

protein N-linked glycosylation

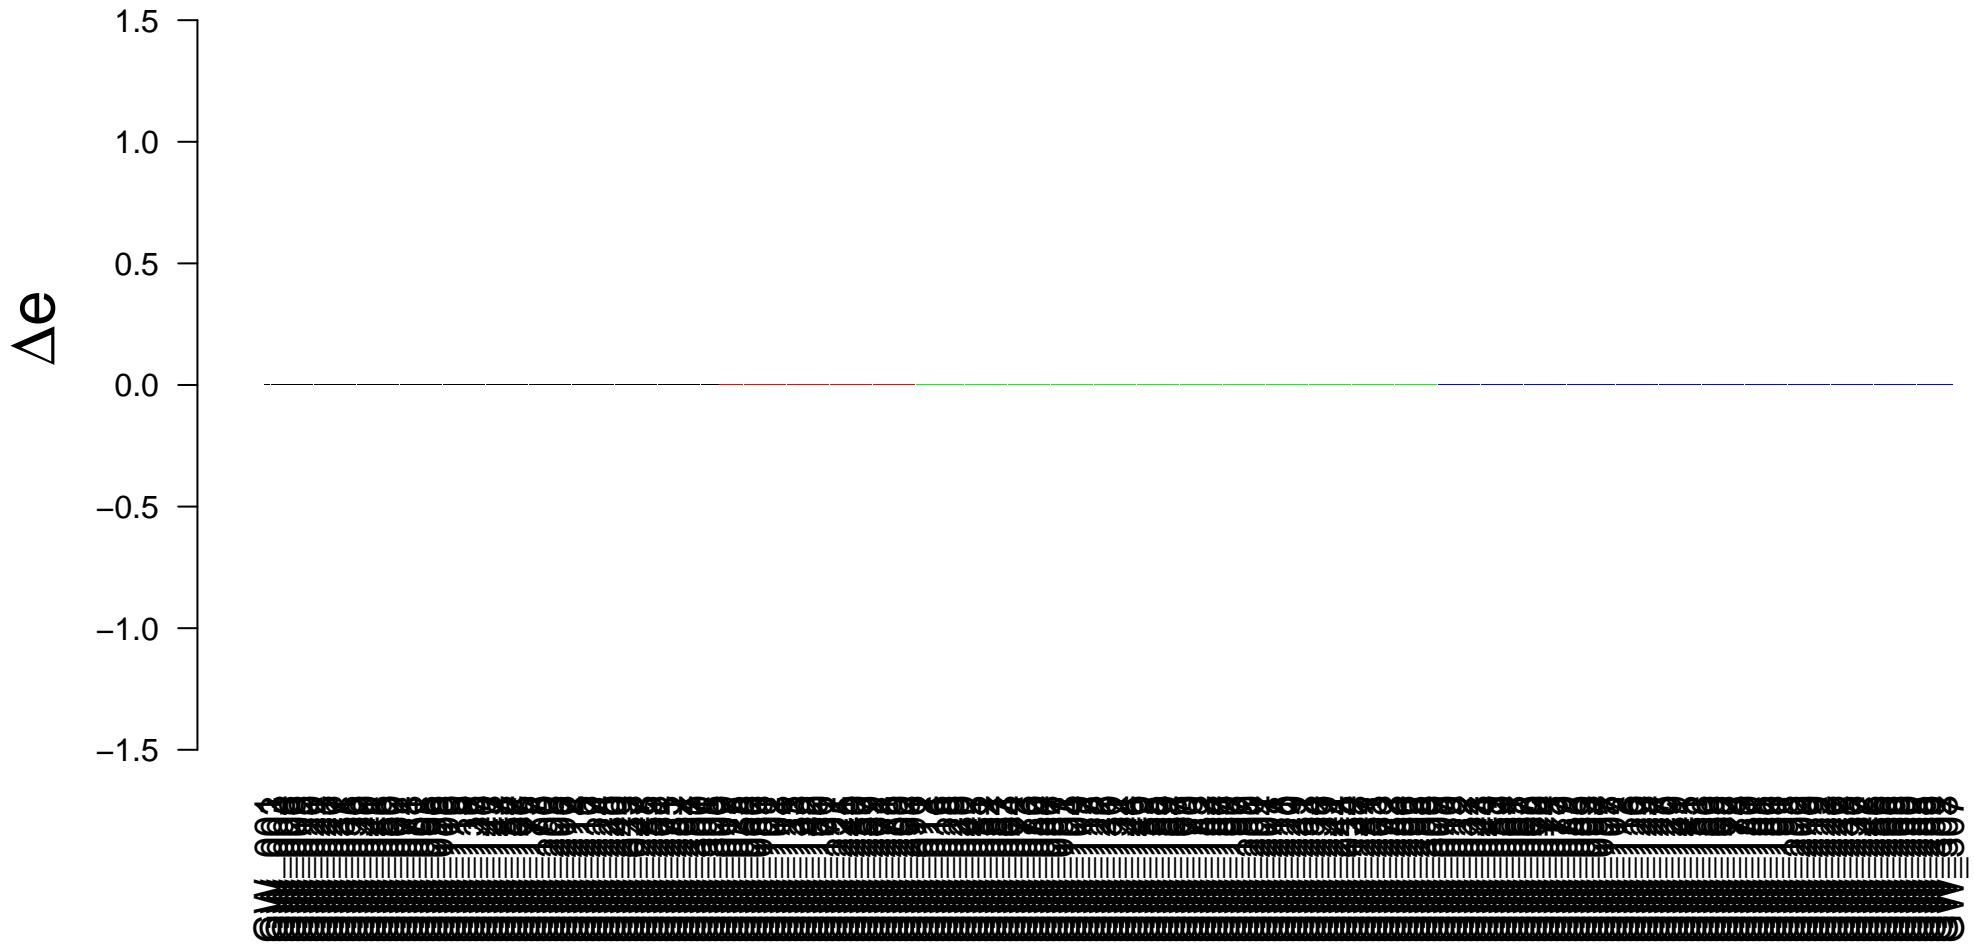

protein N-linked glycosylation

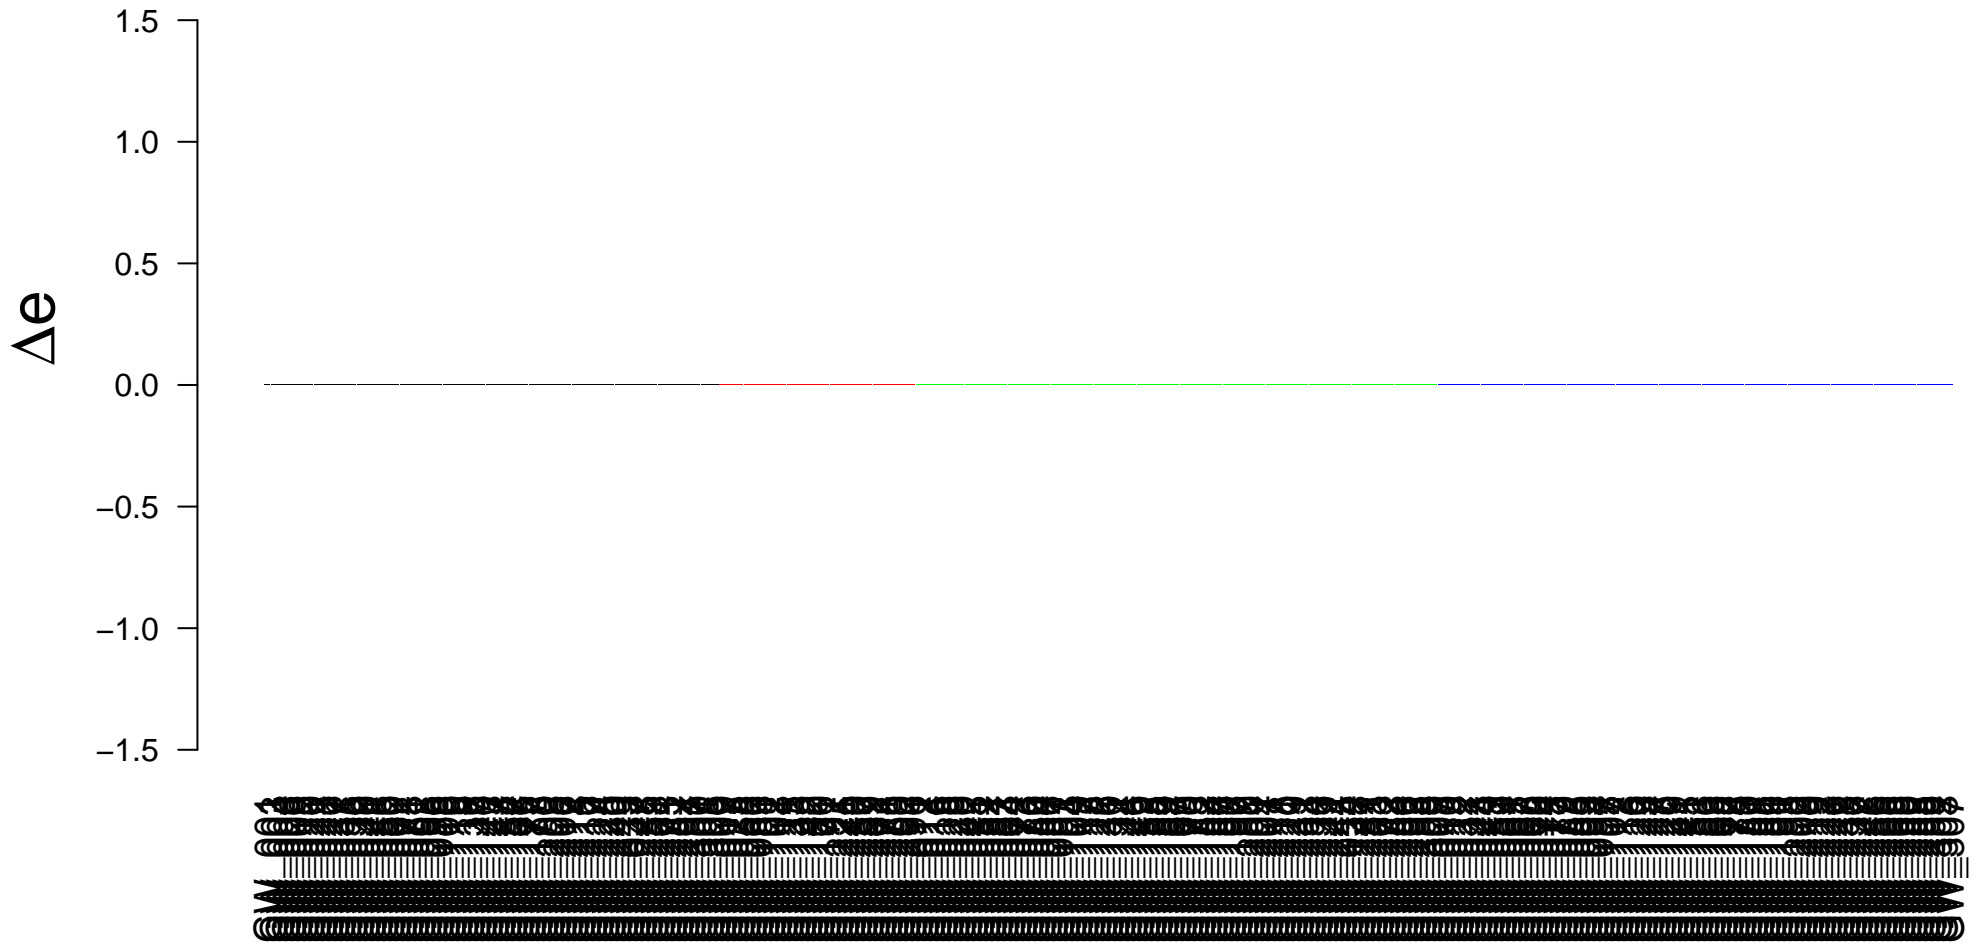

Enrichment in spots: protein N-linked glycosylation

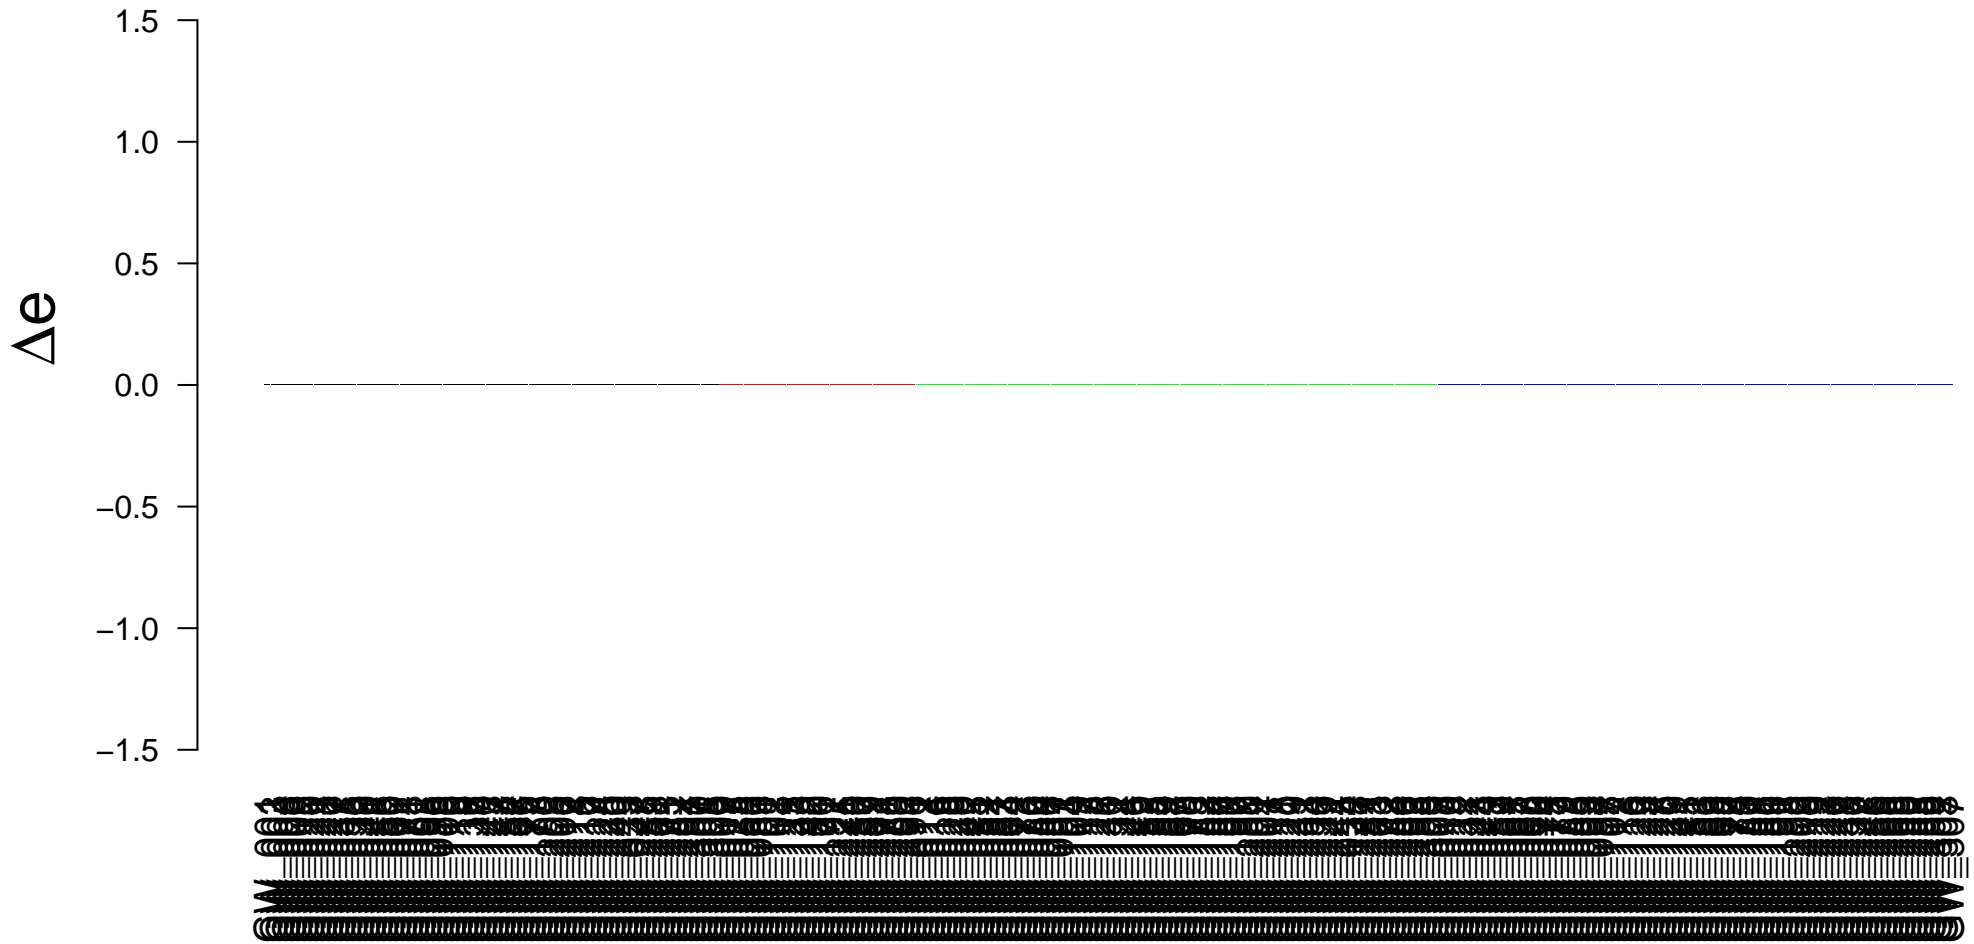

