

post-anal tail morphogenesis

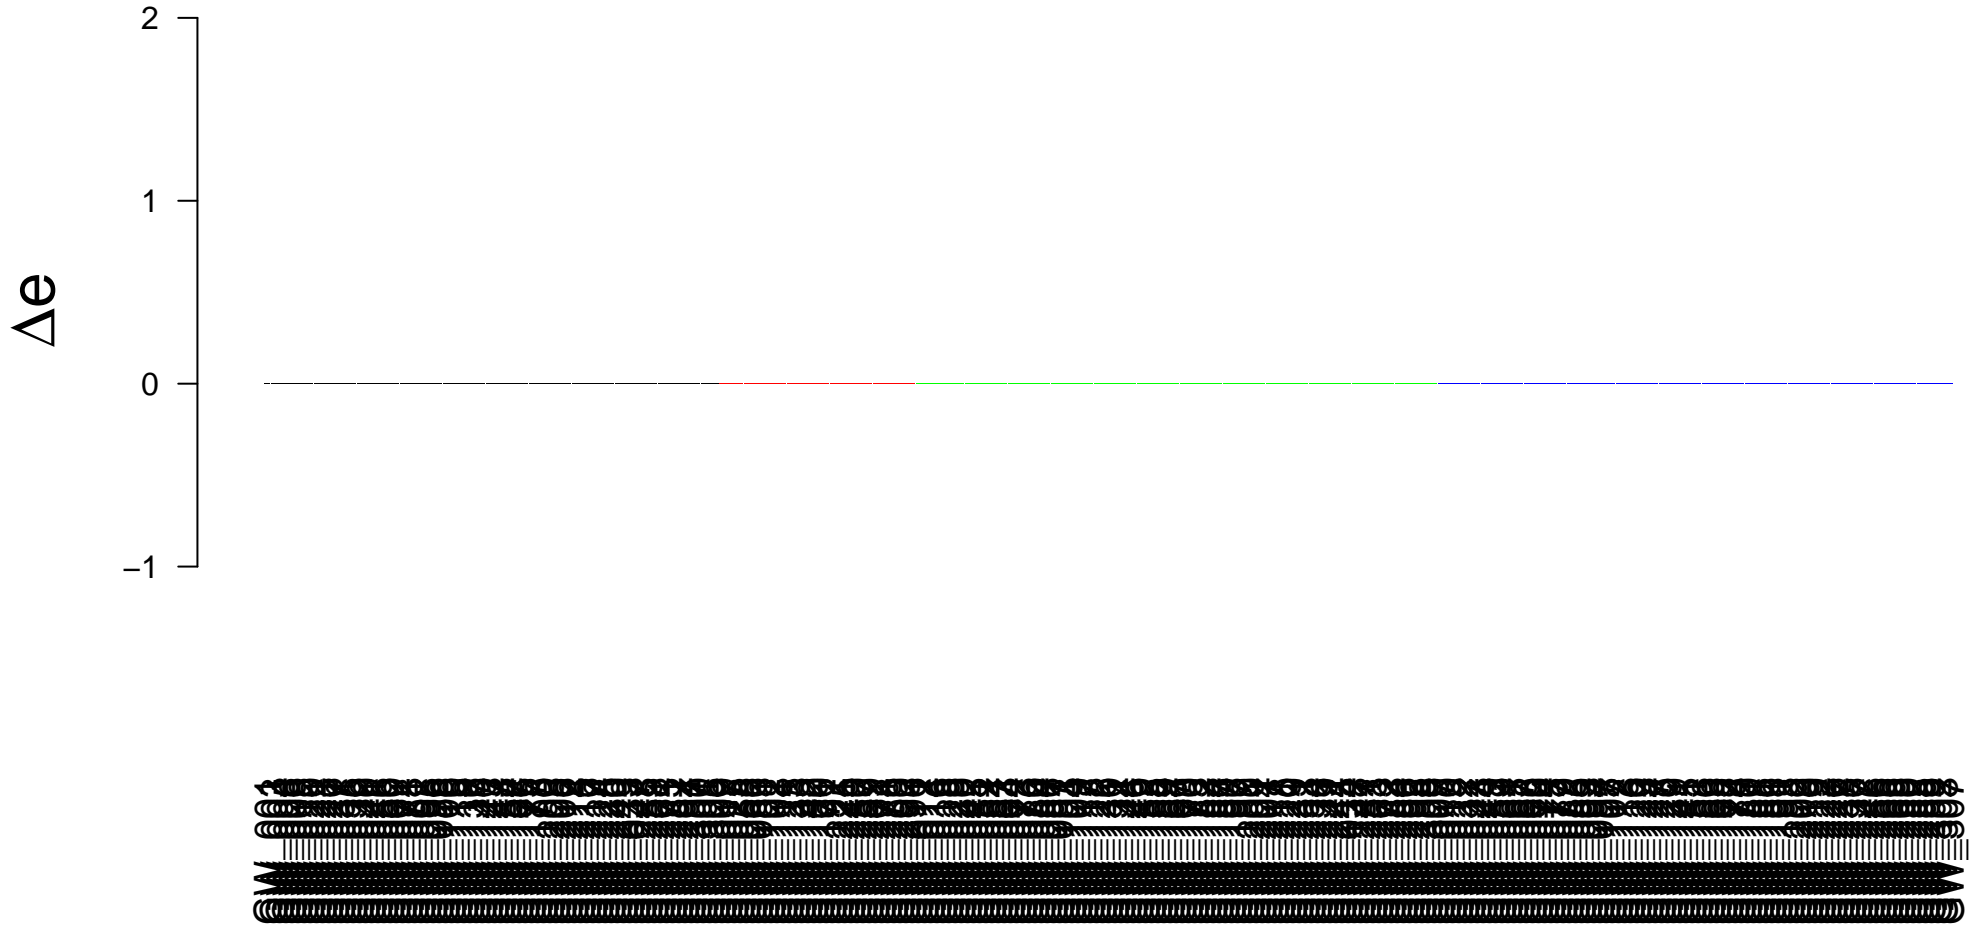

post-anal tail morphogenesis

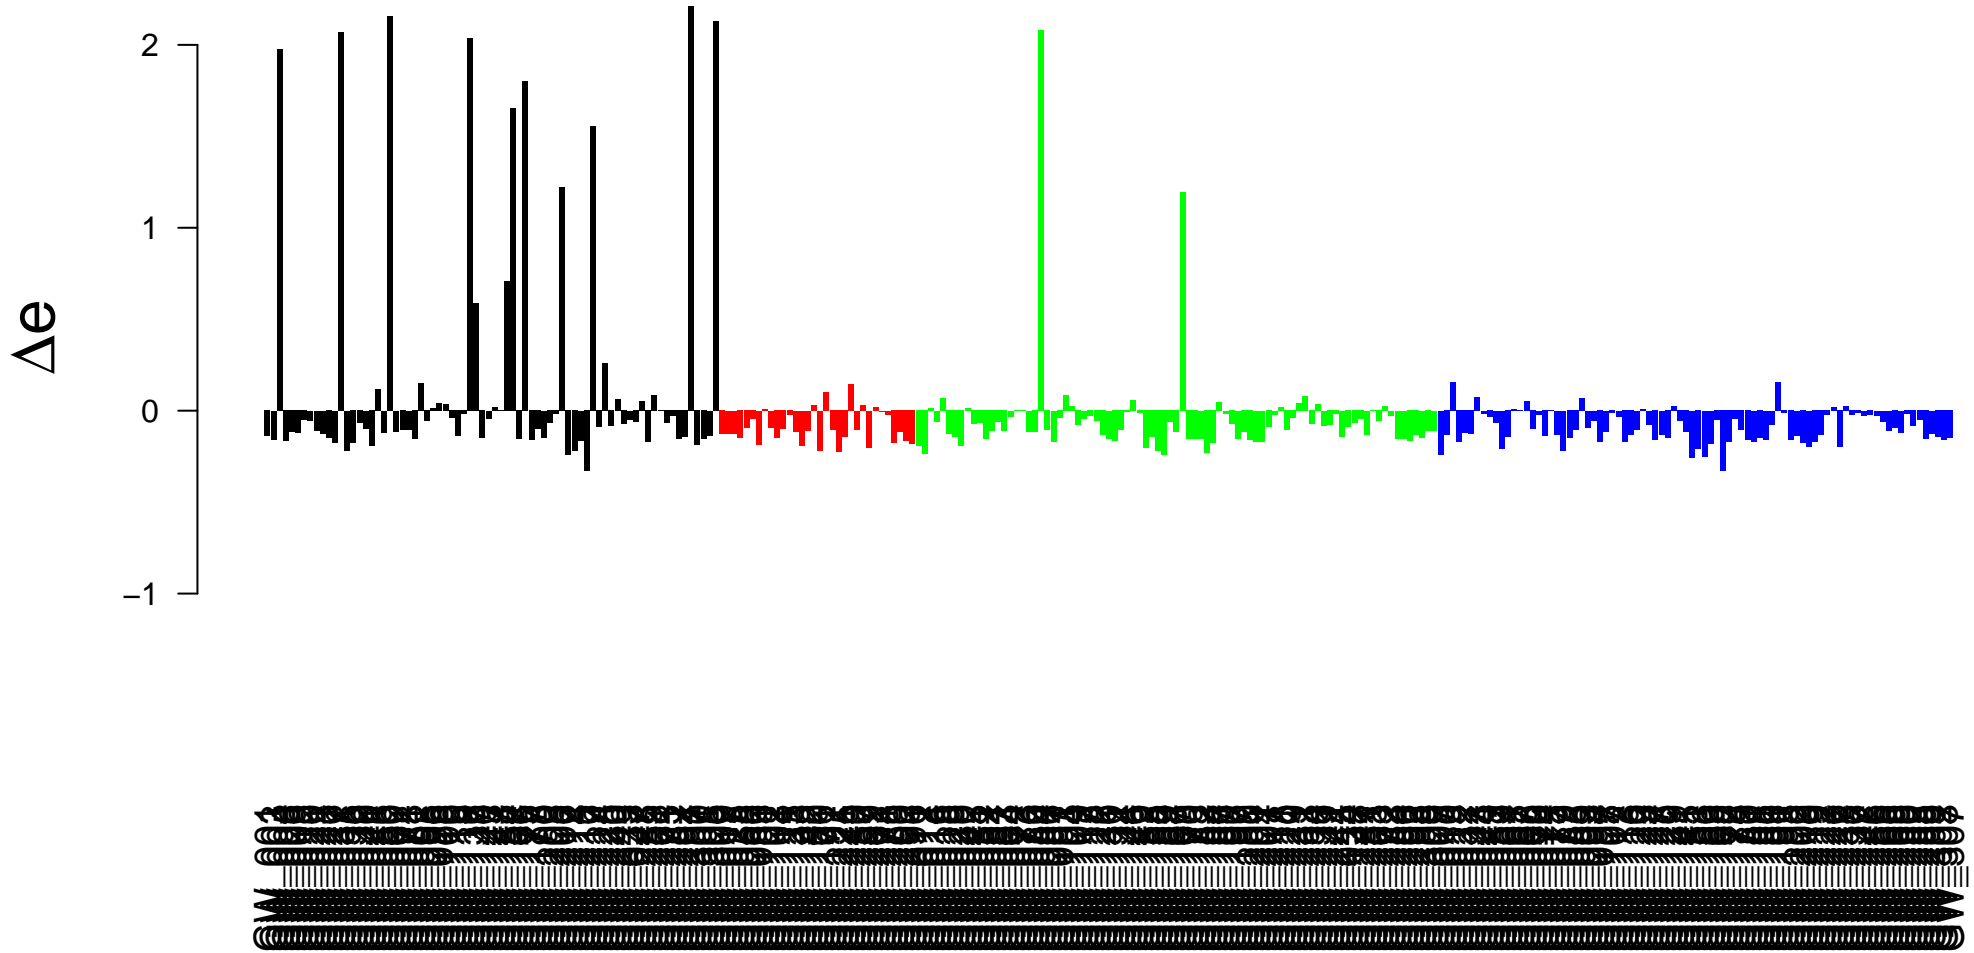

Enrichment in spots: post-anal tail morphogenesis

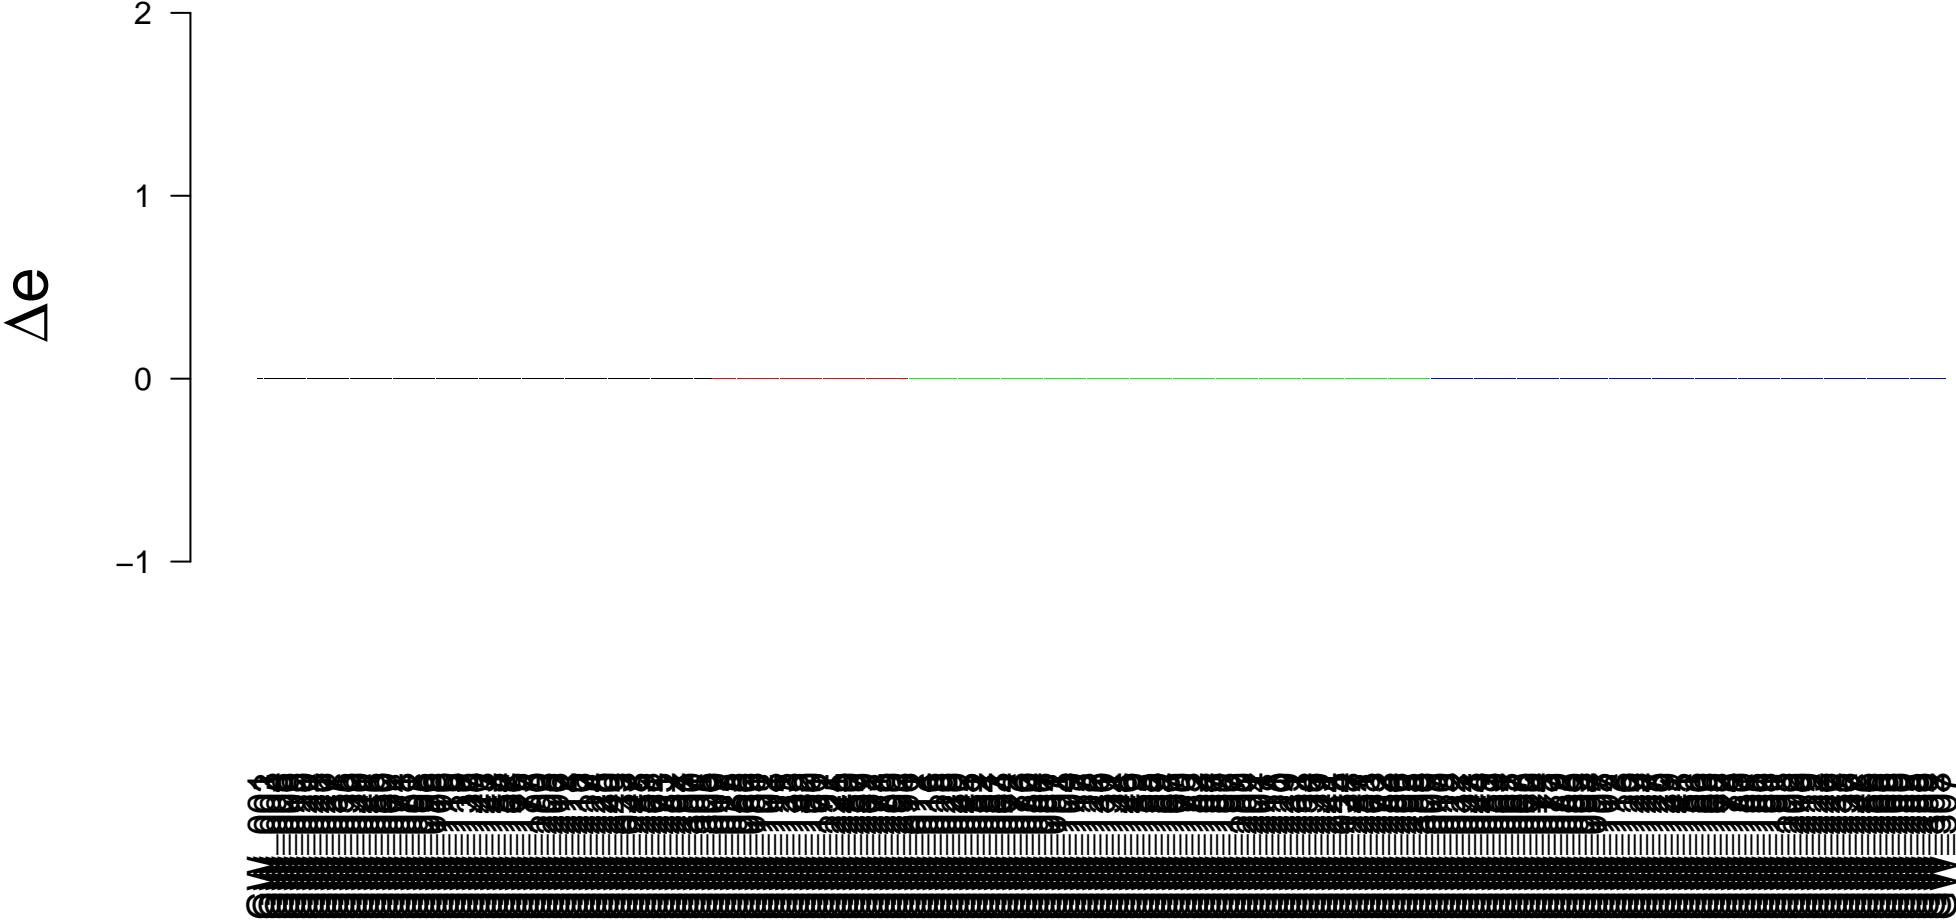

