Expression of potassium ion transport in Spot B

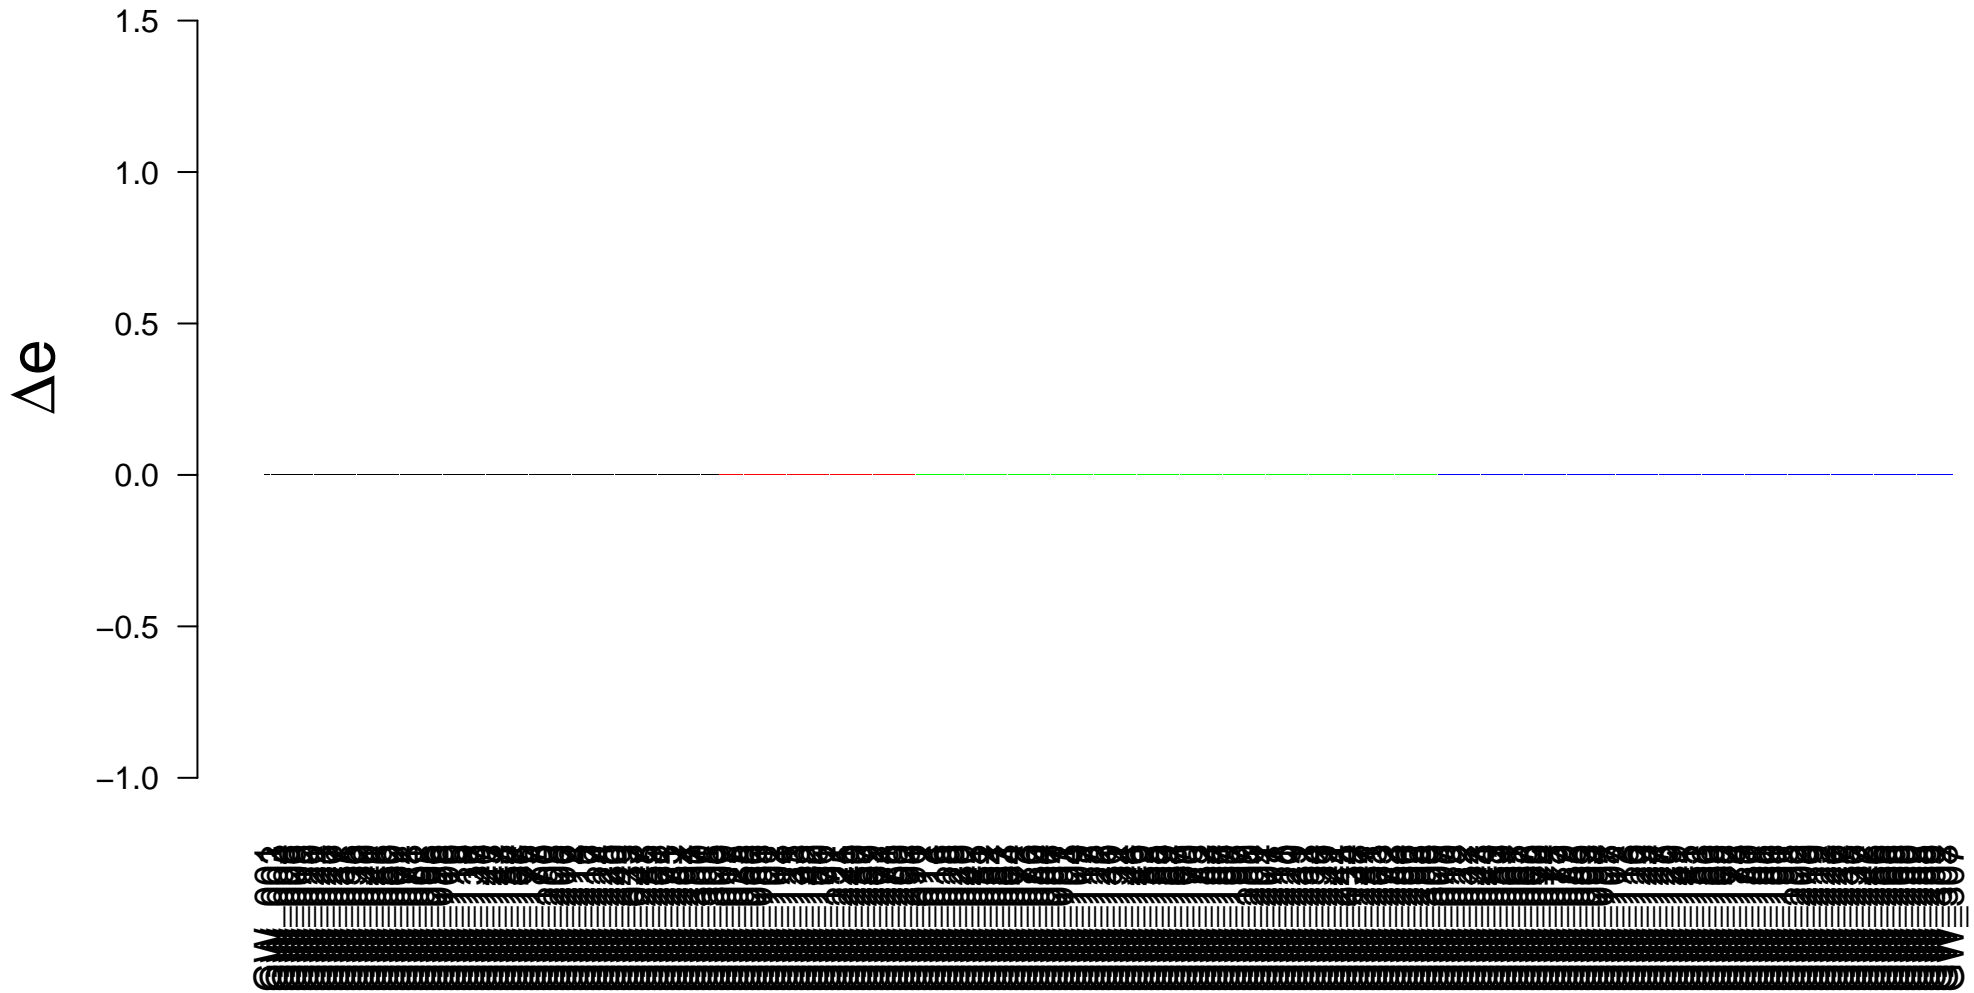

Expression of potassium ion transport in Spot C

