

protein N-linked glycosylation via asparagine

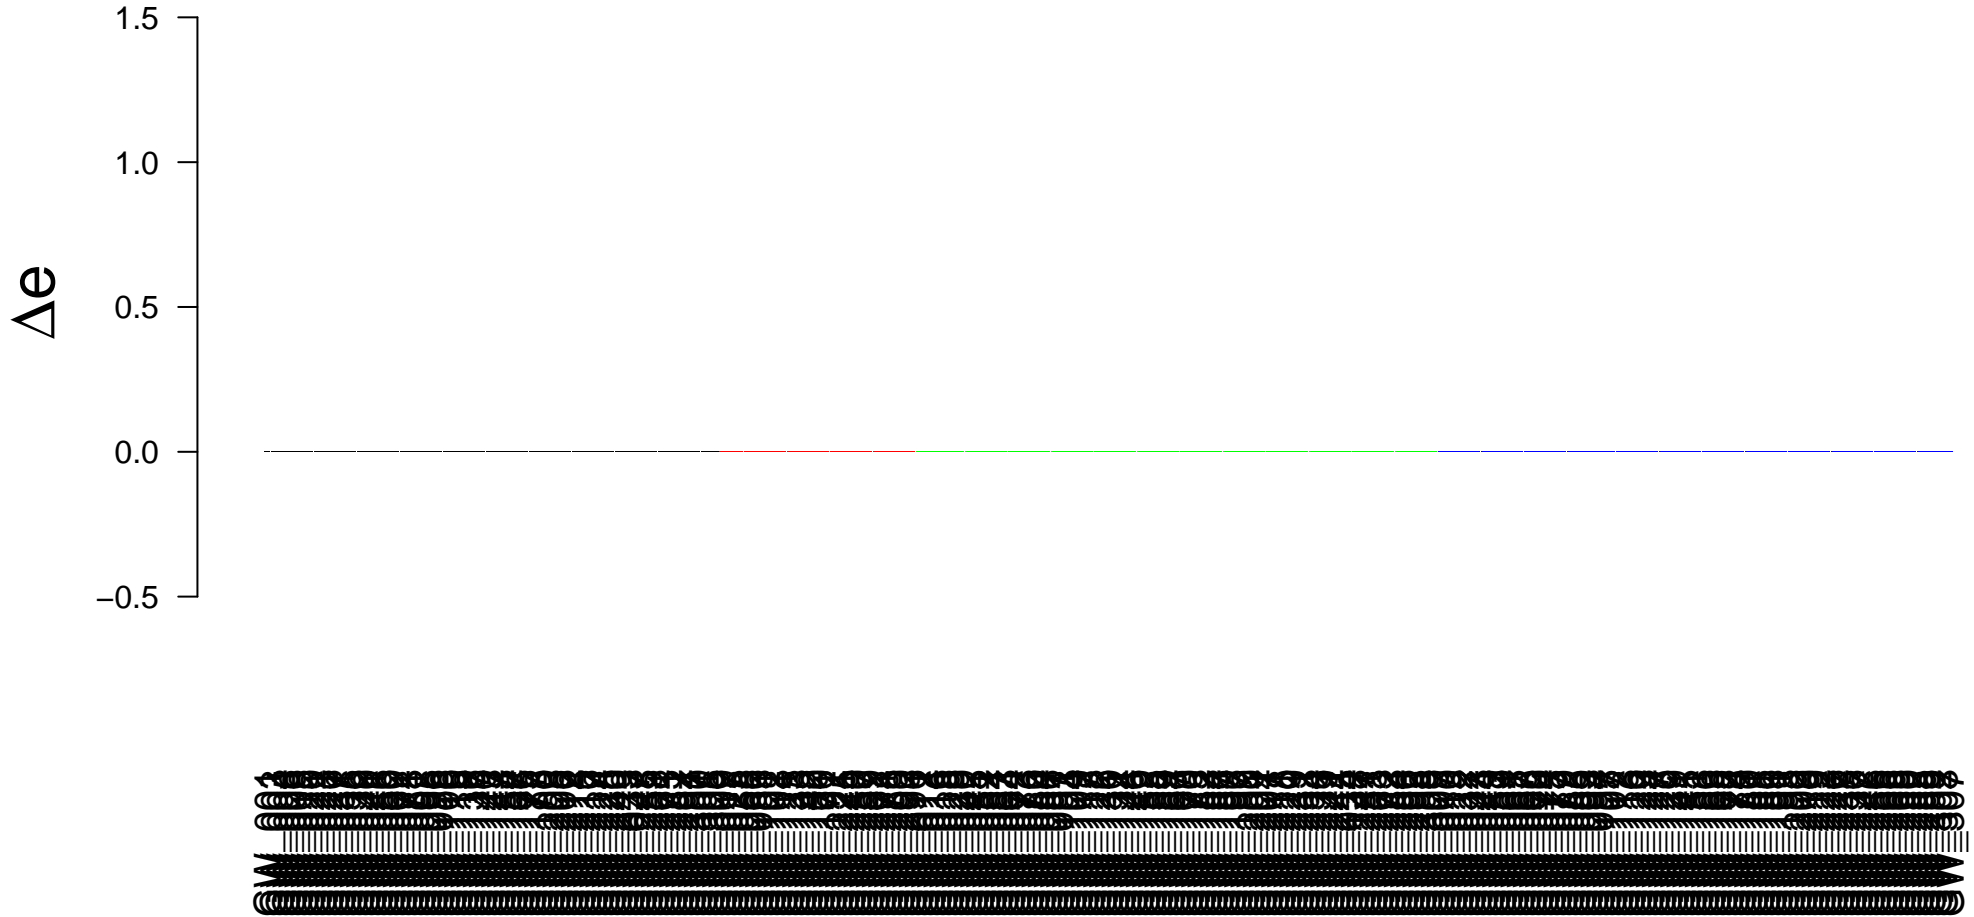

# protein N-linked glycosylation via asparagine

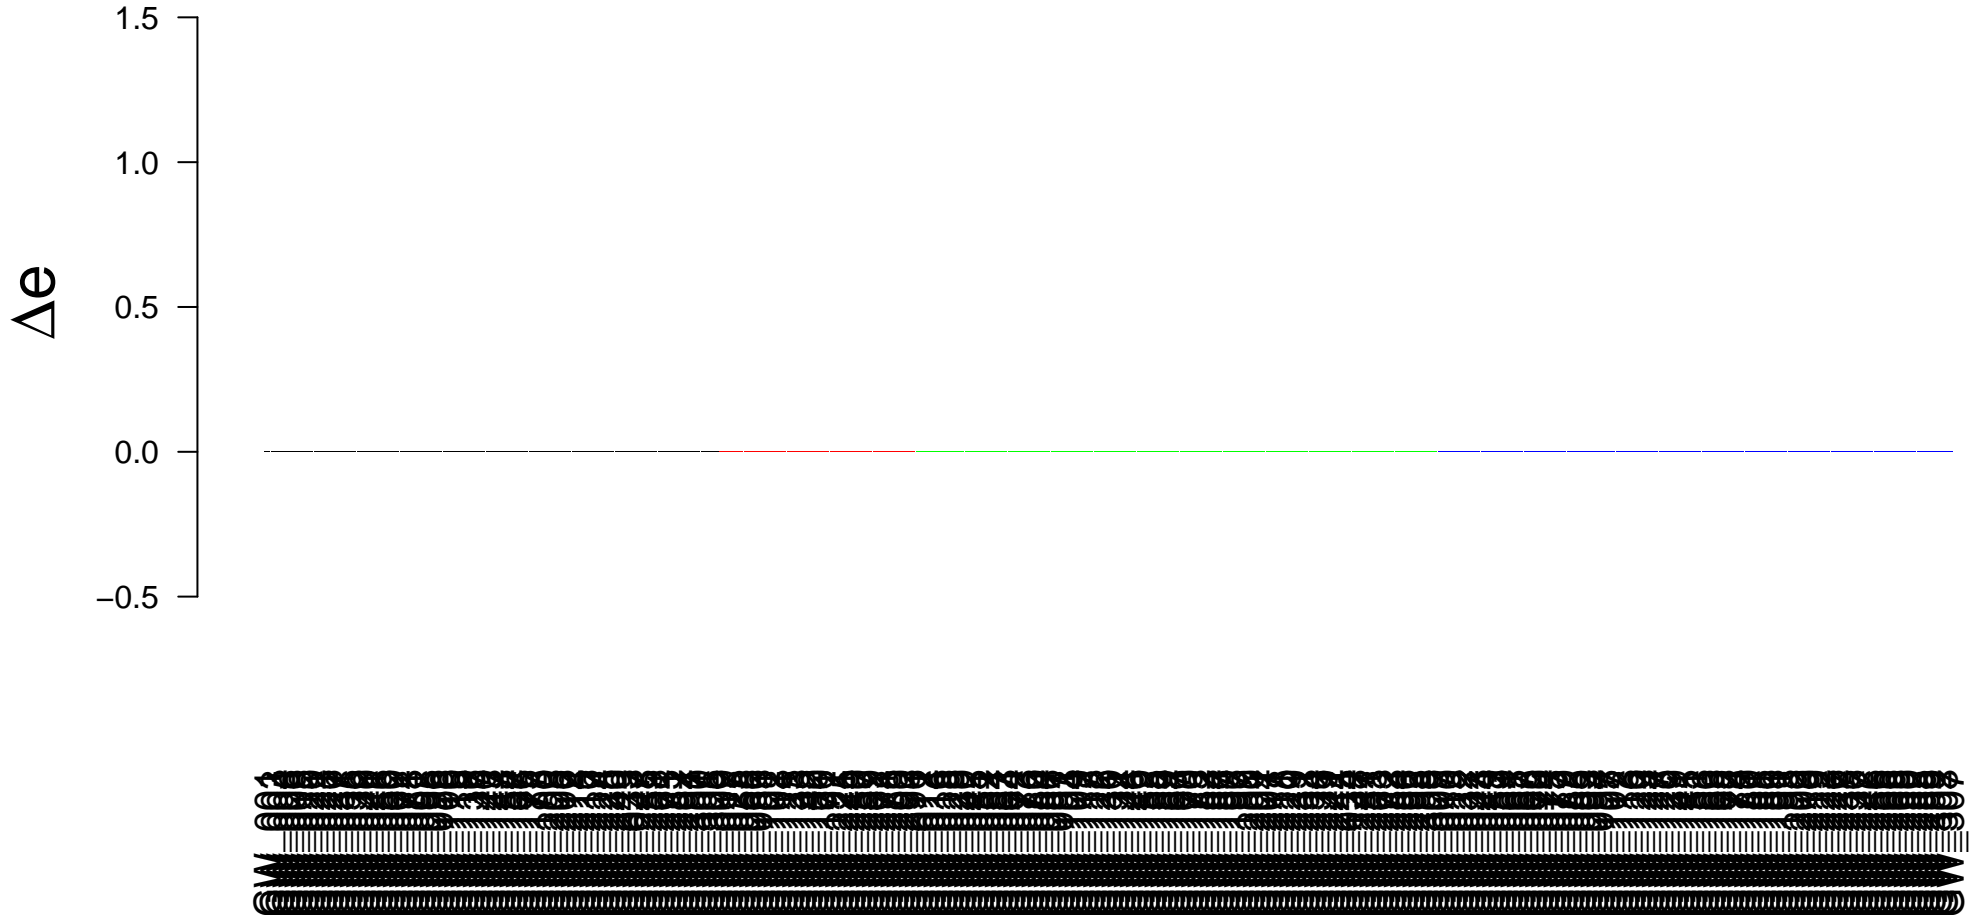

# Enrichment in spots: protein N-linked glycosylation via asparagine

# Expression of protein N-linked