

positive regulation of vasoconstriction

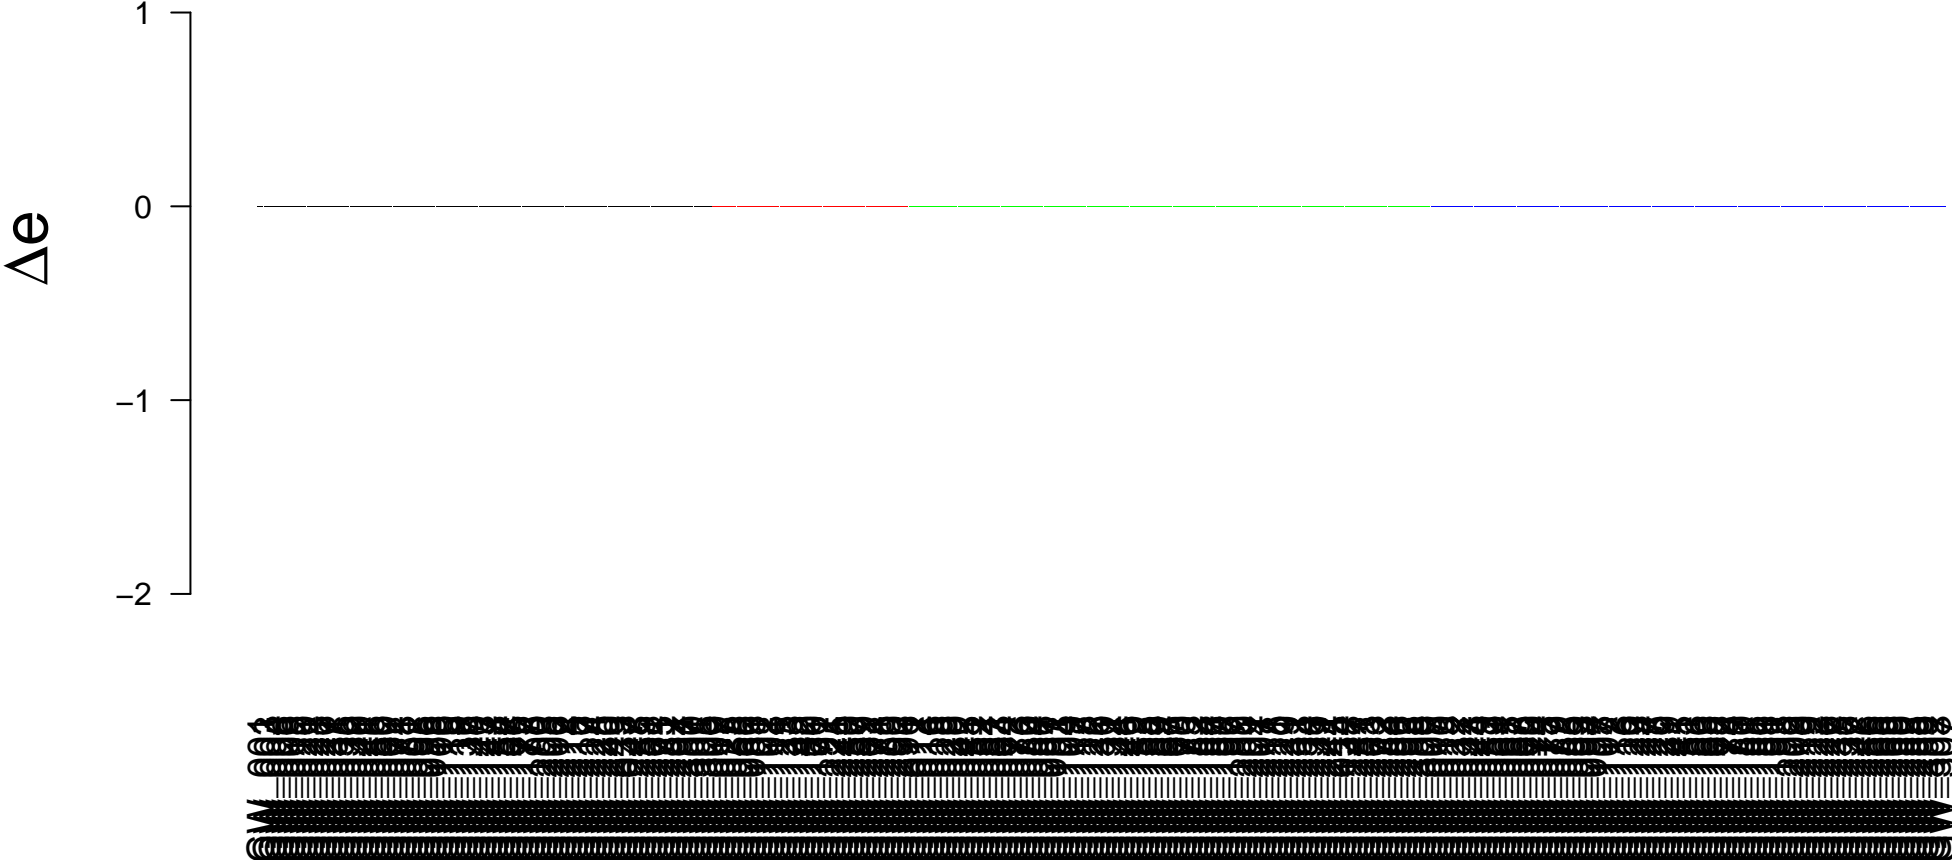

positive regulation of vasoconstriction

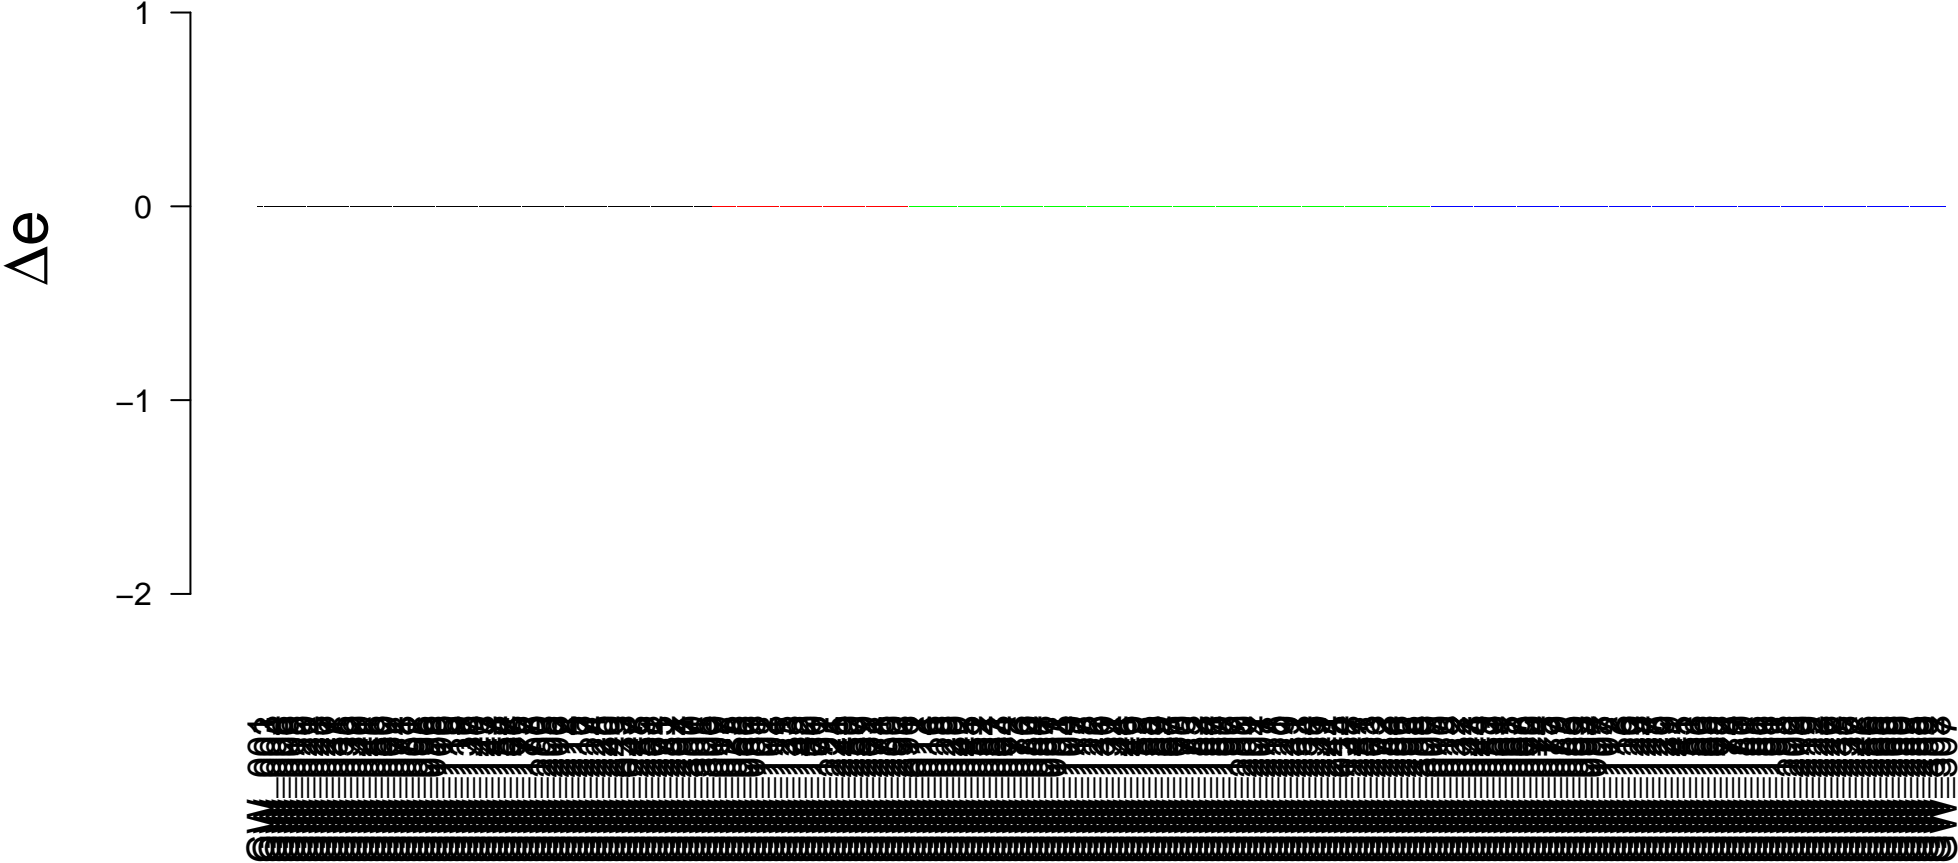