Expression of post-anal tail morphogenesis in Spot A

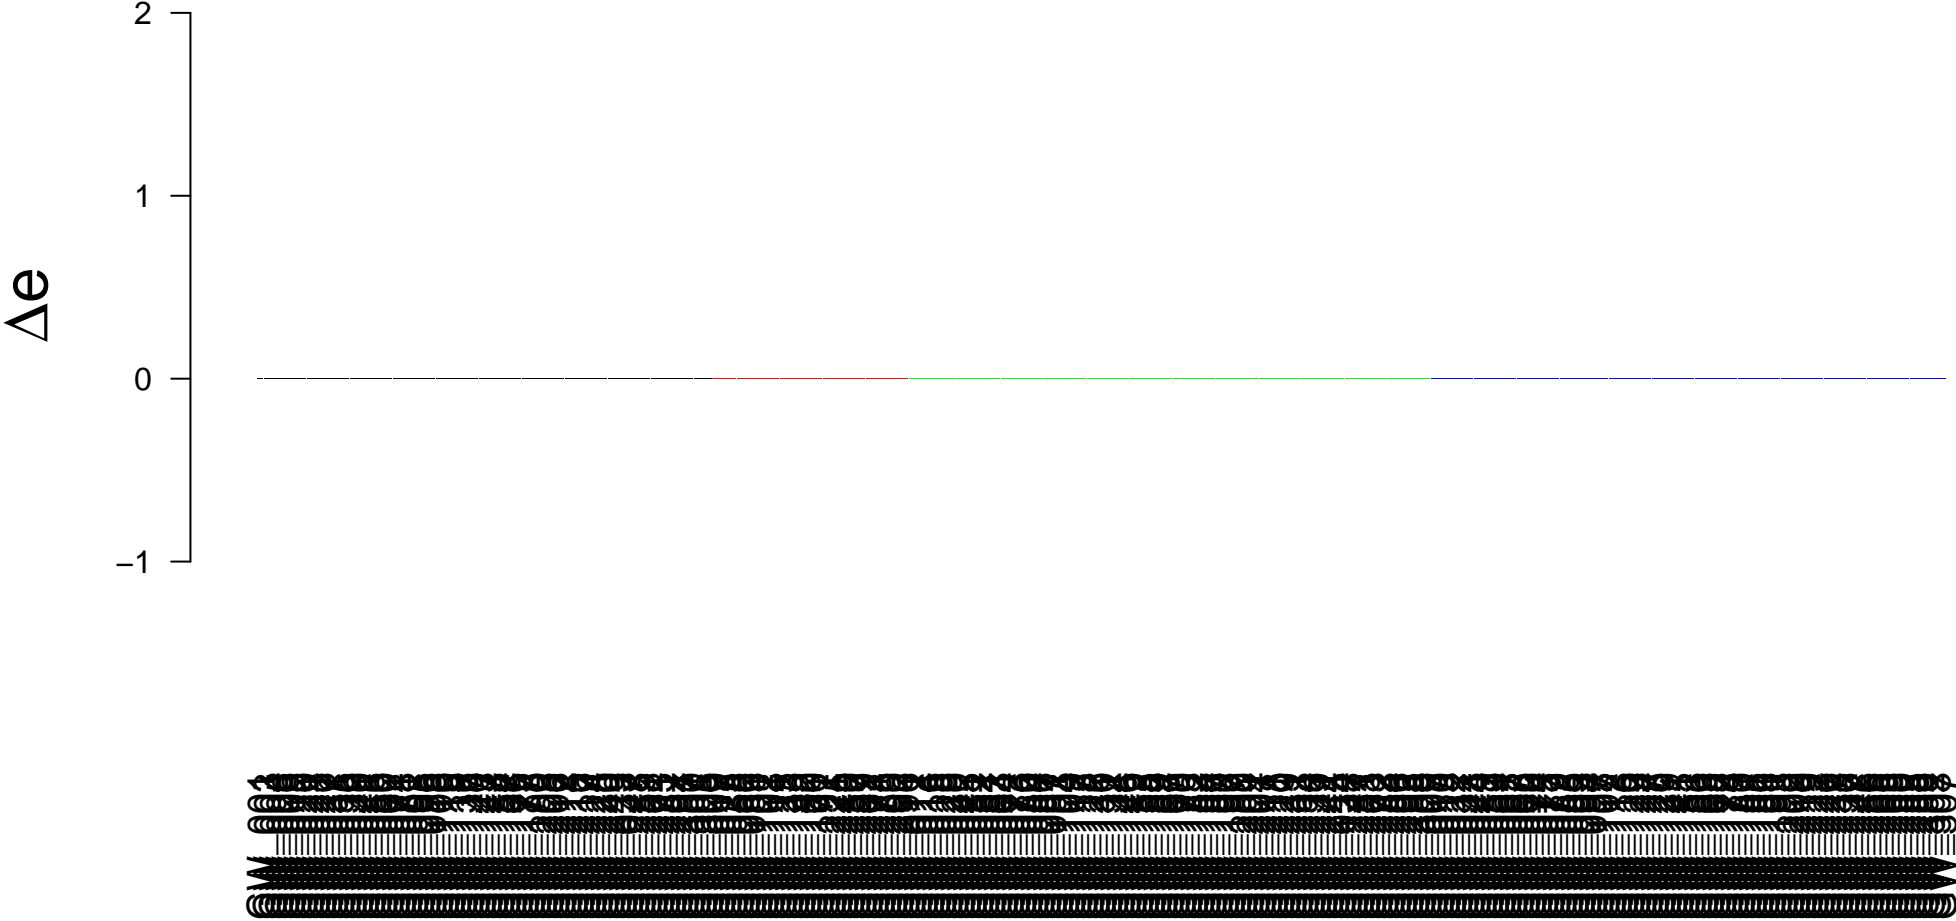

Expression of post-anal tail morphogenesis in Spot B

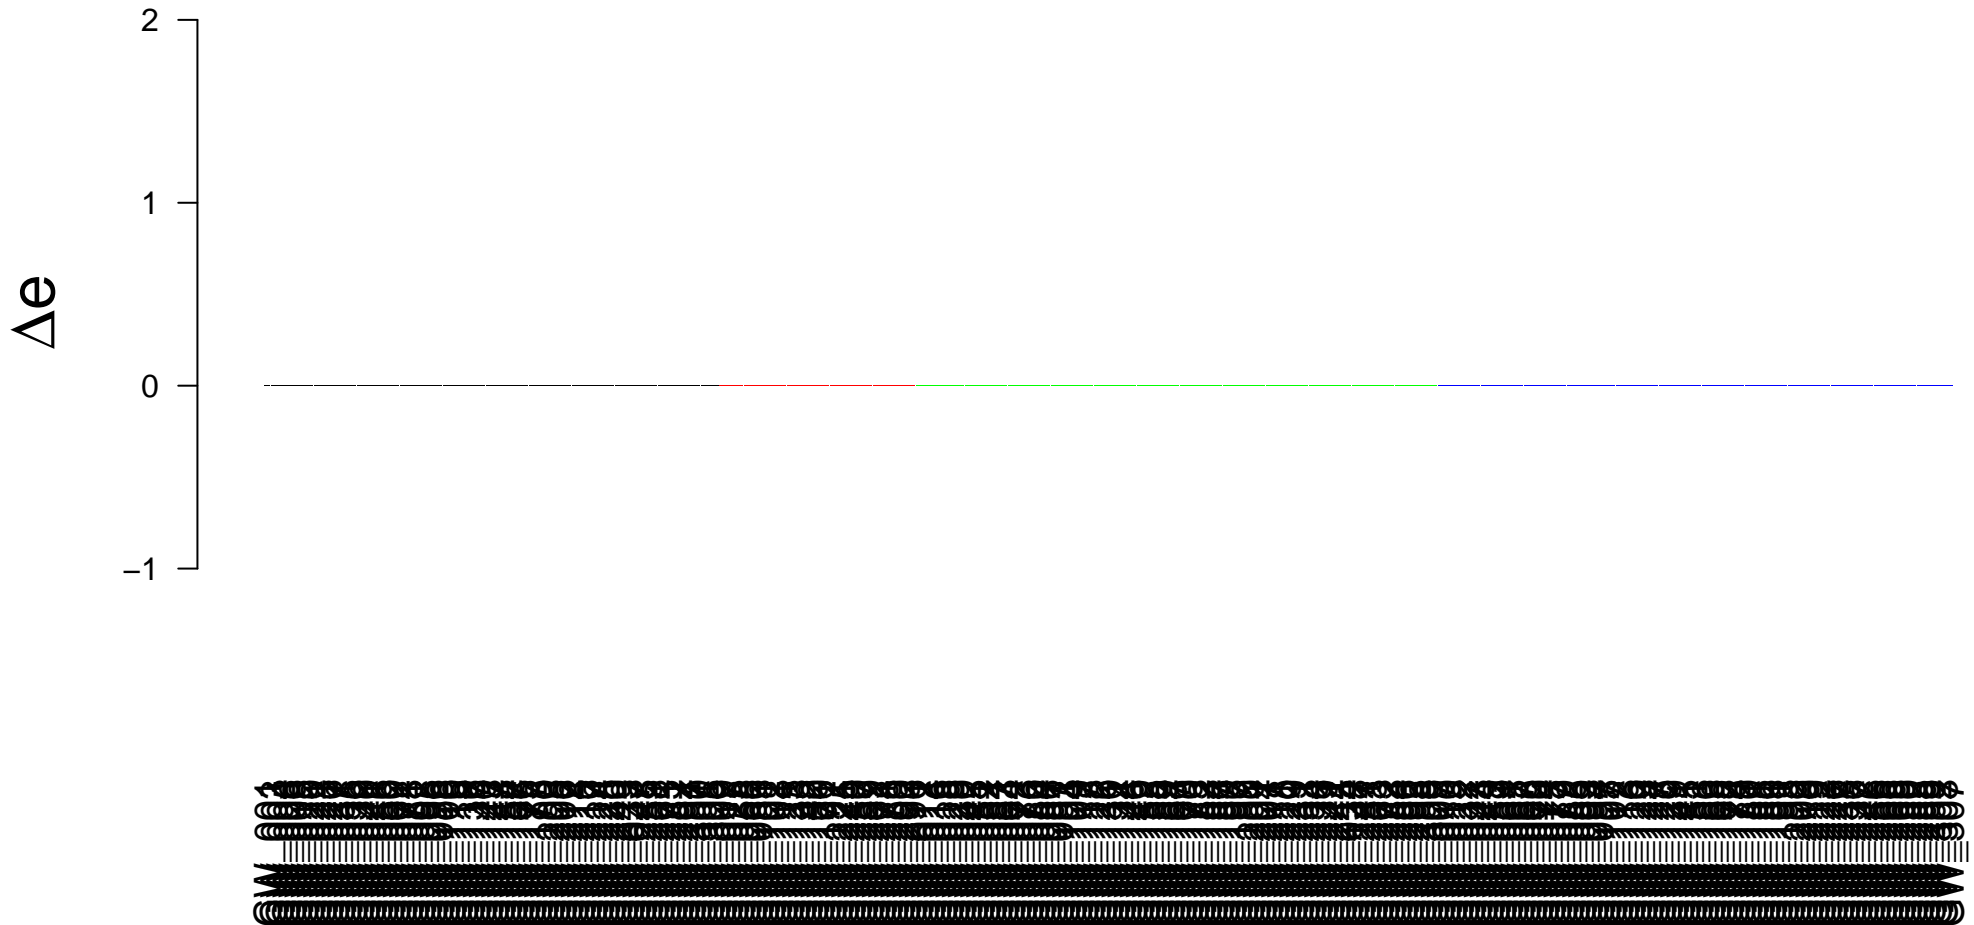