glycosylation via asparagine in Spot A

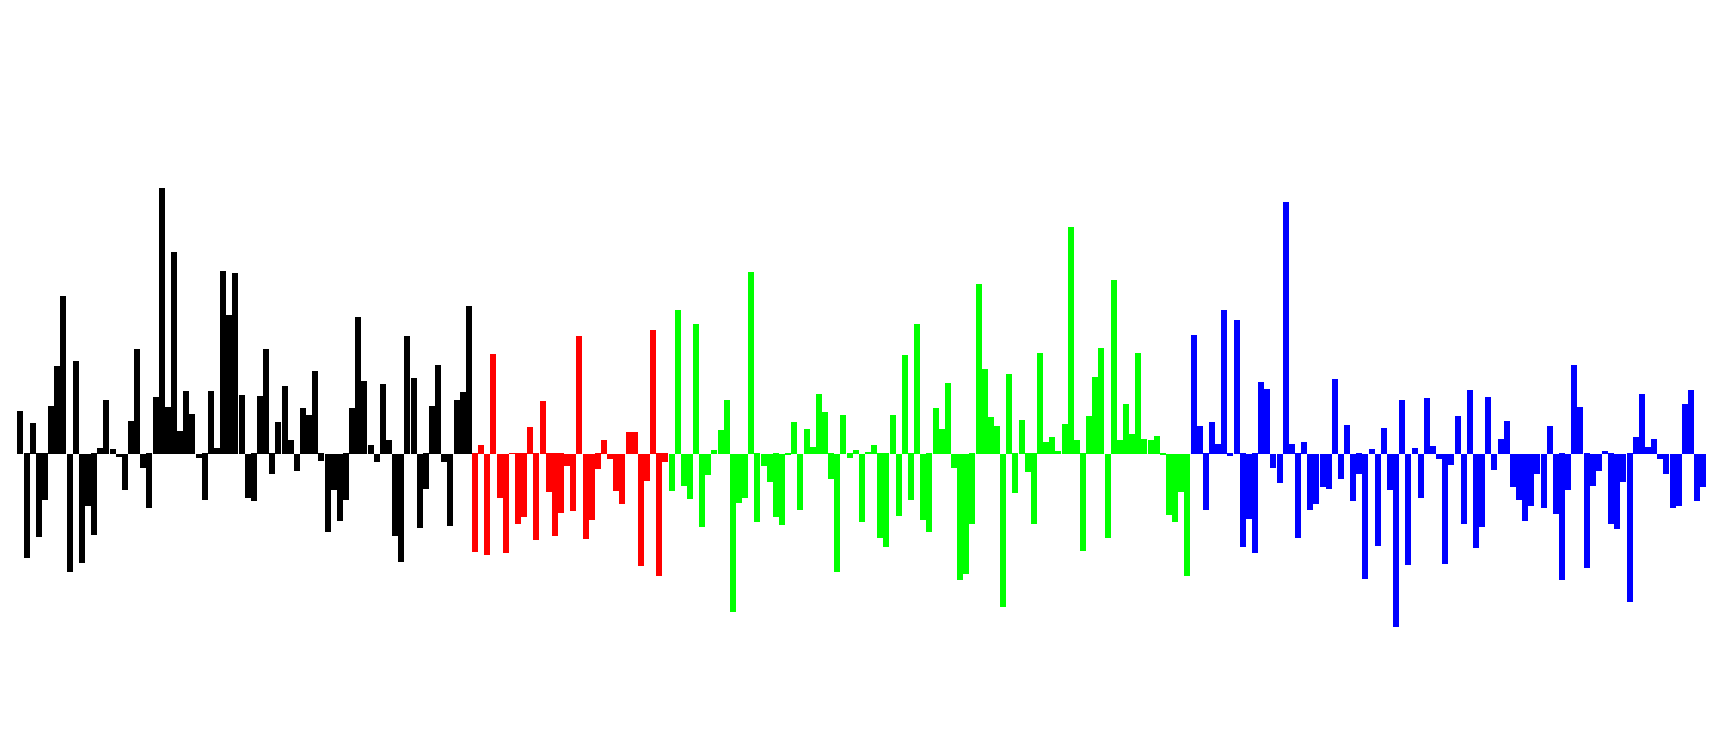

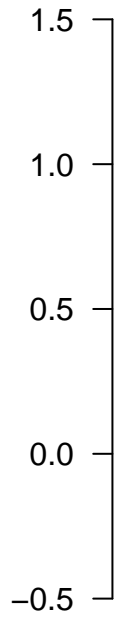

# Expression of protein N-linked glycosylation via asparagine in Spot B

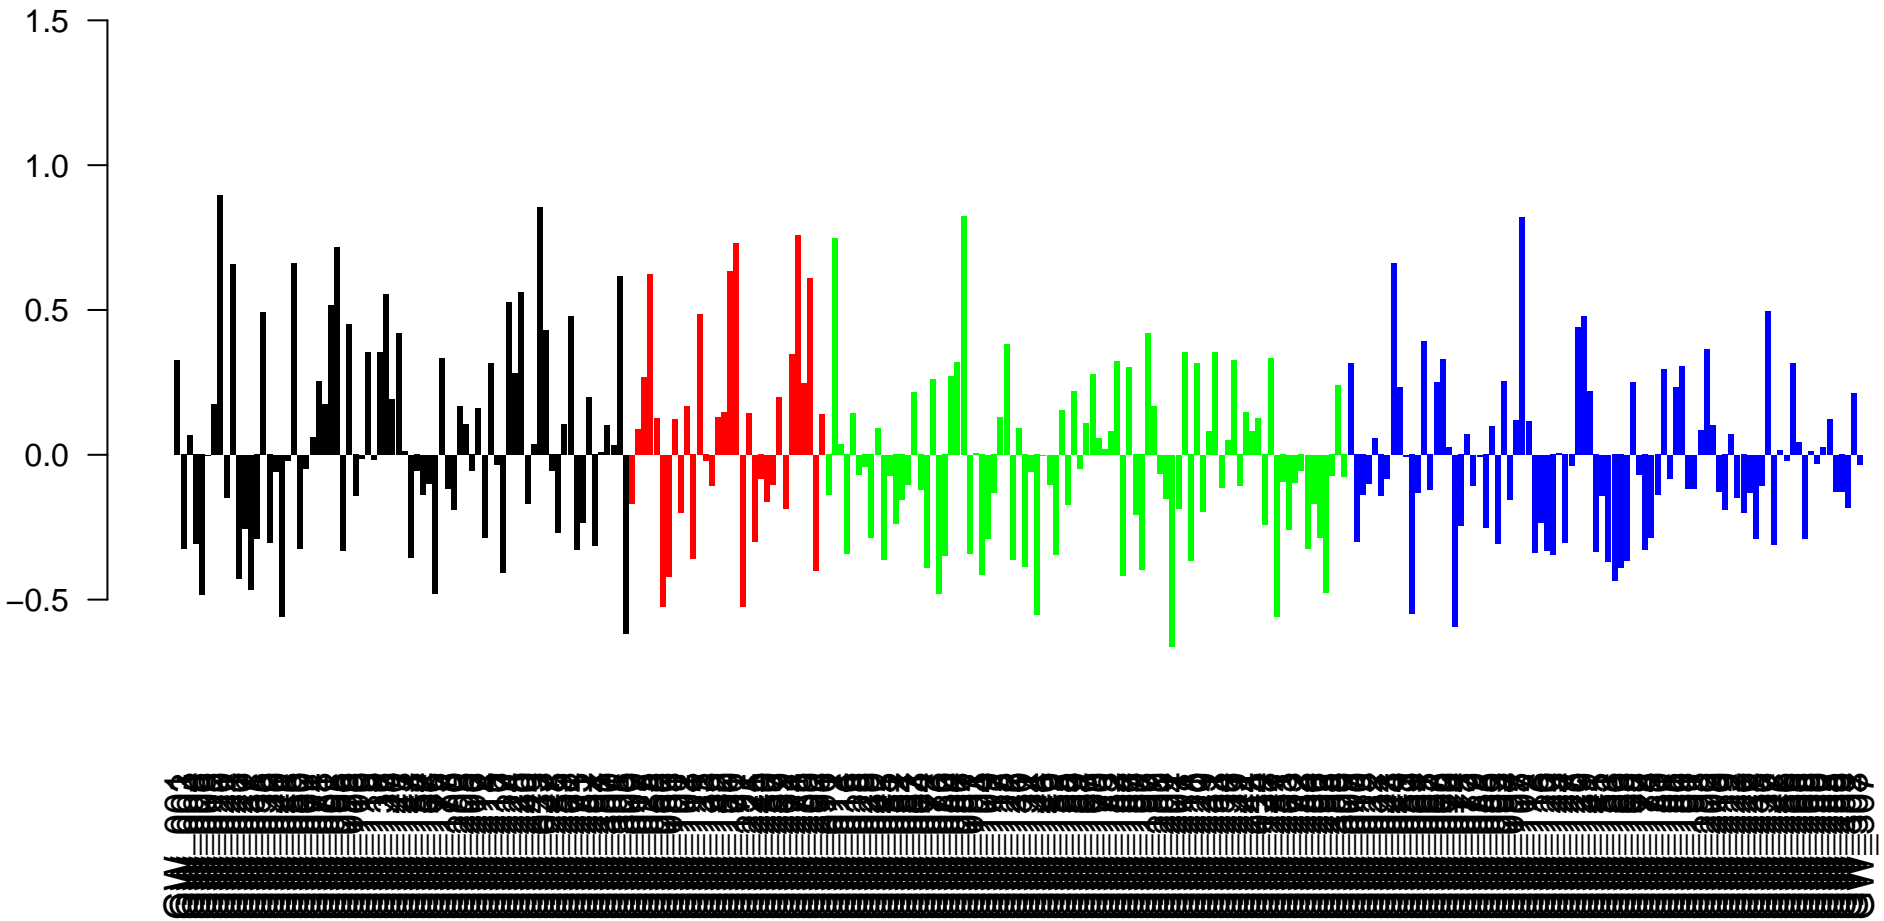

