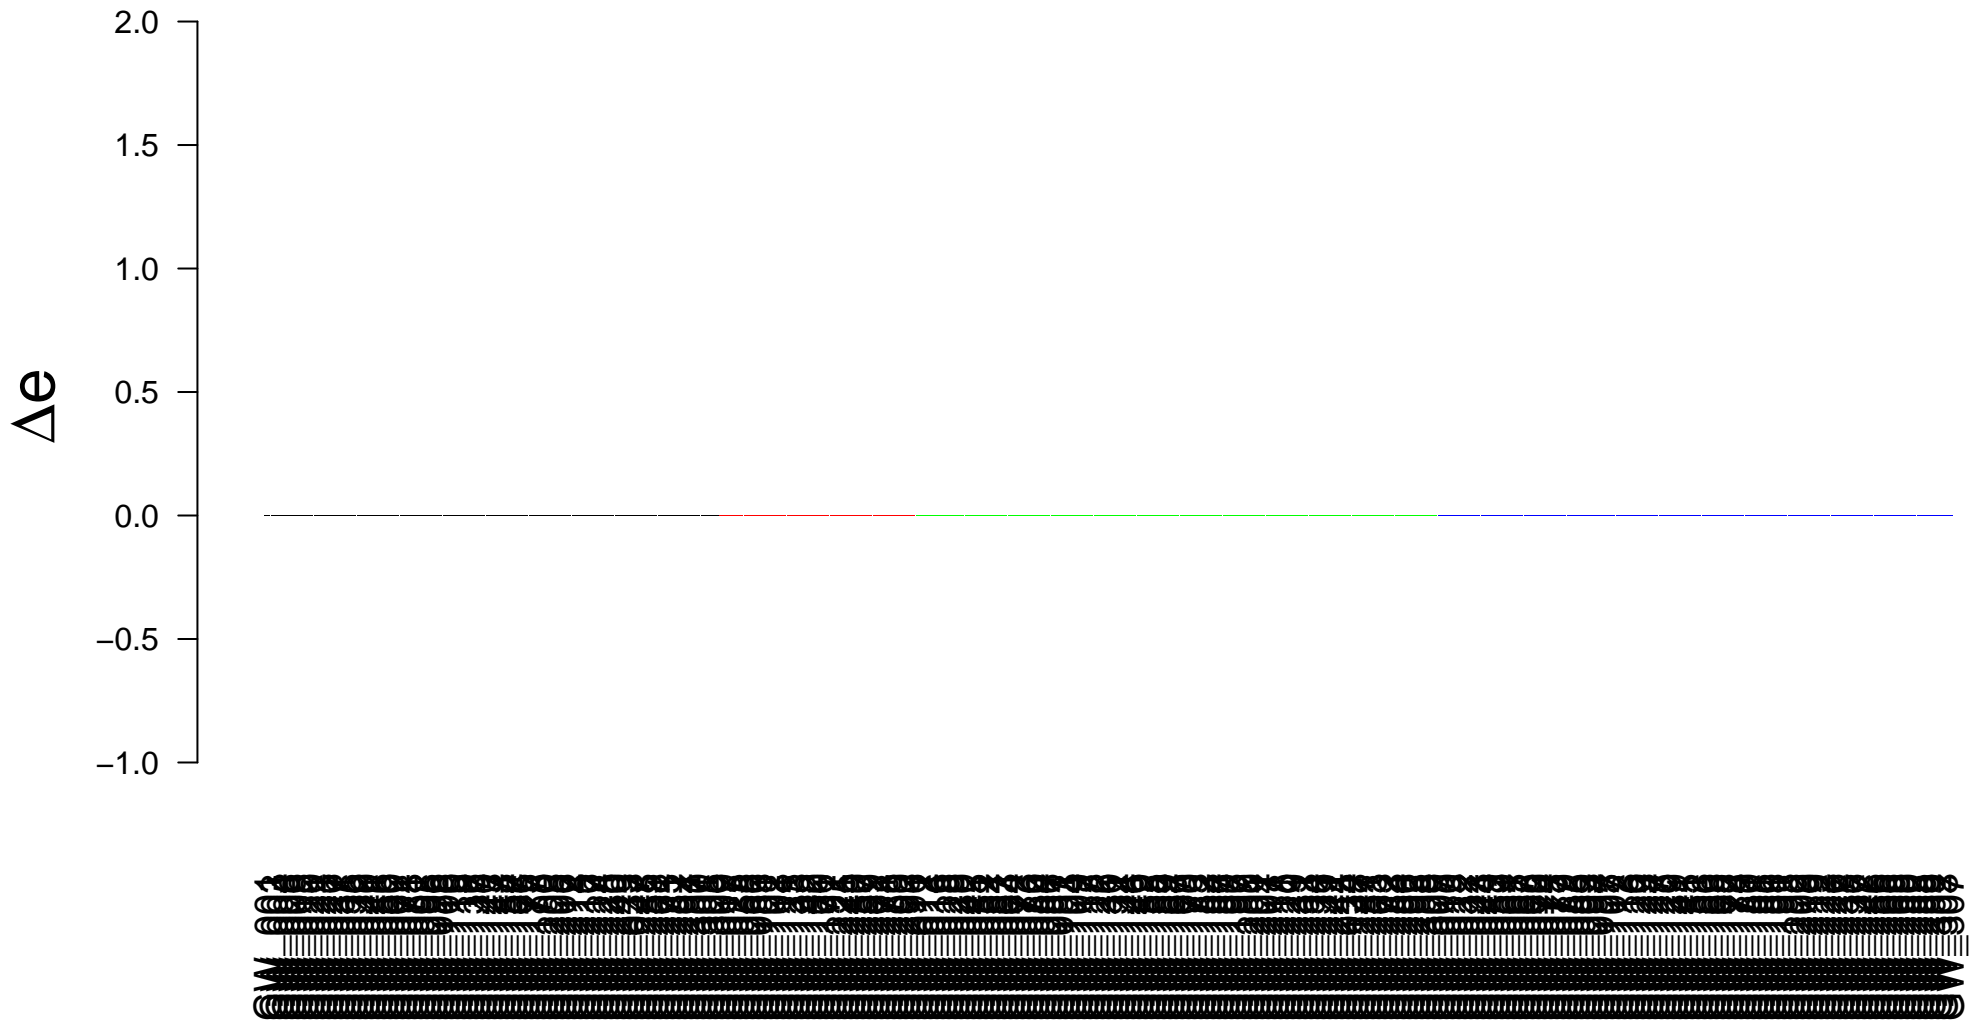

Expression of positive regulation of tumor necrosis factor production in Spot J
