

proteasome core complex

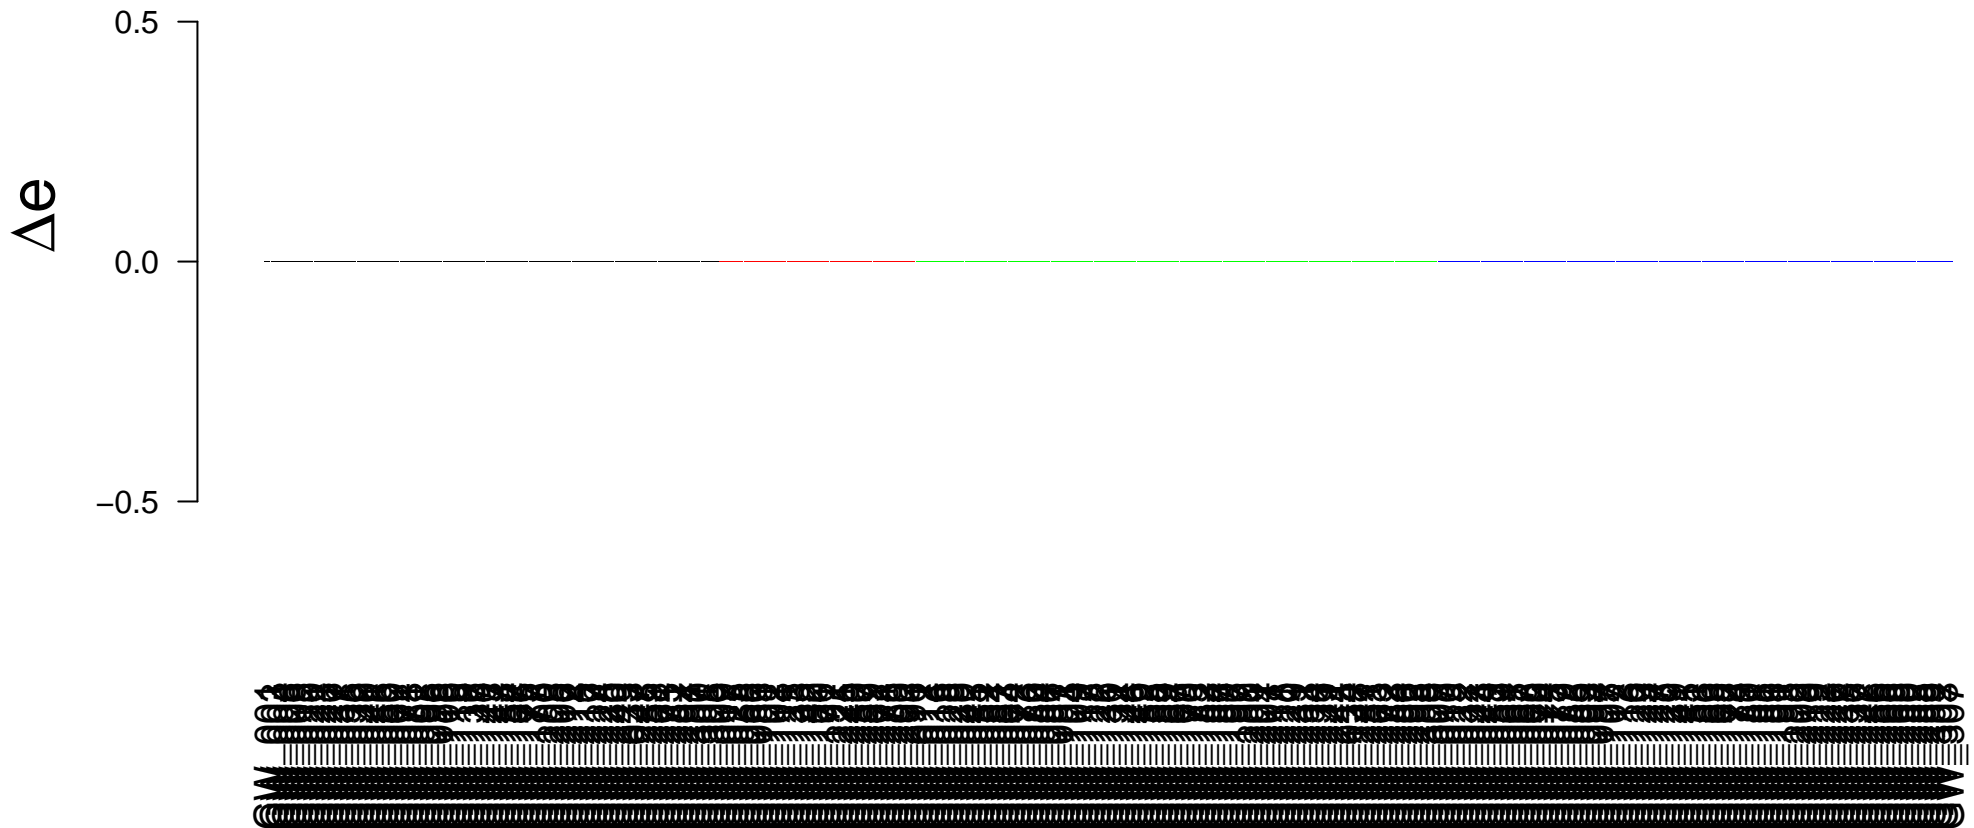

# proteasome core complex

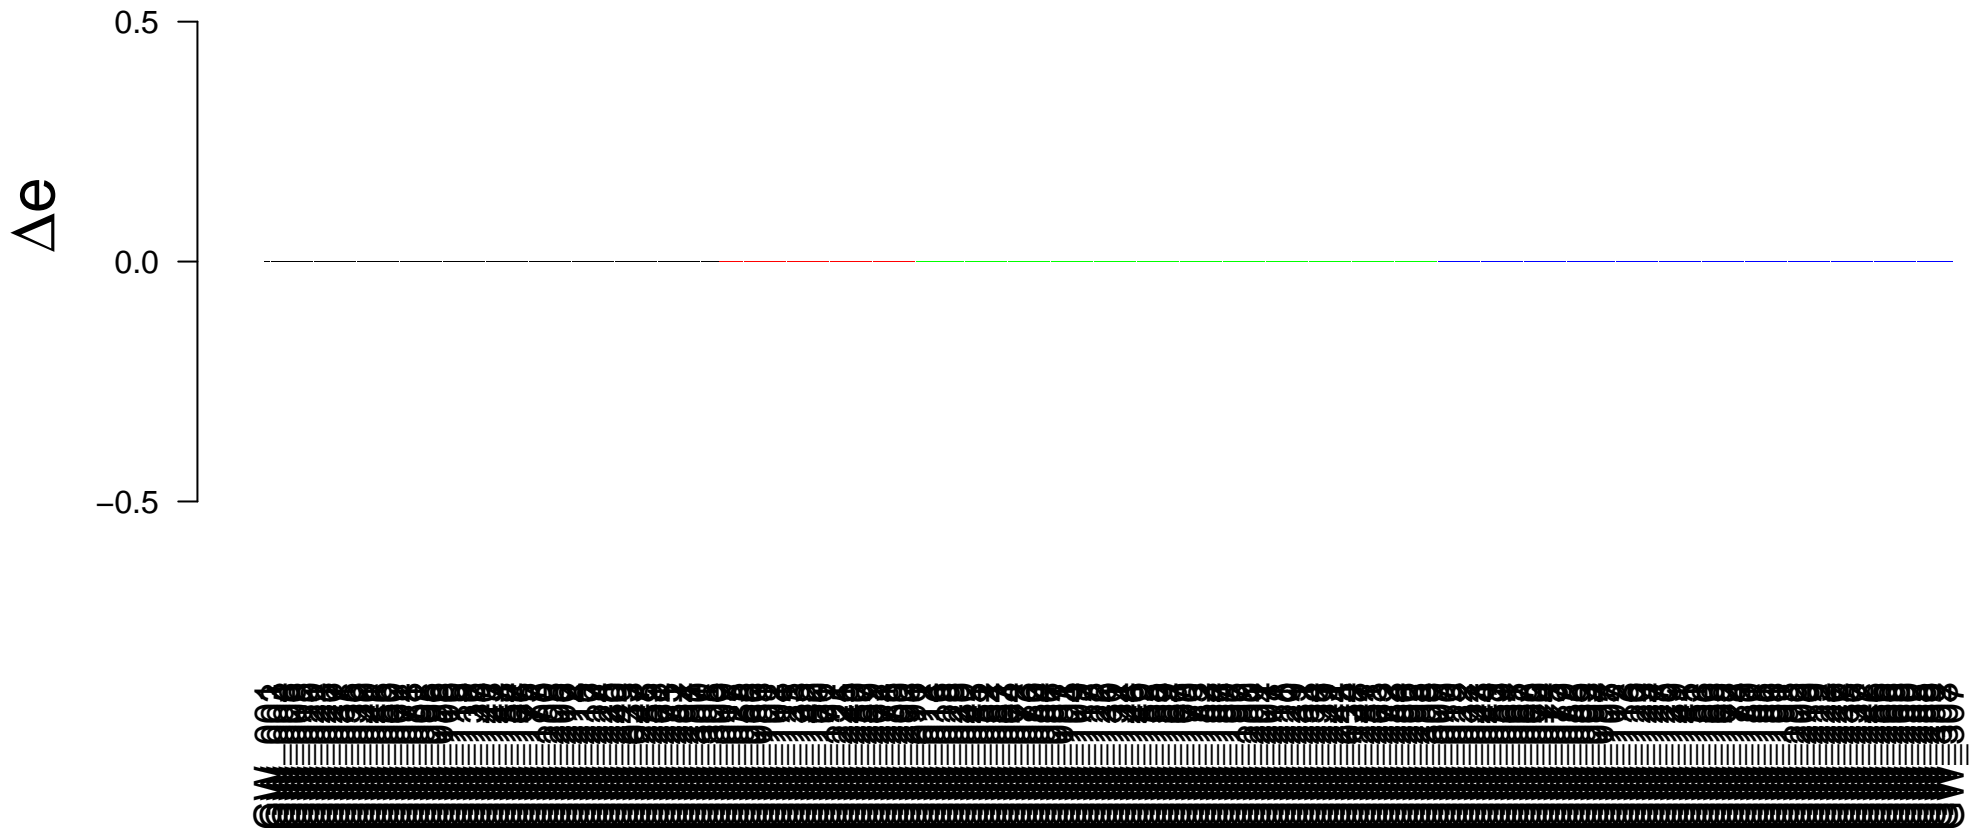

