

potassium ion transmembrane transport

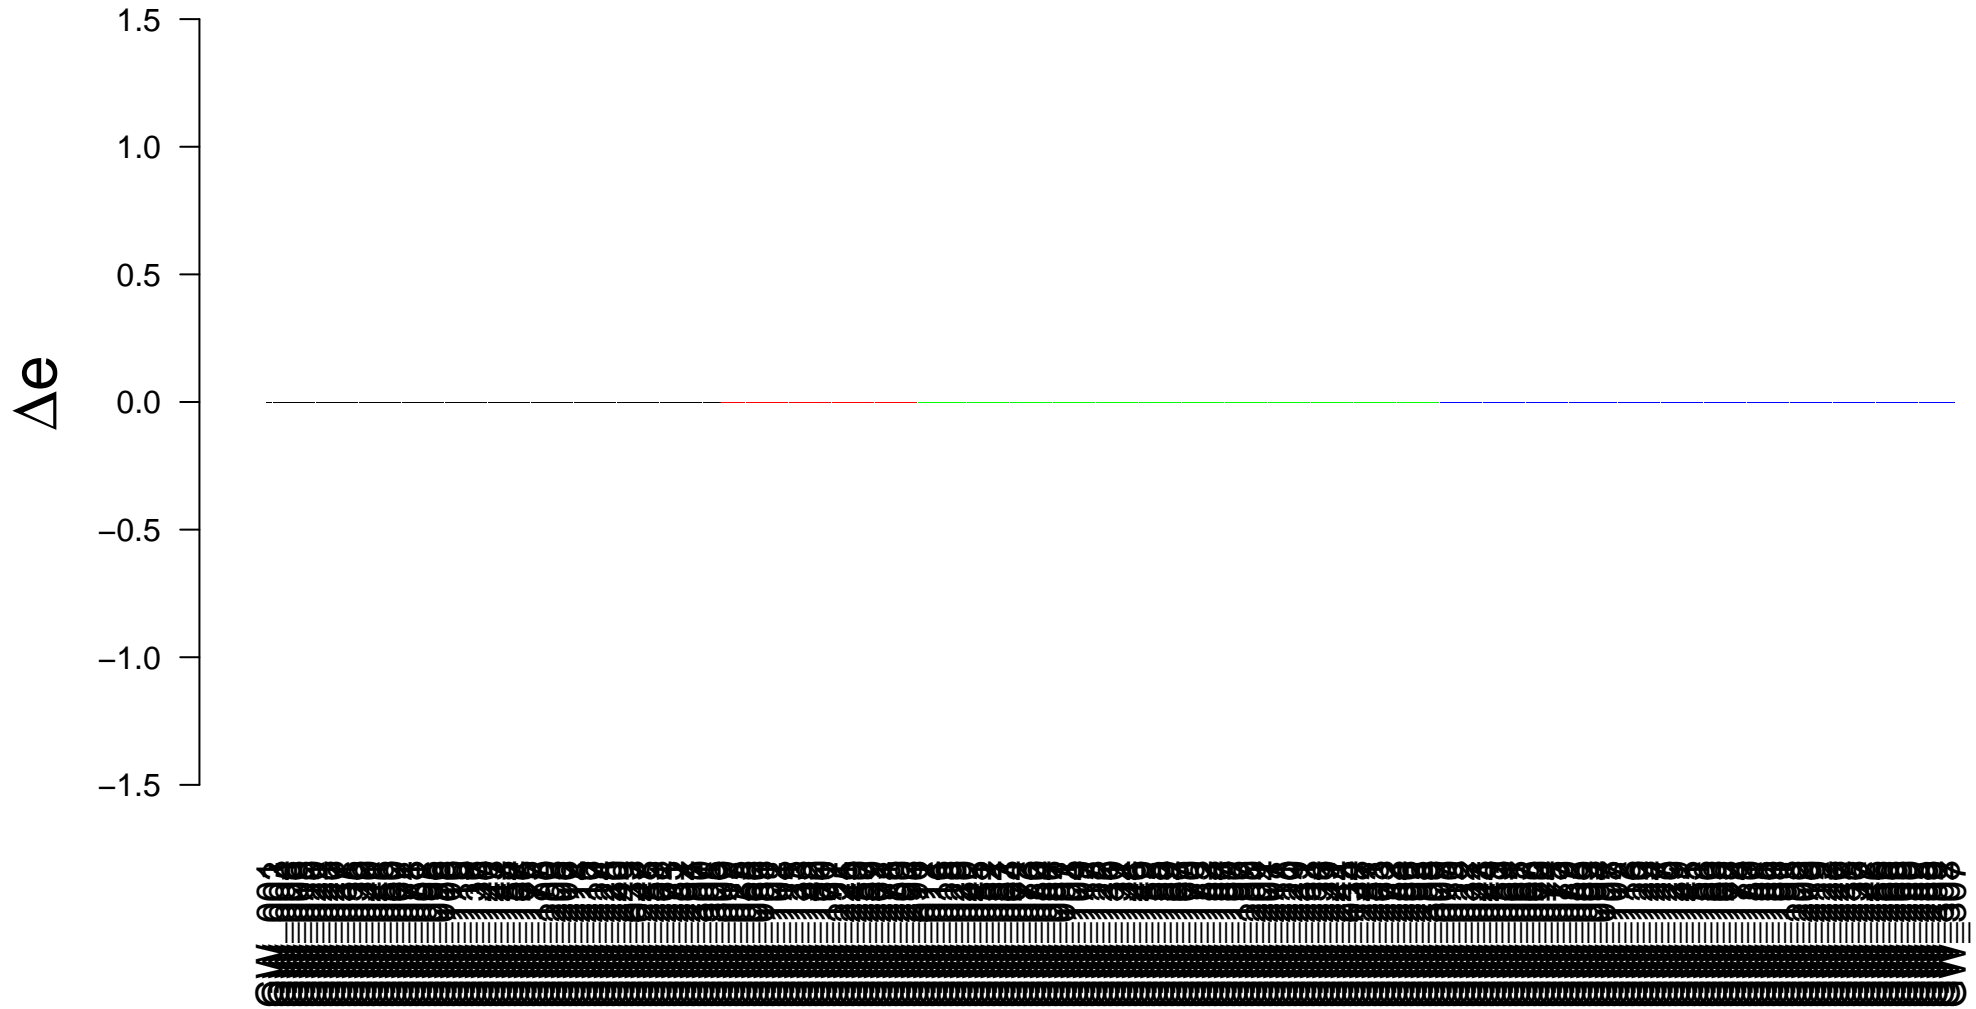

potassium ion transmembrane transport

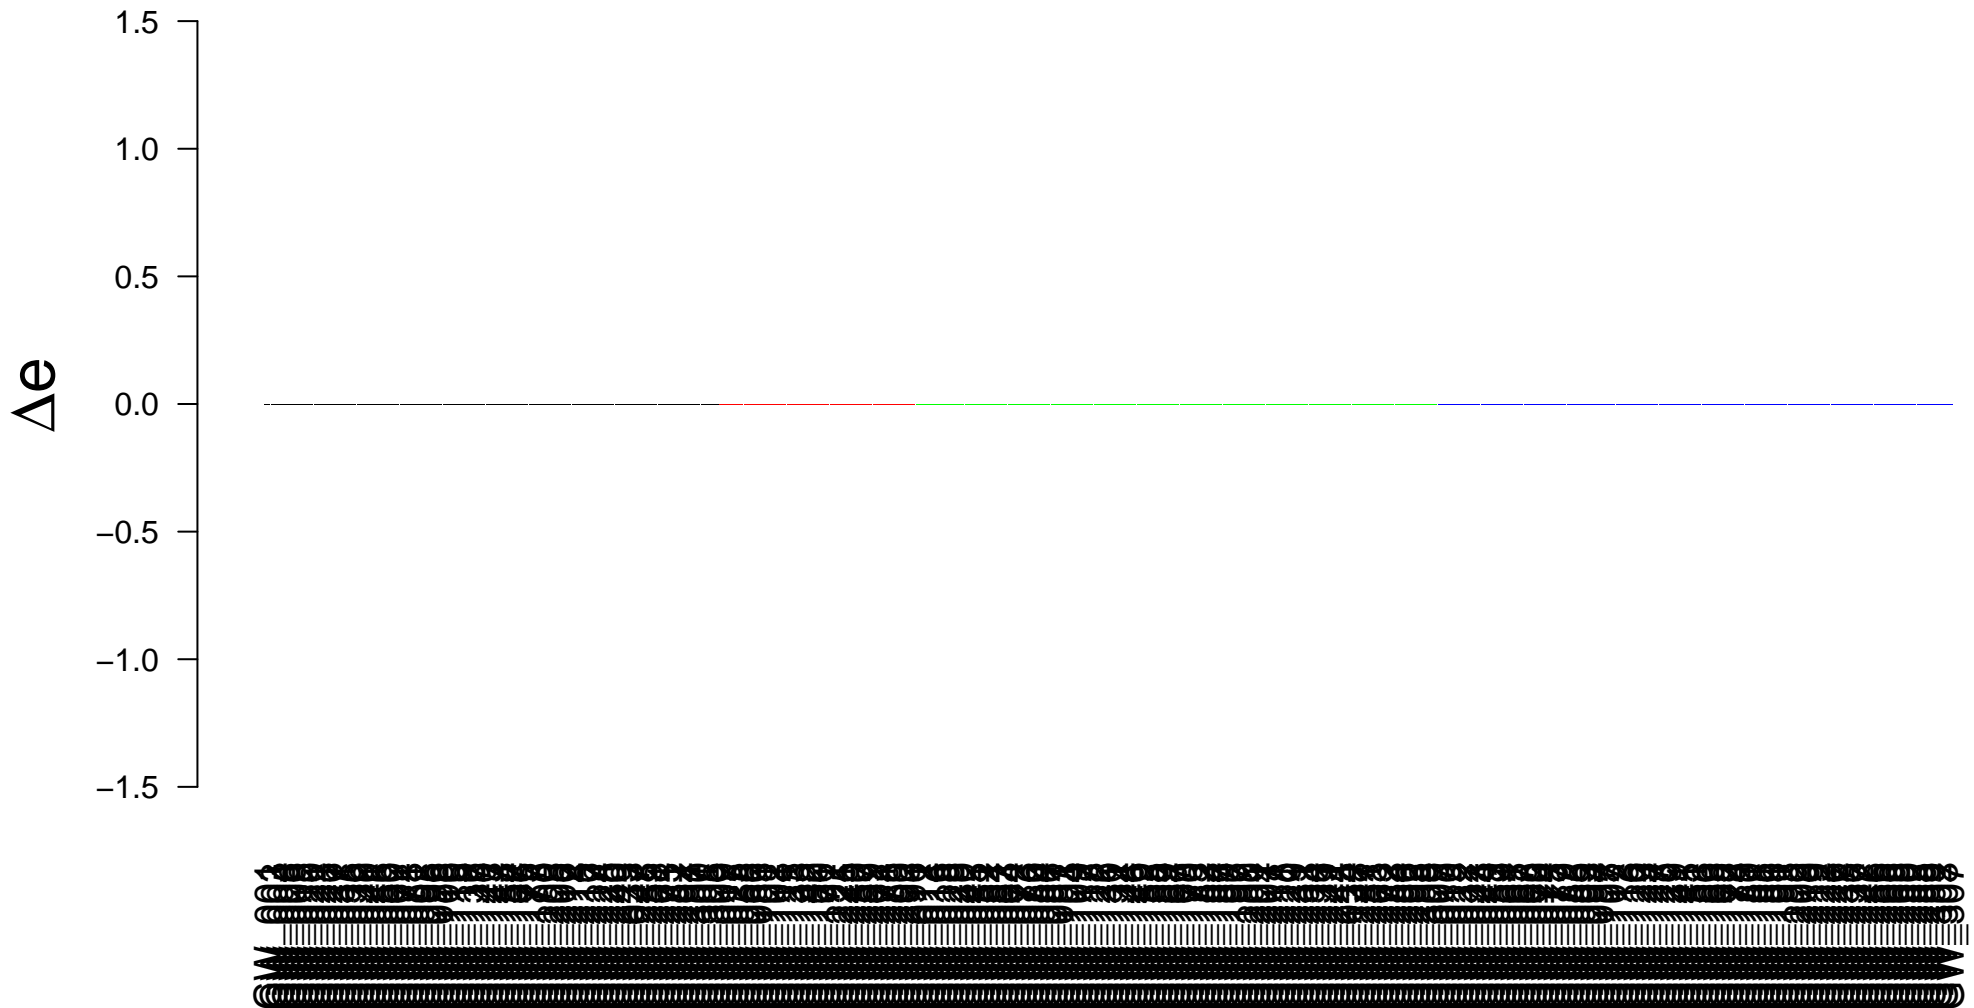

Enrichment in spots: potassium ion transmembrane transport