Expression of post-anal tail morphogenesis in Spot C

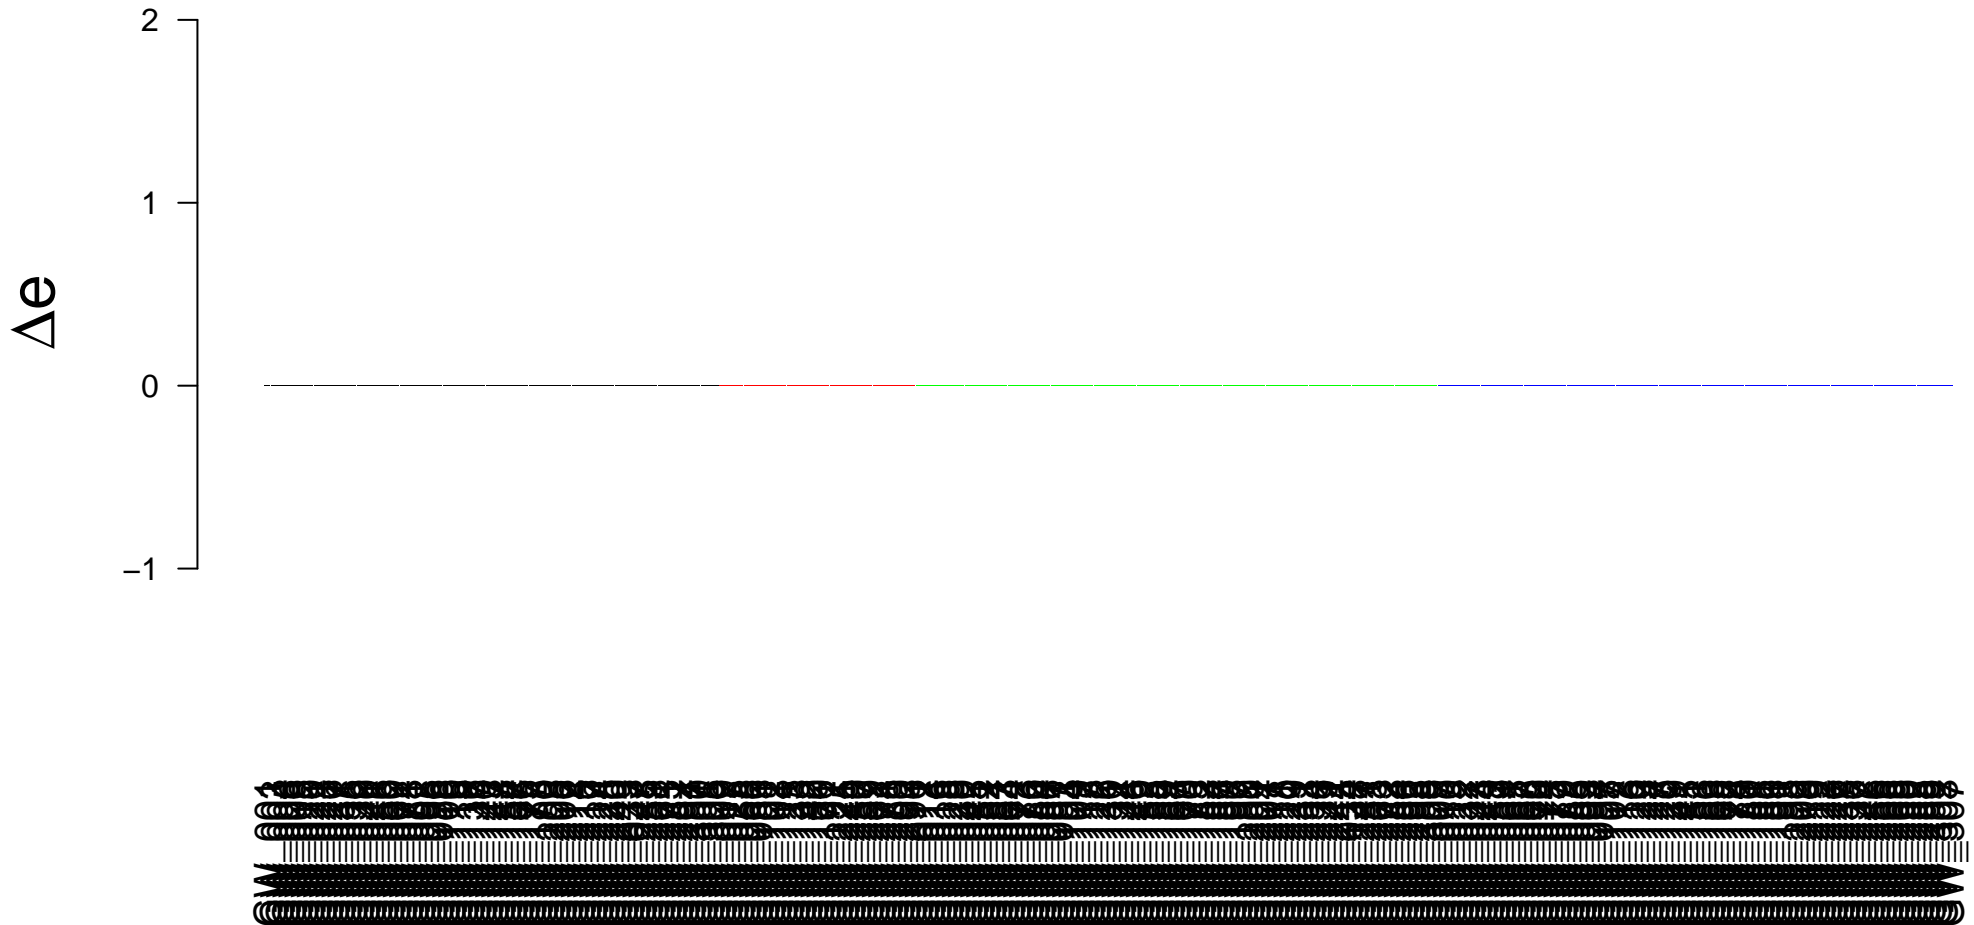

Expression of post-anal tail morphogenesis in Spot D

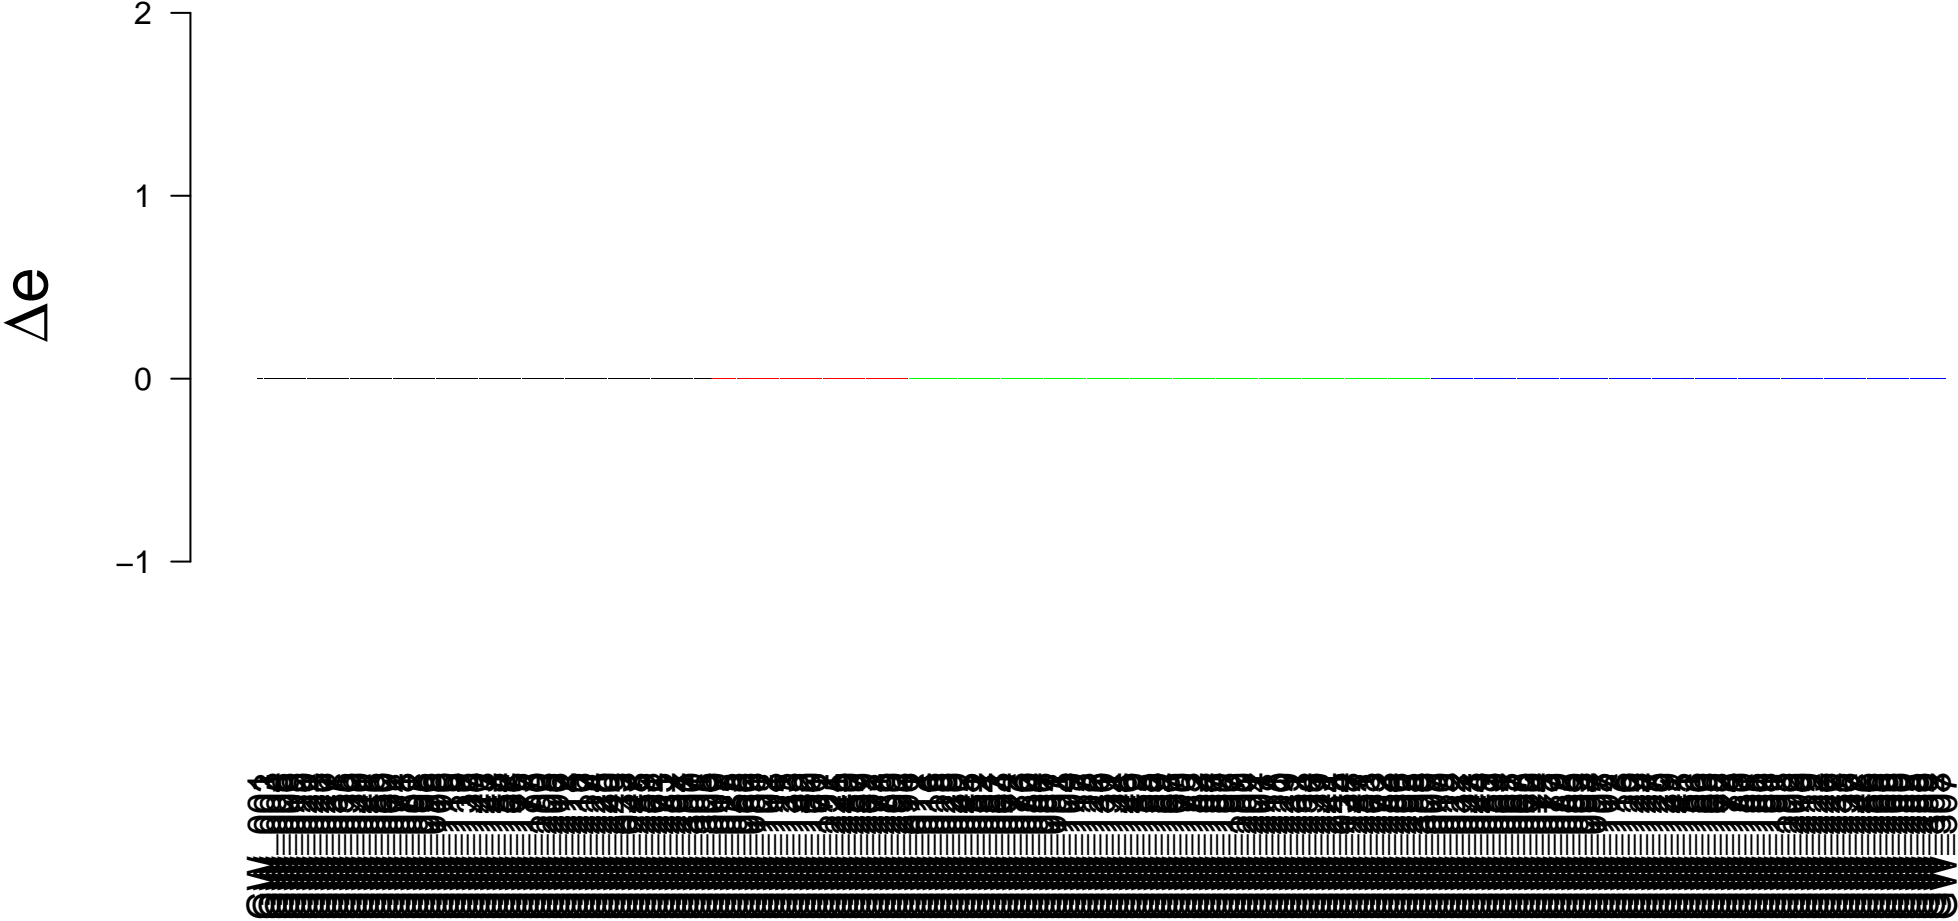

Expression of post-anal tail morphogenesis in Spot E