Expression of protein N-linked glycosylation in Spot A

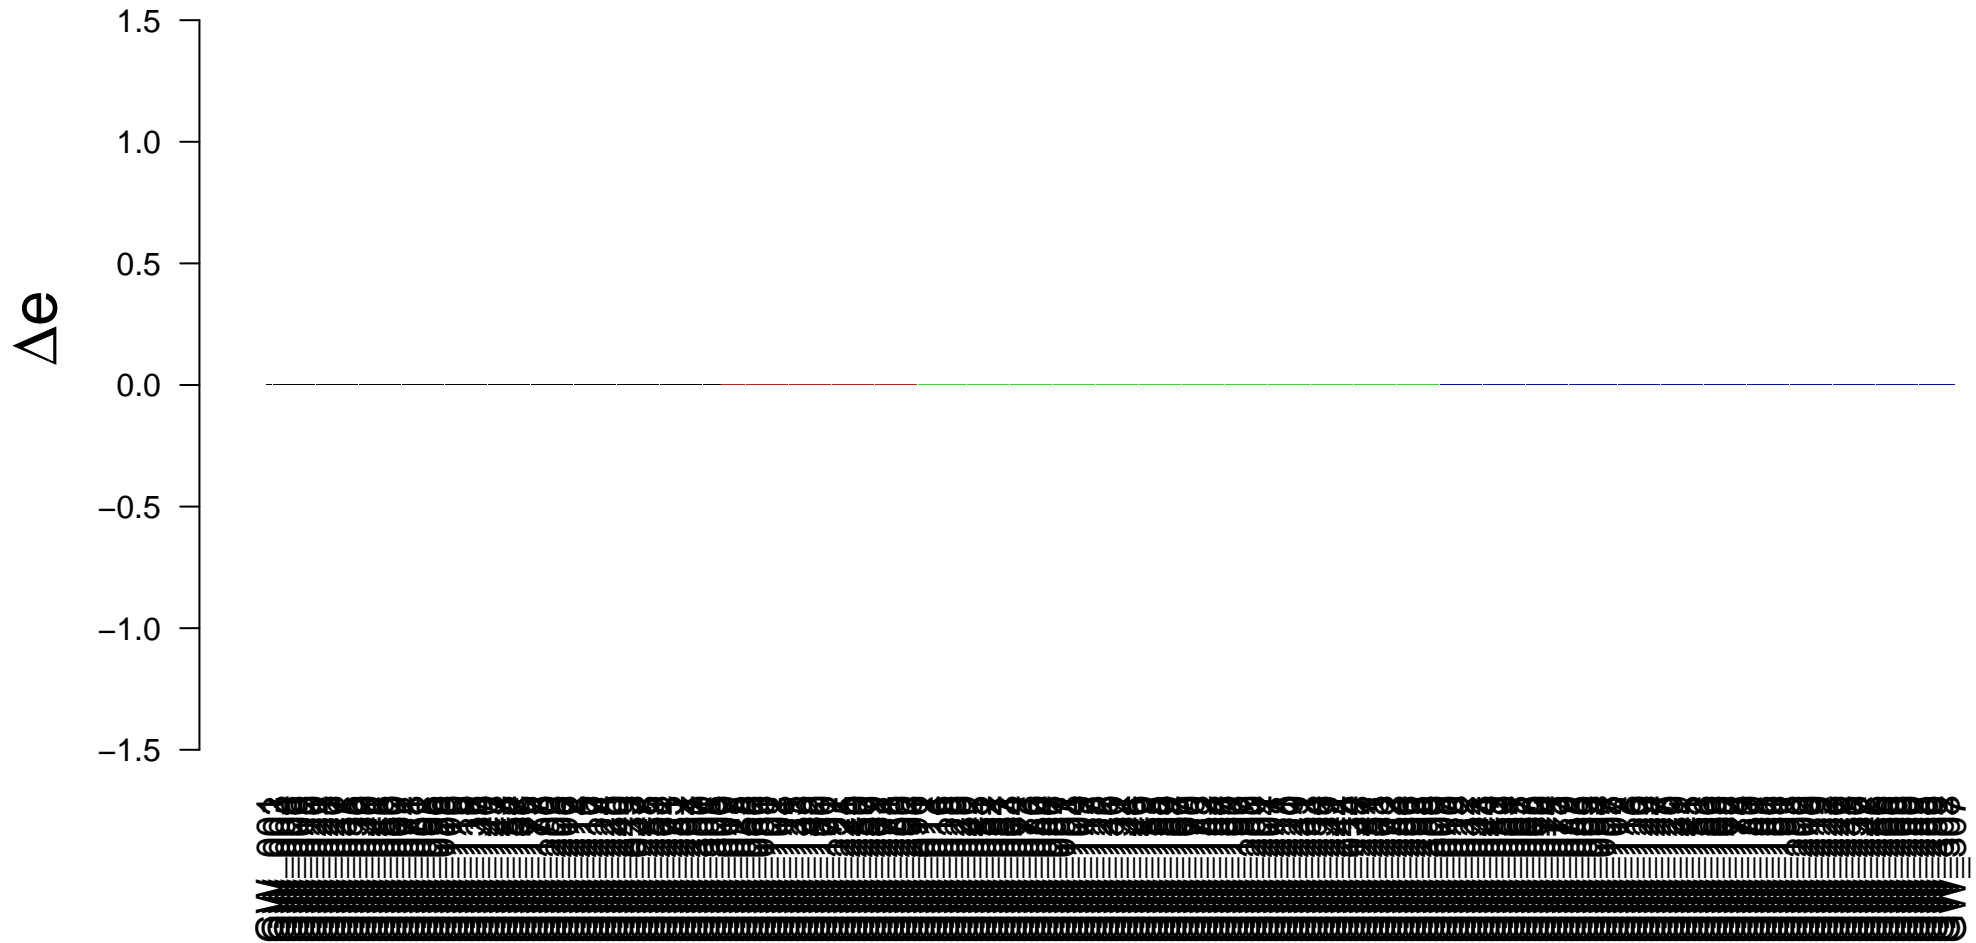

Expression of protein N-linked glycosylation in Spot B

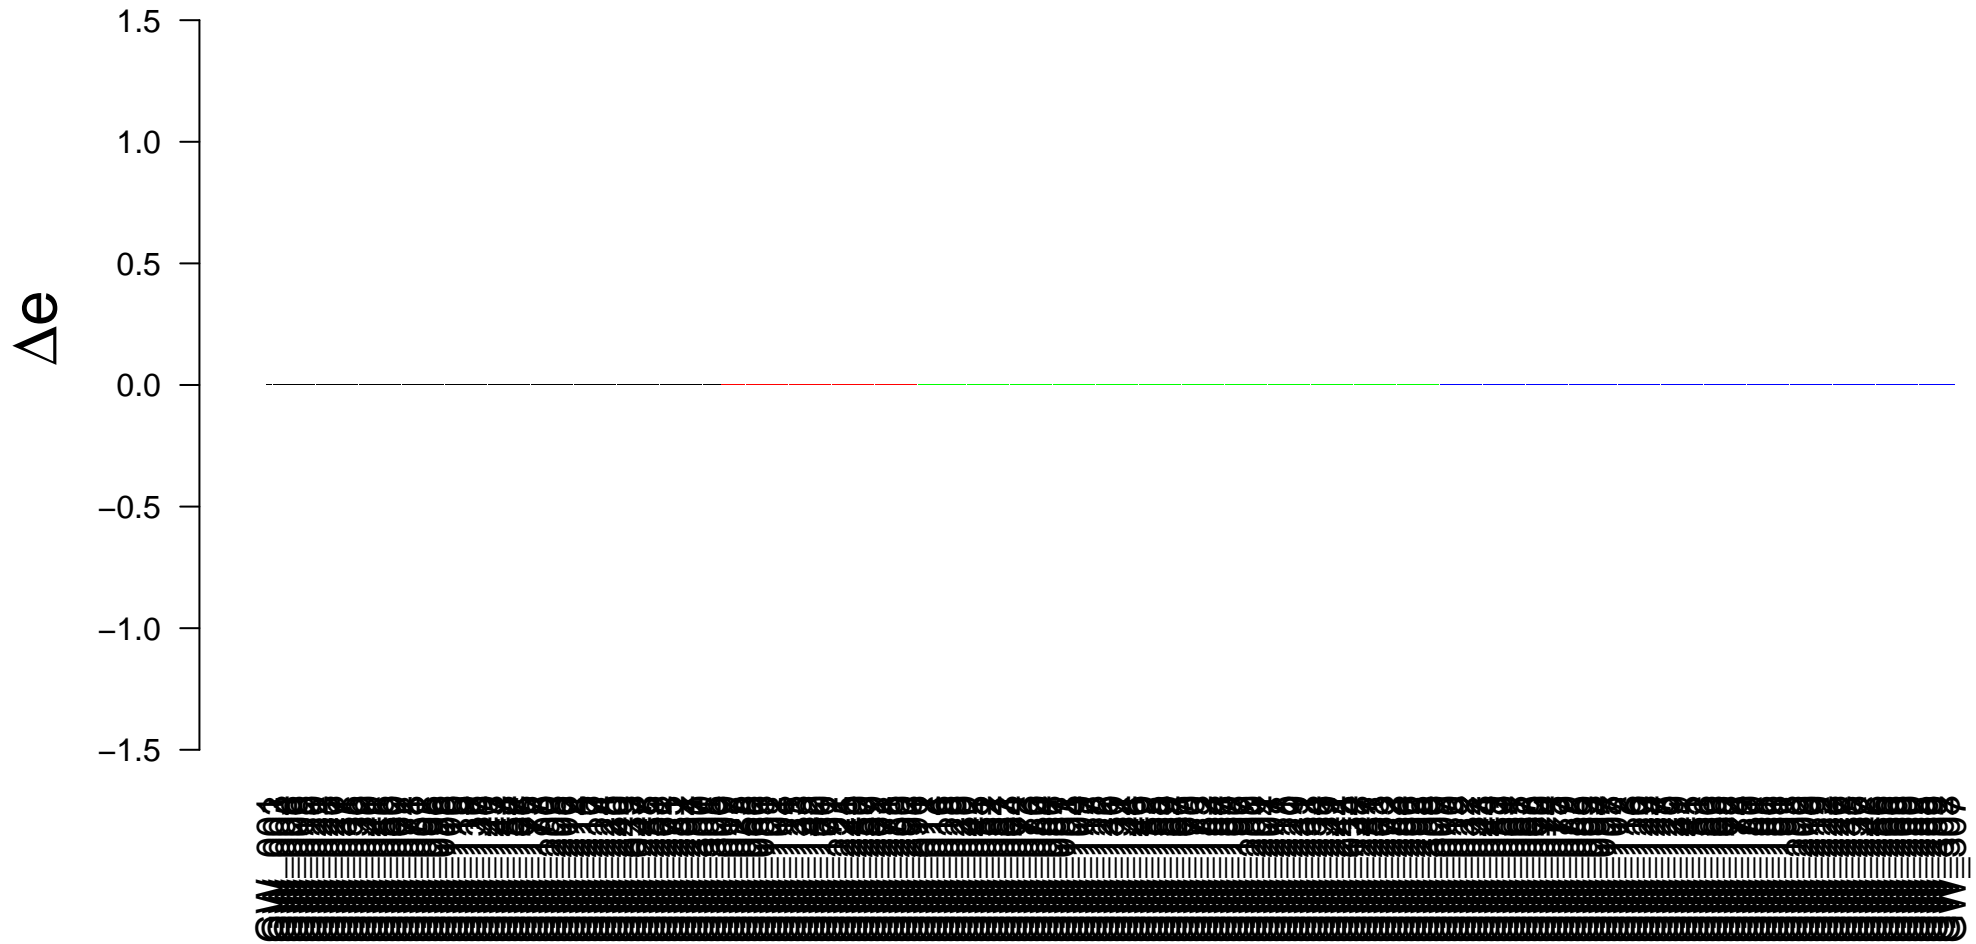