# Expression of protein N-linked glycosylation via asparagine in Spot C

$\Delta e$

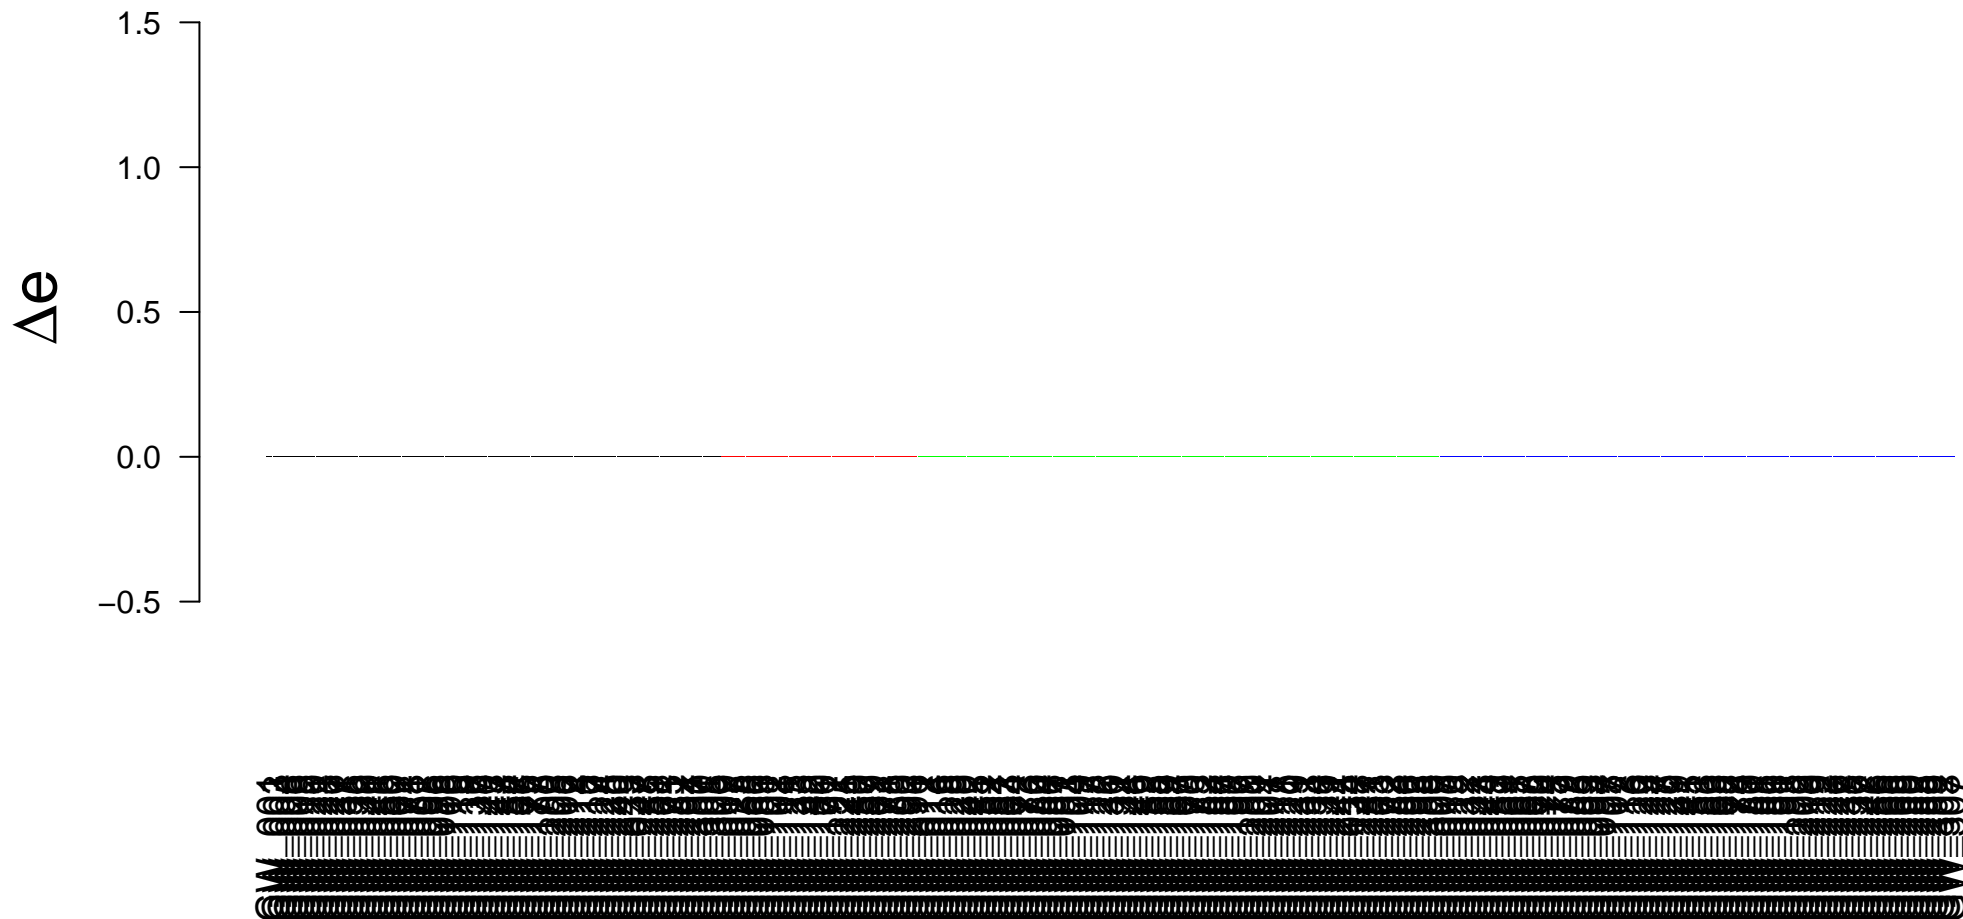

# Expression of protein N-linked glycosylation via asparagine in Spot D

$\Delta e$

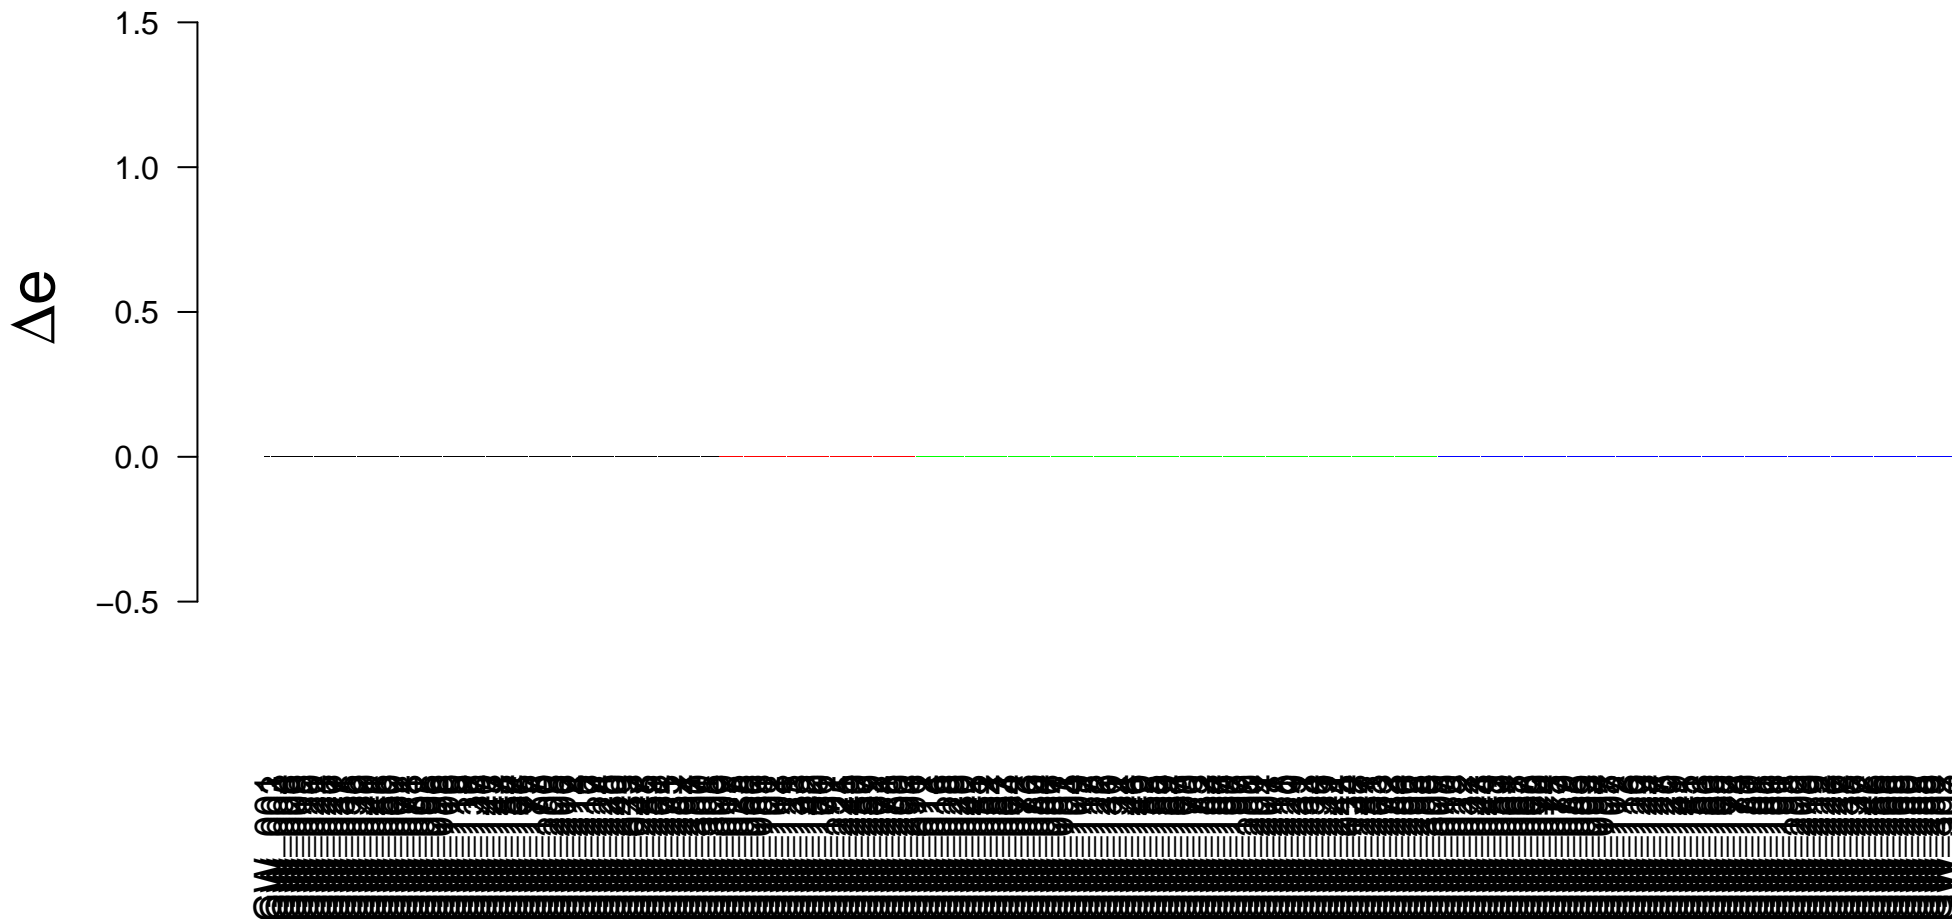

# Expression of protein N-linked glycosylation via asparagine in Spot