Enrichment in spots: positive regulation of vasoconstriction

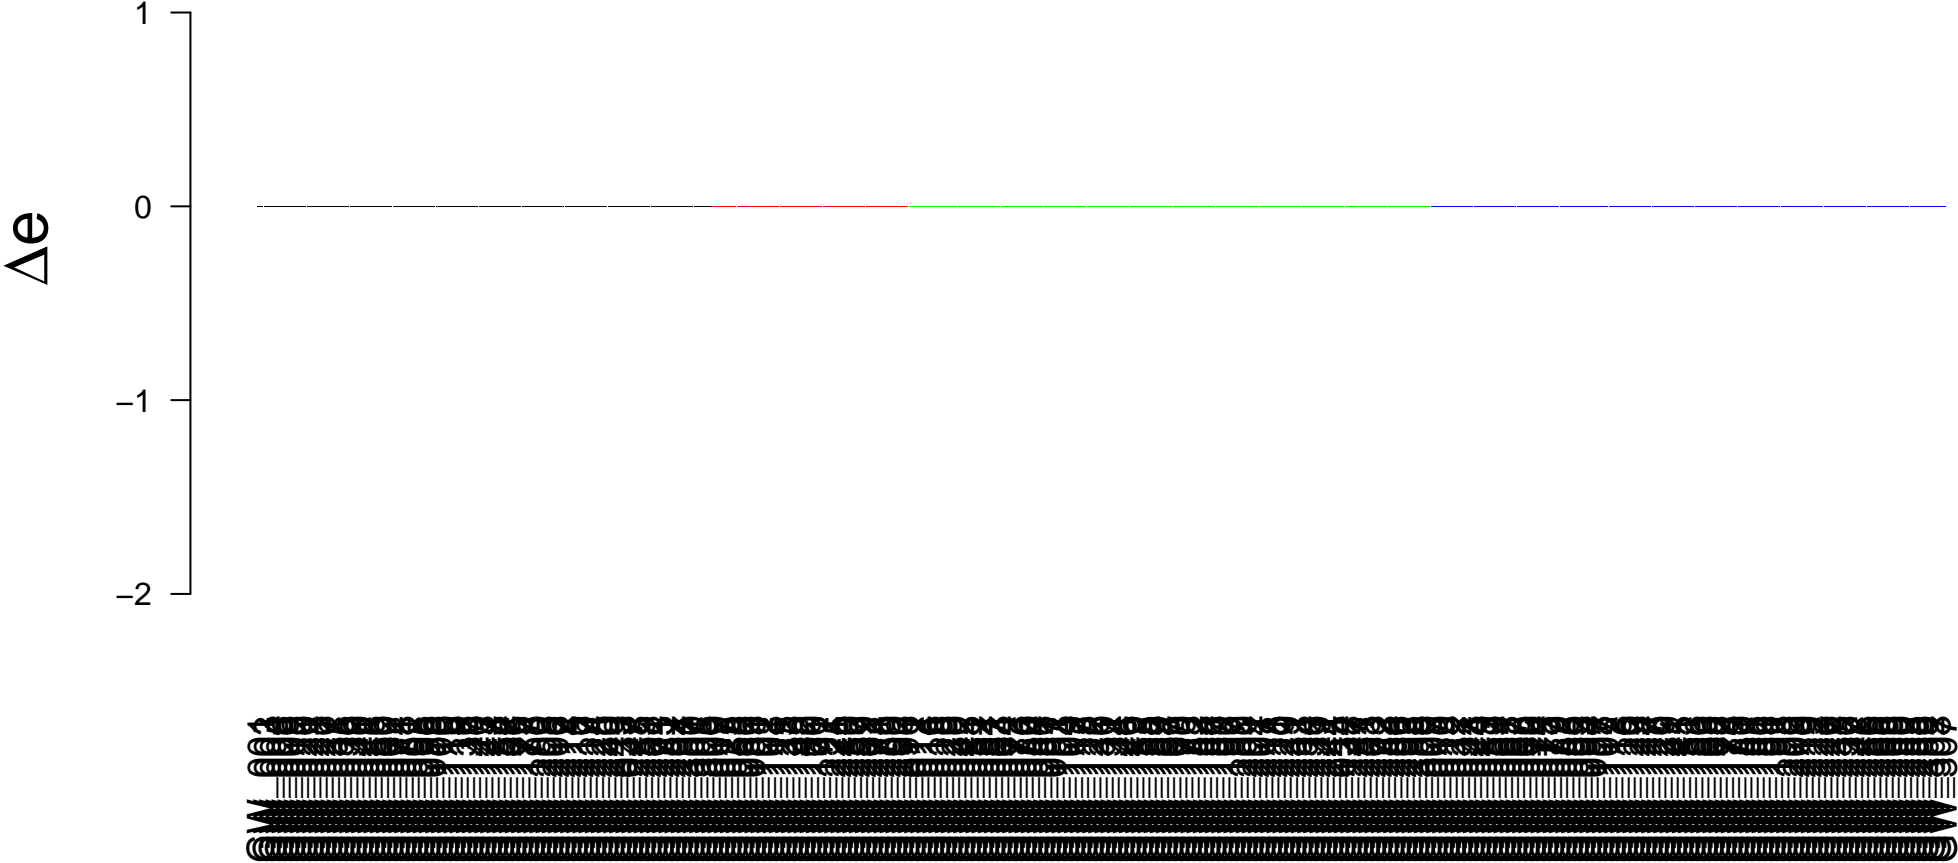

Expression of positive regulation of vasoconstriction in Spot A