Expression of protein N-linked glycosylation in Spot C

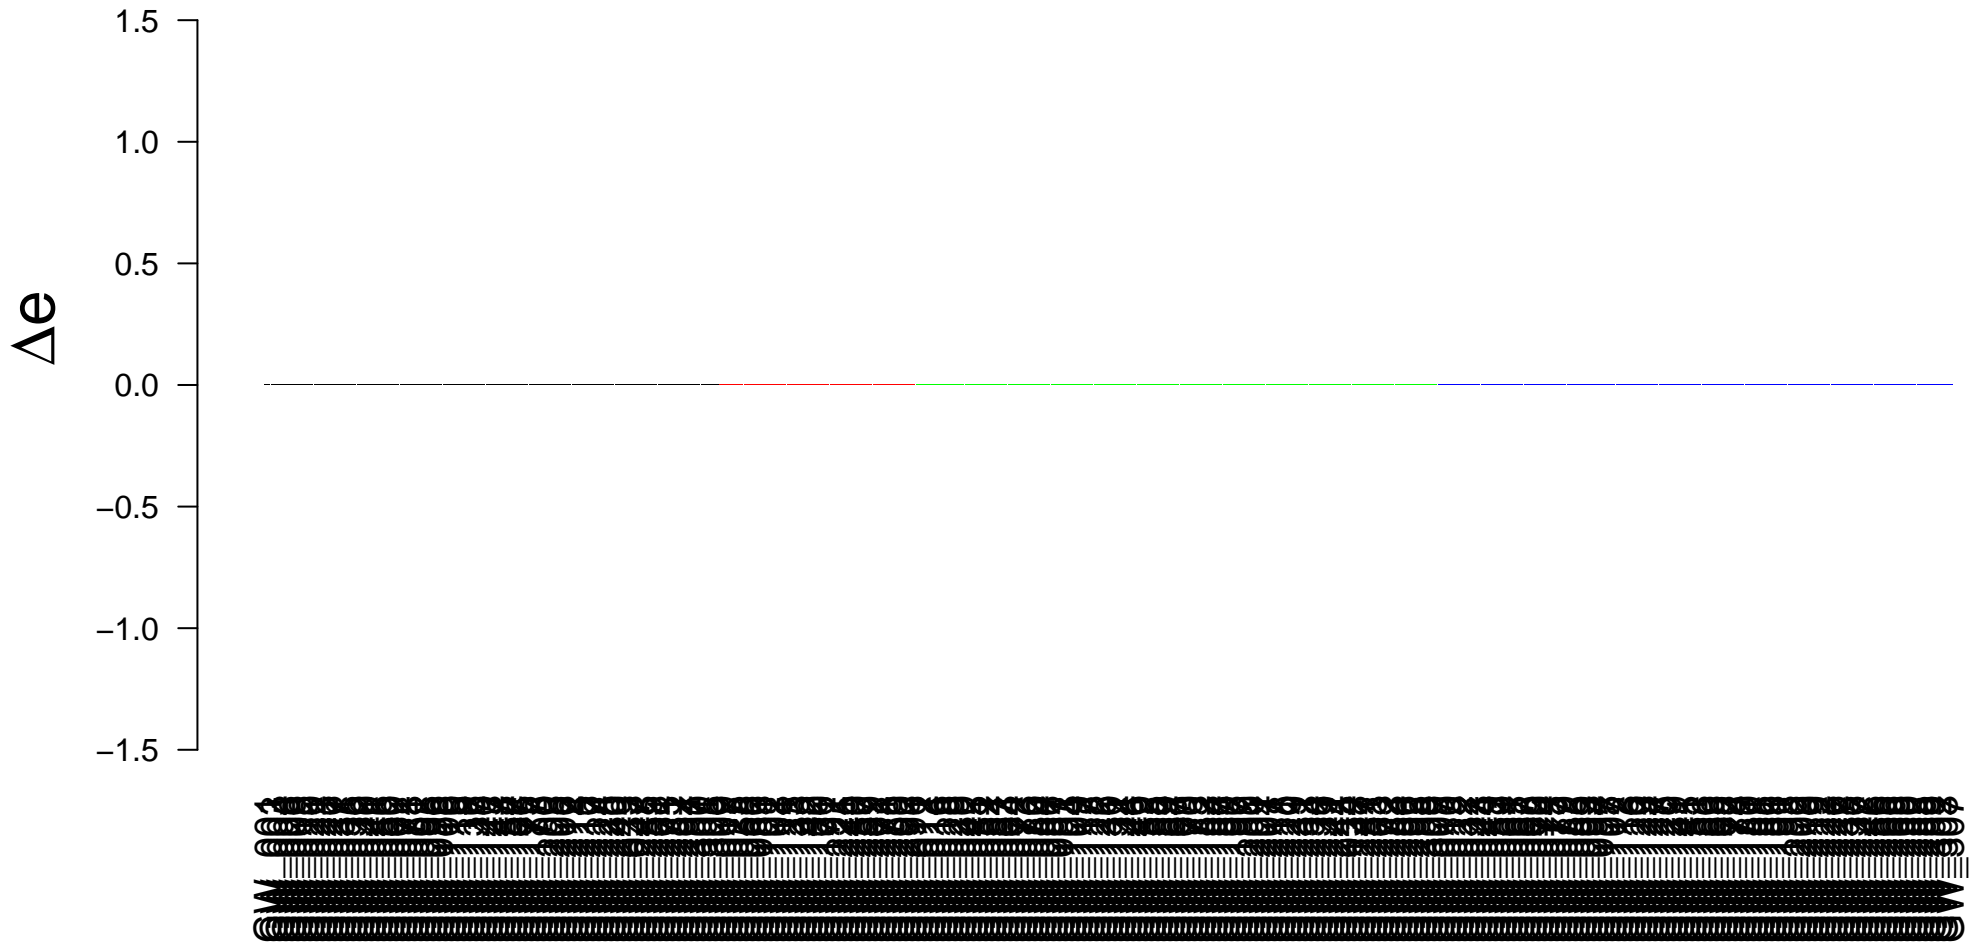

Expression of protein N-linked glycosylation in Spot D

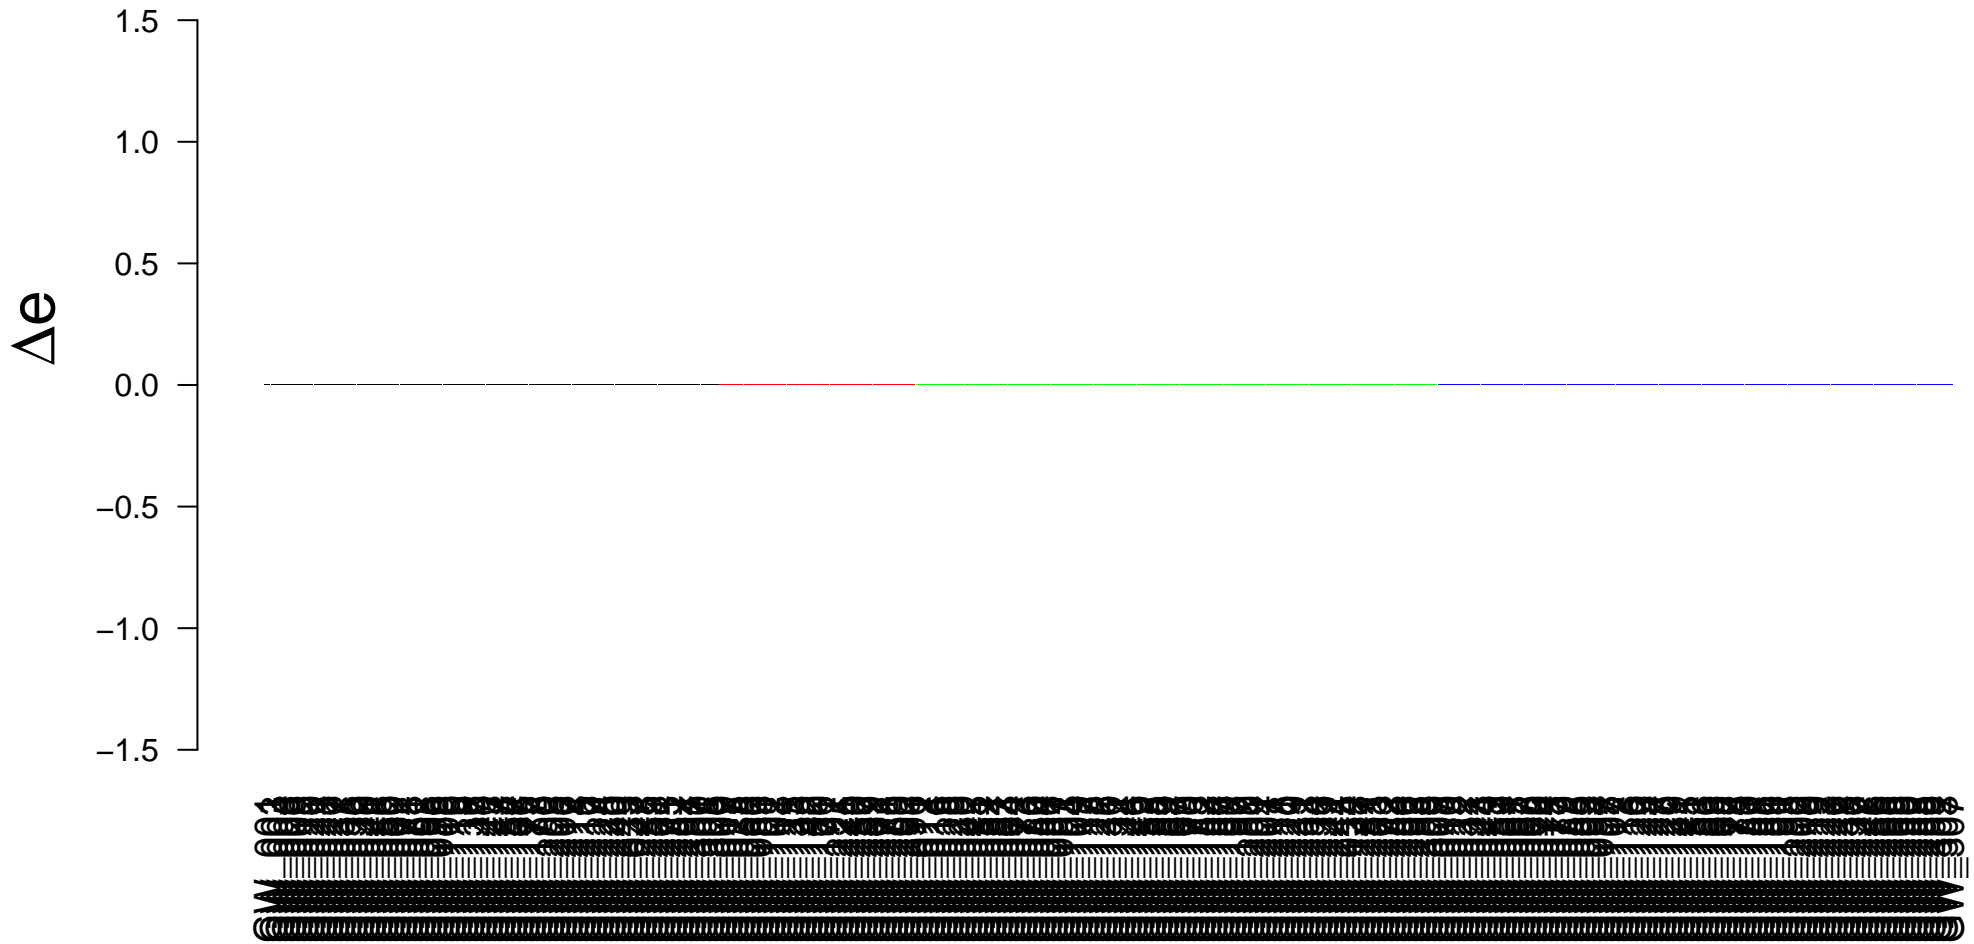

Expression of protein N-linked glycosylation in Spot E