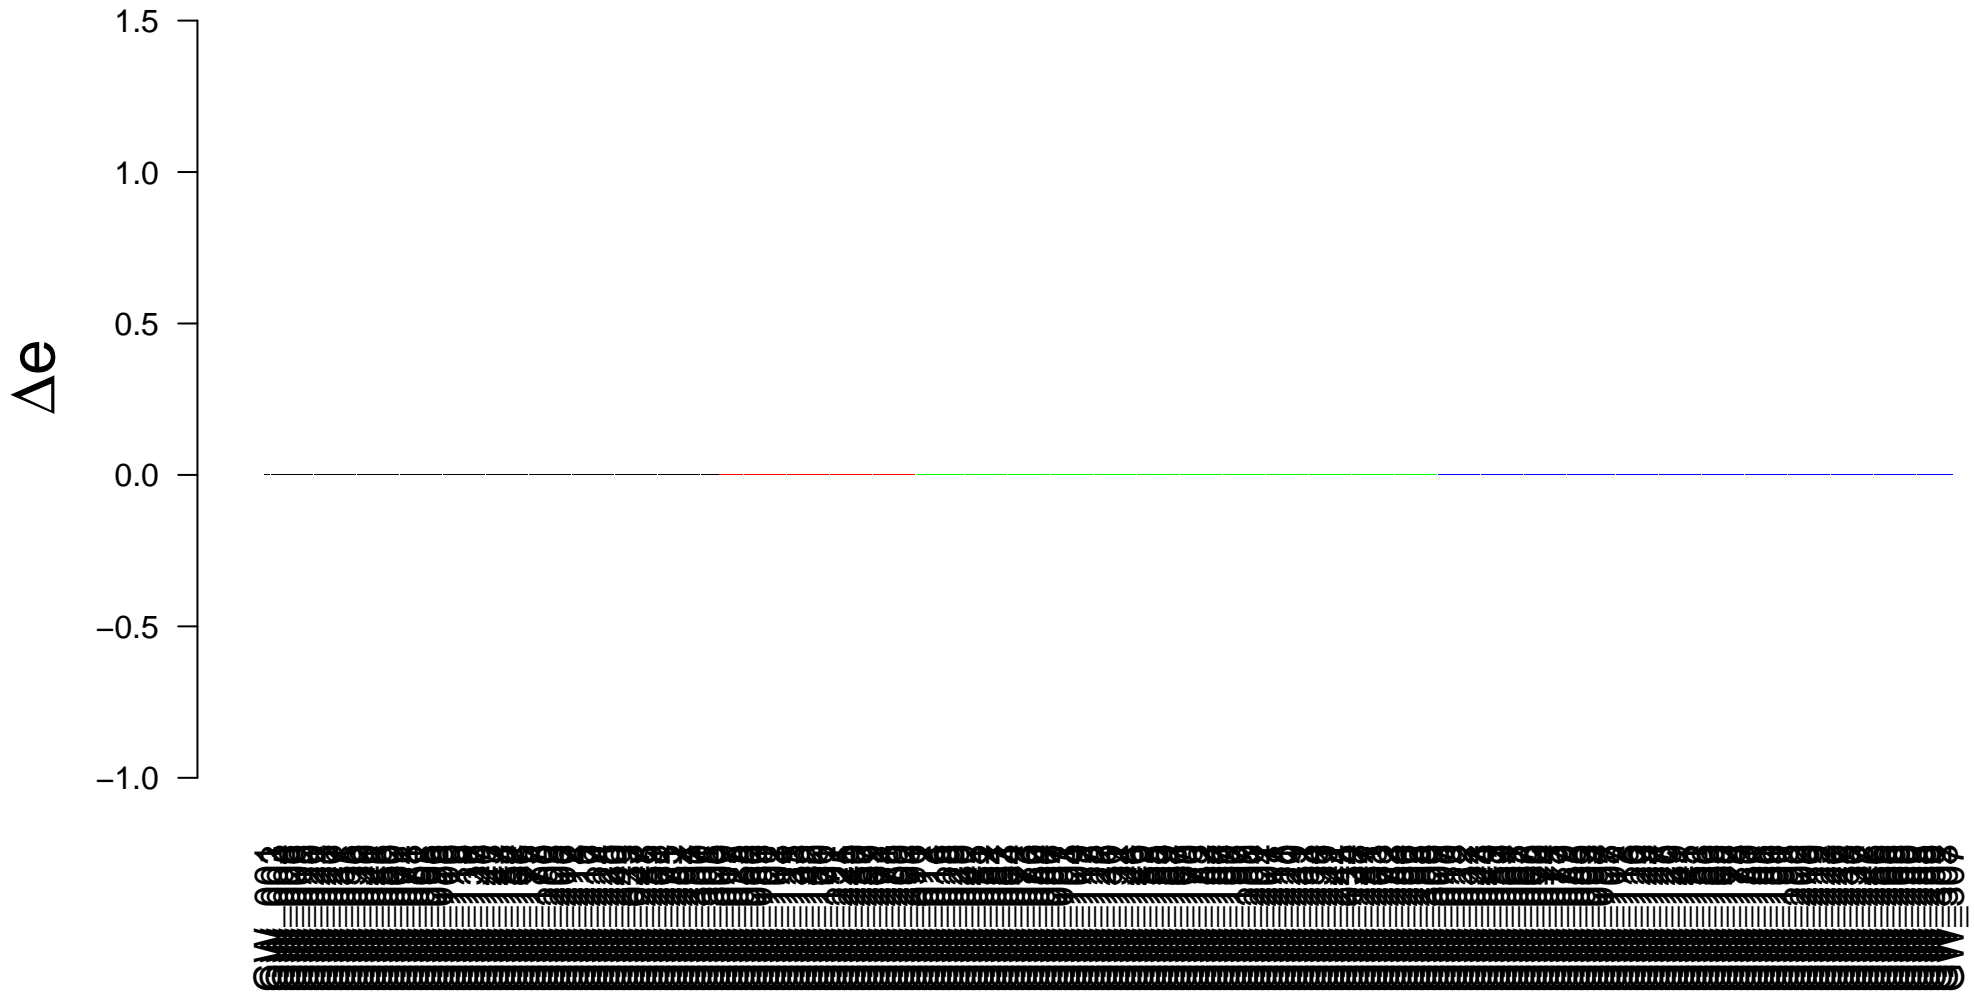

Expression of potassium ion transport in Spot D

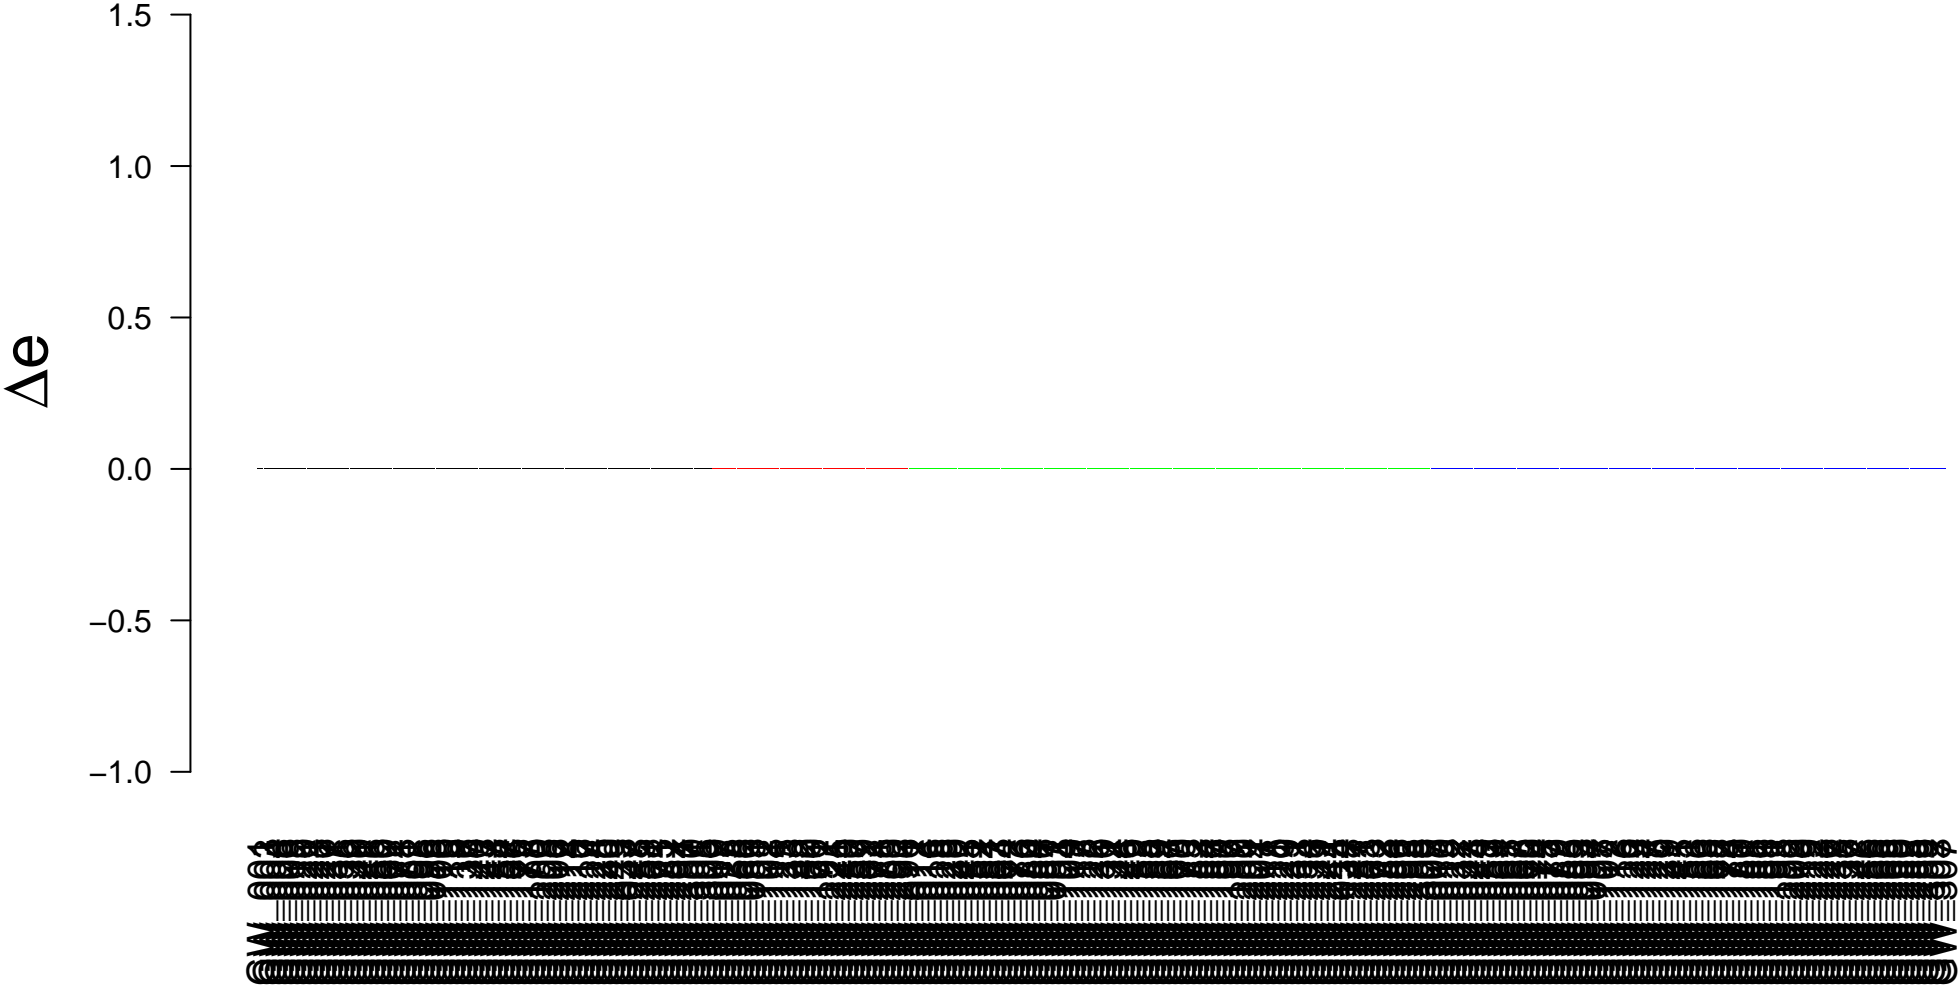