E

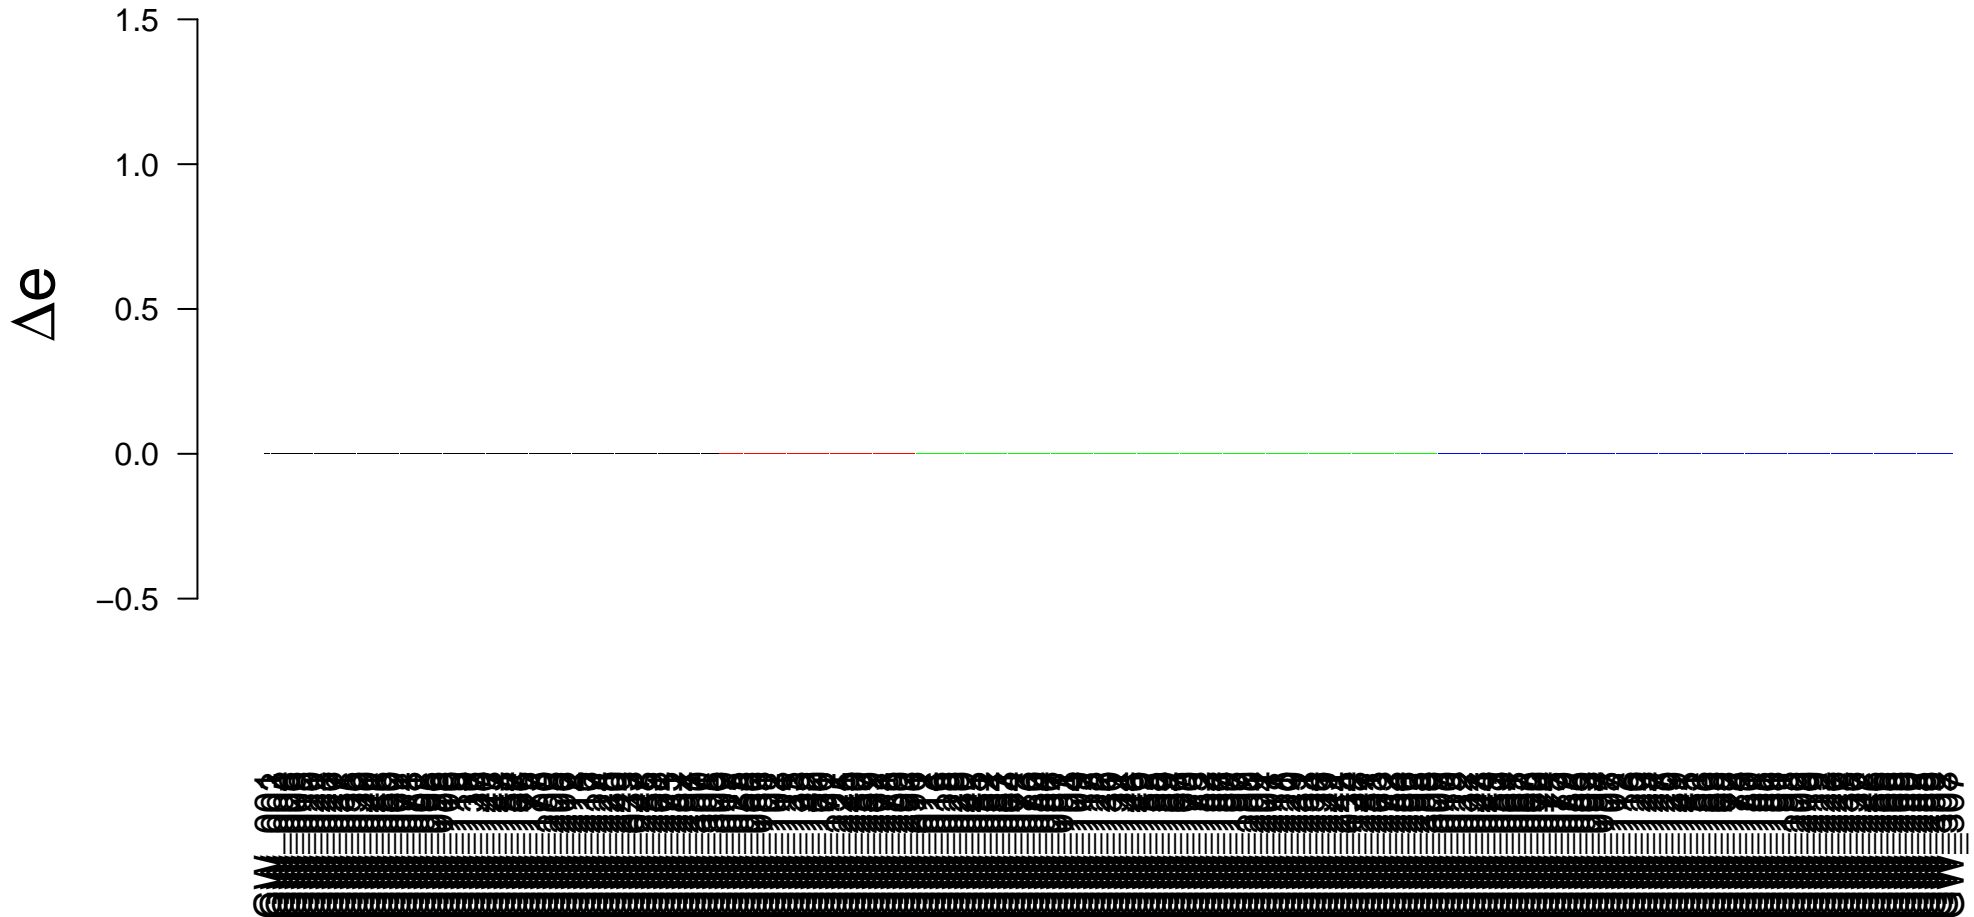

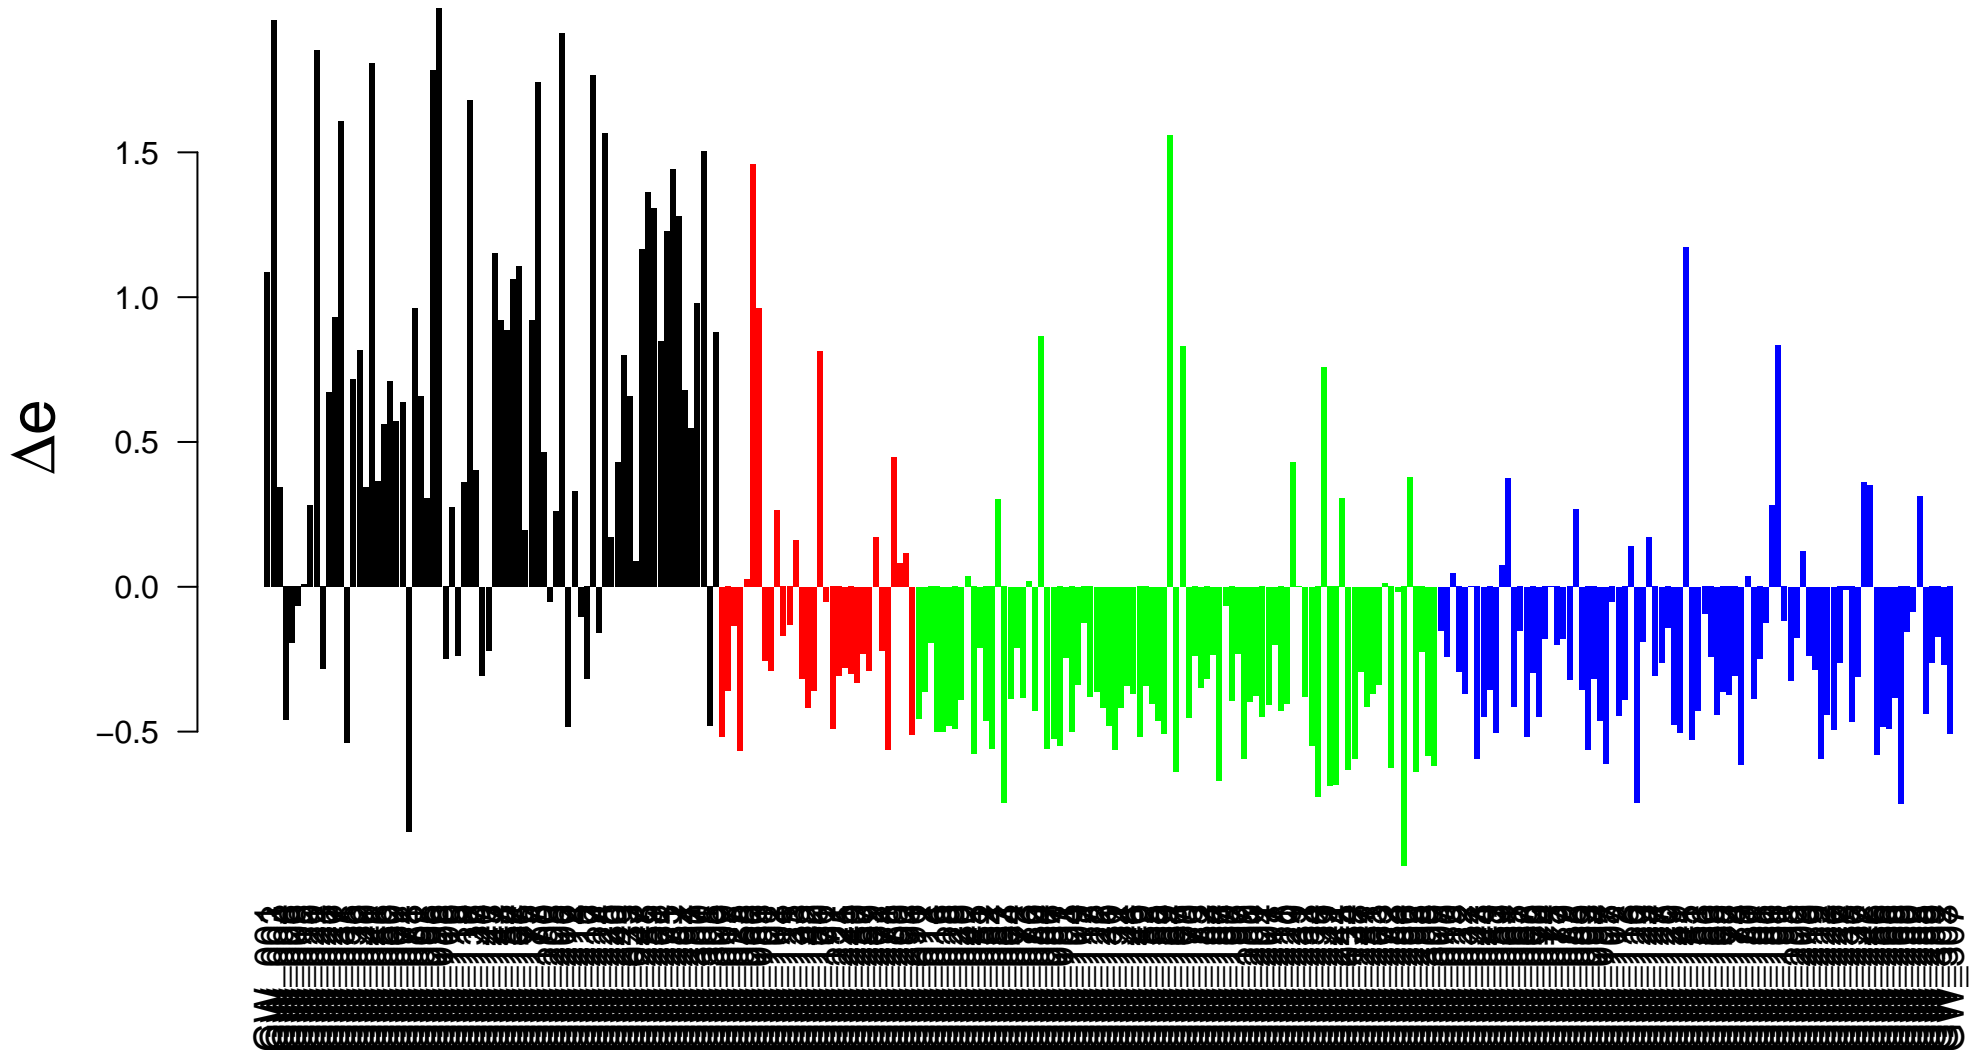

# Expression of protein N-linked glycosylation via asparagine in Spot F

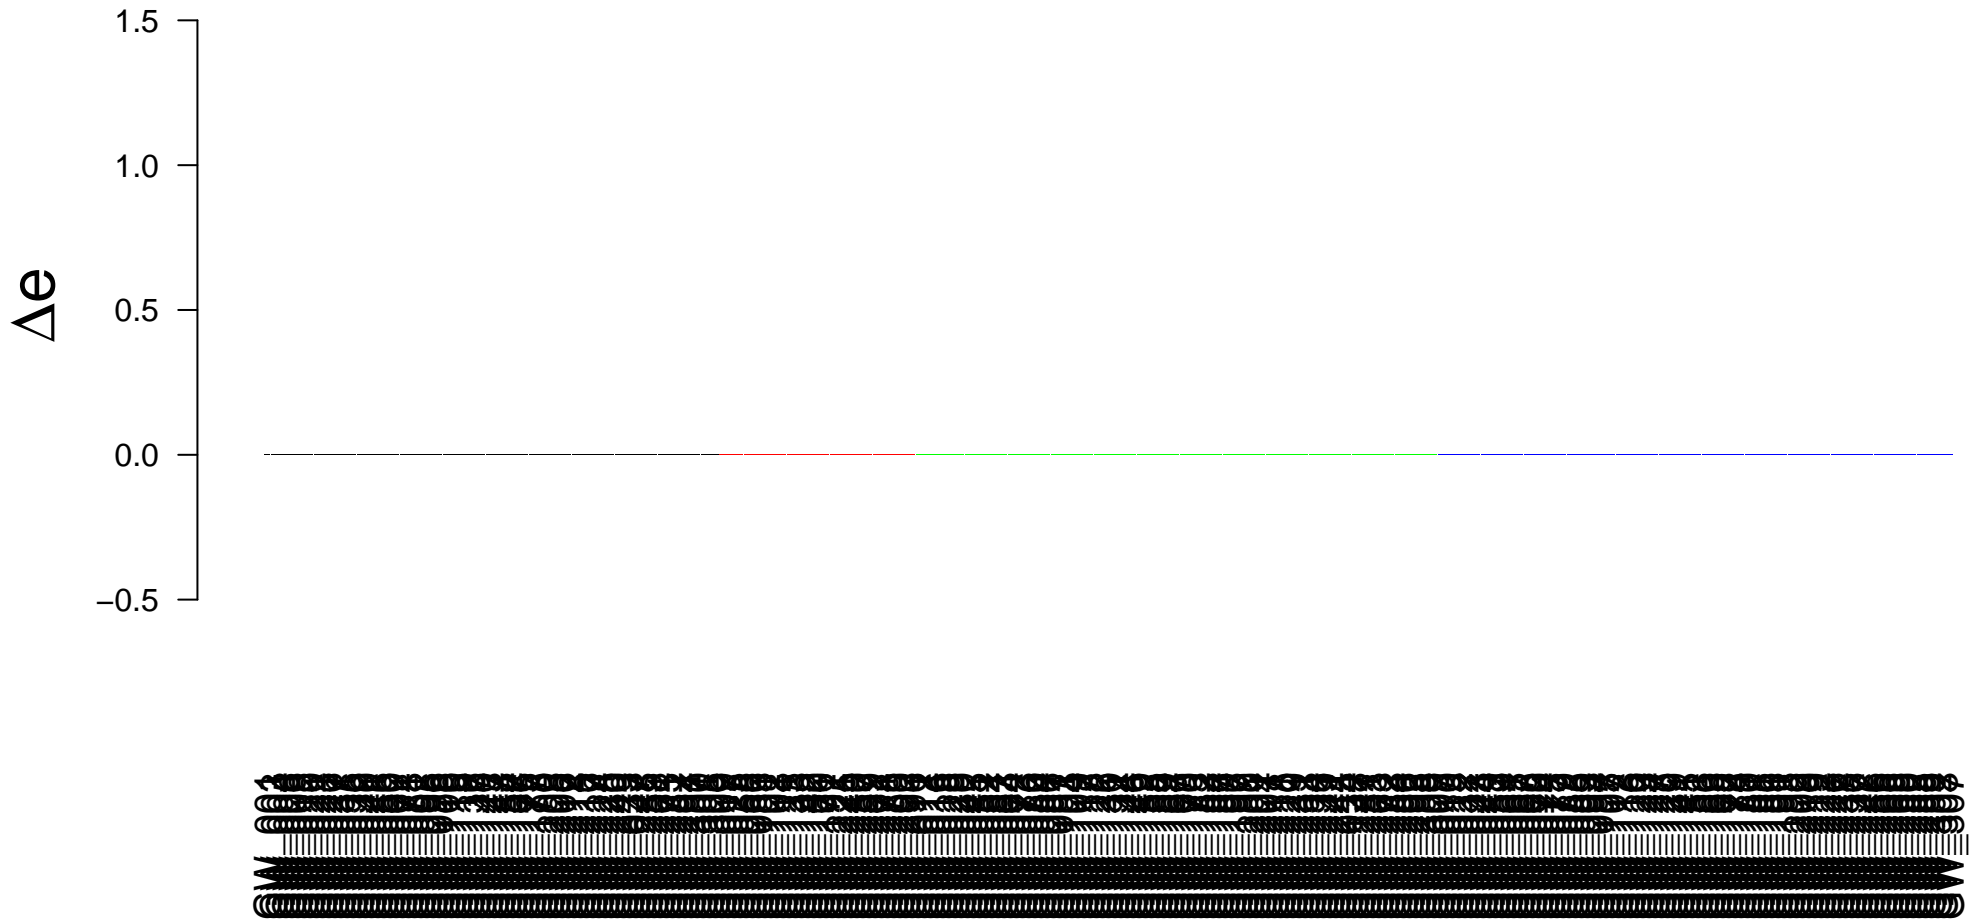

# Expression of protein N-linked glycosylation via asparagine in Spot G

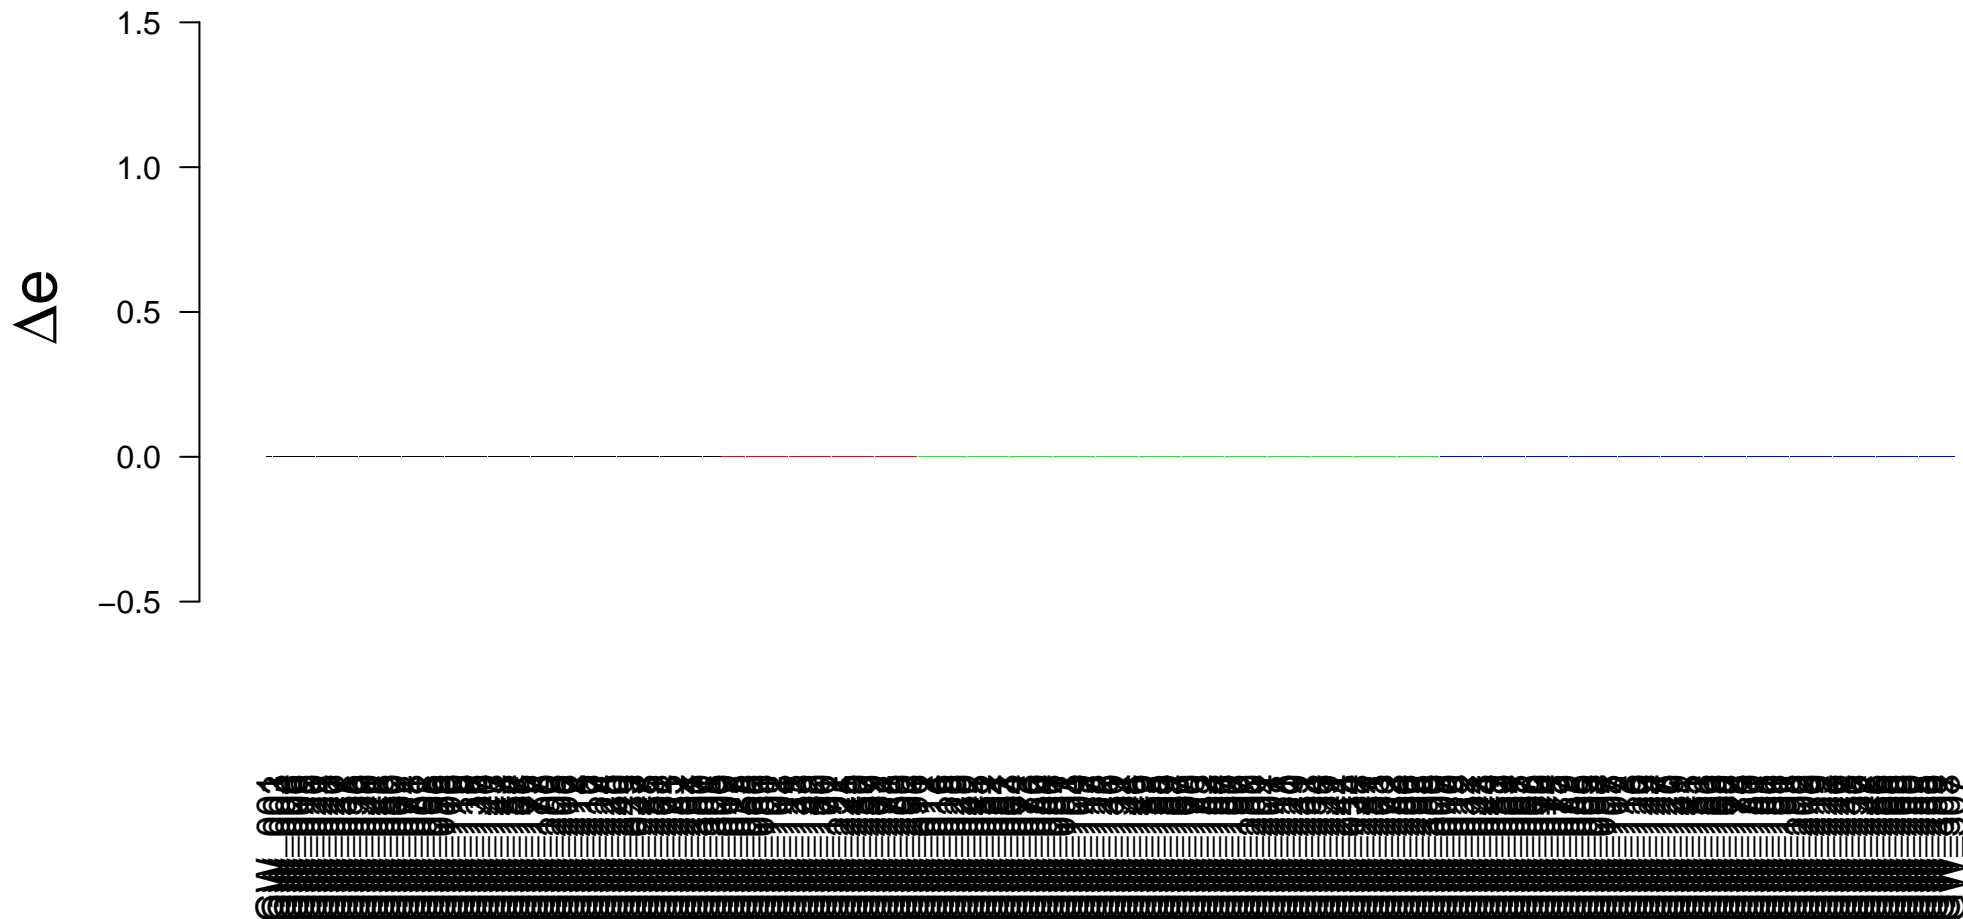