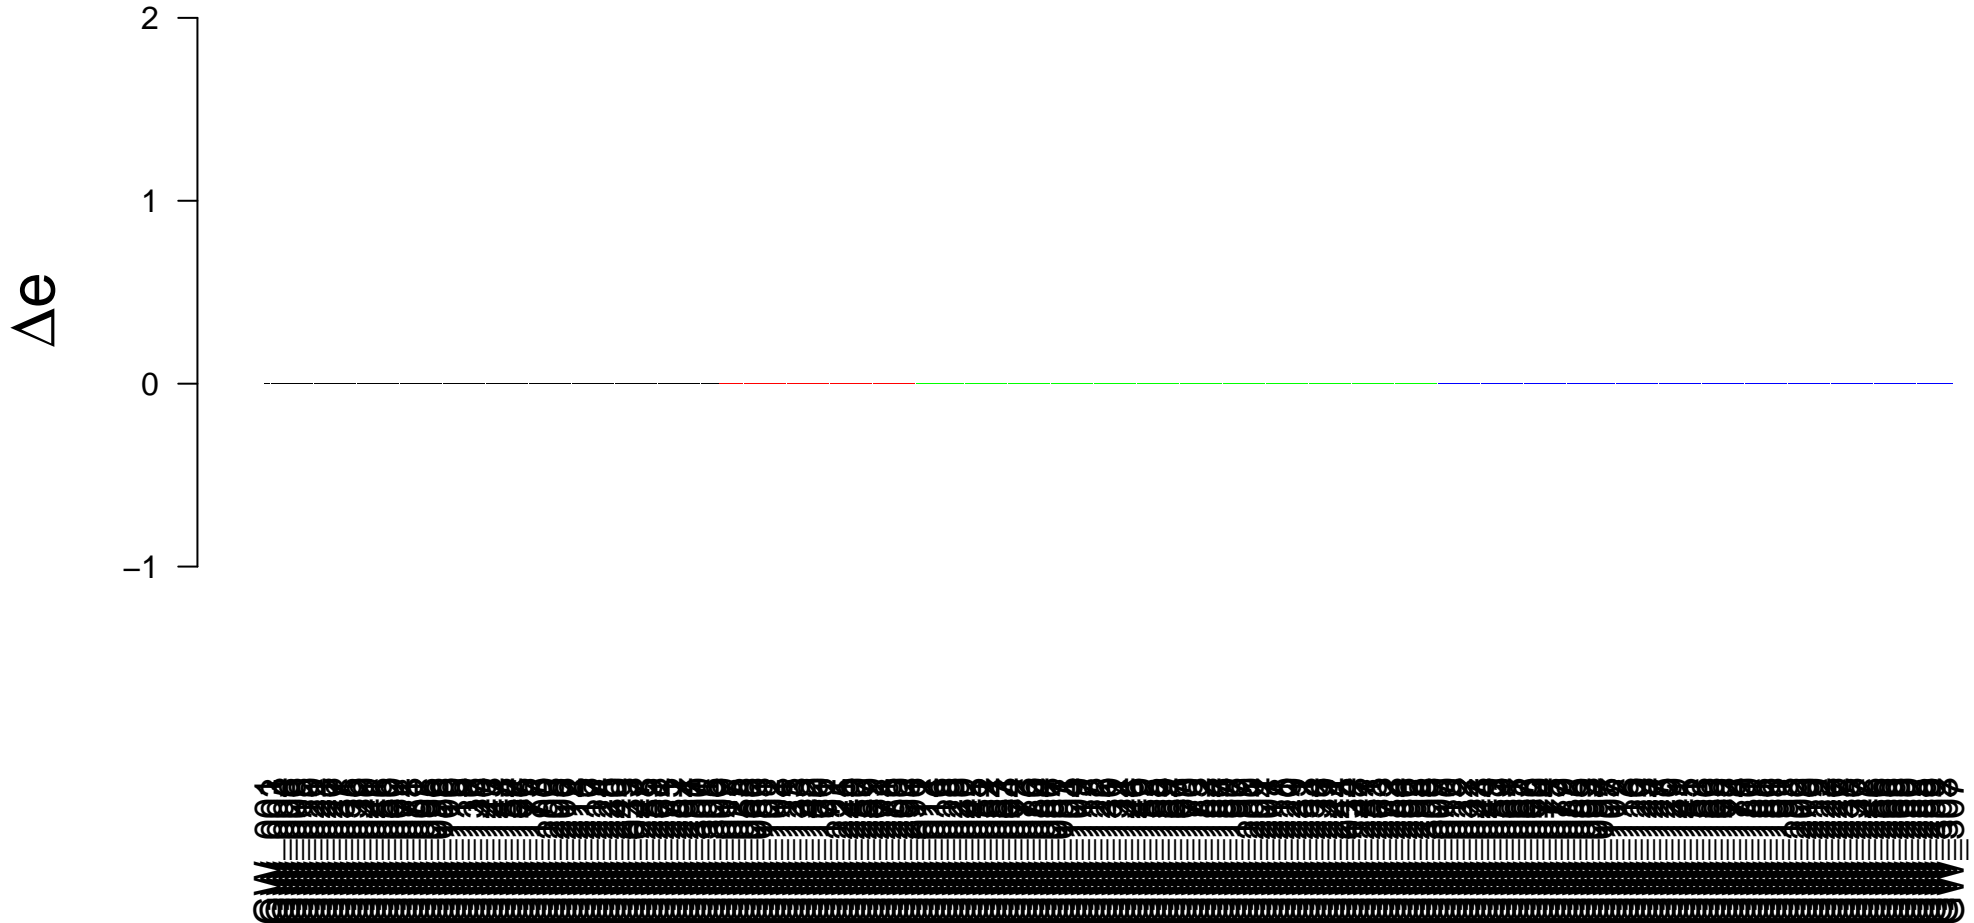

Expression of post-anal tail morphogenesis in Spot F

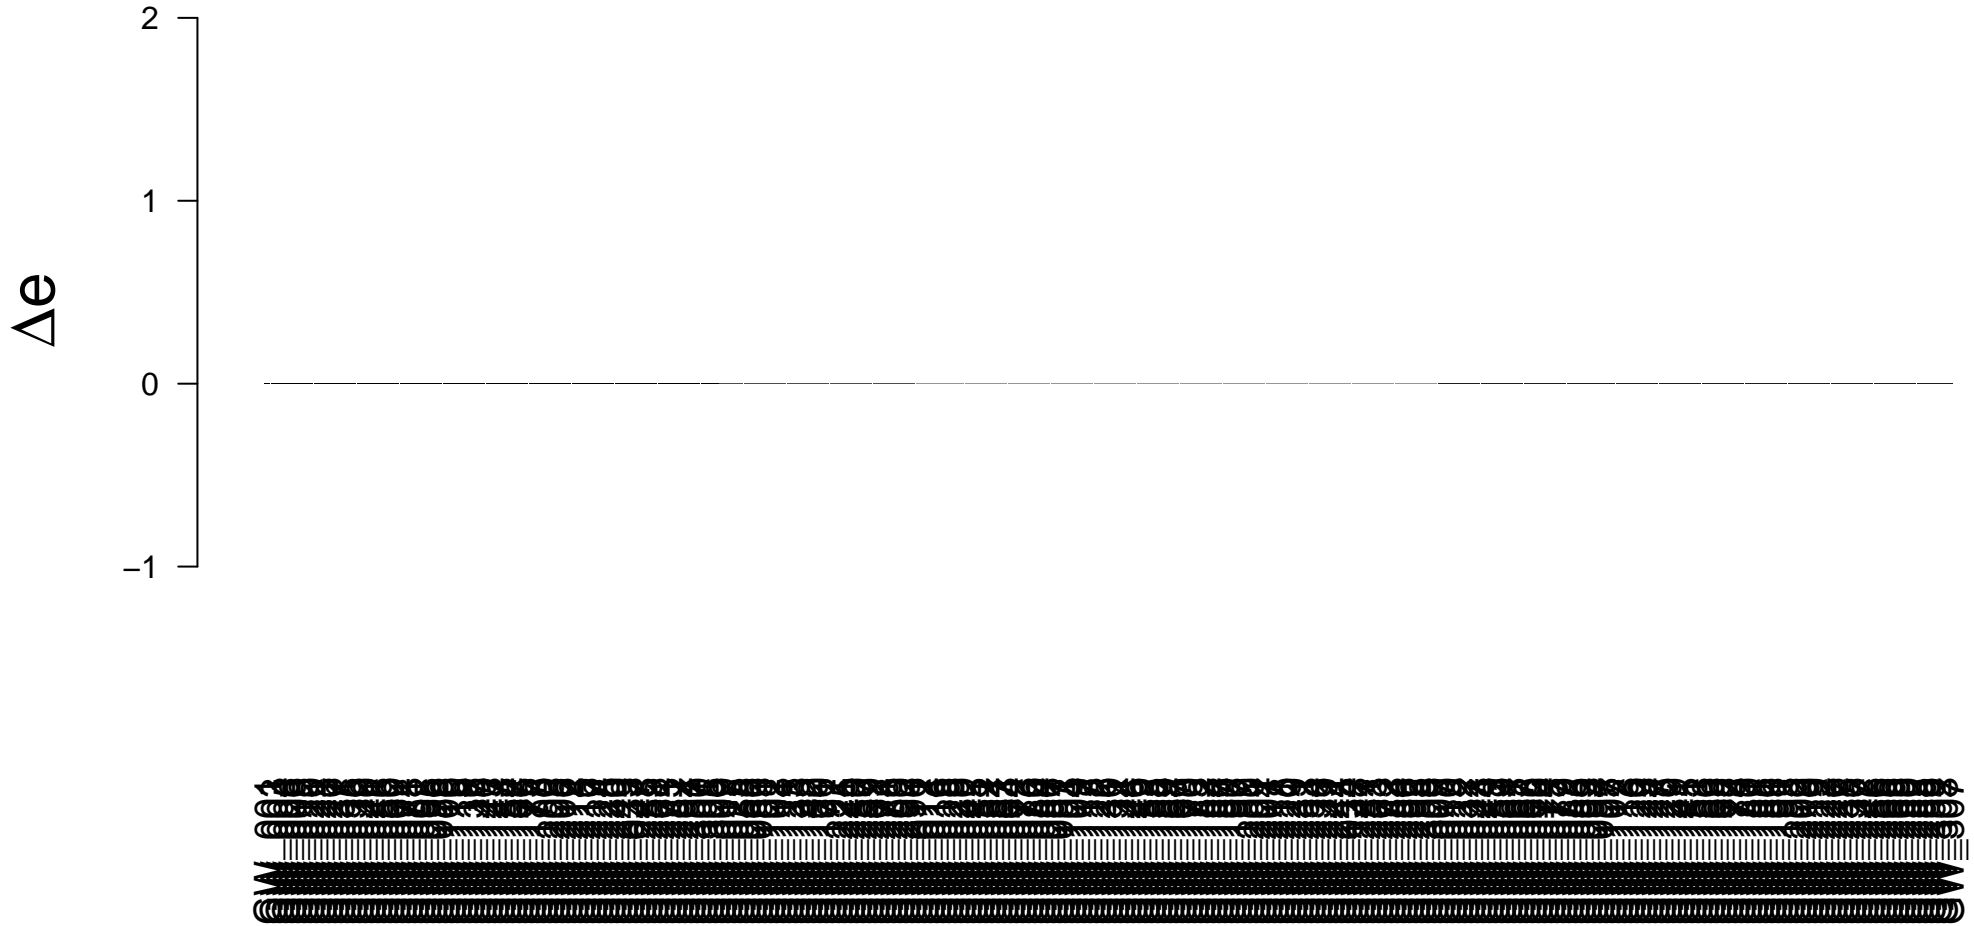

Expression of post-anal tail morphogenesis in Spot G

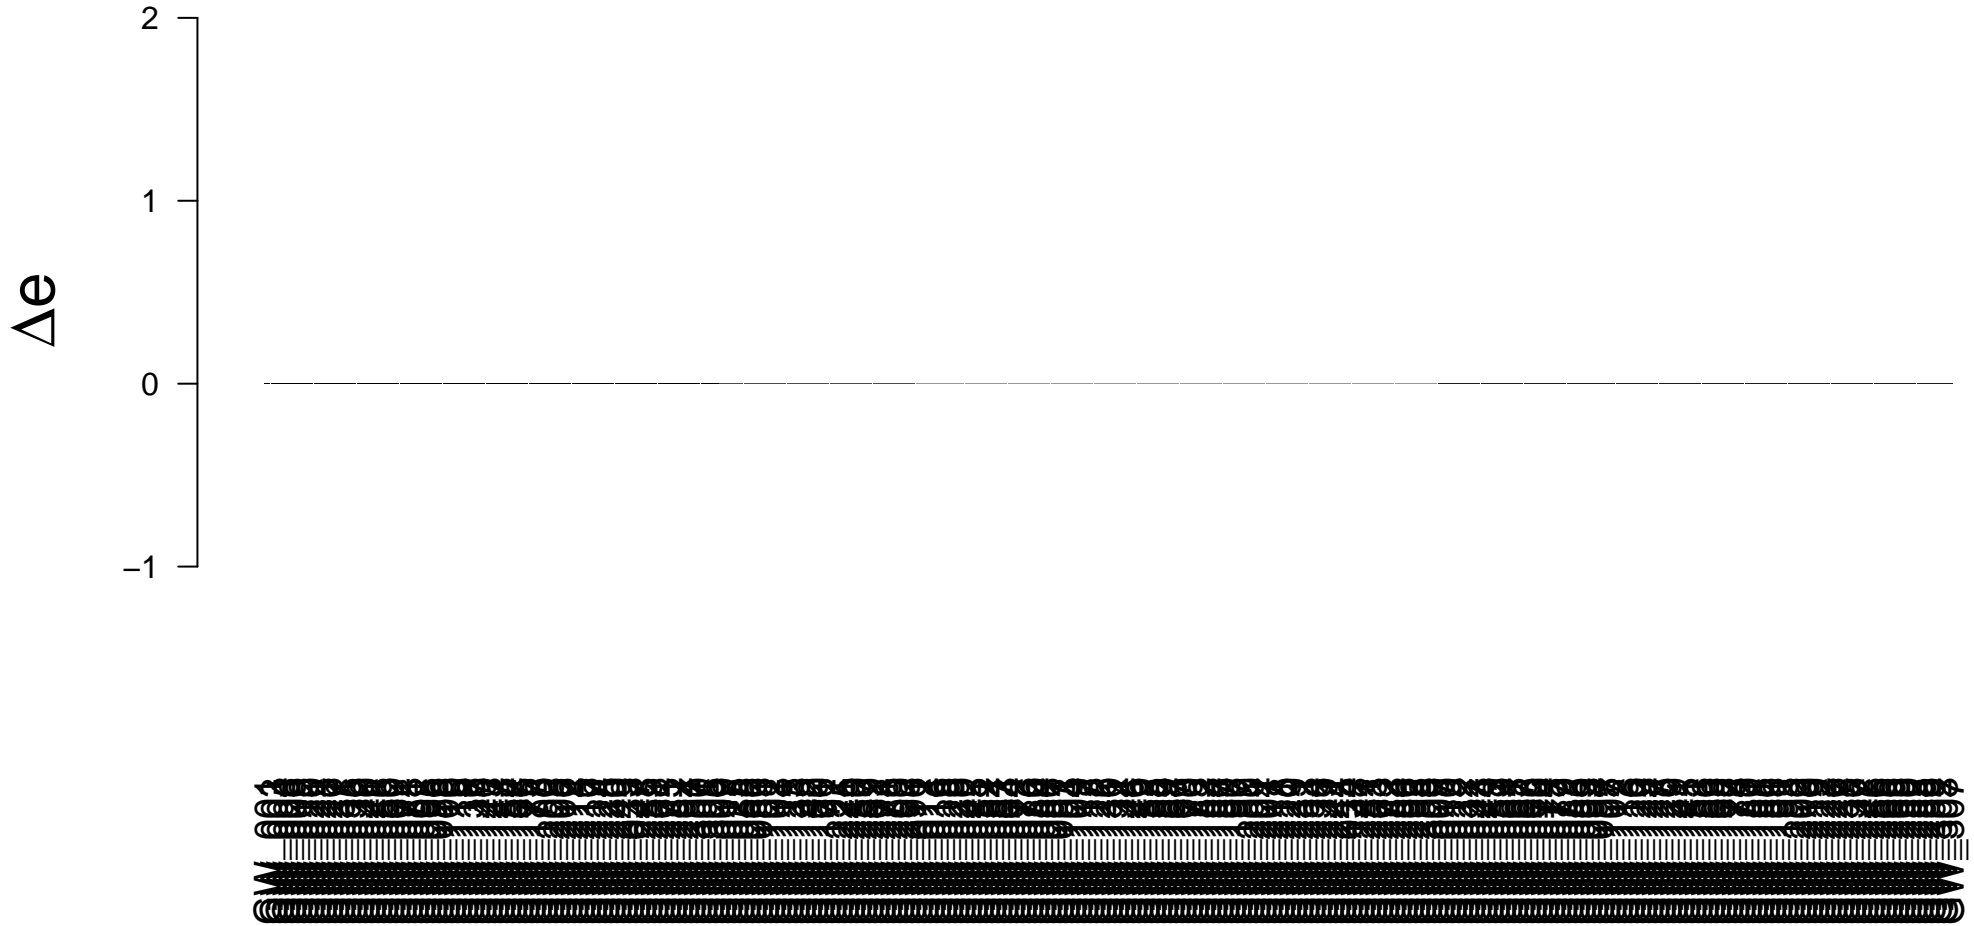