Expression of potassium ion transport in Spot E

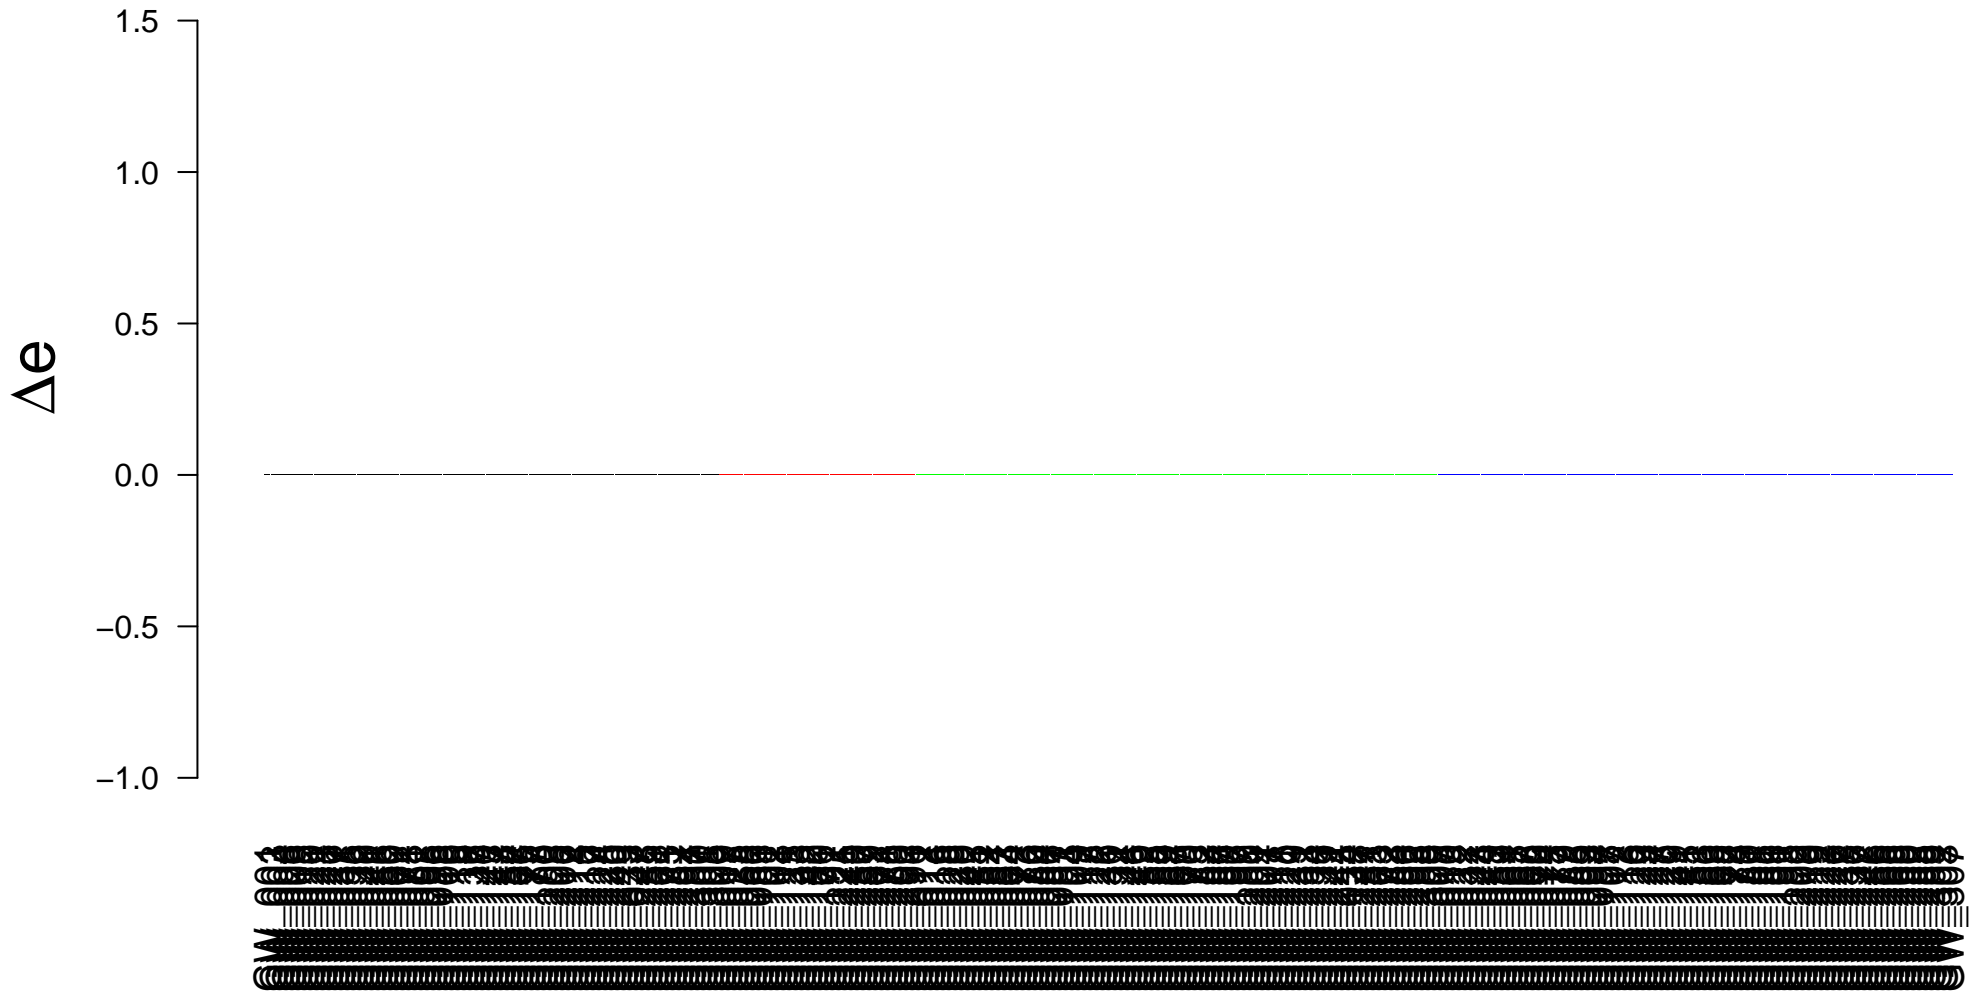