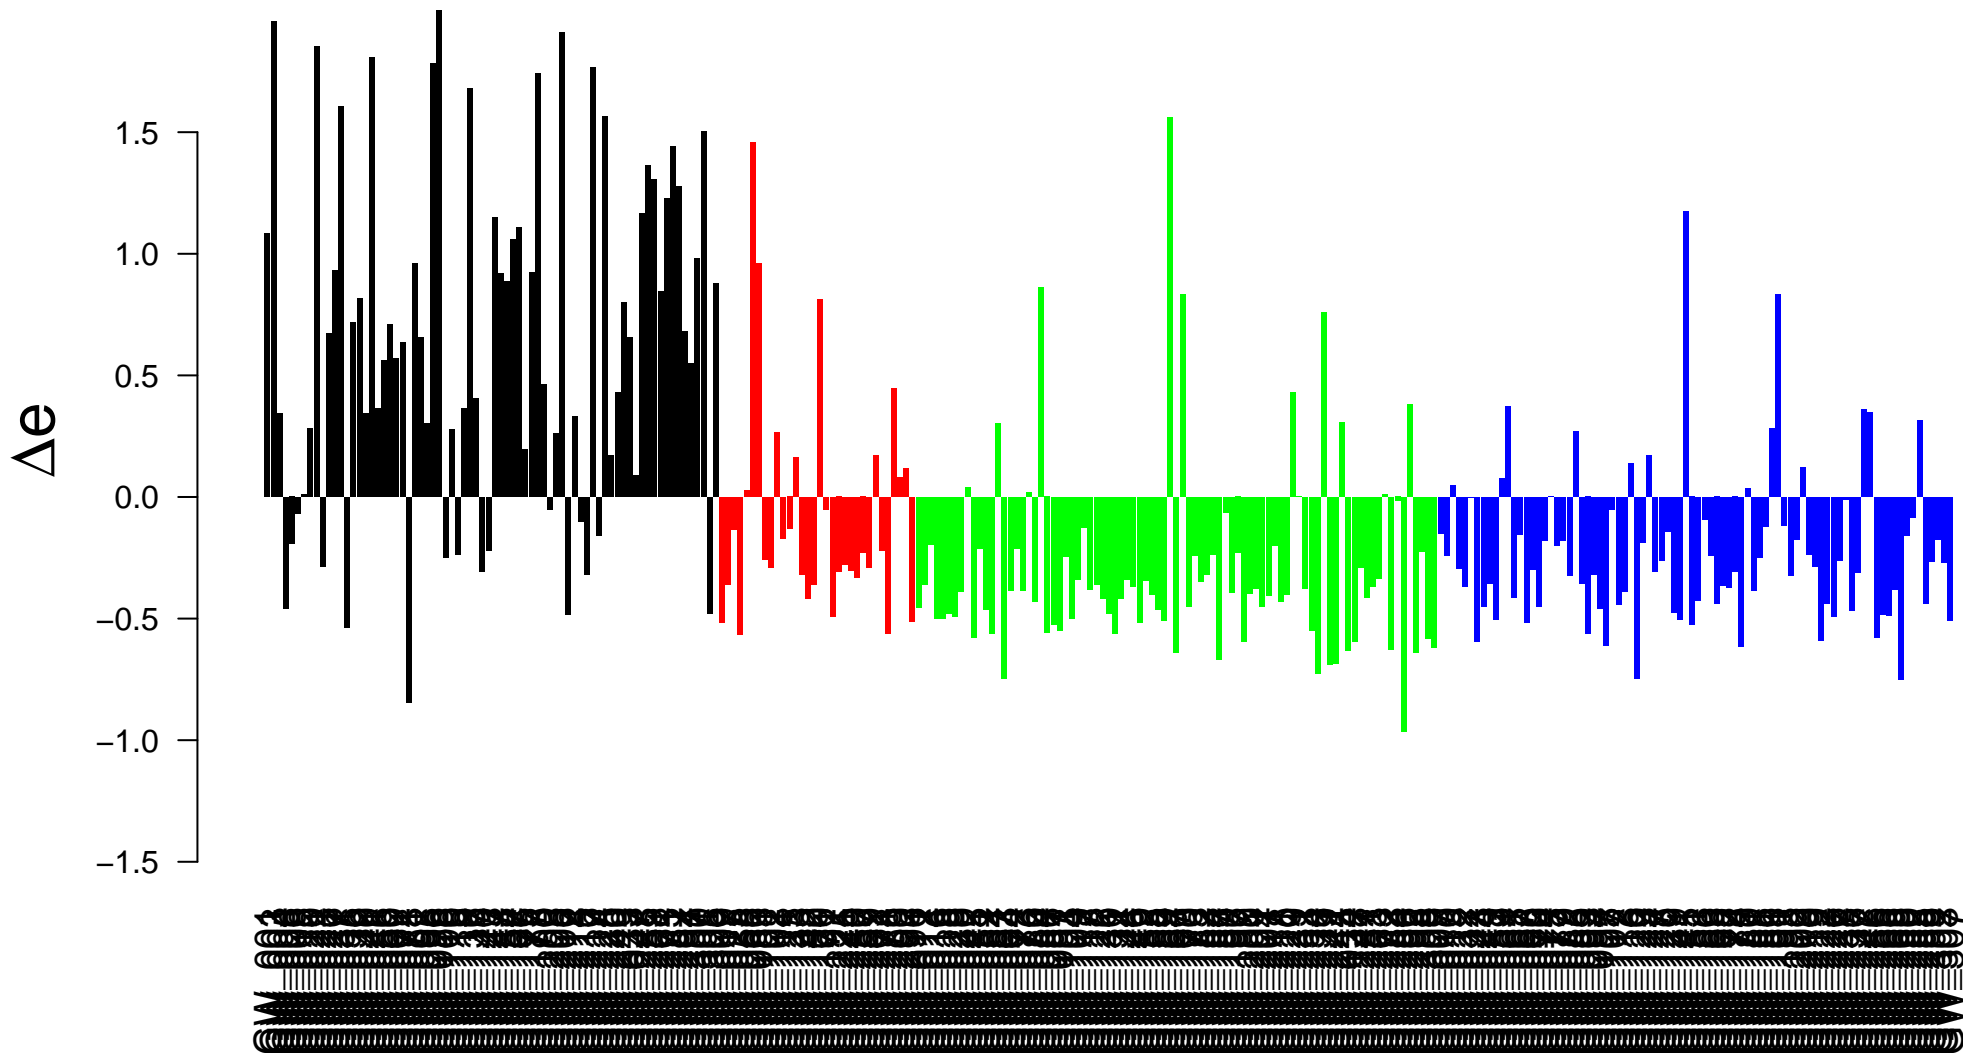

Expression of protein N-linked glycosylation in Spot F

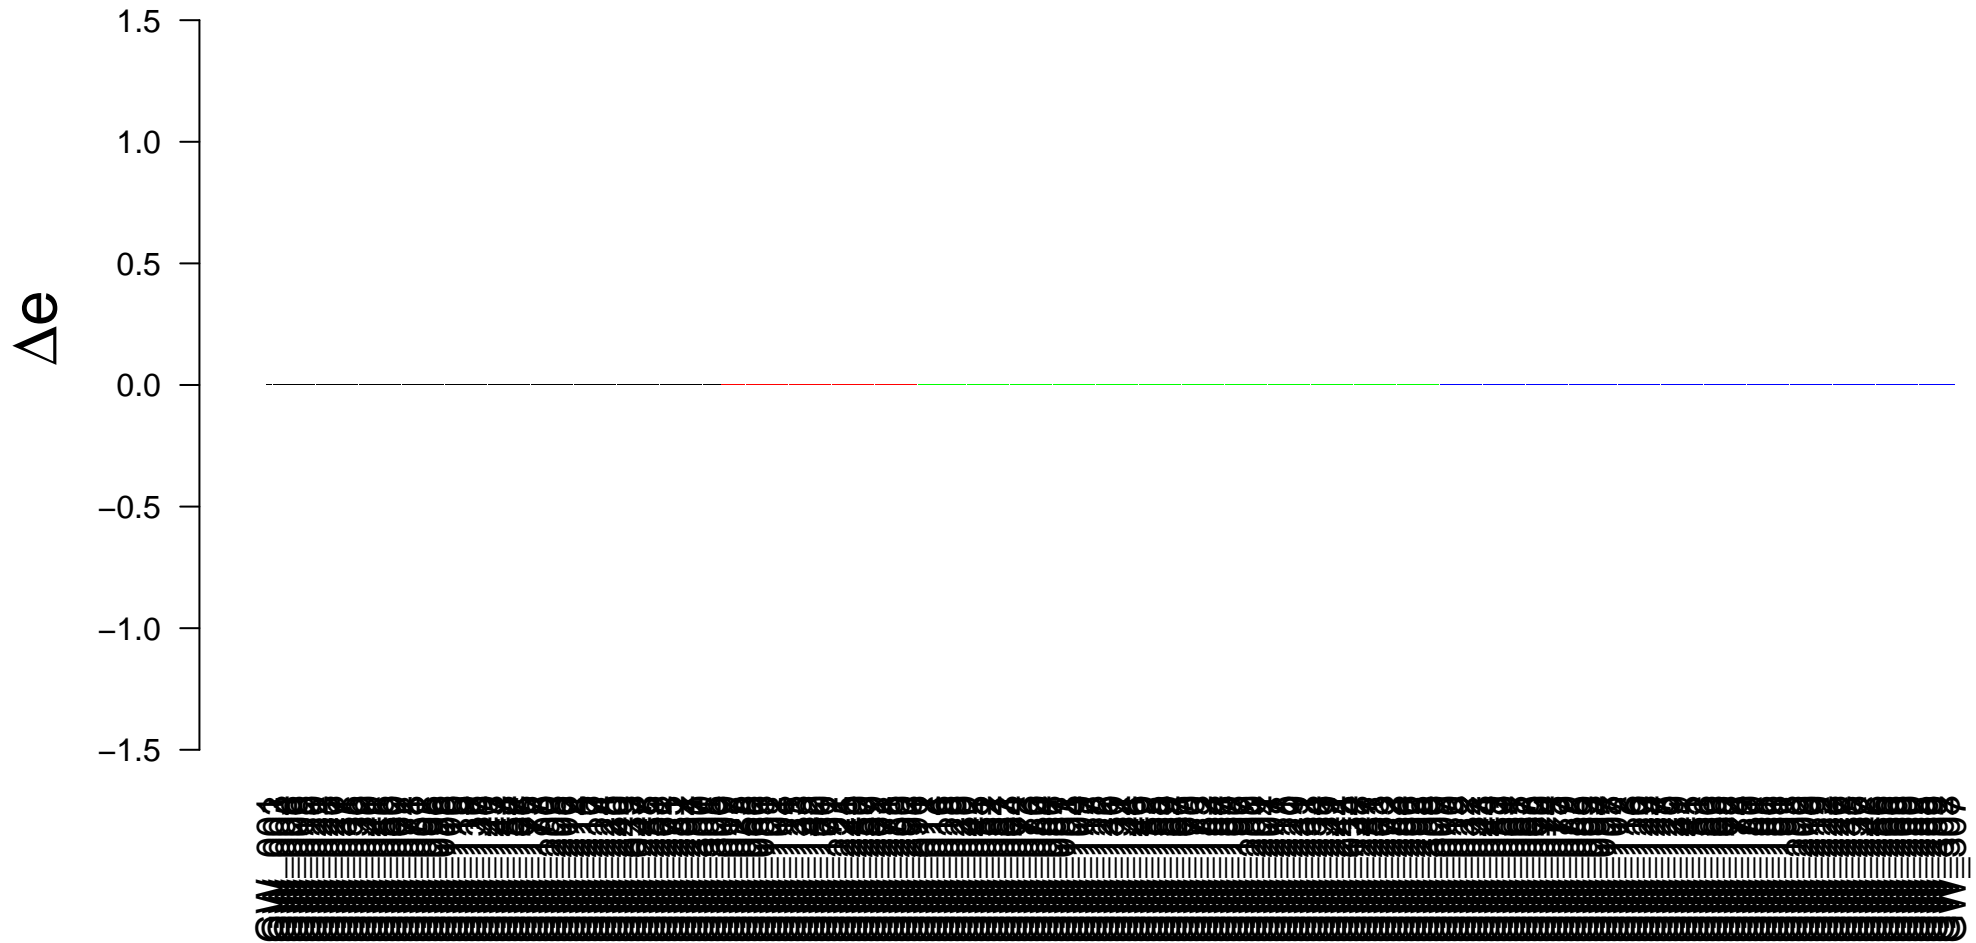

Expression of protein N-linked glycosylation in Spot G