### Enrichment in spots: proteasome core complex

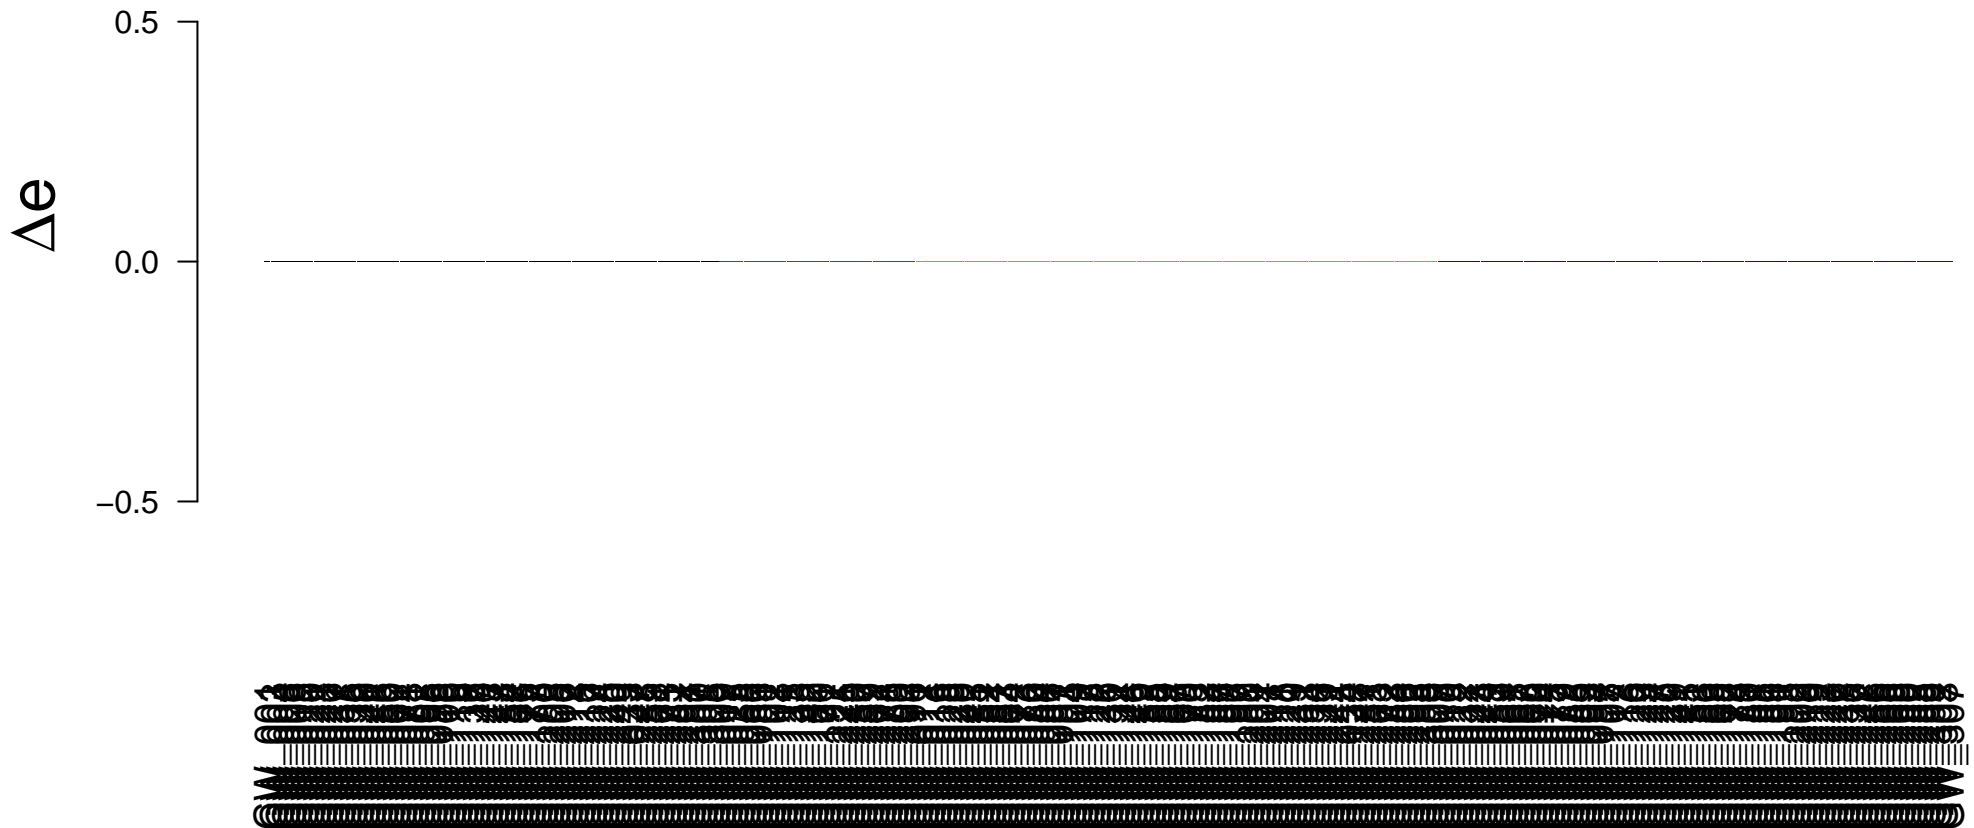

# Expression of proteasome core complex