Expression of potassium ion transport in Spot F

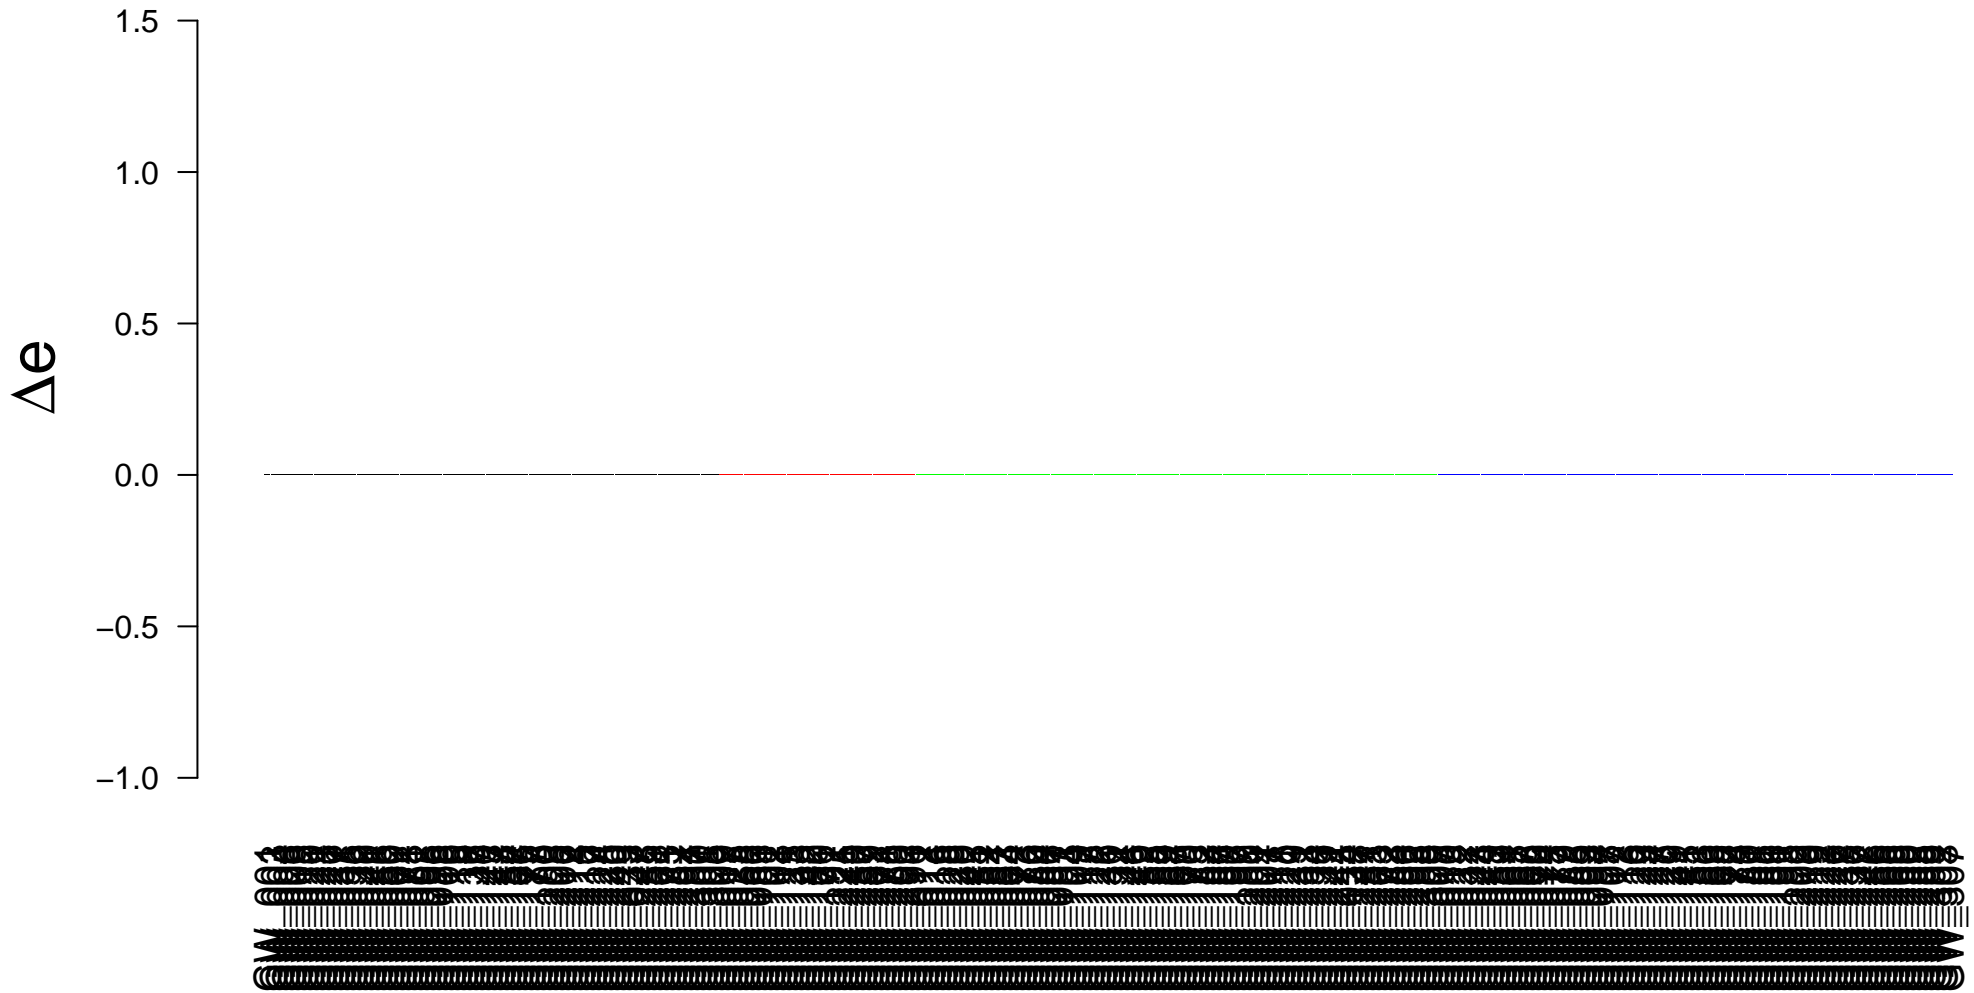

Expression of potassium ion transport in Spot G