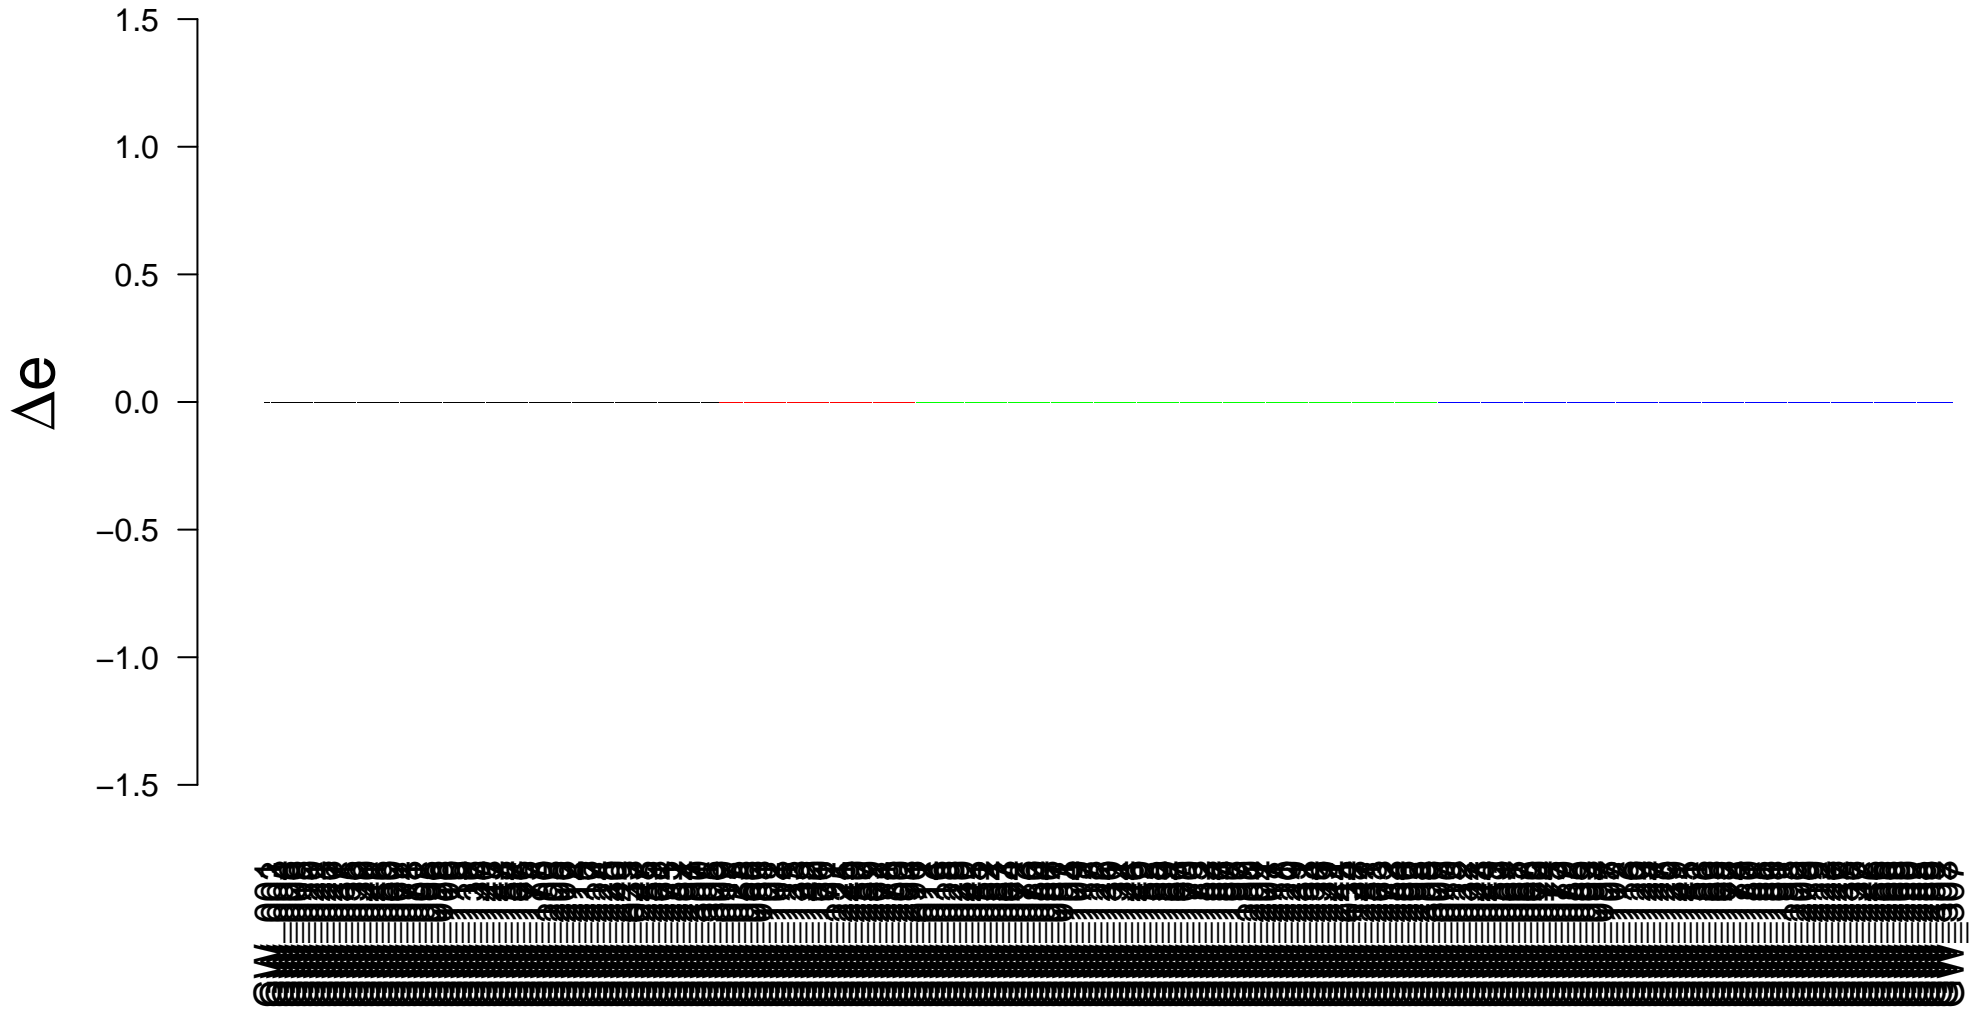

Expression of potassium ion transmembrane transport in Spot A

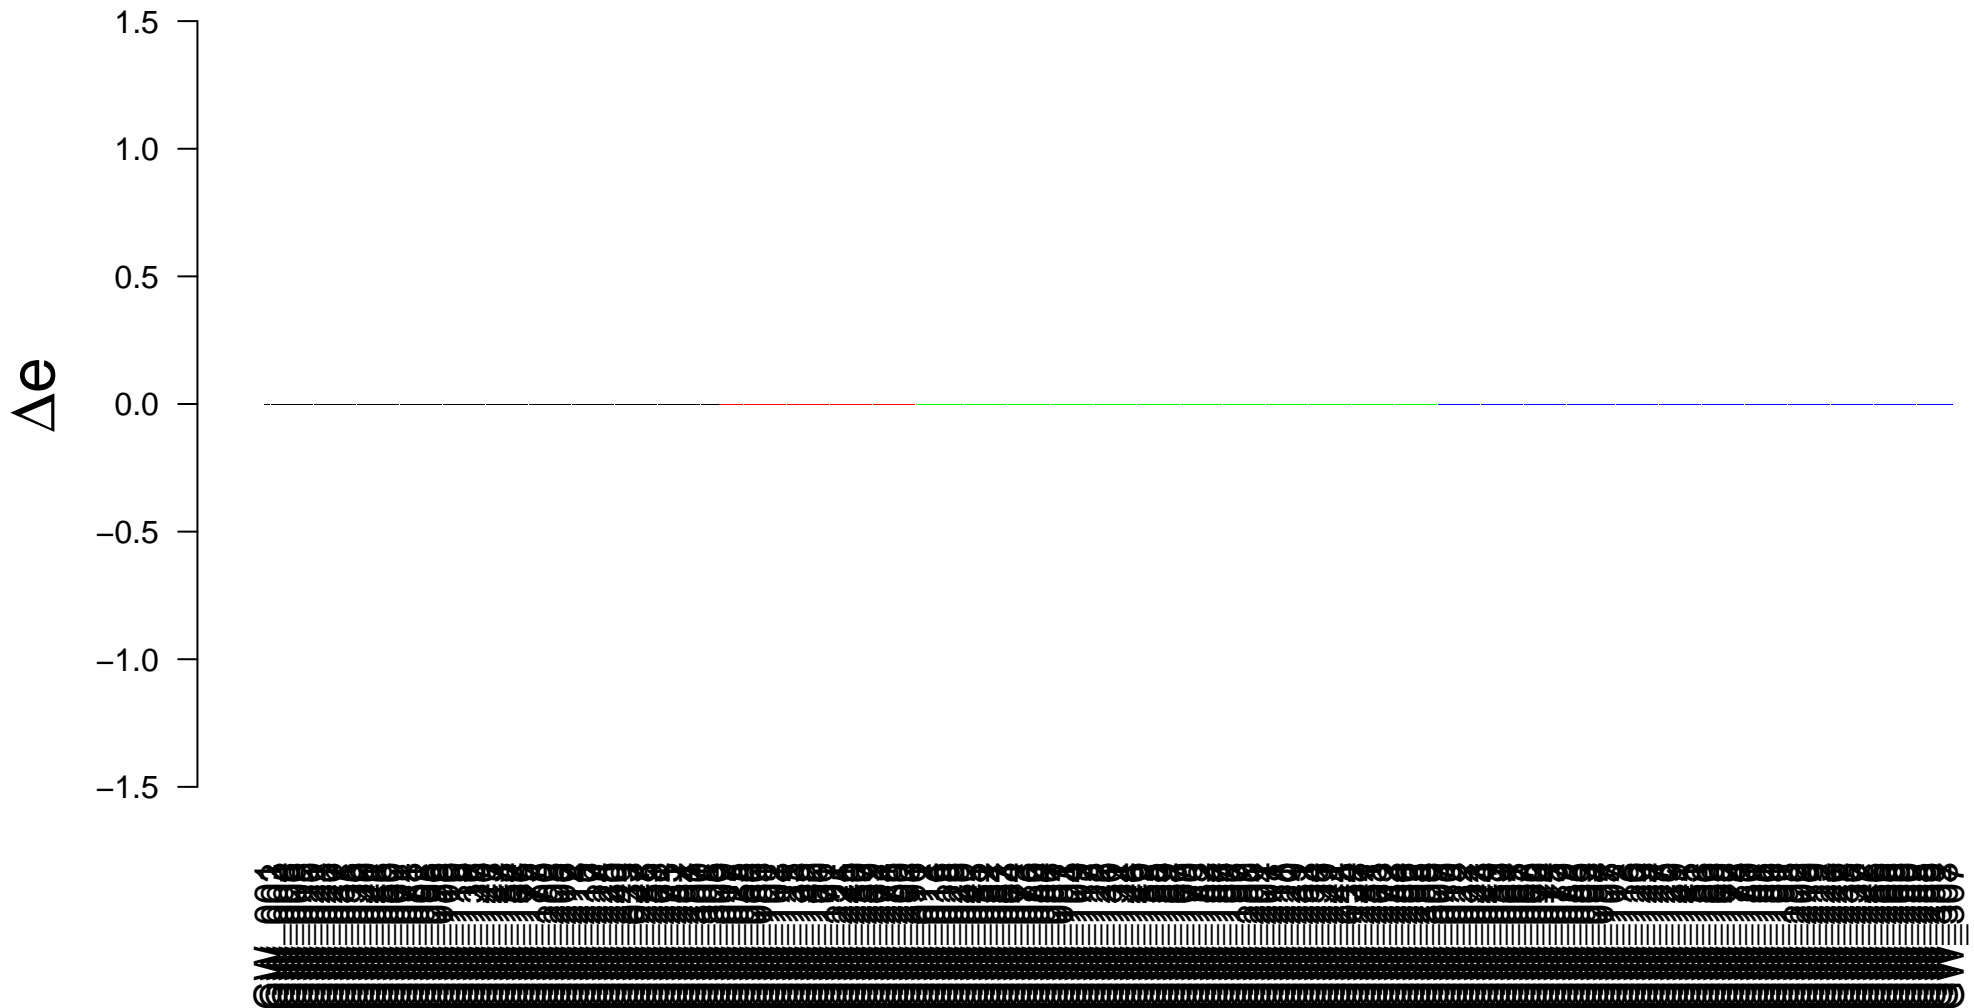

Expression of potassium ion transmembrane transport in Spot B