Expression of post-anal tail morphogenesis in Spot H

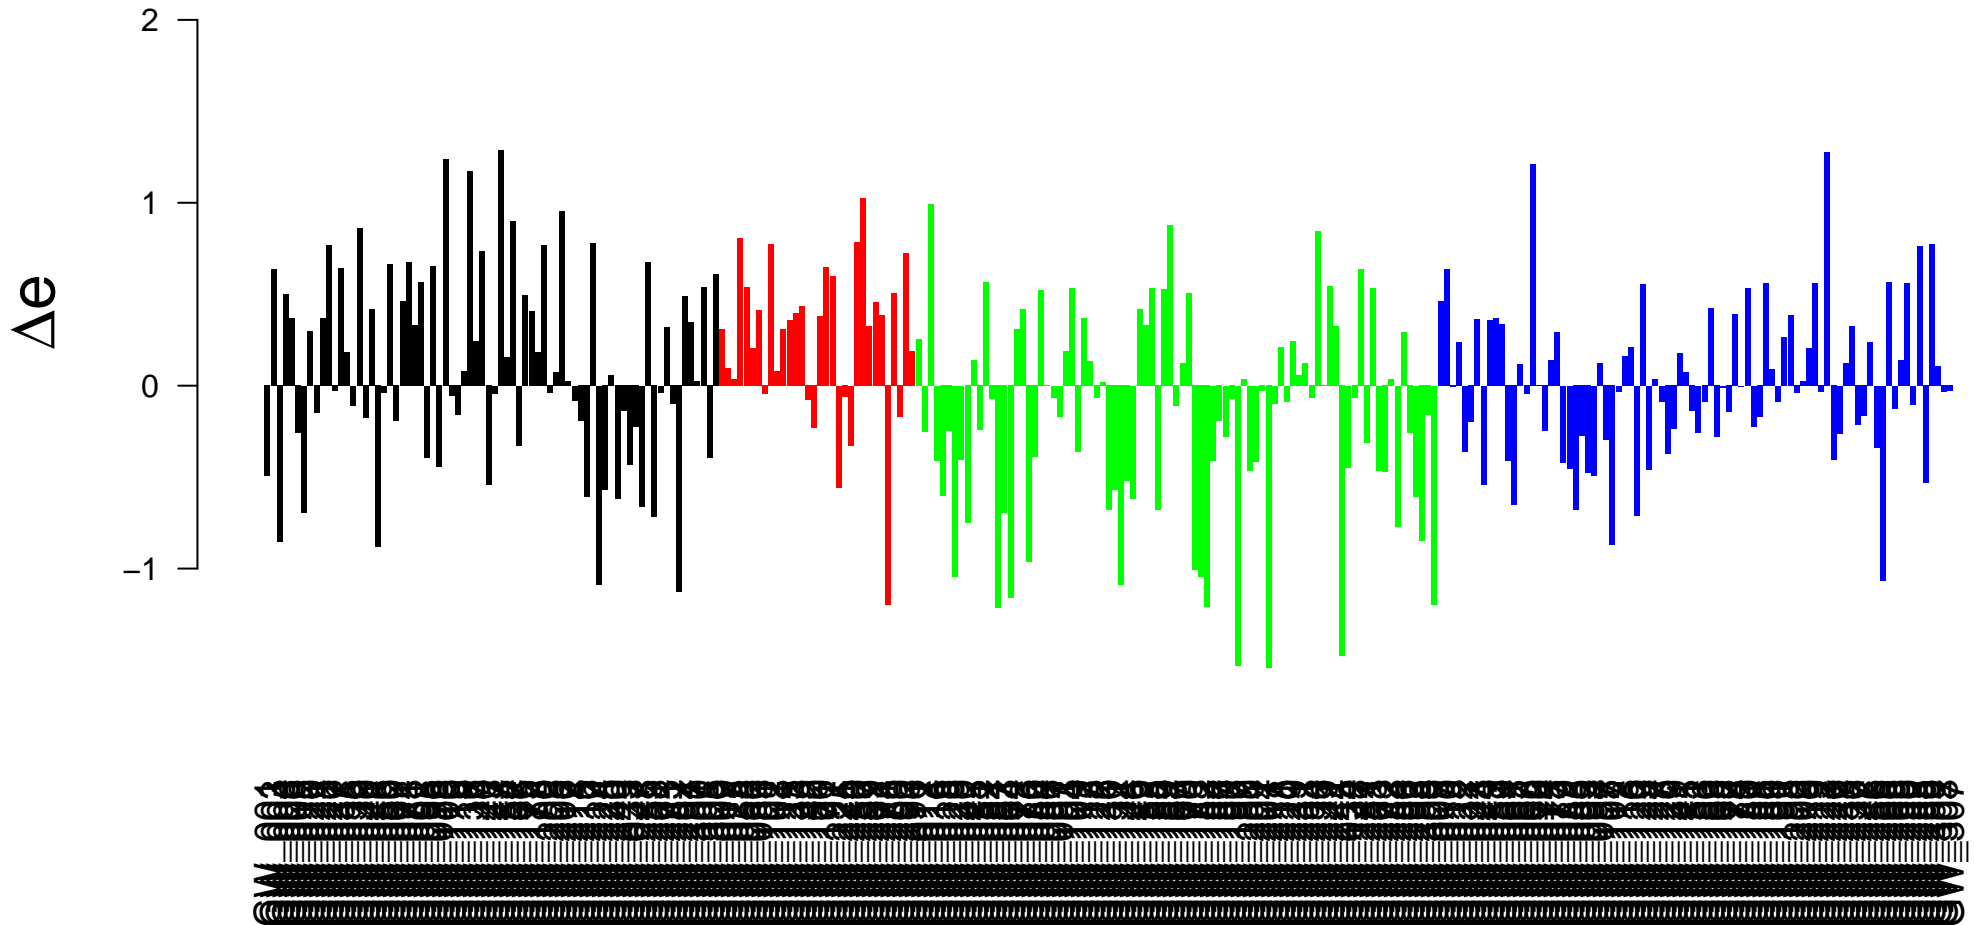

Expression of post-anal tail morphogenesis in Spot I

Expression of post-anal tail morphogenesis in Spot J