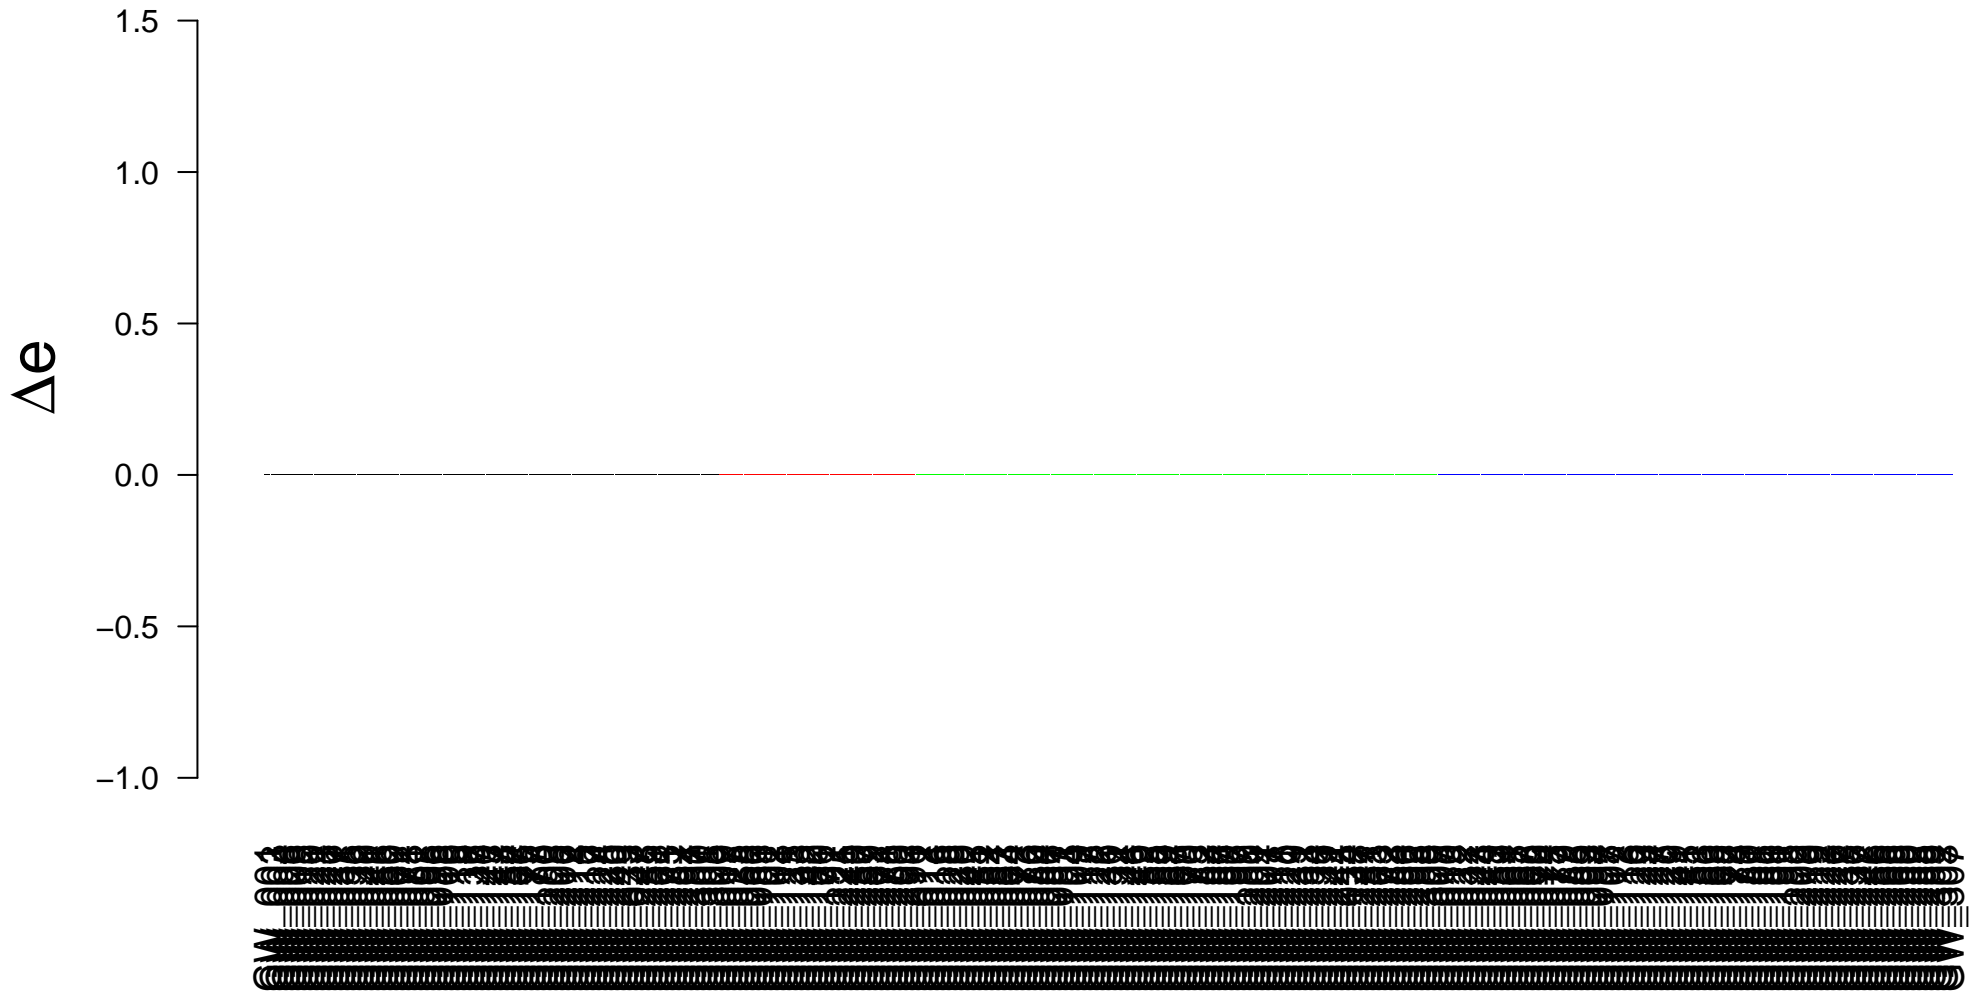

Expression of potassium ion transport in Spot H

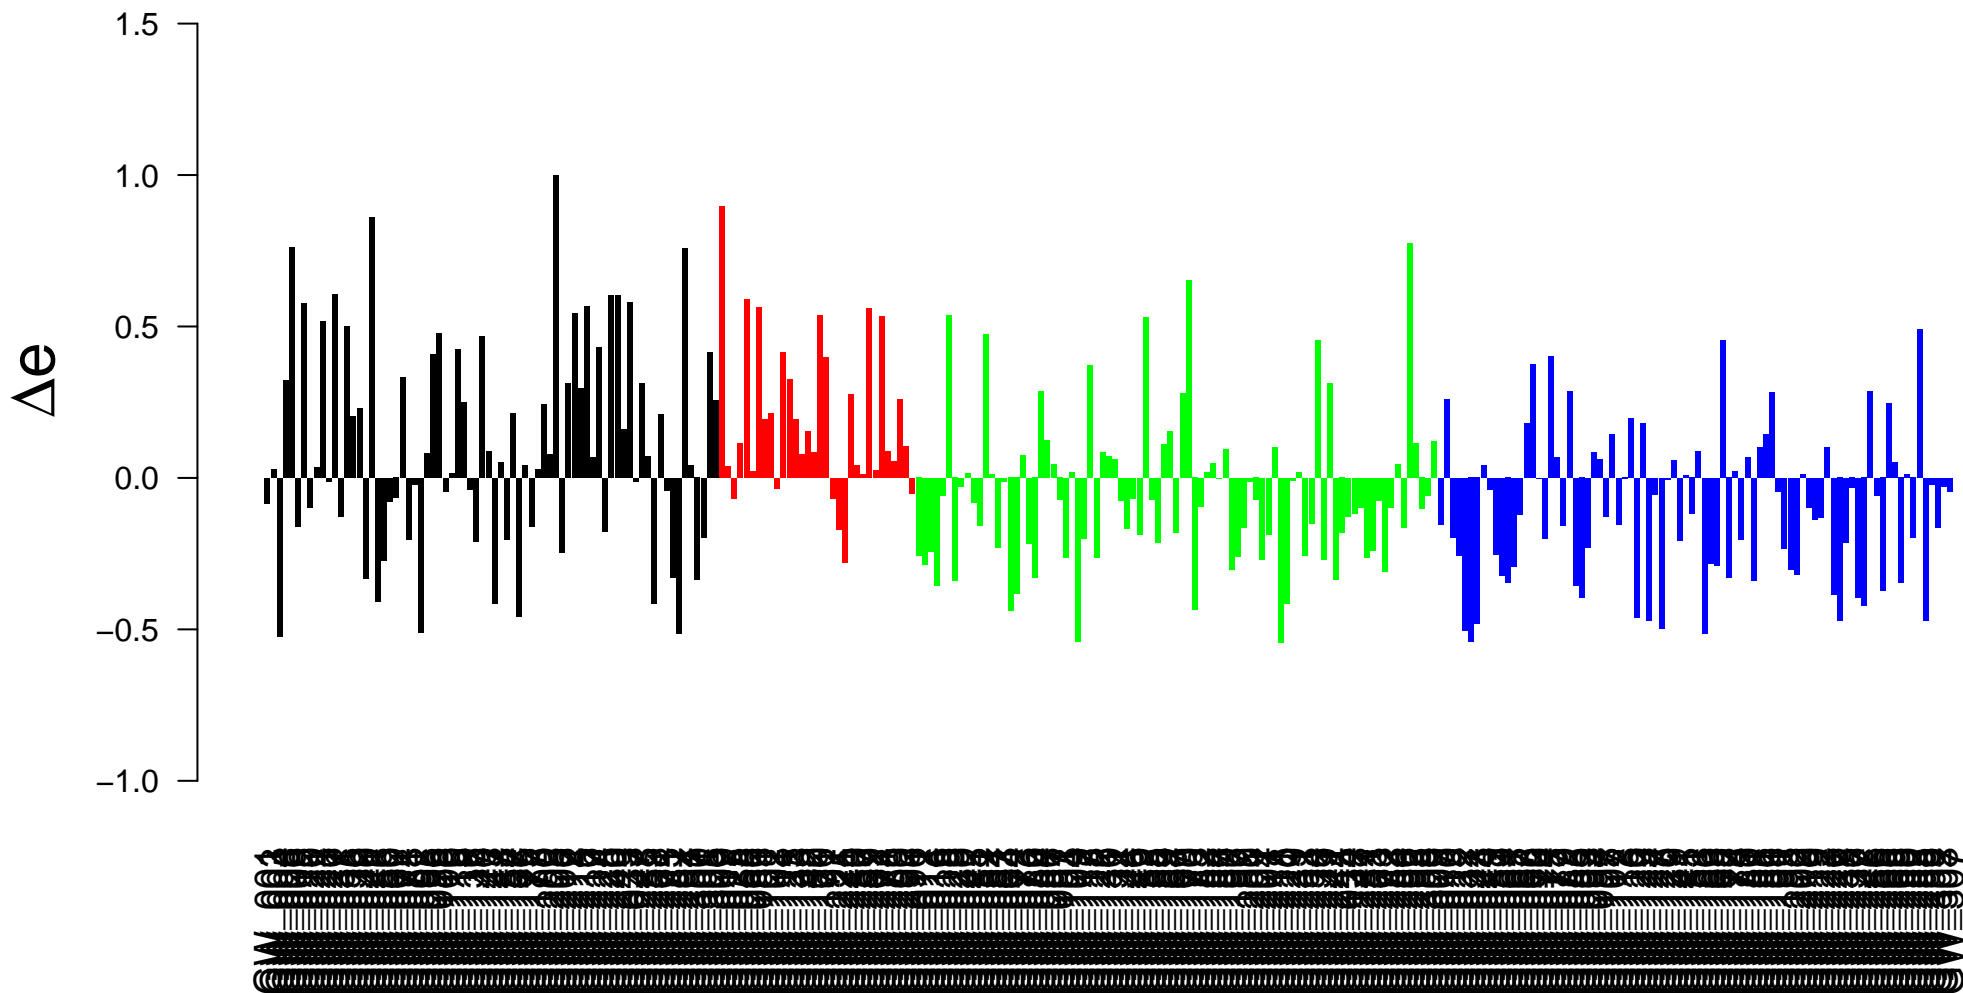