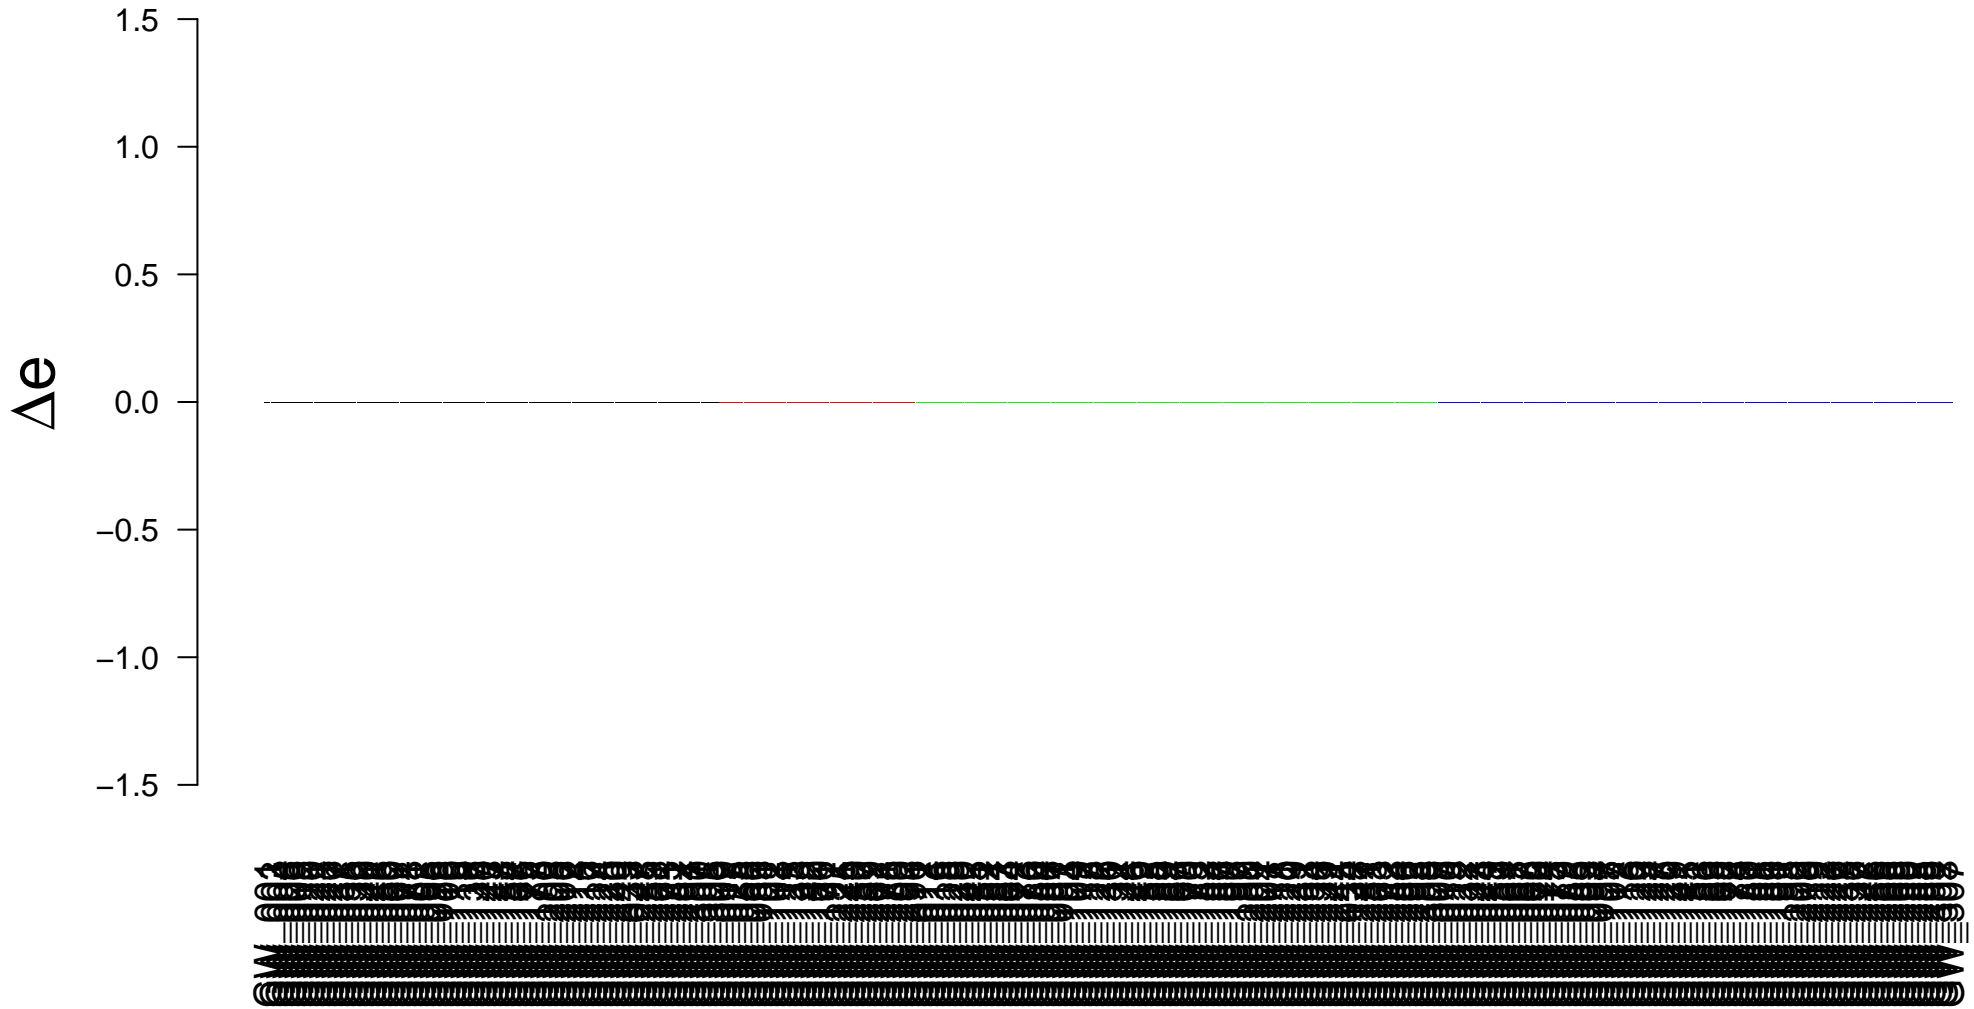

Expression of potassium ion transmembrane transport in Spot C

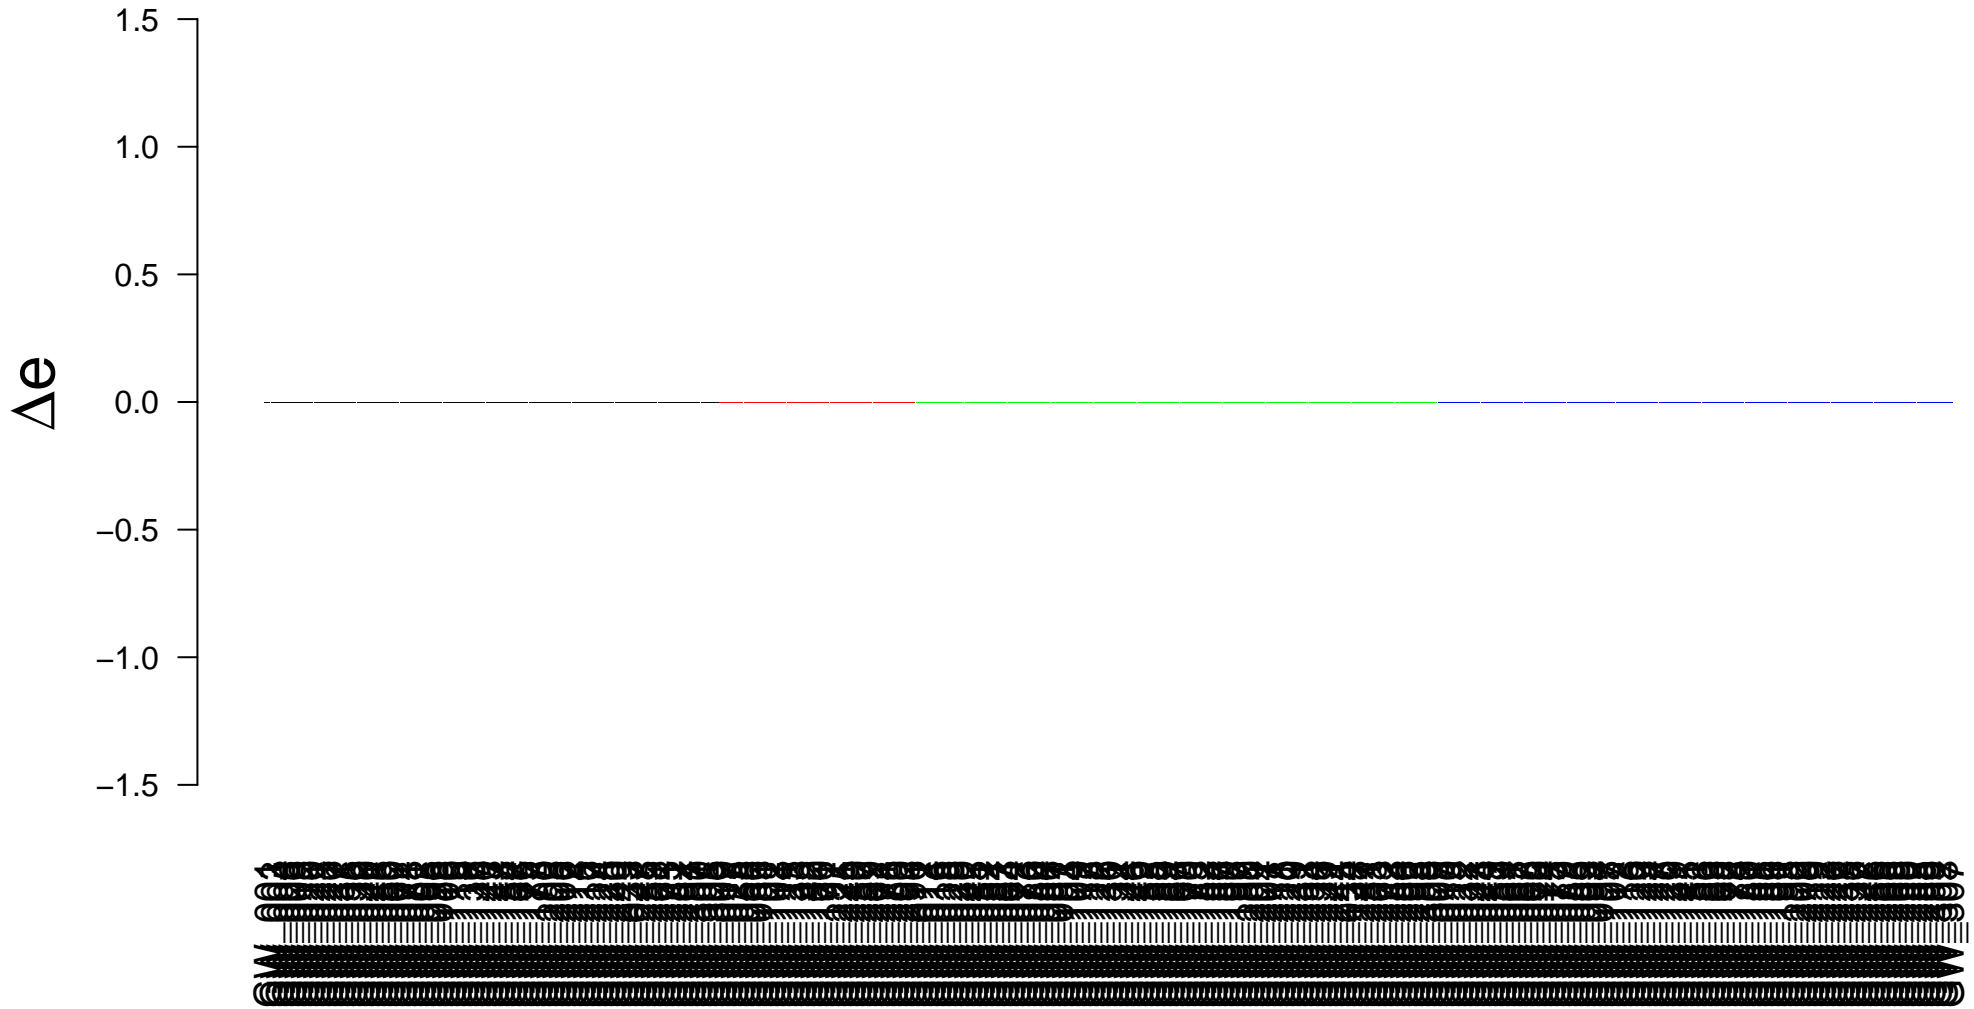

Expression of potassium ion transmembrane transport in Spot D