# Expression of protein N-linked glycosylation via asparagine in Spot H

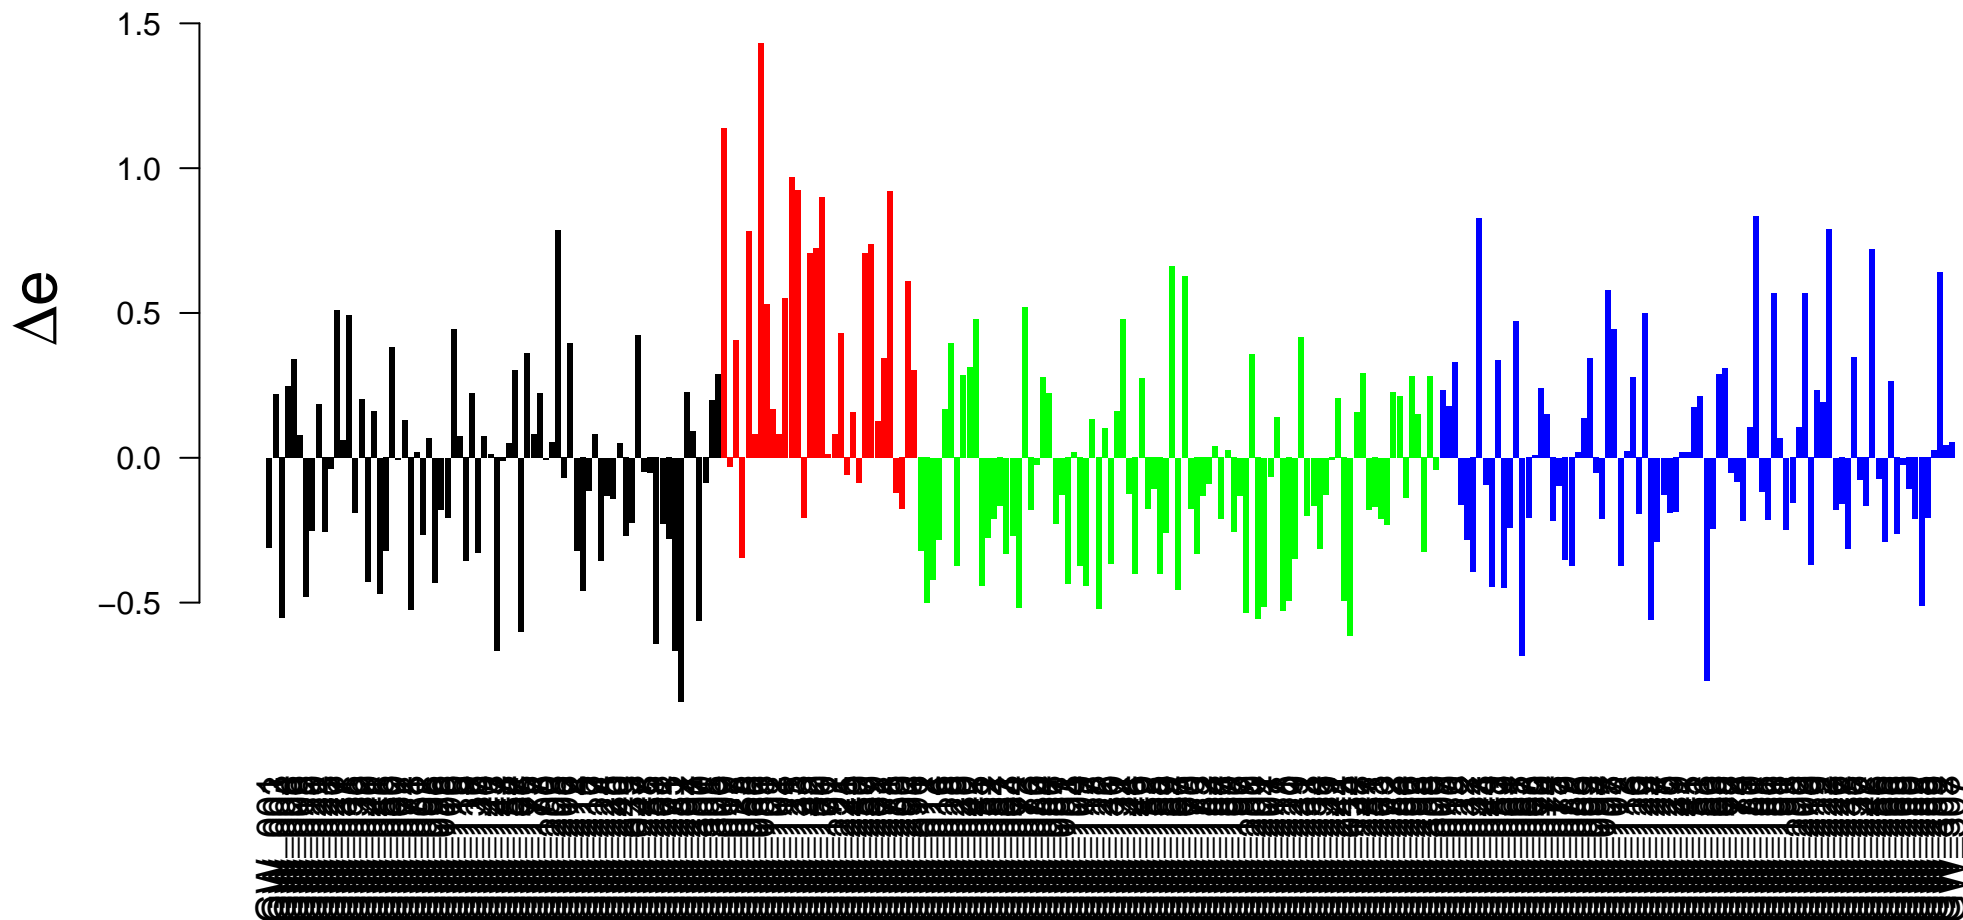

# Expression of protein N-linked glycosylation via asparagine in Spot I

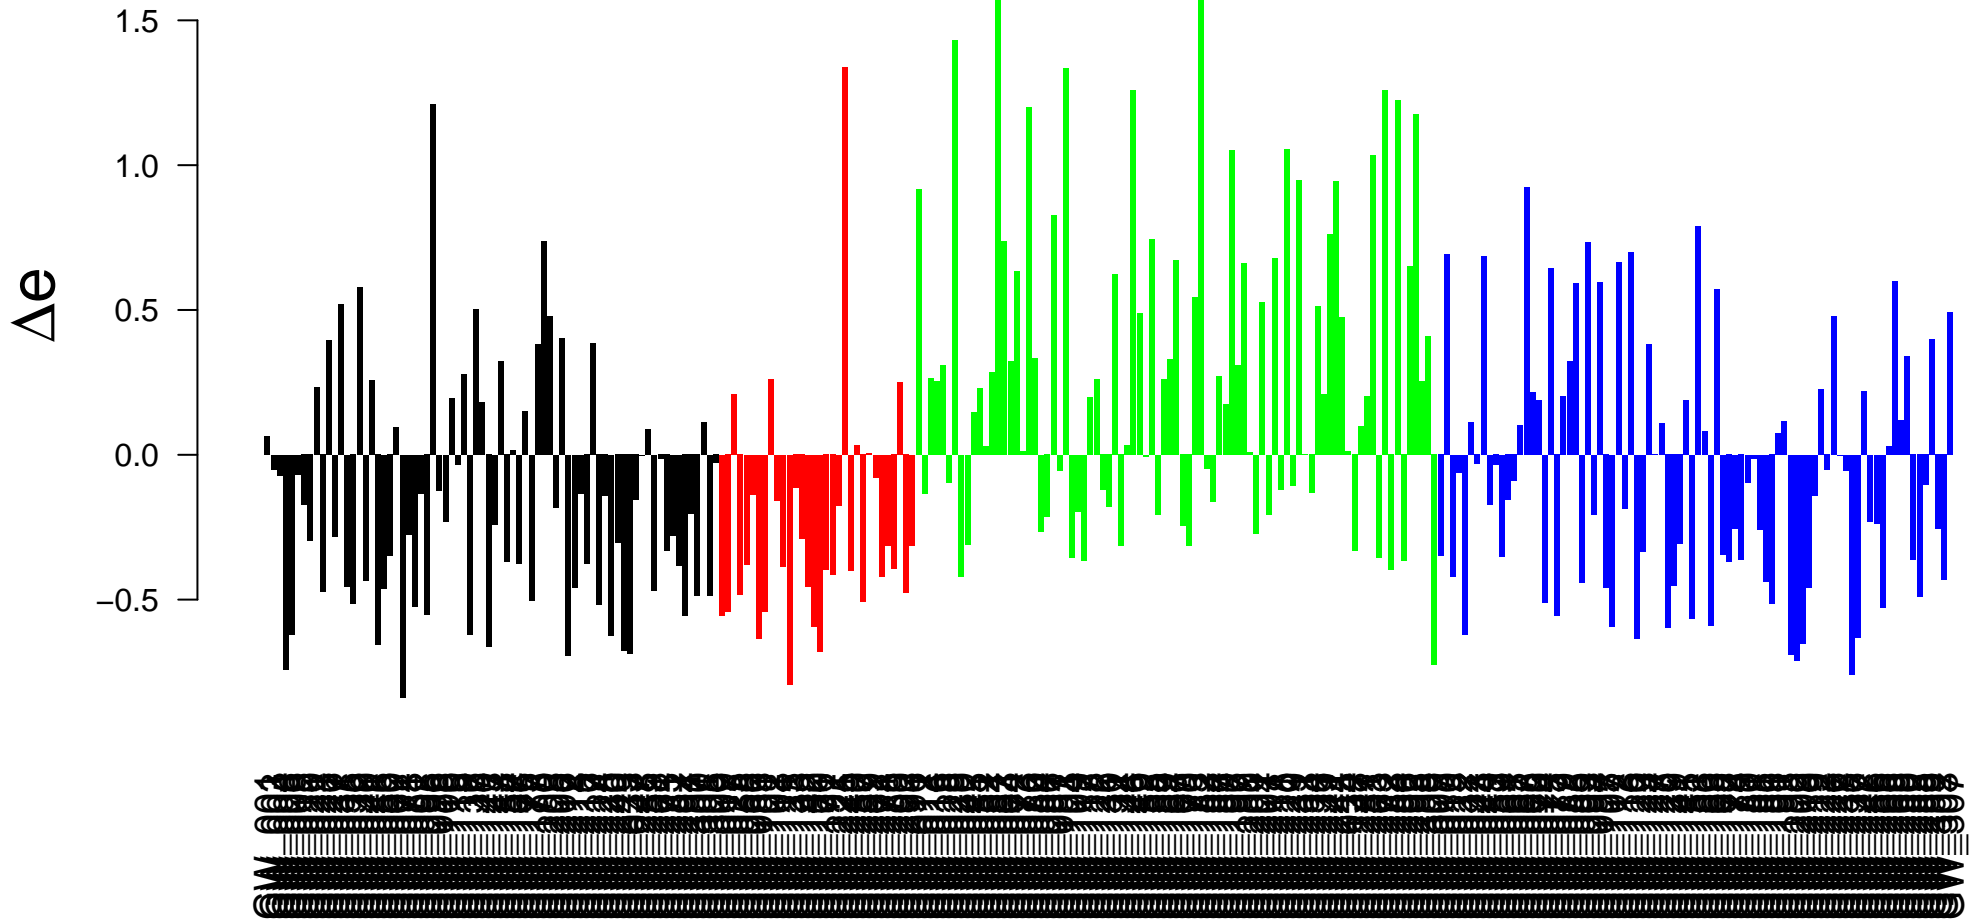