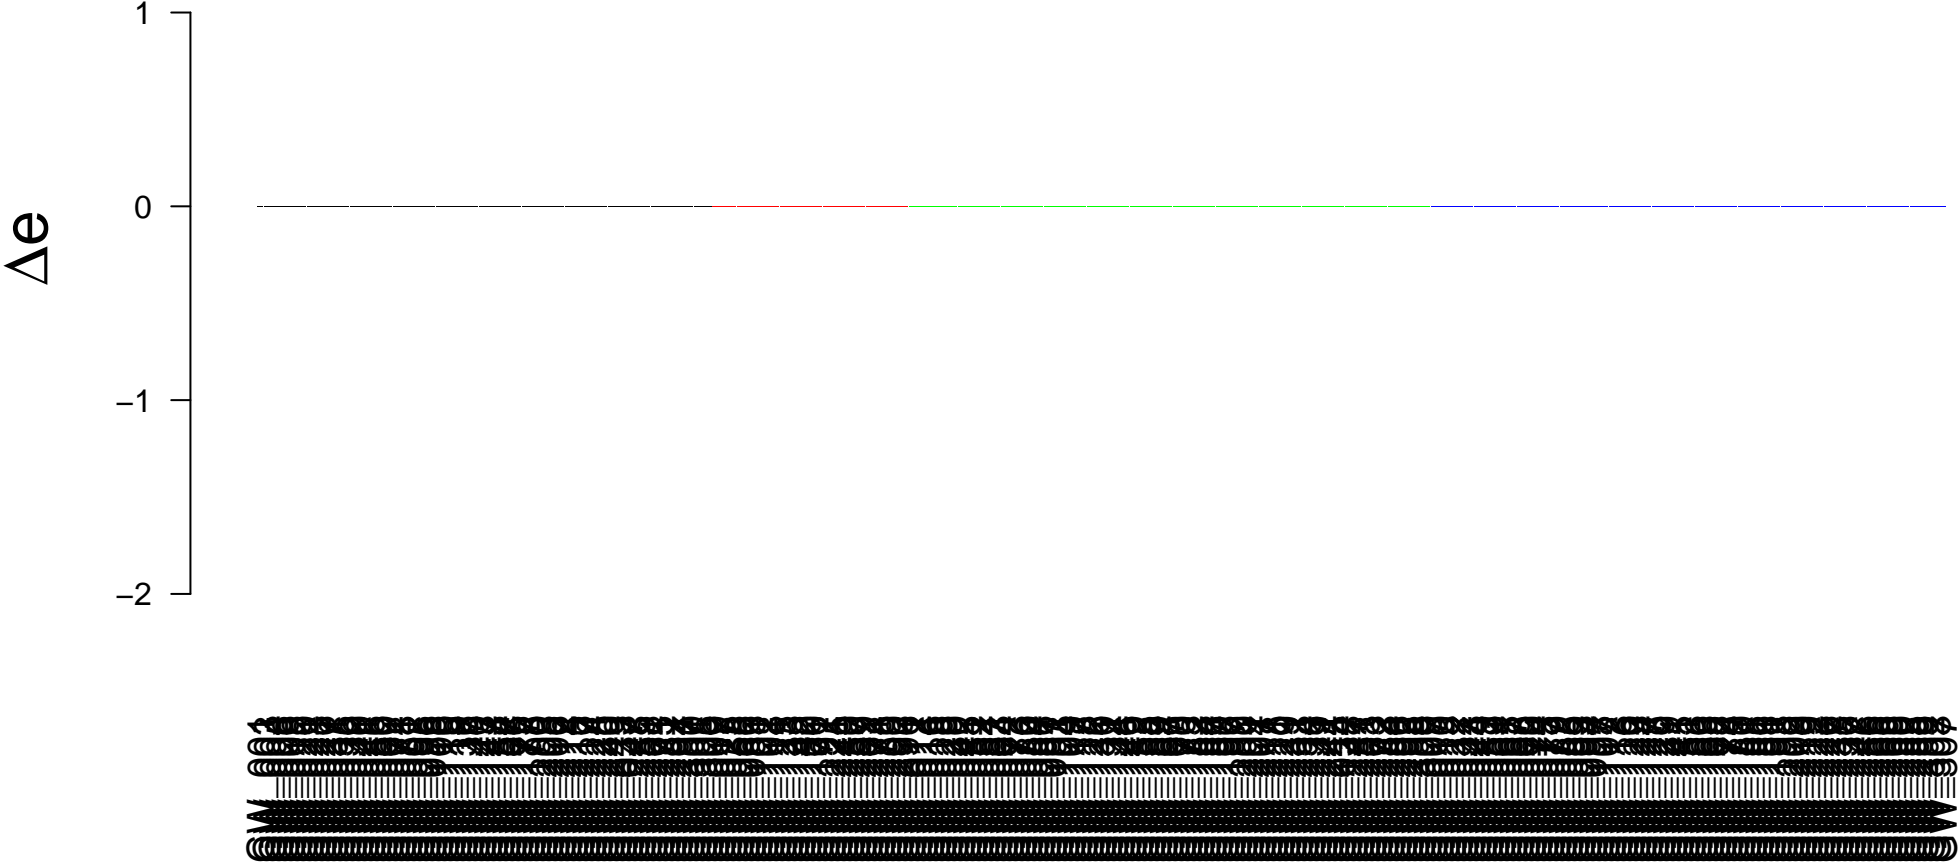

Expression of positive regulation of vasoconstriction in Spot B

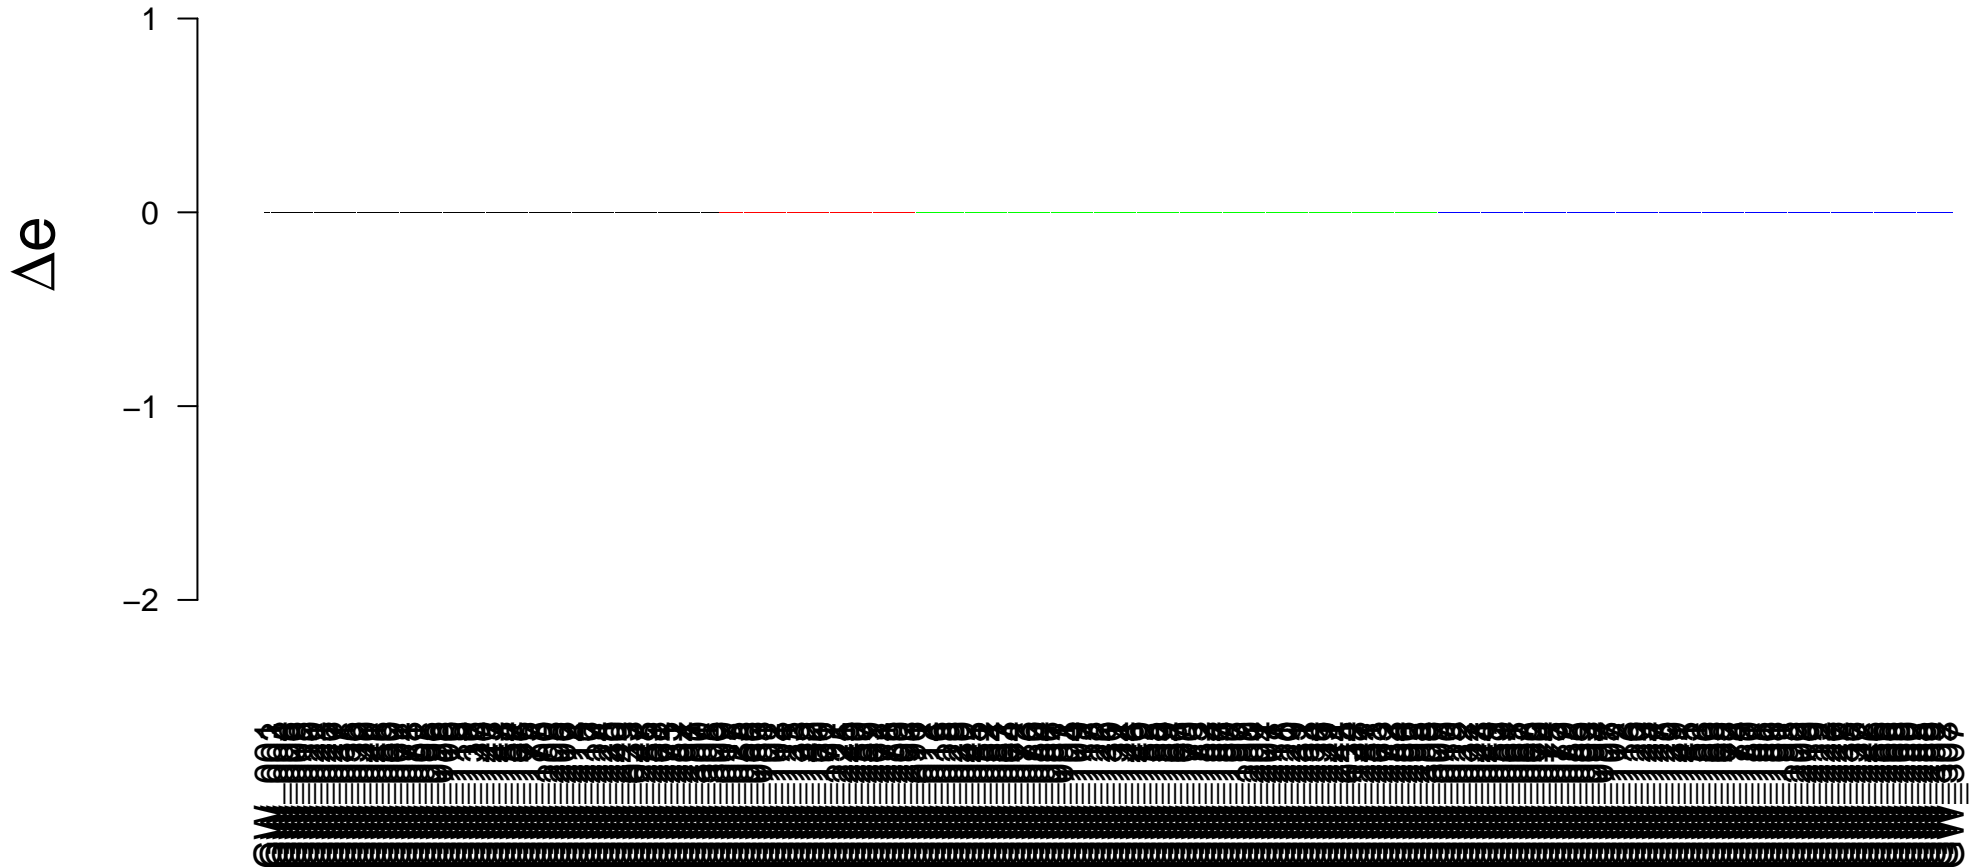

Expression of positive regulation