Expression of potassium ion transport in Spot I

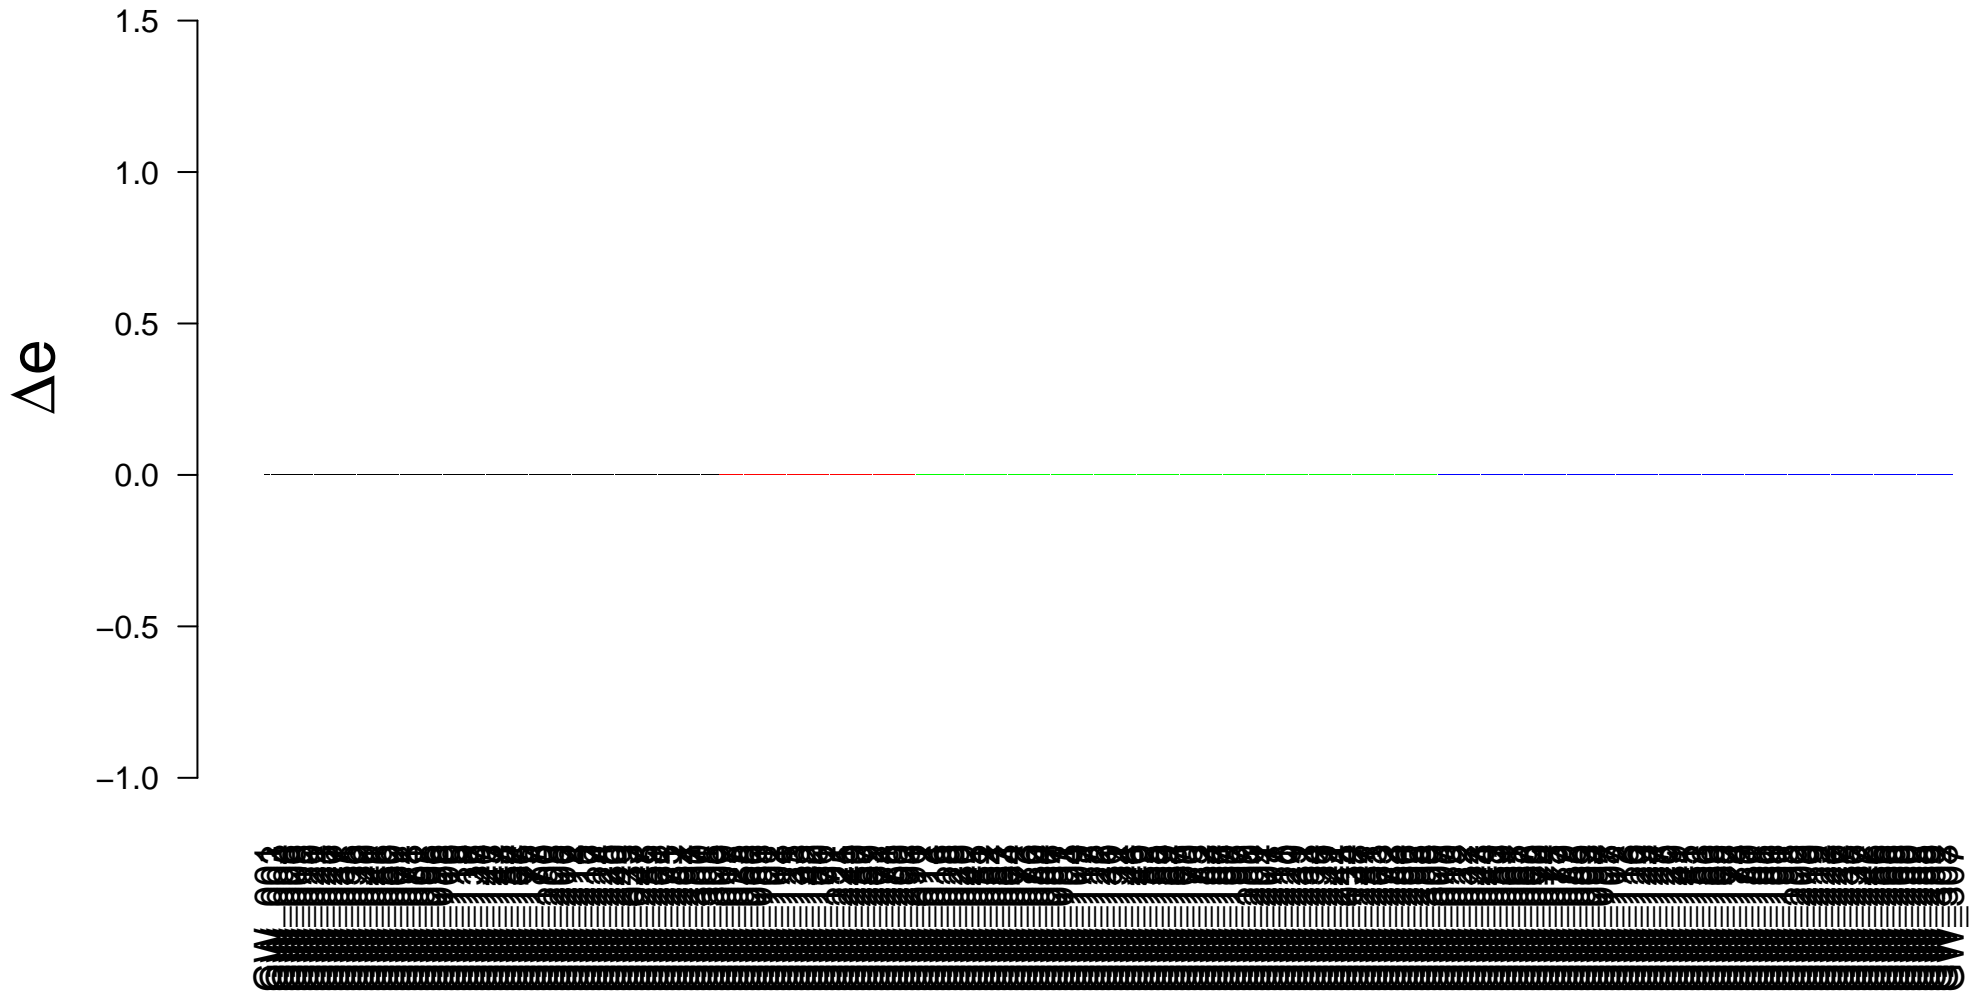

Expression of potassium ion transport in Spot J