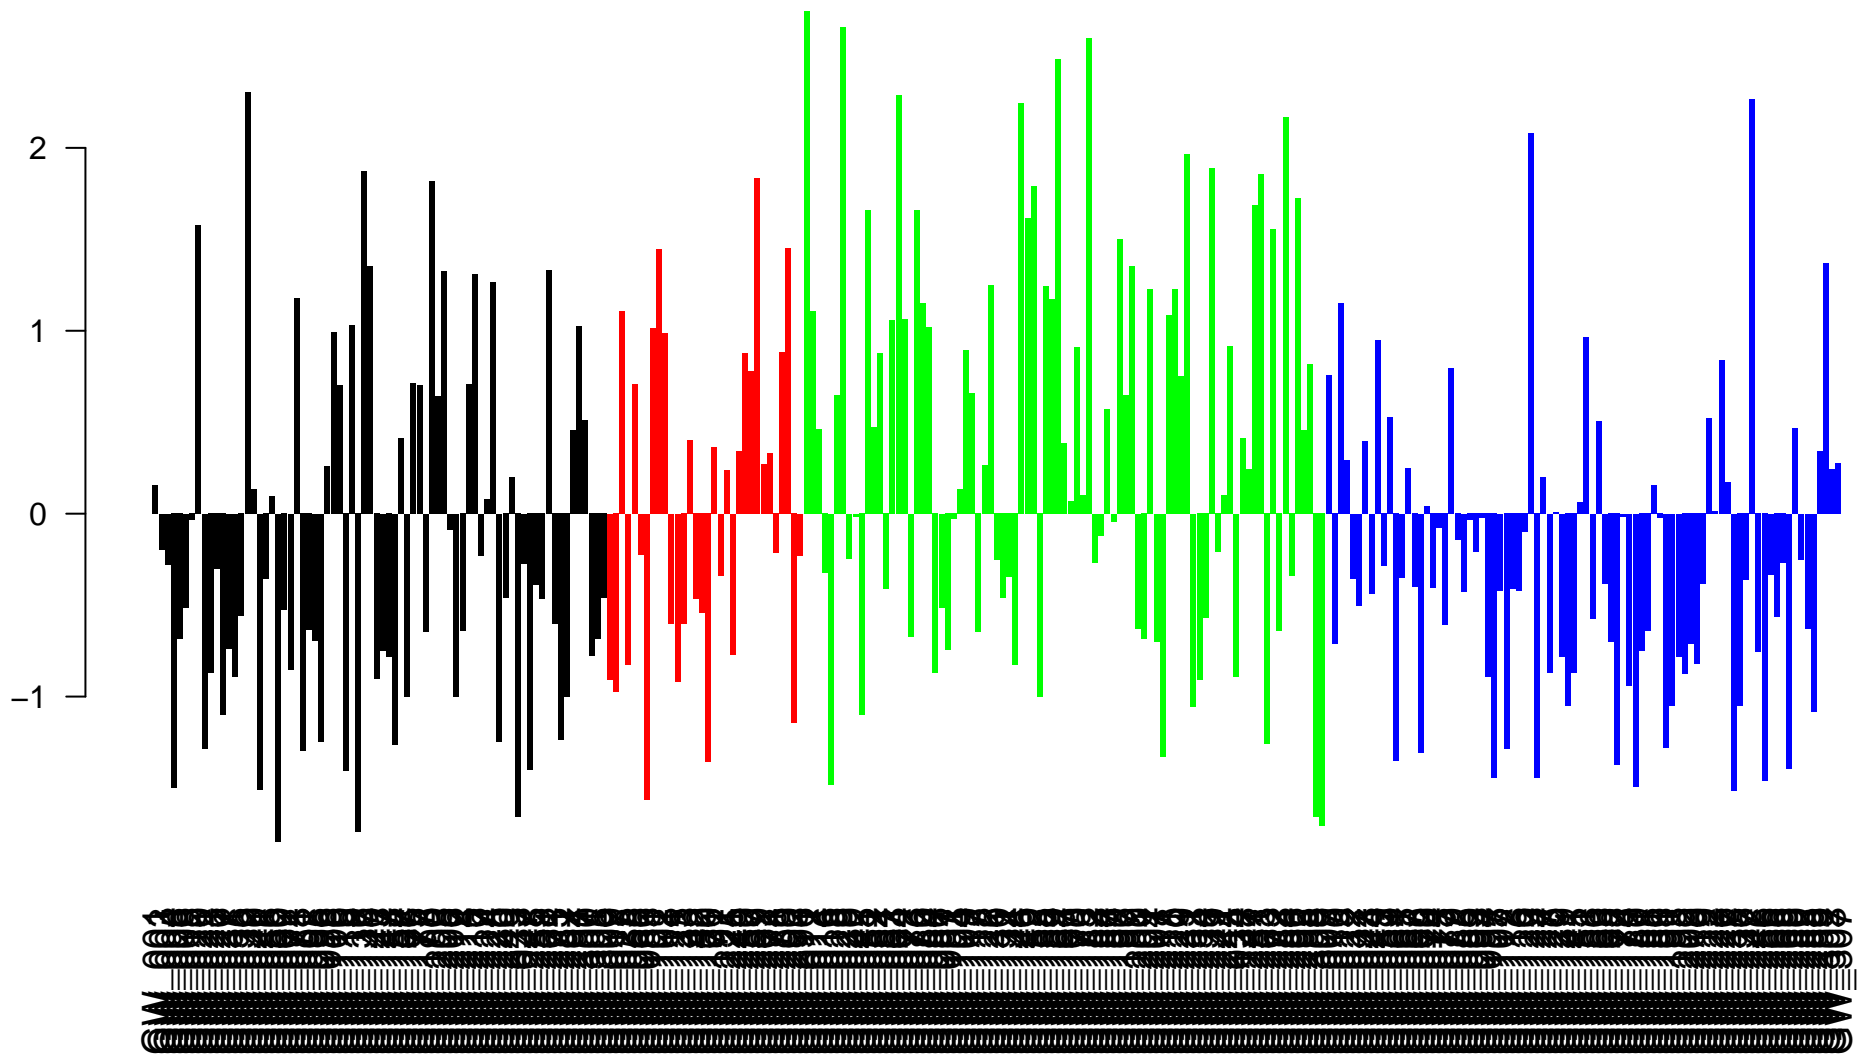

Expression of post-anal tail morphogenesis in Spot K

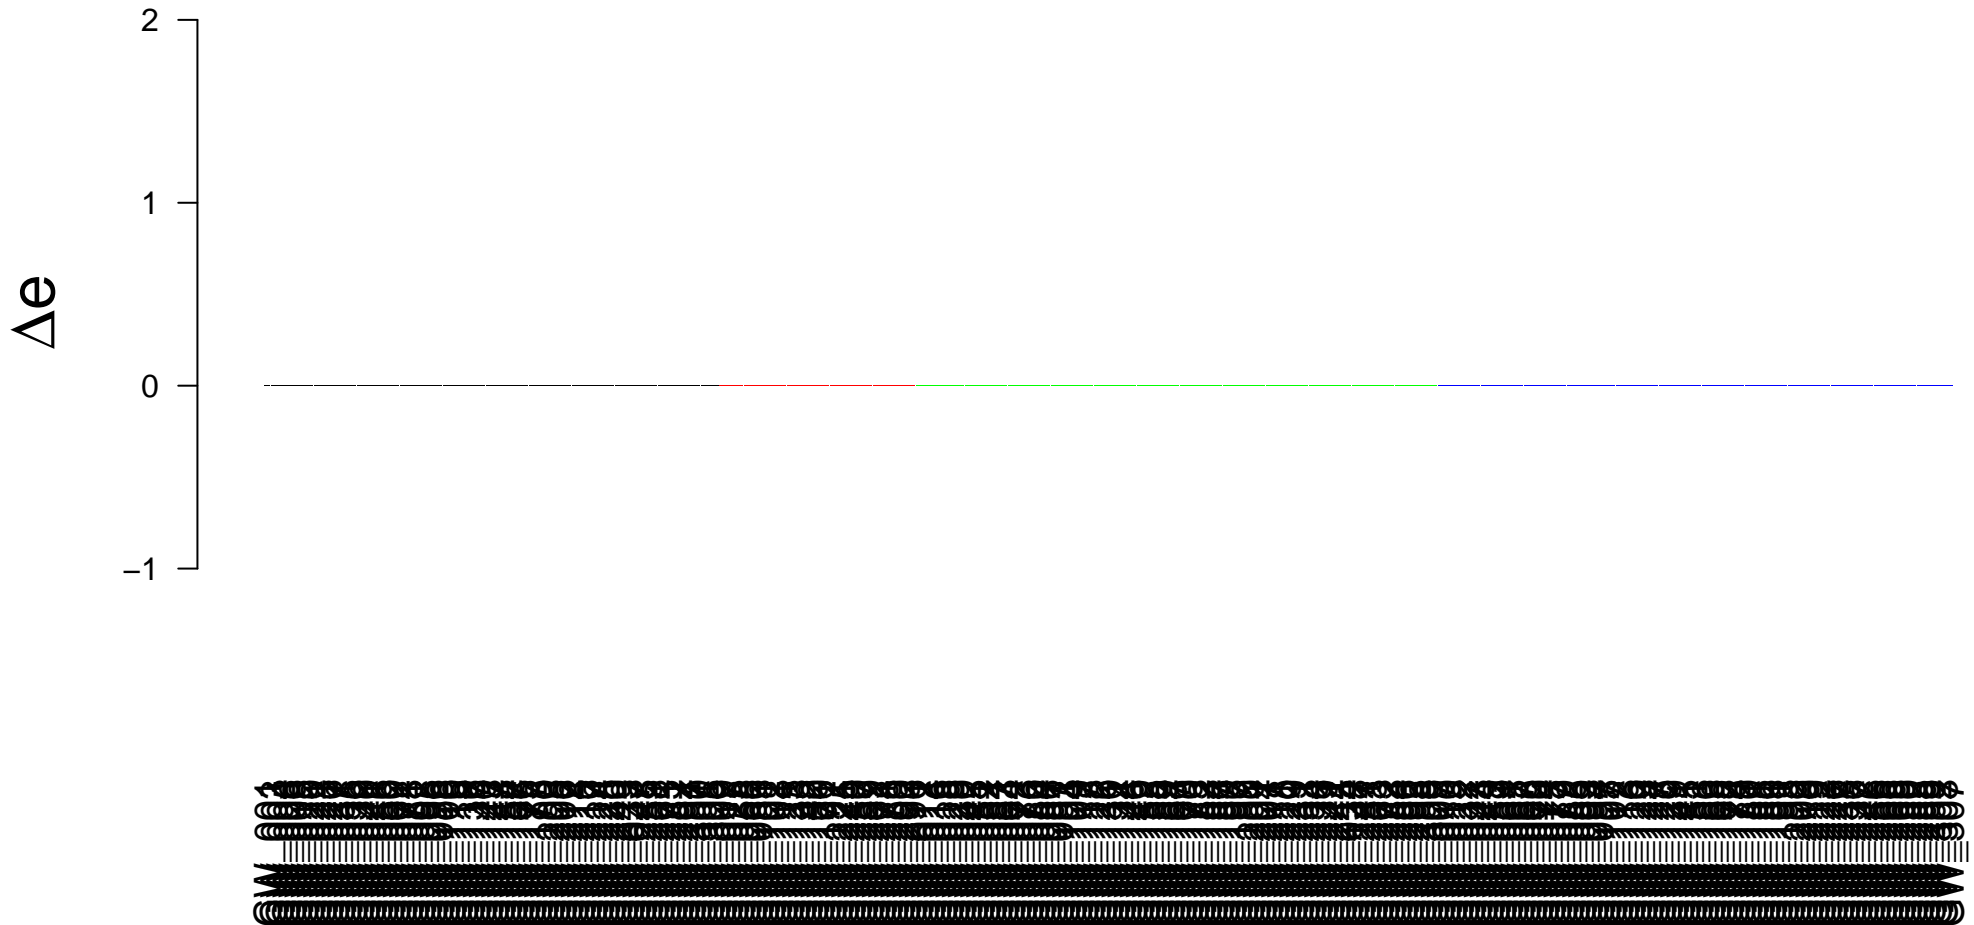

Expression of post-anal tail morphogenesis in Spot L

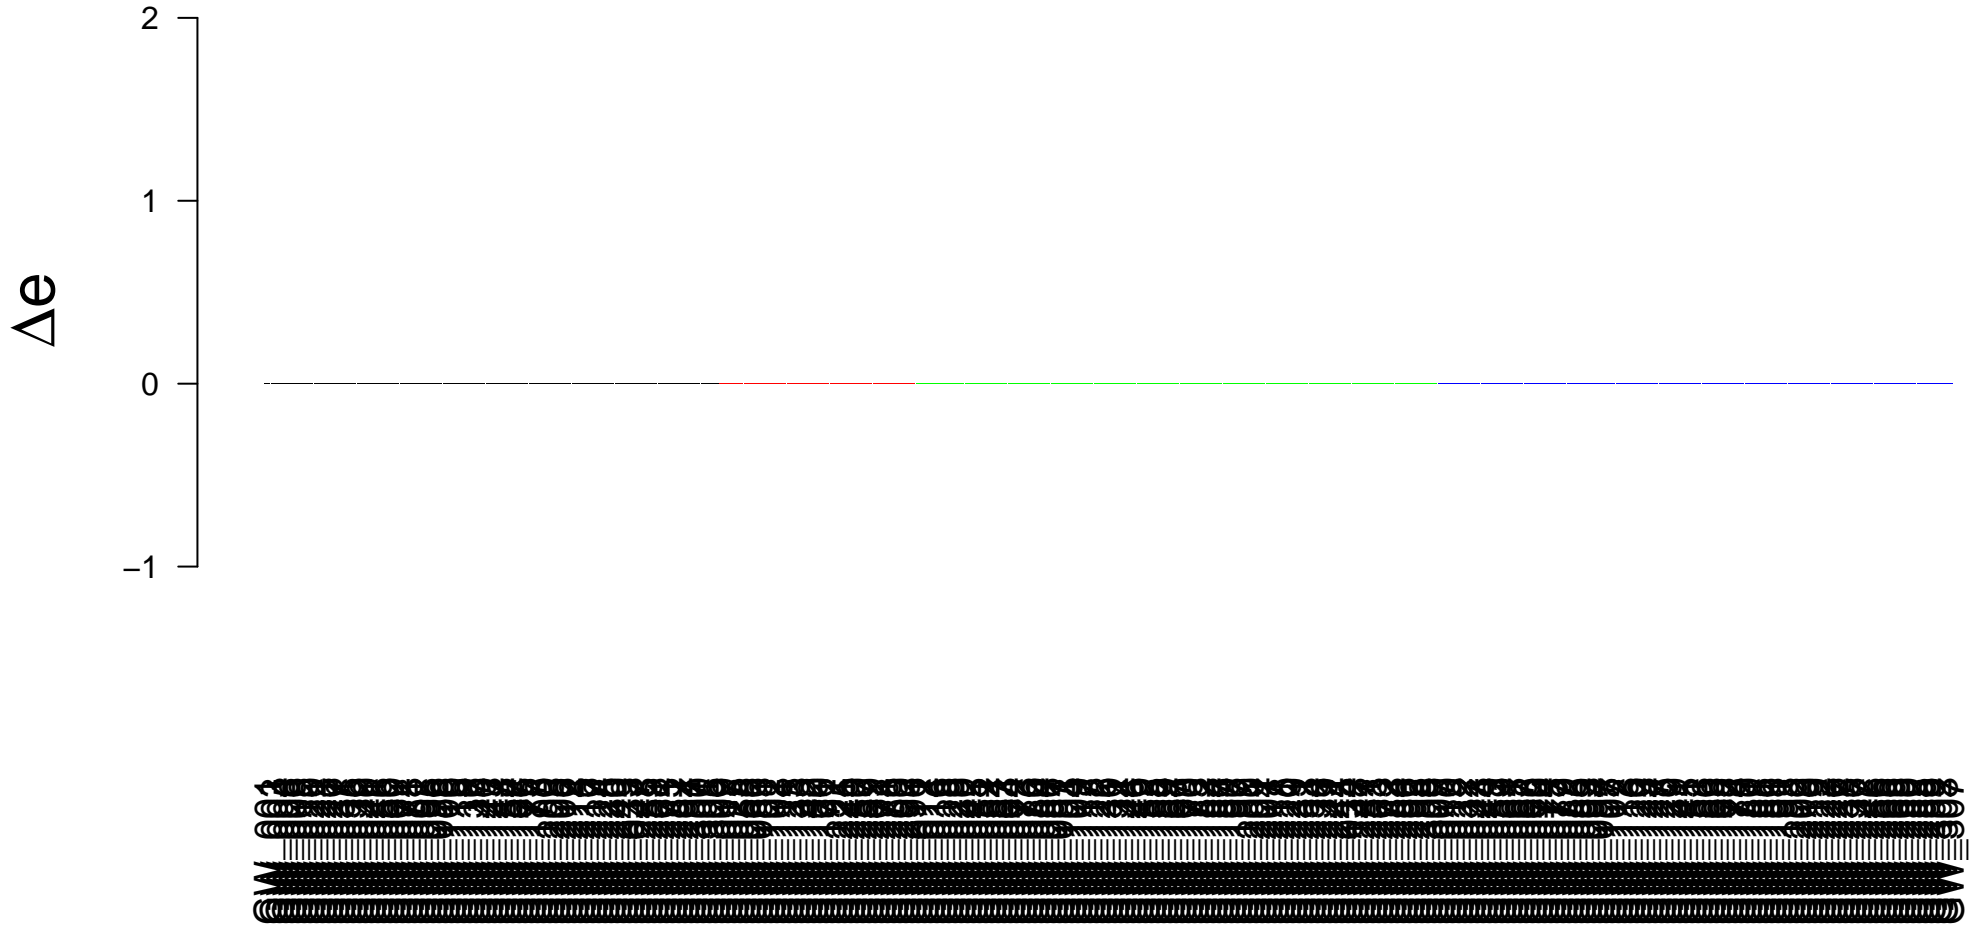

Δe