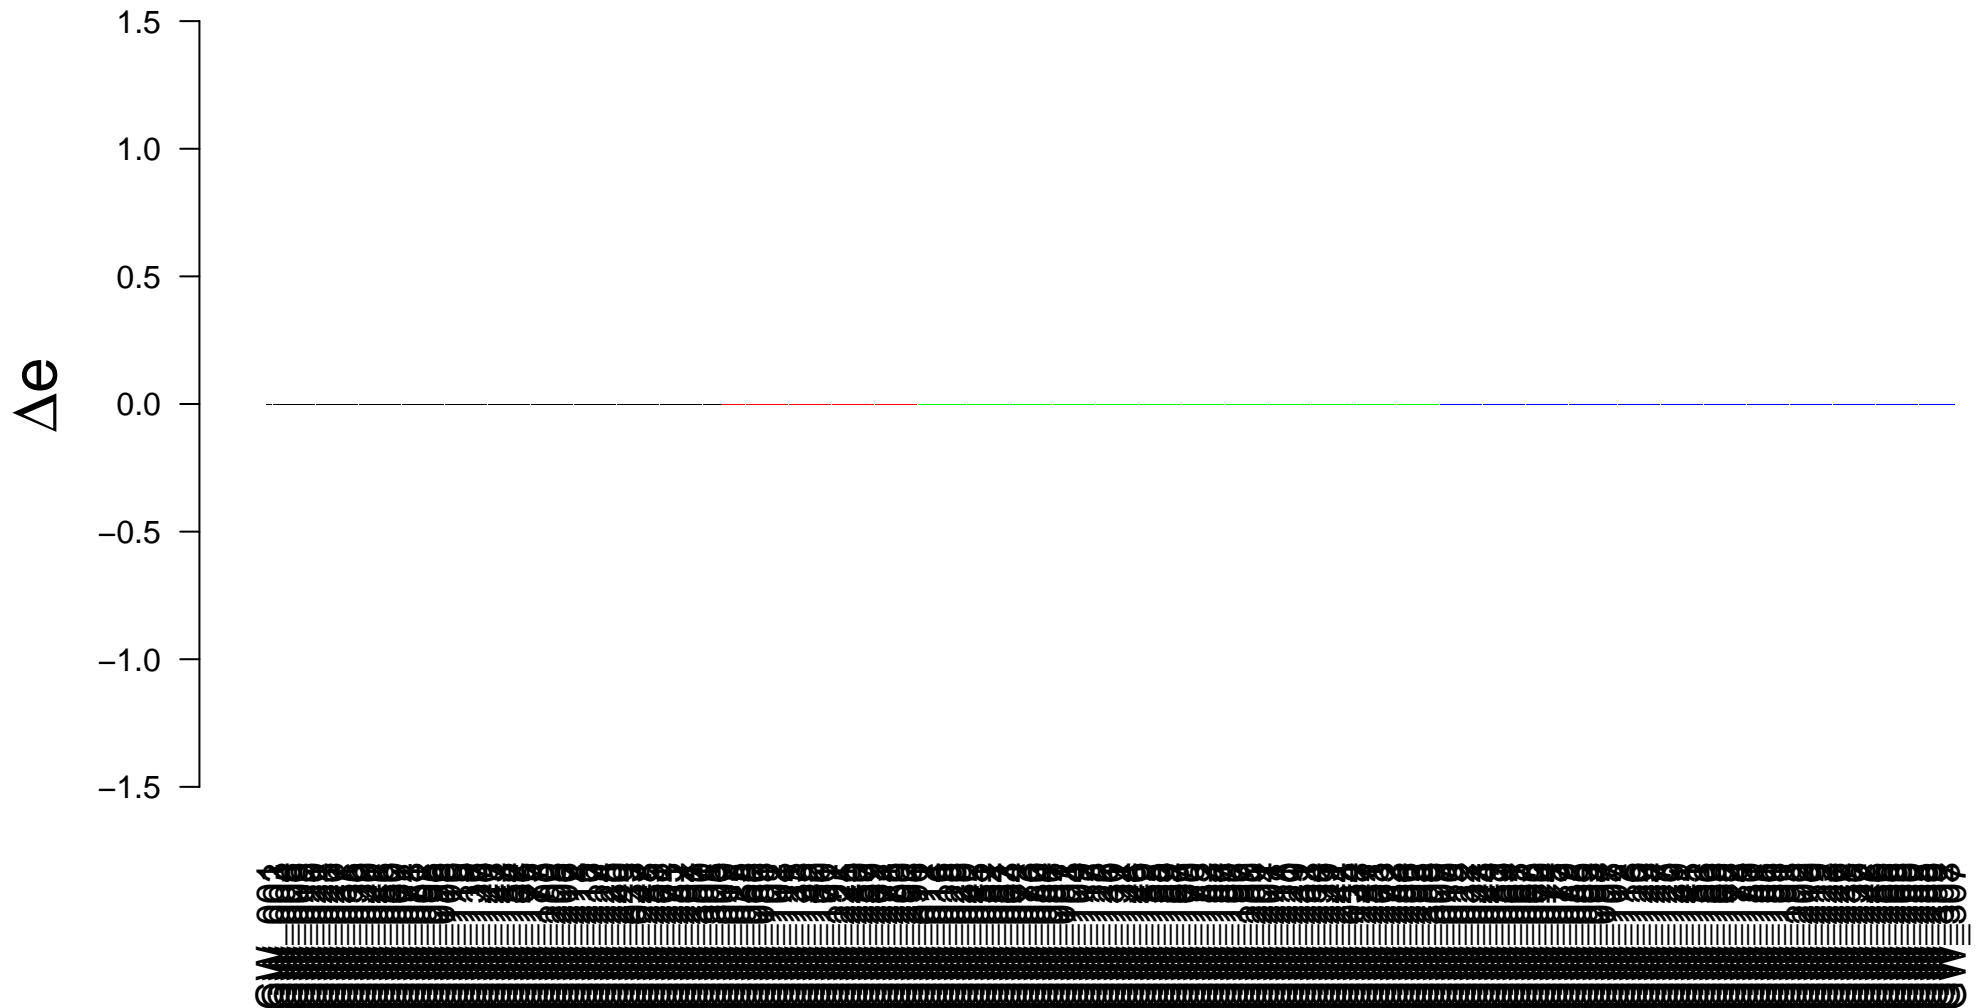

Expression of potassium ion transmembrane transport in Spot E

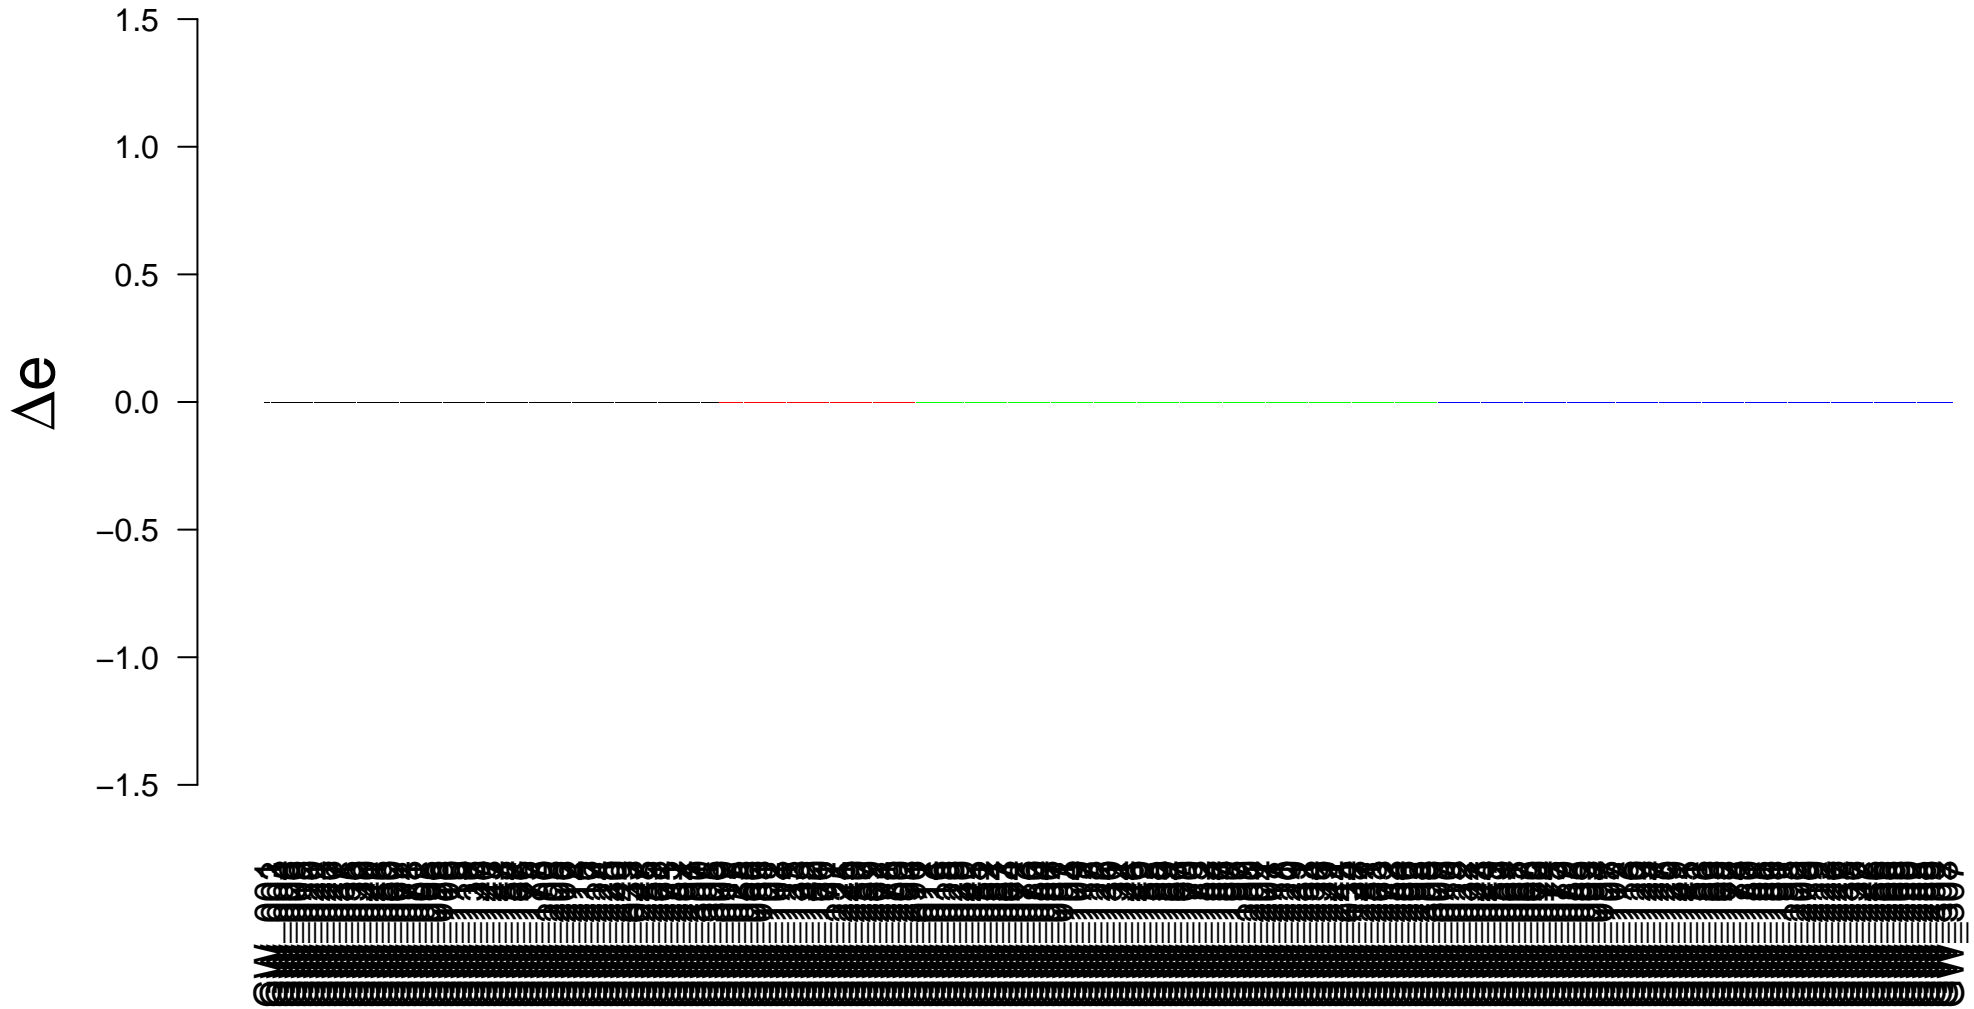

Expression of potassium ion transmembrane transport in Spot F