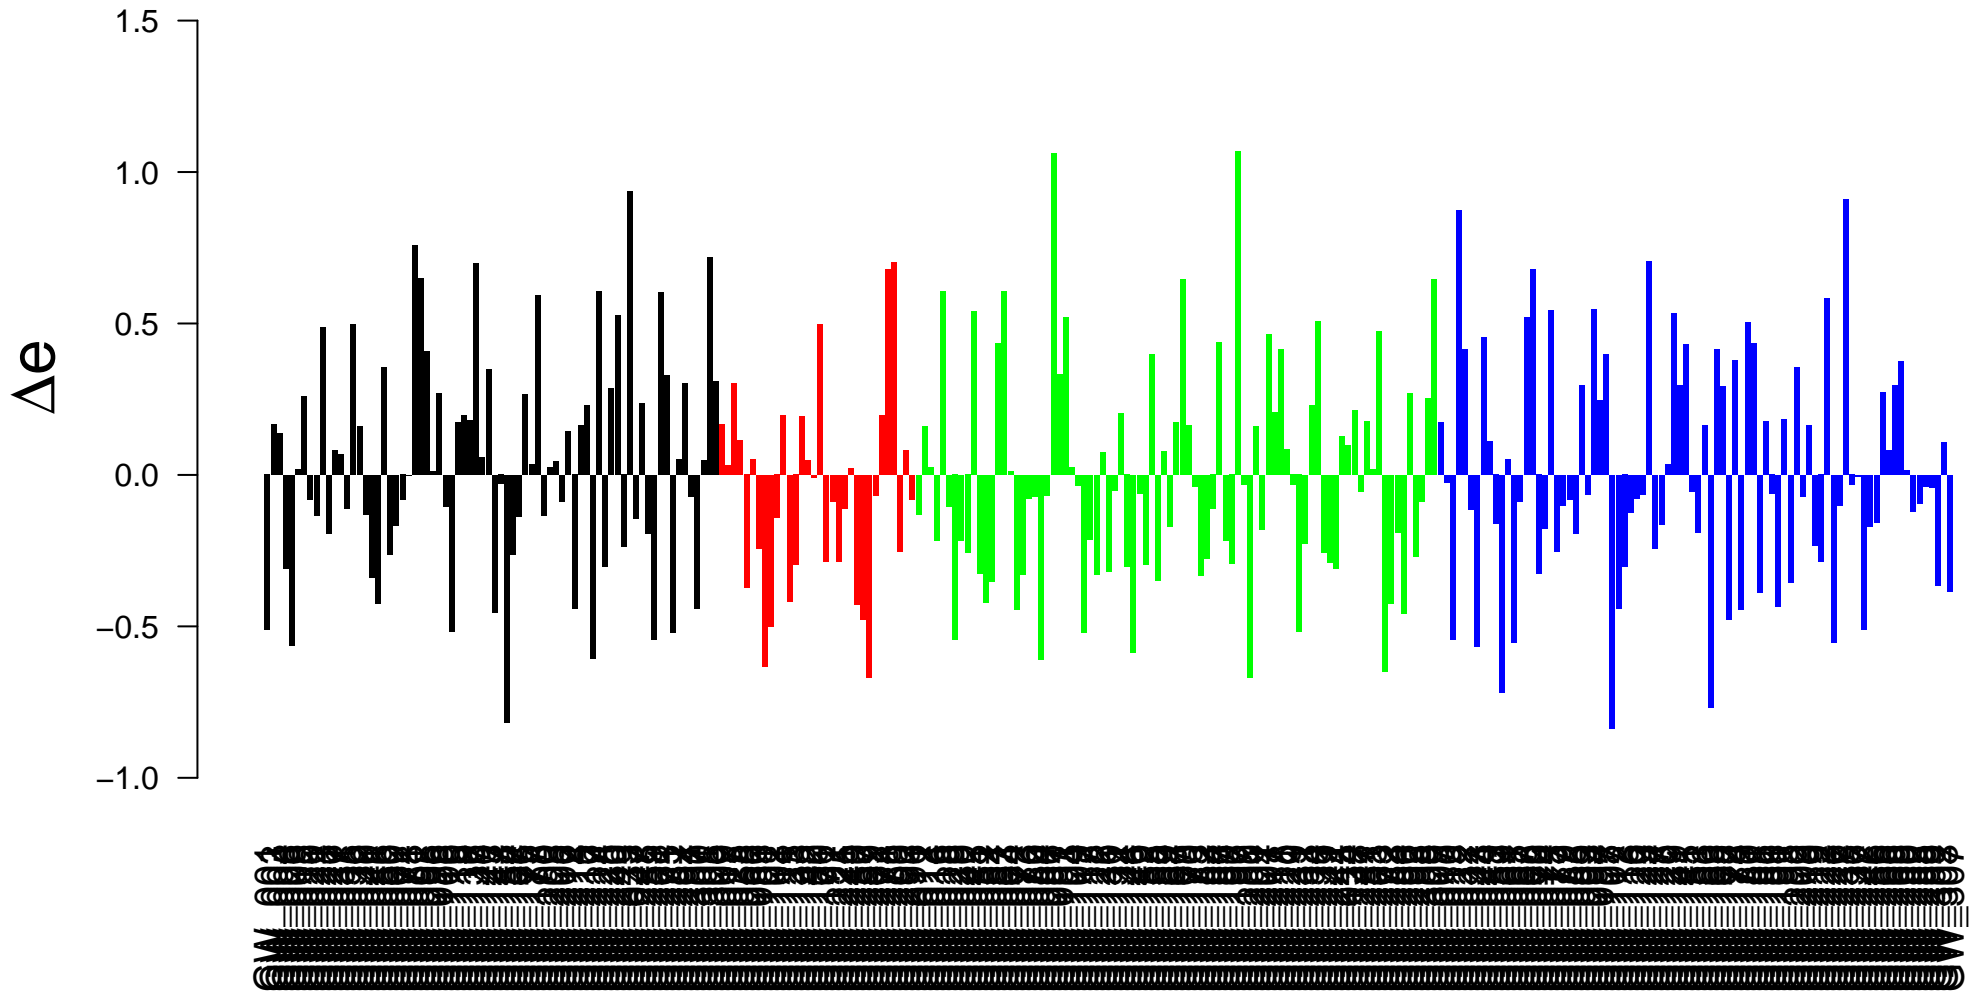

Expression of potassium ion transport in Spot K

Expression of potassium ion transport in Spot L

Expression of potassium ion transport in Spot M

Expression of potassium ion transport in Spot N