in Spot A

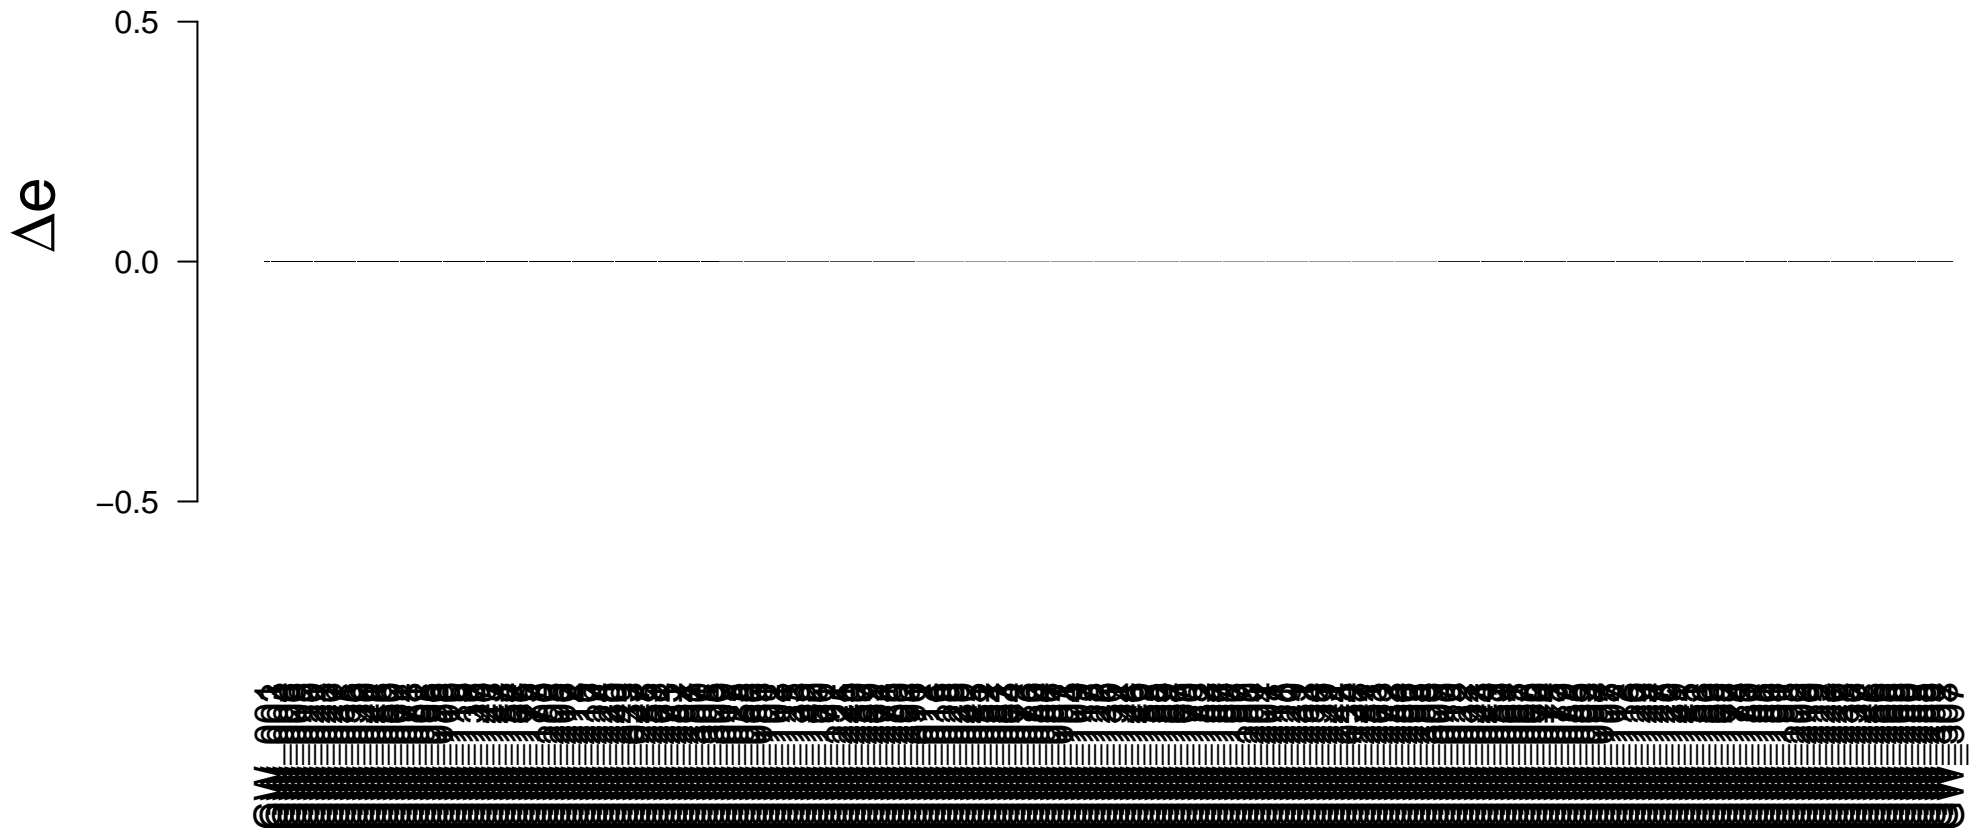

# Expression of proteasome core complex in Spot B

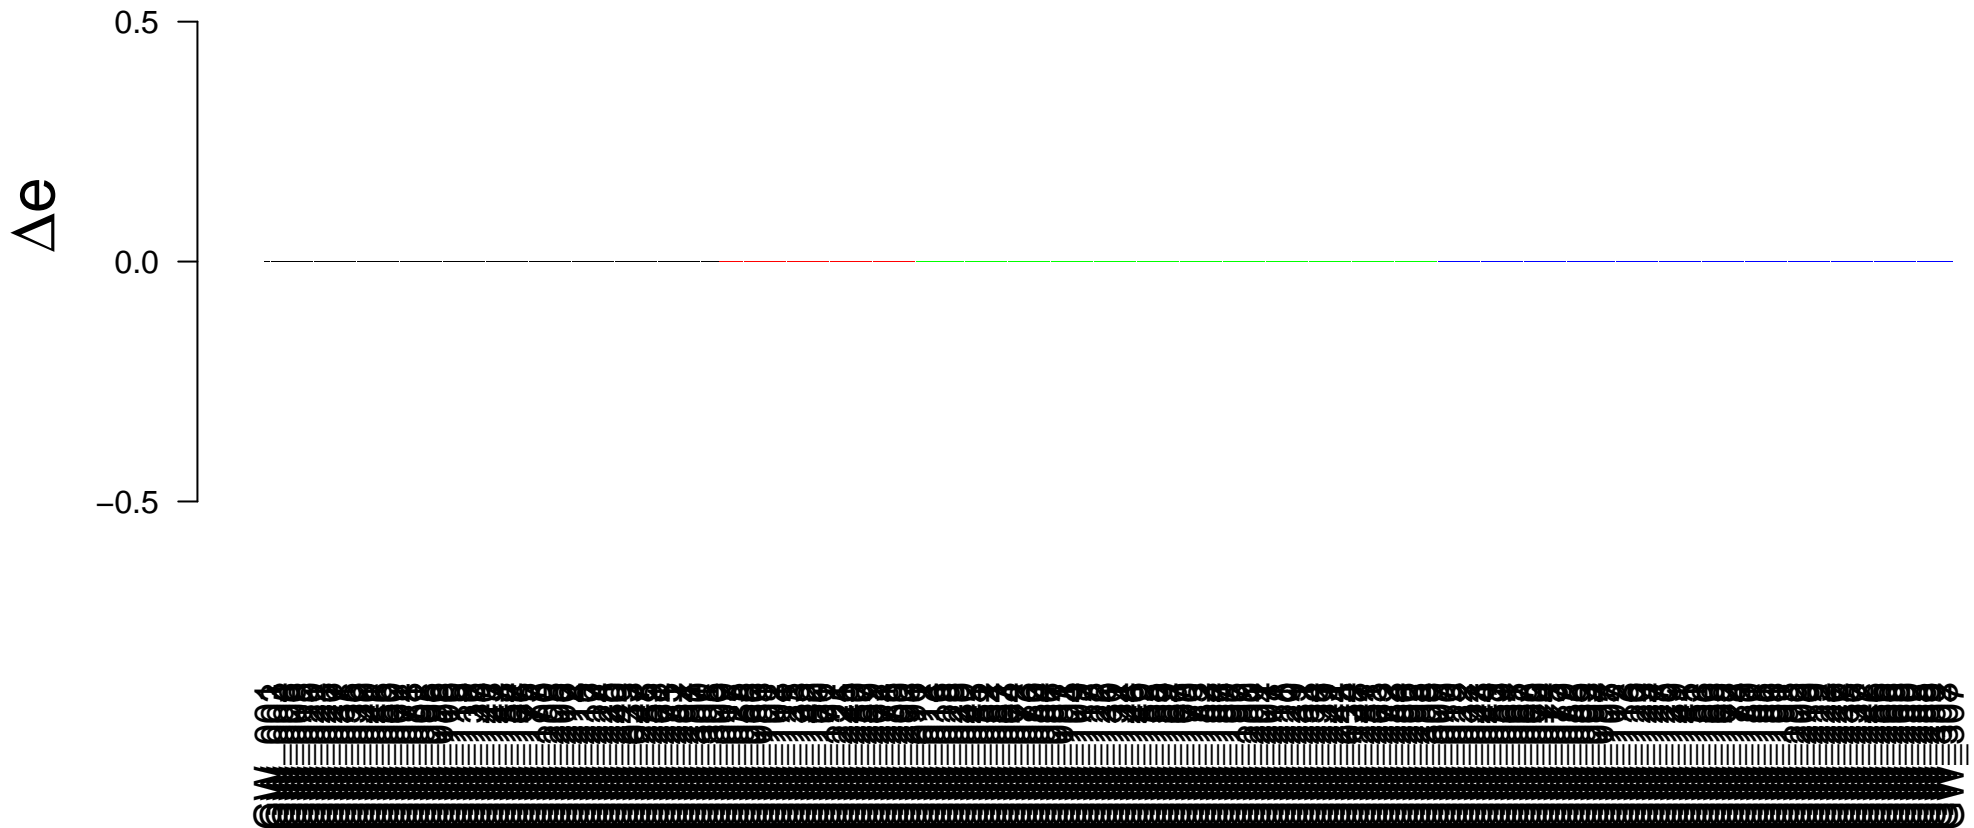