# Expression of protein N-linked glycosylation via asparagine in Spot J

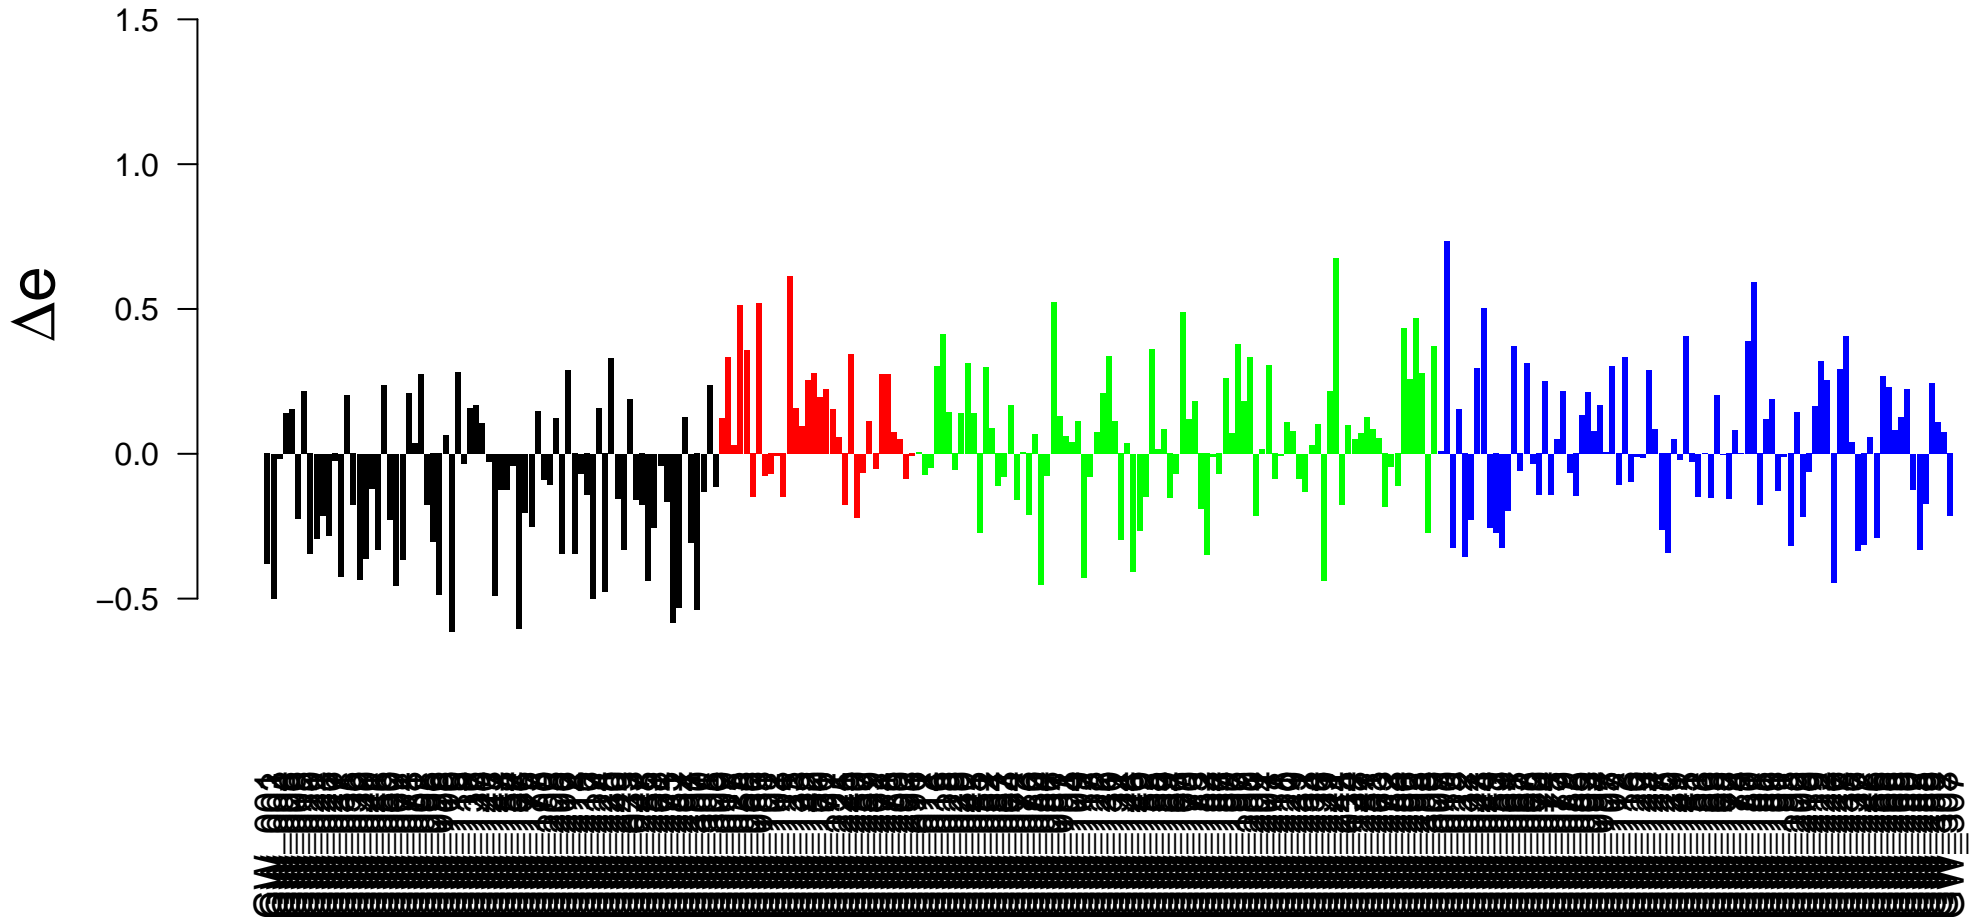

# Expression of protein N-linked glycosylation via asparagine in Spot K

# Expression of protein N-linked glycosylation via asparagine in Spot L

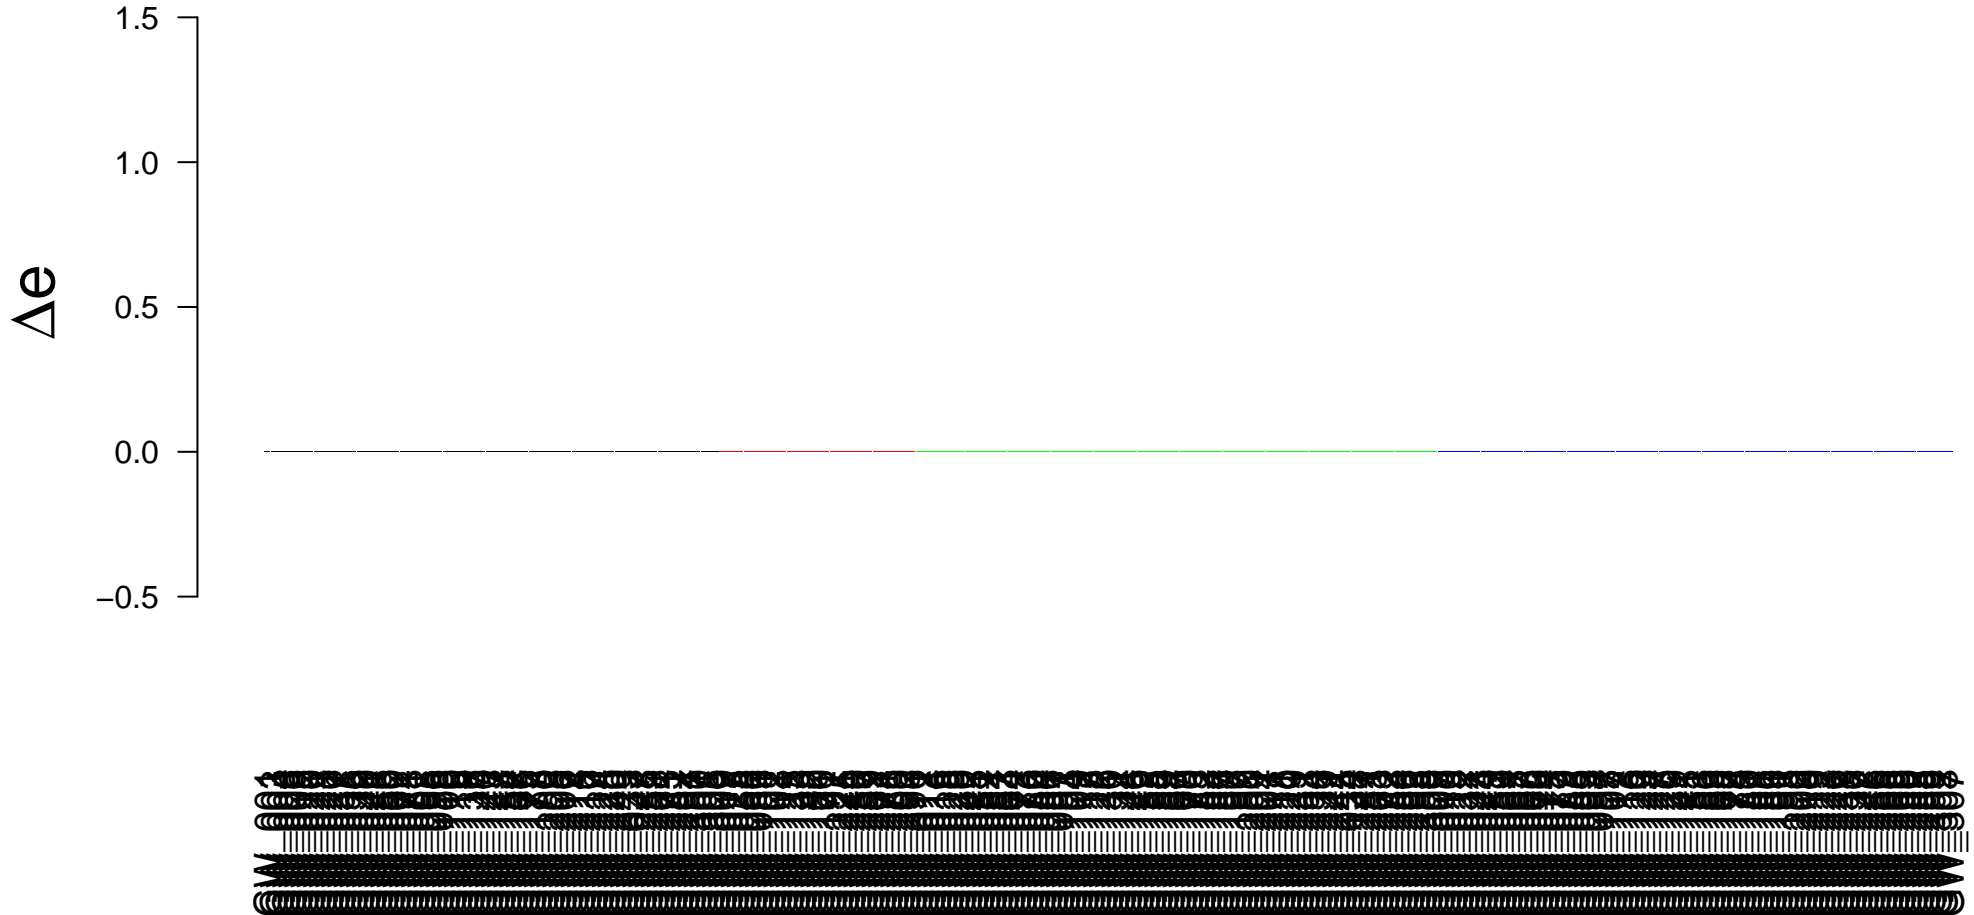