Expression of protein N-linked glycosylation in Spot H

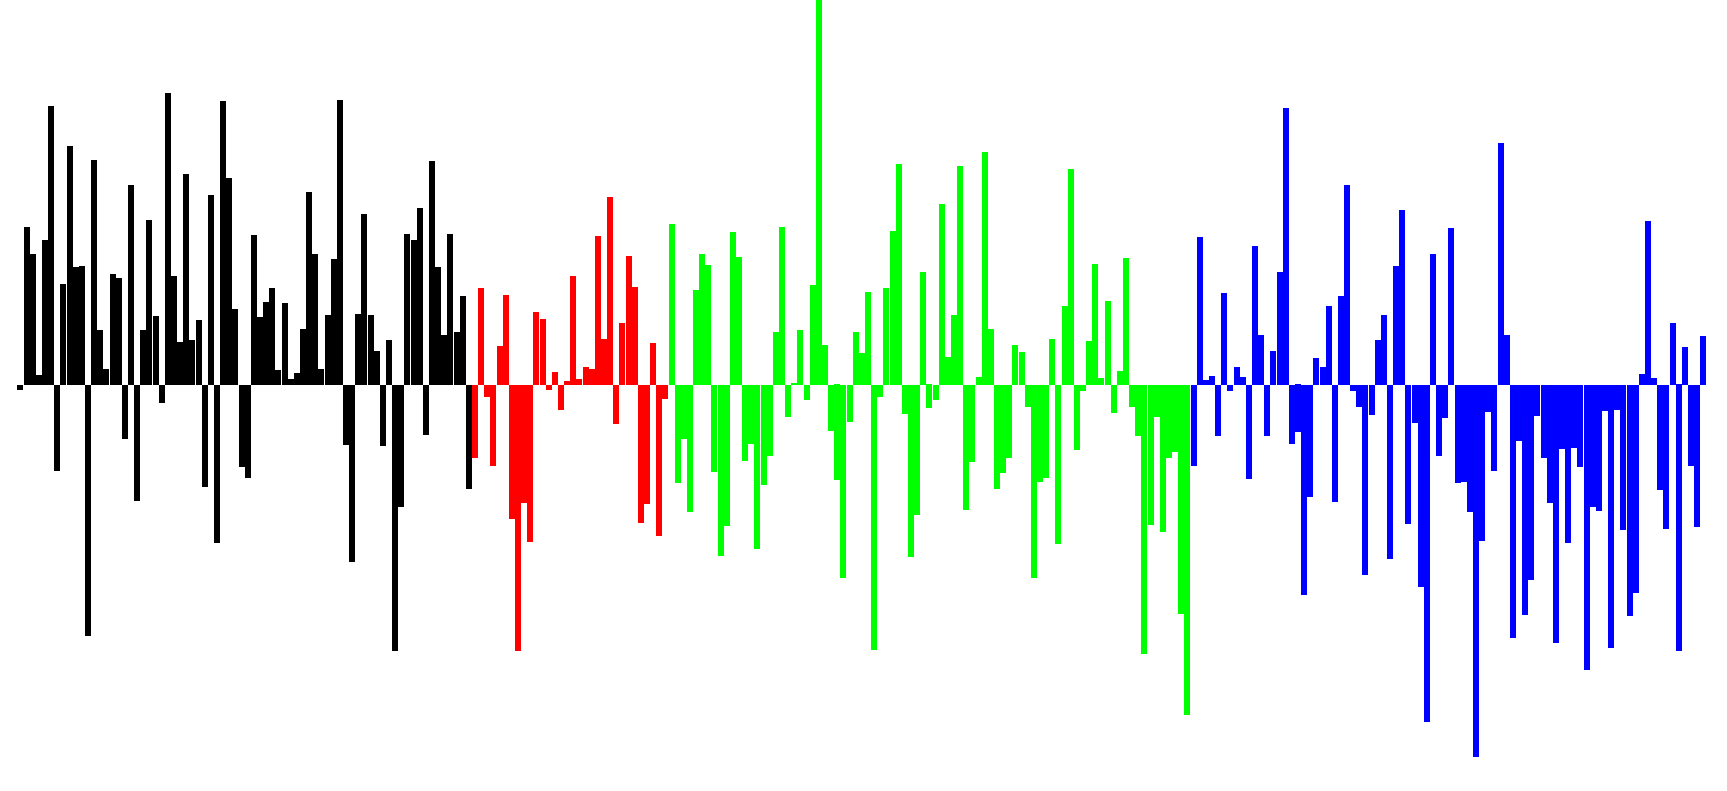

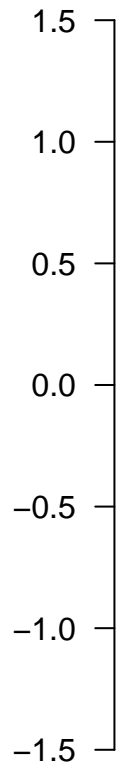

Expression of protein N-linked glycosylation in Spot I

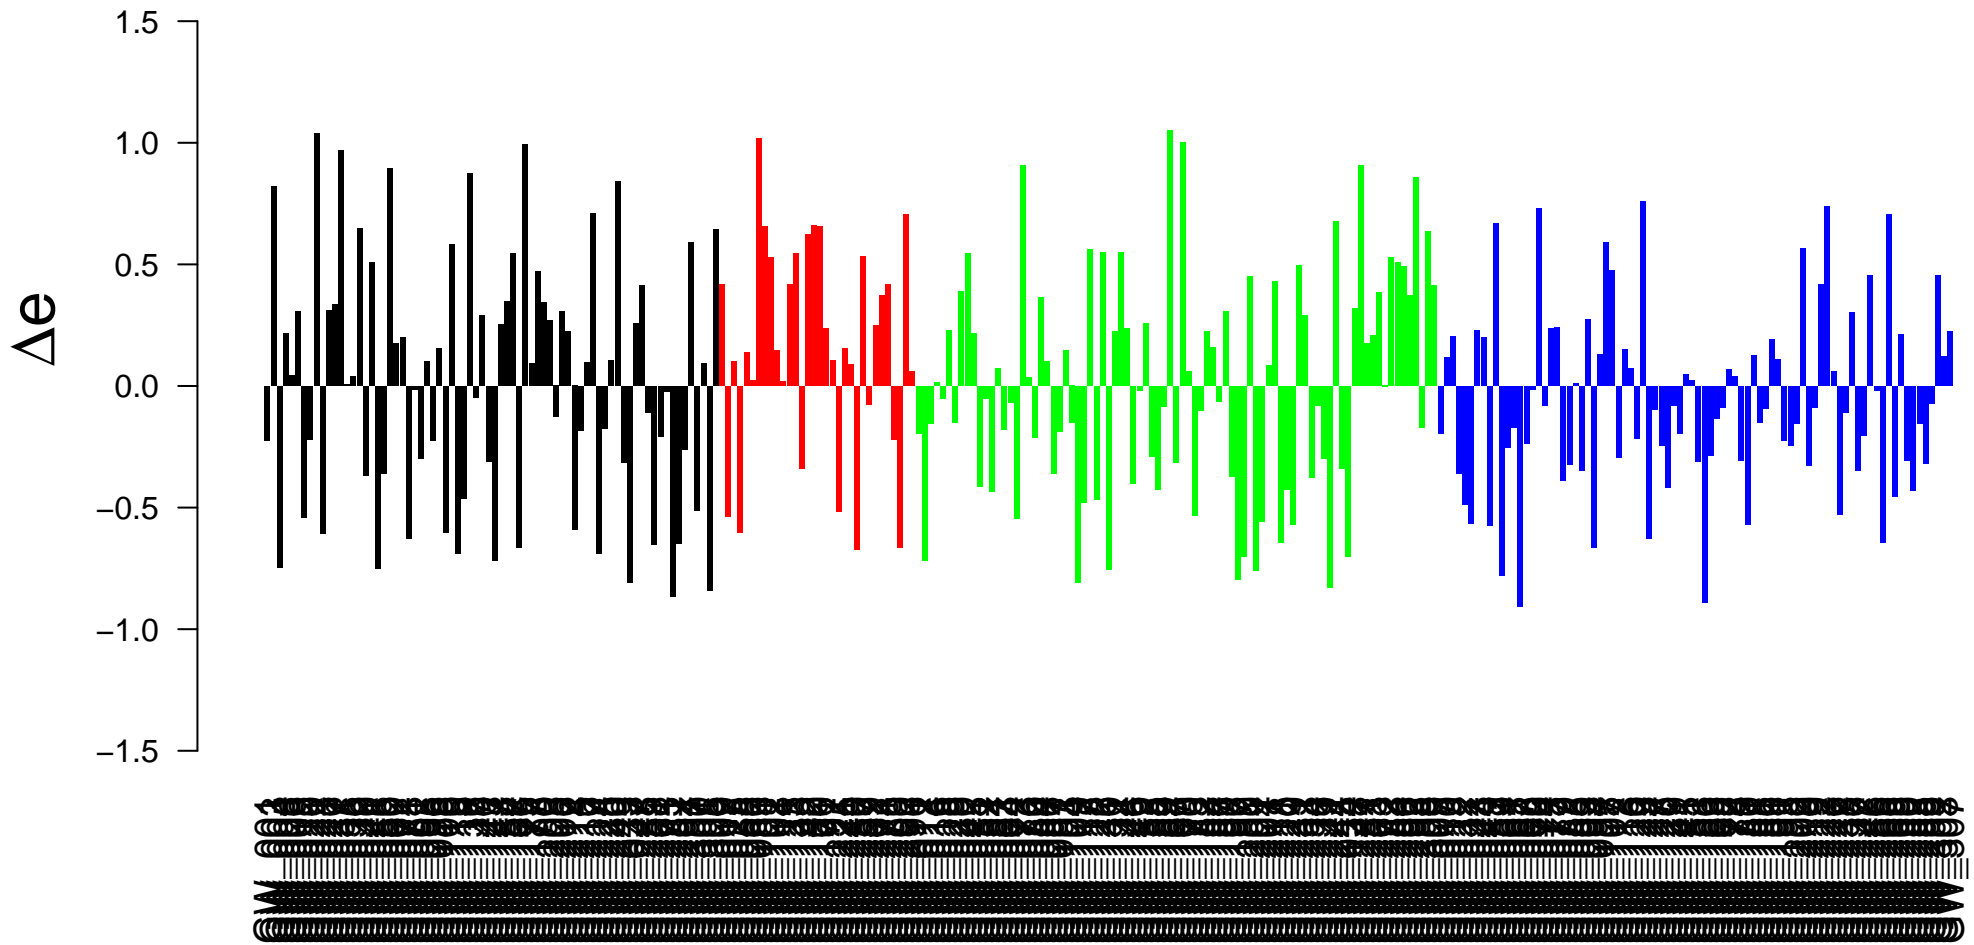