# Expression of proteasome core complex in Spot C

# Expression of proteasome core complex in Spot D

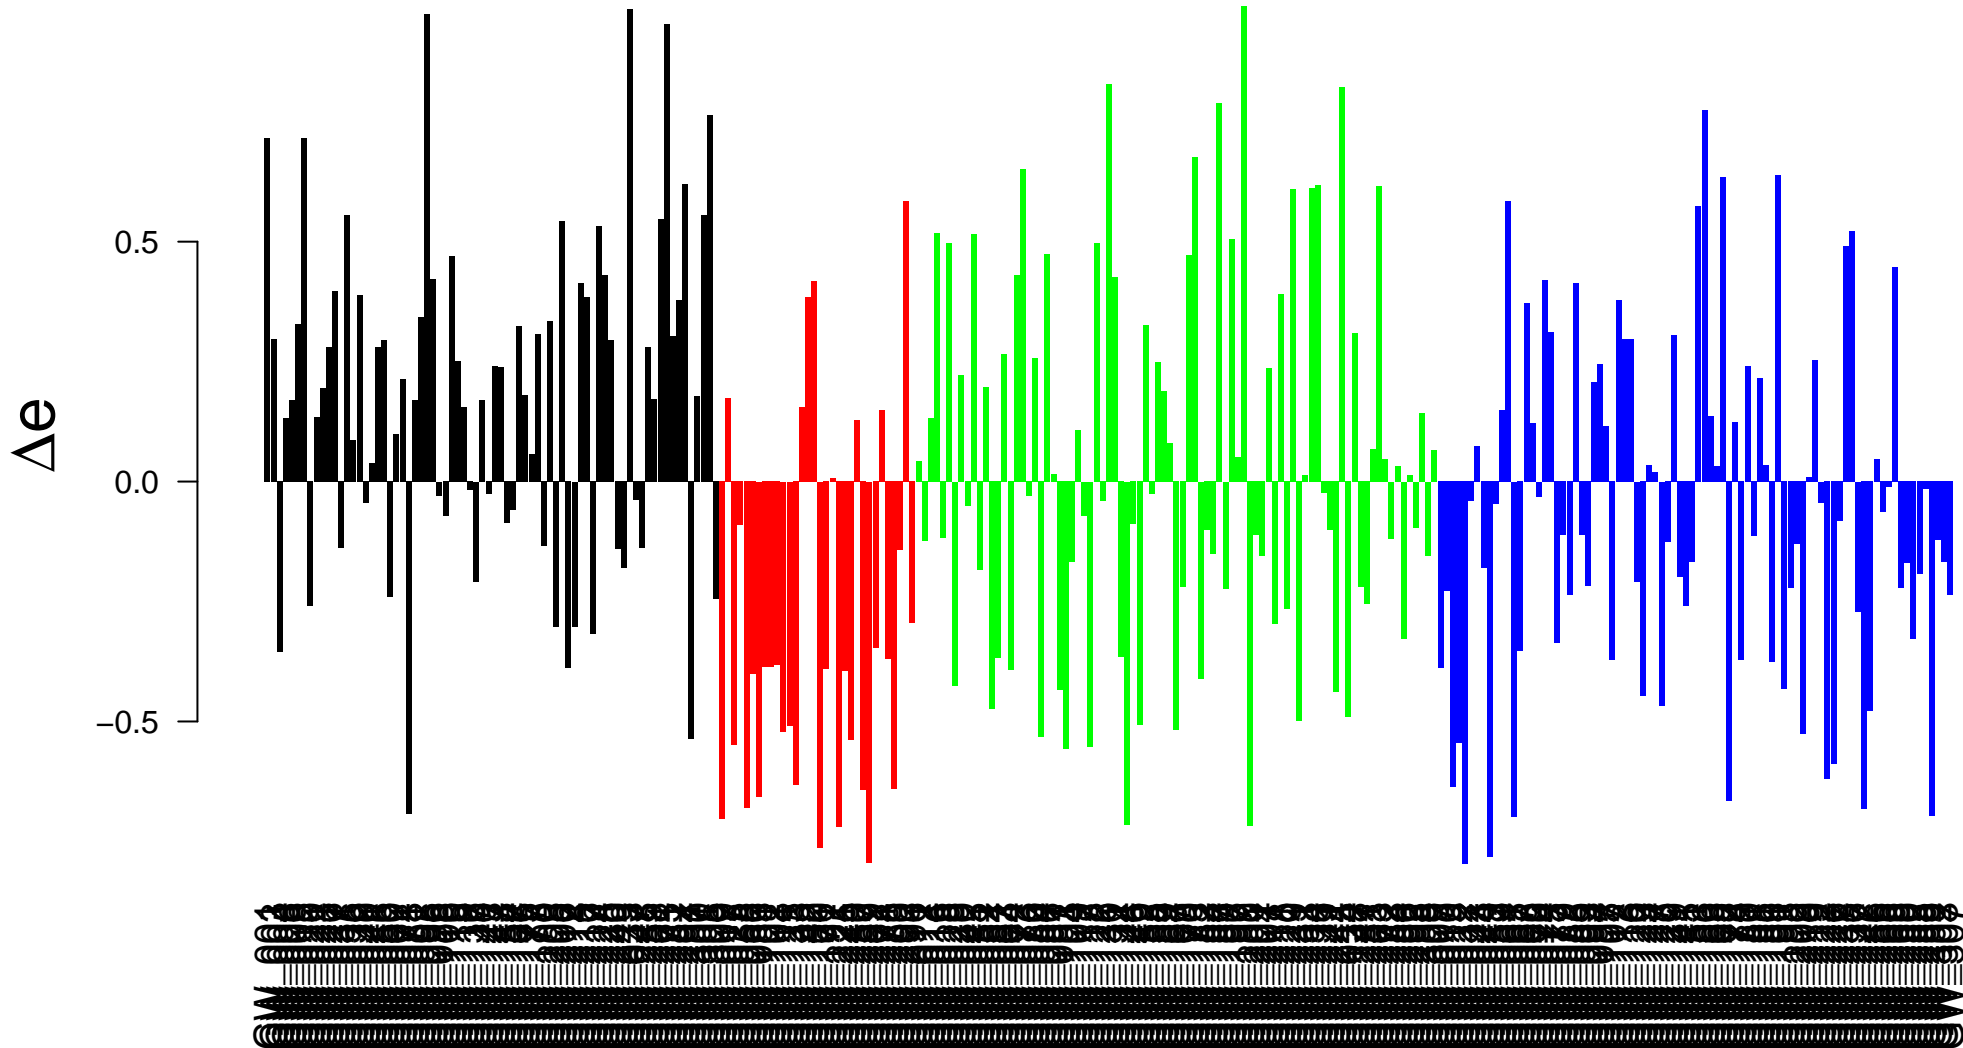