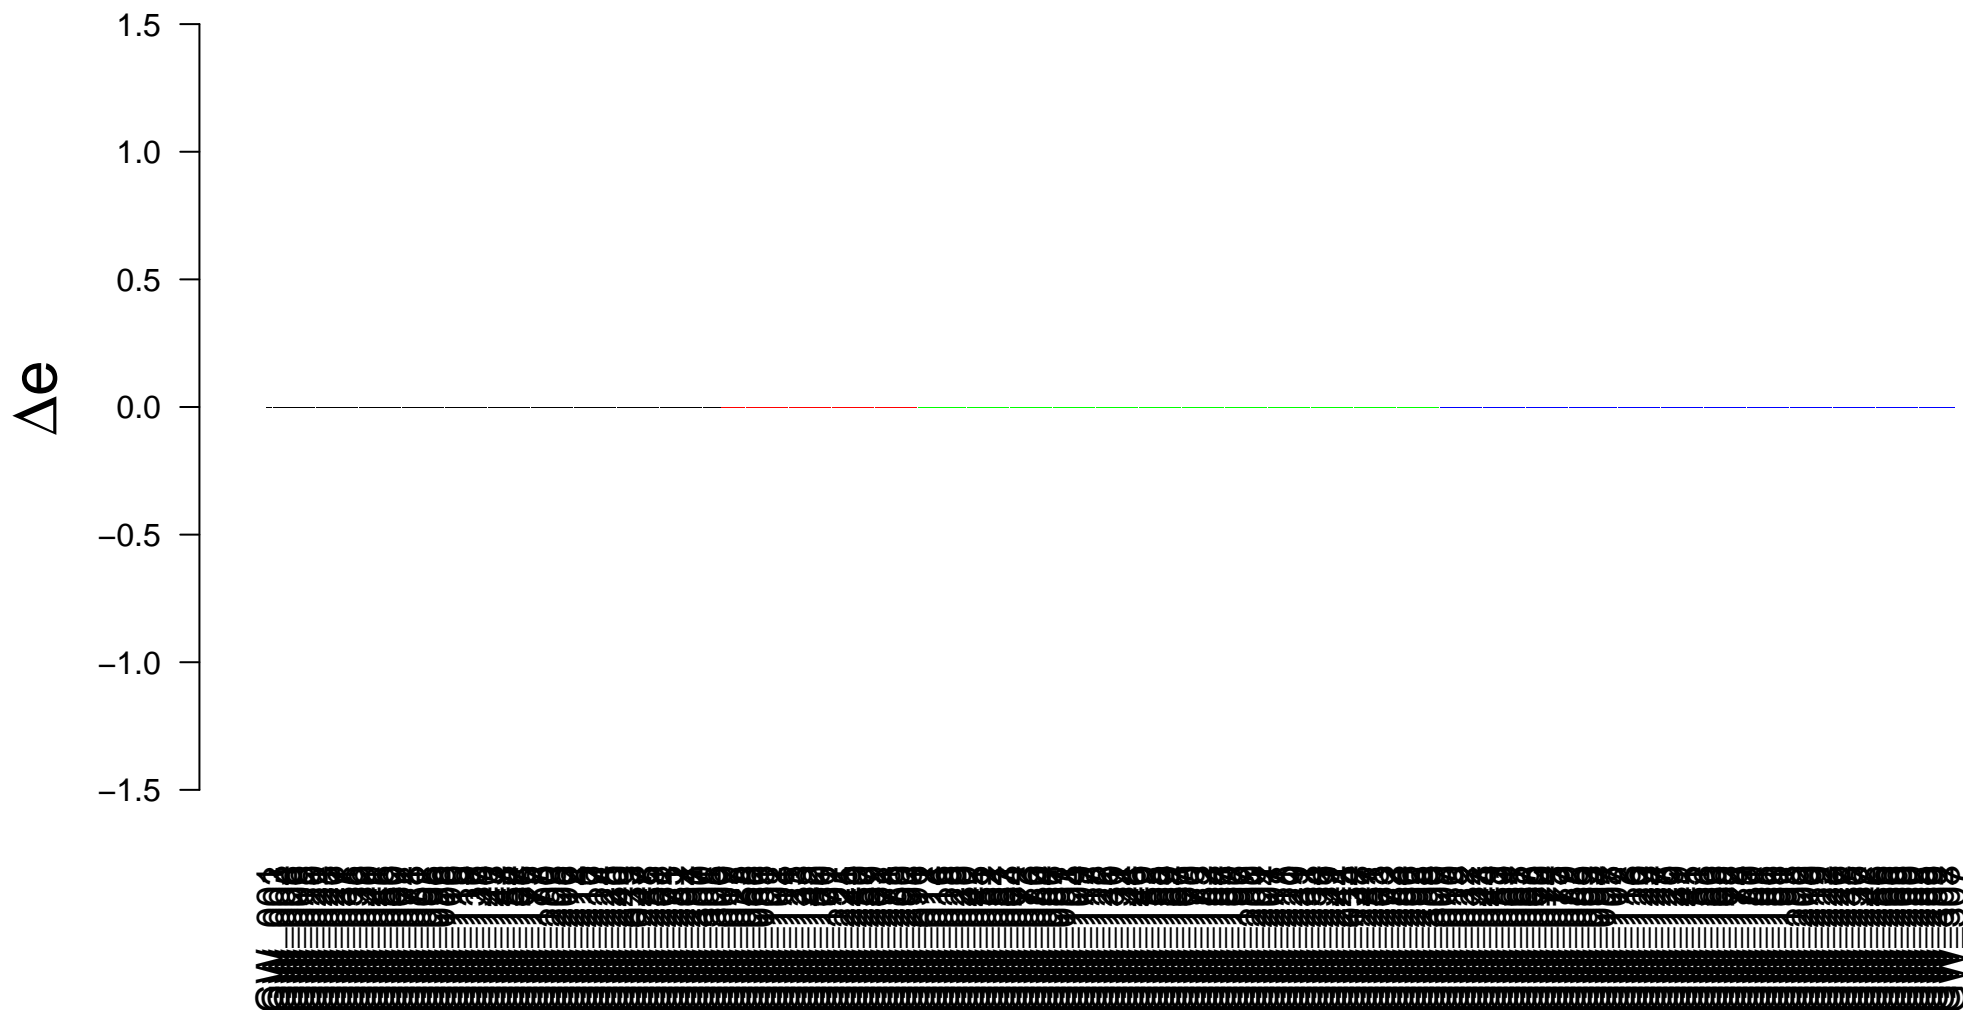

Expression of potassium ion transmembrane transport in Spot G

Expression of potassium ion transmembrane transport in Spot H

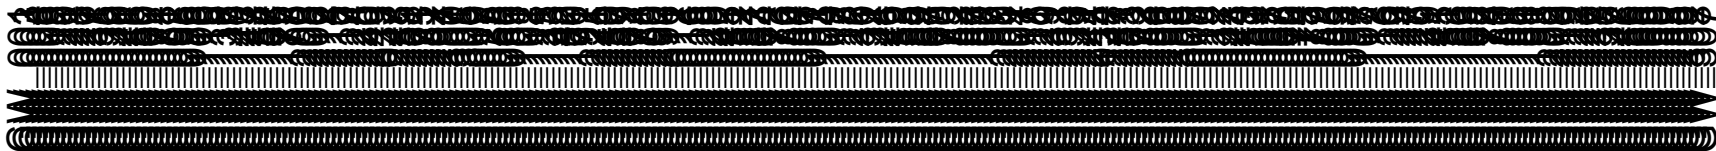