Expression of protein N-linked glycosylation in Spot J

Expression of protein N-linked glycosylation in Spot K

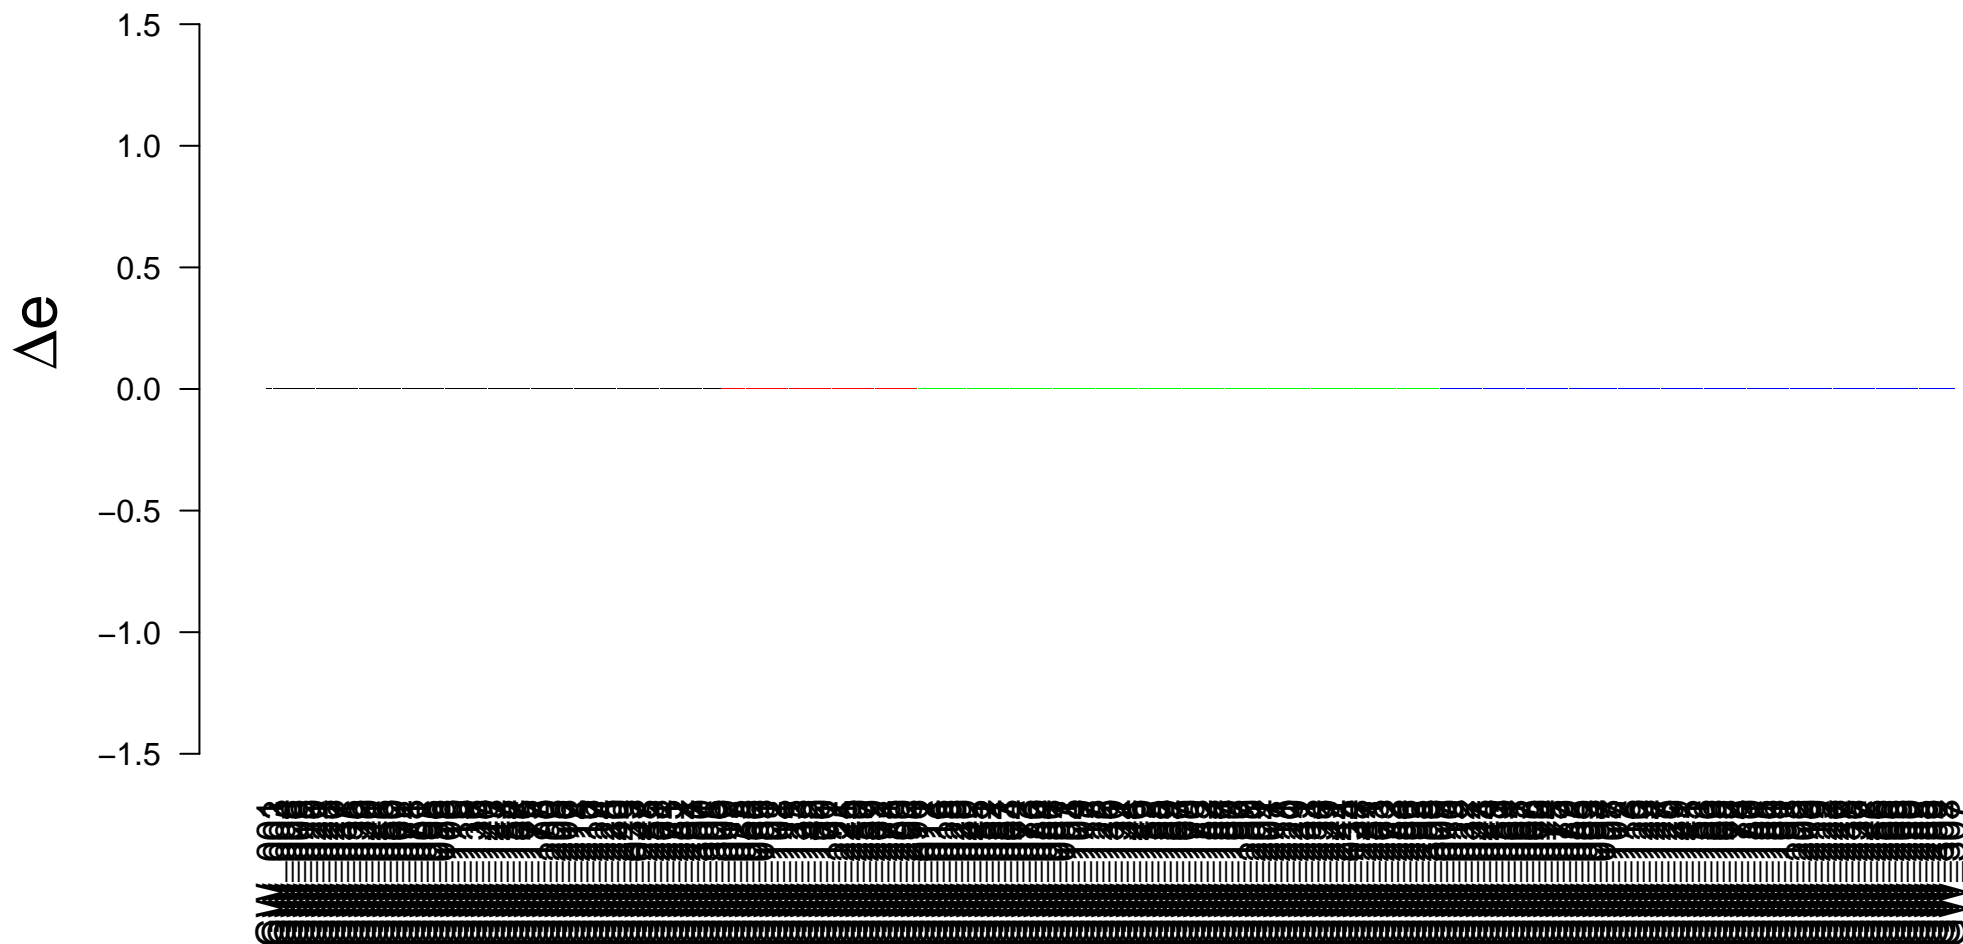

Expression of protein N-linked glycosylation in Spot L