# Expression of proteasome core complex in Spot E

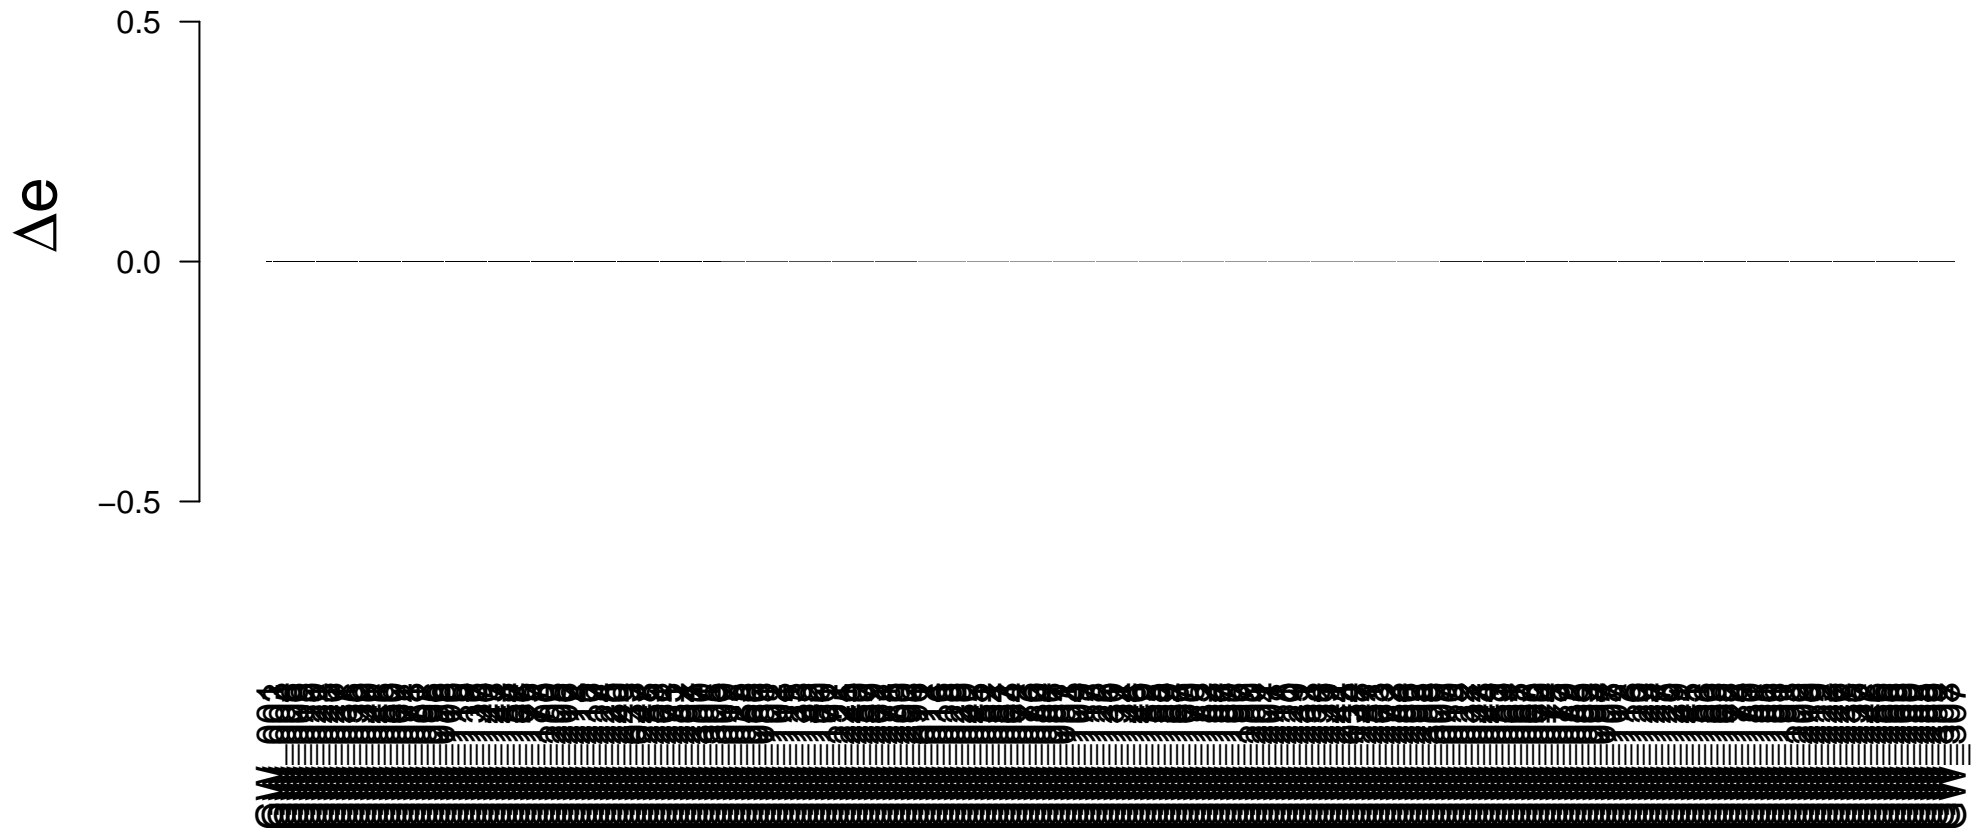

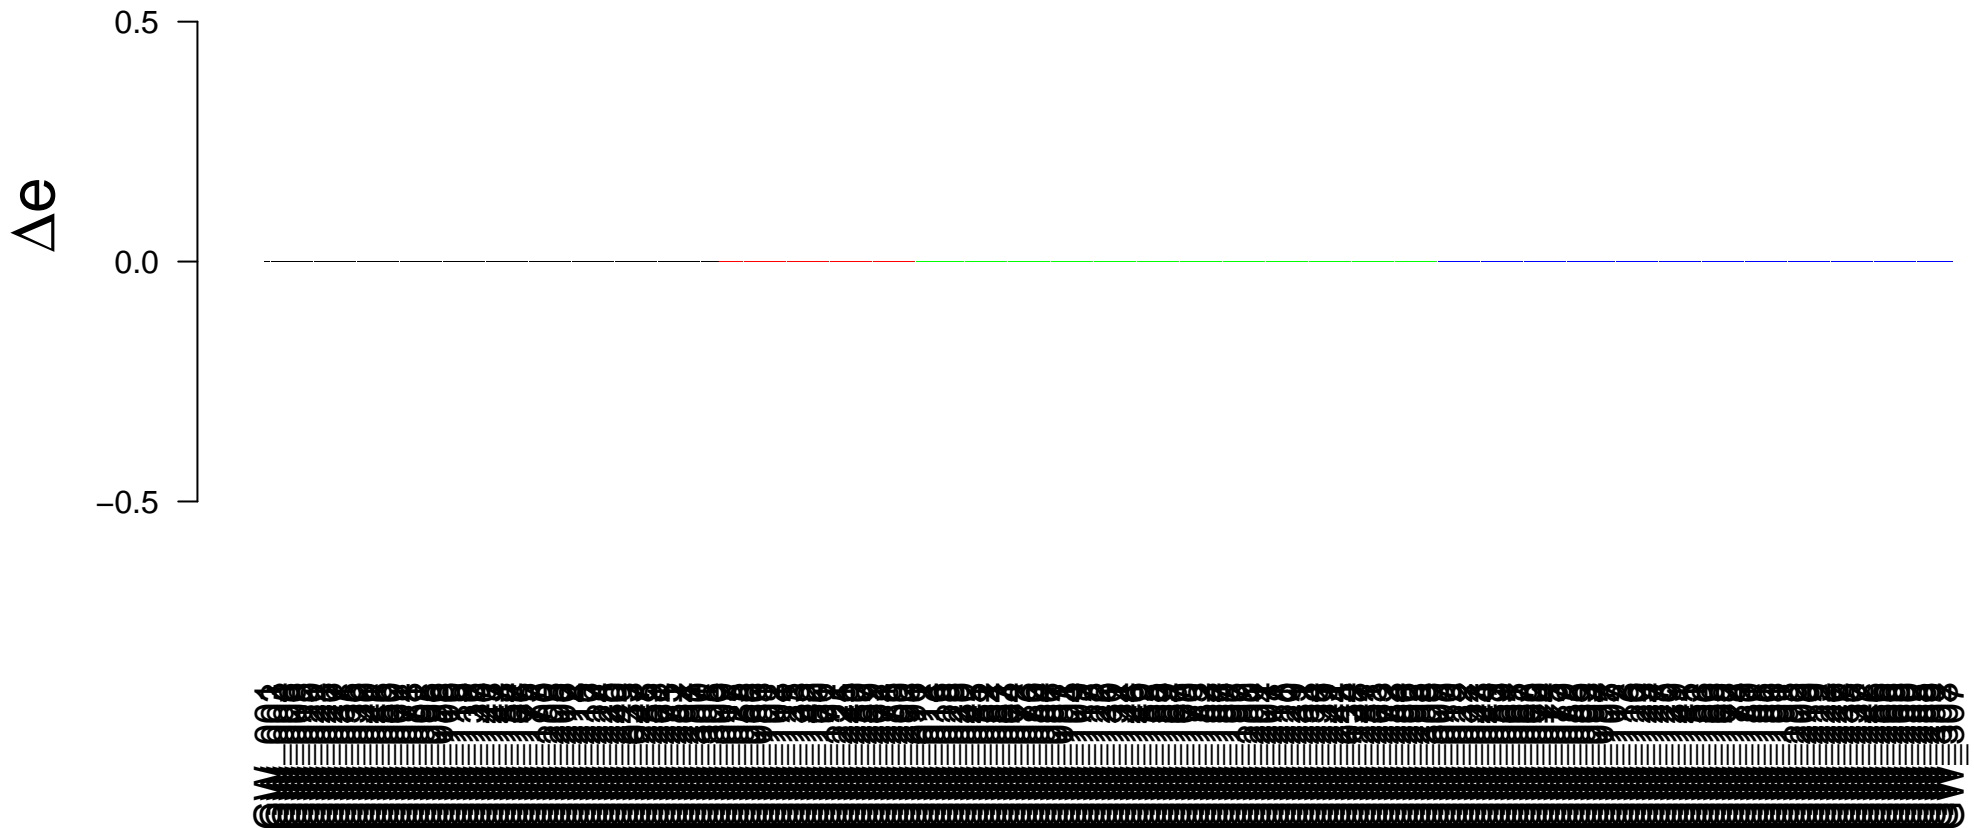