of vasoconstriction in Spot C

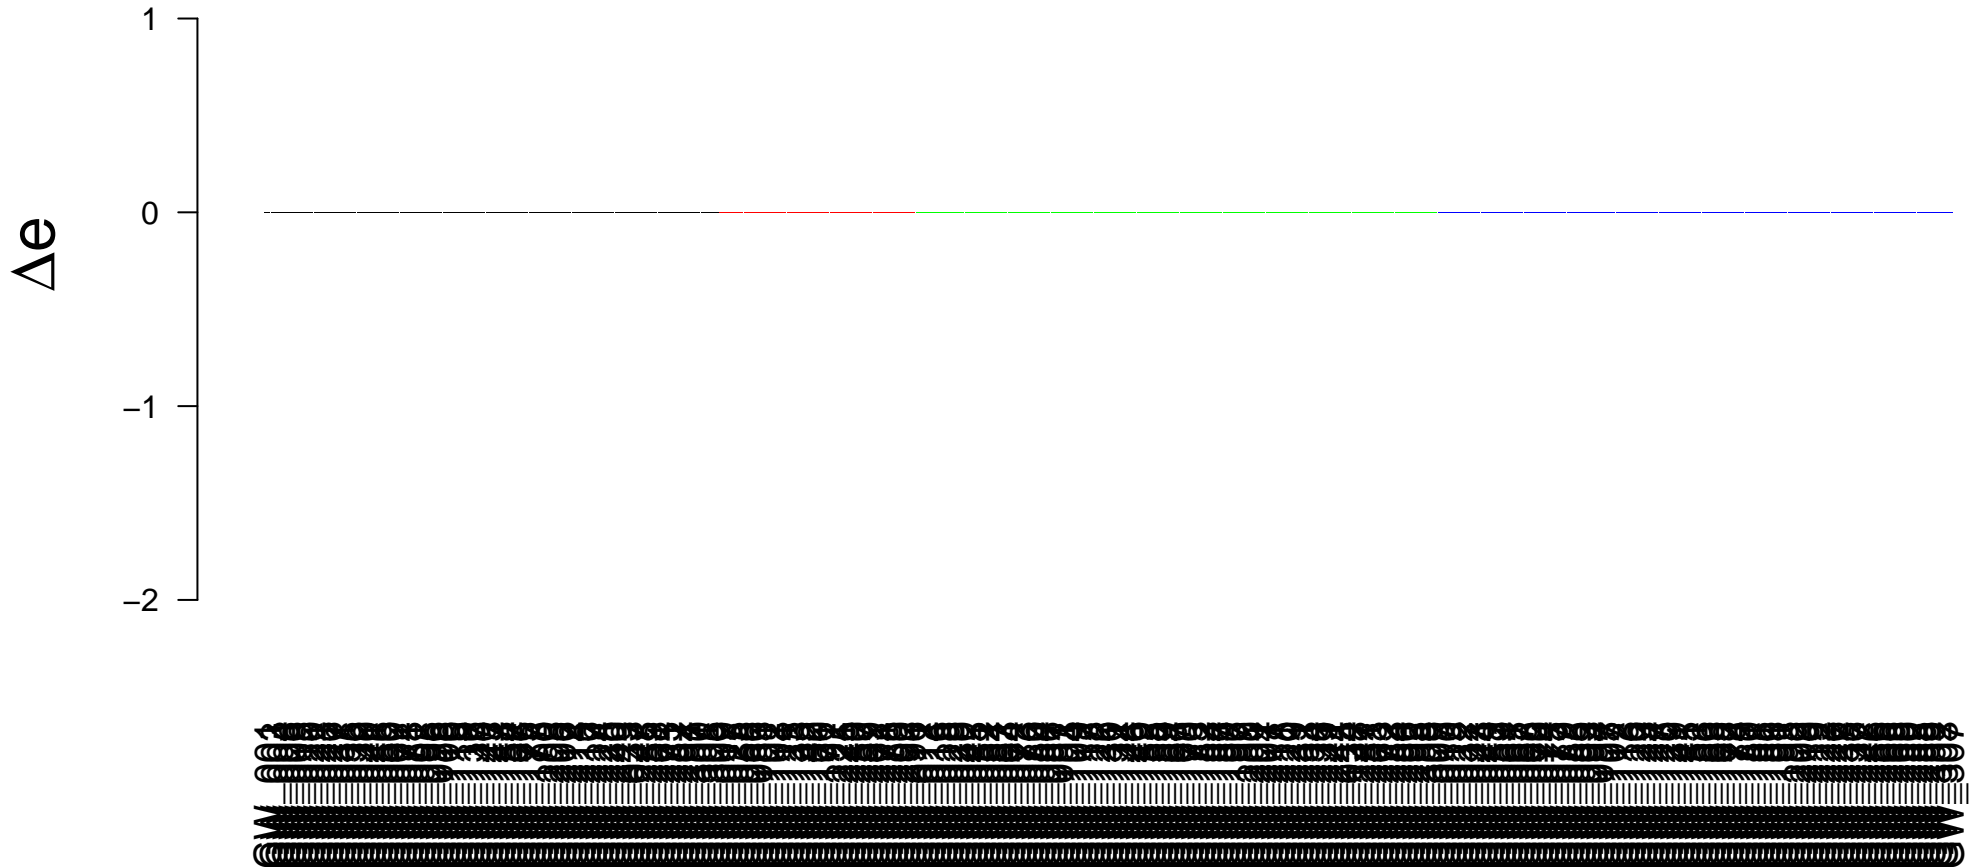

Expression of positive regulation of vasoconstriction in Spot D

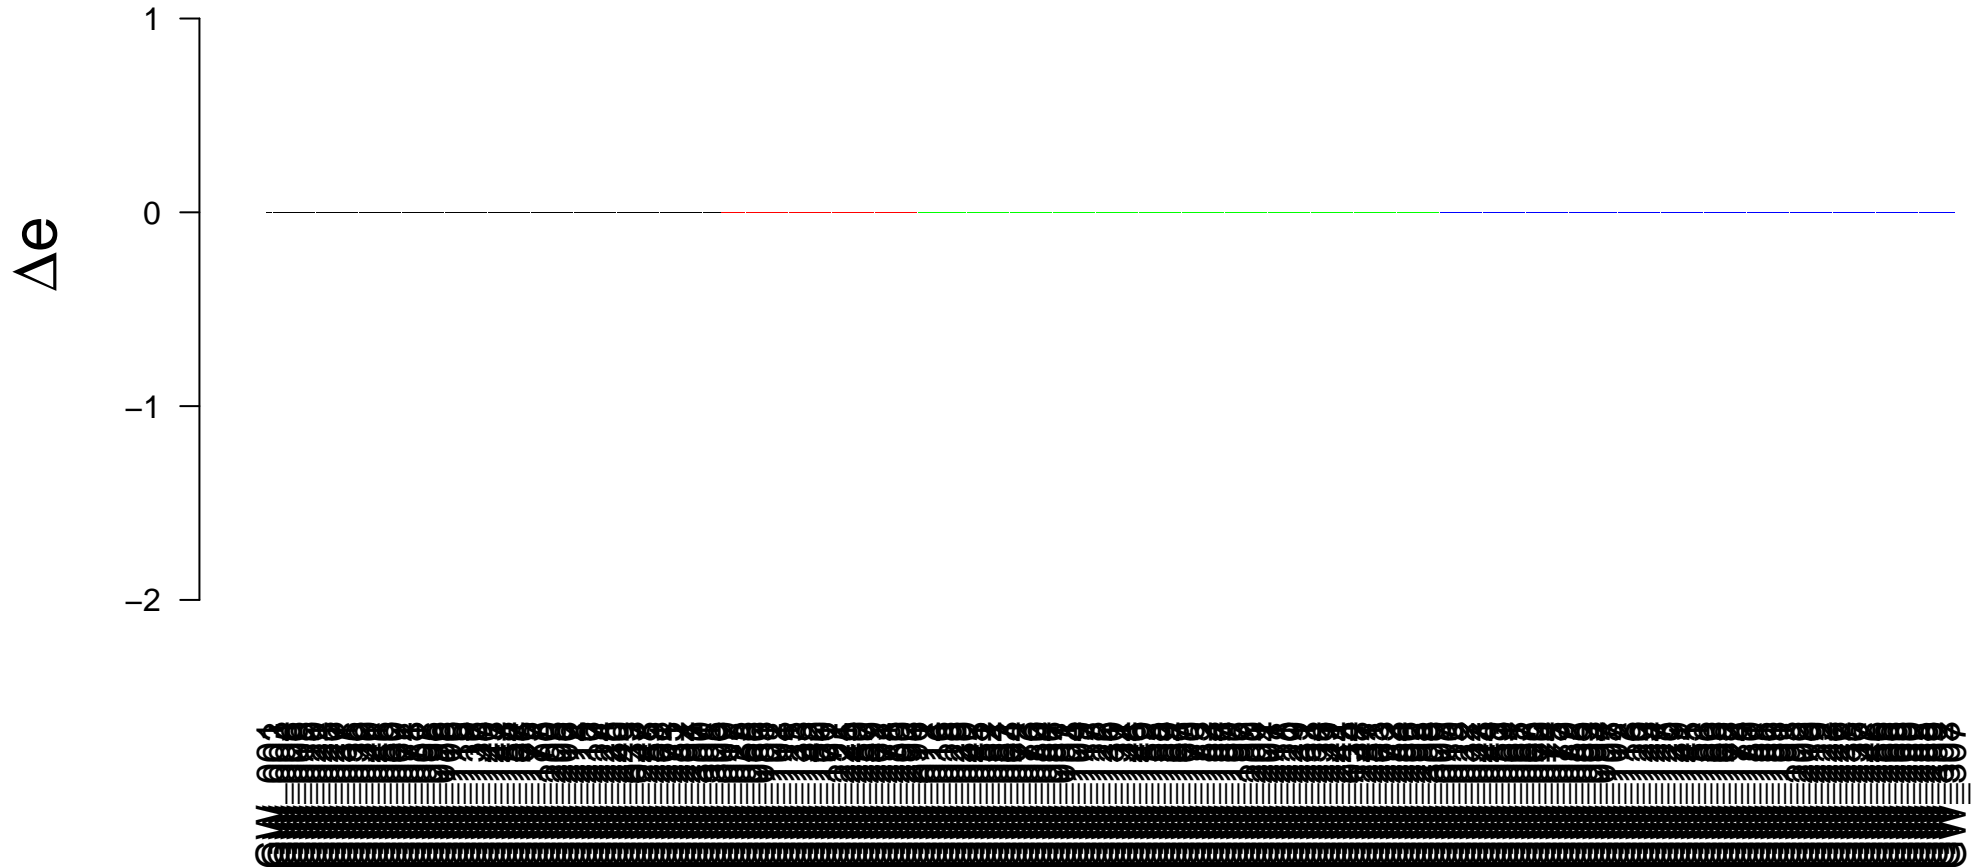