# Expression of protein N-linked glycosylation via asparagine in Spot M

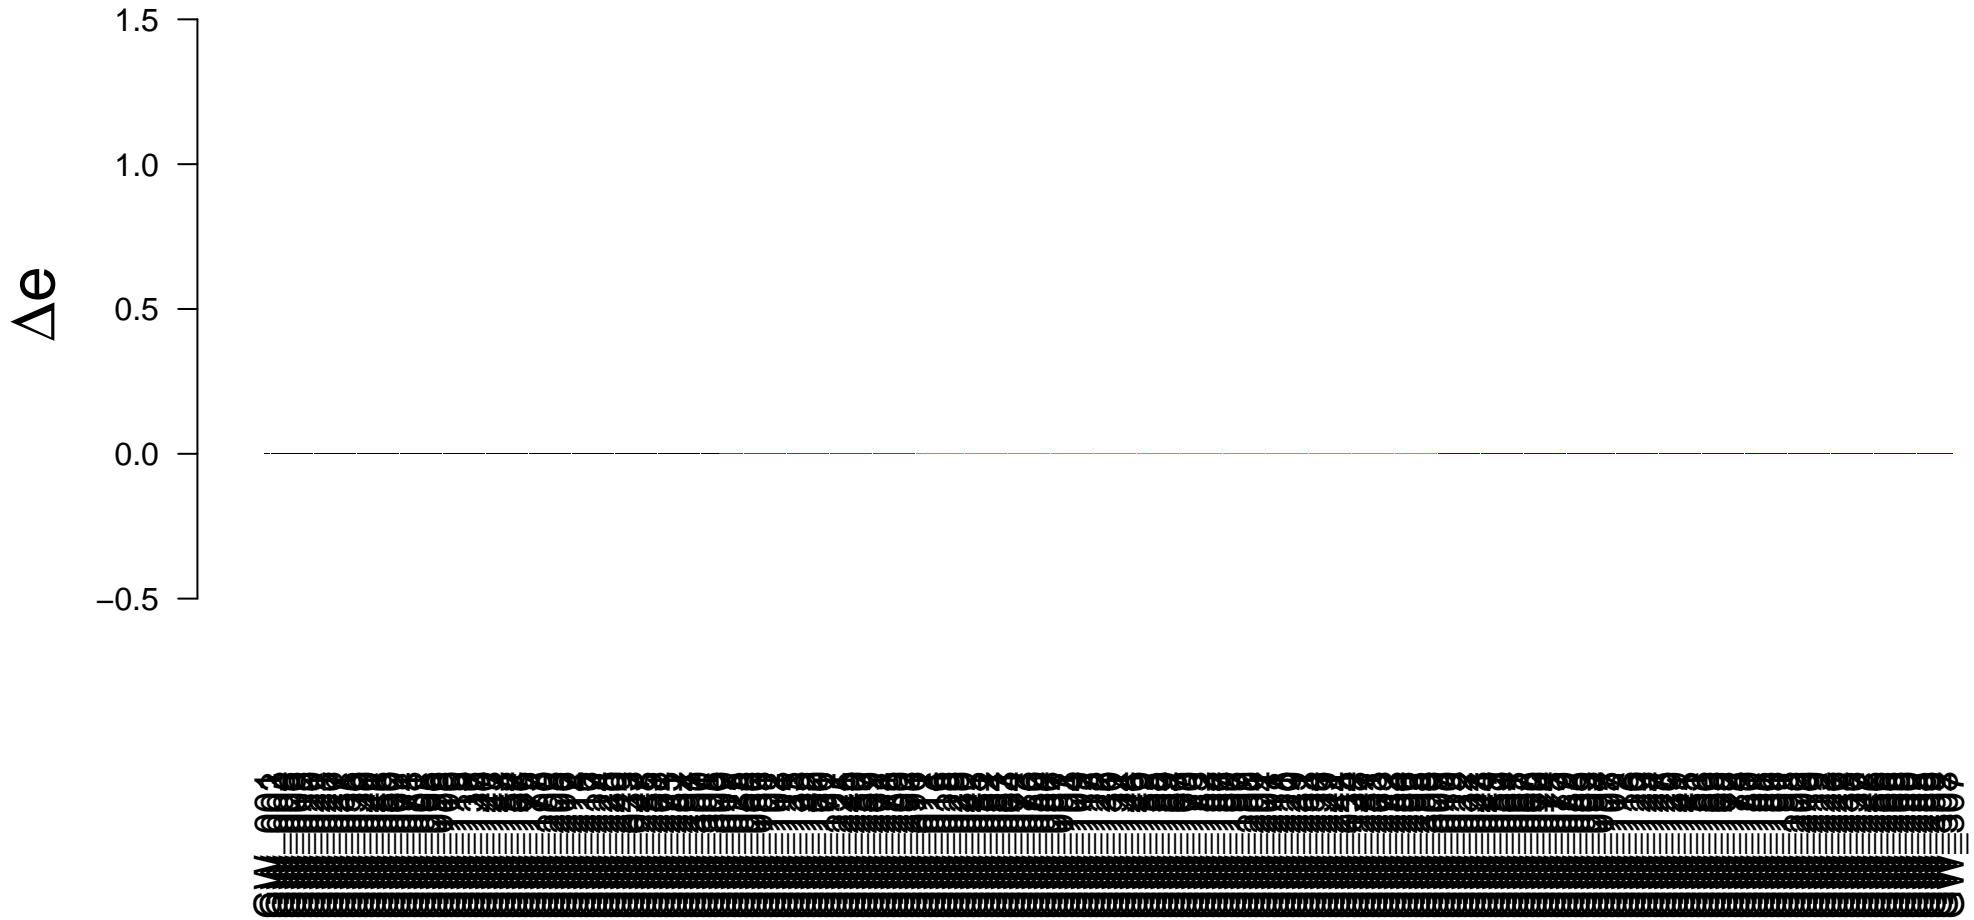

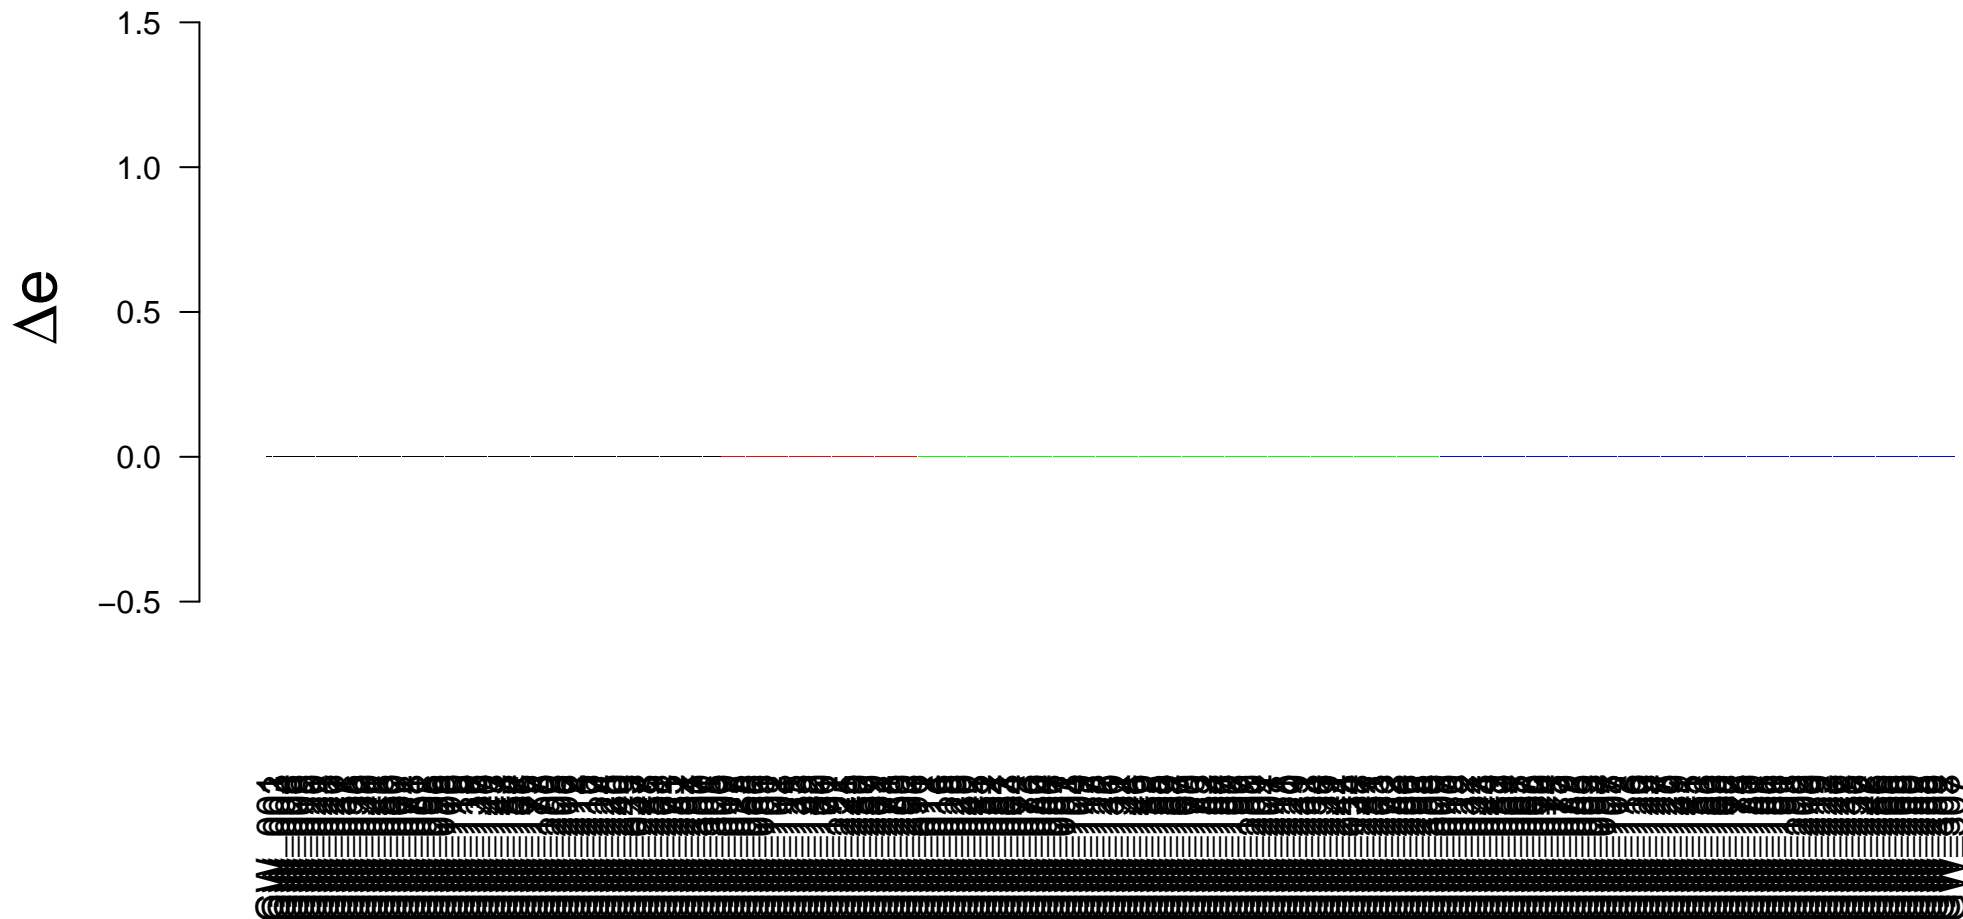

# Expression of protein N-linked glycosylation via asparagine in Spot N

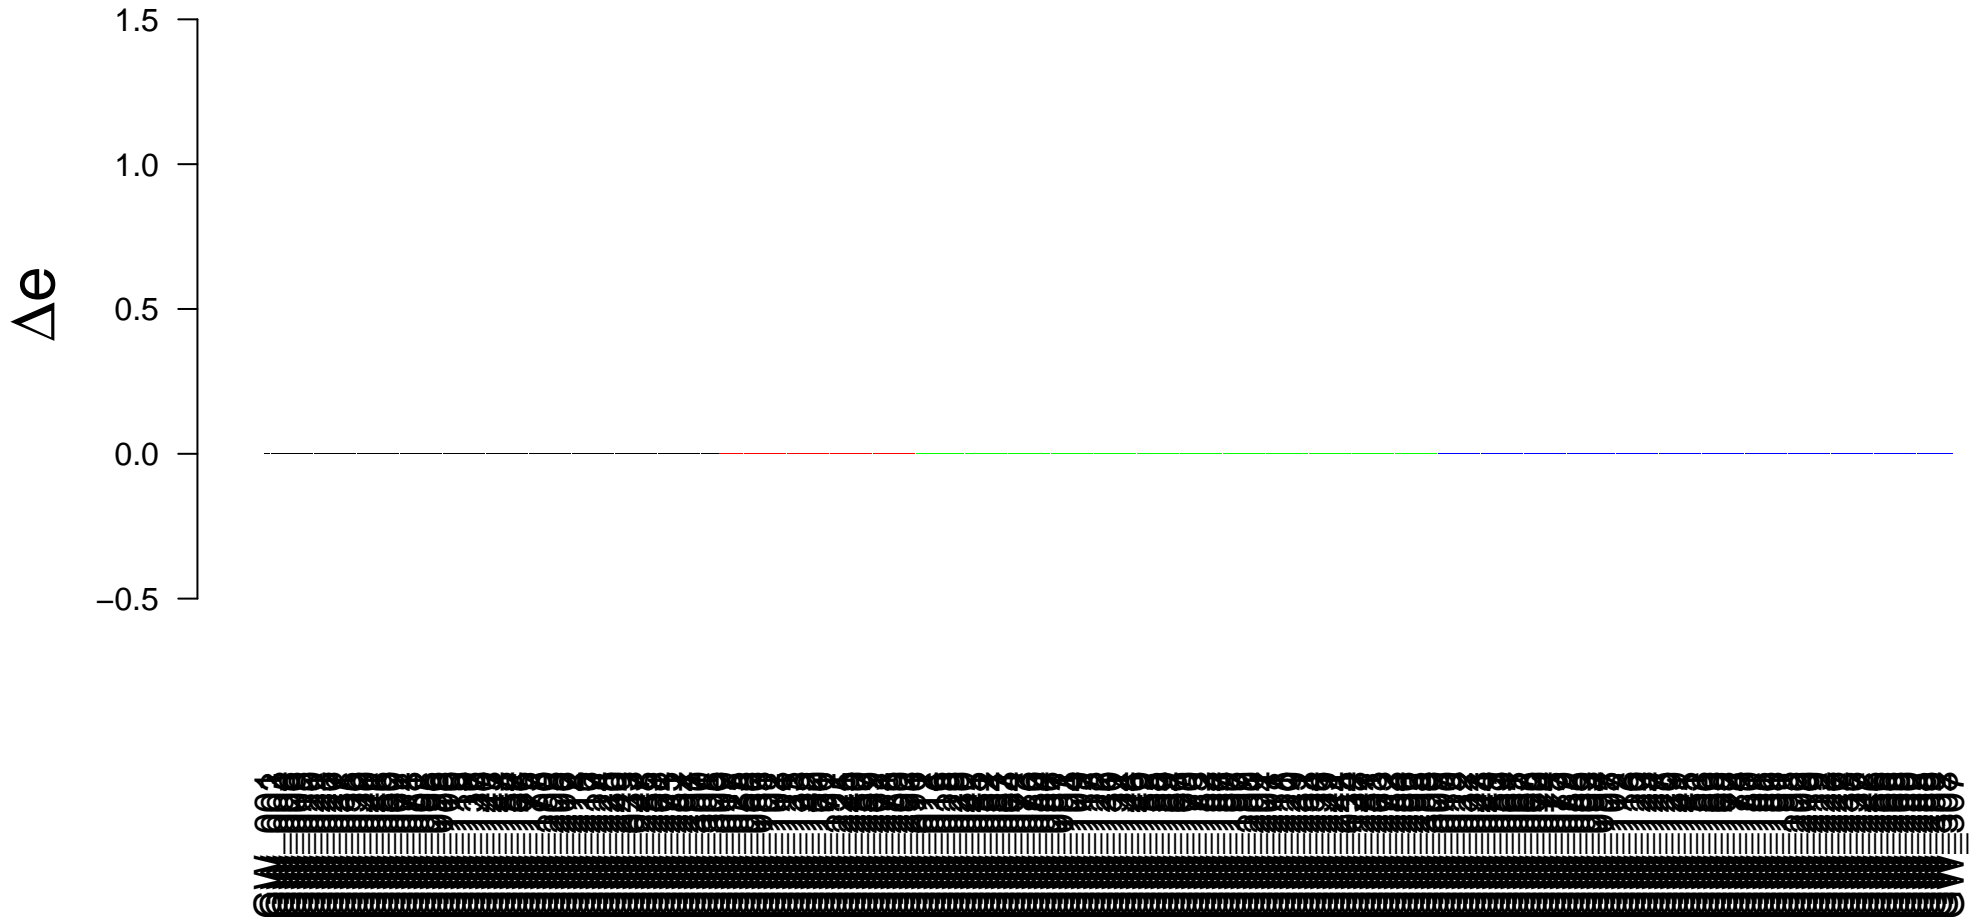

# Expression of protein N-linked glycosylation via asparagine in Spot O

# Expression of protein N-linked glycosylation via asparagine in Spot P

# Expression of protein N-linked glycosylation via asparagine in Spot Q

# Expression of protein N-linked glycosylation via asparagine in Spot R