Expression of potassium ion transmembrane transport in Spot I

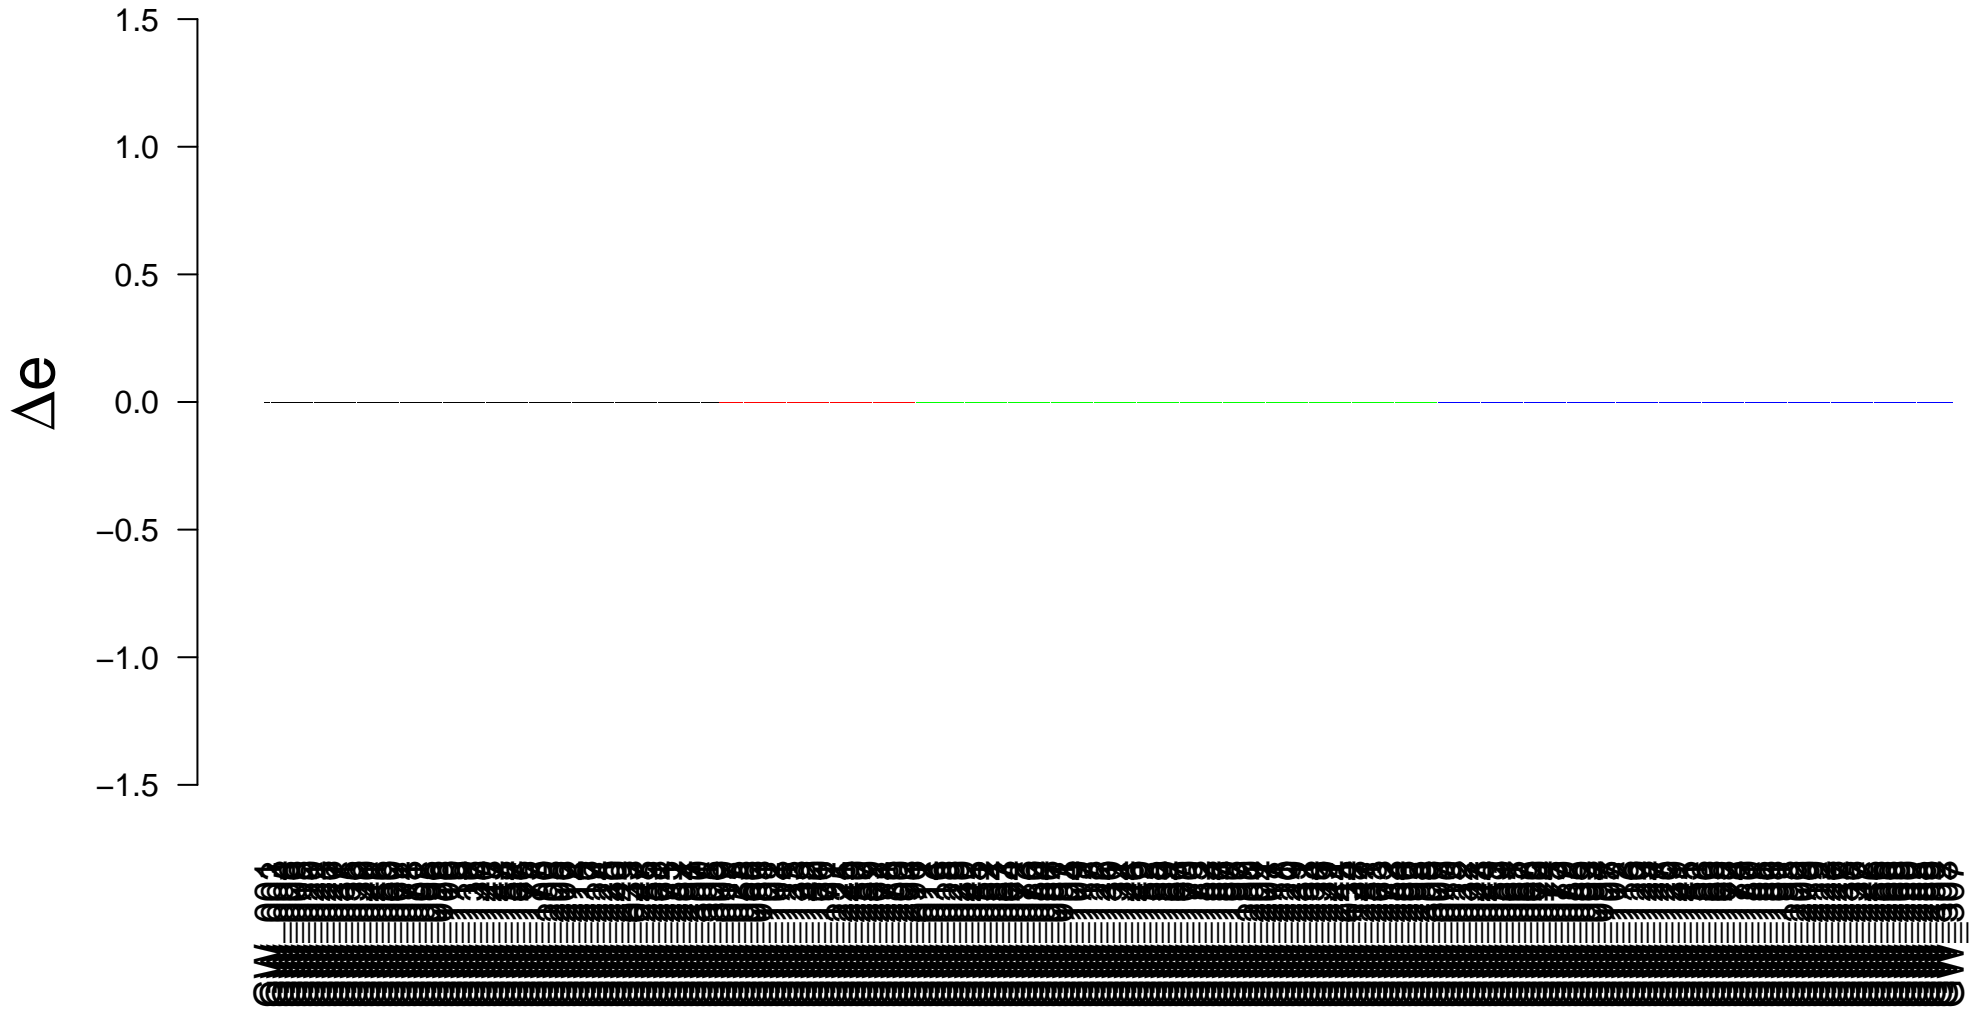

Expression of potassium ion transmembrane transport in Spot J

Expression of potassium ion transmembrane transport in Spot M