Expression of positive regulation of vasoconstriction in Spot E

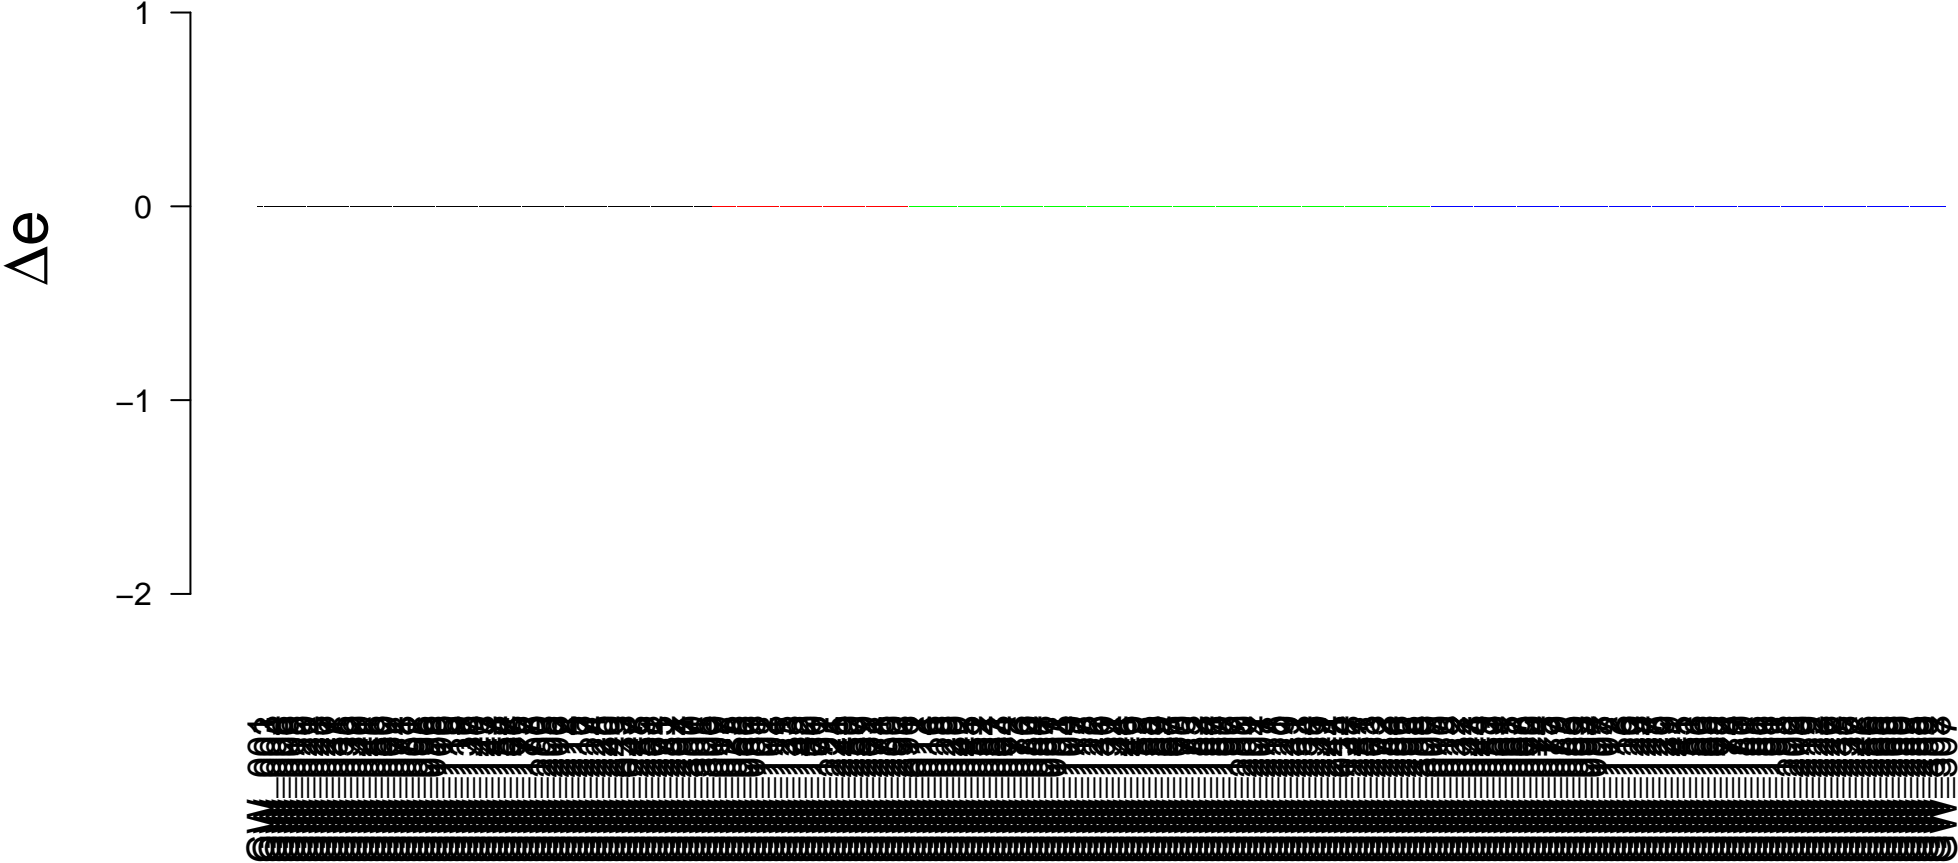

Expression of positive regulation of vasoconstriction in Spot F