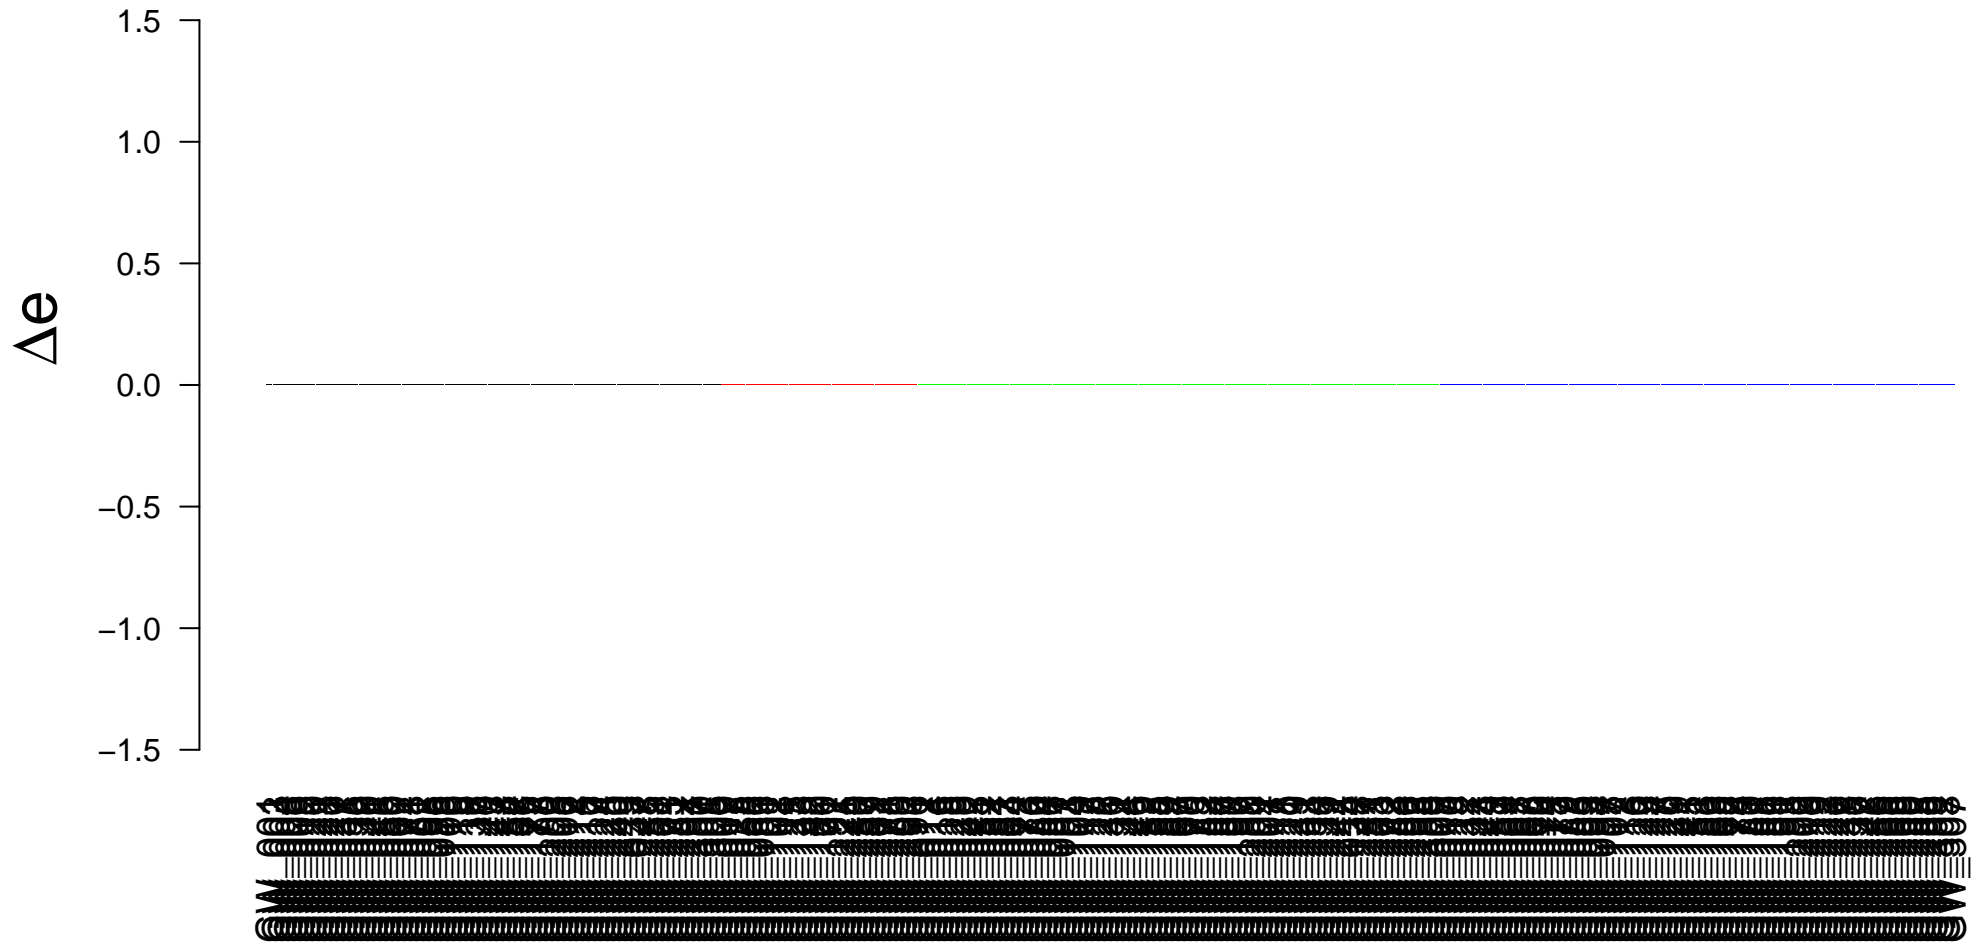

Expression of protein N-linked glycosylation in Spot M

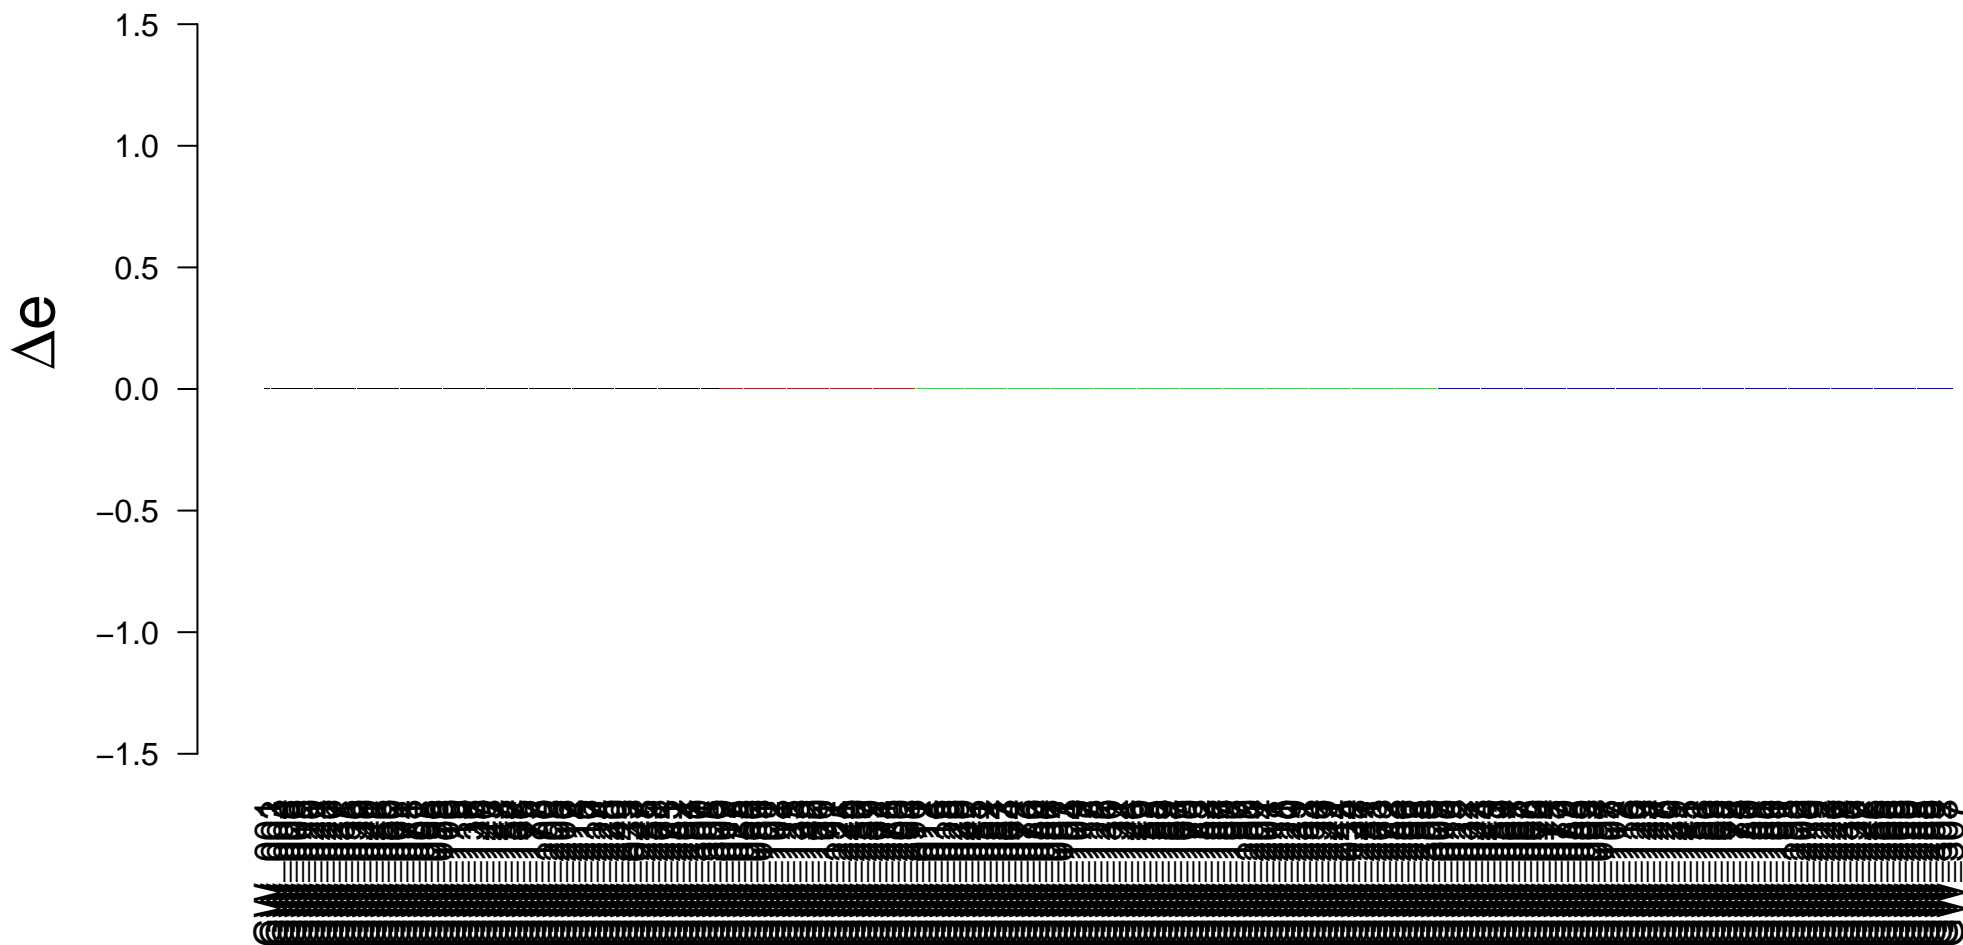

Expression of protein N-linked glycosylation in Spot N

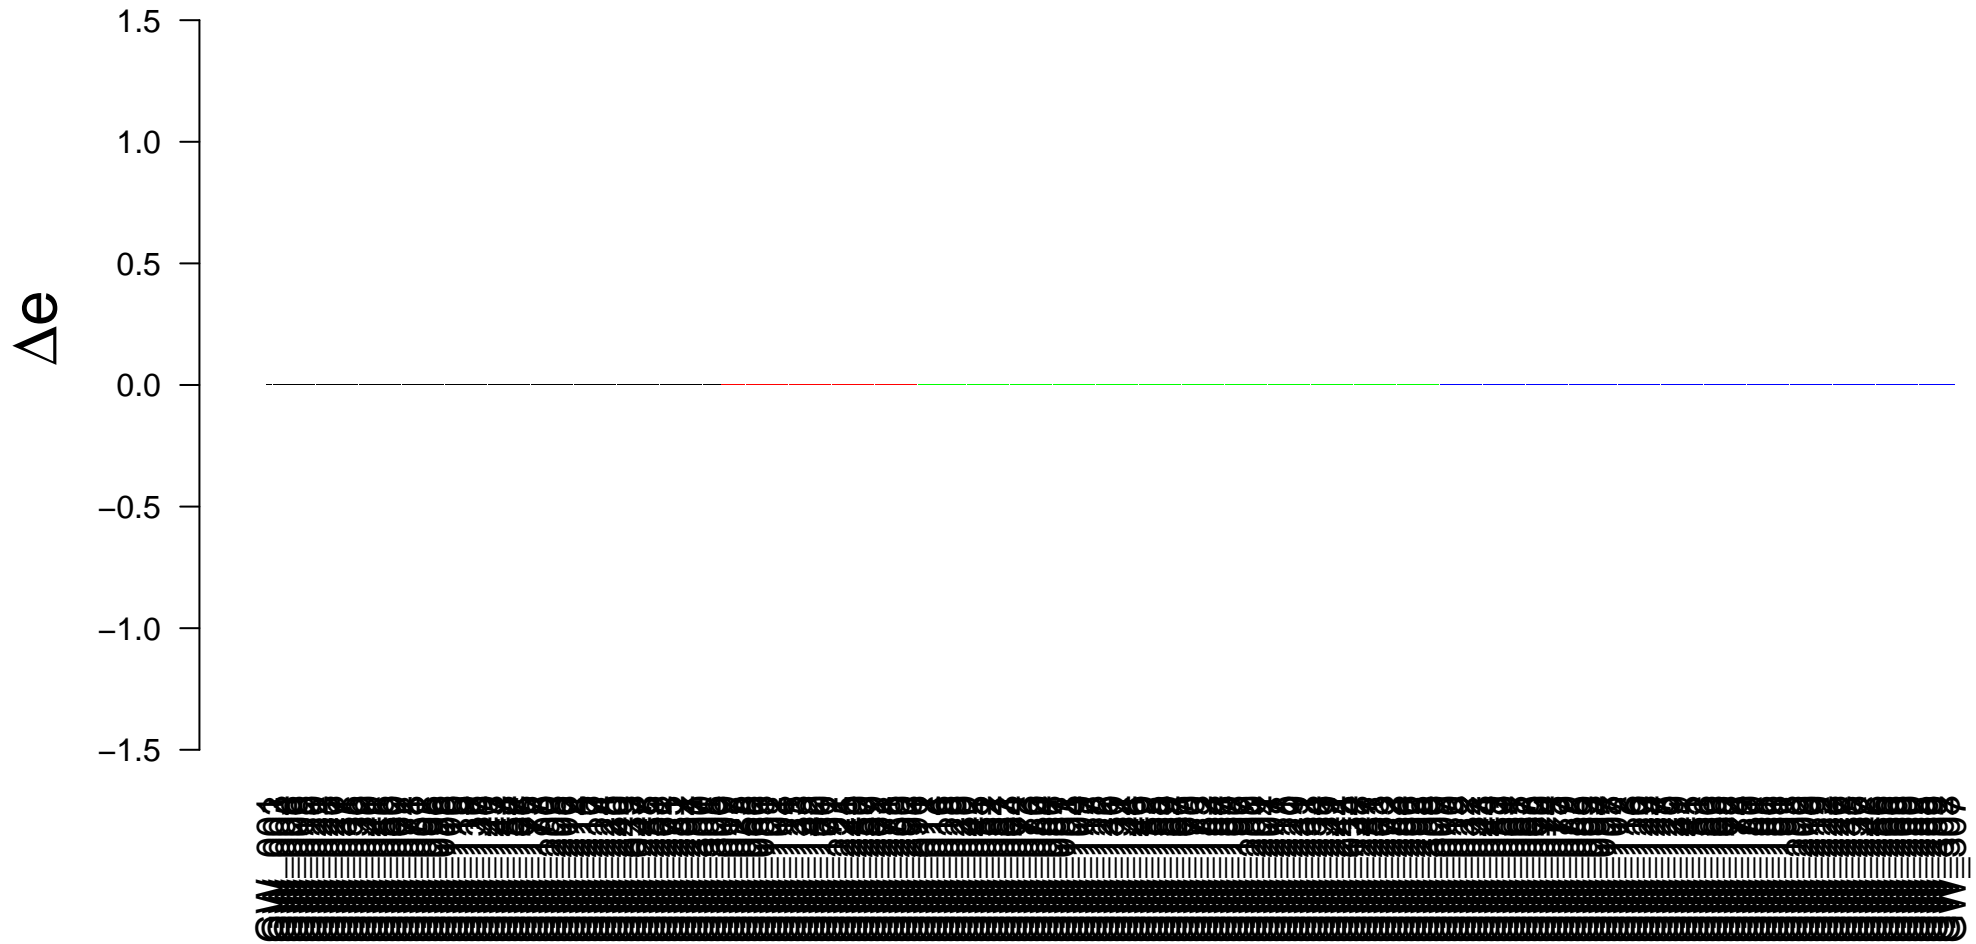

Expression of protein N-linked glycosylation in Spot O

Expression of protein N-linked glycosylation in Spot P

Expression of protein N-linked glycosylation in Spot Q

Expression of protein N-linked glycosylation in Spot R