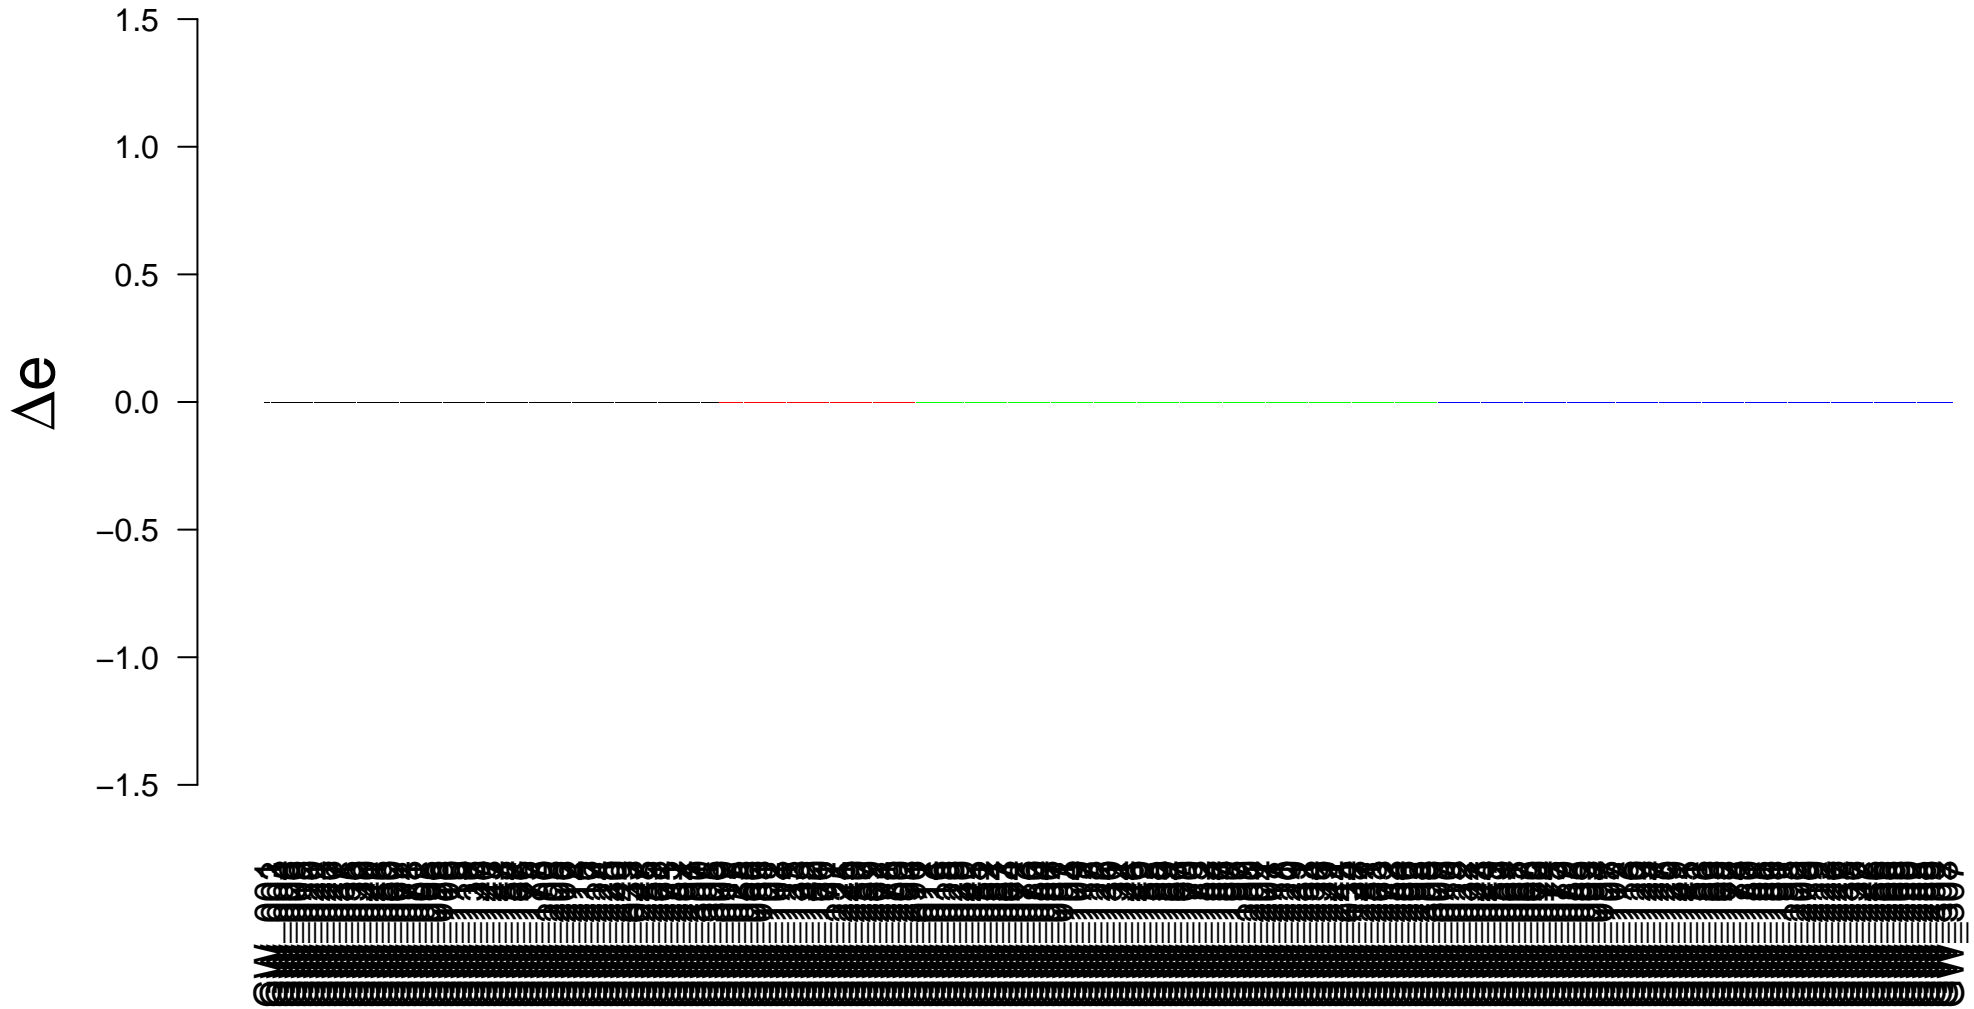

Expression of potassium ion transmembrane transport in Spot N

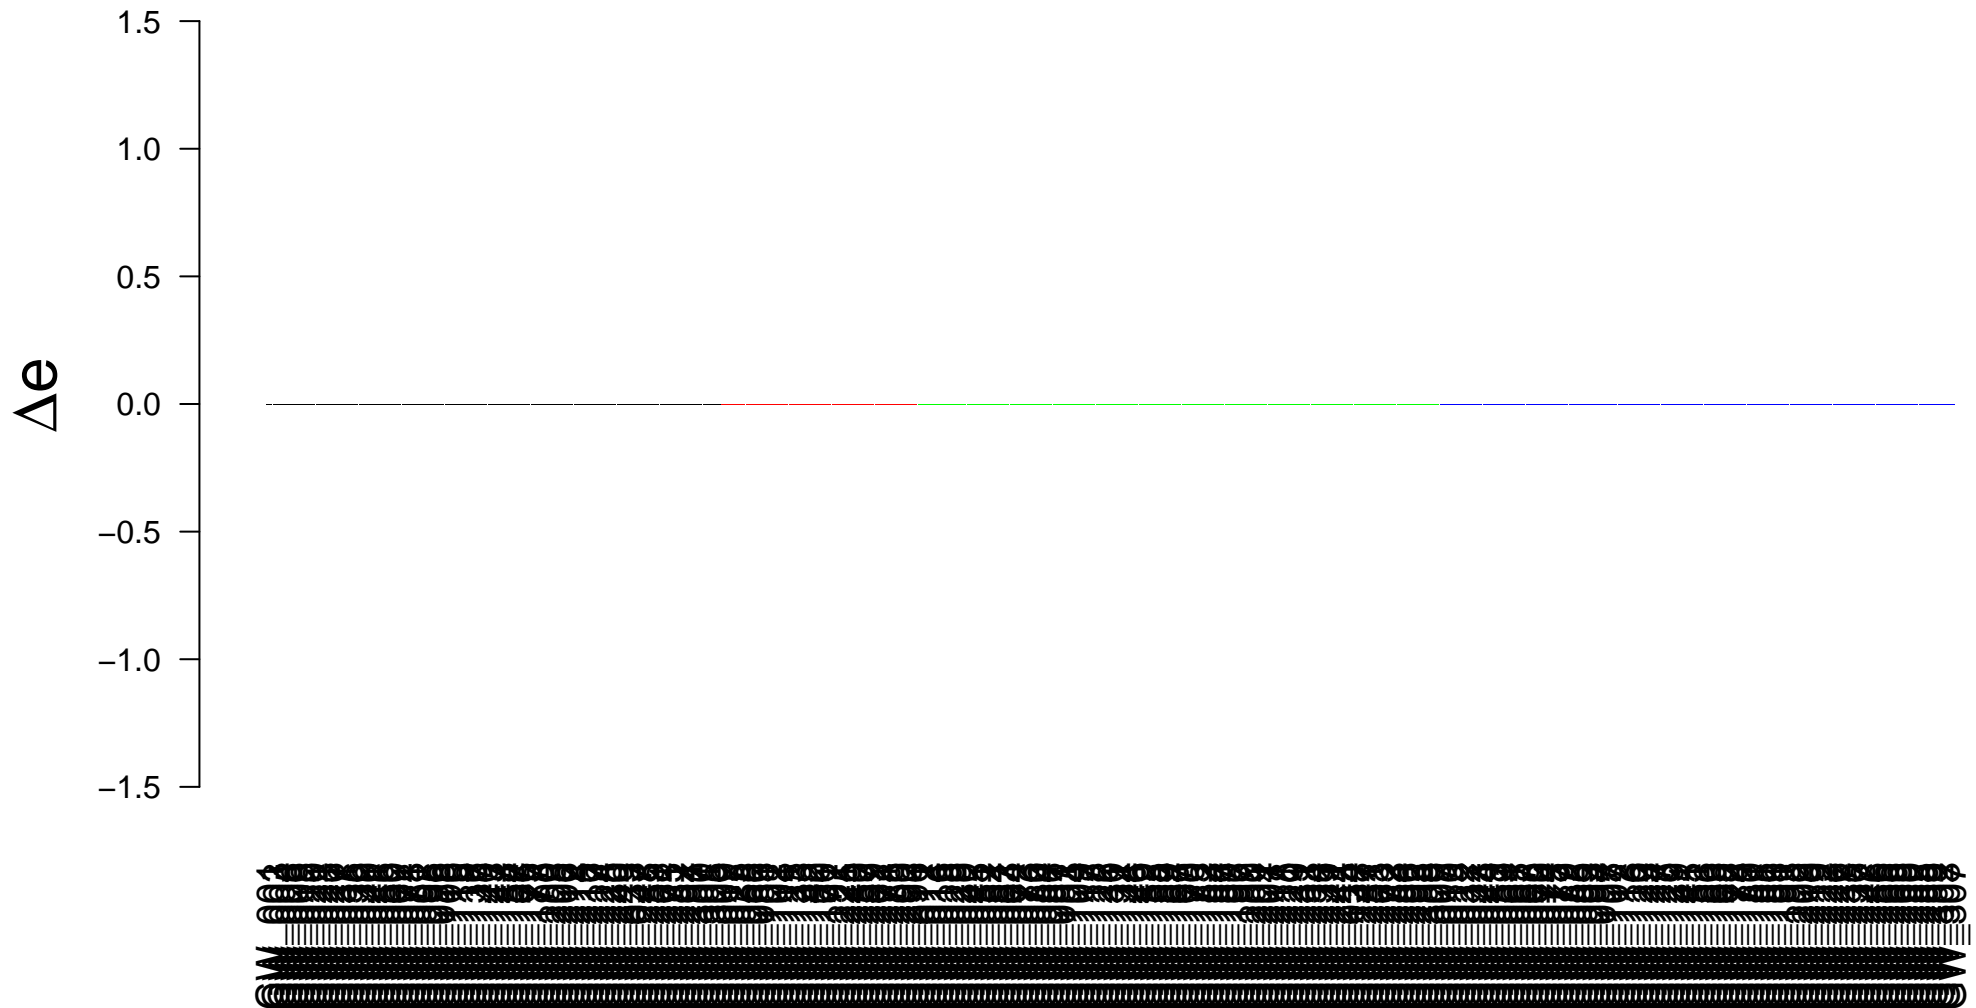

Expression of potassium ion transmembrane transport in Spot O

Expression of potassium ion transmembrane transport in Spot P

Expression of potassium ion transmembrane transport in Spot Q

Expression of potassium ion transmembrane transport in Spot R