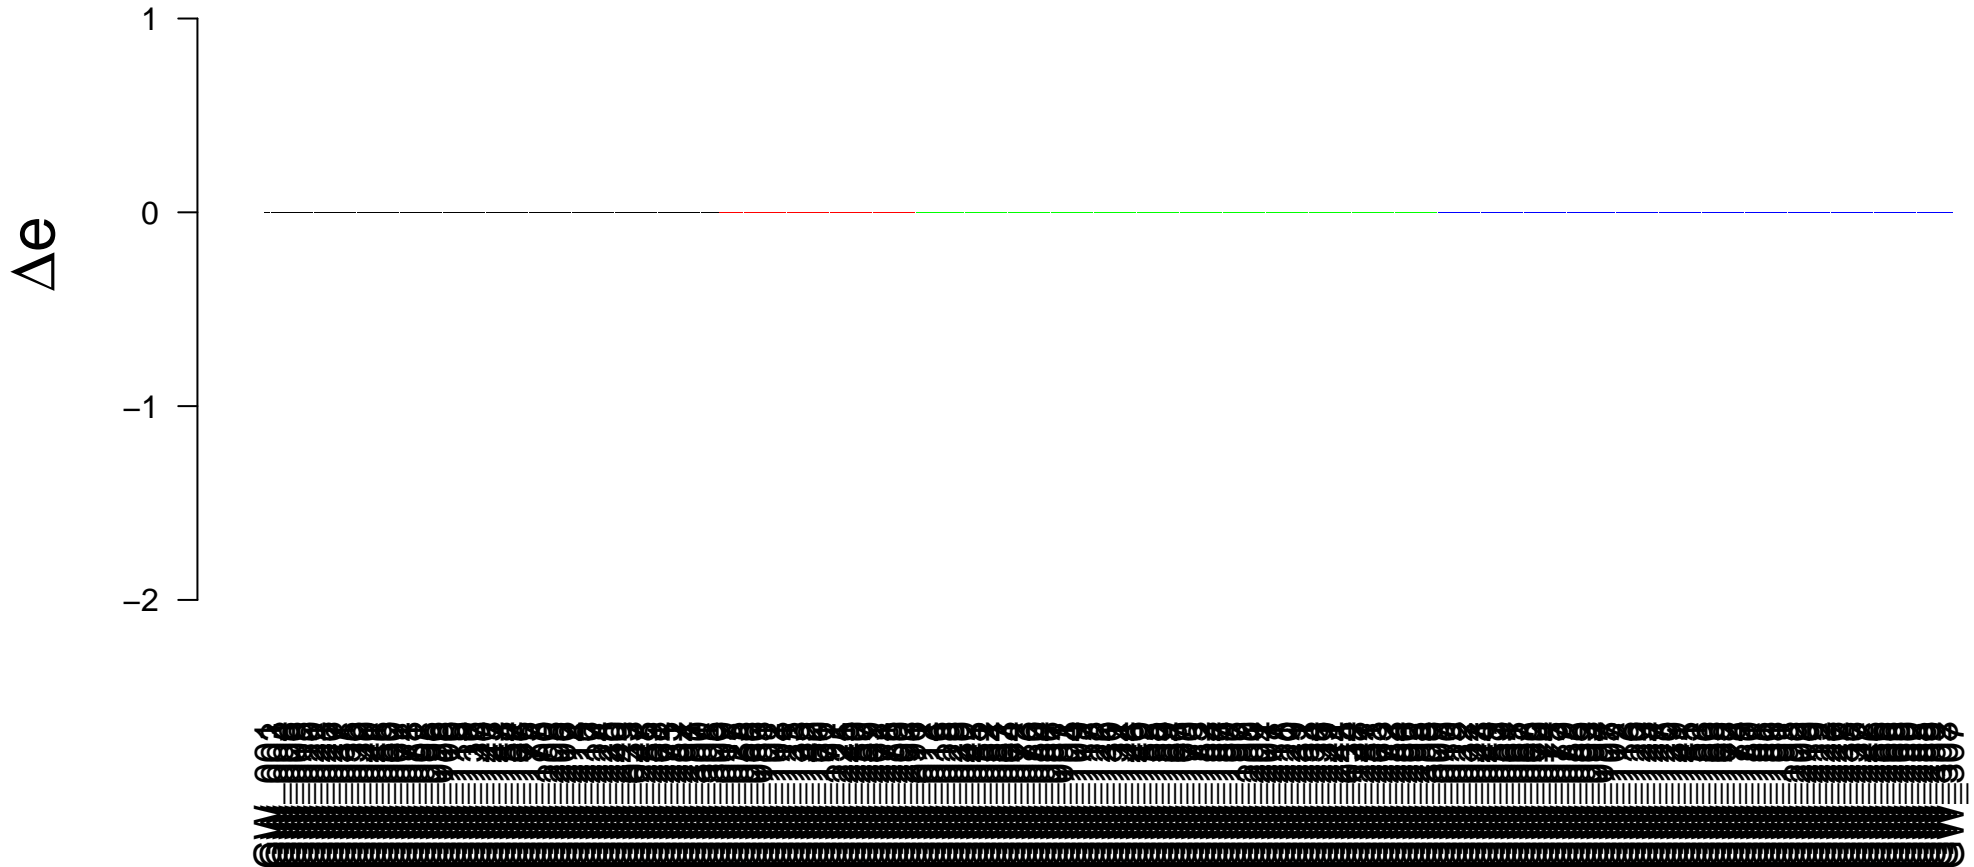

Expression of positive regulation of vasoconstriction in Spot G

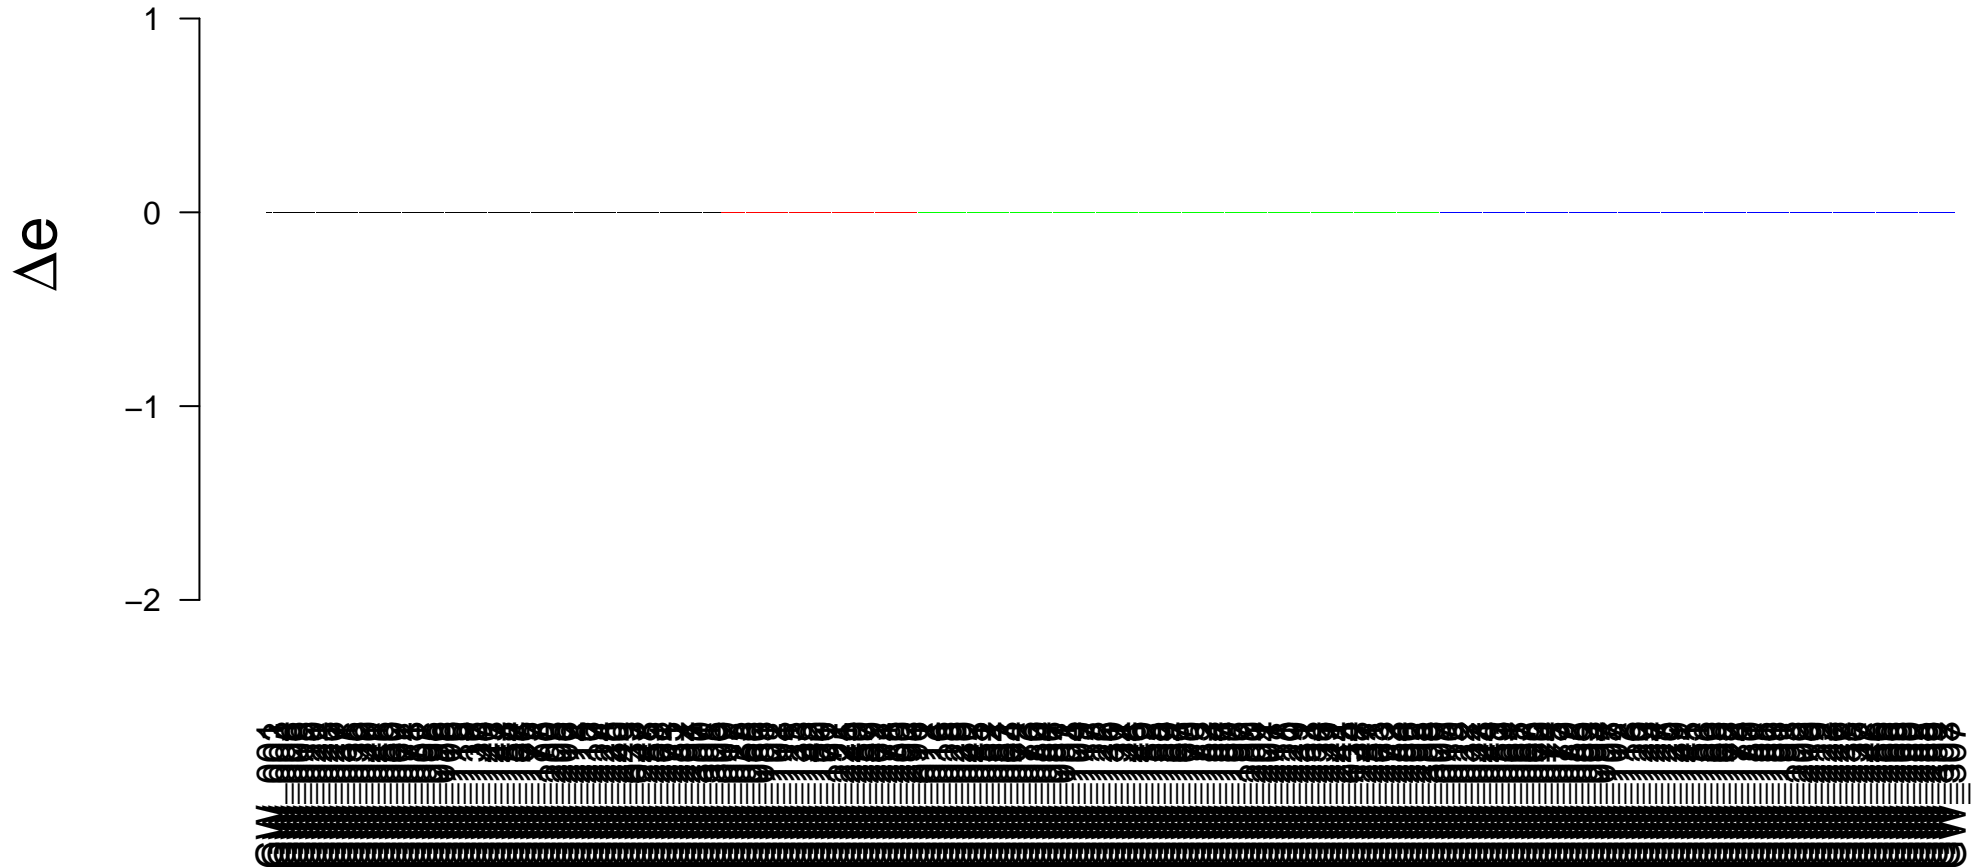