# Expression of proteasome core complex in Spot F

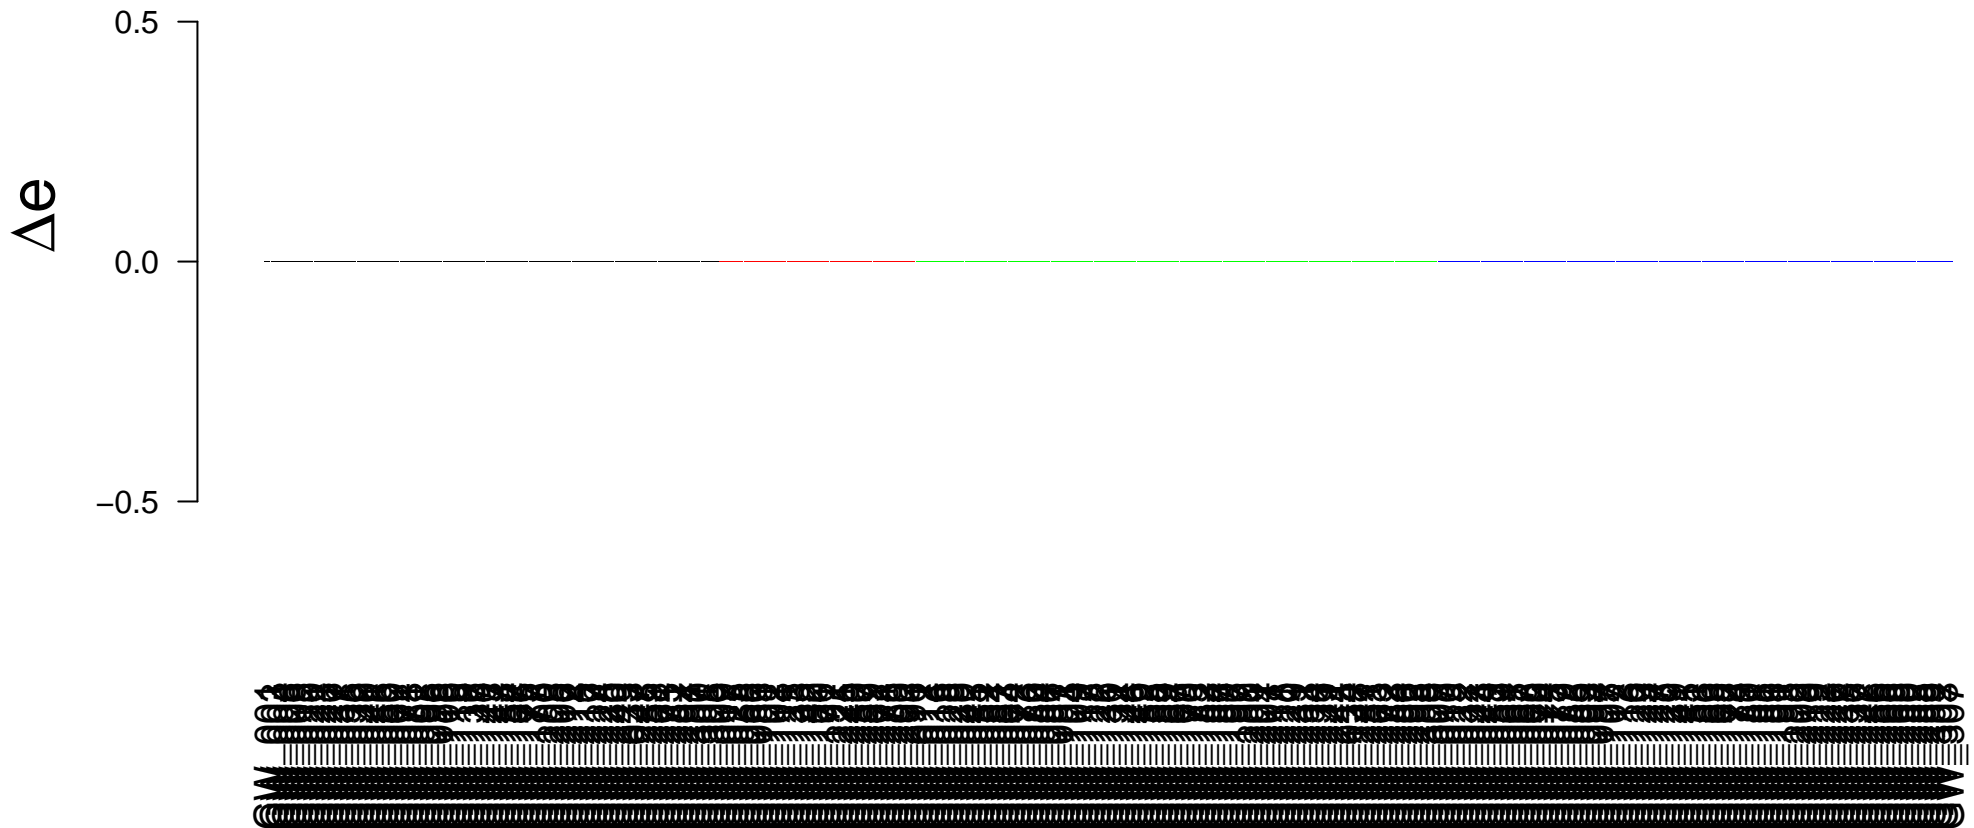

# Expression of proteasome