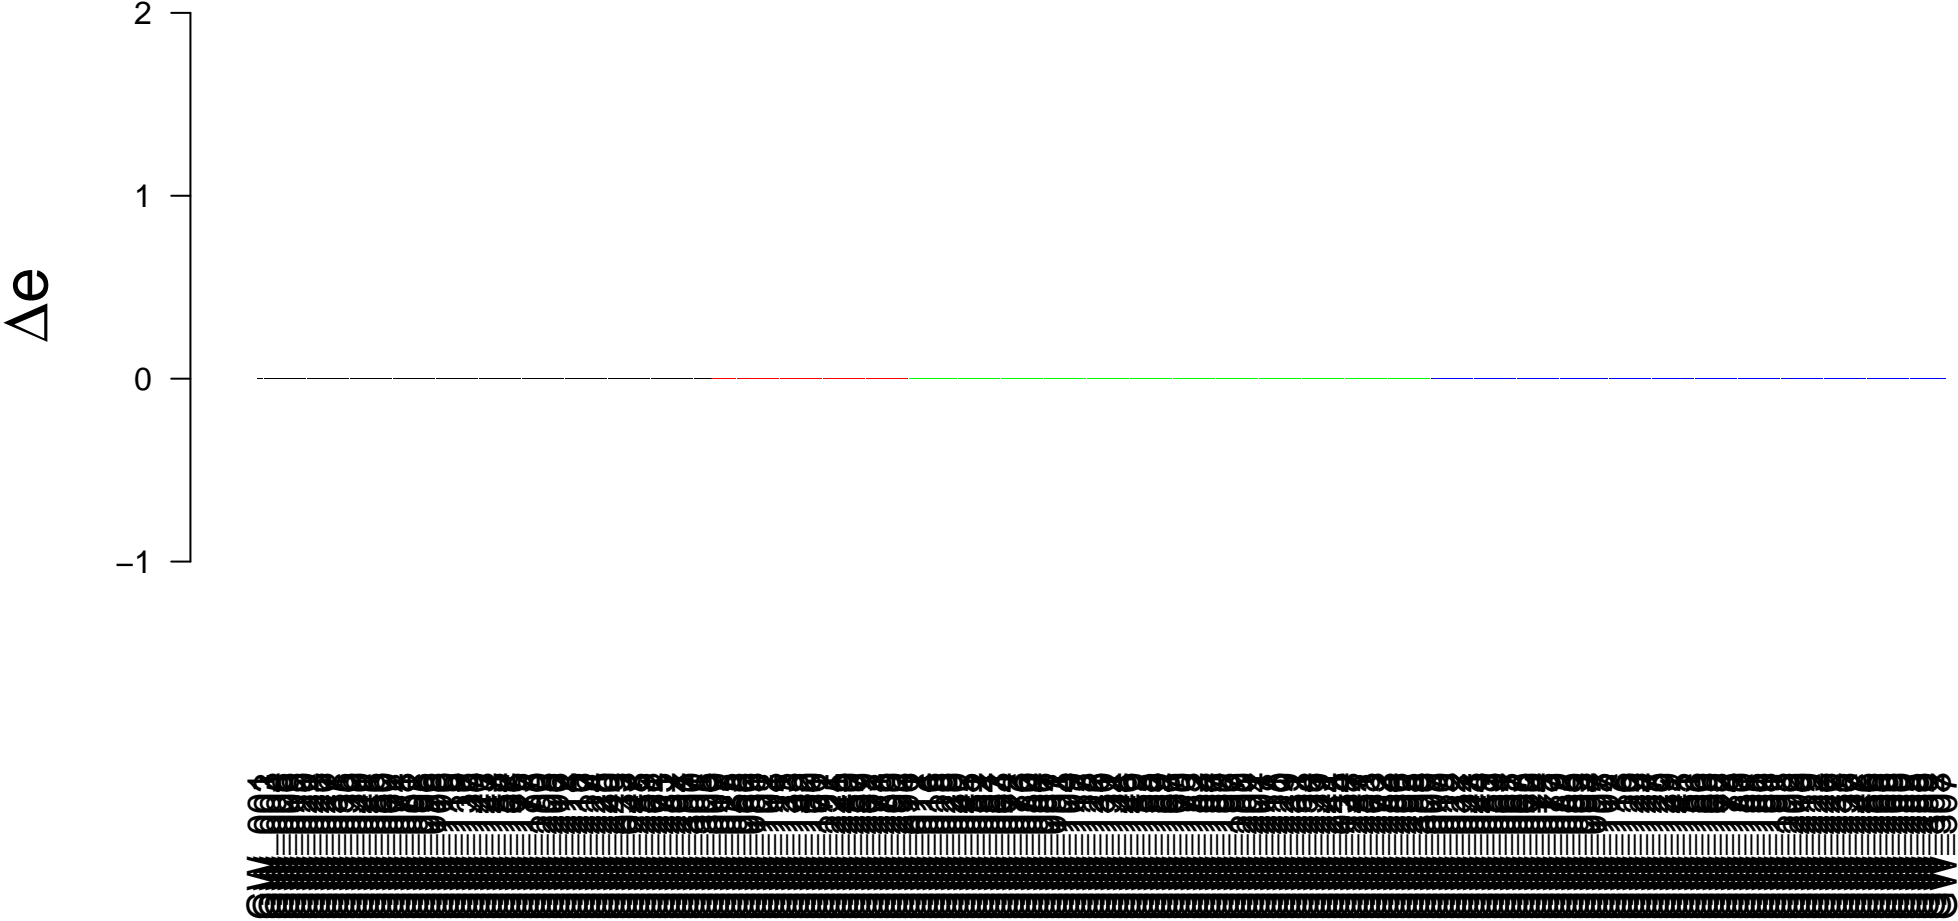

Expression of post-anal tail morphogenesis in Spot M

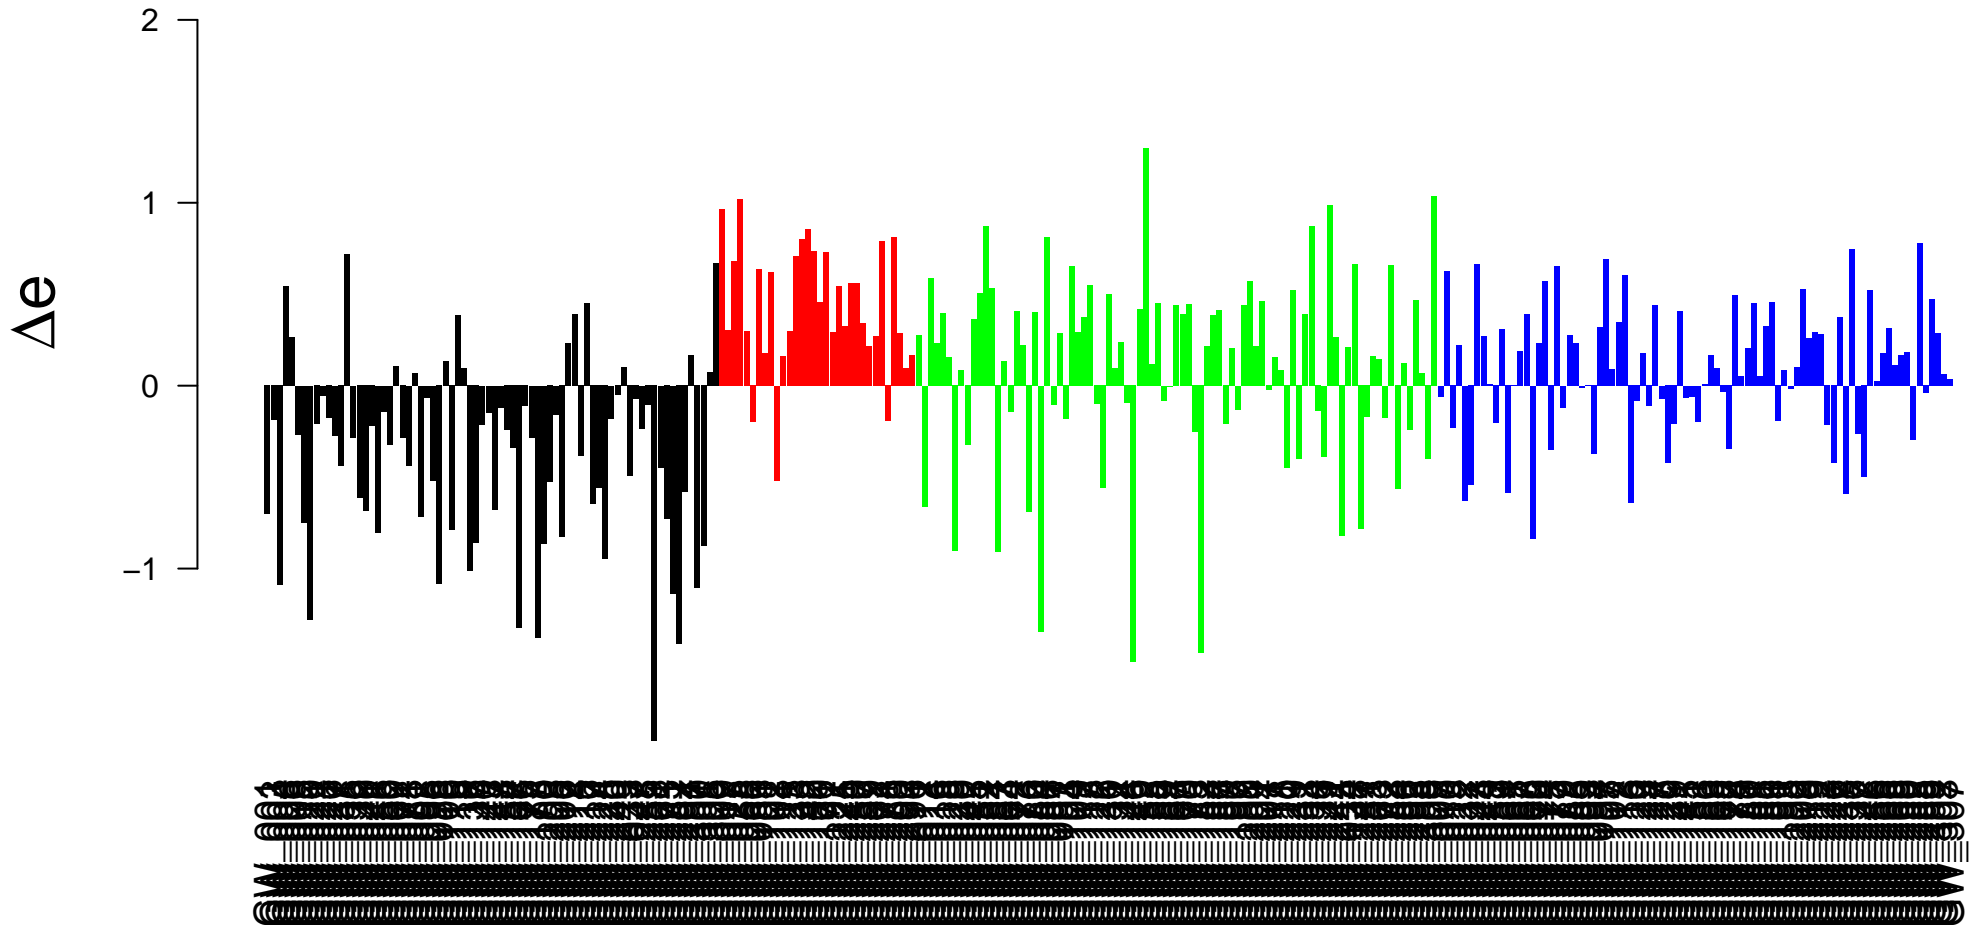

Expression of post-anal tail morphogenesis in Spot N

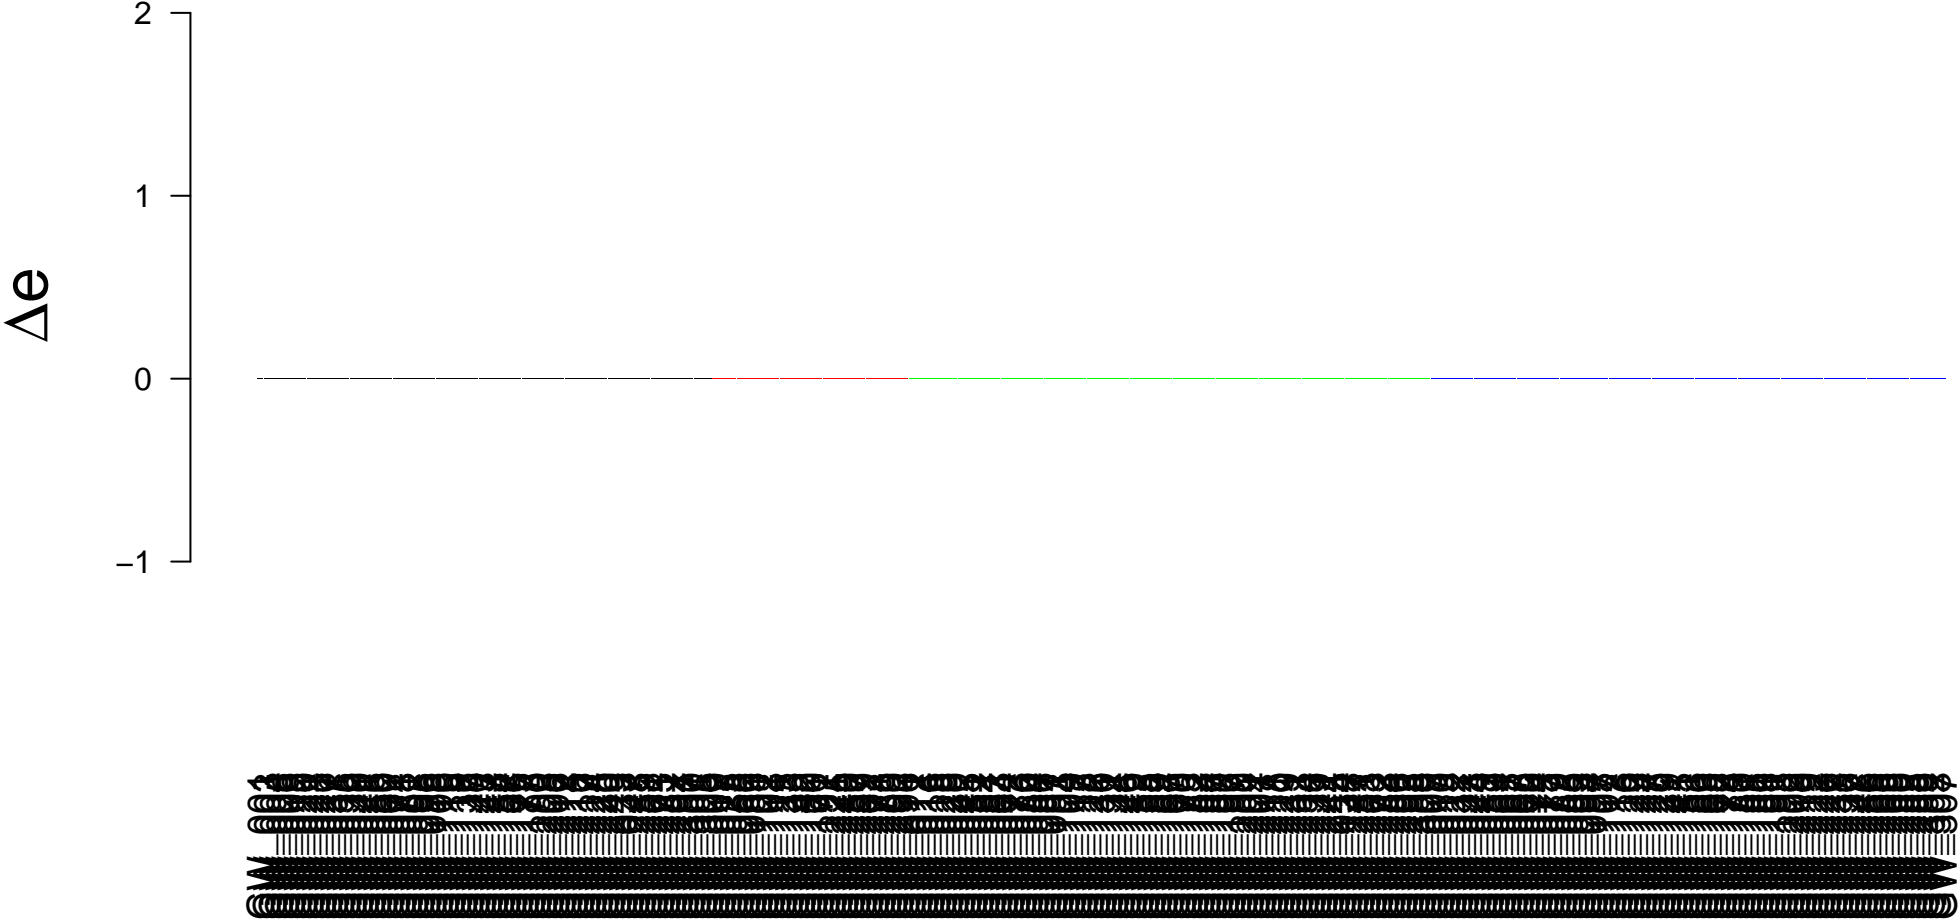

Expression of post-anal tail morphogenesis in Spot O

Expression of post-anal tail morphogenesis in Spot P

Expression of post-anal tail morphogenesis in Spot Q

Expression of post-anal tail morphogenesis in Spot R