Expression of positive regulation of vasoconstriction in Spot H

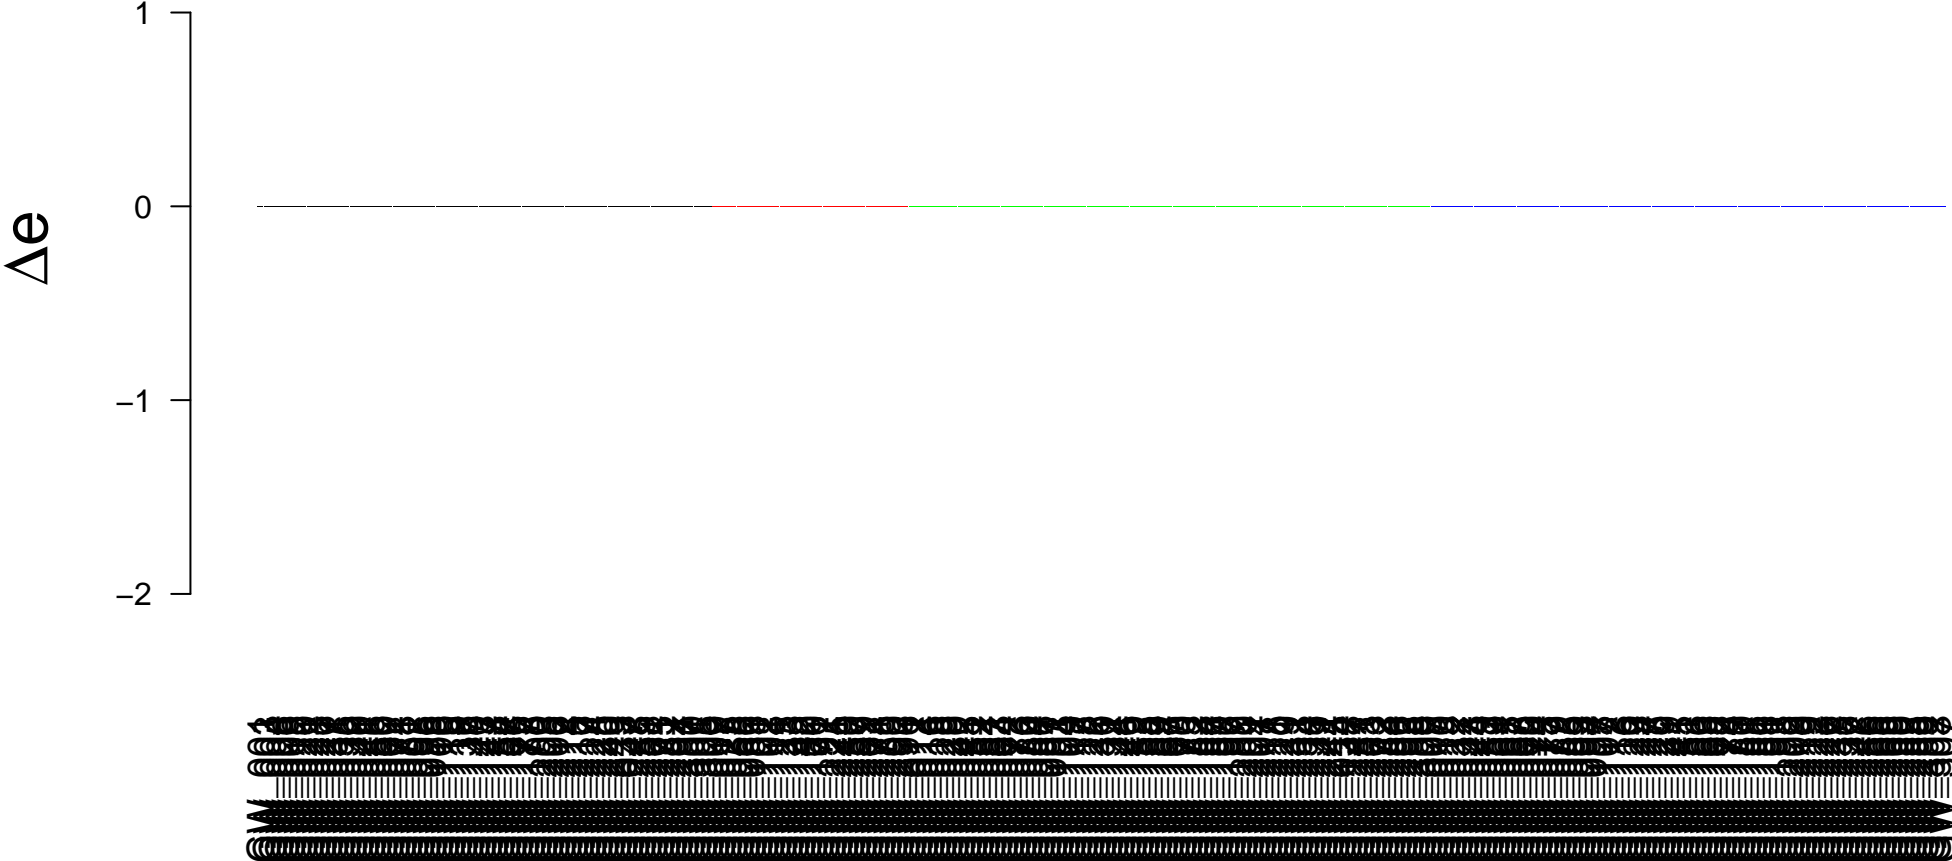

Expression of positive regulation of vasoconstriction in Spot I

Expression of positive regulation of vasoconstriction in Spot J

Expression of positive regulation of vasoconstriction in Spot K

Expression of positive regulation of vasoconstriction in Spot L