core complex in Spot G

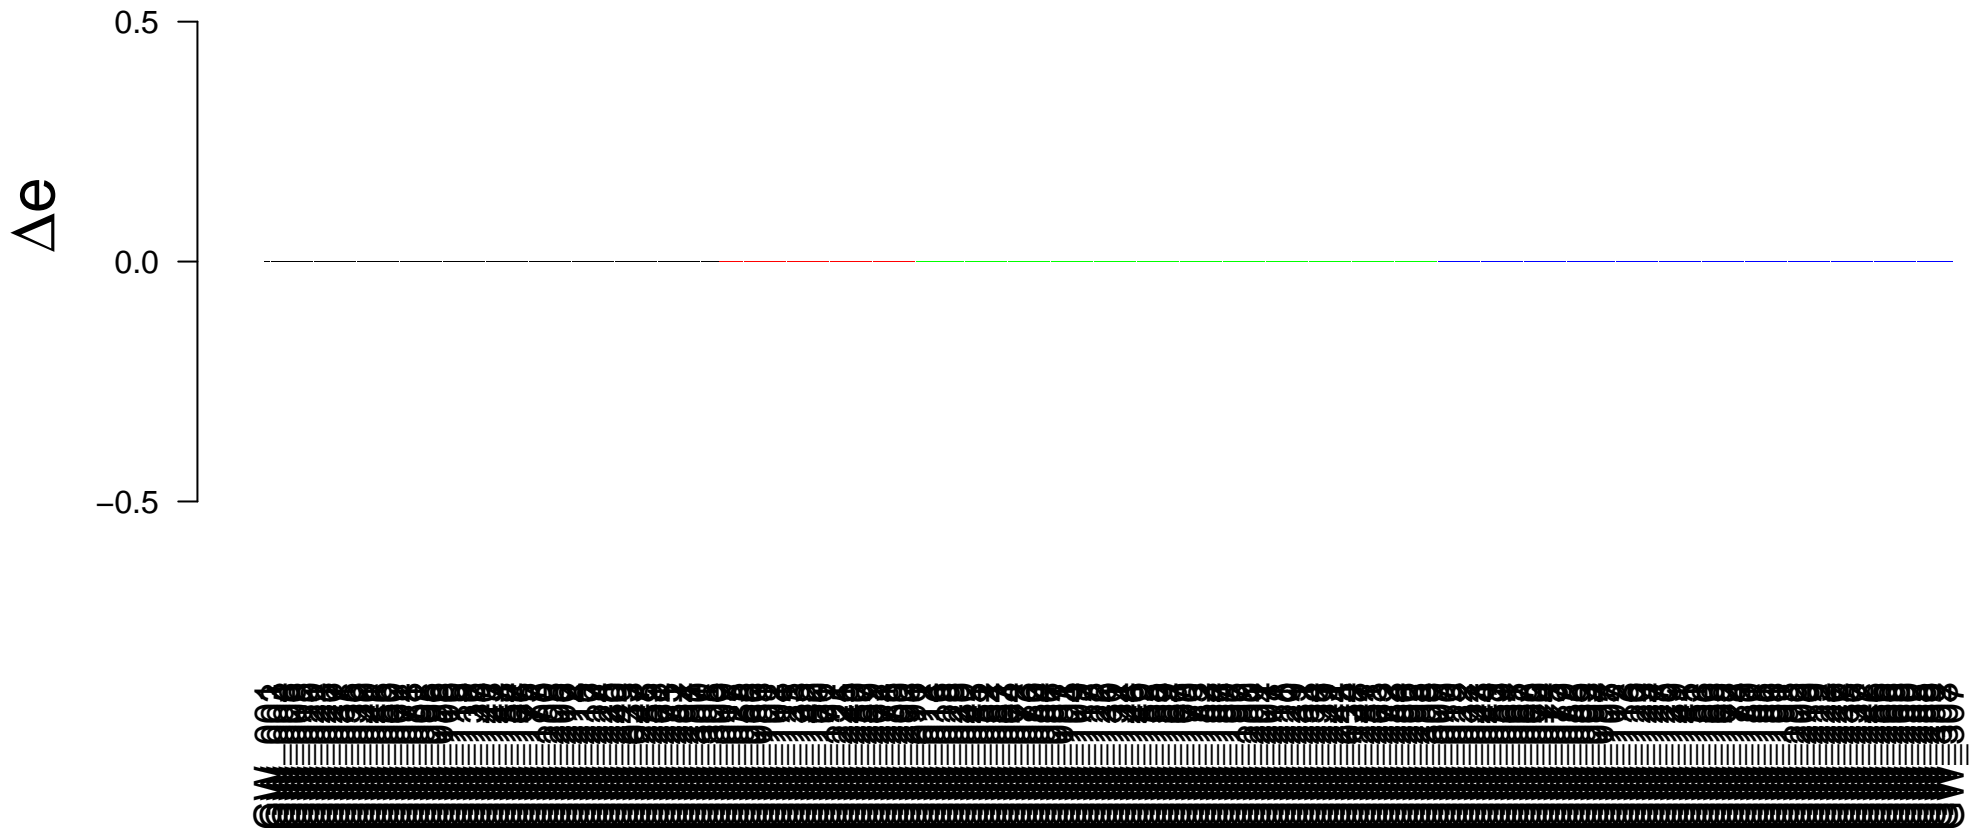

# Expression of proteasome core complex in Spot H

# Expression of proteasome core complex in Spot I

# Expression of proteasome core complex in Spot J

# Expression of proteasome core complex in Spot K
